

CORPORATIONS GAIN COMMUNITY LOSS.

Read with both pleasure and regret the announcement that Dr. Harold Brisbois had decided to give up his private practice in Plymouth to become medical director of the vast hydramatic plant of the General Motors Corporation located on Plymouth road.

To be selected for such an important medical post by one of the country's greatest and most successful industrial organizations is an unusual honor and distinction—a high testimonial as to his ability and professional reputation.

But the announcement that Dr. Brisbois will terminate his local practice is a distinct shock and a loss that the city can ill afford at this time. By a devotion to his profession and strict attention to business, Dr. Brisbois after locating in Plymouth quickly built up a medical practice that would be highly satisfactory to any physician. His retirement from the local medical field will be regretted by many people, many who have not been his patients.

To wish him success in his new field of endeavor is but an empty assertion. His success with the General Motors is a foregone conclusion. But we do predict, however, that he will go high in the medical circles of this great corporation.

With the decision of Dr. Brisbois to accept this new work and the entrance into military service of Dr. Lance Wright, an additional burden has been thrown upon the remaining doctors of Plymouth. Fortunately for this city, Plymouth is blessed with a high standing medical group that has never failed in carrying out its responsibilities.

THE TRUTH AND NOTHING BUT THE TRUTH.

When Dr. Ruth Alexander, well known economist and writer, told an audience at a Detroit Town Hall meeting recently that "What the state gives away, it takes away," she stated a truth that cannot be disputed, but nevertheless goes unheeded.

Every dollar Plymouth gets back from the state or federal government is from money that was originally paid to the state or federal government by citizens of the city of Plymouth.

But Plymouth, like every other governmental unit that is paid money for various purposes by the state or federal government, gets back only a small portion of the dollar it paid out. You see the state and the federal government in order to pay the hordes of political job holders we all support, takes a good sized cut out of those dollars before it returns a few remaining cents out of the dollars back to Plymouth or some other governmental unit.

This "government aid" business was an idea that spread like wildfire during the early days of the New Deal. Taxpayers just couldn't seem to realize, any more than they do at the present time, that these dollars the local communities get back from the government, ALL comes out of the pockets of the taxpayers of Plymouth and the rest of the country.

But the miserable part of the whole racket lies in the fact that Michigan tax dollars are frequently used in states where it is necessary to get votes that count. In other words this government aid business is nothing more than a vote-getting set-up that we pay for.

"I AIN'T GOIN' TO TELL YA."

It is about time some one in Washington wakes up to the necessity of deciding whether a bunch of crooked racketeers who are aided and abetted in their law defiance by a lot of cheap, money-grabbing lawyers who in my mind belong in the shyster class, are more powerful than the United States government or whether they shall be punished for their defiance.

What a sickening thing it is to read in the newspapers day after day of some crook grown rich out of gambling, thievery, mob rule and general defiance of the law, who stands up before a United States senate investigating committee and refuses to answer questions that are lawfully asked him.

"I ain't going to tell ya anything because it might get me in bad," said one rich racketeer to a senate committee recently.

Tell me, what kind of a mess have we got in Washington that will not take steps to remedy such a situation?

Reports say some of these crooks will be cited for contempt of the senate. The penalty is a fine of a few hundred dollars and maybe a year in prison, if the crook is convicted in some court that has respect for our government and its institutions.

Why not pass a law that makes it a penalty for ANY crook to refuse to answer questions asked him by any committee that represents the congress of our United States? Why not make the penalty for refusal to answer these questions a confiscation of all known property held by the sneering witness, plus a prison sentence of 10, 20 or more years?

Maybe the enactment of such a law might do some good. Of course some pettyfogging, shyster lawyer will immediately say that such a law would deprive an individual of his rights as a citizen.

Well—why would it? Doesn't the government require you and I and every one else to swear under oath once every year just where every dollar we get comes from—and doesn't it require us to tell where we spend our dough?

Sure it does—and no one ever kicks about it. We regard it as a DUTY as a citizen of this country to set forth all of the facts that the government asks about our income.

And that is why it is so disgusting to us to read in the newspapers day after day of continued defiance by racketeers of the government that seeks from them the same information that you and I hire tax accountants to provide the government with each year.

We hope there is some member of congress brave enough to step forth with a bill that can be enacted into law which will provide proper punishment for these crooks who get a big laugh out of making "monkeys" out of members of congressional investigating committees.

EASY COME, EASY GO.

There is an old saying that if money comes easy, it goes easy. That's just about the situation as it applies to the state government at the present time.

The state is taking more money out of the pockets of the taxpayers than ever before. But because of the easy come, easy go policy, millions of these dollars—in fact only a small part of it—can be used by the state government.

By our foolish voting, we have restricted its use for certain purposes and diverted much of it to various local governmental units that have so much cash on hand they do not know how to spend it. Meanwhile the state government keeps adding to its payrolls and expense accounts to such an extent that there is little of the cash left for badly needed public improvements.

State institutions, highways, lake harbors, and conservations problems have been and are all neglected, all due to diverted state funds.

Michigan could easily become a leader among all the states in road improvements, in all of its activities if its income could be used as it should be. For this shameful condition, blame no one outside the pressure groups who have time and again misled and misinformed the voters about state funds.

Maybe some day we will wake up to the plight we have brought about in Michigan's financial situation.

Plan to Widen Main at Trail

Plans are underway for the widening of Main street from Ann Arbor trail to Brush street, following the city commission meeting Monday night. The City Planning Commission submitted a plan for widening Main on the west side by seven feet, and the city commission accepted the plan.

Hearings on the widening plan will be announced. The widening will facilitate through traffic in the downtown area and eliminate the bottleneck at the intersection at Ann Arbor trail and Main.

The commissioners considered the possibility of widening on both sides of the street but present building lines on the east side make the move impossible at the present time. The estimated cost is \$22,500.

Scouts Celebrate 41st Birthday

On last Monday Boy Scout Week began. This is the annual celebration of the founding of Scouting in the United States. On the 8th, Scouting is 41 years old and Scouting was started in Plymouth 39 years ago. Plymouth's Scoutmaster is that old, as usual the three Scout troops in Plymouth are doing their share to call the anniversary to people's attention. Each troop has a display in a store window. The Methodist Troop P-1, has a window in Taylor & Blyton's. The Rotary Troop P-3, has Davis & Lent's window, and the Presbyterian Troop P-4, has Huston's window.

On Scout Sunday the boys draw attention to the 12th point of the scout law, which says—"A Scout is reverent. He is reverent toward God. He is faithful in his religious duties, and respects the convictions of others in matters of religion and religion." The boys of P-4 will usher at the morning service at the Presbyterian church. And the members of P-1 and P-3 will attend the 11 o'clock service at the Methodist church.

In addition to this, Troop P-3 will have their annual potluck supper and open house on Monday evening, February 12. Parents and friends of the troop and post will be guests. Seven or eight boys will be sworn in as Tenderfoot Scouts by Chief Strong Beaver and his Braves and a number of Explorers will be inducted into the Explorer Post by A.D.C. Explorer Coordinator J. Huddleston.

The three existing Scout organizations in Plymouth have a continuous record of service that is something to be proud of. The youngest is P-4, and that troop is over 18 years old. The next is P-3, which is over 22 years of age, and the oldest is P-1, which dates from 1922—28 years ago. Second generation Scouts are no longer a novelty in these groups. Many of the boys who have been members still live here and serve their community.

World Prayer Day Set for Friday

As the Lenten season opens, members of 11 local churches will join in a World Day of Prayer this Friday, February 9, at the First Presbyterian church at 8 p.m.

The churches include the Assembly of God, First Baptist, Church of God, Latter Day Saints, St. John's Episcopal, First Methodist, First Presbyterian, Salvation Army, Newburg Methodist, Church of the Nazarene and the Redeemed Gardens Presbyterian church.

A former missionary, Mrs. Blanche Edwards Mesley, will be the guest speaker. A sextet from Newburg will give special music.

U-M Professor Banquet Speaker

Professor Arthur A. Brandon, University of Michigan relations counselor since 1946, will be the guest speaker at the University of Michigan club's All-College banquet February 15.

Professor Brandon is a past president of the American College Public Relations association and author of several books and articles on education, youth, problems and public relations.

