

NEW OFFICIALS ARE NAMED

Lady Macabees Honored By Visit From A High State Official

About 175 members and friends of the Lady Macabees gathered last Wednesday evening to witness the installation of officers for the coming year.

Ass't. great Commander Lady Dora Nicholson, the Detroit lady recently elected as Supreme Installing Officer and was assisted in her work by six Past Commanders of this Lodge, Ladies Dora Wood, Bessie Sallow, Grace Martin, Mable Hicks, Edna Magraw and Anna Wright. Lady Clara Mumby in a charming manner acting as Supreme Mistress. At Arms presented the officers for obligation and then conducted them to their respective stations.

Four little flower girls, Maxine Murthorne, Lila Munby, Arlene Drows and Beverly Smith carrying bouquets escorted the installing of officers in their duties.

The following ladies were installed: Commander, Dora Wood; Past Commander, Bessie Sallow; Lieutenant Commander, Edith Honey; Record Keeper, Edna Magraw; Chaplain, Jessie Terry; Mistress At Arms, Mary Renzert; Sergeant, Lucinda Archer; Secretary, Lela Heller; Ticket, Edith Rowland; 1st Lady of Guards, Maudie Schradler; 2nd Lady of Guards, Hilda Eckles; Banner Bearers, 1. Margaret Daly, 2. Mary Sackett, 3. Emma Bolton; Deborah, Mable Hicks; Captain of Guard, Team, Edith Emerson; Color Bearers, 1. Mildred Hewer, 2. Zaida Gordon, 3. Edna Drews, 4. Elizabeth Smith, 5. Vera Sallow.

Immediately following the ceremonies of installation, Supreme Installing Officer Lady Dora Nicholson gave a very timely talk on Macabees insurance and the benefits derived therefrom and also told of the relief work being conducted by the Macabees to their members during this depression. As a token of esteem and appreciation the hive presented her with a lovely gift. Ladies Bessie Sallow and Alida Estep were also presented with gifts for their faithful service and attendance as commander and past commander for the past three years.

The new commander Lady Wood's acceptance speech was wonderfully composed and beautifully rendered and if any of the members had any suggestions as to how their affairs were to be handled they were quickly forgotten.

The hall was prettily decorated with Macabees colors, ferns, flowers and other decorations in honor of the occasion, the committee in charge being Ladies Aiguire and Bole.

The program committee under the able leadership of Lady Grace Martin presented the Boys' Quartet from the High School which is composed of Marshall Purdy, Donald Proctor, Robert Champ and Hugh Horton, accompanied by DeLia Taylor at the piano. They sang two numbers after which Captain Emerson and her quartet team performed and proved to the people of Plymouth just what can be accomplished after only one year's training. The hive may well be proud of their quartet team.

A play entitled, "Town Hall, Town Night" was very cleverly presented by members of the Senior Dramatic Club under the direction of Miss Ford and was much enjoyed by all. After listening to two trumpet solos by Maynard Larkins and Joseph Ribar with piano accompaniment by Helen Ribar, the company was invited to the dining-room where tea and cake were served by the refreshment committee in charge of Lady Martin, assisted by Ladies Gordon, Renzert, Eckles, Fisher, Lunsford, Minthorne, Honey, J. Renzert, A. Williams and E. Smith.

We are much indebted to the High School for their portion of the entertainment which helped to make the evening a success, and so begins, we hope, another profitable year in Macabees work.

George Fisher P. T. A. Plans Minstrel Show

The Parent-Teacher Association of the P. T. A. Fisher school held their regular meeting Friday, Jan. 22, 1932.

An explanatory talk was given by R. Schofield on the health program surrounding the six-point star.

The welfare chairman Mrs. DeFoe announced a Minstrel show to be given Feb. 5, 1932. An enjoyable evening is promised—peppy and men aided by a good chorus.

The President of Wayne County Council, Mrs. Harrington of Flat Rock gave an interesting and instructive talk on the purposes of our organization as a whole.

Mr. and Mrs. Harold Roberts and daughter, Joan, of Royal Oak were dinner guests last Wednesday evening of Mr. and Mrs. Harold Jolliffe at their home on Holbrook avenue.

MEMORIAL SERVICES TO BE HELD SUNDAY

FRIENDS AND ADMIRERS OF MISS ANNA SMITH TO HONOR HER MEMORY

All arrangements have been made for the memorial services to be held Sunday in honor of Miss Anna Smith, teacher in the Plymouth schools for 36 years who died suddenly last week. The services which have been planned by former students, members of the Methodist church of which she was a member so many years, and hundreds of friends, will take place Sunday afternoon at 3 o'clock in the Methodist church.

Supp. George Smith will preside at the meeting. Among the speakers will be Attorney-General Voorhis one of Miss Smith's students, Edward C. Hough, Prof. Ishell of Detroit, Dr. F. A. Lendrum of Adrian, providing his health will permit him to make the trip, and Rev. P. Ray Norton of the Methodist church.

There will be special music for the services. Those who are giving the time to make arrangements for the memorial, state that everyone will be welcome to attend.

VILLAGE WATER WILL BE USED

A one and one-half inch water top has been installed on the York avenue water main to supply water for the new viaduct under the P. M. Ry. on the Rouge Parkway crossing. The top was requested by Jutson-Kelly Co. contractors for the new project.

The cost of the top was financed by the contractor and all water will be metered and paid for at the regular water rates. All work in connection with the service except the capping and setting the meter, was done by the contractor.

January Meeting of Woman's Club To Be Held Next Friday

W. C. T. U.

The Woman's Christian Temperance Union, of Plymouth, is again saddened by the loss of one of its oldest and best beloved members, Miss Anna Smith, who passed away, Tuesday, January 19, 1932.

Miss Smith had been a member of this organization for many years and, although her work as a teacher in the Plymouth school is prevented her frequent attendance at the W. C. T. U. meetings, her interest in the temperance cause was ever unflinching and her words of cheer and encouragement were always appreciated.

Her's was a wonderful Christian character and the world is better for her having lived such a beautiful life.

A little Plymouth girl, looking at a picture of Miss Smith, said softly: "She's old and she's wrinkled, but I love her."

And that expresses the thought of each of us and we echo the words: "I love her."

Mr. and Mrs. Webster Davis of Detroit entertained a bridge party of twelve at the Louise Mulford Hostess house on Friday evening.

VILLAGE ENDS YEAR WITH CASH

Audit Discloses Favorable Condition Of Funds Of Village

The third quarterly audit covering the period ending January 1, has been completed by Miller-Bailey Co. of Detroit. The report is now being prepared for submission to the Commission at the next meeting.

The unexpended balance of the budget amounts to 30 per cent of the total amount appropriated, only 25 per cent of the year remains and it appears that no funds will be overdrawn. Under present operating schedule, a balance of 7 per cent to 10 per cent will remain unexpended at the end of the fiscal year, which occurs on March 31st.

The budget for 1931-32 was very carefully prepared in considerable detail and control maintained over all items in order that expenditures should not exceed the appropriations. No necessary service was curtailed in reducing the budget, and every matter called to the attention of the officers of the village has been taken care of. It is the desire of the municipal forces to respond to every request for service and the same amount of attention will be given to small matters as to the larger and more important ones.

The Village pay rolls during the present year are far below any year in the past four or five. A complete pay roll analysis as well as a full report on all expenditures will be made at the end of the fiscal year.

Golden Wedding Is Observed By Former Plymouth Residents

Many of the older Plymouth residents will be interested in the following article pertaining to two former residents of this place:

In the home of Mr. and Mrs. A. S. Duntley at Grandin, Cass county, was celebrated Wednesday a half century of married life.

Grandin and Mrs. Duntley both had decided they were to remain in the county—their parents' home. They were married at Grandin, and since that time have resided there.

Mr. Duntley is 80 years old today. Mrs. Duntley is 70 years his junior. Both are in good health.

Mr. Duntley's first wife, Mrs. Duntley, died in 1878, when only a few shacks marked the development of the city north of the Northern Pacific tracks. Mr. Duntley's father died in the Civil war.

After stopping at Fargo, he settled on a claim near Grandin, which he afterwards left to be operated as a hardware store proprietor. He operated the postoffice in conjunction. Thirty years ago, when the store was destroyed by fire, it was not reconstructed. Since that time Mr. Duntley has devoted his entire efforts to the postmaster-ship.

Mr. Duntley, born in Canada, went to Grandin with her parents in 1858, her parents operating the first store in that community. The building housing the store was the first constructed at the place—Fargo, N. D. Forman.

DE MOLAY NEWS

A number of DeMolays attended Mr. Dykhouse's Sunday school class last Sunday. Mr. Dykhouse had an interesting lesson and the DeMolays enjoyed it immensely. We wish to thank Mr. Dykhouse for his courtesy shown to the DeMolays. The DeMolays have been thriving out better for their meetings. Good work fellows, keep it up. Don't forget church, Jan. 31.

