WHAT THE CHURCH SHOULD DO FOR AMERICA.

(By Reverend Henry J. Walch, D.D.)

As a result of the religious census, the writer was asked by the Ministerial Association of Plymouth to voice their sentiment in connection with the reasons for the census and the need of the day. What does the church owe America?

In the first place, it must once again reaffirm its ancient role as the guardian of the spirit of man. Josiah Royce has a book called "The Religion of Loyalty" in which he makes the point that a man's loyalties indicate his religion. In other words, that which compels the greatest allegiance in your life is your true religion, regardless of what your professed creed may be. What are the loyalties of America today? Leland Stowe, in one of his books about the early part of the last war, when the Nazis were sweeping across Europe like wild fire, tells of an instance in a Rumanian city where the Nazis took over. He describes the cocktail lounge of one of the hotels in that city the morning after the Nazis took over. And he said, in effect, that though others made use of the bar, the Nazis did not, "for they knew that you could not conquer Europe on a hangover."

If what we are told is true, our world is in a serious crisis. The threat of an armed conflict is an everpresent and constant reminder of that crisis. In all branches of the country there is preparation for the eventuality of an atomic attack. Normal production of the peace-time goods of industry and trade has been interfered with to a great extent. Taxes are on the upgrade. Every indication points to a situation unparalleled in our history. The foolish man tries to make political capital out of the emergency, but the thinking man sees in the crisis of our day the underlying reality and serious import. Whether democracy will survive depends upon the people who believe in it and give it their loyalty.

But loyalty is not automatic, it is the result of a cause. The capacity for loyalty is there in every man, but because it is blind it can be turned in any direction. The Nazis were loyal to the Black Messiah who promised to bring them to a new order and a new day. The Communists are loyal to the dictates of their party, not asking why. To what are the people of America loyal? This question is the key to our safety, for upon it rides the fate of the nation. The Nazis were willing to die for their cause, the Communists will sacrifice anything to gain their ends. What will the American people do for what they believe?

Loyalty needs direction and guidance. If we are honestly and unreservedly sincere in saying that America believes in life, liberty, and the pursuit of happiness, that this nation does profess that all men are created free and equal, we are challenged by an ideology which says quite the opposite. These are magnificent concepts of life, but are not possible for a people lacking the moral stamina to make them real through sacrifice and self-denial. Democracy, freedom, equality, justice are meaningless phrases apart from the will to make them real. Religion does not stem from democracy, but democracy does stem from religion. So do all the other virtues which we so glibly profess. It is the function of religion in our nation to keep alive in our people that loyalty and devotion to these great truths of the spirit upon which our country rests. Small men take these things for granted, honest men know that they are hard to achieve. America will not hold its place of leadership in the world by virtue of its corporate indifference; it will be strong and safe to the extent that its people are aware of the spiritual foundation of the nation. It is the function of the church to build the life of the spirit into our people so that they shall understand the meaning of these great truths of freedom, equality and justice, and be willing to give more than a glib and easy lip service to them. For these truths are still the only light in a world threatened by darkness. The church has the function of keeping alive in the heart of man that understanding of the spirit which shall turn man's loyalty and allegiance to those things which really matter in our day.

Let's carry this insidious suggestion in the picture a little further. This isn't a Presidential election year so you're not going to wear out your shoe leather tramping to the polls. Well, well, well—that's pretty good news to Comrade Joe. Of course, in most cases Joe doesn't care which candidate gets elected—even though he may get a few pinks in because too many "true-blue" Americans don't turn out on Election Day. The point is, Joe is bound to figure the Freedom muscle is getting a little flabby when we don't give it the best exercise it can ever get—voting.

Our forefathers fought for Freedom in 1776. The American freemen's votes have kept Freedom ever since. Votes are the muscles that put the strength in democracy. But votes, like muscles, get weak when not used.

We were pretty flabby last election, when 45 million qualified voters didn't go to the polls.

THE OTHER SIDE OF IT.

Newspapers gave a lot of space a few days ago to Upper Peninsula speeches of our jumping-jack Governor to his claim that he alone was the man who had started and would build a bridge across the Straits of Mackinac. Maybe some believe what he said.

But a member of the state legislature didn't like what the Governor said and what the Detroit Free Press printed about it. So he took pen in hand and wrote the following letter to the Free Press—which sets forth an entirely different picture than the Governor had painted:

I read in the Oct. 10 issue of the Free Press: "Governor Aspirants Carry Fight to UP! GOP Victory Seen Threat to Bridge."

My face is not red, but is nearly white when I read such lines.

I am one of three men perhaps who know as much about the Bridge Authority setup in the last special session as any man in Michigan.

Rep. Edward Hutchinson; Rep. Victor Knox, speaker of the House, and myself were among those that set up the Bridge Authority machinery. Hutchinson, Nelson and myself introduced the bill and I was chairman of the House Roads and Bridges Committee that handled the bill. All of us Republicans.

Who does Gov. Williams think he is fooling in this matter?

If a bridge can be safely and economically built to withstand the strong current of water at that point together with the strong westerly winds there is every reason to believe it will be constructed by a Republican administration.

I, like many others, am getting tired of being used as a political football on every constructive thing the Legislature has done to suit the political whims and fancy of this labor bossed Governor.

ALPHEUS P. DECKER,
State Representative.

TAX, TAX, TAX THE POOR SIMPS!

Menny Williams is running around the state blasting away at members of the legislature because they didn't appropriate all the money that various governmental boards, commissions, bureaucrats and others tried to squeeze out of the legislature during the last regular session.

Such talks as he is making are so misleading that one can rightly wonder if our chief executive knows anything at all about his state government.

If Michigan did not have a legislature with enough judgment and common sense to set down on all of the demands that are made to that body for YOUR tax dollars, this state would be bankrupt and the people poverty-stricken. We pay a lot in taxes now, much more than we should be paying, much more than people can afford to pay and properly maintain their families.

It can safely be stated that if some weak-kneed legislature should ever be elected that would appropriate all of the money it was asked to spend, you would be paying not just a three cent sales tax, but somewhere near a 25 cent sales tax on every dollar you spent. The state's cut out of the sales tax dollar is so small now that it would have to be that much in order to provide the Lansing government with sufficient funds to meet the demands of the bureaucrats and other tax money spenders.

Show the world freedom works

Let's carry this insidious suggestion in the picture a little further. This isn't a Presidential election year so you're not going to wear out your shoe leather tramping to the polls. Well, well, well—that's pretty good news to Comrade Joe. Election Holds Fate of Charter

One of the most important local issues to be decided by Plymouth voters this Tuesday, November 7, is whether or not the city charter will be revised.

The proposal was placed on the ballot by a resolution of the city commission. Names of ten candidates for the office of charter commissioners are also on the ballot but will not go into effect if the charter revision proposal is rejected.

Names of candidates for the nine charter commissioner posts are James C. Honk, Howard E. Carson, Ruth Haston Whipple, Donald Sutherland, Robert Nulty, Frank Arlen, Russell Daane, Gladys Tillotson, Clarence E. Moore and Catherine J. Henderson.

Two proposed charter amendments are to be voted upon Tuesday also. They are: Proposed Amendment No. 1, Shall Chapter 4 of the Charter of the City of Plymouth be amended by adding thereto a new section to read as follows: SECTION 5 A. At the election to be held on the first Monday of April, 1951, and every two years thereafter, there shall be elected such number of representatives on the Board of Supervisors of the County of Wayne as the City may be entitled to under the general laws of the

Community Fund Collects \$7000

The Community Fund drive has reached the \$7000 mark with \$5000 left to go before the goal of \$12,000 is reached. The drive here follows the pattern all over the country. Returns are coming in slowly but workers are confident the goal will be made if people will send their contributions in as soon as possible.

Donations may be sent to Post Office Box 356 or will be picked up if donors will call Plymouth 1010. The house to house canvass has been completed and industrial soliciting is still going on in the area.

Ask Reactions to Optimist Dances

Plymouth Optimists, who have been sponsoring weekly dances at the Masonic Temple for the young people of the community for the past few months, now ask that both the parents and the young people advise the club of their reactions to the dances and whether or not they would like them to continue through the winter.

Within the next two or three weeks the Optimist club will have to decide if they will discontinue the weekly dances. As the sole purpose of the dances is to provide entertainment for the youth of the city, Optimists felt they should ask the opinion of those attending dances as well as parents. Letters should be addressed to Post Office Box 52, Plymouth.

Dentist Opens Main St. Office

Dental offices were opened this week in the Dibble building, over the Dodge Drug and Willoughby shoe store by Dr. Gerald H. Fitch, recent University of Michigan graduate.

Dr. Fitch's office has one of the most unusual reception rooms in a dental office in Michigan being done in Chinese modern which is carried out through the business office and into a powder bar built especially for women patrons of the office. The operating room and laboratory boasts the newest and most modern dental equipment on the market and all in all patrons are pleasantly surprised by the modern appearances of the offices.

Dr. Fitch graduated from West Baden, Indiana high school and served three years in the Navy after graduation. He moved to Dearborn after his service in the Navy and entered the University of Detroit where he attended two years while working nights in the Veterans hospital.

The second world war found him again in the Navy serving four years after which he enrolled in the University of Michigan where he recently received his dental degree. During his years in the University Dr. Fitch said he and Mrs. Fitch were frequent Plymouth visitors and decided several months ago that they would like to make this city their home. They now reside at 352 North Main street.

Hundreds Join In Halloween Parade and Festivities Here

Several hundred Plymouthites took part in the Chamber of Commerce's annual Halloween celebration. Local service clubs cooperated with the Chamber in helping to make the celebration one of the best ever held in the city.

The police department reports that probably due to the efforts of the Chamber in providing worthwhile activities for the young people of the city, very little damage was done around town. Acting Police Chief Carl Greenlee stated that some trouble was caused by a large group of youngsters from Bentley High school. He locked up four of the trouble-makers. Their friends asked how they could be released and the chief told them they would be released if the whole crowd would leave town. About 50 boys were then escorted by the police department to the edge of town.

The children's parades held in the afternoon were led by the high school band and the drum and bugle corps. Programs and parties followed the parade at school with treats being supplied by the service clubs, the recreation department and special donors to the Chamber of Commerce.

Shelby Head Ted Johnson of station WHRV was master of ceremonies at the street dance on Pennington avenue. The WHRV band provided the music for the square dancing.

Winners of the costume parade held in the evening at the football field were as follows, named in order of first, second and third: Most weird, girls: Mary Jane

Jaycees to Meet Nov. 8 at Pen Mar

The Junior Chamber of Commerce will hold a dinner meeting at the Pen Mar Cafe on Plymouth road, November 8 at 7 p.m. All members are urged to attend and, if possible, to bring prospective members. Following the dinner sports films will be shown.

The Jaycees nominating committee for the new board of directors includes V. J. Erdelyi, Wayne Marzoff and George Kenyon.

Registration Jumps to Nearly 3,400 For Tuesday's Election

If every Plymouth voter goes to the polls and votes Tuesday, as he should, the total vote of this city will be almost 3,400.

City Manager Al Glassford reports that there has been a 12 percent increase in the registration of residents of this city. These new Plymouth voters represent almost entirely families that have moved into the city since the last election—all good Americans who firmly believe that it is their patriotic duty to vote.

Mr. Glassford states that the new registrants are not only new arrivals in the city, but many of them are new home owners, people who have purchased residences within the city.

They represent the type of people this community so gladly welcomes. The new totals indicate the largest increase in registration ever before noted in this city, even before a presidential election.

Name New Board of Directors for C. of C.

The election board of the Chamber of Commerce announces that Ralph Lorenz, Jack Taylor and Dr. Walter Hammond have been named to the board of directors for the Chamber.

The three will serve until 1953. This is the second term on the board for Mr. Lorenz. Members of the election board are Frank Arlen, Dr. R. R. Barber, Kenneth Groth and Robert Waldeck.

Plymouth is New Headquarters For Consumers

Plymouth will be headquarters of a new operating district of Consumers Power company under an area reorganization plan announced today by D. E. Karn, first vice president.

The district will be known as the West Wayne District and will be one of four within the Wayne-Oakland-Macomb county area formerly called the Pontiac division. Henceforth the same territory will be known as Southeast Division. Each of the four districts will have its own district manager, district gas distribution superintendent and engineering, service, sales and appliance repair personnel.

The change was made necessary, Mr. Karn said, by the continued development of the communities surrounding Detroit. Consumers supplies natural gas service in most of Oakland and Macomb and in a smaller part of Wayne county.

"In 1940 we had 52,000 gas customers in this area," Mr. Karn said. "Today we have more than 100,000. Ten years ago only a few of our customers were using gas for house heating. Since then natural gas has replaced manufactured gas, and now we have 34,000 customers who use gas for heating their homes or other

Council Begins Blood Typing Program Here

A blood typing program will soon be started in the city, according to plans announced by Russell Daane, chairman of the Civil Defense Council.

Dr. Ray Barber, member of the council, was authorized to proceed with state and city authorities to get the program underway. The council will make an effort to obtain the blood type of every resident, a project that will prove valuable in both peace time and wartime. The program will also include inoculation of residents against tetanus and sickness caused by bacteriological warfare.

A house to house canvass will begin in the near future by Mrs. Mowry Arnold and a committee of volunteers. Anyone interested in aiding in the project is asked to call the city hall to register. Information as to the number of occupants in a home, amount of room for possible evacuees from Detroit and cot space will be obtained in the canvass. Servicemen's organizations have already volunteered to assist in the canvass.

First aid classes will begin next Thursday, November 9, under the auspices of the American Red Cross. The classes will last for nine weeks and will be two hours long every Thursday. Those interested may enroll at the city hall. More classes will be started if enrollment warrants.

Two Busy Stores Switch Locations

Two of Plymouth's fast growing, progressive merchandising stores will trade locations within the next two weeks. Involved in the change of locations will be the Eger-Jackson floor covering store, and Graham's apparel for smart women.

The transfer of locations comes through the settlement of the estate of the former owner of Graham's, William Graham, now deceased, who was promised the Eger-Jackson building before it was built. Due to court settlement it was not possible for Graham's to move into the store after it was completed, so Eger-Jackson agreed to occupy it temporarily until such time as the estate could be settled and were promised at that time, the store building which then and is now, occupied by the Graham store.

Both stores will be closed on Monday, November 13 to the

Kelly Here for G.O.P. Rally

The Republican candidate for governor, Harry F. Kelly, heads the program for the 17th Congressional District Republican rally to be held tonight at 8 p.m. in the high school auditorium.

