Set \$355,000 Expansion at DSI

LOOKING over an artist's conception of how the DSI Corp. plant will appear when remodeling operations are complete are vice president William P. Scott, left, and president William C. Scott. In connection with its \$355,000 expansion

project announced this week, DSI will remodel the front of the former Daisy plant in a colonial motif. The small picture to the right of the artist's drawing shows the plant as it appeared before remodeling operations were begun.

A change in the face of an old-time Plymouth landmark and an ambitious expansion program amounting to nearly \$355,000 was announced this week as officials of DSI Corp. detailed expansion plans that will more than double present productive capacity.

About \$60,000 is expected to be raised locally by Plymouth's Industrial Development Corporation to aid in the DSI project and expansion announced in Detroit Color Lab facilities in Plymouth.

In a joint announcement by DSI president William C. Scott, and George Lawton, director of Plymouth's Industrial Development Corporation, plans were revealed to add 50,000 square feet of new building to the present DSI facility — the old Daisy Manufacturing plant.

ALTERATIONS to the front of the old brick industrial building will eliminate the last ties to Daisy, the air-rifle firm that was once Plymouth's largest employer.

The project will change the building's architectural changes based on a colonial theme will include flowering columns at the entrance.

Sub-standard portions of the old plant either have been or will be razed, Scott said. Five weeks ago the old Daisy water tower was dismantled, the old smoke stack is being torn

down and ivy vines have been removed from the building.

Removal of the ivy was necessary, Scott explained, because the plants had damaged the building masonry. Workmen are now pointing up and repairing damage done by the vines. The old livery stable and other unserviceable building are being razed.

WORK IS expected to begin immediately on the new addition, including 35,000 square feet of production area, 10,000 square feet of warehouse and docking space and 5,000 square feet for service facilities and production offices. DSI Corp. and its companion firm, Scott-

Phillips Corp., are currently using all 110,000 square feet in the present buildings.

In addition, parking lots are being newly surfaced and drives are being rebuilt at the site. Two lots, one in back of the three-story brick structure and the other on the site of the old ball park are being improved.

DSI Corp. is making an effort to save the large Elm trees on the lots. The 120 by 240-foot clear-span structure to be built in back of the plant will be constructed on a one-floor, self-

contained basis. It will more than double the production space of DSI.

"Opportunity for payroll expansion will be considerably greater," Scott said.

BUILDING additions are expected to be completed by Aug. 1 and the facilitating phase of the operation will be finished before winter, Scott said.

DSI, which moved to Plymouth from Southfield in July, 1961, specializes in the distribution of automotive merchandising and promotional material all over the world, and it is now the largest company of its type in the world.

Since moving to Plymouth, DSI has experienced a continual growth of business. The annual payroll, which includes employees in a Los Angeles branch opened last August, exceeds \$500,000. The employee count and payroll figure has more than doubled since the firm moved to Plymouth.

Scott said the expansion move would increase payroll capacity by another 60 percent. It will enable the firm to keep up with the demands placed upon it, especially during automotive model announcement time.

Currently, Scott noted, DSI pumps more than \$400,000 annually into the Plymouth economy in local purchases.

RECENT improvements have included the addition of a new computer programming setup. DSI's computer section has increased its speed by about 10 times since it moved to Plymouth. Long-range plans by the firm include utilization of the entire nine-acre site and ex-

pansion of the DSI complex to a point where it is larger than the Daisy operation ever was.

Local architect Harold Pines supervised plans for the new project.

The Plymouth Industrial Development Corporation, formed by interested citizens to bring new business to the community, was primarily responsible for DSI's move to Plymouth, Scott said.

George Lawton director of the IDC, said Plymouth citizens moved fast once they got over the shock of the Daisy Company moving its operations to Rogers, Arkansas, in the late 1950's.

"LOSING the air rifle company meant 500 jobs," Lawton said, "but since then the community has gained 3,000 jobs through new industry, certainly one of the most outstanding jobs of industrial development in the State."

In co-operation with Plymouth Community officials, 50 new businesses have been established in the Plymouth area since 1958. These new businesses, along with an addition to the Burroughs plant, have meant some 3,000 new jobs.

Detroit Color Lab Plant Plans \$70,000 Expansion

Expansion in excess of \$70,000 that may mean as many as 45 new jobs for the Plymouth Community was announced this week by Detroit Color Lab located at 775 Davis St., Plymouth.

Two additions totaling nearly 7,500 square feet of floor space will be added to the facilities of the photo processing firm, formerly Enterline Photo Service.

Included are an 80 by 20-foot two-story addition and an 80 by 60-foot one-story building. The announcement was made by two officials of the firm, Harold Head and John Banks.

Detroit Color Lab purchased Enterline Photo Service last year. The expansion is being made in co-operation with Plymouth's Industrial Development Corporation and the Small Business Administration of the U.S. Government.

City Hall Rites Cap Michigan Week Events

More than 200 high school students and crowds of other Plymouthites are expected to throng the area around the city's new City Hall Friday afternoon at 1:45 p.m. for cornerstone laying ceremonies that will provide the high point for Plymouth's Michigan Week celebration.

U.S. Senator Philip A. Hart, Congresswoman Martha W. Griffiths, State Senator Ray Dziedzic and

other federal and state officials will attend the rites. The program will include music by the Plymouth High School Band under the direction of conductor James Griffith, the invocation by the Rev. Henry Walch of Plymouth's First Presbyterian Church and introduction of guests by Michigan Week Chairman William J. Nelson.

EX-MAYOR Harold Guenther will detail the origin of the City Hall project, Plymouth Historical Society member Karl Starkweather will speak on Plymouth Municipal Buildings of yesteryear and former City Manager Sidney Strong will speak on the contents of the cornerstone box.

Former Mayor Robert Sincovec, Rep. Griffiths and Senator Hart will officiate at the cornerstone laying ceremony. The Rev. Fr. Alfred Renaud of Our Lady of Good Counsel Church will pronounce the benediction. Other upcoming Michigan Week activities include:

Wednesday Livelihood Day

A program honoring expanding Plymouth industries will be sponsored jointly by the Plymouth Community Chamber of Commerce and the Industrial Development Corporation in the loft of Plymouth's Round Table Club.

Friday Heritage Day

In addition to rites at the new City Hall, activities will include a noon luncheon program at the hotel.

Opening Day Parade Set

Following a parade Saturday morning at 11 a.m., Plymouth Community Junior Baseball Leaguers will kick off their 1964 season with games to begin at 12:30 p.m. at junior league fields in Plymouth.

The parade will highlight junior league activities on Saturday, officially proclaimed "Plymouth Community Junior Baseball League Day" by Mayor Richard H. Wernette.

