## Stockholders Of Mayflower Are Banquet Guests

### State Hotel Assn. Official Lauds This City For Building Hotel

### Attorney Paul W. Voor- hies Recommends As Aid To Hotel Reduction In High Tax Rate

Stockholders of the Mayflower Hotel and their guests were entertained at a banquet in the main dining room of the hotel last Friday evening. The banquet was one of a community get-together and one for the stockholders to become better acquainted with the officers and management of the hotel. The Crystal dining room was packed and a fine program was provided by President Fred D. Schrader and Manager Clair Maben for the guests. Ralph T. Lee, vice president of the Michigan Hotel Association and president of the greater Detroit Hotel Association, was the guest speaker of the evening and he brought greetings from the hotels of Michigan to the stockholders and officers of the Mayflower and complimented them on the fine record they were making as a community hotel. He stated that the hotel association in Michigan had watched the progress of the Mayflower under its present management for some time and that it was their impression that there was no other hotel in Michigan at the moment.

President Fred Schrader welcomed the stockholders to the gathering with a few brief remarks and introduced Hon. Paul W. Voorhies as toastmaster. In his closing remarks Mr. Voorhies stated that the taxes on the hotel Mayflower were the same per room as the taxes were on rooms at the Hotel Platte in Detroit, one of Detroit's finest hotels. He stated that he did not believe this fair and that Plymouth citizens should rise to the occasion and create their monument of community endeavor removed forever from the tax rolls of the city. He said that if the hotel could not be taken from the tax rolls and the taxes on it could be reduced enough so that under present conditions the hotel could show a profit for its stockholders.

Mayor Freeman Hover in a short address brought greetings from the citizens of Plymouth to the hotel and commemorated the stockholders on the fine memorial they have erected for the future and stated that with the same cooperation today that was given at the time the hotel was built there was no reason why it could not be a profitable venture.

Rev. Frank Lefevre gave the invocation that opened the banquet. Carl Soby, well known soloist from the Wayne county churches, sang a hymn in response to the invocation and the meeting ended with a few remarks from the hotel manager, Clair Maben. Mr. Maben requested all the stockholders to come to the hotel frequently to see their quarters and to make themselves better acquainted with the management. He asked for suggestions and criticisms and stated that the hope was that the banquets could be held more often for the benefit of the stockholders and the hotel.

## D.A.R. Members Hear Harry Heffner Talk About Lincoln's Life

The February meeting of the Sarah Ann Cochran Chapter of the Daughters of the American Revolution, concerning the thirtieth of the month seemed a very fitting time to rehearse the interesting facts of Abraham Lincoln's life. The program of "Lincoln Lore" was in charge of Mrs. Royal B. Larkins of Northville, who in turn introduced Harry Heffner of Detroit. Mr. Heffner at once revealed his very great admiration and love for this great man of our country whom he placed second only to the "Man of Galilee." Abraham Lincoln's life was taken up when Mrs. Heffner related the story through his struggles and glories to the tragic ending after the Civil War. Several little stories were told also depicting the human side of Lincoln and his humor.

## Girl Slips On Ice Under Car, Not Hurt

When Charles Thorne backed his automobile out of the driveway at his home last Friday his little daughter ran out into the yard, slipped on the ice and fell under the front wheel of the car. The little girl was immediately carried into her home and her mother called a thorough examination showed that the girl had not been injured in the slightest by the mishap, something that doesn't happen once in a thousand times.

## Will Celebrate 41st Birthday

### Woman's Club To Ob- serve Anniversary Of Its Organization

On Friday, March 2nd, the Woman's club will celebrate the forty-first anniversary of the founding of the club with their annual birthday party. This is also "Drama Day" and the committee, Mrs. Myron Hughes, chairman, and Mesdames George Robinson, Frank Johnson, Roy Mitchell, Harold Stevens, and Carmen Root have prepared a fine program. There will be a talk on "The Early Days of the Club" by one of the early presidents of the club, Mrs. Elmer Chaffee, special music and a play in which the parts will be taken by Mrs. Ada Murray, Mrs. Winkler, Mrs. R. H. Beck, and Mrs. J. H. Johnson. Mrs. Frank Burrows will direct the play. The party will end with a tea, at which a beautiful birthday cake will be served.

## Fires Damage Two Homes—How One Is Started Is Mystery

A fire that caused considerable damage to the home of Mr. and Mrs. Melvin Guthrie, who reside one and a half miles west of the city, started last night was started from some unknown source on the outside of the home. Mr. Guthrie had been making several improvements on his home and among them was some new cement work on the front. He had covered this over with alfalfa hay and then a heavy canvas over the alfalfa. A cigarette stub that had been thrown from an automobile and blown into the hay or from some other source, started the fire. The fire had made considerable progress on the outside of the house when discovered, but fortunately the home was not entirely destroyed. It was partly insured.

## Mrs. Woodbury Gives Interesting Talk To Furnishings Class

The Home Furnishings class met in the lunch room at the school Monday, February 19th. Mrs. Bruce Woodbury, one of the leaders, gave a very interesting lecture on period furniture, explaining the three periods of furniture and the character of each period. She was very well illustrated on the black board and was a very interesting as well as educational lecture. Mrs. C. W. Ferguson, also a leader, gave a lecture on refinishing and painting and how to remove old paint and varnish and how to refinish furniture after all were removed. She also gave some very fine remarks on the character of the floor wax and other information which was of value to the ladies attending. The course is proving very interesting as well as educational and each meeting brings many new visitors who are heartily welcomed. The next meeting will be March 12th at the school house and the leaders extend an invitation to all ladies who wish to be present.

## Drunk Driving Takes Big Jump In State In First Month of Year

Drunk driving increased 45 per cent during January, 1934 as compared with January, 1933, according to records of the Department of State. The information is from a report prepared through the financial responsibility and the motor vehicle operators' license laws. In January of this year there were 250 persons who either pleaded guilty or were found guilty of drunk driving of 52 more than in January of the year previous. Since the financial responsibility law became effective last Oct. 17, a total of 659 motorists have been found guilty of some major traffic violation and have come under the provisions of the act. Of this number but 49 have been able to show proper proof of financial responsibility as demanded by the law.

## Boy Scouts Out To Make Good Roosevelt Plan

### To Collect Old Furniture, Dishes And Clothing For The Needy

### House To House Canvas Is Being Made For A Listing Of Articles That Can Be Collected

Plymouth Boy Scouts who have joined the nation-wide movement urged by President Roosevelt to do a "good turn" will Saturday make their first collection of supplies in Plymouth. If you have old furniture, dishes that are standing in your way, clothing, or any article that can be used, let some Boy Scout know about it and he will call at your home Saturday, February 24 or Saturday, March 3 and get it. The boys are now making a house to house canvas to list the articles that can be secured. Trucks will go out early Saturday morning.

