EXTRA!

You're probably thinking of a new suit of clothes, and if you are this advertisement is of as much importance as anything in the paper.

The cost of clothes has gone up. Suits that used to sell for \$40 and \$50 now cost \$70 and \$80. It can't be helped. There simply isn't enough wool in the country!

But here is hope!

To the man who must limit his expenditures, and to the one who will not pay top war-prices for his clothes, we say investigate Clothcraft. We have these good-looking, excellently made garments at \$20.00 to \$30.00.

We know they've got the stuff in them for they've been made since 1846 in a shop famed for its economical methods. We guarantee "satisfactory wear and service!"

RED CROSS ROOMS CLOSE FOR SUMMER

LOCAL BRANCH CLOSING WORK ROOMS TODAY FOR THE NEXT FEW MONTHS.

The work rooms of the Plymouth Branch of the Red Cross will close today (Friday) and will remain closed during the summer months. Other work rooms of the Detroit chapter are closing, and Plymouth with the others, feels the need of a well earned rest. However there is plenty of work yet to be done, and if anyone feels that they have the time and would like to do work during the summer, they can get materials and directions from any of the respective chairmen. Even though the work room is closed, the room and equipment will be kept in readiness so it can be opened at any time if an emergency call is given. It is now expected that all work rooms will open again in the fall, and that there will be a large amount of work to be turned out at that time. It is the earnest hope and belief of the chairmen of this Branch that after a few months' rest the members will again take up the work with renewed interest. Plans are now being perfected for a celebration to take place in a few weeks that will be fitting the closing of this successful organization.

A COMMUNITY COMMITTEE

A meeting was held at the home of Mr. and Mrs. S. W. Spicer, Wednesday evening, for the purpose of appointing a community committee to co-operate with the Wayne County Farm Bureau. Mr. Gregg, the county agricultural agent; Miss Rogers, the home demonstration agent, and Mr. Stewart, leader of the Boys' and Girls' Clubs, were present; also Miss Pettit of Washington, D. C., a government specialist in community organization and home demonstration work. Miss Pettit, Mr. Gregg and Mr. Stewart gave very interesting talks on the work, after which a community committee was appointed with Cherry Hill as its center. The committee will hold its next meeting at the home of Mr. and Mrs. Elan Moyer, Monday evening, April 28th. This community, reaching to the Washtenaw county line, will also include anyone from Washtenaw county who wishes to join.

Frank Wilcox of Arkona, Ontario, and Mrs. George Wilcox and daughter, Crete, of Regina, Saskatchewan, were guests of Dr. Luther Pack and family, the latter part of last week and over Sunday.

Joe Hoffer, a former resident of the place, has returned to Plymouth and has taken a position in the Mackham Air Rifle factory. Mr. Hoffer expects to soon move his family here from Pontiac.

READY FOR VICTORY LOAN

PLYMOUTH VICTORY LIBERTY LOAN COMMITTEE ALL SET FOR THE BIG DRIVE WHICH STARTS MONDAY, APRIL 21.

PLYMOUTH'S QUOTA HAS BEEN PLACED AT \$155,800.

Plymouth is all set for the Victory Liberty Loan. The campaign opens next Monday morning, April 21st. The local Victory Liberty Loan Committee, which has done such heroic work in putting Plymouth over the top on the four previous loans, is fully organized and waiting for the opening day of the campaign to start their canvass for subscriptions. With very few exceptions the captains and members of the various teams are composed of the same men who have undertaken the work heretofore. They will start bright and early next Monday morning on their fifth and last round. Plymouth has done its full share in subscriptions to all previous loans and patriotic funds, and there now appears no doubt but the fifth and last war loan quota will be absorbed quickly and completely. Plymouth's quota has been placed at \$155,800. Victory Bonds will bear interest at the rate of 4% per cent. Ten per cent must be paid with the application; ten appears no doubt but the twenty per cent August 12; twenty per cent September 9; twenty per cent October 7, and twenty per cent November 11. Payments in full can be made on May 29 if ten per cent required with application has been paid on or before May 10th.

Below are given the officers of the Victory Liberty Loan Committee, captains and team members for the various districts:

Chairman—Cedric Hamilton.
Vice Chairman—Edward Gayde.
Secretary—E. E. Bennett.
Bank Committee—C. A. Fisher, E. K. Bennett.

DEATH OF FORMER PLYMOUTH LADY

MRS. A. E. HUBBELL DIES VERY SUDDENLY AT PONTIAC HOSPITAL LAST WEEK THURSDAY EVENING.

Plymouth friends were greatly shocked, last week Thursday evening, to hear of the sudden death of Mrs. A. E. Hubbell, who died at the Pontiac hospital, where she had been taken for treatment a few days previous.

Alice R. Dunnegan was born in Delaware county, Ohio, January 4, 1850. When very young she moved with her parents to York, Steuben county, Indiana. November 30, 1867, she was united in marriage to Burton Hubbell of York, and they later moved to Jackson, Mich., where they resided until the death of Mr. Hubbell in 1906. A short time after her husband's death, Mrs. Hubbell, with her son, Winn, moved to this place, where her eldest son, Charles, was already located in the drug business. The deceased remained a resident of Plymouth for about eleven years. She was a woman of gentle, loving disposition, a kind neighbor and mother, and aimed her daily life to exemplify the teachings of the Lord and Master. She was a member of the First Presbyterian church and of the Rebekah lodge of this place. In 1917 she moved to Pontiac, where she had since resided.

Mrs. Hubbell was taken ill on Thursday, April 3rd, while visiting her son, Winn, and family here and was later removed to Pontiac hospital for treatment, where she seemed to be rapidly improving, in fact, her son, Winn, received a letter from her the day of her death, telling him of her improving health, but she was suddenly stricken with heart failure and passed away early Thursday evening, April 10th.

The deceased is survived by two sons and one daughter, C. O. Hubbell of Pontiac, Winn B. Hubbell of Plymouth, and Mrs. Margaret Smith of Los Angeles, California; one brother, H. Dunnegan of St. Paul; five granddaughters and one grandson.

After a short service at the home of her son, C. O. Hubbell, at Pontiac, the remains were brought to Plymouth, and the funeral services took place from the Schradler Bros. Funeral Home, Sunday afternoon, Rev. Mr. Sweet of Pontiac officiating. Interment in Riverside cemetery. Plymouth friends deeply sympathize with the family in their bereavement.

