OK New School Vote June 11

Accident Injures Two Four-Year-Old Girls

Two Plymouth children—both four-year-old girls—were struck by an automobile while playing in the street in front of their home and one is hospitalized.

Injured were Krystal Bizwell, 4, of 432 Sunset, and her girl friend, Amy Sking-

ley, 4, of 465 Sunset. The auto accident happened last Friday. Plymouth Police told The Livonian, in the street in front of 465 Sunset.

Driver of the auto which struck the girls, Betty Englund, 701 Sunset, was exonerated by Police, who said it

was not her fault.

The Bizwell girl, they said, ran into the street, while her friend, riding a tricycle, followed her. Krystal was taken to St. Mary Hospital for treatment. Amy was not injured seriously.

Meanwhile, Police announced this week they were holding two juveniles who confessed to vandalizing Plymouth High School on Good Friday.

During an hour-long rampage, the boys had broken windows, thrown books around, torn a clock from the wall and done other damage on two floors of the school building while it was vacant. Teachers who arrived there at 4 p.m. found the damage.

Unknown thieves broke into a home at 747 Harding St. and made off with between \$7 and \$10 in quarters. Plymouth Police reported. The burglars entered the home at 11:30 p.m. on April 23 while the owner, August Hoenle, was out.

Also taken was a transistor radio, a carton of cigarettes, and other property. Police said entrance was gained by cutting a hole through the rear screen door.

Wayne County Prosecutor Samuel Olsen has officially labeled the shooting of a 15-year-old Plymouth boy on Good Friday as "accidental." The youth, who was hit in the leg when a shotgun which one of his friends was demonstrating went off, is still hospitalized, but doctors report his condition is improving and that he was on his feet over the weekend.

50th Anniversary Party Spoiled Due to Sudden Illness

Over 100 people sadly had to be contacted over-night to uninvite them to a party.

They were all invited to an open house last Sunday at the Douglas Blunk residence in Plymouth to honor the 50th wedding anniversary of Mr. and Mrs. Arthur Blunk.

On Saturday night Mr. Blunk was rushed to the hospital where he is presently undergoing x-rays and tests.

The senior Blunks have lived in the area all of their life and are well-known to Plymouthites. In addition to their many friends and relatives their daughter, Zertha, and her family had come from out of town to be with her parents for the occasion.

Fall Is Fatal On Michigan Ave.

With foul play ruled out by the Detroit Police, James C. Cook, 50, of Livonia, died three days after a mysterious fall in downtown Detroit. Police think he slipped into stairwell following a physical examination he had taken April 24.

Doctors say he apparently fell about midnight. His body was found at 7 a.m. the following morning in downtown Michigan Ave. He was taken to Receiving Hospital.

After being out of work for approximately a year he was slated to begin a new job following the physical.

Cook lived at 28565 Cleveland Avenue in Livonia with his wife Marguerite.

GREETING THE FIRST DSR bus to arrive in Plymouth at 6:32 a.m. Monday were driver Sid Cherry, City Manager Al Glassford, Sandra Glassford, Ilene Kelly, both passengers,

DSR district superintendent Wayne Markey, service inspector Harold Schroeder and J. C. Bailey, assistant superintendent of transportation operations.

New DSR Buses Roll Out

The first DSR bus on the new Detroit-Plymouth run rolled out of Plymouth at 6:32 a.m. Monday with 13 passengers aboard.

City officials and representatives of the Detroit transportation service were on hand to wave off the first bus, one of three that will drive to Detroit every morning. The other are at 7:18 and at 10:46 a.m.

Seven more passengers followed on the 7:18 run, and city officials said they were a little "disappoint-

ed" with the few passengers. DSR service had been urged to supplant the early morning C and O commuter "Sportsman" train, which discontinued its service April 28. The train now runs later in the morning. DeLuxe Motor Stages, Inc., which has been serving the Detroit-Plymouth run, was still operating Monday but was expected by city officials to pull out soon.

Meanwhile, petitions with

more than 150 names were filed by City Manager Al Glassford with the DSR asking for a bus service to Plymouth from Grand River in Detroit, arriving here about 8 a.m. daily.

Employers of Detroiters who work here were among the signers of the petitions, which also requested bus service to leave Plymouth at 4 p.m.

A campaign to win more riders for the buses—and thus guarantee continued service—went into high swing with more than 10,000 blue schedule cards being distributed to local residents. They are available at City Hall.

"We sincerely hope that the new schedule of the Plymouth coach line will serve your needs," the DSR Board of Commissioners told Plymouth residents, "and we are looking forward to a long and friendly association with the City of Plymouth. If you have any suggestions or comments, we will be pleased to hear from you."

Time schedule of the service:

Monday through Friday:
Leaving Main St. and Ann Arbor Trail at 6:32 a.m., 7:18 a.m. and 10:46 a.m. and 5:02 p.m., 6:26 p.m. and 7:26 p.m.

Leaving Main St. and Ann Arbor Trail at 6:32 a.m., 7:18 a.m. and 10:46 a.m. and 5:02 p.m., 6:26 p.m. and 7:26 p.m.

Leaving Downtown Detroit: 9:20 a.m., 3:34 p.m., 4:42 p.m. and 5:49 p.m. Coaches from Webb-Lasalle leave at 5:25 a.m. and 5:55 a.m.

Saturday:

Township Talks on Annual Meet

Discussion of a proposal to halt the Annual Meeting in Plymouth Township is expected to be on the agenda of the next meeting of the Township Board on Tuesday, May 8.

Petitions have been circulating throughout the community which request a vote on the issue of abolishing the yearly session at which citizens have the right to appear and pass on Township business.

Board members, terming the Annual Meeting "unnecessary" and "old-fashioned," are pushing for the abolition vote. If enough signatures are turned in on petitions, the issue will be voted on by the public at the August primary election.

Amount of Money Still Undecided

The Plymouth Board of Education met in executive session Monday night and gave official notice that local voters would be asked to vote on a millage issue in less than two months from now.

Following on the heels of a resounding defeat for a 7½-mill "package" which the Board put before voters earlier this month, members of the group said the annual June 11 election would be the time for the new request.

How much will be asked is still uncertain, Board members stressed. Study sessions are continuing and a decision must be made before the filing date for the election on May 14.

What the Board officially did Monday was to "pass a resolution indicating intent to ask for the millage," a spokesman said. This means that, without fail, voters will get the request June 11.

The 3-1 defeat earlier in April was for a millage issue which would have renewed 3½ mills of existing taxes and added another 3½ for improvement of teacher salaries and to provide money for operating the new Junior High School-West. Even though community groups such as the Chamber of Commerce and the Plymouth Education Assn. supported it, it was rejected resoundingly.

Meanwhile, issues and candidates were beginning to ad-

tract the spotlight for two other elections which will take place locally on the same day.

Two four-year terms on the Board of Education are up for election. Now held by Wesley Kaiser and Robert Soth, only Soth so far has taken out a petition. No other would-be candidates have acted, and May 14 is the filing deadline.

And an election in which Plymouth will participate with three other school districts—one to establish a Western Wayne County Community College—will take place June 11 too.

Improvements Due at Library And Center

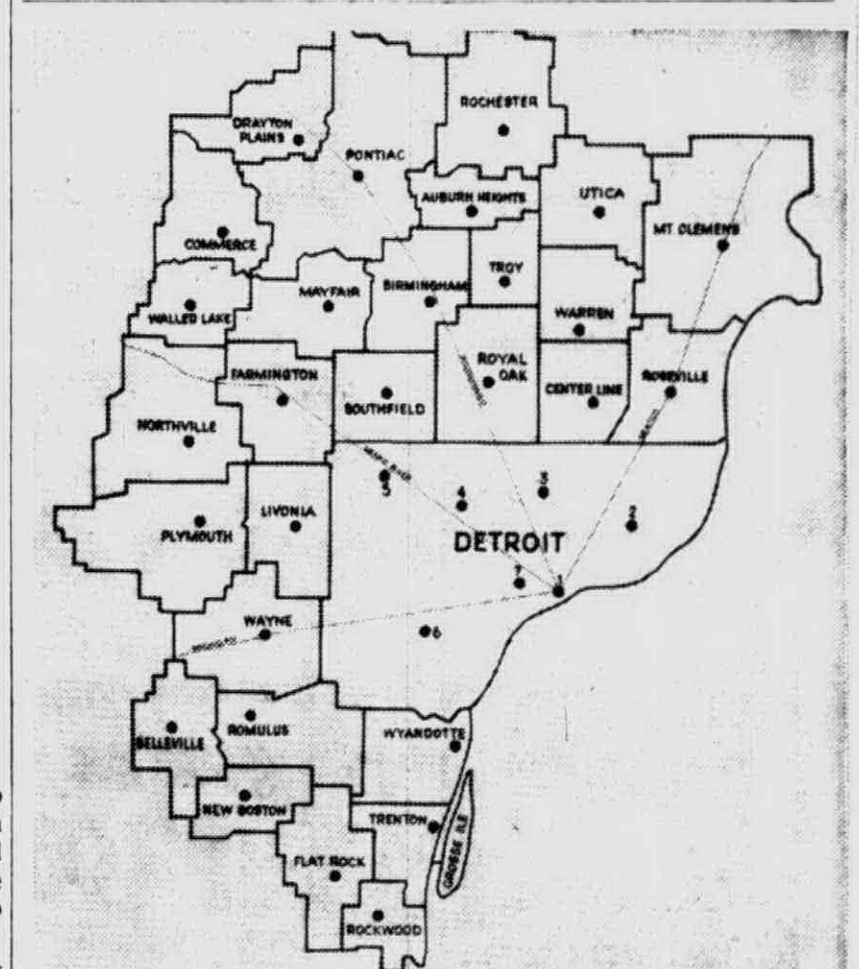

Improvements to make two of Plymouth's civic buildings—the city library and the newly-purchased community center—were discussed Monday night at a special meeting of the City Commission.

