

PLYMOUTH TO TAKE PART IN CELEBRATION

Will Have Part In Parade In Detroit Wednesday Evening

At an informal meeting of the city commission Wednesday night with Plymouth members of the board of supervisors it was decided that Plymouth will take an active part in the big parade to be staged in Detroit next Wednesday night to show the intense interest of this part of the state in the completion of the St. Lawrence waterways project.

Mayor Freeman Hoyer, following the decision of those present to aid in the parade, appointed Harry Mumby chairman of the local committee on arrangements. He was pledged the active support of every one present.

The celebration will take on the form of a big parade and it is possible that the Plymouth high school band and a number of local organizations will appear. Supervisors George Robinson, John Henderson and Frank Leavelle were present and were enthusiastic in their desire to have Plymouth make a good showing in the parade.

The Plymouth and western Wayne county delegation will form in the parade on Henry street, west of Woodward. It will be an evening affair and it is anticipated that over 100,000 will be in line.

Chairman Mumby is exceedingly anxious to have everyone interested in the parade get in touch with him immediately.

REDCROSS ROLL CALL TO BE MADE AT EARLY DATE

Plymouth Branch Has Been Of Great Aid In Past Few Years

Soon the drive for funds will be made in behalf of the Plymouth branch of the American Red Cross. This splendid organization contributed much this past year in bringing relief to the less fortunate in our city and township.

Plymouth has been very fortunate in maintaining a chapter of the American Red Cross since the World War. Mrs. C. H. Bennett has successfully conducted this work during these years. Due to her untiring efforts Plymouth was provided with Federal materials for our workroom. In many cities their chapter became inactive during these years following the war. For this reason, before Federal materials were given it was necessary to reorganize a chapter. Here in our own community this worthy work was given immediate attention and the unfortunate people in our city and township benefitted at once.

The workroom at the Stark weather school under the direction of Mrs. Arthur Griffith and her corps of workers which was opened last year for the cutting and making of coats and boys' shirts, women's and girls' blouses, skirts, pajamas and in fact all necessary garments needed for the clothing of both sexes, will be open but one day each week during the month of October. It is the desire of the Red Cross committee to continue this work which is so needed, however this will not be possible this year unless all who are able to do so contribute liberally to sustain this splendid work.

A house-to-house canvass will be made the last of October for membership and contributions to the local chapter. The city will be divided into districts with the following ladies as chairmen:

Section 1, Mrs. E. Minnack; section 2, Mrs. J. Bickelstein; section 3, Mrs. O. Beyer; section 4, Mrs. Kalor; section 5, Mrs. C. Dykhouse; section 6, Mrs. B. Champe; section 7, Mrs. W. Lombard; section 8, Mrs. H. Schickel; section 9, Miss Mable Spier; section 10, Mrs. F. Eckles; Robinson Subdivision, Mrs. R. Roe; Plymouth township, Mrs. C. H. Bennett.

Civic Theatre Guild Selects Officers

At a meeting held Wednesday evening the final organization of the Plymouth Civic Theatre Guild was perfected by the election of the following officers: president, Walter Hays; vice president, John Harmon and secretary, Irene Humphries. The board of directors consists of the following: Miss Neva Lovewell, Charles Garlett, Lyle Alexander and Dr. Hrisbols.

The casting committee members are Mrs. Cooper, Mrs. Garlett, Mrs. Libbie, Mrs. Connors. The program committee for the next meeting will consist of the board of directors and Stephen Honath and Mrs. Humphries.

Tryouts for the first play are scheduled for Tuesday evening, October 17 at 7:30 at the high school auditorium. The play to be given is Owen Davis' "Icebound."

The next meeting of the Guild is scheduled for Wednesday evening, October 25 at 8 o'clock at the high school. A program will be presented at that time.

Elect Mrs. Ray Johns President of Women's Club For Next Year

The members of the Women's club of Plymouth and their guests, the past presidents of the club were entertained by the executive board at a luncheon October 9th in the Hotel Mayflower. Each honored guest found a lovely corsage of yellow baby mums and agetatum at her place. The tables were gayly decorated with huge, gorgeous dahlias in autumn colors arranged in the bowls—and the Mammoth Champlain varieties predominating. The dahlias were from Bartel's Greenhouses.

The program books for 1933-34 were placed at each plate and the club is expecting a busy and interesting time from now on.

After the delicious luncheon the guests and members gathered in the Crystal Room for the program. Mrs. Charles O. Ball presided in her usual efficient and charming manner. Mrs. Corwin E. Walbridge played several piano selections. As Mrs. Ball introduced the speakers she said, "We are proud of our past presidents and we want them to know what a high place of honor they hold in our hearts. Because of their efforts, and of those who worked with them the Women's Club of Plymouth has an enviable position in our community today, and they can have an ever increasing influence for good."

Mrs. Ball mentioned some event in each club's scrapbook.

Mrs. Walter Nichol, corresponding secretary read several letters of greeting from presidents who were unable to attend.

Mrs. Fred Dible stressed loyalty to the organization in her helpful talk. Cooperation and support from all the members were recalled by (Continued on page two)

RELIEF WORK OF COUNTY IS BEING MAPPED

Officials To See To It That Money Is Properly Handled

The organization of Wayne county on the basis required by the Federal relief act is being mapped and is progressing quite satisfactorily. This work in Wayne county is being done under the direction of the County Advisory Committee, consisting of James Fitzgerald, chairman, Ruth E. Huston-Whipple, secretary and Roy Frederick Stedburg. The Advisory Committee has appointed an administrator and two deputy administrators. The administrator is John F. Ballenger, superintendent of the Detroit Welfare Department, who will have charge of the federal and state relief inside the city of Detroit. Wm. C. Markley of Detroit is deputy administrator in charge of finance and L. P. Conklingham, city manager of Plymouth is deputy administrator in charge of the portion of Wayne county outside the city of Detroit.

The out-county area has approximately 8500 families receiving welfare aid. This area is being divided into zones with headquarters office conveniently located where the welfare problems of the welfare district is comprised. The Wayne county emergency relief commission will supply investigators and case workers who will keep in touch with all families receiving unemployment relief and will determine the needs of these families as well as of any other matter which may be necessary.

The tentative zoning plan for the out-county area has already been established. The City of Highland Park consists of one zone, Hamtramck a separate zone. The townships of Grosse Pointe and Grafton consist of one zone. The City of River Rouge, Melvindale, Lincoln Park, Wyandotte and Dearborn township comprise another zone, while the city of Dearborn and Dearborn township are combined into one zone. The Plymouth district is comprised of the City of Grosse Pointe, Plymouth and Northville townships and the city of Northville.

As she got out of the Northrup car she walked around in back of the machine to cross the highway. Apparently she did not look to see if any car was coming and she was struck with terrific force by a truck driven by A. J. Schickels, who resides on the Northrup road and is employed by the Dalsy company of Plymouth. He was on his way home. There was absolutely no chance of preventing the accident and no blame is attached to the driver. The accident, a frightfully mangled Mrs. Welch, who was killed instantly.

Born in Waterford, Mrs. Welch had spent her entire life in this part of Wayne county. She possessed a wide circle of friends who are grieved over her untimely death. She was married to her husband a number of years ago, she had made her home with Mr. and Mrs. Northrup near Northville. The funeral will be held Saturday at 2 o'clock from the Northrup residence.

Science Lecture At Penniman-Allen On Tuesday Evening

Rev. Irving C. Tomlinson, C.S.B., of Boston, Mass., a member of the board of lecturers of the First Christian Science church in Boston, will on next Tuesday evening, October 17 at 8 o'clock give a free lecture in the Penniman-Allen theatre in Plymouth. The First Church of Christ, Scientist, Plymouth, extends a cordial invitation to everyone in this vicinity to be present and hear the address pertaining to the work of the First Christian Science church. Rev. Tomlinson is one of the best known Scientist lecturers in the country and his address will be well worth hearing. There is no admission charge of any kind.

