\$4.00 Per Year with Plymouth Address. \$5.00 Elsewhere in U.S.A.

JAYCEE 'BRAIN-TRUST' meeting last week served to finalize last minute plans for the fast-nearing July Fourth celebration here. These six members, together with several other committee chairmen, firmed up final details for the Independence Day festivities which will begin Monday, July 1, and run through Sunday, July 7. From left: advisor Terry West, parade chair-

man Ron Coosaia, general chairman Joe Fletcher, club president Wendell Smith, members Norm Fitzpatrick and Roger Stanley. Complete details on the community-wide July Fourth program are listed on an inside page. The traditional July Fourth parade will start at 11 a.m. that day from the corner of Main St. and Dodge St.

Bang!!

BIG things are in store for Plymouth in connection with its July Fourth celebration next week. A six-day program of fun and festivities has been mapped out by the JayCeers.

Starting Tuesday, July 2, with the arrival of a carnival, the celebration will — of course — include the crowning of Miss Plymouth of 1963, as well as a traditional July Fourth parade down Main St. at 11 a.m., and fireworks at the Carnival grounds that evening at 9:30 p.m.

In between, a host of special activities have been programmed. Lots of exciting give-aways are included, such as the awarding of a Black Angus steer and a 1963 Oldsmobile. The festivities will run until Sunday, July 7.

Full details of the six-day program, as arranged by the JayCeers and numerous other local organizations, are found on a two-page spread inside this issue of The Mail. See for yourself the fun that's in store for Plymouth next week.

What Does Future Hold For Planning Authority?

Exactly what the future holds for a proposed joint economic planning authority encompassing the entire Plymouth community is anybody's guess at the present time.

Major stumbling block — if there is one at all — will arise only over the matter of raising sufficient funds to support the planning authority.

Already, City of Plymouth has earmarked \$5,000 to go toward the authority's tentative first-year budget of \$20,000.

Plymouth Township will be approached for an additional \$5,000; Canton Township will be asked to top up \$2,500; and the Plymouth School District is going to be asked for \$7,500.

Only the City, thus far, has taken official action on the matter. The other three taxing units have yet to meet in formal session to consider the request for financial support.

Spokesmen for both the School District and Plymouth Township report that the proposed planning authority is being met with mixed emotions at the present.

Said one Plymouth Township official this week: "There's a mixed climate here over the planning authority right now." Similar words were uttered by a School District official Monday.

The subject conceivably will come up informally during the joint meeting next Monday night be-

tween the City and the Township.

The School Board may touch upon the matter during its organizational meeting next Monday evening, but the chances are much better that the subject will not come up for consideration until the new School Board meets for regular business July 8.

Canton Township is the fourth taxing unit being approached with the proposal.

Big question there, according to Canton treasurer Phil Dingley, is where the money will come from. The Canton Township Board was scheduled to meet Tuesday night and Dingley

said that the matter would be placed on the agenda, at least for brief discussion.

The Canton administration is "receptive" to the proposed planning authority and "is hopeful" of becoming a part of it. Only a lack of funds on the part of Canton will stand in the way, it would appear.

Delay City Hall Condemnation Suit

A Wayne County circuit court hearing involving condemnation proceedings over the site for new City Hall here has been re-scheduled for July 1.

The original hearing was to have been June 17, but a mistrial was declared at that time and the July 1 date was set for a new hearing.

"Sole purpose of the proposed planning authority," explained City Commissioner George Lawton last week, "would be to strengthen and promote further the economic tax base of the entire community."

Lawton is one of four individuals who several weeks ago gathered together to study the possibility of forming the joint community planning authority.

The authority is an outgrowth of the April Open Forum meeting, hosted by Russell Isbister, superintendent of schools here.

In addition to Lawton, the preliminary study group was comprised of

Tentative Plans Call for Expanded '63 Fall Festival

With basic plans already well underway for Plymouth's 1963 Fall Festival and Rotary Club chicken barbecue, new hopes for expanding the four-day program are also fast maturing.

The Chamber of Commerce has announced that an old fashioned melon-and-ice-cream social will be held in Kellogg Park the evening of Thursday, Sept. 5, opening day of the Festival.

A fish fry is being eyed tentatively for Friday evening, and a day-long pancake feast is being considered for Saturday, Sept. 7. The Rotary Club's ever-popular chicken barbecue will be Sunday, Sept. 8.

Bike-Car Accident Injures 2

Two brothers, one nine and the other 12, were injured Saturday afternoon when both were struck by the same car as they were riding bicycles on Wilcox Rd. near Edward N. Hines Dr.

Nine-year-old John Reynolds sustained a skull fracture as a result of the accident, and his brother, Michael, 12, suffered minor injuries.

The boys are the sons of Mr. and Mrs. Anthony Reynolds, 41674 Greenbriar, in Lake Pointe Village subdivision.

Driver of the car that struck the youngsters was Michael Armbruster, 61, 41255 Bruce, Plymouth. He told Wayne County Sheriff's deputies that he was traveling "about 50 miles per hour."

He was not ticketed, although Sheriff's deputies are keeping the case "open" pending the outcome of the younger Reynolds boy, who suffered the severe head injury.

Officials at St. Mary Hospital, Livonia, said John Reynolds is in "good condition." The other boy, also taken to St. Mary, was treated and released. The extent of his injuries was not disclosed, although it was apparent they were less serious than those of his brother.

Name Divisional Chairmen For Community Fund Drive

Divisional chairmen for the 1963 Community Fund drive have been announced by general chairman Robert Stremich and the Fund's board of directors.

The key post of industrial solicitation chairman was assigned for the second year to Elmer Hedlund, an executive at Western Electric.

The industrial division generally accounts for about one-half of the total contribution annually. Last year it exceeded \$30,000 under Hedlund's direction.

Business solicitation chairman for the 1963 drive will be Hugh Jarvis, owner of Jarvis Gifts here. Sidney Strong, long active in the Community Fund program in Plymouth, will once more be in charge of the professional solicitation division.

Mrs. David Mather, wife of the owner of Plymouth Lumber and Coal Co., will head the residential drive, at which time housewives canvass the community door-to-door. Elizabeth Holmes, Township treasurer, will assist Mrs. Mather.

VFW Members Proud Bunch As Men, Women Win Honors

Members of the Plymouth VFW Post and its women's auxiliary have plenty to crow about these days after encountering wide success at the Michigan VFW convention in Kalamazoo Saturday.

The Mayflower Post's six-man color guard gained top honors in state-wide competition in that division, and the women's drill team won its fifth straight state title in that division.

In both instances, the Plymouth Post — No. 6695 — scored narrow victories. The men's color guard was judged best by a one-point margin over the Berkley VFW Post, and the auxiliary's drill team scored a two-point victory over the auxiliary from the Broadhead Armory Post, of Detroit.

The win by the color guard served to regain the crown which the local post had captured in 1961 but lost last year. For the women's drill team, the victory was the fifth in a row, starting in 1959.

Both local units will appear in the July Fourth parade here.

Dolly Bouterse is the drill sergeant for the women's drill team. Team members are Delores Olsaver, Marion Skoglund, Geraldine Olson, Eileen Krumm, Loretta Young, Eileen Williams, Norma Fletcher, Lucille Johnson, Gertrude Danol, Norma McKindles, Bernice Kopsenski, Betty England and Betty Neale.

For the color guard, Harold Young is officer of the day, Mel Krumm is color bearer, Jill Kamen and Kay Dano.

Chairman of the advanced gifts division will be Sterling Eaton, who held the post last year. He is publisher of The Plymouth Mail.

Stremich, co-owner of Hillside Inn, was named general campaign chairman by the board of directors a month ago. He succeeds City Manager Albert Glassford, who is one of five members of the 1963 campaign advisory committee.

Others who will serve as campaign advisors are Mrs. Marshall North, Frank Palmer, Dr. William Covington and Robert Barbour. Placed in charge of the report luncheons is insurance man Richard Waga. He will be assisted by Earl Merriman, Phil Scott is advertising coordinator and William Nelson is publicity and special events chairman.

Chairman of the board of directors is Russell Isbister. Dates of the 1963 drive are from Oct. 10 to Nov. 1, Stremich said.

The goal for the coming campaign has not yet been established and will not be known until the conclusion of budget hearings involving the various local agencies that receive Community Fund allocations.

The 1962 goal was \$45,050 and the contributions amounted to \$65,922, according to a recent final tally. The drive went "over the top" by nearly 45 per cent.

The various divisional chairmen will meet July 24 to consider plans for the 1963 drive.

Full details of the six-day program, as arranged by the JayCeers and numerous other local organizations, are found on a two-page spread inside this issue of The Mail. See for yourself the fun that's in store for Plymouth next week.

MBA Officials to Consider Bids for Bonds on City Hall

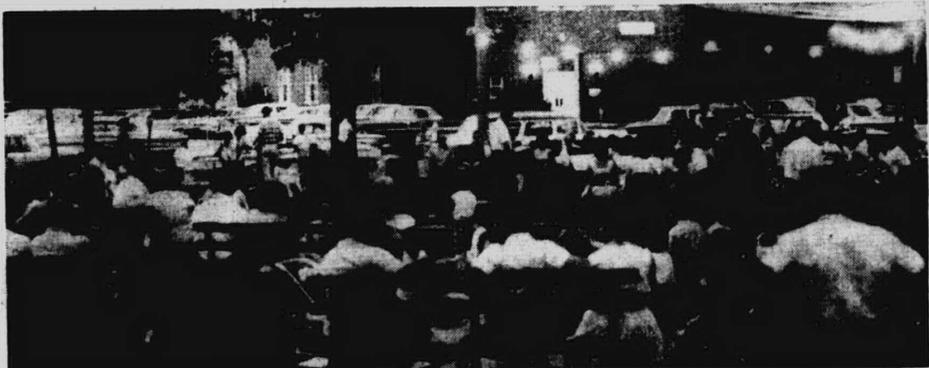

The municipal building authority will meet July 8 to open bids on the sale of \$360,000 of revenue bonds which will in turn produce half of the funds needed for the City to finance the construction of new City Hall.

A spokesman for the MBA said that "most likely" the bonds would be sold to a low bidder for around four per cent annual interest. They will be issued in \$1,000 denominations and will run until 1989.

A federal grant, not to exceed \$255,500, will provide one-half of the cost of the project, excluding the acquisition of land that will comprise the site for the new municipal building. Meanwhile, architect Byron Becker is completing final working drawings and specifications for the building. Once the MBA and the City Commission have both approved the final plans, they will be submitted to federal authorities who must also issue an approval of them.

PUBLISHER HOSPITALIZED

Publisher Sterling Eaton is confined in University Hospital, Ann Arbor, where he will undergo major surgery this Friday.

THIS WILL be the scene Friday evening in Kellogg Park when the Plymouth Community Band, directed by James Griffith, conducts its first summer concert of the 1963 season. The 90-minute program will begin at 8 p.m. and is free to all comers. During intermission, several Shakespearean actors will do a 20-minute performance comprised of excerpts from such plays as "Julius Caesar" and "MacBeth." A total of

seven concerts are scheduled for the summer months, all to be held on successive Fridays. Griffith said that an eighth one will be conducted Friday evening during the Fall Festival in September. Tentative plans for each of the concerts include the serving of refreshments, as was the case last year. Guests at the concerts (above) will be seated on park benches surrounding the band members themselves.

'Y' Board Seeks to Stem Drop-Out Rate

Organized to combat the far reaching and often tragic results of high school drop-outs here, Plymouth's "YMCA Youth Employment Project" got into full swing last week.

"The first purpose of the youth employment program," said director Mike Hoben last week, "is to attempt to persuade the drop-out youngster to return to school and get his high school diploma."

Hoben, perhaps better known as Plymouth High's highly successful varsity football coach, holds a master's degree in guidance counselling from Wayne State University and is a guidance counsellor at PHS.

He presently is doing advanced graduate study in clinical psychology at Wayne State. Last week, he took on the awesome task of actively administering the newly-formed YMCA Youth Employment Project. His offices, at least temporarily, are located in the Credit Union on South Harvey.

"While our first efforts," Hoben said, "will be to

try to convince local drop-outs to return to school for at least a secondary diploma, we're prepared to go decidedly further beyond that point.

"We can't possibly expect 100 per cent success on that aspect, so we're organized to aid drop-outs in obtaining worthwhile employment and a gainful vocation."

He cited the almost alarming statistic that 84 Plymouth High students in grades 10, 11 and 12 dropped out of school during this past school year.

"It figures out to be about seven per cent of the entire high school enrollment," he pointed out. "But, by comparison, this certainly doesn't hurt in car crash

School Board Organizational Meeting Monday

The annual organizational meeting of the Plymouth Community School Board will be held at 8 p.m. Monday evening, July 1, at the Board of Education offices on Mill St.

Two new Board members will be seated. They are John D. McLaren and Carl Schultheiss, both of whom were named to four-year terms at the June 10 election. The seven-member Board will select its new president, who will succeed Gerald Fischer, president since last July 1.