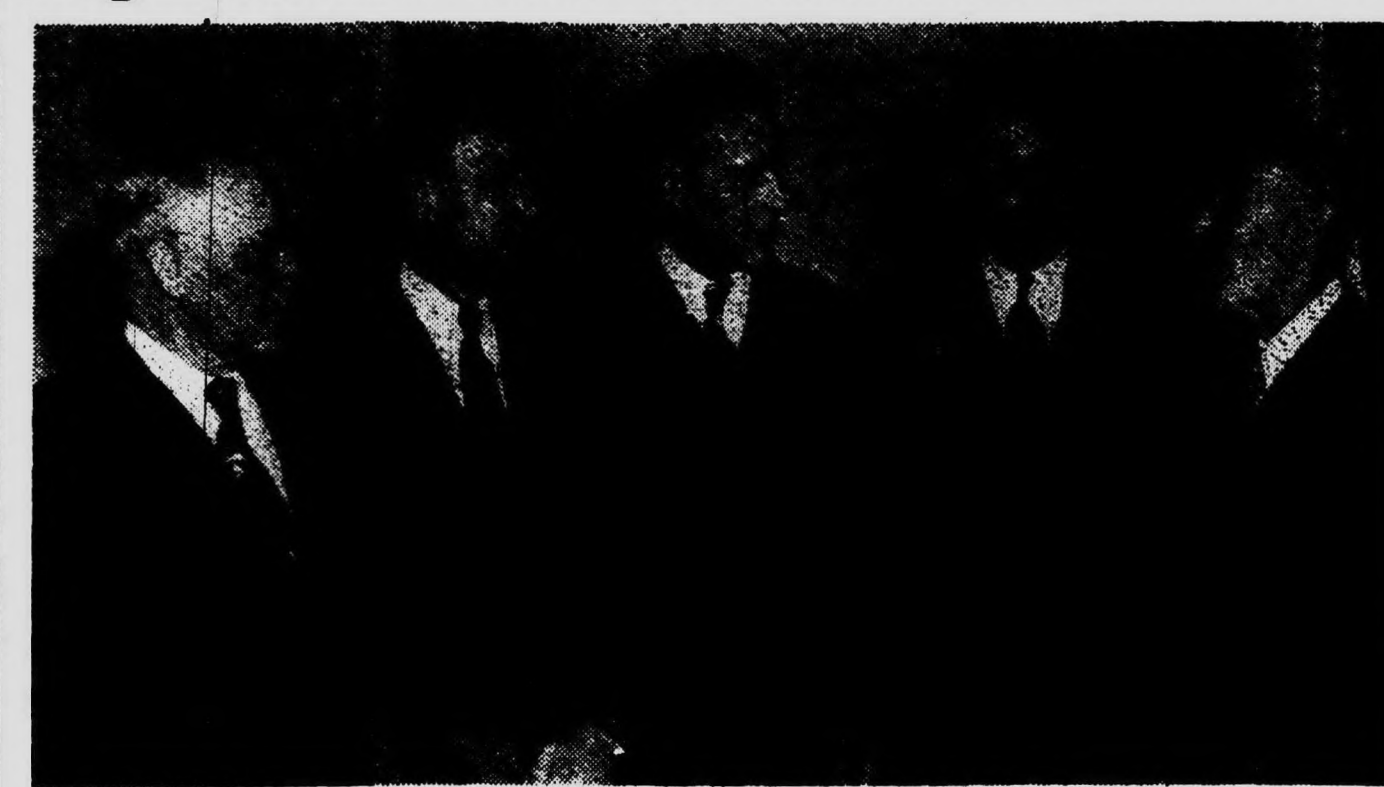

Mrs. Lawrence Mack is chairman of the program and decorations committee, assisted by Mrs. Walter Hammond, Mrs. John Robinson and Mrs. Kenneth Hulsing. Dr. A. E. Van Ornum is club president. Dr. Henry Welch is toastmaster.

Motion pictures of the Rose Bowl game will be shown at the banquet.

Dr. Barber Appointed New Health Officer

The appointment of Dr. Ray Barber as city health officer was approved by the city commission Monday night. Dr. Barber, appointed by Mayor Hough, succeeds Dr. Harold Brisbois, who is retiring from private practice.

City Commission Candidates Meet....

Candidates for the city commission talk over the coming election on April 2. Six men filed for the three commission seats that will be vacated. Candidates are, left to right, Howard Sharpley, George Bauer, Clifton Tillotson, Eugene Benson and Henry Fisher, incumbent commissioner running for re-election. Another candidate, Ernest Henry, was not present when the above picture was taken.

Three city commissioners will be chosen at the general election April 2 from six candidates who filed for the seats last week. The six are George Bauer, Eugene Benson, Henry Fisher, Ernest Henry, Howard Sharpley and Clifton Tillotson.

Bauer is employed as manager of the Chemical and Metallurgical Engineering Laboratories at Nash-Kelvinator corporation. He was graduated from Michigan State college in 1937 with his doctorate in physical chemistry. He is a member of the official board of the First Methodist church, The Bayers and their two children have been residents of Plymouth since 1945.

Benson is assistant chief switchman for the Michigan Bell Telephone company in Detroit and has been employed by the company for over 20 years. He is a

member of the Highland Park Lodge 468, F.&A.M., and is assistant district commander of the Northwest district of Boy Scouts. He is active in the National Guard and has been a Battery Commander for five years. He is married and has two sons.

Henry Fisher, incumbent commissioner seeking re-election, was president of the village of Plymouth in 1927-28 and a member of the village council for 10 years. He has resided in Plymouth since 1902 and is a charter member of the Kiwanis club. He also held the post of Wayne county supervisor for two years.

A lifetime resident of Plymouth, Ernest Henry is superintendent of mills at the Plymouth post office. He is secretary of the Kiwanis club, and treasurer of the Plymouth Historical society. He belongs to the Hi-Twelve club, Plymouth Rock lodge, St. John's

Men's club, Plymouth Gun club and has been active in Boy Scouting and Red Cross work. The Henrys have two children.

Howard Sharpley came to Plymouth in 1944 when he purchased the Wilson Dairy store. He sold the business in 1949. At the present time he is a sales supervisor and for 14 years worked for the Continental Baking company. He is a former Rotarian and a member of the Plymouth Rock lodge, Hi-Twelve club and the Consistory.

Another lifetime resident, Clifton Tillotson, graduated from Plymouth High school in 1923 and attended Tri-State college in Indiana. He is employed as a repairman for Wall Wire Products company. A member of I.A. of M. lodge 1312, he was also appointed to the Plymouth Civil Defense council. He is the father of five children.

Dedication and Open House at George Smith School Sunday

The first of the two new elementary schools in the Plymouth township school district is now completely finished. The George A. Smith school will be officially dedicated this Sunday, February 11 at 2 p.m. The public is invited to inspect the modern 13 classroom building at an Open House to be held following the dedication ceremonies Sunday.

Officiating at the dedication will be Robert O. Wesley, school board president. The dedication prayer will be given by Captain William Roberts, with Miss Ruth Eriksson, Smith principal, welcoming guests. The Rev. Henry Welch will give an address and the Rev. Alexander Miller will conclude the ceremony with benediction. A tour of the building and a tea will follow.

Guests of honor invited to be present for the dedication include Kenneth Hulsing, James Gallimore and Wallace Lantry, members of the board of education; Fred Fisher, Wayne county superintendent of schools; Charles Brake, deputy Wayne county superintendent of schools; Thomas Moss, architect of the school; Dr. A. C. Williams and Don Sutherland, former school board members; Warren Smith, Smith P.T.A. president, and George A. Smith, former superintendent of schools for whom the school is named.

Members of the dedication committee are Mrs. Marian Morris, school board secretary; Mrs. Heloise Campbell, Mrs. Jane Clarke, Miss Ruth Eriksson and Helmer Nelson.

The reception committee includes the board of education, teachers and P.T.A. officers.

Dog Vaccination Clinic Planned by Townships

A dog vaccination clinic will be conducted at Plymouth township hall on February 10 and at Canton township hall on February 24. Hours are from 10 a.m. to 4 p.m. and dog licenses will be issued at the time of vaccination.

Residents of both townships may have their dogs vaccinated at either township hall. Dr. Ted Caswell, veterinarian, will be in charge.

Raise Over \$300 in Polio Drive

A total of \$335.38 was collected in the local March of Dimes drive during January, according to Ed Holdsworth, chairman. All canisters have been collected but any merchant who may still have one is asked to contact Plymouth High school.

A breakdown of the drive funds shows \$237 collected in canisters, \$72 collected at a basketball game at the Detroit House of Correction, \$70.56 collected at Plymouth High school; \$20 in personal donations.

The drive this year was sponsored by the Plymouth Optimist club, assisted by the Hi-Y club at the high school.

Take \$500 From Safe at Hillside

Over \$500 in cash was taken from Hillside Inn on Plymouth road Tuesday night by professional safecrackers. The safe was completely demolished and papers kept in a box in the safe were stolen on the floor.

The thieves entered the restaurant through a door facing the park. The Wayne County Sheriff's office discovered tracks that led from the door to the park. Drawers behind the bar had been opened but a five dollar bill and liquor were left untouched.

Proprietor Margaret Stremich stated the robbery is covered by insurance. She added that the amount of money in the safe was considerably larger than what is usually left there.