Women Voters Hear About Electricity

An interested group of women attended the League of Women Voters meeting held last Monday at the home of Mrs. P. W. Carley on N. Harvey street.

The business meeting opened with the president, Mrs. Ruth E. Huston-Whipple in charge. A new recording secretary was elected upon the reading of Miss Lina Duerf's resignation from this office. Mrs. Geo. Cramer was elected as the new secretary.

Donald M. Whitesell of the Michigan Municipal League of Ann Arbor was the speaker of the day and gave a very thorough resume of the workings of the different utilities in the state both public and private.

Interesting data on rates of electricity was given. The ladies elected Mr. Whitesell with many questions which he gladly answered and every one present seemed to gather knowledge along many lines.

Rotarians Shown Russian Pictures

Rotarians last Friday were taken on a motion picture trip through Soviet Russia by Mr. and Mrs. A. A. Abrams of the Wayne County Training school, who spent last summer in touring that interesting country. Mrs. Abrams told of the trip as her husband displayed the pictures. She told of seeing crowds everywhere and declared that while told that there were school children saw none. "People seem enthusiastic, even though they have to wait in lines for nearly everything they get," she said.

Mr. and Mrs. Dewey Smith and children are planning to spend the week-end at Brown City.

Will Sing Title Roll In Operetta

Norma Cassaday

She will sing the title role of "Queen Esther" which will be presented next Wednesday and Thursday evenings at the high school auditorium. Phage of Plymouth's well known singers will take part.

The operetta has many touches of oriental splendor, and there is life and action from start to finish. The music has great variety, from light and brilliant to the more massive and splendid chorals of the story. There is also a children's flower scene with about forty young girls grouped near the throne of "Queen Esther," and in song and an elaborate ceremonial homage to their much loved Queen.

HOLD SURPLUS WATER FOR LAKE

Engineers Begin Filling New Lake in Plymouth Riverside Park

Slowly but surely a new and beautiful lake is being created two miles east of Plymouth. Two weeks ago workmen completed the dam across the middle branch of the River Rouge where the Newburg road bridge at one time did service.

A few days ago engineers in charge of the Wayne county park project started to hold back the surplus water of the stream.

Already a dozen or more acres of land have been covered with water and each day a bit more of the bottom of the new lake is being covered. While it is not anticipated that the lake can be filled before spring, engineers however believe that if this should happen to be a "wet" fall, there might be a sufficient amount of surplus water coming down the Rouge valley to fill the lake by early winter.

If there should be a sufficient flowage of water to fill the entire lake by early winter, the new lake will provide the boys and girls of Plymouth with one of the finest skating places in this part of Michigan. The west end of the lake, that part nearest to Plymouth, will be only a few feet deep in any place. The average depth over the west end will probably not be more than three or four feet deep. In most places not more than three feet.

The eastern end of the lake at Newburg will average considerably deeper, being anywhere from ten to twenty feet deep in the vicinity of the dam.

Bowling Alley Is Busy Day and Night

Interest in the Penniman Allen bowling alley now under the management of the Plymouth Kiwanis Club has surpassed all expectations of the service club. Local patronage to date insured Plymouth a good bowling alley for local use during the coming months.

Team competition starts next Monday night and captains of all teams are invited to meet at the alley Friday night to discuss rules and regulations for the league. Nearly twenty teams have announced their intentions of entering.

Next Wednesday afternoon has been designated as ladies day. Mrs. Perry Richwine is working with a group of other Plymouth ladies in making this an interesting event. Instruction will be given free to any woman who is interested in learning to bowl. If enough ladies are interested it is hoped that a ladies league will be formed for play during the winter months. Anyone wishing to learn the game may call Mrs. Richwine or be present next Wednesday afternoon at the bowling alley.

Many From Plymouth At Legion Convention

Plymouth was well represented at the greatest American Legion convention ever held in Chicago last week. Among those ladies who came from this locality were Mrs. and Mrs. Harvey Springer and daughter, Mr. and Mrs. Floyd Eckles, Mr. and Mrs. Chaucey Evans, Mr. and Mrs. Lyle Alexander, Mr. and Mrs. Curtis Kalotsky, Abraham Goldstein, James Duthforth, Harold Joffe, Arno Thompson, Harry Hunter, Paul Koss and Horace Dlesch. The Legion convention at Chicago was the largest ever held and the papers were regarded by those who saw it as one of the most spectacular ever held in the country.

Central P. T. A. Has First Meeting

The first regular meeting of the Central P. T. A. was held in the high school music room, Tuesday, October 10. The president, Mrs. Humphries, conducted a short business meeting, after which Mr. Wilkie took charge of the program. Superintendent George A. Smith talked on the "Business of the Business" and Mrs. Belle Rudy and Wesley Hoffman of Rosedale Gardens presented two very entertaining tap dancing selections. Bud Curtiss and Sidney Patton of the local high school favored the group with two Hawaiian guitar numbers. The business meeting and program proved to be very instructive and entertaining. Refreshments were later served by the committee.

Needlework Guild Makes Fall Drive For New Members

The Plymouth branch of the Needlework Guild of America is making its annual autumn campaign for members. Last year the Plymouth branch won the prize trade of clothing which was given by Mr. Truman H. Newberry to the Guild. This was the greatest increase in membership. Last year the Plymouth Guild distributed over 1400 articles of clothing to the needy of our community; this year the need is equally great. According to Dr. Martha H. Elliot of the Federal Bureau of Investigation, one-fifth of all preschool and school children in the United States are showing the effect of "poor nutrition, inadequate housing, lack of medical care, and anxiety of sense that there is no work."

It is just these children in our own community who need the warm clothing which the members of the Guild will furnish.

Membership in the Guild means simply the giving of a few articles of clothing. Underclothing and stockings are especially in demand. If you have not already joined the Guild and wish to do so, phone any of the following of fitters who will assign your name to a director: Mrs. E. E. Sawyer, president; Mrs. Ethel Dible, first vice president; Mrs. Otto Beyer, second vice president; Mrs. Wm. T. Pettigill, treasurer; and Mrs. Ruth E. Huston-Whipple, secretary.

Some people feel that the Guild work is unnecessary, because "the government is taking care of all relief. However, the government relief money allows almost nothing for clothing. Furthermore, as President Roosevelt said in his White House lawn address to 500 social workers, each community should take care of its own people whenever possible without turning to the federal government. President Roosevelt's exact words were: "The problem of the individual family in need is a local problem, and the first objective and the first necessity is that the citizens of that community, through the churches, the community chest, and the charitable organizations of the community are to do their share to their utmost extent."

The Needlework Guild needs your membership, and Plymouth needs the Needlework Guild.

Home Dress Making Class Is Organized

In these distressing times many women who heretofore have purchased ready made dresses are now making their own garments.

In their effort to economize by home sewing they have encountered some difficult problems—the chief one being the fitting of a garment to get away from the home made appearance.

This year the State Extension Service through the able leadership of Miss Irene Taylor, state clothing specialist, is offering a course to solve this difficult problem.

The first meeting will be called on Wednesday October 18th at one-thirty sharp, by Mrs. Clear Goss, chairman, at her home, 707 Maple street. At this meeting the local leaders, Mrs. Millard Geer and Mrs. Glenn Renwick will relay the lesson as taught to them on Tuesday October 10th by Miss Taylor. The main topic of discussion will be an altering of the commercial pattern according to our measurements.

Discussions of the five remaining lessons include the fitting and altering of the foundation pattern, and the actual making of the garment. The dress may be made of any desired material.

