Commuter Train Service Cut

City, Township Budgets Revealed for 1962-63

Budget totaling \$619,000 Monday night by the city manager for the city and \$220,000 for the township were out-put several weeks of scrutiny by the Plymouth area Commission members beginning this week. The township budget was approved by voters at the city proposal.

The Annual Meeting Saturday. Glassford proposed that \$618,010 be spent over the next fiscal year, compared with \$602,470 spent in the current budget and \$545,208 spent in 1960-61.

"The total estimated revenues have increased by \$16,540 over the budget adopted last year," Glassford told the Commission. "The increase is derived mainly from property assessment, surplus from the current year's operation and state collected, locally shared taxes."

Bright spot in the manager's report was the statement that recommended millage for the fiscal year 1962-63 is \$14.65 per \$1,000 assessed valuation, or a decrease of 15 cents per \$1,000 over last year's adopted budget. Property assessment will increase \$363,720 which represents an increase of \$960,000 in new construction. Personal property is down \$600,000.

Increased expenditures, Glassford said, will go up \$2,900 in general government due to salary hikes and new voting machines; ten cents per hour cost-of-living raises have been recommended for personnel; and public safety expenditures have risen \$4,000 due to salary increases. A \$900 hike in Parks and Recreation budget for "more attention" to trees and shrubbery was proposed.

At Saturday afternoon's Annual Meeting in Plymouth Township, attended by some 50 persons, Township officials requested a hike from the 1961-62 budget of \$219,665 to a 1962-63 proposal of \$221,788. Water and Sewer Department expenditures brought the figure to a \$592,995 request compared to \$390,052 budgeted in 1961-62.

Highest increase in the budget was \$3,000 in executive, administrative and legislative budget, but this was balanced by a drop of \$1,400 in the county assessed budget. The capital outlay fire department budget dropped from \$37,500 to \$35,531 in the other big change.

Earl Demel, Harold Hamill and Mr. Markin were re-appointed Township attorney, engineer and auditor respectively by the Board at Saturday's meeting, and regular meetings of the Township Board were set for the second Tuesday of the month at 8 p.m., same as this year. Dates for future meetings are April 10, May 8, June 12, July 10, Aug. 14, Sept. 11, Oct. 9, Nov. 13, Dec. 11, Jan. 8, Feb. 12 and Mar. 12.

Death Takes Two Residents

KURT KIENBAUM
Funeral services were scheduled for this afternoon for Kurt Kienbaum, 60, of 425 Adams St., a long time area resident who passed away March 30.

Kienbaum was born in Merrill, Wisconsin, and came to this area as a young man. He moved to Plymouth from Livonia in 1954 and was an accountant for Chrysler Corp. He was affiliated with St. Peter's Lutheran Church.

Surviving are his wife, Mildred, two daughters, Mrs. Karyl Buff of Plymouth and Erma Kienbaum of Tucson, Arizona, and a sister, Mrs. Mata Yunkherr of Wisconsin.

Services were to be held at St. Peter's Ev. Lutheran Church at 2:30 and interment in Glen Eden Memorial Park.

ALLEN DARGA

A 16-day-old baby boy, Allen Lee Darga, passed away March 30 at the University of Michigan Hospital. He was the son of Mr. and Mrs. Ronald Darga of 9405 Maple St. Also surviving are his grandparents, Mr. and Mrs. Raymond Darga of Livonia and Mr. and Mrs. Charles Presley of Wyoming. Graveside services were held March 31 at Parkview Cemetery in Livonia.

HUNDREDS OF VOLUMES were sold to Plymouth area residents by the local branch of the American Assn. of University Women last week. The AAUW held its annual book sale in the

Kroger Store on N. Main Street, raising nearly \$200 for the organization's fellowship fund. Selling books, above, were (left to right): Doris Saunders, Nancy Messerly and Peg Larson.

Architects For College Chosen Pending OK Vote

Another milestone has been passed in the development of the local Community College. After many weeks of work by the entire Board of Trustees, an architect has been selected. The Board has accepted the offer of Eberle M. Smith, Associates, Architects of Detroit, to do some preliminary planning with the understanding that if the

millage and bonding vote on June 11 is successful, a contract will be signed.

Both parties have agreed that if the millage fails, the work done by the architect will cost nothing.

The firm of Eberle M. Smith & Associates is well known in the school and college fields. They have

Annexation Rule Hit By Plymouth

A strong stand against a new law that would halt the right of annexation was taken by the Plymouth City Commission Monday night.

In a strongly-worded resolution, copied after one sent by the Livonia city council, the Commission urged defeat of the proposal, now before the state legislature.

If the law is passed, it would prevent city governments from annexation of other areas adjacent to it. "Even if the people in the nearby areas wanted it," Mayor Robert Sincovek said, "They couldn't get it."

The Commission acted after Commissioner Marvin Terry said, "Not that Plymouth has any ideas of annexation, but it would prevent us if we did want to do any annexing."

"Well, we might sometime," added Commissioner Carl Shear.

The letter expressing the Commission's feelings was fired off to Lansing.

Seek Plans To Widen Main Street

The Plymouth City Commission will seek permission to widen Main St. at Penniman Ave. it was decided Monday night.

Commissioners moved to act while the corner property at the intersection is in a state of demolition. Buildings at the northeast corner have been razed to make room for a new office building and savings and loan office.

Commissioners said they would seek a dedication of land adjacent to Main St. from the owners of the property. They said a widening of the street was necessary because the street changes from an 80-foot wide roadway to a 44-foot wide roadway at the intersection. In the past, Commissioners have described this situation as "dangerous."

"Rhapsody in Red" will be the Plymouth Junior High School's feature musical attraction this weekend. Sandy McCorkle and her Dixieland trumpet, Richard Irvine and his marimba, a 100-piece rocket band, a 100-voice choir, singing strings and the 1962 Rockers and their Rhythms will all be on the lineup.

Nightly performances will be given at 8 p.m. on Friday and Saturday, April 6 and 7 in the Junior High gymnasium. Tickets for adults are \$1, for students, 50 cents. Proceeds will go for instrument and uniform fund of the school.

For sports enthusiasts, the big news around Plymouth this week is the Junior Chamber of Commerce's plans to bring the world-famed Harlem Magicians basketball squad to town. The court whizzes will meet the Plymouth Recreation All-Star team at the High School gymnasium April 11 at 8 p.m. Tickets for adults are \$1.25 and for students, 75 cents.

Whatever became of the plans to modernize Kellogg Park? The beautiful new design was unveiled several weeks ago at Mayflower Hotel meeting, businesses and residents were asked for donations, but lately we haven't heard a thing. City Clerk Joseph Near reports no contributions have been received at City Hall. We'd like to see this project get off the ground.

Buses Sought As Substitute

Commuter train service for early-morning travelers to Detroit is soon to be eliminated in Plymouth.

In its place, service by a new 51-passenger bus is proposed.

Action of the C and O Railroad is removing its 6:50 a.m. "Sportsman" commuter from Plymouth to Detroit was announced Monday at the City Commission meeting.

And it was revealed at the same meeting that should a minimum of 40 persons guarantee patronage, the DeLuxe Motor Stage Co., which now operates several buses between Detroit and Plymouth, would expand its morning runs.

"The Company says," Commissioner Richard Wernette said, "that if 40 people promise to ride, they will buy a new 51-

passenger bus to service the early-morning run." The proposed bus would arrive in Detroit at 8 a.m. and make three stops in downtown areas.

Reason for the switch in C & O service, Commissioners were told, was that one of the railway's Washington-west runs is being eliminated. "The Sportsman is not being removed from service," Wernette said. "Its schedule is being revised to take up the service caused by elimination of the other route." Hereafter the train will leave Plymouth at about 11 a.m.

Plymouth residents who work in downtown Detroit had depended on the C and O train for service to work. It is one of three trains which serves Plymouth daily.

"Many people have contacted me to see if the Commission can do anything about this," Wernette said.

Commission members suggested that City Manager Al Glassford act as a "clearing house" to funnel requests from prospective passengers to the bus company. Any person interested in riding the proposed bus should contact Glassford, the Commission suggested.

In other business:

The Commission said it would authorize lowering of the cost of baby graves from \$70 to \$50 in the city cemetery. "We have had a number of such cases lately," DPW Superintendent Joe Bida said. "Our cost is much higher than the average."

Purchase of property in Birch Estates subdivision was approved after discussion. The property, near Byron St., will mean that a roadway will be widened.

Cancellation of three bills for traffic report copies was cancelled on recommendation of Kenneth Way, Director of Public Safety.

City Manager Al Glassford was authorized to negotiate a purchase price for a lot on Goldsmith St., west of the city DPW yard, where the Packaging Corporation of America wishes to expand its building. The company has offered to buy lot 22.

The Commission accepted and filed resolutions sent by Livonia regarding endorsement of day-light saving time and income taxes.

Fox Hills Officially Opens Spring Season

Fox Hills Country Club opened this week-end and despite soft fairways, many enjoyed a round of golf anyway.

First event of the season will be a Stag Breakfast Sunday, April 8 from 8 to 11 a.m. The

only guests permitted that forenoon will be friends of members interested in joining the Club.

All club facilities are open including the kitchen for sandwiches and light lunches. Dinner will start May 1st.

Speak Your Piece!

McCLAIN

FOX

CHRISTIANI

GLASS

With Plymouth Community School District's millage election only two weeks away, residents were asked this week in The Livonian's man-in-the-street series this question—

"Have You Made Up Your Mind How You'll Vote on the School Tax Request?"

The four residents who answered the question replied:

"It seems like we're taxed very high on school taxes as is now," said William W. McClain, 154 Rose St. "But if it's necessary, I'll vote yes. It's a hard question to answer."

For William Fox, 9074 Northern, the answer was, "I made up my mind long ago that I'll vote against it. They've been raising taxes ever since I've moved to Plymouth. I've never been too much in favor of the way they have built schools in Plymouth."

"If they asked for a re-millage," replied Mary Christiani, "I'd say yes. Additional millage? I don't know. I know teachers deserve a raise, however. They work hard. But taxes are high..." Mrs. Christiani lives at 528 Maple.

"No, I haven't decided yet," replied Mrs. Ora Glass, 520 N. Holbrook. "I think our taxes are high enough, though. If they raise 'em anymore, I'll have to turn over the deed to my house to them."

(Editor's Note: Each week, The Livonian asks a question of current interest to passersby on Plymouth's main streets. This week, questions were asked Saturday morning, March 31, in the parking lot at the Kroger Store on Main St. If you have any questions you'd like to see answered in this weekly column, please send your suggestions to: Plymouth Edition, The Livonian, 33050 Five Mile, Livonia.)

FACTS and OPINIONS

by Paul Chandler

Well, the reporter wasn't late for lunch. Light fare had been scheduled for Cleveland at 12:20. The author was pulling his coat around him and dashing from the office in Livonia at Five Mile and Farmington at 11:25.

Ah... the air age. American Airlines held a brief "Operation Freedom" last week for a group of journalists, the objective being to brag over the newest thing on the nation's airports; a jet plane with eight protrusions on the wings, absolutely no protrusions, and the given name "Convair 909."

Unless one's a space daredevil by trade, and there are few of those among the so-called working press, this 909 monster is the most awesome thing available for air travel. American put it into commercial service only on April 1.

