(By The Editor)

GOOD WORK.

Mayor Henry Hondorp, who completed his first term as mayor Monday evening, has reason to feel well satisfied with his administration in behalf of the city of Plymouth. He has made a good mayor and his year's work has been one of complete satisfaction to every one who has the best interests of our city at heart. There has been nothing spectacular about it. There have been no fireworks—it has been an administration featured with good every day horse sense and every taxpayer in the city has profited by it. There are lots of things we would like to see done, but to do everything we think the city should do is not such an easy task as one on the outside looking in, thinks it is. But we have made steady progress during the past year and the city has reason to be well satisfied with the good work of Mayor Henry Hondorp. We extend congratulations.

DO IT NOW.

The Chamber of Commerce under the direction of its new president and officers is to be commended for starting a campaign to limit downtown parking. President Stewart Dodge has, on many occasions in the past year, pointed out the fact that it is with the greatest of difficulty that visitors from the rural sections find parking places Saturdays on downtown streets in Plymouth. Automobiles belonging to some store and office employees are left for periods sometimes exceeding ten and twelve hours in one place without being removed. Naturally this limits, to a very great extent, the parking space for people who desire to trade in Plymouth. We are sure that the city commission can work out some sort of an arrangement whereby more facilities can be had for parking cars.

GROWING.

All one has to do to feel sure that Plymouth is on the way up is to take a trip about the city and see the large amount of building that is taking place about town. The big Burroughs plant is being rapidly pushed and while it may not be finished as quickly as expected because of a brief tie-up a week or so ago, it will be finished sometime in the fall. Many new homes, a super service station, which will be outstanding because of its design, and other structures are under construction. Unfortunately there has been one or two industries looking for a location in or about Plymouth that seemingly are no longer interested in this district, but we believe that with the growth of the manufacturing plants we have here at present and with the new Burroughs plant soon to be opened in this locality, we should be pretty well satisfied with the good progress we are making. A satisfied and progressive citizenship is a most priceless asset to any community, and that is what we have long prided ourselves upon. It is one of the reasons why we have made the growth we have at a time when other communities have been standing still.

When Fishing Season Opens and Closes

Friday, April 30, is the last day of legal fishing this spring in all the inland lakes in Michigan, except a number of designated pike and trout lakes. The designated pike lakes are open the year around to fishing for all species of fish on which there is an open season and the trout lakes, which closed Labor day, re-open Saturday, April 24. The lakes that close April 30 will open when bass fishing becomes legal June 26.

Chief Relaxes Vigil Too Soon After Tip-Off and Gunmen Net \$7,500 In Northville State Bank Robbery

Kept Watch For Two Weeks After Ex-Convict Talked

After waiting for two weeks for robbers to hold up the Depositors State Savings bank, Chief of Police Loyal German of Northville, gave up his vigil a few days too early.

Shortly after Chief German left the main street of Northville to go home for lunch Tuesday, the bandits appeared and entered the bank, forcing President John A. Boyce and his assistants to lie on the floor while they piled \$7,489.00 of Northville cash into a bag and escaped.

Chief German received a tip from a paroled Jackson prison ex-convict about four weeks ago that the bank was to be held up and after two weeks of watching and investigating the story, in which the ex-convict said he was to have been the driver of the bandit car, police officers could place no authority on the proposed hold-up, although every precaution was taken by the bank and police authorities during that time. Apparently, some credit can now be given the tip as the hold-up did occur but state police are at a loss to know who did it, the informant's crowd or another gang. In the meantime, the ex-convict had been returned to Jackson prison and is at present being questioned by state police in an attempt to get better identity of the men he had been dealing with.

Two men entered the bank and forced Cashier Russell Clarke, State Bank Examiner W. J. Schriener and Frances Cousins, telephone employee, to lie on the floor behind the cage while the gunmen scooped up the money on the counters. President Boyce stepped from his office in front of the robbers and was also forced to lie on the floor.

During the hold-up, three customers entered the bank and they too, were ordered to the floor. After all the money had been put into a bag by the bandit, Cashier Clarke was ordered to open the vault, but stated that it would be impossible to do so on account of the time lock on the door, so he was again ordered back with the others. As the bandits left the cages to enter the lobby someone released the tear gas, but it had little effect on the pair and they left the bank and drove to Six Mile road where they abandoned their car and either entered one of an accomplice or stole another automobile. Police are inclined to believe that it was an accomplice.

Other than the clue given to Chief German at Northville by the former prison inmate, there is no other evidence with which the police have to work. Several strangers have been in Northville lately inquiring about the bank and only a few days ago two men spent some time in the Northville drug store talking with its proprietor, L. C. Stewart, about the institution. They were identified by Stewart as the pair who staged the hold-up Tuesday.

It was the second bank hold-up in Michigan within a week and the fifth since January 1.

Church Expands Basement Space

Work started this week to enlarge the basement of the First Church of Christ Scientists.

The construction will deepen the west end of the basement to provide additional space for Sunday school class rooms. Movable partitions will be used.

The furnace will be moved to one side to provide part of the additional room. The work will be completed sometime late in May or early in June.

Townsend Club Meets April 26

All interested in the Townsend plan are urged to attend the next meeting to be held in the Grange hall at 8 o'clock Monday evening, April 26.

There is to be an able speaker Mr. Carter of Royal Oak club and Ben S. Staley, the district manager, will also be present.

Everyone is welcome to come and hear what Mr. Carter has to say for the Townsend plan.

The members of the Northville club have been invited to the meeting.

Want To Do Some Sparring? Here's How

The spring months offer a good opportunity for sportsmen to reduce the supply of obnoxious fish in their favorite lakes by organizing night parties and spearing them with artificial light, conservation authorities say.

Carp, dogfish, and garpike spawn on a rising water temperature and may be speared in large numbers at certain times from as early as the latter part of April until June.

Night spearing parties by artificial light for the purpose of taking obnoxious fish are legal so long as the event and those participating are approved by the local conservation officer by permit or he is personally present to assist in the work.

City Ready For Annual Clean-Up Week

City Manager Clarence Elliott is making plans for the annual Clean-Up Week campaign.

The drive, which will come early in May, will be carried out along the same lines as last year. The city will be covered by precincts, one each day. A city truck will cover each area to pick up tin cans and rubbish.

The city is beginning to repair streets and this year will use a composition of gravel and tar to fill the holes in the preliminary work. In June, when warmer weather arrives, the roads will be sprayed with asphaltic tar to provide hard surfaces.

Grading is also being done on dirt streets and many of these will be hard surfaced before the summer is over. Some roads, however, will be covered with gravel.

The city, to carry out the commission's long term beautification program, has purchased 100 American elm trees of between 10 and 12 feet in height which will be set out throughout the city. The commission plans to add a similar number each year to come.

The usual spring work of repairing sewers and making new water connections is also progressing nicely.

G-Man Speaks At Kiwanis Club

Jay C. Newman, outstanding G-man, recently placed in charge of the Detroit office of the Federal Bureau of Investigation, addressed the Kiwanis club in Plymouth Tuesday night.

Newman's record in the service of the federal government included the case of Dillinger in northern Wisconsin when Newman was wounded as the desperate gangster shot his way out of the trap. He also has served in other parts of the United States and told some interesting sidelights of his work as a federal agent.

J. A. Hahnah, secretary of Michigan State college, will come to Plymouth next Tuesday night to speak at the Kiwanis gathering. He is a wide traveler and a forceful speaker.

Did You Know That

You can have your old shades cleaned or purchase New Mobas Shades, also Venetian Blinds, Drapery Rods, and Linoleum at the National Window Shade Company? Phone 530 for estimates.

The Men's club of the Methodist church will serve a mother and daughter banquet on May 14. Plans will be announced later.

The ladies of the Baptist church are holding a cafeteria supper tonight.

Glenn Smith has installed a new neon sign on the front of his store on Main street.

CITY HEALTH OFFICER DECLARES WAR!

The city manager and the health board have been urged strongly by the city health officer to take immediate steps in getting the home owners of our city to tap into the Sanitary sewer system constructed a few years ago for the welfare of its citizenry.

Dr. Luther Peck, the health officer, states that the State Housing code calls for immediate tappings into the city sanitary sewer where such a sewer is available.

Several years ago Plymouth, upon the urgings of its citizens, (Continued on Page Six)

Mother-Daughter Banquet Planned Here On May 4

Mrs. Bertha N. Ashby Obtained As Speaker For Event

Mrs. Bertha N. Ashby, director of the bureau of appointments and vocational placements at the University of Michigan, will be the principal speaker at the annual mother and daughter banquet to be held in the Plymouth high school auditorium on Tuesday night, May 4.

Mrs. Ashby, who has become well known in Michigan for her ability as a public speaker, will talk on developing one's personality.

This year the program of the banquet has been planned around the making of a patchwork quilt. Ireta McLeod, president of the senior club, will be toastmistress. The program will follow this plan:

Choosing the pattern (introduction to toastmistress)—Barbara Hubbell.

Choosing the pieces (toast to mothers)—Dorothy Cates.

Cutting the pieces (toast to daughters)—Mrs. D. N. McKinnon.

Sewing the blocks (verse speaking choir)—B. Drake, A. Soth, E. Eiert, M. Hood, D. McCullough, M. Zimmerman, J. Shoemaker, G. Hartling, R. Ash, B. Nutting, M. Gorton, J. Brown, D. Joyner, M. Bentley, F. Stewart, B. Flahegty, D. Roe, and A. Brown.

Assembling the blocks (pantomimes)—M. Weller, E. Mulry, M. Holton, E. Bridge, A. Hegge, E. Hegge, J. Taylor, M. Luttermoser, D. Hearn, F. Norton, G. Nagy, H. Ingall, and Irene Cieskiel.

Piecing the quilt—Mrs. Ashby. The quilting (a quartet): E. Mettetal, M. Luttermoser, D. Schmidt, and F. Norton.

Binding off: "Follow the Glean" and "Taps".

Tickets are now being sold and can be purchased from any Girl Reserve.

Mrs. Earl Mastick Hostess To D.A.R.

Mrs. Earl Mastick, 1525 Ball street, will be hostess to the Sarah Ann Cochran chapter, Monday afternoon, April 26. This was to have been Mrs. Nelson Schrader's meeting, but owing to her absence in Florida, the two hostesses have exchanged meetings.

The program will be given over entirely to reports of the state conference and the national congress.

GOLFERS WILL HOLD ORGANIZATION MEET

Golfers of this section are planning on holding a meeting next Wednesday night at the Wild's Men's store in anticipation of opening a golfers' league this season. The league will hold its games at Plymouth Hills Golf course and will be played in the twilight hours. Anyone interested in sponsoring a team or playing is asked to attend this meeting.

New Honors For Plymouth Mail

The Plymouth Mail was last winter, awarded the distinction by the Michigan Press Association of being Michigan's best weekly newspaper. It is an honor that will always be cherished. Now comes the information that at a recent conference of instructors and students of the department of journalism of the University of Michigan, The Plymouth Mail has been chosen as one of the best newspapers in the entire field of weekly newspapers. Copies of The Mail will be used as a part of a permanent exhibit at the University hereafter to be displayed at press conventions and to Department of Journalism visitors. The workers on The Plymouth Mail not only feel highly pleased over these outstanding awards because of the standing it gives to the newspaper, but because of the distinction it brings to the city of Plymouth as having one of the nation's best weekly newspapers. It is an honor that every one associated with The Mail fully appreciates.

Petitions Seek Tonquish Creek Improvements

County Drain Commissioner Asked To Act

Petitions seeking to cover Tonquish Creek in the downtown section of Plymouth were forwarded this week to the Wayne county drain commissioner.

The petition reads: "Your petitioners hereby petition for the deepening, widening, straightening and cleaning out where necessary, and covering the drain beginning at Harvey street to Wing street, and beginning again at South Main street to the alley east of South Main street, a distance of about 1400 feet."

The city commission on Monday night approved the petition and it was sent to the county drain commissioner who will set a date for public hearing.

The sponsors of the petitions seek to improve the downtown section which in recent summers has suffered from odors coming from Tonquish Creek. It is thought that if the small waterway is covered for the 1400 feet that business men in that end of town would level it off to provide a large area of new parking space for the use of people driving to Plymouth to trade.

The present condition of the creek has been condemned by health authorities several times. (Continued on Page Six)

Merchants Close Stores At 9 p.m. Saturday Nights

Earlier Closing Goes Into Effect This Week

Do your shopping early in Plymouth Saturday night because most of the merchants are going to close at 9 p.m.

In line with other Michigan cities almost every business place here, except drug stores, ice cream parlors and gasoline stations, will shorten the working hours of their employes by shutting their doors promptly at 9 p.m.

Since the announcement last week several additional business places have signed the agreement to follow out the earlier closing plan. These include Blunk's department store, Draper's Jewelry, the Helen Davis gift shop, Harry Robinson's, Huston & Company Hardware, and the Rosebud Flower shop.

These additions give the merchants' committee almost 100 percent support in the plan. Most of the employes have joined in the earlier closing enthusiastically to reduce the Saturday hours of their employes which, previously, has been running from 12 to 16 hours.

The committee believes that housewives in the Plymouth trading area will co-operate by making their purchases earlier on Saturday nights. Pontiac, Farmington, Ann Arbor and other cities where the earlier closing plan is already in effect have reported whole-hearted co-operation by customers.

Cub Scouts Observe Arbor Day

The Cub scouts planted a tree in Kellogg park last Friday with appropriate ceremonies to observe Arbor day.

The invocation was rendered by the Cub Master and the group sang "America" led by Cub Wellington La Belle. Then the tree, an American elm, was planted with each Cub having a chance to use the shovel. The entire group dedicated the tree to the youth of Plymouth.

Eileen Jordon Weds Wm. Rambo

The marriage of Audrey Eileen Jordon, daughter of Mr. and Mrs. John A. Jordon, to William H. Rambo, son of Mr. and Mrs. Frank Rambo, of this city, took place at 6:30 o'clock, Friday evening, April 16, in the home of the happy couple on Eastside Drive, with Rev. Walter Nichol, pastor of the First Presbyterian church, of Plymouth, performing the ceremony.

An arch of yellow and white streamers with palms and baskets of gold and yellow snapdragons formed a background for the wedding party.

The bride wore an Alice blue suit of satre with beige trim with which she wore a brown fox fur and corsage of gardenias.

Audrea Kreeger, bridesmaid, wore a suit of grey wool tweed with accessories of powder blue and a corsage of gardenias.

Stuart Rambo, of Logansport, Indiana, brother of the bridegroom, was best man.

Mrs. Jordon wore a gown of aqua satre with jacket of beige lace. Mrs. Rambo, mother of the bridegroom, wore a gown of wine lace.

Following the ceremony a wedding dinner was served at the Hotel Mayflower with covers laid for 24. The table had a three-tiered wedding cake, decorated with white doves and roses on the sides, and topped with a miniature bride and groom, as a centerpiece, flanked by yellow tapers and bowls of yellow snapdragons and chrysanthemums.

BABY ARRIVES ON MOTHER'S AND DOCTOR'S BIRTHDAY

"Happy birthday" was the greeting at the Plymouth hospital Sunday when an eight-pound baby girl was born to Mrs. H. W. Passmore, 705 Haggerty road.

