sewer. All that would have then been necessary would be the process of re-zoning, as outlined above.
The meeting opened with the reading of the letter from Supervisor Roy Lindsay to the city commission asking that the city furnish water and sewer to the proposed Western Electric plant without annexation. The city commission's reply written by City Clerk Kenneth Way was then read. It advised the township board that the city has a policy of making no further extensions of its water mains beyond the city limits.
The Cassidy property is located west of Sheldon road, south of the C & O railroad. Western Electric has taken an option of the property to construct a \$6,000,000 plant.

Local Girl Guest Of Ford Fund

Marilyn Wick, recent graduate of Oberlin college in Oberlin, Ohio, will be one of 125 youths - members of the first and most recent Ford Fund scholarship college graduating classes - to attend a joint awards convocation in Dearborn this Sunday.
The daughter of Mr. and Mrs. Neil Wick, 292 North Holbrook, Marilyn will be a guest of the Ford Motor Company Fund at outdoor ceremonies to be held on the grounds of Fair Lane, former home of the late Henry Ford.
The convocation will honor the first class of Ford scholarship winners, most of whom graduated this June, plus the 72 youths who were selected this spring to receive the scholarship next fall. All are sons or daughters of Ford employees.
Featured in the ceremonies will be speeches by Dr. Harlan Hatcher, president of the University of Michigan and Benson Ford, Ford Motor Company vice president. The program will include presentation of gifts and award certificates.

Mr. and Mrs. M. S. Shanholzt of Carlisle, Pennsylvania, were overnight guests Sunday at the home of Mr. and Mrs. Ernest Koi on Penniman avenue. The Shanholts are the parents of Mrs. Koi and are en route to their home following a 7,000 mile motor trip through the western states.

School to Answer Court Petition

The board of education has authorized its attorney to draft a protest against a petition filed in circuit court which asks that a portion of Edison street be closed which would run through a proposed subdivision and the junior high school site.
Turk & Ramsey, Builders, filed the petition in circuit court asking that Edison be closed from Coolidge street eastward to Myron Beals street and that Myron Beals also be closed.
School board members have declared that Edison should be kept open to provide a direct route from South Main street to the school site. Representatives of the two parties are to meet in court soon to present their cases. Nandino Perlongo is the school attorney.
Board members have voted to allow junior high pupils from the Lapham school district in Salem township to attend the local school by paying tuition. The Lapham board has previously requested that the Plymouth Township system annex the Lapham district. High school students already attend here under tuition. By taking the eight seventh and eighth grade pupils, crowded conditions in the one-room building will be somewhat eased. There were 42 students expected next fall.

Levy Proposed For CD Sirens

To finance necessary warning sirens, it has been proposed that they be paid for on a county-wide basis with a one-tenth mill proposal being placed on the ballot next fall.
At the Civil Defense meeting on June 21, plans were completed for participation in the 4th of July parade as well as a demonstration to be given in the evening.
On June 16, the Civil Defense and American Red Cross first aid class, under the direction of Mathew Zak, completed their studies. Those completing the standard first aid requirements were Mrs. Eythol Olson, Mrs. Leocadia Wilczewski, Mr. and Mrs. Ernest Koi, Stanley Wilt, Gilbert Tuttle, Mrs. Ida Little, and Mrs. Edna Dowling. Those completing the advanced first aid were Mrs. Kathleen Keith, Mrs. Ethel North, Mrs. Lila Baker, Mr. and Mrs. William Langmaid, Ray V. Hildreth, Stanley Hildreth, Mrs. Madeline Brodie and Mrs. Helen Meyers.
The Plymouth Area Civil Defense unit was called upon for help in the practice alert on June 15 and 16. According to Director Leo Flowers, there were 150 seriously injured bed patients cared for at St. John's Seminary, 10 with minor injuries cared for at the high school and Smith school, casualty stations and shelter given to 1,000 evacuees following the mock bombing attack of Detroit.

Reverend M. I. Johnson To Begin Sixth Year

The Reverend Melbourne I. Johnson has been returned as pastor of First Methodist church for another year, according to action taken at the Methodist conference in Detroit this week.
Reverend Johnson will begin his sixth year here.

THE BIGGEST CARPET VALUE OF THE YEAR

"Bark-Tweed"
the new textured carpet by 'Magee'

BLUNK'S, INC.
Now making history at

When you see "Bark-Tweed" you'll know why this carpet has the sturdy ruggedness of a twist carpet plus texture beauty with its high and low ripple pile. Its modern makeup of wool and carpet rayon creates a scuff-resisting pile that adds up to the biggest carpet value of the year!

WITH PLYMOUTHITES IN THE SERVICE

Brief items of interest about Plymouthites in the services are welcomed in this column, providing the information does not conflict with press security policies.

★ ★ ★ ★ ★

Ralph W. Johnson

Army Second Lieutenant Ralph W. Johnson, 23, whose wife, Jeanine, lives at 500 East William, Ann Arbor, recently was graduated from the Infantry School's basic infantry officers course at Fort Benning, Georgia.

Lieutenant Johnson, son of Melbourne I. Johnson, 680 Church street, Plymouth, entered the Army last February. A member of Phi Mu Alpha fraternity, he was graduated from the University of Michigan in 1954.

Keith R. Stevens

Private First Class Keith R. Stevens, son of Kenneth R. Stevens, 577 Jewer place, Plymouth, is a member of the Third Infantry division at Fort Benning, Georgia.

After three years in the Far East, the Third, nicknamed the "Rock of the Marne" division, is undergoing infantry training at the fort.

Private First Class Stevens, a rifleman in Company C of the division's Third Infantry battalion, was stationed at Fort Campbell, Kentucky, before arriving for duty at Fort Benning.

Stevens entered the Army in February 1954 and completed basic training at Fort Knox, Kentucky. He is a 1953 graduate of Plymouth high school.

Patrick J. Finlan

Private First Class Patrick J. Finlan, son of Mrs. David Cameron, 44445 Governor Bradford road, Plymouth, is one of 3,000 soldiers supporting summer training at Camp McCoy, Wisconsin.

An estimated 40,000 National Guard and Reserve soldiers will participate in annual training at the camp. Tactical field exercises will be stressed as part of the Army's continuous program to keep its civilian components ready for any emergency.

Private First Class Finlan, a switchboard operator in Service Battery of the 97th Field Artillery battalion, is regularly stationed at Fort Carson, Colorado.

Finlan entered the Army in September 1954 and completed basic training at Fort Leonard Wood, Missouri.

Covert M. Kelley

Private First Class Covert M. Kelley of Plymouth recently completed the welding course at the Ordnance Automotive School at the U.S. Army's general depot in Atlanta, Georgia.

Kelley, who is the husband of Mrs. Irene Hunt Kelley, 9817 Newbury road, Livonia, is one of the more than 70,000 men from all over the world who have been trained at the school since its inception in 1941.

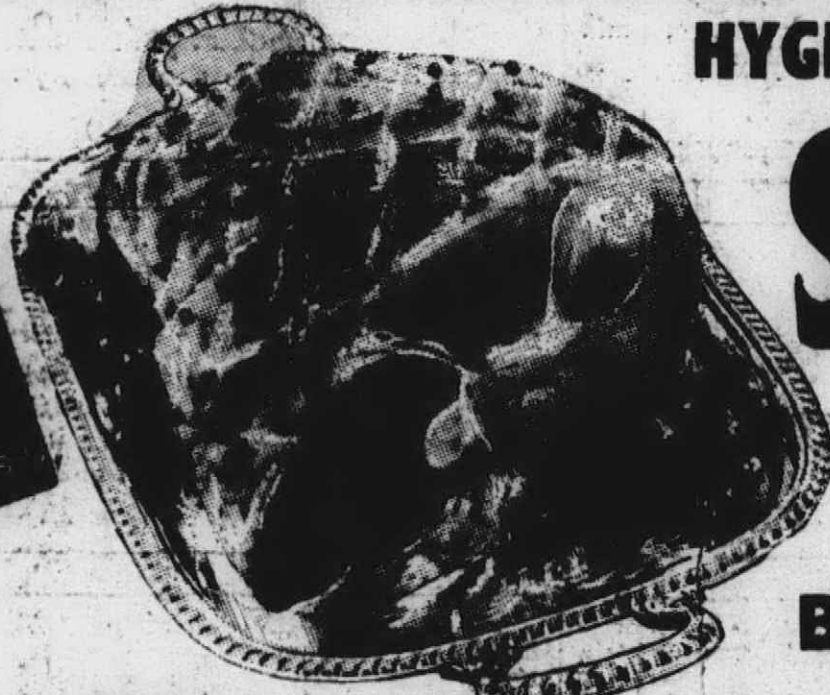

Kelley's father, William S. Kelley, resides at 49770 Ann Arbor road, Plymouth.

RELY ON YOUR REALTOR

USE THE MULTIPLE LISTING SERVICES offered by 15 Realtor offices

"Realtor" is a professional title given only to members of the National Association of Real Estate Boards and its constituent state and local boards. Adherence to a strict code of ethics in all business dealings with other Realtors and with the public is a fundamental requirement for becoming a Realtor. This high standard of business ethics together with sound judgment, complete knowledge of real estate matters and long experience in handling all types of transactions characterize a Realtor.

Card Of Thanks 27

I wish to thank all my relatives and friends for the beautiful cards and flowers sent me during my stay in the hospital and also while I have been a shut-in at home. Mrs. Anna Gates. 27-11-2tc

We wish to express our thanks and gratitude to the Schrader Funeral Home and Reverend Henry J. Welch for the comforting words and to the many, many friends and neighbors for their kind expressions of sympathy. And for the many beautiful floral offerings and cards. They will long be remembered and cherished in our hearts for the loss of our loved one. Mrs. Daniel McKinney. Mr. and Mrs. Wilfred Clark and Family. 27-11-2tc

In Memoriam 28
In memory of Harry H. Pankow who passed away June 20, 1953. The days will come and the days will go. And only God can make it so. But time nor space cannot erase The memory of our loved one's face. Wife, Daughter, and Parents. 28-11-2tc

Card Of Thanks 27

With deepest gratitude I extend this word of thanks for the many kind acts of sympathy, expressed by the Hough School District neighbors and thoughtful friends in the loss of my wife, Kirstine. These kindnesses have meant much to me. Gustav Kirstine. 27-11-2tc

I wish to thank my many friends and neighbors for the beautiful flowers and many cards I received while at St. Joseph's hospital in Ann Arbor. Mrs. Jack Reamer. 27-11-2tc

Card Of Thanks 27

The family of Helen Beyer-Burgert gratefully acknowledge the many kindnesses of our many neighbors and friends. We would especially like to thank Reverend Hoenecke, The Lutheran Ladies' Aid, Post and Auxiliary of the VFW, Robert Bartel, The Schrader Funeral home and all those who did so much during her long illness and at the time of her death. 27-11-2tc

WATCH PASSING OPPPOSITE FARM DRIVE

Any vehicle moving slowly on a high speed highway should be an automatic danger signal to a driver approaching from the rear of regular highway. Especially if a farm drive appears on the left hand side — into which the slow moving vehicle could turn.

To pass such a car at high speed when there is an available place for it to turn is to court disaster. A slow moving vehicle has something in common with a pedestrian. Either one can move sideways very quickly and sometimes with no warning at all.

Smart drivers pass slow drivers very slowly so that they can stop in time if an unexpected turn takes place. Remember the safety slogan. "SLOW DOWN AND LIVE"

Watch Passing Opposite Farm Drive

A Message to the People of the Community of Plymouth

The purpose of this message is to give the people of this community a true picture of the project that we are planning to develop.

This property is located in the extreme northwest section of Plymouth township, on the west side of Ridge Road, midway between N. Territorial road and Five Mile road. It contains 25 acres, and is adjacent to the Detroit House of Correction property.

This park will be much different than most parks that you may be familiar with. For instance, each trailer site will be 40 ft. wide and 60 ft. long, with concrete runways to park the trailer on, and concrete patio 10 ft. wide and 20 ft. long. There will be a crushed stone driveway on each lot so that the streets will be free from parked cars when the occupants are all home. There will be water and sewer connections at each trailer site.

Instead of a sewage disposal plant as we originally planned, the sewers in the park will be connected directly to the Wayne County interceptor sewer.

Electricity and telephone connections will be located on a pedestal on each trailer site. The streets will be 35 ft. wide, and there will be a 3 ft. side-walk in front of all the trailers.

Another unique feature of this park is the recreational area connected with it, which contains a 5 acre wooded lot where there will be grills and picnic tables for the convenience of the park residents. In addition to this, there will be approximately 10 acres of playground for the children at the west end of the property away from the road.

When we presented our plans to the State Health Officials at Lansing they were very enthusiastic and told us that nowhere in the State had they seen anything equal to them.

One of the main arguments of the Plymouth township board against the park is that they claim trailer owners do not pay their share of the school tax for the education of their children.

We would like to inform the people of Plymouth that at the present time trailer owners pay \$1.50 per month per trailer, and that there is legislation pending in Lansing that will increase the tax to \$3.00 per month. That means that the trailer owners alone will contribute \$3,600. per year in taxes, plus the tax which will be assessed against the property.

It is a recognized fact that the occupants of a trailer spend \$50.00 a week in the community where it is parked, that means that this proposed park will bring in better than ONE QUARTER OF A MILLION dollars to be spent among the local merchants.

We ask you, is that a liability to this community?

The Circuit Court of Wayne County has handed a decision that it is unconstitutional for a citizen to be denied the use of his property when it is not a detriment to the health or welfare of the community. Yet the Township Board of Plymouth wants to spend a considerable amount of money to prove that the constitution is wrong.

A recent decision was handed down against the Township of Canton by a unanimous decision of all the Judges of the Supreme Court at Lansing on a similar Trailer Park case.

If the people of this community would be interested, we would be glad to arrange a debate at a public place between the opposing attorneys in this case, that is, if the township attorney was agreeable, so that they might see and hear the evidence as Judge McCree saw and heard it.

