Dean, Pederson Withdraw.. Throw Support to McLaren

Gregory Dean and Soren Pederson withdrew from the Township race last Friday leaving J.D. McLaren and Maurice Breen to vie for the Supervisor post in Plymouth Township.

Dean and Pederson submitted their withdrawal notices to the township clerk at 3:59 on Friday, one minute before the final 4:00 deadline.

In his resignation statement Soren Pederson threw his support to J.D. McClaren stating: "I herein withdraw my

. . petition for Supervisor and give my full support to J.D. McLaren in order to maintain a conservative, but progressive form of Township government."

While Dean did not indicate support for McLaren in his withdrawal statement, he did reveal in an interview that he would back McLaren to the utmost of his capabilities.

Dean and Pederson said they had begun circulating petitions when it was uncertain as to whether McLaren would run again this year. McLaren was still undecided about withdrawing from the race until late Thursday afternoon.

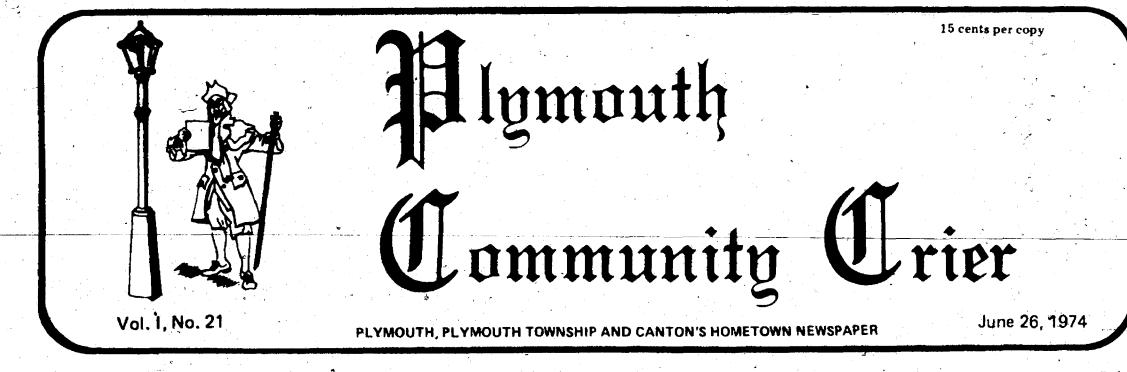

Dean stated that with McLaren's decision to remain in the race he would no longer be a contestant since his main purpose in running was "to make sure the real estate interests had some competition. With J.D. in the race," stated Dean, "I thought I would leave the field to him."

Breen is an attorney and connected with a Plymouth Township real estate company. Pederson stated that he withdrew in preference to Mr. Dean. "I did not want to withdraw" stated Pedersen, "but I even more so did not want to see Mr. Breen elected."

By remaining on the ballot Pedersen believed that he and Dean may have split the votes for McLaren thereby insuring the success of Mr. Breen,

In the 1972 primary elections McLaren unseated Breen after he had served as Supervisor for two years.

As of Fridays 4:00 deadline, no other candidates in either the Canton or Plymouth Township races had withdrawn.

E.J. McClendon Conducts Study of Drug Ed. Programs

ANN ARBOR – Four out of five Michigan school districts have developed drug education programs, a University of Michigan study shows, but fewer The results represent the first comprehensive view of drug programs in Michigan schools. "In policy and practice," McClendon reports, "they have been characterized by uncertainty.

"The majority of efforts consist of some teachers incorporating some drug information within classes on health, social studies, or other subjects. While nearly three-fourths of the teachers have had some inservice training on drugs, fewer than 10 per cent in most districts have been schooled in drug education. "Almost two-thirds of the districts are dissatisfied with the curricula they have evolved," McClendon notes, "and nearly half the schools say they are not able to judge their program's effectiveness."

Here are some of the study's other major findings:

-Michigan's schools seldom use parents, other citizens or students in their drug programs.

News Briefs

The Plymouth City Commission has accepted an offer by the Plymouth - Kiwanis Club to beautify the city park area in front of Central Middle School and diagonally opposite City Hall. Kiwanis Club members plan to repair the stone wall and make other improvements in accordance with city officials' recommendations. The <u>Commission pledged their</u> support to Kiwanis Club efforts at their June 17th meeting.

Anyone who wishes to enter the Plymouth Fourth of July Parade should contact parade chairman, John Stow 455-1090. Costs for units, floats, etc., entering the parade are \$15 for business, organizations, \$10 for adult organizations, and \$5 for youth. The theme of this years parade is "Unity in the Community" – a reminder that all people must strive together for an enjoyable and safe place to live.

Wayne County Commissioner Brian Arrowsmith appeared before the Plymouth City Commission on Monday, June 17th to present the mini-transit proposal for Western Wayne. County. Mini buses for the proposed transit system will be provided by The Southeastern Michigan Transportation Authority (SEMTA). Tentative plans for the community transit program include six buses and three pick-up stations at a projected cost of 35 cents per person. At Arrowsmith's request the City Commission appointed Commissioner Bida and will be naming a citizen at large to sit on the Far Western Wayne County District Transportation Council. The 22 member council will work out program details with SEMTA.

than seven per cent are satisfied with their efforts.

''Administrators cite inadequate teacher training and curriculum development as the major obstacles to combating drug abuse," according to Dr. E. J. McClendon, U-M professor of health education, who conducted the study. Dr. McClendon, who is presently serving as President on the Plymouth Community Board of Education, says that an absence of leadership and coordination has hindered efforts toward community-wide drug control. "A third barrier, more than half the school districts report," he states, "is lack of parental understanding."

The Michigan Department of Education commissioned McClendon's survey in 1971 to determine the number, kind and effectiveness of drug education programs operating in the state's 614 local school districts. The 530 districts which responded encompass nearly 96 per cent of the total student population.

In the Plymouth Community Crier's rush to meet their press deadline last week we inadvertently omitted four Republican candidates for the office of Treasurer in Plymouth Township. They are: Weyona Lee Fidge, Anne Milligan, Tom Notebart, and Joe West. "Schools have been among the first community agencies to be aware of the extent and seriousness of drug abuse, and more willing to commit resources to seek a solution than have other local government units. Few, however, feel they have achieved a reliable instruction program. -There is no prevailing policy or procedure for dealing with students who are caught selling or using drugs in Michigan's schools or how and when parents should be informed that their child has drug-related problems.

-Some 75 per cent of the school districts report that students are not clearly and

The Canton Township Planning Commission will be having study sessions with the Canton Board of Trustees to finalize ideas for the master plan project. The decision to begin meetings on the master plan program was made at the Planning Commission's June 18 meeting. The meetings are scheduled to begin on Wednesdy, June 26 at 7:00 p.m. and every Wednesday thereafter until the plan is completed. Project sessions will be open to the public. Audience participation will not be allowed until a public hearing is set.

•

A Youth Inc. request to conduct a bucket drive was given unanimous approval by the Plymouth City Commission at their June 17 meeting. The bucket drive will be conducted between June 24 and July 24. One day each week during the one month period Youth Inc. canvassers will be stationed at various locations in the city selling bumper stickers and buttons. The drive is being run as part of the organization's summer fund raising events.

Merian. Frederick Seeks State Rep for 52nd District

Merian Frederick

Merian Frederick, of 1540 Northwood Street, Ann Arbor, today announced her candidacy for the Democratic nomination for State Representative from the 52nd District. The district is presently represented by Rep. **Rey** Smit, who is not running for re-election.

Mrs. Frederick, after graduation from the University of Michigan, taught elementary school and later was a social worker for the Department of Social Welfare.