At the same time, a new vice-president, secretary and treasurer will be chosen. Robert Uiter is the current vice-president, Esther Hulsing is secretary and Robert Soth is treasurer.

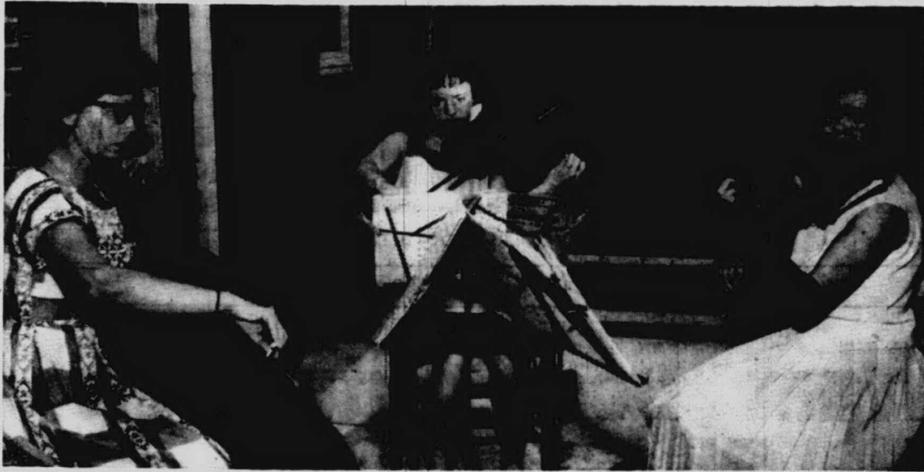

The Board will also consider the appointment of chairmen of the four standing committees, those in charge of finance, curriculum, facilities and employee relations.

The finance committee chairmanship has been held for the past year by Harold Niemi, who was defeated June 10 in his efforts to be re-elected to the Board.

Hurt in Car Crash

A Lake Pointe Village woman and a Garden City teenager suffered minor injuries in an auto crash Monday afternoon at Northville Rd. and the Edward N. Hines park drive.

Barbara Weese, 25, of 15539 Robinwood, sustained facial injuries and Barbara Young, 17, of Garden City, had similar injuries. Wayne County Sheriff's deputies reported that Miss Young's car ran the red light at Northville Rd. and collided with Mrs. Weese's auto. Miss Young was ticketed.

PLEASANT LAWN concert took place one morning last week at the home of Mr. and Mrs. Herb Woolweaver, 660 Sheldon. Although there were no guests on hand, neighbors on either side of the Woolweaver home were appreciative of the musical interlude. Actually, it was just another of the regular weekly practice sessions by the three women shown here. From left: Mrs. Woolweaver, at the cello; Mrs. Richard Braun, who is

playing the viola and lives at 9073 Ball St.; and Mrs. Percy MacKenzie, a violinist, whose home is at 780 South Evergreen. All three women are members of the Plymouth Symphony Orchestra and meet each week for pleasure and practice. Last week's session in the Woolweaver back yard was the first time this year the ladies have been able to practice outdoors.

Fall Festival Taking Shape

Although it's still only the month of June, the thoughts of many planners of Plymouth's 1963 Fall Festival are concentrating more and more on the dates of Sept. 5-8.

That's the four-day span of the fourth-coming Fall Festival, a community-wide project that is fast shaping up as the most ambitious undertaking ever attempted here.

Only the basic plans are firm up at this time, but a suggested outline of events has been taken under consideration. Alterations in the suggested outline will be made, it is assumed, and numerous other activities will be added to it as the weeks go by.

This is the suggested plan at the present, according to Margaret Wilson and Jim Thornton, general co-chairmen for the affair.

Thurs., Sept. 5
The barber shop quartet competition is slated to begin at 7 p.m. in Kellogg Park, and plans are being studied to incorporate an old-fashioned m(e)l(e)on and ice cream social that same evening.

Fri., Sept. 6
The steam calliope will arrive at Kellogg Park at 3 p.m. and the German band

will entertain there beginning at 7 p.m. Some sort of a Friday evening dinner at Kellogg Park is being considered.

Sat., Sept. 7
The Wally Byam Trailer Club will arrive in town early on this date, and tentative plans include the possibility of having a pan-cake feast starting at 8 a.m. The pet show will be held at 9 a.m. in the central parking lot. Indian Dancers will entertain at 2 p.m. in the park, and some sort of dinner is being tentatively planned to start at 6 p.m. A band will entertain in the park starting at 7 p.m. and at 9 p.m. the square dance party begins.

Sun., Sept. 8
Basic feature of this day is the Rotary Club's annual chicken barbeque, but an 8 a.m. breakfast is also being considered.

Family Service Plan Okayed

Plymouth's family service counseling program was as good as guaranteed last week after the board of directors of the Ann Arbor Community Fund agreed to a plan whereby the Ann Arbor family service agency will supervise the local activity.

According to Russell Isbister, president of the Plymouth Community Fund, which will finance the program, Sept. 1 is the target date for setting up the local service.

Since the Ann Arbor family service agency is supported by the Community Fund in that city, the board of directors of the Ann Arbor Fund had to approve the plan.

Isbister said the local family service agency will be headquartered in the Veteran's Memorial Center on Main St. next to the Senior High.

He said that a trained social case-worker must still be hired.

New Dentist Joins Lake Pointe Clinic

New dentist setting up his practice here is Dr. Gary Hall, 28, a native of Flat Rock, Mich., and a graduate of the University of Detroit dental school.

He will have offices at the Lake Pointe Medical Clinic, 42875 Five Mile Rd., near Northville Rd. He received his bachelor's degree from Eastern Michigan University in 1958.

He and his wife, Carol, plan to move to Plymouth in August. Mrs. Hall, originally from Detroit, is presently attending school at Eastern Michigan. The couple have one child, a girl, Lorelei, 3.

Requests Opinion On Township Smoke Abatement Ordinance

Fred Davids, 39627 Plymouth Rd., appeared at the Township Board meeting earlier this month to ask that an opinion be requested from the Wayne County prosecutor's office regarding the "legality and constitutionality" of the Township's smoke abatement and air pollution ordinance.

Davids is a state police captain and commands the second state police district. His appearance, however, at the Township Board meeting was only as a resident of the Township.

Residents of Davids' neighborhood along Plymouth Rd. for some time have been concerned over the industrial soot that falls on their property from such industries as Burroughs Corp.

Two Plymouth Teens to Attend Hi-Y Congress

Linda Ross, 525 Blunk, and Randy Munshaw, 555 Byron, will leave Wednesday to attend the 10th National Hi-Y Congress at St. Olaf College, Northfield, Minn. The two youngsters will represent the Hi-Y Club of the Plymouth YMCA.

The Congress will last from June 27 to July 2. It will bring together more than 1,200 youth and fraternal delegates from all parts of the country. The Congress is held every three years.

All told, with the numerous delegates from foreign countries, the attendance will exceed 1,500 persons.

The Michigan delegation will travel by chartered bus under the direction of Roger Blood, 1150 Roosevelt. He is the state YMCA director of youth programs.

Delegates from four other Michigan communities will be entertained overnight here in

Plymouth prior to the trip. Theme of the Congress is "This I Believe."

In other YMCA news, a statewide campaign, entitled "Let Freedom Ring," is presently being conducted by the Hi-Y clubs of Michigan. Among the local committee

chairmen is Terry Holt, 630 Byron.

The campaign is a nationwide attempt to recapture the real meaning of the Fourth of July. Church bells in all communities will ring at 1 p.m. on July 4, symbolizing the nation's freedom.

Three classes will be conducted daily, Dart explained. The first is from 9 to 10 a.m., the second from 10 to 11 a.m., and the third is from 9 to 10 p.m. The evening class will not be held Wednesday nights.

Registration is now in progress, either at the recreation office in the Senior High or by contacting Dart at GL 3-0231. He said that the program was suggested by Plymouth High's varsity football coach, Mike Hoben.

Dart said that it is hoped all PHS athletes will take part in the weight-training course.

Kiwanians Adopt Filipino Child

Members of the Plymouth Kiwanis Club have 'adopted' Edgardo A. Lim, a 13-year-old Filipino boy, through the Foster Parents' Plan, Inc., New York City.

The Kiwanians will provide \$15 a month toward the child's support for at least a year. 'Adoption' through the plan is financial, not legal. Of the \$15 monthly, the child receives \$8 a month as a cash grant. The rest goes toward food and new clothing, medical care, school fees and equipment and translations of letters.

Foster Parent's Plan, Inc., is a non-sectarian, non-profit, independent, government-approved organization.

During the past 26 years Foster Parent's Plan has enlisted over 600,000 American Foster Parents who have adopted 100,000 destitute children.

Vacation Begins On Windy Note For Mail's Employee

Stew Robinson, a compositor at The Plymouth Mail, almost thought twice about continuing his vacation earlier this month.

He and his wife, who live in Northville, arrived in Chetek, Wisconsin, at the start of his vacation June 8 and were promptly greeted by what he described as a "near-tornado."

Robinson, a native of Wisconsin, said that the high winds that accompanied the storm blew off the roof of a chicken farm killing many of the 25,000 chickens there, knocked over numerous large trees, and toppled several tall television towers.

He and his wife weathered the severe storm, however, and stayed on in Wisconsin visiting friends and taking it easy almost exactly as they had set out to do in the first place.

They returned Sunday. Robinson has been a compositor at The Plymouth Mail 11 years.

CHICKEN BARBEQUE DRIVE-IN TO OPEN

A drive-in chicken barbeque is being built at 1108 S. Main St., the former site of the Trampoline Center, which went out of business a year ago.

Construction on the chicken barbeque drive-in got underway earlier this month and will be completed by mid-July.

UNUSUAL new concept in home design is found in the "Harmony Home" unveiled recently in the Garling Riverside Estates near Ann Arbor, Tr. and Riverside Dr. With a basic price of \$16,900, the split-level "Harmony Home" features four bedrooms, a paneled living room, an entrance foyer with wrought iron railings leading to both the upper and lower levels, an adjoining powder room, full electric "house-power," carpeting and numerous other special effects.

AT THE right is the wrought iron railing treatment at the front entrance-way. Above, Fred Garling, head of the Garling Building Co., and Dan Oles, Plymouth general sales manager stand in front of the furnished "Harmony Home" model. The Garling Building Co. has been in business 43 years and during that time has served virtually all of the southeastern Michigan area. More recently, the firm built a large apartment development in Phoenix, Arizona.

THE UPPER level of the "Harmony Home" includes a full bath and an adjoining vanity with a wash basin. Double folding-door closets are featured in all three of the upper-level bedrooms.

The family plans a canoe trip in a few years when they will teach the girls how to paddle so Momma and Poppa can have a little more restful trip next time.

A week-long vacation recently for Jerry and Inez Hill took them from their Greenbrook home to Boston and return. In Stoughton, Mass., they visited Jerry's sister and her husband. A special occasion was the 50th wedding anniversary celebration for Jerry's grandparents, Mr. and Mrs. Howard Davenport, here. The Lake Pointe couple took their three children, Jennifer, 4, Suzanne, 3, and Nancy who observed her first birthday during the trip.

Dick and Vickie Lang, of Brentwood, went to Hell for the weekend. Actually, it was the cottage of Vickie's parents at Highland Lake, near Hell, Mich. The four Lang youngsters, Richard, 15, Steven, 12, Barry, 5, and Jennifer, 19 months went to Hell, too. Pardon the overworked pun, Dick and Vickie, but it was irresistible.

Lake Pointers are well-represented in the new slate of officers for the JayCees and the Jay-Cettes. New president of the JayCees is Wendell Smith, Shadywood, one of the vice-presidents is Maurice Breen, Greenbrook, and secretary is Berry Coutts, Greenbriar. Outgoing president is Jim Garber, Hammill Lane.

For the Jay-Cettes, new president is Marianne Garber; vice-president is Judy Coutts; secretary is Mary Breen; and one of the directors is Carol Lauterbach, Greenbrook.

The new officers were installed during a dinner-dance at the Farm Cupboard recently. Bob and Sally Petersen, Robinwood, hosted a cocktail party before the dance. Other Lake Pointers attending included: Doug and Sally Blunk, Brentwood, John and Margy Murawski, Greenbriar, and Larry and Barb Schendel, Hammill Lane.

RECEIVE DEGREES

Phyllis E. Peterson, Leaverton, 4428 Ciare Blvd., and Anne E. Denny, 11750 Priscilla Lane, were among the 1,817 persons awarded degrees at Wayne State University's commencement exercises Thursday, June 20, in Detroit's Cobo Hall.

Phyllis Peterson received a Bachelor of Science degree and Anne Denny a Bachelor of Arts.