Of course, April 18, is the baby's birthday, but what makes the greeting more appropriate is that Sunday was Mrs. Passmore's birthday and also that of the attending physician, Dr. Luther Peck.

So the arrival of the stork brought congratulations all the way around.

Discuss Plans To Promote Home Building

Real Estate, Lumber and Bank Men Meet

Plans for a concerted drive to promote the construction of new homes to meet Plymouth's acute housing problem were discussed at a meeting of real estate men, lumber dealers and bankers called together last Wednesday night by Stewart M. Dodge, president of the Chamber of Commerce.

Representatives of Plymouth banks reported that they are willing to extend credit, through co-operation of the Federal Housing administration, with loans up to from 65 to 80 percent for new construction. The loans would run over a period of 10 to 20 years.

A plan was also discussed whereby a local syndicate might be formed to stimulate building by setting up a revolving fund which would be used to build a number of homes. L. J. Murphy, Chamber of Commerce secretary, was instructed to investigate the feasibility of such a plan and make a report at a later meeting. It was also reported at the meeting that some insurance companies are anxious to make loans in Plymouth to residents who desire to build new houses. Representatives of one insurance company were here this week to make a preliminary survey of the situation preparatory to offering loans.

Twelve homes are now in the process of construction here at the present time but civic leaders believe that unless concerted action is taken the housing problem cannot be met. Another meeting of interested business leaders will be held later.

Eileen Jordon Weds Wm. Rambo

The marriage of Audrey Eileen Jordon, daughter of Mr. and Mrs. John A. Jordon, to William H. Rambo, son of Mr. and Mrs. Frank Rambo, of this city, took place at 6:30 o'clock, Friday evening, April 16, in the home of the happy couple on Eastside Drive, with Rev. Walter Nichol, pastor of the First Presbyterian church, of Plymouth, performing the ceremony.

An arch of yellow and white streamers with palms and baskets of gold and yellow snapdragons formed a background for the wedding party.

The bride wore an Alice blue suit of satre with beige trim with which she wore a brown fox fur and corsage of gardenias.

Audrea Kreeger, bridesmaid, wore a suit of grey wool tweed with accessories of powder blue and a corsage of gardenias.

Stuart Rambo, of Logansport, Indiana, brother of the bridegroom, was best man.

Mrs. Jordon wore a gown of aqua satre with jacket of beige lace. Mrs. Rambo, mother of the bridegroom, wore a gown of wine lace.

Following the ceremony a wedding dinner was served at the Hotel Mayflower with covers laid for 24. The table had a three-tiered wedding cake, decorated with white doves and roses on the sides, and topped with a miniature bride and groom, as a centerpiece, flanked by yellow tapers and bowls of yellow snapdragons and chrysanthemums.

Mr. and Mrs. Rambo left immediately on a brief wedding trip to Grand Haven and Holland, returning to Plymouth Sunday.

Their many friends in and around Plymouth extend best wishes for a long, happy and contented life together.

Hondorp Unanimously Re-elected Mayor of Plymouth; Mrs. Whipple Continues As Mayor Pro Tem

Re-Elected

HENRY HONDORP Mayor

MRS. WHIPPLE Mayor Pro Tem

Make Final Plans For Church Dedication May 9

Final plans are being completed for the laying of the corner stone at the Presbyterian church, according to Claude Dykhouse, chairman of the program committee. Elaborate plans are under way to make this event one long to be remembered in Plymouth and the date for the actual ceremony has been set for Sunday, May 9, at 3 p.m.

The committee formulating the plans for the affair consists of Claude Dykhouse, Rev. Nichol, Mrs. Nettie Dibble, Mrs. Gus Gates, Mrs. Edward Hauk, Mrs. Goodwin Crumble and Raphael Mettetal. The complete details will be released within the next week or two, it was stated by Mr. Dykhouse.

A committee, consisting of Reverend Nichol, Mrs. Dibble and Mrs. Crumble has been appointed to select the material that will be enclosed in the box that is to be placed in the corner stone. Suggestions from residents of the city may be phoned to any one of the members or material for the box may also be given to them.

The committee plans to include in the box the old records taken from the corner stone of the old church, a complete history of the church, the 100th anniversary program, copies of The Plymouth Mail, etc. Also included in the box will be the names of people who gave special gifts and made pledges to the church and the amount they have paid on their pledge at the date of the ceremony and also those who donated their services to the church prior to the actual construction on the new edifice. (Continued on Page Six)

CHANGES NAME TO MAKE IT EASIER FOR CUSTOMERS

Dave Galin announced yesterday that he had changed the name of his meat market to just plain Purity Market and that in the future he thought that would be enough for his customers to remember and say. The dropping of the word Plymouth from the front of it will shorten it considerably and make it much easier in all of his business dealings.

City Commission Delays Appointments To Other Posts

Mayor Henry Hondorp was re-elected to head the city government of Plymouth for a second year Monday night.

The city commission voted unanimously for Mayor Hondorp and for the re-election of Mrs. Ruth E. Huston-Whipple as mayor pro-tem.

The action came after Commissioner George Robinson nominated both officials and asked the suspension of rules that a unanimous vote might be cast.

Mayor Hondorp, who served as commissioner under the village manager form of government for four years, returned to the city hall in 1936 and was immediately selected by his colleagues to be mayor. His re-election for a second year as mayor is a high compliment to this efficient city official and meets with general approval of the citizenry.

Mrs. Whipple, the first woman to hold a commission post here, was appointed to fill a vacancy caused by the death of the late Robert Mimmack in 1933 and was successively re-elected to two terms on the commission in 1934 and 1936. A year ago she was first elected as mayor pro-tem.

The city commission decided to withhold the appointment of a number of city officials until the next meeting. Previously, it had been expected that the posts would be filled last Monday night.

The city commission accepted a warranty deed which turns over to the city the old Baptist cemetery located at the end of Pearl street. This property, turned over by Donaldson Craig, of 5483 Trumble avenue, Detroit, one of the descendants of Plymouth's first settlers, will be maintained by the city of Plymouth as a historical spot. Broken markers will be repaired and the entire plot of ground will be cleaned up.

The commission plans to hold a special session on April 29 to take up the proposed 1937-38 budget, item by item. The public hearing on the budget will be held on the night of May 3.

Mrs. Bennett Is New President

Mrs. Lucille Bennett was elected president of the Woman's club of Plymouth at the annual spring luncheon meeting at the Hotel Mayflower last Friday.

Other new officers named follow: First vice president, Mrs. Hazel Moon; second vice president, Mrs. Cora Chaffee; recording secretary, Mrs. Kenneth Matheson; corresponding secretary, Mrs. George Chute, and treasurer, Mrs. Jack Taylor.

The new executive board consists of the new officers and Mrs. George Burr, past president of the club. Mrs. Thomas Moss and Mrs. William Pettigall.

The retiring officers gave their annual reports at the meeting and music was furnished by the high school girls' quartet under the direction of Miss Dora Gallimore.

Firemen Plan Open House in May

The volunteer firemen of Plymouth are busy planning a big open house early in May to show the citizens of the city their up-to-date quarters.

A new cement floor is being completed and the fire house in the city hall will be repainted throughout. The new fire truck will be completed within a week and will be on display during the open house.

The volunteer firemen, an exceedingly efficient organization, will announce shortly the night that all Plymouth children are invited to bring their parents to see the modernized equipment and quarters. A program is being planned.

Rev. and Mrs. Walter Nichol spent a few days this week in Chicago visiting their son, David and family.

25 Years Ago

In Plymouth and Vicinity—Interesting News of Days Gone By Taken From The Plymouth Mail Files

Mrs. W. H. Hoyt is at the Ann Arbor hospital for treatment.

H. W. Murray is enlarging the floor space in his ice cream parlor and making other improvements.

Walter Westfall and Miss Bertha Kehl were married at the Methodist parsonage by Rev. Edgar Warren, Wednesday, April 10.

The 14 months old daughter of Mr. and Mrs. Harry Minthorn fell out of bed Monday forenoon, sustaining a broken shoulder blade.

C. H. Rauch has sold a new Hudson motor car to T. G. Richardson of Northville.

Messrs. W. T. Pettingill, Fred Holloway and Scott Cortrite were among the Detroit Journal baseball prize winners.

About 13 girl friends of Miss Bessie Rathbun gave her a very pleasant birthday surprise Monday evening.

W. K. Armstrong has sold his blacksmithing business to Herbert Ede and the latter has already taken possession.

Marshal Springer has been instructed to keep close watch on the automobiles. No partiality will be shown with anyone exceeding the speed limit of ten miles an hour in the village.

The Plymouth Telephone company has purchased an 8-horse power motorcycle capable of carrying two men, and after this when trouble occurs anywhere on the line the trouble man will be "Johnny on the spot".

Cards have been received here

announcing the marriage of Roy Armstrong to Miss Frances Donahue which took place at Alhambra, California, April 13. Friends of the groom, a Plymouth boy, extend congratulations.

Mrs. J. B. Henderson entertained a number of young people at her home Thursday evening. They report a very enjoyable time and say that when Mrs. Henderson undertakes to do anything of this kind, it is always well done.

A fierce hailstorm prevailed in this vicinity Sunday afternoon. North of the village a number of window lights were broken and some farmers who had set out early cabbage plants found the plants beaten into the ground.

The postmaster says chaty prayer postcards are being mailed again in this locality. Postmasters are required to withdraw such cards from the mails and persons mailing them are liable to a fine of \$5000 or five years imprisonment or both.

The Wayne county road commission expects to complete the grading and graveling of the Plymouth road to Detroit as soon as possible, work to begin right away. Then it will be a pleasure to drive to the city—either with auto or team.

The annual meeting of the Plymouth Athletic association will be held in the directors' room of the Plymouth United Savings bank this evening for the election of officers and the transaction of any other business.

Mr. and Mrs. Bert Kehl of Stark spent Sunday with the latter's brother, Bert Krumm and wife.

John Root of Murray's Corners is selling his stock and will leave the farm to locate in the West.

Era Wilson attended the Republican state convention in Bay City last week as a full fledged Roosevelt delegate.

RAMBLING with Editors AROUND of Michigan

RIGHT!
A strict accounting of public funds is a prime requisite of good government. There is no logical reason why such an accounting should be refused. In fact, it borders on an impertinence to have it refused. City accounts, county accounts and township accounts, for example, are public property. This is as it should be. When the county donates money for an enterprise carried on through state agencies, the state then stands in the same relation to the county governments as the county government does to its people.—Dick Cook in The Hastings Banner.

HOMES.
The cry throughout the state is for more houses. It seems to me we are fast approaching a housing crisis. Young couples eager to own a home are unable to do so because they lack funds for down payments. The cost of construction is rising along with the cost of living. To build a house is more costly than to buy one already erected. But again it takes a good-sized down payment. About the only thing they might have for a down payment towards a home is a worn out car, which no one wants. More trailer cars meet the issue for some, adding to our traffic problem. Many will take to our lakes as soon as weather permits, living the life of the Bohemian Zigeuner. (Gypsies.)—J. John Pope in The Grandville Star.

SUCKERS ARE BITING.
When the employees of the Chris-Craft boat plant went on a strike the bosses locked the gates and went to Florida. Now everybody wants to go back to work but the BOSSSES. Fishing is good in Florida. The plant was being run to give work to 600 men who had families to support, but they did not appreciate the fact. Now the women and children suffer, but the professional Labor Racketeers just look for a new crop of suckers elsewhere.—Milton Carmichael in The Detroit Courier.

THE RESULTS.
Not all the results of a strike are those which you see recorded in the news dispatches of the day. One of the results of strikes, and one about which little is said, is that a strike moves employers to develop more labor saving machinery in order that they may be less dependent upon human labor. Thus labor tends to defeat its own ends when it strikes unfairly.—William Berkey in The Cassopolis Vigilant.

HE WHO LAUGHS—LASTS
During the dark days of the Civil War when boys from both sides were dying by the thousands on the battle-field, Lincoln took time to begin his cabinet meetings by reading a few passages from a recent book by Artemus Ward, one of the leading humorists of that time. One of the cabinet members reproached the great man, asking: "Mr. Lincoln, how can you laugh at such a time?" Lincoln replied: "I could not laugh my heart would break!"
Laughter is a wonderful gift. It is a safety valve by which we can escape for a time the seriousness of life. Life is so full of stark tragedy. There is so much pain and sorrow. It is fine that the Creator has given us laughter.
And most blessed of all, perhaps, is the man who can laugh at himself. The man with a sense of humor. Humor is a shock absorber that eases the blows of life. We all make our share of mistakes. It is best not to take ourselves or our work too seriously. It is a good thing to stand off and laugh at ourselves now and then.
He who laughs—lasts!—James Gallery in The Tuscola County Press.

Open Winter Does No Damage To Crops
Michigan winter wheat prospects on April 1 were given a condition rating of 72 percent of normal by crop correspondents of the Michigan Co-operative Crop Reporting service. This is 10 points below the 10-year (1923-32) average and reflects the slight growth and retarded development during March which was unusually cold and dry. While there was very little snow covering during the winter, the mild weather is believed to have prevented serious injury to the crop prior to March. The effect of March weather, because of the dormant condition on April 1, this could not be accurately appraised, and no attempt is made to estimate the abandonment until May 1. The outlook, based on the

above condition, is for a production of 16,640,000 bushels. This is less than 200,000 bushels more than the 1936 crop notwithstanding the fact that 27 percent more acres were planted last fall than in the preceding fall.

The estimated production of winter wheat for the United States, based on the April 1 condition, is 658,019,000 bushels as compared with 519,013,000 bushels harvested in 1936, and 623,220,000 bushels the 5-year (1928-32) average. The acreage sown last fall was the largest on record. The condition on April 1 indicates a probable abandonment of about 17 percent which would leave approximately 47,500,000 acres for harvest. This is nearly 10,000,000 acres more than was harvested in 1936 and nearly 8,000,000 acres in excess of the 5-year average.

Trout Fishing To Be Good This Year

Bright prospects for a successful trout-fishing season are seen by Robert Fortney, superintendent of the Paris state fish hatchery north of here.

Fortney reports more trout evident in the streams than in many seasons past and believes the 1937 trout season will be the best in years.

Barring late heavy rains it is expected the trout streams in this region will be at about their normal spring levels. Except that they might impair fishing on opening day, however, heavy rains would be beneficial to the streams this month by helping to distribute the trout over their summer range, authorities say.

Program For The May Festival

Brilliant opera stars and instrumental soloists will participate in the Ann Arbor May Festival, which ushers in the centennial celebration of the establishment of the University of Michigan in Ann Arbor.

The Philadelphia orchestra of 100 players under two glamorous conductors, Eugene Ormandy and Jose Iturbi, will participate in all six concerts, which will be given on May 12, 13, 14, and 15.

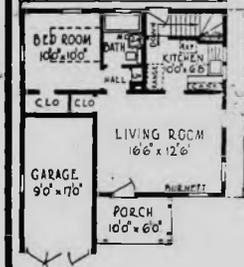

The University Choral Union under Earl V. Moore, will present excerpts from Wagner's "Parsifal"; with Lauritz Melchior, spectacular Danish Wagnerian tenor; the American premiere of "The Seasons" by Eric Fogge; and Verdi's immortal "Aida".

The young people's chorus under Juva Higbee, will participate in selections at the Friday afternoon concert, including Harvey Gaul's "Spring Rapture".