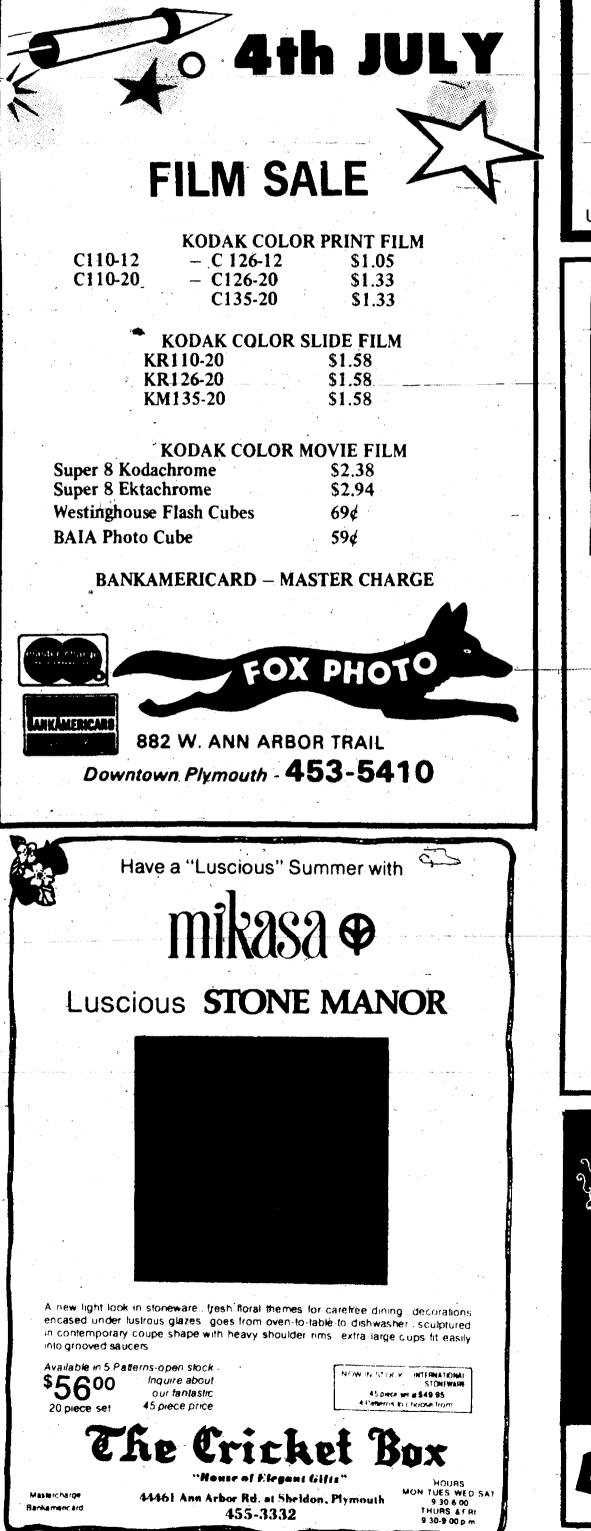

In recent years she has been active with Common-Cause-in-Michigan, and accompanied the Interfaith Council for Peace last year when it visited congressmen in Washington, D.C., to urge a cut-off of funds for the bombing of Indochina. She has done volunteer work for the House-by-the-Side-of-the-Road, and for the United Farm Workers. She has served as a precinct leader and as a County and State Convention delegate of the Democratic Party. In the 1950's, she held several offices in the Washtenaw Association for Retarded Children. The mother of five adult sons and daughters, she was active at one time in scouting and in the PTO of Eberwhite and Slauson Schools. She is a member of the

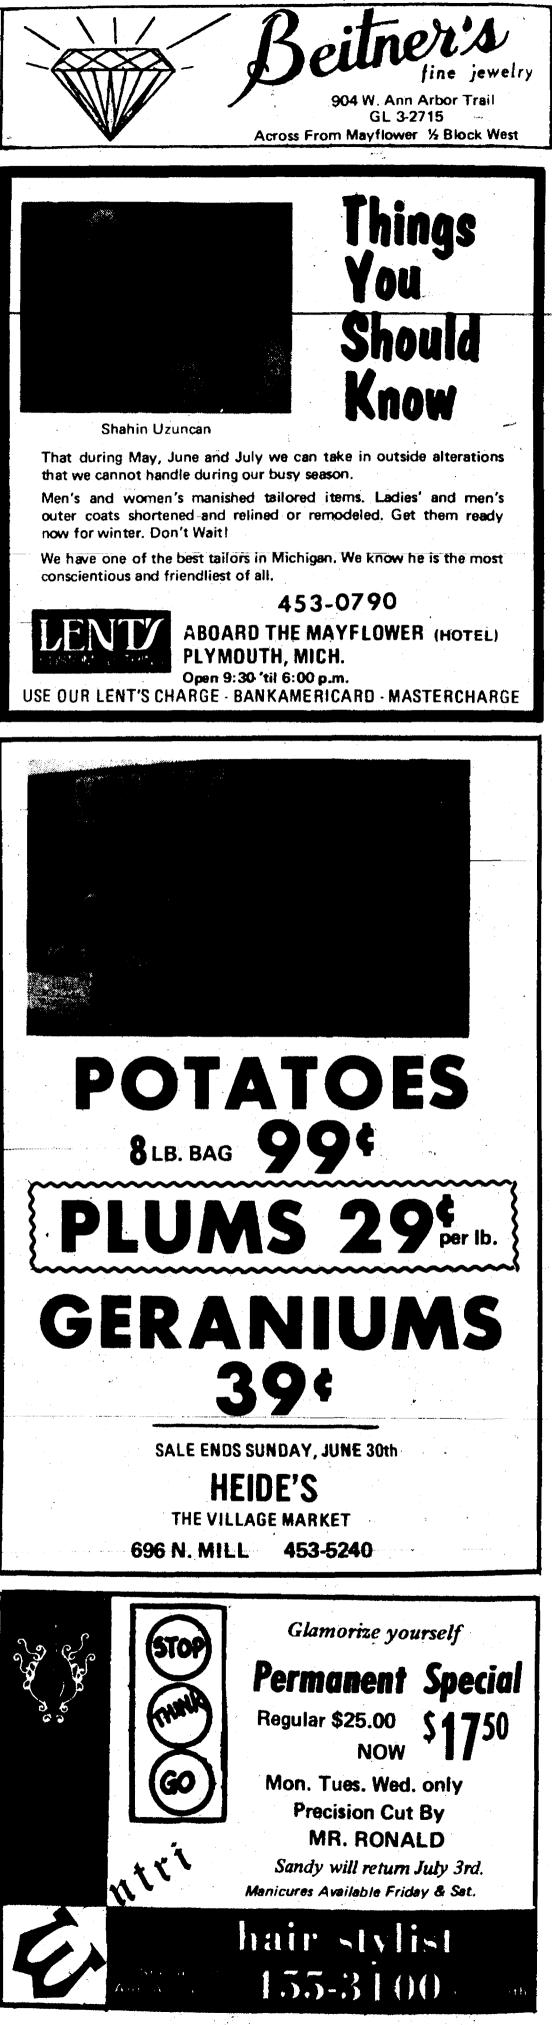

American Civil Liberties Union, the United Nations Association of the U.S.A., and of the Audubon Society.

In announcing, Mrs. Frederick said:

"The people I have talked to in this district are upset. The economy is hurting; state revenues are hurting; education and the environment are hurting. In short, the **people** are hurting. We have had problems before, but they are worse now because people are disillusioned with government. The very workings of our democratic system are in danger. While the scandals have primarily originated in Washington, many people feel that government at all levels is controlled by a few large private interests, who sacrifice the needs of the average citizen to their own special advantage. We catch occasional glimpses of this and suspect a submerged iceberg.

"There is a national sentiment for cleaning house. I believe it is a healthy sentiment. I believe it is bipartisan; both major parties must show themselves ready to open doors that have been closed, to end long-standing log rolling and outright collusion wherever it may exist between public servants, lobbyists, and the controllers of huge sums.

Michael Dean Jabara, son of Mr. and Mrs. James M. Jabara of 1354 Elm Street, Plymouth received the bachelor of science degree in Business Administration from the University of California.

Commencement was held on June 15th in Zellerbach Hall at the Berkeley Campus with Mr. Louis B. Lundborg, former chairman of the Board of the Bank of America delivering the main address.

Mr. Jabara, a 1970 graduate of Plymouth High school had completed two years at Michigan Technological University, Houghton, Michigan prior to transfering to the University of

Holiday Park Residents Address Trustees

by Bruce Phillips

Canton Township Trustees listened to residents from Holiday Park Subdivision at the June 11 meeting. The Board approved a three mill tax levy to be placed on the ballot and announced the appointment of Richard Wolfe to the Board of Trustees.