Junior leaguers will assemble at the Hamilton Street Playground and march down Wing St. to Main and along Main to the back of the new City Hall parking lot, according to parade chairman Jerry Olsen.

Plymouthites Try, Try Again for LBJ

White House officials in Washington have learned nothing else in the past few weeks, they should be aware that Plymouth residents do not give up easily.

In addition to efforts by Michigan Week Chairman William J. Nelson and Henry Long Plymouth resident Karl Starkweather, The Plymouth Mail Publisher Sterling Eaton made a try at getting President Lyndon B. Johnson to come to Plymouth.

Eaton telephoned both the White House press secretary and a personal acquaintance, Senate Minority Leader Senator Everett Dirksen of Illinois, in a last-ditch attempt to get the President to come to Plymouth.

In addition, because no prominent Republicans had been invited to attend Plymouth City Hall cornerstone laying ceremonies, Eaton issued an invitation to Dirksen to attend.

DIRKSEN'S secretary, Glee Garmien, called from Washington Monday to tell The Mail publisher that the Senator appreciated the invitation and would like to attend, but was unable to do so.

President Johnson's press secretary reiterated the chief executive's inability to attend and expressed regrets. Eaton's efforts put the cap on months of attempts to lure L.B.J. here for the Friday ceremonies.

Two weeks ago, Michigan Week Chairman William J. Nelson, in Washington for a convention, contacted virtually every key area legislator (Continued on Page 4)

Festival Committee Swings Into Action

Following their recent selection, the nine-member Plymouth Fall Festival executive committee met last Thursday, selected officers and began to map out preliminary plans for this year's Fall Festival celebration.

James Thornton was selected chairman of the group, Miss Margaret Wilson, vice chairman; Mrs. Marshall North, secretary and John Herb, treasurer.

The executive committee discussed the type of program to be developed for this year's Festival and set the dates for the event from Sept. 10 - 13.

TEMPORARY working committees were set for a Thursday, May 28 meeting at which the group will begin to draft plans for publicity, club participation, special events and entertainment.

The Festival committee will be doing special work this year, evaluating and studying the physical facilities available for the annual celebration.

Members of the executive committee were selected two weeks ago by Plymouth Ro-

Following the request of the Plymouth Community Chamber of Commerce, they will be replaced by elections to be called by presidents of participating clubs and organizations, chairman Thornton said. Members of the committee and the length of their terms are:

THORNTON, Miss Wilson and Edward M. Sawusch, three years; Mrs. North, Junior Chamber of Commerce President Wendell Smith and Mrs. Ray Hulce, two years; and Herb, City Manager Albert Glassford and William Splimier, one year.

Thornton said the executive committee will do some inquiries, assistance and support and urged interested individuals, clubs or organizations to contact the committee through the offices of the Plymouth Community Chamber of Commerce, phone GL 3-1540.

In a Nutshell...

★ Annual Memorial Services will be held Sunday, May 24 at St. John's Episcopal Church, 574 S. Sheldon Road at 11 a.m. Veterans groups including the VFW, American Legion and Navy Mothers sponsor the rites. All veterans are urged to attend. On Saturday, Veterans will place flags on graves of local veterans.

★ Plymouth Township Supervisor Roy Lindsay and City Manager Albert Glassford were among a group of dignitaries from the Plymouth Community and other areas at a Thursday luncheon at The Hillside Inn for the purpose of promoting the City of Livonia's July Show Train celebration.

★ In proclamations issued this week Plymouth Mayor Richard H. Wernette declared the month of May Senior Adult Month in Plymouth and the period from June 1 - 12 a period for rededication to "New Glory for Old Glory." He urged display of the flag on Flag Day, June 14.

★ Outstanding members of Plymouth High's senior class will be honored at an assembly to be held Wednesday, May 27 from 8:40 to 9:30 a.m. in the high school. Seniors will be cited for work in many areas. Scholarship winners will be named and honor keys will be given to high performing students in several of the school's departments.

★ The appointment of Ralph Wilson to the Salem Township Board of Supervisors to replace Edwin Hamilton who resigned recently was announced this week. The board postponed, until their regular meeting June 1, appointing a new supervisor to fill the vacancy created by the death of Supervisor Glenn Renwick.

Township Hires Lawyers To Handle Smoke Case

With work apparently well underway at Evans Products Company's Plymouth Township plant to correct a persistent smoke problem, township trustees took action last Tuesday evening on a request from Supervisor Roy Lindsay to authorize a Livonia law firm to take formal action against the company.

The Brashear, Brashear and Mies of Livonia, firm, was authorized to try to arbitrate the matter with Evans upon a motion by trustee Ralph Garber.

Originally B.B. & M. had requested a approval of a sweeping resolution authorizing it to take whatever steps were necessary in the matter, up to and including

filing a formal complaint with the Wayne County Circuit Court. The law firm was consulted because of the illness of Township Attorney Earl Demel.

BUT A LETTER from Evans Public Relation and Advertising Director Sam Hudson, delivered to the Township Hall Tuesday afternoon and read by Lindsay at the meeting, apparently prompted trustees to follow the less drastic route of arbitration. Lindsay quoted from Hudson's letter:

"My purpose is to review the recent steps taken by our company in an effort to comply with the recommendations made last fall by the Wayne County Department of Health. 'Mr. Lazier Stevens, chief

air pollution control, made the following recommendations to us:

(1) That we install new overfire air jets, using low (Continued on Page 4)

Evans Installs Smoke Abatement Equipment

Following action of the Plymouth Township Board of Trustees last Tuesday evening requesting the Livonia law firm of Brashear, Brashear and Mies to arbitrate a nagging smoke problem with Evans Products Company, a

photographer interviewed the firm's plant engineer, Harry Horner, Wednesday.

Horner pointed out work currently underway on one of Evans' two boilers. Workmen were installing what Horner termed a "low static pressure, high volume blower" on the boiler.

The apparatus will provide a separate source of overfire draft to the boiler, he said.

ITS PURPOSE is to keep fly-ash in suspension over the fire bed where it will be burned, Horner said work on the company's second boiler will begin as soon as the first is completed, inspected and approved.