Much stress is placed on the fitting of the pattern, there being four lessons on this phase of the work, and two on the actual making of the garment.

Any one may join this class. There is no charge. Those who attend are requested to bring a tape measure and a notebook. Be on time. Those who come early have something in store for them.

PLYMOUTH TO JOIN IN NATIONAL DRIVE TO ASSIST BUSINESS

Will Present Queen Esther Two Evenings

The dramatic cantata known as "Queen Esther" will be given two nights next week, Wednesday, October 18th and 19th. Much careful preparation is being made for these renditions. Mr. Flowers, the director feels that he has some exceptionally fine voices at his disposal and has been greatly pleased with the dramatic ability displayed in recent rehearsals. He predicts a very successful and outstanding performance of this famous musical work in Plymouth.

"Queen Esther" is given with choruses representing Jewish and Persian people and the cast consists of the chief personages of the story. There is also a children's flower scene with about forty young girls grouped near the throne of "Queen Esther," and in song and an elaborate ceremonial homage to their much loved Queen.

STEPS TAKEN TO WORK OUT ALL DETAILS

Plan To Have "Buy Now" Movement Run For Two Months

With the selection of a committee composed of Paul Hayward, Albert Gaylor, Albert Wilson, Earl Galt, Ernest Allison, Irving Blunk and William Pettigill, Plymouth business men at a mass meeting Tuesday night took first steps to formulate plans for Plymouth's participation in the nation wide "BUY NOW" campaign.

Secretary Berg Moore of the Plymouth Chamber of Commerce who has been following in detail the government's "BUY NOW" program, called the mass meeting of the business men when information came to his office that the various branches of the government to make the "BUY NOW" campaign one of the outstanding features of the recovery program.

The campaign, which will be started within the next few days in Plymouth, will continue until January 1. It is the desire of the government to have every city and village in the country take part in the campaign believing that it will be of general benefit to the public. Secretary Moore stated that the United States is ready to swing into another great movement to combat the forces of unemployment, and for the next twelve weeks a nationwide program will be under way to speed up the manufacturing of the business machine. Just how these far-reaching plans will be carried out was described today by Mayor F. B. Hoyer, chairman of the Plymouth "BUY NOW" committee.

"The project quite naturally follows the 'Blue Eagle' campaign," he said, "which has captured the imagination and the enthusiasm of the entire nation as nothing has done since the stirring War days of 1917 and 1918, according to NRA officials. The Blue Eagle drive, including the collection activities of the NRA has resulted in placing more than 90 per cent of the business of the country under the President's Agreement."

But it is to be remembered that the success of the buying part of the public has also placed burdens on business because of the increased payrolls. Business must be speeded up in order to make it possible for these local employers who are operating under the Blue Eagle to continue to maintain their added labor costs. Then there are still many millions of men still out of work and jobs must be found for them. Something like 3,500,000 families are now receiving public relief, two hundred million are in production and, with winter coming on, this number will be greatly increased unless business in general is stepped up to a much faster clip than is the case at present.

"The activities will be based on the slogan 'BUY NOW! BUY NOW! BUY NOW!' You will note we are not making use of the word 'campaign'. Our plan calls for a logic systematic program to be carried on between now and the holidays with the sole object of stimulating the buying power of the nation. There is to be no emotional appeal, but rather an appeal will be made to the calm, sober judgment of the country. Of course, the element of self-interest will enter into it. For it is simple to depleted. In the case of factories and business houses, equipment has been allowed to run down and a general program of replacement and rehabilitation is long overdue. Hence, we feel that we are well within the bounds of good business judgment when we say 'Now is the time to buy.'"

Kiwanians To Hear U. of M. Professor

Members of the Plymouth Kiwanis club will have a speaker next Tuesday evening, October 17, at the home of Mrs. Carmen Root, Ann Arbor Road on the 16th of October at 2:30 o'clock. The state treasurer of the D.A.R., Mrs. Wm. C. Gogley will be present to talk on "The Michigan State Flag."

Mrs. J. W. Blickenstaff will be hostess to the Tuesday afternoon, bridge club on Tuesday, October 17. The Happy Helpers of the Ladies' Club were most pleasantly entertained by Mrs. George Britcher Wednesday evening at a "chop suey" supper at her home on Ann Arbor Trail.

FOR REVENUE ONLY

Governor Bill Comstock has indicated that he plans to call a special session of the legislature to formulate measures for the conduct of the liquor traffic in Michigan when the 18th amendment is formally repealed, probably within the next two or three months.

We have not the slightest idea of what the Governor has in mind and we are not fully in accord with the recommendations made by the legislative committee that has been making a study of liquor law legislation.

We do know this about it—it is a rotten business at its best and that as long as we have not to have it, local communities should profit from it.

Prohibition was a failure because of the absolute breakdown of the administration of the law from the very beginning—a breakdown due to two reasons, crooked public officials and public officials who were entirely out of sympathy with the success of the movement. You can talk about other reasons for its failure, but there are no others outside of these. The contempt of public officials for the law had everything to do with the later public contempt of it.

It was far better for the nation to end prohibition than to permit this public contempt of what ought to have been a good law, to continue on. It was not only breeding open law defiance but there had been set up a system of racketeering that the government was powerless in its efforts to break down—due to the general attitude of the public.

Now that we are about to end one public disgrace by the restoration of the legalized liquor traffic we are heartily in favor of the plan to let local communities that must contend with it, profit from it.

The state is taking many millions of dollars from the people of Michigan more than is necessary to run the state government and its various institutions. It has been estimated that automobile owners are paying into the state treasury something like \$12,000,000 more than is actually needed by the state to conduct the highway department. Add to this \$12,000,000 the excess amount of money being received by the state from the sales tax and other forms of licenses, one can readily understand that the state administration should not use the restoration of the liquor business in Michigan as another means to add a few millions more to the income of the state.

The legislature should see to it that all monies collected from the proposed liquor traffic business should go to the local communities. The only legal machinery the state should set up for the liquor business should be of a nature to permit the cities and villages to exact a ransom fee from the business—a fee that will to some extent take from the local taxpayers some of the burden they now carry. The state should not take a cent of money from the business. It belongs to the municipalities, just as it did in the years before prohibition and greedy state politicians.

THE BOARD OF SUPERVISORS

Detroit newspapers and politicians are complaining about the increasing size of the Wayne county board of supervisors. They point with alarm to the growing numbers from the section in Wayne county outside the city of Detroit. This increase has been

due to the fact that a number of communities like Plymouth have because of their increased population decided to incorporate as cities rather than remain as villages. This naturally gives them increased representation on the board of supervisors. The Detroit politicians saw the increasing strength of the board "out in the sticks" so to speak. Then Detroit immediately increased the number of supervisors from the city. Not that the county supervisors had done anything to hurt the city of Detroit, but Detroit's biggest idea of things wouldn't for a minute let the "rural" sections by any chance have more supervisors on the board than did the city of Detroit, so immediately Detroit added more members to the board. If the Free Press and the News and the city hall office holders do not like the increased size of the board, there is nothing quite so easy for Detroit to do as cut its representation in half. And we will assure Wayne county of just as good government as it ever had with the predominating power of the board outside the city of Detroit instead of within the city boundary line. In fact we are inclined to believe that it might be a bit better if the supervisors from Plymouth, Wyandotte, Dearborn and elsewhere should by chance get control of the board of supervisors.

