OFFICERS AT DETROIT HOUSE OF CORRECTION FARM

Upper Row, reading from left to right—Ford Flaherty; Charles Wall; Bernard Klein, head guard; Ted O'Connor, A. P. Davis, J. E. Denniston, Ernest Schockow, Charles H. Farham, Samuel Farris.

MUCH ACTIVITY

AT PRISON FARM

NEW PASSENGER AND FREIGHT DEPOT IS BEING BUILT BY THE PERE MARQUETTE.

The Mail is pleased to print the above-half-tone picture of the officers of Detroit's House of Correction Farm, located just west of this village. Superintendent Edward Denniston and his staff of officers have certainly won the high regard and respect of the citizens of Plymouth, by their courtesy, and the gentlemanly manner in which they have received everyone who has visited the farm since it was established here. The officers at the prison farm are always welcome to Plymouth.

There is much activity at the Detroit House of Correction Farm. The Pere Marquette, who are to establish a station there are erecting a new passenger and freight station. This will prove a great convenience in transporting prisoners to and from the prison in Detroit during the winter months. A side track has been built.

A new hospital building is also under course of construction. The new building will be 22 by 54 feet in size. It will have capacity for seven beds and all the necessary equipment.

A new forty-stall horse barn has just been completed. The prison farm now has a fully equipped fire department. Two hose carts carrying 800 feet of two and one-half inch hose have recently been received. The fire fighting force is made up from the officers at the institution.

A new 500 gallons per minute centrifugal fire pump has been attached to the water mains that will furnish a goodly supply of water for fire fighting purposes.

The new prison building has been staked out and it is expected that the early spring will see work started on the new structure, which is to cost three million dollars. The size of the main building is 700 by 900 feet. It will have a capacity for 1200 prisoners in single cells or double that number, if two prisoners are placed in one cell. The new building will contain dining room, chapel, kitchen, etc. It will be a model building in prison construction.

NEW OFFICERS ELECTED

At a meeting of Plymouth Rock Lodge, No. 147, F. & A. M., last Friday evening, the following officers were elected and installed for the ensuing year:

W. M.—George E. Howell
S. W.—Arlo Soth
J. W.—Albert Groth
Treasurer—Russell Wingard
Secretary—M. M. Willett
Chaplain—W. J. Burrows
S. D.—Henry Hondorp
J. D.—A. S. Finn
Tyler—James McKeever
Stewards—James Nairn and John Strall
Marshal—Karl W. Hilmer

CHARITY CONCERT

One of the features of the work of the Plymouth Chamber of Commerce is the coordination of the local charity work. The community committee is to work with the various churches and other organizations to see that all of the worthy needy in our village are cared for.

To raise money for this purpose, a concert will be given in Pennington Allen theatre on Friday evening, December 16th, at 8:00 o'clock. Mrs. Allen has generously given the use of the theatre, and the program will be donated by those taking part. The Millard band will play, and Mr. Parre will give a violin solo. It is hoped also, that the newly organized Plymouth chorus will sing a couple of pieces. Full particulars will be given in next week's Mail, and on window cards. Tickets will be 50c. The program will be fine, well worth hearing, and the cause is good. Plymouth people surely will turn out and will make this a grand success.

COMPARATIVE TAX RATES

The following are comparative tax rates secured by Village Manager Strong from municipal clerks of cities and villages in the neighborhood. It will be noticed that Plymouth's tax rate is among the lowest:

MORE GOOD ROADS

The following letter has been received by Village Manager Sidney D. Strong, which will be most pleasing news to Plymouth and vicinity:

Board of County Road Commissioners, Wayne County,
1192 Real Estate Exchange,
Detroit, Mich., Dec. 2, 1921.
Dear Sir:
We are in receipt of your letter of Nov. 30 to the effect that the Village of Plymouth is ready to go ahead with the work upon Starkweather Street in accordance with our proposal of September 12th. Our Engineering Division is now working upon the plans for the street, and as soon as they are ready to lay that grade I have asked Mr. Norton to get in touch with you personally so that it will all be satisfactory.

You might be further interested to know that we have recommended to the State Highway Department and the office of public roads at Washington to make the Plymouth Road a 24-foot concrete road from Detroit to Plymouth, and then continue the improvement on the Ann Arbor Road from Plymouth to the county line. If this is approved, as we expect, we will be doing this work in 1923.

