## Workers Wonder If They're Among 1,500 To Go

# Will Burroughs Shift Aid Area?

The bombshell dropped by Burroughs Corporation last Tuesday, when it announced plans to abandon operations and the plant on Second Ave. in Detroit, transfer some 2,000 workers to the Plymouth division and other changes in a reorganization of manufacturing and engineering divisions, has created quite a bit of consternation and uneasiness among hundreds of workers in the Plymouth-Livonia-Redford Township area.

The big question revolves around how many employees in the area will be affected by

the corporation's announcement that some 1,500 jobs will be lost in the changes.

A Burroughs spokesman indicated the job losses will affect some 750 white collar workers and an equal number of production personnel.

And that's what has area residents in a dither. Many are in the white collar class and all are wondering how the moves will affect them.

There isn't any question in the minds of any but that the white collar workers will be hit the hardest since posi-

tions at the Second Ave. plant are duplicated at Plymouth.

For instance, there certainly wouldn't be any need for two sets of engineers to work at one plant, the same is true of such departments as industrial relations, employment, maintenance, switchboard and sten-

ographic workers, and others in the same classification.

Burroughs spokesmen indicate that the loss of 1,500 jobs will more than be taken

care of by retirees at the area plants and those production workers with little seniority quitting to seek employment elsewhere. The changeover will probably take two years, and they feel the situation will take care of itself in that period.

The same spokesmen pointed out that the company does have area seniority for production workers but the same isn't true of the white collar employees.

However, many of the white collar workers have years of seniority and the question naturally arises as to what will

take place when the company has to decide who to retain or demote in case of duplication of duties.

The answer to this has many in a quandary. They don't know whether they will be transferred, demoted, bumped off

## Evans' Reports Employment Up; Sees Big 1964

Despite the loss of the bicycle division and the truck heater and ventilator operations during the year, employment levels at the Plymouth plant of Evans Products Co. are higher than a year ago at this same time.

That was the report of Evans' President Monford Orloff and Vice President and General Manager James J. Conway, who has charge of the Plymouth operation, to employees in a holiday greetings news letter.

Evans sold the bicycle division and transferred the truck heater and ventilator operation to the Grand Rapids division.

There was considerable conjecture at the time as to the effect on employment at the Plymouth plant and the letter answers all disquieting rumors.

"Prospects for 1964 are encouraging at this particular time," the letter points out. "We are happy to note that despite the elimination of various product lines, our employment levels at each of the division's plants are higher than they were this time last year."

## John Wimsatt Killed In Truck Crash

Services for John Wimsatt, 50, 11640 Amherst Court, Plymouth were conducted Monday in Our Lady of Good Counsel Church in charge of Rev. Er Byrne with burial in Holy Sepulchre Cemetery.

Mr. Wimsatt, prominent businessman for the past 19 years, was killed instantly Thursday when his small truck was struck broadside by a huge trailer-truck at the intersection of Joy and Newburg Roads in Nankin Township. He was dead on arrival at Wayne County General Hospital.

"Backlogs are satisfactory and anticipated car building programs, utilizing our equipment, indicate a high level of operations, continuing the growth experienced in 1963."

Orloff and Conway indicated that the transfer of the truck heater and ventilating operation to Grand Rapids, along with the elimination of unprofitable product lines, gave that division a new look.

The transfer supplemented that plant's remaining product lines, the letter states. "The Grand Rapids operation is now embarking on a program of profitable growth."

Orloff and Conway complimented workers for their fine cooperation during an eventful year for the division.

"Through our collective efforts in 1963 we were successful in improving our position in each of the industries we serve," they said. "We are optimistic concerning the division's prospects in 1964 and are counting on your cooperation in continuing the progress made this year."

Wayne County sheriff's deputies said the truck driver Foster Strohl, 57, of 922 Mayflower, Lincoln Park, had failed to observe a stop sign at the four-way stop intersection.

Mr. Wimsatt was owner of the Wimsatt Appliance shop. He was a member of Our Lady of Good Counsel Church, the Plymouth Rotary Club, Plymouth Optimist Club, Knights of Columbus Council 3292, and was a committeeman of Bird School Club Scout Pack 293.

He was born Dec. 11, 1913 in Springfield, Ky., a son of James and Amelia Pollin Wimsatt. He had resided in Plymouth since 1945, moving there from Detroit.

The moving was held Sunday night in the Schrader Funeral Home.

Surviving are his wife, Mrs. Camille Wimsatt; three sons, John H. Thomas and Robert, all at home, four brothers, James, Joseph and Francis of Louisville, Ky., and Daniel of Dearborn; and two sisters, Mrs. Annabelle Kilmartin, Detroit, and Sister Mary Jacinta, O.P., Dominican Order in Nebraska.

GREEN SAFETY FLAG, symbolic of no traffic accidents during the 1962-3 school year, is turned over to Safety Patrol members of St. Peter's Lutheran School by Plymouth Assistant Police Chief Johnson. It marked the second

straight year the school won the coveted award. The group includes: (from left) Ass't Chief Johnson, Patrolman John Covach, Principal Richard Schraf and Capt. Jill Pederson.

## Commission Approves Reservoir 'Go' Ahead

Although there is still doubt as to the size of the project—three million or two million gallons, Plymouth City Commission last week passed a resolution to proceed with the construction of a water reservoir and also to resume negotiations in writing with the Detroit Water Board for prices and a proposed contract for Detroit water.

The resolution came after Commissioner Arch Vallier asked the Commission to adopt the recommendations of the water committee. It had recommended both actions.

The committee includes Commissioners Vallier, George Lawton, James Jabara and Robert Smith with City Manager Albert Glassford and DPW Supt. Joseph Bida serving in an advisory capacity.

The Commission passed the resolution by a 5-2 vote with Smith and Robert Beyer dissenting.

Commissioner Lawton, speaking for the committee, told the Council that the group thought the size of the reservoir could be decided within a month after additional reports from the consulting engineers.

"We feel that construction of the reservoir is the best way to solve the pressure problems in Plymouth," he said. "However, we have two recommendations from the engineers. The first was for a three-million gallon reservoir but later it was changed to two-million which they reported would adequately take care of the City of Plymouth."

"Therefore, the committee feels strongly that we should proceed with plans for the reservoir and decide on the size within a month. It will take that long or longer to draw the preliminary plans and the size would have no effect on the architect's work until later."

Glassford told the Commission that a three-million gallon reservoir would cost an estimated \$264,000 including engineering fees.

Mayor Richard Wernette informed the Commission that he had information from Congresswoman Martha Griffiths that there is a possibility that federal funds would be available for the project on a matching basis.

Plymouth has an application on file in Chicago for such funds. This action was taken by the previous Commission which approved construction of the reservoir regardless of whether federal funds were available or not. However, the matter has been more or less dormant since the new Commission took over last April.

The Commission, at the request of Vallier, approved a study of the facilities of the Department of Public Works with the thought of constructing an additional building for office and equipment storage space.

Vallier, who made several trips to the DPW garage on

## Mayor Optimistic About Plymouth 1964 Outlook

By RICHARD WERNETTE  
Mayor of Plymouth

As we approach the new year, I feel the most important local endeavor will be the work of that the recipients may re-Relations Commission in preparing our residents for the likelihood of colored persons moving into our area, so that the majority of us will welcome them with true Christian brotherhood and those who feel they cannot do so will at least tolerate them without hostile incidents that would give our community and our State a black eye and cause hard feelings that would take a decade to heal.

We are most fortunate in having so many outstanding citizens who are willing to serve on this body and with our cooperation I feel sure they will succeed.

Late in the summer we expect our new city hall to be completed and dedicated. This will consolidate our numerous municipal departments under one roof with a resulting increase in service and efficiency. The addition of this new colonial type building next door to our beautiful library will greatly enhance the appearance of Main street and the near downtown area.

The coming year will see the completion of the demolition of the few buildings remaining in our Urban Renewal Project. Some and possibly all of the cleared land made available by this project will be sold by fall. We expect there will be definite expansion activities by some of the firms now located in this area and some new firms may be induced to locate here.

We recently appointed a municipal housing commission, which will be concerned with attempting to secure a federal grant for the erection of an apartment building for the aged similar to the one recently completed in Dearborn. Under this federal program the only costs to the sponsoring municipality are those for any additional facilities such as porches, balconies and game rooms not provided for by the federal specifications.

Such apartments rent for considerably less than private facilities as the rental need only cover the utilities and upkeep of the building since the original cost is absorbed in its entirety by annual federal appropriations. Such a building would be a boon to those of our retired residents who are on a restricted budget. The city retains control by being permitted to set up residential and financial requirements for those applying for occupancy.

The City Commission will likely reach a definite decision concerning the erection of a new two or three million gallon water reservoir early in the year. Senator Phil Hart, Congressman Neil Staebler and our Congresswoman Martha Griffiths are assisting us in our efforts to obtain an accelerated

works program grant for up to 50 per cent of the cost of such a reservoir.

The water committee of the

City Commission will be negotiating with the Detroit Water Board for a contract for the sale

## 1,074 May Lose Right To Vote

The names of 1,074 voters in the Plymouth Community will be crossed off the registration lists by Jan. 10 unless they return cards mailed by City Clerk Richard Schafner and Township Clerk John McEwen on Dec. 10. There are 535 in the City and 539 in the Township.

The suspension notices, along with a card to be returned, so that the recipients may register, are a result of a state law passed last spring making the two-year voting eligibility period uniform throughout the state.

The law provides that those registered but have not voted for two years must reregister or lose voting rights until such time that he or she personally appears in the Clerk's office to reregister.

Both Schafner and McEwen pointed out that voting in a school election doesn't count. The schools maintain their own electors' list. However, the city and township clerks notify the schools when names are stricken from the list.

Schafner sent 722 letters to voters in the City of Plymouth of a total of 4,600 on the rolls. He indicated Monday that only 187 has been answered, less than 26 per cent. The remaining 535 must answer by the Jan. 10 deadline or the names will be removed from the lists.

McEwen reported similar statistics in the Township where 236 have returned cards from a total of 774, leaving 539 on the doubtful list. The township lists 4,223 registered voters.

(Continued on Page 7)

## Plymouth Cub Scouts to Stage Bottle Collection Campaign

Cub Scouts from Packs at Bird and Starkweather Schools will make a house-to-house canvass of the homes in the respective school districts Saturday in a bottle collection drive. Funds from the sale of the bottles will be used to finance activities of the two packs.

Cubs from Pack 293 will call on homes in the Bird School district and those from Pack 1533 will tour the Starkweather area.

Cubmasters indicated the Cubs will not stop at every home and requests those with bottles for the drive to call before 11 a.m. Calls in the Bird School district will be handled by Cubmaster Karl Van Newkirk at GL 3-5513 and those for the Starkweather School by Cubmaster Curtis Powell GL 3-0392 or Ken Wheeler at GL 3-7275.

Curtis Powell, Jr., was awarded a gold arrow at last week's meeting of Pack 1533 in which all participated in the annual Christmas party.

The January committee meeting will be held on Wednesday, Jan. 15 at the home of Lester Robinson, 443 Ann St.

## Detroitier Dies In Crash On Sheldon Road

John Hydorn, 26, 18968 Braille, Detroit, was dead on arrival at Wayne County General Hospital after his car collided with one operated by Donald Newman of Ypsilanti, on Sheldon Road north of Five Mile Road in Northville Township.

The head-on collision took place almost directly in front of the entrance to the Plymouth State Training School.

