Grange Gleanings

The regular meeting of the Plymouth Grange was held last Thursday evening, Feb. 15 with Webster Grange Degree Team putting on the Third and Fourth Degrees for 15 candidates. Three were from Webster and 12 from Plymouth. There were 26 attending from Webster Grange and 90 from our Grange. The Degree work was very impressive and beautifully rendered and enjoyed by all. Afterwards we all assembled in the dining room for refreshments of cake, jello and coffee and visiting, which the Grange members are real good at. We are happy to report our sick members are improving. Remember our Rummage Sale, Saturday, March 3 from 9 a.m. until 7 p.m. at the Grange Hall. The Hall will be open Friday, March 2 from 1 p.m. until 4 p.m. for any donations. If you would like to have your articles picked up call either GL 3-0977 or

News Analyst Ends AAUW Lecture Series

Nine Plymouth High School girls have helped the Plymouth Listening Post become a success in its first season. The AAUW-sponsored venture is bringing a series of lec-tures to the community as an opportunity for citizens in-terested in intellectual stimulation to explore the arts and sciences. The high school girls were selected by their teachers to serve as volunteer ushers and hear the talks by outstanding speakers in the Plymouth High School auditorium.

From the art classes, Mrs. Frances Overton selected six girls to help on the evening of sculptor Walter Midener's lecture on Creative Arts in America. They were Mary Lou Argo, Diane Mackie, Joany Mathews, Nancy Mettetal, Sandy Popp and Linda Wall

Serving as ushers for the llustrated lecture on the Soviet Union and its agriculture by Dr. and Mrs. Fred Dohrs of Wayne State Uni-versity were Carol Dodge, Irene Markham and Janis Rafe. They were chosen by the social studies teacher; William Green.

The final lecture of this year's series will present Russell Barnes, foreign news analyst of the Detroit News, on Tuesday, March 6, at 8:30 p.m. A group of girls from international relations the class will be invited to usher. Mrs. H. E. Raaflaub and Mrs. W. V. Clarke have been in charge of arrangements and

thers. Tom Lockwood and The Plymouth "senior" Terry Cosgrove each scored team, in the Garden City league, whipped Northville,

staffed the Plymouth teams and did so well competitively, regardless of whether they won or lost more games.

Secondly, a solid pat-on-the-back to a couple dozen Plymouth men who donated their time and efforts to make the Plymouth recreation hockey teams the success they are today.

It would be difficult, indeed, to visualize Plymouth's role in recreation hockey today were it not for the efforts of these few men.

While "winning" is important to the players you're facing the wrong directhemselves, the value received from mature adult tion." leadership is still another matter. Plymouth hockey players had that important leadership.

While this tribute is directed at all of the adults who helped the recreation hockey program, some specific names come to mind. There is, of course, Jim McKindles, a "one-man gang" for recreation hockey here.

Others would include: Joe Gates, Al Kolak, Denny Hanks, Jerry Vettese, Herb Woolweaver, Joe Bida, Hal Schelley, Vern Schilawske, and several others.