Chamber Opens Fund Drive With Goal Set at \$10,500

Plymouth's Chamber of Commerce will attempt to raise a full operating budget this year for the first time in nearly 12 years so that it may again become self-sustaining in its local operations. Revitalized in the last few years the Chamber has been operating on a budget of between three and four thousand dollars a year.

The budget for 1951 has been set at \$10,500 and it is hoped that from this amount the Chamber may not only be self-supporting but can also undertake its yearly program and pay the entire costs directly from its own treasury.

During the last two or three years Chamber promotions have been underwritten by local industries and local business men by special contributions. These special fund gifts are now included in a sliding scale approved by the board of the organization and now being used by the solicitation committee.

The Industrial section, which will raise about 50 percent of the total budget is under the direction of the following committee: Sterling Eaton of the Plymouth Mail, John S. Coleman of the Burrough's Adding Machine company and Cass S. Hough of the Dancy Manufacturing company.

The Business Solicitation committee is headed by James Houk and Wendell Lent and consists of the following members: Jack Taylor, Roderick Cassidy, Frank Arlen, Ralph Lorenz, Frank Allison, Loren Goodale, Herbert Swanson and Robert Bever.

The Professional Solicitation committee is chairmaned by Paul J. Wiedman and is composed of the following members: Dr. Harold Todd, Harold Curtis, Paul Ramsdell, Nandino Perlongo and William Smith.

Early reports from the three committees show a greatly increased interest in the Chamber and it is felt that there will be no trouble in raising the entire budget within the next few weeks.

Clubs Sponsor Banquet to Aid Local Inductees

So far 12 local service, veterans and women's clubs, and lodges have signed up to support the George Washington Birthday Banquet which will raise funds for the Salvation Army Inductee War Chest. The banquet will be held at the Masonic Temple on February 22 at 7 p.m.

Chairman Lisle Alexander states that tickets are now available and will be sold until February 19. They may be obtained at Willoughby's shoe store and Plymouth Grill, or from sponsoring clubs.

Local clubs participating in the event so far are the Elks, Myron Beals Post of the American Legion, Passage Gayde Post of the American Legion, Knights of Columbus, Veterans of Foreign Wars, Navy Mothers, Boy Scouts, Rotary club, Ex-Servicemen's club, Starkweather P.T.A., Lions club and Kiwanis club. It is expected others will join this group.

Guest speaker at the banquet will be Brigadier General Clyde E. Dougherty, director of the Detroit office of civil defense. He was elected chairman of the metropolitan area Civil Defense organization January 28, 1951. The Wayne County Board of Supervisors appointed him defense director of Wayne county February 1. General Dougherty is a member of the State Council on Civil Defense.

General Dougherty, president of the Board of Assessors for Detroit, was born in West Virginia and has lived in Michigan since 1918. He was commissioned a 2nd Lieutenant of Engineers in 1924 as a result of a competitive examination.

During World War II he served overseas as Corps Engineer of the 12th Corps with General Patton's famed 3rd Army. He distinguished himself by organizing and executing the first assault crossing of the Rhine in military history. For his outstanding work with the 12th Corps he was awarded the Legion of Merit. He participated in four major campaigns in the European theatre of operations. He is the first Michigan Reserve Officer to attain the rank of Brigadier General since the early 1920's.

Church Youth Groups Host To Foreign Students

Have you ever wished you could travel the world, learn about other countries, and find out how the American way of living compares with that in India or Iraq? The members of the combined Youth Fellowship groups of the Presbyterian and Methodist churches had an opportunity to learn about people from many countries when 20 University of Michigan students from 14 countries were invited to spend Sunday, February 4, in the homes of the Plymouth young people.

Sunday evening 130 people gathered in the Methodist church for a truly international dinner. Several of the foreign students had cooked a dish peculiar to their country in the afternoon and these were brought to the dinner where everyone sampled each kind of food. Eight countries were represented by the various dishes.

In addition to cooking food, the students entertained the group: Tai Choy Yin from Hawaii sang his country's national anthem, Dorita Saario from Finland played a Finnish folk song on the piano, and a quartet from Colombia sang two songs accompanied by a guitar.

This program, which was made possible by Mrs. Miller Ross and daughter, Betsy, was a part of a unit on International Friendship that the young people have been studying. This Sunday, February 11, the speaker will be Vera Krotov from the Ukraine, a displaced person who is studying at the University of Michigan on a scholarship.

List Candidates on Canton Slate for Primaries

Republicans who filed include Perry Campbell, Edward Richards and Ralph Foote for supervisor; Robert Simmons for clerk; Russell Travis and Iva Wolger for treasurer; Albert Schrader, Jr., for board of review; Fred Barker for highway commissioner; Ralph Wise, Sydney Sutton and Pearl Doyle for justice of the peace, and William Johnson, Louis Buchler, Alfred West and Harvey Vetal for constable.

Democratic candidates are: supervisor, Robert Waldeck; clerk, Andrew Smith; board of review, Walter Hermann; highway commissioner, George Young; justice of the peace, Ernie Bowditch, Arthur Suard, Leo Bartz, Faye Taylor; constable, Bert Waling; Charles E. Johnson.

Mrs. Peck Injured in Auto Accident

Plymouth residents were shocked to learn Monday that Mrs. Luther Peck, wife of Dr. Luther Peck, was seriously injured in an automobile accident in Buffalo, New York.

Mrs. Peck's sister, Mrs. Emily Smith of Baldwin, Michigan, was killed instantly in the accident. She was driving the car when it skidded on a highway about two miles outside of Buffalo and struck a parked truck. Reports here stated that the car turned over three times.

Mrs. Peck's condition is said to be serious but not critical. Dr. Peck flew to Buffalo Monday and will remain there until she can be returned to Plymouth.

The two women were on a motor trip, leaving here last week. They were returning home when the accident occurred.

Show Pilgrim's Progress Sunday

An animated film of John Bunyan's classic, "Pilgrim's Progress," will be shown this Sunday, February 11, at the Salvation Army hall at 7:30 p.m. The fully animated sound color motion picture took four years to complete. The public is invited to attend.

The film was produced by the C. O. E. Baptist Film, a non-profit Christian foundation, of Wheaton, Illinois. It is the first time Bunyan's allegory has ever been made into a motion picture. A total of 100,000 drawings were required for the animated film.

Attend State Defense Meeting

Russell M. Daane, director of the Plymouth Civil Defense council, and City Manager Albert Glassford will represent the city at the state meeting of the civilian directors at Michigan State college February 19.

The all-day meeting will open with an address by Governor G. Mennen Williams. Col. Lester J. Maitland who has succeeded Donald Leonard as state director of civil defense will also be on hand to discuss methods of civilian defense with officials representing cities in Michigan.

Daane-Pryor Nuptial Rites Performed In Kalamazoo

Mrs. Hoderick K. Daane

Before an altar banked with candelabra and baskets of white flowers, Miss Mary Ann Pryor, daughter of the Reverend and Mrs. Thomas M. Pryor of Kalamazoo repeated her nuptial vows to Hoderick K. Daane, son of Mr. and Mrs. Russell M. Daane of Plymouth.

The four o'clock rites were performed on Friday, February 2, in the Kalamazoo Methodist church with the Reverend Pryor, the bride's father, officiating. "Ich Leibe Dich" by Grieg was sung by the soloist, Philip Steding.

Mary Ann, who was given in marriage by her brother, Thomas M. Pryor, Jr., was beautifully gowned in white satin, ankle length with seed pearl trim. Her fingertip veil was held in place by a seed pearl headband. She carried a sheath of white calla lilies.

Miss Nancy S. Pryor, as her sister's maid of honor, wore an ankle length gown of violet velvet and carried a corsage of pink roses and violets.

Hoderick asked Cass Hough, Jr. to assist him as best man and the usher were Carl Kaltwasser and Gordon Carpenter.

Mrs. Pryor, the bride's mother, wore a dress of navy tucked sheen with a purple hat and hyacinth trim. Mrs. Daane's dress was of grey faille with a navy straw hat with velvet trim.

Immediately following the ceremony a reception for 150 guests was held in the Methodist church.

The bride is a graduate of Royal Oak high school and is a sophomore at the University of Michigan. Hoderick graduated from Plymouth high school and is a junior at the University of Michigan. He is affiliated with Sigma Chi fraternity. They will make their home for the present at 848 Tappan avenue in Ann Arbor.

Bentley Upsets Rocks 38-36 in Final Minutes

The Rock basketball squad were victims of a second defeat Tuesday, January 30, as the Bentley Bulldogs came from behind in the final minute to drop the Rocks 38-36. The Rocks had a ten point advantage with a minute and a half remaining when Bentley intercepted two passes from the Rocks while winning the ball down court to tie the game up. With four seconds remaining in the game, here was a jump ball on Bentley's half. Varhol of Bentley received the ball on a pass and threw the ball up for the game-winning basket. This was the first loss game the Rocks have lost this season.

