

With Goal of \$66,480, Fund Appeal Opens Oct. 10

Poised to launch Plymouth's 1963 Community Fund drive in just 10 days, community officials and divisional chairmen met Monday to firm up last minute details and marshal their forces for the largest appeal in the Fund's history.

With an overall goal of \$66,480, the drive opens Thursday, Oct. 10, and runs through Friday, Nov. 1, a date that has been confidently set aside for the traditional "victory banquet."

This year's goal, largest amount ever sought by the Community Fund since its inception soon after World War II, is some \$21,000 greater than the goal set a year ago.

But, significantly, it is only \$858 more than the total contributions received during the 1962 drive when the campaign went nearly 50 per cent "over the top."

A year ago, with a \$45,050 target, the campaign raised \$65,622, an overwhelming burst of generosity on the part of private, professional, business and industrial donors.

"With this same fine generosity," said this year's general campaign chairman Bob Stremich, "there is absolutely no reason why we can't reach our 1963 goal."

Stremich hosted an 8 a.m. meeting of Community Fund officers and divi-

sional chairmen Monday morning at Hillside Inn. A series of reports by the various divisional leaders indicated the progress to date in planning for the forth-coming appeal.

Already, the industrial solicitation phase has gotten underway. Industrial division chairman is Elmer Hedlund, an executive at Western Electric here, who handled the same portion of last year's drive.

Basing his strategy on experience gained during last year's industrial solicitation, Hedlund is hopeful of raising nearly two-thirds of the overall goal this time.

Traditionally, the industrial phase

has always resulted in the largest individual returns. A payroll deduction plan is the key to the industrial phase, whereby employees of plants and factories may pledge their contributions directly to the Plymouth Fund.

Hedlund has lined up seven team captains who, in turn, will carry the appeal to 35 local factories and 18 other plants that are situated outside Plymouth but still employ large numbers of local residents.

An industrial phase "kick-off" meeting was held late last month at which time team assignments were made and information kits were distributed to the team captains.

Letters have been sent to the various corporate heads who soon will be approached personally by the assigned team captains.

Each industry will be contacted by a team captain beginning this week and pledge cards for employees, together with brochures and posters, will be distributed.

Hedlund pointed out that all industrial employees may divert their donations directly to the Plymouth Fund by simply writing "Please Credit to Plymouth Community Fund" on the reverse side of their pledge cards.

A year ago, the industrial division

raised more than \$41,000 of the \$65,000 total.

Industrial team captains are: J. B. McKeon, of Distribution Service, Inc.; James Van Gieson, of Stal-Van Mfg. Co.; J. E. Orvis, of Whitman & Barnes; James Guyot, of Associated Spring Corp.; Robert Fisher, of Western Electric; C. O. Semple, of Evans Products; and George LaForest, also of Western Electric.

"I feel that already we're off to a flying start as far as the industrial phase is concerned," said Hedlund last week, "and we anticipate not only a successful industrial participa-

MRS. DAVID MATHER, in charge of the residential division of the 1963 Community Fund drive, confers with general chairman Bob Stremich during Monday morning's meeting of Fund officers and campaign planners. The door-to-door appeal, to be conducted by 250 housewives, will be Oct. 23, 24 and 25 from 7 to 9 p.m. each evening. "Porch-Light" night will be Oct. 24, said Mrs. Mather. The overall drive gets underway Thursday, Oct. 10.

Symphony Warms Up For Its 18th Season

For the 18th consecutive year, Plymouth residents will have the opportunity to attend six free concerts presented by the Plymouth Symphony Orchestra, which is partially supported by the local Community Fund.

The schedule of programs was announced this week by conductor Wayne Dunlap, who is beginning his 12th season as director of the 95-piece orchestra, comprised of volunteer musicians.

The 18th Plymouth Symphony season will open with an evening performance Saturday, Oct. 19, in the auditorium at the Senior High. Last season's opener marked the first evening concert in the Symphony's history.

An "After-Glow" followed that one at the Hotel Mayflower and tentative plans this year call for a similar occasion.

Soloist for the first concert will be Robert Schulman, of Detroit. A highly-talented pianist, Schulman is the 1963 winner of the \$1,000 Grinnell Mozartium Foundation scholarship for study at the Mozarteum in Salzburg, Austria.

During the Oct. 19 performance, he will play Bartok's Piano Concerto No. 3. The program also includes a symphony by Beethoven and Savannah River Holiday, an overture, by Ron Nelson.

The remaining concerts include:

New Chemical In City Water To End Rust

The addition of a "customized" blend of chemical phosphates to the City of Plymouth's water supply is expected to clean out rust and iron in the City's water within the next month or so, according to DPW Superintendent Joseph Bida.

He said it will "eventually flush the entire system clean" and greatly reduce — if not completely eliminate — complaints of rusty water from users.

Bida explained that the City will begin adding the special blend of chemical next Monday. It is described as "multi-precip 1004" and is sold by the Warren Chemical Corp., of Chicago Heights, Ill.

Until now, the City has been using Calgon which "suspends" the iron in the water for a period of 72 hours. The new chemical treatment actually prevents the formation of iron, Bida said, and thus precludes the appearance of rust as well.

The City will start by adding five parts of the customized blend to every million gallons of water. It will be added to the water right at the City's well on Beck Rd. and Six Mile Rd.

Cost of the blend is 25 cents per pound, and the City will use about 100 pounds each day, Bida said. He explained that Milford uses a similar phosphate blend in its water and has experienced satisfactory results.

Police Seek Dog After It Bites Local Youth, 8

A black and white stray dog, probably part cocker, is being sought by the Wayne County Sheriff's Department and Mr. and Mrs. Arthur M. Smith, of 9125 Beck Rd.

The Smith's eight-year-old son Michael was bitten by a dog Friday while riding his bicycle. The dog appeared from behind a tree in front of the home owned by Mr. and Mrs. Cameron Lodge, at 49910 Joy Rd., and bit the boy on the left hip, then ran behind the Lodge home.

Unless the dog is identified in time for him to undergo an examination for rabies, the young boy will have to begin the painful series of rabies shots, 14 in all.

Dr. Ensign Clyde, attending physician, said he intends to begin the long treatment before Monday, Oct. 7, if the dog has not been identified and judged to be rabies-free.

Usual observation of dogs to determine the prevalence of the rabies disease is ten days. At the end of the waiting period, if no signs have occurred, the case is closed.

Officer Ted Sharon in the records Bureau of the Wayne County Sheriff's Department said they would continue their search for the dog until the 10-day period has elapsed Oct. 7.

The young Smith child described the dog as being black and white, having wavy hair and fluffy ears, resembling a cocker, to some degree.

Anyone having any information on the dog is requested to call either the Sheriff's department (PA 1-2222) or the Smith home (GL 3-5321).

2 Girls Injured In Auto Crash

Two teen-age girls, believed to be students at Farmington High, were seriously injured Tuesday noon when their Thunderbird slammed into a Kroger Co. transport van at the intersection of Ann Arbor Rd. and Sheldon Rd.

Both were taken by ambulance to Wayne County General Hospital. Neither of the two girls' identities nor the exact extent of their injuries were immediately known.

Hope to Renew 8 Mills Study School Tax Election Nov. 25

Voters in the Plymouth Community School District can expect a call to the polls perhaps as early as Nov. 25 to determine the future of eight mills of expiring school taxes here.

Although School Board members Monday night gave some indication the election will be on that date, it is possible the voting may be delayed until as late as Feb. 15.

Those were the two alternative dates posed by Board President Gerald Fischer during a brief special session in Junior High East.

Board members will meet in committee next Monday evening to start work on determining the exact needs of the District so far as the eight mills are concerned.

Three of the eight mills currently provide operating revenue; the other five mills comprise the building and site sinking fund.

Both are expiring next year. In fact, the building and site sinking fund has been borrowed against to the maximum, and only an immediate renewal of it will enable further advanced borrowing by the District.

There is a possibility the Board will ask for four mills for operating purposes, and reduce the sinking fund levy to a like amount.

Regardless of how the request finally winds up on the ballot, it is "unlikely" the Board will ask for an amount other than the eight mills favored by Fischer, said Fischer.

In question is only the breakdown in the method of levying the millage — whether it be a continuation of three mills for operating use coupled with five for the sinking fund, or four mills for each purpose.

The precise "timing" of the election drew wide discussion. Gov. Romney's pending state fiscal reform bill was mentioned as a possible reason for waiting until Feb. 15 before holding the election here.

Board member Robert Utter favored this approach.

Other members felt that the election should be sooner.

Harold Niemi, a former member, was on hand and suggested that more time would be needed in order to achieve a favorable vote on the renewal package. He felt that an election Nov. 25 would not permit the Board to organize a sufficient "yes" vote campaign.

Originally, Fischer had hoped that the election could be called the first week in November, but a requirement demanding a 40-day advance notice of the election nullified this possibility.

The Board must pass a necessary resolution 40 days prior to the election date. The exact proposition — or propositions — to appear on the ballot must be agreed upon only three weeks in advance of the election day, however.

The current total School tax here amounts to 23.70 mills. It is broken down in this fashion:

Operating	15.90
Sinking Fund	5.00
Debt Retirement	2.80
Total	23.70

Three mills for operating purposes and the entire sinking fund are about to expire.

Assuming the Board asks for an identical amount and that voters approve it, the School District's total tax levy will remain absolutely unchanged.