A FUTURE WITHOUT LIMIT

Announcement was made a few days ago of the sale of the control of the Midland Republican to Philip T. Rich, who for many years has been its editor. With this sale the newspaper passes from the control of the Crissey family for the first time in nearly half a century. W. Roy Crissey, who has been its co-publisher, is one of Michigan's outstanding publishers—the ideal type of a citizen that the state cannot long permit to remain outside of the publishing field. But fortunately for Midland his successor is possessed of the same high ideals that Mr. Crissey has for so many years advanced. Mr. Rich and his associates will continue the successful career of The Republican. Mr. Rich is a high type newspaper publisher and it is his purpose to inject into The Republican many of his progressive ideas that cannot help but count for greater advancement. We congratulate Mr. Rich upon his acquisition of the Republican property and we congratulate the city of Midland upon the fact that its newspaper, long regarded as one of the best in Michigan, will continue in the control of one who realizes that a community and its newspaper must march forward always in step—that this unity in action is absolutely essential for the advancement of both city and newspaper. Midland is one of Michigan's ideal cities and it is entitled to the high type weekly newspaper it has always had and will continue to possess under the able direction of Publisher Philip T. Rich and his associates.

NO CHANCE

Malcolm Binney, editorial director of the Detroit Free Press in his Sunday morning column said, "Fred of his Smart Set and Mercury traditions, H. L. Mencken may still have time to do some constructive writings that will be a real contribution to American letters." There is not the slightest chance for such a thing. One with such a warped mind and perverted idea of present day affairs and tendencies as possessed by Mencken will never put anything into cold type that will survive as long as the comic strip printed in day before yesterday's last edition.

COMSTOCK AND WILCOX

Now that it is up to Governor Bill Comstock to decide whether one of the misfits elected to office last fall with a lot of other misfits shall be removed from office or permitted to continue its mismanagement, we will be interested in knowing how he will sidestep his responsibility in this matter. Rather a tough spot for Governor Bill, we might say.

Visits Exposition, Finds No Pop Corn

(By Staff Correspondent)
 Chicago, Ill., Oct. 12.—This has been a great week for Chicago and the Century of Progress. Following the departure of the American Legion members, came Glenn W. Smith of Plymouth, Michigan and the Marine bank of Washington, D. D. Gen. Amerillo Diaz of San Felipe, Mexico arrived at the same time. Mayor Kelley, General Dawes Sully Rand and the army of mid-way barkers were out to extend a most cordial welcome to the new arrivals.

The pop corn king of Plymouth immediately plunged into a conference with the concession chiefs as to just why there wasn't pop corn on the Exposition grounds.

"That's the trouble with the Exposition there's no pop corn. You should have pop corn, bean soup and canned grapefruit all the time. People wouldn't kick about not being able to get anything good to eat if you had plenty of pop corn and bean soup," said the pop corn monopolist of Michigan's fairest city.

"That's right," agreed Sally Rand who fell into one of the Exposition pools during the early days of the big show. "I know there was something wrong all the time—it's pop corn that we haven't got. The fan dance would have been a much greater success if the boys could have been eating pop corn while they watched it."

Accompanied by an admiring army of pop corn fans, the Plymouth pop corn king then proceeded to see the sights.

Down to the temple of the Mayans they proceeded.

"See?" said Mr. Smith. The Mexican general saluted. He thought the pop corn king was talking to him.

"No, I just want you to look at the teeth of this fellow here. They said he had been dead for three thousand years before the beginning of history. Now look at his teeth. See the pearls that have been set in the front of his molars? Only people that live on pop corn could see such good teeth. You know the Mayans were great pop corn boys. That was their chief diet. That's why they all had such good teeth," declared the head of Plymouth's pop corn trust.

From the Mayan temple the party proceeded to the Hall of Science where hours were spent examining the dental display and its relation to a pop corn diet.

Not until the omission of the pop corn display and its important relationship to the development of the human race had been fully brought to the attention of the promoters of Chicago's big show realize what a mistake had been made. They are now talking about having another Century of Progress exposition next year in order to set up the right kind of a pop corn display and its relationship to human progress.

The fair was sort of good, said Mr. Smith, but the slight to the pop corn industry is not going to be an easy thing for the pop corn magnates of the country to forget.

Russell Powell Has Narrow Escape In Automobile Crash

Russell Powell is recovering from a number of severe bruises received Sunday night when a truck being driven without headlights crashed into him as he was driving home from Ann Arbor.

Only by the slightest chance did Mr. Powell escape from a head-on crash with the truck. There was a heavy fog and as the truck driver made one of the turns in the highway he drove his truck too far to the wrong side of the road. Because of the fog he apparently thought it was better driving without his lights and did not notice that he had driven to the wrong side of the highway.

Driving slowly Mr. Powell suddenly saw the big truck loom up in front of him. Swinging quickly to the shoulder of the highway, he side-swiped the truck, but the impact turned his over and badly wrecked it. The truck skidded on the wet paving and crashed into a retaining fence. Both machines were wrecked but Mr. Powell was the only one injured. Outside of cuts on the face and head, he was somewhat bruised but has been able to be around since the crash. His car was towed to Plymouth where it is being repaired.

Elect Mrs. Ray Johns

(Continued from page 1)

Mrs. John J. Travis of Ann Arbor.

Mrs. R. E. Cooper has the distinction of being the only president to serve two terms of two years each. The club thoroughly enjoyed her delightful and clever response. Several amusing and interesting events which occurred during her administration were related.

The new officers elected to fill vacancies for 1933-1934 are: president, Mrs. Ray Johns; first vice president, Mrs. William T. Pettigill; recording secretary, Miss Marian Beyer.

Mrs. Ball was presented with a lovely gift as a remembrance from the club and in appreciation for her capable leadership in the year just past.

Mrs. Mark Chaffee and her committee, Mrs. Clyde Bush, Mrs. Claude H. Buzzard, Mrs. James Gallimore, Mrs. L. P. Cookingham, Mrs. Ray Gilder and Mrs. Chas. H. Bennett are planning a visit to Cranbrook, October twentieth. The trip will include Christ Church, Kingswood School for girls and the boy's school, Cranbrook. The club considers it a great opportunity to see these remarkable beautiful buildings and to learn something of these ventures in a education and religion. Those who plan to go call Mrs. Mark Chaffee, or a member of her committee and places in cars will be reserved. The women who drive are advised to get in touch with Mrs. Chaffee. The club meets at 12:30 p. m. at the hotel Friday, October 20th.

For their first airplane ride, Mr. and Mrs. David Jack, 84 and 90, respectively, left Omaha, Neb., by plane for Chicago recently. Their first long journey was from Lee County, Iowa, to Nemaha County, Neb., 67 years ago by ox team.

Workmen Make Good Progress

The work of cleaning Tonquish Creek which has been undertaken as a work-relief measure is progressing satisfactorily. The work has been completed inside the City from Moreland Road to South Harvey Street and this week the men will be working in the section between Harvey street and Ann Arbor street.

It is planned to secure enough broken concrete or stone to rip-rap the banks of the creek near the existing culverts in order that additional washing of the banks will be prevented. This entire project is of considerable value to the City in the matter of beautification and will make possible more complete drainage than was available with the creek in its former condition.

This is just the first time in several years that a complete and adequate cleaning job has been done in Tonquish Creek.

Duck Hunters Kill Tame Ducks, But No One Knows Who Did

Who shot the tame ducks? That's the chief question these days among the big game hunters of Plymouth.

The other day a number of well known Plymouth nimrods bled off to the wilds of Wildfowl bay to hunt ducks.

In order to help entice the birds down from the sky, they induced Elmer Barlow to take along with him a number of big tame mallards.

These were carefully tied so they would not fly away with the wild ones.

Then the hunters, each carrying enough ammunition to supply a young Cuban army, carefully secreted themselves along favored spots to watch for the real wild ducks to land among the tame ones.

To the north among the tall bushes sat Dave Bolton and his trusty Daisy. Bringing up his flank was Jack Taylor and William Garrett, whose guns were loaded with BB's and dynamite.