The Bulldogs jumped to a 15-10 lead in the first quarter as the Rocks found it very hard to hit on the glass backboards. In the second quarter the Rocks outscored the home team 9-7 to bring the score up 21-19 at half-time. The Rocks on the short end. In the third quarter the Rocks again outscored Bentley to tie the game up 28-28 as the local team finally started to play ball.

In the final quarter the Rocks built up a six point lead and while trying to stall off the remaining minutes of the game were victims of the Bentley interceptions and the loss. The Rocks fell apart in the middle of the final period when Captain Wally Dancer committed his fifth foul.

At Fifty was high point for the Rocks with 14 points followed by Wally Dancer who collected 8. Manorana was the victor in scoring with 13 counters. The Rocks will have a chance to play the Bentley squad again in the should draw them for the district tournament which will be held at Bentley's gymnasium.

Local News in Brief

Mary Lou Austin of Brookline street was one of a group from Detroit who attended the winter carnival at Silver Valley last weekend.

The Erwin Brooks family were Sunday dinner guests of Mr. and Mrs. L. Powers of Dearborn.

Mr. and Mrs. Moritz Langendanz of Sutherland street recently returned from Alameda, California, where they were visiting their three sons for ten weeks. They made the trip by air both ways.

Private James Law, son of Mr. and Mrs. Hugh Law of Ann Arbor road, has been transferred to Camp McCoy, Wisconsin. Jim is with the 194th Field Artillery.

Ford Dealer in Service Contest

Paul J. Wiedman, Ford dealership at 470 S. Main street, is participating in a nationwide customer service contest during February, March and April in the Central Region of the Ford Motor company's Ford Division. The contest, known as the "Broadway Flying Jamboree," is the largest extensive sales contest ever conducted in the Central Region. Nearly 1,000 Ford dealerships are participating.

More than 1,300 dealers, parts men and service managers will qualify for a weekend in New York City as the climax to the contest early in June. All will be flown to and from New York City from 17 cities in the Region in a 50-place non-stop flight, one of the largest chartered commercial flights in airline history.

Parts and service managers will be eligible for prizes totaling almost \$40,000, including five new Ford passenger cars. The 1,300 persons qualifying in the contest will stay at the Waldorf-Astoria Hotel for a weekend. Among the highlights of the New York trip will be an entertainment program featuring movie, radio, television and stage stars, the awarding of prizes, sightseeing tours and other special events. Mr. Wiedman said that various service specials to all car owners in Plymouth will be offered during the contest. Those eligible to qualify for prizes and the New George Dela, parts manager, and York trip at Wiedman's are: Zander service manager. If both qualify the dealer is eligible for trip.

Funeral Friday for Mrs. Dennis

Funeral services for Mrs. Flossie Tve Dennis will be held Friday, February 9, from the Schrader Funeral home at 2 p.m. with the Rev. George Nevin officiating. Burial will be in Riverside cemetery.

Mrs. Dennis passed away Tuesday at the age of 58. She resided at 6104 Canton Center road. A resident of Canton for 30 years, Mrs. Dennis was a member of the Cherry Hill Methodist church. She is survived by her husband, Colburn; three daughters, Mrs. Irene Winkell of Dearborn, Mrs. Vilis Travis of Blissfield, Mrs. Charlotte McFarlane of Ypsilanti; a son, Colburn Dennis, Jr.; two brothers, Perry Van Wagoner and Amos Van Wagoner; five sisters, Mrs. Daisy Stogell, Mrs. Mary Morganthau, Mrs. Marguerite Fortune, Mrs. Viola Cranmore and Mrs. Madeline Miller, and 11 grandchildren.

Psychologist to Address Parents

Mrs. Julia Leonard, a member of the Neuro-Psychiatric clinic at the University of Michigan and a former practicing child psychologist, will address parents at a joint meeting of the Starkweather and Central grade school P.T.A.s on February 15. The meeting will be held at Starkweather at 8 p.m.

Her topic will be "The Effect of War Psychology on Your Child," and she will show the film "Boundary Lines." Mrs. Leonard is working for her doctorate at the university, studying the effect of World War II on children.

Where Should A Funeral Home Be Located?

In our opinion, there is only ONE kind of location suitable for a modern funeral home: a CENTRAL location. Since people come from all over the city to attend services, and since services are often largely attended by people employed in the central business district, a CENTRAL location, such as ours, is obviously the most desirable.

Now is the time to buy your home appliances. Our fine selection will pleasingly surprise you. We just received our allotment of Revere Ware copper-clad, stainless steel Kitchen Ware. GET YOURS NOW!

Present: Commissioners Fisher, Hammond, Richwine, and Tibbitts.

Absent: Mayor Hough.

Mayor Protem Tibbitts took the Chair.

The minutes of the regular meeting held January 2, 1951 were read by the Clerk and approved.

The Clerk presented the bills in the amount of \$3,255.71.

Moved by Comm. Richwine supported by Comm. Hammond that the bills in the amount of \$3,255.71 as presented by the Clerk and approved by the Auditing Committee be allowed and paid.

Yes: Commissioners Fisher, Hammond, Richwine and Tibbitts.

No: None.

The City Clerk presented the following reports: Fire Dept., Health Dept., Municipal Court, and Police Dept., for the month of December; and the D.P.W. report as of Jan. 15, 1951.

Moved by Comm. Hammond supported by Comm. Fisher that the reports be accepted and placed on file. Carried.

Mr. Coverdill, representing the American Legion Beals Post, was present to request permission to hold the annual carnival the week of June 18 on the Memorial Building Site between Blanche St. and Farmer St.

Moved by Comm. Richwine supported by Comm. Hammond that permission be granted the American Legion Beals Post to hold a carnival on the Memorial property the week of June 18, 1951. Carried.

Mr. Kemnitz was present to inquire under what conditions the old comfort station property could be rented or leased for the purpose of a retail business.

It was suggested that Mr. Kemnitz keep in touch with the City Manager at a later date when a decision has been reached as to what the City wishes to do with this property.

Mr. J. Rusling Cutler reported

on his findings relative to the condemnation of the Comfort station property in August, 1922.

Moved by Comm. Richwine supported by Comm. Hammond that the City Attorney be authorized to investigate the procedure to be followed by the City to complete its title to the property known as the old comfort station property and make his report at the next regular meeting. Carried.

The Manager reported on the bids received for the sale of Lots 109 and 110 Kate E. Allen's Addition to Plymouth.

Moved by Comm. Richwine supported by Comm. Fisher that the high bid of the Galling Construction Company for \$1000.00 each be accepted and that the proper officer be instructed to convey this property.

No: None.

The following resolution was offered by Comm. Fisher support-

Tiniest Baby Celebrates Birthday

Billy Moran and his mother, Mrs. Elaine Moran, invited nurses and doctors from Woman's hospital in Detroit to Billy's first birthday party Sunday. Billy was the tiniest baby born at the hospital in 1950. Mrs. Moran is a former Plymouth school teacher.

The tiniest baby born at Woman's hospital in 1950 celebrated his first birthday Sunday. William Bernard Moran, who weighed two pounds, two ounces at birth, now tips the scales at about 19 pounds. His parents, Mr. and Mrs. Harold Moran of Redford, gave a party in his honor Sunday for nurses and doctors from the hospital, and relatives and friends. Billy's mother, Elaine, is a former Plymouth school teacher. Records at the hospital show that in 1950 Billy was the smallest baby that was born there and lived.

Guests at the birthday celebration included his grandparents, Mr. and Mrs. C. W. Clair and Mrs. Harold Moran; Dr. and Mrs. M. E. Bachman; Dr. and Mrs. Daniel Budson; Claire Gunn, superintendent of the nursery; Nurses Harriet Adams, Lila Coady, Marian Bestervelt, Shirley Leftridge, Helen Staley, Daisy Donnthorne, Elizabeth Calhoun and Julia Sanderson; Dann Gunn, Clarence Donnthorne, Mrs. Olive Ewalt, Miss Lucy Clair, Mrs. C. B. Carter, the baby's great-grandmother; Mr. C. B. Carter, Mrs. Neva Gauss, Willard Wilson, Mr. and Mrs. William Jarvis, Mr. and Mrs. Dick Darwood and Mr. and Mrs. Alton King.

Guests at the birthday celebration included his grandparents, Mr. and Mrs. C. W. Clair and Mrs. Harold Moran; Dr. and Mrs. M. E. Bachman; Dr. and Mrs. Daniel Budson; Claire Gunn, superintendent of the nursery; Nurses Harriet Adams, Lila Coady, Marian Bestervelt, Shirley Leftridge, Helen Staley, Daisy Donnthorne, Elizabeth Calhoun and Julia Sanderson; Dann Gunn, Clarence Donnthorne, Mrs. Olive Ewalt, Miss Lucy Clair, Mrs. C. B. Carter, the baby's great-grandmother; Mr. C. B. Carter, Mrs. Neva Gauss, Willard Wilson, Mr. and Mrs. William Jarvis, Mr. and Mrs. Dick Darwood and Mr. and Mrs. Alton King.