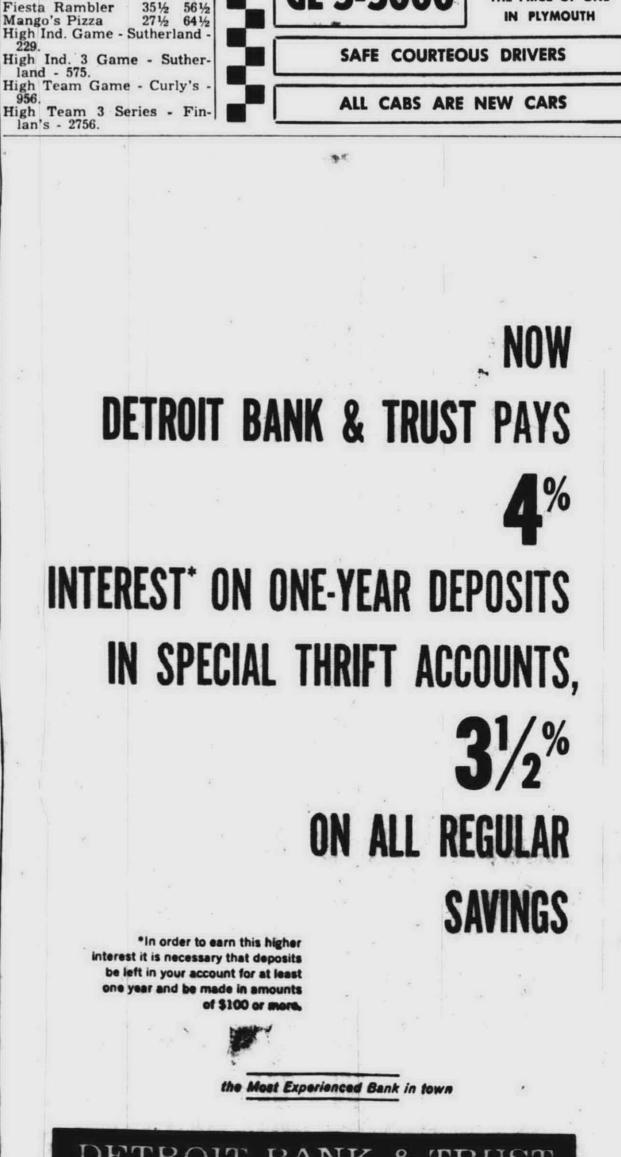

But, anyway, a most sincere salute to all the men who helped make Plymouth's recreation hockey ofroid of program successful this winter.

Mr. Kelly stated that three of the items could be done immediately and the other two must be deferred until the major alteration project were undertaken.

Curriculum - Chairman Fischer reported that the art and music curriculum reviews were conducted on schedule and the social studies review will take place at a special meeting on January 22, 1962. Superintendent Isbister recommended that provision be made for another half day of released time on Tuesday, February 27, 1962.

Employee Relations - Co-Chairmen Kaiser and Zylstra noted that arrangements had been made for representatives of the Plymouth Education Association to present their salary proposal to the Board of Education on Tuesday evening, January 9, 1962. Finance - Chairman Niemi asked Mr. Blunk to interpret the monthly budget performance report. Mr. Niemi called attention to a special meeting of the Board of Education which will be held on January 15, 1962, to take a look at a preliminary budget which

is in preparation. He pointed to the need for careful finance planning and a review by a citizens committee. President Niemi reported on the meeting of the Adult Education and Recreation Commission which he attended. Member Zylstra agreed to represent the Board at the next meeting of the Commission. Upon a recommendation of the Board of Trustees of the Northwest

Wayne County Community College District, it was moved by Member Soth and seconded by Member Utter that the treasurer, after an audit so be paid from the Fund, be authorized to transfer the remaining amount in the Community College Fund collected from the various school districts and for which the Board of Education of the Plymouth Community School District has been the fiscal agent. Ayes: Members Fischer, Hulsing, Kaiser, Niemi, Soth, Utter and Zylstra.

Nays: None. The motion was carried.

It was moved by Member Fischer and seconded by Member Kaiser that the Board of Education, in accordance with its original commitment, continue to assume its proportionate share for the operation of the Com-munity College office until the end of the fiscal year. It was further resolved that this included in substance the director's and secretary's salaries and minor operation expenses and that a further review o iditional costs would be made as the need arises. Ayes: Members Fischer, Hulsing, Kaiser, Niemi, Soth, Utter and

Zylstra.

Nays: None.

The motion was carried.

It was moved by Member Zylstra and seconded by Member Kaiser that the resignation of Mrs. Helen Hessler be approved. Ayes: Members Fischer, Hulsing, Kaiser, Niemi, Soth, Utter and

Zylstra. Nays: None. The motion was carried. The moved by Member

It was moved by Member Zylstra and seconded by Member Kaiser that the appointment of Miss Ann Louise Irish be approved. Ayes: Members Fischer, Hulsing, Kaiser, Niemi, Soth, Utter and Zylstra.

Nays: None.

The motion was carried.

It was moved by Member Zylstra and seconded by Member Fischer that the following policy be adopted: "It shall be the policy of the Board of Education of the Plymouth

Community School District to accept from donors gifts or bequests only if the purpose for which the gift or bequest that is given is in keeping with sound education practices. The scheme that is given is in keeping with sound education practices. The acceptance of all gifts and bequests shall be so stated in a resolution adopted by gifts and bequests shall be so stated in a resolution equests are the Board in which the purpose of such gifts or bequests are

Present: Members Fischer, Hulsing, Kaiser, Niemi, Soth, Utter and Zylstra; Assistant Superintendent Blunk and Superintendent Isbister. Absent: None.

President Niemi called the meeting to order at \$:30 a.m.