If you do not want your tax money spent in fighting the Circuit Court decision, we suggest that you get in touch with your Township Board.

Why not spend your money in getting some reasonable controls rather than to spend your money to try and stop progress.

Clyde E. and Beryl H. Smith

Who's New in Plymouth

FAMILY PICTURES are enjoyed by the Darrel Sands as they spend a relaxing evening in the living room of their 13725 Ridgewood home. Mrs. Sand is holding Joy, 2, while other spectators at the show are seven-year-old Roger seated next to his sister, Debbie, 5. Originally from Galesburg, Illinois, the Sands lived in Royal Oak prior to coming to Plymouth on February 15. Mr. Sand is employed at the General Motors transmission plant at Willow Run.

SOCIAL NOTES

Glenn Smith returned to Bitely, Michigan, after spending a few days in Plymouth for the graduation of his granddaughter, Glenna Merilatt. Glenna and her sister, Luree, returned to Bitely for a 10-day vacation with their grandfather.

Mrs. Robert Stremich and Mrs. Margaret Stremich were hosts at a bon-voyage luncheon, Sunday, June 12, at Devon Gables honoring Mrs. Olga Hubert. Twenty-three friends were present and Mrs. Hubert was presented with a lovely gift. She will sail on July 2, for a four months' vacation in Denmark.

Mrs. Harold Todd of Clemons road motored to Chicago, Illinois, Friday, returning to Plymouth Saturday accompanied by her son, Charles, a student at the Chicago Art School, who will spend the summer vacation with his mother.

Miss Carol Oldenburg, whose marriage to Joe Vorbeck will take place in the First Methodist church on July 2, has been guest of honor at two delightful miscellaneous showers given by both relatives and friends. A lovely shower was given by the bridegroom's sister, Mrs. Kenneth Kirkwood, in her home on Dananella drive, Livonia. Twenty-five guests joined Carol in the fun of opening her many attractively wrapped gifts. On Saturday evening, June 11, Mrs. George Hake, Carol's aunt, and Mrs. Lee Owens, the bride-elect's sister, gave a shower in the Owens home on Sunset avenue. Twenty-five relatives were present.

Miss Kathryn Bock will spend the summer months at her home in Ann Arbor. Miss Bock is a teacher in the Plymouth schools.

Mr. and Mrs. Lynn Fraser and family of Flint and William Fraser of Franklin were Sunday dinner guests of Mrs. William Farley of Adams street.

Henry Lorenz has returned to Long Beach, California, after spending three weeks with his family on Burroughs avenue. Mr. Lorenz has been transferred to the West Coast with Allen Industries and Mrs. Lorenz and children will leave around July 15 to make their home in California.

Father's Day callers in the home of Mr. and Mrs. Guy Fisher on Forest avenue were Mr. and Mrs. Wesley Bakewell and family of Traverse City; Mr. and Mrs. Blake Fisher and son of Livonia; Mr. and Mrs. Henry Trombley and Linda, of Farmington; Mr. and Mrs. Elton Bakewell and family of Livonia; Mr. and Mrs. William Fisher and family and Mr. and Mrs. Ralph Minehart and children of Plymouth.

Mr. and Mrs. Merle Rorabacher of Rucker drive and Claude Rorabacher of South Main street attended the wedding and reception of Claude Rorabacher's grandson, Carl Nelson, and Miss Joanne Schlet in Ann Arbor, Saturday.

Mrs. Carlton Lewis entertained the members of her Priscilla Sewing club Tuesday afternoon in her home on Hartsough avenue.

Mrs. Roy Fisher of Plymouth Hills has gone to the Fisher summer home on Lake Charlevoix where she will remain until fall.

Plymouth friends of Mr. and Mrs. Donald Ritenour have received announcements this week of the birth of a daughter, Jo Ellen, on Friday of last week. The Ritenours reside in South Lyon, Mrs. Ritenour being the former Evelyn Elliott.

Paul Wagner of Pekin, Illinois, former Plymouth high school band director, spent Sunday with Mr. and Mrs. Fred C. Nelson of Ross street. Mr. Wagner is attending summer school at the University of Michigan.

Sunday dinner guests of Mr. and Mrs. Albert Pint in their home on Schoolcraft road were Mr. and Mrs. Frank Pint and family and Mr. and Mrs. Matthew Coot of Detroit.

Mr. and Mrs. Paul Bairas of Clemons drive held an open house last Thursday following graduation honoring their daughter, Thalia. The Bairas' other daughter, Rosamond, a sophomore at Western Michigan college in Kalamazoo, was also present and will spend some time with her parents.

Margaret Sue Terry, daughter of Mr. and Mrs. Marvin Terry of Roosevelt avenue, will leave Sunday for the Girl Scout Camp near Chelsea where she will spend two weeks.

O. B. Edwards of St. Louis, Missouri, is visiting with his son-in-law and daughter, Mr. and Mrs. E. W. Heyder and daughter, Sue, of Simpson street.

Mr. and Mrs. C. H. Bachelder of Marion, Ohio, spent Wednesday of last week with their nephew and niece, Mr. and Mrs. Fred C. Nelson.

Mrs. Glenn Fraleigh of Gold Arbor road, Mrs. Meredith Smith and Mrs. Guy Highley left Sunday to spend a few days at Lake Charlevoix with Mrs. Roy Fisher.

Mrs. Joseph Tracy, Mr. and Mrs. Albert Groth and Miss Molly Groth visited Mr. and Mrs. Thurman Rodman at White Lake over the weekend.

Mr. and Mrs. Jack Gage of Clemons drive spent Wednesday with Mr. and Mrs. Frank Cavanaugh of Grosse Ile on their yacht.

Mrs. Rex Wyncoop of St. Joseph, Michigan, spent a few days this week with Mr. and Mrs. Lincoln Lantz as well as other Plymouth friends.

IN THE ENVIOUS POSITION of being surrounded by this covey of lovely Fourth of July beauty contest entries is Sam Stephens, contest chairman. Pictured with him from left are beauty queen hopefuls Zita Brokas, Shirley Thom, Ellen Fletcher, Mary Trueblood, Beverly Trueblood and Marge Oumet. Last year's bathing beauty contest winner, Pat Johnson, will be on hand to crown this year's queen at the big Fourth of July celebration slated to be held behind the high school.

Resident's Life Reviewed at Grange

Samuel William Spicer, Plymouth Township treasurer for 16 years and active participant in many civic affairs, was the subject of a "This Is Your Life" program at the Plymouth Grange hall Thursday evening.

A brief summary of Spicer's childhood and school days was narrated by the emcee, John Oldenburg.

At the age of 79, Sam, as he is best known to his friends, is one of six children, all of whom are living. Present to greet him at the program was his brother, Frank, and his wife from their farm on Vineyard Lake, Jackson county. Four sisters, Mabel Spicer and Mrs. Sattie Mason of Plainfield, Indiana, Mrs. Fannie Doerr Pitts of Pomona, California, and Mrs. Rhoda Wakely of Miami, Florida, were unable to be present for the occasion. A telegram from Mabel Spicer and Dr. and Mrs. Mason was read conveying congratulations to their brother.

Of special note was the fact that Sam had worked his father's farm, the one on which he now lives, at the age of 12 while his father traveled selling windmills.

Sam Spicer is the only living member of his class of six who graduated in 1896 from Plymouth high school. From high school days Norman Miller appeared to extend greetings and recite a humorous poem he had known back in his school days. Miller's class of two members graduated in 1898.

Following graduation from high school Spicer taught in the Cooper school, Middle Belt road and Ann Arbor trail, starting at a salary of \$23 a month. Present to greet their former teacher were Hulda Beyer Ebert and Violet Smith Hawk of Plymouth and Katie Perrin Hawk of Wayne.

Following the two years at Cooper school Spicer taught at "Rough and Ready," now known as Stark, for a couple of months to finish out the school year. In this school he had 57 pupils and all eight grades.

In 1899 Spicer quit teaching to work on the railroad where he could get \$40 a month. To earn this salary he worked 12 hours a day, seven days a week. His shift was 2 a.m. to 2 p.m. and he traveled to Kansas City and later to California.

In the fall of 1901 he returned to Plymouth to marry Alma Murray. After living in Plymouth a few months he quit the railroad to work his father-in-law's 271-acre farm on what is now Napier road.

Present to add his bit was Harold Spang, one of the many men who worked for Sam as a farm hand. Spang is now a farmer near South Lyons.

Besides his two daughters and their families, several old neighbors from the days spent on the farm were present. Among these were Mrs. Edith Moyer, Mr. and Mrs. Glenn Clark, Mrs. Nina Webber Bovee of Northville, Allen Wiseley of Plymouth and son, Willoughby of Whitmore Lake, and daughters, Esther and Welsey Palmer of Plymouth and Welsey Wiseley LaVoie of Detroit.

Master of the Michigan State Grange, William J. Brake, together with his daughter Betty, came from Lansing to extend greetings and best wishes from the State Grange to Spicer.

Marian Rogers Smith, a former Home Demonstration agent in Wayne county, came from her home in Dearborn to recall the early days of Extension Service in this county when the entire Spicer family were engaged in work of the Extension Service. Sam in the cooperative work of the Farm Bureau and the County Agent; his wife, Alma, in organizing extension groups and working with the Home Demonstration agent; and daughters Louise and Betty in 4-H club work.

UNSUSPECTING SUBJECT of a "This Is Your Life" program Thursday evening at the Grange hall was Sam Spicer, shown above with Mrs. Spicer, as John Oldenburg, emcee of the show, reviews the former township treasurer's early years.

In recalling the days when Sam worked with the late Harry C. Robinson, Plymouth auctioneer, a bill of the George Proctor Farm sale in 1933 was presented with Spicer's name appearing on it as clerk. He also clerked at several auctions for the late Henry Ford, the Edsel Ford Estate, several Ira Wilson Farm auctions, one for James Couzens, and numerous New York Central unclaimed freight sales, as well as clerking or cashing for scores of smaller auctions with Mr. Robinson.

Mr. and Mrs. Andrew Campbell of Ann Arbor appeared as Wash-tonaw County grangers to greet Spicer.

It was recalled that the Spicers moved from Napier road to their present farm on Ann Arbor trail in 1925. Sam worked the smaller farm for a number of years and became well known for his Evergreen Nursery and his Jersey Milk route. Many homes in and around Plymouth have evergreens from the Spicer Nursery.

A former milk customer, Reverend Edgar Hoenecke, was unable to be present to add his greeting, but made a tape recording which was played at the program, extending his greetings to Spicer.

The 16 years Sam Spicer served as treasurer of Plymouth Township was recalled by Mrs. Flora Rathburn, wife of the late Charles H. Rathburn who served for many years as township supervisor.

The Spicers celebrated their Golden Wedding anniversary in December of 1951. Present to recall the occasion when they had been guests at both the wedding in 1901 and the 50th anniversary in 1951 were Mr. and Mrs. Fred Van Atta of Northville.

Ralph J. Lorenz recalled the drive to raise funds to build the Mayflower hotel. Both Lorenz and Spicer headed teams in this fund-raising drive. He recalled that of all the several teams, Sam's came out the lead one. Lorenz and Spicer were more recently associated as salesmen with the late Bert Giles, real estate broker.

Note was also made of the serious illness of Spicer a few years ago. It was pointed out that his spirit and will to recover restored him to the good health he now enjoys.

For a look into the future, Sam was presented with the keys to his "very own Mercury," which his daughter had borrowed from him earlier in the evening, and a road map for a trip to California which he attempted last winter

but was unable to complete due to illness at home.

The program was arranged by Mrs. Charles McConnell, chaplain of the Plymouth Grange. Commercial on the program was done by Mrs. Louise Hutton.

Through the courtesy of Reverend Edgar Hoenecke a tape recorder was provided so that a complete record of the entire program could be made.

Announce Betrothal Of Eleanor Carney

The engagement of Terry Eleanor Carney of Plymouth to Kenneth Courtney Johnson of Muskegon has been announced by her parents, Mr. and Mrs. Edward A. Carney of 238 South Main. He is the son of Mr. and Mrs. Raymond K. Johnson of Muskegon.

Miss Carney is a sophomore in the University of Michigan School of Education, and a member of Collegiate Sorosis.

Her fiancé is a junior in the U of M School of Architecture and Design and affiliated with Delta Tau Delta.

A December wedding has been planned.

Margaret P. Thomas Plans July 15 Wedding

Mr. and Mrs. Earl Thomas of Starkweather avenue have announced the engagement of their daughter, Margaret Patricia, to Eugene Lee Powell, son of Mr. and Mrs. Verdy Powell of Hickman, Kentucky.

The wedding ceremony will be held July 15.

If anybody can make a move that will insure peace for the world, the people of the world will thank him.

Miss Terry E. Carney

The average food manufacturing company earns about 2 1/2 cents on every dollar of sales, and the average food retailer earns one cent on the dollar.

Award Dennis Luker \$2,000 Scholarship

Announcement was made this week that Dennis Luker, former student of Plymouth high school, has been awarded a \$2,000 scholarship from the University of Delaware, Newark, Delaware.

The former Plymouthite has been attending high school in Cranford, New Jersey, since the end of January. His parents, Mr. and Mrs. Finis Luker, reside at 119 Alden street, Cranford.

While at the New Jersey high school, Dennis was a member of both the indoor and outdoor track teams. A sprinter, he ran with the high school's outstanding 440 and 880-yard relay teams during the spring season.

During his Plymouth residence, Dennis was a member of the high school student council and vice president of the senior class. He played varsity football and baseball and was named second string all-state right halfback in Michigan last fall.

FIRST CHURCH OF CHRIST SCIENTIST
10:30 Sunday morning service.
10:30 Sunday school.
Classes for pupils up to 20 years of age.
How spiritual understanding of the law of God opens the door to individual growth and progress will be brought out at Christian Science services Sunday.
Scriptural selections in the Lesson-Sermon entitled "Christian Science" include the following from Psalms (19:7): "The law of the Lord is perfect, converting the soul: the testimony of the Lord is sure, making wise the simple."
The value of understanding this law will also be brought out in passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (128:4-6, 14): "The term Science, properly understood, refers only to the laws of God and to His government of the universe, inclusive of man... A knowledge of the Science of being develops the latent abilities and possibilities of man... It extends the atmosphere of thought, giving mortals access to broader and higher realms. It raises the thinker into his native air of insight and perspicacity."

