

Juniors Will Present J-Hop February 22nd

All Plans Complete For Students Important Social Event

The Junior class of 1936 will present as its J-Hop this year a Washington's Birthday Party on the night of February 22, in the Plymouth High school auditorium.

The auditorium will be transformed into a modern ballroom with silver walls, patriotic paintings, flags, and balloons. Under the direction of Donald Thrall, who is acting as general chairman, the committees are cooperating very well to make this event a great success.

The music will be furnished by Bobby Grayson and his famous Jesters. This orchestra has played at Hotel Fort Shelby at parties and proms in Dearborn, Grosse Ile, and Grosse Pointe, and many of Michigan's exclusive summer resorts.

Help the Juniors meet their financial difficulties by remembering the date of the J-Hop, February 22. Just a dollar and a half a couple. Bobby Grayson and his orchestra will begin at 9:00 o'clock. Bring your friends and start the evening with a bang! Leave the rest to us.

Tells How Clubs Can Work as Unit

President Lynn Felton of the Plymouth Rotary club last Friday arranged for a joint meeting between his organization and the Kiwanis club, for the purpose of hearing C. E. Noyes, secretary of the Owasco Chamber of Commerce tell of the aid that service clubs can give to chambers of commerce.

Mr. Noyes, who has spent practically his entire life in chamber of commerce work in Pontiac, Adrian and Florida before going to Owasco a number of years ago, is actively interested in the Rotary club at Owasco and his remarks on the cooperation between these various groups proved interesting to the local luncheon clubs.

He declared that while the chamber of commerce of a community is organized to serve the general needs of the entire city the luncheon club had more of an idealistic and humanitarian object for existence. However because of this fact, these clubs ought to be slow to refer to chambers of commerce in much of their work he pointed out.

Police Will Stop Fire "Chasing"

Following a discussion at the city commission meeting last Monday night, orders have been issued to the police department to stop the practice of following the fire equipment responding to fire calls. It has been the practice for many years in Plymouth, as well as in many other cities, for motorists to rush to the fire station upon the sounding of the fire alarm, thus causing a considerable amount of congestion around the fire station, and after the equipment gets under way the motorists persist in following the fire truck to the fire, sometimes causing no little confusion.

The traffic ordinance of the city of Plymouth prohibits this practice, as well as does the state traffic rules. The local ordinance requires that traffic shall take such precautions as clear the street so as not to interfere with the passage of the police and fire vehicles, and shall not closely follow such vehicles. The state law provides that it shall be unlawful for any vehicle to follow any fire apparatus traveling in response to a fire alarm closer than 500 feet, or to drive into or park such vehicles within one block where fire apparatus has stopped in answer to a fire alarm. The police department has been instructed to stop violations of both the state law and city ordinance, and in the future persons can expect to be given tickets for these violations. The above instructions have been issued, both for the purpose of allowing the fire department to work with as little interference as possible, and to prevent accidents on the highways.

Heaviest Snowfall Of Winter Comes

The groundhog didn't see his shadow last Saturday. The weather wasn't so good on Sunday. Monday it wasn't much better. Tuesday morning folks woke up to find the countryside covered with the heaviest snowfall of the winter. Wednesday it was right down to zero in the morning and remained cold all day. Thursday was a little better, but still winter.

The groundhog kept right on sleeping—that means that we are supposed to have another month of weather such as has been experienced since groundhog day. He didn't see his shadow, so he knows that winter isn't over quite yet, but maybe he thinks we will have an early spring.

Start Census of The Unemployed In This Section

Frank Larned and Murray O'Neil Will Direct Local Work

Under the directions of Squad Leaders Frank Larned for Plymouth city and township and Cannonville and Murray O'Neil for Northville and Livonia townships, unemployment census enumerators have started work, and by the end of six or eight weeks, it is believed that there will be completed the count of all persons out of work.

Mr. Larned states that there are at present seven persons at work in Plymouth and Canton, and by the end of another week there will be two additional members to the force.

The city has been divided into four districts. Plymouth township into three districts and Canton into two.

Because of the vast amount of information the government is requiring from each head of a family, the work will necessarily be slow. It will be necessary to work on a farm, and how much experience you have had in farm work.

One is required to tell what grade they had completed when they finished school, where their last job was, if they are now working, how many jobs they have held since 1930 and what pay they secured. The total income for the year 1934 must be given. The government also wants to know if you have ever worked on a farm, and how much experience you have had in farm work.

It is urged that all persons called upon answer the questions thoroughly and as quickly as possible. In this way the work can be completed more satisfactorily. The government hopes to find out the unemployment situation in this country, and the relations of unemployment fluctuations to industry.

Local Debaters Entering State Eliminations

Official Notice Received Of Participating In Series

Official notification of Plymouth High school's participation in approaching elimination debates for the high school championship of Michigan has been received by Mr. Latture, coach of debate. This school will first uphold the regular against the affirmative team from Utica, in a contest to be held in the auditorium here Thursday, Feb. 14, at 7:30.

The question for debate this year is formally stated "Resolved that the federal government should adopt a policy of equalizing educational opportunity throughout the nation by means of substantial annual grants to the several states for elementary and secondary education." In the Twin Valley Association contest just completed, Plymouth received second place, with victories over River Rouge, which defeated Plymouth for the league championship, will also take part in elimination debating.

The series of elimination contests, which the debate with Utica is the first for Plymouth will proceed until only two high school teams remain to contest for the state championship, a defeat automatically removing the school from further participation. Each school entering will receive a wall plaque from the Detroit Free Press.

Start Dancing Class The "Dancing Baileys," former residents of Plymouth, who now reside in Northville at 132 Randolph street, have started up a class in fancy and ballroom dances in Northville. Both of these people were for many years on the stage and have had much dancing experience.

Centennial Of Statehood Will Be Celebrated

Plymouth Decides To Take Part In General Observance

With the appointment by the city of commission of Karl Starkweather as general chairman to plan for any part that Plymouth may take in the centennial celebration of Michigan that the State Historical Society is urging every community to observe at some time during the present year. It is practically assured now that Plymouth will have an important place in what promises to be one of the most general and observed events in the history of the state.

Numerous suggestions have been made as to how and when Plymouth should celebrate. Outstanding, The Plymouth Mail believes, is the suggestion made by The Mail two years ago, would be the reproduction of the famous Fourth of July celebration that took place in this city over eighty years ago.

City officials who have considered this suggestion, declare that it possesses all of the elements that the right kind of a centennial celebration should have. Those taking part in the affair, it has been pointed out, could wear the costumes of that time. In the parade there were a group of Revolutionary soldiers then living in Plymouth. Other groups that took part in the parade and in the events of the day could easily and without excessive cost be reproduced to appear as did the pioneers of Plymouth who staged the celebration that brought hundreds of settlers to the community.

It has also been suggested that there could at the same time be arranged a big home-coming of former Plymouth residents to precede the celebration. But these are the details that will be worked out as soon as Chairman Starkweather has his various committees arranged.

Donnelly Seeks Place on Bench

William M. Donnelly, prominent Detroit attorney, has announced his candidacy on the Democratic ticket for the office of Circuit Judge in Wayne County.

Mr. Donnelly was born in Detroit, Michigan, in 1885, and has continuously resided in Detroit since that date. He was admitted to the practice of law in Michigan in 1911 and since then has been actively engaged in the practice of law in Detroit. He is a member of the old firm of Donnelly, Holly, Donnelly & Monroe, and at the present time has his office at 1715 Ford Building, Detroit.

He is a married man and has four children, and resides at 1012 Burns Avenue. Mr. Donnelly and all of his family have been active members of the Democratic party for many years. In 1933 Detroit sent Mr. Donnelly to Lansing as a Democratic member of the House of Representatives where he became Administration Floor Leader. In that capacity, his energy and ability was responsible for many of the progressive acts that came out of the legislature during the last two years. He was active in securing the passage of the Motorator Bill, Emergency Banking Law, Old Age Pension Act, Racing Bill and many other like progressive measures.

Mr. Donnelly's legal career has been marked by unusual brilliancy and highest integrity. He has the courage of his convictions which are honestly founded on sound judgment with full regard for the rights of others. Of such judicial temperament, he is well fitted for a position on the circuit bench.

Women Hear Of Social Hygiene

Friday, February 1st, the Woman's Club had the opportunity of hearing one of the finest speakers on this year's program. Miss Helma Hutzel of the Michigan Dept. of Health, gave an interesting and enlightening talk on "Trends in Social Hygiene."

