What I Think and Have a Right to Say
Edwin R. Eaton

TO MANUFACTURE REFRIGERATORS.

News comes out of Washington that materials have been released for the immediate manufacturing of more refrigerators. Wonder if some of the New Deal bunglers down in Washington who have brought this country face to face with a food famine, can tell us what we will have to put in those refrigerators after they have been made?

LOADING BY CHOICE.

Edward Cushman, war manpower director for Michigan, the other day declared that if there is any man unemployed in the city of Detroit, he is idle because "it's his own choice." But maybe the responsibility is not entirely due to the fellow who is idle because of his "own choice." Haven't we made idleness most attractive by some of our welfare and unemployment laws enacted during recent years?

INSOLENT GERMAN PRISONERS.

Over at Fort Custer there is a public thoroughfare, through the camp, leading from Battle Creek to Kalamazoo. It's the old route of U. S. 12. Some months ago Fort Custer was made a prison camp for captured German soldiers. It seems that these fellows have been given more or less access to the public highway running through the camp. People living in the vicinity of Fort Custer declare that it is a common practice of these Nazi soldiers when they see a car coming down the highway to step directly into its path and force the driver to turn from the paving in order to avoid running down the defiant Nazi prisoner. A sneering smile greets the driver from the well-fed, well-cared-for disciple of Nazism. It is right to be humane to our prisoners of war, but there is such a thing as carrying it altogether too far.

IT LOOKS LIKE A GOOD IDEA.

Along some of the main thoroughfares around Plymouth the state highway department has seeded the eight foot shoulders on each side of the paved road. We do not know whether the plan to grow a heavy grass sod along the paved strip is an experiment on the part of the department, but it does look like a good idea. A firm sod to our way of thinking would accomplish several purposes. It would prevent the constant washing out by heavy rains of the widened earth strips along the paving and it would make more firm the ground if a car should be forced to "hit the dirt" and it would eliminate to a very large extent the dust that prevails in dry weather. Besides these reasons, a grass covered road shoulder is much more attractive than the bare gravel-clay system now used. If it is an experiment, it will be interesting to see how it works out.

THAT "ROLL BACK" BUSINESS.

It is no desire to "rub it in" so to speak, but every once in a while we cannot help but think of all the propaganda that used to flow out of Washington pertaining to the "roll back" of prices of this, that and the other thing. Especially do we recall the "roll back" the administration forced on food essentials.

The big shot Political Action Committee leaders and the administration said there would be no raise in the cost of living during the war even though wages went sky high.

The administration did just that—it let wages go up and it forced farmers to produce grain, meat and poultry at prices that prevailed before the war. If farmers sold for the slightest increase over fixed prices, how they did crack down on them.

Now we are reaping the whirlwind of all of this tom-foolery. Americans are beginning to know something of what it means not to be able to get all the food they want. They are beginning to know what it means to go without meat and other substantial foods. And the worst is yet to come. Six months from now you will know something of what a food shortage really means.

Maybe we'd better "roll back" the prices again and give the farmers and other food producers another kick in the shins. Maybe that would help us get more food to feed ourselves and the rest of the world. We've made a pretty bad mess of it so far, but we are simply reaping the results of what the long-haired professors and the "roll-back" boys sowed in the years gone by.

ONLY ONE SMEAR ON A CLEAN RECORD.

The regular session of the 1945 state legislature has finally adjourned. Its record of accomplishment, while not of a nature that will cause future state historians to point it out as outstanding, was on the whole of benefit to the people of Michigan. Local units of government will also benefit by its work.

There was only one effort made to smother through the legislature a piece of spite, vicious legislation. The scheme, for a time, fooled even the most alert members of the legislature who watch all legislation closely.

It was a bill sponsored by a political group that sought to turn a very worthy institution into a political grab-bag and at the same time strike viciously and sneakily at an outstanding institutional administrator who has for years kept the plunder-bund politicians from getting control of the institution. The measure originated with a small clique of Wayne county court house politicians who called to their aid an out-county politico who operates in both political parties if necessary to gain some personal advantage or revenge.

The measure, which sought to place the control of the Wayne County Training School under a strictly political group, was rushed through the legislature on the claim that the Wayne county board of supervisors, the Detroit city council and all others interested in the institution had requested its enactment.

When the question was raised as to this claim, the Democratic sponsor of the bill even read to the legislature an alleged recommendation purportedly passed by the present board of supervisors, in favor of the legislation.

It was upon this information which resulted in the bill getting by the legislature.

Then when the purposes of the bill became known, it was discovered that the present board had taken no such action. They knew nothing of the proposed bill and that the members of the board were strictly opposed to it. It also developed that the city council of Detroit had not passed any resolution in favor of the bill. Even the Rotary club of Plymouth was involved by innuendo, although the club knew nothing of the proposed legislation. The officers were surprised later when advised of the matter.

Chairman William Comstock of the Wayne county board of supervisors, when advised of the scheme, immediately took steps to kill the measure. Other decent citizens of Wayne county interested in the welfare and development of unfortunate children lost no time in putting forth an effort to prevent its final enactment.

His death knell was sounded by a veto in which the Governor said "The fact that they (the Wayne county board of supervisors) do not believe it is desirable to transfer the all important responsibility of educating, rehabilitating and assisting the children at this school is clearly evidenced by a resolution adopted by a vote of 60 to 2 urging my veto," etc.

One last desperate effort on the part of final adjournment, Wednesday, was made to pass the bill over the Governor's veto. It failed miserably, as it should. Only six Detroit Democrats and one from Hamtramck voted to do so. Thereby was written the end of a miserable scheme to do some one an injury and accomplish no good purpose whatsoever.

Voters League Names Mrs. Hines As President

The reorganization meeting of the Plymouth League of Women Voters was held May 24 in St. Johns parish house. State officers present were Mrs. Bond, Mrs. Livrance and Mrs. DeWeerd.

The Articles of Affiliations for local Leagues were adopted after clear explanations by Mrs. Bond. It was emphasized that a League must adhere strictly to State and National policies of non-partisan-ship. No local League or its officials may oppose any action or policy endorsed by the state board or by state or national convention.

New officers elected were: Mrs. Jess Hines, president; Mrs. Harold Schryer, 1st vice president; Mrs. Carlton Lewis, 2nd vice president; Mrs. Frank Nair, 3rd vice president; Mrs. Clarence Elliott, secretary; and Mrs. Paul Christensen, treasurer.

The elected officers of the board met May 28 and ratified the following appointments of the president: Mrs. John Henderson, National Affairs Chairman; Mrs. Thomas Bateman, State Affairs Chairman, and Mrs. Maurice Woodworth, Local Affairs Chairman. Mrs. Adah Murray and Mrs. Sidney Strong were named honorary members of the board as publicity chairman and parliamentarian respectively.

Mrs. Olive Haskins, State president will be in Plymouth, June 7 to confer with the board on the program for the year.

The new president, Mrs. Hines, has a long and successful record as an outstanding leader among Plymouth women in civic affairs. She served most satisfactorily as president of the Starkweather PTA, has been active in Red Cross work, Methodist church affairs, the Consumers Council and juvenile recreational activities.

The election of an entirely new slate of officers and the decision of the organization to adhere strictly to the high purposes of the organization indicates that the Women Voters League of Plymouth intends hereafter to keep in step with the state organization.

1945 Tax Rate Set at Charter Limit of \$15

The 1945 tax roll for Plymouth, as submitted to the City Commission by City Assessor Arno Thompson and approved by that body at its meeting Monday night, shows an increase in assessed valuation of \$117,450 making the total \$6,473,900.

The budget of \$129,677, showing an increase of \$4,762 over 1944, was also approved, giving the city a tax rate of \$15 per thousand. The tax rate is the maximum allowed under the charter and shows an increase of 30 cents over 1944. It's the highest rate since the charter placed a limitation on taxation.

Discussing the assessed valuation, City Manager Clarence H. Elliott said that rather than raise the valuation in accordance with the "present fictitious values," it would be better to raise the tax rate temporarily.

Of the total budget, \$96,001.80 is anticipated from property taxes and the remaining \$33,675.20 is due from non-property tax revenues, such as gas tax, fees, fines, etc.

Also approved were the budgets of Riverside Cemetery, set at \$7,690, and the water department, set at \$45,345. Both of the latter are self-supporting.

Elliott also reported he had been promised delivery on 30 new sets of signs for street intersections by July 1 and the 30 more by the end of the summer, which should go a long way toward remedying that situation.

The new signs are made of wood with black raised letters on a white background. Elliott said they're the same as come now installed on Farmer street.

He said that painting some of the old ones would be almost impossible but that he hoped to have all streets passably marked by the end of the summer.

By next summer he expects to have practically all intersections marked with the new signs.

The new zoning ordinance north of Pearl street from Class B residence to local business was enacted when it passed its third reading.

Another proposed zoning ordinance to change a few lots on the west side of South Mill street, south of the park entrance to Ann Arbor Trail, from Class B residence to local business passed its first and second readings.

Installation of sanitary sewers and water on Forest avenue, between Ann Arbor Trail and Wing street, was approved. Work probably will be begun in the fall.

City Health Officer Luther Peck, M.D., reported no deaths or births in the city during the month of May.

Plymouth Highs 163 Seniors Set for Graduation

The biggest week in the young lives of 163 Plymouth High School boys and girls gets under way Sunday night when Baccalaureate services will be conducted in the High School auditorium.

The week will conclude with commencement exercises on Thursday night at 8 o'clock following the Class Night on Tuesday evening. All programs will be in the school auditorium.

Absent from the ceremonies will be 22 boys who are serving their country in the armed forces. Their diplomas will be received by their parents.

Of the 163 to be graduated Thursday night, 16 finished their high school courses in January.

Dr. David Henry, newly named president of Wayne University, will deliver the commencement address to the class.

The program will open at 8 o'clock with a procession by Elaine Sanko during which the graduating class will march into the auditorium.

The Rev. Francis H. Tetu, rector of St. John's Episcopal church will give the invocation, after which a quartet composed of George Valrance, Elizabeth Arigan, Bernice Miklosky and James Wiltzie will sing, "With Hearts of Hope."

Then the senior semolastic honor student, Merlin Datcher will speak on "The Challenge of American Youth."

Following Datcher's address will be a tribute to the class members in service by Robert Minock. Sidney Devison will play tap and George Valrance will sing a solo.

Following Dr. Henry's address, Principal Claude J. Dykhouse will present the Class of 1945 at which Superintendent George A. Smith will present the diplomas, first to the civilian graduates and then to those in service. It will be his last official public act before retiring.

The program will conclude with the singing of the class song, "Class of '45" the words of which were written by Jack Huebler and Joan Gilles.

Miss Sanko will play the recessional and the class marches out of its high school days.

Mr. and Mrs. William Arscott of Maple street were hosts Saturday evening at cards and late lunch entertaining Mr. and Mrs. Sam Freshney, of Detroit, Mr. and Mrs. Basil Carney of Yale, Mr. and Mrs. John Henderson, Mr. and Mrs. Edward Dobbs, Mr. and Mrs. E. L. Wood, Mr. and Mrs. Olive Williams and Mr. and Mrs. George Farwell.

Survives Sinking

Radioman Howard Hunt

Howard Hunt, Jr. Survives Sinking; Home On Leave

Saw Iwo Flag-Raising; Weds After Learning of Assignment in Detroit

Radioman Third Class Howard M. Hunt, Jr., at the age of 19, has had all the sea duty he cares for and now he's due for shore duty in Detroit.

So he got himself married last Friday night to Madelyn Allen, daughter of Mr. and Mrs. Charles Allen, of 173 North Harvey street.

In his 10 months in the Pacific the former Plymouth High School three-sport star has taken part in every invasion in the Philippines and has survived the sinking of his ship after a bombing attack.

Hunt, who enlisted in the Navy Mar. 6, 1944, while still a student at Plymouth High, figures the explosion of the Jap plane when it crashed into the ship's bridge and blew him into the water was the luckiest break of his life.

Fortunate because the ship hit by a lucky (for the Japs) one-two punch, sank in minutes after it was struck.

"I saw that plane coming right at me as I was standing on the bridge and so I jumped to the deck," said Hunt. "The plane's bomb hit amidship and the explosion blew me into the bow."

"Then the plane hit the bridge where I'd been standing a few moments earlier and exploded. That explosion blew me about 30 yards from the ship when I landed on my back in the water and started swimming.

"It probably was the most graceful dive I ever made. Getting blown off the ship undoubtedly saved my life. There were a lot of casualties."

He suffered only minor burns and was grazed by some shrapnel in the sinking which occurred April 16, during the Okinawa campaign.

He's one of the survivors' leave and is scheduled to report in Detroit June 18, for duty in the recruiting office.

One of his most cherished memories, although at the time he was too tired and cold to appreciate its significance fully, was the historic flag-raising on Iwo Jima.

"We were only about 200 yards from Mt. Suribachi when they raised the flag," he recalled. "The water is deep right up to the cliff there so we went in close to support the operation."

"We'd been up for three days lending a hand to the Marines and it was more with a feeling of relief than as a thrill that we saw the flag go up. We just were too tired and cold at the time to realize the importance of the event."

"Our only thought was, 'now maybe we can get some sleep.'"

When he first went into action, he said, he wasn't very scared. "In fact, I just thought it was a lot of fun. But we weren't there more than a month when our ship was hit by a suicide plane at Min-

War Bond Theater Show Fixed for Wednesday, June 27 — Ticket Will Be Given for Each Bond Purchased

To keep up the patriotic tradition of the Penn theatre, its owner and manager, Harry Lush, yesterday announced that the 7th war loan motion picture show will take place on Wednesday evening, June 27.

One ticket will be given for each \$25 war bond purchased between Monday, June 11 and the beginning time of the show, 7:30 o'clock on Wednesday, June 27.

Mr. Lush will be able to announce the name of the picture next week. It will be one of the outstanding productions of the year. The only admissions on that night will be by tickets that have been issued in connection with bond sales.

Tickets will be placed at the bond window in the Plymouth postoffice, the First National bank and at the Plymouth United Savings bank sometime Monday afternoon.

