Health Report Shows No Contagious Disease

According to the report of the city health officer, Dr. Luther Peck, submitted to the city commission Monday evening, there were no cases of contagious disease at the end of September. Three quarantines were reported at the beginning of the month, but these were removed and no new cases developed. This is the first month in a long time that Plymouth has been entirely free of contagious disease.

Local Grid Team Will Meet River Rouge "11" Today

Plymouth Squad Ekes Out 7-6 Win Over Wayne

Supporters of the Plymouth high school football squad will travel to River Rouge today where the Rock gridders will meet the River Rouge eleven. The local boys scored a 7 to 6 victory over Wayne here last Friday in a hard, close battle, which marked the opening of the league season for Plymouth.

The 1936 edition of the Rock team revealed a robust running attack and more than adequate punting in their victory last week, the third one they have scored over Wayne. The teams were quite evenly matched as they lined up, with Wayne having a slight edge in weight and a defense not easily broken through, but the Plymouth lads managed to gain considerable ground around the ends.

Wayne centered its attack around Sullivan, who crashed the Rock line for the visitors' touchdown. Plymouth opened strong with hard, smashing drives that set back their opponents, most of the collective plays being run by Innis and Gilles. On a run around end, Rudick scored the Rock touchdown and Innis kicked the extra point.

Sullivan was put into the Wayne lineup at this point, and the play started to center more around the new player. The Plymouth team couldn't hold the newcomer and found the ball on their own 15 yard line as the quarter ended.

The second quarter was more or less all Wayne's as they made continuous drives that were set back by good punts from the Plymouth backs. At the end of the half the score was still 7-0.

The second half was full of excitement from the beginning. Wayne took the offensive and began pushing Plymouth back, but the home lads put up a stiff defense and held them off until Wayne recovered a Plymouth fumble. Then Sullivan ran around the end for a touchdown. It was a tense moment when the ball went sailing end-over-end toward the goal post for the extra point, but Lady Luck had mercy on Plymouth that time and it missed.

There was no more scoring and the game ended 7 to 6 with Plymouth out in front.

Extension Course Will Be Offered

For homemakers who are interested in laws which have special reference to women, the home and the family, the extension division of Michigan State college will give a short course of two lessons here, the first one to be at the home of Mrs. Max Trucks, 427 Blunk avenue, at 7:30 o'clock Tuesday evening, October 13.

The local leaders in charge of the lesson are Mrs. Glenn Gordon and Mrs. C. W. Ferguson. The discussions will take up information on legal and business practices which affect the homemaker either directly or indirectly. Much helpful information is included in booklets entitled "Legal Phases of Home Management," by Paul Wetzel, which will be distributed Tuesday.

These extension courses are open to all interested homemakers free of charge.

Mr. and Mrs. Henry Klatt Are Honored on 55th Anniversary

Children Make Day Happy Occasion For Respected Couple

Mr. and Mrs. Henry Klatt, who reside on Warren road just east of Wayne road, were honored by their children and grandchildren Tuesday evening, September 29, on their fifty-fifth wedding anniversary. A special dinner provided by the guests marked the occasion.

Miss Ellen Richards married Henry Klatt on September 29, 1881, in Novi, where the young couple lived for a year. Since that time the Klatts have lived in this section, within three miles of where their present home is located.

Six children were born to the couple. They are Carl Klatt, of Wayne; Mrs. Della Hauk, of Plymouth; Mrs. Myrtle Witt, of Plymouth; Mrs. Blanche Preston, of Wayne; Mrs. Lella Bock, of Milan; and Mrs. Hazel Dethloff, of Plymouth. There are also 16 grandchildren and eight great-grandchildren.

Thirty-two relatives were present at the celebration last week. Last year, on their fifty-fourth wedding anniversary, Mr. and Mrs. Klatt's children presented them with a cow. This cow, which is shown in the picture, is one of the old couple's most cherished possessions.

Frank Murphy Plymouth Guest

Hon. Frank Murphy, former mayor of Detroit and now high commissioner of the Philippine islands, who is the Democratic candidate for governor, was the guest of honor at a luncheon at the Mayflower hotel Thursday noon.

The coming of Mr. Murphy to Plymouth was not announced until Wednesday afternoon when his campaign committee found that it would be possible for him to come to Plymouth for a noon meeting Thursday.

Local Democratic leaders quickly made arrangements for his visit and a large crowd greeted him at the luncheon. A complete report of the meeting will appear in the next issue of The Plymouth Mail.

Burns Are Fatal To Hale Zander

Hale Zander, 20-year-old son of Mr. and Mrs. Charles Zander of Ford road, died Thursday, October 1, in University hospital, Ann Arbor, from burns received when he aided in taking stock from the Atchison barn which burned August 9.

Funeral services were held Monday, with the Rev. Robert North, of Plymouth, officiating, and burial was in Sheldon cemetery. Surviving, besides the parents, are a sister, Mrs. Gladys Lang of Wayne, and five brothers, Carl, Bert, Harvey, Earl and Howard.

League To Study Social Security

The Plymouth League of Women Voters will hold its second meeting of the season Friday afternoon, October 9, at 2 o'clock at the home of Mrs. Bruce Woodbury, 1462 Sheridan avenue.

The time will be devoted to a round table discussion on social security legislation, with the various phases being introduced by Mrs. Warren Worth, Mrs. Perry Richwine, Mrs. Arthur Todd, Mrs. W. R. Freyman, Mrs. Ray Johns and Mrs. Edward C. Eckert.

The four constitutional amendments which Michigan voters must consider November 3 will be presented and explained by Mrs. Ruth Huston-Whipple. Prospective members and members are invited to attend.

Stag Day At Country Club To Be October 29

The annual stag day and fall roundup at the Plymouth Country club this year will be held Thursday, October 29.

There will be a special tournament and excellent food, according to William Chaffin, who is in charge. The affair is for men only, no women being invited to take part.

Westbound No. 3 Train No Longer Stops Here

Effective last Sunday, the Pere Marquette railway shortened the schedule of westbound No. 3 for Lansing, Grand Ledge and Grand Rapids, cutting out the stop at Plymouth. Plymouth was formerly a flag stop at 9:14 a.m. for this train. Now it will not be stopped unless there are passengers from the Toledo train changing here, according to Frank Hamill, passenger agent.

Detroit Speaker Guest Of Woman's Club Here Friday

First Meeting Of Season Held Friday At Mayflower

The Woman's club of Plymouth had a most interesting afternoon Friday, October 2, at the Hotel Mayflower. Luncheon was served at 1 o'clock in the coffee room.

After a brief business meeting Mrs. James Sessions sang two original numbers, "Tea Leaves" and a "Chinese Folk Song". She was accompanied at the piano by Mrs. M. J. O'Connor.

Mrs. Winnet Johnson Walker, of Detroit, was then introduced to the club. She spoke on her trip to Siam from the time they left San Francisco, describing the different places they saw before reaching Siam. Then she gave a very descriptive narrative of Siam, the people, customs and industries.

Mrs. Walker displayed several very beautiful oriental costumes. It was interesting to know that she went to Siam as a bride and spent 14 years there, her husband being an eye surgeon.

The next meeting will be on October 16, with a trip through Greenfield Village and the Ford Rotunda. All members are asked to meet at the Hotel Mayflower at 1 o'clock. Mrs. Warren J. Worth is chairman, assisted by Mrs. J. T. Chapman, Mrs. J. W. Blikenstaff, Mrs. Warren B. Lombard, Mrs. Elton Ashton, Mrs. Paul Butz, Mrs. Ray Glider and Mrs. William Fetz.

Girl Prisoner In City Hall

Locked behind the big doors of the city hall, it required the assistance of some of the officers of the Plymouth police department Tuesday afternoon late to bring about the release of Miss Rebecca Obsnuck, efficient and hard working clerk of the Michigan State highway office in Plymouth.

It seems that this busy young lady doesn't watch the clock when she is working for the great state of Michigan and 5 o'clock in the afternoon doesn't mean the same to her as it does to some other folks.

The other day local highway officials found it necessary to send Miss Obsnuck up to the city hall to make copies of some information the department needed badly.

So busy was the young lady at her work that she did not realize that the time of day had arrived for her to quit work and go home. In fact, she never heard the city officials and employees close down their desks and leave the city hall. As the last one left, the big front door was locked, and there securely imprisoned in the city offices was the young lady from the highway department.

Not until it grew so dark that she realized it was time to quit did she discover her plight. She could find no one in the big building. She tried all the doors, and not one could be opened from the inside.

And what does a young lady do in such a plight? Why, simply call the newspaper office and find out how the city hall can be unlocked from the outside, if it cannot be unlocked from the inside. Quickly the police were located and the unwilling prisoner was given her freedom.

Miss Rebecca declares that hereafter when working outside the highway office, she is going to watch the clock more carefully than she did the other day when employed up in the city hall.

Legion Auxiliary Installs Officers

New officers of the women's auxiliary of Myron H. Beals post, American Legion, were installed in ceremonies held Wednesday afternoon at the home of Mrs. Chauncey Evans. Mrs. Thelma Bailey, of Birmingham, new district committee woman, acted as installing officer.

The officers are: Mrs. Cicely Evans, president; Mrs. Frances Ayers, first vice-president; Mrs. Marie Anderson, second vice-president; Mrs. Lucille Keefe, secretary; Mrs. Gertrude Simonsen, treasurer; Mrs. Alma Moyer, sergeant-at-arms; and Mrs. Annie Henderson, chaplain.

Refreshments were served following the installation. Mrs. Gladys Ryder, retiring president, was in charge of arrangements.

Mr. and Mrs. George Evans and family of this city and her parents, Mr. and Mrs. Delbert Avery, Sr., of South Lyon, visited Mr. and Mrs. Edward Avery in Birmingham Sunday.

Financial Condition Of City Is Outlined

Parnell McKenna

Michigan State To Honor McKenna

Plymouth Resident, One Time Stellar Athletic Star, To Be Alumni Banquet Guest

An unusual honor will be accorded Parnell G. McKenna, assistant district engineer of the Michigan State Highway department here, on October 17 when he will be the guest of the Varsity Alumni organization of Michigan State college at their annual homecoming meeting and banquet in East Lansing.

McKenna, who was graduated from M. S. C. then the Michigan Agricultural college in 1910 was one of the East Lansing school's stellar athletes of all times. He was a member of the football team for four years, earning four letters in that sport and serving as the captain of the team in 1909. He also was a member of the basketball team four years, received four letters in that sport and was captain in 1909. In addition he won honors as a track man.

For four years McKenna was the mainstay of the Aggie grid team at halfback, playing with such brilliance that he was mentioned by newspapers throughout the country as the out-standing halfback choice on All-Western eleven. During this time his team lost only three games on hard schedules, and held the University of Michigan to a scoreless tie when the Maize and Blue made its first trip to East Lansing. In the last game of his career he was seriously injured.

McKenna was the second of his family to achieve athletic fame, a brother, E. B. McKenna having been a member of football, baseball, basketball and track teams, and captain of the football team in 1905.

Not only was McKenna a star athlete, but he was active in other campus activities as well. During his sophomore year he served as president of his class. He also was a member of the athletic council.

Plans for the coming celebration are well under way. It will start Friday evening, October 16, with a smoker for returning varsity men at the Hotel Olds. Saturday noon there will be a luncheon and business meeting in the club rooms on the third floor of the Men's Union building, and at 6 o'clock in the evening, following the homecoming game with the University of Missouri, the testimonial banquet for McKenna will be given. Chester L. Brewer, who returns to East Lansing that week-end with the Missouri team, also will be honored by the Varsity Alumni and the Athletic Council at this dinner.

Choir Will Sponsor Community Singing

Because of the increase in popularity of the "community singing" over the radio, the choir of the Methodist church has decided to sponsor an evening's entertainment of old songs, with choir members and audience participating.

"Aunt Mathilda's Old Fashioned Sing" will be held in the M. E. Community hall Friday, October 16, at 8 o'clock. Everyone is invited to attend and enjoy an evening of song and fun. There will be all types of songs, old and new, for young and old.

Report For Fiscal Year 1935 - 36 Made Public

Bond Situation Since 1896 Included In Detailed Survey By Auditors

In order to give the taxpayers of Plymouth a picture of the financial condition of the city at the end of the fiscal year, June 30, 1936, a statement of condition appears elsewhere in this issue of the paper.

The auditor's report summarizes the year's operations as follows:

Appropriations	\$66,000.00
Add refunds	
and disbursements	1,737.30
Actual income	
in excess	of estimated 5,610.16
	7,347.46
Total	\$73,347.46
Deduct fund charges	68,712.90

Increase in fund balance, 4,634.56. For the entire fiscal year from July 1, 1935 to June 30, 1936, the financial report shows: Cash on hand at the beginning of the year, \$12,520.53; total receipts, \$240,128.90 (all funds—cemetery, water and general); and total disbursements, \$216,450.87. The cash on hand, \$24,676.03, is divided as follows: Waterworks, \$7,568.94; general fund, overdrawn \$5,450.93; and special assessment sinking funds, \$22,556.02.

During the year \$3,000 in bonds were retired which could have been held over, but it was deemed the best policy to take them up, according to City Manager Clarence H. Elliott. Mr. Elliott also pointed out that the city has been handicapped by trouble with the water system, and that the overdraft in the general fund includes that of the cemetery fund, approximately \$1,400. This was occasioned by the fact that only \$45.88 was received from the trust fund income up until June 30, 1936, but that the check usually received before that time, in the amount of \$1,574.90, was received in July. If this amount had been included in last year's receipts the cemetery fund would have shown a credit balance.