She first broadened our conception of the term, Social Hygiene, stressing the fact that it dealt with the child's daily art of living, and not with just his sexual and emotional life. She reminded us of the demoralizing effect of the World war on the youth of Europe, now so apparent in their present politics. Those youth were robbed of their inherent right to a joyous, carefree childhood. She raised the question, "What will be the effect of the depression upon the present youth?" Since they will be in the governmental and social sad-

More Clothing Is Needed By The Guild

Each week the ladies of the Guild are receiving calls offering used clothing—and each week the clothing is being passed up to local people who are badly in need of it. Keep up the good work! Don't keep any clothing that is binding—or even any material that can be made into warm clothing or bedding—around the house if you do not need it. Men's clothing and warm bedding are especially needed. Just as long as it is clean and in fair condition, a call to the Guild will be greatly appreciated and promptly answered, and you will have the satisfaction of knowing that you have made some person more comfortable. Just call or drop a card to Mrs. Beyer, Mrs. Burrows, or Mrs. Chapman.

Murals In City Hall Finished Win High Praise

City Officials Express Their Appreciation To Artist McCandlish

So satisfactory are the murals of Edward McCandlish, well known Plymouth artist, in the commission room at the city hall, that the commission Monday night voted to send Mr. McCandlish a letter of appreciation of the splendid work that he has done.

The two paintings, the one at the south end of the room depicting pioneer days in Plymouth, and the other at the north end representing the various activities of the local government, have completely changed the general appearance of the room.

Mr. McCandlish, who for many years was a prominent newspaper sketch artist in Washington and Detroit, since living in Plymouth has painted many murals in the schools of Detroit and vicinity. His work has won for him high commendation on the part of those in a position to judge its real value. City officials of Plymouth feel that this community has been fortunate in having been able to secure him to do the work in the city hall.

Right now City Manager Cookingham is planning to have Mr. McCandlish reproduce on the lower floor of the city hall a picture of Main street of Plymouth as it was during Civil War days. There are in the possession of a few Plymouth residents photographs of the old Main street, painting will be made from one of these old photographs.

To Talk About Work In Africa

Arthur J. Bowen of Brooklyn, N. Y., is planning to stop off here on his transcontinental tour of the United States, and will speak on "Africa," at the time of the Rotary church Monday evening, February 7, at 7:30 p. m. The public is cordially invited.

The vastness of Africa is vividly illustrated by the fact that India, China, Europe, Great Britain and Australia could be placed on the "dark continent," there would still be almost 3,000,000 square miles uncovered. Mr. Bowen spent much time in the center of that vast continent which is about five thousand miles in both length and breadth. He will report the latest advances of the christianian forces working in connection with the South Africa General Mission, of which he is the American secretary.

This mission was founded in August 1889, with the late Dr. Andrew Murray as its first president. It now has 120 stations and 130 outstations, with a field staff of 110 white workers and 250 native workers. It is expected that Mr. Bowen will show many pictures of life and work in Africa. He will also have much free literature for distribution to all interested friends.

Church Services For Boy Scouts

Sunday is the day for the Boy Scout Anniversary church service. The service for the Plymouth district will be held at the Methodist church in Northville, at 10:30 a. m. Rev. Horace H. Mallinson, pastor. At 7:30 p. m., Dean Cooley is to speak before Troop RG-1 at the Rosedale Gardens Presbyterian church and this troop is inviting all Scouts and Scouters of the Plymouth District to join with them.

At this time Scouts are celebrating their 25th anniversary. There were twenty-five ladies present at the Ladies' Aid of the Lutheran church Wednesday afternoon, held in the church basement. An interesting business meeting was followed by a social hour and dainty refreshments were served by the hostesses, Mrs. William Gayde and Mrs. Maurice Schmidt.

Place This City On Direct Police Signal System

Plymouth One of Eighteen Stations On New Crime Net

Plymouth is one of eighteen stations in Wayne county that has been placed upon the tele-typewriter network that the Detroit police and sheriff's office has set up in Wayne county in an effort to better cope with crime conditions. The new machine, which will be in constant operation direct from the police headquarters in Detroit as well as the sheriff's office, is being placed in the office of Chief of Police Vaughn Smith in the city hall, and it will be in constant operation during the 24 hours of the day.

Information that the Detroit officers wish to get to the outlying communities is given to all eighteen stations on the machine and will be recorded on the machine whether there is anyone there to operate it or not.

The system will be operated over the lines of the Michigan Michigan Bell Telephone company, states Manager Roy Crowe. Not only will local police officers get direct information as to all police calls, but if a crime should take place in Plymouth and it is necessary to get plato to other offices, a call can be placed as easily from Plymouth to all stations as it can from Detroit.

The system also will be used to transmit warrants, reports of stolen automobiles, details of crimes, news of arrests and other items of interest to the police departments. It will supplement and provide more accurate details than can be obtained by radio to the police radio broadcast and will facilitate police cooperation generally. It will more closely unite the efforts of the community, to the end that the apprehension of criminals, the prevention of crime, and the interests of the citizens of Wayne County at large will be greatly benefited. The No. 15 sending and receiving machine will be installed at the following locations: Wayne county sheriff's office, Detroit Police department, State Police at Rockwood and the State Fair grounds. Police departments in Ann Arbor, Dearborn, Ecorse, Lincoln Park, River Rouge, Wyandotte, Trenton Flat Rock, Grosse Pointe Park, Grosse Pointe City, Grosse Pointe Woods, Grosse Pointe Shores, Plymouth, and Wayne.

Women Voters To Meet on Monday

The Plymouth branch of the League of Women Voters will meet at 2:00 p. m. Monday, February 11th, in the Community Hall of the City Hall. A report of the Round Table discussion of January 15th, held at the downtown Y. W. C. A., in Detroit, will be given by the committee chairman.

Mrs. Marion Morrow will report on Government and Education; Mrs. Maude Bennett on Government and Operation; Mrs. Dorothy Woodbury will give a report on Government and Child Welfare in place of Mrs. Warren who was unable to attend; Government and Economic Welfare by Mrs. Alma Spicer; Government and International Relations by Mrs. Mary Hillmer; Mrs. Ruth Virgo on Municipal Affairs; Mrs. Ann Carley was present in Lansing, Jan. 29th, when House Bill No. 54, a bill to provide a minimum wage for women and minors, was passed in the House of Representatives by a vote of 75 to 13, and will give a report on the passage.

Mr. Fred Fisher, who has been deputy commissioner of rural schools for the past twenty years and who is now a candidate for commissioner of rural schools, will also be present.

The league extends a cordial invitation to all who are interested in these people to be present.

Did You Know That

The Plymouth Shrine club has decided to hold a dinner-dance and bridge party at the Hotel Mayflower on Friday evening, February 22. Additional details pertaining to the event will appear in next week's issue of The Mail.

Goldstein's Department Store are continuing their third anniversary sale for another week. Take advantage of the savings, especially on ladies' coats and dresses.

The Suburban Shrine Club will hold a dinner-dance Friday, February 22nd, at the Hotel Mayflower. Tickets will go on sale Saturday of this week, and can be secured at Schrader Bros. Funeral Home, Allison Garage, Hotel Mayflower and Pettigall Grocery store.

Announcement has been made by the Plymouth Direct Credits Society that a public mass meeting will be held at Recreation hall in Newburg, Tuesday evening at 8:00 o'clock. There will be no admission charge, and everyone is invited to attend. A speaker will be present, state local officials of the organization, to explain the direct credits plan.

Improvements Proposed Under New U. S. Funds

City Officials Revive Some Projects Talked Of Last Year

A special meeting of the city commission has been called for next Tuesday, when consideration will be given to various municipal improvement projects the city hopes to be able to build under the funds to be released by the federal government during the coming year to provide employment for the unemployed workers of the country.

At a meeting of the city commission last evening, City Manager Cookingham submitted a list of projects that had been recommended a year ago at the time the government was releasing funds under the CWA program. These included:

Closing Tonguish Creek from Harvey street to 200 feet east of Main street.

Paving Church street from Harvey street to Main street. Also Park Drive from Church street to Main street. Some study should be given to changing location of Church street by running southerly thru the park at the time this project is prepared.

Watering system for Riverside Cemetery, including 2 in. main from park to supply drinking water.

Holbrook avenue storm sewer from P. M. to Park drive.

Hamilton avenue sanitary sewer from Ann Arbor trail to Union street.