The Commission voted unanimously to approve an expenditure of \$810 for paint and labor for the library. Preston Long Co. will repaint the structure, located on S. Main. Long's bid was the lower of two received.

In another matter, the Commission heard City Manager Al Glassford cite the need for kitchen equipment at the community center, formerly the Knights of Columbus Hall, on S. Union Street. Glassford said a stove and possibly a refrigerator should be added to the center, which is used primarily as a rifle range for the Junior Police Rifle Club.

The matter came up when two ladies, representing the Plymouth Cooperative Nursery, appeared to request the use of building on weekday mornings for their organization. The group, which takes care of youngsters from three up in a day nursery, is now using the Salvation Army Building and offered to pay \$5 a session to the Commission for the use of the center. Unanimous approval of the request was granted by members of the Commission.

The Commission ordered City Manager Al Glassford to investigate.

THIS IS THE DETROIT metropolitan area in which the new Metro-Calling Service will be made available to residential telephone customers. The service will be offered in 80 communities in the following telephone exchanges and zones: Auburn Heights, Belleville, Birmingham, Center Line, Commerce, Detroit (all area), Drayton Plains, Farmington, Flat Rock, Livonia, Mayfair, Mt. Clements, New Boston, Northville, Plymouth, Pontiac, Rochester, Rockwood, Romulus, Roseville, Royal Oak, Southfield, Trenton, Troy, Utica, Walled Lake, Warren, Wayne, Wyandotte. (See Story, Page 13).

'Sidewalk Supers'

Like to peek through knot-holes? Amateur sidewalk superintendents in Plymouth will have the chance to observe construction of the city's new downtown office building on S. Main Street and Penniman.

The Commissioners took the opportunity to issue a trial balloon on a proposal to have the city enter into the snow removal business during the winter. "We need a way to keep city sidewalks free of snow during

Thanks to the American Association of University Women, a hole, dubbed the "Observation Post," will be cut in the board fence surrounding the project. It'll be a publicity gimmick for the AAUW's Listening Post program.

BOARDING THE FIRST DSR coach to link Plymouth with downtown Detroit were eight passengers on the first run of the bus line. Three buses leave Kellogg Park for the hour-and-15-minute run to Detroit each weekday morning and three return at night.

Suburbs Roll Up Sleeves For Income Tax Bout (Round One)

The Suburban Vigilante Committee of Mayors and Supervisors joined others in legally protesting the City of Detroit's tax ordinance which is supposed to go into effect in July 1, taxing all suburbanites working in Detroit.

Wayne County Circuit Judge Neal Fitzgerald set a court date in May for the first hearing on a suit charging the Detroit income tax ordinance "unconstitutional."

Mayors and Supervisors completely surrounding Detroit were hosted by Mayor Harvey Moelke in Livonia City Hall Saturday morning to plan a combined strategy of legal action. While top administrators were mulling over the status quo, their attorneys were met separately with Detroit attorney Thomas Poindexter, who filed the first suit.

Mayor George Kuhn from Berkley led the 40 Mayors in a discussion concerning the Bowman Bill which the Vigilante Committee is attempting to get passed. It presently rests on the Governor's desk. It would prohibit taxation without representation and make the Detroit action illegal.

Mayor M. Hayward of Royal Oak said the Suburban tax Bill was signed in two minutes by Mayor Cavanaugh and passed by the City Council in 21 minutes, "the fastest action in the history of the City of Detroit."

Plymouth Township Supervisor Roy Lindsey was not present at the Saturday meeting but said his community would be sympathetic to any

course of action taken by the Vigilante Committee. Redford Township Supervisor, Jack McD. said he would not be a member of the

"Vigilantes" because over 50 per cent are made up of members out of Wayne County. "We still have a deficit of 40 million dollars in

Wayne County to think about and our problems are different from those forming the bulk of this committee. "I have organized another com-

mittee two months ago fighting this Detroit tax, which, of course, I am opposed to, but it is made up of Wayne County Mayors and Super-

visors only." There are 230 possible members and all but 24 have signed to join the Vigilante Committee. Chairman Kuhn said, "we are

a body formed together to fight the squeeze play between two powerful bodies, the Detroit Government and the State." Each Administrator was asked

to return to his community and have a resolution passed by his Board to approve assistance of their legal attorney as well as funds for legal action.

"PREPARE FOR A BLAST" is what Adams PTA are boasting of their Space-O-Rama Friday, May 11. Chairman Halina Majewski said astronomical decor for the annual family fun night will be the background for the usual fair-fun things to do for everyone from baby to grandpa. Colleen Tamm is in charge for the Art Shop and Doris Reiner, the White Elephant booth (even on the moon), which are but two of the evening's attractions. The Space-O-Rama will be open from 6 to 9 p.m.

CLOSE TO \$650 was collected by members of Livonia's Rotary-Anns Club for the Easter Seal Society of Wayne County and the money was presented at a luncheon Thursday. Here, Dolores Funk, chairman of the Rotary-Anns' crippled children committee, presents the check to Jane Devereaux. The club extended "sin-

cere appreciation to the public for their contributions and to the many people who gave of their time and effort in collecting the funds." On June 7, the Rotary-Anns will present at the Hines Park Motel in Livonia a "Charm '62 show" including hairstyles, hats, furs and fashion tips.

Plymouth In Tune

On Sunday, May 6, at 4 p.m., the Plymouth Civic Chorus will present a "Spring Concert" at the Plymouth High School Auditorium. The Chorus, under

the direction of Fred C. Nelson, will perform a wide range of selections including familiar religious numbers, folk songs, show tunes and negro spirituals.

Flags Given By VFW

In honor of Flag Day, Lt. L. J. Owens Auxiliary No. 3941 Veterans of Foreign Wars of Livonia are presenting American Flags to organizations at 8 p.m. June 6 at the Post Hall, 27555 Grantland, Livonia.

Those wishing flags send written requests to Mrs. Beverly Ricketts, 28857 Five Mile Road, Livonia or call her at GA 1-7325 before May 21.

Representatives of groups are invited to attend the presentation.

The Plymouth Chorus, whose members are from Plymouth and surrounding communities, departs from tradition this year in its "Spring Concert." For many years it has performed with the Plymouth Symphony Orchestra and has sung only classical works such as Handel's "Messiah" and Haydn's "Creation." This year, however, it promises perhaps more appeal with its broad variety of selections, which includes a medley from "The Sound of Music" and, also, the well known "Holy City," made famous by Fred Waring's "Pennsylvanians."

The Plymouth Civic Band will also perform several numbers and the concert will be concluded with the Band accompanying the Chorus in the stirring "Battle Hymn of the Republic."

Plan Sterling Silver Contest At Beitner's

Beitner's Jewelry of Plymouth announced today that the store will serve as a local headquarters in the nationwide "Graduate to Sterling" contest for 1962 high school senior girls. The contest is sponsored nationally by the Sterling Silversmiths of America.

According to Beitners, the contest, which runs until May 31, 1962, is open to all high school girls who will graduate this year. Prizes worth \$25,000

in cash and sterling silver will be awarded winning graduates throughout the nation.

All the girls have to do to enter the contest is to stop by at Beitner's Jewelry in Plymouth and fill out a simple entry blank naming their favorite sterling silver pattern. Mr. Beitner points out that there is nothing to write, or buy—girls are not required to make a purchase to enter the contest. In addition to the First Prize of \$1,000, there will be second and third cash prizes of \$500 and \$250 respectively. Other

awards include 12 sterling flatware services for eight, complete with chest; 100 sterling silver services for four; 200 six-place sterling place settings; 400 sterling silver teaspoons; and 2,000 sterling silver spoon pins.

All of the sterling silver prizes will be awarded in the winners' favorite patterns. Each of the high schools represented by the three top winners will also receive a special award of sterling flatware valued at \$500, \$250 and \$100 respectively.

'Home Comfort Shop' Comes To Livonia Business Community

With more than \$1,000 in free prizes as a lure for neighbors to come and inspect the premises, a new and unique business opened this week in Livonia Shopping Center, Five Mile at Farmington, in "the Heart of Livonia."

It's the Home Comfort Shop, a "one stop" place

where home-owners can inspect and purchase almost anything needed for home improvement or modernization.

It is also a "supermarket" for the same items which might be sought by builders engaged in new home construction.