Very truly yours,
Board of County Road Commissioners
Leroy C. Smith, Eng.-Mgr.

Mrs. Ezra Rotnour entertained a company of about ten relatives at her home on East Ann Arbor street, last Friday, the occasion being her birthday. Dinner was served at noon, and before the guests departed they presented their hostess with several nice gifts.

WANT ROAD IMPROVED
The farmers living west of Plymouth on what is known as the Sutton road, are very anxious that the good road that Washtenaw county is building from the Pontiac road to the Wayne county line, be continued the remaining three and one-half miles to the village limits of Plymouth. Washtenaw is building seven and one-half miles of new road and have it practically all graded, and the west three miles from the Pontiac road graded. This road is a main artery of trade for Plymouth, and every effort of the Plymouth Chamber of Commerce should be brought to bear to have this road built the coming year to connect up with Washtenaw county, and thus open a territory for trade, a large part of which is now going elsewhere on account of the poor condition of this road. Every business man in Plymouth should be interested in this project. Since the above was put in type, the good roads committee of the Chamber of Commerce have taken the matter in charge, and will put forth every effort to bring about the improvement.

CHRISTMAS SEAL SALE
In the campaign which is on this week for the sale of Christmas seals to fight tuberculosis in Wayne county, the work which is being done among the school children deserves particular mention.
Under the able supervision of Superintendent George A. Smith and the enthusiastic co-operation of his corps of teachers, the children in the grades, as well as the students in the Junior and Senior High School, seem to have caught a vision of the great good that can be done for the tuberculosis sufferers of this community and Wayne county, simply through the purchase of Christmas Seals, which can be used on letters and packages.
One hundred dollars' worth of these seals was the first allotment for the schools, but already they have asked for more, and \$50 more have been assigned them.
Everybody is urged to do his bit in this good work. Seals may be purchased at the drug stores as well as at headquarters in the school building; also from solicitors. The campaign ends Sunday, Dec. 11th.

Representatives from the local churches met at the Chamber of Commerce, last Tuesday evening, and appointed a committee to effect a Boy Scout organization. The committee is as follows: Sidney D. Strong, chairman; George A. Smith, W. J. Bartlett, Mr. Allenbaugh and the pastors of the local churches.
A \$25,000 motor bus transportation company has been organized with Plymouth, Wayne, Northville and Detroit capital. It is planned to give service between these towns and Detroit, one route via Northville and the Seven-mile road, and the other via Wayne and Michigan avenue. At first it is intended to purchase four busses and two will be used on each route.

MICOL-PETERHANS
Miss Mary Peterhans, youngest daughter of Mr. and Mrs. Fred Peterhans of this place, and Harry Micol, youngest son of Mr. and Mrs. Alex Micol, also of Plymouth, were quietly united in marriage at the Presbyterian manse, last week Thursday afternoon, December 1st, at one o'clock by the pastor, Rev. S. Conger Hathaway. They were attended by the groom's sister and husband, Mr. and Mrs. Howard Eckles. Shortly after the service, the bride and groom left on the afternoon train for a few days' visit with friends at Lansing. Both young people are well and favorably known here, having resided in Plymouth their entire life. The bride is a member of the 1919 graduating class of the Plymouth High school. Mr. and Mrs. Micol will reside in their home on South Main street, and have the best wishes of Plymouth friends for happiness and success.

A regular meeting of the Order of the Eastern Star will be held in Masonic hall, next Tuesday evening, December 13. All members of the Order are cordially invited to attend this meeting as there will be a pleasant surprise. The Shoveloffski family will be present, and after the business session, will give their original entertainment, under the direction of Mrs. Karl Hillmer.
About sixteen Macabee ladies have organized under the name of the Shoveloffski Family, and give a varied entertainment under the able leadership of Lady Cardie Brown Hillmer. Their program consists of music, both vocal and with their Russian horns, dramatic readings, pirotechnics, dialogues and nonsense. They have given several successful entertainments and have several bookings for the future. They are working on something new constantly, so as to add more to their already extensive repertoire. The Macabees are to be congratulated on having such a large troupe of entertainers.