Hydorn was weaving across the center line and his car crashed head-on with that of Newman, according to police reports. Newman is in serious condition at the hospital.

## Schools To Face New Problems In Enrollment

By RUSSELL L. ISBISTER  
Supt. Plymouth Schools

Our yearly prediction, 1964 being no exception, is that there will be an increase in the school enrollment. Before December 31, 1964, we can expect an additional 400 children in the classrooms of the Plymouth Community Schools.

The Board of Education will plan and start construction on additions to two elementary schools and possibly the high school during the calendar year.

The Joint Committee on Vocational Education will complete its study and make recommendations to the Board of Education. We predict that the recommendations will include more space and equipment at the high school in order to provide additional specialized job training for the youth who go directly into jobs upon leaving high school.

It is also predicted that to the extent possible some of the highly specialized job training for high school youth may be provided on a cooperative basis with Schoolcraft College and or the other high schools in the Community College District.

We expect to continue the program that began in 1963 for updating and improving instruction in mathematics. Consultants will assist teachers in examining the new mathematics textbooks and teaching aids, including programmed learning, which are now available and from which selections will be made for use in the classrooms.

The examination and appraisal will include methods of teaching as well as content material. Teams of teachers will visit other schools in other districts where these materials are being used. On schedule, a number of teachers' meetings will be planned to deal with the "Teaching of Mathematics" and to initiate the appropriate changes.

We predict that the State Legislature will appropriate to the local school districts an increased proportion of the cost of operating the public schools.

Whereas in the recent years the trend has been toward a greater proportion of local support and less of state support the added State appropriation this coming year will reverse the trend. The new State Aid formula will be based on local need, effort and quality.

## Lindsay Hails Sewer, Water Expansion

### See '64 Township Growth

By ROY LINDSAY  
Supervisor  
Plymouth Township

We are looking forward to a tremendous growth in the west side of Plymouth Township in the not too distant future as a direct result of the Board's decision to extend water and sewer lines in that direction.

It involves a bond issue that may go as high as a million dollars but we all feel that it will be money well spent and will more than be returned in the years to come.

After all we were in a position where developers in the west side had nothing to sell because of lack of facilities. We had to take first things

first and there wasn't any question in the minds of any member of the board that extension of the water mains and sanitary sewers to that section was mandatory.

The Township can't grow and develop properly unless everything is done that will help that growth and development. The Board

# Two Livonia GM Plants Spend \$44 Million

General Motors expenditures for operation of GM's two manufacturing facilities in Livonia during 1963 reached \$44 million, an increase of nearly \$6 million over last year.

Employment at the Chevrolet Spring and Bumper and Fisher Body Cut & Sew plants increased 640 over 1962 to average of 5,926 for the year. During the month of December employment rose another 417 to average 6,343.

These statistics were released today in a year-end statement jointly by R. Gordon Spear, Fisher Body plant manager, and Bertil J. Anderson, Chevrolet plant manager.

The announcement added that employee earnings reached \$42.8 million in 1963, up some \$6 million over last year. More than \$1 million was paid to local businesses for supplies.

Employees at the two plants contributed \$123,864 to the United Fund Drive, up \$34,500 over 1962. The GM men and women also invested \$1.1 million in United States Savings Bonds through payroll deductions, \$330,000 over a

year ago. Awards to employees for ideas submitted under the GM Suggestion Plan jumped to \$121,448, a \$34,000 increase.

The Chevrolet plant manufactures chassis coil and leaf springs and bumpers for Chevrolet passenger

cars, leaf spring for trucks and suspension components. The Fisher Body plant pro-

duces cushions, door pads, sunvisors and other interior trim for Buick, Oldsmobile

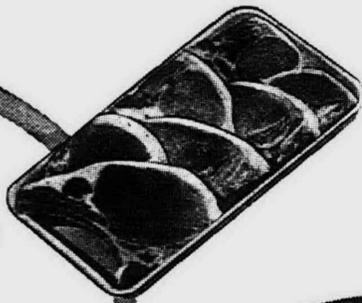

and Pontiac passenger cars. Regular tours are available at the Chevrolet

plant each Wednesday afternoon, beginning at 1:15 p.m.

sister, Mrs. Myrtle Ruse, Florida; seven grandchildren and eight great grandchildren.

Vincent Weisgerber Funeral services for Vincent Weisgerber, 49, 40774 E. Ann Arbor Trail, Plymouth, were conducted Thursday in the Schrader Funeral Home in charge of Rev. Donald Williams. Burial was in Riverside Cemetery.

Mr. Weisgerber was killed Dec. 22 when his car overturned on US-12 near Ypsilanti. He was born June 21, 1914 in Detroit, a son of John and Victoria Brueckler Weisgerber. He was employed at the Chevrolet Spring and Bumper plant and was a member of the First Baptist Church of Plymouth.

Surviving are: his wife, Mrs.

Georgia Weisgerber; a son, John, Ypsilanti; three daughters, Mrs. Bonnie Jean Stockwell, Ypsilanti; Mrs. Jeanette Dunagan, Plymouth; Mrs. Marva Duncan, Martin, Tenn.; a stepson, Farris McIntosh, Plymouth; a sister, Mrs. Elizabeth Lane, Allen Park; a brother, Frank of Trenton; and eight grandchildren.

Ronald Hornback Services for Ronald Louis Hornback, two-year-old son of Mr. and Mrs. Eugene Hornback, 6119 E. Joy Road, Salem Township, were conducted Saturday in Our Lady of Good Counsel Church in charge of Rev. Fr. Byrnie. Burial was in St. Thomas Cemetery in Ann Arbor.

The youngster died Christmas morning in Ridgewood Osteopathic Hospital following an illness of less than four hours.

He was born Nov. 28, 1961 in Superior Township. Surviving are: his parents; two brothers, Daniel and Steven; a sister, Julia Ann; and his grandparents, Mr. and Mrs. Karl Hornback and Mr. and Mrs. Jack Massarello of Plymouth.

Mrs. Florence Sargent Services for Mrs. Florence Elizabeth Sargent, 61, 6701 Venoy Road, Garden City, were conducted Saturday in the Schrader Funeral Home in charge of Rev. Donald Williams with burial in Oakland Hills Memorial Gardens.

Mr. Broegman died Christmas Day at his home. He was a lifelong resident of the area and was born Dec. 22, 1899, in Livonia. He was a maintenance man at the Packaging Corporation plant and had resided in Plymouth since 1932. He was a member of IOOF Lodge 32 of Plymouth.

Surviving are: his wife, Mrs. Irene Broegman; a stepdaugh-

ter, Mrs. Charles McKenna, Allen Park; three sisters, Mrs. Leonard Kimmel, Northville; Mrs. Merle Franklin, Fowler; Mrs. William Higgins, Highland; two brothers, Frank of Plymouth and Ernest of Dearborn; and two grandchildren.

Archie Herrick Services for Archie Herrick, 87, of 15746 Bradner Road, Northville Township, were conducted Monday in the Schrader Funeral Home in charge of Rev. Henry Walch. Burial was in Riverside Cemetery.

Mr. Herrick died Friday in St. Joseph Mercy Hospital in Ann Arbor. He was born Nov. 13, 1876, in Redford Township, a son of Leander and Mary Sackett Herrick. He was a retired farmer and had resided all his life in the vicinity. He

was a member of Northville Lodge 186. Surviving are: his wife, Mrs. Celia Herrick; four daughters, Mrs. Gladys Sutfin and Mrs. Grace Hunt, Plymouth; Mrs. Fay Francis, Livonia; Mrs. Hazel Markham, New Hudson; 13 grandchildren and 32 great grandchildren.

Harold J. Murphy Services for Harold J. Murphy, 60, 9168 Riverview, Redford Township, were conducted Monday in Our Lady of Grace Church with burial in Holy Sepulchre Cemetery.

Mr. Murphy died Thursday in Alexander Blain Hospital. He was a rate auditor for Transamerican Freight Lines where he was employed for 30 years. He was a member of the Knights of Columbus. Surviving are: his wife, Mrs.

Lucille Murphy; a son, Harold Jr.; a daughter, Mary Elizabeth; two sisters, Mrs. C. Y. Scullitt and Sister Mary Evangelist, O.P.; and three grandchildren.

Craig Fairman Services for Craig Fairman, 12-year-old son of Mr. and Mrs. Robert Fairman, 29646 Barkley, Livonia, were conducted Dec. 24 in the Manns-Ferguson Funeral Home in charge of Rev. William Whitedge. Burial was in Grand Lawn Cemetery.

Craig died Dec. 22 in Mt. Carmel Hospital after a short illness. He was born Feb. 11, 1951, in Wyandotte and was a student at Riley Junior High. Surviving are: his parents; two brothers, John and William; a sister, Nancy Jean; and grandparents, Mr. and Mrs. John Butkin and Mr. and Mrs. Robert Fairman.

William Cooper Services for William Nelson Cooper, 61, 15471 Iliad, Redford Township, were conducted Dec. 19 in the Maney-Burrell Funeral Home and at St. Genevieve Church in charge of Rev. Fr. F. A. Welber. Burial was in Holy Sepulchre Cemetery.

Mr. Cooper died Dec. 16 in Lister Hospital following a lengthy illness. He was born Jan. 2, 1902 in Terre Haute, Ind., a son of Charles and Ann Costello Cooper.

Surviving are two brothers and a sister. Alan Voytovich Services for Alan Michael Voytovich, 8, 9024 Denne, Livonia, who was killed in an automobile accident on Dec. 13, were conducted Dec. 21 in the Maney-Burrell Funeral Home and at St. Damian Church in charge of Rev. Pilarowski. Burial was in Holy Sepulchre Cemetery.

Alan was born Sept. 27, 1955, a son of Joseph and Louise Fatla Voytovich. He was a student at St. Damian's School.

Surviving are: his parents; two brothers, Dennis and Kenneth; and his grandmothers, Mrs. Albert Fatla and Mrs. Anna Voytovich.

Harry James Harry James, 9911 Columbia, Redford Township, passed away Christmas Day. He was born Jan. 1, 1885, and was 78 years old. Funeral services were held Dec. 28 from Will Funeral Home with Rev. R. L. Morrell officiating. Interment was Holy Sepulchre. Surviving Mr. James are his children: Harry, Mrs. Catherine Sullivan of Redford Township with whom he lived, and Robert; also five grandchildren and nine great grandchildren.

Eva Miley Funeral services were held for Eva Miley, 25300 Tate, Redford Township, Dec. 27 from Will Funeral Home, Plymouth Road, Redford Township. Mrs. Miley passed away Dec. 24 after a brief illness. She was 49 years old and is survived by her husband Leon and daughter Laura Miley, brother Edwin Mungo and sister Mrs. Lynden McDonald.

She was born in Goodrich, Ontario, Oct. 17, 1914. She was an active member of the Redford Suburban League. Rev. Donald Wilmoth of the Redford Avenue Presbyterian Church officiated at the funeral services. Interment was Oakland Hills Cemetery.

Mrs. Loria Elsie Rittenhouse Services for Mrs. Loria Elsie Rittenhouse, 81, 345 Roe Street, Plymouth, were conducted Thursday in the Schrader Funeral Home in charge of Rev. Hugh White. Burial was in Riverside Cemetery.

Mrs. Rittenhouse died Dec. 22 in University Hospital in Ann Arbor. She had resided in Plymouth since 1918 and was a member of the First Methodist Church.

Mrs. Rittenhouse was born May 2, 1882 in Warren, Ind., a daughter of John and Alice Heaston Hefner.

