

Board seeks approval of one mill for five years

# Canton voters to face road issue

BY DICK BROWN

Canton Township voters have a chance to put their money where their mouths have been in the last few months.

At the May 11 meeting of the township board, trustees voted to place a request for one mill for a five-year period for road im-

provements within the township. The voters will decide the special millage at the August primary election.

A second proposal which would have asked voter approval for another one mill over a 10-year period to maintain the county road system within Canton Township died

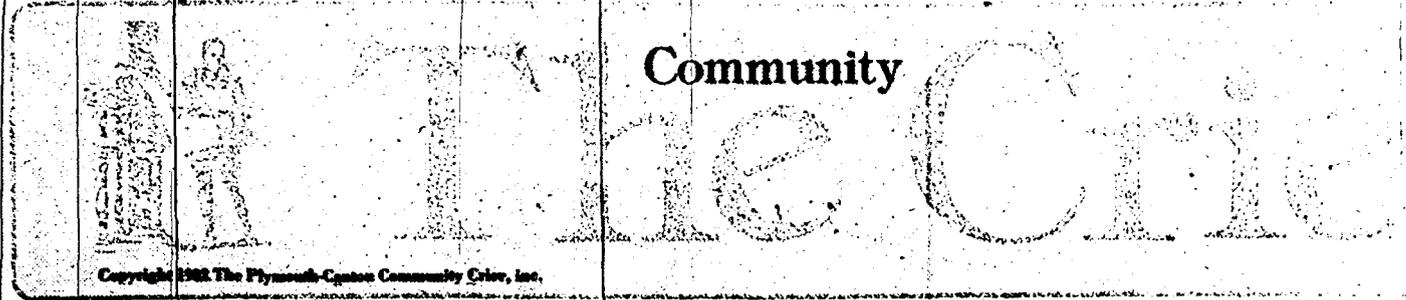

for lack of support.

Both millage issues had been recommended by the special township roads advisory committee composed of subdivision association representatives and township staff members after months of study and amid lots of hot debate from Canton residents

upset over the lack of attention from Wayne County Road Commission over such issues as snow removal, chuckholes, excessive road dust, poor road drainage and general disrepair of roads in Canton Township.

If approved by the voters the one mill

*These drivers were lucky*

A FIERY ACCIDENT occurred on westbound M-14 near Robinwood on Sunday at about 2 a.m., when, according to State Police, a 1979 Chevrolet (foreground) was struck by a 1971 Plymouth. State police say the Chevrolet, driven by Daniel Joseph Decoster, 22, of Plymouth, was stalled on the shoulder when it was struck by the Plymouth, driven by Cheryl Lynn Lee, 27, of Ann Arbor. After the Chevrolet turned

over and the Plymouth came to rest against a retaining wall, both vehicles caught fire, say police. Decoster and Lee were both transported to St. Joseph Hospital where they were treated and released. State police say no charges have been filed, and the investigation is continuing. (Crier photo by Robert Cameron)

## Plymouth to host Farmington mayor

It will be a hectic two days for Plymouth officials, as they participate in several Michigan Week activities.

Today is Mayor Exchange Day, and the city will host Farmington Mayor Alton Bennett and his wife, May. Joining in the exchange is Farmington Councilman William Mitchell and Diane Ballantyne.

Meanwhile, Plymouth Mayor Eldon Martin and his wife Dee, City Commissioner Mark Wehmeyer and his wife Joan, and City Manager Henry Graper and his wife Leeann will travel to the City of Farmington.

Mayor Bennett's itinerary in Plymouth will begin with a tour of City Hall,

followed by tours of the Plymouth Library, Historical Museum, Western Electric facility and 35th District Court.

After lunch, there will be a tour of Old Village and the Cultural Center, followed by a bus trip around the central business district. The activities will progress with a walking tour of Forest Avenue, a bus ride through the city's residential districts and finally, a visit to Tonquish Creek Manor.

Tomorrow, a different kind of governmental switch will take place.

Students from Centennial Education Park will "take over" City Hall for Student Government Day.

Leading the student participants will be Sara Evans, who will assume the

duties of mayor; Jill Wheaton, who will become city manager; Bob Budlong, who will take over city clerk chores; and Paul Szary, who becomes police chief for a day.

Other student "replacements" for the day include Laura Krecjar as city treasurer, Scott Eddy as DPW superintendent, Steve Ragan as city engineer, Rick Stringfellow as fire chief, Pam Kang as Cultural Center director, David Zeiler as housing director and Janette DeVenny as Plymouth Library director.

Alternates include Jeff Valade, Leigh Moran, Eric Wines and Gerald Wroblewski.

## Northville Police check death details

Northville Township Police have the death of Billy R. Harrison, 47, of Maxwell in Northville Township, under investigation.

Harrison died Saturday evening at St. Mary Hospital in Livonia.

According to Northville Township Police they were called by relatives to the Harrison home. Harrison was rushed from there to St. Mary Hospital where he was pronounced dead.

Sgt. Phil Presnell of the Northville Police Department said no arrests have been made pending determination of the cause of death by the Wayne County Medical Examiner.

"We are continuing with our investigation," Sgt. Presnell said. He refused to discuss any of the details of the incident Tuesday afternoon.

Harrison, a carpenter for E.F. Hauserman Co. in Southfield, is survived by his wife, Linnie; a daughter, Cynthia; and sons, James, Gregory and Tim. The family had moved to Northville from Detroit in 1970.

Services were conducted Monday at Schrader Funeral Home in Plymouth with Pastor Headley Thweat officiating.

Burial was in United Memorial Gardens.

# Top citizens gain honors

It was recognition night for outstanding Plymouth citizens Friday night at The Mayflower Hotel as the Passage-Gayde American Legion Post No. 391 honored outstanding citizens for the

13th year.

The American Legion Citizen of the Year honors went to Sam Hudson, Plymouth author and historian, for his efforts in preserving community his-

tory and relating Plymouth's heritage.

Michael Gardner was named the recipient of the award for policeman of the year. His citation called attention to his work on the December murder of Janet Reynolds and his crime prevention efforts.

Donald Belsky was singled out as the Plymouth city fireman of the year for his CPR work, delivering a baby, effort on the VFW fire and as training officer for the city fire department.

The entire Plymouth Township fire department received a similar award for its outstanding efforts in firefighting and EMT efforts.

The citation for outstanding business person of the year went to Betty Stremich, general manager and owner of Hillside Inn for her work on the Chamber of Commerce and her involvement as member of 13 other business, service and social organizations.

Vic Wilkenson was named industrialist of the year. He is employed by Howmet Corporation in Plymouth.

Main speaker at the dinner and program in honor of the outstanding citizens was Plymouth City Manager Henry Graper, Jr. He spoke on "How to get involved and why get involved."

Ernest Koi was master of ceremonies for the event. Making remarks were Plymouth Township Supervisor Maurice Breen, Plymouth Mayor Eldon Martin, State Senator R. Robert Geake, Chamber of Commerce President Austin Lynch, State American Legion Vice Commander John Farrell and Post 391 Commander Bill Nicholas.

# C & O eyes Plymouth for headquarters site

BY W. EDWARD WENDOVER

Will the C&O Railroad be moving more of its operations to Plymouth?

Not the type of operations that tie up crossings,

But the divisional and regional headquarters -- offices for some 200 employees or more -- operations currently located on three floors of Northland Plaza in Southfield plus some outlying offices.

According to Walter Vander Veer, C&O divisional manager, Plymouth is one of the locations being studied for the move that could be two years away. Final approval will rest with the company's board of directors, Vander Veer said, but several possibilities have been looked at in Plymouth.

Among the possible sites, he said, is property owned now by the C&O along the railroad tracks near Sheldon Road at the M-14 Expressway or as-yet-undeveloped property to be developed by private owners and leased to the C&O.

Vander Veer said that since being "given the green light to investigate" moving to a Plymouth location, a number of advantages have been seen for locating the C&O offices here. Among them, cited by Vander Veer are:

- The intersection of the C&O's main north-south and east-west lines located in the City of Plymouth. This makes access to communications and employees easier.

- An ideal centralized location for the C&O system with the expressways conveniently located for access. "Most of our people would be least inconvenienced" in a Plymouth move.

- Plymouth is "a pleasant community" with good hotel accommodations and other facilities needed for C&O employees who would work here or travel here.

If the offices are moved to Plymouth, the C&O division manager said, all of the railroad's management, sales and security operations for the area including Maryland, Ohio, Illinois, Indiana, Michigan, and Ontario would be housed here.

# City police contract gets okay

BY KEN VOYLES

A 3-year contract between the City of Plymouth and the Plymouth Police Officer Association of Michigan has been reached.

Last week members of the city's police department agreed upon and ratified the agreement. City Commissioners were expected to pass a resolution last night to the same effect.

The proposed contract calls for a four per cent wage increase on July 1 of this year, a three per cent increase on Jan. 1, 1983, a five percent hike on July 1, 1983 and reopener for wage discussions only on July 1, 1984.

The current police contract with the 14 officers represented by the Police Officers Association of Michigan (POAM) is up on June 1 of this year.

According to City Manager Henry Graper Jr. other terms of the contract include the POAM dropping arbitration on the health care insurance issue and the unfair labor practice charge filed against the city.

Also, the city will provide 50 per cent reimbursement of the cost of books and tuition for classes attended toward earning an Associate or Bachelors degree in the police field.

Graper also said an agreement had been worked out for the use of the recently formed Auxiliary Police during the first six months of the new contract period.

A no-layoff provision for members of the bargaining unit was also agreed to, as long as the city maintains its contract for services with Plymouth Township, said Graper.

"We also agreed that in the event of layoffs, the Auxiliary Police will not be used," Graper said.

The agreement, dated May 4, came after a month of contract negotiations as well as court proceedings over unfair labor practices.

Further details on the Auxiliary Police were outlined in a letter of understanding between the City and POAM.

Among the terms was consideration that the program will be a six month experiment. At the end of that time the city and POAM will negotiate whether to continue the program or not.

There will be no more than five auxiliaries, they will not ride in police vehicles, they will wear a completely different uniform, they will not carry weapons and they will have no arrest power.

The main function of the auxiliaries will be for use in Civil Defense emergencies, civil disorders and special events.

# Canton firm receives trash hauling contract

BY KEN VOYLES

By a one vote margin last Tuesday Plymouth Township's Board of Trustees accepted the low bid from Canton Disposal Recycling to service the township as the lone contracted rubbish collector.

Township Supervisor Maurice Breen also explained that residents will be allowed to refuse the service. There had been discussion that all residents would be charged. Residents who opt out will have to contract privately for service.

The vote, coming after a two week delay from the previous board meeting, was a repeat of all the recent votes called for during the two year debate on the subject.