There will be a meeting of Scout leaders this evening to decide where the material shall be stored pending its distribution to those needing it. The various charity organizations will have the active cooperation of the Scouts in the distribution of the goods. Plymouth has been divided into three districts. Plymouth troop 3 has the north side of the city under the direction of Scoutmaster Ferris Mathias. The canvas of the west side is under the direction of Troops one and four. Sidney Strong is scoutmaster of Troop 1 and Allen Strong of Troop 4. The east side of Plymouth is under Plymouth troop 2 and John Jacobs is master of this troop.

Even if the furniture might be broken, it is urged that you let the boys have it as it will be taken to the training department of the Wayne County Training School or the Plymouth public schools where students will put it in first class condition. Sidney Strong, Lynn Felton, Perry Cookingham, George Smith, Cass Hough and E. R. Eaton are the committee members for Plymouth.

Charles Murphy of Northville is general chairman of the campaign for this portion of Wayne county. E. L. Mills has been named as chairman of the campaign. Members of the Northville committee are Ray Richardson, Orlo Owen, Percy Angove, Charles Schoultz and Harry Bolton.

## Plymouth Girls Aid In College Exhibit

More than 150 Wooster College students will assist with the annual All Science Open House to be held at Wooster Feb. 23 and 24. Reservations from high school students and teachers and all visitors from this city and community indicate that close to 2,500 will see the exhibitions and experiments in Wooster's four science departments—biology, chemistry, geology and physics. Wooster students helping with the exhibit will include Misses Christine and Elizabeth Nichol, daughters of Rev. and Mrs. Waller Nichol, 178 S. Main street, Plymouth.

## Members of Woman's Club Plan Visit To Wayne Club Today

The regular meeting of the Woman's Club of Plymouth was held in the Coffee Shop of the Hotel Mayflower, Friday, February 16. Following a short business meeting conducted by the President Mrs. Ray Johns, the meeting was turned over to Mrs. William Pettigall, a most capable and gracious chairman. The program was opened by two beautifully rendered selections sung by the high school girls' sextet.

Miss Edna Allen who in a very pleasing, thorough and efficient way gave an excellent book-review by R. A. Overstreet's most interesting book "We Move in New Directions." Overstreet says, "There's a hard wind blowing today, which helps if you're going in the right direction."

## Question Raised As To Date of Coldest Day Ever Known Here

Was February 9, 1874 the coldest day Plymouth ever had when the mercury was officially registered 32 degrees below zero as claimed by M. L. Kenyon in a recent statement in The Plymouth Mail when the mercury went 33 below?

The question pertaining to the date of the coldest day Plymouth residents ever experienced has been raised by J. P. Root, pioneer resident of this locality. Mr. Root has brought to The Mail office the official meteorological observations that were kept at that time by the state board of agriculture in which it shows that on January 22, 1874, the thermometer on record up to that time. The thermometer reading showed 32 degrees below zero at 7 o'clock in the morning on that date and that at no time during the day did the mercury go above zero. At 6 o'clock in the afternoon it was down to 15 below again. Mr. Kenyon claims that on January 23, 1874, two years previous to this date, the mercury 33 degrees below zero. He states that because he recalls the date distinctly because it was the wedding date of his sister, who still resides in Highland Park, twice during February in 1875 the mercury dropped to low points. On February 7 it was 28 degrees below zero and on February 18 it went to 18 below. These are official records that Mr. Root has kept since that time. The 8 degrees below zero in Plymouth on Tuesday morning of this week is no much after a group of when compared with the records of some 60 years or more ago.

## THE DANGER

I read that the late disorders in France were occasioned by the taxes that the French people have to pay. That reminds me that I have had several arguments of late with friends on the subject of the states sales tax as a permanent source of taxation. I maintain that it is loaded with dynamite that surely will explode some day. History teaches us that when the bread of the poor is taxed trouble follows. When a condition is brought about whereby the lowest citizen of this state pays as much tax on his food as Henry Ford does, it's time to sit up and take notice of what is going on. This is said in no way to cast reflection on Mr. Ford—he's not to blame. These "penny taxes" are so easy to collect that they are a tempting source to the tax hungry legislator. As an emergency measure the sales tax should be put up with while the emergency lasts but as a permanent thing it should be fought to the limit. —Thomas Conlin in The Crystal Falls Diamond Drill.

## Join One Of These Classes Today!

### Improve Your Hobby At CWA Expense—Who May Enroll

Are you interested in Art? You may have the opportunity to develop your hobby at the CWA School project. We have been very fortunate in securing a good art teacher, Mrs. Bertha Johnson formerly connected with Allston College and Pleasant Normal who will be at the Neurus school every Saturday afternoon from one to four. There is no charge for the instructions except for material you use. In order to keep this class going we must have ten or more students. If you are interested you are urged to come to the school Saturday at 1 p. m. No previous enrollment is necessary. This class is open to all adults over fourteen years of age who are not attending day school. A landscape gardening course is being conducted at the Patchen school under the instruction of Francis D. Parks of Dearborn every Monday evening from 7 to 10. This course is open to anyone interested.

A sewing class is being organized at the Patchen school February 22 and 23 and at Parkview school Thursday, February 22 at 1 p. m. All interested are invited to enroll. The singing class has been organized to meet every Thursday night at 7 o'clock at the Dearborn school under the instruction of Miss Hanna Strasen of Plymouth. It is hoped that a community chorus can be established as you are cordially invited to join this chorus. It gets some real pleasure out of it. All of these projects are being conducted under the CWA for the advancement of adult education and if enough enthusiasm is shown over these classes it might turn out to be a permanent project. Also any other subjects that you are interested in could be arranged for through the C.W.S. If ten or more people desire support it. Your presence will help to make these classes more interesting.

## William Ely Made President Of New Northville GOP Club

Northville Republicans at an enthusiastic meeting held Monday night at the home of Ray Richardson organized a Northville Township Republican Club with William Ely as president. Charles Blackburn was elected secretary, Ray Richardson treasurer and Elmer Smith was made chairman of the executive committee. Ely was elected president by a vote of 10 to 2. He is a well known business man and has been active in party affairs. Each one pledged himself to bring in additional members before the next meeting.

