

THE FORD COMPANY ANNOUNCEMENT.

Publication in The Plymouth Mail last week of the official announcement by the Ford Motor Company of its plan to start immediate construction of a vast new plant right under the eaves of our city was indeed good news, even though we had anticipated that it was forthcoming sooner or later.

The site purchased is an ideal one. It already possesses highway transportation facilities that few other places in the entire Detroit area could provide, making easy access to the plant for some 3,000 or 10,000 people to be given employment just as soon as the plant is finished and equipped.

Plymouth has been most fortunate during the years in the high type of people employed by the industries located in this vicinity. The older Plymouth industries used great care in the type of people who were given employment. So have the new industries and as a result we have working in all the factories in and around Plymouth a most desirable class of people.

There is not the slightest question but what the Ford Company will exercise the same diligence in the selection of the new workers who will be engaged in the new plant as the company has in the selection of help now employed in the plant opened a year or so ago at the corner of Plymouth and Middlebelt roads.

Yes, Plymouth is indeed fortunate in having such a high type group of people as are employed in both its old and new industries. They are the kind of citizens who help to make a good city in which to live, a better city.

HOOVER ABSOLUTELY RIGHT.

When J. Edgar Hoover, chief of the United States Federal Bureau of Investigation told the Kefauver committee recently that the operations of criminal gangsters, gamblers and racketeers could be ended without the enactment of a single new law, he made a statement that ANY ONE who ever had anything to do with law enforcement knows to be the truth.

If the mayors, prosecuting attorneys, sheriffs and police officers of Michigan and all the other states of the Union did their sworn duty, any one with any common sense knows that these crimes would end within 24 hours.

We do not blame the law breaker so much as we do the cheap, grafting, sneering CROOK in public office who does not do his duty. Sometimes he does not do what he should because of graft money paid to him. Sometimes it is because he wants to make himself a good fellow with the crooks and sometimes it is because he is entirely in sympathy with the criminals who break laws that the law enforcement officer does not like.

We believe, however, that the revelations that have been made before the senate committee have so disgusted the majority of people with what they have discovered about official criminal connivance, that public officials will hesitate from now on to play the "good-fellow role" with the underworld. Yes, it looks very much as though there is a better day ahead for the decent people of this country.

YOU CAN SEE IT—YOU CAN SENSE IT.

One just cannot walk down any of the streets in the business center of Plymouth these days without seeing and sensing the fact that Plymouth is rapidly becoming the most important shopping center in the entire Detroit area.

With the completion of nearly a dozen new store buildings within the last year and construction under way in Plymouth by the Kresge company of Detroit for the largest department store between Detroit and Ann Arbor, Plymouth has almost overnight become the shopping center for a vastly increased number of people.

As we see it, we have just started and within another year prospects are that the merchants of this city will be called upon to provide the necessities for many more thousands of residents. So we had better prepare RIGHT NOW for the busy days that lie ahead for one of the best little shopping communities anywhere in Michigan.

MEETING A COMMUNITY NEED.

One of the greatest community needs of Plymouth is soon to be filled. It is all due to the progressive building program being carried on by the school district.

This city has long needed an auditorium large enough to accommodate a fairly good sized audience. It has needed, too, a banquet hall of sufficient size to provide accommodations for groups that in past years have desired to hold banquets but did not do so because of insufficient space.

With the completion of the school building program this city will have an auditorium large enough to provide seating accommodations for at least 2,500 people. The new George A. Smith school and the Nellie Bird School have dining rooms, with kitchen accommodations that will permit seating accommodations for some 350 people in each school.

In case a banquet like some of those held in the basement of the Mayflower hotel before that big space was divided off into smaller rooms, where some 700 to 1,000 people were in attendance, the new Central school auditorium could easily be used, with outside catering service such as the Mayflower could provide.

Within a few months it will no longer be necessary to curtail various proposed community activities because of the lack of large dining room spaces. We will soon be able to hold banquets that can be attended by many hundreds—which is a situation the city will gladly welcome.

SOME MORE DOES AND DON'TS FOR YOU.

Did you read in the newspapers where there are now over two million, two hundred thousand job holders on the federal civilian payroll? This does not include those in military uniforms or holding jobs with judges and the congress.

They've all got to be fed and clothed and enjoy vacation periods and sick leaves—so you'd better give that belt of yours another pull, cut a few more items off that grocery list, tell little Johnny that he can't have this or that, tell "Ma" she had better forget that new dress she was going to get for this summer and "Dad" you, too, forget a lot of the things you were going to buy this spring.

It seems that in order to pay this army of political job holders down in Washington, THEY have to have money in order to do so—and where do THEY get the money with which to pay these loafers? Right out of your pocket, of course.

Wait until the end of another year and you will know much more about how and where they get the cash than we can tell you in this brief editorial comment.

Life Was More Pleasant in Day of Horse and Buggy Says Mrs. Strasen

Mrs. Charles Strasen of South Harvey who is celebrating her ninetieth birthday today, said that life back in the old days were happier and friendlier.

Although Mrs. Strasen enjoys television today, she thinks that people were happier when she was a young girl.

People visited more with each other, and they were not in such a hurry to dash from one place to the other.

In the late 1800's and the early years of the twentieth century, life was slower. Families had more of a chance to do things together and neighbors went to more social get-togethers, she said.

Mrs. Strasen remembers the horse and buggy days very well, and even though it is very nice to take a drive on a Sunday afternoon in a car—life was more

Henderson Heads Salvation Army

Robert Willoughby, left, retiring head of the civilian committee of the Salvation Army greets Frank Henderson newly elected president of the local group. Standing, center is Captain William Roberts, leader of the Salvation Army in this area whose work has produced one of the most active corps in Michigan.

Frank Henderson New President Salvation Army Advisory Board

For the first time in many years, the Salvation Army Advisory board has a new president. Frank Henderson, former mayor of the city of Plymouth, has been elected to the post.

Mr. Henderson who has been a member of the board for a number of years, has been elected to the post.

Robert Beyer's New Drug Store Open for Business

Banners are flying at 506 Forest street in front of the new drug store of Bob Beyer which opened last Saturday. Also the proprietor of Beyer's Pharmacy at 165 Liberty street, Beyer is conducting a model store of the most modern practices.

A semi-self service store, the counters are arranged so that the customer will have the least amount of trouble under the article he wants.

Each department is labeled and the goods are arranged in stepped, pyramid-shaped racks which expose all merchandise easily to the eye.

Specializing in prescriptions and cosmetics, the new store will feature a prescription delivery service. Complete line of all cosmetics are carried.

In addition Beyer has a large selection of toiletries, and cosmetics, vitamin capsules, and gels, and a large stock of dental supplies. There is no soda fountain, but ice cream to take out may be purchased.

The store was designed by a Rexall company, and planned and 400 shelves are arranged so that the customer can find what he wants in a minimum of time.

Mr. Beyer is a pharmacist and has been in the business for the past three years. He is a graduate of the University of Michigan and has been employed by the University for many years. He is now a member of the South Lyons.

Garden Expert Speaks to Club

An extension of the popular vegetable gardening at the University of West Virginia for six years, Arnold Keller will address the Northville, Plymouth Gardens, and Plymouth Garden Club on Monday, April 9, at 10:30 a.m. in the Plymouth Garden Club.

Mr. Keller was a head production officer in World War I, and was a member of the American Legion. He was a member of the American Legion.

He will speak on the phases of vegetable production, and will discuss the importance of vegetables in the diet.

In connection with the speech, Mr. Keller will show a number of slides.

Mr. Keller is a graduate of Ohio State University with a Bachelor of Science degree, and he received his master's degree at the University of West Virginia.

Hostesses for the annual Spring luncheon of the Plymouth branch of the Michigan Division of Women's National Farm & Garden Association will be Mrs. Paul Wiedman, Mrs. Horace Thatch, Mrs. R. R. Lindsay, Mrs. Arthur Mills, Mrs. Edward Dent, Mrs. Max Trucks, Mrs. Stanley Hough, Mrs. Hugh Means, Mrs. Ray Bachelder, Mrs. Wm. Hartmann, Mrs. John Henderson, and Mrs. Louis Von Stein.

The new appointments are effective April 1, Mr. Brown said.

Secretary of State, Fred M. Alger, Jr., will be a guest speaker at a meeting of Plymouth, Michigan Township, and Livonia Republican Women's clubs Monday, April 16, at 1:30 p.m. in Veterans Memorial, Main and Union streets.

The tea chairman of the day are Mrs. Harry Terry, Mrs. Peter R. Miller of Plymouth, Mrs. J. Hodge, and Mrs. Edward Washington of Livonia.

Each member of the clubs are asked to bring a friend and the meeting will start promptly at 1:30 p.m.