Of the 55 minutes allotted to make our lunch date on time, the first 30 were spent getting by car to the airport. (One wrong turn cost 10 minutes.)

Then we were seven minutes walking from the parking lot to the airship. At 12:05 the free-loaders were airborne and at 12:25 they were 16,500 feet over Cleveland, trying to be casual with open-faced finger sandwiches, fresh tomato and roast beef. The chow was a little dainty for reporters, but most of them were on good behavior, extending the small finger at an angle while quaffing the champagne, and what all.

Of the eight capsules on the wings, four are jet engines and four are pods to smoothen the air-stream at speeds approaching sound. The eight lumps incidentally, are the visual way to identify the 909 from other mule-like craft.

The new plane carries 103 passengers at 600 m.p.h. With a "togetherness" tone, the pilot was on the microphone for a sound of the 55 minute flight.

There was a sound, deep and muttering and mustering in power... something like the strong wind of a fresh squall roaring in from the east.

"We've started the engines," confided the pilot. "We'll be taking off in about 10 seconds. At 160 m.p.h. we'll call for a 15 degree incline, and at about 175 m.p.h. we should take off."

The use of the word "should" (the abstract, experimental sound of it), brought a small murmur of wonder from the house, but most sat still on faith. All the doors were locked, anyway.

And at 175 m.p.h., lo, the plane was off the ground. Power applied at the moment is stronger than most air travelers ever have experienced. The literature said it measured "16,000 pounds thrust" per engine, or 40 percent more than "conventional" jets. Anyway, it threw a guy back in his seat.

The climb itself upward was at 300 m.p.h., upward 3,500 feet per minute. It was so fast, strong a climb that the passenger felt as if he was riding while seated flat on his back.

The pilot apologized a couple of times.

"We're leveled out at about 16,500 feet, and we're going about 545 m.p.h. They won't let us go higher today, so we can show you our full speed. These planes are engineered for their best performance at 22,000 feet or so... up there we'd be hitting just about 600 miles an hour."

Over Cleveland there was a 30 degree turn to the left.

"This is a little sharp, you'll get a certain feeling of weightlessness, like the astronauts tell about..."

Once in level flight, the engine sound is a liquid humm, something like the purr of turbines in a hydro-electric powerhouse.

After the weightlessness, the newshawks charged back into the sandwiches, as if to bring back poundliness. The food goes on flat tables these days, by the way, the table folding down from the seat in front, solid and firm—not like the treacherous trays of yore.

The whole thing was so steady it didn't even stir the bubbles in the wine. The landing was a crawl.

"We're restricted," the pilot apologized again, "once we drop below 10,000 and get within 30 miles of home, we can't go beyond 27 m.p.h."

So it ended, tortoise-like and routine, 55 minutes round trip to Cleveland and back.

Strictly "go", as we space guys say.

Session Set On Schools

Plymouth Community School District residents will have a chance to quiz members of the Board of Education on the upcoming school vote Thursday.

They'll meet at an open "Town Hall" meeting at 8 p.m. in the cafeteria at the Junior High School.

Topic of discussion will be the Board's request for a 7.5

millage levy which voters will ballot on April 16. The School Board is seeking a renewal of 3.5 current millage being levied plus four new mills, only 3.5 of which will be levied this year.

Teachers salaries, cost of maintaining the new Junior High School-West and other related costs are included in the Board's request for new millage.

AFTER THE 'MASSACRE'—Wounded are carried from the scene in Algiers after French troops opened fire on pro-OAS demonstrators, killing 60 and wounding 200. (Radiophoto)

DEFENDED—Such famous fight names as Barney Ross, Gus Leanevich and Jersey Joe Walcott have spoken in the defense of referee Ruby Goldstein, shown at the New York State Boxing Commission hearing on the Emile Griffith-Benny Paret bout, in Goldstein's handling of the rain of blows which put Paret in a coma. Paret's handlers say Goldstein should have halted the fight sooner.

BOYS AT PLAY . . . ELECTRICITY . . . In Covington, Ky., Clarence Seay, 9, is alive miraculously after touching a 13,000-volt power line while seeking to retrieve a ball that bounded into a transformer enclosure on a playground. He suffered burns on hands, legs, arms and head. His father comforts him, and young Clarence looks mighty tucked out. In Cleveland, Patrolman Kenneth Morley keeps a vigil at hospital bedside of son Michael, 12, who climbed a power tower to retrieve a toy parachute, touched a power line and took 22,000 volts. He fell 60 feet, suffered burns and his left arm had to be amputated.

WHO'S TIRED?—Back in Washington after a three-week goodwill tour covering India and Pakistan, Mrs. Jacqueline Kennedy looks anything but tired from her travels. "Most fascinating experience imaginable," she described the trip.

Frondizi arrives at Government House, last day in office.

Frondizi supporters surge forward at Government House.

ARGENTINA'S President Arturo Frondizi was under military arrest and taken to confinement in a naval prison on Martin Garcia Island in the River Plate estuary a few hours after these photos were made in Buenos Aires. It left the nation temporarily without a chief. (Radiophotos)

\$2.3 MILLION SUIT—Walter Ryan, former Roman Catholic priest, waits to enter Domestic Relations Court in San Francisco for a hearing in his wife's \$2.3 million suit against the church. He was ordered to show cause why he should not be cited for failure to support his children. Ryan, 56, agreed to pay \$100 a month support for his three daughters.

GERALDINE PAGE in a scene from "Summer and Smoke."

IN DOGHOUSE—Pfc. Bernis Owen, 23, the Seadrift, Tex., reservist on trial at Fort Polk, La., as a result of "We Want Out" demonstrations, looks glum as he enters a court martial session. The Fort Polk commandant forbade further such demonstrations, and Owen told a wire service reporter the order was a "hilarious climax to a chain of injustices."

WATER, WATER, WATER

IN ROCHESTER, MINN., receding waters of the Zumbro River left these big chunks of ice in the residential district. Worst flood since 1951. That hose is pumping water from basement.

IN MARSHALLTOWN, IA., real estate sales are slow where the Iowa River has spewed over its banks. Mrs. Pauline Flanders and family planned to stay in house, flood or not.

IN DAVIS, S.D., the overflowing Vermillion River swept right through town, and the flood crest had not yet been reached when this aerial photo was made. Traffic still could move.

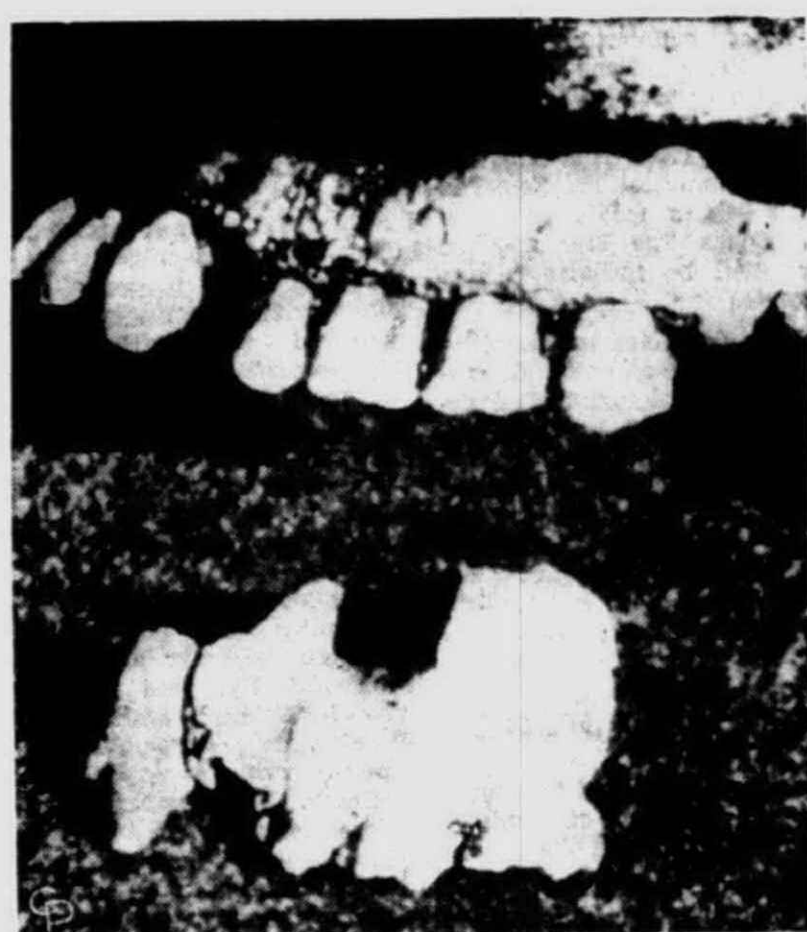

STOPS TO REST—Mrs. Jacqueline Kennedy is all smiles and weariness as she goes into home of her sister and brother-in-law in London for a few days of rest following her India tour. That bobby looks a bit over-awed. (Radiophoto)

IN FINE TEMPER—U.S. Steel's R. Conrad Cooper (left) and Steelworkers President David J. McDonald couldn't look more in agreement as the new steel union pact is announced in Pittsburgh. No wage increase, but improved benefits, and three months early, except for winding up the details.

STUART WHITMAN in a scene from "The Mark."

THESE BONES RISE AGAIN—The lower left palate of a sub-human creature which lived 14,000,000 years ago, discovered by British anthropologist Dr. L. S. B. Leakey on an orange farm in Kenya, Africa, is shown with present-day human teeth for comparison. The find is a kind of "missing link" between the Proconsul, a primitive ape of 25,000,000 years ago, and the Zinjanthropus, the earliest known tool-making man of 1,750,000 years ago. The ages are determined atomically. This "missing link" was not a man, but he was heading toward man, said Dr. Leakey. Photo copyright National Geographic Society.

TREASURER?—Rep. Kathryn E. Granahan (above) is reported under consideration for appointment as U.S. treasurer, an \$18,500 post now held by Elizabeth Rudel Smith of California, who announced she will resign. Mrs. Granahan, a Pennsylvania Democrat, is not running for re-election to Congress.

COLLEGE DAZE—Actress Jayne Mansfield gets into the holidaying college student act at Fort Lauderdale, Fla., wearing a "booze bonnet" (whatever that is) one of the students gave her.

'SEE NO EVIL'—The Soviet nuclear disarmament negotiator, Semyon K. Tsarapkin (left) and his U.S. counterpart, Arthur Dean, close their eyes in mutual avoidance as they leave the Palais des Nations in Geneva, and that just about tells the story of how things have been going. (Radiophoto)

TRIES NEW CABINET—Argentine President Arturo Frondizi (right) swears in Dr. Roberto Etchepareborda as foreign minister in forming a new cabinet to attempt to palliate the military in the nation's political crisis. The new cabinet "solves nothing," one high naval officer said. (Radiophoto)

FINED \$500—The Rev. John Felt, 28, Roman Catholic priest in Edinburg, Tex., was fined \$500 on a plea of no defense to charge of aggravated assault on Maria America Guerra in Edinburg's Sacred Heart Church. His trial in Austin, Tex., last September on a charge of assault with intent to rape resulted in a hung jury.

IN MASS. RACE—Newest famous name in U.S. Senate race in Massachusetts is that of H. Stuart Hughes (above), 45-year-old Harvard history professor and grandson of the late Charles Evans Hughes, who was Chief Justice of the U.S.