## Bowlers Guests Of Kiwanians Wednesday Eve.

### Fine Program Is Arranged By The Program Committee

Plymouth Kiwanians were hosts to nearly 75 bowlers Wednesday evening at a banquet in the Crystal dining room of the Hotel Mayflower. The affair culminated the bowling league that had been sponsored by the club during the winter months in the Pennington Allen Theatre Bowling Alley. The program under the direction of bowling alley chairman Ernest J. Allison was an especially fine one and every bowler in attendance was pleased with the occasion.

The guests were welcomed by Dr. Luther Peck who in a brief address thanked them for the cooperation they had given the Kiwanis club during the last season and who stated that the net profits for the club from the alley were about \$450 to date.

James E. (Bingo) Brown former state boxing commissioner of Ypsilanti was the speaker of the evening. He confined his remarks to various incidents that had happened in the world of sport and brought to the bowlers a message that told the advantages of good sportsmanship and good citizenship.

## P. T. A. Members Are Visitors To Wayne Co. Training School

On Tuesday afternoon Feb. 20, the parents and teachers of the Central and Starkweather P.T.A. were entertained by the Wayne County Training School. Many of the parents visited the school in the early part of the afternoon. The work was found to be especially interesting. A splendid musical program was given at four by the children of the school. The program was presented by the parents and teachers of Plymouth. The hospitality shown by Dr. Haskell and his teachers of the Training School was greatly appreciated.

## Fellowship Club Plans A Father And Son Banquet Feb. 26

On Monday evening, February 26, the Fellowship club of the First Baptist church will have the opportunity of hearing F. B. Freeman, state secretary of the Y. M. C. A. deliver an address on a timely subject. The meeting is one of the regular monthly sessions of the club and everyone is invited. The affair will take on the form of a father and son banquet. Serving of supper will begin at 6:30 o'clock and Rev. Loyal Sutherland urges that everyone be present on time as it is the desire of the committee in charge to begin service promptly on the hour fixed. Special music has also been secured for the occasion.

## Better Business In Saginaw Is Report

Better business is being reported in all parts of the state. Plymouth residents who have had occasion to visit other cities have heard most encouraging reports. Saturday Mrs. Mark K. Hillmer received a letter from her son, Max L. Hillmer, who is general manager of the Saginaw Steering Gear Division of the General Motors company, in which he stated that the plant was rushed into production and that it was anticipated the extra work would continue for sometime. Other reports state that Saginaw has for a number of weeks been enjoying better business.

## Escapes Fine Because Of Judge's Kindness

Through the kindness of Judge Perry Richwine, Neil Gobel who was convicted early this week of a reckless driving charge, only had to pay the costs of the case. When Gobel was first taken to court he pleaded not guilty to the charge and demanded a trial. Following the appearances of four witnesses, the young man was found guilty. The arrest was made following a near serious accident when the city fire truck was returning to the city hall from a fire the other day. The truck was turning into the city hall drive in front of the first station and two of the firemen started to jump off from the back of the truck. Gobel was driving north on the street and was so close to the truck that he bumped Al Hacking, one of firemen. William Holmes, the other fireman, also narrowly escaped being hit. Chief Smith witnessed the accident and charged Gobel with reckless driving. Costs in the case amounted to \$6, which were paid by him. He fortunately escaped the more serious penalty provided by state law because of the kindly action of Judge Richwine who took into consideration present unemployment conditions.

## Cars Crash In Snow Storm, Occupants In One Machine Are Hurt

Caught in the blinding snow storm that prevailed Sunday night, three well known women on the way home from Ypsilanti had a narrow escape from serious injury when another car skidded and crashed into their machine. Miss Rose Hawthorne was driving in one car and with her was Miss Alice Safford and Miss Bessie Sutherland, all of Plymouth. The other car, driven by Alex Fraser of Detroit who was accompanied by Mrs. Fraser was more seriously damaged than was Miss Hawthorne's machine. Both Mrs. Fraser and her slighter, Mr. and Mrs. Fraser were slightly injured and were taken to Bever Memorial hospital in Ypsilanti where their injuries were treated before being taken to their home in Detroit. Miss Hawthorne was somewhat bruised in the crash. No one can tell how the accident happened, the blinding snowstorm making impossible vision only a few feet ahead of the cars.

## Manager Lush Books "Jack And Bean Stalk" For Sunday, Monday

Manager Harry Lush of the Pennington-Allen theatre has booked for showing Sunday and Monday nights, "Jack and the Bean Stalk," one of the most entertaining short reels ever produced. This remarkable picture all in colors, will be shown in addition to the regular picture program. Wherever it has been shown, it has created most favorable comment.

## Officials Not Able To Provide CWA Jobs Soon

### Curtailment Of Projects Forces Lay Off Of Many In Plymouth

Without additional CWA projects are provided for Plymouth within the next few days, all of Plymouth's CWA workers will be laid off. There are over thirty off at the present time. Plymouth's quota at the present time is 102 men but there is not sufficient work for them to do. City Manager Perry Cookingham stated yesterday that those who are left on the CWA rolls are completing the Theodore street sanitary sewer and the Tonquish creek storm sewer. Because of the similarity of names many confuse this creek with the Tonquish creek open sewer for which there has been no allotment for improvement.

## Grant Half Year Auto Licenses

### Stickers Will Go On Sale Today At Plymouth Branch Office

According to instructions received by Berg D. Moore, manager of the Plymouth branch office secretary of state, half year permit stickers will be placed on sale beginning today, Friday, February 23rd on the same basis as last year. On passenger and commercial vehicles, a permit is issued in the form of a sticker to be placed on the inside lower right hand corner of the windshield. On new cars and cars without Michigan 1933 registration, in addition to the permit, 1934 plates will be issued. The public is asked to not confuse the regular application blanks for 1934 license plates with the special application blanks furnished for the half year permits.

## Many Present At Chapter Session

### Eastern Star Members Honor Former Officers Of The Lodge

In spite of the cold and bitter weather there were many out to attend the special meeting on Tuesday evening, February 20 of the Eastern Star. The chapter was opened in long order by the Worthy Matrons and Patrons were escorted to the East and introduced and then invited to exemplify the work for the evening. The march was played while Past Matrons and Patrons took their respective stations. After this impressive ceremony was completed the local officers resumed their stations and the Chapter was closed.

