

PLYMOUTH'S 'OTHER' cemetery, located at the eastern end of Pearl street, has not been forgotten by veterans organizations which decorated the graves last weekend of those who have served in American wars. Known as the Plymouth Village Cemetery, it is seldom visited by anyone since no burials have taken place there

for many years. Pioneer Plymouthites opened the cemetery in 1845 on a site formerly used by Indians as a repository for bones. Nine Civil War veterans and several from the Black Hawk War are buried there. Many of the white headstones have fallen. Another pioneer cemetery was located behind First Presbyterian church but was removed to Riverside cemetery.

## Program to Honor War Dead

Most businesses, offices and industries will close Thursday while the community pauses to pay tribute to the Americans who gave their lives to their country.

Under the tall trees of Kellogg Park, tribute will be paid to the heroes of all American wars with a Memorial Day program that will begin following a parade at 10:30 a.m. Addressing the gathering will be Circuit Court Judge George E. Bowles of Plymouth. He will speak on "True Honor and Remembrance."

Thursday morning's activities will begin with the formation at 9 o'clock at Main and Mill streets of the Navy Mothers, Veterans of Foreign Wars drill team and American Legion color guard. They will proceed to the Plymouth road bridge over the Middle Rouge river where the Navy Mothers will conduct their annual ceremony honoring the Navy dead beginning at 9:30 a.m.

At 10 a.m. the main body of the parade will form at Main and Mill and will move south on Main at 10:30. It will turn west at Ann Arbor Trail, south on Forest avenue, east on Wing street and north on Main to Kellogg Park.

In case of rain, the program will be held in the Pepp Theatre beginning at 10:30. If rain starts during the parade, the line of march will terminate at the theatre.

Mayor Harold Guenther or Mayor Pro-Tem Robert Sincok will be master of ceremonies. The Reverend Charles Holland, pastor of the United Lutheran church of Plymouth, will offer the invocation, followed by the playing of the National Anthem by the Plymouth High school band directed by Laurence Livingston.

Led by Township Supervisor Roy Lindsay and City Manager Albert Glassford, the assembly will repeat the Pledge of Allegiance. Following the introduction of officers of the service posts and their auxiliaries, Dick Hubert, Plymouth high school freshman, will recite "In Flanders Field."

The speaker, Judge Bowles, was appointed to the circuit court

bench in Wayne county late last year and was elected April 1 to fill a term expiring December 31, 1959. A resident of Plymouth 13 years, he was a practicing attorney since 1945, had served on the Regional War Labor Board, and was chairman of the Michigan Labor Mediation Board.

Following the address, Nat Sibbold will sing a solo, "There Is No Death". Benediction will be offered by the Reverend Norman Stanhope, associate pastor of First Presbyterian church.

The V.F.W. drill team will salute the fallen dead of Ply-

## Need 300 Pledges For Bloodmobile

A campaign opened this week to obtain at least 300 pledges from Plymouthites wanting to give a pint of blood on Tuesday, June 25 when the Red Cross Bloodmobile makes a stop here.

The effort is being sponsored jointly by the Masons, the Knights of Columbus and the Couples Club of First Methodist church. The last stop made by the Bloodmobile in Plymouth was in February of last year.

Planners of the affair hope to get a minimum of 300 pledges. If this many pledges are obtained, between 150 and 200 pints of blood will be donated since up to half of the pledge card signers are rejected.

The blood donation center will be set up in the Masonic Temple on Ann Arbor Trail between the hours of 2 and 8 p.m.

Taking an active part in obtaining pledges in addition to the three sponsoring organizations are Consumers Power, Daisy Manufacturing, the Wayne County Training School staff and Pilgrim Drawn Steel. Last year there were 172 pledges signed and 107 pints donated.

This year it is noted that people who have had malaria or jaundice can now donate blood. Eligible are those who have not had jaundice for two years and those not having malaria for the past six months. This blood will be used for plasma only.

When blood is given through the Red Cross blood program, the donor has one of four choices:

1. He can deposit the blood in an "account" that has been

established with the Red Cross by a group to which he belongs. He thereby becomes a member of the group's blood bank and is entitled to use the blood without charge, according to the group plan, simply by calling the blood bank chairman.

2. The donor can establish his own credit with the Red Cross by depositing in a "self account". He is then entitled to as much blood or equivalent blood derivatives as he has contributed without charge.

3. He can also donate a specific patient in any hospital in the nation (where outside replacement is accepted). The blood then becomes property of the patient and the donor no longer has any claim to it.

4. The donor can donate the blood to a defense or philanthropic account whereby the blood becomes the property of the designated account and the donor has no claim to it.

When registering, the donor should designate his blood for one of the four destinations.

## Area Officials to Help School Board Determine Site Needs

### Local Training School Approved by Senate

One of the final bills approved by the state senate as they hurriedly brought their session to a close last Saturday night was an amendment to provide \$1,250,000 toward the start of the "Plymouth State Home and Training School".

The sum was less than half the amount approved a week earlier by the state House of Representatives. Their amendment called for \$2,226,000.

State Senator John Swainson of Plymouth, minority leader of the senate, said that Governor Williams will probably receive the bill containing the appropriation amendment at the end of this week. He will then have 10 days to sign or veto it. Senator Swainson said that he expects the governor to sign the bill.

The appropriation will provide enough money to build the power plant, to provide plans and start

two custodial units and plans for an administration building. More money is expected to be appropriated in future budgets.

When completed, the hospital will have 2,500 beds and will cost around \$10,000,000.

The hospital will provide for mentally-retarded children and will be adjacent to the Wayne County Training School in Northville township.

The Plymouth Community board of education was host Monday night at a meeting of officials from Canton and Plymouth Townships and the city of Plymouth with the chief accomplishment being the appointment of a committee from the three governments to help the school board determine where it might expect future population growth.

Also suggested was a committee to study the "rumored" and "reported" charges that there is a difference in assessments in each of the five governmental bodies into which the school district extends. Officials from the three visiting governments turned this suggestion down.

There were 29 people at the meeting held in the high school library, including representatives from the Area Cooperation Group, School Community Planning Group and

board President Harold Fischer served as chairman of the two hour meeting which brought out frank but friendly discussion on several matters.

A similar meeting will be called by October by the board of education at which the new committee is expected to make a report.

Two members of the committee were volunteered by each of the three governments and the board, with ex-officio members being supplied by the Area Cooperation Group and School Community Planning Group.

The committee will go into the complicated field of attempting to determine where the greatest areas of population growth can be expected and if it is possible to set aside a school site in these areas.

As was pointed out by school board member Warren Smith, schools can no longer be constructed where there are no sanitary sewers. The only places where there are now sewers are in the city of Plymouth and in the Fred Greenspan Building company development (under construction). There are no more school sites in the city, Smith added.

Metropolitan Area Planning Commission predicts the school district's population will be 55,000 by 1970 and 77,000 by 1980. It now is 17,000. The school district covers 42 square miles.

With these figures in mind, Fischer asked the visiting officials if it could be possible for

### Majority of Dogs Unlicensed As Deadline Nears

Business hasn't been going to the dogs well enough for township and city officials who are responsible for issuing the 1957 dog licenses.

In both the city and township, fewer than half of the dogs have their new licenses today despite a deadline of Saturday.

Township Clerk Rosalind Broome reports that for the 750 dogs in the township, only 256 tags have been purchased. City Chief of Police Kenneth Fisher states that only 354 licenses have been purchased for the estimated 700 dogs in the city.

Both the township and city officials have promised house-to-house check-ups starting Saturday in an attempt to get all dogs licensed. The fine for not having a dog license in the township is \$4 while the city fine is \$5.

The township held two dog clinics and the city held three to make it easy for dog owners to have their canine friends vaccinated and licensed at the same time. Turnouts at all five clinics proved disappointing.

them to aid the board in locating school sites. The committee would pool its knowledge of anticipated housing developments, proposed sewer locations and zoning. All three governments have the same zoning consultant, Waring and Johnson, and the school board felt that this consultant could help considerably in spotting sites.

There was some discussion on the school board's present negotiations with the Fred Greenspan Building Company concerning a site in the development. With the school board objecting to the payment of some \$8,000 for bringing the sewer and water facilities to the site, the negotiations are still continuing. Plymouth township Supervisor Roy Lindsay and Treasurer Elizabeth Holmes, however, declared Monday night that the offer for the improved land compares favorably with other sites purchased by the board. "I think you had better settle today's problem before you look 30 years ahead," Lindsay told the board.

City Commissioner Richard Wernette said that a speaker before the Area Cooperation Group had once declared that school boards should not be afraid to invest in future school sites—that if they are not used, they could be sold at a profit. School Board member Smith replied that with meadow land at \$3,500 an acre, "how many sites can you afford to invest in?" President Fischer pointed out that Oak Park picks out a school site years in advance and has it officially designated as a site without buying it. Canton Township Clerk John Flodin questioned the legality of such a practice.

The second part of the agenda—concerning assessments in the school district—proved to be a little hotter issue. Both Canton and Plymouth Township officials pointed out that assessing is handled by the County Bureau of Taxation and that there is little that a local assessing agent can do.

"Who says that there is a difference in assessments?" Mrs. Holmes asked. She and Supervisor Lindsay both declared that an identical house in the city would be assessed the same if placed in the township. The only difference would be in the land valuation due to the lack of sewer and water in the township.

Plymouth Mayor Harold Guenther noted that the biggest complaint he hears is the method of determining personal property valuations. Business and industry must declare their inventory and no authority is given the local assessing agent to check on the books. He asserted that this leads to unjust practices which should be solved. Supervisor Lindsay noted that he would need 150 assessors if the township could

## Survey Shows Multitude of Routes

### Finding Way to Detroit Still Puzzles Motorists

By David Jolliffe

Plymouth folks have been journeying to Detroit ever since the first settlers arrived here in the 1820's. And while the time consumed getting to the big city has been cut considerably through the years, there's still a lot of differences of opinion on how to get there.

The main problem Plymouth drivers face is the decision of which of the dozens of routes to take. None of them are good. The most direct routes, such as Plymouth road to Grand River, are the slowest because of heavy traffic.

To those who drive to Detroit the route is often devious and confusing. And to those who make a habit out of a downtown safari, experimentation and trial and error are the main ingredients in a melting pot of new routes and faster travel.

Favorite routes are sometimes closely guarded secrets because the commuter doesn't care to have "his" roads flooded by

others. But a few area motorists we talked with were willing to tell about their trip.

For example, Keith Miller of 40170 Ann Arbor Trail, proudly boasts of only a 35 minute trip from his home to the downtown area. But Miller is the first to admit that his best time is made during hours when traffic is not at its congested worst.

For those who are forced to make a daily trip back and forth to work, we find some of their routes, instead of being in a conventional pattern over the main arteries, are rather unorthodox. Livonian Tom McAskin, 35876 Leon, is one of those who sticks to his own particular route, a product of exhaustive experimentation and almost stopwatch timing.

"I'm convinced that my way of sticking to secondary residential streets part of the way is the best method," Tom explained proudly. "For one thing you avoid the greatest share of traffic during the rush hours, and I think it's a lot more restful when you don't have to battle traffic all the way."

Tom sticks to the main traffic arteries in his effort to connect

with the Edsel Ford Expressway from his Livonia home until he reaches Greenfield, just north of Ford Road.

"That's when my experimentation pays off," he asserts. "Instead of continuing south on Greenfield to Ford Road, I turn east several blocks before coming to Ford. There's a three-lane paved street there called 'Hemlock' that I use to reach Schaffer and the expressway. I can average 25 or 30 all the way and save a lot of time."

John Guettler, whose Dairy Freez Business at Ann Arbor Road and Harvey, keeps him from making many Detroit trips, thinks that a simplified route of West Chicago to Grand River is the best bet. "I usually average an hour, especially if I do it during hours when traffic isn't too bad," John said.

Art Sieloff, another habitual commuter who works at Mt. Elliot and Grand Boulevard, claims that he avoids most of the heavy traffic by taking the Edward Hines Drive to Warren. "I manage to miss a lot of heavy traffic that way," Art insists. "Of course after I pass Telegraph

Road there's no way to avoid all the congestion, so I just slug it out from there to Lonyo and the Expressway."

Art's business takes him from his residence at 1735 Haggerty Road to the Detroit East side, so his one hour driving time is something he is proud of.

Marilyn Karnatz of 686 Kellogg has commuted to her job at the General Motors Building since early this year and boasts of a 45 minute trip, which is even more remarkable since Marilyn shuns the Expressway.

"The Expressway wouldn't do me too much good since there isn't any convenient exit I could take to get to the office," she insists. "So I usually depend on West Chicago to get to Wyoming to Tireman and West Grand Boulevard. I only hope it doesn't get too crowded after this," she laughed.

Other commuters have their own individual routes. Lisle Alexander, 210 Mill, has joined a host of others in solving the problem in a resourceful manner, at least a logical one. He takes the train.

### Local Man Was First WJR Announcer 35 Years Ago

An ingenious contraption enabled a teen-age boy to sample his first taste of music 40 years ago. A metal dishpan on a wire clothesline, two dry batteries and a pair of headphones magnified the melodies of the Bob-Lo Boat Band as it cruised the Detroit River with straw-hatted gentry and lace-adorned damsels.

Several weeks ago the same chap, now 60 with a lifetime of memories, returned to within several blocks of his earlier episodes to receive the plaudits of WJR during its 35th anniversary. For Edward (Ted) Harrington, 14061 Ridgewood, was the first announcer on WCX, the baby of today's powerful WJR.

The "Red Apple Club" originated on the then Free Press-owned 212 watt station with Ted Harrington announcing. According to Ted it was a song and fun program beginning at 10 p.m. and usually ending at 2 a.m., but it didn't always turn out that way.

"I can remember many times when nobody wanted to go home and we would spend most of the night singing, joking and just generally having too good a time to leave," Ted explained.

"The station didn't seem to mind because they figured there probably wasn't anyone who would want to stay up all night with a set of earphones listening."

But people did listen. The beginnings of a miniature good-will club in the wee hours of the morning suddenly found itself deluged with food and clothes for contribution to orphans and needy families.

"Everything was spontaneous in those days. If there was a dead spot I filled in with something," Ted reminisced.

One of the feature attractions of the show was the "Ted Harrington Radio Band" conducted by Ted and composed of students from Cass Tech.

"It's a funny thing but nearly everyone of those guys directed one of the High School bands or was head of the musical department in Detroit at one time or another," Ted recalls.

The veteran radio announcer's title was "Studio Director and Chief Announcer."

A musician most of his life, Ted began playing the pipe organ in the Bethany Congregational Church in Montpelier, Vermont where he attended high school. He is a self-taught pupil and admits to only a year of piano lessons.

Besides the "Red Apple Club", Ted carried on with his "chief announcer" duties by handling special guest appearances and broadcasting play-by-play sports events from teletype. He even did live broadcasts of portions of the fabulous Zigfield Follies and Earl Carroll's Vanities when the road shows performed in Detroit.

"But one of my biggest thrills in early radio was introducing the Detroit Free Press poet Eddie Guest the

**Presbyterian Church Is Scene  
Of Jones-Snyder Wedding**

For the marriage of Madeline Jones to Darwin Snyder at 8 p.m., May 18, in the First Presbyterian church, Nat Sibbold sang "Because" and "The Lord's Prayer," accompanied by Helmer Nelson at the organ.

