

11 In Race For Plymouth Commission

the charter provisions that limit a commissioner to two consecutive elected terms after which he must sit out a term before becoming eligible to run again.

The successful candidates will replace Mayor Robert Smock and Commissioners Carl Shear, Marvin Terry and William Hartmann. None is eligible for re-election under

the charter provisions since 1947 and it is believed that the largest field in a previous election was 12.

A total of 11 candidates are expected to appear at the election on Friday, thus being the last to make his name known to the voters. It was known that he had been thinking of entering the race and was believed that some of the returned commissioners would try to draft him.

Deer who was sponsored by Stewart Oldford, decided to withdraw and told his sponsor not to return the petition. The final decision was made late Monday afternoon although he had indicated earlier that he might not run.

The 11 candidates comprise the strongest field to seek the Commission posts in years and includes prominent business, civic, industrial, educational and real estate figures. The field with home addresses includes: HARRY HUNTER, 234 Maple; JAMES JABARA, 231 Jr. St.; ARCHIBALD E. VALLIER, 1338 Pgm. St.; GEORGE LAWTON, 1317 Sheridan; LEON MERRIMAN, 147 Plymouth Road; WILLIAM STAVIS, 1393 Birch; ELDON MARTIN, 800 Fairground; ROBERT SMITH, JR., 700 Fernside; NEIL DAVIDSON, 1093 Brossway.

J. RUSLING CUTLER, 193 N. Main. With slightly more than six weeks remaining before the primary, all candidates are expected to start their campaigns immediately.

Although none has given any indication thus far, it is believed the recent controversy over Detroit water and the proposed new reservoir will be prime points in the campaigns of all. Those close to the situation believe the present commission will delay any action on the Detroit water question, leaving

the decision up to the new board. However, the proposed reservoir is something else and the Commission, which already has taken a stand that it will complete the structure on Beek Road near Six Mile regardless of whether or not the federal government approves it under the Public Works Administration Act, is expected to go forward with plans.

All of which point to an interesting situation during the next six weeks when the various candidates present their stands and views on the issues.

FACTS and OPINIONS by Paul Chandler

7 Eye Township Board Terms; No Opposition For Top Officials

...from a Republican stronghold for two years. The mere filing of the petitions seems to assure the success of the candidates in the offices they have held since 1953.

...Jan. 2, appears assured of election when no opposition appeared for that post. But the situation is a bit different in the battle for the three Township Trustee posts that go to the polls this year.

...The seven candidates in the township election are: C. VACH SPARKS, 44394 Joy Road; FREDERICK BERRY, 1125 Shadywood; MARTIN FLEMING, JR., 9456 Southworth; RALPH GARBEL, 46225 N. Territorial; DAVID KATKE, 9166 Marilyn Ave.; RICHARD LAUTERBACH, 41025 Greenbrook Lane; FRANK MILLINGTON, 11900 Beek Road.

BUSY with duties as estate analyst for the Wayne County Probate Court is Richard Wernette, who doubles as a member of the Plymouth City Commission. The two posts keep Dick on the go constantly but he loves every minute of it.

FILING PETITION that practically assures him of re-election for the fifth time is Plymouth Township Supervisor Roy Lindsay (left) who turns the paper over to Clerk John McEwen. It was McEwen's first official act as

clerk since he was named to fill the unexpired term of the late Fred Miller. McEwen also filed for the post and appears certain of election since no opposition appeared in either the Republican or Democratic ranks.

But tell me, just who are you, anyway? Neither I nor my husband ever has met anyone by your name and we can't find anybody else who knows you.

It still would appear to a man as if he (the clock) were going at the same speed, though it wouldn't be that at all. Both would be retarded, compared to the speed of light, which never changes.

And while this clock was moving at a diminished rate, man (traveling at the same 90,000 miles per second and using his senses alone to measure) wouldn't know it was taking place.

It was McEwen's first official act as

Rotary Club To Get Story Of City Plans

Plymouth City officials will give members of the Plymouth Rotary Club a peek into the future and a glance at the past in the weekly meeting Friday afternoon in the Maxwell Hotel.

Mayor Robert Smock will make a presentation of the city's future and City Manager Albert Glassford will trace the city's history and tell of the accomplishments of the past year.

Smock and Glassford will be accompanied by members of the City Commission and the following department heads: Clerk Joseph Near, Treasurer and Assessor Kenneth Way, Department of Public Safety Ken Fisher and Department of Public Works Joseph Bida.

David Nichol, famous foreign correspondent who has been de-voting most of his time to foreign assignments in recent years, addressed the Rotarians last Friday, telling of some of his experiences.

Plymouth Home Owners Get Billed for Snow Removal

Man property owners in the City of Plymouth are in for a rude jolt before the end of the week.

City Manager Albert Glassford indicated many will receive bills from the city for the removal of snow and ice from the sidewalks in front of their properties.

"We issued a warning to all home owners two weeks ago," said Glassford, "telling them that the Department of Public Works would remove the snow and make changes in accordance with the city ordinance if they failed to do it."

"Many failed to heed the warning and the city employees had considerable trouble removing the ice and snow. So, there are going to be quite a

Plymouth Pupils To Rest While Teachers Convene

Pupils in the Plymouth Community School District will have a half-day off next Tuesday afternoon while the teachers hold conferences in the various buildings on the curriculum development program.

Classes will be held as usual in the morning and then the students will have the remainder of the day off.

Supt. Russell Isbister announced dismissal times for the schools as follows: senior high, 11 a.m.; junior high, 11:15 a.m.; and the elementary schools at noon. The schedules were set to allow ample time for buses

to make the normal runs. Isbister indicated the language-arts section will be the largest in session Tuesday and the teachers will meet in the Junior High East for a complete study of the curriculum.

Guides will be received and criticized and the group plans to make a report and recommendations to the Board of Education in a meeting on Jan. 22.

Other study groups will include: science, mathematics, music, industrial arts, physical education and social studies.

Wernette Is Happy He Chose Plymouth

A native of a small town never quite gets the feeling of a big city—he misses the friendly atmosphere and the daily greetings exchanged in the small communities that are missing from the busy, bustling life in the metropolitan centers.

This was one of the principal reasons why City Commissioner Richard Wernette and his wife, Jean, decided to move from Detroit's northwest section to Plymouth in 1951. They reside at 287 Adams and have never regretted the move.

