### RETIRES AFTER FIFTY YEARS IN BUSINESS

**J. L. GALE DISPOSES OF HIS  
GROCERY BUSINESS TO JOHN  
W. PROCTOR.**

John L. Gale, for over fifty years a successful merchant of Plymouth, has disposed of his grocery business to John Proctor, and will retire from the business field and take a well earned rest. As a young man, Mr. Gale started clerking in the store of Dr. A. B. Coleman, on the corner now occupied by the Plymouth United Savings Bank. Later he purchased a half interest in the store, and still later purchased Mr. Coleman's interest, and from that time on conducted the business alone. As clerk and proprietor, Mr. Gale has been on the business row for over sixty years. During that time he has seen many changes in the business circles of Plymouth. Merchants have come and gone, but only one, A. J. Lapham of north village, remains who was in business during the early years of Mr. Gale's business career. For years, Gale's store has been a familiar name in every household in and around Plymouth, and so after more than a half century of serving the public, Mr. Gale is going to be missed by patrons and friends, and he retires with the best wishes of all.

Mr. Proctor, the new proprietor, comes from Nankin township, where he has resided for some time, and is well known in Plymouth. The store is now closed while workmen are tearing out the old vault that was in use when the bank occupied the building. New shelving will be installed and other improvements made. Mr. Proctor expects to be ready for business in about two weeks, with a complete line of fresh staple and fancy groceries. The Mail welcomes him to the business circles of Plymouth.

### VILLAGE ELECTION NEXT MONDAY

The annual village election occurs next Monday, March 12th. There are three commissioners to be elected, and there are five candidates. W. T. Pittingill, who received the nomination as one of the candidates, has withdrawn his name from the ballot. The ticket is as follows: John W. Henderson, George H. Robinson, E. R. Daggett, Henry J. Fisher and R. R. Parrott.

### DEATH OF GEORGE BRIDGER

George Bridger of Perrinsville, died very suddenly at his home in Perrinsville, Wednesday morning. He had been in poor health for some time. He leaves a wife, three sons, Claude of California; George of Plymouth; Henry of Perrinsville, and one daughter, Mrs. Floyd Wilson of Plymouth; also three grandchildren, Donna Ruth Bridger, daughter of Mr. and Mrs. Henry Bridger; Ruth Wilson and George Bridger, Jr. The funeral will be held Saturday afternoon at one o'clock from the house and at two p. m. from Schrader Bros. Funeral Home in this village. Burial at Riverside cemetery.

### THE PRIMARY ELECTION

The Primary election held in Plymouth Wednesday, to nominate candidates for circuit judge, county auditor and county commissioner of schools, was a very quiet affair. In the first precinct a total of eighty-five votes were cast, 80 being Republican and 5 Democrat. In the second precinct, a total of 42 votes were cast, 40 Republican and 2 Democrat.

### WRITES MAIL—FROM PANAMA

The Mail is in receipt of several Panama, R. P., newspapers, and a letter from C. H. Bennett, who with Mrs. Bennett, is touring the southern countries. Mr. Bennett says: "We have finished our cruise to Panama and Costa Rica, and are now awaiting our steamer for a trip to Rio de Janeiro, Brazil, where we will visit the Pan American exposition. Intend stopping at Barbados and several South American ports. Summer down here and have on my 'lightest' and my ice cream trousers, and then I am very much hot."

### MANY ENJOY BANQUET

**FATHER AND SON BANQUET A  
SUCCESS.**

About 70 fathers and sons sat down together for a festive time last Tuesday evening, at the Methodist church. The room and the tables were tastefully decorated with the prevailing color of green for March, even to having a new little shamrock pinned on the napkins. After invocation by the pastor, Rev. D. D. Nagle, the company present were treated to a soul-satisfying banquet, that was a real banquet; meat-pie, just suited to the taste; mashed potatoes, etc., ending up with apple pie a la mode. One boy was even so full that he could not finish his pie, which is surely going some. The ladies who served the banquet are to be commended for their splendid efforts. Having satisfied the desires of the flesh for the time being, toastmaster Lombard very ably and wittily turned attention to other important and "weighty" matters. Frederic Thomas was introduced to represent the fathers. And although only recently initiated into the mysteries of fatherhood, he clearly manifested that he fully recognized the responsibilities connected therewith. He closed his remarks with a unique story of "A Parable of a Prodigal Father." The next speaker was Kenneth Bartlett, representing the sons, who in a very interesting and worthwhile speech urged the fathers to "Keep In" with their sons, and sons with their fathers. Kenneth always does well, and we are proud of him, and expect to hear great things of him in the future.

The main speaker of the evening, however, was A. F. Tull, President of the Detroit Business Institute, the keynote of whose speech was "Service." "He profits most who serves best," remembering that service must be made up of "Quality, Quantity and Conduct," if one's life is to meet with success. Also sons must learn to be of service to their fathers, and fathers to their sons. It was certainly a worthwhile speech that all will carry with them, and endeavor to apply to each day's life.

All in all, the banquet was a fine success. This is the second banquet held this winter, under the auspices of the Men's Bible Class. We hope to have other Get-Together meetings. Much thanks is due to the ladies for the exceptionally fine banquet, to the toastmaster for his splendid direction and leadership of the program, (we will try him again sometime), and to the speakers for their inspiring remarks.

### LOCAL NEWS

### WHY JUST A WEEK?

The season for community efforts along clean-up lines is approaching, and already a number of towns are planning "clean-up" weeks. They are good things, these clean-up weeks, and if Plymouth had one every month it would only serve to make a better town.

But we can't understand why the clean-up campaign should only last a day or a week. If the work is worth so much to a community, why not keep it up throughout the entire year? There is needed every day the application of soap and water and mop and broom, of whitewash and paint brush. More than 7,000 communities in the United States within the last ten years have joined in the crusade. What they should do is get into the habit of cleaning up all the time, or have a bi-monthly clean-up day, and we understand that already the movement has been taken up by a number of towns that have heretofore observed only a yearly "clean-up week."