Reverend Henry Walch officiated at the ceremonies, performed before an altar decked with vases and baskets of gladioli and daisies and four candleabra.

Daughter of Mr. and Mrs. Martin Jones of 775 Arthur, Plymouth, Madeline was escorted to the altar by her father. She wore a gown of nylon organza with lace applique and a chapel train. Pearls and sequins were appliqued on the gown. Her fingertip veil was attached to a heart-shaped crown of pearls and sequins. Garlands and stephanotis were arranged into a colonial bouquet or the bride.

Attired in a yellow taffeta gown, princess-styled with a bow in the back and boat neckline

edged in lace, maid of honor Linda Minock wore a large picture hat and carried yellow-pink daisies and roses in a colonial bouquet.

Bridesmaids Mrs. Barbara Thacker and Jan Ponto wore gowns like that of the maid of honor but in blue. Both carried yellow daisies and roses in colonial bouquets.

Lori Marrow served as flower girl, wearing a yellow taffeta frock with scalloped neckline and a bow in the back. Ring bearer was Murry Kendall.

Robert White was the bridegroom's best man; ushers were William Jones and Carl Snyder. Mrs. Jones wore a lilac dress with lace top, linen skirt, white accessories and an orchid corsage.

Mrs. Alice Snyder of Glove street, Wayne, mother of the bridegroom, wore a light grey silk dress with white accessories and an orchid corsage.

For the reception held in the church dining room following the ceremony, 230 guests from Bayport, Michigan, Detroit and Allen Park were present.

After donning a beige tweed suit with dark brown accessories, the new Mrs. Snyder left with her husband for their honeymoon in the Smoky Mountains, Kentucky.

The bride graduated from Plymouth high school in 1956. Mr. Snyder, now employed as an apprentice brick layer, is a 1952 graduate of Dearborn Lowrey high school.

Their future home will be on Hartsough in Plymouth.

Mrs. Ethel Parmaie is leaving this week for the home of her daughter, Mrs. William Foley, and family in Atlanta, Ga., and will accompany them on a vacation to Fort Pierce, Fla.

Mr. and Mrs. Robert Daley and twin sons, Robert and Donald and daughter, Lorraine, and Mr. and Mrs. William Frew and daughter, Lois, were in Garden City Thursday evening to attend the second birthday celebration of their twin nephews, Robert and Russell Reid, sons of Mr. and Mrs. Robert Reid of that city.

**Christensen-Hessler Wedding  
Solemnized in Catholic Church**

An altar banked with baskets of white carnations and gladioli was the setting for the marriage of Janet Claire Christensen and Richard G. Hessler Saturday morning, May 18. The young couple exchanged vows at 11:30 a.m. in Our Lady of Good Counsel church with Father Francis Byrne officiating.

The bride, escorted to the altar by her father, wore a floor length gown of white frosted silk organza over taffeta, styled with several tiers of ruffles and worn over a large hoop. The dress featured a long, fitted torso with a high mandarin collar and long sleeves. Her shoulder length

veil of net was attached to a cap of frosted organza studded with pearls. She carried a white orchid on her prayer book.

Proceeding the bride to the altar were her maid of honor, Dorothy Thomas, and bridesmaids Arlene Gobel, cousin of the bride, Virginia Hart and Paula Hornback.

The attendants were gowned alike in waltz-length dresses of frosted silk organza embellished with small yellow flowers. Featuring a full apron tied into a bustle back, the dresses had short puff sleeves with scoop necklines. The maid of honor wore her dress over mint green taffeta while the bridesmaids chose yellow taffeta with matching shoes. Their straw bonnets were tied under the chin with matching net bows and they carried baskets of yellow daisies and rosebuds.

Carrying out the color scheme, flower girls Laurie Jo Carpenter, niece of the bridegroom, wore a dress of yellow organza and Brenda Hart wore mint green organza. Both girls wore halos of yellow daisies and carried baskets of daisies.

Before the ceremony Mrs. F. Cylk sang "Ave Maria" and while the bride knelt before the altar of the Blessed Virgin, the organist played "On This Day, Oh Beautiful Mother."

Best man for the double-ring ceremony was William Fegan. Ushering the guests were Herschel Hessler of Garden City and James Hessler of Dundee, brothers of the bridegroom, and Fred Krause of Wayne.

Mr. and Mrs. Clarence Christensen of Evergreen street are the bride's parents while the Herman Hesslers are parents of the bridegroom.

Mrs. Christensen chose a dress of navy blue chiffon over taffeta with orchid accessories. She wore a corsage of pale pink rosebuds. The bridegroom's mother wore a two piece beige linen suit embroidered with pink rosebuds and a matching beige linen coat. Her accessories were pink. She pinned a corsage of deep pink glamelias to her purse.

Over 100 guests from Minneapolis, Minn., Ann Arbor, California, Wayne and Inkster gathered at the Warren Valley Golf Club for luncheon and dancing immediately following the ceremony.

For her wedding trip, the new Mrs. Hessler chose a navy blue polka dot dress with straw-colored accessories. The bridegroom, who has resumed his duties with the Army, graduated from Plymouth high school. The bride is a graduate of Ladywood high school in Livonia.

At Special Tea in Their Honor**

As part of Michigan Week, newcomers in Plymouth during the past year were guests at a tea in their honor, given from 2 to 4 p.m., Tuesday, May 21, in the Myflower room of the Mayflower Hotel.

The idea for the tea, first of its kind in Plymouth, originated with the Chamber of Commerce. Dr. J. M. Robison, C of C member and chairman of local Michigan Week activities, persuaded the Woman's club to sponsor the event on Hospitality Day of the Week.

Almost 100 guests dropped in during the two hours to have cookies, mints and tea or coffee, and to get acquainted.

General chairman of the affair was Mrs. William Clarke of the Woman's club. Ladies pouring tea and coffee were Mrs. David Wood, president of the club; Mrs. Austin Pino, vice president; Mrs. Leslie Daniel; and Mrs. Charles Humphries.

Woman's club officials reported they were pleased with the turnout of newcomers for the event.

Mr. and Mrs. Richard Allen Crawford

### Joyce Cook Marries Livonian In Evening Candlelight Services

In a 7:30 o'clock candlelight ceremony in the Clarenceville Methodist church, Farmington township, Joyce Ann Cook of Livonia became the bride of Richard Allen Crawford, son of Mr. and Mrs. Harry Crawford of 37500 Plymouth road, Livonia.

Carnations, snapdragons, gladioli, daisies and greenery on the candleholders adorned the church. Musical selections were "Ich Liebe Dich" (I Love Thee) and "Oh Promise Me," sung by Ruth Lancaster.

Escorted by her father, Mr. James Cook of 2060 Sharon, Detroit, the bride wore a gown of white Italian silk with point de Lyons lace around the scalloped neckline and at the waist. Scallop were repeated along the edge of her fingertip veil. She carried a bouquet of daisies, stephanotis and lilies of the valley.

Maid of honor Dianne Giacobazzi of Farmington donned a yellow, street-length gown of crystal-ette over taffeta and an oval picture hat. She carried white daisies in a flower basket.

Bridesmaids Anita Gallo of Leetonia, Ohio, and Mrs. Rodney Wallis of Livonia, sister of the bridegroom, wore gowns and hats identical to the maid of honor's and carried yellow daisies in baskets.

Best man in the ceremony was

Frank DeLeon of Rockwood, Michigan, assisted in ushering by Charles Sergison and Rodney Wallis of Livonia.

Mother of the bride, Mrs. William Henry of Phoenix, Arizona, wore a blue lace sheath dress with beige accessories and a tearose corsage. Mrs. Crawford wore a mauve pink lace dress with matching accessories and a corsage of two pink cymbidium orchids.

Following the ceremony, there was a reception held in the church parlors, for approximately 150 guests from Ann Arbor, Salem, Plymouth, Walled Lake, Livonia, Detroit, Rockwood, Highland Park, Garden City, Wayne, Phoenix, Arizona, and Leetonia, Ohio.

Wearing a pink and grey print sleeveless sheath dress, pink hat, gloves and crystalette duster and grey shoes and purse, the newly-wed Mrs. Crawford left with her husband for a wedding trip to northern Michigan.

The bride attended Clarenceville high school and graduated from Plymouth high school in 1954. Mr. Crawford graduated from Bentley high school in 1951.

The couple will move into their new home at 34145 Dover, Livonia, during the first part of June.

Mr. and Mrs. Thomas J. Foley attended a dinner party Saturday in the home of her sister and husband, Mr. and Mrs. Gerald L. Durkin in Detroit, honoring another sister and husband, Mr. and Mrs. Richard F. Hayes of Louisville, Kentucky. On Sunday a family dinner was given in the home of their parents in Detroit.

Barbara Rowland, daughter of Mr. and Mrs. Harry Rowland, will finish her school year on June 4 at Emmanuel College in Berrien Springs and return home for the summer.

Everyone welcome to the Accordion Solo and Band Concert by students of Jerry's Accordion Studio Monday, June 10—8 p.m. Plymouth High School Auditorium Free admission

### Student Joins Methodist Work Camp in Kentucky

Miss Margaret Amrhein, 46150 Ann Arbor trail, is one of 13 young persons, principally college students, who will participate in a Methodist work camp at a mountain mission in Kentucky this summer. Miss Amrhein is a student at Western Michigan College of Education at Kalamazoo.

The group will gather June 19 at Henderson Settlement in Eastern Kentucky and for six weeks will build and repair pasture fences, paint buildings and landscape grounds. Henderson Settlement has a church, crafts center, farm, and dormitories for boarding school pupils. It is aided financially by the Division of National Missions of the Methodist Church. The work campers will leave July 31.

### Bates-Blanton Troth Told at Family Dinner

Joan Carol Bates

Mr. and Mrs. Thorton Bates of 602 Kings highway, Wyandotte, announced at a family dinner the engagement of their daughter, Joan Carol, to James Robert Blanton, son of Mr. and Mrs. Winford Blanton of 6603 Newburg road.

The bride-elect attended Eastern Michigan College and now attends Wayne State University where she is a junior and a member of Delta Zeta.

Her fiancé will receive his bachelor's degree in chemical engineering from the Michigan College of Mining and Technology in June. He is affiliated with Delta Sigma Phi, Tau Beta Pi and Phi Lambda Upsilon. He graduated from Plymouth high school in 1953.

A September 7 wedding is planned in the First Presbyterian church, Wyandotte.

Mr. and Mrs. Guy Higley of Gold Arbor road will entertain Mr. and Mrs. Edward Dobbs, Mr. and Mrs. O. H. Williams, Mr. and Mrs. Ray Hennig, Mr. and Mrs. Glenn Fraleigh and Mr. and Mrs. William Reid at a barbecue party on Thursday evening.

Mr. and Mrs. Roy Priebe

### Mary Geistler, Roy Priebe Wed In Salem Evangelical Church

Before an altar decked with white snapdragons and gladioli, Mary E. Geistler, daughter of Mr. and Mrs. Herman Rossow of 11321 Ingram, Livonia, became the bride of Roy Priebe in a 7:30 p.m. May 4, ceremony. Reverend Carl Schultz performed the double-rite in the Salem Evangelical church, Farmington.

Mrs. Lee Warner was organist for the ceremony. Roy is the son of Mr. and Mrs. Eric E. Priebe of Greenland court, Livonia.

Given in marriage by her stepfather, Herman Rossow, the bride wore a white nylon organza of a waltz length. She carried stephanotis and Amazon lilies in her bridal bouquet.

Maid of honor Roberta Sheehan wore a pastel green, waltz length dress and carried daisies and stephanotis.

Arthur McDonald was best man, assisted in ushering by Donald Geistler and Donald Sobieck.

Mrs. Rossow wore a blue lace frock with a corsage of white carnations, while the bridegroom's mother chose a dress of dusty rose organza.

Attending the reception were 180 guests from Columbus, Ohio, Detroit, Royal Oak, Farmington,

Plymouth, Grosse Pointe, Monroe, Utica and Dansville.

The newlywed couple traveled to northern Michigan for their wedding trip.

Mary is a Bentley high school graduate, and Roy graduated from Redford Union high school. Their future home will be in Livonia.

### BIRTHS

Mr. and Mrs. Jack Dobbs announce the birth, on May 24, of a son, Gerald Warren, weight seven and one-half pounds, Ridgewood hospital, Ypsilanti.

Mr. and Mrs. Matthew Fortney of Livonia, are the proud parents of an eight pound three ounce son, David Roy, on May 23, St. Joseph's hospital, Ann Arbor.

Mr. and Mrs. Jack J. Gage of Garden City are receiving congratulations on the birth of a six pound 14 ounce daughter, Amy Louise on May 20, Detroit Osteopathic hospital.

Mr. and Mrs. George Evisch of 21618 Garfield road, Northville, announce the birth of a daughter, Deborah Lynn, born May 10 in St. Joseph Mercy hospital, Ann Arbor. She weighed five pounds 14 1/2 ounces.

Mr. and Mrs. T. J. Brewer of 863 Simpson announce the birth of a son, Gary Le-Roy, born May 15 in Ridgewood hospital, weighing eight pounds.

Mr. and Mrs. Keith Ebersole of Ann Arbor, announce the birth of a baby girl, Linda Marie, born May 26 at St. Joseph Mercy hospital, Ann Arbor, weighing eight pounds 10 1/2 ounces. Mrs. Ebersole is the former Dneysy McKinley.

Mr. and Mrs. Carl Stamper of 1420 Junction are parents of a baby boy, Mark DeWayne Stamper, born May 24, weighing six pounds nine ounces, in St. Joseph Mercy hospital, Ann Arbor.

Mr. and Mrs. C. H. Goyer will spend Memorial Day with his sister and husband, Mr. and Mrs. George Eaton in Battle Creek. They also plan to call on Rev. and Mrs. Stephan Hathaway, who reside in that city.

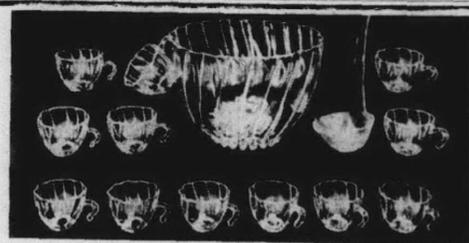

### Friends Surprise Couple on Anniversary

Mr. and Mrs. Howard Dixon of Rucker street were pleasantly surprised last Saturday evening when several of their close friends and relatives came to honor the couple on their silver wedding anniversary.

After playing cards for a while, a dainty lunch was served and Mr. and Mrs. Dixon were presented with a gift of silver dollars.

Guests were present from Northville, New Hudson, Wyandotte and Plymouth.

Mrs. Clara Hill, who has been visiting her sister, Mrs. Harold Taylor and family of Brookline road, for the past week, returned to her home in San Diego, California, on Friday.

### "What Mower Shall I Buy?"

Relax Brother... Here is the answer!

# KRESGE'S 21" ROTARY MOWER

## \$59.95

We checked and found it necessary to pay \$79.95 or more elsewhere to get the wonderful features of this mower!