STUDENTS ARE THUG VICTIMS

Robbers Force Youngsters To Drive Car During Hold-Ups

Two Wayne high school students were kidnaped by bandits Sunday night who forced them to drive the auto around Plymouth and other western Wayne county communities in a series of robberies.

William Thurston and Eva Brown, each in the unfortunate night, after being unwilling companions of two bandits on a holdup tour.

Thurston and Miss Brown were kidnaped as they left a theater at Riddle and Park avenues, Wayne. They were going into Thurston's car when the bandits, with guns, forced their way into the back seat of the machine.

Thurston, with guns pressed into his back, drove the grimmer on a tour of western Wayne County and north of western Detroit. After two hours he and the girl were ejected from the car at Wayne and Van Born roads. Thurston's car was recovered a mile from there Monday morning.

First victim of the holdup party was A. J. Foster, attendant at a gas station at Michigan and Belleville roads. He was kidnaped and forced to ride with his captors for four miles. He had no money, and was ejected from the car in Hill road.

Others robbed were Charles Baxter, who lost \$3 in his confectionery at 5831 Joy road; William Perry, 1610 Lenox avenue, robbed of a few cents and his driver's license at Meridian and Middlebelt roads; Nathan Eyre, of Wayne, and a woman companion, robbed of \$15 at Wayne and Glenwood roads; and two men and two girls, robbed of 15 cents and two rings in a parked car at Joy road.

NATIONAL HANDBALL HONORS FOR DWORMAN

PLYMOUTH SERVICE STATION OWNER TAKES ON THE CHAMPIONSHIP

Herman Dworkman, owner of the Plymouth Super Service station, ended an eight-year journey Saturday afternoon on the courts at the Knights of Columbus, in Detroit, when he defeated Hugo Krava in straight sets, 21-14, 21-13, to become the City singles handball champion.

Because of his victory over Chet York in the semi-finals, Krava was looked upon as an even choice when play started. He strengthened this opinion by employing a trick service in the rear right court that enabled him to take a lead of 3 to 2. But that was as far as he got.

"Lefty" took him out of service with a hard fast "kill" in the right corner and proceeded to tally six points that proved the turning point in the match. Krava caught up to him at 10 points, but weakened and Dworkman went on to win, though he was forced out of service twice before he gained game point.

Krava altered his tactics in the second set. But it was to no avail. He tried to pass Dworkman with hard shots and a hop ball. Each time Dworkman forced a rally until he could get set with his left hand. When he did the shot was a handout. His left was unerring.

In the face of this Krava tried hard. He paced the length of the court, retrieving shots and worked himself up to leads of 9 to 3 and 11 to 7. Then he tired under the grueling pace and again Dworkman came on to take the set and the match. It was Krava's second defeat in two years in the City final.

Last season he lost to Ralbe, but offered more resistance than than he was able to display against Dworkman's accurate left hand.

Since he entered tournament competition in 1924, Dworkman's success had been confined to doubles until he conquered Krava. He won the National title with Willis Kinnaman in 1925 and 1927 and again last year with Joe Ralbe.

Veteran followers of handball saw him bow in defeat year after year, mainly because of his inability to cover the court against faster men. He lacked the speed to cope with rivals in singles and few ventured the opinion that he ever would win a singles title.

But Dworkman plucked along. He competed at every opportunity, developing his left hand. Now it is ranked as the best in handball. Along with that he improved his right hand to such a degree that it wasn't necessary to possess as much speed as other competitors.

He developed his own strategy, that of playing near center court and mastering a "kill shot" with either hand.

It was this strategy that enabled him to conquer Krava in a manner that left no doubt of his superiority. He clung close to the serving zone, laying them into front court only an inch or two above the boards for "kills" that helped to make a one sided affair of the final.

The Plymouth Home Management Group will meet with Mrs. Jesse Jewell, E. Ann Arbor Road, on Thursday, Feb. 4th, with the lesson for discussion, "Home Furnishings."

Mrs. Estelle Almagro of Detroit was a guest at Louise Mulford's Hostess house on Sunday.

FIRST NATIONAL PROTECTS FUTURE

CHANGE PARKING PLAN ALONG MAIN STREET

VILLAGE COMMISSION TAKES ACTION TO PROTECT SCHOOL CHILDREN

Following the suggestions made by many people whose children have been on Main street between the Village to Flatrock avenue and because of the narrow pavement in this portion of Main street the Village Commission has found it advisable to prohibit parking on the west side of the street.

The pavement south of Flatrock Ave. is only thirty feet wide, which will not allow for two lines of parked cars and two lines of moving traffic, although traffic has moved under this condition for several years with only occasional accidents.

The decision to restrict parking on the west side of the street followed immediately after a school child was slightly injured by a car which was not able to avoid the accident as there was no sufficient space to dodge the child. Early indications point to the fact that this one-sided parking restriction is meeting the approval of both motorists and pedestrians.

The danger to school children has been greatly reduced and the regulation will be enforced.

Republicans Honor Staunch Democratic Leader of Plymouth

If you were a perfectly good Democrat—

If you had voted consistently for such outstanding leaders of the Democracy as Cleveland, Bryan, Wilson and Al Smith—

If you firmly believed there was nothing good in anything that wasn't tinted with a Democratic tint—

What would you do if some day when busy in your office, a delegation of the leading citizens of the community, would come into your office and place on the walls over your desk, a beautifully framed picture of the great Republican leader, President Herbert Hoover?

"Of course," said the spokesman of the delegation, "we realize that you have come to believe in our party and what we have done for you and the country. We honor and respect you for the excellent judgment you have always used, especially when it comes to political matters. We know that you will shout long and strong for Grover Cleveland and free trade; for William Jennings Bryan and sixteen to one; for Woodrow Wilson because he kept us out of the war and for Al Smith because we thought he would give us free lunch counters, are now thoroughly convinced that you should join the party of the full dinner pail. In token of our esteem for what you are about to do, it is our pleasure indeed to present you this picture."

Those present at the presentation, declared the scene was dramatic.

The sturdiest of all sturdy Plymouth Democrats, William C. Lacey, for a minute surveyed the "gentleman," I am glad to receive your gift, and I will give it an honored place in my office, but I assure you that if Mr. Hoover thus on the Democratic ticket this fall, I will vote for him, but NEVER if he runs on the Republican ticket. This in brief is said to have been the entire speech of acceptance.

The first pump installed at the well house in 1926 has been removed and is now being overhauled and reconditioned for use when required. This pump operated continually for more than seven years and, after repairs are made to the shaft and bearings, should be ready for another seven years service.

One Gas Station Robbery Cleared Up

Chief of Police William Safford Wednesday cleared up one of the many robberies that have taken place in this part of Wayne county during recent weeks by the arrest of Joseph McCards, 19, a former Northville high school student, and William Springer, 18, a student of that school at the present time. These two confessed to the breaking and entering of the Casterline Service Station on January 12 and the theft of over \$70 in cash, besides batteries and tires. Charges of robbery in the night time were placed against them. They were taken to the prosecutor's office Thursday for a statement. Both of the young men have previously had good reputations and their arrest caused a mild sensation among their friends.

SAFETY STEPS TAKEN BY BANK

Under Arrangement Entered Into With Depositors, Business Leaders See Not Only Security But Expansion Opportunity

By the action taken at a meeting of over 1000 depositors of the First National bank of Plymouth, held Tuesday evening in the High School auditorium, Plymouth's youngest bank has been given a stability that will enable it to weather the severest of financial storms in the estimation of leading Michigan financiers. Not only has the bank been placed upon a financial foundation so strong that it will be able to carry on under the most adverse of business conditions, but the meeting developed the fact that business leaders of Detroit regard the financial affairs of Plymouth as superior to nearly every other community in the state.

During the past two or three days from information that has been secured, since the meeting Tuesday night, it became evident to the officials and stockholders of the First National bank that present business conditions required strict cooperation with the depositors. Officials in Washington were consulted as well as such banking attorneys as Judge Arthur J. Lacey and Attorney Clarence Giltens of Detroit. Judge Arthur Lacey, who for many years has been one of the directors of the Guardian Group of banks of Detroit and who is chairman of the \$10,000,000 Cousins Children's Fund Commission in Michigan, was invited to make a thorough inquiry into affairs of the First National bank with the idea of recommending to the stockholders the right action to take.

It was upon his recommendation at the meeting held Tuesday night that the depositors and stockholders of the bank formed a trust fund composed of contributions from the part of the stockholders and an agreement on the part of depositors that a portion of the deposits should be added to the fund which would alleviate the necessity of selling bonds held by the bank at a loss. The money held in trust under the control of a depositors' committee, will be used during the next five years as a sort of revolving fund to take care of such demands as the regular bank routine might not be able to handle.

In addition to the creation of this fund, it is also agreed by the directors of the bank that all of the net earnings of the bank during the five year period if necessary be added to the trust fund.