The following out of town relatives and friends attended the funeral service: C. O. Hubbell and family, Mrs. Mitchell, Mrs. Jenner and Miss Eva Crawford of Pontiac; Miss Mabel Crawford of Detroit, and Mrs. Blanchard of Jackson.

NEW OFFICERS ELECTED

The annual meeting of the Order of the Eastern Star was held in Masonic hall last Tuesday evening, April 15th. The following officers were elected for the ensuing year: Worthy Matron—Maude Schradler; Worthy Patron—C. H. Rauch; Associate Matron—Carrie Hillmer; Secretary—Luella Chappell; Treasurer—Lena Willitt; Conductress—Flora Rathburn; Associate Conductress—Lyla Chambers.

Installation will be private, and the date was set for Tuesday evening, May 6th.

MRS. WILLIAM J. BEYER PASSES AWAY

AFTER LONG ILLNESS PLYMOUTH LADY DIED AT HARPER HOSPITAL LAST FRIDAY.

Mrs. William J. Beyer, a highly esteemed lady of this village, passed away at Harper hospital, Friday, April 11th, after a long illness. The remains were brought to Plymouth, and a short funeral service was held at the home of Otto Beyer, Monday afternoon, previous to the service at the Lutheran church at 2:00 o'clock, Rev. Charles Strasen officiating. A quartet composed of Misses Clara and Cordie Strasen, Sarah Gayde, and Mrs. James Moran, with Miss Edna Fisher at the organ, rendered two beautiful and impressive selections. The church was filled with friends and relatives. The floral offerings were many and beautiful. The interment took place in Riverside cemetery.

Ada Badelt was born January 21, 1881, in Nankin township, Wayne county, Mich. She was united in marriage to William J. Beyer, June 6, 1906. To this union one daughter, Leona, was born. She leaves to mourn their loss, husband, daughter, father and mother and three brothers, besides many more distant relatives and a host of friends. The deceased was a devoted wife and mother. During her long illness she has borne her suffering with patience and fortitude. Mrs. Beyer was much beloved by all who knew her, and she will be greatly missed in the community. The sympathy of all goes out to the bereaved family.

WOUNDED SOLDIER HOME

William Cassidy is home from the government hospital at Norfolk, Va., on a sixty-day furlough. Mr. Cassidy has been overseas about a year in the 97th Co., 6th Regiment, and the 30th of last June, while returning from the front line near Chateau Thierry, was seriously injured in his hip by an exploding shell. Since his return to the United States he has been at the hospital at Norfolk, Va. He says he is feeling fine and Plymouth friends are glad to see him looking so well.

CHERRY HILL

Corporal Ira Deley Jameson writes he will not reach home as soon as he expected, as now he will be sent to his old camp in Ohio, Camp Sherman, and not to Camp Custer as was first reported. He is stationed at Camp Upton, L. I. Mrs. Jameson has been asked to teach another year at Bononia.

We hope the Easter social will be well attended, at the home of Mr. and Mrs. C. R. Lewis, Friday evening. Mary Jameson, Pearl Dieks, Hattie Cornin and Mabel Pool are the committee in charge.

Mrs. Leola Kimmel will spend the week-end with her father, H. J. Lewis.

Mr. and Mrs. Floyd Lewis were Sunday callers at the home of the latter's sister, Mrs. Carlton Lewis.

An Easter program will be held on the church next Sunday. An offering will be taken.

YOUNG WOMAN FOUND UNCONSCIOUS

When Mr. and Mrs. Robert Jolliffe were returning from church service, last Sunday evening, they found a young woman about eighteen years of age, lying unconscious on the walk in front of William S. Thomas' residence on Main street. Mr. Jolliffe carried the girl into Mr. Thomas' home and a physician was immediately summoned. It was some time before she regained consciousness, and when she did she would tell nothing about herself except that her name was Irma Conway, and that she came from England three years ago. She said that she was on her way to Detroit, but would give no further information. Mr. and Mrs. Jolliffe took the girl to their home, and cared for her until the next morning, when Deputy Sheriff George Springer took her to the Detention Home in Detroit.

TURN "BUSY BERTHAS" INTO VICTORY MEDALS

Workers of the Victory Liberty Loan Will Be Decorated for Helping Uncle Sam in the Big Victory Drive.

The "busy Berthas" that spat their hell at Verdun are silent. Their fate has been decreed. They are to become medals of honor conferred by the treasury department on volunteers in the Victory Liberty loan army.

The mighty Krupp masterpieces are being melted up to make Victory Liberty loan medals. On one side of the medal will be a reproduction of the

Treasury building, and on the reverse side will be certification of the worker's participation in the loan drive. Space is left for the name of the recipient, to be engraved on the medal. The medal will be about the size of a half-dollar.

Purchasers of Victory loan securities will not receive these medals, as the bonds are intrinsically worth all the buyer pays. However, those who volunteer to sell the Victory issue to their neighbors and associates will be

awarded one of these medals. The only restriction is that the medal will go only to those who in advance of the drive are authorized to perform the work of distributing the Victory Liberty loan among the people.

If you want one of these medals, your distinguished Service Cross as it were, for service in Uncle Sam's financial army, it behooves you to hustle over and see the chairman of your Victory Liberty loan campaign and tell him you are on the job.

Some of the medals have just reached the Seventh federal reserve district. A large quantity of them will be available for distribution before the campaign begins.

PENNIMAN ALLEN THEATRE

PROGRAM Saturday, April 19 NAZIMOVA IN "TOYS OF FATE"

Nazimova, the celebrated star, plays the role of a gypsy princess, with the fiery, untrammelled nature of that picturesque race. In "Toys of Fate," a Screen Classics superfeature, which will be offered on the screen at the Penniman Allen theatre. Love and hate are almost equally developed in the gypsy girl, Azah, who is made the instrument of fate to bring to justice Bruce Gritawald, a millionaire. Her life in the gypsy encampment, and in the caravan of her tribe, is depicted in a fascinating manner, and gypsy rites and customs are reproduced.

WOMAN'S LITERARY CLUB

The thirteenth regular meeting of the Woman's Literary Club was held in the Kindergarten room at the school building, Friday afternoon, April 11. Three guests, twenty-two active, four associate and two honorary members were in attendance.

The president, Mrs. C. H. Bennett, presided over the business session, which preceded the program of the afternoon.

The afternoon's program was devoted to Art. "The love of beauty is taste, the creation of beauty is Art." A picture you admire was the response given to roll call.

The sixth division had charge of the afternoon with Mrs. Luther Peck, chairman, and the following program was given:

Vocal Solo, "I Bring You Heart's Ease" and "The Morning Wind"---Mrs. R. A. Cassidy, with Miss Zarina Penney at the piano.