Let the good work be extended to every nook and corner, not just to the spots that can be seen by the public. Cleaning of houses and ornamenting of yards is not enough. There should be a cleaning of every dirty alley and of every vacant lot on which there is an annual growth of tin cans, old shoes, discarded corsets and waste paper that litters up the whole community every time a strong wind blows. Most of these places are disease-breeders, and since they are not being used for building purposes should be plowed under and planted to garden truck, to some sort of crop that would do somebody some good.

If we are to have a clean-up campaign this season, let's start it early—and then not stop at a day or a week, but keep right on the job until we have the "spotless town" of the entire commonwealth.

### THE HORSE HANGS ON

The Department of Agriculture reports 203,000 fewer horses on our farms in January this year than in January 1922, this being the fifth year in which a decline has been recorded. The banner year was 1918, when there were 21,555,000 horses on our farms. This year the number is 18,896,000. The explanation is that most people who own autos never had horses, that horses are not, therefore, being displaced by autos as fast as many imagine, but that when the price of horses began to drop in 1919-20 breeding decreased. The fact that thousands of horses are still doing work in our larger cities that trucks are too costly to do, and that the farm tractor is finding a place on the farm only to open up other fields for the horse is pretty good evidence that the man who delights in arguing that motor-power will crowd out our four-legged friend doesn't know what he is talking about.

### FORD TREBLES OUTPUT

The Ford Motor company announces that during January, total output at all plants, domestic and foreign, was 125,271 passenger cars and trucks, as compared with 42,875 in 1922, or an increase of 82,396 vehicles. The output at the American plants totaled 111,145 cars or 72,460 more than a year ago, an increase of 175 per cent. At the Canadian Ford plant, 5,758 cars were produced, or 3,758 more than in January, 1921, which the combined output at the other foreign factories was 8,368, as compared with 2,190, or an increase of nearly 400 per cent. At the tractor plants 7,904 Fordsons were made.—Michigan Record.

### The Pneumonia Month.

March is a typical pneumonia month and usually gives a high rate of mortality for the disease. After a long and hard winter, the system loses much of its resistance and people grow careless. When every cold, no matter how slight, is given prompt and intelligent attention, there is much less danger of pneumonia. It should be borne in mind that pneumonia is a germ disease and breeds in the throat. Chamberlain's Cough Remedy in an expectorant and cleans out the germ laden mucus and not only cures a cold, but prevents its resulting in pneumonia. It is pleasant to take. Children take it willingly.—Advertisement.

### EPISCOPAL NOTES

Mr. Gibson's subject last Sunday morning was, "The Light of the World." Next Sunday morning his subject will be, "The Good Shepherd," from the text John 10:14, 15.

From now on until Easter Sunday, we will resume our Lenten devotional services every Thursday evening at 7:30, when there will be the Litany, and an address by Franklin L. Gibson, and we are pleased to learn that Mr. Gibson will have charge of these services, and will speak on a special subject each Thursday evening. This week his subject was, "Jesus—His Greatness," next Thursday his subject of address will be, "Jesus—His Brotherhood." from Matt. 5:24.

The Rev. A. N. McEvoy, rector of the Church of the Ascension, Detroit, was to have been with us next Sunday morning, but his visit has been postponed for another week, to Sunday, March 18th, the reason for this being that Mr. McEvoy has a class of candidates for confirmation, which was to have been confirmed by the late Bishop Williams on the Sunday following the bishop's death, and as one of the visiting bishops will be in Detroit this week-end, the class will be confirmed by him next Sunday morning, which, of course, necessitates the Rev. McEvoy's presence at his church. He will, however, be with us on the following Sunday, and administer the holy communion.

The Rev. Dr. J. J. Davis Hall, superintendent of the Galilee Rescue Mission in Philadelphia, was with us last Thursday evening, and gave us a very stirring account of his rescue mission and work in Philadelphia, where he is doing very fine work, preaching nightly to over a thousand men—"down and out." Dr. Hall has been offered the opportunity of starting a similar mission in Detroit, where he will probably have at his disposal the old Mariners' church, corner of Woodward and Congress, for that purpose. Rev. Hall's motto is, "I cannot be hired; cannot be fired." He receives no salary, but his mission is supported entirely by voluntary offerings. Dr. Hall sent a message by Mr. Gibson, Sunday, thanking the parish of Plymouth for their splendid and very liberal response to the suggestion made by him last Thursday evening.

### REPUBLICAN CAUCUS

On Saturday, March 10th, at two o'clock in the village hall, a Republican caucus will be held, for the purpose of nominating township officers. By order of Township Committee, MRS. GEO. ROBINSON, OLIVER H. LOOMIS.

### NOTICE

### SPECIAL ASSESSMENT NOTICE

The first installments of special assessments Nos. 3, 4, 5, and 6 of 1922, being those for the Deer street, Hamilton street, Pearl street and South Main street sewers, are now due, and must be paid on or before March 15. After that date a penalty of 10 per cent per annum will be imposed, according to the provisions of the charter.

#### HIGH SCHOOL NOTES

Do you know how a newspaper is made? The senior English class does, because a visit to the Mail office was made to supplement the study of newspaper notes. The members of the class are learning to be real reporters too, and just as soon as a trip can be made to one of the Detroit newspaper offices, they will feel like full-fledged newspaper writers.

Besides lessening the tediousness of the classroom work, field trips have a definite advantage in putting across the importance of textbooks. For this reason, the horticulture class visited the Sunshine Acres greenhouses last week Tuesday, to study the growth of plants, methods of planting and the importance of the method used.

To be able to distinguish a weed seed from a vegetable or flower seed will soon be of use to our amateur gardeners when they begin planting their gardens. The Botany class is making a study of the seeds of various harmful and beneficial plants. This study will enable the town pupils, as well as those from the country, to distinguish plants more easily.

