DEATH OF ROY J. ROBINSON

It was with a feeling of sorrow that Plymouth citizens learned of the death of Roy J. Robinson, World War veteran, which occurred at the home of his parents, Mr. and Mrs. W. A. Robinson on Kellogg street, Friday morning, November 17, after a long illness.

Roy J. Robinson, youngest son of Mr. and Mrs. William A. Robinson, was born December 10, 1889, in Nankin township, Wayne County, Michigan, and died Nov. 17, 1922, at Plymouth, Michigan. His early life was passed on his father's farm near Wayne. In February, 1913, he went to Peace River Crossing, Alberta, Canada, where in March, 1916, he enlisted to fight in the World War. In November, 1916, he went overseas with the Edmonton Highlanders, with whom he fought, first in the trenches, later as a sapper, receiving wounds and other effects of his war service from which he never fully recovered.

He was honorably discharged from the service in June, 1919, and returned to the U. S. After a short visit with his parents, he returned to Peace River Crossing, where he remained until July of this year, when, on account of his failing health, he was brought to the home of his parents, where he has remained until his death.

He leaves to mourn their loss, besides his aged father and mother, four sisters and two brothers. The funeral was held from Schrader Bros. Funeral Home, Sunday morning, at 10:00 o'clock, Rev. G. H. Whitney officiating. Burial in Glenwood cemetery, Wayne. Three soldiers and three sailors, veterans of Foreign Wars, acted as bearers. A detail of comrades fired a volley over the grave, and taps were sounded by a bugler.

PLYMOUTH TO HAVE A POULTRY SHOW

The poultry fanciers of Plymouth and vicinity will hold a poultry show here, next January 10 to 13 inclusive. The following officers have been chosen for the ensuing year: President—E. D. Fuller; Vice-president—Robert Turley; Secretary—W. A. P. Wernett; Treasurer—Maxwell Moon. These officers, with the following, comprise the executive board: Orr Passage, Wilbur Gould, Stephen Jewell, Wm. Micol. Phantett Brown has been chosen as superintendent of the show, with Frank Oldenburg as assistant.

Wm. Wise of the M. A. C., has been selected to act as judge. The show will be held in the Penniman hall, and from the present outlook there is going to be a big exhibit of birds.

ANOTHER BIG PICTURE COMING

Another big film picture is coming to the Penniman Allen theatre on December 3rd, when "Strongheart," the wonder dog, in "Brawn of the North," will be shown. This picture just recently had a big run at the Capitol theatre in Detroit. The management of the local theatre are giving the people of Plymouth and vicinity, the very latest and best pictures that are being produced, and are bringing to Plymouth all of the real big pictures as fast as they are released. The picture shown last Saturday night, Richard Barthelme in "The Bond Boy," was exhibited in Plymouth, for the first time in the state, and is being shown at the Capitol theatre this week. The large crowds that are attending the local theatre is evidence that people are appreciative of the efforts of the management to give Plymouth the best.

A FIRE IN BUSINESS SECTION

What might have proved a serious fire broke out in the bakery department of C. A. Hearn's store, last week Thursday evening about eight o'clock. The bakery is located in a wooden addition to the store building at the rear, and this was partially destroyed by the flames, which would have gained quick headway, had it not been for the prompt work of the firemen. The fire also damaged the wooden annex of the Huston building adjoining to some extent. Mr. Hearn estimates his damage to goods in the store room at the rear, as being in the neighborhood of \$200, while the damage to Mr. Huston's property will amount to about the same. Both were covered by insurance. The damage to the bakery building, which is owned by George Taylor, was covered by insurance.

CELEBRATED GOLDEN WEDDING ANNIVERSARY

On November 22nd, 1872, at the home of the bride's parents, Mr. and Mrs. Samuel Seaman, of Burlington, Michigan, occurred the marriage of their daughter, Louisa Jane, to H. A. Spicer of Marshall, Michigan, and on Wednesday, November 22, 1922, the bride and groom of so long ago very happily celebrated the fiftieth anniversary of that wedding, at their pleasant home, at 369 East Ann Arbor street.

During the afternoon, some sixty old neighbors, relatives and friends gathered to congratulate them and wish them many more years together. Mr. and Mrs. Spicer, the latter becomingly gowned in black velvet and wearing a beautiful corsage of yellow mums, entwined with yellow baby ribbons received their guests in the large living room which was very attractive with many baskets of yellow mums.

