### Let Them Return To Their Legitimate Work

When a minister of the gospel enters the arena of politics and arrogates to himself the powers and privileges of a boss, he must expect to be the target for attack.

There are many highly paid professional reformers in Washington and in other cities of the country who have been tempted from their legitimate fields of labor by the lush grass of specialized activities. They have deserted the drudgeries of parish work, with its penury, its sick calls, its funerals, etc., to become censors of public conduct. They tell not, neither do they spin, but they hold conventions, collect funds, issue impressive manifestoes and browbeat Congress. Yet they demand for themselves the same public respect that is willingly and spontaneously vouchsafed to the humble priest of religion who trudges in the path of the lowly Nazarene.

It is they, not the clergy, who are made the butt of jokes and the target of the artist's humor. They should not complain, for the remedy is in their hands. Let them return to the duties for which they were ordained.—Washington Post, Jan. 6, 1921.

### ABRAHAM LINCOLN'S PROSE POEM ON OBEDIENCE TO LAW

"Let reverence for the laws be breathed by every American mother to the lisping babe that prattles on her lap; let it be taught in schools, in seminaries, and in colleges; let it be written in primers, spelling books and in almanacs; let it be preached from the pulpit, proclaimed in legislative halls and enforced in courts of justice, and, in short, let it become the political religion of the nation."

"Let every American, every lover of liberty, every well wisher of posterity, swear by the blood of the Revolution never to violate in the least particular the laws of our country, or to tolerate their violation by others. As the patriots of '76 did to the Declaration of Independence, so to the support of the Constitution and the laws let every American pledge his life, his property and his sacred honor. Let every one remember that he who violates the laws of the land tramples on the blood of the fathers, and tears in sunder the charter of his own and his children's liberties."

### CHAMBER OF COMMERCE HOLD SECOND DINNER

The second monthly dinner given by the Plymouth Chamber of Commerce, at the High school auditorium, last Tuesday evening was a most delightful occasion for all who attended. The tables presented a most attractive appearance, and about 125 members and guests were served a most delicious fish dinner after the invocation had been pronounced by Rev. S. Conger Hathaway. Eight girls from the High school served as waitresses most efficiently. One of the pleasing features during the serving of the dinner, was the music furnished by the High school orchestra, which added not a little to the pleasure of the evening. Aside from the splendid numbers by the orchestra, solo numbers were rendered by Philip Millard, trombone; Elbert Seger, French horn and William Seger, cornet, all of which were exceedingly well rendered and received generous applause. Miss Gladys Schrader accompanied on the piano, the whole under the direction of Miss Fern Hall. After the eats, President George A. Smith made a few happy remarks, and then introduced the speaker of the evening, Capt. Edward Denniston of the Detroit House of Correction Prison Farm. Mr. Denniston said many things that we wish every parent of boys and girls might have heard. His whole life has been devoted to prison management, and he is qualified to speak understandingly on that subject. He does not believe in sending youthful delinquents to places of confinement to "reform them." The result is generally the reverse. He stated that all safeguards are thrown around the "girl" of the family, but the "boy" is largely left to his own devices and inclinations. He thinks this should not be. The boys most often get into trouble through thoughtlessness. Parents themselves are more to blame than their children if they go wrong. The right training in youth would save parents many later heartaches. Mr. Denniston also gave an interesting account of his management of the prison farm, and cordially invited the citizens of Plymouth to come out and pay them a visit. There are at present 412 men "located" there, all without the use of a single lock or bolt. His "men" are given three square meals a day and a good bed at night.

The Captain also made some very graceful and complimentary expressions to the business men of Plymouth for their hustling, qualities, and believed that under this spirit of energy Plymouth would continue to grow and prosper. His address was received with much applause as points were made, and at its conclusion, the Captain was the recipient of cordial congratulations. The entertainment committee who had the dinner in charge, and Earl Wellman the chef, are deserving of much credit for the success of the occasion.

### THE OTHER SIDE

In the article "Think it Through," published in last week's Mail, no mention was made as to why those people who spend the six work days of the week in continuous and intent application should be denied the free choice of resting and refreshing themselves in an hour or two of recreation on Sunday. Man needs recreation. Rest means relaxation and relaxation means recreation—to create anew the strength which has been expended in labor.

Less than a generation ago, when art galleries were opened on Sundays, it called forth vehement opposition very similar to the Sunday movie problem in Plymouth. Today art galleries are open to the public on Sunday in almost every city and none of the evil effects foretold have come to pass. Orderly crowds, consisting very largely of families of working-men, visit the galleries on Sunday, look at the creations of art, and are better for it.

Paul, the great lawyer-apostle, never spoke for observance of the Sabbath, but much of his teaching can be cited to the contrary. He warned his hearers to beware of men who kept days, weeks and moons, for they were hypocrites and impostors. When he was questioned as to his opinion about it, he answered that the SUNDAY WAS MADE FOR MAN AND NOT MAN FOR THE SABBATH.—Advertisement.

Mr. and Mrs. E. C. Vesley visited the latter's mother at Romulus, Wednesday.

### LOCAL THEATRE INSTALLS RADIO

The Pennington Allen theatre is one of the few theatres in the state that has installed a radio outfit on the stage of the theatre, and is receiving over the wireless the best musical concerts given by the Detroit News and in other cities. The radio was used for the first time last Saturday evening. Next Sunday evening the great picture film, "The Silent Call," which was just recently shown at the Capitol theatre, Detroit, will be the attraction. This is a most wonderful picture, and is highly spoken of by all who have seen it.

### ST. PATRICK'S DAY PARTY

A St. Patrick's Day dance will be given at the Pennington Allen auditorium, Friday evening, March 17th. Finzel's orchestra of ten men and a singer will furnish the music. This will be one of the finest parties of the season, and a large attendance is expected. Admission, \$1.00, tax paid. Spectators, 25c, tax paid. Dancing 9:00 to 1:00.