Breen and Trustees Gerald Law, Andy Pruner and Barb Lynch voted to approve the recommendation made by the board's committee. Township Clerk Esther Hulsing, Treasurer Joseph West and Trustee Leo Fidge dissented.

Breen said residents will be charged \$4 per month, which includes a \$1.23 administration cost of billing and to insure the charge remains stable for three years.

Three bids were received by the township. The highest was \$4.24 per home from Waste Management of Michigan.

Canton Disposal is owned and operated by John and Stan Denski of Canton. The pair operate a landfill in Canton and also service Canton with refuse collection. They will begin service in the township on July 1.

"Under our proposal you won't have to take the service and can opt out," said Breen in response to remarks made by a resident requesting that his freedom of choice be respected. That resident also asked that the proposal be abolished or modified to save the seven or so licensed contractors currently operating in the township.

Breen added that costs imposed by the township were hefty to absorb potential cost increases in the future. He said as much as 50 per cent of the township's 3,500 or so home owners could decline.

Another concern raised by residents was

what would happen to any funds if a profit is showed by the township. Trustee Law said the money would be segregated into a separate account system. He said, "It is not our intention to put the money in the general fund and spend it."

Trustee Fidge said, "If a fund is established we'll find a way to spend it." Law disagreed.

John O'Reilly, president of the Lakepointe Homeowners Association, questioned the board why an extended contract was not sought during the bid taking.

Law said that other factors, such as fuel adjustments, would increase the charge. "We wanted to make this contract simple to let people understand it," he said.

The contract will now be drafted by the township attorney and returned to the township board for approval.

## Canton Historical Society, Rotarians plan Saturday sale

The Canton Historical Society and the Canton Rotary Club are joining forces for a big Saturday flower sale and rummage sale.

The historical group will be selling flower plants by the flat and geraniums by the pot with the proceeds going to the Canton Historical museum building fund.

The Rotarians will be operating the giant yard sale.

Both events will be at the Canton Historical Museum at Proctor and Canton Center Road, next to the Canton Township Administration Building.

The sale will run from 9 a.m. to 5 p.m. The event will also afford Canton residents a look at the remodeling project at the museum now underway.

# Voters will decide Canton road millage

Cont. from Pg. 1

special levy would raise approximately \$500,000 per year for the improvement of public roads such as design and redesign, realignment, right-of-way acquisition, upgrading, paving, surfacing, resurfacing, drainage, widening, construction, reconstruction, and installation of curb and gutters.

The one mill, if passed by the voters in August, would cost taxpayers an additional \$1 per thousand dollars of assessed valuation a year.

Trustee Robert Padget presented the motion for the second proposal which died for lack of support. This called for one mill to be raised over a 10-year period with the cash generated to be used for maintenance of roads in Canton including snow removal, repair, dust controls and general maintenance of roads—a responsibility of Wayne County Road Commission which the WCRC claims it can't continue to do because of shrinking road revenues.

Trustee Steve Larson expressed his con-

cern over the maintenance millage proposal. "How long will that money last when we heard the estimates of WCRC on what snow removal costs?"

Trustees also expressed concern that by Canton taking on the county's responsibility for some of the road maintenance, it may be inviting even less road care from the county.

Most of the complaints on roads in Canton have come from residents served by the unimproved secondary roads south of Cherry Hill and from residents served by Warren Road. Roads singled out by the advisory committee were Haggerty, Lilley, and Sheldon south of Cherry Hill, Warren Road and Palmer Road.

To present township voters with the facts necessary in reaching a decision on the road millage, trustees requested that the township planning department put together an educational packet showing what the cost to property owners will be, what the money would be used for and facts on the need for better roads.

# Gerry Law tosses hat into legislative race

Plymouth Township Trustee Gerry Law has announced that he is a candidate for the Michigan House of Representatives from the newly created 36th District.

Law, a 37-year-old Ford Motor Company employe, said the new district includes the City of Plymouth, Plymouth Township, the City of Northville, Northville Township and part of Canton Township. He will be seeking the Republican nomination in the August 10 primary.

"Michigan needs aggressive and creative new leadership in finding practical, long-term solutions to our present economic problems," Law said. "We have to be less reliant on traditional industries and diversify into new areas in order to create a sound economic base now and for the future. Robotics and other high technology specialties are naturals for Michigan because we already have the labor force and the know how to develop them."

Law, who received a master's degree in business administration from the University of Detroit and a law degree from Wayne State University, said he will also campaign on the issues of property tax relief, increased funding for schools, and innovative methods of reducing the welfare caseload similar to reforms recently enacted in Pennsylvania.

"Homeowners are being brutally squeezed by increasing assessments and the worst housing market in 40 years. Assessments that rise every year are nothing less than unlegislated tax increases. Yet, at the same time, the state is cutting aid to education and the voters are reluctant to pick up the increased tab," he said.

GERALD LAW

Law, a Plymouth Township Trustee since 1978, is a past member of the township planning commission, a member of the recreation, election, compensation and personnel policies committees.

He has been active in Republican party politics for many years and has served as vice president of the Western Wayne County Young Republicans, precinct delegate and chairman of the Wayne II Committee for Gov. Milliken's re-election campaign.

Married and the father of two children, Law is a member of the Plymouth Kiwanis Club, a member of the Trailwood Homeowners Association and a past member of the Hines Park Task Force.

He is also an usher at Our Lady of Good Counsel Catholic Church.

# Canton Trustees vote cash for Country Fest

Canton Township trustees sweetened the coffers of the Canton Country Festival corporation with a \$4,000 appropriation at the May 11 meeting.

The board agreed to up last year's township contribution by \$500 to hit the \$4,000 figure.

The board also agreed to making several improvements at Griffin Park where most of the Country Festival activities take place.

The Country Festival organization had asked that the parking area be graded and covered with gravel, that the park be given a good cleaning and the area be mowed, trimmed and sprayed for insects just prior to the

festival in August and that a second road be built to the parking area east of the creek. The request had also included installation of a foot bridge over the creek to provide access to and from the parking area east of the creek. The festival group agreed to help with funds for the bridge project.

Cost of making the improvements agreed to by the board would amount to \$1,711, according to Mike Gouin, Canton Parks and Recreation Department director.

The trustees did not go along with the festival organization's suggestion that a system of busing from the east parking lot to the festival grounds be undertaken.

# Seminary golf to go public

The St. John's Provincial Seminary golf course is about to go public.

According to information supplied to Plymouth Township, the seminary's 134-acre nine-hole course will be opened for public golf under a contractual operating agreement probably with John Jawor, who currently operates Plymouth Township's Hilltop Golf Course.

Jawor said an additional nine holes might be added to the course later.

Kathy Hunter, St. John's business manager, is scheduled to appear before the Plymouth Township Planning Commission on an information item tonight to discuss plans for the course

and the clubhouse -- the original farmhouse for the property on Sheldon Road south of Five Mile.

Hunter declined to discuss further details except to say the course would be added to the tax rolls as a result of the new use. The seminary's 40 acres, ringed on three sides by the golf course, will retain its tax exempt status. No timetable has been set for the opening, Hunter said.

Will golf be allowed on Sunday mornings on the course? Hunter said that burning question hasn't been answered yet.

## Complaining doesn't help

Great editorial concern is expressed by the news media over the apathy of the American people toward their governments at all levels. There is great concern that people do not take more interest in voting, showing up at school board meetings, city commission meetings and township board sessions.

In this election year politicians will be trying to whip up the citizen interest with flamboyant speeches and wild promises of change.

But is there any wonder that citizen interest lags when the will of the people is flagrantly violated time after time.

A good example is the concern of Wayne County property owners over the obvious unfairness of property assessments for next year. Board of reviews were jammed. Local officials loudly protested Wayne County directives on assessments which hiked valuations in the face of declining home prices.

Wayne County Commissioners in turn beefed about state government being responsible.

But with all that complaining, there were few major

changes and the results will be that the status quo will remain.

Some local units, such as Canton, officially protested before the County Equalization Department. Boards of review lowered many assessments on an individual basis, although the county and state could wash out those reductions.

Some counties defied the state in the procedures used in assessing.

But on the whole, it was business as usual. Local governments faced with shrinking funds, for the most part gave lip service to the plight of the taxpayer. County government gave even greater lip service to tax reduction and then went on a spending spree.

State legislators made a few speeches, called a few news conferences and then ignored the whole shoddy property tax system for yet another year.

Yet the hand wringers continue to bewail the lack of interest of the citizenry in the operations of government. Being ignored year after year has a way of bringing on apathy.

## Citizenship honors are well deserved

Again, for the 13th time, the Passage-Gayde American Legion Post has singled out achievers in the City of Plymouth and Plymouth Township, honoring them with an awards dinner and plaques for service above and beyond in the community.

Singleed out were fire fighters, police, business people and industrial people, along with a good citizen recipient.

It's a great program. The people honored Friday night will all be the first to agree that there are many, many more people in the community who deserve such recognition. If it weren't for all those people who do a little bit more than required, Plymouth and Plymouth Township

would not be the exceptionally fine places they are in which to live and work.

There are too few programs which offer recognition to those who go above and beyond in their businesses, professions and normal responsibilities. There are the many people who unselfishly give of their time and talents in making the community and the community organizations work.

We should say thanks to these people more frequently.

We should also say thanks to the American Legion for their official recognition of these contributors to community life.

## Canton Center nurse says 'thanks'

**EDITOR:**

I would like to personally thank the American Legion Post in Plymouth and especially, William Nicholas for helping Oakwood Hospital Canton Center bring to

the community a program as important as the one on Reyes Syndrome.

The program was a complete success. It was rewarding to see the number of concerned people in the Plymouth-Canton Community.

The tape that was developed with the help of Omnicom, the American Legion and the Reyes Syndrome Association was very impressive and informative. I would also like to thank Dr. Palmer for his willingness to

help out by answering the participants' questions.

It is well worth all the time and effort spent when a program is so well received as

this program was. We are looking forward, with the community's help, to sponsoring many more educational programs.

## Good news, bad news issue tough

There was an item at last week's Board of Education meeting that reminded me of something that occasionally nags at my conscience.

The item was a discussion of the school district's communication plan. One facet of that plan is an inservice for school building personnel, to help them with guidelines for sending out information. It was explained that the inservice will be a publicity workshop.

There is nothing wrong with that - I'm always complaining, usually to myself, that I never find out about special school ac-

### In addition

by Dan Bodene

tivities until it's past deadline. Although I don't really know more about the inservice, or about the types of information that will be sent out by the buildings (or from the district community relations office, for that matter), I'm quite sure that all the informa-

tion will be good news. After all, in times like these, who needs more bad news from the school district?

That's what reminded me of my dilemma. The issue has been best explained to me by my father, who has often told me, quite simply, that a serious problem most newspapers have is that they tend to over-accentuate the bad news.