The dining room, where Miss Elizabeth Paice, grand niece, and Miss Louise Spicer, granddaughter, dispensed yellow and white brick ice cream and cake, was very prettily decorated with yellow crepe paper and quantities of yellow and white mums. The serving table was centered by a large white cake, daintily decorated with tiny forget-me-nots, pink rose buds and yellow daisies in frosting and having a gold "fifty" in the center. It was a work of art and later when cut, at the family dinner to which thirty-one relatives sat down at seven o'clock, proved to be very delicious.

Although it had been specially requested that presents be omitted, the "bride" received several pieces of gold money, a pair of exquisite candlesticks, being china, overlaid with gold leaf, and many beautiful flowers, among the latter being a large bouquet of mums brought by Mrs. H. A. Hills' Sunday-school class, of which Mrs. Spicer has long been a member, and who came in a body to wish her joy.

Those present from out of town were: Mrs. Wise of Reed City; Mrs. F. Brown of Farmington; Mr. and Mrs. William H. Wakely and daughters, Mr. and Mrs. F. A. Spicer and daughters, Mr. and Mrs. N. W. Ayers, Mrs. Fannie Barker and Mrs. John Matthews of Detroit; Mr. and Mrs. W. R. Barker, son and daughters of Sheldon; Mrs. Maggie Clark and Mrs. Walter Albans of Belleville; Mr. and Mrs. Lester Clark of Ypsilanti; Mrs. Mary Clayborn, Mrs. L. B. Thompson, Miss Elizabeth Paice, Lawrence Paice and Arthur McKinstry of Marshall; Mr. and Mrs. S. W. Spicer and daughters of West Plymouth, and Miss Mabel Spicer of Indianapolis, Indiana.

ANNOUNCE OPENING OF NEW BUILDING

Arthur J. Eckles and Oliver Goldsmith, under the firm name of Eckles & Goldsmith, announce the opening of their new warehouse and offices at Holbrook avenue and P. M. R. R. The new building, which has just been completed, is 30 x 80 feet in size, and is constructed of cement blocks, presents a fine appearance, and is not only a credit to the owners, but also to the contractor, G. B. Crumble, as well. Two commodious offices are located at the front, with an entrance in the center of the building. There is ample warehouse room, with three unloading doors on the south side, the driveway being protected from the weather by a roof. On the north side of the building, provision is made for a team track from the Pere Marquette R. R. The building is heated with an Areola hot water system, and is also provided with a lavatory. It is one of the most modern plants of its kind to be found anywhere. The new firm, who are already enjoying a splendid business, handle a complete line of dairy and chicken feed, fertilizer, cement, brick, lime, plaster, etc.

The Messrs. Eckles and Goldsmith extend a most cordial invitation to the public to call and see their new building at any time.

ATTENTION, EX-SERVICE MEN!

GRAND MATRON VISITS PLYMOUTH CHAPTER

A large and inspiring meeting of the Order of the Eastern Star was held in Masonic hall, last Wednesday afternoon and evening, November 22. The afternoon meeting was called at 3:30 o'clock, and several candidates were initiated into the order, after which a six o'clock chicken dinner was served. In the evening, the degrees were conferred upon several other candidates in the presence of nearly two hundred members and guests. The Grand Matron of the Grand Chapter of Michigan, Mrs. Ada Sangster of Cheboygan, was an honored guest, and attended both afternoon and evening sessions. Many other chapters, not only throughout the state of Michigan, but other states were represented. The hall was attractively decorated with ferns, other potted plants and chrysanthemums.

The drill, under the direction of Past Patron P. B. Whitbeck, for which Plymouth Chapter was well known several years ago, was presented by fourteen members of the chapter before the opening of the evening meeting.

At the conclusion of the work, the Grand Matron gave a splendid talk, and spoke in great praise, both of the Masonic Order and the Eastern Star. She offered some kindly suggestions for the interest and betterment of the chapter, and complimented Plymouth chapter on the fine work done during the evening. In behalf of Plymouth chapter, the Worthy Matron, Mrs. George A. Smith, presented the Grand Matron with a gift, as a small token of appreciation, and late in the evening, the meeting closed with a general expression of pleasure. For such an occasion cannot but bring strength to the organization and bind the hearts of all with stronger ties of good will and fellowship.