Preliminary 1962-63 budget estimates prepared by the Assistant Superintendent for Business Affairs, and which included requests from the staff for improvement in the educational program as well as in maintenance and operation of the buildings and grounds, were reviewed

in detail. 89.294.91 31,833.57 The Superintendent and Assistant Superintendent were directed to prepare another preliminary budget which would confine the total in-creases, including salaries, over the 1961-62 operating budget to a local tax increase of 2.5 mills. 2,300.00 355.60

A special meeting was scheduled for Saturday, January 27, 1962, at 8:30 a.m. to give the preliminary budget further analysis. The meeting was adjourned at 12:40 p.m.

Respectfully submitted, Esther L. Hulsing, Secretary Board of Education

A special meeting of the Board of Education of the Plymouth Com-munity School District was held Monday evening, January 22, 1962, in the library of the Plymouth Community Junior High School-East, 1042 South Mill Street, Plymouth, Michigan, at eight o'clock.

Present: Members Fischer, Hulsing, Kaiser, Niemi and Utter Superintendent Isbister.

Absent: Members Soth and Zylstra.

Also present: Staff Members Don Alexander, Carvel Bentley, James Brown, John Canon, Mary Fritz, Gustav Gorguze, William Green, Wil-lian Harding, James Marshall, Warren Pelton, Robert Smith and Anne Welch: Parents Mrs. Raaflaub and Mrs. Valler.

President Niemi called the meeting to order at 8:05 p.m. Member Fischer, Chairman of the Curriculum Committee, served discussion header.

Mr. Pelton, Chairman of the Social Studies Group, interpreted written report which had been previously prepared and distributed members of the Board of Education.

Certain areas of strengths and weaknesses were noted in the presen program and specific recommendations were made for improvement. Included was a new curriculum design for teaching the history and culture of the peoples in Latin America, Africa, Near East, Asia and the Soviet Union. It was pointed out that updating of instructional ma-terials is a constant problem for social studies teachers. **Employers Hear Defense Address**

Each participating member was commended by President Niemi and other members of the Board for the time and thought which went

and other members of the Board for the time and thought which went into the preparation and interpretation of the Review. It was moved by Member Fischer and seconded by Member Kaiser that, in accordance with Policy No. 3280, a gift in the amount of \$31 be accepted from the Plymouth Symphony Society and used to defray the costs of transporting school children to Detroit Symphony Concerts. Ayes: Members Fischer, Hulsing, Kaiser, Niemi and Utter. Nays: None. The motion was carried. It was moved by Member Hulsing and seconded by Member Utter.

It was moved by Member Hulsing and seconded by Member Utter that the Superintendent's recommendation for the appointment

Richard F. Hill be approved. Ayes: Members Fischer, Hulsing, Kaiser, Niemi and Utter. Nays: None.

The motion was carried.

Recognizing the appointment of Dr. Eric Bradner as President of the Northwest Wayne County Community College and acknowledging his request to be released from his contract it was moved by Member Utter and seconded by Member Hulsing that Dr. Bradner's contract be termin-

d on the present date. Ayes: Members Fischer, Hulsing, Kaiser, Niemi and Utter. Nays: None. The motion was carried.

It was moved by Member Hulsing and seconded by Member Fische that Mrs. Lorraine Hurtik's request for a maternity leave be approved Ayes: Members Fischer, Hulsing, Kaiser, Niemi and Utter. Ayes: Membe Nays: None,

The motion was carried. The meeting was adjourned at 9:55 p.m.

Respectfully submitted, Esther L. Hulsing, Secretary Board of Education

A special meeting of the Board of Education of the Plymouth Com-munity School District was held Saturday morning, January 27, 1962 in the Board Room of the Administration Building, 1024 South Mill Street, at 8:30 a.m.

Absent: None. President Niemi called the meeting to order at 8:30 a.m.

A careful analysis, item by item, was made of a proposed bu enditures which reflected the needs for both the 1962-03 and

A special meeting of the Board of Education of the Plymouth Con munity School District was held Tuesday evening. January 9, 1932, in the Board Room of the Administration Building, 1024 South Mill Street Plymouth, Michigan, at eight o'clock.

Plymouth, Michigan, at eight o clock. Present: Members Fischer, Hulsing, Kaiser, Niemi, Soth, Utter and Zylstra; Assistant Superintendent Blunk and Superintendent Isbister. Also present: Mr. Donegan, Mr. Mulligan, Mr. Smithling and Mr. Alford of the Plymouth Education Association; teacher guests from Walled Lake.

