Ron Mack (left), of the Plymouth Community Junior Athletic Association receives a check from Bill Decker (center), Colonial Kiwanis President and Bob Evans (right) of Youth Services. The donation will help fund P.C.J.A.A. activities.

Shefferly Joins Commission

The Canton Township Planning Commission welcomed a new member at the May 7 meeting. The agenda included rezoning for a McDonalds Restaurant, an addition to Williams Music, and a plan to renovate R&S Rubbish.

Bob Shefferly became the newest member to the commission after his appointment by the Board of Trustees. He lives on Hanford in Carriage Hills Sub., and has worked for the Detroit News in the Co-op Advertising Dept. for 29 years.

A request was made to rezone the north side of Michigan Ave. between Hanman and Lotz, to C-2 General Business for the purpose of building a McDonalds restaurant. Larry Bauman, Asst. Planning Consultant, pointed out possible problems with Walker School located next to the planned site. The restaurant's noise and traffic could be a distraction to students. The principal of Walker School suggested that a wall or tree-buffer could stop distractions that might occur. The School Board, in a letter, requested more information before making a decision on the project. A representative from the restaurant said they would cooperate with the Commission and School Board in solving all possible problems, such as building a buffer area on both sides of the property. The Commission tabled the issue for two weeks in order to give the

School Board more information and time to make a decision.

Williams Music, located at Canton Center and Mabert Roads, was approved to build an addition on their building to increase their service. Renovation of R&S Rubbish at 44737 Michigan Ave. for an Auto Clinic by the proposed buyer was approved if the old owner will clean up the area. As last item on the agenda, the Commission set June 4, for a public hearing for Mr. Robert Acchines' rezoning request for Palmer and Sheldon Roads.

Central Book Carnival

Central Elementary School is having a Book Carnival, Wednesday, May 15, 7:30-8:30 p.m. Awards will be given to children in grades 1-5 who have written the best books in many different categories including fiction, science fiction, alphabet, biography, etc.

In addition to the display of books, each class at Central will give demonstrations, plan various activities and set up booths. One project is entitled "How a Book is Born" and is a narrated slide show on the steps involved in writing an original book.

All participants in the Book Carnival are Central Elementary students. The event will take place in Central's Multi-purpose room.

Candidates File for School Board

As the filing deadline passed, 17 of the 25 school board candidates' petitions were returned. Initially, no one showed any interest in the four school board seats, two four-year terms, and two one-year terms, but by Monday afternoon at 4:00 p.m. five people had filed for the four-year seats, and 12 people had petitions in for the two one-year terms.

The candidates running for the four-year terms are: Marcia Borowski, 400 Plymouth Rd., George Lawton of 48101 Joy Rd.,

Joseph Gray of 40228 Ivywood Lane, Dean R. Mullison, 8856 Gregory Lane, and John Hibler, 12240 Cherrywood Ct.

The candidates seeking election for the two one-year terms are: Woodrow Lee Barrie, 44739 Twyckingham Lane; Carl F. Berry, 40007 Cambridge; John Blumenshine, 43985 Arlington; Thomas Cape, 46511 Betty Hill; Richard Miller, 1541 Lexington; Cyril Nichols, 10478 Homestead Lane; James Somers, 1261 Palmer;

Thomas Turner, 1300 Linden; Billie Whiteley, 44147 Leeann; Thomas Yack, 43850 Brandywyne; Thomas Yanus, Jr., 7668 Provincial Road, and Robert W. Hubert, 11637 Morgan St.

The election to fill the school board seats will be held in less than four weeks on Monday, June 10. Out of the 17 people filing for the positions, George Lawton, Joseph Gray, and Thomas Turner have served on the board previously.

Crier Carriers to Collect

After 17 weeks of voluntary mailed subscription, The Plymouth Community Crier is going to go to a door-to-door voluntary paid collection system.

Starting the week of May 16, your Plymouth Crier carrier will be coming to your door to collect for the month of June. The \$.50 collection will serve three major purposes:

1) With each month's payment, the customer will not only be paying for his local hometown newspaper, but the subscriber will receive a coupon good for a \$.50 discount on a Crier Classified. Rather than paying \$2.50 for 10 words in our classified section, the coupon will allow you to purchase a classified ad for only \$2.00. Remember, local advertising brings the fastest response, and The Crier is the only local hometown newspaper with a local classified section.

2) A percentage of all collected revenue will be donated to The Plymouth Junior Athletic Association. The funds donated to the association will be used for equipment, uniforms, and for the yearly dues of the underprivileged who, without these donations, could not participate in the athletic association which serves Plymouth, Plymouth Township, and Canton.

3) The collection system will also ensure prompt, and efficient

delivery service to our monthly subscribers. This will also allow a check and balance system between our circulation department, and our delivery boys.

The three benefits to remember:

- 1) \$.50 discount on Crier Classified advertising.
- 2) A percentage of all collected revenue will be

donated to the Junior Athletic Association.

3) The collection system will ensure prompt, efficient delivery with a check system for our delivery boys.

Look for our carriers beginning on May 16, and remember, our carriers are not only working for The Crier, but most of all, they are working for you, the people of the community.

Salvation Army Board, Plymouth — first row (left to right) Harold Head, Gene Overholt, Mrs. Warren Yoder, Captain Warren Yoder, Donald Sutherland. Second row (left to right) Bud Ottenhoff, Ann Taylor, Bill Graham, Clarence Moore, and Dr. Joseph Smulsky.

May 13-19, National Salvation Army Week

The Salvation Army was born on the East End of London in 1865 and came to the United States in 1880. "HELP FOR TODAY — HOPE FOR TOMORROW" is the theme of the week which will be observed throughout our country.

These are abrasive times we all live in: energy crunch, generation gap, inflation, racial tension, women's lib, etc. The Salvation Army was — is — and will be in the future anxious to bring harmony and growth to a community. The individual and the family units are highest in our list of priorities in Plymouth.

Corps-Community Center programs going on weekly include: a full schedule of religious services open to all, drop-in center for pre-schoolers, character building programs for both grade-schoolers and teens, and transportation services for Senior Citizens.

On a seasonal basis the Plymouth Corps provides camping programs for area youth, and well known disaster services at any local emergencies. Since 1929 the Salvation Army has been an active and honored group in the Plymouth area.

