AFFILIATED WITH CHANDLER-McKAY NEWSPAPERS

Wednesday, January 17, 1962

EARLY BUYERS OF the new green-and-white 1962 auto license plates at the Plymouth Branch of the Secretary of State's office are, front of counter, Ethelwyn and Arthura Verschaev of Northville and Joe Boshnyak, 7152 Farnum. Behind the counter are Branch Manager Mrs. Doris Root and two assistants, Mrs. Mildred Dely and Mrs. Freda Range.

15,000 Plymouth Motorists Still Need New Auto Plates

About 15,000 Plymouth area motorists still haven't obtained their 1962 auto license plates. That's the estimate of the manager of the city's Secretary of State Branch Office, Mrs. Doris Root, while her office this week at 181 W. Liberty St., continued to distribute new green-and-white plates.

"We hope everyone doesn't decide to wait until the last minute, though," Mrs. Root said. "They'll save themselves time if they get their plates soon."

Mrs. Root, who has been branch manager in Plymouth since 1955, said already 3,800 pair of the new plates have been distributed since they first went on sale in November. "We're ahead of distribution last year at this time," she said.

Motorists who purchased tags last year can get a 35-cent refund for the reflectorizing fee which they paid. A refund form, which can be obtained at the branch office, must be mailed to the Secretary of State's office in Lansing by Feb. 16 to qualify for the refund, which will be deducted from the cost of this year's license.

Hours at the Plymouth branch office, located one block south of the city railroad depot, off Starkweather St., are from 9 a.m. to 5 p.m. daily and from 9 a.m. to noon on Saturday. The office shares a building with Plymouth Softener Service.

Fire Truck Bought by Township

A suggestion that licenses be required for door-to-door peddlers and solicitors in Plymouth Township was made to members of the Township Board at their meeting last week.

The proposal came from the Plymouth Community Chamber of Commerce. The Board moved to table the suggestion and refer it to Township Attorney Earl Demel on the motion of C. V. Sparks and Louis Norman.

In other action, Board members unanimously approved the purchase of a new fire engine for the Township from the American-LaFrance Corp. Cost of the vehicle was set at \$27,932, and action came after Board members heard a report by Fire Chief Howard Holmes. The fire engine will be delivered by July 1.

Plans and specifications for the new Department of Public Works building to be erected behind the Township Hall, were presented by architect Tivador Balogh. Bids for the new building will be opened on Feb. 13 and Supervisor Roy Lindsay appointed a committee of Louis Norman, Howard Holmes and Matthew McLellan to review the plans. Consideration of the purchase of a vehicle for the DPW—a 3-ton pickup truck—was discussed. "Purchase of the vehicle to serve the needs of that department is considered necessary to maintain best of sewer and water service," the Board pointed out. Bids for the truck will be taken Feb. 13.

In financial matters, the Board approved bills totaling \$13,847.85, approved a payment of \$22.95 for dog damage to turkeys and \$2.80 for Justice of the Peace fees and mileage to Loyd Sharland and agreed to pay the personal tax bill of Continental Can Co. for \$240.14 which had been "levied in error."

Coin Club Will Swap at Meetings

The Riverside Coin Club is now meeting at the home of Mr. and Mrs. Amos at 9814 Blackburn Livonia. The next meeting will be held this Sunday, January 21st at 3:00 p.m. Each meeting features a coin auction and general swap sessions among the members and guests.

Anyone interested in the hobby of coin or medal collecting is invited to attend.

OK Urban Renewal

Houses in Plymouth's Urban Renewal project will come tumbling down sometime next summer.

Members of the City Commission gave their final approval Monday to the long-planned renewal project which will change the face of Mill Street north of Ann Arbor Trail. They passed unanimously three resolutions as a preliminary act to effecting a Federal government loan.

The Commission's action came after a public hearing at City Hall during which about 25 residents appeared to listen to the Commission's deliberations. One resident who asked about

relocation was told by city officials that "every effort would be made to relocate families in similar living conditions to their present homes."

"We have filed applications for the project with the Federal government," City Manager Al Glassford told the meeting in reply to a question. "I talked to a representative of Urban Renewal's Chicago office this week. They tell us within four to six weeks we'll receive a contract from the Federal government to do the job."

"Then we'll start contacting all residents regarding acquisition of your property."

We should be all finished by July or August of this year."

The project is designed to eliminate the part-industrial, part-residential character of Mill Street and to make it all industrial.

Residents were told that the government would pay moving expenses up to \$200 or \$25 per room and that relocation help would be extended by the Urban Renewal Agency. "If we

make the first offer for the property in, say, April," Ed Hustle, Agency representative said, "we can have the cash for you in May." With negotiations completed by July, razing of existing buildings would begin in August.

In other business, Commission members heard a report of appeals to the Michigan State Tax Commission on 1961 taxes of local businesses.

Relief was granted in only one of four appeals to the state group—that of Donald and Mary Jean Meisel, 590 N. Sheldon. Taxes on real property were reduced from \$10,380 to \$7,770 on the property.

An appeal by the Detroit Edison Co. for a reduction in its assessment of \$551,050 was

denied and a similar request for a reduction in taxes by Eckles Fuel and Supply Co., 682 N. Holbrook of its \$30,370 assessment was also turned down. Residential land valued at \$1,750 at Deer and Kellogg Streets remained at its present level.

Seek Help on City Pigeons

The problem of pigeons in downtown Plymouth was brought to the attention of the City Commission Monday night in a letter from a local merchant.

"We are very distressed with the problem of pigeons which exists downtown in our business district," John Wiltse of Plymouth's Community Pharmacy told the Commission. "The pigeons' droppings litter the sidewalk and sides of buildings and create a disturbance continually to passers-by. This does not create a good impression to the shopper and as such bothers we business."

Wiltse said an application of a substance to the roof by an exterminator would help, but then pigeons would "roost on other nearby buildings." If this were done it "would only make it that much worse for our neighbors," he continued. "We feel some all-out effort in the downtown area, now, will result in clearing them completely."

Thieves Get Four Pistols

Burglars made off with four guns after breaking into the Davis and Lent store on S. Main St. in Plymouth Thursday night.

Police officials said the unidentified bandits entered the store through a skylight and took the guns from the sporting goods department in the basement.

Total value of the guns was estimated at \$233. They included, Police Chief Ken Fisher said, a Colt Frontier Scout, a Colt Derrienger, a Colt .357 Magnum and a Colt .45-caliber pistol.

MATTHEW MC LELLAN, new head of Plymouth Township's Department of Public Works.

Services Held Today for Miss Petrosky Local Civic Leader

Funeral services were to be held today for Miss Loretta Olga Petrosky, one of this community's most widely-known musician, church worker and teacher.

Miss Petrosky, of 930 N. Center in Northville, passed away at 8 p.m. on January 13 in Ford Hospital following an illness of several months. She was 54 years old.

A teacher of music at Redford High School in Detroit, Miss Petrosky had engaged in many community activities in the Plymouth and Livonia areas. She was a former pianist for the Plymouth Symphony Society and was one of the organizers and past president of the Livonia Youth Symphony.

Her affiliations included the Detroit Federation of Teachers (AFL-CIO), the Guild of Church Musicians, the American Guild of Organists, the In and About Detroit Music Club; the International Institute of Music, Guild of Carillonists of North America and the Anti-Cruelty Society. She was a piano instructor for the American Institute of Art, a choir director and organist for St. Andrew Episcopal Church in Livonia and a former choir director and organist for the First United Presbyterian Church of Plymouth. She was also affiliated with Bethlehem Lutheran Church in Detroit.

Surviving Miss Petrosky are a sister, Charlotte H., of Livonia, and a brother, Constantine E., of Detroit.

Services at 1 p.m. today were to be held at First United Presbyterian Church in Plymouth and interment is a Woodmere Cemetery.

FACTS and OPINIONS

by Paul Chandler

Man, has that Farmer's Almanac been uncanny—about the weather, of which we wrote not so long ago. Of course, we did it with tongue in cheek.

But the weather WAS stormy, windy and cold between January 7 and 11, as it said.