Home Comfort Shop is located on the south side of the shopping center, behind the A&P foodstore, next to the rear entrance of Jahn's Hardware.

It is owned and operated by Walter Cornwall and his two sons, Douglas and Kenneth. The Cornwall family has a long and distinguished reputation in plumbing and heating in the Redford area, and will continue to operate their outlet there.

Customers who visit Home Comfort Shop during grand opening can register (no cost or obligation of any kind) for drawings from which will come: First Prize — Waste King Universal Automatic Dishwasher. Second Prize — Gas Incinerator. Third Prize — In-Sink-Erator Sink Waste Disposal. There are scores of other awards to be made and the

total value of the prize list is in excess of \$1,000.

What makes the new store unique is the variety of things available for purchase under one roof. In the single shop it is possible to select from the finest brands of heating plants, custom kitchens, lawn sprinklers, air conditioning, plumbing fixtures, hot water heaters, water softeners, and many other items.

Campaign Funds Financial Report

Although contributions to the 1962 Easter Seal Campaign for the benefit of crippled children and adults continue to come in, the following report issued this week probably reflects the bulk of the returns according to Mrs. Jane Devereaux, Executive Secretary of the Society.

In Livonia the grand total is \$3,432.13; in Redford Township, \$2,233.09; in Plymouth \$2,646.28. The Easter Seal Center, near

Middlebelt and Michigan was built by contributions to a building fund drive carried on throughout Western Wayne County. Specially designed for physically handicapped people, it serves as headquarters for the society's program.

All of those who have not yet contributed are urged to do so as soon as possible. The mailing address is P.O. Box 101, Inkster.

Twilight Ceremony For Hedlers

Against a background of white carnations and glads, Patricia Sullivan was united in marriage to William G. Hedler Saturday, April 28 in a double ring ceremony. The marriage took place in St. John's Lutheran Church in a twilight ceremony.

The bride is the daughter of Mr. and Mrs. Dallas J. Sullivan of Pickford Avenue in Livonia and her groom the son of Mr. and Mrs. William O. Hedler of Seminole in Redford Township.

The new Mrs. Hedler chose a floor length gown with a scalloped neckline and a bodice of lace trimmed in crystal and pearls. Her skirt was alternating rows of lace and pleated net with a chapel train which formed a bustle back after the church ceremony. A headpiece of pearls and crystal in the shape of a water lily held a waistlength bouffant veil. An orchid center surrounded by 14 Easter lillies made up her bridal bouquet.

Phyllis McArthur served as maid of honor in a lilac organza gown, of street length. Diana Hedler, sister of the groom and Sharon Edgar in pink organza were bridesmaids. Petite Miss Randy Morrell in a candy-pink dress, fashioned after the bridesmaids, was a flower girl. All the attendants carried bouquets in the shape of hearts with a center of white carnations and outlined with pink and lilac carnations.

Larry Frederick Dale was best man with James Pettie, Shelby Jet George Regan and Patrick Sullivan, brother of the bride, seating the guests.

The former Miss Sullivan was a 1959 graduate of Clarenceville High School. Mr. Hedler graduated from Redford Union in 1958. After a honeymoon in the Smokey Mountains the couple will reside in Southfield Township.

To Women It May Concern

By MYRA COX

I'm no Sylvia Porter, but lady if you have invested any of the egg money in stocks with the hope of getting you and papa on a spree to Europe out of the profits—maybe you had better check again. To quote the Christian Science Monitor which, incidentally, is an internationally daily with the most unbiased reporting in the world, "Nobody can tell what the erratic stock market will do, but if inflation stimulus really is removed, unsophisticated and amateur investors may find that Wall Street is not a one-way road to profits, and that the unnatural yield ratio of stocks to bonds is a danger signal to be heeded. The market is flashing danger warnings and has reached an all time low."

If you want to make an investment this week that will give you returns from the moment you make it with absolutely no ceiling on the returns in many areas, consider this please.

There is a need to find homes for 1,500 children in our area. These children are victims of depraved, immoral and neglectful parents and had to be removed from their parental homes and placed in foster care. May 6-12 is to be known as "Foster Child Week."

Mayor Harvey Moleke of Livonia, Supervisor Jack McDonald of Redford Township and authorities in Plymouth are asking every citizen to do their best to locate a home these children might grow in and be cared for.

They don't have any trouble finding a home for the babies, but children from six to 16 are the biggest problem and finding a home for handicapped and crippled children. Most foster parents want bright, cute youngsters, but there are others, and they need and give love in great degrees.

A recent case coming from the courts involved three young children. Investigators summoned by neighbors found the youngsters outside in sub-freezing temperatures where they were tied up and forced to sleep in a filthy, unheated pig pen with a vicious dog while their parents were out carousing.

Such cases are enough to chill the blood of the average reader, but not social agency workers. They face the problem of finding "temporary" foster homes for such children every week in the year.

You don't have to have a balanced budget to open your home to these kids either (for hardly anyone has). If your family is so there would be room in your home, if you have a little extra energy and strength to give—the committee-work to help a thousand kids you just said you would do—to help just one.

Any family which may be interested in caring for a foster child is asked to write "Committee for Foster Children, Post Office Box 200, Detroit 31, Michigan."

Charm Time

For

Teens

Lorreta Weller

Barbara Loren

(Introducing a new feature beginning this week, for the youthful femme of our community with two models who are authorities on youth fashions. If you have a question or need advice on clothes, make-up or general teen troubles, write to the paper in care of "Charm Time for Teens"—sign your name, age and address. Your questions—and the answers to them will be printed, however, names and addresses will be withheld. Letters used this week were sent to the Charm Timers by young girls who had enrolled in one of their courses. Presently the two are teaching a four-week course at Treasure Isle Discount Department Store on Plymouth Road at Farmington. The course will begin May 5, from 10 to 11 and is five dollars. There is no charge for the answer to questions in the column.)

Dear Barbara and Lorreta,
I can't go to my mother and tell her my problems. My mother treats me like a 10 year old. I have to work them out myself the best way I can.

Chris C.

Dear Chris,
Here's "the age old problem that seems to be an allergy with teen's my Mother doesn't understand me." As a teenager one of the hardest battles we have to face is growing up. It doesn't seem to make much difference to our mothers how grown up or important or independent we get we will always be our mother's little girl. Because they worry about us and love us and want to protect us they find it difficult to accept our maturing. Seek her advice and ask her opinions and remember you have to give as well as receive. This is the beginning towards a healthy and happy mother-daughter relationship.

Dear Barbara and Lorreta,
I am a natural blonde and very fair. What can I do about pale eyebrows without getting that hard made up look.

Dear L. R.
It's nice to hear from a teen

that likes that wholesome, refreshing look. Today the natural look is the favorite look. To achieve this requires using deft, feathery light strokes along the lines nature provided. Try using a light gray pencil first and going over them again with a light brown pencil. When finished brush them to soften and get a subtle look.

Dear Barbara and Lorreta,
I am a foreign exchange student from Japan. I know I'm different from American Girls and I would like to be more like them. I hope you can give me advice.

Yakko Yamamoto

Dear Yakko,
Perhaps Madam Butterfly, you can give us some advice. You are a rarity among Americans and it is a pleasure to have you here with us. We should always try to retain our individuality. Remember its easier to be like everyone else than to be different.

Though all of our beauty products are available to you, we should remember that beauty comes from within. A beautiful smile, a pleasing personality, a warm gracious manner these qualities are not superficial but vital and never vary from country to country.

Child Guidance Program Planned

Because of the waiting list of six months to a year in mental health facilities, a Child Guidance center will be started in the Western Wayne County area. This was announced by Mrs. Crispin Hammond of Northville who was elected chairman pro tem of a steering committee of twenty-seven persons which met April 26, at the Easter Seal Building in Inkster. The steering committee was called together by a committee of the Western Wayne Planning Division United Community Services, consisting of Mrs. Kenneth Rehnkopf, Romulus; Miss Marjorie Lingenfelter, Livonia and Mrs. Hammond, Chairman.

Serving on the steering committee from this area were Mrs. A. E. Vallier and Dr. William Covington of Plymouth; Don Grabowski substituting for Jack Salvatore and Mrs. J. C. Dawson of Redford Township; Mrs. Helen Hundertmark and Kenneth Peterson, substituting for the Rev. Richard C. Dunkelburger of Livonia.

The next meeting of the steering committee is scheduled for May 17 at the Easter Seal Building. Any person interested in this project should contact members of the committee or the UCS office, LO 1-3800. The by-laws will be presented at the May meeting.

VANDENBERG PTA
"Have Family, Will Travel" is the theme of the May 10 Vandenberg PTA meeting and one of the most interesting parts of the meeting will be a display of trailers, tents, camping equipment and sporting goods. The exhibit, which will also include the projects of Boy Scout and Girl Scout troops sponsored by Vandenberg, will be on the school grounds and open for inspection after 6:30 p.m. At the regular meeting time of 8 p.m. the membership will meet in the activities room for a film on the Pacific Northwest and a talk by an Automobile Association representative.

'Facts and Opinions'

cheerfully and on time. The Detroit water system is big and strong for one reason only: the suburbs. We appreciate the service and we pay for it.

