A SEASON TICKET TO MERTOPOLITAN OPERA OFFERS YOU NO MORE THAN

The NEW EDISON

Since Thomas A. Edison perfected this instrument, Grand Opera itself has been able to offer you no more than the New Edison. If the two million people who have attended Edison tone tests have been utterly unable to distinguish the artist's living voice from the instrument's RECREATION it is clear that no difference exists isn't it? And if there is no difference between the artist's rendition and the instrument's, then obviously the artist can give you no more than

Vulcanizing Is Our Specialty

If you have any kind of a tire fracture, bring it in and if it is not worth repairing we will frankly tell you so, for we want you to get the money out of your tire that you put into it. If we repaired a tire that did not give you service and satisfaction, we have done an injustice to our trade. Other tire repair men will tell you that they guarantee their work. We don't only guarantee our work, but the whole tire must give you service—not only the part that we repaired.

Don't forget that other parts of your car want the best—VEEDAL OIL is the best oil for your car and tractor.

UNITED STATES TIRES are good tires. They are guaranteed. We do all the adjusting for you.

WAYNE COUNTY MILK CAMPAIGN BEGINS FEB. 23

"Milk for every child in Wayne county, a quart a day, if possible, a pint at the least," is the slogan of the Wayne County Milk Campaign, says Miss Mabel E. Logan, county demonstration agent. This campaign, under the direction of the Wayne County Farm Bureau, the Michigan Agricultural College and the United States government, will begin February 23rd and continue to March 31st.

During the campaign meetings will be held in several communities. Miss Coral Havens, food specialist from Michigan Agricultural college, will tell of "The stuff that Sturdy Children are Made of." Miss I. C. Johanson, the county school nurse, and the home demonstration agent will also speak. The schedule of meetings, and the ladies who have them in charge are as follows:

- Feb. 23—Flat Rock, 7:30 p. m., Mrs. August Bunte.
- Feb. 26—Bedford, 2:30 p. m., Mrs. Roy D. Tupper.
- Feb. 28—Beech, 7:30 p. m., Mrs. James G. Kinnear.
- Feb. 28—Wayne, 7:30 p. m., Miss Myrtle Buid.
- Feb. 29—Romulus, 7:30 p. m., Mrs. Anna Bird.
- Feb. 27—Northville, 2:30 p. m., Mrs. Leroy Stewart.
- Feb. 27—Sheldon, 7:30 p. m., Mrs. Hazel Schaal, Belleville.
- March 1—Dearborn, 2:30 p. m., Miss Clara Snow.
- March 1—Belleville, 7:30 p. m., Miss Genevieve Clark.
- March 2—East Nankin, 7:30 p. m., Mrs. Joseph McGarvey.
- March 3—Plymouth, 2:30 p. m., Mrs. Louis Hillmer.
- March 4—Cherry Hill, 7:30 p. m., Mrs. Carl Lewis.
- March 4—Grosse Pointe—2:30 p. m., Mrs. Ed. Verbragge, Mack and St. Clair, Grosse Pointe.
- March 5—Hittman School, Ecorse, District No. 2, 2:30 p. m., Mrs. Ella Eckenberger, Wyandotte, Route 2.

FORMER RESIDENT DIES AT PONTIAC

Rock Bronson, aged 44 years, passed away at his home in Pontiac, Friday, February 18th, after a week's illness of pneumonia. The deceased is survived by his wife and two children, one son and a daughter, Harold and Ethel. The funeral services were held from his late residence Monday afternoon, and on account of the severe weather the remains were placed in a vault in Pontiac cemetery, and later they will be brought to Plymouth for burial. Mr. Bronson was a resident of Plymouth and vicinity for several years and at one time was well known here. He was a member of Plymouth Rock Lodge, No. 47, F. & A. M. Plymouth friends extend sympathy to the bereaved family.

DEATH OF AN INFANT

The infant son of Mr. and Mrs. Maud G. Frank died last Friday evening, after a few days' illness. Donald Lavorn Frank was born October 28, 1919. The funeral services were held Sunday afternoon at four o'clock from the home, Rev. Charles Brown officiating. Mrs. Frank is a devoted mother and her loss is a severe one. Her family has the sympathy of the community in their sorrow.

Mr. and Mrs. J. E. Fitzgerald visited the city last Friday. Mrs. Fitzgerald is a very capable and intelligent woman, and has been a resident of this city for two weeks. She is the daughter of Mr. and Mrs. L. E. Smith of the city and was a member of the church here. She is a member of the church here and was a member of the church here.

FARM BUREAU MEMBERSHIP DRIVE

BIG DRIVE FOR MEMBERS WILL START IN WAYNE COUNTY, MONDAY, FEBRUARY 23.

The membership campaign of the Wayne County Farm Bureau, about which there has been talk at every rural meeting for the past six months, will be started on Monday morning, February 23rd, regardless of weather conditions and continue for a period of ten days, during which time every nook and corner of the agricultural sections of Wayne county will be visited. Twenty solicitors, every one a real live Michigan farmer, representing the State Farm Bureau, will do the canvassing, working in two crews. One will make headquarters at Belleville, and it will be in charge of County Agent O. L. Gregg; the other will stay at Plymouth, and operate under the directions of Samuel Spicer, president of the Wayne County Farm Bureau. Two hundred volunteer drivers and guides have been mustered in the various townships, each in charge of a local chairman, and they will see that each solicitor can upon all the farmers in a specified territory.

The farmers in Michigan and also thirty odd other states in the union have united in this movement, asking for a three year's pledge of support. The membership fee is \$10 per annum, of which one-half remains in the hands of the local organization to carry on its work, the balance going to the state and national bodies. In seventeen counties, where these campaigns have already been conducted a total of 25,000 farmers have joined in this progressive movement, and it is believed that the total will be at least 100,000 before the end of the present year.