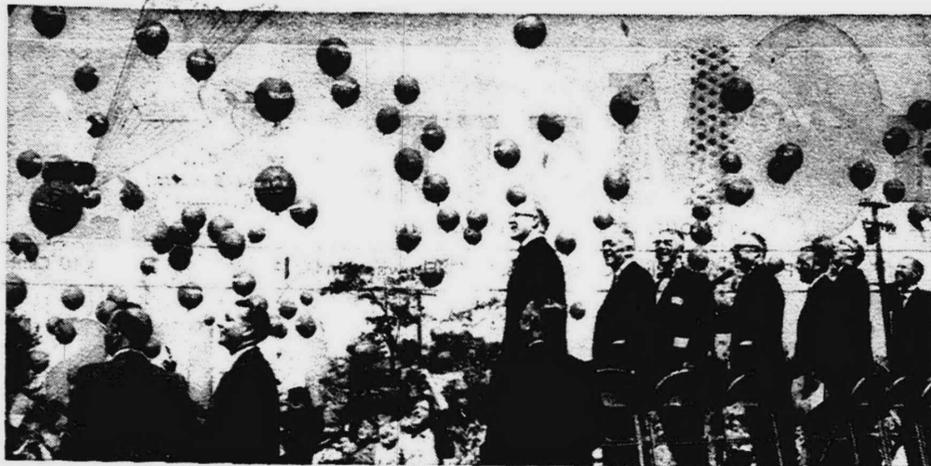

A statement was issued on the matter late Monday afternoon by Vice President and General Manager of Evans Products' Transportation Equipment Division, James J. Conway. He said:

"Contrary to the impression created that Evans Products Company has done nothing in connection with the smoke situation, we have taken numerous steps during the past years to alleviate the problem. "Although in this direction has resulted in improvements, it has not proved satisfactory to ourselves or to the authorities. "WE WANT to emphasize, however, that we have taken action at various times and have not ignored the situation. Our most recent work has been in progress since the middle of March and it was taken in conjunction with authorities who have studied the problem." Conway repeated some of the points made in Public Relations Director Sam Hudson's letter to Township Supervisor Roy Lindsay last Tuesday, noting that Evans is following sugges-

3,000 BALLOONS soared into the air from Plymouth elementary schools at 10:30 a.m. Monday morning as Burroughs Corporation sponsored its "junior space race" at the schools. Watching as the balloons go up were, on the ground, left to right, City Commissioner Robert Smith, a visiting Clawson City Councilman Herbert LePla and City Manager Albert Glass-

ford. On the platform are visiting Mayor Lavern Anderson of Clawson, Plymouth Township Supervisor Roy Lindsay, Mayor Pro-Tem James Houk, Allen Principal Donald Rank, Michigan Week Chairman William J. Nelson, Superintendent of Schools Russell Isbister and Eber Readman of Burroughs Corporation.

Michigan Week Events Ballooning in Plymouth

Off to a ballooning start Monday and Tuesday, Michigan Week activities in Plymouth saw city officials host visiting Mayor Lavern Anderson of Clawson Monday and representatives of Plymouth's Newcomers Club visit recent additions to the community with hot coffee Tuesday.

City officials, headed by Mayor Pro-Tem James Houk and City Clerk Richard Shafer, kicked off activities with a visit to Allen School's balloons in a renewal project, saw the industrial park development and took a look at the city's new City Hall.

At noon, while Plymouth Mayor Richard H. Wernette was being hosted in Clawson, Mayor Anderson and Councilman LePla were entertained at a luncheon featuring an address by Schoolcraft College Dean of Student Affairs Lois L. Waterman.

MONDAY afternoon, the visitors toured Burroughs Corporation, Western Electric Corporation and the Plymouth Historical Society Museum. The day's activities were concluded with an evening dinner at which Mayor Anderson was presented with a gift from the City of Plymouth by Mayor Pro-Tem Houk.

THE CRISIS THAT WASN'T

Today, there are many quick victories over disease. Each might be described as a crisis that didn't quite happen — thanks to today's superior medicinal agents. Modern medicines prescribed by your physician score amazing triumphs over diseases which, only a decade ago, were almost certain to become dangerously serious. Present-day pharmaceuticals, such as the antibiotics, require complex equipment, intricate controls and highly skilled technicians for production. Although somewhat higher in cost, they actually are an investment in economy. They effect an earlier cure and cut down expensive sick-bed time. We are staffed and equipped to fill your doctor's prescriptions promptly at prices that are fair.

Township Asks Recommendations On Assembly Housing Covenant

Sent to the Plymouth Community Human Relations Commission for study and recommendation, was an open housing covenant submitted to the Plymouth Township Board of Trustees at their regular monthly meeting held last Tuesday evening in the Plymouth Township Hall.

The covenant, with modification in wording, was approved recently by the City Commission of the City of Plymouth. It was also presented Tuesday evening to trustees of Canton Township where the Canton Board also relayed it to the relations commission.

Appearing for the assembly, an unofficial group of citizens interested in human relations questions, was chairman Norman Thoburn of Plymouth.

THOBURN noted that the Human Relations Commission, an official body including representatives from the city and Canton and Plymouth Townships, has endorsed the open housing covenant and suggested that the assembly present it to the three governmental units.

Appearing with Thoburn were S. S. Blackman of 9253 Ball St., Richard McGlin of 42453 Trenton Rd., Mrs. Robert Kehrl of 41218 Greenbriar Lane, Mrs. Judson Spencer of 47212 Stonecrest Dr., and the Rev. Edward Casner of Plymouth's First Presbyterian Church.

Action on the housing covenant followed on the heels of adoption of the ASA B-9 Reciprocal Refrigeration Code which sets up stringent safety and installation requirements for air-conditioning units powered by more than one-horsepower motors.

THE CODE had been adopted by the township some time ago, but was rescinded at the board's February 11 meeting. Testifying in favor of the measure were John Thibidou, Garden City refrigeration inspector.

Thibidou accompanied Donald Keeth, owner of Keeth Heating and Refrigeration of 9314 Brookline. Thibidou contended the one purpose of the measure was to protect the health of community residents by insuring proper in-

stallation of refrigeration units.

Trustee Ralph Garber asked if the township would be bound by the decisions of the Detroit-based Reciprocal Heating and Refrigeration Council of which Thibidou is a member.

Thibidou assured the board the township would not be "bound" by the board. He said the council is composed of qualified refrigeration and heating men, selected from all 22 participating communities. He charged Garber with fighting the code and commented: "When you fight codes you're dealing with human life."

Other board members contended that Keeth was urging adoption of the code to save himself additional fees charged him in other communities because Plymouth Township does not subscribe to the code.

A MOTION by Garber to table action on the measure died by a 5-2 vote and a motion by Township Treasurer Elizabeth Holmes to adopt the code ended in a 3-3 deadlock with Mrs. Holmes, Clifford Sparks and Louis Norman voting for adoption and Garber, Dick Lauterbach and Township Clerk John D. McEwen voting no.

Breaking the tie and assuring adoption was Township Supervisor Roy Lindsay. The supervisor noted that setting up administration of the code's provisions would probably prove costly at first but he said he felt the cost would be justified in the long run.