That view is shared by a lot of people: I've heard it time and time again. People tell me a newspaper will print the story of a shootout on page 1, and the story of a charity drive on page 36. In the minutes of a recent school district Food Advisory Committee meeting, it was stated there has been too much negative publicity in the newspapers - better public relations are needed. I will be talking to a Wayne County Sheriff's Deputy this week, because he and just about all of his colleagues feel that very little except bad news has been printed about his department.

I feel bad about all of these criticisms, partly because they seem to be true to a degree. And I certainly don't want The

Crier to be thought of as simply another harbinger of doom.

Here's what happens: newspapers, which are charged with a protection of the public trust, very often have to become the bad guys in reporting the news by the very nature of the business itself. All the good news tends to come out of public relations departments, administrative offices and from other contributors. We do print it. Not very much of the bad news comes from those same sources, however.

There is always an effort among editors to tell the public what it needs to know, along with what it wants to hear. Syndicated newspaper columnist Sidney Harris once said that "newspapers have to be better than the communities they serve."

Whether they actually are or not is a matter for individual debate. But know that editors try awfully hard to make them that way.

I don't want newspapers to always seem on one side of a good news-bad news battleground, with everybody else lined up on the other side. I hate being regarded with suspicion at government or school board meetings or by readers who think we only report bad news.

At The Crier we're constantly trying to be fair. But we're constantly trying to be complete in our reporting.

Newspapers really don't print all bad news. They'll never print all good news, either. Would you read them if they did?

### Coloring it Brown

By Dick Brown

Some people determine the advent of warm spring days by the wild flowers. Others determine spring by the color of the grass, the arrival of birds which winter in warmer climes or the arrival of such sights as females in shorts and halters.

There are some who believe that the warm weather doesn't arrive until the Detroit Tigers go into their first skid of the season.

There is one other sure sign that the warm weather months are here, though. That's when the first Edward Hines Park episode hits the news.

Using this scientific harbinger of spring, last week marked the arrival of warm weather. Plymouth's Police Department had to close off a section of the park and eventually clear the area in the interest of public safety.

The 18-mile stretch of Hines Park provides outdoor recreation possibilities for thousands of people. It also poses problems of crowd control, vandalism, traffic control, rowdy gatherings of one kind or another and a big burden for the taxpayers who must foot the bill for policing and traffic control.

It quite frequently brings on a confrontation between gatherings of youths and families out for some commuting with nature. It also brings frequent confrontation between park users and police.

Last year the usual Hines Park problems were intensified when the Wayne County Sheriff's Department and the Wayne County Board of Commissioners battled over funding the sheriff's patrols that watched over Hines Park. The result was that law enforcement along the 18-mile park stretch, which also serves as a highway when it isn't under water, became the responsibility of the local governmental units through which the park runs.

That put a drain on the fiscal resources of local government.

There is a strong possibility that sheriff's patrols will again get back in the business of policing the park. To do that it is estimated that \$742,000 will be required from a county government that is already strapped.

The Board of Commissioners Public Safety Committee has recommended that those people using Hines Park be charged \$10 for a park sticker in order to use the facilities.

That idea may raise the cash, but it may possibly increase the Hines Park problems. The stickers would not be required for cars driving through the park, but only for those stopping for fun and games and the other things for which the park is noted. Such a plan could well bring additional problems to local communities bordering the park as streets become jammed with parked cars of people trying to beat the sticker cost by parking on city and township roadways and walking into the park.

There is no easy solution to the problem of who is to be responsible for park patrols and who is to foot the bill.

Communing with nature in Hines Park is called dangerous by some, a drag by others, a necessity by thousands of young people who use the park as a private club and a problem by the county and local governments.

If the sticker idea sticks, using Hines Park could also be called expensive.

## Old Village says 'thanks'

EDITOR:

The Old Village Association would like to announce the winners of the treasure hunt held at the Spring Walk on May 2.

Jane McMahon won a gold nugget necklace from the Plymouth Metal Detectors.

Rena Schwichtenberg won a \$10 gift certificate from the Potters Wheel.

Janet Cosman won a wine and gift set from the Old Village Sausage Shop.

Dorothea Carrol won a planter from the House of Useful Uniques.

Bob Abernety won a pair of gloves from Beginnings-a Bridal Shop.

Carol Villeneuve won a pair of gloves from Beginnings-a Bridal Shop.

Janet Steinberger won dinner for two

from Station 885.

Norm Rudloff, won the Plymouth Monopoly game from Rainbow Connection.

Jim Costa won brunch for two from the Plymouth Hilton.

The Old Village Association would like to congratulate all the winners and thank all the participants. If any of the winners have not picked up their prizes, they can be picked up at Yesterdays and Today.

We want to give a special thanks to all the entertainment, the arts and crafts and antique dealers. We also want to thank the kids from Canton High School and all our workers. Without you Spring Walk would not have been so much fun for all of us.

## Staff backs administrator

EDITOR:

As members of the staff of Field School where James Burt has served as assistant principal for the past two years, we would like to express our concern and anguish at his pink slipping and the possible termination of his services. As an assistant principal he has been most supportive of the staff and instrumental in meeting the needs of the children.

In our opinion, Mr. Burt's abilities to academically support, empathize, and con-

sistently discipline, will be greatly missed by the children of Field School. His leadership ability, sense of humor, consistency, and supportiveness are traits that have been appreciated by our staff.

With these outstanding abilities, we feel that his termination would be a great loss, not only to Field School, but to the Plymouth-Canton Community Schools.

## School nurse staff cuts protested

**EDITOR:**

As a parent of three children who attend Plymouth-Canton Public Schools, I am really disappointed to learn of the elimination of three school nurse positions.

I consider adequate nursing service valuable to all school children and this is an

absolute necessity for children with continuing health problems.

Many teachers, administrators and support personnel work very hard to plan and deliver a good educational program to our school children. However, before children can obtain optimum benefit from a good

program, it is first necessary to make provisions to meet a child's health needs. The support service provided by the school nurses makes it possible for many children with real health problems to successfully attend school in a regular classroom setting.

Further, nurses assist children in becoming

as physically and emotionally fit as possible, so the learning process can take place.

Reduction in nursing service will hinder learning for many children, as adequate coverage by the remaining school nurses is not possible.

## 1981 Crier annual operating statement

Once again, despite the advice of our friends and the expectations of our critics, we're sharing some confidential information about this newspaper with you.

As a privately-held corporation, we're not required to unveil this information and, in fact, our accountants and attorneys advised against doing so, even though it boosts our newsstand sales nearest Schoolcraft-Levan and Michigan-Elizabeth.

We feel we have an overriding obligation to you -- our readers and advertisers -- for your support during this past, troublesome economic year, just as we have in better years past when we published our annual statement. Your support enabled The Community Crier to serve The Plymouth-Canton Community during 1981 and the seven years prior to that.

And, thankfully, it continues to do so.

We'd like to borrow a quote from Warren Phillips, chairman and chief executive of Dow Jones & Co. (which publishes the Wall Street Journal and other newspapers), who recently joined those of us publishers who issue annual statements about their companies' service:

"We believe, as did the company's founders, that publishing a newspaper is a public trust. Our function is to provide information to help our readers make important economic and political judgments; our obligation in performing that function is to be accurate and fair, to continue to earn your confidence.

"Our experience is that the pursuit of excellence in performing this public-service function gives rise to growth and economic success. This in turn produces the earnings resources that enable us to improve . . . and

to try to serve you even more effectively."

Despite the severe economic climate in southeastern Michigan this past year, The Crier grew to new heights with a dollar-volume increase of 64 per cent. By expanding our graphics and printing efforts and by extending our news and advertising expertise to the cable television field, we broadened the scope of our company's service to The Plymouth-Canton Community.

While the accompanying figures demonstrate that it could have been a more profitable year for The Crier, we're satisfied that our slight loss is acceptable in light of our expanded role in the community. In fact, the past fiscal year set several records in achievements, some of which can and some of which cannot be measured in dollars and cents.

The Crier experienced a number of internal changes during 1981 as well. All of them reflect the resolve of our dedicated staff to provide you with the best in information on everything, from shopping and whose birthday it is, to the school board's decisions and the community's opinions.

We'd like to thank you for your continued support and invite your advice and comments.

While we don't have to bare our corporate soul to you like this, we feel it's the least we can return to those who trust and support us.

Thank you!

### 'Macbeth' to play at Smith School

WILLIAM SHAKESPEARE'S "Macbeth" will be performed by the 6th grade Smith School Players on Thursday and Friday with curtain time at 7:15 p.m. The production, made possible by a Plymouth Community Arts Council grant, included participation by all three Language Arts classes at Smith -- they studied the script as part of a literature unit. More than

60 students will be involved in the play. A few of the cast members include, from left, (front) Rachel Whitmore, Keri McBride and Pam Penland, and (back) Gail Amato, Beth Drake and Christy Boak, all playing witches; and Dan Johnson as Macbeth. (Crier photo by Robert Cameron)

## Hines Park policing triggers debate

BY KEN VOYLES

Is Edward Hines Parkway under control?

The section of the 17-mile park that runs through the northeast corner of Plymouth Township and the city is, according to Plymouth Police Chief Carl Berry.

"We are maintaining control and enforcing the law. Yes, the park is under control," said Berry following a confrontation between Plymouth units and over 4,000 park users last Tuesday.

### Canton board nixes survey of employes

Canton trustees said "no" to a proposal for hiring an outside consultant to conduct an employe attitude survey. The request for the survey was made by the Canton Township Merit Commission.

Estimated cost for the survey was placed at \$2,000 by Dan Durack, township personnel supervisor.

"I think it is a good idea," Durack told the board.

The board, in rejecting the request, pointed out that proper management by department heads could accomplish the same things an employe survey would provide.

Trustee Loren Bennett made the motion to deny the request and it was seconded by Trustee Bob Padgett.

It was the first time this summer that the department had sent units into the park.

Earlier that day Berry had been among officials from Plymouth, Northville, Livonia, Westland and Dearborn to meet with the Wayne County Public Safety and Judiciary Committee to discuss reinstating park control by Wayne County Sheriff's Deputies.

"I was asked if we had a problem in the park," said Berry, who was representing both the city and the township along with Township Supervisor Maurice Breen. "I said no."

Berry added that on his return from the meeting, one of several held last week, he drove through the park. "There was a large group of individuals, more than usual and we had one car down there at that time. Most of the group were locals. It was later on when outsiders started to pour in the park."

At 8:35 p.m. that night a disturbance call from the park sent Berry as well as four Plymouth Police units into the park. "When I arrived I saw a fight near the comfort station across from the tennis courts. There was another fight near Haggerty Road, bottles were being thrown, and cars were five deep on either side of the road blocking traffic for almost 35 minutes."