The State Farm Bureau has already established a purchasing department to buy supplies for its members through county organizations in car lots. As a starter a specialty will be made of fertilizers, seeds, dairy feeds, thereby making a direct saving; it also contemplates going into the matter of marketing farm produce, building storage houses and elevators where conditions warrant.

The Wayne County Farm Bureau under whose guidance a lot of good work has been done during the past three years, has been greatly handicapped for want of sufficient finances to carry out certain important projects. When this campaign is over it will be possible to make out an advance program along progressive lines. The present staff of the Farm Bureau consists of O. L. Gregg, county agent; G. O. Stewart, boys and girls' club leader; Miss Marion Rogers, home demonstration agent; Miss Dosey, stenographer. The Dearborn office is kept open at all times, and here the executive officers, made up of active farmers from various sections of the county, meet monthly to supervise and guide the work.

The following are some of the township chairmen, with their crew of drivers, who have volunteered their services for this campaign; all men of such standing that the soundness of the proposition is placed beyond dispute:

- Bureau township—John C. Near, chairman; drivers, Albert Drouillard, George Blomfield, John Chamberlain, Walter Peterson, August M. Swartz, William Fisher, Henry Otter, William Sparrow, John Herrman, Peter Otter, Ernest Gumpow, Emil Gumpow.
- Plymouth township—A. M. Eckles, chairman; drivers, O. H. Loomis, Walter Postiff, James Gates, John Root, Homer H. Dewell, Lloyd Williams.
- Venburn township—Stephen Pearl, chairman.
- Nankin township—Willis Harrison, chairman.
- Livonia township—Dan McKinney, chairman.
- Bedford township—Sylvester Shear, chairman.
- Greenfield township—William Bristow, chairman.
- Rayle township—John Galloway, chairman.
- Manitoulin township—Raymond Bates, chairman.
- Darlington township—Charles Eckles, chairman.
- Score township—John Sherman, chairman.
- Sharon township—Paul Schaefer, chairman.
- Northville township—John C. Near, chairman.
- Wayne township—John C. Near, chairman.

Brownstown township—George Van Riper, chairman; drivers, A. L. Bunte, William Bristow, Carson Metter, Fred Olmsted, Fred Ernest, Otto Petrocki, Edward Ruthieski, William Oestreke, Arthur Boelter, Charles Uplegar, Henry Bunte.

Sumpter township—W. N. Kittle, chairman; drivers, James McKinney, Herbert Roberts, Clifton Simons, William Hennels, August Elwart, August Hulbert, Frank Merrill, August Sweitzer, Alex Sobolowski, Alex Kiatkowski, G. I. Miller, Kewpinky.

LITERARY CLUB HEAR INTERESTING TALK

A special meeting of the Women's Literary Club was held in the kindergarten room at the school building, last Friday afternoon, February 18th. The meeting was called to order promptly at three o'clock. The opening number was an instrumental selection by Miss Gladys Schrader at the piano. Charles Goppel, violin, and Philip Millard, trombone. The hearty applause was responded to by an encore. The president, Mrs. C. T. Bennett then invited Supt. George A. Smith to speak to the ladies on the Monroe Doctrine. Mr. Smith gave an interesting talk and explained in a clear and concise way the origin and object of this much discussed principle. At the conclusion of his address a rising vote of thanks was extended him by the members of the club. The club adjourned to meet on week, this (Friday) afternoon at the regular hour at the school building.

Something to Know About Plumbing

Here is a way in which you can save money. When a leak develops in your home, or a faucet needs repairing, try to find out, before you call us, the exact nature of the work to be done.

The sizes and shapes of piping, joints and elbows vary in each home. It is hard to tell, from the brief information gained in a hurried phone call, just what the nature of the trouble is.

Sometimes we are able to make the necessary repairs without having to procure special parts. Generally, however, we have to send back to

our store for fittings, which we would have brought with us had we known the exact nature of the work to be done.

One unacquainted with the plumbing business cannot always explain just what is needed. But the more complete the information which you give us before we call, the better prepared we shall be, to make the necessary repair. This will save not only our time, but your money.

Customers find our repair work neat, satisfactory and our prices fair.

Call on us when anything goes wrong.

Miss Mand Gracen and Clyde Whittaker went to Pontiac, Monday, to attend the funeral of their uncle, Rock Bronson.

Miss Helen Hubbell and Charles Davis of Pontiac, were guests at the home of Mr. and Mrs. George Richwine, last Sunday.

Mrs. Albert Gates left Saturday for Denver, Colorado, where she was called on account of the serious illness of her father, Ambrose Roe.

F. D. Schrader attended a meeting of the Michigan Retail Furniture Dealers' Association held at the Hotel Statler, Detroit, Wednesday.

A regular meeting of the Girls' Community Club will be held in the kindergarten room at the school building, next Monday evening, February 23rd. All members are requested to attend.

Plymouth friends will be pleased to hear that Owen Raymo, who has been seriously ill at his home in Wayne, is now rapidly improving. Mr. Raymo was on the Draft Board, and is well known to many Plymouth people.

Mrs. E. E. Russell, who has been staying with her daughter, Mrs. Cecile Hamilton, for the past ten days, returned to her home at Jackson, Thursday. Mrs. Hamilton, who has been seriously ill, is now rapidly convalescing.

Mrs. Robert Chappel, son Charles, and the Misses Anna Baker, Irene Rattenbury and Katherine Learned, and Douglas Carruthers attended the joint recital given by the world famous musicians, Eugene Yease and Mischa Elman, at the Aradia, Detroit, Tuesday evening February 17th.