Over on the other side of the Peninsula that ran out into the bay was Dr. Paul Butz and his high-powered machine gun. To his rear sat Frank Coward, Jake Stremich and William Pettengill.

Nearly in the line-out was Elmer Barlow, Louis Chambers and Capt. Sharpsteen, personal guide of Dr. Paul Butz who says he knows where every fish in Wildfowl bay lives and when they shed their teeth.

The "captain" also claims to know when and where ducks will fly and where they sleep nights.

As the hour for the hunting season to open arrived, a big hungry "ea" call sailed overhead.

"Ducks," cried the hunting army from Plymouth. When the hurrae was over there was a grand total of three dead ducks—all tame ones.

Elmer Barlow who had carefully nursed them during the past year looked at the lifeless remains of his flock and then he looked at the Plymouth hunters.

"Who shot 'em?" he asked. "I didn't," was the chorus of replies.

Someone looked at Dr. Paul Butz. The gaze turned to Dave Bolton, but Dave's Daisy wasn't guilty declared Bill Garrett. Jake Stremich said his gun was pointed towards the midnight sun when he pulled the trigger, therefore it wasn't him who killed the ducks that have trailed Elmer Barlow around his backyard all summer. No one accused Jack Taylor because his old flint-lock wouldn't work.

Again the eyes turned towards Dr. Butz. It was "Captin" Sharpsteen whose partial ally of Dr. Butz left a doubt in the mind of the inquiring owner of the ducks. "Well maybe the Doctor did have his gun pointed towards the tame ducks, but I think he shot too high to hit 'em," declared the fishing sage of Selawing.

And that's why no one in Plymouth knows just who it was that brought an early end to the career of three perfectly harmless and tame Mallard ducks belonging to Elmer Barlow.

Farmers Not Aided By New Milk Plan

O. W. Wittrick, vice president of the Michigan Farmers League and well known Plymouth farmer who resides on the Powell road, spoke Sunday at a mass meeting of more than 3,000 Michigan farmers near Willis. He announced that the national-wide farm conference called to meet in Chicago this fall had been postponed to November 18 and 19, when it is expected that there will be representatives from every state in the union present.

Mr. Wittrick urged in his speech Sunday that all farm organizations such as the Gleasons, Farm Unions, Farm Bureaus, The Grange and others name delegates to the Chicago meeting. He especially urged that members of the Michigan Milk Producers Association be present as the milk problem will be one of the chief subjects of discussion. He requests farm groups that elect delegates to send their names to him as soon as possible. His address is R. F. D. No. 1, Plymouth.

The following resolution was passed Sunday, being read by the farmers present from Wayne, Washtenaw, Hillsdale, Monroe, Macomb and Oakland counties:

"The Michigan Milk Producers Ass'n has failed to benefit the farmers because (1) It is dominated by false leaders, and (2) It is not controlled by the actual milk producers.

"RESOLVED, therefore that the remedy for this situation is to limit membership in the Ass'n to milk producers whose major source of income is their own labor on the farms, and expel from the Ass'n all members who cannot meet this re-

quirement; and if this cannot be done, to build a new organization according to this principle.

"Experience proves that high salaried officials more often betray than benefit the farmers they are supposed to represent. We need leaders from our own ranks, sufficiently interested in the cause to serve when necessary for expenses only.

"RESOLVED, therefore, that the salaries of our officials should be drastically reduced, and never be permitted to exceed the average income of the average member; said salaries to be cut whenever the annual average milk price falls, and increased only when the annual average milk price rises.

"The practice of deducting fees, etc. from our milk checks by the middleman tends toward middleman control of our organization. We protest especially against the 25 cent pool fee per 100 lbs. of base milk. This racket takes thousands of dollars out of the farmers' pocket every day.

"RESOLVED, therefore, that the present system of financing the Ass'n should be abolished, and all money collected by direct assessment of members, and kept completely within the control of the farmers organization.

"It is a crime to talk about 'surpluses' when thousands of consumers go hungry for lack of purchasing power. The base and surplus system is simply a middleman racket of obtaining large quantities of cheap milk, and keeping the farmers divided amongst themselves. If a system of controlled production should be necessary, it should be fair to all farmers; but there is no overproduction while people hunger.

"RESOLVED, therefore, that it is foolish to spend the farmers' money to advertise milk to consumers; that the base and surplus systems should be abolished; that a

flat rate should be substituted; and that any surplus found to exist should be kept off the market entirely and used on the farms.

"We farmers want equality with the other great industries not just 'parity prices' with the old 1909-14 level. We want cost of production for our products plus a decent standard of living. The present method of determining the price of milk is so complicated, the farmers are practically at the mercy of the Milk Trust. We have a better method. We propose that the price to the producer shall be based on the cost of production, adding 25 per cent to insure a standard of living, the total F.O.B. the farm. We propose moreover that the necessary increase in price shall come out of the middleman's profits. Increasing the price to the consumer sets him against the farmer, and cuts down retail sales. Consumer and farmer should stand together against the exploiting middleman. The price to the consumer should not be more than twice the price to the producer, and the price to the producer should not be less than half the price to the consumer. In case of a milk strike, we do not want to see the consumer deprived of milk. We promise the consumers free milk if they will come out on our picket lines, and otherwise cooperate with

striking farmers. RESOLVED, therefore, that when justice is denied and moderate methods fail, we farmers are more than justified in resorting to strike action to obtain cost of production plus a decent standard of living.

"RESOLVED, lastly, that copies of these resolutions be sent to all locals of the Michigan Milk Producers Ass'n, and to farmers publications and local papers; and that we urge the milk locals to send delegates, in sympathy with these resolutions, to the Michigan Milk Producers Ass'n annual convention, and also to the FARMERS SECOND NATIONAL CONFERENCE to be held in Chicago, November 18-19, 1933."

Relief Work Of Co. Is Being Mapped

(Continued from page one)
with headquarters at the city hall, Nankin township, which has an exceptionally large number of cases will be a separate district with the headquarters in Wayne, Taylor, Brownstown and Monaghan townships will comprise another district and the balance of the townships, consisting of Van Buren, Romulus, Smapter and Huron, will be combined into one district in which a sufficient number of workers will be placed to handle the welfare problem.

The townships in the southeastern portion of the county are more or less handicapped because of the fact that there are no townships offices other than in the homes of the supervisors, therefore, it may be necessary for the workers to have a headquarters in one of the municipal offices in an adjacent township or city.

The federal government requires a certain standard of relief administration which is being put into effect in this county. It is believed that this improved organization will tend to reduce the cost of unemployment relief and still keep it on a plane required by the federal government. The state welfare department is cooperating with the county to a very large extent in working out these plans. The state representative in this district is Miss Marie Constock, sister of the governor, who has rendered valuable assistance in establishing the new set-up.

The supervisors and welfare officers, with hardly an exception, appear very much in favor of the new administrative set-up because the family responsibility will be out of their hands and in the hands of trained and capable welfare workers. The work-relief program which has been in effect since May 1st, will be continued as long as weather conditions permit. In this program the workers are paid in cash on the basis of their estimated needs.

The work of organizing the unemployment relief program of Wayne county will require approximately one month. It is believed that the organization will be functioning properly by the 15th of November.

PLYMOUTH ELEVEN DEFEATS DEARBORN

The Rocks football team defeated Dearborn last Friday night by the score of 14 to 0. This was Plymouth's first league game of the season and they met a very good showing during the entire game. The following is a play by play account of the game.

