

## AN OLD CONCERN WITH A NEW NAME

### MARKHAM AIR RIFLE CO. PIONEERS IN THE AIR RIFLE FIELD, CHANGES ITS NAME TO KING MANUFACTURING CO.

Change in name and the re-organization of one of Plymouth's oldest and industrial enter-prises has just taken place. The concern which has operated under the name of the Markham Air Rifle Company for the past forty-two years is now known as the King Manufacturing Company. The Markham Air Rifle Company, pioneers in the manufacture of air rifles, was founded by W. F. Markham in 1886. The business grew from a very small concern until its products were known all over the world.

The trademark of the company became known for so many years as it was thought advisable to change the name of the company to King also for advertising purposes. The company has splendid prospects for a most prosperous year beginning in 1928, and expects to show an increase in the number of employees. When you hear the name King now it will be the King of the Markham which has familiar sound here for many years.

Following are the officers of the company:

President—E. S. Roe.  
Vice-President and General Manager—E. F. Valentine.  
Secretary and Treasurer—Cass S. Smith.

The above officers, together with C. H. Bennett and E. C. Hough, constitute the board of directors. Frank J. Barrows is superintendent of the plant.

## BUILDING ASSOCIATION HOLDS ANNUAL MEETING

The annual meeting of the stockholders of the Plymouth Home Building Association was held at the office of the association Monday evening, January 8, 1928. The following directors were elected for the ensuing year: William H. Pattinson, C. H. Bennett, W. R. Bennett, Mr. Bennett and Mr. Bennett were re-elected to succeed them.

The above three together with Wm. Betherland, Claude Verklir, Wm. Bennett, Ed. Gayde, E. O. Huston and W. R. Parrott compose the board of directors.

Following the stockholders meeting, the board of directors met and the following officers were elected:

President—E. O. Huston  
Vice-President—Edward Gayde  
Treasurer—W. R. Shaw  
Sec. Treas.—Arthur J. E. Torre

The following committee on record-keeping was appointed: W. R. Shaw, Edward Gayde and E. R. Parrott.

The following board of examiners was also appointed: Sewell Bennett, Harold Jelliffe, Dr. Carl January.

## OPEN NEW GROCERY STORE

Arthur, former well known business man, who has been in the grocery business for the past few years, has decided to again join the business of Plymouth and will open a new grocery store in the South Hotel block. The new store will open to the public Saturday, January 14th, with a complete line of staple and fancy groceries. Arthur extends a most cordial invitation to the public to call and see him at his new location. He has an excellent staff in which he has many of the best quality day specialties. Mr. Arthur and family have resided on Ann street for some little time.

## WOMAN VOTERS HOLD ANNUAL INSTALLATION OF OFFICERS

The annual installation of officers of the Plymouth League of Women Voters was held at the home of Mrs. George W. Sample, of Ann Arbor, Tuesday, January 9th. The speaker will be announced in the Plymouth Mail later.

This is a presidential election. Hence our interest in government is sure to be increased.

The Plymouth League of Women Voters invites you to make your interest in government an intelligent one by attending its meetings and reading its publications which include the state bulletin for the Michigan League of Women Voters, "Michigan Women," which is the attractive monthly published by the Wayne County League of Women Voters, and "The Woman's Journal," which is the organ of the National League of Women Voters.

## FORMER RESIDENT OF PLYMOUTH DIES

Mrs. Mary Zollinger, nee Mary Kellogg, daughter of the late Joel and Della Kellogg of Plymouth, passed away at her home in Indianapolis, Ind., Monday. Mrs. Zollinger was 84 years of age, and was born on the present site of the Hotel Mayflower. Her husband, Col. Charles A. Zollinger preceded her in death forty years ago. For fifteen years he served as mayor of Fort Wayne, Ind.

The deceased leaves two daughters, Miss Mamie Zollinger and Mrs. Mary Turner, besides two brothers, Douglas Kellogg of Plymouth and Lucius of Detroit, and two sisters, Mrs. J. B. Sumner of Detroit, and Mrs. Ida Taft of Plymouth. Mrs. Zollinger was a lady greatly beloved by all who knew her. The interment took place at Fort Wayne, Ind.

D. A. Kellogg of this place, attended the funeral services.

## FUNERAL OF MRS. MARY CHAPPEL

June 11, 1845, a little girl came to Robert and Charlotte Osborne at Port Hope, Ontario, whom they named Mary Anne. While still a child, her parents moved to what was then a new country near Collingwood on the Georgian Bay. In 1863, the family came to Canton township, where in 1871, Mary Osborne became the bride of Lester Chappel, taking up family life in Dayton, Ohio, where three children were born, Mary B. Hull of Toledo, Robert O. of Plymouth, and the late Lieut. Charles F.

She passed peacefully away at the home of her daughter in Toledo, January 2, 1928, aged 82 years, six months and 21 days. Funeral services were held at the Schrader Bros. Funeral Home, Thursday, January 5th, Rev. H. P. Marley of Toledo, officiating, assisted by Mrs. W. S. Inke, soloist, and Mrs. J. T. Chapman at the organ. Burial took place in Riverside cemetery, beside her husband.

Mary Osborne Chappel's long life was one of rich experience, and a help to many, for with a marvelous memory to tell of her life as a daughter, granddaughter, sister, wife, mother, and grandmother from pioneering, to modern comforts, never once shirking all duties, alert to the very latest news in politics, etc.; she was a splendid conversationalist.

She was gifted with second eyesight, and being an omnivorous reader, and always active physically, she retained her sense of humor and love of life to the end. She loved to attend the family reunions, and this fall attended the Osborne picnic at Ionia. A brother and two sisters and many nephews and nieces live in Gratiot county.

Besides her daughter and son, left to mourn are four grandchildren, Zada Fitzwater of Dayton, Ohio; Lester Hull of the Coast Guard Station at Buffalo; Charles and Roberta Chappel of Plymouth; also two great grandchildren.

## BIRTHS EXCEED DEATHS IN PLYMOUTH

According to the reports on file in the village clerk's office, the number of births in Plymouth village exceeded the number of deaths by 22, during the year of 1927. The total number of births was sixty-two, while the total number of deaths was forty.

## PLYMOUTH MAN IS SENT TO PRISON

Entering a plea of guilty to a larceny charge resulting from the theft of four geese, three ducks and eight chickens from a farm in Salem township, Earl Shoebridge, 32 years of age, of this place, was sentenced to serve from two and one-half to five years at the Jackson prison by Circuit Judge George W. Sample, of Ann Arbor, Tuesday. Shoebridge, married and the father of three children, asked for leniency.

He was taken into custody at his home on South Main street last Sunday night at the request of Washtenaw county officers, by Chief of Police Springer and officers Redman and Stanble. He made some resistance, and the officers were obliged to put the handcuffs on him. While officers Redman and Stanble were taking the prisoner to the jail in the village hall, he broke away from them and ran. They were unable to apprehend him at that time, but he was again taken into custody at the home of his father-in-law, Richard White, in Livonia township, early the next morning.

## A GOOD CITIZEN PASSES AWAY

In the death of Ammon Warner, which occurred at his home in this village Friday, January 6th, 1928, Plymouth loses another of her well known and highly respected citizens, and a lifelong resident of Wayne county. He was a prominent farmer and an active member of the Grange and was a member of the school board of his district for more than thirty years.

Ammon Warner, son of Erastus and Olive Patten Warner, was born in Nankin township, Wayne county, November 4th, 1840. He spent the greater part of his life on the farm which he helped his father carve out of the forests, experiencing the tolls and hardships common to those early days. On June 27th, 1877, he was married to Eleanor Hayward, daughter of another pioneer family, who survives him. To this union was born eight children: Edith and Edna, who died in infancy; Mrs. Cora McLaren, of Detroit; Miss Bertha Warner, at home; Harvey and Herbert of Kalamazoo, Michigan; Russell of Schenectady, N. Y.; and Arthur of Detroit. There are also nine grandchildren: one sister, Mrs. Alma Adams, of Upland, Calif., and numerous other relatives.

Mr. Warner was a kindly man of unusual intelligence and unqualified uprightness. His life was a positive influence for good in the community where he lived, and his advice was frequently sought by many who had learned to depend on him.

When this country entered the World war the family all gave themselves to the support of the government, two of them being officers, one of the army and one of the navy, while Mr. Warner turned with new determination to the work of the farm. In October, 1924, he gave up his farm work and moved to his residence on Ann street, Plymouth, where he lived until his death. He was loved and esteemed as a devoted husband and father and as a kind neighbor and friend. Many join with the family in mourning their loss.

The funeral services were conducted Monday afternoon at the funeral home. Rev. Walter Nichol officiating. Interment in Riverside cemetery.

## DAISY COMPANY ANNUAL MEETING

At the annual stockholders meeting of the Daisy Mfg. Co., held at the company's offices January 10th, the following board of directors was elected for the ensuing year: C. H. Bennett, E. C. Hough, George W. Hunter and W. T. Conner.