It was pointed out by Judge Lacey that with the return of normal business conditions, this agreement might provide a considerable source of income to the fund.

When a number of the depositors of the bank were given deposits, they were readily signed. Judge Lacey declared that in all of his banking experience he had never before known such an ideal expression of public confidence as was shown by depositors representing almost a fifth of funds held in the bank, who signed the agreement before the meeting.

Judge Lacey upon request of officials of the bank, thoroughly explained the plan.

Briefly he reviewed business conditions which have brought about the necessity for action of this kind on the part of some of the banks.

"You all know that the value of all property has gone down. Your farms, your houses and lots, your business blocks have all depreciated in value. This condition is due to the fact that money is getting dear" said Judge Lacey. "A similar condition is true of your railroad and all other properties. Their lands are not as valuable as they were a few years ago. Everything has gone down in market value. All kinds of bonds and investments are not worth what they were. This explains to you why investments held by banks have shrunk in value."

"You all realize that banks are absolutely essential to the progress of any community, but a bank to operate must invest its funds. There is usually a diversity of investments. Some of it is loaned to local people and some kept on hand with which to do business."

"This statement shows that the First National bank of Plymouth kept more than four times as much cash on hand with which to do business as required by law."

OVER 30 HERE FOR MEETING

Business And Professional Women Hold Meeting In Plymouth

Last Saturday and Sunday were important days for the Plymouth Business and Professional Women's Club. The state board of directors and delegates from 21 clubs of the southeastern district, district number 1, met at the Hotel Mayflower for their meeting.

Saturday afternoon there was a district board meeting which was presided over by Miss Victoria Morse, chairman of the first district. Mrs. Morse was assisted by Mrs. Ann Arbor, Belle Creek Farmington, Ferndale, Flint, Grand Rapids, Jackson, Kalamazoo, Lansing, Monroe, Mt. Clemens and Detroit.

Saturday evening 31 women sat down to a splendid dinner which was a credit to the Mayflower management in every detail. Reasonably priced, deliciously prepared, the tables were very beautiful, music was furnished throughout the banquet by the Moie orchestra. The excellent program was graciously started by Miss Alice Safford, charter member and first president of the Plymouth club, who introduced Mrs. James G. Gunn, the present president and very able hostess for the evening. Next there was a brief address by the state president, Miss Mary Brumfield of Royal Oak who spoke in her usual vivacious manner. The Arensky Concerto was beautifully played by Miss Carlina Penney of the Plymouth club, and then more music was enjoyed in the form of a group of songs admirably rendered by Miss Margaret Bennett of Detroit.

The address of the evening was given by Miss Marie I. Rasey, director of Parental Education in the Detroit Public Schools. Miss Rasey spoke on "Meeting the Needs of Life." Her words were dedicated as food, clothing, and shelter on the physical side, and work and love on the spiritual. Miss Rasey spoke with such unusual wit and humor, with such a keen knowledge of human nature, and with such originality in phraseology that she held her audience completely spellbound.

Miss Rasey's address was followed by excellent music from the Plymouth club's quartette which consists of Mrs. Norma Cassidy, Miss Hildur Carlson, Mrs. Irene Smith, and Mrs. Cora Ball. Next Miss Maude Gleason, state vice president, gave a short talk which was followed by another group of songs given by Miss Margaret Bennett in her charming, gracious manner. The program was concluded by a play, a satire on "Hamlet" which was staged by the members of the Royal Oak club. The entire program ranked as unusual in both entertainment and inspiration.

Sunday morning 72 club members for an Emblem Breakfast. Again most excellent food was served by the Hotel Mayflower. The program began with the invocation which was a prayer written by a club member. Then Mrs. Norma Cassidy sang two songs, "Gone with the Wind" and "The Old Folks at Home" which was given by Miss Margaret Bennett in her charming, gracious manner. WHEN THE PAPER DOESN'T COME

My father says the paper he reads ain't put up right. He finds a lot of fault, he does, perusin' it all night. He says there ain't a single thing in it worth while to read, and that it doesn't print the kind of stuff the people need. He tosses it aside and says it's strictly on the bum— But you ought to hear him holler when the paper doesn't come.

He reads about the world's and he snorts like all get out. He reads the social dailies with a most derisive shout. He says they make the paper for the women folks alone. He'll read about the parties and he'll fume and fret and groan: He says of information it doesn't have a crumb— But you ought to hear him holler when the paper doesn't come.

He's always first to grab it and he reads it plumb clean through. He doesn't miss a line or a word or a word—this is true. He says they don't know what they want, the darn newspaper guys. I'm going to take a day sometime and go out on my own. Sometimes it seems as though they must be blind and dumb. But you ought to hear him holler when the paper doesn't come.

OUR BELOVED COUNTRY

We should all love our country every day—all day. It is not sufficient to attempt to do so only on special occasions, but rather by labor, service, acts, deeds, performing every duty of citizenship, and remembering the Nation's welfare in our supplications to Deity. Labor and prayer, close allies, go far in accomplishing beneficent success in this world.

The people of the land, in very large numbers, are restless, discontented, dissatisfied. Communism, especially, and other vicious "isms" each boldly proclaiming itself as the panacea of all ills, even promising an Eden on earth, and its impossible and ridiculous claims, are not falling upon deaf ears. Have men and women stopped analyzing causes and conditions, but accepting the wild views of any who are capable of stringing together superlative adjectives and descriptive words in a plausible and attractive manner? It would seem so, for many of the proponents of these various "isms" are not illiterate. Or, have we grown so soft as a nation that we cannot endure even a hardship which our pioneer fathers would have considered a luxury?

In my opinion we are to blame for our present "so terrible a predicament" which so many are bewailing, but which I believe will eventually prove a blessing. What interests spread the propaganda that we should spend, spend, as thus only could "good times" continue, setting aside as obsolete the teachings of thrift, implanted in earlier generations? This led to installment buying, even of luxuries, on a large scale, contracting obligations which any one of many emergencies would be enough to prevent their fulfilling. Other irrational things were done, unnecessary to mention. How many stopped to think: who remembered God's laws, Nature's laws?

Nearly everyone has an idea that he knows the remedy for present conditions. Many of the remedies are chimerical, absurd, ridiculous. We need a thought of Nature's great law of equilibrium. The old world events things up pretty generally in the long run. What is lacking at one time is made up at another. If we leave readjustments to the mandate of Supply and Demand, instead of trying to circumvent them artificially, I believe matters will work out satisfactorily and permanently, if not more quickly, adjust themselves than by all the legislative acts that could be passed. The irrevocable Law of Supply and Demand may be depended upon to prevail in the end. God's laws cannot be violated with impunity. They are eternal and unchangeable.

Patriotism should be sufficient appeal to the best men to aspire to office. We need to revive idealism, to create a deep and profound reverence for Deity. If we are a Christian nation as claimed, then, with a firm reliance upon Him, there is a cure for anarchy, lawlessness, greed and corruption. The Nation's faith in God held him steadfast through all the vicissitudes that assailed him and led him to the triumphant success which founded this Government.—Hon. John H. Cowles, Louisville, Kentucky.

POPULARITY OF THE BIBLE

Despite our worldliness, the Bible continues to be one of the world's best sellers. During 1930 the American Bible Society distributed Bibles, Testaments and Portions totaling 12,035,133. A million copies a month went into the world, bringing to the society its greatest distribution in history. In the past 115 years this society has distributed 228,234,048 volumes of scriptures.

In the United States the society distributed four million volumes in 135 different languages and through its foreign agencies it distributed the Scriptures in 38 countries. The Bible in whole or in part has now been translated into 906 languages and dialects. During the year 4,142 embossed volumes of Scriptures in Braille were issued for blind readers. An entire Bible in Braille consists of twenty volumes and sells for \$5. Since its inception the society has distributed 80,756 volumes to the blind.

Our ways of living, our tastes for reading, our methods of doing business and our requirements for entertainment—all of these have tremendously changed from generation to generation. Only the Bible comes down to us through the ages in its original form. No man has had the audacity to improve, deduct or add to its inspired thought. In this the Bible stands alone, unique in its position, and unchallenged in its thought. Today it still retains its prestige and its popularity. It is the universal Book, read in all languages, stimulating all men with its spiritual and moral thought and bringing together all men on a common ground of brotherhood.—Express, Red Oak, Iowa.

UNCLE SAM IN BUSINESS

Because of the apathy of business men and others who should be alert to the menace of governmental interference with private enterprises, a small but aggressive minority in Congress is making progress in its attempt to socialize all American industries.

These advocates of government operation of business and industry have already placed severe burdens upon private enterprises through excessive regulation, as a first step toward their goal. In order to further hasten these enterprises a multitude of government bureaus, commissions, boards and other agencies have been set up, with their army of political job holders to inspect, investigate and intimidate.

If these tactics shall succeed in destroying private business, the road to government operation and socialism will be open. This of course, is the ultimate object of the whole scheme. And if it succeeds we shall all be slaves to an all-powerful political machine like that which is enslaving the people of Russia today.