First Quarter

Captain Bassett kicked off to McClain on the ten yard line. Levandowski bringing him down on the twenty. Soderquist for center for one yard. McClain tried left end but he was tackled by Elliott for no gain. Soderquist punted outside on the forty yard line. Levandowski hit right tackle for three yards. Champe went through the center for three more yards. Levandowski made a first down around left end. He then passed but it was incomplete. Kinsey tried an end run but was hit by Corbin for a two yard loss. Levandowski again punted. It was incomplete and Plymouth penalized five yards. Kinsey then kicked out of bounds on Dearborn's twenty-seven yard line. Soderquist made five yards at center but Dearborn was penalized for three more yards. Levandowski made a first down around left end. He then passed but it was incomplete. Kinsey tried through left tackle for three yards. McClain tried left end but he made nothing. Kinsey lost three yards at the same end. Levandowski passed to Champe but it was incomplete. Dearborn's ball on their own twenty yard line. McClain tried left tackle but was tackled for a loss by Bassett. McClain went around left end for fifteen yards. He again tried the right end for four yards. Sautter made a first down. McClain passed to Wilkinson for a first down. Sautter tried left end but made nothing. Dearborn then took time out. McClain tried left end but he was hit hard by Gates and Elliott for a five yard loss. He then passed and it was incomplete. Plymouth was penalized five yards for an offside. McClain passed and it was knocked down by Champe. With fourth down and ten to go Soderquist punted to Levandowski on the twenty yard line. Levandowski returned it to center. Kinsey made three yards at center. Levandowski made four yards around right end. Champe smashed through center for two yards. Kinsey then kicked out of bounds on the twenty yard line. McClain hit right tackle for six yards. Dearborn was again penalized fifteen yards for the backfield being in motion. McClain was taken out and Levandowski replaced him at left half. Adams finished the period. The first quarter ended with the ball on Dearborn's eleven yard line. Plymouth 0. Dearborn 0.

Second Quarter

Soderquist punted to Kinsey on the forty yard stripe. Levandowski went around right end but was furred out on the thirty-five yard line. McClain made a yard at left end. He again tried but made nothing. Levandowski passed but it was knocked down. He then threw a thirty-five yard pass to Kinsey for a touchdown. With Champe holding the ball Bassett kicked the extra point.

Third Quarter

McClain for Levandowski. Starting lineup for Plymouth. Captain Bassett kicking off for Plymouth. Kicked over the goal line, the ball being brought out to the twenty yard line. McClain trying right end and a yard. Tullius gained three yards off left tackle. No gain was made and a splinter play. Soderquist to McClain. Tullius kicked to Champe on the forty yard line who returned the ball two yards. After going a yard through center Champe kicked over the goal line. Trying center twice Soderquist found that part of the line to be a stone wall and gained nothing. Adams for Nickles. Soderquist kicked to Levandowski on the fifty yard line who returned the ball to the thirty-three yard line. McClain taking the ball from Champe gained nine yards around left end. Ware for Wilken. Champe made a first down through the center. Levandowski making the pass from center, lost fifteen yards and on the next play passed incomplete to Kinsey. Pike for McClain lost five yards. Levandowski passing incomplete on the fourth down. The ball became Levandowski's. McClain's pass was incomplete and on trying right end he gained nothing. Why Buy a Student Council Ticket?

Many students ask themselves the question, "Why Buy a Student Council Ticket?" They wonder why the school board does not support all the funds that are necessary for the students to conduct the different athletic activities. But the taxpayer cannot grant money to schools for purely pleasure purposes. Taxes are for necessities, not the pleasures of life.

Starkweather School Notes

Douglas Price, of the kindergarten, brought his tricycle to school Tuesday, sending checks for each ride. Heinz Hoenecker and Donald Gray were the ticket agents.

Central Grade School Notes

There are fifty-nine enrolled in the kindergarten; twenty-four in the morning section and thirty-five in the afternoon. The children have made a paper fruit border for the blackboard and using different fruits and vegetables for limbs have constructed Fruit Boys and Vegetable Girls. Both free hand drawings and pattern work have been made. They have been discussing the preparation for winter as they see it, mother's canning, father's storing fuel, and animals' growing heavier coats. Safety lessons have been given with their portable traffic light.

Junior Class Play To Be "Peg o' My Heart"

Plymouth high school's class of '35 is presenting "Peg o' My Heart" in three acts by J. Hartley Manners of its class play. This has been very popular recently as a high school play. The theme of the play is as follows: Peg, a poor Irish girl living in New York, is engaged to a rich Englishman, an aristocratic and a duke. She is like a duck out of water in these surroundings, but she wins her way and also Jerry. The cast includes Peggy Tuck, Jean Jolliffe, Alvin Elzerman, Thelma Lunsford, Kathleen Schultz, Norval Boyce, Marian Brown, Eva Scarpulla, Jack Wilcox, Rhea Rathburn, Lola Mae Berles.

Science Club Meets

The Junior high science club met in Mr. Bentley's room last Tuesday for the purpose of discussing plans for a science scrapbook. This is to be composed of newspaper clippings, pictures, and magazine articles to be written by different phases of science such as aviation, astronomy, animals, plants, methods of transportation and study of substances.

Class Notes

The 7B Hygiene class is making a study of the bones of the body and has been carrying on various interesting experiments. The members of the 7A hygiene class are studying the eye and ear. During one class period they tested each other's eyes. The first aid students are making a study of the many kinds and uses of bandages.

Sophomores Elect New Representative

Myrella Saroy was elected student council representative of the sophomore class at a second election for this office. As all of the other officers are boys, Mr. Dyckhouse requested that the officers nominate only girls for this office. Mr. Dyckhouse was elected in the earlier election for this office was eliminated by this ruling.

Torch Club Notes

Wednesday evening the Torch Club held a pot luck supper and initiation in the high school lunch room. Every fellow brought something for the meal. After partaking of the feast, which consisted of hot beans, meat loaf, scalloped potatoes, coleslaw salad, cocoa, buttered rolls, jello and cake initiation proceeded.

Chemistry Classes Have New Manual

The chemistry classes are using a new laboratory manual this year, replacing a more out of date one that has been used here for some time. The physics classes have been studying the properties of liquid and solid forms of matter.

First Assembly Is Held

An assembly of the Junior high school was held last Wednesday. Mr. Matheson gave a talk on sportsmanship. Mr. Lester appealed to the students to come out for athletic activities; Mr. Evans urged all who were interested to enlist in the band. The students gave several yells and Miss Henry led the singing of the Fight Song. The assembly concluded with a cordial duet by Forbes Smith and Romane Lee.

OBITUARIES

GILMAN FISHER BEALS

Gilman Fisher Beals, who died last Saturday, was born Sept. 28, 1863 at Clayton, N. Y. He was the third son of the late Rev. and Mrs. H. C. Beals who came to Plymouth to take the pastorate of the First Baptist church in 1873.

Mr. Beals graduated from high school and went to college at Kalamazoo, afterward teaching for five years. He traveled for D. M. Ferry for many years through the south and in 1895 came to Plymouth to live with his mother and has spent the remainder of his life here.

He saw all the members of his immediately family laid away and leaves his wife and a nephew to mourn his loss. Another good man passes on. Scarce could one number his friends who will sorely miss him. Many such only known by God and himself, for his thought was ever to bring a bit of cheer and lift the load of another. An example of this thoughtfulness was manifest in his generous gift to the First Baptist church, which church his father served as minister during a period of years following 1873, and his mother served as clerk of the church for twenty-five years.

MRS. SARAH A. WHEELOCK

Mrs. Sarah A. Wheelock, who resided at 205 Hillbrook avenue, passed away early Friday morning, October 6th, at the age of 84 years. She was the wife of the late Charles P. Wheelock. The body was brought to the Schrader Brothers Funeral Home, from which place funeral services were held Sunday, October 8th, at 3 p. m. Interment in Wheelock cemetery. Rev. Norton of Plymouth and Rev. Burnett of Holly officiating.