President Niemi called the meeting to order at 8:00 p.m. dicated that the purpose of the meeting was to hear from the Plymouth Education Association representatives any information or recommenda-tions which they would like to bring to the Board of Education. Mr. Donegan, President of PEA, thanked the Board for this oppor-

tunity. He outlined the objectives of the Salary Committee and requested major improvements in the salary structure for next year. Mr. Mulligar detailed by means of a series of charts and graphs comparisons of be-ginning salaries paid to Plymouth teachers and those paid to unskilled, skilled and professional employees in industry and government. Mr. Smithling compared the Plymouth salary schedule with those of a num-ber of school systems in Southeastern Michigan.

In general, the figures shown on the charts and graphs placed the Plymouth teacher's salary schedule in an unfavorable position. A number of questions were raised during the discussion period and the Board by mutual consent agreed to study further the material which was presented and meet again in the very near future with the Plymouth cation Association representatives.

Respectfully submitted; Esther L. Hulsing, Secretary Board of Education

A special meeting of the Board of Education of the Plymouth Com-munity School District was held Monday. January 15, 1962, in the Board Room of the Administration Building, 1024 South Mill Street, Plymouth, Michigan, at 7:30 p.m. Present: Members Fischer, Hulsing, Kaiser, Niemi, Soth and Utter: Assistant Superintendent Blunk and Superintendent Isbister. Member Zylstra entered the meeting at 8:00 p.m. Also present: Elementary Principals Mr. Elston, Miss Field, Mr. Gibson, Mr. Rank and Mr. Williams; Mr. Mulligan of the PEA. President Niemi called the meeting to order at 7:40 p.m. In accordance with the Superintendent's recommendation, it was

In accordance with the Superintendent's recommendation, it was haved by Member Hulsing and seconded by Member Utter that the appointment of Mr. Carl Taylor as assistant principal of the Plymouth Community Junior High School-East be approved. Ayes: Members Fischer, Hulsing, Kaiser, Niemi, Soth and Utter. Nays: None.

motion was carried.

The elementary principals discussed with the Board their analysis of the recommendations for improvement in the educational program as detailed in the art, music and physical curriculum reviews.

The elementary principals requested the Board of Education to con-sider a change in the salary schedule which would base the elementary principal's salary on a fixed ratio of teacher's salary rather than a fixed dollar amount as it now is. They recommended a ratio of 1.35. It was moved by Member Kaiser and seconded by Member Zylstra to approve the appointment of Edwin Shimabukuro as a teacher of

NORTHVILLE TOWNSHIP BOARD By George L. Clark

I, MARGUERITE NORTHUP, Clerk of the Township

prove that Super Shell 9-ingredient blend can give top performance all winter

CUPER SHELL'S winter blend includes Butane for quick starts. Pentane mix for fast warm-ups. And an anti-icer to help fight stalling. Here's how they work -and how Shell engineers test them for top performance.

1. How Super Shell helps you get fast starts

Butane is the quick-firing ingredient in today's Super Shell. It can boil and turn to vapor even on ice. Butane's ability to vaporize when cold helps Super Shell start your car promptly all winter.

The starting test: A car, filled with Super Shell, soaks up zero-degree cold for 12 hours. It must then start promptly. Shell engineers run cold-starting tests on a variety of cars. They insist that Super Shell help them all start promptly.

2. How Super Shell speeds warm-ups

Pentane mix is Super Shell's fast warmup ingredient. It ignites easily, helps

speed the warm-up process.

The warm-up test: A car, filled with Super Shell, stays in the lab overnight. Temperature: zero. Next morning, the car is started and eased up to cruising speed. Suddenly, the accelerator is pushed halfway to the floor.

The car must respond smoothly, without sputtering.

3. How Super Shell fights carburetor icing

The anti-icer in Super Shell coats vital carburetor parts with a protective film. This film helps guard the parts against critical ice buildup, helps prevent icing stalls when they are most likely to occur.

The icing test: Lab temperature is raised to 40 degrees and air moisture increased. These conditions encourage carburetor icing.

REASON: Fuel evaporation lowers the temperature inside your carburetor, freezing the airborne moisture. That's how ice can

build up and stall your engine-and when Super Shell's anti-icer must do its job.

A THE PLYMOUTH MAIL Wednesday, February 21, 196

Super Shell winter blend at all Shell stations today

You now know how three of Super Shell's nine ingredients work. The other six are for power, extra mileage, a quiet engine, top performance.

Aging Structure Becomes Modern Office Building

Take a building that was constructed 36 years ago beside a railroad for the sale of coal and building supplies and what would you expect it to look like today?