Paper, "History of American Painting"---Mrs. George Wilcox.

"An Art Story" by O. Henry---Mrs. O. A. Fraser.

Paper, "America's Foremost Sculptors"---Mrs. Howard Brown.

Paper, "Interior Decoration---the New Art"---Mrs. George Smith.

On motion the club adjourned to meet in two weeks, Friday, April 25.

Mrs. Will Henry underwent a severe operation last week at Harper hospital. Dr. George Kamperman of Detroit, performed the operation, and up to the time of writing, Dr. Kamperman reports satisfactory progress.

POSTMASTER EXAMINATION

At the request of the Postmaster General, the United States Civil Service Commission has announced an examination to be held at Howell, Mich., on May 21, 1919, for the position of postmaster at Plymouth. This office has an annual compensation of \$2300.

To be eligible for this examination an applicant must be a citizen of the United States; must actually reside within the delivery of the office and have so resided at the time the present vacancy occurred.

Applicants must have reached their twenty-first but not their sixty-fifth birthday on the date of the examination.

Application Form 304 and full information concerning the requirements of the examination may be secured from the postmaster at the place of vacancy or from the Civil Service Commission, Washington, D. C. Applications should be properly executed and filed with the Commission at Washington, D. C., in time to arrange for the examination of the applicant.

MOTION PICTURES WILL BE RESUMED

"BLACK BEAUTY" NEXT WEEK AT THE METHODIST CHURCH.

After an intermission of three weeks on account of the special Easter meetings, the moving picture program, which had proved so popular at the Methodist church, will be resumed next week. The programs will be given on Friday evening, instead of Thursday, as heretofore, and will begin at 7:30 instead of 8:00 o'clock.

The special feature next week will be the famous story of "Black Beauty," which every boy and girl has read. Coming during "Be Kind to Animals Week" it should be appreciated by every lover of animals.

CLASS OF SEVEN CONFIRMED

The confirmation services at the Lutheran church last Sunday were very impressive. The church was decorated with flowers and potted plants. The members of the class, Oscar Freiheit, Edward Long, Harvey Wagenschutz, Howard Wagenschutz, Mrs. Norman Drews, Mrs. Edward Long, Miss Edna Foreman, were seated near the altar. The church was filled to the utmost, and it was a very attentive audience.

The words of the pastor, which he spoke to the catechumens were bound to strike their hearts. The next class of five young boys will be confirmed in about four to six weeks. The Lutheran church under the earnest and strenuous work of Rev. Charles Straen is constantly growing and shows many improvements.

W. C. T. U.

Despite the rain on the afternoon of Thursday, April 10th, the annual meeting of the Woman's Christian Temperance Union, held in the Methodist church, was well attended. Reports of officers and superintendents showed good work done. The attendance during the year has been excellent, the largest attendance being eighty-two and the smallest twelve. The treasurer reported the Union as being in good financial condition. The press superintendent in her report, spoke of the kindness and courtesy of the editor of the Plymouth Mail, and a rising vote of thanks was given him for the space so kindly granted to the W. C. T. U. in his paper. The music furnished by the Misses Youngs, and the readings by Miss Helen Conner were greatly appreciated. A class of nine was initiated by the president.

The following officers were elected for the ensuing year:

President---Miss Cora Pelham
Recording Secretary---Mrs. Floyd Hillman
Corresponding Secretary---Mrs. M. A. Patterson

Treasurer---Mrs. Ernest Vealey

At the close of the meeting, ice cream and cake were served and a social hour enjoyed.

The treasurer, Mrs. E. C. Vealey, will be glad if those members who were not present at the annual meeting will remember that their yearly dues are now payable and will kindly hand them to her as soon as possible.

The year book committee expect to have the programs ready for distribution at the next meeting, April 24th, at Mrs. William Smith's on Harvey street. Leader, Mrs. Chas. Humphrey. Subject, "Our Children and Our Homes." Everyone welcome.

Get Well

It is indeed hard to stand on one side while the other side is suffering. A man or woman condemned to illness that does not permit him or her to perform the active duties of life, to do his or her share of the world's work, is a pathetic figure deserving of sympathy.

Much sickness, pain and misery result from the kidneys and bladder. Failure of the kidneys to do their work properly will bring on a host of ailments, such as backache, rheumatism, neuralgia, headache, dizziness, vertigo, deafness, tinnitus, and other ailments.

LAST WEEK WITH THE CONNER TRIO

(Contributed)

Sunday evening's service will close the special meetings at the Methodist church. Monday morning the Conners will leave for Covington, Ohio, and they will arrive there just in time to begin their meeting that night. A farewell service will be held at the close of Sunday evening's service, at which time every friend of the three "Bills" will have the opportunity of giving them a good-by handshake and wishing them God's speed in their new field of labor.

The Conners are great favorites all over the country, and there has been such a demand for their services that they have not been able to fill all their calls. They take no rest between meetings, closing one place on Sunday night and begin the next place Monday night. "Trombone Bill" is one of the best song leaders we have ever heard or seen. He knows the trick of pumping spirit and spizer-rinkum like a crowd with music or a recitation; knows just when to start 'em singing and just when to stop 'em again. Mrs. "Bill" presides at the piano, and she has the knack of getting a whole orchestra effect out of her instrument. Her voice in solo, duet or trio work is very effective. "Little Bill" is a soloist and reader of exceptional ability, and she has become a real favorite among young and old.

Last Sunday was a top notcher. Six services were held, the preaching services at 10:00 o'clock, Sunday school at 11:30, meeting for men only at 3:00 at the Methodist church and at the same hour a meeting for women only at the Presbyterian church; and Epworth League at 6:30, and the regular service at 7:30. Rev. Field preached four powerful, soul-lifting sermons and quite a number decided to make Palm Sunday the

eventful day in their lives and accepted Jesus as their personal Saviour. Mrs. Conner gave a fine talk to the ladies, one of the best ever heard in Plymouth. She and "Little Bill" sang several special numbers. It was a day of religious feasting, and will not soon be forgotten by those who were interested enough to attend.

The meetings so far have resulted in a number of conversions and a great religious awakening among the professing christians. The special numbers by the Conners, and the convincing gospel messages by Rev. Field have caused scores of people to resolve to live better lives.

