**What I Think and
Have A Right to Say**
By ELTON R. EATON

WE HAD BETTER DO SOMETHING ABOUT IT.

State Representative Emil Peltz of Rogers City, chairman of the house committee on highways, a while back introduced a bill into the legislature providing for an increase in the state's gasoline tax. He would raise it from three to five cents.

Nearly all states have a much higher gas tax rate than does Michigan. The national average for state imposed gas tax is four and fifty-two one hundredths cents per gallon. That is less than one-half a cent per gallon under the rate that is proposed in the Peltz bill, which is not very much.

It is true that in these times no one wants to pay any more taxes, but when the New Dealers discarded their platform pledge to cut governmental expenses and reduce taxes back in the early days of the Roosevelt deal, the national trend has been of such a nature that additional taxation has become an absolute essential. It cannot be changed unless we thoroughly discard the bureaucratic government that we now have—and that will be no easy task.

We simply make reference to this condition because of the fact that Michigan's highway progress has been held back by what has happened in Washington. Not since the end of the war has our state highway department had sufficient funds upon which to operate and maintain any sort of a new road development such as is needed in Michigan.

Efforts to enact legislation to secure additional funds have been beaten down chiefly by Detroit representatives who want to use the state highways but do not want to pay anything towards building and maintaining them.

Any one with common sense knows that the building and maintenance of a road should be paid for by those who use the roads. But there are nitwits who call the gas tax and all other taxes, it seems, something that has been labeled a "consumer tax," and the "consumer" shouldn't pay for it because he "consumes" it. Did you ever hear of a more idiotic argument than that one? Yes, let's enjoy the delights of a Michigan highway system, but let the other fellow pay for it—that's their fool argument.

If a person objects to paying a gas tax or doesn't feel able to pay it, then there is no law which says he shall drive his automobile any more than he desires over the highways.

We need roads, safer roads—roads that will provide safety for the careful driver from the fool driver.

Notwithstanding the crisis that confronts the country, the increased traffic over our Michigan highways calls for the building of hundreds of miles of dual highways. And these MUST be built, if we are to keep pace with other states as well as make automobile driving safer than it is at present.

The Michigan state highway department has already started building safer highways with the limited funds it has to use for this purpose. An example of this new type, safe highway construction can be found north of Bay City. Accidents have been almost entirely eliminated on this new type of road construction.

Not only have lives been saved, but damages to automobiles have been prevented.

How many millions—yes MILLIONS—of dollars are squandered each year as the result of damages to automobiles due to narrow pavings and poorly repaired pavings has never been estimated.

Just one slight accident to a car, a dented fender, a ruined tire, due to bad pavings, narrow pavings or other improper highway conditions will cost the automobile owner more than his entire gas tax would amount to over a period of six or eight years. If personal injury is involved, the cost of hospital and medical care would be more than the gas tax would amount to during the average lifetime of a person.

And these political nit-wits still call the gas tax a "consumer" tax!

Chairman Peltz also proposes to greatly increase the tax on trucks and the fuel used in Diesel engines used in most trucks. He should go the limit on this one.

He should write into the law a provision which provides MANDATORY fines of specified amount for over-loading violations, something like a hundred dollars for EVERY pound found in excess of the legal load. Second offense should provide for confiscation of the over-loaded truck and its cargo.

Over-loading trucks has become such a common practice in Michigan that it has become a joke among most truck drivers. When a feeble effort is now and then made to enforce the provisions of the spineless act we now have on our statute books, a scheme has been worked out so that truck drivers have a warning system which enables them to evade the officials, either by pulling off the side of a road and waiting for a desirable time to go on, or hit some side road.

We think, too, along with the voting of additional funds for highway purposes, that the legislature should repeal that statute which provides for a certain amount of road money to be spent in certain sections of the state. That plan no longer has any positive need.

Members of the legislature should make up their minds to one thing—that they had better vote this increased gas tax for our state, or the federal government is going to step in and take the most of our gas tax money and spend it in states where it will do the most political good for the Fair Deal administration. It is either one or the other—get the gas tax money for Michigan to spend on Michigan highways or let the Fair Dealers have it to spread around the country where votes are needed.

WE COMMEND THE STATE SENATE.

The action of the Michigan state senate in refusing to seat two Detroit elected senators because of their prison records is to be highly commended. The senate did just right in this matter, even though for reasons unexplained they did not take the action in one case two years ago, when it should have been done.

Governor Williams is quoted as saying that: "As a citizen it seems regrettable to me that thousands of voters are thus deprived of representation at a time of critical decisions. Only the people can pass judgment on the senate's actions."

Possibly Mr. Williams has forgotten that it was his own party which deprived the "people" of having a right to pass judgment upon such questions. It was the Democratic members of the legislature which killed my own proposal to let the people of the state decide the question whether ex-convicts should make laws for all the rest of the law-abiding citizens of Michigan. We believe that the people of Michigan, at least 99 percent of them, will say "Amen" to what the senate did.

If the legislature had approved a proposed constitutional amendment the writer submitted to it a number of years ago and if the voters of the state had approved it—which they would have done, there is no question about that—all of this would have been unnecessary.

The proposal would have prohibited any ex-convict from holding any public office of any kind in Michigan.

And who killed it in the legislature? Well it takes a two-thirds vote to get a constitutional proposal on the ballot—and there were just enough Democrats in the legislature at that time to prevent the submission of this proposal to the voters. If memory serves correctly it lost by one vote, with the solid Democratic delegation in the house of representatives from Detroit voting against it.

Michigan is one of the few states in the Union that permits ex-convicts to hold public office. But that is water over the dam—and we've got what we've got whether we like it or not.

Candidates File For City Commission

**Unopposed
In Race For
Supervisor**

Mrs. Eleanor Hammond

Mrs. Eleanor Hammond will run unopposed for the seat on the Wayne county board of supervisors. She now holds that office, her term expiring in April.

Mrs. Hammond was appointed to the board by Mayor Hough. When voters last year approved the amendment making the office an elective one, Mrs. Hammond, a city commissioner and elected official, was appointed to the post until statement of a term of office could be added to the amendment.

The term of office was added in last fall's election and a member of the board will be elected, instead of appointed, for the first time this April.

**Discuss Court at
Charter Session**

Suggestions for the municipal court set-up under the new city charter were presented to the charter commission last Tuesday by Municipal Court Judge Nardino Perlongo and other local attorneys. The judge expressed his ideas on how present court problems could be corrected in the revised charter.

The commissioners will consider these suggestions when the actual drafting of the revised charter begins.

The commission has been meeting weekly during January to confer with George Sidwell who has been selected as consultant. The nine charter revisers have made no decisions as yet concerning actual charter changes and will not do so until sufficient preliminary study has been made.

"The possibility of a seven member city commission with a four year term of office was one matter we considered," stated Don Sutherland, commission chairman, "though its actual incorporation into the new charter is still just a possibility."

Sutherland added that suggestions, either written or in person, are welcomed by the commission and anyone wishing to attend the charter sessions may do so.

**Churches Plan
Day of Prayer**

Ten local churches will participate in the annual World Day of Prayer services to be held February 9 at 8 p.m. in the First Methodist church.

Taking part in the service will be a sextet from Rosedale Gardens which will provide special music, and several local ministers.

Guest speaker will be Blanche Edwards Mesley of Kansas City, Missouri, a former missionary. Mrs. Mesley was born in England and educated in Australia and the United States. For several years, she was head of the General Council of Women. She and her husband spent eight years as missionaries in Australia and the South Sea Islands.

**Youth Injured in
Auto Collision**

Charles Clement of 9721 Horton street was injured Monday night when his car collided with another at the intersection of Seven Mile and Farmington roads. He was taken to Redford Receiving hospital.

The driver of the other car, Guy C. Stancroft of Farmington, was not injured. Chief Harmon of Livonia stated that Donald Hunt of 9817 Newburg road was later taken to the hospital for examination. Hunt was a passenger in Clement's car.

The cause of the accident could not be determined. Harmon said, as both drivers denied going through a red light at the intersection.

**New Hardware
Featured on "M"
Study Program**

Plymouth residents are in for a pleasant surprise when they visit the new home of the Plymouth Hardware store on Forest avenue. Although the store is now open it will be another week or two before all will be in readiness for business.

Unique are the fixtures in the store which embody all of the latest designs for excellent merchandising and display purposes. In fact the store is so complete in its design and usage of all space for display and storage purposes that the University of Michigan has chosen it to use for examination purposes by its students in the school of Business Administration in the Bureau of Business Research.

The first visitation by students in the Hardware Refresher course will be made here to the store on Friday, February 2, at which time a complete inspection of the store's interior will be made and explained by S. P. Torres and K. P. Lamphere of the Michigan Retail Hardware Association whose recommendations were followed extensively in the interior design and arrangement.

According to W. A. Rose, proprietor of the store, plans are underway for a formal opening of the new store and as soon as the interior is completely finished the date of its opening event will be made public.