"As a matter of fact," says the jovial Wernette, "it was the happiest day of our lives. We found a friendly, congenial community and now have more friends than at any previous time."

"Jean and I had thought a long time about moving to a smaller community and visited several before deciding that Plymouth was the spot we liked best. Jean liked the school system and what it offered, from the angle of a prospective teacher as well as a parent. I liked the people and the atmosphere. All I can say is that Plymouth has been good for us and I hope we have been good for Plymouth."

Dick is in the sixth year of his second four-year term on the City Commission and will be the senior in service come next April when four members depart and none is eligible for re-election under the city charter which limits commissioners to two consecutive terms. Then,

under the charter, a commissioner must remain on the job for a term before becoming eligible to run for office again.

Dick, who was born and raised in Remus, is the oldest of 10 children, all living.

He attended grade school in Remus and then was a student at Ferris Institute for three years, completing the college preparatory course and his first year of college.

Then he enrolled at the University of Detroit and worked his way through college to a degree in Law in 1932. He was accepted into the Michigan State Bar in the summer of that year.

Private law practice had his attention for several years although he did spend two years in the Auditor General's office in Lansing. In 1936, he received his first taste of politics when he was named to fill the unexpired term of office as Justice of Peace in Remus for his late father.

In 1941, Dick took a civil service position in the Wayne County Probate Court as an estate analyst, a position he still fills at the moment.

There was a time for romance and that came when he visited an aunt in Remus and found a school teacher named Joan Lawless boarding there while teaching in Remus.

Dick's visits to the aunt became more frequent and the romance developed into a happy marriage. Dick and Jean are the parents of two sons, Dee, a sophomore at Antioch College in Ohio, and Tim, a sophomore in Plymouth Senior High School.

Mrs. Wernette has continued her teaching as a member of the Starkweather School faculty where she instructs the fifth grade.

After residing in Plymouth for six years, Dick decided to toss his hat into the political ring and entered the race for city commission in 1957. He won election for a four-year term and was successful again in 1961. His eight years end in April 1965.

He was one of the organizers and a charter member of the Wayne County Employees Federal Credit Union, is a member of the State Bar of Michigan, the Wayne County Bar, Plymouth Democratic Club, Economic Club of Detroit and is an elder and member of the First United Presbyterian Church of Plymouth.

SHUT-INS AT Northville Hospital were given presents by the children of Aldersgate Methodist Church. They brought them to their Sunday School party. Under the sponsorship of Mrs. Mary A. Donahue, they delivered the gifts and caroled. The Nativity was re-enacted at the party by the fourth and fifth grades under the direction of Mrs. Matilde Dolan and assisted by Mrs. Evelyn Miller, Anita Drew and Jan Hopkins provided background violin music. Traditional Christmas goodies concluded the party. Keep Child Busy Warns Chief

Does your child play with matches? That's the question put to Livonia parents by Fire Chief Charles Roberts at a Christmas party.

The hands of children are busy with matches and matches are dangerous. Chief Roberts points out and explains to the children and their parents that matches are not to be used as toys. He explains that matches are dangerous and that they can cause serious burns and even death.

He says that matches are used for lighting fires and that they should be used responsibly. He explains that matches are not to be used as toys and that they should be used only when necessary.

He says that matches are used for lighting fires and that they should be used responsibly. He explains that matches are not to be used as toys and that they should be used only when necessary.

engender needless fear. Say that matches are like many other things — including stoves, automobiles, electrical appliances. Explain how they are part of the adult world, but can cause great tragedy, if handled by children. Tell them that when they are older, they can use matches—but now, as children, other things are important and more fun. Adventure and mystery can be found in countless other areas for children—and their world can be full of constructive excitement without matches.

Back up your suggestions and enlightenment with strong admonition never to play with matches.

Back it up further by keeping matches and all other articles that could cause danger or death, completely out of the reach of children. Do not keep dangerous things exposed and accessible. It is very difficult for a child to resist such temptation.

Provide interesting activity for children and stress the adventurous aspects of their experience. Try to direct their curiosity to projects that are safe. Watching the growth of a fern bulb in the dark recess of a cupboard—or the antics of some drollish in a bowl—can be just as exciting as getting into trouble with a box of matches.

More than 27,000 fires a year

are caused by children playing with matches. Deaths of children caused by fire are over 2,000 a year. There is a job to be done—a job within the realm of parental responsibility. This is your challenge.

Yule Seal Drive Short By \$75,000

The 1962 Christmas Seal Campaign ended on Monday, Dec. 31, but the goal of \$300,000 in Wayne County will not be reached until more Christmas Seal letters are answered.

"We are still about \$75,000 short of our necessary goal," Mrs. Sidney Jay Allen, the 1962 Christmas Seal chairman said.

Mrs. Allen pointed out, however, that the number of contributors to the 1962 Christmas Seal drive is 4,800 ahead of last year at this time.

"We hope to see the slack in the drive taken up in part by firms that wait until the year end to make their contributions," she said.

Christmas Seal contributions are averaging close to \$2.25 each this year.

Plans Antique Arcade In Cutler Home

Plans to convert the old Russ Cutler mansion, 217 N. Main, Plymouth, into a unique Eastlake Antique Arcade were announced Saturday by Mr. and Mrs. John Gibbons, of Northville. They have been operating an antique shop there for the past four years.

Gibbons indicated he had taken a lease with an option to buy the 14-room house which was constructed in 1885 in the Eastlake architecture of that time.

It was the designing that caught Gibbons' attention and led to the formation of plans for the arcade.

He has been working on the ancient home for several days getting it ready for use as a business establishment and hopes to have the arcade in operation within a matter of a few weeks.

Gibbons hopes to lease each of the large rooms to an antique dealer from the area and stated he already has nibbles from several in the Detroit-Birmingham sectors.

"This is the first time such a venture has been started in this section of the state," said Gibbons. "I feel that Plymouth is a natural site since there are a large number of antique collectors in the area, many of whom have been customers at our Northville store."

EDISON HONORS BENTLEY GRADUATE: Jonathan R. Choate of 32548 Merritt, Nankin Township, was among Detroit Edison scholarship winners honored by Edison at a luncheon in Detroit. He is shown here with Earl Floyd of Detroit Edison who explains the operation of a thermo-electric generator — a developmental device which was demonstrated at the meeting. Choate, a graduate of Bentley High School, now is a freshman at Henry Ford Community College in Dearborn. Detroit Edison sponsors 43 college study grants which are awarded annually on the basis of scholastic ability, character, citizenship and school activities.