Berry immediately shut off the park, at Haggerty and Riverside Roads and ordered everyone out. "Bottles were still flying and people were still fighting.

We started to write parking tickets but decided at that point we were having no luck moving the kids," he said.

Berry called Breen and asked to close the park almost an hour before the normal 10 p.m. closing. "We gave the young people 20 minutes to move out. We had no incidents, made no arrests and issued very few parking tickets."

Berry added that 70 per cent of the traffic that cleared out headed east.

At another meeting later last week Berry and other area representatives were told that the public safety committee was going to request from the Wayne County Board of Commissioners an ordinance to develop a sticker for use of the park at a \$10 fee, part of which could be used to pay for park control.

"We were also told that the deputies were coming back to the park," said Berry.

At the first meeting of communities bordering Hines an offer to bring the deputies back at a cost of about \$700,000 was opposed by several communities and supported by others, including Westland and Dearborn. A second proposal to bring the deputies back at a lower cost was presented later and is still under discussion, as is a consideration to reimburse local communities for overtime work in the park.

Deputies units currently patrol secondary roads in the township and other western Wayne County communities.

## City to approve .6 mill jump in tax rate

Plymouth City Commissioners were expected to pass a resolution last night setting aside May 26 for a public hearing to discuss an increase in the operating millage.

The hearing will be at 7:30 p.m. in the commission chambers on the second floor of City Hall, 201 S. Main.

The millage increase requested is from the current levy of 16.45 mills to 17.25. Following the public hearing the commission will formally adopt a millage at the first meeting in June.

The need for the hearing is outlined under Public Act 5 of 1982.

Under the new state law, a public hearing is needed only for increase in operation. Debt retirement, library operation and refuse, are controlled by separate levys authorized under other state laws.

City Commissioners approved this year's budget at the regular meeting of May 3. The budget, as adopted, calls for an eight tenths increase in millage to be used to balance the budget.

### City to okay pavilion contract at Penniman site

Last night Plymouth City Commissioners were expected to approve a resolution entering into a contract with Wolverine-Badger Structures, Inc., of Holt, for construction of the proposed pavilion over the Penniman Parking Lot.

The project is estimated to cost \$53,000. Costs of covering the lot will be paid back by contributions from service clubs, the Fall Festival Committee, the Plymouth Chamber of Commerce and the Masonic Temple, according to City Manager Henry Graper Jr.

Graper said that it will take approximately 11 years to pay the cost back. City Treasurer Ken Way said that there are ample funds available for the project and can be borrowed from the city's water Department.

The structure to be built by Wolverine will be 60 feet by 120 feet by 14 feet, made of brick with a metal ceiling, including power vents. The project should take six weeks, said City Engineer Ken West.

West also said that the city will undertake a plan to replace the sidewalk beside and behind the Penn Theater at the same time the pavilion structure is started. Cost of the project is \$4,136 with the city paying \$1,347 and the Penn Theater paying the difference over a two-year period.

### Crier holiday deadlines

Special deadlines will be in order at The Crier for the June 2 issue. Because of the Memorial Day holiday classified ad deadline will be Friday, May 28, 3 p.m.; proof ad deadline, Thursday, May 27, 5 p.m.; and news copy, Friday, May 28, 5 p.m.

## Talent and practice lead to national awards

BY DAN BODENE

Charlotte Viculin-Moore must be doing something right.

As proprietor of the Charlotte Viculin-Moore School of Music in Plymouth, she routinely teaches piano, organ, voice and music theory. Recently, however, her methods paid off in a big way for a few of her students.

At Junior Festivals competition sponsored by the Michigan Federation of Music Teachers, four of Viculin-Moore's students received national awards. And three have studied with her for less than a year.

The Festivals competition, judged by professionals, was open only to students of accredited music teachers. Participants did not compete against a field of other students, Viculin-Moore says, but sought to achieve a "personal best."

The first test for Festival participants came at district level, and once Viculin-Moore's students competed there the results were sent to the national headquarters of the Federation, where they were ranked nationally.

Once the tabulations were complete, Merrill Meyers, Jennifer Degenhardt and Rosalind Rainaldi (all of Plymouth) received national awards. In addition, Vickie Kozlowski of Livonia won a Gold Cup, which is bestowed only to students who have accumulated at least a B-average at the Junior Festivals for at least four years.

Meyers, a 13 year old student who attends West Middle School, and Degenhardt, a 9 year old student at Allen Elementary School, won their awards in piano competition. Meyers has studied with Viculin-Moore for about a year while Degenhardt began her studies only seven months ago. Rainaldi, a 17 year old student at Ladywood High School and Schoolcraft College, won her award for voice. She began her lessons in December.

In late April, nationally-ranked students from Michigan then competed against each other at Albion College. Rainaldi once again proved her talent, and was recognized as best in state for voice.

That award has been one of many Rainaldi has picked up recently - it's been a busy year for her.

On Feb. 23 she was in the final screening for the metropolitan Detroit "Maid of Erin" competition, and three days later attended tryouts for the "Young Americans" entertainment troupe. The day after that, on Feb. 27, she was chosen Maid of Erin and began participating in various St. Patrick's Day celebrations throughout the area. Then, on March 23 she, received her

notification of acceptance to the Young Americans.

Her tryout for the troupe came by way of an invitation to Viculin-Moore to submit her best student. "She was definitely the best in her age range," Viculin-Moore says. "Rosalind has been an outstanding student from the very beginning - she is a hard worker, very dedicated and cooperative and practices well." (Viculin-Moore most certainly has the same qualities: at age 15 she became the youngest graduate of the Detroit Conservatory of Music in the history of the school, and has since attained memberships several prestigious music organizations.)

Rainaldi's invitation to join the Young Americans was not an easy one to come by. Only 112 persons were accepted from among 1,500 applicants this year.

This summer will also be a busy time for her. On June 20 it's off to Petoskey, where she will take an eight-hour classload in

musical theater from North Central Michigan College and work with the Young Americans. An entertainment tour of several Michigan cities will follow, later in the summer, and in August there will be tryouts for selection to the 30-member national, Young Americans troupe, based in Los Angeles.

Beyond that, Rainaldi isn't sure what will happen. She graduates from Ladywood June 6, and so far is tentatively planning to attend Wayne State University. But she says, "If I'm picked to be one of the 30, well..."

Both she and Viculin-Moore have a lot to be proud of.

## Twp. man graduates from USMA

Cadet Steven Horton will graduate from the United States Military Academy at West Point, N.Y., on Wednesday, May 26, receiving a Bachelor of Science degree.

Cadet Horton is the son of Smith and Jeanne Horton of Gov. Bradford, Plymouth. He is a 1978 graduate of Salem High School where he was on the Salem varsity basketball team, a member of the National Honor Society and was active in stage and

symphony band. While at West Point he has been on the Dean's List throughout his four years. He is executive officer, second in command of Company F-4, United States Corps of Cadets.

After a 30-day leave he will be attending U.S. Army Corp of Engineers Branch School at Ft. Belvoir, Va., for 22 weeks and will then be assigned to Ft. Stewart, Ga.

With summer fast approaching, everyone is on a diet. Along with the diet is the annual push to get out and exercise.

Every year many of us say we wouldn't dare try on a bathing suit until we loose 10 or 20 pounds. Unfortunately for many of us, we're still trying to lose the same weight we tried to lose last year and the year before.

There are probably thousands of different kinds of diets, and for each diet there is undoubtedly someone in the world who lost weight on it. Unfortunately I'm still looking for the one that's right for me.

I hate people who say, "the only way to loose weight is to quit eating." Ha, easy for them to say, there are those of us who enjoy eating.

I'm the type of person who can eat when I'm nervous about something, or when I'm tired or bored. Actually, I seem to be able to stuff food in my mouth almost anytime, even when I'm not hungry. Put something sweet and fattening in front of me and it simply disappears. My will power can work real well for a few days and I'm careful about watching everything I eat. But, look out when the will power dies. I go on a spree of eating everything I can get my grubby little paws on.

Then there's the exercise that's supposed to go along with the diet. I do fine for a couple of days, but then something happens and I don't seem to be able to find time to stay with it. I can handle 20 sit-ups, but it's torture trying to pry my body from the bed in the morning to do silly exercises and still make it to work on time.

Jumping rope for five minutes sounded so easy until I tried it. My God, I thought my legs had turned to rubber and were going to fall off any second. And to think I used to jump rope for hours when I was a kid.

Bike riding was another thing I used to enjoy, so I hopped on the kid's bike and took off down the street. Let me tell you, they don't make bike seats like they used to. If that doesn't get you, bending over to reach the handle bars will. Then to top it off, you have to be coordinated enough to shift the stupid thing. How do I know which gear I'm supposed to be in?

Good luck, all you fellow dieters. I just hope we live long enough to enjoy the summer.

Jane Shephard, a freshman at Alma College, is one of the students selected for the 1982 orientation committee to help freshmen get acquainted with the college. A 1981 graduate of Salem High School, she is the daughter of R.S. and H. E. Shephard of Drury Lane in Plymouth.

The Eastern Michigan University Madrigal Singers, directed by Emily Boyd Lowe, will tour England in May and are scheduled for three performances at the Mayfield Festival near Sussex and several other special concerts. Students from Plymouth involved with the group are:

Shawn O'Neal, son of George and Anne O'Neal of Morgan, sings bass in the ensemble. He is a graduate student with an associate degree from Schoolcraft College.

Sharon Radionoff, daughter of Leonard and Linda Radionoff of Sheridan, sings alto in the ensemble. She is a junior majoring in music education.

Karen Starke, daughter of Gail Starke of New Providence, sings alto in the ensemble. She is a junior majoring in music education and is president of the Madrigal Singers.

Local students receiving degrees from Madonna College are: Daniel Baldrice of Devon Lane, B.S. in Business Administration; Barbara Crowley of Robinwood Drive, B.S. in Gerontology; Kathy Fulkerson of Mill, B.S. in Gerontology; Brian Gilbertson of Amesbury, B.S. in Business Administration Management; Robert Hyde of Hanford, B.S. in Business Administration Management; Larry Sacco of Buckingham, B.S. in Occupational Health Safety; and Thomas Scott of Provincial, B.S. in Business Administration.

**PCAC awards outstanding artists**

Winners of the 1962 JWH Awards were announced at the Plymouth Community Arts Council (PCAC) luncheon last Friday, along with several other special presentations.

The JWH Awards, established in 1975 by the PCAC in honor of founder Joanne Winkleman Hulce, are bestowed to outstanding youths who work with any segment of the whole Fine Arts spectrum. The award carried a \$500 unrestricted gift to help encourage further study in the arts field.

