

## Chamber Of Commerce To Ask Wayne County Sheriff To Halt Alleged Wreck-Towing Racket

### Plymouth Group Will Cite Cases Of Unfair Fees

The Chamber of Commerce will carry an appeal to Sheriff Thomas Wilcox asking that he help stop what Plymouth residents believe is a car-towing racket.

Plymouth garage and insurance representatives explained at the Chamber of Commerce luncheon Monday noon that they have received many complaints from owners of cars about the activities of deputy sheriffs who investigate accidents in western Wayne county.

One speaker said that in one traffic mishap a deputy sheriff released the wrecked car to a garage located between Plymouth and Detroit. The garage towed the wreck three miles and it stood in the yard of the business place for about 12 hours. When the insurance company settled the bill this garage demanded \$15 fee for towing and \$15 a day for storage.

Another speaker declared that many times in accidents west of Plymouth the same garage is called and, on the order of the sheriff's officers only, tow the wrecked car through this city and to the garage. The minimum fee, it is claimed, for even a one-mile haul is from \$7 to \$9.

In many cases the owner, who is not consulted, doesn't even know where his car has been taken.

Another case cited indicated that Detroit constables, assigned to seize automobiles for finance companies, also always have the car towed to the same garage.

The Chamber of Commerce decided to obtain affidavits from owners who have been victimized by exorbitant towing charges. A delegation of Plymouth garage operators and insurance representatives will present the affidavits to Sheriff Wilcox and strongly urge that the practice be halted.

## City Bowlers To Hold Banquet

Members of the Plymouth City Bowling association will wind up their season next Thursday night at a banquet at the American Legion hall in Newburg when trophies and prize money will be awarded.

Arrangements for the annual affair are being handled by a committee composed of Ray Danol, chairman; William Choffin, Les Evans and Harold Link.

Trophies will be presented to the Bill Simpson team, winner of the Recreation league title; the Coolman team, title holder of the Red division of the Penniman-Allen House league; and the Plymouth Hills Country club five who captured the Blue division crown. More than \$1,000 in prize money will be distributed to the eight teams who battled through the long Recreation league schedule.

Members of the winning teams follow: Simpson's, Ray Danol, William Lorenz, Bob Johnson, John Powers and Al Krizman; Coolman's, Bud Archer, Warren Todd, Warren Blumhult, Murray Rowland, and Wendel Lent; Plymouth Hills, Joe Gray, John Powers, Bill Choffin, Casey Partridge and A. K. Brocklehurst.

## Elevator To Sell The Stokol

The Stokol company announces in this issue of The Plymouth Mail the appointment of The Plymouth Elevator corporation as its representative for its products in this section of Wayne county.

According to John McLaren, proprietor of the elevator corporation, a complete line of stokers will be carried in Plymouth and installations will be made direct from the Plymouth office. A service department will be opened here within the next few days and for the first time this city will have a complete stoker sales and service office.

Mrs. Lynford Fritz, who was called here by the death of her cousin, James Livingston, and has since been visiting her parents, Mr. and Mrs. Wendt, returned to her home in San Francisco, California, this week.

## Warning Issued On May 3 Tax Sale

City Treasurer Charles Garlett warned Plymouth owners of property this week of the approach of the May 3 state-wide sale of real estate upon which taxes for 1935 or prior years are delinquent.

"The property advertised for sale can still be kept out of the auction if the owner will go to the county treasurer's office in Detroit and pay the back taxes," the city official pointed out. "Our office has nothing to do with the collection of delinquent taxes, but we have made a special effort to give notice, wherever possible, to delinquent taxpayers who might not otherwise know that their property is endangered."

Mr. Garlett said that several owners of Plymouth property have already acted to save their real estate from the sale and that others have indicated they would do so before the date of the sale.

## Summer Program For Recreation Is Approved

### City Commission Will Share Cost With Schools

A city-wide recreational program for the summer was assured Monday night when the city commission voted unanimously to provide \$250 as the city's share of the expense. The public school is expected to provide the other \$250 necessary.

The recreation committee, composed of representatives of various organizations in the city, plans to expand the program this summer.

Neighborhood playground units will be developed while the central units for handicraft will be continued at Central grade school and Starkweather school.

The school band will be continued and augmented by older persons who enjoy playing. It is planned to give at least six evening concerts during the summer.

The committee expects to provide swimming excursions to Whitmore and Portage lakes once or twice a week and street showers on hot days for the younger group.

It is planned to conduct hikes with adult leaders. Twilight league soft ball for men and women and organization of a junior league to play at Starkweather school is also listed. Local tournaments in tennis, horseshoes and shuffleboard will be held also.

Members of the recreation committee include: George A. Smith, superintendent of schools; City Manager Clarence H. Elliott; Andrew Dunn, representing the Rotary club; Alvah Zimmerman, Federated Youth organization; Stewart Dodge, Chamber of Commerce; City Commissioners Ruth Huston-Whipple and Arthur Blunk; Hildur Carlson, Business and Professional Women's club; Claud Dykhouse, Kiwanis club; Mrs. James Witwer, Woman's club; Rev. Loy Sutherland, First Baptist church; the Rev. Stanford S. Closson, Methodist church; the Rev. Walter Nichol, Presbyterian church; Jack Gilles, Catholic church; Buzzard and H. F. Hamill, board of education.

Dr. John A. Ross was in Chicago last Thursday, Friday and Saturday to study the latest developments in the fitting of contact (invisible) lenses and telescope spectacles for sub-normal patients.

Dr. Ross, who has been practicing optometry at 808 Fenimau avenue, for more than a year, attended special classes at the Northern Illinois College of Optometry where for seven years he was assistant chief of the clinical staff and professor of retinoscopy.

Helen Johnson, of Kalamazoo, has been the guest of her sister, Mrs. Paul Simmons this week.

## Plymouth High Takes Title In State Tourney

### Two Qualify For National Meet Next Month

Plymouth high school's public speech team, ably coached by James Latture, won the gold trophy and became Michigan champion in the National Forensic league competition held at the Michigan State Normal college in Ypsilanti Friday.

Miss Doris Buzzard, daughter of Mr. and Mrs. Claude Buzzard, of Plymouth, paced the Plymouth team to victory by being the only double individual winner. Miss Buzzard won first place in the humorous reading division with her portrayal of "The Country Belle" and captured the dramatic reading contest with "The Telle Heart". She was the only contestant to win two firsts.

Plymouth scored a total of 27 points for team honors. Second place went to Paw Paw with 20, while River Rouge placed third with 17 points.

Marilyn Holton, of Rosedale Gardens, and Marvin Hauk placed first and second in the extemporaneous competition. Miss Holton discussed the national debt and its meaning while Hauk spoke on government aid to business.

Plymouth picked up some more points when James Zuckerman and Ronald Cook tied for second place in declamation, giving Plymouth both second and third in the tabulation.

The Plymouth debate team won second place, being nosed out by Paw Paw by virtue of a 2-1 judges decision. Plymouth upheld the affirmative side of the unicameral legislature question.

Top ranking for the Plymouth team will see this city represented in the national tournament, to be held in May in Wooster, Ohio, for the second consecutive year. Miss Holton and Miss Buzzard will go to the national meet.

The state title once again adds new trophies for Plymouth high school which has won national recognition under the coaching of Mr. Latture, who is also serving this year as Michigan chairman of the National Forensic league.

Members of the Plymouth team and their coach are to be congratulated on their fine effort.

## Speaker Urges City To Make Zoning Plans

### Cites Need For Ordinance To Protect Values

Adoption of a rational zoning ordinance for Plymouth was urged Monday night by Walter Blucher, executive secretary of the American Society of Planning Officials.

Mr. Blucher addressed a joint meeting of the city commission and the city planning commission which was also attended by a large number of others interested.

He said that 1400 communities in the United States had zoning ordinances and declared that zoning would protect property values.

"You can't have a rational assessment plan without a rational zoning ordinance," Mr. Blucher said. "Zoning assures property values and the proper use of land. Spot zoning, or in other words, deciding business or residential districts by one lot, is very bad. On the other hand, zoning by districts will assure property owners in the entire area of no impairment in values by the installation of something not suitable."

