

The other day was a bit unusual—something like the weather in California. It is never just what you expect it to be. Several matters required a trip to Lansing. This busy, interesting seat of Michigan's government, is never tiresome to one who knows its rich historic background, who knows something of the far-reaching and important steps taken there to help make this one of the leading, if not the greatest commonwealths in all of these United States.

But seemingly it was a day of troubles and tribulations. There were complaints about this, that and the other thing. Strikes were being called and strikes were being threatened. Pressure groups were making tax dollars for the state and that they were not satisfied with what they had been given in past years and they wanted more and more and more. It seemed that there was unrest and discontent everywhere and with everything. There were complaints about jobs and complaints because jobs had not been given some of the so-called deserving.

Two weeks previous the writer had walked into a store down in Havana, Cuba. A clerk was quick to ask what was needed. Nearly every one in Havana speaks in the Spanish language. The answer to the query was in English.

"So you are an American?" What a wonderful thing. Every American must be proud, you have so much to be happy over—no troubles, and what a great country you have!" he declared. The clerk spoke perfect English, having discovered that that was the writer's language.

"You know I had to learn English because I am going to your country to live," he said.

The clerk was probably 40 years of age or thereabouts, a bright, keenly intelligent, but worried looking individual.

When he said he was coming to America to live, naturally there was more than ordinary interest in what he had to say in response to questions.

There is said to be some 4,000 or 5,000 refugees from Germany in Cuba waiting to enter the United States. They had successfully fled from their country and had landed in Cuba, just a step from the protecting shores of this great free and independent country.

"Yes, I am a German refugee. You see I am not of Aryan birth, as they call it in Germany. After my father had been placed in a concentration camp where he was later killed, I made my escape. What has become of my other relatives over there I do not know and probably I never will. How my father died I never learned. I was informed that he had died from natural causes but others told me that he had been killed," declared the clerk.

"That was nearly two years ago. It was not an easy matter to reach Cuba, but once I landed here, I secured work and started to study the English language and to make my plans to secure entry into the United States. My visa has just been granted and within the next two months I am going to New York, then to the so-called middle West of your country where I expect to start life all over again among people who know and have freedom. Even now I feel that I never will suffer almost anything if they thought by doing so they could come to America to live. Yes, even the Aryans, they, too, would like to get away from it all and live in America, if they could."

"What a wonderful thing it must be to be an American!" "Yes, what a wonderful thing it is to be an American!" And yet we have reptiles crawling about who would destroy the one free country that the oppressed people of every nation in the world would like to call home!

People in Cuba believe in taking it easy. It is a warm country, but a country not so afflicted with the heat that makes one usually lazy. I stopped at a shoe shine parlor one morning and asked for a shine. The young fellow pulled up a chair in front of the stand, sat down, lit a cigarette, and started to shine the dusty shoes. He had fussed away a few minutes when he discovered that the cushion in his chair was on the stand instead of being in the chair. That required another move towards comfort. Thinking possibly that the exceptional comfort this young fellow was enjoying was a bit unusual, I took occasion to observe other shoe shine stands. All of them had chairs for the young men or women who did the work, no matter whether the stand was inside a building or located on the sidewalk. And wouldn't that be something for the shoe shine workers up in Michigan?

Havana is a city of some 600,000 people or more. That's a pretty good sized place, about four times as big as Grand Rapids. There are probably less than a dozen traffic lights in the city, but not once did I see an automobile accident or evidences of an accident, and cars run this way and that way as though it was nobody's business. The fellow

Civic Committee Plans Musical Concert March 31

Program to Feature Detroit Schoolmen's Chorus and Soloists

The Civic committee will open its spring season of activities with a musical concert to be held at the Plymouth high school auditorium on Monday evening, March 31, at 8 o'clock.

The program will feature the Detroit Schoolmen's chorus of 40 voices and various artists from Wayne university as guest soloists. The chorus, composed of male teachers from the Detroit school system and surrounding vicinity, has a nation-wide reputation, singing at the annual conventions of the National Education association at Atlantic City every year. Their last appearance in this vicinity was a month ago at the meeting of the Wayne Out-County Teachers' Institute held in Northville.

The general committee of the Civic association is sponsoring the musical concert in an endeavor to bring good music with popular appeal to the community. Last April the Civic committee sponsored a musicale by the Ypsilanti Symphony.

Mrs. Anthony S. Matulis is general chairman of the committee in charge of arrangements for the concert, assisted by Mrs. Claude J. Dykhouse, Mrs. Roy E. Crowe, Glenn Jewell, Miss Marion Beyer and Miss Doris Hamill. A ticket committee is functioning separately. Complete details of the plans for the concert will be announced next week.

Sign Ordinance Draws Protests

A group of 35 business men and others attended the special hearing on the proposed sign ordinance before the city commission last Monday evening.

Numerous protests against the proposal were expressed, and the general consensus of opinion among merchants displaying signs on their store fronts was that the ordinance is too stringent and that projecting signs should be permitted within reasonable limits.

Originally drafted to prohibit all projecting signs, the ordinance has been revised several times to eliminate provisions governing signs less than two square feet in area and not projecting more than one foot over building lines on public property.

City Manager Clarence Elliott reports that the city must obtain a legal opinion on one section of the ordinance which provides that bonds offered by owners of signs shall be "non-cancelable without the approval of the city."

Some of the business men appearing at Monday's meeting objected to charging the erecting of signs with a license fee on the grounds that in all probability the fee would be shifted to the merchant. Before its revision recently, the ordinance had passed its first and second readings, and has now been temporarily tabled.

JayCee Announces Election Nominees

Ten nominees have been selected by the nominating committee of the Junior Chamber of Commerce for the annual election of officers and directors to be held on May 7. Five of the following nominees are to be elected at that time to fill vacancies created by retiring board members: Elmore Carney, Lionel Coffin, J. Rustling Cutler, Harold Davis, Fred Koch, Jr., Wendell Lent, Thomas Morgan, Marvin Partridge, Francis Walsh and Ed Laskey.

The retiring members of the board include C. D. Van Vleck, John McLachlan, Byron Becken, Robert O. Wesley and Marvin Terry. The remaining board members are Ralph G. Lorenz, George Todd, Clayton Koch and Charles Wolfe. Thomas Mangan, who replaced Ernest Henry earlier in the year, is also on the slate for re-election.

The nominating committee was composed of George Todd, chairman; Charles Wolfe and Clayton Koch.

Mr. and Mrs. James Gates will celebrate their golden wedding, Sunday, March 23, having "open house" for their relatives and friends from 2 to 5 o'clock in the home of their son and daughter-in-law, Mr. and Mrs. Ross Gates at 1608 Joy road. Mrs. Gates was Emma C. Steffen, of Northfield, Ann Arbor township, when Mr. Gates and she were married 50 years ago. The ceremony took place in the Methodist church in Ann Arbor, the Rev. J. M. Gels-ton performing the ceremony. They were attended by Ella Young Roden, now of Lansing, and John Steffen, brother of Mrs. Gates. Mr. Gates was born in Lithuania. They have one son, Ross, who resides nearby.

Plymouth Resident Appointed County Public Administrator

EARL J. DEMEL

Announcement has just been made of the appointment by Governor Murray D. Van Wagoner of Attorney Earl J. Demel, 2525 North Territorial road, as Wayne county public administrator. Mr. Demel will immediately assume his new duties, which will not conflict with his regular law practice.

His offices are located at 2763 Union Guardian building, Detroit. Attorney Demel has for several years been one of the well known young attorneys of Detroit. For several years he has been a close friend of both Governor Van Wagoner and Gaylord Debut, state public administrator.

Sometime ago the Demels purchased the George Durfee home, situated on Territorial road and recently completed the remodeling of the house into a very beautiful colonial style structure. They plan considerable landscaping about the residence this year.

4-H Clubs Give Program Friday

Boys and girls enrolled in handicraft, clothing, hot lunch, food study, farm electricity and rabbit clubs will exhibit their projects at the 4-H club achievement program to be held at the Wayne County Training school Friday evening (tonight) at 7:30 o'clock.

Health, style and project delegates will be chosen to represent Wayne county at the annual 4-H club camp which is held at East Lansing in June. Two hundred and seventy-five volunteer local leaders have worked in 60 communities with the various projects.

The program Friday evening will include a talk, "Rural School Co-operation," by Fred Fischer, county school superintendent, motion pictures shown by E. I. Besemer, county agricultural agent, and home demonstration work by Miss Emma DuBord, county home demonstration agent. The welcome will be delivered by Dr. Robert H. Haskell, medical superintendent at the Wayne County Training school.

Miss Margaret Eckhardt, county club agent, will introduce the chairman of the evening's program, James Rossman, leader of the Stark school 4-H club. Following music by the Plymouth high school band under the direction of Miss Doris Hamill, the Newburg 4-H club will stage a revue under the direction of Miss Ada Wesson. Members of the Kenyon school club will recite the club pledge, led by Donald Brinks.

Mrs. June Salisbury of the Livonia Center school will lead the group singing. Following Mr. Fischer's speech, Miss Georgiana Reid, head nurse of the Wayne county rural schools will present a health report. Miss Olga Bird, assistant state club leader, will deliver a report of the girls' clubs and M. H. Avery, assistant state club leader, will give a report of the boys' clubs.

Kimbrough Shop Obtains Easy Washer Franchise

Announcement was made this week by R. L. Kimbrough that the Kimbrough Electric shop, at 868 West Ann Arbor Trail has obtained a franchise to sell Easy washers and ironers in this locality.

This week Easy's "National Home Laundry Clinic" by demonstration from the factory is announced in The Plymouth Mail. It is presented free of charge to residents of this locality and serves to solve many wash-day problems and demonstrate Easy washers and ironers.

Mr. Kimbrough invites Plymouth residents to take advantage of the clinic Saturday because the special offers made to those who attend are in force for a limited time only.

Mrs. Frank Coward and sons, Franklin and Dick, of Muskegon, visited friends in the city, Saturday.

Speaker Expresses Alarm at Scope of Nazi Dogma

Professor C. F. Remer Relates Observations Before U. of M. Club

Expressing perplexity at the phenomenon of apparent support to the National Socialist ideal in countries outside Germany, Professor C. F. Remer, speaking before the University of Michigan club in Plymouth last Thursday evening, declared that this war reaches across international boundaries more than the last war. This conflict represents a bid for power and influence, a Weltanschauung, which is more than a nationalistic drive, Professor Remer told a gathering of about 30 U. of M. club members and guests in the Presbyterian church parlors.

In a recital of varied "Conversations in Kiel" with men of all strata, the speaker drew a picture of present-day Germany as a tense and unhappy country in which he found a divided and confused people with no prospect of living at peace. He reported much discontent in Germany, particularly in Munich, Cologne and the northern sector of Germany.

Defining National Socialism as a government in which what is forbidden is compulsory, Prof. Remer stated that accounts received from concentration camps are not overdrawn, and that from his personal observation he learned the National Socialists believe in efficiency to the degree of accomplishing their aims by terror.

"The people of the United States seem to think this war is on another planet," Prof. Remer chafed, claiming that the one chance for keeping American soldiers from participating in combat outside of the Western Hemisphere is a show of strong will on the part of this country toward Germany and Japan. "The feared prospects of a war in both the East and West have been united in a German-Japanese alliance against the United States," he added.

Professor Remer, of the economics department of the University of Michigan, spent a year on leave in 1939 as director of the Geneva, Switzerland Research center and as an instructor at the University of Kiel in Germany, leaving Europe only four hours before the invasion of Poland and the start of the war.

From a conversation with a professor of economics at the University of Kiel, Professor Remer garnered a picture of the shape of things to come under National Socialism.

Inequality among the peoples of the world is the principal tenet of the Nazi doctrine, the anonymous German professor explained to Professor Remer, stating that the strong countries must provide the leadership of the world, and that the world must be run by an executive committee consisting of Germany, Great Britain, United States and Japan.

Another of Professor Remer's conversations was with the head of the research department of the National Czechoslovakian bank who related that severe fines were imposed on villages and individuals for so-called infractions after the German march on Prague.

Professor Remer threw light on the Russian position by explaining that the German-Russo pact was forced by Russia's fear of Japan to the West.

Claude J. Dykhouse, principal of the Plymouth high school, presided as chairman of the discussion, following which Mrs. Thomas Estaman, president of the U. of M. club, spoke briefly. A social program followed the discussion, with Mrs. George A. Smith acting as chairman.

Building Class Studies Lighting

Jack Menig of the Detroit Edison company gave a very interesting talk on proper lighting for the home at the fifth class of a series of courses in home planning and building, being sponsored by the Junior Chamber of Commerce, at the high school last Tuesday evening.

Illustrating his talk with colored slides, Mr. Menig discussed modern lighting effects and demonstrated the use of the "light meter" for testing light candlepower in a room.