Surviving are: her husband, Charles Rittenhouse; two sons, Dale, Plymouth, and Ralph, Dearborn Heights; a daughter, Mrs. Doris Holcomb, Livonia; a

A&P Names Ingram New Office Chief Promotion of William P. Ingram to office manager of A&P Food Stores' Detroit Unit was announced by Vice President Philip Nyquist. He succeeds Francis J. O'Connor, who has been assigned greater responsibilities in the Central Western Division office.

Ingram started with A&P in 1944 as a store clerk in Charleston, Ill. and served in various store capacities including two years as manager at Monticello, Ill. He was transferred to the Indianapolis Unit office in 1947 where he was a department head until his promotion to assistant manager of the Detroit Unit in 1960.

Two years later he was transferred to Louisville in a similar capacity and held this post until his promotion to office manager of the Grand Rapids Unit in July this year.

Ingram and his wife, Harriett, are parents of four children. Men In Service Two soldiers from Garden City, Mich., Privates Albert C. Pollum and Rex P. Roseman, have completed a five-week equipment repairman course at the Army Engineer School, Fort Belvoir, Va.

Pollum, 20, son of Mr. and Mrs. Albert E. Pollum, 1709 Arcola, entered the Army last April. Roseman, son of Charles M. Roseman, 32806 Comanche, entered the Army last May. He attended Benjamin Franklin High School in Livonia.

**CONTACT**  
—the secret of Amana's fast freeze that captures fresh flavor

What you see here couldn't happen in any ordinary freezer or freezer-plus-refrigerator. Come in and see this demonstration — but don't stop there! See all the other fine features of Amana's new Freezer-plus-Refrigerator combinations. Note the roominess, the convenience, the easy cleanability of the big family-size refrigerator compartment, too. You'll agree: Amana offers you the most modern freezer-plus-refrigerators you've ever seen!

Only an Amana offers you all these advantages:

- Amana-matic contact freezing—on solid aluminum shelves to keep food's flavor.
- Exclusive Frost-Magnet—stops frost before it starts—frost never forms in refrigerator or freezer.
- Full-width, full-view crisper with see-through front.
- Wall-to-wall storage, with much more usable storage space in every size unit.
- Amana-acrylic enamel resists stains, chipping and cracking. Easy to clean!

# Livonia 1963 Traffic Accidents Soar To Record High

The old year 1963 bowed out as the worst in Livonia history for traffic accidents according to figures from the Livonia Police Traffic Bureau headed by Sgt. Robert Thorne.

The total of 2,400 through Dec. 28 shattered the previous high of 2,204 accidents in 1962 and the 349 mishaps through Dec. 27 passed the previous record of 348 in December of 1962.

"This month has been one of those things that all Traffic Bureaus dread and can't understand," said Sgt. Thorne. "We had hoped that the constant warnings to drivers would result in less accidents and more safety but apparently it had little effect."

The reports show 37 accidents on Saturday, Dec. 21, an all-time high for a 24-hour period, bettering the previous record of 32 on Dec. 6 of this year.

The total for the year up to and including Dec. 26 showed 2,400 accidents. The list reveals 787 injury acci-

dents with a total of 1,320 injuries and 10 fatalities and 1,603 property damage inci-

dents including 32 bicycle and 26 pedestrian accidents. Thorne produced figures

for the period starting Dec. 18 through Dec. 26, the worst ever in the de-

partment's history. The statistics: Dec. 18, 14 accidents with three injuries;

Dec. 19, 17 with nine injuries and 10 property damage; Dec. 20, 23 with nine hurt; Dec.

21, 37 with 24 injuries; Dec. 22, five with one injury; Dec. 23, 24 with 17 hurt; Dec. 24,

24 with seven; Dec. 25, six with one; and Dec. 26, 13 with 16 injuries.

## Plymouth Lions Present Film Of "Mexico"

Romain Wilhelmson has been called "The Legend Hunter". He will present his prize "catch" film "The Soul of Mexico" at 8:30 p.m., Saturday in the Junior High-East gym.

It is the third of six Lions Club films in the popular Travel and Adventure Series. Tickets for adults at \$1.25 (students 50 cents) may be obtained at the door or from any Plymouth Lion. In addition, pro-rata reduced season tickets for the balance of the season may be purchased.

The film starts at Juarez. It shows a castle used for a hotel in Guanajuato and ancient silversmith displays at Taxco. There are 135-foot dives by natives in fabulous Acapulco and tingling excitement at the Toluca marketplace.

The butterfly fishing fleet at Patzcuaro is a picture of serenity and the ruins of Yucatan are an awesome contrast to the gay laughter of children in Mexico City.

It is an astounding film, replete with adventure, intrigue and buried treasure. It is the kind that won Wilhelmson first place in the "World Travel Series."

## County Employees Credit Union Pays Dividend

Members of the Wayne County Employees Credit Union in the Livonia area will share in a four percent dividend distribution which that organization has announced, to be made among its more than 4,500 members at the end of the year. It is the 12th consecutive year in which a dividend has been paid, H. G. Ernest, general manager, said.

There will also be an interest rebate to members, amounting to 10 percent of interest paid on their credit union loans during the year, Mr. Ernest announced. This rebate is being paid for the ninth consecutive year.

Wayne County Employees Credit Union has its main office in the City-County Building in Detroit, and operates a branch office in Livonia for the benefit of members in western Wayne County.

## DPW News And Notes In Plymouth

Early Christmas morning the rubbish route for that day was checked and due to the fact that very few people had rubbish out it was decided to give the pickup men a holiday. The rubbish for that section was picked up on Thursday. The regular pickup for Wednesday, January 1, will not be made until Thursday, Jan. 2.

Flooding of skating rinks at Hamilton Playground, Sheridan Park, Burroughs Playground and at Blanche and Karmada Streets has been a major project for this week. The rinks will be flooded as soon as weather permits.

There were six funerals at Riverside Cemetery and this kept the crew busy.

The main sanitary sewer on Penniman Avenue east of Arthur Street was cleaned and the rodding machine was used here with a total of 1,314 feet of sewer being cleaned.

Main streets all over the city were cold patched, and street name signs and traffic signs were made and installed at various locations.

# Get Out Of Winter Doldrums-Join A Class At YMCA

## Furniture Refinishing New To Program

Registration is now open at Northwest YWCA, 25940 Grand River, for the winter term of classes and interest groups which will begin the week of Jan. 13th. Program for the new term includes a wide variety of subjects during both daytime and evening sessions. Among the different classes offered are various arts and crafts specialties such as Oil Painting, Sketching, Ceramics, Flower Arranging; Home Arts Classes including Sewing, Knitting, Tailoring and Furcraft; Physical Fitness, Bowling, Yoga, Creative Dance and Ballroom Dance; are part of the Health Education activities. Interest groups include Bridge, Psychology, Interior Decorating and Chorus. A nursery is available for children 3-5 years whose mothers participate in the Ladies' Day Out Program.

Activities for Juniors include Ballet, A Saturday morning playday for children under 12, and a Swimming, Gym and Crafts program. Swimming for adult women and children as well as some of the junior sports classes are held in the facilities of Ford High School.

Anyone interested in detailed information on any of the classes is urged to call KE 7-8500 or come into the Branch building at 25940 Grand River. Early registration is urged since many of the classes are limited in enrollment.

### NEW THIS YEAR

Due to requests and interest shown, a class in furniture refinishing will be added to the curriculum of winter classes at the Northwest Branch YWCA, 25940 Grand River.

The class, which is open to men and women, will be held on Monday evenings from 7:30 to 9:30 p.m. starting Jan. 13th. The instructor will be Mrs. Gilbert Gokey, who has been instructing in this subject for the past several years and whose hobby has been furniture refinishing for some time. The class does not include antique restoration, but practical tips and instruction for the homeowner who wants to give a new look to an old piece of furniture.

Registration is now open at Northwest YWCA. Call KE 7-8500 for information.

MRS. DOUGLAS ROHN

## Ryan-Rohn Say Vows

At a candlelight service, Nov. 30, Miss Linda Ryan of Livonia became the bride of Douglas Rohn of Detroit. The double-ring ceremony was performed by Rev. Halboth at Grace Lutheran Church, Redford Township.

For her wedding the bride chose a gown of white peau de soie with applique lace at the neckline, bodice and hem of the bell-shaped floor-length skirt and chapel train. A pearl and lace headpiece secured her imported illusion veil. She carried a cascade of white sweetheart roses, baby mums and stephanotis.

The matron of honor, Mrs. Milton Henson and Sandra Rohn, bridesmaid and sister of the groom, wore identical gowns of deep aqua chiffon and satin and carried bouquets of roses and mums in variegated shades of pink. Attending the bride as flower girl was Vicki Rohn, four-year-old sister of the groom, who wore pink and carried a white basket of pink roses. The bridegroom asked Phillip Clark to serve as best man and Keith Thode to seat the guests.

Mrs. Ryan chose a gown of sapphire blue matelasse for her daughter's wedding, and ivory lame was chosen by the groom's mother. Both had matching accessories and were presented with orchid corsages by the groom.

After a reception for 150 guests the couple took a tour of the southern states.

The newlyweds are presently at home in Farmington, however, they are planning on a permanent residence in Alaska.

DONNA JEAN BENNETT

Mr. and Mrs. Jesse G. Bennett of Stark Road, Livonia, announced the engagement of their daughter Donna Jean to Ralph Gordon Naidow. The groom-elect's parents are Mr. and Mrs. Leslie G. Naidow of East River Road, Grosse Ile. Miss Bennett is a graduate of Bentley High school and attended Central Michigan University. Mr. Naidow graduated from Redford High School and is presently a senior at Detroit Institute of Technology. August 15, 1964, has been announced as the wedding date.

IF YOU WANT to look like this—join Ruth Gill (above) in Yoga classes beginning this January in Livonia—and Plymouth adult education classes or at the YWCA in Redford Township.

### VFW of Northville Host Children

On Dec. 18, members and friends of the Ladies Auxiliary to V.F.W. Post 4012 of Northville held their annual Christmas social at Saratoga Farms for dinner. Dollar gifts were exchanged.

Sunday afternoon, the V.F.W. Post hall on South Main St., Northville, was opened for a Christmas party for the children of the post. Party chairman Pat Ash, arranged for entertainment which thoroughly delighted the children. Ricky the Clown was present, as was that other famous gentleman, Santa Claus. After a delightful program by Ricky, Santa passed out stockings filled with fruit, nuts and candy. Refreshments were served to all the children.

## To Women It May Concern

By MYRA COX

Ring in the New Year! How about taking down that old resolution, dusting it off and with determination enroll in a night school course — amazing in their variety and practically at your fingertips.

Reentering the field of the educational world is not being self-centered, but rather will broaden your outlook. Anything that changes your pace may revitalize your whole life — quite a return for a very small investment — and many classes are absolutely free.

Each year there is something new offered and if serenity and tranquility be your goal for 1964 the new course this year is Yoga. Please don't think immediately "not for ole stiff me" — listen m'dear, these bare-chested fellows with the large white diapers and heads wrapped in towels have been doing it for centuries.

It is a physical fact it will relieve tensions, and add to your personal attractiveness. It is an excellent form of exercise that does not require a great output of energy, Ruth Duey, Director at the "YWCA" says she has taught Yoga classes to females from 17 to 70. Both Miss Duey and Mrs. Verne Loud will be teaching Yoga classes this year at the YWCA. Their classes will be particularly geared to relaxing the busy housewife. Come on, throw away the tranquilizers and let's try it!