**Remodel Garden
City Hospital**

The Garden City Maternity hospital, a non-profit corporation formed by a group of osteopathic physicians has made arrangements to purchase the building it now occupies. Drs. A. C. Williams and William Herbold of Plymouth are members of the group.

This building, located at 30548 Ford road in Garden City, is being remodeled to include services for surgical and medical as well as maternity patients. The alterations, when completed, will increase adult bed capacity to 38. The facilities of a complete diagnostic X-ray department and clinical laboratory will be offered to the people of the vicinity or about March 15. The estimated cost is \$150,000.

Original plans for construction of a new osteopathic hospital at Middlebelt and Beechwood have been temporarily shelved due to present economic conditions.

**Melting Snow
Hampers DPW**

With every heavy snowfall that hits the city, grumblings start around town about the plugged-up sewers and the king-sized puddles they cause as the snow begins to melt.

According to City Manager Al Glassford, the department of public works takes care of the situation as soon as possible with the limited equipment and working crews available. The department attempts to clean up the snow around the sewers as quickly as possible but delays are bound to occur.

Unpaved streets present the biggest problem to the city. After a thaw, traffic digs deep, muddy ruts into the streets making them almost impassable. The DPW begins grading as soon as the thaw starts, but, again, lack of necessary equipment and manpower slows up the process.

The department is now spending every penny of its budget and additional help to give better service will have to wait until more money is available. Glassford added.

**State Regent
Addresses DAR**

Fifty-two members of the Sarah Anne Cochran chapter of the Daughters of the American Revolution heard Mrs. Walter Pomeroy, state regent, speak at the group's meeting recently.

The occasion was the chapter's 24th birthday luncheon which was served by the ladies of St. John's Episcopal church. Mrs. Harry Deyo and Mrs. Frazier Carmichael were in charge of the program. Mrs. Harold Kellogg entertained with songs, accompanied by Mrs. Inez Locke.

Mrs. Edward J. Cutler, local regent, greeted visiting regents and officers, including Mrs. Clarence Wacker, Mrs. Mastick, Mrs. Clarence Kopp, Mrs. Harry Stears, Mrs. Dorothy Lewis, Mrs. Melville Luttrell, Mrs. Bradley Scott, Mrs. Clarence Farrell and Mrs. Sydney Probert.

Postmaster and Mrs. George Timponi will leave this weekend to spend a few weeks traveling through Florida.

**Local Churches Begin Lenten
Season at Ash Wednesday Services**

Many churches in town will open the holy season of Lent with special services on Ash Wednesday, February 7.

The members of the Plymouth Ministerial association ask that the worshipping public pay special attention to the notices of Lenten services on the church page. "For a truly happy Easter," states the Rev. Alexander Miller, secretary of the association, "one should prepare by observing the Lenten season which precedes it. It is a time for a special concentration on the things of the spirit. It is a time when we should all make our attendance at church more regular, our life of prayer and meditation deeper and more meaningful."

A Wednesday night Lenten service will begin at the First Presbyterian church next Wednesday.

The annual World Day of Prayer service will be held at the First Methodist church on Friday evening at 8 p.m. with ten local churches participating. Beginning February 15 Lenten services will be conducted every Thursday evening at the church, with a potluck supper at 6:30 p.m.

**Project Provides
Gas for Plymouth**

As you drive down West Ann Arbor trail, and your car does a bump-de-bump as it crosses over a steel plate on the paving, it's NOT to remind you of "The Thing!"

These plates, though, are an indication of the progress being made in the Consumers Power company project to give Plymouth better gas service. Temporary in nature, the plates cover gas main junctions and will be replaced when the road is resurfaced later and the city-wide project is completed.

Last fall work was begun by the Ray D. Baker Construction company, contractors, to reinforce Plymouth's gas distribution system. George Mayhew, manager of the West Wayne Consumers Power company district, says that this reinforcing will improve service to local gas customers. The program will continue until the company's satisfied that the facilities are adequate to accommodate the needs of rapidly growing Plymouth.

Through reinforcing certain strategic gas mains and increasing the sizes of others, more gas can be transmitted to areas in the city where at the present time it is insufficient for needs desired by customers.

**Gen. Dougherty
to Speak Here**

Brigadier General Clyde E. Dougherty, head of civilian defense for the Detroit area, has been selected as the main speaker for the community-wide event honoring George Washington's birthday on February 22. His timely topic will be "Civilian Defense." Lisle Alexander is general chairman.

The patriotic program is being put on by all local service and veteran organizations. The general's talk will follow a banquet to be held in the Masonic Temple.

Representatives of local clubs planning the event have decided that the proceeds will go to the Salvation Army war chest. This project provides gifts for Plymouth boys who are about to be inducted into the army.

Other parts of the evening's program are still tentative but definite plans will be announced later. Tickets will go on sale next week.

**Scouts Conduct
Newspaper Drive**

In an effort to obtain funds for summer camp, Boy Scouts of Troop No. 3 will hold a newspaper drive this Saturday, February 3. The boys will start collecting papers at 10 a.m. and residents are asked to bundle their old newspapers and periodicals and leave them outside for the Scouts to collect.

The troop, which is sponsored by the Rotary club, will sell the papers and proceeds will go toward financing their summer trip to camp.

In observance of Boy Scout week the troop will hold a Get-Together potluck dinner on February 12 in the Starkweather gymnasium. Parents and Scouts of the troop and the Explorer Post will attend the annual event.

**Dedicate Smith
School Feb. 11**

With the final finishing touch now completed on the George A. Smith elementary school, the general public is invited to inspect the building at an Open House on Sunday, February 11, at 3 p.m.

Officials of the board of education will conduct the dedication ceremonies of the new school during a brief program. Members of the P.T.A. will be on hand to show visitors around the building.

Announcement was made this week by Mr. and Mrs. Mat Powell of the sale of their home on Territorial road to Mr. and Mrs. Austin Stecker. The Powells will move this weekend into their residence on Penniman avenue that they purchased last year from Mrs. Mary Kimball. The Steckers will move to their new home in the very near future.

**DuPont Speaks to
Rotary, Chamber
of Commerce Here**

The Chamber of Commerce Quarterly dinner speaker this evening will be James Q. du Pont, a descendant of the founder of the du Pont company. The dinner will be held at 6:30 p.m. at the Hotel Mayflower.

Du Pont will also speak at the Rotary meeting tomorrow, Friday, at the Mayflower on the topic "Pioneers, Now and Then." A trained engineer with the extension division of the du Pont company at Wilmington, Delaware, du Pont will elaborate on what can be pioneered today, just as frontiers were conquered by the pioneers of America.

His topic for the Chamber dinner is "Pattern for Success." Mr. du Pont will cite examples from the history of his company to illustrate the major factors which have caused it to grow as it did, from a concern with no sales in 1802 to one with a billion dollars of sales in 1949.

One reason for this growth, he will explain, was the fact that the United States operates under the free enterprise system, which provides opportunities for advancement and development unheard of in the Old World without the loss of our precious personal freedoms.

Soon after he moved to Wilmington in 1848, Mr. du Pont was asked to develop some talks for a better human relations program in the Engineering Department. Since then he has spoken before many business, civic and other groups in various parts of the country.

**Announce Model
Car Competition**

All boys between the ages of 12 and 19 who wish to compete in the 1951 model car competition sponsored by the Fisher Body Craftsman's Guild may obtain entry blanks and information on the contest from John Wimsatt, General Motors community relations chairman for the area. Information is available at the Wimsatt appliance store on Main street.

A number of awards are offered contestants, including: eight university scholarships, 40 convention trips, cash awards and tool chests. The competition is held annually to encourage boys to work out original automobile designs as an educational experience and to enable them to discover creative talent.

**Boys Enlist in
Army, Marines**

Charles Austin, Jr., and Duane "Bud" left January 22 for Camp McCoy, Wisconsin, where they are assigned to a tank corps. The two enlisted in the army.

Charles is the son of Mr. and Mrs. Charles Austin, Sr., of Brookline road and Bud is the son of Mr. and Mrs. George Lee Hagerty highway.

Phillip Keith Campbell, son of Mr. and Mrs. John Campbell of Kellogg street, enlisted in the 250th platoon of the U.S. Marine Corps. He left January 26 for Parris Island, South Carolina, for basic training.

Dick Farwell and Bill Stout enlisted together in the army and left January 29 for Fort Wayne. Dick is the son of Mr. and Mrs. George Farwell of Adams street and Bill is the son of Mr. and Mrs. Lynn Stout of Union street.

Jerald Howard Fallot of Holbrook street left for the army on Monday following his enlistment.

**Sell Tickets for
U-M Club Event**

Tickets for the University of Michigan club annual All-College dinner will be sent out to members this week according to Dr. Frederick Faust, ticket chairman. Anyone interested in attending the February 15 event may procure tickets from members.