WHEREAS, the municipalities in which the properties are located must approve the application of the owner to pay the 1947 and prior years taxes, and WHEREAS, the convenience of the taxpayers public demands that the information be obtained and arrangements to pay said taxes be accomplished in one office.

NOW, THEREFORE, BE IT RESOLVED:

1. That, Harold E. Stoll, Wayne County Treasurer, is, by this resolution, authorized to act as representative and agent of the City of Plymouth, Michigan for the purpose of approving the application of

the property owners to pay the 1947 and prior years taxes and accept the necessary monies, the same to be forwarded to Lansing by him.

2. That the County Treasurer is further authorized by: The City of Plymouth, Michigan to request of the Department of Conservation, Lands Division, the withholding of properties from the auction sale, provided that sufficient monies are deposited with the County Treasurer to effect redemption.

3. That the County Treasurer is to periodically report to: The City of Plymouth, Michigan the properties withheld by him and that this Commission is in turn to confirm said withholdings of the County Treasurer with notice of same to the Department of Conservation, Lands Division.

Yes: Commissioner Fisher, Hammond, Richwine, and Tibbitts.

No: None.

A communication was read by the Clerk from the Wayne County Road Commission relative to widening West Ann Arbor Trail between Forest Avenue and Harvey St. Cost information is being obtained by the County Road Commission for presentation at a future meeting.

A communication from H. H. Newell was read by the Clerk. Moved by Comm. Richwine supported by Comm. Fisher that the communication be received and placed on file. Carried.

The City Clerk presented a communication from the Board of County Road Commissioners relative to a resolution passed by the board assuming jurisdiction over the complete and correct description of the Edward N. Hines

Plans Pythians District Meeting

Glen Davis of Plymouth, district deputy of the Knights of Pythias, will assist in arranging for a district meeting of the Pythians in Milan, on February 14.

Pythians from Plymouth, Milan, Ypsilanti, Ann Arbor and Chelsea will be in attendance. The officers and members of the Milan lodge will host the meeting, one of a series planned by Grand Chancellor S. W. Jarvis of Sault Ste. Marie. His program calls for a meeting in each district of the Great Domain of Michigan.

**New in Style—New in Structure—New in Power—New in Thrift—
Potent in Price Appeal—It's the 1951 BUICK SPECIAL!**

HERE is good news for folks with a shrewd eye for what their dollars will buy.

Here is a tidy traveler that defies the upward trend of costs—proudly wears a 1951 price tag like that which zoomed last year's SPECIAL into popularity so great that it put a crimp in "the low-priced three."

Take our word for it, this is every inch and ounce a Buick—Buick-featured, Buick-designed, Buick-built from the ground up—but literally the newest thing on wheels.

The sturdy and ample body is new. The high-strength frame is new. The power is new to the SPECIAL, which now has the thrifty F-263 engine that first made its name in the SUPER, and here delivers 120 horse-

power with standard transmission—128 with Dynaflo Drive.

It's a Buick with less weight and more power—and that spells a pair of new thrills for you. There's a performance thrill such as you've never enjoyed in the SPECIAL—plus a handsome gas-saving into the bargain.

We'll make a prediction now as to what title folks will give it, once they get it out on the road. That title, in three words, will be: "Thriftiest Buick Yet!"

*Standard on ROADMASTER, optional at extra cost on other Series. Standard equipment, accessories and trim illustrated are subject to change without notice.

Better hurry around to your Buick dealer's and look this marvel over. We'll give you another prediction—which is:

Once this one's discovered, the demand will be terrific.

No other car provides all this:

Dynaflo Drive • Fireball Power • Torque-Tube Drive • Dual Ventilation • Push-Bar Forefront • Dreamline Styling • White-Glow Instruments • 4-Wheel Coil Springing Body by Fisher

John Bunyan's story of Pilgrim's journey from the City of Destruction to the Celestial City has had a tremendous effect upon thousands of lives throughout the entire world! It has ranked next to the Bible as the world's best seller. This wonderful allegory has given Christians a new vision of our Lord, and of his loving guidance and care for His Children throughout the vicissitudes of this life and into the Gloryland.

Real Thrills Await You

as you follow Christian through the Slough of Despond, his meeting Mr. Worry, his escape from the City of Destruction, his arrival at the wicket-gate, and the House of the Interpreter. And what a job when he loses his heavy load at the foot of the Cross! Many adventures follow, and after Christian receives his armor at the Palace Beautiful he has that breath-taking, life and death battle with Apollyon.

Each scene is a masterpiece. The Valley of the Shadow of Death, Vanity Fair, Doubting Castle and Giant Despair, Flatterer and his enticing net, Beulah Land, The Crossing of the River of Death, and into the Celestial City.

Thelma Swan Becomes Bride Of John C. Wilkie Saturday

Miss Thelma Swan, daughter of Mr. and Mrs. W. O. Swan of North Haven street, and John C. Wilkie, spoke their marriage vows on Saturday morning, February 4, in the St. Scholastica parish in Detroit. Father Leo of the parish officiated at the 11 o'clock rites. John is the son of Mr. and Mrs. William Wilkie of Detroit, formerly of Plymouth.

The bride, who was given in marriage by her father, wore a suit of navy blue with a plaid back and matching accessories. She wore an orchid corsage. Her only attendant was her sister-in-law, Mrs. Marge Swan, who wore a plum colored suit with grey accessories. Her corsage was of yellow roses. Richard Wilkie as-

sisted his brother as best man. Mrs. Swan selected a navy blue dress with matching accessories for her daughter's wedding while Mrs. Wilkie's dress was of navy and white with white accessories. Both mothers wore pink rosebud corsages.

Following the ceremony a wedding breakfast for about 40 guests was held at the Pen-Mar cafe on Plymouth road. The young couple are on a honeymoon to Florida and other southern states after which they will be at home at 906 South Main street in Plymouth. Both Mr. and Mrs. Wilkie are graduates of Plymouth High school. Mr. Wilkie is associated with the Wilkie Brothers Funeral home in Detroit.

Local News in Brief

Mr. and Mrs. Doumar Davis and family of Burdette avenue spent last weekend at the Skyline Ski club at Grayling.

Stillman Warner of Farmer street left last week to spend the rest of the winter in Rio Hondo, Texas.

Mrs. James Bently spent the weekend in Grand Rapids at Mrs. D.E. Cherry's.

The Livonia Home Garden club are holding their next meeting on Wednesday, Feb. 14 at 8 p.m. in the Bentley High school. The speaker of the evening will be Dr. John Tomkins of Michigan State College in East Lansing. His topic will be "Raspberries, strawberries, grapes, and other small fruits." Any one interested is urged to attend.

Mr. and Mrs. George M. Chute and Mr. and Mrs. Austin Whipple were Saturday night guests of Mr. and Mrs. Maxwell Moon of Penniman avenue at dinner and dancing.

Cadet Robert Kimbrough, son of Mr. and Mrs. R. L. Kimbrough of South Main street, has qualified for the Dean's special distinction list for the first semester at Wentworth Military academy in Lexington, Missouri. Major Dallas C. Buck, Wentworth dean, declared that only superior students qualify for this distinction. Cadets must have above average grades in all subjects and top grades in at least two fields. No cadet may be considered for major academic awards until his scholastic work qualifies him for honor citation by the dean.

Hints For Plymouth Homemakers**Consumers Plans
to Improve Gas
Service in Area**

Consumers Power company and its subsidiary, the Michigan Gas Storage company, will spend more than \$9,000,000 in Consumers' Southeast Division of which Plymouth is a part, in 1951 to expand and improve gas service to Oakland, Macomb and western Wayne counties, according to David L. Brown, division manager.

Mr. Brown announced the expenditures for construction at the company's division office in Pontiac, and added that the sum is only a part of the \$54,000,000 Consumers and Michigan Gas Storage will spend together in Outstate Michigan in 1951 for construction projects.

Of the \$54,000,000, more than \$48,000,000 is included in the record high Consumers' budget, of which at least \$9,500,000 will be devoted to Consumers' various construction projects throughout the Southeast Division. Gas Storage plans to spend \$5,000,000 on new construction in its storage fields in Oakland, Michigan and on main distribution lines into the southern part of the state, which will be of special value to Consumers' Southeast Division.

Gas projects point to a program of almost unprecedented construction activity in the area, Mr. Brown said.

More than \$1,100,000 will be spent in the Southeast Division service area on about 40 miles of transmission pipe installations, including new six, eight and ten-inch mains in many areas.