Through the kindness of Mr. Lush, a third showing of the picture, "Just Tony," was presented at the request of members of the Eastern Star, and as soon as the meeting closed many of the members went immediately to the Penniman Allen theatre, where they witnessed this splendid picture, which so wonderfully portrayed the intelligence of the dumb animal, "Tony," the horse.

The Ladies' Aid of the Lutheran church will hold their annual bazaar and baked goods sale in the hall over the Beyer Pharmacy, Wednesday afternoon and evening, December 6. A full line of fancy work, aprons and many other useful articles will be on sale. There will also be a grab-bag for the children, and light lunches will be served during the afternoon. —Advertisement.

Another of those popular dances will be given at the Penniman-Allyn auditorium, this (Friday) evening, November 24th. Finzel's orchestra of Detroit, will furnish music. Admission, \$1.00, tax paid. Ladies free.

I noticed that fire last Thursday had a few people worried. I asked one fellow if he was worrying. He said: "Not I. When that old fire whistle blows I simply put my policy where I can get it quick and let the Insurance Company worry. I am fully covered and don't need to worry."

I've got a few cheap vacant lots listed and a couple of good buys in homes. I've got a good proposition for somebody that would like a good country home with city water, gas, electric lights and on the car line, and no city taxes to pay. Besides it has a business chance that should make a good thing if handled right. It doesn't require such a lot of money either. Better come in and let me tell you about it.

LET US GIVE THANKS

It's a good thing to pause along about this time of year and take a little inventory of the blessings that have come to you within the past twelve months. It helps you to more fully appreciate your own worth to the community, it helps you to realize the worth of those you call your neighbors and your friends, and it sort of puts you in tune to push on through another year determined to make it, too, one worth while to yourself and those about you.

Troubles have come into some of our hearts since one year ago we were called upon to observe the day of Thanksgiving. Maybe sickness has laid a heavy hand upon you or a member of your family. Possibly financial affairs have not moved in the same smooth line you would prefer. That thing you call "bad luck" may have crossed your path, and for a moment darkened your life with its shadows. Not every day can we expect fate to smile upon us.

But sum it up, weigh it with the lot of someone else—and you'll find some cause for joining in this day of Thanksgiving. You'll find joy in giving thanks that you live in a land where every man is his own king, and in his own province. You will look in the faces of the loved ones about you, and feel thankful that they have been spared to keep you company. You'll shake the hand of a neighbor and feel in that grip the pledge of assistance when you really need it. You'll sit by your own hearthstone, about your own festal board, and thank providence that famine and hunger have not set foot upon your doorstep, but that you are blessed with the necessities of life, and that you got them in the only honest way—through honest labor honorably performed.

The time of Thanksgiving is with us again, and we do not believe there is in all Plymouth or the territory surrounding anyone so miserable as to not have at least something to be thankful for. Therefore let us, each in his own simple way, open our hearts in praise to the One who has sheltered us, fed us, protected us and brought us safely to another harvest time. Let us, as peaceful, law-abiding, God-fearing citizens of the grandest nation on the globe renew our pledge of service to our families and our homes, and forgetting the dark spots along the pathway over which we have passed hope for only sunshine for ourselves and our fellowmen in all days to come.

WOMAN'S CLUB

Members of the Woman's Club who missed the meeting, last Friday afternoon, are heavy losers. All women love secrets, and Prof. R. M. Wenley of the U. of M., surely guessed himself to those present when he so painstakingly and confidentially explained, "The Present Situation in British Domestic Politics." Prof. Wenley, formerly with the University of Glasgow, was active in politics, and the knowledge gained by travel and observation makes him a keen analyst. All of his explanations of history, laws, religion, foreign policy, parties, leaders, etc., were followed by comparisons to our country, and he defined all politics as compromise. Prof. Wenley showed that the possibility of an election at any time brought parliament nearer to the people than congress; that the social side of politics was not yet developed in the United States, and that christianity was the third religion of the British Empire.

The lecture was enlivened by two fine piano solos: First Minuet, by Paderewski—Miss Juanita Coe; and June, by Tchaikowski—Miss Helen Fish. The lecture was preceded by a short business session presided over by Mrs. Coello Hamilton, and two new members were added to the club. The history class and teacher, Miss LeVan, were also present.