Attend Jubilee World Convention
Six members of the Riverside Church of God have returned home after attending the Diamond Jubilee international convention of their denomination at Anderson, Indiana, last week.
Attending from the local church located at Plymouth and Newburg roads were Reverend and Mrs. E. B. Jones, Gerald Elston and Mrs. Evelyn Freyman, all of Plymouth, and Mr. and Mrs. Howard Harder of Livonia. There were 30,000 members from all over the world attending.
Anderson is the international headquarters for the Church of God and the convention was held on its permanent camp grounds. Tents, trailers and dormitories were filled with visitors.
The Church of God now maintains missions in 26 foreign countries with a total of 61,000 adherents. Its world service (mission) budget for the year ending June 30 was \$1,250,000 and for its church building fund, an additional \$2,000,000.
Many of the convention visitors attended commencement at the church-owned Anderson college and others toured the Gospel Trumpet Publishing company whose presses turn out tons of literature used by the church. There are a total of 122,000 Church of God members.

Gives \$50,000 For Research On Child Welfare
A gift of \$50,000 from the American Legion Auxiliary to the National Child Welfare foundation of the American Legion will enable the foundation to begin sponsorship of research into child welfare problems, it has been announced by Mrs. Melva Gardner, the Auxiliary's local child welfare chairman.
Funds for the foundation were contributed by Auxiliary units throughout the country as a special project for 1955. A contribution was made by the local unit as part of its work for the welfare of veterans' children.
"For the past 30 years," said Mrs. Gardner, the American Legion and Auxiliary have devoted wide-scale efforts to relief activities for needy children of veterans, and to correction of conditions endangering the welfare of all children. We now realize that we must seek the causes, as well as relieve the effects of childhood troubles.
"The methods of scientific research, which have brought such wonderful results in other fields can be applied to the field of child welfare with equal promise, we believe. The Legion's Child Welfare foundation will sponsor research projects designed to find the answers to child welfare questions. Armed with increased knowledge, we hope to be able to strike at causes rather than treat the effects."

Graham Film Star to Appear At Calvary Baptist
Patrick J. Clifford, pastor of Calvary Baptist church of 496 West Ann Arbor trail, has announced that Redd Harper, who portrayed the role of "Mr. Texas" in the Billy Graham motion picture of the same name, will make an appearance at the local church on Tuesday, June 28, at 7:30 p.m.
A guitarist, singer, composer and speaker in the field of religion, Harper is well known for his composition, "Each Step of the Way." He has made personal appearances throughout the United States in connection with the showings of "Mr. Texas" and the new Billy Graham picture, "Oil-Town U.S.A."
Born in the Southwest, Harper attended the University of Oklahoma. Before dedicating his life to religious work he was active in the entertainment field, and played with professional dance bands from coast to coast. He conducted "Redd Harper's Hollywood Roundup," Armed Forces Radio Service show, prior to his association with Billy Graham.
Since then Harper has written such compositions as "Lord Keep Your Hand on Me," "My Testimony Song," from the Billy Graham film "Oil Town USA," "I'm Singing for My Lord," "A Quiet Time," "I'm A Happy, Happy Christian," and "My Heart Would Sing of Jesus."

Cubs Hold Annual Picnic
A host of Cub Scouts and their families turned out for the Pack 4 annual picnic held Saturday in Riverside Park.
Baseball, other games, and awarding of prizes were featured at the event. A potluck lunch had been arranged by the den-mothers. Members of the Cub Scout committee supplied the coffee, drinks and ice cream for the affair.

REMODEL or BUILD BUILDING NEWS REMODEL or BUILD

Helpful Hints Concerning Building, Remodeling, Repairing & Redecorating

THE SECOND FRANK LLOYD WRIGHT-designed house to be built in the Plymouth area is the recently completed Lewis Goddard home at 12221 Beck road. Built into a hill over-looking a man-made pond, the home was named HiLo by Wright, who is an internationally known building designer and architect. Consisting of a combination living room and dining room, plus a kitchen, laundry, two and one-half baths and five bedrooms, the home took about eleven months to construct and was built entirely by local contractors. Next week The Mail will run an article, complete with photographs, describing this ultra-modern home with its many unique features and conveniences. The first Wright home built here was the Carl Wall home also located on Beck road.

Converted Basement Gives Added Room For Recreation, Children's Activities

One of the easiest, and least expensive ways of increasing the living area of a home is by converting an unused basement into a cheerful, efficient room. By doing this a home owner nearly doubles the living space of a one-story house, or adds approximately one-third more area to a two-story house simultaneously increasing the value of his property.

The way a family lives, and their varied interests, dictate how a basement is remodeled. It may be made into a teen-age recreation center, or a younger children's playroom, thus removing the clutter and noise of their activities from other sections of the home. Or it can be used to give additional space for games, hobbies, television viewing or study. It can be developed for use by older family members, as well as children, in a wide variety of special activities.

A combination utility-playroom is a good choice for a family with small children. It enables a mother to keep an eye on the youngsters, while she sews or carries on other home making pursuits, and meantime the modern laundry machinery does the hard work of clothes washing.

A home owner needs only average tools and average skills to put a basement to work as additional daily living area. The first step in remodeling is to make sure that walls and floor are waterproof.

Dampness, which is the familiar bane of many basements, eventually is banished by adequate ventilation. A window ventilating fan, inexpensive and simple to install, will insure a free flow of air.

For floor covering a modern material, such as asphalt tile, should be chosen. In addition to its colorful, durable beauty and easy maintenance, tile is designed for use over concrete below grade, as it resists dampness and cold most successfully.

Installation of asphalt tile is so simple that any adult can do the job in leisure time.

Unightly plumbing pipes and heating ducts can be concealed, and the basement interior finished by installing plywood or other modern materials on walls and ceiling. Choose a gay and bright decoration plan for your added living area, keyed to the crisp colors of your tile floor.

Paint or stain walls, ceiling and furniture in attractive colors to achieve an atmosphere as cheerful and attractive as any room in the house. Build closets, storage bins and shelves for hobby equipment and materials, and install television set, hi-fi equipment or radio in an easily-seen wall cabinet.

DESIGN H-242

A handsome reward in housing comfort is this 1½ story brick veneer home. One of the two bedrooms downstairs can be used as a den and the two bedrooms and bath up include walk-in closets. Nice and roomy is the L shaped living room with fireplace. There is a covered walk from kitchen to breezeway and garage. For further information about Design A-353, write the Building Editor, The Plymouth Mail.

Guard Against Weathering On Wood Home Exteriors

Weather—good or bad—is one of the most insidious of home enemies. It's constantly at work, wearing away surfaces, straining at foundations, loosening frames, lashing the roof, pulling and tugging at the chimney. The shock of alternately cold and hot weather is like a whole series of small bomb explosions going on, unheard and unseen, all over the house.

If left unchecked, these "bombs" could wreck the value of your home in a matter of years. True, some materials such as ceramic tile last virtually forever under all conditions, but this is unusual. To be prudent, therefore, make

periodic check-ups to remedy the effects of weather.

Best times are in the spring and fall, right after the extremes of winter and summer. Inspect the foundations for cracks; the cellar for leaks; the roof for loose shingles; the exterior sides for the excessive flaking or powdering away of paint; drain pipes for rust and clogging.

Have storms damaged electric wires? Have snow, rains, the direct rays of the sun, frost and ice weakened chimney mortar and brick? Many fires due to faulty chimneys never would have started if the effects of weathering had been corrected in time.

It's a good idea to have a skilled workman or friendly handyman help you in the inspection. He'll tell you it's smart to use weatherproof material for outside-the-house repair or remodeling. Tiled areas, for instance, such as your walk or terrace should be done in a weatherproof material like quarry tile which remains unchanged through extremes of temperature. Paint, too, should be a high-grade exterior type.

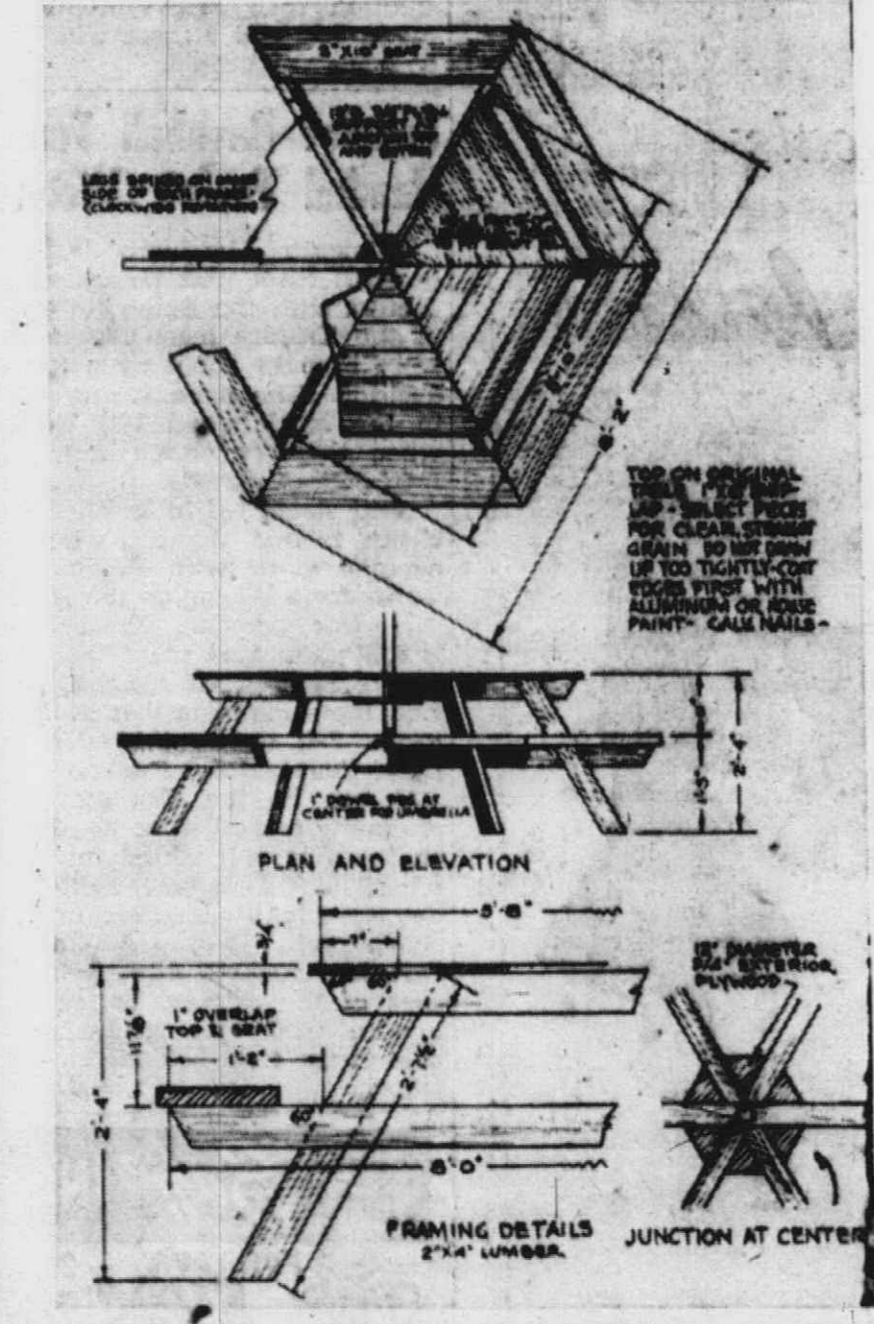

It's exceedingly wise to make regular check-ups. If you let the situation get out of hand, home repair can prove all-too expensive.

Take down storm windows and store them for the summer. Inspect all window and door screens carefully. Repair any small holes, and if you didn't paint screens before storing them last fall, do it now.

Examine outside steps and walks for loose boards or flagstones, which need repairing. Check trees near the house for limbs which are loose or should be pruned. Clean winter debris from all roof gutters and leaders, and repair or replace worn sections.

New Tennis Courts OK'd

Four new full-size tennis courts, to be located just north of the present ones back of the high school, were approved by the recreation commission and the board of education at a recreation commission meeting Wednesday evening, June 15, explained recreation director Herb Woolweaver recently. Work will get underway in the near future.

The present courts located on Adams street behind the school will be converted into badly needed parking space for faculty cars. The new courts for tennis players during the summer months will also be used during the winter as an ice skating rink for smaller children.

The new ones to be constructed will be fenced, and curbed and will measure 108 feet by 168 feet.

Put not your trust in money, but put your money in trust.—O. W. Holmes.

hickory AND horsehide

SINCE OL' DIZ mentioned a few ball players' pet superstitions on the air recently, there has been so much comment that I decided to explore the subject further. The results are extremely interesting.

Tiger Manager Bucky Harris pats a resin bag with two fingers when the team is in trouble. If we're winning games, he insists on the same player writing down the line-up that Bucky dictates for the umpire. But the moment we lose, he has a different player write it down.

Bucky is a good housekeeper and dislikes scraps of paper littering the dugout. He's always picking them up. Speaking of scraps of paper,

Bobo Newsome, the former Tiger pitcher, hated seeing them around the mound as he trotted to the outfield.

So it was bound to happen: Doc Cramer, then our centerfielder, tore up a score card and littered the mound as he trotted to the outfield.

Bobo, now a Baltimore radio announcer, made a big show of refusing to pitch until the ground crew had cleaned up the debris.

Another of Bobo's superstitions was touching the foul line with his right forefinger on the way to the pitching box.

Ray Boone never kneels in the batter's circle, always just outside of it. Bill Tuttle wears the same sweatshirt when the team is winning and the same shorts when he's hitting consistently.

Our trainer, Jack Homel, opens a pair of scissors and jabs the points in the direction of the opposing pitcher if he thinks the enemy hurler is doing too well against our batters.