The board of directors elected the following officers:

President—C. H. Bennett  
Vice-Pres.—E. C. Hough  
Secretary—George W. Hunter  
Asst. Treas.—W. B. Lombard  
Supt.—W. J. Burrows  
Production Mgr.—Fred Cline

The company had a very prosperous year during 1927, and this enabled them to increase the amount of the compensation distributed among the employees at Christmas time. The officers of the company are looking forward to an even larger volume of business during 1928.

## KIWANIANS HEAR TALK ON RUBBER

The Kiwanis club of Plymouth was profitably entertained at their weekly luncheon Tuesday with a talk by Carl La Rue, Ph. D., of the botany department of the U. of M. Dr. La Rue is rated as the foremost authority in the country on the rubber tree and has just recently returned from Brazil, where he headed an expedition for Henry Ford to determine the possibilities of the rubber industry in South America. The report of the expedition resulted in the purchase by Mr. Ford of several million acres of rubber land.

Dr. La Rue explained the processes by which rubber is produced, and went into detail concerning the present status of the industry and England's policy restricting the production of rubber in the British Empire.

## P. M. INAUGURATES FREIGHT SERVICE BETWEEN PLYMOUTH AND DETROIT

The Pere Marquette Railway has instituted daily freight service between Detroit and Plymouth. Freight will be ready for delivery the next morning at Plymouth.

It is hoped enough tonnage will be secured to make this a permanent service.

## ENTERTAIN SOUTHERN REPRESENTATIVES

A sales convention of the southern representatives of the Daisy Mfg. Co. was held at the company's offices last week Wednesday, January 4th. Those present were: Messrs. Louis Williams, L. B. Farmer and Ward Long. The visitors together with several others, were guests of the company at a dinner at the Hotel Mayflower that evening.

## PLYMOUTH DEBATES NORTHVILLE TONIGHT

Tonight at 7:45 Plymouth High school debates Northville in Northville high school auditorium. Plymouth has the affirmative side of the proposition. Resolved, that the direct primary system of nominating candidates for public office should be abolished.

The Plymouth team who will debate tonight, January 13th, are Irth Root, Harold Hubert and Franklin Atkinson. To prepare for the Northville debate, Plymouth has had three practice debates during the past two weeks with Central High school, Detroit; Ypsilanti Central, and Ferndale.

So far this season the Plymouth debaters have won their two debates in the state series. November 19, our team consisting of Harold Hubert, Leona Boyer and Franklin Atkinson defeated Fordson at Fordson, 3 to 0. December 8th, the same team defeated River Rouge High here, 2 to 1.

The Northville-Plymouth debate tonight will be a close contest. Drive over to Northville and help our Plymouth debaters win.

## FISH HATCHERY GETS APPROPRIATION

### APPROPRIATION TO BE USED TO INCREASE SCOPE OF WORK.

An appropriation of \$22,000 has been obtained for additions and improvements at the United States fish hatchery at Northville. It was announced yesterday. The money has been granted through the efforts of Representative Grant M. Hudson, who obtained the appropriation committee's approval.

The money will be used to increase the scope of work now being done. A new building for housing employees is planned. A public rest room for visitors, additional ponds for fish fry and a fish exhibit patterned after the Belle Isle display at Detroit are included in the project.

It is the intention of Superintendent William Thayer not only to use the appropriation to increase the value of the hatchery, but to make it more attractive to the increasing number of tourists and sightseers who visit it. The water used at the Northville station for fish propagation comes from flowing springs and necessitates no pumping.

The Northville station is the headquarters for all the federal fish activities in Michigan. Branch stations are at Alpena and Charlevoix.—Detroit Free Press.

## NEW BUSINESS MEN'S CLUB

The Business Men's Club is the name of a new organization that has taken over the club rooms formerly conducted by the Chamber of Commerce in the rooms over the Community Pharmacy.

The Chamber of Commerce have moved their office to a room in the Hotel Mayflower block on West Ann Arbor street, which they will occupy together with the Merchants Service Bureau office.

The officers of the newly organized club, which has a membership of about sixty, are as follows:

President—Wm. J. Burrows  
Vice-President—Harry Shattuck  
Sec. Treas.—Harrison Smith

## EASTERN STAR INITIATION AND DANCING PARTY

A special meeting of Plymouth Chapter of the Order of the Eastern Star, will be held Tuesday evening, January 17th, at the Masonic temple, dinner to be served at 6:30 p. m., following which there will be a short program. The initiation ceremony will begin at 8:00 o'clock, and at 10:00 o'clock a program of dancing and cards.

The arrangements of this meeting have been planned to give everyone a good time. Northville chapter has been invited to join with us, and members are privileged to invite guests for the dancing and cards.

## BOY SCOUTS

Next Thursday evening, the 19th, the boy scouts of this village and of Rosedale Gardens will hold a competitive rally in the Community Hall at the Methodist church. Last year a rally similar to this was won rather handsily by the Rosedale boys. The Plymouth boys are rather expanding to make a better showing this time. The rally will be under the direction of M. E. Loomis, Sr., Field Scout Executive, will start promptly at 7:30 p. m., and will consist of regular scout opening and closing exercises, and a program of scout stunts. It is hoped that the parents and friends of all our scouts will be present to cheer the local boys and to enjoy watching the scout work shown. The troop now consists of Scoutmaster S. D. Strong, two junior assistant scoutmasters, Jack Caldwell and Allan Strong, thirty-four active scouts and fourteen associate scouts. Besides the above officers, the scouts are led by Frederick Shear, senior patrol leader; I. S. Sherman, junior patrol leader and scribe and Teddy Perry, Charles Root, John Randall and Gilbert Williams, patrol leaders, respectively, of the Stag, Pine Tree, Flying Eagle and Beaver Patrols. The troop is a veteran troop, enjoying the five year veteran emblem upon the troop flag. Six of the active troop are first class, six second class, and twenty-three ten-foot scouts.

D. A. S.

The Sarah Ann Cochran chapter, D. A. S., will hold its January meeting at the home of Mrs. Frank Langrum, Church street, Monday evening, January 17th, at 7:30 p. m.

### MONEY TO BURN.

About all the foreign news we get in our daily papers these days is sarcasm, or European items declaring America is a nation of spenders. They seem to think there is money to burn over here. But the shoe pinches when they see that their shots are not taking effect, but the United States, on the other hand, pleads guilty to being a nation of spenders—and is proud of it.

We can offer them now, for instance, some figures for 1927 that will make them still more uncomfortable. We can show that in 1927 50 out of every 100 Americans boasted a bank account, or a total of \$8,250,000 depositors in the entire country. At the end of the year the total deposits of American people reached the stupendous sum of \$26,000,000,000. So they form not only a nation of spenders but a nation of savers.

We've far more thrift right here in Plymouth than we ever had before, even though our people spend more than they ever did. Our standard of living is higher; we've got both necessities and luxuries that we didn't think we could afford a half dozen years ago. More of us own our homes, autos, radios, pianos, phonographs, and more of us take expensive vacation trips. And yet more have money in the bank than ever before.

### TALKING AND DOING.

We've a lot of regard for the Plymouth man who usually starts his conversation by telling us of something we need around here. It shows he has the interest of the town and community at heart. But we are inclined to lose patience with him if he is content to tell us what we need and then let the subject drop there. The man who talks improvements is a big help in the neighborhood, but the one who not only talks them but rolls up his sleeves and helps get them is more to our liking.

This is a favorite time of year for suggesting needed improvements. We all love to believe we are going to get the things we need "this year." But too many of us stand by and wait for the other fellow to do the actual work, with the result that "what's everybody's business is nobody's business." And we reach the end of the year still lacking that which we could have had by going after it.

Why not resolve to do a little actual work along with the suggestions? Agitating is all right in its way. It serves to awaken the people to the need for this or that improvement; but agitation alone will not get the things we ought to have. Why not step in and take the lead for once, and in that way actually secure the improvement you believe your town and community stands most in need of. You'll find others ready to help the moment they see you are earnest; and you have a newspaper right here that is only too glad to do its share toward accomplishing results. There are several things we need badly in this community right now. Why not pick out the one that seems to you to be the most important and lead a campaign to get it before this year, too, has become a part of history?

### AS JARDINE SEES IT

"Agriculture is better off today than it has been at any time in the last six years." That statement was given out in Washington the past week by Secretary of Agriculture Jardine. He says the estimated value of all farm crops for 1927 was \$9,114,845,000, or more than \$675,000,000 greater than in 1926, thus insuring a larger income this year

for tillers of the soil. He says federal aid is coming this year sure, and predicts that agriculture will be lifted out of the dumps in every section of the country and every mother's son of us knows what he is talking about. We don't go much on weather forecasts, and we take very little stock in the groundhog, but if Secretary Jardine's predictions come true we'll be happy enough around Plymouth to throw up our hats and not care if they never come down.

### LET'S TAX IT.

When the earth was younger a man picked his mate and dragged her home by the hair of the head. Now comes Margaret Olmstead, noted writer, to tell us that a remnant of that custom still lives, since man is still doing the proposing. She argues that if the women did the proposing there would be fewer divorcees, more happiness and a finer race. She considers it more important for a wife to love her husband than for a husband to love his wife, though she admits that the ideal marriage is one where there is love on both sides. We haven't the least idea how our Plymouth girls will take to Miss Olmstead's proposition. Neither do we know whether our young men would relish having the fair sex do the proposing; but Miss Olmstead says she is sure it would reduce the number of divorcees, and if it succeeded only in accomplishing that, it seems to us it would be worth trying.