Residents from Holiday Park Subdivision presented the Trustees with a lengthy list of comments and questions concerning the overpass and Deer Creek Apt. The first concern was all the items that have not yet been completed by the Dept. of State Highways. The following items were agreed upon in the circuit court order on November 21, 1973.

The Dept. of State Highways shall construct a deceleration lane from west of Deer Creek Drive easterly to the existing deceleration lane at Canton Gardens, which has not been completed. An asphalt wedge on the northbound side of Holly Drive entrance to Joy Rd. has not been finished. Construction of the westbound passing lane on the north side of Joy Rd. from the end of the presently existing passing lane to a point west of Deer Creek Drive again has not been completed. School warning signs on the east approach of the bridge over 1-275 have not been posted. The speed survey conducted by Wayne County Road Commission and the Michigan State Police has not been

published. Canton Township and Plymouth Township should have applied to the Detroit Edison Company for a study of proper bridge and intersection lighting for their recommendations, but no results have been released. Deer Creek Lane will be opened for traffic at the Joy Rd. entrance simultaneously with the opening of the new Joy Rd. overpass which has not been done. The closing of Deer Creek Lane to the Joy Rd. overpass has created problems to Holiday Park due to the use of Deer Creek residents using the only road into Holiday Park.

The second concern is the problems now existing due to incompletion of these items increased traffic, car dragging,

Prince and Princess Finalists

The following is a listing of the finalists in the upcoming Prince and Princess Contest in Plymouth. People may vote for the Prince or Princess finalist of their choice by placing a coin in their canisters at the locations listed below. The Prince and Princess will be announced at the final judging, June 29 at 7:30 p.m. in the Salvation Army building The public is invited to attend.

speeding, peeling out, double lanes of traffic due to the guard house at Deer Creek, abandoned cars, stolen vehicles, broken car windows, property damage, refuse thrown onto residents' lawns such as beer cans, wine bottles and needles used for drugs – especially on Friday and Saturday evenings, and children being threatened by older kids to use back yards as short cuts. -All these problems and more have been futilely reported to the Wayne County Sheriffs' Dept:

The Trustees decided to investigate the matter immediately and get the Deer Creek Road open - even if it takes a court order, and close

regularly informed of school policies on handling drug use in schools.

> -Schools do not appear to have any clear conviction about the kinds of treatment, rehabilitation or intervention programs and facilities needed in their communities.

Creek Apts.

-Schools have not allocated funds or provided teacher time so that the majority of their staffs can be adequately educated to deal with drug problems, The study disclosed a trend toward heavier use of marijuana, especially among youth high school aged and older. "There is a slight downward trend in the use of narcotics and other hard drugs," McClendon says, "The use of other drugs is reported to be decreasing among younger students and increasing among older ones." The U-M professor notes that money has been appropriated by the state Board of Education, the Law Enforcement Assistance Act, private foundation grants, local school district budgets and other sources to support teacher training in drug education. McClendon's study will serve as a baseline for future assessments of school and community programs designed to reduce drug abuse among children and youth.

project.

The finalists announced by the Plymouth Jaycettes are:

Tyler Best, McAllister's; David Fry, Wrigley's on Ann Arbor Road; Donn Ott, Kroger; John Drouillard, Kresge's (back register); Keith Wininger, Great Scott; Toby Alexander, Kresge's (front register); Todd Blake, McDonald's.

Winners will be determined by selecting the boy and girl with the most monies in their canister. The Prince and Princess will ride in the fourth of July Parade and receive other prizes. All donated monies will be put into a community service Drugs; Candi Musselman, Bonnie Discount (front register); Kristin Trexler, Bonnie Discount (back register); Erin-Bridget Shadley, Wiltses Pharmacy; Joann Bellus, Beyer Drugs on Ann Arbor Road; Christina Branham, Stroh's Ice Cream; Andrea Brush, Seven-Eleven, and Kimberly McCain, Del's Shoes.

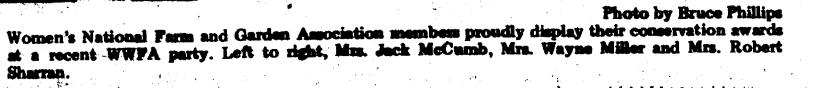

Canton New-**Comer's** Award

The Canton Township Newcomers' Club presented Mary Kleam with a \$350.00 scholarship for her college education at their June luncheon. Mary was chosen by a committee from her school, Plymouth - Canton High School, as most deserving of the award. She plans to major in Music at the University of Michigan this Fall.

Now that Summer has officially begun, more activities will be taking place in your neighborhood. In an effort to extend it's coverage of neighborhood news, the Plymouth Community Crier is looking for neighborhood reporters. These reporters will cover neighborhood news in their neighborhoods.

Due to the fact the Crier has a limited staff, it would be impossible for our reporters to cover every happening in each local subdivision. For this reason the Crier turns to you, the people of the community to recport local news. If you know of news in your subdivision that may be of interest to the community, why not give us a call.

For further information on how to become a Neighborhood Reporter, please call 453-6900, and ask for JOHN.

What's Happening

Special Events

The DIXBORO COOPERATIVE NURSERY School has openings for the fall term for three and four year old boys and girls. The nursery school meets on Monday, Wednesday and Friday from 9 a.m. to 11 a.m. at the Dixboro Methodist Church.

SUMMER PROGRAM OF LEISURE TIME ACTIVITIES at city playgrounds. Open from 9 a.m. to 4:30 p.m. Monday thru Friday. The program began Tuesday, June 25, at the following locations: HAMILTON PARK - (Harding and Joy); AUBURN PARK -(Auburn and Junction); ELM STREET PARK - (Elm and Sheldon); SUTHERLAND PARK - (Sutherland and Forest). The program, which includes crafts, sports, special events and activities too numerous to mention, is free to all City residents. For non-residents, there is a \$2.00 annual registration fee. Participants are to register at the playground and may join programs at any time of the season. Contact leaders at the playgrounds.

YOUTH INC. is holding their first annual \$500.00 RAFFLE. Tickets may be purchased at the Youth Center or from a member of the Parent's Caucus. Drawing to be held July 4. Contact Roger Centofanti, 455-4273 or Harold Kubeshesky, 453-2285 for details.

MEETINGS

The LIONS CLUB Board meeting on Thursday, July 11, will be combined with a pool party at the home of Lion Mel Korte. Bring swim suits. All members are invited. 7:30 p.m.

The MAYFLOWER GARDEN CLUB of Plymouth will hold its last meeting for the summer at the home of Rosemary Norquist, 1182 Turkey Run, June 27th at 10:30 a.m. There will be a pot luck luncheon and plant exchange.

PLYMOUTH JAYCEES meet the last Monday of every month at B-G's Lounge, 201 Ann Arbor Road, at 7:30 p.m.

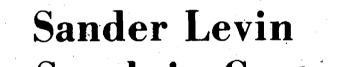

DUPLICATE BRIDGE PLAYERS meet every Tuesday, 7:30 p.m., Plymouth Cultural Center on Farmer St., in Plymouth.

Experienced SQUARE DANCERS are invited each Tuesday from 1:00 to 3:00 p.m. to the Cultural Center. Swing and swirl with Caller, Helen Covietz.

The WEST SUBURBAN STAMP CLUB meets the first Fridayand third Thursday of each month at the Plymouth Credit Union on Harvey St. in Plymouth.

HI-12 CLUB meets Wednesday, 7:00 p.m., at the Herc's West Restaurant on Plymouth Road.

PLYMOUTH SENIOR CITIZENS CLUB meets every Thursday, 12 noon, at Tonquish Creek Manor in Plymouth.

PLYMOUTH COMMUNITY CRIER

Still Openings for Day Campers

The Canton Recreation Department still has openings in their day camp sessions scheduled periodically throughout the summer.

Children 7-12 years of age are eligible to register for the summer day camps which are being directed by Mr. Robert Waters, a teacher in the Plymouth School District and seven other qualified counselors. Children over 12 may qualify as Jr. Counselors and pay a \$5.00 registration fee.

Day camp activities include games, trips, crafts, sports, swimming, contests, hikes and a swim day on Friday at Central Pool.