The concluding class of the series will be held next Tuesday evening, March 18, at 7:30 o'clock in the high school library, at which time representatives of Blunk and Thatcher's furniture store and Taylor and Blyton's department store will speak on "Furnishing the Home." The classes have attracted many citizens interested in city planning and zoning and building plans for renovating their present homes or for building new homes.

Dr. and Mrs. W. S. Martin of Ludington will arrive today (Friday) for a few days' visit with her sister, Mrs. Ragnar Blomberg.

Robert Willoughby, Sr. Reads of Former Pupil in Columns of Paper

Robert Willoughby Sr. discovered the name of an old friend in the columns of The Plymouth Mail last week when he read the story of the National Education association's convention of school men which was attended by Superintendent George A. Smith at Atlantic City recently.

One of the featured speakers at the convention was Dr. Isaiah Bowman, now president of John Hopkins University, who 50 years ago was a pupil of Mr. Willoughby at the small district school near Brown City, Michigan. It was Mr. Willoughby, teacher in Brown City schools for 15 years, who urged Dr. Bowman's father to give his son every possible educational opportunity, for he recognized him as an apt student with a brilliant future.

Dr. Bowman was graduated from the Ferris Institute and the University of Michigan, and was drafted by President Wilson to accompany him to Europe to help settle territorial disputes after the World War.

Refer Zoning Case to Planning Group

At a special hearing of the Board of Appeals last Monday evening, March 10, the builders of a proposed four-family apartment building on Wing street between Forest and Harvey streets were advised to present a petition for a change in the zoning classification of this property to the planning commission on Monday, March 24.

According to the present zoning classification of this district, the Board of Appeals was obliged to reject a permit for the building, until a change is approved by the planning commission.

The proposed multiple dwelling, to be built by Richard L. Widmaier on property owned by Kenneth Corey, is to be erected on the west half of lot one, block two of the C. R. Kellogg addition, located just west of the Perfection Laundry plant. According to the city's zoning ordinance, the west half of this block is a Class A residential district, and the east half is in a Class B area. Apartment buildings are permitted only in Class B areas.

Some of the Class B residential area in that vicinity was changed to commercial zones during the enactment of the zoning ordinance more than a year ago. On this basis, there may be some justification for a change in the zoning area to permit apartment buildings.

Local Board Calls 47 Men Mar. 28

Plymouth local board No. 61 of the selective service and training program received notice this week that a quota of 47 men will be summoned in the fourth draft call from this district on Friday, March 28.

Those who will be inducted into army service on March 28 include 19 volunteers and 28 selectees. The volunteers are W. Paul Fielden, George M. Walters, James E. Naim, Ferdinand A. Francis, Thomas L. Vantess, and Paul Brose of Plymouth; Lloyd L. Spencer, Francis E. Granza, Joe Spagnuolo, Kenneth A. Martens, Sam P. Bongiovanni, Raymond F. Westphall, Harold E. Card, George W. Westphall, Essie Nirdler and Paul Peterson of Northville; Bill W. D. Gargas of Farmdale and Barton L. Dorniney of Redford township, and Arthur J. Meizler of Farmington.

The selectees include Gerald L. Ford, Carl E. Parsons, Glen S. Fisher, William C. Staman, John I. Kozler, George E. Greene, Casimer Forman, Walter Eskra, Arthur H. Gerlich, Donald A. Burleson and Arvo C. Matson of Plymouth; Waldo A. Ling, A. B. Henry, Charles E. Bishop and Henry A. Stepanovich of Redford; Gerald A. Heening, Fred E. Shelman and Maurice F. Fitzgibbon of Redford township; Floyd L. Eichstadt and Edwin Lee Fish of Dearborn; Jake Hermann and Frank W. Campeau of Farmington; Charles Church, Robert J. Anderson, Edward C. Audet, Joseph S. Meeks and George D. Mitchell of Detroit; and Clayton J. Luttrell of Michigan City, Ind.

These men must report to the local board office at 7:30 in the morning on Friday, March 28, and they will be inducted at Detroit at 9 a.m.

The tentative call for the month of April is for 50 men. The total quota for local board No. 61 is 275 men, and including the next call, a total of 85 men have been inducted from this district.

Auxiliary Plans Dinner and Card Parties

The ladies' auxiliary of the Ex-Servicemen's club will hold a dinner party at the home of Mrs. Melvin Aigue, 1736 Joy road, on Friday, March 21 at 12:30 o'clock. Members of the Ex-Servicemen's club and the ladies' auxiliary also plan an evening card party at the home of Mrs. Harry Mumby, 478 Ann Arbor Trail on Saturday, March 22 at 8 o'clock.

State and Local Amendments Head Ballot in April 7 Election

Two Important State Proposals to Be on Ballot

Seek to Limit Voters' Constitutional Right to Sign Petitions

Two important state amendments to the state constitution demand the study and attention of voters in the spring election on April 7. In addition to the amendments, the following state officers are to be elected: State highway commissioner, superintendent of public instruction, a member of the state board of education, two members of the board of agriculture for Michigan State college, two regents for the University of Michigan, two justices of the supreme court, 17 circuit judges, a circuit court commissioner, and a county auditor.

Two proposed amendments to the State Constitution will also appear on the ballot. Proposal No. 1 is "Shall the Constitution be amended to provide that amendments to the State Constitution may be proposed by petitions of qualified and registered electors; to provide for the determining of the validity of such petitions; to provide for the regulation of the circulation of such petitions; to provide that the legislature may prescribe penalties for the affixing of any fictitious or forged name to any petition; and to provide for the summarization of such amendments on the ballots for submission to the electors?"

Proposal No. 2 is "Shall the Constitution be amended to provide that initiative and referendum petitions be signed by qualified and registered electors; to provide for the determining of the validity of such petitions; to provide for the regulation of the circulation of such petitions; to provide that the legislature may prescribe penalties for the affixing of any fictitious or forged names to any such petitions?"

Aimed at the alleged practice of filling in names from the city directory to petitions, both proposals are regarded as containing greater evils than those which the amendments seek to correct. Considered within the broad aspects of citizenship, the proposals represent a limitation upon the privileges of voters by requiring that persons signing petitions must be not only "qualified" but "registered" voters. Exponents of good government see in the proposals an attempt to protect private loan interests as well as complications involved in providing machinery to check the validity of all petition signatures.

Kiwanians Enjoy Motion Pictures

Judge Bader, municipal judge of Highland Park, presented moving pictures of some of his fishing trips at Eagle Lake in northern Ontario, before the Kiwanis club meeting last Tuesday evening. Judge Bader spoke about the fine roads in that vicinity, some now being built with American money. Earl Mastick was chairman in charge of Tuesday's meeting.

Russell Roe, chairman of next week's meeting, announces that Earl Mastick of the Wall Wire Products Company will appear as guest speaker.

Women Voters Plan Luncheon

The second annual League of Women Voters luncheon will be held in the Crystal room of the Hotel Mayflower on Friday, March 28, at 1 o'clock. There will be two guest speakers on the program, Mrs. Bess M. Garner of Detroit and Lansing, and Mrs. Hazel Moran of Wayne and Detroit. Mrs. Garner will speak on "Women and Government." Both of these women are lawyers and excellent speakers.

The members of the Plymouth league in charge of the luncheon are Miss Mabel Spicer, luncheon president; Mrs. David Mather, secretary; Mrs. C. J. Dykhouse, treasurer; Mrs. Cadot, secretary for missionary education; Mrs. Edward Dobbs, secretary for missionary literature; Mrs. A. S. Matulis, program chairman; Mrs. George A. Smith, hospitality committee; Mrs. Glenn Gordon, flowers committee, and Mrs. Leslie Daniel, devotions.

Charter Changes Obscure City Political Contest

Changes Concern Municipal Judge and City Commissioners

Six proposed amendments to the charter of the city of Plymouth will be submitted to the electors of the city at the spring election on April 7, which promise to evince more interest than the local political contest for offices.

Three of the proposals concern the qualifications, salary and hours of the municipal judge, two will affect the qualifications and salary of the city commissioners, and another concerns the purchasing functions of the city government.

The local officers to be elected include three city commissioners, one constable, and one municipal judge. It is reported that Leroy Reiman has voiced his intention to run for the office of constable in place of the late George Springer who died three weeks after filing petitions for re-election. Voters may fill in the name of qualified candidates for the office of constable.

Candidates for the office of city commissioners include George Robinson, L. E. Wilson and Warren Worth, incumbents, and Robert Joffile and Dunbar Davis. The only declared candidate for the office of municipal judge is J. Rustling Cutler.

The proposed amendments regarding the office of the municipal judge seek to eliminate the collection of fees in civil cases by the justice, and to standardize the requirements for the office by establishing regular fixed wages, hours and meeting place for the municipal court, making for greater efficiency in judicial affairs.

Proposal No. 1 provides that the municipal judge shall receive an annual salary commensurate with his work, no less than \$600 and no more than \$1500 a year, the exact salary to be fixed by an ordinance of the city commission. The amendment would also provide that all fees collected by the justice under all criminal and civil cases should be turned over to the treasurer of the city of Plymouth and be placed in the general fund.

The municipal judge is now paid \$400 a year and collects all fees in connection with civil cases. The municipal judge to be elected in April at the same time the charter amendments are voted upon is to receive a salary of \$1,000 a year payable monthly.

Proposal No. 2 provides that the municipal judge shall devote not less than eight hours a week to the work of his office, and that he shall hold court at regularly established hours and place set by him with the approval of the city commission. The present charter provision calls for a minimum of six hours of work a week, although the actual work involved entails more time.

Proposal No. 3 provides that any person elected municipal judge of this city must be an attorney admitted to practice law in the supreme court of this state immediately preceding the date of his appointment or election, be a freeholder in the city, at least 25 years of age when elected or appointed, and shall have been for a period of five years a resident of the city.

Dramatics Alumni Hold Reunion Party

The cast of a home talent play, "Star Bright," produced by the Plymouth dramatics club about 15 years ago, enjoyed a reunion party at the newly remodeled home of Mr. and Mrs. Arthur Blunk on Haggerty highway last Saturday evening.

The dramatics club alumni enjoyed a delicious buffet supper and renewed old acquaintances. L. L. Ball brought his ever-ready camera to the gathering and took several group and individual shots of the members of the cast. It was suggested that in honor of the presence of B. E. Giles, ex-postmaster and member of the group, the guests should play some of the old-time games, especially "Tut-tut-tut." But Mr. Giles, with one eye on his wife, claimed that he was "getting too old" for such frivolity.

Those present at the reunion were Mr. and Mrs. Arthur Blunk, Mr. and Mrs. Frank Dicks, Mr. and Mrs. George Atchison of Novi, Mr. and Mrs. L. L. Ball, Mr. and Mrs. J. R. Wawer and Mr. and Mrs. B. E. Giles.

Six Persons Are Injured Seriously in Head-on Crash

Climaxes Series of Serious Accidents on Plymouth Road Cut-off

Mrs. Amanda L. Herzog died in Eloise hospital Thursday, and Miss Mina Hand is reported in a critical condition.

Six persons were seriously injured in a head-on collision Tuesday morning when Walter W. Renwick, engineer at the Detroit House of Correction, driving to his home in Detroit after working a night shift, lost control of his car as it skidded on the slushy snow on the Plymouth road cut-off. Renwick's car went off the pavement at the bottom of the dip and skidded into the path of oncoming traffic as he tried to return to the road.

Renwick's car crashed into another car driven by Henry Cogan, in which four fellow employees at the Burroughs Adding Machine plant were riding to work. The injured passengers include Miss Mina Hand, Mrs. Pearl M. Stamats, Mrs. Julia M. Guthrie, who each suffered broken legs, Mrs. Amanda L. Herzog who has a possible skull fracture and Renwick who received several fractured ribs. All of the injured are in Eloise hospital. Mr. Cogan, whose glasses were broken, escaped with bruises and lacerations.

Tuesday's crash climaxed a series of serious accidents which have occurred at the same place on the Plymouth road cut-off. The spot is particularly dangerous because of a dip and a bend in the road. It is promised that some action toward eliminating the hazard will be sought from the Wayne County Road commission.

Auxiliaries Hold Joint Meeting

The Presbyterian Women's auxiliary of Plymouth was the guest of the Presbyterian ladies' auxiliary of Rosedale Gardens at a meeting last Wednesday evening, March 12.

Mrs. Walter Nichol was program chairman of the meeting and Mrs. Edward Dobbs in charge of devotions. Following a speech of welcome by Mrs. S. A. Francis, president of the Rosedale Gardens auxiliary, Mrs. Maxwell Moon, president of the Plymouth club, responded with greetings of the club.

Miss May Taylor, missionary in furlough from the Cameroons in West Africa, which is under a French mandate, spoke on "This Changing World." Miss Doris Hamill, accompanied by Mrs. Maurice Woodworth, presented a violin solo, following which the members of both groups enjoyed tea.