Dick's Mower 1 1/2 H.P. - \$39 Worth \$150  
Tom's Mower 2 1/4 H.P. - \$69 Worth \$99  
Harry's Mower 1 1/4 H.P. - \$28 Worth \$139

KRESGE'S MOWER HAS THESE OTHER SUPERIOR FEATURES:

- Recoil Starter
- Four 8" ball bearing wheels make this mower roll easily in and out of ground depressions.
- Automatic power increase immediately when you hit heavy clumps of grass.
- Plastic grip "T" handle unbolts quickly so mower can be transported anywhere in your car trunk... with little effort by you!
- What about Mulching? Kresge's mower has an all-round enclosed base that enables the whirling blade to draw up cuttings and churn them to bits. An open front or open side mower will not mulch well.

### To Judge Power Mower Value Compare:

ENGINE HORSE POWER BLADE LENGTH SPECIAL FEATURES STABILITY OF FRAME

### So... Let's Compare!

Kresge's Mower Has a 4-CYCLE LAWSON ENGINE

A Lawson is the easiest starting lightweight engine made. The high tension magneto is dust and moisture proof. Every engine is tested under load for 20 minutes at the factory. We looked at all kinds of engines and chose the Lawson because of its superior engineering and its national reputation for excellent service... we knew you couldn't go wrong!

Kresge's Mower is... 2 1/2 HORSE POWER

Most mowers are 1 1/2 to 2 1/4 H.P. Kresge's is a full 2 1/2 H.P. with 4 cycle construction—which gives it plenty of power to run smoothly in tall grass or weeds!

Kresge's Mower Cuts FULL 21" SWATH

A smaller mower takes longer to do the job—a bigger, heavier mower becomes clumsy, unwieldy. This 21" size is ideal for maneuverability!

Kresge's Mower has a... RIGID STEEL CHASSIS

Kresge's engine and drive shaft are mounted on a heavy steel chassis that prevents vibration, frame distortion, especially, on hill sides or rough ground.

# The MAIL Attitude

BY PAUL CHANDLER

When should a well-managed petunia be at its very prime? The third week in August, this year, in the opinion of Plymouth's Garden Club.

That, anyway, is when the judging will be done here on the residential plantings. There'll be prizes based on (a) visibility of the flowers from the street; (b) use of combinations of colors; (c) the amount of loving care tendered the petunia.

For 1957 the individual home plantings will be the only contest portion of Operation Petunia. Garden club members did a lot of spade-work (as we say) in an attempt to get the Plymouth merchants into the act, too, but there were snarls. Most merchants were willing to pay for and display plantings, but they didn't have the right type of flower boxes available. It requires an assortment of sizes and shapes, and even then there are problems in affixing them to the buildings.

Garden Club members will propose in the near future that Junior Achievement go into the flower box business, with a ready-made potential market from the merchants. JA salesmen and manufacturers could make the boxes to order during the fall and winter to fit individual requirements and perhaps a year from now the whole business section could be preparing to burst into bloom.

The hot news on petunias for 1957 (Myrilla Schrader tells us) is the appearance of a new red strain that will not fade.

Plymouth citizens, with a little theater group here, plus the Symphony and a general public fondness for the arts, have always displayed interest in the summer theater productions at Botsford Inn on Grand River near Eight Mile. This year the theater will be known as "Music Circle". Previously it has been "Melody Circus."

A notable switch in policy there this summer involves a unique two-platoon system. Music Circle is hooking up with another summer theater outside of Flint. Between them, they will hire two complete theatrical companies, from director on down. Each will have its own show, offering it first in Flint, then at Botsford, a week at each place—or vice versa.

This will mean almost 100 performers under contract at one time. All of them will be imported from the East, to give the stage an "all professional" look. The promoters believe that the two-platoon system will offer more polished performances, plus production economies which are not possible when the whole show is broken down after each week and a new one assembled for the next show.

There's also a new producer on the grounds, Robert K. Adams. He's Michigan-born, but has traveled on the higher theatrical levels in New York for years, with a great depth of experience in the best known radio and television shows. One of his first moves upon reporting for duty was to double the amount of lighting in the tent.

The season opens June 17 with "Plain and Fancy" and the heroine will be Julia Meade, who's best known as a TV reader of commercials for Ed Sullivan and others. Following along on successive weeks will be Pajama Game, Can-Can, New Moon, Peter Pan, Anything Goes, Boy Friend, Brigadoon, Naughty Marietta, Damn Yankee and South Pacific.

Governor Williams appeared at the Rotary Builders' Show in Livonia Saturday evening. He's been around this area many times before, of course, but now that he's rather obviously become a Presidential candidate I found myself more interested than usual in his performance as a politician.

One thing that catches the eye is the hairtint of wife, Nancy. She becomes more blonde with each appearance and currently is a light, light shade that looks almost as if it came from the Hollywood spectrum.

Williams himself seems a little more subdued these days . . . more restrained in his greetings to spectators along the line of march. It almost is as if this public appearance business isn't as much fun as it used to be.

He spotted a group of youngsters below the platform and delivered his short speech almost exclusively to them . . . explaining about the many lakes in Michigan almost in the manner of a patient grade school teacher lecturing her first grade cubs.

Livonia's city officials mostly have Republican allegiances and the tasks of introducing and thanking the Governor were not light ones, but everything came off diplomatically. The one memory that keeps returning is that Soapy's old enthusiasm for being in a crowd appears to have dulled.

Speaking of hair, the Governor's own was standing unruly when he sat down on the stage. Nancy spoke to him about it, and he patted it down, without much success.

Plymouth's downtown shopping area has a distinctly brighter and fresher appearance since the opening of Carl Caplin's and Nat Sibbold's men's store on the main street corner of the Mayflower Hotel.

These men seriously worked at presenting a store-front with a colonial look and the results were superb. They've established a pattern which undoubtedly will be followed in future developments involving the hotel building. The hotel itself has future plans for "colonializing" its entrances, and one reason Manager Ralph Lorenz plans to go to Plymouth, Mass., for the arrival of the good ship Mayflower is to find himself a couple of giant authentic coach lamps for flanking the hotel entrance.

Caplin and Sibbold report excellent business results from their move and new face, too.

# Rock Baseball Squad Nearing Perfect Season

BY BILL HUBERT

Plymouth's powerful baseball team, one of the strongest units in local high school history, brushed off two more opponents during the past week to sweep closer to a perfect season.

The Rocks sewed up the Suburban League championship long ago. Their record as of Tuesday morning stood at 12 victories and 0 defeats, with one contest remaining.

Allen Park, by a score of 4 to 2, and Redford Union, by 6 to 3, are the latest victims of Coach Mike Hoben's well polished team. The Redford Township school was subdued by the combined pitching efforts of Ken Knipschild and Biff Tait here last Thursday.

Allen Park fell prey to Tait's one-hit pitching there Monday. Batting against one of the league's more able pitchers, Brooks Tilley of Redford Union, the Rocks gleaned seven hits, all singles. But the R. U. catcher was having trouble handling the pitcher and Plymouth chased four runs home on pass balls. Larry Wells had two hits in three appearances that day.

Against Allen Park, Tait was strong but wild. He yielded a lone hit when Gene Lisk punched out a clean single. He struck out 8 but walked 10, the latter an uncommonly high figure for Tait, who had been a control specialist heretofore.

Wells drove in two runs with a double, Plymouth's only extra-base hit.

Leading pitcher on a staff of apparent unbeatables is Knipschild. The Junior hurler proudly sports a 7-0 mark, which is good in any league. In the first 31 innings pitched, Ken has allowed 11 runs, has struck out 40 enemy batters, and walked only nine.

But right behind Ken is Senior Tait. A converted first baseman, Tait is possessor of a 5-0 re-

cord, including a perfect game against Northville. The chunky southpaw has allowed five runs fanned 43, and walked 12. Also a winning Rock Moundsman is Bob Cloar, a senior who has been a starting outfielder throughout most of the season. Bob has a record of 1-0, has allowed five runs, has struck out 10 and walked 12.

Wells has been the big gun in the Plymouth offensive movements. Besides having hit the only homer, Harvey is the team leader in the runs-batted-in department. Jim Dzurus and Wayne Jordahl are leaders in three-base production with two each, while

Ken Calhoun is top two-base man with three. Ken is also the leading base thief of the locals with eleven successful "jobs," and has scored the most runs.

Heading a list of five 300-or-better hitters is Bob Cloar, who

is whacking the ball at a hefty .370 clip. Following Bob is Harvey Wells at .343, Jim Dzurus at .333, Larry Wells (Harvey's little brother) at .311, and Ken Calhoun at .307.

## Merchants Win 2nd Game, Elks Lose Second

Plymouth Merchants took the second game of the young season last Sunday when they squeezed out Chelsea 5-4 after a thrilling ending.

With the score at 5-3, two out and Chelsea men on second and third, a single was hit into center field. Though one run scored, outfielder Norm Mahrley hurled home to have the second runner tagged out.

Richard Shephard walked four, struck out six and gave up eight hits to win the game. His opponent on the mound gave up nine hits. Each team had three errors.

The Merchants are tied with Northville and River Rouge in the undefeated ranks. On Memorial Day the Merchants meet up with the other Plymouth team sponsored by the Elks which suffered its second defeat Sunday at the hands of Northville. The Thursday game will be at 3:30 p.m. in Riverside Park. The Elks will play Sunday at Detroit Control and Plymouth Merchants will be host to Northville.

**This an' That**  
 Louisville, Kentucky has set out to make "hay" of the famous Kentucky Derby by building a week-long festival around the horse race. Added attractions of this year's Derby included a nationally-televised boxing match, a highly successful Kentucky Derby Open Golf Tournament and a big parade. Bill Corum and others responsible for the Derby, while backing Louisville's bigger ambitions, would prefer not to have too many events so close to Derby post time. Hundreds of sports writers from over the world come to Louisville to witness the race and write about it and they'd like to keep it that way... The fourth time was the charm for Sugar Ray Robinson. When the great fighter kayoed Gene Fullmer to regain the middleweight title he earned enough money to pay off his back debt to Uncle Sam and at the same time set himself up for the biggest payday of his career. A match against Carmen Basilio will put plenty of chips in the coffers for both fighters.

SCHOOL BOARD MINUTES

The regular monthly meeting of the Board of Education of the Plymouth Community School District was held in the homeliving room of the high school on Monday, April 8, 1957.

Present: Mr. Fischer, Mrs. Hulsing, Mr. Smith, Mr. Stecker, Superintendent Isbister and administrative assistants Mr. Blunk.

Also present: Mr. Arnold, Mr. Brown, Mr. Platnik, Mr. Reeves and Mr. Becker. Mr. Reeves, high school teacher of economics, brought to the attention of the Board his concern about the lack of understanding of basic economics on the part of high school youth. He recommended that the economics course now offered on an elective basis be made a requirement for high school graduation. Mr. Reeves also recommended that students be grouped and taught in all high school classes on the basis of ability, superior students in one group—average students in another—and below average students in the third group.

Mr. Arnold, speaking for the Plymouth Education Association, pointed out the progress made by the Committee on teacher growth and improvement. He noted with interest the cooperative approach by teachers, administrators and lay representatives in reaching a common ground of understanding, in developing common purposes and in pursuing these purposes with a sincere devotion to the task which lies ahead. He suggested that the Board reconsider the deadline date set for September 1 when the administrators are to present a workable plan for the recognition of outstanding services of teachers.

The Board members pointed out that the September 1 date was scheduled in order to speed up the process of study and not to fix any particular solution to the problem. It was generally felt that the discussion which followed was mutually satisfying to both the Board and the Committee and another discussion session was scheduled for Monday evening, April 15.

Mr. Stecker presented a report for consideration of the following cost estimate for enlarging and modernizing certain facilities in the high school:

Library with asphalt tile over concrete base floor	add—1,050	\$9,194
Mr. Elton		15,553
With asphalt tile over concrete base floor	add—1,654	16,207
Biology Room		9,134
With asphalt tile over concrete base floor	add—1,102	10,236
Greenhouse for Biology		5,152
Remove Partition & Replace Fixtures		775
		775
Mr. Becker pointed out the work on these projects could be done during the summer months.		
Mr. Foster, Mr. Heger, Mr. Dittmar, Mr. Ingram, Mr. Berk, Miss Welch, Mr. Elston, representing the Plymouth Education Association, appeared before the Board to discuss the salary situation.		
Mr. Fischer indicated that the Board had received the letters from the Plymouth Education Association which set forth the opinions of the teachers relative to the Board's salary schedule were recorded. He noted that the Board felt the schedule was fair and planned to activate it on the basis of the condition.		
Mr. Dittmar presented for consideration the following alternate schedule:		

Years	A. B. Degree	A. M. Degree
1	4,600	4,900
2	4,800	5,100
3	5,000	5,300

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Smith and Mr. Stecker. Nays: None.

It was moved by Mr. Smith and seconded by Mrs. Hulsing to approve the purchase of Brunswick, Heywood-Wakefield, and American Seating classroom furniture for the new junior high school.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Smith and Mr. Stecker. Nays: None.

Mr. Elunk was instructed to contact Mr. Becker regarding estimates for replacing doors, windows, and plumbing fixtures in the old junior high school. A special meeting was called for Monday evening, April 15, at eight o'clock. Meeting adjourned at 11:15 p.m.

Respectfully submitted, Esther L. Hulsing, Secretary

A special meeting of the Board of Education of the Plymouth Community School District was held in the homeliving room of the high school on Monday, April 15, 1957.

Present: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith and Mr. Stecker, Mr. Blunk and Mr. Isbister.

Also present: Mr. McCabe, Mr. Adams, Mr. Rank, Mr. Brown and Mr. Elston of the School Personnel Policies Committee.

President Fischer called the meeting to order at 8:00 p.m.

The minutes of the last regular meeting were read and approved as corrected. Mr. McCabe pointed out that the School Personnel Policies Committee hopes to continue its work during the summer and it stood ready and willing to work separately or jointly with the administrative staff and the teachers in the development of criteria for performance reviews and, or administrator-teacher conferences in which teacher evaluation takes place. He noted, also, that the committee had under way plans to classify and compile existing personnel policies with suggested changes.

A lengthy discussion followed in which opinions were expressed relative to the progress being made on the Board's resolution to have a workable plan out of which could come a fair compensation schedule for teachers. It was mutually agreed that the first objective was to create an understandable environment out of which could come a plan for teacher salaries.

It was moved by Mrs. Hulsing and seconded by Mr. Smith to postpone indefinitely the September 1 deadline set by the Board for the administrative staff to have a plan which recognizes outstanding services of teachers, and direct the administrative staff to work cooperatively with the School Personnel Committee in the preparation of the plan so that progress reports on the plan will be made to the Board in June and September.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith and Mr. Stecker. Nays: None.

School bus bids were opened and read as follows:

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith and Mr. Stecker. Nays: None.

A letter from the Greenspan Development Company relative to projected improvements in their proposed subdivision was read and placed on file.

A special meeting was called for Monday evening April 22. Meeting adjourned at 10:40 p.m.

Respectfully submitted, Esther L. Hulsing, Secretary

A special meeting of the Board of Education of the Plymouth Community School District was held in the homeliving room of the high school on Monday, April 22, 1957.

Present: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith and Mr. Stecker, Mr. Blunk and Mr. Isbister.

President Fischer called the meeting to order at 8:00 p.m.