If the Board deems it necessary to ask for four mills for

Chamber Voting To Select Four Board Members

Voting is underway this week to elect four members to the Chamber of Commerce's board of directors, three for 3-year terms and the fourth for a 2-year term.

Terms of office of board members Margaret Dunning, Harvey Ziel, Herald Hamill and Wendell Lent are expiring.

Ziel, Hamill and Lent have been re-nominated for office, and five other Chamber members complete the eight-member list of nominees for the four vacancies. The five others are Cecil Sharrard, Leo Calhoun, Clarence DuCharme, Bernie Morrison and Douglas Blunk.

FRAMED BENEATH—the scoop of a huge trench-digging machine, officials from Plymouth Township last Friday gathered to mark the start of work on an 8,000-foot sanitary sewer construction project. The 24-inch sewer line, when completed later this year, will extend sanitary sewer facilities along Joy Road from Sheldon to McClumpha. While a workman in the cab of the trench-digger awaits the signal to resume work, officials posed for this photo. From left: Dick Bakkum, a representative of the Venice Construction Co. which won the contract award; Township Engineer Herald Hamill; Treasurer Elizabeth Holmes; Clerk John D. McEwen; and Supervisor Roy Lindsay. The construction contract amounts to \$131,290 and the total cost will be about \$150,000. A federal grant will cover half of it. The project is the third largest single construction job ever undertaken by the Township, surpassed only by two water programs.

Ground-Breaking Sunday Marks Start of City Hall

Ground-breaking ceremonies marking the official start of work on Plymouth's new City Hall will be held Sunday afternoon, and a community-wide invitation has been extended to all residents to attend the event.

The ceremony will begin at 2:30 p.m. at the new City Hall site on Main St. Harold Guenther, chairman of the Municipal Building Authority which is in charge of the project, will serve as master of ceremonies.

In addition to the invitation that has been issued to all residents of the Plymouth community, other invitations are being extended to a wide array of dignitaries, including three members of congress.

Joseph Near, a member of the MBA and co-ordinator of the ground-breaking ceremony, said that invitations have been sent to Representative Martha Griffiths and Senators Philip Hart and Patrick McNamara. State and local officials will also be on hand.

Invitations are going out this week to all local service clubs, as well as the Chamber of Commerce, Township and School Board officials, and present and immediate past City Commissioners.

Architect Byron Becker and builder Ernest Burger, both of Plymouth, will be among the dignitaries. Becker is the architect for the project and Burger's construction firm is handling the general construction work.

Child Guidance Clinic Opens

Supported in part by Plymouth's Community Fund, the Northwestern Child Guidance Clinic this week is in the process of setting up headquarters in Wayne County General Hospital.

A \$2,000 grant from the Community Fund, together with financial assistance from 14 school districts in western Wayne County, enabled the clinic to become a reality, according to Dr. William Covington, local dentist, who helped promote the clinic.

Dr. Covington said the clinic will not be able to accept patients for "a few weeks yet" while it is getting settled.

The clinic will provide child guidance counseling services, utilizing trained social case-workers including both psychologists and psychiatrists.

Referrals to the clinic will come from the high school counsellors in the various school districts within the western Wayne County area, said Dr. Covington.

A full-time director will administer the clinic, although it will be essentially a branch of the Children's Center in Detroit.

Leader of the move to establish the clinic has been Mrs. Crispin Hammond, of Northville. Both Dr. Covington and Mrs. A. E. Vallier spearheaded the drive in Plymouth. Dr. Covington is a member of the finance committee and Mrs. Vallier is on the equipment committee. Both are also members of the clinic's board of directors.

The Plymouth School District was asked to share in the financing of the clinic on the basis of a formula calling for a 25-cent-per-student-enrolled grant.

School Board members debated the matter at considerable length, before declining. A request to the Community Fund produced a \$2,000 grant.

"It is the hope of a local committee that eventually the Plymouth School Board will see fit to share in the program," said Dr. Covington.

Under the 25-cent-per-student formula, the School District's first-year share would have been about \$1,300.

UNDERGOES SURGERY

Official Student Census Shows 5,646 in Classes

Total student enrollment in the Plymouth public school system leveled off at 5,646 Friday as school officials conducted the "official membership" count required by the state.

The membership census, which must be taken the fourth Friday in September, is the figure on which per capita state aid allotments are based during 1963-64.

Enrollment the Monday after school resumed this fall was 5,651, five pupils more than Friday's total. The enrollment is expected to remain at approximately this figure for the remainder of the school year.

This is the breakdown, by schools:

Allen	466
Bird	536
Farrand	509
Gallimore	439
Truesdell	76
Smith	535
Starkweather	412
Jr. High East	889
Jr. High West	563
Senior High	1,231
Total	5,646

Story in Legal Chronicle Features Mayor Wernette

Mayor Richard Wernette found himself on the front page of The Legal Chronicle recently as the subject of a lengthy feature describing the duties of a probate analyst, his profession for the past six years.

The Chronicle is published in Detroit and is circulated widely there among attorneys and others affiliated with the world of legal matters.

Wernette's picture, along with a story of his duties as an analyst for Wayne County Probate Court, dominated nearly one-third of the front page.

He has been with the county since 1941 and was named a probate analyst in 1957. He has been Mayor of the City of Plymouth since April and a Commissioner here for six and one-half years.

\$4,000 Project At City Hall Site is Gratis

Some \$4,000 worth of work that Michigan Bell Telephone Co. is doing at the site of new City Hall will wind up as a direct gift to the City of Plymouth. The Mail learned this week.

Branch Manager Hazen Wilson said that Michigan Bell has already re-routed a complex telephone line entrance cable on the site and has relocated several poles and telephone wires, in order to expedite the construction of the new municipal headquarters.

Eventually, when new City Hall is completed, the giant utility will re-build the entire telephone line entrance cable leading into the building.

Total cost of the project, according to Wilson, will be about \$4,000, which Michigan Bell will absorb.

"We're glad to do it to help with the City's building program," Wilson declared.

Earlier, Detroit Edison Co. volunteered to do similar type work on the re-locating of its power lines and related equipment—also at no cost to the City.

Long-Time Employees of W & B Retire

For '64: the price is medium... the action maximum... the car is Mercury

The "action" is provided by the type of V-8 engines that have made Mercury the new performance champion of the medium-price field - demonstrated in open competition including the most recent Pikes Peak Climb. A 390 cu. in. V-8 is standard, a 427 V-8 optional. And only Mercury offers you two entirely different styling choices in one great car.

'64 Mercurys are also available with Breezeway Design

Mercury delivers more than the usual in all these ways: more performance, with the most responsive engines in its field. More leg room, head room, and entry room. More trunk space - 11 suitcases big (17.1 cu. ft.). And a far greater styling choice: racy Marauder styling (above) or unique Breezeway Design (right), with the only rear window that opens for ventilation, stays clearer in rain or snow. LINCOLN-MERCURY DIVISION, FORD MOTOR COMPANY

Ground-Breaking Sunday

The 30-minute program will include brief remarks by certain dignitaries present. Guenther will introduce the speakers and the many persons who shared in the task of bringing about the new City Hall.

Meanwhile, preparation of the site proceeded swiftly last week and architect Becker said that actual construction work is expected to begin shortly. The project is expected to take 12 months.

With Goal of \$66,480

tion but a completely successful 1963 drive as well. He said that the campaign could not help but be successful providing all divisions meet the same "fine co-operation that we enjoyed a year ago."

The brochure that Hedlund's team captains are passing out to industrial employees for payroll deduction purposes, is also soon to be distributed by Boy Scouts to all homes in the Plymouth community.

Some 12,500 brochures eventually will be distributed. The brochures describe the goal, the needs and the proposed uses of the money raised by the fund appeal.

The Community Fund supports 12 local and 22 statewide agencies. The widely publicized YMCA Youth Employment Service is among the many local projects assisted by the fund.

In addition to Hedlund, other divisional chairmen are: Sidney Strong, in charge of the professional solicitation; Hugh Jarvis, business; Elizabeth Mather, residential chairman; Elizabeth Holmes, residential vice-chairman; and Sterling Eaton, advance gifts.

Letters to advanced gifts donors have already been sent to more than 100 individuals, according to Eaton.

Mrs. Mather, in charge of the door-to-door residential solicitation, said that Oct. 23, 24 and 25 have been selected for this phase. She has organized 30 area captains and more than 230 housewives, who will actually conduct the door-to-door campaign. The evening of Oct. 24 is designated as the "Porchlight" portion of the residential appeal.

Others with important roles in this year's drive include: Richard Waga, in charge of report luncheons; Earl Merriam, report luncheon vice-chairman; Phil Scott, advertising chairman; and William Nelson, publicity and special events.

A kick-off luncheon Thursday, Oct. 10, will begin the appeal, following the traditional torch-lighting ceremony

at 11:45 a.m. in Kellogg Park. Two report luncheons have been scheduled, one for Oct. 17 and another for Oct. 24.