About fifty Plymouth relatives and friends gave Mr. and Mrs. Charles Livrance a pleasant surprise at their home in Livonia, last Friday evening, the occasion being their thirtieth wedding anniversary. The guests took with them many refreshments, and after a social evening of cards, supper was served. Mr. and Mrs. Livrance received several nice gifts in remembrance of the occasion.

The annual meeting of the Missionary society of the Presbyterian church was held at the home of Mrs. John Patterson on Panamanian avenue, Wednesday afternoon, Feb. 18th. The following officers were elected for the ensuing year: President, Mrs. Oliver Loomis; vice president, Mrs. A. A. Taff; secretary, Mrs. George Grammer; treasurer, Mrs. William Freeman; secretary of literature, Mrs. Mary Chaffee. After the business meeting a musical and literary program was enjoyed and later in the afternoon a ten-cent tea was served.

The fourth number on the Citizens' Entertainment Course was given in the Panamanian Aler Theatre, last Wednesday evening, when the Misses Rita Rich and Laura Werno gave a pleasing entertainment, consisting of songs, stories and impersonations. These two splendid entertainers appeared on our Chautauque course two years ago, and Plymouth friends were glad to hear them again. Although several of their numbers were repeated, the entertainment, as a whole, was better than the one given at that time. The next number on the course will be given Wednesday evening, March 17, when Mr. Beauchamp will speak.

THE INCOME TAX

The U. S. Internal Revenue office furnishes the following information regarding the payment of the income tax:

If your net income equals or exceeds \$1,000.00 and you are single, regardless of your exemption, you are liable for an income tax return.

If your net income equals or exceeds \$2,000.00 and you are married, regardless of your exemption, you are liable for an income tax return.

Net incomes represent all that you receive less proper deduction allowed by law, before you take your exemption. Your exemption does not determine your net income.

Fill out your own income tax returns and have it sworn before a notary public or a United States officer, then mail your blank and check in payment of tax shown to be due, to the Collector of Internal Revenue, Detroit, Mich.

If you do not understand the proper deduction or if you have not received a blank, consult your banker or the collector, John A. Grogan, at Detroit, for information.

Remember, March 15th is the last day for filing and you make yourself liable to \$1,000.00 fine if you have not filed on time.

Mail or bring your tax statement early to avoid the rush. Last year there were about 20,000 persons a day passing through our office so you can readily see what you will save by complying with this notice.

W. C. T. U.

The Plymouth W. C. T. U. will give one of its popular ten-cent teas at the home of Mrs. Nelson Cole on West Ann Arbor street, February 26th, at two o'clock. The public is cordially invited. Please bring plate, cup, ork and spoon. Every member is urgently requested to be present at this meeting, as we expect to have with us Rev. Etta Sadler Shaw, national and state organizer. Mrs. Shaw will also deliver addresses on the evenings of February 23-26, at the M. E. church. Let all help to advertise these meetings, that a large audience may be secured to listen to this gifted speaker. The first district was able to engage Mrs. Shaw for only a brief period, and Plymouth has been especially favored in securing the above dates.

Buick Five-Passenger Touring Car

THE BUICK Model K-Six-45 is a very capable open car for five persons, designed to cover the multitude of uses to which such a car is put. It differs from the big seven-passenger model only in tonneau and chassis length, possessing the same degree of ruggedness, easy-flowing power and mechanical excellence.

The tonneau is even more liberally proportioned. The seat is full three-passenger capacity, set at a comfortable angle. The sides are upholstered clear to the doors with the same French pleated leather used on the cushions and seat backs. Each of the four doors is equipped with a side pocket for storing small parcels. The instrument board is illuminated by a dash-lamp. Top and side curtains are made of high grade fabric, the curtains swinging open with the doors. Behind the front seat is a very convenient pocket for storing the side curtains when not in use.

BASKET BALL

The Plymouth girls were very successful in their basket ball game, Friday night, when they met the Belleville team here. Our line-up was the same as at Trenton, the previous Friday night. The only points made by Belleville were during the first quarter, which were made by fouls on our team, except one field goal made by Shotka. Although three of our team made several fouls, no substitutions were made. All of the points of our score were made by field baskets of which fourteen were made by Doris Proctor and twenty by Sarah Wilson. The score ended 68 to 5 in our favor, instead of 62 to 5 as announced.

When the whistle blew for the end of the boys' basket ball game with Belleville, last Friday night, the score stood 33 to 8 in favor of Plymouth. The first quarter looked quite different, however, and the score of 6 to 0 for the visitors at the end of the first ten minutes showed what effect over-confidence may have. In the second quarter the home team showed the growth of a bright defense really is. Belleville did not score again until the last quarter, and then only once. In spite of that, the Belleville boys playing their first interscholastic game, deserved much credit. They were faster, more accurate passers, and had more natural ability than the home team, but Plymouth's superior knowledge of the game and well organized offense was their undoing. Hubbard, at center, was their best man, making all four baskets. It would be hard to pick a single star of Plymouth's team. Waller out-jumped his man at center and threw a strong defensive man after the first quarter. Wilcox and Harris showed up well on defense and passing. Roe was in form again in basket shooting, getting 8 points in the last twelve minutes he played, and his floor work was excellent. Birch was the weak man of the defense, but managed to annex 12 of the 14 points in the first half. Miller substituted for guard the last quarter, Wilcox taking Roe's place at forward. Baskets: Roe, 4; Birch, 10; Wilcox, 2. Free throws: Harris, 1. Referee, Millard. Umpire, Shadford.

The basket ball teams play at Belleville, next Friday night. The next home game will be with Dearborn, February 27.