Four multiple dwelling buildings, totalling 60 units will be erected on the property behind the Plymouth Township Bowl, following unanimous approval by trustees of the planning commission's recommendation to rezone the site from C-2, commercial, to R-3, multiple family residential.

The planning commission approved a request by Birkelbaw-Herman to rezone the property over the objections of W. C. Johnson of the planning consultant firm of Waring and Johnson.

TERMED "spot zoning" by Johnson, planners approved the move because they said

the land was not suitable for commercial development.

In other action at the Tuesday meeting, township trustees approved two resolutions amending the original maturity schedules of township sewer and water bonds to 30 years. The resolutions were submitted by bonding attorney Miller, Canfield, Paddock and Stone at the request of the board.

Approval was given to the township's new R-2A Garden Apartment ordinance, designed to further define and regulate multiple family building projects.

Approved was Supervisor Lindsay's appointment of Fred Knupp as Sergeant of the Plymouth Township Fire Department, effective May 16. Knupp's appointment, following a competitive examination for the post, must be certified by the Plymouth Township Civil Service Commission.

An increase of fees for boarding and disposing of stray dogs by the Parkway Veterinary Clinic was approved. The clinic, owned by Clifford McClumpha, DVM, increased the fees from a \$4 total to \$6.

Relinquishment of five drainage districts was made to the Wayne County Drain Commission. Included are the Robinson Sub Tile, Butternut Tile Arm B, Butternut Tile, Palmer Acres Tile and Eastlawn Tile districts.

PREPARATION of a new ordinance to regulate and control installation, operation and maintenance of outdoor swimming pools in the township was referred to planning consultants Waring and Johnson with instructions to update regulations to compare with surrounding areas.

Trustees received for study a general government financial report for the fiscal year ending March 31, 1964.

They approved two resolutions, one offered by State Senator Raymond Dziedzic

Inappropriate Event for the Right People

The most inappropriate things can happen to the most appropriate people.

Take Department of Public Safety Superintendent Kenneth Fisher who heads the city's fire and police departments, and visiting Clawson Fire Chief Herbert LePla, for instance.

The two men, accompanied by City Clerk Richard Shafer, hopped into one of Plymouth's brand-new, recently delivered squad cars Monday morning for a drive to Allen School.

Fisher turned the key. Nothing happened.

He fiddled with the automatic transmission selector lever. Nothing happened.

And then, when he turned the key again, something happened. Smoke began to roll out from beneath the dashboard and under the hood of the new car. Apparently a wire had shorted out, causing a small fire.

At any rate, visiting chief LePla got to see a fire of sorts in Plymouth. Fisher ruefully noted that the new car would be out of service for a few days until repairs are made.

SET MEETING

Speaker at the Suburban Employers' Association meeting, May 20 will be Ralph Sanford, employee and community relations manager, Walumer Tube Division of Calumet and Hecla. "Management Development through the Use of Advisory Committees" will be the subject of Sanford's talk. Guests are welcome and reservations may be made by calling GL 3-3520 or GA 7-2721.

Cut Telephone Rates, Move to Boost Services

Rate reductions and service improvement savings totaling nearly \$7.5 million annually for customers of the Michigan Bell Telephone Co. were announced by the public service commission.

Peter B. Spivak, commission chairman, said the program was worked out cooperatively through the combined effort of the commission and Michigan Bell and will go into effect as soon as possible.

In addition, Michigan Bell is increasing the size of its construction program for the second time this year to keep pace with the state's booming economy, Spivak said. With a new \$3.3 million boost Michigan Bell's total outlay for 1964 will now amount to \$96.4 million—up more than \$8 million over last year.

THE \$7.5 million package of rate reductions and service improvement savings, largest in Michigan Bell's history, will provide—

• A reduction of more than \$1 million annually in 300,000 customer through a 10 cent decrease in the monthly charge for one-party telephone bills of nearly flat rate service.

• Savings to customers of about \$2.4 million on the 30 million toll calls of 20 miles or less that are made annually.

• An expanded optional service providing broad toll-free calling privileges for customers in the Detroit Metropolitan area.

• A new budget service that will offer residential service for less than 10 cents a day.

Spivak recalled that Michigan Bell's rates were last increased in 1960 when they were boosted to \$4 million.

Since then, he said, "the commission and Michigan Bell have agreed upon rate reductions which passed on other savings amounting to nearly \$10 million annually—including the \$2.4 million reduction in intra-state long distance charges that became effective in April, 1962."

Going to the Fair?
If you drive to the World's Fair in New York, a word of CAUTION. New York law prohibits anyone under the age of 18 from operating a car within New York City or Nassau County, even though such person does have a valid operator's license and is accompanied by a parent or other validly licensed operator over age 18. In the past, New York City authorities have been strict in enforcing this law, and no doubt will continue this practice.

Going thru Canada? There are strict Canadian requirements with respect to insurance limits. You must carry a liability insurance card showing at least \$35,000 single limit or split limits of \$35,000 and \$35,000. AMENDED ZONING MAP NO. 204.14
OF THE
TOWNSHIP OF PLYMOUTH
WAYNE COUNTY, MICHIGAN
ADOPTED BY THE
PLYMOUTH TOWNSHIP BOARD MAY 12, 1964
SUPERVISOR ROY R. LINDSAY
CLERK JOHN D. McEWEN

ORDINANCE NO. 14-T
AN ORDINANCE TO AMEND THE ZONING ORDINANCE OF THE TOWNSHIP OF PLYMOUTH BY AMENDING THE ZONING MAP.

THE TOWNSHIP OF PLYMOUTH ORDAINS:

PART I. That the Township Zoning Ordinance is hereby amended by amending the Zoning Map, by changing those areas indicated on the Amending Zoning Map No. 204.14, attached hereto and made a part of this Ordinance.

PART II. Section 2.04 is hereby amended by the addition of the following paragraph to read as follows:

The areas comprising the zoning districts, the boundaries of said districts, as heretofore established and adopted, are hereby amended as shown and provided on the Map attached hereto and marked Amendment No. 204, to the Zoning Map of the Township of Plymouth, which Map is hereto attached and made a part of this Ordinance, and any part of the Zoning Map of the Township of Plymouth as now established, which conflicts with said Amendment No. 204.14, of the Zoning Map is hereby expressly void and of no force and effect.

PART III. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinance in conflict, herewith, are hereby repealed.

PART IV. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take immediate effect and be in force from and after the earliest date allowed by law.