The victory banquet Nov. 1 will conclude the 1963 appeal. The following is a breakdown of the proposed allocations for the 12 local agencies, providing the 1963 drive reaches its goal:

Boy Scouts	\$6,000
Girl Scouts	5,000
Salvation Army	8,500
Visiting Nurse	3,000
Dental Fund	2,000
Youth Club	1,000
Symphony Society	2,000
Vets. Mem. Cntr.	2,050
Amer. Red Cross	4,475
Mich. Cancer Found.	4,020
Senior Citizens	780
Family Service	17,500

This is a summary of Fund receipts from the 1962 appeal:

Advance Gifts	\$4,535
Business	11,723
Professional	3,257
Residential	4,268
Industrial	41,838

Symphony

(Continued from page 1)

17; the traditional Christmas program Dec. 8; the ever-popular Family Concert Jan. 26; a March 1 affair that will feature selections from the works of Haydn and Sibelius as well as Strauss and Addison; and an April 11 performance centered around the works of Puccini and "La Boheme."

The Oct. 19 and April 11 concerts will both be held in the evening. All the others will begin at 4 p.m. Sundays. The Plymouth Symphony Orchestra is made up of both professionals and talented amateurs, drawn from 20 different communities near Plymouth. Sponsored by the Plymouth Symphony Society, it is one of the largest civic orchestras in the country.

The Symphony Society finances its free concert series and numerous other musical activities on an annual budget of about \$10,000. More than half of this money comes from business, industrial and family memberships. The remaining income comes mainly from the Symphony League, a women's organization which gives more than 20 per cent of the budget and the Community Fund which contributes \$2,000.

The family membership campaign began last spring and is still in progress. Slightly more than half of the \$3,500 goal has been reached. Memberships are available in four categories: active, \$7.50; supporting, \$15; sustaining, \$25; and patron, \$50 and over.

They are tax deductible. Checks may be mailed to the Plymouth Symphony Society, P.O. Box 99, Plymouth. Family membership chairman is Mrs. Dean Manley.

V.F.W. AUXILIARY NEWS

By Claudette Krumm

Get well wishes are sent to Lillian Erdelyi. We hope she will soon feel her best, again. A belated happy anniversary goes to the Bob Barber's, and a happy anniversary is wished to the Jim McKindies.

The jewelry auction was very successful, and thanks go to all auxiliary members for their help.

A reminder that this month, October, is dues month. Let's all get the dues in as soon as possible.

Pat Dunlap will be having a rummage sale on October 16th. If you have any articles to contribute to it be sure and call Pat at GL 3-0448, and she will be most happy to arrange to have them picked up.

On October 26th there will be a pumpkin pie sale. All pies must be ordered in advance, and by the 20th of October. The cost of the pies will be \$1.00. You can pick your pie up at the V.F.W. hall on the 26th anytime before noon.

To order call: Lucy Johnson 464-0831, Norma McKindies GL 3-7036, or Claudette Krumm GL 3-7406. When ordering your pie be sure and give the time you will pick up your pie so that it can be piping hot from the oven.

We hope that all of you are busy on your Bazaar articles. A workshop will be set up soon, and we will let you know more about it later.

The Post is having a Square Dance at the hall on October 5th. It starts at 9:00, and will cost \$1.00 for adults, 50c for a single person. Keep in mind that on the 26th there will be a costume Halloween party at the hall. More details on that dance to follow later.

The auxiliary is having a get re-aquainted party on October 9th beginning at 8:00 p.m. It will be an evening of fun with refreshments and a special drawing for all members who have paid their 1964 dues by drawing time. The prize was donated. It sounds like a really good evening, so gals let's all come out. We've missed many of you in the past months, so come out and let's all get re-acquainted.

John C. Luther, electrician's mate fireman, USN, son of Mr. and Mrs. Clayton C. Luther of 42485 Parkhurst, and David E. Zimmer, interior communications electrician second class, USN, son of Mr. and Mrs. Ray J. Zimmer of 560 Jener St., returned to Norfolk, Va., early in September aboard the attack aircraft carrier USS Enterprise after spending seven months in the Mediterranean.

IT MAY STILL be fall by the calendar, but members of Plymouth High's senior class are already thinking in terms of Christmas cards.

Co-chairmen of the annual card sale are Julie Lent and Terry Holt, who are hoping that their classmates will be able to sell \$8,000 worth between now and the holidays. Proceeds will be used for the purchase of yearbooks and the rental of caps and gowns at graduation time. Samples of the various cards being offered were passed out this week to class members and the sale begins immediately. A display of cards, along with wrapping paper and ribbon has been set up by Mary Feldkamp in the Senior High's main hall. Any student selling 16 boxes of cards will receive a yearbook and his cap and gown as a gift of the class.

Sunset District Adult Leaders Meet Nov. 2

Adult leaders of Scouting in Plymouth will join with other leaders of the Sunset District for their Annual Meeting Nov. 2.

This dinner meeting marks the beginning of the extensive adult activity and training that brings the Scouting opportunity to the boys of Plymouth. It will be held this year at the Franklin High School in Livonia.

The District Officers have been fortunate in procuring an outstanding speaker and a film of unusual interest. Scouter and their wives can look forward to a pleasant meal served by a prominent caterer.

Kenneth L. Hulsing is Chairman of the year's event, and among others has the assistance of Sid Strong, who is handling arrangements at the meeting location. Tickets may be procured from a member of the District Commissioner's Staff or from Davis & Lent, 336 S. Main.

operating purposes and reduces the sinking fund to a like amount, the total will remain the same, but the breakdown will then look like this, providing it is approved at the polls:

Operating	16.80
Sinking Fund	4.00
Debt Retirement	2.80
Total	23.70

In other matters Monday evening, the School Board heard a review of the YMCA's Youth Employment Service, as presented by co-ordinator Wike Hoben.

He urged an expanded vocational training program within the school system's regular day-time curriculum. Hoben appeared during a curriculum review held prior to the School Board's brief meeting.

Board members agreed that further emphasis should be placed on such courses as food service and auto mechanics. They felt that the Senior High's co-operative occupational training program should also be expanded where possible.

No official action was taken. Hoben reported that the Youth Employment Service has enrolled 352 young people seeking jobs. A total of 302 jobs have been uncovered and 205 of these have been filled. Hoben said the total earnings of the persons placed in jobs by the Youth Service are between \$60,000 and \$70,000 to date.

The present budget of the Youth Service is \$2,500, he said.

Hoben discussed the problem arising out of "potential drop-outs" in the Plymouth School System. He said there is a shortage in the community of unemployed persons with basic skills. He said basic service trades are in demand.

Robert Smith, an assistant principal at the Senior High and a guidance counselor with Hoben, reported that the rate of drop-outs of students who originally were members of PHS's class of 1962 amounted to 12 per cent over the course of the years leading up to graduation of that class.

Hoben said that the annual drop-out rate here is about five per cent, well below the national average.

Chamber Voting

(Continued from page 1)

names of the eight candidates have been sent to members of the Chamber and voting ends this Friday. Ballots must be postmarked no later than Oct. 4 in order to be counted.

When the new board members have been installed later this month, the directors will select a new slate of presiding officers for the 1963-64 year.

The current board of directors of the Chamber consists of: John Herb as president; James Thomas, vice-president; Miss Dunning, secretary; Harvey Ziel, treasurer; and Ralph Garber, Herald Hamill, George Lawton, Wendell Lent, Arnold Johanson, John Wiltse, Edward Draugelis and Hazen Wilson as board members.

Actually, only nine directors are elected by the Chamber's membership at large. Three directors are appointed out of the ranks of the industrial division. The three appointees at present are Thomas, Johanson and Wilson.

Terms of the three industrial representatives also are expiring, and the industrial division will shortly re-appoint all three or name their successors.

Meanwhile, Chamber officers are making plans for the annual dinner meeting which will be held early in November. At that time, a brief review of the Chamber's accomplishments during the past year will be presented and a prominent speaker will address the members who attend the event.

Judith Heric Weds Bob James

JUDITH ANDREA HERIC, daughter of Mr. and Mrs. M. J. Heric, of 9317 Southworth St., and Robert McElhiney James, son of Mr. and Mrs. Albert Lamkin James, of Marshall, Mo., exchanged nuptial vows in an early afternoon ceremony in St. Thomas the Apostle Catholic Church, Ann Arbor, last Saturday.

An early afternoon ceremony in St. Thomas the Apostle Catholic Church, Ann Arbor, last Saturday, Sept. 28, was the scene of the marriage of Judith Andrea Heric and Robert McElhiney James.

The bride is the daughter of Mr. and Mrs. M. J. Heric, of 9317 Southworth St. The bridegroom is the son of Mr. and Mrs. Albert Lamkin James, of Marshall, Mo.

Given in marriage by her father, the former Miss Heric chose a regal-designed floor-length gown of pearl lustrated rose satin. The contoured bodice, styled with crescent curved decolletage and tapered mid-length sleeves, was frosted with embroidered Alencon lace etching its rose motif over the shoulder line and defining the slender midriff. The Alencon lace continued in a vertical garland to the hem of the Watteau pleated skirt, which belled from a back waistline bowknot to an Empress train. A court cap of blending satin, accented with pearl embroidery, caught her tiered bouffant veil of filmy silk illusion. She carried a cascade bouquet of gardenias.

Attending her sister as maid of honor was Miss Linda Heric. Other attendants were Mrs. Katie Allen, sister of the bridegroom, of Oak Harbor, Wash.; Mrs. Nancy Amling, of Pana, Ill., and Miss Carolyn Seelman, of Ann Arbor.

The attendants wore cranberry-colored brocade gowns, styled with empire waistlines, scooped necklines and long sleeves, and matching shoes. Cranberry-colored velvet circlets held the matching veiling in place. They carried bouquets of pink gladiolus.