PAUL NEWMAN in a scene from "The Hustler."

CIVIL WAR 'FIND'—Navy divers John Eckley (left) and R. W. Rosenbach show relics salvaged from the Confederate blockade runner Modern Greece, sunk by Union warships June 27, 1862, while attempting to land powder, clothing, small arms and lead at Wilmington, N.C. The scene is Fort Fisher, N.C. Rosenbach holds a three-inch Hotchkiss shell. In front is a coral-encrusted bundle of rifles.

ADVERTISING the most fun in Livonia for Saturday, April 7 from 4:30 to 8:30 p.m. will be "Family Fun Night" at Pierson School on Farmington Road. (Left) Principle Dick Gornick awards lots of wonderful tickets as the first prize for the best posters for the second grade to Edward Kaupas. His tickets may be spent at the Country Store, Bake Sale, Fish

Pond, Ring Toss, (many other games) plus good food. Others with prize winning tickets to spend as poster winners were (l-r) Margery Rabinovitch 5th grade; Carole Kofahl, 6th; Greg Bowlers, 6th; Susan Schlack, 6th; Jeanie Lawton, 6th; Sheryl Snyder, 5th; (back row) Edsard Kapupas, Yvonne Boneff, 4th; Caran Govan, 5th; Allen Carosio, 4th.

Nankin Township Man Dies At 52

Funeral services were scheduled for this afternoon for Raymond E. Peterson, 52, of 8028 Ravine Dr., Nankin Township. Peterson passed away at his home March 31 following a heart attack.

Born in 1910 in Ramson County, North Dakota, Peterson came to the community 23 years ago.

He was affiliated with Newburg Methodist Church and was a carpenter by trade.

Surviving are his wife, Florence; his mother, Mrs. Jennie Peterson of N. Dakota; a son, Ted; and three daughters, Mrs. Anita Fitzpatrick of Wayne; Mrs. Karen Taylor of Garden City; and Emilie Peterson. Three

brothers, Dranon and Edward of N. Dakota and Austin of California, and a sister, Jeanette Mathieu of N. Dakota, also survive.

Services are being conducted at Schreder Funeral Home in Plymouth with Rev. Roger W. Merrell officiating. Interment is in Glen Eden Memorial Park.

DICK GORNICK

PTA NOTES

JACKSON PTA

Elected as president of Jackson PTA at their March meeting were: President, Sally Katz; vice president, Gwain Gillespie; recording secretary, Ruth Holbury; corresponding secretary, Ruth Parks; treasurer, Bill Rice.

Thursday, April 5, they will hold a gala Elementary Art Festival displaying art work by all of the students. Marjorie Becker, Art Coordinator for the district will discuss methodology and objectives of children's art.

WILL ROGERS PTA

The regular meeting of the Will Rogers PTA will take place on Tuesday, April 10, at 8.

Dr. John Tenny will speak on living in Russia. He spent a year observing their schools. Dr. Tenny will present colored slides and make a comparison between the school systems of U.S.A. and U.S.S.R.

The slate of officers and the budget for next year will be presented.

Livonia Bridge

Recent winners in the Department of Parks and Recreation duplicate bridge games, held weekly, 7:45 p.m. Thursdays, Whitman Jr. High School, are:

- North-South
1. George Mitchell and M. Thomson
2. Jim Clark and Walt Schaefer
3. Herb and Connie Schroeter
4. Al and Shirley Barnes East-West
1. Pat McCue and Jay Pettitt
2. Fred and Marie Hughes
3. Pete Parney and Bob Nielson
4. Treva and Sune Timour

Great minds may run in the same channel, but there is always plenty of room for more.

Bridge Kibitzing

by Bill Hellstein and Al Barnes

One of the many interesting hands played at Livonia's duplicate bridge club was the following:

North		East	
S-Q8532		S-764	
H-8		H-J75	
D-AJ2		D-874	
C-A862		C-K1094	
West		East	
H-10		S-AKJ9	
H-KQ104		H-A9632	
D-KQ1096		D-53	
C-QJ5		C-73	

South	West	North	East
1 SP	DBL	RE-DBL	PASS
PASS	2 DI	2 SP	PASS
4 SP	PASS	PASS	PASS

Game was bid four different times making only three times at the other tables the contract ranged from two diamonds by West being doubled for a very good East-West board to five spades going down one North and South.

The above should be the correct bidding on the hand. If declarer opens with his five card heart suit he will not have a good rebid. North will now mention spades and will become declarer with a probable club opening. With South as declarer West opens the diamond King taken by dummies ace. A heart to declarer's ace and a small diamond led towards the jack. West wins with the queen and must exit providing declarer a discard of a club on the diamond jack. Ace of clubs now taken and hearts and clubs are cross ruffed for a small slam. The declarers who went down on the four spade contracts evidently took three rounds of trumps and were now

Plymouth Bridge

At Masterpoint Night held at the Plymouth Bridge Club on Friday evening, March 30, the following were winners:

- NORTH-SOUTH
1. Joann and Dick Palmer
2. Anne and Irv Hearshen
3. Mr. and Mrs. J. McCormick
4. Mr. A. Garcia, Kal Kolano (Tie Frank and Jane Karos)
EAST-WEST
1. Marion Culver and Adynne Tonkin
2. Mr. and Mrs. N. R. Augustine
3-4. Robert Black and Ike Sarason
3-4. Al and Marion Cipnik
5. Jack and Cile Carter

Weekly duplicate bridge is held each Friday evening at 8:00 p.m. at the Plymouth Bridge Club located on the second floor of the Colonial Professional Building at 729 West Ann Arbor Trail, Plymouth, Michigan. All players with less than twenty (20) masterpoints are invited. For further information call Bill Tullis, Director, at GARfield 2-7848.

Cancer Crusade Chairmen Announce Double-Feature Movie Dates

To highlight their annual Cancer Crusade during April—the Michigan Cancer Foundation is planning a double feature movie, "A Breath of Fresh Air". The Michigan Foundation is attempting to educate everyone on the subject of cancer. They will not be doing any soliciting or funds.

Cancer Crusade Chairmen join the many workers in urging all women to attend these professionally prepared movies. Edith Reid will again be

Cancer Crusade Chairman in Redford. She announces the Redford Theater will have the double feature April 23 at 1:30 p. m. Betty Oliver has consented to be the Cancer Crusade Chairman in Livonia. She said their movie showing would be April 16 at 8 p. m. There will also be an all-out drive on the part of grade school children in Livonia to bring clean white rags to school for cancer pads.

Virginia Hartel of Plymouth said their movie would be May 2 at 1:30 at the Penn Theater in Plymouth.

"A Breath of Fresh Air" is

the Michigan Cancer Foundation's new film on the technique of Breast Self-Examination. It is the dramatic story of a woman who learns to protect herself against the leading cause of cancer deaths among women today—a type of cancer which annually takes the lives of 24,000 Americans.

The program also will include showing of "Out of the Shadows," a color and sound film based on the curability of cancer—the continuing progress of cancer research being carried on in the metropolitan Detroit area—and the many services and facilities available from the Michigan Cancer Foundation.

To Women It May Concern

By MYRA COX

Forty-seven teen boys and girls were herded into the Livonia Police station this week. Their names and addresses were taken down in the police blotter—their families and schools informed. They weren't all from Livonia, but they were all from the general area.

They were not belligerent, but they were dangerous. Dangerous because they had been on a drinking "picnic" in Edward Hines Park—and they were behind the wheels of cars—they were a restless group—many were out of school—some had the day off—and some had skipped school.

For one thing—they were all too old to be children and turned over a parent's knee—but they were too young to stop learning—to be in school—and to be out in the world.

This is the problem—For the solution—a Judge would say, keep them in school (those who don't agree are rare and should never be re-elected); but unfortunately taxpayers are screaming "save me two dollars a year"—"No more money for educating kids."

Livonia and Plymouth will have an opportunity to assist in the problem—final approval of the Community College vote June 11 will provide youngsters something they can get their teeth into—they can learn a trade, the beginning of a profession—they can become reliable citizens—not penalized because they lack the cash to leave home and attend college.

Unfortunately Redford will not have the opportunity to vote on this issue because they turned it down previously. A Justice of the Peace in Redford ran a paid ad in a rival newspaper to assist in its defeat—but as I said there are exceptions everywhere.

A counter proposal has been offered by Redford Township Government—they received the consent of Eastern Michigan University to offer courses which will be credited—but in the evening—not ideal, but something.

A counter-proposal for (retarded) Redford which the committee did not suggest, but came from a very wise, sage man—Arthur Cuthbert of the architectural firm Cuthbert and Cuthbert offered—"how about having 13th and 14th grades in Redford Township in both high schools—it would be a day-time—activity with college credits—the same facilities could be used—Qualified professors would be added—and credited courses offered—it may mean using the school longer during the day—so what—better to offer more school practical courses—less time for picnics—"beer picnics," that is.

It strikes me as being a solution worth thinking about.

Easter Lilies To Be Sold By Rotary Anns

Easter lilies will bloom in the shopping centers of Livonia on April 13 and 14 when the Livonia Rotary Anns, and their friends carry on the annual sale of paper lilies for the benefit of crippled children and adults served by the Easter Seal Society of Western Wayne County.

In addition to the contributions received by this personal appeal, the use of the paper lilies themselves represents a direct service to physically handicapped adults. The lilies are made by people confined to their homes by severe physical disabilities. The money paid to them for this occupation represents some degree of independence for those who must rely in large measure on families or public assistance for their support.

This Lily Parade is one of several being held throughout Western Wayne County by volunteers, both children and adults as a traditional part of the annual Easter Seal Campaign which runs through Easter Sunday, April 22.

The committee working on this project, which is always Rotary Ann's largest project for the year, is under the chairmanship of Dolores Funk. Please be kind to the workers wearing "Crippled Children" banners on April 13 and 14.

Mr. and Mrs. John Schroder, Six Mile Road, Livonia, joined 315 traveler trailers from all over the U. S. for a gala week of trailing fun in Mexico City. They were entertained by a full program of activities, including sight-seeing tours, serenades by visiting Mexican musical and dance groups and by a variety of informal events at their rally site.

MRS. EDITH REID

TRAILERCAR TO MEXICO

Mr. and Mrs. John Schroder, Six Mile Road, Livonia, joined 315 traveler trailers from all over the U. S. for a gala week of trailing fun in Mexico City. They were entertained by a full program of activities, including sight-seeing tours, serenades by visiting Mexican musical and dance groups and by a variety of informal events at their rally site.

GRACE GREMEL

Mr. and Mrs. Franklin G. Gremel, of 12028 Royal Grand, announce the engagement of their daughter, Grace Louise, to Ben J. Burns, son of Mr. and Mrs. James Burns, of Memphis, Michigan. Both are students at Michigan State University, where Grace is a sophomore. Ben is a senior and also managing editor of the "State News."

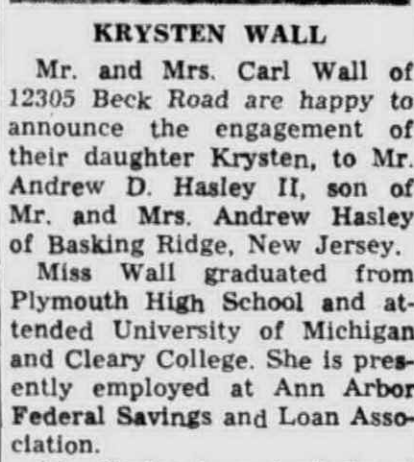

Kenwood Picks Officers

Mrs. William Hermann was elected President of the Kenwood Women's Club at their March meeting.