Shopper Leaves Purse; Loses \$93

Dolores Adlon, 8242 Carrouel, Garden City, learned the hard way that one can't set down her purse, walk away momentarily while looking for some articles in another department. It was gone when she came back.

Store employees found the purse later but missing was a wallet containing \$93 and important personal papers including her driver's license.

She was shopping at the Shoppers Fair, 29350 Plymouth, Livonia, and left her purse momentarily while looking for some articles in another department. It was gone when she came back.

College Board Studies "Name" Contest Entries

Board members of the Northwest Wayne County Community College expect to announce the winner of the "Name The College" contest within another week and currently are making a careful study of the numerous entries received before the Dec. 15 deadline.

The winner will receive a two-year tuition scholarship to the college which expects to open its doors in Sept. 1964.

President Dr. Eric Bradner and Board Chairman Harold Fischer, of Plymouth were amazed at the number of entries and indicated all will receive careful study before the final decision is made.

The Board met Wednesday and there is a possibility that the winner will be announced soon.

Meanwhile, Business Manager Kenneth Lindner, Fischer, and Board Secretary Paul Mutnick have returned from Chicago where they signed 2,435 bonds valued

at \$1,000 each in the Security Columbian Bank Note Company for the recent bond sale of \$2,435,000 to a Chicago investment firm.

The college officials also visited the Furniture Mart to examine lines of college furniture which may be considered for furnishing the new buildings when completed in the summer of 1964.

The Board and Lindner are working on a college budget which will be submitted for approval soon and are studying tuition rates and fees.

Senior high school principals of the college district, which includes Livonia, Clarenceville, Garden City and Plymouth, will meet with the college staff on Wednesday, Jan. 9.

Up for discussion will be the best way the high schools and the college may meet the needs of young people who have completed only the ninth and 10th grades in high school.

DESIGNATED as a Distinguished Air Force Cadet at Michigan State University is Cadet Lt. Col. James A. Saur, a former Livonian who was graduated from Bentley High School in 1959. He is the son of Mr. and Mrs. Albert Saur, 541 Observatory Drive, Springdale, O., and is a senior in Business Administration, specializing in accounting. A Distinguished Cadet receives a commission in the regular Air Force and not in the reserves upon completion of the collegiate program.

Livonia Professor At WSU Writes For Encyclopedia

Three faculty members of Wayne State University including one from Livonia, are among new contributors to the 1962 edition of the Encyclopedia Britannica.

They are Prof. Sidney Glazer, of 59 Seward, department of history, author of the article "Monroe"; Prof. Philip P. Mason, of 27 Maplefield, Pleasant Ridge, department of history, who wrote three articles, "Hamilton," "St. Clair Shores" and "Wyandotte"; and Prof. Theodore D. Rice, of 33963 N. Hampshire, Livonia, College of Education, who wrote "Training of Teachers."

The articles written by the Wayne professors are among 3,849 which were reviewed for the 1962 edition.

Looking Around Plymouth

Plymouth's senior citizens have made a request to the Community Fund for funds for a part-time professional leader. The request was made by Arnold Carroll, serving as spokesman for the group.

Officials of Wheel Tracing Corp. plan construction of their new plant in Plymouth's Industrial Park on Plymouth Road no later than Feb. 1, according to the latest information.

Mrs. Esther Hulsink, longtime member and secretary of the Plymouth Community School District Board of Education, recently returned from a lengthy vacation in Hawaii with her husband, Kenneth.

Robert Soth, veteran member of the Plymouth Board of Education, is back home after spending several weeks on the west coast on business. He immediately started work on plans for the additions to the Junior High West and Farrand School as chairman of the facilities committee.

Adult Class Teaches Cooking For Parties

Now is the time to consider some changes in your party menus. Probably most of your ideas were used during the recent holiday season. To obtain new ideas and learn to prepare interesting foods the Livonia Adult Education program is offering a class in Party Cooking during the winter term.

The class will take up a variety of foods, such as party sandwiches, special desserts, Danish pastry, apple streudel, ideas for main dishes, hors d'oeuvres, salad ideas, garnishes, yeast breads and rolls. Members of the class are given an opportunity to make requests for special items to be studied. When you try even a few of the dozens of food ideas for your family or for a party you will create considerable interest and receive many compliments.

It is just the lift needed at this time of the year, so be sure to register for Party Cooking at Bentley High School, January 8 through January 11 from 7:30 to 9:00 p.m. Class starts Thursday, Jan. 17 at Whitman Junior High School.

Questers Study Antique Toys

Southfield's Ossewa Questers Chapter 121 held an old-fashioned Christmas gathering at the home of Mrs. Robert Throgmorton, Sr., 30066 Barwell Rd., Kimberly, Farmington. Attending were Mrs. Oliver Hanna, of Dearborn, Michigan, National Chapter Organizer; Mrs. Carl laarugofs

Bell, Mrs. Laurence McLean and daughter, Karel, Mrs. Douglas Kuhna, Mrs. Cy Johnson, and Mrs. Walter Wieland, all of Southfield; Mrs. James Landis and daughter Kathleen, Miss Margaret Allen, and Mrs. Mildred Marble of Detroit; Mrs. James Davis, Mrs. Robert Throgmorton, Jr. and Mrs. John Boucher of Farmington; and Mrs. Wm. Davis of Livonia.

After a Christmas buffet and the traditional antique gift exchange, hostess, Mrs. Throgmorton, gave an informal and delightful demonstration of old-time toys, most remarkable of which were a wind-up frock-coated man riding a pig, and an eagle bank with mother and nestlings. Mrs. Throgmorton's collection of dolls, an iron firehouse team and firewagon were but a few highlights. Door prizes included antiques, candle art, Yule centerpieces, and each guest was presented with a hand-crafted Toile-type candle sconce.

Guests are welcome at all meetings. For further information please call Mrs. Laurence McLean, 27666 Spring Arbor, Southfield, EL 6-3637.

MRS. LUCY SANBERG (right) of 34260 Grove, Livonia, demonstrated her ingenuity and sewing skill in dressing a Goodfellow Christmas doll displayed recently at the Ford Motor Company Central Office Building in Dearborn. The Ford Girls Club awarded Mrs. Sandberg the third-place prize of \$20 in its annual Goodfellow Doll-Dressing Contest. She spent many hours working on a baby doll displayed in a bassinette. Members of the Ford Girls Club dressed more than 2,000 dolls this year for distribution by the Goodfellows to needy children.