Tuesday night was mothers' night, and the musical program and sermon were very impressive. Wednesday night was father and son night. Thursday night the W. C. T. U. ladies and the Masons and Eastern Stars were guests of honor. Tonight the Odd Fellows and Rebekahs will

be honor guests. Saturday night Conner's Booster choir will give their third and last program. Everybody will want to see this program for it will be the climax of all the Booster programs. We take our hats off to "Bill" when it comes to training boys and girls, nothing like it has ever been produced in Plymouth, and the youngsters enjoy the work so much that they almost idolize their magic instructor.

Sunday will be the "going over the top" day, the final wind-up, the last day you will have the opportunity of seeing and hearing the Conners. Plan to go, and be sure and be at the evening service to bid the three "Bills" good-by.

If I Were a Farmer

If I were a farmer I would keep on hand a few reliable medicines for minor ailments that are not so serious as to require the attention of a physician, such as Chamberlain's Cough Remedy, Chamberlain's Kidney Pills, Chamberlain's Ointment for sprains, bruises and rheumatic pains.

Chamberlain's Tablets for stomach troubles, indigestion and constipation.

By having these articles on hand it would be sure to have the means at hand to cure any ailment that may befall you or your family.

ONE-THIRD OF WORLD'S GOLD

Bank of Every Victory Liberty Bond---No Safe Guarantees Than Our Surplus Gold Possibilities.

Gold is the basis of all credit. The United States is now about to enter a fifth great popular campaign for the sale of government bonds to the citizens of the nation. America has contracted more than \$5,000,000,000 of debt since December 1 last in paying war bills, and this money must be raised by the people.

Every reader of this paper undoubtedly believes that United States government bonds are the safest investment on earth. But many of them do not, perhaps, know just how to explain their belief.

One of the reasons why United States government bonds are the safest investment on earth is that the United States now possesses one-third of the world's gold. This has come about as a result of the war. The nation had large gold holdings before the fighting began in 1914, but since then the nations of the earth have been forced to send us shipments of gold in order to get needed supplies and maintain trade relations.

The Federal Reserve banks do not hold, probably, more than two-thirds of this nation's supply of gold, yet they have in their reserves more than one-half as much as the state banks of the next 14 most wealthy nations, and abroad the state banks have collected practically every gold piece that the people possessed.

The following table bearing this fact in mind, tells why the government bonds are the safest investment known:

Nations With Greatest Gold Holdings.	Total Gold Holdings.
Bank of France	\$ 80,000,000
Bank of Germany	60,000,000
Bank of England (with note reserve)	55,000,000
Bank of Spain	30,000,000
Bank of Russia	20,000,000
Argentine conversion fund	17,000,000
Bank of Japan	15,000,000
Bank of the Netherlands	12,000,000
Bank of Italy	11,000,000
United States (Federal Reserve banks only)	1,000,000,000

Investing in the limit in Victory Liberty loan bonds is the best venture one can make.

HELP "FINISH THE JOB."

The proceeds of the Victory Liberty Loan are to be used to bring our soldiers and sailors back and restore them to the useful occupations of peace. Every true-blue 100 per cent American should have a part in this work.

AN ORDINANCE

To Regulate Electric Wiring and Use of Electricity in the Village of Plymouth, State of Michigan. The Commission of the Village of Plymouth, State of Michigan, does ordain as follows: Section 1. The Village Manager of the Village of Plymouth shall have charge of and assume the supervision of the putting in of all electric wiring, connections or apparatus in or on any building in the Village of Plymouth, and all electrical equipment hereafter erected or used within the Village shall conform to the rules and regulations of the latest issue of the National Electrical Code, together with all its supplements. Section 2. It shall be the duty of the said Manager, or some other person duly designated by the Village Commission, to act as inspector under the supervision of the said Village Manager, to examine each electrical equipment hereafter erected, and make a report on the same for the use of the Commission as to whether it is in compliance with the rules referred to in Section 1 herein, and a record of all such reports shall be kept on file in the office of the said Village Manager, and when the equipment conforms to the rules, there shall be issued a certificate to the effect that the terms of this ordinance have been complied with. But no such certificate shall be granted until the equipment is made to conform to the said rules specified in Section 1, and it shall be the duty of any such electrical equipment or to furnish electrical current for the same until a certificate has been furnished in accordance with the terms of this ordinance. Section 3. No person, firm or corporation shall equip any building with wiring or electrical apparatus, or string apparatus or cable in or on any building, or make any change in or addition to any wire, cable, electrical wiring or apparatus in the Village of Plymouth, without notifying the said Village Manager in writing, giving a general description of the work to be done, so that ample opportunity for inspection may be had before any equipment is concealed, and such equipment, alteration, change or addition shall be done to the satisfaction of the said Village Manager, who shall issue a certificate in like manner as provided in Section 2 herein. Section 4. When upon application inspection is made of the wiring or equipment in any building in the Village of Plymouth, the company or person installing such equipment shall, when making application for inspection pay to the Village Manager for such inspection the following fees, to-wit: For 15 lights or less, \$.50 When more than 15 lights, and not more than 25 lights, .75 When more than 25 lights, and not more than 50 lights, 1.25 When more than 50 lights, and not more than 100 lights, 2.00 When more than 100 lights, and not more than 150 lights, 2.50 When more than 150 lights, and not more than 250 lights, 4.00 When more than 250 lights, and not more than 500 lights, 5.00 For each additional light, over 500, .10 each. Miniature incandescent lights, one-half above rates. When wiring is for Arc Lights: For two lights or less, 50c When more than two lights, .25c each When wiring is done for dynamo, electric machines, whether used for motors or generators: For one K-W. or less, \$.50 When more than one K-W. and not more than three K-W., 1.00 When more than three K-W. and not more than eight K-W., 1.50 When more than eight K-W. and not more than 15 K-W., 2.00 When more than 15 K-W. and not more than 30 K-W., 2.50 When more than 30 K-W. and not more than 60 K-W., 5.00 When more than 60 K-W., 8.00 Section 5. Any person, firm or corporation who shall do or attempt to do electrical construction, whether original work or alterations, without filing an application for inspection, as stated in Section 3 herein, shall be liable to pay a fine in the sum of not less than Twenty Dollars (\$20.00) or more than One Hundred Dollars (\$100.00), for each offense, and any person, firm or corporation who shall violate any of the provisions of this ordinance for which a penalty is not herein otherwise prescribed, and any occupant or owner of the premises where electrical wiring or apparatus is used, or to be used, who shall refuse to allow inspection or shall prevent or interfere with any inspector in the discharge of his duties under this ordinance, shall upon conviction for each offense forfeit and pay a fine of not less than Five Dollars (\$5.00) or more than One Hundred Dollars (\$100.00) at the discretion of the Court and in the imposition of any fine or costs, the court may impose a further sentence that the offender be imprisoned in the county jail until the payment thereof, provided that the terms of such imprisonment shall not exceed three (3) months. Section 6. This ordinance shall not be construed to relieve from at least the responsibility of any party owning, operating, controlling or installing any electrical equipment for damages to anyone injured by any defect therein, nor shall the village be held as assuming any such liability by reason of the inspection authorized herein or certificates issued. Section 7. This ordinance shall take effect on and after the seventh day of May, A. D. 1919. Made and passed by the Commission of the Village of Plymouth at a session thereof held on the 7th day of April, A. D. 1919. W. Y. CONNER, Village President. D. G. BROWN, Clerk.