Other officers were Mrs. H. Dust, First Vice President; Mrs. D. Strand, Second Vice President; Financial Secretary, Mrs. E. Weiss; Corresponding Secretary, Mrs. E. Fiedler; Treasurer, Mrs. A. Gaberson; Recording Secretary, Mrs. A. Wulff; Director for three year term, Mrs. F. Puhl, Director, two year term, Mrs. N. Banks; Director one director, Mrs. N. Markland.

Program was "Charm in a Capsule," given by the Patricia Stevens School. Tea hostesses were Mrs. R. Heasley and Mrs. F. Helton.

The April meeting will be a membership tea and the program will be "Heaven to Betsy" (you have to attend to find out exactly what that means.)

KRYSTEN WALL

Mr. and Mrs. Carl Wall of 12305 Beck Road are happy to announce the engagement of their daughter Krysten, to Mr. Andrew D. Hasley II, son of Mr. and Mrs. Andrew Hasley of Basking Ridge, New Jersey. Miss Wall graduated from Plymouth High School and attended University of Michigan and Cleary College. She is presently employed at Ann Arbor Federal Savings and Loan Association.

Mr. Hasley is a graduate of University of Michigan, in the field of Electrical Engineering, and was affiliated with Theta Xi Fraternity.

The wedding date has been set for June 16.

New Prexy for Faculty Wives

Mrs. Brinton Freeman, 11354 Hillcrest, Livonia, has been installed as the new president of the Faculty Women's Club, U. of M. Dearborn Chapter. They held their luncheon and business meeting at Hillside Inn in Plymouth. Early last December the group was officially recognized as a chapter with 31 charter members. Mrs. William E. Storton of Ann Arbor is honorary president.

Mrs. Freeman's husband is assistant professor of industrial engineering at Dearborn, University of Michigan.

Reason is one thing that would be more useful if every man gave it his whole-hearted support.

'SEE YOU THERE'

REMINDER: Don't forget the Plymouth Town Hall meeting on schools this Thursday, April 5, at 8 p. m. in the Junior High School cafeteria. Further details are in a story on this page.

High light on the musical horizon this weekend will be the appearance of the Severo Ballet Company this Sunday afternoon at Plymouth High School auditorium. Admission is free to the performance which is being sponsored by the Plymouth Symphony. Time for the event is 4 p. m.

Eddie Bankemper will demonstrate a complete line of Dr. Locke Shoes Friday, April 6, at Willoughby's Shoe Store, 322 Main Street.

A special Tri-Club luncheon will be held April 10 at 12:30 at Arbor Lila in Plymouth. Rosedale Garden Branch will be hostesses to the Plymouth Branch and Northville Branch of The Women's National Farm and Garden Association. Mrs. W. H. Rolan is Committee Chairman, Mrs. R. Bruce, Mrs. H. Borman, Mrs. E. Bergner, Mrs. E. Blankenhagen and Mrs. R. Deubery are assisting her.

The West Suburban Alumni Group of Alpha Gamma Delta will meet at 8 p. m. on Monday, April 9. The meeting will be held at the home of Mrs. Russell Wells, 19501 Redfern.

Alpha Xi Sorority, Chapter of Epsilon Sigma Alpha will hold their benefit card party and fashion show Wednesday, April 11, 7:30 p. m. at the WYCA, 25940 Grand River. Fashions by Kay-Dee of Wonderland. Proceeds will be given to Penickton Nursery School for Visually Handicapped Children. Mrs. John Galbavi, KE 3-2674 has tickets or they may be purchased at the door.

Two Women's Clubs, The Livonia and Rosedale Garden Branches of the Women's National Farm and Garden Association are sponsoring a joint program. "Gardens Inside and Outside" plus exhibits will be held at the new Carl Sandburg Library on Seven Mile Road during "National Library Week". On Thursday, April 12 at 1:30 p. m. the speaker for the afternoon will be Lee Christensen of the Christensen Nursery. Mrs. Robert J. Smith, Chairman, said all residents are welcome free of charge.

Square dancing, fashion show of the latest fashions in riding and square dancing clothes will be presented by members of the Shilawasee Saddle Club April 7 at 8:30 at the Northwest Sportsmen's Club on Northwestern Highway south of 12 Mile Road. Call GA 1-2277 for tickets.

Livonians interested in joining Department of Parks and Recreation golf leagues should contact the department office, GA 1-2000, ext. 64. Leagues will be organized for men, women, and teen agers.

WHAT IS THE Listening Post? It's a program offered by the American Association of University Women with the cooperation of Detroit Adventure in order to add another dimension of culture to Plymouth, and surrounding areas and to provide stimulating and intellectual thought in the

areas of fine art, physical and political science. Mrs. J. W. Moehle is General Chairman and committee members are at work now planning the program. Sitting in on an informal meeting are (l-r) Mrs. Sidney Cady, Mrs. John Haas, Mrs. A. E. Vallier, Mrs. J. W. Moehle, Mrs. W. V. Clarke.

KAREN VIRGINIA GRIFFIN

Mr. and Mrs. Sydney Griffin, Birmingham announce the engagement of their daughter Karen Virginia to William James Aitchison, son of Mrs. Doris Aitchison, Redford Township. A Sept. 15 wedding is planned at Grace Lutheran Church in Redford Township.

VFW Auxiliary Elect Officers

Lt. L. J. Owens Auxiliary to Post 3941 Veterans of Foreign Wars of Livonia elected officers for the coming year. To be installed in April will be President Kay Merlino, Sr. Vice President Barbara Block; Junior Vice President, Kay Podger; Treasurer, Helen Kerr; Secretary, Carol Mae Hartwick; Chaplin, Rita Turcotte; Guard, Virginia Stull; Conductress, Malinda Wivell; and Three-Year Trustees, Catherine Hamilton.

TRAVELING CHORUS

Linda Jane Gould, niece of Mr. and Mrs. Don Carter, Fox Avenue, is a member of the David Lipscomb College A Cappella Singers who have been on tour through the south. The mixed chorus of 30 students have on radio and television and are in demand throughout the country. Miss Gould is a Redford Union graduate. She is presently a sophomore at Lipscomb following a program in liberal arts.

Local Educator To Run Unique Camp

Elementary Principal Arnold Pytkas, South Redford's Vandenberg School, has made up his mind to do something about too many "kids" dimming down their brain power during the summer months. Mr. Pytkas has leased the Hidden Acres Camp on Burt Lake deep in the North Woods where he will offer educational subjects as well as recreational camp fun.

"You don't turn off a child's thinking machine in July and August as you might the gas furnace. The brain works all 12 months. Educational research has proven that educational work can be done in the summer," stated Mr. Pytkas.

To put these theories into active practice, Mr. Pytkas has leased the Hidden Acres Camp on Burt Lake where 48 boys and girls between the ages of 7 and 13 can swim, take nature hikes, indulge in arts and crafts, and other healthful activities. Instruction in reading, enriched or remedial, plus individual attention to instrumental music will comprise the educational

side of this unique summer camp.

State officials look with favor on Hidden Acres since the teachers will be qualified and certified. They are quick to point out that Hidden Acres is the only summer camp with a dual educational-recreational format in the Midwest.

Arnold Pytkas or his wife, Wanda, would welcome a call for more details about this unusual camp where education outdoors merges happily with the more physical aspects of a summer camp. Call GA 2-8835 for information or a colorful brochure telling you more about the camp.

Early enrollment during the Spring months is the best way to assure entrance to Hidden Acres Camp.

Lutherans Present Drama

A SCENE from the religious drama, "Christ in the Concrete City," to be presented by the Detroit Lutheran Players on Wednesday, April 4 at 7:30 p.m. at All Saints Lutheran Church, Joy Road and Newburg Roads.

Detroit Lutheran Players will present the chancel drama, "Christ in the Concrete City," in the chapel of All Saints Lutheran Church, 8850 Newburg road at Joy road in Livonia on Wednesday, April 4, at 7:30 p.m. The drama centers in the suffering, death and resurrection of Christ, and man's personal involvement and participation in it. The Wednesday evening performance is part of a weekly series of special services in the Lenten season at All Saints Church. The entire program lasts one hour. The public is invited without admission charge.

Canoeing, First Aid Classes by Red Cross

Red Cross First Aid classes and canoe safety classes are being conducted by Northwest Region Red Cross.

The water safety canoe safety class will be co-sponsored by the Department of Parks and Recreation and conducted at the Belle Isle canoe shelter for six consecutive Saturdays from 10 a.m. to 1 p.m., starting April 14. The first aid class will be conducted in the northwest Region Red Cross office, 33529 Plymouth Road, Livonia for five consecutive Wednesdays from 9 to 11 a.m.

The First Aid class includes discussion, demonstration and opportunity to practice techniques of emergency care for victims of common accidents. Registration for the class will be accepted at the Northwest Region, GA 4-0220, until the first class session.

The Detroit Lutheran Players are a group of young adults from the metropolitan area. Director Alton Helms, of 829 Carlson, Wayne, announces that the Players are presenting the drama weekly throughout the Lent and Easter season in churches and schools of Detroit and suburbs. The Players are students at Wayne State University, and in the last three years have presented "Christ in the Concrete City" more than 30 times to critical acclaim.

The point of the drama is that Christ is nailed to the cross not only by the sins of "long ago people in far away places," but by the "sins of the man in your shaving mirror, by the sins of the milkman and the neighbor who borrows your mower." The play comes to a climax with the account of the Resurrection of Jesus, who, though we continue to "kill" him, is with us even to the end of the world.

"Christ in the Concrete City" was written by the Anglican clergyman-playwright Phillip W. Turner. The drama is performed in the chancel of the church proper, and has been specially adapted for use in All Saints Church on Wednesday.

CageClowns In Plymouth

Marques Haynes and the Harlem Magicians will appear in Plymouth on April 11 to engage a team of All Stars in an exhibition basketball gym at the high school gym.

Haynes and Co. are known for their comedy acts on the basketball court. He formerly was connected with the famed Harlem Globetrotters.

'Eastermobile' In Wonderland

"Alice, of Wonderland" has forsaken her storybook companion, the "March Hare," for another member of the rabbit family, "Mr. Easter Bunny." The famous looking-glass youngster will show up next Monday at Wonderland Center, Plymouth Road and Middlebelt, Livonia, to herald the beginning of the Easter shopping season.

"Alice," portrayed by Miss Carol Anderson of 9627 Shady-side, and Jack Smith of 31202 Cooley Drive, who will be dressed as "Mr. Easter Bunny," will make daily appearances at the center beginning at 1 p.m. The pair will scoot around the center in a colorful "Eastermobile," pausing to distribute rabbit-shaped balloons to youngsters.

You, too, will like **PAK** VERSATILITY

Pictured above are Post's new Goss Universal Presses. Capable of producing 40-page newspapers with one additional color on each page, or 32-page newspapers, eight in four color and one additional color on all other pages at one printing. Press speed 36,000 per hour. Almost an unlimited number of colors on one web.