This year's winners are Heidi Reichenbach and Paul Szary, both artists and seniors at Canton High. Reichenbach plans to major in art at

Eastern Michigan University -- so far, she has already displayed her art works at many arts and crafts shows and juried exhibitions. Szary has completed many of the graphics projects used in various high school events promotions, and plans to pursue a degree in graphic communication at the Center for Creative Studies in Detroit.

Following the JWH Awards presentations at the luncheon were a series of recognitions of a different kind.

In a special tribute, PCAC president Janet Campbell awarded honorary memberships to Hulce, Wilma Newton, Gae McCord, Marg Moon, Jeanette Allison, Bess Decker, Veda Blickenstaff,

and Garnet Stickney.

The memberships are the first ever awarded, said Campbell, and are in appreciation for the efforts of the recipients in helping develop and strengthen the Council.

*Time film shown*

A time management film will be shown on Wednesday, May 26, at 7:30 p.m. in the Canton Public Library meeting room.

It will provide useful information for administrators, managers, executives and others who need to manage their time and tasks effectively.

*Tonquish Manor sponsors boutique*

A SPRING BOUTIQUE at Tonquish Creek Manor will be held Saturday, from 10 a.m. to 2 p.m. Shown here are some of the handicrafts that will be available, along with their creators: from left are Jessie Morrison, Betty Kyser, Marcella Rufus,

Edna Orth, Ruth Armstrong, Pauline Davis, Elsie Hohl, Alberta MacCrum and Tena Christenson. (Crier photo by Robert Cameron)

# Marita Healy gains high school honors

Marita Healy, daughter of Mr. and Mrs. Thomas Healy of Plymouth, was named salutatorian of the 1982 graduating class at Bishop Borgess High School in Redford.

She was honored at the Honors Convocation on Monday, May 10, at St. Robert Bellarmine Church.

Six other Plymouth area seniors at Bishop Borgess were singled out for honors.

Healy, a Phi Beta Kappa, received a letter of commendation from National Merit Scholarship Corporation. She is a member of the National Honor Society and serves as its secretary. She was a National Merit scholarship nominee. She has earned a Michigan State University 1982 Alumni award for academic excellence, Drake University Presidential Scholarship, University of Dayton Distinguished Scholarship, State of Michigan Scholarship Program Certificate of Recognition.

She also has received Society of Women Engineers Merit Certificate for high achievement in science and mathematics, award certificate for excellence in five years of college preparatory math, certificate of award for excellence in competitive speech, award for outstanding accomplishment and

excellence in English and certificate of award for four years of French.

Other Plymouth graduates from Bishop Borgess honored at the convocation were:

Jeffrey Henning-National Honor Society, State of Michigan Scholarship Program Certificate of Recognition; award certificate for excellence in advanced accounting.

Gerald Hoffman-National Honor Society, Tiffany Paolucci-National Honor Society, award of honor for Quil and Scroll Society, award certificate for excellence in competitive speech, certificate of recognition for four years of Spanish.

Randall Roe-Certificate of recognition from State of Michigan Scholarship Program.

# Plymouth churches unite for a 'Witness Walk'

People in the Plymouth-Canton Community have been invited to participate in a special "Witness Walk" on Sunday, May 30, at 4 p.m.

The congregations of the First Baptist, First United Methodist, First United Presbyterian, Our Lady of Good Counsel, Risen Christ Lutheran and Salvation Army churches will unite in this second annual Pentecostal Witness Walk. It will begin at the First United Methodist Church on North Territorial Road. Five-minute worship services will be conducted at each church along the march route.

All walkers will carry red balloons, streamers, family posters and parish banners symbolizing the season of Pentecost as they proceed east on North Territorial, Pennington and Church Streets. Cookies and other light refreshments will be served at the First United Presbyterian Church.

A van following the marchers will be available for senior citizens. A shuttle bus will be made available at the end of the march to return persons to locations along the march route.

Participating clergy will be The Revs. Francis Byrne, Thomas Cook, John Elliott, John Grenfel, Lt. William Harfoot, Jim Jagielski, Ken MacKinnon, Philip Rogers Magee, William Stahl, Thomas Sumwalt and Kenneth Zielke.

The walk is a parade modeled after an old English tradition, the "Whit Walk." Primarily a northern England event, the Whit Walk occurs on Whit Sunday, or Pentecost. The term comes from the tradition of wearing white on one's first communion.

English Whit Walks are characterized by church members dressing in their spring finery and carrying banners with their church's name as they walk. Almost all of the congregation is represented, from members of the cradle roll to the old-age pensioners.

The walk is ecumenical, celebrating the unity of the Holy Spirit of Christians.

Estimated time of the walk, including the prayer visits, is two hours. More information on the walk is available at the participating churches.

# Canton girl will receive congregational merit award

Congressman William Ford has named Audrey Sidick, 18, of Canton as one of 23 Merit Award winners.

She will receive one of the Congressional Medals of Merit for Outstanding Youth on May 16 at the Wayne County Extension and Education Center.

Sidick, daughter of Stanley and Mary Sidick, was singled out for her participation in Red Cross activities, and for organizing a weekly discussion group of high school students to discuss current events.

The awards were first given in 1976 as part of the Bicentennial celebration. They received such a positive response, that they have been continued for the past six years, Cong. Ford said.

"The Congressional Medal of Merit Award winners reflect the best traditions of volunteerism, academics and public service," the congressman said. "I am pleased to focus attention on their outstanding accomplishments."

# Colony Swim Club gets ready for fun

The family-oriented Colony Swim Club on Beck Road in Canton Township is accepting new members for a season of fun in the pool and other social activities.

The non-profit club was organized in 1965 to provide community families with a place to swim during the summer. The 7-acre grounds, which includes an Olympic-size pool, club house with snack bar, bathhouse, picnic grove with grills, lounge chairs, basketball court, play area and lots of parking, was built to accommodate 315 families.

The pool is professionally managed and has life guards on duty at all times. The pool has a shallow area for toddlers,

a 25-meter straightaway and a 12-foot deep diving pool.

Activities include swimming lessons for all ages, swim team competition for children from grade school through high school with meets held in other communities in the area.

There is also an active social calendar. On the schedule is the pool opening Memorial Day week-end, a family picnic July 4, a pre-teen party July 16, an adult Halloween costume party July 24, a teen party on August 6 and an adult Las Vegas Night party on August 21.

Tom Kilariski is club president. Other club officials are Ed Abbott, vice-president, chairman of the finance committee and co-chairman of the social

Residents of Plymouth and Plymouth Township who will be 60 years of age or older on May 21, 1982, should call the office of the Council on Aging at Plymouth City Hall and make an appointment to be photographed and pick up their cards. The number is 455-4907. Those seeking the cards should bring a drivers license or social security card as proof of age.

Fletcher said he is enthusiastic about the program and said, "It has increasing support from area merchants as well as seniors. I encourage local seniors to support the local enterprises, who in turn support local senior programs."

A donation of \$1 is asked to cover the cost of film and other materials in connection with the issuance of cards. A directory of participating merchants is distributed with each card.

## Library group to meet

On Tuesday, May 25, the first general membership meeting of the Friends of the Plymouth Library will be convened.

### Jaycees taking orders for filling sand boxes

The Plymouth Jaycees have again scheduled their sandbox fill project. This year it is set for May 22 and May 29.

The Jaycees will deliver sand to individual homes for \$2.50 per wheelbarrow. Residents can arrange for delivery by calling Faye Polkinghorne at 981-0446 or Gale Owens at 459-1597.

The Jaycees will fill the first 120 orders on a first come-first filled basis.

The meeting will be at 7:30 p.m., at the Dunning Hough Library. A slate of officers for the organization will be presented to the membership. They are: President, Mary Childs; Vice-President, Lois Santor; Secretary, Lorraine Ford; and Treasurer, Steve Harper. In addition to the officers, nominees for the five positions of the Board will be Aiden Broderick, Carolyn Kleinsmith, Esther Hulsing, Brenda Krachenberg and Jack Jones.

A highlight of the meeting will be the signing of the charter. All members of the Friends of the Plymouth Library will be encouraged to sign the charter to launch a new support group in the community. More than 75 people have already joined Friends of the Plymouth Library, and the group has raised almost \$2,000 to support the library.

## Community Band to perform

The Plymouth Community Band, under the direction of Carl Battishill, will present a concert on the Pioneer Middle School stage this Friday evening at 8:00 p.m.

The program will include music from the stage, orchestral transcriptions, original band compositions and traditional marches. Included on the program will be the "Academic Festival Overture" Opus 80 by Brahms, arranged by Safanek; "Second Suite in F for Band" by Holst; and the John Warrington arrangement of "On Stage with Cole Porter."

Pre-concert music by the Plymouth Brass Quintet will begin at 7:45 p.m. Members of the quintet are also members of the Plymouth Community Band and include: Carl Battishill and

Clay Laroue, trumpets; Stuart Delaney, horn; Linda Mapes Calzone, trombone; Keith Burton, tuba.

Admission to the concert is complimentary and the public is invited to attend.

### K of C sponsors clinic

Fr. Victor J. Renaud Council No. 3292 of Plymouth is sponsoring its annual Blood Pressure Clinic on May 22 at the Council Hall at 150 Fair Street, Plymouth. The clinic will operate from noon to 4 p.m.

Two physicians who are members of the council will be in attendance. There is no charge for the service.

All people in the Plymouth-Canton Community are invited to have their blood pressure checked at the clinic.

## community births

### Welcome, Lynette

James and Linda Bangert, Canton, are the parents of a daughter, Lynette Jeana, born May 6 at St. Mary Hospital, Livonia.

She weighed six pounds, 11 ounces at birth.

The new arrival has a brother, Aaron, four years old.

Grandparents are Mr. and Mrs. John Bangert of Dearborn and Mrs. Delores Turner of Allen Park.

### Hello, Joseph

Christopher and Pamela Boyd, Plymouth, are the parents of a son, Joseph Russell, born May 10 at Woman's Hospital, Ann Arbor. He weighed nine pounds, eight ounces at birth.

The Boyds have another son, Sam, 2.

Grandparents are Mr. and Mrs. Bernard Boyd of Belleville and Mr. and Mrs. Max Gordon of Lewiston.

## community deaths

### Slater, ex-lumberman

Elmer E. Slater, 86, Plymouth, died May 10 in Livonia. Funeral services were conducted at Schrader Funeral Home, Plymouth, on May 12 with The Rev. Frederick C. Vosburg officiating.

Born June 27, 1895, in Sherman Township, Mich., he was in the lumber business in northern Michigan, moving to Plymouth in 1925 from the Upper Peninsula. He retired from Centri-Spray in

Plymouth.

He is survived by his wife, Almeda; a son, Delbert, of Canton; sister, Mrs. Iver (Gladys) Peterson of Sturgis; 14 grandchildren; 20 great-grandchildren; and seven great-great-grandchildren.