PART V. ADOPTION. This Ordinance was adopted by the Township Board of the Township of Plymouth by Authority of Act 184, of the Public Acts of Michigan, 1943, at a meeting duly called and held on the 12th day of May A.D., 1964, and ordered to be given publication in the manner prescribed by law.

sponsored jointly by the Michigan Week Committee and Plymouth Rotary to honor new industries in the Plymouth Community.

Included will be Anchor Reinforced Plastics, Frank Doornweerd, president; E & E Stamping, Walter Smith, president; Specialty Coatings, Inc., Sam Sifkin, president; and Thermax Corporation, Ben Milt, president.

All four businesses have come to Plymouth since the beginning of 1964.

Boroughs Corporation will be honored at the event for its selection of the Michigan Product of the year.

Other Friday activities include the day-long opening of the Plymouth Historical Society Museum and the annual tea-open house at the Dunning Hough Public Library.

Saturday Youth Day

Beginning at 7:30 in the morning, more than 100 high school students are expected to join forces to repaint the

Plymouth Historical Society Museum Building.

Spearheaded by the Youth Day co-chairmen John M. (Mike) Hoban and John McFall and led by seniors Hal Smith and Kevin Huntington who took the proposal to the P.H.S. student council senior boys will begin work on the upper reaches of the building early in the morning.

The students will be divided into eight teams, each with a team captain, and 12 students per team. In the afternoon, younger students and girls will paint the lower areas of the building and trim work.

At 1 p.m., the Plymouth Junior Chamber of Commerce will sponsor its annual teenage road-e-o at Junior High School East.

Open to high school students who have completed driver education, the road-e-o includes a series of driving skill tests.

First prize will be \$50 and a trophy. Interested teen-agers may enter by contacting Gary Hall at GL 3-0062 or Roger Stanley at GL 3-3033.

volume, high-pressure blowers. This is now being done and the first boiler will be completed in two weeks. We will go to work on the remaining boiler as soon as the first is completed and in operation.

(2) That the base of our stack be used as a dust-settling chamber. This will be done as soon as the changes to both boilers are completed.

(3) That a duct be installed connecting the base of the stack with our evaporator ash discharge line, and thence to the ash storage silo. This also will be done when the work on both of the boilers has been completed.

Work could not be done last fall when the recommendations were made, Hudson wrote, because it was impossible to shut one of the boilers down with cold weather approaching.

In addition, according to Hudson's letter, Evans Products' stoker manufacturer Hoffman, Combustion Engineering, recommended the shape of the brick work in the boilers be changed — a step that already has been taken.

"THE HOFFMAN Company also suggested that the grate area in our furnaces be reduced by 25 per cent. This also has been done," Hudson's letter continued.

"As the above will indicate, our Company has been taking positive steps in the direction of reducing smoke, and we now have under study a plan which would involve other methods of fueling.

"I ask that you make this letter known . . . at your meeting scheduled this evening, and assure (the board) that Evans Products Company has every intention to continue its reputation as a good neighbor . . . and will increase its efforts in the direction of eliminating this problem."

Hudson's letter was written in the absence of Vice President and General Manager James J. Conway.

Reviewing the history of the problem, Lindsay said the township had received communications from Evans before and urged adoption of the resolution authorizing Brashear, Brashear and Mies to take court action. He contended that Company was well aware of the problem.

"AS FAR as Mr. Conway is concerned," Lindsay said,

"he's not a new man, he's been promoted right here in this plant. They've told us this before." Lindsay said the township had no proof Evans was taking corrective action.

"We've lost a lot of faith in Evans," Township Treasurer Elizabeth Holmes commented. Arguing for arbitration before court action was Trustee Ralph Garber, a former assistant Wayne County Prosecutor.

"I'd like to know the relief you're asking," Garber said. "Sometimes people will do things when they think they're going to be dragged into court and sued."

He pointed out that a smoke abatement suit is hard to win and that the question has been argued in Detroit for years. Lindsay agreed with Garber.

He said he felt the board ought to tell the attorneys to endeavor to work on the matter outside of court.

"I'm in no position to argue smoke abatement, and I think we ought to hire someone to do it," Lindsay said.

TOWNSHIP Clerk John D. McEwen said the township has had "lip service but no action" from Evans before.

He made a resolution, seconded by trustee Richard Lauterbach for the sake of discussion, that Brashear, Brashear and Mies be authorized to take court action.

The resolution was defeated with only McEwen voting in favor.

Garber moved that Hudson's letter be forwarded to the law firm with instructions to see if they can't arbitrate the matter to the satisfaction of township residents. His motion was given unanimous approval.

and White House personnel in an attempt to get a commitment from the President.

THE 75-YEAR-old Starkweather conducted a personal campaign for the President's presence by writing three personal letters to Johnson, three more to his special assistant, sending one lengthy telegram to the White House and shipping a tape recording pleading with L.B.J. to come to Plymouth.

The only hope remaining on the part of Michigan Week committee members is that the unpredictable Johnson might decide to visit Plymouth from Ann Arbor Friday on the spur of the moment.

Or, who knows? The Presidential motorcade might get lost and end up here for the ceremonies.

cials will be on hand to throw and catch the first pitches of the season. The first games will be played by National Leaguers, followed by the American League games.

Minor leagues will begin play after school is out for the summer. Their activities will be under the direction of Max Summerville.

Minor league games will be played at 3 p.m. and major leaguers will play at 6 p.m., Monday, Tuesday, Wednesday and Thursday.

DONATION of a new concessions building for the leaguers was announced this week by Kaufman and Broad Co., builders of Plymouth Township's Salem Square Subdivision.

"As a token of our confidence in the future of the Plymouth Community and in thanks for the reception which has been given to our new homes, we are happy to have this opportunity to share with you in this fine activity," Robert Zisette, head of the Detroit branch of the firm, said in making the presentation.

tions made by the Wayne County Department of Health and by the Hoffman Combustion Engineering Company.

Noting corrective action which has been taken on Evans Products boiler equipment and outlining work still to be done, Conway concluded:

"WE ARE not unmindful of our responsibility to the community and are making sincere efforts to see that the smoke problem is eliminated."

The township's smoke problem has been made increasingly apparent in recent months with the submission of resident petitions and the addition of signatures to them.

The petitions, circulated by township resident Mrs. Fred E. Davids, allege air pollution cause by smoke stacks at Evans and Burroughs Corporation plants and two scrap yards in the area. Burroughs recently notified Township Attorney Earl Demel that it has budgeted \$150,000 for work to correct the problem at its plant.

jobs with an annual payroll in excess of \$12,000,000.

"When the IDC first started looking for a business to take over the Daisy Plant," Lawton noted, "their objective was to find a growth corporation that could eventually utilize the whole facility and bring added employment to the community. Today's announcement by DSI certainly proves we made the right choice."