Proclamation

Whereas, the Founding Fathers, came to this country in a search for freedom of religion and opportunity, and

Whereas, their survival was due largely to the courage, perseverance and faith of the people, and

Whereas, the Compact of the Pilgrims drawn up during the voyage to the new land and signed by the 41 heads of families represented, was the first civil government ever subscribed to by all the people concerned, and

Whereas, the Children of the American Revolution are pledged to the creation of a deeper love of country, a loyal respect for its Constitution and reverence for its flag among those with whom they come in contact, and

Whereas, these children are the lineal descendants of the men who fought the Revolutionary war to preserve for us the principles for which the Pilgrims had risked so much and labored so hard, and

Whereas, April 7 is the day of the State Conference of the Michigan Society, Children of the American Revolution,

Therefore, I as mayor of the City of Plymouth, Michigan, which is a city named in honor of the Plymouth colony, the second oldest settlement in America, do hereby proclaim April 7 as a Patriotic Day for Plymouth, Michigan, and request all citizens to display their flags in honor of the occasion and as a memorial to all who have served in the defense of the United States of America.

Signed: Cass S. Hough, Mayor

Plymouth's CAR Will Host Convo

The Plymouth Corners chapter of the Children of American Revolution will be host at the eighteenth annual conference of the CAR Saturday, April 7, at the Hotel Mayflower.

Guests will be the chapters in Michigan. Also acting as hosts will be the following chapters: Paul Revere of Birmingham, Lexington Alarm of Royal Oak, and Colonel Stephen Mack of Pontiac.

At the meeting, many regents of the Daughters of the American Revolution will be installed. Presiding at the conference will be Miss Carolyn Luttrell of Pontiac, junior state president.

Mrs. William M. Roberts will give the grace, and special awards will be given by Mrs. Kenneth Hulsing, the general chairman.

The members of the conference will be entertained by the Anthony Wayne chapter of Lansing, who will present their chorus in the Children of the American Revolution song.

After the morning meeting, the chapters will be served lunch at the Presbyterian church. Appointments will be made of junior state officers and installation of junior state officers and junior presidents of societies will take place.

Later in the afternoon, the chapters will tour Whitman and Barnes.

Honored guests include Mrs. J. Harvey Maxwell, state president, and Daniel Stuart Pope, III, national junior president of CAR.

New Manager of Niagara Falls

According to a radio news report heard by a number of Plymouth residents recently, Harold Cheek, former city manager of Plymouth who has held a similar position in Lexington, Kentucky during the past two years, has just accepted appointment as city manager of Niagara Falls, New York. It is stated that the salary of his new position is in excess of \$12,000 a year.

Calvary Baptist Holds Dedication

On April 28, 1950, the congregation of Calvary Baptist church voted to build the superstructure on the basement unit.

The contract was given to Virgil Krueger of Wayne, on July 12, 1948 on the new unit began October 16. With exception of some outside work the church is complete and will be dedicated on Sunday April 8, at 3 p.m.

Reverend Harold De Vries of Grace Bible church will give the dedicatory message. Special music will be provided by the church choir and other local musicians.

Plymouth Names Fisher, Henry and Bauer to City Commission

Plymouth voters, Monday re-elected Henry J. Fisher to the city commission for another year, gave Ernest L. Henry the top vote of all in the race, and elected as the third member of the city commission George T. Bauer, a new comer in city political activities, although he has been active in Methodist church work. He is employed as a chemical engineer at the Kalamazoo plant.

Mr. Fisher, long active in municipal affairs and a village president 14 years, Plymouth adopted its city commission form of government, was the only member of the commission to seek re-election.

The terms of Mayor Cass S. Hough, Mrs. Eleanor M. Hammond and City Commissioner Bauer, will end when the new commission assumes office on Monday, April 16.

Neither Mayor Hough nor Commissioner Richwine, who served briefly as mayor and then as a recall election, desired to seek another term.

Mrs. Hammond declined to become a candidate for supervisor from the city of Plymouth and was elected without opposition. Her total vote was 785. There were scattering votes for James Latture, Henry Fisher, Ernest L. Henry, Henry Devo, Carl Shear, Ruth Whipple, Frank Henderson and Douglas Hamill.

Fred Hadley was elected constable by write-in votes. There was no candidate for the office with more than 20 names being written in. Mr. Hadley won with the largest number of write-in ballots, his total being 57.

The following tabulation shows the vote for city commissioners by precincts:

For City Commissioners	Pet. 1	Pet. 2	Pet. 3	Pet. 4	Total
Ernest L. Henry	141	131	239	206	687
Henry J. Fisher	86	100	192	168	556
George T. Bauer	47	46	132	136	431
Howard M. Sharpley	19	45	120	127	391

John Patterson Buried In Area He Helped Build

John Patterson, the man who built more than a dozen schools in the area, including the Western National Bank, Redford and the original Presbyterian and Methodist churches and the home Temple.

The schools built by the well-known contractor included high schools in Plymouth, South Lyons, Dorton, Ypsilanti, Brighton, Lake Orion, and Wayne.

Other schools constructed by Mr. Patterson are located in Sable, Redford, Houghton, and Stratford.

Scenes of Plymouth's homes and stores were built and remodeled by the pioneer contractor.

Mr. Patterson operated his firm where the Patterson's Idle Wild golf course now is located. The old farm house which is 100 years old is being used as the club house.

After farming, Mr. Patterson went into building in 1905. At his retirement from the J. H. Patterson & Son construction company in 1930, he converted the farm into a golf course.

The pioneer builder began contracting public buildings, when he put up the Wayne high school.

Waldecker Wins Canton Contest

Republicans carried the day in the Canton township elections but their victory was somewhat marred by the exceptionally large number of split ballots. Of a total of 797 ballots cast, 514 were split against 166 straight Republican and 117 straight Democratic ballots.

Robert Waldecker for Supervisor and Andrew G. Smith for Clerk were the only Democrats elected, Waldecker defeating the Republican candidate, Percy Campbell 434 to 348, and Smith defeating Republican candidate Robert Simmons 407 to 349.

The vote was the largest township election ever recorded in Canton township, the last vote being cast five minutes to nine.

The totals for the other offices were for Treasurer, Ina Woolger, 561, one vote written in for Leo Bartz for the Board of Review, Albert Schrader, Jr. 400, Walter Hermannson 341, for Highway Commissioner, Fred Barker 407, George Young 347, for Justices of the Peace, (two elected) Ralph W. 153, Sydney Sutton 406, Ernest Boettger 323, Faye Taylor 243, for Constable, four elected) Arthur J. West 445, Harvey Vetal 390, William Johnson 392, Louis Backler 381, Bert Walling 350, Arthur Shedd 330, Charles Pohn 295, Robert Chixby 274.

The unit was formerly located in the office of Dr. Harold Brisbois, but due to Dr. Brisbois' retirement the oxygen unit will be at Plymouth hospital. Call the hospital if the unit is needed.

Oxygen Unit Available at Plymouth Hospital

An oxygen unit at the Plymouth hospital is now available for emergency use. The unit, purchased by the Myron Beals Post of the American Legion, may be used by doctors or anyone who needs it.

Uncover Old Main Made Back in 1896

Proof that when they made things in the good old days—objects were really made—can be seen in the old eight inch water main which was a part of Main street construction in 1896.

The main is absolutely free from corrosion. The DPW removed the 54-year-old main, while they were installing a new 6 inch tap for the Kresge sprinkle system last Thursday.

A cross section of the water main shows that the cast iron main is covered only with a thin coating of iron rust and the main is just as good as the day it was made.

Board of Education Schedules Meeting

The regular meeting of the Board of Education will be held Tuesday evening, April 17 at 7:30 p.m. in the Board of Education offices in Plymouth High.

The public is cordially invited to all services.

Plymouth Does Its Share in Helping Victors Get Big Vote

Michigan's Republican state ticket for important state offices swept Plymouth with the usual nearly five to one Republican majority in Monday's spring election.

To Superintendent Lee M. Thurston, victim of a vicious, low-down last minute political attack by Governor Soapy Williams, went the honor of getting the highest number of votes in Plymouth cast for any candidate on the state ticket. His total vote was 778 to only 189 votes for his opponent Edgar W. Waugh. It is apparent that the tricky assault made by the Governor the day before the election reacted greatly to the benefit of Michigan's highly competent superintendent of public instruction.

For Regents of the University of Michigan, Roscoe O. Bonisteel of Ann Arbor had 760 votes and Leonard J. Dorn of Midland had 738. Former Governor Murray D. VanWagoner had a total of 255 and his running partner, Wheaton Strom had 171 votes.

Charles Burns, candidate for re-election as a member of the state board of education had 771 votes as against 187 for his opponent, Louis McGinness.

The two members of the state board of agriculture received nearly the same totals as did the other Republican candidates.

