

FACTS and OPINIONS by Paul Chandler

With New Year's out of the way, the next order of business was to leaf through the 1962 edition of "The Old Farmer's Almanac." A few things appear there which warrant a little watching.

This year's weather, according to the almanac, will be a cooler and drier than in 1961. The Old Almanac says, adding "But except for a wicked February and a rainy September, we see nothing too ominous ahead."

A big snowstorm will appear between Jan. 7 and 11. On Washington's birthday, Feb. 22, there is due to ride upon us a giant blizzard. February, in fact, is destined to be a ding-dong dilly, with snowstorms, glazing, high winds and cold, and the whole month will average 9 degrees lower in temperature than the average February.

And if you should be planning picnics on Memorial Day or Fourth of July, well don't, because it's going to rain both days. Ah, well, maybe the Tigers will be on television.

On Feb. 4 there's to be a total eclipse of the sun, but you'll see it only if you arrange your affairs to be somewhere along the coast of Asia or on one of the Pacific islands.

April 7 will be the earliest possible date to put in the tomato plants, and the moon will be in its most favorable stage for this project between April 7 and April 18.

The Almanac, as it has for generations, continues to believe in the influence of the moon upon man's destinies. "There is a growing amount of scientific evidence," it argues, "that the full moon in particular does have a cosmic (as well as comic) effect on plants, trees, man and woman, and radio signals. Pulsations of the sap run in trees are stronger at the full. Pieces of potato, hermetically sealed, consume more oxygen at the third quarter than they do at the new."

Lovers are more affectionate at the full; degrees of illness are seen to rise and fall with the changing of moon phases.

In brief, the moon has gotten to leave many centuries before man has gotten to the moon. Leave us be, as Fred Allen used to say, respectful, and mindful of our youth.

We won't argue with THAT.

Among the several cheerful business omens for 1962 were announcements last week of two new contracts to major manufacturers in our area.

Burroughs Corporation was awarded a \$16 million contract for undisclosed products.

Ford Motor's Livonia plant will receive \$9,634,000 for quarter-ton trucks known to the Army as "Mutts."

Which means jobs 'round here this summer.

Reveal Plans For Shopping Center In North Livonia

A 50-acre shopping center—close by to the Plymouth area—is now in the planning stages, it was revealed last week. Disclosure of the project came with action by the Livonia City Council that cleared the way for new sewers to serve the center.

Plymouth would find itself separated by only five miles from another multi-million dollar center which will probably include a Sears-Roebuck Department Store and many other shops. Location of the project is tentatively set for Seven Mile Rd. at Middlebelt in Livonia.

Developers of the center have described it as "another Wonderland" and they have expressed hope of signing both the major tenant and other stores in the near future.

If it comes to pass, that would place Wonderland, with Wards, at Plymouth Rd. and Middlebelt, and the new center, just four miles away, in a sort of "Macy's" and "Gimbels'" competition.

The way for the project was cleared by the Livonia Council when it voted, 7-0, for a \$770,000 storm drain project. The project had failed to win Council approval a week previous, but those Councilmen who changed their votes all had a reason to state for their change of heart.

4 Percent Interest At Detroit Bank

The Detroit Bank and Trust Company today announced an increase of its interest rate to 4% on one-year deposits in Special Thrift Accounts. The new higher rate becomes effective January 1, 1962, as permitted under recent rulings by the Federal Reserve Board and The Federal Deposit Insurance Corporation.

Before they voted, the Council read a resolution passed by the Clarenceville School Board, in whose district the center will fall, and leafed through a petition with 640 signatures from homeowners in north Livonia. All asked for the new project which "opens up" the northeastern part of the city for the first time. The center alone, which will suffer 12.5 percent of the total cost of the drain, will return \$200,000 to Clarenceville School District and \$50,000 annually to the city tax rolls.

Developers of the center have described it as "another Wonderland" and they have expressed hope of signing both the major tenant and other stores in the near future.

If it comes to pass, that would place Wonderland, with Wards, at Plymouth Rd. and Middlebelt, and the new center, just four miles away, in a sort of "Macy's" and "Gimbels'" competition.

The way for the project was cleared by the Livonia Council when it voted, 7-0, for a \$770,000 storm drain project. The project had failed to win Council approval a week previous, but those Councilmen who changed their votes all had a reason to state for their change of heart.

REPAIRMEN WORKED in freezing temperatures Friday to repair a broken water main brought about by near-zero weather. The six-inch break, at Holbrook

Street south of Plymouth Rd., stopped water service to nearly 20 homes. It was the first break this winter caused by such low temperatures.

College Seeks Financing To Cover 1962 Operations

In recent Northwest Wayne County Community College trustees, under the leadership of the Finance Committee, have been meeting with citizens of the community preparing a presentation of the financial needs of the college during the coming weeks.

Additional aides will be enlisted to assist in informing all voters of the College's problems.

Millage proposals to provide operating funds and facilities are expected to be made to voters of the Community College district this spring. The first taxes from this millage would become available to the college in January 1963.

The operating portion of this millage estimated at one-half mill, when combined with income from student tuition and fees and state and federal aid, would cover operating costs when the college is in operation. This millage would also cover operating costs during 1963 and until the Community College begins operation, probably in September 1964.

The college's principal financing problem is in finding a means of covering necessary operating costs during 1962.

In this year, if the opening of the college is not to be delayed a year, it is necessary to hire staff members to begin planning the college curriculum and prepare specifications which will permit architects to begin work on facilities. Also, a start must be made on building a 20,000 volume library necessary to college operation.

It is these 1962 operating expenses, which will be incurred before the college receives its first income from millage, that the trustees are attempting to find income to cover. Unless the trustees can find sufficient funds through gifts and grants, the opening of the college will have to be delayed a year.

Freezing Weather Halts Water To Plymouth Homes

A cold weather spell which saw temperatures drop to the zero mark brought a halt in water service to nearly 20 Plymouth homes last Friday.

The cold snap — which hit zero at mid-morning Friday

—caused a break in water lines on Holbrook Street, about two blocks south of Plymouth Road.

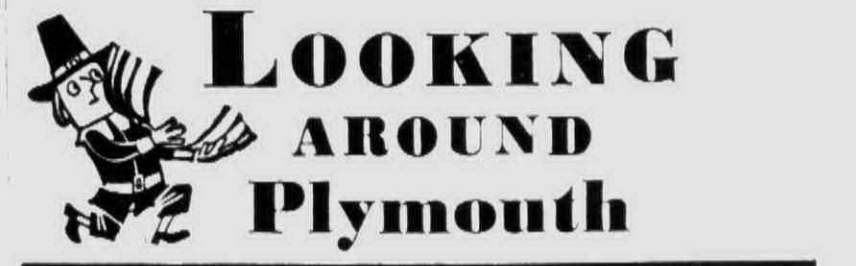

Workmen from the city's Department of Public Works rushed to repair the break,

which they described as the first due to cold weather this year in Plymouth.

The break — a six-inch one — was first discovered outside homes at 165 and 170 Holbrook Street when water pressure diminished and water began seeping onto the street in front of the homes.

Working in freezing temperatures, DPW workers closed off the water line at Holbrook and Union Streets and again at Holbrook and the Edward Hines Parkway while the main was being repaired.

Arleigh Bagwell and Kenny Vogas, DPW workers who repaired the main, reported that service was restored satisfactorily to all homes in the area.

Looking Around Plymouth

Two productions for this season have been announced by the Plymouth Theatre Guild. Opening for a three day run on March 1 will be "Biggest Thief in Town" at the Plymouth High School auditorium. "Curious Savage" will be the guild's second offering. It will open for a three day run on April 26.

For Plymouth area residents who would prefer indoor sports in this cold weather season, swimming at the Plymouth High pool is in full swing. The pool is open to the public from 7:30 to 9 p.m. on Mondays and Thursdays. Wednesdays at the same time is Father and Son night and on Tuesdays, Mother and Sister night is scheduled. Open swimming is held Saturday from 1 p.m. to 2:30 p.m. Admission for adults is 50 cents and for students 25 cents.

This Thursday, newcomers to Plymouth will be honored with a luncheon at Lofy's Arbor Lill restaurant. A luncheon will honor Ed Reid of the Photographic Center present a program on "The Picture History of Plymouth."

Men In Service

PEARL HARBOR, Hawaii—Freddie Spencer, fireman apprentice, USN, son of Mr. and Mrs. Raymond Spencer, of 646 Maple Ave., Plymouth, and William J. O'Brien, air-

man, USN, son of Mrs. Ann E. Titus of Plymouth, spent the holidays at Pearl Harbor, Hawaii, while serving aboard the attack aircraft carrier USS Coral Sea.