CONTRACTS HAVE BEEN LET

Contracts have been let and work will begin in a few days on the fall, nearly every village in Oakland county will be connected with the county seat and the state metropolis by good roads.—Farmington Enterprise. Willis R. Harrison, Republican, defeated J. J. Stallwagen, the Democrat nominee, for the office of supervisor in Nankin, at the recent election. Mr. Stallwagen had represented Nankin township on the county board of supervisors for thirteen years. Marshall Goudy of Wayne, hit upon a novel and effective scheme to get rid of the past winter's accumulation of tin cans in that village. He offered a free ticket to the local movie theatre for every barrel of cans brought to the pump house, and it is needless to say the kids got busy. The largest bunch of fat steers shipped by one farmer here in years, was that of Mannie Hoffmeyer, Monday. There were 16 in the bunch and they weighed about 28,000 pounds. These cattle were loaded into a car by themselves, and Mr. Hoffmeyer went with them to Chicago.—Stockbridge Brief-Sun. W. H. Sweet of this city, who is 72 years of age, claims he is the oldest living man in Michigan whose mother is still living. The mother, Mrs. Mary Sweet is 92 years of age, and she, together with her son and three grandsons, Edward, Charles and Adrian Sweet, all went to the polls Monday and voted, the combined ages being 254 years.—Ypsilanti Record. From the George B. Yerkes big stock farm northeast of the village, comes the champion daily milk record received at the Northville Condensery last Saturday and Sunday showed 897 lbs. each day. Now Mr. Yerkes is trying for the monthly high record mark. George has a fine herd of Holsteins and expects to soon produce 1,000 lbs. per day.—Northville Record. George R. Wildren of the U. S. department of agriculture, will spend next week in Wayne county putting out a campaign for the extinction of the barberry bush, which harbors the spores that form wheat rust. E. W. Yost, county school superintendent, will aid Mr. Wildren in spreading the coneal throughout the county, and the boys and girls will be asked to aid in the good work. Dr. Tom Henry has purchased the Yarnal Institute property on Main street, and wishes to correct an impression prevalent here that he will turn the property into a private hospital. The doctor says he intends to remodel this property for a dwelling house in more or less colonial style, and prospects are that it will be one of the finest residences in Northville.—Northville Record. Another real estate deal involving an outlay of \$10,000 was closed this week, whereby the building formerly occupied as a shop on the corner of Lahar and Grand River, has been purchased by the C. P. Smith Company of Detroit. It is the intention of the purchaser to pull down the hotel building and erect a modern up-to-date business block. The new building will be a two story building and will contain two stores on the ground floor.—Redford Record. Ann Arbor's great musical festival, which this year will take place on May 14, 15, 16, 17, is attracting unusual attention throughout the state, not alone because of the exceptionally fine programs which will be heard and the distinguished artists who will participate, but because of the patriotic significance of the occasion as well. Dr. Stanley has chosen to arrange the programs in such a manner as to make the entire event commemorative of the great victory won by our boys and as a tribute to all who have just passed. While the programs have been arranged from this point of view of real musical worth and interest, a list of artists such as has seldom before been assembled has been engaged for the occasion, consisting of such operatic stars as Rosa Ponselle, Anna Fietzu, Louis Homer, Fernando Carpi, Emilio deGogorza and deSeguroia, as well as distinguished concert singers who have attained a world-wide reputation. In addition to the vocal soloists, Ossip Gabrilowitch, the distinguished conductor of the Detroit Symphony orchestra, who is also a pianist of international reputation, will be heard in the Friday afternoon program, while Charles M. Courboin, the young Belgian organist, whose career has been so remarkable in this country as well as abroad, will contribute a program on the big organ at the Saturday afternoon concert. VICTORY LIBERTY LOAN

The Rate of Interest on
Victory Bonds
will be

4 3-4 Per Cent

Victory Bond Payments

Ten per cent must be paid with the application, ten per cent July 15, twenty per cent August 12, twenty per cent Sept. 9, twenty per cent October 7 and twenty per cent November 11. Payment in full can be made on May 20 if ten per cent required with the application has been paid on or before May 10.

Campaign Opens Monday, April 21st

During the war there were four Liberty Bond issues.

On April 21st, the campaign for the fifth or Victory Loan begins.

Plymouth went over the top on all of the four previous loans. We are going to finish the job, and go over the top on the fifth and last loan.

The proposition is perfectly simple. You know the bonds must be sold. You want the United States to maintain its place as the leading nation. You have made up your mind that you are going to subscribe as much as you can, and you know better than any other man how much that is.

The Plymouth Liberty Loan committee have organized their forces for the coming campaign, and will solicit every man and woman in Plymouth and the territory allotted to us outside of the village.

It's the business of every loyal American to have the bonds subscribed.

Yes!
YOUR
Victory
Bonds
will bring
the boys
back--and--
finish the
job

While actual warfare has ceased and we are not burning up ammunition and killing men and destroying property, we are still under heavy expense and this bond issue must be sold—we have to pay our war bills or stand discredited before the world.

So, let's do it cheerfully and get it out of the way—when the campaign opens—be ready to subscribe when the salesmen call upon you, or better still, volunteer your subscription at the Plymouth United Savings Bank.

There will be no exciting news from "over there" to spur us on, but we would certainly be ashamed to acknowledge that we wouldn't rather loan money to wind up the awful calamity than to furnish it for ammunition and guns to kill human beings.

Let's raise our quota in record time; let's make the county set up and take notice of us. We can do it—it's just a question of you and I doing our part and doing it quickly.

You will make it just as easy for your Local Organization as you can, won't you? You will assist them in this just cause, remembering that they derive no profit from their investment of time, money and vitality in this cause.

Get ready for the big drive. Make up your mind how much you will loan—make it as much as you can—remember it's just putting money in the bank on which you will draw interest.

