When You Hear the New Edison

"The phonograph, with a lead," you de no doubt that the great ins-

surance company made a few years ago. There was a good deal of

ation, but not necessarily the genuine model. It was an imitation,

the genuine article. The genuine article was a reproduction of the

sounding box which was used in the early phonographs. It was made

of wood and had a number of small holes in it. When sound waves

entered the box through the holes, they were reflected and pro-

duced a musical effect. The imitation was made of metal and had

no such holes. It was a much poorer reproduced sound.

Electric Toaster

—Inadvisable to eat a wholesome breakfast without a good supply

of toast. A good supply nay be secured by the use of an electric

 toaster. This appliance allows the toast to be cooked in a uniform

manner and to be ready when wanted. It is a great saving of time.

Do You Eat

the old-fashioned way? It is a question that is frequently

asked by the modern housewife. If you eat the old-fashioned way,

you will have the most delicious meal of your life.

Service Pins

of hard, natural, white background and black and blue

planes. They are made of the finest materials and are

beautifully finished. They are worn on the collar and

shoulder. They make a handsome addition to any uniform.

Identification Lockets

Every soldier is furnished with an identification card,

which is worn around the neck. It can be placed inside

the pocket of the uniform and is used when the uniform

is not being worn.

Large Accurate Compasses

and other articles that can be attached to the watch as

necessary. They are excellent for navigation.

Acme Quality!

IT PAYS TO PAINT

Every house should be painted once a year. It is a

satisfactory way of improving the appearance of the house

and of protecting the woodwork from the effects of the

weather. It is a good investment.

Wall Paper...

We still have a few select patterns of Wall Paper in stock.

We carry paper in stock, so there is no delay in sending for

it. We are still selling at last year's prices, although paper

has advanced in price from 50 to 75 per cent.

Central Drug Store

Plymouth, Mich.
Hillsdale—Mrs. Miry Byard, 57

A city council of Chicago by a vote of 97 to 30 has determined to try Dr. Walter Reade, 81, the former director of the hospital, on the charge of having refused to report for duty in the army as a physician. GRENADE RECEPTION FOR A HUN ATTACK

Bower's Advice

He Gives It to a Raw Recruit in a Infantry Way

BY M. B. DISAN

When the new recruit, bowser, has finished his early training and he is ready for full service, you may expect him to be ready to be a soldier. He may not be ready to be a good soldier, but he will be ready to be a soldier. The reason is that the young soldier has been trained to do the work of a soldier. He has been taught to do what is required of him. He has been taught to do what he can do. He has been taught to do what he is able to do.

The first thing the recruit is to learn is the way in which he is to be trained. He is to be trained in the way which is best suited to him. He is to be trained in the way which is best suited to his individuality. He is to be trained in the way which is best suited to his own particular circumstances. He is to be trained in the way which is best suited to the conditions in which he is to be trained.

That is the way in which he is to be trained. He is to be trained in the way which is best suited to him. He is to be trained in the way which is best suited to his individuality. He is to be trained in the way which is best suited to his own particular circumstances. He is to be trained in the way which is best suited to the conditions in which he is to be trained.

That is the way in which he is to be trained. He is to be trained in the way which is best suited to him. He is to be trained in the way which is best suited to his individuality. He is to be trained in the way which is best suited to his own particular circumstances. He is to be trained in the way which is best suited to the conditions in which he is to be trained.

That is the way in which he is to be trained. He is to be trained in the way which is best suited to him. He is to be trained in the way which is best suited to his individuality. He is to be trained in the way which is best suited to his own particular circumstances. He is to be trained in the way which is best suited to the conditions in which he is to be trained.

That is the way in which he is to be trained. He is to be trained in the way which is best suited to him. He is to be trained in the way which is best suited to his individuality. Will You HELP Bring Back The Boys of This Community?

Our boys, the boys from this town and this county and this state, are fighting the Huns. They are in the trenches in France, they are sailing the U-boat-infested seas, they are going “over the top” in the face of German cannon and machine gun fire.

Many, many more of our boys are now training and will soon be in France, and more are yet to be called.