Mr. Blucher said that the ideal city must have a long range zoning plan. There must be sub-division control, he said. Population trends must be watched and orderly expansion planned.

Mr. Blucher, a former secretary of the Detroit zoning commission, many times in his speech referred to the difficulties Detroit has experienced because of poor planning.

"A city needs only two percent of its entire area for business," Blucher said. "But most cities have much more, even up to 20 percent. Thus in many cities like Detroit you find a garage, a gas station or other business in a section which should be residential. Each type of business is all right in its place but heavy losses are suffered when haphazard city planning permits such a thing to happen."

Mr. Blucher reminded city officials that at present, when so many states are adopting tax limitation laws, that the municipalities must guard property values carefully by a good zoning ordinance.

After the joint meeting, members of the city planning commission met with Mr. Blucher to ask questions about what points should be covered in the proposed zoning ordinance for Plymouth.

It is expected that the planning commission will hold hearings on the zoning ordinance late this fall.

## Townsend Club Most Active

### Northville Man Pays Fine Of \$50 And \$3 Costs

A goodly number was present Monday evening at the Townsend club held in the Grange hall when Dudley Goddard, of Dearborn gave an interesting talk on the Townsend Plan. The Townsend sign which the club had made recently was shown and will be erected about a mile east of town, on Plymouth road, in the near future.

It was decided to meet every Monday evening for a while at least, having a speaker one week and a business meeting the following week. Music will be furnished, Monday evening, April 25, by the Schultz duo, Doris and Josef Schultz, guitar and piano accordion players. They have been present before and were greatly enjoyed. Sunday, April 24, a Townsend rally will be held in the senior high school, in Royal Oak, meeting to begin at 2:30 p.m. All who can are urged to attend this rally and the meeting on Monday.

## Police Continue Campaign Against Reckless Drivers

With one person killed and several injured in automobile accidents within the city already this year, police are continuing their drive against reckless drivers.

George Meyers, 35 years old, of Northville, paid a \$50 fine and \$3 in costs after being taken before Justice John S. Dayton on a reckless driving charge. Meyers was arrested April 14 by Officer Carl Greenlee at South Main and Palmer streets.

Robert E. Running, 27 years old, of 3241 Collingwood avenue, Detroit, was taken into custody at 9:00 a.m. Sunday by Patrolman Ira Hauk. Running was ordered to appear before Justice Dayton on a drunk driving charge.

Police Chief Vaughan Smith urged co-operation of the drivers to help reduce the number of accidents. He said that he had instructed his officers to patrol the streets and give violators tickets for speeding, reckless driving and other evasion of rules of the road.

## City Commission Ready To Accept Present Gas Rate

### Large Savings Cited By Power Company

The city commission decided informally Monday night to accept the present gas rates charged by the Consumers Power company.

A formal resolution of acceptance will be drafted and adopted at the next meeting. The procedure is one provided in the company's franchise for negotiation on rates at the end of each three year period.

Low Price, local manager of the Consumers Power company, submitted a letter to the commission several months ago giving statistics showing that the rates now charged by the company represented a \$19,000 annual saving to Plymouth customers in 1937 or 14 percent reduction compared to the rates charged by the Michigan Federated Utilities before Consumers took over the service in 1934. The company cited huge increases in labor costs, fuel costs and other operating expenses during the past year.

The commission was assured that Plymouth would benefit automatically whenever any reductions were made for any other city in the Pontiac division of the company.

The commission, in another action, joined the city officials of Pontiac, Royal Oak, Ferndale, and other municipalities of this area in adopting a resolution which reads:

"Whereas, gas rates now prevalent in this community are excessively high in comparison with rates in effect in other and nearby communities thereby rendering the cost thereof prohibitive for heating and manufacturing purposes and is excessively costly to present domestic users, and

"Whereas, it has come to the attention of this commission that there are on file in the records of the Michigan Public Utilities commission, statements of geologists and others to the effect that sufficient natural gas reserves exist in the state of Michigan to justify the extension of natural gas service to this section of the state, and

"Whereas, this city commission deems that the extension of natural gas service to this section of the state would result in reduced rates to gas users, as is evidenced by the rates now prevalent in those cities of Michigan now served with natural gas,

"Now, therefore, be it resolved that the city commission of Plymouth join with other municipalities of this section of the state of Michigan in filing a petition with the Michigan Public Utilities commission, requesting a review of the gas rates now in effect in this area and for the extension of natural gas service from the Michigan gas fields to this section of the state."

## Detroit Police Give Citation To Former Plymouth Youth

Patrolman Foster Howell, Detroit policeman and Plymouth high school graduate, won his second citation for meritorious action after capturing two burglars recently.

Patrolman Howell, the son of Mr. and Mrs. George Howell, of 473 Adams street, Plymouth, has been an officer only one year but he has already found that alertness brings rewards to law enforcement officers.

The patrolman saw rather unusual maneuverings of an automobile at Oakman and Grand River avenues in Detroit and decided to investigate.

When the suspicious car disappeared down an alley, Howell gave chase and found it parked behind 10781 Grand River. When the officer approached, the driver tried to escape but the officer took the driver to Schaefer station.

At the station house it was discovered that a rifle was hidden in the car driven by a man who gave his name as Lester Rynek, 24 years old. Then detectives ordered the arrest of Rynek's associate, Mont Solomon.

In the meantime Patrolman Howell returned to the place where he arrested Rynek and discovered that the lock on the rear door of a store had been broken, the glass smashed and the building ransacked. Rynek and Solomon admitted they had broken into the place by shooting holes through the glass of the door.

Plymouth friends congratulate Patrolman Howell on his fine work.

Money raised at the entertainment will go toward providing milk for under nourished school children. The committee urges assistance in this worthy cause.

## Third Term

HENRY HONDORP

## Mayor Is Glad To Serve Again

"I am glad to serve the city of Plymouth," Henry Hondorp said this week in beginning his third term as mayor.

"I didn't seek the mayor's job again but I am glad to assume the responsibilities the commission placed upon me.

"In starting out the new year, however, I feel that one important change in procedure should be made.

"I think that when a citizen has a complaint that he should either appear in person before the city commission or submit in writing the complaint to the commission as a whole. This would speed action on the complaint and would be much more fair to the community as a whole than the previous custom of having one of the commissioners handle it for the citizen. When the person who is complaining appears at the meeting in person, the commissioners have a chance to ask questions and investigate each proposal thoroughly.

"During the past year there have been complaints brought in by one commissioner and many times the other commissioners have not been able to find out the identity of the person who wanted the situation corrected.

"I appreciate the confidence expressed by the commission in selecting me as mayor and I assure everyone that I will do everything possible to give Plymouth well managed city government."

Mr. and Mrs. Joseph Labita wish to announce the birth of a son, Kenneth Joseph, April 18. Mrs. Labita was formerly Audrey Barlow of 1902 Ann Arbor road, Plymouth. The baby weighed 7½ pounds. Both mother and son are doing nicely.

It seems strange to me that none of the other commissioners ever get any complaints like this," Mayor Hondorp commented after Mrs. Whipple said that many other persons were also complaining of the dance hall.

"This man," the Mayor continued, "is the only one who ever complained in person to the commission on this matter and he purchased his property near the hall after the dances were started so he should have realized that what he describes as a nuisance was there."

"Well, I have had a lot of other people make complaints to me on this matter," the woman commissioner retorted.

The commission voted 3-2 to have the city manager draft a dance hall ordinance as suggested by Mrs. Whipple. Commissioners Whipple, Robinson and Blunk voted in favor.

Commissioner Whipple also introduced a resolution calling for the city manager and city attorney to be instructed to draft a complete set of parliamentary rules for use by the commission.

Dora Gallimore, Hazel Rathburn, Altha Beam and Clara Tyler left by motor Monday morning for a night-seeing trip to Berea, Kentucky.

## Triumphs For Third Term By A 3-2 Margin

### Verbal Exchanges Enliven Annual Meeting

Henry H. Hondorp began his third consecutive term as mayor of Plymouth this week.