Serving the bridegroom as best man was Jack G. O'Brien, of Saginaw, Benny Swinger, of Marshall, Mo., Jerry Carlson, of Rockford, Ill., and Tom Jennings, of Iowa, seated the guests. All wore morning suits.

For her daughter's wedding, Mrs. Heric chose a pale gold brocade A-line Simonette original with gold hat and harmonizing accessories and a bronze orchid. Mrs. James wore a melon-colored chiffon over silk two-piece dress with harmonizing accessories and a bronze orchid.

Following the ceremony a champagne brunch was held at Hillside Inn for approximately 100 guests.

Following a wedding trip to Florida, the couple, both of whom received their masters degrees from the University of Michigan, will make their home in New York, where Mr. James is affiliated with a music publishing house.

Mr. James, in collaboration with Mr. O'Brien (his best man), under the name O'Brien & James, had two of their musical comedies, "Land Ho," and "Bartholomew Fair," presented at University of Michigan last year. The two men are presently collaborating on a new musical to be presented off Broadway in the near future.

Mr. James, who wrote the hymns used at his wedding, recently signed a two year contract with Mercury Records. He presently has a record out on the Mercury label, "Bolo Conceptions," by the Bob James Trio.

Northville State Auxiliary Sets Tea

BPW Won't Meet Oct. 21

Mrs. Carl Hosier, president of the Plymouth Branch of Business & Professional Women, has announced that the club will not hold its regularly scheduled business meeting on Monday, Oct. 21.

Reason for the cancellation is the upcoming District 9 meeting to be held at Hillside Inn on Sunday, Oct. 27. The Plymouth Club will host the district meeting and Mrs. Hosier is hoping for 100 per cent attendance by local members.

The day-long meeting will get underway with a coffee-hour beginning at 9:30. The coffee-hour will be under the auspices of the Northville Club.

Edward's Salon Gets New Look

Edward Verda, new owner of Edward's Hair Fashions, formerly called Midge's, is currently over-seeing a gradual but determined effort in redecorating the local beauty salon.

In addition to re-painting, and the adding of artificial flowers, including a 6 foot wisteria tree, Mr. Verda has made an arrangement with a reputable antique dealer whereby he will display various antique items, changing them monthly.

Verda is a graduate of Virginia Farrell School of Cosmetology and has taken advanced training from Virginia Farrell Academy, attended the Clair Technical Center for hair coloring and studied advanced hair cutting in New York.

Plymouth Grange Plans Bazaar

PLYMOUTH GRANGE will hold its annual bazaar and turkey dinner at the Grange Hall on Saturday, Oct. 12, beginning at 10 a.m. Displaying some of the items to be sold at one of the many booths are, left to right, Mrs. Lloyd Fillmore, publicity chairman; Mrs. Claude Eckles, dinner chairman; Mrs. Kenneth Lunn, co-chairman; and Mrs. Harmon Gates, chairman.

Plymouth Grange members are busy at work completing plans for their annual Bazaar and Turkey Dinner, which will be held at the Grange Hall, 273 S. Union St., on Saturday, Oct. 12.

Servings of the family-style dinner with all the trimmings will be at 5 p.m., 6 p.m., and 7 p.m. Enlarged dining room facilities will make it possible to serve a total of 300 persons.

Pre-sale dinner tickets are priced at \$1.50 for adults and 75 cents for children. Tickets sold at the door will be \$1.75 for adults and \$1 for children. Advance tickets may be obtained from Mrs. William Squires, 173 S. Union St., (GL 3-3030), or Mrs. Lloyd Fillmore (GL 3-2493).

Homemade vegetable soup and sandwiches will be served from a snack bar between 10 a.m. and 2 p.m. And there'll be booths and

Art Around Us:

by Mrs. Jessie Hudson

Nature can teach us a great deal about art. Even a dried weed or a blade of grass examined closely can show us how to repeat shapes, how to vary them, how to space them interestingly. This is the basis of good design and Nature is a master. Human or animal forms, too, have basic shapes repeated, varied and spaced in interesting arrangements. Artists of all periods have recognized their debt to natural forms and have used them repeatedly through the centuries.

Twenty thousand years ago, man using primitive materials such as burnt sticks, animal fats, and colored clays made expressive drawings of the animals which were such an important factor in his life. He drew bison, deer, horses, pigs and cattle. By emphasizing the important differences in the natural shapes around him he demonstrated an early awareness of design in nature.

Egyptian artists used stylized forms in their decorative geometric patterns. Shapes based on fish, beetles, flowers, wheat, fruit were simplified so much that they became symbols instead of recognizable objects. These symbols in time became the basis for written language.

The Greeks were more interested in glorifying the noblest of creatures than in painting symbols of fruit or flowers. Their sculpture of perfect human specimens, of athletes, princes and maidens has never been matched in excellence. Greek sculpture is still the standard example of classical form.

The ability to recognize basic form in nature, the imagination to simplify it and the daring to exaggerate or distort it are very highly developed in the art of primitive peoples. Natives of islands in the South Seas, Indians of North and South America and tribal artists of Africa all share this creative ability. Primitive art has appealed strongly to many modern artists. Beginning early in this century with Henri Matisse in France and continuing down to today's masters Picasso, Brancusi and Henry Moore, the influence of African art is strongly apparent. Nature's forms, are the basis of inspiration today as they were twenty-thousand years ago.

THE LAKE POINTE branch of the National Farm and Garden Association held an out-door "Rally Day" last week at the home of Mrs. Howard Motzkus, 14347 Shadywood. Local members welcomed not only new members of the club, but many recent arrivals to Lake Pointe

Village as well. Mrs. Motzkus described the affair as a "get-acquainted" session. Above, helping themselves to coffee and treats are (from left) Lois Dusbiber, Helen Siegert, Shirley Griffiths, Margie Truesdell, Alice Reynolds and Mrs. Motzkus. The club has 35 members.

COOKIE ADVOCATES have a treat in store for them when they try this week's recipe for "Hawaiian Mood Cookies," suggested by Mrs. Roy Phelan, of 14230 Shadywood Dr., who is just about to check on her freshly baked batch of these scrumptious cookies.

Sure to be a hit with children and adults alike is the recipe for "Hawaiian Mood Cookies," suggested by this week's Plymouth Mail guest cook, Mrs. Roy Phelan, of 14230 Shadywood Dr.

Mrs. Phelan and her family moved to Plymouth 5 1/2 years ago from Valley Forge, Pa.

A member of X-Newcomers and an Investment Club in Farmington, Mrs. Phelan was formerly chairman of the Plymouth Friends Volunteer Group at the Northville State Hospital, a group sponsored by the Plymouth Newcomers.

In her spare time Mrs. Phelan likes to play bridge,

read, play golf and garden.

The Phelan's have four children, Kathleen, a sixth grader at Junior High East; Kevin, a third grader at Farrand Elementary School; Patrick, a first grader at Farrand, and Craig a kindergarten at Farrand.

Approximately 20 guests from Plymouth, Ypsilanti and Livonia attended the shower. Miss Smith became the bride of William Smith in a ceremony in St. Paul's Lutheran Church, Livonia, last Friday evening.

Frosh Victors Over Rival Clarenceville

Plymouth's freshman football team opened its season by whipping Clarenceville 24 to 13 at Clarenceville last Thursday.

In the first quarter after the ball had exchanged hands once, Plymouth started a drive in its own territory and moved to Clarenceville's 2 yard line when halfback Gary Gidcomb plunged in for the first 6 points. The extra point attempt was no good.

At the beginning of the 2nd period Clarenceville tied the ball game 6 to 6.

When Plymouth got its hands on the ball it stalled and Clarenceville took over. But as their quarterback passed on the next series of plays end John Davis (game captain along with Ron Pacquin) partially blocked a pass into Gidcomb's arms who then raced 60 yards to the opponents 10 yard line. With only 3 seconds left in the half Dick Micol's punting around left end just as the half ended, making the score 12 to 6.

In the third period Plymouth kicked off and held Clarenceville who punted and the Rock Frosh were off again. It seemed as if they were going to be stopped on the eight yard line with a fourth down. Coach Dick Hill had other ideas and sent in a pass play which went from Jim Elias to Steve Hulce and Plymouth scored again.

Clarenceville scored their second T.D. in the fourth period after Hill had substituted his second team.

When Plymouth got the ball again they moved it to the 20 yard line where Tom Bender cut around left end to score the freshmen's last touchdown.

There was no further scoring and Plymouth ended up on top 24 to 13. Hill said much credit should be given to linemen Craig Stadtmiller and Sam Callum for their great offensive blocking.

This Thursday the Frosh play Wayne-West at 4:00 on the Plymouth High School athletic field.

Redford Union Depth Overpowers Harriers

Redford Union's great depth was too much for the young Plymouth Cross Country team as the first four places went to the Rocks opponents which led to the score of 16 to 40.

The first place man for Redford Union, Bill Johnson, ran a tremendous race as he fell 8 seconds short of the

Plymouth course record of 10:50. Close behind Johnson came three of his teammates followed by fifth place finisher John Bowsman of Plymouth at 11:28. Coming in 7th, 8th, and 9th place were Steve Ward, Mike Bentley and Jim Eder with times of 11:30, 11:35 and 11:36 respectively. Following up were John Bates and Hal Kuisel who came in 11th and 12th with Frank Dorset finishing 14th.

