To the Citizens:

Revenues for the General Fund fell \$43,900 below the anticipated level. The reduction was due to a decrease from the previous year of \$3,983,253 in state equalized valuation placed upon all properties within the School District upon which the allocated and voted millages were applied. The loss of revenue forced the Board of Education to cot budget allocations for maintenance of buildings and grounds, capital improvements and other needed services.

people and discussing the ssues of the campaign.

Speaking at the Mayflower Hotel Monday night, O'Neil lashed out at his opponent, incumbent Congresswo-man Mrs. Martha Griffiths. fused progress with waste because she continually votes for every big spending pro-posal the Kennedy admin-istration advances." he said.

O'Neil based his plea for votes on the need for tax correction and tax reduction, pointing out that every family in the country now has to pay \$17 per month just to meet the interest payments on the national debt. "Election of a Republican