Movies of the Rose Bowl game will be shown after the dinner at 6:30 p.m. in the dining room of the First Presbyterian church.

The Rev. Henry Walsh will be toastmaster for the event and Lawrence E. Mack is general chairman.

**New Lutheran School
Dedicated Sunday**

St. Paul's Evangelical Lutheran church will dedicate its new church school February 4 at 3 p.m. The modern, two classroom building will accommodate 70 pupils and has a library, office and large playground.

The school is located at 15218 Farmington road. The new school is the beginning of the church's educational program and as attendance grows the church will add to its present building.

**Fisher Only
Incumbent
That Files**

Seven candidates for the three city commissioner seats filed their nomination petitions at city hall last Saturday making a primary election for the commission vacancies necessary.

The seven are George Bauer, Eugene Benson, Ernest Henry, Henry Fisher, Harry Hunter, Howard Sharpley and Clifton Tillotson. Fisher, the only incumbent commissioner who will run for office, is the only candidate to file.

BULLETIN

On going to press a last minute decision by Candidate Harry Hunter to withdraw his name from the list of qualifying candidates completely changes the aspect of the forthcoming election. The withdrawal of his name as a candidate for one of the seats on the city commission will now eliminate the necessity of holding a primary election because under the city charter no primary is required when no more than twice the number of candidates for the vacant offices file. No primary shall be held for the commission vacancies. Because of his withdrawal, the commission members will be elected from the six candidates at the regular election on April 2.

Mr. Hunter gave as the reason for the withdrawal the fact that he has been given additional responsibilities in civil defense work and would be unable to devote the time to adequately serve the city as a commissioner.

idate who has had previous commission experience. The terms of office of Perry Richmond and Gus S. Hough will also expire in April. Richmond decided not to run for re-election and Hough was ineligible because of a recent charter amendment limiting a commissioner to two terms.

The candidates are all active in civic affairs and local organizations, and in the opinion of City Manager Al Glassford, "We have a good slate."

No candidates for the city constable office filed.

At the primaries February 19 candidates for the office of county auditor will also be selected.

**Retail Group to
Start Program**

Members of the Chamber of Commerce Retail Merchants committee held their first meeting of the new year at the Hotel Mayflower last Monday noon. Under the direction of the chairman, Graham's Ralph Rostow, plans were discussed for sale events and other programs on the agenda included street lighting on Penniman avenue and parking in the Fralick street area.

All members of the committee were in attendance in addition to Chamber President Ray Williams, Chamber Secretary George A. Smith and Sterling Eaton of The Plymouth Mail. Immediate action on the problem was promised by Chairman Rostow who was enthusiastic about the partial program for 1951 that was undertaken.

**Firemen Hold
Annual Party**

The Plymouth Fireman's association held its annual party January 20 at the Hotel Mayflower with 44 members and their families attending. The group included six retired members and two former chiefs, Fred Wagenschutz and August Smith.

A retirement badge was presented by Mr. Wagenschutz to Harry Brown who has had 38 years of service. A discussion of the early days of the Plymouth fire department was held and two films presented by Rev. Edgar Honecke concluded the evening's entertainment.

**VFW Greets Boys
on Induction Day**

Draftees leaving Plymouth from the local selective service office will be served coffee and doughnuts on the morning of induction by the Mayflower post auxiliary of the Veterans of Foreign Wars.

Mrs. Robert Sheppard, chairman of the auxiliary committee, states that both the boys and their families are welcome. Norman Marquis of Marquis restaurant across from the draft board will furnish the coffee while the ladies of the auxiliary serve doughnuts. The next group of inductees will be greeted by the V.F.W. on February 26 when they leave for service.

Assisting Mrs. Sheppard are Mrs. Gerald Olson, Miss Fern Harnett and Mrs. Charles Thompson and other volunteers from the organization.

Hough Extension Group Discusses Citizenship

The Hough group of Wayne County Extension service met at the home of Mrs. Clinton Williams on Haggerty road on Thursday, January 18. A lively discussion on the topic "Citizenship" was led by Mrs. John Albertson and Mrs. Robert Smith. The meeting was well attended and delicious refreshments were served by the hostess.

The next meeting will be held at the home of Mrs. Roy Schultz on Lilley road on February 22. The project lesson "Glove Making" should prove very interesting.

Story Hour at Library

The children's story hour will be held Tuesday, February 6, in the Dunning library, according to Mrs. Agnes Pauline, children's librarian.

Presbyterian Church Scene of Campbell-Runge Nuptials

The First Presbyterian church was the setting on Saturday, Jan. 27, for the marriage of Donna Jean Runge to E. Fletcher Campbell, Jr., son of Mr. and Mrs. E. Fletcher Campbell of West Ann Arbor trail. Dr. Henry Welch officiated at the impressive rites at 3:30 o'clock before an altar banked with palms and double rows of tiered candelabra. Ruth Campbell, a sister of the bridegroom, sang "Because" and "The Lord's Prayer."

The bride, who was given in marriage by her father, wore a gown of ivory lace over Skinner's satin. The bodice, coming to a point at the waistline had a diamond cut neckline with a softly folded standup collar. Small buttons extended down the back to the waist and her long sleeves formed a point over the wrists. The full skirt was of unpressed pleats with a lace plume at the back and a full panel extending down the front. Her bouquet was of colonial style with cascades of baby white roses.

Gloria Holman, the maid of honor, was gown in sky blue silk taffeta with a tuxedo neckline. The bodice had inserts of

white nylon net trim and had tiny buttons extending down the back. Her full skirt was also of unpressed pleats. She carried an arm bouquet of yellow carnations.

The bridesmaids, Janice Runge, a sister of the bride, and Mary Lou Dowsett of South Lyon, wore identical gowns of navy yellow and pink taffeta with arm bouquets of the same color. Denise Ann Hochlowski, a niece of the bridegroom, wore canary yellow matching that of the other attendants. She carried a basket of white rose petals.

For his best man, Fletcher asked Larry Finney to serve him and the ushers were Ed-on Whipple and William Runge, a brother of the bride. Mrs. Runge, the bride's mother, wore a dress of deep aqua silk jersey with black accents and a corsage of red roses. Mrs. Campbell selected a navy silk crepe trimmed in soft pink and small crystal beads. Her accessories were pink and her hair of pink roses.

Following the ceremony a reception for 120 guests was held in the church parlors. Guests were present from Lansing, Detroit, Ann Arbor, Rosebush, and South Lyon.

The young couple are on a wedding trip to New York state.

For traveling the new bride wore a forest green tailored suit and hat with black accessories.

Both Mr. and Mrs. Campbell are graduates of Plymouth High school. Fletcher also attended Michigan State college in East Lansing. They will be at home after February 5, at 569 West Ann Arbor trail.

Madonna Hosts Student Workshop

"A leader is one who knows where he is going, is going there himself and is able to take other people with him," emphasized Larry Badar, president of the Detroit-Cleveland area of the National Federation of Catholic College students, at a leadership workshop held at Madonna college, Friday, Jan. 26.

The theme, "Learn to lead by leading," keynote the day's program. The workshop began with an introductory address by Joan Kaminski, president of the Student association at Madonna.

The Freshman Parliamentary Law class presented two demonstrations of proper Parliamentary Law procedure, chairmaned by Lucille Grudzien and Pat Gruszynski.

The Workshop concluded with an address by Mrs. Amanda F. James, M.S.W., instructor in sociology at Madonna, who spoke on "The Campus Leader in Public Life."

This year's fourth Regional Council meeting of the N.F.C.C.S. will convene on the Madonna campus Saturday, February 10 at 1 p.m.

President Larry Badar of John Carroll university in Cleveland will call the meeting to order. Regional officers, delegates, campus commission chairmen, and moderators from schools in the Detroit-Cleveland area will attend.

Member schools include Marygrove, Mercy, Madonna and University of Detroit, Siena Heights college in Adrian, Mary Manse in Toledo, John Carroll University, Notre Dame, Ursuline and St. John colleges in Cleveland.

Miss Joan Kaminski, secretary of the Regional unit, is in charge of arrangements.

W.S.C.S. Plans Floral Dessert at Church

The Methodist W.S.C.S. is sponsoring a Floral Dessert at 1 p.m. on Wednesday, February 7 in the church dining room.

Mrs. Alvah Carnes will demonstrate how to arrange floral decorations and centerpieces, as well as how to make corsages and artificial flowers. Floral pieces will be for sale after the meeting.

New vaccine cuts spread of Bang's disease 50%

A new Bang's vaccine called Brucella M. is showing outstanding results in tests made by Michigan State College research and extension veterinarians in co-operation with the State Veterinarian. Some 400 herds with more than 5,000 cattle were checked. In herds not vaccinated, indications of the disease accounted for more than 7 per cent. In herds vaccinated with Brucella M., only 3.6 per cent showed indications. Abortion in cattle practically ceased after Brucella M. was used. The vaccine developed at the Michigan Agricultural Experiment Station is available through veterinarians specially licensed by the State Department of Agriculture. For more information, call, write or visit your County Agricultural Agent.