Pictured above are Kramer's new Multi-color Webendorfer Offset presses. All the very latest features are incorporated for dual production. You are cordially invited to visit our plant after installation is completed.

Small stuff or big stuff you'll like **PAK's** quality and service. Be it a "card" or a carload, we give the same careful consideration to your needs.

There's much more to printing than "price" (although we have that, too); there's the desire to do the job just a little better and nowadays this means something.

With a background dating back 50 years, and more "**PAK**" has within the last 10 years moved into its own.

Ask our customers and they will tell you how they like our services.

FROM NEWSPRINT TO ENAMEL ON ROLL-FED

Roll-fed offset offers a choice of paper material that may be used to enhance the lithographed product. The new presses are capable of printing on gloss enamel papers of 60-lb. basic weight and down the scale, through a wide range of stock, to "0" grade newsprint. There's practically no limit to the volume of products that can be printed on Kramer's new Webendorfer roll-fed offset presses.

News Notes From Nankin

Fair chairman Mary Griffin is moving along in leaps and bounds as she outlines the agenda for our May Fair. One of the most energetic girls around, she has spent hours with her co-chairman, Jean Flesch getting all the details worked out. Even though the girls have made great strides toward their goal, they need still more volunteers to make it the success they hope to. Anyone interested in either a chairmanship or working on a committee may call Mary, GA 7-2791 or Jean, GA 1-6464.

Ed and Helen Taylor of Randy Dr. have as their house guest, Ed's mother, Mrs. Isabelle Taylor from Wixom. Mrs. Taylor will enter the hospital for surgery soon.

Enjoying a night out recently were Hank and Clair O'Dierna of Flamingo. The couple had a ball when they attended the newly opened Black Knight Club.

Three-year-old Kathie Bobler of Flamingo has been having her share of bad luck. As she walked past the door a nice cup filled with gasoline caught her fancy and she decided that the only thing to do with it was to drink it. She did but with no bad after effects. Inside the house and waiting for lunch, what could be more appetizing than a big juicy electric cord. Oops that was a hot one and our young friend had to visit the doctor and be treated for shock.

Everything needs an ending and Kathie obligingly rambles over to visit the milkman. The Milkman didn't expect company so bang went the door and poor Kathie suffered a smashed finger complete with broken fingernail.

Lyle and Janet Gunderson are back home after their trip to Cocoa Beach, Fla.

Wanda Hilber of Gary is in University of Michigan Hospital awaiting surgery.

We'd like to welcome Elwood and Edna Somers and children to the neighborhood. The Somers family moved from Middlebelt to their new home on Joy Rd.

Ralph Rodriguez of Joy Rd. is fast becoming another Fabian as he masters the art of playing the guitar. It won't be long before he can entertain wife Joan and children Sally and Greg with a professional air.

**MEN
in
SERVICE**

NORFOLK, Va. (FHTNC) — Robert H. Goodwell, boilerman third class, USN, son of Mr. and Mrs. Dean E. Goodwell of 9108 Deering, Livonia, is serving aboard the amphibious assault ship USS Thetis Bay, for operational training in the Caribbean area.

Named "Phibulex 1-62," the exercise will be conducted at Vieques, Puerto Rico, to maintain the combat-readiness of the Navy and Marine Corps amphibious striking forces.

MRS. AMERICA. Lila Masson of Redford Township will be a guest at Wonderland, Thursday, April 12 and Friday, April 13. Quaker Oats Company is sponsoring the two-day event heralding Spring at Wonderland Center. She will do some informal modeling of new Spring fashions at Zuiback's on Thursday and at Montgomery Wards on Friday. Since her "coronation" last Fall Mrs. America has traveled extensively, throughout the United States. She is looking forward to a two-day stay near home meeting some of the homemakers from this area answering their questions and talking about "what's new" in the many places she has been.

LUCKY WINNERS of the Montgomery Wards Board Boat and Motor Show contest were notified Saturday and wasted no time picking up their prizes. (l-r) Fred Richter, Sporting Goods Manager for Wards presents M. Paulun, Plymouth, Michigan a five h.p. Sea King Motor as first prize; Jim McQueen, Inventory Manager assists with the presentation. Other winners were E. Berger, 14311 Kentfield, an aluminum boat; L. W. Bradley, Walter Dixon, Doris Arner, Donald Portman, Louis Moretti, Zebco rod and reels. All A-O.K. for summer fun.

COFFEE BREAK for committee members planning the third annual Family Fun Night at Emerson Jr. High PTSA. (l-r) Treasurer Malzahar, Fair Co-Chairmen Mrs. Cannan and Mrs. Wilson; Jewelry Booth Chairmen Mr. Warren and Mr. Johnston. There will be games, dancing, athletic events, cake walks, things to buy and see. To top off the evening items from the White Elephant Booth. The family affair will be from 7 to 10 p.m. Saturday, April 7.

Chess Champs Unbeaten

Still unbeaten in the Livonia Chess Club's 7-round Swiss-type tournament is David Swales at the end of the fifth round of competition.

Following close behind is Dr. Ben Hill, Frank Yagiela, S. J. Johnson and Jim Riopelle. The tournament is being held during regular meetings of the Livonia Chess Club, sponsored by the Department of Parks and Recreation, Thursdays, 8 p.m. at the Carl Sandburg Library.

Special notice is made that there will be no meeting Thursday, April 12. On that evening, a chess team of 15 boards will visit the Vickers Chess Club in Birmingham for a match. Members of the chess team will be decided at the Thursday (April 5) meeting of the Chess Club.

The Livonia Chess Club recently joined the Detroit Chess Federation and plans future inter-club matches with Detroit-area chess clubs.

CHS Grad in 'Who's Who'

Robert F. Goudie, a 1959 graduate of Clarenceville High School and at present in his third year at Adrian College, was listed in the College "Who's Who" late in 1961.

Robert's parents are Mr. and Mrs. Robert E. Goudie of East St. Louis, formerly of 20411 Angling Rd., Livonia. Bob's local ties are maintained through his continued membership in the Clarenceville Methodist Church. At Adrian, where he is preparing for the Ministry, Bob has maintained a high scholastic average, serves as a mentor, and finds time for a number of part-time jobs. Dr. Dawson, president of Adrian, has termed Bob's work there, "outstanding."

Bob graduated with honors from Clarenceville. He was active in class, club and sports activities, and he served as class secretary and as President of the Voice of Christian Youth during his senior year.

MUSICAL GUEST
Mr. Green and Mr. Ploven of the Livonia Schools Music Department were guests of Troop 1935 recently. The discussion and demonstration on musical instruments proved informative and was immensely enjoyed since most of the girls play an instrument. The visit of the music instructors was planned as part requirement of their Music Badge.

3 Million Telephones In Michigan

New and expanded efforts were made last year to continue improving communications services for customers even though "1961 was not a good business year," the Michigan Bell Telephone Company said today in its annual report.

The report cited "progress and improvement" resulting from the introduction of new services to meet customers' special needs and a \$90 million construction program—big enough to have built a telephone system for the combined population of Grand Rapids and Flint.

Despite 1961's slow start, the report said, Michigan Bell's day-to-day operations showed some gain "as economic decline leveled off" after hitting its low point in the first quarter.

The year saw the number of telephones served by Michigan Bell pass the 3,000,000 mark as 55,000 new telephones were added. A new record was set in the volume of long distance calls handled by the company—a total of 157,000,000, up 4,000,000 over 1960. In addition, more customers began transmitting "mounting volumes" of business data over the telephone network.

"Our revenues for 1961 were somewhat higher," reported William M. Day, Michigan Bell president, "but so were the cost and investment required to do business. As a result, earnings for investors showed little improvement."

Interesting programs are being planned by Friends of the Library for National Library Week, April 11, 12, 13, 14 to interest the entire family. All events, both afternoon and evening are free of charge and residents are invited to attend themselves of the interesting programs planned.

Chairmen and their programs are: Mrs. Ronald London, 29809 Pickford assisted by Mrs. Marvin Cheresch, 29600 Transcrest. Theirs is the opening program, 8:30 Wednesday evening, April 11.

Called "An Evening With the Arts."

It features an exhibition of Livonia's two outstanding art groups. Mrs. A. T. M. Petersen, 10745 Wayne Road, from the Metropolitan Creative Art Guild, and Mrs. Steven S. Bodman, 28715 West Chicago, president of The Livonia Artists' Club are arranging for a large, gallery-type showing of members' work.

A special attraction of the evening will be the music furnished by a modern jazz trio, Livonia's own young musicians: Peter Hector, 31736 West Chicago, playing trumpet; Mark Napier, 15743 Edington, on the drums; August Klein, 30463 Grandon, with the electric piano.

The tea table will be presided over by the members of The Rosedale Gardens Branch of the Woman's National Farm and Garden Association.

"Gardens, Inside and Outside" is the theme of Thursday afternoon's program, April 12 at 1:30 p. m. Chairman Mrs. Robert Shaftoe, 35415 Minton, will be assisted by Mrs. Robert J. Smith, 32790 Lyndon and Mrs. David Davidson, 18724 Milburn.

Mr. Lee Christensen of Christensen's Plymouth Nursery, 38901 Ann Arbor Road will give a talk on "Landscaping the Small Home Grounds".

The Livonia branch, and the Rosedale Gardens branch of the Woman's National Farm and Garden Association will join forces to provide an impressive array of floral arrangements.

For Thursday evening, April 12, at 8:30, Mr. Joseph Tasco, 30642 Grandon as chairman is assisted by Dr. George S. Rovin, 32320 Five Mile Road and Marcus Bass, 18420 Fremont. Rudolph A. Fedus, 9466 Lamont, has agreed to speak on "Gardening As An Art."

Professor of horticulture at Bentley high school and former president of The Livonia Home Gardeners, Mr. Fedus is especially well-fitted to discuss the art of gardening since he holds a degree in Fine Arts from Eastern Michigan University. Painter, world traveler and gardener "par excellence", he can provide both inspiration and practical assistance.

The Garden Clubs' exhibits will remain up for this evening also.

On Friday, April 13, at 10:00 a. m., Mrs. Robert Whiting, 30863 Robert Drive, has planned an expansion of the regular Friday morning story hour. For this "Children's Hour," Mrs. Donald Lynch, 9848 Milburn and Mrs. Floyd Kinney, 25461 Dover, Detroit, will assist Mrs. Whiting in providing entertainment, through stories and games, for the pre-school set.

Every child attending will receive a little gift as a memento of the day.

Chairman of the program, "Millinery for Milady," Friday, April 13, at 1:30, is Mrs. George S. Rovin, 32320 Five Mile rd. Her committee consists of: Mrs. James Dunbar, 33071 Barkley, Mrs. Martin Katz, 33028 Barkley, Mrs. William Parks, 32140 Myrna, and Mrs. Marshall Peal, 15651 Ingram.

Every woman, for what woman ever has enough hats, will enjoy watching Mrs. Marie Hollingsworth, 3317 West Point, Dearborn, as she demonstrates the techniques of hat making. Having taught millinery locally for several years, her retirement hobby is now the designing and constructing of custom hats.

Bank to Open Drive-in Service

Manufacturer's National Bank broke ground Monday for its newest addition to its branch at Dunlap and Hutton Streets in downtown Northville.