Even the teachers know a good thing when they see it, judging from the number present at the last Aggie Club dinner, which was prepared and served by the club members. These dinners, which are furnished by the members, are given once a month for the pleasure of the club.

March 16, there will be held in the Plymouth High school, an elimination contest in oratory and declamation, the winner of which will speak in the sub-district contest held here April 6th. For the high school contest, there will be sixteen declamations and three orations. Four prizes will be given for declamation and two for oratory. The ninth and tenth grades eligible for declamation, and the ninth and tenth grades for oratory. Les Frieze Hibour, or the French II class, is presenting a program in French, for the senior assembly, Friday afternoon.

The first grade children in Mrs. Root's room are cutting garden gates, green trees and blue birds, and combining them in the little pictures.

The first and second grade pupils in Miss Haselschwerdt's room are cutting block letters in a drawing class to teach them the general proportions before attempting to do them with pencil.

Second grade children in Miss Clough's room are making a crayon and pencil drawings of logging camps, to show what becomes of trees after they are cut down.

Mrs. J. McLaren and Mrs. Henry Doerr were second grade visitors last Tuesday, February 27.

The first grade children are losing one of their classmates, Samuel Wheeler, who is moving to Detroit, Monday.

All the first twenty-five drills in penmanship have been completed by the fifth and sixth grades.

Mrs. Effie Wood was a sixth grade visitor last Thursday, March 1.

The eighth grade classes in Manual Training have finished their book-racks, and have started working problems that have cross lap joints. Lucille Dickerson furnished the write-up of the girls' first team game; Gladys Schrader that for the boys; Juhvia Rowland wrote of the second team Northville game; Dorothy Hin-nau of the Strathmore game; Fannie Grainger, the grade notes; Avis Blackmore, the high school notes; Genevieve Butler, Mr. Noon's address; Kenneth Bartlett, the N. E. A. at Cleveland; and Glenn Mitchell wrote of track prospects.

### INTERESTING TALK ON FARMERS' ORGANIZATION GIVEN BY MR. NOON.

The statement, "Day by day, in every way, the farmers' organizations are of more value to the farmers," was proved last Wednesday evening, by Mr. M. L. Noon, vice-president of the Michigan Farm Bureau, and an officer of the Michigan Milk Producers Association. Mr. Noon has addressed the farmers of four towns in Wayne county. Some of the achievements of the organized farmers are of great importance. For instance their attack on the duty on butter, vegetables, coconut and palm oils. It was the efforts of the agricultural bloc that prevented the repeat of the tax on oleomargarine which means ten cents more a pound for butter fat to the farmers. Farm organizations have prevented the passage of the sales tax, fifty-three per cent of which would have been paid by the farmers. The price of milk made by the Michigan Milk Commission was four dollars and five cents. The Fair Price Commission ordered the price lowered to two dollars and seventy-five cents. But the state farm bureau, by showing the actual cost of production from the figures of four hundred and fifty farms, secured the restoration of the old price. We have taken space to quote facts showing only the political values of the farmers' organizations. Mr. Noon showed also the direct value to farmers of the Michigan Farm Bureau's elevator exchange, co-operative seed department, and wool pool. He denied that the salaried man did not make a profit in a position of great responsibility. The thing to do is to get a higher salary, capacity which means a greater salary. Each department of the state farm bureau is returning a profit under the present organization and other states are adopting the Michigan plan of organization. The state farm bureaus

### PLYMOUTH TRACK OUTLOOK BRIGHT.

Second place last year! What position this year? With six better men returning to try out for the "cinder squad," and plenty of "raw material to work on," coach Walker predicts one of the best seasons for victories the school has had.

Last year the team was nosed out of first place in the 4 Square league, by a one man team, Dearborn, but this year their champion is not with them. No other school in the league so far known, stacks up with the "Rock" material. "Our Captain," Olivia Williams, is in fine shape to lead the team. He will practice the short distance runs, the 100-yard dash and the "220" with no opposition at home. The middle distance runs (440-880), also seem likely to be undisputable, for Harold Stevens will represent Plymouth in those runs.

Although we do not have a lot of veteran material, with hard work and good training, I think we have a chance that is well worth taking. These words from the coach ought to explain the situation fully.

"Suds" is going to conquer the sky in representing the team in the pole vault, although he is the only man out for this job, he can be depended upon to put up a good record.

We then have two veterans back to run the hurdles, both are in good condition to start the season, and they are also light and quick men. Bartlett and Kenyon will be trained by the coach to "jump the sticks in a hurry." Kenyon is also a high jump and broad jump prospect.

The team has a fine chance in weight events. Reiman, who is a young husky, "hurls a mean javelin," and Stevens and Strasen can throw a discus about as far as anyone in the league will have to throw to win.

The coach states that new material is always hard to judge at the beginning of the season, and that he would rather not make any statements that might turn out wrong, but with heavy practice, the green men ought to be able to score the positions of the first team fellows.

"Do the student body and the home town people help a track meet?" Coach Walker was asked.

"Why certainly," he replied "they are as essential as a coach, if it were not for their backing and patriotism, no team of any sort would exist."

Are you people going to help the fellows win this year? Come out and yell for them. You ought to push them to the limit, and by so doing, be instrumental in winning all the track events the high school enters.

### P. H. S. REPRESENTED IN NATIONAL CONVENTION

By attending a meeting of school men in Cleveland last week, Supt. Smith of the local school, caused Plymouth to be represented in one of the most powerful and influential organizations in the country—the Superintendent section of National Educational Association—made up of superintendents in all part of the United States. There were at the Cleveland convention, 12,000 superintendents who represented every state in the union.

Their purpose is to meet annually in some prominent city to discuss all national questions, and to study all things relating to the advancement of education, such as courses of studies, teachers qualifications, salary-schedules and special ways of adapting schools to their communities.