The first five finishers for Plymouth, Bowsman, Ward, Bentley, Eder and Bates all turned in their best times for the season to the pleasure of Coach John Sandmann.

Sandmann stated that he wasn't at all disappointed in the meet because he expected Redford Union to have a tough team because last spring its track team had 4 boys who all ran better than a 5 minute mile.

The fellows are "doing all that can be expected", Sandmann observed, "and are improving each week along with showing consistency by staying close together in their times".

TWYLA McCUAIG, a first grader, is the "mascot" of Plymouth High's varsity cheerleading squad. She helped encourage the Rocks to their third straight win Friday night.

JayVee Thinclads Lose By Three Points To Redford Union

The Plymouth Junior Rock Cross-Country team, in their first meet of the season lost by a close margin to the Jay-Vees of Redford Union.

Dennis Caderet, a sophomore from Plymouth, posted his best time of the season, 11:57, in capturing 1st place for the Rocks. Jim McKindle was 3rd with a time of 12:00 with Bruce Spratling, Ray Christensen and Pete Ackerman coming in 5th, 10th, and 11th, having times of 12:26, 12:55 and 12:56 respectively.

John Sandmann, who coaches both Jay Vee and Varsity Cross-Country, said that McKindle has been out only a week and a half and proved to be a good competitor as his 3rd place finish shows. Bruce Spratling had his best time of the year and Sandmann hopes to see a victory in this weeks competition.

ON MICHIGAN STATE'S CROSS COUNTRY SQUAD

Dean A. "Tony" Hunt, a 1962 graduate of Plymouth High and a member of the Rocks' cross country team during his prep days, is listed as a member of Michigan State University's 1963 cross country squad. He is the son of Mr. and Mrs. Howard Hunt, 104 South Holbrook.

It may be named "adult education" but it's as much for Plymouth's youngsters as for adults.

That's the way Director Herb Woolweaver describes the long-established adult education program, which this week marked the start of its fall semester of the 1963-64 academic year.

And while it's as much for the youth of Plymouth as it is for adults, the program this year hasn't drawn as many youngsters as Woolweaver had hoped.

Out of a total registration that may well exceed 800 this fall, only a small percentage is comprised of teenagers or smaller children, Woolweaver declared.

"One of our big problems, I guess is getting the young people of Plymouth to realize this program is for them, too," he added. "There's any number of classes especially designed for youngsters."

He cited a few of them:

Ballet, tumbling, ball-room dancing, guitar and accordion lessons, a charm class for teen-age girls, baton twirling.

"These classes have just not drawn the enrollment that we had expected," he continued. "The youngsters of Plymouth are all invited to take part in them — and particularly young girls. There are a lot of classes designed especially for them."

Although formal enrollment for the 30 various adult education classes in the fall semester's program has technically ended, Woolweaver said that additional registrations will be accepted in certain classes as late as the day before the second class meeting.

Which means that Plymouth's teen-agers — and its younger set — still have plenty of time to enroll.

"I just wanted to point it out," Woolweaver said. On the subject of the adult education program, this fall's enrollment has been the largest in several years. The 800 that have signed up so far represent between 300 and 400 more than normal.

Official start of the fall semester was this week. "Adults, too, can still enroll in many classes," Woolweaver added.

Adult men who are worried about their pudginess should be attracted to one class in particular. It's a men's gym class that meets Tuesday evenings. At least, it was intended to meet Tuesdays. Instead, it risks being cancelled, Woolweaver said. Only six men had signed up as of late last week, not enough to warrant conducting the class.

"They can use the swimming pool, too," Woolweaver explained. Essentially, the men's gym class is comprised of informal exercise, sports and general physical fitness workouts. It's also a lot of fun, Woolweaver added.

In case you haven't learned all you want to know about the local adult education program, we suggest you give Woolweaver — or Mrs. Irene Graham — a call at the adult education and recreation office in the Senior High. The telephone number is GL 3-3100.

Junior Rocks Defeated By North Farmington

Thursday, Sept. 26 proved to be a bad day for Coach Dick Bearup and his JayVee football team as North Farmington won 18 to 6.

Bearup sized up the game perfectly by saying "they won the first half and we won the second half, they just happened to win theirs by a larger score."

Plymouth kicked off to North Farmington and after a 40 yard runback it scored from the 50 yard line on a sustained drive. They missed on the extra point try to lead 6 to 0.

When the Rocks got their hands on the ball they couldn't move so they punted and after a short series of plays North Farmington scored again, missed the extra point and led 12 to 0 at the end of the 1st period.

After the kickoff Plymouth had the ball on its own 40 yard line and fumbled. North Farmington recovered and took the ball in for six points.

Trailing 18 to 0 the Rocks were driving toward North Farmington's goal and were within 15 yards when time ran out in the half.

The second half started out by Plymouth arching to its opponents 25 but were held and the ball went over.

On the next series of plays North Farmington's quarter-

Suburban Six Grid Scores

The Suburban Six League competition got under way last Friday with the defensive play of all teams being the determining factor as only 27 points were scored throughout all three games.

Plymouth scored its only touchdown on a fumble during a punt attempt by Trenton to win 6 to 0.

Redford Union, who will be Plymouth's opponent this Friday, punted up a fumble on a punt return by Allen Park and ran into the end zone to score and defeat a team that outstruck them by a couple of hundred yards.

Bentley and Belleville had their own defensive struggle and again defense won out as the teams tied 7 to 7.

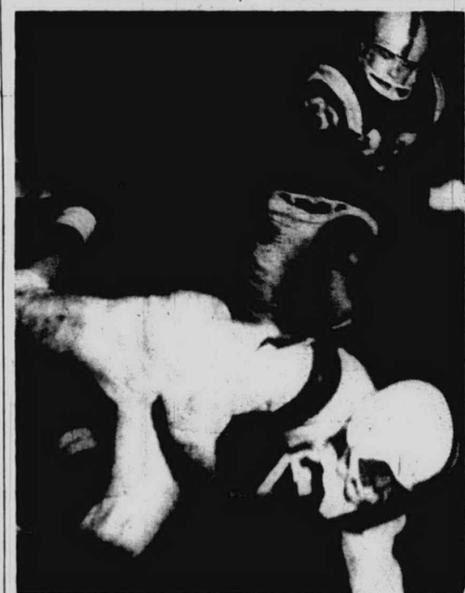

The standings:

R. Union	1-0-0
Bentley	0-0-1
Belleville	0-0-1

FULLBACK Dave Agnew, of Plymouth, was tripped up after taking a pass from quarterback John Daniels. The action occurred late in the first half as the Rocks attempted to move in for a touchdown to add to their 6-0 lead. Instead, the drive stalled, but Plymouth still emerged a victor in the hard-fought contest.

WITH 39 SECONDS remaining in the first half of its football clash with Trenton last Friday evening, Plymouth appeared to score a touchdown. Right half-back Gary Grady gathered in a pass from John Daniels on Trenton's five-yard line. Grady turned to reach the Trenton goal-line only to be tackled. He squirmed and twisted the last two yards and fell with his head and shoulders across the Trenton goal. But the referee ruled it was not a scoring play, since Grady's knees had touched the ground on about the two-yard line. Here, Grady is shown lying with his shoulders on the Trenton goal line, while Trenton defensive back Bob Stokes confers with the referees. A penalty on the play against Plymouth would have nullified the TD anyway. The Rocks went on to win, 6-0.

Boys 8 to 11 Can Practice for PP & K Meet

Local boys between the ages of eight and 11 who have registered for the Plymouth phase of the Ford Dealers' punt, pass and kick contest will have an opportunity to practice for the event before a actual competition takes place.

The actual competition takes place Oct. 12. Bida and Ford salesmen Joe Krause and DPW superintendent Joseph Bida, who will judge the com-

Rocks Slip By Trenton, 6-0

Fumble Recovery Leads to Win

Plymouth engineered its third consecutive football victory of 1963 last Friday evening, squeezing past a stubborn Trenton team by a slender 6-0 margin in what was the first Suburban Six league contest for both schools.

The battle, a clash largely of opposing defensive units, thrilled a capacity crowd at Trenton's field behind the Senior High.

Local loyalists had plenty of chance to cheer and frequent opportunity to worry as the Rocks grabbed a scant six-point lead in the first period and struggled to hold onto the slight advantage.

Just as Coach Mike Hoben had expected, Plymouth was treated to some rough, hard-hitting football in a fashion non-existent during the Rocks' two previous encounters this season.

And one look at the game statistics shows precisely what kind of a battle the Trenton clash was — all offense, and plenty stubborn at that. The victory put Plymouth in a tie for first place in the Suburban Six conference.

The first minutes of play showed an indication as to the type of game to be expected. Plymouth kicked off to the Trenton Trojans who punted to the Rocks who in turn punted to Trenton. The Trojans then picked up 2 first downs only to fumble and have Plymouth fall on it, but Plymouth had a pass intercepted and Trenton had the ball on their own 49 yard line. A 15 yard penalty put the Trojans back to their own 25 and Plymouth forced them to punt. The pass from center on the punt attempt was low and the Trojan punter couldn't hang on it. A swarm of Plymouth players jumped on the ball and the Rocks had 8 yards to go for the touchdown. Roger Tobey and Gary Grady punched the ball to the 2 yard line where Grady powered over

the right side for the only score of the night. On the extra point attempt quarterback John Daniels' pass intended for Captain Dick Egloff was knocked down and the scoreboard showed 6 points for Plymouth, nothing for Trenton.

