

Mix-Up Results In Postponement Of Opening Of Bids For Tonquish Work; Public Assessment Hearings Set

Items Found Missing In Drain Proposals

Opening of bids by private contractors on portions of the work to be done on the Tonquish Creek project was postponed Tuesday by George A. Dingman, county drain commissioner, after it was discovered that a full page of items in one proposal had been omitted from one or more of the bids submitted.

After some confusion when the issue appeared and failure by contractors and the drain commissioner and his staff to reach any immediate agreement on a policy, Mr. Dingman adjourned the meeting until 11 a. m. today (Friday) in his offices at the County Building, Detroit.

Mr. Dingman said that the problem of what to do about the bidding and letting of contracts would have to be submitted to an attorney for a decision on the legalities of the procedure.

Both the drain commissioner and the contractors agreed that it was the first time in their experience that such a question had arisen.

Opinion was divided among contractors as to what procedure should be followed. Some suggested that the missing page of items should be left out of all bids and awarded as extra work after contracts were let.

Others argued that if contractors, who presumably had made a careful study of costs and conditions, had failed to notice that the proposals jumped from Nos. 9 to 18 and left out parts of the work shown in the engineer's blueprints such contractors were responsible for negligence and should have their bids ruled irregular and thrown out.

A third set contended that the Drain Commission was at fault because the sheet was missing from some of the sets of proposals when they were sent from the engineer's office to the contractors.

Some contractors pointed out that the firms whose bids on the separate items had been read by the drain commissioner at the meeting were at a disadvantage if bids were to be resubmitted because their estimates already had been made public.

Others were of the opinion that this section of the bid was not an important part of the entire bid, as it could run only in the neighborhood of \$3,000 or \$4,000.

Disposition of the unusual problem was expected to be announced today after attorneys had examined the technicalities.

However, unless the entire program of re-advertising, re-submitting proposals to contractors and resubmitting bids is to be avoided, the matter must be settled today. Awarding of the contract for the work was scheduled for announcement today by Mr. Dingman.

He announced before the opening of the first bid Tuesday and the resultant confusion that the contractor winning the bid must have the Tonquish Creek work completed by February 1, according to contract.

Defenses Weak, Kiwanians Told

The United States as a nation is less prepared for war than any other important nation in the world, Plymouth Kiwanians were told Monday by Harry G. Parsons, past department commander of the Michigan Department of Veterans of Foreign Wars.

Any one of the four powerful nations of the world, he added, could destroy more persons in a single night air raid on either of our coasts than the United States lost in the entire World War.

"The trend in recent world-shaking events has been to admire the diplomats who cried, 'Peace at any cost,'" he pointed out. "But such a situation is a misnomer. The result is not peace, but war, either in the guise of hidden, guerrilla combat or maintenance of situations provocative of war."

"The only way to keep international peace, the veterans of foreign wars believe, is through preparedness. The United States locates a standing army of a million and a half, an air force and a navy larger by two-thirds than the present American corps and an increase in the standing army along the Mexican border.

Property Owners Warned To Check On Levies

Public hearings on assessments for the Tonquish Creek project will be held in the city commission chambers in the city hall for six days starting Monday, October 31, Drain Commissioner George A. Dingman announced Tuesday at the opening of bids for private contracting work on the project.

He said that he would be in the chambers from 11:00 a. m. until 4:00 p. m. daily on October 31, November 1, 2, 3, 4 and 7. There will be no hearings on Saturday or Sunday, November 5 and 6.

Property owners in the Plymouth area were advised by City Manager Clarence H. Elliott to investigate whether their property would be assessed for the work.

"The city of Plymouth has no control over the assessments which will be made on property in the district for the Tonquish project," he said. "Property owners should ascertain whether a levy will be made on their property at the public hearings scheduled by Mr. Dingman."

"The matter is entirely in the hands of the county, and if property owners have any complaint to make on the assessments levied on their holdings they should give voice to the matter at these hearings, as they will have no further opportunity for action."

Milk Fund Ball Proceeds To Aid School Children

\$145 Realized By P. T. A. Dance Friday

Enough money to provide Plymouth's underprivileged school children with daily milk for some time was obtained as a result of the Milk Fund Ball sponsored last Friday night by the Central Parent-Teachers association and assisted by the Starkweather association.

A good-sized throng filled the gayly decorated Masonic hall for the dance. Proceeds from the dance totaled \$177.55, of which \$145.80 was net profit. All of this latter sum will be used to buy milk during the fall and winter days for underprivileged children.

The money will be divided on a percentage basis between the Starkweather and Central schools, according to the number of tickets sold by the two groups.

Star salesman of the two groups combined was Mrs. Hugo Law, who turned in returns for 86 tickets.

Others who assisted greatly in the matter of promoting ticket sales were James Latture, in charge of the sales for the Central school, and Glenn Jewell, Regina Polley and Edward Ebert for the Starkweather group.

Mrs. Edwin Campbell, president of the Central organization, was general chairman for the affair. Mrs. Margaret Pierce, president of the Starkweather group, was in charge of that organization's part in the success of the ball.

Mrs. Campbell said that a number of organizations and individuals had helped the campaign fund greatly by their contributions.

Coming Tuesday Evening

GOV. FRANK MURPHY

LEO J. NOWICKI

RAYMOND W. STARR

Announcement was made late Thursday that plans are being formulated for a Democratic rally Tuesday evening at 7:30 o'clock at the high school auditorium, with Governor Frank Murphy, Lieutenant Governor Leo Nowicki and Attorney General Raymond Starr as the chief speakers. Candidates for county offices and Candidate Backus of Pontiac for congress will also be here.

While all arrangements had not been completed, it was stated that Mr. Murphy of Northville will probably be invited to act as chairman of the evening. The public is cordially invited to attend the meeting and hear the speakers discuss state and county issues. Edward Buckley of the state highway department is making the preliminary arrangements for the meeting.

Notice of the meeting came to The Mail just as it was going to press. Mr. Buckley was not able to provide additional information because of the incomplete arrangements.

Carol Singing Planned For Night Of Dec. 24

Arno Thompson, general chairman of the Christmas festival committee, has announced the selection of committees who will be in charge of the various phases of the project to provide a happy Christmas time for the unfortunate in Plymouth.

The executive committee will be composed of Mrs. George Chute, Mrs. Elton R. Eaton, Mrs. George Strassen, Mrs. O. F. Beyer, Floyd Eckles, Henry Fisher and Capt. Edwin Alder. The executive committee will meet November 8 to further plans for the festival.

Business Women Celebrate Club's Tenth Birthday

Hold Banquet; Hear Talk On Alaska Trip

The Business and Professional Women's club of Plymouth observed its tenth anniversary on Tuesday evening.

The club members and several guests enjoyed a delicious dinner served in the private dining room of the Mayflower hotel.

Two tall yellow tapers stood at each side of the yellow-frosted birthday cake. Small corsages of yellow and white chrysanthemums were placed at each plate.

Just before the club members and guests were seated Miss Hildur Carlson gave a tribute to the late Alice Safford who was instrumental in organizing the local club.

The after-dinner program was also in charge of Miss Carlson who introduced both speakers with a clever little rhyme.

Miss Elizabeth Sutherland, president of the club, recalled past birthday dinners. Interesting facts pertaining to the club's history were brought out.

Mrs. Nellie Bird then spoke on her recent trip to Alaska. All those present showed their interest in Mrs. Bird's talk by asking numerous questions at the conclusion. Alaskan pictures were passed around as well as a scrap book containing a variety of flowers which Mrs. Bird had gathered and pressed. Several expressed the hope that they might some day visit this beautiful and interesting country.

Registration Deadline Is Tomorrow

Last Chance To Assure Vote At Election

Residents of Plymouth have until 8:00 p. m. Saturday, October 29, to register for voting in the state and county elections to be held November 8. Clarence H. Elliott, city clerk, said this week.

He pointed out that although the registration deadline in Detroit expired October 19, citizens still can register here.

He will be in his office until 8:00 p. m. tomorrow (Saturday) for the purpose of accepting registrations. Only persons who never have voted or who have not voted in the last two years are required to register.

However, persons who have moved since they last voted are required to note this information for the purposes of the registration rolls.

Selection of an election board and designation of polling places are expected to be announced soon, Mr. Elliott said.

He added that he anticipated an increase in registrations over last year and over the number who registered for the primary September 13. The two registration periods probably will show an increase of about 100 voters over the number registered for the last election, he said.

Nine Are Fired At Institution

Nine employees of the Detroit House of Correction, including one resident of Plymouth, were dropped from the payroll this week in what was described as a combined economy and disciplinary action.

Over 100 Prizes Will Be Awarded To Youngsters For Costumes In Hallowe'en Parade Monday Night

Entertainment And Refreshments To Be Provided

More than 100 prizes will be offered to Plymouth youngsters in a gala Hallowe'en celebration, parade and entertainment and refreshment program to be held Monday night.

Everything that can be done to provide children with a good time and keep their minds on it rather than on destructive and annoying mischief has been arranged. The only co-operation still required is on the part of the weatherman.

Residents of the city have contributed in past weeks for the expenses of the children's entertainment by dropping coins and bills into boxes provided throughout the town for the purpose.

The program has been arranged as follows:

Boy Scouts and Girl Scouts in uniform will report at the city hall at 6:15 p. m. for instructions in their part in helping make the festival a success.

At 6:30 p. m. children of pre-school and kindergarten age and those in the first and second grades will meet at the city hall for a short program and the judging of costumes.

At 7:00 p. m. the parade of children of third-grade through high school ages will start at Liberty and Starkweather streets.

All paraders must be in line before the parade reaches Main street, as the judging of costumes will begin at the intersection of Main and Starkweather streets.

The younger parade will join the line of march as it passes the city hall.

The parade will break up at the Daisy parking lot, where prizes will be awarded and the program of entertainment will be provided.

A total of 104 prizes will be awarded. The committees in charge promise that there will be plenty of noise-makers for all youngsters. After the program refreshments—plenty of cats—will be offered to all the children.

All that the committees who have worked on the program and the residents who contributed to the finances of it request of youngsters is that they have a good time without soaping windows and entering into other mischief.

News Of The Local Townsend Club

Members of the Plymouth Townsend club Monday evening had as their speakers, S. G. Backus of Pontiac, Rev. O. P. Schleicher, president of the Townsend district advisory board, and W. A. Benton of Detroit.

On Friday evening, tonight, there will be a club mass meeting at the Highland Park high school. Local club members are expected to meet at Kelllogg park tonight at 6:45 o'clock so that transportation can be provided those who desire to attend.

On Saturday and Sunday club members are invited to Battle Creek to a statewide rally. U. S. A. Heggblom will be the speaker on Monday evening, October 31, at the Grange hall. Mr. Heggblom is the metropolitan district manager and is an excellent speaker.

NOT SO FUNNY ON SECOND THOUGHT

The police department reported this week that several complaints had been received that Plymouth youngsters were playing pranks dangerous to motorists and others.