Almost 200 miles of new gas distribution mains will be built within the division.

Of the new gas mains to go in the ground, about 80 miles will be installed to replace old mains.

Sixteen new regulator stations will be built in key areas of the division, and an estimated 7,000 new customers will be added to the gas supply network.

Consumers will construct stations at Schoenherr and Fourteen Mile roads, Adams road and South Blvd., on Joslyn, north of Pontiac, and on North Rose road, northwest of Mt. Clemens, at Grove road and Mt. Clemens street in Pontiac and at East Blvd. and South Blvd., Pontiac. Other regular stations will be built at 12 Mile and Greenfield, 13 Mile and Campbell, 10 Mile and Greenfield, 9 Mile and Lambrecht, 12 Mile and Little Mack, Shook road and Jeerson, Middlebelt and Plymouth roads, and in north Mt. Clemens on Joy Blvd.

**Hot Cross Bun Traditional
Sweet During Lenten Season**

Almost as ancient as worship itself is the hot cross bun. Although the shape and the origin of these spicy, sugar-coated buns are varied, their association with religious customs has never faltered, according to the American Bakers' association.

Records claim that George Washington's first president, George Washington, had been the founder of America known today as vice president, offered a hot bun to the gods as far back as 1790 B.C. Petrified and perfectly shaped buns were discovered at Herculaneum, destroyed by Mt. Vesuvius in 79 A.D.

The early Egyptians offered buns, bearing two horns, to their Moon Goddess. The early Greeks changed the horn mark to a cross. The Saxons marked their buns with the cross in honor of Eostre, their Goddess of Light. Romans, too, ate crossed bread, buying it at the temple doors when they went to offer public sacrifice.

The Christian fathers adapted the Greek and Roman custom of eating crossed buns as a religious factor in Lenten observance. Some reports state this custom stems from the bun's universal religious observance, while other reports say the bun was something the people felt they could eat during the Lenten period to replace pastries, cakes, and other rich foods which they may have decided to forego.

In England, which most people consider the native land of the modern hot cross bun, they were designed to be eaten on Good Friday, a fast day. Today, however, hot cross buns are eaten during the entire Lenten period.

Hot cross buns are most popular today in England and in the United States, where the custom was brought by the early English settlers.

The religious significance of the hot cross bun has been lost today, and it is no longer emblematical. Quaint traditions and superstitions still cling to the hot cross bun. In England, it is believed if a hot cross bun is hung in the

chimney place on Good Friday, and left there during the entire Lent, it will bring good luck.

Another olden superstition calls for the preservation of hot cross bun crumbs in strong boxes to be dissolved in water and taken as a cure-all when needed during the year.

So popular were these buns that a poem was written about them. The Mother Goose rhyme is familiar to everyone:

"Hot cross buns! Hot cross buns! One a penny, two a penny, hot cross buns!
If you have no daughters, give them to your sons.
One a penny, two a penny, hot cross buns!
If you have none of these elves, Then you may eat them for yourself."

When frying fish or meat, a colander turned upside down and placed over the frying pan will permit the steam to escape and prevent grease from splattering the stove and walls.

Approximately 15 tables were filled at the card party given by the auxiliary Monday, January 29 at the Memorial center, those present reporting a most enjoyable evening. Chairman Mrs. Jerry O'Brien was assisted in serving by Virginia Bartel, Eleanor Gust, Geraldine Olsen, Georgiana Elliot, Gladys McBride and Kay Coonan.

THE BOX SOCIETY scheduled for February 17 promises to be lots of fun. All past and auxiliary members and their friends are invited. The card party, the place the 34th annual dinner.

It was the VFW that successfully promoted the campaign made "The Star Spangled Banner" the official national anthem. Some things we should never forget: That unity of effort among all Americans has been the key-note of our nation's strength since the Declaration of Independence. That men of every creed and race of the have fought and died to keep this United States the world's birthplace of all races. That national unity is our most powerful weapon against subversion and is seeking to destroy our freedom. But we do forget, so during Brotherhood Week February 18-23, the study pamphlets are emphasized as the dramatic expression of real men's vision of right should recognize as such, then support it and live it every day of the year. —Charles C. Proclamation

WHEREAS, it is the conviction of the United Council of Church Women, in fellowship with all those who seek the divine guidance of our Creator, that the many problems confronting us today can be solved only with the help of Almighty God; and

WHEREAS, World Day of Prayer has been designated on an international, interdenominational, interracial basis to join the peoples of the world together in furtherance of the doctrine "The Lord is Thy Keeper"; and

WHEREAS, in order for the church to fulfill its important role of exerting practical witness to the fact of God's purpose in human affairs, thereby advancing the international cause of peace on earth, it is necessary that we be ever mindful of the vast power of prayer in furthering His word and His work and in combating the forces of evil that surround us;

NOW THEREFORE, I, Cass S. Hough, Mayor of the City of Plymouth, do hereby proclaim Friday, February 9, 1951, as "World Day of Prayer" in the city of Plymouth, and call upon the people of Plymouth to observe this day as an individual invitation to attend a specific World Day of Prayer meeting; and, if the duties of some are such as to make this impossible, I urge them to pause in

Announcing...
New DODGE "Job-Rated" Trucks

The trucks that do the most for you!

More powerful than ever! Dodge now offers you the most powerful "Job-Rated" trucks in Dodge history! Eight engines - 94 to 154 horsepower - with power increases as high as 20%!

You get the right power for your job . . . in the finest performing trucks that ever carried the Dodge name! Yet these new Dodge "Job-Rated" Trucks are priced with the lowest!

NEW! Smarter styling! New beauty combined with massive, rugged appearance. New hood line for better road visibility. Roomy new cab interiors in contrasting colors - new comfort with redesigned seats.

NEW! Easier handling! Shorter turning diameters than ever before - for even greater maneuverability! More convenient steering wheel angle for greater driving comfort. New worm-and-roller steering gears for easier steering - plus all the ease-of-handling features that made Dodge "The Choice of Champions" in the 1950 National Truck Race!

NEW! Extra-quiet brakes! Another Dodge engineering first! New, molded, tapered Cyclobond brake linings contact brake drums with smoother, more even action - practically eliminating brake squeal. Less tendency of brakes to "grab" - and lining life is greatly extended. Standard on trucks 1 1/2-ton and up, except for air brake models.

More than 50 brand-new features including...
NEW! SMOOTHER RIDE with new "Oriflow" shock absorbers - standard on 1 1/2-, 3-, and 5-ton models.
NEW! EASIER LOADING with lower ground-to-floor height on all models through 2 tons.
NEW! EASIER BAD-WEATHER STARTING with new moisture-proof ignition and high-torque starting motor.
NEW! MORE ECONOMICAL PERFORMANCE with higher compression ratio - on all models through 1 ton.
NEW! EASIER-TO-READ INSTRUMENTS - now grouped in a cluster placed in front of the driver.
NEW! TWIN CARBURETOR AND EXHAUST SYSTEM for greater power with economy - available on all high-tonnage models.
NEW! SMOOTHER ENGINE IDLING with "hotter" spark plugs; on all models through 1 ton.

A model to fit your job!

ANOTHER DODGE EXCLUSIVE! glycol Fluid Drive now available on 1/2-, 3/4-, and 1-ton models.

Come in to see the new DODGE "Job-Rated" TRUCKS on display Saturday, February 10

WHEN YOU'D LIKE TO HAVE MORE HOURS A DAY...

IT HAPPENS so often! You ought to be here, there and everywhere else at once. But a normal day doesn't seem long enough to run a house, do all the shopping, keep in touch with friends, club and church activities - in person. But you can do a lot of them

by telephone, and that way even have time for your favorite recreation. When you count all the things your telephone enables you to do (the calls you make as well as the calls you receive), you get some idea of its real value. For, when you come to think of it -

I.O.O.F. News

Brothers, the work is progressing as fast as can be on our lodge hall. At this time Brother Hunter has the help of some of the members of the lodge has installed our kitchen sink. More of the cupboards have been installed. Some of the sisters of the Rebekah lodge have been helping to paint the walls so, all and all, the lodge hall is slowly being finished. If you can spare a few hours in the evening to work, contact Brothers Hearn or Gray.

We are sorry to hear of Brother Wagenschütz having fractured some ribs on the job and trust he will soon be back on the job. Anyone who can may call on him at his home at 342 South Harvey where he is confined at present.

Brother Mastie has been ill with a cold again. Brother Trinka is also on our sick list. All brothers are urged to visit these members and bring a bit of cheer and well wishes to them.

Attend lodge regularly and assist your officers in the duties of your lodge.

Volunteers for
Church Service

Richard L. Rowe of Ford road has completed a two months training period at the Brethren Service center at New Windsor, Maryland, which is preliminary to being assigned to some church project for a year of voluntary service.