The five day camp sessions will be held at a cost of \$5.00 dating June 24-28; July 1-5; July 8-12; July 15-19; July 22-26; July 29- Aug. 2; Aug. 5-9, and Aug. 12-16 at the Fiegel and Gallimore Elementary schools.

Children are asked to register one week prior to the period selected. Lunch will be eaten at the day campsite with each child bringing his/her own lunch and beverage. Transportation to and from Day Campsites must be supplied by parents of day campers.

For further information contact the Canton Recreation Department. There will be a Red Cross blood bank at the Elks Club 41700 Ann Arbor Rd. July 2nd from 3–9. Anyone who can give blood is welcome.

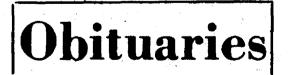

Page Five

to Speak in Canton

Sander Levin, Democratic candidate for governor, will speak before the Democratic Club of Canton at 8 p.m. Wednesday, June 26 at the Plymouth Canton High School Cafeteria on Canton Center Road, south of Joy Road.

The meeting, which is open to all residents of the Plymouth-Canton Township area, also will be devoted to developing an election platform for the Democratic Club's team of candidates in Canton's August 6

Mr. Joe Rudd, 64, of 32234 Bertram Drive, Westland died June 17, 1974 in St. Mary Hospital. Mr. Rudd was involved in an automobile accident.

Mr. Rudd is survived by his wife, Mrs. Mary Rudd, daughter Mrs. Andrew Kein, sister Mrs. Aleen Mack, and three grandchildren.

Mr. Rudd was a technician at Cloverdale Dairy, in Plymouth. He was a member of the American Legion Post No. 23 Myron Beals Post.

Services were held June 20 at Schrader Funeral Home. Officiating was Deacon Litwinski. Interment was at Washtenong Memorial Park.

primary.

Levin, who is a former state senator from the 15th District in Berkley, is making his second attempt at the governor's office, having lost by 44,000 votes to Gov. Milliken in 1970.

The former Senate minority leader in 1969-70 also has served as state Democratic chairman. He was on the Oakland County Board of Supervisors for three terms. He is a practicing attorney.

A registrar will be at the meeting to register Canton residents to vote in the August primary. Residents have until July 8 to register for the township primary.

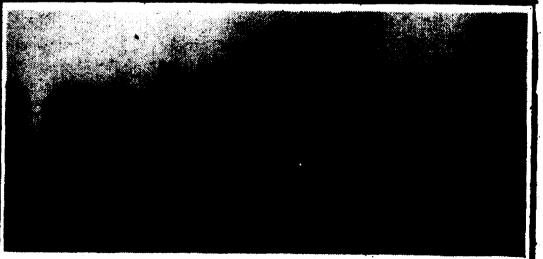

Paper Drive

Youth Incorporated parents are urging the Plymouth Community to save their newspapers for a drive to support Youth Incorporated.

New month on July 12, 13, and 14th people may drop off their newspapers at a van parked in the downtown Plymouth Kroger's parking lot.

Persons unable to deliver papers on these days may call 453-4048 on weekdays between 8 a.m. and 5 p.m. for a more convenient pick up date. On weekdays after 5 p.m. and weekends call 453-0209.

Letters to the Editor

Women's Sports

To The Editor:

For the first time in the league's four year history, to the best of my recollection, a hometown newspaper has deemed it newsworthy to print a story featuring the women's slow pitch softball league. Additionally, updated standings were accurately reported (6-19-74).

I'm sure I speak for most participants when I extend a sincere thanks to you for your interest in women's sports, as well as to the Plymouth Recreation Department which has done an admirable job thus far this year to see that this league runs smoothly and fairly.

> Thanks Sally Fedus Concerned Participant

Crier Classifieds

Dear Editor,

Upon listing vacation rentals in your paper the last four weeks, we were delighted to accept 7 checks for deposits on separate rentals. The number of calls received was fantastic! I really believe the people in the moderate-priced clothing stores (we aren't all rich), think what the young people experience, and you can see why we go out of town to shop. You even meet the shop owners out in the shopping centers.

One last gripe is dogs. I know the police don't like to get called on a dog complaint because it is classed like a neighborhood argument. However, there are laws about dogs being fenced or on leashes, but these laws are not enforced. Many of the dogs running loose have never had a license. It is a known fact that if you don't get a license for your dog in the first place, you won't be bothered. If, however, you buy a license and there is a record of it, you'd better buy one every year or get fined. How many dogs that never had a license are running the streets? I'll bet it's enough to take care of the Central parking lot so everyone could park free. They say only 10% of the dogs are licensed and I believe it. Just think of the lost revenue!

Why do we have to put our garbage in plastic bags for these does to rip apart and carry all over the neighborhood? The ecologists should be screaming about all these plastic bags that don't break down in the ground. Plastic garbage bags are a bad thing and now the city wants us to use plastic leaf bags too. They will be in the ground for years to sponsors supporting them.

We would also like to commend the Stu Rockafellow Radio Society of Plymouth for the excellent communications system that they provided along the entire route throughout the city. And a special thank-you to Mr. Belvedere who took time out of his very busy schedule to encourage the riders in their efforts.

Because of your concern, many diabetic children will be given the opportunity to participate in a memorable summer camp experience that they might otherwise have missed.

> Sincerely, Sue Gansler, President Plymouth Jaycee Auxiliary

Senior Party

Dear Editor, From the committee chairpeople of the 11th annual Plymouth High School senior party may we extend our gratitude to high school administrators and their secretaries, teachers and all 80 moms and dads who helped with the party. A tremendous thanks to all the custodians for their help and patience and an even greater thanks to the 360 seniors who attended the largest senior party to date. The enthusiasm and appreciation of the seniors made it all worthwhile. Our thanks to everyone involved.

CRIER'S LITE A Journey for Peace

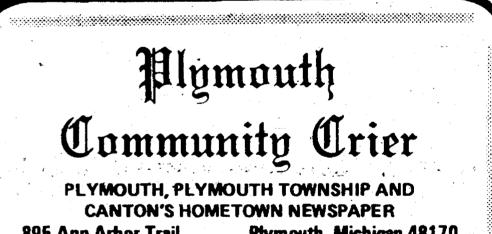

While the United States Supreme Court, Senate, and House of Representatives are deeply embroiled in the Watergate happening, a most important journey for peace is underway.

Yesterday, President Richard M. Nixon, and Secretary of State Henry Kissinger departed for Brussels to meet with the NATO Foreign Ministers and from there will travel to Moscow.

This is the most important trip a United States President has ever taken. Nixon's mission will be an attempt to eliminate the arms race, thereby creating a World of Peace, rather than a world preparing for war.

We wish President Nixon and Dr. Kissinger much success in accomplishing their goals, because the outcome will have a lasting effect not only on the nation, but on the world!!!

Mark M. Washauer, John F. Foley, Publishers

Plymouth area enjoy and read your classified section so much because it is locally oriented. Keep up the good work!

Another Point of View

Dear Sirs,

I am a middle-class, middle-aged Plymouth homeowner, and I have lived in this area all my life. I have tried to objectively watch the progress of my town and have come to the realization that the city fathers are too close to the problems to see them in the same light that I do.

In getting a few things "Off my chest," I may help them to see the other person's view, First, if the Central parking lot is losing money on five cents, don't raise it - get rid of the fee entirely. We can go to any shopping center and park free, including the new mall in Northville. We should be able to do the same thing in Plymouth. Northville is a small town, too, and I hate to be disloyal to my own town, but I'd rather shop there. Their central lot is also free and there are many little stores in which to browse. When you go into their post office, you are always greeted cheerfully, a delightful difference.

If we older people find something lacking in our town, like better eating places, more I've talked to many people my age, so I feel by writing this letter I am speaking for more than myself. I hope someone will read this and help me to help our town be more what we want it to be.

come. Can't anyone see that?

Sincerely, Gladys Lowrey

Bike-A-Thon Thanks

Dear Editor:

On behalf of the Plymouth Jaycee-Auxiliary I would like to express our sincere appreciation to the 483 people who rode in the Bike-A-Thon for the Michigan Diabetes Association on Sunday, June 2nd.

