

A SPECIAL VISITOR at the Stop and Shop food market last Thursday was Philip Morris' Johnny who is here being introduced to shoppers Mr. and Mrs. Joseph Elliott of Church street. Shown with the Elliotts, on the left, and Johnny, are J. G. Rucker, William J. G., Jr., Joseph and Mrs. Rucker, owners of the store.

Mayflower is Host to Rube Marquart, Baseball Great

Presently staying at the Hotel Mayflower is a man whose name will bring a glow of reminiscence to the eyes of old-time baseball fans. He is Rube Marquart, former left-hander of the National League and holder of many major league records.

Rube is connected with the Detroit Race Track in Livonia and will be in the area for the next six months. He and Mrs. Marquart are looking for a house or apartment in this area and would like to find one in Plymouth, a town which they like very much.

His location in Plymouth could be a break for young ball players here, for Rube told the writer that should he find a place here, he would be glad to spend some of his evenings passing on his extensive ball-playing experience to the youngsters.

Rube was purchased by the New York Giants from Indianapolis in 1908, the first player to be purchased from the minors by a major league team. His price tag then was \$11,000. How much would a player bring today who could win 19 consecutive games as Rube did in 1912?

He remained with the Giants until 1915 when he went to Brooklyn for five years. He finished up his baseball career with Cincinnati and Boston. Included in his experience were five "no-hitters."

"I pitched a no-hitter one day," he says, "and a few days later I went into the ninth inning of another game with no hits. With two strikes on the second batter, I threw a close one to get him off balance. He pulled back, and his bat hitting the ball, bounced it over the infield for a hit. I just missed setting a record for two consecutive no-hitters."

Rube attributes much of his success to clean living. He has never taken a drink, either during his playing years or since. Youngsters of today, brought up with Hank Greenberg, Joe Mauer, Ted Williams, Bob Feller and Hal Newhouse, possibly never heard of Rube. But in the record books it will be a long time before his accomplishments are equalled or surpassed.

Howard Stark in Realty Business

Offices were opened by Mr. and Mrs. Howard Stark this week for the Stark Realty which will operate from 831 Penniman avenue in the store between the First National Bank and Blunks. Mr. Stark has been active locally for the last two years in real estate transactions in this area and last week took out a broker's license.

The Starks have been Plymouth residents for 23 years coming to the city when Mr. Stark was named manager of the local A & P grocery store. For a number of years he was a member of the Board of Education and has been active in many other local civic projects. Mrs. Stark intends to also devote full time to the operation of the new enterprise.

Beginning Friday, June 1 all dogs must be licensed, vaccinated and in quarantine for four months, announced Police Chief Greenlee.

After June 1, a house-to-house canvass will be conducted by police to check whether dog owners have complied with the city ordinance. Violators are subject to appear in court and must pay fines.

Hines and Owens Sell K-F Sales

Hines and Owens, local Kaiser-Frazer dealers, have sold their business at 402 N. Main to Cliff Cannon of Hazel Park it was disclosed last Thursday afternoon by Jess Hines and Cecil A. Owens.

The new owner, Mr. Cannon, formerly operated a used car business in Hazel Park. He stated that there will be no change in the personnel and the business will continue the same as usual.

Mr. Hines who has operated a Shell service station for 26 years at 402 N. Mill street, stated that he plans on taking it easy for awhile. Mr. Owens plans on operating another automobile sales agency in the area.

Perry Richwine, attorney, consummated the business transaction.

Truck, Car Crash on Plymouth Road

A truck and a car, that tried to pass cars in opposite lanes and were driving in the center lane, collided Friday morning on Plymouth road between Eckles and Newburg roads.

The truck driver, Joseph Tancer of Farmington, is in Wayne County General hospital and he is reported to be in critical condition.

Joseph H. Darnell of Melvindale, driver of the automobile, and his three passengers, Margaret Sedell of Detroit, Elizabeth Metty of Detroit, and Lois Lozom of River Rouge were released from the hospital Friday.

The accident occurred when the truck driving West on Plymouth road attempted to pass a car, and the automobile driving East also attempted to pass an auto. The cars met in the center line and crashed into each other. The truck tipped over, and the car pinned the driver in the cab.

The truck and the car were totally wrecked. The Livonia police department are investigating the accident.

2 Ponies, Gifts to be Given Away

Gifts of two ponies, three bicycles and ten \$5 gift certificates which will be given to some lucky children, plus a beauty contest to find Miss Plymouth are just a few of the events planned by the Chamber of Commerce merchants' committee for the July Fourth celebration.

Tickets for the gifts purchased by the merchants' committee will be given away with all purchases from Plymouth stores beginning Friday, June 29 through Tuesday evening, July 3. The gifts will be awarded July 4.

Miss Plymouth who will reign at the city's Independence Day celebration will be selected from contestants entered by Chamber of Commerce member merchants. The winner will receive a \$100 war bond.

All girls who would like to enter the contest should contact the member merchants of the Chamber of Commerce. The only requirement is that the lady must be a greater Plymouth resident.

Deadline for beauty contest entries has been set for June 23. The contest will take place on the evening of July 3.

As yet no word has been received from General MacArthur, stating whether he will be able to attend the July Fourth celebration, said Chairman Ralph Rostow of the Retail Merchants Committee of the Chamber of Commerce.

Thieves Take \$136 at Livonia Bank

A branch of the First National Bank of Plymouth, occupying temporary quarters in a store building at 32007 Plymouth road in Livonia, was robbed of \$136 last weekend.

A rear door was forced open by the burglars and a safe was removed containing \$136, consisting of half dollars, dimes, and pennies, all wrapped up. Tracks showed the burglars had hauled away the safe.

City Retired Workers Do Not Like Plan

"A man should be able to work as long as he can." This is the general opinion of the six city employees, who were the first city employees to be retired under the new pension plan.

In interviews with William Blunk, Harry Minthorn, Charles Rittenhouse, Fred Oldenburg, Frank Wagenschutz, and Frank Dicks, who were retired after reaching the age of 70, the men all agreed that they could have gone on at their old jobs for years to come.

The city belongs to the Michigan Municipal Employees' Retirement System which states that all city employees over 60 years of age and with 10 years of service may apply for retirement.

Retirement is compulsory when the employe reaches the age of 70, and at 65 when the city requests it.

All of the men said that they will need full time jobs in order to support their families. Only three of the men will receive pensions. They are Mr. Rittenhouse, Mr. Wagenschutz, and Mr. Minthorn.

However, pensions are on the whole small. Charles Rittenhouse, who was a comfort station attendant since 1938, said that he will only receive \$22 a month. "That wouldn't even pay the grocery bill," said the 73-year-old resident.

Mr. Rittenhouse said that he would seek factory employment, but elderly gentlemen can not be hired by personnel offices. Therefore, Mr. Rittenhouse hopes to find odd jobs in Plymouth.

A Plymouth resident since 1919, Mr. Rittenhouse stated that he has never been sick and he has never missed a day at work. Last winter when many residents were ill with the flu, the former city employe said he just laughed it off and went on working.

Mr. Rittenhouse lives at 345 Row with his wife, Laura. He has a daughter, Doris of Rosedale Gardens, two sons, Ralph of Dearborn, and Dale of Plymouth.

Another retired employe, Fred Wagenschutz, also states that he is feeling good and could have kept on working at his job in the DPW.

Mr. Wagenschutz, who had been with the DPW since 1936, will receive a pension but he added that he will have to find employment in order to get along.

Mr. Wagenschutz, who is 70 years old, has lived in Plymouth since 1900. He remembered when the new shopping district on Forest avenue was pasture land and the days when he drove a rig for Harry Robinson's livery stable. The stable stood at the location of the Penniman-Allen Theatre.

Mr. Wagenschutz lives at 342 S. Harvey with his wife. He has three married children. He will receive a pension of \$60.

Although Frank Dicks has served the city for over 30 years, he will not receive a pension.

Mr. Dicks worked for the city as a fireman and after he was retired, he joined the city in another capacity as a parking lot and comfort station attendant in 1946. He would not be eligible for a pension under the provisions of the new plan.

Mr. Dicks, who is 75, states that he could have gone on with his job. Mr. Dicks lives on 616 Forest with his wife, and they have two sons.

One fortunate city employe was Fred Oldenburg, who found at Northville cemetery immediately after his retirement.

Mr. Oldenburg who is 71 says that he is feeling good and he is happy that Northville City officials asked him to work for them. He will not receive a pension.

Mr. Oldenburg resides on 288 Blunk. He has lived in Plymouth for 40 years.

When asked how he feels about retiring, Mr. Minthorn said "Who wants to be out of work?" Even though he will receive a \$48 a month pension, Mr. Minthorn hopes to find employment again.

Mr. Minthorn, who worked for the parks and recreation department since 1937, said that he has never refused to work on anything and that he is feeling in good health.

Seventy-five years old, Mr. Minthorn said he does not want part time work, but steady employment. Mr. Minthorn makes his home at 249 S. Main with his wife and son.

William Blunk, who states that he is feeling great, hopes to find employment again. The 75-year-old resident, worked in the DPW department since 1941 and he only lacked two months to receive a pension.