Gifts For Northville Patients

Bank of Livonia—left to right, Mr. Duane L. Mellinger, 9630 Gold Arbor, Plymouth (cashier); Mrs. Ann Gizzi, 15944 Southampton, Livonia (assistant cashier); Mrs. Dolores Harris, 7292 West Outer Drive, Detroit (bookkeeper); Mrs. Brenda Roedding, 18962 Sunset Boulevard, Livonia (bookkeeping clerk); John C. Spencer, 14218 Foch, Livonia (assistant cashier); and Mrs. Helen Huebner, 31547 Five Mile Road, Livonia (secretary to the president and cashier).

Employees Have Common Goal

Personnel of the Plymouth-Cranston Branch of the National Bank of Detroit and of the three branches of the Bank of Livonia have one goal in common each Christmas — the provision of gifts for the patients at Northville State Hospital. Last year the Plymouth-Cranston Branch joined the Bank of Livonia, whose staff members have been accepting this responsibility for many years, in this effort. Instead of exchanging gifts among themselves, the employees remember those hospitalized patients who are without relative or friend.

Although personnel of the Bank of Livonia accept names of individuals patients and select an item for that patient, the staff members of the Plymouth-Cranston Branch of the National Bank of Detroit follow another plan. They purchase general gifts from an approved list which then are designated by hospital staff members for specific patients.

A growing number of business firms, high school classes, and groups each year follow plans like these. Or individuals or groups accept a fund-raising effort for a radio, a television set, or a record player for one of the hospital ward areas.

To Women It May Concern

By MYRA COX

My heart goes out to the lady who spent many hours and dollars picking out her Inaugural Ball gown with matching everything. It was a mash. The Romneys proved they had stamina as well as a sense of humor. Some of the loveliest ladies surrounded the new Governor taking their turns dancing with him, and Mrs. Romney was kept equally busy swirling from one to another. As a balcony onlooker it seemed to me each was most talkative with their partners—the dance I would gladly have foregone (three times around the Capitol make for rebellious feet) but I would love to have heard snatches of that gay conversation. They really both seemed to be enjoying themselves and not at all fatigued.

Greeting well wishers all morning (smiling), standing for an hour in the cold for the swearing-in, presiding graciously at a luncheon for legislators and their wives—another three-hour reception line shaking hands and friendly conversation with each and everyone—a quick dinner—on to the ball to lead the Grand March and dance, smiling all the while. The first chance I have to interview Mrs. Romney, I shall ask her secret. I know she did it and why, but I think we would all like to know how!

I was talking to one of our local merchants who seemed to be exhausted at the close of his business last Monday. I asked him if he was still recuperating from his good Christmas rush. He said, he wasn't—that part he really enjoyed and didn't seem to be as exhausted as the days after when so many people returned merchandise. He said it depressed him because each year people were caring less and less for the sentiment of a gift, and how much the giver shopped and thought about the present—they were returning it—and not for a different size—but for cash.

Somehow it doesn't seem in keeping with the Christmas spirit to me either—for most every gift given has a little of warmth of the giver in it and thus should make it meaningful—of course there are exceptions.

This of course may be the answer to the Romney's delightful spirit. With so many thousands behind you, pulling for your success—no doubt during this energy-sapping time have light hearts and winged feet, and feel the strength of many.

One Livonia woman I know who has worked hard through the Romney campaign and others including the most recent the Community College wouldn't, if she could, take back her beautifully wrapped package from her parents. You see Peg Miqueljon, Republican received a soap box from her parents who are Democrats.

MAKING UP for their pre-Christmas production are Plymouth members of the Angling Association of University Women. Annually they present a Christmas program. This year under the chairmanship of Miss Helen Gilbert there were various tableaux depicting the many kinds of love. (l-r) Margaret Smith, Janice Heger and Peggy Heiney assisted in the make-up department by Bob Lucchetti.

CAMPFIRE GIRL NEWS

Tapwe-Mo-Ki Camp Fire girls joined together to sing carols through the halls just before the lunch period. Members of this group are Cathleen Arnold, Debbie Cook, Susan Cocozzoli, Mary Freeland, Catherine Somerville, Assistant Guardian, and sponsors Mrs. Marian Woodhouse and Mrs. Ruth Herndon assisted. The girls had baked the cookies and prepared and served the punch. They entertained with a skit and fashion show on what to wear and what not to wear as well as what to remember to take when going week end camping.

This was a forerunner to a week end camping trip planned by this group for Jan. 19 and 20 in the Log Cabin at Camp Wathana near Holly, Michigan. Mothers and daughters sang Christmas carols together to close the afternoon gathering. As a pleasant surprise for the students of their school, Thursday, Dec. 20 the Tapwe-Mo-Ki

Consumers Power To Invest \$58 Million

Consumers Power Company will invest more than \$58,000,000 during 1963 on new construction projects to expand and improve its electric and natural gas services. A. H. Aymond, Jr., chairman of the board, and James H. Campbell, president, announced last Thursday.

They said projects include the introduction of natural gas

service to 15 additional communities.

These are Beaverton, Gladwin, Gregory Palmyra, Climax, Fairgrove, Akron, Unionville, Sebewaing, New Hudson, Vestaburg, Standish, Hanover, Horton, and the Pleasant Lake area in Washtenaw county, near Manchester.

include the construction of a number of new electric substations at various locations in the 61-county electric service area, and improvements to many miles of transmission and distribution circuits.

General projects include the completion at Jackson of the Jackson Division's new service center on the company's Parc Road property and the construction at Owosso of a similar service center for Owosso district operations.

Projects listed by Mr. Aymond and Mr. Campbell for 1963 do not include the company's recent acquisition of the Michigan production facilities and leaseholds of the Panhandle Eastern Pipe Line Company.

Consumers has 900,000 electric and 580,000 natural gas customers. Mr. Aymond and Mr. Campbell said the company expects to add approximately 24,000 new natural gas custom-

ers to its lines during 1963, and over 12,000 new electric customers.

Consumers provides electric or gas service, or both, in 64 of the 68 counties of Michigan's Lower Peninsula. Besides headquarters at Jackson, the company has division headquarters at Battle Creek, Bay City, Jackson, Alma, Flint, Grand Rapids, Kalamazoo, Lansing, East Detroit, Muskegon, Traverse City, Pontiac, Saginaw, Royal Oak and Livonia.