## Cars Crash In Snow Storm, Occupants In One Machine Are Hurt

Members were happy to have Past Matrons and Patrons taking such a splendid interest in the chapter again and are greatly indebted to them for the inspiring meeting which brought out some of the old members. Past Matrons and Patrons taking part in the work were Sisters Maude Schrader, Clella Smith, Ada Murray, Flora Rathburn, Alvina Chumble, Clara Alexander, Lucille Buzzard, Clella Motes and Alta Woodworth, Brothers Karl Hillmer and George A. Smith. Sister Carrie Hillmer assumed the Chaplain's station.

## Now 93 Years Of Age And In Perfect Health

Ninety-three years old and just as hearty and happy as he was fifty years ago—that is what Arthur Stevens of North Harvey street says following the celebration of his 93th birthday last Friday. Mrs. Stevens was spent quietly at his home with a few old friends in to congratulate him on the occasion. Both Mr. and Mrs. Stevens who have spent their lives in this locality are in the best of health.

## CWA Cut Forces Reduction For County Workers

### New Ruling Holds Up The Library Question For The Present

### Commission Hopes Later To Secure Funds For The Erection Of Lib- rary In Plymouth

The most important work of the Wayne County CWA commission Wednesday, February 21, was its approval of the quotas to be allowed on county projects from now until May 1. Since Federal allocations from Harry Hopkins has ordered a drastic cut in jobs in Michigan, the Wayne county quota effective February 23 is 40,750, a reduction of 7,000 men.

The Wayne county commission members, James Fitzgerald, Siedenburg and Mrs. Ruth Whipple regret this cut tremendously but they are compelled to obey orders from Washington. Detroit gets the percentage of the county quota or 33,024 jobs, the rest of the county area gets 14 percent of the quota or 7,717 jobs divided into 8,000 jobs for out-county Friday and Saturday, and 5,990 for general county jobs.

The strictly county quota is divided as follows: county roads, 1500 people; county drains, 1000 people; county auditors, 800 people; assessments survey, 500 people; rural school, 165 people; port project, 75 people; administration and clerical, 1850 people.

The allotment of these quotas is of various political units in the county is made on the basis of population and the number of welfare cases. The county commission did not approve any projects, because the information from Washington relative to the material allowance was very incomplete. However, the commission did approve the immediate purchase of various material, to the amount of \$80,000.00 for Detroit, and \$200,000 for out-county. This is a real boon to those Plymouth projects which are now under construction. The rest of the material has not been granted, some of our Plymouth men would have been laid off at once.

Plymouth merchants will be permitted to inventory until February 19. Wayne county has had a total of 1338 vouchers for material actually paid, or a total of \$238,000.00. This is only one-fifth of the total material commitments, but the rest of the material is being paid for at the rate of 57 vouchers per day. Wayne County and Michigan have been two months behind in payments for CWA material because Michigan was one of three states whose federal forms for materials were held back until January 15. It is understood that Illinois, and Pennsylvania have received their pay checks for material from the very beginning. However, the federal government has not done its part, because some cities in Wayne county have had their bills in such a bad condition that their vendors could not have been paid before now. Michigan federal forms had been in the hands of the federal government for some time.

Plymouth citizens will be sorry to learn that the Wayne county CWA commission voted two to one to remove the Wayne County library building project from the quota lists. Commissioners Fitzgerald and Siedenburg voted to eliminate the library building project. Commissioner Whipple voted for the library building project. The discouraging outlook on the diminishing number of jobs and the small material allowance from now until May 1 (only 10 percent of the material allowance) and Fitzgerald thought that the library quota of 150 men should be put to work at once on another project. It is the belief and hope of Commissioner Whipple that when better information comes through against further cuts in our quota, and if there is an increase in the 10 percent allowed on materials, the Wayne county library building project may still be approved. As a step toward this end, the Wayne county commission has petitioned Gov. C. M. Stewart and the state legislature now in session to contribute its share toward the financial burden of CWA by granting a sum matching the federal allotment for material. In view of the federal allotment cut on material from 35 percent to 10 percent, this aid from the state legislature is our best hope for the Wayne County library building project. The Wayne county library building project of remodeling the city hall and building the much-needed addition to our high school.

When Mr. Ford cut his working hours and when he raised his pay, so-called "business leaders" said he would ruin industry.

What about it now? Does not almost the entire success of the Roosevelt recovery program depend on the very thing that Mr. Ford did two decades ago and for which he was assailed?

Yes, we wonder if Mr. Ford had become president at the time he was being asked for this important post and which many of the insipid politicians of the day fought so frantically, if he would have been carried down to the very bottom of economic disaster.

There is but one answer—and that answer is—If Mr. Ford had been made president of the United States twenty years ago, and had been permitted to run the affairs of the nation in the same way he conducts his business we would today be the happiest and most prosperous nation in the history of the world.

**CONGRATULATIONS**

Plymouth's Rotary club is just like every other Rotary club in the world. It is a sort of slow going and self satisfied group but nevertheless a very worthy organization. It was something like six months ago when local Rotarians elevated to the presidency of its group its youngest member, Cass Hough. Well, for six months this youngster has been making the bones of old Rotary rattles. He has made Rotary worthwhile besides injecting pep into its meetings. He has had more 100 percent sessions than have been held in any one other year and he has kept the various groups of the club busy every minute. The climax of his youthful energy came last Friday noon when some one hundred Rotarians attended the meeting held at the Mayflower and heard one of the best talks delivered before the club in years. Rotary records show that it was the largest meeting Rotary has ever held in Plymouth. His year is but a little over half over and if the first six months are any indication of what the next six months will be, local Rotarians will be ready for the rest-cure when summer arrives. At any rate the youthful Rotary president is doing a wonderful job as chief executive of Plymouth Rotary and he is entitled to sincere congratulations for the fine work he is doing. It all reflects credit directly back on the community as a whole.

**THE BUNK**

When Governor Comstock talks about wanting to do something for the working people of Michigan, the man out of a job and who is in distress, we wonder if his excellency really knows what the rank and file of the working people of Michigan think about his assertions? Apparently not, because on his frequent reiteration of them. The Governor had his chance to do something for the poor people of Michigan when he was given the opportunity to sign a bill which would do away with the robbery interest charges forced upon the poor people by small loan outfits. When he put his veto to that measure the Governor told the poor people of Michigan that he cared nothing for them or their troubles. He told them that his greatest interest was with the greedy, grasping and heartless finance corporations that take the very life blood out of the unfortunate. Now this same Governor during the past few weeks has been trying to make people believe that he is really interested in their welfare; that he wants to create jobs for them. What a lot of bunk! To the man up the street and out of a job the Governor is a perfect impersonation of hypocrisy.