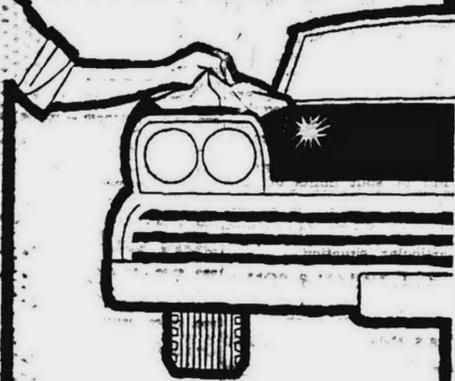

IDC treasurer Harvey Ziel of Plymouth assisted in setting up financing for both the DSI and Detroit Color Lab projects.

Plan Summer School Recreational Programs

With the mailing of information and preliminary survey forms to Plymouth Community School District residents, plans got off the ground last week for the opening of summer school.

Both credit and non-credit classes will be offered and persons were urged to fill out the forms and return them to school principals or the high school office in Plymouth before May 29.

Classes will be open to both school system students and adults. Time schedules and the type and number of classes to be offered will be determined by return response to the information mailed out.

In addition, summer recreation programs were released with summer school material. The recreation program is separate from summer school and registration must be made by deadline dates in the office of the Recreation Department in the senior high school building.

All summer school classes will begin Monday, June 22 in the Plymouth High School. Six-week, non-credit, courses will end Friday, July 31. Seven-week, credit courses will terminate Friday, Aug. 7.

Registration for summer school will be held from Monday, June 15 through Friday, June 19 from 8:30 a.m. to 4 p.m. in the Senior High School Annex Building office at 650 Church St.

All students registering for high school credit courses must have been enrolled in the tenth grade.

Fees to be paid during registration week at the time of enrollment, range from \$5.50 for a two-week art workshop session to \$16 for seven-week credit courses. Non-credit courses and music courses, meeting for six weeks, one hour per day, are \$3.

Music courses include three separate two-week sessions. Registration may be made

for any one or all three combined sessions. Four-week fees are \$11, six-week music fees, \$16.

Science workshops will meet in two separate three-week sessions. Costs range from \$8 for one session to \$16 for two. No charge will be made for driver education classes — open to resident students only under 18 years of age.

Non-resident students and students over 18 years old will pay one and a half times the regular fee. Refunds for summer school classes will be made only if notification to drop the course is made before 4:30 p.m., Tuesday, June 23.

More than 35 class offerings for elementary through high school students are tentatively scheduled.

Summer recreation programs, under the direction of Herbert E. Woolweaver, include swimming classes for local resident students only, second grade and up. Two sessions, from June 15 to July 10 and from July 13 to Aug. 7, will be held Monday through Friday.

Deadline for registration for either the first or second instructional periods is Friday, June 5. The program will include half-hour classes from 8:30 to 10:30 a.m. Class size will be limited to 45 students. Informal recreational swimming will be held for elementary students Monday through Friday from 1 p.m. to 5 p.m. Admission fee will be 15 cents. Evenings, the pool will be open from 7:30 to 9:30 for open swimming on Monday, Wednesday and Thursday.

Mothers and daughters will swim on Tuesday evenings. Saturday swimming will be held from 1 to 2 p.m.

Local Essayists Win Prizes at District Level

Awarded first places in the two divisions of the Americanism essay contest sponsored by the American Legion's District 17 were Kay Zoet, 15-year-old daughter of Mr. and Mrs. Charles Zoet, of 380 W. Liberty St., and Karen McAllister, 13-year-old daughter of Mr. and Mrs. William McAllister, of 15674 Lakeside Dr.

Dorothy Rhode, District 17's Americanism chairman, presented \$5 checks to the girls at the district meeting May 15 in Plymouth. Included in this district are Plymouth, Northville, Livonia, Redford and Redford Township.

"Freedom Our Heritage" was the theme of both essays which will be entered in the Department contest covering the state. Miss Zoet and Miss McAllister won the contest sponsored by the Passage Gayde American Legion Auxiliary before entering the district one.

A major export of frozen-food products from Sweden are strawberries, cod and Baltic herring to U.S. Army troops in Western Germany.

and from 2 to 3. Fees are 25 cents for students, 50 cents for adults.

From June 22 to July 31, playgrounds will be open at Bird, Farrand and Smith Schools from 9 a.m. to 12 noon. The Allen School playground will open from 1 to 4 p.m. and Hamilton and Starkweather will maintain 1:30 to 4:30 p.m. schedules.

EACH PLAYGROUND must maintain an average daily attendance of 35 school age children or be closed. Director Woolweaver emphasized. Nominal fees will be charged for the use of arts and crafts materials. Arts and crafts sessions will be held each day at the schools. Registration is made at the playgrounds. Other recreation department activities, scheduled from June 22 to July 21, have a registration deadline of June 5 at the recreation offices in the high school. They include:

Classes in ballet, baton, cheerleading, "kiddy kamps," French and French customs, youth fitness, boys' basketball, teen dances, baseball leagues and tennis.

Three baseball leagues will play during June and July. The teams are sponsored by Plymouth merchants and service clubs. The "F" league for boys 13 and under, will play 6 p.m. games on Mondays and Wednesdays. A fee of \$2 is charged for insurance and equipment. Tuesday and Thursday games are slated at 6 p.m.

For "E" league players, aged 15 and under, a \$2 fee is also charged. "D" league players, 18 and under, will meet on Tuesdays and Thursdays at 6 p.m. A \$3 fee is charged for "D" leaguers. From June 22 to July 31, high school tennis coach Jim Stevens will conduct one-

hour daily instructional sessions from 9 a.m. to 3 p.m. at the high school courts. Cost for tennis instruction is \$3 for the summer. Further information is available at the recreation office, phone GL 3-3100. Persons may register by phone, mail or in person.

Local Essayists Win Prizes at District Level

Awarded first places in the two divisions of the Americanism essay contest sponsored by the American Legion's District 17 were Kay Zoet, 15-year-old daughter of Mr. and Mrs. Charles Zoet, of 380 W. Liberty St., and Karen McAllister, 13-year-old daughter of Mr. and Mrs. William McAllister, of 15674 Lakeside Dr.

Dorothy Rhode, District 17's Americanism chairman, presented \$5 checks to the girls at the district meeting May 15 in Plymouth. Included in this district are Plymouth, Northville, Livonia, Redford and Redford Township.

"Freedom Our Heritage" was the theme of both essays which will be entered in the Department contest covering the state. Miss Zoet and Miss McAllister won the contest sponsored by the Passage Gayde American Legion Auxiliary before entering the district one.