If Plymouth voters had their way Albert E. Fry would be county auditor instead of Jacob Sumner. Fry's total Republican vote was 733 and Auditor Sumner's total was 247.

The vote was one of the lightest cast in Plymouth in many years.

Republican Endorsed Judges Get Big Vote

Supreme Court Judges Emerson Bayles and Neil E. Reid were plainly Plymouth favorite candidates judging from the top-heavy vote given to both of these eminent Michigan jurists.

Judge Neil Reid ran high with a total of 725 votes, with Judge Bayles a close second with a total of 707.

The Democratic endorsed candidates, James H. Lee, had a total of 221 votes, and Theodore Ryan a total of 151. Morton A. Eden received 58 votes and LeBron C. Simmons a total of 44.

Plymouth Favors All Amendments

Plymouth citizens made it manifest that they were in favor of all three proposed amendments to the state constitution, giving all except one a more than two to one vote.

The proposal to have the legislative meet once each year in regular sessions instead of every two years carried by a vote of 654 to a no vote of 235.

The vote to give Korean war veterans the same bonus as provided soldiers for World War II was favored by Plymouth voters with a 622 yes vote and 318 no votes.

The proposal to change the constitution to permit salaries of supreme court judges to be changed during their term of office, also given a favorable vote, with 500 voting yes and 390 voting no.

Scouts Stage Monthly Drive For Old Papers

Plymouth residents will have the opportunity now to rid their homes of waste paper, share in the patriotic effort to save paper in the present emergency, and to help the boys scout in their camping activities this summer.

Saturday, April 7, at 9 a.m. Boy Scout troop PT-3 and the explorer group will conduct their monthly paper drive to help conserve paper for the emergency effort and also to provide funds for summer camp.

Residents are asked to stack their old newspapers and magazines and to tie them up so that April winds won't scatter them through Plymouth.

The Scouts will pick the papers up outside the homes, and people living outside of Plymouth, call Scoutmaster Mathias at 164-W and their papers will be picked up.

The Scouts urge Plymouthites to start saving their papers now if they do not have many accumulated yet. The scouts stage a paper drive every month.

Board of Education Schedules Meeting

The regular meeting of the Board of Education will be held Tuesday evening, April 17 at 7:30 p.m. in the Board of Education offices in Plymouth High.

This will probably set the affectionate old folks back on their rockers, but the dentists are as serious as a policeman with aching feet. The way the molar mechanics see it is that the biggest cause of tooth decay is sweet stuff... and Grandma and Grandpa are apt to slip the kiddies a large helping of candy whenever they get a chance. They just love to see those little faces light up like a Roman candle. It's mighty sweet of the old folks, but it's tough on the nippers' clippers.

Hobart Band Presents Concert In Plymouth.....

Heralded as one of the finest bands in the country, the Hobart High school band will be presented by Plymouth's Band Parents' Association in a concert Saturday, April 7 at 8 p.m. in the high school auditorium.

Indiana's Hobart Band has placed first since 1930 in all of the contests and festivals it has entered.

The 75 piece band has the longest consecutive number of top ratings in the first division contests than any other band in the nation.

After children in Hobart Junior High receive experience, they graduate into the Hobart High band. The Junior High band of about 60 instrumentalists has also received high honors in all of the contests it has entered.

Members of the junior band are picked from the beginning instrumental classes. Hobart's instrumental classes are unusual

in that classes meet every day just like an English or arithmetic class.

Both bands have equipment and uniforms which are valued approximately at \$25,000.

The Hobart band is directed by Richard A. Worthington, who is an alumnus of the band. A graduate of the University of Michigan.

Services Held For Mr. Dolbee

Funeral services were held Wednesday, April 4 at 2 p.m. from the Schrader Funeral home for Theodore Mies Dolbee who passed away Sunday, April 1 at the age of 87 years. Mr. Dolbee has resided at the home of Miss Flora Summers at 3743 E. Ann Arbor trail in Livonia for the past thirty years. He attended the Methodist church.

Rev. William O. Welton officiated at the services, and hymns were rendered on the organ. The active pallbearers were: Guy Dunn, William Chamberlain, Robert Chamberlain, and Berna Chamberlain. Interment was in Riverside cemetery.

man, he developed a first division band at Belding, Michigan.

Just one of the favorable comments by critics is the one printed in Vicksburg Herald in Mississippi: "Close your eyes and listen to the Hobart High school band, and you can almost believe you're listening to the New York Philharmonic. Well, not quite, but the youngsters have rightfully earned the reputation of being one of the finest high school bands in the nation."

The proceeds of the concert will go into the scholarship fund which is used to send Plymouth High music students to music camps in the summer.

Funeral Services For Louise Micol

Funeral services were held Saturday, March 31 at 3:30 p.m. from the Schrader Funeral home for Mrs. Louise Micol who passed away Thursday, March 29 at the age of 87 years. Mrs. Micol was a former resident of Plymouth for 29 years.

Her husband, Charles Micol preceded her in death. Surviving are two brothers, F. Burr Tomlinson of Hartman, Arkansas and Harry S. Tomlinson of Superior, Wisconsin; her sister-in-law, Mrs. Anna Stroll of Plymouth and her cousin, Mrs. Charles H. Rathburn of Plymouth, also surviving are several nieces and nephews, other relatives and friends.

Rev. Melbourne I. Johnson officiated. Hymns were rendered on the organ. The active pallbearers were Charles H. Rathburn, Jack Stroll, Harry Micol, Samuel Spicer, LeRoy Jewell and James Henry. Interment was in Riverside cemetery.

Services Held For Mr. Whipple

Mr. Clarence B. Whipple passed away March 31 at the age of 66 after a short illness. Mr. Whipple lived most of his life on the old Whipple homestead on Seven Mile road near Napier road. Four years ago he moved to Plymouth.

Born on September 8, 1884, he was one of the six children of George and Eva Sloght Whipple. His sisters, Hazel and Mary preceded him in death, and he is survived, in addition to one daughter, Mrs. Hazel Truesdell, by two other sisters, Mrs. Orson Corwin of Belleville, and Mrs. Fred Nollar of Whitmore Lake, and a brother, Howard Whipple, of Northville.

There are four grandchildren: Gerry, Donald, Irene, and Bonny. Truesdell of Plymouth, several nephews and nieces and a host of friends.

Services were held in the Schrader Funeral home in Northville on Tuesday, April 3, at 2 o'clock. Reverend Lucia McCord, pastor of the Congregational Church of Salem, of which Mr. Whipple was a member, officiated. She used as her text Mr. Whipple's favorite scripture, the 23rd psalm.

Interment was in the Thayer cemetery on Six Mile road in Salem.

Don't forget the Grange meeting tonight. Potluck supper as usual. Three candidates for initiation. Two films will be shown.

Time to Check Rural Mail Boxes

It isn't too early to get ready for the Rural Mail Box Improvement Week which begins on May 5.

Plymouth residents who receive their mail in the rural delivery service can begin now in checking the serviceability of their mail boxes.

The Post Offices department states that a suitable mail box is one that is readily accessible to the carrier, has a neat appearance, offers proper protection for the mail, and has a strong support.

It is very important that the names of the owners of the box are inscribed clearly on the side of the mail box.

Patrons who have boxes that are on the unapproved list should check to see if the mail boxes are in good condition. These boxes are of the top-opening, revolving door types.

Speaker Tells of Guide Dog's Aid

"Independence, the guide dogs give the sightless" will be the topic of the University of Michigan club's discussion meeting Tuesday, April 10 at 8 p.m.

The speaker, Mrs. Lewis Fowler of Berkeley, will bring her guide dog and relate some of her experiences. Mrs. Fowler will tell some of the changes in people after they receive a guide dog to help them.

The meeting will be held at the home of Dr. and Mrs. Van Ornum of 1348 Maple street. Reservations can be made with the refreshment chairman, Mrs. George A. Smith at 295.

The public is cordially invited to attend the University of Michigan club's discussion meetings.

BIRTHS

MOTHERS! ... APRIL 8 IS DAUGHTER'S DAY

LOV-LEE'S

Open letter to all Mothers of little girls from five to high school age

"Pert Little Miss"—loves a carefree short hair-do—so practical for the summer—so simple for Mother to manage. The Lov-Lee's firm foundation is an ever-so soft permanent wave.

Is daughter's hair naturally curly? If so, we will cut her hair in a trim and tantalizing style. If not curly, we will cut her hair to a perky length and give her a baby soft permanent wave. No more putting it up at night or after a rainstorm.

This plan is not only a time-saver for Mother but good for your child. Little girls are coquettes at heart. We believe a child who looks as pretty as she can be—will also be as intelligent as she can be—and just as happy too.

Suggest Dr. Work as Baptist Pastor
On Sunday, April 8, the Pulpit Committee of the First Baptist church will recommend the name of Morton W. Work to the congregation for their acceptance as pastor of the church.