Mary K. Hillmer, Aged Plymouth Resident Dies

Mary K. Hillmer, last surviving daughter of George A. Starkweather, the first white child born in Plymouth, died last Saturday morning in Sessions hospital at Northville following an illness of many weeks. Her passing removes from the city one of the few remaining pioneers born in Plymouth during an early period.

She was the eldest of three daughters born to the George Starkweathers. While the original Starkweather cabin was built on the site of the Mayflower hotel, the home where Mrs. Hillmer was born stood where The Plymouth Mail building is now located.

Born on June 17, 1866, Mrs. Hillmer's entire life was spent in the little crossroads country town of Plymouth, now one of the busiest cities in the state of Michigan. Interesting, too, is the fact that she was born on the 91st anniversary of the Battle of Bunker Hill in which her great-grandfather, John Starkweather, was an active participant.

Her father conducted a general store located between Ann Arbor Trail and Penniman Avenue on Main street for a number of years. He also served for a time as village attorney.

She was married to Louis Hillmer on February 20, 1888, who died in January, 1922. She continued to reside in the family home at 711 Starkweather avenue after his death, living in this one residence for more than 44 years, with her eldest son Karl and members of his family during recent years.

She was active in Presbyterian church work and for years taught one of its Sunday school classes. She was also a member of the W.C.T.U. and during its existence in Plymouth a member of the League of Women Voters as well as the Plymouth Women's club.

Early in life she learned to read German and never lost interest in her study of the German people. As a pastime she did art work, her specialty being designs for wall paper and linoleum. The family states that her study of genealogy resulted in the discovery of the fact that she was a member of the 32nd generation of William the Conqueror.

Surviving members of the Hillmer family are three sons and two daughters, Karl Starkweather and Mrs. Rose Holstein, both of Plymouth, Max Hillmer of LaGrange, Illinois, David Hillmer and Mrs. Gertrude Moore, both of Detroit.

There are 12 grandchildren and 15 great-grandchildren.

The funeral was held Monday afternoon from the Schrader funeral home, burial taking place in the family lot in Riverside cemetery. Dr. Henry Welch of the First Presbyterian church officiated.

New Officers for CAR Chapter

The Plymouth Corners Society of the Children of the American Revolution elected officers and divided the chapter into a junior and senior group last Thursday afternoon at the home of Miss Margaret Sue Daniels of Melrose street, Rosedale Gardens.

The officers for the junior group are: Ann Hulsing, president; Becky Chalmers, vice president; Betty Worth, secretary; Ann Taylor, treasurer; Susan Mather, historian; and Janet Willoughby, chaplain.

Heading the senior group are: Conrad Burkman, president; Margaret Sue Daniels, vice president; Carolyn Burkman, secretary; Ailsand Cutler, treasurer; Mary Ann Crusoe, historian; Nancy Worth, registrar; and Beverly Ross, chaplain.

Refreshments were served at the meeting and plans made for the Children of the American Revolution picnic which will be held June 9. The group will meet at 3:30 p.m. at the home of Mrs. Robert Willoughby of West Ann Arbor trail, then go to the park.

Robert Willoughby, junior state president of Children of the American Revolution, will attend a meeting of the state board of the Children of the American Revolution, Saturday, June 2 at the Mayflower Hotel.

Lions Club Hold Installation

The Lions club held an installation of officers Monday evening at Hillside Inn. Present at the dinner dance were District Governor Hot Williams of Rosville, Lions members, wives and guests.

The new officers are: George Witkowski, president; Robert Smith, 1st vice president; Russling Cutler, 2nd vice president; Ovid Deaco, 3rd vice president; George Todd, secretary; Thomas Mangano, treasurer; Henry Mills, tail twister; Ward Jones, lion tamer; Kenneth Failing and Max Todd, two year directors; Norman Marquis and Clarence Denhoff, one year directors who were carried over from last year's board.

NEWLY INSTALLED Lions president George Witkowski is pictured talking to Librarian Mrs. Ada Murray about the library's lending policy for the ceiling projector, purchased by the Lions for invalids. The Lions club's main project is sight conservation. The projector may be borrowed at no cost.

Call Northville Free on Phone After June 4th

Northville will be added to Plymouth's extended-area plan at exactly 12:01 a.m. Monday, June 4. George P. Hartrick, manager here for the Michigan Bell Telephone Company, announced today.

At that time, Plymouth customers will be able to make calls without toll charge to that community, the same as they now do to Ann Arbor, Livonia, Wayne (including Middlebelt), and Ypsilanti. Customers in Northville will have the same calling privileges to Plymouth.

The addition of the Northville phone system to the Plymouth extended area service comes about as the direct result of investigation and efforts of the Plymouth Mail to bring this neighboring community on the free call list. Local residents and local business firms will now benefit from the free toll service after nearly 18 months of planning by the company.

Calls to Northville may be made by Plymouth users by giving the name of the community and the number to the operator, who will complete the call for them. A sticker relating to the calling procedure already has been mailed to subscribers for inclusion in their present directory.

When the new facet of extended-area service goes into effect here on Monday, there will be no additional charge to subscribers. The flat monthly telephone rates customers now pay will remain the same, Hartrick said, even though the number of telephones Plymouth customers can reach without toll charge will climb from 44,000 to 48,000.

The present telephone rates for this area will remain the same, he said, until such time as the Michigan Public Service Commission approves Michigan Bell's current application for an additional increase.

Extended-area service has been hailed by the manager as a far-reaching development, designed to meet the "community of interest" which has grown up between exchanges. In giving its approval of the new service, the Commission called it a "forward-looking step" in telephony.

Hartrick also pointed out that, at a single price the user gets a packed service that permits him to use his telephone to the maximum advantage.

Under the plan to be introduced here Monday, the 10c toll charge now applying on calls between Plymouth and Northville will be eliminated. Until then, however, customers making such inter-community calls will be charged the regular toll rates.

Testimony Ends in Water Case

Testimony has been completed in the case to decide the future of Plymouth's water supply. Oral arguments have been completed by both the Northville Sand and Gravel, plaintiff, and Northville township and the city of Plymouth, defendants. Both sides will file briefs in law within the next week or ten days, following which Circuit Judge Vincent J. Brennan will give a decision.

The suit was begun by the gravel company to break a township injunction forbidding them to utilize property lying next to Plymouth's water supply, for gravel operations. Experts have expressed opinions that such operations might endanger the water supply by interfering with the natural water flow. Plymouth has over \$1,000,000 invested in the well fields which supply the city with water.

Mrs. Eugene Orndorf with her sister, Mrs. Winfield Owens, left Monday morning for Newark, Ohio, where they will spend the week with Mr. and Mrs. C. W. Ricketts.

Northville Set For Horse Show

The 1951 Northville Junior Horse Show, set for this coming Sunday, June 3, at Northville Downs harness track has attracted an all-time record entry of over 200 contestants.

The show will get under way at 11:00 a.m. with the children's horsemanship class for nine year olds and under and will run throughout the day with 30 events covering all kinds and types of horsemanship and junior's horses.

The sensation of the show will be the hunter and jumper competition, with over 50 horses taking the jumps. The top junior jumpers of Michigan are entered in the 10 jumping and hunting classes.

The 1950 hunter champion of Michigan, 15-year-old Carol Parachek of Toledo, Ohio, will be on hand with her string of champion jumpers. Ann Jensen, of Birmingham, last year's Northville Junior champion will be out to repeat her last year's victory.

The climax of the competition will be the four champion stakes, Horsemanship over jumps, Beginners English Equitation, Western Equitation, and the Michigan Junior Equitation championship. With all boxes already sold out and a record crowd expected, this year's junior show will take on the glamour and excitement of the old time Northville Horse Shows, when they rated as the best in the country.

The show, sponsored and run by the Northville Optimist club, is completely a charity enterprise for the benefit of underprivileged children and the youth work in the community.

Local Man Investor in Company That Buys Empire State Building

The next time Walter Rensel goes on top of the Empire State building in New York city he will have more than ordinary interest in the view from the tallest of all office buildings. It was revealed last week that Mr. Rensel was one of the original investors in the Gladstet and Realty Association Securities Corporation of Detroit which bought the famous New York land mark.

Mr. Rensel has been interested in the company since it was formed two and one half years ago and is a personal friend of the founders. The syndicate also owns the Taft Hotel in New York and the State-Madison building in Chicago.

Beems-Williams Rites Solemnized on Saturday

At an eight o'clock candlelight ceremony in the First Presbyterian church last Saturday evening, May 25, Margaret Jean Williams and John Allen Beems spoke their nuptial vows. The Reverend Henry Walch, D.D., officiated at the rites. Large baskets of white snapdragons and white gladiolus were flanked by palms and lighted candles. Preceding the rites Mrs. Mary Harvey sang "Because" and "The Lord's Prayer."