FORMER PLYMOUTH GIRL WEDS

We take the following from the Chronicle-News of Trinidad, Colorado, dated Saturday, November 11th, relative to the marriage of Miss Leola VanVleet, daughter of Mr. and Mrs. William VanVleet, former residents of Plymouth:

At a quiet home wedding, simple and beautiful in its appointments, Miss Leola VanVleet will become the bride of Mr. Harry Frederisy this afternoon at 5 o'clock, at the residence of the bride's parents, Mr. and Mrs. William VanVleet, 733 Tiltontson street.

The rooms will be beautifully decorated with baskets of yellow and white chrysanthemums, making a pretty setting for the ceremony, which will be read by Dr. Frank Harper Hays, pastor of the First Presbyterian church. Only the immediate members of the family will be present.

Mr. Frederisy and his bride expect to take a wedding trip to Albuquerque, where they will be the guests of his sister for a few weeks before returning to Trinidad to make their home.

The bride came here with her parents six years ago from Charlotte, Mich., and is very popular in the younger social set. She attended school here and last year was graduated from Loretto Heights Academy in Denver. Recently she has been assisting in the offices of the Trinidad Bean and Elevator company, of which Mr. VanVleet is the manager.

Mr. Frederisy is a native of Albuquerque and for some time has been traveling for the Rumford Chemical Works of St. Louis. He has made his home in Trinidad for several months and has made many sincere friends here.

DEATH OF WELL KNOWN SALEM MAN

The community was shocked to hear of the sudden death of John H. Smith at Maplehurst hospital, Ann Arbor, last week Thursday. The deceased had been apparently in good health until two weeks ago, when it was necessary for him to go to the hospital for an operation, which proved fatal.

Mr. Smith spent his entire life in Salem township on a farm, with the exception of the last four years, when he lived a retired life. He will be greatly missed in the home, where he has always been a loving husband and father; in the church, where he has always been an active worker, and in the community where he has always been interested in all moral questions. He was a friend to everyone, always ready to help and give words of cheer. He leaves a widow and two daughters, Mrs. Nellie Bird of Plymouth, and Mrs. Cora Gale of Salem, besides a host of friends to mourn their loss.

Funeral services were held Sunday at 2:30 p. m., at the Federated church at Salem, Rev. Halliday and Mr. Whitney of Detroit, officiating. Interment in Walker cemetery.

An apple tree in the rear of Mrs. Crosby's store, has within the past week put forth a profusion of blossoms. In the spring one side of the tree did not bloom, and it is this side that has now appeared with November blossoms. In evidence of the foregoing, a jar of the apple blossoms may be seen in the window of Mrs. Crosby's store.—Milford Times.

The Warner Cheese Co. started up its factory at this village last week and are again turning out cheese for the first time in several years. Heretofore all cheese has been made at the company's several plants located at various points in the Thumb district, while the factory here has been used for skimming milk for butter fat. Just at present the cheese market is such that the milk is more valuable for cheese than for butter. This arrangement is a temporary one and will, in all probability, be discontinued after the first of the year.—Farmington Enterprise.

A banker, while going home to dinner, saw a ten dollar bill on the curbstone. He picked it up, noticed the number and went home to dinner. While home his wife remarked that the butcher had sent a bill amounting to \$10.00. The only money he had was the bill he found, which he gave to her and she paid the butcher. The butcher paid it to a farmer for a calf, the farmer to a merchant who paid it to a washer woman and she owing the banker a note for \$10.00, went to the bank and paid the note. The banker recognized the bill as the one he had found, and which by that time had paid \$50 worth of debts. On careful examination he found it to be a counterfeit. Now, what was lost in this transaction and by whom?—Milford Times.

We regret to record the serious illness of Mrs. Strong, mother of our church secretary, Sidney D. Strong. Mrs. Strong was remembered in the prayers of the church and also at the church school session last Sunday morning, and the congregation is asked to remember her in their daily prayers.