The report shows that there were due June 15 and unpaid, paving and sewer bonds of the issue of June 15, 1928 amounting to \$3,000, with interest of \$366. Unpaid personal taxes outstanding were: 1929—\$15.00; 1930—\$20.25; 1931—\$23.75; 1932—\$30.00; and 1932 winter roll—\$257.36, making a total of \$346.36.

The waterworks department showed a net profit of \$3,659.75 after depreciation, with expenditures in additions and new equipment capitalized and properly charged. Included in the report is a complete history of the bond situation from 1896 to the present, showing the date of each issue, amount, interest, what each issue was for, amount due July 1, 1935, amount paid during 1935-36; and balance unpaid. The water bonds, paid from the water fund, showed \$8,000 paid during the past fiscal year and \$91,000 remaining to be paid. Sewer bonds, paid from the general fund, showed \$8,508.89 paid and \$94,628.00 due, and paving bonds, also paid from the general fund, \$2,491.11 paid and \$14,371.12 due. For special assessment bonds, paid out of the special assessment fund, \$41,000 was paid in cash and \$30,000 through refunding issue, leaving \$84,000 due. Cemetery land contracts, paid from the cemetery revenues, showed \$1,250 paid and \$11,750 due.

This leaves a net indebtedness of \$271,750, or approximately 5 1/2 per cent of the total valuation. The general fund bonded indebtedness is a little over 2 per cent, the state law allows a 3 per cent bonded indebtedness for the general fund. Long term improvement programs are being worked out with the idea of not floating any more bond issues, but of paying off the present indebtedness and then proceeding on a pay as you go basis. Mr. Elliott explained some of the present bonds will run until 1950.

Lies Dead In Home Over Week

James H. Palmer, Who Lived Alone, Believed Victim Of Stroke

James H. Palmer, 83-year-old retired farmer, who has lived for a great many years at 522 Adams street, was found dead in his home Monday night by members of the Plymouth police force.

When the aged man, who lived alone, was not seen about his place for several days, neighbors became apprehensive that something might have happened to him and the officers were called.

They found his body, fully clothed, lying on a bed, where he had apparently fallen backward.

Police believe that he probably died some eight or nine days before his body was found. He was last seen about his place on Sunday, September 27.

Neighbors at first thought nothing of the fact because they had heard that a sister, Mrs. Court, who resided west of Cherry Hill had died on the previous Friday. They told officers that they thought maybe he had gone out there to her funeral and had remained in the Cherry Hill neighborhood, but when he finally did not return, they became somewhat fearful and notified officers.

Dr. J. P. Nalbant, 518 South Main street, who was called, stated that Mr. Palmer had apparently died as the result of a stroke.

The funeral was held Tuesday afternoon from the Schrader funeral home, Rev. Norton officiating. The body was placed in the mausoleum at Riverside. Mrs. Palmer died a number of years ago. There are no children.

Purity Will Hold Anniversary Sale

David Galin of the Plymouth Purity Market is celebrating the ninth anniversary of his business in Plymouth with a sale which will open Friday and continue for the remainder of the month. Many outstanding specials will be offered Plymouth housewives during this time.

Mr. Galin has been preparing for the sale for two weeks and the store is now completely re-decorated and repainted, new shelves installed and the stock of merchandise greatly increased.

This will be the biggest anniversary sale in the history of the Purity Market. The store will open Friday and Saturday evenings. With each meat purchase amounting to \$1 or more, customers will be given free a ring of homemade bologna.

The flavor and fine quality of the bickery sausages, which The Purity Market manufactures, has made these products very popular in this area. The anniversary sale will offer an opportunity to get the best of home-prepared quality meats at great savings.

Mrs. J. R. McLeod returned home from Farmington, Sunday, where she had been the past three weeks caring for her daughter's family while Mrs. Heeney was in Harper hospital.

Two Nights To Make Store Over

Customers Amazed At Improvements A. & P. Made Over Week-End

Seemingly in the twinkling of an eye the big A. & P. store in Plymouth was made completely over between closing time Saturday night and opening time Monday morning. When customers called at the store Monday morning they were amazed to find the place entirely remodeled, repainted and rearranged.

The improvement is especially convenient for customers as it enables them to sid materially in the selection of their own merchandise. Many new items have been added to the line of goods carried.

Managers Stark and Peabody and all of the clerks are especially anxious to have their host of friends call and see how much the store has been improved and what can be done in a short time if one really decides on doing something.

May Register Up Until October 24

Qualified electors who are not properly registered to vote in the general election November 3, must register not later than Saturday, October 24, if they wish to have part in the important decisions to be made at the polls.

Residents of the city may register any day except Sunday or a legal holiday at the office of C. H. Elliott, city clerk, between the hours of 8 a.m. and 5 p.m. On October 24 the board of registration will be in session at the city clerk's office from 8 a.m. to 8 p.m. to receive last minute registrations.

Plymouth township's electors should apply for registration at the home of the township clerk, Norman Miller, 640 Ridge road, on any day except Sundays and legal holidays up to and including October 24, the second Sunday preceding election.

Harry Wolfe, Livonia township clerk, will be at the Watts drug store on Plymouth road, Rosedale Gardens, Friday, October 16, and Friday, October 23, for the purpose of taking registrations. Qualified electors already properly registered on or after May 1, 1932, whose registration has not been cancelled for failure to vote during a two-year period, need not re-register.

Richwines Back From West

Attorney and Wife Enjoy Trip To Pacific Coast — Miss Snow Storm

Attorney and Mrs. Perry W. Richwine returned Monday forenoon from an automobile trip that took them to California, where Mr. Richwine was called for business reasons. When he decided to go early in September, he arranged to add a little extra time for the trip so that they might thoroughly enjoy a fall automobile tour in the west.

In going out to the coast, they encountered considerably rainy weather, but had good roads all the way, with less than a hundred miles of detours because of road or bridge construction.

"The weather was about the same as here. We went in bathing in the Pacific ocean as well as in Salt lake. Everywhere you go in California they talk plenty of politics both for and against the administration. We were just back of the big snowstorm that swept over Wyoming a day or two before we reached there on the way home. There was plenty of snow along the side of the roads where it had drifted," stated Mr. Richwine.

The Hollywood fad of growing whiskers on the upper lip seemed to have caught the well known Plymouth attorney. He has done a better job in growing a moustache than most of the moustache beginners about here.

Market Installs New Refrigerator

Carl Shear, of the Plymouth Buck Sales agency, has just completed the installation of a Frigidaire system for Ben Dinkgrave, of the Penman Market.

This is the newest and most modern thing in refrigeration equipment and includes not only a large refrigerator, but a cooling system for the meat counters as well.

The ancestors of Governor Al Landon, Republican candidate for President, were a combination of English, Scotch, Irish and Dutch.

Angove Is Speaker At Safety Meeting

Percy C. Angove, of Northville, executive secretary of the Michigan Society of Crippled Children and formerly superintendent of the educational division of the Wayne County Training school, was the speaker at a safety meeting held Tuesday evening at River Rouge high school under the auspices of the downriver division of the Detroit Industrial Safety Council.

Mr. Angove, who is well known in Plymouth, spoke on "Human Engineering." The program included also songs by Thelma Bow, radio artist, several numbers by the Great Lakes Steel male chorus of 30 voices and a group of acrobatic dance acts.

Fluelling To Build In Spring

New Downtown Service Station To Be Started On April 1st

Earl Fluelling, who has made arrangements to build a new and modern service station on the portion of the former D. U. R. lot he purchased some two years ago, with a long term lease to Harold Coolman, has decided not to start the erection of the building until April 1.

Meanwhile Mr. Coolman will conduct an automobile sales business from the present property, having taken over the used car lot from Wendell Lent.

Mr. Fluelling states that the plans are being somewhat revised but that when the structure is erected it will be a credit to the city.

The deplorable condition of the paving on Main street from Penman avenue north to Gravel avenue, was called to the attention of the city commission Monday night by Mr. Fluelling and Attorney Ford Brooks. The city officials stated that the complaint would be given proper attention, and that when the new service station is erected the street will be repaired.

Salvation Army Needs Cash

Will Start Campaign Next Week To Raise Funds For 1937

Under the leadership of Captain Harold Conlin, the local Salvation Army corps will institute its annual two-week drive for funds on Tuesday of next week.

A financial statement of activities in 1935-1936 shows that the total income from all sources totaled \$2,434.61, while expenses came to \$2,352.65, leaving a balance on hand of \$81.96. The budget for next year calls for \$2,682 to care for estimated expenses of that amount, with \$1,200 of it the goal of the campaign which opens next week.

The past year's accomplishments have been summarized by Captain Conlin as follows: Prison work—96 meetings attended, total attendance of 13,875, 770 publications distributed, eight Bibles and Testaments distributed, and 275 converts.

Relief—575 garments and pairs of shoes distributed, 223 total families, totalling 1,200 individuals, aided, 12 articles of furniture given away, 100 pounds of fuel distributed, and 95 hours spent in sewing for the needy.

Transients—six lodged and eight meals served; employment—five applications and three placements.

Special relief—148 families fed, 578 dinners provided, 300 toys distributed, and a total of 878 given special relief; visitation—1,224 families visited and 988 hours spent in visitation.

Religious—113 open-air or street meetings with 865 members in attendance, 207 indoor services with 3356 in attendance, and 38 conversions.

Pay-as-You-Go

The only elective public office Governor Al Landon has ever held is that of governor of Kansas, in which he has served two terms, and has given to the state four years of unusual administration on a strictly pay-as-you-go basis.

Paying It Back

For each dollar any American farmer received from the Roosevelt administration he and his children will have to pay back nearly two and one-half dollars as their share of the money spent by the New Deal.

Group From Here At Garden Club Meeting

On Thursday of last week Mrs. Paul Wiedman, Mrs. J. Merle Bennett, Mrs. George Cramer, Mrs. C. L. Cowling, Mrs. Henry Baker, Mrs. James Sessions, Mrs. Sam Spicer and Mrs. Louise Tritton, members of the Plymouth branch of the Woman's National Farm and Garden association, were guests of the Detroit branch at a luncheon at Meadowbrook Country club. In the afternoon, T. Glenn Phillips, of Northville, gave a very interesting talk about flowers, trees, shrubs and gardens in general after which he invited the ladies to tour the lovely gardens of his home.

On Monday, October 12, the Plymouth branch will meet with Mrs. Ernest Meininger, 40663 Ford road, the meeting starting promptly at 2 o'clock. James Fisher, of the Lorrain Seed company of Detroit, will speak on "Perennials for continuous bloom throughout the season."

Finger Prints Boy Scouts

Captain Chas. Thumme Talks To Boys — First To Be Finger Printed

At the request of the national council of the Boy Scouts of America that all Scouts and their leaders assist in the program for universal fingerprinting by having their prints taken, members of Troop P-1 of Plymouth have been fingerprinted by Captain Charles Thumme, identification officer of the Plymouth police department. Troop P-1 is the first troop in this vicinity to comply with the orders from national headquarters.

The troop is under the command of Scoutmaster Sidney D. Strong and his assistants J. Rustling Cutler and Edward Martin. These men had their prints taken

for the government files, as well as the boys.

Capt. Thumme gave the boys a talk on the history of fingerprinting and other methods of identification, comparing their uses. He showed the Scouts how to take prints and how to locate them on surfaces by dusting with the proper powder or use of chemicals. He explained that fingerprints are not used only in the apprehension of criminals, but to identify unknown dead and amnesia victims.

Troop P-1 meets every Thursday night at 7:30 p.m. in the recreation room of the Plymouth City hall, usually with a full attendance. They have an interesting program laid out for the winter months, to follow the lesson on fingerprinting.

Come to the Bank and make your arrangements for the loan and then go to your dealer and pick out the car you want to buy telling him that you want the matter handled through the Plymouth United Savings Bank and for him to get in touch with us. After signing the loan papers at the bank the money is available for him.

Example of financing:
Total cost of Car: \$600.00
You pay in cash or trade in: 200.00
1/3 of total: 400.00
You owe a balance of: 400.00
Plus:
The total cost of this loan to you at 5 1/2% plus 25 cents for recording chattel mortgage: 22.25
Total amount of note: \$422.25
You pay eleven easy monthly installments of \$38.00 each and the balance in the twelfth month of \$26.25.

5 1/2% Interest

NOW... new cars are being introduced by manufacturers and dealers everywhere... you can buy that new car that you want through the auto loan plan of this bank. Winter is ahead when you will be glad to have the comfort, security, and care-free operation of a new modern automobile.

You naturally go to your bank, your confidential financial advisor, when you want a loan on your home or need money to modernize and repair your house or to make some worthwhile purchase. Now... this same easy economical way... you can borrow money... quickly without delay, without red tape, to pay cash for any new car you buy... provided, of course, that your credit position is satisfactory. And under this plan you are assured of the same favorable low cost terms no matter what make of new car you buy.

Here indeed is a dignified and convenient arrangement available through this bank. Besides if you finance your car this way you will contribute to the general welfare of the community by keeping local funds employed at home.

You may take up to 12 months... a year to repay... in convenient monthly installments which include payment of the principal and moderate interest at \$5.50 per \$100 charged in advance, plus the cost of insurance on your car.

Come in TODAY... Talk with us about this plan... it costs nothing to inquire. We will be glad to be of assistance.

Shrine Club Party, Oct. 29

Fred D. Schrader, president of the Suburban Shrine club announced today that plans have been made for the staging of a huge Halloween party by that organization. The affair will be held at the Hotel Mayflower on Thursday, October 29, and it is hoped to make this the biggest event ever held by the club.

Townsend Club Meets October 19

On October 5, the regular meeting of the Townsend club, No. 1, of Plymouth was held in the Grange hall. It was a meeting filled with interesting talks, reports, reading of bulletins and special business. On Monday evening, October 19, the next meeting will be held and a very interesting speaker is promised. There will be no meeting of the club on October 12, plans having been changed. It is hoped that all the members will be present on October 19, and all others interested as they will be always welcome.