Improvements to water system. Completion of Assessor's plats. Completion of sanitary and storm sewer survey.

Completion of Sunset avenue storm system.

Widening Main St. from Pennington avenue to Mill street or any other within its limits.

Construction of concrete curbs on unpaved streets.

Erection of a community building and recreation center.

Water softening plant.

Several improvement projects not included in the list submitted to the city commission, but which many citizens believe should be considered, include:

Grade separations of Main street and Ann Arbor, at both places if possible to secure, or at least one separation.

A new direct entry to Plymouth-Riverside park, leading possibly from Union street with an improvement of the entire thoroughfare from Main street to the park.

Improvement and beautification of the piece of ground given to the city by the Presbyterian church for park purposes.

A down town parking lot easily accessible to the business center.

The improvement and "clean-up" of Gravel street so that the postoffice building and proposed Presbyterian park improvement will not adjoin or be marred by rubbish collections in the immediate vicinity.

These are but a few of the projects which have been suggested that can be done in Plymouth with federal funds. The Plymouth Chamber of Commerce directors have given consideration to the problem and will soon recommend to the city some of the things it believes the city should endeavor to accomplish with federal funds.

Welfare Rents Will Be Checked

City manager Perry Cookingham was instructed at Monday night's meeting of the city commission to immediately check the delinquent tax rolls of Plymouth with the welfare rents that are being paid by the city.

Some of the members of the commission stated that they did not know for sure, but they are under the impression that of the forty or more homes where welfare rents are being paid that some of the places are on the delinquent tax roll. If the inquiry finds this to be true, the same rule will be applied here as in Detroit, a certain amount will be deducted each month from the welfare rent money to apply upon the back taxes. However none of the city officials were sure that such a condition actually existed.

Minstrels Make A Hit at Sanatorium

The Ed. Wilkie Minstrels gave two pleasing shows at the William H. Maybury Sanatorium last Sunday. They were assisted by Forbes Smith, Romaine and Carol Lee, in a musical trio, and Al Fry, dialect comedian. The show greatly pleased the large number of patients able to see it, and those taking part in it were delighted to be able to bring a little sunshine into the lives of these tubercular victims. W. C. Smith and W. McClean were on the program in a blacksmith sketch at the Bartlett P. T. A. meeting Monday evening.

Again Propose Public Library For Plymouth

Wayne County Commission Hopes To Be Able To Erect Building

Members of the Wayne County Library Commission have again recommended that Plymouth be selected as the place for the location of a new library building to serve this part of Wayne county. It will be recalled that the library commission made a determined effort last year to secure C. W. A. funds for the purpose of erecting a suitable building in Plymouth for library purposes. However, the government funds were cut short before necessary steps could be completed for the building.

The library commission, it has become known, has appeared before the city commission of Plymouth relative to a site. Last year when the matter was up, the city commission voted to grant the library commission a right to erect a new library building in the triangle place of ground that the city owns between the Presbyterian manse and the high school.

The city commission more recently decided that a beautiful library building erected at the back end of the Presbyterian church on Church street, is probably better than using the triangle, providing that the Presbyterian church board will withdraw restrictions against the use of the old cemetery for any purpose other than for a park.

It is known that the library commission is having plans and specifications prepared for a beautiful library building with the hope that it can be erected out of the funds to be released during the present year by the government.

At a meeting of the Presbyterian church board Wednesday night, the board voted to remove any restrictions from the park which might prevent its use for the construction of a public library.

These are but a few of the projects which have been suggested that can be done in Plymouth with federal funds. The Plymouth Chamber of Commerce directors have given consideration to the problem and will soon recommend to the city some of the things it believes the city should endeavor to accomplish with federal funds.

Proposes Unit Of All Places In Western Wayne

Father Lefevre Believes That United Action Will Count

A united western Wayne county, with all the communities working as one for the benefit of this section, is the purpose of a plan that Father Frank A. Lefevre presented at a meeting of the board of directors of the Plymouth Chamber of Commerce Tuesday noon.

Father Lefevre believes that many more benefits can be secured for this part of Wayne county if Northville, Plymouth, Wayne, Inkster and Belleville will cooperate as one unit.

He proposes a real southern vacation for the next three months. Commissioner John Henderson presided at Monday night's commission meeting as acting mayor. Numerous matters came before the commission, and were speedily disposed of. Mr. Henderson will be acting mayor until Mr. Robinson returns from the south in April.

John Henderson Is Now Acting Mayor

In the absence of Mayor George Robinson, who has gone to Florida with his family, where he will enjoy a real southern vacation for the next three months, Commissioner John Henderson presided at Monday night's commission meeting as acting mayor. Numerous matters came before the commission, and were speedily disposed of. Mr. Henderson will be acting mayor until Mr. Robinson returns from the south in April.

Fire Destroys Home of Dr. and Mrs. Luther Peck

Family Suffers Severe Loss Last Friday Forenoon

File starting from some unknown source, presumably around the furnace, last Friday forenoon, destroyed the residence of Dr. and Mrs. Luther Peck at 711 Ann Arbor and ruined the furnishings in the home that the family has many articles of almost priceless value to the family were destroyed.

While the outside walls of the lower part of the house remain standing, the entire interior is in ruins, the damage being so great that the place is beyond repair. It was shortly after ten o'clock when Miss Jean Mene, cashier in David Galt's Pharmacy, saw flames shooting from the roof of the Peck residence. She called Mrs. Fern Henderson at the telephone office, who immediately gave the fire alarm.

Although the fire department responded at once by the time of its arrival the entire upper floor of the residence was in flames. Dr. Peck was busy making calls at the time. Mrs. Peck was in the kitchen when she heard the fire alarm. Going to the front of the house to see where the department might possibly be going, she glanced out of the window and saw smoke rolling from the top of the house. Almost at the same instant someone came running to the house from the telephone office to tell her the house was on fire.

Were articles of furnishings, were carried from the home and dumped into the street, but practically everything in the house was damaged by fire and water or else completely destroyed. E. C. Hough and Fred Schrader had the fire department carried from the house taken to the Daisy plant and to Mr. Schrader's store building on South Main street, where they are at present stored.

Although the fire department did all within its power to check the flames, the fire had such a start that there was little the department could do to prevent almost complete destruction of the place.

The residence one of the most attractive in Plymouth, has been occupied by Dr. and Mrs. Peck for fourteen years. He has spent much in improving the interior. The family has taken up temporary residence in the old home at 687 Ann Arbor, just across the street from the house that was destroyed by fire. His offices will be at the same place as the present.

While Dr. Peck carried several insurance policies on the home and furnishings, he states that the full payment will be nowhere near what the loss is to the family.

It is his present plan to build a new and as nearly a fireproof home as possible on the site of the one destroyed by fire, early in the spring.

Both Dr. and Mrs. Peck are most appreciative of all the courtesy and assistance that has been given to them since their frightful loss.

Auto Speeding Causes Protest

So many complaints have come to city officials within the past few days about speeding on some of the main streets of the city, especially before the heavy snow fall of the present week, that the city commission has decided to have one of the regular police officers do traffic duty in the future.

He will begin work just as soon as the snow is off the paving. In fact it is possible that he may start work before that time, providing complaints about high speed on the main streets continue.

Commissioner Ruth Whipple, as well as other members of the commission, declared that residents along Ann Arbor, Pennington South Main and even Starkweather had been complaining of the high speed of cars.

So the speed boys had better look out, this is just a warning issued by the city that there is going to be some fines imposed on those who are not stopped. There will be no warning given as everyone in these times is supposed to know the traffic regulations of the city.

Get Your Automobile License Plates Now!

Secretary Berg Moore, who is also manager of the Plymouth branch office of the secretary of state, is getting somewhat alarmed because so few people have secured their 1935 license plates. This is the last time they can use their old ones, the period ending on Thursday, February 22.

SOCK HIM AGAIN!

Senator Andrew Moore, who has made a study of the tax question and has gained considerable information about it, proposes to sock the poor devil by adding another cent to the gasoline tax. It seems that every one who proposes a taxation reform of any kind has but one idea in mind—and that is to put the ENTIRE tax burden upon the little fellow. Another cent of tax on a gallon of gasoline puts the same rate of taxation upon John Jones, the working man with a family of five or six children, as it does upon Henry Ford and Robert Lord, the latter gentleman of banking fame. That seems to be the trouble with the whole situation, the ratio of taxation is just as great upon the man who is UNABLE to pay as it is upon the man who can pay and wouldn't even feel it. The average man who drives an automobile does so for necessity. The new way of doing things practically requires the working man, the farmer and the small business man to own a car. He must have it to get back and forth to his employment and he must have it in the conduct of his small business. With the other group the possession of an automobile is almost entirely for pleasure. There isn't much question that John Jones of Plymouth who drives his car over to The Rouge plant, where he is employed probably pays more in gasoline tax during the year than does Mr. Ford. We can't at all agree with Senator Moore as to the fairness of another increase in the gasoline tax. There must be and there is some way to get the additional funds for running the government without everlastingly socking the man who is least able to bear the burden.