Burial was in United Memorial Gardens. Memorial contributions can be made to Michigan Cancer Foundation.

# Geer School students say goodbye with Fun Fair

No more school, no more Fun Fairs. Due to imminent closing of Geer Elementary School, PTO members held their last Fun Fair last Friday, inviting the entire school community to join in the fun.

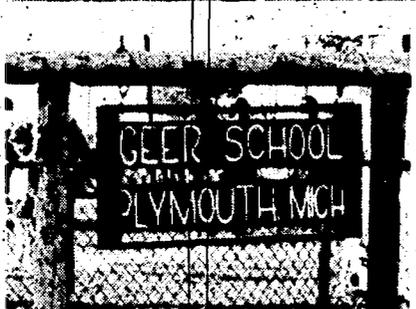

Activities included pony rides donated by John Van Dyke, a former Geer student whose kids now attend (Van Dyke's father was the last president of the old school district which included Geer), a Moon Walk, milk can toss, clown face painting, playground attractions, a magician (Todd Curtis, former Geer student), and food -- PTO President Donna Keough says Tony and Peggy Farrell grilled up 120 hot dogs.

One of the highlights of the Fun Fair was an afghan raffle. The afghan donated (the raffle itself was a tradition revived by Geer teacher Rita McClumpha) was made by Betty Trowbridge, with squares contributed by a number of volunteers. Winner of the raffle was Terri Lingenfelter, whose daughter, incidentally, made eight of the afghan squares.

In the middle of the evening, kids released a flock of balloons, each with a hand printed message.

Although the event was not a money-maker as previous Fun Fairs had been -- there was no reason for a profit -- Keough says the idea of the Fair was fulfilled.

"Our intent was just to let the children have fun," she says. "And I think they did. It's a shame it was the last one."

Photos by Dan Bodene

UP AND AWAY go the balloons Geer kids sent off in honor of their last Fun Fair. Geer PTO President Donna Keough says balloons from previous Fun Fair flights have ended up as far away as Ontario.

GETTING THE GREASEPAINT before they clown around, Tommy McNeil (left) and Kathy Lingenfelter wait patiently for their faces to be painted.

BLOWING UP BALLOONS in preparation for the big send-off, Jim Carney and Mary Emmett tank 'em and tie 'em as fast as they can. Handwritten messages were tied to each balloon.

## Chief netters drop match

Going into Friday's regional tennis action Canton High's mens' tennis squad lost a close 4-3 match to league foe Northville Monday.

Ron Austen lost his match at No. 1 singles, while Tom Pasley won his No. 2 singles match. Ruben Rabillas lost No. 3 singles, while Ray Lademan won his No. 4 singles match.

Only Canton's No. 2 doubles team of Todd Garret and Tim Feldkamp won

their match.

Friday, Canton beat Walled Lake Central, 4-3, and last Wednesday defeated Walled Lake Western, 5-2.

Canton is now 6-4 overall in dual matches and 3-3 in the Western Six League.

The Chiefs return to action today when they face Livonia Churchill at Churchill. Match time is 4 p.m.

Friday's regional will be held in Ann Arbor.

## Salem softballers 3rd

Salem High's women's softball team reached the semi finals of the Romulus Softball Tournament Saturday only to lose to Garden City East, 11-2, and finish in third place.

The Rocks finished the tourney with a 2-2 record. Salem also played Dearborn last week winning 7-0 on Thursday.

Against East, the Rocks put together two runs on three hits and committed four errors, while the Panthers had 12 hits and made two errors.

In the Rocks third game of the tourney the squad defeated host Romulus 9-0.

Diane Murphy was the winning pitcher for Salem. She allowed four hits while her teammates clubbed eight hits.

The Rocks dropped the previous game to Wayne Memorial, 5-4. Salem had

four runs on five hits, while Wayne clubbed nine hits.

In the opening game of the tourney, the Rocks dumped Ypsilanti Lincoln, 24-2. Salem scored 24 runs on 14 hits. The game was called after three innings because of the mercy rule.

Against league foe Dearborn, the Rocks put together seven runs on 11 hits, while holding Dearborn to two hits. Murphy was the winning pitcher.

Bonnie Southerland, Mary Pryslak and Jeanne Papa had two hits each to pace Salem's hitting attack.

The Rocks will face league foe Allen Park tomorrow at 4 p.m. at Allen Park. On Tuesday the Rocks will host league foe Belleville in their final regular season game before pre-districts.

CONCENTRATING ON HIS BACKHAND, is Ron Austen, the No. 1 singles player for Canton High's men's tennis squad. Austen is shown here returning a volley during the team's Friday match against Walled Lake Western. (Crier photo by Robert Cameron)

## Salem runners triumph

BY KEN VOYLES

Salem High's mens track squad geared up for regional competition this weekend winning a close dual meet against Suburan Eight League foe Belleville, 67-65, last Wednesday.

The Rocks, 6-0 in conference dual meets, will compete in the regional this Saturday at Brighton High. Field events will start at 3 p.m. with running events slated to begin at 6:30 p.m.

"We are definitely looking forward to the regional. It has to be one of the two biggest meets of the year along with the conference meet," said Salem coach Gary Balconi. Salem's conference meet will be June 2 at the Centennial Education Park track. Both league mens and womens meets will be run that day.

"The Belleville meet was a big test of strength for us," Balconi added.

The Rocks won the Belleville meet in the final events of the day, the 220-yard dash, the mile relay and the high jump, which was just concluding at the same time the 220 was run.

The Rocks reached 65 points with a first and a third in the 220. They climbed to 67 with a first and a tie for second in the high jump.

Scott Bublin won the 220 with a time of

23.01 seconds, while Scott Smith was third, 23.95 seconds.

Scott Fuller won the high jump for Salem clearing six feet three inches, while Marv Zurek tied for second at five feet six inches.

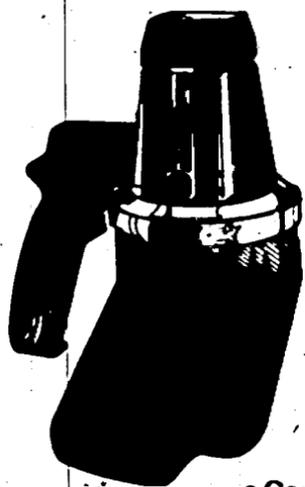

Other first places for the Rocks were at Tortora in the discus, 147 feet four inches, Dan Lingg in the long jump, 20 feet 10 inches, Mike Perkowski in the pole vault, 13 feet, Bublin in the high hurdles, 15.36 seconds, Geoff Baker in the mile, 4:39.3 and the 440 and 880 yard relays.

Bublin, Marc Tindall, Smith and Mike McBride clocked 1:35.8 to win the half mile relay, while Bublin, Tindall, Mark Davis and McBride clocked 45.65 seconds to win the 440 relay.

Salem second places included Zurek in the high hurdles, 10.4 seconds, and in the low hurdles, 42.16 seconds, McBride in the 440, 52.49 seconds, and Leeland Chang in the half mile, 2:08.92.

"We had a good performance against Belleville. It's nice to be 6-0 in the conference with the regionals coming up. Our goal at the regionals is to get to the state meet, and to score as many points as we can."

After regionals the Rocks will run their final dual meet with league foe Dearborn on Tuesday (May 25).

# Chief baseball wins Monday

BY DAVID CALLAHAN

The streak has come to an end.

Canton High's baseball squad dropped a 3-2 contest to Alpena Saturday the Midland Tournament, bringing to a close the team's 14-game win streak, which started after the Chiefs dropped an opening-day doubleheader to Harper Woods Bishop Gallagher.

Monday, the Chiefs got back on their winning track beating Northville, 7-4.

Saturday, Canton pitched Dan Smith, one of two aces on the Canton staff. Smith gave up all three runs in the first inning, but still threw what Canton coach Fred Crissey called "his best game of the year."

With two out in the first, Jeff Cousino attempted to make a diving catch for the third out. He missed the ball, which rolled to the fence and allowed the batter to advance to third base. Smith walked the next two to load the bases and a double to centerfield was all that Alpena needed, scoring all three baserunners. After that Smith blanked the squad allowing five hits and striking out nine.

Canton got its two runs in the first inning also as Don Dombey led off with a walk, Marty McCarthy singled him to third and Bill Hanis sacrificed him home. McCarthy then scored on Steve Johnson's single.

"It's a shame that we didn't win," said Crissey, "but the game was an excellent primer for the state tournament."

Monday, the Chiefs got in trouble early against the Mustangs, after scoring the first run of the game when Hanis scored on McCarthy's single. Northville came back in the bottom of the first inning scoring three runs on a single, a double, an error and a walk.

In the top of the third inning, Canton's Scott Bricker singled, stole second and scored along with Hanis on a two-out double by McCarthy, tying the score at 3-3. Dombey then broke the game open with his seventh home run of the season, a two-run blast to put Canton ahead.

# Rock golfers 5th at league

Salem High's women's golf squad finished fifth out of eight teams in the Central Eight League championships Monday.

The Rocks tallied a round of 465. Carol Ross led the squad with a 98 for 18 holes, while Beth Miller carded 100, Yvette Totzke a 117 and Wendy Nichols a 150.

Ann Arbor Huron won the meet with a round of 369. Huron's Mary Upton was medalist with an 82. Pioneer finished second, Brighton third, and Pinckney fourth.

Salem also finished out its dual match season with a match against Pioneer last Wednesday. The Rocks carded 240 while Pioneer had 200. Ross, with a 52, and Miller, with a 57, posted Salem's best rounds.

The Rocks will enter regional competition this Friday at Rochester's Great Oaks Golf Course. Twenty teams will tee off starting at 8 a.m.

The Rocks finish their match season with a 2-4 record.

Canton piled on two insurance runs in the sixth inning on back to back singles by Dombey and Johnson followed by a sacrifice which put the runners on second and third. Bryan Capnerhurst scored both runners with a single.

Northville scored its final runs in the bottom of the sixth when Chilcoff loaded the bases.

Last Wednesday, Chilcoff was one out away from pitching a no-hitter against Walled Lake Western in the Chief's 11-0 victory over the Warriors.

Chilcoff blanked the squad over six and two-thirds innings before a two-out double in the final inning broke his string.

Canton plays again today at 4 p.m. when it travels to Livonia Churchill.

# Rock kickers beat North

Salem High's women's soccer squad defeated Western Suburban Soccer Association foe North Farmington Monday night, 3-1. The Rocks are now 4-3-2 overall and 4-2-1 in the Gold Division of the WSSA.

Salem's Shelly Staszal continued her scoring act as she picked up two goals for the Rocks. Staszal has 10 goals thus far this season including at least one in the past seven games.