Mayor Hondorp, who led the field by more than 100 votes in being re-elected to the commission in the recent municipal elections, was named to head the city government by a three-to-two secret ballot in a contest with Mrs. Ruth Huston-Whipple.

The commission chamber was filled to capacity for the annual organization meeting Monday night. There were several verbal exchanges between Mayor Hondorp and Commissioner Whipple during the session.

After the commission finished its final meeting of the 1937-38 year and adjourned to re-convene immediately to organize the new commission, Mrs. Whipple asked: "Would the commissioners like to recess to another room to discuss nominees for mayor?"

"There's no reason to go anywhere else," Mr. Hondorp replied. "I have my mind made up and I think the others have too." "I don't think they have made up their minds," retorted Commissioner Whipple.

"Well, do as you like," Mr. Hondorp said. "You can go whenever you like, the commission is adjourned. I'm going to stay here."

The commission convened again shortly after this exchange and City Attorney Arlo Emery was asked to preside. He appointed Commissioner Hondorp and Commissioner George Roginson as tellers for the secret ballot. The first vote gave Mr. Hondorp three votes and Mrs. Whipple two.

That Mayor Hondorp's policies of the past two years have met approval was indicated by applause which greeted him as he again took charge of the meeting.

A moment later Mrs. Whipple was elected mayor pro tem. She received three votes while the vote was cast for Commissioner Arthur Blunk and the other to Commissioner Robinson.

There was another verbal exchange between the Mayor and Commissioner Whipple over reports of excessive noise caused by persons attending dances at the Jewell-Blanch hall.

Mrs. Whipple brought up the subject by commenting that a citizen's complaint to the commission a few months ago had accomplished no result. The complainant was called before the commission and reported that the residents adjacent to the hall had to clean up waste paper left on their yards by dancers. Mrs. Whipple urged that the commission adopt a dance hall ordinance which would properly police all dances held in Plymouth. Such an ordinance would set a closing hour and other regulations.

"It seems strange to me that none of the other commissioners ever get any complaints like this," Mayor Hondorp commented after Mrs. Whipple said that many other persons were also complaining of the dance hall.

"This man," the Mayor continued, "is the only one who ever complained in person to the commission on this matter and he purchased his property near the hall after the dances were started so he should have realized that what he describes as a nuisance was there."

"Well, I have had a lot of other people make complaints to me on this matter," the woman commissioner retorted.

The commission voted 3-2 to have the city manager draft a dance hall ordinance as suggested by Mrs. Whipple. Commissioners Whipple, Robinson and Blunk voted in favor.

Commissioner Whipple also introduced a resolution calling for the city manager and city attorney to be instructed to draft a complete set of parliamentary rules for use by the commission.

### THE FIRST RAY OF HOPE.

Newspaper dispatches this week said that President Roosevelt had invited Henry Ford to the white house to discuss with America's most successful manufacturer ways of ending the depression. For four years the President has been discussing these problems with the Lewises, the Martins and the Frankfurters and we are now deeper in the depression than at any other time in the history of the country. Apparently, something has happened to cause the President to realize that he has been following the wrong course and finally he has hit upon the right idea of discussing our serious plight with the one man in America who can do more to help him out than any other individual in the world. This is the first ray of hope for ending the depression that has appeared in the skies in over five years. Why not, Mr. President, turn the whole recovery program over to Mr. Ford? He will restore prosperity for the nation in less than six months if you give him the job to do.

### HONORS FOR PLYMOUTH.

Plymouth's high school's debating team has again this year won distinction for this city and its public schools by winning first place in the state contest last week. Not only do we extend congratulations to the youthful members of the team but to "Jim" Latture, the successful instructor of the winners. Year after year, "Jim" has won outstanding honors for the city by the good work he has done in connection with his regular duties as an instructor in the schools. Again we say congratulations in behalf of the entire community.

### YOU AND THE AMERICAN LEGION.

(A Contributed Editorial)

You and other red-blooded Americans have a great interest in the American Legion. Your ideas and those of the Legion are the same. You have no organization for the concentration of your efforts. The Legion has one, a million strong. With your help and strength, the Legion can and will combat the destructive forces rampant at present. We, together, will preserve this land of ours, keeping it a free-speaking democracy, governed by the people, for the people and of the people.

For you who are not familiar with the Legion and its aims, here is the preamble to our Constitution:

- For God and country
- We associate ourselves together
- For the following purposes:
- To uphold and defend
- The Constitution of the United States of America;
- To maintain law and order;
- To foster and perpetuate
- A one hundred per cent Americanism;
- To preserve the memories and incidents
- Of our association in the Great War;
- To inculcate a sense of individual obligation
- To the community, state and nation;
- To combat the autocracy
- Of both the classes and the masses;
- To make right the master of might;
- To promote peace and good will on earth;
- To safeguard and transmit to posterity
- The principles of Justice, Freedom and Democracy;
- To consecrate and sanctify our comradeship
- By our devotion to mutual helpfulness.

There is but one exception to this as the universal creed for Americans. You all have not the need to preserve the memories and incidents of the Great War that the Legion has. Many of you real Americans were too young to have any recollection of this war. May you never see any war.

You do need to safeguard and transmit to posterity the principles of justice, freedom and democracy, never more than now.

Will we do it together?

### WILL THE GOVERNOR REMOVE THIS SHERIFF?

From the columns of the White Cloud Eagle, a weekly newspaper printed up in the northwest portion of the state, there appeared an important news item recently that for some reason did not find its way into print in the metropolitan newspapers. It told of a sheriff who headed an organization of citizens that successfully prevented the invasion of a gang of mobsters who were bent on seizing property belonging to the Consumers Power company. The gang leaders were told what they could expect if they invaded Newaygo. The only danger developing from the situation is the question as to whether the Governor will regard the sheriff's action in blocking the mob as sufficient cause for removal from office of the sheriff?

The article follows:

"Stirred to a fighting frenzy by reports that the CIO were on their way to take over the Consumers Power company at Croton and the plant at Hardy dam, public spirited citizens of Newaygo county armed themselves with ball bats, clubs and weapons of every description last Friday and Saturday evenings, preparing to give the CIO a 'royal welcome'."

"Last Friday about 30 members of the CIO attempted a surprise attack on the sub-station at Croton and the Newaygo dam plant but the attempt was frustrated by a tipster who had given previous warning. When the CIO arrived at their destination, they found the object of their attack too well guarded by Sheriff Hart and his posse, so they did not try to enter company property."

"About 200 men flocked to the defense of the Consumers

## Companionate Marriage

By James Lewis Hays

Oh, Sammy Dub and Sadie Flub  
Are nothing else but nifty,  
They're married on the latest plan—  
A scheme of fifty-fifty.  
Companionate they choose to mate,  
So while they love and cuddle  
They always know if they want to go  
They can terminate the huddle.

The judge said "Presto!" Flub and Dub  
You're temporarily married.  
Fight fair or you are apt to be  
Companionately buried!  
So Sam and Sadie tried it out  
But daily grew more scrappy.  
Both were too independent  
To be settled down and happy.

Nice kids! I hope they stick it out  
And then perhaps some day  
Marry each other over again  
In the good old permanent way!

Power company Saturday evening when the report went out that the CIO was on its way with a large force. Sheriff Robert D. Hart telephoned to American Legion stations in the county, and members of the organization sent men for defense duty and held back a large number on call. The sheriff estimated that 500 men were available to give battle if it became necessary.

"Although no actual conflict took place, approximately 100 members of the CIO left Muskegon Saturday evening to take the substitution and Hardy plant. Sheriff Hart contacted the leader and issued a warning that they had better not try it, and the men decided that desistance was the wiser course to pursue, agreeing to abandon their objectives, pending the outcome of Governor Murphy's consultation with company and union representatives which was held last Monday.

"Fifty special deputies were appointed for night and day duty.

"The sub-station at Croton controls the supply of electricity all over western Michigan, as far south as Battle Creek and as far east as Lansing. The men employed at this station are not members of the CIO and are against joining, but the CIO desires to force its way into possession of all Consumers Power company property in order to make the company comply with its demands for stable and increasing wages.