Lake Pointe News

By Marilyn O'Neil — GL 3-0057

A bit belated but none-the-less fitting is a salute to 73-year-old Charles Vickstrom, who for the past three years has been the road crossing guard at Robinwood and Schoolcraft. Countless Lake Pointe mothers are indebted to Mr. Vickstrom and his careful concern for their Farand School youngsters as they cross Schoolcraft. Retired six years, Mr. Vickstrom lives at 13040 Dunn Court, which is half-way across the community from Lake Pointe. Still, on the coldest of winter mornings he was always out at the Robinwood-Schoolcraft crossing a little bit earlier than usual in order to shovel a walk-way for the youngsters who soon would come trekking along enroute to their classrooms. He even would sprinkle a bit of sand so that the slippery going those winter mornings was just a little safer all the while. At any rate, Mr. Vickstrom — who has three children of his own and each of whom went to Plymouth High — has been reassigned to the Bird School road crossing next fall and we won't have his good services here again. Our thanks to you, Mr. Vickstrom; we are indeed appreciative over what you did for our children.

New Lake Pointers, but by no means new to the Plymouth community, are Jim and Ann Griffith (Farmbrook), Ray and Darlene Anthony (Huntington Dr.), and Mert and Lois Williams (Russet Lane).

Jim Griffith is director of music for the Plymouth schools. He and his wife have lived in the community since 1957, and on Ann St.

Chalk up another Lake Pointe resident — a tiny new one. Brigitte Jarrait made her arrival June 9 and weighed 10 pounds and six ounces. Parents are Charles and Helen Jarrait, Greenbrook. The couple have five other children, Michele, 13, Charles, 11, Denise, 7, Lisa, 4, and Marc, 2. Helpful neighbors pitched in and took over Helen's household duties while she was in the hospital. The neighbors included Beth Welch and Eva Moll, both of Greenbrook and Ellen Wilson and Diane Stevens, Farmbrook.

Don and Marilyn Camron, Brentwood, and their two children, Elizabeth, 9, and Jennifer, 8, had a rather unusual Saturday recently. They rode a flat-bottomed boat down a three-mile stretch of the Pere Marquette river near Baldwin, Mich. Means of motivation was a 25-foot pole that they used to push their way along. They caught a couple of trout and stopped to have lunch on the river bank. Marilyn said later "it rained just enough to make the mosquitoes hungrier."

THE CALVARY BAPTIST vacation Bible School concluded last Friday evening here and attracted an estimated 300 youngsters and approximately 100 adults and young people each evening. The church's congregation numbers 250 and the pastor is Rev. Patrick Clifford. He is shown here entertaining three of the youngsters with "Bimbo," a mitten puppet. The chil-

dren are Jonny Hawley, 4, his sister Jane, 3, and Dawn Wall, 4, partially hidden from the camera. The Calvary Baptist church was one of the first churches in this area to hold its week-long vacation Bible School in the evening and, according to Rev. Clifford, the response "has been very good." Topic this year was "Living with Christ."

Three point winner was Peter Meredith, and two point winners were Jeff Manley, John Hoffman, Mike Joslyn and Dennis Shelley. Bruce Bond was one-point winner. The beginner's division at 10 a.m. featured 20 boys and girls attending the hour-long clinic. Anyone interested in joining may come out each week and register. There will be two more weeks of lessons and actual play begins July 15. Players must attend each clinic to qualify to play.

This column is written by Plymouth's Mayor Richard H. Wernette

It was an honor to have Sterling ask me to pinch-hit for him while he is convalescing. I hope I don't lower the quality of his column by what I submit. First of all I'd like to put down some of the ideas I returned with after spending Mayor's Exchange Day in Monroe. They took us through the La-Z-Boy chair factory, lunch at St. Mary's Academy after a beautiful musical program of welcome by the Academy orchestra and choral groups. Then on a tour of the Academy buildings, including a new auditorium, which Arch and Joanna Vallier, who accompanied us, my wife, Jean and I thought was just about what the Plymouth community needs for our Symphony, the theatre group and other activities. Then a trip through the Enrico Fermi atomic power plant of the Detroit Edison Company, which was most interesting and instructive, with the day ending at a banquet at their St. Paul's Methodist church.

Monroe is an older community than ours and somewhat more than twice as large. Approximately 70% of their tax base is commercial and industrial, consequently their tax rate is lower than ours. I had the impression that many of their officials don't realize how fortunate they are. They have nothing like our Industrial Development Corp. nor did I meet any dedicated individuals such as our Frank Arlen, Harold Guenther and the others, who devote so much of their time and energy to bringing new industries to our community. They cannot match our new R.C.A. or Willys plants. In fact one of their larger industries is moving a part of its operation to the South and some of Monroe's leaders are concerned about replacing it and attracting some new industry. They seemed most interested in learning what Plymouth has done and what success we have had.

Just recently, Monroe started their first Urban Renewal Project. Area wise it is many times larger than ours and will be a major improvement when it is completed.

However, it is in the field of service to their youth that I feel Monroe is far ahead of Plymouth. I spent considerable time with their Mayor Pro Tem, who is a counselor in their high school. He gave me a vivid explanation of what they are doing. They have a youth center located in the older, less desirable part of the city where it is most needed, with a full time director. They feel, while it is an added expense, it is very much worth while and money well spent, rendering a service that saves them money in the long run. They also have a very extensive vocational training program in their high school. A smaller percentage of their graduates go on to college than ours, which perhaps justifies spending as much as they do, if justification is necessary, to help those that don't go to college prepare for a better future and employment opportunities. I gathered that their program is far ahead of any we have.

While we have some juvenile delinquency in Plymouth, we are most fortunate in that it has not been a major problem. I feel many of our churches, the scouts, the junior police, the baseball league and the numerous other groups can take credit in a large

part for this good record. However, there are a group of youngsters, many of whom are high school drop-outs, who are not reached by these organizations and in many instances are the very children that need help the most. I feel we need a youth center for this community now, and as we grow larger the need will become greater. We cannot expect the dedicated individuals who give so unselfishly of their time to these young people to continue to carry the increased load of the future. Steps should be taken to set up a youth center preferably in the older part of the city where many of the unreached youngsters live. Consideration should be given to the advisability of making this service available along with the family counseling service that I understand will shortly be provided for this area, as, in many instances, the two go hand in hand. Too, I feel that plans for a civic center should include youth facilities and the same be given major consideration.

When I was in Washington attending Senator Hart's Mayors Conference, Dr. Francis Keppel, the U. S. Commissioner of Education, was one of the speakers. He asked the assemblage how many present had, or were attempting to get government grants for new city halls or other municipal buildings. About 20 or 25% of us raised our hands. Then he asked how many had or were planning new youth centers. Not a hand went up. This surely highlights our primary concern and the lack of concern about juvenile delinquency problems.

While there, I inquired into the possibility of securing federal assistance if we decided to build an auditorium and civic center. I was informed that if funds were made available for a future accelerated Public Works Program, this would be an ideal project for a matching government grant. With the present legislative limitations, our school system cannot act as the sponsoring agency. It was suggested that a building authority, similar to the one set up by the city to build the new city hall, might be activated by the city and the township with the school board being a silent partner. The officials, with whom I spoke, suggested that the preliminary ground work should be completed so that, if and when the time comes, we would be prepared to get our application for funds in without delay. It seems to me that if the people of this community want an auditorium and civic center, this is one means of financing it without too heavy an additional tax burden. The pros and cons should be thoroughly discussed, however, before we go ahead with it.

In closing, and speaking for the entire commission, I wish to invite you residents to attend your City Commission Meetings. They are held on the first and third Mondays of the month at 7:30 in the evening. We invite you to bring up matters which you feel need attention. Also to offer criticism and advice on the matters we are considering. Since many times we are at a loss to know how the residents feel about such matters, if you are unable to present a letter or petition will receive our considered attention.

Plymouth Township Minutes

OFFICIAL PROCEEDINGS TOWNSHIP OF PLYMOUTH BOARD MONTHLY MEETING 8:00 P.M. JUNE 11, 1963

Supervisor Lindsay, declaring a quorum present, called the Township Board meeting to order at 8:05 p.m. The minutes of the May 14, 1963, were read, and there being no objections or corrections, the Supervisor directed that the minutes be approved as read. Upon a motion by G. V. Sparks, supported by Ralph Garber, the bills presented for payment, as corrected, be approved for payment. Carried.

The Urban Planning Assistance Project, Mich. P-62, was submitted by Supervisor Lindsay for approval. The cost of this Project will be \$17,750.00, of which the Township's share will be \$4,779.00. It was moved by Elizabeth Holmes, supported by Dick Lauterbach, that the Supervisor be authorized to sign this contract in behalf of the Township. Carried unanimously.

The Board then moved to request the Wayne County Road Commission to upgrade that part of Sheldon Road within the Township (Joy Road to Five Mile Road) from a secondary road to a Class "A" load-limit road.

A plan to install a sanitary sewer along Wilcox Road to service a proposed gasoline station at Wilcox and Schaeffert Roads was tabled for further study and recommendation, due to the shallowness of the proposed sewer.

Supervisor Lindsay then recognized members of the Civil Service Commission, who were in attendance at this meeting, requesting if their appearance was for bringing any matter before the Board, seeing nothing on the agenda. Mr. John Ort requested to know what action had been taken relative to the appointment of a Fire Chief, due to the fact that the temporary 90-day appointment had run out. Supervisor Lindsay stated that he had asked the Assistant Prosecuting Attorney, Mr. Suchy, personally last Thursday, June 13th, for this opinion, whether Township could be forced to appoint a full-time fire chief, and he stated it would be forthcoming. It was further revealed that no formal request had ever emanated from this Board, and, upon a motion by Ralph Garber, supported by Dick Lauterbach, the Board directed the Supervisor to obtain such an opinion at his earliest convenience. Dick Lauterbach requested a roll call vote, and the Supervisor directed the Clerk to make such record. A roll call vote was then taken, and all Board members voted "Yes".

Supervisor Lindsay then called on Fred Davids, inquiring if he had anything he desired to bring before the Board. Mr. Davids stated he was present for the purpose of requesting the Board to obtain an opinion from the Prosecuting Attorney relative to the legality and enforcement of the Township Zoning Ordinance, Act III, Sec. 3.29 (a) (b), Air Contaminates. Mr. Davids further stated he had contacted the Prosecuting Attorney's office and was told there would be an opinion rendered if the request came from an official source. It was moved by C. V. Sparks, supported by Ralph Garber, that the request for the opinion be made. Carried unanimously.

The meeting then reverted back to the agenda. Water main plans along Ann Arbor

Road across the front of Woodlore Subdivision were approved, and the Engineer directed to proceed with a request for bids for the project. Lakepointe Subdivision No. 6 easement between lots 446 and 447 for the purpose of a sidewalk and fence along Lowell Ave. to Farland Schoolgrounds was accepted as dedicated when Mrs. Holmes presented a letter from the Plymouth Community School District stating it would be liable for its maintenance.

An amendment to Ordinance No. 21, Sec. 5 (5), Water Connection Charge, was unanimously approved when it was shown that the increased cost of meters necessitated the increase. An additional \$15.00 was levied against all sizes of service of this type.

The Township Board approved a Hospitalization Program for the employees of the Township wherein 50 percent of the costs thereof will be borne by the Township. It is to become effective July 1, 1963. Additional street lights will be added to the existing program of the Township, being located at the following intersections: Six (6) on Plymouth Road in front of Burroughs Corporation One (1) at Marilyn and Ann Arbor Road One (1) at Beck and Five Mile Road One (1) at Beck and C. and O. Railroad One (1) at Ridge Road and C. and O. Railroad

Justice Martin Schomberger was granted leave and funds to attend the Justices Association at Cadillac, Michigan, June 25 through 30th. The Clerk, having not received any bids for the excess water line pipe on hand was authorized to dispose of it as salvage at his pleasure.

Upon Supervisor Lindsay's recommendation, the following persons were reappointed to a three year term on the respective board or commission.
PLANNING COMMISSION: Austin J. Stecker, 45435 N. Territorial; Arthur Haeckel, 41990 Brentwood; Tivadar Balogh, 49800 Joy.
HEATING BOARD: Peter Tomkovich, 1429 Southworth; Bruce Kolak, 47035 N. Territorial.

There being no further business, the meeting was adjourned at 10:10 p.m. on a motion by C. Veach Sparks, supported by Louis Norman. Carried.

Respectfully submitted, John D. McEwen, Plymouth Township Clerk

THE KEY CLUB of Plymouth High School, sponsored by Plymouth Kiwanians, was officially chartered Monday night and 28 teenage boys were accepted into the Key Club. Above, the charter is presented to Philip Johnson (right), Senior High faculty advisor to the Key Club. From left: Joe West, chairman of the Kiwanis Key Club committee; member Ernest Henry; Kiwanis Club president Walter Gemperline; and Johnson. Below are the Key Club's charter officers. Seated, from left: president Bob Hill; vice-president Jim Norman; secretary Jonathan Adams; and treasurer Dick Irvine. Standing, from left: Kiwanis Key Club committee chairman West; and board of directors members Mike Childs, Geoff Burke and Tom Chandler. Purpose of the Key Club, among other things, is to develop initiative and leadership among Plymouth's young people.