Mr. and Mrs. Leslie Freedle entertained friends from Detroit Sunday.

Mrs. Henry Hauk, Mrs. Elmer Schultz, Mrs. Victor May, Mrs. Willoughby Wisely, Mrs. Gordon Gill and Mrs. George Gill were guests Friday afternoon of last week of Mrs. Stanley Atwell of Ypsilanti.

Charles Gill spent the weekend with Mr. and Mrs. George Gill and attended the football game in Ann Arbor Saturday afternoon.

The Ladies' Aid society met with Mrs. Florence Stuart of Detroit Thursday for dinner.

Mr. and Mrs. James Burrell called on Mrs. Annis Sears of Milan Sunday afternoon.

The young peoples' meeting was held with John Wisely Tuesday evening.

Blunk Bros. Add Space

Furniture Department Now Covers Nearly 15,000 Square Feet

By the addition of the floor space above the Dodge Drug store, Blunk Bros. now have nearly 15,000 square feet of floor space for their rapidly growing furniture department. During the past week alterations have been completed which add to the furniture store the old club rooms that served a number of Plymouth residents for a great many years. The recent addition gives to the Blunk Bros. store all of the second floor space above the Dodge drug store, the Willoughby shoe store, the Community Drug store as well as above the big dry goods department of their own store.

This vast amount of floor space now utilized by the furniture department does not include the floor space used for the dry goods department or the electrical appliance department. Blunk Bros. feel highly gratified over the remarkable growth the store has experienced in the past two or three years, at a time when business expansion has not been general. It is their intention to keep on expanding the big store just as long as business and Plymouth continues to grow.

This Week & Maybe Next

Restful Plymouth air took its toll of Michigan pigskin toters Saturday as most of the boys were awake only a few minutes during the game. Clair Mahen claims it's Mayflower beds, not air.

Pheasants will witness more gun shot this year than ever before. Jack Taylor will take his vacation during the hunting season.

Sideline suggestion — change Michigan slogan from punt, pass and pray to Punt, Pass and Play.

Parnell McKenna, one time Michigan Agriculture (State) College star has been seen throwing a few passes around the Highway grounds getting in shape for his big doings at Lansing next week.

The annual Plymouth duck hunters ball will be held Saturday night at Dr. Thummes in Sebewing. Doc reports that Mat Powell has leased 400 acres of marsh for Saturday and Sunday, and as far as can be learned now all the boats available are rented by Mat in anticipation of keeping hunters away from his grounds. Supper will be served at 9 in the regular spot at Frankenthall.

Three shell shooters include Doc Champe, Russ and Mat Powell, Bert McKinney, Dave Bolton, Harry Lush, Bill Rambo, Doc Butz, Bump Downing, Jack Taylor, Jake Stremmich and many others. Some unannounced because their wives are not sure and others still trying to make up their minds to brave the raining pellets secured from Plymouth sporting goods dealers.

Flash—Kipke considers sending Michigan band to Plymouth tonight to rest, instead of football team. Not a bad thought.

Myron Mawhorter returned here Saturday to attend the State-Michigan game and help Glenn Smith draw a map of the country around Baldwin in anticipation of the latter getting lost tracking a buck up and down U. S. 37 during the season. Glenn says he feels pretty safe tho after spending all summer in Riverside Park.

Lost—Two sets of season tickets to Michigan football games, Edwin A. Schrader.

Walt Harms returned home from a weeks visit in Kansas a day or so ago and observes that he thinks Landon will carry the state.

Proficient in housebreaking is Roy A. Fisher who locked himself out of his office and spent Sunday morning cutting glass from an 18 inch window. Removing the glass Roy hoisted himself in and opened the doors. Put this on your list for future reference.

Another story back from Kansas with Walt Harms is the one his father told him in explaining the grasshoppers' preference for some fields and entirely overlooking others. Those fields that were not touched belong to people who were on relief and Mr. Harms, Sr. states that they sprinkled government flour around the fence line, thereby filling the grasshoppers to such an extent that they were satisfied and hopped away.

Detroit Man Buys Golf Course Here For Estate

Frederick A. Voldrecht, through Roy Fisher of this city, has purchased the Plymouth Hills Golf course of 54 acres from Sam Hicks, the owner. Mr. Voldrecht, who lives in Detroit at the present time, owns the Wire Cloth Manufacturing company which is located in Wayne.

The new owner has stated that he plans to build a magnificent new house in the center of the land, using the remainder as an estate, which he plans to beautify and make one of the outstanding show places in this area. Although detailed plans have not as yet been made public, it is understood that construction on the new house will be started in early spring.

Play-Off Series Will End Sunday

Championship of the Michigan Inter-County Baseball league will be decided Sunday at 2:30 p.m. in Riverside park when Cass Benton and Garden City will meet.

Garden City defeated Cass Benton Sunday to even up the play-off series. Each team now has a record of two victories and one defeat. Winners of the game Sunday will be officially declared the league champions and will be presented with a trophy significant of this leadership.

Kiwanis Shoot Is Big Success

The annual Kiwanis rifle shoot, which opened Wednesday night at the Powell garage on South Main street, is proving to be one of the most popular sporting events of the year. A fine crowd is turning out for the affair, according to James Gallimore, general chairman.

Thirty-five teams have been organized to take part in the competition, which will continue until 10 o'clock Saturday night. The women's shoot was held Thursday afternoon, with special prizes for the high scorer on each team. The men's teams are made up of 10 members each and prizes will be awarded to the high individual scorer each night, the high individual scorer on each team, and members of the high scoring team, while a cup will go to the highest individual scorer shooting as a member of a team.

The general committee assisting Mr. Gallimore is made up of Edwin Schrader, Earl Mastick, Ernest Allison, Robert Jolliffe, George Burr, H. J. Fisher, Ed. Huston and Steve Wall. Other committee men are Carl Caplin, Leonard Murphy, Sterling Eaton, Harry Nelson, Leslie Daniels, Herman Bakhaus, H. J. Fisher, Warren Worth, George Burr, Carvel Bentley, Claude Dykhouse, Robert Lee, Fred Lee, Russell Roe, Norman Denne and George Chute.

Local Women At State Convention

Attending the state convention of the League of Women Voters Tuesday and Wednesday of last week in Flint were Mrs. Clarence H. Elliott, Mrs. Bruce Woodbury and Mrs. Ray Johns, representing the Plymouth league. There were over 100 registered delegates, and a large number of visitors attended the banquet.

After the business meeting Tuesday morning, department conferences followed a noon luncheon. Mrs. Fred Johnson, state chairman of the division on state government and its operation, introduced Mrs. Siegel Judd of Grand Rapids, a member of the Michigan Civil Service Study commission who was chairman of the afternoon program.

Mrs. Orville Bond, president of the Wayne county League of Women Voters, spoke on "The Proposed Civil Service Law for Michigan—What It Would Mean to Taxpayers." Mrs. Trevette Chase, president of the Grand Rapids league, told what the law would mean for citizens, and Dr. Lillian Smith discussed it from the standpoint of the state employee. Maxwell DeVoe, field representative for the Civil Service Assembly of the United States and Canada, Charles Yard, of the Public Administration Service, and James Mitchell demonstrated how the civil service law should work. Mrs. Judd spoke on how the law can be attained and maintained.

Esther Conklin and Sanford Shattuck Wed

The marriage of Miss Esther Conklin, daughter of Mr. and Mrs. John Conklin of Ann Arbor, to Sanford Shattuck, son of Mrs. Le Roy Naylor, of Plymouth, was quietly performed Thursday morning in Angola, Indiana, by the Presbyterian minister in that city.

Mr. and Mrs. Shattuck plan to tour Kentucky, spending about two weeks away. When they return to Plymouth they will reside at 278 Blunk avenue.

On Thursday of last week the employees of the local Bell Telephone company, of which Mrs. Shattuck is a member, honored her with a party and on Wednesday evening of this week Miss Katherine Kahl entertained for her.

A host of Plymouth friends extend best wishes to the happy couple.

Early Settler Tells How First Mill Was Erected In Plymouth

A. B. Markham Made A Crude Machine From Oak Tree

Editor's Note: This is the third installment of the article on early days in Plymouth which A. B. Markham, one of the first settlers here, read before the State Pioneer society February 6, 1877.)

One day an old Indian came to my shanty while I was cooking pork and beans. It was raining and he stopped during the rain and went on. I went to work. When I came in from work I thought I would have a good supper, but there was no food in the house. The old redskin had returned and taken everything eatable—pork and beans and all that I had in that line leaving not a morsel for myself for supper or breakfast. After bringing down all the curses I could on the fellow's head, I went ahead to try to prepare something. He left me flour but took all my pork, some twelve or fourteen pounds, loaf of bread, etc.

The deer at that time were very tame for they had not been hunted much.

As soon as the snow went off the ground in 1826 Mr. Benton, Mr. Phillips and myself were busy making roads, causeways, etc. for a good portion of our time. There came settlers and we had fun at the log cabin raisings as well as hard work. But we were all kind and generous and no unhappiness existed. We were all poor alike and all rich alike. We had no lawyers, doctors, or priests to make dissensions among us. We were a happy people.

There were no mills nearer than Detroit on one side and Pontiac on the other. All had to go or send to one or the other of these places for groceries, nails, etc. or to go without, which many did.

I built the first mill in the town and ground the first meal. I was two whole days building the mill and it answered very well for grinding corn. Two boys or men could grind or even women could grind a bushel in an hour. Two men could do it in less time. Many people ground their corn at this mill. Each one did their own grinding.

The mill was making good meal. It was made in this manner. I felled a large oak tree, very tall and very straight, flattened the upper part of it seventy feet, then struck two lines a foot apart along the length of the flattened part and dug a trench ten inches deep, in a triangular shape seventy feet long. I then sawed off a wheel from the butt end of the tree one foot thick and brought the surface of the wheel to fit the trough, then put a hole through the center for the axle and allowed it to project four feet on each side to take hold of to run the wheel in the trough and the thing was done and in running order. Now put into this trough a half bushel of corn, run the big wheel back and forth for twenty minutes and you have a fine dish of meal. This was the first mill made in this town.

Mr. Lincoln built a sawmill the same autumn of 1826 east of Plymouth Corners on the river, but my mill was in full blast before his got running.

Mr. Lincoln and I produced the first meal and first board ever made in this town. He sawed every board sawed in this town for over a year and my mill ground every pit of corn for the same time. There was no lack of mill power. We had all the business we could attend to.

In June 1826 I went to look over lands with some man from De-

troit where Ypsilanti now stands. We did not know of a house within ten miles and had to sleep on the ground. We saw many fine herds of deer and flocks of wild turkeys and also some large and small snakes and one large turtle which has on its back 1826. If he is still alive. The men gave me \$1 each. I paid off my debts and had some money left.

Logging was now our business. On June 15 my fallow was ready for plowing. I sent to my friend H. B. Smith at Farmington on Sunday (don't tell it) and bought some good seed corn, fixed up a planter made of a hand spike burned a little at the end and sharpened it. I thrust this into the ground, made a hole and dropped in the corn, made a heavy step on it and let it go. I now laid up my fence, which I took me four days, and by then the corn was up. I borrowed Mr. Benton's hoe, the only one within two miles. There was no grass of any kind. The corn grew with only this tillage, yielding a hundred bushels of good seed to the acre.

(To Be Continued.)

Miss Gray Bride Of Lester Pennell

Miss Florence Gray, daughter of Mr. and Mrs. Ivan Gray, of Northville, became the bride of Lester Pennell, son of Mr. and Mrs. Frank Pennell, of Walled Lake, at 8 o'clock on Friday evening, October 2, in the home of the bride on Wing street. The ceremony was performed by the Rev. P. Ray Norton, pastor of the Methodist church of Plymouth, before an embankment of ferns, palms and baskets of fall flowers.

The bride was lovely in a gown of white satin with trim of tulle and a veil of silk lace. She carried an arm bouquet of white roses and gypsophila.

Mrs. Mabel Maurice, of Northville, was matron of honor, and wore a gown of rose taffeta with gold accessories, while Harriett Small, of Detroit, a sister of the bridegroom, was maid-of-honor, wearing orchid taffeta with silver accessories. Both carried bouquets of teasos and baby breath.

The bridegroom chose his brother, Arthur, of Walled Lake, to be his best man. Walter Weber was the usher.

The bride's mother was gowned in orchid flowered chiffon, while Mrs. Pennell wore dubonnet red. Both wore corsages of teasos.

A reception was held at the home, immediately following the ceremony, after which the couple left on a trip to Cleveland, Ohio, accompanied by Mr. and Mrs. William Erecht, of Commerce, a recent bride and bridegroom.

Guests were present from Detroit, Plymouth, Northville, Walled Lake, Keego Harbor, South Lyon, New Hudson, Commerce and Ypsilanti.

Mr. and Mrs. Pennell have many friends in and around Plymouth who wish them success in their future life together. Mrs. Pennell was born in Plymouth and is a graduate of Plymouth school. They will be at home to their friends at 237 Wing street, Northville.

William Streng has been the guest of relatives and friends in Detroit the past week.

Mr. and Mrs. Earl Markham spent Sunday with Mr. and Mrs. Irwin Norris in Howell.

Mr. and Mrs. Harold Burley have moved from Blunk avenue to Spring street.

Mr. and Mrs. Elmer Austin have returned from a month's visit with relatives in Alhambra, Cal.

Mr. and Mrs. Cleo Curtis, who have been in Oxford for two weeks, where he was employed, returned home Sunday.

Rollin Hemens of Chicago, Illinois, called on Mr. and Mrs. C. G. Draper the fore part of the week.