PEARL HARBOR, Hawaii—Gordon W. Carne, seaman, USN, son of Mr. and Mrs. Gordon W. Carne, Sr., of 16535 Surrey Dr., Livonia, will spend the Christmas holiday at Pearl Harbor, Hawaii, while serving aboard the aircraft carrier USS Coral Sea.

KEY WEST, Fla.—Floyd H. Woodward, aviation machinist's mate third class, USN, son of Mr. and Mrs. Burl T. Woodward of 37001 Ann Arbor Trail, Livonia, Mich., is serving with Anti-Submarine Squadron 30, operating from the Naval Air Station, Key West, Fla.

The squadron trains replacement pilots, air crewmen and maintenance personnel for anti-submarine squadrons of the Atlantic Fleet. It flies Grumman "tracker" aircraft.

For the past ten years Mr. Mettetal had been in semi-retirement at Oakland Lake in Pontiac, after turning over his business to his sons. He donated property on Clintonville Road for the erection of the Church of the Atonement, and was attending the church at the time of his death.

Besides his wife, the survivors are his sons Raphael A., Robert J., Eli L., Lewis W. and Marvin L., and daughters Mary I. Ladd, Edith J. Ryan, Nelda M. Mettetal and Esther M. Scheppele. Also surviving are one brother, Donald Mettetal and one sister, Della M. Kuster, 31 grandchildren and 3 great-grandchildren.

(Editor's Note: Freezing weather and blustery winds didn't prevent a number of Plymouth-area residents from answering The Livonian's man-in-the-street query this week on Plymouth's Main Street and Ann Arbor Trail. Question of the week was—

"Do You Think There Will Be a War Between the United States and the Soviet Union in 1962?"

(Here are their answers.) To Jeannine Dahlager, 20133 Valley, Northville, the coming year "will not bring a war because I don't think either country will be in one as long as we both stay frightened. They're not going to be dropping bombs when they know we have the bombs to retaliate."

A. Carlson, an employee at the Western Electric Co. in Plymouth, comments: "I'd say there won't be a war. Russia doesn't want a war at this time. They're not prepared to wage a war."

"Your guess is as good as mine," replied Carl Dixon, 7231 Rosemary. "I hope we don't have a war but you hear an awful lot of talk. I hope we don't get dragged into a serious conflict."

Mrs. William Upton, 1314 Carol, said, "I certainly hope not. I think even the Russians are aware of what the consequences of a nuclear war would be."

The Livonian asks a question each week to local residents on Plymouth's main streets. Readers who have a suggestion for a question are invited to send it to the Plymouth Edition, The Livonian, 33050 Five Mile Rd., Livonia.)

ALL CLEAR AND READY to go. The addition to Plymouth's municipal parking lot will soon be ready for use, with the former buildings which occupied the land completely cleared away. Grading and paving of the lot will soon follow and then it will be ready for auto use.

Engineering Wives Card Party Jan. 10

Annual card party given by the Engineering Society of Detroit Junior Wives will be held on Wednesday, Jan. 10, at 8 p.m. in the Junior Room of the Rackham Building. Door prizes and table prizes will be given.

Mrs. Richard Leonard is Program Hostess for the evening. Paul Donald Smith and Mrs. Paul Groth will pour at the tea table, and Mrs. Anthony Marcaccio will make the centerpiece.

Adult Ed Program Announced By Schools

A full measure of recreation and adult education activities—ranging from swimming to college credit courses—has been announced by the Plymouth Community Schools.

Registration deadline for the courses is January 19 and most classes get underway by January 29. First registrations may be made at the high school recreation office on January 15 and 16 during the day and evening. The remainder of the week, January 17, 18 and 19, registration will be taken during the day only. Mail registration must include the name of the activity, the name of the registrant's name, address, phone number and a check made payable to Plymouth Community Schools. It should be sent to the Recreation Office at the High School.

Monday activities include Community Chorus, Basic Electronics, Electronics II, German, Golf, Men's Gym, Nature Study, Security Investments, Beginning Sewing, Swedish Gym, Symphony, Theatre Guild, Advanced Typing, Beginning Typing, Upholstering and Water Color Painting.

Tuesday activities number Badminton, Ballroom Dancing, Bookkeeping, Business Machines, Charm and Beauty Cake Decorating — both advanced and beginning, English Composition, Family Dollar Planning, Great Books Oil Painting, Human Relations I, Modern Interpretative Dancing, Philosophy, Piano and Organ, Real Estate Rug Braiding, Intermediate

Sewing, Beginning Spanish, Intermediate Spanish, Skin Diving, Women's Gym and You and Selling. For Wednesday, lessons include Accordion, Beginners Drama, Boys Basketball, Male Chorus, Driver Training, Knitting, Senior Citizens, Shorthand Beginning, Square Dance Club, Toastmaster, Trimming, Waitress Training, and Yoga.

On Thursday, college credit courses include Civil War and Reconstruction, Science in the Elementary School and Modern German, all taught by Eastern Michigan University instructors and arranged through the University.

Friday, square dancing activities are scheduled on Saturdays. Baton, Bowling for Junior High, Boys Basketball and Cheerleaders are scheduled, all in the morning.

Special activities and events include Swimming at the PHS pool, Theatre Guild presentations and Plymouth Symphony concerts. Enrollment in many of the courses is limited and Plymouth Schools Superintendent Russell Isbister and Director Herbert Woolweaver suggest registration at the earliest possible time.

LIVONIA GOODFELLOWS
Harry S. Wolfe, President

EDITOR: I had decided to ignore J. A. Mc's letter, who, by the way apparently is a coward, also, but feel I must defend myself against subtle insinuations. I wonder if he read Mrs. Wilson's letter, for this is what prompted my interest in the first place.
Words can be cold and sometimes fail to fully express what one is trying to say. I believe this is what has happened in regard to the thought I tried to convey. Never-the-less I would like to point out I am very concerned over the racial problem, as others are now. (It is a very crucial time) and without knowledge of what's going on, with so many enlightening TV programs on the subject, as well as newspaper articles on the subject, I try to keep up with the world today.
We have friends and relatives who are, and were, missionaries in the Congo. They love the African, and bring their needs close to our hearts for prayer—but I am and was, speaking of the American Negro. Whether J. A. Mc thinks, or others, perhaps who read my comments) I had selfish or Communist views on the situation, he is absolutely wrong. It's a serious thing to label one "Communist" or hint at it, because he tried to express a plan for harmony among a people, altho, I probably my services would guess, maybe not too clearly. (If I were able to do this, be required in Washington.)
Yes, I am a Christian, not an "alleged" one either. Not from the standpoint of man, but by the standard of God given in His Word by Him. Romans 10:9 says "If thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thy heart that God hath raised Him shalt not be ashamed." This I have done, have you? Vital things in His Word, the Bible, are written so even a child can understand Christianity needs no defense.
Because one is a Christian does not mean he has to forfeit his right of freedom of speech or to assert himself when the occasion seems to warrant it. It's amusing, but disconcerting, to note how many times during the last few months, those who dare to express their views and beliefs have been called bigots, communists, sympathizers, anti-semitics, segregationists, and other names you probably could add to this list. Most of which I'd

never heard before lately.
My ancestors came over on the Mayflower, to this country, and my great great great (guess that's enough "greats") grandfather married an Indian Princess, now I ask you, how much more American can one be? Unless he were a fullblooded Indian! (No comments folks, I'm not interring that one has to be born here to be a true American.) Just had to get my "Justifier" up!
I've always tried to live by the traditions of my forefathers, and am thankful to God for the privilege of being born in this country, America—So at this Blessed Time of the year, a Memorial to the Christ, our Saviour's birth, a time of peace and goodwill, let's bury the hatchet. J. A. Mc, but, please, not in my scalp!
Thank you, Mr. Editor, for "listening."
Mrs. F.

AVRIELE F. HIMM OF 9914 WOODRING, Livonia, was among Detroit Edison scholarship winners honored at a luncheon in Detroit. She is shown with Peter Cook of Detroit Edison who explains the operation of a thermo-electric generator—a developmental device which was demonstrated at the meeting.
Miss Himm, a graduate of Ladywood High School, now is a student at Central Michigan University.
Detroit Edison sponsors 51 college study grants which are awarded annually on the basis of scholastic ability, character, citizenship and school activities.