Plymouth threatened in the first five minutes of the 2nd period by driving from the Trenton 48 yard line to within 6 yards of the goal, due largely to a 20 yard sprint by Tobey, but a Plymouth fumble turned the ball over to the Trojans.

Trenton couldn't move the ball and had to punt out to their own 48 yard line where Plymouth's fourth took over with about 2 minutes remaining in the first half.

Daniels started a drive by hitting Grady with a 15 yard pass and Gary almost broke away but was brought down on the Trojans' 31. The Rocks used their timeouts wisely and kept the clock from moving too fast. This gave Daniel enough time for a pass play that almost proved to be a six pointer. Plymouth's quarterback faded and saw end Terry Clark breaking for the corner of the end zone, the pass was perfect but a Trenton man hit Clark's arm just at the right (or wrong) time and the ball dropped into the end zone.

The incomplete pass stopped the clock and Daniel hit Dave Agnew for a 15 yard pass play to give the Rocks a first down on the Trenton 18.

After a Plymouth penalty to the 35 the Rocks struggled back with Daniel hitting Agnew in the flat to bring the

CONSTRUCTION of Joseph Stadnik's new English Ford showroom is underway at the corner of Main and Linden Sts. Utilizing an existing building that previously housed Flagg McCartney's service station, Stadnik is adding new showroom space in preparation for the official opening of his agency. Stadnik previously was in

partnership with William Shekell at the corner of Main and Dodge Sts. The site was acquired for the new City Hall and Stadnik retained the English Ford franchise and has moved it to its new location. It will feature both sales and service of English Fords and used cars.

NEWS BRIEFS

Mr. and Mrs. C. H. Goyer and Mrs. Elmore Carney were in Detroit Monday to attend a luncheon honoring Mrs. Goyer on her birthday, given by her sisters in the home of Mrs. A. J. Allen.

Mrs. LeRoy Jewell was hostess on Thursday at a potluck dinner for members of the Birthday club in her home on Ann Arbor Rd. Guests included Mrs. Clara Todd and Miss Edna Allen of the Presbyterian Village, Mrs. Karl Starkweather, Mrs. Ada Murray, Mrs. C. H. Goyer, Mrs. C. H. Buzzard, Mrs. Ruth Stecker, Mrs. Merle Rorabacher, Miss Anna Hayes, Mrs. William Monteith, Mrs. Robert E. Durie, Mrs. Violet Willard and Mrs. Violet Hawk of Plymouth.

Mr. and Mrs. Harold Shirey of this city joined other members of the Wally Byam Caravan Club over the week-end when they gathered on the 4-H grounds in Belleville for their final one of the year. Mrs. Shirey said "they all had such a good time here at the Fall Festival that they decided to have one more get-together."

Mrs. Byron Covell has returned to her home in Britton following a week's visit with her son and wife, Mr. and Mrs. Ray Covell on Hamill St.

Mr. and Mrs. Earl Gray were dinner guests Sunday of their nephew and niece, Mr. and Mrs. Arthur Gotts in their home on Shadydrive in Farmington.

THE 400,000-gallon Lake Pointe water storage tank got a new coat of paint last week at a cost of \$1,800. Here, workmen hover on scaffolding as they re-paint the lettering on the tank. The water tank is 135-feet high and measures 55-feet in diameter around the widest portion. It was last painted six years ago.

Ticket Sale for T & A Still "Going Strong"

The final phase of the Plymouth Lions Club ticket selling campaign for the popular Travel & Adventure Series is underway. With the first program scheduled for Oct. 12, at 8 p.m., in the Junior High School - East, local Lions are urging people to act now and buy season tickets for the six programs. Tickets for all six programs on a seasonal basis are \$5 for adults and \$3 for students. The student rate is one dollar less than last year's price. Individual performance tickets are \$1.25 for adults and 75 cents for students. The first program features "Freightboat to Asia" with John Weld's narration. This program is a fabulous color tour of Japan, Hong Kong, Bankok, Singapore, India and Ceylon. Mr. Weld is a first rank novelist and story-teller.

I.R.S. Expert Tells Rotary Club of Tax Law

A consultant to the commissioner of Internal Revenue was guest speaker at last Friday's meeting of Rotary Club and described the complexities of the federal income tax law in a lightly humorous vein which, nonetheless, was serious in scope. L. Hart Wright, a professor of law, was the guest speaker. He was an I. R. S. consultant in 1959-60 and is the author of five books on the federal tax law. Last year, he was a member of the advisory board to the commissioner of I. R. S.

He described the recipients of the brochure as "involuntary subscribers" to a brochure that enjoys perhaps the largest circulation in the world. His entertaining talk was filled with statistics. Among them: Of the 65 million tax returns filed last year, nearly one million were filed late. Wright said that 2.5 million returns contained mistakes of one sort or another, and two-

thirds of these mistakes somehow favored the taxpayers and not the government. He said that 2.9 million returns resulted in some sort of government action. There were 12,000 preliminary investigations that resulted and 3,000 full-scale inquiries. Of these, only 34 defendants were acquitted. The I. R. S. law is indeed complex, he said. It contains a quarter-million words and is backed up by some 200 volumes recording precedent-setting court action. He said there are three types of basic mistakes made by taxpayers as they fill out their returns each year: clear-

cut, honest mistakes; mistakes not clearly defined by law; and dishonest errors. The latter are those that prompted the litigation suits by the government. Wright said there are 12,000 revenue agents, 2,657 auditors and 4,461 "self-appointed" informers, who notify the income tax department of instances where perhaps dishonest returns are resulting. He explained that one of the most serious matters facing the government is how the I. R. S. can fairly administer the complex tax law without having to spend considerably money to resolve the controversy that frequently arises.

Guild's Drive For Members Is 'Smash Hit'

The Plymouth Theater Guild's membership drive, which opened Sept. 21 and runs until Oct. 5, has been termed a "smash hit" by the Guild's president, Mrs. Effie Kuisel.

"Over one-third of the brochures we sent out soliciting new members have been returned," she explained. The drive coincides with the start of the Guild's 17th season.

Pat Cederberg, membership chairman, pointed out that many of the memberships indicated a growing interest in the numerous and exciting cultural events scheduled for the coming year.

"The announcement of try-outs for the Guild's first play of the new season prompted a number of people to apply for membership," she said.

Copies of the Guild's membership brochure are available at Melody House. Once again, Margaret Wilson, owner of Melody House, has agreed to handle ticket sales for reserved seats to Guild plays.

While the membership drive is progressing, Director Bob Wall is conducting the try-outs for the Guild's opening play of the fall season. The try-outs were begun last week.

"Money - Who Needs It?" is the title of the gay farce selected to tickle Plymouth funny-bones around Halloween time. Exact dates of the performance will be announced later.

Backstage workers are also needed for the Guild's 1963-64 season, and those interested should contact either Mrs. Cederberg, Mrs. Kuisel or Wall.

'64 Jet-smooth Luxury CHEVROLET

Besides looks, ride and power - what's so special about it?
(It's so reasonably priced)

Kind of leaves the high-priced cars some explaining to do, wouldn't you say? Long and luxurious—with a fresh-christened look. Richer roomy interiors with subtle new blendings of colors and fabrics. Like the ultra-soft vinyl upholstery in the new Chevrolet Impala Super Sport Series.

A choice of seven engines, no less, with output all the way up to 425 hp.* And a choice

of four smooth transmissions to go with them. And underlying it all, the opulent feel of this '64 Chevrolet's Jet-smooth ride.

Matter of fact, the most noticeable difference between this beautiful new 1964 Chevrolet and the high-priced cars is the price itself.

Let your dealer show you how much luxury that reasonable Chevrolet price now buys.

FACTS ABOUT PHARMACY

THE ART OF PHARMACY GOES BACK THOUSANDS OF YEARS

Modern pharmacy techniques are quite a change from the crude compounding art practiced hundreds, even thousands, of years ago. Today's pharmacist dispenses drugs his predecessors never dreamed of!

PHARMACISTS ARE EXPERTS IN THE SCIENCE OF DRUGS

Every pharmacist is required by his state to spend years studying drugs and their effects, in addition to passing many rigid examinations. Then, and only then, is he qualified to dispense medicine to you.

NEW DRUGS HAVE INCREASED LIFE EXPECTANCY BY 20 YEARS

In 1900, the life expectancy of an individual was nearly 50 years. Today in the United States, life expectancy is nearly 70 years and still increasing, thanks largely to the new miracle drugs.

DRUGS PRESCRIBED FOR YOU MAY NOT BENEFIT ANOTHER

Your age, weight and previous history are some of the factors considered whenever your doctor writes a prescription. That's why prescriptions are like personal checks — meant to be cashed by you alone!

TODAY'S BEST BARGAIN IS THE PRICE YOU PAY FOR DRUGS!

While it's true that prescriptions cost more than they did twenty years ago, it is also true that they do a lot more. Modern medicines can save you much misery, discomfort, lost income... and sometimes, your life!

PLYMOUTH HIGH'S three exchange students this year hail from England, Laos and Uruguay. From left: Yvonne Bradley, of Burton-on-Trent, England; Hector Mara, of Montevideo, Uruguay; and Lasoy (Lucy) Luang Phinith, of Laos.