Others attending the rally, which promises "no long speeches," are William Vandenberg, Fred M. Alger, Jr., Frank G. Malard, George Dondero, D. Hale Brake and John Martin, Jr. All county candidates on the Republican slate will also be on hand at the rally.

Fire Damages Auto

About \$20 worth of damage was done to the automobile of Arthur Hardy Tuesday when it caught on fire at Harvey and Ann Arbor trail.

The cause of the fire in the parked car was caused by a short in the wiring. Mr. Hardy is employed in the Mayflower Tap Room.

Vote on Tuesday Nov. 7th

Tuesday is election day—Tuesday, November 7th.

There's one duty every citizen of Plymouth owes to himself, his community, his state and his nation—and that is, his duty to vote.

Voters will decide whether they desire to put the brakes on bungling, squandering and mismanagement of affairs in Washington and whether they desire more new taxes and a still cheaper dollar.

They will decide whether they want to continue a sincere fight against Communism in congress or elect someone else.

They will decide, too, whether they want a continuation of the state legislature who will both honorably and truly represent the people of a great district, or a representative who jumps at the crack of the whip of a bunch of pork-choppers.

They will decide whether they want a representative in the state legislature who will both honorably and truly represent the people of a great district, or a representative who jumps at the crack of the whip of a bunch of pork-choppers.

They will decide on four important state amendments, and they will decide whether they want to rewrite the Plymouth city charter. If they decide on this question, then they must elect a charter commission. A number of citizens of Plymouth have offered themselves for this service, if the voters decide they want to fix up a badly patched charter.

The polls open at 7 o'clock on Tuesday morning. They are open until 8 o'clock in the evening. No matter how or what you vote for, it is your duty to VOTE. Let's make Plymouth one city where every citizen believes in doing his public duty.

First Church Census Ever Taken Here Indicates City Rates High

Out of a total of 1834 homes within the city of Plymouth, 1754 of the families occupying those homes informed religious census takers last Sunday that they have some religious preference.

There were only 80 families in the entire city that either were unwilling to give the information sought or indicated no religious preference.

This was the first all-religious census ever taken in Plymouth, over 200 workers meeting in the Presbyterian church last Sunday afternoon to receive instructions before they ventured forth on a most interesting community project.

The workers represented ten of the Protestant churches of the city, including the Assembly of God, Calvary Baptist, First Baptist, First Methodist, First Presbyterian, Church of God, Church of the Nazarene, Newburg Methodist, St. John's Episcopal and the Salvation Army.

Those who directed the census for the churches assert that the results indicate a surprising preference, inasmuch as it indicates an exceptionally high percentage of religious affiliation or preference.

It is pointed out that the figures can be somewhat misleading, for there are many qualifications for the meaning of religious belief or preference, and the result does not mean that all of the 1754 families who indicated religious preference are active in church affiliation or attendance. It is the hope, however, of the census workers, that all will become affiliated with some church.

Nancy Schultz, John Gilbert Wed in Double Ring Ceremony

Nancy Schultz, daughter of Mr. and Mrs. George Schultz of Horton street, Newburg, became the bride of John Gilbert, son of Mr. and Mrs. M. Gilbert of Chicago, Illinois Saturday evening, October 28 in St. Peter's Lutheran church.

The Rev. Edgar Hoenecke officiated at the 7:30 o'clock double ring candlelight ceremony before an altar banked in palms and white mums.

Organ music was played by Gerhardt Mueller and Raymond Schankin, a cousin of the bride, sang "The Lord's Prayer."

Nancy, who was given in marriage by her father, wore white slipper satin with Peter Pan collar, encrusted in rhinestones and steel cut beads. The waist was fitted and small white buttons, extended down the front to a full skirt. Her nylon veil of fingertip length was held in place by a white satin Juliet cap embroidered to match her gown. She carried a corsage of white roses and baby mums centered with white orchids.

For her matron of honor, the bride asked Mrs. Harold Coyle, of Wayne. Her gown was of peach blush taffeta, princess style with a black velvet sash extending to the floor. Her hat of matching colored net with open crown also had black velvet streamers and she carried a colonial bouquet of baby mums and rosebuds.

Miss Nancy Case, as bridesmaid, wore a gown identical to that of the maid of honor in pastel green. She also wore a net hat and carried a colonial bouquet.

Harold Coyle, Jr. of Wayne performed the duties of best man and the usher was Edward Warrick of Detroit.

Mrs. Schultz wore for her daughter's wedding, a dress of slate grey with a pink feathered hat and pink accessories. Her corsage was of pink roses. For her son's wedding, Mrs. Gilbert elected a dress of taupe crepe with black accessories and a corsage of yellow rosebuds.

A reception for 200 guests followed at the American Legion hall in Newburg. The bride's table was centered with a five tier wedding cake flanked on either side by candleabra.

Mrs. Gilbert chose a suit of navy blue with matching accessories and the orchids from her bridal bouquet for her going away outfit.

After a short honeymoon at Niagara Falls they will make their home on Horton street in Newburg.

Out of town guests at the wedding came from Canada, West Virginia, Toledo, Ohio, Detroit, Livonia, Grosse Pointe, St. Clair Shores and Wayne.

School Board Meets

The regular meeting of the Board of Education will be held at the high school on Tuesday, November 7, at 8 p.m. It was originally scheduled for November 14.

The Boston Tea Party was planned in the back room of the Boston Gazette.

Social items can be phoned to 1755.

Bride-to-Be...

Margaret Jean Willoughby will become the bride of Stephen Carlson of Huntington, Indiana, Saturday morning at 4 p.m. in St. John's Episcopal church. The bride-to-be is the daughter of Mr. and Mrs. Robert Willoughby of Ann Arbor trail.

Legion Posts to Install Officers

Public installation of officers of the Myron H. Beals Post, the Passage-Gayde Post and the South Lyon Post of the American Legion will be held November 10 at 8:30 p.m. in the Central Grade school gymnasium.

The Forty and Eight ritual team will be the installing officers. They are considered the best in Michigan and it will be worth the public's time to watch this team work.

New officers of the Myron H. Beals Post are Irvin Geer, commander; Fred Bird, senior vice commander; Jack Healy, junior vice commander; Melvin Gutherie, chaplain; John Jacobs, finance officer; Donald Ryder, senior historian; Albert Wietcha, sergeant at arms, and Richard Howcroft, adjutant.

Heading the Passage-Gayde Post for the coming year are Harold Wilson, commander; Donald Dobbin, senior vice commander; Raymond Gardner, junior vice commander; Stillman Warner, chaplain; William Langmaid, finance officer; Elton Knapp, historian; Ivan Campbell, sergeant at arms, and Vernon Miller, adjutant.

Legionnaires invite everyone to attend the installation ceremonies. Refreshments will be served at the Veterans' Memorial center after the installation.

The first newspaper in the American colonies told its readers, "It is designed that the Country shall be furnished once a month (or if any Glut of Occurrences happen, oftener,) with an account of such considerable things as have arrived unto our Notice."

If all prayers were answered, the middle would be terrific and a lot of us would be put away.

Bloodmobile to Return Dec. 5

Mrs. Lee Sowle, blood program chairman of the Plymouth branch of Detroit chapter, American Red Cross, announces that the chapter's bloodmobile will make a return visit to Plymouth on Tuesday, December 5. It will be stationed at the high school for the accommodation of donors, the exact hours to be announced later.

Since the establishment of the community blood bank last June, the project has more than justified itself. Laboratory records at the Red Cross blood center in Detroit show that 12 pints of blood have been used by Plymouth residents to date.

"The important thing," said Mrs. Sowle, "is that the blood is available when needed as long as we have credits in the blood bank. To maintain those credits and build up our bank to meet possible emergencies it is necessary to replenish the supply from time to time. We expect a good response in December."

Persons who gave in June will be eligible to give again, and it is expected that many new donors will wish to contribute, either for the community bank or for the armed forces. Registrations will be taken by Mrs. Sowle at her home, 40384 Ferguson.

CHANGES SEX... Gabriella Galoffi, Florence, Italy, underwent an operation to hasten a process that was changing her from girl to boy. Now, Gabriella is Gabriello.

In Porto Alegre, Brazil, aeronautics inspectors grounded Pilot Sebastiao Afonso Corbeta when they learned that 1) he had been landing his plane at night on a pitch-dark 100-yard strip, 2) his carburetor was full of sand, 3) his tires were patched with cut-up inner tubes, 4) he had no pilot's license.

IF YOU FEEL that your hose don't give you the long wear you feel they should, then start giving them judicious care which will keep them going to a gallant old age.

Three pairs of hose purchased in the same color will give the same amount of wear as nine pairs, each in a different color. One stocking always wears much longer than the other, and it can be teamed with several other hose, if they're alike in color.

Remove all rings, bracelets and ornaments from hands and fingers before putting on hose. Smooth fingernails with an emery board, too, so that there can be no catches in the hose.

Always fasten garters in the double hem at the top of the hose.

RECIPE OF THE WEEK
Chicken Yorkshire (Serves 6)
2 cups diced, cooked chicken
2 eggs
1/2 cup drippings, melted
1 cup milk
1 cup sifted flour
1 teaspoon baking powder
1/2 teaspoon salt
Leftover gravy
Place chicken in bottom of greased casserole and set in moderate oven to heat. Beat eggs, drippings and milk together. Sift dry ingredients together and add to liquid ingredients. Beat until free from lumps. (Batter will be quite thin.) Pour over chicken and bake in a moderate (350 degree F.) oven for 30 minutes. Serve from baking dish with leftover gravy.

If the back garters come at the opening of the double hem, sew this up.

When drawing on the stocking, roll down to the toe and draw upwards easily. Before attaching the hose to garters, check seam line and straighten, if necessary.

For darning thread, choose a thread which is a little darker than the hose. The thread works in slightly lighter when you use it.

Your darning egg will be easier to use if one half of it is painted light, and the other dark. Use the dark side on light stockings and the light for dark stockings to enable you to see better.

Name Winners at Pease Opening

Winners of gifts given at the grand opening of the Pease Paint and Wallpaper company were announced this week by A. G. Pease, owner.

Mrs. Douglas M. Scott of Plymouth received the four gallon can of Liquid Velvet Flat white inside paint and Ada K. DePlanche won the four gallon can of outside paint.

Those awarded one quart of Liquid Lite enamel were George Duncan, Lackie Ethier, Doris Friday, Mrs. Oren Blackmore, Mrs. Earl Reh, Mrs. H. L. Johnson, Laura T. Buckley, Mrs. Robert McMullen, A. M. Wilden, Don McRannolds, Mrs. E. Hann, Mrs. John Lenox, Joan Kohler, Hattie Smith, Mrs. W. J. Worth, Mrs. Oscar Freheit, B. G. Young, Mrs. E. Thelan, Harvey Pankow and Betty Kennedy.

In San Francisco, James Byron Geisler was awarded a divorce after he told the judge that his wife was so motherly she insisted on riding with him on the bus when he went to work and leading him by the hand to his office door.

CAPONE'S BROTHER... Matt Capone, brother of Al, was subpoenaed to appear before the senate committee investigating crime.

Jacksons Open Ceramics Shop

A part time hobby has become a full time job for Mr. and Mrs. Willard Jackson, who recently opened a ceramics shop in the basement of their home at 632 North Mill street.

Mrs. Jackson first became interested in making ceramic articles three years ago when she took a course in Wayne. She and her husband began making beautiful ceramic pieces and decided to open the shop in their basement. They carry figurines, dishes, plates, jewelry boxes and many other articles.

Classes in china painting are held in the shop every Friday evening.

"I REMEMBER" BY THE OLD TIMERS

From B. L. of Chicago: I remember when father used to pile the family into the automobile and take "long" drives out into the country to sights of interest each Sunday.

From Mrs. Ella Bates of Salina, Kan.: I remember the days of the horseless carriage, later called the "gas buggy." Some of the earliest models of cars were: the Mier, Model, Brush, Rambler,

Gleason, Stevens-Duryca, Orient, Buckboard. These were popular in the first decade of the century. Then came the Stoddard-Dayton, Mercedes Roadster, National Overland, the Flanders Twenty, the Eppiro. In the 1920s there were such makes as the R. V. Knight, the Franklin, the Gardner and the Maxwell.

From J. Risor Camryn, of Seattle Wash.: I remember when "new fangled" things began to interest me and when my father brought home an unbreakable lamp chimney. He dropped it on the floor to demonstrate. The next test was to flip drops of water from his fingertips on the heated lamp chimney. It burst into a hundred pieces and it was right over the butter dish on the dining room table!

Service Clubs All Out to Vote

Through the efforts of the public affairs committee of the Chambers of Commerce, competition between the service clubs of the city reached new highs for the number of members registered for voting.

Both the Rotary and Kiwanis clubs scored 100 percent with the Lions and Optimists hitting the 96 percent mark. The committee is also urging service club members to get out and vote on Tuesday. The voting record will be announced after elections. Members of the public affairs committee are Robert Ladgardi, Jack Taylor, Robert Waldecker and Sterling Eaton.

The first American newspaper, Public Occurrences, was started with the intent of "curing, or at least charming, of that spirit of lying which prevails..." in Massachusetts colony. It was suppressed after the first issue.

By CARL PETERSON

A lady (we presume, since we don't know her) has written a book on how to trap a husband. The lady's (see first line) name is Carlyle, and she advocates a system that sounds a little like a fox hunt. Don't wait, she warns... go after them. In picking a job, the more important factor should be its richness in opportunity for meeting men. Let no stone go unturned no matter what may crawl out. Run the lads down anywhere and everywhere. Take classes which men attend; join discussion groups. Sounds like an active year ahead for young fellows. Incidentally, the author is still MISS Carlyle.

Be sure to get out and vote next Tuesday, November 7. It only takes a few minutes of your time, but it's a very important few minutes as far as your future and the future of your country is concerned. Remember, protecting our freedom is everybody's job!

A Chicago man admitted setting an apartment house on fire in hope of seeing his estranged friend run out of the building. He's really carrying a load. That's a hot one. If you'd like to get "hot" on that Christmas shopping... there's no time like now. There's no better stock of fine merchandise than here either. When you shop early... you save last minute wear and tear on your time and budget. So come to PETERSON DRUG, 840 W. Ann Arbor Trail, Phone: 2080.

Hold Service For Jessie Kennedy

Jessie G. Kennedy, 85 wife of Henry W. Kennedy, died at 223 South Main street on Monday, October 30.