Mr. Work, a graduate of Ottawa University, Ottawa, Kansas, filled the pulpit on Palm and Easter Sundays. He has had considerable training and experience in Youth Work, serving in Kansas, Michigan, and Massachusetts.

At present he is serving as Youth Director at the First Baptist church of Medford, Massachusetts. He is attending the Andover Newton Theological Seminary at Newton, Centre, Massachusetts, where he will graduate in May.

The Pulpit Committee urges every member to be present on Sunday, April 8, for this important part of the morning service.

Plymouth Eliminated From MRA Tournament

Plymouth's chances in the MRA basketball tournament were relegated to a sudden end on Thursday, March 23 as they journeyed to Marshall to meet the Tallapoosa squad, winner of the Plymouth's MRA game, 59-52 to topple all Plymouth teams from play.

Tallapoosa were off their regular schedule of play in the same shows. However, the MRA squad is an outstanding team. Almond's fast break, pace, and excellent condition of their men was just too much for Tallapoosa to cope with.

Dick Eaton, who didn't enter the game until the second half, was the spark-plug of the Cleaners. He was aggressive on all times and played a very good game.

John Sundbaum, Rock basketball mentor, was excited from the game in the third quarter which greatly helped and the Plymouth team.

Kath Elmer placed the losers with 17 points followed by Kotter, who collected 10.

Social items can be phoned to 1755.

PTS Association Will Be Formed

There will be a very important meeting of all sixth grade and Junior High students, parents and teachers in the Central Grade School Auditorium April 9 at 8 p.m.

The group will be organized into a Parent-Teacher-Student association whose function will be to help members get a mutual understanding of Junior High problems.

The meetings will be in the form of panel discussion groups where parents, teachers, and students can work out solutions to problems which are prevalent in the school and home.

It is hoped that a large number of interested people will attend the meeting so that officers can be elected and an active year, beginning in September, can be planned.

The fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance; against such there is no law. —Galatians

Guild Members Honored by Plymouth Kiwanis

Members of the Plymouth Theatre Guild who participated in the recent presentation of "Blithe Spirit" were honored by the Plymouth Kiwanis, who sponsored the show.

Harold Elchert, chairman of the Agriculture Committee, who had charge of the program, turned the attention of the members of the Guild to the Kiwanis members who gave the Kiwanis a very enjoyable evening.

Mothers Stage "Going Places"

"Going Places," a musical comedy, will be staged by the Mother's club of the Starkweather school on Monday and Tuesday, April 16 and 17, at 8:13 p.m. at Plymouth High auditorium.

All local talent will be featured in the cast of over 100 members. Funds will be used for dental, playgrounds, and picnic projects. The names of people to contact for tickets will be announced later.

Miss Trudy Locke of Florida will direct the show. The action of the musical takes place aboard a train, and the show will feature songs, dances, and chorus girls.

John Patterson Buried in Area He Helped Build

(Continued from page 1)

school in 1926. Before this time, he had built only homes and barns. Proof of the builder's work can be seen in the buildings that he constructed.

A barn that he put up on the Harold Long farm at 5 mile road is still standing intact after a hundred years.

The pioneer Plymouthite saw many changes in the town. Mr. Patterson and one of his friends, Ory Chilson, attended the old German school in Livonia.

Those were the days, said Daniel Patterson, when the teacher packed a gun to keep order in the classroom.

John Patterson was a life time member of the Masonic Lodge, and he belonged to the Rotary, the Elks in Ann Arbor, and the Presbyterian church.

He is survived by his 91-year-old sister, Mrs. Emma Henderson of Plymouth; one son, Daniel Patterson, a grandson, Donald Patterson, and a grandson, Donald Patterson, air force. Mrs. Patterson died 10 years ago.

The services were held at Schrader's funeral home, last Saturday at 1 p.m. The Reverend Henry J. Walsh, D.D., officiated.

The pallbearers were Frank Rambo, Sidney Corbett, Ralph Lorenz, Edward Scully, Robert Willoughby, and Austin Whipple.

Harry Fountain, Jr., celebrated his fifth birthday Friday, March 30, entertaining several little friends at a party.

Erect Range for Sharpshooting

Police departments of Plymouth, Northville, and the surrounding area will have the opportunity to brush up on their marksmanship by using the new rifle range in Middle Rouge Park.

Through the efforts of Plymouth, the Board of County Road Commissioners and Carl Martin, park superintendent, the range was constructed.

In the woods, three lanes have been cut. One lane is 100 feet long and the others are 50 feet long, and in each there are two targets. Obstacles have also been placed for the officers and a man size silhouette.

Police officers will have the opportunity to shoot in all kinds of conditions, so that they will know how guns will react in different kinds of weather.

The rifle range will be used now exclusively for the use of the police.

Symphony Tea is Largest Ever

The Plymouth Symphony Tea following the concert on Sunday afternoon, under the chairmanship of Mrs. Andrew Vargha, was one of the largest ever attended by friends of the Plymouth Symphony Society.

Pink and green decorations and flower arrangements were used throughout the rooms of the Veterans Memorial Center. Pouring at the beautifully appointed tea tables were Mrs. Frank Henderson and Mrs. Horace Thatcher.

Assisting Mrs. Vargha as hostesses were Mrs. Harold Curtis, Mrs. Arnold Samuelson, Mrs. A. E. VanOrnum, Mrs. Raymond Bachelder, and Mrs. Dow Swope.

Contributing beside the hostesses were Mrs. Eugene Benson, Mrs. Allen Campbell, Jersey Belle Dairy, Miss Ruth Eriksson, Mrs. Paul Wiedman, and Mrs. Peter Yuhase.

A potluck supper was held last Saturday evening by the choir of St. John's Episcopal church. The husbands and wives of members of the choir report that an enjoyable evening was had by all.

Commissioners Set Hearing For Library Fund

The City Commission invites all citizens interested in setting up a fund for Plymouth's library to attend a public hearing on Monday, April 16.

One proposal considered by the commissioners would set up a separate fund for the library which could be used only for purposes of the library.

The proposal fund would consist of revenues from parking lots of library property, in addition to a \$4,300 surplus from last year's budget.

The public hearing is not required, as there are no expenditures of funds involved, but the City Commission would like to hear the ideas of persons interested in Plymouth's library.

Life Was More Pleasant in Day of Horse and Buggy Says Mrs. Strasen

(Continued from page 1)

At that time, said Mrs. Strasen, the church was the focal point of social gatherings and the activities of the family.

The whole family went to church on Sunday and during the week; and on special occasions, social gatherings were held at the church.

Mrs. Strasen remembers the day her husband, the late Charles Strasen, purchased his first car—one of the old model Fords. The children were very excited as he drove around the block.

Mr. Strasen was the pastor at St. Peter's Lutheran church.

When Mrs. Strasen came to Plymouth 36 years ago from Wisconsin, she said the roads were not paved and there were no cross streets.

If you wanted to visit a neighbor on another block, you had to go down one block to Main street another street.

Mrs. Strasen lives in one of the oldest houses on South Harvey street.

Mrs. Strasen is very happy that she has all of her sons and daughters around her on her birthday and she hopes to celebrate her 100th birthday.

She was born in Lebanon, Wisconsin in 1861.

Social Security Will Give More Service in City

Beginning in April a representative from the Detroit-Northwest office of the Social Security Administration, located at 12065 Wyoming, will be at the Plymouth Post Office the second and fourth Thursdays of each month at 11:00 a.m. Clarence A. Mattson, Acting Manager of the office announced today.

A second trip to Plymouth each month to provide better service for the residents of this area is due principally to the changes in the Social Security law made effective last September. Mattson explained. Many more people are now eligible for benefits due to the liberalization of the requirements for payment under the amended law. Also since credit has been added for military service World War II survivors of deceased servicemen should contact our representatives to find out about possible payments because of the time spent in military service.

Another major change in the law, Mattson added, now permits workers age 75 or over to receive their social security benefits regardless of their earnings from a job under social security.

"Our field representative will gladly assist all claimants to apply for their social security benefits, and will provide information for anyone who has an inquiry about the changes in the social security law. In addition he will help anyone obtain a social security account number or a duplicate of his original number if the card has been lost," Mattson stated.

Plymouth Youth Pledges For College Fraternity

Keith Ebersole, a 1950 graduate of Plymouth High school, is a pledge for Kappa Phi Alpha, a social fraternity at Michigan Normal college. Keith, a freshman majoring in Industrial Arts, is the son of Mrs. U. R. Sutfin, 326 Maple street.

In addition to Ebersole, there are 20 other Plymouth High graduates and two Bentley High graduates enrolled at Michigan Normal for the Spring semester.

Plymouth High Receives United Nations Flag....