The new auto-drive addition to local banking services will be finished in early July. It will contain 1,100 square feet and will provide complete drive-in banking service.

General contractor for the project is Kolarik and Cronk, Inc., and architect is C. E. Noetzel.

There will be a display of her creations and door prizes of the hats made during the program.

Mrs. S. V. Dighe, 29737 MacIntyre and her assistants Mr. S. V. Dighe, Mr. Joseph Jenkin, 35173 Pinetree, and Miss Marjorie Ann Brooks, 29361 Elmira, have planned an "International Party" Friday evening, April 13, at 8:30. It will be an evening filled with music and dance and the glamor of far-away places, as many of our foreign friends, in their native dress, will talk about their countries or perform and display their native arts.

Refreshments will be served.

Local photographers will find much of interest to record. A special invitation is extended to all Livonia residents of foreign birth.

"The Storyteller" program, Saturday, April 14 at 10:00 a. m. is headed by Mrs. Douglas Boshkoff, 34236 Coventry Drive. Her assistants will be Mrs. Richard McGeorge, 15650 Norwich, and Mrs. Irving Hershman, 14518 Melrose.

Coming out to entertain the youngsters in grades one through four is the internationally known story teller Miss Miriam Wessel of the Detroit Public Library. In the tradition

of the ancient spinners of tales and the famous story tellers of today, she will tell the stories and folklore of various lands.

Chairman Winthrop Sears, 9915 Arden, has announced a "Science Show" for Saturday, April 14 at 1:30. He is assisted by Mr. Arnold Scobie, 18320 Loveland, Mr. Richard Kipfer, 32601 West Chicago, and Mr. Ted Samore, 10423 Stark.

Through films and displays, this program will inform and inspire both young and old alike with today's achievements and tomorrow's promises in science.

How a Shell research team got 168.47 miles per gallon

A Shell research team drove this car to a Mileage Marathon record. They used the same Shell fuel that could be bought at Shell stations.

168 miles per gallon must be a world record. Here's how the record was made—and how a quiet marriage of careful driving and today's Super Shell can help you get better mileage.

SOME years ago, a group of Shell scientists had a friendly argument. The gist of it: who could get the most miles from a gallon of gasoline. They decided to find out. And Shell's Mileage Marathon was born.

All contestants had to use the same gasoline anybody could buy at a Shell station. Beyond that, the Marathon had few rules. And ingenuity ran wild.

How the record was set

Here are some of the things that Dave Berry and Fred Schuette, the winning team, did to set their record.

None are recommended for informal marathons. But they do offer a few clues on how to get more miles per gallon.

- Berry and Schuette removed their engine cooling fan to save power and muffled their radiator to retain heat.
- They used tires worn smooth and pumped up to 50 pounds pressure to cut rolling friction to a minimum.
- On the road, they accelerated to 20 miles per hour, cut the ignition and rolled until speed dropped to 5 miles per hour. Then they repeated the cycle.

NOTE: they used a standard carburetor

from an old one-cylinder engine.

Since "on-and-off" driving is illegal on public roads—and since most Marathon modifications are dangerous for normal use—you may wonder if Shell's Mileage Marathon had any point.

Indeed it did. In the months of preparations, every contestant learned a bit more about the care and feeding of automobiles. Knowledge of this sort gets passed along to you in the form of better Shell products for your car.

EXAMPLE: As a result of Shell's research studies, including many mileage tests, one of the 9 ingredients in today's Super Shell is a mileage-booster called Platformate. This ingredient alone can release up to 8 percent more energy per gallon than the finest 100-octane aviation gasoline. Result: extra mileage.

To help boost mileage even more, follow these driving tips from Berry and Schuette.

How you can save gasoline

1. Don't race your engine when standing still. Unnecessary engine speed is pure waste and takes you nowhere.

2. Avoid jackrabbit starts. Fast getaways waste gasoline and power.
3. Drive at moderate speeds. Your car uses about 25 percent more gasoline at 65 mph than at 45 mph.
4. Keep an even speed. Ragged driving uses extra fuel—without taking full advantage of the power it could generate.
5. Pace yourself in traffic. Don't be the fastest or the slowest. You'll just be trapped into wasteful spurts and slowdowns.
6. Keep tires up to their proper pressure. Soft tires can soak up power.
7. Ask your Shell dealer about these checks: Spark timing should be set correctly. Fuel filters and air cleaner should be cleaned regularly. Brakes should be properly adjusted. And your cooling system thermostat must work right.

Motorists who follow these rules, and use Super Shell, can expect good mileage. Chances are, you can improve the mileage you are now getting. Now that you know how, why not give it a try?

Livonia Educator 32 Years, Honored

Mrs. Iva Minehart, who has been a principal longer than anyone else in the Livonia Public Schools system, will retire from Stark School in June. Her resignation was accepted with regret and a resolution of

junior high at the time of district consolidation. Mrs. Minehart moved to Stark School. Later Newburg reverted to elementary status and she became principal of both Stark and Newburg for six years.

such a way that when she calls about a child people never hesitate to go down and see her. They know the child will be treated fairly."

After 39 years as an educator, Mrs. Minehart has found her greatest satisfaction in "seeing children grow and develop in every way, especially in knowledge; observing changes in their attitudes; knowing that you've been able to help when they have problems; above all, the enjoyment of working with other people."

Mrs. Minehart has many personal enthusiasms to keep her busy in retirement. She is fond of gardening and cooking, and she has collected glass and china for many years. She plans to continue her china hobby by enrolling in adult education ceramics classes.

She and her husband, Charles, whose family have been longtime residents of Plymouth, recently joined the Plymouth Historical Society and hope to be active in that organization. After Mr. Minehart's retirement this summer they plan to begin winter travel and are looking forward to a trip to Arizona or Florida next winter.

Girl Scout Notes

"Panorama, Here We Come" was the key song for the first Association Meeting of the Jackson Neighborhood. Over 120 were in attendance at Jackson School when the meeting was opened with a flag ceremony conducted by Troop 1676.

Panorama songs were sung by Troop 1889 and 1990. A commentary on the Girl Scouts 50th Anniversary and the Golden Panorama to be held at the Detroit Fair Grounds in May was given by Dianne Price. A play entitled "A Hike to Silver Lake" was given by Troop 1889 with due credit being given to Terry Niles, who wrote and planned most of the play. The dramatic talents of these girls will again be put to a test, when the performance is repeated at the Panorama.

The efforts of leaders Mrs. Friedrichs, Mrs. Niles and Mrs. Thomas were well rewarded. A comedy, "Day Camp Glimpses" was presented by leaders Mrs. Stedman, Mrs. Polanchi, Mrs. Maltby and Mrs. Steiner, with assistance from Scouts Mary and Peggy Polanchi, Nancy Maltby, Linda Marienthal, Peggy Moore and Susan Simmons. Mrs. Pierson, District Day Camp Director, related the plans for the Day Camp to be held in June and a request for volunteer adult help.

Displays and demonstrations that will be presented at the Golden Panorama were viewed. Leaders Mrs. Osburn and Mrs. Pletcher had the girls of Troop 1583 gayly dressed in Japanese costumes with flowers in their hair, as they demonstrated the art of Origami, with each girl designing a different object or flower from brightly colored paper.

WEEKENDERS
Troop 2150 recently enjoyed a weekend at Camp Holly with tobogganing being the highlight. Thanks are extended by the girls and leaders, Mrs. Vassar and Mrs. Nicholas to Troop Camper Miss Braverman and First Aider Mrs. Livernois.

FOOD TOO!
100% participation of all troops in the Roosevelt Neighborhood contributed to another successful Association Meeting. The decor was enhanced with Cookie place mats and table cloths while the main subject of discussion was the upcoming Day Camp. Refreshments of tea, coffee and cookies were served.

3 BROWNIE NEWS
Intermediate Scout Kathleen Perrelli of Troop 1935 scored a big hit with the Brownies of Troop 1097 when she attended their meeting to teach them some songs and games for a requirement credit for the badge. The Brownies are hoping that Kathleen will pay them a return visit soon.

THE SPIRITS
In connection with their study of the Troop Dramatics and Player Badges, Mrs. Shirley Hulet spoke to the girls on stage productions. Using charts, stage directions, make-up, suggestions for use of settings and properties were explained. The activities of the Livonia-Redford Theater Guild were discussed. The troop attended the performance of "The Snow Queen and the Goblin" and enjoyed the visit backstage as the cast explained behind-the-scenes production.

MEMPHIS, Tenn. (FHTNC)—Harold B. McLean, airman apprentice, USN, son of Mr. and Mrs. Herbert McLean of 19582 Merriman ct., Livonia, was graduated March 2 from the Aviation Familiarization School at the Naval Air Technical Training Center, Memphis, Tenn.

ONLY A PILE OF RUBBLE remains this week after workers finished tearing down the old block of business building at Penniman and Main Streets in downtown Plymouth. A gas station, a music store, a cleaning establishment and several other buildings have dis-

appeared from the historic corner to make room for a new branch of First Federal Savings and Loan Assn. and an office building. The "danger" sign and a clapboard fence are all that remains to remind passersby of the old structures.

Judge Deplores Lack of Science Interest By Livonia Students

A judge in the recent Metropolitan Science Fair held at Cobo Hall for all science students expressed surprise and regret at the poor showing from the Livonia and Clarenceville school districts.

"The very little student participation as to unded me considering the wealth of talented people we have in this area. It seems we are somehow failing to stimulate our students in the science fields. We can't afford

this type of failure whether we are thinking in terms of ourselves, our area, or our country," was Dr. Herbert Kagen's comments on the lack of interest shown by Livonia and Clarenceville school districts.

Dr. Kagen spent some 12 hours at the annual fair as a senior chemistry award judge and as a grand award judge.

He is an organic chemist who is noted for his research work on cancer and

heart disease. He resides at 20361 Weyher, Livonia with his wife Pearl and their two children. He is also a member of the Publicity Committee for the Northwest Wayne County Community College.

Dr. Kagen did say there were some outstanding work done by many young students and believes a great deal of the credit should go to the school science teachers who he thinks are largely responsible for the participation and response—or lack of it.

AFS Drive Begins In Clarenceville

The Clarenceville American Field Service is sponsoring a candy drive, Saturday, April 7, to raise money for its student abroad program. The candy will be sold throughout the Clarenceville School District by Clarenceville High School Students and AFS members. The Clarenceville High School student candidate for the student abroad program this year is Juanita Kasza.

In the past the Clarenceville AFS Chapter has helped make it possible for several Clarenceville High School students to go abroad. In the last two years Judy Baily went to the Netherlands.

NEWPORT, R. I. (FHTNC)—Gerald L. Mansuy, USN, son of Mr. and Mrs. Edwin L. Mansuy of 31550 Bobrick ave., Livonia, is serving aboard the escort vessel USS Courtney, which returned to her home port at Newport, R. I., March 30, after a visit to New York City and six days of anti-submarine training in the North Atlantic. The Courtney entered New York harbor March 23, and the crewmen were granted liberty.

Nursing Scholarship Offered

The McGregor Health Foundation has announced the establishment of six \$2,000 stipends for men to enter Collegiate Schools of Nursing. Students qualifying for the stipends would receive \$500 per academic year. Michigan State University, Wayne State University, and the University of Michigan will receive two stipends each.

Interested applicants should write directly to the Dean of Nursing at the respective university.