PUBLICITY PRESSURE

The little village of Birmingham, near in Oakland county where it used to be said nearly all of the millionaires of the state resided, including the one millionaire weekly newspaper publisher with in this great state is just now considering a plan to publish in his village weekly newspaper a list of all the delinquent tax payers. It is quite surprising to learn that in that famous millionaire village over amid the rolling hills of Oakland that every taxpayer has now paid his taxes. Plymouth has never assumed to be a very rich city, although we have laid claim to being a sort of progressive little community, but people here do put forth a special effort to pay their just share of the cost of governmental service. Most people take more or less pride in paying their taxes promptly. There are some who through misfortune cannot pay and some who through carelessness do not pay. On the other hand there are some who can pay and haven't enough pride in the community where they live to do their duty by their neighbors, friends and the place they call home. It would be right and proper to segregate the names of these kind of delinquent tax payers and publish the list in the home town newspaper until they had performed their duty to the government under which they live, just as they are proposing to do in Birmingham.

A BIG JOB

Governor Fitzgerald's decision to open his office

The Week at Lansing

By FRANK D. BROWN
(Special Correspondent)

Governor Fitzgerald sustained the first major reversal of his tenure last week Wednesday when the senate turned thumbs down on his proposal that the Western State Teachers' college at Kalamazoo be closed in the interest of economy. Headed by Senator Frank E. Mosier (R) of Fennville, the special committee appointed to investigate the feasibility of closing the school, submitted its report recommending the continued operation of the institution as well as that of the three other normal schools. The report was unanimously adopted by the senate, thus definitely side-tracking this particular item from the administration's program.

Western State Teachers' college was declared by the committee to be one of the six leading teachers colleges in the United States and that Michigan's four teachers training schools rank among the first 20 in the nation.

The need of an extensive study of the whole educational problem in this state was cited by the committee. It was suggested that this be done "to much of the efficiency of the entire system may be increased and bettered and that every economy possible be accomplished in order to make as great a saving as possible to the taxpayers of the state."

The legislature took an early adjournment to which place the both houses recessing Wednesday until next Monday night. The brevity of the work-week was occasioned by the Democratic state convention in Detroit last Thursday to which place the senators and representatives of that party hied themselves. The lull in the proceedings also furnishes the opportunity for some of the institutional committees to make their junkets to the north country.

In these days of distressed taxpayers and limited state revenues, the junket as it was once conducted by committees of both houses has come to be regarded as of doubtful value and great expense to the state. The prolonged and costly trips to visit fish hatcheries, to inspect some prison or other state institution are now frowned upon by both the public and the conscientious legislator. The usual practice in the past was to make these junkets occasions for bacchanalian indulgence at the expense of which came out of the pocket of the taxpayer. Although a few committees still insist that these tours of inspection are necessary to their work, the number of forays has been greatly reduced and much of the exuberance of old is now missing.

The anticipated report of the senate committee investigating

during certain periods of each day for discussion of state problems and other matters with the public is a very great concession on the part of a public official who is as busy as the Governor of a state like Michigan. But it is indicative of the Governor's desire to keep as close as possible to the public mind, and it opens an avenue direct to the chief executive for those who feel as though they must have the ear of the Governor. While it is generally known that Governor Fitzgerald is a glutton for work and can stand more than the ordinary individual when it comes to long and trying hours, we wonder if Mr. Fitzgerald has not taken upon himself an added burden that might prove to be greater than he anticipated? He is the Governor of all of the four million or more people of Michigan—and these four millions have a right to expect his best thought and effort. We wonder if he is able to continue to give it if he must be interrupted for several hours during the day by callers, who in the main have personal matters to consider rather than problems involving the welfare of the entire state? We commend the Governor's idea of desiring to give the public direct access to his office, and it might work out satisfactorily if it is held in check, and the self-seekers can be prevented from dominating the situation. But therein will come the greatest problem in what the Governor proposes to do.

A FRIGHTFUL LOSS

The destruction of the home of Dr. and Mrs. Peck by fire last Friday was a terrible loss to the family. Not only was it a loss to them but to the community as well, as the house was one of the attractive residences of the community and it was a pride of Dr. Peck to always keep it looking neat and in perfect order. A fire loss, no matter how much insurance one may carry, is never "fully covered." Many articles of priceless value to the family are forever lost. Dr. and Mrs. Peck have the sympathy of the entire community.

CONGRATULATIONS

Announcement was made last week that The Milford Times had been sold by Mr. and Mrs. Grant Rowe, to their son, Robert Rowe. The new owner will assume charge of the paper with this week's issue, when he steps into his new responsibilities. The Times will pass into the third generation of the family that he owned it since its beginning nearly three quarters of a century ago. Mr. and Mrs. Rowe have spent over 40 years in the Times office. They have given their community the splendid service that all newspapers attempt to do, in fact they have worked tirelessly night and day for the pretty little community that lies over in Oakland county. One can travel the states far and wide and it will be difficult to find a more delightful couple than Mr. and Mrs. Rowe. We congratulate them sincerely upon their successful conduct of The Times over such a long period. We trust they will both live to enjoy many years of happiness with freedom from business care. For the young son who now assumes charge of the business we hope too that he is as successful in the conduct of it as have been his parents.

A COWARDLY DEFENSE

The kidnaping of the Lindbergh baby was a cowardly thing to do. Probably this thing more than anything else connected with the case so greatly aroused public sentiment in the matter—a defenseless little child, snatched from its crib and beaten to death. What a more cowardly thing could a person do? And probably the next most cowardly thing for one to do is to build a defense of suspicion of the crime around dead people—to attempt to place the guilt upon those unable to rise from the grave and defend their names. What a cowardly thing to do, what a cowardly defense for supposedly a great "criminal" lawyer of New York to concoct! The very nature of the defense in the Lindbergh case causes one to wonder as to the decency of the attorneys associated with it.

100 bills being approved in a day. So rapid is the pace that only the committees that release them know what they actually contain.

Wailing tunes from an instrument fashioned from a kerosene can charm the tourist in Indiana. The strange instrument, played by a street beggar, produces unusual tones, accepted as musical by natives of that land but perhaps a bit difficult for the Occidental ear. However, the home-made instrument enables the beggar to make a living, its odd appearance attracting crowds.

One thing the last holidays did for brothers and sisters in the Elkins family of Linton, Ind., was to bring them together again after a separation of 25 years. The circle of six—three sisters and three brothers—was made complete when Will Elkins returned home, ending a quarter of a century of absence. He now lives in Big Sandy, Mont.

A new telephone device popular in Austria enables any subscriber who leaves his home or office to notify would-be telephone callers when he will be back. This is done by setting the returning hour on a small dial. Any one who telephones while the subscriber is away automatically receives the information.

Good-Bye Daddy

Lawrence Hawthorne

Seems like Daddy never is at home!
He goes to his office every day,
An' he jus' gets back at dinner-time,
Then he hasts hurry right away;
Says he hasts work again tonight,
Or he's got a meetin' at the club,
Or his bowlin' team has got a game,
An' the captain says he'll hafta sub.

Even if he plans t' stay right here—
Even then, he hasn't got a chance;
Mother makes 'im take 'er to a show,
Or somebody else's house t' dance,
Or they've been invited to a feed,
Or the Bridge Club has a party due,
Daddy fuses lotts an' tries t' pike,
But he hasts go—an' like it, too!

I think Daddy wants t' be with me!
I jus' bet he'd rather play my games
Than I' get dressed-up in my best every night,
An' he meetin' folks with funny names!
I jus' bet, if he could have his way,
He'd be home a lot more than he is—
But it looks like everybuddy's plans
Work out best when they are spollin' his.

Rambling Around With Michigan Editors

TWO STERLING DEMOCRATS

If Your Memory is good you will remember way back when Wilber Marion Brucker selected two of his buddies in the attorney general's office for \$3,500 a year jobs as judges of the Detroit Municipal Court. They were Charles Rubiner, red headed, bespectacled gentleman who knows the Koran from cover to cover. The other was Joseph Gillis, husky, former University of Detroit football player, ex-veteran now, then and all the time.