Experience has demonstrated that governmental conduct of business is inefficient or wasteful, or both. Our experiment with government operation of the railroads during and after the war is a good example. Our Post Office Department now shows a yearly deficit of \$150,000,000. We have squandered \$250,000,000 or more through the government's excursion into the cotton and wheat markets. We have wasted many millions in reclamation schemes for the purpose of bringing more land under cultivation to increase the agricultural surplus. We have borne enormous losses in the shipping business. And so on.

The tragic aspect of all this is that the consequences of these policies must be borne by the taxpayers, whose private businesses have been injured and in some cases virtually destroyed by the Federal government. Socialistic experiments in many of the individual states have had the same inevitable results.

It is time that every citizen who believes in the encouragement of private enterprise and individual effort should protest against the encroachments of government in business. The place to protest is at the ballot box. Elect the socialistic politicians to private life and keep them there.—Marey B. Darnall, Herald, Florence, Alabama (One of the Prize Winning Editorials in the N. E. A. Government in Business Contest.)

YELLOW

New York is believing for Federal help in taking care of its own unemployed. This from the richest city in the world—and the most objectionable.

Meanwhile the little desert town of Indio, California, is taking care not only of its own hungry but is feeding all the hungry who come along. We don't know what the color of the New York municipal flag is, but it is clear what the color ought to be.—Los Angeles Times.

A THOUGHT FOR THE EVENING

The sun that throws a golden ray
As it goes down at end of day,
Suggests tomorrow's apt to be
A day that's bright—and good to see.
But if instead of being bright,
The sun is hidden from our sight,
As daylight dies, enwrapped in shrouds,
Tomorrow's apt to dawn with clouds.

And if when I retire at night,
My heart be filled with hate and spite—
The coming day I'm apt to start
With ugliness still in my heart.
But if my temper, though, is sweet,
At evening-time—next day I'll meet
A smiling dawn of golden ray,
That's apt to bring a happy day!

A Prayer

Almighty and everlasting God, by searching we can not find Thee out nor understand Thee to perfection. We approach toward the light, but its compass, its going forth, its source and glory no man can understand. We are pleased that Thou art beyond our comprehension. Thou art more loving, gentle, and kind than we know. Thou dost infinitely transcend the best things that we can bring to our conception. When the great day dawns we shall behold Thy glory and grandeur! Then, our Father, our souls shall break forth and join the melody of the universe in ascribing all honor, dominion, and power unto Him who sitteth upon the throne and unto the Lamb forever and ever. Until then, keep us humble, faithful, true, and upright as public servants and as private citizens.

1 1/2 cupsful of sugar
6 cupsful of flour
2 teaspoonfuls of baking powder
1/2 teaspoonful of salt
4 drops of lemon extract
1/2 teaspoonful of nutmeg
Few drops of vinegar
Beat the eggs until they are lemon colored, and add the milk and the sugar. Add this to the flour which has been sifted 3 times with the baking powder and salt. Beat thoroughly. Add the lemon, nutmeg, and vinegar, and beat again. Roll out, cut, and fry in deep fat. This makes 4 dozen doughnuts.—R. G. W., Florida.

Bean Chowder
Wash 2 cupsful of red Mexican or lima beans, and boil. Add a medium-sized onion, and cook until the beans are done. Add enough water to make 2 quarts. Add 2 medium-size potatoes, sliced; 1 pint of strained tomatoes, 1 cupful of macaroni, salt, pepper, some diced fried bacon, or salt pork, and 2 tablespoonfuls of fat. Boil for 1 hour and serve hot.—Mrs. H. B. T., Pennsylvania.

Rolled Oat Cookies
3 cupsful of rolled oats
2 cupsful of flour
3/4 cupful of sugar
1/2 teaspoonful of salt
1/2 cupful of shortening
1 teaspoonful of soda
1/2 cupful of milk
Put the dry ingredients into a mixing-bowl, add the shortening, and work together like pie crust. Dissolve the soda in the milk and add. Raisins may be added if you like. Raisins and nuts may also be added for variety. These are easily made, delicious and very healthful.—Mrs. M. L., Washington.

Plymouth Youth in California Tells Of 'Big' Snow Storm

Sunshine in Michigan. Snow in California! A bit unusual, to say the least, especially from the land where any weather that is not a perfect spring day is a bit unusual.

Norman Leslie, known to many of his Plymouth friends as "Big Red," this week sent to the Plymouth Mail a clipping from a Los Angeles newspaper telling of the first snow storm ever recorded in that city.

It happened last week Thursday, the very day that Plymouth and the rest of Michigan was enjoying as perfect a spring day as this city ever had. But the weather is unusual for Michigan as well as for California.

The clipping sent to the Mail by Norman Leslie, follows in part: Shattering records of more than 54 years' standing—far beyond the recollections of the oldest residents—snow covered Los Angeles with a soft blanket of dazzling white early today.

It was the first snow in measurable quantity in the 54-year records of the local weather bureau. Flurries of what is known technically as "white hail," a thin mixture of hail and snow, have fallen in past years, but this was a "good, old-fashioned snow," according to Col. H. B. Hersey, government meteorologist.

One inch of snow was recorded officially, but Colonel Hersey said approximately two inches of snow fell at least half of it in standing as it struck the ground.

Records of many years' standing were broken throughout a large section of Southern California when, shortly before daylight, seasonal rains turned to snow.

Sunshine followed the snow in Los Angeles and in turn was succeeded by clouds and another sprinkle of rain shortly after noon.

The minimum temperature of 34 at dawn was the lowest for this date since Jan. 17, 1922. The maximum was 50 degrees at noon.

A Bit of Logic From Mark Twain's Pen

While Mark Twain was editor of a Missouri paper, a subscriber wrote him saying he had found a spider in his paper and asking Mark whether this was a sign of good or bad luck. The following was the reply of the well known humorist: "Old Subscriber: Finding a spider in your paper was neither good luck nor bad luck for you. The paper was merely looking over your paper to see which merchant is not advertising, so that he can go to that store, spin his web across the door, and lead a life of undisturbed peace ever afterward."

Florida Weather Too Hot Just Now

Fred Foreman, well known fruit grower living on the Seven Mile road toward the Washtenaw county line in a card to Plymouth friends from Florida, states that the weather in that state at present is almost too warm to be enjoyable. Mr. and Mrs. Foreman left here about two weeks ago for the southland where they will spend the next month or so. He states that they drove down to Clermont, Florida, in four and a half days without the slightest difficulty and that they had a most enjoyable trip all the way. They plan to spend most of the time at Minneola.

BUILD UP YOUR BUSINESS WITH MAIL DISPLAY ADVERTISING

A Statement

Following a careful consideration of the question, during the past few days, officials and stockholders of the First National Bank decided to submit to the depositors of the bank, a plan which would stabilize the business of the bank in such a way that future business conditions could not easily effect it.

We decided that in whatever we did, we would take into our fullest confidence every depositor of the bank, advise them as to just what we had in mind, and if our plan met with their approval, we would go ahead with it. We deemed this action for the best interest of the community in which we live and do business.

We Are Grateful

For the wonderful fine spirit of cooperation and confidence that was displayed at the meeting Tuesday night. The depositors present, practically 800 in number, voted 100 percent for the plan. It is estimated that at least 1000 of our customers have already approved of the plan.

We are most appreciative of this good will and encouragement, depositors and Plymouth business men have offered to us since our new plan became generally known.

It is our purpose to put forth every effort to build a bigger and better bank, to work hand in hand with every resident of Plymouth for the development and business safety of this community.

A Stronger Bank

We believe that by the action taken we have safeguarded our deposits and the business of our customers in the safest way that the federal or state banking departments could devise—in fact we believe we have eliminated any possible future danger that a continued depression might bring about.

We will have a bank without a dollar of questionable paper in its files, no defaults, and nothing but high class investments.

Again we wish to thank our depositors and our friends for the good will and the ideal cooperation they have given us in our efforts to build a stronger bank for the future that we believe will bring better conditions for every one

Reg. Convention Thursday 8:00 P. M. All Pythians Welcome GLENN DAVIS, C. C. CHAR. THORNE, K. R. S.

Society of St. Michael's church, Mrs. Fred Winkler, Mrs. Cully and Mrs. Arthur Boyd, sponsored a very successful card party Saturday evening, January 23, at the church. There were 24 tables set out for the card games and luncheon and two door prizes. There were 75 tables of cards and luncheon, and with those who danced also, there were about 350 people who attended. The three Wilson Bros. from Ann Arbor did some fine tap dancing, and an eight piece orchestra of young boys from Dearborn. The Junior Synopators who made their second public appearance, were very highly praised for their dance music. They donated their services for the first night for which the ladies wish to express their sincere thanks. Mrs. Roy Mason, Mrs. H. G. Brown, Mrs. Bergeton, Mrs. Kimball, ladies from Gladale and a few others assisted the hostesses with the party and helped serve the refreshments, which were fresh fruit and fancy cheese sandwiches, and home made cakes and coffee. Everyone said they had a splendid time. "The Wife of Boaz" who entertained the professionals also the orchestra from Dearborn. The Junior Synopators.