A private service was held at the Davi-Graham Funeral home in Fenton, Michigan yesterday. The Rev. Henry J. Walsh of the Plymouth Presbyterian church officiated and interment was in Oakwood cemetery, Fenton.

In addition to her daughter, Mrs. C. H. Buzzard, with whom she made her home, she is survived by her husband; two other daughters, Mrs. C. F. LeFever of this city and Mrs. W. K. Ingersoll of Baltimore, Maryland; two sisters, Mrs. Eva Potter of Pittsburgh, Pennsylvania, Mrs. Bees Guimaraes of Lancaster, Pennsylvania, and a brother, William Goldie of Highland Park, Michigan. She also left grandchildren and great-grandchildren.

Mrs. Kennedy was born August 2, 1865, in Fenton, Michigan, the daughter of William and Nancy Goldie. She married Henry W. Kennedy on New Years Eve, 1889, and the approaching holiday would have marked their 61st wedding anniversary.

Funeral Friday For Charles Epps

Funeral services will be held tomorrow at 2 p.m. from the Schrader Funeral home for Charles Tyler Epps, Sr., who passed away Tuesday, October 31 after a long illness at the age of 53 years.

Surviving are his widow, Mrs. Wilma Epps; his daughter, Mrs. Sara Langley of Rockmart, Georgia; and his five sons, Harold of Detroit, Lindsay of Marietta, Georgia; Charles, Jr. and William both of Plymouth, and Ernest of Wauwatosa; also surviving is his mother, Mrs. Maria Epps; his brother, George W. Epps and his sister, Mrs. Vera Dollar, all of Cedar town, Georgia.

The Rev. Melbourne I. Johnson will officiate. Hymns will be rendered on the organ. Interment will be in Riverside cemetery.

Rites Today For Mary Blessing

Funeral services will be held this afternoon at 2 p.m. from the Schrader Funeral home for Mrs. Mary Susan Blessing who passed away Tuesday morning at the age of 44 years. Mrs. Blessing lived at 183 Mill street and has been a resident of Plymouth for the past 35 years. She was a member of the First Baptist church of Plymouth, and of the Daughters of America.

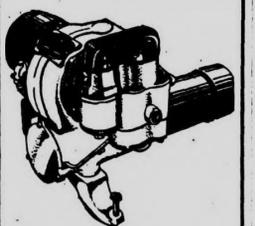

Her husband, Harry A. Blessing, preceded her in death on August 1, 1948. Surviving are by two sons and three daughters, Donald E. Blessing of Plymouth; Mrs. Catherine F. Ayers of Detroit; Mrs. Eleanor M. Giffard, Mrs. Anna L. Cunningham and Harry Blessing, Jr., all of Plymouth; also surviving is her sister, Mrs. Ernest Donahue of Plymouth and four grandchildren.

The Rev. Benjamin L. Eichler will officiate. Hymns will be rendered on the organ. Interment will be made in Riverside cemetery.

Thomas Paine was a leading journalist during the American Revolution.

Colonial newspapers were the mainstay of the movement for independence.

Open Shoe Department at Davis and Lent....

Wendell Lent, center, signs the Freeman dealer franchise as the store opens its new shoe department this week, carrying Freeman men's shoes. Robert Wollin, Freeman representative, and Ed Wingard, right, watch Lent sign the franchise. Wingard will manage the new shoe department.

Davis and Lent, men's clothing store, announced the opening this weekend of a new men's shoe department. The store will carry exclusive styles of Freeman shoes made by the Freeman Shoe Corporation of Beloit, Wisconsin.

Wendell Lent, store owner, states that 31 styles will be available in a wide range of colors and prices and a variety of leathers. Over 400 styles will be available on a 48 hour special order

basis. Robert Wollin, Freeman representative, will be in the store Friday and Saturday of this week to advise customers on their shoe problems. Ed Wingard will manage the new shoe section.

stanchions, and we could take care of a lot more of those Detroit drunks," he said. "Well, that's an idea any way," said Supt. Gillies. "I do like folks with ideas, however." Then some one else suggested that the cows might object.

"If they do, there's pig pens," came back the man with ideas. "But on second thought, these might be too good for some of the drunk drivers we get in here."

There ended the discussion of the housing problem at the Detroit House of Correction, created largely because of the discovery by a clear-thinking Detroit judge that a term behind prison bars was the right place for any man or woman who drives an automobile white drunk.

Holland was the home of freedom of the press in the early 16th century. Thomas Jefferson aided in establishing the National Gazette in 1791.

Drunk Drivers Create Housing Problem at House of Correction

Do you think you'd like to sleep with the cows out at the Detroit House of Correction for a couple of weeks or so?

You would? Then just get drunk and drive an automobile in Detroit—because that might be just where you will be headed for.

So fast has the population of the Detroit House of Correction grown in recent months, that Superintendent A. Blake Gillies is beginning to scratch his fast thinning locks to find places for all of his well satisfied customers to sleep.

Right now there are just under 1300 prisoners at the Detroit House of Correction. That's about the limit in present sleeping accommodations. At one time it was possible to accommodate about 1600 "customers" at the prison, but sometime ago before a lot of smart alecks thought it

was a joke to drive an automobile when drunk and before the days when there grew up with the New Deal and the Fair Deal a general disregard for most of the laws of the state, a decline took place in prison commitments, so one dormitory was converted to other uses.

Things are changing rapidly, however, since Judge Toms has been using a lot of common sense in sending drunk drivers to jail. Not only, points out the Warden, have many lives been saved in Detroit, but the "housing" problem at DeHoCo is getting almost as bad as it is in Plymouth.

Someone suggested that there was some extra room in one of the prison cow stables that might be converted into sleeping quarters for drunk auto drivers.

"All we've got to do is put some cots in some of the vacant

Schools Observe Education Week November 5-11

American Education Week will be observed November 5 to 11 by the schools and churches of the city. The theme this year is "Government Of, By and For The People," and will be carried out in programs in all local schools. Ministers will emphasize the moral and spiritual values tying in with education week from their pulpits Sunday or in special sermons during the week.

"Movie Trailer," a two minute movie on education, will also be shown in the Penn and Penniman-Allen theaters this week. The theme of Education Week will be outlined in special programs for all school children from the fifth grade up. The schedule for the week follows:

Monday-Responsibilities of the Citizen; Tuesday-Election Day, Meaning of the Ballot; Wednesday-School Needs; Thursday-Opportunity For All; and Friday-Home, School, Community conferences.

WASHINGTON KIN CAN STAY IN U.S. . . . George Washington, native of Austria, was saved by a bill canceling deportation proceedings instituted against him because he once was convicted of fraud in Belgium.

Vandals Slash Store Awnings

An investigation is being made by both the police department and school authorities in an effort to find the names of the young fellows who again this year slashed several expensive store window awnings along Main street.

Five big slashes were made in the awning over the windows of the Dunning store, and a big long slash was made in the one over the Woodworth store a few nights ago.

Police were unsuccessful last year in finding out who slashed the same awnings as well as a number of others a year ago, but it is asserted now that there will be no let up in this search until the guilty ones are caught.

Police are asking that any boy or girl who has information to give to any police officer they might see on the street, or if more desirable, phone the information to the department. You will be doing a good turn to the guilty one as it may prevent him from getting into more serious trouble in years to come—and you will also be doing something for the good of the city.

Newspapers consistently fight corruption and incompetence in government.

John Peter Zenger, early New York editor, was jailed in 1734 for his criticisms of the royal governor.

Important State Questions For You to Decide

In addition to the importance of the regular ballots you will receive at the election Tuesday, plus the city charter question, there are four highly important state proposals for you to decide.

The first increases the residence requirement of a qualified voter from 20 days to 30 days in the township or ward. It also eliminates a reference to persons of foreign birth who had declared their intention of becoming a citizen 2 1/2 years before November 8th, 1924, and had not completed naturalization prior to January 1, 1924. This is a technical and now outdated procedure. The change from 20 days' residence to 30 probably is intended to prevent "colorization" of voters.

No. 2 proposal submits a state bond issue of \$65,000,000 for the purpose of building mental hospitals.

No. 3 is a proposal defining subversion as an act intended to overthrow the form of government of the United States or this state, by force or violence or by any unlawful means. We could comment that what constitutes "unlawful" in this connection might be the subject of interminable court procedures and difficulties depending upon the popular state of mind at a given time.

No. 4 is the proposal to allow the sale of oleomargarine, either colored yellow or uncolored, provided it is in a separate or distinct form and in such manner as will advise the consumer of its real character. This does away with the present prohibition on the sale of colored oleo. It is highly controversial.

These are important questions that each voter will want to study for himself.

Smith Leaves Consumers Power

Rolfe H. Smith

After 24 years of service, Rolfe E. Smith resigned from his position as manager of the local office of the Consumers Power Company. The resignation was effective yesterday.

He will go into the real estate business with his father-in-law, Roy Annette of Pontiac. A past president of Rotary club, Mr. Smith came to Plymouth in 1934.

Plymouth High Paper Awarded Top State Honors

For the second consecutive year the Pilgrim Prints, Plymouth High school paper, received first place All-State honors for Class B schools. The Prints was the only printed paper to receive an award for two consecutive years. Last year the "Breeze" of Albion and the Plymouth paper tied for first place.

The awards were presented at the conclusion of Journalism day, October 18 at Michigan State college. Ten journalism students represented Plymouth High at the conference. Miss Elizabeth McDonald, Prints advisor, conducted a discussion group on exchange papers, one of the many interesting and helpful meetings held throughout the day.

The school paper has been printed at the offices of The Plymouth Mail since the school decided to have its own paper rather than a section printed in the Mail. The Prints was judged on the basis of typography and printing as well as style and content.

The staff of the paper, as well as Miss McDonald, deserve much credit for their journalistic achievements. Much of the work on the paper is done in after-school hours.

GETTING A GRAND SENDOFF . . . Ralph Nuzzi, Brooklyn, N.Y., is held by his buddies as he bends over to get a going-away kiss from Dagmar, television actress. He is a member of first marine air reserve squadron which left for California and eventual overseas destination.

Lions Club Hears City Manager

The Plymouth Lions were honored to have City Manager Al Glassford as their guest and speaker for their dinner meeting last Thursday evening.

His topic was citizenship and the importance of using our voting rights. Some of the points emphasized by the speaker was the need for Civil Defense, the possibility of revising the city charter, and the duty of citizens to attend city commission meetings to know what the local government is doing.

The city manager thanked the service clubs for assisting the city in putting over the Halloween, Christmas and Fourth of July activities.

Juveniles Break Aerials on Autos

A new type of juvenile depredations is proving a most expensive one to automobile owners. A group of youngsters has been running around the downtown streets of Plymouth during the evening hours, bending or breaking over radio aerials from automobiles parked along streets.

One night the aerial of every parked car parked around the park was bent over or broken.

The police picked up three boys from Salem last week, but it is stated they would admit nothing.

HUNGRY MASCOT . . . The 19th medical collection company has adopted little "Jimmy," a Korean war, shown here enjoying G.I. chow.

MODERNISTIC SYMBOL . . . This silhouette of Christ's head with halo and staff is above the altar at Minneapolis' Church of The Good Shepherd, and shows new trend in divine art.

All in the Game:

CASEY STENGEL had to operate all year with two stars—Joe DiMaggio and Tommy Henrich—below par physically. . . . Sam Maglie and Jim Hearn saved the Giants from the lower depths this year. . . . Johnny Farrell says: "We drive for pleasure, but we putt for money." . . . Dizzy Trout, a big aid in Detroit's pennant challenge, has been pitching in the big leagues for 15 years. . . . It's hard to believe that the indestructible Sammy Baugh was throwing passes for T.C.U. back in 1933. . . . Ty Cobb batted around .337 in his 23rd big league season. . . . Red Blaik's strong Army double platoon opens the season with a 1-2 ranking. . . . Navy's schedule is far tougher than Notre Dame's and Army's. . . . Marty Marion, Card shortstop, sleeps on a board to aid his ailing scroffillac. . . . Major league baseballs are stitched by hand. One person can sew about 40 a day. . . . The pitcher's mound was first used during the 1903 season, replacing a pitcher's box oven with the field.

MARINES ON INCREASE . . . Maj. Gen. Mervin Silverthorn says calling of more reserves will give marines 18 fighter squadrons, two full divisions and 166,155 officers and men.

Plymouth is New Headquarters for Consumers

(Continued from page 1) buildings. Industry also is using gas in greatly increased amounts. We feel that under these conditions we can serve our customers better by recognizing the division into four district units.

The name of the entire division is being changed from Pontiac division to Southeast division in recognition of the fact that the great majority of the customers live in the Detroit suburban area rather than in Pontiac and in line with our recent policy of grouping large numbers of customers within a single division.

David L. Brown, division manager of the Pontiac division will continue as division manager of the Southeast division, with general supervision over all districts. His headquarters will be in Pontiac and the Pontiac area will have no district manager. The Pontiac service area will include Pontiac, Keego Harbor, Orchard Lake, Waterford, Clarkston, Oxford, Orion, Rochester and all other Oakland county territory lying north of Square Lake road and Walnut Lake road.

Plymouth will be headquarters of the West Wayne district which takes in Wayne, Northville, Farmington and the townships of Plymouth, Northville, Novi, Farmington, Nankin and Livonia. District manager will be George L. Mayhew, who has been local manager at Howell. The former local manager at Plymouth, Rolfe H. Smith, resigned from the company recently to enter the real estate business in Pontiac.

B. G. Campbell, Jr., who has been local manager at Royal Oak, will be district manager of the South Oakland district, including Royal Oak, Ferndale, Berkeley, Hazel Park, Birmingham, Clawson, Oak Park, Huntington Woods, Troy, Royal Oak and Southfield. Victor W. Sisung, formerly assistant gas distribution superintendent of the Lansing division and a former Plymouthite, will be district gas distribution superintendent.

