## OUR SOLEMN ANNIVERSARY

"Hark! our nation hears once more the throb of muffled drums,  
The doleful dirge, the martial legions' measured tread;  
Sees the feeble, broken ranks of aging heroes come  
To atone love's sweetest tokens o'er their comrades dead.  
Noble remnant of that valiant host to whom belong  
Man's history's grandest theme and fame's sublimest song."

Once more we come to keep Memorial Sunday and Memorial Day. Let us do honor to our heroic dead and living.

Next Sunday morning the local post of G. A. R. attend services in the Village Hall.

It is with much pleasure that we are enabled to present to our readers this week the above half-tone picture of the newly re-organized Plymouth band. In the personnel of the members there are several new faces in the band this year, as well as all of the old time favorites, who for years have been identified with the local band. The band has just recently received their handsome new uniforms, which were worn for the first time when this picture was taken. The uniforms are of a dark blue material with gold braid trimming. The caps are of the military style. The uniform is neat and dressy and it is needless to say that the boys present a very nifty and classy appearance under their new suits. During the long winter months, which have just passed, the band has been diligently practicing under the able direction of our veteran bandman, L. E. Cable, who for many years has been identified with the musical organizations of Plymouth. "Toot" has put the boys through a strenuous and thorough training during the past few months, and the results of his leadership, their interest in the work, and splendid musical ability, shows very plainly in the quality of new and high-class music which they are now playing. We want to say right here that it is going to be a delightful surprise for our citizens when they have the pleasure of hearing them for the first time this season, at the concert which is to be given for their benefit at the opera house on the evenings of May 30 and June 1st. A good band is one of the best advertisements a town can have, and Plymouth is indeed fortunate in having a musical organization that reflects so much credit on its members and the village as well. Plymouth citizens are proud of its band, and will show their loyalty and appreciation by packing the opera house on both nights of the coming concert, the funds of which are to apply on the purchase of their new uniforms. It will be a real musical treat and at the same time you will be giving the band a boost. Be a booster and listen to the band.

A large crowd attended the formal opening of the Plymouth Hotel last Saturday, May 20th. At six o'clock a fine luncheon was served. The tables were prettily decorated with cut flowers for the occasion. In the evening dancing was indulged in and a social time enjoyed. The proprietor and his wife, Mr. and Mrs. Ralph J.