Several boys who had been caught in the act of trying to frighten motorists were told that their acts might cause an accident and were asked if they knew about the plans that were being made to provide a free Hallowe'en party for the city's youngsters at the expense of local residents.

When they learned that they were annoying persons who probably were working or donating money so that the boys might have an entertaining time and refreshments Monday night, the youngsters admitted that they thought the prank wasn't so funny after all.

Miss Regina Polley and Miss Mary Kirkendall visited Miss Margaret Donovan in Cincinnati last week-end. They were accompanied by Mrs. Mildred Barnes, who was the guest of Miss Virginia Samsell of Cincinnati; and Miss Lucilia Meyers who visited her sister, Mrs. John Hendricks of Bowling Green, Ohio.

WALK HEARING SET

HUNTING IN CITY PUTS TWO ON PROBATION

Two Plymouth youths were placed on probation for three months to Police Chief Vaughan Smith after they pleaded guilty to charges of hunting within the city limits.

The pair was arrested last Friday and brought before Municipal Judge John S. Dayton, who placed them in custody for the three-month period.

Kansans Will Hold Reunion Saturday Night

Thirty Families Here Will Meet For Hallowe'en Party

Kansas will have its day and from all outward appearances it will be a big day in Plymouth Saturday night when more than 30 Kansas families will hold their first reunion here.

The affair will be staged in the joint residence of Mr. and Mrs. Loren Hopper and Mr. and Mrs. Gerald Hopper who reside on Roe street and the decorations and amusements for the evening will be formed around Hallowe'en.

In the early spring of 1936 a Dennis, Kansas family had a young girl working in their home whom they encouraged to correspond with a lad they were acquainted with in Plymouth.

The brief mail courtship soon blossomed into a wedding and the Plymouth boy went to Dennis and married the girl to whom he had written but had never seen. After the ceremony the two returned to Plymouth and brought her brother along.

Letters back and forth from this city to the little town of 200 residents in Kansas soon convinced others in that vicinity that this was the land of opportunity. Letters from here told of a big new factory that needed help and they encouraged others to move here. Conditions in Kansas were bad, Dennis on the southeastern edge of the dust bowl had more than half of its population working on the WPA. Residents there who are mostly farmers were unable to grow wheat or corn and the land of opportunity beckoned.

Plans Progress For Armistice Ball

Ex-service men of Plymouth will celebrate the twentieth anniversary of the signing of the declaration of peace after the World War with an Armistice Ball to be held November 11 in the Hotel Mayflower.

Harry L. Hunter, general chairman of the affair, this week announced selection of his committee. He will be assisted by Melvin Aiguire, William Vanderventer, Henry Norton and William Renner.

Mr. Renner will be in charge of a tableau which will commemorate the departure of some of the American soldiers while others lay on the battlefields of France. Special attention will be given to the tableau this year because of the twentieth anniversary of the armistice, members of the Ex-Service Men's club said.

Fitzgerald, Dondero, Brown To Be Speakers

Several County Candidates To Be On Program

Plymouth and Northville have united in plans for a big Republican banquet to be held at the Mayflower hotel in Plymouth at 6:30 next week Wednesday evening, November 2.

A special invitation has been issued to everyone to attend. The speakers will be former Governor Frank D. Fitzgerald, Vernon Brown, candidate for auditor general and one of the best posted men in Michigan on tax matters, Congressman George A. Dondero from this district, A. Capizzi, candidate for prosecuting attorney, Emil Colombo, candidate for county clerk and Fred Raymond, candidate for sheriff, and Ervin Palmer for probate judge.

The main addresses will be delivered by the former governor and Congressman Dondero.

Manager Clair Maun of the Mayflower states that he will make the same arrangements as two years ago when something like 350 people were seated on the main floor of the hotel for a banquet given that time in honor of Governor Fitzgerald.

There will be a loud speaker system installed so every one can plainly hear all that will be said. Manager Maun states that he will serve one of those good, wholesome meals that the Mayflower has become famous for and that he will hold the price of the banquet tickets down to 75 cents. The committee wishes it clearly understood, however, that everyone is welcome to come and hear the addresses free of charge if they do not care to attend the banquet. The program will start about 8:00 o'clock. Dr. Lynwood Snow of Northville will preside at the banquet and introduce the speakers.

In view of the fact that the banquet comes during the final week of the campaign previous to election, the addresses to be given here will doubtless be some of the most important given during the entire campaign.

Mr. Fitzgerald will discuss state issues, Congressman Dondero will review congressional problems and the three county candidates will briefly discuss local issues.

The executive committee has requested that it be made clear that women are especially invited.

The Northville committee on arrangements and tickets is composed of Dr. Lynwood Snow, president of the Young Men's Republican club of that place who is also executive committee chairman of the Republican county committee for this part of Wayne county, W. A. Ely, Mrs. Jean Cole, Orla Owens and Elmer Smith.

The Livonia township committee is composed of Jesse Ziegler as chairman, Jack Whitehead, Charles Schaefer and Harry Wolfe. Canton has John Haggerty and Mr. Nisley.

The Plymouth committee is made up of Fred D. Schrader, Charles Rathburn, George A. Smith, Clare Maßen and Elton R. Eaton.

Tickets are on sale at the Mayflower hotel, Beyer's drug store, The Plymouth Mail office, Lisle Alexander at the Plymouth United Savings bank, Jack Taylor at the First National bank, or they may be secured from any member of the various committees. It is known that there is going to be a good demand for the tickets, so it is advisable to make the purchase as early as possible.

Dave Galin Celebrates

(Continued from Page One)
 And Mr. Galin is still "the business."
 "Price alone," he says, "is no bargain. I am the owner, buyer, supervisor, manager and one of the clerks. Therefore, I know that first consideration is quality. I buy the best and offer it to my customers as reasonably as quality foods can be sold."
 A year and a half ago he pur-

chased and remodeled the present building next to the theatre he started an elaboration of the service which has built up the business. He installed groceries, fruits and vegetables, constructed a smokehouse in the building and started delivery accommodations.

A full-time sausage maker is employed now, and the store's hams and bacon are smoked in the building. In addition, the smokehouse has provision of convenience to farmers who bring in their own hams and bacon and have them smoked for a small cost.

Mr. Galin has enjoyed a wholesale as well as a retail business. He serves several restaurants and institutions and two of his biggest accounts have been held since they were started 10 years ago.

Mr. Galin has devoted himself entirely to the Plymouth business and he isn't sorry that he forgot his picnic steaks over a decade ago.

As a matter of fact, he's so happy about it that he is advertising many birthday specials which he feels will be of more than usual interest to residents of the community.

And he isn't forgetting that the kiddies of today are the customers of tomorrow, so he is offering pumpkins free to children. Details of the offer will be found in his advertisement in this issue of The Mail.

Former Judge Seeks Old Post

ERVIN R. PALMER

With a record of having prepared and drafted more probate orders than any other man in Michigan, Ervin R. Palmer, former judge of probate, and now a candidate for that office on the Republican ticket at the forthcoming election is one of the best informed attorneys in probate law in Wayne county.

Starting as a clerk in the probate court, Judge Palmer worked his way up through every position in the probate office, and his advancement culminated only when he was appointed to the probate bench in 1929.

Judge Palmer was re-elected to the office the following term. During the time he was on the bench the probate court enjoyed a wide reputation for business efficiency. Since 1932 he has been the senior partner in the law firm of Palmer, Aldrich & McMath.

In recognition of his services to the Wayne county probate court and to his profession he was awarded the honorary degree of "Juris Doctor" by Detroit College of Law in 1937.

In the non partisan poll conducted recently by the attorneys of Wayne county, Judge Palmer was one of the two outstanding winners. This was not the first time, however, that he had received splendid recognition from the lawyers of Wayne county as he had been selected as top choice out of many candidates in both the 1934 and 1936 bar primaries.

The Civic League also gave Judge Palmer endorsement as a preferred candidate for probate judge in its pre-primary issue of The Searchlight.

Judge Palmer was born in Detroit, and was educated in the Detroit public schools. He served overseas during the World War. He is married and has two children.

MY FLAG

First Flags
 Of course the first flags of the settlements were those of the nations whence they had come. Later all the 13 colonies came under the flag of England. Gradually the colonies felt the need for a new flag of "their own."

When the British troops were besieged in Boston in 1775 (two years after the tea party) the need for a flag led to the appointment of a committee to plan a flag. Benjamin Franklin was chairman. They recommended a flag of 13 stripes of alternate red and white with a union composed of the crosses of St. George and St. Andrew—still English by that emblem. On January 2, 1776 this grand Union flag was first flown over Washington headquarters before Boston.

About this same time, Boston had floating batteries in the harbor and the six "Washington" cruisers were on the high seas—they flew from their masts the pine tree flag. The Declaration of Independence, of course, settled the fate of the "Union" flag. The Continental Navy, therefore, used the Rattlesnake Ensign, showing a rattlesnake with 13 rattles on the face of the stripes. Most vital in-

terest, however, centers in our "OLD GEORY."
The Beginning of Our First Flag of The United States
 Washington was in Philadelphia at the request of congress from May 22 to June 5, 1776. According to the Betsy Ross traditions, Washington actually penciled the design after she had suggested the five pointed star. This was her first flag, but for the next half century her little upholstery shop at 239 Arch street produced and sold flags.
 Many historians say the date of the battle in which America first took part was at Brandywine in September 1777. Other historians say it was at Fort Mifflin (Schuyler) August 3, 1777. A Frenchman fired the first salute on February 14, 1778, in honor of Captain Paul Jones, as his Ranger entered the harbor of Quiberon, France.
 Since then this flag has been carried around the world by ship and by airplane as the flag of a

people who wish to be just.

Western Union Shortens Hours

The far-reaching effects of the Fair Labor Standards Act were brought home to telegraph users October 24, the effective date of the act, when the local Western Union office was forced to shorten its working hours," William Hester, manager of the office, announced this week.

"The requirements of the act impose a burden which the telegraph company is unable to meet," said Mr. Hester, "and while it is the traditional desire of my company to serve the public when it wants to be served, we have no alternative under present business conditions but to shorten the hours."

"We have, however, arranged our open hours to give the maximum service to our customers. The office is open at 8:15 a.m., closed from noon to 1:15 p.m. and closed for the day at 6:00 p.m. As an indication of the company's attitude towards its employees, Mr. Hester said, "I will work fewer hours but my weekly pay envelope will not contain any less."

Plans Progress For Armistice Ball

(Continued From Page One) The wearing apparel and are unable to buy.

Another feature of the dance will be an observance in memory of those who died in the war. At 11:00 p.m. there will be two minutes of silence in respect for America's war dead.

Members of the Ex-Service Men's club also stressed the fact this week that the drive to provide underprivileged school children is still under way and that although a large amount of clothing has been collected from Plymouth residents for school children still more is needed.

They ask that every resident give a moment of consideration to the fact that in giving cast-off clothing to the club they can provide a little girl or boy with many days of happiness and an opportunity to attend school in healthy comfort because of warm, dry clothing and shoes.