Short Subjects

Proof
from dozens of kitchens:
Electric Cooking is not expensive!
COST OF OPERATING AN ELECTRIC RANGE
Family of 4 \$1.85 per month
This figure is a 4-month's average (October, November, December and January) of actual cooking costs in families of four persons, at the rate of 2 1/4 cents (net) per kWh. Special record meters were installed on these customers' ranges to determine actual cooking costs, and the figure above—about 1/4-cent a meal a person—is the result. This is the AVERAGE of the cost figures obtained: Some of the actual costs were higher, some were lower. The cost of operating your range will vary with the amount of cooking done, and with the use of retained heat and the wireless cooking method.
* These latest figures on the cost of operating an electric range show an average of about ONE-HALF A CENT a meal a person. Actual meter tests were made in homes using electric ranges. The cost figure is obtained under everyday working conditions in ordinary kitchens... the ranges are used by women cooking meals daily for families of three, four and five people, or larger. In the survey, 5 well-known makes and 9 different models of electric ranges were included. These tests prove conclusively that electric cooking is not expensive. 10,000 of your neighbors chose electric cooking during the year 1936. SEE THE NEW ELECTRIC RANGES ON DISPLAY AT DEPARTMENT STORES, ELECTRICAL DEALERS, AND THE DETROIT EDISON COMPANY.

What Is Date On Your License?

On the heels of his recent announcement of a drive by police of Michigan against unlicensed operators of motor vehicles, Leon D. Case, secretary of state, points out that nearly 700,000 such licenses will expire during the next nine months. The exact figure is 688,434.

Licenses cost \$1 and are good for three years. They are issued as provided in the Uniform Operators' and Chauffeurs' act of 1931, the result being that every third year following that date, the bulk of operators' licenses expire.

Secretary Case points out that a driver whose license has expired, is no different, in the eyes of the law, than one who never had a license at all, and that the only way to make certain of an operator's license, is for everyone to check his own expiration date at once. It is printed on every license.

All applications for operators' licenses must be approved by the chief of police if the applicant lives in a city or village having a chief of police, or by the sheriff, if the applicant lives elsewhere.

Persons contract silicosis only after long exposure to silica dust, usually ten to twenty years.

Business Goes To New Record Here

Business activity in Plymouth showed an increase of 61 percent during March over the corresponding month of last year, as it was announced today by W. H. Hester, local manager of the Western Union Telegraph company.

This evidence of the continued upturn in local business activity leaves no doubt of the facts. Mr. Hester pointed out, because the telegraph is one of the most accurate barometers of business, due to its use in social affairs and for numerous purposes by every line of industry and commerce. The volume of local telegraphing has improved for several months, indicating that the progress of Plymouth is steady and dependable.

No "Pan" Fishing From May 1 to June 25th

Bluegills, sunfish and warmouth bass become "taboo" to Michigan fishermen Saturday, May 1. On that date it becomes illegal to take these fish until June 25 in all the inland waters of the state. The closed season is to give the respective species complete protection from fishermen during their spawning time.

But It's True

THE AVERAGE BIRD'S BODY TEMPERATURE IS TWICE AS HIGH AS THAT OF MAN!

A WOMAN HAS ALREADY RUN FOR PRESIDENT OF THE UNITED STATES—AS CANDIDATE OF A REGULAR PARTY—BEING LOCKWOOD ON THE EQUAL RIGHTS TICKET—1914 AND 1920.

MILDRED NOSSBERTH LIVED ALL HER LIFE (60 YEARS) IN THE SAME HOUSE AT WARREN, NEW HAMPSHIRE—THE REAR DOOR OF HER HOME WAS WITHIN 20 YARDS OF VERMONT—BUT SHE NEVER SET FOOT ON VERMONT SOIL!

THREE MEN ALL CLAIMING THE PRESIDENCY OF PARAGUAY AT THE SAME TIME WERE ALL ASSASSINATED THE SAME DAY—MONTES, CORDOVA AND HERRY, ON JULY 6, 1883—

The three Paraguay Presidential claimants were killed separately. Dr. Montes was shot to death as he left his home early in the morning. Cordova was called as he addressed a group of people in front of his office, and Herry was stabbed to death as he called at the Cordova home to offer condolences to the widow. Miss Nossberth was perfectly healthy and moved about a great deal through the town of Marketo. There was a series of brambles to the rear of her home, right on the State line. It was merely a matter of chance that kept her from going into Vermont.

Bartlett School Has World's Fair

The boys and girls of Bartlett school held a miniature world's fair last week and many interesting articles were on exhibit. The children canvassed the community for old relics and curios. Among the articles on display were some miniature play dishes of the teacher's and several Civil War clippings from the newspaper given to her by her aged grandfather. Edgar Breningstall, a nose and finger rings from India were donated by Mrs. Blackmore, a newspaper clipping of the capture of Jeff Davis, a Bible from Jerusalem and a history book of 1918 presented by Mr. Campbell, a German prayer book belonging to Mrs. Bakhaus's mother, tin type pictures of 1869 belonging to Mrs. Simons, a Mexican horsewhip and cane brought by Leona Bakhaus, one of those famous hooked rugs brought down from Quebec and owned by Leona Bakhaus, a quaint cowfish and burr fish from Clear Water, Florida and a deep sea oyster shell from the Gulf of Mexico presented by Gordon and Lois Vetal, a clock brought over on a sailboat from France 85

years ago, when weight was limited so the two 14 pound weights had to be cast here, was presented by the Vetal family. The clock is in good running condition although it is now 135 years old. Mrs. Roy Wilkie loaned her wool cards for carding wool. Mr. Campbell donated a grandfather clock which was the first to chime in Redford township 100 years ago. Mrs. Harmon's black wedding blouse with buttons costing 75 cents a dozen was on display, and was 55 years old. Dicky Stisko brought a piece of Polish money. A very interesting article was a piece of Leper money from the Philippine Islands; the coin was made of aluminum which does not carry the disease. It is owned by Mary Wilkenbach. A hand embroidered umbrella from the Philippine Islands was also donated by Mary Wilkenbach. Mrs. Stuart brought an artificial rose of confectionery sugar made by a Swiss gentleman, a milk pitcher owned by the mother of Mrs. Frank Smith and 100 years old, a 69-year-old Bible, French peasant shoes owned by Janice Simons and also a miniature tea set made from shells by a German prisoner during the World War. The great grandmother of Betty Smith donated some silverware which was 100 years old. A 75-year-old German apron was exhibited by Roger Smith. Mrs. J. Blackmore exhibited a dress decorated with heavy braid which was 100 years old, some old newspapers, 75 years old were brought by Robert Munges, several World Fair exhibits by Norine Everett. Betty Jarvis and Miss Breningstall were also present. Edward La Fave brought a 75-year-old lamp and a silver spoon 102 years old. Mr. Schonschek loaned an old German prayer book. Clair Donaldson favored the exhibit by loaning his World War coat. There was a tablecloth from Belgium and a Paris handkerchief owned by Mrs. Owen Schraeder, a glass pin containing underneath the glass some of the hair of Mrs. Frank Smith's mother, a lovely onyx collection from Onyx Cave brought by Mrs. Owen Schraeder, a 75-year-old pistol brought by Ivan Campbell, a German plate 59 years old owned by Mrs. F. Bartz, a World War

Dougan-Lewis Wedding Saturday

Catherine Marie Dougan, daughter of Mr. and Mrs. John C. Dougan, was married to Robert E. Lewis, of Scranton, Pennsylvania, son of Mrs. Gertrude M. Lewis, of Scranton, on Saturday morning, April 17, at 9:00 o'clock, by the Rev. Father Frank LeFevre, in Our Lady of Good Counsel church, Plymouth, before an altar of lilies and palms. The nuptial high mass was sung by the choir, accompanied by Miss Elizabeth M. Lehman. The bride's gown was white lace over white satin with hip length veil of lace and her bridal bouquet was of Johanna Hill roses and sweet peas. Mary R. Dougan, sister of the bride, wore a gown of blue flowered crepe with corsage of red roses. A wedding breakfast was served to 30 guests at the Dougan home on Herald street. In the afternoon, at 3 o'clock, a reception was held in the home with guests numbering 40. Mr. and Mrs. Lewis left that evening on a wedding trip to Montreal, Canada and New York city then on to Scranton where they will be at home after April 28. Mrs. Lewis chose a brown flowered crepe dress with rust coat and brown accessories for travel. Mr. and Mrs. Lewis have the best wishes of their many friends who extend heartiest congratulations to them. pillow case made in Germany and owned by Mrs. C. Cortney and a 55-year-old pistol owned by John West and put on exhibit by Elmer and Joseph Fulton. The exhibit proved of exceptional interest.

Plan Series Of Farm Meetings

Wayne county's farm agent is planning a series of rural meetings to discuss with farmers the relation of your farm to the 1937 agricultural conservation program. These meetings will be open from 12:30 p.m. to 9:30 p.m. and it is hoped that you will attend at some time during this period and give a committeeman the chance to go over your 1937 plans with you and explain what you may do in order to receive a payment under the 1937 program. At 1:00 p.m. we will have a general discussion for those who care to become more familiar with the plan of the 1937 agricultural conservation program. Your maps and other papers will be taken to the place of meeting which you should attend. This will be your only opportunity to attend a meeting of this kind this spring before doing your spring planting and we urge you to attend," says the county agent. Date and place for farmers to meet from Redford, Northville, Plymouth, Canton, Livonia, Dearborn, Grosse Pointe, Grosse Pointe townships. Monday, April 26, Agricultural Conservation office 304 Calvin theatre building, West Dearborn. Tuesday, April 27, Plymouth high school. Wednesday, April 28, Canton town hall.

WHO'S OUT FRONT?

"It's Buick again!"

YOUR MONEY GOES FARTHER IN A GENERAL MOTORS CAR

Maybe you like to amble when you travel. Maybe you like to cover ground and get there now. Either way, this summer it'll be good to know you can take the lead if you want it—and that's the certain knowledge that's yours if you travel in this bellwether Buick car!

Who's out front for power this year? It's Buick again—put there by its great-powered valve-in-head straight-eight engine, ablest engine of its size anywhere in the world.

Who's out front for steady restful going? It's Buick again—with its close-to-the-pavement balance, its built-in "road sense" and stability, its swayless even-keeled sailing even on the sharp turns.

Who's out front for thrift with thrilling pace? It's Buick again—here's a carburetor patterned after airplane practice that thriftily gets the most out of gas—from valve-pot to tail-pipe, this car's engineered to give you more power from each unit of fuel!

Who's out front for style? Your own excited eye tells you—its Buick again. And when it comes to stand-out value, you've only got to match this great eight with the others to see why Buick's handsome nose is the place to put your money!

Who's out front? You will be this summer if you step in to see us now and get a first-hand eyeful of this great car. It's smart to get your order in early—then you'll surely be out front behind a Buick wheel when the first warm day comes.

Always on the Job

STREETS are deserted. Homes are dark. Night has wrapped the community in slumber. In one building, however, a light is still shining. It shines on steadily through the hours of darkness until, at last, the dawn heralds the stir of another day. . . . That light sums up the eternal vigilance of the telephone. It is truly a beacon of public service, one that stands ready to serve any one, anywhere, any time. And always with the same promptness and skill and courtesy. All that modern telephone service can mean—all its protection and convenience and comfort—is yours to command twenty-four hours a day. It takes no holidays. It is, in an old familiar phrase, "always on the job."

Society News

A party of 14 ladies gathered at the home of Mrs. C. J. Dykhouse, Tuesday evening, at her request, the occasion honoring Mrs. John Paul Morrow, of Algonac. The invited guests were Mrs. Maud Bennett, Mrs. George Burr, Mrs. Ida Mae Harmon, of Detroit, Mrs. Ray Johns, Mrs. Robert Willoughby, Mrs. F. R. Hoheisel, Mrs. Warren Worin, Mrs. Ed Taylor, Mrs. Ward Henderson, Mrs. George M. Chute, Mrs. S. N. Thams, Mrs. Harold Stevens and Mrs. Glen Renwick.

Mrs. James Bentley attended the wedding of Margaret Gordon Paterson, daughter of Murray G. Paterson, of Royal Oak, and Fred E. Gregory, Jr., son of Mrs. Louise M. Gregory of Detroit, which took place Saturday evening in the Pilgrim Chapel of the North Woodward Congregational church, Detroit. A reception followed at the Detroit Golf club after which Mr. and Mrs. Gregory left for a short trip to St. Louis, Missouri. On their return they will reside at Oak Knoll, Perrinville road, Plymouth.

There were 83 ladies present at the luncheon party given on Thursday of last week, at the Methodist church by the circle directed by Mrs. Arthur White and Mrs. John A. Miller. Guests attended from the Northville,

Dixboro, Salem, Newburg and Plymouth Aid societies. The tables were centered with large bowls of spring flowers, the gift of Mrs. William Sutherland, which added greatly to the pleasure of all. A delightful program followed the luncheon.

Mr. and Mrs. Robert Dodge, of Alpena, Mrs. Ethel Rambo, daughter, Marian, and son, Forest, of Marlette, and Mr. and Mrs. Stuart Rambo, of Logansport, Indiana, were guests of Mr. and Mrs. Frank Rambo from Friday until Monday coming to Plymouth for the wedding of the latter's son, William, and Miss Eileen Jordan, which took place Friday evening.

At 6:30 this evening the Emerson Guards of the Lady Macabees will be entertained at supper at the home of Mrs. Ethel Micol on Forest avenue, the hostesses being Mrs. Clara Mumby, Mrs. Angie Blunk, Mrs. Hilda Eckles, Mrs. Lela Heller, Mrs. Mildred Hower, Mrs. Esther Minthorne, Mrs. Dora Nicholson and Mrs. Micol.

Mrs. William Ottwell attended a reception and tea, Friday, given by Mrs. J. G. Clemons, in Ann Arbor, in honor of her house guest, Mrs. Mary Bennett, of Decatur, Illinois.

AMERICAN STEEL WORKERS HIGHEST PAID IN WORLD

American steel workers are paid an average of 83 1/2 cents per hour, which compares with average earnings of only 28 cents per hour for steel workers in eight foreign countries.

Translated into American money, the hourly earnings of foreign steel workers range from 8 cents for Japanese employees to 37 cents for French employees, according to the American Iron and Steel Institute. Total payrolls of the steel industry are currently at the rate of \$1,050,000,000 a year as the result of two wage increases in the past

six months. About \$75,000,000 a year was added by the raise effective Nov. 16, 1936, and \$130,000,000 by the increase on March 16 of this year. Another \$85,000,000 has been added to the steel industry's costs by recent advances in the price of iron ore, coal, scrap steel and other raw materials used in steel making. The increase in wage and material costs since the first of the year, amounting to \$215,000,000 annually, is greater by \$15,000,000 than the total of \$200,000,000 annually added to steel company revenues as a result of recent price advances.

On Sunday evening Mr. and Mrs. Frank Rambo gave a reception at their home on West Ann Arbor trail honoring their son and wife, Mr. and Mrs. William H. Rambo, bride and bridegroom. There were 30 guests present from Alpena, Marlette, Lansing, Detroit, Birmingham, Dearborn and Plymouth. The refreshment table was lovely with its beautiful lace cloth and centerpiece of white stock and snapdragons.