Ruth Gill of Livonia teaches Yoga at Riley Jr. High Adult Education. She will teach a class this year in Plymouth Adult Education if enough people are interested.

Ruth absolutely claims practicing Yoga will not only make you more beautiful, but healthier. Yoga postures are an art, she says, applied to the living body. "Relaxation is taught as an art and breathing as a science. Muscles are firmed lengthwise, not into the "bunchy look" often associated with heavy exercise. In each exercise hands, arms and legs are so positioned as not to help what the torso must do itself. Yoga is based on stretching, bending and balancing movements. Circulation is improved, keeping arteries youthful and assisting in breaking up calcium deposits." You know all of those pains in the arms, wrists, back that show up after you bowl once in a thousand years — or take the kids skating or sledding.

Well, now, in addition to all of that, these Yoga experts I've been talking to—(all bright-eyed women incidentally)—say Yoga limbers the mind as well as the body and puts ideas into your head you haven't had for years — so maybe you had better go at your own risk — but it sounds like the beginning of a whole new world for anyone willing to give it a go.

See you in class Lotus Blossom (which in Yoga talk is number one easy position).

MRS. ADAM JOHNSON

### Lindsay-Johnson Newlyweds

Escorted down the aisle by her father Dwight H. Lindsay, Gail Elizabeth Lindsay became the bride of Adam G. Johnson.

Rev. Jay P. Coulton performed the afternoon ceremony Nov. 23.

The bride is a former resident of Clements Circle in Livonia and she and her groom are presently living in Garden City.

The groom is the son of Mr. and Mrs. August Linden.

Providing the music for the afternoon was Everett Burrell and the background decorations of white fugi mums formed a perfect background for the bride in her floor-length gown of tissue taffeta with empire waistline, full skirt and chapel train. A seed-pearl crown secured a fingertip veil. She

carried a bouquet of white fugi mums and artificial grapes.

Serving as matron of honor, Janet Kay Forster wore a street-length sheath with overskirt in sapphire blue. Her bouquet was of pale green fugi mums centered with an orchid.

Identically gowned were bridesmaids Sharon Goldone, Mary Jane Hutchinson, and Sharon Johnson.

Wayne Forster was best man and Sam Johnson, Fred Lang, Donald Ray seated the guests, many from out of town, including the bride's grandmother from Florida.

Mrs. Lindsay chose a deep blue velvet sheath for her daughter's wedding and the groom's mother was gowned in a champagne colored brocade sheath.

A reception for 200 guests followed the ceremony at Plum Hollow Golf Club. After the newlyweds greeted and were honored by their guests they left for a visit to a lodge in Catskill Mountains in New York.

The bride graduated from Bentley High School in '59 and Eastern Michigan University with the class of 1963. Mr. Johnson graduated from Roosevelt High School in Redford Township, '59.

### Keeler Mothers Have "Color" Talk

Ideas in interior decorating will be presented to Keeler Mothers Club at 8 p.m. Wednesday, Jan. 8, in the school gym.

"Color Comes Calling" is the talk which will be given by Patty Grove of the Michigan Bell Telephone Company. Mrs. Grove will describe the qualities of colors. She will explain the use of colors in achieving desired effects in decorating rooms of different sizes and dimensions. Her talk will include rules to be considered as housewives plan color schemes for spring decorating.

Mrs. Grove will illustrate her talk with fabric swatches. She will answer questions on decorating problems.

### New Term Offers Various Programs

Persons starting the New Year by resolving to better themselves educationally should waste no time in signing up for evening classes best designed to meet their individual needs.

Residents of the Livonia Public Schools District this week are receiving through the mail the winter term schedule of classes for the Adult Education Program. Registration for these classes will be in the evening from 7:30 to 9:00 p.m. starting Tuesday, January 7, and will continue each evening through Friday, January 10. Bentley High School will be the centralized center for registration.

Students taking high school credit classes should arrange to see a counselor before registering. High School counselors will be in Room 105 each evening during registration (Jan. 7-10) from 7:30 to 9:00 p.m. and each evening during the first week of classes (Jan. 13-16). Thereafter they will be present only on Monday evenings.

### New Hilbert Born

Mr. and Mrs. Richard N. Fritz of Plymouth announce the birth of a son, Richard Hilbert Fritz, on Dec. 24 at St. Joseph Hospital in Ann Arbor.

The maternal grandparents are Mr. and Mrs. Russell Hilbert and the paternal grandparents are Mr. and Mrs. Richard C. Fritz, all residents of Redford Township.

Socially Speaking

In and Around Plymouth Town

By DOROTHY FINNEY GL 3-6160

HOW'S YOUR KNITTING?

My husband occasionally tells me: "You can't learn while you're talking." So I've been listening and heard this very interesting discussion which took place in the office of a local optometrist while I was waiting to be fitted with my new bifocals with the tell-tale line.

Mrs. Gerda Herrmann, German-born secretary in the office of Dr. Elmore Carney, was discussing the differences between the European and the American methods of knitting with another patient. This lady, a Detroit resident, was originally from Scotland and had learned to knit in the elementary grades there, where a little girl had to be able to knit a sock before moving on to the next grade.

At this point I broke into the conversation and asked if either of them had an idea of the number of women in the Plymouth community who were interested in knitting. Both ladies assured me that it must be a favorite project with many local women, since the Wool Shop on Main St. here in Plymouth had found it necessary to greatly increase the size of the shop.

Mrs. Evelyn Arthey of the Wool Shop told me that the volume of business in her shop had quadrupled since the opening of the store three years ago, with many of the customers coming from Livonia. Mrs. Arthey has been giving knitting instructions to three classes each week, with a total enrollment of 50 members. She is also conducting a class at the Junior High for sixth and seventh graders. This class of six boys and 34 girls has only one requirement made of them — each must complete the articles started, which may be socks, slippers or mittens.

Mrs. Herrmann, who attended school in Magdeburg, Germany (which is now behind the Iron Curtain about an hour's train ride from the Berlin wall) has lived in this community for six years. The family had previously lived in Canada for five years. Gerda has knitted sweaters for Dr. Carney, his wife Winnie and sons Don and Jim who are students at Western Michigan University.

Otto Meier of Ann Arbor left Thursday, Dec. 26 for Silver Springs, Md. where he will visit his son James and family for a week.

Mrs. Ev Olson of Bruce St. in Arbor Village was hostess to 12 members of her pinocle club on Wednesday, Dec. 18. The prizes, Christmas centerpieces made by Ev, were won by Mrs. Frances Carmine, Mrs. Grace Finney and Mrs. Norma VanGieson.

The Olsons and their two children left Christmas night for Boulder, Colo. where they will spend some time with Mrs. Olson's sister and family.

Mr. and Mrs. Hugh Grieve of Farmbrook Dr. in Lakepointe, celebrated their Christmas a few days late this year. Their daughter Gail, age 5 1/2 months, who had been a patient in St. Joseph Hospital in Ann Arbor for the past 10 days, was able to come home the day after Christmas.

Students at the Starkweather school are very concerned about their school janitor, Julius Jay, who is also a patient in St. Joseph Hospital, Ann Arbor.

"Jay," as he is known to the youngsters, was severely injured when he was pinned between his parked car and another which was struck by a

third car at an intersection in Ann Arbor about two weeks ago. Both his legs were broken and badly crushed and it will be necessary for him to remain in the hospital for 16 weeks.

Teachers at Starkweather have sent him cigarettes and a cash gift, and many of the children have sent him get-well cards. They are also planning other surprises for him during his stay in the hospital.

"Jay" has worked for the Plymouth schools for four years, the last 1 1/2 years at Starkweather.

Mrs. Thomas Persinger and sons Dean and Darrin of Los Angeles, are visiting her parents. Mr. and Mrs. Fred Runge of Cherry Hill Rd. and her sister and family, the Fletcher Campbells of Sheldon Rd.

Mrs. Persinger is the former Janice Runge and her husband Tom is in air traffic control at the Palmade Traffic Control Center in California. The Runge's are also expecting their son Dick and family from Fort Leonard Wood, Mo. on New Year's Day.

We talked to our daughter, Mrs. Betty Jean Hanke, and husband Dick on Christmas night and learned how they had managed to bring a bit of Michigan weather to their home in Westchester, Calif., where the temperature was 75 degrees.

They covered one part of their lawn with artificial snow and placed in the center a sleigh with Santa and his reindeer which was lighted at night. It caused quite a stir in their neighborhood, especially with their 3-year-old son Richie, who has never seen real snow.

Incidentally, it took us three hours and eight "tries" before we could get an open line to Los Angeles on Christmas.

Mr. and Mrs. Tyler Caplin have been spending several weeks with his parents, the Carl Caplins of Joy Rd. The young couple will drive to California after New Year's where Ty will attend a school for pro golfers which is conducted by the P.G.A. at Long Beach. Ty and Nancy had previously lived in California and are looking forward to visiting many friends during the four to six weeks they will be there.

Ty was golf pro at a country club in Minneapolis before returning to Plymouth in November.

PLYMOUTHITE Gary Eiler (left) is one of 26 Alma College students spending the Christmas holidays in Jamaica as the guests of fellow-student Tony Taylor, a senior from Jamaica. Taylor is shown displaying a map of his native land to Eiler prior to the start of the trip.

Lindsay

(Continued from Page 1) feels that it has moved in that direction with the action earlier this month.

Perhaps the recent announcement by Burroughs Corp., of the shakeup in personnel and the transfer of some 2,000 workers to the community, will help this development. But it is far too early at this time for anyone to make a prediction as to what the future holds in that direction.

We are looking forward to one of our busiest years and already are making plans to participate with federal funds in expansion of the sewer system in other parts of the Township.

At the moment it is impossible to conjecture upon the probable effect of the new Constitution on our form of Township government.

We'll have to wait until there have been some regular session, then we can foresee what the future holds for us.

As supervisor, I'm not too worried about the need for Township-sponsored police service. The Wayne County Board of Supervisors has told us that we should look into plans for our own department but this takes a lot of study and also costs a lot of money—something we don't have at this time.

We do have a study committee working on the needs for police protection in the Township and hope to have a report back to the Board within a reasonable time.

But as I have indicated, a police department is very costly and a decision in that direction will take a great deal of discussion and study by the Trustees with the citizen's committee.

As of this time, I am looking forward to 1964 with the anticipation of tremendous growth throughout the Township, especially after the water and sewer lines are available to the western side.

Petition Opposes New Name

The proposal to change the names of Plymouth Road, from the intersection of Ann Arbor Road to Mill Street, and Ann Arbor Road, from the intersection at Plymouth Road to the Township boundary, isn't meeting with approval of residents in the areas affected.

At least that's the impression of members of the Plymouth Township Board after receiving a petition from Mrs. Fred Davids with signatures of 45 property owners opposing the proposal.

A HOLIDAY tradition was renewed by Plymouth's city employees who held a Christmas party on Dec. 24 with the backing of the City Commission. The annual get-together was resumed after four years to give workers and retirees a chance to meet again. More than 50 were on hand and passed through the buffet line as shown above. Mayor Pro-Tem James Houk, Commissioners George Lawton and James Jabara, City Manager Albert Glassford and City Attorney Edward Draugelis attended the affair as special guests.

Will Burroughs Shift Aid Area?

(Continued from Page 1) now that the announcement has been made. That could mean the changes will start to take place shortly after the start of the New Year.