The new league will be comprised of teams from six of the towns in the western part of the county during the coming season. The three towns mentioned will have franchises in the organization while the other three teams will be selected from Plymouth, Northville, Farmington, Redford or Flat Rock. Local followers of the national game who would like to see Plymouth represented in the newly-formed league, are invited to be present at a meeting to be held in the village hall, Wayne, at 8:00 p. m., Friday, Dec. 16, when a permanent organization will be perfected and officers for the ensuing year named. The forming of the Wayne County Base Ball League is the outgrowth of several years' sentiment along this line, especially from those fans who have the keenest interest in promoting the sport between the sister cities of the nearby and nearby territory. If you would like to have your town represented in the league during the 1922 season, be sure and attend the meeting at Wayne, Dec. 16.

THE CHRISTMAS CLUB A SUCCESS

One of our men recently called at the Plymouth United Savings Bank and found many who were availing themselves of the opportunity to join their new Christmas Club.

The idea has appealed to our community as the Club offers a method for systematic saving.

In several instances, every member of the family has joined the Christmas Club, from father and mother right down to baby.

A Christmas Club account can be started with either 1c, 2c, 5c, or 10c and the payments increased 1c, 2c, 5c or 10c each week.

Next Christmas the 1c Club will amount to \$12.75 2c Club will amount to 25.50 5c Club will amount to 63.75 10c Club will amount to 127.50

What is termed "flat sums" can be paid each week, namely—25c, 50c, \$1.00, \$2.00, \$5.00, \$10.00 or \$20.00 or more.

Not a few of our business men are joining the Christmas Club as they see it is an easy systematic method of accumulating money.

The Christmas Club has two purposes: one to enable those who desire to have money to use next Christmas, and secondly, it is a systematic method of saving money to open a regular bank account, and to have money for some specific purpose at the end of the year or in the years to come.

Thrift is a habit like nothing else and once a person begins to bank his money, he takes as much pride in saving as he formerly did in spending.

The Plymouth United Savings Bank is certainly doing our community a public service by offering a system which educates those who have never had bank accounts to deposit money regularly. It also benefits those who have bank accounts, by bringing them into the bank regularly.

Money spent is money gone, but money saved forms a good habit and begins a nucleus for future financial success. This Christmas Club system installed by the Plymouth United Savings Bank is sure to work a benefit to our whole community.

WOMAN'S CLUB

The last regular meeting of the Woman's Club held Friday afternoon, December 2nd, at the home of Mrs. Martin Stringer on Main street, was well attended by Plymouth Club, and about fifteen members of the Wayne Literary Club were also present. A short business session under the direction of the president, Mrs. D. F. Murray, preceded the program. It was voted at this time for the club, as an organization, to purchase ten dollars worth of tuberculosis stamps. The Club sent stamps to the prison farm to be used by inmates on Christmas letters and will also send to other institutions. An interesting letter from Mrs. Howard Brown, a former member, was read by Mrs. C. H. Bennett. Roll call was responded to by quotations from new American poets. The hostess most cordially welcomed her guests, saying that as a former member of the Wayne Club for six years, and now a member of Plymouth Club, it was her desire to have her old and new friends meet in her home and enjoy the afternoon together. Frank Parre, violinist, with his wife as accompanist, opened the program with two pleasing numbers, Paper—The New Poetry, Mrs. Martin Stringer. Mrs. Stringer quoted from both English and American poets; among American poets mentioned were Edmund Vance Cooke, Robert Frost, Edgar Guest and Joyce Kilmer.

Wayne, a talented musician, entertained the guests with two piano selections. Paper—John Burroughs, written by Mrs. Asa Whipple, was read by Mrs. Coello Hamilton, after which a short poem entitled "America for Me," was recited by the hostess, and at the conclusion, the guests were invited to stand and sing "The Star Spangled Banner." Mrs. Stringer, with Mrs. Stellwagon accompanying on the piano, read in an impressive manner, "Longfellow's poem, "King Robert of Sicily," the program concluded with the singing of "America" in unison. A social hour followed, and chocolate, wafers and mints were served. Before the guests departed, a rising vote of thanks was given the hostess for her pleasant afternoon and her generous hospitality. The next regular meeting will be held in the kindergarten room, Friday afternoon, December 17.

PRESBYTERIAN PARAGRAPHS

Miss Rose Fulton's class has organized under the name of "The Help-a-bit Class." We welcome this latest addition to the forces of Christian service.

Have your pledges ready for the Visitation Committee next Sunday afternoon. Or lighten their labor by handing it to the Treasurer next Sunday morning.