Margaret Jean is the daughter of Mr. and Mrs. Joseph V. Williams of West Ann Arbor trail and John's parents are Mr. and Mrs. John Beems of Dearborn. Margaret Jean, given in marriage by her father, was gowned in white slipper satin with Chantilly lace yoke trimmed with seed pearls and a Queen Anne collar. A circle of lace outlined the hem of the full skirt and extended around the two and a half yard train. She wore a crown of seed pearls to which was attached her fingertip length veil of French illusion which was finished in satin thread. Her bouquet was of white roses and lily of the valley on a white ribbon. Josephine Williams was her sister's maid of honor. She wore a gown of aqua taffeta with gathered bodice, full skirt and fitted lace jacket. For her bridesmaids Margaret Jean asked Betty Dely and Marilyn Stevens. Their gowns, like that of the honor maid were of pink taffeta. Preceding the bride down the aisle were Gerrie and Marjo Beems, nieces of the bridegroom. Marjo wore yellow taffeta and Gerrie pale green. They carried white baskets of rose petals.

Richard Beems assisted his brother as best man and seating the guests were Donald Williams, brother of the bride, and Donald Folsom. Mrs. Williams wore for her daughter's wedding a gown of champagne lace with brown accessories and a corsage of Hibbard roses. Mrs. Beem's gown was of toast lace with tan accessories. Her corsage was of yellow roses.

A reception for 150 guests com-

Mrs. John Beems

ing from Plymouth, Wayne, and Dearborn, was held in the church parlor. For her honeymoon which will take the young couple to Canada, Niagara Falls and on to California, Margaret Jean wore a yellow dress with brown accessories and an orchid corsage. The bride is a graduate of Plymouth High school and Mr. Beems graduated from Dearborn High school.

For the present, Mrs. Beems will reside with her parents on West Ann Arbor trail in Plymouth while John will return to Camp McCoy, Wisconsin.

The regular business meeting will be held Tuesday, June 5 at 7:30 p.m. Social hour with refreshments following the meeting.

Virginia Bower Bride of Jerald Fallott

Miss Virginia Jean Bower, daughter of Mr. and Mrs. Roy Bower of Union street, became the bride of Jerald H. Fallott, Tuesday evening, May 22, in the First Presbyterian church.

The 7:30 candlelight service was held before an altar adorned with baskets of white gladiolus and white carnations, with the Reverend Henry Walch, D.D. officiating. Jerald is the son of Mr. and Mrs. Howard Fallott of Holbrook avenue. Mrs. Shirley Foster, the soloist sang "Because" preceding the ceremony.

Virginia, who was given in marriage by her father, wore a floor length gown of white lace and net and a fingertip length veil of lace. Her bridal bouquet was of white roses and valley lilies and centered with a short orchid.

Mrs. Shirley Depew, the bride's sister, was matron of honor. Her floor length gown was of yellow nylon with a yellow lace jacket. She carried a yellow nosegay. Miss Jean Fallott, sister of the bridegroom, was Virginia's bridesmaid. Her gown was identical to that of the matron of honor and in pink. Her nosegay also was in pink.

For his best man, Jerald asked William Joyner and the ushers were Albert Meyers and Charles Foster.

Mrs. Bower selected a dress of navy blue sheer with white accessories and Mrs. Fallott wore navy crepe. Her accessories were white.

Immediately following the ceremony a reception for nearly 100 was held in the church with guests coming from Detroit, Dearborn, Wayne, Farmington, and Plymouth. The newlyweds are on an Eastern honeymoon. For her going-away the new Mrs. Fallott chose

Grange Cleanings

Our Grange was fairly well represented at Church on Sunday. We hope that "Go to Church Sunday" may become an annual occasion for the Grange, as it is well worth while.

Mrs. Cole is at home again after staying with her daughter in Wayne and is feeling much better.

Remember, a big night will be held on June 7. If those who are asked to furnish are unable to come, please try to send your load as we will need a lot. The candidates must be there in order to receive the third and fourth degrees. Bring table service for two besides yourself. Pittsfield degree staff will be with us.

Ernest Vealey has been ill for over a week at home with an attack of Sciatica.

Raymond Smith Dies Suddenly

A life-time resident of Plymouth, Raymond Esta Smith passed away suddenly Thursday, May 24 at his home at 487 North Mill street. Mr. Smith was 64 years old.

Mr. Smith attended Plymouth high school. He was a former professional baseball player in the Southern Michigan League. He was also a World War I veteran and belonged to the Myron Beals post of the American Legion and the Ex-Servicemen's club.

Survivors include his brother, Ira F. Smith and his three sisters, Mrs. Lillie Laible, Mrs. Ivan Bentley, and his twin sister, Mrs. Mac Allenbaugh, all of Plymouth, and two nephews, Milton Laible and Robert Allenbaugh.

Funeral services were held at Schrader's Funeral Home last Monday at 2 p.m. with the Reverend Henry J. Walsh, D.D., officiating. Mrs. Edna O'Conner played hymns on the organ. Pallbearers were John McLaren, Irving Blunk, Romeo Wood, David Mather, and Oscar Freiheit. Interment was in Riverside cemetery.

Plymouth Fishermen Had Good Luck Way "Up North in Canada"

When Dr. Ted Cavell and son Casey go fishing—they go fishing with a big bang.

Just back from a short trip up to Big Clear lake some 40 miles north of Thessalon, Ontario, they brought with them as nice a string of Northern pike as you would care to look at.

One, a 32 inch, 10 pounder, was caught by Casey, who did a master job in landing the biggest pike caught in the lake so far this year without any help from his dad, who rates himself as a "fishing expert."

The camp where the father and son fishing team had such good luck is owned by James Wood, a former Northville resident, who is also well known in Plymouth.

Just a reminder that Friday, June 1 from seven to nine o'clock is the time of the Salvation Army Ladies Home League sale of baked goods, fancy work, and parcel post package being held at the Salvation Army hall at 281 Union street.

Mrs. Mills Passes Away at 83 Years

After a long illness, Mrs. Ida May Mills passed away early Monday morning at the age of 83 years. She was a resident of Plymouth for the past 40 years and belonged to the First Presbyterian church. Mrs. Mills resided at 413 North Harvey street.

Funeral services were held Tuesday at 3 p.m. from Schrader's Funeral Home with the Reverend Henry J. Walsh, D.D., officiating. Interment was in Riverside cemetery.

Survivors include her son, Harry A. Mills and her daughter, Mrs. Mildred M. Barnes, both of Plymouth, and her granddaughter, Miss B. J. Barnes of New York city. Her husband, Fred R. Mills, preceded her in death on March 31, 1941.

Resident Dies in Auto Accident

The mother of five children died Saturday morning from injuries received in an automobile accident that occurred near Brighton Thursday as she was driving to her home in Plymouth township with her children.

Mrs. Anna M. Crackel, of 15111 Northville road, was returning from Owosso when her car and a steel truck collided on U.S. 16, two miles east of Brighton. The five children received bruises.

Mrs. Crackel had been a resident of Plymouth for the past nine years and she was a member of Our Lady of Good Counsel church.

Surviving are her husband, Robert H. Crackel, three daughters and two sons, Linda, Robert H. Jr., James, Arlene and Anna Marie; her parents, Mr. and Mrs. Dominic Giovanni of Detroit, five brothers, Andrew, Frank, Herman and Joseph Giovanni, all of Detroit, and Cpl. Thomas Giovanni in Korea, three sisters, Mrs. Yolanda Fella of Wayne, Mrs. Josephine Gibson of Alexandria, W. Va. and Miss Mary Giovanni of Detroit.

Mrs. Crackel was brought to Schrader's Funeral Home and later taken to her parent's home at 17161 LeSunc, Detroit. Services were held Tuesday at 9:30 a.m. from Precious Blood church in Detroit with Father Hermes officiating. Interment was in Holy Sepulchre cemetery.

Mr. Crackel owns Crackel's Drive Inn at 15109 Northville road.

Resident Attends Last Rites of Mother in Alma

Mrs. Henry M. Bock of Rosedale Gardens attended the funeral of her mother, Mrs. Mary M. Sawkins, 88, who died in Alma Sunday, May 20. Solemn requiem high mass was held Wednesday, May 23 at 10 a.m. in St. Mary's church.

Mrs. Sawkins is survived by seven children: Joseph E., Evangeline, Constance, Bernadette, and Penelope, all of Alma, Mrs. Henry M. Bock of Rosedale Gardens, and Sister Alphonsus Marie, I.H.M., of Marygrove College. Also surviving are four grandchildren, Bernie Lou, Charles, and John Bock, and Mary Jo Sawkins of Alma. There is one sister, Mrs. Susan Coleman of Detroit. Burial was in Riverside cemetery.

Mrs. A. M. Wileton of Pine street spent Friday in Worden as the guest of Mrs. Lucille Hamilton.

Area College Students Join Honorary Society

Two Plymouth boys, who are attending Michigan State College, were honored recently for their high scholastic marks. Lewis Vargha and Clifford McClumpha, sophomores, were asked to join the Green Helmet, a sophomore honorary organization. One of the activities of the organization is to provide tutoring without charge.

Lewis is the son of Mr. and Mrs. Andrew Vargha of Gold Arbor road and Clifford is the son of Mrs. Alice McClumpha of Warren road.

Music Forum Club Present Pianist

Mr. Robert Hoffman

Robert Hoffman, pianist, who has appeared with orchestras throughout the country, and received the highest award of the National Guild of Piano Teachers in their national competition at Cleveland, will appear at the Plymouth Music Forum club Sunday, June 3, at 4 p.m. at 974 Church street.