The Junior Chorus, consisting of 35 voices, is working on a three-part chorus. The Glee Club is also working on a three part soprano obligato.

Thelma Peck and Wilbert Pelt are two new members of the High school orchestra, which now contains eleven members.

O. G. Stewart, Wayne County Boys' and Girls' Club leader, has organized a rabbit club, consisting of eleven members. The following have enrolled: Alton Trumbull, president; Herbert Miller, vice president; John Oldenbag, secretary; Theodore Rheinert, treasurer; Lawrence White, Olmoust Williams, Nelson Bakewell, Jack Taylor, Donald Wegenschutz, Carl Wegenschutz, Raymond Fisher.

The junior high school history classes in the 7th and 8th grade have purchased a fine wool 8x5 flag for class room use. It was available for decoration on the Lincoln programs given by members in the history classes.

Wednesday of this week the class in horticulture made a trip to the William Sutherland greenhouse.

TELLS OF HIS WESTERN TRIP

F. W. HAMILL LATELY RETURNED FROM THE WEST WRITES AN INTERESTING LETTER FOR THE MAIL.

The twenty-five mile bay and ocean cruise in San Diego harbor is full of historic and scenic attractions. It combines many trips in one excursion on its cruise about the bay to see at close range San Diego's historic and scenic spots, U. S. government projects and industrial activities. It is conducted by a well informed guide, who shoots traditions and facts and figures at you like a getting run.

First we pass Gunboat Row, a fleet of 60 destroyers and other large mine layers, supply ships and warships of every class. Next come the industrial districts and canneries. Then a giant log raft, containing 4,500 feet of lumber, 600 feet long, requiring 250 tons of chain to bind them together. They are shaped like a cigar, and come from Oregon. Out of fifty towed down, only two have gone to pieces in the ocean. These two were a total loss. One of these rafts will run an ordinary mill for six months. We passed U. S. concrete shipyards, where concrete ships are being built; Silver Strand, Coronado Tent City and Coronado; North Island, home of U. S. aviation; Roseville; LaPlaza, mentioned in Dana's "Two Years Before the Mast"; naval coaling station and quarantine station; Port Rosencrans, where a 30-minute visit is made, the home of the southwest coast defenses and fortifications. We saw several disappearing large calibre cannon, but visitors are not allowed a close up view. The bell buoy at the entrance of the harbor is the next thing to perpetual motion. A large bell mounted on a floating raft with large clappers hanging from the frame on the outside and on all four sides so that with the continual tipping of the raft by the waves one of the clappers is sure to pound the bell, making a continuous warning of approach to the harbor. Near by is Point Lomas' old lighthouse, the first established on the Pacific and abandoned for the new lighthouse. The light shines for a stated number of seconds, then disappears. The mariner can tell what light it is by timing the flash. Point Loma is four to five hundred feet high and called the Plymouth Rock of the Pacific coast.

Although the waves were some four feet high, daring army and navy aviators would light out the water with their seaplanes, skim along ways and ascend as gracefully as a swan. We watched the antics of the giant porpoise fish, some of them fifteen feet long. They seemed to be playing leap-frog, some of them jumping full length out of the water and making a graceful dive. There were the U. S. wireless towers six hundred feet high, whose operators can talk across the Pacific ocean. The rocks and breakwater were covered with several kinds of sea birds, some of them as large as geese. The U. S. is spending over a million in a new marine base in San Diego harbor, but will shortly remove the aerial station, as two branches of the service do not harmonize so close together. Altogether we found this trip invigorating, educational and highly entertaining.

Before San Diego went dry the middle of January over one million dollars worth of booze was shipped to a town just across the border in Mexico, only thirteen miles distant. It used to be hard to get passports, and new arrangements permit card passports no attention. For ten days the road to the border is about as safe for driving as our Toledo to Detroit highway used to be. One bus full of people turned turtle, killing four while we were there.

San Diego is a city of 100,000 population. Fifty years ago the land was bought by Father Horton for twenty-five cents an acre. There is a lot of land not many miles distant that I wouldn't give twenty-five cents an acre for today, except for the climate. The climate is unrivaled by that found on the shores of the Mediterranean. Four times in the history of the city has the temperature touched 32 degrees and rarely exceeds 90 in summer. They claim 360 days of sunshine a year. However many days are damp and foggy until nine or ten o'clock.

San Diego has a world-famous street clock—a monster 21 feet high from the curb, cost \$3,000 and took fifteen months to complete. Tells the time of all nations. The works are visible through plate glass, and the type known as gravity escapement; is self-winding and requires no attention. If any one should go wrong an alarm rings in the tower store. "Some philosopher has said that an oyster is as complicated as a watch, "well, at any rate, both run down easily." The above would not apply to this famous clock.

In Balboa Park, San Diego, is the only outdoor pipe organ in the world. In 1915, the Spreckels Bros. made the city a gift of this magnificent instrument together with the building in which it stands. In addition to the original gift of the organ and organ, John D. Spreckels has paid the salary of the organist up to the present time, together with the salary of the resident organ tuner, whose services are needed every day in order that the instrument may be kept in proper condition. Free, daily, out-of-door organ recitals for five years are unique in the history of American music. The organ was originally built for the world's fair, December 1, 1914. We had the pleasure of hearing a recital two afternoons—all works of the masters, such as Bach, Handel, Beethoven, Mozart, Schubert and Wagner. January 17th and 19th, we sat in the open seats in the park and enjoyed this music.

Dollars and Cents

Counting in dollars and cents, how many did that last cold cost you?—A man may not always stop work when he has a cold, but perhaps it would be better if he did. It takes about ten days to get completely rid of a cold under the usual treatment. That time can be much shortened by taking Chamberlain's Cough Remedy and preparing a jar of Vaseline. A bottle of this remedy in the home is a mighty good investment during the winter and spring months. Adv.