We are very grateful to the riders, especially the great number of teenagers for their strong support and determination in their efforts. In addition to the large number of individuals who rode from the communities of Plymouth, Livonia, Westland and Garden City, riders from 29 Michigan communities participated. Riders came from as far west as Kalamazoo and as far south as Monroe to participate in this effort with a total of 6,600 1974 Senior Party Chairpeople

Overholt Leaves Twp. Govt.

Ladies and Gentlemen:

After due consideration and consultation with my wife and family, the decision was made that I would not seek another term on the Board of Trustees. The 10 years on the board has been a rewarding experience for me and I hope that my efforts in some way have contributed to the stature and growth of the Township.

I now feel that it is time for new ideas and renewed efforts by others to continue with the monumental task of running local government.

I would like to thank the voters who have supported me, the dedicated employees of Plymouth Township, the citizens who have served on committees with me, and especially the other members of the Township Board who have worked with me to bring better government to Plymouth Township.

s Thanks To All, is Gene R. Overholt 0 Plymouth Township Trustee

McLennan Elected M.S.U. Phi Delta Kappa President

Mr. James McLennan, 625 Simpson, City of Plymouth, has been elected President of Wayne State University's chapter of Phi Delta Kappa, Mr. McLennan received his Bachelors Degree in Education from Wayne State Univ. He received his Master of Arts Degree in Educational Administration and Supervision from the University of Michigan. Thirty hours beyond the Masters Degree were received from the University of Michigan and the University of Detroit.

Phi Delta Kappa is a national educational fraternity devoted to educational leadership, research, and scholarship. At the June Phi Delta Kappa initiation, women were initiated into the Chapter for the first time in its history.

Community Band Opens 16th Season

The sounds of band music will ring through Kellogg Park this Thursday evening. Beginning at 8:00 p.m., the Plymouth Community Band, conducted by James Griffith, will open its 16th season of summer band concerts.

The ensemble draws its membership from adult, college and high school bandsmen in the

Plymouth Community. However, several members travel from Livonia, Garden City, and Dearborn and Ann Arbor for the weekly rehearsals and concerts. Over the years this group has presented more than 150 concerts and marched in every

Fourth of July parade in Plymouth since 1959. Highlights of their parade marching was last year when they switched from quasi uniform attire (white shirts and dark trousers or shorts) to a variety of costumes and won first place in the band division.

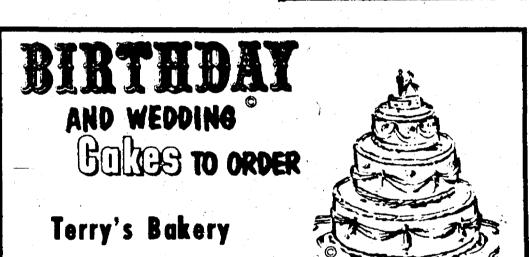

This summer's concert schedule will again feature guest soloists or conductors at virtually every concert. The bandsmen are especially looking forward to July-18, as George R. Cavender, Conductor of Bands second time. On July 25th, Sonny Eliot, the witty and well-known weather forecaster at Detroit's WWJ-TV station will be featured as guest narrator.

Other guest soloists and conductors this summer will be Sharon Foster, piccolo soloist, The Plymouth Fife and Drum Corps; Jean Moorehead, cornet soloist: Mr. Jeff Drifmeyer, guest conductor; Mr. Michael DiCuirci, guest soloist, and Mr. Ernest A.

Jones, guest conductor. The bands repertoire during

the summer concerts consists mainly of marches, Broadway show tunes and other light material. This Thursday's concert will feature selections from "Man of La Mancha," "Sweet Charity," "Mr. Lucky," the music of Cole-Porter and Leroy Anderson.

Center Offers Opportunities for Women

By Cheryl Nicholas

A center designed to provide practicable, accessible and non-traditional opportunities for women in the Plymouth and surrounding areas has been proposed by the Women's Continuum Program at Schoolcraft College.

According to the Women's Continuum counselor, Nancy Dufour, the proposed center would strengthen counseling resources for women in five areas. They are education, employment, social services/legal rights and aide to homemakers.

Presently volunteer committees are gathering information on the five areas and interviewing people in the community with a view to the multiple roles women can have.

The center will get ideas together for women to enrich their lives and grow personally, moving toward the fullest development of their potential as individuals.

"There is so much to be aware of in each of the committee areas" states Ms. Dufour. "We can go in so many different directions."

Women on the education committee may examine new educational opportunities and

Celebrate Golden Wedding

Mr. and Mrs. Walter Hagen

Walter and Hazel Hagen celebrated their 50th wedding anniversary Sunday, June 16, at the Lutheran Church of the Risen Christ. The Hagens were married on June 18, 1924, in Monroe, Michigan. before they married.

The Hagens made their home in northwest Detroit for 32 years and have lived in Plymouth for the last 18, at 696 Harvey. The Hagens have two daughters, Verna Mae Cafretto of El-Granada, California, and Mildred Lou Cosner of Livonia. They also have five granddaughters. Prior to his retirement in 1967, Mr. Hagen was employed by Evans Products, Co. for about 30 years.

the possibilities for women in non-traditional vocational training programs.

Grants, scholarships, fellowships, traineeships, loans and workstudy arrangements, notes Ms. Dufour, have made it possible for many financially limited but academically qualified women to go to college.

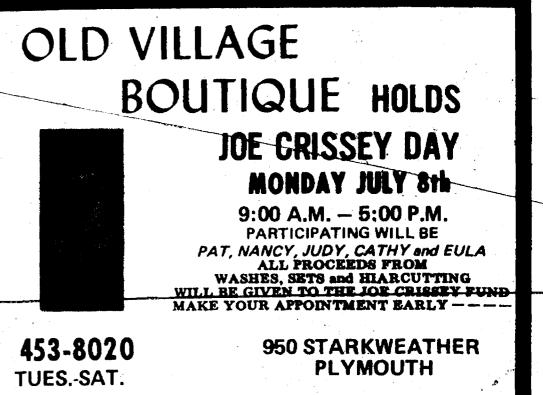

By overcoming financial barriers to college attendance, Ms. Dufour believes women can seek broadened opportunity in career fields outside traditional "women's professions."

Volunteers in the community, she suggested, could talk to people in areas which have become more receptive to women and find out if there really are opportunities available.

The center can also serve as an information source for expanding job opportunities. Volunteers, she noted, can visit personnel interviewers at different corporations or employment agencies to see what they are asking for, and what new positions are opening.

Citing the case of the woman who is suddenly widowed or divorced Ms. Dufour stressed the need for identifying companies that offer on the job training. According to Ms. Dufour, on the job programs are vital to the woman who must go to work for compelling economic reasons. The resource center could make this information available.

Other questions the resource center might answer are: Which companies offer college education, special benefits, or skill training? Or, what are the unusual job titles and what do they entail? New kinds of volunteer work information, says Ms. Dufour, could be used by the resource center to guide women who are

Mr. and Mrs. John A. Romeri

Karen McAllister Marries

The Rosedale Presbyterian Church was chosen by Karen A. McAllister and her bridgegroom John A Romeri as the setting of their wedding at 7:30 p.m. June 21.

They exchanged vows in a candlelight ceremony with the Reverend Arthur Beumler, the Reverend Richard Dunkelbuger and Father Robert Norton of Pittsburgh Pennsylvania officiating.

Both bride and groom have received masters degrees from Westminister Choir College in New Jersey where they met. The groom is employed as an organist, choir instructor, and The bride wore a duchess neckline dress of imported white English net appliqued with Venice lace and short puffed sleeves.

She carried a cascade of phalenopsis orchids with stephanotis.

The bride's mother wore a long sleeve, light blue orlon knit dress with matching shoes and a beaded purse.

Lifelong friend of the bride, Marsha Monzkus was honor maid in a yellow buttercup voile dress with a bodice of white eyelet and a white grosgrain waistline sash. She carried an arrangement of Michigan mums Sotpuri By Ginger

A setting clearly reminiscent of the American Pioneer era was availed to Plymouthites at Forest Place Mall's first anniversary celebration here recently. To begin the day shopowners set up displays featuring fascinating home art displays such as needle pointe, spinning and hooking.