Mrs. Basil Carney and son, Bruce, of Yale are visiting this week at the home of her father, Fred Lee.

Mr. and Mrs. Hugh Quee are moving to their new home at the corner of Grand River and Robson avenues in Detroit.

After a settlement that includes the home in Coventry Gardens and also a portion of money, Etta Mae Zeigler was granted a divorce Tuesday from Heon Ziegler by the Hon. Judge Keiden of the Circuit court and also states she resumes her maiden name of Etta Mae Johnson. They were married in 1923.

Mrs. Elizabeth Taylor, who has visited relatives in East Orange and Newton, New Jersey, and Bradley Beach, the past four months, returned to the home of her daughter, Mrs. Albert Curry, Sunday. She was met in Buffalo, N. Y. by her grandson, Ralph Taylor, and Jean Strong, who enjoyed a visit to Niagara Falls with her before leaving for Plymouth.

Mrs. Earl Gray and Mrs. Donald Sutherland were joint hostesses Thursday at a shower for Mrs. Harold Coolman, the party being held at the home of Mrs. Gray on South Harvey street. Bunco was the diversion for the afternoon with dainty refreshments served later, the color scheme being pink and white.

The ladies presented Mrs. Coolman with a beautiful gift. The invited guests were Mrs. Fred Gots and Mrs. Charles Gots of Northville, Mrs. Harold Finlan, Mrs. Edwin Campbell, Mrs. William Smith, Mrs. Carl Hillmer, Mrs. Miller Ross, Mrs. William Sutherland, Mrs. Lloyd Fillmore, Mrs. William Curtis and Mrs. Arch Herrick of Plymouth.

Elder Bugs Invade City

Pest Found Here Four Years Ago, Has Spread Rapidly

Bugs! Bugs!!
Maybe Kansas had its grasshopper plague but this vicinity, right now, has the box elder bug plague, and plague it surely is.

Yes, that is the kind of bug swarming around the box elders growing in this vicinity. But apparently there are not enough box elders to supply them with places to land, so they are to be found everywhere and on everything.

In certain sections of Plymouth where there are more box elder trees than other kinds, the bugs seem to be the thickest.

It is barely four years ago when the invasion of these bugs was first noted in this part of the state.

William J. Smith, pioneer farmer living just south of Newburg, noted one fall a number of these bugs about some box elder trees on his place. He had never seen anything like them before.

So he sent some of them over to the Michigan State college. Soon word came back that they were box elder bugs and the year before had been discovered in Monroe and Lenawee counties. That was their first appearance in this state.

Now they are found in all parts of southeastern Michigan—and the great swarms of them that cover trees seemingly can only be killed with hot water.

Rates Are Cut

Auto Buyers Can Now Get Loans At Lower Interest Rates

Announcement has been made by Russell Daane of the Plymouth United Savings bank that a new low rate of interest is now offered on auto loans. The rate, five and a half percent on new cars, is the lowest that has ever been offered automobile purchasers, states Mr. Daane.

Not only has the bank cut the interest rate on new car loans, but it has also slashed rates on old cars to a six and a half percent. A special advertisement in this issue of The Plymouth Mail gives the details of the new low rates.

Wayne Rotary To Sponsor Festival

A two-day fall festival on Friday and Saturday, October 16 and 17, is to be held in Wayne under the auspices of the Rotary club, with proceeds of the event to go to the Crippled Children's fund. An unusually fine program has been prepared for both days by the committee in charge, of which Mantous Uht is general chairman.

Scene of the activities will be the A. S. Poole Ford garage at 35407 Michigan avenue, the entire building having been made available for the purpose. Entertainment of all kinds will be provided while a large number of booths will be operated, including a country store in which the Rotary Anns. wives of the Rotarians, will act as clerks.

A special attraction on Friday evening will be a program of entertainment and music.

On Saturday afternoon at 4 o'clock a pet parade is to be one of the attractions. Prizes are to be awarded to the homeliest, the loudest, the smallest as well as the cleverest and neatest pet. In the evening a special program of entertainment and music will be provided.

126 Hunters Get Permits

Larger Number Prepare For Season Than Last Year, Records Show

An army of 126 small game hunters of Plymouth and vicinity were legally ready Wednesday night to take up firearms against rabbits, pheasants, and coon, when the season opens on the 15th. The number exceeds the total of last year and it is expected that many more will be issued between now and the hunting season. Only 18 of the following list had secured government stamps for duck hunting. The Plymouth postoffice has not kept a list of the duck hunters, as there is no provision for it. Up until late Wednesday after-

noon the following had received licenses in Plymouth:

Electric Engineers Visit Carmichael

Several prominent electrical engineers of the country have been here during the past few days to inspect the new type of electrical transformers that Electric Engineers Carmichael has been perfecting. Among those who have been here are W. B. Stout, Detroit automobile and aircraft inventor, an official of the Essex Wire company and Mr. Hilginson, of Chicago, regarded as one of the leading authorities in the country on electrical transformers.

Catch Big Fish In Grand Traverse Bay

When Mrs. Mary Jewell of Grand Rapids sent to Mr. and Mrs. Jesse Hake of this city the other day, pictures clipped from a newspaper, showing four big Mackinaw trout caught up at Traverse City weighing 56 pounds, they were tempted for a little while to start directly for the northern country to try their luck.

Mrs. Jewell was fishing with Mrs. Jack Crawford of Traverse City when the fish were caught. One of the big Mackinaws weighed 23 pounds.

TVA Goes Wild
Congress appropriated \$50,000,000 for a two year period for TVA. In the first 18 months the expenditures had amounted to \$110,000,000, with the government now obligated to spending \$379,000,000 as a minimum of cost.

Mrs. Edward Denniston was hostess at a very delightful party held at the Denniston home Saturday evening, October 3, in honor of Mr. and Mrs. Bernard Klein's 15th wedding anniversary. Dancing and singing were the forms of entertainment, after which a very sumptuous buffet supper was served. Mr. and Mrs. Klein received the sincere good wishes of their many friends, and a marvelous time was reported by all. Among those present were Mr. and Mrs. Bernard Klein and daughter Patricia, Mr. and Mrs. James Crudgington, Mr. and Mrs. Thomas Forkin, Mr. and Mrs. William Guertin, Mr. and Mrs. J. E. Denniston, Mr. and Mrs. Clarence Witt, Mr. and Mrs. Earl Taylor, Mr. and Mrs. James Doeherty, and George Hughes, all of Detroit; Mrs. Betty Pearce, Dr. B. E. Champe, Mr. and Mrs. V. C. Kiernan, and Mr. and Mrs. Arno B. Thompson, all of Plymouth; Mrs. Ida Duval, of Grand Marais, and Mr. and Mrs. George Troy, of Chatham, Ontario, Canada.

A lovely kitchen shower was given Wednesday afternoon by Mrs. Franklin Knapp, of New Hudson, at the home of her parents, Mr. and Mrs. Richard Ve-

ly, on Elizabeth street, honoring June Frederick, a bride-elect. About 25 guests were present who enjoyed games, followed by the serving of dainty refreshments with color scheme of green and white. Miss Frederick was then presented with many beautiful and useful gifts, to be used in her future home. The guests were Mrs. Frederick, Mrs. Frank Hess and daughter, Arline, Mrs. Fred Kohler, Mrs. Florence Gray Pennell, Lillian Kelter, Joan Cassidy, Ernestine Hartung, Phyllis Rotnour, Marian Krumm, Edith Donnelly, Dorothy Hobbins, Eva Scarpulla, Dora Jacobs, Pearl Smith, Irene Archer, Elizabeth Vealey and Mrs. Richard Vealey of Plymouth, Mrs. Ford Parker, Mrs. Bertha Knapp, Ruby and Doris Knapp, Mrs. Laverne Shep-po, Alice Pandy and Doris Pettin-gill of New Hudson.

A complete surprise was given Mrs. H. H. Behler, Tuesday evening, at her home on Irving street, the occasion honoring her birthday. The evening passed playing buncos and was followed by the serving of a delicious mid-night lunch. Mrs. Behler was the recipient of several lovely gifts. Those present were Mr. and Mrs. Henry Fisher, Mr. and Mrs. Ralph West, Mr. and Mrs. Max Trucks, Mr. and Mrs. Roy Fisher, Mr. and Mrs. Don Clark, Mr. and Mrs. James Honey, Mr. and Mrs. Herman Bachus, Mr. and Mrs. Delos Goebel and Mr. and Mrs. E. C. Drews.

Leg Broken, Dog Walks Into Hospital

APPARENTLY struck by a careless motorist, this dog showed unusual sense by walking unattended right into Bowditch hospital in Detroit. Rather than distress him by shipping him to the humane society, attending physicians accepted "Measles," as he was christened, as a charity patient, and set his broken leg in a cast. The story has an even happier ending, because an orderly immediately adopted the dog as a pet and took him home to convalesce. The photograph shows Dr. Myron Rosenbaum placing the dog's leg in a cast while Nurse V. Gauthier holds him. Looking on is Orderly Eric Newman, who adopted the pup.

On Thursday afternoon, October 1, 18 members of the Get Together club were entertained by Mrs. Elmer Perkins at her home in Waterford. Married Sixty Years

Mr. and Mrs. R. A. Wilson Celebrate Event — Many Gifts Presented them

Mr. and Mrs. R. A. Wilson of this city celebrated and shared their sixtieth wedding anniversary with their sons, Verne and Dewey also of Plymouth, their two daughters, Mrs. J. F. Caldwell and Mrs. Edith Bacon of Detroit and their grand and great grand children of Detroit and Plymouth. They were the recipients of many lovely flowers and gifts among which were sixty rosebuds symbolizing each year of their married life.

Mr. and Mrs. Wilson have been residents of Plymouth for 15 years and have, in that time, made many friends who join in extending congratulations and best wishes.

A family dinner was enjoyed at the Wilson home by Verne and Dewey Wilson who live with their parents on the Northville road. Mr. and Mrs. J. F. Caldwell and sons, Jack and Robert, Mrs. Edith Bacon, Mrs. Lucille Belknap and family of Detroit and Mr. and Mrs. Howard F. Dicks of this city.

Good luck and the heartiest congratulations were extended Mr. and Mrs. Wilson by their host of friends.

Apple Blossoms Picked From Tree This Week By Fred Rogers

Apple blossoms in October! Yes, those that have been on display in one of the windows of The Plymouth Mail office during the past few days are real apple blossoms.

They were picked by Fred Rogers Tuesday in an apple orchard back of the home of Harry Robinson out east of Phoenix lake.

The unusual thing about the apple blossoms that Mr. Rogers, who resides at 246 West Ann Arbor picked, is in the fact that there are both apples and blossoms on the same tree.

FIRST BAPTIST CHURCH
Loya Sutherland, minister
Subject of sermon at 10 o'clock—"Do We Use or Abuse Religion?"

Religion can make us hard and bitter. Think of the differences that divide us, the peculiarities of churches, the special opinions about religion. We can set these to the forefront until they fill the whole horizon and forget if Christ should come He would call us back to the heart of religion. One day when the disciples were contentious, He appeared unexpected and set a child in their midst and said you are contending about everything except that which a child stands for: humility, responsiveness and generosity.

Our studies continue for the mid-week service on Pictures of Jesus in the Book of John. Wednesday evening at 7:30.
CATHOLIC CHURCH

Hunter Killed By 22 Bullet

Detroit Chasing Red Squirrel Shot Dead By His Companion

A bullet from a little 22 rifle ended the life of Marvin Thompson, 27-year-old resident of 1443 Lansing avenue, Detroit, last Thursday night about 5 o'clock while he was hunting with William Humphrey of Dearborn, on the Jesse Logsdan farm on the Cherry Hill road, half a mile west of the Canton Center road.

The two young men, life-long friends, who came to Detroit some 12 years ago from Kentucky, had gone out to the Logsdan farm last week to train a new hunting dog that Humphrey had bought. Mr. Logsdan is an old acquaintance of the two and Thompson's wife was at the Logsdan home when her husband was fatally shot.

Humphrey told Sergeant Frank Walker of the Ypsilanti state police post that they saw a red squirrel jump from a tree and start running towards a brush pile. Thompson started to run between the squirrel and brush pile so that Humphrey might get a shot at the squirrel.

As Humphrey climbed over a wire fence and started to cock his gun it accidentally fired.

He saw Thompson stop running and sink to his knees, then fall to the ground.

The bullet had hit him squarely in the back of the head. Humphrey ran for aid, but when he returned with Logsdan and some of the other neighbors Thompson had stopped breathing.

Sergeant Walker and State Trooper Louis Gould arrived within a few minutes and after a thorough investigation of the circumstances, decided that it was purely an accident.

The body was turned over to the Wayne county coroner's office and taken into Detroit. Mrs. Thompson was prostrated when told by Sergeant Walker that her husband had been killed. They have a ten-year-old son.

The Great Lakes and their connecting waters form the largest single fresh-water area in the world. They have a surface area of more than 95,000 square miles or 60,909,000 acres and a combined maximum length of more than 1,600 miles.

Myron Mawhorter Says Fishing Is Good — Returns Soon To Vote

Myron Mawhorter, who spends most of the spring, summer and fall fishing up around Baldwin and enjoys the warm winter climate around Plymouth, was back in town just long enough over the week-end to say that he expected to return home in time to vote in the fall election.

"Fishing has been pretty good up there. Glen Smith came up a while ago and I took him over to one or two of my pet places where the fish never fail to bite. Of course Glen caught some fish. Anybody would who fished those holes that I know up there," said Mr. Mawhorter.

The resort business of northern Michigan, he states, has been exceptionally good during the past summer.

"Never saw so many folks up north. I guess there was nobody home down in Indiana, Ohio and Illinois in July and August. They all seemed to be up that way."