Mrs. Fred Winkler's son, William Winkler is still visiting on South Shore Drive, Chicago, and having a good time attending basketball games, swimming, ice skating. William is to be the guest over the weekend of January 30, of Julius Heist, Chicago's foremost high school football star, at his Fraternity House, at Champlain. Mr. Winkler is a former winner of the A. A. U. Midwest Backstroke swimming championship at Ann Arbor, and because of this is to be the favorite cup of all hosts. The Rosedale Parent Teachers Association will hold their meeting February 3 at 8 o'clock at the school and a fine speaker has been promised, also a Founder's Day program. Everyone is invited to attend.

On Thursday evening, February 4, the Rosedale Teacher's Association will hold their annual card party. C. Hoffman, chairman of the entertainment committee, announces all card games and luncheon will be played, and refreshments will be served. The public is invited to attend.

Mr. and Mrs. E. G. Randall of Berwick Ave. entertained Mr. and Mrs. Frank of Rosedale Park, Detroit at dinner Sunday, January 24. The Dumonts are leaving Wednesday, January 27 to spend the balance of the winter months in Florida and will join their son and mother.

We are delighted to hear that W. Holton of Berwick Ave. who has been quite ill is getting along nicely and is up and about again.

Home-Maker's Corner

Whole wheat provides an easy, palatable cereal. It may be prepared by soaking for 24 hours and cooking slowly for several hours. Or it may be cracked or ground in the coffee mill. A third method is to parch it in the oven before grinding to give it a delicious nut-like flavor. The whole grain cereals are a better source of minerals, vitamins, and bulk than the prepared cereals.

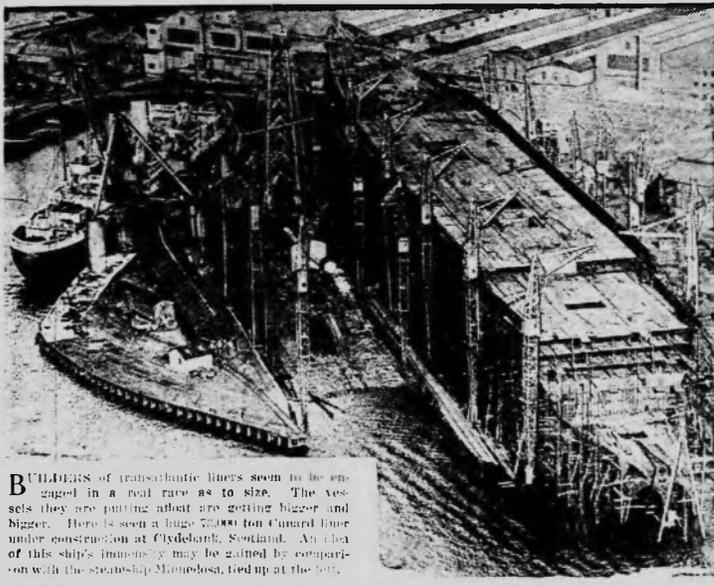

In removing grease spots from clothing which contain dirt, more rubbing and a larger quantity of an organic solvent, such as carbon tetrachloride, chloroform or naphtha are necessary. Apply the solvent from the wrong side of the material so that the dirt will be washed into a pad of cloth placed underneath. To avoid a ring sponge from the outside of the spot toward the center.

A tray can save many steps in setting a table, serving food and clearing away the soiled dishes. It should not be so large that it can be loaded too heavy to carry easily. Other uses for utility trays are for rolling out pie crust, biscuit dough and other pastries in them. They are much easier to clean up than the work table top and the floor will not get scattered. A meal prepared to serve on trays is sometimes a treat when eaten in front of a fireplace.

Building a Floating City for Atlantic Service

BUILDERS of transatlantic liners seem to be engaged in a real race as to size. The vessels they are putting afloat are getting bigger and bigger. Here is seen a huge 7000-ton Cunard liner under construction at Clydebank, Scotland. An idea of this ship's immensity may be gained by comparison with the steamship Manedosa, tied up at the left.

Dearborn Township Discusses Plans To Reduce Expense

With economy given as the sole reason, the movement to eliminate what is termed as unnecessary governmental costs, is gaining momentum rapidly in Dearborn township and a plan is now being devised by Enrique Beniamin township attorney, to either annex or consolidate with the city of Dearborn. It was announced this week by William Kronberg, supervisor. In the opinion of Supervisor Kronberg, the cost of operating the township is an unnecessary burden upon the taxpayer and because the landowners of the district have come to realize this, they are refusing to pay their taxes until some more economical plan is devised. He pointed out that the 1930 tax delinquency was 61 per cent while but approximately 14 per cent of the 1931 taxes have been collected. It is the opinion that much of the operating cost of the township could be eliminated if a consolidation or an annexation with the City of Dearborn was effected and stated that such a move would not only mean an actual savings but it would quicken a return to financial stability which the township once enjoyed.

The key to the situation, however, is the village of Inkster. Annexation to the City of Dearborn could not be effected with the present village of Inkster making in a big portion of the township for the state law does not permit the splitting of a village when an annexation move is considered, he stated. Thus in order to annex that portion of Dearborn township which lies east of Inkster road, it would first be necessary to dissolve the village of Inkster. Right at the present time this procedure is considered the most likely and again motions are being circulated, asking for a special election in order that the dissolution may be effected. The village, however, is split on this issue, with property owners in the section located in the township favoring the dissolution and residents of that section which is located in Nankin township opposed to the move. Three efforts have been made to abolish the Inkster charter and whether or not the fourth will prove successful is a matter of considerable speculation, Supervisor Kronberg stated.

In the event that the dissolution should not carry the second plan is to ask for the consolidation of Dearborn township, the Village of

Politics Start In Nankin Township

Nankin township electors, who always take their politics seriously, are once again looking to another exciting election when three well known leaders announced recently that they would be candidates in the coming March primary election. Charles Friesdell, well known resident of the township and at the present time, treasurer, stated that he would be a candidate on the Republican ticket for the office of supervisor, while at the same time, Peter J. Snyder, present supervisor, and grand old warrior of many a close race, announced that he would seek re-election on the Democratic ticket. Clerk Albert J. Walker, who has held his township post for six terms, has also definitely decided that he would again seek the Republican support for this job. It is also expected that the battle for election of the two offices of justice of the peace, which are now being held by men who were appointed to fill vacancies caused by one death and a retirement, will be a hot one. Carl Heavlin, of Garden City, who took E. H. Davidson's vacated post, will have a tussle on his hands retaining the office with the majority of the electors residing in either the village of Wayne or Inkster. John Friesman, the other justice, who was elected to fill the vacancy caused by the death of Chas. W. Thurston, is another veteran politician who will be seeking to be returned. Both these men are Republicans. Dearborn Press.

Legion Started 12 Years Ago

The American Legion had its birth a dozen years ago out of the flaming embers of war. The ideals and purposes of the Legion, whatever it has accomplished, or hopes to accomplish, for the nation through a peace-time program of service, is the work of the same men who marched side by side as comrades in the defense of their flag and country. The entrance of America into the World War brought the patriotism of our people to a white heat. The civilian populace wildly ap-

plauded the soldiers as they marched by; heads were sacredly bared when Old Glory swept past and every man rose to his feet and stood at attention when the band struck up a patriotic air. The men in the service were inspired with this same spirit of patriotism but in a more forceful and pronounced degree. They were giving to their country the greatest service any patriotic citizen can be called upon to give. They went to war to preserve American ideals and traditions and acquitted themselves well, bringing glory to the nation. When the war was over these men came home thoroughly imbued with the real spirit of American democracy. They gained from their war service a high appreciation of what it means to be an American citizen. But more than this they brought back a vivid realization of the individual obligation which rests upon every citizen to insure the perpetuation of American institutions, established and maintained through the sacrifices of the blood of countless patriots.

Gasoline station attendants were also urged to cooperate with the state police by calling attention of drivers coming into their station that one or more of their lights are faulty. This will help in the matter of drivers who are on the road with a light that has just "gone dead," the police say. Continuing their campaign against drunken drivers, the state police made two arrests this week. Nelson Allison was fined \$100 and Nelson and John Pope were given a \$50 fine with costs when they were taken into custody by the state police for driving while under the influence of liquor. The fines were imposed by Justice of the Peace John A. Friesman. — Wayne 168.

One Light Drivers Face Peace Justice

After repeated warnings made by the local detachment of state police that motorists would be fined for driving with improper lights, records at the Wayne branch show

that 14 motorists were fined for that offense since the first of the year. The average fine paid for the violation was \$3. All of the drivers were apprehended in the Wayne district. The state police urge motorists to check their lights and brakes carefully before starting out at night. The number of highway accidents caused by faulty lights has increased appreciably in the past year, they said, and it has become necessary to use stern measures to make motorists appreciate the importance of proper lights.