Ferris Fain has a superstition that many others subscribe to. When he sees a white horse, he licks his thumb, presses the thumb against the palm of his other hand and then pounds the damped palm with his fist. This is supposed to bring him many hits.

Ol' Diz never stepped on a foul line, always picked up my glove with the left hand and never walked between the catcher and the umpire when going to bat.

The two most universal superstitions in baseball are never allowing bats to get crossed in the bat rack and never putting away the bats until the game is over—no matter how many runs you're ahead.

Harvey Kuenn is convinced that chewing tobacco helps his batting.

At the trainer's insistence, Harvey gave up the habit in the spring of 1954 and bet him \$100 he wouldn't renew it. Thereafter he couldn't buy a hit.

Finally, in desperation one day, Harvey took a chew and got three-for-four. He continued to chew and wound up the season with a .306 average.

Harvey lost a hundred bucks but more than made it up in his 1955 Hickory and Horsehide contract.

HEADING THIS YEAR'S summer recreation and play-ground activities is this group of persons from the Plymouth recreation department. From left are Joan Congdon, tennis; Herb Woolweaver, recreation director; Joan Petro, arts and crafts; John Sandmann, boy's baseball for 13 and under plus all night softball; and Louise Cigile, supervisor of all the play-grounds.

Northville VFW Notches Easy Win In 'B' Softball

Only easy decision booked last week in the Oldtimer's class "B" recreation softball league was a 9-3 win counted by Northville VFW over Beginger Olds. Three other contests were close-scoring affairs with the winners notching scant margins of victory.

Northville jumped off to a four-run 5-1 lead over the Oldsmen in the first inning and continued to build up a substantial bulge during the remaining frames. Northville counted nine hits including a home run and two doubles to pad its victory.

Winning pitcher was Atchinson who allowed only five hits over the space of his seven-inning mound stint. Epps, Beginger's twirler, was tagged with the loss.

A seemingly easy win was grabbed off by the Independents as they downed Barnes-Gibson-Raymond, 6-2. But the game was a much closer affair despite the four run difference in the final score.

Independents gained a six-run lead on five hits in the first two frames while holding BGR score-

less, but from then on the winners could muster only three more hits. BGR got its two runs in the third inning and wound up out-hitting the Independents, 10 base-knocks to eight.

Sandmann smacked out a home run in the second for the winners as Villerot gained credit for the decision and Sparks suffered the loss.

The two really tight scoring tilts were one-run wins both notched by Daisy, one over Plymouth Stamping, 6-5, and the other over BGR, 8-7.

Against BGR Daisy had to squelch a last inning uprising in order to save its victory. The losers scored two counters in the seventh to move within one run of the leaders, but at this point Daisy snagged the third out, ending the game.

Wells was the winning hurler and Sparks the loser as the defeated team once again out-hit the victor. BGR counted 11 hits to Daisy's eight.

It was an identical story when the Daisy men went against

Plymouth Stamping. Daisy had built up a 6-3 lead going into the final frame, when the Stamping squad came on to card two runs before the fire was put out. In this battle both teams gained 10 hits.

Winner was Papini for Daisy while Hensley suffered the loss for Plymouth Stamping.

Games slated for next week feature BGR vs. Northville VFW on Tuesday evening at 6:30 behind the high school. Then on Wednesday the Independents take on Wall Wire and Plymouth Stamping goes against Begingers.

Northville Downs Opens

Northville Downs will open 38 nights of harness racing this Friday at 8:30 p.m. (June 24, 1955) with an expected attendance of 10,000.

It will be the twelfth year for Michigan's pioneer pari-mutuels harness track. The meet will continue through August 6.

7 Playgrounds Ready For Summer Program

Seven summer playgrounds for children and teen-agers in this area are all set to throw open their gates next week, reports Herb Woolweaver, recreation director. Activities included in the seven programs are arts, crafts, story hours, dramatics and group games and singing, plus many others.

Registration, a preferred time for enrollment in the various playgrounds according to Woolweaver, has been set for the program's opening date, June 27, between 9 and 4. But Woolweaver made it clear that additional enrollment will be accepted any time during the summer.

Woolweaver accentuated that the place of enrollment will be at the nearest active playground.

Seventeen people have been employed by the recreation department to supervise and lead in the activities at the seven different playgrounds and also in the

other summer recreation programs, which include tennis classes, dance instruction, trips to Kensington Park, camp-outs, and swimming.

At the seven playgrounds supervising will be Paul Cummings, Lois LaFollet, Ken Cook, Sally Black, Mrs. Mary Cook, John Small, Richard Huebler, Lois Hoenecke, Mary Carless, Jean Rowe, Carol Krump and Jack Carter.

In addition Joan Congdon will handle tennis instruction, Joan Petro will head the art and crafts teaching and Mrs. Harold Shirey will be in charge of the swimming program.

The locations of the seven playgrounds, the times of daily activities and the dates are:

- 1. Bird School, Sheldon and Ann Arbor trail—9:00-4:00—June 27-Aug. 19.
- 2. Smith, Simpson and South Harvey—9:00-4:00—June 27-Aug. 19.
- 3. Central, back of High School—9:00-4:00—June 27-Aug. 19.
- 4. Starkweather, Holbrook and Spring—9:00-4:00—June 27-Aug. 19.
- 5. Allen, Haggerty road—9:00-4:00—June 27-Aug. 19.
- 6. Green Meadows, Oakview and Joy road—9:00-4:00—June 27-Aug. 19.
- 7. Hough, Warren road—9:00-12:00—July 11-Aug. 5.

Other activities:

Tennis Classes—everyday 9-12 a.m.—High School Gym—equipment furnished.

Dance Instruction—Mrs. Betty Carson will teach ballroom and square dancing every weekday in the high school auditorium from 12:30 until 2 for fourth, fifth and sixth grade boys and girls. Seventh and eighth graders may participate in the dance instruction on Wednesday evenings from 6:30 to 7:30 and high school students may take the dance lessons from 7:30 until 8:30 on Wednesday evenings, also. Mrs. Carson will aid in supervising the teenage dances which follow on Wednesday nights from 8:30 to 11 p.m. Mrs. Louise Cigile will be on hand, also, to supervise the teen-age dances.

Teen-Age Dances—every Wednesday night—8:30-11:00 p.m.—High School Auditorium.

Boys' Basketball—all ages—everyday 1:00-3:00 p.m.—High School Gym.

Kensington Trips—once each week.

4th of July—parade, games, contests, etc.

Bob-Lo—boat trip—August, City Amateur Show, Junior Olympics.

Other daily activities: Arts, crafts, story hours, dramatics, team games, quiet games, group singing, cook-outs, hikes, etc.

For complete information on these additional activities call the recreation department, phone 895.

Activities Slated For Teen-Agers

Plymouth's recreation department has a full program of playground and other activities scheduled for this area's teen-agers during the summer months. Included on the slate are tennis instruction, dance instruction, teenage dances, baseball and basketball and swimming.

Tennis instruction, by Joan Congdon, will get underway the week of June 27 from 9-12 a.m. in the high school gymnasium. It will be carried each week and is open to all teen-agers. In addition a representative from the National Professional Lawn Tennis association will be assigned to the Plymouth area for the summer to aid in instruction.

Dancing instruction will be held every Wednesday evening from 6:30 until 8:30 at the high school auditorium for teen-agers. Ballroom dancing and folk dancing will be taught. Following the dance instruction at 8:30 p.m. there will be a teen-age dance lasting until 11.

Baseball for teen-age boys, including those up to the age of 18 will be handled by high school athletic director John Sandmann. Held behind the high school every weekday from 3-5 p.m., the plan is to form an additional league or two in order to give all the boys a chance to play.

Basketball with Bob Danol in charge is slated for every weekday at the high school gymnasium from 1 to 3 p.m.

Swimming for teen-agers is scheduled at the swimming pool every weekday between 4 and 5 p.m. under close supervision. In addition each Friday night between 7:30 and 9 there will be a teen-age swim night.

Sandlot Baseball Team Handed Forfeit Victory

Plymouth Merchants' sandlot baseball team won its scheduled contest with the Belleville entry in the Tri-city league by a 9-0 score brought about by a forfeit decision. The game was awarded to the local squad last Friday when their opponents failed to field enough players.

Next slated battle for the Merchants in this league is a Friday evening affair with Ralph Ellsworth from Wayne on the Riverside park diamond. Game time is 6:00 p.m. Last night the Merchants squared off against Dietrich, the same team that beat the locals, 9-3, earlier this week in Inner-County league action.

Games in the Tri-city loop, originally scheduled to be played on the diamond behind the high school have since been shifted to be played on the diamond in Riverside park. Reason for this is that the sun shone directly in the eyes of the catcher, batter and umpire when the games were held at the field behind the high school.

Lorenz, Ty Caplin In Michigan Open

Plymouth will have two representatives in the Michigan open golf tournament at Washtenaw country club when play begins Friday. In via the qualifying route is Ty Caplin, Kent State university freshman who fired a 79 last Monday in the open trials at the Ypsilanti course. Joining Caplin will be Ralph G. Lorenz, city champion, as a low handicap member of Washtenaw country club. Lorenz gained an automatic berth in the tourney.

Michigan Open play begins with 18 holes Friday and Saturday. The low 60 players then compete in the final 36 holes on Sunday. Among the outstanding professionals competing in the tourney will be Defending Champion Horton Smith, Chick Harbert, Walter Burkemo, Pete Cooper, John Barnum, Mike Dietz and Al Watrous.

Get on the **BANDWAGON!**

We're "Sell-a-brating" with Leadership Deals on brand new '55 **Fords!**

Summer Bandwagon Sell-a-bration

Now going on!

All year long we've been selling new Fords at a Leadership pace. Now we're "Sell-a-brating" in advance what looks like the most successful sales year in Ford history. We're offering Leadership Deals on all '55 Fords—so you share the benefits.

Why not hop on the Ford Bandwagon—get in on a deal that spells savings to you—now while your present car is worth its top dollar—now while you can enjoy a full summer of fun in America's trend-setting, "GO"-leading, "worth-more" car—the brilliant '55 Ford. Come in at your earliest—come get our "best"!

V-8 POWER from the V-8 leader... that's what you get in a Ford. And Ford's Trigger-Torque "go" means more than just trigger-quick action on take-offs. It gives you a whole new feeling of confidence and security in traffic or on the open road.

YEARS-AHEAD LOOKS... you see it in every Thunderbird-inspired line. For, this '55 Ford is truly the styling "trend-setter." Perhaps you've noticed, too, you see more and more Fords in front of homes where formerly only costlier cars were parked.

SMOOTHER GOING... and you'll go more places! The reason? Ford's revolutionary Ball-Joint Front Suspension is better than ever. For '55, springs are tilted back to absorb bumps from the front as well as up and down. You'll find even the smooth roads seem smoother!

Sells more because it's worth more **FORD**

Merchants' Eight Errors Pave Way For Dietrich's 9-3 Overtime Win

The Plymouth Merchants, after copping four straight wins in the Inner-County sandlot league and surging into second place, were set back on their baseball heels last Sunday as Dietrich Buick from Wayne pinned a 9-6 loss on the locals.

Eight errors by the Merchants padded the road to victory for the visiting Dietrich nine. The loss to the Plymouth club, its third against four wins, dropped the Merchants into a tie with Northville for third place.

The contest, tied at 6-6, at the close of regulation play, was blasted wide open by the Wayne entry in the top of the tenth, when the visitors plated a trio of runs via a triple, three singles and a pair of stolen bases.

With each team scoring virtually at will the official scorer had his hands full keeping up with the lead. Merchants at various stages enjoyed 3-0, 3-1 and 6-5 leads, while Dietrich put together 4-3 and 5-4 advantages at one time or another plus the final 9-6 bulge.

In addition to the lead changing hands as it did, the score was tied at 4-4 in the fifth prior to the 6-6 standoff at the close of the ninth that forced the battle into extra innings.

In the fatal tenth frame, Merchants' Eddie Hock shackled two of the first three Dietrich batsmen to face him. The first man up flied out and the third struck out, but sandwiched between was a slashing triple to right-center off the bat of Michael.

Michael rode home immediately following his three-bagger on the strength of a single by Waltz, who promptly stole second. Then Macomber pushed Waltz across from second with a sharply hit single. Macomber also stole second base.

Finally Hubble capped off the game-deciding spurge of scoring for the Wayne club by driving home Macomber with the fourth hit off Hock in that inning. Bill Runge came in and forced the next batter to ground out.

The Merchants made a futile try to catch the Dietrich club in the bottom half of the tenth. With one out Schwartz gained first when he was hit by a pitched ball. Schoner singled to place Merchants on first and third with only one away. But Dietrich's Applehard relieved Kisabeth and fanned Dewulf and forced Gatterer to ground out squelching the Merchants' rally.

Earlier the Merchants had jumped off to a handsome three-run lead in the bottom of the first frame. A walk to Dewulf, an error on Gatterer's knock and another miscue on Williams' grounder loaded the sacks. Al Moer proceeded to score two runs with his first hit of the day.

On this play Williams was tagged out at third when he tried to advance from first on Moer's hit. Moer moved to second on Kubitsky's infield out and Kessler drove his teammate across with a single.

Dietrich got one run back in the third on a walk to Michael, who stole second and scored on a single by Macomber. Then in the fourth Dietrich surged into a 4-3 lead for the first time when it tallied three runs.

An error placed Badlow at first. He was erased via a fielder's choice placing Dzurus at first and Dzurus in turn was done away with on another fielder's choice putting R. Huebler on first. Huebler then stole second.

Kisabeth singled in Huebler and moved to third on a misplay of Michael's grounder. Michael advanced to second and both men scored on L. Huebler's single.

Merchants, determined, tied it up in the fifth on Shoner's single, Dewulf's single and a sacrifice fly plating Schoner.

In the seventh frame Dietrich went out in front by one run and

then the Merchants gained the lead by one run. Dietrich tallied via an error on Waltz' grounder, his steal of second and his riding home on Macomber's single.

