

Keep Robinson As Official Of Fair

Northville-Wayne County Assn. Plan Big 1934 Fair

At the annual meeting of the Northville-Wayne County Fair Association held Friday evening at Northville, Harry C. Robinson was re-elected a member of the board of directors for another two years. Mr. Robinson has over a long period of years been one of the active workers of the Northville fair association.

Other directors re-elected for the two year term were Nelson C. Schrader, brother of Fred D. Schrader of Plymouth and one time resident of this place, E. M. Starkweather, Harry B. Clark, Marvin H. Sloan, C. B. Belden, A. E. Fuller, G. C. Benton, William Forney and E. R. Eaton.

At the directors meeting, which followed the annual session of the stockholders, Nelson Schrader was re-elected president of the association for the tenth consecutive year. Elmer Smith of Northville was again selected as vice president, Floyd Northrop as secretary and Scott Lovewell was made treasurer to fill the vacancy caused by the recent death of Ernest Miller.

Dates for the 1934 fair were fixed for August 22 to 25 and the directors decided that a special effort would be put forth to make the fair this year the best it has ever been.

The reports of the officers showed that the association instead of running in the red on the 1933 fair, made a trifle under \$500 clear after all expenses had been paid.

Plymouth day at the fair provided the record attendance of the fair last year. Directors hope to have the fair buildings painted during the next few months.

Knocked down and thrown under a train, W. G. McCoy, a brakeman in the railroad yards at Waynesboro, Va., lay between the rails until the train stopped. He suffered only scratches.

All District School CWA Jobs Are Under His Jurisdiction

The many Plymouth friends of P. W. Carley for nearly a decade one of the engineering officials of the state highway department connected with the Plymouth office will be pleased to know that CWA officials have placed him in entire charge of the work to be done in Wayne county in district school buildings.

Detroit officials have stated that there are 63 school buildings in various parts of Wayne county which are to be repaired, altered or enlarged under the CWA program. Mr. Carley has charge of all this work.

His headquarters are located at Romulus, that community being nearer to the center part of the county than any other place, making it more convenient for those in charge of the work to keep in touch with the improvements being made.

★ Try an Electric Range in YOUR OWN KITCHEN

THERE is no catch to this offer... there are no strings whatever. The only way we can prove to your satisfaction that electric cooking is what you want is to let you try it for yourself. We want you to enjoy electric cooking IN YOUR OWN KITCHEN—to learn at first hand how much you like it. To make this easy for you we will install an electric range without initial charge, and let you use it for six months, removing it without charge if you do not like it.

During the trial period, you pay for the service as registered by your meter, plus a monthly charge of \$1 for the range. If you decide to keep the range, your monthly payments will be applied toward the purchase price. If you decide that you do not want it, the range will be removed at our expense.

We want you to discover in how many ways electric cooking is better. We know that it is NOT EXPENSIVE—we want you to prove it for yourself from your electric bills. All you have to do is to ask us to put a range in your kitchen—we do the rest.

Applications for ranges on trial installations will be taken care of in the order they are received. Call any Detroit Edison office.

- Enjoy These Advantages of Electric Cooking!
- **CLEAN.** Electric heat is as clean as sunlight. There is no smoke or soot to soil kitchen walls and curtains. Cooking utensils remain bright and shiny after long use.
 - **HEALTHFUL.** Electric cooking seals in nourishing juices and natural elements in meats and vegetables. Important food values are retained.
 - **WATERLESS COOKING.** With your electric range you use no water for meats and only half-cup for vegetables.
 - **MODERN.** In attractive and striking designs, these electric ranges do much to brighten and add a feeling of newness to your entire kitchen.
 - **FULL FLAVORED.** Electric cooking has a deliciously different flavor—a natural flavor in foods. Meats and vegetables cook to melting tenderness in their own juices.
 - **INEXPENSIVE.** Electric cooking costs less than a cent a meal per person.
 - **SAFE.** An electric range supplies only pure heat from a glowing wire—there is no flame, no matches, no fumes.

CHRISTIAN SCIENCE CHURCHES

"Sacrament" was the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, January 14. Among the Bible citations was this passage (Matt. 3:11) "I indeed baptize you with water unto repentance; but he that cometh after me is mightier than I, whose shoes I am not worthy to bear; he shall baptize you with the Holy Ghost, and with fire." Correlative passages read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, included the following (p. 241): "We should strive to reach the Horeb height where God is revealed; and the corner-stone of all spiritual building is purity. The baptism of Spirit, washing the body of all the impurities of flesh, signifies that the pure in heart see God and are approaching spiritual life and its demonstration."

Lax the Bladder With Juniper Oil, Buchu, Etc.

Drive out the impurities and excess acids that cause irritation, burning and frequent desire. Juniper oil is pleasant to take in the form of BUKETS, the bladder laxative, also containing Buchu leaves, etc. Works on the bladder similar to castor oil on the bowels. Get a 25c box from any drug store. After four days, if not relieved of "getting up nights" go back and get your money. If you are bothered with backache, leg pains, caused from bladder disorders you are bound to feel better after this cleansing and you get your regular sleep. Beyer Pharmacy, Plymouth, and R.