That was three years ago. The difference between Rubiner and Gillis now is—that Gillis, true to the party which gave him his judicial berth, is still a Republican. But Rubiner, like so many of those who have taken the sad path to the place where the whangoodle calleth for its mate, is not. Following in the footsteps of George Welsh, who first went Democratic and then Elbain, because he thought opportunity lay in that direction, and Bob Clancy, who ran for congress on the Republican ticket and then the Democratic thinking he could fool the voters. Rubiner has cast a new die. He is running for election to the office Brucker gave him, as a Democrat.

Little more needs to be said. His name soon will be chiselled in that hall of sorrow where the politicians who tried to sit on the fence and be both parties at once are enrolled. Edward Novack—The Michigan State Digest.

OLD AGE PENSION MONEY WENT TO JOB HOLDERS

To reduce the expenses of administration and make more available for the payment of old age pensions, State Director Grover C. Dillman has announced the dismissal of one hundred investigators of the Old Age Pension Bureau. According to the statement of the director, 3500 persons are now receiving pensions averaging \$10 monthly and there are already on hand 43,000 applications with investigators constantly adding to the list. The total amount collected by means of the poll tax is \$365,618 and \$103,093 has been paid out for pensions. But the cost of administration has reached \$287,998 and the receipts have dwindled almost to the vanishing point.—Grant Rowe in The Milford Times.

A CAMPAIGN PROMISE

Rudolph E. Reikert, state banking commissioner, is to be defeated by Gov. Fitzgerald, according to persistent reports. It appears that Mr. Fitzgerald openly stated during his campaign that one of his first acts, if elected, would be to remove Mr. Reikert from office. Bankers over the state are putting in some solid plugs for Mr. Reikert, but it is said that all such pleas are falling on deaf ears.—Harry Izor in The Durand Express.

FAST NEWS SERVICES

Quick ways of spreading news: Telegraph, telephone, tellawoman.—George Shaw in Plunge Progress.

STATE AIDS CRIME

There is no "profit" in the states official partnership with racing or drinking. The "easy money" earnings from these operations are more than offset in added taxes made necessary through the human wreckage that these agencies produce. The sooner Michigan drops out of these easy money partnerships the better. There isn't any such thing as official easy money and the price in climbing taxes is too high in permanently lower moral standards.—Murl DeFoe in The Charlotte Republican.

WHEN "DEATH" DOES DICTATING

Twice within a month the people of Michigan have had a close-up view of "Death Voting" and over-riding the dictates of the voters at the polls. In the disastrous Kears hotel fire the death of members of the legislature changed the complexion of the House so that the Democrats gained control after having lost at the polls. Next, the death of a state official changes the complexion of the Administrative Board from Democratic to Republican. Again the verdict of the voters at the polls is over-ruled by the Grim Reaper.

The special elections in March to replace fire victims will determine whether the administration will control all branches of the government, or an apparent dead-lock will remain in effect for two years.—Milton Carmichael in The Detroit Legal Courier.

NOT A NEW DEAL JOB

If the New Deal would enforce the teaching of youngsters, from the kindergarten up, the virtues of playing the game square, being absolutely honest, paying their just and honest debts and showing a little respect for their elders and superiors, then they would get somewhere worthwhile.—Robert Gifford in The Eaton Rapids Journal.

YES, WHAT?

What will future generations say of the New Deal in Michigan, if it results in turning normal schools into insane asylums?—Emerson Gildart in The Utica Sentinel.

WORSE THAN CRUELTY

This fooling old people about pensions is cruelty indeed.—Lawrence Towle in The Jonesville Independent.

A simple device, consisting of a thin sheet of highly polished metal cut somewhat in the shape of a kidney, is a German invention designed to bring sunshine into every home. The reflector is especially useful for directing the health-giving rays of the sun to the face by being held in the proper position. It also can be used in treating other parts of the body where solar heat brings beneficial results. The polished sheet of metal is corrugated in such a way that its many flue-like ridges act as reflectors.

Four million trees will be planted this spring as a beginning of the forest service's vast shelter belt designed to sweep from Canada to the Texas Panhandle. It is announced in Washington. Trees will be planted in strips five miles long and ten rods wide in the Dakotas, Nebraska, Kansas, Oklahoma, and Texas. Designed to provide windbreaks for cultivated land, the project was approved by President Roosevelt.

LOOKING AT IT FROM Your Side

One-sided transactions have no place in this bank. We believe in looking at both sides—yours as well as our own.

Our chief concern is to please you, not ourselves; and we will go as far as sound banking practice will let us in giving you that kind of service. Instead of doing as little as we can for our customers, our idea is to do as much as we can.

We are here to serve you, and nothing will please us so much as to have you give us the opportunity.

METHODIST CHURCH

10:00 a. m. Morning Worship
11:30 a. m. Sunday-School.
6:30 p. m. Epworth League.
7:30 p. m. Evening Worship.

Sunday is Lincoln Day in Methodist churches. Sunday morning from ten o'clock to ten thirty the Henderson Settlement in Kentucky mountains will broadcast a program direct from the missionary field of our church. In song and in speech we shall hear direct from the settlement that is supported by our World Service money. By the courtesy of Blunk Brothers store, a large radio will be installed on the platform which will be tuned in on the program of the Henderson Settlement. This particular place was started by the late Bishop Henderson of Detroit Area, and is one of the many fields of service in the Home Missionary work of our church. One of the speakers on this program will be Dr. F. W. Mueller of Philadelphia, who recently spoke in the Plymouth church. This

radio program will take the place of the usual hymns and responses, and will be followed by the anthem and usual sermon. In addition, the intermediate department of the Sunday-school will sing.

On Wednesday the Women's Missionary Society will meet at the parsonage. There will be a luncheon at noon, followed by the usual program.

General church suppers are now planned each Thursday night until the close of the month of April. Thursday night, February 14, will be the next supper. Mr. Ray Johns will speak on the subject, "What Youth Faces Today." Thursday, February 21, Bishop Edgar Blake of Detroit, will be present and will speak. His subject has not yet been announced. These will be pot-luck suppers to which everyone is invited.

At the Sunday evening service the pastor will speak on Malaya's Young People. The message will be illustrated with lantern slide pictures.

Sunday school at 10:30. Pupils received up to the age of twenty years.
Wednesday evening testimony service, 7:30.

"Spirit" will be the subject of Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, February 10.

Among the Bible citations is this passage (Romans 8:1,14): "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. For as many as are led by the Spirit of God, they are the sons of God."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 265): "Man understands spiritual existence in proportion as his treasures of Truth and Love are enlarged. Mortals must grope and grovel, their affections and aims grow spiritual—they must near the broader interpretations of being, and gain some proper sense of the infinite.—In order that sin and mortality may be put off."

Wednesday evening, 7:30 p. m.
Prayer meeting Friday, 7:45 p. m.
at pastor's home, 259 E. Ann Arbor.

All who would like to attend this prayer service are invited to come and enjoy an evening of earnest prayer and praise to our Lord and Saviour Jesus Christ. Also a time of reading His Holy word. A signpost means guidance. To refuse to read is dangerous to the traveler. The Bible is God's signpost of the road of life. It is just as dangerous for us to try to live our lives without reading the Bible. Shutting the eyes to the darker signal does not clear the track. Shutting our eyes to the punishment we know will come for sin does not keep that punishment away when we have sinned. God's word says, "For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.—Romans 6:23."

CATHOLIC CHURCH

Sundays—Mass at 8:00 and 10:00. Confessions Saturday nights at 7:30, and before each mass.
Week-days—Mass at 7:30. This hour makes it convenient for the children to attend on their way to school. All should begin the day with God.

Societies—The Holy Name Society for all men and young men. Communion the second Sunday of the month. The Ladies' Altar Society receives Holy Communion the third Sunday of each month. All the ladies of the parish are to belong to this society.

Children of Mary—Every child of the parish must belong and must go to communion every fourth Sunday of the month. Instructions in religion conducted each Saturday morning at 9:30 by the Dominicans. All children that have not completed their 8th grade, are obliged to attend these religious instructions.

Grange Lily Club To Hold Homecoming Tuesday, February 12

The Lily Club of the local Grange will hold one of the largest homecoming celebrations since it was organized...