New telephone wire means fewer poles

The stronger the telephone wire, the farther apart poles can be set. Michigan Bell is now using a new high-tensile steel telephone wire so strong it can span as much as 600 feet between poles. That means fewer holes to dig, fewer poles to set, fewer crossarms to put up, greater efficiency in rural telephone construction. It is another thing we are doing to bring more and better service to you at low cost.

WEIGHT INCREASE

in 12 Weeks!

A baby chick will increase its hatching weight 2900% in the first 12 weeks. At 6 to 8 weeks of age, it is still growing at a tremendous rate. That's why it's so important to feed Larro Chick Builder straight through this entire period of rapid growth. In the Larro Pullet Ration there is no change to a lower growing mash—no chance of a nutritional setback that can seriously develop egg-making ability when the pullets are housed. Don't gamble future egg profits to save a few cents on feed! Follow the Larro plan right through. Start chicks right—build better layers. Get the facts and you'll get Larro. Come in now.

Lauds Trio of Performers in Recital Concert

By Grace Von Bergen
A true artist's performance was exemplified by three members of the Plymouth Symphony Orchestra at a recital concert last Sunday afternoon at the high school auditorium.

Joseph Lazaroff, violinist; Douglas Marsh, cellist and Evelyn Woods, pianist, planned a well diversified program which opened with a "Trio in D Major" by Mendelssohn. The music was well balanced, and each instrument complimented the other. The musicians presented a fine stage appearance and played with a seeming abandonment and ease. This alone has a remarkable effect on a listener, and anyone who has ever noted the appearance of a laborious concentration assumed by some musicians will agree that listening also becomes a laborious routine.

Douglas Marsh, a newcomer to the community whose ties with the Detroit Symphony orchestra were severed with the collapse of that organization, is an eloquent addition and much appreciated for his contribution of time to the Plymouth orchestra. His solo selections included "Elegie" by Faure; "Intermezzo" by Granados; "Cassado" and "Vito" by Popper.

Evelyn Woods performed the "Allegro from Sonata No. 1" by Brahms and a "Spanish Dance" by Turbi. Josef Lazaroff chose "Introduction and Tarantelle" by Sarasate and "Landler" by Mozart as his solos.

The trio completed the program with "Romance" by Debussy; "March of the Tin Soldiers" by Pierre and "Salvonic Dance in E Minor" by Dvorak.

The stage setting presented an informal music nook. It might have been termed the "orchestra's concert" as the true lovers of music were in evidence on this occasion. There were now enthusiasts in the audience and they consistently applauded between the four movements of the Trio which opened the program. However this is no discredit to them, for well seasoned concertgoers have been known to overlook and forget the usual decorum. But after the finale, well rounded applause greeted the performers.

Helmer Nelson, superintendent of the Plymouth schools, gave a brief, sincere talk on the history of the orchestra when 12 musicians first met at the home of the Carl Groschke's, the first concert in 1946 with 34 members in the orchestra, and the present 62 who travel many miles of icy roads for rehearsal and concerts.

He paid tribute to Paul T. Wagner, the director of the orchestra, whom he said "lived music seven days of the week."

A tea followed the concert at the Hough Memorial Home. Users for the concert were David Green, Dorothy Curtis, Charles Todd and Ann Vincent.

Symphony Notes
By Grace Von Bergen

"What happened at the symphony ball?" Well, I thought everyone was there to see for themselves! But, for the record, the ball was one of the social high lights of the Plymouth Symphony society.

Arriving at nine with a large party of friends, we were pleasantly surprised to see a long line-up for the check room. . . . the evidence of a good crowd. Then, the overwhelming beauty of the silver ball room! The gymnasium-auditorium, had become a veritable fairland with banners of silver foil, white frosted trees, musical symbols emblazoned the walls and a dance-happy crowd taking advantage of the mid-holiday occasion, made a memorable event of this annual affair.

Flash bulbs of the Plymouth Mail camera man were catching some nice shots. So was the camera shop set up in the corner of the hall with some interesting poses being developed while the subjects waited.

The party of friends from Detroit are looking forward to next year's ball. The committees who worked on this project for the society and orchestra deserve a great deal of recognition for its success.

We're not saying anything about anybody breaking any resolutions! But we know a number of members of the orchestra plan to attend all the rehearsals. One

sure way of relaxing, put your mind on something entirely different from the usual routine workday world and live again in the inspiring melodies of the great masters who probably had worries in their day which they might have held comparable to our confused days . . . but still left something worthwhile to remember them by!

There were a number of absentees at last Sunday's concert, and we know Ruth Lazaroff, wife of the Concertmaster Josef Lazaroff was probably sorry to have missed the performance. She is visiting her mother and relatives in California. The balance of Joe's family, Joe Jr., and daughter Mary, were on hand, however, sitting in the fourth row, where they wouldn't miss a thing!

We were happy to see that Axel Janssen made it all right. His new car had its first trip to the concert and registered 28 miles it was reported.

Also spied the piano tuner, Mr. Culver. Could he have been checking up on the pitch of the piano he had tuned for the performance?

Dr. Todd, president of the society, and his wife, were busy mingling with friends of the society. L. A. Sorg and Sallie Jane Sorg were on hand and brought a Mrs. Simms and a Miss Simms to the concert. . . . Carl Groschke and Paul T. Wagner acted as property men moving chairs, lamps and making general arrangements on the platform . . . and oh yes, let's not forget Christine Haller. She turned pages! Not only that . . . she did appear at

So we can help you celebrate the Gold Medal Award, we, as a Dealer have arranged to give you this orchid corsage. Come to Blunk's and see for yourself that you get MOST FOR your money in MOTOROLA TV.

AN ORCHID FOR YOU

From BLUNK'S AND MOTOROLA TV

Waiting for you at Blunk's from 1:30 P.M. Friday until 6:00 P.M. Saturday is a corsage of three gorgeous orchids — because we want you to share in the "ORCHID" won by the new 1951 line of Motorolas we very proudly announce that again in 1951 and for the second year Motorola TV has been awarded

The Fashion Academy Gold Medal for Distinctive Styling

FEATURING THE EXCLUSIVE NEW GLARE GUARD

THE CURVED ANTI-REFLECTION SCREEN

All TV sets have a safety screen protecting the picture tube. Room lights reflected from an ordinary screen "bounce" back into the viewers' eyes with an annoying glare. The curved surface of the new Motorola TV GLARE GUARD directs reflections DOWN towards the floor where you don't see them, reducing screen glare up to 98%.

BEAUTY PLUS BIG SCREEN

Simulated wood tones highlight the classic look of this 14 inch table model. Lifelike pictures are sharp, steady, even in "fringe" areas.

Model 19K3 \$269.95

Model 14T1 \$219.95

WORKING THE NEWS

by Carl Peterson

Manufacturers of men's clothes predict we're in for a loud and colorful spring, but in a "relaxed and comfortable sort of way." Appealing to the vanity of Homo Americanus will be a dazzling array of plaids and Hawaiian patterns, fluorescent shirts, sock suspenders and neckties. Sounds brighter than a sunspot's promises. There's no reason why the wage-earner shouldn't merit that blue serge suit to adopt a little identifying plumage, but most men are as conservative as a pawnbroker's estimate. Maybe what we need is a male revolution to prove we're not really as dull as we seem.

We are sorry to hear that Plymouth is losing two of its fine doctors. Dr. Lance Wright who has been called to active Navy duty; and Dr. Harold Brisbois who discontinues practice here to accept a position in industrial medicine and surgery for General Motors corporation. We have enjoyed working with these physicians and wish them much success in their new fields of endeavor.

A report from Rome, Italy, says that actor Orson Welles, "The Man from Mars," was bitten by a stray dog. It wouldn't dare! You don't dare take chances with your prescriptions. They should be brought only to a reliable dealer... with expert pharmacists in attendance. That's us. We've treated 500 times a month by those who depend on us for accurate prescriptions. So bring your prescription to PETERSON DRUG, 340 W. Ann Arbor Trail. Phone 2080.

Test Shop A&P

... And You'll See That Your Savings On A&P's Storewide Everyday Low Prices Are Far Greater Than On Just A Few "Week-End Specials"

There are more than 300 shopping days in the year, but an average of only 104 Fridays and Saturdays. So by offering low prices every day, instead of just on week-ends, A&P triples your chances to save money. What's more, by offering these everyday low prices on hundreds of items throughout the store, instead of on just a few "specials" here and there, A&P multiplies your chances to save money, many times. It's easy to see that this results in much bigger savings on your total food bill. Easy to see how much bigger, too. Simply test shop A&P by getting all your food and household needs here for a week. Then compare your total bill with what you normally spend. The difference in size will be a pleasant surprise.