A house-to-house canvass to collect clothing, shoes and other materials will be made in the near future, the members said, urging that residents collect their old clothing and either call up Commander Mumby and have it collected now or put it aside until the canvass is made.

Big Field Crops But Poor Fruit Crop Reported In Michigan

With the harvest season rapidly drawing to a close, reports from Michigan farmers on October 1 confirm previous indications that 1938 is a year of abundant field crops and a poor fruit year. The composite index of production of 11 leading field crops as of October 1, 1938, is 87.3, compared with 82.5 a year ago, and the highest for any October during the 10 years for which records are available. The composite index of five fruit crops is 37.8 compared with 84.6 a year ago. The combined index of the crops stands at 81.0, exceeded only twice in the past 10 years (82.8 in 1937 and 82.4 in 1935). September was favorable for the maturing of the late crops. Killing frosts did not occur until the first week of October. A rainy period extending from September 11 to 20, stayed up the harvesting of beans, and some other crops. With favorable

weather since then, the harvesting of all crops has progressed faster than usual. By the end of September sugar beets were moving to the factories in heavy volume. Fall seeding started earlier than usual and is being completed earlier. Pastures were in better than usual condition on October 1 and farmers have not needed to draw extensively on stored feed. Milk and egg production continued at relatively high levels.

For the United States as a whole crops are turning out about as expected and good yields of nearly all crops now appear assured. While crop yields per acre will average about eight

per cent below those secured last year they are expected to be above those of any other season since 1920, and 8.6 per cent above the 1923-32, or pre-drought, average.

Xmas Committees Announced

(Continued From Page One) The toy committee will work with Mr. Fisher. The committee men are Mrs. Stuart Dubee, chairman, Mrs. Ivan Cash, Mrs. Carl Martin, Ferris Mathias, Mrs. Arthur Blunk and Cass Hough.

In addition there is a filing committee which is composed of Mrs. Strasen, Clarence H. Elliott, Vaughan Smith and Lee Sackett. A delivery committee will be appointed later. The work has been plotted out for the committees by Mr. Thompson so that the festival will operate smoothly and "make it impossible for any in need to spend an unhappy Christmas or any child to ask why Santa did not come down the chimney."

A feature of the festival will be outdoor carol singing on Christmas eve. The committee will gather a group of singers from the various churches and organizations, obtain a suitable outdoor location, lighting and loud speaker unit. The time of the performance will be announced later.

In an effort to correlate the work so that no one will be overlooked and the correct types of food, clothing and gifts will go to the right homes, a filing system has been set up.

Under this plan the filing committee will make up a list of families, children and aged persons who should be assisted at Christmas, telling, if possible, what is most needed by each and the ages of children and elderly persons.

From this list cards will be made out and transmitted to the various committees. After all those on the cards are provided for, the cards will be returned to the packing committee for guidance.

When the various committees receive the cards they will arrange to buy or have donated the type of food, clothing or toys most suitable for a gift to the family or individual.

Baskets, packages and bundles will be delivered on the afternoon and evening of December 24.

The finance committee will work in direct contact with James Gallimore, chairman of the Goodfellows' newspaper sale which will raise funds for the Christmas festival. In case insufficient funds are obtained by this method, the committee will devise ways and means of raising the necessary funds to pay all expenses of the festival.

IMMUNIZE AGAINST INFANT DISEASES

(By O. F. Beyer, of Beyer Drugs)

There is no longer any need for children to suffer the plagues that lie in wait for infants and young children. Immunization against smallpox, diphtheria, eye, scarlet fever, is possible in this enlightened age.

Vaccination and immunization can begin at a very tender age—the reaction for a baby is slight compared to that of an adult. The protection saves thousands of children, whereas in other days they would have been sacrificed to the scourges of infancy.

The matters of physical care, diet and schedules should also be referred to the family doctor.

Supplies for the care of baby as well as all prescribed medication should be purchased from a druggist of proved ability and reputation.

State Budget Report Just 'Bunk' Says Senator

McCallum Points Out Deceptions In Statement

"Michigan's state legislature will face a deficit of between 50 and 60 million dollars when they meet in January, despite Budget Director Harold D. Smith's statement that it amounts to but \$8,378,897," declares Senator George P. McCallum of Ann Arbor, a member of the state senate committee on taxation. He probably knows more about state finances than Budget Director Smith and

his whole staff combined. McCallum's statement came as a result of Budget Director Smith's report Tuesday making public alleged details of what he said was the "first complete statement of the state budget in Michigan history." According to Smith the state government incurred an over-all deficit in the year ending June 30, 1938, of \$8,387,897.55. Smith, in his statement, recalled that Senator McCallum had predicted before the senate at the recent special session that the state's deficit would approach \$60,000,000 by the end of Murphy's administration and that it probably already is more than \$30,000,000.

In answer Senator McCallum insists the report is purely a bookkeeping one, and leaves out many facts of the case. Governor Murphy, says Senator McCallum, admitted an \$8,831,850 deficit in his speech at the special session of the senate. "In reaching that deficit he spent \$8,180,750 not anticipated in the budget for that year and no such sum will be available for the current fiscal year as this is made up of non-recurring items."

"During the year the Couzens estate paid to the state five million dollars in inheritance taxes which should have gone in the primary school fund," the senator said. "Instead, Smith placed the money in the general fund, and it will have to be removed to meet school finances. This makes the deficit in excess of \$13,000,000."

"Besides," said Senator McCallum, "the liquor commission had tucked away for a rainy day, illegal though it was, \$3,000,000. When the budget director discovered this he compelled the commission to deposit that sum in the general fund and Mr. Murphy spent it all. The liquor commission reduced its inventory by \$3,000,000. That also went into the general fund and Mr. Murphy spent it all."

"In making up the budget for the year ending June 30, 1938, the state's share of delinquent taxes was estimated at \$1,500,000. Actual collections were \$3,180,750, so Governor Murphy had this excess of \$2,180,750 and he spent it all. Not a cent from any of these items will be contributed during the coming year."

"The Governor spent every dollar of this money in addition to the \$8,000,000 and over which he admits. In other words but for this unexpected revenue his deficit, according to his own statement, would be that much larger or \$22,012,600. Nor is that all."

"The legislature appropriated

\$3,300,000 for each year of the biennium for hospital constructions. He spent that for other purposes, mostly payrolls, but he has promised that sum this year to match federal funds in the building up of our hospitals. If he keeps that promise the money must come from some other funds, but there are no excess funds available. The budget is now in the red. So we must add this \$3,300,000 for each year or a total of \$6,600,000 added to the \$22,012,600 which makes a tidy deficit of \$33,612,600 instead of \$8,831,850 mentioned in the Governor's message to the special session.

To that the special session at the demand of the Governor added \$10,000,000 more. This total of \$38,612,600 is at the rate of \$2,800,000 per month or a total for the two years of Governor Murphy's administration of \$87,225,200. That this average will continue is indicated by the fact that at the end of August the deficit for the two months of this year was \$6,093,563 or at the rate of \$3,000,000 per month.

"Add this monthly \$2,000,000, which will total \$18,000,000, to the above \$38,612,600 and it shows a deficit in excess of \$56,612,600 which will be facing the legislature in January."

Senator McCallum also stressed that Senator Prentiss M. Brown went to Washington at the request of the Governor to secure from Mr. Hopkins, if possible, \$3,000,000 for direct relief in the state of Michigan. "Senator Brown announced and Governor Murphy also announced that if the \$3,000,000 were secured no special session of the legislature would be necessary. This was done just the week before the legislature convened. In his message the Governor demanded the passage of laws permitting a further appropriation of \$10,000,000 and expressly said in his message that no taxes would be recommended to meet this appropriation and that the subject of taxes would not be submitted to the special session."

"Why then," asks McCallum, "if \$3,000,000 is all that were necessary a week before the session, did he demand an appropriation of \$10,000,000 a week later and announce that he would make no provision to provide the revenue?"

Kansans Will Hold Reunion

(Continued from Page One) came to Plymouth. The influx of Kansas families continued until late last year when there was nearly one hundred of them residing here.

For the most part they have remained. Some have returned and some started back home and located along the way but the greater majority still make their homes in Plymouth and all agree that they are better off in this section than they have ever been before. All agree that the Michigan climate is far superior to that which they have been accustomed and that this is a far better place to live.

At the present time there is only one family on the WPA the majority of them being employed at the Plymouth Felt Products plant and a few others scattered throughout this area on farms.

It will be a big night for Kansans at the Hopper residence and below is a list of the guests who will participate in the affair: Mrs. Elma Frerichs; Mr. and Mrs. Horace Sperry, Elton, Keith, Joyce and Jerry; Mr. and Mrs. Ed Wall, Jack and Shirley; Mr. and Mrs. Robert Beath; Mr. and Mrs. Francis Wall and son; Dale Johnson; Mr. and Mrs. Ray Thompson, Kathleen, Marlin, James and Donald Lee; Mr. and Mrs. Arthur Woodmann, Harold, Dwight, Dorothy, Mr. and Mrs. Joe Skaggs, William and Joan.

Mr. and Mrs. Leonard Davidson and daughter; Mr. and Mrs. Loren Hopper, Delores, Helen, Harold; Mr. and Mrs. Gerald Hopper, Reva, Melvin, Ruth and Marvin; Mrs. Calie March; Ray March; Wilbur March; Andrew Banta; Mr. and Mrs. Forest Olson; Mr. and Mrs. Ray Tarvin and children; Mr. and Mrs. Cleo Foreman and son; Clinton Foreman and son; Alvin Foreman; Mr. and Mrs. Karl Hornbuck, Daisy, Edgar and Wayne; Lloyd Carson, Miss Eunice Carson.

Plymouth Vicinity

Mrs. Sealey of Pontiac, and Miss Kit Campbell from Ann Arbor spent Sunday at the Willard Geers.

Mrs. Lewis Root was brought home from the University hospital Tuesday afternoon.

Clarabelle Williams is a new pupil in the Kenyon school, while her mother is here caring for her grandmother, Mrs. Lewis Root.

Mr. and Mrs. Frank Truesdell visited the former's brother and sister-in-law, Mr. and Mrs. Roy Truesdell at Kalamazoo last Saturday and Sunday.

The H. C. Root, helped Frank Pitman in Ann Arbor celebrate his 48th birthday Saturday evening.

The October News Letter issued by Mrs. Edna Downer, teacher in the Kenyon school, announces there will be no school Thursday and Friday of this week, thus permitting the teacher to attend the county institute at Dearborn Thursday and the national convention of the M.E.A. at Detroit Friday. For the first time in several years, the letter reports, Kenyon school has won the capital banner.

City Commission Washes Hands Of Bingo Issue

Leaves Problem In Lap Of Clubs And The State

City commissioners in a special meeting Monday night considered the tricky problem of whether to condemn or approve operation of bingo, keno, craps and similar gambling games by organizations within the city.