Interested persons are cordially invited and reservations may be made with Florence Crandell, phone 23-J.

A native of California, Mr. Hoffman began his early study of piano in Los Angeles. He received awards from the National Federation of Music Clubs at the San Francisco World's Fair, won first prize place in Los Angeles high school music contest, followed by three Honor Scholarships at Sherwood Music School, Chicago.

Rocks Roll Over Redford, 16-4

Just one inning was all that was needed for the Plymouth Rocks to down the Redford Union nine, Friday afternoon, May 25. The final score was 16-4 in favor of the local ball club.

The big inning was the fourth stanza, when the Rocks tallied nine times on seven hits, and three bases on balls. Ron Ritter and pitcher Dzurus each smacked out a triple and a single in this inning.

Dzurus turned in his second win of the season as against four losses, when he hurled a four-hitter against the RU team. He fanned eight and walked three.

Besides tallying nine times in the fourth, PHS plated four more runs in the fifth to insure this victory over the same club that defeated Plymouth earlier in the season 1-0.

6 BPW Members Go to Convention

Representatives of Plymouth's Business and Professional Women's club who attended the 33rd annual convention of the organization were Mrs. Agnes Pauline, Mrs. Jennie Mills, Miss Betty Brake, Mrs. Loretta Dennany, Mrs. Ruth Whipple, and Mrs. Bernice Crisp.

The convention of the Michigan Federation of the BPW was held in Lansing on May 25, 26, and 27.

Highlights of the convention on Friday were a school of instruction and workshops. Saturday's schedule included entertainment, reports of committees, and an address by the state president, Miss Vemba M. Dunlap.

After a luncheon in the Hotel Olds ballroom, Dr. Ernest L. V. Shelley spoke on "How to Stay Sane in 1951."

In the evening, a banquet was held. BPW members listened to music presented by the Royal Oak Teachers Orchestra and an address by Mrs. Mildred Loring Fitch, assistant professor of political science at Purdue University. Mrs. Fitch spoke on "East Meets West—The Crisis in International Relations." Several BPW members were then presented with awards.

On the last day of the convention, the BPW club attended a chapel service together. A brief business meeting was held before brunch. Miss Marguerite Re-walt was the speaker and installing officer at the meeting. The State Federation of the Business and Professional Women then adjourned for another year.

Mothers Give Luncheon for Cooper Teachers

The Room Mothers of the Cooper school and the Cooper PTA executive members honored the school's teaching staff with a luncheon Tuesday, May 22.

Mrs. J. Averett, chairman of the Room Mothers, gave a welcoming address. Guests included Mrs. Ada Watson, helping teacher; Mrs. Alta Moore, visiting teacher; Miss Cleo Nash, speech correctionist; Miss Olive Shale, school nurse, and Mrs. Vivian Hetzman, music supervisor.

The meeting closed with group singing. Table decorations were in the charge of Mrs. A. Baker.

Services to be Held for Former Resident, Miss Lillian Fairman

Funeral services will be held today for former Plymouth resident, Miss Lillian B. Fairman, at Meuhig Funeral Chapel in Ann Arbor. Miss Fairman died at the age of 91 years at the Evans-Marshall Rest Home in Ann Arbor.

Miss Fairman was born in Plymouth on October 28, 1859, the daughter of Mr. and Mrs. Cornelius Westphal Fairman. She came to Ann Arbor in 1937.

Surviving are two nieces, Katherine Townsend of Cheyenne, Wyoming, and Mrs. Roger Norton of Cranford, New Jersey, also a nephew, Richard Townsend of Ann Arbor.

Miss Fairman was a member of the First Presbyterian church in Ann Arbor. Reverend William Lemon officiated at the services. Burial will be at Kenyon cemetery.

Mrs. Arthur Tillotson spent Saturday in Detroit visiting with Miss Gertrude Meyers who celebrated her 83rd birthday on that day.

Starkweather PTA Hold Band Concert Tonight

Under the sponsorship of the Starkweather PTA, a band concert and ice cream social will be held this evening from 7 to 9:30 at the school. Conducting the band in a program of light concert music will be Paul Wagner. The committee for cakes includes Mrs. Velma Jewell, Mrs. Hazel Vincent and Mrs. Doris Herrick. Mr. Foster is chairman of the grounds committee.

Mechanic Hospitalized by Mystery Accident

An accident in the garage of the Plymouth Buick Sales company, 640 Starkweather, on Monday afternoon, sent Robert Glass, an employee, to the hospital in Ann Arbor. No one saw the accident occur and no one knows exactly what happened. Glass was working on a car which was on a jack. In some unaccountable manner, he received a blow on the head. He is reported in good condition at the hospital, but will remain there for a day or two for observation and rest.

Mr. and Mrs. Stuart Wanks of Farmington were Sunday callers at the home of Mr. and Mrs. Robert Bryson.

Mrs. Harold Grimoldby of Marlowe street called on her father, Mr. Herbert Evans of Dearborn Monday evening.

On Tuesday, May 22 a surprise birthday party was held at the home of Mrs. Robert Bryson of Elmhurst street honoring Mrs. Bryson and Mrs. Marlowe Wanks of Farmington. Guests were: Mrs. Stewart Wanks, Lynn Wesley and Rickey Lynn, Gloria Williams and John Allen Beems and Eleanor Wanks and Mrs. Gilbert Oxell all of Farmington.

Mr. and Mrs. James Rose of Canton Center road are receiving congratulations of the arrival of a son weighing 7 pounds and 4 ounces at Sessions hospital in Northville on May 18. The little lad has been named Paul Allen.

by Carl Peterson

At a meeting of the executives of most of the biggest corporations in the country the main speaker said that profit sharing was the answer to labor problems. Not so many years ago that would have been as revolutionary as the spirit of '76. But today more and more big outfits are putting their business on a partnership basis. If there's a nickel to be sliced, both workers and management get a whack at it. That's delivering democracy on an economic level... and it keeps production lines moving smoother than a greased eel. Sometimes it looks as though civilization is really making progress.

We salute Dargy Mfg. Co. of our fair city for being a pioneer in profit-sharing, and its employees for their teamwork in proving that Democracy is working here in Plymouth.

In Los Angeles a tank truck overturned and spilled 20 tons of syrup on the highway. It was probably a change from the usual traffic jam. You can be certain that there's never a traffic jam at PETERSON DRUG. There's plenty of room and plenty of time for you to shop in unhurried comfort. But if you do happen to be in a hurry, you'll find clerks ready to serve you quickly and with courtesy... at PETERSON DRUG, 840 W. Ann Arbor Trail. Phone: 2060.

Pvt. Dwayne Lee of Camp McCoy, Wisconsin spent the weekend at the home of his parents, Mr. and Mrs. George Lee of Haggerty road.

Mrs. Charles Austin and Carol spent Monday in Royal Oak.

Mr. and Mrs. Graydon Olson of Elmhurst street spent the weekend in Cadillac.

Mr. and Mrs. John Vanhooy of Sheldon road attended church at the 14th street Methodist church in Detroit Sunday, and in the afternoon called on Mrs. May Garry.

Mrs. Russell Knight of Brookville road presented her pupils in a piano recital Sunday, May 20, 1951, in her home. Pupils taking part in the program were, Mary Bodnar of Northville, Barbara Miller of Detroit, Jeanette and Lois Adams, Dennis Parker, David Hawker, Doris Buyer and Berva Jean and Darlene Adams all of Plymouth. Refreshments were served after the program.

V.F.W. News

Tuesday, June 5, is the fourth anniversary of the installation of our Auxiliary to Mayflower Post No. 6695. We are celebrating it with a potluck dinner, inviting all Auxiliary members, their families, and Postmembers and their families.

Memorial Day, was celebrated with the Auxiliary and Post taking part in the annual parade down Main street, ending at Kellogg park with the Memorial Day ceremonies. These ceremonies marked the first official appearance of the Mayflower ritual team, headed by Edward Kopenski.

Recently, the Auxiliary made its monthly trip to the Maybury Sanatorium. The following people participated: Mrs. Virginia Bartel, Mrs. Patricia Chaudoin, Mrs. Violet Garrison, Mrs. Jean Olson, Mrs. Peggy Schiffo, Mrs. Viola Sparkman, Mrs. Ann Thompson, and Mrs. Marion Warner.

We want to thank the people of Plymouth for their strong support on Poppy Day. Much of the money taken in will be used for the welfare of veterans and their families in and around Plymouth.

Memorial Sunday was celebrated at the First Methodist church in Plymouth by all the veteran groups and their auxiliaries attending church there.

DR. WILLIAM WALSH will be able to speak on the subject of "Christian Family Life" before the Holy Name Society, as he is the father of 12 children. Dr. Walsh is pictured with Mrs. Walsh and 11 of their 12 children.