Next Sunday will be a "Special Community Day" at St. John's and three services will be held on that day. In the morning the archdeacon, the Ven. J. G. Widdifield, will be the preacher on "The Mission of the Church," and the celebration of the Holy Communion will be held. In the afternoon at 3:30 there will be a meeting of the women church workers of Plymouth for women only. This meeting will be conducted by Mrs. McDonald of Detroit, president of the Women's Church Workers League, and she will give a special address on "Women's work of the Church." All the women of Plymouth are asked to come and welcome Mrs. McDonald to Plymouth next Sunday afternoon. In the evening at 7:30 there will be a special service and Archdeacon Widdifield will illustrate his address on "The Work of the Church," with lantern slides. Our friends are welcome to attend these services.

The church treasurer has been handed another five dollars from the superintendent of the church school. This sum is the proceeds of the happy social evening which the members of the church school held a few weeks back at the home of Mrs. George Wilcox, and goes toward the pledge made by the school to provide for one Armenian child for one year. It is a pleasure to note that six months have passed since the school made that pledge, and that they have faithfully lived up to their pledge; this payment completing just one-half in six months.

The confirmation class will be held in the church on Friday, from 4 to 5; those who are desirous of being confirmed must join this week. This is the last opportunity, as Bishop Williams has fixed the date of his visit to Plymouth, Friday, December 15th. Details of the confirmation service on that day, will be given later.

On Friday, December 15th, the members of the Ladies' Guild will hold a sale of work and bake goods at the gas office on Main street.

The Union service on Thanksgiving morning will be held this year in St. John's Episcopal church, the pastor will be Rev. S. Conger Hathaway, pastor of the First Presbyterian church.

Mr. Gibson will be in his office in the vestry of the church every Tuesday and Thursday from 4:00 to 5:00, and anyone wishing to see him on any matters or for consultation, can do so on these days at the hour named.

How Not to Take Cold

Some persons are subject to frequent colds, while others seldom, if ever, have a cold. You will find that the latter take good care of themselves. They take a shower or a cold sponge bath every day in a warm room, avoid overheated rooms, sleep with a window open or partly open, avoid excessive exertion, becoming over heated and then chilled and getting the feet wet. Then, when they feel the first indication of a cold, they take Chamberlain's Cough Remedy without delay and it is soon over.—Advertisement.

FRAIN'S LAKE

A shadow social and dance will be given at the home of Jacob Schief for the benefit of Dixboro school, Friday evening, December 1. A cordial invitation is extended to all.

A Timely Suggestion This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is almost sure to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the first indication of a cold appears, and before it has become settled in the system. There is no danger in giving it to children as it contains no opium or other harmful drug.—Advertisement.

Today's Reflections

Another drawback about having your house burn down is it always happens when you are not expecting it.
Statistics show that women spend 90 per cent of the money in circulation. Any married man in Plymouth thinks he can prove it.
This is a pretty good country, but in Norway they have a law requiring a girl to learn to cook before she marries.
Another thing for Plymouth auto

owners to worry about is that in less than two months they have to buy another license tag.
"What I'm kicking about," said a Plymouth man yesterday, "is that about the time I get through scratching mosquito bites I have to begin scratching winter underwear."
Still another thing to be thankful for is that you have your subscription paid to your home-town paper and neighbors can't classify you as a chronic borrower.
To get a license to run an auto in some states you have to have experience. But in marriage you get the experience after you get the license.

SALEM

Mrs. Albert Sessions is quite poorly again. Mrs. Stroh and Miss H. Wittich visited with her Monday afternoon.

Jay Waggoner and family of Lansing, attended worship at the Salem Congregational church, Sunday, and were dinner guests of Herschel Munn and family.

Ralph Picard and family have moved to Northville, where Mr. Picard expects to have charge of a store.

Mrs. Vern Kahler, who is assistant manager in the large dining room at the sanatorium, was home Thursday to spend the day. In the afternoon she and Mrs. Fred Cole visited Mrs. Huff.

In the death of John Smith, which occurred Thursday, Nov. 16, at Maplehurst hospital in Ann Arbor, after an illness of two weeks, Salem lost one of its most respected and highly esteemed citizens. Mr. Smith has been a resident of Salem for many years and been active in political as well as church circles.

He leaves a widow and two daughters, Mrs. Nellie Bird of Plymouth, and Mrs. Harmon Gale of Salem, who have the sympathy of the entire community in their bereavement. The funeral was held Sunday afternoon at the Federated church, and Rev. Halliday of Detroit, and Mr. Whitney, a former pastor of Mr. Smith's, had charge of the services. Burial in the W. Salem cemetery.