Third Victory For Tankmen

The Thurston tankers won their third victory of the season by defeating both Bentley and Wayne in a triangular meet on Tuesday, December 19. The final score of the meet was Thurston 96, Bentley 71, and Wayne 25. The Eagles took eight out of the eleven events and broke three varsity records.
The first of these records was broken by Rick Barringer doing a time of 24.1 for the 50 yard freestyle, breaking the record set by Keller at 24.4 in the 59-60 season. Ken Wiebeck established a new record of 50.6 in the 100 freestyle, knocking 2.1 seconds off his old mark. A team of Ken Wiebeck, Tom Bobison, Bill Lambert, and Rick Barringer broke the 200 medley relay record with a time of 1:48.1.
Other firsts were taken by Pat Duthie in the 100 yard butterfly, 1:01.9 and Tom Robison in the breaststroke, 1:10.4. Jim Bond scored 51.1 points in the diving. A team of Bruce Vorce, Bruce Kordenbrock, Ozzie Amberg, and Dick Bubb won the 200 yard freestyle relay in a time of 1:41.3.
Also contributing to the Thurston victory were Bill Dickie and Jim Girard, who took 3rd and 4th in the 400 freestyle; Bruce Vorce, who took second in the freestyle; and John Kostrich, who took 3rd in both the 200 individual medley and the 100 yard butterfly.
Jerry Adams and Bill Lambert took a fourth in the 100 yard freestyle. Dan O'Grady placed second in the diving, and Bill Dickie and Neil Curran took second and third places in the 200 yard freestyle.
The Eagles next meet will be against their arch-rivals Redford Union at Thurston on January 9.

12th Night at St. Andrew

ST. ANDREW'S EPISCOPAL CHURCH, 16360 Hubbard Road, between Five and Six Mile Roads, will once again hold the annual celebration of the Twelfth Night, on Friday, Jan. 5, 1962, at 7:30 p.m., with the burning of Christmas Trees and singing of Carols.

Everyone is invited to bring their trees, and join in this impressive tradition of the Christmas Season.

Coin Shop Open At Ward's Wonderland

Montgomery Ward of Wonderland Shopping Center has opened a new coin shop. The shop has a large selection of coins and has the 1909 SWDB penny and the 1912-S Liberty Head nickel. It is also featuring 1961 proof sets, coin books and binders.

Included in the shop's collection are many unusual coins such as the 20 cent piece, the half dime, the three cent piece and the two cent piece.

Jim Mitchell, the collector and manager of the shop, will be glad to talk to anyone interested in coin collecting. He will buy, sell and trade coins with the public.

Mitchell has been collecting coins since 1948 and has travelled to such far away places as Europe and Japan searching for rare coins. He can Numismatic Association and the Michigan Numismatic Association.

BRIGHT CHRISTMAS STOCKINGS. filled with small items to delight feminine patients, were given to patients of Northville State Hospital by the 30 employees of J. L. Hudson's Northland handbag department. Mrs. Leonard Thomas (right) of 9960 Hemingway, Redford Township, is shown the stockings by (L to R) Mrs. Dolores White, Novi; Mrs. Florence Diaz, 17180 Biltmore; and Mrs. Nancy Dunham, 13419 Farley.

TRUTHS ABOUT ONE'S SELF are contained in writing strokes as demonstrated above by Mrs. Irene Andler, a member of the International Grapho-Analysis Association. Mrs. Andler will teach "Grapho-Analysis". Information on this and other evening school classes will be mailed to all Livonia Public School District residents a January 3, 1962. Registration for Adult Education Winter Term classes will be held at Bentley High School in the evening from 7:30 to 9:00 p.m., January 9 - 10 - 11 - 12. For further information please call the Adult Education Office GA 2-1200.

Seniors Win Writing Awards

Thomas Michael Duggan, Bentley senior, has won second honorable for creative writing in a state-wide competition sponsored by Michigan State University for high school seniors. Tom is the son of Mr. and Mrs. Frank E. Duggan, of 33614 Wood Drive, Livonia.

Tom submitted two 1000-word essays, one entitled "Student Attitude Toward Studies (Going Steady)" and another, "The Negro in the American Democracy". He was one of 20 Michigan students recognized in the university's first release of winners' names. Two scholarship winners and several honorable mentions were named in four categories: art, music, writing and the theater.

In a second release, an honorabl mention was awarded to another Bentley senior Charles W. Giesler, son of Mr. and Mrs. William G. Giesler of 7486 August, Garden City.

According to university officials, the recognition was given to "those students who reflected unusual creativity."

Class To Teach Party Cooking

As hostess during the recent holiday entertaining you may be somewhat exhausted. Perhaps when being entertained you found yourself envious of the ease and capability of your hostess and of her impressive table.

A class in Party Cooking will be offered during the winter term Adult Education program to help the hostess all year round. You may want to learn to serve impressive desserts, dainty party sandwiches, mouth-watering pastries, or some cookies to help you to thing new in cakes and make with ease and in little time appealing main dishes and salads, or yeast breads with an aroma to perk up any appetite. Or is your problem one of planning special occasions for a particular age group?

Join the class and let the Register at Bentley High School Cafeteria, January 9-10-11-12 from 7:30 to 9:00 p.m.

Rosedale Cubs Receive Awards

Cubs of Rosedale Gardens Pack 761 and their families had a Christmas party at the December meeting in the Whitman School auditorium. The party was complete with songs and carols, refreshments, and a fully decorated Christmas tree. Also the parents received gifts which the cub scouts had made themselves.

Awards were presented by Cubmaster Tony Lambert for scouting achievements. Bobcat badges were awarded to William Randolph, Keith Clark, and Mike Kokesh. Bear badges were presented to Lynn Whitehead and Allan Parkinson. Bruce Parkinson was given his Lion badge. Recruiting badges were earned by David Morrison, Ken Cox, and Steve Lobb. Arrow Point awards were made to Doug Clark, Ken Cox, Barry Fen, Mark Strantz, Lynn Whitehead, Allan Parkinson, Gary Hunt and Bruce Parkinson.

Den 8, under the leadership of Den Mother Marjorie Jones, won the Robin Hood Trophy for the best project. Den 4, under Den Mother Mary Ann Petres, won the project Runner Up Cup. The Achievement Cup went to Den 3, under Den Mother Joan Strantz. Den 6, under Den Mother Mary Hunt, was awarded both the Honor Pennant and the Inspection Award.

VFW Auxiliary Visits Hospital

Lt. L. J. Owners Auxiliary Post 394 Veterans of Foreign Wars of Livonia, celebrated their annual Christmas party by packing home made cookies, Cigarettes and canteen books in colorful bags made by hospital chairman Mary Feasel for 100 veterans.

On December 17 the post and auxiliary members delivered the package to the veterans at Ann Arbor Veterans hospital. Those attending were Commander Bill Mehan, Bill Block, Allen Campbell, Martin Belisle, Joe Turcutte, Ralph Kett, Catherine Hamilton and hospital chairman Marg Feasel.

The Auxiliary delivered baskets of food and toys to needy families for Christmas.

New Duplicate Bridge Club To Hold First Game Jan. 12

The new Plymouth Bridge Club will hold its first of weekly duplicate games on Friday, Jan. 12, at 8:00 p.m. sharp, in the Colonial Professional Building, 729 West Ann Arbor Trail, Plymouth, Mich.

Games will be held every Friday evening at 8:00 P.M. hereafter.

The club is affiliated with the American Contract Bridge League, and will be limited to players who have fewer than 20 Masterpoints registered with the League. Fractional points will be issued at the weekly games, and Masterpoint games will be held on the fourth Friday of each month.

Since this is a "junior" club, it offers an opportunity for those who like bridge, but have played little or no duplicate, to compete against players of their own experience.

Free coffee will be served. Ample parking is available. The playing room has been newly remodeled, and is well-lighted and air-conditioned.

Playing fee is \$1.25 per person per evening. No reservations are necessary.

Further information may be obtained by calling one of the directors: Bill Tullis, GA 2-7848 or Margaret Armstrong, KE 5-4465.

Fencing, Interior Decorating Are New YWCA Offerings

Northwest Branch YWCA announces new classes in interior decorating and fencing for the winter term. Classes are held at the Branch Building, 25940 Grand River.

Beginning Wednesday morning, Jan. 17, Mrs. Joanne Ostrowski will present a fresh approach to interior decoration. Ten weekly sessions, geared to the home-maker, will consider furniture arrangement, windows and window coverings, floors, and floor coverings, as well as color, lighting, and new trends.

Mrs. Ostrowski, a Wayne State graduate in Home Economics, has had wide experience in teaching adult education classes.

This class which meets at 10:30 a.m. is a part of the Ladies Day Out Program and can be taken singly or with the choice of an afternoon

class in millinery, knitting, ceramics, bridge or sewing.