Mrs. Walter Kellogg Summer states that the women Gallant war bond workers are making satisfactory progress in their work, with Plymouth nearly half way to the top of its quota of \$719,000.

Wanted — That Old Handbag, Mrs. Lady For a Very Beneficial Purpose

There's always something new in this old world! Remember the Day Camp for the Girl Scouts held last year in Plymouth-Riverside park? Remember, too, how successful it was? You see, the girls have always had plenty of leather in past years to use for handcraft work, which was one of the important ways the sponsors of the camp have in keeping the girls busy.

You will be doing something worthwhile—doing something to help make good girls better girls, helping to keep their hands both busy and useful.

Don't forget that old hand bag when you are downtown. Bring it with you and leave it at The Plymouth Mail office anytime after you read this—but before June 18.

Leather, any kind of leather, is badly needed to help make the Day Camp for the girls a success.

Mrs. Mother—have you an old leather hand bag you've discarded? Have you any kind of leather, no matter what kind, you do not need?

If so, will you kindly leave it at The Plymouth Mail office any day you happen to be downtown?

You see, the girls have always had plenty of leather in past years to use for handcraft work, which was one of the important ways the sponsors of the camp have in keeping the girls busy.

You will be doing something worthwhile—doing something to help make good girls better girls, helping to keep their hands both busy and useful.

With Plymouth Boys on Saipan

William Eckler, one of Plymouth's boys who joined up with the fighting Marines and has taken part in several of the island invasions of the Pacific, is spending a few days at his home in Plymouth. He was sent from Saipan to the U. S. hospital at Faragut, Idaho, where he has been a patient for several weeks. He expects to be sent back to the hospital after the expiration of his furlough.

While on Saipan he saw two Plymouth boys, Monte Hines and Gordon Nulty.

"It always was a great day for us when The Plymouth Mail came. Each of us received it, but sometimes when one missed, we always saw to it that the others got our copy. When I left both of the boys were at a rest camp," said Mariner Eckler.

Thanks Plastic Fund Donors

Commander John J. Jacobs, of the Ex-Service Men's club of Plymouth, states that he is pleased to be able to make a very satisfactory report of the progress being made in raising a \$5,000 fund in Plymouth to be used for the purchase of plastic limbs for war veterans who have lost either an arm or leg.

Mr. Jacobs says: "At the present time we have raised \$2,056.09. On behalf of the Ex-Service Men's club I wish to thank each and everyone who has contributed to this worthy cause."

"The committee on this worthwhile project is now ready to take care of any boy in this area who has an honorable discharge and who might be in need of such service as we have to render. Members of this committee are: chairman, Harry Bradford; Harry Hunter, Harry Mumby, Harry Brown.

"On June 12th at 12 o'clock noon, the Ex-Service Men's club will give a two-piece living room suite away at Blunk and Thatcher's store. The public is invited."

To the People of this Community

Remember the Kid in Upper Four? He thinks about you, his home folks, even under the murderous fire of enemy machine guns. The kid came home the other day to receive a decoration. Unshamedly he recalled saying to the soldier: "Father in Heaven, take care of Mom and Dad and my brother and sister and all the folks at home. Thanks for the food and water we have in this shell hole. Take care of my buddies. Take care of me, Amen."

In this case the kid's name was Private Ken Miller of Greensburg, Kan., veteran of two wars. Private Miller won't mind if you substitute the name of your boy for his as the boy who prayed in a foxhole for the home folks. The link between foxhole and home is never broken unless you break it here yourself. Your fighting sons look to you in the 7th War Loan to demonstrate that you are helping them in one of the most direct ways open to you, the acquisition of the most War Bonds you have ever bought in any War Loan.

\$1,100 Is Raised by Poppy Sale

The Plymouth Poppy Sale for the benefit of disabled veterans and their families and the kin of those who gave their lives for their country raised a total of approximately \$1,100.

Mrs. William Erdelyi, chairman of the drive for the Myron H. Beals Post of the American Legion and its auxiliary, announced that her group had raised \$450.

The Ex-Servicemen's Club also collected \$450, according to its chairman, Harry Brown. Robert Fisher, chairman of the collection for the Passage-Gayde post of the Legion, announced his group realized \$200.

The funds raised by the Legion salesmen went to the local and national funds of the American Legion for the aid of orphans of veterans. The Ex-Servicemen contributed their receipts to their local fund for the aid of Plymouth veterans' families.

Move Club House for Wild Lifers

President Brick Champe of the Western Wayne County Conservation association advised members of the organization at the meeting held Monday night that the building purchased from the Bomber plant in Joy road and will be set on a foundation within the next two or three weeks.

Work on the basement and foundation has been delayed, set-off President Champe, because of the heavy rains that have fallen during recent weeks.

"If weather conditions are at all favorable during the next month, we may be able to hold our July meeting in the new club house. After we have it opened, then we can start our work in developing the 40 acre site we were so fortunate in securing," he stated.

The building, which had been used for office purposes during the construction of the bomber plant, is an ideal one for the purpose for which it will be used.

Chance to Aid Wounded Vets

Want to make a gift of some kind to a wounded soldier in Percy Jones hospital? Want to send him some cigarettes, smoking tobacco, playing cards, cookies, magazines, candies?

If so contact Miss Marian Beyer at phones 633 or 211. She is driving the Plymouth Red Cross truck to the hospital on Tuesday, June 12, and has room to take your contributions to the wounded soldiers.

There are thousands of them over there, so do not fear that they are receiving more than they need.

Lodge for Girls To Be Installed

Plymouth Chapter No. 115 OES will sponsor an "Order of Rainbow for Girls" which will be instituted here Saturday at 1 o'clock at the Masonic Temple by Mrs. E. Alberta Coburn, Supreme Inspector in Michigan. Mrs. Coburn will be assisted by Acting Supreme Officers. Northville Assembly No. 29 will assist in the ritualistic work.

The afternoon will be spent in instituting the Assembly, and Initiating 50 girls from Plymouth who will be the charter members of this new Assembly. A covered dish dinner at 6:30 will be followed by installation of officers at 8 o'clock. Installing officers will be Grand Worthy Advisor, Junior Past Grand Worthy Advisor and Grand Lecturer. All Eastern Star and Masonic members are expected to be present both afternoon and evening. Parents of girls who are not members are invited to attend the dinner and installation service.

Mrs. Earl Russell will entertain the following guests Wednesday, June 13, at the opening luncheon bridge of the Plum Hollow Golf club: Mrs. Walter Harms, Mrs. Ralph J. Lorenz, Mrs. Floyd Wilson, Mrs. Thomas W. Moss, Mrs. Dow Swope, Mrs. Lawrence Lyons, of this city, and Mrs. Horace Johnson of Northville.

OUR PRICES NEVER WENT TO WAR!

When the war began, we enlisted in the homefront fight against inflation. We nailed down prices—and we've kept them nailed down at pre-war levels. You pay no more today for nationally advertised drug store products than you did in 1939—and for some, you actually pay less. Our prices never went to war—which is why you enjoy peacetime economy today and every day when you shop at DODGE'S for health and beauty aids.

Howard Hunt, Jr.

(Continued from Page 1)
"He didn't do much damage but then I realized that we weren't just shooting at the Japs; they were shooting at us too. Seeing all your buddies lying around dead and wounded makes you realize it isn't just a game. After that I was plenty scared."
"There's so much noise from your own guns shooting that you don't fully realize that the enemy's shells are meant for you. But when I saw that plane coming at us, I could see he wasn't fooling."
During the cold two and a half hours he spent in the water before he was picked up after the sinking, Hunt worried plenty that he wouldn't be rescued. Especially did he worry when he saw the

sharks coming uncomfortably close.

"I don't think the sharks got any of our men, but they sure didn't add any to my comfort," he said.

"Also, you know, for some time the rest of the ships were pretty busy fighting the Japs and several times it seemed they were going off and leaving us in the evasive maneuvers."

His parents, Mr. and Mrs. Howard M. Hunt, of 104 Holbrook avenue, got a big scare when his ship was announced as sunk four days after the action before they'd had any word he was safe.

But that's all over now and they're glad to have him home and it goes without saying he's glad to be home.

He went ashore on Lytle and reports he liked the Philippines country very much. "But, the poor condition of the natives was

something that impressed me profoundly," he said.

Besides his Asiatic-Pacific, Philippines Liberation and American Defense ribbons, he wears the Unit Recommendation medal for Iwo Jima and five battle stars. He's also due for the Purple Heart.

The battle stars are for the battle of Leyte Gulf, Ormac Bay, Luzon, Iwo Jima and Okinawa. Hunt was among the first to enter Ormac Bay.

Hunt and his new bride are spending their honeymoon in a cottage on Walled Lake. They were married by the Rev. Henry J. Walsh, in the First Presbyterian Church.

They expect to make their home if they can find one—in Detroit when he reports there for duty at the recruiting office.

Church News

Hours of services and notices of church organization meetings.

FIRST METHODIST CHURCH. T. Leonard Sanacets, minister. Mrs. O'Conner, director of music. You are cordially invited to worship with us at any of our services Sunday, June 10, 1945, 10:00 a.m. Church school with Children's Day program in each department. Parents are urged to visit their children in their department, 11:30 a.m. Morning worship and the annual recognition service. Special music by the adult and junior choirs. "A Creche That Sings, What Kind of a Church?" Those having children to be baptized should make arrangements with the pastor by Saturday noon, Monday, 3:45, Girl Scouts; 7:30 Boy Scouts, Wednesday, 12:30. The Woman's Society of Christian service will hold its annual picnic at Riverside park near the wading pool. It will be pot-luck luncheon. Bring own dishes, beverage and a dish to pass. Last week the pastor received these words in a letter from one of our lads in the Pacific "The people at home should see the turn outs that we have when we do have church they wouldn't believe it and maybe even be a little ashamed or wish they had gone a little more."

THE FIRST BAPTIST CHURCH. Rev. Mark F. Sanborn, pastor. 10:30 a.m. Sunday, joint session of the Sunday School and the church morning worship for the annual Children's Day program which will be based on the theme "We Would See Jesus." Harold Compton, superintendent, will be in charge. The Chorus choir will assist. The pastor will attend Kalamazoo College Home Coming and Commencement June 9, 10 and 11, where he will be one of the speakers. He will also be in charge of the reunion of the classes of '04, '05, and '06. The young people meet at 6:30 p.m. and at 7:30 p.m. the evening sermon will be delivered by Rev. A. K. MacRae. At 6:30 p.m. Tuesday the Palmer Bible class will meet at the home of Mrs. Ida Stanley, 614 N. Mill St., for cooperative dinner and business and social meeting. At 7:30 p.m. Tuesday (one week early) the Loyal daughters class will meet with Mrs. George Bower, 1055 Williams St. At 6:30 p.m. Tuesday two classes of men of the church will attend a banquet of the Laymen of Wayne association at Bethany Baptist church, Pontiac, where Dr. J. Gordon Hynes of Lansing will be the speaker. At 6:30 p.m. Wednesday the June Family Night cooperative dinner will be held. Dr. Reuben E. Nelson, Detroit will give the address. Dr. Nelson has just been called to New York to serve as General Director of Promotion for the Northern Baptist convention, the highest executive position in the denomination.

FIRST PRESBYTERIAN CHURCH. Rev. Henry J. Walsh, pastor. Sunday, June 10, Children's day. The Church School will meet at 10:30 a.m. to form their professional for the church service. Morning worship will begin at 11 with a procession of the children of the school. The Children's choir, under the direction of Mrs. Gerald Hondorp, will sing the anthems of the service. Miss Loretta Petrosky will play the service at the organ. There will be special exercises of the children as part of the morning worship. There will be no meeting of the Youth Fellowship on Sunday evening, due to the Baccalaureate service. On Sunday, June 17, the Youth Fellowship of this church, and of the Northville church, will be hosts to the District Youth groups of the Presbyterian church, meeting in our church in the afternoon. The annual picnic of the Women's Auxiliary will be held on Wednesday afternoon, June 13, at the wading pool, in Plymouth Riverside park. All members and friends are welcome. The annual church and church school picnic, for all members of the church and Sunday school, will be held on Wednesday afternoon, June 20th, in Plymouth park, at the wading pool area. Supper will be served at 6:30 pot-luck, and following the supper, games will be run off for the children.

ST. JOHN'S EPISCOPAL CHURCH. Maple & So. Harvey Sts., Rev. Francis Tetu, Rector. Sunday morning services: Church School at 9:45 a.m. Morning Prayer with sermon at 11 a.m. The farewell sermon of the Rector of St. John's Church will be preached on June 17th. The Rev. Francis Tetu who has been elected Rector of the Church of Our Saviour in Detroit will take charge of his new parish on June 24th.

FIRST CHURCH OF CHRIST, SCIENTIST — Sunday morning service, 10:30; Sunday school at 10:30. Pupils received up to the age of 20 years. Wednesday evening testimony service, 8:00. "God the Only Cause and Creator" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, June 10. The Golden Text (Revelation 4:11) is: "Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created." Among the Bible citations is this passage, Isaiah 44:6: "Thus saith the Lord the King of Israel, and his redeemer the Lord of hosts; I am the first, and I am the last; and beside me there is no God." Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy.

include the following (502): The universe reflects God. There is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite mind and forever reflected. These ideas range from the infinitesimal to infinity, and the highest ideas are the sons and daughters of God."

CALVARY BAPTIST CHURCH. Ann Arbor Trail at Elizabeth St. John I. Paton, pastor. PITCH IN!

on the mighty 7th... it's two big War Loans in one!

You have seen pictures of American soldiers falling wearily into fox-holes, too tired to even dodge the shells raining all around them! Did it make you fighting mad?

You have seen pictures of American bombers hit by enemy fire, plummeting downward into enemy territory. Did it make you fighting mad?

Then pitch in... turn your folding money into fighting money... buy twice as many bonds as you bought last time!

The mighty 7th War Loan must do the job that two war loans did last year. It's the biggest, most urgent war loan of all. Back it up with every dollar you can lay your hands on.