The Juniors had a glorious time Saturday when they "hiked" the pastor and superintendent across fences and fields, and dinged dolls to "Triumph's Hollow" where a fire was kindled and everyone turned cook. "Hot Dogs, Frankfurts or Vienna-Wurst" was the meat call, "with or without ashes." After dinner, it was Duck-on-the-Rock and "Run, Sheep, Run."

The Sunday school is preparing a pageant to present on the evening of Christmas day. Miss Ellen Gardner is director in charge.

New members received since the last communion service will be publicly acknowledged on Christmas Sunday. Others will also be received at that time. Why not give yourself to Christ and the Church as a crowning Christmas present?

A fine birthday cake for the primary department was exhibited from the pulpit last Sunday morning. The manual training department of the public school deserves credit for its making.

The Ready Service class will omit its December meeting on account of the holiday activities.

Methodist Matters

Our quartette is preparing a beautiful Christmas cantata entitled "Holy Night" to be given on Christmas Sunday night; also the Sunday-school will present a Christmas pageant on Friday night preceding Christmas. The Christmas offering of the Sunday school will go to the White Gift Christmas Fund which takes care of our Children's Home at Farmington, and also provides for needy children all over the world.

Our Epworth League spent a delightful time last week in a Win-My-Triumph Campaign. Meetings were held each night from seven to eight, which were a great inspiration to those who were privileged to attend. Miss Warner, of Ypsilanti, second Vice-President of the District, spoke on Thursday night, and Dr. Leeson, District Superintendent, of Ann Arbor, spoke on Friday night. But the climax of the week came on Saturday and Sunday, when a team of Christian young people from the University of Michigan came over and led our young people in a most helpful program. The social on Saturday night was one which those who were present will not soon forget. Games and stunts with variety were played which kept things lively. After refreshments, the team closed the evening by singing some of their college songs.

At the Sunday morning service, two members of the team, Miss Marjorie Poundstone and Mr. Ed. Ramsdell, gave very helpful messages. Each member of the team taught some one of the young people's classes in Sunday school. Mr. Kneebone, captain of the team, and Miss Thelma Stevenson led the Epworth League. And all of them spoke at the evening service. It was a day long to be remembered. These splendid Christian young people represented for our young people, and the older ones as well, that normal, wholesome type of christianity, which all of us covet, and it was a great inspiration for us to have them here.

Mrs. Henry Waterman is visiting her son, John Waterman, at Waterford.

CANTON COMMUNITY CLUB

The Canton Community Club held at the home of Mr. and Mrs. A. L. Wolf, Wednesday evening, Nov. 31, was one of the best. Superintendent George A. Smith, of the Plymouth High School, gave the principal address, his subject being "Changing Ideals in Education." His ideas were just and forceful, a privilege to hear. Mr. George Gill, of Cherry Hill, also gave an excellent talk on "What Does the Farmer Receive for his Labor?" From data obtained from a personal account kept during the years of 1919 and 1920, he was able to show that the average wage per hour for the year 1919 was 22 cents, while at the low selling price of produce and high price of supplies

CAR KILLS LIVONIA MAN

T. O. Richards, aged 62 years, who resided near Elm, was killed instantly at six o'clock, last Friday afternoon, by a Detroit-bound Jackson suburban car, which struck him as he crossed the tracks on Michigan avenue at the first stop west of the Belleville road to view a minor automobile accident.

Witnesses said Mr. Richards was so intent upon seeing the result of the automobile smash, that he failed to notice the interurban. He was hurled several feet into a ditch. The unfortunate man had been drilling the well for a farmer near the Belleville road. The remains were taken to Wayne, and later removed to the Richards home south of Elm, by Undertaker F. D. Schrader. The funeral services were held Monday afternoon at two o'clock from the house.

Osmond Thomas Richards, the second eldest son of Eliza and Thomas Richards, was born in York state, February 5, 1859, and departed this life, December 2, 1921, aged 62 years, nine months and twenty-seven days. Besides his widow, he leaves five children, Mrs. Albert Tait, Harry and LeRoy of this place, and Cortland and Mrs. Joe Bedore of Detroit; and two sisters, Mrs. Orville Lewis of Northville, and Mrs. Henry Klatt of this place, and two brothers, Marshall of South Lyon, and Clarence of Brighton; his father, mother, two sisters and one brother having been called home before to do their Master's will.