We have had one leader of a drive for funds change the day of her effort, because maybe, just maybe, that Almanac of which we wrote was correct . . . and it called for blustery weather on the scheduled date.

Well, if the blizzard of the year hits on Washington's birthday, we'll be believers. Otherwise, the whole thing is coincidence based on the laws of probability. Err . . . we think.

From time to time, in every community where this copy appears, some office-holder decides to run for higher things while still holding the perch to which the voters first sent him.

It's not fair . . . to the voters or to the community.

Few politicians are satisfied where they are, once the spot has been won, but on the other hand, they never campaign going on the basis that "if I get this one, I want you taxpayers to keep paying me while I see if I can move up to the next plateau."

If they want to move upward, they should vacate their current plateau and take their chances with their competitors.

And the main reason, other than a sense of Marquis of Queensbury fairness, is that when they so try, and are defeated, they are so reduced in interest in the "old job" that almost anyone else would be better in it.

It's a subject made current by the announcement this week of Councilman James Richard McCann of Livonia, teacher and attorney, that he aspires to be Mayor, with two years still to run on his Council term.

There was a time last summer when it was touch and go whether youthful McCann, and some others, (Continued on Page 5)

Soviet Experts Will Speak Here

Professor and Mrs. Fred E. Dohrs, who traveled in the Soviet Union last summer gathering material and sketches for a new book, will visit Plymouth Wednesday, Jan. 31, for the second program of the "Plymouth Listening Post" series. They will be introduced by Russell Isbister, Superintendent of the Plymouth Community Schools.

"Listening Post" lectures are held in the Plymouth High School auditorium at 8:30 p.m. under the sponsorship of the Plymouth Branch of the American Association of University Women. Programs are provided with the assistance of Detroit Adventure, a joint cultural activity of organizations representing education and the arts in the Detroit metropolitan area.

Dr. Dohrs, a noted geographer from Wayne State University, has written a new book, "Black Line on Red Russia." It is illustrated with sketches

of the Russian people drawn by his wife, Mary Ellen.

This was the second Russian trip for the couple. They had published a previous book entitled "Sketches of the Russian People," after an automobile tour of the Soviet Union three years ago. During the past summer they traveled by train. They report they gained more insight into the people of Russia through the train excursion. Mrs. Dohrs drew from visual memories in most of her sketches rather than being observed drawing on the spot.

For the "Listening Post" program Dr. Dohrs' topic will be "An American Scientist in the Soviet Union: Observations on the Soviets' Use of Their Land." Sketches by Mrs. Dohrs will be flashed on the screen throughout the talk, and she will comment on the scenes.

The series opened Oct. 5 with a discussion of sculpture by Walter Midener, Director of the Art School of the Society of Arts & Crafts, Detroit, who is a well-known American sculptor. He used several pieces of his own work to illustrate his lecture and finished with a lively question and answer session with the audience.

Third in the series will be a discussion of a topic of current international interest, given by Russell Barnes, foreign news analyst of the Detroit News.

The series was planned by the Plymouth A.A.U.W. to provide a further dimension in the cultural life of the community. Topics were chosen to offer intellectual stimulation for men and women interested in exploring the arts and sciences and keeping abreast of current world happenings. A large donation has been given to the A.A.U.W. Fellowship Fund from proceeds of the first year's series.

Tickets priced at \$4 for the series may still be obtained by calling GL 3-4592 or GL 3-5509.

Main Break Cuts Water to 20 Homes

A water main break that left 20 Plymouth Township homes without water service Friday was one of the first major problems to confront the new head of the community's Department of Public Works.

Matthew McLellan, who assumed his new duties with the Township on Jan. 2, said he is busy with "water and sewer problems."

Friday's break was due to cold weather and occurred in Lakepointe subdivision. DPW workers had the break repaired in short order.

McLellan lives at 9271 Ball St. in the Township and was hired by action of the Township Board last November.

All voters in recently-changed precincts in Plymouth are being notified of their present voting locations. City Clerk Joseph Near said this week notifications will go out to each person affected. The City Commission recently approved a change in several precincts to balance the numbers in each. The new community center building on S. Union St. will serve as a new polling station.

A reception was held Sunday afternoon to honor a number of local artists, including Roy Pedersen of Plymouth, whose works are being exhibited at the Northville Gallery. Pottery and jewelry made by Pedersen has been shown in art museums throughout the U.S., including the Milwaukee, Chicago and Detroit Institutes of Art, the Smithsonian Institution and the Hanamura Gallery in Detroit. The public is invited to meet the artists and view their work through Jan. 27 at the Gallery 116 East Main St.

A "Plymouth Picnic" will be held at Lake Alfred, Florida, on March 6 at 12 noon. All Plymouth residents and former residents are invited to the pot luck affair and further information is available from E. F. Rotnour, GL 3-4582.

The Board of Directors of the newly organized Plymouth Community Young Men's Christian Association will hold a membership drive in Plymouth from Jan. 21 through 27. Personal contacts by 22 members of the Board will complete the campaign, according to interim secretary Urey B. Arnold.

Lindsay Elected to State Group's Top Office

Roy Lindsay, Supervisor of Plymouth Township, has been named to head the Michigan Townships Association for the coming year.

Lindsay was one of 500 delegates to attend the association's annual convention held in Lansing last Thursday and Friday.

The group is an organization made up of officials from both rural and urban townships throughout the state.

Tax Bills Due By Week's End

Plymouth area residents have until the end of this week to pay their 1962 tax bills.

In Plymouth Township, Treasurer Elizabeth Holmes said the office would be open until 12 noon next Saturday to accept payments. At the City Hall, regular hours will prevail.

Tax bills for 1961 were mailed out by both communities last month.

GREETINGS TO PLYMOUTHITE Syl Farmer were extended by TV star "Charlie Weaver" last week at the nationwide Furniture Mart in Chicago. Farmer, representing Schrader Furniture Co. in Plymouth, attended the big industry show last Monday, Tuesday and Wednesday and visited with the television personality then.

Peanut Sale Delayed Until Next Saturday

Cold weather Saturday forced a one-week delay in one of Plymouth's major events to help the 1962 March of Dimes campaign.

Teenagers who were supposed to sell peanuts at street corners throughout the city will man their posts next Saturday, instead, Mrs. Harry Bartel, chairman of the Peanut Sale, said. Bags of peanuts specially made up for the March of Dimes will be sold to local residents from 9 a.m. to 4 p.m.

Meanwhile, other March of Dimes volunteers were making

plans for other aspects of the drive which will continue in Plymouth through the end of this month.

Mr. and Mrs. Joseph Witwer, campaign co-chairmen, Mrs. Charles Olsen, mother's march chairman, and Mr. and Mrs. E. Bertridge, publicity chairman were continuing activities. Canisters, coin cards and posters have been placed in Plymouth stores by the Our Lady of Good Counsel Teen Club, directed by Fr. Renaud.

The Mother's March on Polio will be held on Tuesday, January 30.

The Livonian's New Look

If this edition of The Livonian appears to have a new look, it's because we've moved our production into a new printing plant.

From now on the mechanical job of putting out The Livonian will be in the hands of Abbe Press Corp., Detroit.

Abbe is renowned nationally for the quality of its workmanship. Its plant, equipment and type is one of the most complete in the Midwest. It all means we will be able to furnish a superior product to our readers and advertisers.

This will cost us a little more, but it's part of our continuing effort to give Livonia the kind of newspaper it deserves.

Speak Your Piece!

V. SIMONETTI MRS. KEETH W. K. LEWIS MRS. KESSLER

Editor's Note: Education was the topic covered by The Livonian's Man-in-the-Street reporter this week as he asked Plymouth residents the following question:

"What Is Your Opinion of the New Community College and Will You or Your Family Have an Opportunity to Make Use of It?"

(People who were questioned responded as follows:)

"As far as I'm concerned, my kids are grown," replied V. Simonetti, 392 Farmer St. "So it doesn't interest me very much, only that I'll have to pay more taxes."