Children joined in Pioneer Day festivities by taking rides in a covered wagon pulled by two lovely Belgium horses while carrying their bags of penny and cotton candy. Chris Burda, appeared in a long blue checked dress with Penny Strauss in a darling long glenn plaid and Sandy Green in a brown and orange print striped dress. The girls joined tour narrator Mark Bjornbak, from Plymouth Salem High on the covered wagon. As Mark guided the eager youngsters around Plymouth he told about Plymouth history and answered the young rider's questions.

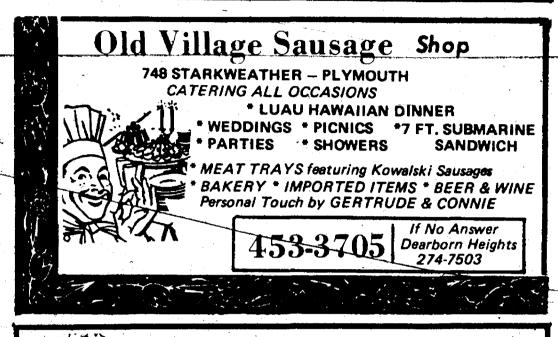

After everyone moved inside the mall when it started to rain, there was an unexpected Pioneer experience – the lights went out. Neighbor helped neighbor to establish order and shopkeepers lit a few candles to c o m plete the pioneer atmosphere of yesteryear.

Teachers Head for Nigeria

By Cheryl Nicholas

Metropolitan airport to New York's Kennedy, to Dekar, Senegal and then on to Lagos, Nigeria. That's the route Pioneer Middle School teachers Margaret Bearup and John Emery will take when they head for the African nation of Nigeria this summer to study West African development.

Fifteen other participants from school districts in Southeastern Michigan will join Ms. Bearup and Mr. Emery in the Nigerian International Studies project which is being sponsored by Eastern Michigan University in cooperation with the Housing, Education, and Welfare department.

The two Plymouth teachers will use the information gathered in their studies to devise an interdisciplinary curriculum for Middle School students, covering many aspects of West African culture. A large part of the curriculum brought back will provide background information for students in the form of slides, taped interviews, drum recordings, and lectures.

First hand study of West African development will begin at the University of Ibadan when teachers attend actual classes and lectures by Nigerian professors during the first four weeks of their stay. The University experience will be followed by two weeks of extended travel throughout the country.

As schools, homes and industrial and agricultural centers are toured the teachers

Photo by Bruce Phillips

Pioneer Middle School teachers John Emery and Mitch Bearup talk with Crier reporter Cheryl Nicholas about their upcoming trip to Nigeria.

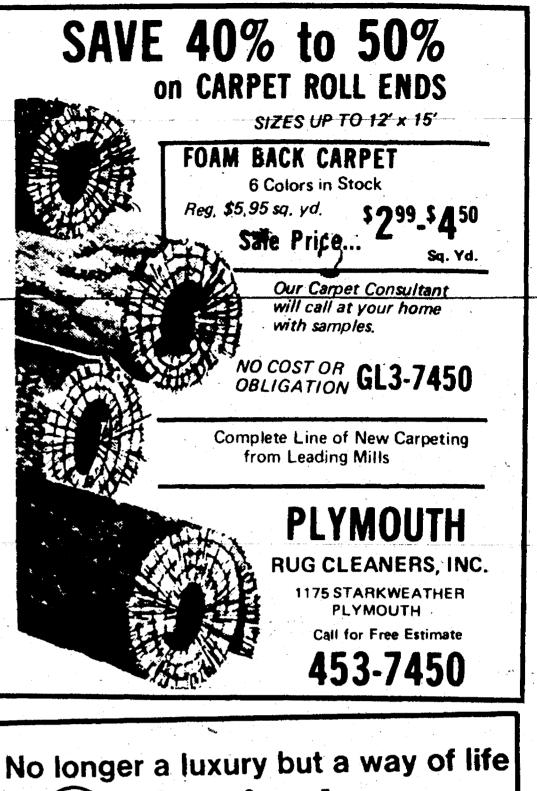

past years courses in ethnic studies, colonization, and African nations and culture have been offered to students at the school. "What will be interesting," notes Emery, "will be to go over there and get first hand information and then compare it with what we have in our own libraries for accuracy."

Since their acceptance to the studies program in May of this year, Emery and Bearup say they have been "reading like crazy." They have also been taking a series of EMU sponsored classes including careful teachings on Nigerian propriety." Yet both teachers concede that about all the advance preparation has done is make them very curious. Nigerian etiquette prohibits slacks, shorts, and skirts one inch above the knee for women, says she keeps thinking about the mosquite netting over her bed — which isn't intended to keep out mosquitos.

While Emery, who has received a box of sanitary potty covers from his mother upon her return from the Middle East says he is a "walking sieve" as a result of thirteen shots administered in recent weeks.

But despite these reminders of inconvenience abroad, both Emery and Bearup are very excited about their upcoming trip.

When they return to Plymouth in August the teachers will be bringing back tools, art objects, books and a variety of other materials for the school district.

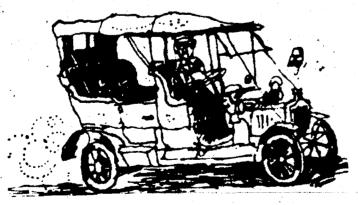

will be picking up information for all grade levels at Pioneer. In Ms. Bearup, who has just purchased a new wardrobe since

Elks Defeat State Champs

by Dennis O'Connor and Patty Hurtik The Plymouth Elks recorded their first win of the Connie Mack League season last Saturday (June 22) as they nipped Berry Appliance (red) 1.0 in nine innings, in the first of two games.

The win was a memorable one for Coach Wayne Sparkman and his Rocks as they beat the number one team in the state, the Churchill Chargers (Berry).

Churchhill had just finished their school ball season the Saturday before by whipping Hazel Park 10-1 to win the Class A State Crown.

The conetst was a pitching duel between two southpaws who were voted all area players during the past season.

Plymouth's ace Tom Willette hurled for two Rocks and Kevin Nelson (who only lost one game all year) pitched for Churchill.

Willette was superb throughout the game as the fireballing junior gave up only three hits in going the distance. Willette struck out a whalloping 16:Chargers. He was helped by the great defensive play of Jeff Waller and Tom Davison.

Nelson was equally effective through eight innings as he gave up only one hit. But the Rocks got to him in the ninth as they put together three singles for the game's only run.

0&E

Willette opened the ninth with a single. John DenHouter, a sophomore right fielder moved Willette to second with a base hit, and Howard Inch, another sophomore, knocked Willette home with his game winning hit. Waller's great defensive play came in the sixth inning when

Churchills Rod Hawraney drove a ground ball in the hole between third and short. Waller drove and grabbed the ball from his third base position and threw him out.

Davison made a game saving peg to home in the seventh inning.

With the Chargers on base, by virtue of walks catcher Vern Nagel committed a passed ball. In an attempt to throw the lead

runner out at third, Nagel hurled the ball wildly into leftfield. Davison quickly retrieved the ball from his left field position and threw the runner out who was now attempting to score the winning run.

The Rocks lost the second game to Berry Appliance (Blue), the representative from Franklin 13-3.

Poor pitching cost Plymouth this one as four pitchers couldn't stop the Franklin attack.

The Patriots scored in the very first inning when leadoff hitter Jamie Knapp walked. He moved to second on an error, went to third on a ground out, and scored on an infield hit by Tim Livesay. Knapp finished the day with three walks and a double.

Plymouth wasn't able to catch up after that 1-0 lead as they trailed throughout the game.

Dave Watkins went all the way for Franklin in picking up the win.

Plymouth scored one of its runs in the fourth inning on a double by Jeff Waller and a RBI single by Vern Nagel.

Plymouth scored its final two runs in the sixth as Howard Inch led off with a single. Tim Dilon (continued on page 13) 453-6900 SPECIAL HOME SEWING SERVICE Tune-ups Operating Instruction Given On New Fabrics, Etc. 453-1291

PLYMOUTH COMMUNITY CRIER

Bill Dentlouter of the Plymouth Elks strikes out Vern Nagel of Redford Adrays.