Fencing for girls 7-12 years will be offered on Saturday mornings as part of the Sub-Teen Capers Program beginning Saturday, January 13. Mrs. Eileen Roths, 20050 Lexington, Junior High School teacher and a former national fencing champion, will be the instructor. A native of Canada, Mrs. Roths was educated in Montreal. Participating in numerous fencing tournaments, she placed second in the national championships in 1954.

Registration is now open at the branch. A YWCA membership and a nominal class fee covering instruction and use of fencing equipment is charged. In addition to fencing, Sub-Teen girls may choose ballet and tap, art and French for their Saturday morning's program. Further information may be had by calling KE 7-8500.

MRS. KEITH KOCH

Keith Kochs To Make Future Home In Chicago

Shelia J. Hutton, a Bentley High graduate of 1960, was married to Keith Koch, a Clarenceville graduate of 1959, in a candlelight ceremony at St. Martin's Episcopal Church on Dec. 23. The bride is the daughter of Emily J. McLean, 18741 Schoolcraft, and the groom the son of Mr. and Mrs. Melvin Koch, 29641 Bretton, Livonia.

James R. Hutton, her brother, gave away the bride in the double ring rites, conducted before an altar decorated in white, featuring white poinsettias. With Shelia's gown white satin and lace, her maid of honor, Miss Nancy Stone, and bridesmaids, Sharon Oger and Janet Dole, wore deep blue, with matching flowers. Melvin Koch, Jr. was best man, John Strelie and Don Tuthill ushered. Reception for 220 guests was held at Botsford Inn. The wedding party will take the couple through West Virginia, and their future home will be in Chicago.

Civil Defense Casualty Course Offered At Whitman Jr. High

A new series of Civil Defense care classes has been announced by Dr. Gordon A. Eadie, Medical Civil Defense Coordinator for the Wayne County Department of Health.

The classes, designed to train interested citizens for community services in the event of natural or military disaster, are open to anyone over 14 years of age.

"Aside from being an expression of one's concern for the security of our country, the taking of Civil Defense training can prove very valuable in the event of an accident at home or along the highway," Dr. Eadie said.

The basic course, consisting of eight two-hour sessions held weekly, will be offered at the Whitman Junior High School, West Chicago at Hubbard Road, Livonia, starting Tuesday, January 16 at 7:30 p.m., also at the McNair School, 3120 Bayham, Inkster, beginning Thursday, January 18.

All classes will be taught by local physicians assisted, when necessary, by registered nurses. Class sessions consist of one-hour of lecture and an hour of practical application of subject matter. Films appropriate to class material will be shown at most sessions.

There is no charge for the classes and all supplies and equipment are furnished by the Wayne County Health Department.

Persons interested in the Whitman High School class should call John Anderson at GARfield 2-1200. Those in the

McNair School area are asked to contact George McGuire at LOgan 5-1900.

The first term Advanced course, for which completion of the Basic course is a prerequisite, will be offered as follows:

Garden City Hospital, Inkster Road (north of Ford)

Tuesdays, 7:30 p.m., starting January 9, 1952.

St. Mary Hospital, Levan at Five Mile Road, Livonia.

Thursdays, 7:30 p.m. starting January 11, 1952.

Wayne County General Hospital, Medical Conference Room, Bldg. C, Wednesday, 7:30 p.m. Starting January 10, 1952.

Course will be held at Annapolis Hospital, Annapolis at Venoy Road, Wayne, starting Monday, January 22 at 7 p.m.

For further information or to enroll for the Advanced courses, which consist of 16 weekly two-hour sessions, interested persons are asked to call Dr. Eadie or Mr. Ian McNair at CRESTWOOD 4-2800 or PARKWAY 1-0200.

Mr. and Mrs. George Payton, 17255 Carol, announce the engagement of their daughter, Clara to John Luttman, son of Mr. and Mrs. James Luttman, of Pontiac. No date has been set for the wedding.

Meeting Thursday For Jackson PTA

A meeting of the Jackson School P.T.A. is scheduled for Thursday, January 4th, 1952, at 8:00 P.M.

The film "Wonderful World" will be shown, presenting a trip around the world. This movie, which was made by the Jam Handy organization, won a national prize for excellence in its field.

Public is invited; refreshments will be served.

Gourmet Cooking Is Garden Club Topic

"The Gourmet's Touch" will be the subject of a meeting and Cooking Demonstration of Rosedale Gardens Branch of the Woman's National Farm and Gardens Association at 1 p.m. on Tuesday, Jan. 9.

Dance Exhibition For Sisterhood

Third Annual Paid-Up Membership Affair of the Livonia Jewish Congregation Sisterhood will be held on Monday, Jan. 8, at 8:30 p.m. at the Coolidge School, 30500 Curtis, Livonia, with Mrs. Sam Burnstein presiding over the meeting portion of the evening.

This gala evening will be highlighted by a Buffet Dinner and entertainment will be furnished by the Judy Lee Dance Studio. Mr. Miller and his partner will present a dance exhibition.

To Women It May Concern

By MYRA COX

PALOS VERDES ESTATES, CALIF. — Well, if I can get this by the L. A. Chamber of Commerce I will give you a first hand, authentic report of California weather, of which there have been reams written.

It really is unique because each day has three seasons. You wake up to Spring. Everything is fresh, green and beautiful. By 11 A.M. Summer begins. Down to the surf and the sun - just warm and toasty and lovely - until 3 p.m. and then brrrr it is Fall. You have about three minutes between seasons. Of course the whole picture changes on days when they have fog (which is really rain).

If you leave home for an outing in "Summer" and don't return home until evening just be prepared with a heavy sweater and shorts that convert to slacks and everything will be delightful.

I was delighted for the diversified joys of Disneyland which we "did" the same day as the Eisenhower family. We did everything they did and had more fun because we did not have to give autographs, speeches, and take bows.

So much care is given to details in this land of fantasy. The people working there are completely in costume and character. They remind me of the caliber of young people you find at our Greenfield Village. The flying saucers were my favorite.

Los Angeles has so many interesting points for tourists to enjoy. Its terrain is breathtaking. It amazes how many splendid homes are located in such a small amount of land. High fences, not land, surround the fabulous homes. Rebuilding has all ready begun in Hollywood Hills on the homes of the famous that burned down in the recent fire.

After seeing the area I can readily understand the dangers. The huge homes are built in canyons - a fire at the bottom could easily spread sparks one to another up the hill.

A friend of my hosts, living in this area woke one morning to find some of their neighbors furniture and home in their kitchen. It seems they were putting in a new pool and part of the hill gave way. Despite these occasional inconveniences I would not mind viewing the world from this particular spot and if green stamps would make the down payment, there was one in particular which took my fancy.

Among the things California has that Michigan does not in Soupy Sales. I wasn't aware he had left our air waves, but he is certainly big out here. He is particularly the idol of the college group. He's considered real cool; does the twist and is a philosopher too. For example "If you drink like a fish, swim, don't drive," is his quote. Not kid stuff at all.

Last Tuesday Warner Brothers had their world premiere of "A Majority of One". There was glitter, searchlights, furs (remember it is Fall) and movie stars. As much as I hesitate to ever push a movie, book, or play, because I think humor is such a personal thing, I am sure every woman will find this movie fun. Particularly if you are a Russell fan. You will adore her in the part of a Jewish matron that Gertrude Berg made famous on the stage. She is from Brooklyn and Alec Guinness is a Japanese industrialist whom she meets en route to Japan. They become romantically attracted but are separated because of her children's prejudice. They are finally united with tremendous fun all the way. I just loved it.

The author never grows so angry about his subject of bigotry and war-hate that he pounds points home with a hammer, rather he uses subtle, thrusts of comedy to point out how foolish we are most of the time.

I intend to see it again with several sets of friends, for I will enjoy them enjoying it. That is if we can ever get through the snows of Kansas City to get home.

Marjorie is a 1959 graduate of Thurston High and now attends Eastern Michigan University. Frank attends the University of Michigan. The wedding has been set for Feb. 17 at St. Valentine Catholic Church.

New 4-H Club In Action

In October a group of 13 girls met at the club home to discuss plans for a new 4H club. The 'Clover Stars' was the name chosen for the club and meetings have been at the different homes every other Thursday evening since that time.

Chosen officers are Jackie Kirk, Pres.; Susan Kirk, Vice Pres.; Connie Collins, Secretary; Kathy Frysinger, Treas.; Dianne Sherman, Reporter. Other members include Susan Anders, Gail Beasley, Lindsey Gribel, Sandra Hartwich, Caroline Hood, Jeanette Howard, Lois Kenner and Victoria Sutton.

Our Projects chosen were sewing, personal improvement, and cooking. The first sewing project was finished by Christmas and was a gift for our mothers.