Mrs. Vivian Keeth, 1102 S. Harvey St., replied, "I think it is a good idea and I hope my family has an opportunity to use it. I have one son who might be able to enroll there. It's a good thing for our community."

Mrs. Pearl Kessler told our reporter, "It's a very good idea. We've needed something like this for years." Mrs. Kessler, of 370 Roe St., said, "Every family can benefit from this, who has youngsters that want to go to college."

"I'm still going to school," W. K. Lewis, 665 Ross St. said. "Presently I'm enrolled in U. of M. Wayne State courses in engineering. I think the college idea will prove valuable to the community and to me and I also have two children who may be able to take advantage of a college which is close by."

(Each week, The Livonian asks a question on a topic of current interest to Plymouth area residents on main streets of the community. This week, questions were asked at the Food Fair Market on S. Main Street. Next week, our reporter will be on downtown streets of Plymouth. If you have a question to suggest, please send it to Plymouth Edition, The Livonian, 33050 Five Mile, Livonia.)

Community College OK's Rules, Hunt Architect

Trustees of the new North-west Wayne County Community College have begun a search for an architect to design the new building and have approved By-Laws to govern the college.

In an announcement this week, college board members released important provisions of the By-Laws after studying other by-laws governing com-

munity colleges in Michigan, California and Illinois. "This was done," the Board said, "to insure the establishment of by-laws for our own Community College Board of Trustees that would be specific in their directives, yet remain flexible."

Ask Protests On Income Tax

Residents of Plymouth, Livonia and other suburban areas are being urged to send letters to the constitutional convention asking a ban on city income taxes.

A con-con delegate from Macomb County, Joseph Snyder, who is a St. Clair Shores councilman and a UAW international representative, has urged that such letters be sent. "A show of suburban strength can bring a proposal for such a ban out of committee," he said.

Snyder said the letters should be sent to D. Hale Brake, finance and taxation committee chairman at the con-con. "I'm against income taxes at the municipal level, since they seem an excuse for bad budgeting and would work an unfair hardship on suburbanites who already help in several ways to support cities like Detroit," he said.

Appeals will be made by Snyder to Wayne and Oakland County communities to back the drive to send letters.

enough to meet changing conditions."

The By-Laws, approved unanimously by the local Board of Trustees, comply with the State Law for community colleges defining the election and the authority of a Board of Trustees, and include, as well, these duties: the selection of a President for the college; action on the recommendations of the President with reference to the appointment or dismissal of personnel as well as salary grades for this personnel; the establishment of an annual budget, capital expenditures for new facilities and/or repair and replacement of old facilities. The Board of Trustees also has the responsibility to review and act on all curricular matters.

The By-Laws also state that the members of the Board have authority only when acting as a Board of Trustees

Suit Charges Discrimination

A suit charging discrimination in the sale and rental of homes has been filed against the United Northwestern Realty Association, the Detroit Real Estate Board and Michigan Real Estate Board last week. Many Plymouth and Livonia area realty agents are affiliated with the groups.

The charge was filed in Federal Court by the Cotillion Club, an organization of Negro professional and businessmen, Associated Brokers, Inc., and several individual real estate brokers. Asked was an injunction ordering the three real estate associations to stop discriminating against Negroes.

The suit charged that the associations attempt to limit or reduce the amount of, and fix the control and quality of real estate available to Negroes.

Previously scheduled for the Coolidge School, a Dad's Nite Out has been changed to Riley Jr. High School, 8:30 to 10:00 p.m. on Wednesdays.

legally in session. No member or employee of the Board of Trustees shall the power to act in the name of the Board unless authorized to do so by the Board of Trustees. Regular meetings of the Board shall be held at least once a month. At present, the Board of Trustees is meeting weekly each Wednesday at 7:30 p.m., at the Newburgh School, 9901 Newburgh Road.

The following standing committees have been appointed by Harold E. Fischer, Chairman of the Board: By-Laws, Land and Facilities Finance and Personnel. In the areas of Personnel and By-Laws, however, the Board of Trustees has acted as a committee of the whole. The Finance and Facilities Committees are in session preparing their reports for the review and recommendations of the Board. These recommendations will be presented for approval of the voters at the next college election.

The Facilities Committee of the College Board, working with the American Institute of Architects, began the

task of securing an architect at its meeting Jan. 3. "By the time the architect is chosen," a Board spokesman said, "the Curriculum Committee hopes to be able to indicate some of the educational specifications which will determine the kinds of buildings needed."

Meanwhile, the Finance Committee is exploring the legal and financial questions which must be answered before the people are asked to vote millage for the College. The Board announced. One item that is currently engaging the committee's attention is a project now being undertaken by Northwestern Michigan College in Traverse City. This community college has secured federal authorization to build a \$750,000 "student center" on a self-liquidating basis — without the use of local tax funds. If the community college could secure similar assistance for its student center, which might include a cafeteria, bookstore and other student services, a considerable saving to local taxpayers would result.

The Board of Trustees has

instructed Dr. Eric J. Bradnor to investigate the Traverse City project, as well as to determine the availability of Federal or State funds which might be applied to help pay for the construction or operation of the local college.

The Board also expressed interest in indications that gifts of real property are being discussed in the District. "If, as is hoped, some individual or group of individuals were to donate land upon which the College might be constructed, a major problem of the Board would be settled," the Board said. "Current planning shows a need for from 100 to 150 acres to accommodate the buildings and parking areas, and to assure adequate room for future expansion. A donation of this magnitude would add materially to the other facilities the Board would be able to construct."

It is expected that all non-local sources of income will be thoroughly explored before the voters are asked to vote funds to complete the building of the College, said the Board.

"Duet Begins Tomorrow" For A. A. U. Women

The monthly general meeting of the American Association of University Women will be held Jan. 18 at the Plymouth Junior High School, beginning with a coffee hour at 7:45 p.m.

"Diet Begins Tomorrow." Does this sound familiar? It's an appropriate title for that post holiday resolution which many of us make but rarely keep. "Diet Begins Tomorrow" is also the VERY clever title of a one act play which will be presented as part of the AAUW program. Members of the Drama Study Group will perform their acting skills by presenting to the members a mirthful comedy skit. The cast includes these "rising talents": Mrs. F. R. Beals, Mrs. W. V. Clarke, Mrs. L. T. Scharmen, Miss Irene Truesdell, and Mrs. Gordon Votal.

To complete the program, Study Group Chairmen also will have an opportunity to tell members of their group's past accomplishments and their plans for future studies and discussions. Perhaps the most invigorating part of AAUW is the active participation of members in the

Study Group. A wide variety of topics and interests evolve through the study groups and most members can find an outlet for their particular interest. Members may invite guests to either the general meeting or the study group meetings. Membership information may be had from Mrs. John Hopkins, OL 3-5558.

Hostesses for the evening will be Mrs. Howard Raaflaub, chairman; Mrs. R. E. Beerbower; Mrs. W. O. Breed; Mrs. L. Wimmergren; and Mrs. Harold Wright.

Airplane Clubmen Announce Officers

Newly elected officers of the Livonia Model Airplane Club, an activity of the Department of Parks and Recreation, are: president, Joe Ziomek; vice president, Murray Christenson; secretary, Skip Giszowski; treasurer, Ted Lecureaux; executive board, Mark Ketchum, Dave Elsey, Dick Ormiston, Al Temple, alternate, Mike Elsey.

Program for the next meeting, 7:30 p.m. Monday, January 22 at Whitman Jr. High School, will be a discussion of radio-control.

When the opposition gets hot in basketball, there's little you can do.

Just ask the Clarenceville High School cagers.

The Livonians had grabbed a 9-4 lead in the first quarter against Milford last Friday night and it looked like a good evening was in store for Clarenceville.

But in the next few moments, Milford rattled the ball through the hoop with almost unerring accuracy, took a 21-9 lead and had enough to withstand a late Clarenceville surge and win, 66-57.

Trailing by as much as 15 points in the third period, Clarenceville managed to cut the differential to four points in the final chapter before Milford clicked to put the game out of reach.

The winners finished with an amazing shooting percentage of better than 45 per cent as they dumped 25 out of 52.