All Prices Shown Here, Not Merely Grocery Prices, Are Guaranteed Wed., Jan. 31, through Tues., Feb. 6

Customers' Corner

Many customers have told us how impressed they are with the high caliber employees they meet in their A&P.

The reason so many high-type men and women are daily seeking jobs with A&P is simple:

A&P is a good place to work.

It has always been A&P policy to give employees good wages, hours, working conditions, vacations, pensions and other benefits.

We are proud of the employees who have done such a good job for our customers in the past; and we welcome applications from men and women who want to join us in serving the public even better in the future.

You will be rendering a real service to our present and future employees by giving them your suggestions for making A&P a better place to shop. Please write:

FIRST CHURCH OF CHRIST, SCIENTIST. Sunday services at 10:30 a.m. Sunday school, 10:30 a.m. for pupils up to 20 years. "Love" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, Feb. 4. The Golden Text (Zephaniah 3:17) is: "The Lord thy God in the midst of thee is mighty; he will save, he will rejoice over thee with joy; he will rest in his love, he will joy over thee with singing." Among the Bible citations in this passage, (Isa. 63:7): "I will mention the loving-kindnesses of the Lord, and the praises of the Lord, according to all that the Lord hath bestowed on us, and the great goodness toward the house of Israel, which he hath bestowed on them according to his mercies, and according to the multitude of his loving-kindnesses." Correlative passages to be read from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following (p. 258): "A mortal, corporal, or finite conception of God cannot embrace the glories of limitless, incorporeal Life and Love."

Lead Rocks to Top of League....

Walter Dzurus, Rocks' captain, makes another basket for the local quintet which has six victories to its credit. Dzurus is high point man on the team.

Forward Alan Finney gets set to throw another one through the hoop. Finney has come through with the winning shot in two close games this season and ranks second to Dzurus in points.

Redbirds Tie Ecneics for First

The Redbirds won their fifth contest in the "D" league Jan. 25 as they managed to down Austin Taxi 37-23. This was Austin Taxi's fourth defeat. Sackett and Miller led the Redbirds with 12 and 11 points, respectively. Wilts led Austin Taxi with nine points. The Optimists pulled up to a 500 percentage mark as they won their third game by downing the last place Bulldogs 37-24. Robinson and Davis paced the Optimists with nine points each. Hood led the losers with ten points. The Lakers won their fifth game to remain in a tie for first place as they defeated the Falcons 30-23 behind the 24 points of Biedt. The Falcons were paced by Swint with seven points.

Ken and Ork Win Third Game in F League

Ken & Ork won their third game in the "F" league Saturday as they favored the second place Optimists 41-6 behind the 18 point coming of Carter and the 13 points of Campbell. Davis & Lent pulled into second place as they trounced the last place Globetrotters 42-4. McKenna, Adams, and Smith all scored eight points each for the victors.

Merchants Down Printers 34-13

Plymouth Mail was set back to the 500 percentage mark Jan. 23 as they were victims to a 34-13 trouncing by the Northville Merchants. After playing even ball in the first quarter with the score being 4-4, the Merchants pulled away in the second quarter as they scored 19 points while holding the Mail scoreless. The second half was slow in scoring as Northville scored 11 points to the Mail's nine.

DeHoCo won their first game of the season last Thursday as they downed First National 47-41 in an overtime contest. DeHoCo had a two point advantage in the first quarter 13-11 and held this at halftime as each team scored 13 points. First National evened this up in the third quarter as they scored 12 points to DeHoCo's ten. The fourth period ended in a 41-41 deadlock as each team scored ten points. In the overtime DeHoCo scored three baskets while holding First National scoreless. Sleson was DeHoCo's high pointer with 12 counters followed by Gidley with ten. Newbauer lead First National in their sixth defeat with 16 points and Norman with 12. Hank Levering was the Merchant's top scorer with 11 counters. Brink and Cecil had four points each for the Plymouth Mail.

Permit Skating at Three Lakes

During cold weather, Plymouth has three lakes available for skating — Wilcox, Phoenix and Newburg. When these lakes are not safe for skating and the weather is still cold enough for ice, three places are maintained for children in the park. These are at Wilcox, Riverside Wading Pool and the softball diamonds just east of Haggetty road in Riverside park. Tobogganing is to be had at all times at the Cass Burton park just two miles north of Plymouth. The course is lighted and supervised. Anyone that would like information concerning skating or tobogganing call your recreation office, 2075.

Tait's Maintain No-Loss Record

Tait's Cleaners won its 10th game Tuesday, Jan. 23, as they ran over DeHoCo 61-22 as Huebner, Kettner and Becker accounted for 37 points. Tait's started to move in the first quarter as they racked up 22 points to DeHoCo's three. Tait's outscored DeHoCo in the second quarter 12-10, had a 34-13 lead at halftime. In the second half Tait's scored 27 more points to DeHoCo's nine.

Huebner was the top scorer for Tait's with 13 counters followed by Kettner and Becker with 12. Galley was DeHoCo's high point man with eight points. On Thursday, Jan. 25, Tait's had to fight through three quarters before downing Northville 59-41. The score was tied 13 all in the first quarter and in the second period Tait's had climbed to a three point advantage 22-20. In the third quarter the Merchants narrowed this by one point as the score was 41-39. However, in the last period, Northville tired out and scored only two points while Tait's pushed 13 counters through the hoop with Becker accounting for 10 of these. Becker racked up 23 points for the victors followed by Huebner with 19. Levering and Pottinger led Northville in their defeat with 12 points each.

Gow Ends Sports Career at PHS

One of the greatest athletic careers ended in Plymouth High school at the closing of the first semester as Bob Gow played in his last athletic contest in the game against Belleville. Gow completed his studies in January and is ineligible for further competition. Bob was one of the few athletes of Plymouth High school to receive nine letters, the most that may be received. He received his letters in football, basketball and baseball. His last year in football was Bob's best as he was selected for the All-league team, second team, all-suburban, honorable mention for all-state and was elected most valuable player on the squad.

Gow has been a consistent player in basketball. Although not a high scorer, Gow is especially good on team work and defense. The third sport that Bob participated in was one of his best. Plymouth high baseball squads have had one of the outstanding catchers around here for the last three years. Bob also excelled in recreation league ball. The Rocks athletic teams will miss the fine services of Bob Gow who has been an outstanding athlete at Plymouth high for three years. Hats off to Bob Gow, one of the best.

Play Last Game for Rocks.....

Jerry Huddleston, left, and Bob Gow, key players for Plymouth High, played their final game last week when the Rocks met and defeated Belleville. The two, who have contributed greatly to the Rocks' no-loss record, completed their studies in January. Gow has received nine letters in athletics, all that can be earned.

Rocks Hold League First Place by Defeating Belleville 38-28

By defeating the last place Belleville quintet 38-28 last Thursday, the Rocks are still leading the 6-B league with six victories against no defeats. It is the sixth week that the Rocks have been the pacemakers for the rest of the league. Belleville started off the game with two quick baskets and built up an eight point lead in the opening minutes of the game. After calling a time out the Rocks settled down and found the range and took over the lead early in the second period 17-15. With Alan Finney and Wally Dzurus hitting baskets for two pointers, Plymouth built up a six point margin at the half. Belleville came back fighting in the second half and at one stage of the game came within four points of tying the game up. With two minutes remaining in the game Coach John Sandmann substituted Gary Suckow for Bob Gow who received a tremendous ovation from the fans as this was Bob's last high school contest. Wally Dzurus was the night's leading scorer with 15 points followed by Al Finney with nine. Tomorrow, Friday, the Rocks meet a powerful Ypsilanti five who have suffered a previous defeat to the Rocks, the game being played on the Rocks' court.

Why Park in the Street?

When attending services, or coming to pay your respects here at the Schrader Funeral Home, it is not necessary to park in the street, perhaps at a considerable distance, in the dark, and in inclement weather. We provide private parking facilities, right on our own property, for your safety and convenience.

TO THE SUPERVISOR AND HIGHWAY COMMISSIONER OF THE TOWNSHIP OF CANTON, WAYNE COUNTY, MICHIGAN.

Sirs:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held Thursday, January 11, 1951, decide and determine that the certain road described in the minutes of said Board should be a County road under the jurisdiction of the Board of County Road Commissioners. The minutes of said meeting fully describing said road are hereby made a part of this notice, and are as follows:

Minutes of the meeting of the Board of County Road Commissioners of the County of Wayne, held at 3800 Cadillac Tower, Detroit, Michigan, at 10:00 a.m., Eastern Standard Time, Thursday, January 11, 1951.

Present: Commissioners O'Hara, Wilson and O'Brien.

Commissioner Wilson moved the adoption of the following resolution:

BE IT RESOLVED by the Board of County Road Commissioners of the County of Wayne that the following described road be, and it hereby is, taken over as a county road and made a part of the county road system of the County of Wayne:

All of NEWTON ROAD as dedicated in Wayne's Standard of the W. 1/2 of the W. 1/2 of the S.W. 1/4 of Sec. 29 T2S, R9E, Cont'd Twp. Wayne Co., Michigan as recorded in Liber 72 of Plats on Page 45, Wayne County Records, being all 0.115 mile of subdivision street.