Many such buildings have deteriorated to a condition of decay, but the Eckles Fuel & Supply Co., 882 N. Holbrook, has proven to be more modern and busy than ever before.

Recently re-named the by 90 building for a ware-"Eckles Building," the struc- house.

Unusual Jamaica Vacation Offered; **Preview Feb. 26**

Adverusement

PLYMOUTH. Mich. - One of the most unusual vacations ever offered - a two-week stay in exciting Jamaica for only \$399 - will be previewed Monday evening, Feb. 26, at the Hotel Mayflower here.

Hosting the preview, which begins at 8 p.m., will be Kurt Thrun of the Travel Centre.

. Thrun will narrate a series of color slides of Jamaica that he took earlier this year. In addition, he'll explain all of the details of the trip, describe the luxurious accommodations and give you an insight into vacationing in Jamaica.

Door prizes will be given away.

The two-week vacation to Jamaica will include 13 nights at a beach house, plus your own personal native cook and your own maid and laundry service.

Other attractions are a swimming pool just outside your beach house door and a white sand beach only 50 yards away. An automobile will be available for your use all during your stay.

Four calypso rum swizzle dance parties are also on the itinerary, along with a pirate beach party complete with fireworks. A calypso band will visit you on your beach house patio. A two-hour tour in a glassed-bottom boat over the world's most colorful coral reefs is also featured.

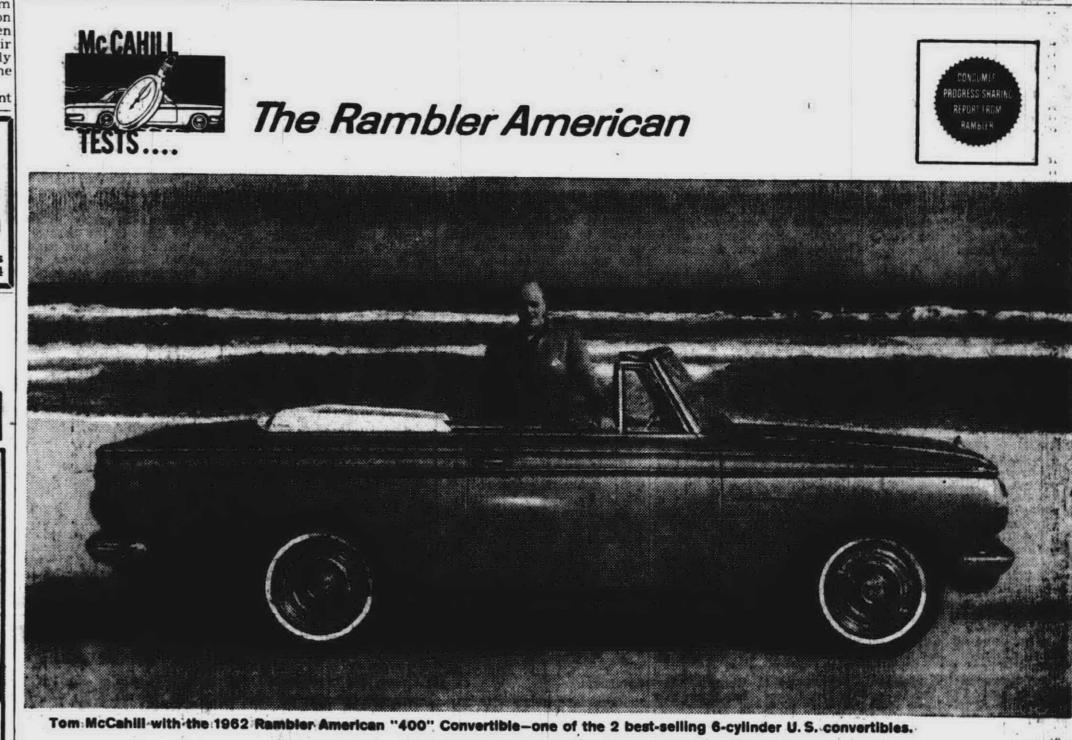

The \$399 is the total price per person including round trip air fare from Detroit to Jamaica and all tips and tax. It includes a stop over-night at the Miami Airport Hotel and, later, a transfer from Montego Bay to Ocho Rios and from Ocho Rios to Kingston.

The fare may be financed with a modest 10 percent down payment and the balance in 24 months.

There are six departure dates, arranged to suit everyone's vacation schedule. They are: May 19, June 16, July 14, August 18, October 13 and October 17. Vacation groups, on any of those dates, are limited to 24 persons.