Merchants got two runs in their half on a single from Schwartz and an error to Schoner. Another out advanced both men and they were joined on the base-paths by Gatterer, who walked.

Kisabeth then proceeded to lose all sight of home plate and walked two successive Merchants, gifting the locals with a one-run 6-5 lead.

Dietrich set the stage for the winning rally in the tenth by deadlocking the count in their half of the eighth. R. Huebler walked, Michael singled and an error on L. Huebler's smash allowed the run to come across.

Hock was charged with the loss as he pitched nine and two-thirds innings and was tagged for 13 hits and all of Dietrich's nine runs. Runge came on in the fading moments of the battle to card the last out. Hock walked four and struck out seven.

Dietrich's Ken Kisabeth hurled

nine and one-third innings, gave up the Merchants' six runs and nine hits and received credit for the win. He walked seven and struck out four. Applehard took over the mound duties with one away in the ninth and quickly put out the last minute rally staged by the Merchants.

Next Sunday the Merchants will square off against the Northville entry in the loop at the Northville diamond. Game time is 3:00 p.m. An interesting game should result since these same two teams are presently tied for possession of third place.

Scores Hole-in-One At Hilltop Layout

William Gaskins, 18448 FitzPatrick court, Detroit, carded the second hole-in-one to be scored at Hilltop golf course this season, when he aceed the 130-yard sixth hole. A traffic manager for Ford Motor company, Gaskins used a seven-iron.

No-hit, 3 One-hit Wins Booked In "A" Softball League Action

Shining pitching performances were the center of attraction in the Open class "A" recreation softball league last week as one twirler turned in a sparkling no-hit win and three other hurlers notched one-hit decisions.

Kicking off the string of baseball shortages was Thibideau from Begingers, who shackled Cavalcade with a 4-0 no-hitter. Cavalcade could manage only five base-runners. Four men walked and one gained first on an error.

Meanwhile Thibideau's teammates were stringing together three hits in the third inning to net a trio of runs and more than enough to win. Begingers got one more counter in the fifth on a home-run clout by Stout. Losing pitcher was Lowe for Cavalcade.

That same evening, Monday, June 13, Evans stopped the Box-Eagles, 4-1, with the Evans' pitcher, Stevens, allowing only one single. Evans pounded out a collection of eight knocks and scored one run in the first and third innings and a pair of runs in the fifth.

Winner was Stevens and the loser was Kearney. Evans' run was scored in the second frame when Wagenschultz walked, was sacrificed to second base and rode home on the loser's only hit, a single by Cole.

Victim of a no-hitter two nights earlier, the Cavalcade team got into the act as Wellman limited the Evans squad to one hit on Thursday evening. Final score was 2-0.

This game went into extra innings as both teams were scoreless at the end of regulation play. In the top of the eighth Cavalcade plated their winning runs

with the aid of three errors and a fielder's choice.

Wellman, winning twirler for Cavalcade, faced only 27 opposing batters in his eight-inning stint on the mound. Loser was Stevens who allowed only three hits but was the victim of his team-mates sloppy fielding in the final frame.

Capping off the drought of base-hits, Begingers downed the Box-Eagles, 3-2, as Olds' pitcher Thibideau gave up only one hit, a triple by Rutenbar in the fourth. Begingers garnered four hits, scoring one in the first and again in the sixth and seventh to earn the nod.

Box-Eagles jumped off to a 2-1 lead at the end of four frames but saw the score tied in the sixth and then stood by and watched Begingers plate the winning run in the seventh on two errors and a pair of fielder's choices.

Winner was Thibideau and the loser was Kearney, who suffered his second loss of the week in a battle that found his team-mates carding only one hit.

Action in this league next week on Monday evening features the Box-Eagles meeting Begingers and Cavalcade battling Evans. Thursday night Cavalcade takes on the Box-Eagles and Evans squares off against Begingers. All games will be played on the revamped softball diamond behind the high school. First game starts at 6:45.

Within a 500-mile circle drawn around Pittsburgh, Pennsylvania, lies more population and probably more natural and manufactured wealth than in any such radius of any other metropolis in North America.

PLYMOUTH'S KNIGHTS OF COLUMBUS boy's club last weekend went on a camp-out hike to the Zielasko farm on Hix road near Ford road. Led by advisor Leonard Budnick, about fifty boys left Friday evening and slept over night on the farm southeast of town. The boys cooked their own meals and played baseball and other games during the day. The group returned home Sunday morning. Pictured here getting last minute instructions from Budnick (at right) are (from left) boy's club members Keith Bever, Mike Budnick, Dale Gulbrandsen and Dennis Papo.

Ed Dobbs Retires

At last week's recreation commission meeting, the last of the current year, Ed Dobbs, after nine years of work on the commission, announced his retirement. He will be replaced, according to Recreation Director Herb Woolweaver, by another local person in time to fill the vacancy in the commission for its first 1955-56 meeting next September.

Legal Notice

NOTICE OF HEARING CLAIMS STATE OF MICHIGAN, The Probate Court for the County of Wayne. No. 431,111. In the Matter of the Estate of FRANCIS S. OSGOOD, Deceased.

Notice is hereby given that all creditors of said deceased are required to present their claims, in writing and under oath, to said Court at the Probate Office in the City of Detroit, in said County, and to serve a copy thereof upon Wallace J. Osgood, executor of said estate, at 1450 Pennington, Plymouth, Michigan, on or before the 31st day of August, A.D. 1955, and that such claims will be heard by said court, before Judge James H. Sexton in Court Room No. 527, Wayne County Building in the City of Detroit, in said County, on the 31st day of August, A.D. 1955, at two-thirty o'clock in the afternoon. Dated June 20, 1955.

JAMES H. SEXTON, Judge of Probate. I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record. Dated June 20, 1955.

ALLEN R. EDISON, Deputy Probate Register. Published in Plymouth Mail once each week for three weeks successively, within thirty days from the date hereof. 6-23-30/7-7

WITH 275 MICHIGAN FIELD ARCHERS as the participants, the Western Wayne County Conservation Association club and grounds were the scene of the 1955 State Field Archery Meet last week. The archers, men, women and children, were separated into two classes of competition, instinctive and free style archers, and then further broken down into additional classes according to their skill with the bow and arrow. The archers converged upon 54 targets laid out over the club's 40 acres on Joy road and battled for high scores in their various classes. High round of the meet was carded by Harold Doan, state free style archer champ, who recorded a 928 out of a possible 1120. Winners were awarded trophies, medals and ribbons. At top is a group of archers at the practice range just before the meet got underway while at right are two archers in competition just letting fly at the target in the background. These two archers Ann Marston of Wyandotte and Dick Pospeshil of Detroit, are in the free style class as they both use sights attached to their bows, while the instinctive archer has no sight and relies on his own judgment for accuracy. The meet was sponsored by the Western Wayne County Conservation Association of which Plymouth Dentist Brick Champe, 985 Harding, is president.

Senior Awarded Week At Conservation Camp

A week's stay at the State Conservation camp in Ludington, Michigan, has been awarded Jerry Jarvis of 14656 Northville road by the Conservation Association of Western Wayne county, announced Dr. B. E. Champe, local committee chairman. Jarvis, a senior at Plymouth high school, was named one of four representatives from Wayne county chosen by the association to attend the event. Basis for the selection was the individual's interest in conservation activities. Jarvis will be the only camper from Plymouth. Transportation for the trip to Ludington and maintenance at the camp from June 26 to July 2 will be paid by the Conservation association.

Churchwomen Announce Plans For Coming Year

Setting up of the calendar for the coming year and establishment of the date for their major activity in the community this fall was achieved at the first board meeting of the Plymouth Council of United Church Women, held recently at the home of Mrs. Joseph R. Wittwer. Board members, headed by council president, Miss Helen Beavers, set November 4 as World Community Day in Plymouth, with Mrs. Thomas Bateman as its chairman. Purpose of the observance is to gather "parcels for peace," bundles of clothing for needy persons throughout the world.

Various church organizations are launching clothing drives for the event with emphasis on the need for men's and children's clothing as well as denim material. Other dates lined up on the calendar were the next board meeting on September 29 at the Thomas Bateman home, and the annual meeting on November 30. On the latter date plans will be made for World Day of Prayer, held the first Friday in Lent. Mrs. Sidney Strong is chairman for this year's observance which will take place at the Episcopal church. Board members appointed Mrs.

Dean Saxton as chairman to acquaint individual church groups with the organization's two magazines, "The Church Women" and "The Michigan Messenger." Nominal dues were established for council membership to encourage maximum participation in the organization by the various churches within the community. A scriptural reading was given by Mrs. Russell M. Daane and prayer by Mrs. John Wulasky. A record ration of one doctor for every 730 person in the U.S. was reached during 1954, thanks to the graduation of the largest class of physicians in history.

Class of '51 Sets Date For First Reunion

The first reunion of the Plymouth high school class of 1951 will take place Saturday, June 25, at 6 p.m. in the Plymouth high school auditorium. Planned for the evening is a banquet-buffet dinner, dancing, entertainment and refreshments. Some of the class advisors will also be on hand for the gathering. Members are invited to bring their husband, wife, girl or boyfriend to the event. Reservations should be made with Betty Swan, 424-M, or Joyce Kubick, 404-W2, by June 23 since the amount of food preparation is taken into consideration.

White Shrine News

Pilgrim Shrine No. 55, Order of White Shrine of Jerusalem, will be honored by the presence of Supreme Worthy High Priestess Agnes Severson at their third Birthday Dinner and Ceremonial at the Plymouth Masonic temple on Wednesday, June 29. Dinner at 6:30. Reservations should be made by June 25 with Mrs. Evelyn Brockelhurst, phone 617.

ABOUT YOUR LAWN AND GARDEN

Seeds Planted Now Require Special Method

Without "succession sowings" of lettuce, carrots, beans and other short harvest vegetables, home gardeners will have none to harvest during the last half of the season.

When the time comes to make such sowings the weather is usually hot and dry. The methods used in the spring, when nights are cool, and moisture plentiful, may not serve. Too many amateurs give up on this problem too soon. It is easy to solve, by using special techniques.

The chief requirements for success are moisture, and a porous soil covering for the seed. At 90 degrees, surface soil is sure to be dried out to a depth of two inches or so. When seed is sown, without providing for moisture artificially, it simply lies dormant in the powder dry soil, until a rain comes, and then the seedling may be baked to death before it rains again.

If there is slayer in the garden soil, the summer sun will bake it to a hard crust between showers, and the seed sprouts may not be able to penetrate it, so they are buried alive in infancy. All this can easily be verified by any gardener who sows seeds in hot weather without taking due precaution, and observes carefully what happens to his seed.

There is no mystery about it, and the way to success is a common sense one. To begin with you soak the soil in which seed are to be sown several inches deep. The soil is stirred deeper than in the spring, and if the seed is to be sown in rows the drill is made deeper, two inches at least. The seed is covered with the moist soil, and covered with a special soil mixture in which there is no clay. Peat moss mixed with sharp sand is excellent for this purpose. Peat moss can be used alone, or fine top soil can be mixed with equal parts of sand and peat moss.

This special soil mixture will not bake, and will hold moisture much longer than the soil. The garden hose must be used daily, to sprinkle the surface, wetting the soil three inches deep. If watering is not easy, the moisture will be held longer by covering the seed row or bed with a mulch of dry lawn clippings, or any other practical mulching material, including newspapers, boards, straw, dried leaves, etc. But if the row is shaded from the sun, the mulch must be removed as soon as the seeds sprout, as they will need the light.

Frequent sprinkling must be continued until the seedlings have grown roots three or four inches long, so they penetrate to the sub-soil moisture and can take care of themselves from then on.

Court Case Dismissed

Lack of evidence has resulted in the dismissal of charges filed against Ollen Jimerson, 635 South Mill street, Chief of Police Carl Greenlee reported this week. He had been charged with conversion.

Jimerson was jailed two weeks ago after placing a \$50 deposit on a car at the Arnold Auto Sales. Later in the day he asked to drive it for a while, but failed to return for a week.

In Hot Weather Make Seed Drill Deeper, Soak Soil Below It, and Cover Seeds With Special Porous Soil Mixture.

New Books
at
Dunning Library

A host of new books made their appearance this week at the Dunning library, offering a wide range of subject matter to interest just about every reader.

Running down the list there are: "Zarba, The Greek," contemporary novel by Nikos Kazantzakis; May Sarton's "Faithful Are the Wounds," "All About the Perennial Garden" by Montague Free, Ben Gross' recollections of radio and TV, "I Looked and I Listened."

"Act of God," novel by Margaret Kennedy, Paul Fogarty's "Your Figure, Ladies," "Rough Winds of May" by Nancy Hallinan, Will R. Bird's "The Two Jacks," "Six Gun Heritage" by Brad Ward, Thomas Merton's "No Man Is An Island," and "The Fifth Amendment Today" by Erwin N. Griswold.

Other new arrivals are J. M. Scott's "The Other Half of the Orange," "Murder Makes An Entrance" by Clarence B. Kelland, "The Hunting and Exploring Adventures of Theodore Roosevelt," edited by Donald Day, and Paul H. Landis' "Understanding Teenagers."

The new shipment also included: "Guide to Earning a Living," Cunningham and Read's survey of 119 careers; John Y. Beatty's "Plant Breeding for Everyone," "Chats on Old Copper and Brass" by F. W. Burgess, Lelord Kordel's "Eat Your Troubles Away," and "Introduction to Geology" by Branson, Tarr and Keller.

The following do-it-yourself books were added: "Built-in Furniture for Your Home," "Fences, Gates, Trellises and Walks," "Small Boats You Can Build," "How to Take Care of Your Lawn," "Build Your Own Barbecue," "Modernize Your Kitchen," and "Three Low-Cost Homes You Can Build Yourself."

Concluding the shipment were: "Orchids for the Nurse" by Adelaide Humphries, "Webster's Geographical Dictionary," "Sportsman's Workshop" by Larry Koller and Robert Schaff, Theodora McCormick's "The Emerald Crown," "The Mad Monarch," Werner Richter's story of the life and times of Ludwig III of Bavaria.