Township - City

(Continued from page 1) along Sheldon Rd. north of the C & O railroad tracks. The success of the proposal will hinge largely on the use of the Township's well field along Northville Rd. near McAllister's Grocery. The proposal might even include the construction of a joint City-Township water line from the Township's well west to Sheldon Rd.

Other subjects that are of equal concern to both Town-

ship and City officials will also arise during the meeting, which will be an informal session. No specific action will be taken.

Joint meetings of this nature between administrators of both municipalities have been more and more frequent in recent years. The latest such gathering, about two months ago, dealt with an agreement over mutual sewage and flowage rights between the two governments.

What Does

(Continued from page 1) The four individuals met initially under the title of the "community development committee."

A fifth person who was drawn into the preliminary talks was Dingeldey, the Canton Township treasurer.

reflect on the Plymouth school system, by any means.

"The national average for drop-outs from the same three grades is better than 30 per cent," he said.

Of the 84 local youngsters who left school before receiving diplomas last year, four out of seven were boys.

"Finding permanent, gainful work for these young men is going to become an ever-increasing problem," Hoben said.

"It's time the public became aware of an urgent problem, not only here in Plymouth, but across the entire nation."

The youth employment program was initiated after members of the Y M C A's board of directors studied the subject for a lengthy period. Hoben was asked to assume the program's administrative responsibilities.

"As I see it," Hoben explained, "the ultimate purpose of the project is to provide drop-out youngsters with an opportunity to earn sufficient funds which in turn will enable them to acquire the basic skills of available permanent jobs within their capabilities."

Returning to the local drop-out rate, Hoben explained that

SCHOOL BOARD EYES NEW BOARD JULY 8

The 1963-64 operating budget for the Plymouth community School District is expected to receive formal approval during the regular School Board meeting Monday, July 8.

The new budget for operating needs will be approximately \$2,661,000, compared to the \$2,470,000 budget in effect for the current fiscal year, which concludes June 30.

The increase will be offset by a boost in school tax revenues, derived from a growth in the industrial, residential and commercial tax base. No added school tax will be necessary.

LEGAL NOTICE

To the Supervisor of the Township of Northville: You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on June 13, 1963, decide and determine that the certain streets described in the following said Board should be County roads under the jurisdiction of the Board of County Road Commissioners of the County of Wayne, Michigan, at 9:00 A.M., Eastern Standard Time, Thursday, June 13, 1963.

Present: Commissioners Kreger and Neudeck. Absent: Commissioner Barbour.

Commissioner Neudeck moved the adoption of the following resolution: BE IT RESOLVED, by the Board of County Road Commissioners of the County of Wayne, Michigan, that it hereby accepts the dedication to the use of the public of the following described roads and they are hereby taken over as county roads and made a part of the county road system of the County of Wayne.

All of Curtis and Pickford Avenues, Pickford Ct., Pinebrook and Shad Brook Drives as dedicated to the use of the public in SHAD BROOK SUB. of part of the E. 1/2 of Sec. 9, T. 1 S., R. 5 E., Northville Twp., Wayne Co., Michigan, as recorded in Liber 86 of Plats on Pages 90 and 91, Wayne County Records. Constituting a total of 0.967 mile of County Roads.

The motion was supported by Commissioner Kreger and carried by the following vote: Ayes: Commissioners Kreger and Neudeck. Nays: None.

Absent: Commissioner Barbour.

In testimony whereof, I have hereunto set my hand at Detroit, Michigan, this 20th day of June, A.D. 1963.

BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, Michigan
William E. Kreger, Chairman
Al Barbour, Vice-Chairman
Philip J. Neudeck, Commissioner
By Marvin C. Buyers, Secretary and Clerk of the Board (6-25-63)

more than one-third of the 84 students in the tenth grade. Essentially, that is the class in which members reach the age of 16 and are legally permitted to leave school.

"Over the years, these youngsters — as they reach adult-hood — have little prospect of obtaining good, permanent employment."

Hoben intends to contact each of the 84 drop-out cases to urge them to return to high school.

Beyond that point, he is prepared to find at least temporary employment for them, which in turn could lead them eventually to a vocational school where they could learn a trade within their individual abilities.

Already Hoben has talked the situation over with numerous community leaders and will carry the message to service clubs in hopes of obtaining wide-spread cooperation.

Parents can help, too, Hoben added.

"We're looking for adult volunteers who would be willing to teach basic trades to these youngsters so that they may be more fully-equipped to compete for jobs over the years ahead."

He explained that a few local — but temporary — jobs have been uncovered. "These are the stepping stones toward making the youth employment project a real success," he said.

Temporary jobs aren't the full answer, however. "These positions must in turn lead to an awareness on the part of the drop-outs — and their parents — that either further basic education is necessary, or the youngsters must acquire a fundamental skill which will assure them of gainful employment during all of their adult-hood."

Hoben invited local young people between the ages of 16 and 25, who have not completed their high school requirements, to register with the YMCA Employment Project.

Registration begins June 26, and will take place at Hoben's office in the Credit Union, 500 S. Harvey.

The Youth Employment Project, less than two weeks old officially, is still deep in its birth stages. Only the cooperation of the community and its leaders and residents can achieve the success desired, Hoben said.

"We're dealing in terms of vocational counselling," Hoben said, "with our sights set on diminishing the drop-out rate and guiding those who remain as drop-outs into a worthwhile occupation."

He explained that his office

is equipped to administer vocational tests which serve as indicators of the basic aptitudes of drop-out youngsters.

While the project is only now getting underway, it is designed to become a permanent program within the Plymouth community. Hoben emphasized the fact that it was not conceived as simply a summer program alone.

"It can only be truly successful if the community helps it grow and supports it," he said.

"We have the capability here to develop a program that will benefit the entire community, if only the residents and the drop-outs themselves can be made to understand its underlying values."

By CLARA WITHERBY - GL 3-7435

The Hough Extension Group finished their season with a pot-luck picnic at Nankin Friday evening, June 1, for members and their families. There were twenty-

two present, and many delicious dishes were enjoyed.

Ileen Schultz, daughter of Mr. and Mrs. Roy Schultz of Lilley Rd., gave a surprise Farewell Party Thursday June 13 at her home, for Robin Hampton, who is moving, with her family, to Wheaton, Ill. It was an outdoor party, with games, prizes, and refreshments, of roasted hot dogs, cake, ice cream and beverages. Those present were: Carol Scherple, Sue Hulse, DeeAnn Bosman, Rhea Flucky, Vicky Allor, Mary Jo Arnold, Judy Ing, Ann VanOrnum, Sue Davis, Mary K. Larson, Sue Rybka, and Ileen. Robin received many lovely gifts, and was also presented with a stuffed autographed dog and an autograph book.

Kerry Bordine, son of Mr. and Mrs. Roger Bordine of Saltz Rd., was the guest of honor at an open house celebration held by his parents, on Sunday, June 16 in honor of his graduation from Plymouth High School. Approximately 55 guests, neighbors, relatives and friends visited to extend their congratulations, coming from Detroit, Flint, Ypsilanti, Livonia, Garden City and Wayne. Kerry received many fine gifts, but there were two items that highlighted the event. One, a letter, that is treasured by Kerry, from his Great Grandmother, Mrs. Inez Eckles, of Traverse City. Mrs. Eckles is ninety years of age, and though she was unable to attend the open house, wrote her great grandson a lovely letter of congratulations. The other gift, a leather-bound Bible, inscribed with Kerry's name in gold, was presented to him by his Cherry Hill Methodist Church Sunday School Teacher (of many years ago) and husband, Mr. and Mrs. Ken Conklin. The guests enjoyed refreshments of cake, coffee, ice cream and punch. In January, Kerry plans to attend the Spartan Aeronautic School in Tulsa, Okla. for a 24 month course in airline maintenance technician training.

Jack Koers, son of Mr. and Mrs. Everett Koers of Gyde Rd. left Friday morning, June

21, for Great Lakes, Ill., for his Navy boot training. He was met by his brother, Robert, who has been there one year, and is in Radar school. Jack, who graduated from Plymouth High School June 13, was honored by having both sets of grandparents present; Mr. and Mrs. Jack Koers, from Dearborn, and Mr. and Mrs. F. Cioloski from Detroit; also Jack's uncle and children, from Wayne.

Sandra White, daughter of Mr. and Mrs. Norris White of Sheldon Rd., who was a 1963 graduate of Plymouth High School, was honored at an open house Saturday evening, June 15. Approximately 75 attended, including her aunt, Mrs. Warren Schaffter, from Mt. Eton, Ohio, who came for the occasion. Sandra is planning to attend Eastern Michigan University in the fall.

Mrs. Kathryn Simons of Canton Center Rd. attended a 50-year High School Class

re-union at Sneydygan, Wis. Thirty-three of the original class of seventy, attended. Mrs. Simons' daughter, Mrs. Pat Golden of Southfield, Mich., accompanied her on the plane.

P.F.C. Donald Wilkin, son of Mr. and Mrs. Columbus Wilkin of Beck Rd. who is with the Army Medical Corp., stationed at Chapeau Croix, France, is enjoying a 12-day furlough in Paris, where he attended the Auto Races at LeMans. Donald is expected to be home in August, and out of the service.

Mr. and Mrs. Aldred Barkley of Gyde Rd. have as guests, their daughter and

husband, Mr. and Mrs. R. W. Miller and their three children, from Lima, Ohio.

Mrs. Wilford Bunyea, of Ford Rd., accompanied by Mrs. Elizabeth Holmes Sunday, June 16 went with a group of Eastern Star women, and their husbands, to Alma, Mich. where they visited Mr. and Mrs. Ed. Brown at the Masonic Home, where they now reside. They also made a tour of the home, and had a pot-luck dinner, with Mr. and Mrs. Brown as their guests.

Mr. and Mrs. Maxwell Allen of Gyde rd. had as callers, Mr. Allen's uncle and wife, Mr. and Mrs. James Fenner

Allen of Detroit, who were accompanied by Mrs. Gladys Nichols, who is Dean of Women at a girl's school in Skaneateles, New York.

Mr. and Mrs. Allen also had as callers, Mr. Allen's cousin and wife, Mr. and Mrs. George Maxwell, from Tucson, Arizona. Mr. Maxwell is a retired professor of physics, from Kansas State Agricultural College, Manhattan, Kan.

Charles Hampton, son of Mr. and Mrs. Koss Hampton of Ford Rd., who is a 1963 graduate of Plymouth High School was given a pizza party June 11 by his mother, for twenty of his friends, who surprised him by turning it

into a farewell party, as he and his family are moving to Illinois, where his father is now working.

Rodney, Charles' younger brother, was also given a farewell party by his friends at Little Silver Lake.

Mr. and Mrs. Carl Birdsall and four children, of Lilley Road, flew down to Panama City, Fla., to spend the weekend with Mrs. Birdsall's sister and husband, Mr. and Mrs. Charles McMillan and baby daughter.

Debby Bosman, daughter of Mr. and Mrs. Edward Bosman of Hanford Rd. played in a piano recital June 16 at the home of her teacher, Mrs.

Grandell. Debby also played at Cobo Hall, June 9 in a recital of approximately 1,000. Debby is recovering now, from a broken arm.

Richard and Scott Soth, sons of Mr. and Mrs. Robert Soth of Warren Rd. are both home on summer vacation from college. Richard, from Eastern Michigan University, and Scott, from Michigan State University.

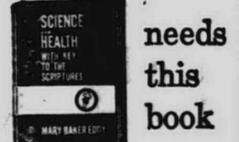

Sharon McKenna of Allen Park spent Tuesday evening and night June 18 with her grandparents, Mr. and Mrs. John Broegman of Sheldon

Rd., accompanied by six of her friends, the occasion being the celebration of her 14th birthday.

Mr. and Mrs. James E. Caksackker of Sheldon Rd. have had as a guest for a month, Mr. Caksackker's mother, Mrs. Lura Caksackker of Union City, Tenn. She has also visited her daughter, Mrs. Emerson Grady, of Cherry Hill Rd.

JayCees Unveil 6-Day Program of Fun

Twenty to Compete for Miss Plymouth Title Wednesday

Twenty beautiful girls will compete for the 1963 Miss Plymouth title next Wednesday night as the annual JayCee sponsored Independence Day festivities get into full swing.

To be held in the Senior High gym starting at 7:30, the

Miss Plymouth finals will be conducted in conjunction with a teen dance hosted by the local Firemen's Association.

The 20 contestants represent one of the largest groups assembled in recent years to compete for the title of Miss Plymouth. Crowning the

queen will be last year's winner, Miss Joyce Stimpson.

The winner a year earlier was Miss Tanya Gilmore.

Miss Plymouth and the four runners-up will receive a number of gifts from the Plymouth JayCees and local merchants. Tickets for the teen dance will be 75 cents and will be sold at the door to the Senior High gym.

After being presented with her rhinestone crown, the new Miss Plymouth will be awarded a dozen red roses by Heide's Greenhouse along with a victory trophy by JayCee president Wendell Smith.