Plymouth Golfers Win State Title

The Plymouth High School golf team which won the State Class B golf crown, back row, left to right: Edward Thorne, Robert Minock, Jim Noyes, Howard Houghton and Leigh Langkabel. Front row: Bob Schwarz, Coach Bernard Stadtmiller and Ray Kurtz.

The Plymouth High School golf team, under the expert coaching of Bernard Stadtmiller, brought statewide honors to the city last Saturday by capturing the State Class B championship in Ann Arbor.

Plymouth won the crown with a total medal score of 382. Ypsilanti was second with 385, Redford third with 403 and Kalamazoo Western fourth with 404.

Medalist for the day was Jim Noyes, who scored a fine 88 despite the fact he played with an infected finger. Bob Schwarz got a 93, Howard Houghton 97 and Ray Kurtz 104 for Plymouth's winning aggregate.

Stadtmiller, history instructor who was pressed into service as the team's mentor because of the manpower shortages, was well pleased with the team's showing.

He said it proved that practice pays off. The team went to Ann Arbor Friday before the meet and put in a good practice round, which really paid dividends.

The team received a beautiful trophy and each member was given a medal. Noyes also received a special medal for being low scorer in Class B.

Besides his duties as history teacher and golf coach, Stadtmiller fills in his "spare" time by operating the Music Manor, popular music shop in the rooms formerly occupied by the library.

Ann Arbor won the Class A state title.

Meloy and Marvin Sackett, all of Plymouth; two step-sons, Syc Luther Jordan, South Pacific; Pat. Leroy Jordan of Port Sheridan, Illinois. Another son Pfc. William C. Jordan, was killed in action in France. Three brothers, Clark, Lee and Ray Sackett, all of Plymouth also survive. Rev. Henry J. Walsh officiated. Two hymns were rendered by Mrs. J. T. Chapman, accompanied at the organ by Mrs. M. J. O'Conner. Active pallbearers were Messrs. Wayne Kuhn, Lawrence Gladstone, William Garet, Frank Tiltonson, Harold Taft and Oscar Mattie. Interment was in Riverside cemetery.

Mrs. Mae Daugherty Mae Ina Hastings was born at Brasher Falls, New York on April 7, 1866, and passed away suddenly at her home in Plymouth, Friday, June 1, 1945, having reached the age of 79 years, 1 month and 25 days.

She came to Michigan in early childhood and has resided here ever since. She became a member of the Methodist church as a young girl and has been steadfast in her Christian faith throughout the years.

On November 27, 1894 she was united in marriage to Henry Jay Daugherty. Four children were born to this union. Mr. Daugherty died in 1920.

Left to mourn her passing are her four children, two sons, Ivan of Detroit and Ira of Plymouth, and two daughters, Mrs. Irma Martin and Mrs. Irva Sockow both of Plymouth, four grandchildren and many other relatives and friends.

Services were held in the Schrader Funeral Parlors, and interment was in Riverside Cemetery. Rev. John I. Paton, pastor of the Calvary Baptist church of Plymouth, officiated. Active pallbearers were Messrs. Ernest Robinson, Forrest Smith, Paul Ware, John Kiddman.

Funeral services were held Saturday, June 2nd at the Schrader Funeral Home, Plymouth, at 2 o'clock for Jay Robert Sackett who resided at 4514 Grand River, Webberville, Michigan. He was instantly killed by an automobile on Tuesday evening, May 29th. Survivors are, his widow, Mrs. Flossie Sackett, two sons and two daughters, Miss Elnora Sackett, Arden Sackett, Mrs. Margaret

Card of Thanks We wish to extend our sincere thanks to Rev. John Paton for his words of comfort, to our friends, neighbors and patrons, to the Schrader Funeral Home and to all those who so kindly assisted us during our recent bereavement. Ivan Daugherty and daughter Marguerite, Iva Daugherty, Mr. and Mrs. Edward Martin, Mr. and Mrs. Freddy Sockow and children. HOUSES moved and raised. Free estimates. Livonia 3259. Trotters Run at Northville

Michigan's greatest trotting meet got under way at Northville Downs, the trim little racing plant at Northville, Wednesday night. The inaugural saw nine races which will continue through the week in order to catch up on the program.

More than 350 horses are quartered here for the spring meeting which will see 19 \$1,000 stake races and two stakes for \$6,600 each. The first of these will be on Friday night, June 29 when the Northville Downs Trot Derby 36 entries open a series of elimination dashes. The Michigan Pacing Derby is set for Saturday night, June 30. There are 46 entries in this race which will, of course, necessitate elimination dashes.

Racing will be held every night each night, will this year be located to the west side of the grandstand where it will be easily accessible to all the fans, so many of whom like to visit the paddock between races.

The old judges stand has been replaced by a new one a welcome addition to many, for the old stand was something that one never could brag about very much.

Chief of the improvements which will be found are increased seating facilities for the public. This has been made by the erection of bleachers to the east of the grandstand in the place occupied by the paddock last fall, and by the addition of more box seats which were in such demand last year that they were sold out nightly.

The racing paddock, from which the roses will parade to the post each night, will this year be located to the west side of the grandstand where it will be easily accessible to all the fans, so many of whom like to visit the paddock between races.

Seeks Place on School Board

Wallace (Wally) Laury, a candidate for the Plymouth board of education, has been a resident of Plymouth township since 1941, living with his wife, Maude, and his daughter, Judy, at 40201 East Ann Arbor Trail.

He has been teaching in the Detroit school system ever since he graduated from the University of Minnesota with a Bachelor's degree in education in 1927. After attending night school for several years at Wayne University, a Master's degree in education was presented to him in 1934.

Some of his professional affiliations are National Educational association, Michigan Educational association, Metropolitan Detroit Schoolmen's club, Health Education club of Detroit, and president of the National Interscholastic Swimming Coaches' association for 1944-45. At the last meeting of the University of Michigan club of Plymouth he was elected to the board of directors. He has been an active Red Cross worker in life-saving and first aid, especially in the latter, by volunteering his services as an instructor in Plymouth during the late Civilian defense program.

In addition to his educational activities, Mr. Laury runs his

own farm and is a salesman in investments. His interest in the Plymouth school system is that of a taxpayer, of a parent of a child attending school, and of a public-spirited citizen, he states.

Chapman, accompanied at the organ by Mrs. M. J. O'Connor. Active pallbearers were Messrs. Wayne Kuhn, Lawrence Gladstone, William Garret, Frank Tiltonson, Jeroid Taft and Oscar Matts. Interment was in Riverside cemetery.

Mrs. Mae Daugherty, Mae Ina Hastings was born at Brasher Falls, New York on April 7, 1866, and passed away suddenly at her home in Plymouth, Friday, June 1, 1945, having reached the age of 79 years, 1 month and 25 days.

She came to Michigan in early childhood and has resided here ever since. She became a member of the Methodist church as a young girl and has been steadfast in her Christian faith throughout the years.

On November 27, 1894 she was united in marriage to Henry Jay Daugherty. Four children were born to this union. Mr. Daugherty died in 1920.

Left to mourn her passing are her four children, two sons, Ivan of Detroit and Ira of Plymouth, and two daughters, Mrs. Irma Martin and Mrs. Irva Sockow both of Plymouth, four grandchildren and many other relatives and friends.

Services were held in the Schrader Funeral Parlor, and interment was in Riverside Cemetery. Rev. John I. Paton, pastor of the Calvary Baptist church of Plymouth, officiated. Active pallbearers were Messrs. Ernest Robinson, Forrest Smith, Paul Ware, John Mastic, Joy Pinckney and Fred Kiddman.

Trotters Run at Northville

Michigan's greatest trotting meet got under way at Northville Downs, the trim little racing plant at Northville, Wednesday night. The inaugural saw nine races which will continue through the week in order to catch up on the program.

More than 350 horses are quartered here for the spring-meeting which will see 19 \$1,000 stake races and two stakes for \$6,000

each. The first of these will be on Friday night, June 29 when the Northville Downs Trot Derby 36 entries open a series of elimination dashes. The Michigan Pacing Derby is set for Saturday night, June 30. There are 46 entries in this race which will, of course, necessitate elimination dashes.

Racing will be held every night except Sunday. The first race will start at 8:30 p.m. with the daily double windows closing at 8:20. For the first time betting here will be through "tote" machines.

Chief of the improvements which will be found are increased seating facilities for the public. This has been made by the erection of bleachers to the east of the grandstand in the place occupied by the paddock last fall, and by the addition of more box seats which were in such demand last year that they were sold out nightly.

The racing paddock, from which the roses will parade to the post each night, will this year be located to the west side of the grandstand where it will be easily accessible to all the fans, so many of whom like to visit the paddock between races.

The old judges stand has been replaced by a new one, a welcome addition to many, for the old stand was something that one never could brag about very much.

Seeks Place on School Board

Wallace (Wally) Laury, a candidate for the Plymouth board of education, has been a resident of Plymouth township since 1941, living with his wife, Maude, and his daughter, Judy, at 40201 East Ann Arbor Trail.

He has been teaching in the Detroit school system ever since he graduated from the University of Minnesota with a Bachelor's degree in education in 1927. After attending night school for several years at Wayne University, a Master's degree in education was presented to him in 1934.

Some of his professional affiliations are National Educational association, Michigan Educational association, Metropolitan Detroit Schoolmen's club, Health Education club of Detroit, and president of the National Interscholastic Swimming Coaches' association for 1944-45. At the last meeting of the University of Michigan club of Plymouth he was elected to the board of directors. He has been an active Red Cross worker in life saving and first aid, especially in the latter, by volunteering his services as an instructor in Plymouth during the late civilian defense program.

In addition to his educational activities, Mr. Laury runs his

own farm and is a salesman in investments. His interest in the Plymouth school system is that of a taxpayer, of a parent of a child attending school, and of a public-spirited citizen, he states.

Weddings

Parsons-Knight.
The wedding of Miss Cherry Knight of Norfolk County, England, and Lieutenant Carl Eugene Parsons, son of Mr. and Mrs. Eugene Parsons of this city, was solemnized Saturday evening, June 2, at 8 o'clock in the Methodist church this city, Rev. T. Leonard Sanders read the service. The altar, lighted with tapers in tall standards, was decorated with baskets of white gladiolus, snapdragons and palms.

William Pickens, cousin of David Cell, and soloist at Christ church in Cranbrook sang "O Promise Me," "Because" and "O Perfect Love."

The bride was given in marriage by Mr. Parsons. She wore a lovely wedding gown of white satin and tulle, the bodice being of satin made with a square neckline trimmed with a ruff of tulle, long sleeves extending to points over the hands and a skirt of tulle with a long train. A coronet of orange blossoms held her scalloped fingertip veil in place.

Mrs. David Cell, sister of the bridegroom, was the matron-of-honor and wore a yellow marquisette gown with matching flowers in her hair and carried yellow tea roses.

Sharon Cell, a niece of the bridegroom, was the flower girl carrying a corsage of red and white roses. Her dress was white silk and lace with which she wore a Dutch cap of lace.

The bridegroom was attended by his brother-in-law, David Cell, as best man, and Harold Parsons, a brother, seated the guests.

Mrs. Parsons, the bridegroom's mother, chose a gown with black lace bodice over pink chiffon and black crepe skirt. Her accessories were in pink and she wore a corsage of pink roses.

A reception with 40 present was held immediately after the ceremony in the church.

Lieutenant and Mrs. Parsons will remain in Plymouth until the end of his leave, June 22, when they will go to Miami Beach, Florida, for ten days before he leaves for his next assignment.

Among those from out-of-town attending the wedding were Mr. and Mrs. William Campbell of San Jose, California; Mr. and Mrs. Harold Parsons of Rochester, New York; and Mr. and Mrs. Jerry Cell of Flint.

Eckles-Brown.
Announcement has been made by Mr. and Mrs. Floyd Eckles, now residing in Phoenix, Arizona, of the marriage of their daughter, Gloria Irene, to Lt. Wallace N. Brown on May 21 at 8:30 p.m. at Sarasota, Florida.

Lt. Brown, the son of Mrs. J. S. Brown of Dothan, Alabama, received his wings as a fighter pilot at Luke Field near Phoenix, Arizona, last November and was recently transferred to Sarasota where he expects to be assigned to overseas duty before fall.

They were married, with the double ring ceremony, in the chapel at the Sarasota Army Air Field by Chaplain Dickson.

Following the ceremony the couple attended a reception at the Officers club.

Mrs. Brown will remain in Sarasota until he is sent overseas then she will return to Phoenix and resume her work as bookkeeper at the Valley National Bank where she has been employed since November.

Simons-Williams.
On Sunday afternoon, June 3, at one thirty o'clock in the home of Mr. and Mrs. Paul H. Simons on Canton Center road, their daughter Janice Kathryn was united in marriage to Arnold B. Williams son of Mrs. Lyons H. Williams of Arlington, New Jersey. The double ring ceremony was read by Rev. Henry Walch of

the Presbyterian church in the presence of the immediate families.

The bride's gown was made with a bodice of lace, and full white satin skirt covered with tulle. She carried a colonial bouquet of white roses and carnations. Her maid-of-honor, Miss Eleanor Williams, sister of the bridegroom, wore a coral colored organza gown and her bouquet was of yellow roses and white carnations. The best man was Frank Reynolds of Birmingham.

Before the ceremony Mrs. Barbara K. Fulkerson sang "Because" and later sang "Ich Liebe Dich." She was accompanied by Mrs. Alta Woodworth.

The bridal party and their families left for Dearborn Inn following the ceremony where the wedding dinner was served.

The bride is a graduate of Plymouth high school with the class of 1942. She was employed in the First National Bank in this city but more recently as a secretary at the Willow Run Humber plant where she was the bridegroom who was an instructor at the Willow Run Air Base. He is a licensed aviator.

The bridegroom is a graduate of Casey Jones Academy of Aeronautics in Newark, New Jersey. He also graduated from the Palm Beach, Florida high school. He is a member of Phoenix Masonic lodge No. 113 of Ypsilanti.

The couple left Tuesday evening for Seattle, Washington, to make their home where Mr. Williams will be an instructor in the Boeing Super Fortress school.