PHONOGRAPH COMPARISON CARD

How to score:
The original performance of the living artist is the standard by which all reproductions must be judged.
Comparison Number 1 and Comparison Number 2 are actual comparisons with the original performance of living artists. Listen to the music, give yourself up to the emotion.
Mark an "X" for the phonograph which best succeeds in producing the effect made by the music of the living artist.
Comparison Number 3 to 7, inclusive, are direct comparisons between the effect made by the music of instruments. That is, which phonograph gives the most realistic reproduction of the effect made by the living artist.
If two phonographs seem to be equal, give both an "X".
At the conclusion of the comparisons, total the number of "X" credits you have.

This was the NEW EDISON

ON OCTOBER 24, 1921, Dr. W. V. Bingham, Director of Research at Carnegie Institute of Technology, ran a test to determine which is the best phonograph.

Four different phonographs, all well-known makes, were entered.

The New Edison triumphed. Not only did it prove itself the best phonograph in general,—but also best in every single department of phonograph excellence. It captured all nine tests.

This proves again that the New Edison is an entirely different kind of instrument. It alone RE-CREATES music so perfectly that there is no difference between RE-CREATED music and original music. It alone brings the true beauties of the human voice and the human played instrument.

If it is hard for you to believe this, make the same comparison Dr. Bingham made. Hear how Frieda Hempel sounds on the other phonographs; then hear her real voice on the New Edison. Rachmaninoff, too, and other artists have made RE-CREATIONS for the New Edison and records for talking-machines. These all afford you opportunity for true comparison.

Come in. Let us supply you with the same kind of Phonograph Comparison Card Dr. Bingham used. Do this before you decide on the purchase of your Christmas Phonograph.

Phonograph Comparison Cards are free for the asking. Get yours now—Christmas is near.

This cathedral, when completed, it is said, will be one of the finest cathedrals in the world, and it will be the headquarters and representative Episcopal church of America. Admission free, next Friday evening at St. John's church, 7:30. Everybody come. We hope all those who can will avail themselves of the opportunity of meeting Rev. J. G. This is composed of fine selections of some of the best and well known hymns for missions, the singing of which is heartily joined in by the congregation. A letter was received last week from Rev. H. K. Bartow, late archdeacon of Detroit and now rector of the large parish of Christ church at Quincy, Mass. He inquired after the good people of Plymouth, and says he will always remember them and the happy times he has spent here. Plymouth was one of the first parishes he visited, and it was the last before he left the diocese of Detroit to take up his new work in Quincy, Mass. The Sunday-school flower fund was organized last Sunday, and Elizabeth Strong was appointed treasurer. The purpose of this is to visit and take flowers to any sick member of the Sunday-school. The members of the Sunday-school are asked to bring an extra penny every Sunday, which will be applied to this fund. Those who were absent last Sunday morning missed a very fine address by Franklin L. Gibson.

IN MEMORIAM
In loving remembrance of our dear father and grandfather, Joshua Baldwin, who died Dec. 11, 1920. Death has robbed us of another. Whom we loved and cherished dear; It was father; yes, dear father; Can we help but shed a tear? Yes, we miss him. O! we miss him, When we see his vacant chair; And how sad the room without him, For there is no father there. How we loved him—yes, we loved him, No earthly tongue can tell; Yes, the angels, they have called him Up to heaven, there to dwell. But cheer up; we know he's waiting For his dear ones evermore; And he's singing with the angels, On that bright and golden shore. Mr. and Mrs. O. F. Curtis and Family.

Freezing Weather Cannot Stop Buick Oil Circulation

Oil pumps in automobiles sometimes freeze up in very cold weather.

The Buick oil pump is so designed that, should the pump gears be held immovable through freezing, the shaft revolves within the gear. The heat thus generated thaws out the frozen parts, restoring gear action and oil flow to normal.

Only on a Buick will you find this feature.

Taking Desperate Chances.
It is true that many contract severe colds and recover from them without taking any precaution or treatment, and a knowledge of this fact leads others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand the more serious diseases. Can you afford to take desperate chances when Chamberlain's Cough Remedy, famous for its cure of bad colds may be had for a trifle?—Advertisement.