The Salvation Army in each community it serves is aided by an Advisory Board. This board is made up of local business people and private citizens. Their main jobs include being aware of present Salvation Army programs in their community, and advising how these programs ought to relate to our local residents.

Officers of the Salvation Army Board in Plymouth include: L. W. (Bud) Ottenhoff, Chairman; Gene Overholt, Vice-Chairman; Ann Taylor, Secretary, and Don Sutherland, Treasurer. Other members of the board include:

Dr. R. R. Baber, Bill Graham, Herald Hamill, Harold Head, Carl Lampton, Clarence Moore, Joseph Smulsky, DDS, and Marella Schrader. Two members honored with life membership are Frank Henderson and Bob Willoughby.

Much of the forward movement of the Salvation Army is credited to the help and advice given by the Salvation Army Advisory Board. The influence of such a Board guarantees that the Salvation Army will always be sensitive to the needs and people of our community.

WHEN IS YOUR CLUB MEETING?
CALL 453-6900

Plymouth 'Y' Tennis Clinic

The Canton, Northville, Plymouth YMCA will hold its second Tennis Clinic at the Huron Valley Tennis Club in Dixboro (3235 Cherry Hill Rd. off Ann Arbor Rd.). Indoor courts, saunas, showers, clubhouse, video tape, etc. will

Spring Festival

A Spring Festival this weekend in Plymouth will include carnival games, rides, prizes, a dance, bingo party and old-fashioned ice cream social.

The festival begins at 6 p.m. Friday, May 17 and concludes at 9 p.m. Sunday, May 19. The location is Our Lady of Good Counsel Church (OLGC) at Penniman and Arthur, north of downtown Plymouth.

All are invited to stop by for some carnival fun. Key elements of interest:

FRIDAY: 6 p.m. to 10 p.m. - carnival rides and games on the midway (church parking lot). From 9 p.m. to 1 a.m. - Spring Dance in the parish hall ... arrange tickets in advance.

SATURDAY: Noon to 10 p.m. - rides and games on the Midway. From 7:30 p.m. - Bingo Party in the church hall.

SUNDAY: Noon to 9 p.m. - rides and games on the midway. From 1 p.m. to 5 p.m. - Ice Cream Social in the parish hall. At 8 p.m. - raffle drawing in the Midway.

A highlight of the midway will be a game featuring the dunking of two Good Counsel teachers by students and other ball tossers wanting them to get into the swim of things.

Fifteen other midway games include some that adults as well as youngsters find especially challenging, like "Pool Shark" and "Cork Sheet." Prizes range from stuffed bears to tennis

rackets, basketballs and smaller items.

Raffle tickets will be available on the midway for the first-prize 1974 American Motors Gremlin or an equivalent amount of cash, second prize 1974 Zenith portable color TV and third prize his and her 10-speed Schwinn bikes.

Besides the ice cream social Sunday, a hot dog wagon will offer food and beverages for midway visitors throughout the weekend.

Central Students in Washington

American History is a subject that all eighth graders in Plymouth must study. What better place to observe and relive history but in Washington D.C.? On May 18, 21 students of Central Middle School will board a bus which will take them to Metropolitan Airport where they will board a plane which will take them to Washington D.C. The group will return May 19.

The teachers chaperoning the flight are: Mrs. Kathy Cepela, Mr. Harry Greanya; Mrs. Margo Panko and Mrs. Debbie Rosenblum. The trip was arranged by Lakeland Tours and was open to all interested eighth grade students.

The group will spend Saturday and Sunday touring the Capital and the Washington area.

New Army Recruiter for Plymouth

by Elaine Edford

Joining the Army Recruiting Office on Penniman in Plymouth is Staff Sgt. Bill Morris. Originally from Oklahoma, Sgt. Morris has been in Michigan since 1971, working at Army recruiting offices in Livonia and Dearborn. He plans on working in Plymouth at least five years.

Sgt. Morris has been in the Army for 11 years. He has travelled extensively in those 11 years, and has been stationed in places like Puerto Rico, Vietnam, Germany as well as many different states. He has been an Army Recruiter for two years. Prior to becoming a recruiter, Morris was a national defensive driving instructor for the Army. He has received the 40,000 mile Safe Driving Award.

Sgt. Morris is married and has two children. He lives in Belleville. He graduated from Columbia College (Missouri) with an Associate's Degree and plans to receive his B.A. in December. In the future, he plans on obtaining an M.A. in Business Administration.

Through extension courses made available to Army personnel through cooperating universities, Mr. Morris has taken marketing, sociology, English composition, human relations, psychology, career counseling, speech, economics, data processing and management.

States Sgt. Morris, "Through the Army university extension program I received my Associate's Degree in one year and will receive my Bachelor's in two years. I have attended classes on off-duty as well as on-duty hours, in convenient locations and taught by regular university professors. Through end of course tests, an Army man can receive as much as 24 college credit hours toward his degree. It's a great program."

Sgt. Morris added that he would be happy to talk to any man or woman wishing to "forward his or her education or to develop a particular skill through the varied Army programs. The Army has over 400 jobs in over 400 different places around the world."

Suzanne Johnson (center), Grand Marshal of the Diabetes Bike-a-Thon, gets some pedal power from Mayor McAninch (left), and encouragement from chairman of the event, Mrs. Pat Conley (right).

Mich. Diabetes Bike-a-Thon

A special Bike-a-Thon, sponsored by the Michigan Diabetes Association, is scheduled Sunday, June 2, in and around the city of Plymouth. Funds raised in the event will underwrite the costs of Camp Midicha, a special medically supervised summer camp for children with diabetes.

Due to their special needs, diabetic children generally cannot attend other camps. Special effort is made at the diabetic camp to educate children about the disease and instruct them to care for themselves.

Suzanne Johnson, age 10, is the Grand Marshal of the MDA Bike-a-Thon this year. Suzanne attends Our Lady of Good Counsel in Plymouth, and is a member of Girl Scout Troop No. 266. Suzanne is active and loves sports. Chairman of the event is Mrs. Pat Conley.

Prizes, free arm bands, bike flags and refreshments will be featured at the June 2 event. Riders will start any time after 10 a.m. Entry forms can be obtained at AAA offices, McDonald's Restaurants, or by calling the Michigan Diabetes Association at 1-342-9333.