It is here, also, that the research committee on education gives its annual report on such subjects as Intelligent tests, Subject tests and Moral and Religious education. Among the prominent speakers were John S. Tigert, Commissioner of Education of the United States, and ex-Secretary of War, Newton Baker. J. S. Tigert submitted to the convention, a plan for reorganizing the President's cabinet. His plan was not acceptable to the school men, because it did not provide for a Department of Education in the cabinet. The organization is now supporting the Tower-Sterling bill, which gives them their Department. Mr. Baker spoke on "The Relation of the School to the Community."

The Superintendent section of the National Educational Association has been organized for over 50 years, and is the most powerful educational organization in the U. S., and it is an honor that P. H. S. should be represented at such a national convention.

### PRESBYTERIAN NOTES

In spite of bad roads and prevalent sickness a goodly number sat down to supper last Monday night, and stayed in the congregational meeting which followed. Changes were made in the Articles of Association of the church, increasing the number of trustees from seven to eleven, and the number of elders from five to seven.

The following trustees were elected: For two years, H. J. Green and William Kaiser; for three years, William Wood and George A. Smith. The business quorum was changed from four to five. I. W. Hummell and Frank Hawk were elected elders for a term of one year. Announcement will be made soon concerning the time of ordination and installation.

The Busy Women's Bible Class will hold their regular monthly meeting next Tuesday, at the home of Mrs. Rose Tillotson on Ann Arbor street. A pot-luck dinner will be served at noon.

The Junior Christian Endeavor Society had a supper and "experience social" at the church last Thursday night. A good time was enjoyed, and a substantial sum added to the treasury. The reports given concerning the "odd jobs," by which the money was earned, were very interesting. Mrs. George Cramer and Mrs. G. H. Weeks deserve credit for this excellent work.

Have you seen the pink application cards yet? Get one and use it in your home or community.

A son was born to Mr. and Mrs. James Irish of Mill street; and a daughter, Lois Gretchen, to Mr. and Mrs. Homer Hubbard of Starkweather avenue, recently. The happy parents have our congratulations.

The new orchestra has begun to "make a joyful noise." Watch it grow.

### AROUND ABOUT US

Rev. A. K. Mac Rae is the new pastor of the Northville Baptist church.

Four hundred and twenty-two votes were cast in the village primary election at Redford last week, Monday.

The summer session of the University of Michigan opens on June 25, and continues until August 17. Between 4,000 and 6,000 students are expected.

Ypsilanti has chosen the Rosy Morn Petunia as the flower to be planted in all city gardens, this spring, in honor of the one hundredth anniversary of the settlement of the town. It is a most brilliant member of a brilliant family.

The 1924 Michigan auto license plates will be yellow with figures of black. Work on them has already commenced at the Jackson prison, as nearly a year's time will be necessary to complete the 700,000 which it is expected will be required.

Bert Richards, who has been away for 25 years, is visiting his brothers, Alex and Louis, on the Ridge road, east of Ypsilanti. They had lost track of each other, and while Alex and Louis were living in Michigan, Bert lived only a few miles away, in Ohio.—Washtenaw Post.

### Today's Reflections

We have also noticed that after some Plymouth girls get through fixing their complexion, they haven't much time for fixing up the house.

Now we know spring is on the way—the mails are heavy with seed catalogues.

The reason a little man hates to start an argument with a big man is because he knows he is going to be called a liar.

What's the use of all this argument about a college education? They're all right if a fellow can't get any other kind.

We read where a San Francisco surgeon moved a girl's heart. There was a time when it didn't take a surgeon to do that.

It's funny how hard it is for a Plymouth boy to learn simple arithmetic at school, and yet how easily he can learn everything there is to know about a radio.

At the present rate the European situation will soon be as hard to figure out as an income tax blank.

A good many Plymouth men have learned to let conscience be their guide if conscience has learned to see things their way.

We can't imagine anything that would stir up as much trouble in this country as to have a national "Tell-the-Truth-Week."

It is getting so that when a bootlegger is arrested he gets real angry if it makes him late getting home to supper.

"Stay at home with your cold" is the advice we heard a Plymouth doctor give a man. It would be nicer if we could leave it at home.

Home-grown things usually seem the best. At least this is true of home-grown girls.

Every news item we read from Europe only serves to make us love America that much more.

There's one time when every man in Plymouth is musical—and that's when he's blowing his own horn.

The world is getting faster. A man can get married in two minutes or drink himself to death in one.

Advertise your auction in the Mail. It reaches the rural districts in all directions from Plymouth.

One of the biggest needs of Plymouth for the coming year is houses for renting purposes. Every day people come into this office looking for a house to rent, and they are as scarce as hens' teeth. The scarcity of houses for renting purposes is also a serious problem for our factories who are desirous of increasing their production and are in need of more men. The Chamber of Commerce might be able to help solve the problem.

### THE THEATRE

"TRIFLING WOMEN," DRAMATIC PHOTOPLAY.

Rex Ingram's claim to film immortality is justified again in his remarkable new production, "Trifling Women," which comes on Sunday and Monday, March 11 and 12 to the Penniman Allen theatre. It is the latest achievement of the skillful director, whose name has become synonymous with the best in Almdom, and a guarantee of exceptional screen merit. It equals and, in some particulars, surpasses his earlier efforts, and should win a high place among the best of the season's photo-plays.

The brilliant director of "The Four Horsemen of the Apocalypse," "The Prisoner of Zenda" and other big Metro pictures, is himself both author and adapter of his latest success. This fact makes his triumph all the more complete, for the story and continuity are on a par with the production itself. In all, it is a distinctly worthwhile protodrama, and it is recommended to those who want the best in their motion picture fare.

The story is concerned with the fascination of Zareda, a crystal gazer, whose siren-like fascination attracts men into her net. How she attains wealth and power through a marriage with a wealthy Marquis; how she arranges his death to marry her young lover, Ivan; how she meets a terrible end with her lover when her husband finds them together, makes a graphic and dramatic story.