Mr. Mawhorter will spend the next two or three weeks up at his cottage near Baldwin before returning to Plymouth for the winter.

Shows Movies Of His Trip

Glenn Jewell Heaves Snow Balls Directly At Rotary Audience

Some 35 Plymouth Rotarians sat in the Mayflower hotel last Friday noon and saw Glenn Jewell throw snowballs directly at the crowd—but the snowballs that Rotarian Jewell was throwing were in motion pictures he made last summer up in the Rocky Mountains somewhere in the northwest.

In fact, the day that Mr. and Mrs. Jewell were up among the snowbanks in the mountains, was the hottest day that Plymouth had ever had.

Maybe it was just to tantalize his Plymouth friends that he made motion pictures of his trip up among the snowbanks in July. At any rate the motion pictures he made throughout the west were remarkably good and members of the Rotary club for nearly an hour, enjoyed with Mr. Jewell the views of his tour in the mountains and along the Pacific coast states.

Mr. and Mrs. Jewell spent nearly two months last summer touring the west.

Twenty per cent of the foreign commerce of the United States is handled on New York's 150 miles of docks.

Bird Hunters Ready For Gong

Duck Season To Open Saturday — Pheasants Can Be Hunted After Oct. 14.

Plymouth duck, rabbit, pheasant and grouse hunters are ready for the opening of what promises to be the best hunting season the state has ever had. The duck hunting season will open Saturday morning, with probably two dozen or more Plymouth hunters lining the shore of Saginaw Bay.

Next Thursday morning, October 15, the pheasant season opens. Already local hunters have some good hunting grounds located.

The open season for small game in the lower peninsula, dates inclusive, follows:

Male pheasants Oct. 15 to Oct. 28
Ruffed grouse Oct. 15 to Oct. 28
Fox squirrels Oct. 15 to Oct. 24
Woodcock Oct. 15 to Oct. 28
Prairie chickens north of north line of township 16 only
Oct. 15 to Oct. 28
Sharp-tailed grouse north of north line of township 16 only
Oct. 15 to Oct. 28
Rabbits from Oct. 15 to Jan. 1 in the area south of north line of township 16 and east of Saginaw bay, including the "Thumb," and from Oct. 15 to Jan. 31 in the area north of north line of Township 16 and west of Saginaw Bay.

Townline 16 is described as the south boundaries of Mason, Lake, Osceola, Clare, Gladwin counties projected through Bay county to Saginaw bay.

The open hunting season on ducks, geese and brant, coot, jack-snipe rails and gallinules which opens on Oct. 10 continues to and including Nov. 8 throughout the state.

Former Resident From California Praises Old Home Town Paper

"Plymouth has one of the best small city newspapers in the country. If you only knew how many good things the former Plymouth residents who now live out in California have had to say about the improvements in The Plymouth Mail during the past few years, you certainly would feel pleased," said Charles L. Riggs, former Plymouth business man who is here with Mrs. Riggs for a brief visit. Their home is in Venice, California, where they have resided since leaving here some 15 years ago.

Nearly all of the former residents of Plymouth who have gone to California to live during the past quarter of a century are regular readers of The Plymouth Mail.

Mr. Riggs continued: "We out there have a chance to observe the improvements in the paper probably more than do the people who live here year after year. We can also compare it with California papers, and I am glad to say that our old home town newspaper is by far the best I have ever seen anywhere in a city of similar size."

Even a newspaper editor once in a while likes to hear a few kind words.

Father Of Local Woman Is Buried

Funeral services were held Sunday for Abraham Jacobs, veteran Detroit business man and father of Mrs. Elmer Zuckerman of Plymouth. The services were held at 3 p.m. at the family residence, 15 Virginia Park, with Rabbi Leo Franklin and Rabbi A. M. Hirschman presiding. Burial was in Cloverhill Park cemetery.

Mr. Jacobs was born in 1856, coming to Detroit from Cincinnati about 60 years ago. He engaged in the dry goods and clothing business, then established the Detroit Central Heating System, which heated a large part of eastern Detroit. He is said to have been the only individual to be granted heating and lighting franchises in the United States.

Surviving, in addition to Mrs. Zuckerman, are his wife, Etta; seven other children, Mrs. Alexander Freeman, Mrs. Harry E. Byron, Mrs. John Ginsburg, Charles L. Harry L. Edward and Sidney A. Jacobs; nine grandchildren and two great-grandchildren.

There are four American Roman Catholic cardinals. They are William O'Donnell, Boston; Dennis J. Dougherty, Philadelphia; George W. Mundelein, Chicago; and Patrick J. Hayes, New York City.

Roy Fisher announced this week that he has taken over the A. W. Morton insurance agency, and will handle all its business from his office. Mr. Morton has not stated what plans he has made for the future.

What Should Harry Ayers Do?

Cut Down Or Dig Up Fruit Trees So He Can Get U. S. Cash?

Harry Ayers out on east Ann Arbor Trail is in a quandary. He has received from the United States department of agriculture's agricultural administration, a letter advising him that he can get some government cash if he will take some of his land out of cultivation and will not raise any crops.

As every one knows, Harry Ayers is a fruit grower and his lapd is entirely covered by apple, peach and cherry trees.

The question Mr. Ayers is asking is just how can he take these trees out of "cultivation" so they will not bear crops.

"I might dig them up or I might cut them down. Maybe if I didn't spray them I might get in on this easy money," said Harry the other day.

"Why, they even wanted me to tell them how many farms I had that I wanted to get in on under this grant. Maybe I'm crazy to try and raise fruit for a living when I could go out and get a lot of cheap land and not grow anything on it and get paid for not doing anything. I guess that's the life," Mr. Ayers commented as he looked over the forms that came to him from the Wayne county agricultural adjustment administration the other day.

Rosedale Gardens

A meeting of the executive board of the Women's Auxiliary, Presbyterian church, was held Wednesday at the home of the president, Mrs. Will Taylor. Plans were discussed for the next regular meeting of the Auxiliary the evening of October 14 at the church, when Mrs. J. Perkins will have charge of the topic, "Loyalty." The hostesses will be Mrs. C. Metzger, Mrs. A. Leadbetter, and Mrs. H. Couillard.

Members of the executive board are Mrs. Taylor, Mrs. Tone Mepyan, vice president; Mrs. F. Walters, secretary; Mrs. Clarence McKinney, treasurer; and the following committee chairmen: Mrs. H. Tingey, hospitality; Mrs. E. Wooster, calling; Mrs. Stanley James, flowers; Mrs. G. C. Butt, financial; and Mrs. W. Holton, dining room. The program is in charge of Mrs. Mepyan.

The Rosedale Gardens Civic association will hold a regular meeting this evening in the new club house. Further discussion on the possibility of obtaining police protection will be held at this time. Following the meeting, the women's group will sponsor a bingo party, with refreshments served after the playing. Proceeds will be used for more equipment for the club house. The women's group was organized recently with Mrs. Lyman Heddon as president and Mrs. Pat McNeil as secretary-treasurer.

The opening meeting and reception of the Rosedale Gardens Parent-Teachers association was held Wednesday evening at the school house. New officers were installed as follows: Mrs. Paul Harsha, president; Mrs. Frank Ames, vice-president; Mrs. Fred Millard, secretary; and Mrs. G. C. Butt, treasurer.

Committee chairmen for the year are: Mrs. Frank Ames, program; Mrs. H. MacGregor, refreshment; Miss Margaret McGee, publicity; Mrs. H. Crisp, membership; Mrs. Stanley James, hospitality; Miss Doris Smith and Mrs. Milton Stover, summer round-up; Mrs. F. Walters, music; Miss Doris Smith, pianist; Ray Schofield, finance; Mrs. G. V. Buell, publications; Mrs. C. L. Bowdler, family and community discussion; and room mothers, Mrs. H. Eggleston, Mrs. Pat McNeil, Mrs. R. Mason and Mrs. J. Kishan.

The Arts and Letters group met Tuesday at the home of Mrs. C. L. Bowdler, with Mrs. Leslie Taylor giving a review on "Arctic Adventure", by Peter Freuchen.

Dr. Kenneth Miller, new secretary of the Detroit church extension board, spoke at the Rally day exercises of the Presbyterian church last Sunday. There was a large attendance of Sunday school and church members. Beginning next Sunday the Sunday school will meet at 9:45 o'clock and church at 11.

Mr. and Mrs. Alec Blacklock have moved from the subdivision to Grosse Pointe Farms.

Mr. and Mrs. Raymond Watts have purchased the Blacklock home and moved in on Monday of this week.

Bowling in Early New Amsterdam
The Dutch in early New Amsterdam lived simply with quiet contentment. They were more social and fond of merry-making than the New Englanders. In the country, spinning bees and corn-husking were popular amusements, but in town bowling was a favorite pastime.

LET THE VOTERS DO IT.

Over in Grand Rapids the other day there was held a Republican state convention at which some 1400 delegates elected from the various counties of Michigan were supposed to nominate candidates for high state offices.

These delegates were duly elected and certified to the officials of the convention as legal representatives from the electorate of Michigan, instructed and empowered to place on the Republican ticket candidates that the delegates believed best fitted for the important responsibilities of state officialdom.

But what happened at Grand Rapids this year?

Nothing different than has taken place during the past ten or twelve years.

The delegates simply provided the "mass scene" for the "acts", just as do the extras hired for motion pictures when big crowds are necessary for the back-stage setting. The Democrat delegates, at their conventions, do just exactly the same thing.

When it came to the selection of candidates the delegates might just as well have been out in their backyards picking apples or calling the hogs, as for any part they had in this important function.

How are the candidates now selected? That is easy. A few political "big shots" who are not even delegates, at convention time get together in some hotel room. They whisper among themselves and the word goes out to the delegates milling around the hotel lobbies that the "chiefs" have decided that so-and-so will be the candidate for this or that office. The delegates then throw their rights to the four winds and go into the convention hall and do just as they have been told to do, irrespective of the wishes of the people back home.

The delegates excuse their actions by saying that the head of the ticket desired all the candidates for state office, who are friends and will work in "harmony", on the ticket.

Delegating to the heads of the ticket the right to name the various candidates for office is one of the newer practices in state politics.

When the primary election law was originally passed, the state legislature purposely provided for the nomination of a part of the state ticket by convention, believing that by giving elected convention delegates a right to nominate a portion of the ticket, it would maintain better party organization. Up until ten or twelve years ago, every one conceded that that was the right and responsibility of the delegates. But not any more.

NOT A NEW PROBLEM

"An examination of the records of our asylums, prisons, poorhouses and jails, will startle you when you find the great percent of inmates that are foreign born. * * * This land of ours should not be the dumping ground for these paupers, or should disturbers of the peace such as Nihilists and Anarchists, from other countries be tolerated here. These are the disturbing elements, and an element that is growing in strength in our midst." From the message of Governor Russell A. Alger delivered to the Michigan State Legislature, January 6, 1887.

The delegates had nothing to do with the selection of the candidates for the state ticket.

Now that the one connecting link between the party membership and its right to select candidates has been severed, the time has arrived for the state legislature to amend the election laws so that ALL candidates for state offices are nominated by direct primary, instead of just the governor and lieutenant governor.

The forthcoming session of the state legislature should not hesitate to pass such a measure. The nomination of candidates for office is one of the rights of American citizenship. Some may say the people still have that right through the convention system, but any one who has attended state conventions in recent years knows that this is not true.

How often delegates have heard it said just previous to convention sessions that nothing should be done to upset the

"ticket" that "they" want—meaning of course the big party chieftains who have "fixed" up the ticket to suit those in power.

The Plymouth Mail does not wish to be understood as being opposed to any selections made at the recent political conventions. Our one big objection is to the way that the delegates have surrendered their rights to a mere handful of politicians who are not even delegates to the conventions.

When the delegated rights of the people have been turned over to a mere clique of politicians the time has arrived for a return DIRECT to the voters of the rights that their delegates have given to others.

Therefore, the Plymouth Mail strongly favors and will do all within its power to have the primary election law so amended that ALL candidates for state offices will be nominated by direct vote of the people.

PUBLIC APPROVAL.

The editor of The Plymouth Mail has been quite agreeably surprised during the past few days by the many favorable comments from citizens over our recommendation that some steps be taken by the next session of the state legislature to change the election laws so that the primary ballot may become just what it should be, a SECRET ballot. As we pointed out last week, we know of good men who have lost jobs because of the fact that political bosses found out that they didn't vote in the primary election for the party they thought they should vote for. This is made possible through the fact that any one can go up to the city or township clerk's office and find out for which party any one voted. We favor the placing of all names on one ballot, so snoopers and the curious will have no way of checking on the votes of any one. We favor this change because it will safeguard the rights of the voters in primary elections, and will go a long step in ending a serious situation.

RAMBLING with Editors AROUND of Michigan

TAX EXEMPTIONS

We are pleased to see the state papers take up the matter of tax exemptions.

As has been stated in this column more than once, we regarded the tax exemptions as one of the rawest pieces of cowardice ever exhibited by our representatives at Washington! These fellows representing us in congress very readily and easily pass an income tax on all of us who receive an income of \$2,000.00 or more, but exempted themselves, though their incomes run into several thousands of dollars, and in order to sweeten the stench of their favoring themselves, they exempted school men also. If there was ever a man who should pay an income tax, it's the fellow who gets his pay from the taxes of others, and it is to be hoped that a square deal in this matter will now be achieved.—Frank Bryce in The Grand Ledge Independent.

CORRECT.

A person who will not boost his home town should ask for a transfer.—Joe Haas in The Holly Herald.

DRUNKEN YOUTH

Up at Frederick one day last week there was held the funeral of a seventeen-year-old girl, a member of the senior class of the Frederick high school. The young woman was popular among the youth of the village and her death had cast a pall over the entire community. Attending the funeral as pallbearers were eight young men from the Junior and senior classes and serving as honorary pallbearers were eight young women of similar age.