### ANNOUNCES HIS PLATFORM

The Mail received the following telegram, Monday, from W. B. Wilske, candidate for village commissioner, announcing his platform: St. Petersburg, Fla. Editor of Mail, Plymouth, Mich. Dear Sir: While I am still in Florida, I note in the columns of the Mail, that I was placed in nomination for the office of commissioner of the village of Plymouth, and the voters have a right to know what I stand for if elected, viz.: Bigger, better, cleaner place in which to live; wholesome picture shows on Sunday; a dollar's benefit for every dollar expended; representing the people and no special interests. W. B. WILSKE.

### LUTHERAN CHURCH MAKES SPLENDID GROWTH

The members of St. Peter's Evangelical Lutheran church of Plymouth, held their regular annual meeting in the church auditorium on Wednesday evening, March 1st. Although the weather was very inclement, there was a large attendance. After the opening of the meeting, Louis Reber, the secretary, addressed the pastor, and in the name of the congregation thanked him for his faithful service in building up the local Lutheran church, and also expressed the wish that he would for many more years remain the pastor and leader of the church. The pastor responded and thanked the members for their confidence in him.

The local Lutheran church has shown a gratifying growth in the last six years. From 18 voting members it has grown to 62, and from about 65 souls to 360. There are 76 children in the congregation, of which about forty attend the Sunday-school, while six years ago there were only about 12 children in the congregation. Widows, women whose husbands are not members and young ladies who are members, there are 34. The congregation also numbers 220 communicants.

The past year has been a very prosperous one. The services were well attended. There has been no discord among the members, and there has been a nice surplus in the treasury. William Blunk, who has served the congregation as deacon for eight years was re-elected. Also H. J. Fisher, who has been trustee for the same number of years, was returned into the same office.

Ten new members were taken in at the meeting and ten more are on the list to be taken in at a future meeting. May St. Peter's Lutheran church grow and prosper.

### REPUBLICAN CAUCUS SATURDAY

A Republican caucus for the township of Plymouth will be held in the village hall, at 2:00 o'clock, on Saturday, March 11th, for the purpose of nominating candidates for the various township offices and the transaction of such other business as may come before the meeting.

### VILLAGE ELECTION NEXT MONDAY

The annual village election occurs next Monday, March 13th, and it promises to be one of the most interesting ones that has been held here for years. Aside from the election of two commissioners, the people will vote on the adoption or rejection of an ordinance, licensing and regulating moving picture theatres in the village.

There are four candidates for the office of commissioner, of which two are to be elected. The candidates are as follows: George H. Wilcox, Karl W. Hillmer, William B. Wilske and William J. Burrows. The village commission at their meeting, Monday evening, voted to extend the time of closing the polls, next Monday evening, until 7:30 o'clock, eastern standard time.

### BOY SCOUTS ORGANIZATION

A movement has been started to organize a troop of Boy Scouts in Plymouth. A few years ago we had an organization of this kind that was doing fine work, but for lack of support, and the fact that a suitable room could not be secured in which to meet, the troop disbanded. It is altogether likely that the Chamber of Commerce will be asked to give their assistance in helping to get an organization of the Scouts started here again. More particulars will be given next week.

### CHANGE OF TIME ON PERR MARQUETTE

A change of time went into effect on the Perr Marquette last Sunday, which effects train schedules at this station as follows: To Detroit—No. 102 goes at 9:50 a. m., instead of 10:18 a. m. No. 104 goes at 2:25 p. m., instead of 2:45 p. m. To Saginaw—No. 103 goes at 9:15 a. m., instead of 8:57 a. m., and out at 3:20 p. m. for Toledo, discontinued. Only service now to points south of Romulus is via Detroit.

### BLUE LAWS A FAILURE

It is not the lack of blue laws that makes empty churches. It is the lack of a vital appeal in the church itself. Some denominations that never concern themselves with politics or blue or other summary laws never complain of lack of attendance. Those churches which observe Saturday as the Sabbath, in spite of all the inconvenience incurred thereby, have uniformly large congregations. Blue laws will not increase church attendance. The remedy for empty pews lies within the church and not without, and is a matter for the church to rectify and not the state.—Capitol Journal, Salem, Oreg., Nov. 29, 1920.—Advertisement.

O. OUR

S. SABBATH

Says Dr. Wilbur F. Crafts of Washington, D. C.:

"The business world, regardless of the religious views of some of its people, expects the Church to provide good citizens, who will neither sell votes nor steal goods. IF THE BOYS OF TODAY ARE TO BE MADE INTO SUCH CITIZENS, THERE MUST BE A DAY IN WHICH TO DO IT, and it is not in the interests of religion any more than of business and of patriotism that the day should be segregated from the tide of selfishness. Indeed, the one thing that needs to be emphasized above everything else in the defense of the Sabbath is that the human race, and especially Americans, need more than ever in the past one quiet day, if only to save their nerves; and one altruistic day, if only to prevent a degrading absorption in selfishness.

In every country where the Christian Sabbath has been seized as a day of pleasure, it has later been seized as a day of greed by the great commercial interests and business corporations, and 1000s of people have been forced to work on Sunday who formerly were free on that day. And as the Toledo Commercial well says: "In proportion as loose ideas in regard to the Sabbath grow, the number of persons required to work on Sunday increases."

**CAR KINDNESS**  
Why should your automobile be treated with less care and less consideration than your horse? There is something radically wrong with the man who can work with a horse day after day without some feeling of affection for him. If he does not have this affection, but feeds, beds and grooms the animal from selfish motives, he never gets out of him the degree and quality of service gotten by the man who has real fellowship for his horse. Why, then, should not the same conditions exist between a man and his automobile? But, some Plymouth readers will say, a horse has intelligence. Granted. But who will say that a properly cared for, a properly loved automobile may not have something that is at least akin to intelligence? Some how the spirit of a man gets into his car, and when it does we can't help but feel that he has the least trouble and the least to worry about so far as wear and tear are concerned.