In fact the department secured many of its ideas from Mr. Ford.

Mr. Ford was always bitterly opposed to the manipulations of Wall street. Would we have gone through the debacle that has brought ruin to so many hundreds of thousands of business men? Of course not. The present administration is trying to do what it can to undo the damage that Mr. Ford saw coming twenty years ago.

Silly patriots laughed at Mr. Ford's efforts to maintain peace at the time this country sent its youth to Europe to be slaughtered so that munition makers might become richer. They said he wasn't patriotic for opposing our part in that war.

But hasn't time proven that he was right, and that if he could have ended the war that the grafters and the money grabbers were making much of our misery would have been spared?

If a writer steals an idea from some other writer he is accused of plagiarism.

We wonder what they call it in politics? Isn't the whole NRA scheme of shorter working days and higher pay and fair dealing the very thing that Mr. Ford introduced into business years back?

**Rambling Around With Michigan Editors**

**A STINGER**

It used to be that the admirers of Congressman Dendero were content in saying that he was well versed on the subject of Abraham Lincoln. Now they say he embodies many of the traits of the great Emancipator. Next year if the Republicans have their way, he'll be splitting rails on the White House lawn. That's evolution!—George Jawn in The Orion Review.

**THEY CAN'T TAKE IT!**

With unprecedented dictatorial powers, and in the habit of passing orders and having everybody acclaim the moves, when justified adverse criticism came as did from Col. Charles Lind-

bergs on the wholesale cancellation of the air contracts the government just couldn't take it. We were sorry to see the government take this drastic action relative to air contracts, and we are sorry to see the government take the attitude that the people have no right to question what is done. This government is not a dictatorship, even if it is pretty close to being one, and the attitude that any criticism which may be made should be "cracked down on" is in our opinion all wrong. Never before have the resources of the country been converted into the building of such a ponderous political machine as right now. It may prove successful, but we believe that this "cracking down" and "dead cat" stuff is about over with, and will of necessity have to be exercised with extreme caution!

The accusation that Col. Lindbergh wired the government officers for publicity is cheap drivel. Nobody ever caught Lindbergh seeking publicity! On the contrary, he shuns it. — Frank Bryce in The Grand Ledger Independent.

**HOW TRUE**

It is humiliating and out of all reason, but nevertheless we must warn our readers not to hold onto any gold coins or gold certificates any longer. You are making a criminal of yourself if you do hold onto the gold or certificates. How fast conditions have changed, and how we have jumped from one extreme to the other. A year ago the person that had a gold coin or a gold certificate in his pocket was classed a gentleman, and the man who had a bottle of whiskey in his pocket was classed a criminal.

Due to the many requests from our customers we are repeating our exceptional fountain special this week end, February 23rd, 24th and 25th.

**THE COST OF GOVERNMENT IN THE NORTH-EASTERN COUNTIES**

The cost of government must be reduced. The people demand it, and when the people make a demand strong enough, it must be granted under our form of government.

The cost of government has been running in the past through the policies of the political party in power.

At Washington on the policy of spending in the maintenance of our government is an example of the balance of the government subdivisions down to the counties and townships. During the past and at present, the cost of government at Washington is not run on a business basis or in keeping with our national income.

Again, for comparison with good business methods, let us consider the cost of government of our own state of Michigan—at present, as well as in the past. At Lansing we have two departments with practically identical functions, the state treasury and the auditor general's department, each costing the taxpayers in the neighborhood of \$100,000.00 annually. Why not combine these departments and save one-half the present cost? Let us enumerate the different tax collection agencies now operating in the state—state and county. State administration, liquor commission, liquor division of the liquor commission and inspection departments, all making checks or inspections for these departments. Again, we ask why not combine all of these departments under one head—state tax administration, and save plenty of the taxpayers money.

There is one more thing we have heard lately from southern Michigan legislators and newspapers—"consolidate northern Michigan counties and townships, thereby saving the state money for the taxpayers." Let us analyze the picture and see how the northern and southern sections compare. It is common knowledge that many of the southern counties are verging bankruptcy caused by lavish expenditures on the part of the politicians who have been handling governmental affairs during the past 25 years. On the other hand, we know of no northern county where their bonded indebtedness is beyond the ability of the taxpayers to pay. In fact, the state bonds still have a market, where many southern county bonds have no market.

Now, remember this economy bunk of "consolidate the northern counties and townships" is coming from the southern counties. We call it merely a subterfuge on their part. On the other hand, we would suggest a law that would make it compulsory for the official family of some southern counties to come north and admit to a school of instruction on economy in county government.

We have heard other subterfuge arguments—like the northern counties are receiving state subsidies that are discriminating. All counties receive primary money on a per capita basis and the weight and gas taxes are distributed on an equitable basis considering the state as a whole. Where do the subsidies come in? Sportsmen pay hunting license fees. These fees are expended on the improvement and maintenance of public hunting grounds in the northern counties where there is available and suitable lands for public hunting and recreation. We hope this is not classed as a state subsidy.

No, southern legislators and newspapermen talk common sense in government economy, because when economy is needed—in state government or perhaps the southern counties.

We need a big man at the head of our state, and fewer and better men in our state legislature for real genuine government economy down to the smallest county.

We need a man for Governor, and men for legislators with plenty of lime in their backbones. We would suggest that Alex Groesbeck may be "the man of the hour" to lead us out of the wilderness. Write A. C. Grandall in Ogemaw County Herald, West Branch.

Mr. and Mrs. Will Chambers of Wayne entertained Mr. and Mrs. C. V. Chambers at a six o'clock dinner last week Thursday in honor of the former's father James E. Chambers' birthday.

A most enjoyable time was had at the I. O. O. F. hall, Wednesday evening, the 14th when the Get-Together club members and friends met for a good old fashioned dance, there was much said about having one a little more often. The next evening's entertainment will be with Mrs. Rosa Reiner on Arthur St. the first day of March an evening of cards and supper as usual.

The Roosevelt Democratic Club will hold its next meeting Monday evening at the Mayflower Hotel at 8:00 p. m. Speakers from State and County offices will be present to address the members. It is proposed to amend the by-laws relative to the submission of resolutions at this meeting. These meetings are open to the public and topics of public interest are discussed.

A delightful Valentine party was held last Thursday evening, February 15, at the home of Mr. and Mrs. Ernest Schockow on the Northville road for the Crusader Sunday school class of the Salem Congregational church. The decorations were in keeping with the occasion with red and white streamers and red hearts predominating in the decorative plan. Several games were played after which a delicious buffet luncheon was provided. All present had a very pleasant time.