Mr. Alexander has the largest and most magnificent choir this year ever heard in the auditorium, four hundred and fifty singers taking part. The Normal Choir of two hundred and fifty were assisted by choirs from Jackson, Wayne and Plymouth. The Plymouth choir has been working earnestly for several weeks under the direction of Robert Benford, an assistant from the Normal Conservatory and their work has been highly commended. The Plymouth choir will meet again next Monday night at 8:00 p. m. in the High school auditorium to rehearse Christmas carols. Do you like to sing? If so, come to the High school, Monday night, and help with the carols.

The co-operation of every farmer is most earnestly desired by the chamber of commerce. Secretary J. S. Dayton will be glad to issue membership cards at any time.

VILLAGE COMMISSION RECEIVES PETITIONS

At a meeting of the village com-
mission held last Monday evening,
several petitions, containing the
names of 190 citizens in all, were
presented, asking that a special elec-
tion be held to submit to the voters
the question of abolishing the com-
mission form of government. The
petitions were turned over to the vil-
lage attorney for examination, and if
found to meet with all the legal re-
quirements, the commission will call a
special election at the earliest possi-
ble time, and submit the matter to
the voters. The petition reads as fol-
lows:

TO THE COMMISSION OF THE
VILLAGE OF PLYMOUTH:
Gentlemen:

The undersigned, electors of the
Village of Plymouth, Wayne County,
Michigan, and being in number twen-
ty per centum and more of the num-
ber of ballots cast for Commissioners
for the said Village at the last regu-
lar election at which Commissioners
were elected, hereby petition you
honorable body, as follows:

That you will call, at as early a day
as possible, a special election of the
electors of said Village, at which
election shall be submitted, for pas-
sage or rejection, amendments to the
charter of the Village of Plymouth,
aforesaid, as follows:

(328) Section 32. That the Village
Commission and the offices of the
Village Commissioners be abolished,
to take effect as hereinafter provided.

(329) Section 33. That, on the
second Monday in March 1922, an elec-
tion of officers shall be held in said
Village, at such place as the Village
Commission shall designate and in
such manner as to registration and
election as the general laws of the
State provide.

(330) Section 34. At such elec-
tion there shall be elected: A Presi-
dent, six Trustees, one Clerk, one
Treasurer, who shall be ex-officio col-
lector, and one Assessor. The Presi-
dent and Trustees shall constitute the
Village Council. The terms of office
of such officers, the qualifications
thereof and the acceptance thereof
shall be the same as provided for in
Chapter 72 of the Compiled Laws of
the State of Michigan of 1915.

(331) Section 35. The President
shall, by and with the consent of the
Council, appoint a Village Marshal, a
Street Commissioner and such other
officers as shall be provided for by
resolution or ordinance of the Coun-
cil and the Council may, from time
to time, provide, by ordinance or resolu-
tion, for the appointment of such
other officers, whose election or ap-
pointment is not herein especially
provided for, as they shall deem
necessary for the execution of the
powers granted by this charter and
the powers and duties of such officers
shall be prescribed by the Council;
provided that the Marshal may also
be appointed as Street Commissioner.
Such appointments shall be made at
such times and for such terms as are
provided for in Chapter 72 of the
Compiled Laws of the State of Michi-
gan of 1915.

(332) Section 36. The said six
Trustees shall constitute the Council
of the Village of Plymouth, shall or-
ganize as provided for in said Chap-
ter 72 of the Compiled Laws of the
State of Michigan of 1915, shall be
vested with all the corporate powers
of the Village of Plymouth and shall
succeed to all the powers heretofore
vested in the Village Commis-
sion and, upon the election and as-
sumption of office of said Trustees,
the powers of the said Village Com-
mission shall cease.

(333) Section 37. That the office
of General Manager, as hereinbefore
provided for, shall be abolished, to
take effect upon the election and ac-
ceptance of office of said Village
Council.

LUTHERAN BAZAAR A SUCCESS

The bazaar and beke sale, given by
the Lutheran Aid society, last Friday,
Dec. 2nd, was a success in every way.
Lunch was served during the after-
noon and evening, and the booths
were filled with many articles of in-
terest to Christmas buyers. About
\$220 was netted the society.

WEST PLYMOUTH

Messrs James Cooper and Floyd
McLean of Detroit, were Sunday
guests at the Joseph Webber farm.
Charles Sedley of Detroit, was a
guest of Wilbur Hill, Saturday and
Sunday.

Miss Catherine Sunburg of Wayne,
was a guest of her sister, Mrs. Clark
Hearn and family, Sunday.
After being ill for seven weeks,
Gus Gates is now able to be out of
doors.
Mrs. Don Packard was a Detroit
visitor, Tuesday.