"Speaking of the situation, Sheriff Robert D. Hart said, 'I've never seen the public sentiment aroused in this county as it was Friday and Saturday.'"

### THE NATIONAL LABOR RELATIONS BOARD.

The National Labor Relations Board has been in existence and functioning for not much more than a year. During that brief time it has done more to destroy American industry than all the other enemies of American progress combined. It will take a generation to overcome its disastrous, unfair, vicious and downright anarchistic activities.

Why under heaven congress has not made an effort to repeal probably the biggest fool piece of legislation ever forced upon the American public is impossible to understand.

It is apparent that it will be too late during the present session to end this damnable, biased, and hypocritical governmental agency, run by a conglomeration of long-haired, unsuccessful misfits who hate anything and everybody that has been at all successful in accomplishing something worthwhile.

But NO CONGRESSMAN should be re-elected unless he pledges himself to vote to abolish this un-American piece of spite legislation. It is up to the voters of the nation to get those pledges in WRITING before the nomination or election of any candidate for congress. If the National Labor Relations Board is NOT ABOLISHED in the very near future, there will be no industry left for it to torment by its unfair and discriminating decisions.

And who knows but what that is its real purpose?

## RAMBLING with Editors of Michigan AROUND

### ONLY THE PUBLIC GETS HURT—

It is not necessary to go into the claims of each side in order to see the unnecessary threat to the public health and welfare in the present controversy between the CIO and the Consumers Power company. If the switches are pulled again, as they were on one other occasion, the damage is not so much to the company as it is to the general public depending on electricity and gas.

While these conferences are going on the people live under the constant fear that they will not be able to cook the next meal; cannot warm the milk for a sick child; will not be able to handle their regular business and so may throw thousands out of work and cause enormous losses. These are fears which are unnecessary and do not help the life stream of business already diluted by a serious depression.

Regardless of the outcome, the labor movement gains nothing from such tactics, for in the final analysis it will lose confidence of the public. Things have come to a pretty pass when any relatively small group, whether industrial or labor leaders, is allowed to take any action which might well seriously affect the public in a hundred ways.

Last time the switches were pulled we were told it was a group of "outlaw strikers". The people are little interested in the fact that so many of those who have preached discontent so long cannot now control their own organization. What they want to know is WILL GOVERNOR MURPHY PROTECT THE PUBLIC INTEREST or will he continue the same wishy-washy, weak-kneed attitude that has characterized so many of his administrative attempts?—Phil T. Rich in The Midland News.

### GOOSE-STEPPERS

Selling vacuum cleaners when you were trained to be a chemist? Or doing a home-bakery business when you are an expert tool maker? How recently we have come to realize again, that a specialized training which should pay out, gives way to some other ability or to some hobby; and we find that the more varied our experiences, the better our opportunity to be self-supporting.

A generation ago, 90 percent of the people lived on farms. Today only 25 percent of the people do. Where are the other? Congregated in cities, large and small, and dependent upon commercial enterprises for a living. James Truslow Adams says that the farmer could formerly move to new frontiers when he needed a new stake, but today our new frontier lies in new inventions and changes. He says there will be a lot of jobs but the nature of the jobs may be shifting fast, and to remain employed will depend upon an individual's adaptability.

"Yet how many governments today are by their acts tending to destroy just these qualities, taking away initiative and trying to make us mass-minded so that we will goose-step as ordered!"—George Neal in The Orion Review.

### MAYBE YOU ARE RIGHT, MR. CANSFIELD.

We wonder sometimes if either the proponents or opponents of the reorganization bill were 100 percent sincere? Were the proponents just offering this as an opiate to a depression ridden people?

## Haskell Speaks At Conference

Officials of the Wayne County Training school took a major part in the program for the 62nd annual convention of the American Association on Mental Deficiency held at Richmond, Virginia this week.

Dr. Robert H. Haskell, medical superintendent of the training school, led the discussion at the opening session Wednesday on "The Field of Psychiatry in Relation to the Work of State Schools".

Another discussion period was directed by Dr. Thorleif G. Hegge, scientific director at the Northville Institution. Other speakers on the four-day program from the Wayne County Training school included Dr. Alfred Strause, M. Patterson, David C. Magaw, Heinz Werner, Dr. Ruth T. Melcher, Z. Pauline Hoakley, Newell C. Kephart, Mabel Bowers, and Lynn C. Sullivan.

Three-fourths of a mile along the Echo river never has seen daylight. It runs its course to Mammoth Cave, Kentucky.

When a hunter kills a doe, he destroys the potential production of about 130 deer in the next ten years, when he kills a buck, he destroys only a single animal.

*Light is Cheap!*

provides 1 1/3 hours of good light  
FOR READING A NEWSPAPER

NOTHING contributes more to your enjoyment of the evening paper than comfortable relaxation in your favorite easy chair and good light with which to see. Your eyes require a better quality of light for reading fine print in a newspaper than they do for the larger type of a well-printed book, or the clean white pages of a magazine. Yet reading a newspaper is such a commonplace, everyday occurrence that we are likely to forget it is really a difficult seeing task. We are liable to have poor light which is inadequate for the job. Good lighting is a comfort that costs little money. Your newspaper costs three cents . . . but a penny will purchase the excellent illumination of a 200-WATT LAMP for 1 1/3 hours, and add immeasurably to your enjoyment of your newspaper. When light is so cheap, why stint on it? You can afford to give your eyes good lighting for every seeing task!

The church was beautifully decorated with Easter flowers on Sunday morning. Four children were baptized and a class of 30 was received into membership in the church.

Remember the Kaffee Klatsch on next Wednesday, April 27 at the home of Mrs. Emma Ryder. There will be a display of antiques, so bring yours along with a short history of the article.

Burt Paddock and son, Dwight were Sunday dinner guests of Mrs. Emma Ryder.

Mrs. John Campbell of Detroit spent several days last week with her son, John and family.

Mr. and Mrs. Sam Guthrie returned home Saturday afternoon from their trip south.

Mrs. Harry Bassett of Wayne was a supper guest Sunday evening of Mr. and Mrs. William Smith.

Twenty-six young people enjoyed an Easter breakfast and service in the L.A.S. hall on Sunday morning.

Miss Mary Gilbert of Detroit and Miss Alice Gilbert of Milford were Easter dinner guests of Mr. and Mrs. Harry Gilbert.

Miss Elizabeth Stevens is spending her spring vacation with her aunt, Mrs. Roy Welch of Fenton.

Mr. and Mrs. George Shultz were week-end guests of his brother and family, Mr. and Mrs. Richard Shultz of Detroit.

Sunday guests at the home of Mr. and Mrs. Jess Thomas were Mr. and Mrs. Dick Thomas and family of Detroit.

Twelve friends from Detroit of Ed Littner dropped in on Saturday evening to help him celebrate his birthday.

The date for the mother and daughter banquet has been set for May 6 in the L.A.S. hall.

Tonight (Friday) is your last chance to see the Epworth League play in the L.A.S. hall.

Thieves entered the office of the Shelton Land company, in Rosedale Gardens, Sunday night, and stole a one-fourth horsepower electric motor valued at \$81. Wayne county deputy sheriffs are investigating the case.

Thieves entered the William Oakley farm residence, corner Eight Mile and Ann Arbor roads, last Friday noon, took a considerable sum of money and all food available and made a successful get-away.

Mrs. Oakley had put Tom Saunders' lunch on the table (Mr. Saunders is employed at the farm) and then had locked the door and left. The hour was then nearly noon. In a little while Saunders started to the house, from the field where he had been plowing, and as he did so he noticed a large light-green car, a late model, being driven out of the yard. He was surprised to find the door open, but when he entered and saw all cupboards open and disorder about he became aware that the place had been robbed.

In his bedroom he found the mattress off the bed, his clothes on the floor, with pockets turned inside out. His money was gone. A watch which hung by the window was untouched, as was also silverware and other valuables.