Suburbanites have their own police, fire, sewers, schools—and much else—paid from their own pockets. Where the facilities are mobile, they always have been eager to share them with Detroit in an emergency or whatever.

We pay our own way into the Detroit Zoo and Institute of Arts.

Suburbanites who work in Detroit do so because employers there want them in their hire. Employers must have capable, reliable manpower if they are to operate their business, make a profit and then, pay their business taxes to the City of Detroit.

The availability of suburban manpower is one of the elements which permit Detroit business to function properly. If it wasn't available, the businesses would locate someplace else where men were available. (Sometimes they locate in suburbia itself.)

If there are financial problems within the community where the business is located, then it falls upon those who live there to lick the problems—or to move away, if that seems the more prudent decision.

But to penalize those who are overcoming community problems of their own, in their home suburbs, simply because they cross city limits to work, is to misunderstand completely the economics of the matter.

This could get long and burdensome, but I hope the point is made.

Nobody is getting anything for free.

Both Detroit and the suburbs give and they take from each other... in industry, retailing, and everything commercial.

Suburbanites are building, paying and providing cities and townships with water lines, sewers, educational facilities, roads, playgrounds, libraries, schools. Detroit hasn't been asked to provide one red cent, though the suburbs provide them with manpower to run their businesses.

The only possible rule under economics is there can be only one community's taxes to a person. Other wise, it is too expensive compared to alternatives, and the person will move along, to somewhere where the standard rule is respected.

Businesses who must pay premium wages to their employees (it'll take premium wages to attract those who must pay an extra income tax for the privilege of working there) will look for greener pastures.

Detroit has problems. They must be solved.

But they aren't going to be solved by people who are, true, staggering and complaining, pouting and vexed, but nonetheless solving their own community problems in the suburbs.

And the Bowman Bill should be signed and some foggy guys downtown told to look to their own bootstraps.

Not ours. The latter already are being tugged upon.

WORKING TOGETHER to accomplish a very successful week were members who devoted time and talent to National Library Week this April. (l-r) A. Rosenthal, Executive Director, National Library Week in Michigan, Livonia City Librarian; Mrs. Swainson, Chairman, National Library Week in Michigan; Governor John B. Swainson, Genevieve Casey, State Librarian; Ransom L. Richardson, President, Michigan Library Association. Friends of the Library assisted the above members in emphasizing the importance of good books and libraries.

'Curtain Going Up'
By WALLY ROBERTS
"Naughtical, But Nice" drops anchor at the Redford Union High School Auditorium for a three-day lay-over. The musical, jib, foretell will puff out from the gales of laughter raised in the North end of the Township. If you have yet to see these annual musical revues as done so professionally by the Redford Women's Suburban League Theatre Guild, wait no longer. You'll be amazed at excellent costumes, vigorous singing, and delightful dancing found in these home-spun productions. Tickets are reasonable and the whole venture goes for an excellent cause.
"Irma La Douce," a musical comedy done completely in English, but providing some of the quaintest Gallic atmosphere of the year, opens at the Fisher Theater for a three-week engagement. No doubt about the attractiveness of this musical comedy. "Irma" ran five years in Paris, three in London and almost a year and a half on Broadway.
In Rae Stanton and Tony Mattar have the lead roles in the forthcoming "Bells Are Ringing." You'll be able to see this Broadway musical at the Thurston Little Theater starting May 17th. Call your friends and organize a theater party. They tell me that group rates are available. The earlier you purchase tickets the more assurance you will have that you'll have a chance to see this production. I predict that the Livonia-Redford Theater Guild will have seven S.R.O. (Standing Room Only) nights.
"Call Me By My Rightful Name" continues to deal audiences a dramatic punch. Martin Shakar and Ed Goodwin as father and son work superbly in this play about a young man that tries to figure what makes life tick. He's mixed-up like so many of us. It's this feeling of frustration in "Call Me By My Rightful Name" that evokes such an emphatic response from the many folks that have trekked to the Earle Hotel to see this masterpiece. Remember they play the show only on Thurs., Fri. and Saturday evening. Look for 22 Charlotte street in downtown Detroit and you'll have fun at the Stables Coffeehouse Theater Club. Pierre LeMarre is the director and he can be quite proud of this rousing drama.
The P and A theater in Plymouth is about to become an art theater. An art theater shows only the finest in foreign films. Occasionally an American picture will qualify, but most of the time the film fare comes from France, Germany, Japan, Great Britain and Italy. You'll be able to see powerful dramas such as "The Bridge," "Ikiru," "Saturday Night, Sunday Morning," and "Rosemary." Or hilarious comedies such as "The Five Day Lover," "Love and the Frenchwoman," "The Kitchen," "Make Mine Mink," "Two Can Play." In brief, you'll be able to dash over to Plymouth instead of going all the way into Detroit to see foreign films. Actually in New York city by count they have more art motion picture houses than the regular variety showing American or Hollywood products. Of course, I'm referring to the downtown Manhattan movie section and not the entire greater New York area.
Why is this happening? Intelligent movie goers have shied away from the Hollywood product over the years. Naturally, Hollywood is doing their level best to attract these discriminating theater patrons. Films like "The Hustler," "Lover Come Back," Billy Wilder's "One, Two, Three" and "West Side Story" are all valiant attempts to get the American public away from the front of that piece of talking furniture known as the TV set. And set the public has until it has almost hypnotized itself with the mediocre material found on too many of the TV channels. In many instances some of the brave folks have turned off the sets and gone out to see a foreign film. You have to be able to keep up with English subtitles and if you're a slow reader, it's back to TV. Watch the P & A advertisements on this page and give one of these movies a try some evening.

It's Little League Week In R. Township

This is Little League Baseball Week in Redford Township by proclamation of Supervisor Jack McDonald.

The festivities are the prelude to the grand opening of the 1962 diamond campaign scheduled for the youngsters a week from Saturday at Claude Allison Field in the North End and Thurston High School in the South End.

A record number of boys—estimated at upwards of 1,600—are primed for the 1962 cry of "Play Ball." The boys will range in ages from eight years through 16. They'll battle in what are known as Little, Pony and Colt Leagues.

The Little League maximum age is 12. The Pony Leaguers are 13 and 14-year-olds. Colt Leaguers are 15 and 16.

The stakes are high for all the athletes... be they a Little, Pony or Colt Leaguer. All have a chance to shoot for local, regional, state and eventually national honors.

The Redford Township Junior Athletic Association again will sponsor the Little League program in the community's South End. Under the RTJAA's jurisdiction also will come the Pony and Colt Leagues, open for boys throughout the Township.

For Little League purposes the North Ends will have their own association.

When the Little League curtain opens are played on Monday, May 14, the South End will have 36 teams in action, the North 48. There'll be 12 Pony teams—six from the North and six from the South—viewing when their seasons commence on June 10-11.

The Colt League will be comprised of four teams with openers also booked for June 10-11.

The delay in starting Pony and Colt play is understandable. Many of the boys currently are performing on junior high and senior high teams and thus are ineligible for outside competi-

tion until the interscholastic schedule is completed.

As a forerunner to elaborate opening day festivities, the South End has set this Friday and Saturday as official "Canister Days." Similar days in the North End are carded for next Monday and Tuesday.

The RTJAA requires approximately \$10,000 to foot the bill for its gigantic undertaking. The North Enders need at least \$6,000.

Ron Linford, who directs the North End L. L. program, has announced that the players will assemble at Beech Road and Santa Maria at 9:35 a.m. on Saturday, May 12, for their opening day parade to Claude Allison Field.

Supervisor McDonald, Township Recreation Chief Jack O'Leary and Judge Nathan Kaufman will head the dignitaries at the North End flag raising.

The same gentlemen then will move to Thurston High

for the RJTAA will hold its opening ceremonies starting at 1:30 p.m. Players have been informed to report at 1 p.m. in full uniform.

After the initial parade, flag raising and march are completed, at least three exhibition games are planned in the South End and two in the North.

RU Adds To String In Golf

Eight straight victories! No setbacks!

So read the record of Redford Union's golf team going into this week's action which started with an appearance in the Dearborn Invitational at the Dearborn Country Club Monday.

The RU linksmen, coached by Jim McDonald, added to their laurels last week by whipping Bentley and Catholic Central in a triangular meet, then winning from Farmington in a dual battle.

The RU-Bentley-C.C. meet was played over 18 holes—most pep meets are limited to nine holes—over the tough Western Golf and Country Club course.

RU finished with a low score of 354 strokes. Bentley had 358, Catholic Central 369.

Cal Pratt paced the winners with an 85. Jud Wellard and John Turner each scored 89, while Bill Meyers came in with a 91.

Ted Hart led Bentley with 86. Jim Burley followed with 87. Then came Dave Bengel at 91 and Gary Schei at 94.

In the nine-hole dual meet with Farmington, RU posted a winning score of 163 to the opposition's 197—again at West-ern.

Mike Loukinen turned in a medal of 37 for RU. He was trailed by Pratt at 39, Meyers 42 and Wellard 44.

After bowing to RU, Bentley lost in a dual attraction to Dearborn, 158-174, at Idyl Wyld.