Too Much Water May Kill Trees

Water is good for your trees, but if you give them too much you can drown them.

Danger of overwatering is most frequent in poorly drained soil. Too much water forces air out of the soil, and as a result the roots actually suffocate.

People are most apt to give small trees too much water. It is difficult to overwater large established trees, however, because of their huge requirements and this is especially true during hot dry weather.

Amount and frequency of water to be given newly-planted trees depend on soil, grade and kind of tree. To determine whether the balled area is receiving sufficient moisture, dig down eight or 10 inches and check the soil for moisture. Or, if you are the scientific type, use a soil moisture meter.

Newly transplanted trees must get their water requirements from a relatively small amount of

soil. And it must serve as their water lifeline for at least a month after leafing, depending on the species of tree.

Warm temperatures also help root growth. If a newly planted spring tree still has its mulch covering, the covering should be pulled back to let the soil warm up until mid-summer. Then replace the covering to conserve moisture.

Huge rocks carved by wind and sea tower into unusual rock formations in the Upper Peninsula. Popularly called "picture rocks" they have become a major tourist attraction.

Thousands of Indian Photographs may be seen near Bad Axe. Here primitive rock carvings of men, animals and other decorations cover the boulders over a four acre area.

Advise Narrow Top, Wide Base for Hedges

The best shape for formal hedges is a wide base and narrow top, but landscape specialists claim that most folks prune their hedges just the opposite. Or they trim the sides straight down—which is also wrong.

Reason for the narrow top is to let sunlight reach bottom leaves of the hedge and have thick foliage from the ground up. If the sun doesn't strike them, lower leaves die out leaving bare spots.

If your hedge already has the wrong shape, you can correct it by letting the lower branches grow and trim it right next year.

Bridge of Sighs

"Think of the golden moments you have wasted playing, friend." "Yes," replied Miss Cayenne, regretfully, "besides a lot of silver coin and paper currency."

Michigan produces more than 5 million tons of salt each year, which is double the output of any other state and 25 percent of the national total.

Blight on the Family Tree
"Have any of your family connections ever been traced?" "Yes, they traced an uncle of mine as far as Colorado once."

Dems Put Pressure On Commissioner Ziegler

DEMOCRATS ARE GANGING UP on Highway Commissioner Charles M. Ziegler again. Gov. Williams and his Democratic state administrative board are bearing down on the Republican who will administer Michigan's new \$35,000,000 a year road-building fund in tax boosts.

SO, DAYS AFTER THE MOTORISTS started paying 1 1/2 cents a gallon more for gasoline, Williams and his official staff asked Ziegler why he hadn't built any new roads yet. Ziegler said a quirk in the Federal-state financing plan and collection of the tax increase speci-

fied quarterly instead of monthly payments, causing a two-month delay.

WILLIAMS SAID HE WAS "DISAPPOINTED" at the lack of progress. He was joined in the sniping attack by other Democrats. "I'm not God, or any of his relatives," snapped Ziegler.

THE GOVERNOR STATED he will brook no unnecessary delays in getting the roads built under a program which was one of the biggest political and legislative issues in years.

To get a head start, Ziegler has moved up a number of priority projects from 1956 to 1955.

He said other problems would be in the scarcity of enough concrete for a massive roadbuilding program. Steel and manpower also are in short supply.

"WE'RE IN BETTER SHAPE than any other state," Ziegler said. "We will be able to start some of the major projects within two months."

Williams stated he had been "informally notified" that there is plenty of cement for the work. The first big battle between the harassed Ziegler and the Democrats ended with Williams insisting the highway department work faster and Ziegler saying it was doing the best it could.

Forces on both sides were withdrawn, but Williams has called another meeting for June 24.

HUCKSTERS HAVE BEEN CHASED OUT of the capitol and state office buildings.

Controller James W. Miller signed an order forbidding sales of candy, magazines, knit goods, newspapers or magazines in state offices.

He said the order was "just a matter of good business" to prevent confusion in the offices and state employees from being solicited on the job.

FOR THE FIRST FEW DAYS, the order stopped deliveries of newspapers, a tradition in the late afternoon. Pressed for an explanation, Miller said: "The order says sales, not deliveries."

THREE REPUBLICAN groups,

which have become separated along the line, all maneuvered for a spot in the shadow of Detroit's Mayor Cobo.

They wanted to sound him out on the possibility of becoming the party's 1956 candidate to run against Williams or his next-in-line for succession to the executive office.

The entire action was seen by party faithful as the beginning of another split.

FIRST GROUP to consider Cobo was in the legislature. His name has been mentioned both hopefully and seriously for the past four years.

Republicans led by Senators Haskell L. Nichols (R-Jackson) and Lynn O. Francis (R-Midland) flew the Cobo flag early.

After a caucus, it was decided to go ahead with a luncheon in Detroit, at which time Cobo would be asked to declare himself—or at least to start thinking about his chances.

A week before the luncheon, State Republican Chairman John Feikens called on Cobo, almost unannounced.

THE MEETING WAS CONSIDERED the first party overture.

Legislators felt a trifle slighted. The third group, always behind the scenes, is a number of Detroit business and industrial executives who have backed Cobo for non-partisan offices in the past.

THE EXECUTIVES FIGURED they were overlooked in the rush to get the popular mayor for the candidacy. Cobo is extremely quiet about all the hubbub.

In the past, he has waited for certain signs before moving. He has always come out on top in his election campaigns and insiders feel he will wait to see how his strength might carry over into a partisan battle.

But, the performance furnished strong evidence that Republicans are interested in winning back the governor's chair in 1956, whether the candidate is an old-line party faithful or not.

DEMOCRATS also are aware of the Cobo ascension in the thoughts of Republicans. Gov. Williams has a ready charged Cobo with missing the boat with a highway financing program.

Chips from the ROCK

Last week I made a 600 mile business trip in Michigan. Wednesday I had a meeting at the Ionia Reformatory, Thursday another in Muskegon, then went on to Petoskey Friday where I picked up some additional parts for our newspaper press which we purchased from the Petoskey Evening News. Saturday morning I returned to Plymouth.

I hadn't traveled most of these highways for about four or five years. As a matter of fact the last time I was in Petoskey it was to take pictures of some of our local residents who were sunbathing there. I couldn't help thinking about the condition of Michigan highways. For the most part they were superior to almost any one would travel in any other state in the union, and no matter from which point you started you could arrive at almost any town along the way on an improved pavement.

I further couldn't help but enjoy the beautiful scenery found in all sections of our state. The fertile farms, the neat, clean small towns you passed through, then finally the beautiful rolling hills in the Traverse Bay area of our state. You just naturally slowed your speed as you passed the hundreds of lakes where you could watch the bathers and fishermen enjoying Michigan vacation facilities. Interesting to me also were the many "Public Fishing Site" signs along the highways on the little lakes we passed, interesting especially because my father had introduced and had had passed the legislation which made these spots available to those who love to fish, as did he.

But another sight caused me great concern. Springing up across our state are great piles of junked automobiles, some burned, some smashed, and some just worn out. I was amazed at the increasing number of these automobile grave yards, and all right along the sides of our beautiful highways.

I am sure all of us are proud of the fact that this state is famous for its automotive industry. From it many dollars flow into the homes of all our residents, and from it we are probably the most mobilized section in the entire world. But, should we lose sight of the fact that visiting tourists might soon gain the impression that we are the burying place of the automobile, too.

It seems to me that the highway department might take steps now to have legislation introduced which would relocate these disagreeable highway eyesores. They should be located at least a mile from any state trunkline on some side road out of the view of our visiting tourists.

I am not questioning the necessity of having these junk yards, because they certainly provide parts for cars which many times cannot be found otherwise. But, if they are to increase in number in the next few years as they have in the past four or five, there will be little left for the tourist to view along the highway but these strung-out depressing heaps of rusted and twisted junk.

They provide the tourist or traveler no service or accommodation. There is no reason why they should be allowed to become a mushrooming roadside monocroticity to clutter up our otherwise beautiful landscapes and there is no doubt but that is what they are today.

If we are to encourage the tourist trade in our great state we must do things to make travel here more inviting. Our highways must be maintained. Our scenic beauty must be maintained and preserved and unsightly junk yards must be relegated to locations other than along the highways we expect our guests to travel.

Thinking Out Loud

One question, sometimes controversial, sometimes personal is asked each week by The Mail of four pedestrians along Plymouth's downtown streets. This week's queries are "thinking out loud" on the question:

"Most barbershops in Detroit and now in Plymouth have raised the price of a haircut to \$1.75. Do you think a barber is justified in charging this amount?"

DONALD EVELETH, 10366 Bassett, Livonia: "The prices of everything have gone up to a certain extent, so they would be justified for this reason. I would think that a \$2 rate being charged someplaces would be excessive. Barbers know what running a shop costs them better than anyone. We can't expect the factory wages to go up along with the prices of cars and other things without haircuts going up too."

GEORGE ORR, 374 Roe: "The price is pretty high but barbers have to make a living too. I don't like to pay that much and I don't think anyone else does either. I get a haircut every two weeks (\$2 for a crewcut) and that amounts up to a lot of money in a year's time."

Eveleth Orr Cather Bowering

GERALD CATHER, 6307 Canton Center: "Barbers have to make a living like anyone else. Their business isn't constant,—some days they're busy and some days they're not. I remember when I could get a haircut for 35 cents when I was a boy."

LEE BOWRING, 15815 Bradner: "For me that's too much; for the barber, it's not. He has to make a living. Pay raises are the thing in industry now."

Washington Quiz:

- Q—Can you tell me how much timber land the Federal Government owns? A—In the national forests and other holdings the Government owns about 90 million acres of timber land. Q—What is meant by direct Veterans Administration Loans? How many have been made? A—VA direct loans were authorized by the Housing Act of 1950 which authorized VA to make home mortgage loans directly to veterans in remote or rural areas where private capital is not available. Latest figures show VA made over 55,000 such loans for a total of over \$370,000,000. They differ from other GI loans made by private banks and insured by the Veterans Administration. Q—Can you give me some idea on the cost of public schools? A—For the 1953-54 school year total estimated revenues collected for the public schools in continental United States amounted to \$7,712,738,267. This is broken down as follows: Federal Government, \$196,980,484; States, \$3,196,084,392; Counties, \$447,415,304; Local units, such as cities, towns, township or school districts, \$3,872,308,087. Percentage-wise this is 50.2% for local units; 41.4% for states; 5.8% for counties and 2.6% for Federal Government.

Roger Babson

H-Bomb Dims War Threat

Babson Park, Mass., June 23.—So many readers are worrying about Formosa and China that at this time, when the "World's Biggest World" is being dedicated here, I take the liberty of discussing Asiatic problems. First, let me say that I have never met Chiang Kai-shek, but I have known Madame Chiang, who attended Wellesley College, which is only two miles from the Babson Great Globe and Institute. She is a remarkable woman of the highest character and keenest insight; she has great influence with him. He was a poor boy when he married her; but a determined type like the late Henry Ford and a very great man.

HISTORY OF FORMOSA

When forecasting the future of any country, it is well to recognize the history as well as the present status. Formosa is a large island, about the size of Massachusetts and Connecticut, lying 100 miles east of China. A mountain range runs north and south, with fertile plains to the west. A combination of heat and moisture gives it marvelous crops; it produces gold, silver, copper, oil, coal, and uranium. Population is about 9,000,000, mostly of old Chinese descent.

This great island was originally settled by the Dutch, who were expelled by the Chinese during the seventeenth century. It was taken by the Japanese in 1895, who held it until the close of World War II, when, in 1945, it was ceded back to China. Whatever our opinion as to the government of China—whether Nationalistic under Chiang Kai-shek, or Communist under Chou and his gangsters—we must realize that Formosa inherently is a part of China. Whether the Communists want to "liberate" it or "enslave" it is debatable. From a strategic viewpoint, the United States and Japan should not now allow Formosa to get into the clutches of Communist China.

IMPORTANCE OF PATIENCE

One of the chief lessons I have learned from Madame Chiang Kai-shek is the importance of patience and of avoiding giving ultimatums. Human nature is the same on both sides of a conflict and if "the ball can be kept in the air" long enough most problems will solve themselves. Many serious problems are solved by leaders becoming older and finally dying. (Today's Bible reading is Psalms, 49th Chapter, which has given me the inspiration to write this column.)

To apply the above philosophy to the Formosa problem,—it may be impossible to get a satisfactory settlement as long as Chiang Kai-shek is in the saddle. If, however, he should be removed by death or become incapacitated (he is about 70, and has had a hard life), I forecast that President Eisenhower could bring a settlement which would both insure our position and "save face" for the Peking Government.

WHAT ABOUT WORLD WAR III?

Although the present Big Four International Conference will probably amount to nothing and the possibility of World War III will be hanging over us for many years, yet the best advice is that World War III is not now to be feared. None of the big nations, including Russia and China, now want World War III; but the threat of using the H-Bomb will constantly be used to blackmail the Democracies. With the cost of manufacturing H-Bombs constantly becoming less, every nation will have some, enabling revolutionary forces in these nations to get them. Some crazy dictator may try to conquer the world with them; but, if so, he would be quickly subdued. This would be an opportunity for the United Nations to fulfill its real mission.

All the above means that our defense program may gradually be curtailed and this Federal money be used for the building of roads, hospitals, schools, and especially the new industry of Urban Redevelopment. Uranium oxide is being found almost everywhere, and could also help stave off the so-called "inevitable" depression. I still believe in the business cycle; but its duration is now determined by politics. Therefore, let us forget the troubles which we read so much about. Let us concentrate on our own business and make better products for less money and sell them all over the world. This is the most practical kind of patriotic service we can render.

Quotes

- SIR LESLIE KNOX-MUNRO, New Zealand delegate to United Nations: "The mere existence of the United Nations, despite its imperfections and failures, offers hope for peace." WAURINE WALKER, president, National Education Association: "The 'teacher wanted' sign is going to swing idly in the breeze of every town and city if present complacency continues."