Crissey Donations

by Dennis O'Connor

Donations from many different organizations around the Plymouth area are still coming in as the Fund for Joe Crissey reaches the \$13,000 mark.

Plymouth Community Civitan Club has contributed \$325.00. The talent show that was organized by Mike Telekesy raised \$200.00. Junior High Cook of the Northville School District organized a benefit basketball game for Joey and collected over \$100.00. And the Harmonica Kittens gave over \$90.00 in donations.

Joey flew to New York last week and is currently registered

at St. Barnabas Hospital.

The operation has been delayed for a short time as Dr. Cooper is taking Joey through an extensive examination before operating.

CRIER'S LITE

It's unfortunate that when a new road is constructed trees must be uprooted and removed, that dirt and soil must be disturbed, and that the general environment around a road construction site is enough to make a motorist, driving with his window down, sick. But these are facts of progress, and of human nature, and excuses can be made for both.

But it is even more unfortunate to drive by 14657 Robinwood, in Lake Pointe Village, observe the way the grounds are kept, and to see how a \$50,000.00 house can depreciate in two years.

The house on Robinwood is owned and occupied by the Michigan State Highway Department. It's evident they don't realize that May is clean up month in Plymouth Township. If they did, someone might have cut the weeds in the front lawn by now. A spokesman for the Highway

Department, when asked about unpainted house mentioned that brushes were purchased six months ago, so the outside trim could be painted. When asked about the weed patch in front of the house, he confessed they didn't keep a lawnmower on the property, and cut the grass only when they had to.

The Highway Department owns four houses in the block, each kept up worse than the next. These houses will eventually be torn down to make room for the oncoming expressway. Even though the demolition of these houses could not be projected, neither could any plans for repairs.

Residents in the area have complained to the project engineer at the site, but nothing ever happens, and even though it is too much of an inconvenience for the Highway Department to cut its grass, the residents in the area continue with the beautification of their property and their neighborhood.

If anyone from 14657 Robinwood, or the Highway Department, reads this editorial, think about it, then read the clean-up month proclamation, which was issued by the supervisor of the township you're working in, then go and clean up your houses. You probably won't find it as hard as uprooting trees, disturbing dirt, or building those big concrete roads.

A SPECIAL THANK YOU is directed to Mrs. Ann Hedrick, a school, mother and volunteer supervisor at the Deer Creek bus stop. Each morning this year, Mrs. Hedrick has been out with the kids assisting in safety and organization. Mrs. Hedrick, THANK YOU, we appreciate what you are doing for our children.

Letters to the Editor

Observerland Relays

Dear Sir:
The Observerland Relays have come to be accepted as one of the premier track events each season. This year's was no exception. The Observer and Eccentric Newspaper should be very proud of this meet and its directors.

However, it has come to my attention that a serious discrepancy has taken place. It concerns the results of the mile relay in this last meet. Both the Plymouth Salem and Livonia Churchill team tied for first place. This was no dead heat mind you, but the exact same finishing time, for each team was in separate heats. The gross inconsistency arises in that the Churchill team received the first place trophy and the gold medals, while the Salem team ended up with only the silver

medals. Regardless of the equal probabilities, a toss of a coin should not and does not determine champions.

It seems only ethical that both teams should receive a trophy and gold medals. The co-champion, Plymouth Salem mile relay team, has been deprived the commendation they rightfully earned.

If the meet directors are going to allow teams to enter times that are fraudulent in order to obtain fastest heat status, then at least they can equally reward winners - even if they came from the "slower" heat as Plymouth Salem did.

We will be anxiously awaiting the rectification of this matter, in the hope that all may receive

equal commendation.
Brian M. Smith,
President of the Senate

Election Feedback

You must have been as APPALLED as I at the unbelievably callous action of the City Commission the night BEFORE the election in which they said, in effect, "we are not here to represent your expression at the polls, BUT, to express our own opinions, that you do not know what you want, that only we know what you want." THIS IS DEMOCRACY IN ACTION? Couple this with the statement of our boundry commissioner, Mr. Irving Rozian in Monday's issue of the Observer & Eccentric Newspaper, in which he said:

"I favor the consolidation. This is probably the best and most timely opportunity we will have to recognize that Plymouth and Plymouth Township are one community."

GOD HELP US if this is the partial determination these three new annexation resolutions are going to get from the Boundry Commission.

Through this letter I am calling on the citizens of Plymouth Township and Plymouth City to write Gov. Milliken and Senator Pursell, as I shall, calling for action on their parts to guarantee the township a fair and equal study of these three annexation resolutions, even to the extent of appointing a replacement for Mr. Rozian for the study of these resolutions only.

PLEASE WRITE!!! AVOID an example of loss of confidence in public officials.

Elizabeth Holmes,
Treasurer
Township of Plymouth

Track

To the Editor:

"Forgotten Heroes" and "Absent Spectators" track - what is it and where is it? - to a few it's where you spend two to four hours a night and week-ends training and participating in a sport that offers very little material reward.

It's a place, where, as a team and as an individual, you wear the school colors and run or jump till your guts hurt and sometimes feel sick with exhaustion. It's where there is no band, no cheerleaders and no spectators. The band and the cheerleaders I guess are not needed - but where are YOU - THE SPECTATOR!

I admit the weather has not been the best, the equipment and track condition leave something to the imagination and we hardly have a winning record - but here are your kids doing their thing and who knows it? - Let one of them get out of line and it would make the front page and be on TV.

How can you encourage participation in the sport and the desire to do better when you can't get other students, administration and/or parents interested?

Let's show our support for the track teams by showing up in the stands to cheer the "Forgotten Heroes" - See you at the next meet.

N. Nitram,
Plymouth

On behalf of the Plymouth Lions Club I want to express our appreciation for your cooperation and fine coverage provided during our White Cane Sale.

Your newspaper has been a welcome addition to the city of Plymouth and all of the Lions membership realizes the fine job you have done for us in publicizing our group and its activities.

Thanks for all your help.
Sincerely,
Ed Dorrington

Band Needs You!

The Podium Club of Plymouth has to this date collected about one half of the funds needed to finance the Plymouth Community Band this year. If their goal is not realized the band may not be able to offer its free summer concerts in the park.

Those wishing to support the community band can send their contributions to: The Podium Club, 44726 Charnwood, Plymouth, Michigan.