The bridegroom's mother and two sisters came by plane from Arlington, New Jersey, to attend the wedding.

Blackmore-Lasslett.

The marriage of Miss Ruth Blackmore, daughter of Mr. and Mrs. Oren W. Blackmore of Canton Center road, to Howard J. Lasslett, son of Mr. and Mrs. Clyde J. Lasslett of Plymouth took place Saturday evening, June 2 in the First Baptist church. The service was read by Rev. Mark Sanborn.

The bride, given in marriage by her father, wore a street length dress of blue crepe trimmed with a wide white lace collar. Her corsage was of red roses.

Mr. and Mrs. Clyde Lasslett Jr. were the couple's only attendants. Mrs. Lasslett wore a yellow dress and a corsage of Talisman roses.

For her daughter's wedding, Mrs. Blackmore wore a light blue dress and a corsage of red roses and the bridegroom's mother wore navy blue with corsage of red roses also.

A reception was held in the church hall after the ceremony. Guests came from Battle Creek, Wayne, Detroit and Dearborn for the wedding.

The young couple left for a short wedding trip to Canada. They are now located in their home on Lilley road.

Hunt-Allen.

The marriage of Madeline Allen, daughter of Mr. and Mrs. Charles Allen of North Harvey street, and Howard Melvin Hunt, RM 2/c, son of Mr. and Mrs. Howard Hunt of Houbrook avenue, took place Friday afternoon, June 1, at the Rev. Henry J. Walch read the service at 5 o'clock in the parlors of the First Presbyterian church.

The bride wore a tailored street length dress in white with white accessories and an orchid corsage. She was attended by Mrs. John Beauchamp, who was dressed in a pink wool jersey dress with which she wore white accessories. Her corsage was pink roses and stephanotis.

Lucy Stevenson attended the bridegroom.

A reception was held in the bride's home with 30 relatives and friends present.

The young couple are spending several days at Walled Lake. The bridegroom has recently returned from the Pacific area and at the end of his 30-day leave expects to be stationed in Detroit.

Petrick-Sentner.

On Thursday evening, May 31, Miss Helen Sentner, daughter of Mr. and Mrs. Karl Starkweather, became the bride of William Eugene Petrick, Seaman 1/c U.S.N.R., son of Mr. and Mrs. E. K. Petrick of this city. The wedding took place in the First Presbyterian church at 8 o'clock. Rev. Henry J. Walch performed the double ring ceremony.

The bride wore a street length dress of eyelet embroidery and linen with white accessories and an orchid corsage. She was attended by Mary Margaret Stout, who wore a dress of pink in the same material. Pink rosebuds and stephanotis formed her corsage.

Walter Petrick attended his brother as best man and the ushers were Pfc. William Herter of the Marines and Corp. Robert Norman of the Army.

Mrs. Starkweather chose for the wedding, a dusty rose crepe dress with which she wore pink carnations. Mrs. Petrick was dressed in black crepe and lace with a white carnation corsage.

A reception followed in the Starkweather home with fifty relatives and friends attending from Detroit, Ann Arbor, Dearborn and Ferndale.

The young couple spent the week-end at Dearborn Inn.

Lieut. and Mrs. Carroll Haas (Elaine Hamilton) are the parents of a baby boy, Carroll Joseph II born in Ford hospital, May 30. Weight seven pounds. Lieut. Haas is in the Philippines.

Mrs. Jess Hines entertained Mrs. Olive C. Haskins, of Flint, state president of the League of Women Voters, and Mrs. John Henderson, of this city at dinner, Thursday evening preceding a board meeting of the Plymouth League held in the home of Mrs. C. H. Elliott on Ann street.

Climax Of Wartime Romance

Lt. and Mrs. Carl E. Parsons

Getting married is more of an ordeal than flying combat missions over Germany, opined Lt. Carl E. Parsons Saturday night after the Rev. T. Leonard Sanders had slipped the halter on him and the former Cherry Knight, of Norfolk County, England. The 27-year-old B-24 Liberator navigator and Miss Knight were hitched in the First Methodist church to climax a romance that began when they collided on a dance floor in England last year. It was perhaps the first wedding of its nature to result from this war, since they were married here rather than in England as has been the case in the big majority—if not all—such international romances. Mrs. Parsons flew to the United States and had to wait, somewhat impatiently, for about two weeks while her husband-to-be plodded across the ocean in a troop ship. The newlyweds spent the first couple of days of their married life in style in Detroit, staying at the Stetler. They came home to 1012 Penniman avenue, Plymouth, however, for a few hours Sunday to a big chicken dinner. Their real honeymoon will be deferred, however, until June 22 when he is due to leave for Miami Beach, Fla., for reassignment. They'll spend their honeymoon there and then Mrs. Parsons will go with him to his new base, in this country. The simple wedding ceremony was attended by only a few of the Parsons' close friends. David Cell, Carl's brother-in-law, served as best man, his sister, Mrs. Dorothy Cell, was matron of honors, and his three-year-old niece, Sharon Cell, was flower girl. The bride was given away by Carl's father, Edward Parsons.

'The Issues of Life' is Theme of H.S. Baccalaureate

'The Issues of Life' will be the theme of the sermon by the Rev. Henry J. Walsh, pastor of First Presbyterian church, at the Baccalaureate services for Plymouth High School's graduating class of 1945, in the school auditorium Sunday at 8 p.m. The service will commence with a procession by Elaine Sanko after which the Rev. Francis H. Teti, rector of St. John's Episcopal Church will give the invocation and Lord's Prayer. Following the response of the hymn, "Our God, Our Help," will be sung. Then the Rev. Teti will read the Scripture lesson from Philippians 4:4-9. The Chancel Choir of First Presbyterian church, led by Director Loretta Petrosky, then will sing the anthem, "Cherubim Song." The Rev. T. Leonard Sanders, pastor of First Methodist Church, will offer the Baccalaureate prayer which will be followed by the hymn, "Dear Lord and Father of Mankind." The Rev. Walsh will then deliver his sermon, the text for which is, "Keep thy heart with all diligence; for out of it are the issues of life," taken from Proverbs 4:23. After singing of the hymn, "Jesus Calls Us," Rev. Walsh will give the closing prayer and benediction followed by the "Three-fold Amen," by Beethoven. A recessional by Elaine Sanko will conclude the service. Dr. Mark F. Sanborn, pastor of First Baptist, who ordinarily would take part in the service, will be out of town and unable to do so.

Plymouth Airmen Extended Praise For Part in Victory by Gen. Doolittle

Ten in Group That Wins His Praise Among the 185,000 men and women of the Eighth Air Force in England who were extended congratulations by Lt. Gen. James H. Doolittle after VE-Day were ten boys in the air service from Plymouth. These ten are: 1st Lt. Howard R. Ebersole, 326 Maple Avenue. 1st Lt. H. O. Granger, 8041 Canton. Sgt. Edward J. Fornwald, 267 Pacific St. Sgt. David V. Hale, 1031 McClump Road, Rte 1. Sgt. William J. Amhein, 353 Starkweather Avenue. Sgt. Lorne W. Archer, 335 Roe St. Cpl. William R. Taylor, 513 Farmer St. Cpl. Walter A. Smith, 243 North Main St. T/5 Ray L. Sunbrook, 15613 Washburne, Rte. 5. PFC Harry E. Morgan, 35193 Warren Avenue. "I wish to extend my personal congratulations and my heartiest appreciation to every one of you for the magnificent job you have done," Gen. Doolittle said in a message to all personnel. "Each of you," he continued, "may be proud of your part in the defeat of Germany. I am proud of you. The world is proud of you." The Eighth Air Force was the world's mightiest strategic bombing force. Its personnel of 185,000 was the equivalent of 12 infantry divisions, and it could send 21,000 airmen in 2,600 four-engine bombers and 1,600 fighters over Germany at one time, a combat effort possible only through the support of tens of thousands of non-flying specialists. Since August, 1942, when combat operations began, Flying Fortresses and Liberators of the Eighth dropped more than 700,000 tons of bombs on enemy targets. Fighter pilots shot down 5,250 Nazi planes and destroyed 4,250 others on the ground. Bomber gunners shot 6,000 German interceptors out of the air. The Eighth dropped an average of 10 tons of bombs every minute of the last 12 months. Airmen of the Eighth were the first Americans to attack Germany. The early crews flew a handful of unescorted bombers against the powerful Luftwaffe, and proved the feasibility of an American idea—precision daylight bombing over the Reich. As the Eighth grew in strength, it was assigned the task of crushing the German Air Force, which had to come before the Allies could invade France. Bombers of the Eighth smashed Nazi aircraft production centers. Its fighters destroyed thousands of enemy planes in the air and on the ground. After beating the Luftwaffe in relative impotency, the Eighth threw its growing weight against Germany's rail system and vital sources of oil. These campaigns, in conjunction with the British Royal Air Force and the U. S. 15th Air Force, disorganized all transport in Germany, restricted German military operations in the air and on the ground, and paved the way for the march of Allied armies across Europe. Automatic transmissions, such as powered automobiles in peacetime, are used in the Navy's newest amphibious vehicle, the LVT-3 "Beach Busters." These transmissions eliminate "feeling for the beach." Coming up obstacles, the transmission shifts to the required gear ratio without attention from the driver. The transmission is produced in Michigan. So is the "Beach Buster" itself, which is made both in Kalamazoo and in Detroit. Engines for the "Beach Buster" are standard automobile engines with minor changes.

Plymouth Mail Writer Tells Thrills of Ride in Army Glider at Air Show

EDITOR'S NOTE—The following feature about the experience of riding in an Army glider picked up on the fly by The Detroit Free Press with some additions. The writer, Elmer W. Gaede, also writes for the Mail. BY ELMER W. GAEDE Free Press Staff Writer. Now I know how the girl felt when she was shot out of the cannon at the circus. I had much the same sensation when I was catapulted from a stand-still to 120 miles an hour in five seconds. It happened out at the City Airport at the airshow when I consented to "ride" in one of the CG4A gliders, the one that is whisked off the ground by the big C-47. The C-47, you know, comes roaring in about 20 feet off the ground over top of the glider, grabs the tow rope and AWAY you go. I'll never again complain when a DSR bus or streetcar starts too suddenly. It must be added, however, that the glider's pilot, Lt. Joseph E. Molinary, of St. Paul, Va., gave us passengers ample warning of what was coming and told us to "hang on for dear life." It took every bit of strength in both arms for us to hang on and keep from flying back into the tail of the plywood and canvas ship. I didn't have any warning when we spiraled down from about 2,000 feet to 500 feet to level off and get our bearings for the landing on the dime. That rapid dive was some thrill, although I began to wonder if Molinary was going to be able to pull it out. However, my worries ended abruptly when I found myself laying flat on my back on the floor of the glider. The leveling off process had a similar effect to the takeoff, although not so severe. And since I wasn't hanging on, I suddenly sat down and found myself flying backwards at a rapid rate. It was better than any roller coaster I've ever been on. We also experienced quite a sensation when Molinary reached up and cut the glider loose from the C-47 after we had climbed to about 2,000 feet. We were higher than the transport then and rather than dropping, we started to go up and then he banked over till we were flying nearly upside down. And we passengers were standing since there was only a seat for the pilot. However, we had no trouble keeping our footing. We marveled at Molinary's skill in bringing the ship in right on that six-foot square piece of canvas on which lay a dime. It seemed he never could stop in time as we bounced along the airport terrain. But he practically stood up on the brakes and came right to a stop on the canvas. My hat's off to those glider pilots. Molinary handled it as if

Institute New Organization Here

The first quarterly meeting of the National Council of Catholic Women, will be held on Sunday, June 10th, at 2:30 o'clock at the parish house of Our Lady of Good Counsel Church, on Penniman Avenue. There will be representation of 27 parishes of the Southwestern part of Michigan, including Ann Arbor, Adrian, Ypsilanti, Monroe, Northville, Northdale, Rosedale Gardens, Chelsea, and others. This is the first meeting of its kind to be held here, and all women interested in the work of this organization, are invited to attend this meeting. Refreshments will be served, movies shown, and local talent will put on a small musical program. Between 200 and 300 representatives, including the priests of the different parishes, are expected.

School District Election Monday

The annual election of the Plymouth school district will take place Monday, June 12 at the high school. The polls will be opened at 8 o'clock in the morning and remain open until 9 o'clock in the evening. There are but three candidates for the two places to be filled on the board. Both Dr. Harold Bisbois and Howard Stark, present members of the board, are up for re-election. The other candidate is Wallace Laury, a Detroit public school swimming coach, who moved into this district four years ago.

Wild Lifers Name Boy Delegates

Thomas Garrison, a Plymouth high school student residing on West Ann Arbor Trail, and Glen Hardesty, a Northville high school lad living near Salem, have been selected by the Western Wayne County Conservation Association to represent the organization at the conservation school at Higgins lake during August. The conservation school now being conducted by the states as a part of an educational system to instruct boys in the true values of conservation, is regarded as one of the best in the United States. The expenses of the boys while at the school will be paid by the Western Wayne Conservation Association.

Garden Club Members To Visit Gardens

The Plymouth Branch of the Woman's National Farm and Garden Association will make a tour of member's gardens Monday, June 11. Each member is asked to bring a box lunch and the tour will start from the home of Mrs. Austin Whipple, 939 Penniman avenue, at 10:30 o'clock Monday morning. After visiting several gardens they will go to the home of Mrs. LeRoy C. Jewell, 1804 E. Ann Arbor road where a picnic will be enjoyed. After which, a short business meeting will be held. Anyone desiring transportation for this tour, please call Mrs. Ralph G. Lorenz, phone 172, Mrs. R. R. Linsch, phone 783-J. A pleasant day is expected, and all members are urged to go. 'Memories' Theme of Class Night

'Memories' will be the theme of the Class Night of Plymouth High School's graduating class of 1945 Tuesday night at 8 o'clock in the school auditorium. The professional will be played by Elaine Sanko to begin the program, after which Clarence Hoffmann will take over as master of ceremonies. 6 After the entire audience joins in the singing of "The Star Spangled Banner," the quartet of Bernice Miklosky, Elizabeth Arigan, James Will, and George Valrance will sing "Memories." The class history, entitled "The Memory Book," will be read by Mary Mitchell, Rosemary Miller and Elaine Kunkel. Bernice Miklosky and George Valrance then will sing a duet arrangement of "Indian Love Call," after which Jack Huebler, Edward Strong, Merlin Datcher, Anna Mae Ward and Rosamund Busby will tell of "Classroom Memories." "Tattle Tales," will be given by Bernard Bart, Ann Ray, Peggy Hart, Carol Hubbell, Joan Gilles and Merlin Datcher. Following a piano solo entitled "Clair de Lune," narrator George Valrance and Operator Edward Strong will present "Flicker Flashbacks." Class President Ralph Bachelor then will deliver the president's address after which the program will close with the singing of the class song, "Class of '45" with words by Jack Huebler and Joan Gilles. Elaine Sanko will play the recessional.