Hope City - Township Agree on Sewers

Although there is serious disagreement between the city and township on many issues, there is one thing that they may come to an agreement on and we hope it is SOON. We are speaking of the sewer system which would serve the southern portions of the two governmental areas.

Homes and other buildings in the areas have depended upon septic tanks for many years and they probably can get along a few years more without any serious health problems. But school officials have been told by the Wayne County Department of Health that they won't be allowed to open their proposed elementary school on Sheldon road unless the building has permanent sanitary sewer service. They make one exception: a temporary sewer system will be allowed if the health department has definite assurances that the sanitary sewer is to be laid within a reasonable time after the school is completed.

Both the city and township want the sewer badly and both realize that they can accomplish construction much easier through a cooperative program. Engineer Herald Hamill has now been engaged by both to draw up preliminary plans. But there now must be talks on how to fairly divide construction and engineering costs. Although the city now has more homes, the township may have potentially more. Township lots, however, are larger than city lots.

Emergency Procedure

Fast action by Plymouth police recently was credited with saving a boy from possible serious injury after he had cut his foot in a power mower. Such service deserves its full measure of credit and at the same time reminds us that accidents of this nature become more frequent during the summer vacation period.

For this reason it is necessary that a standard procedure, such as the one followed by the police in this case, be used for emergency calls. According to local health authorities, the standard procedure in Plymouth is for officers on the scene to administer such first aid treatment as deemed necessary, call an ambulance and the doctor's office, then rush the patient in the ambulance to Session's hospital in Northville.

Naturally this procedure applies only to city police and, in the case of the Wayne County Sheriff's authorities, Wayne County General hospital is used to receive emergency calls. In the recent accident case local health officers were alerted by the emergency call and facilities were immediately prepared at Session's hospital to treat the case. In the meantime, however, the township call was taken over by the sheriff's department and the boy was rushed to Wayne General. Of course, the most important thing to be considered is that the boy was saved and treated properly. It is significant to note, however, that local facilities were ready to help out in the emergency. Each of us can breathe easier when we know that our health and police departments cooperate for our protection.

Draw Your Conclusions

While a broiling situation stews in our own little community in regards to the location of a new Western Electric factory in our midst the following giant billboard on the edge of Battle Creek had this to say:

"The Battle Creek Industrial Development Committee has collected over \$200,000.00 at this time to spend in interesting new industry in our area. Have you given your contribution to our "Boost or Bust" campaign?"

There is no use trying to tell of all the various signs of this kind around our state, some which go so far as to offer free sites and free taxes for new industry, but it is interesting to note that in most cases, the large majority of the peoples of those cities do want new industry.

It is our candid opinion that the great majority of our residents, and all of our businessmen, do want new industry but a seemingly small majority are fast putting the skids under several hundreds of thousands of dollars of tax money which we certainly could benefit by.

Then, of course, perhaps Battle Creek and the rest of the towns who are bending every effort to attract new industry may be wrong and should confine their future developments to four and five acre home sites and forget about orderly growth until the day it surrounds them and finally backs into their back doors!

Quotes

- REV. GEO. BISSONETTE, Roman Catholic priest forced to leave Russia. "God is not dead in the Soviet Union." ROBERT B. MENZIES, Prime Minister of Australia: "The world has never needed character and intelligence and cool judgment more than it needs these things today." HARRY F. BYRD, U. S. Senator from Virginia: "Any tax reduction now on borrowed money, as it was last year, is simply higher taxes deferred." WALTER P. REUTHER, labor leader: "I fail to find any evidence for confidence in the continuation of even the present modest pick-up through 1955." MILLICENT C. MCINTOSH, president of Barnard College: "Schools and colleges have been the 'convenient scapegoat' for people frustrated and confused by the events of the last decade." WINSTON CHURCHILL, former British Prime Minister: "Only three countries possess, in varying degrees, the knowledge and the power to make nuclear weapons. Of these, the United States is overwhelmingly the chief." GEORGE W. MALONE, U.S. Senator from Nevada: "The United States is the only nation that fights other people's wars and pays for them, too." MATTHEW B. RIDGWAY, Army Chief of Staff: "Weakness in the strength of ground forces anywhere in the free world invites aggression in those areas." DWIGHT D. EISENHOWER: "The greatness of the Republican Party is and will be, measured by the intensity of its devotion to the faith of Lincoln." DR. WILFRED OVERHOLZER, superintendent of a mental institution: "Of the more than 500,000 patients in our state mental hospitals, one-quarter have been hospitalized more than sixteen years, one-half more than eight years, three-fourths more than two years."

Favorite Recipes From Plymouth's Kitchens

Starting the crust for her favorite dessert is Mrs. Robert Hampton of 162 Rose street. Gary, 18 months, samples the ingredients.

Here's Pie That Doesn't Require Baking

A treat for the family as well as the cook is this favorite recipe of Mrs. Robert Hampton of 162 Rose street.

Besides being a delicious dessert, Lemon Ice-Box Pie is one that requires no baking from start to finish. A real boon to homemakers who are always on the lookout for ways to keep kitchen ovens off these hot, summer days!

Here's the procedure for making this favorite lemon treat with its nesting of delicious graham crackers:

Lemon Ice-Box Pie

Graham Cracker Crust:

Combine 20 graham crackers rolled into fine (12/3 cups) crumbs with 1/3 cup of melted margarine. (Add two tablespoons of sugar, if desired). Press firmly on bottom and sides of 8-inch pie pan. Chill.

Filling:

- 1 1/3 cups (15-ounce can) of sweetened, condensed milk
- 1/2 cup of lemon juice
- 1 teaspoon of grated lemon rind or 1/4 teaspoon of lemon extract
- 2 eggs, separated
- 1/4 teaspoon of cream of tartar, if desired
- 2 tablespoons of sugar

Put condensed milk, lemon juice, lemon rind or extract and egg yolks into mixing bowl; stir until mixture thickens. Pour into chilled crumb crust or cooled pastry shell.

Add cream of tartar to egg whites; beat until almost stiff enough to hold a peak. Add sugar gradually, beating until stiff and glossy but not dry. Pile lightly on pie filling. Brown meringue under broiler.

Mrs. Howard Sharpley of South Main street and Mrs. Roy Lindsay of McClumpha road spent a couple of days last week at Wixson lake, at the cottage of C. Sherwood.

Stowell-Pickard Engagement Told

Mr. and Mrs. William Pickard of Walled Lake announce the engagement of their daughter, Mary Alyce, to Gale E. Stowell, son of Mr. and Mrs. Arthur Trost of Garden City.

Mary Alyce is a graduate of South Lyon's high school. Her fiancé is employed with the A&P Tea date has been set for the wedding.

SOCIAL NOTES

Mr. and Mrs. Frederick Howard Zander of Oakview road attended a graduation dinner honoring Mrs. Zander's sister, Mary Bodnar, who graduated June 12 from Ladywood high school. Mrs. Zander baked her sister a five layer, two tier, graduation cake. The party was held at Mary's home on Seven Mile road, South Lyon.

Mr. and Mrs. Clair Travis, Palmer street, honored their daughter, Nancy, a member of the Plymouth high school graduating class, at a family open house on Sunday, June 19th.

Mr. and Mrs. Jack Gage of Clemons road were hosts Sunday evening at an engagement party honoring their son, Jim, and Miss Mary Lou Foote. Guests included Mr. and Mrs. Ralph Foote and daughter, Marjorie; Mr. and Mrs. Carl Hartwick and daughter, Mary Lou, of Plymouth; Mr. and Mrs. James Horen of Macead Lake; Mrs. Hugh Rybolt and Mr. and Mrs. Jack Gage and son, Michael, of Redford.

Robert Fenton is convalescing in New Grace hospital, Detroit, following surgery on Thursday of last week.

George Huebler has returned to his home on Northville road after a stay in the hospital.

Miss Donna Deater has been honored with two bridal showers recently. The first, given by Mrs. Taicy in Birmingham, the other by two of her bridesmaids, Jean Polley of Plymouth and Jean Campbell of Northville, given in the Campbell home. Donna will become the bride of Robert Campbell on August 6 in the First Presbyterian church in Northville.

Mrs. Friday Walsh entertained at a tea Friday afternoon at the Manse on Church street for Miss Beth Douglas.

A reception honoring Mr. and Mrs. Ed Bolton of Pleasant Ridge, Michigan, former Plymouthites, who were married in Port Chester, New York, on May 13, was held Wednesday evening in the home of Mr. and Mrs. Wallace Osgood, Penniman avenue. Mrs. Bolton is the former Mrs. Percy Lacy. Nearly 40 friends of the couple were present.

Mrs. Christine Soule, a teacher in the Plymouth high school, has gone to her home in Applegate, Michigan, for the summer months.

Fred B. Toy has been visiting in the home of Mrs. George A. Smith, Sheridan avenue, for several days en route to his home in Ishpeming after serving two years with the Armed Forces in Germany.

Mr. and Mrs. A. M. Wileden of Pine street were dinner guests of Mr. and Mrs. Walter Gale of Ypsilanti on Friday of last week.

Grange Cleanings

There was an unusually large attendance at the Grange meeting last Thursday evening and they were well rewarded for coming. The program was modelled after the TV show "This Is Your Life" and was very interesting. Sam Spicer was the subject and it was all a complete surprise to him and a very happy one. Many of his old scholars from away back in his school teaching days came to give him their good wishes. His brother and wife, Mr. and Mrs. Frank Spicer of Detroit, were present. William Brake of Lansing, state master of the Grange, came. Also, Mr. and Mrs. Andy Campbell of Ann Arbor. John Oldenburg, our own Grange worthy master, was the M.C., and a good one. It was a very pleasant occasion and much enjoyed by everyone. Mr. Spicer said he was more than surprised, he was completely "flabbergasted!"

Cake and coffee were served after the party.

The meeting of June 16 was the last one now until September. We have a splendid membership of 163 members, which is fine.

George Huebler is at home from the hospital and will appreciate callers.

Robert Fenton is in New Grace hospital, was operated on last Thursday.

Our Grange picnic will be on July 7 in Riverside Park near the railroad bridge viaduct.

Several of the members attended Pomona meeting at Pittsfield on June 14. We now have a Cinderella from our Grange, Miss Molly Groth, who will go to the state convention in October with all the Cinderellas from other Granges.

Section 4

Edward Bentons Celebrate 50th Anniversary

A dinner and reception was held Sunday, June 12, at the Church of God in honor of the fiftieth wedding anniversary of Mr. and Mrs. Edward F. Benton, 685 Deer street.

The couple were married June 17, 1905, in Arkansas and have lived in Plymouth 12 years. Mr. Benton was an employee of the former Allen Industries of Plymouth until his retirement two years ago.

Friends and relatives present for the occasion included the Bentons' daughter and son, Mrs. James Cannady and Sam Benton, both of Plymouth, and their families. Unable to attend was the couple's other daughter, Mrs. Della Causey, a resident of Saxton, Missouri.

Others attending were: Mr. and Mrs. Walter Crafton of Detroit, Mr. and Mrs. Robert Hatfield, Mr. and Mrs. Ray Gardner, Mr. and Mrs. J. C. Cannady and son, Jerry; the Reverend and Mrs. Robert Hampton of the Church of Christ, and his parents from Flint; Mr. and Mrs. Herschel Roberson, Mr. and Mrs. George Brockwell, Mr. and Mrs. Leo Baskins, as well as other friends from the Church of Christ.

Hostesses for the anniversary celebration were Mrs. Myrtle Cannady and Mrs. Pauline Coffman. The couple were presented with many lovely gifts.

Correction

In a story concerning a talk given by Chris Krueger to the Plymouth Kiwanis club The Mail incorrectly referred to Krueger as the adopted son of Mr. and Mrs. Paul J. Wiedman. A native of Germany, Krueger is now a law student at the University of Michigan and is residing with the Wiedmans who are sponsoring him until he reaches 21 and can become a citizen of this country.

If there be a crime of deeper dye than all the guilty train of human vices, it is ingratitude.—Brooke.

Mr. and Mrs. Edward Benton

American Legion News

A joint social meeting will be held Wednesday, June 29, at 8 o'clock in the community center, Main street. Delegates of both Girls' and Boys' Clubs, who recently attended these events, will be on hand to give a brief report of their activities. Parents of the representatives and their sponsoring chairman are invited to attend the meeting. Any organization interested in sponsoring delegates to these assemblies in future years, is also invited.

Marie Thompson, president of the Passage - Gayde Auxiliary unit, has announced that Legion posts and auxiliary units throughout Florida are planning a warm welcome for Legion and Auxiliary members driving to Miami for the national convention of the two organizations, October 10-13. American Legion homes in every city will be open to visitors for rest, refreshment and information. The whole state will join with Miami in making a drive to the national conventions an interesting and memorable experience.

Local Hi-12 Wins National Trophy

The Plymouth Hi-12 club won the Wolcott Foundation Trophy at the International Hi-12 convention held in Detroit from June 12 to 15 at the Sheraton-Cadillac hotel. The trophy is awarded to the club with the greatest contributions per member to the scholarship fund.

A number of local members attended sessions of the convention. At the state convention held on Saturday, June 11, David Thompson of Plymouth was elected third vice-president of the State Hi-12.

This will put him in line for the state presidency. Russell Webb of Ferndale will be state president.

Meanwhile, State President Hicks Griffiths was elected third vice-president post of the international organization. He is the husband of U.S. Representative Martha Griffiths.

Next year's convention will be held in San Francisco.

Leisure is a beautiful garment, but it will not do for constant wear.

Encourage Youngster's Interest In Culinary Arts, Says Expert

Who could be prouder than a little girl who has just taken her first cake out of the oven, light and golden brown?
Her mother likely has a lot to do with interesting her daughter (or son) in the kitchen art of cookery. A Wayne County Home Demonstration agent suggests encouraging children to prepare different dishes for family meals. She adds that it gives them a sense of accomplishment when they can be completely responsible for one dish rather than always doing the odds and ends in helping mother.

