God looked around his garden and he found the perfect place.
He then looked down on this Earth and he saw your tired face.
He put his arms around you and lifted you to rest.
God's garden must be beautiful, he always takes the best.
He knew that you were suffering
He knew you were in pain
He knew that you would never get well on Earth again.
He saw that the road was getting rough and the hills were hard to climb
So he closed your weary eyelids and whispered "Peace Be Thine!"
It broke our hearts to lose you but you didn't go alone, for part of us went with you
the day God called you home.

Always in our hearts,
The Charles Cude Family
& Good Friend Macolm Dedes