R. W. Clark, veteran local manager at Mt. Clemens, will be district manager of the South Macomb district, which includes Mt. 8 reasons not to VOTE 1. Maybe you think a little more of Comrade Joe than you do of Uncle Sam. Joe jacks his chops when you stay away from the polls. In the last Presidential election 45 million qualified voters stayed away. 2. You think your time is too valuable to wait a few minutes for your turn at the polling place. You have more "important" things to do. 3. What the heck's the good of "my one little old vote"? Let George vote. And George decides to let you vote. So a lot of you and Georges stay away from the polls—and lose an election. 4. You moved and forgot to register. That's a reason for not voting this election, but, folks, it really won't do to use that excuse a second time! 5. The wife likes one candidate and the husband likes the other. It's obvious your votes will cancel out each other, but each helps to swell the total of your favorite candidate. 6. You don't know anything about the issues and the candidates. It's nothing to be really proud of, but it doesn't take long to get up to date. 7. You think it's all "politics" anyway—and it certainly will be as long as you and folks like you stay home. 8. Your eorn hurts—but remember a lot of freedom-loving Americans get to the polls on crutches and in wheel chairs. These Marks are Legal These Spoil Your Ballot Note—If a voting machine is used in your polling place, remember, it is completely reliable and enables you to split your ticket in any manner desired.

Dorothy Young Weds Leland Philp in Walled Lake Methodist Church

Dorothy Marie Young, daughter of James Young of Leslie, Michigan, became the bride of Leland George Philp, son of Mr. and Mrs. Leland M. Philp of Pontiac trail, Walled Lake, at a ceremony performed at 8:30 in the Walled Lake Methodist church on Friday evening, October 22.

The Rev. C. F. Oliver officiated at the rites before an altar banked with palms, candles, white mums and gladioli and large white bells. Mrs. Howard Knapp sang "Because," "I Love You Truly" and "The Lord's Prayer" accompanied by the organist, Mrs. Paul McKibben.

Dorothy was gowned in white bridal satin and carried a heart-shaped lace corsage centered with white roses.

Mrs. Betty Eggers of Wayne, sister of the bride, was matron of honor and wore emerald green

taffeta. Her flowers were tallisman roses.

Robert Philp of Walled Lake was the best man and Carl Dyer and Roland Wiltse, also of Walled Lake, assisted as ushers.

Dorothy's grandmother, Mrs. Ben Young, was gowned in royal blue with a corsage of white mums. The bridegroom's mother selected peacock blue with a white mum corsage.

Following the ceremony, a reception was held in the church parlor. Decorations were in lovely autumn colors. Mrs. M. G. Post, Mrs. Joseph Wiltse, Mrs. L. B. Miles, Mrs. Paul Shankin and Mrs. Earl Vance acted as hostesses at the reception.

For her going away outfit the bride wore a suit of royal blue with grey accessories. The young couple traveled to Lansing and Rapid River.

Mrs. Philp is a graduate of Plymouth High school and is receptionist in the office of Dr. Frederick Foust, Mr. Philp graduated from Walled Lake High school and received his degree in business administration from Michigan State college in East Lansing. He is employed with the S.S. Kresge company in Dearborn in their training program for store managers.

They will make their future home on Starkweather avenue in Plymouth.

Plan Winter Wedding

Mr. and Mrs. Eli Ballen of Newburg road announce the engagement of their daughter, Oceana, to Karl S. Johnson, son of Mr. and Mrs. Albert Johnson of Hix road. They plan a mid-winter wedding.

Burgett-Ashmun Nuptials Read in Evening Rites

Vera B. Ashman and Lawrence H. Burgett were united in marriage on Thursday evening, October 26 in a ceremony performed by the Rev. Edgar Hoenecke in St. Peter's Lutheran church at 6 o'clock.

The bride wore a street length dress of blue crepe with plunging neckline sprinkled with sequins and a softly draped skirt. She wore a corsage of red roses.

For their only attendants the couple chose Mr. and Mrs. Floyd Burgett, brother and sister-in-law of the bridegroom.

Mrs. Burgett wore a dress of grey crepe and satin with matching accessories and also a corsage of red roses.

Following supper at Chick-Inn for only the bridal party, the couple left for a honeymoon in northern Michigan. For her wedding trip Mrs. Burgett wore a suit of navy with her corsage of red roses.

They will make their home at 40364 Ferguson avenue, Robinson subdivision.

Engaged....

Mr. and Mrs. Charles Burke of Traverse City, formerly of Detroit, announce the engagement of their daughter, Margaret Ellen, to Ralph Foreman, Jr. Ralph is the son of Mr. and Mrs. Ralph Foreman of West Seven Mile road, Northville. No date has been set for the wedding.

Hazel Dunlop Will Speak at Woman's Club

Members of the Woman's club of Plymouth will hear Hazel Peckinpaugh Dunlop, popular lecturer, on Guest Day tomorrow at 1:30 p.m. in the First Presbyterian church hall.

Presented by the J. L. Hudson Company Speakers' Bureau, Mrs. Dunlop's topic will be "The Romance of Old World Silver," an informal discussion on antique silver covering antique English, silver and Old Sheffield, American silver and silversmiths. She will demonstrate with well coordinated table appointments as an entertaining means of illustrating points of interest.

Mrs. Dunlop is the author of the book, "Let's Arrange Flowers" and has appeared before groups throughout Michigan and other states as a speaker on table settings, floral arrangements, gardens and silver. She was educated in art, music and horticulture in public and private schools in her home state of Indiana.

Former Resident Wed Saturday

The J. Merle Bennett cottage on Black Lake in northern Michigan was the scene Saturday evening, October 28 of the marriage of Joanne M. Crawford of Ithaca, and Alan C. Bennett, son of Mrs. J. Merle Bennett, formerly of Plymouth and now residing in St. Petersburg, Florida.

The candlelight ceremony was performed by the Rev. Knut Savoreid.

The bride, who was given in marriage by her father, Roland Crawford of Ithaca, was attired in a suit of grey with navy blue accessories.

Attending the bride as maid of honor was Miss Dorothy Anderson of Oscoda. Acting as best man for the bridegroom was William F. Wernett of Redford.

Others attending the wedding beside the bride's parents, Mr. and Mrs. Roland Crawford, were Mr. and Mrs. Jack Crawford of Breckinridge, Robert Brown of Plymouth and Mr. and Mrs. C. P. Pressley of Ithaca. The Bennetts, are making their home at Black Lake for the present.

In Los Angeles, John G. Murray, who objected to his landlady's piano-playing, was booked on suspicion of attempted arson, told police: "I was going to burn the house down, and the piano, too."

An early patriot editor carried legal government notices in his newspaper free of charge, refusing to accept payment until finally George Washington thanked him for his generosity and insisted that he accept pay.

In Coventry, England, two hours after her wedding, Rose Perfect was arrested for being drunk and disorderly.

BIRTHS

Mr. and Mrs. Arthur Spinella of 366 West Ann Arbor trail announce the birth of a son, Anthony Arthur on Sunday, October 22, in Garden City Maternity hospital. Weight 8 pounds, 15 ounces. Mrs. Spinella is the former Carol McPherson, daughter of Rev. P. M. McPherson, pastor of the Church of God.

Mr. and Mrs. Joseph Kisa of Southworth avenue announce the birth of a son, Dennis James, born October 28 in Garden City Maternity hospital. The baby weighed 9 pounds, 11 1/2 ounces.

Roy C. Bennett and his sister, Mrs. Arthur Fulton, were each presented with a baby boy last week, the babies arriving a day apart.

David Edward is the name Mr. and Mrs. Arthur Fulton of Park road chose for their son who was born October 27 at Sessions hospital. He weighed 7 pounds, 2 ounces. Mrs. Fulton is the former Doris Bennett.

Mr. and Mrs. Bennett of Irvin street named their new baby boy Roy Charles, Jr. He was born October 26 at Sessions hospital and weighed 6 pounds, 6 ounces.

The Rev. Russell Osgood, uncle of the bride, performed the rites at 11 o'clock before banks of candleabra and huge baskets of white mums which adorned the mantle of the fireplace.

Lois was beautifully gowned in white rayon taffeta. Her veil of illusion was trimmed in lace and she carried a white Testament centered with white orchids and baby mums.

For her only attendant Lois asked Athalie Miller to assist her as maid of honor. Athalie chose a gown of green taffeta and carried an arm bouquet of yellow mums.

Lois Osgood Becomes Bride of Ronald Matsch in Home Ceremony

The home of Mr. and Mrs. Wallace S. Osgood on Penniman avenue was the scene Saturday, October 21, for the wedding of their daughter, Lois Eleanor, to Ronald George Matsch, son of Mrs. Caroline Kortas.

The Rev. Russell Osgood, uncle of the bride, performed the rites at 11 o'clock before banks of candleabra and huge baskets of white mums which adorned the mantle of the fireplace.

Lois was beautifully gowned in white rayon taffeta. Her veil of illusion was trimmed in lace and she carried a white Testament centered with white orchids and baby mums.

For her only attendant Lois asked Athalie Miller to assist her as maid of honor. Athalie chose a gown of green taffeta and carried an arm bouquet of yellow mums.

William Osgood, brother of the

bride, attended Ronald as best man.

Mrs. Osgood selected a dress of beige rayon crepe while Mrs. Kortas chose green rayon crepe.

For her going away trip Mrs. Matsch wore a gabardine suit of dark blue.

The young couple are now on a honeymoon trip to Denver, Colorado, the bridegroom's former home, where they are visiting for 16 days. The young couple will make their home in Plymouth.

Civil Defense Council Tells What Happens If A-Bomb Falls

Information on what would happen if an atomic bomb were dropped in the area is now being issued by the Civil Defense Council of Plymouth. A series of articles will be published in The Mail on destruction caused by an A-bomb, what to do if a bomb hit, how to survive and what to do after the bomb hits.

The information was made available by the National Security Resources Board's Civil Defense office in Washington. A new 32-page booklet entitled "Survival Under Atomic Attack" has been published by the government and gives complete information on how to survive if an atom bomb should fall. The booklet may be obtained by sending ten cents to the Superintendent of Documents, Washington 25, D.C.

Facts on what happens if a bomb falls, follows: 1—From the point of drop and within a radius of one half mile—complete destruction and death. Buildings leveled by an air blast of 300 miles an hour. Objects and fragments carried by the blast spread destruction in all directions. Fires would be started and spread rapidly in all directions. Gamma rays—product of nuclear fission spread from the area and causing death and contamination.

2—From 1/2 mile to 1 mile almost total destruction. Severe burns both from the blast and radiation. Intense fires. Many deaths and injuries due to the heat and to the terrific air blast carrying objects and fragments.

(The heat from the flash is reported to be 3,000 degrees at 1 1/2 miles.)

3—From 1 mile to 2 miles somewhat less destruction and death but still heavy. Air blast drops to about 100 miles per hour. Radiation sickness and contamination of everything in the area. Fires at less intensity but requiring attention to prevent spreading.

Local Post Hosts Legion District

The Passage-Gayde Post No. 391 of the American Legion will be host for the next 17th district meeting of the American Legion and auxiliary. It will be held tomorrow, Friday, at 8:30 p.m.

The Legionnaires will use the Central Grade school gym for their business meeting while the ladies of the auxiliary will meet at the Veterans' Memorial center. At the close of business sessions, refreshments will be served at the Vets' center.

The Passage-Gayde auxiliary is answering the requests of veterans at Maybury Sanatorium for playing cards. The women are sponsoring a drive to collect enough cards and ask that anyone who can, a new or nearly new deck, please leave them at Herald's Cleaners or the Sackett and Gladstone service station.

"I REMEMBER" BY THE OLDTIMERS

From J. Risor Camryn of Seattle, Wash.: I remember when every family had its own little coffee mill and roasted and ground coffee at home. A favorite dish was parched field corn, ground in the coffee mill and eaten cold with milk or cream. I can also remember the first packaged coffee—already roasted. It was put up by a firm called Ar-buckle Brothers, and the name was "Ariosa Brand."

From Mrs. O. M. Edwards of Elbert, Colo.: I remember going to school in the Indian territory where there were no school boards to hire a teacher—nor were there any books to buy. Those who went to school paid a dollar a month for the privilege. We took what we could get in the way of books—any kind would do. We "larned" to

cipher by doin' it. 'Ritin' was copied on slates from a form on the blackboard. For our lunches we had a 'hunk' of corn bread and a hard-boiled egg. Sometimes we had biscuits spread with wild plum butter. In the fall we had fried quail. By butcherin' time we had hog meat. Some doin's!

News Of and For the Farmer

Net Farm Earnings to Rise Above 1950 Levels 10 to 15 Percent

Farmers, recovering from what economists termed the "profit squeeze" years of 1948-49, are at present digesting many forecasts of fairly prosperous years ahead.

What's in the picture for the Michigan farmer in 1951? The following conclusions are summarized from this year's outlook issue of Michigan Farm Economics as prepared by agricultural economists at Michigan State college. The monthly publication is an M.S.C. Extension service feature.

As "mild" inflation continues, net farm earnings will rise above the levels of 1950. Wise farm management will accomplish this through full and even expanded production, as farm product prices rise. Plans should include putting the farm business in shape to operate in high gear, not only in 1951 but for several years. The increase in farm prices in the year ahead is expected to average 10 to 15 percent above the average for the first half of 1950.

There'll be troublesome changes, too. Farm expenses will rise 5 to 8 percent and taxes 10 to 15 percent, over the 1950 level. Labor will become more scarce, and decisions on what to produce or what to buy will be more important in determining a profit or loss.

Some specific suggestions by MSC ag. economists include:

- 1—Buying or renting additional land if needed to increase size of operations will generally be good business.
- 2—Cash crops, on farms where they fit, will have an advantage price-wise over livestock, but on most general farms it will be best to maintain a good livestock load. Meat products will be in a stronger position than dairy and poultry.
- 3—Consider new outlays for machinery and improvements carefully before buying, but if needed—the sooner the better. Order and get next year's fertil-

izer and seed as soon as possible if storage is available.

4—In many cases it will pay better to put more emphasis on volume less on quality. It may not be the livestock with the best finish, for example, that will make farmers the most money. This will be especially true for both livestock and crops if price controls should be placed on farm products.

5—More emphasis on labor saving equipment and building arrangements will help ease the pinch of a tightening labor supply.

The economists predict that if price ceilings come they will be at favorable levels. The latest legislation provides that ceilings cannot be set on farm products at less than parity or less than the highest price from May 24 to June 24, 1950, whichever is the higher.

CUPID IS AGELESS . . . Two octogenarians, Mrs. Emily Menz and Joseph Zettler, Chicago, both widowed and both great-grandparents, obtain marriage license.

The Civil War developed an appetite for news among the people.

MSC Seeks Antique Farm Tools

The sheep pictured above isn't in a barber chair—it's an old-time sheep shearing device unearthed to take its place in the new agricultural museum at Michigan State College.