The following new officers of the local auxiliary of the Presbyterian church presided at Wednesday's meeting: Mrs. Maxwell Moon, president; Mrs. Leslie Daniel, first vice-president; Mrs. A. S. Matulis, second vice-president; Mrs. William Kaiser, third vice-president; Mrs. David Mather, secretary; Mrs. C. J. Dykhouse, treasurer; Mrs. Cadot, secretary for missionary education; Mrs. Edward Dobbs, secretary for missionary literature; Mrs. A. S. Matulis, program chairman; Mrs. George A. Smith, hospitality committee; Mrs. Glenn Gordon, flowers committee, and Mrs. Leslie Daniel, devotions.

Did You Know That

Blunk & Thatcher have a complete line of Bendix washers. See them today.

Lenten tea and lecture on "Chma" by Mrs. Platt, also display of various Chinese articles. Refreshments, St. John's Episcopal church, March 20, 2 p.m.

Garden Clubs Enjoy Luncheon

Nearly 160 members of the Northville, Plymouth and Rosedale branches of the Woman's National Farm and Garden association, enjoyed the annual spring luncheon and program held Monday in the Crystal room of the Hotel Mayflower.

The luncheon tables were centered with spring bouquets in green and white. Mrs. William King, president of the hostess group, introduced Mrs. Claude B. Resseguie, of Saginaw, state president, who gave a brief talk on the work being accomplished by the association.

Dr. Edwin B. Main, of botany and director of the University of Michigan herbarium, and Mrs. Main were introduced. Dr. Main's talk on "Color in the Garden" was accompanied by colored slides with Mrs. Main very ably assisting.

All of the flowers shown were taken in their gardens in Ann Arbor, which were many and beautiful. They showed the arrangement of various kinds of flowers and shrubs, both in color and height. Many were shown singly which gave a much better idea, especially that of the pansy. One very unusual flower was the pink poinsettia.

Dr. Main explained that pictures of flowers in the blue shades demand much more care in photographing for if over exposed they will more than likely develop a pink shade.

A vocal trio, composed of Mrs. Maxwell Moon, Mrs. William King, Alister and Mrs. John L. Olmstead, delighted the guests with two selections, "Lullaby and Good Night," by Brahms, and "To a Wild Rose," by MacDowell.

The April meeting of the Plymouth group will take place at the hotel when Mrs. Luther Peck will be hostess. The following committee will assist:

Mrs. Ralph J. Lorenz, Mrs. A. C. Dunn, Mrs. Louis Truesdall, Mrs. William Hartmann, Mrs. Ernest Tarall and Mrs. William S. Bake. The speaker will be Patricia Roberts, of Detroit, whose subject will be "Floriculture as a Hobby and Career."

Mrs. William Johnson of Grand Rapids visited Mrs. James Riley, Wednesday and Thursday.

Mr. and Mrs. Ferris J. Mathias announce the arrival of a daughter, Sally Jo, March 5, in the University hospital. Both mother and baby are doing nicely.

Mr. and Mrs. Emory Holmes and daughters, Kathryn and Barbara Jean, of Detroit, spent Sunday afternoon and evening with their parents and grandparents, respectively, Mr. and Mrs. C. V. Chambers.

Mr. and Mrs. Alfred Gates, of Ypsilanti, Mr. and Mrs. Erwin Gates and family, of Pontiac, Mr. and Mrs. Roy Gates and family, of Pontiac, were Sunday dinner guests of Mr. and Mrs. Fred Gates.

« Society News »

Mr. and Mrs. L. H. Goddard were dinner hosts, Tuesday to Mr. and Mrs. George M. Chute after which they attended the lecture series in Ann Arbor, when Admiral Yates Sterling, former chief of staff of the United States fleet talked on "American Sea Power in the Atlantic and the Pacific." Others attending from Plymouth were Mr. and Mrs. George A. Smith, Mr. and Mrs. Claude J. Dykhous, Mr. and Mrs. Anthony Matulis, Mrs. Richard Olin, Mrs. Arthur Hagar, Miss Neva Lovewell, Mrs. Nancy Holliday, Miss Ursula Caray, Miss Edna Allen, Miss Irene Walldorf, Miss Evelyn Fry, Miss Gertrude Fiegel, Miss Sara Lickly, Miss Helen Willis, Miss Ingeborg Lundin, Mrs. Nell Curry and Mrs. M. A. Arnold.

Mrs. Willard Geer was given a most pleasant surprise, Wednesday, when a large group of friends, invited by her daughter, Mrs. Emily Smith, of this city, and Mrs. Samuel Dixon, of Ypsilanti, joined her at luncheon in celebration of her birthday. A most delightful afternoon was spent with Mrs. Geer. Those present from Plymouth were Mrs. Forest Smith, Mrs. William Kaiser, Miss Chloe Powell, Mrs. Robert Chappell, Mrs. Charles Chappell, Mrs. John Root, Mrs. Roy Ceecon, Mrs. Charles Bent, Jr., Mrs. Harold McClumpha, Mrs. Willoughby Wiscley, and Mrs. William Taylor of Detroit, and several from Ypsilanti.

Mrs. Mary Tibbitts, of Ann Arbor, who for so long was an employee in the Taylor & Blyton store, was honored with a dinner party in the home of Mr. and Mrs. Blyton, Wednesday evening of last week, when the following guests were present: Mrs. Charles Good, daughter of Mrs. Tibbitts, of Ann Arbor; Mrs. Zella Livingston; Mrs. Harold Young, Mrs. Clifford Cline, Mrs. Leslie Evans, Mrs. Donald Potter, Sarah Gayde, Dorothy and Lucille Price and Betty Knowles. Mrs. Tibbitts was presented with a lovely gift from the ladies.

Mrs. Rockwell Smith, Norma Coffin and June Bekovell, joint hostesses, Wednesday evening, at a miscellaneous shower for Betty Smith, given in the home of the former on Ann Arbor road. Games were played and refreshments served. Lovely gifts were received by the honoree. Those present besides Miss Smith were Mrs. Oscar Matts, Jr., Mrs. Donald Schille, Lucille Price and Mrs. Harry Shoemaker, Jr.

A Pontiac tells you all about itself

except **how little it costs!**

YOU DON'T NEED us to tell you what a whole of a car the Pontiac "Torpedo" is. The new Pontiac speaks for itself—and it tells you clearly that a smarter, roomier, sweeter-acting car will be hard to find.

The only time this Pontiac needs our help is when somebody says, "It's too high-priced for me." That's when we go to work, and here's what we tell them: With all of its size, its beauty, its "expensive" look, Pontiac's prices are so close to the "lowest-priced three" that the difference is only a few dollars per month.

SIZE AND LUXURY. Not will you get any impression of low cost from the roominess and luxury you find inside its handsome body by Fisher. Pontiac is tailored and fitted to compare favorably with the finest cars on the road.

COMFORT. You will never guess from a ride in a Pontiac that it's a low-priced car. Pontiac's perfected "Triple-Cushioned Ride" is conceded to be without equal in any car at any price. You can go on and on in a Pontiac... and step out relaxed and rested at the end of the trip.

ECONOMY. When you own a Pontiac, however, you realize that it's a tight-fisted miser with gas and oil and remarkably trouble-free in the bargain.

For the same amount of electricity, you can get **TWICE THE ILLUMINATION** by using new fluorescent tube lights in your factory, store or office. But a word of caution is advisable:

Fluorescent lighting is so new and there are so many fixtures on the market, so many claims being made, that it is hard for the inexperienced buyer to know what to buy. At present fluorescent fixtures are more expensive than other types, and special auxiliary equipment is needed to operate them, so that getting your money's worth is especially important.

Our experienced lighting staff will be glad to give you full information about this revolutionary new lighting. Call any Detroit Edison office. There is no charge or obligation. INSTALLMENT NINE
The air! Washington was bombed and the President killed. General Brill, commander of the army in Texas, reported to General Hague at Washington that he was opposed by greatly superior forces. General Hague told him to resist the enemy's advance at all costs. Brill ordered Captain Bolt to lead the 11th U. S.

Infantry into position for battle. Bolt's motorcade was ambushed by a terrible force of heavily armed aircraft, but he ordered the men to abandon their trucks when he observed twenty more planes approaching. Further resistance seemed useless to him.

Famous Piano Duo to Close Series

The internationally famous piano duo of Jacques Fray and Mario Braggiotti will be the closing attraction of the Detroit Town Hall in the Fisher theatre, Wednesday, March 19, at 11 a.m.

The team was brought to America by George Gershwin for whom they played a number of concerts on the continent, and several command performances for the Prince of Wales and the King of Spain in 1929.

Fray and Braggiotti met and merged their talents in Paris 12 years ago. Mr. Fray was a friend of Maurice Ravel at the Sorbonne, and it was largely at Ravel's insistence that he forsook the study of banking and finance to follow music.

These two young men pioneered against the flat treatment of two-piano music as exemplified in two-piano works of even the greatest composers—developed a rich, orchestral treatment of their own. They select their programs from their own entirely original two-piano library which ranges from Bach to Gershwin.

They were the first to create a popular demand among radio listeners for the one-time unfamiliar music of Debussy, Ravel, Stravinsky and De Falla which they played repeatedly over nationwide networks. In their New York debut at Carnegie hall in 1940 they pioneered again, being the first to bring humor to the concert stage, with their take-offs on famous composers, using "Yankee Doodle" as their principal theme.

They will offer their famous "Yankee Doodle" in the manner of Bach, Beethoven, Chopin, Debussy and Gershwin, in their Town Hall program; also Ravel's "Bolero" and George Gershwin's "Rhapsody in Blue." Among their serious numbers will be Bach's "Organ Fantasy" and "Liebestod," Wagner's "Tristan and Isolde," Debussy's "L'isle Joyeuse" and Moussorgsky's "Coronation" from "Boris Godunoff."

Schepple Plans Holstein Show

(By E. I. Besmer)
A committee of dairymen headed by Roy Schepple, of the Wayne County Training School are working on plans for a black and white show, featuring the Holstein breed of cattle.

"A larger number of good bulls is being proved in Michigan each year," said A. C. Baltzer, in charge of dairy extension, Michigan State College, at a meeting held on February 28 at Wayne high school.

The reason for this, Baltzer pointed out, is that dairymen are becoming more appreciative of the true worth of proved sires. Dairymen are joining dairy herd improvement associations so as to test out the daughters of the sires, they are building bull pens to keep the bulls in safety and in good health. And dairymen are taking the other fellow's proved or partially proved sire when available by trading bulls even up.

Getting a "baby bull calf," a son of a proved sire, helps the little dairymen with a grade herd to get at small cost a young bull that should improve his herd. That dairymen appreciate the possibilities of this project is shown by the fact that at least 150 or more were placed last year, Baltzer said.

This meeting is one of the last of the winter dairy school series according to County Agent E. I. Besmer.

That brome grass and alfalfa can live together in peace and harmony was brought out at a meeting held on March 6 at Wayne high school, according to County Agricultural Agent E. I. Besmer.

Dr. C. M. Harrison, of the farm crops staff, Michigan State College, explained how the brome-alfalfa pasture worked out to satisfy the cow's hunger, diminish danger of bloat and offer low priced feed.

City of Plymouth Plans to Study Municipal Insurance System

The city of Plymouth will undertake a study to determine the advisability of adopting a municipally-financed system of compensation and liability insurance for city employees and car insurance for city owned vehicles very soon. City Manager C. H. Elliott expressed interest in the plan following a discussion of the matter at the mid-winter meeting of the Michigan City Managers held at Grand Rapids last Wednesday, Thursday and Friday.

"Money in the Bank" was the title of a talk by J. Bryan Sims, superintendent of public works at Grand Haven where the plan has been in successful operation since 1917. Mr. Sims reported that Grand Haven has saved \$50,000 through its municipal insurance plan during the last 22 years. Instead of paying insurance money to private companies for the protection of city employees and city property, the Grand Haven plan calls for setting up a city insurance fund from which claims are paid to the employees. The insurance rates are based upon the city payroll. With the insurance fund, the city is enabled to buy first class securities with which to perpetuate the fund. The plan as outlined by Mr. Sims is now in operation in about a dozen cities in the state.

The city of Plymouth now pays out between \$2,000 and \$2,500 a year in insurance, according to City Manager Elliott, who announced he plans to study the money-saving possibilities of the municipal plan. It is pointed out that under the present system, insurance rates are raised for several years following a severe accident.

On the same program was a discussion of city fire insurance, described by Herbert A. Olsen, director of the Michigan Municipal League, as a "review of the generosity of cities which have paid enough insurance to build the Panama Canal." Pointing out the tremendous cost of fire insurance for public buildings, Mr. Olsen claimed that only 12.5 per cent of the cost of fire insurance paid by cities throughout the United States is ever returned to the holders of policies and only 8.1 per cent in cities in Michigan. The speaker declared that a uniform rate for public and private buildings is unfair, that public buildings are as a rule less hazardous fire risks, and that public buildings should be classified separately with the state carrying insurance on them.