Better to buy bonds and get your money back, than to pay taxes and get nothing in return.

BOSCHEE'S SYRUP

Why use ordinary cough remedies when Boschee's Syrup has been used so successfully for fifty-one years in all parts of the United States for coughs, bronchitis, colds settled in the throat, especially lung troubles? It gives the patient a good night's rest, free from coughing, with easy expectoration in the morning, gives nature a chance to soothe the inflamed parts, throw off the disease, helping the patient to regain his health. Made in America and sold for more than half a century.—Adv.

Beecher's Prophecy about Brooklyn. In 1858, in one of his sermons, Mr. Beecher is reported to have said: "It will not be many years before Brooklyn will contain as many inhabitants as the whole continent did at the time of the Revolution. I believe Brooklyn is destined to have a population of two or three million souls." Brooklyn now has 2,000,000 inhabitants, and it is leading the five boroughs in the number of registered voters.

Health Was Shattered

Mrs. Hayes Was Discouraged Until Doan's Made Her Well.

"I was in awful shape from kidney trouble," says Mrs. Frank Hayes, 42 Dover St., Boston, Mass. "When I got up out of a chair, I felt as though someone had stuck a knife into the small of my back and it fairly took my breath away. The kidney secretions passed often and only a little at a time. They were so scalding I would scream so I believe I could be heard a block away. They deposited brick-dust-like sediment and their odor was something awful. My complexion became sallow and I had large boils under my eyes. I was troubled with spells of gasping for breath and had such dizzy attacks I often fell right over. Spots floated before my eyes and I got so nervous I couldn't stand any noise. I cried over nothing at all, became irritable and imagined all sorts of things. My health was shattered and I became discouraged."

"I continued to grow worse in spite of any treatment and came pretty near dying several times. After several months of this horror, I heard about Doan's Kidney Pills. I used a dozen boxes of Doan's and was cured. I was entirely well and have enjoyed good health ever since."

NEW GERMAN ARMY FORMING NEAR RIGA

NEW ARMY COMPOSED OF VETERANS OF ORIGINAL FIRST LINE GERMAN TROOPS.

EX-KAISER TO BE EXTRADICTED

Bavarian Soviet Regime At Munich Have Linked With Anarchists At Moscow.

Paris.—The direct charge from various sources that a German army is forming in the vicinity of Riga, composed of veterans of original first line German troops, designed to place the Kaiser back in power, resulted in a direct declaration in French and British circles that the ex-Kaiser shortly will be extradited from Holland and placed on trial before an international court.

The Riga army, it is asserted, is commanded by a nephew of the late Von Der Goltz Pasha, reorganizer of the Turkish army, who died in Turkey during the war. It is said to contain an unusually large number of officers, including some of the most malignant junkers.

Peace mission officials here, while admitting the danger from this source was large, agree that it simply indicates a desire of the Germans to resume the monarchical status. The remedy, they add, is to compel forth with the actual trial of the ex-Kaiser and others responsible for the war.

The exact nature of the charges on which these men will be tried necessarily is kept absolutely secret.

Bavaria and Moscow Linked.

Berlin.—The Bavarian soviet regime at Munich has re-established complete diplomatic relations with the bolshevik government at Moscow.

Magdeburg, capital of Prussian Saxony, where serious disorders occurred again in its control of the German government forces, Gustav Noske, minister of defense, declared in an interview in the Tagelblatt.

After asserting that the authorities were prepared for all possibilities, Herr Noske reviewed the situation as follows:

"Magdeburg is completely in our hands. Motor boats armed with machine guns are patrolling the Elbe to protect vessels carrying relief foodstuffs. Conditions in Bavaria are such that if Premier Hoffmann holds out a short time we will be able to solidify opinion in favor of a legitimate government. If no other way is possible, Munich will be compelled by arms to return to order in the case of Bremen and Dusseldorf."

"We must hit with all our energy rather than to allow the country to be precipitated into an abyss. If blood is spilled it will be on the heads of the Communist maniacs."

COTTON ORGANIZATION FORMED

Planters and Bankers to Form \$100,000,000 Corporation in South.

Memphis, Tenn.—Organization of a cotton export corporation to be capitalized at \$100,000,000 as suggested by Governor W. P. G. Harding of the Federal Reserve board, was approved at the conference here of planter and bankers from practically all the cotton growing states. A committee was appointed to draft plans for the immediate formation of the corporation and it was instructed to notify Governor R. G. Pleasant, of Louisiana, chairman of the convention, when its work was completed so that he could call another conference to act on its program.

DEBS MUST SERVE 10 YEARS

Will Be Taken to Moundsville, W. Va., to Serve His Prison Term.

Washington.—A mandate for the immediate imprisonment for ten years of Eugene V. Debs, convicted for a violation of the espionage act, was issued by the supreme court of the United States at the request of the solicitor general.

The mandate was sent to the United States district attorney for northern Ohio and will be served on Debs by federal officers as it is received. Debs is to be sent to the penitentiary at Moundsville, W. Va., to serve his term.

The supreme court action followed the recent refusal to grant Debs a rehearing of his case.

New York.—President Wilson will be able to talk from 1,000 to 1,200 miles by wireless telephone when the steamship George Washington brings him home from France. The sending capacity of the wireless telephone equipment on the vessel has been improved so that its new radius is many times greater than when the president made his two voyages to Europe on the ship. The receiving capacity of the equipment also has been improved.

China Sends 10,000 Against Reds

Peking.—In controversy of the Russo-Chinese treaty which is now regarded as having lapsed, the government has sent 5,000 Chinese troops to Urgan and a similar number to Kichata and it is indicated that additional men may be sent later. The Russian legation has presented a note to the government protesting against the withdrawal of the troops.

Marvelous Story of Woman's Change from Weakness to Strength by Taking Druggist's Advice.

Peru, Ind.—"I suffered from a displacement with backache and dragging down pains so badly that at times I could not be on my feet and it did not seem as though I could stand it. I tried all the medicines without any benefit and several doctors told me nothing would do me any good. My druggist told me of Lydia E. Pinkham's Vegetable Compound. I took it with the result that I am now well and strong. I get up in the morning at four o'clock, do my housework, then go to a factory and work all day, come home and get supper and feel good. HOW CAN YOU TELL YOUR FAVORITE TOBACCO?

As Plain as the Nose on Your Face—Just Smell It

Smokers do not have to put tobacco in their pipes to find out if they like it. They can just rub the tobacco between the palms of their hands and smell it. The nose is an infallible guide to smoking enjoyment.