Plymouth High Notes

By Judy Burgett

Burton-on-Trent, England; Vientiane, Laos; and Montevideo, Uruguay, are oceans and miles apart, yet Plymouth has brought them all a little bit closer this year with the arrival of three exchange students at PHS.

British Yvonne Bradley and Latin American Hector Mara are "welcome additions" to the class of '64, while Lasoy (Lucy) Luang Phinith, from Laos, is a member of the Junior class.

Yvonne, 17, was Plymouth's first "guest," and lives at the home of Mr. and Mrs. John Haas, Rocker Street. She arrived Aug. 10. New to a co-educational school, Yvonne attended an all-girls school and was allowed to take as many as 10 subjects a year in England.

Kept busy by homework in American literature, international relations, American history, sociology, typing, and home economics, she still plans on extra curricular activities such as Future Teachers, Pep Club and Hi-Y.

Gaining two American sisters, Betsy and Barb Haas, Yvonne comes from a small family and has one brother, 15.

Most students find two languages hard enough to speak, but 17-year-old Lucy has mastered five — French,

which she has studied for 12 years. English, Chinese, Lao, and Thai. She hopes to become an interpreter.

Coming from a family of four brothers and one other sister, Lucy is living at the home of Dr. A. E. Van Ornum, of Maple Street, where her "new" sister is sophomore Ann Van Ornum.

Before coming to Michigan, Lucy spent two months at Bucknell University, Lewisburg, Pennsylvania, to "polish up" on her English. Lucy looks forward to seeing the leaves change here as well as a Michigan winter, complete with snow.

Lucy is kept busy with American literature, American history, typing, French, and home economics, and may reside here for another year.

Hector Mara, was Plymouth's last arrival, but certainly not the least, for already his Latin charm has affected the student body. He even opens doors for Plymouth girls!

Soft music, American food, and dancing the tango, keep this "Latin" busy in his leisure, but with the ambition of becoming an agricultural engineer, courses in American history, American literature, French, international relations, and physical education

aid his understanding of all the U. S.

The Robert Werner family of McKinley Street has welcomed Hector to their home, and Bruce, a sophomore, has become his American brother.

In Greece, little Demetrius K. Tryfonives has also been shown Plymouth's good will, as he was selected as the PHS foster child through the Save the Children Federation.

Living in a one room home outside of Athens, Demetrius father earns \$52 a month at a wire factory.

Although he is too young for regular education, Demetrius is learning English at a British Institute in his town.

A Christmas bundle consisting of 22-pounds of toys and clothes has been sent to the Tryfonives family.

The next regular meeting of Plymouth Grange will be held this Thursday evening, Oct. 3. The pot-luck supper will be at 6:30 p.m. followed by the business meeting at 8:00 p.m. All members will want to attend this meeting to observe the progress being made on the improvements to our hall.

The time is fast approaching for our Annual Fall Bazaar and Turkey Supper which is to be held Oct. 12. Let's all get busy on those unfinished gift items for the Bazaar and plan for the Baked Goods you will be contributing. Make reservations for the Turkey Supper by calling Jesse Squires, GL 3-3030. The supper will be served family style at 5:00, 6:00 and 7:00 p.m. If you have attended one of these suppers in the past you won't want to miss this one; if you have never attended a Grange supper before it is an experience you will not want to miss. Without advance reservations we can't guarantee there will be any extra places at the tables.

The Annual Session of Michigan State Grange will be held at Saugatuck, Michigan, Oct. 18 through 19. Why not plan to attend and take the 6th degree if you do not already belong to State Grange? If you are already a 6th degree member you will enjoy seeing this beautiful ritualistic work again.

Now that you have finished reading this column, mark the date of the Bazaar, Oct. 12, on your calendar and call for your supper reservations.

GOODWILL PICK-UP

SALEM NEWS

By VERA CLAIR — GL 3-2610

Mr. and Mrs. Herbert Famuliner of Salem who celebrated their silver anniversary on Saturday, September 21st, were honored by their children, Laura, Susan, and Mr. and Mrs. James Vandenburg and their friends, Mr. and Mrs. John Nagy at a dinner party held at Andy's Steak House in South Lyon.

Following the dinner a reception was held at the I.O.O.F. Hall.

The center piece was a beautiful three tier wedding cake with a bride and groom and a silver 25.

The Famuliners received many lovely gifts including a money tree. Guests were present from Grand Rapids, Franklin Village, Detroit, Plymouth, Farmington, New Boston, Wayne, Southfield, Berkley, Livonia, and South Lyon.

Guests at the Famuliner home for the week end were Mr. and Mrs. Earl Lynn, Mr. John Zeraar, Mrs. Carol Harig and daughters, Janet and Patty Jo; and Mr. and Mrs. Edward Lynn, all of Grand Rapids. Other callers on Sunday were Mr. and Mrs. Earl May and sons of Wayne and Mrs. Tom Kelly and children.

Mrs. Phyllis Buers of Salem was the honored guest at a stork shower given by the Ladies Aid of the Federated Church on Friday, September 20th., in the church parlors.

Thirty-eight guests present. A large paper stork and blue candles made a very attractive center piece.

After watching Phyllis open her many lovely gifts for the new baby a buffet lunch was enjoyed by all.

The two new Missionary Injners that will be spending the next several months working at the Salem Federated Church are Miss Delores Garippa from Clifton, N. J., who is connected with the Far Eastern Gospel Crusade; and Mr. Glenn Hannon from Spring Hill, W. Virginia, who is with the Child Evangelism Fellowship.

Each month they live with a different family of the church. For the month of October, Mr. Hannon will be the house guest of Mr. and Mrs. George Carroll, and Miss Garippa, guest of Rev. and Mrs. Chipchase.

Mr. and Mrs. Maurice Alexander and son left Sunday, September 22nd, for Tennessee to attend the funeral of Mr. Alexander's father who

The Sunshine Club will hold its regular meeting Wednesday, October 9th, at the home of Mrs. Luella Wilson on Seven Mile Road.

After a One O'Clock luncheon the group will make cancer pads.

Mr. and Mrs. E. F. Trombley entertained at a birthday dinner Sunday, September 22nd honoring her mother, Mrs. Alma Johnson of Napier Road.

Other guests were her sister, Mrs. Norman Holst of Marlette and Mr. and Mrs. Merle Ross and children from Deckerville.

Mrs. Julia Butler of South Lyon and Mrs. Doris Marshall were hostess at a bridal shower Thursday afternoon, September 26 at the home of Mrs. Louise Dahl on Salem Road honoring Beatrice Foster of Plymouth.

After games and refreshments Beatrice opened her many lovely gifts.

Twenty five guests were present from Plymouth, Northville, South Lyon and Detroit. Many were friends who worked with Beatrice at the old Daisy Plant in Plymouth.

The John Van Aken had as their house guest last week Mrs. Clara Thorpe of Chelsea, Michigan.

Mr. John Van Aken and grandson William Taft of Brookville Road enjoyed a birthday get-together at the Van Aken home on Salem Road Sunday evening, September 22nd.

Gathered for the occasion were Mr. and Mrs. Wm. Taft and family, Mr. and Mrs. J. F. Taft of Northville and Mr. and Mrs. William Wassenaar of Salem Road.

Mr. C. B. Carter of Five Mile Road enjoyed a visit at the Acres with his former superintendent Mr. Harold Barber of Detroit on Wednesday, September 25th.

Mr. Carter and Mr. Barber worked together at Cadillac Motor Co. for over forty years.

Mr. and Mrs. Harlow Ingall returned Monday, September 23 from a few days trip through Michigan. They visited Mr. and Mrs. Clarence Sherwood at Edenville, Michigan. The Sherwoods were formerly of Joy Road. They drove to Crystal Lake and up the west side of the Leelanau Peninsula stopping at Glen Arbor to visit friends then on to Sleeping Bear Point, and Northport returning down the east side of the peninsula to Long Lake near Traverse City where they called on Margaret Clinansmith, returning home by way of Cadillac and Clare.

Mrs. Ingall reported the foliage was turning but had not reached a full mass of color.

Bangkok-Bound, Her 8th Grade Dream Comes True

Elizabeth Worth

The dreams of an eighth-grader will become reality within the next few weeks for Elizabeth Worth, attractive 22-year-old daughter of Mr. and Mrs. Warren Worth, 51000 North Territorial.

Elizabeth, who as an eighth-grade student here set her sights on becoming a foreign service officer, left Sept. 30 for Thailand where she will assume duties as a junior officer with the U.S. Information Agency in Bangkok.

A 1958 graduate of PHS and a 1962 graduate of the University of Michigan, Elizabeth recently completed an intensive year-long U.S.I.A. training program in Washington, D.C., in preparation

for her assignment to Thailand. "It all started in the eighth grade," Elizabeth explained. "I simply decided that when I grew up I was going to be a foreign service officer."

During her senior year at the U-M, where she majored in history and business administration, Elizabeth took a series of exams leading to an appointment as a foreign service officer in-training.

She passed the tests handsomely and received a Congressional appointment to the Foreign Service Institute in Arlington, Va., outside of Washington.

Then followed a year of special schooling. Six months of the training involved learning the Thai language. Other subjects dealt with area studies of Southeastern Asia, Communist strategy, media training and problems involving the development of foreign countries.

Elizabeth explained, "It's our job to further foreign policy objectives of the U.S. through an extensive information program."