A review of pending legislation in Lansing, entitled "What's Gone Into the Hopper and What Ought to Come Out," was presented by A. Edward Brown, St. Joseph attorney.

A scathing attack on the Michigan intangibles tax law was delivered by Kenneth J. McCarren, member of the Detroit board of assessors, before the convention of city managers last Friday. McCarren claimed that persons of great wealth may escape taxation by such legal loopholes as

the imposition of tax only on properties held outside the state, a "ceiling" setting a maximum total tax levy, the negligible rate fixed upon so-called "non-productive" securities, the \$3,000 exemption and \$7 tax deduction on bank deposits.

For purposes of comparison, McCarren stated the owner of a home, assessed at \$4,000, which produces no income or revenue, would pay \$112.32 city taxes (in Detroit) and \$20.61 county taxes, or a total of \$132.93. On the other hand, such staggering amounts as 166,000 shares of Chrysler Corporation common stock with a market value of 12 million dollars paying a dividend of \$900,000 a year must be held by the owner of intangibles to render him liable to a tax of \$132.93.

"A poor man buys 10 loaves of bread for \$1 and pays a sales tax of 3 cents. In order to be liable for a tax of 3 cents, the owner of intangible property would have to declare 27 and a half shares of Chrysler Corporation common stock with a present value of \$27,000," said McCarren.

He recommended as amendments to the present law the removal of the "ceiling" and a tax levy at the rate of six per cent; the taxation of Michigan and non-Michigan corporations alike, making no allowance for property located outside the state; a boost in tax on "non-productive" stocks, and a listing by every Michigan corporation with the state of its resident stockholders.

City Manager Elliott participated in a discussion of the inservice training program, for which he instructs a class in "Techniques of Municipal Administration" every two weeks at Birmingham.

A representative of the Michigan state police spoke on a school plan for training new recruits of local police departments and for co-ordinating state and local police, putting all police on a uniform level with the state police department.

The average driver in the metropolitan Detroit area put about 11,300 miles on his speedometer in 1940, according to a survey just made. This is 1,000 miles more than in 1936 and 1,300 miles more than the state average.

Charles Durow has been confined to his home with an injured leg.

Mrs. William Shipley was given a happy surprise by her children and grandchildren, Sunday afternoon, March 2, in honor of her seventieth birthday. A delicious dinner was served and many useful gifts were received.

Mr. and Mrs. James Reuchler were in Ann Arbor, on business Saturday.

Sunday callers at the Charles Stacey home were Mr. and Mrs. A. Almus and Mrs. Dyer C. Baird of Detroit, Mrs. Harry Stanley of Plymouth, and Mr. and Mrs. Leo Heintz and family, of Tower road.

Mrs. Ralph Wilson, of Seven Mile road, and mother, were in Northville, Saturday afternoon.

Mrs. Clayton Willets of Charlotte, visited Mrs. Lucia Stroth last week Friday.

The moving picture, "King of Kings" will be shown at the Congregational church next Sunday evening, March 16, at 7:30 p.m. A free-will offering will be taken.

Mrs. Alta Opdycke was hostess Monday evening in the Albert Ryder home to the members of the Willing Workers class and their husbands.

The Federated Ladies are rehearsing each week for a home talent play "Simple Simon" which will be presented in April.

Visitors of Mrs. Julia Foreman Sunday were Mr. and Mrs. Hugh Foreman and Mr. and Mrs. Merrill Renwick and family, of South Lyon; Mr. and Mrs. Charles Clark, of Lansing, and Mr. and Mrs. Zach Foster, of Detroit.

Mrs. Julia Foreman visited Mr. and Mrs. James Dicky of South Lyon Thursday evening and Friday of last week.

Eight Balls of Fire

and how they can travel!

If you like fireworks, and who doesn't, it's really too bad you can't see what goes on inside that sparkling big Buick FIREBALL eight that romps you so easily down the broad highway.

There you'd see eight busy cylinders, with pistons flashing up and down...

You'd see each fuel charge packed tight into a tiny bundle shaped like a flattened ball...

You'd see the spark leap, the flame spread, the piston thrust down with extra force as each furious fireball lets go its pent-up wallop.

You'd see all this happening as fast as thirty times a second in each of those eight cylinders—and we think you'd understand then just why there's such a special and exciting satisfaction in the way a Buick travels.

Gasoline gives up more of its power when it's packed as tightly as it is here.

That special, flattened-ball shape of the compressed fuel charge means smoother, better burning, full focus of the power on the piston head, where it counts.

You travel farther on every gallon and you travel more pleasurably.

You travel—but, shucks! Why listen to talk when there's a Buick dealer nearby waiting to show you how you travel behind a FIREBALL?

So when you've got these eight balls of fire working busily under the bonnet, you really travel!

You travel—but, shucks! Why listen to talk when there's a Buick dealer nearby waiting to show you how you travel behind a FIREBALL?

Fisherman Tells Honest Fish Story

Discovered—one honest fisherman! Maybe it would be proper to say, fishing lady!

She frankly confesses that she has not yet caught the biggest fish ever taken out of the pond—that no poles or scales were ever broken in landing the whopper or in trying to weigh it. No, sir, nothing of the kind.

But she says she is GOING to catch it.

And that's something new in the pantheon of the followers of Isaac Walton.

This honest fisherman is Miss Neva Lovewell, who, when a babe, so the story goes, played

with fish hooks instead of dolls. Miss Lovewell has a summer home up on Drummond Island, not so far from the summer home of former Governor Chase Osborn. Every now and then, say the natives, Miss Lovewell hobnobs with old Chief Polkum, and members of his tribe who seem to know where every big fish spends the winter and summer.

But about that fish, Miss Lovewell truthfully says she has not caught—there's a great northern pike that lives right in front of her cabin.

Yes, sir, that pike is five feet long, if it's anything. I presume it weighs somewhere around 50 or 60 pounds. I've had him on my line, but I have never got him in the boat. This summer or next summer, we'll tell a different story. I'm going to catch that fish, then you can write something about a school teacher catching a real fish." Miss Lovewell advised the fishing editor the other day.

Former Plymouth Boy to Deliver Sermon

Rev. Howard Burden, formerly a Plymouth boy, now pastor of Henderson Methodist church, Detroit, will occupy the pulpit of the Plymouth Methodist church, Sunday evening, at 7:30 o'clock. His subject will be "Interpreters for Christ." Mrs. Robert Edmiston will furnish music on the vibra harp.

Easter Seal Sale Begins March 21

The eighth annual sale of Easter seals for the aid of crippled children will open on Friday, March 21 and continue to April 13, Easter day. The campaign is conducted by the Michigan Society for Crippled Children, of which Russell Daane, vice-president of the Plymouth United Savings bank is district secretary-treasurer. Robert Willoughby is local chairman of the Rotary committee for aid to crippled children, directing the local campaign.

"The Michigan Society for Crippled Children is concerned with services to crippled children in ways that will provide the best possible care for the greatest number," reports Emmet Richards of Alpena who is president of the society, "and even with an enlarged appropriation there will remain many things to be done that cannot be done by the state. This year, and for many years to come, we will be confronted with opportunities for service to crippled children growing out of the 1940 infantile paralysis epidemic.

"We have supplied large numbers of braces, casts, artificial limbs, wheel chairs and orthopedic shoes all over the state. Our aim and desire is always to be ready to serve in emergencies, but the Michigan society does not only concern itself with those crippled by infantile paralysis; we include services to that large army crippled from other causes as well. Another project of importance is our program to place iron lungs at strategic points throughout the state for prompt shipment anywhere that they may be needed within the gossamer territory," said Richards. You may help in this work by your purchase of Easter Seals.

Obituary

GEORGE A. GROTH
George A. Groth, well known resident of Plymouth, died at his home, 173 North Harvey street, Wednesday, March 5. He was the son of John and Bertha Groth. Born at Salem, February 18, 1888, he was married to Elizabeth Helen Geigler, June 15, 1927. He leaves his wife, three brothers, one sister and a large number of relatives and friends. The funeral was conducted from the Heene funeral home, Farmington, by the Northville Masonic lodge, No. 186, Rev. S. S. Clonson officiating. The pastor spoke words of comfort to the family. The large and beautiful floral offerings spoke mute evidence that he will be greatly missed not only by his family, but by many friends. Interment was made in Thayer cemetery, Salem.

CARL C. RENGERT
Carl C. Rengert, who resided on Joy road, Salem township, passed away Thursday evening, March 6, at the age of 89 years. He is survived by his widow, Mrs. Minna A. Rengert, two sons and four daughters, Mrs. Robert Gardner, Charles and William Rengert, all of Plymouth; Mrs. Anna Koeller and Mrs. Lena Peterson, both of Ypsilanti; and Mrs. Minnie Coates, of Aurora, Illinois; seven grandchildren and one great grandchild; a sister, Mrs. Marie Bona, of Berlin, Germany. The body was taken to the Schneider funeral home, Plymouth. Funeral services were held at Monday, March 10, at 2 p.m. at the Emmanuel Lutheran church at Ypsilanti. Interment was made in Highland cemetery, Ypsilanti. Rev. Hugo Fenker officiating.

Robin Comes to Town Early in the Week

Maybe this is not the first robin story—but it is a robin story, nevertheless. Mrs. Albert Trinkaus, 1022 Holbrook avenue, saw a robin in her yard Tuesday forenoon. Yes, sir, the robin had every appearance of having just arrived from the sunny South where it has been spending the winter. Mrs. Trinkaus feeds birds during the winter, and the robin, apparently noting the many other birds that were about the yard, joined with them to enjoy a sumptuous breakfast of sunflower seed, cracked corn and wheat.

Mrs. Walter Ebert has also reported the arrival of a cardinal at her home at 327 Farmer street.

Mother of P. W. Carley Is Seriously Ill

According to information received from P. W. Carley who was called to St. Paul, Minnesota recently by the serious illness of his mother, her condition is exceeding grave. Mrs. Carley recently fell on the ice, fracturing a hip. After removal to the hospital she became ill with pneumonia and attending physicians are fearful of the results. Both parents of Mr. and Mrs. Carley were visitors here during the last summer.

Wesley Bakewell Now in The Navy

Wesley Bakewell, son of Mr. and Mrs. G. A. Bakewell of Plymouth road, who recently enlisted in the United States navy, is now located at the Great Lakes Training station just north of Chicago. He expects to be there for several months before being transferred to the fleet.

In letters his parents and friends have received, the youthful naval volunteer states that he is thoroughly enjoying his new kind of life, likes the food and the routine of naval training.

City Manager Speaks at Tecumseh Tuesday

City Manager Clarence Elliott addressed the Rotary club of Tecumseh, last Tuesday afternoon on "The City Manager-Commission Form of Government." It is part of the Rotary club program of that city to acquaint the townspeople with the city-manager commission system and to promote the adoption of it in Tecumseh. Following Mr. Elliott's talk, members of the club conducted a discussion, question-and-answer period.

Charter Changes Political Contest

(Continued from Page 1)
successive years preceding the municipal election at which he shall be a candidate. During the term of office if a municipal judge ceases to be a free-holder or a resident of the city, he shall immediately be disqualified from holding office.

Proposal No. 4 provides for the purchase of large lots of goods or materials for the city at quantity discounts, thus saving the taxpayers money. No contract involving an expenditure of \$500 would be awarded except upon the approval of the city manager and the city commission.

Proposal No. 5 is merely a clarification of the qualifications

for candidates to the city commission, which states that "no person shall hold any elective office under this charter unless he shall be at least 25 years of age, a citizen of the United States, a free-holder of the city for at least two years, and a resident thereof for at least two years prior to his election."

Proposal No. 6 provides for the increase of the salary of the city commissioners from \$3 to \$5 for each meeting of the commission which they attend during their term of office, providing there are no more than 52 meetings in any one year. This payment shall be made from the general fund in the city treasury. Said officers shall receive no other compensation for services performed for and on behalf of the city during their term of office, provided that in no case shall commissioners receive compensation for any meetings not actually attended.

CLEAN, PURE FOODS!

The Purity Market, during all of the long years it has served its hundreds of patrons in Plymouth, has maintained one of the highest standards of clean, pure, unadulterated meats and foods.

Our record has time and again won praise from both city inspectors from Detroit and state inspectors. We are proud of our record.

Because we provide meats for one of the great tuberculosis sanatoriums where patients from the city of Detroit are cared for, it is necessary that our market and its supplies be constantly inspected by the city of Detroit as well as the state of Michigan.

Yes, we are proud of the fact that NEVER ONCE in all of these years have the diligent, careful and alert public inspectors had reason to complain about our products—but on the other hand, have time and again given us words of praise.

It pays to do the right thing—that's why our customers come back to Purity Market year after year.