The Grange Lily Club was formed seventeen years ago when members of the Grange degree team thought it would be a very good idea for them to form a card club among themselves...

as interest increased, and as new members were taken into the Grange. Although the first meetings were held in the homes...

Since that very first Lily Club night seventeen years ago, the organization has continued to meet on the second Tuesday night of every month...

Just lately it was decided that the Lily Club should have a big homecoming, so a committee has been appointed to arrange it.

ROCKS AGAIN USE TOBOGGAN

The Wayne basketball team continued their winning streak, this time defeating the Rocks quintet by the score of 38 to 23. This was a very fast game and also a very rough contest between these two teams. Jack Kinsey who made five out of five free shots, besides making two field goals, was high point man for Plymouth. Harrison, a fast little forward for Wayne, broke through the Rocks' defense for several field goals and he also made one out of two free shots; he was high man for the Wayne Zebra. Although Wagenschutz secured the tip off each time, the Plymouth boys were not able to stop the fast-breaking offensive play of the Wayne team.

In the first half, Harrison made two field goals and a free shot, and H. Williams followed with a hook shot from the corner. Kinsey made two free shots and then sank a long one. Wagenschutz made a free shot and Harrison then made two more baskets, while Lucas and Holmes made two free shots east. Prieskorn of Wayne, made a nice shot from the center of the court. Holmes made two more field goals and Lucas sank another free throw. Kinsey and Gordon made a field goal apiece and the first half ended with Rocks trailing by the score of 11 to 20.

In the last half, Harrison again started the scoring with a field goal. Wagenschutz and Gordon made field goals and H. Williams followed with a free shot. Wagenschutz then tipped in another basket, and Butler of Wayne made two baskets. Lucas made two free throws and Holmes made a basket. Butler made a free shot and again Harrison added two more field goals. Lucas made a shot from the corner and Kinsey dropped two more foul shots. Gordon made a basket and Patterson made a free shot. As the game ended Kinsey sank another free throw, the final score being 38 to 23 in favor of Wayne.

The Plymouth high school reserves defeated the Wayne quintet last Friday evening by the score of 24 to 20, in a very fast and exciting game. The Rocks started the scoring and made three baskets before the Wayne team could obtain possession of the ball. Wilkie of Plymouth sank three baskets the first few plays of the game. Sackett, who was transferred from the first squad, was an added help to the team, as he had the tip-off on every ceremony and reviewed all of their tenderfoot work. They have learned two new songs called "Peter, Peter, Paul" and "Four in a Boat."

Northville B Team Lose To P. H. S. Five

Plymouth drew the first blood with a quick pass from Egge. Northville then followed the example. Sackett placed one right in the basket on a quick passing play. Lyke went in the game for Gregory on Northville's team. Junod of Northville placed a free throw. Plymouth then took time out. Wilkie of Plymouth placed a free throw. Martin went in for Sackett on Plymouth's team.

Second Quarter
Northville sent Gregory in for Lyke, and Bishop in for Angove. Moe-put in a beauty from the middle of the floor. Moe was sent in for Hochkins in the Orange and Black's team. Gregory dropped a free throw and Egloff followed his example. The Rocks sent in Sackett for Egge and Northville given a perspective which fell through. Plymouth sent in Richard Delvo for Wilkie and Robert Delvo for Egloff. Martin of Plymouth sank a free throw. Angove went in for Trumble on Northville's team. Martin again sank a free throw.

The second half opened with Plymouth leading by the score of 13 to 8. Substitutions for Northville. Gregory for Bishop, Trumble for Angove. Moe made a field goal from the red line. Substitutions for Plymouth. Egge for Martin, Egloff for Richard Delvo. Wilkie for Robert Delvo. Gregory made a basket. Martin followed with a free throw. Substitutions for Northville. Lyke for Trumble.

Fourth quarter opened with the score Plymouth 14, Northville 12. Lyke made a free throw. Hochkins made a free throw. By a pretty play Sackett made a basket. Wilkie later followed with a field goal. Time out for Northville. Lyke out on fouls—Angove in his place. Moe made a free throw. Junod made a field goal. Time out for Plymouth. Sackett went out on fouls and VanAmburg came in to take his place. Wilkie dribbled down the edge and made a basket. Gregory later made a field goal. Egloff went out on four fouls. Richard Delvo came in his place. The game ended Plymouth 22, Northville 18.

Troop Committee Appointed

A troop committee has been appointed which is composed of Mrs. Barrows, Mrs. Olsaver, Mrs. Barrows, Clyde Smith and H. P. Hamill. The committee is to plan ways for the girls to go to camp.

The last meeting was Tuesday, the twenty-second, at which the girls rehearsed their investiture ceremony and reviewed all of their tenderfoot work. They have learned two new songs called "Peter, Peter, Paul" and "Four in a Boat."

Each patrol has elected an assistant patrol leader called a Second; these girls are Barbara Olsaver, Betty Korb and Jacquelyn Schopf.

The registration for twelve Scouts has been sent into National Headquarters.

Drama Club Starts New Semester

The Junior Drama Club gave a play for the Senior Drama Club in which the fifteen stage terms were illustrated. Some of these terms were given in different forms so that senior groups could distinguish between the right and wrong meanings. In this way P points were given for the number of correct responses.

Try-outs are required of any one wishing to be admitted to the club. These try-outs will be held at the next meeting.

A different kind of play was started at the last meeting. In this the actors say nothing, but act out what someone reads. The play is riotously funny because words are used throughout the play that have more than one meaning.

Central School Notes

There are thirty-three children in the morning kindergarten and ten in the afternoon. The latter are drawing pictures of black Sambo.

Jean Schepple of Mrs. Casady's room was neither absent nor tardy last semester. In language class the pupils have been learning Mother Goose rhymes. The first grade B class has thirty-one pupils and the first grade A class has nine.

Miss DeWeal's pupils have been illustrating the stories they have read. The first grade A's like their new readers very much. There is a total of thirty-nine pupils in the room.

Miss Frantz has twenty-five second grade B's and fourteen second grade A's in her room. The pupils are working on a store project which teaches them to make change and coins of three or four numbers.

The pupils in Miss Weatherhead's room are making paper shields for Washington's birthday. Nineteen children had A's in spelling last Wednesday. There are thirty-nine pupils in that grade.

The captains of the spelling teams in Mrs. Bird's room this semester are Annabelle Heller and Harold Schultz. Last semester George Rathburn's team won the contest, and the losing team furnished them a party last Friday. Mrs. Robinson visited last Thursday.

Mrs. Hart visited Miss Sly's room last week. Barbara Martin's spelling team won the contest last semester and was given a party.

Miss Widmayer's fourth grade A's are studying about the New England states in geography and are making maps concerning them. The fourth grade B's are studying about food in their geography. In art class the pupils are painting paper flags for Lincoln's birthday.

Mathew Spitz of the fourth grade A's, and Earl Spaulding of the fifth grade B's, in Miss Hornbeck's room were neither absent or tardy last semester. In the fourth grade A spelling contest William Donovan won first place and Mary Jane Schroeder second place; in the fifth grade B contest, Phillip Kisabeth was first and Yvonne Taylor was second. There are forty-nine pupils in the room.

Ruth Keefer of Mrs. Ulrich's room was not absent at any time last semester. The students are making patriotic badges for art class. There are forty-three pu-

Double Quartet Entertains Club

The high school girls' double quartet composed of Madelyn Weller, Edith Mettetal, Norma Jean Roe, Patricia Cassidy, Jewel Starkweather, Florence Norton, Barbara Hubbell and Jeanette Brown, sang two numbers last Friday afternoon, February 1, at a meeting of the Woman's Club held in the Hotel Mayflower, including "Allah's Holiday" by Frime and "Around Gypsy Fires" by Blahms. This is the second time that the girls have taken part in programs of this club.

Starkweather Notes

Four children have enrolled in the kindergarten. This past week the group has been cutting and pasting trees and houses.

The first B class, under the supervision of Miss Cavanaugh, has sixteen children enrolled. They have been reading in the Elson Pre-Primer and are learning to print their names and to count to fifty.

Miss Stuyke's first B class has forty-five pupils enrolled and the A class has twenty-nine. The children have been learning a poem, "Washing Up the Dishes," and they have been reading the book of Houses and illustrating the different types of houses. The visitors in the first grade last week were Mrs. Shep, Mrs. Fisher, Mrs. Pott and Mrs. Bawrig.

The second grade has a citizenship star on the blackboard. This star is colored in sections if the children have been polite and good citizens. The children are very proud of their clean flag and are learning the pledge to it also the first stanza of "America."