Mr. and Mrs. D. A. Blair entertained at bridge, Thursday evening of last week, Mr. and Mrs. L. D. Worden and Mrs. William Ottwell, of Plymouth, and Mr. and Mrs. Ernest Johnson, of Detroit.

Mr. and Mrs. Charles Bingham left Sunday for Ludington to spend a week or so with their daughter and husband, Dr. and Mrs. W. P. Martin. While there Mr. Bingham will enter the hospital for observation.

Mr. and Mrs. W. B. Petz will go to Frankenmuth today to join their daughter and husband, Dr. and Mrs. Andrew Galsterer, and family at dinner in celebration of the second birthday of the latter's daughter, Ann.

Mr. and Mrs. Harold Young entertained her Sunday school class of the Christian church in Detroit, corner of Dene and Schoolcraft, at a potluck dinner Sunday in the church and later took them out to see the city airport.

Mr. and Mrs. William Ottwell entertained at dinner, Sunday, Mr. and Mrs. J. E. Horste and daughter, Marilyn of Detroit.

Mrs. Sidney D. Strong attended a dinner, Saturday, at the home of Miss Clara Rookus, in Detroit. The guests were old classmates and greatly enjoyed the opportunity of being together again.

The Jollyate bridge club was entertained at a delightful luncheon and afternoon of bridge, Thursday, at the home of Mrs. Harry Mumby with Mrs. Arthur Blunk as joint hostess.

The Tuesday afternoon contract group was entertained at a dessert-bridge, at the home of Mrs. J. Merle Bennett, on Sheridan avenue.

Mr. and Mrs. Arthur White and Mr. and Mrs. R. H. Reck will be hosts at dinner and bridge, Monday evening, at the home of the former, to the members of the Monday evening bridge club.

Mr. and Mrs. Henry J. Fisher, Mr. and Mrs. Roy Fisher and daughters, and Mr. and Mrs. Fletcher Campbell, and family were guests Sunday, of Mr. and Mrs. William Finrock in Detroit at a co-operative dinner.

Mr. and Mrs. C. J. Dykhouse will be hosts to their dinner contract group, Mr. and Mrs. John Paul Morrow, of Algonac, Mr. and Mrs. Ray Johns and Mr. and Mrs. F. R. Hoheisel, on Saturday evening.

Mr. and Mrs. La Verne Sheppo, of New Hudson, were dinner guests, Sunday, of the latter's parents, Mr. and Mrs. Grover Prough, at their home on Maple avenue.

The Ready Service class of the Presbyterian church enjoyed a potluck dinner, Tuesday, at the lovely new home of Mr. and Mrs. E. J. Cutler.

The Plus Ultra club enjoyed a luncheon at the Hillside barbecue, Thursday, and cards afterward at the home of Mrs. Martin Moe, on Liberty street.

Mrs. Albert Gayde entertained the Plymouth bridge club at a bridge tea, Thursday afternoon, at her home on Starkweather avenue.

On Thursday evening Mrs. Miller Ross was hostess to her contract group, at her home on Ann Arbor road.

M. E. Circle Meets With Mrs. Clemens

The home of Mrs. Levi Clemens on the LeVan road was the scene of a very enjoyable meeting of their circle. After a business meeting in which the excellent progress made by the two teams chairmen respectively by Mrs. William Otwell and Miss Ada Daggett was favorably received, and an attractive and mysterious hint was dropped by Miss Margaret Clemens, leader of the third team, concerning the competition her team would soon be giving the other two divisions of the circle, the members donned their wraps and paid a most enlightening visit to the Clemens sisters' antique shop, just a few rods away.

Amid Victorian furnishings, their eyes roving about incessantly as they spied first this or that figurine or quaint bit of pottery, glass or silverware, the girls listened to an article on "Antique Furniture". Then, filled with interesting information they returned to their hostesses' home where delicious refreshments awaited them.

The next meeting has been advanced two weeks in date and will be held at the home of Mrs. William Hill, 324 Ann street at 7:45 p.m. This will not only be a special meeting as regards the

early date but the members of the group are planning to have as guests their mothers or mothers-in-law. A fine program is being planned in their honor and it is hoped all the members of the circle will consider May 4 a red letter day and plan accordingly. Miss Ada Daggett will assist Mrs. Hill.

One of the reasons for the setting forward of this date is to avoid conflict with the May breakfast being planned by the general A. J. This lovely event is scheduled for May 18, the third Tuesday of the month, at 12:30 p.m. The committees have all been appointed and are making elaborate plans which cannot help but terminate in a successful enterprise. The general A. J. has decided to concentrate on this affair and will not serve the supper announced in last week's Plymouth Mail. Ladies, save the pennies you might have spent on this supper and plan to come to the May breakfast, May 18, instead.

The yacht used by the late King George, the Victoria and Albert, is the largest in the world.

The United States still pays Civil War pensions amounting to nearly \$2,000,000 weekly.

Grasshopper eggs are buried four or five inches in the soil and are not killed by freezing temperatures as many insect eggs are.

Petitions Seek Improvements

(Continued from Page One)
The petitions were signed by eight owners of property abutting the creek in the city of Plymouth; two property owners from Plymouth township and two from Canton township.

The city commission authorized the mayor and clerk to sign the petition and carry it to the county drain commissioner.

The resolution, adopted by the city commission by a unanimous vote, reads:

"Resolved, that the commission of the city of Plymouth approve of the plan of the Wayne county drain commission to cover that section of Tonquish Creek lying between South Harvey street and the alley just east of South Main street within the city of Plymouth.

"Be it further resolved that the mayor and the city clerk be hereby authorized to sign the petitions requesting the drain commission to cover that portion of the creek on behalf of the city of Plymouth which rightfully should be assessed for part of the construction."

The commission also received a report from S. L. Besse, city engineer, giving additional information on the results of the survey of the sewers.

"In the matter of sewers discharging into Tonquish Creek," the city engineer's report stated, "the condition still exists which was found and reported in a report dated September 21, 1936.

"Quoting from this report," the city engineer continued, "the larger sewers emptying into Tonquish, in addition to the many smaller ones mentioned, are (1) a 27 inch cast iron pipe carrying water and evidence of raw sewage, (2) an 18 inch vitrified pipe, carrying water, the effluent from a dairy and raw sewage, (3) an 18 inch vitrified sewer at Garfield carrying evidence of kitchen and laundry room refuse and (4) a 12 inch vitrified sewer from north of the creek, carrying evidence of raw sewage.

"In addition to these there are (1) storm sewers discharging at Harvey street, (2) an 8 inch storm sewer in the alley area downtown, (3) storm sewers discharging at Ann Arbor street, (4) storm sewers discharging at Main street, (5) a 48 inch sewer between Harding and Coolidge streets, and (6) an 8 inch storm sewer near Burroughs and (7) a 12 inch storm sewer on Edison avenue."

The summary of the report revealed that a total of 11 private sewers drain into Tonquish Creek.

Soft Ball League To Open Season

At the first meeting of the sponsors and managers of the soft ball league seven teams were represented: Daisy, D. Rorabacher, Red and White, C. Ferguson, Frigidare, R. Burley, Walk Over Shoes, J. De Mascio; Plymouth Hardware, Mr. Roe; Plymouth Mail, W. Jendryka, K. of P. B. Fisher. One more team is needed to round out the eight team league. Anyone interested in sponsoring a team may do so at the next league meeting, Monday, April 26, Room 16, 8 o'clock, Plymouth high school.

Following are some of the suggestions made at the first meeting. Players and managers interested in the league are asked to be ready to voice an opinion at the next meeting.

1. Ten men teams.
2. Porrait fee.
3. Playing of all men present at game.
4. Fourteen men to a team.
5. Play one week at Central playground and one week at Starkweather playground.
6. All-star game in mid-season to help defray expenses. Teams to be picked by public.
7. Inter-city series with Northville.

Plymouth BOY SCOUT NEWS

TROOPS
P-1
P-2
P-3
P-4

For the last two months the district commissioner and his scoutmaster son have been members of the "troop unit camping" class of the University of Scouting held at Central high school in Detroit. This included eight Monday evenings and an overnight hike at Camp Brady. For this work these two Plymouth men, with about 20 more, received a specialization certificate in camping, a required award toward the scoutmaster's key. There were some 40 more men interested in scouting who were in this school taking what is called the "elements of scoutmaster-ship," another course required for the key. At Camp Brady on April 10 and 11 the Plymouth commissioner acted as camp scoutmaster. The program for this hike was very interesting, including two meals cooked by the patrol units themselves in the open. The Pioneer Patrol, under District Commissioner Clifford Lockwood of the Grosse Pointe district of which Alan Strong was a member had as its patrol project a sample camporee camp set up on the parade ground. This included two styles of small tents, packs, sleeping bags and rustic camp gadgets. These courses in Scout leadership are most interesting and instructive and it is hoped that more of the Plymouth men can take advantage of the next semester in the fall.

The Cub Pack 620 had a lesson in conservation last Friday night when they planted a young elm tree in Kellogg park. Each boy had a part in digging the hole or filling it in.

Last night P-1 had a supper hike to the city woods on Beck road. This took the place of the regular meeting at the church.

P-4 is planning to enter a patrol in the council camporee in Rouge park on June 4, 5 and 6. As part of the practice work for this, the camporee patrol will pitch its tents on the Camp Brady grounds during the district overnight on May 15 and 16. This will serve the double purpose of a rehearsal for the patrol and a demonstration for the benefit of the rest of the district troops.

Speaking of Camp Brady—the time for the district overnight hike is fast approaching. The dates are May 15 and 16. The cost per Scout or man will be \$1.00. It is hoped that we can take 100 or more boys and men to enjoy this time of fellowship. The program is all set—for either rain or shine—and it includes some variations from past programs. Mr. Church, our field scout executive, plans to attend as headquarters representative. Even the menu for the Sunday dinner has been approved and "Mike" Monahan will be ready to serve a lot of hungry Scouts. Programs and camp regulations will be sent to all scoutmasters soon and all committeemen and leaders are strongly urged to count on going with a load of boys. The program will start promptly at 3:00 o'clock Saturday afternoon and dismissal will be about 2:00 o'clock Sunday afternoon.

CITY HEALTH OFFICER DECLARES WAR:

(Continued from Page One)
zens built sanitary and storm sewers, sufficient to take care of many portions of the city; but many families have not availed themselves of this new sanitation. When the depression was present, people shared a good excuse with one another—"just can't afford it", but now with the depression disappearing, and the "grace period" of past delays having expired, the health department calls for immediate tappings into the Sanitary sewer.

On closer inspection of many home owners' properties, the health officer found many septic tanks partly clogged in, and little, if any, protection to the surrounding homes, as far as health and sanitation is concerned.

The old tappings into Tonquish Creek, producing open contamination should be closed NOW; and new tappings should be made into the sanitary sewer mains, constructed for just such purposes.

That part of Tonquish Creek running directly through the business and residential sections of Plymouth, has already been condemned by Dr. Peck, who states that it must and shall be covered and closed.

"Thirty years ago, as health officer, to then 'the village' of Plymouth, I urged the 'village fathers' to act," Dr. Peck said. "I hope to see this major project soon fulfilled.

"It is a disgrace to Plymouth to allow such conditions to continue. Think of it! People sleeping next to an open window, the bedroom only a few feet from stagnation and filth! We've been vaccinating against smallpox and if we don't heed this warning, we'll be vaccinating against typhoid next!

"The outside surface toilet must go," says the health officer. "There is no excuse for its existence unless the home owner cannot reach sewer mains. Several out-houses have already yielded to the health department's axe; and more will follow if found unsanitary. They must be kept clean and free from infecting material to their neighbor's well, if they are allowed to remain and be used until tappings into the sanitary mains are available.

"Away with the septic tank! Away with the 'white-house' in the back yard! These are in the health department's program for 1937."

League To Hear Mrs. Gorman From Saginaw, April 23

Mrs. Frank Gorman of Saginaw, chairman of the child welfare department of the state League of Women Voters, will be the speaker at a meeting to be held, Friday, April 23, at the home of Mrs. Ruth Whipple on Penniman avenue. All of the members of the League of Women Voters are urged to attend because the meeting promises to be one of particular interest.

Obituary

FREDERICK HORACE LEE
Frederick Horace Lee was born on April 19, 1866, in Crawford county, Ohio, and died April 16, 1937. On August 20, 1890, he was united in marriage to Hattie Jordan at Republic, Ohio. They resided in that vicinity until March, 1906, when they came to Michigan, settling on a farm in Livonia township. In the fall of 1923 they moved to the corner of West Ann Arbor trail and South Harvey street, where Mrs. Lee passed away in December, 1930. Five children were born to Mr. and Mrs. Lee, four of whom survive: Paul G., of Saline; Robert R., of Ypsilanti; Marian F., of South Lyon; and Grace E. (Mrs. Basil Carney) of Yale, Michigan. Mr. Lee joined the Methodist church in young manhood and has always been active in church work, being a member of the pulpit committee and of the choir. He also was a member of the Kiwanis club for many years. Besides his children he is survived by two sisters, Mrs. C. Holt and Mrs. Ida Konke, both of Sycamore, Ohio; a brother, Walter J. Lee of Toledo, Ohio, and seven grandchildren. His passing is also mourned by other relatives and a host of friends. Funeral services were held Monday afternoon at the Schrader Funeral Home, where a former pastor and close friend, Dr. Frederick Lendrum, of Hudson, Michigan, was assisted by Rev. P. Ray Norton in conducting the service. Interment was made in Riverside mausoleum.

WILLIAM D. FARMENTER

William D. Farmer, oldest son of Benajah and Annah Farmer, was born August 24, 1868 in Northville and died April 17, 1937 at his home on Starkweather avenue in Plymouth. On January 7, 1890 he was married to Alice M. Sherwood of Detroit. Mr. Farmer was employed as conductor on the Pere Marquette railroad for the past 37 years, living in Plymouth for 12 years. Owing to ill health he resigned his post about four years ago, during which time Mr. and Mrs. Farmer have traveled extensively throughout the United States. It was while on a trip to Florida he was taken very ill and was brought back home Monday, April 12 and the following Saturday he passed away. He leaves to mourn his loss, his wife and one son, Paul, of Grand Rapids, three grandchildren, Paul, William and Virginia, two brothers, Clarence and Wallace of Northville, two sisters, Mrs. Stella Shultz of Northville and Mrs. Borrield Arthur of Detroit. Funeral services were held at the home Monday afternoon, the 19th, conducted by Schrader Brothers of Northville with the Rev. William Richards of Belleville officiating.

FRED H. LEE

Fred H. Lee, who resided at 392 South Harvey street, passed away early Friday morning, April 16 at Providence hospital at the age of 71 years. He was the husband of the late Hattie J. Lee. He is survived by three sons, Paul G.; Robert R.; Marian F. Lee and one daughter, Grace E. Carney; seven grandchildren, two sisters, and one brother. Funeral services were held Monday, April 19 at 2 p.m. from the Schrader Funeral Home. Dr. Frederick Lendrum of New Hudson officiated and assisted by Rev. P. Ray Norton of this city. Interment was made in Riverside mausoleum.