A quantity of money belonging to Mrs. Oakley was also taken, and the ice box was stripped. In it had been several pounds of butter, a ham, bread, and other food. A greasy knife lay on the table where they evidently had cut the ham. They must have seen Saunders coming from the field as they apparently had left before ransacking the entire house.

The Washtenaw county sheriff

was called. Neighbors claim to have seen gypsies in the neighborhood at about the time the Oakley home was entered.—South Lyon Herald.

Coyotes have been moving into eastern states in increasing numbers for many years. There are said to be many hundred in New Jersey today, some of them within seven miles of Manhattan.

Spencer asked in his will that he be buried in golf clothing, and with all necessary golf equipment. He was buried with clubs and even tees, but two days later the executors remembered that they had not put a ball in the casket. On January 4, 1923, the body was disinterred, the ball was put in his hand.

# Star Lodges Are Guests Here

Plymouth chapter No. 115, Order of the Eastern Star entertained Wayne county officers and the first four officers of all Wayne county chapters on Tuesday, April 19. Chapter was opened by the local officers at 4:30. Sister Ann Carley, associate matron and Brother A. K. Brocklehurst, associate patron were escorted to the East and introduced, who in turn introduced the associate matrons and associate patrons of Wayne county who assumed the stations and exemplified the degrees on two candidates.

Music was furnished by the five Star points of Plymouth chapter, Wilhemene Rucker, Catherine Henderson, Alice Rathburn, Ethel Schlenderer and Pearl Lundquist.

A delicious dinner was served to about 150 members and guests at 6:30 after which several songs by Mrs. Thelma LeRoy of Royal Oak were enjoyed.

Chapter was re-opened at 8:00 o'clock. Sister Switzer, past grand marshal of Ohio, was escorted to the East, introduced and given grand honors. The following Wayne county officers were escorted to the East and introduced: Anne Nichol, president; Earl Clowes, vice president; Ruth Clark, treasurer; Emma Mary, chaplain; and Emma Moore, marshal. The worthy matrons and worthy patrons of Wayne county were then introduced and assumed the stations for the evening, conferring the degrees upon two more candidates. Mrs. Thelma LeRoy sang very beautiful Eastern Star songs during the evening.

The work was very well given by both groups of officers and the afternoon and evening was enjoyed by all present. This was the first time that Plymouth chapter has had the pleasure of conferring the degrees upon two sets of candidates the same day.

The following guests attended the Methodist church Easter morning when Vaughn Tillotson was christened, and were dinner guests of Mr. and Mrs. Arthur Tillotson: Mr. and Mrs. Dale Tillotson, son Vaughn Arthur and Mr. and Mrs. William Laurie of Melvindale, Mr. and Mrs. Tyler Egeland and sons of Detroit.

# Methodists To Hear Guest Preacher Sunday

Rev. Stanford S. Closson, of the First Methodist church, will preach Sunday morning at Saline, Michigan.

The Rev. Luther Butt, of Monroe, will occupy the pulpit in the Methodist church here Sunday morning. The exchange in speakers is part of the Christian Education day observed throughout the state by Methodist churches.

Sunday evening the Rev. Joseph Dutton, of Ann Arbor, who was pastor in Plymouth from 1912 to 1916, will be the speaker at the monthly evening service.

## New Funds Available For Home Building

Funds to aid residents of the Plymouth-Northville area in building homes under 90 per cent F.H.A. mortgages are now available through the new office established by V. M. Pilgrim, district manager of the Acme Mortgage and Investment company, at 152 East Main street, Northville.

"Our company has a large sum of money from old line insurance companies ready to invest in homes in this area," Mr. Pilgrim said. "Information concerning building loans is available at our office in Northville and at all real estate offices in Plymouth."

## Humane Treatment Of Animals Is Urged

The city commission voted unanimously Monday night to set aside the week of April 24 to 30 for local observance of the "Be Kind to Animals Week."

Governor Frank Murphy and other governmental officials have also issued proclamations. The Michigan humane society will sponsor special activities in many parts of Michigan to call attention of the public to more humane treatment of animals.

Mrs. Edson Huston is in charge of the observance in Plymouth.

Mrs. John Tries recently entertained her pedro club in her home in Redford. A delicious lunch was served, the table being decorated with Easter settings. The balance of the afternoon was spent playing pedro. Prizes were won by Mrs. George Palmer of Plymouth and Mrs. George Jones of Farmington. The next meeting will be held at the home of Mrs. Ida Farrow of Seven Mile road.

## Essay Contest Plans Made For Air Mail Week

Postmaster Learned In Charge Of Arrangements

Postmaster Frank Learned announced this week the plans for Plymouth's participation in National Air Mail Week to be observed May 15-21 to mark the 20th anniversary of the establishment of the air mail in this country.

Postmaster Learned will be aided by a Chamber of Commerce committee of Harold Curtis, George Smith and Elton R. Eaton, in making local arrangements.

One feature of the national observance will be an essay contest open to high school students. The essays on "Wings Across America" must deal with the ideas, purposes and advantages of air transportation as it affects modern communication. The essay must not exceed 250 words and must be certified by the school principal as to the eligibility of the contestant. All entrants should mail their essays before midnight, May 1, addressed to State Chairman, National Air Mail Week Essay Contest, in care of Postmaster Learned.

The student winning first place in the state competition will receive a free airplane trip to Washington and return. The state winners will be guests at a banquet in Washington on May 15 when the nation-wide competition awards will be announced. The national winner will receive a free trip by air from his home to Miami, Florida and return with hotel accommodations and meals for five days.

The purpose of National Air Mail Week is to intensify the American people's consciousness of aviation and to educate the citizens in the use of air mail.

## D. A. R. Members To Hear Reports

The regular monthly meeting of the Sarah Ann Cochrane chapter, D.A.R., will be held at the home of Mrs. Charles Root, 9590 Ann Arbor road on Monday, April 25, with Mrs. Carman Root and Mrs. John Root as assistant hostesses.

### Youth Recreation Activities

(Contributed)  
Flash! "The Steppers" will play for the Youth Recreation dance Friday night.

Flash, Flash! Big amateur hour featured at both Friday and Saturday night dances in the recreation room of the city hall. Anyone interested come to the dance and participate in the fun. Admission will be ten cents, one dime.

Last week-end the recreation room was open on Saturday only, but the attendance was very good, this week the schedule will be for both Friday and Saturday. The afternoon game periods are open to all young people in Plymouth. Ping-pong, billiards and other games are scheduled. The program for this week is as follows:

Friday, 3:30-5:30, games for young people, 8:00-11:00 dancing.

## Club Member Leads Drive

Ex-Service Men of Plymouth and vicinity and especially those who served in the North Russia expedition will be interested to know that E. J. Vandenberg, a member of the Ex-Service Men's club of Plymouth and a past department commander of the Veterans of Foreign Wars and a member of the American Legion, is the reunion manager of the ninth biennial reunion of the Polar Bear association, to be held May 28, 29 and 30, in Detroit. Reunion headquarters are at 402 Francis Palms building, where R. J. Vandenberg can be reached daily.

Out of approximately 5000 members of the national organization are approximately 3500 residents of the state of Michigan. In this organization is the 339th Infantry, which is designated as Detroit's own, the 310th Engineers, 337 Medical Corps, a company of the Canadian artillery division, and it has always been considered one of the most unique units that ever served overseas in defense of the principles of the American republic. It is the desire and object of the reunion headquarters at this time that all Polar Bears in this community contact the headquarters, giving the names and addresses of other Polar Bears of their acquaintance who are not listed on their roster and receiving the association bulletins and other communications relative to the coming reunion.

Plans are under way for the erection of the Polar Bear association memorial home to be located in Detroit. Part of this home will be designated as a Polar Bear museum in which will be collected a great variety of souvenirs from North Russia, and any Polar Bear in the United States who wishes to contribute souvenirs to this museum is asked to communicate immediately with the officers of the Polar Bear association.

One special feature of this reunion is the memorial services to be held at the White Chapel memorial cemetery where is located the national Polar Bear memorial plat, to be held Sunday, May 29, instead of on Monday, which has been the custom in the past, due to the fact that it is believed this time will be more advantageous for Polar Bears residing outside of the Detroit area to participate in these services.