Better success at the free throw line might have made a difference for Clarenceville. The Livonia team had 32 chances from the charity stripe, made only 15.

Bill Wheeler paced Clarenceville with 21 points — eight baskets and five free throws. Dave Graves had 6-4-16. Gary Gearhart posted 10.

Milford led 12-9 at the end of the first period, 30-19 at the half and 49-39 at the three-quarter mark.

Randy Bricker meshed 15 points, all in the second half, but it wasn't enough as Clarenceville's reserves fell to Milford's second stringers, 56-33.

Sports Observer

By GEORGE MASKIN

A SPORTS COLUMN IN SHORT PANTS:

The "discrimination" against ninth-grade athletes in Michigan junior high schools appears destined to live on for at least a few more years.

As pointed out herewith on a couple of occasions in the past year, the ninth grader competing on a team representing a junior high in Livonia, Plymouth or Redford Township finds himself treated like a "baby" compared to the ninth grader at St. Agatha in the Township whose ninth graders are eligible for senior high sports.

Briefly, the junior high ninth grader is permitted to play only six football games of eight-minute quarter duration, 10 basketball games of six-minute quarter duration, etc. In contrast, the ninth grader in a senior high may engage in as many as nine football games (eight-minute quarters), 20 or more basketball games (eight-minute quarters), etc.

If the junior high ninth graders have a complaint to register it must be with their own school administrators. The State Prep Association, aware of the variation in the rules for ninth graders, poled the junior highs on whether they wanted something done.

The vote was D76-36 to leave things stand. So, that's that for the time being . . . maybe for a long time to come.

We still cry: IT DOESN'T MAKE SENSE. What's good for the St. Agatha ninth graders should be good for the ninth grader at nearby Redford Union Junior High or over in Plymouth or Livonia.

The argument we raise is the code for boys of equal age and class should be identical. We're not demanding more competition for the junior high kids.

Have you noticed that the National Football League is adopting a rule which has existed in the high school football rules book for some time? Jerking a ball carrier's helmet calls for a 15-yard penalty for unsportsman-like contact.

We heard through the grapevine that with the Detroit Metro League schools now back in the state high school basketball tournament, stay-at-homes in these parts will get to see the 1962 championships on television from East Lansing.

Several outstate stations carried the tournament finals last year and the ratings were terrific. But none of the Detroit stations chose to clear the time despite the fact three Detroit-area teams—Catholic Central, River Rouge and Grosse Pointe St. Paul—walked off with titles.

We read where the Twin Valley League in Michigan has received permission to experiment with summer baseball. Valley officials claim that it's stupid to try and stage a suitable baseball program in the spring because of the weather.

The State Association not only has given the Valley its stamp of approval, but the Association wants to hear first-hand in the fall how well the program worked. It's felt that many other leagues and schools might choose to follow suit.

This writer hails any move to promote summer baseball as a high school sport. We think it could prove very popular and successful . . . and some day . . . lead to a state high school baseball tournament in Michigan.

Boys who play on Valley school teams during the summer will not be barred from performing with other sandlot aggregations.

St. Agatha Downed in 2 Contests

St. Agatha high school's basketball team, continues to have its problems, dropping two more games last week. First it was to Wayne St. Mary's by a 52-43 score, then to St. Leo, 54-35.

Thus the St. Agatha record now stands at one win in seven games with an invasion of Dearborn Divine Child coming up Friday night.

Bob Davis led St. Agatha against St. Mary's whose Mickey Jones scored 33. Bob Dorchy had 12 in the losing cause against St. Leo. St. Agatha's reserves split

Plymouth No Longer On Bottom

The basketball picture is on the upswing at Plymouth High School.

For one thing, Plymouth moved out of the cellar in the Suburban Six League by beating Trenton, 54-42, last Friday for the Rocks' first conference triumph after three setbacks.

Secondly, Plymouth now has a two-game winning streak going — the Rocks having whipped Farmington in a non-leaver the previous Saturday.

After experiencing a series of chilly shooting nights in league action, the Rocks finally hit with respectable accuracy against Trenton, which now has lost four in a row in the league.

The Rocks took a 12-9 lead in the first quarter and were in front, 25-18, by the half. Elroy Menchacca, Dick Schryer and Dan Stremick each knocked in four points in the first quarter to start the Rocks off in high gear.

Echryer added four more in the second period while Stremick made three. Menchacca cooled off in the second frame, but finished strong to share game honors with Schryer, each with 13 points. Stremick tossed in 11.

Mike Kisabeth clicked for six, Dave Gothard five, Tom Lock four and Dave Jensen three.

Overall, Plymouth collected 20 baskets and scored 14 of 28 from the foul line. What a contrast from the Livonia Bentley game of a week before when the Rocks made only eight baskets in the entire battle!

The Rocks' reserves also came through on the winning side, decisioning Trenton with ease, 57-28. Jerry Kisabeth, Mike's brother, led with 13 points. Tom McGill added 10. Plymouth wraps up the first round of league play this Friday night, playing at Redford Union.

Many a man who thought he had a fortune in the bag found himself holding the sack.

Chess Club Encounters Expert

Sixty Livonia chess players matched wits with champion William Bult Thursday when Bult, Detroit News chess columnist, gave a simultaneous exhibition at the Livonia Chess Club meeting. The club, sponsored by the Department of Parks and Recreation, meets weekly 7 p.m. Thursdays in room 15 at Bentley High School.

To Women It May Concern

By MYRA COX

Watch for and welcome the women wearing the Golden Key tag.

A special word must be said for the army of them this week who will be going out in our area. They will be combining two activities at the top of my "most terrible" list.

They will be taking a long walk in the cold and snow and will be asking for money.

The Farmer's Almanac for 1962 said it will be cold and snowy Jan. 30, the date of the Mothers March on polio. This year the money will go toward medical research in birth defects, crippling diseases and arthritis.

Like working in PTA, doing dishes at the church supper, or having the annual New Year's Eve party for "the group," everyone must serve their turn. If you are the gal whose name is on "the list" and you get called every year, please don't give the over-worked chairman a cold "no, I've done it every year, get someone else." Certainly in your mind, like mine, there is a very dear little friend, sweet as sugar, who just happened has never been asked to march. And, certainly she couldn't turn you down, her good friend, who knows she has never gone out on the Mothers March; and furthermore, you know she would enjoy it. She would too. It is one of the easiest of the many funds to collect for and the money is used for important causes. It will make the sacrifices of discomfort worthwhile.

Chairmen in our areas to call to volunteer your name or your dear friend (after you have checked with her, please, let us have scruples) are for Redford, Mrs. D. M. Whitacre, KE 3-1499, or Mrs. Louis Murphy, KE 4-6961; for Livonia, Mrs. Bess Fox, 134-1372; and in Plymouth, Mrs. Charles Olson, GL 3-0332.

One approach I have always thought effective as a "marcher" was to introduce yourself, when collecting, as a neighbor down the street. It creates a friendlier atmosphere for both collector and donor when a neighbor is involved.

Speaking of friendly, have you ever noticed how many people ask you to look up a friend of theirs when you plan a trip to another state. On my trek West I called more strangers and was a little sensitive about it. I made sure it was always after meals and when the night's lodging was well established.

So many folks from our area, who have moved to Florida, laugh about this. The Roberts, one family known to many here, have a guest book with identifications. Friend's friends are numerous, friend's parents, often, old neighbors, old neighbor's friends, are commonplace. I thought it was a real hee-haw the day Virginia answered the door in her lovely Clearwater, Fla., home to see a large family eagerly awaiting entrance with many children in assorted sizes. They cheerfully announced they had come to visit and were friends of their old Michigan milkman. Oh sure!

PHYLLIS GRAY
Mr. and Mrs. Ralph H. Gray of Livonia announce the engagement of their daughter, Phyllis Lucille, to Kenneth Kacvinsky, son of the Steven Kacvinskys of Indiana St., Detroit. A September wedding is planned.

LOIS ANN GIGUERE
Mrs. Viola M. Giguere announces the engagement of her daughter, Lois Ann, 19344 Weyher, Livonia, to Gerald Allan LeBlanc, son of Mr. and Mrs. Reynold A. LeBlanc of Miami, Florida. A March wedding is planned.