A letter from the Finance Committee of the Plymouth Education Association, indicating that the association had rejected the Board's salary proposal, was read.

Superintendent Isbister was instructed to prepare contracts based on the Board's proposal adopted at the special meeting held on Monday, April 15, 1957 and distribute them to the teachers.

It was moved by Mr. Stecker and seconded by Mr. Mitchell to approve an upward adjustment of \$100 in the maintenance and custodial salary schedule for the school year 1957-58 and that an additional increment be added to the top of the schedule.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith and Mr. Stecker. Nays: None.

It was moved by Mr. Mitchell and seconded by Mrs. Hulsing that one increment be added to the office and secretarial salary schedule for the school year 1957-58.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith and Mr. Stecker. Nays: None.

It was moved by Mrs. Hulsing and seconded by Mr. Mitchell that the following proposal be placed on the ballot at the annual school election on Monday, June 10, 1957:

Shall the limitation on the total amount of taxes which may be assessed against all property in Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, for all purposes, except taxes levied for the payment of interest and principal on bonds authorized, or levied to December 9, 1932, be increased, as provided by Section 21, Article X of the Constitution of Michigan, by forty-five hundredths of one per cent (0.45%) of the assessed value of the property in the school district for a period of five (5) years, from 1957 to 1961, both inclusive, for the purpose of providing additional funds for operating expenses?

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith and Mr. Stecker. Nays: None.

It was moved by Mrs. Hulsing and seconded by Mr. Mitchell that the following proposal be placed on the ballot at the annual school election on Monday, June 10, 1957:

Shall the Plymouth Community School District of Wayne and Washtenaw Counties, Michigan, be reclassified and become a school district of the third class?

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith and Mr. Stecker. Nays: None.

A special meeting was called for Monday evening, April 29, 1957. Meeting adjourned at 10:15 p.m.

Respectfully submitted, Esther L. Hulsing, Secretary

A special meeting of the Board of Education of the Plymouth Community School District was held in the homeliving room of the high school on Monday, April 29, 1957.

Present: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith and Mr. Stecker, Mr. Blunk and Mr. Isbister.

Also present: Mr. Melow, Mr. Eckles, Mrs. Latta and maintenance and custodial personnel from the Community Schools.

President Fischer called the meeting to order at 8:00 p.m.

He discussed the maintenance and custodial personnel the Board's salary proposal for the next school year. He indicated that a careful review of salaries paid for similar services in neighboring school systems as well as in local industry prompted the Board to make the following adjustments beginning July 1, 1957:

1. Add \$100 to the salary schedule.
2. Add an increment of \$125 to the top of the salary schedule making \$12,500 the maximum salary for any year or more years as provided for those eligible who have served three years or more in the school system.

An open forum followed in which opinions, objections and suggestions for change were expressed.

Mrs. Latta spoke to the Board about the inequality of educational opportunity being jeopardized when P.T.A.'s in certain schools are financially able to make substantial gifts of instructional materials to their schools when P.T.A.'s in other schools are unable to match those gifts.

Mr. Becker, Wheeler & Becker, Architects, upon request presented for consideration his estimates for modernization in the present junior and senior high school buildings.

Estimate for junior high school alterations	\$11,172.00
Estimate for senior high school alterations	9,194.00
Library	16,207.00
Art Room, third floor	10,236.00
Biography Room	10,236.00
Biology Greenhouse	5,152.00
Remove Partition between 2 Third Floor Classrooms	775.00

It was moved by Mr. Stecker and seconded by Mr. Mitchell to approve the proposal for modernization in the high school, with the exception of the biology greenhouse, and that Mr. Becker be authorized to proceed with the plans.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith and Mr. Stecker. Nays: None.

It was mutually agreed that a further review of the proposal for modernization of the present junior high school be discussed further in the special meeting on Monday, May 6, 1957.

Mr. Greenspan, Mr. Braun and Mr. Serasky of the Lakepointe Development Company appeared before the Board to discuss a school site and its development. The Board took the position that sewer, water and streets must be available at the site as a condition of purchase. Moreover, when the cost of the site was determined these services should not be added to the cost. Mr. Greenspan agreed to have a proposal to the Board at the meeting on May 13, 1957.

It was moved by Mr. Smith and seconded by Mr. Stecker to approve for payment up to \$1,000 of bills assumed by the Plymouth Symphony Society in the construction of the music shell in the high school gymnasium. The shell expenses total \$2,556.55.

Ayes: Mr. Fischer, Mrs. Hulsing, Mr. Mitchell, Mr. Smith and Mr. Stecker. Nays: None.

Superintendent Isbister was instructed to invite the executive committee of the Area Cooperation Group to meet with the Board on Monday evening, May 6, 1957 for the purpose of discussing problems of mutual concern. Meeting adjourned at 11:25 p.m.

Respectfully submitted, Esther L. Hulsing, Secretary

**THIRD GRADE** pupils of Mrs. Jane West at Bird School had the exciting experience last week of opening up an oyster in which there was a cultured pearl. Tim Scott, son of Mr. and Mrs. William Scott, 416 Evergreen, received the specially canned oyster from his uncle, an admiral stationed in Japan. The white pearl, slightly larger than a pea, is shown on the oyster being held by Tim.

**Local Fifth Graders Visit Greenfield Village.**

Fifth grade classes of Anne Welch and Mrs. Carol Benjamin of Starkweather school visited Greenfield Village Friday, May 24, where they had lunch. Monday, June 3, the two classes are to return to the Village to go on a guided tour of the Henry Ford Museum there. Information will be given on transportation of the past and present. The port of New Orleans has 23 miles of developed water frontage.

**Parkview Circle News Resident Recalls Seeing Flags Decked from 63 Subdivision Homes**

Wonder what ever became of all those American flags we were so proud of last Memorial Day? Remember how Old Glory gaily waved from every one of our 63 homes? Quite a colorful sight, wasn't it? Kinda seems to me that since that initial display the flags have been sorta few and far between. Guess maybe some are in the attic gathering dust, or we go away and forget to ask our neighbor to put them up, or maybe it's just too much trouble. Wonder if this Memorial Day will prove that I'm a stinker for having mentioned it.

Dee and Les Upton of Garling drive entertained Upton's Golden Rule Bible class of the First Baptist church last Saturday evening.

Christopher Allen Truax was the center of attraction last Sunday when his parents, Joyce and Al Truax of Garling drive, entertained at a buffet luncheon. The occasion marked little Chips' baptism at St. John's Episcopal church. Guests were Mr. and Mrs. Robert Howey of Detroit and grandparents, Mr. and Mrs. Harry Moynes, also of Detroit.

Services were held Thursday morning, May 23, in Detroit at the Hunter and Calendar funeral home for Ted Olszowski, 42. Ted was the brother of Stephanie Bird of Parkview drive and until recently had made his home with the Birds.

The Dick Kerrs (formerly of Parkview circle) were unexpected dinner guests at the Quilman Tuesday evening. The Kerrs leave May 23 for their new home in California where they will go into private business, specializing in party foods.

To date, no plans have been made for the June association meeting which is scheduled as a social month. Any ideas? Call Walt Lake at 309-W.

Typical weekend in Parkview Circle: Jim Parks setting out plants, Lloyd Curok pushing lawn mower, Ethel and Jim Cameron wheeling peat humus, Jim Neely mowing lawn and Jewel perched on door step with coffee cup in hand, Bill Stang raking front lawn, Jack Ruland mowing and Lee, with arms akimbo, looking at map, Jim Spensler clipping shrubs, Walt Lake washing windows, Helen supervising, Allen Upton washing out car, Madeliene Kendall walking her

dog, Jimmy Lake and Don McGill washing Don's car, Ottilie Cobleigh spraying her roses, Marty Kennedy, Sr. spading curb lawn (he said for petunias), my guy putting in drain tile, Dot Wilson hanging up wash, Joe Quinlan sweeping driveway, Barney Bird trimming lawn, Harvey Cooper and Paul Kaufman discussing something or other—looks important. Doug Vincent pulling weeds, Marianne and Brad Carpenter having struggle with weeds, Dottie Conn emptying waste baskets. What with watching everybody else, is it any wonder it took me so long to edge our sidewalk?

Understand the confirmed bachelor (Marty K., Jr.) was in a dangerous situation the other night. He was lifeguard for a coed "Splash Party" at Highland Park Junior College where he is a student.

The Ted Kuhns spent the weekend at the W.M.C.A. Mahn-gotah-see Camp near Hale, Mich. They were sponsors for the intermediate and senior M.Y.F. group of the Methodist church.

Scraping, painting and cleaning all finished. Cruiser ship-shape. Fairly decent weekend weather predicted. So—Saturday the Cameron and Stane families took off for the Grosse Ile Yacht Basin and then over to Sugar Island for a picnic. Sunday, Barbara and Dick Papp joined them for another island cruise. In the evening they all enjoyed a backyard barbecue at the Camerons.

Earl Atkinson of Parkview drive has been in West Branch, Mich., on business for the past few weeks. His wife, Esther, joined him for the weekend.

Don't forget to mark June 6 on your calendar. As parents and taxpayers you'll surely want to attend the Town Hall meeting to see and hear the candidates competing for the School Board election. Carroll Munshaw, deputy superintendent of Wayne County schools, will moderate. The entire program will take approximately one hour. You're all invited to our house for cake and coffee after the meeting.

**GIRL SCOUT NEWS**

By way of celebrating the end of a very busy and happy year, Intermediate Scout troop 4 had dinner at the Mayflower Hotel Thursday night, May 23. Mrs. James Steele, Christine Baker and Allison Scott were guests of the troop. Wednesday afternoon, May 22, at their regular meeting at the Smith school, troop members received awards they had earned. Joyce Day was awarded the Game badge. Christine Bartel, Elaine Kanka and Joan Mathews were awarded the Child Care badge. Kathy Holt received the Game badge and the Girl Scout Swimmer badge. Rosemary Steele received the Child Care, Adventurer and Canoeer badges. The following girls, who received their Girl Scout pins in March, were awarded their Second Class badges: Linda Rossow, Mary Thomas, Nancy Thompson and Carroll Sue Urban. Christine Baker and Allison Scott, Senior Girl Scouts, have assisted Mrs. Fordyce Sutherland, troop leader, at various times throughout the year.

At a ceremony Tuesday evening, May 14, at the Veterans Memorial Building, with mothers of the girls as guests, the following members of Brownie Troop 25 became "fly-ups": Marilyn Baker, Karen Davids, Cynthia Lacey, Reta Lane, Phyllis Larrabee, Helen Lisull, Sue Ann Schultz, Cheryl Stahl, Wendy Stokes and Linda Walker. Mrs. John Davids and Mrs. Robert Vetter are troop leaders. This troop is planning an overnight at the Kiwanis Girl Scout lodge for June 7.

Members of Intermediate troop 16 have been working to fulfill the requirements for the Good Grooming badge. Recently Mrs. Robert Cunningham of Mary Ann's Beauty Shop talked to the girls on beauty care. Troop leaders Mrs. Robert Diekman and Mrs. Paul Grimes planned a Court of Awards Wednesday night, May 29, at the Girl Scout lodge. Parents of the troop members were guests.

Theresa Burleigh, Girl Scout regional representative for Southeastern Michigan, was a visitor at the regular meeting of troop 21 Tuesday afternoon, May 21 at the Veterans Memorial Building. This was the first opportunity the troop members have had to hear

Both the Canton and Plymouth township supervisors were in Lansing to protest the state's proposal to hike the state's valuation level by 9.8 per cent. This hike is despite the county's own recent "across-the-board" readjustment in every city, village and township. Wayne county will be paying nearly 40 per cent of the state's taxes, Supervisor Lindsay pointed out.

#### HOW LONG SHOULD A LEATHER SOLE LAST?

The perplexing aspect of the life of sole leather is that adults' shoes last six months, a year, or more while children who are sitting in school much of the day can go through a good leather sole in four weeks. Recent studies show that sole leather does not wear out — it washes away. When leather gets wet the oils that lubricate and hold the fibers together ooze out of the leather, leaving the oil-leather shreds and quickly scuffs off. Silicone Shoe Saver developed by the Dow Corning Chemical Co. renders leather water repellent and is supposed to add 30% to the life of the soles. A one dollar bottle will waterproof three pairs of shoes.

mouth with their volley of rifle fire. Concluding the program will be the laying of the wreath by Explorer Scouts and the playing of taps.

Taking part in the parade in addition to the service organizations and their auxiliaries will be the Gold Star Mothers, Navy Mothers, World War I Veterans of Benton Parkway Barracks 267, U.S. G.I. Club, Moms of America, Girl Scouts, Boy Scouts, K of C, Boys Club and others.

Ernest Koi, commander of Passage-Gayde post of the Legion, is grand marshal of the observance. His aide is John Schwartz, commander of the V.F.W. The two service organizations provide grand marshals on alternate years.

Other organizational heads who will be introduced during the morning program will be Mrs. Melva Gardner, president of the Legion Auxiliary; Beverly Brown, president of the V.F.W. Auxiliary; Mrs. Irma McLean, president of the Navy Mothers; Mrs. Adolph Kuschler, president of Mom's of America; Jesse Tritten, commander of the Ex-Servicemen's club; Mrs. Myrtle Brown, president of the Ex-Servicemen's Auxiliary; Mrs. Claude Cruse, president of Daughters of the American Revolution; Thomas Harney, commander of World War Veterans, Benton Parkway Barracks 267; and Mrs. Violet Brown, president of Benton Parkway Auxiliary.

tion, new construction and re-evaluations by the governments themselves, the school district's financial picture is much brighter today than several months ago. This year the state equalized value was \$56,118,624. If the state's 9.8 per cent is applied, the valuation will go up to \$75,193,787.

Supervisor Stein said that taxes in his township will be cut because the valuation has gone up, and all that is needed is \$6,000 for operation. "No one's going to be paying higher township taxes in Canton but apparently they will be paying higher school taxes. Is that right?" he asked the board.

Board members replied that the board had adopted a "conservative" budget because of an anticipated cut in state aid and because the board didn't expect a hike in state equalized valuations. Right now, it was pointed out, the money situation is good, but next year when there will be more school construction planned, another bond issue is probable. Millage not needed for operating or retiring other issues can be applied to the bond issue without raising the present level, it was asserted.

Members of the Library Book club met on Tuesday evening, May 28, in the home of Mrs. Louis Norman of Ann Arbor Trail.

### 1956 PHS Graduate Broadcasts Own Radio Program Over WPAG

The Senior class president of Plymouth high school last year, now a freshman at Eastern Michigan College, broadcasts over WPAG 1050 on the radio dial, Ann Arbor, from noon to 6:30 p.m. every Sunday.

Beginning his job with WPAG two weeks ago, John Small, son of Mr. and Mrs. John Small of 1125 Canton Center road, presents his own disc jockey program, "Music for Sunday," from 3 to 3:30 p.m. and from 6 to 6:30 p.m. He selects the records to be used and does the advertising in addition to announcing news and weather.

Requests for anniversaries, birthdays or dedications which are called or written in are played by John.