Bentley's 41 paced Bentley in the defeat. Zambasi posted a 42, John Lyon 45 and Schei 46.

Bentley as well as Plymouth joined Redford Union in representing the Suburban Six League in Monday's Dearborn Invitational. Bentley will entertain Riverside Wednesday and play host to Trenton next Monday. Plymouth plays at Trenton Wednesday, while RU goes to Thurston Wednesday.

Golf Season Gets Underway

All Livonia men who would like to join the Department of Parks and Recreation men's golf league, scheduled for Mondays at 4:30 p.m. beginning the last week in May, should contact the department office, GA 1-2000, ext. 64, for registration.

The women's golf league will begin in early June. The league meets weekly on Friday mornings, 9:30 a.m. at Idlewyld Golf Course.

Livonia teenagers interested in joining a golf league should contact the Department of Parks and Recreation office for further information.

BOB HITT, A LIVONIAN and well known in Plymouth, will lead the Minneapolis Skippers against the Detroit Thunderbirds in a best-of-five series starting Friday evening for the National Bowling League championship. The matches are slated at the Thunder Bowl Arena in Allen Park. Hitt, who has averaged 217 for Minneapolis this season, resides on Hathaway Avenue in Livonia with his wife and three children.

Livonia All-Stars Brave "Harlem" Antics

The Livonia All Stars managed to capture an early lead in their game with the famed Harlem Magicians last week when the score stood at 2-0 in the opening minutes of the benefit basketball game at Bentley High School.

Final score saw the Magicians on top, 71 to 65, with the pro turning in a successful job of entertaining a crowd of 350 as well as exhibiting skillful ball handling.

The game was sponsored by the Department of Parks and Recreation equipment fund with proceeds going toward the purchase of pitching machines which will aid in the training of the thousands of Livonia boys who participate in the city-wide baseball program each year.

Less than \$50 was earned for the fund from the Magicians vs. All Stars basketball game. Parks and Recreation officials expressed disappointment that more Livonia citizens didn't come out to the game and enjoy the crazy antics of the Harlem Magicians.

A special thanks goes to Jim Pate and Lloyd Keller, referees for the game, victims of many pranks by the visiting team, the Harlem Magicians.

City councilman John Daugherty welcomed the audience and basketball teams in a brief announcement of the purpose of the benefit game at the beginning of the contest.

Mr. and Mrs. William Wright of the Livonia Junior Baseball Monms and Dads Club, volunteered to manage a pop stand during the game.

The Parks and Recreation equipment fund is close to the purchase of the first pitching machine for the baseball program.

The Livonian is assuming the responsibility for collecting any donations for this fund. Make out checks payable to the Livonia Parks and Recreation Equipment Fund. Collections are being made from the Livonian by Jim Pate, who will see all who donate get receipts.

Runners Fashion 3rd Win

The Clarenceville high school track team keeps surging along.

Latest to find the Livonians too powerful was North Farmington in a dual meet last Friday. The meet ended with Clarenceville topping an 81-28 score—the Livonians' third victory without a loss.

Ron Rudling was the big gun for Clarenceville. He won both the dashes, captured the broad jump with a leap of 19 feet, 7 1/2 inches and ran on the Clarenceville's winning 880-yard relay.

Clarenceville took every event except the shot put and the pole vault. Charles Fresner of Clarenceville was second in the shot, while mate Bob Wedge was second in the vault.

Randy Bricker sprinted to victory for Clarenceville in the 440-yard run in the time of 54.9 seconds. Bill Wheeler won the half mile in 2:11.5 and Jerry Clark the mile in 4:59.

The high jump went to Clarenceville's Lee Corcoran with a leap of 5 feet, 4 inches.

Besides Ridling, Monroe Ashley, Wedge and Bricker comprised Clarenceville's half-mile relay quartet. Wheeler, Bill Zink, Wedge and Corcoran formed the mile relay which also carried the Clarenceville colors to victory.

A triangular meet with West Bloomfield and Lutheran West at West Bloomfield this Wednesday evening comprises the only action of the week.

Rocks Subdue Belleville, 2-1

Out to maintain their dynasty in Suburban Six League baseball competition, Plymouth High School's diamond forces got off on the right track last Thursday by Decisioning Belleville, 2-1.

The victory gave the Rocks a 1-1 record for the season since they had bowed to Dearborn, 6-1, in their non-league opener the week before.

A first-inning bombardment, combined with the strong pitching of Dick Schryer, told the story for the Rocks against Belleville as they started the defense of their conference championship.

Both Plymouth runs came in the initial frame. Bryan Gilles rattled a single and stole second. With two gone George Stevens blasted in Gilles with a single and Gilles walked around when Dick Egloff slugged a triple.

That was all Schryer needed. He worked along in brilliant fashion until the seventh inning when Belleville put on a threat which created some tingling hearts among the Plymouth partisans.

A single, a walk and single with one gone brought Belleville a tally and left runners on second and first. But Schryer got the next man to hit into a force out and serve up a pop fly to the first sacker to end

the proceedings and the Belleville score.

Schryer gave up eight hits, walked two and fanned eight. George Bara of Belleville was nipped for six hits and hurled masterfully after the first inning doings by Plymouth.

The rocks were unable to get a runner past second base from the second-inning on. Their only serious threat in the final innings ended with a double play. Bara wound up allowing five hits, fanning six and walking three.

Besides his triple, Egloff also clouted a single. Gilles wound up with a pair of one-basers, while Stevens' first-inning blow was the Rocks' only other safety.

Bill Schmidt was the big gun for the losers. He had three for three.

Plymouth was to play at Trenton this past Monday and will entertain Allen Park Thursday afternoon at 4 p.m. as the league campaign resumes. The Plymouth J.V. team had its home opener booked against Livonia Franklin Monday and will play at Allen Park Thursday.

Bentley's veteran student baseballers started their campaign last Monday hosting Allen Park. Bentley was paired with Wayne on the Bentley diamond this Wednesday and will go to Belleville Thursday before returning home next Monday against Trenton.

Redford Union with a 1-1 pre-holiday record swung back into action at Belleville on Monday and travels again Thursday, this time to Trenton. RU's home league opener is slated against Plymouth next Monday afternoon at 4 o'clock.

RU Coach Bob Atkins has announced that Sophomore Roby Masson has clinched himself the fulltime shortstop job. Masson has been filling in when Chuck Shelton wasn't pitching.

But from here on Shelton will stick to pitching with Masson at the shortstop slot.

Curt Johnson tops the RU team at bat in the early averages with three hits in five cracks.

Four Meets All Losses

Clarenceville high school's golf team is having its problems. Four meets and four losses!

The latest setback was administered by West Bloomfield by an 181-200 score at Pontiac Country Club last Wednesday.

Bob Reed and Rolin Calvin each scored 47 for the losers. Vincent Byrnes had a 55 and Bill Platt 61.

Coach Bill Waters isn't discouraged by the early setbacks. Three of the players are sophomores, the others are juniors.

"We're improving meet by meet," says Waters.

The Clarenceville linksmen had a Monday date this week against Northville at Meadowbrook. They'll meet Garden City at Idyl Wyld this Wednesday and West Bloomfield on the same course Friday.

SPORTS OBSERVER

By George Maskin

PUTTING ONE WORD AFTER ANOTHER—
It's not for this writer to say whether Jack Adams retired or was fired as general manager of the Detroit Red Wings.

All we know is that the Detroit sports scene—and when we say the Detroit sports scene it certainly covers the entire suburban area as well as the greater part of Michigan—has lost perhaps its most colorful personality.

No man did more for his particular sport than Jack Adams did for hockey in the 35-odd years he spent at Olympia Stadium down on Grand River.

When Adams first arrived in Detroit with hockey, he introduced a type of entertainment which excited next to nobody on the American side of the Detroit River. Most of the fans in the early days of the Red Wings (they then were known as the Falcons) crossed from Canada.

Hockey today, of course, is a firmly entrenched sport in Michigan—so firm that Michigan, Michigan State and Michigan Tech all have crackcrack teams, the Junior Wings draw well, and just the other-day Port Huron joined as a member of the International League.

We'll take nothing away from the parts such players as Reg Noble, Harvey Rockburn, Ebbie Goodfellow, Ted Lindsay, Gordie Howe and Sid Abel contributed to selling hockey at Olympia. And do the job Abel has done of late as coach, an assignment he'll retain as he also becomes the new G. M. But the man who made Hockey tick at Olympia was Adams.

Sure he made some trades which the fans disliked . . . most notably those which saw Lindsay and Red Kelly depart. But what about all the great trades he made?

And the farm system he developed? And the job he did as a goodwill ambassador not only for Detroit hockey, but for all Detroit sports?

Jack Adams has left the Wings. He'll never be forgotten! If you're a Redford Townshippier, or a neighbor who merely drives through the area on the way to or from work, your help is needed this week.

Both the North and South Enders are going to conduct their annual drives this weekend to raise funds for staging the mammoth kids baseball program the Township boasts.

In the South End the drive is set for Friday and Saturday. In the North End the kids will be out Monday and Tuesday.