**WHY NOT TRY THIS**  
Already many Plymouth housewives are giving spring housecleaning problems attention. And as usual the biggest problem of all is how to get rid of a lot of stuff that has accumulated, and for which new things will be purchased. Right there is where "mere man" can help out, and we want to pose as the "mere man" in this instance. We want to suggest that this season housewives of this community lay aside their worries about second-hand articles, and let this paper dispose of them. Surely there is someone who would like to have the very article of furniture you want to dispose of,

or the cook stove you are going to replace with a new one. A small notice in these columns at a cost of but a few cents will in most every instance find the party who has for some time been wanting just the very thing you are now wanting to dispose of. Your market is right here at home, if you only knew it, and your only way of finding out is by telling your neighbors—several hundred of them—just what you have for sale. It is worth trying, at least, and if several articles are advertised and you sell but one it will more than pay you for the modest cost of the ad.

## DEATH OF A GOOD CITIZEN

Aretus D. Ford, aged 72 years, a well known and much respected resident of this place, passed away at his home on South Main street, early Monday morning, after an illness of several weeks. While Mr. Ford had been in failing health for about two years, he was able to get about the greater part of the time, until five weeks ago, when he became seriously ill, and since that time had suffered greatly. Death was due to heart trouble resulting in dropsy.  
The deceased was born December 29, 1850, at Belleville, and was called home March 6, 1922, at Plymouth. He was the only son of Levi J. and Mary Ford, and his early life was spent at Belleville. October 6, 1872, he was united in marriage to Mary E. Stoffet of Romulus, who survives him. Two children, a son and a daughter were born to this union, both of whom are living, Maynard L. Ford of Detroit, and Mrs. Forest Gorton of this place. He also leaves three grandchildren, and one sister, Mrs. Ernest Canfield, of Pasadena, California.  
The deceased had been a resident of Plymouth and vicinity for the past thirty-four years, twenty-five years of that having been spent on a farm just south of town on Golden road. For many years he has been a member of Plymouth Rock Lodge, F. & A. M., and was a past master of that lodge. He was also a charter member of Belleville Chapter Order of the Eastern Star, later transferring to Plymouth, where he has since remained a member. He was always deeply interested in the advancement of these organizations, and anything for their betterment met his approval. His death marks the passing of a good citizen, a kind and loving husband and father, and a true friend and neighbor.  
The funeral services were held from Schrader Bros. Funeral Home, Wednesday afternoon at two o'clock, and were largely attended. Rev. S. Conger Hathaway, pastor of the First Presbyterian church of this place, conducted the services. Burial at Romulus. The bereaved family have the sympathy of many friends in their affliction.

## BASKET BALL GAMES

### Girls' Basket Ball Game

Friday night the Plymouth people went to Redford in a special car, for the basket ball games. All three teams played, the girls' team and the first and second boys' teams. The girls' game started between halves of the second team's game. The game started with Redford getting the first score, but Plymouth gradually gained on them, being 2 ahead at the end of the first half. During the last five minutes Plymouth was several points ahead until suddenly Redford got the ball up in their forwards' court and brought the game to a tie, 8 to 8, when time was called. The game was continued and by very hard and fast working and fighting of the Plymouth team, the ball was brought to their forward court, and Marion Kiely made a two-point basket, breaking the tie and ending the game. The final score was 10 to 8 in Plymouth's favor.

The line-up was as follows:  
Redford—  
Mason, R. F., 2 foul throws, 1 2-point throw, 1 personal foul, 1 technical foul.  
M. Hinkle, L. F., 1 foul throw, 2 personal fouls.

Wellsby, L. F., 1 foul throw, 1 2-point throw, 1 technical foul.  
Decker, J. C., 1 personal foul.  
Castello, S. C., 1 personal foul.  
D. Hinkle, E. G., 3 technical fouls.  
Burdick, L. G., 1 technical foul.  
M. Hinkle, L. G., 1 technical foul.

Plymouth—  
M. Kiely, R. F., 5 2-point throws, 3 personal fouls.  
M. Amrhein, L. F.,  
D. Hinnau, L. F.  
D. Freyd, J. C.  
G. Hake, S. C.  
R. Kidder, S. C., 1 technical foul.  
B. Mueller, R. G., 3 personal fouls.  
W. Shuttis, L. G., 3 personal fouls, 1 technical foul.  
Referee—Mr. Yeakey from Ypsilanti.

### "Rocks" Defeated 19-10

"The Rocks" traveled to Redford, Friday night expecting to give them their hardest game of the season. Twenty-four hours before the game everything looked bright; several hours before the special car was to leave it was discovered that Sutherland and Doudt would be unable to go because of sickness. After reaching Redford it was learned that their two forwards were ineligible and would be unable to play. This evened matters up, as both teams would be without their regular line-ups. Sayles sprained his ankle during the first five minutes and was unable to finish the game. With three regulars out the "Rocks" continued to give Redford one of the closest games of this season. Although, playing his first game, showed up well. Stevens hit his stride in the last half and succeeded in making three field goals.

The line-up was as follows:  
Redford—  
James, R. F.; Krey, L. F.; Merritt, C.; Burt, R. C.; Dennis, L. G.

Plymouth—  
Hickey, R. F.; Stevens, L. F.; Sayles, C.; Richwine, R. G.; Holmes, L. G.  
Substitutions—Williams for Sayles; Miller for Richwine; Reddeman for Hickey; Sawyer for Krey.

### Young Men's Club Defeats Northville

Northville played their return game with the Young Men's Club, last Friday, March 3rd. The entire team from Northville did not come over to play as they had agreed, so Northville had to play handicapped with only two regular players.

The girls were also disappointed, when the Northville girls failed to return their game. The Northville girls refused to play at the last minute on a date before, which was scheduled with the Alumni girls, making it too late for the Plymouth girls to get a game elsewhere. Many of the people were disappointed, as they came purposely for their game.

The Young Men's Club has lost all interest in the team, as the enthusiasm of the team is shown by only a few of the fellows. They had only five players to play with against Northville. The position of the two regular players from Northville were center and left forward, leaving our forwards unguarded practically all the game. They showed their accuracy in shooting baskets, as only a few were missed. Walker of Plymouth, played left guard for Northville in the last quarter. The score at the end of the half was 28 to 8 in Plymouth's favor. The game was a fast and clean one for both teams. Schrader took the tip off from Litzzenburger about every time. The game was more of a comedy, as some of the players did not as yet have quite enough basket ball experience. The final score was 42 to 25 in Plymouth's favor.