MRS. DOLLIE C. NELSON

Mrs. Dollie C. Nelson, age 84, who resided at 37817 Plymouth road, passed away early Sunday morning, April 18. She was the widow of the late E. C. Nelson and her only survivor is her son, Harry Nelson. The body was brought to the Schrader Funeral Home, from which place funeral services were held Monday evening, April 19, at 8 p.m. The remains were taken to Woodmere crematorium on Tuesday for cremation. W. G. Holdsworth officiated.

Dr. Finly says man comes first, then the machine, and then the ambulance.

Read These Facts About VITAMIN BEER

Yeast is the richest known source of Vitamins B & G. In brewing Altbrewer these health giving vitamins are restored to the beer by the Fischer process; the only successful method ever developed which keeps the beer clear yet adds qualities unobtainable in any other beer. Altbrewer is far more digestible. It creates energy—not fat—and you feel better in every way. The flavor, too, is wonderful. Just try it!

Vitamin content certified by prominent Eastern University laboratory.

Mr. and Mrs. C. H. Elliott and family and his mother, Mrs. Anna Elliott were guests over the week-end of the former's brother and wife, Dr. and Mrs. Bruce Elliott, in Cvid. Mrs. Anna Elliott remained for a longer visit.

Mr. and Mrs. Eugene Starkweather and daughter, Mary Valentine, of Saginaw, and their friends, Mr. and Mrs. Hance and son, of Flint, spent the week-end with Mrs. Ada Murray. Mrs. Starkweather and daughter remained for the week.

offered by Comm. Whipple and supported by Comm. Robinson: WHEREAS, the Commission has declared it a necessity to construct a water main under the WPA Program as follows:

A 12 inch water main on South Main street between Simpson street and Golden road.

THEREFORE BE IT RESOLVED, that this commission will meet and consider any objections thereto on May 3, 1937, 7:00 o'clock p.m.

The City Engineer reported that 75% of the property owners on Caster Avenue have requested a water main under the WPA Program.

It was moved by Comm. Robinson and supported by Comm. Whipple that the Caster Street water main be included in next year's WPA Program. Carried.

A sewer report was presented by City Engineer, S. L. Besse. It was moved by Comm. Whipple and supported by Comm. Robinson that this report be accepted with thanks and placed on file. Carried.

It was moved by Comm. Blunk and supported by Comm. Hondorp that the bills in the amount of \$7,399.87 be allowed. Carried.

Mayor Hondorp thanked the Commission for the fine cooperation which was given him during his year as Mayor.

It was moved by Commissioner Robinson and supported by Comm. Wilson that meeting adjourn sine die. (Time of adjournment 8:45 p.m.) Carried.

HENRY HONDORP, Mayor. CLARENCE ELLIOTT, City Clerk.

Plymouth, Michigan April 19, 1937.

The members of the 1937-38 City Commission assembled for organization.

Present: Commissioners, Blunk, Hondorp, Robinson, Whipple and Wilson.

Absent: None. The minutes of the regular meeting of April 6 and the special meeting of April 12 were approved as read.

The City Clerk presented a Warranty Deed signed by Donaldson Craig conveying the old Plymouth cemetery located at the end of Pearl street to the city of Plymouth.

It was moved by Commissioner Whipple and supported by Comm. Robinson this deed be accepted. Carried.

The following resolution was offered by Comm. Robinson and supported by Comm. Robinson: RESOLVE, that the Commission of the City of Plymouth approve of the plan of the Wayne County Drain Commission to cover that section of Tonquish Creek lying between South Harvey and the alley just east of South Main street within the City of Plymouth.

BE IT FURTHER RESOLVED, that the Mayor and City Clerk be hereby authorized to sign the petitions requesting the Drain Commissioners to cover that portion of the Creek on behalf of the City of Plymouth which rightfully should be assessed for part of the cost of construction.

Ayes: Mayor Hondorp, Commissioners Blunk, Whipple, Robinson and Wilson.

Nays: None. Two communications were received from Plymouth Chamber of Commerce relative to limited parking in the business area.

It was moved by Commissioner Whipple and supported by Comm. Blunk that the Mayor appoint two commissioners, two business men, whose places of business are located on Main Street as a committee to meet with the Chief of Police and the City Manager to arrange a definite schedule. This committee is to bring its recommendations to the commission at the next regular meeting. Carried.

It was moved by Comm. Whipple and supported by Comm. Robinson that the City Manager request a petition from the business men favoring a limited parking schedule for the business area. Carried.

The City Engineer presented a tree planting schedule.

It was moved by Comm. Whipple and supported by Comm. Robinson that the plan be approved. Carried.

The following resolution was offered by Comm. Whipple and supported by Comm. Robinson: WHEREAS, the Commission has declared it a necessity to construct a water main under the WPA Program as follows:

A 12 inch water main on South Main street between Simpson street and Golden road.

THEREFORE BE IT RESOLVED, that this commission will meet and consider any objections thereto on May 3, 1937, 7:00 o'clock p.m.

The City Engineer reported that 75% of the property owners on Caster Avenue have requested a water main under the WPA Program.

It was moved by Comm. Robinson and supported by Comm. Whipple that the Caster Street water main be included in next year's WPA Program. Carried.

A sewer report was presented by City Engineer, S. L. Besse. It was moved by Comm. Whipple and supported by Comm. Robinson that this report be accepted with thanks and placed on file. Carried.

It was moved by Comm. Blunk and supported by Comm. Hondorp that the bills in the amount of \$7,399.87 be allowed. Carried.

Mayor Hondorp thanked the Commission for the fine cooperation which was given him during his year as Mayor.

It was moved by Commissioner Robinson and supported by Comm. Wilson that meeting adjourn sine die. (Time of adjournment 8:45 p.m.) Carried.

Commission Notes

Plymouth, Michigan April 19, 1937.

A regular meeting of the City Commission held in the City Hall on April 19, 1937, at 7:30 p.m.

Present: Mayor Hondorp, Commissioners Blunk, Robinson, Wilson and Whipple.

Absent: None. The minutes of the regular meeting of April 6 and the special meeting of April 12 were approved as read.

The City Clerk presented a Warranty Deed signed by Donaldson Craig conveying the old Plymouth cemetery located at the end of Pearl street to the city of Plymouth.

It was moved by Commissioner Whipple and supported by Comm. Robinson this deed be accepted. Carried.

The following resolution was offered by Comm. Robinson and supported by Comm. Robinson: RESOLVE, that the Commission of the City of Plymouth approve of the plan of the Wayne County Drain Commission to cover that section of Tonquish Creek lying between South Harvey and the alley just east of South Main street within the City of Plymouth.

BE IT FURTHER RESOLVED, that the Mayor and City Clerk be hereby authorized to sign the petitions requesting the Drain Commissioners to cover that portion of the Creek on behalf of the City of Plymouth which rightfully should be assessed for part of the cost of construction.

Ayes: Mayor Hondorp, Commissioners Blunk, Whipple, Robinson and Wilson.

Nays: None. Two communications were received from Plymouth Chamber of Commerce relative to limited parking in the business area.

It was moved by Commissioner Whipple and supported by Comm. Blunk that the Mayor appoint two commissioners, two business men, whose places of business are located on Main Street as a committee to meet with the Chief of Police and the City Manager to arrange a definite schedule. This committee is to bring its recommendations to the commission at the next regular meeting. Carried.

It was moved by Comm. Whipple and supported by Comm. Robinson that the City Manager request a petition from the business men favoring a limited parking schedule for the business area. Carried.

The City Engineer presented a tree planting schedule.

It was moved by Comm. Whipple and supported by Comm. Robinson that the plan be approved. Carried.

The following resolution was offered by Comm. Whipple and supported by Comm. Robinson: WHEREAS, the Commission has declared it a necessity to construct a water main under the WPA Program as follows:

A 12 inch water main on South Main street between Simpson street and Golden road.

THEREFORE BE IT RESOLVED, that this commission will meet and consider any objections thereto on May 3, 1937, 7:00 o'clock p.m.

The City Engineer reported that 75% of the property owners on Caster Avenue have requested a water main under the WPA Program.

It was moved by Comm. Robinson and supported by Comm. Whipple that the Caster Street water main be included in next year's WPA Program. Carried.

A sewer report was presented by City Engineer, S. L. Besse. It was moved by Comm. Whipple and supported by Comm. Robinson that this report be accepted with thanks and placed on file. Carried.

It was moved by Comm. Blunk and supported by Comm. Hondorp that the bills in the amount of \$7,399.87 be allowed. Carried.

Mayor Hondorp thanked the Commission for the fine cooperation which was given him during his year as Mayor.

It was moved by Commissioner Robinson and supported by Comm. Wilson that meeting adjourn sine die. (Time of adjournment 8:45 p.m.) Carried.

It was moved by Comm. Robinson and supported by Comm. Blunk that the meetings of the City Commission shall hereafter be called at 7:00 p.m. Carried.

It was moved by Commissioner Robinson and supported by Comm. Wilson that the meeting be adjourned. (Time of adjournment 9:55 p.m.) Carried.

HENRY HONDORP, Mayor. CLARENCE ELLIOTT, City Clerk.

Plymouth, Michigan April 20, 1937.

A special meeting of the City Commission held in the City Hall on April 20, 1937 at 7:00 o'clock p.m.

Present: Mayor Hondorp, Commissioners Blunk, Whipple and Robinson.

Absent: Comm. Wilson. Fourteen applicants for a vacancy on the staff were interviewed.

It was moved by Comm. Whipple and supported by Comm. Blunk that the meeting be adjourned. Carried.

HENRY HONDORP, Mayor. CLARENCE ELLIOTT, City Clerk.

Plymouth, Michigan April 19, 1937.

The members of the 1937-38 City Commission assembled for organization.

Present: Commissioners, Blunk, Hondorp, Robinson, Whipple and Wilson.

Absent: None. The minutes of the regular meeting of April 6 and the special meeting of April 12 were approved as read.

The City Clerk presented a Warranty Deed signed by Donaldson Craig conveying the old Plymouth cemetery located at the end of Pearl street to the city of Plymouth.

It was moved by Commissioner Whipple and supported by Comm. Robinson this deed be accepted. Carried.

Rocks Triumph Over "Y" Trackers

The Plymouth track team hung up their first victory as they swept the weaker Ypsilanti team off their feet in both the track and field events Friday, April 16 to be on the larger end of a 58-46 score. The Plymouth group made a good showing in the running events for the first time, as Jolliffe took two seconds, Egge copped top honors in both hurdles, and Bodner captured second in the mile. Egge and Innis scored the most points for Plymouth the former with 16 and Innis 13. The Plymouth team is still weak in runners, however, although quite strong in the field events and can be counted to show better in the future events. The next meet will be held with Ecorse on the Plymouth track Friday, April 23.

Summary
100 yard dash, Demand Y. 11-3; Jolliffe P.; Ottaway Y. 1 mile run, Lee 5:20; Bodner P.; Burton P. 220 yard run, Demand Y. 25:7; Jolliffe P.; Mielbeck P. 120 yard high hurdle, Egge P. 19:02; Van Ripper Y. Perdue Y. 440 yard run, Lowell Y. 6:01; Pullen Y. Yates Y. 120 yard long hurdle, Egge P. 15:8; Scarpulla P.; Perdue Y. 880 yard run, Kindrekran Y. 2:22.5; Campbell Y. Van Amburg P. Shot Put, Innis P. 41 feet, 1 1/4 inches; Workup E. Starvas Y. Pole vault, Towle F. 9 feet, 6 inches; Innis P.; Rose Y. High jump, Van Amburg P. 5 feet, 3 inches; Egge P.; Starvas Y. Broad jump, Innis P. 18 feet, 7 1/4 inches; Egge P.; Scarpulla P. Relay, Ypsilanti 1:26. Total points Plymouth 58; opposition 46.

CLASS NOTES

The fifth hour public speaking class is studying interpretive reading.

The 10B English class is studying narrative poetry.

The 10A second hour English class is writing social letters.

The seventh hour speech class is studying the fundamentals of speech.

Students in the fifth hour American history class have taken a series of experimental examinations sponsored by Leon Wilber of the University high school, Mississippi. The results showed that the class was distinctly above average in problem solving, comprehensive reading, and United States history.

Two sections of Miss Allen's eleventh grade English classes have finished Benjamin Franklin's Autobiography and are now reading a novel as their next selection.

The Iowa Silent Reading test was recently given to the eleventh graders by Miss Allen.

Between 15 and 20 members of the senior English classes are sending long themes to the University of Michigan for criticism. This service is rendered especially for twelfth graders who expect to go on to college, and many high schools in the state take advantage of it. Themes range between 1200 and 1500 words.

The high school art class is making two murals for the art room. They are to be done in oil paints, one of them depicting Indian life, the other on art class at work.

Isabell Nairn leads the beginners' class in typing with a speed of 18 words a minute; the two semester students are led by Laurabelle Wjeden and Irene Granger who have a rate of 46 words a minute. The three semester group is led by Ferdinand Bodnar with 44 words. Loretta Hauk leads the advanced students with 70 words a minute.

SOPHOMORES FIRST IN STUNT NIGHT

The sophomores with their old time melodrama won the most votes at the annual stunt night last Friday night. Their skit, which was cleverly done, showed a group of New York actors and actresses, broke and stranded on a small western town. Their performance, consisting of a hero, heroine and villain, was attended by the cowboys and town folks. The orchestra, made up of local talent from the town gave a humorous touch to the skit when they concluded with "Organ Grinder's Swing".

The seniors won second place with a "Garden Party". A dance done by senior boys dressed as girls, proved to be very funny. The freshmen using the "Hit Parade" theme for their stunt, placed third, and the juniors, with schoolroom tactics broadcast, placed fourth.

The tables were turned though in ticket selling; the freshmen and sophomores were first and second respectively while the seniors placed third and the juniors were last again.

FRESHMEN HOLD LAST DANCE

Put on your Sunday trousers, read "Boy Dates Girl" in the Scholastic, grab a gal, and walk, trot, or canter to the Freshmen dance in the high school auditorium tonight. The orchestra committee, headed by Bill Thomas, has engaged Bill Foreman's orchestra for the evening. Paul Keller heads the publicity committee; Veneta Hauk has charge of the refreshments; Jean Anderson, chaperones; Bob Norman, tickets; Eugene Bakewell, floor; Joe Scarpulla and Ruth Kirkpatrick are host and hostess.

CENTRAL GRADE NOTES

Miss Marian's kindergartners are still bringing seeds to school and planting their gardens. They have drawn pictures of gardens, also rainy day scenes. To illustrate the latter they learned the song "Pitter Patter". They were given a free hand paper tearing lesson of sailboats and learned the song, "I Sail My Boat" to coincide with it. The kiddies have also learned a song entitled "Quack, Quack!" to go with their new duck story called "Quacky".

Miss DeWaele's pupils are to work on health posters. The Rainbow class is now reading from the "Child Library Reader". Martin Thompson from Dennis, Kansas has entered this room.

Sixteen kiddies in Miss Frantz' room were vaccinated last week. The children have been studying birds and drawing pictures of them. So far they are able to recognize robins, wrens, woodpeckers, bluejays, and bluebirds.

Miss Sly's pupils have made health booklets in connection with health rules. They are studying birds, painting pictures of them, and copying stories about them.