Whatever you can contribute will be greatly appreciated. Some 1,600 boys, ranging in ages from eight through 16, are set to play baseball in the Township under organized conditions this summer.

The sponsors of the various Little League, Pony and Colt League programs need around \$10,000 in the South and \$6,000 in the North. The differential extends from the fact that the South funds will also help promote the Pony and Colt programs which include boys in every part of the Township.

So lend your assistance. You'll feel better every time you drive past a baseball diamond and see the kids playing there . . . instead of on the streets or in a spot where trouble might loom.

Vacation time is over for the high school athletes in Livonia, Plymouth and Redford Township. For the next month, it's action in high gear in baseball, track, tennis and golf. Many of the teams have to catch up because they weren't scheduled last week.

9th Grader Shines for St. Agatha

Sparkling pitching by Rick Collins and the power-hitting of Matt Wroblewski enabled St. Agatha high school's baseball team to gain an even split in Catholic League action last week.

After the Redford Townshippiers had been spanked on Monday by Divine Child of Dearborn, 12-1, they came back to best St. Leo in a thriller at Detroit's Northwestern Field, 3-0. Collins was the mound hero against St. Leo. He went the distance, fanned nine, allowed only four hits and issued four walks.

He was in a jam only once when St. Leo loaded the bases with one out in the fifth. But Collins, a ninth grader, got the next batter to tap to the box for a forceout to the plate. The final out of the inning came on an easy roller to the second sacker.

St. Agatha erupted for all its runs in the sixth inning. Don Jetke started matters with a walk. Wroblewski followed with a tremendous smash to make it 2-0. The ball sailed between the outfielders as Wroblewski circled the sacks.

Dennis AuBuchon kept matters alive with a walk. He took second on a wild pitch and came home when Mike Roemer clicked on a neat single. Collins also started against Divine Child, but wildness led to his early departure and his two successors had the same problems.

The only St. Agatha run came in the sixth. With Mike Steen on third and Jetke on first, the latter broke for second. The Divine Child catcher tried to nail Jetke. But this throw failed and the alert Steen came home. St. Agatha plays only once this week, hosting Ann Arbor St. Thomas at Claude Allison Field Thursday at 4:30 p.m.

Two Bunts Bring Win To CHS Tigers

There's still a very important place in baseball for the bunt. Clarenceville high school's diamond team put the bunt to good use last Thursday against Clarkston and it paid off with a 3-2 triumph for the Livonians — their first conquest of the season after four losses.

Clarkston held a 2-1 edge going into the last of the seventh inning. With one gone, Clarenceville's Jim Woodhouse drilled a single. Then John Jourden drew a walk. Both runners moved up a base on a passed ball.

That brought Danny Freels to the plate and he promptly

dropped a perfect bunt single on which Woodhouse came home with the tying run. Bill Wheeler was next to hit for Clarenceville and he duplicated Freels' effort.

In trotted Jourden and when he hit the plate, Clarenceville rejoiced in its first win.

Clarenceville's first run of the game came in the fifth inning after Clarkston had taken a 2-0 edge. Monroe Ashley singled and quickly stole second. Joe Niestroy came up as a pinch hitter and delivered with a single to chase Ashley across.

Gary Gearhart worked the first four innings for Clarkston.

He gave way to Phil Messina who turned in a brilliant relief job. Messina allowed one hit, fanned six and didn't walk a man in the final three innings.

The thrilling victory followed on the heels of a heart breaking 8-7 setback that Clarenceville suffered against Holly three days earlier.

On the short end of an 8-3 count going into the seventh, Clarenceville erupted with an uprising which almost turned the tide in the Livonians' favor.

Wheeler and Woodhouse singled, after which Randy Bricker bounced in a force out. Freels was safe on an error.

New Phone Service Due in Plymouth, Livonia, Redford

"HISTORIC AND SIGNIFICANT moment" (to use the words of congregation president David Denn) in the history of Temple Beth Am came Friday night when the charter was presented joining the young church among the Union of American Hebrew Congregations. Beth Am, organized a year ago, is the Livonia congregation of the Reformed Jewish movement. Holding the framed charter, second from right, is Rabbi Leon Fram of Temple Israel, who made the

presentation. L to R: Mayor Harvey Moelke, Council President Syd Bagnall, Denn, Erwin Lachman (past president of the congregation), Rabbi Herbert Stern of Temple Beth Am. Other guests for the ceremony included councilmen John Daugherty and Ed McNamara, Superintendent of Schools Benton Yates, U. S. Attorney Larry Gubow, and Jerry Friedman, president of another Livonia Jewish church, the Livonia Jewish Congregation.

A new type of telephone service has been authorized by the Michigan Public Service Commission to meet the expanding calling needs of residential customers throughout the Detroit metropolitan area.

For a set monthly rate of \$10.95, the service will enable residential customers of the Michigan Bell Telephone Company in Detroit and 79 suburban communities to dial calls throughout the metropolitan area during specified time periods without additional charges.

The service, which applies to dialed calls, will be available to

customers on an optional basis. It will be in effect from 6 p.m. to 9 a.m. Monday through Saturday, and all day on Sundays and three holidays—Thanksgiving, Christmas, and New Year's.

The monthly charge will include a private line and unlimited calling privileges any time within each customer's local calling area. The usual charges will apply for additional telephone services, such as extensions.

The new service, known as Metro-Calling Service, will be offered first on May 19 in Birmingham and Southfield. Metro-Calling is modeled after a similar type experimental service that has been under trial in those two communities for the past year.

On May 25, the service will

next be offered in Farmington and Plymouth where a different type of metropolitan plan also has been tested.

Equipment in telephone offices serving Birmingham, Southfield, Farmington and Plymouth can quickly be adjusted to provide for the new service.

Metro-Calling will be offered later in other suburban communities and in the city of Detroit as soon as possible after Michigan Bell makes necessary equipment changes. The metropolitan area where the service will become available is located generally within a ring extending about 25 miles from downtown Detroit. Customers will be notified by Michigan Bell when the service becomes available in other areas.

Included in the 1,500-square mile metropolitan area, are about half the telephones in Michigan.

Metro-Calling Service will be offered in the following telephone exchanges and zones: Auburn Heights, Belleville, Birmingham, Center Line, Commerce, Detroit (all areas), Drayton Plains, Farmington, Flat Rock, Livonia, Mayfair, Mt. Clemens, New Boston, Northville, Plymouth, Pontiac, Rochester, Rockwood, Romulus, Roseville, Royal Oak, Southfield, Trenton,

Troy, Utica, Walled Lake, Warren, Wayne and Wyandotte.

Communities in which the service will be offered are: Allen Park, Auburn Heights, Belleville, Berkley, Beverly Hills, Birmingham, Bloomfield Hills, Bloomfield Township, Center Line, Clawson, Clinton Township, Commerce, Dearborn, Dearborn Township, Detroit, Drayton Plains, East Detroit, Ecorse, Farmington, Farmington Hills, Franklin, Fraser, Garden City, Gibraltar, Grosse Ile, Grosse Pointe, Grosse Pointe Farms, Grosse Pointe Park, Grosse Pointe Shores, Grosse Pointe Woods, Hamtramck, Harper Woods, Harrison Township, Hazel Park, Highland Park, Huntington Woods, Inkster, Keego Harbor, Lake Angelus, Lathrup Village, Lincoln Park, Livonia, Madison Heights, Melvindale, Mt. Visitors In Area From Argentina

The home of Mr. and Mrs. Frank Braithwaite, of 25545 Puritan, where Exchange Student Alberto Barassi of Argentina has lived since early last fall, is the scene of a happy family reunion these days, as Alberto's parents, Mr. Socrates Barassi and Mrs. Celia De Barassi, of Mar del Plata, Argentina, visit their son and the Braithwaites.

The Barassis, who flew here via Mexico and Chicago, arrived at the Braithwaite home

on April 17, and will remain here until May 6. At that time they will make their way leisurely homeward, stopping en route at Buffalo and Niagara Falls, New York City, Washington, D. C., and Miami, Florida.

A highlight of their Redford Township visit occurred Tuesday, May 1, when the Barassis were guests of honor at a reception by the teachers of Redford Union High School, where Alberto is a senior.

Millage Proposals Going To Clarenceville Voters Again On June 11 Ballot

Four proposals are going before the voters of the Clarenceville school district in the June 11 election.

Two of the issues are the same as those which lost by slender vote margins in a March election.

The first issue will be asking for renewal of the existing four mill tax which expires at the end of the current school year.

The second issue will ask for a one mill increase for operational expenses.

A third issue will seek approval of a plan to have the School District provide books for the elementary school children free of cost. This issue is to be tied in with the fourth proposition asking for a half mill increase to provide the funds necessary for the School District's purchasing of the elementary school books.

The Board received petitions from voters in the School District to place each of the issues on the ballot.

THE RENEWAL of the four mill tax would run from 1962

through 1966 inclusive and would provide operational expenses for the school system. The additional one mill being sought for operational expenses would not increase the total tax millage for the Clarenceville School District over an above what it has been for the past several years, the Board contends.

The additional one half mill asked to provide funds for the purchase of school books for elementary school children, grades one through six, will extend from 1962 through 1971 inclusive.