CAROL LOUCKS
Mr. and Mrs. Robert W. Loucks of 10006 Cranston, Livonia announce the engagement of their daughter Carol Gene to Roger Jacobs, son of Mr. and Mrs. Walter Jacobs of Holland, Michigan. Miss Loucks is a graduate of Bentley High School, class of '59 and attended Hope College in Holland. Her fiancé is a seaman in the U. S. Navy.

CHRISTINE PYRKOSZ
Mr. and Mrs. Theodore Pyrkosz of 14335 Richfield Ave., Livonia, announce the engagement of their daughter, Christine Marie to Donald J. Smithbauer, son of Mr. and Mrs. Clarence Smithbauer of 9645 Grandmonth, Detroit. Miss Pyrkosz is a graduate of Ladywood High School. Don and Chris are both employees of the Burroughs Corp.

Off-Campus Courses Offered in This Area

Interested in continuing your education toward being a teacher?

Ten courses will be offered this Spring at the Lee Thurston High School, 26255 Schoolcraft, Redford Township by the Off-Campus program of Wayne State University's College of Education.

The classes are designed to enable teachers, or potential teachers, living in this general area to continue their education toward either degrees or certification. They will be offered Wednesday afternoon and evening beginning February 14.

Registration will be held at the Lee Thurston High School, Thurs., Feb. 1.

Courses to be offered are: Ed. 760, Philosophy of Education; Ed. Psy. 510, Child Psychology; Ed. 516, Social Studies in the Elementary School; Sp. Ed. 554, Personality Disorders & Education of Brain-Injured Children; Ed. 513, Creative Teaching in the Elementary School; Ed. Soc. 720, Advanced Educational Sociology; Art. Ed. 500, Art Curriculum Project Planning, Advanced; Sp. Ed. 514, Adjustment and Control of the Mentally Handicapped; Eng. Ed. 320, Literature for Children; and Sci. Ed. 305.1, Plant Materials in the Elementary School Curriculum.

Students are required to pay fees by check or money order at the time of registration. Cash will not be accepted.

Students must be admitted to Wayne State University before they can register. Fully employed teachers may not elect more than six semester hours of graduate course work each semester. Students must submit either a copy of their cumulative record or their admissions credentials at the time of registration.

See You There

The Livonia City Women's Club will hold its Jan. 18, meeting at 1 p.m. in the Parish Hall of St. Paul's Presbyterian Church, 28485 Five Mile Road near Inkster. Tea will be served in honor of incoming members. The program according to Ann Hatherly will be a surprise!

The Suburban Junior Women's Club will sponsor a fun 'n' social square dance to aid retarded children. The dance will be held on Feb. 3 at Thurston High School. Chairman for the evening is Mrs. Melvin Matthews who states "everyone is welcome."

The January, 1962 class of Mackenzie High School will hold its 10th reunion at the Warren Valley Club on Saturday, Feb. 3, at 9 p.m. For information or reservations, phone Joyce Johnson Drayton at GA 5-1108.

The March of Dimes card party for Livonia will be held at Bentley High School Wednesday, Jan. 17 at 8:30. Tickets for the gala affair may be purchased at the door. All funds will be donated to the March of Dimes Fund. Bess Fox is chairman of the card party.

Those knowing the whereabouts of members of the June, 1952, Mackenzie High School graduating class are asked to write John E. MacDonald at 9619 Auburndale, Livonia, or phone him at 425-2481. MacDonald is seeking the information in preparation for the 10 year reunion of the class to be held this spring.

Gallery to Exhibit Pottery, Paintings of Local Artists

The Hartley-Powers Gallery at 116 E. Main Street, Northville, will open the 1962 art year on Sunday, Jan. 14, with a joint show of recent work by John Van Haren, painter and professor of art at Eastern Michigan University, and Roy Pedersen, potter and teacher of art at Northville High School.

John Van Haren, himself a former art teacher at Northville High School, will exhibit several paintings inspired by streams, gravel pits and other natural scenes in the Northville area. An award winner at Michigan State Fair and a long history of exhibits at Michigan Artists, Michigan Watercolor Society shows and more, he comes to Northville after a favorable reception of his one-man show at the AAA Gallery in Detroit last November. It will be remembered that Van Haren led the creation by Northville art students of the mosaic mural in the high school building.

Roy Pedersen, living in Plymouth, has exhibited his pottery and jewelry in art museums and galleries throughout the country, including the Milwaukee Art Institute, Chicago Art Institute, Detroit Art Institute, plus work shown on a travelling exhibit of the Smithsonian Institution. He enters the Northville show after a successful December exhibit at the Hanamura Gallery in Detroit.

A reception will be held in the Gallery at 116 E. Main St., Northville, starting at 2 p.m. Sun., Jan. 14.

Women In Service

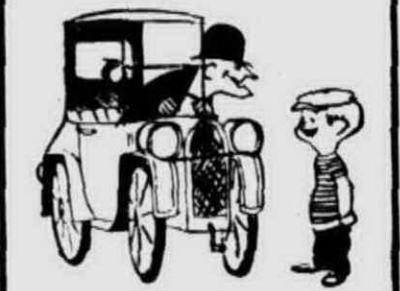

SUZANNE CARL NETZEL, daughter of Mr. and Mrs. Kenneth Netzel, of 17674 Centuria, completed her 10 weeks of basic training at the United States Naval Training Center, Bainbridge, Maryland, and was graduated during a military review held on January 5, 1962. The local Wave will spend a 14-day leave with her parents before reporting to Great Lakes, Ill.

THERESA J. JOLER, of 17311 Lennane, completed 10 weeks basic training at Recruit Training-Women, United States Naval Training Center, Bainbridge, Maryland, and was graduated during a military review held on January 5, 1962. The local Wave will spend a 14-day leave with her parents before reporting to Great Lakes, Ill.

The local Wave is presently spending a 14-day leave with her parents before reporting to San Diego, Calif., for Dental Technician School.

Netzel graduated from Redford Union High School, and was accepted for enlistment at the Navy Recruiting Station here in the township.

OPENS
NEW DISTRICT OFFICE IN
DEARBORN

William C. Safford, President, has announced the opening of a new sales and service office to be known as Detroit-DeARBORN will be located at 2881 Monroe Street at Madison, Dearborn, and will be open for business on Monday, Jan. 15, 1962. This is the firm's fourth sales office in the Detroit area.

"Rapid expansion of the firm's operation in the Detroit area warranted the construction of the new office," Mr. Safford said.

He explained that with the opening of the new office Western and Southern policy holders are assured of continuing, personalized, prompt and efficient service which has been a tradition since 1888.

District Sales Manager, Carl Cordray, will be in charge of all operations at the new office. He will be assisted by Assistant Sales Managers, Rudolph Egner, Robert McManagle and Robert K. Myers.

A total of 21 qualified life under-writers will serve the policy holders and public in Dearborn, Wayne, Inkster and Western section of Detroit.

Western and Southern has long been an integral part of the finance and economic life of the City of Detroit. The company started its first operation in Detroit and Michigan in 1915. Western and Southern was founded in Cincinnati in 1888 and is now one of the nation's largest life insurance companies with assets in excess of 1.59 billion and more than 5.24 billion insurance in force.

It ranks among the top 10 of all mutual life insurance companies in the United States and is doing business in 42 states and the District of Columbia, serving more than six million policy holders.

Don't Be Fooled
6 IMPORTANT RULES TO FOLLOW
WHEN YOU PURCHASE MEATS

Meat is the most important item in meal planning and you'll be dollars ahead if you follow these basic rules when you shop for meat.