# Rotary Session Is Largest One

## Plymouth Is Host To Over 100 Visitors Last Friday Noon

The largest inter-city meeting of Rotarians ever held in Plymouth took place last Friday noon at the Mayflower hotel when over 100 members of the organization from Plymouth, Northville, Dearborn, Spiceland, Detroit, Howell and Amherstburg, Ontario were present to enjoy an interesting address as ever made before the club. The speaker was Rev. M. S. Rice, pastor of the Metropolitan M. E. church of Detroit.

When announced that Rev. Rice would be present and deliver an address upon a subject of interest to every Rotarian, President Cass Hough immediately set forth to make the meeting into an inter-city one with the result that it proved to be the largest and most enthusiastic Rotary session since the beginning of the club in Plymouth.

A number of Plymouth Rotarians were present a few weeks ago when the charter was presented to the new Rotary club at Amherstburg and President Cass Hough thought Friday's meeting would be an excellent time to have the new Rotarians as guests of the Plymouth club. A number of them were present and expressed themselves as highly pleased over their first visit to Plymouth.

The Plymouth Kiwanis club members were also invited and were present to take part in the meeting.

Harry Robinson, a charter member of the Plymouth Rotary club and an old personal friend of Dr. Rice, was delegated the honor to introduce the speaker. Mr. Robinson and the Detroit minister are members of the Old Detroit Newsday's Association and each year they sell papers on the streets of Detroit to raise funds for Christmas charity.

The talk, one devoted entirely to the necessity of developing a high type of clean and patriotic citizenship — of the fact that possibly some of the things now being done may not work out for the best, but that it was altogether too short to satisfy the large crowd. Dr. Rice urged a patriotism that meant something and ideals that really were American ideals.

Everyday brings you nearer to everlasting sorrow or everlasting joy. You might die any moment, and you are as near to heaven or hell as you are to death. What will you spend Eternity. Be not deceived; God is not mocked; for whatsoever a man soweth, that shall he also reap. For he that soweth to the flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting. Gal. 6:7-9

You are being born for Eternity, a creature that will never go out of existence. Millions of ages, as numerous as the sands upon the shore and the drops of the ocean and the leaves of all the forest on the globe will not shorten the duration of your being. Eternity vast Eternity, incomprehensible Eternity is before you!

Everyday brings you nearer to everlasting sorrow or everlasting joy. You might die any moment, and you are as near to heaven or hell as you are to death. What will you spend Eternity. Communion service in English on Sunday, February 28. English Lenten services each Wednesday evening at 7:30 p. m. Welcome.

**CHRISTIAN SCIENCE CHURCHES**  
"Soul" was the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, February 18.

Among the Bible citations was this passage (Ps. 84:2): "My soul longeth year, even faintly, for the courts of the Lord; my heart and my flesh crieth out for the living God."

Correlative passages read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy included the following (p. 335): "Because Soul is immortal it does not exist in mortality. Soul must be incorporeal to be Spirit, for Spirit is not finite. Only by losing the false sense of Soul can we gain the eternal unfolding of Life as immortality brought to light."

**ST. PETER'S EV. LUTHERAN CHURCH**  
Edgar Hocke, Pastor  
The Regular English Service will be held Sunday at 10:30 a. m. Sermon subject: "HELPER IN ALL TROUBLE" — Matthew 15:21-28.

**THE MID-WEEK LENTEN VESPER SERVICE** next Wednesday evening at 7:30 will bring the second in the series of sermons on the topic: "O JESUS, KING MOST WONDERFUL." The special subject for Wednesday is: "OUR KING BETRAYED."

Last Wednesday's service was well attended. And why should it not be well attended indeed? We are celebrating the Death of our Saviour for our soul's salvation. What could be of more vital concern to the individual than that? In every situation of life

we may learn to get along without a Savior and without His Help. HOWEVER, when the chill, withering hand of Death has laid hold upon our terrorized soul, we will have to go through that last experience alone.

ALONE we will be laid into our coffin and grave; we unto us, if we than have made no friend of the Friend of Sinners who now invites us to come to Him;—we unto us, if this loneliness through our own neglect and indifference grows into the loneliness of ETERNITY, the God-forsakenness of Hell. NOW is the acceptable time, come to Him and hear the words which belong to your eternal peace.

A Father and Son banquet will be held at the church on the first day of March, a Thursday. The Ladies' Mission Society, together with the Happy Helpers of our church have packed and shipped a large box of good clothing to the children of the Apache Indian Mission Orphanage in Arizona. May God requite you abundantly for all your good efforts in behalf of the least of these which believe on Him.

Do not forget your mite boxes during Lent.

## Perrinsville Church Holds An Interesting Program, February 2

MARY JANE JOHNSON

Friday evening, February 2, members of the Perrinsville Methodist church presented a most interesting program at the home of Mr. and Mrs. Leslie Curtis. A number of well known Detroit radio stars having been engaged to take part on the program. Among the stars was little Miss Jane Johnson, a four year old entertainer who is bound to delight any crowd. In addition to the radio entertainers there was presented two one act plays by residents of Perrinsville. The event creating much interest and a large crowd was present.

**THE CHURCH OF THE OPEN DOOR**  
(Independent Baptist)  
"In days gone by, you will remember, oil lamps were used on the coaches of the train and during the night the conductor would use the lamp in the darkness of the midnight train. The conductor's lamp is seen glittering from carriage to carriage, does he hold it to your face to leave you in the dark, or to be satisfied of your right to proceed? No! he lets its light fall on the ticket which you hold out to him, and if that is right, you are right, no matter who you are—rich or poor, ruler of noble. So Christ, and Christ alone, is OUR PASSPORT to glory. Never can we say, 'Lord, look upon me, for I am holy—never; but look upon Christ, who is my passport. Unworthy? Most assuredly you are. And if you live to be outwardly the very saint, you will be unworthy still. Good has been chosen to save you. It is not a question of what you deserve, but what Christ deserves. It makes all the difference when, instead of putting our own value upon the work of Christ, and accepting it merely as meeting our need, we learn God's estimate of that work."

The Sunday services are to be held as usual at 10 a. m. and 7:30 p. m. At the evening service the pastor will continue his series of messages in the life of Joseph.

On Wednesday evening, February 28th we will again assemble at the church for our Church Family Night. A roll call is to be taken and the pastor expects all of the members to be present. There will be a time of general discussion, and also reports of the activities in the service of the Lord. A surprise questionaire is also expected to lend interest and stimulate enthusiasm for the future soul-winning activities.