FRED A. SECORD

Fred A. Secord, who resided at 123 Randolph street, Northville, passed away Monday afternoon, October 9th. He was the husband of Mrs. Mabel Secord. The body was brought to the Schrader Brothers Funeral Home, Plymouth, from which place funeral services were held Thursday, October 12th, at 2 p. m. Interment in Newburg cemetery. Rev. Richards of Belleville officiating.

Annual Reception Welcomes Freshmen

About two hundred freshmen and seniors gathered in the auditorium Monday night for the annual Freshman Reception. To start the evening a mixing game was played in which all might become better acquainted. Oscar Luttermoser then welcomed the freshmen after which Robert Edge, the freshman president, gave his response. A relay was played, and as the freshmen showed a great deal of originality in this, the prizes had to be distributed among a large group. The seniors then presented a pantomime as their stunt for the evening. Another game was played after which the freshmen gave their stunt. This consisted of very clever impersonations of various members of the senior class. Older and daughters were served, and then dancing ended the evening's entertainment.

Camp Gets Senior Picture Contract

The Camp Publishing company of Ypsilanti has again received the contract for the senior pictures. Some new offers have been made, including a flat rate of three dollars a dozen for pictures with a choice of any folder, a composite, which is one dollar extra, a large picture, which is two dollars extra, and last but not least, a Senior Memory Book, fifty cents extra, in which may be kept souvenirs to remind you of the grand times you had in your last year in Plymouth high school and pictures of your friends. All groups are free.

Junior Class Play To Be "Peg o' My Heart"

Plymouth high school's class of '35 is presenting "Peg o' My Heart" in three acts by J. Hartley Manners of its class play. This has been very popular recently as a high school play. The theme of the play is as follows: Peg, a poor Irish girl living in New York, is engaged to a rich Englishman, an aristocratic and a duke. She is like a duck out of water in these surroundings, but she wins her way and also Jerry. The cast includes Peggy Tuck, Jean Jolliffe, Alvin Elzerman, Thelma Lunsford, Kathleen Schultz, Norval Boyce, Marian Brown, Eva Scarpulla, Jack Wilcox, Rhea Rathburn, Lola Mae Berles.

Science Club Meets

The Junior high science club met in Mr. Bentley's room last Tuesday for the purpose of discussing plans for a science scrapbook. This is to be composed of newspaper clippings, pictures, and magazine articles to be written by different phases of science such as aviation, astronomy, animals, plants, methods of transportation and study of substances.

Class Notes

The 7B Hygiene class is making a study of the bones of the body and has been carrying on various interesting experiments. The members of the 7A hygiene class are studying the eye and ear. During one class period they tested each other's eyes. The first aid students are making a study of the many kinds and uses of bandages.

Sophomores Elect New Representative

Myrella Saroy was elected student council representative of the sophomore class at a second election for this office. As all of the other officers are boys, Mr. Dyckhouse requested that the officers nominate only girls for this office. Mr. Dyckhouse was elected in the earlier election for this office was eliminated by this ruling.

Torch Club Notes

Wednesday evening the Torch Club held a pot luck supper and initiation in the high school lunch room. Every fellow brought something for the meal. After partaking of the feast, which consisted of hot beans, meat loaf, scalloped potatoes, coleslaw salad, cocoa, buttered rolls, jello and cake initiation proceeded.

Chemistry Classes Have New Manual

The chemistry classes are using a new laboratory manual this year, replacing a more out of date one that has been used here for some time. The physics classes have been studying the properties of liquid and solid forms of matter.

First Assembly Is Held

An assembly of the Junior high school was held last Wednesday. Mr. Matheson gave a talk on sportsmanship. Mr. Lester appealed to the students to come out for athletic activities; Mr. Evans urged all who were interested to enlist in the band. The students gave several yells and Miss Henry led the singing of the Fight Song. The assembly concluded with a cordial duet by Forbes Smith and Romane Lee.

Hi-Y Enjoys Outing

The Hi-Y enjoyed the pleasant combination of a pot luck supper and an indoor baseball game last Friday. Assembling in front of the school, the boys were transported to Riverside Park by fellows who were fortunate enough to have cars of their own. After such hinting of initiation by the seniors, dinner was begun. The fellows lined up with a paper plate and fork in their hands and helped themselves to generous portions of delicious meat loaf, scalloped potatoes, baked corn, cabbage salad, pickles, buttered rolls and jello.

Drama Club Begins Play

Last week Miss Ford gave a problem in dramatics to the Senior Drama Club. Each member is supposed to solve the problem without aid from anyone else and hand the answer to Miss Ford. The correct solution will be read in Drama club next week. Miss Ford expects to continue this practice with a problem every week. Paris have been given out and work started on a play called "Stranmother Truly the Striving" the cast chosen from the Senior Drama Club. Includes Marion Krumm, Phyllis Ratnour, Jack Selle, Margaret Buzzard, Ruth Mein, Pearl Smith.

Rosedale Gardens

The first meeting of Wayne County Council was held in the Rosedale Presbyterian church Tuesday, October 3rd. Miss Collinge from Michigan State College explained the music study being conducted in Wayne County schools this year. Miss Murray from the Merrill Palmer school gave an interesting and instructive talk on Child Physiology. Master Howard Wallbridge rendered several piano selections. Miss Shepard gave a splendid reading. The county work committee are Mrs. Shaffer, Mrs. Joyner and Mrs. Serkel.

THE FIRST THING I'M GOING TO BUY—IS A MAYTAG

"With prices going up I want to buy a lot of things. But not another thing till I get a Maytag. Because with a Maytag, I can save money to buy other things."

• That's sensible buying. Because it is buying quality you can use—quality that pays a weekly return on your money.

• The Maytag washes clothes faster, washes them more thoroughly, more gently and at lower cost per washing because it is a better designed, better built washer. • Select your Maytag at today's low prices.

Our subject Sunday evening will be taken from the words of Jesus in Matt. 5:20. "Except your righteousness exceed the righteousness of the Scribes and Pharisees ye shall in no case enter into the Kingdom of Heaven."

Paul was commissioned to preach to the people and turn them from darkness to light and from the power of Satan unto God. Many are in darkness and trusting false hopes. What is your hope of Heaven?

We extend a cordial invitation to all to come and help us push the battle for God and righteousness.

CHRISTIAN SCIENCE CHURCH

"Are Sin, Disease, and Death Real?" was the subject of the Lesson-lesson in all Christian Science Churches throughout the world on Sunday, October 8.

Among the Bible citations was this passage (Ps. 107, 20, 21): "He sent his word, and healed them, and delivered them from their destructions. Oh that men would praise the Lord for his goodness, and for his wonderful works to the children of men!"

Correlative passages read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, included the following (1:307): "Sickness, sin, and death are the vague realities of human confusions. Life, Truth, and Love are the realities of divine Science. They dawn in faith and glow forth in spiritual understanding."

SALEM FEDERATED CHURCH

Can you not plan to attend church on October 15? Bring your family. According to the Scriptures, God holds us responsible for the religious training of our children. On Sunday morning at 10:30 the subject for consideration will be "The Blue Eagle and Prophecy."

The Bible school lessons on Paul are growing in interest. Our Sunday school meets at 11:45 and on Tuesday we study Paul in Antioch. "And the disciples were first called Christians at Antioch." Read the eleventh and twelfth chapters of Acts. Memory text: "For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to everyone that believeth; to the Jew first, and also to the Greek." Romans 1:16.

Sunday evening hymn-singing commences at 7:30. All are invited to read or quote verses from any of the three epistles of John. I will sing with you in the spirit of Paul, with the understanding also." I Corinthians 14:15.