NOTICE TOWNSHIP OF PLYMOUTH 42350 ANN ARBOR ROAD

Dog Licenses are due prior to June 1, 1974 and are available at the Plymouth Township Hall, 42350 Ann Arbor Road, Plymouth, Michigan, Monday through Friday, 8:30 A.M. to 5:00 P.M.

Licenses prior to May 31, 1974 \$3.00
Licenses after May 31, 1974 \$5.00

Dogs must have a current rabies vaccination and owners must show proof of vaccination when obtaining dog licenses. Owners of all dogs not vaccinated and licensed before June 1 will be subject to violation tickets.

Please remember you are also in violation if your dog is permitted to run at large or its frequent whining, barking, yelping or howling shall cause serious annoyance to the neighborhood or to persons passing to and fro upon the public highway.

HELEN I. RICHARDSON,
PLYMOUTH TOWNSHIP CLERK

Bright green and white polka dots for summer.

'Summer Magic' at Westland

by Elaine Edford

"Summer Magic" was the theme of the Woman's National Farm and Garden Association of Plymouth fashion show, May 8, at Westland Center. The brightly dressed Garden Association members opened the show with light refreshments and musical entertainment by Barb and Jackie Croci of Plymouth.

The Croci sisters sang harmonies to the accompaniment of folk guitar. Folk songs, ballads and contemporary music were performed by Barb and Jackie. The currently popular ballad, "Sunshine," was one of their closing songs - which certainly fit the summer theme of the fashion show.

Fashions provided by J.L. Hudsons of Westland were as bright and summery as the flowers and greenery decorating the stage. In abundance were bright greens, yellows, blues and oranges, shown in both sports and dress wear.

Hudson's moderator, Heather Denley, started off the show by featuring easy wear and easy care sportswear. Matching slacks and tops were shown in bright greens, yellows and oranges, all of light weight, wash and wear cottons and synthetics. Matching jackets were featured - easy care jackets which could also be doubled as cover-ups for bathing suits and dresses.

(continued on page 8)

Professional Women Meet

The monthly dinner meeting of the Plymouth Business and Professional Women's Club will be held at Hillside Inn on Monday, May 20, at 6:30.

Georgia Gates, a Past State President, will install the officers elected at the April meeting for the coming year. They are Grace Rix, President; Sandra Davis, First Vice-President; Janet Richwine, Second

Vice-President; Peggy Tate, Recording Secretary; Marian Johnston, Treasurer; Charlotte Tate, Corresponding Secretary, and Mary Jane Wagenschutz, Parliamentarian.

Joyce Mallory, who is the

State First Vice-President, will induct a class of about twelve into membership.

Reservations should be made by Mrs. M. V. Brillhart by noon on Saturday, May 18, telephone number, 453-1214.

WHAT IS CHIROPRACTIC?

Chiropractic is a Philosophy, Science, and Art of things Natural; a system of adjusting the articulations of the spinal column, by hand only, for the correction of the cause of the disease.

The adult spinal column consists of the superior 24 freely movable bone segments, called vertebrae, together with the sacrum and coccyx. All the great nerve trunks emit thru the openings between these vertebrae which openings are known as the intervertebral foramina. The vital nerve force within man is carried by these nerve trunks from the brain to the various organs, muscles, and tissues of the body.

For every effect you must have a cause; that is a fundamental law of physics. If a person is ill, then the condition of disease, regardless of the name applied to it, is in fact an effect for which there must be a cause.

The Chiropractic premise is that the cause of disease is due to the subluxation of vertebrae, which produce pressure upon the nerve trunks and thus interfere with the normal transmission of vital nerve force.

The Chiropractic objective is to locate the point in the spine, where nerve pressure exists, due to a vertebral subluxation, and, thus proper adjustment by hand, to restore the subluxated vertebra to its normal position, thus releasing the pressure on the nerves involved and thereby removing the cause of disease in the body. Renewed health is the natural result.

'Summer Magic'

(continued from page 7)

Short tennis dresses were shown in the same wash and wear fabrics and Ms. Denley was quick to add that the cool-looking dresses could also be worn bicycling, gardening or boating. Colorful scarves were added to just about every outfit; Ms. Denley quick to add that "scarves, scarves and more scarves are the thing this year."

Easy care clothing also dominated the evening wear fashion scene. Long dresses and pant suits were shown in denim-like fabrics - the fashions "dressed up" with the addition of silver studs and rhinestones. The ladies were happy to see that wide-legged "pajama" pants suits were again "in" for this year. These were shown in billowy arnel-like fabric in a wide array of bright colors and flowery prints.

Flower prints dominated the dressy evening wear fashions shown and one long gown was shown in a bright flower print of easy care light cotton. Sheer, but easy to care for treated voile was also shown for evening wear. Long dresses and pants suits were often shown with matching cover-ups, scarves and long strands of pearls.

Judging by the applause, the ladies present seemed pleased with the easy wear fashions shown. After the show many door prizes were given out to the lucky ticket holders; many of the prizes donated by approximately 37 Plymouth area merchants.

Easy wear casual wear and bright scarves dominated the fashion scene at the National Farm and Garden Association's Fashion Show last Wednesday.

For Mothers

The benefits of nursing to mother and baby will be the topic of discussion at the next meeting of La Leche League of Plymouth-Northville.

The new series, beginning on May 16 at 8:00 p.m. will be held at the home of Mrs. John

Williams, 9437 Tavistock Dr., Plymouth.

Anyone interested in further information concerning the upcoming series may contact Mrs. Robert Frellick at 349-2840 or Mrs. Thomas Nunez at 455-0215.

Ice Cream Social

Ice cream socials become more common as the summer approaches, but Pioneer Middle School will combine its ice cream social, its PTSA Executive Board Installation, its display of students classes, and yearly projects tomorrow evening, May 16, from 7:30 until 9:00 p.m.

Pioneer on Parade will offer the parents of pioneer students the opportunity to see what their children have been doing in the various subjects, and it will also give the students a chance to display their yearly projects. Pioneer On Parade is being sponsored by the Pioneer Parent Teacher Student Association.

The fifth grade students that will be transferred to Pioneer this fall and their parents are also invited to the Parade so they will become better acquainted with their new school home, and better understand some of the exciting and informative projects they will become involved in while at Pioneer. **REMEMBER - THURSDAY 7:30 p.m. - 9:00 p.m. Pioneer Middle School, 46081 Ann Arbor Road.**

The kids at Our Lady of Good Counsel will be selling candy from now until May 17. Watch for them at your doors.