OFFICIAL PROCEEDINGS OF THE CITY COMMISSION, CITY OF PLYMOUTH, MICHIGAN.

The regular meeting of the City Commission was held in the Commission Chambers of the City Hall on Monday, May 21, 1945, at 7:00 p.m.

Present: Mayor Shear, Commissioners Corbett, Lidgard, Taylor and Whipple.

Assent: None. The minutes of the regular meeting of May 7, 1945, and the special meeting of May 14, 1945, were approved as read.

It was moved by Commissioner Corbett and supported by Commissioner Whipple that the bills in the amount of \$9434.77 as audited by the Auditing Committee be approved.

Ayes: Mayor Shear, Commissioners Corbett, Lidgard, Taylor and Whipple.

A communication was received from the Liquor Control Commission, in which it was stated that the Liquor Control Commission would fully honor the Resolution of the City Commission requesting that no additional licenses be issued in the City of Plymouth without prior approval of the City Commission.

It was moved by Commissioner Whipple and supported by Commissioner Taylor that the communication from the Liquor Control Commission be accepted and placed on file. Carried.

A communication was received from the Planning Commission returning the proposal of rezoning Starkweather Avenue from Pearl Street north including Lot No. 622 of Assessor's Plymouth Plat No. 17, as originally outlined by the Planning Commission for adoption, to the City Commission with its recommendations for approval.

The following Proposed Ordinance No. 124 was offered by Commissioner Corbett and supported by Commissioner Lidgard.

AN ORDINANCE TO AMEND ORDINANCE No. 108, known as the Zoning Ordinance.

THE CITY OF PLYMOUTH ORDAINS: Section 1. That the zoning map of the City of Plymouth shall be revised as follows:

Lots 577 to 582, inclusive, also Lots 607 to 617, inclusive, and the easterly 132 feet of Lot 622 of Assessor's Plymouth Plat No. 17, be changed from Class "B" Residence to Local Business area.

Section 2. This ordinance is ordered to take effect on the 15th day of June, A.D. 1945.

Commissioner Whipple wanted to know who called the special meeting of the City Planning Commission on Friday, May 18. Mayor Shear stated that this had nothing to do with the question before this Commission. Commissioner Whipple demanded the City Clerk answer the question. The Chair ruled Commissioner Whipple out of order. Commissioner Whipple appealed from the de-

cision of the Chair. The Chair placed the motion and the Chair was sustained. A vote on the proposed ordinance was called for.

Ayes: Mayor Shear, Commissioners Corbett, Lidgard and Taylor.

Nays: Commissioner Whipple. Carried.

It was moved by Commissioner Corbett and supported by Commissioner Lidgard that Proposed Ordinance No. 124, an Ordinance to amend Ordinance No. 108, known as the Zoning Ordinance, be passed its second reading by title only.

Ayes: Mayor Shear, Commissioners Corbett, Lidgard and Taylor.

Nays: Commissioner Whipple. Carried.

Commissioner Whipple wanted to be recorded as voting "No" on the rezoning of Starkweather Avenue in this area because:

"1. The majority of property owners in the affected area opposed the change."

"2. This change spoils the entrance to the town and park area."

"3. This change is not necessary as there are plenty of business lots in that area as well as in other parts of town."

The City Clerk read the following Ordinance.

AN ORDINANCE No. 123 TO AMEND ORDINANCE No. 108, known as the Zoning Ordinance.

THE CITY OF PLYMOUTH ORDAINS:

Section 1. That the zoning map of the City of Plymouth shall be revised as follows: Lots 302 to 309, inclusive, and the east 70.66 feet of Lot 301 of Assessor's Plymouth Plat No. 12 and the east one-half of Lot 341 and all of Lot 342 of Assessor's Plymouth Plat No. 23, be changed from Class "B" Residence to Commercial area.

The westerly 150 feet of Lot 900 of Assessor's Plymouth Plat No. 24 and the easterly 150 feet of Parcel A, Parcel M and Parcel N of metes and bounds, be changed from Class "B" Residence to Local Business.

Section 2. This ordinance is ordered to take effect on the 15th day of June, A.D. 1945.

It was moved by Commissioner Corbett and supported by Commissioner Whipple that this Ordinance be passed its third reading.

Ayes: Mayor Shear, Commissioners Corbett, Lidgard, Taylor, and Whipple.

Nays: None. Carried.

The matter concerning the remodeling of the Fisher Building was discussed. No official action was taken.

This was the night set for a public hearing to determine whether or not to construct curb and gutter on Lincoln Avenue between Ann Arbor Trail and Sheridan, Adams north of the present curb to Junction, and on Division Street between Starkweather Avenue and North Mill Street.

and objected to an assessment against an adjoining piece of property owned by Mrs. Lva Pierce.

It was moved by Commissioner Corbett and supported by Commissioner Whipple that the assessment on the curb and gutter on Division Street adjoining the property of Lot 74 of Assessor's Plymouth Plat No. 4 be on a frontage basis.

Ayes: Mayor Shear, Commissioners Corbett, Lidgard, Taylor and Whipple.

Nays: None. Carried.

The following Resolution was offered by Commissioner Corbett and supported by Commissioner Whipple:

WHEREAS, petitions have been filed requesting this Commission to construct curb and gutter on Lincoln Avenue between Ann Arbor Trail and Sheridan, Adams north of the present curb to Junction Avenue, and Division Street between Starkweather Avenue and Mill Street, and

WHEREAS, a public hearing has been held and no valid objections have been received, and

WHEREAS, plan, profile and estimate covering the proposed improvements have been accepted and are on file in the office of the City Engineer.

THEREFORE, BE IT RESOLVED, that this Commission approve of and declare its intention to proceed with the construction of a curb and gutter on Pacific Avenue, between William and Blanche Streets.

BE IT FURTHER RESOLVED, that the Assessor be directed to prepare an assessment roll covering the total cost of the improvements.

Ayes: Mayor Shear, Commissioners Corbett, Lidgard, Taylor and Whipple.

Nays: None. Carried. The following Resolution was offered by Commissioner Corbett and supported by Commissioner Whipple.

WHEREAS, a petition has been on file in the office of the City Clerk requesting that this Commission construct a curb and gutter on Pacific Avenue, between William and Blanche Streets, and

WHEREAS, a public hearing has been held and no objections have been received, and

WHEREAS, the property can now stand an assessment for this purpose, and

WHEREAS, plan, profile and estimate covering the proposed improvement have been accepted and are on file in the office of the City Engineer.

THEREFORE, BE IT RESOLVED, that this Commission approve of and declare its intention to proceed with the construction of a curb and gutter on Pacific Avenue, between William and Blanche Streets.

BE IT FURTHER RESOLVED, that the Assessor be directed to prepare an assessment roll covering the total cost of the improvements.

Ayes: Mayor Shear, Commissioners Corbett, Lidgard, Taylor and Whipple.

Nays: None. Carried.

The Manager presented bids for construction of curbs and gutters. The low bidder was the Weir Contracting Company at ninety cents per linear foot. The Manager recommended that the bid be accepted.

It was moved by Commissioner Whipple and supported by Commissioner Corbett that the Manager's recommendation be approved and that the Mayor and City Clerk be authorized to sign

the contract with the Weir Contracting Company for the construction of curbs and gutters.

Ayes: Mayor Shear, Commissioners Corbett, Lidgard, Taylor and Whipple.

Nays: None. Carried.

The City Manager presented a bid for the sale of garbage and recommended that Clarence Sherwood's bid of eight hundred (\$800.00) dollars be accepted.

It was moved by Commissioner Corbett and supported by Commissioner Taylor that the City Manager's recommendation be approved.

Ayes: Mayor Shear, Commissioners Corbett, Lidgard, Taylor and Whipple.

Nays: None. Carried.

A petition was presented requesting water main and sanitary sewer on the west side of Forest Avenue between Ann Arbor Trail and Wing Street.

The City Manager recommended that a public hearing be held June 4, 1945, at 7:30 p.m.

It was moved by Commissioner Whipple and supported by Commissioner Corbett that the Manager's recommendation be approved and that the hearing be held June 4, 1945. Carried.

It was moved by Commissioner Whipple and supported by Commissioner Lidgard that the Manager be instructed to request the owner of Lot 646 of Assessor's Plymouth Plat No. 18 to raze the building on the property, as this is a public nuisance. Carried.

Mayor Shear appointed Commissioner Taylor on a committee to plan the summer recreation program.

It was moved by Commissioner Corbett and supported by Commissioner Whipple that the Mayor's appointment be confirmed. Carried.

It was moved by Commissioner Corbett and supported by Commissioner Lidgard that the meeting be adjourned. Time of adjournment 8:35 p.m.

Carl G. Shear, Mayor. C. H. Elliot, Clerk.

**Pack Auditorium
For Concert By
Lutheran Pastors**

Starkweather School's auditorium was packed last Thursday night for the first concert of the Lutheran Southeastern Conference Choristers.

The chorus, composed of 10 pastors from this area under the direction of the Rev. Karl F. Krauss, of Lansing, president of the Michigan Lutheran District, gave a program of six parts, consisting mostly of sacred music.

Part two, "God So Loved the World," "Teach Me to Pray" and "The Vesper Hymn, Russian Melody," was sung by the choir of St. Peter's, the host church, under the direction of Louis Ribar.

Rev. Krauss, who plays the piano by ear, gave two performances, both of his own composition. The first was entitled, "Our Victorious Faith," and the second consisted of two piano improvisations which he called, "Russian Phantasy," and which ended up with some boogie woogie.

The Rev. Edgar Hoenecke, of Plymouth St. Peter's and Rev. Theodore Sauer, of Livonia St. Paul's, sang first bass. Rev. Conrad Frey, of Detroit, and Rev. Fred Zimmerman, of Toledo, sang second bass.

First tenor was sung by Rev. Alvin H. Baer, of Adrian; Rev. Jack de Ruiter, of Tecumseh, and Rev. John Martin, of Belleville. Rev. Paul Heyn, of Van Dyke; Rev. Ralph Schaller, of Ann Arbor, and Rev. Kenneth Vertz, of Detroit, sang second tenor.

The Southeastern Conference Choristers were organized in Plymouth on Sept. 23, 1941, on the occasion of the Lutheran Fall Pastors' Conference. At that time the Choristers had only four members.

Members of St. Paul's church, of Livonia; St. Paul's, of Northville, and St. Peter's, of Plymouth, were invited to the concert. More than 300 filled the auditorium.

**Need Experience
for Farm Success**

(By E. B. Hill, Farm Management Department, Michigan State College.)

If you do not have the current know-how of the farm business, this is a poor time to buy a farm. Michigan State College at East Lansing receives many letters of which the following from John . . . of Dearborn is typical—

"Will you be kind enough to let me know how to go about receiving a book called 'I believe, Farm Management Plan. You see, we are buying a farm and have never been farmers before so don't understand all about it but we are very anxious to learn and was told that I could receive such a book and also one in which to keep records in. Thanking you, I remain . . ."

Why people without farm experience and who know nothing about farming want to invest their hard earned savings in a farm is difficult to understand, unless they pay cash for the farm and are dependent on the farm for a living. In this day and age but few persons without farm experience could hope to succeed in farming. If John . . . and his wife wish to farm, why not first get a job on a farm with a good experienced farmer for a year or so. Benefit by his experience. Learn something about the country. Learn what it means to make a living on a farm. Learn what it takes to make a farm go. Then John will know more what a farm is worth. It is also recommended that before purchasing a farm land or other-wise getting started in farming, one should consult with persons who were making a success of the kind of farming you anticipate doing. In this manner you can benefit by the mistakes and experiences of others. Of course the Michigan State College Extension Service sent John the booklet he asked for "Analyzing and Planning the Farm Business." This booklet will help but will not substitute for farm experience. In our reply to John we also told him the College had a 56 page farm account book which is especially designed for keeping records on Michigan farms. The cost of this account book is 30 cents.

The Michigan State College also sent John Special Bulletin 324 "Dollars and Sense in Farming." This bulletin is valuable to anyone who wishes to study the business of farming. John probably would have been better off to have done a bit more figuring before he bought the farm. Yet he might make a go of it.

Perseverance Wins for Fred Beitner

The story of Fred Beitner's victory over physical handicap, like that of the late President Roosevelt, should prove an inspiration to persons similarly afflicted.

Fred, 21, son of Mr. and Mrs. Fred Beitner, Sr., of 347 North Harvey street, lost the use of his legs seven years ago just after completing the eighth grade in school.

Today, through grit and perseverance plus the assistance of some friendly advisors, he has regained a large degree of the use of his legs and has embarked on an interesting and useful profession.

A form of paralysis, caused by a bone deformity to which not too much importance had been attached, caused the complete loss of the use of young Beitner's legs. He now walks well with aid of a cane.

He was forced to leave school because of the affliction, but after he had been out a year, School Superintendent George A. Smith, and Principal Claude Dykhouse worked out a plan for Fred to finish his schooling at home.

Dykhouse made up a schedule of study for the youth and first Lester Daley and then Asa Rowe worked with Fred the next four years to help him get his high school credits.

Fred showed such aptitude in handiwork that they made arrangements with Dean Herrick, himself a graduate of Plymouth high, and operator of a jewelry store, to teach the undaunted youth the jewelry trade.