Under the leadership of Mrs. Louise Kirk and Mrs. Doris Collins the club is learning to better themselves individually and so become better citizens.

Riley Students Give Toys to Maybury

Last week, in the true spirit of the holiday season, Riley Junior High School students collected 2,992 toys for the children at Maybury Sanatorium. Math teacher, Barbara Laughlin, sparked the drive which resulted in many happy faces at the hospital. Students filled the classrooms with washable plastic toys, kiddie records and books. All of the gifts were wrapped by the teen-agers on their own time and made a stupendous hit with the stricken children.

Rabbi Milton Arm of Congregation Ahavas Achim will officiate at the installation and Cantor Jacob Sonenklar of Congregation Shaarey Zedek will render cantorial selections. Mayor William Washtien will be guest speaker.

A buffet will be served and you will dance to the music of Don Pablo and his orchestra. Donation is \$2.50 per couple.

The public is invited to attend and everyone is welcome so that we can honor

THE WOMEN'S SOCIETY OF THE Clarenceville Methodist Church, awarded to Mrs. Fred Grose, a beautiful pin and an honorary membership certificate. Mrs. Grose, was the first woman to unite with the Clarenceville Church in 1941 and the

first President of The Women's Society of Christian Service of that Church. The Rev. Elsie A. Johns, Minister of the Church is pinning the certificate is Aching since 1941.

\$87 Million For Expansion Spent by Michigan Bell

The Michigan Bell Telephone Company expended \$87,500,000 for the expansion and improvement of its facilities during 1961—the fourth largest construction program in the company's history.

Frederick R. Eckley, vice president and general manager, said the program "accomplished under serious difficulties, serves as evidence of our firm conviction that Michigan's economy is headed for continued growth in which the telephone industry will make a substantial contribution. We look forward to the New Year with optimism."

Construction expenditures during the year, Eckley said, were made in virtually every section of the state served by Michigan Bell.

Highlights of 1961 for Michigan Bell, Eckley said, included installation of the company's 3,000,000th telephone in September. The company gained a total of 55,000 telephones during the year.

Eckley also pointed to the completion of five new buildings and 11 additions, and the start of construction on five other buildings. In addition, new central offices were placed into service in West Bloomfield, Roseville, Utica, Keego Harbor, and Marysville.

Another highlight was the introduction of Direct Distance Dialing (DDD) in June to 145,000 customers in 38 communities in the Saginaw Valley area.

During 1961, Michigan Bell also introduced a new communications system for farm customers. The system, called the Farm Interphone, combines the telephone's traditional role of handling outside calls with the capacity to provide intercommunications service around the farm.

The conversion of the Charlotte exchange from manual

to dial operation this year served by dial telephones to nearly 99 per cent, Eckley pointed out.

Hunting in Hawaii Is Theme of WWWC Film In Plymouth

When far-traveled TV-cameraman Ebb Warren says "Warren's colorful film reveals another aspect to the 50th State . . . hunting for

County Conservation Club says "Warren's colorful film reveals another aspect to the 50th State . . . hunting for

goat, sheep, wild boar and birds of exotic origin in picturesque volcanic setting on Mauna Loa and Mauna Kea."

Teaming up with the popular photographer-lecturer who needs no introduction to this area, Warren's talented camera brings into focus an amazing array of both hunting and fishing in our 50th State — Hawaii. Taber's prowess with the shotgun and rifle vie with his talented tongue which has held thousands of audiences spellbound through his programs.

First Saturday Brings Movies

First Saturday of every month is movie Saturday at Johnson School and this month's showing January 6 includes Walt Disney's "Nature's Half Acre" and "Happy Hour Cartoons."

To round out an evening's entertainment the whole family will long remember, Warren will also screen an amazingly colorful hunting and fishing film on New Zealand.

These monthly movies, sponsored by the Johnson PTA, are shown in the school's multi-purpose room at 1:30 and 3:00 p.m. The 25 cent donation pays for the film showings and raises funds for PTA activities.

The following places will have tickets for sale:
The Livonian, 33050 Five Mile Rd.
John Barnett's Viking Sport Shop, 28239 Plymouth Road (just East of Middlebelt).

Art & Wes Archery, 35440 Ford Road at Wayne Road, Wayne.

Don Sportsman Center, 35202 Michigan Avenue, Wayne.

Davis & Lent, 336 S. Main Street, Plymouth.
Plymouth Mall, 271 S. Main Street, Plymouth.

Western Wayne County Conservation Club House, 22501 Joy Road, Plymouth.

"Most sportsmen think of Hawaii only in terms of hula-hula girls and surfboard riders," Joe Fortier, President of Western Wayne

Jewish Sisterhood Luncheon Jan. 11

Sisterhood of the Livonia Jewish Congregation is presenting their first Luncheon, Fashion Show and Card Party at Federal's Department Store, Grand River at Oakman, on Thursday, Jan. 11 at noon.

The fashions will be modeled by Sisterhood members and a delicious lunch will be served, after which you can play cards. There will be many lovely donor prizes given away. The donation is \$1.00 per person.

For further information call, Dolores Friedman, Fashion Show Chairman at GR. 6-1172 or Lorraine Rohan, Ticket Chairman at GR 6-0184.

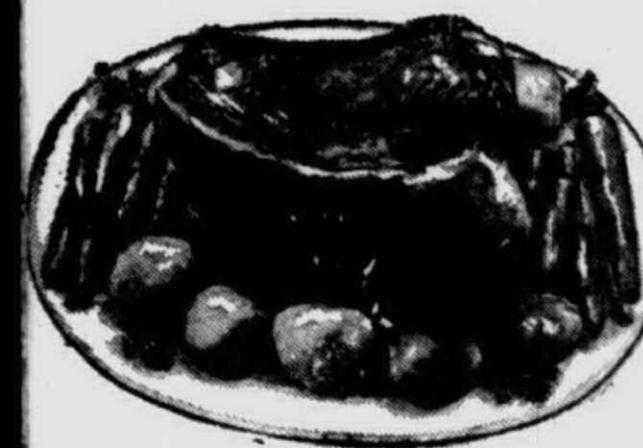

Beth-Am Ladies To See Program About Dancing

Sisterhood of Temple Beth Am will meet on Jan. 8 at 8:30 p.m. at the Y.W.C.A., Grand River and Beech-Daly Road, at which time Mrs. Harriet Adler and instructors from her dancing school will teach members and guests some of the popular dance steps.

Slacks will be the evening's attire and ladies are invited to attend with their spouses. Refreshments will be served.

Teachers Tell Parents: 'What's Wrong With You'

"What's wrong with parents and their attitude toward children in school?" was discussed by a panel of teachers at the Shear School PTA meeting recently. Panelists stressed that their discussion applied to all parents, regardless of school, and discussion leaders included Mr. M. Frankie, kindergarten teacher; Mrs. S. Sendrak, fifth and sixth grade teacher; Mrs. Helen Bone, Mrs. Pat Viforeanu, Miss S. McCotter, first grade teacher; and Mrs. I. Marshall, sixth grade teacher. Mrs. Franke stressed the most important thing you can do for your child when he first starts school is to assure him of your love. "Make the child feel loved and secure and he will enter school with a friendly attitude. If mothers give their children the feeling they are being shoved out the door, the child begins to worry and becomes antagonistic but if he feels he has his mother's love he will be more co-operative. "Always teach respect for the teacher. Teachers train many years and go to school many years to be able to do their jobs," Mrs. Franke said, "and if teachers are to apply the theories they have learned, they must have co-operation from parents."

Mrs. S. Sendrak, fifth and sixth grade teacher enumerated the Shear School safety rules. "We are now flying the green safety pennant on our school and we want it to stay there," said Mrs. Sendrak. "One thing we can do to eliminate accidents is to ascertain that your child knows he should walk his

bike in the playground, park it in the bike stand, and lock it securely." "Also," Mrs. Sendrak continued, "please do not pick up your children on rainy days. The parking lot and the front of the school becomes so congested, that this is much more dangerous and hazardous for children then walking in the rain when adequately clothed for that type of weather." Mrs. Pat Viforeanu also asked that parents co-operate with her 100% because she really has an important job in escorting the students across Schoolcraft.

Mrs. Helen Bone discussed the hot lunch program. Many students who could go home for lunch are carrying their lunches to school. A two week survey was conducted when there was no inclement weather and the results were 1,783 children bought the hot lunch, 1,144 bus children carried lunch and a total of 1,624 who walked to school brought their lunch. "If children are close enough to school to walk, they should be able to walk home for lunch" stated Mrs. Bone.