J. W. Stack, (left) director of the MSC museum, is getting some pointers on use of the antique farm tool from George Brown, retired head of the MSC animal husbandry department.

Stack has made an appeal to rural and city people, extension staff, and college alumni to be on the lookout for old farming and homemaking implements. Some of the items already contributed include a dog treadmill used to churn butter, a spinning wheel, grain cradles, and old lumbering and maple syrup making equipment.

The museum director hopes that old farm and home tools, gathering dust in the attic or barn, will be contributed to the new museum project.

Persons with items to contribute may contact their county agricultural agent, located at the county seat, or may write to the Michigan State College museum, East Lansing.

The two world wars increased the appetite for foreign news in the United States.

Benjamin Franklin originated the practice of printing letters to the editor.

John L. Hooper of New York, the first advertising agent, began business in 1841.

At the end of the American Revolution there were 43 newspapers in the colonies.

See Favorable Prices in 1951 For Livestock

Livestock producers can expect favorable prices for their product in the year ahead, and should make plans accordingly, advise agricultural economists at Michigan State college.

Their optimistic outlook is based largely on (1) expected high economic activity stimulated by government spending—high consumer incomes mean a strong demand for meat, and (2) an increasing population. Current total meat production stayed about the same for the past five years while our human population increased by 10 million.

The economists predict that most cattle feeding profits in 1951 will be made on weight gains rather than margins. Feeder cattle prices are expected to continue high. Producers are advised to keep back some heifers to expand breeding herds if they have facilities and adequate feed.

With a favorable hog-corn ratio in sight, MSC economists think hog producers should find it profitable to expand production in the coming year. This ratio (bushels of corn equal in value to 100 pounds of hog) is expected to be about 13 to 1.

Farmers with breeding flocks and feeds well adapted to sheep production should also find expansion profitable. Sheep numbers continue low and lamb and wool prices are expected to be strong. Farmers buying feeder lambs this fall, however, will be operating with higher costs than a year ago, and should expect smaller margins. Feeder lambs have been selling for about \$4 a hundred more than in the fall of 1949.

If price ceilings are put on livestock products the economists believe that animals of less than top quality will probably yield the greatest net returns. The price spread between top quality and lower grades would likely be narrowed.

Hens on U. S. farms laid 42 eggs during August. This was a new record for the month, both in total number and in average production per layer, say U. S. Department of Agriculture reports.

Now is the time to plan for controlling mice in fruit orchards, say Michigan State college horticulturists.

Pullets grown on good, clean range, away from older birds, are good prospects for the early fall laying season, say Michigan State college poultrymen.

The large reduction in the 1950 Michigan bean crop can be traced to bacterial blight, Dr. Axel L. Anderson, Michigan State college plant pathologist, says that blight was indirectly responsible for the loss due to weathering this year.

Common salt should be provided for cattle of all ages on a "help yourself" basis. When salt is provided for cattle this way, none need be added to grain rations.

In Providence, Rhode Island, Judge Charles A. Walsh awarded Mrs. Beatrice M. Lussier exclusive use of the family cottage in Woonsocket, Rhode Island until her counter suit for divorce could be heard, provided only that the husband "may return to the above stated residence one day each week for the purpose of taking a bath."

The first issue of the New York Weekly Journal, Nov. 15, 1733, contained an article on liberty of the press.

The earliest state editorial association was organized in Wisconsin in 1853.

Start Compost Pile with Leaves

When you burn that fall accumulation of leaves you're letting good fertilizer for your garden and shrubs go up in smoke. Use them to make a compost pile which will furnish artificial manure for next spring and summer.

By putting the leaves, grass clippings, mature weeds, corn fodder and straw in a pile and heating the plant refuse with commercial fertilizer and ground limestone, valuable humus may be returned to the soil.

The soil scientist recommends that the leaves be put into a container that can be made with a few stakes and some chicken wire. By scattering a few handfuls of 10-6-4 fertilizer and some ground limestone on each layer and wetting it down, bacteria action will begin which will result in decomposition.

The compost pile should be kept moist, but you shouldn't ap-

ply enough water to cause drainage of the fertilizer from the leaves. The top of the pile should be saucer shaped to catch rain. The average city gardener can make as much as 125 cubic feet of artificial manure with leaves, 100 pounds of 10-6-4 fertilizer and 25 pounds of ground limestone. If made this fall, it will be ready for use next spring.

- "X" on an air man's map shows where to bomb.
- "X" in algebra stands for the unknown quantity.
- "X" on a certain piece of paper marks a spot where Freedom rings, for that's the "X" we mark on an Election Day ballot.

Let this burn in: So long as every one of us has the right to vote, to vote exactly the way he wants to vote and to have that vote count, so long shall we have Freedom. If we ever lose that right we might just as well knuckle under to the first dictatorship that comes along. (45 million qualified voters didn't show up at the polls at the last Presidential election.)

Voting costs nothing. Not voting can cost your liberty. There are men—and women—fighting now—for Freedom. Can we do less than keep the Big Muscle of Freedom strong by exercising it at the polls Election Day?

Are you going to elect that

HEEL?

Who is that "heel"?

He's just the man who can be elected to the job he's campaigning for,

Not by votes,
But by lack of votes

—lack of votes from the people who feel he's a heel, but who don't feel it strongly enough to get up ten minutes earlier on election day to cast their votes against the "rascal" they don't want, for the man they do want. Remember, the non-voter always votes wrong!

Did you ever figure out this elementary voting arithmetic?

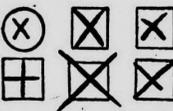

| | |
|-------------------|--------------|
| Wrong man gets | 20,000 votes |
| Right man gets | 15,000 votes |
| Wrong man wins by | 5,000 votes |

But if 10,000 non-voters had voted it might have been this way:

| | |
|-------------------|--------------|
| Wrong man gets | 20,000 votes |
| Right man gets | 25,000 votes |
| Right man wins by | 5,000 votes |

One vote doesn't seem to speak with a very loud voice. Band a thousand of them together and they make a noise that can cause a candidate to shiver in his boots.

1951 Kaiser Wins

World's Highest Honor!

Awarding of famous
Grand Prix d'Honneur
a dramatic tribute
to Kaiser's
Anatomic Design!

America has hailed the 1951 Kaiser as its most beautiful sedan. This award makes it official—all over the world!

In competition with the most expensive American, British, French and Italian cars—many of them custom-built—the 1951 Kaiser sedan won the Grand Prize at the recent Concours d'Elegance automobile exposition at Cannes, France!

Considered by leading automobile designers as the world's highest honor, this award is indeed a dramatic tribute to

Kaiser's Anatomic Design. This is proof indeed that Kaiser's new principle of motor car design blends beauty, comfort, ease of handling and safety far better than any other car in the world!

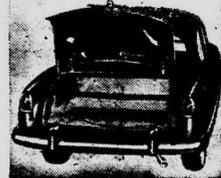

Visit your Kaiser-Frazer dealer now! Go for Kaiser's Anatomic Ride today! You too will agree it's the world's most beautiful car...in every respect!

*One of 6 body styles and 12 models. Hydra-Matic Drive available in all at extra cost.

Built to Better the Best on the Road!

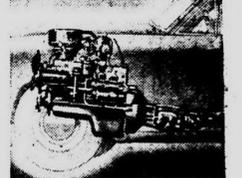

Prize-winning Visibility! Your gaze sweeps the landscape because Kaiser's Anatomic Design provides larger windows and windshield, slimmer, slant-back corner posts...eliminates "blind spots"!

Prize-winning Utility! Anatomic Design provides a Tuckaway Tire Well... puts the spare tire under the luggage space not in it! The result is more luggage room...level and uncluttered.

Prize-winning Convenience! Anatomic Design provides High-Bridge Doors, extending up into the roof...extra-wide, lounge-comfort seats...spacious head and leg room that makes every ride a pleasure!

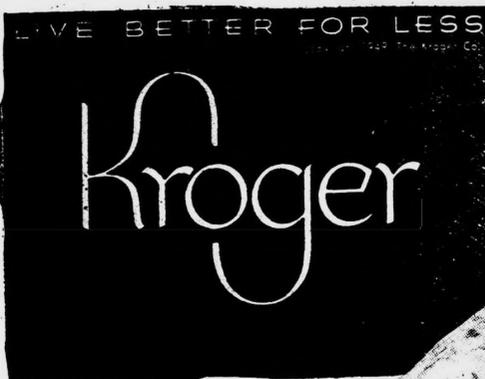

Prize-winning Power! Because it achieves a proper ratio of weight to horsepower, Kaiser's Supersonic High-Torque Engine is America's most efficient "powerhouse"! Smoother, thrifter power!

All over the world...this year it's clear...Kaiser's the car!

Plymouthites Meet in Florida

Florida seems to be the spot for Plymouthites to hold reunions, according to a letter received at The Mail from Mr. and Mrs. Gil Rohde who are now living in Eau Gallie.

The Rohdes were visited recently by Mr. and Mrs. Jeffries of Wall Wire Products who were on their way down to Miami Springs to see Ross Heilman, vice-president of Wall Wire, who has been in Florida for the past year because of ill health.

According to the Rohdes the area around Eau Gallie is more popular every year with tourists where they find the weather cooler in summer and better all year around.

Cadet Completes Carrier Training

Naval Aviation Cadet Fred William Gunnesch, Jr., of the United States Naval Reserve, took off and landed his SNJ "Texan" trainer six successive times recently aboard the USS Wright, cruising in the Gulf of Mexico, to complete his aircraft carrier qualifications.

N. C. Gunnesch, son of Mr. and Mrs. Fred W. Gunnesch, of 45560 Ann Arbor trail, entered the Navy V-5 program in July, 1949, and reported to Pensacola, "The Annapolis of the Air" to begin his active flight training. Here he has completed a stringent schedule of military, academic, physical and flight training.

From Pensacola, he has been sent to advanced training at Corpus Christi, Texas. This will be a four month syllabus in combat type aircraft. Graduation from advanced training will win him the coveted Navy wings of gold.

Cadet Gunnesch previously served with the United States Marine Corps.

U of M Catholic Rector to Speak Here November 9

Rev. Frank J. McPhillips

"The Catholic Student on the Secular Campus," will be the topic of the Rev. Frank J. McPhillips, chaplain of the Catholic students at the University of Michigan, when he addresses Plymouth Catholics in the hall of Our Lady of Good Counsel church on November 9 at 8 p.m.

Father McPhillips, a native of Michigan, served as assistant pastor at St. Benedict's church in Highland Park, from 1931 to 1941, when he became assistant rector at St. Mary's chapel, located near the Michigan campus in Ann Arbor. In 1942 he was appointed rector of the chapel, a post he still occupies.

Well-known to Michigan alumni-all over the nation for his deep spirituality, his eloquence and his service to young people of all faiths, Father McPhillips was national chaplain of the Newman club federation in 1947-1948. He was the principal speaker on the "Hour of Faith" radio series on the ABC network in 1947 and 1948, and guest speaker on the Catholic hour on the NBC network in 1949.

Father McPhillips' appearance here will mark the high point of National Education Week for the local parish, which is making special arrangements, under the direction of the pastor, the Rev. William P. Mooney, and the Sisters of St. Joseph Nazareth, to accommodate the parents of the Catholic children attending Plymouth schools.

Rocks Lose to Bentley 19-0; Meet Northville Tomorrow

The Plymouth Rocks dropped below the 500 mark Friday as they were downed by Bentley 19-0 with two of the touchdowns coming in the last period. The Rocks started out very fast but bad breaks soon slowed them down.

The starting line-up was without the services of George Hunter who was sitting on the bench for some reason. In the starting line-up Charlie Stark and Bill Runge were at ends, Gary Sockow and Dick Nagel at tackles, Jack Robinson and Bob Keeney at guards, Bob Gow at center and Dick Cranon, Dave Travis, Phil Jacobus and Ron Davis in the backfield. Late in the game Bill Runge was injured in the knee and will probably be out of the Northville game.

Bentley kicked off to Plymouth to the 9 yard line where Travis made a good runback to the 30 and almost broke into the clear. On the first play Jacobus passed to Stark to the 47, good for a first down. After Travis had picked up three yards, Gow made 9 through the line for another first down on the Bentley 45. The Bentley squad finally stopped Rocks here and Lanphear punted to the 20 with Stark making a neat tackle to push the runner back four more yards. Bentley pulled a quick kick on the third down putting Plymouth back to their own 38. The Rocks were handed a 15 yard penalty here for holding so Lanphear punted to the Bentley 49.

The Rock line proved unmovable here as they held Bentley for no gain on four plays. As Plymouth took over Davis passed to Runge to the 32 where the Rocks were held for four downs also. This ended the first quarter with Bentley taking over. On a pass they went to the Plymouth 38 yard line before Sockow made the tackle. Bentley continued to move for two more first downs and a touchdown as Poole plowed over from the two yard line. The extra point try was good giving Bentley a 7 point lead.

On the kickoff Travis almost broke away again before tackled on the 34. Plymouth then picked up a first down on a pass from Jacobus to Runge to the 45. Travis moved the ball for 6 yards and Jacobus 5 yards for a first down on the Bentley 44. Jacobus then passed to Runge who was brought down on the 20. Plymouth moved to Bentley's 12 yard line before losing the ball on downs. Bentley moved the ball back to the 29 for a first down as the Rock line held. Keeney made a tackle for no gain and Sockow broke through for a yard loss. Bentley then punted to the Plymouth 32. The Rocks picked up a first down on runs by Travis and Lanphear to the 45.

Bentley took over again after a Rock fumble and was handed a penalty before the half ended.

Gow kicked off starting the second half with a kick to the 10 with Bentley coming back to the 32. Runge broke through on the first play and smeared Bentley for an 3 yard loss. Bentley then kicked to the 49. After trying two plays and losing five yards the Rocks got a break as Bentley was penalized 15 yards. This was quickly evened up as Travis fumbled and Bentley recovered on their own 31. Bentley was held here and punted to the 20 where the Rocks were also held and Lanphear kicked to the 43. Again Bentley was handed a 15 yard penalty forcing them to

punt. Travis fumbled the punt and Bentley recovered it on the 37. A pass put them up to the 22 where Runge was hurt. Bentley then moved to the 18 and tried a field goal on fourth down which was no good. Plymouth took over on the 20 and made a first down on the 30 on runs by Davis and Travis. This ended the third quarter.

The first play in the fourth quarter was a pass which was incomplete making the Rocks punt to the 42. Bentley then scored another touchdown on a pass. The extra point was no good leaving the score 13-0.