The problem has been laid in the laps of the commissioners several times and usually has languished on the table. Mixed sentiment on the part of the various commissioners has barred the way to agreement on a policy on the matter.

However, neatly sidestepping the issue and leaving it to the consciences of the sponsoring organizations and the legal determination of state officers, the commissioners unanimously agreed on a statement concerning disposition of the problem.

"The commission unanimously feels," reads a statement read out by the commission for guidance of organizations which may wish to sponsor the popular gambling games, "that it is the responsibility of the various clubs and organizations to hold bingo, keno, craps, and other entertainments in conformity with state laws and regulations."

There is no city ordinance governing the games.

The Early Bird Gets The Christmas Shoppers

C. G. Draper, Plymouth jeweler and optometrist, had a gem of an idea last week. He remembered Santa Claus is considered a diamond in the rough because the jolly old gentleman shows up only once a year, but everybody knows that he works all year so he can load up plenty of presents for the whole family on Christmas eve.

The old gentleman's got something there, Draper muscled. And Plymouth residents are just as smart if they only are reminded in plenty of time that they've got a lot of Christmas shopping to do in the next 10 weeks or so. They might as well do it in my shop so—

So he placed an advertisement in The Plymouth Mail as the best way of reaching everybody within shopping distance of Draper's Jewelry and Gift store. The ad was headed, "Christmas Notice." It was the first Christmas ad to be placed in The Mail this season. But other advertisers will follow suit quickly. Metropolitan stores have been reaching men and more each year that it's smart business to prepare early for Christmas shoppers.

The exquisite wedding dress of heavy corded silk, yellowed in the 50 years, was taken from its wrappings and worn by Mrs. Merriam at the celebration. Miss Edith Lane, who was Mrs. Merriam's bridesmaid was present for the celebration. Mr. and Mrs. Merriam have lived in LaGrange, Illinois the past 43 years.

Dorothy Wilson And Edwin Carlson Wed

Saturday evening, October 22, 1938, at the home of Mrs. Maud and Hal Wilson on West Ann Arbor Trail, Dorothy Wilson, of Garden City, and Edwin Carlson, of Dearborn, were united in marriage. Miss Wilson's father, as a justice, performed the ceremony. The bride was charming in white organdy, and was attended by her sister, Mrs. Betty Rafferty, and Miss Margaret Carlson, sister of the groom.

After the ceremony a delicious luncheon was served by Mrs. Wilson, being assisted by the bride's mother, Mrs. Isabel Burkholder.

The bride and groom left Sunday on a motor trip to northern Minnesota to visit the family of the groom. In a few weeks they will return and reside in Dearborn.

Starkweather P. T. A.

The Starkweather P. T. A. held its first meeting Tuesday, October 25, in the Starkweather auditorium.

Mrs. Roxie Firth of the University of Michigan spoke on "How Do They Get That Way?" She brought out the fact that many of the suicides, cases of insanity, crimes, and delinquents date back to early childhood emotions. The home has long looked after the physical side, the church the spiritual side, the school the educational side, but until recent years, little or nothing was done to overcome the emotional weaknesses. All emotions such as timidity, fear, self pity, and introversion should be checked in early childhood before they become a habit, thus avoiding calamities in later life.

Locals

Mrs. Casler Stevens of Detroit spent the week-end with relatives and friends here.

William Moldenhauer of Detroit was a guest of Mr. and Mrs. H. C. Segnitz last Sunday.

Mrs. G. A. Van Epps of Ferndale is at the Mayflower hotel for the winter.

Mrs. E. B. French spent a few days last week in New Brunswick, New Jersey.

Dinner guests of Mrs. C. O. Dickerson last Friday night were Mr. and Mrs. Walter Castor of Detroit and Miss Nan Howard of Pasadena, California.

Mr. and Mrs. Thomas Coughlin of Daytona Beach, Florida, are visiting her sister, Mrs. Elizabeth French on Cranston road in Rosedale Gardens.

Over 100 men attended the men's gathering at the Presbyterian church last Wednesday evening. A well planned program consisting of moving pictures and games was more than enjoyed by the guests.

Phyllis Reddeman of Ann Arbor and Edwin Gult of Saline were guests, Sunday, of Mr. and Mrs. Henry Reddeman. They attended the Penniman Allen theatre and enjoyed lunch afterward in the Reddeman home on Blunk avenue.

Mrs. Kermit Smith attended the first meeting of the year of her sorority Phi Sigma Pi, Monday evening in the home of Katherine Brown, in Birmingham. She remained the night with her parents, Mr. and Mrs. F. W. Guest, returning home Tuesday.

Velda Rorabacher and Irene Neidospal entertained 12 guests at a Halloween party Thursday evening at the home of the former on South Main street. Games were played in the garage which was decorated for the occasion in Halloween style. A delicious supper was served in the evening.

Mr. and Mrs. Theodore H. Merriam, aunt and uncle of Mr. and Mrs. Robyn Merriam of Coventry Gardens and known to Plymouth residents, celebrated their 50th wedding anniversary last Monday night at their home in LaGrange, Illinois. The exquisite wedding dress of heavy corded silk, yellowed in the 50 years, was taken from its wrappings and worn by Mrs. Merriam at the celebration. Miss Edith Lane, who was Mrs. Merriam's bridesmaid was present for the celebration. Mr. and Mrs. Merriam have lived in LaGrange, Illinois the past 43 years.

Amendments On The Ballot

There will be submitted to the electors at the general election to be held on Tuesday, November 8, 1938, three proposed amendments to the constitution of this state and a referendum on Act 257, Public Acts of 1937, which is an act to provide for the transfer of the administration of certain existing state public welfare and relief matters, services and duties to the state department of public assistance, created by Act 257, and to abolish the various state departments, boards, commissions and offices so transferred.

Amendment No. 1, if adopted, will amend the constitution so as to provide for four year terms of offices for county clerks, prosecuting attorneys, sheriffs, register of deeds and treasurers of counties. It also provides that the board of supervisors in any county may unite the offices of the county clerk and register of deeds in one office or separate the same at pleasure.

Amendment No. 2, if adopted, will amend the constitution, so as to provide for the non-partisan nomination and appointment of supreme court justices for eight-year terms.

Amendment No. 3, if adopted, will amend the constitution, to require that gasoline and motor vehicle license plate taxes collected from motorists be used for highways, roads and streets. The provision of this Act shall not apply to the general sales tax; the use of tax fees and taxes collected under the auto theft; and operators and chauffeurs license laws, which are used for regulating purposes.

Leon D. Case, secretary of state, urges every one to vote his or her opinion on the amendments and referendum. He states, that one vote may mean the success or failure of any issue, as in the fifth district, both candidates for congress on the primary election ticket received a tie vote of 453; one vote either way would have been decision.

All the churches are cordially invited to attend our special services this Sunday.

THE CHURCH OF CHRIST Sunday school will meet at 10:00 a.m. over Beyer's drug store.

FIRST PRESBYTERIAN church.—Walter Nichol, pastor. 10:00 a.m. Sunday school; 11:00 a.m. church worship; 6:30 p.m., young people. Sunday, October 30 is being observed by Presbyterians all over the country as Christian Education Sunday. Special speakers will occupy pulpits in many churches. This church is most fortunate in having as speaker, widely known Professor Maurer of the University of Michigan. The young people of the parish last Sunday, spent an evening in Japan. An interesting display of Japanese articles and an address by C. H. Bennett made it a very realistic and instructive meeting. This week George Kenyon has charge of the meeting. An effective worship service and presentation of Bibles illustrating different languages and editions will feature this meeting. 6:30 p.m. is the hour. The Mission Study class held a successful 12th anniversary meeting Tuesday evening last. Mrs. J. J. Dunbar and past teachers and officers of the class told of its beginnings and its progress. Thirty four shared in this meeting. A group of women interested in the study and review of the book on "Moving Millions" will meet at the church Wednesday, November 2, at 10:00 a.m. Bring some lunch. Coffee will be provided. The day will be spent under the leadership of a committee of six women who are preparing to lead the group. All interested are welcome. The annual bazaar and dinner will be held Wednesday, November 16 in the church hall. The fourth annual school of religion is under way. Classes in four courses will begin Monday evening, next, at the Methodist church, Plymouth, at 7:30 p.m. Already there is a fine enrollment. Many more are expected when the classes begin.

SEVENTH DAY ADVENTIST church. Our Sabbath school services begin at 2:00 p.m. every Saturday afternoon. They are held in the Jewell & Blaich building on the Ann Arbor Trail. The preaching service begins at 3:15 p.m. Prayer meetings are held every Tuesday evening at 7:30, in the Jewell and Blaich building. Young People's Missionary volunteer meetings are held every Friday evening at the home of Mrs. Heller, corner Main and Brush streets.

THE SALVATION ARMY announces its schedule of meetings to be held in its citadel at 281 Union street for the week. Captain E. Alder and Lieut. L. Gould are in charge. Sunday, 10:00; holiness meeting, 11:15; young people's meeting, 6:15; outdoor meeting, 7:30; evangelistic service, 8:00; Tuesday, Y. P. band lesson, 7:30; Wednesday, preparation class, 7:15; senior and junior, 9:15; Thursday, ladies' home league, 2:00; corps cadets training class, 4:00; Girl Guards parade, 7:00. You are cordially invited to attend these meetings and are promised an enthusiastic and glad welcome! The social value in any man's life depends upon spiritual quality; not on what he possesses, not upon what he knows but upon what he is in the spirit of his life.

CALVARY BAPTIST CHURCH.—Holbrook and Harding, Lynn B. Stout, pastor. Society is crowded with what is known as "yes men." That is, people who speak, act, and live as they do because of the demands of public opinion. Few can stand the jeers of the masses, especially when it comes to an uncompromising testimony for the Lord Jesus Christ. Sermon subject for the 10:00 o'clock service next Sunday will be: "Fear of the crowd—Its Curse and Cure." Read John 9:20-22. The Bible school meets at 11:15 a.m. B.Y.P.U., 6:30 p.m. The second message of the "Second Coming of Christ" at 7:30 p.m. Subject: "The Kidnapping of the Church." Prayer meeting every Wednesday night at 7:30 p.m. Look out; here it comes! Bullseye No. 9: Some churches are so cold that even the devil has been "frozen out."

CATHOLIC CHURCH—Rev. F. C. Lefevre. Sundays—Mass at 8:00, 10:00 and 11:30. Confessions Saturday nights at 7:30, and before each mass. Societies: The Holy Name Society for all men and young men. Communion the second Sunday of the month. The Ladies' Altar Society receives Holy Communion the third Sunday of each month. All the ladies of the parish are to belong to this society. Children's Sunday—Every child of the parish should go to communion every fourth Sunday of the month. Instructions in religion conducted each Saturday morning at 10:00 by the Felician Sisters. All children that have not completed their 8th grade are obliged to attend these religious instructions.