In the cast are brilliant players. Lewis Stone is seen as the Marquis Ferroni; Barbara Le Marr as Zareda; Ramon Novarro as Ivan, and Edward Connelly as Ivan's father, Baron de Maupin. Others in the cast are Pomroy Cannon, Hughie Mack. The fine photography is the work of John F. Seitz.

A Rebekah Lodge has been instituted at Walled Lake.

**GRANGE NOTES**

The March 1st meeting, which was small in attendance, was full of interest to those privileged to be there, as Mr. Carr's talk on some of the interesting things pertaining to Farmers' Week at the college, assumed the nature of a round table talk. The horticultural department is preparing to cope with the vegetable diseases for those whom it may concern. Purer varieties of all kinds of produce is urged to be given consideration. Certified seed potatoes will be supplied to those wishing them, by the Farm Bureau at a reasonable rate. The produce exchange, as an established fact, is doing business on a pure product plan. These were some of the things talked over.

On March 15th, we hope our worthy master will be with us, when the program will be in charge of Brother James Gates, and arrangements will be made for entertaining Pomona, March 24th, when Mr. Weston, the potato specialist from M. A. C., will be the principal feature.

The Lily Club bazaar and play at the hall, Friday, March 2nd, was a pleasing and financial success, netting the club about \$75.00.

**NEWBURG**

Rev. Wise is planning to have an Easter pageant. Everyone should come to church and Sunday-school and take an interest in the Lenten season.

There were twenty out to Epworth League, Sunday night. A good meeting was had, all taking an interest in the singing, speaking, etc. The solo by Gladys Horton, accompanied on the piano by Leona Joy, was fine, showing we have some talent among our young people, which should be encouraged. Mrs. M. Eva Smith will read the bible story next Sabbath evening.

The Parent-Teachers' Association will meet at the school house, Tuesday evening, March 13th. Prof. Smith of Plymouth High school, will give a talk. Mr. Allenbaugh's pupils will give a short play, as will also Miss Reddeman's pupils. A contest to see who could gain the most members, has been in progress for the past few weeks, which will be decided at the next meeting. The losing side will furnish candy and popcorn to the side that wins. These meetings are very helpful in promoting a feeling of fellowship between teachers, parents and pupils. Everyone most cordially invited to attend.

The pretty garden scene which you will see at the comedy-drama, March 14th, is made possible through the courtesy of "The Martin Store."

Mr. and Mrs. L. Clemens, accompanied by William Farley of Plymouth, attended a Farm Bureau meeting at Romulus, last Saturday. They report a fine time and good speeches. Don't forget the L. A. S. dinner at the hall, next Wednesday. Mesdames C. E. Ryder, Geney, and Grimm Jr., and Miss Hattie Hoisington and Miss Beulah Ryder, committee. See other notice in Plymouth Mail.

Rev. Wise took dinner at the Marrow home, last Sunday.

Mr. and Mrs. W. R. LeVan and

mother and Mrs. C. E. Ryder motored to Ann Arbor, last Wednesday, leaving Mrs. Emily LeVan at the home of her daughter, Mrs. Hilliker, where she remained until Sunday.

W. R. LeVan made a business trip to Lansing, Monday.

Beulah Ryder received cards from Sara Wilson and Doris Proctor, who are at Palm Beach, Florida, stating that they are having a wonderful time, going in swimming every day and finding it a lovely climate.

Some snow we are having the 12th of March.

Mr. and Mrs. William Rogers of Traverse City, arrived Tuesday, to visit their cousin, Mrs. Emily LeVan. They stated there was three feet of snow there, Tuesday morning.

**SOUTH SALEM**

Will you be there? Where? See Molly Bawn, March 14th.

Louis Sieloff of Plymouth High school; LaVerne Thompson of the U. of M.; Helen and Louise Rorabacher were home for the week-end. Ada Graves came home with the Misses Rorabacher.

The girls of the Worden church netted \$30 at their social Friday evening. Charles Freydl of Northville; Winifred Thompson and Miss Payne of Ypsilanti, were among those attending from a distance.

Mrs. Ray Pennel has been ill for some time, but is now improving. Members of the congregations at Worden and Salem, who have so often heard her preach, remembered her with cards and letters, last week.

Mr. and Mrs. William Tait of Plymouth; Mr. and Mrs. Glen Whittaker, Mr. and Mrs. Olin Tait and children of town line, were dinner guests at Nelson Bender's, Tuesday.

Lloyd Jarvis and family moved last week on the Walter Curtis farm. Robert Walker, mail carrier on route one, Plymouth, is serving his patrons again, after several weeks' illness.

**LIVONIA CENTER**

Dan Smith of this place, has been employed on the Silver Fox farm for the coming year, and expects to take possession soon.

The people of this place were greatly shocked and saddened to hear of the sudden death of their former friend and neighbor, Mrs. Nellie Rohde, and they wish to extend their sympathy to all the sorrowing relatives.

Mrs. William Hawley, Sr., was a Detroit visitor, Saturday.

A host of friends and neighbors of Mr. and Mrs. Herman Johnson spent a very enjoyable evening, at the shower, which was given by them for their daughter, Etta Mae. A most bountiful luncheon was served, and the bride-to-be received many useful presents.

William Garchow was in Dearborn on business, Tuesday.

Mrs. William Hawley, Jr., is on the gain, but is still under the care of the Detroit doctors.

Mr. and Mrs. William Garchow were guests at the home of Arnold Garchow of Northville, Friday of last week.

# BASKET BALL

A DECISIVE MILESTONE TOWARDS CHAMPIONSHIP

At the end of the first quarter, 5 to 0 Plymouth; first half 9 to 9; third quarter 13 to 13 for Dearborn; last half 26 to 26, and the final figure, after an extra five minutes, 36 to 34 for Plymouth, constitute the scores of the fastest and most sensational girls' game ever played on the local floor. The game was witnessed by a capacity crowd. From the above figures it is evident that in ability, the opposing teams were very evenly matched. Then superlatives cannot adequately picture the intense excitement from the first instant of the game—excitement felt by both the spectators and the players, because to lose this game meant to be tied with Dearborn for championship of the league. So complete was the cooperation of the members of each team that the ball in the hands of a guard meant as much as the ball in the hands of a forward, and had it not been for Whipple's remarkable quickness and Freydl's strong defensive work, the result might have been quite seriously different.