Meanwhile, City of Plymouth and Plymouth Township officials believe the transfer of 2,000 to the Plymouth division will have a marked effect on the community's economy.

Although none was able to make any predictions due to the suddenness of the announcement, all felt that it would bring more business into the City and could cause a boom in real estate within a short time.

City Manager Albert Glassford pointed to the effect of Western Electric on the community after moving to Plymouth in 1952.

"About five percent of the workers moved to Plymouth in the first year," he said, "but since then, more and more have bought homes until now probably 70 percent reside in the area."

"We would hope the experience at that time would be repeated by the influx of workers to Burroughs. However, only time will tell the story."

A Burroughs spokesman emphasized that the company has no thoughts of leaving Michigan even though the announcement indicated the adding machine production will be moved out of the United States to overseas plants.

"High costs of manufacturing adding machines in the Detroit area make it impossible for Burroughs to market competitively and profitably in the United States," a company statement said. "However, increasing production of these machines abroad will enable the corporation to compete in the United States with products of foreign manufacturers and with foreign-built products of other U.S. firms."

The company spokesman indicated the shift of employees to Plymouth doesn't mean the facilities will be expanded.

"We have ample facilities at this time," he said, "however, we do have plenty of land for expansion if such a step would be necessary at some future time."

Meantime, there are misgivings by area workers—they wonder how secure their jobs are and how soon the axe will fall if such is the outlook for their future.

And behind it all, one thing is sure. Burroughs has indicated that it will move fast

Wernette Optimistic

(Continued from Page 1) of Detroit water to Plymouth. The question of rates and the modification of some of the other provisions of the submitted Detroit water contract will be taken up in the near future. We are fortunate that the city can enter these negotiations from a position of strength and are not at the mercy of the Detroit Water Board.

However Plymouth water users must reconcile themselves to the payment of very substantially higher water bills when Detroit water is obtained. The change in additives to our water recently made by Joe Bida seems to have alleviated to some degree the rust problem we have been troubled with for too long. Let us hope that it will continue to improve.

We have plans for the widening, curb and gutter installations and resurfacing of Ann Arbor Trail east of Main street, contingent upon the participation with us of the Wayne County Road Commission. We also plan to improve Farmer Street by paving it from Sheldon to Blunk, installing curb and gutter from Sheldon to Amelia and either the repaving or resurfacing of its eastern end.

Hopefully both of these projects and perhaps one or two others can be completed during 1964 so that in the not too distant future all of our streets will be paved.

I cannot emphasize too strongly the need for additional industrial growth in our school district. The city has only a limited number of industrial sites available within its borders which we are trying to interest industry in developing. We stand prepared to cooperate wholeheartedly with any group which may be set up to bring new industry into our area.

A recent Attorney General's opinion has cleared the obstacles in the path of the School Board's cooperating with the Townships and the City in activating a regional planning commission. I feel such a commission would be invaluable in coordinating planning for this area and also in taking the initiative where some of us may not have looked ahead as far as we should.

Our Industrial Development Corporation has performed an outstanding service in improving our industrial climate and inducing Scott Industries, RCA,

Men in Service

Pvt. James E. Johnson, son of Mr. and Mrs. William J. Johnson, 600 Ann St., Plymouth, has completed field artillery training as a cannoneer at the Army Artillery and Missile Center, Fort Sill, Okla. Johnson is a 1963 graduate of Plymouth High School and was employed by the Burroughs Cafeteria, before entering the Army.

David J. Howard, airman apprentice, USN, son of Mr. and Mrs. William C. Howard, 36616 Angeline Cr., Livonia, is serving aboard the attack aircraft carrier USS Midway, which recently started a six to eight month tour in the Far East. The ship is scheduled to visit Hong Kong, Subic Bay, Philippines, and Yokosuka, Iwakuni, and Sasebo, Japan.

Willys and others to locate in our area and I am sure will continue to do even more in the year ahead. I cannot urge too strongly those of our residents, who have not as yet joined with us in investing in membership in this worthwhile activity so that the leaders may expand their endeavors for 1964.

I wish to commend the leadership of the surrounding Townships for their cooperation in setting up the Human Relations Commission and expanding and improving the sewer systems. Plymouth Township is permitting the city sewage to flow through the city's lines from the Western and Northwestern portions of the Township.

Such cooperation has resulted in substantial financial savings to the taxpayers and could save much more in the future. An example comes to mind. This area badly needs a modern ladder truck. Its limited use hardly justifies the City expending the very considerable initial cost. If something could be worked out whereby it would be mutually beneficial to us all.

In our downtown area, there is need for rehabilitation of parts of Penningman Ave. Additional parking facilities and access routes seem to be among the immediate needs. The coming year should see us nearer to a solution of some of the aspects of this problem.

We understand that the former Kroger store building will be vacated shortly. The city is concerned that commercial establishments can be induced to make use of this facility so it will not remain idle for a prolonged period. Perhaps the Industrial Development Corp., The Chamber of Commerce or some other group could concern itself with securing suitable occupants for this building.

The past city administration has been criticized for permitting light industry to locate in this building. However if no commercial use for this facility can be found we may be asked again to consider such a use for this building.

In closing may I wish you all a happy, healthful and prosperous coming year and on behalf of the City Commission invite more of you to attend our meetings and take an active part in governing our City.

Mayor Wernette

Reservoir

(Continued from Page 1)

Arthur Street, termed the facilities inadequate and told Commissioners that steps should be taken to protect equipment now parked outdoors in all types of weather.

"If we expect our equipment to hold up, then we must take some steps to protect it," he said. "Some of these machines sit idle in all kinds of weather from late fall until early spring. Then the DPW has the task of getting it in shape to use. I feel this should be eliminated as quickly as possible."

The Commission turned the matter over to a study committee composed of Glassford and Bida with Commissioner Jabara assisting and ordered it to make a report by the Jan. 20 meeting.

In other actions, the Commission:

Requested City Attorney Edward Draugelis, Public Service Director Kenneth Fisher and Glassford to draw up a new truck ordinance forbidding through truck traffic on Main Street from Mill to Ann Arbor Road, and on Ann Arbor Trail from Lilley to Sheldon Road.

Deferred action on purchase of a new \$10,000 accounting machine for the Clerk's office until the Jan. 6 meeting. Don Sutherland, who handles the city audits, recommended the machine and a change in the accounting systems but the Commission demurred until all members have a chance to study the recommendations and the various types of machines available.

Elks Sponsor Taber Film In Plymouth

Combining expert knowledge of a camera with a champion's ability with a handgun, the latest Wally Taber show brings high adventure to the screen Tuesday, Jan. 7, in the Plymouth Junior High East auditorium when the Plymouth Elks invites community residents to witness another personally narrated, living-color film adventure.

Proceeds will be turned over to the Elks National Foundation Fund.

"We have been sponsoring Wally Taber shows annually with tremendous success," said Chairman E. R. Jarski. "Each time we feel it will be impossible to surpass the just-witnessed program. But, each year, as regular as clockwork, a new and even more fascinating program comes our way."

"This time we are presenting the newest Wally Taber Associate, agent by the name of Denny Haver who has specialized in exploring the Ontario wilderness."

"Haver has specialized in pistol shooting and artistic camera achievements. Combining his talents under the personal supervision of Taber, Haver came forth with the doubleheader, high-adventure program in color."

The program is slated to start at 8 p.m.

Kiwanians To Install Dr. Fitch As President

Dr. Gerald Fitch will formally take over the gavel as president of the Plymouth Kiwanis Club in the annual installation of officers on Tuesday, Jan. 7 at Lofy's Arbor-Lil. He succeeds Walter Gemperline.

Kiwanians received an insight into the methods used in teaching the three R's in the elementary, junior high and senior high levels of the South Redford School system at the Dec. 23 meeting.

Ward Stevens showed color movies of the system's activities. New buildings, athletic and musical programs were included in the presentation which concluded with a Christmas play by a group of elementary school children.

Frank Lennox was welcomed as the newest member. Guests introduced by Dale Carmine included: Dean Saxton, Jr., Terry Ward, Ken Ward and David Schnell.

PLAYING PIANO, donated to the Northville State Hospital by 150 employees of Western Electric Co. in Plymouth, is Music Therapist Mrs. Roberta Munn. In addition the Western Electric employees' fund provided a bumper pool table, an ironing board for adult areas and a record player and records for the children's classrooms. The group includes (from left): Louis Schultz, of Livonia, hospital director of Community Relations; Jim McKindles, Plymouth, of Western Electric installation department, and Emil Niemchek, Livonia, from the company's distribution and stock maintenance.

PLYMOUTH COMMUNITY SCHOOLS LUNCH MENUS WEEK OF JAN. 6 THRU JAN. 10. This section contains a grid of lunch menus for various schools including Allen School, Bird School, Farrand School, Gallimore School, Smith School, Starkweather School, Junior High - East, and Senior High. It also lists several local businesses such as Edward's Hair Fashions, Minerva's, Melody House, Video Engineers, Party Party, Walton's Barber Shop, House of Glamour Salon, Arbor View, and Mr. Fish.

# The Readers 'Speak Up'

Editor:

Here it is tax time in Livonia again, and once again we've managed to accumulate the money needed to meet this expense. We've really had to cut corners this year. Since we moved to Livonia our taxes have gone up approximately \$130 a year. Previously to our move to Livonia we lived in Dearborn in a home we sold for \$17,000. Our entire taxes

for the year were \$158. We decided on Livonia for our move because it looked to us like an up and coming community, and a nice place to raise our family. We realized at the time our taxes would be higher. In fact we discussed this at length and were prepared for this, but not to this extent.

Our City taxes are still nominal, but what does the Board of Education expect of the av-

erage citizen living in Livonia? What good are these beautiful schools and wonderful educators going to do our children if we are all forced to move out of Livonia?

My husband and I have always voted in favor of the millage increases in the past. We want the best for our children like any other parent. Now the Board of Education is asking another 4½ mills—

approximately \$50 a year more. Our taxes have increased from \$313 annually to \$451 in six years. Other neighbors are paying over \$500. What will another \$50 a year mean to people like myself and these neighbors. My neighbor asked me the other day if I knew of anyone who would like buy a house in Livonia—if I did, I assured her, I would be tempted to tell them about ours. We also are lost in this respect, as we could not begin to get our money out of our property. A general feeling in our subdivision and that of our adjoining subdivision is that we are

unfairly assessed. We bought at a time when prices were high. We can not begin to get our money out of our property in this area. For the same amount we could get a much larger home in Livonia at the present time. Yet, we are assessed according to the original price and pay more taxes for our smaller home than nearby neighbors do for larger more elaborate properties.

Would you please print this so that I might see by the response to my letter if my husband and I are out of step in our way of thinking, or if I

am expressing the feelings of other fellow Livonians.

Sincerely,  
A Fellow Taxpayer

Allen P. Schofer, machinist's mate first class, USN, son of Mr. and Mrs. Kenneth W. Schofer, 19461 Hardy, Livonia, is serving aboard the destroyer USS Damato operating out of Norfolk, Va.

To avoid that run down at the heel look keep on your toes.

Intolerance and bigotry have no place in our American life.