And, remember, these are our boys; those who are near and dear to us. They are doing their ALL. They are giving their ALL. They are prepared to make the extreme sacrifice that our homes, our town, our nation, may escape the ravages of the Hun.

We want them—one and all—to come back to us—

Will You Help to Bring Them Back?

Will you help to provide them with the things they need, with clothes and food and munitions, that they may complete as quickly as possible the terrible task assigned to them?

Will you support our boys while they are fighting for us, fighting the German autocracy that seeks to destroy our ideals of liberty and justice?

Compared to their heroic sacrifice our part is but small—that of providing the funds to keep them equipped; to build and man the ships that will transport their food, their clothes, their guns and their ammunition, and to pay for these things.

Yes, we, the people of this community, will support our boys.

We will do it by buying bonds of the Third Liberty Loan; by buying all these bonds we can; by making such sacrifices as are necessary to do this. That will be our support for Our Boys.
Farm Implements

We are now ready to supply anything the farmer may need to begin his spring work, in the way of farm implements. We have complete line of Plows, Harrows, Planters, Cultivators, Discs, Land Rollers, Grain Drills, etc.

HIGHSUGAR PRICES BOOM FOR SORGHUM

War Is Bringing in Return of Old-Time Popularity.

EARLY AMBER IS THE BEST

In Early MarketTesting and by Soil Testing Sorghum Grows Great.

Sorghum is a hearty root crop, is not a "broom corn," according to Dr. H. B. Pierce, of the Michigan experiment station. It is a crop that grows well on all kinds of soil, from the more fertile to the less so, and it is one of the best crops to plant in places where other crops cannot be grown. It is also a good crop for dry seasons, as it is drought resistant. Another good thing about sorghum is that it is a good crop for the poor, as it is not too expensive to grow.

CHURCH NEWS

Local News

NEWBURG

Rev. F. M. Field delivered a prayer service, the first of the series of monthly business and social meetings, Thursday afternoon, April 11th. After the regular greetings,ama reference was made by Mr. and Mrs. A. D. Ford, who were present, to the late Mrs. A. D. Ford. They spoke of her kindness, her hospitality, and her generosity. Mrs. Ford also spoke of her love for music and her devotion to the church. A collection was taken for the Y. M. C. A. Parents and Children Toward An Equal Privilege—Bible Reading—Ps. 95

KELLOGG PARK

A large gathering of Farm people was on hand Wednesday evening when the Will Rogers Circus troop gave a concert in the Kellogg Park. The band was under the direction of Mr. J. S. Roulo, and the performance was well received.

C. A. work among the Lutheran church has been proceeding during the past two months, and their friends and neighbors are expected to make a large contribution to the work. The proceeds of the Easter amounted to nearly $40,000.

FRAIN'S LAKE

Mrs. Florence McLain spent Sunday at the home of her mother, Mrs. J. S. Roulo, who was visiting there.

NEW GARAGS

A large gathering of Farm people was on hand Wednesday evening when the Will Rogers Circus troop gave a concert in the Kellogg Park. The band was under the direction of Mr. J. S. Roulo, and the performance was well received.

Death of Mrs. LaFave

Mrs. Florence LaFave, wife of Samuel LaFave, died April 5th, 1918, after a short illness. She was a member of the Y. M. C. A. and was very active in the work of the church. She leaves a husband and two children. The funeral will be held at the Methodist church, April 7th, at 10:00 a.m. The body will be brought to the church by Dr. Patterson, the services will be held by Rev. F. M. Field, and the interment will be in the Riverside cemetery.

Lincoln Democrats Elect

All But Drain Assessor

The Lincoln Democrats have elected the following candidates for the position of Assessor: Jesse Zigler, R. B. McWilliams, and Mrs. Jane Taylor. The election will be held May 1st, and the officers will be sworn in at the regular meeting of the Board of Supervisors.

MURRAY

A. W. O. L. will hold a meeting Thursday evening, April 11th. The meeting will be held at the Masonic Temple, and the officers will be sworn in at the regular meeting of the Board of Supervisors.