Joan Sockow is absent from Miss Weatherhead's room because of illness. For a blackboard border the children made pictures of Brownies in the rain. The Bluebirds are using new seat work pads and books. The books are called "Friends About Us". The Woodpeckers are reading "Stories of Farm Foods".

Miss Benz' and Mrs. Bird's pupils have drawn and colored pictures of wrens and written stories about them. They have learned the poem entitled "April". Freeman Hover brought a paper movie to school that he had made. He calls it "Mickey Mouse", and it was very much enjoyed by his classmates. In the spelling test Richard St. Pierre received the highest score in the 3A group and Rose Marie Ericson received the highest in the 3B.

In Miss Widmayer's room the boys and girls are now traveling in Holland in geography. They have begun their bird study and have already learned about the cardinal and the bob-o-link. Peggy Campbell and Jane Johnson have been absent for several weeks. In spelling Ralph Bachelder's team still remains in the lead. Betty Batt has entered from Northville and Kathleen Thompson from Kansas.

Miss Carr's pupils are drawing pictures of birds. The 5A pupils are taking the "Weekly Reader" paper and enjoy it very much. The 5A geography students have finished their study of the New England states and are now working on Canada. The west north central states are holding the interest of the 5B class.

Mr. Berridge has charge of a seven team league in soft ball. The captains are Jimmy McAllister, Lawrence Thomas, Clare Ebersole, Donald Keiner, Keith Sprout, Walter Patrick, and Billy Donahue.

Mrs. Holliday's pupils are beginning the study of the Civil War. In hygiene they have made posters and first aid kits.

SENIOR BIOGRAPHIES

Irene Beckwith lives with her parents, Mr. and Mrs. Walter Beckwith, on Penniman avenue. Although she started in Saginaw, she has attended school in Plymouth since entering the first grade. While in high school she has participated in interclass sports, drama club, and junior chorus, and has appeared in several musicals and stunt night programs. Outside of school she enjoys many hours hiking or playing tennis. After graduating Irene hopes to continue her study of commercial subjects and become a stenographer.

After being a student at DeKay and Northville schools, Glenn Angell, son of Mr. and Mrs. Glenn Angell, Sr., entered Plymouth high in 1935. Glenn is a completely outdoor fellow, liking camping, riding, hunting, fishing, and swimming. Since he was 14, Glenn has gone north every year hunting deer and then traveled all over the state, seeing practically every spot of interest. Although his favorite subjects are of a commercial nature, typing, bookkeeping and stenography, he has every intention of following the soil. In other words Plymouth high school has produced another farmer.

Lorne Archer, known better as Bud to his classmates, was born in Manistiquet, Michigan, entering the Plymouth high school in the first grade. Bud, son of Mr. and Mrs. Robert Archer, is greatly interested in sports, getting a letter in track and cross country. Like most of the Plymouth lads his favorite color is blue and he likes all foods equally well. Bud's future work has not as yet been decided but he intends to be a very hard-working man.

Ferdinand Bodnar, who lives with his parents, John and Mary Bodnar, at 12610 Newburg road, has had quite a varied school life, having attended four schools. He went to St. Gregory's, Custer, and Post Intermediate of Detroit, and came to Plymouth high school when a sophomore. Ferdinand is more interested in the mechanical side of life than in any other. He was an active member of the Radio club and plans to be an auto mechanic when graduated from high school. He also was a member of Torch club and a member on the track team. Two widely different subjects are his favorite—law and chemistry.

Thomas Brock, son of Mrs. E. Irwin, first started his educational training in the kindergarten of Plymouth public schools and has remained to graduate from the high school. Tom, who lives at 2000 Canton Center road, has been very active and outstanding in school life, belonging to the Torch club, Hi-Y, Speech club, National Forensic league, student council, Youth Federation, Pilgrim Prints, and he has been a member of the debate squad for four years.

During Tom's four years in high school he has been president of Torch club, Hi-Y, National Forensic league, Speech club, Youth Federation, and president of his class his Junior and Senior years. He is also editor-in-chief of Pilgrim Prints and has been captain of the debate squad for three years.

Tom is planning to take a law course at the University of Michigan, and declares his probable occupation will be law and poli-

tics. His favorite subjects are history and speech and he just loves juicy hamburgs. Tom's pet aversion, which is a very good one, is teachers who condemn students for something and then turn around and do the same thing themselves. His most constant friend and companion is Jacques de Laurier, a future senior. It may be said of Tom, "Small—but oh my!"

Hilda Buehler was born on a farm on Ford road, the daughter of Mr. and Mrs. Louis Buehler. She attended Hough school and came to Plymouth high school as a freshman.

Hilda's favorite subjects are home economics, biology and world history. She has been a member of the Travel club, Junior Chorus and Glee club. Her hobbies are dancing and bowling. In her spare time she sews while waiting for a certain lad called "Marty". Hilda has been to Niagara Falls and Straits of Mackinac. After graduation she plans to take up beauty culture at the Derma Way school in Detroit. At the present she is employed at Neisner's \$1 store in Dearborn. She is most fortunate, for she spends her summers at Cavanaugh lake at Chelsea where her parents own a cottage. Loretta Hauk is Hilda's best friend, and chop suey her favorite concoction.

A girl with a yearning to raise horses is Pat Burton. She is the daughter of Mr. and Mrs. Fred Burton of Coventry Gardens. However, Mr. Burton wants Pat to become a lawyer, but since his daughter's hobby is horseback riding I can't blame her.

She attended two other schools before entering Plymouth in her freshman year. Thirkell and Hutchins Intermediate in Detroit. After she graduates this June Patricia expects to attend Fairfax Hall, a girls' school, in Waynesboro, Virginia when the fall term begins. Pat has also been quite a traveler; she has spent a winter in California, has been through the South, in New York and Canada, and this summer she will visit Yellowstone National Park as a graduation gift. Pat is a devotee of pork chops, another "Lil Abner" at heart. You may have seen her picture in the Detroit News the other day above the story of her dog, Rosalind, and Pat's problem is hiding the dog in her home. It's still unsettled, Pat tells me.

Daniel Burton, son of Mr. and Mrs. A. C. Burton of Rosedale Gardens, entered Plymouth high school as a freshman from the Rosedale school. Daniel's favorite color is blue and he likes pork chops and grape nuts best in the line of foodstuffs. He hopes to be

a scientist or something along that line but if worse comes to worse he may turn to farming like his Uncle John who, as Danny has often told his public, is one of the best farmers in these parts. Football and track have held his attention most of the time, since he went out for both of these sports in his junior and senior year.

A shy, quiet girl is Mary Daoust, curly haired daughter of Mr. and Mrs. John Daoust—the type of girl who would become a fine nurse, which is just what Mary's ambition happens to be. She expects to attend the Nurses' college at St. Joseph hospital, Ann Arbor, after graduation. Great Falls, Montana is Mary's birthplace, but she has attended many schools since leaving there. Among them St. Gregory's in Detroit, St. Mary's of Redford, one in Wayne and one in Bay City. She entered the 1937 senior class when we were freshmen. Cooking seems to be Mary's hobby and chile con carne her favorite dish. Last summer she spent a week's vacation in Saugatuck on Lake Michigan. I'm sure we wouldn't mind an illness if Mary were the nurse.

Alice Davis, who lives at 11151 Stark road, is the daughter of Mr. and Mrs. William Davis. She is somewhat of a rover, having attended McCollough school in Detroit, the Rosedale Garden school, and the Pierson school before entering Plymouth high in the eleventh grade. She is a member of Glee club and her favorite sport is tennis. Alice's hobby is reading, particularly western stories. When she graduates she plans to attend a business school in Detroit.

Jean Dunham is another home town product. She has attended Hough, Truesdell, and Cady schools and came to graduate from P.E.S. She has belonged to Leaders club for four years, Glee club, and Girl Reserves last semester. Jean also was general chairman of the Senior Prom, and teaches a restrictive gym class.

Jean is a very dependable sort of person, that being one reason why she keeps her job at Daniel's Sweet shop. She has many other good qualities too, being an excellent cook, a very good basketball player, and she has a flare for keeping out of trouble.

Jean's hobbies are all kinds of sports and making chocolate cake for Betty Housley. Her big weakness is attending baseball games at Navin field with Alice, Madolyn, and Phyllis and her favorite subject is physical training.

Jean would like to attend business school and work in an office, although she declares she will probably be a soda jerk at her life. But we disagree with her.

Ionia, Michigan is the birthplace of Mr. and Mrs. Corwin O. Dickerson's daughter, Phyllis. Phyl entered this year's senior class in the ten A grade. Formerly she attended many other schools, among them one in Grand Rapids, and Durfee Intermediate and Central high in Detroit. Phyllis' ambition is to become a dietitian in some hospital or institution. To prepare for this she intends to enter Albion college this fall. Her favorite hobbies are dancing and participat-

ing in all sports. Chop suey and chocolate pie are her favorite dishes, and she just loves "Solitude", the song, I mean. Phyl spends most of her vacations in Grand Rapids for she has many friends there. Maybe they aren't JUST friends, but I can't 'rhead' between the lines. One thing Phyllis has on the rest of us is the fact that she doesn't have to wish for brown eyes because she has blue, for Phyl has one of each—lucky girl. If you don't know who she is by now the only remedy I can suggest is that if you see Betty Housley or Pat Burton you're almost sure of seeing Phyllis too.

If I were to tell you the story of Robert Andrew Egge, you would probably ask who the new senior was but since I am telling the tale of "Mush" Egge you will have no doubt as to whom I am referring. "Mush" lives at 272 Arthur street, Plymouth, with his mother, Mrs. Martha Egge. He is another of the Plymouth veterans who has plugged along with the class for 12 years. In his first year in high school, he acted as president of the freshman class and vice president of Torch club.

"Mush" has demonstrated his ability in several fields—athletic and musical. He was a star center on the basketball team and a consistent point-getter in track. And if any of you have heard the wawering notes of a trumpet at 5:00 o'clock in the morning while at camp, you, too, know that his musical ability is unquestioned? He was a member of the band and orchestra. The future for "Mush" seems to center around mechanical work. For advanced training, he wants to be an engineer. His pet aversion is any kind of woman. He just hates women, all of them—so he says.

William Fehlig, son of Mr. and Mrs. Fred Fehlig, entered the Plymouth high school as a Junior from Belleville. His hobby and career are both wrapped up in horses, and he hopes to become either a horse trader or an auctioneer unless both fields become crowded. His idea of a perfect color is brown (which is incidentally the color of Virginia Cline's hair); strawberries are Bill's favorite food; and he pre-

fers just a little sugar if you please. David Hale and Elton Bakewell are Bill's closest companions, all followers of equestrian affairs, especially the sales on Friday afternoons.

Clyde Ernst, who has been a student of Plymouth school ever since he was old enough to learn the alphabet, is the son of Mr. and Mrs. Otto Ernst. Clyde hasn't been interested in sports much as he has been following his line of work that is business management. His favorite color is blue and for food he likes bananas (because they have no bones). He intends to follow through his clerking and hopes some day also to manage a Kroger store.

Kenneth Fisher, who has been a resident of Plymouth and a pupil in the Plymouth high school as far back as he can remember is the son of Mr. and Mrs. Clyde C. Fisher. His favorite color is also blue and like many of the present senior class he likes all sorts of fruit. He has not yet decided what his career is to be, but hopes to decide in time. Kenneth's athletic activities are mainly centered around football, since he went out for this sport in his last two years of school.

STARKWEATHER NOTES

Miss Stukey's pupils made a radio from orange crates over which they plan to broadcast a program of music and recitations. They have completed an orange crate davenport, chair, and end tables; the end tables are painted white and the other furniture is covered with wine colored cloth. The 1B's have read the story of "Peter's Family". The art class drew pictures of crows and robins. In seatwork pictures concerning rain were drawn.

Miss Spurling's pupils are bringing seeds to plant in the school rock garden. The 6A's are learning the use of a ruler and are studying contagious diseases; Miss Farrant's class is beginning the study of birds, William Wood's team won the arithmetic down, Carl Jahansson and Ernest Fulson had the highest scores in the McCall spelling test. Allan Livrance has moved to Walled Lake.

use of rulers and yardsticks. For three days last week everyone in 2B received a A in spelling. The bean and radish seeds which were planted have germinated and everyone is interested in the plants. Joyce Korke has been ill for two weeks.

For every library book they read Miss Maunula's pupils receive a flower in their flower pot which is on a chart. They cut out paper tulips in art class; the nature study has studied the habits of the blue jay and orioles. Frances Korke is ill and Arlean Jeffery is in the University hospital.

Miss Rainburn's 4B geography class is studying about the Amazon Indians. As a project for this unit of study they are making flour and salt maps on which they are placing tiny grass tufts and rubber trees. The 3A nature unit is studying birds and flowers. The boys are making flower boxes in their workshop; the children plan to plant seeds in these; a bird feeder is also being constructed. The oral language classes are giving oral bird descriptions.

Miss Bock's language class is making bird booklets which contain stories and pictures of the various birds. In connection with the study of the interesting country of Holland, the 4A geography class is planning to dress dolls in the native costume; the fifth grade class is carving cowboy statues. Rosemary Herter's and William Bareman's spelling teams are ahead. Earl Smith is recovering from a mastoid operation.

Miss Spurling's pupils are bringing seeds to plant in the school rock garden. The 6A's are learning the use of a ruler and are studying contagious diseases; Miss Farrant's class is beginning the study of birds, William Wood's team won the arithmetic down, Carl Jahansson and Ernest Fulson had the highest scores in the McCall spelling test. Allan Livrance has moved to Walled Lake.

TO RUN IT

1937 Ford V-8

● If you think that "all low-price cars cost about the same" — forget it! They don't.

Ford makes a car — a 60-horsepower economy Ford V-8 — that sells from 30 to 60 dollars under the prices asked for any other car of comparable size. The lowest Ford prices in years!

● Check delivered prices in your town and see for yourself.

● Of course, first cost doesn't prove "low cost" — you must consider operating cost also.

The "60" has definitely established itself as the most economical car in Ford history. Ford cars have been famous for economy for 34 years, so that means something!

Owners who have driven it thousands of miles report that the Ford "60" averages between 22 and 27 miles on a gallon of gasoline.

You can prove those figures — on the open road — in a car provided by the nearest Ford dealer.

● When you've finished your personal check-up, ask yourself:

"Do I want to save money the day I buy my car and every mile I drive it?"

"Do I want a safe, roomy, comfortable car of advanced design — created from the finest materials to the highest precision standards?"

There's only one answer, of course — the 1937 Ford V-8.

Ford V-8 \$529 of Dealers' Factory. Price. Transportation charge. This net Ford list price. This price is for the 60-horsepower coupe equipped with front and rear windows, spare tire, horn, wiper, windshield wiper, one vision glass compartment, and ash tray.

\$25 A MONTH, after your usual maintenance, here any Ford V-8 Car, from any Ford dealer, anywhere in the U. S. See your authorized Ford Finance Plan of National Credit Co.

Mr. and Mrs. Charles Hutchins of Yale, Michigan were over night guests Friday at the home of Mr. and Mrs. Howard Bowring.

Mr. and Mrs. Harry Wiseman were last week-end visitors of their son and wife, Mr. and Mrs. Orley Wood and other relatives in Detroit.

