School Tax Meeting Is Saturday

Members of the Plymouth School Board will meet this Saturday morning with the Citizens Committee on Schools to discuss a possible millage request at an April election.

Board members have indicated they would ask for renewal of a three-mill portion of the school tax, which is due to expire this year, at the polls.

How much additional millage to ask, if any, is still under discussion. Board members will not reach a decision, they state, until after the meeting with citizens.

School teacher's salaries have been one of the items under consideration for a raise in this year's budget talks.

The public is invited to Saturday's meeting which will begin at 8:30 a.m. in Plymouth Junior High School.

Set Hearing On Street Improvements

More public hearings on proposed street improvements in Plymouth will be held at City Hall on March 5, the City Commission decided this week.

The improvements will continue the city's program to provide curbs and gutters for most Plymouth streets.

Coming up for discussion at the public hearing—to which all interested residents are invited to come and express their views—are:

Dewey St. from Hartsoff to Ross, Harding from Hartsoff to the north boundary of Birch Estates subdivision; S. Harvey from Wing to Ann Arbor Rd., Maple from S. Harvey to McKinley; Roosevelt from Hartsoff to north boundary of Birch Estates; Ross from Evergreen to McKinley; and Ross from S. Main to S. Harvey.

Also coming up for discussion at an upcoming Commission meeting will be a proposal to require stiff license fees for what have been described as "fly-by-night" merchants.

Commissioner Carl Shear asked City Attorney Ed Draugelis to draw up proposals that would require a license fee "about equal to taxes" on all merchants carrying an inventory of more than \$5,000. The Commission supported his request unanimously.

"A fly-by-night's going to come in with a lot of inventory," remarked Commissioner Marvin Terry. "That's what we're aiming for."

Some concern has been expressed over merchants who move into town for three months, at a holiday season, for example, and sell merchandise at low rates. "This hurts the well-established businessmen," one city official commented.

Cab service came up for discussion again at Monday's Commission meeting as the Commissioners again heard a request from Colonial Cab Co. for three permits. The company pledged it would purchase two new taxis that would meet "strict inspection," but Commission members, on a motion by Richard Wernette, tabled the request. "I want to find out more about this company's financial responsibility and what kind of cabs and meters it wants to use," Wernette said.

A resolution setting up zoned taxicab rates for the city was rescinded.

Robert Lidgard was appointed by Mayor Robert Sincock, with the Commission's approval, to the post of Board of Review member, serving until January, 1965.

City Commissioners will witness a ceremony in three weeks at which City Manager Al Glassford, Charles Groth and Loren Johnson will be awarded Fire Administration Certificates by Olaf Pearson, City Manager of Ypsilanti.

'Clean Your Sidewalks,' Plymouthites are Asked

Plymouth residents who haven't been cleaning snow from their sidewalks during recent storms received a warning this week.

They should "remove all ice."

That's the message which Department of Public Works Superintendent Joseph Bida sent this week. "In the past two months," Bida said, "there have been some walks which have not been cleaned. We feel that the property owner should

be aware of the city ordinance regarding the clearing of walks because of personal injury that might occur because of the neglect of cleaning sidewalks."

Bida quoted city ordinance 223: "Every owner or occupant of any lot or parcel of land adjoining any street or public place in the City of Plymouth along or across there shall be a sidewalk shall, within 24 hours after the same has fallen or formed,

remove or cause to be removed any snow or ice which may have fallen or accumulated . . ."

If residents don't do it, the ordinance gives the City Manager the power to instruct the Department of Public Works to clean the sidewalk and charge the expense to the property owner or occupant.

The DPW has offered to furnish sand to residents for use after snowstorms.

"During ice storms," Bida said, "the Department will be glad to furnish sand for sidewalks. This may be obtained at the City Garage at Arthur and Goldsmith between the hours of 8 a.m. and 4:30 p.m. Anyone wanting sand should bring a container."

The Department also issued a statement on water service to Plymouth residents this week.

"The responsibility of the City is to the curb box," it said. If a leak is determined after the box is shut off, then it is the City's responsibility. But, if shut off is turned off and the leak stops, then the property owner is responsible.

The meter is maintained by the City of Plymouth, except that when a meter is damaged by frost or hot water or otherwise through the fault of the consumer and not of the city, the cost of the repair of such damage shall be paid by the consumer. The stop box is normally located at the sidewalk. The line between the meter and the sidewalk box is the property owner's responsibility."

Dr. Van Dusen To Speak Here

One of the nation's leading clergymen will be in Plymouth on Sunday, March 4, to speak to local residents on prospects for Christian unity.

Dr. Henry Pitney Van Dusen, president of Union Theological Seminary in New York, will speak on Sunday, March 4 at 7 p.m. at the First Presbyterian Church in Plymouth, Michigan. Dr. Van Dusen's topic will be "Are the Churches Uniting?" A reception and informal discussion will follow at 8 p.m. The public is invited to hear Dr. Van Dusen.