Are you interested in a method of memorizing Scripture that really works? We are studying the Memory Bible Institute course on "Scripture memorizing for Personal Work" in the Wednesday evening prayer service and you are welcome to study with us.

Miss Sarah Robertson will entertain the young men and women of the F.O.M. class at her home on the 13th of Oct. Friday evening, Oct. 13. We are assured a good time by the committee in charge. Sarah Robertson, Marion Gale and Neil Currie. Some of our young men have been asked to tell us about their experiences at the Century of Progress in Chicago.

On the evening of Friday, October 20, the ladies of the South Circle plan to serve one of their popular penny suppers in the church dining room.

As this is being written the women of the church are looking forward to the visit of the Northville Presbyterian Women's Union to the Plymouth Auxiliary on Wednesday of this week. The speaker Mrs. Lichtwardt brings a message direct from Persia. For years she, with her husband has given help and guidance in the name of Jesus-Christ to the people of Meshad, and in her interesting and delightful manner tells of her experience there.

Every man of the church is urged to attend the men's supper Wednesday October 18th at 6:15 p. m. A committee of men under the chairmanship of superintendent George A. Smith will have charge of preparations and of serving the meal. Of course it will be a good one. The men are planning a friendly visitation of the entire congregation to be carried out on Sunday afternoon, October 22. After the supper plans will be completed for the visit. A fine rally of men is anticipated.

Newburg Dairy To Play West Pointers Again Next Sunday

Sunday, October 15 at 3 p. m. the strong West Point Park team will play the second game of the series with Newburg Dairy baseball team at Newburg. The West Pointers shut out Newburg Dairy seven to nothing last Sunday.

Rowland gave up but six hits and struck out ten of the heavy hitting Newburg Dairy boys. The infielders came up with three fast double plays which helped out Rowland in the tight spots.

Warren Bassett the star pitcher for the Dairy team didn't start the game because of a broken finger.

The defeat was the second in the last nineteen games played by the Dairy team.

Lester Bassett was the hitting star of the game for Newburg Dairy getting two of the six hits given up by Rowland.

Urbanak made two beautiful catches in the outfield for the Dairy boys.

Next Sunday at 3 p. m. the West Point Park team will play the second game of the series at Newburg. Manager Ray Levandowski expects to start his star pitcher Warren Bassett, who has won twelve out of thirteen games.

The Young People meet each Monday evening at 7:30. Next Monday's leader will be Miss Harriet Mattinson. Her talk will be, "The Life of Esther." As revealed in the Old Testament. This marvelous book, strange to say, does not once mention the name of God. However, where is the power of God's holiness hand more wonderfully in evidence.

Abasneras, the Persian king, chooses Esther, the beautiful Jewess, to be his wife. However, Esther is instructed by Mordecai, her foster-father, not to reveal her identity, as a Jewess. Two chamberlains plot against the king. Mordecai discovers their intrigue and the king's life is saved. Nevertheless, a jealous courtier, Haman, hates Mordecai and all the Jews in the realm, and plots to exterminate them. The thrilling episode of Mordecai's escape, Haman's defeat and Israel's deliverance climaxes this brilliant historical sketch.

Many lessons abound throughout in the rapidly shifting scenes while Queen Esther turns bravely into triumph, by God's grace.

All young people are invited to attend these meetings and join in the discussion in the Scripture after the speaker concludes her remarks.

Sunday morning at 10 o'clock the pastor will continue his series of messages on: "What God Says About How To Finance His Church And Its Work." God pledges Himself to meet the needs of His Spirit-filled children as they carry out both in letter and in spirit the Bible's teaching on "tithes and offerings."

No collections will be taken at our church services. There is an offering box provided for those whose hearts are constrained to

make an offering. For months this Scripture method has been blessed of God in supplying all our needs according to His riches in Glory by Christ Jesus, Philippians 4:19.

Sunday evening at 7:30, the pastor will preach on the 55th chapter of Isaiah; taking this topic: "Why You Can Not Be Saved By Your Own Efforts."

Next Wednesday evening you are invited to join our Whole Bible Study Course. We are studying the prophecies of Daniel, Chapter 9 is our next lesson. This portrays Daniel's marvelous vision of the 70 weeks.

Bird and Rabbit Hunting Season To Open On Sunday

Anticipating a successful season this year, hundreds of thousands of southern peninsula rabbit and bird hunters will go into the fields, Sunday, October 15, the opening day of the 1933 season. The upper peninsula season opened Oct. 1.

Reports received throughout the summer by the Department of Conservation from its field men, and from other interested observers, indicate a good number of snags, hares, grouse, prairie chicken in the north as well as cottontails and pheasants in the south.

There are few changes in the hunting regulations this year. The 12 a day total bag limit on waterfowl and the opening of the prairie chicken season in every part of the state are the most important. Last year the two southern tiers of counties were closed to prairie chicken hunters.

Raccoon hunters, who were permitted but 15 days of hunting in 1932 are now granted a full month of thirty days, November 1 to November 30, inclusive. Trapping raccoons is restricted to the open season for taking muskrats.

The bird season in the upper peninsula opened October 1 and closed October 12, three days before the opening of the season south of the Straits of Mackinac. The pheasant and partridge season in the southern peninsula closes October 26.

In the strings. She once had a distinguished husband. But once when she was dining with a German Embassy, she rose with great aplomb to toast—the Russian Empire. Mr. Hope planned his embarrassment into his soup-plate. Based, it is said, on the giddy goings on of an English family with whom Mr. Brent is well acquainted. "The Mad Hopes" carries its spectators through two particularly frenzied weeks in the lives of Clytie and her trio of offspring. Clytie will buy emeralds when there is nothing in the house to eat but bread and cheese and she will insult the kindly millionaire whose prospective purchase of her Riviera villa is the only ray out of the family's difficulties. But somehow, in spite of her ineptitudes, or perhaps because of them, she manages to keep both the villa and the millionaire, and to straighten out the tangles of her daughter's romance with a youthful house guest.

Let "Foot-Candles" SELL for you

24 hours a day!

SOME STORES stop selling at six each day. Others continue to sell after their stores have closed. These stores are using arresting tactics: THEY ARE SELLING CHAINSTORE WITH LIGHT. One of the greatest chain-store companies, noted for its well-designed, brightly lighted show windows, states:

"We value our windows for advertising purposes at millions of dollars a year in sales. Without proper lighting, our windows would be worth only a fraction of their present value."

There is no monopoly in the use of light for advertising and selling. The small merchant can employ it with just as good results as the large store. For example (and these are actual cases), an increase in lighting cost of 1 per cent in a retail store was followed by an increase in sales of between 6 and 7 per cent. A dry goods store found, by actual count, that the number of passersby stopped by its windows increased from 34 per cent to 65 per cent when better lighting was put in—with an equally gratifying effect on sales.

You are so accustomed to your store and window lighting that it probably seems entirely adequate. But only a scientific test will tell. The light must be accurately measured in "foot-candles"—and our illuminating engineers have an exact instrument for this purpose. Call in these men to help you. That is their business and there is no charge. They have no fixtures to sell and you cannot see their recommendations or not as you see fit. Simply call Randolph 2100 and ask for the Lighting Division.

MICHIGAN BELL TELEPHONE CO.

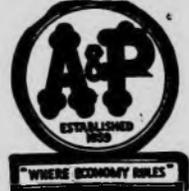

YOU'RE INVITED MORE OFTEN IF YOU HAVE A TELEPHONE

When bridge parties, luncheons, dances and other pleasant events are planned, invitations usually are extended by telephone. Those without telephones very often are not included in such affairs.

Have your telephone reinstalled now, before the season of social activities sets in. It will justify its cost in good times alone. And, as a protection in times of emergency, it is priceless.

You can order a telephone from any Telephone Business Office. Installation will be made promptly.