PARISIAN QUEEN

Mlle. Jacqueline Jacolew, who has been named "Miss Exposition," to rule as queen of the Paris International exposition which is to open in May. She was chosen from a number of beauties in a contest sponsored by the exposition.

Church Ladies To Present Play

"Her Honor the Mayor," a three-act good natured satire on the rights of women question will be given April 28, at 8 o'clock in the high school auditorium. The play is sponsored by circle No. 4 of the Presbyterian church for the benefit of the building fund. The cast of characters are: Lester Parmenter, candidate for mayor, who becomes the mayor's husband—Elsie Arcsott. Hon. Mike MacGoon, political boss, who becomes the hired girl—Ethel Schlanderer. Clarence Greenway, Eve's brother, who becomes the village groom—Delight Taylor. Eve Greenway, Lester's fiancée, who becomes the mayor—Kate Henderson.

Mrs. McNabb, widow and suffragette, who becomes a naval officer—Henrietta Dobbs. Doris Denton, an athletic bud, who becomes the fire chief—Nordine Wood. Rosalie Meyers, her chum, who becomes a millionaire—Dorothy Phillips. Eliza Gooper, the "culled" cook, who becomes chief of police—Rosemary West.

The time of the performance is two hours and is directed by Ellen Laible.

DOES BLADDER IRRITATION GET YOU UP?

Results guaranteed 25c. If not pleased, in four days go back and get your 25c. Flush the bladder as you would the bowels. Help nature eliminate impurities and excess acids which can cause irritation that results in getting up nights, scanty flow, frequent desire, burning, backache, or leg pains. Get buchu leaves, juniper oil, etc. made into little green tablets. Just say BUKETS to any druggist. — Beyer Pharmacy Adv. Apr. 9, 16, 23, 30

The ability to start is worthless without the ability to finish.

Walt Disney, Mickey Mouse creator, has one dark secret; he never reveals the identity of the "voices" behind the animated cartoon characters.

Volcano "smoke" is merely condensing steam and the "flames" are really the glowing light of the molten material reflected on these vapor clouds.

Spinach ranked second behind potatoes as the favorite vegetable of boys and girls in a children's preference survey conducted by a New York welfare federation.

THE TONQUISH CREEK BREEZE

Vol. No. 1 Tonquish Creek, Michigan U. S. A.

ANNOUNCEMENT.

We wish to announce to the public in general that because of conditions over which we have no control that we have decided to issue our own newspaper. We are sick and tired of having our news edited, changed, cut out and even left out of our city newspaper by an editor who does not seem to be in entire sympathy with our high aims and ideals.

For several weeks past we have looked for our news in the paper and last week there was one little item about what we are doing and what we are not doing. So, therefore, from now on, look for THE BREEZE. This newspaper will give you all the news without fear or favor about the Ancient Order of Tonquish Creekers. Further, we didn't just like what was said about the membership standing of Fred D. Schrader and William Conner. Look for THE BREEZE for the real news.

The Staff

We wish to announce our staff as follows:
Editor-in-chief, Brick Champe.
Business manager, Clair Maben.
Financial director, Fred D. Schrader.
Technical editor, Stanley Corbett.
Medical news advisor, Paul Butz.
Public relations director, Henry Hondorp.
Fashion editor, Abe Goldstein.
Legal advisors, Perry Richwine and Rusling Cutler.
Insurance counselor, Walter Harms.
Flood control director, Harold Finlan.
Stream pollution editor, Herman Backus.
Associate editor, Stewart Dodge.
Moose editor, Matt Powell.
Historical editor, Charles Finlan.
Manager want ad department, Russell Powell.
Editor foreign department, James Lyons.

That's all we are going to announce this week. Watch THE

BREEZE for the names of more of the famous writers and editors we have hired to provide you with the real news of the day.

The policy of The Tonquish Creek BREEZE will always be the same. We will support all candidates for office, no matter on what tickets they might run. We are fearless. We are for purity of Tonquish Creek. We will fight to the finish to put Tonquish Creek right back where it was when old Chief Tonquish used to sit beside the purling waters and listen to the babbles of Minnehaha. THE BREEZE will have nothing to do with politics. It's against the legislature. We are for sit-downers. Sit-downers can sit anywhere as far as THE BREEZE is concerned. Sitters are part of plank No. 13.

Wanted—Clam diggers. Must have own hip boots and gas masks. Will permit operations on Tonquish creek on shares. See Russell Powell, want ad department. 6-t collect.

NOTICE.

There will be a meeting of Tonquish Creekers Friday and Saturday noons in the gurille at the Mayflower. Only members who have paid dues will be allowed to vote. P. S.—If back on dues see Brother Schrader. See Business Manager Clair Maben about the price of the meal.

Abe Goldstein has just returned from a trip to several 1937 beauty contests. He is booking the winners up for the Tonquish Creek's first beauty show.

Chapter one of the "Life of Chief Tonquish", which is being compiled by Historian Charles Finlan is about finished. It seems that funds allotted for this price-less work have about run out and Historian Finlan has stopped all operations on this project until more funds are available. When more funds are ready this project will provide Keeper Finlan with 272 more man hours of labor. The Creekers are for it. (P. S.—This is news you can't

get anywhere else except in THE BREEZE.)

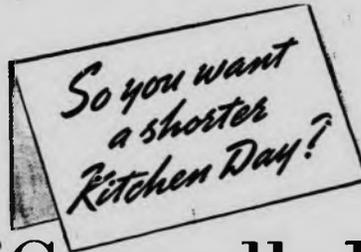

THE BREEZE wants the public to know that it is for freedom of the press and that it is opposed to the censorship imposed by a certain editor in town on the news of the Tonquish Creek society. Take THE BREEZE.

The editors of THE BREEZE do not want to brag too much about our first edition but Associate Editor Dodge says it beats any other newspaper he ever saw. And he knows. The Tonquish Creekers are pleased to note that our associate editor has just been honored by the c. of c. That's the kind of timber that goes to make up the Creekers.

The committee on floral decorations has not yet approved the plan to plant cowslips along the creek. Some of the more progressive members are opposed to both cowslips and skunk cabbage. There is another group in the society that has an idea that wild turnips, with here and there some old fashioned daffodils, would go well.

There was a one hundred percent vote against the plan of Jack Taylor to create a pollywog farm in a portion of the creek. His suggestion was resented because, in the first place he is a rank outsider and has no interest in the past or the future of Tonquish Creek, and, second, because of his financial connections, which caused members to raise their eyebrows. P. S.—Try and find good news like this in any other newspaper in our city. Read THE BREEZE.

Flood Control Director Harold Finlan has called a meeting of the flood control committee to look over the damage done by last week's flood and see what funds will be needed to repair the damage. He has already estimated that the work will provide 6,723 man hours and one horse hour. Watch for THE BREEZE. It's fearless and free.

Find out about

"Controlled Cooking" with Gas!

MAGICIANS who pluck rabbits from hats are amateurs beside the modern woman with an automatic gas range! She whips a complete hot meal from her oven, after an afternoon away from home.

What is the secret? The Heat Control that regulates oven temperature. The Clock Control that turns the oven on and off for her. Remember, too, the flexible Top Burner Control that enables you to adjust each one to the exact heat you need.

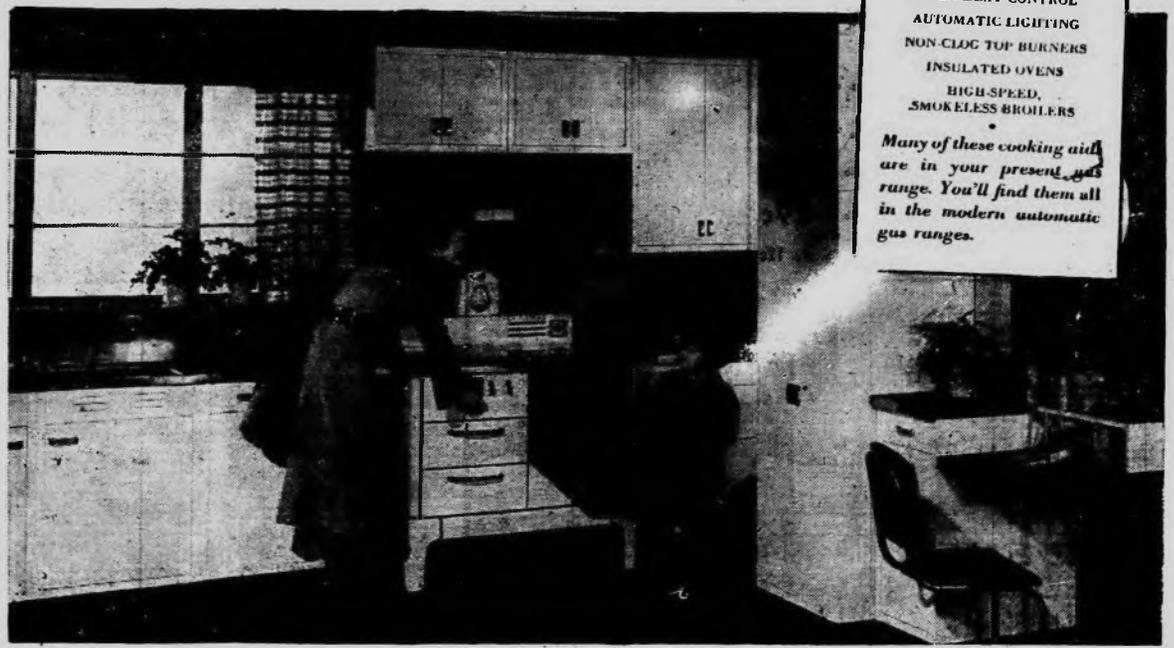

In addition, the kitchen is cooler with a

modern gas range. Insulation keeps oven heat in, while proper ventilation lets excess moisture escape, assuring better roasting and baking results.

And the new high-speed, smokeless broiler also plays an important part in producing more delicious meals in less time, at less cost.

See these miracle-working modern gas ranges at our showroom!

Gas cooks foods faster, better, cheaper. Gives silent, simplified refrigeration. Provides unlimited hot water and clean, effortless heat for your home.

One "Recipe" that makes all your cooking taste better

- PRICELESS INGREDIENTS
- FLEXIBLE HEAT (Just the temperature you want)
- INSTANT, ECONOMICAL HEAT
- OVEN VENTILATION
- OVEN HEAT CONTROL
- AUTOMATIC LIGHTING
- NON-CLOG TOP BURNERS
- INSULATED OVENS
- HIGH-SPEED, SMOKELESS BROILERS

Many of these cooking aids are in your present gas range. You'll find them all in the modern automatic gas ranges.

MODERNIZE YOUR HOME WITH GAS SEE YOUR GAS RANGE DEALER

Church News

FIRST BAPTIST CHURCH.—Loyla Sutherland, minister. We invite you to worship with us at 10:00 o'clock. Sermon subject: "The Life That Is Unafraid". Text: "Let not your heart be troubled. Ye believe in God, believe also in me." Jesus came to His disciples on a storm-tossed sea. He goes to the house of mourning, or looking into the shadow of His own grave, with the words, "Be Not Afraid". His counsel constantly was "Fear Not". Bible school at 10 o'clock. Mrs. Harry Stevens will conduct the service for young people at 6:30. Mrs. Stevens has had a wide experience in young people's work and you will want to hear her. At 7:30 we shall hear echoes of the state wide gathering held last Sunday at Battle Creek, where 1400 young people gathered from over Michigan. Mrs. Stull and Stillman Warner will assist the young folks in this service. The annual meeting of this church held last Wednesday evening brought forth many things for which we give grateful thanks. Beside the spiritual uplifts and the gains made otherwise, we came to the end of the church year with every bill paid in full, except the amount still due on the mortgage, and this has been reduced to a very nominal sum. This could never have happened but for the fine loyalty and untiring effort of those who

carry in their hearts the responsibilities of this work. We take the long look forward, and believe a still greater year lies before us. What we ask for our own church, we pray may also be true of our sister churches in Plymouth. Whatever comes to them of success will make us the happier. Remember our service of prayer and study on Wednesday evenings.

METHODIST EPISCOPAL.—P. Ray Norton, pastor. 7:30 a.m., Epworth league. 10:00 a.m., morning worship. 11:30 a.m., Sunday school. 7:00 p.m., Epworth league. The Cub Scouts will attend the morning service as our guests. The Epworth league this Sunday begins its early morning breakfast at the park. For the time being they will also continue the 7:00 o'clock evening meeting. The week-day religious education class which has been postponed so long begins Friday this week at 10:15 and will continue at that time at the church.

ST. PETER'S EV. LUTHERAN church.—Edgar Hoenecke, pastor. Sunday services, 10:30 a.m. Sunday school, 9:30 a.m. Ladies Aid, first Wednesday, 2:30 p.m. Mission society, third Wednesday, 2:00 p.m. Men's club, third Wednesday, 8:00 p.m.

FIRST PRESBYTERIAN church.—Walter Nichol, pastor. Services at Masonic temple, 10 a.m., worship, 11:30 a.m., Sunday school, 7:00 p.m., young people. The young people will meet at the Masonic temple on Sunday evening next at 7 p.m. David Hall is in charge of the discussion. The Mission Study class will meet at the Masonic temple on Tuesday, April 27, at 6:30 p.m. The committee in charge will prepare a supper for which each member will pay 25 cents. Each one is asked to bring a favorite poem as a contribution to the evening's program. The committee on the Corner Stone Laying celebration has outlined an interesting program for Sunday, May 9 at 3:00 p.m. The box to be placed in the corner stone is to include records of church organizations, historical sketches and lists of contributors. The name of every one contributing \$1.00 or more will be included. All pledges will be listed and the amounts paid to date on the same. Circle number 3 of the Woman's Auxiliary will serve a chicken supper at the Masonic temple on Wednesday, April 28. Mrs. Perry D. Campbell is leader of this circle. Service will begin at 5:30 p.m. At 8:00 p.m., Wednesday, April 28, at Plymouth high school, Circle number 4 of the Woman's Auxiliary will present a play entitled "Her Honor The Mayor". This promises an evening of rare enjoyment.

NAZARENE CHURCH.—Robert North, pastor. Bible school, 10:00. Morning worship, 11:15. Young people, 6:30. Evening service, 7:30. Prayer meeting on Wednesday at 7:30. "Have ye received the Holy Ghost since ye believed?" This question was asked by Paul of the Apostles of Ephesus. They answered that they had never even heard of the Holy Ghost. How tragic. Yet, many today are perhaps in just as great a darkness concerning the Holy Ghost and his work in the Believer's life. It will be well for each one of us that profess to be followers of the lowly Nazarene to ask ourselves this same question: "Have we received the Holy Ghost since we believed?" You will receive a hearty welcome at all of our services. Come and worship with us and we will do thee good. 280 North Main street.

CATHOLIC CHURCH.—Rev. F. C. Lefevre. Sundays—Mass at 8:00 and 10:00. Confessions Saturday nights at 7:30, and before each mass. Societies—The Holy Name Society for all men and young men. Communion the second Sunday of the month. The Ladies' Altar Society receives Holy Communion the third Sunday of each month. All the ladies of the parish are to belong to this society. Children of Mary—Every child of the parish must belong and must go to communion every fourth Sunday of the month. Instructions in religion conducted each Saturday morning at 9:30 by the Dominican Sisters. All children that have not completed their 8th grade, are obliged to attend these religious instructions.