The State Rehabilitation Department sponsored the boy's training financially. During the time he was learning the jewelry trade, Fred still hadn't regained the use of his legs and his parents daily took him to and from the jewelry store on Penniman avenue.

Beitner was graduated from Plymouth High School in June, 1943, with his full 16 credits required for a diploma. He also had learned a highly useful and remunerative occupation through the school's apprentice training program.

In addition, he picked up a very enjoyable hobby through learning to play the violin, at which he has developed better than average ability.

Since his graduation, Fred has worked in Herrick's jewelry store and now does a big portion of the establishment's watch and clock repairing—very satisfactorily.

Now far along in his physical recovery, Fred, who can also drive his automobile, attributes most of his advance to faith in God and the fine advice and aid given by his many friends and his parents. Also assisting in Fred's remarkable progress was the Rotary Club, which includes aid to the handicapped in its program.

There are many times and circumstances in life when "Our strength is, to sit still."—Tryon Edwards.

PLYMOUTH SOLDIER HONORED BY PHILIPPINE GOVERNMENT.

Major Gen. William H. Gill, commander of the 32d (Red Arrow) Division, in the Philippines announces that the Commonwealth government of the Philippines has awarded the Philippine Liberation medal to Corp. Tech. Henry M. LaRoque of Plymouth. T/5 LaRoque entered the army in October, 1943, and left for overseas duty in May, 1944. Assigned to the 32d crack 126th Infantry regiment, he saw his first combat action in Aitape, New Guinea, where the 32d Division trapped the enemy garrisons at Madang and Wewak. The next day base to receive the "Red Arrow" treatment was the island of Morotai in the Netherlands East Indies. The 32d silenced that important listening post and isolated the Japs on nearby Halmahera, thus opening the road to the Philippines.

On bloody Leyte Island in the central Philippines, Japan suffered the staggering loss of nearly 150,000 men. In 36 days of the most grueling struggle yet seen in the Southwest Pacific, the 32d virtually annihilated the remaining units of the 1st Imperial Japanese division (infamous "Rape of Nanking" troops) and the 19th Imperial division remembered for the Bataan "March of Death". T/5 LaRoque did his part in the final drive down the Ormoc Corridor where the 32d Division cracked the "Invincible" Yamashita Line. He is now fighting among the mile-high peaks of the Criballo Mountains in northern Luzon, where the battle-scarred "Red Arrow" veterans are engaged in destroying General Yamashita's final last ditch defenses along the tortuous Villa Verde Trail, the 32d's own Little Burma road.

HEARS NEWS OF GERMAN SURRENDER OVER IN PHILIPPINES.

Plymouth fighting boys in all parts of the world heard of the victory of the Allies over Germany, Melvin Sockow, somewhere in the Philippines, writes that he heard the broadcast. In a letter to OUR BOYS page, he says: "I've been doing a lot of moving around in the past three months and have missed quite a few copies of The Mail, which has been quite a loss as to what's happening to the people I know, the changes in the town, and last but not least, the rest of the boys that are over here, and over there. Therefore I wish to notify you of my new address.

"There really isn't very much that I can tell of my present duties excepting that I'm still doing carpenter work. As much as I've seen of this side of the island has been enjoyable.

"I haven't seen or heard a news broadcast for the last week and a half or two weeks but I have heard that the war in Germany is over which is great news to anyone, excepting a few Germans that have committed suicide.

"I've been thinking of the old town quite a bit and wishing I could get there but it's a long trip in a row boat and it's impossible to walk. Although I almost got there this year but somebody changed their mind which, incidentally, wasn't me.

SAM SPICER GETS INVASION MONEY ISSUED BY GERMANS.

Among souvenirs that have been sent by Pfc. Jesse Tritten, to Sam Spicer are five pieces of invasion money that were used by the German invasion forces. The well known farmer of Plymouth township highly prizes the collection of money sent him by his son-in-law. From the appearance of some of the paper bills, they have had plenty of use.

GEORGE MAKI IS PROMOTED TO SERGEANT OVER IN INDIA.

George R. Maki, son of Mrs. Mary C. Maki, 390 Pacific, Plymouth, at an air transport command base in India was promoted recently to sergeant. It has been announced by Brig. Gen. William H. Turner, commanding general of the India China Division, Air Transport Command.

Sgt. Maki has served in the division since July 14, 1944 and is a radio operator and mechanic. He has been in the army since Jan. 3, 1943. In civilian life he was a tool and die maker at Progressive Welder, E. Outer Drive, Detroit, Mich.

SGT. ALFRED DEWAELE, WITH ORDNANCE OUTFIT TO CROSS RHINE.

Sgt. Alfred DeWaele, of Bay City, a brother of Mrs. Mac Donnelly of this city, is a member of the 778th Ordnance company of the 78th Division, which was the first ordnance outfit to cross the Rhine. It followed closely behind the "Lightning Division."

Sgt. DeWaele has frequently visited Plymouth and has many friends here.

It was this outfit which kept the equipment in working order as the fighting outfit made its rapid sweep into Germany.

SOLDIER JOHN NELSON SEES SIGHTS IN CITY OF PARIS.

In a brief letter from somewhere in France, where he is now located, Soldier John Nelson, who went through the African, Sicily and Italian campaigns before he took part in the invasion of France and Belgium, says he is now located near Paris. His letter in part follows:

"Just a few lines to let you know that I am feeling fine and getting along swell and hope this letter will find you the same. I am sending you a picture of myself that I had taken where I am now. I suppose you are having some pretty nice weather over there in the good old USA these days. I sure would like to be there for some of those sports I've missed while in the army.

"We are having some nice weather where we are, for all the French people are busy working in their gardens and around their yards. I sure wish I was there helping you with the work in the Mail office.

"We are getting some good meals every day. Things are looking nice around here. I went to Paris last month and saw some of the interesting sights. I also saw some good movies and had some coffee and donuts at the Red Cross club.

WILLIAM SCOTT IS BEING TRAINED FOR NAVAL SERVICE.

William Fimister Scott, 28, son of Mr. and Mrs. Thomas Scott, 16025 Haggerty Highway, rural route 3, Plymouth, is receiving his initial naval indoctrination at the U.S. Naval Training Center Great Lakes, Illinois.

His recent training consists of instruction in seamanship, military drill and general naval procedure. During this period a series of aptitude tests will be taken by the recruit to determine whether he will be assigned to a naval service school, to a shore station, or to immediate duty at sea.

NATIVE SHOWS PLYMOUTH LAD HOW TO USE BOLO TO CUT OFF JAP'S HEAD.

War isn't a very pleasant thing, but war is war. Clare Reed, a Plymouth lad who landed somewhere in the Pacific on an island that had been held by the Japs, was taught how to use a bolo by one of the natives. But better let Clare tell how it is used. His letter follows:

"Just a few lines to say hello and thanks for sending me The Plymouth Mail. I really enjoy every page, and now that I am up on the news around Plymouth I'd like to tell you about a landing we made. There really wasn't much resistance at the beachhead but I did hear later that the boys met up with some in the hills.

"After we got around to go ashore there weren't any souvenir left. You should have seen the way the natives acted. They would take off their hats, and bow to us. Anybody would think we were kings or God himself.

"The Japs treated them pretty rough. I asked one of the natives if he wanted to sell his bolo and he said 'No, I keep bolo to kill Japs.' I also asked him how he killed them and he said, 'I sneak up behind them and cut their heads off.' That bolo was surely a wicked looking thing.

"Most of the boys probably have sent you souvenirs. I hope they haven't sent you any Jap Money. They really aren't much of a souvenir. I'll try to get you something better later on.

"Well, I hope you don't mind the pencil. I dropped my pen on the deck and I broke the point and it's pretty hard to find a new one. I'll close for now.

GENERAL PRAISES TWO PLYMOUTH SOLDIERS FOR SERVICES.

Working at the air service command's largest source of aircraft supplies in Europe, the Plymouth soldiers have been commended by Brig. Gen. Morris Berman of San Antonio, Texas, commanding general base air depot area, for their "close and conscientious cooperation" in sustaining the final aerial knockout blows at German resistance.

Stationed at a vast base air depot "store," where "customer" combat organizations send 15,000 high-priority orders each week, and whose merchandise consists of some 50 million airplane parts and accessories, these supply technicians helped handle a record-breaking 34,500 tons since the first of the year.

The bulk of their shipments went to continent-based fighter and bomber groups during the few weeks in March and April which saw the final aerial shattering of Germany's key railroad lines and industrial areas.

The soldiers are Master Sgt. Chase B. Willett, son of Mr. and Mrs. Myron M. Willett, 784 Holbrook Ave., and Staff Sgt. Barlow, son of Mrs. Grace Burley, 1324 Sheridan Ave.

NICHOLAS CICIRELLI, ONCE WAR PRISONER, NOW ON WAY HOME.

Captured on July 27, 1944, in France, Private First Class Nicholas Cicirelli, 20, of 39605 Plymouth road, Plymouth, was liberated eight and one-half months later by the 6th armored division in Germany and is now en route to the United States for a furlough at home, according to a news dispatch sent from a base somewhere in Normandy.

He fell into Nazi hands while serving as a platoon runner in the Fifth Infantry division near St. Lo. He returned to American control on April 15, 1945, when the armored division overran a prisoner-of-war camp near Altemburg. Pfc. Cicirelli received medical attention, regular meals, a complete issue of new clothing and administrative records at RAMP Recovered Allied Military Personnel camp number one in the Normandy base section of the communications zone.

A son of Mr. and Mrs. Joseph Cicirelli, of the Plymouth road address, he was inducted into the army on May 18, 1943.

SGT. CHESTER SINGLETON WITH OUTFIT THAT DELIVERED THE GOODS.

Serving with company C of the 5th Armored's "CCR" over in Germany, is Sgt. Chester B. Singleton, 1012 Mill street. An interesting news article has been sent to The Plymouth Mail from the Division's headquarters in Europe about some of the fighting of this outfit. It follows:

"They don't wear the triangular shoulder patch of the 5th Armored Division, but the 'TD' men of Company C, 628th Tank Destroyer Battalion, are as much a part of the 'Victory' Division as any of its own fighting men.

"From the breakthrough at St. Lo last summer to the banks of the Elbe River, 45 miles from Berlin, the 628th men have fought side by side with the tankers and armored infantrymen blasting

their way through the German army.

Company C, commanded by Capt. Robert C. Jones, son of Mrs. May Jones of 209 Opp Avenue, Andalusia, Alabama, has been attached to the division's combat command since the 5th armored entered action in August. As one tank put it "If there are more outfits like company C hanging around looking for a home, then —boy! —attach them to us."

"A record for one day's fighting was made by the TD platoon led by 2nd Lt. Robert J. Joyce, of 927 South Lafayette St., Shelby, North Carolina. In that day Staff Sgt. Carl Guterman of 2100 Wallace Ave., Bronx, New York, fast-talked 97 Germans into surrendering. Immediately afterward the platoon by direct assault, knocked out a strong German position, accounting for 53 enemy dead. Two M108s roared down on the platoon as it moved out. Corp. George P. Hason, 2249 South Front St., Philadelphia, Pa., swung his .50-caliber machine gun into action and knocked down the first plane. Sgt. Chester B. Singleton, 1012 Mill St., Plymouth, sent the second one down."

WILL BECOME RIFLEMAN WITH THE INFANTRY.

Recently assigned to the Camp Fannin, Texas infantry replacement training center, Pvt. Harry H. Gottschalk has begun the rugged basic training cycle which will transform him into a rifleman, fighting foot-soldier of the proud "Queen of Battles," the Infantry. Around four months of intensive training, which includes progressive physical conditioning, drill in the habits and manners of the soldier, and training in the use of the best rifle in the world and the other basic weapons, will prepare him to take care of himself anyplace on the face of the globe for complete victory.

Now a member of Co. B-63, 13th Training Regiment, Camp Fannin, Texas, he is the son of Mr. and Mrs. Gottschalk, 186 E. Liberty St.

MELVIN KING NOW AT GREAT LAKES.

Melvin Lewis King, 18, son of Mr. and Mrs. Delbert Lewis King, 4954 Warren road, rural route 1, Plymouth, is receiving his initial naval indoctrination at the U.S. Naval Training Center, Great Lakes, Illinois.

His recruit training consists of instruction in seamanship, military drill and general naval procedure. During this period a series of aptitude tests will be taken by the recruit to determine whether he will be assigned to a naval service school, to a shore station or to immediate duty at sea.

FORMER KELSEY CLERK GOING INTO LST SERVICE.

George Edwin Dean, 20, electrician's mate, first class, USNR son of Mr. and Mrs. Edwin H. Dean, 5622 Morley Ave., Wayne, is in advanced training for LST (landing ship, tanks) duty at the Atlantic Fleet's amphibious training base, Camp Bradford, Va.

A former stock clerk for Kelsey Hayes Co., Plymouth, Dean served aboard an LCI (landing craft, infantry) during the invasion of Normandy and southern France. He is a graduate of Wayne high school. He entered the navy in January, 1943.

LIEUT. HAMMOND WRITES OF HORRORS OF GERMAN PRISON CAMPS.

In a letter to his parents, Mr. and Mrs. E. W. Hammond, 9410 Butwell avenue, just off Hix road, Lieut. Nellis Hammond, who went through the German invasion, he tells the horrors of a German prison camp the American forces he was with took over.

filled deep with dead bodies, most of them naked. They were all political prisoners who had died only a few days before. All were shrunken down to mere bones and the torture and suffering showed plainly on their faces. It was difficult to tell what nationality they were but I could see quite a few were Jewish. Inside the camp itself were several barracks where the prisoners were quartered until they were killed or died from starvation. Most of them died from the latter cause.

One small building contained a gas chamber and a crematory in an adjacent room. We were told the people were stuffed in the gas chamber like cattle and then thrown into the ovens. When I was there there were piles and piles of dead bodies waiting to be cremated and the process is still going on. It is the only sanitary thing left to do and it will take a long time. You can imagine the small in the stuffy rooms. There were 32,000 dead in the camp but this is only a small percentage. A guard told us this had been going on for fourteen years. Many of the bodies showed signs of beatings, burns, torture and several had been shot.