All smoking tobaccos employ some flavoring "to improve the flavour and burning qualities of the leaves", to quote the Encyclopaedia Britannica. Naturally, there is considerable difference in the kind of flavorings used, and the nose quickly detects this difference.

TUXEDO Tobacco uses the purest, most wholesome, and delicious of all flavorings—chocolate. And the almost universal liking for chocolate in a great measure explains the widespread popularity of TUXEDO Tobacco.

Carefully aged, old Burley tobacco, plus a dash of pure chocolate, gives TUXEDO Tobacco a pure fragrance your nose can quickly distinguish from any other tobacco. Try it and see.

SOCIETY THIEF IS CAUGHT IN TEXAS

"Gentleman Burglar" Is Sought by Police of Many Cities.

Dallas, Tex.—While the police from Maine to California are begging for him, J. C. Wilson, described as a "gentleman burglar," a man with a string of aliases, a grip of jewelry and a stack of love letters, is languishing behind the bars here. Wilson has been accused in Dallas as being one of the boldest daylight burglars and smoothest society thieves that ever operated in the Southwest. He was arrested while robbing one of the finest residences in the city of \$2,500 worth of jewelry.

In robbing residences Wilson invariably would select a time when owners were shopping or at parties.

Used a Skeleton Key. He would dash up to the house in his big touring car, walk boldly up to the front door and effect an entrance. If the doors were locked he used a skeleton key, and then took his time in sacking the place.

When Wilson's room was searched a suit case containing several thousand dollars' worth of jewels was found. Sweet-scented letters from society buds of Los Angeles, Cal., Chicago, Nashville, Tenn.; St. Louis, Mo., and numerous southern cities also were found. Several contained acceptance of proposals of marriage.

The Dallas police have sent out word to other cities where the "gentleman burglar" had been. But there are charges of a more serious nature being arranged. Department of Justice officials declare that they will confront Wilson with a half dozen white slavery charges.

WAS MEASURED FOR COFFIN

Maryland Man Got Well After That and Lived for Half a Century.

Cumberland, Md.—Page J. Smith, for years president of a local jewelry company, is dead at the age of eighty years. He was born in Montpelier, Vt., and came to Cumberland during the civil war. It was here that he met Miss Sarah Dorothy Ways, a girl whose volunteer duty it was to see to the care and feeding of the Union soldiers in hospitals at this point. Miss Ways afterward became Mrs. Smith.

It was also in the old church hospital here during the Civil war that he was measured for a coffin, to be buried the next morning. His illness at that time was of such a nature that for a time he was lying in a trance, and he was in this condition when an officer, making the rounds with the undertaker, had him measured for a coffin and ordered that he be taken out for burial next morning.

Mr. Smith, however, rallied from his illness, became quite well, and at the close of the war decided to make Cumberland his home, where he has lived for over fifty years after being measured for his coffin.

BENEFACTRESS IS HIS HEIR

Mexican Miner Left \$30,000 to Woman Who Loaned Him \$100 Many Years Ago.

Piedmont, W. Va.—Charles Montgomery, who died some time ago in Cananea, Mexico, after years spent in mining, left his entire estate to Florence Renshaw, now Mrs. Bowden, of Piedmont, W. Va., granddaughter of the woman with whom Montgomery "lozged" when a boy. The estate amounts to \$30,000 in cash.

Montgomery, it appears, after spending his youth in Piedmont, W. Va., went to Mexico and prospered. In 1885 he returned to the United States and attended the Chicago exposition. Losing his money, he returned to his old home in West Virginia, almost penniless. There he found his old friend dead, but from her granddaughter accepted a loan of \$100, money she had saved from teaching school. Ten years later Montgomery sent Mrs. Bowden \$500 in cash to repay the loan with interest, and now he has given his entire estate to the woman who once did him a kindness.

Went to Piedmont, Mich.—Missed West and Helen, however, thought it would be a good idea to steal him and find the same detective. They did, but she wasn't.

DEMAND THAT IS SUPREME GOOD IDEA TO AVOID SLANG

World Must Have Food, for Famine and Disorder Have Always Been Synonymous. Idioms, Soldiers Find, Have Not Always the Same Meaning and May Lead to Trouble.

About 1750 Benjamin Franklin observed in Poor Richard's Almanac that wherever there was famine there was disorder, and wherever there was disorder famine followed in its train. This has been the keynote of the present-world situation, Graham Lusk writes in the American Museum Journal.

Lack of hygiene and sanitation does not cause disorder. Soldiers have lived incruised in the mud of Flanders, but have maintained their morale when well nourished. The Russian is firmly convinced that the louse is necessary for health because this vermin leaves his body only in the event of his death. If cleanliness were as much desired by the people as food, then the streets of our cities would be kept in perfect order, and no dirt would be allowed to accumulate upon them. Instead, Tolstoy teaches that the desire for cleanliness is a cultivated extravagance and not an instinctive impulse. The call for food is, however, insistent and instinctive and must be satisfied or social discontent arises.

Starving in the Midst of Plenty

Acid-Stomach Steals Strength and Good Feelings From Millions

One of the worst features of acid-stomach is that very often it literally starves its victims in the midst of plenty. And the strange thing about it is that the people with acid-stomachs seldom know what their trouble really is.

No matter how good or wholesome the food may be, or how much they eat, they do not gain in strength. This is clearly explained by the fact that an acid-stomach cannot properly digest food. Instead of healthy, normal digestion, the excess acid causes the food to sour and ferment. Then when this mass of sour, fermented food, charged with excess acid, passes into the intestines, it becomes the breeding place for all kinds of germs and toxic poisons, which in turn are absorbed into the blood and in this way distributed throughout the entire body. And that is exactly why it is that so many thousands of people eat and eat and eat, and yet are literally starving in the midst of plenty. Their acid-stomachs make it absolutely impossible for them to get the full measure of nourishment out of their food. And it doesn't take long for this poor nourishment to show its effects in a weakened, discontented body.