FIRST CHURCH OF CHRIST Scientists.—Sunday morning service, 10:30. Sunday school at 10:30. Pupils received up to the age of twenty years. Wednesday evening testimony service, 8:00. "Probation after Death" will be the subject of the lesson-sermon in all Christian Science churches throughout the world on Sunday, April 25. Among the Bible citations is this passage (Ps. 18: 32): "It is God that girdeth me with strength, and maketh my way perfect". Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 290): "To be wholly spiritual, man must be sinless, and he becomes thus only when he reaches perfection."

SEVENTH-DAY ADVENTIST Services Saturday afternoon at Jewell-Blach hall, Sabbath school 2 p.m. Bible school following. Prayer service, Tuesday evening, 8:00 p.m., at Jewell-Blach hall. Testimony study every Friday evening at various homes.

CALVARY BAPTIST CHURCH.—455 South Main street. For Sunday evening service, the Trinity Baptist church of Detroit is planning, God willing, to furnish the speaker and special music. The time is 7:30. Mr. Colampus will preach Sunday morning at 10 o'clock. "The Church" is the theme for discussion. Bible school convenes at 11:30 a.m. Did you know that a large percentage of the churches' membership by conversions comes by means of the Sunday school? Moreover, the church owes its very life to the Sunday school. Astounding as it may seem, 85 percent of the members of the evangelical churches of America were won to Christ before they arrived at their 21st birthday. We must realize that if Christianity is to make marked progress larger effort must be made to reach and hold children. Parents! Bring your children to Bible school. There is a class for you too. Sunday evening at 6:30, the young peoples' fellowship meets. Would you like to come? You are welcome, Wednesday evening at 7:30, prayer and praise service. Meet with us and share a blessing. Go to church Sunday! Come to Calvary! Watch this column next week for a special announcement! (A.E.B.)

ST. MICHAEL'S CHURCH.—Rosedale Gardens. Masses: Sundays 8:00 and 11:00 a.m. Holy Days 7:30 and 9:00 a.m. Week day, 8:00 a.m. Confessions before each Mass. Catechism class after first Mass. Benediction after second Mass. Baptism by appointment.

ST. PAUL'S EV. LUTHERAN church.—Livonia Center. O. J. Peters, pastor. No services in this church on Sunday, April 25. All our members are invited to attend the confirmation service at Wayne beginning at 10:00 a.m.

S ALEM CONGREGATIONAL church.—Lucia M. Stroh, minister. Divine worship, 10:30 a.m. The pastor will preach Sunday school session, 11:45 a.m. The lesson "The Obedience of Noah," Genesis 8: 20-22; 9: 8-17. Golden text: By faith, Noah, being warned by God of things not seen as yet, moved with fear, prepared an ark to the saving of his house. Heb. 11: 7. The ladies appreciate the large patronage at their penny supper last Thursday. The crowd was so large that the food grew scarce at the close but we plan to have plenty for the next supper. Miss Frances Dunn will entertain the Light Bearers Sunday school class next Thursday, April 29, 7:00 p.m. We want all members of the class to come and bring their friends.

CHURCH OF GOD.—788 Penniman avenue. Sunday, Bible school 10 a.m. Morning worship, 11 a.m. Young People's meeting, 6:30 p.m. Evangelistic service, 7:45 p.m. Mid-week prayer meeting, Thursday, 7:45 p.m. A hearty welcome awaits you at the Church of God. Pastor, Rev. E. L. Harris, 38005 Ford road. (Not Pentecostal).

West Plymouth
Mr. and Mrs. Eugene Swern and Miss Roxie Kenyon of Detroit with their father, Charles Kenyon visited Mr. and Mrs. Carman Root Sunday. Mr. Kenyon, who has recently been bereaved of his wife, planned to return Sunday afternoon to his home at Sage lake, where his daughters will join him during the summer vacation.

Glenn Wilson of Ann Arbor spent his spring vacation with his grandparents, Mr. and Mrs. George Richwine.

Mrs. Frank Garland of Traverse City and her sister, who is a member of Ypsilanti college faculty, called upon the Carman Roots Saturday p.m. The former friends of Mrs. Flora Garland will be sorry to learn that her granddaughter, Mrs. Stanley Porter of Battle Creek was killed in an automobile accident recently.

Sam Richwine of Detroit visited his brother, George Richwine Sunday.

The Spanglers are finding the moving of the equipment and stock of two farms to be a long drawn out process.

Three ladies and a small child in our neighborhood were forced off the Ridge road near Penniman onto a soft shoulder by a ruthless truck driver, who went heedlessly on his way. The car badly tilted, quickly sank to its axles, but in less than 20 minutes, three chivalrous and kindly motor owners had appeared with their cars and by their combined efforts, soon sent the ladies on their way rejoicing it had been no worse. There are two kinds of motorists, the ruthless and the considerate, but we believe the latter is in the majority.

Alton Richwine of Monroe, with his family spent Saturday and Saturday evening with his parents, Mr. and Mrs. George Richwine.

Nat Hilton has installed a rust remover and a water softener in his basement, which is found to be most satisfactory.

Newburg School News

We have some more cases of mumps. Dorothy and Robert Rorabacher, Robert Bartel and Edmund Roginski have them.

Gladys Edinger has her name added to the dental honor roll. George Petraszewski is eagerly waiting for Friday when as the school champion he will compete with others in the district spelling bee.

At assembly Friday the following program was given: Primary room. Reading the Newspaper, Richard Simmons; song, "Hobby Horse"; boys, "Humming Bird"; girls, dance, "Nixie Polka"; first and second grade. Middle grade room: Ballad, "The Mysterious Cat" fifth grade: piano solo, Roy Bennett. Upper grade room: Poem, "Old Mother Rain", Louise Driscoll, Billy Bartel; story, "Tom the Chimney Sweep", Stella Popovich; piano solo, "In the Swing", Shirley Jacobson; poem, "The Tragic Story", William M. Thackeray, Earl Bassett.

Little Joyce Smith spent a few days last week with her cousin, Clark Ryder.

Doris Mackinder was taken to the University hospital, Ann Arbor, on Wednesday evening for treatment. We are glad to report he is some better at this writing.

Several ladies attended the luncheon on Thursday afternoon at the M. E. church of Plymouth. They report a very enjoyable afternoon.

Mrs. Gladys Ryder entertained her Sunday school class on Wednesday evening. The young people enjoyed a potluck dinner and social evening. They also had election of officers, which resulted as follows: President, Peggy McLaughlin; secretary, Neoma Snyder; treasurer, Elizabeth Stevens.

Mr. and Mrs. Jack McCullough and daughters spent Sunday in Battle Creek.

Mr. and Mrs. V. J. Mackinder of Grand Rapids were here on Wednesday and Thursday to see his father, Clark Mackinder.

Rev. and Mrs. Hoffman entertained for dinner on Friday evening, Mr. and Mrs. Mark Schmidt of Detroit.

This Friday evening, March 23, the Y. M. P. class will have a party in the L.A.S. hall.

Mr. and Mrs. Sam Guthrie entertained on Sunday Mr. and Mrs. Herbert Cohlhepp of Garden City.

Mrs. Mary Perkins and Mr. and Mrs. George Martin called on Mrs. Vina Joy Sunday afternoon.

Mrs. Dwight Oberlink of Grand Rapids was a guest of Mrs. Clifton Hoffman on Tuesday and Wednesday.

Mark Ayers of Saginaw was a guest of his brother and wife, Mr. and Mrs. Edward Ayers over the week-end.

Last week Wednesday evening Evelyn McMullen of Newburg entertained at the Ladies Aid hall, 28 friends in honor of her 18th birthday. Various games were played, after which a dainty lunch was served and the honored guest received many lovely gifts. Those present were: Elizabeth and Clifton Sockow, Eldora, Berdina and Evelyn Ballen, Dorothy and Donald Schmidt, Earl and Virginia Melton, Charlotte and Virginia Sabourine, Charles and Dwight Paddock, Elbert, Willard, Russell and Marion Lockwood, Michael Vary, Eleanor Adams, Harriet Ingall, Charles Ryder, Jr., Milo Ribers, Julia Nortarsky, George Kohler, Orwell Bennett, Angie Roginski, Nels Peterson and Ruth Chilson.

Society

Mrs. Gus Eschels entertained over 30 friends Saturday evening in honor of her husband's birthday. Progressive euchre was the entertainment for the evening with Mrs. Phillip Widmaier and Ed Henry winning first honors and Mrs. John Kirk and Mrs. Bert Kehl being consoled. Delightful refreshments were served and all wished Mr. Eschels many happy returns of the day. The guests were Mr. and Mrs. Bert Kehl, Mr. and Mrs. John Kirk, Mr. and Mrs. Ed Henry and daughter, Mr. and Mrs. William Martin, Mr. and Mrs. William Blunk, Mr. and Mrs. Oscar Freilheit and Mr. and Mrs. William Ash and family.

Several people from Plymouth have been in Ann Arbor this week to attend "The Juniors on Parade", directed by Roy Hoyer and produced under the auspices of the educational committee of the King's Daughters in that city, and presented in the Lydia Mendelssohn theatre Sally and Patty Zink daughters of Mr. and Mrs. David A. Zink, and Cynthia Baker, daughter of Mr. and Mrs. Henry E. Baker of Plymouth were participants. A picture of the little girls was in the Sunday edition of the Detroit News.

On Saturday evening Mr. and Mrs. Arthur Blunk will celebrate their 25th wedding anniversary by entertaining at dinner and cards Mr. and Mrs. Harry Brown, Mr. and Mrs. Harry Mumby, Mr. and Mrs. Louis Frederick, Mr. and Mrs. George Howell, Mr. and Mrs. Emerson Woods, Mr. and Mrs. M. G. Blunk of Plymouth and Mr. and Mrs. Lloyd Jarvis of Lansing.

Mr. and Mrs. M. M. Willett were guests of their daughter and husband, Mr. and Mrs. C. J. Teufel, in Toledo, Ohio, for dinner Sunday evening the occasion honoring the 45th wedding anniversary of Mr. and Mrs. Willett and the ninth birthday of Doris

Teufel, Mr. and Mrs. Willett remained until Monday evening.

Mrs. George M. Chute, with a party of Detroit friends, attended the home furnishing show in Detroit Thursday, and in the evening with their husbands enjoyed the Ziegfeld Follies at the Cass theatre.

The Mayflower bridge club will be the guest of Mrs. Arthur White Tuesday, April 27, at a dessert-bridge luncheon.

Mrs. Robert Willoughby, Mrs. John Paul Morrow and Mrs. F. R. Hoheisel attended a dessert-bridge luncheon Monday, at the home of Mrs. E. Hodgeman in

Detroit given by the Pan Hellenic society.

Mr. and Mrs. Paul Wiedman entertained at dinner Thursday of last week. Mr. and Mrs. Anthony Dohman and son, Richard, of Detroit, Leah Landon, of Plymouth and Paul Manns, of Trenton.

Mrs. George M. Chute attended a luncheon bridge Tuesday at the home of Mrs. Robert Calahan, in Detroit.

Several ladies from Plymouth attended a benefit bridge in Redford, Wednesday, sponsored by the King's Daughters of that city.

SAVE TO BUILD--- We Encourage Both

Plymouth Is Making Progress And There Is A Housing Shortage

We present for your better understanding our statement as of March 31, 1937 in brief, understandable form, interpreted for YOU from the RECORDS of the Bank.

WHAT DO WE OWN—

Cash and Due from Banks in Reserve Cities	\$202,757.39
In our vaults—sufficient to meet local needs and fully covered by insurance in case of holdup—the balance on deposit in New York, Detroit and Chicago. This is \$37,000.00 greater than on December 31, 1936.	
U. S. Gov't and fully guaranteed bonds	261,565.31
The majority of these bonds fall due prior to 1944 and while all bonds including governments have recently experienced a declining market the effect on these securities was not as great as on many of longer term. They could be sold today in excess of this figure.	
Other high grade marketable bonds	342,853.15
Notice that this account has been reduced approximately \$65,000.00, on advice of our investment counsel whom we employ, before the market decline so that many issues that would have declined materially in immediate saleable value were eliminated at a small profit. The bonds held here could be liquidated on a moment's notice today at a figure in excess of that shown in this statement.	
Loans and Discounts	127,428.68
This includes \$55,000.00 in loans secured by stocks and bonds listed on registered exchanges that could be readily liquidated. The balance are supported by other collateral or financial statements of individuals and business men entitled to credit and showing income sufficient to repay the loans over a short time.	
Mortgages and Contracts	245,573.24
First mortgages on residential properties in Plymouth and vicinity and land contracts with both contracts and mortgages on a monthly retirement program.	
Other Real Estate	13,493.59
(5 improved, income producing properties) Reduced from \$24,238.52 since Dec. 31, 1936. The remaining properties owned are subject to sale and this account will be further reduced in the near future to eliminate it completely.	
Banking House	\$40,000.00
Our own Big Bank Building on the corner.	
Total Resources	\$1,233,671.36
WHAT DO WE OWE—	
Deposits—Commercial and Savings	1,027,321.89
Represents money deposited with us by our 2000 depositors. You will notice a decrease of \$33,000.00 since Dec. 31, 1936 of which \$8,000.00 is accounted for in Public funds on deposit. This brings us to our "Theme" for this advertisement. We are convinced that a building program is essential for Plymouth and are endeavoring to sell such a program to our many customers and friends. SAVING with the idea of BUILDING in view is the idea encouraged by many helpful bankers so that the individual will be benefited by having that "home of their own" that will be so much enjoyed in later years. We wish to say here, publicly and proudly, that as we look about Plymouth and see the new buildings in the process of construction—both public and private in nature—we can see the part played by this institution in the program. Through the habit of thrift and saving such construction programs are made possible and when money is used for this purpose, while it temporarily reduces bank deposits it BUILDS. So we say—SAVE to BUILD.	
Undivided Profits	6,349.47
Net after preferred stock dividends and all other expenses.	
Capital Stock	200,000.00
Preferred and Common.	
Total Liabilities	\$1,233,671.36
If we can be of assistance to you in a building program we will be very glad to discuss the matter with you and make our mortgage department available to you.

CALL FOR TENDERS

School District No. 6, Livonia Township, Wayne County, Mich. Interest Refunding Certificates Pursuant to Act 13, Public Acts of 1932, as amended by the Legislature of the State of Michigan, the undersigned will receive at the home of the Secretary of the Board of Education, Route No. 2, Plymouth, Michigan, until 5 o'clock p.m., May 24, 1937, sealed tenders of Livonia Township School District No. 6, interest refunding certificates dated April 15, 1936 and due April 15, 1946.

Tenders shall be contained in sealed envelopes marked on the outside with "Interest Refunding Certificate Tender," and will be opened at 8 p.m., May 24, 1937, at the Rosedale Gardens School. Sinking Fund money in the amount of \$2,000.00 will be used for the purchase of these interest refunding certificates, and the Board of Education reserves the right to accept tenders, which, in the opinion of the said Board are most favorable for the District. Acceptance notices will be mailed within ten days after tenders are opened.

C. A. Schaeffer, Secretary
Route No. 2, Plymouth, Mich.
April 7, 1937. Adv.

Taking of a criminal's fingerprints by peace officers is recorded on an ancient Babylonian clay tablet.