The rehearsal at the home of Herschel Munn Friday evening, was well attended, and a good time reported. Meet this week at the church; everyone that has a part should be present.

Mrs. Laura Smith was home from Northville, Sunday, to attend the funeral of Mr. Smith.

Sunday causers at G. C. Foreman's were Mr. and Mrs. D. Duke of South Lyon, Mrs. Frank and Gerald Woodworth, Harold Foreman of Detroit, and Mrs. Libbie Duke of Milford. Mrs. Duke remained for a few days' visit with her niece and family.

Mrs. Munn visited the school Thursday. If more parents would do likewise and prove to the teachers that they have the hearty co-operation of the parents, school life would be much more beneficial to both pupil and teacher.

Mrs. John Lewis was completely surprised one evening, recently, when her children and friends from Ypsilanti, Redford, Farmington and Detroit, came to the Lewis home to remind her of her 68th birthday.

After presenting her with many beautiful gifts and enjoying a social hour, the guests, numbering about thirty, were served a fine supper. The chief event of the evening was the presenting of a beautiful birthday cake containing sixty-eight candles, which Mrs. Lewis held while all the candles were lighted. All report a very pleasant evening.

Boy Scout meeting was held Tuesday evening at Mr. Callan's.

Mrs. Frank Buers is ill. Grover Simpson and family have rented the Vic. Lewis house and moved in the latter part of last week. Mr. Lewis will work Mr. Simpson's farm the coming year.

Mr. Avery and family are moving onto the Yanson farm, south of Salem.

Dance, Friday evening, November 24, at Salem town hall. Music by Schneider's orchestra of Ann Arbor. Frank J. Boyle, Mgr.

METHODIST NOTES

A young people's social hour will be held at the church on Saturday evening of this week at 8:00 o'clock. This is a part of the week's program of Win-My-Chum meetings being held, and will be in charge of the team of University students. A big time is promised.

The team of young men and women from the University will speak at all the services on Sunday. It will be a rare treat to hear them. This will be the climax of the Win-My-Chum meetings of the week.

W. R. Hileman of Redford, a Y. M. C. A. secretary in Detroit, will speak at the meeting of young people, Friday night of this week from 7:00 to 8:00 o'clock.

Have you attended the classes meeting on Thursday nights now? If not, you need the mental and spiritual stimulus which can be derived from this source. The classes meet for a half hour at 8:00, just following the prayer meeting service at 7:30. The class in bible study is led by Mr. Lombard; the class in missions by Mr. Holcomb, and the class in stewardship by Mr. Nagle.

The prayer meeting and study classes will meet next week on Wednesday night, instead of Thursday, on account of Thanksgiving.

The annual Union Thanksgiving service will be held at the Episcopal church on Union street. Rev. Hathaway will give the message this year. All are urged to attend, and make this a great service.

During next week, an effort will be made to enlist all in our constituency, who have their church membership elsewhere, to bring their membership here, and actually be one with us in the enterprise of Christ's kingdom.

The "2-in-1" Young Ladies' Missionary society will hold a bake sale at the gas office on Saturday afternoon.

Company B of the Ladies' Aid will meet with their captain, Mrs. Fred Salow, at her home on Church street, Tuesday afternoon. All members are most cordially invited to attend.

The Boy Scouts will have their Thanksgiving party at the church next Tuesday night. The parents are invited to come.

Plymouth Wins From Strathmoor

The game between Strathmoor and Plymouth Reserves was played at Plymouth, last Wednesday. Plymouth lost the toss and kicked. Neither scored in the first quarter, and it looked as though both teams were evenly matched. In the second quarter, Segar caught a pass from Taylor, and made a touchdown, making the score 6 to 0, Plymouth. At the end of the second quarter the ball was on Strathmoor's 40-yard line.

In the next quarter Plymouth received the ball on the 30-yard line, and gradually worked it to Strathmoor's 20-yard line. On a cross-buck, Cline carried to the 3-yard line, then Palmer went through center for another touchdown, and Wilson kicked, making the score 13-0, Plymouth. The ball was on Plymouth's 35-yard line at the end of the third quarter. Strathmoor's touchdown came in the last quarter. Plymouth was penalized 15 yards and this put the ball about a yard from their line. Three plunges took them over. Plymouth again received, and carried the ball to the middle of the field. An exchange of punts followed, Millard receiving and carrying the ball nearly to the goal line. Another pass, Wilson to Palmer, brought the third touchdown. Wilson again kicked goal and the game ended with the final score 20 to 6. Plymouth has a return game with them, November 25th.