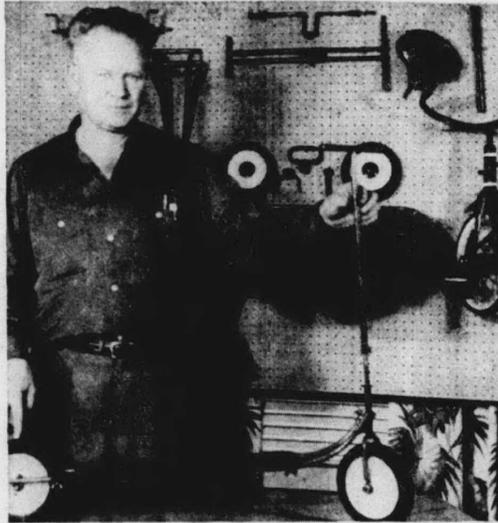

Several months ago, John applied to the radio station for such a job and was told that his voice was not developed enough. When he re-applied three months later, station officials were so impressed with his improvement, he was given a job right away.

John plans to continue with his radio work this summer, making it a full time job with WPAG.

Mrs. Wendell Lent, who resides on Edison avenue, was hostess Tuesday evening, May 28, at a stork shower for Mrs. George Gottschalk, Jr., entertaining about 28 relatives and close friends from Detroit, Garden City, Wayne and Plymouth.

TWO PLYMOUTHITES were among those displaying works of art at the Madonna College art exhibit last week. Mary Ann Watson, left, of 1170 Maple, is a senior art major and had many pieces displayed, some of which are shown here. Mrs. Arthur Gardner, 42457 Parkhurst, is an adult education student and is displaying the painting she holds and two nearest her on the floor. A number of Livonia women were also enrolled in the adult courses.

SOME INGENIOUS inventions made by H. D. Spence, 15201 Northville road, are on display at the New Inventions and Gadgets Exposition at the Michigan State Fairgrounds, May 24-June 2. Spence is shown with his "multiple toy" which can be converted into a wheelbarrow, scooter, tricycle, tri-wagon, wagon and Irish Mail with the aid of an end wrench. He also has several ladder inventions and a transparent lamp base with no visible cord. Over 300 inventors will show their products in hopes that manufacturers will be interested. Spence owns the Plymouth Radiator Repair.

first time he read his poem, "I Take a Heap of Living to Make a House a Home" over radio," Ted recalled.

"It wasn't all fun," he added. "We had a few anxious moments the day Eddie Rickenbacker got 'mike fright' during a radio interview. But he came out of it and as usual the show pulled through."

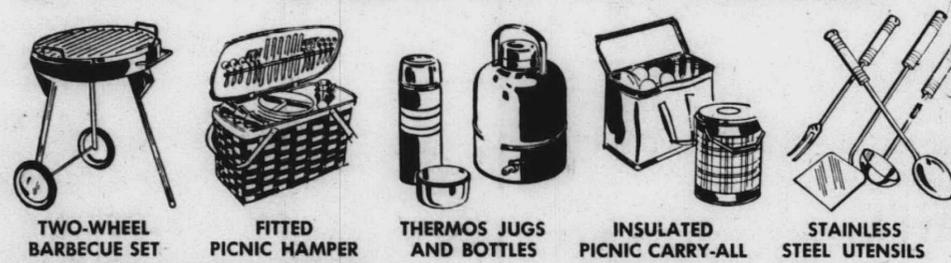

Ted retired from full-time broadcasting to take over duties in the circulation department of the Free Press and later became advertising and public relations director for the Detroit Trust Company. In 1940 he joined Brown & Bigelow, today's leading manufacturer of calendars and specialty advertising.

Besides being an announcer, salesman and advertising executive, Ted has adorned his home with several Harrington paintings. At one time Brown & Bigelow reprinted some of his creations for their business calendars.

The 60 year-old artist lives in a new ranch style home with his wife Peggy and still carries on with Brown & Bigelow, where he is among their first top ten salesmen.

"I hope I'll never have to retire," he concluded.

A Woman's Eye View

by Virginia Robertson

It's amazing how in only four months a person can become so attached to a town and the people in it. But, short as my stay in Plymouth has been, next week will be my last here, and it's certainly with regret that I'll be saying goodby to Plymouth and the people I've met here. It seems as though I just came here last week.

I'll be heading out to California for my sister's wedding June 8, and, after a lot of deliberation on the idea, I've decided to stay there once I get there. All my family are there. And, the boy I've been going with for the last few years, who is to graduate from the University of Michigan this month, has a job lined up on the west coast with an oil company. He can be mighty persuasive sometimes . . .

Whether I'll be staying in the newspaper business or not probably all depends on what jobs are available and where. My experiences here at The Plymouth Mail have been very enjoyable; a person couldn't ask for a nicer bunch of people to work with, and that's important in any job.

So, with my mind full of pleasant Plymouth memories, next Wednesday or Thursday I'll be heading westward, to make California my home.

Local Youths Win Legion Awards

Essay and poppy awards were presented at a recent American Legion auxiliary meeting, and district winners were announced. Awards of ten dollars were given to Roger Kenner, first in the senior group, and Steve Hayskar, first in the junior group. The two boys also came first in district contest and will receive awards at the next district meeting, to be June 7 in Plymouth. Steve was second last year in the junior group.

Second place winners in both the senior and junior group, Richard Small and Susan Neal received two dollars.

Poppy awards of five dollars were given to Richard Showers, 12th grade; Nancy Brehmer, eighth grade; and Julie Lent, fifth grade. Richard and Nancy came in first in the district contest, class two and three. Class one award went to Priscilla Burke, sixth grade, Stuckey school, Redford Township. District poppy winners will also attend the June meeting.

Guests at the last meeting were Mr. and Mrs. Wendell Lent, Mr. and Mrs. Eino Hayskar and daughter Susan, Mr. and Mrs. Noel Susner, Mr. and Mrs. John

Small, Mrs. Florence Neal and Mrs. William Kenner. Refreshments after the meeting were furnished by Gwen Holcombe.

Nomination and election of the next auxiliary business meeting, June 13.

Ladies of St. Alexis Society to Give Smorgasbord

Ladies of the St. Alexis Altar society have completed plans for their Smorgasbord, to be held on a Sunday in June in the Parish hall.

Mrs. Walter Tatchek, general chairman, has been working out details with committee chairmen.

In charge of keeping food warm for the dinner will be Mrs. Michael Schwartzburger and Mrs. Ted Birdsall. Mrs. Leo Denoyer will take charge of rolls and relishes, and Mrs. Richard Grondin, desserts. Mrs. Duane Devlin and Mrs.

Marvin Martin will be in charge of the coffee.

Mrs. Frank Maynard, dining room chairman, has asked Mrs. Charles Getson and Mrs. Ralph Bishop to direct the waitresses. Hostesses will be Mrs. Harold Lansky and Mrs. Anthony Camilari.

Other committee chairmen are Mrs. A. J. Kamm, tickets; Mrs. John Ceo, clean-up; Mrs. John Mansfield, table arrangements; Mrs. John Ampan, salads; and Mrs. Douglas Prevost, meat.

Ladies in the society will donate their own specialty recipes. Proceeds will be used to furnish the Sister's convent. A recent study by Japan's Economic Planning Board of personal incomes in the first nine months of 1956 showed an increase of 13 per cent over the same months of 1955.

Who's New in Plymouth

FROM THE LOOKS OF THIS TROPHY, indications are that Hugh G. Maley sometimes swings a mighty mean club on the golf links. Mr. and Mrs. Maley, new residents who moved to Plymouth last November from Detroit, live at 1167 Simpson. Their son, Brian, 11, is a student at Our Lady of Good Counseling school. In Mrs. Maley's opinion, Plymouth's friendliness is one of the town's outstanding features, making it "very different from Detroit." Maley is research foreman at the Detroit transmission division of General Motors.

# One Editor and Another

Wherever newspaper editors set up their stand, they think about the same kind of things. One of the fine editors of the nation, in our opinion, is Ralph McGill of the Atlanta (Ga.) Constitution.

He's our hero on this eve of Memorial Day because of a speech he delivered to a group of college students a few days ago. McGill lives in Georgia and knows nothing about Plymouth or Livonia or Redford Township. But he knows the pressures and forces which are loose in all of American society.

If McGill had been sitting in this community himself, he couldn't have stated our own editorial policy any better.

He believes papers should take stands on issues.

He says they should endorse political candidates.

He favors frank writing and courage.

He abhors the "McCarthy school who seek to make us adopt totalitarian methods to protect us from totalitarian pressures."

All of those things, we ourselves have sought to make cornerstones of our editorial policy in Plymouth, in Livonia, in Redford Township.

Now, listen to McGill in more detail:

"I honestly believe newspapers of today and the future will prosper only as they have something to say—only as they do not fear to enter into controversy; only as they venture boldly into the issue.

"There are some newspapers which are not doing well. I have run my own poll on them in the form of close examination and study, and they are without exception, newspapers which are either so reactionary as to be far behind the times save for a steadily decreasing type of readership, or callously indifferent to the readers' tasteless, monotonous paraphrase of a Biblical truth, 'the same yesterday, today and tomorrow.'"

"You might be surprised how many publishers and editors there are who have taken the stand that their editorials always be what they call 'constructive' and never critical in a constructive way.

"But what the 'constructive only' editorial

school means is that their editorials must be little essays, often beautifully written, singing like Tennyson's brook, but, in fact babbling like it, too, and saying nothing at all save love and fellowship, spring and sunsets are wonderful.

"There are others who say newspapers should never endorse a political candidate, no matter what sort of person his opponent may be, or what the issues are. 'Leave it to the people to decide,' they say. 'Don't tell them how to vote.'"

"Well, in the first place, the one and only reason newspapers were included in the Constitutional guarantees was so that they might have a voice—so that the people could have a vigorous press, free to print its views and the news.

"Secondly, you will pardon me if I believe the publisher or editor who says he will not venture onto the political battlefields, no matter how odious some candidate may be because he doesn't want to 'tell the people how to vote' is hiding behind a false phrase. When a newspaper says that in its opinion it believes Candidate Joe Blow is the best man and the record of John Doe is not one to recommend him, it certainly is not 'telling' the people 'how' to vote. It is merely doing its duty, as recommended by the Constitution of the United States, and expressing its own opinion."

"The nation is in danger. The free world is in danger. There is fear all about us. There are those of the McCarthy school who seek to make us adopt totalitarian methods to protect us from totalitarian pressures. To preserve freedom they would destroy it.

"I insist that to do the job of protecting freedom of press, freedom of speech, freedom of assembly, we must not become more and more like the totalitarians, but that we must become more and more like the image of our true selves which the Constitution of our country envisions. And that applies to all of us—news men, business men, professional men."

### What Are Growth Stocks?

BY ROGER SPEARS

Q. I am a new investor, 30 years of age and have been looking into different aspects of the stock market. I have seen the designation "growth stocks" used over and over again. What are growth stocks and how can they be recognized?

A. Broadly speaking, a growth stock is the stock of a company whose sales, earnings and dividends, over a period of years, are rising at a considerably faster rate than the average of all companies in the national economy. For investment purposes, a more dependable definition is that when the sales, earnings and dividends of a company rise faster during years of expanding business, and decline less in the subsequent period of declining business, than the average of all companies, and this occurs through at least two up and two down swings, the company can probably be classified as a growth company.

The case for a company being a growth company is greatly strengthened and your risk of investing in it substantially reduced if in addition to qualifying under the above definition it successfully stresses research, and is operating in a growing industry. In this category I would include such groups as oil, electrical and electrical equipment, pharmaceuticals and chemicals.

Q. I am 50 years old and buy stocks for investment rather than speculation. I've held Peoples Gas for several years and want to continue with it. However, the stock has had such a good rise that I was wondering if it still could move higher.

A. Continue to hold your Peoples Gas. Peoples Gas is an extremely sound utility and is considered a top-grade investment. One reason the stock has advanced since the first of this year is that it has recently been split 4 for 1. It is characteristic of most stocks that they advance in anticipation of or on announcement of a split in their shares.

Another reason behind Peoples' rise is that the company is a partner in an important new oil find off the shore of the Gulf of Mexico which should mean a lot to the company over the years. In addition, the expected opening up of major natural gas supplies to the company would insure Peoples' growth in the vast Chicago market. The stock has declined somewhat from its recent peak, a normal reaction after its 30-point advance, but since you are holding it as a long-term investment such a reaction should not disturb you.

TRUE OR FALSE  
AN Investor Should Not Buy Stocks Selling At More Than 12 Times Earnings.

FALSE. The ratio of the price of a stock to its earnings, as compared to the price-to-earnings ratio of other stocks, is not usually an important factor in determining whether or not a stock should be sold or bought. The leading stocks in strong growth

industries usually sell at quite high price-to-earnings ratios. For instance, duPont, Dow Chemical and Minnesota Mining, to name but three, have long been selling at 20 to 30 times earnings.

On the other hand, the stocks of companies subject to wide swings in their business volume and earnings over the years (usually found in the so-called "cyclical" industries) almost invariably sell at low price-to-earnings ratios. The automobile industry for a long period of time was (and to some extent still is) in this classification. General Motors and Chrysler Corp. for much of the time in the past twenty years have sold at well below 10 times earnings.

As a matter of fact, despite their high P-E ratios years ago as compared, for instance, with leading automobile stocks, investments made at that time in the three growth stocks mentioned above have, up to now, appreciated enormously more in value than had the same investments been made in General Motors and Chrysler.

(Send your investment questions to Mr. Roger E. Spears, c/o of this paper.)

## What's Your Question On World Affairs

BY EDGAR ANSEL MOWRER

"Do you think this so-called Communist uprising and suppression (repression?) in Jordan is just a plot to have the U.S. give millions to Jordan to relieve of this responsibility Egyptians, Egyptians, Saudi Arabia and Saudi Arabia and Syria that promised money to Jordan but actually can't afford to give it?" (M. K. Hempstead, N.Y.)

Certainly not. This time the King of Saudi Arabia sent the money to King Hussein of Jordan and the United States sent the Sixth Fleet to nearby waters to prevent the taking over of Jordan by a pro-Communist clique that would have imitated Syria in accepting Soviet arms and influence. So far the Jordan incident has been a victory for our side.

"Why don't you apostles of truth and justice British-flavored tell the truth about Northern Ireland, not just half the truth?" (John R. Reardon, Philadelphia)

I think we do try to tell the whole truth as we see it, although it is not always easy to obtain, still less to evaluate. One sure way not get the truth is to suspect all who differ of being liars. Imperfect as it is, British justice rates pretty high among the various national brands.

"We have taken in Hungarian refugees. Have we offered to take in an equal number of Palestinian Arab refugees from Gaza? If not, why not?" (Pat Miller, Carmel, Calif.)

One reason is that so far as I

know, these refugees have not asked entrance to our country.

Another is the Egyptian Government probably would not let them leave since it intends to keep them in camps in order to make easier the Arab promise of driving the Jews into the sea. They are not, strictly speaking, the victims of aggression, though it is tough to be deprived of one's ancient homelands—our ancestors deprived the Indians.

"You continually harp on Russia's aggressive conduct, but I wish to ask you what right did we have to stick our nose into the our conduct in the Spanish Civil War?" (Mrs. H. R. McIntyre, Portland, Ore.)

Repeatedly in this space I have tried to point out that, short of an effective world authority able to establish and enforce justice, individual nations have acted and will continue to act more according to what they consider their national interests than by any absolutely fixed principles. The U. S. Government waited too long to stick its nose into Chinese civil war and should, in my judgment, have sold arms to the Republican Government of Spain which at the beginning of the officers' re-

bellion was free of Communist influence.