Money from the sale will go for books, football and baseball equipment.

Under the direction of Mrs. Margo Panko the Central Drama Club will present the play "The Ballad of Simon Pure Sam" during the month of May. The students have been rehearsing twice a week for this production. It is a comic western melodrama that takes place in the 1800's. Simon Pure Sam comes to the Cactus Flower Hotel in Gravy Gulch one fine spring day in 1887 and leaves a mark on all. The Bugaboo Brothers come on the scene and bedlam breaks loose. The theme of the play is that women can outwit men in a stress situation.

The students will perform for Starkweather, Farrand, Central,

and Tanger Elementary Schools. They will also perform for Central Middle School and for an Open House at Central at 8:15 p.m. on Thursday, May 23. Cast: Sondra Gillon, Kim

Legal, May Campbell, Sally Pinder, Chrisie Gural, Karen Lemelin, Colleen Osborne, Barb Keith, D.J. MacLean, Babette King, Denis Dagnhard, Kris Perchard.

Community Tour

by Launa Wakenhut

On June 10, Plymouth and Canton voters will go to the polls to turn thumbs up or down on a new \$10,000,000 school building bond issue. In hopes that these voters will be aware and informed about the growth problems facing the school district, the Plymouth-Northville League of Women Voters and the Plymouth branch of the American Association of University Women are sponsoring a bus tour of the district's areas of greatest growth potential on Saturday, May 18.

Local school, government, and planning officials will accompany the tour to explain growth patterns and projections, as well as their expected effects upon the school population.

Buses will leave from the Board of Education Offices on S. Harvey at 9 a.m. and will return at approximately 10:30 a.m. for coffee, doughnuts, and an open question-and-answer session with school officials.

A number of community groups, including civic and

Brian Lockhart, viola; Jan Gunn, flute; Cherie Thom, flute; Carol Petro, flute; and Skip Larson, trumpet

service clubs and area homeowner associations, have been invited to send representatives on the tour. Interested citizens are urged to join the tour by calling either LWV President, Jane Watts, 15559 Bradner Road, or AAUW President, Elaine Kirchgatter, 48377 Gyde Road by Thursday, May 16. Reservations must be finalized by this date to assure adequate seating for everyone interested in attending.

Central Students at Interlochen

Five students from Central Middle School have been accepted for the summer music program at the National Music Camp, Interlochen, Michigan. The competition was keen and

they were chosen out of a large field. Chosen were Kathi Gladden, Clarinet; Carol Petro - flute, Tim Wise - Trumpet, John Sullivan - Trombone, Jim Mortensen - Trumpet.

Central's Band First

On Saturday, May 4, bright and early in the morning, the Central Middle School advanced band travelled to Fraser High School to play at the Class C State Festival. For many of the students this was their first experience with a competition of this type. It certainly proved to be a good experience.

Four of the judges all agreed on the same verdict, Central received straight 1's. Charles Hills, a judge from the Ann Arbor School District said: "I am impressed by the fine quality of sound and balance of this band." Edward Downing, a high school band director from Ann Arbor and coordinator of the

All-State Program at Interlochen said: "Congratulations on a good performance - you do many things very well."

"This band has certainly come a long way since September, especially considering they came from three different Middle Schools, I am quite proud of all of them," said Michael P. DiCuirci, director of the 44-piece ensemble.

Central's last appearance this year will be on Thursday night, May 30 at the Salem High School Auditorium.

Spring Concert

A wide variety of music to please every listener will be offered by the Plymouth Community Chorus in its spring concert, Sunday, May 19 at 3 p.m. in the Central Middle School auditorium.

Conductor and founder of the chorus is William Grimmer, vocal music teacher at Plymouth Middle School East.

The program, which is divided into five sections, will be narrated by Peter Humphrey and accompanied by Harriette Schneider.

"Consider Yourself" from the musical "Oliver" is the opening number.

Admission is free.

Christian Science Lecture

What brings mankind genuine freedom? This question will be examined in a public lecture to be given in Plymouth on Thursday, May 16, at 8:00 p.m., by a Christian Science lecturer from London, England.

John Richard Kenyon will discuss a spiritual basis for freedom from fear, racial tension, and other current problems.

A Christian Science teacher and a member of the Christian Science Board of Lectureship, Mr. Kenyon will speak at the invitation of First Church of Christ, Scientist, Plymouth, in the church auditorium at 1100 West Ann Arbor Trail. Care will be provided in the Infants' Room, for small children, and there is ample free parking.

American Legion Hosts Michigan Week

Plymouth's Michigan Week activities will be assisted by the Plymouth American Legion Post and its Auxiliary as they host their seventh annual "Recognition Night (Law & Order)" banquet and awards program on Saturday evening, May 18. In addition to being "Community Pride Day," the 18th is also "Armed Forces Day" and the conclusion of "Police Week." The Legion will take this opportunity to render their salute to these two other special events.

The festivities will commence with a buffet supper at 6:30 p.m. for the invited guests at the Legion Hall, 888 Sheldon Road, Plymouth. The awards ceremony and program will follow at 7:30 p.m. and any and all interested residents of the Plymouth area are extended a cordial welcome to attend this portion of the program.

Honor awards will be presented to the selected outstanding individuals in five categories of Plymouth community affairs and activities as selected by their peers.

Continuing with the "Citizens Awards" initiated three years ago, selectees will be presented with awards and recognition. These individuals are selections

of the Passage-Gayde Post and made independently of the other five categories. Fifty-second District Representative Raymond J. Smit of Ann Arbor will be the principal speaker of the evening.

Program Chairman Ernest Koi also announces that the Legion will display the American Flags around the perimeter of Kellogg

Park on each and every day of Michigan Week, weather permitting, in support of Plymouth's observation of Michigan Week.

P.H.S. Play Travels to 3,000

During the past week a group of very enthusiastic Plymouth High School students have been traveling through the Plymouth and Wayne areas to eleven elementary schools performing a very well received children's show.

The performance itself is in two parts. The first half consists of an improvisation company (Linda Dwyer, Cindy Carmody, Gina Dascenzo, Kevin Rosner, Doug Pruttan, and Bob Byson, Jr.). This company performs a variety of sketches involving children's games and fairy tales.