Over in the Otsego county jail at Gaylord while the funeral rites were being held were two young men of the same community, one under sentence to serve 60 days for drunk driving, the other, not driving but riding in the car and just as drunk, was given 30 days.

The young woman whose tragic death had stunned a community had fallen from the car in question, meeting instant death as her frail body struck the pavement while the car was being driven at full speed, guided by a boy who was drunk. The tragedy formed the climax of an evening of dancing and drinking.

The young woman is dead. The young men are in jail. Where is the person who sold the drinks? The north Michigan papers carrying the story of the girl and the boys neglected to say anything about that.—Vernon J. Brown in The Ingham County News.

IT'S A NIGHTMARE.

Things are never as bad as they seem. Radio crooners seemed awful till hill billy music came along, and that seemed dreadful till political speeches started, which are the limit.—Charles Seed in The Rochester Clarion.

BETTER CONDITIONS.

Increased prosperity can come for the working man only through the medium of producing more at lower cost, not by cutting wages, but by efficiency and energy in production. The more a man can produce for himself in a day, the more he has, and the same is true for the nation as a whole. Labor is best off with a policy of diligence and plenty. We should be satisfied with our industrial system.—Adrian Van Koeveing in The Zealand Record.

HAZEN S. PINGREE

No. 22

Extra sessions of the legislature, a continuous battle to force railway companies to pay their rightful share of taxation, and almost constant conflict with political elements marked the administration of Hazen S. Pingree. Up to the time of his election, and for a time after, railroad companies wielded a powerful influence in state politics. Pingree's battle against this domination of railways was the beginning of the termination of this control.

At an age when most boys attend school, Hazen S. Pingree was working in a cotton factory. He was barely 14 years old when he left home to make his own way in the world. He was born in Maine, August 30, 1840. His ancestors were prominent in American history.

Pingree worked in the cotton factory at Socco, Maine, until 1860, when he went to Hopkinton, Massachusetts to work in a shoe factory. Here he learned to be a cutter, working at this trade until August 1862, when he enlisted in the northern army. Going south with a Massachusetts regiment of heavy artillery, he served during the entire war. He took part in many engagements. In 1864 he was captured with a number of other troops by southern soldiers and held a prisoner of war in Andersonville for nearly five months. He was liberated

from the prison by an exchange of prisoners.

After being mustered out of service he decided to locate in Michigan, securing work in a Detroit boot and shoe factory. It was in 1868 when he started in business for himself. With C. H. Smith, he purchased a small factory, which cost the two \$1,360, the firm name of Pingree and Smith being established. The factory became one of the largest in the country.

Elected mayor of Detroit, he gained state wide fame by fighting the ring that had been in control of affairs in that city.

In 1896 he was nominated by the Republicans for governor, and was elected by a big majority. His vote for re-election was larger than the first. His administration was characterized by many reforms which proved of benefit to the state.

Dr. Harrison To Give Lecture On Holy Land

Dr. Sam Harrison of Albion will give movies of the Holy Land at the Methodist church Sunday night at 7:30 p.m. Dr. Harrison is a member of the faculty of Albion college, and has had the opportunity of spending a summer in Palestine in study. His pictures will therefore be explained and made more real by his first hand information.

Gentlemen, be Seated!

A few short years ago we bought a dining table and six chairs. Though we had need for only two! We could not know that our affairs would shape themselves in such a way. That soon, between my wife and me. A chubby little man would sit— That we should use chair number three!

Just four years later came the call For number four; another boy Had spoken for another chair— Had brought another fund of joy; Then four years more went swiftly by. And in the Springtime of the year We found a need for number five— Yes, baby number three was here!

One vacant chair was left alone— But not for long; boy number four Arrived in less than three brief years! We do not wonder any more About the chairs that one-time stood In idleness beside the wall; We breathe a prayer of thankfulness Because today we need them all!

MY PAL

I've got a dog, a little one
Ah—he's only just a pup,
He's at my bedside every night,
And stays 'till I get up.

Then he races round the room
You'd think he's made of springs,
The way he leaps and bounds
And does such funny things.

And when I eat my breakfast
He sits quiet as can be,
I let him lick the dishes
When mom's where she can't see.

And when I have to go to school
It makes me feel so bad,
I have to lie him on the porch,
And, gosh, he looks so sad.

But when he sees me coming home
Away—way down the street,
He whines, and barks, and wags his tail,
That's a puppy's welcome greet.

And then we play all evening
We have all kinds of fun,
Just me and my little puppy,
Gee—he's a good little chum.

It soon gets time to go to bed
And then I think and wonder,
If he'll always be my pal,
'Till I fall off in slumber.

Fix Duck Hunting Hours At Houghton

Plymouth duck hunters who frequently during season hunt at Houghton lake will be interested in knowing that the 2 o'clock afternoon deadline on shooting waterfowl in Houghton and Muskegon lakes remains in effect this year. The department of conservation has just announced this ruling. Special provisions in the general game law forbid any hunting on these lakes after 2 o'clock eastern standard time during the open waterfowl season.

Texas Program For Rotarians

(Omitted from last week's issue)

Plymouth Rotary club members and guests were treated to an innovation in community service affairs last Friday when the entire program was devoted to Texas, its Centennial Celebrations and Rotary in the Lone Star state.

In opening the program President Fred Sabom pointed out that Texas, "the 29th star in our national constellation of commonwealths" is celebrating this year her 100th anniversary of independence and progress with three major observances and some 300 other celebrations.

Rotary in Texas was the subject of several pertinent remarks by the program chairman who reminded club members that Texas boasts of several of the oldest and many of the most prominent chapters of Rotary on the continent. "There are 155 clubs in Texas and 6,746 members," he said.

The program chairman presented Rotarian Charles H. Bennett who delivered the principal address of the occasion and whose message, typical of Texas stressed the unlimited natural resources of the Lone Star state, prefaced by a background of color and romance, so significant in the history of the state which is

marking its 100th birthday this year.

For his theme Mr. Bennett chose the legendary story of the Seven Cities of Cibola and the quest of the early Spanish explorers for the "fabulous wealth stored in towers of gold." To each of the Seven Cities he compared one of Texas' outstanding resources and cited the fact that the forebearers of Texas history—Austin, Houston and others—found the "fabulous wealth" of the new world in the soil beneath their feet, where they thought it to be, and not in golden towers. The audience was impressed with Mr. Bennett's vivid description of three of Texas' outstanding Centennial observances, the \$25,000,000 Centennial Exposition at Dallas, "a glamorous fairyland of scintillating light," the Fort Worth Frontier Centennial, featuring Casa Manana, the world's largest theater-cafe, and the scientific and historical University Centennial Exposition at Austin.

Lady Maccabees Will Hold Rally

A rally for members of the local hive of Lady Maccabees was held Wednesday, October 7. A solicited dinner was served at 6 o'clock, when the new dishes the hive recently purchased were used for the first time.

The officers' chairs for this meeting were occupied by the past commanders of the hive, who took entire charge, including the initiation of two candidates. A practice for these officers was called for 5 o'clock Wednesday. At the meeting the attendance contest officers and Ladies Grammel and Sly read the records of the members on each side. The losing side will be required to put on the Christmas entertainment.

Do You Know---

Do you know that by merely presenting your most recent electric bill at any office of The Detroit Edison Company, you can exchange your BURNED OUT lamp bulbs for new ones in correct sizes to meet your needs—a small lamp for a large lamp, or vice versa?

There is a correct size lamp for every purpose, and your Detroit Edison office will gladly advise you on proper lamp sizes for adequate lighting. There is no charge for lamp renewal service. The only requirement is that you present your most recent electric bill for identification. This prevents wasteful renewals, protects our customers against fraudulent renewals by people who are not customers of the Company, and provides accurate records of lamps passed out.

For greater comfort and convenience, keep your sockets filled with Mazda lamps of the correct size. The next time you bring in burned out lamps for exchange, tell the Detroit Edison clerk where the bulbs are to be used and he will gladly give you the right sizes for adequate lighting.

Note: Lamps are renewed without extra charge only for residential and commercial customers paying lighting rates and in the following sizes: 25W, 40W, 60W, 100W, 150W, 200W, 300W, 500W, and 3-life lamp 100-200-300W.

Northville Club Has Luncheon At Mayflower Hotel

Past Presidents and Life Members Are Guests Of Honor

Eighty-seven members of the Northville Woman's club opened their year's activities Friday with a luncheon meeting in the Crystal ballroom of the Mayflower hotel in Plymouth. Past presidents and life members were honored upon this occasion.

Mrs. H. S. Willis, president, presided for the program which followed the luncheon, and presented a life membership to Mrs. W. H. Cattermole, who has been a member of the club for 25 years. The club last year inaugurated the plan of giving these memberships to those who have been affiliated with the club for a quarter of a century. Mrs. Cattermole responded to the presentation with a clever rhyme in which she told of her first experiences in the club as well as happenings of later years.

Mrs. Willis greeted the past presidents, with Mrs. E. H. Lapham responding for this group. Mrs. H. F. Wagenschütz then spoke of a few changes which have been made in the program for the year, after which Mrs. Willis introduced the 12 new members who recently joined the club.

Mrs. Gaylord Bates, of Detroit, sang a group of two folk songs, "He Stole My Tender Heart Away" and "La Gitana." Miss Nan McLoughlin, daughter of one of the club's past presidents, Mrs. J. N. McLoughlin, offered a clever and amusing monologue giving her impressions of a committee meeting to decide on a speaker

for a woman's club meeting—"any club except the Northville club, of course," she explained.

The program was concluded with two more folk songs by Mrs. Bates, "The Water Chain" and "Tell Me Oh My Darling."

It was announced that the speaker for the meeting next week, to be held in the library in Northville, would be Mrs. R. W. Lapham, a former club member, and also that the Northville club has been invited to meet with the Farmington club on Wednesday, October 14.

The Civic association of Northville is sponsoring a Harvest Festival today, a special program being scheduled to begin at 4:30 p.m. with a baseball game. At 6 o'clock a barbecue will be served in the parking lot on Main and Center streets, with the Exchange and Rotary clubs assisting. There will be games and talks to conclude the evening. The executive committee is made up of Dr. L. W. Snow, Orlow G. Owen, William Forney and D. H. Britton.

Despite the rain, the Goodfellows fair, staged at the Maybury sanatorium September 27, was well attended and \$250 raised for the entertainment fund of the Goodfellows club of the sanatorium. Pat Dennis, radio editor of a metropolitan newspaper, Kirk Knight and Church Stanley arranged a program of radio personalities. Exhibits included needlepoint, crochets, soap carvings, leather carvings, children's handicraft and the Goodwill table made by George Hathaway.

The pennant for the softball championship of Northville was won by the Rennie-Mahrle team, who took five straight games, two from Maybury sanatorium and three from the Johnson men.

One shift was ordered to work in the new \$750,000 Ford factory

TOPNOTCHERS by KET

October 5, following a shut-down October 1-3. Six welter machines were put to work Monday of last week and valves are being turned out by both buildings. A couple of more weeks will be required to put the new plant in order to work at top speed. Sixty machines are being installed in addition to the equipment being moved from the old building.

The village of Northville had received, by last week, \$11,500 from the government for use in the construction of the water reservoir. Of this amount, \$5,000 will have to be paid back to the village treasury to reimburse the village for moneys advanced to pay the H. B. Culbertson firm last June. It is estimated that the \$6,500 remaining would keep work going for three or four weeks. The village has requested the contractors to proceed with the work with the understanding that no bills are to be paid until the full grant from the government is received.

Prof. Edwin C. Goddard, member of the law faculty at the University of Michigan and active in Rotary circles, was the speaker at the Rotary club meeting in Northville last week. He was introduced by Father Joseph G. Schuler. His talk was built around the theme of international good

will and how it can be fostered by the Rotary club.

Miss Dorothy Flaherty, daughter of Mr. and Mrs. Edwin Flaherty of Eight Mile road, and Harold Hubbard, son of Mrs. Gertrude Hubbard of Midland, were married Friday, September 25, at the Methodist church in Belle-ville by the Rev. William Richards. They were attended by Miss Phyllis Flaherty and John Flaherty. They will be at home after October 9 at 111 Wing street in Northville.

The Child Study club met last week at the home of Mrs. Leslie G. Lee, with Mrs. Maurice J. Lapham leading the discussion in "Co-operative Discipline." The next meeting will be held October 12 at the home of Mrs. Ward Masters, 133 West Dunlap, at which time Mrs. Lee will read a paper on child care.

Miss Vera Coleman, daughter of Mr. and Mrs. Glen Coleman, of Northville, and Francis Saunders, son of Mr. and Mrs. Clare Saunders of Wayne, were united in marriage Saturday evening, September 26, by the Rev. Harry J. Lord at the Methodist parsonage. Miss Ruth Quandt and Lyle Cates, of Wayne, were the attendants. A dinner followed at the bride's home, after which a reception was held at the Saunders home in Wayne.

The first meeting of the Northville Parent-Teachers association was held at 8 o'clock October 8 in the high school gymnasium. This was a social gathering to introduce the new teachers to parents. The theme for the year's work will be the child's character, his place in the community and the influence of the community on his development, with the October meetings centered on the influence of home and teachers on the child. Plans are under way for the dedication of the new grade building in December.

The King's Daughters met Tuesday afternoon, at 3 p.m., with Mrs. Herman Behrendt of Orchard drive.

The Teachers' association has elected the following officers for the year: Mrs. O. F. Reng, president; Paul B. Thompson, vice-president; and Mrs. Claude Zimmerman, secretary-treasurer. At the first meeting Superintendent R. H. Amerman reported on the organization of the Wayne county district of the Michigan Education association.