Jacobus brought the ball back on the kickoff to the 28 where Plymouth lost the ball on downs. Bentley was handed another 15 yard penalty back to the 44 where they punted to the 28. Hunter then passed to Davis good for 8 yards. The Rocks then made it a first down and a Bentley 15 yard penalty put them on the 23. The Rocks drive was stalled however as Bentley intercepted a pass and ran for a touch down. Again the extra point was no good making the score 19-0.

On the kickoff Kropf ran back to the 34. Plymouth fumbled the ball and Bentley recovered on the 26. The ball remained in the vicinity as time ran out leaving the Rocks very dejected and the Bentley followers very happy.

Tomorrow, Friday, the Rocks will play Northville at Northville in their last game of the year. The Rocks will need this game to climb back to a 500 mark again.

"Duckers" Wail Over Poor Luck

Plymouth duck hunters these days can be found at the "wailing wall" nearly every morning wailing their hearts out because of the delightful weather this part of the country has been experiencing.

They haven't been getting any ducks because they haven't seen any ducks to shoot at—and they blame it on the weather. Most of the hunting done by Plymouth duck hunters is up on Saginaw bay. They say there are thousands of ducks on the bay but they just will not fly when the weather is so nice as it has been.

Last weekend some of the hunters got one or two ducks. Don Lightfoot, who never fails to visit his favorite hunting spot up on the bay at least once a week, did get a "red-head"—and a banded one at that.

The band he is going to send to the National Wildlife in Washington was dated 1947 and placed on the duck up near Behring sea in northern Canada. It reveals the fact that this duck had made three successful trips from Canada to the south before a good hunter got him.

One can watch for the exodus of duck hunters the minute cold winds start to blow and storm clouds appear in the western sky.

Recreation Dept. Classes

New Sewing Classes — Is your holiday wardrobe ready? You will have an opportunity to replenish it in one of the two new sewing classes which will start on Tuesday and Thursday evenings, November 7 and 9 at 7 p.m. at the high school.

Tonight is the last night of the first six weeks course which started on September 26. Many good-looking garments were made under the expert supervision of Mrs. Lila Humphries. Please call Mrs. Donnelly in the recreation office this week if you wish to register.

Ceramics — Many beautiful articles were on display by Margaret Meier at the recreation building in Wayne on October 26 and 27. Mrs. Meier is the instructor for the ceramics class in Plymouth on Tuesday nights, 7 to 9 p.m. in the high school. Tuesday, November 7, concludes this course. However, another one will be started soon after Christmas. Information may be obtained by calling Mrs. Donnelly at the recreation office.

Typing Class — The members of the typing class are rapidly progressing under the supervision of Freida Olson, Plymouth High school instructor. The class is small but we are hoping to enlarge it in the series of classes which will follow after Christmas.

Swimming — Twenty women enjoyed an hour of swimming in the pool at the Wayne County Training school last Wednesday. Instructions are given to beginners and to anyone who would like to earn a life saving badge.

Square Dance Club — The Square Dance club will hold their third party tonight at 8:30 in the Central Grade school gym. All couples who enjoy dancing are invited to attend. Bring a snack and your coffee will be furnished.

Women's Gym Class — The gym class will resume activities tonight in the Starkweather gym with Mrs. Alex Miller as the director. A lot of fun and great deal of exercise is had by all participants. There is still time to enroll if you are interested. There will be six more classes.

Newsted Plays For W-M Broncos

Reporting for practice with the Western Michigan college frosh football team is Robert Newsted, a 1947 graduate of Plymouth High school. The speedy, stocky guard is expected to fit well in the Broncos' T-formation.

While in high school he won letters in football, basketball, baseball, track and cross country. He was named to the 1949 All-League football team.

He is the son of Mr. and Mrs. Russell A. Newsted, 11251 Ridge road.

The first newspaper in New York City was named the New York Gazette. It was started in 1725.

High School Girls Form Soccer Teams

The girls of grades 9-12 at Plymouth High school have been playing soccer after school on Tuesday and Thursday nights under the supervision of Miss Dolores Lloyd, girl's physical education director.

Because of poor weather they have not been able to play outdoors as planned. So far they have only been practicing techniques.

Evelyn Woods Conducts Music Theory Classes

Classes in the theory and harmony of music are being held at the Plymouth Music Center each Wednesday evening under the direction of Evelyn Woods.

The elementary class meets from 7 to 8 p.m. and the intermediate from 8 to 9 p.m. All those interested in learning the fundamentals of music are invited to sign up for the classes.

Social items can be phoned to 1755.

Basketball Team Managers Meet

An important meeting for the managers of basketball team representatives will be held on election day, November 7, after voting, at the recreation office in the city hall at 7:30 p.m.

A roster of at least five players, the name of the team, and the entry fee will be due at that time. Official player contracts can be handed in at a later date and can be picked up on the night of the meeting or anytime before.

The entry fee this year will be the same as last year—\$35 for local teams and \$50 for out-of-town teams.

Phone news items to 1755.

Hints For Plymouth Homemakers

Plan Festive Buffet Menu For Thanksgiving Day Open House

Open your house and your heart on Thanksgiving for a real old-fashioned holiday. A buffet feast will help you to serve any number of friends and relations elegantly. Plan a buffet dinner around a golden turkey and a rosy ham, with very festive accompaniments. Here is the menu and a few of the recipes:

- MENU**
- Golden Turkey
 - Rosy Ham, Glazed
 - Brazil Nut Dressing
 - Peas and Corn in Sour Cream
 - Green Beans, Savory
 - Crisp Relishes
 - Garlic Almonds
 - Cranberry Sherbet
 - Mincemeat Napoleons
 - Rum Barbarian Creams
 - Coffee — Mints
- BRAZIL NUT DRESSING**
- This odd, wonderful dressing breaks all the rules. First, it is baked separate from the bird; second, it tastes every bit as good hot, warm or cool; last of all, it

can be served in sticks (fine for buffet eating) or spooned from a baking dish.

- 4 cups bread crumbs
- 1 cup sliced Brazil nuts
- Few sprigs chopped parsley
- 1 teaspoon dried parsley
- Large chopped onion
- Few chopped celery leaves
- 1½ teaspoons salt
- ¼ teaspoon black pepper
- ½ teaspoon thyme or summer savory
- ¼ teaspoon paprika
- 1 egg, slightly beaten
- 3 tablespoons hot water
- 3 tablespoons melted butter or margarine

Mix all the ingredients thoroughly, then if you want to make dressing sticks, press dressing on a greased cookie sheet, making a 6x7 rectangle. Let this mellow in the refrigerator for 15 minutes then cut into 1x3 inch sticks. For fluffy dressing, pile it into a greased medium baking dish. Either way, bake 10 to 15 minutes in a 350° F or moderate oven. Serves 6.

PEAS AND CORN IN SOUR CREAM

- 2 cups peas (fresh, canned or frozen)
- 1 small onion
- 1 stalk celery
- Few sprigs parsley or 1 teaspoon dried parsley
- 2 tablespoons butter or margarine
- 1 No. 2 can (2 cups) whole kernel corn
- ½ teaspoon summer savory
- Salt and pepper
- ½ cup sour cream
- 1 teaspoon lemon juice

Cook peas in a little boiling water for about 9 minutes or until one tastes tender. (Heat canned peas through.) While peas cook, cut onion, celery, parsley fine and cook them in melted butter or margarine 5 min. Then add peas and corn, summer savory, salt and pepper. When vegetables are piping hot, add sour cream and lemon juice. Serve immediately to 6.

CRANBERRY SHERBET

- 4 cups (1 Lb.) fresh cranberries
 - 2 cups sugar
 - 2 cups water
 - Juice and rind of 2 limes
- Cook cranberries, sugar and water over medium heat for 15 minutes or until berries are soft and mushy. Cool and push pulp through sieve. Now add lime juice and rind and pour into refrigerator tray.

Set your refrigerator at the coldest point and freeze until mixture is a thick mush. Transfer to a bowl and beat with egg beater until is a pretty, light pink color. Transfer again to refrigerator tray or mold and freeze firm. Serves 6.

MINCEMEAT NAPOLEONS

- 2 cups pastry
- 4 pieces crystallized ginger
- 1 Lb. can or jar (1½ cups) prepared mincemeat
- ½ jar, junior food pears
- 2 tablespoons brandy or sherry

Start your oven at 500° F or hot. Now make up a rich pastry. Divide it into 4 parts and roll out one part at a time on a lightly floured cookie sheet into a thin rectangle measuring 8x4 inches. Pierce each rectangle with fork prongs so pastry bakes flat. Bake 6 to 7 minutes.

Now for the filling: Cut ginger in thin slivers and mix it with the mincemeat, pears and brandy. Spread a layer of filling between the four layers of baked pastry and cut with a very sharp knife (using a sawing motion) into 8 squares. Heavenly served with Brandy Hard Sauce.

Quick Scene-Changer for Fall

The long jacket on this fall suit is reversible—a two-tone check on one side and solid color wool on the other. The narrow skirt matches the jacket. Large, bold pockets are featured in this long full jacket which serves as an all-purpose topper to be worn with your fall wardrobe.

To remove coffee stains from glass coffee makers, make a solution of one tablespoon of baking soda and two tablespoons of vinegar plus enough water to fill the bottom of the glass coffee maker. After an hour's soaking, the stain will usually be gone.

BETTER WITH BUTTER!

Life is Better With Butter

Everyone prefers Butter to a Colored Imitation. Aside from the deceit and fraud which would result from permitting yellow oleomargarine to be sold in this state, every thinking voter wants to

KEEP MICHIGAN PROSPEROUS

Butter is the foundation on which Michigan's two and one quarter billion dollar dairy industry is built. If the "butterleggers" undermine that foundation—the whole structure is in jeopardy.

Dairying is the state's greatest source of agricultural income and agriculture is Michigan's second largest industry.

Let us not expose that great industry to undermining by selfish out-state interests whose only concern is making more money for themselves. If we allow yellow oleomargarine to invade the butter market it invites cheap imitations of other dairy products to follow suit.

Raisins Tasty And Nutritious in Cake, Scones

Raisins will make many good recipes a bit more festive—and tasty. Add them to scones, rolls, spice cake and bread, and also make an old favorite—raisin pie. Here are two recipes:

- RAISIN SPICE CAKE**
- 1 cup seeded raisins
 - 1 cup walnuts
 - 1 teaspoon baking soda
 - 1 cup boiling water
 - 1½ cups sifted all-purpose flour
 - ¼ teaspoon salt
 - ½ cup butter or margarine
 - 1 cup sugar
 - 3 egg yolks
 - 1 egg white
 - 1 teaspoon cinnamon
 - 1 teaspoon vanilla extract
 - 1 teaspoon lemon juice

Start your oven at 325° F or slow. Chop up raisins and walnuts with a knife. Not too fine because this delicious cake tastes better when the fruit and nuts are on the coarse side. Then add the soda and boiling water and let stand.

Next sift your flour with salt. Now, cream or work the butter or margarine until very creamy. Then work in the sugar (use your scrubbed hands, it's easier), a little at a time, creaming constantly until mixture is very fluffy and all the grains of sugar have disappeared.

Next beat yolks with the white until foamy and thick. Then stir in the cinnamon, vanilla extract and lemon juice. Next mix in flour and raisin-nut mixture alternately, starting with flour, and ending with flour, mixing well.

Pour into greased loaf pan, 9x

5x2½ inches, and bake 1 hour and 15 minutes or until a toothpick pushed down into center of cake comes out clean. Cool on wire rack and serve plain.

RAISIN SCONES

- 1 egg
 - ½ cup milk
 - 2 cups prepared biscuit mix
 - ¾ cup seedless raisins
 - 3 tablespoons sugar
- Start your oven at 450° F or hot. Beat egg until frothy and measure out your milk. Then stir up the biscuit mix with sugar and raisins. Next, stir in egg and milk, stirring well.

Divide dough into two parts and pat or roll each part on a floured board into a circle about ½ inch thick. Cut each circle into 6 wedges (just like a pie). Poke holes in top of each scone with a fork. Brush the tops with milk, sprinkle with sugar. Place on baking sheet, bake 10 to 12 minutes. Serve piping hot with butter and, of course, a dish of good tea.

To soften butter in a hurry, fill a bowl with hot water. Then cover the butter with the heated bowl and the butter will soon be soft.

Madonna College Nuns Visit Pope

An album on the Felician Sisters community, prepared by Sister Mary Angeline, left, is presented to Mother Mary Januaria, who in turn will give it to Pope Pius XII in Rome. Therese Szalaszewicz, chairman of the mission circle at Madonna college, hands over the linens and money which also will be given to the Pope.

Enroute to Rome with gifts for Pope Pius XII is Mother Mary Januaria, mother provincial for the Plymouth province of the Felician Sisters at Madonna college. She left New York October 24 with Mother General M. M. Simplicita and five other American provincials, Mothers M. Alexander, Buffalo; M. Felicitas, Chicago; M. Dobroszlava, Corapolis, Pa.; M. Clara, Lodi, N. J., and M. Catherine, Enfield, Conn. The group expects to return December 8. As a token from the entire Felician community, Mother Simplicita is bringing Pope Pius XII an album made at Madonna college. It contains greetings and salutations to the Holy Father with spiritual bouquets from the community and its institutions; a portrait and biographical sketch of Mother M. Angela, foundress, and pictures and statistics for the six American provinces. The cover bears the papal crest tooled on steel hide and is edged with Florentine lacing. Bernard I. Wolff of Detroit did the tooling and binding. The manuscript, prepared by Sister Mary Angeline of Madonna, is illuminated with burnished gold. It opens with the emblem and motto of the Felician Sisters.

In Colorado Springs, a youthful gunman tried to hold up the Royal Liquor store, fled empty-handed when the proprietor reminded him that, according to state law, he was too young to enter a liquor store.

For the Madonna Mission unit, Mother Januaria will present a complete hemstitched and tatted set of chalice linens and \$100 to the Pope of the Missions.

Symphony Will Play For Redford Concert Nov. 19

Grace Van Bergen, chairman of the Redford Township Symphony society, announces that the Redford Union High school PTA is sponsoring the fourth annual appearance of the Plymouth Symphony orchestra under the direction of Paul T. Wagner at the Redford Union High school auditorium, Puritan and Lexington, on Sunday, November 19 at 4 p.m.

The concert is an annual project of the PTA and its proceeds go toward scholarships.