A United Nations flag, made by Mrs. Lottie Jackson, is presented by Mrs. Jackson to Donnelly Young, student mayor of Plymouth High, at an assembly of the students last Friday afternoon. The Plymouth group of the Home Economists Extension Service presented the flag to the high school which will display the UN banner at assemblies. Pictured left to right are Mrs. Louise Hutton, Mr. Nelson, superintendent of Plymouth schools, Mrs. Lottie Jackson, Mrs. Jesse Tritten, Mrs. Lee Coolman, Mrs. Isabelle Taylor, Mrs. Sadie Ferguson, Donnelly Young, and principal Carvel Bentley.

From Sunny South to Breezy North Local Youths in College Band

Just back from the sunny south, Mr. and Mrs. Horace Johnson are already counting the days before they can go to Glennie up in Alcona county and open their summer cabin for the 1951 days of sunshine and pine woods breezes.

These well known Plymouth residents spent most of their vacation time at Fort Lauderdale and enjoyed delightful weather during their entire stay in Florida. It was not until they were within a day's journey of Plymouth when they ran into cold, rainy weather.

Mr. Johnson states that the winter tourist season of Florida which usually ends by the last of February was continuing well in-

to the early spring this year. "It seemed that the places we visited were as busy as they could be and new visitors were arriving from the north for a stay of several weeks as we were about ready to leave. Permanent residents of Florida stated that the present tourist season promises to be the longest they have ever enjoyed," he said. Traffic on U.S. 1 was unusually heavy," he added.

They enjoyed a brief visit with Ross Heilmann, former well known resident of Plymouth, who is recovering from a long illness at his home in Miami Springs. Mr. Heilmann asked Mr. Johnson to extend his best wishes to all of his old Plymouth friends.

Two Plymouth residents will tour with the Albion college band and orchestra from April 3 through April 15, when the 70 members of the two music groups will meet fifteen engagements in Michigan, Ohio, Indiana, and Illinois.

Carl Holt, freshman, son of Mr. and Mrs. C. Holt of 11028 Hubbard, will play saxophone in the band. Miss Marcia Penhale, sophomore, daughter of Mr. and Mrs. Randall R. Penhale of 416 Pacific, will play clarinet. The band is conducted by Dr. Conway Peters.

Johnson Talks on Modern Methods

Parents who have wondered if their children are learning the fundamentals under the modern method, will have the opportunity to ask Paul Johnson, the elementary curriculum coordinator from Ferndale.

In his discussion of the modern methods of teaching, Mr. Johnson will answer any questions that parents may have concerning modern education.

The meeting, sponsored by the Cooper P.T.A., will take place Monday, April 9, at 7:30 p.m.

Hostesses for the meeting will be Mrs. Perkowski and Mrs. Prochnow of the Room Mothers club. Mrs. Perkowski and Mrs. Prochnow will represent the second grade and mothers of second graders will provide the refreshments.

Mrs. W. Bracy, accompanied by her daughter, Mildred, have returned from a six week vacation in Florida.

Henry E. Baker of Sheridan avenue left by plane on Tuesday for a business trip to California.

FIRST CHURCH OF CHRIST, SCIENTIST. Sunday Services at 10:30 a.m. Sunday School, 10:30 a.m. for pupils up to 20 years. The mistaken belief that man is wholly material -- and the truth of his spiritual nature -- will be discussed in Sunday's service of Sunday, April 8, in all Christian Science churches. The topic of the Lesson-Sermon is "Unreality." The Golden Text is from Matthew (7:19) "Every tree that bringeth forth good fruit, is hewn down, and cast into the fire." Among the Bible citations is this passage, (Jer. 19:2): "Thus saith the Lord, Learn not the way of the heathen, and be not dismayed at the signs of heaven; for the heathen are dismayed at them." Correlative passages from Science and Health with Key to the Scriptures, by Mary Baker Eddy, include the following (p. 525): "Everything good or worthless, God made. Whatever is valueless or baneful, He did not make, — hence its unreality."

It's Our 10th ANNIVERSARY

In the Soft Water Service Business in Plymouth

This tenth anniversary in the Soft Water Service business is an important occasion for us. As one of the first 50 operators in the United States, we have literally grown up with the industry which now includes more than 1,500 operators in all parts of the country.

Nearly a thousand of these operators are serving more than two million people with Culligan Soft Water. Culligan has become the biggest name in home water-conditioning.

The real bosses of this business are our 1,000 customers. To merit their continued patronage and good will by rendering the best service possible is our constant objective.

A Suggestion

Some of our customers who do not have soft water at all times might consider a more frequent service. Our service charges are as follows:

28-Day Service	\$2.75 per month
14-Day Service	\$3.75 per month
7-Day Service	\$5.25 per month

Numerous developments in water-softening are under way. Some are still in the laboratory stage while others are in the early stages of commercial manufacture. We shall keep abreast of these developments and use them when we are convinced our customers will benefit.

To all our customers in the Plymouth area we say, "thank you". Serving you has been a privilege and a pleasure, and your cooperation and patronage is appreciated. To those who are not enjoying the convenience of having soft water in your home, we extend a sincere invitation to let us serve you.

We also extend an invitation to all who are interested to inspect our modern plant where the water softening units are sterilized and regenerated.

Hold Convo to Advise Women

All women in Plymouth and in the vicinity are invited to attend a conference, sponsored by the Michigan Federation of Business and Professional Women's club, on Saturday, April 14, at Michigan State college.

The purpose of the conference is to provide women who have interesting hobbies or ideas with expert advice, so that the hobby might develop into a profitable business.

Just a few of the topics that will be discussed are "How to pick a money maker" and "How to succeed in a small business of your own."

Speakers from various business concerns and Michigan State college will address the conference.

Reservations can be made with Mrs. Hugh Turner, 117 E. Allegan, Lansing, Michigan, phone 2-4414. Additional information can be obtained from Helen McNamara, promotion chairman, 10 Moss avenue, Highland Park.

Registration will begin April 14 at 9 a.m. in the Michigan State union.

BPW Invites Women to Attend Tea April 15

The Business and Professional Women's club of Plymouth invites all women to attend a tea, Sunday, April 15, from 4 to 6 p.m. at the Veteran's Memorial building.

BPW branches in Northville and in the vicinity have also been asked to the tea. Reservations can be made by calling Miss Marian Gorton at 1618-W.

If you have any local news items, club news or any social news, call 1755.

Mrs. Betty Davis Palmer, fashion commentator at Hudson's, will discuss fabric, color, and detail. Highlighting the show will also be comments and demonstrations on the use of accessories, make-up, and fragrances.

Mrs. Palmer majored in fashion design and color in schools in Detroit. Connected with the Fashion Bureau and Speaker's Bureau at the J. L. Hudson company, Mrs. Palmer has had several years of experience in the fashion world.

Chairman of the tea is Mrs. Kenneth Gibson, ticket chairman, Mrs. H. W. Curle, or the block chairman can be contacted for tickets.

Woman's Club Holds Meeting

The annual meeting of Plymouth's Woman's club will be held Friday, April 6, at 12:30 in the Methodist church. A potluck luncheon is on the schedule.

On the program will be a skit called "It Could Be You." Mrs. Philip Barney, Mrs. Harold Shirey, and Mrs. Edwin Schrader will take part in the play.

The chairman of the luncheon committee is Mrs. Paul Christensen and serving on the committee are Mrs. Henry Penhale, Mrs. Miller Ross, and Mrs. Russell Kirkpatrick.

Hostesses include Mrs. Arnold Samuelson, Mrs. Cecil Packard, Mrs. Russell Roe, Mrs. Howard Sharpley, Mrs. Philip Barney, Mrs. Alden Van Ornum, Mrs. Seth Birgo, Mrs. Paul Wagner, Mrs. O. H. Williams, Mrs. Ralph Taylor, and Mrs. Wayne Smith.

Members are asked to bring a dish to pass and their own table settings.

Avis Zander Bride of March 27

The First Methodist church in Plymouth was the scene on Tuesday evening, March 27, of the marriage of Avis Zander, daughter of Mr. and Mrs. Carl Zander of Starkweather avenue and Charles A. Truax, son of Mr. and Mrs. P. Arthur Truax of Northern avenue.

The rites were performed at seven o'clock by the Reverend Melbourne I. Johnson before an altar banked in palms and baskets of white gladiolus and stock, and lighted candles. Preceding the ceremony Fletcher Campbell sang "Always" and "The Lord's Prayer."

Avis, who was given in marriage by her father, wore a pink suit with navy accessories and she carried a white bible centered with two orchids which were flown here for her marriage from Hawaii and were a gift of her aunt and uncle, Mr. and Mrs. Coin E. Perin who reside there.

For her only attendant the bride chose her sister-in-law, Mrs. Donald Zander as matron of honor. She was gowning in a suit of navy blue with pink accessories and carried a pink rose nosegay.