Elsmere Pearson Honored at RU All-Sports Banquet

Highlight of the annual all-sports banquet at Redford Union this week was the appearance of Charles E. Forsythe, Director of Athletics, Michigan High School Athletic Association.

Mr. Forsythe, who has been head of the athletic division of the Michigan Department of Public Instruction for 33 years, spoke to the boys and their dads about the values of athletic competition. "The value of awards—certificates, stripes, letters—is little compared with the benefits which a boy receives from being a part of the activity," said Mr. Forsythe. "The experience of participation, with its demands for cooperation with others, teamwork, and honesty, is one of the greatest rewards which can come to a young man as a result of his athletic endeavors."

The all-sports banquet, held annually to honor the varsity letter winners and their dads, was held this year at Pearson Junior High School. Funds for the big affair, to which all varsity letter winners, their dads, members of the school administration, coaches, and men teachers who have in any way contributed to athletic activities in the high school, junior highs, and the several elementary schools are guests, are raised by the members of the RU Varsity Club. Throughout the year VC members have sold popcorn at athletic events, put on an after-game dance, and sponsored the annual Faculty-Senior basketball game. Members of the Varsity Cheerleaders group served the sumptuous banquet of steak, chicken, and all the fixings.

Other entertainment features of the banquet were the introduction of coaches and senior lettermen by Athletic Director Howard Kraft, and the presentation, by Varsity Club president Ken Wangbichler, of a Varsity Club lapel pin to Elsmere Pearson. Mr. Pearson was honored for his many years of aid to athletic activities at Redford Union.

The Varsity Club is co-sponsored by Mike Bowerman and Bob Atkins, both coaches of athletics at Redford Union.

Bentley Track Prospects Bright

Boasting a roster loaded with returnees from last year's Suburban Six League championships, Bentley High School's prospects for another big season in track appear bright.

Except for the high jump, and broad jump, Coach John McDonald has experienced talent for the other events as the Bentley thinclads prepare for their first meet against Redford Union on the Livonians' oval on April 13.

Bentley, incidentally, not only will be defending its league crown, but the school's streak of 16 straight dual-meet victories also will be on the block, starting with the battle against Redford Union.

Here's the Bentley story event by event:

DASHES: Herb Taylor is back to run the 100 and 220. He was a consistent winner a year ago. Al Fenton, a newcomer, should gather in his share of points.

440-YARD RUN: Earl Bowder and Tom Handyside comprise a letter-winning duo.

880-RUN RUN: Ron Grant returns. John Temple, fresh on the varsity, rates highly in McDonald's estimation.

MILE: Paul Rieker and Carl Krygier are back to carry the Bentley colors.

SHOT PUT: Dennis Buchanan and Ron Ciccarelli are holdovers while newcomer Bill Jacobson adds strength in the 12-pound event.

POLE VAULT: Bentley should be strong here with Brian Anderson and Tom Sewruk back and Bob Juve, a transfer student from Southfield, rated as a likely point winner.

HURDLES: Ciccarelli, Sewruk and Mel Turner will carry the load for Bentley.

The Bentley schedule this season is unusual compared to other campaigns.

Because of the lateness of Easter vacation, Bentley will stage its first three meets in a six-day period, then will rest from competition for two weeks.

After the RU opener, Bentley will run at Wayne on April

16, then host Trenton on April 19 before the Easter break.

Resuming on May 4, Bentley will invade Allen Park. Then will follow home meets on May 8 and 10 against Belleville and Plymouth, respectively.

The Livonians will enter the Monroe Relays on May 12, run at Cranbrook on May 15 and enter the state regionals on May 19.

A dual meet at Thurston is carded on May 24, two days before the state finals. On May 29, Bentley entertains Romu-

lus in its final dual meet of the season.

The league championship will be staged at Belleville on May 31 with the new Claude Snarey Relay carnival at Bentley ending the season two days later.

The Bentley reserves will combine with Franklin High to engage in a seven-meet schedule beginning at Wayne on April 19. Other meets are booked with Romulus, Plymouth, North Farmington, Riverside, Wayne and Plymouth.

Big Card Set For Plymouth

There will be little rest for high school athletes at Plymouth High School this spring.

The campaigning for the Rocks begins next Tuesday when the tennis players host

Livonia Bentley.

Golf action starts on April 16 against Trenton, while the baseballers will pry off their lid on April 19 with a home battle against Dearborn. The Plymouth trackmen will wait until May 4 before invading Belleville for their opener.

Athletic Director John Sandman has announced the following coaching assignments for the spring season:

Mike Hoben will direct the baseball variety while Byron Boring handles the reserves. Keith Baughman will lead the trackmen, Jim Doyle the tennis forces and Sandman himself will take charge of the golfers.

Plymouth will be defending Suburban Six League championships in baseball and golf. The trackmen took second behind Bentley in last year's league meet, while the tennis team placed third.

Here is the 1962 spring sports schedule at Plymouth:

- APRIL**
10—Tennis: Bentley, home.
16—Golf: Trenton, home.
17—Tennis: At Trenton.
18—Golf: At Redford Union.
19 — Baseball: Dearborn, home.
26 — Baseball: Belleville, home.
30 — Baseball: Varsity at Trenton; Jayvees home to Franklin; Golf: Dearborn Invitational.

- MAY**
1—Tennis: At Bentley.
2—Golf: At Trenton.
3—Baseball: Varsity vs. Allen Park, home; Jayvees at Allen Park.
4—Track: At Belleville; Tennis: At Ypsilanti.
5—Golf: At Brighton.
7—Baseball: Varsity at Redford Union; Jayvees home to Ann Arbor; Golf: Redford Union, home.
8—Track: At Trenton; Tennis: Trenton, home.
9—Golf: Ypsilanti, home.
10—Baseball: Varsity home to Bentley; Jayvees at Bentley; Track: At Bentley; Tennis: At Allen Park.
14—Baseball: Varsity at Belleville; Jayvees home to Belleville; Golf: At Bentley.
15 — Track: Redford Union home; Tennis: At Allen Park.
17—Baseball: Varsity home to Trenton; Jayvees at Franklin.
18—Golf: State regionals.
19—Track: State regionals.
21 — Baseball: Varsity at Allen Park; Jayvees home to Allen Park; Tennis: At Northville; Golf: At Ypsilanti.
22—Track: At Allen Park.
23—Tennis: Northville, home.
24—Baseball: Varsity home to Redford Union; Jayvees at Ann Arbor; Track: At Northville.
25—Tennis: State regionals.
26—Golf: State finals.
28—Baseball: Varsity home to Ypsilanti; Jayvees at Ypsilanti; Golf: Suburban Six League meet.
31—Baseball: Varsity at Bentley; Jayvees home to Bentley; Track: Suburban Six League meet.

TOM HANDYSIDE, VETERAN BENTLEY high school quartermiler, practices for the season's opener next week. Bentley will be defending its Suburban Six League track title.

Thurston Third In Big Meet

The 1962 track season opened on an auspicious note for Thurston High School last Saturday night.

Competing with 46 other Class A schools in the Huron Relays at Eastern Michigan University in Ypsilanti, Thurston wound up third in the overall team battle.

While honors went to Flint Northern with 25 points and Monroe took second with 24, Thurston came in with 21 points. With a break the Townshippers might have topped all the glory.

There were no alibis in the Thurston camp after the meet, but the delegation from Redford Township couldn't help but wonder what the result might have been had not Ed Dahlka suffered a spike wound and lost his shot as the leadoff man in the two-mile relay.

Although forced to run literally barefooted and with a hole in his foot, Dahlka stayed in the race and helped Thurston take a fifth place. Had the accident not occurred, Thurston probably would have won the relay or finished no worse than second. This would have brought Thurston home as the meet champ.

After Dahlka hobbled

- JUNE**
2—Track: Relays at Bentley.
4—Baseball: Varsity home to Northville; Jayvees at Northville; Golf: At Northville.
6—Baseball: Varsity at Northville.

around, Don Voighttritter carried on for Thurston, then it was Cas Jankauskas and finally Roger Hamilton. The latter was clocked in a brilliant 2:03.6, the best time turned in by any individual half-miler in the carnival.

Thurston came up with one winner in Shotputter Steve Leuchtman. He tossed the 12-foot iron ball 53 feet, one-quarter of an inch.

The Townshippers gained a second in the sprint medley in the time of 2:35.6. Richard Gordon ran the first leg after which Bruce Vorce, Don Voighttritter and Ed Christie carried the baton for Thurston.

Don Keller ran a fine 4:38.2 in the mile to play second by an eye-lash.

In the mile relay, Thurston gained a fifth when Hamilton, Jankauskas, Ron Voighttritter and Jerry McCabe combined for a 3:38.5 clocking.

The Huron relays generally are acclaimed as the state's unofficial indoor prep championships. More often than not, the teams doing well at Ypsilanti are the same ones which star in the official outdoor meet in May.

Thurston will plunge into its outdoor campaigning this Friday, opposing Utica and DeLaSalle in a triangular meet at Utica at 4 o'clock. DeLaSalle is the defending Catholic League champion in Detroit.

SPORTS OBSERVER

By George Maskin

It might make good sense to switch the State High School basketball tournament from East Lansing to Detroit.

Forgetting our long attachment to the Detroit area, from what we have seen at recent state prep finals up East Lansing-way, the tournament simply has outgrown the facilities offered by Michigan State University, the Lansing Civic Center and four closeby high schools.

Only Detroit, of any Michigan city, has the sports centers in the Olympia, Convention Arena and the University of Detroit better to accommodate the thousands who wish to take in the annual prep cage classic.

The oustaters still are "hurt" because the Detroit Metropolitan League spurned State meets for some 32 years.

"We'd look bad," one veteran upstater coach told us, "if we'd go on record to suggest that the tournament be moved to Detroit."

It's obvious the last thing any upstater wants is to permit a Detroitier "to enjoy the so-called last laugh."

The biggest sufferers, come the state finals, are the followers of the teams involved in the championship games.

According to the setup employed in recent years, each Class A finalist is entitled to only 1,000 tickets for the title game.

The remaining 10,000 tickets in Jenison Field House are sold to coaches, administrators and officials connected with schoolboy sports in Michigan. There is no public sale.

To get back to the 1,000 tickets made available to a finalist. Most Class A schools now boast upwards of 1,500 students. Some have more than 3,000.

All of which means there aren't enough tickets to fill the needs of the student body, not to forget the faculty and others in the board of education of the involved school.

And, what about parents? And other rooters?

They had a near riot in Saginaw when the 1,000 tickets allotted to the school became available for sale. More than 3,000 lined up. Needless to say, there were a flock of disappointed Saginaw rooters.

Why do we encourage moving the tournament to Detroit? Well, Olympia can house 16,000-plus for basketball.

Thus, if the Grand River sports palace were to be used for the Class "A" final, some 4,000 extra tickets could be turned over to the competing schools, if the present advance sale procedure were continued.

With Convention Arena and U. of D. thrown up to the semifinals along with Olympia, everybody who would want to see a game could get in.

Up in East Lansing a week ago, hundreds were barred from the semifinals at Jenison Field House and others were locked out trying to get into games at the other sites.

We also think Detroit is better suited to house the thousands who flow in for the tournament finals.