The Jamaica Preview at the Hotel Mayflower on Feb. 26 is free to anyone wishing to attend. You may obtain as many tickets as you wish from the Travel Centre. Just phone GL 3-Wayne County's Christmas 0220, or write to the Travel Centre, 1049 South Main St. Plymouth.

"I've never met a Rambler owner who wasn't satisfied ... a statement I can't make about any other car"

TOM McCAHILL, MECHANIX ILLUSTRATED

IG TOM McCAHILL has been testing cars-D all kinds of cars-for years.

In the March 1962 MECHANIX ILLUSTRATED, Tom McCahill reports on his tests of the 1962 Rambler American "400" Convertible.

What he says about this Rambler would certainly make you want to own one. The way he says it is fun to read-and we urge you to read the article in MECHANIX ILLUSTRATED.

But so powerfully persuasive is his closing sentence, that we want to quote it again:

"i've never met a Rambler owner who wasn't satisfied-a statement I can't make about any other car."

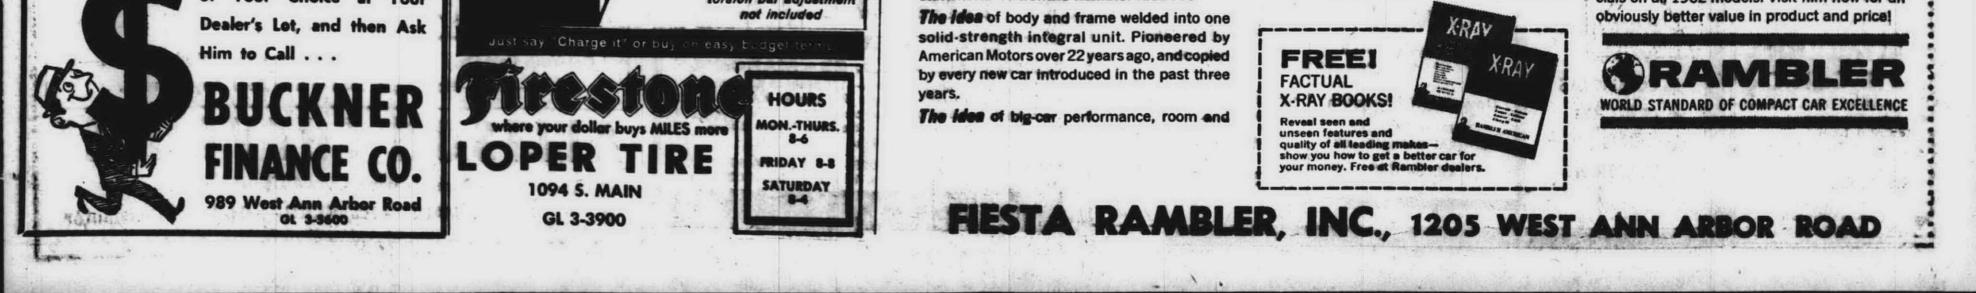

What's behind this auto expert's powerhouse statement? The entire Rambler idea . . .

comfort plus compact-car economy and ease of handling. Only Rambler-no other car in the world-gives you the best of both.

The idea of cars that stay new looking far longer because they resist rust. Where most U.S. cars today have rustproofing sprayed on, Rambler does that and takes 13 other stepsincluding Deep-Dip rustproofing.

The idea of styling continuity. Instead of spending millions for radical design changesmerely for the sake of change-Rambler invests its money to bring buyers important new benefits. This is what we mean by sharing progress with consumers.

For example, the Ceramic-Armored muffler

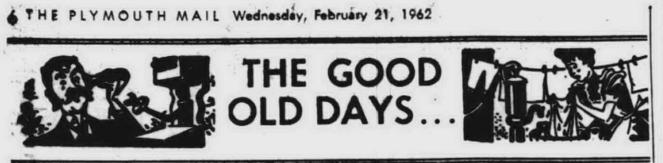

and tailpipe. Either will be replaced free for the original buyer as long as he owns his Rambler, in case of rust-out, by going to a Rambler dealer-collision damage excepted. For example, Double-Safety Brake System with tandem master cylinders, dual hydraulic systems. Self-adjusting brakes, standard.

When you consider Rambler's consistent reputation for quality, for trouble-free operation, for safety, for economy, for low prices and for high trade-in value-it's not surprising to learn that Rambler sales have increased over 300% in the past five years alone.

See why-for yourself. All this week your Rambler dealer is offering sales-success specials on all 1962 models. Visit him now for an