TOUGHER STRONGER SAFER
THE NEW *Safty-Sured* Firestone
DeLuxe CHAMPION TIRE

HERE is a tire entirely new—Firestone's 1941 contribution to highway safety! Here's more of everything you NEED in a tire—more non-skid safety, more protection against blowouts, more mileage than we've ever built into a tire—and at a NEW LOW Trade-In PRICE.

MORE NON-SKID SAFETY

The new Gear-Grip Tread has 3,456 scientifically placed sharp-edged angles that wipe the road dry and grip it firmly for emergency stops and non-skid starts.

LONGER NON-SKID MILEAGE

The tread is flatter, wider, deeper and made of a new type of rubber compound so tough, so durable that it adds thousands of safer miles to the life of the tire.

GREATER PROTECTION AGAINST BLOWOUTS

The new Safty-Lock, Gum-Dipped cord body gives greater protection against blowouts.

Bread for the workers of Michigan

Modern methods and constant improvements of seed result in the high yield of wheat on Michigan farms. Among the new varieties introduced by Michigan State College is Bald Rock, a hardy, red, beardless wheat, well adapted to the climate.

YEAR after year some 900,000 of Michigan's fertile acres are sown to the great staple food crop—wheat. And most of it is winter wheat. Good farming methods, an intelligent State Government and an alert Michigan State College, have steadily increased the yield per acre. In 1910 it was 45% above the national average.

Swift, low-cost communication helps the Michigan farmer make a profit on his wheat. By telephone he can get advice from his County Agent, order seed and fertilizer, arrange for harvesting and threshing crews, and sell his grain and straw to advantage.

Bread is the food of industry—a vital factor in national emergencies. Your Bell Telephone Company serves the nation's defense by bringing increased efficiency to the growing, storing, milling and marketing of wheat.

Wheat is the trainload for Michigan-made bread and breakfast cereals. Agriculture and industry are closely linked in this state, and the telephone serves them both.

Bakewell to Open New Subdivision Early in Spring

To Plat Farm Property at Corner of Plymouth and Newburg Roads

According to an announcement being made in an advertisement in this week's issue of The Plymouth Mail, by G. A. Bakewell, a new subdivision located at the northeast corner of Plymouth and Newburg roads, will be opened for public sale probably early in May.

The 80-acre property, generally known about here as the old Barlow farm and more recently a part of the late George Robinson estate, is an ideal location for the purposes to which it is to be used. Excellent highways surround three sides of the property, the Plymouth road lying along the south side, the Newburg road along the west side and the Amherst road along the north side of the property.

Mr. Bakewell says the frontage of each lot will not be less than 64 feet, that each lot will be more than 150 feet deep and that every FHA requirement as to public improvements will be met.

With this subdivision, Mr. Bakewell will have at his disposal more than 600 building sites in and around Plymouth. He has been a resident of this locality for more than 40 years, and for nearly 20 years has been a well known real estate broker. He has been active in various Plymouth public affairs. He declares that the real estate development prospects in and about Plymouth right now are the best he has ever known during all the years he has been in the real estate business.

Relatives of Local Resident Celebrate Double Anniversary

Relatives of Miss Susan Thurman of West Ann Arbor Trail celebrated a double golden wedding anniversary last Tuesday, March 4 in Plattsburg, Missouri. The two couples were Mr. and Mrs. Walter Thompson and Mr. and Mrs. T. A. Hulien who have lived in or near Plattsburg since childhood. Mr. Thompson's cousin was the late E. S. Thurman, father of Miss Thurman who had always lived near Newburg. Mrs. Thompson and Mrs. Hulien are sisters.

More than 700 guests from all parts of the United States attended the celebration held in the Thompson home. The same woman now 81 years old, who baked the cakes for the couples' wedding 50 years ago again did the honors for the double anniversary.

Back From Trip to Southlands

W. L. Freyman, Mr. and Mrs. Matthev Walcker and Mrs. E. Powers have just returned from a most interesting automobile trip through several southern states and Florida. They spent most of their time in Florida, chiefly at St. Petersburg and Key West. Some little time was spent at Miami and Tampa.

At Lakeland they saw the Tigers in training and at Tampa they visited the training camp of the Cincinnati Reds.

It was a most interesting trip, especially the places we visited in the very southern part of Florida. Key West is a place one who is in Florida should not miss, as there are many more than ordinary places for one to visit. We returned to Plymouth last Friday, stopping to climb to the top of Lookout Mountain on the way home," stated Mr. Freyman.

Educator Speaks at J.C.C. Meeting

The guest speaker at the last meeting of the Junior Chamber of Commerce on Wednesday evening, March 5 was Dr. W. W. Whitehouse, dean of the college and letters and science at Wayne University, and formerly dean of Albion college. Also on the Jay-Cee Americanism program were the three speech contest winners who presented their talks on "Democracy." The three prize winners were Miss Edith Nolte, Miss Joan Gillis and Miss Denise Daust, all eighth grade students at the Plymouth high school.

Last Sunday two Jay-Cee bowling teams competed in a match at the Ann Arbor Recreation alleys. The first team lost a match by 36 pins and the second team won by 28 pins.

Members of the first team included John MacLachlan, Lionel Coffin, C. D. VanWick, Jake Lyke, J. McAllister and on the second team were George Kenyon, Marvin Terry, Charles Wolfe, Harold Davis and Ed Sinta.

County Dairymen Planning Banquet
(By E. I. Besemer)
The County Dairy Planning committee is making detailed preparations for its first dairy banquet to be held March 20 at 7 p.m. in the Methodist church, Wayne.

Professor Earl Weaver, head of the dairy department, Michigan State college, will be the speaker of the evening.

Music will be furnished from the music department of the Wayne high school.

Everyone, whether a dairyman or not, who is interested in dairy problems is invited to attend.

Professor Weaver will speak on the subject "Some Problems We Face."

Tickets may be obtained at the county agent's office, 303 Calvin Theatre building, Dearborn; the agricultural conservation office, 3808 South Newberry street, in Wayne or inquire of some dairyman in your neighborhood.

Plymouth Resident Receives Letter Telling of Blackout in Switzerland

Letters received by Mrs. Jules Robert of 37530 Plymouth road from friends, and relatives in Switzerland last Thursday afternoon reveal that this country has been under constant blackout every night beginning at 10 o'clock, and that the blackout has recently been introduced as a result of the newly-seated pro-German government in Switzerland.

Mrs. Robert's latest communication from a friend in Chaux-de-Fonds, the territory of Neuchâtel near the French border in Switzerland, reports that since the inauguration of M. Ernest Wetter as new president of Switzerland the country has been in absolute darkness at night. The British, it is explained, confused by the blackout and unable to distinguish between German and Swiss territory in night flights to Italy, southern Germany and the Balkan states, have dropped bombs over Geneva by mistake. These acts have been seized upon by the pro-German government in Switzerland as propaganda to arouse the antagonism of the Swiss people against the British cause. Nominally, of course, the Swiss government is still a neutral country. M. Wetter is a citizen of Zurich, located in northern Switzerland, close to the German border.

Mrs. Robert was born at St. Inier in the territory of Gura Bernois near the French border of Switzerland. Before coming to America in 1911 with her husband who is a native of France, Mrs. Robert was employed as a Swiss watchmaker. First coming to Springfield, Illinois, the Roberts lived in Detroit until a year ago when they moved near Plymouth. Mrs. Robert has returned to Switzerland to visit friends and relatives at intervals of every four years, her last trip being in 1936.

"We are now under the shadow and the domination of Berlin. Those of us who formerly worked on the manufacture of munitions for Great Britain and France have been forced to work manufacturing munitions for Germany since the collapse of France," writes Mrs. Robert's friend, who has always been a member of the liberal party of Switzerland.

"Although the treaty of Versailles was not entirely just, I guess England has learned her lesson now. I am sure that things will be more fair if England wins this war. It is our greatest wish that England win this war. The R. A. F. has done great damage in Berlin and the German people are getting a taste of war. The British have done more damage in Germany than Hitler will admit."

SEVENTH DAY ADVENTIST church. Our Sabbath school services begin at 2:00 p.m. every Saturday afternoon. They are held in the Jewell-Blanch building on the Ann Arbor Trail with preaching service following at 3:15 p.m.

ASSEMBLIES OF GOD. Berea Chapel, corner of Ann Arbor Trail and Mill street. Rev. John Walasky, pastor. Multitudes of iniquity-burdened hearers had gathered on the banks of Jordan. John the Baptist recognized them as convicted sinners without a Savior. Quickly and victoriously he shouted, "Behold the Lamb of God, which taketh away the sin of the world! They understood his language for the sacrifice of lambs had been their common approach to God's mercy. Those sacrifices had been so frequent that in sheer amazement their hearing groped for, and clung to, the welcome announcement—"Behold the Lamb of God." At last he had come. The first most important thing in life is to understand that we need not remain in our sins until judgment overtakes us. Christ is able to save all who will come to him. He is not willing that any should perish, but that all should come to repentance. The next most important thing in life is to make a right decision on bases of that understanding by accepting Christ as Savior now. Christ does three very definite things for every person who surrenders to him: 1. Christ takes away his sin. 2. Christ transforms his sinful nature, making him a new creature. 3. He imparts enabling strength to live a life which is victorious over sin. The Savior will not only take away the sin which demns us, but He will replace it with His own righteousness, peace and joy, so that life will be at its best both here and hereafter. We invite you to come and worship with us at the church where you will always find a welcome. Sunday school at 10: morning worship at 11; Christ Ambassadors at 6:30 p.m. Evangelist meeting at 7:30; prayer and praise service Thursday at 7:30. Ladies' cottage prayer meeting, Tuesday, 7:30.

CALVARY BAPTIST CHURCH Holbrook and Harding. Lynn B. Stout, pastor. Yes, that sign on the lot located at Elizabeth and Ann Arbor Trail means just what it says—"New home site of Calvary Baptist church." Now, this is our message to you—every member, every friend, yes, every enemy, if we have any—the financial condition of Calvary church is such that the entire offering next Sunday morning, evening and Bible school—is going to be turned over to the building fund. Therefore, let every one who is in accord with the simple gospel program that Calvary church is putting forth, bring, send, or telephone in your offering. Let's crowd the present building to the doors, and fill "the little box by the door" to the overflowing point next Sunday. The pastor will be speaking from the text: Deut. 2: 3: "We have compassed this mountain long enough," at the 10 o'clock hour. The subject for the evening, "Israel's Present Condition." Every son and daughter of Abraham in Plymouth is urged to attend. Bulls Eye No. 94: "Still water runs deep" is not always true. Both stagnant and frozen waters are still. You may not be as deep a Christian as you profess by your silence.

ST. JOHN'S EPISCOPAL church—Harvey and Maple streets. Morning prayer and sermon, 10 a.m.; church school, 11:15 a.m. On Thursday, March 20, at 2 o'clock the Ladies' Guild is sponsoring a Lenten program and Silver Tea with Mrs. Platt as the speaker. Her subject will be "China." Children's Mission every Thursday at 4 p.m. during Lent. Lenten services every Thursday evening at 7:30 p.m. On Sunday, March 23, the Venerable Leonard P. Haggart, arch-deacon of the diocese will be the speaker at the morning service at 10 o'clock.

FIRST CHURCH OF CHRIST Scientist. Sunday morning service, 10:30. Sunday school at 10:30. Pupils received up to the age of 20 years. Wednesday evening testimony service 8:00. "Substance" will be the subject of the lesson-sermon in all Christian Science churches throughout the world on Sunday, March 16. The golden text (Psalms 119: 89, 90) is: "For ever, O Lord, thy word is settled in heaven. Thy faithfulness is unto all generations." Among the Bible citations is this passage (I Chronicles 29: 11): "Thine, O Lord, is the greatness, and the power, and the glory, and the victory, and the majesty; for all that is in the heaven and in the earth is thine; thine is the kingdom. O Lord, and thou art exalted as head above all." Correlative passages to be read from the Christian Science text-book, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 335): "Spirit is the only substance, the invisible and indivisible infinite God. Things spiritual and eternal are substantial. Things material and temporal are insubstantial."

FIRST PRESBYTERIAN church. Walter Nichol, pastor. 10 a.m., Sunday school; 11 a.m., church worship. Sunday following the morning service there will be a meeting of the congregation to consider the budget for the year beginning April 1. The annual canvass of the church in support of the budget will be carried out during the following ten days. The young people will meet at the manse Sunday evening at 6:30 p.m. The pastor will meet a class of communicants Sunday at the Sunday school hour; also Wednesday evening at 7:30 p.m. in the church parlors. All who wish to unite with this church should see the pastor. The reception of members will be Sunday, April 6. The communion will be observed on the same day. The church year closes March 31. The annual meeting of the church will be held Wednesday, April 2. Ready Service class will meet Tuesday, March 18 at the home of Mrs. Iva Bentley, 487 North Mill street. Co-operative dinner will be served at 1 p.m. The meeting which follows will hear the reports of the last year and the officers for the next year will be elected.