Such training is given by the Church of the Brethren to young people who volunteer to serve the church in home or foreign missions, community rehabilitation, hospitals and other work of a social or religious nature. Over 200 young people are now serving the church in this manner.

Six cows in the Wayne County Training school herd singled out for certificate awards at the annual Holstein-Friesian association meetings during Farmers' Week at Michigan State college.

The combined production of the six cows approaches three-fourths million pounds. All cows on test are subject to the closest check and investigation by impartial testers provided by the Holstein-Friesian association. The herd is comprised of 50 producing cows.

The six in the herd have established life time production records of 100,000 pounds of milk. Numerous offspring from this fine herd have been sold to dairymen in this community and in adjoining states. It should be pointed out that the Training school herd is milked and cared for by boys assigned there as a regular part of their training.

Built for the future...

Built best in entrance-ease...

High-Bridge Doors, curved up into the roof line, let you walk in and out without stooping... let you reach both front and rear seats without squirming! (A future-feature Kaiser owners get today!)

Built best in safety... Kaiser's Safety-Cushion Padded Instrument Panel, smartest ever, gives you extra protection against sudden stops! (Another feature of Anatomic Design that will still be new years from now!)

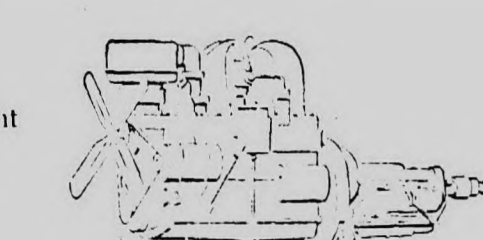

Built best in visibility...

Anatomic Design brings you the largest wind-shield in any passenger car — 1096 square inches! (Where, in the next five years, will you find larger?) Slimmest slant-back corner posts, double-welded for extra rigidity... no "blind spots"!

Best for the future!

Built best in driving comfort...

There's a long future of comfort in Kaiser's entire new low design! New elbow-height windows let you rest your arm comfortably while driving...no "craning" thanks to the low hood and high-slant wind-shield! (Again—Anatomic Design!)

Built best in performance...

Kaiser's revolutionary Supersonic Engine, loaded with high-torque power, is a modern miracle in thrust that will delight you more and more as the years roll by! Hydra-Matic or overdrive available at additional cost.

Built best in convenience...

Kaiser's Tuck-Away Tire Well hides your spare tire under the luggage compartment instead of in it! More luggage room, less luggage wear and tear! A vast-ahead triumph of Anatomic Design!

1951 Kaiser... the only car with Anatomic Design!

Kaiser Deluxe 4-Door Sedan, one of 6 body styles, 12 models. Hydra-Matic Drive available in all models at extra cost.

Feature for feature, Kaiser's the newest!

Cops
we like 'em!BECAUSE THE OCCASIONAL
VIOLATOR MAKES LIFE ROUGH
FOR THE REST OF US

Michigan's recognized motor carriers are 100% for rigid enforcement of weight control laws... and for thorough regulation of driver conduct on the road. Regulation is good business for us because:

1. We pay our full share. Last year commercial vehicles paid state gasoline, weight, and other special taxes amounting to 2½ times the state's bill for maintaining and repairing trunk highways. Lower road building and maintenance costs mean lower taxes... lower taxes mean lower freight costs... lower freight costs mean lower living costs for you.

Safe truck drivers save money for everyone. Insurance rates are based on accident rates. The more courteously our drivers treat the motoring public... the more carefully they treat our trucks... the lower our insurance costs fall. You benefit again through lower freight rates.

Dollars and cents... and good sense... say its good business to encourage passage of sound laws for regulating highway traffic and to aid in rigid enforcement of these laws. Help yourself... help your fellow citizen... help us... by cooperating with your state and local police to stop the violator. And remember that 99 drivers in every hundred give you every courtesy of the road.

Jack Benny, star of
"THE JACK BENNY SHOW"
heard every Sunday
over CBS, coast to coast

"The mythical Jack Benny of the radio isn't really stingy—he merely hates to spend money," says Mrs. Benny (Mary Livingstone to all her radio fans), "but although the real Jack Benny is most generous, he still considers our Electric Range real economy."
Sure—you have economical operation with the modern Electric Range—but that's only one feature. It's almost human—different from any range you've ever tried. You don't guess at the cooking heat. Flip a switch, and you get just the heat you need. You don't peek or watch while things are in the oven. You know the automatic controls are doing that for you. Nothing new to learn—except how much better, how much easier cooking can be when you have a modern Electric Range. You can learn all about it at your dealer's!

APPLE CRUMBS PIE Jack Benny's delight
7 cups peeled, sliced apples
1/2 cup orange juice
1/2 cup brown sugar, firmly packed
1/2 cup granulated sugar
1 tablespoon grated orange rind
1 teaspoon cinnamon
1/2 teaspoon nutmeg
1/4 teaspoon salt
3/4 cup sifted, enriched flour
1/2 cup butter or margarine
Whipped cream
Place apples in greased deep pie pan; add orange juice. Combine sugars, orange rind, spices, salt and pastry blender. Spread over apples. Bake in moderate oven, 350°F, 1 hour. Top each serving with flavored and sweetened whipped cream. Yield: 6 to 8 servings.

Mr. and Mrs. William Michael entertained at a family dinner Sunday in their home on Ann street honoring their son, Raymond who leaves on Feb. 10, with the Detroit 127th Fighter Wing unit for Arizona. Guests were Mr. and Mrs. Melva Nichols and son, Dick; Mr. and Mrs. Corlis Allen and family; and Miss Eunice Uley.

Miss Kathryn Hembree a student at Hillsdale college spent her mid-semester vacation with her parents in Plymouth.

The parents of the kindergarten class of the First Methodist church enjoyed a sleigh ride last Sunday.

Saturday night guests of Mr. and Mrs. Horace Truesdell in their home on Boston Post road were Mr. and Mrs. Albert Knieske of Garden City, and Mr. and Mrs. Frank Erhardt of Wayne.

Reverend and Mrs. William O. Welton attended the Missionary convention and Preachers meeting in Detroit on Tuesday, Wednesday and Thursday of last week.

Mr. and Mrs. Carl Luntton were Sunday dinner guests of Mr. and Mrs. Roy Wheeler of West Ann Arbor trail.

Mr. and Mrs. Joseph Telle and Mr. and Mrs. Robert Hesse attended the bowling tournament in Chicago on Friday and Saturday of last week.

Susan Ray is suffering from a bad case of the whooping cough.

Mr. and Mrs. Edward Dohls will entertain their bridge club Saturday evening in their home on Adams street.

Roger Babson Says --

Babson Discusses Dollars
Washington, D. C., Feb. 8.
There is no more certain way of
weakening our economy and our
democracy than by allowing the
value of our dollar to continue to
decline. Many are finding it ex-
tremely difficult today to make
ends meet with a 57 cent dollar in
this most prosperous era America
has ever known.

Inflation Marches On
In 1940, friend of mine got an
air mail letter from Greece. The
amount of postage on the en-
velope was 30 drachmas, or about
65 cents. Just the other day, he
received an air mail letter of the
same weight from Athens. He
counted the postage—9700 drach-
mas—323 times as much as it took
in 1940! How would you like to
hold life insurance policies in an
Athenian company, or to have
bought Greek Government bonds
in 1940? Both are being paid as
they become due; but in almost
worthless money.

It can't happen here? It already
has happened. By the time you
get around to cash your 1953
Series E bonds which you bought
in 1943, you will have lost an
appreciable amount of money in
terms of what your dollars can
buy. It already takes twice as
many dollars as in 1940 to buy
the average car. Food costs are up
over 100 percent; clothing costs
by about 95 percent; and rent
costs by about 20 percent. Almost
anything you can name has spir-
aled since Korea. The Air Force
alone reports that the decline in
the dollar has eaten out of its
budget 752 jet fighters.

Some Causes of Dollar Decline
Management blames the decline
of the dollar on wage raises. The
wage earner blames management
for price hiking in a seller's mar-
ket. Both groups are at fault. But
the real difficulty lies with the
fact that the production of goods
is not keeping up with the de-
mand. The Bureau of Labor Sta-
tistics reveals an average hourly
pay rise in the manufacturing in-
dustries from a low of \$1.00 in
1946 to \$1.50 in 1950, or 50 per-
cent. During the same time, the
Bureau of Labor Statistics' Con-
sumer Index rose 36.9 percent.
This meant an average hourly in-
crease of around 10 percent in
actual purchasing power of work-
ers.

From 1946 to 1950, corporate
profits rose, before taxes, from
23.6 billion to around 37 billion
in 1950, or an approximate 57 per-
cent increase. After paying taxes,
however, 1946 corporate gains
were 13.6 billion, and rose to 21.5
billion in 1950, and compare fair-

ly well with the increase in
wages and prices. This is a good
illustration of the law of supply
and demand—action and reaction
—which ultimately takes care of
unbalances. The desire of all of us
to enjoy more play and less work is
the real cause of our declining
dollar. The Korean war simply
brought our precarious economic
status into sharper focus.