Dr. Van Dusen is an internationally known churchman and educator who has been president of the Union Theological Seminary since 1945. He holds honorary degrees from 14 universities, is the author of numerous books and articles, and has been a delegate to various world assemblies.

Residents Ask Help For 'Health Hazard'

High School After Hours: — It's a Busy Beehive

Walk into Plymouth High School practically any evening of the week and you'll find it a beehive of activity. Hours after the school's regular students have left

for the day, the building "comes alive" again as hundreds of adults — enrolled in the school district's Adult Education program — enter and go to work.

From "Swedish Gym" to "Oil Painting" and from "Basketball" to "Bookkeeping," the instructors in the annual program of Plymouth Community Schools are busy teaching adults.

In fact, there are more than 700 citizens of the community enrolled in the course. "It's a drop over last year," Mr. Woolweaver, Adult Education Director for the schools says, "but there seems to be plenty of enthusiasm among the students."

Most popular courses, he pointed out, include Spanish, Bookkeeping, Swedish Gym, Orchestra and Chorus.

Courses are offered in Speed Reading, Philosophy and a number of other areas as well. Persons interested in handicraft and hobby find classes like Oil Painting and Sewing of interest.

One of the most interesting courses is a special offering of Speed Reading. It's being taught by University of Michigan instructors. Woolweaver pointed out, and the cost — only \$17 — compares favorably with much more expensive courses being offered commercially.

Although it's too late to register for many of the classes in this term's offering, Woolweaver has information on all courses being offered. He can be reached at the Board of Education's Adult Education office, either by telephone or in person.

City, Township Still Discuss Water Transfer

Members of the Plymouth Township Board heard a progress report last week on prospects of switching 150 local residents from Township City water supply to Township supply.

Matthew McClellan, D.P.W. Superintendent for the Township, told Board members he had inventoried 150 meters in service which would be included in the proposed switch. "Some of the meters are quite obsolete," he said.

College Asks One-Mill Tax

Plymouth voters will go to the polls June 11 to vote on a one-mill tax request for western Wayne County's new Community College.

The college Board of Trustees announced the request this week and said the small millage request would yield a half-million dollars a year.

"Half of this, or \$250,000, will be sufficient, when matched with income from students and from the State, to establish an operating budget of \$750,000," the Board announced.

"This will be adequate to give first class educational opportunities to the people of the area. It is also the amount forecast by the Citizens Study upon which the College was established."

All players with less than 20 masterpoints are invited and further information is available from director Bill Tullis at GA 2-7858.

Speak Your Piece!

Mrs. Schryder

Mrs. Krockman

J. Austin

F. Libbing

Plymouth area voters may face a request to boost school millage when they go to the polls in April for a school election. What's their reaction to a possible millage hike?

Since one of the important parts of any school budget is teachers' salaries, and since the Plymouth Education Association — representing the district's teachers — has asked a raise, The Livonian this week put the following question to local residents: "What Is a Fair Salary for Schoolteachers?"

Here are their answers: "That I wouldn't know for certain," Mrs. Howard Schryder, 150 Union St., replied. "I feel, however, that teachers should have an adequate living

wage. I have four youngsters — two in high school and two in grade school — and I know if we want good teachers we have to pay to get them."

Mr. and Mrs. Stanley Krockman, 14493 Northville Rd., Plymouth Township, told The Livonian: "It depends on the teacher's needs. I know teachers should get more than I do as a railroad worker," Mr. Krockman said. "I know I'd vote to have teachers get higher salaries if I had kids in Plymouth schools," Mrs. Krockman added.

"I don't have any idea what a fair salary should be, but the teachers do need a raise," Jessie Austin, 378 Farmer St., said. Austin has two children in Plymouth schools, one in the

sixth grade and one in the first.

Frederick Libbing, 9301 Southworth, a teacher at Plymouth High School, said, "I think a \$5000 starting salary is good. A higher starting salary and smaller increments would be better for the younger teacher who is attracted to a good system."

(Editor's Note: Each week The Livonian asks a question of current interest to Plymouth residents. Questions are asked at random on Plymouth main streets or shopping centers. This week's questions were asked Feb. 13 at Kroger's on Main St. If you have a question you'd like to see used in this column, send your suggestion to: 'Plymouth Edition, The Livonian, 33050 Five Mile, Livonia.)

Sewage Is Big Problem

Calling their sewage facilities a "health hazard," residents of Bruce Street appeared before the Plymouth Township Board last week to seek relief.

Robert G. Pugh presented a petition with signatures of eight families requesting installation of sewers to serve residents on the street.

"Our sewage is coming out into the back yard," one resident told members of the Board.

"It's a health hazard . . . children get out in the backyard. Can't anything be done?" asked another resident. "We've got serious problems here."

The residents were told by Township Supervisor Roy Lindsay and other Board members that no request from Bruce St. residents for sewers had been forthcoming when the Township was deciding where to install sewers last year.

Lindsay said the community had only a limited amount of money to spend on the sewer projects, and that it had been allocated to areas where requests for installation had been made by residents.