RESOLUTIONS

To Mrs. Charles Lundy and family from Tongish Lodge, No. 32:

As it has pleased God in His wisdom to remove from our midst our worthy brother and friend, Charles Lundy, be it

Resolved, That we, as a Lodge of Odd Fellows, tender our heartfelt sympathy to the bereaved family in this their hour of affliction. We feel that in the loss of our brother we have lost a friend, indeed. He was an active, hard-working member of our Order, filling the important position to which he was selected with fidelity and satisfaction to the brotherhood. His devotion to Odd Fellowship was attested by an exhibition of zeal commencing with the date of his initiation, and continuing unabated until his death. His record in that of a devoted Odd Fellow, a firm friend and an ardent advocate of the principles of friendship, love and truth. In his death this order has lost one of its most honored and worthy members and his memory will long live in the hearts of his brethren.

An honored one from us has gone. A voice no longer is filled.

A place is vacant in our Lodge, which cannot be filled.

Be it also further

Resolved, That a copy of these resolutions be placed on the records of our Lodge, and one sent to the family and also published in the Plymouth Mail.

Signed in behalf of the Lodge.

FRANK S. RAY,
FRED WAGENSCHUTZ,
H. A. GOTTSCHALK,
Committee.

STATE NEWS

Baginaw—It has been announced that the General Motors intend to spend an additional \$4,500,000 in the extension of the present Baginaw plants.

Republic—The first fatal accident in five years at the Republic iron mines resulted in the death of Frank Johnson, who was caught under a fall of 500 pounds of rock.

Iron Mountain—Frank Foreck, 32, was killed while at work in the woods at the Von Platen Lumber company's camp at McGovern, when a tree fell and broke his back.

Manistee—On their third petition for a 15 per cent increase in salaries Manistee firemen were granted the raise. Policemen were also allowed a 15 per cent raise.

Howell—Mrs. Edward Papworth, 43, died of pneumonia. Mrs. Papworth's mother, Mrs. C. Abramson, while hastening to her daughter's bedside, fell on the ice and broke her hip.

Scottville—After fighting a score of years to secure a bonus and pension money due him and establishing his claim but three weeks ago, Moses Parker, 74, Civil war veteran, died.

Marquette—The new municipal hydro-electric plant, which has been under construction here for several months, has been practically completed at a cost of approximately \$175,000.

Manistee—Two new Manistee industries have just commenced operations. They are the Manistee Tanning company, capitalised at \$100,000, and the Manistee Drop Forge company, a \$200,000 concern.

Lansing—Wayne county will name 165 of the 1,346 delegates to be seated at the Republican state convention in Kalamazoo, May 5, on the basis of the apportionment fixed by executive officers of the state's central committee.

Algonac—Alexander Lloyd Williams, 38, died at the home of his sister, Mrs. Timothy Poquette, St. Clair Flats, of tuberculosis resulting from being gassed overseas. He served with the Canadian Expeditionary forces.

Manistee—George Pardee, many years a Great Lakes sailor and who walked across the ice a few weeks ago to reach shore from the imprisoned boat, Sidney O. Neff, caught off Chicago, died here as a result of exposure.

Tawas City—Isaac county's industry was destroyed by fire with an estimated loss of \$10,000, partly covered by insurance. Twelve inmates in the home when the fire broke out, escaped without mishap. The fire started from sparks from a defective chimney.

Port Huron—Paul Hewitt, 17, is dead of injuries received when he was caught between a landing and an elevator cage at the plant of the Morton Salt company. He reached into the elevator, as it was descending, to take off the cap of the elevator operator in the spirit of fun.

Marlette—When Ernest Pelton, 30, failed to return home his wife called upon neighbors to search for him. His body was found buried beneath several tons of straw several hours later. It is believed that when Pelton went to the stack to get some straw it collapsed, burying him alive.

Detroit—A single pistol bullet fatally wounded Louis Racz, 50 years old, 28 Burdison street, and seriously wounded his wife, Sophia, when Racz is alleged to have attempted suicide. Both were in bed at the time. The bullet passed through the breast of Racz and struck his wife, also in the breast.

Grand Rapids—In an address before the Rotary club, John C. Ketchum, master of the state grants, said the farmers do not ask for an eight-hour day, but assert that they are entitled to the same pay for their work as factory workers in the city receive and that the prices should cover costs and a fair profit.

Kalamazoo—Mrs. A. R. Maginnis heard a mewing that sounded strange to her, and she thought it was the pet cat and opened the door to let it in. Before she recovered from her surprise, one burglar grabbed her to prevent her from screaming, while the other ransacked the house. The robbers escaped with only \$10 in currency.

Marlette—Throwing a cupful of kerosene on an open fire in the belief that the cup contained water, Mrs. Ella Duff, a Marlette pioneer resident, received burns which resulted fatally. Neighbors came to her aid when they saw the aged woman rolling in the deep snow in front of her home in an effort to extinguish the flames which enveloped her.

East Lansing—Plans of maple syrup producers of Michigan toward a central casing and blending plant and a state marketing association, unincorporated at the station of the Maple Syrup Makers' Association here. By standardizing the product it is believed large sums will be saved annually to syrup producers. The annual output at present is 200,000 gallons.

Lansing—Michigan's road program for this year includes construction of 1,250 miles of improved highways. Frank F. Rogers, state highway commissioner, announced at the annual meeting of the State Association of Super-Highways. Contractors have already been let for building 347 miles of trunk line highway at a cost of \$4,000,000. Some bids will be sought for construction of 350 miles of hard-surface roads, mostly concrete and brick; 355 miles of macadam, and 300 miles of gravel. Contracts for 250 miles of Federal aid roads had been let.