Saturday, 9:00-10:00, story hour for children, 8 to 10 years of age; 10:00-11:00 story hour for children, 5 to 7 years of age; 2:00-5:30 games; 8:00-11:00 dancing.

The youth recreation needs a ping pong table as our present one is borrowed. Anyone who has one and will donate it, please call at the city hall.

## Rev. Sutherland Resigns His Pastorate

Serious Illness Forces Him To Give Up Work

Plymouth residents will regret to learn that because of ill health, Rev. Loya Sutherland, for the past five years pastor of the First Baptist church, has found it necessary to present his resignation to the church. Rev. Sutherland recently returned from the University of Michigan hospital where he had been for several weeks for treatment. He is still confined to his bed, only being able to be up a few minutes each day. Attending physicians say it will be several months before he will be able to resume his church activities, and they are fearful that complete recovery will even require a longer period.

It is his desire to give up all responsibilities for the present so that he can completely regain his health, broken by too strenuous efforts in building up the Baptist church of this city, his friends say.

When he came to Plymouth from Battle Creek, the local church was struggling under a \$2800 mortgage, which has been entirely paid off during the past five years. Not only was the church debt paid, but many repairs and improvements were made about the building. The membership of the church has also grown during his pastorate.

His many friends about the city, who are not members of the church, will regret exceedingly that his continued illness has forced his retirement. Rev. and Mrs. Sutherland will remain in the parsonage until he is sufficiently recovered to be moved. Their plans for the future are somewhat indefinite.

The church pulpit will for the present be supplied by neighboring ministers.

Marie Thompson is spending her vacation with her parents in Morenci.

Bruce McAllister and Richard Verno entertained about 26 girls and boys at a dancing party and games, Wednesday evening in the barn of the former on the Northville road. The hosts had decorated the building attractively with balloons and crepe paper, adding to the pleasure of their guests. Refreshments completed a very happy occasion.

## Garden City Whips Plymouth High Nine

Plymouth's baseball team was thoroughly whipped by the invading Garden City nine in a pre-season game here Thursday, April 14. Through faulty fielding, poor pitching, and weak hitting, the Rocks came up on the wrong end of a 13-6 score. Garden City tallied all its runs before Plymouth could get started.

The visitors started the game off with a bang and gained five runs in the first inning. Hamilton Newman, pitching for Plymouth, hit the first man up in his first pitch, walked the next man, and filled the bases when the third batter beat out a grounder near the third base line on a fielder's choice. Roy, Garden City shortstop, topped the ball, and was safe at first when it was thrown to the wrong base. A second run was brought in when Lang walked. Dolan batted in another on a fielder's choice. Phizackie did the same thing. Five runs came in before Newman could retire the side. After a peaceful second inning, Garden City set off more fireworks in the third. Two hits and as many errors drove Newman from the box. Westfall, who succeeded him, was wild and was taken out after walking two men. Bob Hitt then entered the box and successfully held the opposition in check for the balance of the game. Garden City added two in the fourth to bring its total to 13 and end its scoring.

Plymouth finally broke into the scoring column in its half of the fourth frame. Wes Hoffman opened with a Texas League over second, and Krumm and Folsom singled in succession to fill the bases. Leach delivered a lousy double in the crisis, bringing in two runs and unnering Latro. Garden City's "dead-man" pitcher, who has plenty of stuff. After an error by his third baseman, he gave out two passes. Darnell, heavy-hitting third sacker, lined a double into left, bringing Plymouth's total for the inning to six runs. Latro now pulled himself together and persuaded Hoffman, who had started the rally, to hit into a double play and end the inning.

A box score disclosed that Plymouth made six runs, six hits, and five errors and Garden City 13 runs, seven hits, and three errors. Darnell led the hitting department with a double and single. Hoffman, Krumm, and Folsom each garnered a single, and Leach a two-bagger. Garden City's hits were evenly distributed no one getting more than one.

A very large crowd attended the game, and Garden City was well represented.

### GOINGS ON AROUND P.H.S.

Miss Gray and Miss Lundin attended a dinner and home economics teachers meeting at Belleville last Tuesday.

Shirley Mason, Evelyn Bower, Bob Kenyon, Paul Thoms, Elmer Kreger, Elaine Efert, Dorothy Roe, Rose Niedspal, Warren Todd, Bob Brown, Marvin Hauk, Veronica Marti, Carol Campbell, Ingrid Ericsson, Betty Knowles, George Bennett, Jennie Bassett, Bill Chapman, Franklin Coward and Ruth Roediger were each other's guests at a steak roast and scavenger hunt Tuesday night.

A surprise party was given Wednesday night for Patsy Kinahan. Patsy Mason, Carolyn Castle, Dorothy Water, Shirley Mason, Bernice Kinahan were her guests.

Marion, Franklin, and Dick Coward are spending their spring vacation in Plymouth.

Doris Van Arsdale, now Mrs. Harold Manns of Pontiac of the class of 1924, was a caller at the high school last Wednesday. She said this was the first time she had been in Plymouth since her graduation and that she got so homesick she had to return.

Mrs. Hearn, Miss Tyler, Miss Eastburn and Miss Gallimore are going to visit Berea college during spring vacation. The object of their trip is to see the pottery and handicraft articles made by the mountaineer children.

Agnes Kilham and a friend from Connecticut are planning a trip to Chicago and then to the upper peninsula stopping at Grand Marais for the remainder of spring vacation.

There are approximately 1200 species and sub-species of birds in the United States and Canada.

### TENNIS TEAM WINS FIRST LEAGUE MATCH

Tuesday, April 12 the Rock's tennis team passed its first jump in the race for the league championship which is the set goal for the season. So far this season the Rocks have won all three matches played to date. Trenton fell easy prey, 5-1.

Plymouth beat Dearborn, 4-1. No. 1 singles—Moe won over Hayes (6-1) (6-3). No. 2 singles—Smith won over Harris (6-1) (6-2). No. 3 singles McAllister lost to Walker (6-1) (6-0). No. 1 doubles Anderson and W. Norman won over Sprott and Reed (6-1) (6-1). No. 2 doubles J. McClain and R. Norman won over Hynett and Norberh (6-3) (6-2).

### PHYSICS CLASS VISITS ELOISE

(Omitted from last week)

The physics class, under the direction of Lewis Evans, visited the electrical therapy room of Eloise, Wednesday afternoon, April 6. This room is used mainly for lectures and demonstrations of static electricity. This equipment was formerly used for the treatment of mental patients, but it has been replaced by newer equipment; however, this is still used for demonstrations. The apparatus is under the supervision of S. M. Keenan who built most of it, much of it the first of its kind in this locality.

Demonstrations were given with the static electricity machine or induction machine, built in 1892; this produced an electrical wind, and students subjected to this harmless electrification were able to produce an electric spark when coming in contact with another student. Formerly Eloise mental patients were subjected to minor shocks from this machine, a method of treating certain mental disorders.

Mr. Keenan explained the principle of this static machine in detail; he also explained and demonstrated the condenser, a form of storing up electrical energy. The type of electricity created by these machines is not harmful because of its low current; it is known as high frequency electricity, having only a skin effect.

Mr. Keenan also explained other electrical equipment such as the tesla coil which produces a lightning effect. He also illustrated several types of electromagnets showing the repelling and attracting actions which could be produced.

### PLYMOUTH WINS FROM YPSILANTI TRACKERS

The first track meet was held with Ypsilanti on Wednesday, April 13 on Plymouth track. It was a very hard meet, but was finally won by Plymouth. The outstanding trackmen on the local team were Prough who took first place in the pole vault. McMullen took first place in the mile. Vanlandingham won the 440 yd. dash. Jolliffe won the 100 yard dash. Vanansburg jumped to first place in the high jump.

Ypsilanti fought hard and was a very worthy foe.

There are vast salt tracts in the Sahara desert. One of these tracts is 30 miles wide by 12 miles long, and 20,000 camel loads of salt are taken from it annually.