Mrs. Gene A. Best

Cassandra Jean Fisher Is Bride of Gene A. Best

CASSANDRA JEAN FISHER, daughter of Mrs. Millicent A. Fisher, of 521 Deer St., and Berle L. Fisher, of Detroit, and Gene A. Best, son of Mr. and Mrs. Howard W. Best, of Howell, were married May 2, in the First Methodist Church.

Following a wedding trip to Niagara Falls, Mr. and Mrs. Gene A. Best are making their home in Ann Arbor.

The former Cassandra Jean Fisher, daughter of Mrs. Millicent A. Fisher, of 521 Deer St., and Berle L. Fisher, of Detroit, and Gene A. Best, son of Mr. and Mrs. Howard W. Best, of Howell, were married Saturday, May 2, in an evening ceremony in the First Methodist Church.

For her wedding, the bride wore a floor length gown of white taffeta, fashioned with a bell-shaped skirt, and elbow length sleeves, and a chapel train. Lace appliques accented the cummerbund. Her head was covered by a lace mantilla. She carried a bouquet of white roses and lilies of the valley.

Wearing a copen blue floor-length frock, styled with a bell shaped skirt and bow at the waist, Miss Suzanne M. Armour, of Detroit, attended her cousin as maid of honor. She carried a bouquet of pink carnations.

Junior bridesmaids Elizabeth and Melissa Laituri, cousins of the bride, of Ashtabula, O., wore pale blue frocks identical to the maid of honor's and carried baskets of pink carnations. Jerry L. Best served his brother as best man and Frank Giegler, of Ann Arbor, Robert Wright, of Dexter, and Charles Falcon, of Brighton, were ushers.

For her daughter's wed-

ding, Mrs. Fisher chose a blue suit with matching accessories and Mrs. Best wore a grey and white print dress with white accessories.

A reception was held in the church parlors following the ceremony for some 125 guests from Michigan, Ohio, and Indiana.

When the couple left on their wedding trip, the new Mrs. Fisher wore a deep turquoise suit with light turquoise accessories.

Madonna Gets \$5,190 Grant

The sum of \$5,190 has been granted by the National Science Foundation, Washington, to Madonna College for support of an "Undergraduate Instructional Scientific Equipment program."

This grant, under the direction of Sister M. Joela, CSSP, the liaison officer of the college and instructor of chemistry, terminates on May 31, 1966.

Made with the express understanding that the Federal funds will be matched by Madonna College from non-Federal sources, the grant is to cover costs of scientific equipment like a sterilizer, rotary microtome, spectrophotometer, refractometer, etc. The college is presently in the process of constructing academic facilities which are to be ready for occupancy this fall. Construction costs of academic, dormitory and dining room facilities amount to \$6 million. The college is under the auspices of the Felican Sisters.

HONORED

Mr. and Mrs. Walter Ash, of Dewey St., attended the 16th annual Honors Convocation at Eastern Michigan University last Wednesday when their daughter, Donna, was among the students being honored. Guest speaker was Prof. Julian Harris, of the department of French and Italian at the University of Wisconsin.

Going, Going...

Photographs, photographs, and still more photographs.

Our file of photographs to be picked up is bulging at the seams and our photography department is making an urgent plea that these "misplaced" photographs be returned to their rightful homes as soon as possible.

Some of these photos, most of which have appeared on the Woman's Page, are only a few weeks old, others date back two years.

Because of space limitations we must ask that these pictures be picked up by Wednesday, July 1. After that date it will become necessary for us to destroy all remaining pictures.

AAUW to Honor Past Presidents This Thursday

Three past presidents of the Plymouth Branch of the American Association of University Women will be honored at the branch meeting May 21. Retiring president, Mrs. Richard Fritz, and former presidents Mrs. A. A. Gulick and Mrs. D. H. Sutherland, all of Plymouth, will be presented with the AAUW Past President's Pin.

Preparing to accept her new duties of the office for 1964-1966 is Mrs. John Moehle, also of Plymouth. As a part of this achievement night, displays and reports of the standing committees and study groups will be presented.

Mrs. Preston Weir, recording secretary of the Michigan State AAUW, will discuss the purpose and progress of the Association's Fellowship Program, a topic of deep interest to the Plymouth members, as shown by annual gifts to that fund. Mrs. Weir was a member of the Birmingham Branch for many years, serving as chairman of several activities, and as president there before taking her present State Post.

The coffee hour will begin at 7:30 p.m., the earlier time will permit the members to view the displays before the business meeting. Hostesses are: Mrs. W. J. Worth, chairman, Mrs. W. K. Lewis, Mrs. Gill Pearson, all of Plymouth, and Mrs. Stanley Weber, of Livonia. This will be the last monthly meeting until September.

ELECTED

Newly-elected president of the Junior Woman's Club of San Diego is Mrs. Richard Fenton, the former Sally Zink, daughter of Mrs. David Zink, of Penniman Ave., Fenton, also a former Plymouthite, is the son of Mr. and Mrs. Tom Rosettie, now of Lapeer.

Showers Honor Carole North

Carole Anne North, daughter of Mr. and Mrs. Marshall North, of Maple Ave., was guest of honor at two wedding showers recently.

A bathroom and bedroom shower was given for her by Mrs. A. D. Johanson, at her home on Turkey Run, May 9. Nancy North, a student at Western Michigan University, Mrs. Floyd Heydenburg, Miss North's fiancée's mother, and Linda Heydenburg, of Mt. Pleasant, were among the 22 guests at the shower.

Mrs. Ralph Lorenz and her daughter Sheila gave a kitchen and dining room linen shower at their home on Ann Arbor Tr., May 15. About 20 guests from Plymouth and Farmington attended the shower. Miss North will be married June 13.

Mr. and Mrs. David P. Elias

SANDRA SUE OLSON, daughter of Mr. and Mrs. Forrest Olson, of 1064 Carol St., became the bride of David P. Elias, son of Mr. and Mrs. Homer Elias, of Grand Rapids, in a double ring ceremony at Church of the Nazarene, May 9.

Sandra Sue Olson, David P. Elias Wed in Double Ring Ceremony

In a double ring ceremony May 9, at Church of the Nazarene, Sandra Sue Olson became the bride of David P. Elias.

The bride is the daughter of Mr. and Mrs. Forrest Olson, of 1064 Carol St., and the bridegroom is the son of Mr. and Mrs. Homer Elias, of Grand Rapids.

Given in marriage by her father, the bride wore a dress she designed, styled with lace bodice and long tapered

sleeves and skirt of peau de soie with a small train, appliqued with lace medallions. She wore a silk illusion veil with a tiara of seed pearls and carried a bouquet of two white orchids with stephanotis and Ivy on a white Bible.