You may say: "My stomach doesn't hurt me." That may be true because many victims of acid-stomach do not actually suffer stomach pain. Their acid-stomachs are so inflamed that they are unable to suffer any kind of pain and pain—headaches, nervousness, indigestion, heartburn, etc.—is the result. The heart and lungs are also affected. You may say: "I feel fine."

acid-stomach is the real cause of the trouble. Naturally, the sensible thing to do is to strike right at the very cause of this trouble and clean the excess acid out of the stomach. There is a quick, easy way to do this. A wonderful new remedy quickly removes the excess acid without the slightest discomfort. It is EATONIC. Made in the form of tablets—they are good to eat—just like a bit of candy. They literally absorb the injurious excess acid and carry it away through the intestines. They also drive the blast out of the body—in fact you can fairly feel it work. Make a test of EATONIC in your own case today. Get a big box of EATONIC from your druggist. See for yourself how surely it brings quick relief in those painful attacks of indigestion, bitter-breath, belching, disgusting food repelling, that awful bloated, lumpy feeling after eating and other stomach miseries. Banish all your stomach troubles so completely that you forget you have a stomach. Then you can eat what you like and digest your food in comfort without fear of distressing after effects.

If EATONIC does not relieve you, it will not cost you one penny. You can return it to your druggist and get your money back. So if you have the slightest question about your health—if you feel you are not getting all the strength out of your food—if you are not feeling tip-top, ready for your work, full of vim and vigor—do give EATONIC a fair trial this very day.

AN INTERESTING LETTER

LAKELAND, FLORIDA, AS A NORTHERN LADY SEES IT.

Lakeland with its well kept and wide streets; its numerous lakes, seven in number, its wonderful mossy oaks and such wonderful orange groves, all of which are attractive, but above all the climate is ideal. Coming from Michigan, where zero and below zero weather is common in winter, makes this delightful change agreeable to me. I feel that I must express my delight at being able to enjoy the change. One who is fortunate enough to own a car, so as to get about, for there are one hundred and fifty miles of splendid asphalt roads and beautiful drives, and with summer and spring weather most of the time, makes one forget that it is winter. If in poor health, one soon gets strong and well for there are no winter blasts to chill you through. This has been my experience. Still with all these comforts,

I own that I am homesick to see the faces of old friends and dear ones.

The houses here are built in good style, the yards being full of flowers and choice shrubbery. Rose bushes, massive in size, at this time loaded with lovely roses; oleanders, as high as the eaves of the houses, bright with blossoms; orange trees in every yard, and groves so numerous, and just now full of blossoms so fragrant. People living here do not appreciate these always present wonders, as we who have not seen them before. Orange season is over for a time, but trees full of bloom and small fruit of all sizes. Rooming houses abound, as everyone here rents their rooms, and most of them with kitchenettes for light housekeeping. I think most of the tourists like this way best, as it is more home-like and cheaper. One sees vegetable and flower gardens everywhere, and can have fresh vegetables all winter. I have been eating strawberries, when I could get them right along, as my friends generally remember me. Many people here keep hens, making eggs comparatively cheap, forty cents a dozen. Many also keep cows so milk is not high. I have not seen any stove coal this winter. There are cold days and at times must have fires in fire-places. There are no heating stoves. For fuel I think almost everyone burns wood made from Georgia pine, and it is fine, as it burns so readily, being full of pine tar it heats quickly and lasts well. Rents are quite high, I think, but in all resort towns this is the cry of the tourist, but this is a business and a well kept house means hard work. If every house is as well kept and the lady who keeps it as kind and considerate to their guests as my landlady is to hers, I am sure no one would have reason to complain. One can sit on the porch almost any day dressed in summer clothing with few exceptions, all winter. Take it all together, it has been a delightful season for me. I was very sick when I came here, having to travel with a nurse, but in three weeks had gained rapidly, and at this time am well and quite strong again. I will soon be with my friends in my home town and want to see you all.

MRS. REUBEN BARNES,
From Plymouth, Mich.,

Today's Reflections

If the average Plymouth man could live his life over again, he would probably be a bigger fool than ever.

If the peace conference doesn't hurry and get through its work you'll have to call your patch of radishes and onions an armistice garden instead of a "victory garden" as Uncle Sam suggests.

There are some foolish, trusting Plymouth men who can read over a recipe for mince pie and then imagine they know what it is made of.

We've often thought what a pity it is that a man can't dispose of his experience for as much as it cost him.

Another indispensable duty that usually falls to a man is to have to clean every one else's kitchen that comes up around the house.

Breathes there a Plymouth woman with soul so dead who can resist reading an article headed, "How to Be Beautiful?"

It is announced that food prices will drop. And we know a lot of people who'd be willing to stand under and be bruised by the fall.

When a Plymouth woman's husband is the subject of conversation, she isn't in position to say exactly what she thinks.

Prohibition is going to have at least one pleasant feature—we won't have to listen to so many fool men who think they can sing.

Most Plymouth men are very cheerful givers only when it comes to handing out advice.

When we entered the war people tried to nickname our soldiers "Sammys" and "Buddies," and they resented it. But now people call them "doughboys" and they smile all over their faces.

Solomon is dead, but there are still a lot of men who imagine they can fool more than one woman at a time.

The rapid rate at which hogs have gone up in recent years should encourage the Plymouth man who thinks he is as high as he can go.

With a national ice famine and soaring prices in prospect it begins to look as though the coming summer is going to be hot enough to suit anybody.

We've never been able to find the Plymouth man whose wife is as proud of him as his mother was the time he wore his first short dress.

MONEY VOTED AT TOWN MEETING

At the recent town meeting the following money was ordered raised by taxation for the coming year:
Contingent Fund \$1500.00
Highway Fund 3500.00
Total \$5000.00
The township board made a recommendation for \$2,500 for the contingent fund, but the amount asked for was cut down to \$1,500. There is over \$3,000 in the township strong box, which is the largest sum that the treasury has ever previously contained at this time of the year.

Do You Sleep Well?

To be at his best a man must have sound, refreshing sleep. When wakeful and restless at night he is in no condition for work or business during the day. Wakefulness is often caused by indigestion and constipation, and is quickly relieved by Chamberlain's Tablets. Try a dose of these tablets and see how much better you feel with a clear head and good digestion.—Adv.

Moline Monitor Grain Drills

I have taken the agency for the famous Moline Monitor Drills, and would be pleased to have you call and see them before buying a drill.

Moline Grain Drills are built to stand many years of hard service. This means they are thoroughly constructed in every detail. Many machines will do good work for the first season or two, but few will maintain a high standard of work year after year.

A grain drill, of all machines, must do good work—too much is at stake to trust to an unreliable machine. Thus the construction of a grain drill is of the utmost importance. In this respect unusual care has been taken to make the Moline-Monitor Drills all that can be desired, as steel is used almost entirely throughout. In addition to the extra strength which steel gives, less weight is required, and in case of an emergency steel can be easily repaired by the local blacksmith instead of waiting for repairs which breakage of a cast part would occasion.