FIRST BAPTIST CHURCH. Rev. G. H. Enss, Th.D., pastor. "Saving Faith," a peculiar insight of Christian psychology, is the theme of the pastor's sermon on Sunday morning at 10 a.m. Come and worship with us. Sunday school at 11:15 a.m. Bible book review, Acts 13-28. Evening service at 7 p.m. A young people's quartet will provide special music; the devotional service will be conducted by the B.Y.P.U. A guest speaker is expected to bring us a special message. On Tuesday night the meeting of the Loyal Daughters, Mrs. Enss has been asked to speak to the group. The Men's Study group meets on Thursday night for a pleasant social. W. C. Hartmann will record moving pictures of those present. We want all the men of our group there; guests are welcome. Prayer meeting on Wednesday at 7:30 p.m.; choir rehearsal at 8:30 p.m.

SALVATION ARMY.—Tuesday, 7:15 service at prison farm; 8:30, band practice. Wednesday, 7:30, prayer meeting; 8:30, preparation class. Thursday, 2:00 p.m., Women's Home League; 7:15, Girl Guards. Sunday, 10:00 a.m., Sunday school; 11:00 a.m., Holiness meeting; 6:15 p.m., young people's legion; 7:30 open air; 8:00, public salvation meeting. We cordially invite the public to attend these services. Officers in charge, Captain Elizabeth Lemorie, Cadet Lovila Bonser.

ST. PETER'S EV. LUTHERAN church. Rev. Edgar Hoencke, pastor. Sunday school, 9:30 a.m. Sunday services, 10:30 a.m. Lenten services, Wednesdays, 7:30 p.m. Jacob E. Brinks was elected as member of the church council on Tuesday evening to fill the vacancy caused by the resignation of Oliver Goldsmith. A special meeting of the congregation will be held on Tuesday, March 18, 8 p.m. All voters are urged to attend.

Chemistry Class Hears Discussion of "Textiles"

John Blyton Explains Processing of Linen and Woolen Textiles

John Blyton of the Taylor and Blyton department store of this city addressed the chemistry classes last week concerning the history and different weaves of textiles. Mr. Blyton stated that leaves were the first coverings used by man. Because of the length of history concerned with textiles he discussed next Egyptian mummy wrappings which were made of a very fine, good grade of linen. The quality of the linen is equal to the quality of the linen made today, if not superior to it. How this linen was woven is still a mystery.

Hand in hand with the mystery of the linen used by the Egyptians, is the discovery of three mummies found in South America, wrapped in a very good grade of cotton. Both these fabrics were made by hand and yet both compare with present day machine-made fabrics.

Phases of weaving and bleaching of linens were also discussed. Linens and muslins are woven and then bleached. Although natural bleaching by means of spring water is preferred for the "life" of the cloth, chemical bleaching is widely used because it is more inexpensive.

Perhaps buyers of linens wonder why American manufacturers do not make linens in the form of table-cloths and towels, but the fact holds true that Americans are not able to develop as fine a flax plant as those in Ireland and Czechoslovakia. Irish linens as far as table-cloths are concerned are of the best quality; however, their towels are not equal to those of Czechoslovakia since they use an

inferior flax for toweling. All Irish linens are bleached under the "natural bleach" process. Acres of grass are mowed down and thousands of yards of linen spread upon this lawn. The linen is then "wet" down by spring water. Southern mills in America dig into the depths of the earth for spring water to try this same process but because of the coarseness of the flax the product is still far inferior.

One of the highlights of Mr. Blyton's speech on the subject of wool is the fact that the cost of woolen goods will take a very large increase because of the war. Already the U. S. government has cornared six million pounds of wool on the market for making army uniforms and other needs. For example, the woolen blanket which a purchaser could have bought for \$8.00 last winter will be raised to \$13.00 next winter and will be inferior to the former product since manufacturers are introducing rayon into blankets because of the scarcity of wool.

Before this February, woolen goods were often represented as "all wool." Many ignorant buyers took this literally. However, the law allowed that five per cent cotton could be mixed in the wool. The only wool which was "pure" was that which was labeled "all pure virgin wool." In February this practice was done away with and now all woolen goods are labeled as to their contents.

Besides these types of wools, there is also re-processed wool and used wool. Re-processed wool is that which has been made a second in the factory through weaving, etc. Used wool is that which is collected at distributing yards, unwoven, washed, and sent through the same process, as new wool. Spun rayon is a new product which is rapidly taking the place of wool because of its close resemblance.

Several other textiles were described by Mr. Blyton, one of which was Nylon—a new synthetic silk used for stockings. The products for this silk are coal, water and air.

Girls' Sports

Three table tennis tournaments, a volleyball tournament, and another round of basketball play make up this girls' sports schedule at this time.

The table tennis tournaments are in the seventh and eighth grades and one big tournament including the ninth, tenth, eleventh, and twelfth grades. Leading in the number of participants, the four-grade tournament has 64 aspirants. The seventh grade boasts 24 with the eighth grade having 21.

A volleyball tournament is being carried on in the gym classes.

The winning team of each class will play the other winners in a tournament after school.

Another round of basketball is being played by the freshmen, sophomore, junior and senior teams. During the first round, the seniors won three games, the juniors two, and the freshmen one.

College Concert

The 45-piece Albion college orchestra played this Thursday in an hour's high school assembly, including Plymouth in its 17-city tour for the first time.

Other Michigan cities have already placed a broad stamp of approval on the organization and its 45 selected musicians.

Conway Peters, director, has been on the faculty of Albion college and director of its instrumental organizations since 1934. He is a graduate of the University of Michigan school of music and of the American Conservatory of music, Chicago.

Featured with the orchestra is the trumpet trio, with a boy each from Albion, Dearborn and Detroit who played "Echo Waltz" by Goldman. Also on the program were "On the Trail" from "The Grand Canyon Suite" by Goffe, a violin solo, "Hungarian Rhapsody" by Paganini, and a "Symphony in D Minor" recently composed by Mr. Peters.

Andre Kostelanetz, accepted authority and well known conductor and composer, has contributed this criticism to the orchestra's publicity department: "You can't find many such organizations even among the professional ones. They're very few."

Although the orchestra, with two exceptions, has been recruited from Michigan, no Plymouth musicians are in its personnel for 1941. Nearest Plymouth is Joseph Petovello of Dearborn, one of the trumpet trio.

Air Assembly

Captain Colery P. McDermott gave the complete story of flight at our assembly last Thursday.

Captain McDermott received his rank of captain in 1936. He is now president of the Aero club of Washington D. C. The assembly was presented in collaboration with the Civil Aeronautics Authority and other such organizations.

His introduction consisted of a discussion of the earliest known attempts at flying. Then he devoted time to the principles of flying, and the importance of streamlining modern planes.

Captain McDermott ended his discussion by telling the students the requirements for becoming an aviator, aviatix, or a stewardess. The speech was made particularly interesting by his use of special devices. He had several scale models of planes. He also had a miniature air jet which helped illustrate the importance of streamlining. Placed about the stage were many pictures of planes both commercial and military. Captain McDermott made his speech humorous by his use of jokes, puns and laughable experiences.

Senior Sketches

Model airplane building is the hobby of James Mulholland, who lives at 2430 West Ann Arbor Trail. James, the son of Mr. and Mrs. James Mulholland, was born in Detroit. His aim is to go into aviation work, and his pet peeve is large hats worn at the movies.

Former captain of the tennis team, president of the Varsity club, president of the Hi-Y and member of the Torch club, basketball team and football team is Robert C. Norman, son of Mr. and Mrs. James Norman, of 703 East Ann Arbor Trail. Bob, who was born in Newburg, Michigan, would like to be a high school athletic coach.

Editorial

America is notorious for her slang, but she now has a new phrase that threatens to top them all. "All out" is the phrase referred to. The exact birth of those fateful two words is rather obscure, but it gained national prominence, somewhere around the time of the conception of the Lend-Lease bill. Before that time the slogan "All aid to Britain short of war" was used. From that time henceforth the good word has been "all out."

Our newspapers grabbed onto the idea joyfully as an eye catcher and a tongue twister. It saved some of the space that is so valuable to a newspaper. Editors wrote stirring editorials and can using "all out" aid as a basis for their opinions. Headline writers thanked their lucky stars for a phrase that was short, yet meaningful and which anyone from the layest layman to the most technical technician could understand. Now it is a poor political speech or news broadcast that does not mention "all out" in some capacity or other.

Even the sports pages have taken it up. Before A.O. (all out), the "old college" try was the greatest effort one could make. However, only a few days ago a basketball player was pictured trying with everything he had to make the basket. The caption under the picture read "An all-out attempt to make the point."

The point is, where is all of this leading us? After replacing "23 skidoo" and "Hi, Toots" with "What do you know, Joe?" and "Okay, kid" we now come to "all out." Such is the evolution of American speech, noted for its picturesque terseness.

Speech Activity

Students interested in speech are working tirelessly on one of the three spring speech activities: Declamation, extempore and oratory.

Every year at this time the tenth grade English teachers work with their students on declamation. After the speeches are learned a group of teachers pick the three best. These students then have the chance to compete in the school contest.

The fourth hour public speaking class is divided between extempore speakers and orators. There are 15 extempore speakers, seven orators and one in the declamation field. There are several students working after school on oratory and extempore. These activities are open for any student but as a rule only eleventh and twelfth graders enter. The first elimination contest was held Monday, March 10.

The students who win first place in these three activities will have the opportunity of competing in the T. V. A. A. league.

Social Register

Gloria Jones entertained a large group at a hard-time party at Jewell and Blais hall last Saturday night. The guests danced to records and Jack Butz's orchestra and had a potluck lunch on later. Guests were Mary Jane Olaver, Bob Norman, who incidentally had a cake lit with candles for his birthday. Jack Baker, Jack Crisp, Jack Gettleson, Doug Lorenz, Neal Curtiss, Joe Scarpulla, Marjorie Knowles, Bob Lorenz, Bernice Kinahan, Pat Kinahan, Betty Maas, Marjorie Parsons, Orlyn Lewis, France Morgan, Bob Brown, Doris Dube, Jim Zuckerman, Margery Merriam, Alan Bennett, Pat Hudson, Archie King, Sally Haas, Orvel Curtner, Doris Rowland, Shirley Reamer, Phyllis Nichols, Sam Virgo and Ed Mulry.

Doris Dube and Margery Merriam spent Friday night in Lansing with Kay Poosa. They attended the Senior B Prom while they were there.

Archie King entertained Doris Wyle, a student at Greenfield Village, at dinner Friday night. After dinner she attended the senior play in which Archie had a lead.

Bob Norman, Betty Brown and Warren Hoffman were dinner guests of Mary Jane Olaver Friday, March 7. The dinner was in honor of Bob Merriam's birthday.

Phyllis Nichols was an overnight guest of Shirley Reamer, Saturday, after Gloria Jones' party.

Ruth Parmelee was the overnight guest of Frances Morgan last Friday.

Betty Brown and Warren Hoffman were guests of the latter's cousin's wedding last Saturday.

After attending the church service at the Livonia Center church, they went to the reception held in the evening.

Helen Jones attended a dance held at the Michigan Union in Ann Arbor last Saturday.

Dorothy Ebersole and Jack Kahl of Romulus attended a dance at the Masonic temple in Ann Arbor Saturday evening.

After the play Friday evening, DeRue De Planche, Philip Kisabeth, Grace Squires, Bob Kirkpatrick, Marian Parsons, Orlyn Lewis, Lesteen Sides, Jack Gettleson, Ruth Parmelee and Jack Crisp went to the Swing Bowl.

Mildred Brosse, Fay Pratt, Bethany Krenichniemer, Paul Schron, Elaine Walters and George Walters visited the Pen-Mar last Thursday after the play.

Ruth Keefe and Evelyn Schomberger visited Jacqueline Pedin in Ann Arbor last Sunday.

Joyce Tarnutzer, Jack Christensen, Dolores Wilson and Larry Arnold visited the Northville dance after the play Friday.

Gloriette Galloway visited Joan Landwerly of Detroit last Sunday.

Allen Ray Owens, the "Man-about-school" is the son of Mr. and Mrs. Ray Owens. Born in Port Huron, Michigan, he now lives at 33415 Myra avenue, Coventry Gardens. Although he enjoys bowling and golf, Allen's chief hobby is horseback riding. In school he has been on the prom and J-Hop committees. He is a member of Hi-Y and Varsity clubs, and he also has been on the golf team for three years. Allen intends to become a dentist.