The winner and her court

of four will then receive prizes donated by local merchants. The prizes will be listed later.

All contestants, as in years past, will be given a free hairstyling prior to the judging.

Photos of the 20 contestants,

all taken by Gaffield Studios here, are the frame-work of this page. JayCee member Denny Hanks is chairman of the beauty contest.

Selection of the 1963 Miss Plymouth will serve largely as the official beginning of the

They will make their decision based on the poise, character and beauty of the contestants. A preliminary judging, with the girls wearing bathing suits, will take place Saturday, June 29. The preliminary judging is closed to the public.

JayCees Begin Summer Teen Dance Program

Summer Teen dances again will be sponsored by the Plymouth JayCees and the local recreation department.

The dances will be held at the Senior High gym every Wednesday evening from now through Aug. 28. Hours are from 8 p.m. to 11 p.m.

Any local musical groups wishing to play at any of the dances are asked to contact dance chairman Jim Dyer at Plymouth Office Supply here.

Admission to the dances will be 50 cents per person or 75 cents per couple on evenings featuring live music and local talent.

Other evenings, the admission will be 30 cents per person. The dances as usual will be chaperoned by JayCee members and their wives.

Parade Starts at 11 a.m.

Another "old fashioned Independence Day celebration" is being readied for Plymouth by the local JayCees, and an impressive parade and fun-filled carnival will be the big attraction during the holiday schedule Thursday, July 4.

Thousands of people are expected to line the curbs the morning of July Fourth when the traditional parade marches down Main St. beginning at 11 a.m.

Ronald Coosai, parade chairman for the JayCees, said that this year's parade promises to be decidedly larger than last year's.

The parade will start forming at 10 a.m. in the parking lot behind the Penn Theatre. At 11 a.m., it will begin its march from Dodge St. south down Main St. to Hartsough, and then east to the Junior High East football field.

Among the numerous floats in the parade will be those from the Business & Professional Women's Club, the Hockey League, the VFW, the JayCees' Auxiliary, and Our Lady of Good Counsel.

There will be four categories for judging. City Commissioners James Jabara, George Lawton and A. E. Vallier are expected to serve as parade judges and awards

will be presented after the parade arrives at the Junior High East football field.

Parade viewers will also see dozens of antique cars, many horses, fire trucks, clowns, and numerous other special parade units.

These are some of the units of the parade: An Air Force Drill Team; the Tars & Rifles Naval marching team; T. Bone McAngus; YMCA Indian Guides; Kiwanis Club; Plymouth Community Band; Amherstburg 70-piece community

band with 12 majorettes from Amherstburg, Canada; Margaret Dunning's antique autos; a VFW drill team from Plymouth; Girl Scouts; the Joett Dyson baton twirlers; a Michigan Bell float; the Theatre Guild; a float from Fisher's Shoes; the Plymouth Firemen's Assoc.; Plymouth Co-op Nursery; Elks Lodge, and others.

All Miss Plymouth contestants will ride in convertibles and will be led by Miss Plymouth of 1963, who will have been selected and announced the night before. Plymouth Twp. Supervisor Roy Lindsay and City of Plymouth Mayor Richard Wernette have been invited to lead the parade.

Horse Show

There will be no admission charge to attend the horse show at 12:30 p.m. following the parade. It will be held next to the carnival grounds on Mill St. and is expected to attract at least 40 riders and horses.

All horse show events will be judged with first and second place winners being awarded ribbons. It will be sponsored by area riding and bride clubs. JayCee member Calvin Thomas is chairman.

Many Delighted Prize Winners Expected During July 4th Week

Plymouth's six-day schedule of holiday festivities will be highly profitable for many attending the events when prizes ranging from a bicycle to a hefty Black Angus steer are given away.

In addition, a reproduction of a 1963 Oldsmobile will also be handed out.

The steer will be given away at 9 p.m. on July Fourth by a Chamber of Commerce committee. Local merchants, all members of the Chamber, are participating in the Black Angus give-away. The Oldsmobile give-away will take place at 8 p.m. on Sunday, July 7.

Both events will be held at the Carnival grounds.

CHURCH BELLS WILL SOUND THE FOURTH

Church bells throughout the Plymouth community will ring simultaneously from 1 to 1:15 p.m. on July 4th, in conjunction with a synchronized church bell-ringing across the nation. Here in Plymouth, Mrs. Robert Anderson, of the Plymouth Symphony Society, is the chairman.

JAYCEES AGAIN WILL SELL FLAGS HERE

The JayCees, planners and general sponsors of the July 4th celebration here, once again will sell American flags at their headquarters on the carnival grounds on Mill St.

The club members will also sell the 12-inch by 18-inch 50-star flags along the route of the parade during the morning of July 4th. At the carnival grounds, the JayCee headquarters booth will serve as the coordination center for the six-day program.

TERRY WEST NAMED STATE JAYCEE OFFICER

Terry West, a member of the Plymouth JayCees and a former president of the local chapter, has been named orientation chairman for the Michigan JayCees. The appointment was announced last week.

West will serve as state-wide coordinator for the induction of new members into active roles in all of Michigan's 192 JayCee Chapters.

Plane to Drop Peanuts for Kiddie Contest

A low-flying airplane will swoop over the Junior High East football field at 3 p.m. on July Fourth and drop 50 pounds of peanuts to awaiting youngsters below.

Thousands of boys and girls are expected to be on hand to pick up the peanuts, many of which will lead to special prizes.

Some of the peanuts will be painted in various colors. Youngsters finding the greatest number of colored peanuts will get first choice on the prizes.

Dr. Gerald Fitch will fly his Piper Tri-Facer over the football field and will drop the peanuts. After they are dropped, a signal will be given to the children to start the search.

Youngsters taking part in the Peanut Hunt must be no older than 12 years, a JayCee club spokesman explained.

For every two colored peanuts found, a free carnival ride will be awarded.

Four New Attractions

A number of entirely new attractions have been included in this year's July Fourth festivities here, according to JayCee chapter planners of the event.

The JayCees have announced that they will give away a near-replica of the 1963 Oldsmobile curved dash run-about. The auto, which actually runs, was purchased recently from Krogers.

Tickets to the event will be available at the JayCee booth of the carnival grounds and will also be sold by any JayCee member during the six-day event.

The give-away of the Olds will take place at 8 p.m. at the carnival grounds on Sunday, July 7. Jim Dyer is in charge of the event.

JayCees Work Hard to Plan Fourth Festivities

It's taken a lot of hard work for the Plymouth JayCees to assemble the six-day July Fourth program this year.

While all of the chapter's 65 members have participated in the planning and will serve in a variety of capacities during the festivities themselves, the chairmen have been the busiest.

They include:

- General chairman Joe Fletcher; parade chairman Ron Coosai; 1963 Oldsmobile give-away chairman Jim Dyer; Norm Fitzpatrick (concessions); Wendell Lent (publicity).
- Terry West (a former general chairman and an advisor to the chief planning committee this year); Denny Hanks (beauty contest); Cal Thomas (horse show); Robert Evans (peanut drop);
- Jay Hanna (in charge of the clowns — he will be assisted by 20 JayCee members who will act as clowns during the parade and throughout the remainder of the day); Ted Campbell (merchants' tent); Cal Strom (carnival grounds).

VFW to Serve Up Chick-N-Que July 4

Veterans of Foreign Wars members will hold their annual "Chick-N-Que" July 4th following the parade.

Hours of serving are scheduled to run from noon to 6 p.m. at the VFW Hall on Mill St. opposite the carnival grounds.

As in the past, the price will be \$1.50 for adults and 75 cents for a child's portion. The meal includes half a broiled chicken, cole slaw and trimmings. Soft drinks will be available.

State Home's Program for Blind Children Receives \$1,500 More

A special program being developed for the blind children at Plymouth State Home & Training School received additional support recently in the form of a check for \$1,500 from Children Unlimited, a private women's organization devoted to the needs of multiply-handicapped and emotionally-disturbed blind children.

This latest donation brings the total to close to \$15,000 which the organization has contributed to the State Home within a three year period.

Dr. Robert I. Jaslow, Medical Superintendent at the State Home for mentally-retarded children, said, "Some of the blind children who are believed to be retarded may only be suffering from lack of special facilities and services."

With no other training institution prepared to offer

special treatment for the mentally retarded blind children, the professional staff at Plymouth State Home has attempted to develop a program which will meet the unique needs of these children.

Dr. Jaslow said that the results thus far are promising enough to justify further development and assistance. Seven of the 23 children involved in the program recently attended special classes in cooperation with the Livonia Public School system.

Two of the children were considered as having no retardation and, therefore, graduated to the Michigan School for the Blind in Lansing.

When presented with the check, George Ebling, Administrative Assistant of the hospital, remarked, "Without Children Unlimited's cooperation and generous support, it is unlikely that this special program would have developed as quickly as it has."

The membership of Children Unlimited includes some of the outstanding residents of Detroit, Oak Park, Huntington Woods and Southfield. The one aim of these 500 women is to give blind children an opportunity for a brighter future.

To this end, they work toward the children's individual development through financial sponsorship of studies, research, testing and analysis until they become the foundation of new methods and the ultimate in care.

Although their fund raising activities include luncheons, fashion shows and theatrical productions, Children Unlimited's greatest source of income is "Tag Day" held annually in September.

Load up, Chevy II Nova 400 6-Passenger Station Wagon

light out

and get lost...

Chevy II Wagons—The heft of a suitcase. The rattle of a road map. There's something about one of these spruce, surprisingly spacious wagons that can turn even the routine preparations into a happy part of your trip.

Take that old bugaboo of packing, for instance. No bother. With the kind of room you get in that easy-loading cargo compartment, you can just about toss things in any old which way and come out with space to spare. The load won't dampen the spirits of the spunky 6-cylinder engine either. It just hums along passing up gas pumps (there's also a choice of an even thrifter 4 in most models) like it didn't have a care in the world. Fact is, it has far fewer cares than most engines—being built with the special knack Chevrolet engineers have for dependability and ease of maintenance.

Like a car with ginger—without a lot of needless gingerbread? Your dealer's got a full line of Chevy II's to pick from. Why not drop down and check now while both the trading and the traveling are especially good? And maybe it'd be a good idea to leave a note for the milkman on the way out, just in case you happen to get lost some place before you get back.

SBA Keeps IDC 'On the Move'

(Editor's Note — The following article deals with the federal government's small business administration, which — through special loans — has enabled the Plymouth Industrial Development Corp. to successfully complete numerous projects in recent months that have resulted in new industry locating in the Plymouth School District. Facts for the story were furnished by Frank Arlen, president of the non-profit IDC.)

The Federal Government, through its small business administration, and numerous communities across the nation have proved conclusively that they can be successful partners in stimulating the growth of small business firms.

The combined efforts simultaneously enhance the economic climate of the towns themselves as well as the nation as a whole.

A government program of special loans to local development companies has created more than 17,000 new jobs and

brought sizeable increases in local tax revenue as well as providing additional sources of income.

In work exceeding well in Plymouth, starting with the arrival in 1961 of Distribution Service, Inc. (in the former Daisy Air Rifle Co. plant on Union St.) and leading up to the most recent project that will see Stahl Manufacturing Co. this summer occupy the long vacant Continental Can Co. plant on Junction.

While Plymouth's IDC has done much in the way of promoting the growth of the

local tax base, the key to the program here — as well as elsewhere across the nation — is the small business administration (SBA).

It administers numerous local development programs through the loan of funds, and has injected new life-blood into the economy of communities everywhere.

It has thus far loaned up to \$34 million in long-term and low-interest notes for small business projects. Over \$200,000 has been loaned by Plymouth IDC.

Loans are made by SBA for the construction of new plants, expansion and remodeling of outmoded factories, and for purchase of equipment. Loans are made also for building private hospitals and clinics, shopping centers, and other approved and needed community projects.

In each instance, the SBA loans have created new jobs, additional business and extra tax dollars for community services.

The local development loan program was conceived to help solve the problem of the one-industry town which may have lost its principal payroll for reasons beyond its control — technological changes, new market requirements, or other factors with which the community could not cope. It happened here in 1958 when Daisy moved out.

When this occurs, the citizens form a development company which hopes to stimulate the economy by attracting new industry or commerce into their area, or by helping existing businesses enlarge their operations.

As a prelude to obtaining SBA loans to aid with such small business projects, the community must provide the initial financing for a project. This is done by selling shares to the townspeople.

On occasion additional financing is obtained through loans from these groups or individual companies, or by a combination of stock sales and loan. Local banks are asked to participate in the financing, even if they can't make the entire loan. When about 20 percent of the needed capital has been obtained from local sources, a loan application is made to SBA.

The SBA's loans are made at five and one-half per cent interest.

The SBA will lend as much as \$350,000 per project and for as long as 25 years. There's no limit on the number of loans that can be made to a single local development company.

Thousands of communities

in the United States could find job opportunities for their citizens and build larger and steadier payrolls by helping small businesses expand, modernize or diversify, or by helping small firms get started.