ST. PETER'S EV. LUTHERAN church. Edgar Hoenecke, pastor. Sunday school 9:30 Morning service 10:30

FIRST CHURCH OF CHRIST Science Sunday morning service, 10:30. Sunday school at 10:30. Pupils received up to the age of 20 years. Wednesday evening testimony service, 8:00. "Everlasting Punishment" will be the subject of the lesson-sermon in all Christian Science churches throughout the world on Sunday, October 30. The Golden Text (Micah 7: 8) is: "Rejoice not against me, O mine enemy: when I fall, I shall arise; when I sit in darkness, the Lord shall be a light unto me." Among the Bible citations in this passage (Proverbs 11: 8), "The righteousness of the perfect shall direct his way; but the wicked shall fall by his own wickedness." Correlative passages to be read from the Christian Science textbook, "Science and Health with Keys to the Scriptures," by Mary Baker Eddy, include the following (p. 537): "Error, excludes itself from harmony. Sin is its own punishment."

ST. PAUL'S EV. LUTHERAN church. Livonia Center. Rev. O. J. Peters, pastor. Services in English in this church on Sunday, October 29. Welcome.

CHURCH OF GOD—821 Penniman (upstairs). Sunday services: Bible school, 8:45 a.m.; morning worship, 11:00 a.m.; young people's meeting, 6:30 p.m.; evangelistic service, 7:30 p.m. Week night services: Young people's meeting Tuesday night, 7:30 p.m.; mid-week prayer meeting Thursday night, 7:30 p.m. Everyone is welcome. A thought for the week: It is the will of God that His people should have every needful thing, not limited in measure, but in rich abundance. Yet, because men in their hearts have gone far from their God, and have not known His name, nor acknowledged his authority and power, His gifts of goodness have been cut off, and man sorrow in a poverty which is not the work of Love Divine, but which has been fashioned by His perverse and disobedient people. "Seek ye first the kingdom of Heaven and His righteousness; and all these things shall be added unto you."

BEREA CHAPEL, Pent. Assemblies of God. John Walaskay, pastor. Meetings held every Sunday in I.O.O.F. hall over Kroger store on Main street. Only as we wait upon God in the expectant attitude of faith shall we know the "wing-life." Personal communion with the Lord letting Him speak to us through His Word, and our heart answering to His call—is the secret of the buoyant life that knows no weariness of fitness of heart. Sunday school, 10 a.m.; morning worship, 11:00 a.m.; young people's C.A.'s, 6:30 p.m.; evening service, 7:30 p.m.; mid-week prayer and study at 160 Union street at 7:45 p.m. Remember all children wanting to take part in the Christmas program are sure to be napping of the Church. Prayer meeting every Wednesday night at 7:30 p.m. Look out; here it comes! Bullseye No. 9: Some churches are so cold that even the devil has been "frozen out."

NEWBURG M. E. CHURCH.—Clifton G. Hoffman, pastor. This Sunday we are extending an invitation to all those who formerly attended church at Newburg to return for a harvest homecoming service. Efforts have been made to contact those who live outside the community as well as those nearby. The invitation is meant to include newcomers also; if you have been the king of coming to church this is the time to start. There will be special music by the choir and a hearty welcome from those present. The pastor will speak on the topic, "Whither Christianity and the Church?" The children's sermon will be taken from the life of the Apostle Paul. A shortened Sunday school period will follow the worship service. In the evening at 6:30 the Epworth League is having an open meeting to which everyone is invited. There is to be a speaker who has spent much of his life in India and who will tell us something about that country. Dr. Malik, on Friday, October 28, the Ladies' Aid society is holding a potluck dinner in the church hall at 6:30; there will be entertainment, and a baked goods sale is to be given by the Adult Bible class. On Monday evening October 31, there will be a Halloween masquerade party for everyone under the auspices of the Fidelis Sunday school class, Tuesday, November 1. The youths meet at 7:00 as usual. Choir practice will be on Wednesday at 7:00.

NAZARENE CHURCH. Robert A. North, pastor. Holbrook and Pearl streets. Bible school, 10:00; morning worship, 11:15; young people, 6:30; evangelistic service, 7:30. "I indeed baptize you with water unto repentance. But he that cometh after me is mightier than I, whose shoes I am not worthy to bear; he shall baptize you with the Holy Ghost and with fire." Matt. 3: 11. You will enjoy our Sunday morning worship services. Come and enjoy this gospel feast with us. The pastor's subject will be "The Baptism of Jesus." Next Tuesday night, November 1, Rev. Ernest Martin of Mason, Michigan will begin a series of gospel meetings. They will begin each

night except Saturday at 7:30. Don't fail to come and hear this young man. Everybody is welcome. Special music or singing each night.

SALEM FEDERATED CHURCH—October 30, 10:30 o'clock: "The True Church," Bible school, 11:45 a.m. "Personal Rights and Where They End" will be the lesson in the adult classes. What then? Shall we sin, because we are not under law, but under grace? God forbid. Romans 6: 15. Evening hymn-singing, Sunday at 7:30 p.m. On Friday evening, October 28, our Boy Scouts are having a roller-skating party in the Methodist church house in Plymouth and they invite all the young people of our community to attend.

ST. JOHN'S EPISCOPAL church.—Harvey and Maple streets. Morning prayer and sermon, 10 a.m.; church school, 11:15 a.m. The St. Clair flats in Lake St. Clair is the only delta in the world formed by a river flowing from a lake.

Detroit's Belle Isle, more than a hundred years ago, was the location of extensive fisheries. Great quantities of whitefish were cured for the eastern market and the 1836 catch amounted to 3,500 barrels.

The most popular rug design in America!

"Fern fronds" a Bigelow Beauvais Rug \$51.75 9x12 FT.

The mills can't weave it fast enough, so we're lucky to have this quantity!

Give old lady Nature an inch... and she'll come right indoors and take the floor! Delicate, graceful botanical motifs like palm leaves, ferns, wheat, flower leaves and clusters are the most important style note today in rugs and carpets. And apparently the country just can't get enough of this lovely "Fern Fronds" design in the famous Bigelow Beauvais grade. It has the decorative value of plain-color carpet but its two-toned tracery does away with any housewives' fears about foot-marks and soil. And it adapts itself just as happily to modern settings as to English 18th Century and other traditional styles. It has made such a big hit that over 40 Bigelow looms are humming away on this one pattern alone! Better get acquainted with "Fern Fronds" now... we can't make promises about when we'll get another quantity!

7 "High Fashion" Colorings!

Beige Rust Green Red
Brown Burgundy Blue

27-inch carpet, broadloom and 52 Tailor-Made Rug sizes

Some of the colorings are woven in broadloom up to 18 ft. wide, but if you prefer a rug, just tell us the dimensions of your room and we'll produce a Tailor-Made rug that fits that room as well as your hat or shoes or gloves or underwear fit your size.

Other Bigelow Carpets from \$1.65 to \$7.00 per yard

Investigation Sure To Follow Charges Of Use Of Welfare Money And Food To Influence Votes November 8

Old Age Pensions Get Notice Of First Food Allowance—Hamtramck Fed While Outcounty Welfare Goes Hungry

Use of welfare money and surplus commodities to influence the present state election is going to lead to one of the most searching investigations the state of Michigan ever made. There does not seem to be much question about that. Neither is there any question about both cash and food being used in an attempted exchange for votes.

Old age pensioners in this part of Wayne county today (Friday) will, for the first time, receive in addition to their greatly reduced pension check, a small supply of food.

These aged people, a few days ago, received a card notifying them that if they brought the card with them today to the places in this part of Wayne county where the surplus commodity truck makes its regular stops, that they would receive an allotment of surplus commodities.

This is the first distribution of food that has been made to all old age pensioners in this part of Wayne county and coming just as it does a week or so before election, there is not the slightest question of its political intent. Apparently, an effort is being made to off-set the intense feeling created at the time old age pensions were slashed so that political job holders would be sure in having enough money for their salaries.

In addition to this attempted "food" bribery of the aged, there is sure to be an investigation later of the outrageously unfair treatment of people on welfare in Wayne county.

Last week it was revealed that the welfare administrators were

giving to welfare clients in Hamtramck their full one hundred per cent food allowance while people in Plymouth and the rest of Wayne county had to do with only 30 per cent of the original allotment.

State Representative Elton K. Eaton made immediate protest to Lansing of this unfair practice and out-county supervisors demanded the removal of the Wayne county welfare administrator.

Eaton, in his letter, October 20, to the state administrator, declared:

"On September 12 a notice was sent to those on welfare in Wayne county advising that their food 'budgets' had been cut 70 per cent of the amount they had been receiving. It was stated that this drastic action was necessary because of 'a lack of funds.'"

"I have just received unquestionable information that all persons on welfare in the city of Hamtramck have recently been restored to their full one hundred per cent food allowance while all of the other people on welfare in the county of Wayne are still getting but 30 per cent of their food budget."

"If there has been any increase in welfare funds which will enable your commission to restore the welfare 'clients' in Hamtramck to 100 per cent of their food budgets, why in the name of decency was not this additional money spread equally over all of Wayne county? The people on welfare in Plymouth, Dearborn, Detroit, Wyandotte, Highland Park and elsewhere are just as much entitled to that additional assistance as are the welfare clients in Hamtramck."

"There is no question that the order to restore full food budget allowance to the city of Hamtramck at this time has been done for political purposes. Welfare funds are being used to buy up in one solid block the welfare votes in the city of Hamtramck."

"It is generally understood that the order for this unfair and improper use of welfare funds came from the state commission. If that is true, every member of the commission should immediately resign. Not only should they resign but every welfare official who possessed the slightest knowledge of this thing and did nothing to stop it, should be immediately discharged. I am not so sure but what it is of such a serious nature that there should be a grand jury investigation and those responsible for using welfare funds to buy up votes in distressing times like these prosecuted for malfeasance in office."

"You may rest assured that I do not intend to permit this matter to drop until there is the fullest explanation of it."

Civic Center Light System To Be Changed

Church Street To Be Opened On Sunday

At a special meeting Monday night, the city commission authorized City Manager Clarence H. Elliott to rearrange the lighting system in the Church street civic center to better advantage than at present.

The newly-paved, double-lane street will be open to traffic Sunday, Mr. Elliott announced. He said that work started Monday on the strip in front of the Methodist church and probably would be completed next week. The section will be opened to traffic probably the following week, he said.

When Church street is opened Sunday, he said, motorists will be required in the interests of traffic safety to go around both the center island and the triangular island in approaching the Methodist church from the west.

This means that drivers coming from the west will keep to the right until they pass the first island, turn left across the second lane and go on past the triangular island to the church. Parking will be permitted as before around the triangular island. However, all cars must be parked facing in a westerly or northerly direction, he said.

A police officer will be stationed at the intersection when there are services at the churches for a short period to assist motorists in correct use of the split-up intersection.

In regard to the lighting arrangements, Mr. Elliott said that two new street lights would be installed, one which has been dark moved to a better position and two lights now in use changed in position.

The effect, he said, will be to make the entire street well lighted and to avoid the dark sections now present because of the position of the lights.