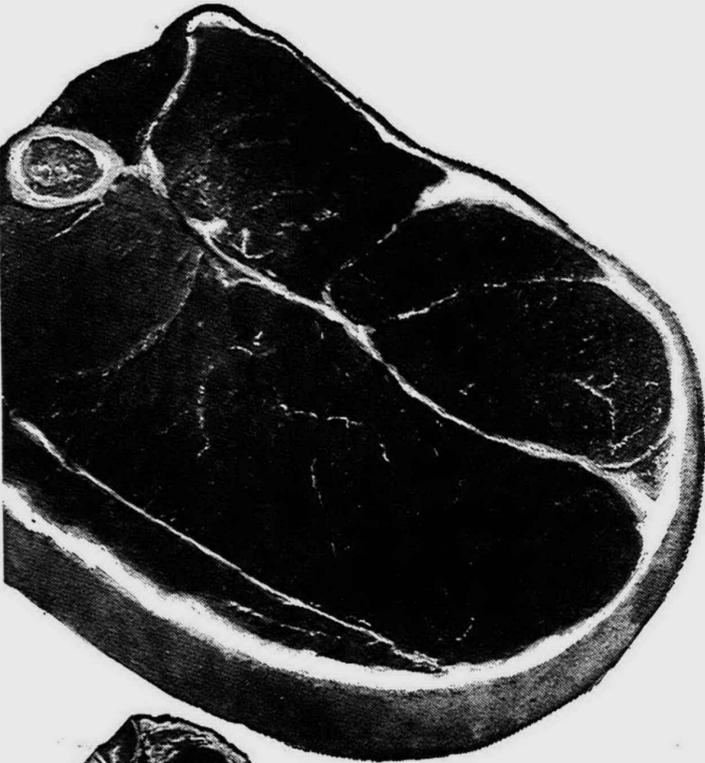

WILLIAM J. NOVAK, JR. has been appointed manager of the Seven Mile - Inkster office of Manufacturers National Bank in Redford Township. Mr. Novak, who joined Manufacturers in 1956, was recently assistant manager of its Plymouth-Evergreen office in Detroit. A former student of Accounting, he presently is undertaking studies with the American Institute of Banking. A member of the Redford Township Chamber of Commerce, Mr. Novak served with the U.S. Air Force. He and Mrs. Novak live on Yale Avenue in Livonia.

### Neighborhood Rivals Clash in Finals

# R. U., Bentley Show Class In Holiday Cage Tourney

Area basketball fans received an insight of what's in store in the Suburban Six League race this year when Bentley and Redford Union battled their way into the finals of the Northwest Sub-

urban Invitational tournament on the Bentley court. Perennial rivals for the league's cage crown since the circuit started, the neighborhood rivals displayed amazing strength in disposing of first

and second round foes to gain the championship round. (Due to the early publishing date this week, the Observer was unable to have the final result. The game was scheduled to be played Monday

night on the Bentley court and the Observer newspapers were ready for the press run at that time.) For Coaches George Fefles, of Bentley, and Milo Karhu, of Redford Union, the tour-

ney results were very satisfactory and each was looking forward to the championship game. Bentley started its drive to the finals by downing Highland Park, 62-46, and

whipping Grosse Pointe, 51-48 in the semis. Redford Union defeated Wayne, 83-71, in the opener and then nipped Southfield, 62-57 to gain the finalist berth.

In other first round games, Grosse Pointe beat Farmington, 60-54, and Southfield edged Ypsilanti, 60-57.

In Saturday's consolation games, Highland Park spanked Farmington, 65-56, and Ypsilanti downed Wayne, 61-58.

Accuracy from the foul line enabled Bentley to overtake a scrappy Grosse Pointe club, converting on 19 of 39 while the Pointers made 16 of 31. Each team had 16 field goals and the three free throws represented victory.

Bentley jumped into a 10-4 lead at the quarter only to have the Pointers break loose with 18 points in the second canto to hold a 22-21 half-time edge.

Bentley roared back in the third period to outscore the Pointers, 17-11, for a 38-33 margin and they hung on for the final eight minutes of play.

Lanky Bill Bollin, Bentley's veteran center, was the big gunner with 17 points on six field goals and five free throws.

Rod Luzzi sparkled in a losing cause, collecting 29 points with 12 field goals and five of 10 free throws but it wasn't quite enough for the Pointers.

Southfield threw a scare into the favored Redford Union quintet in the opening stanza when it took a 16-10 margin on the firing of Pete McAlpine.

Redford was still behind on the short end of a 35-30 count at the half but came back with a fast-breaking attack that netted 21 points in the third quarter and a 52-47 lead.

The final period developed into a defensive battle with Redford outscoring its rivals, 11-10 to hold its slight edge to the final gun.

Four Redford players were in double figures including Gary DeRoche with 16, Tom DeWitt 13, Ben Malbach 12 and Pete Ziegler 12.

McAlpine was high for the losers with 17.

## Franklin Finds Going Rough In Rouge Tourney

Franklin High cagers found the going a bit rough in the fifth annual River Rouge holiday tournament, losing both starts and fading out of competition after the second round.

Franklin went against a torrid Ann Arbor quintet in the opening round and absorbed a 71-50 defeat. The victors raced to an early 20-8 margin and held a 37-25 lead at halftime.

Steve Karnish collected 13 points for Franklin but three Ann Arbor starters were in double figures. Hal Simons had six field goals and teammates Don Hill and Pete Hansen each added 11 points.

Grosse Ile registered its first victory in six starts and ousted Franklin with a consolation triumph, 64-62.

Guard Paul Hackett's three-point play with 1:17 left put Grosse Ile ahead 64-62 and it stayed there. Hackett and teammate Bob Bankovich each tallied 15 points and John Knoch added 10.

Franklin's Tom Cannon had 17 followed by Al Jose with 16 and Sam Antonazzo with 14.

### Livonia DPR Plans New Classes For City's Square Dancers

The Livonia Department of Parks and Recreation is sponsoring a new intermediate square dance class to begin on Thursday, Jan. 2, at 8 p.m. at Coolidge School. This 10 week session is open for dancers who have completed a basic beginner course and will also serve as a "refresher" or "brushup" course.

For additional information, call the Department of Parks and Recreation, or the caller, Clete Carlton, 4251084.

The intermediate square dance class at Jefferson School on Mondays at 8:00 will resume on January 13. Caller Ben Tallman states that openings remain for new dancers.

Openings are also available in the Advancing Workshop resuming on Wednesday, Jan. 8, at McKinley School.

## Thurston Five Surprises But Loses In Final

Displaying surprising strength, Thurston High's Eagles battled their way into the finals of the annual Riverside High Christmas tournament before falling to host Riverside, 57-55.

Given slight consideration prior to the start of the eight-team cage tourney, Thurston shocked Ecorse, 85-74, in the opening round and then upended North Farmington 67-56, in the semifinals.

The consolation championship went to Ecorse in a thrilling 61-60 victory over Willow Run. Jerry Samuelson broke loose on a 35-point scoring spree to spark the Eagles in their first round triumph.

Thurston held a 33-25 half-time edge over Ecorse and boosted the margin to 62-50 at the three-quarter point.

Samuelson had 15 field goals and five free throws in his big spree. John Page added 21.

The Eagles dominated North Farmington most of the way after taking a 37-24 lead at halftime.

With Page showing the way with 22 points on 10 fielders and two free throws, Thurston exhibited power and indicated it will have to be considered a contender for the league championship.

Paul Lawson aided the Thurston cause with 19 points. Mike Fleming had 15 and John MacDonald 14 for North Farmington which trailed its Northwest Suburban League member all the way.

Wayne State University opens its 1964 and 1965 football seasons against John Carroll on a home-and-home basis.

## SPORTS OBSERVER

By George Maskin

MIAMI BEACH, Florida—This is like a dream world. A fairylend . . . to say the least. You wade through the snow outside your home in Detroit. You make sure that your overcoat is buttoned up. Before you can move your car, you must clear the windows of snow and ice.

Finally you head off to the airport . . . step aboard a slick airliner and before you know it . . . the pilot tells you that you are on the approach to the Miami International Airport.

As the plane circles to land, you look from the window and see the beautiful and renowned Hialeah race track. It's at Hialeah that many of the great horse races of each winter season are staged.

Three minutes later your plane is on the runway . . . and you are stepping off into the lobby of Miami's swank terminal. The coat you needed in Detroit a few hours back now becomes so much excess weight.

The first thing that makes your eyes pop are ladies and men bouncing around in shorts. On the lobby wall the thermometer reads 78 degrees. Back in Detroit it was something like 21 and snowy.

You leave the airport and palm trees hit you in every direction you look. On the expressway leading to Miami Beach, you spot the Miami baseball field where the Tigers play a couple of times each spring. And then there's the Orange Bowl where this New Year's Day Nebraska will meet Auburn.

The expressway leads into Miami Beach . . . you hit Collins Avenue and swing to the north. Hotels like the Eden Roc, the Saxon, the Fountainblu . . . and all the rest which you hear about or read about . . . glisten along the beach . . . your boy, Richard, keeps driving. He's already a native . . . having arrived on the Beach and his grandparents' home four days earlier.

Up Collins Avenue you drive . . . finally within a block of the famed Americana Hotel, Richard swings left over one of the many canals in the area and you pull up to where the in-laws make their winter home.

But there's no winter down here. The kids are out playing baseball. Down the street there is a softball diamond greener than anything we have around Detroit in the heart of what we know as summer.

The swimming in the swank salt pool of the Americana is a delight . . . it's even more exciting to plunge into the hot-water pool where the water boils regularly at 80-plus degrees.

As we pound on our typewriter, it's Christmas Day. But somehow you can't believe that this is Christmas . . . not down here. You always identify this holiday with cold and snow . . . not with a hot sun, the temperature in the 60's and people around you in shirtsleaves or bathing attire.

Unfortunately for us, this dream world won't last long enough. In fact by the time these words appear in the Observer, we'll be back in the snow and the cold in order to pick up our Detroit Pistons for games in Fort Wayne and Toledo.

With the New Year at hand, the operator of these words naturally wishes that 1964 spells only the greatest joy and health for all who gaze herewith week by week.

On the sports scene, may 1964 change the fortunes for the Tigers, the Lions, the Red Wings and the Pistons. Will the injury hex which has plagued each of the teams disappear and for good.

May 1964 bring all the best for the great basketball team Dave Strack has moulded together at the University of Michigan. This is a team which very well could reign as No. 1 in the country during the cold days we have to face up north in the weeks ahead.

May 1964 bring to Livonia, Plymouth and Redford Township the artificial ice skating rinks each community desperately needs.

And how about a flock of high school champions . . . for Bentley, Franklin, Plymouth, Thurston, Redford Township, Clarenceville and St. Agatha.

Here's hoping that our community recreation departments continue to expand and prosper . . . and that more and more folks, especially adults, take advantage of the facilities to help themselves physically.

Parents must give of their time to prepare the vast programs. Dads must coach and manage and direct. Mothers must drive the boys to and from practices and games.

We're hopeful that youngsters will walk more in '64 . . . that they'll learn they'll feel better if they forget about pop's car everytime they have to scoot down to the grocery or drug store.

We could hope for many other good things for our athletes . . . big ones and small ones . . . young ones and older ones . . . and also for those who root the sports performers on . . . but suffice to say . . . good luck, good health . . . and happiness to all . . .

**State Insurance Group Selects Temple As Prexy**

John J. Temple, President of The American Plan Insurance Companies, and Chairman of Board of the Detroit Mutual Insurance Company, all of Plymouth was elected President of the Life Insurance Association of Michigan (LIAM) at their annual meeting held at the Lansing Country Club.

J. J. Temple has been an active member of the executive committee for many years and associated with the founders. He began his career as an insurance attorney in 1922.