NOTICE
The undersigned has the pleasure of announcing that he has been appointed by the State of Michigan as the official appraiser of the property of the State of Michigan, and will hold office until the 1st day of January, 1921. He will be available for business at his office, 1000 Michigan Building, Detroit, Michigan, on all days except Sundays and holidays.

NEW WORLD PROGRAM DEVISED BY CHURCHES

By S. EARL TAYLOR.

DR. S. EARL TAYLOR, General Secretary Interchurch World Movement.

If Christ, on the day He was born, had started on a tour to preach in every village in India, He would still have 30,000 more to visit.

We now believe we have found a way by which the leaders of the Protestant churches can sit around a common table and have the Christian program of the entire world laid before them. By means of the Interchurch World Movement we can see where the Methodists are, and where the Baptists are. We can see the general outline of their forces, their present status in this great world struggle, and may also have some idea of the unoccupied places, and what may be done by all of us to enter these unoccupied parts of the world which Christ sent us to occupy.

CHURCHES TO AID LONELY SHEEP SHEARERS OF WEST

The bleat of the sheep on the backbone of the continent calls men to the mountains. On high uplands on the Canadian border to Mexico, in lonely and inaccessible places, one of the most romantic examples of the country's migrant worker—the sheep shearer—piles his trade.

Unheard of though he is to thousands of his fellow workers, it was for him that the immigration regulations of three countries—Canada, the United States and Mexico—were modified during the war. This permitted freedom of movement to many hundreds of this strange craft, and the means of employment to thousands in factories and stores.

Yet, for all his importance in the ranks of the nation's great Marching Army of the Employed, what sort of life does this man lead? The migrant fruit packer, or wheat harvester, or farmland, or lumberman often roams inland through cities and the congested spots of civilization. But the sheep shearer, by the nature of his trade, is cut off from such influences.

Through a survey of the nation's migrant labor now being made by the Interchurch World Movement, it is suggested that for men of this class relief may be afforded through churches in outlying districts. For social and other purposes these men, with proper co-operation by church bodies, could make use of many of the facilities without which they are doomed to a life of isolation.

Foley's Honey and Tar COMPOUND

AN OLD RELIABLE FAMILY REMEDY, recommended for coughs, colds, tickling of the throat, spasmodic croup, whooping cough, in grippe, and bronchial coughs, hoarseness, etc.

The First Dose Gave Relief
C. E. Summers, Haldreide, Neb., writes: "Some time ago I contracted a very severe cough and cold that in appearance, my cough got so bad I could hardly sleep for two or three nights. A friend of mine recommended Foley's Honey and Tar Compound, and I got a bottle. The very first dose relieved me. I took a second dose before going to bed and was truly happy to find it could cure me so quickly. My cough was entirely gone and I give Foley's Honey and Tar full credit for my speedy and permanent recovery."

For more than thirty years **Foley's Honey and Tar** has been used with satisfaction and success. **Don't buy where it is not sold.**

Lot Owners Attention

This is in answer to your question relative to Water Main Extensions.

This is an answer to your question relative to water main extensions. Many of you have asked if there would be any difficulty about getting water onto some of the new subdivisions. DON'T WORRY about water very much, before the time that you will need it, then present proof of your need and wants to the proper authorities in the right and legal way, be on hand at the right time and place to back up your request, perhaps it will be granted. When it comes to what authorities may do for a citizen or taxpayer, we have not and cannot guarantee anything. If you lived outside of the village limits you might find it comparatively easy to get the village water onto your premises.

We served the village six consecutive terms. During that time, not a single tap was made for a person outside the village. We took the position that those who wanted to enjoy the benefits of our public utilities should come inside the lines and also share its burdens of taxation and government.

During the summer months, we are restricted to half-hour periods for sprinkling purposes. Some of those living outside the village limits, supposed to have the village water for domestic needs only, may use it when and for what they please. Mighty fine people too, whom we count among our friends, we say of them, they are fortunate, indeed. They never would be using the village water under the present arrangement with our sanction.

Some of our citizens years ago urged that steps be taken for the laying of a larger main to the spring, yet as late as last fall, the authorities permitted connection to be made with the village main and water to be piped onto properties far beyond the southern village limits. CAN YOU BEAT IT?

Just call attention to that fact when you present a petition for extension of main onto lots WITHIN the village limits.

New Silks and Dress Goods

We are meeting the new season as never before. The life and brightness come of a stock that is new, fresh and attractive. There isn't a dead spot, nor a dull one in it. No accumulation of other seasons.

Our display and our prices of Silks and Dress Goods always touch your active interests. Yes, the regular prices here would be counted very unusual elsewhere—and no odds how strong the economy streak may be, you'll find beauty and quality united to it. Our bid for preference is based on our ability to save money for you.

THE NEWEST McCALL PATTERNS are ready, too. They bring Paris styles direct to you, and show how you may easily interpret them. The method is so simple, and since it means more clothes for you for less money, you will use them.

Our corset stock is now complete—R. & G., Nemo, American Lady and Lady Ruth Front Lace Corsets. We have all the newest styles.

New Carpets, Room-size Rugs, Linoleum, Window Shades, Marquette and Scrim Curtains.

We have just received our new line of Ladies Muslin and Silk Underwear; also Ladies Georgette Crepe and Muslin Waists, and Silk and Serge Skirts.

Now is the time to buy Cotton as prices are advancing every day, and we can save you money now on every yard you buy.

Large assortment of Stag brand Trousers, Men's Furnishings, Shoes and Oxfords.