"The SS troopers who were guarding the camp were taken by surprise when the Americans came. Before our troops could round them up the prisoners got clubs and clubbed many of the SS men. Scattered all around the camp were the German SS men with their heads bashed in and what a gruesome sight that was. While I was standing out in a field two SS officers came wandering in and some of the liberated prisoners saw them. Before I could do anything the prisoners kicked the two SS men to death. That sight alone made me sick for hours but the men only received their right justice. You have no idea how cruel these SS men are. They are inhuman and mere beasts. The whole German race is sadistic and I hate them all."

"The people cannot claim innocence because the camp is situated in the heart of town and everyone knew what was going on. Where we are living now is a large building where Jewish prisoners were kept."

"A guard told me last winter when it was 20 below zero the people were made to keep walking around and around outside the building. They were not allowed to stop and rest and those who fell out were either beaten or shot. Many were old people like Grandma and could not hold out for long. They had no warm clothes and several froze."

"Now that the war is over we have been made into MPs. It is a pretty good job but it has its troubles. We are guarding German prisoners and I have never seen so many Krauts before. We are living in a large building with all the modern conveniences including our private bathroom with bath and shower. We officers have two nice rooms and orderlies to keep them clean and wait on us. I have one orderly to wait table and I make him stand at attention and click his heels when he talks to me. My GI orderly is really having a great time ordering the Germans around and doing all his work for him. We got some nice dishes and silverware so are living like human beings again. We even have a white table cloth."

"My job here is very interesting. I am the assistant provost marshal and am in charge of all the German prisoners including the Wacs. I have a big office with two orderlies and two interpreters. One interpreter is an officer

and the other a corporal. The corporal lived in the States for 16 years and speaks fluent American slang. I make the German orderlies stand around to clean the ash trays and keep my shoes shined. Every time I sit down one of them pulls out the chair for me. We have some German generals here that I really have fun with. One fellow wanted me to pick up his shaving gear. I told him to go dirty like the rest. Yesterday he complained because he had to eat C rations and they weren't even heated. I wonder what he thinks I had to eat for the past two years.

"It sure feels great taking a hot bath every day. I even have my own barber to shave me every day and a lady to wash my clothes. We have so many prisoners I can get all the help I want. If you were over here I could give you a house full of servants."

Phil Dingledey, Supervisor

He can't ask you now!

... He's an American hero. After fighting bloody battles in the Pacific, he was home on leave two years ago.

... You may remember seeing his picture. His name is John Basilone, Marine Gunnery Sergeant. He traveled all over America, urging every American to buy more bonds.

... He said: "You don't know—you can't know—how much it means to the boys out there when they hear the folks back home have just put another War Bond Drive over the top."

... They gave him the Congressional Medal of Honor and offered him a commission. He didn't want it. "I'm a plain soldier," he said. "I want to stay one."

... Well, he stayed a plain marine—like Joe and Bill and the fellows down the street. He

can't ask you to buy bigger bonds during the Seventh. He was killed a few weeks ago on Iwo, just after he had led his assault team to the edge of an airfield we needed desperately.

... We can't let him and all our other fighting heroes down. Remember, last year we had

two War Loan Drives by this time. The Seventh is our personal call to arms—two drives in one. That's why our quota is large.

Table Talk an Educating Tool

A senior high school girl of foreign birth has a very wide knowledge of world affairs and a well developed mind for understanding current events. Mrs. Kordon asked her how she developed her interests and understanding of world affairs. The following is a dinner discussion which shows how all parents could, if they would try, develop logical thought processes in their children: "We were all just finished eating supper and were still at the table as Dad set aside his newspaper and remarked on the progress of the war and the Germans who were responsible. I answered that I didn't see how it was possible for a group of people to throw the whole world in conflict for a second time; I couldn't understand their aggressive ideas. Mom said that at one time the Germans were starved near starvation after World War I that they were willing to follow anyone, aggressive or not, just as long as conditions were helped. Whereon my younger brother retorted that although history from the barbarians to civilized man the Germans have been a war-like people, never content, and that the conditions or leaders didn't matter. I added my opinion that I thought if the Germans had better conditions that they would not have started this awful war." Dad then said that Hitler might have been very good for Germany except for his aggressive ideas. We discussed like that back and forth for at least a half hour. These talks or discussions are daily occurrences and in this way we sort of pool our thoughts and each one usually has a different view point. This has stimulated an interest about world affairs in all of us. It also brings about a broader view point on all subjects which is needed desperately if we are to create a lasting peace.

Locals Win Six Points at Cranbrook

The two relay teams which Coach Moiso took to the Cranbrook Invitational Meet last Saturday, June 2, reversed the places which the coach thought they would take, the mile relay team taking first instead of third, and the two-mile relay team taking first, bringing home for Plymouth six points.

The mile relay team, consisting of K. Pankow, G. Vetal, I. Seyer, and D. MacGregor, running some of their best times of the year, took first in 3 min. 51 and 2/10 sec. which is about 3 sec. below the record of the Cranbrook Invitational meet. K. Pankow, Plymouth's 100 and 200 man, ran a very good 440, passing the first boy at the end of the first 220.

The two-mile relay team, consisting of J. Thompson, M. Datcher, Al May, and Skip Horie, came in third with a time of 9 min. and 11 sec. The winner's time was 8 min. 55 sec. However, there is an excuse for this; officials ran this relay in two heats and took the best three times. Plymouth had the misfortune to get the slower heat, so slow that Plymouth beat Birmingham by 100 yards and Romeo by 3/4 of a lap. It was just no race at all, while the other heat had two good teams, Cranbrook and Royal Oak, which were always on each other's heels, making them run faster. The coach and all 4 boys of the relay team are sure that they could do it in 8 min. 45 sec. or less.

Mothers Receive Sons Diplomas

"Gone but not forgotten" is the motto of the Senior class toward those fellow classmates who left school to serve with Uncle Sam. The boys will be represented at the graduation exercises by their mothers. The Senior students feel it is the least they can do for the boys in service and they feel confident that the boys would like this arrangement. These servicemen are Wilfred Aubrey, Charles Burden, Russell Downing, Robert Elliott, Mark Everett, Robert Hall, John Labbe, Edwin Schaible, John Schroeder, Harold Schuit, Jack Vershure, Robert Weaver, William Woods, Ivan Campbell and Earl Smith.

Teacher Receives Letter by Himmler

Mr. Stadtmiller has in his possession a letter from Heinrich Himmler which was taken from the home of a German general by Stadtmiller's brother-in-law, Lieutenant Hatch of Ypsilanti, who sent it on to him.

The letter is written in German and has been translated by a student at Ypsilanti. It tells of a "skull ring" which is being sent and of the meaning of the insignia.

The letter, dated June 1940, revealed the skull represented preparedness to die for the Fuehrer and country, and the insignia on the skull their faith in the victory that would some day be theirs.

The letter also told of the value of the ring; it was not to be allowed in strange hands; if imitations were found to be in existence the offense would be punishable and the receiver of the ring would be held responsible. (In case of death of the recipient, the ring was to be returned to Hitler. It was apparently worn by members of a small inner circle of Nazis, a close brotherhood. It is not known whether Lt. Hatch also found the ring mentioned in the letter or not.

The reason we constantly discover new truth in Shakespeare is that his complete understanding of the particular includes the universal.—Austin O'Malley.

Poor Fielding Loses Game

Fielding errors lost another game for Plymouth May 29. Dale Bently, doing very good pitching in his first start, allowed only five hits, struck out six men, and walked three.

With the score tied at four all since the fifth, Belleville won on an unearned run in the seventh. With two men out, Henninger got to first on an error, went to third on Pradins' single, and came on another error to win, five to four.

Plymouth was more fortunate the preceding day, May 28, when they beat Northville three to one. Terry Hitt pitched the whole game, with Bartel catching.

Plymouth's big inning was the first when Don Hayes, Duane Rutenbar, Don Rock, Jack Dobbs, and Delbert Rutenbar all singled, scoring three runs.

Locals Last in League Meet

Although the meet was postponed from last Friday, June 1, to Monday, June 4, in case of better weather for track, the weatherman was still mad and the meet was run off in good weather for football. Plymouth, taking 2 firsts and 5 lasts, was able only to bring home 15 points, a long way from 31 1/2 one chap had figured out.

As this is the first outdoor meet of the new League, all winners' times, distances, and heights are a record, for a year anyway.

Al May again took first place in the mile, this time with 4 min. 50 2/10 sec. Al has lost only 1 race all year, the one at Lansing where he came in seventh.

Skip Horie won his heat of the 880 in the time of 2 min. 11 2/10 sec. As the other heats winner's time was 2 min. 12 2/10 sec. Skip's time will go down in the record books for a year. Skip also has lost only 1 race this year; his, too, was the one at Lansing where he took sixth. The other boys to get points were Merlin Datcher, who beat Thompson for the first time this year and took third in his heat; Irving Seyer and Don MacGregor each took third in their 440 heats; K. Pankow took 5th in the 220 yd. dash; and Plymouth's relay team took a fifth in the 880 relay. Ypsilanti won first place with 48 points; tie for second Belleville and Wayne, 36 points; fourth, Trenton, 29 points; fifth Redford Union 22 points; sixth, Plymouth, 15 points.

The summary of the meet is as follows:

100 yd. dash—Roberson (Y); Edsall (R.U.); Perry (Y); Walters (B); Krueh (T); time: 10.6.
220 yd. dash—Perry (Y); Roberson (H); Edsall (R.U.); Walters (B); Pankow (P); time: 23.8.
440 yd. dash—First heat—Burbo (T); Noonan (W); MacGregor (P); time: 55.
Second heat—Kennedy (Y); Frebes (T); Seyer (P); time: 54.6.
880 yd. run—first heat—Horie (P); Endicott (T); Kasper (R.U.); time: 2:11.2.
Second heat—Smith (B); Robinson (W); Datcher (P); time: 2:12.2.
Mile run—May (P); Myer (T); Reid (W); Edwards (B); time: 4:50.2.
120 High Hurdles—Hobbs (RU); Proctor (Y); Potts (B); Hill (Y); Lory (T); time: 16:50.2.
200 Low Hurdles—Sullivan (B); Hill (Y); Proctor (W); Peter (Y); Sienko (B); time: 24.4.
Relay—Ypsi; Redford Union; Belleville; Wayne; Plymouth; time: 1:39.1.
Shot put—Smith (W); Farrer (T); Stafford (RU); Sullivan (B); Fisher (T); distance 44 ft. 2 1/2 in.
Pole Vault—R. Sullivan (B); Hill (Y); E. Sullivan (B); Lory (T); Wilkins (T); height 11 ft. 3 in.
Broad jump—Proctor (W); Schmidt (W); Lory (T); Perry (Y); Roberson (Y); distance 19 ft. 6 in.
High Jump—Schmidt (W); R. Sullivan (B); tie for third Hobbs (RU); Malone (T); Hill (H); height 5 ft. 6 3/4 in.

French Club Gives Superstition Shag

The French club dance, Superstition Shag, to be June 13 in place of the annual school picnic, will feature a jitterbug contest, a fortune telling booth, and other special entertainment. The dance will be from 8 to 11 with Ray Gardner's orchestra.

Locals Lose to Ypsi 3-2

Plymouth's baseball squad was defeated three to two by Ypsilanti, June 4. The Rocks made only three hits all in the third inning.

With a nothing-nothing score, Schwartz, leading off in the third, singled. Hayes followed with another single and both scored on a single by Rutenbar.

Ypsi scored one run in their half of the third to make the score two to one, Plymouth leading.

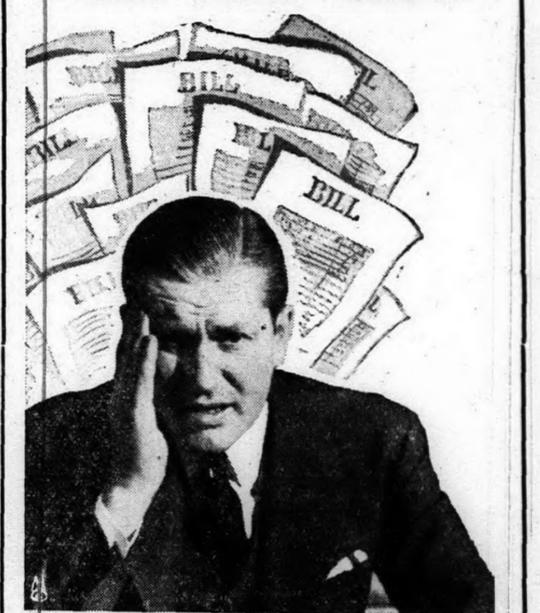

There was no change in the score until the fifth when Ypsi scored two more runs. Neither side scored again, so the final score remained Ypsilanti three, Plymouth two; Bassett, the winning pitcher, who went in in the fourth, allowed no hits.

Soldier Hurt in Germany, Home

Pfc. Eugene Nichols, son of Mr. and Mrs. H. L. Nichols of LaSalle road, better known as "Nick," is home on a 30 day convalescence furlough. At present he is in Illinois visiting relatives and friends for several days.

He was wounded on the bank of the Rhine river the last of March and then flown first to England, and later to New York. He was a jeep driver in the 87th Division of Patton's 3rd Army, and they were taking ammunition up to the front at night. Nick's jeep hit a shell hole, turning over on him and throwing all his supplies and souvenirs down the bank of the Rhine.

Jack Willis, Nick's buddy from Plymouth, who was taken prisoner at Luxembourg, is expected home soon. The first thing Nick wanted on getting back to the States, was plenty of ice cream and cake, and no more hash, soup, or K rations.

Eloise Doctor Buys Home Here

The old Greenlaw homestead at 141 South Main street, directly next to the Schrader residence, has been sold by Mrs. Nellie Greenlaw to Dr. C. J. Smyth, director of the medical staff of Eloise hospital, who plans to move to Plymouth as soon as the house can be redecorated.