Play Contest

The play casts of the ninth, tenth, eleventh and twelfth grades have been chosen for the play contest to be held on April 4. Those chosen for the ninth grade are Dora Gruebner, Louise Newman, Joe Brisbois, Helen Zimmerman, Warren Mason, Bob Thams and Dorothy Carley; the tenth grade: Joan Gorton, Virginia Moss, Ray Kearney, Janice Downing, Pat Hudson and Dick Virgo; the eleventh grade: Ruth Drews, Francis Wood, Shirley Reamer, Marie Ann Miller, George Chute, Charles Bowdler and Jack Baker; the twelfth grade: Sam Virgo, Evelyn Bohl, Allen Owens, Gloria Jones and Arvel Curtner. These plays are to be directed by students picked by Miss Ford.

"Pride and Prejudice," the eighteenth century satire presented by the senior class of the local high school last Thursday and Friday evenings, was considered a huge success by all who attended.

Gloria Jones and Arvel Curtner, Thursday nights' leads, and Lesteen Sides and Archie King, Friday night's leads, were awarded great acclaim for their wonderful performances in this particularly difficult play for a high school group.

Also praised for her splendid work was Ruth Parmelee in charge of scenery. William Werner and "Gus" Elliot have the thanks of the class for their work with the lighting effects.

Miss Winnifred Ford, who directed the play with the assistance of Miss Mary Lou Wright, was presented with a corsage of red roses and a traveling bag for her patience and constructive direction.

After all expenses had been met, a profit of more than \$85.00 was realized.

Band Seeks Rating

With a combination of Class A and B overtures, the Plymouth band enters the district Music Festival at Ann Arbor this Saturday at 11 a.m.

Working only for a rating, the band, directed by Lewis Evans, will play an overture each from class A and B required selections on the big Hill Auditorium stage, reserved for class A bands.

Although the band will enter the contest in the "unclassified" division, it will follow the same procedure as any regularly classified band. After playing the two overtures and a warmup march, it will enter a sight-reading contest in an adjoining room of Hill Auditorium.

Nationally known music critics will judge the performance of each band. After every selection these critics, selected by the Southeastern Michigan band and orchestra association who are sponsoring the festival, will write their comments for the benefit of the competing band.

With a brand new alto clarinet, the band will play "Richard III," the class A required number by Germain: "Transcendence," the class B number by Franz Kasper; and a march, "First Division" by Clair Johnson.

The alto clarinet is one of several instruments purchased recently by the Plymouth band for the improvement of its instrumentation.

Because the band did not enter direct musical competition it will have no chance to enter the state festival later this year at Ann Arbor. It is working for a rating only at this time.

Hostesses will be the Woman's Club House association, East Lansing Woman's Club, Pietaum Club and the Ingham County Federation of Women's clubs. Headquarters will be at the Masonic Temple on Capitol avenue.

Mrs. John E. Sickles, president of the Michigan State Federation of Women's Clubs has announced the theme, "World Understanding through Education."

Many interesting speakers have been engaged for the meetings. Doctor S. E. Gerard Priestly, of London, England, will give the highlights of the European situation and our relation to it. Reverend Ralph Kearns will have for his subject "Religion and our Nation's Crisis."

Mrs. Frederick Clausen, chairman of the American Citizenship department of the General Federation of Women's clubs will talk on "Women's Place in the Defense Program." Mrs. David S. Long, chairman of juniors of the General Federation, will speak on "Democracy's Challenge to Youth."

Thursday evening, the On-to-Atlantic City Dinner will have as its principal guest, Mrs. R. I. C. Prout, who will be Michigan's candidate for second vice-president of the General Federation of Women's clubs.

Reservations for housing should be made with Mrs. L. A. Potter, 236 Moores River Drive, Lansing.

Pythians to Visit Ann Arbor Lodge

Several Plymouth members of the Pythian lodge expect to go to Ann Arbor next Tuesday evening, March 18, when Pythians of that city will give an illustrated lecture by Dr. Ralph Hile of the United States Fish and Wildlife Service. Dr. Hile has just completed a three-year survey of the fish in the Great Lakes. Most all of this work was accomplished aboard the federal research fishing steamer during which time a movie record of operations was made. The film deals largely with the commercial aspects of fishing but occasionally touches upon the sportsman's problems.

The Ann Arbor lodge is serving a sauerkraut supper at the lodge hall at 7 p.m. and following this, Dr. Hile will deliver his lecture and show the films. Each Knight is requested to bring one or more friends with him. The party is strictly stag and all interested men are invited to attend.

Mrs. C. A. Thomas to Address D.A.R.

Mrs. C. A. Thomas of Ann Arbor, state chairman of approved schools, will be the speaker at the March 17 meeting of the Sarah Ann Cochran chapter of the D.A.R. Mrs. Henry Baker, 1373 Sheridan, will be the hostess, assisted by Mrs. Ralph Taylor and Mrs. Wallace Osgood.

The D.A.R. through nationwide contributions of money and materials, aids in the maintenance of a number of schools. The local chapter has sent several boxes of supplies to a mountain school at Crossmore, North Carolina.

Mrs. Richard Olin, of East Lansing, visited her son and wife, Mr. and Mrs. Richard Olin, over the week-end.

Official Proceedings of The Commission

Plymouth, Michigan
March 3, 1941

A regular meeting of the City Commission held in the City Hall on Monday, March 3, 1941, at 7:30 p.m.

Present: Mayor Whipple, Commissioners Hordorp, Robinson and Wilson.

Absent: Comm. Worth. The minutes of the regular meeting of February 17 and the special meeting of February 24 were approved as read.

The following reports were read by the Clerk:

1. Police Report.
2. Traffic Violations.
3. Court (Civil and City Ordinance) Cases.
4. Building Insp. Report.

It was moved by Comm. Wilson and supported by Comm. Robinson that the report be accepted and placed on file. Carried.

Frank Terry was present, of the Sanitary Bakery, and objected to the provision made by the City Commission to prohibit trucks on Penniman Ave. He claimed that this was discriminating against his business. He also complained of the street conditions throughout the City including the removal of snow. Mr. Terry objected to the Vendor's and Peddler's Ordinance.

It was moved by Comm. Hordorp and supported by Comm. Wilson that the Manager be instructed to draft an amendment to this ordinance to cover part of the complaint. Carried.

This was the night set for the public hearing of the construction of the sidewalk on the south side of Palmer Ave. between S. Main and S. Harvey streets. There were no objections.

The following resolution was offered by Comm. Wilson and supported by Comm. Hordorp:

WHEREAS, a public hearing has been held covering the proposed improvement, and

WHEREAS, the plan, profile and estimate covering the proposed improvement for the construction of a sidewalk on the south side of Palmer Ave., between S. Harvey and S. Main streets, have been accepted and are now on file in the office of the City Engineer; now

THEREFORE BE IT RESOLVED, that this Commission approve of and declare its intention to proceed with the construction of the sidewalk with the co-operation of the WPA.

BE IT FURTHER RESOLVED, that the Assessor be directed to prepare an assessment roll covering the total cost of the improvement.

Ayes: Mayor Whipple, Commissioners Hordorp, Robinson and Wilson.

Nays: None. This was the night set for the public hearing for the construction of a water main on Arthur street, between Blanche street and Junction Ave.

H. W. Darling raised a slight objection concerning the assessment on a corner lot at Junction Ave. and Arthur St. The Manager explained how the assessment would be made.

There were no valid objections. The following resolution was offered by Comm. Hordorp and supported by Comm. Robinson:

WHEREAS, a public hearing has been held covering the proposed improvement, and

WHEREAS, the plan, profile and estimate covering the proposed improvement for the construction of a water main on Arthur street, between Blanche and Junction, have been accepted and are now on file in the office of the City Engineer; now

THEREFORE BE IT RESOLVED, that this Commission approve of and declare its intention to proceed with the construction of the sidewalk.

BE IT FURTHER RESOLVED, that the Assessor be directed to prepare an assessment roll covering the total cost of the improvement.

Nays: None. The Clerk read the proposed Trailer and Tourist Camp Ordinance.

It was moved by Comm. Hordorp and supported by Comm. Wilson that the proposed ordinance be passed its first reading. Ayes: Mayor Whipple, Com-

missioners Hordorp, Robinson and Wilson.

Nays: None. It was moved by Comm. Robinson and supported by Comm. Wilson that the proposed Trailer and Tourist Camp Ordinance be passed its second reading by title only.

Ayes: Mayor Whipple, Commissioners Hordorp, Robinson and Wilson.

Nays: None. It was moved by Comm. Hordorp and supported by Comm. Robinson that a public hearing be called for March 17, 1941, at 7:30 p.m. on the Trailer and Tourist Camp Ordinance. Carried.

Mr. Manners was present and spoke briefly about the Ordinance and the Manager was informally instructed to make minor changes covering the objections raised. Carried.

A communication was received from V. R. Smith concerning the Milk Convention.

It was moved by Comm. Hordorp and supported by Comm. Robinson that V. R. Smith, Marvin Partridge and Mayor Whipple be granted permission to attend the Milk Convention held in Grand Rapids on March 12 and 13. Carried.

A communication was received from Mr. Lippson of Sam and Son Drug Store concerning a flat-wall sign.

It was moved by Comm. Wilson and supported by Comm. Robinson that the communication be received and placed on file. Carried.

The following resolution was made by Comm. Wilson and supported by Comm. Robinson:

RESOLVED, that the City Commission of Plymouth do hereby declare as follows:

1. That a necessity exists for the improvement and opening of Caster Ave., east of Holbrook Ave. and a necessity exists for the improvement and development of the Louise Markham Park.

2. That such an improvement is for the use and benefit of the public.

3. That the taking of private property is necessary in this making of such public improvement.

4. That the private property necessary to be taken for such public improvement is situated in the City of Plymouth, Wayne County, Michigan and is described as follows:

Lot No. 434 of Assessor's Plymouth Plat No. 15 of that part of Bradner and Holbrook Sub. lying in Sec. 26 and part of the W¹/₂ of the N.E. ¹/₄ of Sec. 26, T. 1 S. R. 8 E., Plymouth Twp., Wayne County, Michigan, according to the plat thereof duly recorded in the office of the Register of Deeds for said Wayne County, more particularly described as:

Commencing at the intersection of the north line of Plymouth Road with the east line of N. Holbrook Ave., as delineated on said Plat No. 15, and running thence North 2 degrees 16 minutes West along the said east line of N. Holbrook Ave. 375.61 feet to the point of beginning; thence North 88 degrees, 40 seconds East 192.52 feet; thence

United We Stand—Divided We Fall!

"Our country! In her intercourse with foreign nations may she always be in the right; but our country, right or wrong."
—Stephen Decatur, 1816.

One hundred and twenty-five years have passed into history since one of the great early American naval heroes made that declaration. Today we are faced by a far different and far more threatening foreign policy than that which troubled our nation during Commander Decatur's time.

United we stand — divided we fall! Because we believe just that, *The Plymouth Mail* is wholeheartedly in approval of the steps being taken by *OUR PRESIDENT* to safeguard the future of *OUR United States*.

We believe the administration has been seriously wrong on its position pertaining to many of the problems confronting our country and we have said so in violent terms. The right to express our opinion without being placed before a brick wall in front of a firing squad is one of our liberties that is now at stake.

Some of our high ranking officials have declared that *OUR PRESIDENT'S* foreign policy is wrong.

But he has chartered the course he believes we should pursue in the defense of all of our human rights and liberties. He is *OUR LEADER* because *WE*—the people—selected him by *OUR VOTES*.

Right or wrong, there can be and there *WILL* be but one position for us to take — *OUR COUNTRY FIRST*—for, which we stand *UNITED*!

HITLER'S MARCH DOWN PENNSYLVANIA AVE.

Wake up, America!
Tear the mask from the internal plotting that threatens to carry these United States of America down the blind alley that led Norway, Holland, France, Belgium and other nations of Europe to serfdom under Hitler's iron rule!

See what is behind the mask. Then look ahead over the highway down which this free and independent country is traveling!

Strikes! Fires! Sabotage! Attacks upon patriotic citizens! False charges against people who have helped build a great industrial country! False issues!

Reds—Russian Reds—in high public administrative positions!

All of this in America! The land of the free—and the home of the brave!

Wake up! WAKE UP before Hitler leads his victorious Trojan horse down Pennsylvania avenue!

This is America—it is for Americans and for the American way of life!

Our enemies are NOT going to land any great army on our shores. They are NOT going to fly great squadrons of bombers over our cities and drop bombs on them.

The killings and the fires and the destruction will not be done by invading armies. That is not the Trojan horse way of doing things.

It is by trickery, deception, sabotage—the cowardly way that these enemies from within—do their deadly work.

They drive their daggers into the backs of people who believe them to be friends. They are too cowardly to come face to face with those they would destroy.

Already there are members of the Trojan horse outfit filling important cogs in the machine that the Napoleon of 1941 is seeking to build up in our land of freedom. Already our enemies are doing plenty of damage—sabotaging our defense production—creating false issues—building false class and racial issues!