Miss S. McCotter, first grade teacher discussed evaluation, emotions and retention. The details for evaluation are explained on the report card. Students must do work they know they are ready for, and that they can keep up with from day to day. Children who should be retained but who are promoted at the parents' insistence are working under a great handicap. Report card markings and standardized tests results will bear witness well in advance of the school's intention to retain a pupil, and parents should, in fairness to the child, let the principal make the decision about promotion or retention. "You should worry about whether your student is adjusted to school, does he manage his time and energy well, is he well enough to study, does he worry about family situations," said Miss McCotter.

Students who are well adjusted have an active mind, they are not satisfied with less than they can do, when class work is done the well adjusted explore enrichment possibilities.

Mr. I. Marshall, sixth grade teacher asked the parents not to believe all the students come home and tell about the school. If there are any doubts come and talk to the teacher. "Many people will go directly to the principal with their problems and while the principal is in complete command of the school, the teacher most often knows the students better," stated Mr. Marshall.

Trojans Eye Better Days This Year

Whatever happens in the 1962 phase of the season has to be an improvement for the Clarenceville high school basketball team.

The Trojans didn't win any of their five starts before the holiday, causing some gloom in the Livonia school's campus.

But Coach Dave Schaefer is optimistic. He remembers that a year ago Clarenceville also lost its first five games, then won five of its next 13.

The big trouble so far for Clarenceville has been the inability to play two good halves. It could be different Friday night when the Trojans host Holly.

Crucial Tilts On The Docket As Preps Resume Schedules

It's back to the championship grind in the Suburban Six League basketball race this Friday night for Redford Union, Livonia Bentley and Plymouth High Schools.

And "crucial" is the word which best describes the initial action for 1962 for the Redford Union has a home date with Belleville to settle the undisputed lead in the league. Both teams will hit the firing line in the Ru gym at 8 o'clock Friday with 2-0 records.

Meantime, Bentley hikes to Plymouth for a game neither side can afford to lose. Each must win to stay in close contention for league honors.

While Plymouth relaxed from competition during the holidays, RU and Bentley kept "hot" by engaging in the annual Christmas tournament at Southfield.

The Unionites came out of the meet with two wins and a loss. Bentley dropped two, before winning. Nonetheless, Coach Bob Bentley of Bentley was encouraged by what he saw in the holiday action from a Bentley (team and

coach) standpoint.

Redford Union, unbeaten in four contests going into the holiday classic, started off at Farmington on a sad note by losing to Royal Oak Kimball, 46-37. This naturally eliminated RU from the race for championship glory, dropping them into the consolation round along with Bentley which was spanked on opening night by Highland Park, 68-35.

Tom DeWitt tallied 11 points and Larry Braithwaite 10 for Redford Union against Kimball which was in charge most of the way.

Bentley never was in the battle against Highland Park, annually one of the area's Class A powers. The Parkers took a 16-6 edge in the first quarter and the rest was no problem.

Vern Bergman dropped in 12 points for losing Bentley.

Round Two of the tournament pitted RU against Bentley. Typical of most games between the neighbors. This was another honey. Not until the last few minutes did RU get the breathing room needed to squeeze out in front, 42-38, in the final score.

The teams were tied at 23-23 at halftime. Mike Griffin dropped three RU hoops in the third period to give his team a 35-29 edge. But Bentley kept hanging close right down to the final wire.

Len LaPla and Keith Zolweg shared scoring honors for RU. Each had 12. But the game's high scorer was Bentley's Lonnie Carrier with 15.

Faculty free throw shooting hurt Bentley. The Livonians muffed eight chances in the final half. "One of the fluffs came on 'three-and-one' situations.

On the final day of the tournament Bentley showed its best advantage of the season in drilling Walled Lake, 55-48, while RU scored over Allen Park, 61-51.

A final-period explosion brought Bentley home a winner after the Livonians had held only a 29-25 halftime edge and went into the last stanza with a 39-38 advantage.

In the closing drive, Carrier, Bergman, Steve Powers and Gregg Mapes each netted four points for Bentley, while the Livonia defense kept Walled Lake to only 10 points.

Mapes took overall scoring honors with 19, Bergman had 18 and Carrier 13.

"It was our best all-around effort of the season," Coach Bentley said afterward.

"From what the boys showed I think we finally have started to jell and we could be real rough when the league campaign resumes. I liked the way our kids moved the ball, scored and rebounded against Walled Lake."

In fact, Bentley (the coach) said he really saw no major reason to be discouraged despite the team's 2-5 record. The worst any Bentley (the school) team has had since Bentley took over as coach five years ago.

"Remember, three of the losses were against such teams as Farmington, Highland Park and Edsel Ford... all unbeaten when we played them and all rated highly in the suburban polls. And two more of the defeats came against Redford Union,

which looks like the team to beat in the league.

"So nobody has disgraced us this year... not yet, anyway."

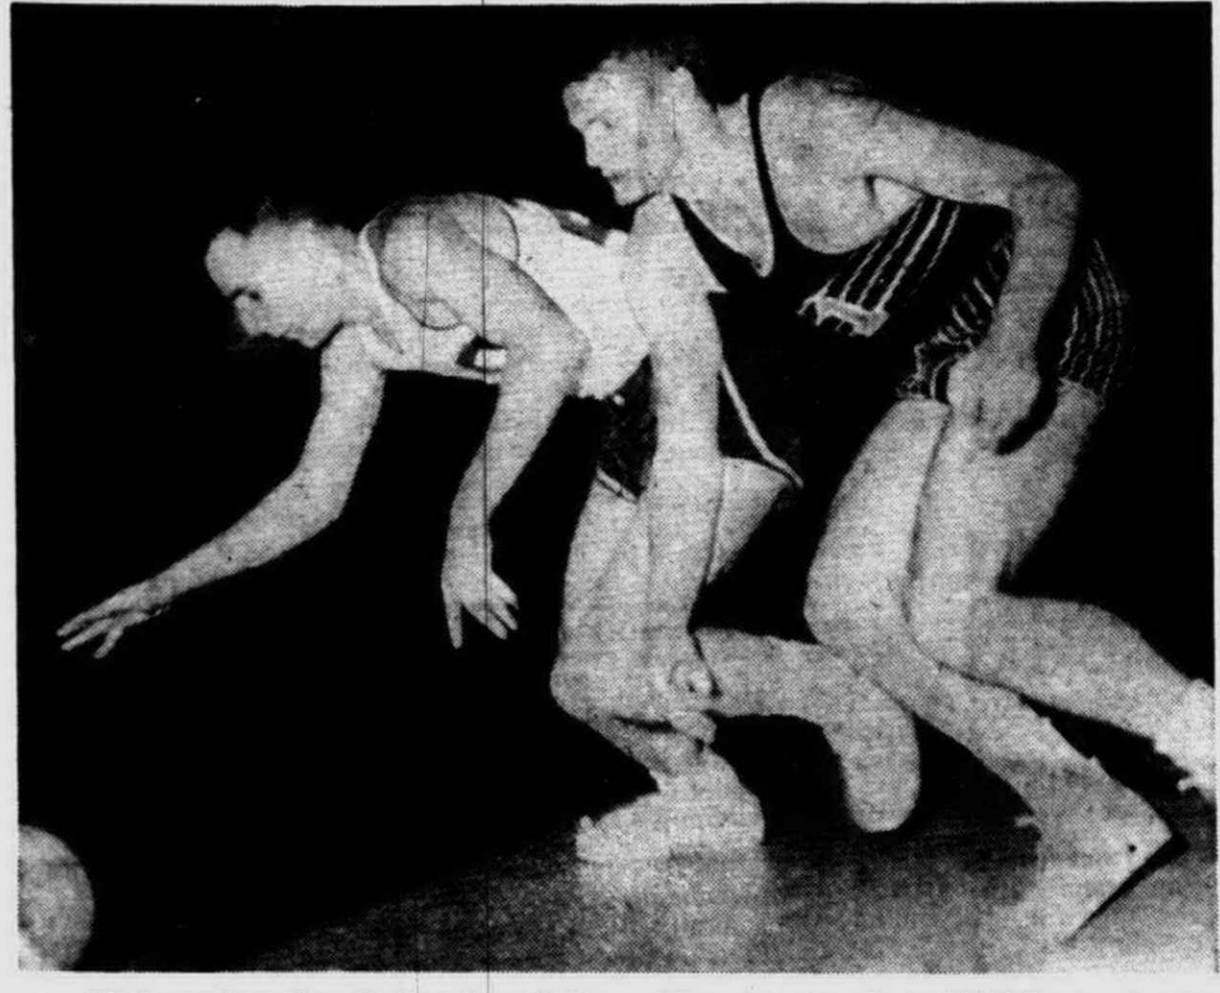

Redford Union also went on a scoring parade in the final tourney game to clip Allen Park, 61-51. DeWitt was the big RU gun with 12 baskets for 24 points. LaPla followed with 12.