And with the new highways and expressways, Detroit is now only 80 or 90 miles farther from distant Northern and Western Michigan Cities than Lansing.

We might add that Olympia once was the scene of the state finals.

But when the Detroit schools stepped out after 1930, the State Association took its No. 1 show on the road . . . to places like Flint, Grand Rapids and finally to East Lansing.

Now it would appear the state cage tournament should come back to Detroit.

3 Big Problems

Three big problems plague Bob Atkins, newly named baseball coach at Redford Union High School.

As Atkins drills his charges forthright April 16 opener against Thurston and their initial Suburban Six League encounter at Allen Park on April 17, he is hopeful of finding adequate replacement for

lone one of the best earned run averages in the area prep baseball in 1961.

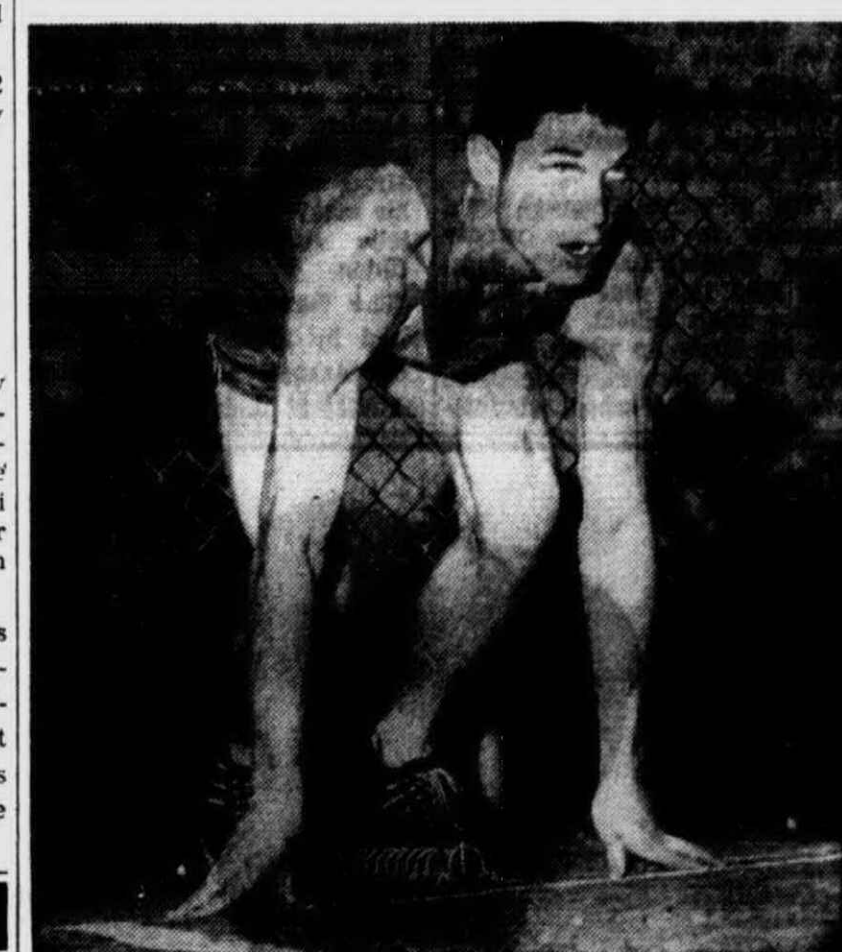

"Except for these three spots, we're in good shape," Atkins declared after watching the team go through a week of outdoor drills.

But, like most baseball managers or coaches, it's the pitching which will make or break the RU team. In this department, Atkins admits RU at the moment is on the shallow side.

"What really worries me is the pitching. Maybe Bill can help us."

Atkins was referring to Bill Fraser, the younger brother of last year's RU ace.

- 1—Russ Nelson, the team's hard-hitting shortstop for the last three seasons. Nelson this past weekend reported to the Chicago White Sox minor league camp in Florida.
- 2—Jim Clement, RU's slug-ging first baseman.
- 3—Jim Fraser, who fash-

HERB TAYLOR, BENTLEY HIGH dashman who is expected to place well in both the 100 and 220-yard sprints during the season which starts next week.

Civic Leaders Organize To Push City 'Progress'

Banding together to work for progress in Livonia, more than 15 civic association presidents and other community leaders met to organize a Presidents Advisory Council Thursday night.

Spearheaded as a community project by the Livonia Junior Chamber of Commerce, the 15 named Howard Teeter as their president, nominated a slate of other officers and received copies of by-laws.

Described as an "unbiased sounding board to review community problems," the new group pledged to—

- "Provide a channel through which civic groups can present problems and plans, and secure co-operation in the betterment of community conditions."
- "Unite the community in support of projects which are too large or too difficult for any single group to undertake."
- "Assemble information concerning civic projects and activities, and establish a media for the dissemination of such information among interested organizations."
- "Recognize and analyze community problems and needs."

and evolve constructive recommendations for improvement to present for consideration by responsible authorities."

Nominated to steer the new Council's activities, besides Teeter, who is president of Lamplighter Lions Club, were Ralph Parnin, Melvin Tressler, Bob Whitehead, Dorothy Anders and Gilbert Rohde. Organizations represented on the Council by delegates include the Soroptimist Club, Livonia Jaycees, N. E. Livonia Civic Assn., American Legion, Lions, Lamp-

lighter Lions, American Legion Auxiliary, Business and Professional Women, Chamber of Commerce, Historical Commission, League of Women Voters, Welcome Wagon, Bel Aire Woods Civic Assn., Buckingham Village Civic Assn., Rosedale Gardens Civic Assn., Tri-Sub Civic Assn., Rotary, Rotary-Ann.

Robert Beard, past president of the Taylor Community Council, addressed the meeting which was held at Rosedale Community Clubhouse.

MEMBERS OF THE ARCHITECTURAL FIRM of Eberle M. Smith, Associates, discuss their recent appointment as architects for the new Northwest Wayne County Community College. From left to right: Donald C. Templin, Project Manager of the firm; Harold E. Fischer, Chairman, Board of Trustees; Eberle M. Smith, Architect; L. Clarke Oldenburg, Chairman of the Facilities Committee of the Board of Trustees.

Special Board Meeting

School Board Will Re-discuss Budget

Final tallies in the Livonia School District election last week showed that the proposition to increase school millage by one mill failed by 3,176 votes.

Voters approved the first proposition—renewal of seven existing mills—by 6814 to 4339. The third proposal, to float a bond issue for new school construction, failed, but the margin was closer, 4,935 voters cast "yes" ballots and 5,996 people voted "no."

'The Readers Speak Up'

Editor:

May I be granted the courtesy to reply to Clara M. Vincent and R. F. Burlingame (who incidentally seems a busy fellow with his poison appearing in the Detroit News Public Letter Box quite frequently.)

The favorite and characteristic theme of the liberals is to label any and every pro-American an extremist, fascist, hate peddler! The only people that these Americans hate are the Communists! These liberals are indeed themselves guilty of turmoil, violence, smear, slander and are the peddlers of Hate. Hate for anything that is good.

The evil forces have had a heyday for too many years but now are fearful because the American people are being awakened and are becoming informed to the very grave danger from these deadly enemies of our nation. They preach peace, peace, but only on their terms. The godless tyrannical terms that kills a man's soul they would disarm our country and destroy everything worth living for.

May I further correct Miss Vincent and set the record straight, she quotes Jesus as being a prophet! May I inform Miss Vincent that we Christians do not consider Jesus a prophet but the Son of God.

Specifically just what is it that these liberals have against the patriotic Americans?

Blessed are the peace makers, yes, but Christ himself gave way to wrath and chased the money changers out of the temple and nowhere does our Lord teach to sell out ones life and religion to the devil without standing firm and even giving up ones life, if need be, for principals.

Thank you.
Respectfully,
Mrs. Rosalind Jagusch

ARNOLD E. PYTKAS, Vandenberg Elementary School principal in South Redford, looks forward to a "busman's holiday." Mr. Pytkas has leased Hidden Acres Camp on Burt Lake, Hidden Acres Camp, unique in Michigan, will combine educational work in reading instruction and instrumental music along with all the healthful, recreational aspects of any top summer camp.

Begins Training

GREAT LAKES, III. (FHTNC)—Richard L. Rubner, son of Mr. and Mrs. John R. Rubner of 17611 Rexwood, Livonia, began recruit training Feb. 23 at the Naval Training Center, Great Lakes, Ill.

The nine-week basic training consists of classroom instruction in naval topics, including military etiquette, drill, physical fitness, swimming and survival, first aid, shipboard safety precautions and security duty. In addition, recreation periods are included in the rigorous program.

Throughout training, recruits receive specialized counseling which assists them in selecting a rating in which to work from more than 65 available job specialties.

HELP WANTED

Applications for examination for the following classification in the Civil Service of the City of Livonia are being accepted until Monday, April 9, 1962, at the Civil Service Commission office, 15379 Farmington Road, Livonia, Michigan. GA 1-2000.

FOREMAN II (Parks and Forestry)
Salary: \$6,921 per annum
Qualifications: Graduation from a recognized college or university with a B. S. Degree in Municipal Forestry, Landscape Architecture, Horticulture, or Civil Engineering; or 8 years experience in a supervisory capacity in charge of ground maintenance or park maintenance. Applicants must conform to residence requirements.

For application and further information regarding this position contact the Civil Service office.

The City of Livonia Pays full cost of Blue Cross hospitalization and Blue Shield surgical benefits and one-half of group life and accident coverage. Benefits to employees also include a City Retirement Plan.

Bloodmobile Visits Livonia on April 11

A Red Cross bloodmobile will be stationed at the Riley Junior High School, 15555 Henry Ruff Road, Livonia, on Wednesday, April 11, from 3 to 5 and 6 to 9 p.m., sponsored by the Livonia Board of Education and local Red Cross volunteers.

Mrs. Olsen Hensley, chairman of donor recruitment for the local Red Cross branch, is making appointments for prospective donors who call her at GA 1-7095, or they may also be made by calling the Red Cross Northwest Regional office open Monday through Friday from 10 a.m. to 3 p.m., GA 4-0220.

Mrs. Hensley said she would be glad to handle any blood donations for 24-year-old Bill Marler of Livonia, who will be undergoing open heart

surgery to save his life. He will need 33 pints of blood in order to survive the major surgery.

She urges all prospective donors to reserve the time most convenient for them to visit the bloodmobile. She says that appointments not only help cut the time a donor must spend before his turn to be served at the bloodmobile, they help make more economical use of the bloodmobile's facilities by keeping them occupied during all of the visit.

Mrs. Hensley says each donor can specify the blood group account to be credited with his donation, may deposit to a "self" account or replace blood already used by a patient. She invited all persons who have no other blood group affiliation to designate the Livonia Community Blood Group Account and said these donors would then be eligible to call on the resources of that account in time of emergency.

Mrs. W. Harold Rolan, Livonia Red Cross blood program co-chairman is coordinating the volunteer activities.

Roosevelt Round-up Registering Dates

Roosevelt School will hold kindergarten Round-Up Tuesday, May 8, for their prospective students. Names beginning with A through M will come in 9-11 a.m. Names with N through Z will come in 1-3 p.m.

Parents who have pre-school children who will be five on or before Dec. 1, 1962 are asked to attend the roundup.

Birth certificates should be brought to the school at the time of registration.