She explained that Voice of America is one of the undertakings of the U.S.I.A. A program of press releases, distribution of magazines and books, and the establishment and maintenance of libraries are other facets of the U.S.I.A.

Elizabeth said that the U.S.I.A. also handles all educational and cultural exchanges that take place between U.S. and other countries.

Plymouth Man Becomes State Police Trooper

A Plymouth man was among 41 probationary State Police troopers who last week

underwent graduation exercises in East Lansing, climaxing eight and one-half weeks of intensive recruit training.

Richard Lee Freeman, son of Mr. and Mrs. Glenn H. Freeman, Sr., 158 Plymouth Rd., has been assigned as a trooper to the State Police post at White Pigeon. He and his wife, Sandra, have been residing at 531 S. Main St.

Freeman — along with the rest of his recruit class — will be given six months of extensive field training and then be recalled to the State Police headquarters in East Lansing for an additional month of advanced schooling.

Guest speaker at the graduation exercises last Wednesday was Gov. Romney. The addition of the 41 new officers brings the department's enlisted strength to 1,120, or 39 below the authorized complement of 1,159.

Freeman's class was the first recruit school since the spring of 1962. Another is planned later this fall.

Calvary Baptist Church Hosts Unique Musician

Arnold Carl Westphal, affectionately known as "The Children's Shepherd," will be a special guest of the Calvary Baptist Church during morning services this Sunday.

Mr. Westphal will present a unique program with an illustrated message and unusual music using the "Waterloo Battle bells" and the "choral concert glasses."

He will appear at 9:45 a.m. Sunday.

Mr. Westphal will also present special family programs during the evening of Oct. 2 through Oct. 4 at the church at 496 West Ann Arbor Tr. Entitled "The Bible Chautauqua," the programs will consist of illustrated messages and old hymns of faith.

Mr. Westphal and his wife will perform using five unusual musical instruments.

The evening programs during Oct. 2-4 will be from 7:30 p.m. to 8:30 p.m.

Church pastor, Rev. Patrick Clifford, has extended a cordial invitation to the community.

Mr. and Mrs. Westphal, week night services for all of both accomplished musicians, to play many strange instruments. Unique among them is

a collection of "Waterloo Bells" which Mr. Westphal gathered from the battlefield of Old Waterloo. By machining them carefully, he has given each bell its own particular tune and pitch, which complement in harmony the bells in the collection.

Another unusual instrument is his set of perfect-pitch "choral concert glasses." They need no tuning. They were selected from among thousands of

South Main Street home owners won their long-standing battle with the city planning commission Tuesday night when they persuaded the city commission to change their neighborhood on the proposed zoning map to the commercial-2 classification.

According to Ralph Lorenz, president of the Plymouth Chamber of Commerce, Armistice Day November 11th, has been selected as the date for the annual meeting of that organization this year. Plans are being made to accommodate 250 local businessmen and manufacturers and their wives at the Bird school gymnasium where they will hear an inspirational address by James Gheen of New York, a speaker of national repute.

For the first time in three years a Plymouth bandmen will make the trip to the University of Michigan stadium in Ann Arbor on Saturday, October 3, for the annual Band Day. The local aggregation is under the direction of Laurence Livingston.

Heading the newly chosen cheerleading squad this coming year is Sharlene Johnson; a senior. From 20 hopefuls, Sara Leet, twelfth grade, Wanda Giltingham, twelfth, Cheri Ritter, eleventh, Pat Caulkins, tenth, Carol Partidge, tenth, Barbara Smith, tenth, and Elaine Rich, twelfth, got the nod.

Ninety-two members of the Plymouth Rock Lodge F & A.M. No. 47 went by train, plane and car on the lodge's annual pilgrimage to a brother lodge. This year the group did their work at the McMillan lodge in Cincinnati, Ohio.

Lieutenant Mary Louise Richwine was honored last Thursday, September 24 with a dessert and coffee at Arbor Lill. The farewell party had been planned by her mother, Mrs. Perry Richwine as a surprise to Mary Louise.

On Saturday, September 26 Stephen Bowles, son of Mr. and Mrs. George Bowles of Palmer avenue celebrated his fifth birthday with a party. He entertained his little friends at a luncheon in his home. Guests included Ruth Woodward, Mary Magnusson, Suzie Cutler, Dale Schultz and "Pug" Slinger.

AN EMPLOYEE of Dunn Steel Products Division of Townsend Co. was honored last week on completing 25 years with the firm. Elmo 'Spike' Lemmon (right), of Northville, began working for Dunn Steel Aug. 31, 1938, when it was still located on Amelia St. Since then, the company has moved to Dunn St. and Lemmon has risen to assistant foreman of the secondary machining department. He was presented with a gold tie clasp with a diamond insert as a 25-year service award. Lemmon is shown shaking hands with vice president and general manager John Spruhan, while Lemmon's 23-year-old son, Lee, looks on. Lee is an industrial management trainee with Dunn Steel and a five-year employee of the firm. Lemmon also has a daughter, Linda, who just graduated from high school.

2 PHS Seniors Semi-Finalists In Merit Tests

Two Plymouth High School seniors have been named semi-finalists in the 1963-64 National Merit Scholarship competition, according to an announcement by Senior High Principal Carvel Bentley.

The students cited for their achievement are James F. Eder and William M. Silvis, two of some 13,000 seniors throughout the nation who attained semi-finalist status.

Bentley said the pair became semi-finalists through their outstanding performance on the National Merit Scholarship qualifying test. The test, designed to determine "educational development," was administered last March in more than 16,500 high schools throughout the nation.

Not until next April will the Merit Scholars be announced. The exact number selected will depend largely on the extent of sponsor support, Bentley said. This past spring, about 1,500 seniors were named Merit Scholars, three from PHS.

Each scholarship is a four-year award to cover the undergraduate college years. Awards may be as much as \$6,000. The awards presently average \$850 a year for the four years of college.

Plymouth's city treasurer and tax expert Kenneth Way says he has been lying awake nights trying to unravel all the intricacies of Governor Romney's tax proposal.

Our sincere congratulations go to Dean Saxton on the event of his 35th anniversary in the feed business.

Of the first two or three businesses I called on, Saxtons was among them and it was then that I first became acquainted with Dean and his father, who was helping with the store, while Dean was still working at Fords.

Of all the businessmen I became acquainted with over this third of a century Dean was, and still is, one of the most amiable persons to do business with and associate with that I have ever known.

"I didn't know I owed the local police anything," says WJBK-TV newscaster Carl Cederberg, "but reminding people that their drivers license expires on their birthday is a good idea, however."

It seems there was some slight confusion regarding Mr. Cederberg's license renewal. Back in May our favorite newscaster visited the nation's capital, and there, he thinks, some slight-of-hand gent removed his wallet from his pocket, taking money, credit cards, drivers license, etc.

While we're on the subject of pick-pockets the chain of thought reminds me of a weekend visitor at our house who informed us of the major problem downtown Detroit merchants were having with shoplifters.

In fact this sort of theft has become one of Detroit's major problems for the retailer and thousands and thousands of dollars are being lost annually to this type of thief.

Don't be surprised or miffed, if when you visit one of the big city stores, you find you can't take more than three of anything to a dressing room with you anymore. Only one of many precautions stores are taking to reduce this problem.

All this counts up to a lot of extra expense for the merchant and makes one more headache in today's busy whirl.

Fortunately, here in Plymouth we haven't a major problem in this respect. We do have losses in our stores but they haven't reached the proportions they have downtown. You might help in this situation, at least here at home.

In between the time he spends selling real estate and the time he spends finding ways for prospective buyers to finance their wants, master chef James Latture dreams up new menus or food creations especially for people watching calories.

offering is a dressing for cold shrimp or lobster salad. Says the chef, "make a roux of flour and oil, small proportions of course, and V-8 juice, flavored to taste with Tabasco, salt and pepper. Make to your own desired consistency for dipping or pouring over the shrimp or lobster. It's delicious," he says "and makes a fine low calorie meal."

Former dry-cleaner Clifford Tait whose talents are now being tapped by the giant Whirlpool corporation, on a part time basis, is already making plans to unload his present responsibilities so that when the snow flies he can take off for an Arizona winter.

"If you haven't spent a couple of days at Shanty Creek, up at Bellaire, you haven't seen anything in the way of luxurious vacation accommodations," says realtor Vaughan Smith.

Two prominent hunters, former local banker Jack Taylor, now of Rochester and insurance man Harold Bloom of Northville, and their wives, returned home last week from an antelope expedition at Casper, Wyoming.

Consumers Power manager James Thomas had his highly efficient business-breakfast session with forty of his employees backfire last week when the caterer got his dates mixed up and didn't arrive with the food.

KIWANIS NOTES

"Hire education or higher education" was William Sturton's topic as guest speaker at the regular Kiwanis Club meeting last week.

Sturton is vice president and director of the University of Michigan's Dearborn Center.

In his talk, he related that industry came to the U-M and requested assistance in establishing a better educational program.

Industry stated that there are three shortages that were of concern to them: Quality manpower; Currency of instruction; and Retention of employees, since there is too high a turnover in personnel.

After careful study, the University suggested a program of assignments or internships in which the student would be on campus for six months and be in industry for six months on an alternating basis until the student had accumulated the necessary credits for graduation and a diploma.

During this period, the student would have an opportunity to learn about the company and the company would become acquainted with the students. This type of program is possible because of the 12-month school year and various other important innovations in education.