"But," he said, "you can rest assured we'll do everything possible." Lindsay said, "I think you'll get relief when warmer weather comes. It's a situation you'll have to bear with." He blamed a deep frost which hit seepage areas for the trouble.

Lindsay and other Board members held out one bright hope to the beleaguered residents. If there is any money left from the allocations for sewer projects already assigned, it could be used for a Bruce St. sewer to serve the eight residents.

Pugh told the Board that all but one of the street's nine families had signed petitions for the sewer.

In other business, members of the Board opened bids for construction of the Township's proposed new Department of Public Works building.

Several bids — ranging from around \$27,000 up to \$34,000 and over — were received but Board members indicated a decision as to the contractor would be reserved until late this month.

Bids were also received for a three-quarter ton pickup truck for the Township and ranged in the \$1800-\$1900 price bracket. A decision on the award was reserved until later.

Board members agreed to send a letter to Claude Rocker stating that the matter of his inability to attend Planning Commission meetings had been brought to their attention and asking him for an expression of opinion. Rocker's business commitments have kept him away from meetings and Board members are considering a possible appointment to the Commission.

Pioneer Settler Dies at 84

Funeral services for one of this community's oldest residents were held this morning at Our Lady of Good Counsel Church.

Mrs. Laura F. McGorey, 84, of 300 N. Mill St., passed away Feb. 17 at the Forbes Rest Home. She had lived in this area all of her life, and was born in 1877 in Livonia.

Mrs. McGorey's husband, William, preceded his wife in death in 1948.

Surviving are two sons, Arthur of St. Joseph; Charles McGorey of Plymouth; and two daughters, Mrs. Grace MacKenzie of Detroit and Mrs. Margaret Schiffer of Wayne. Eleven grandchildren also survive.

Rev. Fr. Francis Burns officiated at the funeral services, which were arranged at Schrader Funeral Home. A rosary was said Tuesday at 8 p.m. and interment is in Riverside Cemetery.

To Women It May Concern

By MYRA CCX

It's interesting to see ourselves as others see us, and often alarming. This week we had a letter giving us a look at Livonia through brand new eyes.

Mrs. Daniel Reddington wrote a sparkling letter on the subject. She is a newcomer just moved from Marietta, Ohio, on Susanna street, Castle Gardens Subdivision. Her husband has started a new business here too, called Michigan Partition Company.

She likes the community and the general area but is amazed and somewhat disappointed there is no Newcomers Club or Welcome Wagon.

She thinks it does more to promote community spirit, discover new talents and bring new muscles to community projects. Anyone interested in Livonia or Redford, where this is also sorely needed, may contact Mrs. Byron Champion in Plymouth.

The Newcomers Club in Plymouth has been a successful going thing under her sponsorship for many years—and launched many a new resident on her way to adjusting to Plymouth's community life.

Our Mrs. Reddington wrote such a friendly letter I called her for a chat and discovered among her many talents, she is a contest winner.

For two months in a row, December and January she won the international recipe contest sponsored by Better Homes & Gardens Magazine.

She has received money prizes as well as framed certificates from the magazine's Chief Food Tester and Food Editor. We have included two of her "originals" and she assures us she has a million more. Guess we better start a food column.

We are surrounded by talent of the culinary arts. Mrs. America has a few good little gems I am sure she will be glad to share with us. In Redford Union we might ask Andrea Seeley for a couple of hers. Teen-agers may take note. She is trying out for a scholarship from Betty Crocker, having won the cooking contest at R.U.

All of these "artists" assure me all you have to be able to do is read—and you have it made—and good enough to eat too. Here are two of Mrs. Reddington's recipes.

PANCAKE MIX COFFEE CAKE

1 egg
1/2 c. sugar
1/2 c. milk
Beat egg with rotary beater until light and fluffy, add sugar little at a time, beating until thick. Add melted shortening, stirring in lightly. Add milk and pancake mix all. Pour in greased 8" square cake pan. Sprinkle cinnamon topping (2 tbs. sugar, 1/2 tsp. cinn.). Sprinkle over batter. Bake in 420° 20 min.

CHUTNEES

1/4 c. butter or margarine
2 c. grated sharp process American Cheese
1/2 c. Chutney, cut up and drained
6 drops worchestershire sauce
3 1/2 dozen—1 1/2" round white bread

Combine butter and cheese, add chutney, add worchestershire sauce. Mix well. Place 1 tbs. of mixture of each bread round, set rounds on cookie sheets. Broil till hot and bubbly, lightly brown, about 3 min.

HATS, HATS, HATS, and surrounded by women. It was a good combination. The ladies bought the hats and the money spent was used by the sponsoring group, the Livonia Business and Professional Women to contribute toward nurses training in Formosa. The occasion will probably be an annual affair. This year it was held at Danny Suburban and a total of 242 hats were sold. (Top left) visiting lady from Redford, Katherine Goulet, approves the selection of her friends Margaret Speck and Helen McMullen from Livonia. (Top right). Two ladies well-known to the area,

MRS. ROGER M. HANDY

Wed in Georgia

Afternoon services in Brunswick, Ga., last Sunday united Maggie Jean Brazzel, of Brunswick, and Roger M. Handy of Redford Township in marriage.