### SPEED

This is an age of speed. Every make of automobile now going on the market for 1928 is faster than before. It is faster for ordinary, everyday use, not just for test purposes. The automobile manufacturers have met the demand for swifter machines. But unless traffic regulations are strictly observed, 1928 is likely to see an unprecedented number of lives sacrificed on the altar to the god of speed.

The situation calls for a general tightening up on the part of those responsible for the enforcement of speed laws. Pedestrian and motorist alike must be forced to obey the laws or be punished. It is better that they suffer mildly than that they die.

If both motorists and pedestrians obey the rules, many lives will be really inconvenienced. And if everybody obeys the regulations, traffic will move faster, too. Don't take a chance, for you may make it your last one.

**AROUND ABOUT US**

Mr. and Mrs. Theo. J. Owen of L'Arbore, celebrated their fiftieth wedding anniversary January 2.

Ann Arbor's magnificent new Michigan theatre was formally opened last week Thursday evening.

Dr. Roy D. Tupper was unanimously elected president of the Redford Exchange Club, last week.

The University of Michigan has 10,614 enrolled at the present time—7,314 boys and 3,270 girls.

The Methodists of South Lyon, have commenced the construction of a church house, for the use of the various activities of the church.

The village commission of Wayne has voted to change all the old street lights in the village. The new lights to be installed, will be of 600 candle power.

William Franklin, 90 years old, a pioneer of Redford township, passed away January first at the home of his son, A. H. Franklin on Six Mile road, Redford.

ski jump, allowing a jump of 75 to 100 feet, is being erected at the Dodge state park near Highland. Low ground has been flooded for a skating pond.

Excellent progress is being made on improvements down at the Silver Springs company plant. The building will probably be entirely finished and ready for use early in the spring.—Northville Record.

The board of directors of the Dearborn Chamber of Commerce are considering plans for bringing new industries to that town. At present an effort is being made to induce the Methews Industries to move from Detroit to Dearborn.

The county road commission has completed its program for new roads to be built during 1928 in this county. There are 16 pieces, with one or more in each township. Nearly all are connecting links between roads which had been previously built.—Brighton Argus.

The murdered body of Harry Hinzy, 29 years old, 4784 Toledo avenue, Detroit, was found by John Gerrard, 17043 Flora avenue, Detroit, Tuesday morning about nine o'clock on Oakwood boulevard a mile this side of the Detroit city limits. Hinzy was a D. S. I. conductor.

What may be called a barn job de luxe has recently been completed by Henry Wright of the Wright Planing Mill and Lumber Yard of Milford, for Ira Wilson & Sons of Detroit. The job which figured around \$65,000 consists of two large barns and a milk house and they are located near Fowlerville.

A new plan has been adopted for taking care of Grand River road

throughout this county. Instead of having a maintenance force for this work a contract has been let to the county road commission which, it is believed, is better prepared to cope with the snow situation than the usual gang maintained for this purpose.—Brighton Argus.

City Health Officer Dr. Randall Schuyler has received a report from the state health department at Lansing that a recent test of the water supply of this city showed it to be clear of contamination. The sample sent to the state was taken from the drinking fountain at the high school, a central place to secure a sample of water.—Northville Record.

**Sure Relief for Sore Throat**

**Quicker Than Gargling.**  
Why suffer pain, soreness or discomfort while waiting for slow-acting gargles to give relief? When a physician's prescription called Thioxine is guaranteed to relieve in 15 minutes? It acts on a new theory.

One swallow taken internally goes direct to the cause. Contains no chloroform, iron or other harmful drugs. Safe and pleasant for the whole family. Always ask for Thioxine—much better than gargles and patent medicines. 35c. 60c and \$1.00. Sold under money-back guarantee of quick relief. Sold by Dodge Drug Co. and all good drug stores.

When a man's pockets are empty he can usually fill them by pocketing his pride.

It would be interesting to know what Mrs. Rudyard Kipling said when she read that line of her husband's that goes, "A young man married is a young man marred."

A scientist has rigged up a device to expose the real thoughts of persons and it would be a good thing to try it out on the defendant's lawyer in almost any big criminal case.

**FARM GROUPS GATHER FOR STATE MEETINGS**

**ANNUAL FARMERS' WEEK MAGNET FOR MICHIGAN CROPS AND LIVESTOCK PRODUCERS.**

The annual gathering of the agricultural clans of Michigan will take place January 30th to February 3rd at East Lansing, according to an announcement by members of the college staff who have been in charge of the program for Farmers' Week.

Forty-five associations of Michigan farmers will hold their annual meetings at the college at that time. The associations represent people interested in soil improvement, livestock breeding and the production of dairy products, fruits, flowers, potatoes or grains. Sectional meetings for farm women have been arranged to discuss household problems that interest the rural home-maker. Food used to be something that would stick to the ribs, but now women want to know whether the food placed on their tables meets the nutritional needs of their family.

Afternoon and evening sessions at Farmers' Week will be occupied by the general programs which will provide an opportunity for nationally known men and women to present their views upon rural conditions.

Arrangements have been completed for holding seven shows during the week. Michigan farmers will exhibit potatoes, grain, apples, eggs and honey. Winning exhibits from preceding shows will be on display at the potato and grain show.

A news dispatch says that "stingless mosquitoes are being propagated in France" and it leads one to wonder if they sting, to, over there.

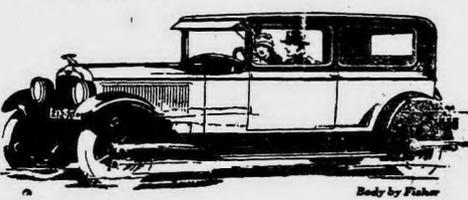

**In All America no Better Built Car at the Price!**

More power... more speed... more smoothness. A brilliant change of pace. You instinctively expect them. You somehow know that's what you get in the All-American Six... But consider these other reasons for its stirring success. The exacting care and craftsmanship with which the car is built. How marvelously it survives the tests and trials of time... Here are stamina and endurance that result only from All-American engineering. Big, rugged, oversize units. Balance and simplicity of design. Month after month of pitiless testing on General Motors Proving Ground... and super-precision construction throughout!... That's why its power, speed and smoothness are measured in tens of thousands of miles. Why economy and dependability are Oakland owners' by-words. Why All-American owners will tell you—"No better built car at the price!"

PRICES: 2-door Sedan, \$1045; Landau Coupe, \$1045; Sport Roadster, \$1075; 4-door Sedan, \$1145; Cabriolet, \$1155; Landau Sedan, \$1265.

Pentiac Six, 1-Door Sedan, \$745. All prices at factory. Delivered prices include minimum handling charges. Easy to pay on the liberal General Motors Time Payment Plan.

**Special Sport Equipment** Available on all body types. 6 wire wheels with tires... special front fenders with tire walls... two special tire locks and locking rings... collapsible trunk rack... \$100 extra on open cars... \$110 on closed cars... 6 disc wheels with same equipment, \$75 on open cars... \$85 on closed models.

**Again -the Greatest Sensation of America's Greatest Industry**

Again, Chevrolet has created an automobile so far beyond all expectations in the low-price field that it constitutes the greatest achievement of America's greatest industry.

Built on a 4-inch longer wheelbase—offering numerous improvements in performance, beauty and safety—the Bigger and Better Chevrolet marks a spectacular epoch in the development of luxurious transportation at low cost.

The engine is of improved valve-in-head design with alloy "invar strut" pistons... hydro-laminated camshaft gears... mushroom type valve tappets... AC oil filter... AC air cleaner and a new crankcase breathing system.

Throughout the entire car similar advancements are represented—from the four-inch longer wheelbase and the new semi-elliptic shock absorber springs—84% of the wheelbase, to the marvelously beautiful new Fisher bodies in new Duco colors.

Come in and drive this great new car. Drive it through traffic—and get the thrill of its darting pick-up... the smooth, certain action of its non-locking four-wheel brakes! Drive it on the open road—and test every point in the speed range for smoothness and roadability! Try it on the hills—and learn the true meaning of Chevrolet power!

Do that—and you will agree with thousands of others that here is the world's most luxurious low-priced automobile.

Every feature of advanced design demanded in the finest cars now offered in the New Chevrolet! Read this partial list.

The Baptist church is looking forward to the fine musical program which has been arranged for the next three Sunday evenings. Miss Gladys Fox of Detroit will be with us for both morning and evening services. She is the regular soloist at the Highland Park Baptist church and at present is attending the Detroit Conservatory of Music. We are glad to have her with us and welcome her at our services again.

Sunday, January 27th, Miss Zella Towne is to sing at both the morning and evening services.

January 29th, a violin quartet is to furnish special music for our evening program.