The motion was supported by Commissioner O'Brien and carried by the following vote:

Ayes: Commissioners O'Hara, Wilson and O'Brien. Nays: None.

Heads Committee for U-M Course

Heading a committee of physicians and surgeons representing the Michigan Osteopathic Medical Association, Dr. Harry C. Balfour, local eye, ear, nose and throat physician, has arranged for an intensive course in psychopathology and psychotherapy to be given to members of the association by the Rackham School of Graduate Studies of the University of Michigan.

This post-graduate course which will be given at Ann Arbor starting February 15 was requested by the committee in order that physicians may improve their skill in the diagnosis and treatment of the many physical symptoms and diseases caused by emotional conditions and situations; and also, because of the war situation, to better prepare general practitioners to share the burden of psychiatrists and clinical psychologists in the treatment of a large number of cases of war neuroses and other emotional disorders which may develop amongst the civilian population should the Michigan area suffer bombing attacks.

The subject matter of the course was selected and coordinated into a unit course by Dr. Max L. Hutt, chief clinical psychologist to the University hospital and associate professor of psychology at the Rackham School of Graduate Studies.

Janet Millross, John Kenwick Wed In Candlelight Service

At eight o'clock on Saturday evening, Jan. 20, Janet Millross, daughter of Mr. and Mrs. Leonard Millross, spoke her nuptial vows to John Kenwick, son of Mr. and Mrs. Glenn Kenwick of Northville.

The ceremony was performed in the First Baptist church with the Reverend A. K. McRae of Northville officiating. Large bouquets of white gladioli, mums, and palms formed a background for the candlelight service. Earl Roberts sang "Because" preceding the ceremony.

For her matron of honor the bride asked Mrs. John Hancock. Her gown was of orchid satin over net and her flowers were of red roses in a colonial bouquet. Miss Clara VanBom of South Lyon and Miss Hazel Darnell of Plymouth were her bridesmaids. Both wore gowns of green satin over net identical to that of the matron of honor. They also carried colonial bouquets of red roses. David Millross, a brother of the bride, was the ringbearer. The best man was Bruce Kilstrom and bridesmaids were George Carroll and Edward Millross, Jr., and a member of the church.

The bride and groom were accompanied by the bride's parents, the groom's parents, and the bride's sister, Mrs. Millross, who is a graduate of the University of Michigan. The bride and groom were accompanied by the bride's sister, Mrs. Millross, who is a graduate of the University of Michigan. Hints For Plymouth Homemakers

Serve Fish When High Meat Prices Upset Food Budget

Fish is a good choice for the main dish of dinner these days when soaring meat prices upset the food budget. Although the cost of fish may increase it won't climb as rapidly as meat if the usual pattern is followed.

Plymouth housewives have a wide enough variety of fish from which to choose to permit serving it several times a week. There are fresh fish from Manitoba, Lake Superior and Lake Erie, as well as fish from the ocean. In addition, there are many kinds of frozen fish.

Remember what their source, fish supply high-grade protein.

Building tissue and blood. They provide the same protective minerals and vitamins found in meat and in addition to this, the fish which come from salt water carry important amounts of iodine which is essential to the health of the thyroid gland.

Probably more people would relish the harvest of the water if fish were always properly prepared. The important rule to remember, no matter what the method of preparation, is gentle cooking.

A short cooking period at a relatively low temperature develops the flavor to the peak, makes the flesh tender, and cooking dries out fish and toughens it.

Here's a convenient time table which gives the approximate cooking time for various methods of preparation, but remember to allow extra time for cooking frozen fish. 2-3 POUNDS

Boston Baked Beans Served With Molasses Distinction

Come Saturday night, many a New England household sits to a repast of appetizing, molasses-sweetened baked beans plus brown bread. Since to savor these two foods is to pass the word along, enjoyment of them has spread across the country. The molasses called for in the baked bean dish is unsulphured... the sweet, aromatic kind New Englanders have been using since colonial days.

Here are the steps to make a savory baked bean dish for the family. The canned brown bread may be sliced and served hot or cold.

Baked Beans (Quick Method)

4 cups (2 lbs.) dried beans
Cold water
1 large onion
4 teaspoons salt
2 1/2 cup unsulphured molasses

Wash beans. Cover generously with cold water; soak overnight. Add onion, salt, and if necessary, additional water to cover beans; bring to boiling point in covered saucepan. Remove onion; reserve. Simmer beans until tender. Drain; save 3 cups bean liquid (add additional water to make 3 cups, if necessary). Mix bean liquid with molasses, pepper, mustard, and Worcestershire sauce. Turn beans, onion, and salt pork into large casserole or bean pot. Add liquid mixture. Cover. Bake in moderately slow oven (325°F.) 1 1/2 hours. Uncover. Lift pork to top of beans; bake 20 to 25 minutes to brown pork. YIELD: 16 servings.

Old Fashioned Baked Beans

Simmer beans only until beans are half done (skins break). Bake in slow oven (300°F.) 6 to 8 hours.

Most Corduroy Washes Easily

Clothes made from vat-dyed and sanforized shrunk corduroy are truly washable. Because the colors are fast, you may put vat-dyed corduroys in the washer with other things. However, corduroy does pick up lint. This corduroy will even stand the treatment of quite hot water needed to get play clothes clean.

A five-minute washing period with regular laundry soap or synthetic detergent is usually sufficient. The nap of corduroy crushes easily so it is advisable to loosen the wringer rolls or you may prefer to lift the garment from the machine and let it drip dry. Run a spin dryer just long enough to get the water out of the garment.

Give the garment a good shaking before you hang it up, this helps to fluff up the nap and get the wrinkles out. Then straighten and smooth out the garment and hang it to dry. Tailored clothes will keep their shape and dry best on coat hangers. A good brushing to smooth the nap may be sufficient for play clothes. For good appearance it is advisable to press tailored garments. Use a steam iron and press from the wrong side or use a dry iron with a dampened cotton pressing cloth against the wrong side of the garment. Press gently with a moderately hot iron.

St. Paul's Evangelical Lutheran Church Cordially Invites You to its CHURCH SCHOOL DEDICATION

15218 Farmington Road, Livonia;

February 4, 1951, at 3 P. M.

St. Paul's Evangelical Lutheran Church deems it a privilege and a duty to dedicate its fine new school to Christian education. It is its wish that this community will be better served through the Christian training which it offers.

The modern, two-classroom building is but the beginning of a larger school and educational program. The new school is planned to accommodate 70 pupils and is complete with library, office, and a large playground. Unusually large window areas give maximum sunshine and light. A hot water, radiant heating system permits even heat distribution and helps to maintain cleanliness.

The congregation of St. Paul's Evangelical Lutheran Church is happy at the completion of its new school and hopes that you will join it in dedicating it to the service of our Lord.

25 Years Ago

Father and Son Week has come to be a fixture in the year's program. This year, the week of February 8-15, has been set apart for the churches to hold such meetings as they see fit, with the following week reserved for other organizations.

Rev. Charles Wesley has been appointed to the charge of St. John's Episcopal mission church of this village, and last Sunday was his first Sunday in that charge.

The annual meeting of the Wayne County League of Women Voters held Tuesday in the Book-Cadillac, was attended by the following members of Plymouth branch: Mesdames Phoebe L. Patterson, George Robinson, Mary Hillmer, R. A. Cassidy and Misses Mary Conner and Lina Durfee.

George Rattenbury will open a new meat market in the corner store of the Plymouth Hotel block Saturday, January 30.

Alton J. Richwine, who has been connected with the H. S. Lee Foundry & Machine Co. for the past three years, has severed his connections with that company, effective February 1, and will engage in the public accounting business, with offices in the Florence Building, Perry Richwine who is at present engaged in the tax work in Detroit, is becoming associated with his brother in the new business, which will be known as "Richwine Bros. Commercial Service."

meeting the Dearborn Rotarians met, the joint meeting, with the Plymouth Rotary organization. The entire program was given by the Plymouth Rotarians.

Last Thursday evening was Charter Presentation night for the Kiwanis club of Plymouth. The local club was sponsored by the Kiwanis club of Ypsilanti, and a large number of the members of the Club and representatives from the Kiwanis Clubs of Detroit, Pontiac, Dearborn, Ann Arbor, and other places were present for the occasion. The district Governor, John A. Mustard, presented the charter to the Plymouth group.

Mr. and Mrs. Edson O. Huston, Mr. and Mrs. Austin Whipple and Oscar Huston were guests of Mr. and Mrs. Elmer Huston of Birmingham, last Sunday.

Mr. and Mrs. Earl Mastick left Sunday for a motor trip to Florida. They expect to be gone for several days.