It was a tight struggle until the four minute mark of the last period. Then DeWitt hit for two hoops and John Cross another pair and the RU team coasted to its sixth conquest in seven games.

"We jus had the one rough effort in the tournament... against Kimball," RU coach Dick Nycum said. "But, generally the boys played well in the tournament and I'm fairly optimistic about what might happen the rest of the winter."

"However, we'll need some breaks. And we can't afford any injuries. We're not too deep you know."

Reserve games as usual will start the programs at RU and Plymouth Friday night. The second stringers will begin action at 6:30 O'clock.

High-scoring Cas Jankauskas (left) of Thurston beats a rival in scramble for loose ball. Jankauskas' play has helped Thurston to share Mid-Wayne League lead with Riverview High

St. Agatha Guns For 2nd Win

Idle since Dec. 15 from action, St. Agatha's basketball varsity goes back to work in the Catholic League Friday night, playing at Ypsilanti St. John's.

The parish quintet from Grand River-way managed only one win in its first three starts, beating St. Francis Xavier, being bowled to Our Lady of Sorrows and Ann Arbor St. Thomas.

Inexperience has hurt Coach Dave Brazil's quintet. He's built around only two regulars, Don Jetke and Bob Dorech, from last year's squad.

Prep Schedule

BASKETBALL	
Friday	
Belleville at Redford Union, first game at 6:30 p.m.	
Livonia Bentley at Plymouth, first game at 6:30 p.m.	
Thurston at Riverview, first game at 6:30 p.m.	
St. Agatha at Ypsilanti St. John, first game at 7 p.m.	
Holly at Clarenceville, first game at 6:30 p.m.	
Livonia Franklin at Monroe Jefferson, 7 p.m.	
Saturday	
Southfield Reserves at Livonia Franklin (Bentley), 6:30 p.m.	

REGULAR FORWARD IS HURT

Thurston Suffers A Jolt

What started out as a happy Christmas vacation period for Coach Bill McDonald and his Thurston High School basketball team ended on a gloomy note.

Star forward Joe Kotula fractured his wrist during a practice session and will have to miss at least five or six games... maybe the balance of the campaign.

"What a blow for us," declared McDonald as the Thurston cagers resumed drills Tuesday.

"We have our big game coming up Friday night at Riverview. That's the one we have to win."

At stake Friday night will be undisputed possession of first place in the Mid-Wayne League. Before the holiday break, Thurston and Riverview each carved 2-0 conference records.

"They're a dandy team, this Riverview crew," added McDonald. "Even with Kotula we'd have our problems, especially down there. Riverview has lost only once this season and they've been playing a schedule heavy with Class A opponents."

Kotula has worked up front for Thurston with Cas Jankauskas and Keith Spicer. He has developed into one of the team's top rebounders and in addition he has been averaging around 10 points per game.

"Joe had been improving in every game," his coach noted. "He had given indications that we could expect some great things from him after the holidays."

"It's a shame this had to happen, especially as far as Joe himself is concerned. He's a senior. By the time the cast comes off, the season will be in the home stretch and Joe may not be able to work himself back into top condition."

Who'll replace Kotula? Dennis Edison and Marty Suehik are being groomed for the forward spot.

Jankauskas has been the hot hand to date for Thurston in scoring. He's got a 20-point average. Spicer is second with 10. Ed Kosikowski has a 10-point average while Jerry Samulian is at 8.

Lloyd Carr and Tony Kruzman are two of the big guns in the Riverview lineup. The downriver gang was unbeaten until beaten by Royal Oak Dondero last week in the River Rouge Invitational.

Riverview then bounced back to beat Ann Arbor in three overtimes.

SPORTS OBSERVER

By George Maskin

And a belated Happy New Year —

To those in the community who make them trek northward on a regular basis to try their luck at skinning... to mothers who never miss games in which their sons play... to 95-pounders who wrestle for their high school teams, thus proving there's a place for the little guy in prep sports... to high school basketball referees who survive a rough job with a smile...

To every dad who figures not enough is written about his son's athletic skills... To the schools which keep making a success out of the holiday basketball tournament in which Redford Union and Livonia Bentley have had important parts... To prep baseball coaches who somehow manage to get teams out on the field comes the spring...

To every kid brother and sister who looks up their hero — be he a regular or the last sub on one of the area's varsity or reserve teams... To the Recreation department officials who work tirelessly, but sometimes without stirring interest, especially among the folks who need athletic participation the most — meaning the older gents with pot stomachs...

To the wives of coaches who are pestered by reporters calling for information on how the "old man's" team did... To youngsters who love to ice skate, but can't because of weak ankles... to boys who care not how cold it is, just as long as they can plunge into a lake or pond to go for a swim... to ping pong players who murder their opponents, and those who don't.

Yep... Happy, Happy New Year to ALL.

What I'd like to see happen this year—

Every golfer make at least one hole-in-one... on a par-four hole no less; Norm Cash rap the ball at a .360 pace... Gordie Howe score 30 goals... Walter Dukes bag 15 rebounds per game and 10 points... George Wilson find the running back he needs the Lions offense more potent;

Bob Calihan continue to produce a winning team at the University of Detroit on the basketball courts; Each and every bowler roll a 300 game and at least one 3,000 series during the winter;

Roger Maris club 62 home runs in 150 games so no body can fault his record achievement in any fashion; The Tigers have no postponements because of rain.

On a more serious vein — and who hasn't been here before? — what I'd like to see transpire during the new year is a greater interest among our citizens in active participation in athletic events promoted by the various recreation groups in the community.

In this respect, I know there's support from the President's committee on physical fitness which is striving to do something about the faulty condition of so many Americans.

There's no reason why more folks in Plymouth, Livonia and the Township can't take advantage of what's offered them by the recreation departments they themselves pay for with their tax money.

As we noted at the outset of today's rendition the recreation bosses knock their brains out trying to stage sports programs for adults. But they can't claim success.

Somehow it just doesn't seem the right thing for pop to head down to the gym at night and shoot some baskets or take a swim or maybe during the summer try his hand at belting around a softball... or is it a fastball these days?

Dad usually claims he's too tired... too tired even to walk to the drugstore instead of driving.

And it's the same way for our young teenagers. They must drive, too. Silly, all these walking.

So, we're getting fat... and by we, the writer must add his own name.

Franklin Quintet In 2 Contests

Winners of its first two games, Livonia Franklin high school's basketball team hopes to add to its record this weekend, playing two games.

The Franklin quintet, coached by Pat Basile, will play at Monroe Jefferson Friday evening at 7 o'clock, then return home Saturday to engage Southfield at 6:30.

So far Franklin holds decisions over the Redford Union and Walled Lake Reserves.

Basile's team also has a road test slated for next Tuesday night at Allen Park.

The Bentley - Franklin reserve wrestling teams resume operation Thursday afternoon with a meet at Bentley against Thurston. The Bentley-Franklin reserve swimmers were to meet Plymouth on Tuesday at Plymouth.

Advertisement for Construction Bids FOR THE BAKEWELL DRAIN WAYNE COUNTY, MICHIGAN

1. RECEIPT OF BIDS
 The Drainage Board for BAKEWELL DRAIN will receive sealed bids until 11:00 A.M., Eastern Standard Time, January 23, 1962, at the Board of Wayne County Auditor's Board Room No. 1222, City-County Building, Detroit, Michigan, at which time and place all bids will be publicly opened and read.

2. DESCRIPTION OF WORK
 2,312 feet of Open Cut Ditch, together with 787 feet of 32" x 143" concrete pipe and miscellanea-

3. PLANS AND SPECIFICATIONS
 Plans and specifications are on file and copies may be secured at the Office of the Wayne County Drain Commissioner, 3523 Cadillac Tower, Detroit, Michigan. A deposit of Twenty-Five Dollars (\$25.00) Check only will be required on each set of plans, which will be refunded upon their return in good order within ten (10) days after the opening of bids.

Special Courses For Top Math Students Offered

Outstanding mathematics and science students of the Livonia Public Schools in grades nine through 12 will soon have an opportunity for advanced training by specialists through the Mathematics-Science Seminar of Livonia, now being organized by a joint committee drawn from the community and the schools.

Students selected for the seminar not only will receive training from specialists in technology and applied science, but will have access through these experts to some of the finest research facilities and equipment in the local area.