Often a community has most of the ingredients needed for expanding or strengthening its small business concerns — adequate manpower, materials and markets. The one essential ingredient that is missing is CAPITAL.

The SBA's local development loan program makes this last ingredient available.

Tiny Village Nearly Gets Over-Looked

Mention of the impending move of the Lus-Trus Corp. into the former Extruded Hinge Co. plant in "Canton Township" has produced an interesting side-light, as pointed out by residents of the area involved.

In reality, the new location of Lus-Trus Corp. is in the tiny village of Cherry Hill.

More precisely, it's the neighborhood surrounding the intersection of Ridge and Cherry Hill Rds. Two long-familiar land-marks stand as modern-day reminders of the village, which is virtually forgotten outside the circle of residents who live there.

The Cherry Hill church has stood for more than 80 years, according to Mrs. Stanley West, 703 Ridge Rd. She said that West's General Store, at the corner of Ridge and Cherry Hill, is more than 100 years old.

Only a smattering of long-time Plymouthites recall the evening dances that were so

popular in "Cherry Hill" years ago. One who does remember is Coello Hamilton, 31, of 311 Hamilton St.

He has related on several occasions how he used to "spruce up" after a day's work as a teen-ager and then bicycle out to Cherry Hill to attend one of the ever-popular dances held there in, perhaps, the West's General Store.

It was many years ago, and those who attended the dances then are few in number today.

Mrs. West, whose family has resided in Cherry Hill for several generations, spoke with pride of the tiny village.

"We've asked Canton Township Supervisor Louis Stein several times if it would be possible to put up signs designating the village limits," she said, "but there aren't any signs yet."

Cherry Hill does not have a village council, but its residents identify with the village, regardless.

Mrs. West said she thought the village was formed in 1828. It is unclear whether it was fully incorporated or not.

She explained that at one time a dairy was operated on the site where the former Extruded Hinge Co. plant now stands. A small Ford Motor Co. plant preceded Extruded Hinge.

In deference to the Mather Co. parent firm of Lus-Trus Corp., it should be mentioned that a recent Mather Co. news release correctly identified the village as "Cherry Hill."

Big "Welcome" Sign Greets Jerry's Return

Jerry Pease, owner of Pease Paint & Wall Paper Co., returned home from St. Joseph Hospital Friday noon to be greeted by a huge welcome sign fastened on his door.

The sign read: "Welcome Home, Jerry." It was signed: "92 Rotarians." Pease is a member of the Plymouth Rotary Club.

To think that those fellows would welcome me home like that was really wonderful," Jerry said.

He is recuperating at his home at 1600 N. Territorial.

Wanna Be City Clerk?

City Manager Albert Glassford finds himself in something of a quandary these days as he attempts to locate a replacement for Joseph Near, who will resign as City Clerk effective July 31.

Glassford circulated a memorandum recently among his other department heads at City Hall inviting any of them to step forward if they were interested in being transferred to Near's desk.

There were no takers, Glassford explained.

He expects now to move outside the ranks of present city employees and seek a replacement by way of advertisements placed in suitable media and periodicals pertaining to this type of profession.

He said a minimum of two years of accounting is among the basic requirements.

Jerry's Marathon Station Wins Award, Eyes Anniversary

Jerry's Marathon Service station, at the corner of Penman Ave. and Harvey St., won first place in an annual Marathon "Clean-up" contest involving nearly 200 stations in Western Wayne County and part of Washtenaw County.

Owner Jerry Kaluzny was awarded a \$100 U.S. Savings Bond and his station was presented with a special plaque signifying the achievement.

Judging was based on cleanliness, best displays and most effective promotional efforts.

Kaluzny, a 1947 graduate of Plymouth High, has another significant moment coming up, too. His service station will observe its second anniversary with a special celebration June 27-28-29.

Free balloons and candy will be given away to all kiddies who visit the station during the three-day festivities, and motorists who purchase eight gallons of gas will receive a free six-bottle pack of pop.

Kaluzny's assistants at the station are Champ Barton and Jack Lorenz.

College Trustees To Consider Budget

Trustees of Schoolcraft College will hold their final meeting of the fiscal year tomorrow evening at 8 p.m. at the College's temporary offices on Newburgh Rd.

The operational budget for 1963-64 will be presented in its final form and approval of the document is expected to be given.

Two new trustees will come on to the board after July 1.

They are Leroy Bennett, who was elected as a trustee at-large on June 10, and Dr. Gordon R. Forrer, of Northville.

During the recent election, Dr. Forrer gained a seat on the board of trustees when voters in Northville approved a move to annex to the college district.

Named to Faculty At Schoolcraft College

The appointment of a director of nursing education at Schoolcraft Community College has been announced by the board of trustees of the college.

Mrs. Harriett H. Sattig, a native of Virginia, has been appointed to the new position. She presently is on the nursing faculty at Syracuse University.

Mrs. Sattig holds a nursing diploma from the State Hospital of North Carolina and has a bachelor's degree in nursing education from the Columbia. She holds a master's from Syracuse.

She will join the college faculty in August.

Algiers Drive-In Hosts Jerry Lewis

Comedian Jerry Lewis will make a special one-night appearance at the Algiers Drive-In Thursday evening, June 27, in conjunction with the local premiere of Lewis' new movie "The Nutty Professor."

He is accompanying his new film throughout all of the United States. The Detroit area has been selected as his starting point.

At the Algiers, his appearance will be at 8 p.m. The drive-in theater is located on Wayne Rd. near Warren Rd.

Participates In Bond Drive

Chevrolet Spring & Bumper plant, on Eckies Rd., raised a "Minute Man" flag Thursday, symbolic of the U.S. Treasury Department's Freedom Bond Drive at General Motors.

Chevrolet-Livonia was among six Detroit-area GM plants which attained employee participation in the drive at least five per cent above the goal set for them.

Worth Talking About

By Pat Barton

For Fun Finders

With the many fun-filled summer days ahead, we are ready to take our place in the sun since we joined Murray's Lake Club, just eight minutes from Plymouth at Ann Arbor and Curtis Roads.

If you are sun seekers like us you will find Murray Fishbeck, owner, has provided all lake facilities for your comfort. Although escaping crowded conditions was one of our main reasons for joining, we found the picnic and recreation areas, the complete concession stand and a big bath house brought a world of playing pleasure.

The picnic tables and stoves are conveniently located in both the shade and sun and to stretch your eyes over the grass-clover slopes down to the water is as relaxing as pay day.

Murray's has everything needed to complete the pleasure of summer play. Member's guests are welcome too. Summer has been a breeze for us since we set our compass to live it up outdoors, and make play while the sun shines at Murray's Lake Club.

Make Murray's Lake Club your headquarters for summer fun. Just call 663-8981 for friendly information. Head for the grassy slopes and clear water — it's 'Fundul'.

July 4, a national holiday dear to the hearts of Americans, is celebrated throughout the nation with a variety of patriotic exercises and family get-togethers. With July 4 just around the corner, Picnic Fixin's are the

choice of the day for our family.

We want to pack a perfect picnic, keeping in mind individual tastes, and we found all our July 4 needs at Bill's Market, 584 Starkweather. Owner Milt Orr has stocked his store with specials to fulfill all July 4 needs.

He has an extra supply of Hot Glo charcoal and briquets to add that extra outdoor taste to steaks, wieners, hamburgers, chicken and ribs; and if you don't want to fix it yourself, Milt will barbecue the chicken and ribs for you.

Bill's Market also has potato, ham and jello salad, baked beans — home made and home mixed daily.

There is a tremendous assortment of cold cuts, spreads, and a galaxy of olives, pickles, bread sticks, chips, fresh vegetables, to add that special touch to any picnic.

And at Bill's Market you can shoot the works in the cold drink department and bags of ice cubes are also available.

For Sizzling, Fire-Cracker-Hot Bargains, drop by Bill's Market for a parade of July 4 values.

Brighten Up Mondays

Monday the sun set on the quiet town and twilight drew its dusky curtain down, and early stars, like silver candles set within a purple field, awaited the moon.

We followed The Old Lamplighter on his rounds at Hillside Inn and the traditionally blue Monday brightened with the evening star — it was "Dinner For Two Night".

He swept away the lingering trials of the day when he explained that every Monday night two people may enjoy expertly-prepared dinners but actually pay the regular price for only one. The other dinner will only cost half of the regular price — The Old Lamplighter pays the other half, of course.

The Old Lamplighter, a romantic at heart, originated "Dinner For Two Night" at Hillside Inn a year ago this coming September, but the food is so consistently good and the service so friendly, Mondays have become an excellent time to take the whole family out to dinner. It is not necessary to order the same meal, nor that both meals be in the same price bracket.

The Old Lamplighter showed us the way. We'll be at Hillside Inn each Monday.

The Antique Corner

By Mrs. John Gibbons

Brush up your memories and share some of these antiquities. Do you remember when...

Men wore spats? Women wore stiff collars with shirt waists? When every lady wore a breast pin?

When the ice man brought the melting cakes of ice for the ice box?

Mopping up the overflow of water from forgotten water pans under the ice box?

When crackers and pickles were selected from barrels? When the butcher shop spread sawdust on the floor?

When horses wore check reins? When little girls and ladies wore muffs?

When your knuckles and fingernails were scraped from games of ages or jacks? When you screamed Run-Sheep-Run and Red Rover, Red Rover?

When automobiles held flowers in mounted side vases?

When Detroit's main streets were lit by high towers at main intersections that made bright streets and shadowed passages?

Wishing your ice cream stick was a "free one" stamped on the coated stick?

Winding up the graphophone for an evening of listening to Harry Talley, Jean Austin, Al Jolson, and many other favorites?

The hand pump on the kitchen sink? Warming up at the pot belly stove, searing warm hands and face while freezing in another place?

When cakes and breads were homemade every week? When you broke the ice off the morning wash water?

TREASURES FROM Plymouth Pantries

COOLING OFF with glass of iced tea last week was Mr. Sam Dibble, 1353 Elm St., who this week gives us her recipe for Baked Creamed Potatoes.

A perfect addition to any meal, be it prepared for family and or guests, would be "Baked Cream Potatoes," suggested by Mrs. Sam Dibble, 1353 Elm St.

A member of Plymouth Woman's Club, Women's Society of the Methodist Church, and president of the Mother's Club of Alpha Xi Delta, in Ann Arbor, for the past two years, Mrs. Dibble and her family are ski and sailing enthusiasts.

During the winter they spend many of their weekends at Otsego Ski Club, Hidden Valley, where they have been members for the past 20 years. Now that summer weather is here they spend much of their time in their Lightning Racer sail boat on Cass Lake, racing nearly every Sunday.

The Dibles have two children, Mrs. Edith Lanckton,

Flint, and Sam, a sophomore at Central Michigan University.

Art Around Us

by Mrs. Jessie Hudson

Managed down to see the Michigan Artist Show at the Detroit Institute yesterday. It has received mixed reviews and I can see why. It is a pretty spotty show. The judges apparently tried to include all kinds of styles from quaint and quite ghastly primitives to no-longer-new abstract landscapes to neo-realism to cardboard collage. The abstractions run the gamut of very thin oil washes to heavily textured impastos. One particularly unpleasant canvas had the esthetic appeal of lumpy mashed potatoes colored with weak food coloring. Some paintings were done in bold primaries in flat, matte shapes, the kind of paintings that shout their presence insistently. Others whispered in monotonous. Neo-realism was represented not by a painting of a can of Campbell's soup or several repetitions of Marilyn Monroe but by a slice of cellar wall and a piece of an outside wall complete with circus poster and adolescent scribbles. Many of the paintings and the sculpture, too, were reminiscent of other, better known, works. The influence of Klee, Tamayo, and Karl Appel could be easily traced in the paintings and similarities to Flannagan, Brancusi and David Smith could be shown in the sculpture.

A much more exciting and satisfying show is the exhibit of student work at Wayne State University in the Community Center just across Woodward and Cass from the Institute. Here are watercolors, oils and sculpture of quality. One particularly handsome piece is a huge welded metal Brahma bull done by a graduate student named Patel, an Indian I am sure, with an intimate knowledge of the arrogance of their sacred animal. The jewelry on display showed excellent design and craftsmanship and the ceramics were outstandingly fine. Industrial design seems to be a strong point of this very good art department. This show will remain on exhibit until July 31. It is well worth a trip to Detroit to see.

The exhibit of work by young Michigan artists at present at the Hartley-Powers Gallery in Northville is also an interesting one. Wayne Huber of Plymouth and Carol Carr Wile of Ann Arbor both have works done in thin oil washes. Mr. Huber's are particularly effective in muted greys. Jim Thorpe, also of Plymouth, has some nicely textured abstractions, and a boldly effective black and white painting in the window. Reine Angeli works in gay, glowing oil, while Janet Walstein sent mostly matted prints and drawings. The hit of the show are some imaginative ceramic pieces by Plymouth's Bill Mandt. Primarily a sculptor, Mr. Mandt's feeling for three-dimensional form is apparent in his built-up plaster pieces and in his handling of clay.