Bela Szentivanyi, a native of Hungary, won All-American fencing honors at Wayne State University in 1962 and 1963 by placing third and first in NCAA sabre competition.

Wayne State University's "Most Valuable" basketball player last year was senior Sean Whalen, of Berkeley, only the third forward in the school's history to win the award.

## Don't Delay, Get Bicycle Permit Now

With hundreds of youngsters in Livonia receiving bicycles from Santa Claus, Police Chief James Jordan calls attention of parents to a city ordinance that requires all bicycles in Livonia to be registered and licensed.

A license costs only \$1, is permanent and doesn't have to be renewed. Licenses may be obtained at the Livonia Police Station, 15050 Farmington Road.

Chief Jordan points out that it isn't necessary to bring the bicycle to the station but the following information must be presented with the license application: make, color, type (boy's or girl's), serial number, owner's name, address and telephone number.

The licensing helps police officers to make a more positive identification if the bicycle is stolen or lost. But more important, it enables officers to notify parents immediately in case the child is injured in an accident and unable to furnish the necessary information.

Chief Jordan stresses that except to save a child's life, most physicians will not treat a child without permission from the guardian or parents. The license information often eliminates hours of needless suffering since parents may be notified immediately and can give permission for treatment without delay.

"We have had cases in the past where children have been injured in accidents and the bicycle not registered," said Chief Jordan. "We can only remind parents and guardians that an unconscious child can't furnish information of any kind."

"We urge all youngsters who received bicycles for Christmas to register at once and eliminate the possibility of needless suffering in the future."

# Trinity Baptist Brings Billy Graham Crusade To Church on Jan. 5

Five memorable programs of the Billy Graham Crusade in Chicago will be shown at Trinity Baptist Church, Middlebelt Road just south of Five Mile Road in Livonia, with the first film in the series to be shown at 6:00 p.m., Jan. 5.

## LIT Teacher Joins Firm of Engineers

James H. O'Neill, a member of the faculty at Lawrence Tech, has joined the firm of Clifford Holford Associates Inc., of Birmingham, as principal associate. He is a 1947 graduate of the University of Detroit, a registered civil engineer, a member of the National Society of Professional Engineers, the American Society of Civil Engineers and the American Welding Society. O'Neill recently held the position of regional engineer with the American Institute of Steel Construction Incorporated.

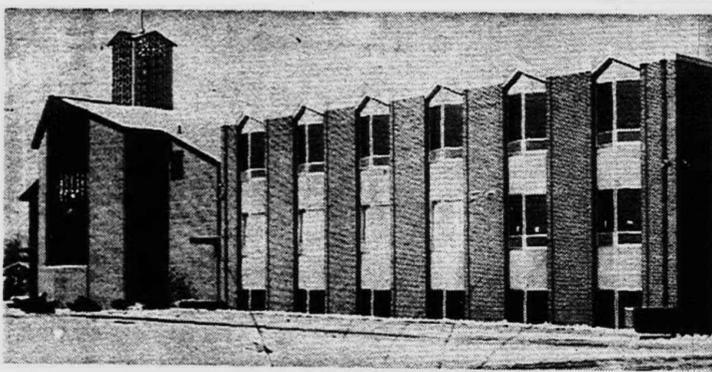

O'Neill

they happened in Chicago in the summer of 1962, when daily attendance averaged 40,000 persons for three weeks. Each film will include a complete sermon by Billy Graham; solos by America's beloved Gospel singer, George Beverly Shea; Tedd Smith at the piano; Don Hustad at the organ; and Cliff Barrows as master of ceremonies and director of the great 2,000 voice Crusade Choir.

A special feature of the first film to be shown on Jan. 5 will be an introduction by Paul Harvey, noted news commentator. The topic of the message by Billy Graham in this film is, "Why I Believe the Bible is the Word of God." A cordial invitation is extended to the public to attend the free showing of this film, and each of the four additional crusade films to be announced.

Dennis F. Bales, 17, son of Mr. and Mrs. Floyd H. Bales, 1141 Oxbow, Livonia, has begun basic training at the Naval Training Center, Great Lakes, Ill.

Daniel G. Ray, son of Mr. and Mrs. Clifford A. Ray, 31143 Grennada, Livonia, has completed basic training at the Naval Training Center, San Diego, Calif.

# New Pastor Installed At Riverside Park Church

A special service of installation for the new pastor, the Rev. J. Clifford Thor will be held at the Riverside Park Church of God, Plymouth and Newburgh Roads, on Sunday afternoon, January 5th, at 3:30 P.M., it was announced today by Mrs. Harold Shaw, chairman of the Pulpit Committee. Rev. Thor succeeds the former pastor, the Rev. Rolla Swisher, who was called to the Garfield Park Church of God, Indianapolis, Indiana.

REV. J. CLIFFORD THOR

Rev. Thor is a graduate of Anderson College, Anderson, Indiana, with the degree of Bachelor of Theology and Bachelor of Science. He spent two years in north-central China from 1946 to 1948 doing agricultural relief and rehabilitation work with the UNRRA-Brethren Service Unit. Rev. Thor attended the Graduate School of Theology, Oberlin, Ohio, from which he received

the Bachelor of Divinity Degree in 1953. He has served pastorates in Cleveland, Ohio; Minneapolis, Minn.; Reading, Pa. Rev. Thor was president of the inter-demonstrational Ministerial Association at Reading, Pa., just prior to his coming to Livonia. He also served five years as a member of the national Board of Christian Education, of the Church of God, headquarters, Anderson, Indiana.

Rev. Thor and family reside at 39001 Richland Ave., Livonia. Mrs. Thor is a registered nurse having graduated from the Lutheran Deaconess Hospital School of Nursing, Minneapolis, Minn. The Thors have three children: Connie, 11 years old; Duane, 10 years old, and Karen, 6 years old.

The Rev. Dr. E. E. Perry of Berkley, Michigan, has served as the interim pastor and has made arrangements for the service of installation. The Rev. James Massey, of Metropolitan Church of God, Detroit, will bring the installation sermon, with other ministers from the Detroit area participating.

The Honorable Mayor Harvey W. Moelke will extend a welcome from the city of Livonia. A welcome will be given by the Rev. Harold Garner, Trinity Church of the Brethren, president of the Livonia Ministerial Association; a welcome to the Pastor's Union of the Church of God, Detroit area, by Rev. Theodore Cooper; a welcome to the Michigan Church of God ministerial Assembly by Rev. Lester Schrock. Mrs. Fred Beitner, officer of the local congregation, will bring remarks.

The public is cordially invited to attend the service. A fellowship hour will take place following the service. The following persons served on the Pulpit Committee: Mrs. Harold Shaw, 11405 Arden, Livonia; Leo Wall, 28000 N. Clements Circle, Livonia; Mr. Robert Wood, 42506 Hamill Lane, Plymouth; Mrs. Fred Beitner, 995 S. Main St., Plymouth; Robert Tandy, 34085 13 Mile Road, Farmington; Mrs. Albert Wilburn, 28433 Joy Road, Livonia;

## Garden Club Members Hold Christmas Walk

Livonia Branch of the Woman's National Farm and Garden Association held their first Christmas walk Dec. 17 for members.

Three homes were visited inside Mrs. C. Wayne Cooper of Newburg Road. Her home featured evergreens and holly with an unusual creche by the fireplace. A large Toperary tree made of boxwood with red satin balls and miniature lights was breathtaking in its beauty.

A huge red velvet ball covered with jewels in the family room drew admiring glances from guests on the Christmas walk. At the Herbert Winegarden home on Grove avenue, guests were welcomed by Christmas carols played on the organ by Mrs. Manuel Saliba of Livonia. The entire Winegarden home was beautifully trimmed with unusual decorations collected over the years. Large clear plastic balls with three pieces inside hung from the ceiling.

A wall tree was covered with colored Christmas balls and a tiny village with small homes all lit up in a fish aquarium was the most unusual features. Hundreds of Italian lights twinkled throughout the house making visitors feel as though they were in fairyland.

Mrs. Jesse Bonner's 100-year-old remodeled farm house on Seven Mile Road was a perfect setting, among the pines, for Christmas. A roaring fire in the fireplace was cozy for the Christmas tea followed by a silent auction.

Snow on the outside, candlelight and Christmas decorations on the inside presented a truly lovely picture. Hostesses for the day were Mrs. Jesse Bonner, Mrs. Herbert Winegarden, Mrs. Robert Shaf-toe, Mrs. James Cable, Mrs. Clarence Hoeft, Mrs. Joseph Nagy, Jr., Mrs. Percy Mott.

# Bishop Reed To Dedicate Unit At Aldersgate Church

Bishop Marshall R. Reed, leader of the Michigan Area Methodist, will consecrate the new Educational Unit of the Aldersgate Methodist Church, 10,000 Beech-Daly Road, Jan. 5 at 9:30 and 11 a.m. worship hours. Bishop Reed preached the first sermon in the beginning unit, the present chapel, of this young church in 1949. He was present to consecrate a second unit, the sanctuary, in January of 1959. With the completion of the third unit, the educational building, Aldersgate's facilities adequately care for its growing membership which now numbers nearly 1,600. The Rev. Herbert Hauser, Superintendent of the Detroit District of the Methodist Church, will share with the local minister, The Rev. G. Russell Nachtrieb, and the associate minister, The Rev. Robert Davis, in these special services.

A dinner honoring Bishop and Mrs. Reed is planned by the Official Board of the church following the morning services.

BISHOP MARSHALL R. REED

Open House will be held in the afternoon from 3:30 to 5:30. Neighboring churches and friends are cordially invited to visit the new facilities and renovated chapel. Tea will be served by the Woman's Society of Christian Service.

Clarence Baughman, A.N. of the U.S. Navy, serving aboard the USS Midway spent his 21st birthday and Christmas in Hong Kong. He resides on Camden Road in Livonia.

Pfc. Michael Starkey, from the Marine base in Camp Lejeune, N. Carolina, and Pfc. James Deedler, of the Marine base in San Diego, Calif., spent the Christmas holidays with their parents on Camden Road in Livonia.

'Curtain Going Up'

By Wally Roberts

Metaphysical moments come rarely to theatrical critics. Thus, once a year, preferably at the end of a long twelve month trek, it is understandable that old Wally may feel the desire to ruminate on the conditions of life—on and off stage.

Each day after Dec. 21 to me becomes the beginning of a new year. So, I have officially named that as Wally Robert's New Year's Day.

To start my New Year off I visited the Vanguard the other evening for the premiere of Cole Porter's "You'll Never Know."

Enough grouching as the new year begins whether on the traditional Jan. 1 or Dec. 21. It's time to remind all of you that many an innocent man has been sent to the legislature.

THE BILLBOARD (Week of Jan. 1-8) Vanguard—"YOU'LL NEVER KNOW."

Youth Give Of Time—Talents To VA Hospital

Twenty-four busy young people took time from their tight schedules to travel to the Veterans Hospital in Ann Arbor on Monday evening, Dec. 23, to put on a concert for the patients at the hospital.

A spokesman for the group said, all of the time involved, including rehearsals was well worth it when the visible impression was displayed upon the patients after the concert.

Mrs. Oscar Agre of Summers Ave. of Livonia was program chairman. She was assisted by a committee which included Miss Joy MacDonald of 13906 Berwick, Livonia.

Following the concert gifts were distributed and ice cream, Christmas cookies, coffee and candy were served throughout the 500-bed hospital.