NEW DENTIST

Recently returned from a two-year tour of duty as a dental officer in the United States Army, Dr. V. L. Goldstein has opened his general dentistry in Livonia.

Dr. Goldstein is a graduate of U. of D. School of Dentistry. He spent his two years of duty 37 miles south of Paris in the small international town of Fontaine Bleau.

His wife, Suzanne accompanied Dr. Goldstein on his tour. They have one daughter, Janette Elaine, born in France.

Another major gas department project is the construction at White Pigeon of a gas compressor station to increase the delivery of pipeline gas from the Trunkline Gas Co. of Houston, Texas. The Trunkline terminal, for service to Consumers Power Company is at White Pigeon. The company will also expand its Overisel gas compression station near Allegan.

GIVING FOR Christmas and seeming to enjoy it is the sixth grade class at Livonia's Jefferson School. The students in Mrs. Catherine Borgiu's room, instead of bringing gifts to each other, brought gaily wrapped gifts for the children of Happy Horizon School for retarded children. When room mothers Mrs. Robert

Whiting and Mrs. N. S. Tagami suggested the idea to the children they were immediately responsive. Square dancing and refreshments were also included in their party. Even Principal Dr. E. Leibson (center above) was impressed with the gifts the children had gathered as he paid a visit to their Christmas party.

Panhandle's Michigan Property Acquired By Consumers

Consumers Power Company will buy all of the Michigan Production Properties owned by Panhandle Eastern Pipe Line Company, effective Jan. 1, 1963.

Included in the sale are ten producing oil and gas fields in Macomb, St. Clair and Missaukee Counties, one underground storage field, Panhandle's gas Conditioning Plant

near New Baltimore, and about 650,000 acres of unoperated leaseholds spread in 37 counties in the lower peninsula.

The sales agreement does not involve any of Panhandle's Interstate pipeline facilities used in the transportation of natural gas from the southwest

for Panhandle's customers in Michigan.

The transaction adds more than 65 billion cubic feet of proved natural gas reserves to the Consumers system, one of the largest single reserve acquisitions in recent Michigan production history.

The purchase price was not announced, but involves several million dollars.

The transaction was announced by Fred M. Robinson, Senior Vice President of Panhandle, and A. H. Aymond, Jr., Chairman of the Board of Consumers.

On behalf of Panhandle, Mr. Robinson issued this statement: "This sale accomplishes the goal we set ten years ago, namely, explore and develop Michigan resources to meet Michigan needs. Since Panhandle's major exploration and development activities are centered in the southwest and those Michigan resources have reached a mature state, they can be more effectively devoted to Michigan's growth through Consumers Power Company."

Under the sales agreement, Consumers will continue to

supply a portion of the natural gas needs of the Southeastern Michigan Gas Company of Port Huron, a Panhandle customer, from the local fields as Panhandle has done since 1954.

In the sale, the Macomb and St. Clair County fields being transferred to Consumers are

known as the Lenox, Boyd, Peters, Ray, Adair, Puttygut, Cottrellville, South China and Marine City Fields.

Also included is the Fal-mouth field in Missaukee County and the Ira field, an underground storage area in St. Clair County.

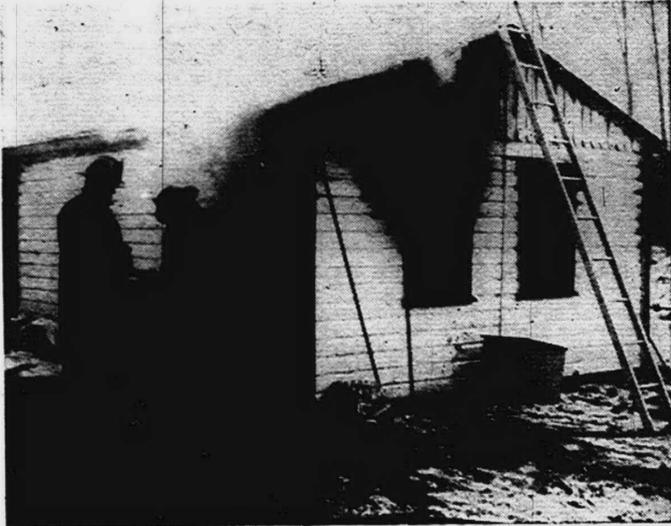

Car Skids Into Wrecker, Driver Hurt

Julian Evans, 36, 33622 Calumet, Wayne, was slightly injured when caught between two cars while hitching his jeep wrecker to a stalled auto.

Evans was answering a call for help for the stalled car, owned by Jennie Bieker, 31545 Grove, Livonia, on Five Mile Road near the intersection on Sunset Ave. and was between the wrecker and the vehicle when Jerome Preister, 15455 Inkster, Livonia, going east on Five Mile applied his brakes, hit the wrecker and rammed it into Evans between the cars.

He refused medical aid and Livonia Police reports show that he suffered a probable fracture of the left arm and possible broken ribs.

Preister was ticketed for driving too fast for the icy conditions of the road.

LIVONIA FIREMEN successfully fought a blaze in the bunkhouse at the Friendly Acres, 35601 Schoolcraft, and kept it from spreading to the nearby barn which contained 65 boarding and show horses. The fire

which caused damage estimated at \$3,000, destroyed the bunkhouse which only recently had been rebuilt and re-decorated. It is believed the blaze was started by an overheated oil-burning furnace.

Snow But No Sled

There's plenty of snow for sledding but Mrs. Gladys Smith, 30120 Orangelawn, Livonia, complained to Livonia Police that her son doesn't have a sled to enjoy the snow. He left it at Jefferson School at the foot of a large hill and when he returned a short time later, the sled had vanished.

What New Constitution Says About Apportionment

By the League of Women Voters of Livonia
(The League of Women

Voters is a national, non-partisan organization whose purpose is to promote informed and active participation of citizens in government.)

Role of the Courts

A new dimension was added to the apportionment situation by the March, 1962, decision of the U.S. Supreme Court which stated that courts have jurisdiction in this area. Previously it had been held to be a matter for legislative and citizen action only.

In Michigan, this decision led to the state Supreme Court's ruling that the senate districts in the present constitution were illegal. Enforcement of the Michigan ruling was postponed by the U.S. Supreme Court. Until the situation is clarified by further federal court action, it remains cloudy.