## CATHOLIC NOTES

The new church is rounding itself into shape and will soon be a completed job—a real pride to the parishioners and to the citizens of Plymouth. The auditorium will soon be completed and the formal opening will take place in the near future. A Strausburg man has volunteered his services to assist in making the opening night a real memory. Watch for the time and date.

Sunday is Holy Communion Sunday. Let all turn out; a banner Sunday.

The sick list includes Mrs. Henry Lehman, John Mertens, John Van Horn. Each is recovering slowly.

Subscriptions for the new church are still in order. Kindly come forward.

New families will kindly report their residence to the pastor.

The financial report of 1927 has been reviewed by the trustees of the parish and submitted to the Right Reverend Bishop. The success of 1927 is due to the hearty co-operation of all the parishioners and business men of Plymouth, and for this the pastor is very grateful, trusting that 1928 will be more successful than the previous years.

## PRESBYTERIAN NOTES

The men of the congregation and community are invited to attend the dinner meeting of the Men's Class on Monday, January 16th, at 6:15 p. m. at the home of Mrs. M. E. Lehman. The speaker will give an illustrated travel talk. We are sure of a most interesting evening.

The Ready Service class will meet at the church on Tuesday, January 17. There will be pot-luck dinner at noon. The day will be devoted to work on the hospital quota of the Woman's Auxiliary. Women are asked to bring garments which may be used in making rug rugs and old linen which may be cut in squares for hospital use.

Admission free. Collection. Song service at 7:15. Service of song to be given by the choir and illustrated with pictures, story and song.

Church night Friday, January 20. Pancakes and sausage, with maple syrup, served for supper at 8:15. Adults 50c. Children 25c. Musical program by artists from Farmington, Ann Arbor and Northville. Speaker, A. G. Leonard, superintendent of Farmington public schools. Topic, "The Triangle of Education."

Next young peoples night Saturday, January 28. Special visit of young people from East Lansing Peoples church, who will give a musical program in the church and conduct a class tournament in the basement. Young people will take part in the services on Sunday, January 29.

Meeting for prayer Wednesday evening at 7:30.

Salem Federated Church Ladies' Aid hold their annual business meeting in the home of Mr. and Mrs. George Roberts on Thursday afternoon. Reports read at the meeting revealed that the many efforts the Aid has put forth during the past year have been crowned with great success. The meeting discussed with keen interest the work of the coming year, and the following members were re-elected to office: Mrs. John Smith, president; Mrs. G. Senior, secretary; Mrs. H. Gale, treasurer.

The Men's Club held an extra meeting Tuesday night to plan for their January supper meeting which will be held next Tuesday evening, January 17, at 6:30. This supper will not be restricted to men, but all will be welcome—especially if they have brought 75c for a ticket. The supper will be served by the men themselves. The speaker of the evening will be the Rev. W. F. Jerome. Mr. Jerome was with the evening.

## METHODIST NOTES

The girls' basketball team played the first game in the basket ball league of Detroit last Monday night with the girls of Bethel Evangelical church. The girls showed speed and good technique and it was a most interesting game, with a score of 22 to 22.

Some one has said that every member of the church should have an engagement every Wednesday night to attend the mid-week prayer service. Considering the time spent there (7:15 to 8:00 o'clock) it is very profitable.

The L. A. S. circles all meet next Wednesday afternoon.

Mrs. White's circle will meet with Mrs. White at 426 Adams street. They will have a 10 cent tea.

Mrs. Miller's circle will meet with Mrs. L. N. Dickerson, 712 Fairground avenue. Each member is to bring an article for the exchange sale.

Mrs. Hillman's circle will meet with Mrs. H. S. Doerr, 447 South Harvey street.

At the L. A. S. meeting last Wednesday it was voted to hold their annual bazaar and chicken supper on Thursday, February 23rd. Keep this date in mind.

### PUT WATER SYSTEM ON SELF PAYING BASIS

OTHER CITIES AND TOWNS ARE OPERATING THIS PUBLIC UTILITY ON A SELF-SUSTAINING BASIS. WHY NOT PLYMOUTH?

The Mail has published several articles recently regarding Plymouth's water system and what might be done to place it upon a self-sustaining basis. As was stated in an article a few weeks ago, the water system is not paying its way, and the present bonded indebtedness of the water works department is \$180,000. The village has to pay over \$14,000 on these bonds every year as principal and interest. The operating expenses of the plant far exceed the receipts, and it is therefore imperative that something be done to solve this situation.

With this idea in view, the village commission has been getting information from various cities and villages as to the operation of water systems in other places.

In the village of Westerville, Ohio, a town about the size of Plymouth, up until a few years ago all water and sewer main extensions were financed by general bond issues. At that time, however, the council there adopted a new policy, and now all water and sewer main extensions, together with laterals, fire hydrants, curb boxes, etc., are paid for by assessments against the benefited property, for which special assessment bonds are issued. Water and sewer extensions are made only upon petition of property owners who agree to pay cost thereof.

In the City of Flint, on streets where there are not enough prospective consumers to make the investment in a water extension self-sustaining the property owners are required to deposit the cost of making the installation, a contract is given by the city to the property owners which provides if at any time within three years the annual gross revenue from the main equals 10 per cent of the cost of installation, the city rebates the amount of money deposited. If at the end of three years the extension is paying less than the 10 per cent, a rebate of the amount on which the revenue will show a 10 per cent earning, and the difference between the amount rebated and the cost, or amount deposited, is retained by the department.

It is very obvious from the above that these two places are not operat-

ing their water system at a loss. They have adopted a good business policy, the same as would be done by an individual or a private company if they were operating the water system.

**NEW HUDSON-ESSEX CARS ARE FINER IN EVERY RESPECT, SAYS W. J. STURGIS, LOCAL DEALER.**

A highly interested reception is being given the new Hudson and Essex lines at the New York show and at the distributors' salesrooms, where the new cars have been the center of crowds and the comment has been admiring.

In the opinion of Hudson-Essex dealers, the new lines represent a high mark of accomplishment for the Hudson organization. Under the company's present set-up, the line covers a wider range of price and of choice of type and finish than ever before.

Prices announced on the Essex bring the four-door sedan down to \$715, so that the company is presenting to the public the only six-cylinder car of this type listed below the \$800 mark.

The well-known Essex coach, with ample room and equipped with many notable refinements of construction and convenience, is continued at \$735 and a larger coupe, with the popular rumble seat, is announced at \$775.

**New Lines Popular.** Comment is being made on the higher and more slender radiator; the new and heavier crowned fenders, new type of headlamps and saddle lamps; and numerous other additions to the smart appearance of the Essex line. The vertical radiator shutter, built-in, also commands the approval of the public.

Color finish is handsomer than ever, with some new shades available, and in combinations of distinction. The handsome body plant of the company has evidently been brought to a high degree of precision in production.

**These Custom Hudsons.** Interest is also excited in the new custom models of the Hudson line, which are really beautiful cars. Victoria, sedan and landau sedan have been added to the line, in a series of super-finish and appearance. The cars are unmistakably Hudsons, but with an enhanced beauty of design, appointment and color.

The company may be said to have entered the 1928 field with a double line that, throughout its types, presents cars of uniformly high appeal. Because of the lowered prices on Essex and the addition of the custom-built Hudsons, the price range is wide and the company's offering appeals to an enlarged portion of the public.

Hudson Motor Car company in 1927 made a new high output record with a production of 280,000, placing it solidly in its position among the biggest makers, and plans for 1928. It is understood, include a still further expansion of manufacture.

**THE NEW SERIES PONTIAC SIX**

Vividly beautiful in a complete line of new body styles by Fisher, mechanically enhanced by numerous notable engineering advancements, offered at no increase in price—the New Series Pontiac Six, now provides even greater superiority over all other low priced. Sizes than it ever offered in the past.

Its smart new body types suggest the power and speed that are harnessed beneath its hood. With higher hood and cowl, higher, narrower appearing radiators and sweeping, full crowned fenders they impress everyone who sees them as the final word in motor car style, grace and distinction.

New G-M-R Cylinder Head.

Even greater horsepower results from the use of the famous G-M-R cylinder head, already a proved feature on the Oakland All-American Six. And with this greater power, the Pontiac also reveals greater smoothness, silence and economy. For the G-M-R cylinder head reduces detonation or "spark knock" to a negligible factor, eliminating harshness or "thump" and permits the automatically controlled spark to be set at the point of greatest efficiency without creating disturbing noise.

A new and specially designed carburetor contributes additional performance ability to the Pontiac Six, as does also a gasoline pump equipped with a filter, which replaces the familiar vacuum system.

Features of the new carburetor are the Venturi Choke and the Internal Economizer. Extreme ease in starting and reduced crankcase dilution result from the former; greater economy and smoother performance at all speeds from the latter. And still another feature is the accelerating pump, from which device the Pontiac draws a new and thrilling vitality when traffic lights change to green. A sturdier frame, 1/2 inch deeper and more ruggedly cross membered, increases the engine's capacity for which the Pontiac Six has always been famous. Approximately 16 per cent greater stiffness has been obtained and the frame is designed with a kick-up in front as well as in the rear, thus permitting lower chassis and body construction, with road clearance actually increased.