Local will come to the goal more like a kind old nurse and rock him to sleep.

COUNTY TO MAINTAIN NUMEROUS STREETS

VILLAGE AGREES TO PLAN PERMITTING COUNTY TO DO NECESSARY REPAIR WORK

After receiving a request from the Wayne County Road Commission, the Plymouth village commission has agreed to release to the road officials, Mill Street from Plymouth Road southerly, Ann Arbor Street from Hamilton Street easterly, and Mill Road from Starkweather Avenue easterly, which streets will be improved and maintained by the Wayne County Road Commission.

The village commission stated that there appeared to be no objection to the release of these streets provided that none of the rights or authority now held by the Village of Plymouth over these thoroughfares was taken away.

The resolution releasing these streets reserved to the village the right to operate, maintain, or extend existing structures or to install new structures, if necessary, also reserved the right to enforce police regulations and exercise police powers as permitted on any other village streets.

The resolution also required that the commission be notified and its approval given before the grade of

PUBLIC HEARING ON NEW MILK ORDINANCE

State Makes Study of Bathing Beaches

Parts of ten southern Michigan streams were surveyed by the Michigan Stream Control Commission during the field season of 1931. Secretary Milton P. Adams, started today in making a report of activities of the Commission for the year.

The surveys included the following rivers:

St. Joseph River from Hillsdale to Lake Michigan; Raisin River from Manchester to Lake Erie; Kalamazoo River from Albion to Lake Michigan; Huron River from Dexter to Lake Erie; Grand River from Jackson to Lake Michigan; Shiawassee River from Howell to St. Charles; Black River from Carsonville to St. Clair River; St. Clair River from Port Huron to Algonac; Clinton River from Farmington to Lake St. Clair; Lower Branch Rouge River from Wayne to Dearborn.

Special studies were undertaken on the beaches at the outlets of some of the surveyed rivers and also for the purpose of determining bathing beach conditions at Whitmore Lake, Walpole Lake, Muskegon Lake and vicinity. As a result of these surveys it was found necessary to recommend to the State Department of Health the closing of public beaches at Traverse City, East Tawas, Rochester on the Clinton River and the South Park Beach at Port Huron.

Because of the inability of the State to meet the Federal government on a fifty-fifty basis for conducting stream flow measurements during the present biennial period, the arrangement made in August, 1930 was eliminated.

During the year the Department of Health laboratories performed more than 200 bacteriological and 700 biochemical determinations on river and lake samples collected, and the Commission's field men made about 2,500 biochemical determinations.

The Stream Control Commission is composed of Gov. R. Hazard, Director of Conservation, Chairman; C. C. Simons, Commissioner of Health; Herbert E. Powell, Commissioner of Agriculture; Paul W. Voorhies, attorney general; and Grover T. Dillman, state highway commissioner.

VILLAGE COMMISSION TO GIVE PRODUCERS CHANCE TO EXPRESS VIEWS

The milk ordinance which has been under discussion for the past year was given the first and second readings at the Commission meeting Monday night. The Ordinance was slightly revised during the first reading.

The Village Manager was instructed to have copies of the Ordinance as read prepared and furnished to the milk producers in this vicinity in order that they may study the same and make such comments or suggestions as they see fit.

The third reading of the Ordinance will be held February 15, at which time the public hearing will be invited to a public hearing before the ordinance is given final consideration. It is believed that the regulations as set up in this law will be of assistance in guaranteeing a pure and wholesome supply of milk and cream. It has not been the desire of the Commission to restrict in any way the production or sale of milk or to impose a large license, or inspection fee on the producers.

The ordinance attempts to set up certain sanitary requirements which will be rigidly enforced after the adoption of the Ordinance. The foregoing provision makes it possible to eliminate dealers who are producing milk under unclean or unsanitary conditions.

The great souls are they who understand the misunderstandings of other people.

Blame Smokers For Over 4,000 Forest Fires in Last Year

Over 4,000 Forest Fires in Last Year

Almost half of the 4,133 forest fires that raged through Michigan during the 1931 season were caused by smokers. The Division of Field Administration of the Department of Conservation indicated today in issuing its annual report of forest fire damage.

The report shows 1,900 fires attributed to the smoker, a total of 46 percent. This percentage, however, is slightly lower than that for the 1930 season when smokers were blamed for 49 percent of all of the fires. The past season was the first in several years that the percentage of "smoker" fires showed a tendency to drop.

The percentage of fires of incendiary origin doubled in 1931. The 1931 report shows 730 fires or 18 percent listed as incendiary as compared with nine percent in 1930. The continued economic depression and unemployment problem is responsible for the great number of fires started by individuals that they might get a job putting them out. The state pays thirty cents an hour for such labor and during the past season 46,408 men were employed on fire suppression work.

The percentage of fires caused by neglected camp fires continued to decrease in 1931 as it has decreased for several years. Only five percent was attributed to this cause in 1931 as compared with 4x percent in 1930.

Percentage of fires from other causes in 1931 were: lightning 17; railroads 42; brush burning 12; lumbering 5; miscellaneous 88 and unknown 61.

The percentage of fires started by railroads, brush burning and lumbering represent decrease from 1930 figures.

With a large deficiency in precipitation early last spring the ground was dry early in April and during the early spring months most of the damage occurred. The season closed in November with a total of 282,978 acres burned over. This represented an average of 67.9 acres for each fire, an increase over 1930 when the average was 50.39 acres.

The upper peninsula suffered the brunt of the fire losses. While only 1,761 of the 4,133 fires occurred north of the Straits of Mackinac, 183,593 acres of the 282,978 acres burned over were in the upper peninsula.

The Division of Field Administration estimates the forest fire damage for the 1931 season at \$174,590.10. This figure, however, represents only the actual value of the timber or grass areas at the time the fire occurred. It does not take into consideration future values, the worth of the area for aesthetic values, the game cover or any other value. Second growth timber received most of the damage. Damage was also classified for merchantable timber, grass, plating, grass swamp, fresh slash, pasture lost and other forest products. Land improvements suffered damage of \$12,550 and equipment destroyed amounted to \$4,836.50.

Actual cost of suppressing fires is given at \$295,751.83. These figures would indicate that the average cost of putting out a forest fire in Michigan last year was \$113.76 or \$1.09 an acre. The figures do not include the costs of maintaining the forest fire organization, maintaining fire towers, district headquarters, purchase of equipment and other overhead connected with the operation of the permanent organization.

OBITUARIES

MRS. MINNIE BUEERS

Mrs. Minnie Bueers, who died January 20, was born in Germany on February 17th, 1845. There she was received into the Lutheran Church by baptism and confirmation. In the year 1871 she was united in marriage to Karl Bueers who preceded her in death in the year 1906.

Two years later the young couple emigrated to America, and here they lived in the neighborhood of Plymouth all their lives. Mrs. Bueers had for the last half year been living at Detroit, where, after a brief illness, she passed away on the 20th of January. She had attained the grand old age of 86 years, 11 months and 3 days. We laid her to rest at Thayer Cemetery on January 24th.

She leaves to mourn her loss three nieces: Mrs. Phil Widmeyer of Plymouth, Mrs. Herman Hauser of St. Lyon and Mrs. Herman Fischer of Whitmore Lake, two nephews, the Messrs. Wm. and Otto Bros. of Wyoming, besides a great number of distant relatives and friends. It was assuredly true of her: "For me to live is Christ, therefore to die is gain." She has by the grace of our Father in Christ Jesus achieved that imperishable and incalculable gain which is in store for all those who, like her, remain faithful unto death, faithful in the confession and faith of Him who has called us out of darkness into His marvellous light. But to God the Father who has given, who has abundantly blessed and who has happily taken her away to her real Home in Heaven be glory, honor and praise forevermore.

DAVID WITT

MRS. JESSIE NASH

David Witt, infant son of Mr. and Mrs. Elmer Witt, who reside at 438 Wayne Road, Wayne, passed away at the University Hospital, Ann Arbor on Saturday, January 23rd, at the age of eight months. The body was brought to the Schrader Brothers Funeral Home, and funeral services were held from the home of Mr. and Mrs. Baldeck on Wayne Road, Monday, January 25th, at 2:30 p. m. Interment in Glenwood Cemetery, Wayne.

Mrs. Jessie Nash was born October twentieth, 1860, at Detroit, Michigan. She died at her home on Ann Arbor street, January, fourteenth at the age of seventy-one years. Her husband preceded her in death in 1914.

Mrs. Nash has spent most of her life in Plymouth, and has made a very unusual place for herself in the hearts of many friends. The usual exclamation of friends on hearing of her passing was, "one of the truest Christian women I have ever known."

She was a life long member of the Methodist church where she was a constant inspiration to pastor and members alike, and where she was not only in constant attendance but where she worked with enthusiastic cooperation.