Northville's line-up was:  
R. F. German  
L. F.—Larsen  
C.—Litzzenburger  
R. G.—Snow  
L. G.—Star  
Plymouth line-up was:  
R. F.—Wollgast  
L. F.—Burch  
C.—Schrader  
R. G.—Hanchett  
L. G.—Kuhn

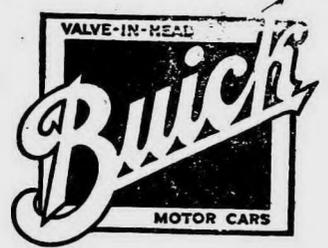

Goals and fouls for Northville were: German, 3 field goals; Larsen, 5 field goals, 1 free throw; Litzzenburger, 4 field goals; Star, 1 personal foul.

Goals and fouls for Plymouth were: Wollgast, 3 field goals, 2 personal fouls; Burch, 11 field goals; Schrader, 6 field goals, 1 personal foul; Hanchett, 1 field goal, 1 personal foul; Kuhn, 1 personal foul.  
Referee—Fred Millard.

LABOR AND SUNDAY CLOSING
(From Dearborn Independent, August 20.)
Australia is admittedly a land of democracy. We paid it the compliment some years ago of adopting the form of ballot which is originated to insure honest elections. It has long enjoyed those eminently democratic measures of initiative, referendum, recall and proportionate representation. For a generation or more it has been ruled by "Labor" governments.

THE NEW AMERICA
(From address of Dr. Wilbur P. Crafts.)
The New America that is to emerge from this reconstruction era will be free from some flaws that marred the old America—from twelve evils that have stalked this continent that are now dead or dying; piracy, duelling, slavery, polygamy, prostitution, pugilism, lotteries, race gambling, the opium traffic, the saloon, anarchy, Bolshevism. Some of these are squirming noisily, but it is their death struggle.

LABOR AND SUNDAY CLOSING (continued)
These considerations give special weight to a letter from Melbourne to the World Tomorrow in which Sidney Strong, of Seattle, who had been attending the Trade Union Congress of Australia and New Zealand, writes:
"I am greatly impressed with certain labor conditions here, among them the universal 48-hour week, Saturday afternoon closing of all business, ditto on Sunday; no theaters nor amusements on Sundays, no street cars on Sunday forenoons—all of these from labor's demands."

most prosperous persons in the community, and Sabbath-keeping nations have excelled all others physically, mentally, morally, financially, and politically. Two-thirds of the world's mail is in the English language, indicating a corresponding pre-eminence in the two things the mail stands for, intelligence and wealth, reminding us of the historic fact stated by our great historian, George Bancroft, that the best examples of safe and sane popular government have been found in the area of the British-American type of Sabbath observance. The Continental Sunday Hallam called "the holiday of despotism." The American Sabbath is the holy day of freedom.—Advertisement.

THE PLYMOUTH MAIL, FRIDAY, MARCH 10, 1922 (continued)
The purpose of the Sabbath is only half expressed in saying it is a day of rest and worship. Jesus put the chief emphasis on the Sabbath as a day freedom from selfish activities that it might be wholly devoted to altruistic work—a day not for doing nothing but for doing good. He healed the sick in contradiction to the Pharisaic rules, in eight different sections of Palestine to emphasize this constructive side of Sabbath observance; and when he came back from Heaven to visit John, he told him how to observe that day, not by doing nothing, but by writing seven letters to make seven cities better—a form of altruistic effort within the reach of almost everybody, and an example that ought to be widely and habitually followed.

METHODIST MATTERS
Partnership Day was observed last Sunday in the Sunday-school with a pleasing reading by Mrs. Doerr, on, "Stewardship." The Daughter and Mother banquet on Tuesday night, was a very successful affair. The banquet room was filled and a splendid program followed. A Father and Son banquet will be held in the near future. The Missionary Societies met at the church on Wednesday with a pot-luck dinner at 1:00, at which the district officers of the W. F. M. S. were guests. A delightful afternoon was spent together. Prayer meeting, Thursday evening, at 7:00, with studies in Stewardship, followed by the Teacher Training class. Moving picture program on Monday night. Feature, "The Daughter of the Bank." NEWBURG
Everybody welcome at Sunday church services at 11:00 o'clock; Sunday-school at 12:15, and Epworth League at 7:00. The Ladies' Aid will not meet on Saturday as planned. The next meeting will be held next month. The Epworth League held a business meeting and social time, Thursday evening in the hall. The people of the community were very sorry to hear of the death of Mrs. H. A. Elliott. She passed away on Sunday at her mother's home in Detroit, where she had been for some time to receive treatments for the disease which laid hold of her less than a year ago. Her husband and three little boys, Donald, Douglas and Robert have the sincere sympathy of their neighbors in their great loss. Her funeral took place, Wednesday afternoon, from 5020 Twenty-third St., Detroit. Interment at Grand Lawn cemetery. Charles Ryder, who arrived home from his California trip a week ago with a hard cold, has been confined to his bed nearly ever since. Erysipelas developed and at this writing he is in a very serious condition. Mrs. Ryder and their son Ray, arrived from Chicago, Tuesday afternoon. One Missouri county last year had 160 weddings and 160 divorces. Marriage is still a tie in that community.

Ezek. 10:2. "And he spake unto the man clothed with linen and said, go in between the wheels, even under the cherub, and fill thine hands with coals of fire from between the cherubim and scatter them over the city, and he went." "Linen," "wheels," "cherub," "hand," "fire," "city," all have a deep significance in the bible today. What then is the picture of this chapter? What parts of it are almost identical with chapter one? Come to the meeting March 12, and study it with us. Welcome.