The second half of the

performance is an audience participation version of the spoof, "Cinder-Riley." The cast of this show includes all members of the improvisation company plus the talents of Cheryl Collins, Sharee Byson, Sherry Pelley, Linda Hunt, Carla Upton and Bill Strautz.

Under the direction of Mrs. Gloria Logan, the helping hands of Kathi Van Aernum, Sue DeWalt, and Bill Herter, and with the continued support of the Plymouth Fine Arts Council a theater experience has been brought to over 3,200 elementary students.

Plymouth Girls Sparkle

by Dennis O'Connor

The girls' track team from Plymouth-Salem had their relay teams lead them to a second place finish at the West Bloomfield Invationals, Saturday, May 4.

Only Walled Lake Western was able to edge Plymouth from a field of 27 teams.

The 880 yard relay team took a first place win, followed by second place finishes from the sprint medley and mile relay teams.

The 440 relay and shuttle hurdle teams finished in fourth and fifth place, respectively.

Barb Smith also placed fourth in the shot put.

On that same date the Plymouth-Salem 440 relay team consisting of Barb Croci, Pam Adams, Joan Lankable and Jackie Croci ended up in second losing only to Stevenson High School at another suburban open meet.

The track meet with Walled Lake Western (vs. Ply-Canton) was cancelled last week due to inclement weather.

Plymouth-Salem faces Redford Union today (May 15) with Plymouth-Canton going against Churchill tomorrow (May 16) before competing in regional play at Walled Lake Western on Saturday, May 18.

Canton Track

by Anne Sullivan

The Walled Lake Western cindermen gave it all they had Thursday, May 2 in a track meet against the Plymouth-Canton Chiefs. Western was determined to win, and they did. They took first place in 13 events and routed the chiefs 89-34.

But Canton wasn't at a total loss. With the fleet-footed agility of their 880 relay team of Jim Meadows, Tom Kinal, Dennis VanGilder and Mike Ogden the Chiefs' relay skills won out over Western's 880 team.

Mike Potter topped the field in the 880 yard run for Canton by clocking in at 2:08.

Now the Canton chiefs are 0-3 in Western 6 competition.

Tom Legault, Jeff Ziel, Brian Smith and Mark Demeritt.

P. Salem 9th in Relays

Last week in the Observerland Relays at Redford Union, Plymouth Salem track team placed ninth out of 16 teams with some impressive performances by the mile relay and distance medley relay. The mile relay composed of Mark Demeritt, Jeff Ziel, Brian Smith and Tom Legault, captured first place and the distance medley relay of Dave Williams, Scott Agnew, Curt Funk and Greg

Wolcott placed third.

Other relay teams that placed are: high jump relay of Bob Spisich, Eric Agardy and Tom Legault, and the sprint medley of Mark Demeritt, Jeff Ziel, Kim Woody and Tom Legault. With only three weeks of track season left Salem runs into some of its most important meets, with the regionals this Saturday and the Suburban 8 league meet on the 23rd of May.

Harrison Strikes Back

by Dan Herriman

Farmington Harrison fell to Plymouth Canton as the Chiefs took their first Western Six victory back in April, 2-1, in nine innings. But when Canton hosted Farmington Monday (April 6), Harrison sought revenge and accomplished their goal-defeating the Chiefs, 2-0. Canton is now 4-2 in league competition and 8-5 for the season.

Sophomore Bill Parson sustained the loss, and now stands at 3-3-1. He tossed three strikeouts, walked two, allowed six hits and two unearned runs. Pitcher Hammer went the distance for Farmington, striking out six, walking two and giving up five hits.

A scoreless tie through five innings saw Harrison come to in the sixth. Morrison drew a walk and Rogind sacrificed him to second. Hickey got to first on an error by Brian Stemberger, moving Morrison to third. Hickey stole second followed by Tom Uphoff who grounded out

to Parson. Valassis was at bat when Stemberger errored again to score Morrison for the first run. Carb singled to Scott Dunagan to bring in Hickey for the second. Pitcher Hammer flied out to left field to end the inning and the scoring.

With that defeat behind, Canton was to face Walled Lake Western last Wednesday, but that game was canceled due to the inclement weather. W.L.W. will also be after revenge; the Chiefs shamed them the first time around, 7-0. Skies didn't clear up Saturday, and a Highland Park doubleheader was rained out too.

Rocks JV Win

by Dennis O'Connor

Three one-run victories over Redford Union (2-1), Edsel Ford (3-2), and Belleville (1-0) completed another successful week for the Plymouth-Salem JV baseball team.

Coach Brian Gilles' team now holds a 7-1 record for the year.

Gilles credits strong pitching and solid defense as the keys in the victories.

The Redford Union victory was an extra inning affair as the Rocks went 9 innings before recording the win. After hitless ball in the first three innings, Plymouth struck first by tallying one run in the fourth. R.U. came right back to even things up in the fifth.

The score remained 1-1 until the ninth when Howard Inch lined a single to right which got past the R.U. outfielder. Inch scampered home on the three base error for the winning run.

Mike Primeau went all the way for Plymouth, recording his fourth win against one loss. Primeau gave up only one hit all game while Plymouth accounted for two.

A 7th inning run beat Edsel Ford as Chad McDonald started things off with a walk. Larry Rightler came in to run for McDonald and stole second. He scored on Kirk Brannock's RBI single to break the 2-2 tie.

A 1-0 victory over Belleville was highlighted by an RBI double by Tom Davis who knocked in Dave Pierce from second.

This 5th inning run was all John DenHouter needed as he went all the way for Plymouth giving up just three hits and striking out nine.

The win was DenHouter's third of the year against no defeats. DenHouter also picked up the win in the Edsel Ford game in relief of Mike Primeau.

Plymouth JV battles Trenton this Friday (May 17) at Trenton.

Safe Driving Rally

Members of Explorer Post 910 took top honors in the Detroit Area Explorer Safe Driving Road Rally on Saturday, May 4. Four of the five rally teams who entered received trophies. There were two types of teams competing: Class A and Class B.

First, second and third place trophies in Class A as well as first place in Class B were won by 910 teams.

Class A teams were made up of two people per car. First

UNITED STATES ARMY BEATING THE TUITION CRUNCH

Military Service — an interruption; a delay, that is how young people have viewed it in the past. It was not viewed as an education opportunity, only lost time to be made up after the term of service expired.