The bride is the daughter of Mrs. Lucille P. Brazzel of Brunswick and the groom is the son of Mr. and Mrs. Lawrence Handy of Redford Township. Mr. Handy is a special education teacher at Lola Valley Junior High School.

Services were held at St. James Lutheran Church, with Rev. Eugene Epturing officiating. Mrs. J. A. Hammond rendered organ selections and Rev. Raymond Wilder sang "O Precious Love" and "O Happy Home." The church altar was decorated with baskets of white gladiolus, mums, snapdragons and carnations.

Mr. Victor Patton, uncle of the bride, gave her away. The bride chose a delustered satin gown with scooped neckline made on princess lines with flat long-sleeves forming a calla lily point over her hands.

Her finger-tipped veil, outlined with seed pearls, was made of French silk.

Ann Brazzel, maid of honor, sister of the bride, wore a yellow satin dress with matching accessories. Her headpiece was a large yellow satin bow with tulle. She carried a nosegay of bronze gaza mums.

Ken Koski, cousin of the groom, served as best man. One Douglas Hall and Gene Hardwick of Brunswick seated guests.

Mrs. Brazzel wore a silk yellow and green floral print dress with beige accessories and carried a corsage of yellow daffodils. Mrs. Handy, mother of the groom, chose a beige satin sheath dress with orange accessories and wore a corsage of bronze daffodils.

A reception was held following the ceremony in the church parish hall. Those assisting included Kathie George, Bunny McCants, Bobbie Nettles, Betty Thames, Janice Hazlip and Mrs. Ken Koski.

The couple traveled to Virginia for their wedding trip and the bride chose a beige wool suit trimmed with mink collar and a mink pillbox hat for her going-away outfit.

Mr. and Mrs. Handy will reside at 14220 Dale, Redford Township, on their return. The groom is a 1959 graduate of Eastern Michigan University where he was affiliated with Sigma Tau Gamma fraternity. He received his master's degree in education from that university in 1960.

"first lady" of Livonia, Mrs. William Brashear (right) is delighted with all of the hats and receives approval from Mrs. Peter Ventura on the one with roses. (lower left) Florence Chapek, Past Livonia President makes Redford ladies welcome and encourages them in the latest in chapeaux. Rose Schilawski, Hazel Watson, Emily Delany, and Marian Coon, President of the Livonia Club. (lower right) Jessie Hildebrandt and Betty Hawthorne of Livonia made their selections and are proud of them.

This training, together with that received one weekend a month at the Grosse Ile naval air station will qualify the squadron for operations against enemy submarines in the event of a national emergency.

Student's Art To Be Displayed

First system-wide art exhibit in the Livonia Public Schools will be held in conjunction with the PTA Founders' Day banquet Wednesday, Feb. 28, at Bryant Junior High School, and will be open to the public later in the week.

The exhibition, which will feature representative art and craftwork of all kinds from each school and from grades kindergarten through 12, will also be open in the school halls Friday, March 2, from 6 to 9 p.m., and the following Saturday, from 11 a.m. to 5 p.m. The public is urged to visit the display, at 18000 Merriman road, at Curtis.

Planned cooperatively by the staff of the Livonia Public Schools and members of the PTA Council, both art teachers and PTA members have been active in preparations to display Livonia students' work. Mrs. Marjorie Becker, elementary art coordinator, is directing the project, with the assistance of junior and senior high school art teachers, elementary art resource teachers and elementary classroom teachers.

Many members of individual school PTA's have helped to build display equipment, and a number of mothers are planning to serve as hostesses for the exhibit.

PTA NOTES

PIERSON P.T.A.
The Pierson School P.T.A. met on Feb. 6 at 8 p.m. "The Adolescent Youngster" was the subject of Dr. Leslie Bishop, Secondary Curriculum Coordinator, and Kenneth Cogswell, principal, Bryant Junior High.

WHITMAN P.T.A.
The regular monthly meeting of the Whitman Jr. High School P.T.A. will be held in the All-Purpose room at 8 p.m. on Tuesday, Feb. 13. David Ammerman, principal at the new Franklin High School, will present the programs of study to be offered at Franklin next school year. Following his presentation there will be a question and answer period. The parents of ninth grade pupils will be especially interested in the counseling process which is set up to assist each student select his classes for the year 1962-63.

New 'Regular' Helps Bentley Cagers

A new "Darling" has emerged on the basketball scene at Livonia Bentley High School in Bill Bolin.

Although Bolin's graduation to the varsity ranks has come too late for Bentley to repeat as Suburban Six League champions for the fifth straight time, it would appear that he could help the team run its string of state district crown to five in a row in next month's tournament at Bentley.

After starting with the Bentley reserves for two-thirds of the campaign, Bolin got his first chances over the last weekend to perform as a varsity regular. He came through with two blazing performances.