She leaves to mourn her loss, one son, and two daughters, five grandchildren, one sister, one brother, and a host of other relations and friends.

Rosedale Gardens

Full Moon
on the twenty-third instant shown with silvery light and gave the clearing clouds a silver lining, all adding up the silver half-dollars on the pile that Bro. Brown was making for the St. Michael's church fund.

There were a number of silver pools about grassward, but Brothers Eddie E. Goodhead and Will Trepanier forgot to look, and result two flivvers.

Stuck in the Mud
The Sunday morning when Grandpa Goodhead had to tow them out, which some all guess to prove that no matter how urgent it may be to get to the card and dance parties, it is best to park safely away from silver pools especially after several weeks of rain.

Well, according to all accounts the affair was a huge success, and the committee was well pleased with the results, and the fact that they had selected a wonderful site, in fact the best site in a row's age, all had a wonderful time, those coming from a distance and having far to go home felt and so expressed their thoughts that it was well worth double the miles.

Intuition
says the Skating Committee, tells us that we are soon to have some skating weather, and if so all will be happy.

In these times, when half the people address the other half, either occasionally or regularly, the time of the day has nothing in common, it is primarily, Alpha and Omega, plain and simple—the lot spent last long for — will have where we are stuck for what? So in the end we may or may not skate on the Rosedale Pond this winter.

\$2,000,000,000

is a lot of money, and no doubt every one is thinking and a few acting, on the impulse that better times are ahead. All this money almost suddenly turned loose about the country should make for better times ahead. Then the good old Sock and Sox National Bank is expected to open at both ends.

Increased Activity
hereabouts is also noted. Mechanics sharpening their tools, painters cleaning their brushes, R Emporium sporting additional shelving, more shrubbery for the Land Co. boots to plant on the way, and smiles at many faces that have been downcast for so long.

Welcome
to the Community are Mr. and Mrs. Albert Hirsch and Robert and Thille and Mary who have leased the Scott home on York avenue.

Slogans
were asked for, for the Gardens of Rosedale. The following were best, or rather got the most number of votes in order named—the first being the old one and still the most popular—

(1) Where rosy-cheeked children bloom.
(2) When better babies come, Rosedale will have them.
(3) When a better place is built Rosedale will build it.
And them's that.

LOCAL NEWS

Mr. and Mrs. Floyd Burgett visited the former's parents at Port Huron Monday and Tuesday.

Mrs. Nellie Birch, who has been confined to her home on South Main street the past month by illness is up and around again.

The Tuesday evening bridge club had a very delightful meeting this week at the home of Mr. and Mrs. R. R. Parrott on South Main street.

Mrs. William Michael is slowly recovering from an operation which was performed last week Monday at the Sessions hospital, Northville.

The Monday evening 500 club had a most enjoyable gathering this week at the home of Mrs. Flora Rarabourer on Penniman avenue.

Mr. and Mrs. William Bailey of Detroit were Sunday evening guests of their cousins, Mr. and Mrs. Orr Passage on Maple avenue.

There was a fine attendance at the Pastime dancing club party Wednesday evening held in the Jewel-Balch hall and all had an enjoyable evening.

Mrs. Louise Tamblin was called to Detroit last week by the serious illness of her daughter, Mrs. Julia King, who was operated upon at the St. Joseph Mercy hospital for appendicitis. Mrs. King is slowly gaining.

Mr. and Mrs. Charles Brewer of Wayne were guests of Mr. and Mrs. Orr Passage Saturday at their home on Maple avenue. Mrs. Blomberg, maçon at the House of Correction, was also a guest at the Passage home, Saturday.

Mrs. Harry S. Lee entertained a few friends Wednesday at a bridge luncheon at her home on the Ann Arbor road in honor of Miss Athalie Lough, whose marriage to the Frank M. Coming Attractions At Penniman-Allen

"PEACH-O-RENO"
Bert Wheeler and Robert Woolsey have taken out again! Their latest cinematic fun-fact is "Peach-O-Reno," showing at the Penniman Allen Theatre Sunday and Monday, January 31 and February 1. This time RKO-Radio Pictures' great comedy team represent a firm of Detroit divorce lawyers, and the picture is an hilarious take-off on the wide-open town.

The two star comedians, who have appeared in many notable film comedies, satirize Reno and its chief industry with enthusiasm and a rollicking sense of humor.

"THIS RECKLESS AGE"
"This Reckless Age" is a feature picture at the Penniman Allen Theatre Wednesday and Thursday, February 3 and 4. It is Paramount's filmization of Lewis Beach's stage success "The Goose Hangs High." It is a sentimental comedy drama of parents who have dedicated their lives to supplying everything for their children, who in turn, following the "jazz" trend of this reckless age, give slight consideration to the grumbling self-denial of their parents.

Charles "Buddy" Rogers, Peggy Shannon, Richard Bennett, Charlie Ruggles, Frances Dee and Frances Starr play the featured roles, supported by a cast of exceptional talent.

MANY CONTESTS FARMER'S WEEK

Guests of Michigan State College during Farmers Week, Feb. 1-5, who see farmers hurrying about the campus with long, squirrel rifles need not fear that the open season on good-time prophets is about to open, as the winners are newly competitive in the annual rifle shooting contest.

Other men with sheep shears sharpened to razor edges will not be about to settle personal grudges, but will be looking for records in removing the fleeces from more or less willing sheep in the shearing contest. College coeds with milk buckets in their hands will not be practicing ways to keep the bucket right side up while a nervous cow is standing on the milker's feet during the milking contest.

High and low notes that resound from the gymnasium annex Friday afternoon of that week will not be those from a meeting of the tax payers' league but will be the vocal efforts of competitors in the Graze-slinging contest. Likewise, facial coating of grease paint and sets of false whiskers are not preparatory measures of padding banks but are only disguises for the players who declaim their lines in the rural drama contest.

It is going to be a hard week for judges but everyone else is going to enjoy several days of work and play. When the judges finish with the contests, they can start on the entries in the shows, and no one has yet invented a show which can win entry places so individual soon running furiously to escape a pursuing mob will be just one of the judges' who guessed wrong.

Speaker Garner starts his race for the Democratic Presidential nomination under one appealing handicap.

It begins to look as if the great parties would have to start popular contests to raise campaign funds.

month of December was read by the Clerk. It was moved by Comm. Robinson, seconded by Comm. Hoyer that the above reports be accepted and placed on file. Carried.

A communication was read from the Wayne County Road Commission requesting that Mill Street from Plymouth Road southerly, Ann Arbor Street from Hamilton Street easterly, and Mill Road from Starkweather Avenue easterly, be turned over to the County Road Commission as county roads. It was moved by Comm. Learned, seconded by Comm. Hoyer that the Manager draw a resolution authorizing the release of the above roads to the County Road Commission making such reservations as are necessary for the interest of the residents on these streets and the Village at large, and present the same at the next meeting of the Commission. Carried.

The matter of routine in handling arrests and trials in Village ordinance cases and arrests made under state laws by Village Officers was thoroughly discussed by the Village Attorney. It was moved by Comm. Henderson, seconded by Comm. Robinson that the Chief of Police or Police officers, in ordinance violation cases, or cases brought in the Village of Plymouth, submit to the Village Attorney for his approval complaints and warrants to be issued in such cases and that the Chief of Police or officers confer with the Village Attorney as to whether the complaint be made under Village Ordinances or whether it is necessary to bring same under a state law, except in traffic violation cases where the accused appears in answer to a traffic ticket, such cases may be taken directly to the Justice of Peace and if a plea of not guilty is entered, then a complaint and warrant shall be made as above outlined. Carried.

Rotarians, Guests Are Told of Russia

Members of the Rotary club and their wives last Friday evening enjoyed an especially pleasant program that had been arranged for them by the program committee.

It was through Dr. Robert Baskett of the Wayne County Training school that Col. Edwin R. George of Detroit, who had recently made an extensive trip through Russia, came to Plymouth to talk to the Rotarians and their guests on his observations in Russia.

His address displayed an intimate knowledge of affairs in that country gained by extensive travel within the boundaries of Russia.

He declared that America has nothing to fear from the Communist movement and that he was doubtful if it would eventually work out satisfactorily in Russia. The government of that country is already rejecting many of the ideas that were effective a year or so ago.

Music for the occasion was provided by a number of high school students, the selections played being especially pleasing.

Funeral Service Equipage

ias Kept Pace With Modern Ideas of Dignity and Reverence

We do not believe that the relatives and friends who attend services in the cemetery should be subjected to unnecessary discomfort while honoring the deceased. For this reason we have arranged for the use of a portable casket which gives full protection against rain, snow, heat or cold.

This casket, used in connection with our Non-War, underservicing hearse equipment, is the necessary for the hearse of casket to be exposed to the wet at any time. The casket can be placed into or removed from the hearse through whichever side is under the protection of the canopy. This also avoids the necessity for the hearse to care the casket over a wet slippery street while placing it into the hearse.