The bridegroom asked his brother, George Truax to be his best man and the ushers were Donald Zander, a brother of the bride, and William Herter.

For her daughter's wedding Mrs. Zander selected a dress of blue with rose accessories and a pink rose corsage. Mrs. Truax wore a grey suit with yellow accessories. Her corsage was of yellow roses.

Following the ceremony a reception for over 200 guests was held in the home of the bride's parents on Starkweather avenue. Guests were present from Plymouth, Farmington, Ypsilanti, Texas, Dearborn, Ann Arbor, Wayne, Detroit, Northville, Cadillac, and Highland Park.

Following a wedding trip to Niagara Falls and other Eastern points the newlyweds will be at home to their many friends at 875 Wing street, Plymouth.

Elizabeth Ann Sutherland Weds In Dearborn

Miss Elizabeth Ann Sutherland daughter of Mr. and Mrs. Donald Sutherland of South Harvey street repeated her marriage vows to Richard Stephen Warga at St. Alfred's church, Dearborn on Saturday morning, March 31. Father Burke officiated at the 10 o'clock rites. Large vases of white lilies formed a background for the ceremony.

Elizabeth Ann, given in marriage by her father, was gowning in white lace over ivory satin fashioned in a redingote. The skirt was very full and the waist was complimented by long pointed sleeves and a Peter Pan collar. The gown was made and designed by Miss Alice McLean, a dear friend of the bride. Her fingertip length veil of illusion was held to a satin and lace bonnet trimmed with seed pearls. She carried a shower bouquet of colonial design in white roses and lily of the valley.

Sylvia Warga, sister of the bridegroom was Elizabeth's maid of honor. Her gown was of yellow taffeta with a hoop skirt and fitted bodice. Miss Barbara Ward, the bridesmaid wore a gown

identical to that of the maid of honor in turquoise blue. They carried bouquets of yellow roses, sweet peas, and daffodils.

Andrew Sassack of Detroit assisted his cousin as best man and the bride's brother, Donald M. Sutherland acted as usher. For her daughter's wedding Mrs. Sutherland wore a dress of tissue taffeta print and a turquoise hat. Her corsage was of gardenias. Mrs. Warga wore cocoa lace with a flowered hat. Her corsage was of roses.

Following the wedding a reception for 200 guests was held at the Veteran's Memorial center in Plymouth. Guests came from Dearborn, River Rouge, Detroit, Ypsilanti, and Plymouth.

For going away the new Mrs. Warga wore a toast colored suit with white accessories and a white carnation corsage. After a honeymoon in Northern Michigan they will be at home to their friends on Plymouth road. Mrs. Warga is a graduate of Plymouth High school and attended Michigan State college and the Ford School of Nursing, Michigan college of Education at Mt. Pleasant.

Miss Betty Bilow Weds William E. Swan

Miss Betty Jane Bilow chose Saturday evening, March 31, as the date of her marriage to William E. Swan, son of Mr. and Mrs. William O. Swan of Harvey street, Plymouth. Betty is the daughter of Mr. and Mrs. Laverne Wagenschütz of Beech street.

Reverend Henry Walsh officiated at the eight o'clock rites in the First Presbyterian church. Palms, baskets of gladiolus, carnations, and snapdragons, and lighted tapers formed the setting for the impressive ceremony.

Betty, gowning in traditional white satin with a four foot train, was given in marriage by her father, Laverne Wagenschütz. The princess waistline was accented with a beaded sweet-heart neckline.

Mrs. John Henderson, as matron of honor wore a gown of shrimp color made of taffeta with a net overskirt. The gown was strapless and had a small jacket with chinese collar and cap sleeves. Miss Pauline Bell and Miss Bonnie Wickens, the bridesmaids, wore gowns identical to that of the matron of honor in baby blue.

Harold Swan served his brother as best man and the ushers were James McLean and John F. Henderson. Mrs. James McDowell sang "Because" and "The Lord's Prayer" preceding the ceremony.

Mrs. Wagenschütz selected a tailored gown of chiffon in sea-foam green while Mrs. Swan wore a gown of rayon crepe in soft blue.

Following the wedding a reception was held in the parlor of the church with guests attending from Cleveland, Ohio, Saginaw, Detroit, Dearborn, Northville, and Plymouth.

For her going away the new Mrs. Swan wore a suit of red trimmed in black with black accessories. They are on a honeymoon to Washington, D. C. The bride is a graduate of Plymouth High school and the bridegroom graduated from Denora High school in Denora, Pennsylvania.

The young couple will be in their new home at 524 Irving street upon their return from their wedding trip.

BIRTHS

Mrs. Lexis Skoglund and her new son, Jeffery Charles, who was born at Garden City Maternity hospital, on Thursday, March 22, have returned to the Skoglund home on Carol street. Mrs. Skoglund is the former Norma Houghton.

Mr. and Mrs. Rexford F. Key of West Ann Arbor road are receiving congratulations on the birth of a daughter, Malinda Lee, at Ford hospital, Detroit, on Saturday 17.

Hints For Plymouth Homemakers

Use Eggs to Substitute For Meat in Variety of Dishes

Eggs—scrambled, poached or coddled—are delightful breakfast fare. But the Plymouth homemaker who uses them to pinch-hit for meat in the lunch or dinner menu is wise to dress them up a bit to make them more satisfying to hearty appetites.

There are any number of foods which combine well with eggs. To make them more filling, take your choice of the starchy ones such as macaroni, spaghetti, noodles, and potatoes.

For flavor add a savory sauce of some kind. Tomatoes with onion or green pepper as an accent are just the right choice sometimes. At others mushrooms, ripe olives, pimiento, a bit of anchovy paste or sharp cheese may turn the trick.

The addition of a crisp salad for bulk complements the formula for a successful luncheon or dinner main course planned around eggs.

No matter in what form you choose to serve the eggs they need gentle handling. Keep the temperature low during the cooking and cook them only a

short time. It's surprising how too hot a cooking temperature or prolonged cooking can toughen something as delicate as an egg.

And now for some recipes for preparing this food which ranks as one of the best proteins for building tissue and blood.

EGGS AND CHIPS

Six hard-cooked eggs, sliced. 1 can (10 or 11 ounce) condensed cream of mushroom soup, 1/2 cup milk, 2 tablespoons finely minced onion, 2 cups crushed potato chips (about 4 ounces), salt and pepper to taste.

Blend soup, milk and onion. Arrange half of potato chips in bottom of greased 4-quart casserole. Cover with sliced eggs and season with salt and pepper. Add soup mixture, then top with remaining chips. Bake in moderately hot oven, 400 degrees F., for about 25 minutes or until sauce is bubbly. Makes 5 to 6 servings.

CORN FONDUE

One-third cup bread cubes, 1 1/2 cups cream, 1/2 cup milk, 2 tablespoons minced onion, 2 teaspoons finely chopped green pepper or pimiento, 1/4 cup grated American cheese, 1/2 teaspoon salt, 1/2 teaspoon pepper, 2 eggs, well beaten, 1/2 cup scalded milk.

Add all ingredients to eggs, adding milk last. Mix lightly. Pour into greased loaf pan, 4 by 8 inches, and set in pan of hot water. Bake in moderate oven, 350 degrees F., until set, or for about 1 hour. Makes 6 servings.

POTATO AND EGG SCALLOP

One cup thin white sauce made with 1 teaspoon each table fat, flour and 1 cup of milk, 2 or 3 medium sized potatoes, cooked and sliced, 6 hard-cooked eggs, sliced, 1 tablespoon minced parsley, salt and pepper to taste, soft bread crumbs.

Season white sauce to taste with salt and pepper. Place alternate layers of potatoes and eggs in greased baking dish. Sprinkle lightly with salt and pepper. Add minced parsley to white sauce. Pour over potatoes and eggs.

Sprinkle top with soft bread crumbs and dot with a little butter or fortified margarine. Bake in moderately hot oven, 375 degrees F., for 15 to 20 minutes or until heated through and nicely browned. Makes 4 servings.

If liked, flavor cream sauce with about 2 tablespoons anchovy paste before pouring over the eggs, and omit parsley. It is best in that case, to season sauce with salt after the paste has been mixed with it.

SANDWICHES PACK POWER

Sandwiches are power packed for energy when a protein food is used for filling and the bread is enriched white or whole wheat.

Here are three hearty sandwich spreads for you to use if you have a lunch for the man at your desk.

Zippy Bean Spread

1 1/2 cups baked beans
1 cup finely cut celery
2 teaspoons prepared horseradish
2 tablespoons tomato catsup
2 tablespoons chopped pickle
1/2 pound bacon

Mash or sieve beans and combine with celery, horseradish, catsup and pickle.

Spread on sandwich bread, allowing 2 tablespoons of mixture per slice of bread. Place pan-fried bacon on top of spread. Cover with remaining slice of bread.