A CARD—We wish to express our
sincere thanks to our neighbors and
friends for their kindness during our
recent bereavement; also for the
beautiful floral offerings; those who
furnished autos and the minister for
his comforting words.
Joseph Jackson and Family.

CHANGE IN PLACE

Through the generosity of the
Presbyterian church, the meeting an-
nounced elsewhere as taking place in
St. John's mission, next Wednesday
evening, December 14th, will be held
instead in the Presbyterian church at
the same time. Bishop Charles D.
Williams of Detroit, will preach, and
says that his subject will be of inter-
est to the community at large. He
will also confirm a class. It is hoped
that a large number of Plymouth
people will take advantage of this
chance to hear Bishop Williams, who
is one of the foremost preachers in
America.

OBITUARY

MRS. JOSEPH JACKSON

Elizabeth Hunter was born in
Westmoreland, England, October 9,
1839, and departed this life Dec. 3,
1921, at the age of 82 years, 1 month
and 24 days. She was united in mar-
riage to Joseph Jackson, June 13,
1863. From this union seven children
were born, all of whom, with their
father, an aged brother and sister and
eight grandchildren, survive her. The
children are Charles, Joseph, Jr. and
Mrs. John Harwood, who live with
their father on the farm, four miles
west of Plymouth; Thomas Jackson
and Mrs. Irving Becker of Detroit;
Mrs. Robert Douglas of Livonia, and
Mrs. George Wright of Superior. In
the year 1883, Mr. and Mrs. Jackson,
with their family, came from Eng-
land to Detroit, Mich., in which place
and vicinity they have since resided.
She was united with the Episcopal
church when but a young girl, and
has clung steadfastly to that faith
throughout all. Although a great sufferer
for a number of years, she has been
ever patient and uncomplaining, and
always hopeful for relief. Of a
loving disposition, she endeared her-
self to all who knew her, and will
be greatly missed by her many
relatives and friends. Her death is
the first one in the family circle.
Sympathy is extended to the bereav-
ing family. The funeral services
were held from Schrader Bros.
Funeral Home on Wednesday, Dec.
7th, at two o'clock, with burial at
Riverside.

MRS. SYLVIA BASSETT

Sylvia Westenhaver was born in
Seneca county, Ohio, May 31, 1851,
and passed away December 2, 1921.
She moved to Gratiot county, Mich-
igan with her parents at the age of
three years. In 1869, she was united
in marriage to Edward C. Bassett,
soon after going to the pioneer home
in Otsego county. In 1882, they
moved to their farm home in Livonia
township. Since Mr. Bassett's death
seven years ago, Mrs. Bassett has
lived with her children in the same
community. She had been a long
and patient sufferer for over nine
years. She leaves to mourn their
loss four sons and three daughters:
Mrs. Thomas Davey, Floyd Bassett,
Mrs. Edgar Cochran, Mrs. Allen Gear,
Clark, Harry and James Bassett;
twenty-four grandchildren, five sisters
and many other relatives and friends.
The deceased was a member of the
Newburg church and L. A. S., the
Gleaners, Patriotic society and W. C.
T. U., where she will be greatly mis-
sed by all. The funeral services were
held at the Newburg church, Monday,
December 5th. Burial in Riverside
cemetery.

TROLLEY BOWLING LEAGUE

The past week saw some fine
bowling on the part of both Plymouth
teams. The Plymouth Rocks went to
Farmington and met the undefeated
Lapham's Five, and by the bowling of
Lush and Heeney, they took them into
camp three straight games. The
other Farmington team came to
Plymouth and met the same fate.

PERRINSVILLE

Through a misunderstanding, there
was no report of the Gleaners annual
Fair which was held Nov. 19 in the
new Gleaner hall at Perrinsville. It
was a success socially and financially
and the committee wish to thank all
members and outsiders who so gen-
erously donated to the supper and
the booths, and also the ladies and
gentlemen for their singing and
music during the evening.

When You Are Constipated.

To insure a healthy action of the
bowels and correct disorder of the
liver, take two of Chamberlain's Tab-
lets immediately after supper. They
will not only cause a gentle movement
of the bowels, without unpleasant
effects, but banish that dull, stupid
feeling, that often accompanies consti-
pation.—Advertisement.