NEWBURG

There were seventeen in attendance at church last Sabbath. The pastor talked on the Sunday-school lesson, and will preach the sermon next Sunday that he intended to give last Sunday.

The S. S. scholars met at the hall, Saturday afternoon with Gladys Smith and Beniah Ryder, and organized a young people's society, the name to be chosen next month. The following officers were chosen: Pres.—Robert Taylor Vice Pres.—Gladys Horton Sec.—Jack Taylor Treas.—Zadie Lomas

Horton & Lomas have sold out their store to Mr. Generic and son. Arthur LeVan has a new Ford truck.

George Clemens of the U. of M. was home Sunday. Miss Margaret Clemens was taken to Harper hospital last week Wednesday, and underwent an operation for mastoid abscess Thursday, and is getting along as well as could be expected. Miss Margaret's many friends hope for a speedy recovery.

Mr. and Mrs. Albert Stevens attended the funeral of their little grandson Sunday afternoon at Plymouth. Newburg friends extend sympathy to Mr. and Mrs. Manns Blunk, in the loss of their little one.

Mrs. J. J. Taylor, who has been ill with pneumonia is better at this writing. Mrs. Kidder and daughter Ruth, are in Saginaw caring for a sick daughter and sister.

Mr. Grimm's brother from the west, who has been visiting him for the past two weeks has gone to Detroit.

Mrs. L. Clemens is staying at the hospital with her daughter Margaret.

C. E. Ryder has sold 20 acres to the Plymouth Road Improvement Association.

There are rumors of great things being done in this vicinity this year. It would not be a bad investment to buy a lot or two and build in Newburg.

LAPHAM'S CORNERS

PERRINSVILLE

Miss Charlotte Baehr spent Saturday and Sunday with her parents, Mr. and Mrs. George Baehr.

Mr. and Mrs. Erland Bridge and family are spending a few days at Joseph Bock's.

Mrs. Leja Darby is at home, helping to care for her brother and family, who have been very sick with the flu and pneumonia.

Tona Yuschak is no better at this writing.

Emmet Odell is ill.

We guess it is no joke about the old bear this year, for it looks as if we would have our six weeks' cold all right.

Little Marie Cousins passed away, last Monday night. She was the eldest daughter of Mr. and Mrs. Howard Cousins.

Little bud of promise, We have laid at rest; Though our hearts are aching, We will cheerful say, She is only resting In the Saviour's love.

Baptist Notes

The ladies of the church are planning to hold a bazaar, March 31. Watch for further announcements.

The boys and girls heard the story of Esther and saw the pictures, last Sunday, in spite of the cold.

The time draws near for the Baptist Rally day. Every member and all our friends are expected to be present. If you don't get a letter, remember it is for you just the same. A big day is looked for.

Bible lecture every Thursday evening. At Livonia there will be both English and German preaching next Sunday afternoon.

Bible Students More interesting questions on Rev. 8 for February 22. The word angel or angels are mentioned eleven times in this chapter—eight times singly, two times in a group of seven, once in a group of three. Who are these different angels? What the definition of the word angel? Do their messages refer to the past, present or future? Great things of moment are pictured after the opening of the seventh seal (the seal of the living God) of verse one. What is the heaven of this verse antitypical? Why allude in this heaven the space of one-half hour? Have you read this chapter recently? Welcome.

Buy Your Moline Tractor Now

BECAUSE

You may not be able to get a Moline-Universal if you delay ordering.

You will help relieve spring congestion of shipping by buying now.

You will have plenty of time to become familiar with its construction and operation before the spring rush and will be able to work your tractor in on belt work and other light jobs.

It is the only tractor which does all farm work including cultivating.

One man operates both tractor and implement from the seat of the implement where you must sit in order to do the best work.

Tractor and implement form one unit—backs as easily as it goes forward—turns in a 16-ft. circle.

It has plenty of power for your heaviest work, yet light in weight to operate economically on light jobs. All the weight on two big drive wheels—no dead weight—no extra expense.

Substantially constructed for many years of service.

Electric lights for night work and self starter for non-robust labor.

You can practically double your efficiency—you can produce more food with less help. You will need it, order now.

STATE NEWS

Bessemer.—At a special meeting held in Ramsey the township decided to bond itself for \$300,000 to build new schools.

Traverse City.—The city commission is considering closing the city jail. It has been many months since there has been an arrest.

Lansing.—Michigan is seventh in the total resources of state banking institutions of the nation, according to Frank E. Merrick, state banking commissioner.

Port Huron.—Public school teachers of Port Huron have been granted \$100 annual salary increase by the board of education. School janitors were increased \$10 a month.

Grand Ledge.—Mrs. Cora Smith, 70 years old, daughter of Abram Campbell, one of the three original settlers of this village is dead. This village was named by her mother.

Detroit.—While Benjamin Goodman, driver for the Sun Furniture company, was making deliveries in Orleans street near Catherine street a thief drove away with his wagon and rugs, valued at \$1,200.

Royal Oak.—George Schilskey, local young business man, is dead, a victim of sleeping sickness. Schilskey was affected with the strange malady following an attack of influenza. He was unconscious for more than one week.

Greenville.—Baron Tower, 51 years old, mayor, dropped dead in his office. Mr. Tower was born in Kent County, and had been engaged in the potato business in Greenville for 19 years. He was elected mayor of Greenville last April.

Mackinaw City.—Scores of travelers were delayed as a result of the engine room crew of the car ferry Chief Watam going on strike when the boat arrived at St. Ignace. The men claim back pay was due them and refused to work until paid.