Yield: 8 sandwiches.

This cottage cheese spread may be used as it is or varied with pickle, onion or relish.

Cottage Cheese Spread

2 hard-cooked eggs
1 cup cottage cheese
1 tablespoon prepared mustard
1/4 teaspoon salt

Mash eggs with fork. Blend with cottage cheese, mustard and salt.

Yield: about 1 1/2 cups sandwich spread.

The regular American cheese sandwich is always good but takes on new interest when combined with peanuts as it is in this recipe.

Peanut Cheese Spread

3/2 pound American cheese
1/2 pound salted roasted peanuts
1 small onion
1/4 cup chopped parsley
1/4 cup salad dressing

Put the cheese, peanuts and onion through the grinder using the medium blade. Add parsley and salad dressing and blend well.

Yield: 1 1/2 cups spread.

HEARTY AND HANDSOME — THE EGGBURGER

By Gay Kitchen

When the younger set demands a man-sized snack and when a different mid-night treat is in order, feature Eggburgers. This Eggburger is something special "to have up your sleeve" when folks come a-visiting or when the youngsters descend upon you hungry and eager. It's tops for it fits a variety of needs.

Easily prepared from foods that are staples in every kitchen... eggs and cheese in the refrigerator... bread or buns in the bread box, the homemaker can prepare at a moment's notice big, golden handbuls—delicious Eggburgers.

EGG AND CHEESE BURGERS

Cut buns in half. Top one half with cheese slices. Place buns under broiler or in very hot oven to melt the cheese and toast the plain halves. Meanwhile for each burger fry one egg to medium or firm consistency. Place eggs on the toasted halves. Serve the buns open or closed style. Serve promptly.

To Fry Eggs: Heat 1 to 2 tablespoons fat in a skillet just hot enough to sizzle a drop of water. Break and slip eggs into skillet—from a sauce dish if preferred. Reduce heat immediately. Cook slowly to desired doneness, 5 to 7 minutes. Baste with fat during cooking. Instead of basting, skillet may be covered, or eggs may be turned over.

Shop Wisely for Rain Coats

Although April showers bring May flowers they also create a need for a serviceable raincoat.

Two types of raincoats are on the market. One type is completely water-proof, the other is water-repellent.

In water-repellent coats the material is treated to make it water-resistant. The pores of the fabric remain open so air can penetrate the fabric and perspiration can evaporate. Thus, water-repellent coats remain comfortable, particularly in hot weather.

A good water-repellent coat will shed water well except when exposed to very heavy or prolonged rain.

If the raincoat is to give satisfactory wear, the material, whether made from cotton, rayon, silk, wool, or nylon or a blend of these fibers, should have a firm, close weave.

Water-repellent finishes may be durable or non-durable. The durable finish will withstand numerous launderings or dry cleanings. The non-durable finish must be replaced after these operations.

When you buy a water-repellent coat, read the tag or label and ask the clerk or buyer for information so that you know the

Three Firms to Launch Gala Fashion Show

Fashions in Furnishings is the theme of a gala Spring showing of 1951's newest fashions for the home, which begins today at Blunk's.

Presented by Blunk's with the cooperation of Taylor and Blyton's drapery store and Pease Paint and Wallpaper company, the fashion show will continue through April, store officials announced.

Draperies, wallpaper, carpets and furniture, all selected from America's foremost designers and manufacturers, will be presented during the show in specially constructed room settings.

The settings, located throughout Blunk's, have been provided to afford homemakers an opportunity to see the newest home furnishings as they will appear when in actual use.

Individual room settings, showing furniture from Blunk's regular lines, will feature new fashions in draperies, bedspreads and curtains from Taylor and Blyton's, against a background of new patterns and designs in wallpaper, shown through the courtesy of Pease Paint and Wallpaper company.

Contributed to the show by Pease Paint and Wallpaper, actual room settings depicting the latest trends in contemporary and traditional wallpaper will be shown. Pease will show the paper from its regular stocks, which include all of the nation's best known wallpaper manufacturers.

In addition, staff members of Blunk's and the other stores will be available to assist homemakers in selecting just the right style, colors and patterns to fit their decorating scheme.

The show will be staged in conjunction with the National Carpet Fashion Opening, which began Monday.

Both are experienced Plymouth firms, highly regarded as fashion centers for better lines of the merchandise in which they specialize.

Taylor and Blyton will bring to the show a host of fine fabrics for slipcovers, draperies and bedspreads, in addition to smart curtains for every window in the house.

Store officials extended a cordial welcome to everyone to attend the show, adding that there is "no obligation" and asking that those interested can "come in and browse around."

Reddy Kilowatt is Ready!

Much of our nation's strength lies in its preparedness. Electric power is a vital resource. An important question is: Have we enough of it . . . enough for complete preparedness?

Detroit Edison's Answer is Yes

In December, 1950, demands for electric power by our customers were greater than ever before . . . five times during that month new records were established . . . and we had power to meet these demands. Yes, Detroit Edison is ready today and is building ahead to be ready tomorrow.

More Power to Keep Us a Stronger Nation

Our company's construction program will continue to keep us ahead. Since 1940, new equipment has increased our electric power capacity by 50%.

* Two 75,000 kilowatt turbine-generators added at our Delray Power Plant.

Two 75,000 kilowatt turbine-generators added at our Marysville Power Plant.

Two 100,000 kilowatt turbine-generators added at our Trenton Power Plant.

With new construction our 1940 capacity will be doubled:

* Two 100,000 kilowatt turbine-generators are being added at our Conners Creek Power Plant.

Three 125,000 kilowatt turbine-generators are being added at our new St. Clair Power Plant, now under construction.

Construction of transmission lines, substations and distribution circuits is keeping pace.

Similar effective programs are going forward in all of America's electric companies under the able management of men who know that a strong America is a free America.

Last Thursday evening, Plymouth High school held its annual oratorical and declamation contest. Those who participated were: MacDonnelly, Franklin Atkinson, Allan Strong, Dorothy Hillman, Viola Birch, Laurence Livingston, Julia Wilcox, Julia Leonard, Ida Mae Bennett, and Josephine Schmidt.

Roy Crowe, local manager of the Michigan Bell Telephone Company, entertained the Kiwanis club at their last Thursday's meeting with an interesting and instructive demonstration of telephone operation.

A switch board and two telephones were arranged in the room, and the Kiwanians were shown exactly how calls come from the central office and how they are handled from the switch board by the operator.

At the annual meeting of the Wayne County Council of Parents-Teacher Associations, held recently at their last school in Grosse Pointe, Mrs. George Bentley of Elin, was chosen president of the council for the ensuing year.

Miss Edna M. Allen is visiting friends at Oberlin and Cleveland, Ohio, this week.

Mrs. Joseph Rowland, the former Irene Krauter, who has served as secretary to George A. Smith, superintendent of schools and the Plymouth board of education, for the last 12 years, resigned her position last Tuesday.

Miss Dorothy Richards, who graduated in the class of 1940, has been appointed by the board of education as Mrs. Rowland's successor to the position of secretary.

The annual meeting of the First Presbyterian church was held last Wednesday evening and annual election of church officers. Chauncey H. Rauch was elected president of the board of trustees of the church, Russell Roe, vice president, and E. J. Burrows, secretary.

New trustees elected to the board were Russell Deane, Edward Dobbs, David W. Mather and Edwin Schrader. Raymond Bachelder was re-elected treasurer of the church organization and J. W. Kaiser and James J. S. Gallimore were elected members of the session.

A nominating committee for the coming election comprised of Mrs. Howard Hunt, Mrs. William G. Johnson, Miss Hazel Parmelee and Miss Mary Lyon was appointed at a special meeting of the Stakeholders PTA board last Monday afternoon.

Instead of bringing farmer guests in and around Plymouth to attend the annual urban meeting of Plymouth's Rotary club President Glenn M. Jewell hit upon the idea of taking Plymouth Rotarians to the country for their annual farmer meeting. That is why nearly all Plymouth Rotarians drove out to Salem last Friday night to attend one of the largest and most interesting urban meetings the Rotary club ever held.

Construction was started last week on an addition to the office and tool room of the Dunn Steel Products company at 377 Amelia street between Blanche and Main streets. The addition 25 x 25 feet, of cement block construction is

being built by Contractor Ernest W. Rossow, at an estimated cost of \$3300.

Timely discovery of a fire and quick work by the Plymouth fire department last Saturday forenoon saved the Masonic Temple from serious damage by flames. Fireman discovered the furnace room in flames and the fire spreading to floors above. Paper refuse which had been stored in the basement had in some way caught fire. Robert Lawson, 284 Union street, reported the blaze.

Rapidly increasing business has forced Jake Stremich of the Hillside to begin the construction of an addition to his dining room and dance floor which will almost double the present capacity.