During the second quarter our opponents scored nine points while we got only four, making a tie. Early in the game the prevention of fouls became evident. Dearborn registered six of their 34 points from the foul line, besides having 11 other opportunities which were unsuccessful. When both of our regular guards and one forward were put off, a general groan swept the crowd, but owing to the pep and quite veteran-like dependability shown by the subs during the most decisive part of the game, the removal of the players did not prove a serious obstacle.

During the third quarter, Dearborn built up a lead of 5 points, which the "white and blue" were not long in recovering. In the closing minutes of the fourth quarter, Dearborn committed a foul, giving us two free throws, one of which had been successful in the final minute, when the blow, marking the end of the game. The tense crowd, forgetting the throw, which was yet our due, saw only the score-board reading 29 to 26 for Plymouth. Miss Ryan, the referee, called "Pete" Kiely back for the neglected free throw chance, but supposing the victory already won, she failed to call the foul. After a short conference with the score keepers, the referee formally announced the result of the game as a tie 26 to 26, not to be played off. The general rejoicing turned to keen disappointment. Again the referee interviewed the score keepers and again held the center of interest as she announced: "It seems that in this league you do play off ties, so an extra five minutes will be allowed."

Both teams summoned everything they had for the final struggle, and Kiely, with her usual fine accuracy, got five straight 2-point baskets. The margin of victory, however, was close, 36 to 34.

Kiely, R. F.—9 2-point baskets, 2 technical fouls. Amrhein, L.—5 2-point baskets, 2 1-point baskets, 3 free throws, 3 personal and 1 technical fouls. Bird, L. F.—1 1-point basket, 1 2-point basket. Freydl, J. C.—1 technical and 1 personal foul. Whipple, R. C.—2 personal and 2 technical fouls. Mueller, R. G.—4 technical and 1 personal fouls. Hake, L. G.—5 technical fouls. Shrogren, R. G.—1 technical and 1 personal fouls. Bolton, L. G.

## VICTORY FOR THE "ROCKS"

Going at break-neck speed, with the score tied at 20 all, and with four minutes to play, Williams of Plymouth, shot a basket, which took Dearborn out of first place, tied Plymouth for third with Northville, and placed the "Rocks" on the long end of a 23 to 21 score against Dearborn, last Friday night.

Three minutes after the start of the first quarter, Captain Sutherland tossed the first basket of the game. Stevens immediately followed with another. Dearborn by this time had found herself, and at the end of the quarter had scored three field goals and one free throw. All her field goals came from the center of the court. The score at this time was 7 to 6 in favor of Dearborn.

The "Rocks" were awake, their passing was good, their spirit was excellent. Dearborn had fight, ability and confidence. The result was that the crowd settled down to witness one of the most thrilling games played here in years.

The second quarter was a repetition of the first. Sutherland tied the score at 7 all, and then Stevens taking a pass from Strasen, put the "Rocks" again in the lead. The locals soon lost this advantage, when they allowed a Dearborn player to "get one," while lying on his back under his basket. This was the only poor play made by the Plymouth team during the evening. Several Dearborn baskets following made the score at the half 14 to 11, still in favor of Dearborn.

Coming back for the third quarter 3 points behind, it seemed as though the "Rocks" could not get started. Dearborn promptly took advantage of this by scoring 3 more field goals, while Plymouth was getting three points. Dearborn's star forward, Birch, was taken out with a sprained ankle. This, plus Holmes' basket in the fourth quarter, were the turning points in the game. Williams was substituted for Bartlett, who was taken out for personal fouls. The score at the end of the third quarter was 20 to 15, in Dearborn's favor.

For the first time this year, the home crowd was with the "Rocks." They were backing them to the limit. The "Rocks," realizing the loyalty of the home fans, came back for the most sensational finish ever played on the local floor, determined to win. Successive baskets made by "Sads," Holmes and Strasen tied the score at 20. The noise was terrific, the crowd was standing, when, all at once, the ball shot out from a group of players located underneath Plymouth's basket. There was silence for just a second, and then a roar. The "Rocks" had won the hardest game ever played in Plymouth, and for their reward, Mr. Smith gave his consent for the local team to go to the tournament at Ypsilanti, March 23 and 24. If the "Rocks" win at Ypsi, they will go to the Ann Arbor tournament.

Plymouth's line-up—Sutherland, L. F., Captain; Stevens, R. F.; Strasen, C.; Bartlett, L. G.; Holmes, R. G.; Substituted Williams for Bartlett.

Dearborn's line-up—Birch, L. F.; Weiner, R. F.; Webster, C., Captain;

Wagner, L. G.; Surtzer, R. G. Substituted Bunker for Birch.

## SECOND TEAM GAMES AT NORTHVILLE

Unavoidable charges were caused by the slippery floor regardless of the fact that Northville's baskets are comparatively difficult to find. The final score, 16 to 7, made our boys the losers in the game, which took place Thursday evening, March 1, at Northville.

The slow playing made the game uninteresting. Northville boys started with a rush, and had the tip off at the center. Plymouth's guarding was loose at first. The first quarter ended with a score of 8 to 0, in Northville's favor. In the second quarter, Reiman went in for Wilson, but the defense was not greatly strengthened until Mills went in for Taylor. Plymouth allowed only one basket, making the score 10 to 0. The game seemed "sowed up" when Northville made two baskets from center plays, at the beginning of the third quarter. Plymouth wakened up and from this point on, all the play was under her basket. One lone chance was all Northville was able to secure during the rest of the game. The line-up—Taylor, R. F.; Wilson, L. G.; Goyer, C.; Millard, R. G.; Hickey, L. G. Substitutions—F. Millard, Reiman and Mills.