### CLASS NOTES

The spring style for the junior miss of 1938 is a gala of swing. Skirts are shorter, young, flowing, perky and graceful.

The Home Economics I girls are helping to make the costumes for the operetta and they are also mending and keeping in repair the baseball uniforms.

Two films were shown to the Home Economics group recently. One was on meats and the other was entitled "A Limited Wardrobe". The films included sound and they were operated by Mr. Bentley. The film on "A Limited Wardrobe" was concerned with the selection of dresses, reading labels, and caring for the clothes.

The local photography club, under the direction of Mr. Balden, met Tuesday night after school and took photos of the points of interest such as school, churches and others. The club will develop these the following week.

Violin teacher: "Now, Tom, place the violin between the lower border of your mandible and the prominence of your clavicle."

Tom: "Oh, shucks! I thought you put it under your chin."

### QUEER DOIN'S

It appears there was a very interesting scavenger hunt in these here parts not so long ago. We wonder how George Bennett likes raw oysters—are they good, George? It also appears that Ruth Roediger became rather confused as to directions—Evelyn Bower must have enjoyed herself extremely—considering who one of the party was—Vernice Marti seems to have developed a liking for the agricultural side of life—a farmer to you—oh, but well—Marvin Hauk isn't really a farmer—or is he?—Anyone having old discarded razor blades or knives—will he please see Johnny Cripe—it seems that the family has been having difficulty lately getting Johnny to shave—let your beard grow long enough Johnny and you can use it to tie your shoes up.—Bernard Lewis resents being called "Red"—because of course this name doesn't apply to him at all—or does it? So please don't offend the poor boy—Jim McClain thinks that the reason he gets so warm when he runs is the friction of the air molecules—Who are you after now, Jim?—Franklin and Marion Coward seemed to enjoy their visit last week—we were certainly glad to have them back—we're sure all you guys and gals think the same—and speaking of newcomers, did any of you notice we have Lois Rowe—back from Florida—again—glad to see you back, Lois—we have it on good authority that Dick Gilles loves to make some unsuspecting victim look down and then snap him on the nose—This is just a warning—if Dick should tell you your tie is undone or the button is off—be aware! Ah, the library, that place of budding romance seems to have brought forth another—we suggest to all you peoples that it might be wise to keep your eyes open fourth hour—don't forget, Jacky Schoof is in there fourth hour. All you guys had better be careful—Bob Beyer has a new nickname—"The Great Lover"—Only one word of caution before we leave you for another week—if you intend to go out roller-skating, be sure to take along plenty of pillows and a bike. Don't forget Christmas is only eight months away—do your Christmas shopping early and don't get caught in the last minute rush.

**QUEER DOIN'S**  
(Omitted from last week)

We are certainly glad to see all the death desk members of the physics class back and week, we had our doubts as to whether we would ever see 'em again—Why? Didn't you know Mr. Evans took them over to Eloise? "Professor" Evans remarked that all through the experiments the girls were much braver than the boys—Well, we will excuse you this time, boys. It seems that McClain had some difficulty on the way home. Of course, it was just an "accident" that the tire became flat at that precise place. Jennie Schwartz certainly is stubborn—so the rest of the physics class knows. How did all you guys and you gals like our last column?—especially the idea of our telling what we liked about various P.H.S.'ers. What, with all these spring sports coming up, you boys had better watch out; the gals have their eyes on "great big handsome brutes"—It rather looks as if Douglas Miller has a new heart-interest—Belva Barnes thinks a sick headache is a "hangover"—When asked how she knew, she replied that she read her bromo-seltzer ads—Bob Lorenz has accused Miss Allen of using "colloquialisms"—How about it, Miss Allen, did you really say you were "mad"?—Better watch out for these juniors—they certainly keep an eye on you. It seems we haven't heard much about "Romeo" Newman lately, but we would like to know how he keeps his car in such good running order at noon-time—We advise all shoppers who intend to go to Hudson's to be accompanied by their papas or mamas, especially if they are short, smiling, and very giggly; because two of our fair Plymouthites were taken to a station by a policeman who asked them all about everything from their ancestors to their brothers and sisters—We'll bet one question was, "Why aren't you girls in school?—Well, weren't you? Bob Brown, one of our illustrious juniors was very much surprised the other day to see so many of the physics class students back in school. Wait until he takes physics next year and goes to Eloise. Don't forget to keep your eyes open for that mysterious bug so frequently seen around at this time of year.

"I'm glad we've got a Telephone"

WORRY... grandmothers, mothers and wives are especially subject to it. But they have fewer causes for worry when there's a telephone in the house!

For the telephone can cheer an anxious heart and fill a day with happiness. It can send warning of a tardy arrival... make a last-minute change in plans. It protects in emergencies as nothing else can. It lightens housework... increases social pleasures... often saves carefare or traveling expense. It enables employers to reach you easily and without delay.

And the telephone does all this so economically that it pays its way in service rendered daily.

A communication was received from the Michigan Liquor Control Commission.

It was moved by Comm. Blunk and supported by Comm. Wilson that the communication be accepted and placed on file.

An amended resolution was presented concerning Natural Gas in this area. It was moved by Comm. Wilson and supported by Comm. Whipple that the following amended resolution be accepted:

WHEREAS, gas rates now prevalent in this community are excessively high in comparison with rates in effect in other and near-by communities thereby rendering the cost thereof prohibitive for heating and manufacturing purposes and is excessively costly to present domestic users, and

WHEREAS, it has come to the attention of this Commission that there are on file in the records of the Michigan Public Utilities Commission, statements of geologists and others to the effect that sufficient natural gas reserves exist in the state of Michigan to justify the extension of natural gas service to this section of the state; and,

WHEREAS, this Commission deems that the extension of natural gas service to this section of the state would result in reduced rates to gas users, as is evidenced by the rates now prevalent in those cities of Michigan now served with natural gas.

NOW THEREFORE BE IT RESOLVED, that the City of Plymouth join with other municipalities of this section of the State of Michigan in filing a petition with the Michigan Public Utilities Commission, requesting a review of the gas rates now in

effect in this area and for the extension of natural gas service from the Michigan gas fields to this section of the State.

Ayes: Mayor Hondorp, Commissioners Blunk, Robinson, Wilson and Whipple.  
Nays: None.

Mr. Low Price of the Consumers Power Company was present and requested that the City Commission adopt the present gas rates. It was moved by Comm. Whipple and supported by Comm. Wilson that the City Manager be instructed to prepare a resolution of acceptance of rates in accordance with the plan as outlined by the representative of the Consumers Power Company. Carried.

Mrs. Kenler was present and asked several questions concerning a water main on Caster street.

It was moved by Comm. Whipple and supported by Comm. Robinson that the City Manager and City Attorney draft rules for Parliamentary proceedings for the City Commission. These rules shall be based on Cushion's Manual and Mrs. Fox's Parliamentary Usage. Carried.

It was moved by Comm. Robinson and supported by Comm. Blunk that the meeting be adjourned. (Time of adjournment, 9:45 p.m.) Carried.

HENRY HONDORP, Mayor  
CLARENCE ELLIOTT, Clerk

## Committees For Achievement Day

The executive committee has made preliminary plans for the Wayne county home economics extension Achievement Day which is to be held Wednesday, May 11 at the Wayne County Training school auditorium at Northville.

The Achievement Day is an annual event which has taken place for the last 20 years in Wayne county. It is the climax of a full year of accomplishments for the rural home maker. In the early years the projects started out with the strictly home economics discussions—but today the home-maker has progressed somewhat to a more diversified program.

The projects studied this year are nutrition, home furnishing, clothing and tailoring, home nursing, parliamentary law, landscape gardening and reading groups. These projects will be described in another series of publicity for Achievement Day.

Following are the committees appointed by the executive committee to make detailed arrangements for the 555 women enrolled this year.