Wake up—America—and terminate these vipers before they drive their deadly poison into the very life veins of our country.

We know who and what they are—so why let these reptilian enemies continue their deadly threat to the American way of life—why let them pave the way for Hitler's parade down Pennsylvania avenue, leading his Trojan horse up to the portals of the White House—the LIGHTHOUSE of all HUMANITY!

America is for AMERICANS—not PINKS, REDS or disgruntled saboteurs sailing under false colors and issues. Today, not tomorrow, is the time for Americans to show to the world that this country—these United States of ours—will forever remain the home of free, independent citizens!

IT'S ABOUT TIME!

William Bullitt was President Roosevelt's first ambassador to Russia. He has been, and remains, one of the New Dealers who knows what is going on within the inner circles at Washington.

Discussing the break-down in the production of our defense supplies, he recently said:

"If we cannot now get into production at war speed without the declaration of a national emergency, I, for one, favor the immediate declaration of a national emergency."

"We know that our country is NOT producing weapons of defense fast enough and that we are not supplying weapons in sufficient quantities to the British, the Chinese and the Greeks."

"We have not lived up to our tradition of American enterprise and industrial efficiency. If we were fully awake to the danger that threatens us, we should at this hour be producing every implement of defense that we need, that the British, the Chinese and the Greeks need, with as great speed as though we were at war."

"We are doing nothing of the kind. We are making just the effort that is not troublesome to make. We could double our planned output of airplanes and tanks and merchant ships and guns in 1942 if we could but buckle to the task now."

PUBLIC SERVICE

One of the most difficult and thankless tasks in the world is a conscientious effort to serve the public well in an administrative public position. No matter how difficult the task, no matter how faithful and how efficiently one carries on his responsibilities, there are those who always find some pretext to make it appear that some one can do a better job.

It will be recalled that when the first civil service commission under Frank Murphy flickered out of existence, there was criticism of its members. Then came along the second commission, created some three years ago and now we have a new commission. Probably the most difficult task ever imposed upon any state body was that delegated to the civil service commission that functioned up until the new one created by the voters last fall.

William Irving, well known and prominent citizen of the Thumb district of Michigan, was a member of the commission that served the state during the most trying period of this new experiment. No one ever put forth a more diligent effort or gave to the state more unselfish service than did Mr. Irving.

Notwithstanding all of the criticism from certain pol-

itical sources hurled at the commission, there was not one act performed that did not comply strictly with the state law, and more recent inquiry shows that the commission went out of its way to provide the state with an unusually high type public service. The difficulty has been and will be not with those who have served the state so efficiently, as did Mr. Irving on the commission, but with some of the elective and administrative state officials who regard politics as the master of all things. If Michigan could always induce into public service such men as former Commissioner Irving, many of its exceedingly troublesome administrative problems would be no problems at all—and we would have the kind of a government we all hope to see some day.

ACTION, THE NEED OF THE HOUR!

We believe in free speech. We believe in free, open discussions of all public questions under consideration in all public legislative bodies. We believe that every member of the legislature or of the congress should have a perfect right to make known his views and the reasons therefor.

But we do not believe that public discussions should be carried forth to such an extent that a fire threatening to burn the world to an ash heap should be permitted to make such gains that it cannot be extinguished.

There is such a thing as providing aid to the enemy by the simple process of putting off as long as possible something that should be done today. Lawyers defending crooks know well the advantage of having trials of the offenders delayed as long as possible. Members of the congress know that the world is on fire. They know that the flames are spreading at such a terrific speed that no hill or dale is free from danger. We wonder if it is not time to begin pouring water on the fire, instead of fanning the breezes that are carrying the flames to every nook and corner of the world?

AMERICA'S POSITION

Leland Stowe, war correspondent of The Chicago News who recently returned to America from Europe, the other day, in discussing the Nazi campaign to win its war against the free nations of the world, said:

They (The Nazis) realize "that their major battle-front must be on the propaganda front—to strengthen the forces of isolationism in America, and to foster both defeatism and pro-Nazi sentiment in the United States."

With all due respect to the position of our "isolationist" followers in this country we wonder if they know what they are doing?

Others, too, have been telling America the purposes back of the isolationist program, long before Mr. Stowe came back to America with his vastly important data on the purposes of the liberty-hating dictators of the European continent.

Their Views About Public Problems and Issues

ANARCHY IN DISGUISE.

The sacred name of government is being used as the screen behind which to attack private enterprise in this country under the guise of protecting the people, when as a matter of fact, every move made to put government into business and destroy private enterprise, is undermining and revoking the very liberties we should defend.

The greatest danger this country faces today is not from the aggressor without, but from the aggressor within. In the name of democracy, we have powerful influences at work within our nation to destroy democracy at home.

They pick out a big industry for the spearhead of their attack, on the theory that it has few friends. It is the principle of government ownership they are establishing, rather than the industry they are attacking, that the people should be fearful of. The future rights and liberties of every citizen, every home owner, every farmer and every business man are at stake. Remember that the aggressor technique and the results that follow its success are as damaging to the individual regardless of the cloak under which it is disguised. Fred Keister in The Ionia County News.

ELECTION CARELESSNESS

The laxity of many of the election boards in the counties of the state should be cracked down and severely penalized for lack of action. If our laws do not compel more prompt returns than have been provided in the late election then our legislature should see to it that teeth are put in a law that will compel prompt action. Election workers are well paid for their service. Nothing but carelessness and the disregard of a public duty prompts this laxity. Election laws are messed up by every new legislative body. Perhaps another attack will be made on them by the newly elected legislature. This matter should be given first consideration and then stricter rules should be established for a party to get a ticket in the field and also for a person to get a name on the ballot.—Al Weber in The Cheboygan Observer.

Let's Go Back 25 Years Ago!

And Read News of Days Gone By, Taken From The Plymouth Mail Files

The board of education has engaged Professor C. F. Reeb as superintendent of the Plymouth schools for another year. Mr. Reeb has had charge of our schools for the last two years and his work has given the highest satisfaction. The schools were never in a better condition than at the present time, and the work is progressing in the best possible manner. The retaining of Mr. Reeb at the head of the local schools will meet with the general approval of our citizens.

The masquerade ball given in Penniman hall last Friday evening by the order of the Eastern Star was attended by several hundred people. The hall was beautifully decorated with Japanese lanterns, crepe paper, and vines. Each corner of the room was arranged as a booth made of lattice work of crepe paper and added an artistic effect to the whole. The work was done by H. J. Goren and Plymouth is, indeed, fortunate in having one of Mr. Green's ability in their midst.

The costumes were varied, many nationalities being represented and the usual number of fancy and comic costumes were present. Prizes were awarded to Mrs. Kate Allen and H. C. Robinson for the most comic costumes, and Miss Elizabeth Conner and Sanford Shattuck for the most fancy dress.

The directors of the Plymouth Improvement association and as many citizens who can go will meet with the county road commissioners at the county building in Detroit today, to lay before that body the great necessity of a cement roadway, on the Plymouth road. This much traveled road has been in a most deplorable condition the greater part of the winter and has seriously interfered with traffic. A large sum of money has already been expended in graveling the road, but drawing in gravel is about like pouring water down a rat hole. A delegation of Livonia township citizens headed by Ira Wilson will accompany the Plymouthites on their visit to the commissioners and lend their assistance in securing this much desired and needed improvement.

Frank Oliver and Miss Anna Letter were married Wednesday afternoon by Rev. A. E. Bell at the Baptist parsonage. They will reside on a farm in Canton township.

Mrs. William Coverdill and daughter Dorothy, Mrs. E. Rucker and son, Kenneth and Mrs. William Bakewell of East Plymouth, and Miss Dorothy Merryweather and Ernest Coverdill of Detroit spent a pleasant afternoon with Mrs.

Leroy Reiman has severed his connection with the Corner Hardware company to accept a position at the Ford new duties Tuesday morning. He entered upon his duties about 30 men sat down to a fine chicken supper at the Presbyterian church last Thursday evening. After enjoying this splendid supper, served by the ladies, the men took up the discussion of plans for the new addition to the church.

Mrs. M. M. Willett attended a birthday dinner at the home of her sister, Mrs. Archie Herick at Northville Thursday.

Mrs. J. C. Peterhans and daughter Anna visited the former's sister, Mrs. J. D. Haywood at Salem Tuesday.

Mr. and Mrs. Lawrence Lyon and Miss Pauline Peck of Detroit were over Sunday visitors at O. D. Peck's.

Another pedro party will be given by the Thousand Dollar club at the I.O.O.F. hall Monday evening, March 6.

Mr. and Mrs. Bert Karhl went to Detroit Tuesday to see the latter's sister, Mrs. Emma Fisher, who is seriously ill in Harper hospital.

Thodore Harmon, Henry Sage and Henry Fisher have been drawn on jury in the circuit court for the months of March and April.

Guests of Mr. and Mrs. C. J. Bunvea last week were Mr. and Mrs. James Warton of Westport and Mr. and Mrs. Delbert Farling of King's Corners. Mrs. William Fell, Mrs. Eva Hansen, Mrs. Frank Ray, Mrs. Nettie Townsend and Miss Kate Baird went to Detroit last Saturday evening to witness the production of "Omar, the Tentmaker" at the Garlick theater.

Mrs. L. B. Stebbins of Grand Rapids was a week-end visitor with her niece, Mrs. Cloclo Hamilton.

Mr. and Mrs. William Rengert and little daughter Janet were guests of relatives in Detroit last Sunday.

Frank Clark of Novi has purchased a Dord touring car of Rambo & Griffith, the local agents for this car.

Orr Passage sold a trio of his excelsior strain of Rhode Island White chickens to Mr. Phillips of Utica, Michigan, Monday.

A little "George Washington" has come to live with Mr. and Mrs. Cub Forshee. He tips the scales at ten pounds.

Mrs. Adah R. Bronson of Chicago, and Mrs. J. F. Jones of Detroit were guests of Mrs. Ella M. Dunn and Mrs. William Pettigall last Wednesday. Mr. and Mrs. Frank Burr of Rochester, were guests of Mr. and Mrs. Frank Rambo Friday and Saturday and attended the Eastern Star party.

Mrs. Claude Burgess and daughter Catherine of Detroit were week-end guests of Mrs. Kate Allen, returning to Detroit Sunday with Dr. Burgess.

Leroy Reiman has severed his connection with the Corner Hardware company to accept a position at the Ford new duties Tuesday morning. He entered upon his duties about 30 men sat down to a fine chicken supper at the Presbyterian church last Thursday evening. Mr. and Mrs. Frank Durham pleasantly entertained several

relatives at a dinner party at their home on East Ann Arbor street last Sunday in honor of their daughter, Beatrice's birthday. Two other guests were present whose birthdays also came on that date.

The Woman's Literary club will meet this (Friday) afternoon in the Epworth League room of the M. E. church at 2:15. The members of the Northville Woman's Club have accepted the invitation to attend this meeting, and will furnish the musical numbers on the program. Mrs. Marie B. Ferrey of Lansing will give an address, entitled "Home of Our Hearts."

The R. C. Safford farm southeast of town was sold Saturday to Walter Postiff who has recently sold his farm near Detroit for subdivision purposes. Mr. and Mrs. Postiff with their family of three children will take possession this month. The sale was made through the efficient work of L. J. Fausquelle of Detroit.

Mr. and Mrs. Albert Gayde entertained about 25 relatives at their home on Starkweather avenue last Monday evening in honor of the former's birthday. The guests came in costume and many funny characters were represented. Cards and dainty refreshments were furnished the entertainment served.

Farewell parties are the order of the day around Salem. Monday evening a party was given to Mr. and Mrs. Andrew Fahrner who are soon to move to Ann Arbor. Sweet Brothers furnished the music. On the same evening a party was given Mr. and Mrs. Fred Casterline, who are moving to Clare county where Mr. Casterline has purchased a farm. Groth's orchestra furnished music for this party.

A very pretty wedding was solemnized Sunday afternoon at the home of George Whitehead when his daughter Inez Florence was united in marriage to Howard Nestell of Wyandotte. Rev. Knowles, pastor of the Congregational church officiating. Miss Nestell, sister of the bridegroom, acted as bridesmaid and Haskell Whitman, brother of the bride, as best man. A cousin of the bride, little Miss Wilkinson, carried the ring in a dainty basket of flowers. The decorations were white and green, the ceremony taking place between two white pillars with a background of carnations and ferns. At 2 o'clock the bridal party took their places to the strains of the wedding march rendered by Hildreth Wheeler. After congratulations, the guests were invited to the dining room where a sumptuous dinner was served. Mrs. Frank Huff, assisted by Dorris Conklin, Elsie Ryder and Hildreth Wheeler, presided over the dining room. The happy couple left that evening for a week's visit with relatives at Battle Creek. They will be at home to their friends after March 10 at 685 Biddle avenue, Wyandotte.