Harold Schmidt Home For Brief Visit From CCC Camp At Harrison

Harold Schmidt, one of the Plymouth CCC boys who is located at the camp near Harrison, was a visitor home over the week-end. Since going into the north to work on the forestry work of the government, he has become enthusiastic over the work the government is doing. He declared that all of the boys are now quite content to remain in the north until conditions get better. "We have good food, good clothing and are provided a good place to sleep. Sometimes it gets mighty hot up there, but we do not mind it. Not only do the boys from Plymouth, but the boys from Detroit and all the other places who are in our camp thoroughly enjoy the Plymouth Mail each week. A lot of fellows read it and they do not even know a person in Plymouth, but they like it just the same. We have a few fellows in the camp who like to fish and they will go over to some of the nearby lakes when they are not working and fish through the ice. Sometimes they have pretty good luck," stated Harold.

Mr. and Mrs. Warren Brown, two sons and daughter of Detroit were visitors Sunday at the home of their uncle and aunt, Mr. and Mrs. William Glympe on Maple avenue.

Mr. and Mrs. E. M. Cutler and infant son Wilbert, returned to their home on Sheridan avenue following a week's visit at the home of her parents, Mr. and Mrs. J. G. Bayler of Ypsilanti. Jared David, the little son of Mr. and Mrs. Harold Joliffe, was operated upon Tuesday morning for a double mastoid at the University hospital, Ann Arbor, and is very ill. While changing batteries in a truck at the D.S.R. barns on Coolidge Highway, Detroit, Monday morning, Peter Munster, of this city had the misfortune to seriously burn his right eye with acid. He is in the Marine hospital at Wind Mill Point for treatment.

Mr. and Mrs. R. L. Hills entertained a few guests at a George Washington birthday card party and luncheon Saturday evening at their home on Blunk having as their guests Mr. and Mrs. C. J. Dykhouse, Dr. and Mrs. S. N. Thams and Mr. and Mrs. Paul Nutting. A series of three dancing parties will be given by the Mayflower Assemblies, formed last year, the first party having been given in the Masonic Temple on Thursday evening of this week. The other two to be held on the evening of March 15 and April 5. Mr. and Mrs. Austin Whipple and Oscar Huston were dinner guests Sunday of Mr. and Mrs. Elmer Huston in Birmingham. Later in the day Mr. and Mrs. William Wood and little Edson Austin Whipple joined them for supper. Mr. and Mrs. Floyd Burgett were guests of Mr. and Mrs. Chester Burgett in Detroit Sunday when they entertained a group of Detroit friends at a skating party at Island Lake where they own a cottage. Mr. and Mrs. J. R. McLeod and daughter, Irene, were dinner guests of their daughter, Mrs. Spencer Heene, and family at Farmington Sunday, the dinner being given in honor of Mrs. McLeod's birthday. Mrs. Ray Sallow, Mrs. Howard Eckles, Mrs. George Gorton and Mrs. William Micol entertained about forty ladies at luncheon and cards Thursday at the home of Mrs. Sallow on North Harvey street. Mr. and Mrs. William Secreska entertained the Sunday school teachers of the Lutheran church and their families at a chicken party Friday evening at their home on Warren Road.

## Proceedings of the City Commission

Plymouth, Michigan, February 5, 1934.

A regular meeting of the City Commission held in the City Hall on Monday evening February 5, 1934 at 7:00 p. m.

Present: Mayor Hoover, Commissioners Blunk, Goldsmith, Henderson, and Robinson.

Absent: None.

The minutes of the regular meeting held January 15th, a special meeting held January 31st and an adjourned special meeting held February 2nd were read and approved.

The Clerk read the report of the Chief of Police for the month of January. It was moved by Comm. Robinson seconded by Comm. Goldsmith that the report of the Chief of Police be accepted and placed on file. Carried.

A communication was received from the Women's Club of Plymouth endorsing the proposal to construct a new playground in Plymouth as a C.W.A. project. It was moved by Comm. Robinson seconded by Comm. Blunk that the communication be accepted and placed on file and that the Mayor appoint a committee as suggested in the communication. Carried.

The Clerk read the reports of the Justice Court for the month of January. It was moved by Comm. Robinson seconded by Comm. Goldsmith that the above reports be accepted and placed on file. Carried.

A communication from the Manager relative to repairs to the Ford car No. 4 was read. It was moved by Comm. Goldsmith seconded by Comm. Robinson that the above report be accepted and placed on file. Carried.

The Mayor read a communication from Mr. Bruce Woodbury regarding a proposed city center building to be built from C. W. A. funds. It was moved by Comm. Henderson seconded by Comm. Goldsmith that the communication be accepted and placed on file. Carried.

The Commission in session with Mr. Geo. Smith representing the Board of Education and Mr. Thos. Moss the architect for the City and School District, discussed at considerable length the proposed changes in the City Hall and the addition to the school. It was moved by Comm. Blunk seconded by Comm. Robinson that the following work listed in the order of preference be submitted as additional C. W. A. projects:

Continuation of the following projects:

1. Main-Theodore Sanitary sewer.
2. Toniquish Creek from Joy St. to approximately 100 feet south.
3. Roe St. sanitary sewer from Elizabeth St. 140 feet east.
4. Sunset Ave. storm sewer.
5. Blanche St. south 350 ft.
6. Alterations of the City Hall.
7. Auditorium on Central Grade school.

Carried.

In discussing the above projects, Mr. Smith stated that the Board of Education would assume the cost of any material in excess of 35% of the total cost. It was moved by Comm. Goldsmith seconded by Comm. Henderson that the Mayor appoint a committee to investigate the matter of office space to be used by the City offices while the City Hall is being repaired. Carried.

The Mayor appointed Commissioners Robinson and Henderson to investigate the above matter.

Upon motion by Comm. Robinson seconded by Comm. Goldsmith the Commission adjourned.

PREEMAN B. HOVER, Mayor.  
L. P. COOKINGHAM, Clerk.

Plymouth, Michigan  
February 15, 1934

A special meeting called by the Mayor to discuss further the C. W. A. projects was held in the City Hall on February 15, 1934.

Present: Mayor Hoover, Commissioners Blunk, Goldsmith, Henderson, and Robinson.

Absent: None.