The home has been vacant since last fall. Dr. and Mrs. Smyth have three children. He is one of the well known physicians of Wayne county.

Since the world was, men have not heard with the ear, neither hath the eye seen, what God hath prepared for them that wait upon Him and work righteousness. — Mary Baker Eddy.

Police Win In Race With Pig

It wasn't just exactly a greased pig race—but it was so close to one that it would be hard to tell the difference!

And the Plymouth police department won! The big out-door event took place last week when a nice young porker belonging to Harry Williams got away and started to see the sights down along Tonquish creek west of Harvey street. Some resident in the vicinity saw the young porker and fearful of what might happen to it if it got over to meat-hungry Main street, called the police department.

Officer Ed Brown answered the call. Maybe you don't know it but Officer Brown is some sprinter when it is necessary. But notwithstanding his ability to jump high fences, crash through bushes and hop over flooded Tonquish without getting his feet wet, he just couldn't overtake the runaway hog.

Twice he had it within his grasp, and twice it slipped through his hands just as the greased pig did back in the days of greased pig races.

Then he decided his only hope of catching Mr. Pig was to get the dog net, so Officer Bill Westfall took up the chase while Officer Brown went to the police station to get the dog net.

The first throw was successful and safe in the net was Mr. Pig. But like a flash, it poked its nose under the net and away it went for another 500 yard dash with both cops hot on his trail.

Another 30 minutes of high jumping, back-tracking and creek leaping took place before the pig landed secure in the net.

It's now back on the Williams place, resting up for its next racing event with Plymouth coppers.

Gene Orndorff Back from South

Eugene Orndorff who has been "resting up" down in the hills of Kentucky, is back again on the job running locomotives around the Pere Marquette yard.

"It's been a tough winter on folks who work on the railroads. There's no place like the hills down in Kentucky if you really want to get a good rest. No one hurries. Everybody has time to talk to you and you go and come when you please" said Gene when he landed back in Plymouth the other day.

"Never had such a good rest in all my life. And if they tell you that folks are changing their politics down there, you've got another guess coming" he added.

"Like myself, they're Democrats. They were born that way and they will die that way. You just can't change them."

"Here's a little sentiment about June in old Kentucky I'd like to have you print" said Gene as he handed "Ye Editor" the following:

"Ever smell Kentucky grass Or hear about its blueness? Seems as if the whole blamed world Was bursting out with newness.

"Skies and folks alike all smile; Gracious! You are lucky; If you spend a day in June Down in Old Kentucky."

From present indications the Germans will continue to fight indefinitely — at least some of them. The importance of maintaining war production and guarding against any let-down cannot be emphasized too strongly. Japan undoubtedly is counting upon a relaxation in America's war effort after Germany is defeated. The duration of the war against Japan, may, therefore, depend on the way we meet this challenge. If industrial output falls off the effect will be to prolong the war against Japan at great cost of American lives as well as money.

Brae Burn Golf Club Opens

The Brae Burn Golf Club, at Five Mile and Napier roads, staged the season's opening tournament Decoration Day.

Hurry and Plant Your Own!

GOVERNMENT AGENCIES indicate that civilian food supplies will be less ample next year.
The best way that YOU can help yourself and your country in this matter is to PLANT YOUR OWN VICTORY GARDEN—and to PRESERVE A GOOD PORTION OF WHAT YOU GROW.
During this greatest war in history, our nation has been the best fed in the world. Considerable credit in this goes to American Victory Gardeners and the housewives who grew and preserved food for their families. This year the Victory Garden is more important than ever. Be sure to grow all you can!

More Showers Seen in Postwar Homes

"Singing in the shower" will continue to be a popular pastime after the war.
Practical Builder magazine says most postwar homes are expected to have shower equipment, either as a shower attachment in the bathtub or a separate shower stall in the main bathroom.
In addition, many prospective home owners will want a supple-

Plymouth Girls Are Graduates

Three girls from this city Carmel Stitt and Berniece and Patricia Kinahan are taking an active part in Commencement week activities at Marygrove College. The Misses Kinahan were among the 161 seniors graduated at the 35th annual Commencement exercises Wednesday, June 6, in Liberal Arts Auditorium. His Excellency, the Most Rev. Edward Mooney, D.D., Archbishop of Detroit, will confer the degrees, and the Rev. Father Edward A. Conway, S.J., of the Social Action Department of the National Catholic Welfare Conference, will address the graduates.

Opening the week's activities, "The Day-Star Rising," a choric drama honor the Mother of God in observance of the centennial year of the religious order which conducts Marygrove, was presented the evenings of May 29 and 30 on an outdoor stage on the campus, with two verse speaking choirs and the college chorus assisting. A special performance of the choric and dramatic spectacle was given for alumni of the college Saturday, June 2, at 8:30 p.m. The sophomores honored the seniors at a 6 o'clock dinner in Madame Cadillac Hall Friday, June 1.

Postwar Living Rooms to Include Eating Space

Larger living rooms that will include eating space with movable partitions are looked for in new postwar homes, according to Practical Builder magazine. The trend toward "outdoorliving" even in colder climates, will see more extensive use of glass in building, with living units opening into rear gardens and kitchen and service units located on the street side.

Scientists Hold Annual Session

Lasting world peace has its roots in the permanency of divine laws and cannot be expected to rise from the foundations of selfish desires and aims, The Christian Science Board of Directors told the annual meeting of The Mother Church, The First Church of Christ Scientist, in Boston, today.

Commending the efforts of the California peace conference to evolve a practical basis upon which nations might outlaw war for all time, the Directors pointed out that these efforts would be successful insofar as they reflect the operation of God's government in human affairs.

The Directors' message featured the fourth annual gathering of Christian Scientists to be held under the restrictions of wartime travel. The audience reflected the desire of the Directors that Mother Church members living beyond the 50-mile area of Boston should abide by the requests of the Office of Defense Transportation and remain at home this year.

Highlighting the meeting was the election of Mrs. Myrtle Holm Smith of Waban, Massachusetts, as President of The Mother Church for the ensuing year, succeeding Paul Stark Seelye, and the reelection of Roy Garrett Watson, treasurer, and Mary G. Ewing, clerk.

Christian Scientists heartily concur in the purpose of peace conferences to find ways and means to prevent war, the Directors stated. They saw these efforts as making practical the sermon in the Mount.

"The manifestation of God's law can never fail to quiet the turbulent waters, but we must assiduously strive to rule out of our thoughts any qualities which would work against, rather than for the peace of the individual, and therefore of the world." In this way, the Directors indicated that world peace stems from the individual overcoming of human faults.

"In order to keep one's spiritual understanding clear there must be deep consecration in thought and deed to the government of divine Principle. There can be no lasting peace where selfishness reigns. Therefore, it is by those who base their thoughts upon God's laws that the present global problems can be solved and a lasting peace attained."

The directors stated that membership in The Mother Church was now four times greater than it was 35 years ago. There is a growing awareness, they said, of the need for unselfish service to God and His law. Without frankness and honesty in the world, they added, "we have a whirlpool in which there is no steadiness and no rest."

In tribute to the courageous struggle of Great Britain against the rising tide of Nazism, at and after the time when she stood alone in her armed resistance, and to those who held on in other lands, the Directors stated: "Their consecrated prayers and unceasing efforts have been rewarded with a glorious victory."

Mr. Smith Given a War Bond

At the Junior-Senior Farewell June 1, Mr. Smith was presented with a fifty dollar war bond by the junior and senior classes. Miss Niles and Jack Huebler wrote a poem for the occasion. Here is a war bond to you, Mr. Smith

To keep ten years or so,
And then what wonderful things you could do,
What wonderful places you could go.

You could take a trip in a rocket ship
Or a helicopter buy,
Then dash to the moon, stop off at the sun,
And go flitting around in the sky.
You might buy a house with your money, too.—
They can put it up in an hour;
No knobs, no doors—with movable walls,
And gadgets of fantastic power.
But enough of this twaddle we've been dishin!
You could buy some tackle and just go fishin'!

THE OLD JUDGE SAYS . . .

TOM: "It's mighty nice to receive a compliment like you've just given us, Judge. We do take our responsibilities very seriously and try to do the right thing with everybody. In spite of it, we get criticized now and then."

OLD JUDGE: "I know . . . you've got to take the bitter with the sweet in times like these. Speaking of criticism, and I mean really unfair criticism, reminds me of the spirit beverage business."

FRANK: "How is that, Judge?"

OLD JUDGE: "Simply this . . . can you think of any other business in which the seller is responsible for what the buyer does with his merchandise? If a person eats too much cake and gets indigestion, the baker isn't blamed. Nor is the coffee merchant criticized if someone drinks too much coffee and can't sleep. But the seller of spirit beverages gets blamed plenty if one of his customers overindulges. Doesn't seem quite fair, does it, Tom?"

TOM: "Frankly, it doesn't, Judge. We've never looked at it that way before."

Babson Says - -

Babson Park, Mass., June 8. — May I start by calling attention to the definite statements made in my Annual Forecast of December 29, 1944 in which I said: "The greater part of Germany's army will collapse before the German planting season opens in the Spring of 1945."

"Japan will not hold out so long as most people think. Japan will collapse within six or twelve months after Germany."

"If Stalin's health continues, he will be the world's most powerful man in 1945 and may dictate the peace terms, especially for the Pacific."

Looking at the Record

I am especially proud of the above forecast in view of the conditions under which it was written. Readers will remember that last Summer the public was very hopeful and looked for the collapse of Germany at any time; but I said that there would be no collapse in 1944. Then the Germans started their famous gauge in the middle of December and Washington was very much disturbed. In fact, a study of newspaper clippings will show that I was almost the only columnist who was optimistic at the close of last year. But I knew the German temperament.

I have been in Japan since Germany declared war upon us and still have an agent in Shanghai. I, further, have always been interested in American missions in both Japan and China. I, however, am basing my present forecast upon something else which may seem very unimportant to many readers. I refer to the fact that my personal house-servant is Japanese, born near Tokyo. He has lived with us day-and-night for 20 years and was preceded by a cousin who was with us for seven years. Hence, I know the Japanese temperament.

It is true that certain Japanese who descended from a famous old Prince have the "hari kiri" religion. These few will commit suicide rather than surrender. They now serve as human bombs. They, however, make up but a small portion of the Japanese people who, as a whole, are human like ourselves actuated by the same motives. A Japanese soldier will live on very little food. This he can carry on his back. They are tough physical specimens. Hence, it costs the Japanese only 20 per cent to support their army of what it costs us to support an American Army. But what of this? Japan has less than 20 per cent of our resources.

Japanese soldiers will fearlessly obey orders and follow a blueprint; but when something which they have not planned for happens, they are lost. As a nation, they are wonderful copyists, but they lack originality. They had every movement of this war planned and charted before Pearl Harbor. Everything went according to plan in connection with Thailand, Indo-China, Burma, the Dutch East Indies and the Philippines. Then something happened to their blueprint!

During the past year their plans have been of no use and they have suffered accordingly. In my own household, I can give a wonderful banquet for twenty people if I give my Jap a week to prepare it, but if I bring home one person to dinner for whom he has not planned, he is completely upset. They prosper on success; but cannot stand failure. Hence, I feel certain that their collapse will be only a question of months.

What Does This Mean?
All the above means that the global war will be over before most people expect it. It will be over before the boys in Europe have a chance to get to the Pacific. Except in special departments, the casualties will be light. Most of the boys may be home before Christmas.

The above means that re-conversion will steadily continue throughout the year and some time during next year we will be going full-blast on consumer production. A few excellent years of business with higher stock prices should follow. Furthermore, if we play fair with Russia, Joseph Stalin should be one of our best friends so long as he lives. Upon his death, it is very possible that Russia will be split up or suffer civil revolution. Then she surely need not be a menace to the British Empire, to China or to ourselves.

The month of June will see war production in Michigan plans at the highest capacity of the war. Regardless of VE day this will be true, as military demands will continue beyond VE day without deep cutbacks, from all present indications.

Club Has Over 500 Members

Membership in the Western Wayne County Conservation Association now exceeds the 500 mark, according to an announcement made Monday evening at the regular meeting of the association by Secretary Ernest Henry.

When first organized it was believed that if the club ever had a membership of 150 or 200, that would be about the "saturation" point.

Even enthusiastic Brick Champe, who helped organize the club, never dreamed that the membership would exceed a half thousand.

The directors of the association have been giving some consideration to the advisability of freezing the membership at its present figure, but no action has been taken. President Champe feels that the club should welcome every one interested in conservation problems just as long as the club can take care of its rapidly increasing membership.

Commencement week in the Plymouth-public schools will open be given Sunday evening, June 13. The class honors for scholarship were received by Florence Greenlaw, valedictorian, and by the class president, Sarah Wilson, salutatorian. Members of the graduating class are: Harry Hill, Doris Proctor, Floyd Kehl, Ernestine Roe, Vernon Weed, Mabel Mecklenburg, Harold Rocker, Bessie Hicks, Helen Waterman, Clarence Hood, Donald Waller, Beulah Ryder, Bernice Crumie, Elton Roe, Clemens, Lillian Lundy, Mildred Sarah Wilson, Mildred Gates, Arthur Hummel, Adelaide Gothica, Florence Greenlaw, Howard Walker, Grace Hawkins.

Fewer Rabbits and Pheasants for Next Fall Hunting

Michigan's present game regulations satisfy most of the sportsmen who report on game supplies for the conservation department. Observers voted five to one in the affirmative in answering a question whether present regulations are satisfactory.

Only fox, black, and gray squirrels, raccoon, mink, and waterfowl are reported more abundant than a year ago by several hundred observers whose tallies of small game, fur-bearers, upland game birds, waterfowl, and predators have been tabulated by conservation department game men.

According to department field men, members of sportsmen's organizations, and others, there will be fewer cottontail rabbits and snowshoe hares, muskrats, pheasants, ruffed grouse, sharp-tailed grouse, and prairie chickens when 1945 seasons open.

Recommendations covering 1945 seasons submitted by department game men for conservation commission action at the June meeting, to be held in Detroit June 12, are influenced by the reports.