- DON'T BE SWITCHED** from buying beef which carries a United States Department of Agriculture "choice" or "prime" STAMP. (Unless it is stamped with a U.S.D.A. Gradenmark it is not government graded beef.)
- Remember, there is no better grade of beef than U.S.D.A. Choice or Prime.
- DON'T** pay extra for "ageing" quality meat.
- For most economical buying, and least waste, a full side of beef should weigh (gross) between 250 and 300 pounds. A quarter, front or hind should average 140 to 160 pounds.
- Expect an average cutting loss of approximately 20 per cent on top USDA choice or prime beef sides 25 per cent on hinds, and 15 per cent on fronts. (These may vary slightly.)
- Your best insurance—before you buy—is to check the many local government and private agencies, or, better yet, **TRY IT BEFORE YOU BUY IT.** Any reputable firm would be happy to show you the meat they sell and sell you a small sample order.

USDA Choice SIDES 53¢ lb.	USDA Choice LOINS 65¢ lb.
Average gross weight 250-300 lbs.	Average gross weight 75-80 lbs.
USDA Choice HINDS 63¢ lb.	USDA Choice Lamb Racks 69¢ lb.
Average gross weight 140-160 lbs.	10-12 lbs. delicious Lamb Chops.

TRY OUR DELICIOUS HOMEMADE COUNTRY SAUSAGE

We proudly announce the opening of our new RETAIL DEPARTMENT. Featuring a complete line of fresh and smoked meats, seafoods and frozen foods. We stock the widest selection of USDA Choice meats and frozen foods in this area. Freezer orders expertly filled. Try our own, oven-baked hams for holidays and special occasions. Delicious shrimp and lobster. Freshly cooked shrimp available at all times.

'Decisions' Forum To Begin Feb. 6

Livonia residents again this year have an opportunity to participate in a national foreign policy discussion series—"Great Decisions of 1962."

For the eighth successive year, the program will be offered nationally by the Foreign Policy Association-World Affairs Center. Non-partisan background materials will be provided to any interested citizen and local discussion groups are encouraged to be formed.

Fact sheet kits for interested Livonians are available at the Board of Education office, 15125 Farmington Rd., in the Adult Education office. Persons interested in joining a discussion group may register at the office. Regular discussion meetings begin Tuesday, Feb. 6, at 8 p.m. in the Carl Sandburg Library, Seven Mile at Middlebelt.

News from Our PTA's

ROOSEVELT P.T.A.
Thursday, January 11, was Ladies night at Roosevelt P.T.A. A film on breast cancer, "The Breath of Fresh Air," was the topic for the evening. Mrs. Wieland from the Livonia Branch of the Michigan Cancer Foundation answered questions following the film.

Mrs. Jean Valeresian was in charge of serving refreshments.

PIERSON P.T.A.
Room-level meetings were featured at the Jan. 9 Pierson P.T.A. meeting. Dr. Richard D. Budd, noted Livonia psychiatrist and Mrs. Lucille Smith, Special Reading teacher talked the parents.

Following the meeting parents gathered in the multi-purpose room for refreshments.

Boy Scouts Selling 50 Star Flags

A beautiful 50 Star Valley Forge Flag for Home is the goal of the Cub Scouts of Pack No. 832. This is a fund raising campaign for Pack 832 with proceeds going to finance various activities so important in the life of a Boy Scout.

Although there are numerous styles available, the two most popular kits are presently being offered to the citizens of Livonia.

The Home Flag Kit consists of a fast color 3'x5' cotton flag with printed stars and sewn stripes; jointed 6 ft. wooden pole; ball top; halyard and metal bracket for window or porch display.

The Suburban Lawn Kit consists of a color fast 3'x5' flag, with printed stars and sewn stripes; 8'x1' jointed wooden pole; ball top; halyard; and socket for lawn display.

Both kits come completely boxed and may be ordered by calling GA 2-5859.

Police Blotter

A two week postponement was granted by Judge Robert Lorion Monday morning on the trial of Bernard Weiss. Weiss is accused of conducting an illegal operation on a 37-year-old woman at a clinic in Livonia last September. The woman died.

George W. Walker, 20, of 35955 Hees, Livonia, was killed early Tuesday morning when the car in which he was riding skidded on US 12 and hit a guard rail. He was killed instantly.

A two car accident in Livonia at Plymouth and Deering sent five people to the hospital Jan. 14. Witnesses say the car driven by Karen Counts, 18, of 33661 Michele, went over the line and crashed head-on into a car driven by Robert McNamara, 35447 W. Chicago. Miss Counts had just received her driver's license 10 days ago. In her car, hospitalized is her brother Lawrence, 15. In McNamara's car also hospitalized Janet Elis, 17, 9840 Brookfield, Sandra Mayor, 18, 320026 W. Chicago, and William Brockleman, 19, 34080 Orangelawn. Several of the youths are critically injured.

Two youths were also injured on Plymouth Road Jan. 13 about dusk while they were attempting to get a motor scooter started. The scooter had no lights and was not seen by the motorist who struck the boys. Daniel Anderson, 18, of 36518 JoAnn and Michael McMaman, 14, of 35500 W. Chicago, were both hurt.

Two 14-year-olds were turned over to their parents after police discovered they were responsible for the theft of jack-knives and other equipment from Lofler's Hardware on Five Mile Road.

A regular "cloak and dagger" episode took place in Livonia last week when the manager of the Food Fair alerted the Livonia police just before his store closed Jan. 12. He received a call to drop his day's receipts at a certain stop if he didn't want his wife harmed. He was warned not to call his home. Together with Lt. Robert Turner, Chief of Detectives, the manager, E. J. Carter, 14411 Dolphin, stuffed a cash bag with Food Fair Stamp Books and dropped it at the appointed place. Unfortunately the police stake-outs could not warn passing motorists. One innocent, curious motorist stopped to find out what was in the bag. The manager and police discovered, however, the extortion was a hoax, and the wife was visiting a neighbor unaware of the excitement.

A Livonia resident at 13240 Merriman was rushed to St. Mary Hospital Jan. 12, suffering third degree burns on his legs. He was attempting to thaw frozen pipes with a blow torch, which resulted in a fire in the house.

Offer Films At Livonia Library

A series of films based on literary classics will be shown during the next six weeks at the new Carl Sandburg Library in Livonia.

The program is based on motion pictures whose stories are derived from "The Last of the Mohicans," "Swiss Family Robinson," "Animal Farm." The films will be the first in a series of films that the Library is planning for local citizens. Admission is free, each show beginning at 8 p.m. and continuing for approximately 90 minutes.

Program schedule: Monday, Jan. 22, "The Prince and the Pauper," Jan. 29, "Adventures at Rugby," Feb. 5, "Swiss Family Robinson," Feb. 12, "Our Town," Feb. 19, "Animal Farm." The program began last Monday with "Last of the Mohicans."

FACTS and OPINIONS by Paul Chandler

(Continued from Page 1)

would be subject to a rare recall election. Now, rather than take his chances with the Public as a Councilman, he is saying . . . "Well, I'm going for Mayor, but if I lose . . . well, I'm right where I am, a Councilman."

He'll be a Councilman, at best, who doesn't give a darn about anything so routine and commonplace as that office.

It's happened in Redford Township more than once, and it'll happen in Plymouth one of these days.

A curious thing is that McCann's fellow Councilmen, most of whom believe in Marquis of Queensbury, whatever else their foibles, are looking at him quite distantly these days.

What's wrong with the kids of today? We are of the school which believes that there is something really wrong, rather than those who defend (not quite so vocally lately) on the theory, that it was always thus, and can you remember YOUR teen years?

In our teen years . . . meaning my generation . . . values and purpose were quite clearly established. Either there was a war going, which made values obvious, or pure Puritan ethics had to be defended. Today, we're close to both and intimate with neither.

We know a school system with a staff psychologist. Seventy percent of his effort, according to our information, is spent trying to re-orient sick parents, before he even can get to their youngsters' "problems." Youngsters live by example. When the "example" is adults who know neither what nor why, is not the reaction of the youthful believer inevitable?

Four Are Finalists

Four Bentley High School juniors have been named as finalists for the American Field Service student exchange program. Their names will be sent to the New York headquarters of the American Field Service for the final choice of a student to go abroad next summer or during the school year.