The seminar is designed to supplement the regular work of the classroom in helping students reach their full potential in mathematics and

science and to arouse their interest in further preparing for the top positions in these fields. To help carry out this plan the schools are enlisting the help of many outstanding citizen experts in the community to serve as resource persons.

Chairman of the seminar organizational committee is Bill Hermann, former Livonia Board of Education member and Sales Supervisor of the American Telephone and Telegraph Company. Subcommittee chairmen include: John M. LaRue, Staff Consultant, Research Laboratories Division, Bendix Corporation, in charge of Seminar staff recruitment; Dr. A. Edward Katz, Assistant Director of Psychology, Hawthorn Center, in charge of seminar student selection; and Fred-

rick Legg, Manager, Manufacturing Product Division, Burroughs Corporation, in charge of seminar curriculum development.

Richard R. Adler, biology instructor at Bentley High School, has been selected as coordinator for the project. Other members of the Livonia Public Schools staff on the organizational committee are Dr. Leslee Bishop, Coordinator of Secondary Education; Dr. Paul F. Ploutz, Science Coordinator; Robert S. Marks, Bentley counselor; and Mr. Thomas P. Hartsig, Bentley mathematics instructor, who will serve as recorder.

The program was initiated under the direction of Dr. Paul E. Johnson, Assistant Superintendent in Charge of Instruction, and Dr. Donald

E. Friedrichs, Principal of Bentley High School. Both are ex-officio members of this committee.

Committee members expect the first seminar session to be offered at the beginning of the second semester. In the meantime the committee is taking steps to procure seminar staff members, to select students for the first year's program, to develop a general outline of topics to be discussed in the sessions, and to prepare a guiding philosophy for the seminar. After the program is in operation it will be directed by a seminar board of directors.

Last spring six Bentley students participated in the Mathematics - Science Seminar at Redford Union High School. The formation of a similar seminar was subse-

quently discussed by Livonia staff personnel in May. In June Jacob Shapiro, coordinator of the Joe Berg Foundation, was invited to discuss the Joe Berg plan of organization, which is being used at Redford Union High School. The Berg Foundation furnishes help to schools which are interested in organizing seminars and acts as a clearing house for information from 688 such seminars which have been formed in leading schools throughout the United States and Canada.

Some of the topics outlined for the spring seminars include: Digital Computers, Radio Isotopes in Biological Research, Space Technology, Physical Properties of Chemicals, and Astrodynamic and Space Probes.

Any specialist in mathematics-science or related fields who would like to help in bringing this worthwhile program to the young people of Livonia is asked to contact John M. LaRue, GA 1-1954, or Richard R. Adler, GA 7-1900.

Jewish Community Parents Without Partners To Meet

"Parents Without Partners" group of the Jewish Community Center, 1 Meyers Road, Detroit, have an open meeting Tuesday, Jan. 9, at 8:30 Dr. Bernice Roberts, coordinator of Elementary Schools, will speak on "Education Is Your Partner" coffee social follows the discussion.

Also on the January agenda for the group is a Parents Without Partners Bowling after on Sunday, Jan. 7, at 4 at the Rolawile Recreation Center, 7040 Puritan, Detroit. There will be special super-bowling for younger children.

For further information about the group's activities call DI 1-4200.

Men In Service

GREAT LAKES III Michael T. Harvey, son of Mrs. Thomas E. Harvey of 9908 Arden, Livonia, completed nine weeks of crew training, Dec. 11, at a Naval Training Center, Great Lakes, Ill. The training included military etiquette, drill, physical fitness, swimming, survival, first aid, ship safety precautions and riot duty.

Ward's Offer Rental Of Male Formal Wear

CHICAGO, Dec. 27—Montgomery Ward today announced it is entering the business of renting men's formal wear through its catalogs and stores in eight mid-western states.

The new service will be handled for individual customers as well as for large group events through the nation's largest supplier of men's formal wear, Gingiss Brothers, Inc., of Chicago.

With distribution of Ward's new mail order catalog this week, the new service is being introduced to customers in Illinois, Indiana, Kentucky, Iowa, Wisconsin, Michigan, Ohio and Tennessee, the area served by Ward's mail order house in Chicago and by 240 retail and catalog stores.

Charles W. Wood, vice president and general merchandise manager of Montgomery Ward, stated that Ward's is inaugurating this new rental service because "Men's formal wear is difficult to obtain at reasonable costs in many communities. Through our mail order service, and through the catalog desks of our 240 stores in this eight-state area, we will provide customers with completely custom-fitted formal wear on a home-delivery basis in plenty of time for each special event."

"As the demand for the rental of formal wear increases," Wood said, "Ward's will arrange to extend the service to other states."

Benjamin J. Gingiss, president of Gingiss Brothers, stated that "Each formal outfit, with all accessories, will be delivered by mail direct to the customer's home. No pressing will be necessary because all jackets and trousers will be of new wrinkle-resistant fibers such as orlon-acrylic-dacron and polyester - nylon. The customer only needs to place the garment on a coat hanger for a few minutes and it will be ready for the wedding, banquet or other special occasion for which it was desired."

Each formal outfit rent for one price, \$8.95 and will be fitted to customer's measurements and will include a jacket, shirt, tie, shirt studs, cuff links, suspenders and cummerbund.

Each formal outfit will be fitted to customer's measurements and will include a jacket, shirt, tie, shirt studs, cuff links, suspenders and cummerbund.

Schools, groups and organizations ordering 25 or more outfits at the same time be allowed a 10 per cent discount on the entire order, Wood said.

Jewish Pre-School Program Expanded

Children's Division of Jewish Community Center, 18100 Meyers Road, Detroit, has announced the full expansion of its pre-school program. Starting Feb. 1962, there will be a "group" session at the building on Tuesday, Thursday mornings, from 10:30 a.m. to 11:30 a.m.

Other main building sessions of the pre-school program beginning the week of Feb. 5 are: nursery, Monday through Friday, 1 to 2 p.m.; "Playgroup," Monday, Wednesday, Friday, 11:30 a.m. to 12:30 p.m.

There is also a "group" at the Ten 1 Road, Oak Park on Tuesday and Thursday, 9 to 10 a.m., beginning Feb. 6. For further information and applications, call Jewish Community Center Children's Division, DI 4200.

In 1896, "Dorothy Dix" Mrs. Elizabeth M. Gilme began her column of personal advice in a daily newspaper. It was the first "advice to the lover" feature in newspapers. Today, most newspapers have helpful and informative columns on personal problems. Trouble that looks like a mountain from a distance usually is only a hill you get to it.

Seniors Win Pin Match

High games of 235 and 200 and three-game totals like 560 and 600 led the Livonia Senior Citizens Bowling team to a victory over the "Ole Timers" of Bowlerama in Detroit.

Livonia's five-man team topped the Bowlerama team by 301 pins in a scheduled match recently at Livonia Lanes.

Howard Wendt rolled the high single game of the afternoon — a solid 235.

Three game totals for Al Buxton and Joe Schroeder reached 600 and 660, respectively.

Buxton's scores included two over 200 games, 220, 168, and 212; while Schroeder rolled a 191, 195, and 175.

Livonia's team, made up of Senior Citizens who bowl weekly at the Livonia Lanes, includes Howard Wendt, Al Buxton, Joe Schroeder, Mel Barker and Al Traechsel.

The match was the second event with the team from the "Ole Timers" league in Detroit.

Livonia lost the first match by 100 pins. Rematches are scheduled in January.

KEY MEN IN LIVONIA'S Senior Citizen bowling team: L to R, Standing—Mel Barker, Al Buxton, Howard Wendt; Seated—Al Traechsel, Joe Schroeder.

President of the Livonia Senior Citizens bowling league which meets weekly, 1 p.m. Thursdays, at Livonia senior citizens to Livonia Lanes.

Senior Citizens Need More White Material

Women in the Livonia Senior Citizens Club have announced their need for more white material so they can continue making cancer pads.

They would appreciate contributions of scraps of white material, discarded sheets, pillow cases or white shirts.

The material should be left at the Department of Parks and Recreation office, 14305 Farmington Road, where it will be picked up.

Livonia Chess Club To Meet Expert

Livonia Chess Club, a recently organized activity of the Department of Parks and Recreation, will host Detroit News chess columnist William Bult at its meeting, 7 p.m. Thursday, Jan. 11, in room 15, Bentley High School.

Bult, former chess champion of Rotterdam, Holland, will give a simultaneous exhibition and short lecture at the meeting. He will take on as many chess opponents as are interested in simultaneous games on that evening.

All interested Livonia chess players are invited to attend the weekly meetings, 7 p.m. Thursdays, room 15, Bentley High School.

The group is under the leadership of Jack Goldstein.