It is possible that the courts will lay down guide lines for apportionment in the states. If so, all states will have to follow these guide lines.

Apportionment Commission

The new constitution calls for using an apportionment commission of eight, four to be appointed by the state central committee of each of the major parties from four different areas of the state. This commission will draw new apportionment plans for both house and senate. It must set to work when the new constitution becomes effective and after each federal census as soon as the results of the census are known, the commission must finish its work within 180 days.

At present, the county boards of supervisors set up districts within counties entitled to several representatives or senators; the new constitution gives this job to the apportionment commission. The present system has resulted in extremely unequal districts within some counties such as Wayne, and it is felt that an outside body might be able to do a better job.

If the commission cannot agree on a plan, commission members submit carrying plans to the supreme court for a decision on which plan best meets the constitutional requirements. Any elector who feels that an adopted plan is not meeting the requirement may appeal to the supreme court. The court may return an unconstitutional plan to the commission for further work.

The advantages of using a commission are: It directly represents the political parties. It can be forced to act by a writ of mandamus whereas the legislature cannot. It can also act more impartially than the legislature, which is sure to be influenced by the fact that changes in boundary lines, however much called for, will affect

themselves and other legislators.

The new constitution increases the per cent of the state's population which can elect a majority of the house from 43 to 47 per cent as compared with the ideal of 50 per cent or more population required to elect a majority of either house, primarily because of the use of county lines in drawing districts. Only three other states require a larger percentage of the population to elect a majority of both houses than Michigan will under the new constitution.

Michigan's new apportionment provisions are a great step forward.

R.U. Buried In Tourney Final; Bentley Gets 2 Victories

Redford Union and Livonia Bentley High Schools both came through with winning records in last week's Northwest Suburban Holiday basketball tournament.

The R. U. eagles roared to the finals before being bombed out by Grosse Pointe's powerhouse, 84-45. Bentley pulled the tournament's surprise by kayoing Highland Park in the first round, then lost to Grosse Pointe, but finished with a conquest over Farmington.

The big game, of course, was the Redford Union-Grosse Pointe clash on Friday evening in the Southfield High gym. But after the first quarter it wasn't much of a contest. The clock couldn't zip around too quickly for R. U. Coach Milo Karhu.

During the first period the Pointers pulled to a 16-13 lead. With a break or two on a couple shots, R. U. easily might have held the early advantage.

No sooner did the ball go up for the second period, than did the entire complexion of matters change.

Grosse Pointe, coached by

Chuck Hollosy, the gent who guided DeBusschere (later of U. of D. and now of Detroit Pistons fame) as a high school All-Stater, ordered his forces to go into a full court press.

"The strategy forced us to lose our confidence and our poise," said Karhu later. "We didn't do a thing right during the entire second period." This was reflected by the

CHAMPIONSHIP TROPHY as winners of the Livonia Department of Parks and Recreation Touch Football League is presented to officials of the Central Savings and Loan Co. The team, sponsored by the banking institution, won the title for the third straight year. Making the presentation are: (from left) William Zirblis, of the DPR; Team Manager Pat Lowney, Karl Guenther, president of the Central Savings and Loan, and Pam Hoffman, office manager.

scoreboard. In the eight-minute span that marked the second stanza, Grosse Pointe reeled off 38 points to a mere eight (one field goal and six conversions from the foul line) for Redford Union.

As a result Grosse Pointe led 54-31 at the half and the subs got a chance to show their stuff in the second half.

Karhu's greatest concern as he greeted the new year this week was whether his charges could bounce back from the pounding they took from Grosse Pointe.

"I don't deny the Pointe was a better team that night," he said, "but I don't think the difference between our club and theirs was 39 points."

Len LaPla, a marked man in the tournament, made 10 points to lead Redford Union. Bill Driscoll and Bill DeWitt each had seven.

The bombing tactics which Grosse Pointe employed against Redford Union was pretty much like those Bentley had turned loose on Farmington in the consolation finals just a few moments before.

The only difference: Bentley waited until the start of the second half to cut loose. During the first two periods the score favored Bentley by only a 24-21 margin.

In the third period Bentley went to town with a 21-

point uprising while Farmington was held to 10 points. Wayne Stevens and Roland Kent fired the Bentley attack which also produced 21 points in the closing period.

Between them Stevens with 23 points and Kent with 21 count-

ed more points than the entire Farmington team. It was a fine way for Bentley's twice beaten (by Redford Union and Grosse Pointe) to end the old year.

The new year spells some bright days and nights for the eagles coached by George Felles on Five Mile Road.

Here's what happened in the earlier-round games:

BENTLEY 50, HIGHLAND PARK 48.

A stunning upset with a thrilling finish! That was the story of this opening round game in the Bentley gym.

The host eagles blew an early lead, then stormed back in the closing moments to gain the nod over the highly-touted Parkers, annually a power in the Border Cities League.

The first period was nip and tuck with Bentley gaining an 11-9 edge. In the second frame, Bentley built up a 22-14 lead as Dave Bergman made a couple baskets and Roland Grand and Wayne Stevens one apiece. By halftime it was Bentley 24, Highland Park 17.

Came the third period, the Parkers hit for seven straight points to tie the score at 34-34. Then the Parkers went ahead 44-39 with 5:17 left in the game. With 3:33 remaining the Parkers held a 46-43 edge.

At this point a jumper by Stevens and a layup by Kent shot Bentley in front, 47-46. Rick Davis followed with a free throw to up Bentley's lead to two points, but with 1:27 to go the Parkers pulled even again.

That set the stage for Davis to unleash a jumper with 17 seconds to go to win the game.

Some fine outside shooting over Farmington's press proved the difference for Redford Union. The teams were tied 17-17 at the end of the first quarter and Farmington went into the second half with a 34-32 command.

In the third period, R. U. pulled away as Driscoll ripped in seven points and Cross and Ben Maibach six apiece.

The rebounding of Maibach and Cross, each with 20 grabs off the board, had a lot to do with the victory. LaPla was held to only four points, but made 11 rebounds.

GROSSE POINTE 62, BENTLEY 56

Grosse Pointe's zone press brought the Pointers from a 31-29 half-time deficit into a 45-37 lead after three quarters. Bentley managed to pull within a point of a tie with three minutes left in the game, only to fall back.