Chosen from a field of 14 applicants by the local American Field Service Committee were Diane Clinton, daughter of Mr. and Mrs. Joseph Clinton, of 19375 Ingram; David

McBride, son of Mr. and Mrs. Paul Crandall, of 15121 Cavour; Jonne Poppenger, daughter of Mr. and Mrs. W. H. Poppenger, of 9901 Arden; and Barbara Smith, daughter of Dr. and Mrs. Roderick Smith, of 15368 Williams.

Bentley students have participated widely in fund-raising projects sponsored by the school's American Field Service Club to help pay some of the expenses of exchange students going abroad and coming to Livonia.

Timer, Scorer Tardy So Thurston Suffers

There was a red-faced scorer and an equally red-faced timer in the gym at Thurston High School last Friday night.

Fortunately for the pencil-pusher and the time-manipulator Thurston stormed over Garden City, 59-45. Because if Thurston had lost, especially by a point or two, the timer and scorer would never show up around the Schoolcraft Road school again.

Here's what happened.

The ten-minute rest period between the halves had expired. Both teams were back on the floor with the scoreboard showing Thurston on top by a 24-19 count.

The two referees returned to the scene of battle. So did the fans.

But no where could the scorer or timer be found. Coach Bill McDonald of Thurston sent out some "scouts" to hunt for the missing officials. McDonald blasted away on the buzzer, hoping that the scorer and timer would hear same and rush back to the gym.

After a three-minute delay, the referees apologized but said that they had to call a technical foul on Thurston as the home team. So Garden City was awarded a free throw, which was made . . . and Garden City retained possession of the ball.

Prep Scores

VARSITY BASKETBALL
Wayne St. Mary's 52, St. Agatha 43.

Milford 66, Clarenceville 57.
Thurston 59, Garden City 45.
Plymouth 54, Trenton 47.

Allen Park 54, Redford Union 48.
Belleville 53, Livonia Bentley 50.

RESERVE BASKETBALL
Bentley 50, Belleville 39.
Allen Park 53, Redford Union 45.

Milford 56, Clarenceville 33.
Wayne St. Mary 35, St. Agatha 33.

VARSITY SWIMMING
Trenton 53, Plymouth 52.
Livonia 63, Belleville 42.
Allen Park 54, Redford Union 51.

WRESTLING
Thurston 38, Garden City 8.
Bentley 31, Romulus 13.
Allen Park 39, Redford Union 3.

as the missing officials finally arrived.

The invaders couldn't capitalize on their chance to cut the differential to two points. But Thurston took charge again to fatten its lead to 40-31 at the quarter's finish and win without any trouble.

Thurston had jumped into an early 8-0 lead, but Garden City bounced back to within two points of a tie before another Thurston spurt made it 24-19 at halftime.

Cas Jankauskas again starred for Thurston which now stands 3-1 in the Mid-Wayne League's title chase.

The Thurston ace forward hit a personal high with 30 points, thus boosting his season's average to almost 24 points per game. He fired 12 baskets and six charities against Garden City.

Keith Spicer nailed 11 points while Jerry Samuelian counted six along with Ken Black. Ed Kosikowski scored three.

Black played everybody but Joe Kotula and Marty Suchik, who were on the injured list. Suchik likely will play Friday night when Thurston hosts Inkster Robichaud. It's still not certain when Kotula's fractured wrist will permit him to play.

Paced by Tom Elston, the Thurston reserves also won from Garden City. The score was 42-35.

Bentley Matmen Crush Romulus

Jim Kruse in the 112-pound class and Ron Griffiths (120-pounder) pinned their rivals, but Livonia Bentley high's wrestling team still was no match for Romulus, which scored a 31-13 win.

Hugh Vaughn (154 pounds) accounted for the other Bentley points when he decided his rival. Bentley now stands 2-4 for the season and wrestles at Trenton Thursday.

RU Loses 6th In Mat Action

Redford Union high school's wrestling team suffered its sixth straight meet in as many meets last Thursday when beaten by Allen Park, 39-3. Ron Jeffreys gained RU's only points with a victory in the 120-pound event.

RU, 2 Others Share League Cage Lead

The experts who predicted a ding-dong scramble for the Suburban Six League basketball title knew what they were talking about.

After what happened last Friday night — Redford Union being stunned by Allen Park, 54-48, and Bellevue rallying to best Livonia Bentley, 53-50 — the standings now find Red-

ford Union, Allen Park and Bellevue sharing the lead with 3-1 marks while Bentley is right behind with 2-2.

It was a "charged-up" Allen Park team which handed Redford Union its first loss. In triumphing, the Parkers went ahead, 20-12, in the first quarter and never relinquished the upper hand.

The issue actually was decided at the foul line. Redford Union boasted a 19-16 edge in held goals and also enjoyed

command on rebounds. But when it came to charities, the Parkers stepped to the line 33 times and canned 22. RU had only 20 changes, making 10.

Len LaPla again starred for RU. He scored 19 points and was a whiz on both the boards. Next came Keith Zollwig with 12 for RU while Roger Roman paced Allen Park with 18.

"It was a tough loss to take," declared RU Coach Richard Nycum. "But I had to be proud of my kids. They stayed right

in there against Allen Park. I think we'll get even with them when we catch them on our home court."

The Livonia Bentley-Bellevue game was a different story. After a 12-12 first quarter, Bentley went in front, 22-16, at half time.

Going into the third period, Bentley held a 38-29 edge. With 3½ minutes remaining Bentley was still in front by seven and the Livonians held a four-point bulge with two minutes showing on the clock.

"Inexperience hurt us," declared Bentley Coach Bob Bentley. "Our kids made a couple mistakes. So instead of being able to stall out the clock, Belleville got the ball . . . and were they hot at the finish!"

Again free throws proved decisive. Belleville clicked on an amazing 21 out of 25 (much better than most of the pro teams) while Bentley hit a fine 14 out of 20 from the charity line.

The loss of Vern Bergman on fouls also hurt Bentley in

the closing 180 seconds. With his departure, Bentley lost its ace rebounder. He had scored 10 points before departing.

Greg Mapes with eight baskets and two charities for 18 points paced Bentley. Lannie Carrier was next with 13.

In reserve action, Bentley stormed over Belleville, 59-39, as Bill Bolin led with 27 points. The Redford Union reserves fell to Allen Park, 53-45, as Bill Maibach counted 11, Bill Driscoll nine and Clyde Ziegler eight for the losers.

After 43 Loop Wins—A Defeat

Rocks Swim Streak Smashed

Plymouth High School's domination of swimming rivals in the Suburban Six League has ended.

After 43 consecutive conference victories, starting in 1957, the Rocks finally were jolted last Thursday by Trenton in an eye-lash finish. The score was 53-52 in favor of the down-river contingent.

Everything rode on the outcome of the free style relay, the final race. Trenton won its by a foot or two.

The setback was the second of the season for the Rocks, who are the defending State Class A champs as while as the kingpins in their league. Earlier in the campaign, Birmingham Seaholm decisively defeated Plymouth in a non-leaguer.

In ability to pick up enough seconds and thirds hurt Plymouth as Trenton fashioned its fourth league win in as many starts to take undisputed possession of the top rung.

Gary Gould, Dick Michaels and Phil Bender each merged as double winners for Plymouth. Gould won his specialties, the 50- and 100-yard free styles. Bender took the breast stroke and the individual medley. Michaels was first home in the back stroke and 100 "free."

Dick Taylor copped the butterfly and Mark Schultheiss the diving for the Rocks, but their performances weren't enough.

Livonia Bentley, meantime, drubbed Belleville, 63-42, to tie Plymouth for second place, each with 3-1 league records.

Bentley started on a big note when Dick Osburn won the 400-yard free style in 4:35.5 for a new school record. He had held the former Bentley mark of 4:37.5.

Records Erased in Swimming Meets

It's been a rough season so far for Redford Union High School in swimming.

Eight meets—all defeats!

But all isn't black for the Township tankers. Coach Ralph Deetz has in Bill Truesdell, Bob Halton and Ken Bracken three young men who are shining in the waters wherever they go.

Truesdell, a senior, still is to lose in the 100-yard breast stroke. He's heard the starter's call eight times and each race has been Truesdell hit the finish line in front.