A host of Detroit friends of Mr. and Mrs. John Redding gathered at their home, Sunday, giving them a happy surprise.

Mr. and Mrs. William Garchow called on Mr. and Mrs. Frank Peck, Mr. and Mrs. John Baze and Mr. and Mrs. John Landau, Sunday.

The party at Perry Losey's was largely attended, and a good time had by all.  
Mr. and Mrs. Frank Peck, who have been sufferers from a severe attack of la grippe, are some better at this writing.

Mrs. Ida Stringer was a Detroit shopper, Thursday, and Mrs. William Garchow had charge of the store.

The occasion was Mr. Chilson's seventy-fourth natal anniversary, and the affair was planned by his daughter, Mrs. Ed. Halstead of Novi. There were twenty-two guests who partook of the sumptuous dinner, and an attractive part of the meal was the huge birthday cake, bearing candles representing the years of his age, which graced the table. The afternoon was spent socially, and those who wished to do so, indulged in a game of cards. Mr. Chilson was presented with a number of useful gifts, including a gold coin. **"THE BAT" COMING TO WUERTH THEATRE**

Can you keep a secret? That is the question you will be asked before you see "The Bat," the sensational dramatic success of all years by Mary Roberts Rinehart and Avery Hopwood, which Wagenthal and Kemper present at the Wuerth theatre, Ypsilanti, on Tuesday, March 14th.

"The Bat," as you probably know, has proven the sensation of the theatre. It has played for more than a year in New York and is still playing. It has a run of one entire year to its credit in Chicago, the longest run, incidentally, ever scored by any play in that city. Moreover, it has proven an unequalled triumph wherever and whenever it has been seen. And everyone is asked to keep its secret.

The fact that critics and public alike have kept faith with both authors and managers in preserving the secret of the play, has had not a little to do with its astounding success. Without a doubt, the unexpected climax of "The Bat" is the most surprising finish to a play ever staged. And it is this climax that is so carefully guarded as a secret. Certain it is that not one person who has ever seen the play has been able to guess its finish in advance.

Some critics have described "The Bat" as a dramatic smash. Others have co-tented themselves with telling their readers that it is a play that holds the audience breathless from start to finish. Still others—and they have been many—speak of "The Bat" as a play that will furnish a topic of conversation for weeks after it has come and gone.

"The Bat" is presented exactly as staged in New York and Chicago, and with an exceptional cast, which includes: Kate Blanche, Helen Carew, Cecile Cummings, J. G. Bertin, Jos. Rawley, Rich. Mansfield, Courtney White, Wyrley Birch, Roy La Rue and Sam Kuster. Seats on sale—Thursday, March 9th.

**OBITUARY**

Allie Emily Rundall, daughter of Myron and Poly Ann Rundall, was born in Southfield, Mich., July 26, 1837, and departed this life, March 5, 1922, at the age of 84 years, 5 months and 9 days. Nearly all her life was spent in and around Salem. Her mother died when she was a tiny babe, and she went to live with her grandparents, until her marriage on January 1, 1874, to Harvey Nelson of Salem. To this union five children were born. The eldest, a daughter, Rosa May, died at the age of two years. When a young girl she was converted and united with the Baptist church. Her life was a wonderful exemplification of the "Christ life" lived within. She was of a kind, sympathetic nature. No one who ever came to her for sympathy ever went away uncomforted. Those who knew her best, loved her most. She was a devoted mother, a neighbor never to be forgotten; a friend—most highly cherished. Five years ago she came to live with her son, Floyd, of this place. She had been a great sufferer at times, but her pain was always borne with christian fortitude. To visit her was always a benediction. She believed implicitly in the loving kindness of her Heavenly Father. Through sunshine or shadow, He was her unfailing friend. She leaves to mourn their loss, her husband, two daughters, Mrs. Edward Smith of Plymouth, and Mrs. Gilbert Howe of Plymouth, and two sons, Floyd and Cordie, also of this place; three grandsons, Clyde and Berl Smith of Salem, and Clifton Howe of Plymouth, and one great granddaughter, Winnifred Smith. One dearly loved grandson preceded her to the heavenly home, a few short months ago.

The funeral services were held from the home on Union street, Wednesday afternoon at 2:30 o'clock, Rev. D. D. Nagle officiating. Interment in Riverside cemetery.

Our hearts are bowed down with sorrow.  
Our loved one has slipped away;  
Out from life's toil and tumult  
Into God's Glorious Day.

And we, who knew and loved her,  
Of heard her voice in prayer;  
Knew how, at the feet of the Saviour,  
She laid her every care.  
We know, beyond our vision,  
In a robe of purple and white,  
She is singing a song of triumph,  
In that beautiful city of light.  
Her's is a grand reunion  
With loved ones to her, so fair;  
We can only prepare to meet her,  
In that city of light, Over There.

The stewardship cards were passed, last Sunday, and a few signed; others will hand theirs in next Sunday. Some have been following the plan for two, five and seven years, and find it the one way to give to the Lord—on a regular plan.

Harry Sayles Sunday-school class has been having a contest for some weeks, and the losing side gave a banquet to the winners in the church parlors, last Tuesday evening. It was a good feed, and a good time was enjoyed by all.

The Ladies' Aid society was held at the home of Mrs. Lewis Schaal on Amelia street, last Wednesday afternoon. They are getting ready for their Easter Bazaar and supper, which is billed for April 12th.

About thirty-five friends of Mr. and Mrs. Sayles called and gave them a genuine surprise, Saturday evening. It was Mrs. Sayles' birthday. **What John C. Freund said**

This illustration is from an actual photograph. It shows Vasa Prihoda making his comparison test at Aeolian Hall, New York City, on October 16th, 1921. John C. Freund (seated right), who is Editor of Musical America and President of the Musical Alliance of America, wrote Mr. Edison:

"When the Prihoda recital was over, I was present at a tone-test in which Prihoda's actual playing was compared with its RE-CREATION by the Edison Phonograph. I was astounded to find that I could not tell when Prihoda was playing or when your phonograph was playing."