The date for the regular monthly meeting of the Past Matrons club of Orient chapter No. 77, Order of the Eastern Star, has been changed to October 14 because of the Presbyterian harvest festival.

Finds Puff-Balls Of Mammoth Size

How big do puff-balls grow? No one knows exactly, but Louis Ford the other day brought a half dozen puff-balls to town that were so big he could not get his arms around them.

Max Moon measured one for Mr. Ford and it was five feet and almost eight inches in circumference. It weighed 23 and three fourths pounds. He had three others that were nearly as large. Mr. Ford found them in some woods eight or ten miles west of Plymouth. Many who saw them, declared the puff-balls to be the largest they had ever seen.

It is estimated that there are approximately 150,000 inmates of American prisons and penitentiaries.

Twins occur more frequently in the northern cooler countries than in hotter lands. Percentage of twins born in Sweden is much greater than in Italy or Brazil.

Outstanding Film To Be Shown Here

Leading off next week at the Penniman-Allen theater will be Dick Powell's latest screen success, "Stage Struck", in which the young singing star appears with his recent bride, Joan Blondell, and the 18-year-old soprano from Scranton, Pennsylvania, Jeanne Madden, who makes her debut in this film.

The story concerns the trials and tribulations of a Broadway dance director, played by Dick Powell, with a temperamental young widow recently acquitted of shooting her last husband (Joan Blondell), who is determined to go on the stage. Miss Madden has the romantic lead opposite Powell, and the supporting cast includes Warren William, Frank McHugh and the Yacht Club Boys.

"The Road to Glory", which comes to the local screen Wednesday and Thursday, is described as one of the outstanding war pictures of recent years. Frederic March, Warner Baxter and Lionel Barrymore are the stars, supported by Gregory Ratoff and June Lang. The story deals with the love triangle created by Baxter, a hard-bitten, war-weary French commandant; Miss Lang, a French nurse who provides him with his only interest in life; and March, Baxter's chief aid, who falls in love with the nurse, not

knowing his friend and superior also cares for her. The drama of the situation is heightened when Baxter discovers his old father, played by Lionel Barrymore, has enlisted as a private in the ranks.

One of the year's unusual pictures, "Girls' Dormitory", with Herbert Marshall, Ruth Chatterton and Simone Simon, will be shown here Friday and Saturday. Miss Simon is hailed as one of the recent screen "finds," while Mr. Marshall and Miss Chatterton are established actors who may be depended on for excellent performances. The story concerns an exclusive girls' school in the Tyrol, with Marshall as the headmaster, Miss Chatterton as his valued assistant and friend, and Miss Simon as one of his pupils. Both women are deeply in love with Marshall, in a place where love and romance are taboo.

Methodist Men's Club Sponsors Skating Rink

The new Men's club of the Methodist church is now making it possible for lovers of the roller skate to enjoy their favorite sport in safety. The Community hall has been redecorated, skates have been purchased and an electric piano installed. Anyone in Plymouth who wishes to skate may do so this week Saturday night from 7 to 11, and each week from now on, on Monday, Wednesday, and Saturday at the same hours. Much interest has been aroused, and a great deal of enjoyment is expected.

resulted in the widespread use of Aztec Indian designs in print materials and jewelry. Several years ago a revival of Offenbach's opera, "La Vie Parisienne", brought about what proved to be one of the most amusing style flurries—the Empress Eugenie hat. Now the revival of Bourdet's "Margot" has caused stylists to stress the sixteenth century influence in princess coats, leg o' mutton sleeves and starched ruches.

Another potent factor in some of the present styles is the motion picture. Following Katherine Hepburn's "Mary Queen of Scots", we find styles of Elizabethan England copied in high fitted bodices and sleeves which are full from shoulder to elbow. Then tightly fitted to the wrist, Norma Shearer as the world's most famous heroine, Juliet, has created a vogue for Juliet caps and collars. Even Shirley Temple has her followers for hundreds of little girls are demanding hats bearing the name of the juvenile star.

With the launching of the "Queen Mary" came fashions with a nautical flavor. Hats of white felt were trimmed with nautical insignia and grosgrain ribbons of red and blue. A few years ago there was an unusual Chinese exhibition in London; not long after came the popularity of the Chinese coolie and mandarin coats for lounging and beach wear.

Right now London is one of the best sources of new style notes, for King Edward and the coming coronation will hold the headlines for some time to come. So we have Buckingham brown, Windsor green, Mayfair wine, Oxford gray and Coronation red, the five "royal colors."

Often one hears the questions as to who sets the styles, Paris and Hollywood designers or the society leaders of the Continent and the United States. The answer, of course, is both, plus the average woman who wants her \$10.95 dress to look just as smart as the originals which cost hundreds. Leading style authorities in this country speak a great deal of the "Famous Forty", a group of women who appear in social circles consistently wearing the smartest clothes. It is this group which popularized "summer black" with white accessories this season, as well as the "snow tunic" over a sheer black skirt, with black accessories.

From every angle—basic lines, fabrics and color tones—this year's styles represent a complete departure from the trends of last year. The Empire, or Directoire, influence is widely felt and elegance is the keynote for fall. Waistlines are higher and moulded after the lines made popular

Style Silhouettes

Changes in styles are patterned after the changing times—political changes, new screen and stage successes, as well as the revival of old ones, outstanding figures of the moment and great new events.

The modern machine world, in which efficiency has been the most important characteristic, has brought about "functional" clothes—clothes designed for comfort and convenience. But the feminine desire for frills and furbelows—bows and buttons which do not help to hold a frock in place and extra puffs and folds of material which are not absolutely necessary—has put designers to the task of dressing up the modern silhouette. For ideas they have drawn on many different sources.

by the Empress Josephine. Puffed shoulders, sweeping skirts and graceful draperies are the mode, carried out in fabrics rich in sheen and texture, and in colors of subtle brilliance.

One piece dresses follow the princess silhouette, with fitted bodice and flared skirts. Tunics of all sorts have been designed to conceal unwanted bulges and produce rounded lines where needed; they are worn over pencil slim skirts, many of them contrasting in color and material.

Costume suits combine jackets with one piece dresses. Most of these jackets are short and boxy, but others vary from the redingote type to fingertip and full length coats.

Many of the new effects are achieved through combinations of fabrics in a single dress or suit. Satins are used with crepes, crepes with velvets, satins with thin wools and thin wools with heavy ones. Colors used are in different tones for wools than for silks. Rusts are lighter in wool, while blue is more electric. In wool wine becomes a dark, crushed grape shade, while in silk it is much redder, and green wools are more vibrant than silk in that color.

The leading colors for the season, in addition to the English "royal colors" already mentioned, are copper brown, battleship gray, peacock blue, brilliant scarlet, gold lustre, stone blue (soft slate), and spruce blue (a blue green).

It is a violation of the law to hunt wild waterfowl with a rifle. Shotguns larger than 10 gauge also are illegal.

ANNOUNCING THE NEW SIGHT-SAVER

end-table lamp

... just 23 inches high!

IT HAS THE IMPORTANT FEATURES OF THE BIG SIGHT-SAVER LAMPS

Here is the lamp you have waited for—a small Sight-Saver lamp with the important features of the big lamps. The new end-table lamp is designed to fill the need for a shorter lamp without sacrificing any of the qualities of good lighting for which the large Sight-Saver lamps are noted. Just 23 inches high, it furnishes light for reading, sewing, studying, etc. . . light that is wholly adequate for these tasks . . . light far superior to the dim and uncertain illumination usually found in an end-table lamp. Small as it is, this new Sight-Saver lamp asks no favors or concessions: It provides plenty of light for easy, comfortable seeing, and ranks with other I. E. S. lamps in the quality of its design and workmanship. It is available in a wide selection of new and attractive models, all reasonably priced. Look for the I. E. S. tag—it is your assurance of quality lighting and a certified product.

DIFFUSING BOWL THROWS PART OF LIGHT TO CEILING

A diffusing bowl under the shade of the lamp throws part of the light upward to the ceiling. This is reflected back and spread over a large area. The downward light is also diffused, so that it is soft and useful, without glare.

ROOMWIDE LIGHT—THE SAME PRINCIPLE AS A LARGER LAMP

The scientifically designed shade is open at the top and wide at the bottom, throwing a great deal of light into the room. Harsh shadows are eliminated—the light is pleasant and comfortable, ideal for any evening task.

See the New Three-Light Lamp on display at department stores, furniture stores, hardware and electrical dealers, and

First On Concert Series At U. of M.

Kirsten Flagstad who will open the 58th Annual Choral Union Concert Series in Hill Auditorium, Monday evening, October 19th.

Kirsten Flagstad, distinguished Wagnerian prima donna soprano of the Metropolitan Opera Company will open the Fifty-Eighth annual Choral Union Series of concerts in Hill Auditorium, Ann Arbor, Monday evening, October 19.

On November 16 another ensemble group will be heard—this time, the renowned Moscow Cathedral Choir of twenty-four voices under the leadership of Nicolas Afonsky.

Josef Hofmann, pianist, will appear in recital on November 30; and on December 10, Serge Koussevitzky will bring the Boston Symphony Orchestra of one hundred men to Ann Arbor for its sixth consecutive annual appearance.

The pre-festival series will be brought to a close on March 24 when Nelson Eddy, baritone, will be heard in recital. This will mark his third Ann Arbor appearance, having appeared at two May Festivals several seasons ago when he first began his public career.

IN THE KITCHEN

In case you are one of those people who think that the picnic season is over with the coming of fall, let us hasten to enlighten you. Nothing is more fun than an outdoor meal on a crisp, sunny October day...

Of course such a picnic should not be a cold lunch composed of a ham sandwich, a bottle of pop and a banana. The menu should include something to be cooked over a campfire, a hot dish which can be prepared at home and plenty of piping hot coffee.

The potatoes should be prepared at home and left in the oven until just before starting. Then wrap them in layers and layers of newspaper. When the fire is built you may set the casserole at one side and it will be hot when needed.

Casserole of Potatoes Slice potatoes very thin into a casserole, adding an occasional layer of minced onion. Cover the potatoes with milk and dot with butter, season with salt and pepper and bake in a covered dish until done.

If you have large vacuum jars, you may serve any number of varied hot dishes at your picnic. Baked beans, savory steaks, creamed chicken or sweetbreads, or spaghetti, are among the favorites.

Broiled Chops or Steak Build a good bed of coals, cover with a grill. (One of the grills from the gas stove, placed on rocks works like a charm). When the fire has died down and there is a bed of brilliant coals, place steaks or chops directly on the grill. Turn twice, place on hot

plates, season and serve.

Camp Fire Coffee When your camp fire has a good start, place an old fashioned coffee pot at one side of the grill with coffee and cold water measured in to the quantity desired. As the rest of the meal is prepared, the fragrant coffee will be in preparation. Camp coffee never boils but reaches its full perfection by a slow heating—a gentle simmer—that extracts the full flavor from the coffee bean.

The smelt is now to be found in the waters of Lake Erie. Dr. John Van Oosten of Ann Arbor, in charge of Great Lakes investigations for the United States Bureau of Fisheries has received reports that commercial fishermen of Vermillion, O. have been taking smelt in their gill nets.

The sun's rays contain electricity, and if we had to pay only four cents a kilowatt hour for that which the earth receives, we would owe the sun \$160,000,000,000,000 a day.

Neptune's satellite is supposed to be about as large as our moon and it moves around the planet in a little less than six days.

Local Girls Praised By Y. W. C. A. Leader

The entire Mother and Daughter banquet exhibited the perfect co-operation of 100 people. Commented Miss Davery, executive secretary of the Girl Reserves for the Detroit Y. W. C. A., during a discussion on programs at an advisers' conference held last Wednesday evening. She further told of her intention of making a report of it at the national conference.

Miss Davery, with another adviser, attended the Mother and Daughter banquet sponsored and carried out by the local Girl Reserves last spring. The theme was that of international relationship, with the centerpiece on each of the tables characteristic of a foreign land, and the speeches directed to all the girls and mothers in the world. The advisers from Plymouth attending this meeting who were well pleased with this special praise were Miss Wells, Miss Fiegel, Miss Hearn, and Miss Tyler. They took part in group discussions on programs and the value of the Y. W. C. A.

A discussion of the answers to questions previously contributed to a question box by each member of the group formed the program last Thursday of the Senior Girl Reserves. Barbara Hubbell, program chairman, led in the discussion of these questions which the girls found very interesting. Some of them were: "Should waitresses be tipped?" "At what age should girls go out?" "How can a girl develop poise, personality, etc.?" "Should seniors wear anklets?" "How can the awkward pause after introductions be made easier?"

The girls in Miss Tyler's Junior group took part in singing Girl Reserve songs at their last meeting, and Miss Hearn's Intermediate Girl Reserves made plans for a recognition service which they hope to have in the near future.

MICKEY MOUSE VISITS ROOM 37

Miss Walldorf's second and fourth hour English classes were honored with the presence of Mickey Mouse Wednesday, September 30.

The second hour class was discussing the supernatural element of Hawthorne's "The Spector Bridegroom" when Miss Walldorf asked, "Do you believe in ghosts?" All declared that they did not. Suddenly Belva Barnes started staring at something under the radiator. Naturally it was not long until everyone was gazing there, and whom did they see? Mickey Mouse, a cute little creature of a beautiful shade of gray! Some faces paled a bit, but soon everyone was laughing.

What happened to Mickey Mouse third hour, Miss Walldorf doesn't know.

Fourth hour, the English class was again discussing "The Spector Bridegroom" when Loren Gould happened to glance under the radiator, and there was Mickey! Loren being a very brave boy threw up his feet and arms, almost landing in the lap of the person behind him! "But, Miss Walldorf," he said, when she laughed, "there was a mouse there!" Everyone had a good, hearty laugh and Mickey was left in peace.