Four-wheel Mechanical Brakes.

Four-wheel brakes are standard equipment on the New Series Pontiac Six. They are mechanically operated, of internal type on front wheels and external on rear wheels. Equalization of front and rear brakes is provided and each brake is adjustable at the wheel. A separate parking brake operates on the rear wheels.

In this new Pontiac Six series the "cross-flow" radiator makes its first appearance. The distinguishing feature of this radiator is that water instead of flowing from a tank at the top to one at the bottom passes horizontally from a tank at the left to another at the right of the core. Losses of water or water vapor from any cause are lessened, losses of alcohol in winter are decreased, damage from freezing is virtually eliminated and a more rugged construction is obtained. From an engineer's viewpoint the "cross-flow" radiator is one of the greatest automotive advancements of recent years.

A new, smoother, more easily operated clutch-crankcase ventilation which reduces dilution of oil—a new, beautifully designed instrument panel including a gasoline gauge—and a new semi-coincidental transmission and ignition lock—these are among the most prominent of the notable engineering advancements offered in this New Series Pontiac Six, with the result that the Pontiac of today stands unrivaled as the world's finest low priced Six.

**NEWBURG SCHOOL NOTES**

By Gladys Allen

Clarence Levandowski has finished the Curtis drills. This fact leaves Mildred Gilbert leading the other pupils.

The eighth graders have just finished learning the poem, "Give Us Men." The fourth graders are studying "The Village Blacksmith."

The fifth grade geography class has finished Europe and are starting South America.

The fifth graders are also studying multiplication of fractions in arithmetic.

The seventh graders who have finished Europe, are studying Michigan geography.

Michigan history and civics are being stressed by the eighth grade.

**STARK SCHOOL NOTES**

Miss Jameson visited our school last week and set up the new work for the month, which is to be on Michigan history. We got a star for sewing and one for school grounds, on our gold star card this month.

Tuesday we received the material for our dental campaign. The nurse and doctor examined the teeth of all the children before Christmas, and we are proud to say, found quite a percentage to be perfect. As soon as each child has the new card filled out by the family dentist, he will be on the school honor roll.

Our attendance last week was poor, owing to the weather, and also the road was so badly drifted that it was necessary to go round through the fields.

Mrs. Lillian Blake entertained the girls of the school in honor of the birthday of her daughter, Lillian, last Tuesday after school. The color scheme of yellow and blue was prettily carried out in the table decorations. Many delightful games were played, and at five-thirty a delicious dinner was served.

The boys planted our Christmas tree on the school grounds. Friday noon we are going to tie pieces of bread and other things to the tree for the birds.

The new window decorations in the upper grade room are bowls of geraniums; the blackboard border is an Eskimo dog sled. The primary room is going to use large brightly colored parrots for window decorations. There is also a huge snow man in one corner of the blackboard.

"What did the deceased leave behind him?"

"A wife, the sheriff and numerous creditors."

**A PLEASANT EVENT.**

The Ladies' Auxiliary gave another of those delightful and highly appetizing pot-luck suppers for the ex-Servicemen's club on Monday evening, January 9th, at their regular meeting held at Grange hall. After supper the men required to the assembly room, where they held a short business meeting, the ladies conducting their business session down stairs. A short talk to the men was given by Captain William Bowen, a veteran of both the Spanish-American and World wars, covering his duties as a field representative of the Salvation Army, in which he is now actively engaged. The club members then, in token of their appreciation of those many comforts that ten years ago made the front lines seem just a little more like home, presented Captain Bowen with a twenty-five dollar check. Cards furnished entertainment for the evening after business meetings were closed.

**A BRIEF HISTORY OF A  
GREAT ACHIEVEMENT**

**I**N THE Spring of 1925 Dodge Brothers undertook an important and gigantic task—which is now complete.

Since its inception in 1914 Dodge Brothers had specialized exclusively in a four-cylinder product. During thirteen years more than two million units of that product were sold to America and to the world.

It is unnecessary here to comment on the singular merits of that famous Four.

It was honored on the battlefields of war, and achieved equal distinction on the highways and byways of peace.

Its long life and complete dependability had become an adage.

Meanwhile, however, times were changing and tastes were changing with them.

While still as important as ever, dependability alone was no longer sufficient.

Greater speed and comfort, more style and luxury were the growing prepossessions of the hour.

Two years ago Dodge Brothers' appraised its task and embarked upon a program designed to place it and its Dealer Organization in a position on January 1, 1928, second to none in the industry.

The astonishing results of this great achievement are now known to the world.

It is doubtful if industrial annals can

cite, over a similar period, an achievement so outstanding.

A smart, swift, low-priced and immensely popular quality Four has replaced its famous predecessor.

The Senior Six, outstanding in performance, quality and luxurious appointment, has been created.

Graham Brothers Trucks and Motor Coaches (formerly exclusively Fours) have been supplemented by sixes. Fifty new types have been added.

The capacities are broadened to range from one-half ton to two-ton, all resulting in the most complete and capable line of work cars known, and with prices ranging from \$670 to \$4290.

Then Thursday came *The Victory*—a Six for \$1045 and up—the most spectacular engineering achievement of the decade.

These accomplishments, one following the other in steady progression, have now provided Dodge Brothers Dealers throughout the world with the most diversified and comprehensive line of passenger and commercial vehicles ever manufactured and sold by a single organization.

For every need and purse there is now a Dodge Brothers vehicle built dependably and in full recognition of the progressive ideals of today and tomorrow.

Adhering rigidly to the sound and honorable standards of a great past, Dodge Brothers have met the challenge of a still more exacting future.

**FOR RENT**—Furnished housekeeping rooms; private entrance; also board and room for two. Inquire at 1012 North Mill street, Plymouth. 812c

**SALESMEN**—We want a married man (or a lady) preferably employed at present but not satisfied with position or earnings, to sell insurance. We have a good list of prospects to start with. If you have sales ability, good appearance, pleasing personality, and are not afraid to work, you can soon learn this business. This offer is for either a full time permanent position, or you can start working during your spare time. A real hustling part time man can develop this into a good income producing full time position within two or three months. Please do not apply unless you can finance yourself to start, have an auto to drive, and can furnish unquestionable references. This position is with one of the best known insurance agencies in Plymouth, and is an unusual opportunity to learn the insurance business. Compensation is based on 10% and 20% commission basis. Address Lock Box 118, Dept. A, Plymouth, Mich. 81c

**WHITBECK'S CORNERS**

The Helping Hand society met this month at the home of Mrs. Agnes Parrish, of East Plymouth. Considering the cold weather, there was a good attendance. Dinner was served at noon and then the meeting was called to order by the president, Mrs. Reiman. The chaplain then read the scripture and led in prayer, all repeating the Lord's prayer in unison. The minutes of the last meeting were read and stood approved. After the business meeting they adjourned to meet the first Wednesday in February at the home of Mr. and Mrs. Fred Reiman for dinner. Anyone that chooses may attend. All welcome.

J. Frank Parrish and two sons, Francis and Carl, of Perrinville, called on the former's mother last Sunday. Mr. and Mrs. Otto Kaiser and two sons, Wesley and Doyle, spent Friday afternoon with Mrs. Kaiser's mother, of East Plymouth. Mr. and Mrs. Justin Gale, of Ypsilanti, spent Saturday night and Sunday at the home of their daughter and family. Mr. and Mrs. William Bengert, of this place.

Mrs. Walter Schiffe has been on the sick list but is better at this time. George Wollast is building a new house on Russell street in the Robinson subdivision. Mrs. Fred Reiman spent Tuesday with her mother, Mrs. Josephine Hix, on Ford road.

**WATERFORD**

The Waterford Community club will give a dancing party at the K. P. hall Friday evening, January 13th, in Plymouth.

Mr. and Mrs. Clarence Ebersole were dinner guests of Mr. and Mrs. Howard Hunt last week Thursday at Northville.

The Friends class studying Genesis will meet January 13th at 7:30 p. m. at the home of Mr. and Mrs. Jesse Kilgour on Phoenix avenue, in Phoenix Park subdivision. Their home is the last house but one on that street. They extend the usual cordial invitation to all who wish to attend.

Mrs. Corene Dunbar and daughter, Dorothy, from Plymouth, spent Monday evening at the home of Mr. and Mrs. W. H. McKerrogan. Charles Gill and family, of Lincoln Park, were Sunday visitors at the home of his parents, Mr. and Mrs. Jacob Warren.

Miss Lenora Finney has been on the sick list for several days. Mr. and Mrs. Albert Ebersole spent the week-end with their son, Otto Ebersole, and family, of Pontiac.

Mr. and Mrs. James Denton and children attended the P. T. A. at the Waterford school Wednesday evening. Mr. and Mrs. Jacob Warren and Mr. and Mrs. Claud Finney motored to Ypsilanti and Wayne on a business trip last Thursday.