Bidwell Defeats Griffin

by Dennis O'Connor Plymouth Bidwell, the Adray League representative from Plymouth, won the first game of a Sunday double - header (June 23) as they ousted Griffin Sporting Goods (Livonia) by the score of 2-0.

Mike Smock did a great job on the mound for Plymouth as he mowed down Griffin in an impressive manner to gain the shutout. He gave up only three hits;

In the second game, Griffin came out swinging as they tallied a run in the opening inning.

Plymouth came back with one of their own in the second.

The game turned into a pitching duel from then on as starters Rick Bylin for Plymouth, and Jay Cyrul (from U-D) for Griffin controlled most of the action. The game was finally called after eleven innings of play with each team still holding on to that single run. Plymouth's run came on a bases-loaded walk to Bylin. Ken McClean, who had earlier singled, scored the lone run. Three successive singles by Steve Robb, Mark Casewell, and Kurt Beadle scored one of Plymouth's runs in the first game. The other was scored on a double by Chris Martucci and a **RBI** single by Wayne Darragh. Plymouth dropped their second game of the season last Friday (June 21) as they lost to Redford Adray 4-2.

Two unearned runs in the second inning got Redford off to a quick start and they increased that lead to 4-0 at the end of three and one half innings of play.

Plymouth scored one run in the fourth on a leadoff double by Wayne Darragh who scored on a RBI single off the bat of Ken McClean.

Lake Isabella Golf Course near Weidman, Michigan, was the site of the Third Annual Central Michigan Junior Golf Championship on June 15 and

the seventh when Chris Martucci, a junior of Plymouth Canton, knocked a double down the left field line. Martucei, the youngest player on the team, scored on Curt Beadle's RBI single. Martucci's double was his second of the game.

score a run in the opening innning when Kurt Yockey was thrown out at the plate, trying to score from second on Steve Robb's single up the middle.

graduate, started and took the loss. Steve Huss relieved Falvo in the fourth inning and didn't give up a hit the rest of the way.

now 5-2 for the year.

Merchants Win No. 2

by Dennis O'Connor

The Plymouth Merchants (Plymouth - Canton) won their second game in as many tries last Saturday (June 22) as "they nipped G.C. Sports (Franklin) 4-3 in a Connie Mack National League game.

It was Bill Parson who picked up his second win of summer competition as he went the distance giving up the three runs and scattering four hits, all singles. Parson struck out six and walked four.

Coach Fred Crissey's squad didn't waste any time getting on the scoreboard when Bob Ayotte and Tom Close both walked to open the Chief's half of the first inning.

Mike Verduce followed with a single up the middle but Ayotte was thrown out trying to score. On the play Close reached third.

Verduce then attempted to steal second base. Franklin's catcher, Jerry Pollard threw wild

Westside Ups Undefeated Record

Westside Sporting Goods, the first place team in the Men's Slow-Pitch Softball League, upped their undefeated record to 4-0 with a 28-1 shellacking of Team 4-last Monday (June 17).

Westside's big innings were in the second and third when they scored 17 runs on 16 hits.

Westside was able to score in every inning while Team 4 tallied its lone run in the second in an effort to cut down Verduce and Close was able to score from third.

Franklin came right back in the top of the next inning to even things up on two single and an error.

The game settled down into a pitching duel for the next four innings as neither team could break the 1-1 deadlock.

The Chiefs broke loose in the bottom of the sixth as they came up with three runs. The big blow of that inning was a bases loaded single by Mike Verduce. Dave Pink led off the inning with a single. Keith Randazoo moved Pink to second when he pushed a bunt down the first baseline for a single.

Mike Howell grounded out

Defeat State Champs-

(continued from page 11)

doubled him to third. Nagel promptly delivered another double knocking in both runs. It was his third hit of the game as he accounted for all of the Rocks RBI'S.

Doug Tripp, the centerfielder for Plymouth, made the defensive play of the game as he threw a potential Patriot run out at the plate. It was the second, man Tripp has gunned down this year.

But Plymouth's overall defensive was not impressive as eight of the thirteen Franklin runs were unearned.

The opening game of the season ended up in a heartbreaking loss for Plymouth, moving the runners up. Pink then scored on a wild pitch.

After a change of pitchers, Bob Ayotte and Tom Close walked to load the bases. The walk to Close was his third of the game.

Verduce then followed with his single to knock two runs in. It was his third hit of the game as he paced the Chiefs seven hit attack.

A little seventh inning wildness on Parson's part almost cost the Chiefs their three run lead as Franklin came back to score two runs in the seventh.

Two hit batmen, a walk, single, and ground out scored the runs but Franklin's tally fell short as the Chiefs remained undefeated.

anded out undefeated.

up for Plymouth going into the last inning when poor defense and erratic pitching cost them the game. Redford scored five unearned runs on only one hit. Tom Willette picked up the

loss in relief of DenHouter,

Three and one half innings of baseball went down the drain for Plymouth as a game with Clarenceville was washed out by the rains.

Mark Stephens went 2 for 2 before the rains came.

stanza.

Manager Brian Gilles led Westside's attack by scoring three runs and picking up two hits.

Wayne Sparkman and Mark LaPointe each scored three runs and added three hits a piece. Ron Kreger chipped in by scoring two runs on three hits.

For the season, Westside has now scored 113 runs in their four games.

Westside's next game is tonight (June 26) against Adistra.

WANTED

After Plymouth's starter Bill DenHouter spotted Redford two runs in the second inning, the Rocks edged their way into the lead with a single run in the second and two more in the fourth.

John Majors' RBI double scored the first run while Bill DenHouter's RBI single scored run number three. The second run was scored on an error. The game seemed to be locked

Safe Biking Highlights

Listed below is a summary of the highlights of the Bicycle Ordinance for the City of Plymouth. The summary is reviewed and edited by the Safety and Traffic Engineering Department of the Automobile Club of Michigan.

DRIVER REGULATIONS

Every person riding a bicycle on a street shall be granted all of the rights and shall be subject to all the duties applicable to the driver of any vehicle.

REGISTRATION REQUIRED

No resident of Plymouth shall ride a bicycle on any street. sidewalk, or on any bicycle path unless the bicycle has been registered and has a registration plate attached.

APPLICATION FOR REGISTRATION

Application for a bicycle registration and registration plate shall be made to the department of police. A permanent registration fee of one dollar (\$1) shall be paid to the city before any registration plate is issued. The registration plate shall be firmly attached to the rear fender or frame of the bicycle in such a position as to be clearly visible from the rear. A charge of fifty cents (\$.50) for any renewal, replacement or transfer of ownership on any licensed bicycle shall be paid to the city.

INSPECTION REQUIRED

The police department shall inspect each bicycle before registering it and shall refuse a registration for any bicycle which it determines is in unsafe mechanical condition.

3. Bicycle riders under the age of twelve (12) years of age shall not operate bicycles on city streets or highways. SPEED; SAFETY

1. No person shall operate a bicycle at a speed greater than is reasonable under the existing conditions.

2. When conditions exist under which the operation of a bicycle on any street or sidewalk interferes with the safety of the bicyclist or any pedestrian, the bicycle operator shall dismount and walk through such area.

EMERGING FROM ALLEY OR DRIVEWAY

The operator of a bicycle, when emerging from an alley or driveway, shall yield the right of way to any pedestrians or vehicles upon the sidewalk or roadway.

CLINGING TO VEHICLES

No person operating a bicycle shall attach himself or the bicycle to any vehicle upon the roadway.

RIDING ON SIDEWALKS

1. When any person is operating a bicycle upon a sidewalk, he shall yield the right of way to any pedestrian and shall give audible signal before overtaking and passing a pedestrian.

2. No person shall ride a bicycle upon a sidewalk in a congested business district and shall dismount before entering any such business area. LAMPS

All bicycles in operation during the hours of dawn, dusk or darkness must have:

- (1) A headlight visible from at least 500 feet to the front.
- (2) A red rear reflector visible at all distances from 50 to 300 feet to the rear when in front of lawful upper beams of an automobile's headlights.
- (3) A red rear light visible from at least 500 feet to the rear may be used in addition to the red rear reflector.

BRAKES

All bicycles shall be equipped with a brake which will make the braked wheels skid on dry. level, clean pavement.