## GIRLS' GAME

Plymouth girls came out victorious in the close game with Northville, the greatest difference being but three points in the score during the entire game. The final score was 11 to 8. In the first quarter, neither side scored. Each player fought hard, making a large number of toss ups. Several baskets were caged by our girls during the second quarter, making the score in our favor at the end of the half. The Plymouth girls came back to win the evenly matched game. They co-operated together much better than their opponents. Northville put up a hard fight and played a good game.

The line-up—1. Bird, R. F., one free throw, 4 2-point baskets, 2 technical fouls. Hinnau, L. F., 1 technical foul. G. Bird, Center. Bolton, Center, 1 technical foul. Shrogren, R. G., 1 technical foul. Herrick, substitute, 1 technical foul. England, substitute, 1 technical foul, 1 2-point basket.

## WHO KNOWS?

The Mail is desirous of collecting some historical data regarding the early days of Plymouth, and we are going to ask a series of questions, which, we hope, may bring about some interesting facts relating to the early history of the village. If you can give any information regarding these questions, write to the Mail office. If anyone has any questions they would like to ask in this column, please send or bring them to the Mail office. Here is a question for you: Who knows anything about the military companies organized here during the Civil War?

What year was Plymouth named? And by whom?

Who is the oldest resident of Plymouth today?

What is the history of the Territorial road, the first road north of Michigan avenue crossing Canton Center road.

Now men—Husbands—Fathers—Sons—Brothers do you realize that Easter comes very early this year—April 1st—and that the little Easter Gift for Wife—Daughter—Mother or Sister should be selected now, so you will have it ready?

Of course—She hasn't told you that she has her heart set on a pair of those Gray Nu-Buck Slippers in Dibble's window—or the Gray Suede Sport Oxfords—or the Patent Leather Slippers with straps and trimming of Gray Nu-Buck but—you know—Oh Cer-tain-ly you do.

Gray Suede or Nu-Buck combined with Patent Leather is the last word in the new footwear modes for spring.

We introduce five new models this week, \$5.50 to \$7.00.

Would she prefer a plain Patent Leather Slipper or Oxford? They are here at from \$4.00 to \$6.00, also the Black Satins in Plain Straps—Colonials and Beaded effects, at \$4.00 to \$5.50.

P. S.—We nearly forgot to speak of the Brown Calf Oxfords and Sport Shoes, but then you knew we had a dozen new styles without our saying a word.

Our Annual Mid-Winter Event

**BIRTHDAY SUPPER**

The birthday supper given by Co. B of the M. E. Ladies' Aid society, was a success in every way. The tables were beautifully decorated in accordance with the month for which they stood. January had as a centerpiece a snow house. February was gay in red, white and blue, with George Washington's picture in evidence. The March table was certainly a wonderful affair with its St. Patrick colors. Its white cloth surrounded with green fringe, with its nifty favor boxes and St. Patrick favors. It attracted much attention.

The table representing April was a joy, with its arch of Royal purple over the birthday cake, with boxes of tiny chickens in a bed of green. The May table shone in all the glory of a real Maypole, wound in pink and white, with streamers to each corner of the table. The table, to which all whose birthdays came in June sat down, was a joy to see with its baskets of beautiful pink roses in which stood a tiny bride. July was represented with a table whose centerpiece was a pyramid of American flags with flags for favors. The table representing August was beautiful with blue and gold. September was a riot of yellow bloom, while October bore out the scheme of Halloween, the table being decorated in black and orange. The November table was gay with yellow chrysanthemums, while December crowned the year by having the table decorated with a beautiful Christmas tree, all resplendent in tinsel and silver. On each table were two candle sticks in which candles in the color of the table decorations were burning. Each table also held a birthday cake surrounded by tiny candle holders, containing wee candles, the same shade as the larger ones. Favor boxes were also on each table. These were filled with salted peanuts, sandy or nuts. At 6:00 p. m., a delicious dinner was served. The music of the men's orchestra during the dinner hour added much to everyone's enjoyment.

**M. E. LADIES' AID SOCIETY**

Co. A of the M. E. Ladies Aid society of the Methodist church, met Wednesday afternoon with Mrs. Edward Ebert. Fourteen ladies were present. A nice lot of aprons were sold. After a successful business session, a social hour was enjoyed and refreshments served.

Co. B met with Mrs. Mable Stewart of Church street. The ladies spent the afternoon sewing rags for rugs. Delicious cake and salad were served for refreshments.

Co. C met with Mrs. Nowland. The women spent the afternoon making stage decorations for the play, "Mollie Bawn," which is to be given at the High school auditorium, March 14th. Let's go.

A CARD—We desire to express our appreciation for the many kind expressions of sympathy during our recent bereavement.

Guilford and Gilbert Rohde, Mr. and Mrs. T. P. Sherman, Mr. and Mrs. C. A. Rohde, Mrs. J. E. Rohde.

If you have anything to sell, liner in the Mail will bring you a buyer.

**A CHANCE TO SOLVE THE GARBAGE PROBLEM**

At the regular meeting of the board of directors of the Chamber of Commerce, Tuesday evening, President Edward Denniston made a proposition that will solve the garbage problem of Plymouth, which, by the way, is some problem too. Capt. Denniston asks that the village commission pass an ordinance that will permit him to have the exclusive right to collect all of the garbage in the village. The garbage to be placed in proper receptacles, and be free from glass, tin cans, etc. He guarantees to keep the village cleaned up of garbage, without any cost to the village or the citizens, whatever. He proposes to use the garbage at the prison farm. This is a good proposition, and we believe will meet with the hearty approval of every citizen of Plymouth. A committee from the C. of C. was appointed to confer with the village commission.