The addition, being built on the south side of the present structure, will be an open-type dining room, so that during the summer the windows can be removed and the large space open on three sides.

**Three questions to ask about any automatic drive —**

Before you buy any new car today, ask these questions about its automatic drive...

Does it end clutch-pushing and gear-shifting? If the answer is "No," then it isn't as simple and smooth and safe as a modern automatic drive should be. (In Packard Ultramatic, there's no clutch-pushing—and no gear-shifting.)

Can I rock it in snow, sand or mud? If the answer is "No," then it isn't as

flexible as it should be. (With Packard Ultramatic Drive, you can change instantly from Forward to Reverse.)

Does it cruise in solid, direct drive? If the answer is "No," then it isn't as efficient as it should be. (Packard Ultra-

Pilgrim Prints Staff Visits Detroit Times

On the agenda for the Pilgrim Prints Staff is a forenoon trip to the Detroit Times, on April 10. Taking a school bus and leaving Plymouth at 8:30 a.m., the students will have an hour and one half for a tour of the Times' plant.

The purpose of the trip is to see how a city newspaper is published, and to obtain information in the publishing field.

Homemaking Classes Visit Flower Show

The girls of the homemaking classes one, two, and three went recently to the Flower Show at the Detroit Convention Hall. Miss Ingeborg Lundin, a homemaking teacher, and several mothers accompanied them on the trip.

Junior Class Conducts Second Drive For Paper

During Easter vacation the junior class sponsored their second paper drive which added a neat sum to the class treasury. The drive was under the supervision of Shirley Pine, the junior class president.

The juniors are indebted to Keith Avery, Gale Mills, and Dave Travis for transportation. Another drive is planned for the month of April.

Call to Action

HAVE you ever wondered how it would feel to go the limit on power and comfort and quality in an automobile?

Or how it would feel to be lord and master of a car that can take its place with the finest in the "fine-car field"?

Then, sir, this is a call to action.

The first action is yours—the simple action of getting in touch with a Buick dealer and planting yourself behind the wheel of a ROADMASTER.

Then let this great-powered and dazzling performer take over.

There's action in every one of the 152 horsepower in its Fireball engine — more action than most proud owners of this eager beauty will ever use.

There's counter-action in its gentle and sure-gripping brakes, the finest that Buick has ever engineered.

But there's also luxury—the luxury of double-depth Foamtex cushions and custom upholstery—and of ample

roadweight magnificently poised on coil springs which individually cushion every wheel.

There's a spacious feeling of room, above and around you—room that is unsurpassed anywhere in the fine-car field.

And to make every mile effortless and relaxed, there's the very exclusive advantage of Dynaflo Drive—not as an "extra," but as a standard ROADMASTER feature.

So why not drop in and satisfy yourself, as our guest, that here indeed is a fine car that goes the limit—in everything but price!

Check for yourself what others ask—and what others offer—and you'll discover ROADMASTER prices a call to action that a wise man can't ignore.

Equipment, accessories, trim and models are subject to change without notice.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

Roger Babson Says --

Babson Discusses Self-Protection

Washington, D.C., April 5. For some time, I have been advising my readers who live in large cities to have - as insurance - a small house with enough land to feed one's family and far enough away from the large city to be safe in case of World War III. I am not recommending farming as a small business, as it is fast becoming a "big business" operation. It is very difficult for an inexperienced person, without much capital, to compete with

big farmers. As insurance, however, I believe such a small place in the country is the cheapest, safest, and most sensible insurance a family can buy, after being insured against fire.

Being Smug Will Not Pay

I am now getting letters from readers saying: "We already have a house to which we can flee in an emergency. Hence, we are okay whatever happens." This week I wish to remind such readers that they have forgotten the "refugee problem." It is very possible that when you reach your "hide-away," you will find it already occupied by others who have fled from a large city and—by permission of the Red Cross or some State official—have already taken possession. The rule may be that the first refugees who reach an unoccupied house, or an occupied house with empty rooms, can take possession, whoever the owner may be.

Hence, it is important that we (who think we are well provided with a safe refuge) should wake up and do something now, to prepare for an abrupt surprise! This applies not only to those who are planning to flee to a

summer place in the country, but also to those who now live snugly in the quiet suburbs of some city which may be bombed. Such houses will be occupied by strangers if we leave them vacant while we must share them with strangers if we remain in them. In case of enemy bombing, refugees will be given any empty oeds whenever needed.

"What shall we home owners do?" you ask. Let me reply that our future safety depends upon getting interested now in helping the other fellow. If a city within 75 miles is bombed, only those who are truly unselfishly interested in helping refugees will save their own homes, whether in a city suburb or in a little farm or village. This means we should now become an active Red-Cross or refugee worker. We should now study first-aid nursing and emergency diet. We should now definitely plan to take strange people into our homes either in entirety or in part, in case of need. If we have a barn or garage or empty building, we should now fix it up for refugees. Our personal safety will then depend not upon how much money we have, but how much we are doing for other people who have lost everything. Only our generosity will save us. Smugness and the feeling that we will get preferential treatment because of our houses, our money, our social standing or our political pull could land us in a concentration camp.

Cease Being an "Anti"

It is very important that we at once quit being an "anti" and now train ourselves and our children to care and share with others. It seems as if everyone

with whom I talk is "anti-something." Some families are anti-Jewish, others anti-Negroes, others anti-Catholics and others anti-Protestants, or anti-Labor or anti-capital! Then I find one family is anti-Truman and the family next door is anti-Taft, or anti-something else. Some are for World Federation, in which I believe, and others laugh at me. To save our necks we must forget this "anti-stuff" and remember Jesus' profound statement: "If we are to save our lives we must be willing to lose our lives."

All of us are more or less "anti" on our foreign policy—whether to follow Hoover or Dewey, or Acheson. I especially wish the United Nations could quit its childish debating about "who cast the first stone." It should unite on some constructive policy of providing all countries with their just peace needs of oil, food and other necessary raw materials. This is the only way War III can be prevented. Our hope and safety lies not with more bombers, more ships and troops but in assuring the world of the FOUR FREEDOMS which we offered them nearly ten years ago. But, in the meantime, let all of us plan something for the refugees in case some city near us is bombed.

Symphony Notes

"I do want to congratulate you" Dr. Valter Poole, assistant conductor of the Detroit Symphony Orchestra expressed to the members of the Plymouth Symphony Society on the occasion of the fifth annual meeting staged at a dinner in the Cristol ballroom of the Mayflower Hotel, March 28.

"You are doing a great thing for Plymouth and the orchestra is bringing culture to the community," Dr. Poole spoke convincingly and sincerely on music as an all embracing subject. He commended the orchestra and the society for having doubled its support and membership and very emphatically stated that this was due to the organizational developments of Mr. Paul T. Wagner, the conductor, and for the presentation of high music standards.

Dr. Poole also commented on the duties of education to give children music as a means of emotional stability so much needed in the world today, and that Socrates had placed sports next to music, but that music led the list.

The audience stood and applauded Dr. Poole following his talk. He was introduced to the assembly by Josef Lazaroff, concertmaster of the orchestra, who was credited for obtaining Dr. Poole as the speaker.

President Harold Todd whose duties terminated with the meeting said that he had enjoyed his duties and working with Mr. Wagner. He said the board had worked very faithfully and having worked with them for two years "you get to know them quite well."

The annual reports were presented in mimeographed form which facilitated the program. In it were contained the dates of the year's programs; the orchestra repertoire; the report of the personnel chairman, Harold Von Bergen; Lila Humphries reported on the social committee's "coffee hours"; Ruth S. Gault on printing programs; J. Gallimore the historian; Ruth Curtis on student membership; Hildreth Daane on general activities; Norma Cassidy on memberships; and reports by Heloise Campbell, recording secretary and Jane Raafaub, corresponding secretary.

The nominating committee presented a slate which included Mrs. Harry Balfour, Mrs. Maxwell Moon, Mrs. C. J. Kershaw, Mrs. Andrew Vargha, Mr. Elvin Taylor and Dr. Henry Walch. They were unanimously elected to fulfill vacancies caused by termination of offices held by Dr. Harold Todd, Mrs. Howard Raafaub, Mrs. Allen Campbell, Mrs. Russell Daane, Mrs. Roderick Cassidy and Mr. James Gallimore.

Norma Cassidy was assisted on the nominating committee by Hildreth Daane, Ruth Curtis, and Carl Wall.

The orchestra personnel board recommended the status of honorary memberships to a large group of musicians who had participated in the orchestra for two consecutive seasons.

A musical program was presented by Gerald Corey on the bassoon, accompanied by Hannah Strasson and a trombone solo by David Green, accompanied by Brenda Covell.

Heloise Campbell was chairman of the well attended dinner and the decorations which followed musical motifs.