To help children understand cookbook terms, the expert suggests you define some of them in children's language. To beat

something is to make the mixture light and fluffy by beating air into it. You can't feel lazy when you beat unless you are using an electric food mixer. You can also beat with a large spoon or a whisk egg beater.

Tell your little ones that to baste is to moisten food while it is cooking. This usually applies to meat where pan drippings, water or special sauces may be used. Use a large spoon to drizzle the liquid over the food.

When a cake recipe says to cream the sugar and shortening, the object is to make a soft, smooth and velvety mixture. This is often done with the back of a large spoon.

Here's Quick Dessert That's Fit for Queen

To the queen's taste, and easy on the queen of a hot, summer kitchen, is Banana Custard a la Reine. Thrifty, because it's a good way to use up cake that is a couple of days old, this dessert is a combination of cake cubes, or wafers, and sliced ripe bananas, topped with custard sauce. It's cool, light and refreshing with a delicious, fresh banana flavor. You can make your own custard sauce, or you can use a packaged commercial vanilla pudding mix, if you want to make the dessert even quicker for summer, meal planning.

Dress up the dessert to be pretty and gay. Sprinkle the custard with colored coconut or shaved chocolate curls just before serving. Garnish it with extra banana slices, fluted round the edges. To get this frilly effect, just run the tines of a fork down all sides of a peeled ripe banana. Slice, and the edges will be fluted.

BANANA CUSTARD A LA REINE

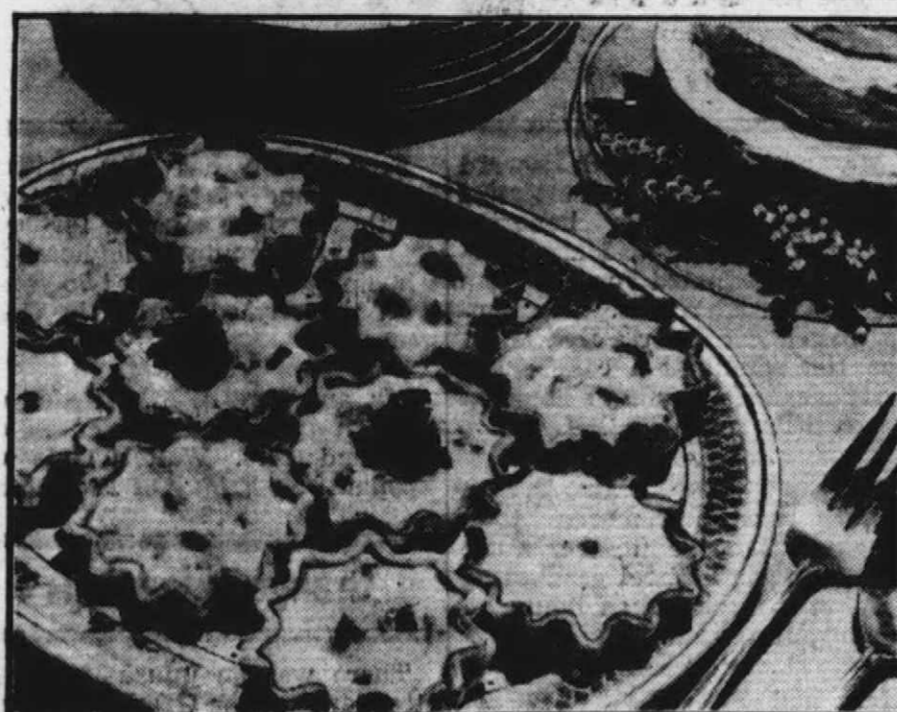

2 cups chilled custard sauce
2 ripe bananas*
1 1/2 cups finely broken vanilla wafers, or cake, cut into cubes

*Use fully ripe bananas... yellow peel flecked with brown. Use your own recipe for preparing custard sauce or use half of a 3 oz. package of commercial vanilla pudding mix and 1 1/2 cups milk. Follow package directions for making pudding. Chill. Just before serving, peel bananas and slice crosswise. Mix lightly with wafers or cake. Arrange in serving dishes. Pour chilled custard sauce or pudding over each serving. Garnish with additional fluted or plain ripe banana slices and top with a berry or a small cube of bright-colored jelly or gelatin, if desired. Makes 4 to 6 servings.

SUN-MAID ENSEMBLE — A place in the sun is reserved for the girl who dons this tricky trio—a matching playsuit, skirt and bolero trimmed with colorful rick-rack. The one-piece playsuit is the popular bloomer style with a tan-inducing décolletage. A gathered skirt made of two free-swinging panels, and a short-sleeved bolero complete the ensemble. Make a set for your sunning sessions by following the simple cutting and sewing instructions. The directions for size 12 may be obtained from the Needlework Department of this paper. Please send a stamped, self-addressed envelope with your request for Leaflet No. SS-91.

Choose Creamed Chicken For the Bridal Buffet

When Sally sets the wedding date, a flurry of activity ensues. The starry-eyed bride-to-be is caught in a round of showers, shopping trips for the trousseau, and endless details connected with the wedding. Planning the reception is a big job, and the menu, especially, presents a problem. For the food must look attractive and taste even better, regardless of interruptions and delays. A fool-proof recipe is a must! How about creamed chicken in

patty shells? Made with condensed cream of chicken soup, creamed chicken is ready in a jiffy. Patty shells can be made the day before. (Or use "pop-out-of-the-can" biscuits.) When filled with velvety smooth creamed chicken, they present a pretty picture beside the wedding cake. And they're wonderfully easy to serve!
Keep this recipe in mind, too, for dinner parties and family meals. It's welcome anytime!

Wedding Day Creamed Chicken

For 50
2 1/2 cups (20 ounces) chopped green pepper
1/2 cup (4 ounces) butter or margarine
2 cans (3-pound 2-ounce size) or 10 "family-size" cans condensed cream of chicken soup
2 1/2 cups milk
2 quarts (2 pounds) diced cooked chicken
60 patty shells or biscuits
For Family
1/4 cup finely chopped green pepper
1 tablespoon butter, melted
1 can (1 1/2 cups) condensed cream of chicken soup
1/4 cup milk
1 cup diced cooked chicken
6 patty shells or biscuits
Cook green pepper in butter until tender. Blend in cream of chicken soup and milk; fold in chicken; heat but do not boil. Pour into patty shells.

Terry Coverings Make Debut

New for lawn furniture this summer are "terry toppers." Thick, fluffy terry cloth is used in a group of covers for lawn furniture cushions. With elasticized binding and mitered corners, the terry cloth covers fit smoothly over a chaise lounge or other cushions.

In addition to the lawn furniture covers, the cotton terry is also made up as an auto seat topper for summer. These toppers are custom fit for the front seat

of any car. Elastic gores and adjustable tapes make it easy to install and remove.

The terry toppers, which come in several solid colors, can be washed with ease and require no ironing.

In 1930, nine pounds of ice cream was consumed per person every year. According to U.S. Department of Agriculture figures, now each of us eats 17 pounds every year.

Informal Picnic, Fun For All

Picnic time is party time for any group. But half the fun of a picnic is the informality. So be sure to take along plenty of food and beverage and then let everyone help himself.

For convenience arrange several kinds of bread on a wide tray with cold meats and cheese for easy-to-make sandwiches, add pickles and olives for tangy garnishes and have handy a good supply of your favorite soft drink iced cold for tasty refreshment.

To top it off let your picnic members choose from a selection of fruits cradled in a straw hamper to blend with either cheese or cookies. And be sure to have along an ample supply of disposable paper plates and containers and plastic knives, forks and spoons to cut down on cleaning-up later.

Planning is what separates the best communities from the average ones.

New Fabrics Minimize Summer's Wilting Effect

Keeping cool and crisp looking on a hot summer day need not be as hard as it sounds. There are many new fabrics woven to let the air in, thus helping you to have your own cooling system. Check the texture of the materials used in your new summer clothes.

The sunback dress with the little cover-up jacket is as popular with the city woman as with the woman living in the cooler, rural sections. The dress without the jacket can be worn around the home and for informal occasions. Add the jacket for a quick trip to the market or into town.

Separates have long been the solution for many to the problem of having to extend a wardrobe on a limited budget. Combining fabrics makes for an interesting and personal look. Flower-printed cottons, pastel linens, cool rayon and cotton mixtures, organdy or

silk can keep you in that cool crisp condition. All these fabrics can be combined to make many different outfits.

Use a gay silk or cotton sash tie to bring together both shirt and blouse.

The fashion people say this is the most colorful summer they've ever known. Shoes of satin, linen and leather are being dyed to pick up a desired color in a bouquet printed silk or cotton dress.

The beautiful blue, yellow, green, pink, light brown, and lavender kid leather shoes seen on the market have made a big hit with the ladies.

Matching the color of your makeup to your outfit is getting more attention this summer than ever before.

Peanuts, an energy food, rate high in thiamin, niacin and contain large amounts of riboflavin.

Get into the Fine-Car Class...

STAR CHIEF CUSTOM CATALINA

... at a cost you can easily afford!

What is a fine car? What sets a certain few apart in the world's esteem... wins them first place in most people's desire?

First and foremost, a fine car is a style-setter—a real advance in smart appearance.

Naturally, it's also a pace-setter—a fundamental forward step engineering-wise. At the wheel you should know that you've reached the peak of performance—experienced an all-new kind of flashing, vigorous, smoothly delivered power.

There's more, of course. It must be enviable for sheer luxurious comfort, for restful roadability, for thought-quick handling ease.

And it must, above all, be wholly dependable,

for only a trustworthy car can be called "fine."

If this meets your definition of a fine car and you want it, there's nothing in your way. For this description is right off the Pontiac score sheet—a short but perfect picture of this big, powerful, future-furnished car. And Pontiac's prices fit comfortably into anybody's new-car buying plans!

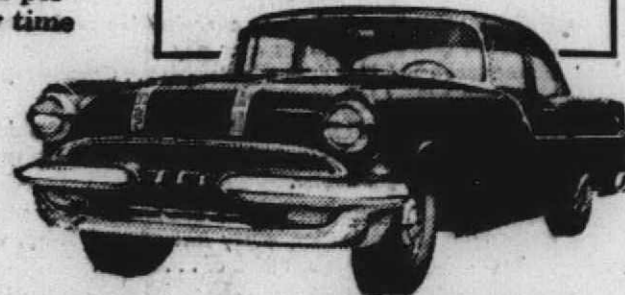

Come in for the rest of the reasons why this is the fastest-selling Pontiac in history—such as the inside story of America's most modern and efficient automotive power plant, the sensational Strato-Streak V-8. And get the trade-in appraisal this great success permits. We're sure we can prove that now's your time to move into the fine-car class!

HONORED GUEST at the Western Wayne County Board of Realtors' banquet Monday night at Arbor-Lill was Donald McFarlane of Garden City, (center right), charter member and past president of the organization. Congratulations are being extended by Clyde E. Alexander, president. Others in the group are, from left: Mrs. Gertrude Patton of Livonia, secretary; Richard Jeffery of Detroit, speaker for the event; and McFarlane's two brothers, Hector and John of McFarlane brothers, Garden City real estate firm.

LETTERBOX

To the Editor:
Dear Sir:
In the May 26 issue of the Plymouth Mail there was an article which strongly advocated fluoridation of community water supplies. This authority in the field of dental research, endorsed fluoridation without reservation and said also, that no other researchers in the field had disagreed with his findings. This is not true.

As a practicing doctor of chiropractic, I am keenly interested in the people's health, of Plymouth especially. I feel duty bound to point to some of the phases of fluoridation which Dr. Phillip Jay overlooked, so that the people of Plymouth will know a small part of the objections to the contamination of water with fluorine. Fluorine is a lethal poison and is used widely as a rat and roach poison. I will quote from work of a few research scientists in the field of fluoridation. The first scientists to advance the theory that fluorine in the drinking water was responsible for mottled teeth were Professors Margaret and H. V. Smith, both of the University of Arizona. As long ago as 1930 they knew that 9 parts per million (PPM) of fluorine may produce white flecks on the teeth, higher concentration producing disfiguring brown stains.

Dr. Charles Dillon, a Scottish research dentist, in an article published by Dental Practitioner in Bristol says: "From a comparative study of teeth from a fluorine-in-water area and a non-fluorine-in-water area, it becomes abundantly clear that mottling is progressive. The pulp chamber becomes progressively blocked by calcific matter gross enough to be demonstrated on X-rays. This progressive degeneration of vital tissues may effect the development of the root and dental periosteum (covering) and in the course of time degenerate the attachment apparatus and its blood supply, resulting in early periodontal disease and wholesale loss of teeth.

Fluoridation analysts quote the reports of biochemists Stuber and Lang who show that the small amount of fluorine already existing in the normal blood supply will naturally be increased by the continual intake of fluorides. This means fluoridated water could accumulate and cause poison in the body and organs of fluoride and be a cause to a worse condition than a decayed tooth. Teeth can be fixed by a dentist, but nobody can fix a mottled kidney. Stuber and Lang observed a number of cases of hemophilia (blood disease) in which the fluoride content of the blood was abnormally high. There seemed to be a connection between high fluoride content of the blood and slow co-

agulation time of the blood. With the knowledge that goose and rabbit blood clots slowly, after experiments it was found to be high in fluorine content. Cat and dog blood on the other hand clots rapidly and was found to be free from fluorine. They think fluorine may effect blood clotting and no one can be sure that this would or wouldn't be true in humans.

Sincerely yours,
Dr. Leo Speer, D.C.

Society Plans Tour

*Various places of historical interest in and around Plymouth will be visited Sunday, June 26, by members of the local Historical Society.

Meeting place and time for the tour has been set at 2 p.m. in the rear of the Veterans Memorial center, located on Main street. Members will go as a group, returning later to the home of Mr. and Mrs. Arthur Todd of Ann Arbor trail for a planned potluck dinner.

Anyone desiring transportation may call Leonard Millross. Arrangements for the tour are being made by Mrs. J. H. Todd.

★
In mountainous Norway there is a ski jump near most towns, but only four golf courses in the whole country.