Several universities across the United States have entered a cooperative admissions program with the Army under which military personnel can earn college credit at the same time they enter the army.

Under the Enlisted Civil School Program, an individual can take on-campus and correspondence courses towards a degree when he or she enlists in the Army.

The enlistee can also receive college credit for portions of Army Basic and Advanced Individual Training. Under the program, the Army will pay 75 percent of the costs for persons on active duty.

Eastern Michigan University — has a program, for men and women planning to enter the service. The program stresses the schooling, training, experience and scholarship opportunities offered by the government, and the United States Army.

UNITED STATES ARMY CO-OP PROGRAM

1. Journeyman level of skill
2. Two years of college
3. Pay \$12,000.00
4. \$9,000.00 Scholarship
5. Maturity
6. Fourth year-3 semester, 3 1/2 years completed
7. Employment advantages: a. Degree; b. Journeyman; c. Veteran preference

For further information on the Army College program contact:
SGT. ROBERT SPARKS AT 819 PENNIMAN, PLYMOUTH, MICH. or CALL 455-7770

COLLEGE PROGRAMS

1. Unskilled
2. Three years of college
3. Pay? minus \$7,500.00
4. Scholarship?
5. Maturity
6. Fourth year-graduate
7. Employment advantages: a. Degree; b. Skill?

Plymouth Loses Heartbreaker

by Dennis O'Connor

After a 2-0 victory over the Belleville Tigers for their fourth Suburban-Fight League win, the Plymouth-Salem Rocks came out on the short end of two one-run ballgames.

Tom Willette had no trouble last Monday (May 6) in mowing down Belleville for his sixth win of the year.

Two fourth inning runs were all Willette needed as he held the Tiger to just two hits. Willette has yet to give up an earned run in league play.

This game was marred by three quick snow storms, two before the beginning of play, and one during the action. Fortunately they didn't last long and play was able to be finished.

The following day (May 7) Plymouth let a brilliant seventh inning rally go down the drain as they lost to Redford Union 4-3 in an 11-inning marathon.

Going into the bottom of the seventh, Plymouth trailed by a 3-1 count. But a single by Jeff Waller drove in two runs to tie the score.

Although both teams had numerous scoring chances in the extra stanzas, no team capitalized until R.U. tallied an unearned run in the eleventh. Plymouth was unable to match that run and R.U. went home with a 4-3 victory.

Plymouth's leading hitters, Mark Stephens, Darry Hamlin and Jeff Waller accounted for seven of the eight Rock hits. Waller knocked in all three runs. These three seniors are hitting well over the .300 mark.

Starter Bill DenHouter turned in a brilliant performance in working the first six innings for

Plymouth. DenHouter gave up just two runs both of which were unearned.

Waller took the tough loss as he went the last five innings.

Poor defense cost the Rocks another ballgame last Friday (May 10).

Coach Wayne Sparkman came back with Willette in this game against Bentley, only to see his ace fall victim to five Plymouth errors. These errors accounted for three unearned Bentley runs.

A sixth inning two run rally for Plymouth fell short of the mark as Bentley won 3-2.

Plymouth outhit Bentley four to three with second baseman Don Bidwell collecting two.

Willette went all the way in picking up his first league loss and second overall.

Plymouth's record now stands at 6-8 overall and 4-3 in league play pending yesterday's game with Dearborn.

Football Camp

With the summer months drawing near and football season only three months away head football coach Tom Moshimer of the Plymouth Rocks is wasting no time

A regular weight training program has already been set up for all football players not participating in a summer sport.

Once again coach Moshimer has reserved the athletic facility at the Northwood Institute in Midland from Sunday, August 18 to Friday, August 23, for the Rocks annual football conditioning camp.

For more information about the camp contact Coach Moshimer at 453-3100, extension 288 or 289 between 12 noon - 3 p.m.

Road Rally

(continued from page 14)

place winners were Doug Shepherd (driver), 15925 Woodring, Livonia and Steve Campbell (navigator), 32879 Perth, Livonia. Second place winners were Mark Chatterley (driver), 12837 Beacon Hill, Plymouth and Wayne Heinmiller (navigator), 41145 Crabtree, Plymouth. Third place team was Rick Clements (driver), 14931

Lakewood, Plymouth and Sue Kloosterman (navigator), 50951 Murray Hill, Plymouth.

Class B competition was won by Jim Kloosterman (driver), 50951 Murray Hill, Plymouth; Doug Rick (navigator), 41336 Crestwood, Plymouth; and Kristen Geisling (observer), Pontiac. Jim and Doug were 1973 Class A winners and the Michigan entry in the Grand National Road Rally last September.

Second place Class B trophies went to three members of Post 111 of Dearborn.

The other team from Post 910 was made up of Michelle Rick (driver), 41336 Crestwood, Plymouth and Linda Clements (navigator), 14931 Lakewood, Plymouth. Two other Post 910 members helped with the check points. These were Shirley Horsell, 41119 Russett, Plymouth and Kim Thompson, 40363 Ivywood, Plymouth.

Post 910 is a career - interest post whose specialty is engineering. It is sponsored by the Rouge Valley Chapter of the Michigan Society of Professional Engineers. Six of the trophy winners are currently studying engineering at Michigan State University and three are in Plymouth High School.

The first rally car started at 10 a.m. in front of the Mai Kai Theatre in Livonia and ended at

the Charles Howell Boy Scout Camp at Brighton at about 4 p.m. There were eight check points along the approximately 110-mile route.

After dinner and awards, the Explorers who took part in the rally, together with the adults and Explorers who helped put on the rally, danced to a band in the main lodge at Camp Howell.

Chiefs at Waterford

by Anne Sullivan

The Plymouth - Canton chiefs traveled to Waterford Mott Thursday, May 9. The Mott cindermen trounced the Chiefs 79-44.

Even though Canton's scores are not at their peak, the teams morale is.

"I am very pleased with the kids attitude. They are building a good foundation for the track program, but we may not see the results this season."

Jim Mack set a new Pole Vault record for Canton at 12'6".

Mike Potter also set a new Canton record. He clocked in at 2:05.7 in the 880.

Besides the two new records, Canton had two more firsts. The mile relay team of Thom, Potter, Kanal and Schulte came in at 5:44.4. And in the high hurdles Schulte came in at 17.4.