In addition to the four issues on the June 11 ballot, there will be two seats on the Clarenceville Board of Education up for re-election. Deadline for filing petitions for the four year terms on the Board is 4 p.m. on Saturday, May 12.

Both Elbert M. Hartom and Richard L. Gault have indicated they will seek re-election to the Board but as yet neither of the incumbents has filed petitions. Their terms expire on June 30.

THINKING OF OTHERS during the Easter Season, members of Girl Scout Intermediate Troop 1188 from Garfield neighborhood traveled to St. Marys Hospital. They brought gay little tray favors to the patients. Under the direction of their leaders, Mrs. Philip Koze and Mrs. Joseph Kroll, the girls made the favors themselves during their meetings. Presenting their gift to Sister Stewart are (l-r) Mary Appi-

cilly, Mary Brady, Alison Briggs, Judy Cross, Marie Jay, Peggy Kilgore, Marcia Koze, Lynn Kremer, Lynch, Pamela Lyons, Alicia Nalez, Laurie Rock, Nancy Kushigan, Lynn Lashells, Linda Lowry, Sheila Lynch, Pamela Lyons, Alicia Nalez, Laurie Rock, Linda Ross, Jackie Telling, Nancy White, Christine Wilson, Patricia Wilson.

ALL SET FOR the grand opening today of Robin Hood Markets at Middlebelt and Six Mile is Wally Myers, one of the two partners in the new concern. Free pop, gifts for the children, balloons and other prizes will be offered to shoppers during the grand opening, May 2 through May 8, according to Myers and his partner, Skip Horie, not pictured. The market features complete lines of food products and all choice meats. Free bread is being given away and free Bologna will be given to the first 150 meat customers.

All Enjoy Optimists 'Grand Ole Opry'

Hundreds of local residents attended three performances of the famed "Grand Ole Opry" company in Livonia Saturday and gave needed support to the local Optimist Club's program for youth.

The Stewart Brothers, Bob Perry, the "Duke of Paducah," Jemmy Newman and Bobby Helms entertained the audience, along with music by the Blue Mountain Boys.

Cub Scouts, students from the Wayne County Training School, the Presbyterian Children's Home and other schools were in the audience, along with adults from throughout the community.

Proceeds from the show were put into the Club's youth service, which includes sponsorship of Boys' State candidates, Baseball teams in the city recreation league, and an annual "Youth Appreciation Week."

'Splashinatin' Rhythm' THS Swim Show Is May 9, 10

by Linda Zinn
The twist has been seen and heard of by everybody, in every walk of life. It is seen on television, heard on the radio, and danced by people from ages 8-80. Now an entirely new version of the twist can be seen as the Thurston High School Swim Club presents its fifth annual swim show. The theme of this year's show is dance crazes through the 1900's, including 1962's twist, and is properly named "Splashinatin' Rhythm." The show will be presented on May 9, 10 and 11 at 8:15.
The dance fads which have been selected for the show often reflect the lives and emotions of the people during that particular period in history.

The bidding at three no trump was reached at all tables but the contract was only made by three pairs: Ted Kuhn-Arman Kearfott, Jim Colter-Roy Morgan and Dick Wagar paired with Gene Rigotti. The most important axiom in bridge is to think your hand out before playing to the first trick. The spade six was the normal lead. Most declarers won the Queen with the King and immediately took the Diamond finesse losing to East's King. East returned a Spade and declarer was down one.

The correct play is to first count your hand and find that the contract can be made with four Hearts, 1 Spade, 1 Diamond, and three Club tricks, playing for the Club honors to be split. The first trick then is won by the King of Spades and a small Heart to the Queen. The

nine of Clubs is led from Dumme's hand and finessed losing to West's King. At this point if West returns a Spade declarer will make four no trump. If he returns a Diamond declarer must take the Ace and return a Club finessing. Now a small Heart to Dumme's King and Club finessed again making three or four no trump.

WHO WILL BE MISS SIREN? May be one of the above. The judges will have to make that decision at Bentley High School May 21. Young ladies of Livonia interested in entering the contest may pick up their entry blank and particulars at any of the Livonia Fire Stations until May 5.

Saturday, June 16 is the night Livonia Firefighters would like you to circle your calendar. They are inviting you to share fun and fellowship with them at their annual Firemen's Ball.

The Ball will be at Riverside Area, 36635 Plymouth Road. Dancing will be from 9:30 to 1:30 p.m. with music provided by Dick Wendricks Orchestra. Setups and refreshments will be available as in the past years.

Highlight of the evening will be crowning "Miss Siren", who will reign over the Ball.

Tickets purchased this year for two dollars will admit one person to the dance and entitle them to a chance at the door prize, which is a sleek-sleek, 14-foot, fiberglass runabout boat with windshield, steering wheel, padded seats, and chrome accessories.

For those who do not plan on attending the dance, a donation of one dollar will give them a chance to win the boat.

Tickets are available at any of the four Livonia Fire Stations or will be delivered by calling any of the following numbers: GA 1-9831, GA 1-9845, GR 4-9684. All of the proceeds from the Annual Ball will go to the Widow and Orphans Fund for Livonia Firemen.

WASHINGTON PTA MEETS MAY THIRD

Washington School PTA will hold its last meeting of the year Thursday night, May 3, 1962, at 7:30 p.m. There will be installation of next year's officers followed by band music from Washington's instrumental pupils and a string quartet from Whitman. Refreshments will be served and all are invited.

Housewife To Chorus Girl In One Jump

(Across the Footlights)

Residents of the Livonia, Redford and Nankin Township area have the opportunity starting

May 17 in Thurston Auditorium to observe many of their neighbors in roles diverse from their every day activities. During the Theatre Guild of Livonia-Redford's forthcoming production of "Bells Are Ringing," you may discover that your own next door neighbor is really a Bookie instead of the Banker you supposed him to be all these years. Or how about the hard-working housewife across the way—"A chorus girl"—never, you say? Well, many such surprises are in store for you when you attend one of the seven delightful performances of this musical comedy—which gave Judy Holiday, such a big boost on Broadway just a few years ago.

Popular man-about-Livonia Tony Mattar, whom his friends believe to be a dedicated staff manager for one of the largest insurance companies in the world, is in reality (for seven performances anyway) a lackadaisical but thoroughly engaging song writer. Tony, who is one of the theatre Guild's most valuable members backstage, lends his considerable wealth of talent to the role of Jeff, made popular in the movie version of "Bells" by Dean Martin.

Ina Ray Stanton, whose Thurston High School student's know her as their speech and dramatics teacher, will recreate the Judy Holliday role as Ella. Ella is the unseen bon-confidant to subscribers of "Susanswerphone," an ostensibly legitimate answering service which is also suspected as being a "front" for less legal activities. Portraying the role of Sandor, the master mind bookie with a savouiraire—that would delight the heart of Damon Runyon, will be Guild newcomer Ace Azar of Livonia, who is a real life cousin of Danny Thomas and if rehearsals are any criteria, the assemblage of comedy is hereditary.

Gigi Gaggini handles the role of Sue with the vivacity and charm of a Latin-Molly Goldberg.

Tropical Snake Takes "Banana Boat" To RU

The Biology class of Mr. Joe Luitink, of Lola Valley Junior High, had an unusual "foreign visitor" just before Easter, and folks over Lola Valley way are still talking about it! It all began when Larry Anderson, Lola Valley ninth grader who lives at 15338 Garfield, brought a snake to school—a specimen which his brother had captured hiding in a bunch of bananas at the Kroger Warehouse. After securing the snake in a cage,

Mr. Luitink called Homer Roberts, who teaches Conservation and Outdoor Education at RU High School and who was Joe's general science teacher way back. An "expert" on Michigan wildlife, Roberts recognized immediately that this was a "foreigner"—and likely a poisonous one, too! Certainly nothing like it in these parts! He suggested that Joe contact the Detroit Zoo. Here the reptile expert identified the "visitor"—it was a Tropical Night Snake, a nocturnal (night ranging), arboreal (tree climbing), neurotoxic (deadly nerve poisoning) snake which normally lives in Central America!

Want to see it? It's safely and permanently housed in the new Reptile House at the Detroit Zoo in Royal Oak. (The Zoo will be open to the public on May 10.)

Department of one of the RU Schools. First it was an all white albino garter snake. Last fall a second Zoo gift was a jet black garter snake—along with

a whole basket full of its normally-colored babies which were born in a terrarium in Barbara Dempster's Biology lab in Redford Union High School.

Sitter Is Costly

A 17-year-old baby sitter from Dearborn was found to be responsible for expensive jewelry and clothing missing from the McInerney residence at 29930 Munger. The teenager lived with the family but "planned to quit on Monday." She was apprehended by the Livonia police last Friday, when Mrs. McInerney mentioned her suspicions to the detectives. The young girl told the police she didn't think Mrs. McInerney needed the things.

What's Burning

The Fire Department reports a busy week.