**KEEP YOUR HOME COZY!**

**Buy Your COAL NOW!**

It's a long time until spring. Three more cold winter months are ahead, and the mercury will shiver down to zero more than once before the flowers bloom again. Have you enough coal to last all winter? Don't gamble with your family's health and comfort. It is much cheaper to buy enough coal than to pay doctor bills. If your bins are full of our high-grade coal your home will be warm and cozy, no matter how the wind blows or how the freezing blasts rage outside. To have plenty of coal in your bins is to be on the safe side. And coal will be no cheaper later. Don't trust a small amount to carry you through. For health and comfort's sake—

## NEWBURG

The services last Sunday were very well attended. There were 68 in Sunday-school, and we are hoping to have 80 this Sunday. Everyone welcome.

The Junior and Epworth Leagues met as usual on Sunday evening. Last Wednesday the L. A. S. met at the home of Mrs. Jessie Thomas, and in spite of the very cold weather, quite a large crowd was present and enjoyed the wonderful dinner served by the ladies.

On Monday evening, January 9th, Miss Joy McNabb gave a miscellaneous shower at her home in honor of Miss Elizabeth Leonard. About 25 young ladies were present, and the bride-to-be received some lovely gifts. After the gifts, a lunch was served the young people by Mrs. McNabb and Miss Joy.

On Friday evening, Mr. and Mrs. Carney and sons, Basil and Elmore, entertained for dinner, Stewart and William Rambo of Plymouth.

Mr. and Mrs. Mark Joy and Betty Jane and Mrs. Ostrander spent Sunday in New Hudson.

Mr. Cutler's mother is spending a few days at the Cutler home. Melvin Gutherie's grandfather, of Pittsburgh, Pa., is visiting at the Gutherie home.

Mr. and Mrs. C. E. Ryder celebrated their 47th wedding anniversary on Monday, January 9th. Several called, and they received a number of gifts, among them a beautiful angel food cake from Mrs. Frank Ryder of Salem.

The P. T. A. met on Tuesday evening at the school house. They made plans for a "Bunco" party to be held in the school house Friday evening, January 27th.

Mr. and Mrs. Donald Ryder entertained Mr. and Mrs. Wm. Smith for dinner Wednesday, the occasion being Mrs. Smith's birthday.

## GRANGE NOTES

Plymouth Grange No. 389, will hold a regular meeting Thursday, January 19th, with a pot-luck dinner at noon and a meeting following.

The Lily Club which was postponed one week, will be held at the Grange hall, Tuesday evening, January 17th, with the usual pot-luck supper. Ladies please bring dishes for her family. Mr. and Mrs. C. Root, Mr. and Mrs. Wm. Grammel and Mr. and Mrs. Thomas Gardner are hosts. All the club members are urged to be present.

Pomona Grange, which was to have been held at Belleville Friday evening, January 27th, has been postponed indefinitely. Further notice will be given later.

## SALEM

Mrs. Carl Sage, of Plymouth, spent Saturday night with her parents, Mr. and Mrs. N. Brokaw, and they accompanied her to Detroit Sunday. Mr. Sage, who has been in a hospital for some time with blood poisoning, was able to return to his home Wednesday under the care of a nurse. Mrs. Sage will remain with him and resume her school duties again after his recovery.

Mr. and Mrs. N. Brokaw visited her brother, Charles, Tuesday at St. Joseph's hospital, Ann Arbor. We are glad to report that he is some improved after his second return to the hospital.

The Home Management class of Salem met with Mrs. Judson Taylor Tuesday, January 10th. Immediately following a bounteous pot-luck dinner the lesson on principles of color and a study of the background was exceptionally well presented by our leader, Mrs. Irving Johnson, and Mrs. Harrison Gale, assistant leader. Each member showed intense interest in the subject. The next lesson will be on wall decorations, wall paper, etc.

Mrs. Howard Whipple and Mrs. J. Dickie, of South Lyon, were Saturday afternoon visitors at the G. Foreman home.

Mr. and Mrs. Jno. Herrick were Sunday guests of Mr. and Mrs. Wm. McCullough, of Plymouth.

Mr. and Mrs. G. Geraghty and family were Sunday guests of Mr. and Mrs. Elmer Mower, of Ypsilanti.

Mrs. Mortie Murray and daughter, Fern, and Frank Henderson, of Plymouth, were Sunday guests of Mr. and Mrs. Glenn Lyke and family.

Mr. and Mrs. E. Geraghty and Mrs. C. Stambro spent Tuesday in Ypsilanti.

Mr. and Mrs. Clifford Crockett, of Ann Arbor, were week-end guests at the Henry Whittaker home.

Mr. and Mrs. E. Stambro, of Stockbridge, spent Saturday night and Sunday in Northville with her parents, and they were Sunday night supper guests of Mr. and Mrs. Bert Stambro.

Ray Spears returned home from Florida Wednesday after spending a few weeks there. He reports a pleasant trip.

Week-end guests at the home of Mr. and Mrs. J. E. Woodhouse were Miss Mary Richards and Glenn Reeves, of Detroit.

Frank Ryder, wife and son were Sunday guests of Mr. and Mrs. George Roberts.

Mrs. Mary Dake has been quite ill but is some improved.

Miss Ruth Foreman, of Detroit, spent the week-end with her parents, Miss Dorothy spent Saturday night and Sunday with Mr. and Mrs. James Dickie, of South Lyon.

Earl Stambro has purchased the elevator at Stockbridge and they are residing there now and will move their household goods as soon as a vacant house can be located. The community is wishing them success in their new undertaking.

## SOUTH SALEM

Mr. Burt and Rheloid Hanson of Detroit, came out to John Hansen's, Sunday morning, and spent the day. Mr. and Mrs. Brower and two daughters of Redford, and Mr. and Mrs. Wall and children were Sunday afternoon guests also.

Mr. and Mrs. Ed. Smith and Beryl attended a pedro party Friday night, in Plymouth.

Mr. and Mrs. Kruse and family spent Sunday with Mrs. Lockwood, in Ypsilanti.

Mr. and Mrs. Manley Clinansmith and family spent Sunday in Royal Oak, at the home of their son, Guy Clinansmith and family.

Mr. and Mrs. Will Cole and two daughters, spent Sunday at Dearborn, at the home of Mrs. Cole's sister, Mrs. J. J. Bryan.

Mr. and Mrs. Ed. Smith and son, Beryl, attended a birthday surprise on Mrs. Gilbert Love in Plymouth Sunday. Other guests were: Mr. and Mrs. Clyde Smith and children, Mr. and Mrs. Floyd Nelson, Mr. and Mrs. Cordia Nelson of Ypsilanti, and Mr. and Mrs. Roy Nelson of Plymouth.

Mr. Lord, the school supervisor of Ypsilanti, visited Jarvis school, Monday.

Charles Heath of Canada, is spending some time at the home of his niece, Mrs. Gada Savery.

Miss Sarah Kuhl returned to her school after two weeks' vacation.

Peter Fallot and Dorothy are sick at this writing.

## IN MEMORIAM

In loving memory of my dear mother, Mrs. Sophia Dethloff, who passed away three years ago, January 30th, 1925.

'Tis hard to break the tender cord  
When love has bound the heart.  
'Tis hard, 'tis hard, to speak the words,  
Must we forever part.  
Dearest Mother I have laid thee  
In thy peaceful grave's embrace,  
But thy memory will be cherished  
Till I see thy heavenly face.  
It was hard to part with mother  
Oh, so hard to have her die,  
But that I hope to meet her  
Some sweet day bye and bye.  
Sadly missed by her daughter.

Most humorists take themselves seriously.

**CIVIC LEAGUE**  
January 9, 1928

Meeting called to order by the president, Margaret Haskell. Roll taken. Minutes of former meeting were omitted. Helen Goebel, who had charge of the drinking fountain for the previous week, gave a report of her work. The meeting was then turned over to the program committee, in charge of the chairman, Elaine Hamilton. The topics were on winter sports and activities. Rachel Falot, whose topic was on Eskimos, had some very interesting pictures which she showed the club. Following the program, officers were elected for the coming week. They are: Gilbert Williams, president, and Mary Lorenz, secretary. No vice-president was elected. Virginia Woodworth was appointed monitor of the drinking fountain for this week. Upon vote of the club, the meeting was adjourned.

**MRS. ROOT, B-1**

Evelyn Bower, Cella Lewis, Barbara Osaver and Lawrence Smith are reading in the new child library primer.

Last Friday afternoon we went without our recess, and the girls had a doll party the last fifteen minutes of the session, presenting fifteen Christmas dolls. Patsy Bronson brought a doll into which a record could be put like a victrola, and the doll sang songs and said Mother Goose rhymes.

Mr. Smith brought in the lantern that afternoon, and showed us the pictures that go with the story of "Chicken Little."

Monday the boys brought toys which were received at Christmas, and they as well as the dolls were shared by one another.

We are reviewing in script all the words we had since the beginning of the semester.

**MRS. BLOSSOM, 2-B**

Edsel Tye has finished the 2-B semester spelling lessons.

Group one has finished the oral reading books. Elsie and Lloyd Green have been transferred from Starkweather to Central, and are in our 2-B room.

All the children reported a holiday full of fun and excitement.