Lutheran Bible School to End Friday Evening

Closing service and program of St. Peter's Lutheran Vacation Bible School will take place Friday evening at 7:30 p.m. in the church sanctuary. The service will mark the end of a two-week school for four year olds through Junior High age children.

Over 100 children of the congregation and neighborhood have been instructed in Bible stories, hymns, and handicraft revolving around the theme: "God's Children - Walking With God".

Fifteen teachers and helpers worked under the supervision of Pastor Norman Berg.

The Closing Service will feature songs and recitations by the children during a worship service open to all who wish to attend.

AMERICAN ASSOCIATION OF UNIVERSITY WOMEN members, left to right, Mrs. Richard Fritz, W. Ann Arbor Tr., president; Mrs. Arthur E. Haar, Irvin St., treasurer, and Mrs. Robert Messerly, Ross St., 2nd vice president, look over certificate commending the local branch for donating \$500 to the AAUW Fellowship fund. Money for the donation was raised by the group through the Listening Post series and the annual book sale. Other new officers of the group not pictured are Mrs. Donald Postman, 1st vice president, and Mrs. Robert Gilmore, corresponding secretary.

NEWEST MEMBER of the Donald Plank family, 615 McKinley St., is a pet baby robin, "Chirpee." The Plankcs, and in particular, Carla, a freshman at Junior High East, (above) took over the care of the bird after they found the dead mother robin. For the past few weeks the bird has been hand-fed hamburger, bread, milk and water. Eye droppers were used for the water and tweezers for the hamburger and bread. A week or so ago, the Plankcs decided the robin was old enough to be freed from his temporary home (a bushel basket covered by a grill) and so put him outside, assuming he would fly away. However, that isn't quite what happened. Chirpee seems to enjoy the freedom of the outdoors, but he's always around when it's time to be fed and makes his presence known by chirping, pecking at the window, etc. Now, the Plankcs are wondering if Chirpee will fly south with the rest of the birds next winter and if he does, will he come back "home" the following spring?

Arbor-Croft News

by Betty Radcliffe
GL 3-6340

One of the most pleasant things about living in this area is the warm welcome offered to new residents. One newcomer, who moved into her home in sub-zero January weather, said, "I never expected to see a neighbor until spring, but the very first week five neighbors came to call and offer assistance."

Lorraine Jarvis even trudged through snowdrifts with her tiny baby to say hello. I was overwhelmed. The weather was cold, but the hospitality was warm.

New residents are invited to coffee, bridge parties, luncheons and picnics. No one can be lonely in such a friendly community.

In keeping with this spirit of hospitality, Joan Vorech and Margie Williams had a coffee Tuesday morning to welcome two new residents, Janice Fox and Alice Arlen. All the women in Arborcroft were invited to the 10:30 a.m. party which was held at the Vorech home, Hartsough Avenue.

Dick Berry is leaving June 27 for Coach Mann's athletic camp at Chikopee, Ontario, Canada. Dick will be a junior counselor at Camp Chikopee for seven weeks. He will take part in the Canadian Nationals swimming competition which is held in Montreal in July.

Mary Childs, Bea Wilcox, and several other Arborcroft women have been driving over to Ann Arbor to enjoy the fascinating wares in the Farmers Market there.

Recreation Baseball Action 'Hot and Heavy'

Action continued unabated last week in the recreation department's summer baseball leagues for local boys.

In Class F, Plymouth Recreation picked up two overwhelming victories, one a 17-0 win against WCTS and the other a 21-0 affair over Casterline Braves.

Gary Fuelling Awarded Eagle Scout Badge

At a recent Board of Review of Boy Scout Troop Six, Senior Patrol Leader Gary Fuelling completed the requirements for Eagle Scout.

He is the son of Mr. and Mrs. G. O. Fuelling, 620 Byron Street, and is the first scout in the troop to make this highest rank in scouting during this charter year, which began March 1. He joins Eagle Scouts Jerry Couts, Scott Dodge and David Sackett on the Troop Staff.

Other recent promotions in the troop include Thomas Leckie to the rank of Life Scout; Donald Snake and Lawrence Olson to Star Scout; Douglas Bates, David Derr, Dale Dirlam and John Jewell to First Class Scouts and Daniel Blackman, Douglas Derr, Stewart Dodge, Craig Foust, Glen Grubb, Charles Hudson, Robert Lash, Greg Leaverton and Webster Town to Second Class.

On Saturday, June 29, 34 members of the Troop leave for D-A Scout Ranch, near Metamora, Mich., for their annual summer camp. The Camp will be under the direction of Scoutmaster E. T. Miller and Assistant Scoutmaster Gerald Greer will again handle the important job of satisfying appetites sharpened by hours of activity in the open and in the water. Troop Six is sponsored by the Plymouth Lions Club and meets at the Smith Elementary School.

Michigan produces two-thirds of the nation's supply of eastern white winter wheat used in pastry and crackers, and as a blender for other flours. Good demand, sometimes at premium prices, keeps it from being a surplus item.

ANNUAL Girl Scout Day Camp last week attracted an average of 120 Girl Scouts, Intermediates and Brownies each day, according to Mrs. Ann Fowler, chairman.

The girls took part in games, numerous projects and related organized activities. Thirty Intermediates camped overnight at the Girl Scout Lodge one night.

THE DAY Camp was held in Riverside Park near Haggerty Rd. and Edward N. Hines Dr.

At right, Lisa Nelson, Mary Andes and Dana Mercure, all Brownies from the second grade, group, make drawings while patrol leader Mrs. Robert Messerly supervises. The girls and Mrs. Messerly all show traces of the make-up they wore during a special mock Indian ceremony earlier in the day.

BELOW, Karen Upton, one of the many volunteer helpers during the Day Camp, entertains several girls by playing the ukelele and singing folk songs.

The week-long program concluded Friday evening with a traditional camp-fire. Girls attending the Day Camp ranged in age from eight to 16 years.

These are the standings in Class F:

Party Pantry, 4-0; Plymouth Recreation, 3-1; Northville Orioles, 3-1; Finlan Realty, 2-2; Casterline, 2-2; Ely Oilers, 1-2; WCTS, 0-3; and DiPonio, 0-4.

These are the standings in Class E:

Loper Firestone, 3-0; Northville Plumbers, 2-0; Bill's Market, 2-1; Fisher's Shoes, 2-1; Flyers, 2-1; Kiwanis, 1-2; Spagy-T-Bird-Inn, 1-2; WCTS, 1-1; Northville Recreation, 0-3; and General Filters, 0-3.

Two Plymouth teams are competing in leagues conducted by the Livonia recreation department. The Plymouth Elks have two teams in competition there, one in the Class R. A. M. circuit and another in the Connie Mack Class D league.

Boys are still sought for recreation department baseball teams here.

Plan Dinner-Dance As Special Benefit For Junior Leaguers

A Dinner-Dance will be held at Plymouth Elks Lodge No. 1780 at 9 p.m. Friday, June 28. Proceeds will be turned over to the Community Junior Baseball League to help maintain equipment and facilities. Tickets will be available at the door. The public is invited.

On Saturday, June 29, the seniors of the National and American Divisions will participate in the annual All-Star game.

A re-run of Carl Cederburgs film on Plymouth Junior League Baseball, originally scheduled for June 25, has been postponed indefinitely.

There are still seven more weeks of major league ball remaining. Games start at 6 p.m. Monday through Thursday of each week at the diamonds across from Burroughs Corp. on Plymouth Road. The community is invited to attend.

Invite Boys 8-12 to Play In Junior League Minors

There is still time for any interested boys from 8 to 12 to play baseball this summer in the "minor leagues" of the Junior Baseball program.

The "minors" are essentially the farm system for next year's full-fledged Junior Baseball teams.

According to Max Sommerville, director of the Junior Baseball minor league divisions, boys may still enroll in the program. Games will continue to be played up to July 26, he said.

Games are held at the community Junior League diamonds on Plymouth Rd. opposite Burroughs Corp., he said. Sommerville explained that games are played daily at 2:45 p.m.

These are the results and standings as of last week:

American minor league:
The Red Sox beat the Indians, 13-12; The Tigers suffered a 14-8 loss to the Orioles; the White Sox nipped the Yankees, 13-10; the White Sox beat the Red Sox, 9-1; Yanks dumped the Tigers, 22-4; and the Orioles defeated the Indians, 15-10.

Two Plymouth men will be among the many race-car drivers in the ninth annual Michigan Sports Car Club race June 29 and 30 at Waterford Hills.

Fred Heidt, 4101 Curtis, will be driving a Corvette, and Doug Miller, 647 Maple, will be racing a Porsche.

The Oakland County course, site of the race, is a one and one-half mile track with 11 turns and numerous hills and straight-aways. Waterford Hills is located six miles north of Pontiac.

Michigan, with 140 licensed airports, is served by 17 domestic and overseas airlines.

Men's Lutheran 3rd In Softball Circuit

Plymouth Plating remains one notch behind pace-setting Tait's Cleaners in the men's recreation softball league here this week, as both teams were winners last week.

Tait's picked up two more victories, running its unbeaten streak to five straight, while Plymouth Plating was a one-time winner and now stands at 3-1 in second place.

The Plating team shut-out Box Bar, 4-0, and Tait's defeated Local No. 102, 11-5, and McAllister Bros., 17-2.

Men's Lutheran moved into third place in the conference with a 6-1 decision over Paragon Steel. Other scores included Vico Products' 3-2 win over Men's Lutheran and McAllister Bros. posted a 7-6 victory over Evans Products.

Local No. 102's loss to Tait's dropped the union team into the conference cellar and Paragon Steel, with one win in six attempts, is only a notch higher.

Box Bar's defeat at the hands of Plymouth Plating snapped a three-game win streak.

These are the standings, as of last Friday:

Team	W	L
Tait's	5	0
Plating	5	0
Lutheran	4	3
McAllisters	3	3
Vico	3	3
Box Bar	3	3
Evans	2	2
Paragon	1	5
Local 102	0	6

Games in the men's softball league are played each Monday, Tuesday and Wednesday night on the softball diamond behind the Senior High.

Two games are played each night, with the first one beginning at 6:30 p.m. and the second one starting at approximately 8:30.

The public is invited. There is no admission charge.

Orioles, Pirates Pace Junior League Races

These are the current standings, after the games of last week had been recorded:

American Division

No Less Than 40 Attend Each of 6 Playgrounds Here

Registration figures for Plymouth's six summer recreation playgrounds showed that a minimum of 40 youngsters are attending each of the play areas daily.

At the Smith School playground 110 boys and girls signed up to take part in the six-week playground program there.

All six of the play areas officially opened last week. Coordinator for the program is Dick Bearup, a coach at Plymouth High during the school year. Each playground has two supervisors.

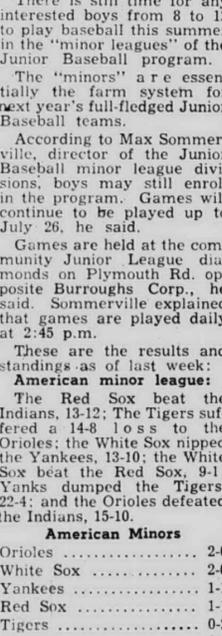

This is the schedule for the six play areas:
Farrand School playground is open from 9:30 a.m. to 12:30 p.m. each day; Smith from 9-12; Bird from 9:30 a.m. to 12:30 p.m.; Stark weather from 1:30 to 4:30 p.m.; Hamilton St. from 1:30 to 4:30 p.m.; and Allen from 1-4 p.m.

All of the activities at the various play areas are free to the youngsters, with the exception of the arts and crafts program. A charge for that phase ranges between five cents and 25 cents and is only to cover the cost of the supplies.

Each playground features a variety of organized games as well as softball and other recreational activities.

The playground supervisors are making plans now to include their youngsters in the July Fourth parade next week.

HEY BOYS!

BATTER UP FOR CHAMPIONSHIP TROPHIES IN THE DODGE "KING OF SWAT" COMPETITION (FOR GRADE SCHOOL BOYS 6 THROUGH 11 YEARS OF AGE)

LET'S SEE THAT SWING! Got it grooved? Got a keen eye? Here's your chance to compete against boys your own age in the Dodge "King of Swat" baseball competition. You can win a trophy; improve your stance, swing and distance. You can show 'em all that you're a slugger who's got what it takes.

Here's how it works. Every boy takes a turn at bat right in our showroom. You get five practice and ten official swings at a baseball that's attached to an ingenious stand. Bat the baseball and it goes round and round while a meter records the distance.

If you're in good form, you're going for long distance—because this baseball looks, feels and hits like a regulation baseball. And, as it is with the real thing, it's not how hard you hit the ball that counts—it's how square. Keep a cool head and a sharp eye and you can win! You only compete in your age group: The Senior Circuit (boys age 10 and 11) or the Junior Circuit (boys age 8 and 9) or the Rookie Circuit (boys age 6 and 7). Winners receive "King of Swat" championship trophies and the honor of being "King of Swat" for 1963.