"In view of the present world situation, why do we not avail ourselves of the way of the Prince of Peace: Love thy neighbor as thyself?" (David W. Gibson, Walla Walla, Wash.)

If you mean why do we not practice integral pacifism and turn the other cheek, I can only suggest that such conduct would mean giving unto Caesar—in this case, Czar Khrushchev—whatever he wants, including our freedom and our forced labor. Would this really be better?

About 305 South Dakota schools are participating in the milk program sponsored by the U.S. Department of Agriculture. The children are expected to consume some six million half-pints of surplus milk.

OH! OH! TROUBLE AHEAD!

What this playful little fellow will do to that expensive camera is certainly a horrifying thought! Let's hope his master has an "All Risks" Camera Floater. It covers photographic equipment for nearly every hazard, anywhere.

## If Your Name Is Merinda

BY ANN REYNOLDS, PH.D.

Why talk about Merinda and Bellinda at the same time? Because they are variations of one and the same appellation. The most usual form of it is "Belinda" however, there are girls called "Melinda"; I had a school-mate "Melinda"; "Melinda" and "Belinda" are rhyming variations; there are also other names with such variations, for instance "Molly" and "Polly".

From "Melinda" it is an easy step to "Merinda". For some persons, the "I" is hard, even impossible to pronounce; substituting an "M" is the usual way out. "Belinda", not quite as old as some other first names, has been around for a good many centuries. It existed in Old Germanic in the form "Belindis". Its meaning? One that strikes us as startling for a girl. "Lindi" means "a snake", and the first syllable of "Belindis" remains unexplained, so far. To give a girl a name meaning "a snake" may be less strange than it seems; the snake has been considered as smart by many nations in antiquity.

One "Belinda", a fictional character, is the beautiful young heroine in Pope's poem, the "Rape of the Lock". A real life incident formed the subject of the "Rape of the Lock". Lord Petre, a 20 year old young man, had swiped a lock of hair of one Miss Arabella Fermor, a belle of her day—just in the way of a practical joke. The joke, however, proved impractical, because the girl took offense, and would not be reconciled, not even when a mutual friend of the two suggested to Alexander Pope that he write up the incident in order to appease the young lady, and he did.

Among the later fictional heroines, a comparatively recent one—recent in regard to the age of this name, is the Belinda in the novel entitled "Belinda" by the Irish writer Maria Edgeworth. The novel was published 1801, and together with Miss Edgeworth's first book, "Castle Rackrent" established her fame.

(Interested in other names? Is your name unusual? Write about it to Dr. Reynolds, care of this newspaper.)

And we believe that when you see it, sit in it and drive it, you will consider it the most magnificent fine car on the American scene today. Naturally, the superb new interior of the ROADMASTER 75 is what you will judge first. For the seats are fashioned in super finished wool broadcloth or nylon, with backs topped in hand-buffed leather. They are wide, deep, superbly soft—and flanked by fully upholstered and cushioned doors. The chromed and safety-padded instrument panel, the wide-sweeping armrests, the deep-pile carpeting—even these have been designed to a new excellence. With equal pride, we invite your judgment of the magnificent performance here. For only here—among all fine cars—do you have the smoothness and instant obedience of Variable Pitch Dynaflo—plus the might of Buick's newest and most powerful V8 engine.  
**Motoring's Newest Advance**  
—Air-Cooled Aluminum Brakes  
Add to this the extra luxury and surety and smoothness of air-cooled aluminum front brakes—the newest and finest in the fine-car field—and you have the heart of the story. Your Buick dealer will be glad to show you Buick's new ROADMASTER 75. See him this week.

Glenn Smith has been granted the concession stand at the Riverside Park. The stand will be

under county supervision and will handle ice cream, sandwiches and cold drinks.

Ten entries have been listed for the \$25.00 clean up, paint up and fix up contest sponsored by the Chamber of Commerce. They are: George Gale, North Harvey street; Mrs. Robert Cooper, Pennington avenue; Charles Stitt, West Spring street; Earl Gray, South Harvey street; Mr. and Mrs. Sven Ecklund, Adams street; David Birch, Coolidge avenue; Everett Jolliffe, Beck road; Mrs. H. S. Doerr, South Harvey street; Louis Schaal, Holbrook street.

Shortly after eleven o'clock Saturday evening, officer Brocklehurst noticed, while on his beat, that the back door of the Sage gas station had been broken open. He notified other policemen and with the assistance of officer Stanible tracked the young thieves to a Pere Marquette freight train which was headed out of Plymouth. They beat the train to Wixom where they were able to apprehend three youthful thieves who were returned here for trial.

At a meeting of the council Monday evening it was voted to purchase a steel tower for hanging the fire bell. The price to be paid is \$106.00 and it will be 70 feet high.

The junior class social which was held at the Max Moon home last Friday was a huge success. Eleven dollars was cleared for the class fund.

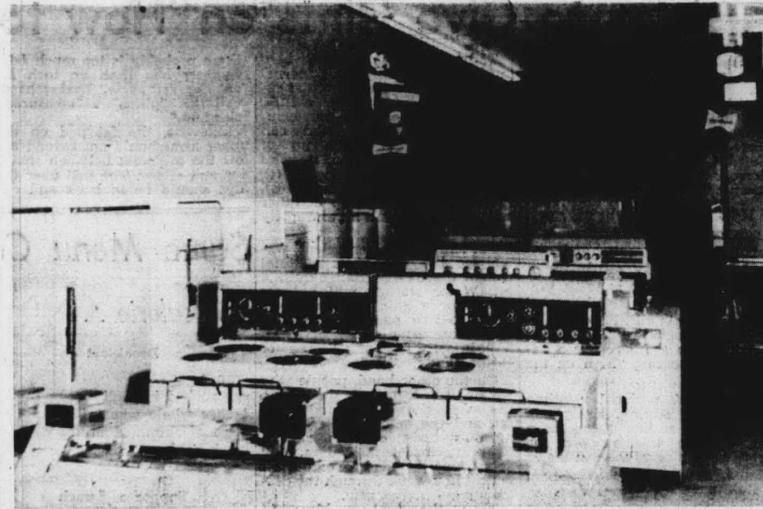

The old warehouse belonging to J. D. McLaren company has been repaired and put on a proper foundation and is now being repainted. The elevator is also being repaired and painted which makes the premises look 100% better.

Winter weather prevailed throughout the state Monday, in the upper Peninsula several inches of snow fell. In this vicinity there were also traces of snow. A local weather prophet states cool weather until July 1.

The graduating and class day exercises of the Plymouth high school will take place on the evenings of June 18 and 19 with Professor Ferris as speaker. Reverend C. T. Jack will give the Baccalaureate sermon at the Opera House on the preceding Sunday. Fourteen young people will receive their diplomas a very large crowd for this area.

The council held a meeting Monday evening to confirm the tax roll and although the law says the tax levy shall be made on the first regular meeting in June, the council took time by the forelock and gave Assessor Ladd the amount to be levied at this meeting. Waiving this provision of the law, the vote by which the levy was declared valid was also illegal and will undoubtedly invalidate the tax roll unless it is remedied. There were five councilmen present and the vote to levy four mills for street purposes was carried by a vote of three to one. The law states, and very clearly that the vote must be carried by two-thirds of All the council elect. This then would certainly require four ayes.

### Four State Colleges Get Western Electric Grants

Four colleges and universities in Michigan will receive Western Electric Company scholarship grants totaling \$3,400 for the 1957-58 academic year, under the Company's expanded nationwide college scholarship program.

Names of the institutions were announced today by Western Electric. They are the University of Detroit, Michigan College of Mining and Technology, Michigan State College and the University of Michigan.

The scholarships are applied to student expenses for tuition, fees and books. This year \$150,000 in scholarships and grants-in-aid are being offered to 111 colleges and universities in 39 states by Western Electric, the manufacturing and supply unit of the Bell Telephone System. There are 160 individual scholarships, ranging from \$400 to \$800 each, an increase of 20 per cent in the number of grants over last year.

*loves to cut loose and cover the miles!*

That sweet, smooth and sassy new Chevrolet likes nothing better than to head for the wide open spaces. Its velvety V8 purrs with pleasure when your toe tells it to reel off the miles and level out the landscape!

If you're looking for a real "escape artist," a car that loves to step out and get away from it all—well, it just

happens that Chevy was born with that urge.

If there ever was a car that loved to cut loose and cover the miles, it's this one. Yet it's so beautifully behaved, so easy to handle that it even makes city traffic seem a bit lighter and parking places a bit bigger.

Chevy's pretty easygoing out on the highway too. Not pokey. Far from it. You find, for example, there isn't a hill around that can make it breathe hard—not with Chevy's high-

performance V8 on the pulling end. You've got up to 245\* h.p. here for the biggest helping of driving pleasure found in the low-price field!

Chevy's new Positraction rear axle (optional at extra cost) puts still more pleasure in your driving. It delivers greater power to the wheel that grips, not the wheel that slips. You have surer control and better traction on any road surface.

Stop by your Chevrolet dealer's before another good driving day goes by.

GET A WINNING DEAL ON THE CHAMPION!

\*Optional at extra cost. 270-h.p. high-performance engine also available at extra cost.

**Fruit with Cereal and Milk Adds Variety to Reducing-Diet Breakfast**

Nutritionists recommend that dieters divide the day's caloric intake with three meals of equal size, starting with breakfast. Young and old alike not only feel better, but they perform better if they eat an adequate breakfast. Here is a 400 calorie breakfast which is 1/3 of a 1200 calorie diet commonly recommended in weight-reduction programs.

**446 Calorie Breakfast**

- Corn Flakes (one ounce) with sliced bananas,
- Blueberries or apricots
- Milk, nonfat, 1/2 cup for cereal
- Toast, one slice with 1 teaspoon butter
- Milk, nonfat, one cup for beverage
- Coffee, black

**Articles to Give Hints on 'How to Live Lean and Like It!'**

(Editor's Note: This is the first in a special series of three articles, exclusive to the Plymouth Mail, on dieting. American's national pastime. Entitled "Live Lean and Like It," they were submitted by Nina Lou Baird, Wayne county home demonstration agent from the co-operative extension service.)

How's your weight? By and large, controlling body weight is the most common headache that the healthy adult faces. After all, weight is with you every day, and each meal adds or deducts a little poundage. In our present society, adult underweights are rare. As a nation we are eating "high on the hog."

The recent national pastime seems to be dieting. Everybody is either on a diet, going on a diet, starting tomorrow or throwing caution to the winds and "eating again" because the ordeal of dieting is over for a while.

Practically every magazine on the newsstand offers the latest diet guaranteed to melt those extra pounds. One often overlooks the fact that in an effort to glamorize dieting the hazards to health are played down.

**Why's Weight Important?**

It's hard to face restriction when you feel good, and the healthy over-weight is apt to be full of vim and vigor—at least until the "fateful 40's" creep up on him.

Then his weight suddenly becomes a liability. The over-weight person has more aches and pains and may develop diseases of the heart or joints, diabetes, or other degenerative conditions at an earlier than normal age.

Basically, there're two parts to the weight problem. The first is that of a man or woman whose weight is "normal" in early adult years and who would like to keep it that way. The second is the adult who has gradually added pounds during the 20's and 30's. At 40, he faces the fact that if he wishes to avoid early aging, some of those pounds must come off in order to relieve the strain on his heart, arteries and knee joints.

**What Is Normal Weight?**

Scientists have different ideas about "norms" or standards, for the adult approaching middle age. You are probably familiar with the height, weight and age tables which never seem to fit you. Actually, that's not too surprising when you consider that each figure in the tables is simply an average of the weight of the people in that particular category of sex, age, and height who turned up for an insurance examination.

The particular figure quoted probably never "fitted" any one person. Because of differences in body build, variations of 10 to 15 percent from the "norm" are satisfactory.

The next step is to decide how much variation from that "norm" is satisfactory for this or that individual. Here's where a little knowledge of the body plus common sense and judgment can help. Weight is made up of several things: bone and muscles which do not change very fast (or perhaps very much in the adult), fat, water and a group of other substances present in extremely small amounts.

Fat and, to a lesser extent, water are the two parts of total weight that really change quite a bit. Water storage will not account for a gain of more than three to five pounds. This gain will occur after a day of meals high in salty food or a "spree" of eating candy.

On the other hand, people who weigh 15 to 50 pounds more than the average owe it to too much fat, and the amount of fat in a person's body changes slowly. Even in complete starvation, only about four pounds of weight will be lost in a week through the destruction of body tissue.

Thus the real problem in weight control is to decide how much extra fat has been stowed away. Fortunately, the human body stores fat where it shows. In men, the first weight gains occur on the stomach and around the waistline. Women tend to store fat on the stomach, upper arms and hips all at the same time.

**How to Tell Overweight?**

A long mirror and a careful pinch in the right places tell the story. The adult stomach is flat. If muscle tone is lax, the bulge comes below, not at the waistline.

Only a small amount of loose tissue can be pinched up between the thumb, and forefinger at the front or side of the waistline. If this "pinch" is more than an inch in thickness,

there probably is too much fat. Slightly less than an inch is on the safe side. Researchers call this "pinch" a "measured skinfold."

Likewise, the fat pad on the upper arm should not extend below the midpoint between shoulder and elbow. The pad over the hips should be in back and ex-

tend in part to the side; however, it should not cover the top of the ledge of bone at the hip. In normal weight, you can feel about an inch along this bone without pushing soft fat out of the way.

Fat may collect on a small or large frame. In either case, fat pads will stand out and can be seen or measured by the above

method. Having determined that fat pads are too large, a person must answer two questions: "Am I one of the people who should reduce?" "If so, how do I go about it?"

Read Mrs. Baird's article next week for the answers and more about how to "Live Lean and Like It!"

# Re-doing Attic Adds More Space at Reasonable Cost

## Informal L-Shape Ranch From New Homes Guide

This informal ranch house, designed by architect Jerry Grop and shown in NEW HOMES GUIDE magazine, is laid out on an L pattern as a variation from the familiar in-line house. Entry and foyer are at the center of the plan, and all areas are reached directly from there without going through another room. Interesting note is the two-way fireplace serving both living and dining rooms. In addition, there is a breakfast nook in the kitchen. Note the back-to-back bathrooms, each with twin built-in lavatories. This is another plan reflecting the modern trend to outdoor living in the privacy of the back yard. Area of the house is 1,600 sq. ft. Write NEW HOMES GUIDE, Dept. 1905, 621 N. Dearborn, Chicago 10, Ill. for information or blueprints.

America is fast becoming a nation of "attic-finishers," because hundreds of thousands of families who bought homes with unfinished expansion attics now need the extra living space that can be made available there at small cost and with little effort. Most of the finishing work is being done by homeowners themselves, according to the Construction Research Bureau, national clearing house for building information.

The average attic will make at least two rooms without structural changes. At the time of construction, builders of most homes with expansion attics, extended electric wiring, heat supply pipes and ducts and, in some cases, roughed-in plumbing to the second floor.

To make attic space livable, the first step is to insulate roof, gable ends and dormers. Then nail 2x4 partition studs upright, fastening at the bottom to the floor joists and at the top to the roof rafters.