Eleanor Cline, Genevieve Pinkerton, Jean Hamill, Joe Archer, Alfred Heltman, Helen Clark and Elmer Barlow have finished the semester tests in numbers.

We are making health calendars for cleanliness. Each day we may color a square if our clothes are neat, our hands and face clean, and our hair combed.

Wesley Rathburn entered this week from a country school in Livonia township.

**MISS J. DIXON, THIRD GRADE**

Last week Irene McLeod spelled down the 3-B grade and Myra King the 3-A grade, while this week Marlan Gordon is winner in the B class and Myra King in the A.

**MISS SEEVERS, 4-B**

We have each made a salt and flour relief map of North America. They look very nice after they have been colored with our water colors.

Do you know why the first month is called January? We learned that in language class, and we each wrote a little story about it for our note books.

**MRS. HALLIDAY, 5-B**

Rhea Rathburn has entered the 5-B. Original fables are being written by the 5-B class.

Jane Dodge, Anna Margaret Ruse and Beth Northrup have been neither absent nor tardy this year.

**MISS FARRAND, 5-A, 5-B**

The 5-A geography class has made booklets on Africa.

Jack Wilcox has a 100% record in spelling for the past month.

William Staszni brought a pretty plant to brighten up the room. He also has brought some good specimens of silver ore.

Mr. Wilcox visited our room recently.

We have moved from room 10 to room 7 on the second floor.

**MISS FENNER, 6-B**

The subject of foods is being studied in hygiene. Posters are being made by the girls and boys. Margaret Buzard is to have charge of the current events for Monday. Each one in the room is to have some news items to report on.

The girls are still ahead in spelling. The score has been very close this week.

**MISS HALLAHAN—SIXTH GRADE**

Robert Johnston has whooping cough, and has been out of school for several days.

This week our language class learned "The House by the Side of the Road," by Sam Walter Foss.

89% of our room received 100 in spelling every day last week.

**SEVENTH GRADE SEWING**

The girls in sewing classes are commencing their new garments. The 7-A girls are making their cooking aprons

for cooking class next year. The 7-B girls are beginning to make slips, to be worn with their spring dresses.

Before Christmas, the sewing projects included hemstitching, fagoting and decorative stitches. These stitches were used on gifts that the girls made in class.

One hundred stockings were made and filled with candy, nuts, apples, oranges and dolls by the sewing classes, for the less fortunate children at the Northville sanatorium.

**EIGHTH GRADE HOME ECONOMICS**

This semester the 8th grade girls have completed breakfast unit, which included making bread, muffins, cereals, eggs, griddle cakes and french toast.

Some of the projects for the semester has included lunch, dinner, and the products made were soups, casseroles and baked dishes of various types and simple desserts. At the giving time the girls brought cranberry sauce in molds or jelly for their own Thanksgiving dinner. Christmas time was observed by making various candles.

As a closing project for the semester's work, the girls will serve their mothers a simple luncheon.

**EIGHTH GRADE PHYSICAL TRAINING**

The girls in physical training were playing basketball. Now they are going to practice for the exhibition to be held in April.

—Helen Goebel.

**CAMP WETOMACHICK**

At the Christmas party that was given December 21, after school, there were three prizes won. One was won by Janet Blikenstaff by making the best Santa Claus of gum. Jennie Scarpulla won one in the cracker race, and Laura Kincaid won the last in the candy hunt. Christmas presents were given. Each girl had to fish for her present. Refreshments were served, and the party ended.

Each girl of Camp Wetomachick was asked to bring something for the Christmas box for a family in Plymouth. The box was given to the family on Christmas morning.

There was no camp fire meeting on January 3rd.

—Jennie Scarpulla

**HIGH SCHOOL NOTES**

The Aggie Club of Plymouth High school gave a skating party at Phoenix on Thursday night, during Christmas vacation, for all members and alumni members.

Plymouth and Northville had a basketball game Friday night. It was played at Northville.

The sophomore class was to have had a sleigh ride party Monday night, but on account of the snow melting, it was postponed until later on.

The Junior Girl Reserves had a party the Wednesday before Christmas vacation. They met at Elizabeth Strong's, and played games, and refreshments were served.

All English ten classes are studying a group of short stories by Sherman. The French classes went on a sleigh ride Thursday, January 5th, on Canton Center road.

Mrs. Whipple's English eleven class is studying Whittier and Longfellow. Mrs. Whipple's public speaking class is studying gestures.

Helen Carruthers, senior, and Catherine Nichol, junior, Girl Reserves, attended a conference recently.

The Aggie Club was to have had a sleigh ride party last Saturday night, but on account of the snow melting, they went to the theatre and then to the home of June Wagenschutz for refreshments and games.

Mr. Smith is going to talk to the assembly Thursday of this week, on the Physiological Society of Life.

**BASKETBALL**

Plymouth's first league game was held with Northville in their gymnasium, last Friday evening. The second team played a good, fast game with the ten best players picked from those who were out to practice. Drills and practice will now bring the team up to a high standard. Team work throughout the game showed a great increase, which should keep on during the season of basketball.

Plymouth's score consisted of three free throws and one basket made by Gerald Hondorp, who was afterwards put out of the game on four fouls of which two were claimed not fouls but the referee's error. The score thus ended, Plymouth 5 and Northville 32, with Plymouth's team playing cheerful to the end.

The two first teams were brought on the floor with yells of both sides, who again were waiting to see the two, always close rivals, fight a close game. Plymouth getting the first points, started the fast action within one minute after the start.

The fast game with nice passing and clean playing coming from both teams, kept them moving and the sidelines yelling from the start to the end. The motive to fight was also given them by a good Northville school band. After many yells from both sides, led by their yell masters kept the two teams in fighting spirit.

Fighting as they have not fought before, they lost only in score, taking the defeat with clean school spirit, which was, Plymouth 33, and Northville 52.

### THE THEATRE

#### "SILVER COMES THROUGH."

The pride of a great horseman in pure bred stock and his refusal to recognize worth in an animal of mixed breeding is an axiom from which an important phase of the plot of "Silver Comes Through," Fred Thomson's latest starring vehicle for FBO is derived.

In "Silver Comes Through" Thomson's beautiful horse, "Silver King," plays the role of a western horse of non-descript breeding, entered in a cross-country race as a last resort when the thoroughbred entry of his owner suffers an injury. Through the intricate structure of the plot "Silver" thus becomes the benefactor of the man who first refused to recognize his merit and later "jacked" him grudgingly.

Thomson, as the star of the production, is said to endow his characterization with an unusually high performance of a highly pictorial nature. In addition to "Silver King" the supporting cast includes Edna Murphy in the leading feminine role, William Courtright, James Woods and Mathilda May. Lloyd Ingraham directed and also wrote the adaptation which is based on the original story by Frank M. Clifton.

"Silver Comes Through" will be shown at the Penniman Allen theatre Sunday and Monday, Jan. 15-16.

#### "SHE'S A SHEIK"

Bebe Daniels, Paramount star, will be chief contributor of laughs to this community next Tuesday and Wednesday, Jan. 17-18, when she will be seen in "She's a Sheik," a comedy of desert love and warfare, which comes to the Penniman Allen theatre on those days.

Critics who have seen "She's a Sheik" pronounce it one of the star's best, and this statement is made over the head of Miss Daniels' more recent fun provokers, "Senorita" and "Swim, Girl, Swim," both of which were tremendous hits.

The story deals with the activities of the granddaughter of a Sheik who has been educated in America and has some very modern ideas on how to bag a man. Falling in love with a handsome captain of the Foreign Legion, she sets about winning his love in one of the strangest manners ever revealed on the screen. How she finally succeeds makes one of the funniest productions seen here in some time.

The objective of Miss Daniels' attack is Richard Arlen, one of the stars of "Wings," Paramount's epic of the air. This is the first time Arlen has appeared on the screen with the vivacious and athletic Bebe. Other players who round out an exceptionally brilliant supporting cast are William Powell, self-termed "terror of the desert"; Josephine Dunn, beautiful ingenue, who loses in the battle for Arlen; Paul McAllister, as the Sheik; Al Fremont, James Bradbury and Billy Franey, the last two teaming together as American showmen, who are shown plenty of tricks by the wizards of Algeria.

The story of "She's a Sheik" comes from the pen of John McDermott, author of "Senorita." The screen play was written by Lloyd Corrigan, author of "The Campus Flirt" and "Swim, Girl, Swim." Clarence Badger, who has directed Miss Daniels in all of her recent successes, again handled the megaphone on "She's a Sheik."

#### "A GENTLEMAN OF PARIS."

The eternal triangle is given a unique treatment in the Adolphe Menjou Paramount picture, "A Gentleman of Paris," which comes to the Penniman Allen theatre Thursday and Friday, Jan. 19-20.

The valet of a gay young gentleman bachelor, a man of "affairs," oh, ever so many affairs, discovers that his master is carrying on an affair with his wife.

In extenuation, it must be said that the master does not know that the lady is his valet's bride.

The valet would like to fight a duel with the master but as a servant he cannot challenge a man of superior social position, so he determines to quit his job.