Each boy must be accompanied by a parent or guardian. So come along and swing away! The 1963 "King of Swat" could be—you!

Thereupon, the tax shall become immediately due and payable by law to township and city treasurers for the collection thereof. If the exact amount of any such tax has not, at the time of such finding, been determined because the same has not been spread upon the tax roll, the Treasurer shall estimate the amount of the tax upon such personal property and the estimate shall be presumed to be the amount of tax upon such property which, together with other taxes which have accrued thereon, shall become payable as hereinabove provided.

The tax so estimated by the Treasurer shall, upon the giving of the notice herein provided, become a lien upon the property liable for the tax. The lien shall be of the same type and legal effect as the lien upon personal property provided in Section 8.15 of this Chapter. If the estimate of the Treasurer is in excess of the amount of tax spread against such property upon the tax roll, he shall refund the excess upon the demand of the persons from whom it was collected or his legal representative. If such person furnishes evidence satisfactory to the Treasurer, by bond or otherwise, that he will pay the tax or taxes to which the Treasurer's findings relate, then such tax or taxes shall not be payable prior to the time otherwise fixed for payment thereof.

The Council shall fix the compensation of the members of the Board.

Such notice shall state the date, time, place and purpose of the second session of the Board. The failure to give any such notice or of the owner to receive it shall not invalidate any assessment roll or assessment thereon.

The Board of Review shall convene in its second session on the Tuesday following the fourth Monday in March of each year at such time of day and place as shall be designated by the Council. Provided, however, that at least one (1) meeting thereof shall begin at 3:00 p.m. and shall continue in session until all interested persons have had an opportunity to be heard, but in no case for less than six (6) hours. Except as otherwise provided by Statute, no person other than the Board of Review shall make or authorize any change, additions or corrections to the assessment roll. It shall be the duty of the assessor to keep a permanent record of all proceedings and to enter therein all resolutions and decisions of the Board.

The omission of such endorsement shall not affect the validity of such roll.

Section 8.12 **Clerk to Certify Tax Levy.** Within three (3) days after the Council has adopted the budget for the ensuing year, the Clerk shall certify to the Assessor the total amount which the Council determines shall be raised by general ad valorem tax. The Clerk also shall certify all amounts of current or delinquent special assessments and all other amounts which the Council requires to be assessed, reassessed or charged upon any property or against any person.

Section 8.13 **City Tax Roll.** After the Board of Review has completed its review of the assessment roll, the City Assessor shall prepare a copy of the assessment roll to be known as the "City Tax Roll", and upon receiving the certification of the several amounts to be raised, as provided in Section 8.12, the Assessor shall spread upon said tax roll the several amounts determined by the Council to be charged, assessed or reassessed against persons or property. He shall also spread the amount of the general ad valorem city tax, county tax and school tax according to and in proportion to the several valuations set forth in said assessment roll. Section 8.15 **Tax Lien on Property.** On July first, the taxes thus assessed shall become a debt due to the City from the persons to whom they are assessed, and the amounts assessed on any interest in real property shall become a lien upon such real property, for such amounts and for all interest and charges thereon, and all personal taxes shall become a first lien on all personal property of such persons so assessed. Such lien shall take precedence over all other claims, encumbrances and liens to the extent provided by Statute and shall continue until such taxes, interest and charges are paid.

Section 8.16 **Taxes Due; Notification Thereof.** City taxes shall be due on July first of each year. The Treasurer shall not be required to call upon the persons named in the City tax roll, nor to make personal demand for the payment of taxed, but he shall (a) publish between June fifteenth and July first, notice of the time when said taxes will be due for collection and the penalties and fees for late payment of same, and (b) mail a bill to each person named in such roll, but in cases of multiple ownership of property, only one (1) bill need be mailed.

Failure on the part of the Treasurer to publish said notice or mail such bills shall not invalidate the taxes on said tax roll, nor release the person or property assessed from the penalties and fees provided in this chapter in case of late payment or non-payment of the same.

Section 8.17 **Errors in Tax Roll.** When it shall appear that any tax or special assessment, or part thereof, has been illegally assessed, the Council shall have power to refund the same, or such illegal portion, if collected; or if not collected, to vacate the tax or assessment in whole or in part.

Section 5.16 **Department of Civil Service.** In order to guarantee to all citizens a fair and equal opportunity for public service, to establish conditions of service which will attract officers and employees of character and capacity and to increase the efficiency of the City government through improved principles of public personnel administration, there is hereby created a Department of Civil Service, which shall be under the control and management of a Commission to be known as the Civil Service Commission. The organization, powers, duties and functions of the Civil Service Commission and the Civil Service System shall be as follows:

(a) **Organization.** The Civil Service Commission shall consist of three (3) members, one of whom shall be appointed by the Mayor with the approval of the legislative body; and he shall serve for a period of six (6) years from the date of his appointment. The second member of the commission shall be selected by the non-uniformed divisions of the City and he shall serve for a period of four (4) years from the date of his appointment; a majority vote of the members of these divisions or division shall be necessary to select such member. Thereafter all appointments shall be made for a period of six (6) years each; each Commissioner to serve until his successor is appointed and qualified by the appointing power hereinafter designated. In the event of a vacancy in the appointing power, the Council shall fill such vacancy for the term as hereinbefore designated. The members of the Commission shall be persons in sympathy with the application of merit principles to public employment. No member of the commission shall hold any other elective or appointive office of the City, not be employed by the City in any capacity, nor be a member of any local, State or national committee of a political party, nor be an officer or member of a committee of any partisan political club or organization, nor be a candidate for any elective office. The system of Civil Service shall become effective upon the adoption of this Charter. The first appointments of members of the Commission shall be made not later than thirty (30) days thereafter. The members of the Commission shall receive for their services such

compensation as shall be determined by the Council. Vacancies shall be filled for the unexpired terms. Two (2) members of the Commission shall constitute a quorum for the conducting of the business of the Commission. The Mayor may remove any member of the Commission, but only after serving such member with a statement, in writing, of the reasons for such removal and allowing such member to be publicly heard in his defense. The Commissioner whose term of office shall next expire shall serve as Chairman of the Commission.

(b) **Powers and Duties of the Commission.** In order to carry out and make effective the purpose and intent of the provisions of this Charter in establishing a Civil Service System, the Civil Service Commission shall (1.) establish and administer a position classification plan, an examination program, a schedule of compensation, rules and regulations governing the terms and conditions of employment and service, a retirement plan, an insurance and disability plan and a medical program; (2.) establish and administer rules and regulations governing residence requirements, probation periods, service records, seniority, hours of service, work-week, vacations, leaves, time off, promotions, demotions, suspensions, removals, re-instatements, resignations, layoffs and age limits; (3.) make such rules and regulations not inconsistent with this Charter, as it deems necessary and advisable, for the administration of the Civil Service program; (4.) investigate and enforce the provisions of this section of the Charter and, through its authorized representatives or its own members, administer oaths and subpoena and compel attendance of witnesses and the producing of records in connection with any matter properly before it; (5.) make annual reports of its activities to the Mayor and Council and such special reports as may be requested by the Mayor or Council; and (6.) contract for such technical personnel services and advice as may be reasonably necessary to the performance of the foregoing duties.

(c) **Payrolls.** All pay-rolls or vouchers for personal services shall be recorded by the Commission or its authorized representatives as to names, classifications, and rates, and it shall determine the accuracy as to compliance with the provisions set forth by this Commission and the Council before payment is made.

(d) **The Unclassified and Classified Service.** The Civil Service of the City shall be divided into unclassified and classified services. The unclassified service shall specifically include officers elected by popular vote, persons appointed to fill vacancies in such elective offices, directors and heads of all City departments, clerk of the Municipal Court and all members of boards and commissions required by Law or this Charter to be appointed; except that the unclassified service shall not include the Chief of Police and the Chief of the Fire Department. The classified service shall comprise all other positions now or hereafter established in all of the departments, divisions, administrative offices of the City, and also including the court of the City. Any board, commission or department, constituted by Law a body corporate, shall be included in the classified service unless specifically excluded by the provisions of this Charter.

(e) **Approval by Council of Commission's Actions.** The actions of the Civil Service Commission in establishing a Classification of Position Plan, a Compensation Plan, an Insurance and Disability Plan, or Retirement Plan shall be approved by the Council before any of such plans may become effective. The Council may withhold its approval of any insurance, disability, or retirement plans until it decides that circumstances justify such approval. When any plan has been once approved, amendments thereto shall not become effective until jointly approved by both the Civil Service Commission and the Council.

(f) **Veterans Preference.** The Commission shall establish fair and equitable rules not inconsistent with Law for the granting of preference points to war veterans on examination for entrance into the service.

(g) **Certification of Eligibles.** Whenever any certification is made by the Commission from eligible tests to fill a vacancy or make a promotion in the Service, the names of the three (3) persons standing highest on the list shall be certified, and the appointing authority shall forthwith appoint one of the persons so certified to fill such vacancy.

(h) **Status of Employees Upon Adoption of Charter.** All persons in the employ of the City of Plymouth Heights or the Township of Plymouth in the classified service at the time this Charter shall become effective shall be deemed to have regular status and shall hold their positions without examination. All persons entering the classified service and all employees promoted after the adoption of this charter shall obtain their positions through examinations.

(i) **Filling of Vacancies by Promotion.** Whenever possible, vacancies shall be filled by promotion. An appointing authority may, for the good of the Service, elect to fill a vacancy by appointing a person from the open competitive eligible list rather than from a promotional eligible list.

(j) **Removal Procedures and Appeals.** Any employee or officer in the classified Civil Service may be removed, suspended, or demoted by the appointing authority for cause, as shall be established by the Civil Service Commission, by a written order stating specifically the reasons therefor, upon removal or suspension said employee will be removed from the payroll, subject to his pay being reinstated if he is found to be "not-guilty" of the infraction for which he is suspended or removed. Said re-instatement shall be retroactive to time of suspension. A copy of such order shall be filed with the Commission. Such employee may within ten (10) days after presentation of such order to him appeal from such order to the Civil Service Commission. The Commission shall within two (2) weeks from the filing of such appeal commence the hearing thereon, and shall thereupon fully

hear and determine the matter, and either affirm, modify or revoke such order. The appellant shall be entitled to appear personally, produce evidence, have counsel, and a public hearing. The findings and decision of the Commission shall be certified to the official from whose order the appeal is taken and shall forthwith be enforced and followed by him.

(k) **Soliciting for Political Purposes.** No officer or employee in the classified Civil Service shall directly or indirectly make, solicit or receive any assessment subscription or contribution for any political party or any political purpose whatsoever. Any employee violating the provisions of this section may be removed from office by action of the Civil Service Commission.

(l) **Discrimination Prohibited.** No person in the classified Civil Service or seeking admission thereto shall be appointed, removed, promoted, demoted or in any way favored or discriminated against because of his political, racial or religious opinions or affiliations, except for membership in any organization which advocates the overthrow of or disloyalty to the Government of the United States or any subdivision thereof. For the protection of vital governmental services, the Council may authorize the Commission to administer loyalty oaths to all employees of the City and to remove from the classified Civil Service any employee who is found to be disloyal to the Government of the United States or any subdivision thereof, or who shall refuse to take such oath.

All persons convicted by or before such judge, of the violation of any of the ordinances of said City, may by said Judge be fined or imprisoned, or both, in the discretion of said Judge, according to the terms of the ordinance under which such trial and conviction was had. If a fine be imposed it shall be with the cost of prosecution if the ordinance so provided, and an appeal may be taken to the Circuit Court for the County of Wayne by the person convicted as in criminal cases. All imprisonments imposed under this section may be in the County Jail for the County of Wayne.

Section 6.8 **Dockets.** The Municipal Judge shall enter or cause to be entered in the docket kept by him, the title of all suits and prosecutions commenced or prosecuted before him for violation of the Charter and ordinances of the City, and all the proceedings and the judgment rendered in such case, and shall itemize all costs taxed or allowed therein. He shall also enter or cause to be entered the amounts and dates of payment of all fines, penalties and forfeitures, moneys and costs, received by him or the Clerk of said Court, on account of said suits or proceedings. Such books of said Clerk shall be audited at least once each year to ascertain that such books are correctly kept and that all moneys received have been properly accounted for. Said Clerk shall before entering upon the duties of said office give such bond as may be required by the Council, at the expense of the City. The Clerk shall perform such other duties as may be from time to time prescribed by the Council. Compensation of the Clerk shall be fixed by the Council.

This Council shall, as soon as possible after the effective date of this Charter, adopt by ordinance the provisions of Act 288, Public Acts of Michigan for 1929, as amended, in the manner as required by the aforesaid act. If any party demands a jury in any civil action in said Municipal Court, he shall advance to the Court the sum of five (5) dollars as a jury fee and the same shall belong to the City of Plymouth Heights, and shall be turned over by said Court in the same manner as is required in the case of other moneys received by it.