Dr. Walsh to Talk on Family Life

Dr. William E. Walsh, professor of English, Mercy College, Detroit, and father of 12 children will address the Holy Name Society of Our Lady of Good Counsel Catholic church, in the Church Hall on Wednesday, June 6, at 8 p.m., on "Christian Family Life." Dr. Walsh is considered eminently fitted to discuss this subject because of his own large family, his Catholic background, and the fact that he is both writer and teacher, as well as lecturer. "Life Magazine," October 30, 1950, carried a six page picture

FIRST CHURCH OF CHRIST SCIENTIST, Sunday Services at 10:30 a.m. Sunday School, 10:30 a.m., for pupils up to 20 years. That the evils which confront mankind today are the result of mesmeric influences just as they were in Bible times is brought out in the Lesson-Sermon under the topic "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" to be read Sunday, June 3. The Golden Text is from Romans (16:19, 20): "I would have you wise unto that which is good, and simple concerning evil. And the God of peace shall bruise Satan under your feet shortly." Among the Bible citations is the passage, (Isa. 8:19): "And when they shall say unto you, Seek unto them that have familiar spirits, and unto wizards that peep, and that mutter: should not a people seek unto their God? for the living to the dead?" Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include: "Animal magnetism has no scientific foundation; it is real, harmonious, and eternal, and His power is neither animal nor human." (p. 102)

MICHIGAN JUNIOR hunter champion for 1950, Miss Carol Parachek of Toledo, Ohio, is shown over the jumps with her horse Jimmie. Carol will be competing at the Northville Junior Horse Show this coming Sunday at Northville Downs.

Northville Gets Ready for Races

Starting its eighth campaign June 11 with one of the best stake programs in history and an entry list that includes many of the Nation's top pacers and trotters, Northville Downs is looking forward to its most successful season.

President H. B. Dennison and Operational Manager Orlov G. Owen freely predict that the 1951 54-night meeting at the Downs will be better than any of those in the past seven years.

Entries for all stakes closed April 1 and the list of nominees looks like the "royal family" of the harness world.

Owen, who has charge of all stable applications, indicated that more than 600 already have been received. At the moment all horses have been cleared out of the grounds to allow a thorough disinfection of the stables. There still in training are at the Detroit Fair Grounds while the others who wintered at the grounds have left for Toledo and Jackson.

Everything will be in tip top shape when the meeting begins June 11.

The two feature events—the \$10,000 Governor's Cup open trot and the \$10,000 Michigan Pacing Derby—will be held during the final two weeks of the meeting.

Thirteen classy trotters have been nominated for the Governor's trot. The field includes Proximity, top money winning trotter of all time; Jeffrey Hanover, Demon Hanover, Boyne Hanover, Full Force, Royal Comet and Sailer Signal.

The remainder of the list: Sidney Guy, Billy Carleton, Buckle B., Buddy Patchen, Oh Johnny and Red Chuck, Grattan Vole, winner in 1949 and 1950, will not be back to defend its title.

Royal Blackstone, winner of the 1950 Pacing Derby, heads the list of 16 contenders for the stake this year. He will be closely pressed by such outstanding pacers as Charming Scot, Irish Hal, Express Hal, Hodgan, Hollywood Brewer and The Diplomat.

Hollywood Brewer, Northville's "rags to riches" pacer of 1950, which was changed from the trot to the pace and became one of the best at the half-mile oval, is reported rounding into its best shape again.

The remainder of the list: Dale Brewer, Ensign John, Handbook Mac Dale, My Chief, Nelly Abbe-dale, Royal Man, Thee A. Abbe and Widower Paul.

This year's meet will be in the capable hands of Racing Secretary Bill Connors assisted by Johnny Nennin. Connors replaces Ed Keller, who will be busy with assignments in the East.

Special taxes paid by motor vehicle owners climbed to an all-time peak of well over four billion dollars in 1950. Automobile Club of Michigan reports. With federal excise taxes piling the parade at over a billion and a half, traffic experts point out that highway programs are falling far behind, congestion is growing, parking problems remain unsolved, and the traffic death toll is taking more than 30,000 lives annually.

Local Nine Beat Ypsi Braves, 4-1 High School Netters Roll up Two Victories

Rex Wooley pitched the PHS varsity baseball squad to a 4-1 win over the Ypsi Braves, Wednesday afternoon, May 23, on the local ball diamond. The score of this latest tilt was identical to the final tally of Wooley's other victory over Wayne Zebras earlier in the season.

Though the Plymouth nine was out hit, six to four, Wooley turned invincible with men on base and kept the scoring door closed to the opposing team until the top half of the last inning, when Ypsi counted once on three singles and a base on balls.

PHS was set down in order in the first inning but got started in the second when Sockow led off with a ringing double to left and was sent home on Lanphear's two-bagger. Phil Jacobus singled Lanphear to third and from there he scored when an attempt to pick him off base misfired.

The Plymouth squad tallied again in the fifth inning when catcher Huebler drilled a lead-off, single to left field, and moved to third on successive outs by Wooley and Travis. Huebler then came across when Ypsi's pitcher uncorked a wild toss that traveled to the backstop.

One more insurance run was plated in the sixth stanza by the flock. Lead-off batsman Jim Brinks drew a base on balls and moved to second base on a wild pitch, then he scored on two more wild pitches by the Ypsi hurler.

This gave PHS a substantial four-run lead going in to the seventh and after the Braves scored their lone run Wooley struck out two men and got the other to ground out ending the contest.

For a quick main dish with a foreign touch prepare this Mexican luncheon. Brown a pound of bulk pork sausages in a frying-pan with diced onion and green pepper. Pour off the drippings. Add a can of tomatoes, 2 cups of sour cream, 2 cups uncooked macaroni. Season with chili powder, a bit of sugar and salt, then cover and simmer for about 20 minutes.

Tennis Mentor John Sandmann seems to have found a winning combination. The lineup for both of the shut-out victories was Gayde, Stevens, Behler, and Gronowick in the four singles matches and Bowen and Wobin, Hoenecke and Zukosky, and Nulty and Whipple playing in the three doubles matches.

Try its Fireball Engine!

How can you Tell till you Try It?

THE days and weeks are slipping by — and what have you done about it?

We can tell you its valve-in-head Fireball power sinks you back in the cushions at the touch of your toe.

What have you done to find out how it feels to handle a high-powered and high-spirited '51 Buick?

We can tell you it's nimble-footed in traffic, or that it conquers hills with smooth and exultant momentum.

We'll tell you this. In all the years that Buick has been building fine automobiles, there's never been the match for this one.

We can tell you that it hugs the road and holds the curves as if it were drawn by an invisible magnet.

This is a car that likes to be compared—for power, for performance, for ease of control, for ride, and room, and comfort.

We can tell you that Dynaflo Drive* will spoil you for any other type of power transmission.

But you'll never know till you try for yourself what all this really means.

How about coming in for a sample? Once you've experienced all this for yourself, the modest price tags on Buick SPECIALS, SUPERS or ROADMASTERS will look like a double bargain.

Sonderegger Funeral Home

Price Policy

"How Much Should a Funeral Cost?"

Many people in Plymouth have asked us this question—and our answer is always the same. A funeral should cost as much—or as little—as the family wants to spend—and is able to pay without straining their finances.

When a Sonderegger funeral is selected at a certain price, there are no hidden charges—no extra prices added in. Because sudden expense of any kind is a heavy burden on many of today's budgets, we offer—

*Complete funerals from as low as \$200.

*Assistance in securing insurance, Social Security and veteran's benefits.

And, of course, no matter what price funeral the family selects, the service is dignified and beautiful—a memory to cherish.

Dedicate New Speaker System

The present mayor, Donly Young, and next year's mayor, Betty Salmon, dedicated the new inter-communication system on Monday, May 28, in a 20 minute program which also included the class presidents for the coming year.

Speaker outlets are located in all classrooms in the senior high building plus two in the gymnasium. As soon as the new addition to the high school is completed, the equipment, which has already arrived, will be installed. The cost of the system was defrayed by the students through the sale of magazines, supplemented with a grant from the board of education.

Announcements from the office or elsewhere may be relayed instantly. In case of fire or other emergency, immediately connection to all rooms can direct the students to stairways for exit.

The mechanism includes a radio, phonograph, and microphone and programs may originate for the stage of the auditorium, the new band room or reach any one of the 43 classrooms.

Scholarships go to 11 Seniors

Eleven Plymouth High seniors have been awarded tuition scholarships.

Lois Hoenecke, Charles Todd, David Green, and Charles Stark have received scholarships from the University of Michigan which will pay the tuition and fees for the freshman year and for three continuous years if they maintain a certain average.

Four-year tuition scholarships have been awarded to Roberta Merritt, Bill Gayde, and Anne Vincent from Michigan State College being variable according to marks.

Dorothy Curtis was the winner of the University of Michigan Club of Plymouth Scholarship. This scholarship, based on Dorothy's high school record of marks and activities, is good for one year at \$100 and renewable once.

A four-year scholarship went to Ann Wald-cker from Western Michigan college. As long as she obtains good marks, Ann will receive \$200 each year for her tuition fees.

Scholarships for \$25 were awarded to both Erna Kienbaum and Kay Dobs from the Killham Memorial Scholarship Fund. Erna was awarded the scholarship for her work in French and Kay was awarded the scholarship for the most deserving Spanish student.

If you're a perfect driver, your foot can reach the brake in .75 of a second in a driving emergency. Automobile Club of Michigan reports. At 20 miles an hour you can travel 22 feet on a good pavement before you can start braking. At 60 you travel 66 feet before gaining control, and 270 feet before stopping. Most drivers require much more stopping room.