Real Estate Courses at U of M

Now in its 27th year, the statewide Real Estate Program offered by the University of Michigan and Graduate School of Business Administration presents evening courses during the fall and winter and week-long Institutes all year. Courses in the program are offered with the cooperation of the Michigan Association of Realtors and its locally affiliated Boards and the Division of Vocational Education of the Michigan Department of Education.

The evening courses are held in the fall and winter each year, beginning in September and February, and meet once each week for eleven weeks. Topics include Real Estate Business, I, II, and III, Real Estate Finance, Real Estate Law, Real Estate Appraisal I, II, and III, Real Estate Building, Real Estate and Government, Real Estate Right of Way Acquisition, Real Estate Selling Methods, Real Estate Taxation, Negotiation for Right of Way, and Industrial Real Estate.

The Institutes are week-long intensive courses covering the same material as is presented in the evening courses in Real Estate Business I, II, and III.

The Certificate in Real Estate, which is recognized by the National Association of Realtors and the Michigan Association of Realtors as meeting the academic qualification toward the Graduate, Realtors Institute (G.R.I.) designation, is awarded in June of each year by the Extension Service to those students who have successfully completed eight courses in the program.

For further information on

both the evening courses and the Institutes, contact the Real Estate Program, The University of Michigan Extension Service, 350 South Thayer, Ann Arbor, Michigan 48104, Telephone (313) 763-2170.

Plymouthite Stars in Film

The future may be coming sooner than usual this year... that is the future as presented in a feature-length film entitled "Timespace: 5000" produced by several Plymouth and Livonia residents. After nearly three years of painstaking labor David Hurd of Plymouth and Dennis and Robert Skotak of Livonia are putting the finishing touches on their feature film.

Dennis and Robert have been involved in making films locally for almost 15 years along with Bob Schrader, another Livonian. In the mid '60's they formed a group called "Cinema-Vista" and made a variety of short films including an 8mm cinemascope version of "The Time Machine" and a spoof of the Robin Hood legend. They were joined by actor-writer David Hurd in 1970.

"We'd put together about 25 short films, mostly comedy spoofs and Hollywood-style adventure films since 1959," remarked Dennis, who handles much of the cinematography for Cinema-Vista. "We decided we had enough experience to try something more ambitious." "Timespace: 5000" is the result.

According to David, "Timespace..." is about "a future world where people are controlled by a world-wide corporation dedicated to evolving man artificially." David is featured as a man who tries to escape. He winds up fighting to control his own mind which he discovers is, in part, a machine.

The script, co-authored by David and Robert, generated a number of purely practical problems. "For one thing," elaborated Robert, "we shot the film with very little money. We had to create an entire futuristic world and society without any of Hollywood's advantages. We designed and built all of the sets, props and effects ourselves."

Among other things this included everything from ray guns to control panels to animated monsters. Special effects scenes of supposedly vast laboratories and machine shops of the future were built in miniature and photographed in what were, in reality, very cramped rooms. Another scene, that of a colossal tower built to resemble a human skeleton was shot in perspective along the Edward Hines Parkway in Plymouth.

"I'd describe our film as off-beat... a fantasy about reality," commented Dennis. "Timespace..." mixes humor, horror and science-fiction with emphasis on the latter. "Science-fiction can be very philosophical on one level and yet very entertaining at the same time. It's great escapism," added Robert.

David agrees. "Movies like "Zardoz" and "Fantastic Planet" are very popular now. Even Woody Allen's comedy

"Sleeper" was basically science-fiction."

Robert Blair and Ester Siewaki, a graduate of Schoolcraft College, had major roles in the film. Presently the musical score is being written by Mark Hardin, a former Farmington resident and Phil Mendelson of WDET Radio. Most of the film was shot on locations at Schoolcraft and Oakland Community Colleges where they received much cooperation. Only one set, that of a surrealistic dungeon where the mind-battle takes place, had to be built.

Cinema-Vista's plans include filming an original science-fiction horror story entitled "The Cry of Cthulhu" early next year. If the right opportunities come along they intend to shoot the film in the Plymouth or Northville area.

Right now, however, they are most excited about completing "Timespace: 5000."

Louise and Fred Bradley, William D. Woods, Mrs. Arnold Lonyo, Mrs. Raymond (Evelyn) Armitage and Mrs. Helen Shackleton are all new members of the Plymouth Historical Society.

Congratulations to John Dayton, for reaching a milestone not attained by many... his 100th birthday. Happy birthday from the Crier.

Mr. and Mrs. Elvin Cunningham have donated a kitchen pitcher pump to the Historical Society. Mrs. William Lyons played an important role in assisting in the completion of the Historical Society's Doll Shop room.

Marion Kit Ruppel was hospitalized April 16th to repair her hitchhiking thumb. (She's out now, and using it.)

Mr. Clifford "Tip" Smith of Dewey shot a 14½ pound wild turkey in Newaygo County, over the weekend, his brother-in-law, Floyd Fox, shot an 18.5 pound turkey.

Michigan Week

by Dan Herriman

Log sawing, flap-jack eating, and tug-of-war are but a few of the events that will take place at Canton High School during Michigan Week. The History Department there is sponsoring a series of happenings throughout the week of May 18-25.

On the calendar for Tuesday, May 21, is a two man crosscut log-sawing contest. It will be held on the school grounds and students may enter on their unscheduled time. Wednesday, the 22nd, will be proclaimed as Pioneer dress-up day. Wayne Weimer, a history teacher at Canton, hopes to see all of the student body involved in dress-up. A flap-jack eating contest will be held in the cafeteria from 11:30 a.m. to 12:30 p.m. also on Wednesday.

Michigan Week balloons and buttons are being sold to purchase an apple blossom tree that is to be planted on the grounds.

Lumberjack dress-up day is scheduled for Thursday, May 23. Mr. Henderson from the Plymouth Historical Society will speak on Plymouth history in Salem Auditorium 2804 from 11:40 a.m. to 12:40 p.m., also on this day. Friday, the 24th, wraps up the events for the week with a tug-of-war at 2 p.m. between Mr. Weimer's Canton history students and Mr. Gretzinger's Salem history students. This battle is headed for a big splash as it will take place across the creek that runs between the two schools.

Students may sign up for the flap-jack eating contest and the log sawing contest in the History Resource Center in Canton.