PARENTS, GUARDIANS RESPONSIBILITIES

No parent or guardian shall authorize or knowingly permit any child to violate any of these laws of the City of Plymouth. ENFORCEMENT

This chapter may be enforced by issuance of traffic violation notices requiring appearance at the Traffic Violations Bureau,

Plymouth Youth and Special Services Officer Carl Berry, issues a \$1.00 bicycle registration to a young Plymouth cyclist.

Page Fifteen

June 26, 1974

TRAFFIC CONTROL DEVICES

1. Each person operating a bicycle shall obey the instructions of official traffic control signals, signs and other control devices applicable to vehicles unless otherwise directed by a police officer.

2. Whenever authorized signs are erected indicating that no right, left or "U" turn is permitted, no person operating a bicycle shall disobey the direction of any such sign unless he dismounts from the bicycle, in which event such person shall then obey all regulations applicable to pedestrians. NUMBER AND MANNER OF CARRYING PERSONS

1. No person propelling a bicycle shall ride other than astride a permanent and regular seat.

2. No bicycle shall be used to carry more persons at one time than the number for which it is. designed and equipped.

RIDING ON ROADWAYS

1. Each person operating a bicycle upon a roadway shall ride as near to the right-hand edge of the roadway as possible. 2. No person operating - a bicycle upon a street or highway shall ride more than two (2) abreast except on paths or parts of roadways set aside for the exclusive use of bicycles.

by Dennis O'Connor Plymouth DiPonio put it all together last week as they trounced both their opponents

13-4 and 12-1. A 13 hit attack against District 7 Dad's Club (Dearborn Heights) was led by Dave Pierce, Mitch Symonds, and Brian Wolcott. All three players had a homerun and two doubles.

A five run third inning and a seven run fourth inning overcame an early 4-1 Dearborn Heights lead as DiPonio was in control of the game the rest of the way.

· Dave Pierce was terror on base paths as he stole two of DiPonios total of five stolen bases, Howard Inch, Brian Bogenshutz, and Bruce Gerish accounted for the other three.

Mike Primeau got the win, going the first three innings. Brian Wolcott finished up.

In Sunday afternoon's (June 22) game, John DenHouter and Mike Primeau combined for a four hitter with DenHouter picking up the win.

DiPonio wasted no time in getting their bats in action as they jumped on the Allen Park pitching with six runs in the first, two in the second, and four in the third.

Allen Park helped DiPonio in the first inning by contributing three walks and two errors.

Mike Primeau, John DenHouter, Howard Inch, and Kevin Roberts each had two hits to pace the 11 hit assault.

The defensive gem in the game was made by Tom Chiatalis who, with one man on, caught a 320 foot fly ball with his back to the infield, Chiatalis then wheeled and threw the ball to Mitch Symonds. Symonds relayed the ball back to Howard Inch to double up the runner on first. Coach Art Gerish cleared his

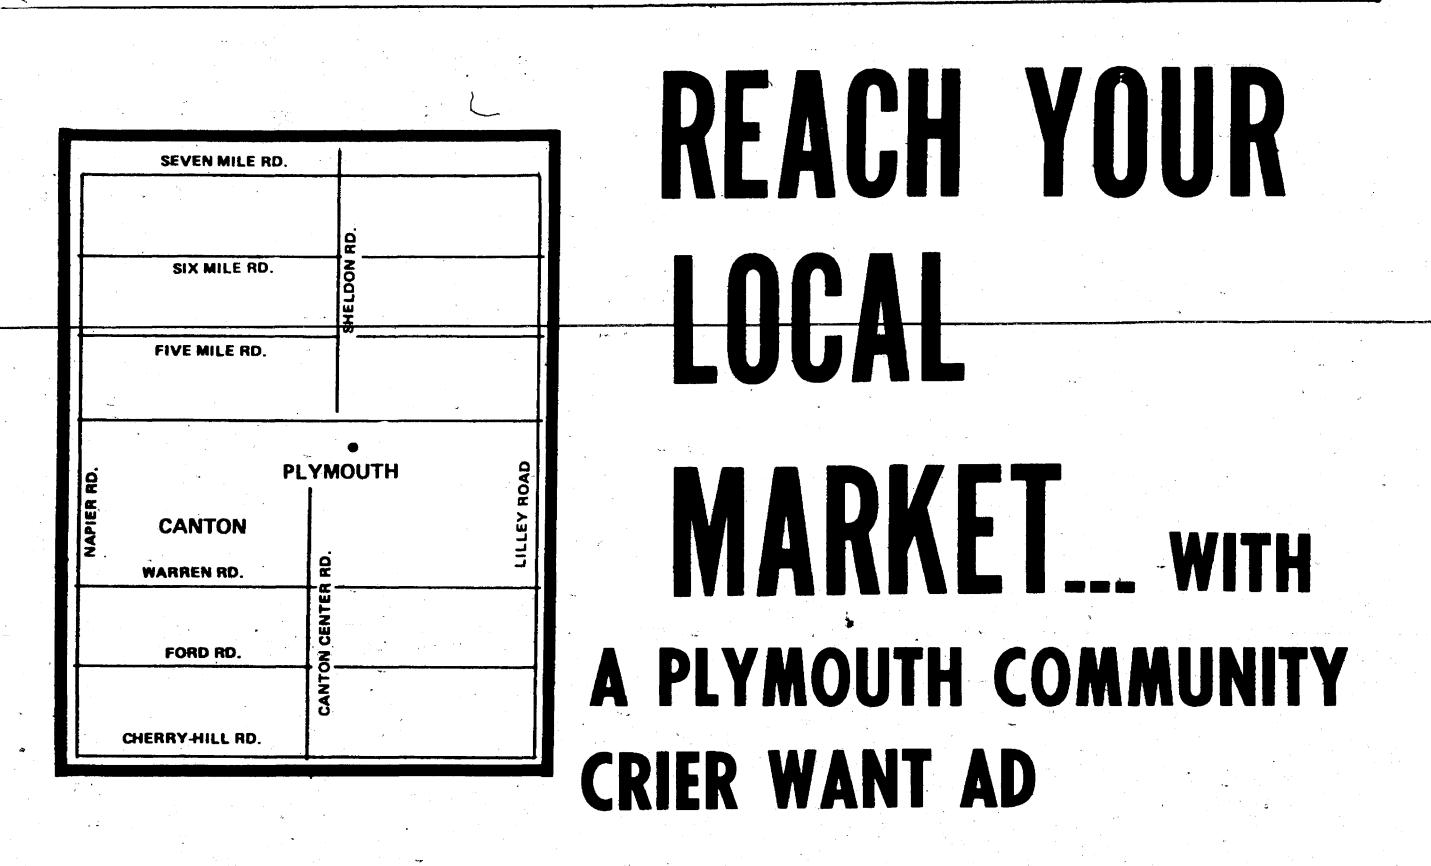

bench in both games as his team raised their record to 3-6.

The game last Wednesday (June 19), against Dearborn High School was postponed because of rain.

Schoolcraft Accepts Donation From Ford Motor Co.

At its June meeting, the Schoolcraft College Board of Trustees officially accepted a donation of \$3,500 worth of engine components presented earlier by Ford Motor Company for the College's automotive components laboratory_

On hand June 12 to accept the components were dean of applied sciences Ted Diebel and automotive instructor James Taylor, Presenting the engine components from Ford were Richard Powers, manager, community affairs department, and Felix C. McDavid, manager of the national parts distribution center in Livonia.

Also representing Ford Motor Company were Lee Kollins, secretary of the contributions committee and Ed Gorman, public relations manager of Ford parts division in Livonia.

In the past the company has donated large automobile parts such as engines and chassis. However, small engine components, which consist of such items as carburetors, spark plugs, air cleaners, batteries, and distributors, are also needed for automotive instruction. The engine components donations are part of a new contributions program at Ford.

Following the presentation, Dean Diebel and Mr. Taylor took the Ford representatives on a tour of Schoolcraft's

automotive instruction facilities. Schoolcraft offers programs in both automotive service and automotive service management. Each requires two years or approximately 70 credit hours of study to complete, and

graduates earn an Associate in Applied Science Degree, Eighty students were enrolled in these programs during the past year and openings exist in both for classes which resume in September.