The special attraction of this year's concert is Fred Kendall of Plymouth, soloist, well known for his radio and television appearances. He will sing the "Flower Song" from Carmen, and "Serenade" from The Student Prince.

A large committee composed of the board of directors of the high school PTA and others are working on this project. William W. Fox is co-chairman and Mrs. Romaine Chapin Rice is ticket chairman, telephone Kenwood 2-2584.

Mrs. Von Bergen, whose husband, Harold Von Bergen, is in the first violin section of the Scandinavian Symphony orchestra and in the Plymouth orchestra, has been devoting unlimited time to keep this worthwhile project alive. Thanks to her good work Redford has been fortunate enough to have appear in this community such celebrities as Dr. Alfred Hoel of Ann Arbor, conducting the world premier of his own "Grand Festival Overture," Josef Lazaroff, concertmaster of the Plymouth Symphony, and others.

In Los Angeles, Mrs. Elizabeth Deckard testified in her divorce suit that her husband William not only had girl friends and bought them gifts, but charged the gifts to her charge account.

Governor Visits Northville Plant

Governor Williams will appear at Ford field, Northville, Friday, November 3 to speak to the workers in the Northville Ford plant.

At 3:15 he will visit informally with the afternoon shift employees on their way into the plant. Soon after, 3:30, the Governor will make his main address to the day shift workers.

Local 896, UAW-CIO, cordially invites all residents in the Plymouth-Northville area to attend this gathering which they are sponsoring.

Other candidates will also talk to those present and the Northville High school band will entertain while visitors are coming onto the field. Workers at the Waterford Ford plant have also been invited to attend.

Ford field is located beside the employees parking lot which is across the street from the plant.

In the Matter of the Estate of CATHERINE WELZER, Deceased. Notice is hereby given that all creditors of said deceased are required to present their claims in writing and under oath, to said Court at the Probate Office in the City of Detroit, in said county, before Judge Joseph A. Murphy in Court Room No. 219, Wayne County Building in the City of Detroit, in said county, on the 28th day of December, A. D. 1950, at 2:30 o'clock in the afternoon.

Dated October 16, 1950. Published in The Plymouth Mail once each week for three weeks successively within thirty days from the date hereof.

JOSEPH A. MURPHY, Judge of Probate. Oct. 19-26, Nov. 2, 1950

TO THE HIGHWAY COMMISSIONER OF THE TOWNSHIP OF PLYMOUTH, WAYNE COUNTY, MICHIGAN.

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did at a meeting of said Board held Thursday, September 21, 1950, decide and determine that the certain road described in the minutes of said Board should be a County Road under the jurisdiction of the Board of County Road Commissioners. The minutes of said meeting fully describing said road are hereby made a part of this notice, and are as follows:

Minutes of the meeting of the Board of County Road Commissioners of the County of Wayne, Michigan, at 3800 Cadillac Tower, Detroit, Michigan, at 10:00 a.m. Eastern Standard Time, Thursday, September 21, 1950.

Present: Commissioners O'Brien and Wilson. Absent: Commissioner O'Hara.

It was moved by Commissioner Wilson that the Board assume jurisdiction over the following road in the Township of Plymouth, Wayne County, Michigan:

BE IT RESOLVED, by the Board of County Road Commissioners of the County of Wayne, that the following described road be, and it hereby is, taken over as a county road and made a part of the county road system of the County of Wayne:

All of SHEARER ROAD, 60 feet wide, extending easterly from Sheldon Road entirely across the S. E. 1/4 of Section 22, T. 1 S., R. 8 E., Plymouth Township, Wayne County, Michigan, as a section in a quit claim deed to the Board of County Road Commissioners of the County of Wayne, recorded on Sept. 8, 1950, in Liber 10562 of Deeds, Page 364, Wayne County Records, and described as follows: Beginning at a point on the North and South 1/4 line of said Section 22, distant S. 158'37" E. 1194.45 feet from the center of a corner of Section 22, and proceeding thence S. 1'58'37" E. along said line 60.42 feet; thence S. 85'10" E. 275.08 feet to the east line of Section 22; thence N. 3'10'40" W. along said east line, 60.56 feet; thence N. 10'23' W. 275.08 feet to the point of beginning, being in all 0.521 mile of road.

The motion was supported by Commissioner O'Brien, and carried by the following vote: Ayes, Commissioners O'Brien and Wilson; Nays, None.

THIS NOTICE IS GIVEN UNDER AND BY VIRTUE OF ACT NO. 285 OF THE PUBLIC ACTS OF 1909, AS AMENDED.

In testimony whereof, I have hereunto set my hand at Detroit this 8th day of October, A. D. 1950.

BOARD OF WAYNE COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN.

DALE CARNEGIE

AUTHOR OF "HOW TO STOP WORRYING AND START LIVING"

Criticism of Others Is Depressing

DO YOU GET a certain kind of enjoyment out of criticism—the criticism you expend on others? Well, you may think you do, but check up on yourself a little later. Your emotional attitude will compare to that of the man who takes a drink to stimulate him. Sure, he feels stimulated momentarily. But since alcohol is really a depressant, he feels even lower before the effect really wears off than he did before he took the drink.

Carnegie

Mrs. Mary Ellis, Carthage, Missouri, says three years ago she was not a particularly happy young woman. She didn't know why, for she had a good husband, two nice youngsters that any parent could be proud of, good-looking, good in their studies and the picture of health. They could live as well as anyone in their community. There was nothing to make her unhappy so she should have been very happy. But the fact remained, she wasn't.

One day she attended a lecture in her church. The speaker made a remark that stayed with her after she got home. He said that people who criticized others, just as a matter of conversation, were jealous people.

That evening she sat on their porch with her husband. Friends, neighbors and casual acquaintances passed. She remarked on every one of them. Not one escaped her criticism. Yes, she found some fault with every passerby that she knew anything at all about. She thought then that she was merely acquainting her husband with those people, as he didn't mix with people as much as she did.

Did I say she criticized everybody? Well, there were two who passed that she didn't criticize. She knew them as well as the others, but she knew, too, that they were a bit lower in the so-called social scale than she was, and she knew that they had much less in the way of material things than she did. No doubt they had faults, but she passed up these people.

All of a sudden, she recalled what the speaker had said about criticism and jealousy. Her remarks were jealous remarks, and they did not increase her happiness. She could see that plainly now. She suddenly became bereft of conversation. The next evening as they sat on the porch, she called her husband's attention to meritorious traits of the people who passed. Not one jealous remark did she make. She went to bed a much happier young woman, and she awoke much more refreshed than she usually did.

Becomes Member of Honor Society

Elizabeth Ross of Ann Arbor road, a senior at the University of Michigan, was one of nine coeds honored last week for outstanding scholastic and extra-curricular activity records.

The nine girls became new members of the Senior Society, an independent senior women's honorary society. Elizabeth is a student in the college of literature, science and the arts.

VFW News

The Box Social that was held at the Veterans Memorial center on Saturday night, October 21, proved to be more fun than any one could have predicted. Dancing was the most popular entertainment after which Joe Elliott did a "bang-up" job of auctioning off the attractively decorated boxes. They were not only tempting on the outside but also in content. Lunches were eaten around a large table set in the center of the room and everyone sang "Happy Birthday" to two of the group whose birthdays happened to fall on that date. The auctioneer awarded prizes to Eleanor Gust, whose box sold for the highest amount and to Bill Norman, who purchased it. Proceeds for the evening went into the Post Building Fund.

Did you see the tea and coffee service that is to be raffled at the Auxiliary Bazaar on November 9 at the Masonic Temple? It has been on display in the window at Taylor and Blyton's store for the past week. Anyone who has not purchased a ticket (or tickets) on the spot should do so. Your number may be the lucky one. The Smorgasbord dinner to be served on that date from 5 to 8 p.m. will include: ham, turkey, Swedish meatballs, assorted salads and hot dishes, breads, relishes and Swedish crumb cake. All you want to eat. Door prizes.

Exercise your right to vote and get to the polls on November 7.

The next Auxiliary meeting on November 7 will be, inspection night. President Eleanor Gust urges everyone to be there on time so that the meeting can start promptly at 8 o'clock. Officers are to meet at the Memorial center on Monday night, the 6th, at 7:00 for a short rehearsal.

Reservists With 4 Dependents Not Called by Army

Enlisted members of the Army Organized Reserve Corps with four or more dependents will not be ordered to active duty in the future without their consent, it was announced today by Major T. P. Dickinson, Michigan Military District. Orders already issued to Reservists in this category who have not yet reported for duty will be rescinded.

"Those who have four or more dependents and are already on active duty in the United States may seek discharge immediately," Major Dickinson said.

Decision to discharge men with four or more dependents was made by the Army because present family allowance laws provide a maximum allowance for three dependents. Thus, a soldier with four or more dependents receives an allowance no larger than that of a soldier with three dependents.

Enlisted men who desire to be discharged under this plan must present a sworn affidavit listing four or more dependents. The soldier is discharged from active duty and from the Organized Reserve Corps after affidavits have been accepted as proof of dependency.

Wives, children and dependent parents, provided a parent received more than half of his or her support from the soldier, are the only relatives who may be listed as dependents.

MOMS

This is an invitation to you to join an organization of mothers whose sons and daughters saw service, or are now serving in the Armed Forces of the United States or her Allies.

The Michigan "Moms of America, Inc." was formed in Dearborn, Michigan, in October 1941, before Pearl Harbor, with the objective of working to promote world peace. With the advent of Pearl Harbor, when the welfare of thousands of young service men stationed in and around Detroit became a problem to all organized agencies, more and more units of "Moms" were formed. These mothers whose sons were stationed in distant cities and serving their country at the far corners of the world, worked unceasingly to provide a homelike atmosphere for other mothers' sons who were lonely

and homesick in a strange city. From Pearl Harbor until the end of hostilities in 1945, the writing of letters, sending of packages, working at the U.S.O. and for the Red Cross and other agencies made up the activities of the members.

For the past five years, our important work has centered around the disabled veteran and his dependent family. This work has increased through the years and will continue to grow as time goes on.

Now our sons and yours are again being sent to serve in the cause of Justice and Freedom, and you are eligible to become a "Mom." We believe you will

enjoy being a member of "The Moms of America, Inc." and we shall be most happy to welcome you to work with us in this most worthwhile undertaking.

Sincerely yours
Mrs. Carrie Gladstone
President.

Michigan Voter:

PROTECT YOURSELF AND FAMILY!

1 PROTECT YOURSELF

Against Imitation Butter

Your right to know—for sure—that there's BUTTER on the table—is threatened by a move to tamper with Michigan's long-standing imitation-BUTTER law. The present law is a GOOD law. It protects you—your family—and the family table. Especially, it also protects you when you "eat out."

Now, with a referendum vote on this subject on the ballot November 7, it's up to you. It's your job to protect yourself against imitation-BUTTER—to make sure you get the real thing. Vote "NO" on Proposal 4, November 7th.

2 PROTECT YOURSELF

Against High Milk Prices

In case Michigan's present law—prohibiting substitutes colored yellow in imitation of BUTTER—is rendered ineffective in the November general election... thousands of Dairy Farms will be driven out of business. Milk will become scarcer... higher in price... as it has in other states which now allow imitation-BUTTER to be sold colored yellow. It is no accident that milk prices in cities in those states are 1 1/2 cents a quart higher than milk prices in states (including Michigan) which maintain a protective law against selling imitation-BUTTER colored yellow. Keep Michigan milk plentiful—reasonable in price. Vote "NO" on Proposal 4, November 7th.

3 PROTECT YOUR OWN

and Michigan's Prosperity

WARNING: The first year Canada allowed substitutes to be colored yellow in imitation of BUTTER cost Dairy Farmers there 50 MILLION DOLLARS. That can happen in Michigan... where 600,000 people depend on Dairying for their livelihood... with an investment TWICE THAT OF THE ENTIRE WORLD OPERATIONS OF THE FORD MOTOR COMPANY! Reduce Michigan's income by many millions of dollars and you depress the market for all kinds of Michigan goods... besides irreparably damaging Michigan's soil and agriculture.

For your own sake... for your family's sake... for Michigan's sake... VOTE "NO"—on Proposal 4—general election, November 7th!

These facts are published by the Dairy Action League, 415 Hollister Building, Lansing, Mich., working with consumer, labor, farm and dairy groups in behalf of keeping Michigan's present and effective so-called butter-imitation law. It is financed by the 600,000 Michigan people dependent on dairying.

VOTE "NO"

ON PROPOSAL 4
(General Election Nov. 7)

A Proposal to tamper with Michigan's long-standing Butter-imitation Law.

A Joint Resolution to authorize a bond issue not to exceed \$65,000,000.00 for Michigan to plan, acquire, construct and equip hospitals for the mentally ill and epileptics, training schools for mental defectives, and tuberculosis hospitals, by amending Article 10 of the State Constitution by adding thereto a new section to stand as Section 24.

Shall Article 10 of the State Constitution be amended by adding a new section thereto?

PROPOSAL NO. 3

PROPOSED AMENDMENT TO ARTICLE 2 OF THE STATE CONSTITUTION BY ADDING A NEW SECTION THERETO RELATIVE TO AND DEFINING SUBVERSION.

A Joint Resolution proposing an amendment to Article 2 of the State Constitution relative to and defining subversion, declaring the same to be a crime against the state punishable by any penalty provided by law and limiting defense in trials for subversion, said section to stand as Section 22.

Shall Article 2 of the State Constitution be amended by adding a new section thereto?

PROPOSAL NO. 4

REFERENDUM ON ACT NO. 1 OF THE PUBLIC ACTS OF 1949, ENTITLED "AN ACT TO AMEND SECTION 1 OF ACT NO. 22 OF THE PUBLIC ACTS OF 1901, ENTITLED "AN ACT TO PREVENT DECEPTION IN THE MANUFACTURE AND SALE OF IMITATION BUTTER."

If approved by the electors, Act No. 1 of the Public Acts of 1949 will permit in Michigan the manufacture and sale of yellow oleomargarine in imitation of butter; provided such yellow colored oleomargarine complies with the federal interstate commerce requirements; and

Provided that such oleomargarine is sold in a separate and distinct form so as to advise the consumer of its real character.

Shall Act No. 1 of the Public Acts of 1949 be approved?