The Commission discussed the proposed changes in the City Hall as shown by the plan and elevation submitted by Mr. Moss. These plans call for a construction of two wings 16 1/2 ft. wide and each side of the present building and complete rearrangement of the offices inside of the building. These plans were adopted by the City Commission. It was moved by Comm. Henderson seconded by Comm. Robinson that the City of Plymouth donate \$250.00 to material costs on the City Hall addition. Carried.

The Committee, appointed by the Mayor to investigate the matter of temporary quarters for the City offices during the alterations in the City Hall, recommended that the Branch Bank building at the corner of Liberty St. and Starkweather Ave. be utilized for this purpose. It was moved by

Comm. Goldsmith seconded by Comm. Blunk that the Manager be authorized to move the City offices to the Branch Bank building at Liberty St. and Starkweather Ave. upon approval of the alterations and changes to the City Hall by the local C. W. A. Commission. Carried.

After considerable discussion of the site for the proposed Wayne County Library building, it was moved by Comm. Goldsmith seconded by Comm. Henderson that an easement for a period of not to exceed 20 years covering sufficient ground in Central Park be given to the Wayne County Library Commission for a site for a Wayne County Library such location to be agreed upon by the City of Plymouth and the said Library Board.

Ayes: Commissioners Blunk.

Goldsmith, Henderson, and Mayor Hoover.

Nays: Commissioner Robinson. Carried.

Upon motion by Comm. Blunk seconded by Comm. Henderson the Commission meeting adjourned.

PREEMAN B. HOVER, Mayor.  
L. P. COOKINGHAM, Clerk.

Although he was a regular attendant at every fire in Uvalde, Tex., for several years Joe Berger, constable missed his first blaze recently. Berger was out of the city when a blaze destroyed his own home.

If the government tax program allows us to keep our pants well that will be something.

ing projects:

## OF ELECTRIC COOKING—

### PROVE IT FOR YOURSELF ON ONE OF THESE TRIAL RANGES

**WE CAN** tell you about the delicious natural flavor that electric cooking retains in foods. We can tell you that meats and vegetables cook to melting tenderness in their own juices, with all their goodness SEALED-IN. We can tell you how easy it is to bake light, fine-grained cakes and flaky pastry in an electric oven. We can tell you how simply you can secure fluffy, golden-brown biscuits time after time. We can tell you these things, but the best way to convince you is to let you actually TRY AN ELECTRIC RANGE FOR YOURSELF.

That is what we want you to do. And to enable you to do it, we are making a special trial offer. We will install an electric range in your kitchen without initial charge, and let you use it for six months, removing it without charge if you do not

like it. This permits you to try electric cooking in your own home without making any investment. During the trial period, you pay for the service as registered by your meter, plus a monthly charge of \$1 for the range. If you decide to keep the range, your monthly payments will be applied toward the purchase price. If you decide that you do not want it, the range will be removed at our expense.

We believe that once you have tried electric cooking, you will never again be satisfied with any other kind. Send in your order for a trial range today.

IN MEMORIAM
In loving memory of our dear grandson and nephew who departed this life five years ago, February 21, 1929. The blow was hard, the shock severe. God only knows how we miss you, Ansel dear. And only those who have lost can tell the pain of parting with no farewell hug, no sleep on dear Ansel, and take thy rest. God called you home when he thought best. It's hard, on so hard, to speak the word that we are parted on earth forever. Sadly missed by his grandparents, aunts, uncles, Mr. and Mrs. John Roddenberg, Sr. and Mrs. Mary. 1511pd

IN MEMORIAM
In sad but loving memory of our dear father, Fred Beyer who passed away ten years ago February 28th. On our lonely hours of thinking our thoughts of you are always dear. You closed your eyes in sleep while our hearts were grieving. It was hard to give you up dear Dad though we knew your life here hadn't been in vain and that you had only taken to a higher plane. You crossed the river Your work here is finished Your work on yonder shore had begun. What there is no sin sorrow or pain. Waiting there to greet us when we meet again. Your children. MAUDE H. BENNETT Agent for New York Life Insurance Co. Phone 7100-F22 1700 Ann Arbor Road
The many friends of Russell Partridge, who has been residing in Lodi, Cal. for the past year, will be sorry to hear he is confined in a hospital there. He was taken to the San Joaquin General Hospital, near Stockton on February 10 where the following day he underwent an appendicitis operation. Mr. and Mrs. M. G. Partridge report he is coming along as well as could be expected. In Russell's last weekly letter he wrote they had not had enough frost to kill any flowers this winter. He had been mowing lawn. Almond trees and all spring flowers were in full bloom. With out below zero weather it sure sounds inviting. There will be a meeting of the Clothing group at the home of Mrs. Bruce Woodbury, 1462 Sheridan Avenue, Friday, February 23rd at 1:30 p. m. for those ladies who have not had their sleeves fitted. This will be the last chance to make up work so all who have not been fitted are urged to be present.

Obituaries
CHARLES W. HONEYWELL
Charles W. Honeywell was born Feb. 12, 1874 at Rosenville, Washtenaw County, Michigan, and passed from this life on the night of Feb. 15th, 1934. Mr. Honeywell was the son of Hyland H. Honeywell, who was born in Brockport, N. Y., in 1835 and died in 1898, and Phoebe A. Miller Honeywell who was born in Washtenaw County, Mich., 1845 and died in 1911. The family moved from Washtenaw county to Kalamazoo when Mr. Honeywell was eight years of age and came back to Washtenaw County when a young man, and it was here that he spent the remaining years of his life. On June 25, 1919 he was married to Stella Pilgrim. Except for a few years of residence here in Plymouth they have made their home on the farm, from which he was taken so untimely and unexpectedly. Mr. Honeywell was baptized at the age of fourteen and has always been affiliated with the Baptist church. The community has lost a man of fine sterling qualities, and we could well wish that his kind were legion. Life in his earlier years seemed to hold a very different future than he has now, for he was in school preparing and looking forward to a life of service in the ministry when he was stricken with a disease that impaired his hearing and hence his outlook must be changed. Though our voices he could not hear, still he carried always the spirit of cheer and the church and the other organizations of which he was a part will miss a smile that meant more than words could tell. Mr. Honeywell leaves the widow, Mrs. Stella Honeywell, two brothers and two sisters, David Honeywell of Prairieville, Mich., Dr. Bert Honeywell of Ann Arbor, Mich., Mrs. Charlotte Lindsey of Prairieville, Mich., and Miss Bertha Honeywell of Plainwell, Mich. The funeral services were conducted from the Schrader parlors on Sunday afternoon by Rev. Lyla Sutherland, burial in the Redford cemetery. AN ORDINANCE