Mrs. Alice Gage, Miss Stader's sister, was a visitor last Friday. Thirteen new members have enrolled in the fourth grade, making a total of forty-seven in all. The pupils have been reading Lincoln stories in their language work. The fourth A class has been working on maps for geography.

Robert Emoth from Detroit, has enrolled in the fifth grade. There are thirty-five enrolled in this class. Dorothy Drews and Dorothy Fisher were chosen spelling captains. The fifth A class has been studying leaves in nature study so they will be prepared to name the different kinds of leaves in spring.

Doris Olsen was seriously hurt when hit by an automobile last week and was taken to the University Hospital in Ann Arbor. Although suffering from a broken hip and collar bone, she is getting along very well.

The girl squad leaders for gym in the sixth grade are Hugué Omitt, Judy Ann Ansel, Mary Ellen Dahmer and Eleanor Blessing. The boy squad leaders are Charles Bulson, Floyd Campbell, Bill Price and Andy Aquino. There are forty pupils enrolled in the sixth grade.

Senior G. R.'S See Slides

The Senior Girl Reserves enjoyed seeing two sets of slides on the subject of Hawaii at their meeting of Friday, February 1. The first set concerned "The Hawaiian Islands and Their People," it contained a map showing the general location and surroundings of the islands, pictures of several volcanoes on the islands, the various races inhabiting the region, the sports and industries of the natives, and the agricultural products which they raise.

The second set of slides contained pictures of the botanical and zoological life of the Hawaiian Islands. Many of the pictures were in colors and all were accompanied by descriptions. This program was one of a series on United States possessions.

The Intermediate Girl Reserves planned their program for last Friday on the subject of poetry. Each girl read a poem illustrating a line of the Girl Reserve code. Among the poems used were "Barter" by Sarah Teasdale and "Song of Life" by Rees, illustrating "Seeing the Beautiful," "Chant out of Doors" by Marguerite Wilkinson for Reverent to God, "If" by Kipling for "Victorious over Self," and "The Song of the Chattahoochee" by Sidney Lanier illustrating "Earnest in Purpose." The meeting was in charge of Shirley Sorenson.

P. H. S. Basketeers Lose Fast Game to Northville

Although the Plymouth basketball team was defeated by the Northville basketeers Tuesday evening, the Rocks, with a lot of determination and fight, gave their best performance of the season; the score was 42 to 31. This was the fastest game of the season between these two schools, and there were a number of baskets which caused a great deal of cheering from both schools. At the end of the first half, and also the first quarter, the local boys played circles around Northville and when the half ended, the Rocks were leading the Orange and Black five. Hoffman, star player of the Northville team, made eleven field goals and three free shots for a total of twenty-five points. Jack Kinsey was high point man for Plymouth with nine points.

In the first half, Kinsey started the scoring with a free shot. Wagenschutz and Gordon also made free shots. Kinsey then made a shot from the corner, and Marburger followed with a free throw. Hoffman sank a basket from the corner of the court, and Williams and Wagenschutz followed with field goals also. Hoffman put in two free throws and Bray followed with a basket. Hoffman made two more field goals. Hoffman sank two baskets from the foul line and as the half ended Gordon made another basket, making the score Northville 15, Plymouth 17.

The second half opened with Northville peppering the basket but failing to score points. Elliott took a long pass from Trumble and sunk a basket. Deal made two baskets, and a shot by Hoffman bounced on the basket rim and bounced in. Plymouth then took time out. Gates replaced Trumble. Elliott fouled Bray who made his free shot. Hoffman made another field goal. Elliott, after being fouled by Deal

sunk a foul shot. J. Williams for Gordon. Hoffman again made a basket after which J. Williams sunk a foul. Wagenschutz replaced Elliott. Hoffman made a basket and a free throw. Meyers made another free goal and fouled H. Williams, who after completing his free shot, was replaced by Kinsey and Bray each made baskets. H. Williams replaced J. Williams. With only one second to play, Plymouth took time out.

Thirteen points behind, the Rocks opened the last quarter with Wagenschutz sinking a field goal. Hoffman, however, quickly made two baskets before Wagenschutz's next score. A free shot was made Kinsey and H. Williams made baskets and Westphall made a foul shot. Wagenschutz left the game because of four fouls and was replaced by Gordon. After Hoffman made two more points by sinking a basket. Schiffe was replaced by Elliott. Lyke for Hoffman. Nider for Bray and Duguid for Deal. Kinsey shot a basket, the ball being in the air as the game ended.

New Officers Elected by Hi-Y

At the first meeting of the semester, Hi-Y club elected Rex Swegles as the new president. David Gates was elected vice president. Harry Shoemaker secretary, treasurer, and Jack Kinsey, student council representative.

After the election, the annual father and son banquet and other school problems were discussed by the club members. The group was undecided as to whether it has in past years or would have a meeting of only club members.

Junior G. R.'S Elect Officers

The Junior Girl Reserves elected their officers for the second semester at their meeting of Friday, February 1. The result of the election was as follows: Vice-President, Jeannette Brown; Secretary, Marion Luttmoser; Treasurer, Phyllis Stuart; Song Leaders, Edith Mettetal, Madolin Weller.

The stork twice in the same day dropped in at one home in Lenox, Ark. The first time it left a boy for Mrs. E. Shankle. The second time, a few hours later, it presented Mrs. Shankle's daughter-in-law, Mrs. Orr Shankle, an eight-pound girl, pretty and blue-eyed.

Gets Kicked In Face By Horse

Several unfortunate occurrences took place in this vicinity Saturday, each causing the victim much pain.

The first misfortune was that of Mrs. L. L. Birckelaw who slipped and fell on the ice at her home, breaking an ankle. The family resides on the old Dan Sinclair farm, north and east of here.

Stephen Schuster also lost his balance on the ice Saturday morning, breaking a rib as he fell.

George Henry suffered a very painful injury Saturday morning when he was kicked in the face by a horse. Mr. Henry was letting the animals out to romp in the pasture when one, exceptionally high spirited, kicked, striking him in the face. He was brought to the office of Dr. Lamoreaux where he was found to have suffered a broken malar bone and severe bruises. It was necessary to take three stitches to close a cut on his cheek. At this writing he is improving satisfactorily.

A company of fifteen came from Detroit Saturday to participate in a tobogganing party at the home of Edward Villeroi (the former J. J. Washburn home) in Green Oak. In the course of the evening, as the toboggan, heavily loaded, was descending the hill on one of its many trips, it swerved from its intended course and crashed into a barbed wire fence. The toboggan was broken in the crash, one of the splinters penetrating the body of Mrs. Eileen Rousseau of Detroit. She also suffered cuts from the wire. Dr. Lamoreaux was obliged to take three stitches in the wound after he had withdrawn the silver from below her hip. Two others in the party were slightly hurt.—South Lyon Herald.

A stray dog adopted three years ago by Robert Booth, chief electrician for a Chicago oil company, as a playmate for his seven-year-old son, William Robert, has made a name for himself. Mickey barked while William and several other children were playing with their sleds on a railroad embankment. Then Mickey tugged at William's legging until the boy followed him down the embankment. The other children did likewise. A moment later, a fast train roared by.

TWENTY-FIVE YEARS AGO

Mrs. Don Voorhies visited her parents here this week.

Mrs. J. G. Riggs and two children of Belleville, are visiting her sister, Mrs. Roy Lane, this week.

Mrs. J. B. Henderson and children visited relatives at Wyandotte this week.

Mrs. Carrie Markham and son Leigh, who have both been sick for some time, are on the gain now.

Mrs. P. W. Voorhies and Mrs. Bodmer entertained about twenty ladies Tuesday afternoon. After enjoying a social time a buffet luncheon was served.

The Edgeway Club gives a dance in Penniman hall next week Thursday evening, and the following evening there will be an "Old Time" dance in the same hall.

Freddie Fisher, son of Henry Fisher, had a finger on his right hand badly smashed in a collision with a sled while riding down hill.

Mr. and Mrs. Ernest Kohler and son Oren Albert of Northville, were guests of Mr. and Mrs. E. S. Cook, Maple Grove Farm, last Sunday.

Bert Robinson says he will not be able to supply all corners with ice next summer, having now contracted for all he can take care of. Those who have no understanding with him are hereby cautioned to look out for their supply elsewhere.