Menjou, as the master, is terrified at the thought of losing his plus-perfect valet. He would be helpless without him. He tries to hold him in his employ. Falling in this, he insists on the traditional eight days' notice, and in this he wins his point.

Very few men would care to have an outraged husband give them their morning shave, but Menjou carries on nonchalantly. He is about to be married and his mind is full of the approaching wedding.

At the reception for his bride-to-be he gambles for high stakes and the loser accuses him of cheating. He is searched and a card found secreted in his sleeve.

His prospective father-in-law urges him to commit suicide and a pistol shot almost immediately after would indicate that he had done so.

The pistol shot brings the dramatic climax of the production and explains the mystery of the hidden card.

A superb cast surrounds Menjou in the picture, including Shirley

O'Hara, the leading woman; Arlette Marchal, Lawrence Grant, William B. Davidson, Lorraine Eddy and Nicholas S. Jassanin, as the valet.

#### "THE MAIN EVENT."

Admirers of petite Vera Reynolds, Pathe-De Mille star, will give her latest stellar vehicle, "The Main Event," a rousing reception on its initial showing at the Penniman Allen theatre Saturday, Jan. 21. In every respect this amazing story of a cubaret dancer and two ring fighters is worthy of the commendation it has received everywhere. It packed the famous Roxy theatre in New York at every showing and is as much as this is the best motion picture that can be advanced for its truth and an epic picture that will delight all who see it.

There are many novel effects in the production introduced with rare skill by William K. Howard, the director. Scene after scene, from the moment when Miss Reynolds appears in her dancing act, to the final at the ringside when the man she loves is battling almost hopelessly for the championship and by her subtlety leads him to glorious victory, hold one's attention as by a magic spell. Never have we seen Miss Reynolds to finer advantage than in this adroitly produced photoplay.

Rudolph Schildkraut as the father and manager of Johnnie Regan, the bright youngster whom the dancer seeks to double-cross but later learns to love, did excellent work. Charles Delaney as Johnnie is a player of charm and talent who will, we fancy, become a cinema figure of great promise. Robert Armstrong as "Red" Lucas, a scoundrelly ring champion, was sufficiently menacing to satisfy any fan who likes real screen villains. Julia Faye as the other girl lent adequate support. On the whole, "The Main Event" is a picture worthy of the highest praise. It stands almost in a class by itself. Don't fail to see it. It's a hummer.

### UNIVERSITY OF MICHIGAN

MICHIGAN HIGH SCHOOL DEBATING LEAGUE, ANN ARBOR, MICHIGAN.

On this same date, January 13, Debating League, will meet in 120 debates, in which 720 high school pupils Debating League, will meet in 120 debates, in which 720 high school will participate. The subject of all these debates will be, "Resolved: That the Direct Primary System of Nominating Candidates for Public Office in the United States Should be Abolished." This debate on January 13 will be the third of the four preliminary debates sponsored by the Michigan High School Debating League. The remaining preliminary debates will be held on January 27, 1928.

After the 240 high schools have participated in this final preliminary debate the schools with the highest records will enter the elimination series of debates, which will, by successive debates, eliminate all schools except two which will come to Ann Arbor for the final state championship debate in April.

Reports received from the first two preliminary debates held on November 18 and December 9, in which 240 high schools participated, indicate an almost even break between "affirmative" and "negative" victories throughout the state. The reports also indicate a greater interest in debating than ever before, as the first two preliminary debates were attended by more than 50,000 people of the state.

### "If I Only Had Health—"

How often we hear someone make that remark. People do appreciate health and really want it more than anything else life offers.

A well person enjoys life infinitely more than a sick person. Anyone suffering with a mild cold in the head knows how he reacts by a slowing up of all his faculties—he actually feels sicker than he is, often he is miserable.

Health, then, can be said to be the one universal want of all people. People will pay any price to regain health. Some people know that health is easy to regain, and easier to keep.

In Chiropractic the method is available. Chiropractic takes nothing from you nor does it add anything to you. It is a scientific method by which you may regain health or keep the health you now have.

Regular adjustments are as essential as regular baths. Why don't you begin taking adjustments?

While crossing the street at the intersection of Pennington avenue and Main street last Monday evening about six o'clock, Blake Fisher was accidentally hit by an automobile driven by Cecil Packard. Mr. Fisher sustained severe bruises upon his left limb and knee. He was taken to his home where he is getting along nicely at this writing.

Our attention has been called to the dilapidated condition of two of the signs erected by the village several years ago on main highways leading into town, at considerable expense. These signs should be maintained in first-class condition, as otherwise they do not create the right kind of an impression of Plymouth to strangers who are passing through the village.

Canton Plymouth No. 17, I. O. O. F., enjoyed their first treat of the year Thursday evening. The wives prepared a chicken dinner for the officers, chevalliers and their families. There were 53 present. After a short business meeting, doors were opened and all enjoyed the drill and dancing. The next event will be February 2, when the installation of officers and a military ball will take place. The public is cordially invited.

WATT AND STEVENSON WHISPERED IN THE EAR OF MAN: "KIND THEIR SECRET 'AN OUNCE OF COAL WILL DRAW TWO TONS A MILE'" — EMERSON

We owe a lot to the secret which these two scientists unfolded, but the words which our coal whispers in the ear of the world is the secret of true coal weather comfort. A half ounce of coal draws two tons a mile. But a ton of our coal draws the biggest smile.

A MILLION BILLION YEARS. DEAD BANK BANDITS. AT THE AGE OF FORTY. AN \$110,000,000 IDEA.

The Reverend Dr. Cadman remarks that "This planet may exist for nearly a million billion years longer." An anxious Christian asks, "Do you believe that the soul sleeps in the grave with the body a million billion years, waiting for the judgment? If I really believed it, I think I should try to have a pretty good time while still in the flesh."

The Reverend Dr. Cadman tells the inquiring soul that when you are unconscious a million billion years seems no longer than a minute and a half, and tells the soul: "It is better to awake from a prolonged torpor with clean recollections in your conscious past than as a moral idiot."

The child that "can't wait a week for Christmas" and the Christian "that can't wait a million billion years for the judgment day" are both interesting, and both children mentally.

Texas wants bank bandits, and wants them dead. Texas banks carry this sign: "\$5,000 for each dead bank robber—not one cent for 100 live ones."

Banks don't want live robbers because they are hard to identify, hard to convict, hardly ever kept in the penitentiary after going there.

This may discourage bank robbing. It will impress on bank robbers the fact that they must kill first, or be killed.

Mr. Babe Ruth amazes "sportdom" by saying "nearing advanced age of thirty-four," that he believes in all year round training and expects to be "just as good at forty," as he is now.

For such work as Babe Ruth does, hard hitting and running, forty should be the best age, and fifty about as good. It isn't their work, but their play between times, that makes men old.

Long ago, near Batavia, N. Y., a boy was born and soon had an idea. He once told this writer how he gave up smoking "extravagant fifty-cent cigars," saving money to carry out his plan and build his first car.

Two men slept in the upper, two in the lower berth, for fifty cents apiece. Abraham Lincoln was one of his first passengers, going from Chicago to Springfield, and was too long for the berth. The other man protested. The man selling the tickets beside the car was George M. Pullman, and now the Interstate Commerce Commission fixes the value of his Pullman company at \$110,238,788, which is far below its real value.

Get a good idea, stick to it, make sacrifices, and the idea will take care of you later.

Mrs. Hickman, mother of the Los Angeles kidnaper, will testify that she was once insane and attempted suicide, thus seeking to save her son by a plea of hereditary insanity.

It is not conceivable that anything could save that murderer from the extreme penalty. A crime almost as great as his own was lightly locking this young criminal up and lightly letting him out again on former occasions.

The learned Dr. Stockard, professor of anatomy at Cornell University has experimented with alcohol on five thousand guinea pigs during seventeen years. This is his conclusion:

"Guinea pigs drunk with alcohol are, if anything, a little healthier than teetotal guinea pigs and live just as long. One guinea pig was made drunk with alcohol six days every week and his health was perfect."

But first, the guinea pig has nothing to do but eat, breath and digest. He doesn't need to use his brain. Second, the kind college professor gave good alcohol to his drunken guinea pigs, not bootlegger alcohol.

There is excitement at Red Lodge, Mont. Mrs. A. Pollard, opening the gizzard of her Christmas turkey, raised in that neighborhood, found small gold nuggets. Prospectors are seeking desperately the spot where the turkey picked up the nuggets. To the turkey those nuggets were simply rough stones swallowed to help grind corn. To "proud man" those nuggets are the beginning and the end of the earthly ambition, ninety-nine times out of a hundred. Wise turkey, foolish man.

### IN MEMORIAM

In sad but loving memory of my dear mother, who passed away one year ago, January 16, 1927.

Come from me, dear mother, forever,  
Your voice, as clear, as still,  
I try to be brave in my sorrow,  
I know 'twas the Lord's will.  
But, oh, the bitter heartaches  
The longing to see you again;  
God only knows how I miss you,  
Calling you back in vain.  
One little word, had it been  
A smile, or an embrace,  
For all of life and love and joy  
Is in that one word, Mother.

Mrs. Ruby McKinney and Children