North opened the scoring early in the first half before Salem's Maureen Dazer knocked in the tying goal with an assist from Staszal.

Staszal broke the tie with a goal early in the second half. She was assisted by Bridget Murphy. Then late in the game Staszal added another tally, her 10th of the year, with an assist from Jacque Merrifield.

Last Wednesday the Rocks defeated Farmington 3-0.

Kathy Prochazka opened Salem's scoring three minutes into the first half with an assist from Staszal. Twenty minutes later Staszal scored unassisted. Dazer added the final tally of the game eight minutes later after taking a pass from Staszal.

The Rocks travel to Livonia Churchill for a 7 p.m. game tonight. On Monday the squad will take on Livonia Bentley at home at 4 p.m.

# Middle School wrestling tourney

Wrestling is alive and well in Plymouth-Canton School District middle schools.

Last Saturday, more than 95 sixth through ninth grade wrestlers jammed into Canton High's Phase III for the 6th Annual Plymouth Middle School Wrestling Tournament.

Although team honors were not given out, over 32 individual champions were crowned at the all day event. Winners received medals, with ribbons for second and third.

Wrestlers came from East, West, Central and Pioneer Middle Schools. Lowell was not represented. Central's contingent of 51 wrestlers was the largest, according to Dan Chrenko (Canton High varsity wrestling coach), who helped organize the event.

# Canton softball team wins Monday, now 8-4

BY DAVID CALLAHAN

The tally is up to seven in a row and Canton High's women's softball team is on a roll.

After losing four of their first five games, the Chiefs have rebounded from their skid picking up win number seven Monday. Canton scored 12 runs in the first three innings to beat Western Six League foe Northville, 13-7.

Canton is now 4-2 in the league and 8-4 overall.

Canton coach Max Sommerville summed up his team's success simply saying, "We've had better hitting, better pitching, better everything."

Canton let Northville get out to an early lead Monday, as the Chiefs committed two errors in the opening inning to allow the Mustangs to take a 2-0 margin.

Canton was not long in allowing Northville to lead, as the Chiefs came back with three runs in the bottom of the inning to claim a 3-2 margin.

Northville began to hit off Canton pitcher Missy Aiken in the top of the second inning, scoring two runs to go in front 4-3. The Chiefs took the lead for good in the bottom of the inning, scoring three more runs for a 6-3 lead.

As Aiken held Northville to just two runs in the next two innings, Canton scored six in the third and one more in the fourth to open up a 13-5 lead.

In the top of the sixth Northville's leadoff hitter cleared the centerfield fence with a solo blast. The squad added one more in the seventh.

## James, MSU hurler

Brian James, junior pitcher for Michigan State University's Spartan baseball team, has had a big hand in the Spartans' fast start in Big 10 action this spring.

James, a Canton graduate, hurled a 5-3 win over Indiana in the second game of a recent doubleheader. He has a 3.33 earned run average in the 40 innings he has pitched so far this season.

The 5-11, 175-lb. Canton grad is the son of Charlotte and Ivor James of 39802 Birchwood.

## Football sign-up

Registration for the Plymouth-Canton Junior Football Association will continue this Saturday and June 5 at the Canton High cafeteria.

Registration will be from 9 a.m. to noon. Cost is \$40 for players and \$25 for cheerleaders.

The league is divided into three age groups for both the Lions and Steelers; freshman, junior varsity and varsity. There is also a senior team, the Warriors.

Age, weight, as well as playing experience are the criteria for placing players with various teams.

Questions regarding the sign-up can be answered by Vic Gustafson, 455-4189, or Tammy Brand, 459-6347.

Louann Hamblin, who was catching for Canton, threw out a runner at second allowing a runner to score from third base.

Aiken, who got the win Monday, picked up her fourth win of the Canton streak, while Janine Carpenter won the other two games the Chiefs played.

Friday. Canton faced Walled Lake Central and won 11-1.

Last Wednesday, the Chiefs avenged an earlier loss to Walled Lake Western beating the league foes, 8-7. Carpenter went the distance on the mound for the win.

Canton returns to league action today at 4 p.m. when it faces Livonia Churchill at home.

## Chief women runners falter at relays

BY DAVID CALLAHAN

The silver lining is getting hard to find for Canton High's women's track squad.

Saturday the Chiefs were shut out at the Redford Union Relays, scoring no points, and finishing last of the 16 teams that competed.

This Saturday, the Canton team travels to Brighton High School, to compete at the regional tournament.

At RU, Canton's 880-yard relay team of Lisa Wood, April Ritchey, Pat Brennan and Kim Brown ran a time of 1:57.3, for their season best.

In the mile relay, Ritchey, Maureen Brophy, Ida Williams, and Charlotte Thomas clocked 4:38.4. Both times were season tops for the Chiefs, according to Richardson, despite the fact that the relays were run on a cinder track, which is slower than most asphalt surfaces.

Thursday, the Chiefs ran a Western Six League meet against Livonia Churchill, and lost, 91.5-31.5. The Chiefs were easily out-manned by the Chargers, who fielded about 45 runners, according to Richardson.

First place in the shot put was recorded by Canton tri-captain Lisa Bundarin, with a throw of 29 feet, 11 one quarter inches.

Ruthann Trout set a season best for the Chiefs while winning the 200-meter dash, with a time of 27.5 seconds. In the 1600-meter relay, the squad of Ritchey, Brophy, Williams, and Thomas won, clocking 4:38.5.

Brennan scored second in the 100-meter hurdles, clocking 18.1 seconds, and Wood took second in the 100-meter dash, with a time of 13.9 seconds. In the 800-meter run, Brophy was second with a time of 2:42.7, while in the discus, Bundarin threw for 94 feet, 5 inches, good for second.

Trout cleared 4 feet, four inches for third in the high jump, while Williams set a season best in the 1600-meter run, with a time of 6:27.5. Wood garnered a third, clocking 1:06.6 in the 400-meter run, and Brennan finished third in the 200-meter hurdles, with a time of 34.5 seconds. In the 3200-meter run, Perrot clocked 13:09.1 for third place.

Before going to regionals, Canton finishes its dual season today, with a home meet against Farmington Harrison. Meet time is 4 p.m.

**TRYING TO GET A RUN** across the plate during Canton High's Wednesday contest with Walled Lake Western is Chief softball player Cindy Sovine. Sovine charges into the plate (top), is tagged, and finally called out by an expressive umpire. Despite the fact that Sovine did not score on the play, the Chiefs were able to edge Western 8-7 to continue their seven-game winning streak. (Crier photos by Robert Cameron)

## Salem diamondmen split games

BY KEN VOYLES

It was a week of extremes for Salem High's baseball team as the squad upped its overall record to 15-3 and 8-1 in the Suburban Eight League.

On Thursday, the Rocks dumped league foe Dearborn, 7-1, making up for an 11-2 pounding on Tuesday at the hands of league foe Dearborn Edsel Ford.

"The difference in the two ball games - we're going through a little mid-season slump," said Salem coach Brian Gilles. "We didn't play with intensity in the Tuesday game.

"On Thursday we stepped it up a little. Our attitude was much better. We looked much better Thursday," Gilles continued. "Our problem still is we aren't hitting together. We're hitting all right but not following up with hits when we need them."

Joe Humphries was the winning pitcher for the Rocks in the Thursday win. He lasted four and two thirds innings, struck out eight, walked five and gave up five hits. Bill Culver finished the game for Salem, walked one, struck out two and gave up two hits.

The Rocks scored one run in the second, three in the third and three in the sixth, while Dearborn had two in the third, and one each in the fifth and seventh.

Pete Steycart walked, stole second and came home on a single by Dan Carlson for Salem's run in the second.

In the third, Dave Slavin singled, Humphries singled and John Blanchard walked. Dave Haut then singled in two runners. Three straight walks following Haut's single brought in one more.

Slavin started the sixth when he walked, Humphries singled and Blanchard hunt singled. Haut then grounded out scoring one and Carlson smacked a two-run single.

Carlson was 3-3 at the plate, while Humphries went 2-4. The Rocks had 11 hits to Dearborn's seven.

On Tuesday, Edsel Ford scored 11 runs on 10 hits and had one error, while the Rocks had two runs, seven hits and committed four errors.

Greg Chappell was the losing pitcher in

the Edsel game. He pitched the first four innings, struck out three, gave up five hits and four runs, two earned. He was relieved by Brian Kelly who pitched two and one third innings. Barry McNamara finished the game for Salem.

Salem scored one in the second inning when Humphries tripled and Haut hit a sacrifice.

The Rocks added one more in the fifth when Jeff Hubert singled, went to second on a ground out and scored on Mickey Madsen's double.

Edsel scored two in the second inning, two in the fourth, four in the fifth and three in the sixth.

Madsen and Blanchard had two hits for Salem.

## Chiefs runners set for mens region

According to coach Mike Spitz, this Friday "will either be a real good day or a real bad day" for Canton High's men's track team.

The Chiefs travel to Brighton High School Friday, for regional competition.

"I'm not even thinking about Harrison," said Spitz. The Chiefs are scheduled to face Farmington Harrison in the team's last Western Six League dual meet of the year. Spitz said that his team will be keying on the regionals rather than get ready for the dual meet.

Thursday, the Chiefs lost a dual meet at home, dropping a 92-40 decision to league foe Livonia Churchill.

Frank Asis won the discus for the Chiefs with a throw of 119 feet three inches.

David Simms was a double winner for the Chiefs winning the 110-yard dash with a time of 10.51 seconds, and clocking 23.12 seconds in the 220-yard dash. Teammate Mark Ritchey was

"We showed up on Tuesday that was all," said Gilles. "We didn't come to play."

Yesterday the Rocks were slated to play conference foe Livonia Bentley, in what Gilles called the key game of the season thus far. If the Rocks beat Bentley they can still drop their final two league games to Allen Park and Belleville and still get a share of the league title.

Salem beat Bentley 3-2 earlier in the year.

Tomorrow Salem plays Allen Park at home at 4 p.m. Then on Friday the Rocks take on Farmington, also at home at 4 p.m. in a pre-district contest. Salem will play Belleville on Tuesday (May 25).

"Allen Park and Belleville are out of it. They'll come into the games with no pressure on. They can beat your brains out if your not ready to play," Gilles said.

second in both events, with a time of 10.78 seconds in the 100-yard dash, and 23.22 in the 220-yard dash.