Serving in the true spirit of Christmas, with their voices

Dastardly Characters Wanted

A distraught mother, a sweet, young daughter with bountiful burnette tresses, a heavy-muscled hero, and an evil, money-grubbing lawyer are on Director Bob Wall's list of characters to be cast in the classic melodrama, "The Drunkard."

"THE DRUNKARD" has been banned in Boston, honored on the West Coast, and greeted with glee by audiences for centuries.

Whenever the DRUNKARD is performed other musical advertisements accompany the play. Director Wall is searching for a female singing duo, a powerful mezzo-soprano that might lead the community singing and have the title of "The Broadway Nightingale."

Ed Burger, president of the Men's Club of Saint Valentines which sponsors the troop, made the presentation.

William G. Kracht, electronics technician seaman, USN, son of Mr. and Mrs. Eldon G. Kracht, 32024 West Chicago, Livonia is serving aboard the attack aircraft carrier USS Bon Homme Richard, currently operating in Hawaiian waters.

Vandenberg PTA Goes Into "Twilight Zone"

# The Readers 'Speak Up' And Express Their Views And Opinions

Last summer I sent you some comments from the book IN DEFENSE OF YOUTH by Dr. Earl C. Kelley of Wayne State University. The book's main premise is "We don't like our youth very well."

While there is much in this book that I would recommend to every parent, I would like to pull out some quotations concerning schools, since we are having a millage election on January 6.

Sincerely yours,  
George Calder

Here is what Dr. Kelley has to say about youth and education:

"A good measure of our attitudes toward youth may be gained by the money we are willing to spend for them. The young have many needs, but a good place to start would be

to provide them with good schools taught by well-educated, competent, well-paid teachers. This would not answer all of youth's needs, but it would be a good beginning. On the whole, however, we seem to be unwilling to do even this much. Many of the proposals turned down by the voters are most niggardly to begin with."

"I think no one will question the fact that the United States today has more wealth and a higher standard of living than any large country has ever had at any time in the history of mankind. Yet it is not uncommon to read in the public press that we simply cannot carry the tax load needed to support good schools."

"Sidney Harris... treats of our penury in regard to the sup-

port of education (April 1, 1959; The Detroit Free Press). He says in brief that we are schizophrenic in this matter. We all believe in good schools but seem also to believe in magic and think that if we go to enough PTA meetings, or find enough fault, or pick on our youth enough, our schools will become magnificent institutions by magic and without cost."

"I suspect that education is the only area in the whole of human knowledge where it seems to be granted that those who have not studied the problem, who are unfamiliar with the available research data, are generally accepted as knowing more about it than those who have."

"The parts of the school program which have contributed most to the life good to live for youth have usually been the first to go, under the austerity economy forced on boards of education. We see the spectacle of our most important democratic institution starving to death in the midst of plenty."

"We will do anything, it seems, to avoid paying for a good education for our own. I have heard people who are earnest, good friends of youth say that we simply cannot afford the burden of good schools. This is nonsense. The people of the richest country in the world buy what they want. It is only a question as to what they value. I believe that we in education should not concede that the American people cannot afford a well educated

teacher and an attractive classroom for each twenty-five of our own young. We just have to care more about that than something else."

Editor:  
The paragraph on Guarantee in the article titled "Livonia Plants Trees Between Walk and Street Under Certain Conditions" appearing in last Wednesday's (December 25, 1963) issue of the Observer, was inconclusive and inaccurate. The guarantee on trees, established in Council Resolution No. 731-63 on September 26, 1963, should read as follows:

Guarantee: That the City will guarantee a tree for fourteen (14) months if planted in the Spring, or eighteen (18) months if planted in the Fall; that any number of replacements will be made until a tree has attained this longevity. The City will guarantee one replacement after this longevity, up to a period of no longer than three (3) years including the fourteen (14) or eighteen (18) months will not be guaranteed. Hereafter the responsibility of any replacement becomes that of the property owner.

Yours very truly,  
Robert A. Shaw, Director  
Dept. of Public Works

Editor:  
In reply to the distress cry for "Help!" from Daniel R. Andrew in last week's Observer, I wish to emphasize that Dan Andrews of 30496 Minton Avenue, who is supporting Jerry

Scully for Mayor, is definitely not connected with the present administration in city hall!

I hope this assurance gives Coordinator Daniel R. Andrew the "relief" for which he implores. It might also set to rest the fears of those people at City Hall who have "overwhelmed" him with questions.

Very truly yours,  
MARVIN R. STEMPIEN  
Chairman  
Scully for Mayor

Editor:  
Will the real Dan Andrews stand up?  
This might help to clarify the recent "Reader Speaks Up" letter which appeared in The Observer.

My given name is Daniel L. Andrews. When we recently registered Mr. Scully for Mayor, I gave my name as Dan Andrews rather than Daniel L. Andrews to avoid being mistaken for our industrial coordinator.

I frankly see a great deal of difference between Daniel R. Andrew and Dan Andrews. Having been a resident of this city for ten years, I am proud to be actively involved in Mr. Scully's campaign.

Dan Andrews

Editor:  
I am writing in concern to the letter printed about naming a high school in this community after our late President. It was brought to my attention that there was some talk of naming a grade school in his honor.

Now I'm sure that you can't find more than 500 people in this city who can list some 38 grade schools' proper names. I for one can't.

Though I'm only in the seventh grade and may not have any right to criticize, I think it would show great respect to this person's family. It would not only live materially by name or structure but mentally and spiritually in the heart of every citizen of this establishment.

In conclusion, I'd like to repeat his famous words, "Ask

not what your country can do for you, ask what you can do for your country." Let us, the citizens, do something for our country. Let's name a high school in his honor. Remember, high school is the turning point of our lives. It will be remembered on diplomas and records.

Sincerely,  
Miss Patricia Phelps  
Livonia.

Editor:  
Today I got my tax bill from the fair city of Livonia, and I have to admit it, but I couldn't believe what I saw. It came to over \$70 above last year's. This tax business will hurt a lot of people, tax payers, Board of Education, Bond issues, etc., because the taxpayer is going to say "no" to all requests for tax dollars.

This year's problem is caused by General Motors and their tax reduction. I am told, and since this multi-billion concern can get a tax reduction, THE PEOPLE WHO BUY THEIR PRODUCTS, should get one.

It was a General Motors big shot who said, "What's good for the country," and I happen to be part of that country, SO, I WANT MY TAXES REDUCED THE SAME PERCENTAGE.

I would like the readers of your good newspaper to join me in a little letter writing program to the Tax Commission in Lansing, all asking for their fair share of tax cut as is given General Motors, after all, what's good for General Motors better be good for the country.

If GM's equipment is wearing out and has to be replaced, well, mine is too. I need a lot of this, and I will wear out, so, how about a reduction on the old houses that people have to live in, or the old cars that are a hazard on the road, or old appliances, that need replacing, etc.

I think that the only solution to this tax problem is for everyone who owns anything, house, car, or what have you, apply to the State Tax Commission, for a fair deal all around, and the time to start is right at the first of the year, as that seems to be the proper time for tax problems.

How about a fair shake all around?

Yours truly,  
Walter Martynow

Editor:  
Having read in last week's Observer that the good mayor of Livonia is doing us a favor by not permitting the tax bills to be mailed, because he's fighting in our behalf, prompts me to write you.

Naturally, I'm compelled to ask or wonder just how much he really is fighting for us or is it personal?

Is he alert to the inconvenience or multiplicity of problems he may be causing the good taxpayers of Livonia?

Here are just a few questions which I feel answers should be forthcoming:

1. Has he attempted to evaluate just how many dollars are actually involved per taxpayer? Perhaps the mountain is no

more than a molehill.

2. Are there as many dollars per taxpayer involved here that honestly justifies his thinking and action?
3. Has he or one of his associates actually taken pencil and paper and tried to calculate the dollar effect on each taxpayer of this action versus paying the tax and continuing the fight, even though it should develop adversely for us?
4. Has he approached the IRS to determine whether some sort of relief or amended process would be available to assist in this fight?
5. What happened to his mandate to reduce the tax rate five per cent?
6. What or who has decreed that paying the taxes would negate the argument in this fight?
7. Why can't some legal brains find a way to assist in this matter and handle the payment in some form of protest?

Sincerely yours,  
R. L. Horton,  
29846 Buckingham  
(Editor's Note: The tax bills were mailed two weeks ago, after a brief delay.)

REPORTS HAVE been current that it has been a poor season for the duck hunters, but it didn't affect Livonia nimrods Clarence Jahn and George Faure (right). They bagged 18 in two hours of shooting in Mitchell's Bay, Ont.

**NOTICE OF PUBLIC HEARING**

A public hearing will take place before the City Planning Commission of the City of Livonia on Tuesday, Jan. 21, 1964, at the Livonia City Hall, 33001 Five Mile Rd., Livonia, Michigan at 9:30 p.m. on the following items:

Petition Z-627: By Ken Warren, Acres Development Company, 15377 Farmington Rd., Livonia, Michigan, who is requesting the rezoning of the following described property:

That part of the Northeast 1/4 of Section 33, T. 1 S., R. 9 E., City of Livonia, Wayne County, Michigan described as: The West 1/2 of the North 1/4 of the Northeast 1/4 of Section 33, except that part thereof described as beginning at the North 1/4 Corner of Section 33 and proceeding thence due East along the North line of said Section 33, 1383.50 feet; thence South 0° 47' East, 583.75 feet; thence South 85° 07' 30" West 519.18 feet; thence North 1° 46' West 217.30 feet; thence South 88° 29' West, 514.85 feet to the North and South 1/4 line of Section 33; thence North 0° 56' West along said line, 478.0 feet to the point of beginning.

From RUFB (Rural Urban Farms) to R-3 (Multiple Dwellings). This property is located east of Stark road, 650 feet north of Orangefield Avenue and 460 feet south of Plymouth Road in the Northeast 1/4 of Section 33. Reason: to erect apartments, one and two bedroom units only.

Petition Z-628: By City Planning Commission, on its own motion, does hereby determine a public hearing to be held to determine whether or not to re-zone the following described property:

That part of the Northwest 1/4 of Section 2, T. 1 S., R. 9 E., City of Livonia, Wayne County, Michigan described as follows:

The East 1/2 of the Southwest 1/4 of the Southwest 1/4 of Southeast 1/4 of Northwest 1/4 of Section 2, except the North 150 feet thereof; also except the South 30 feet thereof and also except the East 30 feet thereof. Bureau of Taxation Parcel 027442.

From RUFB (Rural Urban Farms) to R-1 (60-foot lot). This property is located on the Northwest Corner of Pembroke and Milburn Avenue and in the Northwest 1/4 of Section 2. Reason: in order to utilize this property.

All of the above described land is situated in the City of Livonia, Wayne County, Michigan.

This notice, pursuant to Section 20.01 of the Zoning Ordinance of the City of Livonia (Ordinance No. 60) at 207, Public Acts of Michigan, 1921, amended; Section 3 of Ordinance No. 29, as amended; and Act 285, Public Acts of Michigan, 1931, as amended, is given to the public and to each public utility company and railroad company owning or operating any public utility or railroad within the districts or zoning effected by the above stated petitions. The above mentioned petitions will be on file in the office of the City Clerk, at the City Hall, 33001 Five Mile Road, Livonia, Michigan during a period of five days immediately preceding the said hearing and may be examined by any and all persons.

Dated: December 30, 1963. CITY PLANNING COMMISSION  
EDWARD G. MILLIGAN, Chairman