He said that the changes and installations probably would be made during the week and that work possibly would be completed within two weeks after it was started.

Alice Queava Weds Ohio Man

Miss Alice Queava, formerly employed at Simons' store, was married to Herman Muth, of Marietta, Ohio, Tuesday morning, October 25 at Pinconning, Michigan. After a honeymoon trip to California, they will make their home at Lake George, Michigan, where Mr. Muth is interested in oil wells.

Local Debaters Beat River Rouge

The first debate of the 1938-39 season, held Tuesday night, October 25, in the grade school auditorium, resulted in a close decision for the Plymouth team over River Rouge.

River Rouge upheld the affirmative of the question, "Resolved: The United States should form an alliance with Great Britain," while Plymouth defended the negative. The speakers for River Rouge, appearing in order were Betty Eury, Ernest Pacheco and Willard Adams. Plymouth speakers were Doris Buzzard, James Leo Schmitz and Marvin Hauk.

The debate judge, Dr. Kenneth Hance, head of the department of speech at Albion college, discussed several points in which he commented particularly upon the timeliness of each team's replies, but he awarded the decision to the team upholding the negative.

The teams were fairly even on most of the points, he said. However, the negative had an advantage over the affirmative on some points, such as adaptability, use of evidence, clarity and "pointing up" on which Dr. Hance based his decision.

Carvel Bentley acted as chairman, and James Zuckerman entertained the audience with a selection of popular piano tunes. There were two timekeepers, one from River Rouge and the other from Plymouth.

Change In Dances Is Announced

A change has been made in the Hallway dance program for tonight, Friday, October 28. The dance will start at 8:30 p.m. This is for the older group of over 14 years. The dance Saturday for the younger group, seventh and eighth grades will start at 7:30 p.m. and will conclude at 10:00. Starting next week, November 4 and 5, the dances will remain on this schedule, except that the Friday dances for the older group will start at 8:00 p.m. and the Saturday dances for the younger group will start at 7:30 p.m. A change in age will be made on Friday night, and no one under 13 years on Saturday night.

Farmers To Meet At Grennan Cabin

The department of agriculture has arranged for a series of community meetings, for discussion of the agricultural conservation act so that the intent and various phases of the soil conservation program may be better understood by farmers wishing to participate in the program.

Miss Evelyn Grennan has kindly offered the use of her cabin as a meeting place for the farmers of Plymouth and Northville townships for the first one of these meetings. They will meet Tuesday, November 1 at 8:00 p.m. All farmers interested in this program are urged to be present. The county committee, with Maurice Bird as chairman will be at the meeting to answer any questions and lead the discussion. The Grennan cabin is located on the north side of Six Mile road, one quarter of a mile east of Beck road. A red lantern will hang at the gate entrance. Follow the drive to the cabin.

Surprise Party Held For Pair Wed 50 Years

C. V. Chambers Wears Trousers Of 1888

Mr. and Mrs. C. V. Chambers celebrated their golden wedding anniversary October 24. Their children and their families, Mr. and Mrs. Stanley Chambers, and son, Norman, of Escoda; Mr. and Mrs. Emory Holmes of Detroit; Mr. and Mrs. H. P. Vosburgh, of Fenton; Dayton Churchman, and Mrs. Chambers' brother and wife, of Detroit, all helped to make the occasion very pleasant.

The couple received many beautiful flowers and congratulatory cards from their many friends and relatives and wish to thank each one who remembered them.

A beautiful birthday cake decorated in gold, with the words "Fiftieth Anniversary" on it, graced the center of the table. The celebration of the event was a complete surprise to the honored pair. Mr. Chambers caused a great deal of merriment by wearing his wedding trousers of 50 years ago.

Little Blaine Thompson, their neighbor's small son, also was among the anniversary guests.

D. A. R. Recommends Books For Good Americans To Read

Among the many lines of activities pursued by the Daughters of the American Revolution, none is more stressed or considered more important than its work for national defense. A magazine devoted along to this subject is published and edited by the organization. Today, with so many problems confronting the citizens of these United States, no opportunity should be neglected of informing one's self of the issues. The following list of books for reading was published in the "National Defense News," and it is recommended to the Daughters of the American Revolution and all others concerned about informing themselves on the great questions of today. Malcolm Bingay, in 'nis

Good Morning column, October 18, especially recommends "Inside Europe," by Gunther, which is found in this list:
"Is America Afraid," Hartley; "A Return to Religion," Link; "The Living Jefferson," Adams; "The American Way," Baker; "A History of the United States Navy," by Knox; "A Handbook of National Defense and Peace," Healy; "The American Government Today," Haskin; "Inside Europe," Gunther; "Collectivism—A False Utopia," Chamberlain; "Bulwark of the Republic; A Biography of the Constitution," Burton J. Hendrick.

Student Walks Sixty-Seven and One-Half Miles A Semester

This "sad and sorry" tale is to gain the sympathy of your parents, dear students. Really, parents, don't realize how much work we have to do in school (and that doesn't mean mental). For instance, take an actual schedule of a student and estimate the number of feet traveled in one day.

She enters school in the morning and ascends the stairs from first floor to third and then to her locker. Counting steps and all, approximately 190 feet have been covered. Then comes her first hour class, bookkeeping, necessitating a descent of all the steps, and bringing the total to 360 feet. Second hour arrives, commercial geography in the grade school follows bookkeeping. Taking the shortest route possible, the total amounts to 680 feet. Last hour before lunch and the must walking yet to be done. The next class is physical training. Going up the back stairs to third floor and her locker, the total amount is now 1049 feet. Then descending to first floor and gym she has covered altogether 1539 feet. The physical part seems to be that gym is far exercise, but just look at all the exercise gained by climbing and descending the stairs. Gym is over and back to the locker room she goes. Going over the same route she followed when she came down, she raises the total to 1839 feet. Now comes lunch and going down the steps once more, the total rises to 1570 feet.

Entering school again, to the locker, and to fourth hour class which is world history, the estimated total becomes 1810 feet. Back to the locker for books and down to the library, the total is 1990 feet. After fifth hour she goes under the table to the article school, covering 2250 feet. Getting new books and cart from the locker to end her day's walking in school the total is now computed at 2280 feet. Since these figures did not include the number of feet covered in the rooms themselves, superfluous walking 1200 feet should be added with justification. The total now becomes 4020 feet. This is approximately three miles a mile every day. Made up by five the student walks sixty-seven and one-half miles a semester or 125 miles a year. If this total could be considered an average for four years, the student would walk a total of 500 miles during high school. And that, my friends, is nothing to sneeze at.

NINETEEN BOYS TAKE APPRENTICE TRAINING COURSE

At the present time 19 boys are enrolled in the Plymouth high school apprentice training course. The boys, most of whom have worked at least three months now, are engaged in the trades. Those who have a year or more of experience have had a slight wage. Reports are that Bentley, who is in this course, can do any quality of work on any job. He is a machinist and has worked on many jobs. He has been very successful in his work. He has been very successful in his work. He has been very successful in his work.

THIRD MEN

What the average man does not see in fact, when a crowd knows but does not know the fact that the other man on the other particular side of every one of these men is an untrained duty. The man who is not seen in fact, when a crowd knows but does not know the fact that the other man on the other particular side of every one of these men is an untrained duty.

GOOFY GATHERINGS

Let us consider some results of this. One advantage, my feminine friends, is that you should never have to worry about being overweight and forced to go here to a diet. This mileage ought to keep you in the best of health. If you have been ill with a serious case of flu, you should not return to school immediately after recovery.

CONCERNING FEATURES WE GIVE YOU LIPSTICK

All was quiet in one corner of the press room (the Miss Allen's class room) deep concern over what to write for a feature article was playing anxious frowns in several brows. Some unbrilliantly suggested that Paul Harsha go out and buy a pig, but Paul had just eaten his dinner so the talk returned to features and it was finally decided that if a feature article was to be taken literally why not feature features in a write-up? In other words, you are to hear about that arresting substance that shrouds of feminine features—lipstick.

From conclusions derived from questioning the lips of a portion of the junior and senior girls came these facts: There are 15 different kinds of the popular commercial lipsticks used in school. A large majority of the girls use lipstick ranging in price from 50 cents to \$1.00 and only a small minority use the dime store variety. The shade recently introduced is black which changes to a deep red when applied. Most senior and junior girls wear lipstick, and only one girl (and that a senior) replied that she didn't own any lipstick and never had worn any. Last, but not least, the most popular lipstick in this school among the well-known brands is Coty. Might it be added, that although a census was not taken on this point it is reasonably safe to say that in reality most boys prefer girls to wear a little bit of lipstick if it is not used in excess.

ROCK HARRIS LOSE AGAIN

Plymouth lost its second cross-country meet of the season to the Wayne harriers by the score of 22-33. The Plymouth team ran a good race, but was led by Temple, who finished first. The boys finished as follows: P. Harsha, second; R. Marshall, fourth; E. Keller, eighth; H. Wilson, ninth; and F. Potts, tenth. On October 27 Plymouth will meet the Dearborn runner at Dearborn.

JUNIOR GIRL RESERVES HIKE

The warm October weather produced 23 Junior Girl Reserves to join in a snappy hike with their advisers, Miss Lickly and Miss Tyler on Tuesday, October 18. The destination was unknown when they started but they finally ended at Riverside park where they roasted wienies and spent time playing at different games and amusements. This group is very active and we will probably hear a lot more of them.

LIBRARY CLUB PLANS FOR FUTURE GOOD TIMES AND WORK

The student librarians meet every Monday from 3:40 to 4:00 o'clock. The club is better organized than it was last year for the business meetings are conducted in a more professional manner. The newly elected officers are: President, Arlene Sath; vice-president, Mary Jane Palmace; and secretary-treasurer, Ruth Roediger. Permanent committees for room appearance, entering magazines, entering new books, and publicity have been appointed. A regular course of study is to be followed in the future. The various parts of library work are to be studied and discussed, each member leading a short discussion for one week. Machine plans for the future include parties and good times as well as work and study.

STUDENTS HEAR GYPSY CONCERT

The junior and senior high schools were entertained with 50 full minutes of gypsy melodies, both ancient and modern, in the high school gymnasium Wednesday evening, October 26. The concert was given by a group of students who presented a variety of gypsy music, including the "Gypsy Love Song" and "Gypsy Swallow." They also played the old Hungarian and Rumanian rhapsodies which present the true gypsy mood.

Helen Norgrove Writes Of Experience At Ford Nurses Home

Helen Norgrove, a graduate of Plymouth high school last year, is now attending the Clara Ford Nurses' home of the Henry Ford hospital in Detroit. This home is located near the Henry Ford hospital and is a branch of this institution. Twenty girls are allowed to enter; new ones are taken each semester. There is no cost involved in this home. Regardless of any course taken in high school, one may still enter the school.