At 11:45 Margaret Bentley and James McClain were discussing the concession for the Wayne game when James discovered Mickey running around the waste basket. Miss Walldorf yelled, "Catch him!" which Jimmy started to do. After the chase was over, James picked Mickey up by the tail and threw him out the window. Whether or not Mickey will again visit room 37 remains to be seen.

SENIORS, STUDENT COUNCIL TO SPONSOR ELECTION

Members of Miss Fiegel's twelfth grade American history classes, with the co-operation of the student council, will sponsor a mock presidential election, to be held November 3. Barbara Hubbell has been chosen general chairman, while Phyllis Stewart, Frances Trombley, Tom Brock, John Moore, Edith Mettetal, Robert Egge, Barbara Nutting, Madolyn Weller, Patricia Cassidy, Jewel Starkweather, and Kenneth Kleinschmidt will serve on committees. One home-room period, that of October 14, will be devoted to explaining registration, and students will be able to register on October 15 and 16. Another period on October 30 will also be spent in acquainting the pupils with the method of procedure in voting. A complete list of committees will appear next week.

DOG GUARDS BIKE ALL DAY

Ulysses had a faithful dog which recognized him after 20 years; the travelers in the Alps had their St. Bernards; the World War heroes had their carrier beasts; and Plymouth has its custodian of the bicycles. This pup does not exactly show heroism but it does display devotion.

Every day Jack Baker, a seventh grade student, rides his bicycle to school and anyone who happens to be an observing person is certain to see his collie dog running along beside him. Jack leaves his bike behind the school building but he does not bother to lock it. There is no need, because his faithful dog sits all day and guards his master's bicycle. Woe be unto him who even dares get close enough to touch the wheel. He is promptly rebuked and sent on his way by the collie who surely proves himself to be one of Jack's truest friends.

THE NEW TEACHERS

Mr. Balden, who teaches eighth grade history and seventh grade arithmetic and English, is a native of Michigan, born in Capac, a small town in the Thumb. His high school days were spent in preparation for college and after graduation he chose Michigan State Normal college. The reason he chose a college so far from home was that most of his teachers in high school were Ypsilanti graduates, and from them he heard much about the merits of the school. While there he was a member of the Alpha Tau Delta fraternity.

Mr. Balden is married and his wife is also an Ypsilanti graduate, having taken a music course. Mr. and Mrs. Balden reside at 986 Church street.

Miss Hazel Rathburn, a home town product, was born, reared and educated in Plymouth. Like most Plymouth graduates who wanted to be teachers, she attended Michigan State Normal college at Ypsilanti, and was a member of the choir and Kappa Psi sorority.

During the past two years Miss Rathburn taught the sixth grade at Roseville, Michigan, and is now teaching the 3 A's and 4 B's at Starkweather school.

Mr. Riley Lynch, born and reared on a 100-acre farm in Bangor, Michigan, has pursued his early tendencies and is now vocational agriculture instructor at Plymouth high school. He attended Michigan State college at Lansing and graduated in 1934. During the past two years he has taught in the Hartford high school.

Mr. Lynch, who is a first lieutenant in the United States Army Reserves and a member of the Botanical Seminarum, an honorary botanical society, has traveled extensively in Michigan, Illinois, Ohio, Kentucky, Virginia, and West Virginia.

Miss Dora Gallimore, who is music instructor at Plymouth high school, added to her education by journeying around the world with her parents when she was nine years old. From her birthplace in Meriden, Connecticut, she set forth with her parents and brother for England. From there they took a cargo boat on which there were but 14 passengers, to Australia, stopping in Africa for a few days.

Miss Gallimore attended school there for nine months and then they returned to the United States, residing in Detroit. One year later they moved to Plymouth and Miss Gallimore entered the sixth grade here. She graduated from Plymouth high school and attended Michigan State Normal college at Ypsilanti. While there she belonged to the Delta Sigma Epsilon sorority and was a member of the choir and orchestra for four years. After graduation she spent two years teaching music and art at East Detroit high school.

Mr. Earnest Berridge, a newcomer in teaching, is a farm boy, born near St. Charles in Saginaw county. He attended high school there and was a member of the basketball, baseball and track teams. After graduation he attended Michigan State Normal college. While there he was a member of the track team.

Mr. Berridge has traveled in Indiana, Illinois, Ohio, Pennsylvania and New York. He is now teaching the 5A and 6B grades.

THREE DEBATE TEAMS ENTER TOURNAMENT

River Rouge high school is conducting a debate tournament tomorrow morning at the Panther school. Among the teams invited are Flint Northern, Flint Central, Milford, Detroit Northern, Detroit MacKenzie, and Plymouth. The local debaters will take three full teams, one affirmative and two negative. The affirmative team will be made up of two freshmen and one senior, Lynton Ball, Bill Aluia, and Tom Brock. One negative team has Florence Norton, Marilyn Holton, and Jewel Starkweather. The other team was Jeannette Brown, Dorothy Hearn, and Edith Mettetal. The question is, "Resolved, that all electric utilities should be governmentally owned and operated."

Two rounds of debates will be held in the morning, after which the teams will discuss the debates at a luncheon in the Methodist church. All debates will be judged. The constructive speeches will be seven minutes and the rebuttals, three.

CLASS NOTES

The typing classes this year are using new books containing the latest method of learning the keyboard which is memorized by the end of three weeks' time. The classes are much larger than those last year, every typewriter being filled each hour of the day. Some students were turned away because of lack of room. After three and one-half weeks of typing, Norma Jean Roe was high with 12 words per minute in the first 15 minute speed test for beginners.

Miss Fiegel's American history classes will put on a mock presidential election next month to see whom the students favor. Those on the committee planning it are Tom Brock, Phyllis Stewart, Frances Trombley, John Moore, Edith Mettetal, Barbara Hubbell, Robert Egge, Barbara Nutting, and Madolyn Weller.

Miss Cary's 10B bookkeeping students are struggling with equality of debits and credits while the 10A group is finishing the work book preparatory to starting the Collin's Practice Set. The 11B students are about to enter the employment of French and Brun, retail dealers in leather goods, as bookkeepers.

The commercial geography class has completed a projection of the East, making physical and climatic maps of Asia.

Miss Allen's English 12 class has been studying the Middle English period. One of the features of this period was the miracle play. This type of play could be compared to our modern movie, "Green Pastures," which is a portrayal of the Negro conception of God; the creation of earth, and certain Biblical stories. Most students in this class have seen this movie or modern miracle play.

Miss Walldorf's second hour 10B English class dramatized the short story "Porch Rattlers" for which the class divided into two groups.

The fifth hour public speaking class is giving interesting talks on current magazine articles.

GIRL SCOUTS CHOOSE NEW OFFICERS

At the last meeting of the Girl Scouts of Troop 1, new troop officers and patrols were chosen, with Marion Coward and Marie Ann Miller as patrol leader and assistant for Patrol 1; Mary Jane Olsaver and Dorothy Ebersole for Patrol 2; Evelyn Bower and Rose Neidospal for Patrol 3; and Jacquelyn Schoof and Lois Schauffele for Patrol 4; Betty Mastick is executive chairman of the troop, Barbara Olsaver is scribe, and Carol Campbell is treasurer.

HOME EC. CLUB ELECTS MARGARET BRANDT LEADER

The Home Economics club, under the supervision of Miss Lundin, held an election of officers at the meeting of September 15. The presidency was given to Margaret Brandt; the vice-presidency to Genevieve Spaulding; Jean Anderson was elected secretary; and June North treasurer. Adeline Plant was chosen to represent the club in the Pilgrim Prints.

Ruth and Genevieve Spaulding entertained the club at their home at a recent meeting, the purpose of which was the initiation of new members. After the business had been transacted, the members enjoyed games and bobbing for apples. The evening closed with refreshments.

Dues were fixed at 20 cents a semester at the meeting of September 29. Some very attractive blouses were started.

DRAMA CLUBS WORK AT ONE-ACT PLAYS

The Junior Drama club headed by Miss Lovell, has started taking voice tests and lessons in pronunciation and expression. After finishing this important work, they plan to begin work on one-act plays.

The Senior Drama club has already begun work on several one-act plays, one of which is a comedy entitled "Breakfast." It concerns a man who is always reading books on better ways of running the family, growing hair, etc. The latest book he has read is "How to Manage a Family." He has decided to try some of these tactics in his own household. As the play progresses, he has tried in vain every method of which he knows. In the end he has decided that he may be wrong and decides to abandon this idea also. This play has already been presented twice in assemblies and it will again be given at Bright-moon tonight in the Methodist church.

OFFICERS ELECTED BY LEADERS' CLUB

The girls in Leaders' club elected officers for the first time in a number of years last Tuesday. There was a close race for president between Ellen Mulry and Betty Jane Housley. Ellen becoming president and Betty vice-president. Madolyn Weller is secretary and treasurer.

Since one may become a member of Leaders' club by vote only, there were a number of girls waiting to be either voted in or rejected. Those new members are: G. Schultz, A. McNulty, E. Cline, L. Mault, E. Nystrom, S. Sorenson, and R. Campbell. Then an executive committee was formed and those selected are: R. Kirkpatrick, 9th grade; N. Coffin, 10th grade; A. Shoemaker, 11th grade; V. Cline, 12th grade; and Ellen Mulry, Betty Jane Housley, and Madolyn Weller.

The purpose of Leaders' club is to instruct in all the athletic rules so they may be better players and officials, to conduct tournaments between the classes, and to be good sports at all times.

SENIORS WELCOME FRESHMEN AT RECEPTION

Nearly every member of both the freshman and senior classes attended the reception given for the ninth graders last Friday evening. The entertainment began when the guests marched noisily around the gym with their hosts and hostesses and received brightly colored balloons as souvenirs, after which everyone joined in the singing of several lively songs. Tom Brock, senior president, then delivered an address of welcome to the new high school pupils, and this was answered in a short speech by Joe Scarpulla, freshman president. Still enthusiastic over Plymouth's football victory of the afternoon, the crowd responded with a few lusty yells led by the freshman cheerleaders, Ed Mulry, Billy Thomas, Joe Scarpulla, and George Houghton. After members of the senior drama club had presented an entertaining play, "chocopops" were served as refreshments. An hour's dancing completed the evening fun.

CENTRAL GRADE NOTES

The kindergarten is working on a membership drive for P. T. A. and already have 19 members. The children took a nature walk last week during which they picked up leaves and talked about their coloring and the coming of fall. Then they made free hand drawings of the leaves and colored them.

In art class Miss Landon's pupils are making booklets of the Dick and Jane family.

Continuing their work on their doll house, Miss DeWaele's pupils have furnished the living room and one bedroom. They have added the study of the aster to their flower booklets. In music they are learning several lullabies, the last one being "A Russian Lullaby." They are making a family booklet in art class.

Miss Frantz's pupils are making flower booklets containing studies of the nasturtium, sunflower, and cosmos, with pictures to illustrate them. They are studying man's and animal's preparations for winter. Several of the youngsters are taking a children's newspaper called "My Weekly Reader" which they thoroughly enjoy.

Eugene Campbell has transferred from Starkweather school to Miss Weatherhead's room. Howard Rigale has entered from Detroit. The third graders have studied the aster and the second graders the nasturtium in flower study. Gerald Rorabacher is absent because of illness.

Mrs. Bird's and Miss Maunula's class is beginning its butterfly study. They have finished the study of the oak, elm, maple, peach, and cherry leaves. Donna Horst has left for Detroit.

Norma Lee, Richard Wall, and Doris Gerhardt, of Miss Widmeyer's room are absent because of illness. The class has made poetry booklets.

Miss Hornbeck's pupils are very busily working on the P. T. A. membership drive. The P. T. A. will treat the room which secures the most members.

The 4A class has made traveling booklets on trips in Africa. The 5B pupils are beginning their fraction work this week.

Miss Carr's pupils have obtained eight memberships thus far in the P. T. A. contest. They have made covers for their booklets on Asiatic animals.

Helda Rorabacher and Donald Kelner are captains of the spelling teams in Mr. Berridge's room. The students are trying hard to improve in spelling. The boys' soccer games have proved to be very interesting, great competition existing among the various teams. The Minute Men led by Bill Donovan in first place at present, and Walter Patrick's team is second. The pupils have finished their flower study. The 5A group is finding the study of China very interesting.

Mrs. Holliday's 6B pupils are making pictures to illustrate "The King of the Golden River." Gladys Hart has transferred to Dearborn.

HI-Y BOYS PLAN GOOD PROGRAMS

The Plymouth Hi-Y club has planned several excellent programs for the next semester.

Chief of Police Vaughn Smith has been invited to discuss the new traffic ordinance with the boys on Thursday, October 8. The program committee of Robert Egge, Jacques DeLaurier, George Kenyon, and Dick Gillis has also suggested other tentative programs. Some of these are joint song meetings with Torch club, joint discussion on boy and girl relations with Girl Reserves, speech by Mrs. Ruth Whipple on civic government, discussions of unemployment, college, and problems of youth, trips through industrial plants and places of interest, and discussions about school problems. The club plans to take charge of home rooms several times this year. Then, too, the Plymouth chapter intends to join the national organization and enjoy the privileges of the Detroit Y. M. C. A.

The club is composed of 31 members, 19 seniors and 12 juniors. The officers are Tom Brock, president; Francis Trombley, vice-president; and Robert Hudson, secretary-treasurer. Robert Egge is program chairman.

Betty Mastick, Belva Barnes, Barbara Olsaver, Lois Schauffele, and Katherine Moon attended the football game in Ann Arbor Saturday afternoon.

Betty Mastick, Mary Jane Olsaver, and Katherine Moon attended a horse show at the Oakland Hills Riding club Sunday afternoon.