Notice is also hereby given that at the General Election the following proposed amendments to the Charter of the City of Plymouth, initiated by resolutions adopted August 21, 1950 by the City Commission, will be submitted to the electors of this City:

PROPOSED AMENDMENT NO. 1

Shall Chapter 4 of the Charter of the City of Plymouth be amended by adding thereto a new section to read as follows:

SECTION 5 A. At the election to be held on the first Monday of April, 1951, and every two years thereafter, there shall be elected such number of representatives on the Board of Supervisors of the County of Wayne as the City may be entitled to under the general laws of the State. The term of office of the Supervisor or Supervisors shall be for a period of two years and shall expire on the third Monday of April two years after election to such office?

PROPOSED AMENDMENT NO. 2

Shall Chapter 4 of the Charter of the City of Plymouth be amended by adding thereto a new section to read as follows:

SECTION 1 A. No elective officer of the City of Plymouth shall hold office for more than two successive terms. For the purpose hereof a partial term, whether served following election or appointment, shall be deemed to be a full term?

The City Commission by resolution adopted at their regular meeting of August 21, 1950, submits the following Question to the voters of this city:

Shall there be a general revision of the Charter of the City of Plymouth, Michigan?

The election will be held in the following places in the City of Plymouth:

- Precinct (1) City Hall
- Precinct (2) Starkweather School
- Precinct (3) Plymouth High School
- Precinct (4) Forest Motor Sales

The polls will be open at seven o'clock A.M. and remain open until eight o'clock P.M., E.S.T., of said day of election. Every qualified elector present and in line at the polls at eight o'clock P.M. shall be allowed to vote.

College Blue Book Available at PHS

The 1950 edition of the College Blue Book has recently been received by the Guidance department. The Blue Book, one of the foremost reference books in the United States, contains the standard work of reference of higher education in the United States and the world.

The sources of information to be found in this book include: the location of the college; whether it is co-educational, or strictly for men or for women; the 1940 census; the year the college was founded; who it is controlled by; the state, public, etc.; the student capacity; the men and women's enrollment; who the college is recognized by, such as the American Association of Universities, the North Central association, etc.; the college president's name; the year he was appointed, and his degree; the number of men and women employed on the faculty; the number of degrees conferred to them in arts and sciences; the terms of the regular and summer college year, including when they begin and end; when each college issues its catalogue; which colleges have professional schools; the number of living quarters for men, women and families; the resources of the college, including its tuition, the added laboratory fees, the minimum board, room and the low annual student expense.

U of M Films Marching Band

Drum majorettes and band members were seen in full uniform and looking very nervous last Wednesday. The reason? They were about to have a movie taken of them.

As most people know, the Plymouth High school marching band was one of the 37 schools which participated in "Band Day" at the U of M October 7. This was sponsored by the college to honor the high school bands of Michigan.

Movies were taken then but were general shots of band formations.

Now the U of M is creating a "movie book" of band day and they have asked for close-up shots of Plymouth's band.

The movie was taken out on the high school football field. Separate pictures of the drum major, Jerry Corey, and two of the drum majorettes, Sally Morgan and Janet Schindler, were also taken.

Seniors Order Class Pictures

Senior pictures were the principal topic of the senior class meeting October 25 when Melvin Blunk, class supervisor, informed the students that when the senior pictures are taken starting last Monday, each is to put in a tentative order with the Powell studios.

Three student specials are offered with prices of each given. Mr. Blunk gave considerable advice concerning ordering to keep down the total bill.

Edgar Brown, class advisor, announced to the class that they had charge of concessions for the homecoming game, and that many people had signed up to help but more were needed.

The meeting was then turned over to Charles Stark, class president, who mentioned that the Christmas cards were going fast, and students were doing a good job of selling. He told them of the senior dance to be held November 10, and asked for their cooperation. Charles announced class dues were coming in fairly well and that those who had not paid should do so immediately.

Begin Sale of J-Hop Tickets

Invitations to the J-Hop to be given November 17 may be procured by general public upon application to Beth Douglas, invitation chairman.

General chairman of the dance are Shirley Pine and Lynn Olsen. In charge of the other committees are Donna Renwick, decorations; Norma Van Dyke, tickets; Beth Douglas, invitations; Breda Covel, chaparrons; Iva Lou Kahrl, entertainment; Gladys Witt, lighting; Phyllis Wilkins, refreshments; Marjorie Thomas, music; and Joyce Houghton, publicity.

Wayne Students Visit Council

Bud Young called to order the regular meeting of the Student Council held in the office on October 24.

The highlight of the meeting was the introduction of four members of Wayne's student congress which is sending representatives to visit all of the student councils in the 6-B league. The guests asked many questions concerning powers and functions of the council so that they might set up a strong student council.

The beanie report was read and the sales were quite successful. Then the student council discussed plans for the homecoming game that took place October 27. All of the committees had been informed of what they were supposed to do and everything was going well.

Students Aid Community Fund

Students held their second collection for the Plymouth Community Fund and Torch Drive on October 23, at which time they brought in \$130 bringing the total to \$328.05.

Following are some of the high first hour classes and the amount contributed. One class having 16 students averaged \$1.69 a student; another having 21 students averaged 60 cents per student; another class having 16 students averaged 53 cents per student; and still another class having 31 students averaged 50 cents a student. Some classes, however, are as low as 14 and 15 cents a student.

The grade schools holding this same drive have reached a total of \$240.90 up to this date.

Debate Held by History Classes

The history classes of John McFall and Mrs. Joan Hayskar recently had a debate on the proposition: "Resolved, that the state of Michigan should adopt a system of capital punishment."

Mrs. Hayskar had the affirmative team which was made up of Jane Nulty, Sally Morgan and Wayne Smith. Mr. McFall's negative team was made up of Carol Stratton, Dee Brandel and David Daily.

Two judges were chosen from each class and the fifth judge was George Canfield, boy's counselor. The chairman of this debate was Lea Raye Crane.

IOOF News

All members please bear in mind that the attendance at our Thursday night bowling meets at Plymouth Recreation alleys is a social membership get together and only a few are reporting to date. These bowling evenings were planned in hopes that more members would become interested and a good turnout would result but unless the next two or three Thursday nights show a better attendance we will have to give up the idea. If you enjoy good clean recreation please turn out Thursday night at 9 p.m. at the alleys.

After lodge last Tuesday night a number of brothers and their wives surprised Brother P. G. Earl Gray and wife by calling on them. The occasion was their 25th wedding anniversary. Card games were enjoyed after which a lunch was served. Brother Gray and his wife have the wishes of all for many more nappy anniversaries to come.

All members who can, please

call on our Brothers Mastic and Trinkhaus who are on the sick list. All members are also urged to attend lodge as often as convenient. A good attendance is an inspiration to your officers.

Want a ride that's "out of this world"?

Better Buy Buick!

WANT to be free from that nervous tensing up for a jolt every time a rough spot looms in the road ahead? Want to enjoy the relaxing feel of a sure-footed car beneath you, that stays level even when the road doesn't? Well, sir, ease into a Buick and see how such matters are cared for. See what a wonderful difference in level buoyancy coil springs can make when you have them on all four wheels, not just the front ones. Note what firm and solid steadiness is yours when a full-length torque-tube drive is your keel—how smoothly you stay on course when the rear wheels can't help but run true. See what big, low-pressure tires and Buick's wide rims can do to pillow your course without jounce or sway. In other words, sample this two-ton beauty for over-all stance and balance—and the cradling comfort of its roomy interiors. And while you're at it, get the very special thrill of its mighty Fireball power plant, plus the free-as-a-bird-in-flight bliss of its Dynaflo Drive.* It's an experience that you owe yourself—and it's yours for the asking. The thing to do is get in touch with your Buick dealer—and discover the ride that only Buick owners know.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

Roger Babson Says...

Babson Discusses Profit Sharing For Pensions

If an employee, are you looking for an adequate reward for your individual initiative? If an employer, do you want to increase employee cooperation and at the same time have an effective weapon against unwise welfare-fund? In either case, study profit sharing.

Why Profit Sharing?

We read lots in our papers about what is wrong with management. Seldom, however, do we read about what is right with management, primarily because management remains so unexciting. Management has a great story if it would only tell it.

There are today hundreds of companies across the country with profit-sharing plans for wages. Their records indicate companies with the profit-sharing philosophy generally do not have strikes. Rather, they are noted for their good morale, high production record and greater profits. Too often, however, they are protected by patents or "good will" which give them a special advantage.

Small Business and Profit Sharing

With continually increasing wages the small business is especially vulnerable in hard times with the average pension plan. In general, pension plans are not flexible enough for small business because management must continue to pay whether times are good or bad. Further, there is, unhappily, little evidence that employees with guaranteed pensions are any more productive than employees without pensions.

Uninterrupted production is especially important to the small business owner, and such an owner can well consider profit sharing for wages. This gives the employee one of the best incentives to produce, because the employee can readily see that greater production in the plant means more cash in his pay envelope as well as a good financial anchor in old age. Greater production necessitates greater teamwork not only with fellow workers, but brings about closer cooperation with management.

Profit Sharing vs Pensions

I, however, wish to especially recommend profit sharing for

pension plans. Profit sharing offers small business one of the soundest ways possible to finance pensions. It takes much of the burden of the employer-paid-pension from the shoulders of the small businessman. He shares his profits only when the employee has helped create those profits through high production. Employees like it too because the bigger the melon they create, the bigger the pension and the wage.

The plan would be to put all this profit-sharing money into a pension reserve to which the employer would add a certain proportion. But to make it a success each employee's pension would probably need to be different, depending upon the individual's own productivity. Such a plan can, however, be applied only to a small business and where labor unions do not control.

Successful Companies

Most profit sharing plans are for wages only, are not dependent on the productivity of the workers, but depend mainly on the ability and generosity of the management. Lincoln Electric of Cleveland is one of the most generous profit-sharing companies. Last year Lincoln shared profits equaling 117% of the employees' salaries, an average of about \$7200 per worker, including wages. Among other successful "profit-sharing" companies are American Velvet company, Jewell T. A. company, Proctor and Gamble, Avondale Mills, S. C. Johnson & Co., Eastman Kodak, Sears Roebuck, The Falk Corp., W. A. Shaeffer Pen company, and the Grand Central garage of Los Angeles.

Profit sharing is a real manifestation of the Golden Rule at work in business. If you are the owner of a small business casting about for ideas to increase your employee efficiency, cut labor turnover, reduce absenteeism, and build a greater sense of security for your workers, profit sharing may be the answer. If interested, you can write the Council of Profit Sharing Industries, Akron, Ohio. They will try to tell you how it can be done. However, must remind you that most of the above illustrations have used profit sharing for increasing periods of prosperity and increasing profits. The real test will come when earning declines and when there will be no profit. Hence, I am now recommending profit sharing only for pensions.

BEST WEAPON, USE IT!

Scouting The Sunset Trail

By Harold Schryer

Throughout our Scouting year strong emphasis is put upon the Youth of our Movement; upon the character and citizenship growth which is inimical to the social welfare of these young people in the days to come when theirs is to be the true voice of America.

One day each year, however, we set apart from all the rest, to do homage to the men and women of our district who have added the strength of their efforts to the ends heretofore mentioned.

This year this day falls on November 16 and the occasion is known as the District Annual Meeting. At this time we are to reverse the usual pattern and place the background personnel in the foreground for a brief moment that all whom so desire may see and meet the folks who have worked long and hard to make our district Scouting the active, interesting and productive program for Youth that it has come to be.

The place of this meeting is the Eloise auditorium, and the time will be 8 o'clock in the evening. Featured on the program will be representatives of our own Jamboree troop who made the trek to Valley Forge this past summer. Other highlighting features

will be the presentation of one of Scouting's highest honors, the Silver Beaver award, to an outstanding Scouter of the district as yet unnamed. Also presentations of Training and Camping awards; personal recognitions and the presentation and dedication of our newly created District Flag to be used only on district occasions. This will make us the sole district in the Council to have such an emblem and thus mark another first on the annals of our activities in Scouting.

Our District Nominating and Elections committee composed of Kenneth L. Hulsing, Plymouth; Rev. Harold Fredsell, Northville; Chester A. Smith, Wayne; Judge Charles Webb, Garden City, and Louis E. Schmidt of Clarenceville have been surveying our field for outstanding leadership for our 1951 district officers. Ballots will be mailed shortly to all institutional representatives, district officers and members-at-large. Voting will be by mail and the results announced at the meeting.

Again this year the beautiful plaque won by Denton (D-N-1) last year will be at stake. It will be presented to the sponsor having the highest number of attendance points tallied at the meeting. Be sure to get all your adult support out! Visitors of units at the meeting will count, too! Get 'em! Get out and get it!

There will be another huge cake to go along with the plaque so that you may also taste your success, so to speak!

"THE HIGHER HAPPINESS,"

written by Dr. Ralph W. Sockman, minister of the "National Radio Pulpit" over NBC, was selected by the Religious Book Club and is now a best seller. . . . Jean Hersholt received a certificate from the Washington, D. C. medical society for "meritorious service to the medical profession" for his "Dr. Christian" radio series. . . . Alan Young has been signed for the title role in "Clarence," the Booth Tarkington picture shortly to be filmed. . . . Dick Haymes is auditioning for a straight dramatic adventure series for ABC. . . . And no less a personage than Mae West is considering an offer by a New York station for a five-week disc jockey series! We have now heard everything.

A commentator's statement that an eastern TV firm will buy the Walt Disney studios is being flatly denied by Disney execs. . . . Mutual has renewed the Sunday "Hashknife and Sleepy" radio series for another 13 weeks with Frank Martin and Barton Warblum in lead roles. . . . Tex Williams and NBC are still dickering over terms for a 15-minute five-a-week air show. . . . Gene Fowler may soon be on NBC with his own air show titled, "Special Edition" . . . He'll do the stories. . . . Newsman Lowell Thomas is now in his 21st year.

PLATTER CHATTER

With people already doing their Christmas shopping, it's time to point out that a fine gift for music lovers is an album of good music. Columbia has come up with some exceptionally good albums for various types of people. . . . For instance, for that teen-ager in the family, there's an album on "Football Songs" in which Percy Faith's orch does a job on such standard favorites as "Notre Dame Victory March," "Eyes of Texas," "Rambling Wreck from Georgia Tech," "On Wisconsin," "Anchors Aweigh," "Far above Cayuga's Waters," and "On Army."

For the whole family there's a beautiful new album released featuring the organ music of Ken Griffin playing Christmas carols. . . . The carols include "Silent Night," "Joy to the World," "Adeste Fideles," "Little Town of Bethlehem."