The absence of Bollin, out again with a sore ankle, and the losses of Vern Bergman in the third quarter and John Storm in the fourth on fouls hurt the Bentley cause. Both are fine rebounders.

Kent wound up with 25 points, Bergman 11 and Stevens nine.

Livonia Golfer Fires Ace; May Get Trip To St. Andrew's

NEW YORK—John Christian, 17439 Sunset Road, Livonia, may wind up trying for a hole-in-one at historic St. Andrews in Scotland next year.

The Livonia golfer scored an ace at the Oakland Hills Country Club and thus became eligible for a trip to Scotland for two and \$1,000, in the national Old Smuggler Hole-in-One Sweepstakes.

The name of the winner will be announced in January.

Set Hockey Meeting For Adult Players

All adults interested in playing hockey this year should attend an organizational meeting to be held at Riley Junior High, located at 15555 Henry Ruff, on Thursday, Jan. 3 at 9:30 p.m. in Room 31.

Pick Keith Mahalak To Head U-D Frat.

Keith Mahalak, son of Mr. and Mrs. Walter J. Mahalak, 9952 Bassett, Livonia, has been elected president of the University of Detroit chapter of Delta Sigma Phi.

Mahalak, a Junior in the College of Commerce and Finance, is a 1960 graduate of Catholic Central High school.

Kent led the winners with 19 points and Bergman had nine, along with 14 rebounds for Bentley who played minus Bill Bollins, its star forward who was sidelined with a sprained ankle.

REDFORD UNION 70, YPSILANTI CENTRAL 61

The Township eagles started slowly. They made only four of 14 shots (28 percent) in the first period to fall behind, 17-11. By half time, R. U. led, 29-26, and the Townshipers stayed in front the rest of the way.

After the first period, R. U. hit on 21 of 42 shots (50 percent).

The R. U. team tied the score with 5:02 to go in the second period. Then followed four ties and five changes in lead before Mike Loukinen's tally put R. U. in front for keeps.

At the outset of the third period a basket by LaPla and two by Cross made it 35-26 for R. U. and Ypsilanti never closed the gap to less than seven points.

Driscoll tossed in 26 points as did LaPla. Cross made seven, but hauled in 19 rebounds.

REDFORD UNION 65, FARMINGTON 64

The game actually wasn't as close as the final score might indicate.

With two minutes left to play, Redford Union led by seven points. But the Townshipers somehow couldn't control the situation as the clock ticked off and almost blew the game.

Some fine outside shooting over Farmington's press proved the difference for Redford Union. The teams were tied 17-17 at the end of the first quarter and Farmington went into the second half with a 34-32 command.

In the third period, R. U. pulled away as Driscoll ripped in seven points and Cross and Ben Maibach six apiece.

The rebounding of Maibach and Cross, each with 20 grabs off the board, had a lot to do with the victory. LaPla was held to only four points, but made 11 rebounds.

GROSSE POINTE 62, BENTLEY 56

Grosse Pointe's zone press brought the Pointers from a 31-29 half-time deficit into a 45-37 lead after three quarters. Bentley managed to pull within a point of a tie with three minutes left in the game, only to fall back.

The absence of Bollin, out again with a sore ankle, and the losses of Vern Bergman in the third quarter and John Storm in the fourth on fouls hurt the Bentley cause. Both are fine rebounders.

Kent wound up with 25 points, Bergman 11 and Stevens nine.

SPORTS OBSERVER

By George Maskin

With apologies for being slightly late with our annual Yuletide greetings and with our sincerest wishes for the new year ahead, we'd like to take advantage of this occasion to say:

HAPPY EVERYTHING!
To all the young men who have played on the high school teams which have represented Bentley, Franklin, Plymouth, Redford Union, Thurston, Clarenceville and St. Agatha during recent months; and to all the male students who didn't go out for sports teams, even if they were too lazy to compete.

To all the young ladies, cheerleaders and sweethearts, who regularly show up to support their respective teams; and those girls, who have no special boy friends, but still display a considerable amount of school spirit when their teams take to the battle front.

To the boys who played on Little League and Pony League teams during the summer... or the equivalent of such leagues; to mothers, dads, uncles, aunts and anybody else who made financial contributions to make it possible for this particular community to enjoy some of the best kids' baseball in the entire state of Michigan;

To recreation department officials who work feverishly to make their programs tick and who don't get the help they desire from the adults; to the various high school athletic directors who see to it that their schools perform "in style" be it on a varsity, reserve or freshman basis.

HAPPY NEW YEAR!

To the football squads hereabouts which didn't win a game in 1962; to Chuck Shelton of Redford Union, who was acclaimed the quarterback on The Detroit News All Suburban team; to men like Jack Hudnut and Bob Bentley, who left behind established jobs at Bentley High to start anew at Livonia's new Franklin high school.

To Les Anders, the Livonia athletic director, for his interests in the President's Physical Fitness program (too bad there aren't thousands of men like Anders around); to John Rodgers, for guiding Redford Union football crown; to Gordon Young, who brought back his Thurston team from a bad start on the gridiron.

To Lynn Nutter, who never lost his smile, notwithstanding the fact his last Clarenceville football team suffered defeat after defeat; to John Sandman and his colleagues on the coaching staff at Plymouth, as cooperative a group as a newspaperman will find any place; to Dave Brazil, over at St. Agatha, who is a chip off the ol' block... his dad, of course, being the great Lloyd Brazil at the University of Detroit.

THE BEST POSSIBLE!

To the wrestling coaches at our high schools, men who have done so much to build a sport for boys of every size and physical shape; to those connected with Livonia's ice hockey program who have just about everything they want now except a plant which makes artificial ice (perhaps the city fathers can take care of this matter during 1963);

To our bosses on the Observer papers, men like Paul Chandler and Tommy Thompson who make the space available they do so that we can tell the COMPLETE sports story of the community each week; to Mr. Fred Zollner of the Detroit Pistons, for whom, as you no doubt know, we work full time (although not as a player); to wives of coaches who sound so pleasant on the phone, even when we sound like a grouch, as we call to get the results from their husbands;

To those who scream we don't write enough about their teams and those who scream we are partial to one school or another when we really aren't; to the printers who have to wrestle through our copy every week and complain because they can't figure out our handwriting;

To all the people who have turned out to watch sporting events anywhere in the greater Detroit area during the past year; and to those who haven't; to George Wilson, Bob Sheffing, Dick McGuire and Sid Abel for the jobs they have accomplished with our pro teams; to the college coaches which boast boys from our community; to the officials of the Detroit Race Track on Middlebelt Road.