At the present time there are 14 girls divided into three groups of five. One group does the washing, caring for the baby at the home, marketing, and preparing the meals. At present Helen is in this group and is chief cook. They are allowed \$30.00 a week or about 20 cents a day per person which is a very good average. The books must be balanced by this group. The other two groups go to the hospital to work in the morning. Some work in the stock room, in the mending department, or file references, while others work in the bakery, kitchen, operating room with convalescents, or in the accounting department. Each group remains in the same department for one week and then they rotate.

SQUARE DANCING CONSIDERED "FUN" BY STUDENTS

Henry Ford's dancing instructor, Mr. Lovett, taught students who take any, those who have vacant periods, and members of the Senior Girl Reserve and Hi-Y groups how to sit and walk correctly and the fine points of ballroom etiquette Thursday morning, October 20. He also taught the groups five calls of square dancing which everyone enjoyed immensely. He was accompanied by Mr. Johnson and two other instructors. Mr. Johnson will now take over the classes in Mr. Lovett's place and continue to teach new steps and more etiquette.

CLASS NOTES

Home Economics I is studying the preparation of breakfasts and Halloween cookery. The American history classes are studying the American Revolution and the Declaration of Independence. Mr. Lynch's Farm Crops class harvested the hybrid corn crop sponsored by Robert Holland as a summer project last Tuesday, October 25, and sent the data on it to the agricultural department at East Lansing. Mrs. Crumbe received several home-made cakes as a result of her arithmetic assignments. The class has been studying fractions as used in cooking recipes and several members of the class put what they had studied into practice to good avail according to Mrs. Crumbe.

We'd rather stay at home than go to a party and have to sit around listening to somebody tell the plot of a movie.

As an appropriate conclusion to the string ensemble and clarinet playing "The Beautiful Blue Danube" by Johann Strauss.

The moraine hill in Oscoda county south of Cadillac is the highest point in the lower peninsula of Michigan.

A glacial ice sheet is believed by geologists to have covered Michigan about 150,000 years ago, a second one about 30,000 years ago.

When every member had told of his vacation, the crowning achievement of the evening came to light. Betty Mastick recounted experiences of the Buchanan-Alaska expedition at which she was an active member. Betty illustrated her account with a moving picture itinerary of the whole journey. She related how her public speaking training had helped her when she spoke on two occasions over the air on the Buchanan hour at St. Paul, Minnesota and Winnipeg a regular feature of the Alaskan trip. Her interesting talk led every one of her listeners to wish heartily they could have made the trip last year, and inspired them to make the attempt this year.

Every one of the members who are listed below, expressed the opinion that their hard work in making the evening possible was worth the effort. Betty Mastick, Bob Kenyon, Benny Drake, Betty Smith, Leo Schultz, Edward Landau, Betty Mastick, Howard Wallbridge, James Stevens, George Bennett, Hazel Curtis and Miss Waldorf, teacher.

Francis Wood entertained Marie Ann Miller, Nancy McLaren, Ruth Drews, Bob Brown, George Clute, Bill Wernet, and Allan Bennett at a marshmallow roast Friday night at her home on Harvey street.

Barbara Olsaver spent the week-end with Lois Schaufel at Michigan State college.

Mary Allene Brown of Pontiac spent part of the week with Annabelle and Betty Brown.

Linnea Viekstrom spent the week-end in Flint visiting friends.

Lorraine Pettigill of New Hudson visited school Friday with Ruth Rediger.

Mary Lou Wright, Jennie Bassett, Gladys Hammond, and Jean Hamill attended the Milk Fund Ball in Wayne Friday night. Saturday night Jean was present at a formal dance given in the Masonic temple by the alumni of McKinney high school.

Betty Mastick attended a meeting of the C. A. R. state board at a luncheon at the home of Lyons Howland in Highland Park.

The Nichols are at it again! Carol, Muriel, and Gloria Nichols attended the first hockey game of the season Sunday night at the Olympia.

LAST YEAR'S SPEECH CLASS HOLDS REUNION

Combining an enjoyment of after dinner speaking with the joy of eating, the last year's public speaking class held a reunion in high school October 18. Working with only the moral support of Miss Waldorf, the 11 members who comprised the club did all of the work involved in making the reunion a success. Betty Smith was head waitress for the potluck which was eaten at 6:30. Roger McLain, reputedly the second Bang Crosby, appropriately led the singing.

After the beautiful supper had been hungrily devoured Edward Landau, president of last year's group, made the opening address. The response was successfully undertaken by George Bennett.

Fifty miles had intervened since last they came together, it was disclosed, when each member was called upon to tell of his vacation. Bob Kenyon was a trifle uneasy as he prepared to relate on his summer sojourn but as he warmed to the subject and told of his luck in getting a ride inside of ten minutes from Charleston, West Virginia to Detroit he was compelled to give because he had overstepped the time limit. Roger McLain related the facts pertaining to his three-week stay in Iowa. Howard Wallbridge, now a senior at the new residence, Howard high school, returned to compare his point of view. He told of up-to-the-minute appliances with which the school is fitted, but expressed his regret that the teachers were so strict. (Howard also obliged the group with two photos—James Stevens, who at the beginning of last year moved to Valparaiso, told of the one thing he had learned there; this, "To study." He further elaborated on how glad he was to be back.

When every member had told of his vacation, the crowning achievement of the evening came to light. Betty Mastick recounted experiences of the Buchanan-Alaska expedition at which she was an active member. Betty illustrated her account with a moving picture itinerary of the whole journey. She related how her public speaking training had helped her when she spoke on two occasions over the air on the Buchanan hour at St. Paul, Minnesota and Winnipeg a regular feature of the Alaskan trip. Her interesting talk led every one of her listeners to wish heartily they could have made the trip last year, and inspired them to make the attempt this year.

Every one of the members who are listed below, expressed the opinion that their hard work in making the evening possible was worth the effort.

Betty Mastick, Bob Kenyon, Benny Drake, Betty Smith, Leo Schultz, Edward Landau, Betty Mastick, Howard Wallbridge, James Stevens, George Bennett, Hazel Curtis and Miss Waldorf, teacher.

HIGH SCHOOL BAND TO LEAD HALLOWEEN PARADE

The annual Halloween parade will be led by the Plymouth high school band October 31. Last year the parade was unable to march through north village because of its late start. To avoid a repetition of this mishap the band will start marching promptly at 6:30.

SENIOR LEADERS' CLUB GIRLS INITIATED

A hike and roast at Riverside park Tuesday, October 18, at 4:30 served as the initiation service for the new members of Senior Leaders' club. Each member brought her own food and the club provided eskimo pies as dessert.

The old girls formed a semi-circle with Mrs. Miller, Rose Nicksal, president, Norma Coffin, vice president, and Elaine Effert, secretary-treasurer, at one end. Arlene Sch pinned a blue and white sash on each new girl and a short formal initiation was carried out. A few songs were sung by the club and the girls closed the program singing the Leaders' club song.

The new girls initiated were Betty Wisler, Patricia Arnold, Marjorie Knowles, Ruth McQuesten, Jerry Bassett, Nancy Dunham, Jane L. Linn, Leslie Ebert, Patricia Evans, Grace Squires, Bernice Swanson, Virginia Garman, Betty Mastick, Ruth Linn, and Ann Miller. Nancy McLain, Betty Brown, Leona Nicksal, and Carol Stitt.

"HAVE YOU HEARD?"

"Have you heard?" the phrase used by Mrs. Jacobyn Jacobson, a little miss who is about as young as old Mr. Jacobson, is the Providence hospital. The little miss who has joined the family of three. Mr. Jacobson is a very proud father and a very happy and illustrious one. He won't be dancing for a week, and she hasn't any yet but she is a beautiful baby and looks like her father! Everyone extends their congratulations Mr. and Mrs. Jacobson.

Mr. and Mrs. Solberg are now the proud parents of an eight and one-half pound baby girl. Mrs. Solberg was at Ann Arbor hospital. Mother and baby are fine.

Mrs. Swarbrick, new president of the P. T. A. wishes to thank everyone who took part in the arrangements for the dance which was a large success last Saturday evening. There were a lot of funny and interesting costumes.

Mrs. Beck entertained her pinocle club on October 19, it was very successful. Prizes were won by Mrs. Morris, Mrs. Byrd, and Mrs. Davis.

The men of Richland avenue have been hunting, so they say. We have some "good shots" down here, and the Ben cars fall off the fence at every shot!

Hubert of Orangelawn is in business for himself. He has taken over Carey's garage at Plymouth road next to the Red and White store. We all wish you lots of success, Mr. Hubert.

The members of the former potluck club held their final

party at the Covered Wagon on Telegraph road near Wyandotte. They were given the party room in which was a large open fireplace surrounded with antique implements. The members were Mr. and Mrs. B. Smith, formerly of Plymouth, now from Eastport, Michigan; Mr. and Mrs. G. Ross of Detroit; Mr. and Mrs. J. Sitarz and Mr. and Mrs. J. Gage of the Gardens. The ladies dressed in formal, everyone enjoying the dinner and dancing completely.

Mrs. Odgers entertained the pinocle club. Prizes were won by Mrs. Beck, Mrs. Schrom and Mrs. Sutton.

The following letter was received by Mrs. W. Loesch, corresponding secretary of the Improvement Association of Plymouth Gardens:

"I have your letter of the 18th inst. in regard to surface drainage for the territory between Farmington road and Wayne road in a line with Richland avenue.

"For your information, I beg to state that we are going to work in this vicinity, and the next step to take will be the securing of releases of right of way to go on the property for the construction of this natural water course, as a county drain.

"My inspector will be out that way next week to see the property owners in regard to the same. Just as soon as we have taken care of these releases of right of way, I will put a crew to work and do my best to give you the necessary relief.

"Signed—George A. Dingman, Wayne County Drain Commr.

Mr. and Mrs. Al Ziegler entertained a few friends at a roast in their backyard around the open fireplace. The guests were Mr. and Mrs. L. Bohl, Mr. and Mrs. J. Sitarz and Mr. and Mrs. J. Gage. The food and coffee certainly tastes different out-of-doors.

Mr. and Mrs. John Campbell were guests of Dr. and Mrs. Lenhart of Outer Drive for dinner Sunday.

Mrs. Newstead won first prize for the best dressed costume at the masquerade dance and Mrs. Byrd won boogie for the funniest costume.

Mrs. Pappo has a very smart boy. He is five weeks old and has two teeth.

Mrs. Gibson, director of P. T. A. of District No. 1, of which we are a part, addressed a special meeting at Stark school, Monday, October 24, consisting of retiring president, Mrs. H. Stokes, the new president, Mrs. Swarbrick, vice president, Mrs. Gagner, Mr. Groves and the school board members. At this meeting Mrs. Stokes' resignation was confirmed and Mrs. Swarbrick's election to this office was established. John Campbell went hunting at Imlay City, in central Michigan. But we hear he had no luck. Too bad, John.

And then we're sick and wonder why.

So isn't fall a happy Season when it's here Although it only comes But once throughout the year?

AUTUMN
(By Mary Cicirelli, 8th grade)
The leaves are falling on the ground For autumn is surely all around The grass that was so fresh and green Is really now not anything.