**TRAPP-GOTTSCHALK**

The wedding of Mamie E. Gottschalk to Mr. Adolph Trapp of Farmington, was quietly solemnized on Thursday, March 1st, at four o'clock, at the Lutheran parsonage at Clarenceville.

The bride was attired in a simple dress of white satin finish crape crepe, and carried a large bouquet of white roses. The bride was attended by the twin sisters of the groom, Miss Cora Trapp as maid of honor, and Miss Eleanor Trapp as bridesmaid. They were attired alike in French blue silk crepe de chine, and carried large bouquets of pale pink carnations and roses. The groom was attended by the bride's brother, Arthur Frank and the groom's cousin, Walter Trapp, as best men.

After the ceremony they returned to the home of the bride's parents, Mr. and Mrs. E. C. Frank, on the Canton Center road, where a bountiful supper was served to about thirty guests. Cards and games, with music, were the features of the evening's entertainment. The young couple received many beautiful gifts. They have the best wishes of many friends for a happy wedded life.

**LOCAL NEWS**

Mrs. Charles Olds is quite ill at her home on Mill street.

**OBITUARY**

Nellie A. Sherman was born at Perrinville, Mich., October 6, 1887. She was the youngest daughter of William and Anna Sherman. December 13, 1905, she was united in marriage to Forest A. Rohde of Livonia, who passed away January 10, 1923. To this union two sons were born, Guilford F. and Gilbert B. Mrs. Rohde passed away February 27, 1923, at the home of Clayton Rohde, after a short illness of pneumonia. She is survived by her two sons; two brothers, T. P. Sherman of Plymouth, and Leand Sherman of Perrinville, and one sister, Mrs. Mary Winchester of Detroit. She was a kind and devoted wife and mother, and will be greatly missed by all.

The funeral was held Saturday afternoon from the home of Mr. and Mrs. T. P. Sherman, Rev. D. D. Nagle officiating. Interment in Riverside cemetery.

**BAPTIST NOTES**

Rev. J. J. Pease preached his first sermon in the special meetings being held in this church, last Sunday morning, and then gave another fine sermon Sunday evening. Tuesday evening was women's night; Wednesday was men's night; Thursday was church, T. Y. P. and Sunday-school night. Friday evening is community night. The music has been led by Messrs. Hamill and Campbell. No meeting on Saturday night.

Each morning at 10 o'clock a prayer service has been held in several homes. Next week on Tuesday, it will be held at Mrs. George Wiske's; Wednesday, at Mrs. S. L. Bennett's; Thursday, at Mrs. C. S. Burner's; Friday, at Mrs. Ed. Wood's.

We want to urge everyone to come and assist in the work, both morning and evening.

Next Sunday morning, Rev. Pease's subject will be, "The Price of a Revival." The evening subject will be, "God's Message to Plymouth."

The regular meeting of the Aid society will be held next week Wednesday at the home of Mrs. Sewell Bennett at 2:00 p. m.

The B. Y. P. U. met in the church dining room, last Tuesday evening, at a pot-luck supper, and made plans for Easter. They will give the program under the direction of Mr. and Mrs. Westfall.

**WARMER WEATHER**

There may be something after all in the belief of some of the older citizens of Plymouth that our winter seasons are not what they used to be. Weather men find, by studying the records, that the climate of Chicago, for instance, is now what the climate was half a century ago 250 miles south of Chicago. Testimony shows that this is not peculiar of the Mississippi valley alone, but that the climate all the way across the continent is moving northward, with every section of the United States affected.

But regardless of whether the winter months are growing warmer, or whether they are as cold as they used to be, we are always thankful to see the days getting longer, to note that the seed catalog is again in our mail box, and to feel that annual "garden-making fever" mounting in our system. We've been more or less housed up for a spell now, and like a young colt kept in the stall, we're anxious to get out and run around a little, sort of kick up our heels and work up a sweat.

Only a few windy weeks now until we'll be welcoming spring, and giving thanks that the green is getting back in the trees. We'll be fixing up good things from our own gardens. It's hard work getting them started, and keeping the weeds from taking them away from us once they are started. But it's worth the worry and work. So if the winters are getting warmer, why complain? Doesn't it mean that we will get into the garden patch that much sooner?

**GALLUSES ARE BACK**

The average male citizen of Plymouth will thank us for breaking the news that "galluses" have come back in style. Many of you have been wearing them anyway, but sort of sheepishly, as though you realized they were no longer stylish. Now comes the style committee of the National Association of Merchant Tailors, and says, according to the daily papers, that they are again O. K. While woman's waist line was moving down, man's was moving up, and the new style trousers have to be held up by suspenders, since they can no longer be "hung on the stomach." Belt's won't solve the problem, because they have to be drawn so tightly that most men refuse to wear them. So the tailors have decreed that galluses are right in style again—and the women, too, if they feel they want to carry "equal rights" that far.

**The Ford**

George F. Baker, the New Yorklander, said at a farewell luncheon before his departure for Italy: "My folks would make terms with the Bolsheviks. Those who counsel such a course remind me of Nutty Noonan."

"Nutty Noonan, the village half-wit, was loafing by the creek one morning when the doctor appeared. The creek was much swollen, for it had rained overnight. Furthermore, there was no bridge, but only a ford.

"The doctor pulled up. He studied the ford uneasily. It had a dumpy rook look. Then he turned to Nutty.

"Has anything not across the ford this morning, Nutty?" he asked.

"Sure, Doc. Surest thing you know," said Nutty, and he nodded and grinned in a reassuring way. "Higginson's ducks went over not ten minutes ago."

**Why They Remain Unmarried.**

Dr. A. A. Brill of New York. In his study of 400 cases of patients who had been only or favorite children found that only 93 of them had married, though their average age was thirty-four, says a writer in McClure's Magazine. In his opinion most of them remained old maids and old bachelors because they were unduly dominated by their attachment to their parents.

A CARD—Mrs. T. P. Sherman wishes to thank the Ladies' Aid society of the Presbyterian church for the flowers they sent her during her illness.