Madonna Awards Degrees Monday

On Monday, June 4, at 2:30 p.m. in De Sales auditorium on the Madonna campus, 24 will be awarded degrees; five lay students, the first to complete a four year course since the college opened to the laity, and 19 religious. His Eminence, Edward Cardinal Mooney will preside.

The five lay students are: Gertrude Bonk, Mary Jane Kaminski, Lorraine Renkowski, Theresa Szalaszewicz of Detroit, and Evelyn Zavatky of Garfield, New Jersey.

The 24 are candidates for the Bachelor of Arts degree with majors in six different fields—14 in social studies, three in history, two in secretarial science, two in chemistry, two in sociology, and one in art.

The Very Reverend Msgr. Edward J. Hickey, P. A., Ph. D., Chancellor of the Archdiocese, will deliver the commencement address. Following his talk, the Reverend James T. Shannon, D.D., chairman of the department of Socio-Ethical Studies at Madonna, will present the candidates and the Cardinal will then confer the degrees.

Included in the program are several selections by the Madonna Choral group accompanied by Esther Johnson and Vera Richardson of the Detroit Institute of Musical Arts. The Choral group, under the direction of Sister M. Paulette, will present the Seraphic Song, "Reve Angelique" by Rubinstein and Handel's "Hallelujah Chorus." Miss Richardson at the organ and Miss Johnson at the violin will play the "Meditation" from "Thais" by Massenet.

Surprise Family With Desserts

This Spring-like Jonquil Sponge Cake has an ever-changing yellow and white pattern. Two of the egg yolks are used in the sauce.

1 cup sifted cake flour
1 cup Beet or Cane Sugar
1/2 teaspoon salt
6 eggs separated
1 teaspoon cream of tartar
1/4 teaspoon vanilla extract
1/2 teaspoon finely grated orange rind

Sift together 3 times flour, 1/3 cup of the sugar and the salt. In mixing bowl beat egg whites until frothy; sprinkle on cream of tartar, continuing to beat until whites hold stiff, moist peaks.

Gradually beat in 2/3 cup of the sugar; meringue will hold very stiff peaks. Fold in sifted dry ingredients. Divide the thick, airy batter in two equal parts. To one stir in the vanilla extract. To the other, quickly fold in 1/4 of the egg yolks, well beaten, and orange rind.

Spoon the yellow and white batters alternately in checker-board design, into an ungreased loaf pan (9x5x2 1/2-in.). Bake in slow oven (300° F.) about 45 minutes or until top springs back when lightly touched. Remove from oven. Invert immediately on cake rack until cold. Serve slices with fluffy pineapple sauce.

The sauce recipe uses No. 1 flat can crushed pineapple. In saucepan beat the two remaining egg yolks with 1/2 cup Beet or Cane Sugar, 1/4 cup pineapple juice and 1 teaspoon lemon juice. Cook over medium heat until thick, about 5 min. Cool, fold in 3/4 cup drained, crushed pineapple and 1/2 pt. whipping cream, whipped. Chill. Makes 3 cups. Dessert serves 6-8.

About one-half of United States pedestrians killed are 50 years of age or older. Yet only one-sixth of the population is 50 years of age or over.

STOCKING SAFETY

(Courtesy of Royal Metal Manufacturing Company)

No more runs in stockings, no more sagging office morale, no more soaring nylon bills for harried office secretaries! That's the promise of furniture designers who say that the golden age of "runnerless" office furniture is here, at last, with the development of office furniture free of splinters, chips and other traps for expensive feminine hosiery. One of the new chairs, occupied attractively by Adrienne Falcon, is pictured above. The secret of its friendliness to stockings, designers say, is its formed steel construction and satin-smooth chrome or enamel finishes, which cannot snag or damage hosiery.

Resident Tells of Western Trip

Perry Wagenshutz, who has just returned from a month's vacation in the Western states with his wife and daughter, Marilyn, states that the cement highways are beautiful and the scenery and climate are excellent.

But, he said, showing a Plymouth Mail reporter an article which appeared in a Western newspaper, living costs are extremely high in Alaska and that Plymouthites can consider themselves fortunate.

Mr. Wagenshutz and his family visited his daughter, Mrs. Arlene Krieger, who is living at Ft. Lewis, Washington where her husband is stationed. Their travels also took them into Alaskan country.

Pointing to the article, Mr. Wagenshutz stated that a quart of milk is 40 cents, and a loaf of bread costs 35 cents. Eggs are from 95 cents to \$1.30 a dozen. Meat is not much lower than \$1 a pound. Cab fares start at \$1 and hair cuts cost \$2. Salaries are very high, but the wage earner doesn't gain very much.

Mr. Wagenshutz and his family found that a city in Alaska is a clearing in the miles and miles of virgin forests. The climate, however, was very nice at this time of year.

Throughout an automobile trip that took the Plymouth family across the country, along the West coast from California to Washington, Mr. Wagenshutz said, he did not have one flat tire.

The trip coming home was a little rough, he said. Last Saturday, they encountered a blizzard in New Mexico, and also a terrific cloudburst in Oklahoma, and a storm in the Texas Pan Handle on the way.

More than one and a quarter million tons of bituminous coal were shipped from the Port of Rochester, N. Y., to Canadian ports last year.

Jackson Raceway Off to Big Start

When Jackson Raceway opened the 1951 harness season in Michigan last week, it broke all its own records. Attendance, daily double pool and mutual handle all topped by wide margins the highest figures marked up by Jackson Trotting Association in its two previous seasons at the spic-and-span half-mile race-track in the city of Jackson. Pictured above in the background is Buckie B., winner of the opening night's feature event, the Hotel Hayes Presentation, driven by Doc Barbe. In the center foreground is owner A. Linehan, Jr., of Adrian, and congratulating him is Leon A. Slavin, president of Jackson Trotting Association, while Hon. James House, mayor of Jackson, who made the presentation, completes the picture.

Madonna Holds Baccalaureate

The first five lay seniors of Madonna College will participate in Baccalaureate services, on Sunday, June 3. Holy Mass will be celebrated at 9:30 o'clock by the Reverend Alexander Candrowski, of St. Mary's college, Orchard Lake.

In a ritual which had its origin in the Middle Ages, Father Candrowski will place over the academic gown of each Senior, the bachelor's hood, significant of the college degree which she has achieved.

The Baccalaureate sermon will be delivered by the Reverend Vincent J. Horkan, Ph.D., assistant superintendent of schools in the Archdiocese of Detroit.

Immediately after the Chapel services, Senior Brunch will be served in the college dining room.

At 2:00 p.m. Mrs. Edward Spinsky and Miss Mary Slater of the National Federation of Catholic Alumnae will address the graduates. Plans for organizing the Madonna College Alumnae Association will be discussed.

Scheduled for 5:00 p.m. is a Garden Party Supper for the Seniors, their parents and friends. Following the supper, the college will assemble at 7:30 p.m. for the Honors Convocation to be held in De Sales auditorium.

The program will be chairmanned by Mrs. Amanda F. Jones, instructor in Sociology. Presentation of Honors will be made by Sister M. Paula, President-Dean.

Three Seniors named earlier this year to "Who's Who Among Students in American Universities and Colleges" will be awarded certificates. A biographical sketch of each one will appear in the 1951 edition of the "Who's Who" directory.

Other awards to be presented include College Honors, Class Honors, and an award for Service.

Also named will be those students who have made the Dean's List by earning a 3.0 or higher, scholastic average.

Following the awarding of Honors, officers of the Student Association and Sodality for 1951 to 1952, will be introduced to the assembly. The program will continue with the presentation by the Senior class president, Therese Salasewicz, of the College Symbol, a torch of knowledge, to Sally Kocul, president of the Junior class. Lorraine Renkowski will then deliver the valedictory address.

At Camp Lejeune, N. C., newcomers stopped trying to rent "those empty houses over there," after it was pointed out to them that the buildings are used for training Marine Corps recruits in the tactics of house-to-house combat.

Local Author Gives Latest Book to Library

Duning Library has received the latest book written by Plymouthite George M. Chute as a gift from the author and autographed by him. The book, "Electronics, Motor and Welder Controls" is dedicated to his family.

Mr. Chute, who is an application engineer for the General Electric company in Detroit, has also written "Electronic Control of Resistance Welding" and "Electronics in Industry." Mrs. Ada Murray, librarian, said that Mr. Chute's books are widely read and popular among students and readers of technical matter.

Good news for readers who like mystery stories is the addition of 13 who-done-it books. Each book contains three mystery yarns.

W.S.C.S. Unit Hold Annual Picnic at Park

The annual picnic of the Methodist W.S.C.S. will be held Wednesday, June 6, at Riverside Park near the wading pool. The group will leave the church at 12:30 and in case of rain, they will remain at the church.

It will be potluck style and members are to bring their own beverage. Each unit will take care of its own transportation. A short business meeting will be held to discuss plans for the fall activities. Members are urged to be present.

An executive board meeting will be held at 10:30 a.m. Wednesday in the church.

In Japan, where coal is still mined by pick and shovel, a miner takes one month to produce the coal an American miner produces in a single day.

CADILLAC MOTOR CAR DIVISION

Start of a Wonderful Journey!