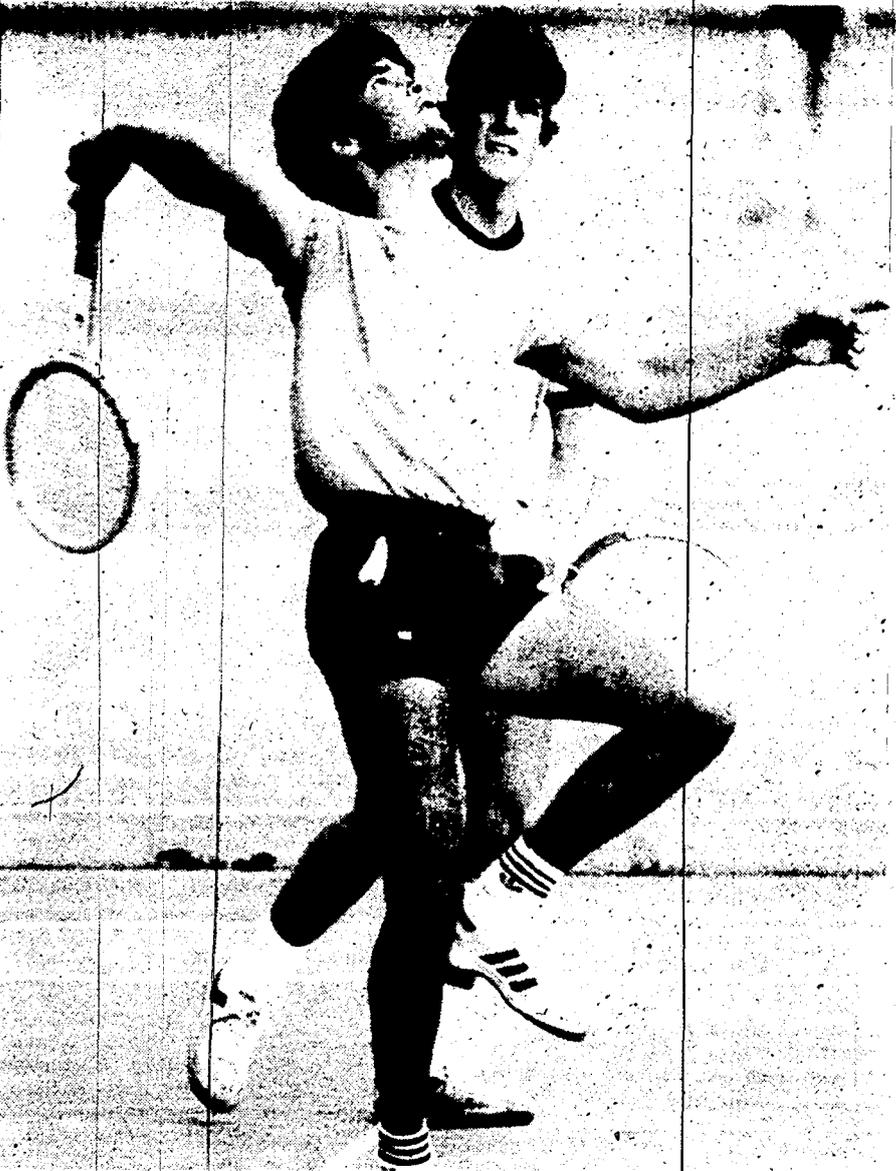

Canton's relay teams were successful against the Chargers, winning two of three relays.

In the 880-yard relay, the team of Ritchey, Asis, Simms, and Brian Rodgers scored a first place, and in the mile relay, the quartet of Ritchey, Simms, and Brian and Elijah Rodgers clocked 3:35.19 for first place.

The other Canton relay, the 440-yard team of Mike Anderson, Steve Light, Jin Kim and Brian Rodgers finished second.

Rodgers also took an individual second place, as he clocked 53.83 seconds in the 440-yard dash. Asis scored a second in the 33-yard low hurdles, with a time of 42.77 seconds. Pole vaulter Rich Tarr closed out the Canton scoring, clearing the high bar at 11 feet for third place.

Preliminaries at Brighton will begin at 2 p.m., with the finals at 5 p.m.

## Salem netters win 1 of 3

With regional competition scheduled for this Friday and Saturday, Salem High's mens tennis squad is as ready as it will be.

"Our regional will be a tough one. What more can I say," said Salem coach Judy Braun. Her squad is 5-5 in overall dual matches.

"I am really tired of seeing these boys get beat on," Braun said. "They are totally frustrated right now. We are just a step away from being a better team than 5-5 indicates."

This weekend's regional will be held in Ann Arbor with competition starting at 8 a.m.

The Rocks geared up for the tourney with three straight dual matches last week, winning just one.

Thursday, the Rocks were skunked by Suburban Eight League foe Dearborn 7-0. On Wednesday the squad beat Brighton 6-1 and on Tuesday the team fell to league foe Trenton, 5-2.

Against Brighton Salem won all but the No. 3 doubles spot.

Jeff Howell won No. 1 singles over Michaels, 6-2 and 6-1, while Dave Goodsir won No. 2 singles over Strick, 6-0 and 6-3.

Pete Iversen captured No. 3 singles for Salem beating Serbus, 4-6, 6-2 and 6-4, while John Wimmer won No. 4 singles over Stevenson, 6-2 and 6-2.

At No. 1 doubles Mark Purcell and Jack Thomas defeated Miller and Schaible, 6-2 and 6-1, while at No. 2 double Rob Rowland and Paul Weber knocked off Rackov and Morley, 7-5 and 6-4.

At No. 3 doubles, Salem's Charlie Ploughman and Jeff Bar lost to Boyd and Pittman, 6-3 and 7-5.

Salem's two points against Trenton came at No. 3 and No. 4 singles as Iversen and Wimmer won.

## Canton kickers fall Monday

A pattern is beginning to show up for Canton High's women's soccer team.

The Chiefs play a tough first half, as they did Monday, then falter in the second half, as they did Monday, losing a 4-1 decision to Livonia Stevenson.

Canton led the Spartans 1-0 in the first 10 minutes of play, but then Stevenson tied the score and went on to score three goals in the second half, two of them on penalty kicks.

"We play the first half with everybody," said Canton coach Tony Lonigro, "but we don't have any substitutions. We played the entire first half on Stevenson's side, but then they shot in five new girls, and we couldn't."

After the first goal, scored by Reggie Ruggiero, Canton lost its momentum and allowed the two penalty kicks for touching the ball.

The Chiefs also lost Friday dropping a 4-2 decision to Livonia Bentley and a Wednesday loss, 6-2, at the hands of Farmington Harrison.

# Boyd leads U-M pitching staff

BY KEN VOYLES

For Jan Boyd transferring from Eastern Michigan University to the University of Michigan is the best thing that has happened to her athletic career since she was voted all-league honors as a senior at Salem High School.

Boyd, a junior at U-M and 1979 graduate of Salem, is one of two star pitchers the Wolverines hope to use effectively during this weekend's Association of Intercollegiate Athletics for Women (AIAW) World Series on the campus of the University of Oklahoma in Norman.

The Wolverines will open the double elimination tourney, involving 13 of the top teams in the country, tomorrow night. U-M is rated fourth among the teams.

Boyd, a right hander, is 12-3 thus far for U-M. She hopes to start tomorrow but knows if she doesn't she will get at least one chance on the mound before the tourney ends on Sunday.

Among the teams Boyd might face are the top three rated teams, Texas A & M, University of California at Berkley and the University of Utah. U-M is currently 29-12 overall.

"The whole team is really excited. I can't believe we're going to the national championships. We never thought at the start of the year this would happen to our team," Boyd said Monday before leaving for the tourney.

Boyd was an all-league pitcher in her senior year at Salem. Her squad won districts that year. Boyd played three years under Salem coach Livi Way, but wasn't a pitching starter until her junior season. She also played basketball at Salem.

"This is the first time U-M has gone anywhere for softball. I hope it doesn't end early," said Boyd.

After graduating from Salem, Boyd spent two years at EMU in Ypsilanti. "I got to pitch a lot in my freshman year at Eastern," she said. "As a sophomore I wasn't given the opportunity to pitch so when the chance to transfer to U-M came I jumped at it."

Boyd said she was unhappy not pitching her second year at EMU. At five feet four inches in height and 115 pounds she was considered to small by her coach to continue pitching.

"I always wanted to pitch softball in college but never thought I might pitch in nationals," she said. "Our team has really been good this year. We give a lot of credit to our coach."

U-M is coached by Bob DeCarolis. "I get a lot of support at home from my dad (Robert) and my coach at U-M. He showed me various pitches and helped me work on the ones I already knew."

Boyd says her favorite pitch is the rise pitch. She said, "I don't overpower hitter. I'm most confident with my rise pitch." Boyd also throws a drop pitch, a change up and an occasional fast ball.

To reach the world series the Wolverines had to win the AIAW regionals the weekend of May 8-9. In the regionals U-M defeated Northern Illinois, then;

knocked off Central Michigan University. CMU came back to win the next game and force another match between the two teams.

U-M won that game 4-0 behind Boyd's three-hitter. Boyd also pitched the other win over CMU that weekend.

This year Boyd has pitched 18 games, started 15 and completed 12. She has pitched 101 innings, given up 60 hits, 15 runs, 21 walks and struck out 64. Her ERA is 0.42.

Boyd also plays summer softball under her father with Oasis Golf Course. Her parents live in Plymouth Township.

## Rock women runners gear for regions

Salem High's women's track squad geared up for regionals this Friday with a strong third place finish at the Redford Union Relays on Saturday.

The Rocks scored 50 and a half points while Farmington Mercy won the relays with 60 points and Westland John Glenn was second with 56.

Salem scored three first places during the weekend event.

The threesome of Dawn Johnson, Ann Glomski and Kelly Bemiss won the long jump relay with a combined total of 43 feet 10 and a half inches.

Cheri Muneior, Karen Tanski and Sue Remer were first in the discus relay. Muneior broke her own school record set last week with a toss of 113 feet nine inches, while Tanski threw 98 feet and Remer 80 feet 10 inches.

The 440-yard relay of Glomski, Mary Dazer, Bemiss and Johnson clocked 51.7 seconds for Salem's other first place.

The Rocks were fifth in the four mile relay as Lisa Trahey, Ruth Ettinger, Kim Lybarger and Pam Hodge clocked 26:57.

Glomski, Dazer, Bemiss and Johnson clocked 1:49.4 for third place in the 880-yard relay, while Lori Grissom, Carol Lindsay, Shelly Simons and Lybarger clocked 10:16 for third in the two mile relay.

Johnson scored a third in the 100-yard dash, 12 seconds, while Grissom, Simons, Glomski and Lybarger clocked 4:18 to tie for sixth place with Redford Union in the mile relay.

On Friday, regionals will be held at Brighton High School with field events slated to start at 3 p.m. and running events at 6 p.m.

Earlier last week the Rocks defeated Suburban Eight League foe Belleville, 78-45.

Salem coach Scott Kurtz said he expects his 440 and 880-yard relays to do fairly well. He added that Johnson had a good chance in the 100 or 220 dashes, Muneior in the discus and Glomski in the long jump.