These should be spaced 24" apart, center to center, and allowance made for required doorways. The studs can extend to the point where the roof slope is 5 feet above the floor. Eight feet above the floor, 2x4s, in horizontal position, are nailed at each end to each rafter as structural members for the new ceiling.

**Space Saver**  
As a space saver, unpainted chests of drawers or cabinets should be built into the low sides of the walls with their fronts flush with the finished wall and their depth extending back under the roof out of the room.

For walls V-grooved hardwood paneling can be installed directly to the joists without need of a sub-floor. Economically-priced doors are available in a wide selection, but many resourceful home-owners make their own flush-type doors with two panels of plastic-faced plywood as used on walls and ceilings; these are nailed on each side of a frame of 1" x 4" boards which are diagonally-braced.

Low-cost tongue-and-groove pine flooring can be nailed directly to the joists without need of a sub-floor. Economically-priced doors are available in a wide selection, but many resourceful home-owners make their own flush-type doors with two panels of plastic-faced plywood as used on walls and ceilings; these are nailed on each side of a frame of 1" x 4" boards which are diagonally-braced.

Extending heating facilities to the attic seldom requires more than joining a pipe to a steam or hot water radiator on the floor below. If roughed-in pipes were not left in the attic by the builder, if warm air is used and no attic ducts are provided, a self-contained oil or gas-burning space heater can be installed in each room.

### Housewife Learns Value Of Good Insulation

A White Plains, N. Y. housewife discovered the value of thick insulation in her home the first winter washday after it was installed. Her wet laundry, left in the attic to dry, was frozen solid.

Before her home was insulated with mineral wool, heat escaping from the house through the ceiling did an efficient job of drying Mrs. Michael J. Walsh, Jr.'s laundry. But a four-inch thickness of mineral wool blown into the attic floor kept the heat out of the attic, causing the wash-day freeze.

Mineral wool also was blown into the outside walls of the house. Since the insulation was installed, the Walsh's winter fuel bill has been reduced by half and the house is more comfortable in all seasons.

### PRE-PASTED WALLPAPER

One of the most important developments for do-it-yourselfers is pre-pasted wallpaper. Application time is cut to a minimum. The two-step procedure: dip strip into water and apply on your wall.

### LINOLEUM STAIN HINT

To remove stains on linoleum, first rub with fine steel wool. Be careful that steel wool does not bunch and scratch the surface. Then wash the stains with mild soap and water and wipe dry.

## SHORT ITEMS

### Dull, Nearly-Flat Roofs Now Can Have Color

Owners of homes with low pitched, nearly flat roofs can re-roof their houses in modern color today, thanks to recent advancements in roofing application methods.

Roofs with as little as two inches of pitch per foot now can be covered with asphalt shingles. This means that thousands of home-owners can give their houses new life with color in place of the dull, uninteresting roofs they now have.

### Wood Window Institute Extends Approval Seal

The Seal of Approval of the American Wood Window Institute has been extended to include awning, casement and stationary sash windows of ponderosa pine.

The seal guarantees that the window meets the specifications of the U. S. Department of Commerce as published in the department's commercial standards.

### CHECK POWER CIRCUITS

Modern electrical appliances can cause more harm than good if they overload outdated power circuits. To determine if a circuit is overloaded add the number of watts needed by each light bulb, appliance, or other fixture on the circuit. The total should not exceed the circuit's voltage multiplied by its amperage, as indicated by the capacity of the specified fuse.

### Power Mower Tune-Up Tips

It's so easy to keep a power mower operating at peak efficiency if you give it just a little attention regularly. And you need not be a graduate of a Technical College, if you take the steps suggested by an authority on the subject.

Roy E. Paur, Service Manager of Jacobsen Manufacturing Company, Racine, Wisconsin, one of the oldest and largest power mower manufacturers in the business, has this to say:

If you're getting the mower out of mothballs ready for a season's steady use, the first step is to wipe or brush off the accumulated dirt and dust from the mower and engine.

(1) The oil bath filter on the carburetor should be cleaned and refilled to avoid ring, piston and connecting rod wear.

(2) Remove and clean, or replace the sparkplug, and set the electrode gap to the width recommended in the engine instruction book. Clean the cylinder head fins with a stiff wire brush.

(3) If you are tuning up the mower for the first time after winter storage, discard any fuel left in the mower gas tank or gas cans. The tank should be refilled with fresh fuel. With a 2-cycle engine use a mixture of regular gasoline and non-detergent oil. 4-cycle engines require regular gas in the tank, and a mixture of regular gasoline and non-detergent oil to bother about.

One of the most important points, according to Mr. Paur is the proper adjustment of cutting units for both reel and rotary mowers. Test the reel type cutting mechanism by holding a piece of paper between the bed knife and the reel, revolving the reel slowly by hand. Each blade should cut the paper along the entire width of the bed knife. When adjusting the bed knife to the reel, avoid excessive tightness which can cause undue wear.

Rotary cutting bars or blades can easily be sharpened with a file. While working on the rotary cutting unit, make sure the sparkplug wire is disconnected until you are ready to start mower.

## HOME OWNERS QUESTION BOX

**Q**—My husband left a cigarette burning in an ash tray and it caused a blister on one of my veneered tables. Is there any way I can repair this myself?

**A**—Try injecting some glue into the blister with an eye dropper or a syringe. If you use the eye dropper, first slit the blister lengthwise with a razor. After you've spread the glue, weight the surface heavily until the glue dries.

**Q**—We're planning to build on a heavily wooded acre overlooking the sea near San Francisco. Can we use light pastel colors on the outside of the house, or shall we stick to a rustic decor?

**A**—A house in a wooded setting needs color to keep it from being "lost," says Ned Abrams, prominent San Francisco architect. "A light pastel roof of asphalt shingles, for example, keeps a house from looking like it's covering under the trees," Abrams says. Stone planting boxes, split-rail fences and red-wood stains on siding, windows and doors will contribute the "rustic" theme and harmonize with most pastel roofing shades.

**Q**—Most of the rich topsoil around my new house was buried by the building contractor when he backfilled the foundations. What can I do to the lawn to help a nice lawn to grow? The subsoil is sandy.

**A**—Add a one-inch layer of organic matter, such as peat or commercial humus, and mix it in with the sandy subsoil to a depth of six inches. This should make the subsoil capable of supporting a respectable lawn.

**Q**—What could I plant in a bare, shady, one-foot-wide strip between my driveway and the foundation of my house?

**A**—Lilies-of-the-valley, plant-lilies or pachysandra each will provide greenery and some flowers.

## Newest Wallpaper Rich In-Decorating Possibilities

One of the easiest and least expensive ways to create a 1957 model out of a well-loved but slightly older home is to try a few decorating tricks with the new wallpapers. You can make the walls of any room look like something entirely different from what they originally were—just by using wallpaper. And, for very little money.

Today's wallpapers are designed to go anywhere in the house. The designs are simple. There is a fine sense of freedom and openness in the way many freely sketched drawings are widely spaced on light backgrounds. Today's wallpapers take easily to contemporary furnishings or to a combination of contemporary and traditional.

Wallpaper can solve the problem of an unattractive and uneven wall—one with the old-fashioned frame panels, for example. Put up lightweight wall-board over the entire wall, brush

**SILENCE DOOR RATTLES**  
Few people would think of attempting a repair job on a rattling door in the middle of a windy night. But it doesn't take long to wedge a strip of cloth between the door and the jamb, tying the ends around the door knobs. Then you can go back to sleep and wait until the weekend to get at the real seat of the trouble.

The Chamber of Commerce building in Williamsburg, W. Va., is constructed entirely of blocks of West Virginia coal.

Cloudy days and frequent rains in Norway's fjord country rule out drying hay on the ground. The crop is spread on wires like laundry so breezes can get at it.

Mary Anne Watson

### Plymouth Girl Is First to Graduate From 3 Felician Schools in Livonia

Mary Anne Watson, daughter of Mr. and Mrs. Wilfrid E. Watson of 1170 W. Maple, will graduate June 2 from Madonna College with a bachelor of arts degree.

Commencement exercises will be held at 2:30 p.m. in the DeSales auditorium on the college campus. Msgr. Francis J. McPhillips, pastor of St. Gerard church, Detroit, and former chaplain of the Newman club of the University of Michigan, will speak. Preceding the ceremonies, a reception for graduates and their guests will be given at 11 a.m. the same day at Bagozzi's Chop House on Joy road, Detroit.

Mary Anne will be the first who can call herself an alumna of the three Felician-taught schools in Livonia: St. Michael grade school, Ladywood high school and Madonna College. Between grade

school and high school, however, she spent two years in London, Can., and one year in England because of her father's business.

Miss Watson has served as vice-president of the senior class, treasurer of the Sodality and of the International Relations club and co-chairman of the Literary society.

Less than 1 per cent of the two million families in New York City produce more than 75 per cent of its juvenile delinquents, a survey revealed recently.

Italy's population increased by nearly 250,000 last year and 112,000 new houses were built to accommodate a population calculated at 48,323,000.

The University of Iowa was founded in 1847.

### TIPS for TEENS

By ELINOR WILLIAMS

Here's something "different" to do during your vacation!

Shelves of book stores and libraries are bright with new books to take the troubles out of your "teen-time, to tell you how to answer the questions, "What shall I do in my spare time?"—and how to convince your parents that you're out of rompers and on the way to growing up.

A series of these new 'teen books are published by the Association Press, a department of the National Council of the YMCA of the U.S.A. . . . so you KNOW you're getting the very best information from well-qualified people who are close to the 'teens in their work, play, problems and fun.

One of the new books is "Singing Games and Dances," by David S. McIntosh, full of frolicking get-together games and dances, each a part of our American heri-

age . . . folk games and dances that are easy, gay and have never before been in a book. This is a wonderful aid for parties, clubs, dances, summer camps, vacation recreation projects and "mixers" wherever girls and boys get together for fun.

Another new book for "Teeners" is "Understanding Your Parents" by Ernest G. Osborne. This book helps you see just what makes Mother and Dad tick (or bark), how they're human, too . . . how you can understand each other better and live together pleasantly. You get honest answers to "Who is boss in your home and why?", "Should you be allowed to choose your own friends?", "Who should decide the time to come home from a date?" and other explosive every-day questions.

(These new 'teen books are not available through this column but are to be found in book stores and public libraries.)

### Rural Mail Box Fix-Up Urged

Tomato cans, cigar boxes, drainage pipes and stovepipes were some of the items used for mailboxes at the turn of the century when the post office first attempted to improve the rural mail boxes. While present-day boxes are not that bad, there are still many rural mail boxes which postal authorities claim need improvement.

Postmaster George Timpona has joined other postmasters across the nation in calling attention to the Annual Rural Mail Box Improvement Program to be observed two weeks starting June 3. This includes suburban "mounted" routes where the household's box is close to the curb and is served by a carrier mounted on a vehicle.

Postmaster Timpona declares that a "crack-down" is forthcoming on those who fail to maintain their mail boxes properly. Names and addresses are illegible or never painted on some boxes, he noted, and a substitute carrier can only guess the proper box when there are others close by.

Some of the points stressed during the program will be providing suitable receptacles; paint boxes and their supports where needed; inscribe names and numbers on the side of the box for clear visibility by the carrier; group boxes together at one site along the road whenever practical; and make sure the box is on the proper side of the road.

### Learn Hosiery Terms

What gauge and denier of hosiery do you ask for when you shop? Gauge is the number of crosswise stitches per one and one-half inches of stocking fabric. The higher the gauge, the closer the knit. Most common gauges are 45, 51, 60 and 66.

Denier means the size of the thread in the stocking. The lower the denier number, the finer the yarn. Popular deniers are 30, 20, 15 and 12.

Gauge and denier numbers are usually given in combination such as 51 gauge-15 denier. Yarn thickness and closeness of stitches work in combination to determine sheerness, weight and serviceability of hosiery.

"and just wait 'til you see inside... It's the prettiest car we've ever owned!"

ANNE: It certainly is beautiful . . . from any angle!

ANNE: You should! I'm not trying to pry, but I'll bet it cost a king's ransom.

BETTY: Wouldn't you be surprised! It cost a lot less than we expected. And, Ed says it will cost less in the long run, too, because an Olds holds its value.

ANNE: Leave it to you to have your cake and eat it, too!

BETTY: And why not? Ed, bless his practical streak, wanted an Olds for its extra value and the Rocket Engine. So, who am I to say "no" to the prettiest thing on wheels! You ought to pass the word along to John!

**Joy Road Canasta Clan Travels To Utica for Dinner, Card Playing**

The Joy road Canasta Clan visited in the home of Mrs. George Simon in Utica, Mich., Tuesday, May 21. The entire group was invited for dinner and spend the evening playing cards. Attending were Mrs. Arthur DeCoster, Mrs. C. A. Overmyer, Mrs. Raymond Peterson, Mrs. Arthur Gennis, Mrs. Claude Desmond, Mrs. William Kenner, Mrs. Clifford Hocking, Mrs. Harold MacKinder, Mrs. Leslie Durbin, Mrs. Robert Pregitzer and Mrs. Emil LaPointe.

Melody Jan McClendon, daughter of Mr. and Mrs. Edward McClendon of Angeline Circle, celebrated her fifth birthday, Saturday, May 25. Her young friends from the neighborhood came in for ice cream and cake and brought presents and best wishes for a happy birthday.

Boy Scout troop 758 of the Newburg Methodist church, sponsored by the Men's club of the church, attended its first scout Camporee since its formation. The Camporee was held at the Highland Recreation area the past weekend. Scoutmaster, Paul Eng-

lish and assistant scoutmasters, Henry Mende and Donald Barres, were leaders of this group of boys. Boys going were Robert English, Mark Mende, Gary Agdorny, Bill Appleberry, Bill Anders, John Barlow, Roger Bates, Fred and Gene Biggs, Pat Bussey, Ed Davis, Ronald Classen, Allen Nalepa, David Perfect, Dennis Smith, Carl Thomas, Mike Pino, Don Wilcox, Doran Woodard and Gary Karwich. The boys left Friday evening, May 24, and returned Sunday afternoon, May 26. At the camporee, there were over 14,000 boy scouts from the state.

Other Newburg area boys attending the same camporee but representing other troops were Bruce and David, sons of Mr. and Mrs. Emil LaPointe of Joy road, of troop 271 from St. Michael's Catholic church. Boys from troop 270 representing Rosedale Garden's Presbyterian church and from the Newburg area, were Paul Overmyer of Ravine drive, Ted Peterson of Ravine drive, Larry Dicky of Ravine drive, Bill Edelman of Stark road and Robert Pregitzer of Richland avenue.

Following the regular weekly choir practice, the members of the adult choir of the Newburg Methodist church met at the home of Mr. and Mrs. Paul Nixon for an evening of fellowship. Present were Mr. and Mrs. Tom Waltz, Mr. and Mrs. Harold Case, Mr. and Mrs. Emil LaPointe, Graham Bennett, Laurel Dorr, Sally Fedus, Mrs. Anthony Kreger, Jean Greenwood, Gordon Pait, Beverly Mende, Ruthann Busenbark and Jean Murphy.

Evening guests in the home of Mr. and Mrs. Emil LaPointe of Joy road, Friday, May 24, were Mr. and Mrs. E. C. Weiss, Sr., of Graham road, Detroit.