On Wednesday, April 25, Mr. John Musgrove of 30151 Five Mile Road noticed smoke pouring from his garage which is attached to his house. He discovered his wife's car and part of the garage in flames. Before calling the Fire Department Mr. Musgrove attempted to put out the flames with a garden hose. The Fire Department quickly extinguished the fire, however it had already traveled up through an opening in the garage ceiling and extended part way across the attic leading to the house. Extensive damage was done to the interior of the garage, with somewhat lesser damage to the attic area over the breezeway. Mrs. Musgrove stated she had washed the car at about 2:30 or 3:00 p.m. and then put the car in the garage. The Fire Department received the alarm at 5:03 p.m., and was at the scene for over an hour. Smoke to Mrs. Musgrove's car, a '55 Ford Thunderbird, was practically complete. Total loss was estimated at over \$2,500.

A second fire involving a garage, occurred at 10:04 a.m. on the next day, at the residence of Norman Luttman, 18130 Lathers. Mrs. Luttman had been burning papers in a wood burning type stove that was located in the garage. Apparently the stove pipe overheated setting fire to the garage wall. The blaze extended up the wall into the attic of the garage which was attached to the house, and ignited cans of paint and other household articles that had been stored there. Firemen quickly stopped the blaze but it had spread almost halfway across the attic of the home. Damage to the building and contents was estimated at over \$5,000.

On Saturday, April 28, conditions reached dangerous proportions as fire equipment was called out on extensive grass and brush fires, this time involving considerable property damage. At the same time equipment was needed on a building fire.

A number of calls were received at 11:50 a.m. reporting a grass fire by Holloway Construction Co. located at 127.5 Levan Rd. As calls were being taken on this fire more calls came in reporting a large brush fire near 38903 Schoolcraft. Equipment from three fire stations were responding to the two different locations. At the same time a call was received at 11:57 a.m. of a house fire at 32024 West Chicago. All three of these alarms resulted in property damage. The first one, a grass fire started near Holloway Construction Co. yard and spread onto their property endangering piles of tires, parked trucks and managed to start afire a 40' to 50' house trailer that is used by the superintendent on construction jobs out of town. The blaze, starting from underneath the trailer spread rapidly up through wall partitions, etc., which resulted in such severe damage that the trailer was described as practically a complete loss and was estimated at over \$7,000.

The second fire, a large brush fire, that covered about an area of 1/4 mile square, was being fanned by winds in excess of 20 m.p.h. Very heavy smoke was pouring across Schoolcraft which cut visibility to practically zero, thereby causing a severe traffic hazard. The blaze which burned an area over 1/2 mile in length before being brought under control, destroyed one storage building and did other minor property damage. Firemen were at the scene for over 2 hours before complete extinguishment was accomplished.

The third fire at the residence of Elden Kracht, 32024 West Chicago, was noticed by Mr. Kracht's son John as he was coming home. He quickly alerted the family inside who were unaware the roof of the 2 1/2-story house was afire. Mr.

Kracht said he had been burning papers in the fireplace and it is possible that sparks from the chimney set fire to the wood shingles on the roof. The blaze burned into the attic area but was quickly confined by the Fire Department. Estimates of damage were placed at over \$1,500.

The same day, at 4:55 p.m. the Fire Department answered a call at 27746 Perth, where Mrs. Joseph Bye had pushed the wrong button on her kitchen range by mistake and then went outside for a few minutes. Instead of starting supper cooking, the contents of the wrong pan overheated, caught fire, and the blaze quickly involved the range hood and fan and kitchen cupboards over the range. Mrs. Bye had extinguished most of the fire when fire equipment arrived. Damage from the fire and the smoke was estimated at over \$300.

THERE'S HIGH ADVENTURE AHEAD for these five Redford area Scouts and Explorers (l-r) Jim Weldon, Bob Bergin, Robin Nall, Dave Wollschlager and Dennis Simmons, all members of Troop or Post 130 sponsored by Bulman School Men's Club. They are going to hike the old Santa Fe Trail in northern New Mexico this summer. Accompanying them to Philmont Scout Ranch near Cimarron, New Mexico will be Expedition Leader, George Whitbeck (far right), 14373 Salem. In all nearly 100 Scouts,

Explorers, and adult leaders will take part in the two expeditions to Philmont Scout Ranch for two weeks of fun and adventure in the rugged Sangre de Cristo mountain county. There's still time for other Scouts and Explorers to be included in one of the trips. Call 833-2101 for details. Thirteen members of Explorer Post 622, sponsored by Thurston High PTSA are planning on making the trip with Post Advisor Luther Hawk, and John McCormick and R. Ryckman, advisor.

The One Mill Story

Financial Facts About Community College

TELLING THE COMMUNITY COLLEGE "One Mill Story" in Livonia will be Chairman and Co-Chairman of the Campaign Committee (l-r) Miriam King and Rosina Raymond, plus a committee of hundreds. They are mailing out invitations to attend the Kick-Off rally to be held May 10 at 8 p.m. at Bentley High School. The "One Mill Story" explaining the 1/2 Mill for Operating and the 1/2 Mill for debt retirement to build and run the Community College will be explained then. The election to establish the College will be held June 11. It will be a five district, fully accredited, two year college.

'The One Mill Story'

1. A mill is a measure used in collecting taxes. It amounts to 1/10 of a cent. It is written .001.
2. The State Equalized Valuation of the district (on which school taxes are levied) is approximately \$500,000,000.
3. One mill in taxes will give \$500,000,000 x .001 = \$500,000 (less delinquent taxes).
4. This money will be divided to pay for operating and bond costs as follows:

1/2 MILL FOR OPERATING

This money pays for the costs of instruction. State averages show that local available monies are satisfactory to do this job as it should be done.

Local Tax Money	\$230,000*
Plus State Aid	205,000
Plus Tuition	200,000
Total	\$635,000

1/2 MILL FOR DEBT RETIREMENT

This money goes for the repayment of bonds which must be sold to provide the funds to buy land and to build. Local tax money \$230,000*. This levy will be made yearly for a period of 20 years. This will permit the sale of bonds in the amount of \$2,435,000.

Bluebirds Cook Stew

Arriving about 1:00 P.M. Wednesday, April 25, in the backyard of their leader, Mrs. Adeline Karcheski of Negau Avenue, the Wapo Meo Bluebirds of Bulman School proceeded to assist in preparing the wood fire and properly suspending the cooking kettle ready for browning the meat balls and adding the diced vegetables to make four gallons of "pocket" stew for the evening meal to which all their

mothers were invited. When the stew was simmering the Bluebirds left to return about 6:00 P.M. with their mothers, a grandmother and a substitute mother, Mrs. Margaret Guetschow, who came in place of Mrs. Clarence Doll.

A fruit cocktail, hot french bread and beverages accompanied the delicious stew. Entertainment was provided with a short impromptu skit on a trip to the zoo.

plans for the coming year, and elections. There will be informative exhibits and displays. Two state awards will be presented, the Anna Howard Shaw Trophy for 100% participation in fund-raising for scholarships and the Trophy for Membership Stabilization. Bowating Trophy to the club whose members hold the most policy making positions, elective or appointive, percentage-wise: International Trophy Award given by Oak Park Club for the most outstanding project in that field; and the Elizabeth Crozier Penzien Award for the most outstanding record in the field of National Security.

Helen Krauss, St. Petersburg, Florida, will represent the National Federation. She will speak on "Expanding Horizons" at the banquet on Saturday. She is 1961-62 World Affairs Chairman, one of six chairmen of National Standing Committees, Past National Treasurer, Trustee of BPW Foundation, and Co-Chairman of the Hemispheric Committee.

The three days will be filled with activities including honoring the newest club from Tokyo, and their representatives; top-notch speakers appealing to working women; a Hawaiian luau; an honor ceremony for the club's 30 past presidents; and the final 10-month culmination of celebrating its 50th year in existence.

Representing the Livonia BPW will be Marian Coon, president, Betty Falzetti, 1st vice president; Edith Allen, 2nd vice president; Caroline Pope, treasurer; Ruth Clemens, corresponding secretary; Clara V. Karr, Betty Wolfe, Jane Faries, Maidie Kelly and Leona M. Edgar, who is State Chairman of Public Affairs.

STEPHEN ELLIOTT CRICK, Jr., son of Mr. and Mrs. Stephen E. Crick, 16544 Merriman, Livonia, has been awarded one of the top scholarships in the United States for study at Michigan State University.

He is one of the 12 Alumni Distinguished Scholarship winners announced April 16 by MSU President John A. Hannah. Valued at \$4000 each, the alumni scholarships cover four years' study and are awarded on the basis of merit rather than financial need. Crick ranks second in his graduating class of 700 at Livonia Bentley High School.

ACKNOWLEDGING National Correct Posture Week, May 1 to 7, Mayor Harvey Moelke signs the local proclamation for Dr. Walter S. Gross who has his Chiropractic practice in Livonia. If any organization, group or club is interested in speakers and film presentations on this subject, contact Dr. Gross at GA 7-6333.

DR. GROSS SAYS
"For correct posture, make sure your head is balanced and erect, shoulders relaxed and low, knees straight but not stiff, and you should feel your weight in the outer borders of your feet. When you sit, don't slump and in leaning forward do it from the hips not the waist. In walking movement should start from the hips and the toes should point straight ahead."