The line-up was as follows: Strathmoor—Haberman, l. e.; Parker, l. t.; Hanenmass, l. t.; Schroder, c.; Fitzgerald, r. g.; Black, r. t.; Havent, r. e.; Streeter, r. h.; Robinson, l. h.; Cobbat, f.; Jhausom, q. AMERICAN EDUCATION WEEK IN SCHOOLS OF WAYNE COUNTY

American Education week will be observed in the schools of Wayne County, as well as in all other sections of the country, during the week of December 3rd. Suggestive lessons will be sent out by E. W. Yost, County School Commissioner, for the week. These lessons will endeavor to bring to the attention of the public through the school such topics in Education as, The Blessings to a Democracy of an Educated People; Consolidation of Schools; Supervision of Rural Teachers; Equality of Educational Opportunity; School Libraries; Parent Teachers Associations.

The effort now being made to provide children in rural and village districts with educational opportunities equal to those for city children is evidence that the American public is taking the slogan, "Equal Educational Opportunities for All Children," seriously.

The rural school problem is the greatest in American education today. We must have larger school units of taxation and administration, more supervision for rural schools, better trained and better paid teachers. Consolidation has proved itself to be one of the best ways of changing poor schools into fine ones. It has not yet failed where it has been intelligently planned and worked out. More than twelve thousand consolidated schools in this country are doing successful work.

The American people will not hesitate to help solve its rural school problems, if the need and the remedy can be shown.

BAPTIST NOTES

Rev. Harold F. Sayles of Chicago, closed the two weeks of revival meetings, Sunday evening. The attendance was very good during all the services. A large number on Sunday evening testified that the meetings had been of spiritual benefit to them in many ways. The pictures illustrating the sermons, the Bible readings and the meeting for the boys and girls were all of the highest type. Mr. Sayles made many friends in Plymouth, and will be remembered by all who heard him. He is truly a Christian gentleman.

Baptismal services will be held in the near future at the evening service in the church.

The Sunday-school went up to the top notch last Sunday. There was a large attendance. Miss Ellen A. Gardiner and Mrs. Lila D. Humphries and their assistants will give an entertainment for the benefit of the Sunday-school, December 8th. The new play they have is, "The Other Woman." Look for announcement in next week's paper.

Miss Dorothy Hinnau led the B. Y. P. U. last Sunday evening. The subject was "Foreign Missions," China being the country under discussion. It was a good meeting and much interest was shown.

The treasurer will send to each member of the church this week, a statement of the amount they have paid toward the church expenses for the first half of the year, which was Nov. 1st. Won't you plan to meet your subscription right away, and help the church officials to meet every expense?

The new church directory is in the hands of most of the members and friends of the congregation. They are very nice; read the Covenant.

PRESBYTERIAN NOTES

"LORNA DOONE" AT LOCAL THEATRE

The Penniman Allen theatre management announce the coming to that popular play-house, the great picture film, "Lorna Doone," on Wednesday and Thursday evenings, November 29 and 30. This is the greatest love story ever written, and wherever it has been shown has met with tremendous success. It was just recently presented at the Capitol theatre, Detroit.

The early scenes take place in the hills of Devon, England, where the noble bandits have their retreat, being in beauty, the rolling lands where John Ridd watches his sheep—where simple country folk dwell in quaint homes, untouched by the life of the outer world, untroubled, save from the depredations of the bandit's. John Ridd's accidental discovery of a way into the bandit stronghold, when he falls into the Bagworthy river and is swept over the falls; his secret meetings with the captive "Lorna," his dramatic rescue of the maid just as she is being forced into marriage with a hated outlaw; and finally the burning of the Doone village, are a few of the dramatic episodes which crowd the film. The scenes shift from Devon to the London Court of King James. Beautiful ladies in rich costumes, soldiers by the hundred, dazzle the eye with grandeur. Contrasted with the wild beauty of the Doone moors, the majestic court and imposing White Hall Chapel are especially striking, altogether forming a worthy and befitting background for the stirring romance of the lovely Lorna and her yeoman lover.