HAPPY, HAPPY NEW YEAR!
TO EACH AND EVERY ONE OF YOU WHO HAS READ THIS FAR ON THIS DAY, AND THE SAME GOES TO EACH OF YOUR LOVED ONES.

Thursdays (beginning January 10) — 7:30 to 8:30 p.m., adults.

Livonia Golfer Fires Ace; May Get Trip To St. Andrew's

NEW YORK—John Christian, 17439 Sunset Road, Livonia, may wind up trying for a hole-in-one at historic St. Andrews in Scotland next year.

The Livonia golfer scored an ace at the Oakland Hills Country Club and thus became eligible for a trip to Scotland for two and \$1,000, in the national Old Smuggler Hole-in-One Sweepstakes.

The name of the winner will be announced in January.

Set Hockey Meeting For Adult Players

'Camelot' Cast Member Has Local Family Ties

A local-boy-makes-good story comes to print this week when Byron Webster will appear in one of the lead roles in "Camelot" at the Fisher Theatre opening Jan. 8.

Although a native of London, England, when he came to the United States in 1950, he came to Livonia to live with his sister, Mrs. Edsel Boze and her family on Texas Court in Livonia. He appeared in British movies, repertory and with the British Broadcasting Company.

He began his American career in summer stock in this area. After serving in Japan and Korea with the U. S. Army Entertainment section he moved to Chicago and was active in local and civic theatres there.

In New York he has appeared "off-Broadway" in several productions and has been seen in T.V. spectaculars including "Mrs. Miniver," "Scarlet Pimpernel," "Oliver Twist," "DuPont Show of the Month" and "U. S. Steel Hour."

In the New York production coming to the Fisher of "Camelot," Byron Webster plays the part of "Merlyn" and is understudying "King Pellinore." He will again be staying with his family on Texas Court, and they, of course, will be front and center for opening night of "Camelot."

'All-New' Shafer State Theatre Opens to Public

More than 850 leading civic and social figures from Western Wayne County and Detroit inaugurated the newly-remodeled State Theater in Wayne at a special cocktail party and preview showing Sunday night.

More than \$75,000 in special entertainment improvements have gone into the facility in the renovating process, according to brother-owners Martin D. and Charles L. Shafer.

THE THEATER opened to the public on Christmas Day with the "War Lover," starring Steve McQueen, and "Girls, Girls, Girls," featuring Elvis Presley.

The Shafer brothers' night-before-Christmas Eve preview unveiled, among other changes, a new, curved 20-by-51 screen—second largest in the state—served by stereophonic high-frequency sound.

The pre-show cocktail party was held in the theater's spacious lobby, now ornamented by a fountain and miniature garden and various trees and plants.

OTHER NEW additions to the lobby include a special custom-made carpeting, designed by Chicago artists, and a 19-foot long candy stand of free form design.

The interior of the theater features 1,500 nylon-topped foam rubber seats. The walls sparkle with 65-feet long murals of dragons done in phosphorescent paint.

Along with the physical changes, the renovation will make possible improvements in movie fare which can be shown, too, according to the owners.

THERE IS NO other theater in Western Wayne County which can or will offer a new picture earlier than the State Theater, they said.

'Curtain Going Up'

By WALLY ROBERTS

The year '63 stretches out ahead of us. What new crises are imminent? How will the economy go—up or down? Who will burst forth in a blaze of glory to be a new TV personality? All these questions and more buzz through your mind as the welcome bells of the new year ring raucously. One matter can be certain: theatrically, we will have a glorious 1963. Entertainment-wise the situation is well in hand.

The Fisher Theater has "Camelot" booked for a seven-week stay. Maurice Chevalier follows with his one man show for a week during the latter part of February. "How To Succeed In Business Without Really Trying" arrives in April. Somewhere in between all these new musicals you will see and hear the lovely Betsy Palmer in a bright revival of "South Pacific." The months ahead for the Fisher are destined to be merry and musical.

Over at the Vanguard the box office staff gleefully announces that ticket sales are booming for "The Fantasticks." Not since the early success of "Three Penny Opera" have tickets been disappearing so quickly. David Atkinson and Virginia Wing play this whimsical musical comedy with just the right touch of delightful drollery.

Atkinson will open in February in Ibsen's "The Master-builders" and his March appearance will be in the world premiere of E. E. Cummings "Him."

Locally, the Livonia-Redford Players Guild have cast "Majority of One" and are busy rehearsing with Hal Young. Young, who directed "Teahouse of the August Moon" for the Plymouth Theater Guild, finds many similarities between "Teahouse" and "Majority of One."

Many sections of the play use authentic Japanese dialogue. There is a houseboy that is a "living" ringer for Sakini, the hilarious imp that kept "Teahouse" ringing with laughter.

Mark the last week in February for your "must-see" date with this local production.

Hollywood promises bigger and better films in the year to come. "The Loneliest Day," the Darrel Zanuck spectacular at the Mercury and soon to play the Terrace, has already piled up impressive grosses at the box office. "Gypsy" with Roz Russell should do as well in the neighborhood houses.

More Biblical epics are finding their way to the silver screen. "Barrabas," "Sodom and Gomorrah," and "The Greatest Story Ever Told." "Mutiny on the Bounty" with Trevor Howard and Marlon Brando appears to be of Academy Award quality.

Cinerama publicity folk keep reminding us that "The Wonderful World of Brothers Grimm" is for all ages. The premiere of "How The West Was Won," the second Cinerama feature with a story line, took place in London a few months ago. We will get to see this second feature at the Music Hall sometime this Spring.

A third Cinerama feature has been recently completed. "It's a Mad, Mad, Mad, Mad World," the first wide screen comedy.

Our favorite intimate show-place, the Stables Coffeehouse Theater Club, has announced its next two attractions for the year '63: "The Zoo Story" and "Toys In The Attic." Pierre La Marre, the director par excellence of the Stables, informs me that a seldom-seen Tennessee Williams one act drama will accompany the "Zoo Story" offering during the latter part of January.

Wayne State University Players are busy preparing Sheridan's "The Rivals" for presentation in February and late January. Save a date for this comic masterpiece that attacks sentimentality so successfully. All in all, it looks like a grand year ahead for the theater.