Last week he turned in a

pair of record-breaking triumphs in the breast stroke. He set a pool mark of 1:06.3 at Thurston on Tuesday as the host school bested Redford Union, 70-35, then Truesdell busted the RU mark with a 1:05.6 on Thursday as his team bowed to Allen Park in a thriller, 54-51.

His 1:05.6 clocking shot Truesdell into the No. 3 slot in the latest Detroit News-State Class A swimming rankings.

Truesdell also scored a victory in the individual medley against Allen Park after taking a second in the event against Thurston.

Halton, meantime, has emerged as a star in the butterfly race. In winning against both Thurston and Allen Park, he ran his record for the season in the "fly" to seven triumphs against a single setback.

What's more he cracked both the RU school record and the pool mark at Thurston when he was clocked in 1:01.6. He had held the former RU mark of 1:02.2 while the pool record was 1:01.9. It should be added that Halton copped the 200-yard free style race against Allen Park.

Bracken is carving honors for himself in the 100-yard free style. He triumphed in the meets against Thurston and Allen Park.

Redford Union was leading the Allen Park meet until the final two relays, both of which went to the Parkers. In addition to Halton, Truesdell and Bracken, Mike Caplia gave RU a first in the diving while teammate Vince Salvia was second.

Thurston had no problems scalping RU, despite the individual efforts of Truesdell, Halton and Bracken.

It also was a noteworthy meet for Thurston since three achievements landed recognition in the state-ratings. Ken Wiebeck, who already tops the state in the backstroke, individual medley and 100-yard free style, sped the 50-yard dash in 23.4, fourth best in Michigan.

Then Wiebeck came back with Rick Barringer, Bruce Vorce and Tom Robinson to post a winning time of 1:38 flat in the 200-yard free style. This was good for fourth spot in the News-state ratings.

Barringer also made the state-rankings with a 2:08.5 timing as he won the 200-yard free style. He's fourth in the state in this category.

All together, the ratings show six Thurston performers listed for individual efforts, plus the school's two relay teams.

With John Kostrick and Don Mueller finishing one-two in the 400-yard free style, Thurston jumped off to a lead it never relinquished against Redford Union. Wiebeck then won the 50 free. Jerry Adams (back stroke), Dan O'Grady (diving), Kostrick (individual medley), and both the relay teams added to Thurston's victory total.

Jim Girard, Brian Hartley, Bill Lambert and Oscar Amberg formed the medley quartet which was time in 1:58.6.

Thurston was to swim at Utica this Wednesday while Redford Union tangled with Plymouth.

Walker later came back to smash the pool and varsity record in the 200-yard free style when he was clocked in 2:03.5. The former school mark of 2:04.5 was set by Osburn. The old pool mark was 2:05.

Bentley's Jim Shaw also joined in the record breaking when he won the butterfly in 1:03.5, to erase a school mark which Russ Walker, who finished second, had set at 1:03.5.

Brian Barents won the breast stroke, Dick Vots and Gary Ringrose placed one-two in the back stroke and Ron Klassen scored a first in the individual medley to add to Bentley's point total.

Both the Bentley relays also came home winners. Vots, Barents, Walker and Jim Winebrenner formed the medley quartet which was timed in 1:53.5. Gary Parker, Ringrose, Chuck Timison and Shaw teamed up in the free style race won in 1:46.

Winebrenner (50 free), Ringrose (back stroke) and Jim McFall (diving) picked up seconds for Bentley which hosts Trenton this Thursday afternoon. If Bentley can upset Trenton while Plymouth wins over Redford Union, as expected, a three-way tie then would exist for the league lead.

Helping Hand FOR INDUSTRY

This is Michigan's Lower Peninsula. The shaded portion is where Consumers Power Company operates.

It's a good place for industry. This has been proved by thousands of successful plants ranging from the smallest to the largest. Few are the types of industry not represented in Outstate Michigan by thriving enterprises.

Outstate Michigan is close to big markets. It has a pool of labor skills hard to match. It has management know-how. It offers transportation of every type including fine highways and the Great Lakes-St. Lawrence Seaway.

It has research talent and facilities. It has outstanding universities and colleges.

Its recreational advantages have won it high rank as tourist and resort country.

Outstate Michigan is a great place to work and play, and it's a great place to operate a profitable industry.

You'll find a warm welcome in Outstate Michigan, and the help you need to find the best location.

Get in touch with our Area Development Department, H. L. Brewer, Director. It's here to help you.

JANE DEVEREAUX OF EASTER SEAL SOCIETY ASKS FOR ASSISTANCE

Volunteers who wish to make their clerical skills available for the benefit of crippled children and adults are urged to contact the Easter Seal Society of Western Wayne County. Mrs. Jane Devereaux, Executive Secretary of the local affiliate of the National Society for Crippled Children and Adults points out that the distribution of Easter Seals at Easter time requires the preparation of over 160,000 letters of appeal in the 22 areas served by the Society.

"Typing or hand-addressing envelopes, stuffing and preparing them for mailing offer excellent opportunities for group or individual volunteer service," says Mrs. Devereaux. "Many people like to work on a regular schedule three or four hours each week at the Easter Seal Center near Michigan and Middlebelt. Others prefer to pick up work at the Center and do it at home. Whatever method volunteers prefer, local sponsoring committees, usually service clubs, are grateful for any help offered."

Further information may be obtained by telephoning the Center week days between 8:30 a.m. and 4:30 p.m. or by writing to the Easter Seal Society at P. O. Box # 101, Inkster.

U of D. Student Council Secretary

Carol Angelo, daughter of Mr. and Mrs. Clarence R. Angelo of 26311 Hope, is secretary of the Executive Committee on the Student Council of the University of Detroit.

A junior majoring in business education, Miss Angelo is a member of Sigma Sigma, national social sorority and is a 1958 graduate of Ladywood High School.

The Student Council is the highest body of Student Government at the University. It represents the student body in matters of student concern.

Theories always look mighty good until the time comes to put them to a practical test.

The reckless driver and his new automobile are soon parted.

"THE COZY LOOK" in places to eat is offered by "Kay" at Chick Inn on Telegraph Road, South of Plymouth. The new Inn just re-opened this week after putting in bar facilities. The effect of the Marigold Room (above) is as though it were turned inside out on a sunny day. Owner and proprietor Katherine Kakaras announced her new hours are 11 to 2 p.m. with a business men and women's lunch, cocktail hour from 2 to 5 p.m., and family and dinner hour from 5 until 11 p.m.

WANTED: Rooms For Teachers

New teachers entering the Livonia Public Schools at this time are looking for housing. Anyone interested in selling a house or renting a house, apartment or room is asked to send the information as soon as possible to the Director of Teacher Personnel, Livonia Public Schools, 15125 Farmington Rd.

Personnel Director Henry C. Heusner suggests that residents who may have listed housing earlier should notify his office if the facilities are still available.

WELCOME

As the flowers of spring are
our new printing customers...

THE LIVONIAN *and* REDFORD OBSERVER

STARTING WITH TODAY'S editions, **The LIVONIAN** — for 23 years
Livonia's first newspaper — and its companion publication, **The
REDFORD OBSERVER**, will be printed in the modern plant of Abbe Press
Corporation.

Flowers are welcome and awaited when they blossom forth each spring.
To us, a fresh newspaper is not unlike a new flower . . . always a thrill,
something real and a human delight.

At Abbe Press, our role is to make the newspaper
attractive to the sight of its readers.

It is a real pleasure to join forces with The Livonian and The Observer in
producing newspapers to serve the interests of all citizens of these fine
communities.

PREVENT CRIPPLING DISEASES

**YOUR DIMES WON A BIG VICTORY
OVER POLIO . . . THEY CAN DO IT
AGAINST OTHER CRIPPLERS, TOO!**

Your dimes won a big victory over polio — they can do it against other cripples, too!

With the development of the Salk vaccine and Sabin vaccine through research finance exclusively by the March of Dimes, a tremendous victory was scored against the dreadedcrippler, polio. But a great task remains before us; birth defects and arthritis must be conquered also. Your dimes can do it again . . . give!