Christmas is now on its way And yet not very far away That means that snow will be on the ground Then we'll surely go to town.

The birds are all starting to migrate And soon they will be far away We miss their merry song so bright And we hope they'll soon be back in sight.

Stark school teachers this week announced the election of pupils in their classes to offices in the Wayne County Citizens Club.

In Mrs. Bowser's class, Janet Cobb was elected president; Jane Cicirelli, vice president; Harold Steintruger, secretary-treasurer; David Thatcher, boys' health officer; and Bernice Gregory, girls' health officer.

The following pupils were elected to the same offices:

Miss Wise's class—Jack Gage, Elmer Stites, Donald Maynard, Arnold Snyder and Joyce Bookery.

Miss Beaman's class—Doris Dawson, Betty Roberts, Donna Jane Campbell, Gordon Stokes and Geraldine Thatcher.

Miss Roedger's class—Richard Hoffman, James Roberts, Robert Snyder, Charles Roberts and Margaret Jenkins.

Mr. Groves' class—Tom Roberts, LeRoy Woodard, Shirley Luttermoser, Bruce Wilcox and Avis McKinney.

And then we're sick and wonder why.

Rosedale Gardens School News

Kindergarten and First Grade
The kindergarten and first grade are planning a Halloween party for their room, on Wednesday, October 26.

The first grade has a daily newspaper. Each afternoon they report the news and the weather. They are learning many new words.

They are also reading the story of "The Boy and Goat."

Miss Reed and Dr. Metzgar will visit our school on Tuesday to give the Schick test to those having had toxoid over six months.

Our school will be closed on Thursday and Friday as the teachers plan to attend the institute at Dearborn and Detroit.

Fifth Grade News
The fourth and fifth grades are planning a box social for their Halloween party on Wednesday, October 26. The girls are bringing the boxes and the boys will buy them. Harry Curtner and Jimmie Baker were chosen auctioneers by the group. The pupils are planning to come in costume and prizes will be given for the best boy's costume and the best girl's costume.

In art class the pupils have made some interesting Halloween posters. The fifth grade has been working on pictures representative of Detroit as it finishes its study of Michigan in geography.

The fourth grade is studying the hot dry lands of the regions of Mesopotamia and Iraq.

Some of our pupils are attending the children's theatre at Orchestra hall this year. This week those who went to see "The Little Princess" were Nancy and Dick Groth, Jimmie Baker, Bobbie Schwanz, Nancy Smith and Ralph McDowell.

6th and 7th Grades
These grades are working on a play "Uncle Sam's Dream," which will be given some Friday afternoon in the near future. The following people will take part in it: Columbus, George Waters, Uncle Sam, Hugh Harsha; Secretary, Donna Day; reports on the telephone, 6th grade girls; telegraph, George Howes and Robert Hill; electricity, Billy Neathamer and Dale McKinney; transportation, Bob Labb, Harry Eggleston and Bill Wooster; steamships, Bob Johnston and Clarence Hoffman; cotton gin, Virginia Hall, Jimmy Flannigan and Jacob Labbe; inventions, David Folsom; steam engines, Gyle Schmitz and Winston Burten; stage director, Wilbert McDowell.

We are having a Halloween party on Wednesday afternoon. A committee was appointed at the C.J.C. meeting to look after the games and decorations. The art period will be taken up on Tuesday afternoon in making Halloween decorations for the room. The pupils are dressing in costumes, games are being played and refreshments will be served.

There will be no school on Thursday and Friday because of the M. E. A. meetings in Dearborn and Detroit.

7th and 8th Grades
The seventh grade is learning the proper method for effective speaking and the correct punctuation for written conversations. The science class is finding the important functions of oxygen. We are also studying what causes fogs, frosts, dew, rain, and snow.

The eighth grade arithmetic class is reviewing the uses of percentage in our everyday life. The characteristics of a good conversation are also being studied in English.

The history classes are enjoying the hand work and reports being given by the fellow members of their classes. The handwork will be put on the exhibit table next week.

The Rosedale softball team completed its schedule Wednesday afternoon when Pearson school was defeated by the home team. The boys' team won six games and lost two during the season. The girls' team won three games and was victorious in all the games.

A box social is planned for Halloween. Two auctioneers have been selected to sell the boxes. The two chosen were Billy Curtner and Robert Johnston. Refreshments, games and entertainment committees are busy making plans.

THEY FOUND HIM IN THE STORE!

(By Elton R. Eaton)

A year ago last March when alleged labor "racketeers" were seizing the big stores in Detroit, throwing the owners out on the streets, and confiscating to their own use the goods in the stores, it was persistently rumored that Governor Frank Murphy had been found by the police in one of the stores where they were sent to drive the invaders out.

For some reason the matter was hushed up at the time. But testimony given before the Dies committee in Washington a few days ago has just resulted in bringing the amazing facts to light.

It will be recalled that because of the refusal of the Governor to keep "sit-downers" out of factories and stores they had seized, city officials of Detroit for a number of days had failed to act because of his position. But so desperate became the situation that Mayor Couzens determined to act. He was incensed over the reign of terror that had been forced upon Detroit.

He called Governor Murphy, Police Commissioner Pickert and other officials to a meeting at the Statler hotel.

While the meeting was on, a telephone message came to the mayor stating that racketeers had seized the Frank & Seder department store.

The Mayor turned to Commissioner Pickert and ordered him to send a squad of officers to the store and drive out those who had taken illegal possession of it.

Commissioner Pickert and Police Superintendent Frahm left to go to police headquarters to organize a police squad for the purpose of going to the store to drive the racketeers out and again open the doors of the place so that the rightful owners might continue business. It was to be the first raid made by Detroit police upon the racketeers who were seizing the stores. Only those at the conference knew of the plan.

Almost immediately Governor Murphy and an associate excused themselves from the meeting and left.

When the two police officials and their squad of police-

men reached the store, they found the shades drawn and the doors locked.

The racketeers had a guard just inside the door. The police said to him that if he did not unlock the door, they would have to break it in.

Thereupon he removed the bolt from the bottom of the door that had locked it securely into the concrete floor.

Permit Commissioner Pickert to continue the editorial from this point on, in the first statement he has ever made pertaining to this situation printed in The Detroit News last Friday evening:

"Frahm and I went to headquarters and then went to the store. When we got there we found Murphy and Martel there ahead of us. Most of the racketeers were told who had been in the store had gone. We found only one."

The commissioner was asked if he meant Murphy had "tipped off" the ringleaders that the police were about to close in on them.

"All I said was that they were gone," Pickert answered, "and that Murphy knew what we were going to do and got there ahead of us."

The following more detailed statement from Commissioner Pickert about the affair was published in the October 22 issue of The Detroit Times:

"At two minutes of 8 we got into my car and went directly to headquarters, where we had men in reserve—not necessarily for the Frank and Seder's strike, but because those were hectic days and nights.

"Frahm immediately gave orders as to who should go over with us, and we were again on the move. My car was leading.

"We drove direct to the front door of Frank and Seder's and arrived there at exactly 10 minutes after 8 o'clock, 12 minutes after we had left the hotel.

"Meantime members of the department were being disposed in alleys and around the block.

"I went to the revolving doors at the front of the store and saw a man inside guarding them. I asked him to open the doors and he refused. I told him: 'We are police officers and we're coming in, so I again ask you to open the door.' This time he did so with alacrity.

"We walked in, Frahm with me. We saw no activity. I asked the man at the door where the employees were who had taken possession. He said he didn't know. This, I knew, was false. I then walked southward in the store aisles and didn't see any one.

"I was turning back toward the door when I heard laughter. I looked carefully in the direction from which the laughter came and I could see just the tops of some heads over the display cases. I walked the full length of the store and into the spacious shoe department.

"And there, sitting on the chairs, settees and benches were what proved to be the employees, listening to both Murphy and Frank Martel.

"I turned back then and started back in the direction of the door, Frahm still with me, and he (Frahm) dispersed men to search the building, as we were looking for outsiders who didn't belong in the store, but who were active in some phase of the strike.

"Meantime Murphy and Martel were following us, amid the applause of those whom they had been addressing.

"If I remember correctly, I exchanged greetings with the governor, and he and Martel left the store together.

"Our search landed one known Purple gangster named Miller (Louis Miller, convicted kidnaper), who was not employed by the store. After that the police activities were normal."

The "Murphy" referred to by Police Commissioner Pickert is the Governor of Michigan! The Governor, under our constitution, is the chief law enforcing officer of our state!

IT IS A GOOD PROPOSAL.

Question No. 1 upon the special ballot to be voted at the forthcoming election provides that all county officers shall be elected for four-year terms instead of two-year terms. The proposal seems to be a sensible one. Some 31 other states elect their county officials for four- and even six-year terms. A few retain the two-year period, Michigan being one of the lesser number. There is no question but what it would reduce election costs and there isn't much reason to believe but what the state would have just as efficient officials as at present. Question No. 1 merits a "Yes" vote.

RAMBLING with Editors AROUND of Michigan

Some restraint on the enthusiasm concerning the republican party of Michigan, its ticket and particularly its method of nominating its ticket is noticeable to almost any observer.

There is a feeling in these parts—and so far as known these parts may be fairly representative—that the plans and hopes for state redemption are not quite reflected in (even if they are promised by) the machinery and operation of the state party as it has been on display.

The feeling has been growing for two years, and with considerable intensity during a part of that time, that Michigan should be due for better guarantees of law, order, economy, and practical soundness in her state government—and a good deal of this feeling probably took the form of a recreated and reconsecrated republican party which would bring out of its chastisement a new spirit of fidelity to the public service, with which to approach new responsibilities.

It is probable that those who saw this vision (and apparently there were a good many of them) were less interested in partisan-

ship and party label than in the results in state administration which they wished for, and in the future securities of government which they hoped for.

It is not clear that the deliveries thus far have met the specifications.

But it does seem clear that the specifications must be met, in the future if not now, if a party which has been defeated can be expected to come back for any extended period of service in a state like Michigan. It does seem clear that less of office and perquisites and more of fitness for office and responsibility of office will have to be the concern and guiding motive of party thought and plan, and that less of practical manipulation by habitual politicians, and more of influence by sincere citizens who want no office but do want good government—will have to be the motivating force of the party organization.

There is considerable feeling that the recent state convention was quite too "practical."

This feeling may or may not be influential in the election this year.

To a considerable extent, and to a very earnest degree, Michigan is looking for a change and improvement in state affairs. The uncertainties, the insecurities, the debt, the fears which have been growing up have led to hope for better, sounder, more dependable things. Some of these things, it has been felt, were had from the last administration. These considerations may be a stronger election influence this year than a disappointment in not having the change offered as it was hoped it might be offered.

But this much can be counted upon: Whatever political agency meets the requirements of Michigan's intelligence and sobriety through the future will have to bring a certificate of character and a certification as to its operating personnel which will meet the tests of sound sense and sound morals.—A. L. Miller in The Battle Creek Enquirer-News.