Well, there it goes—out from the great Cadillac factory into the hands of a proud and happy owner.

And what an odyssey it would make if its whole future course could be charted and foreseen!

—far journeys to the world's most fascinating places . . . grand appearances at the proudest social events . . . splendid visits to affairs of state . . . year after year of participation in the life of a fine American family.

Yes—and perhaps two or three, or even four fine American families—for a Cadillac is so soundly designed and built that there is no practical limit to its utility.

Truly, no more interesting biography could be written than an account of the life of the average Cadillac car. As the primary means of transportation for interesting, vital people—it is usually a spectator at important events—always in demand as a trustworthy traveling companion.

So there it goes, like the many thousands of its predecessors, on one of the most eventful and fascinating journeys a motor car ever began.

Wouldn't it be wonderful—and inspiring—to go along?

We are sorry indeed that delay in delivery of new Cadillacs continues unavoidable. If you are waiting for a Cadillac, please be patient—but hold to your purpose. There is no substitute for the "Standard of the World."

In each state, success or failure of a hundred thousand hunting trips, which have not yet been planned, will be determined within the next few months, according to the Wildlife Management Institute.

On the northern breeding grounds, waterfowl are pairing off to produce a new generation which figures prominently in the plans of some two million sportsmen. More ducks and geese returned to the northern prairies and potholes this spring than last year, but whether more will come south next fall than last depends upon the weather. The defiant crow of the pheasant cock is beginning to ring through the countryside from Massachusetts to Oregon as he announces

to his own little world the ownership of his Oriental harem. Whether six or 60 of the 64 eggs laid by his hens will become chicks, and whether few or many of the chicks will reach maturity, depends on the weather. The musical challenge of the bobwhite sounds across the farmlands while the muffled drumming of the grouse pulses in the woodlands. But whether they mean more birds or fewer birds this fall depends on the weather.

Droughts which dry the marshes and turn the bottoms of pot-holes to baked clay deserts, which dehydrate the wild fruits that game birds need for food, and which dry up watering places mean a poor fall wildlife crop. Pounding rains which swell the pond and stream margins far out across meadows drowning the nests, and drenching the downy young are equally disastrous.

Keep your eyes on the weather during the next few weeks. The fish and game administrators have, for years, been taking brick bats which should have been aimed at the weather man.

More public hunting and fishing access will be provided with conservation department purchase of 2,398 acres in 15 counties.

Latest additions which will expand established state game areas are: 440 acres, Deford, Tuscola county; 98 acres, Tuscola, Tuscola county; 66 acres, Maple River, Gratiot county; 50 acres, Pittsford, Hillsdale county; 40 acres, Lapeer, Lapeer county; 40 acres, Haymarsh Lake, Mecosta county; and 126 acres, Gregory, Livingston county.

Other acquisitions approved by the conservation commission at its April meeting are 1,040 acres in Rainy river area, Presque Isle state forest, Montmorency county section; 80 acres, Munuscong forest, Chippewa county section; 180 acres with Maple river fishing access frontage, Hardwood forest, Emmet county section; 80 acres, Rose Lake experiment station hunting grounds, Shiawassee county; and 116 acres, Pinckney state recreation area, Livingston and Washtenaw counties.

Public water frontage access being purchased includes over two acres with 342 feet frontage on the Quincy lake chain, Branch county; and 40 acres with 660 feet fronting on Switzer lake, Lake county.

Purchase funds come from state hunting and fishing license sales and, in some cases, in combination with federal Pittman-Robertson revenue, a tax on sporting arms and ammunition.

In Atlanta, Ernest Emmett admitted gyping the Government of \$186.25 in income-tax refunds, by faking returns on tax forms he picked up in the printing shop of Tatum State Prison, where he is serving 170 years for armed robbery.

Memorial Rites**

Odd Fellow and Rebekah Lodges of Ypsilanti, Wayne, Ann Arbor, Dearborn, Belleville, Garden City and Flat Rock will hold their annual memorial service in Ypsilanti High school, 210 W. Cross street, Sunday afternoon, June 3, at 2:00 p.m., according to John M. Oldenburg, N. G. of Tonquish Lodge No. 32, I.O.O.F., who announced the program this week. Odd Fellows and Rebekahs will join in the services which are open to the public.

Highlighting the program will be the memorial address by the Rev. John A. Armistead, of Battle Creek, Grand Chaplain of the Sovereign Grand Lodge of the world. Rev. Armistead served as Sovereign Grand Chaplain during the year 1949-50, being appointed to that position while still serving as Grand Guardian in the Grand Lodge of Michigan, which he had already served for several terms as Grand Chaplain.

The opening services and flag presentation will be conducted by the Canton and auxiliary of Ann Arbor, Astral Rebekah Lodge of Belleville will introduce the officers of the Southeastern

Memorial Association and Washtenaw Rebekah Lodge of Ypsilanti will present the guests.

Memorial exercises will be exemplified by Garden City Rebekah Lodge. There will be music by the Cumberland Presbyterian church, Detroit. The Reverend W. Clyde Donald, First Methodist church, Ypsilanti, will give the invocation and benediction.

Eli Beggs of Garden City is president of the Association; Archie Ward, Dearborn, vice president; Thelma Barnes, Ypsilanti, secretary; and Robert Millard, Belleville, immediate past president. The program committee consists of Archie Ward, Dearborn; Olive Jackson, Garden City; Vern Cox, Ann Arbor; Charlotte Eaton and George Curtis, Ypsilanti.

Electric power companies will use 100 million tons of coal in 1951, a record amount.

Today there are more than one thousand miles of belt conveyors in use in American coal mines.

NOTICE TO REMOVE DANGEROUS BUILDING

ON LOT 13, KATE E. ALLEN'S Subdivision "A"

The following is a portion of the minutes of the regular meeting of the City Commission held in the Commission Chamber of the City Hall in Plymouth, Michigan on May 21, 1951 at 7:30 P.M.

Present: Commissioners Bauer, Fisher, Hammond, Henry, and Mayor Tibbitts.

Absent: None.

The following resolution was offered by Comm. Fisher and supported by Comm. Hammond:

WHEREAS, the building located on Lot 13, Kate E. Allen's Subdivision "A", owned by George and Wirt Lee, has been determined by this Commission to be unsafe and dangerous to life within the City, and

WHEREAS, Ordinance No. 87, known as the Building Code, and the Charter of the City of Plymouth empowers the City Commission to remove nuisances dangerous to life within the City,

THEREFORE BE IT RESOLVED that this City Commission direct the Building Inspector to notify the owner of the building located on Lot 13, Kate E. Allen's Subdivision "A" or his agent or tenant that he cause the building to be repaired within 30 days and placed in a safe condition satisfactory to the Building Inspector, or be razed and the debris disposed of;

BE IT FURTHER RESOLVED that should the owners fail to repair or raze the structure at the expiration of the 30 day period, the Building Inspector be and he hereby is authorized to enter upon the premises and cause the building to be razed; the costs of such razing to be paid by the city, and the same assessed against the property.

BE IT FURTHER RESOLVED that the Building Inspector serve a copy of this resolution or publish once in the Plymouth Mail.

Yes: Commissioners Bauer, Fisher, Hammond, Henry, and Mayor Tibbitts.

No: None.

I, Albert F. Glassford, City Clerk of the City of Plymouth, Michigan do hereby certify that the foregoing is a true portion of the minutes of the regular meeting of the City Commission held in the Commission Chamber of the City Hall in Plymouth, Michigan on May 21, 1951.

The W. E. Wood Co. of Detroit, has practically completed their work in the construction of the buildings for the new Wayne County Training School near Plymouth. Only a few minor details remain to be done and the work will be complete.

At 7:30 p.m. Tuesday morning, May 25, a very pretty wedding took place in Our Lady of Good Counsel church, in which David Joseph King and Mary Ellen Hobban were united in marriage. June 1 marks the 36th anniversary in the history of the Plymouth United Savings Bank. The bank was organized as the Plymouth Savings in 1890. The first board of directors was composed of the following members: L. D. Shearer, president; E. C. Leach, vice president; L. H. Bennett, J. N. Starkweather, G. S. Van Sickle, O. R. Pettigill, L. C. Hough, S. J. Sprague, William Greer, J. R. Hossie, William Manchester, L. C. Sherwood, cashier. Mr. and Mrs. Edward C. Hough of Plymouth announce the engagement of their daughter, Corlette Kingsley, to Robert W. Cowan of Detroit, son of Mr. and Mrs. George W. Cowan of Chatham, Ontario; and their son, Cass Sheffield, to Miss Margaret Reid of Detroit.

Fluelling & Lang announce the opening of their new service station at the corner of South Main street and Maple avenue, for Saturday, May 29. They will continue to operate their gas station on North Main.

PROTECTION

The desire for Protection provides the motive for men joining together in a common cause. It inspired the establishment of our Free Government.

Throughout the ages mankind has been seeking protection—for self, for loved ones, for the right to live as the Creator intended man to live.

The desire for Protection inspired the establishment of the Michigan Milk Producers Association thirty-five years ago—protection for worried dairy farmers and the public which is so dependent upon them.