More Controls Coming
I hate the idea of more govern-
ment in business. I always will be
vigorously opposed to unnecessary
government controls. We can no
more control inflation voluntarily
with our present Government in
a wartime economy than we can
raise a ten million man army vol-
untarily. It is, therefore, with re-
luctance that I have come to the
conclusion that the only cure for
inflation is through stringent re-
gimentation of our economy —
but only for as long as war lasts.
This means stiff taxes and a big
reduction of all expenditures not
required by the war preparations,
in order to put the war on a pay-
as-you-go basis. It means prices,
wages, and profits must be con-
trolled. It means an end to all
subsidies to farmers, laborers,
and businessmen. It means un-
loading the billions of dollars of
farm inventories now stockpiled
by the Government. It means a
drastic reduction in the heavily
overloaded executive branch of
the Government. It means all-out
mobilization, not a piecemeal in-
flation which encourages infla-
tion. Unless we immediately take
these drastic steps, unpleasant as
they may be, our dollar may be-
come worth only 25 cents.

Rocks Lose to Ypsi Braves by Single Point

The Rocks played very well and lost by a single point to the Ypsi Braves. The Plymouth Braves, led by a 38-37 victory over the Rocks in the first game of the season. The Rocks took a fast six to two lead and led at the end of the first quarter 12-8. Bud Young scored four free throws out of five attempts in the first quarter to keep the Rocks in the game.

Plymouth, behind the accurate shooting of long shots and consistency at the free throw line, tied the game up 16-16 with two minutes remaining in the second quarter. A sudden spurt by Hall and Kessler of Ypsi gave the Braves a 20-15 point advantage at the intermission.

The third quarter saw the referees call 11 fouls against the Rocks while tooting their whistle eight times against the Ypsi boys. Both teams took fine advantage of the charity tosses making 18 of 22 shots. The buzzer rang just as Wally Drake hit the net for a two pointer and the score board read 30-19 in favor of the Braves. In the last quarter both teams played extra careful as a minor slip by a player might change the outcome of the game. Only four fouls were called against Plymouth in the final stanza. Although Plymouth matched the home team in field goals they fell one point short of tying the game with Ypsi winning 38-37.

Jerry Finnegan, diminutive guard, who replaced Charlie Stark in the second period when Stark had four fouls, played a very fine game for his first appearance in a league encounter.

Next week Plymouth plays Trenton at the high school gym. In order for Plymouth to cop the league trophy, they must win their next three games with Trenton, Redford Union and Wayne. The Rocks barely edged out Trenton and Wayne in their previous games so the Rocks will have to fight all the way if they are to win their first league trophy.

Merchants Edge Bankers from 2nd

The Northville Merchants took over lone possession of second place January 30 as they defeated the First National squad 52-39.

It was a close game throughout the first three quarters but in the final period the Merchants outscored the Bankers 16-6. Northville had a 14-12 edge in the first quarter and increased this in the second period by two more points and held a 26-22 advantage. The third quarter saw the First National squad pull up by one point 33-33. In the last period Northville pulled ahead to win.

Bob Norman was high pointer for the losers with 17 points while Pottinger led the Merchants with 13 counters. On Feb. 1 Northville increased their hold on second place as they trounced DeHoCo 77-40 behind the scoring rampage of Dave Pottinger who collected 31 points for a new high for the season. Dave made 15 field goals and one free shot.

The first quarter spelled DeHoCo's future as Northville racked up 23 points to DeHoCo's 7. The Merchants held a sizeable 42-19 lead at halftime.

Pottinger followed Pottinger in scoring for the victors with 18 counters. Slesor led DeHoCo with 14 points.

Tail's Chalk up 12th Straight

Tail's Cleaners continues on their rampage in the Men's League Tuesday Jan. 30, as they trounced Plymouth Mail 52-39 for their 12th straight victory against no defeats.

Tail's jumped to a 15-19 lead in the first quarter and held the lead throughout the game. The victors held a 27-23 halftime lead. In the third quarter Tail's outscored the Mail 16-4 and in the last quarter 9-8. Don Humber of Tail's was high pointer for the game with 16 counters followed by Becker with 10. Hees led the Mail in their defeat with 10 counters also.

The Plymouth Mail were again victims of a defeat as they bowed to First National 46-41 Feb. 1. This was the Mail's seventh defeat while First National was winning its fifth game.

First National held a 10-8 lead in the first quarter but lost it in the second quarter as the Plymouth Mail outscored them 15-9 to take the lead 23-19. The Plymouth Mail squad increased this lead by one more point in the third period, the score being 35-30. In the final quarter the Mail team fell apart while First National got hot and scored 16 points to win the game.

Bob Norman was top scorer for the victors with 14 points followed by Newbauer who collected 11 counters. Brink was the loser's high point man with 14 points also with Hees behind him with 12 counters.

First National in Exhibition

There will be a special basketball attraction at DeHoCo Monday, Feb. 12, starting at 8 p.m. when the third place First National team of the Men's League will play the Detroit 425 Infantry Regimental team in an exhibition contest.

The Detroit 425 Infantry Regimental team is part of the Michigan National Guard and a former Plymouth High school student, Jack Port, is the manager. The First National team is composed of Bob Norman, John Wilkie, Clare Ebersole, James Birchall, Richard Gibbs, Milton Newbauer, Doug Eloff, Doug Jener, Art Johnson, Don Zander and Bob Gow.

You can put the most untutored persons into the highest society and they have a reservoir of Love in their hearts, they will not behave themselves unseemly. — Henry Drummond

Ken-Ork Beats Davis-Lent 11-8

Ken & Ork continues to lead the "F" league as they edged out Davis & Lent 11-8 last Saturday for their fourth victory against no defeats.

The first quarter was tied 2-2 and in the second period Ken & Ork managed to score — once while holding Davis & Lent scoreless to lead 4-2 at halftime. Ken & Ork scored four more points in the third quarter while still holding Davis & Lent scoreless to clinch the game. Davis & Lent scored six of their eight points in the final period.

The Optimists won their second game as J. Sagers collected 20 points in his team's defeat of the last place Globetrotters 32-5. The Optimists led all the way and had a 16-0 lead at halftime.

Plymouth Enters District Tourney

The announcement of teams entering the District tournaments to be held at Bentley was received last week. The following teams have been entered: Redford, St. Marys, Bentley, Garden City, Dearborn Lowery, Redford Union and Plymouth. The dates for the tournament will be March 1, 2, and 3. The Class A regionals will also be held there on the first and sixth of March. Drawings of the teams will be made at a later date.

A glimpse of the future was seen by the fans who attended the Plymouth-Bentley game at Bentley's new gymnasium, Plymouth's new gym, which is now under construction will be somewhat on the order of the Bentley gym, the main difference being that the Rocks future court will not have the stage in it. Included in the massive gym at Bentley is the glass backboards usually seen only in colleges. The Plymouth teams are quite honored to have been invited to attend the tournament at one of the most modern gymnasiums in the state.

Customers' Corner

Did you ever hear of "quality control"?

At A&P this means that we set high quality standards for the food we sell... and then we stick to those standards through thick and thin.

You won't find us lowering our high quality standards because supplies happen to be scarce, or because we want to put on a "bargain" sale.

That is why you can shop at A&P, day in and day out, with complete confidence that if, for any reason, you are not satisfied with any purchase, your money will be cheerfully refunded.

We will be grateful for any suggestions you may have that will help us maintain our high quality standards. Please write:

Students Inspect Local Hardware

William Rose, owner of the modern new Plymouth Hardware store on Forest avenue, greets representatives of the Michigan Retail Hardware association and the University of Michigan who co-sponsored the hardware sales study course last week. As part of the course the students visited the store which features new up-to-date fixtures recommended by the retailers association. With Rose are, left to right, Jes Torres of Lansing, Leo J. Golberg of South Haven and James Geib of Grand Rapids.

Plymouth Hardware's new Forest avenue store was exhibit "A" for Michigan hardwaremen last Friday.

The inspection was scheduled as the field trip part of the three-day hardware sales study course offered last week in Ann Arbor by the University of Michigan's business administration school and sponsored by the Michigan Retail Hardware association.

According to S. P. Torres, Lansing, the association's store engineer, Plymouth Hardware was selected for study because it embodied the newest features of open display and self-service merchandising.

H. W. Schumacher, Lansing, state manager for the national largest hardware association said the response was greater than expected. Over 35 hardwaremen from throughout the state registered on opening day. Even store owners turned out although the course was intended primarily for hardware store employees. The association now plans to make the study course an annual event.