**PRIHODA is your greatest violinist**

Do you realize that the greatest vocal and instrumental performances are brought by the New Edison?

A visit to our store will disclose the surprising facts. Take the greatest violinist who records for the talking-machines. Compare him, as he sounds on the talking-machines, with Prihoda, as he sounds on the New Edison. You'll find that Prihoda is infinitely greater.

Why? Because Prihoda's playing is RE-CREATED by a phonograph so perfect that there is no difference between the artist's living performance and his RE-CREATED performance. This has been proven by the test of direct comparison,—which no other phonograph or talking-machine can sustain.

**\$(Fill in your own first payment)**

is the price of putting the incomparable New Edison into your home. We mean it. How much spare money have you in your pocket, or in your bank account right now? We'll accept it as a first payment so long as it is sufficient to indicate good faith. The balance you can budget to your own convenience. Come in! Select your instrument!

**Compare! Compare!**

Several artists have made recordings for both the New Edison and the talking-machines. Hear the two versions—and compare! This will show you that only the New Edison brings the truly great musical performance.

These will also be submitted to  
the electors for passage or rejection  
an ordinance in accordance with the  
following resolution:

Resolved by the Commission of  
the Village of Plymouth, State of  
Michigan,—

Whereas, in the opinion of this  
Commission, the subject of regulat-  
ing theaters and moving picture  
shows in this village should be de-  
cided by the people,

Therefore, be it resolved that the  
Village Commission submit to the  
electors of said village for approval  
or disapproval the following "Ordi-  
nance providing for the licensing  
and regulating of theatres and mov-  
ing picture shows in the Village of  
Plymouth, State of Michigan," at  
the regular election to be held on  
March 13, 1922.

AN ORDINANCE providing for the  
licensing and regulating of thea-  
tres and moving picture shows in  
the Village of Plymouth, State of  
Michigan.  
The Village of Plymouth Ordains:

Section 1. From and after the  
taking effect of this ordinance, it  
shall be unlawful for any person or  
persons, firm or corporation, to es-  
tablish, maintain or operate, within  
the limits of the Village of Plym-  
outh, any theatre or moving picture  
show until a license therefor shall have  
been given by the Village Commis-  
sion.

Section 2. Application for licenses  
shall be made to the Village Com-  
mission and shall be filed with the  
Village Clerk for presentation to the  
Village Commission. Application  
shall set forth the name of the ap-  
plicant or applicants and of every  
person interested in the issuance of  
the license applied for, together with  
the business and residence addresses of  
such persons, PROVIDED that if  
the applicant be a corporation, this  
provision shall apply to the officers  
and directors of said corporation only.

Each application shall set forth  
the place or places where it is pro-  
posed to establish, maintain or oper-  
ate the said theatre or moving picture  
show, for which such license is asked.

Section 3. The Village Clerk shall  
keep a record of all applications for  
licenses hereunder and shall present  
such applications at the next  
meeting of the Village Commis-  
sion after they shall have been filed  
by him. If the commission, upon  
examination of the matter, shall  
deem the issuing of a license con-  
sistent with the safety and good  
government of the village and the  
welfare of its inhabitants, the clerk  
may be directed to issue the license  
upon the payment of the fee hereinaf-  
ter provided for.

Section 4. Before any license shall  
issue under the terms of this  
ordinance the applicant or appli-  
cants shall pay to the Village Clerk,  
as a license fee for establishing,  
maintaining or operating such thea-  
tre or moving picture show, the sum  
of one dollar per annum. The pay-  
ment of the aforesaid sum shall en-  
title the licensee or licensees to  
establish, maintain and operate such  
theatre or moving picture show for  
the period of one year, subject to  
the provisions of this ordinance.  
PROVIDED, that licenses under the  
provisions of this ordinance shall  
begin to run and date from the first  
day of May in each year and no  
license shall be issued for less than  
the full annual fee, except when the  
application is filed more than six  
months after the first day of May  
and in such case the applicant shall  
pay one half the annual fee for the  
remainder of the year up to the first  
day of the following May.

Section 5. The commission shall  
have the power to appoint a commit-  
tee to ensure and examine all films  
for all moving picture shows and no  
films depicting the commission of  
crimes of any kind shall be exhibited  
and the commission shall have the  
power to suppress any questionable  
exhibition.

Licenses issued hereunder may be  
revoked at any time by the Village  
Commission for violation of the terms  
of this ordinance, violation of any  
state or federal law or violation of  
any reasonable police regulations of  
the Village Commission generally im-  
posed upon licensees under this or-

## WOMAN'S CLUB

The ninth regular meeting of the  
Woman's Club was held in the kinderg-  
garten room of the school building,  
February 24th. Mrs. D. F. Murray,  
president, presided over the business  
session, with 29 active and 10 asso-  
ciate members in attendance.

Roll Call was responded to by  
the names of "Great men born in  
February."

The program was in charge of Mrs.  
Fred A. Dibble, chairman of Division  
IX.

A paper by Mrs. F. A. Dibble, en-  
titled, "Aviation," was ably handled,  
every word of it being full of up to  
the minute interest and information,  
much of which was memorized. The  
material presented showed much  
preparation and study. One could  
not help but feel his next machine  
must be an "air one," and that he  
would go up-and-up!

A trio, consisting of Mrs. Maxwell  
Moon, Mrs. William Bake and Mrs.  
J. L. Olsaver, beautifully rendered,  
"The Angels Song," by C. B. Rich,  
and "Sweet Music," by  
Edward Elgar, accompanied at the  
piano by Mrs. Gilbert Brown and on  
the violin by Harry Gebhardt.

Mrs. Winn B. Hubbell presented the  
subject of "Dress Reform," in a paper  
of much interest to all. She suggest-  
ed not beginning such reform with  
the school girl, however, but perhaps  
in the Parent-Teacher Association.

The closing number on the pro-  
gram was a piano solo, "Bagatella,"  
by Beethoven, rendered by Miss Bar-  
bara Bake. She graciously respon-  
ded to an encore, "Minuetta E Trio,"  
by Schubert.