Holland.—The Rev. Lambertus J. Hulst, Christian Reformed pastor for 7 years, has just celebrated his ninety-fifth birthday. Rev. Mr. Hulst is the oldest pastor in the church. He celebrated his seventy-first ordination anniversary last fall.

Lansing.—State employees, involved in the Newberry case either as defendants or witnesses, will lose their state pay. State employees are allowed a month's vacation a year. When this is used up their pay is stopped according to Auditor General O. B. Fuller.

Port Huron.—The body of Joseph West, a farmer, was found in the snow one mile east of Richmond. From marks on the body it is believed West was slain. West had sold raisins to foreigners near Richmond and four foreigners were arrested for operating whiskey stills.

Sandusky.—Horses as well as human beings are suffering from the present epidemic of influenza here, according to several veterinarians, who declare that there are 390 cases of the disease among horses in Sanilac county. Fatalities among the quadrupeds, however, are few.

Kalamazoo.—And now it's the high cost of being buried. Grave digging in Kalamazoo has been given a higher toll from the ultimate consumer's ultimate investment. By action of the city commission grave openers will be permitted to charge \$1 more a grave than they have been receiving.

Traverse City.—Walking 18 miles through snowdrifts and along icy roads, William A. Peckham, 24, and his brother, James A. Peckham, 24, arrived in Traverse City from their home in Elk Rapids to join the fighting forces of Uncle Sam. They chose the coast artillery corps for service in Hawaii.

Pontac.—A bullet from a revolver in the hands of her mother passed through both limbs of two-year-old Violet Scott, daughter of Mr. and Mrs. Roy Scott. The revolver was kept in the house for the protection of Mrs. Scott in the absence of her husband, and she was trying to extract the cartridge. The child will not be crippled.

Lansing.—Delegates from 35 county farm bureaus in attendance at the annual meeting of the Michigan State Farm Bureau here, appropriated \$15,000 for preliminary financing of a purchasing department of the organization to operate on an extensive scale handling most of the many supplies needed by Michigan farmers in wholesale quantities on a cost basis.

Holland.—Mrs. John Fraalje, 70, who has visited the cemetery and read the inscription on her own tombstone for 15 years, has been buried beside the body of her first husband, J. Posthumus, former engraver of tombstones. Before his death, 12 years ago, he engraved two stones, one for his wife and one for himself, and set them up in the cemetery. She has since twice married.

Detroit.—Intention of the club to purchase a country estate of 870 acres surrounding Green Lake, to be known as the Aviation Country Club of Detroit and to serve as social rendezvous as well as a home for the men who served in the flying corps of the American army and as a club for leaders in post-war advancement of aeronautics, was announced at a meeting of the Detroit Aviation Club in the Board of Commerce. The club is hopeful that it will be able to occupy the grounds early in April. The purchase price of the property is said to be \$750,000.

Chronic Constipation
There are people who never have a movement of the bowels without it is produced by a cathartic. Most of them have brought that condition on themselves by the use of mineral waters. Chronic constipation that takes the bowels out of the system and deprives the system of its normal function is a condition that is not cured by cathartics. A mild laxative is needed. The Chamberlain's Colic, Cholera and Diarrhoea Remedy is the best for this purpose. It is a mild laxative and is not harmful to the system.

REGISTRATION NOTICE FOR VILLAGE ELECTION.

Important Change in Registration Laws.
To the Qualified Electors of the Village of Plymouth, Wayne county, Michigan.

Notice is hereby given that in conformity with Act 126, Public Acts of 1917, if the undersigned village clerk will upon any day except Sunday and a legal holiday, or the day of any regular or special election receive for registration the name of any legal voter in said village not already registered who may apply to me personally for such registration, except that I can receive no names for registration during the time intervening between the second Saturday before any general or special election and the day of such election.

HARNESSES

It does make a difference where you buy Harness. If you are interested in getting the most service for the money invested it will pay you to buy your Harness of us.

Our Harness has the reputation of giving service longer than many others. I am working harder than ever to keep up this reputation.

I have the largest stock of Harness in Wayne County outside of Detroit, but they will not last long at present prices. My advice is to purchase early if you wish to save money.

A Team of Horses Wont Accomplish Much Unless It's Hitched Up!

Every farmer knows that and every progressive farmer realizes that he must team up with his fellow agriculturists if either of them is going to get the most out of the business of farming.

THE MICHIGAN STATE FARM BUREAU

—is going to harness the farmers of Michigan into one unit for the purpose of pulling agriculture out of danger into prosperity. The drive starts in Wayne County on Monday, February 23rd. Any day thereafter you may expect to be visited by farmers who know the farmers' problems and how the re-organized farm bureau is going to solve them. Every farmer in Wayne County will be visited and given an opportunity to join the Farm Bureau Federation, which must have the solid support of the majority of the agriculturists of the state to act most efficiently and successfully in promoting farm interests.

A Square Deal—That's All

The major aims of the Michigan State Farm Bureau are to improve marketing and transportation conditions—correlate and strengthen activities of all existing farm organizations—get closer to the consumer and teach the general public farmers are not rolling in wealth as in the city belief—promote rural educational methods and advise farmers of everything pertinent to their welfare—deal with measures rather than men in politics and insist constantly on a "square deal" for agriculture—in short, to do anything and everything that will make farming more profitable and attractive.

You Can't Get Something for Nothing!

Everybody knows that. So to supply necessary funds to carry on this great work the membership fee is set at \$10—\$5 to the County Bureau and \$5 to the State.

In Michigan to date seventeen counties have conducted membership campaigns and 90 per cent of the farmers solicited have joined in this great advance movement. Wayne Won't Shirk. Don't ask solicitors to call again. Do it the first time. Campaign starts Monday, February 23, 1920.