The children of the Plymouth Union School are collecting old rubbers to send to the Peulah Home at Boyne City for poor boys. The rubbers will be sold to a car company, ground fine, and used for car wheels, and the money used to help buy food and clothing for the boys.

Workmen of the Daisy shops discovered the roof of the house occupied by Chas. Rengert on fire last Saturday afternoon. An alarm was given, but the services of the department were not required, the blaze being put out by hand extinguishers by the Daisy employes. The fire had caught from a defective chimney.

The North End Club gave their opening party Wednesday evening, the time being spent in playing Pedro and dancing. Mrs. Monte Wood carried away the ladies' first prize and Bud Hanson the gent's. Oysters were served, and all report a fine time. The boys had their hall and club rooms, nicely decorated for the occasion.

Miss Nell McLaren will open millinery and dress-making parlors in the Conner building on Sutton street as soon as rooms can be fitted up for her purpose. A large window in the front room and the interior will be finished in mission wood. An expert trimmer from Beaver Falls has been engaged as also a dressmaker from Chelsea. The place is expected to be open for business about February 20th.

A young daughter of Mr. and Mrs. S. C. Hench had the occasion to do down cellar in her home last Sunday morning, and lighted a match at the head of the stairs. The flame came in contact with some clothing on the wall and at once there was a lively little blaze, but the fire was extinguished by a few pails of water by Mr. Hench without doing any serious damage.

NEWBURY

The Sunday-school contest continues to increase the attendance, with the blue team still in the lead. Mr. McIntyre, Mr. Kidston and Mr. Sam Guthrie sang a special number which all enjoyed. We hope they will continue the good work.

The Q. E. Circle met with Miss Mildred Gilbert on Tuesday evening of this week. They are making plans for putting on a play, "The Blue Ribbon Pie," in the near future.

The bi-monthly community "sing" will be held at the home of Mr. and Mrs. James A. McNabb this Friday evening. All invited.

Harmon Kingsley of Wayne, will have charge of the singing at the evening service next Sunday.

The funeral of Mrs. Ella Wright, sister of Mrs. Wm. J. Smith and formerly of Newbury, was held at the home of her daughter, Mrs. Harry Bassett of Wayne, Sunday afternoon, with burial in the Newbury cemetery. Mr. and Mrs. Albert Smith of Toledo; Mrs. Jennie Stocker of Brimley, Mich.; and Mr. and Mrs. Glen Smith of Plymouth, attended the funeral services. Following the services, the relatives were entertained at lunch at the home of Mr. and Mrs. Clyde Smith.

Mrs. Shepherd of Pontiac, is visiting her niece, Mrs. Jesse Thomas.

The Young People's Society will meet next Tuesday evening, February 12th, with Charles Thompson for a business and social meeting.

Are you interested in making your home more beautiful both inside and out? Join the class and learn to draw, design, and plan your color schemes. Mrs. Bertha Johnson has organized a class which meets every Saturday at 1:30 o'clock at 36715 Ann Arbor Trail, Newbury.

WEST PLYMOUTH
The Kinyon School has been closed for several days because of broken stove grates. Mr. and Mrs. Norman Miller attended last Thursday the funeral of a relative of Mrs. Miller's in Owasco.

Robbers Enter Redford Homes

Nineteen homes of the 14th Police Precinct were entered by thieves between January 1 and 17, states Sergeant Cary of Schaeffer Station.

Entry was effected in most instances through a window. In some cases the thief made entry through the milk chute, in one or two cases through the front door, rear door, side door and once through an upper window.

These breaking and entering jobs were all accomplished in the Stratmoor section only one coming as far west as Auburn avenue.—Redford Record.

United States Keeps 3c Postage Indefinitely

Washington.—The 3-cent postage rate is here to stay indefinitely.

An experimental measure it was to have been supplanted by the old 2-cent rate if it failed to bring increased postal revenues sorely needed. However, Postmaster General Farley said: "The 3-cent rate should be retained. If it is not, our postal revenues will be decreased approximately \$75,000,000 a year." The department succeeded in wiping out a deficit last year for the first time in fifty years.

Jobless College Boys Will Take Up Knitting

New York.—A group of Columbia university freshmen and sophomores, casting about for some vantage occupation for the winter, have formed a knitting club.

"It's a good exercise," explained Daniel Freedman, one of the organizers. "It gives us something to do in our spare time. It allows us to express ourselves adequately."

A professor's wife will coach the knitters who intend tackling long woolen underwear as their first opponent.

Youth Makes Dresses to Pay College Expenses

Pittsburg, Kan.—Don Riggs, twenty-two of Kansas City, Kan., who looks as if he might be a football tackle, is working his way through State Teachers' college here as a dressmaker.

Riggs, whose father is a tailor and whose ambition it is to go to Paris and serve as an apprentice in one of the great salons there, has set up shop in a little three-room apartment.

JOHN W. HENDERSON,
Mayor Protem

L. P. COOKINGHAM.

A brother and sister, twins, of Staunton, Ill. recently observed their eightieth birthday anniversary. The twins, William H. Sieners, and Mrs. William Schoenmann, are the oldest of six children, all of who lived to be past 70.

The reason why Even Leeds, 69, a farmer living near Humboldt, Iowa, never married is because he bakes his own bread. Does his own washing, ironing, darning and housework. Cooks his own meals. When he is finished with that and the farm work, he spends his leisure time piecing fancy quilts.

to adjust themselves to conditions. And very often, a dark shade on a floor or table lamp may absorb much of the light and render the lamp ineffective. However, there is an aid to better lighting that will help you. The Lighting Tape Measure (shown above) is a simple, sure device for telling what size bulbs to use in your reading, writing, sewing and studying lamps. The Lighting Recipe Chart also makes it easy to prescribe good lighting. This evening, go through every room of your home and make sure that the lighting is adequate for comfortable, easy seeing. It will pay you to attend to this important matter now.

There are no substitutes for the services of an eyesight specialist, but proper lighting helps to protect eyes, good and bad, young and old. It is not always easy to tell good lighting. You may think your lighting is adequate when it is really far from satisfactory. Your eyes will not always tell you... they will strain to read newspaper or a printed page even under poor light, trying

IN MEMORIAM

In loving memory of our dear mother, Mrs. Wm. H. Minehart, who passed away 14 years ago, Feb. 9, 1921.

We do not forget her nor do we intend. We think of her often and will not let her go. Gone and forgotten to some she may be. But dear in our memory she always will be. Sadly missed by her children. pd

CARD OF THANKS

It is difficult to find words to express our appreciation for the assistance and all of the courtesies that were given us during and since the fire that destroyed our home. We want to especially thank the fire department. Mr. Schrader, Mr. Hough, the Kiwanis members and everyone who has been so kind and helpful during our disastrous loss. Dr. and Mrs. Luther Peck.

LOCAL REDMEN VISIT LANSING

Monday evening, February 4th, fourteen chiefs and one palafate from Plymouth Ottawa Tribe No. 7, Improved Order of Redmen, journeyed to Lansing, where four Lansing palafates and the one from Plymouth were initiated by the Ottawa Tribe degree team from Plymouth. The work was put on in a very pleasing manner and after the ceremonies, a dutch lunch was served by the Lansing Tribe.

The Improved Order of Redmen are making quite a drive for new members in Michigan, especially in Plymouth, where in the past six months a gain of thirty per cent has been attained. A new tribe is being instituted at Pontiac, where on the 23rd of February, a big parade and an open meeting will be held, the public being cordially invited to attend. Some prominent speakers are expected to be present and the tribes and councils from all over Michigan will be in attendance.

Eastman Clinic Will Be Opened in Paris in 1936

Paris.—The new million dollar Eastman dental clinic will open here in September, 1936.

The deal for its construction with the fund left by George Eastman has been closed by Dr. Harvey J. Burkhardt, director of the Rochester dental dispensary, after a conference with municipal authorities and the architects, P. Crevet and John W. Chandler.

Although scheduled to be built in the French style, the inside of the new structure will follow the plan of the Eastman clinics at Rochester, Rome, and London, and will have equipment for 50 dentists.

"The plan," explained Doctor Burkhardt, "was to secure the promise of foreign municipalities to supply sites and guarantee upkeep while Eastman promised to furnish a million dollars for the erection of each building. The personnel of the clinics is chosen by the municipal councils, subject to the approval of the Rochester board of directors.

Doctor Burkhardt has just come from Stockholm where he has been lecturing the Eastman clinic there. He will go in Brussels to discuss plans for the opening of the Brussels clinic this month and will return here before leaving for America.