On Friday night against Belleville, Bolin notched 13 points and picked off 19 rebounds as Bentley subdued Belleville, 61-57, for its fifth league victory in nine games.

Some 24 hours later, Bolin was the big scoring hero for Bentley in a 58-57 upset over Dearborn on the Bentley court. Dearborn ranks one of the suburban basketball powers this season.

Bolin and Gregg Mapes divided starring honors in the Belleville game. Mapes topped the scoring with 20 points and also snared 18 rebounds as Bentley enjoyed almost complete control of both the backboards. Lannie Carrier also scored in

double figures, tallying 11 points.

Bentley led all the way in stopping Belleville. The half-time tally was 35-30 and by the three-quarter mark Bentley had increased its lead to 12 points.

Belleville then resorted to a pressing defense which troubled Bentley to the point that Belleville came within four points of a tie in the fading moments.

The Bentley reserves also engineered a victory, topping Belleville, 31-27. Dennis Green collected 11 points to lead the victors.

The Bentley-Dearborn game was a thriller all the way. The lead saw-sawed, but Bolin and his mates had what it took when matters counted most in the final moments.

With Dearborn leading by three points, Bentley struck

back to pull even at 55-55. Then Bolin engineered a basket and added a charity to make it 58-57. Dearborn picked up its last basket in the fading seconds.

Mapes contributed 12 points to the victors' cause and again did a fine job under the boards with Bolin.

Dearborn's reserves took a 39-38 overtime thriller from Bentley.

No Action For Parish Cage Team

These are quiet days for the St. Agatha High School basketball team in Redford Township.

Coach Dave Brazil's team finished its league schedule in the Parochial Loop, two weeks ago and since has engaged in only one game—Tuesday evening against Sweetest Heart.

A special night is being planned at the school gym next Wednesday. The senior and freshman members of the basketball squad will combine to play a team made up of sophomores and juniors.

The game will mark the final formal appearance of St. Agatha until it goes to the state Class D district tournament at St. David high in Detroit starting March 6.

Franklin Gains Eighth Victory

Led by Larry Duffield with 13 points, Livonia Franklin High School's basketball team engineered its eighth win in 12 games by decisioning Allen Park, 54-49, last Tuesday.

Franklin has three remaining games on its schedule. The team was to meet Royal Oak Kimball this Tuesday. On Saturday night, Franklin plays at Royal Oak Kimball, then finishes next Tuesday against Farmington.

RU String Ends Quickly

The winning ways of Redford Union High School's swimming team didn't last very long.

After ending a 12-meet losing spree the week before, the RU tankers bowed again last Thursday. This time it was to Allen Park by a 64-41 score.

Bill Truesdell added to his unbeaten streak as he won the breast stroke to account for one of the three "firsts" scored by RU tankers. Ken Bracken took the 100-yard free-style and Mike Caplia the diving.

Truesdell now has won in 14 straight meets this season while swimming the breast-stroke.

Laird Kelly took seconds for RU in the 200 and 400-yard free styles. Dan Shoemaker was second in the individual medley and third in the butterfly. Both the RU relays also were second.

Surprise Champs On Court

Sports is full of surprises and Allen Park High School's basketball team certainly recorded one this winter in surplanted Livonia Bentley and Redford Union as champion of the Suburban Six League.

The pre-season estimates didn't give the Parkers too much of a chance, but with eight victories and one defeat it now matters little what happens this Friday in their last league game.

The Parkers hoisted up the title flag in grand style last Friday night by dumping Redford Union, 69-49. Just a couple weeks ago, it appeared that RU would repeat at least as a co-champ, but the team then went into a tailspin. The loss to Allen Park was RU's third in its last four league tilts.

Allen Park's sharpshooting was too much for Redford Union. In fact, the way the Parkers fired the ball through the hoop nobody could have beaten them last Friday.

When the final statistics were posted, the Parkers had scored on 26 of their 52 tries from the floor. That amounts to exactly 50 percent. No professional team shoots that well. Nor does Ohio State.

Roger Roman was a terror for the Parkers. He hit on 75 percent of his tries in the first half as Allen Park took a 16-10 lead at the end of the first period and reached the intermission with a 37-22 advantage.

Teamates Les Mihalyf scored 15 and Rich Dutton 13. Thus, this trio by themselves outscored Redford Union by four points.

The defeat left RU with a 5-4 conference record and an invasion to Plymouth coming up this Friday to end the league schedule. The regular-season curtain will drop on March 2 when RU takes on Thurston.

Len LaPlia tallied 19 points for RU, which clicked on 17 out of 53 shots, which isn't too bad for a high school team. The RU reserves came through with a 55-45 victory over Allen Park as Bill Driscoll tossed in 14 points, Doug Atkins 13 and Rick Coleman 13.

Thurston's Wrestlers State Power

If the regular-season action means anything, Thurston High School's wrestling team will rate as a major threat for the state Class A title in next month's state championship.