Through their organization, members of the M.M.P.A. have built a solid foundation for Michigan's Great Dairy Industry. Sixteen thousand of them working together as a unit provide millions of city dwellers with a constant supply of the most vital of all food products—pure, fresh milk—every day in the year, at an equitable price.

Through their cooperative activity every member also is protected—he knows he has a market for all the milk he produces with prompt payment guaranteed and at the price which the quality of his product justifies.

Such cooperative effort provides the utmost of protection for all concerned—it is in large measure responsible for the month of June being proclaimed throughout the land as DAIRY MONTH in recognition of the dairy industry's great contribution to the health and happiness of all Americans.

Warn Residents of Electric Lines

The recent Summer thunderstorms are a reminder of the menace to motorists of electrical lines knocked down by wind or lightning.

R. P. Douglas, safety director for the Detroit Edison company, believes the public is not fully aware of hazards that may exist in the short time before line-repair crews can be rushed to the scene of storm-grounded lines.

For example, he notes, a bus loaded with school children ran into a sheared-off high-voltage line near Wyandotte recently. The line was resting on the hood of the machine. Reports told how the passengers "fled safely out of the bus" before linemen arrived.

"The children should have been told to sit still," Douglas explains. "It was fortunate that this line was automatically dead-ended by a circuit-breaker the moment it fell down. If it had been carrying current, children who tried to step down from the bus almost certainly would have been killed."

Douglas cites a simple rule that can save your life if for any reason a live wire touches the car you are occupying.

Sit tight. Tires act as insulators. Don't try to get out of the car unless it starts to burn. In case of fire, do not stop down—jump clear, and stay at a distance so that there is no chance of your body forming a connection between car and ground.

GREAT BIG FALL . . . Thomas Falva, Jr., rests in New York hospital after falling 15 stories from window at his home.

In Fargo, Germany, police found the end of a man's nose in a burglarized shop, plunked the clue in alcohol, two days later spotted their bandaged quarry, who confessed it would fit.

Packard Patricia '400—most advanced motor car in America

Car details as shown are subject to change without notice

Newest of them all . . . and built to stay that way!

Everywhere you look, it's not only the newest new car of the year . . . but the car most likely to stay that way!

Consider styling. Packard gives you the newest ideas in functional design—plus—traditional Packard exclusiveness that defies year-to-year "dating."

Take power. Packard Thunderbolt engines give you the peak efficiency of America's highest-compression eights. Plus: the service-free simplicity of a design with up to 25% fewer working parts than in engines of comparable power!

Or study automatic drives. Packard—and Packard alone—offers the unequalled smoothness and efficiency of Ultramatic Drive. And here again, there's service-free simplicity that puts this Drive in a durability class of its own.

Look into the rattle-proof rigidity of Packard Armor-rib body construction . . . the lastingly smooth firmness of Packard's own broad-beam suspension system . . . look deeper than you've ever looked into a car before! You'll know, then, why Packard holds motordom's most consistent durability record:

Of all the Packards built—in the last 52 years—over 50% are still in service!

Let that be your final clue to the most far-sighted good buy in the automotive field today!

It's more than a car—it's a **PACKARD**

Roger Babson Says --

Babson Discusses Secure Investments
Babson Park, Mass., May 31. No one knows whether we will have another World War within the next few years or not. Russia will not start one this summer. Her crops must be gathered and the rivers frozen over first. The Chinese Communists waited until the Korean rivers froze so that their troops would not be dependent upon bridges. The same policy applies to Russia. The critical time will not be this summer but late fall and winter. If Russia does not attack this winter, it is reasonable to believe we will have some more years of cold war.

Real security cannot be obtained by military force or by moving out of larger cities. There are many cases in history where the military force itself has turned against the Government and taken over the country under a dictator of its own. Hence, in building airplanes, tanks, and

other implements of warfare we may be equipping Revolutionists in our own country.

The Inflation Enemy
Another possible enemy of security is inflation, which the military—instead of preventing—are encouraging. England "won" both World War I and World War II. The same might be said of France and certain other countries. The people of these countries have turned away from economic security for temporary military security. There is no doubt in my mind but what we would "win" World War III if it should come, but I am sure we would then lose economic security.

Before World War I, England was very prosperous with her Colonial possessions and her worldwide holdings of shipping, insurance and other stocks. Today, England is broke. Her people have no economic security. If we enter into World War III, we might end up in the same way. Your money, Government Bonds and other investments might be worth only 30c on the dollar as our country would be burdened with a terrific debt. Therefore, use your influence for World Peace.

Fundamental Security
War and threat of war undermines character. From a security standpoint, certain character traits, such as honesty, for instance, are fundamental for prosperous industry, commerce and investments. Hence, our churches, schools and homes try to instill character assets into our youth. Security in peacetime depends primarily upon character and the development of the very factors of life which military service tends to destroy.

We criticize today the criminal underworld which has been uncovered by the Kefauver Crime Committee. We deplore the exposures which Fulbright's Committee has shown up in connection with R. F. C. and other Government agencies. We hear that Washington is honeycombed with graft and inefficiency. We wonder what the reason may be. If we will turn back the pages of history, we will find that the same conditions followed the Mexican, Civil, Spanish-American and World War I. The wretched conditions today are due to the breaking down of character, caused by World War II.

What To Invest In
For security, locate where you are not liable to be bombed. Buy a place in some small agricultural community 60 miles from a vulnerable city. Use this as a summer place and as a protection. Build up bank deposits in medium-sized, safe cities for reinvestment during the next panic. The nation's banking situation as a whole is excellent and you can safely buy stocks in your local bank if it is safe from bomb-

ing. Good common stocks of companies safe from bombing should be good investments for the long pull, although they will fluctuate with general business conditions. In the case of corporate bonds or preferred stocks, you should buy only "convertibles."

The most important need for security is to invest in good health and character—together with a family of well-educated and spiritually-minded children. See that your children are taught not only industry, honesty and law-abidance, but also a sound religious faith which will stand by them when trouble comes. Furthermore, train them for some specific line of work, such as the medical, engineering and business professions, or the essential trades. In other words, invest in education.

Check Condition of Automobile

"Don't bank on chance. Check the condition of your car regularly and have a safety balance for the rest of your life."

This advice was offered today by the State Safety Commission in stressing its Summer program of traffic safety education.

"Every time a motorist neglects an unsafe condition in his car," said Chief Greenlee, "he is making a deposit with death. And the final accounting may come much sooner than he expects."

"Saving money is a good habit, but saving a life, perhaps your own, is much more important. Proper maintenance of your car can be a lifesaving investment," Chief Greenlee said. "Yet, on a purely financial basis, the cost of traffic accidents in 1949 alone is estimated at more than three billion dollars and in about 8 per cent of these accidents, unsafe car conditions were reported, according to the National Safety Council."

"This means that about 250 million dollars of this cost might have been avoided if all cars had been kept in safe mechanical condition."

The millions of dollars involved are only a small part of the loss. The 35,000 lives lost in traffic in 1950 can never be replaced from savings. But safety can save lives that need never be spent.

"Correcting unsafe conditions in cars may return a dividend of as much as ten percent in this lifesaving program. That's certainly a good investment for a few dollars spent in automobile repairs."

Stressing that periodic safety inspections are purely an individual responsibility, the State Safety Commission joins with the National Safety Council this month in reminding all drivers that "Drivers with bad brakes can expect bad breaks in their accident records."

A coal-carbonization product is now being used as the starting point for making synthetic Cortisone, the miracle drug.

A new gas producer that will provide fuel for Diesel engines is on the agenda at Bituminous Coal Research, Inc.

Institute at Ann Arbor For Graduate Nurses

For the benefit of all graduate nurses in Washtenaw County, an institute on the "Nursing Aspects of Atomic Warfare" will be held Tuesday evening, June 5 in the School of Public Health Auditorium at Ann Arbor from 7:30 to 9:30 p.m., under the direction of Miss Mary Blackburn.

This meeting will constitute the first of a series, held on three consecutive Tuesday evenings—June 5, June 12, and June 19.

It is advisable to attend the first meeting, as it will include grouping and registration. All graduate nurses are eligible and registration is free.

The speaker for the evening will be Dr. Otto Engleke, Director of Civil Defense in Washtenaw County.

In South Old Bridge, N. J., Fire Chief William Bede accused the neighboring Old Bridge brigade of sneaking into his territory and dousing blazes before his men could get there.

A safety record in bituminous coal mines was set in 1950 for the third consecutive year.

A new beet sugar plant in Minnesota requires from 450 to 525 tons of coal every 24 hours.

Even the tiny state of Thailand (Siam) is purchasing coal in the United States.

IH QUALITY IS MORE THAN SKIN DEEP!

Parts may look alike on the surface, but the true story of quality goes far deeper than that. International Harvester makes sure of that quality. Regular IH parts from the assembly line are examined with this 1,000,000-volt x-ray. It looks "under the skin", checks to protect IH standards of quality. This is only one of the dozen reasons why it will pay you to use IH precision-engineered parts for all of your McCormick machines.

IH 5-STAR SERVICE

IH PARTS FIT RIGHT... WORK BETTER... LAST LONGER...

Always look for the IH symbol of quality when you buy parts for your McCormick machines. Always see your IH dealer for IH 5-Star Service.