Methodist Notes

10:00 a. m. Morning worship.
10:00 a. m. Junior church.
11:15 a. m. Sunday school.
3:00 p. m. Memorial service for Miss Anna Smith.
6:30 p. m. Epworth League.
6:30 p. m. Junior League.
7:30 p. m. Evening worship.
At the morning worship we shall have as our guests the DeMolay lodge, Mr. W. S. Baughn, Master Counselor will give the address of the morning. One of the DeMolay fathers will speak also.
Members of the Junior church will give Bible verses instead of the usual five-minute sermon.
A beautiful memorial service has been arranged to the memory of Miss Anna Smith. This service will be at 3 o'clock. At the evening service the Pastor will preach the second sermon in a series to young people. Subject: "The Adventure of Prayer for Others."
Next Monday there is to be an all-day meeting at Ypsilanti for preachers and laywers with dinner at night. A delegation from Plymouth will attend.
Thursday of next week will be the third of eight big family night suppers at the church. The first of these suppers had an attendance of one hundred and thirty and we expect a steady growth in attendance. A class in religious dramas taught by Dr. McPherson of Detroit comes from six to seven at supper at seven. A class in general principles of teaching taught by Prof. George Smith comes from eight to nine. At the same time is a study class on evangelism for the Epworth League and a study group on Christian Stewardship led by the Pastor.
Friday our men's group go to Sticks for a men's supper program. Twenty-seven men went to Dearborn last month. We expect a fine showing next Friday night.
The Ladies Aid meets at the church Wednesday. The gift for the best dinner goes to Mrs. H. P. Brand of Plymouth.
The hard time supper which was to have been given by Circle No. 2, February 10, will be given instead February 9.

Christian Science Churches

"Truth" is the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, January 24.
Among the Bible citations the passage (John 8:31, 32): "Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples: and ye shall know the truth, and the truth shall make you free."
Consecutive passages read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, included the following (p. 26): "Divine Truth, Life, and Love gave Jesus authority over sin, sickness, and death. His mission was to reveal the Science of celestial being, to prove what God is and what He does for man."

It is reported that the sick are on the gain, and it is hoped, will soon be well. Mrs. M. Kinski and John Mertens.
We are glad to report that the Rev. W. G. Peck, formerly pastor at Northfield has been assigned to the pastorate of St. John's, Ypsilanti, to succeed the late Rev. C. Hunsley. Fr. Peck's interest in the church has been the keynote of his success in all his pastorates.
Have you brought your envelope for January. Sunday is the last of this month; begin the year well, with a remembrance to your God.
During these times, man is wont to lose courage, but remember, you must keep faith in the times—and look for the brighter side which is bound to come; the thought is this: "Clouds must come, rains must fall
To bring the food and shelter for us all.
When this is done, the sun will shine.
So why worry; yes worry: at this time."

Stop Night Coughing
Ordinary cough remedies do not reach the conditions which cause night coughing but Thorine, a doctor's famous prescription does. It stops the cough within a few minutes and goes direct to the internal cause, preventing further trouble.
Taken before retiring Thorine absolutely prevents night coughing. It gives the same speedy relief for sore throat too. Safe for the whole family—guaranteed no dope. Money back if not satisfied. 35c. Dodge Drug Company and all other good drug stores.

WHAT THE New Plan AT THE FIRST National Bank WILL DO FOR YOU

If you were a depositor at the time this agreement became effective, 30 per cent of your deposits will be placed in a trust fund enabling the bank to liquidate its slow and doubtful assets without taking severe losses. This thirty percent will be paid back to you as fast as this trust can be safely liquidated.

The 70 percent of your money which remains in the bank will be withdrawable by you, as your needs demand—subject to the consent of your depositors committee. The regular 3 percent will be paid on the 70 percent balance left in your savings account from Dec. 1, 1931.

New Deposit and New Accounts

No 30 percent clause will be placed on any money deposited after the date of this agreement. You may deposit it today and withdraw it tomorrow or if you leave it for three months it will draw 3 percent interest.

By taking advantage of the conditions before they get out of our hands, we will by co-operating have a bank that will be as safe and secure as any bank can be made.

We will be glad to explain this plan to you in detail and hope that if there is any feature of it that is not clear to you, that you will come to us for information.

No one has ever lost a dollar in this bank.

Everyone is gaining additional security by this agreement.

All New Accounts have the benefit of free use of their money—

Your co-operation will afford you a banking institution worthy of your confidence.

PLYMOUTH NOW IN BIG LEAGUE

Followers of Plymouth High school athletic activities will welcome the news that the local school has advanced to a class B rating and that with the coming of spring all sport schedules will be made with schools in that classification. A new organization is now under way and the Twin Valley Activity Association will take its place in Michigan scholastic contests with the following schools as members. Plymouth, Ypsilanti Central, Dearborn, Ecorse, River Rouge and Wayne. The formation of the new league takes Plymouth, Wayne and Dearborn out of the class C rating and leaves Northville, Farmington, Lincoln Park and Trenton the nucleus for forming another class C group.

Spring schedules of Track, Golf and Tennis will be made with schools of the new league and next fall football games will also be arranged with the Twin Valley Athletic Association.

An invitation to join the new league is not only an honor for Plymouth schools but it reflects the fine reputation that local athletic teams have made in competition in this section.

The local followers of High school sports it means that competition will be keener and a much higher class of athletics in general. Larger schools have better teams in all branches of sport and the new arrangement will bring much fine material to Plymouth for competition affording fans excellent entertainment and games that will be real contests of skill.

Capt. Matheson of the High school stated that the new association is a fine thing for Plymouth and that it would help develop athletes second to none in Michigan scholastic circles.

Get Auto License Now State Urges

Records of the department of state show that many persons, financially able to do so, have purchased their 1932 license plates, even though 1931 plates can be used legally until March 1. The records disclose however that the sale of 1932 licenses has been much slower than in 1931. Because the money from the sale of plates is being used to finance the state's winter highway relief program, an appeal has been made for those able to do so, to purchase new license plates as soon as possible.

Up to Jan. 20, plates had been purchased for only 107,752 cars as compared with 328,168 for the same period a year ago. This shows that the sale of plates has dropped off about 55 percent in actual revenue. The explanation is that owners of large expensive cars are purchasing 1932 plates at a much faster rate than the owners of smaller automobiles for whose benefit the extension of time was granted.

Dept. of state employees again wish to remind all owners of commercial vehicles that they must obtain the new official Dept. of state weight receipts in order to

buy 1932 license plates. Authorized scales in this area are as follows: Eckles Coal and Supply Co., Plymouth Lumber and Coal Co., Plymouth, Grand River Lumber and Coal Co., Carl Ely, William Forney, Northville, Walter Marshall Elevator, South Lyon, Novi Supply Co., Novi, Robert Carnes and Son, Walpole Lake.

H. A. Spicer is receiving congratulations on having reached his 86 birthday, today (29). It also being the birthday anniversary of the late President McKinley. Mr. Spicer is enjoying splendid health and takes an interest in all the happenings of the world at large. He is able to take long walks and this past summer worked his garden and took care of his lawn. He is a tireless reader and does most of his reading without the use of glasses.

"In times of great stress like the present, when taxes are high, and people are out of work, you can easily see why people are required to fall back on their savings. It is this condition which forces banks to sell their bonds during a depression and sell at a loss.

"The situation in Plymouth is different. To the credit of the stockholders of this bank they haven't waited for their bank to close, before trying to remedy the situation.

"You can readily see what a tragedy it is to permit a bank to go into receivership. It means foreclosure of the stockholders' loan, the depositor's loss and the borrowers from the bank suffer a tremendous loss.

"Here you have anticipated a situation and are taking steps to prevent a loss to the community. The investments of this bank are all good. There is a shrinkage here of course, like there is in all banks.

"You as depositors are asked to cooperate and if you do that there will be no uncertainty as to the outcome. A forced liquidation is a thing to be avoided. A receivership is a catastrophe.

"The people of Plymouth should be thankful that their banks have weathered the storm, you should thank the officials from the bottom of your hearts for running these institutions so successfully.

"We have placed every safeguard we know in this plan so that this bank will never have to close.

"This bank has had excellent earnings every year since 1926 and as we emerge from this depression that is no reason why this bank should not show similar earnings during the next five years.

"Let me say again it is a remarkable thing for this town to have two such good banks that are running and doing business. Few places in Michigan can show such an equally good record. They have stood the strain and to me it shows the substantial condition of your community."

Following the election of Paul Nutting, Joseph Grummel, M. G. Partridge, James Ford, William A. Towle and William Pettinelli as a depositors' committee, large numbers of the depositors asked for an opportunity to sign the agreement.

President John Hubert stated that the bank had practically 1900 depositors and that with the remarkably fine spirit displayed at the meeting of every one interested in the welfare of the bank, he knew that nothing could now cause it any possible embarrassment.