Arrangement committee: Mrs. Fred Hearn, Newburg, Mrs. Glenn Renwick, Plymouth.  
Program committee: Mrs. Walter Wilkie, Cherry Hill, Mrs. Walter Jarvis, Redford.  
Luncheon committee: Mrs. Emerson Ruttan, Northville, Mrs. Howard Atwood, Northville, Mrs. Cyril Frid, Northville.  
Exhibit committee: Clothing—Mrs. Joseph Bodary, New Boston; home furnishing, Mrs. Earl Brighton, Wyandotte; nutrition, Mrs. Russell Chown, Detroit; home nursing, Miss Georgina Reid, Wayne county school nurse.  
Hospitality committee: Mrs. George Harris, Romulus; Mrs. Frank Mach, Fletcher; Mrs. Frank Ballou, Walker; Mrs. Lee Jones, Brightmoor; Mrs. Sibert Bennett, Sumpter.

**Tay Bridge in Scotland Once Longest in World**

The first Tay bridge, over the estuary of the Tay river near Dundee, Scotland, was opened to traffic on September 25, 1877. With a length of two miles, it was at that time the longest railroad bridge in the world. The foundation stone was laid in July, 1871. The bridge consisted of 85 spans, varying from 67 to 245 feet in length. The widest ones, near the center of the bridge, had a height of 88 feet clear above high water.

The engineer was Sir Thomas Bouch, who was afterward blamed for the inherent defects which produced the disaster, relates a writer in the Detroit News. In a high gale on the night of December 28, 1879, the central spans were blown down while a train carrying about ninety passengers was crossing. There were no survivors. It was claimed that the allowance for wind pressure was very much less than was necessary for a bridge in that exposed location. A novel by A. J. Cronin, "Hatter's Castle," makes use of the incident of the disaster.

A new bridge was erected between 1883 and 1888, about twenty yards west of the site of its predecessor. It has 73 pairs of piers and the double line of rails is 92 feet above high water.

**O'Neill Monument**

The world-famous Bucky O'Neill monument by Solon H. Borghlum was unveiled in 1907 and stands on the Prescott plaza in Prescott, Ariz. The statue was erected by Arizona in honor of the first United States Volunteer cavalry, known in history as Roosevelt's Rough Riders, and in memory of Capt. William O'Neill and his comrades who died while serving in the war with Spain. O'Neill was recorded as the first volunteer recruited in the United States for service in the army when war was declared. Equestrian statues by Borghlum rest in the finest art centers of the world, and this is considered the finest equestrian statue in the world.

**Name Albert, Teutonic, Is Popular With Royalty**

"Nobly Bright" is the meaning of the Teutonic name Albert, originally Adalbrecht. St. Albert (or Adalbrecht) was a brother of King Alfred of England and traveled through Europe as a missionary, writes Florence A. Cowles in the Cleveland Plain Dealer.

Albert has long been a favorite with royalty. Five archdukes of Austria, two of whom became emperors, bore it. But it is principally connected with Albert of Saxe-Coburg-Gotha (1819-61), prince consort of Queen Victoria, who won a place in English hearts by promoting art and science.

King Albert I of Belgium (1875-1934), killed by a fall while mountain climbing, was the latest ruler to bear the name.

Other Alberts of history are: Cuyt (d. 1691), Dutch landscape and animal painter; Gallatin (d. 1849), financier, secretary of state, ambassador and author of works on ethnology and finance; Johnston (d. 1862), Confederate general in the Civil war; Harkness (d. 1907) founder of the American Philological society and author of Latin textbooks; Blaisdell (d. 1927), author and physician, and Santos Dumont (d. 1932), Brazilian aeronaut, designer of dirigible balloons.

**England's Most English Place**

Perhaps the village of Selbourne, in Hampshire, is entitled to the distinction of being the most English place in England. It is close to the road that takes the traveler from Alton down the Meon valley to the south coast. It has winding lanes in place of regular highways, and the scenery is overwhelmingly English. Here Gilbert White lived and wrote his history. Every year tens of thousands of his readers, from many countries, walk through the wood paths and hear the woodwrens singing in the beech trees.

**Temple of Diana**

The temple of the goddess, Diana, at Ephesus, Turkey, was completed in the Fifth century, B. C. There were many other temples just as large, but this was unexcelled in beauty. It had 122 marble columns and was filled with rare works of art. The temple was destroyed by the Goths in the year 262 A. D.

**Prize Sail Fish Catch Received**

When a good fisherman and a good sportsman tells you that he caught a big fish you can generally depend on it that he caught a big fish.

So when Russell Powell came back from Florida a few weeks ago and said he caught a sail fish exactly seven feet long, no one disputed him, because they knew if he said it, he caught it.

Proof of his catch arrived in Plymouth this week, a beautiful mounted seven-foot sail fish. For the present it adorns the walls of the Plymouth United Savings bank, where hundreds have admired it.

With him when he caught the fish was Harry Lush, William Pettigill and David Bolton. The four were fishing off the Florida coast down near Key West, some eighty miles or more below Miami.

It was just a matter of a few minutes as to luck in catching the fish. William Pettigill had been fishing when he handed the rod over to Russell and asked him to try his luck for a while.

It was less than ten minutes after Russell had taken the rod when his reel began spinning as though a flash of lightning was running away with his bait.

Almost immediately there appeared on top of the water a big sail fish, fighting with all the vengeance of his kind. Some good angling resulted in the fish being landed after a battle that had every thrill a fisherman could ask for.

While Russell was the only one of the party to catch a sail fish that day, all of the other members of the party had good luck and caught several good sized fish of other varieties.

**Boy Scout News**

Friday, April 10 at 8:00 p.m. was the scene of the first senior patrol to be started in Plymouth. This explorer patrol, the first of its kind in Plymouth, is an outgrowth of the Scout troop P-3.

The requirements of the patrol are: Fifteen years of age, and a first class Scout. Several minor requirements will have to be lived up to, but these are not agreed on yet. This patrol was started in an effort to give and keep boys in better fellowship with boys of their own age.

While a great deal of fun is expected to be gotten from this patrol, we must not forget the main goal of it: "Build Good Citizens", "Leadership", and "Fellowship".

At the first meeting 10 boys were present. While no definite plans were agreed upon several were presented and discussed. The last Friday of every month was agreed upon for the meeting of this patrol.

At the next meeting a name will be decided upon, also an insignia and by-laws. Plans will be laid for a definite program.

This patrol will try to be a goal for all Scouts who wish to go on with advanced Scouting.

All Scouts of over 15 years of age and first class rank may be admitted providing they will comply to the requirements of the patrol.

## IN MEMORIAM

In memory of Virginia May Munster, who passed away two years ago, April 25, 1936. We dare not mourn too much, nor try to fathom all the reasons why He plucked the bud and left the rose. But I am sure the master knows. Myra Brooks Welch, Daddy, mother and sister.

**CARD OF THANKS**  
Mr. Blake Fisher and daughter Dorothy wish to express their sincere thanks and appreciation for the many kind and thoughtful services offered them by relatives and friends in their recent bereavement.

**CARD OF THANKS**  
To all those who gave so freely of their love and sympathy during our late bereavement we wish to extend our sincere thanks. Mrs. Mae Tyler, Albert and Anna Stever, Mrs. Julia Spencer.

## UPHOLSTERING

I will re-upholster your two-piece living room suite, of a standard size, in any of a very large selection of covers for \$45.00. I re-tie all springs, replace springs that are broken or weak, re-web if necessary, check frame for weak places and repair, renew all cushion springs, varnish all wood parts. Guarantee the furniture as good as new. M. Alquist, 1736 Joy road, one mile south and half mile west of Mayflower hotel, Phone 7100F31. 2912c

## To Enforce Two-Hour Parking Limit Here

Plymouth police will open a campaign next week to enforce the two-hour limit on parking on the downtown business streets. The lines showing the space allotted for individual cars are being repainted this week and the warning signs checked. Police officers have been instructed to begin tagging cars next week for over parking or left over the parking line.

The Friendly bridge group was entertained at a dessert bridge Thursday, in the home of Mrs. Fred Ballen on Burroughs avenue. Mablecroft, with Mrs. Christine Van Poelen, Mrs. John A. Miller and Mrs. George Cramer as joint hostess.