Graham Bennett, son of Mr. and Mrs. Jesse Bennett of Stark road, left his home Thursday, May 23, to report to Fort Leonard Wood, Mo., to serve in the Army corps of Engineers.

Mrs. Stuart Flaherty of Narise drive is still in Wayne County General Hospital, Eloise, recovering from a recent automobile accident. Since time hangs heavy on those who are confined, cards of well wishes would be most gratefully received.

The Rhoda circle of the Women's Society of Christian Service of the Newburg Methodist church will meet at the home of Mrs. Edward Reid, 36610 Richland avenue, Tuesday, June 4. There will be an election of officers for the circle. All members are to attend. The meeting will begin at 7:45 p.m.

The Lydia circle of the Women's Society of Christian Service of the Newburg Methodist church will meet at the home of Mrs. George E. Hembree, Tuesday, June 4, at 10:30 a.m. Mrs.

Hembree lives at 11300 Mayfield. The ladies will make cancer pads in the morning and are advised to bring a nosebag lunch, with beverage being furnished by the hostess. At approximately 1:15 p.m., there will be a short business meeting with election of officers.

**Children Prepare Program as Part Of Special Week**

Children in the Wayne County Training School at Northville have prepared a special program, to be presented from 1 to 3:30 p.m., Wednesday, June 5, as an observance of Public Servants Week.

The public is invited to attend the program. Public Servants Week is devoted to highlighting activities of government employees so that the public may become better acquainted with their functions.

The Wayne County Training School, established in 1926, provides special educational services for children living in Wayne County and has pioneered in work with mentally retarded children.

There are over 750 boys and girls in residence. The school has serviced over 5000 children during its years of operation, helping them to find their place in society as responsible citizens. Many of the boys have entered military service and have served with distinction.

The school is located on Sheldon road, between Five and Six Mile roads.

Mr. and Mrs. C. H. Goyer were dinner hosts Saturday evening entertaining his sister, Miss Iva Goyer, Mrs. Flossie Bowles and Mrs. Rhoda Whitney of Detroit.

# Senator Potter reports

... the latest news from Washington of special interest to Michigan ...

I was a soldier on furlough last week, as I left the front ranks of the Budget Battle for a quick trip behind the lines. Flying out to Michigan for Detroit gave me a long-awaited chance to check the views of folks back home. Every Senator should head back to his State often for "soundings", but this is not always possible when pressure of Senate business mounts.

In Battle Creek, at Hospital Day ceremonies, I outlined our Government's long-range plans to modernize veterans' hospitals. Michigan, incidentally, has five of the 173 VA hospitals in the nation—at Ann Arbor, Dearborn, Iron Mountain, Saginaw, and Battle Creek. Today the emphasis has shifted from building new hospitals to improving the facilities we have. This makes sense. As I pointed out in Battle Creek, such face-lifting is federal thrift in the truest sense. Sometimes it is necessary to spend money in order to save it later. Every dollar we put into modernization saves us ten dollars in new hospital construction costs. As a member of the Senate Appropriations Committee, I have been able to expedite funds for the Battle Creek hospital.

At Detroit, I peeked into the future. Speaking at a Maritime Day dinner sponsored by the Propeller Club, I predicted that the United States will be the first nation in the world to launch an atomic-powered merchant ship. Back in 1819 we sent the first steam vessel across the Atlantic Ocean. We were first to cross the Pacific by steamship and first to launch a nuclear-powered submarine. I am told that several European nations, like ourselves, are thinking in terms of atomic-powered merchant vessels. But we've outstripped them. Planning is past and a contract has been let. Work is progressing well on the nuclear engine and hull, with launching schedule for the spring of 1960. The next step will be nuclear-powered Lake vessels, which I hope to see moving through Michigan ports by 1961.

AMUSING REPLIES are arriving to my recent gift of Michigan navy beans. When I sent

bean packages to President Eisenhower, the Vice President and all Senators, I enclosed a note reading, "These beans are nurtured in our good soil, blessed by Great Lakes breezes, and prized by the gourmets of the world. They contain more energy per ounce than steak, eggs, corn, milk, potatoes, oatmeal or bread." Here are a few of the answers:

Senator Dworshak of Idaho—"This reveals the poetic side of your nature. I didn't know you had it in you."

Senator Barrett of Wyoming—"Your State is indeed doing its best to energize the nation."

Senator McClellan of Arkansas—"I am looking forward to the gustatory and dietary benefits to be derived from this wonderful food."

Senator Monroney of Oklahoma—"I admire your courage in sending us a food so rich in all the things that I'm sure will broaden our girth. But I'm also sure Mary Ellen and I will thoroughly enjoy several messes of them."

## Madonna Holds Teacher Education Conference

Sister Mary Lauriana, Coordinator of Teacher Education at Madonna College, will hold an informal conference on education for local personnel, at the college, May 29 at 7:30 p.m.

Included among those invited to attend the conference are the cooperating teachers from the Livonia and Plymouth Public Schools (these are the teachers who have Madonna senior education students doing their practice teaching work with them at the present time); Madonna Alumnae that are currently in the teaching field; Madonna student teachers; and Madonna upperclassmen that are majoring in teacher training. The purpose of the conference is to help the beginning teacher see her problems and to share in the experiences of teachers that have been in the field of teaching.

**New St. Patrick's Circle Officers**

The St. Patrick's Circle of St. Michael's church parish met at the home of Charlotte Livorno on Hubbard Rd. Tuesday evening, May 21. New Chairman is Marion Bourgon and new Secretary-treasurer is Mary Grimm. Those attending besides the new officers were Lillian Dowell, Winnie Esper, Marion Rupp, Mildred Bondie, Virginia Campeau, Mildred Boupie and Virginia Mijal. The evening was completed with a nice dessert.

The W. H. Rolens, Melrose ave., have a new grandson, John Howard Burns, son of Lt. and Mrs. Dale L. Burns of Pocasset, Massachusetts, born April 29th. Mrs. Burns is the former Mary Rolens.

Susan Marie Dowell, Cranston ave., made her First Holy Communion at St. Michael's church May 12. Her parents held Open House in the afternoon with 30 guests attending.

Welcome Wagon's new officers are President, Betty Cox, Vice president, Lee Dorbeck; Secretary, Lorry Rufus; and Treasurer, Marie Kudreiko. New members of the Board are Membership, Faye O'Brien, Hospitality, Hilda Scott, Refreshments, Jean Kink and Publicity, Jean Puls.

This had ought to interest old and new citizens of Livonia: There will be a city-wide meeting on the sewer and drain situation in Livonia and surrounding communities at the Bentley High School June 15.

Jean and Stan Gizowski, Vermont ave., and children, Lee and Skip were dinner guests Sunday, May 19 at the home of Stan's father, Mr. Stanley Gizowski Sr. of Detroit.

Nelson Rich, Jr. celebrated his 14th birthday Sunday, May 19 at a family dinner.

Mrs. Barbara LaRue, Blackburn ave., International relations chairman of the Detroit League of Women Voters, returned recently from a three day convention of the Michigan League of Women

Voters at Flint. At this convention it was decided to work for Constitutional revision in 1958. All women citizens are welcome to join the League. Locally, the League meets the 3rd Tuesday afternoon and the 3rd Monday night of each month in member's homes. By having both afternoon and evening meetings the League is able to accommodate more members who otherwise could not attend because of small children, work, etc. The purpose of the League of Women Voters is to encourage active and informed participation in government, and it is non-partisan. For further information call GA. 1-1954.

Rosedale Gardens Presbyterian Church is currently organizing a men's softball team to represent the church in the Livonia Church League. The requirements are a minimum age of 15 years and attendance at the church. Playing will begin on June 11th at 6:15 p.m. at Rosedale school, and all other games will be held on Tuesdays, also. Church members interested call Bud Turner, GA. 2-6183.

Mr. and Mrs. Mike Potter, Woodring ave., are the parents of a baby boy, Michael Anthony, born at Mt. Carmel Hospital.

The Garden Club had its election of officers recently. Mrs. W. Harold Rolens was re-elected president. Also elected were Mrs. Paul Harsha, 1st vice president, Mrs. Joseph Miles, 2nd vice president, Mrs. Leslie Daniels, recording secretary, Mrs. George Schultz, corresponding secretary and Mrs. Chester Tuck, treasurer.

The Women's Club held its Installation dinner Thursday evening, May 16 at Black's Whitehouse in Northville. New officers were installed by Ruth Taylor, a perfectly wonderful dinner was served, and Pat Van Dyke of the Livonia Police Department showed films about children and their problems. This was the last meeting of the Women's Club until September.

Ken Luch took his bilious green boat and went fishing Saturday morning, May 18, and got wetter than the fish he was after!

Saturday night, May 18 Bob and Gerri Casler, Louisiana ave. attended a dinner dance at Gerri's father's Masonic lodge in Detroit, guests of her folks, Mr. and Mrs. James Barr.

Jean Roos, Woodring ave., daughter of Mr. and Mrs. John Roos, recently returned home from the hospital where she had her appendix removed.

The Book Club will meet June 6th, at 1:00 o'clock at the home of Dorothy Riggs on Ingram ave. The book to be reviewed is "Don't Go Near The Water" by William Brinkley, and it will be reviewed by Mildred Jacobs. Co-hostess will be Ellie Button.

Denny Hearon, Vermont ave., had his "Happy Birthday" party Thursday afternoon, May 23. Denny was three years old, and unlike his brother Hughie who is a bear hunter, Denny is a roo'in' footin' cowboy. Those

If you should happen to live to be a 100 years old, you'll probably have to give a big chunk of the credit to the U. S. Public Health Service. Incidentally, very few people die over the age of 100.

For more than 150 years the Public Health Service has been busy keeping us all on our toes. Their main job is to stop disease before it starts. That must be tougher than blowing smoke rings in a wind tunnel . . . but they've done a great job. They inspect incoming ships for rats and disease; they establish community milk ordinances and vaccines for smallpox, whooping cough, and diphtheria. They even make oysters and clams say "Ah!" for inspection purposes. And in its quiet way, P.H.S. is adding years to the life of every American. I guess the only thing they haven't done much about is the banana peel on the sidewalk.

**Now-see camera-eye proof Dodge trucks lead the low-priced 3!**

**Actual road tests . . . like the one photographed at the right . . . prove beyond question that Dodge Power Giants outclass all competition. This rugged hill climb is just one of a whole string of tests comparing all three low-priced trucks.**

**See certified test results of the entire series — actual unretouched photographs — at your own local Dodge dealer's. These tests, plus 15 minutes behind the wheel, will demonstrate to you that today's Dodge Power Giants lead the low-priced three in every measure by which you judge a truck.**

**You get the most V-8 power of the low-priced three . . . up to 232 horsepower. This gives you snappier performance to save valuable trip time . . . extra power to take steep climbs with less engine strain. And Dodge gives you extra payload capacity, too. For instance, the test pick-up shown hauls as much as 27% more than the other two low-priced makes.**

**Check today's low Dodge prices. You'll find eleven Power Giant models, in the low-tonnage field alone, that are actually the lowest priced of the low-priced three. Why not see for yourself? Your dealer will gladly bring a Dodge right to your door.**

**DODGE THE WINNER BY FIVE LENGTHS—and still gaining!** The Dodge Power Giant outdistanced both truck "C" and truck "F" from the start. This is just one of a complete series of actual road tests that prove Dodge the outstanding leader of the low-priced three.

OUT OF THIS WORLD is a phrase to describe the project of the sixth grade students of William Foster at Starkweather school. In their studies of the solar system, they made a sky on the ceiling on which they placed the galaxies and hung planets. A huge sun is at the front of the room. Other students in the school were given lectures by the students, such as Inge Dietrick and Byron Brown are giving in this picture.

### Veterans Foreign Wars

Poppy chairmen Mildred Dely and Ed Olson wish to thank all those who helped make Poppy Day a success.

Sunday, May 26, many members attended and enjoyed the memorial services at the First Baptist church.

May 29 the auxiliary will be making a trip to the Veterans' hospital in Ann Arbor.

The Memorial Day parade will start at 10:30 a.m. at Main and Mill streets. All those planning to participate, meet at this location at 10 a.m.

A tenth anniversary pot-luck dinner is planned for the next regular meeting, June 4. Those planning to attend are to bring a dish to pass and also a white elephant gift. The dinner is to be at 6 p.m. Five and ten year pins will be presented to auxiliary members eligible to receive them. Please plan to attend.

A post auxiliary family picnic will be held Sunday, June 30. A barbecued chicken dinner will be served. Children's dinners will also be available. Games for children, horse shoes and baseball will be played after the dinner. Tickets are now available. Call Dick Neale, 2329-M.

A form of butter was known as long ago as 2000 B.C., although its use as a daily food item is comparatively modern.

**American Legion News**

American Legion post and  
auxiliary members are to be sure  
to fall in for the Memorial Day  
parade and to fly flags at their  
homes or places of business.  
Parade formation will be at Main  
and Mill streets at 9 a.m. sharp  
for the bridge ceremony for Navy  
Mothers at 9:30 a.m. Any non-  
affiliated veterans who wish to  
participate in the Memorial Day  
parade may meet at Mill and  
Main streets. Contact Harry Bur-  
leson. The formation of the main  
body of the parade will be at 10  
a.m.

Next business meeting of the  
post will be at 8:30 p.m., Wednes-  
day, June 5, in the Veterans' Com-  
munity Center. Officers will be  
elected.

Passage-Gayde post and unit  
will host the 17th district meet-  
ing at 8:30 p.m., Friday, June 7,  
at the Veterans' Community cen-  
ter. Annual reports will be given.  
Since the local group will serve as  
hosts, officials hope for a good  
attendance.

The juniors will meet at 3:30  
p.m., Wednesday, June 5, at the  
home of Mrs. Gwen Holcombe on  
Joy road. They worked on poppy  
wreaths and crosses for the poppy  
window displays. Wreaths were  
placed with an American flag on  
veterans' graves Saturday,  
May 25.

The auxiliary's next business  
meeting is at 8 p.m., Thursday,  
June 13, at the Veterans' Com-  
munity Center. Nomination and  
election of officers will be on the  
evening's agenda.

Post and auxiliary poppy chair-  
men Ray Viau and Dorothy  
Knapp wish to thank all who  
helped on the poppy program.

Attending the 17th district  
memorial service Sunday, May 26,  
at Rural Hill cemetery, North-  
ville, were Mr. and Mrs. Harold  
Wilson, Mr. and Mrs. Ray Gar-  
ner, Mr. and Mrs. Ernest Koi, Mr.  
and Mrs. Robert Wilson, Mr. and  
Mrs. Donald Kinghorn, Mr. and  
Mrs. Harry Burleson, Emily Mos-  
her, Adah Langmaid, Maxine  
Kunz and Marie Thompson.

Phyllis Miller is "coming along  
nicely" in St. Joseph Mercy hos-  
pital, Ann Arbor, but is expected  
to be there for a little while. Her  
room number is 7001. Send a  
little cheer to her with some cards.

Legionnaires are supporting a  
Congressional bill for an increase  
in compensation for war dis-  
abled.

The 17th district poppy poster  
winners and essay winners will  
be at the district meeting June 7.

**Pilgrim Shrine 55 Slates