Mr. and Mrs. W. T. Pettingill and Mrs. Ida M. Dunn were dinner guests of Mr. and Mrs. J. G. Gandy in Detroit, last Sunday.

Miss Elizabeth Beyer was the guest of Detroit friends over the weekend.

The Lutheran Ladies' Aid society will hold a thimble party in the church basement, Wednesday afternoon, February 3. Mrs. Fred Bullen and Mrs. Walter Westfall will be hostesses for the afternoon.

Misses Norma Jean and Dorothy Roe attended the birthday party of Charlotte Joffe in Plymouth.

Robert Simmons having partially recovered from an injury to his limb, is able to be in school.

At the last Chamber of Commerce meeting, Tuesday evening, Sidney D. Strong presented the board with a blueprint of a municipal playground to be located on the grounds in the rear of the Presbyterian church and fronting upon Church street. It is planned to set out shrubbery to beautify the grounds, and install apparatus of all kinds for the benefit of the younger children. Their play would be under the supervision of a playground instructor during the summer months. At the same meeting, the following committees were appointed to look over the village budget, and the affairs of financing: C. H. Bennett, Otto Beyer, J. B. Hubert, J. M. Larkins, Ed Gayde, E. K. Bennett, George H. Robinson.

The manual training department of the high school is putting on an entertainment for the purpose of procuring funds for the purchase of a new band saw. The machine will save many operations in the woodworking instruction, which makes this tool a necessity, and for that reason the manual training department is undertaking the purchase of the saw for the school.

10 Years Ago

A new all-time high in attendance has been reached in the Plymouth public schools with a total enrollment for the second semester of 1930, an increase over last February's enrollment of 117 students when the total registration was 1,813 students.

Federal aid for an addition to the Plymouth high school has been requested by the Plymouth board of education to meet the problem of rapidly increasing school attendance. George A. Smith, superintendent of schools, announces.

A number of parcels of land in Plymouth, which have been previously offered for sale and on which no bids were received, will be re-offered for sale at public auction at the state land office at 1209 Washington boulevard, Detroit, on Friday morning, February 2, at 9 o'clock.

John Blyton of Taylor and Blyton's department store will leave Sunday, February 2, to attend the 39th semi-annual merchandise mart at Chicago and to secure new spring merchandise.

Several new classes and a new enlarged students' library are being organized in the women's division of the Detroit House of Correction, according to Miss Grace Travis, supervisor. The new classes

include instruction in book binding, sewing classes for babies' layettes and children's clothing, designing greeting cards for Easter and special occasions, and candy making. The new library to serve the 255 inmates of the women's division includes hundreds of books contributed from the Detroit schools.

Six candidates have filed petitions to enter the city's spring election on April 7. Those seeking a place on the city commission are George Robinson, L. E. Wilson and Warren Worth, present incumbents seeking re-election; and Robert Joffe and J. Rusling Cutler. Constable George Springer, incumbent, has filed petition for reelection as constable.

Mr. and Mrs. M. G. Blunk will be hosts to the following at a co-operative dinner and evening of "500" on Tuesday evening: Mr. and Mrs. Harry Mummy, Mr. and Mrs. Harry Brown, Mr. and Mrs. George Howell, Mr. and Mrs. Emerson Woods, Mr. and Mrs. LeRoy Jewell, Mr. and Mrs. Arthur Blunk of Plymouth, and Mr. and Mrs. Louis Frederick of Farmington.

J. Merle Bennett was re-elected chairman by the members of the city planning commission at the regular monthly meeting last Monday evening. Bennett has been chairman of the commission since its inception on November 8, 1931.

Mr. and Mrs. Ralph West will entertain the following guests at dinner and bridge, Saturday: Mr. and Mrs. Kenneth Harrison, Mr. and Mrs. Frank Pierce, Mr. and Mrs. Harvey Springer, Mr. and Mrs. E. C. Drews and Mr. and Mrs. E. M. Moles.

At 7 p.m. Saturday evening, Jan. 25, Myrilla Marie Savery, daughter of Mr. and Mrs. Coda J. Savery, became the bride of Edwin A. Schrader, son of Mr. and Mrs. Frederick D. Schrader, at a wedding ceremony performed in the Wesley chapel of the Methodist Episcopal church in Detroit.

The Rev. Charles B. Allen reading the service.

Mary Lou Macbray celebrated her sixth birthday, Tuesday afternoon having six little girl friends for guests and lunch.

Mr. and Mrs. Glenn Jewell plan to entertain their supper bridge club Monday evening in their home on Northville road. The guests will be Mr. and Mrs. Thomas W. Moss, Mr. and Mrs. Ralph Lorenz, and Mr. and Mrs. John T. Noble, Jr.

Mr. and Mrs. Fred Bullen will be hosts to the following group at a co-operative 6:30 dinner and evening of "500" this Friday evening, in their home on Burroughs avenue: Mr. and Mrs. O. F. Beyer, Mr. and Mrs. Paul Wiedman.

Mr. and Mrs. William Gayde, Mr. and Mrs. Earl Mastick, Mr. and Mrs. Floyd Burgett, Mr. and Mrs. Carl Hartwick, Miss Clara Wolff, Miss Amelia Gayde and Miss Sarah Gayde.

Men talk as if victory were something fortunate. Work is victory. Wherever work is done, victory is obtained. —Emerson

the Railroads **RESPECT...** **What is the TRUTH?**
the Labor Unions **REPUDIATE** **this agreement!**
seek to

At various states in the present dispute with the brotherhoods of railroad operating employees
... the railroads agreed to arbitrate. The union leaders refused.
... the railroads accepted the recommendations of President Truman's Emergency Board. The union leaders refused.
... the railroads accepted the White House proposal of August 19, 1950. The union leaders refused.
Finally an Agreement was signed at the White House on December 21, 1950. Now the union leaders seek to repudiate the Agreement.
The railroads stand ready to put the terms of this Agreement into effect immediately, with back pay at the rates and date indicated.
The Agreement is given in full below.

MEMORANDUM OF AGREEMENT

Washington, D. C.
December 21, 1950

1. Establish 40 hour week for yardmen with increase of 23 cents effective October 1, 1950, and additional 2 cents effective January 1, 1951.
2. Set aside 40 hour week agreement until January 1, 1952, and establish 6 day work week for yardmen. Effective with the first pay roll period after 30 days from the date of execution of the formal agreement, yardmen required by the carrier to work on the 7th day to be paid overtime rates except engineers who shall receive straight time rates for the 7th day. This does not create guarantees where they do not now exist. On and after October 1, 1951, three months' notice to be given of desire to go on 40 hour week. Provide for consideration of availability of manpower and 4 cents per hour if and when the 40 hour week actually becomes effective.
3. Settle rules for 40 hour week and 6 day week.
4. Grant yard conductors and brakemen other rules such as daily earnings minimum, car retarder operators and footboard yardmasters as recommended by Emergency Board No. 81.
5. Settle following rules:
Initial Terminal Delay (Conductors and Trainmen)
Interdivisional Runs
Pooling Caboose (Conductors and Trainmen)
Reporting for Duty
More than One Class of Service
Switching Limits
Air Hose (Conductors and Trainmen)
Western Differential and Double Header and Tonnage Limitation (Conductors and Trainmen, all Territories)
6. Road men to receive 5 cents per hour increase effective October 1, 1950 and additional 5 cents per hour increase effective January 1, 1951.
7. Quarterly adjustment of wages on basis of cost

of living index (1 point to equal 1¢ per hour. First adjustment April 1, 1951. Rate to be 176).

8. Agreement embodying principles applicable to yardmasters to be entered into for benefit of yardmasters.

9. Effective October 1, 1950, the basic hours of dining car stewards shall be reduced from 225 to 205 hours per month; no penalty overtime to accrue until 240 hours have been worked, the hours between 205 and 240 to be paid for at the pro rata rate.

Effective February 1, 1951, overtime at time and one-half shall accrue after 220 hours have been worked. The basic monthly salary to be paid for the 205-hour month shall be the same as that now paid for the 225-hour month. Except that four dollars and ten cents (\$4.10) shall be added to the present monthly rate effective January 1, 1951.

10. In consideration of above, this agreement to be effective until October 1, 1953, and thereafter until changed or modified under provisions of Railway Labor Act. Moratorium on proposals for changes in wages or rules until October 1, 1953, as follows:

No proposals for changes in rates of pay, rules or working conditions will be initiated or progressed by the employees against any carrier or by any carrier against its employees, parties hereto, within a period of three years from October 1, 1950, except such proposals for changes in rules or working conditions which may have been initiated prior to June 1, 1950. Provided, however, that if as the result of government wage stabilization policy, workers generally have been permitted to receive so-called annual improvement increases, the parties may meet with Doctor Steelman on or after July 1, 1952, to discuss whether or not further wage adjustments for employees covered by this agreement are justified, in addition to increases received under the cost of living formula. At the request of either party for such a meeting Doctor Steelman shall fix the time and place for such meeting. Doctor Steelman and the parties may secure information from the wage stabilization authorities or other government agencies. If

the parties are unable to agree at such conferences whether or not further wage adjustments are justified they shall ask the President of the United States to appoint a referee who shall sit with them and consider all pertinent information, and decide promptly whether further wage increases are justified and, if so, what such increases should be, and the effective date thereof. The carrier representatives shall have one vote, the employee representatives shall have one vote and the referee shall have one vote.