With one dual meet left to go—this Thursday at home against Ann Arbor—Thurston is rolling along with a record of 12 wins against only one loss under the coaching of Jim Knotts.

Leading the way for Thurston is Jerry Scane in the 138-pound category. He is yet to lose a match this season. Norm Martin, a 145-pounder, has lost only once. The same goes for Bob Bedard, who wrestles in the 95-pound category.

Thurston piled up two more easy triumphs last week. First it was against Allen Park, 25-14. Then Thurston swamped Wayne, 39-3.

In the Allen Park meet, Bedard, Jack Provencal (112-pounds), Mike Mitchell (124), Jim Martin (127), Seane, Norm Martin and Bob Stockton (180) scored victories while Jim Urek (154) battled his foe to a draw. Provencal and Stockton pinned their foes.

Jim Todd (103), Jack Pilarski (133), Doug Schyck (160) and Heavyweight Jerry Wieback suffered defeats against Allen Park. Urek was the only loser against Wayne as Provencal, Pilarski, Norm Martin and Stockton scored victories by falls. Bedard, Art Mitznek (103), Mitchell, Jim Martin, Scane, Schyck and Wieback triumphed via the decision route.

Panthers Lose

Only three Redford Union wrestlers came through with victories as their team suffered a 39-10 loss at the hands of Allen Park last Thursday. Victors for RU were Ron Jefferys in the 120 pound class, Don Aeck (154) and Joe Michaels (133).

Rocks Eye Aid From Bentley

With one meet to go, it's Plymouth and Trenton high schools deadlocked for first place in the Suburban Six League swimming battle.

Both have 8-1 conference records going into this week's final dual-meet action—Plymouth at Redford Union Thursday evening while Trenton hosts Livonia Bentley Saturday night.

Actually the dual competition has no bearing on the league championship which won't be settled officially until the annual loop meet at Trenton on March 2-3.

But there's a certain amount of added satisfaction which comes with taking the dual-meet laurels... hence the importance of this week's meets at Redford Union and Trenton.

Plymouth pulled even with Trenton last Thursday by scoring a 55-46 victory to square accounts for a previous loss earlier in the season in the Trenton pool.

The free style relay, closing event in the meet, settled the meet. Plymouth streaked home in front with a combination of Mark Schultheiss, Al Larson, Ken Fischer and Win Schrader.

Dick Michaels continued his winning ways to pace the defending champions ship Plymouth team. Michaels won the back stroke and came back to take the individual medley. He is yet to lose a race this season.

Gary Gould again won his specialty—the 50-yard free style. Phil Bender turned in another fine effort to take first in the breast stroke while Schultheiss added another victory to the Plymouth output by leading the field of divers.

Barry Corwin placed second and Dick Alford third for Plymouth in the 400-yard free. It was Dick Taylor second and Dave Beglinger third in the butterfly. Tom Hoffman picked up a third in the backstroke while Gould was second and Schrader third in the 100 free.

Duane Stephenson was second to Schultheiss in the diving. Bender third in the individual medley and Corwin third in the 200-yard free to round out the Plymouth point winners in individual action. The Rocks were second to Trenton in the medley relay.

Eagles Not Lucky

Don't Tell Basketball Coach Bill McDonald of Thurston High School that Irishmen always are lucky.

He won't believe you—not after what's happened to him and his cage forces this season.

McDonald figured that Thurston might make a good run for league honors in the Mid-Wayne loop this season. But now the team must win at Inkster Robichaud next Friday night to end the loop campaign with a .500 mark.

The Thurston coach can't help but wonder how different things might have been had Lady Luck graced his team with more fortune.

For example, there was the early season wrist injury which put regular Joe Kotula out of action for several games. Then star Cas Janauskas had to miss the big game against Riverview with a flu.

Now Keith Spicer is out with an injured ankle and may not play again this season.

Thurston hit its low point of the season last Friday night when turned back by Garden City, 44-30. It takes a lot of looking to find when a Thurston team scored so few points in a game.

Jankauskas was the only bright spot, scoring wise, for Thurston. He canned 18 points. Overall Thurston tried 68 shots from the floor and made just 11.

"It wasn't that the kids were hustling or trying," said McDonald at the end of the game. "You couldn't fault their efforts. It was just something about the ball refusing to go in."

Thurston stayed close for one half, then fell out of contention when able to muster only 13 points in the final two quarters.

SPORTS OBSERVER

By George Maskin

Very little just happens in this world. Take, for example, the state high school basketball tournament.

The opening fireworks won't go off for another couple weeks, but preparations for the various district, regional and subsequent phases have occupied State Director Charles Forsythe and "others" for several weeks.

In the list of "others" must fall the name of Les Anders, the athletic director at Livonia Bentley High which again will host both a district and regional when the annual March Madness swings into action.

Except for the draw of first-round opponents, Anders has already taken care of every detail—minute as many might be.

In a special bulletin released to participating schools, the press, officials and coaches, Anders lists the teams which will make up the Class A district field at Bentley. Besides host Bentley, Redford Union, Thurston and Southfield will round out the four-team field.