In the Girls' Glee club, solos were  
rendered by Dorothy Hinnau and  
Clara Grimm. The orchestra fur-  
nished the program for senior as-  
sembly, last Friday, including a solo  
by Philip Millard. Tuesday last,  
Elbert Seer played a French horn  
solo in orchestra meeting.

During the month of January,  
there were 243 calls in the juvenile  
department of the library and dur-  
ing February there were 1068 books  
withdrawn.

High school cards were sent out,  
Wednesday noon.

The Rev. Mr. Nagle addressed the  
High school assembly Friday, giving  
them a thoughtful and inspirational  
talk.

Two girls in High school have re-  
ceived signals recognition for work  
done in cooking and sewing clubs,  
namely, Clara Hauk and Theo Sweg-  
gles. After the work is done in the  
local clubs, the girls report their  
work with a story of the club's ac-  
tivities, to the county club leader.

These reports are graded, and the  
county champion is selected. The  
prize for this championship is  
which expenses for a visit to the  
Michigan Agricultural College and  
Lansing, given out at the close of the  
school next summer. The reports of  
all county champions are then sent  
in to Miss Elda Robb, the state club  
leader. These reports are again  
graded for the state championship.

Clara Hauk won this in cooking and  
Theo Swegles in canning. This  
means all entrance fees to the agri-  
cultural college are paid for these  
two girls. The amount of cooking  
and canning does not count so much  
as variety. The girls must also be  
ready to demonstrate at whatever  
fairs may be held where they can  
get to them.

A CARD—We wish to thank our  
many friends for their expressions of  
sympathy, for their help and the  
many beautiful flowers, and those  
who furnished autos, during our late  
bereavement.

Mrs. Gladys Baker  
and daughter, Ardith,  
Mrs. Fannie Baker and Sons,  
Mr. and Mrs. Herb. Terry  
and Leone,  
Mr. and Mrs. Harry Terry,  
Mr. and Mrs. Frank Terry,  
My. and Mrs. Wilbur Gould.

## Episcopal Notes

Franklin L. Gibson preached last  
Sunday morning and delivered a very  
impressive address, taking his text  
from St. Johns 10:31. "Then the  
Jews took up stones to stone Him,"  
and from these words Mr. Gibson  
drew some very valuable lessons to  
practice in our every day life.

Dr. John McNeil, the Scotch evan-  
gelist, will deliver a series of noon-  
day addresses in the Garrick  
theatre in Detroit, during the ses-  
sion of Lent, between the hour of  
12:00 to 12:50. These meetings have  
been organized by the Detroit Coun-  
cil of Churches, which is composed of  
members of all the Protestant  
churches in Detroit. The council ex-  
tend a cordial invitation to all to hear  
this famous evangelist.

Last Wednesday evening the  
monthly vestry meeting was held at  
the home of Sidney Strong in the vil-  
lage hall, and there was a full at-  
tendance. The meeting was pre-  
sided over by Franklin Gibson. Sidney  
Strong, secretary, read the minutes  
of the last meeting; Arthur Torre,  
treasurer, gave an account of the  
financial standing of the mission to  
date, and during discussion of gen-  
eral church matters Dr. Jennings and  
Paul Ware offered some useful sug-  
gestions.

Last week the Ladies' Guild was  
held at the home of Mrs. Fred Schau-  
fele. There was a good attendance  
and a nice lunch was served, which  
was enjoyed by all. This week the  
Guild will meet at the home of Mrs.  
Sidney Strong on Penniman avenue,  
and a full attendance is requested.

Word has been received that Robert, the young son of Mr. and Mrs. L. I. Tefft of this place, who has been in a Saginaw hospital since last December and has undergone several operations for mastoid, is not improving as rapidly as hoped for.  
 Mrs. Archie Herrick was hostess at a pleasant dinner party at her home on Sheridan avenue, Elm Heights, last week Thursday, March 2, the occasion being her birthday. About twenty relatives were her guests for the day. Her sister, Mrs. A. L. Miller of Brighton, was an out-of-town guest.  
 About thirty-five friends surprised Rev. and Mrs. H. E. Sayles on Mill street, last Saturday evening, it being the lady's twentieth birthday. Mrs. Sayles received many tokens of esteem and friendship. A bountiful supper followed a short program of readings and singing. All report a very enjoyable evening.

Mrs. B. F. Vealey was very agreeably surprised at her home on Ann Arbor street, last week Thursday evening, March 2, when about thirty-five relatives and friends gathered there in remembrance of her seventh birthday. Progressive penmanship was the entertainment of the evening, after which a fine lunch was served. Mrs. Vealey was the recipient of several nice gifts in remembrance of the occasion and at a late hour, the guests departed wishing her many happy returns of the day. The following out of town friends were present: Mrs. Grace McKinstry of Bowling Green, Ohio; Mr. and Mrs. Maynard Post of Romulus; Mr. and Mrs. George Robinson, two sons, and mother, Mrs. Electa Robinson, Ben Berry, wife and son, Charles, Mr. and Mrs. Tom Bradburn, and Mr. and Mrs. John Shanbo of Belleville.

You wouldn't think of leaving your piano or your dining room furniture set out in all kinds of weather—rain, snow or blazing sun.

Your car should be as well taken care of as these. It cost many times more, is even a greater convenience and is entitled to at least equal treatment.

A neat, substantial garage is a good investment. It will increase the value of your property more than the amount necessary to build a garage. A garage will keep your car bright and new, lengthen its life and lower the cost of upkeep. Give your car a square deal.