11. If the parties cannot agree on details of agreement or rules they shall be submitted to John R. Steelman for final decision.

The usual protections for arbitrators, miscellaneous rates, special allowances, and existing money differentials above existing standard daily rates will be included in the formal agreement.

** The foregoing will not debar management and committees on individual railroads from mutually agreeing upon changes in rates, rules and working conditions of employees covered by this agreement.

GOOD HEALTH TO ALL FROM REXALL

Roger Babson Says --

Babson Says "Don't Get Excited"
Washington, D. C., Feb. 1.—During the last war many young men gave up their jobs, or closed out their businesses, before it was necessary. I said at the time they were making a big mistake.

Avoid Hasty Action
Filling stations, for which a good trade had been built up, were sold in the early 1940's for one-half their value or less. In fact, I then often said in this column that "closed filling stations are the best real estate investment which a person could make." Well, the fact is that these gas stations now are selling at three or four times what those panic-stricken G.I. men sold them for ten years ago. The same applied to other businesses which could well have been carried on by some relative or friend. So don't do something foolish now. But then there was a real war on; but no World War III exists

today. It may be many years before such a war comes; and much could happen in the meantime. Congress has not even passed the Compulsory Military Training Bill. Because President Truman of Harvard has written a scary article on Military Training for ALL 18-20 years old in a national magazine is no reason why a young man should suddenly change his life plans by giving up college or a good job. Besides, even if he is inducted for two years, these years will go very quickly. If you doubt this, just look back two years.

Business Very Different Today
Conditions are very different now than in 1940. There are now 10,000,000 more people in the United States. This means not only 10,000,000 potential customers but your chance of being drafted is proportionately less. The national income is now about double what it was at the beginning of World War II. People now have better health, better education and better wages. Don't look back to what happened before World War II. Forget those days and recognize you are living in an entirely different age.

Although manufacturing is passing into bigger units, this is not true of merchandising and service businesses. There are more successful independent merchants today than ever; while attempts to make chains of dry cleaning, beauty, and specialty shops have failed. Therefore, don't get panicky and sell out your business just because of war threats, labor troubles or competition. Remember that for every one who gets

scared and sells out, there is so much more opportunity for those who stick. Only don't borrow money to do so. Keep out of debt.

Final Advice

Whatever you do or don't do, take up some systematic study to enable you to do better work for yourself or your employer. Write tonight to your State University for a list of its Extension Courses. Some of these courses are truly "gold mines." Pick out one or more and "dig in" at once. They will not only help you in forgetting ahead here at home but will go a long way to prevent you from being used as cannon fodder abroad.

Proclamation

WHEREAS, February 8, 1951 is the 41st Anniversary of the founding of the Boy Scouts of America, chartered by the Congress of the United States, as a program for all boys of America, and

WHEREAS, the Boy Scout program has affected the lives of 17,750,000 American boys and men since 1910, and at present has an active enrollment of 2,750,000—and

WHEREAS, the Boy Scouts of America, a great force in right character and good citizenship, marks its 41st anniversary with a program of increased training in First Aid, Firemanship, Public Health, Lifesaving, Safety and other typical Scout Skills to better serve their families and friends, their Community, State and Nation in any emergency in peace or war, and

WHEREAS, the Scouts of this area are also participating in a Citizenship program, culminating in a mammoth rally late this Fall, which will help produce for our municipality "Men of Character"—trained for Citizenship.

NOW THEREFORE, I, Cass S. Hough, Mayor of the city of Plymouth do hereby proclaim the week of February 6th to 12th as Boy Scout Week and urge our citizens to recognize the patriotic volunteer service being rendered to our community by these unselfish Scout leaders, and to help, in all ways to further this wholesome youth program.

IN TESTIMONY WHEREOF, I have hereunto signed my name, officially and caused the seal of the City of Plymouth to be affixed, this 25th day of January, 1951.

Cass S. Hough, Mayor

Whenever an individual or a business decides that success has been attained, progress stops. Thomas J. Watson.

Success is nothing but a good idea coupled with hard work. —Balzac

Canine Capers Trouble Police

Plymouth is going to the dogs. At least so thinks City Hall employee Mary Ann Bonnette, "most complaints police get these days concern dogs—snarling dogs, stray dogs, lost dogs, homeless dogs, unfriendly dogs—now there was an unusual situation. The Case of the Unfriendly Dog: ever hear of it? Well, this unfriendly pooch refused to let its master into the garage, so he called for police help.

It seems police receive dog complaints averaging about a dozen per week. They stem from mail carriers, store owners and just annoyed citizens. The usual procedure is for police to investigate the complaint and to impound the misbehaving enter at Dr. Ted Cavell's dog house at 930 East Ann Arbor road.

"Really," sighed Police Chief Carl Greenlee, massaging a hip scarred from an encounter with an over affectionate canine. "Really, man's best friend has vicious methods of indicating its esteem at times. You might say, it's a doggy situation."

Hold Funeral for Mrs. Mary Avery

Mrs. Mary Elizabeth Avery, wife of Delbert Avery, Sr., passed away January 16 at her home in South Lyon following a heart attack. She was a resident of the Plymouth area for several years before moving to South Lyon.

Funeral services were held January 19 at 2 p.m. from the Phillips Funeral home in South Lyon with the Rev. James Roberts officiating. Burial was in South Lyon cemetery.

Surviving, besides her husband, are two daughters, Mrs. Nabel Evans of Plymouth, and Mrs. Frank Volkmann of Warren; one son, Delbert Avery, Jr., of South Lyon, ten grandchildren and three great-grandchildren.

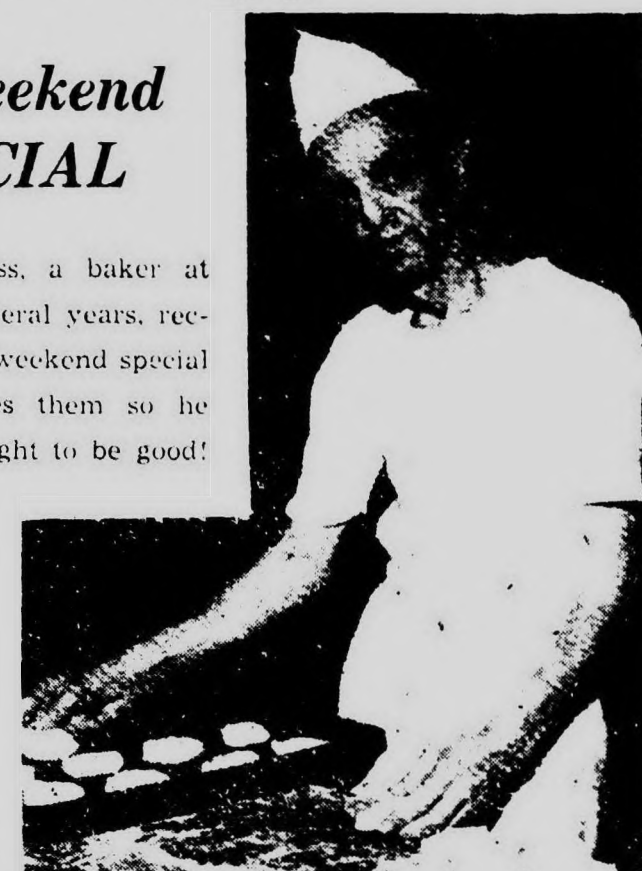

Mrs. Avery was born August 11, 1875, in Whitland, Michigan, the daughter of the late Lansing and Emma Evans. She was married to Mr. Avery in 1895 near Belleville. The couple celebrated their 55th wedding anniversary last August. She was a member of the Wayne Memorial church and the South Lyon chapter of Women's Christian Temperance Union.

one wrong...

but 76 right!

Michigan State Highway Department officials weigh every large truck entering Michigan at key points carefully selected for high percent of traffic control. Only one truck in 77 weighed is a violator of weight laws.

Although the proportion of violators is not overwhelming, Michigan's recognized motor carriers are even more anxious than you to have that one weight pirate in 77 stopped. In fact, we wrote and sponsored legislation designed to stop him.

We're anxious to stop him because we pay his bills. Gasoline, weight, and other special taxes paid by Michigan commercial vehicles last year totaled nearly \$30,000,000 — 2 1/2 times the total cost of maintaining all the state's trunk highways last year. Reducing highway costs will reduce our taxes — and yours.