One game is booked for March 6, another for March 7 and the district final for March 9. The scorekeeper and timer along with an assistant for the two jobs have been named. So have the referees.

The draw will take place at Bentley next Tuesday afternoon at 4 p.m. If you choose to witness same, the festivities will take place in Room 117.

For those interested, Anders notes that the dimensions of Bentley playing floor is 50x94, the overall floor 58x104. The gym has glass backboards and can seat from 1,500 to 2,000.

Each of the four competing schools must submit an eligibility list by March 6. Admission for students will be 50 cents per game, for adults 75 cents. Schools are urged not to bring bands or musical groups since the Bentley gym has no facilities for same. The cheerleading corps should number no more than six.

The three schools, which must travel to Bentley, will be reimbursed \$1.50 per mile, one way, for each trip made to the district center. There is a minimum payout, however—twenty five bucks.

The winning team will receive a trophy along with 15 medals to players named by the coach.

The State Association takes no chances when it comes to injuries. It carries a blanket liability policy which naturally will protect the host school... in this case Bentley.

And the winning team will advance to the regionals, which also will be played at Bentley, starting on Tuesday, March 13.

There'll be both a Class A and Class D regional in the Bentley gym. Four teams will make up each field. In addition to the district winner from Bentley, other "A" champs will come from Redford and Pontiac Northern, the latter district supplying two winners.

The "D" teams will emerge from the districts at Adrian, Detroit St. David, Detroit Servite and Rochester.

No less than 12 referees have been assigned to Bentley for the regionals. Each will collect \$17.50 plus mileage for every game he works.

Such distinguished whistleblowers as Charles Emling, Jim Manilla, Dick Buckholz, Herb Norquist and Bob Sims will work the Bentley regionals. It is already known that Emling and Buckholz will be at Bentley, starting on Tuesday, March 13.

Bentley Senior Wins Oratorical Contest

David Burke, a senior at Bentley High School, was declared the winner at the local American Legion's 25th Annual High School Oratorical Contest held on Friday evening, Feb. 16 at the Myron H. Beals Post Home on Newburg Road. Burke was the winner over Lloyd Herman, a fellow senior.

Burke will now go on to compete in the Legion's 17th District contest against student winners from other areas. Northville, Plymouth, Redford Township are all in the District. However, this year Redford Township and Plymouth had no entries.

This contest will be held at the local Post Home this Friday evening (Feb. 23) at 3:00 p.m. The winner of the District contest will then compete against the winners from the 6th, 7th, 8th and 18th Congressional Districts at the Zone contest to be held on Sunday, Feb. 25 at the American Legion Hall in Royal Oak at Twelve Mile and Rochester Roads.

Ultimate goal of each contestant is to be declared winner in each of the progressive contests and be eventually declared winner in each of the progressive contests and be eventually declared the winner of the National contest which will be held in Salt Lake City on April 12.

Judges for the local contest were Donald Nichol-

son, teacher of History, Economics and Political Science and Carl Castiglione, teacher of speech, languages and forensics. Both judges teach at the Riverside School of the Dearborn Township School, and hold masters degrees in their respective fields from Michigan State University and University of Michigan respectively.

Gilbert Rohde, commander of the Livonia Legion Post and Ernest Koi, Commander of the 17th District American Legion, Plymouth extend a cordial invitation to the general public to be in attendance at this Friday's contest.

Cancer Group Needs Drivers

Do you recall the parable of the Good Samaritan who took time from his busy journey to aid a stricken stranger. In this busy, hurrying world of ours do you have time to spare for others—or do you pass hurriedly by, averting your face and saying "someone else will do it."

The Livonia Branch of the Michigan Cancer Foundation is being restaffed, due to resignations, retirements, etc. Our thanks go out to the dedicated women who have found it necessary to leave after years of faithful service. However, we are now greatly in need of volunteer help to keep this branch effective and active.

We need women to staff the office and cut cellulose filler, and men and women to drive patients who would otherwise be without transportation to hospitals and clinics for therapy and treatment.

Free dressings and other items for the comfort of the patient as well as the loan (free of charge) of hospital beds, wheelchairs, walkers, bedside tables, commodes, and other sickroom supplies are furnished cancer patients with a minimum of "red tape". The Michigan Cancer Foundation is supported by the United Foundation, but is largely staffed by volunteer workers so that the funds may be used to best advantage—research, education, and service.

We also need volunteers to operate projectors for our film showings. These are educational films (shown free of charge to any group requesting them) on

Detroit and Northern Promotion Announced

At the annual meeting of the Detroit and Northern Savings and Loan Association, the Board of Directors promoted William C. Martino, Manager of Detroit

WILLIAM C. MARTINO

operations, to Vice-President. Pres. Donald W. Seaton announced today. Also appointed vice-presidents were Kenneth D. Seaton and Bernard A. Gwisdala. Re-elected to three year terms as directors were Donald W. Seaton, Dr. Leonard C. Aldrich, and Dr. John R. Van Pelt.