**"DAUGHTER AND MOTHER" BANQUET**

An affair of rather unusual significance was put across by the ladies of the M. E. church on Tuesday evening of this week. Previous to the evening, each girl in the Sunday-school above the primary department, received an invitation to a "Daughter and Mother" banquet. A "mother" being the only ticket of admittance. The church dining room was gracefully decorated with white streamers and bells, and the tables gleamed with glass and silver. Covers were laid for 300. The men of the church served the banquet, with the boys of the young men's class as helpers. The officers of the Ladies' Aid and their guests, together with the speakers of the evening, filed into the dining room first and the rest followed, rapidly filling the tables. After a sumptuous dinner, during which the male orchestra gave inspiring music, Mrs. Dickerson welcomed the guests in behalf of the Ladies' Aid. Following this, the toastmistress, Mrs. Karl Hillmer, in her usual witty and engaging manner, introduced the speakers who responded to the following: Song, "O Mother O Mine"—Mrs. Nagle. A Mother's Ideals—Mrs. Thomas. A Daughter's Ideals—Miss Roma Fisher. Song—Eleanor Ruth Fitzgerald, accompanied by Velda Larkins on the violin. A Mother's Dream House—Mrs. Frank M. Field. Toast to Mothers—Eva Griffith. The guests then arose and all joined in singing, "Blest be the Tie that Binds," and each departed vowing the first daughter-mother banquet a success in every way, and hoping it prove an annual event.

Still another thing that makes us opposed to wide-open immigration laws is that too many come over here with the idea that they can get rich without working.

**VILLAGE WILL RETIRE SOME WATER SYSTEM BONDS**  
On March 15th, 1922, village water works bonds to the amount of \$30,000 fall due. \$10,000 of these bonds is held by the local bank and will be paid up and retired by the village. The money to do this is made available because of the fact that there is a surplus left from the \$75,000 bond issue sold a year ago, for the water system improvements carried out last season, and for the reason that some of the contracts were let for a sum considerable less than the engineer's estimates called for. The remaining \$20,000 will be refunded, the bonds having been sold to the Whittlesey, McLean & Co. of Detroit, who offered to buy the bonds at par and pay 5 1/2 per cent interest. This will reduce the bonded indebtedness of the village from \$120,000 to \$110,000.

Two Brothers Unexpectedly Inherit Vast Wealth.  
NEVER DREAMED OF RICHES

Romantic Stories of Sudden Wealth  
Outdone When Two Workers in Shoe Factory Fall Heir to \$5,000,000  
Each—Will Continue to Work at Their Benches Despite Life of Luxury They Might Lead—"Might Buy a Car," Says One of Them.

Romantic stories of sudden and unexpected wealth were all outdone when two workers in a shoe factory at Haverhill, Mass., learned recently that they had fallen heir to \$5,000,000.  
"I intend to have the house painted," Patrick Canning, the elder of the two, said when told of his good fortune. "That is the first thing. Then I might buy a car. I might—but again, I might not. I never owned one, and I am not quite sure whether I want to."  
James Canning, his brother, and sharer in his good fortune, had a similar program. It was all so unexpected, and they were so happy in their modest way of living they felt bewildered.  
They knew that they were related to an Edward J. Curley, who lived in Kentucky. Years ago he had given them \$20,000, and had enabled them to build their own homes and to have a small nest-egg. But they thought this gift was all they could ever dream of getting from their kinsman, who spent his time between Kentucky and Paris.  
But Curley had other plans. His life, too, had been of humble origin, and he had a greater interest in his relatives than he admitted to any one.  
It was only after years of hardship that fortune smiled on him. He had come to America 77 years ago, when he was nine years old. Somehow he had picked up an education at eastern academies and had started to teach school in New England.  
Relative Never Married.  
He obtained a school in Kentucky when the Civil war broke out. He hoped to make good, return to New England, and marry a girl he had met who belonged to a wealthy family.  
He enlisted in the Confederate army and became a major. The veteran of many of the greatest battles of the war, he visited the girl in New England. But she could not forgive his service under the Confederate flag.  
He returned to Kentucky and became interested in the distilling business. He plied up a great fortune. The correspondence between him and the New England girl continued until her death at eighty. But he never married.  
Of the five grand-nephews, only James and Patrick survived. While letters from their uncle were not frequent, they kept in touch with him, and upon the rare occasions that he did write, he manifested a friendly interest in their affairs.  
Notwithstanding, they protest that his final demonstration of affection for them was wholly unexpected. They anticipated some sort of remembrance, perhaps, but not so much as they received.  
Never Dreamed of Wealth.  
However that may be, the fact is that Major Curley bequeathed to the two brothers his entire estate.  
"We figure we've always done pretty well," said James Canning. "We've had our health, and worked hard. The money uncle gave us many years ago established us so that we didn't have to fear poverty, but as for being rich—well, I don't know," and he shook his head. "I'm afraid I'm too old to change my way of living. The children ought to enjoy the money, though. My boy is a shoe cutter. I don't know what he'll want to do. When the factory opens I think I'll go back to the job. I'd be sort of lost without it."  
Patrick Canning was pruning a tree in his little garden. "Yes," he said, reluctantly. "It's a lot of money. My wife and I probably will go away on a little vacation, but we'll come back to Haverhill. No, I don't expect to leave my present home. Why should I? It's been good enough to live in for a good many years, and why not now? We love it, our friends live here. Why should we go away and be lonesome and unhappy just because the world thinks we ought to? We'll stick here, my wife and I."

**Today's Reflections**

Some Plymouth women attract attention simply because they make no effort to attract it.  
Just about how much ought that new volcano that has been discovered in Montana to be worth under the law of supply and demand?  
We heard one Plymouth man say yesterday that if "jazz music" is dead, as reported, he knows where it has gone to.  
Blind tigers seem to belong to the cat family, so far as nine lives are concerned.  
Peace, says a New York editor, is a state of mind. Yes—of mind your own business.  
The greater part of any Plymouth family's worries comes from buying the things they don't need.  
It is rumored the new silver dollars are uneven and will not stack up. Personally, we don't know whether we will ever get a chance to try stacking them or not.  
If a Plymouth girl wishes to be popular with the boys, she must carefully conceal the fact that she has more sense than they have.  
Money goes a little farther now, but it is still unable to go as far as next pay-day.  
What has become of the old-fashioned Plymouth man, who used to refer to his wife as "the old woman."  
If some of these reformers we have on earth ever get to heaven they will want to suggest an exchange of the phonograph for the harp and flying machines for golden wings.