Martino has been associated with Detroit and Northern since 1946, when he started in the mortgage department. Prior to joining Detroit and Northern, he served for four years in the U.S. Army during World War II, and before that, was with a Detroit stock broker. Born in Detroit, he attended the Detroit public schools and took special training at the Detroit Institute of Technology.

As Manager of Detroit Operations, Martino has had an active part in the Detroit and Northern expansion program, which last year saw the association triple the number of its branch offices in the metropolitan Detroit area. The firm's growth is reflected in the financial statement for 1961, which showed the associations assets topping the \$100 million mark. This represents an increase of \$8,571,000 during the past year.

Ireland Is Next Stop For Adventure Series

"All Over Ireland," a comprehensive color film of the Emerald Isle, will be shown by world traveler Willis Butler for George Pierrot's World Adventure Series at 8 p.m. Saturday, Feb. 24, at Bentley High School, Hubbard near Five Mile. This series of travel films is being presented as part of the Livonia Program Activities of Dearborn Area YWCA.

Willis Butler films the River Shannon, Blarney Stone, the Croagh Patrick Pilgrimage with 65,000 pilgrims, Dublin, the Abbey Players, a fashion show, Gaelic football championship game, the Irish Derby, and the renowned Royal Society Horse Show which features the finest thoroughbreds of the world.

The color film is a beneath-the-surface coverage of all Ireland—from the Aran Islands to Dub-

lin—the Geography, history, tourist attractions, industry, government, an especially the rich human interest and spirit of Ireland.

Tickets are available at Jahn's Hardware, Five Mile and Farmington, or at the box office at Bentley High School on the night of the performance.

Pearson work the "D" title scrap. The draw for the regionals will be held on March 12 . . . Schools again should bring no more than six cheerleaders . . . Bands again are out.

For the regional champs there'll be another trophy and 15 more medals.

The Class A regional king will meet the Trenton regional winner in the quarterfinals. The "D" champ will face the Battle Creek regional titlist.

Then, it's on to East Lansing and Lansing for the winners. Just in case Anders isn't busy enough preparing for the district and regional basketball tournaments, his school also will host the Suburban Six League meet next Saturday.

The action will begin at 2 p.m. on two mats and continue on until around 10. Only individual laurels will be at stake. No team score is to be kept, since the team title will be determined by dual meet records.

It shapes up as an interesting day and night at Bentley. If you can find time, take in the festivities. The wrestling performed by the preps is nothing like the stuff you see on television.

No. 365-740

In the Matter of the Estate of
WILLIAM FINK, Deceased.
Notice is hereby given that all
creditors of said deceased are re-
quired to present their claims, in
writing and under oath, to said
Court at the Probate Office in the
City of Detroit, in said County,
and to serve a copy thereof upon
CLARENCE R. CHAREST, Admin-
istrator of said estate, at 3368

TO THE SUPERVISOR AND HIGHWAY COMMISSIONER OF THE TOWNSHIP OF REDFORD, WAYNE COUNTY, MICHIGAN.

You are hereby notified that the
Board of County Road Commis-
sioners of the County of Wayne, Michi-
gan, did, at a meeting of said
Board held on February 8, 1962,
decide and determine that the cer-
tain county road (alley) described
in the minutes of said meeting of
said Board should be absolutely
abandoned and discontinued as a
public highway, reserving there-
in the easement set forth in said de-
termination. The portion of the
minutes of said meeting fully de-
scribing said county road (alley)
is attached hereto and made a part
of this notice, which is given under
and by virtue of Act 283 of the
Public Acts of 1909, as amended.
In testimony whereof, I have
hereunto set my hand at Detroit,

the adoption of the following res-
olution:

WHEREAS, pursuant to petition and in accordance with the provisions of Section 18, Chapter 4, Act No. 283, P.A. 1909, as amended, this Board has conducted a hearing to determine the advisability of ab- solutely abandoning and discontin- uing:

All of the alley, 20 feet wide—
as dedicated for use of the
public in "DUNNING PARK"
being a sub'dn of part of the
N.E. 1/4 and part of the S.E. 1/4
of Sec. 32, T. 1 S., R. 10 E.,
Redford Twp., Wayne Co.,
Mich. as recorded in Liber 55
of Plats on Page 27, Wayne
County Records—lying in the
rear of lots 120 to 125, both in-
clusive, and adjacent to lot 128,
and

WHEREAS, a view of the premises
above described was had in
accordance with said statute.

NOW, THEREFORE, BE IT RE-
SOLVED, that it is in the best in-
terest of the public that the above-
described county road or portion
thereof is hereby absolutely aban-
doned and discontinued reserving
therein an easement for public util-
ity purpose, provided, however,
that said easement shall cease to
exist upon the removal of the said
public utility.

The motion was supported by
Commissioner Kreger and carried
by the following vote:

Ayes, Commissioner O'Brien,
Kreger and Barbour.

Nays, None.