Mrs. Earl Fulton, of Plymouth, was matron of honor, and Joyce Palmer, of Grand Rapids, and Ellen Elias, of Plymouth, were bridesmaids. They wore aqua gowns of silk organza over taffeta and carried yellow and white daisies in wicker baskets.

Flower girl was Dawn Fulton. Her dress was yellow dacron with a nylon embroidery overskirt, and she carried a basket of aqua flowers.

Doreen and Sheryl Elias, sisters of the bridegroom, were candlelighters. Best man was Ronald Fletcher, of Garden City, and the groom's attendants were Fred VanHaitma, of Sparta, and James Dochstader, of Grand Rapids. Ushers were Earl Fulton, of Plymouth, and Carl Atkinson, of South Bend, Ind.

The bride's mother wore a beige embroidered linen dress with light green accessories and the groom's mother wore a silk print dress with beige accessories.

Reception was held at the Grange Hall.

For her going away outfit, the bride chose a printed dacron dress with green patent accessories.

Following a trip to northern Michigan, the couple will live in Grand Rapids.

R. L. Campbell, J. A. McPherson Repeat Vows

In a morning ceremony in Our Lady of Good Counsel Church on April 18, Judith Ann McPherson, daughter of the Fred McPhersons, of Elberta, Mich., became the bride of Robert Lawrence Campbell, son of Mr. and Mrs. William Campbell, of 410 Ann St.

For her wedding, the bride wore a floor length gown of white peau de soie, fashioned with a lace bodice and lace panel extending to the hem in the back. Her short veil was held in place by a tiara of pearls. She carried a cascade bouquet of white carnations and ivy, centered with a corsage of red roses.

Attending the bride were her sister, Marilyn McPherson, and Mrs. James Singleton. They wore short frocks of powder blue nylon and carried cascade bouquets of pink carnations.

Michael Budnik served the bridegroom as best man and Fred McPherson, brother of the bride, and Robert Cole seated the guests.

The new Mrs. Campbell is a graduate of Benzonia High School and Mr. Campbell, a 1961 graduate of Plymouth High School, is employed by Lynch and Skinner, of Farmington.

The couple are making their home in their newly purchased house on Five Mile Rd.

Mother-Daughter Banquet Draws Almost 300

Close to 300 mothers and their daughters attended the St. Peter's Evangelical Lutheran Church Mother-Daughter banquet in the church fellowship room May 8.

Program for the evening included an original play, garden style show, group singing, and a speaker.

The play "Wild Grapes," was completely written, directed, produced and acted out by members of Wayne Huber's Sunday school class, all ninth grade students. Kathy Berridge assisted Huber with the direction and production of the play.

Several Pioneer girls from Caravan 90 presented a garden style show of fashions made from newspapers, vegetables, fruit, etc., all created and designed by them.

Speaker on the program was Mrs. Lola Alexander, of Northville, who discussed "Health & Beauty."

Preceding group singing, accompanied by Janet and Charlotte Heidenrich, preschool and first grade girls from St. Peter's School, sang a few songs appropriate to the occasion.

Chairman of the banquet was Mrs. Fred Heidenrich, of Hartsough St. and Mrs. Avis Waldecker was toastmistress.

STIRRING her sauce for delicious authentic Italian spaghetti is Mrs. Joseph Perlongo, 1192 Harvey St. The recipe was given to her by her mother-in-law, a native of Italy.

If you want to taste authentic Italian spaghetti, try the recipe given to Plymouth Pantries by Mrs. Joseph Perlongo, 1192 Harvey St. The recipe was given to her by her mother-in-law who was a native of Italy. Mrs. Perlongo suggests that you may replace the meat balls with raw cut-up chicken parts or raw Italian sausage to give your spaghetti variety. The meat ball mixture may also be made into patties and fried, she says.

Mrs. Perlongo says she enjoys cooking and baking but has been too busy raising her five children to develop many hobbies. The Perlongos have four children living at home, Donna, 13 year old; Debbie, 15; Joanie, 8; and Greg, 1. They also have a married daughter, Mrs. David Pinion, of Wayne, and an eight month old granddaughter, Norrie.

The family has made tape recordings of their children's voices since they were small. They are also hi-fi bugs.

- #### ITALIAN SPAGHETTI SAUCE AND MEAT BALLS (Serves 6-8)
- Sauce
- 1 Tbl. shortening
 - 1 small onion
 - 1/4 lb. hamburger
 - 1 lg. can tomatoes (size 2 1/2 can)
 - 2 cans tomato sauce
 - 2 cans tomato paste
 - 1 can water
 - 2 level teaspoons sugar
 - 1/2 tsp. sweet basil leaves
 - 1/2 tsp. garlic salt
 - salt and pepper to taste
 - 1/4 c. grated parmesan cheese
- Meat Balls
- 1 1/4 lb. hamburger
 - 2 eggs
 - salt and pepper
 - 1/4 c. grated parmesan cheese
 - 1/2 tsp. garlic salt
 - 1/2 tsp. sweet basil leaves
 - 1 c. water
 - 1 c. bread or cracker crumbs
- Mix meatball ingredients in large bowl, roll into balls the size of walnuts. Melt shortening in large saucepan; add hamburger and onions diced in small pieces. Brown slightly, add remaining ingredients. Bring to boil and simmer on low heat for 2 1/2 hours. Any leftover sauce may be frozen for future use. Just before its ready to serve cook 2 lb. spaghetti in boiling salted water until tender, rinse with hot water and drain. Remove meat balls from sauce, dish up spaghetti individually, cover with sauce and sprinkle with grated parmesan cheese.

Hospital Slates Volunteer Program

The fourth annual volunteer workshop at Northville State Hospital, 41001 Seven Mile Road, Northville, is planned for Wednesday, May 20th. Members of the morning panel, made up of volunteers and staff members, will outline the history of the hospital's volunteers, the work of departments directly related to volunteer programs and new opportunities for service. The program will be followed by buzz groups which will discuss a variety of topics of common concern. After lunch and a fashion show, in which a volunteer will outline how her patients' sewing project utilized donated materials, Philip N. Brown, M.D., Medical Superintendent, will present awards to the volunteers. This year over 16,000 hours were contributed by 26 volunteer groups, and donations were given to almost every department and area of the hospital.

Fourth Grader Gets Letter from Astronaut Glenn

One Plymouth youngster, a fourth grader at Bird School, is jumping for joy — not because she just saw the Beetles or bought their latest record, but because she received a letter from Astronaut John Glenn, Jr., lieutenant colonel in United States Marine Corps. "Thank you for your fine letter. Best regards to you and your schoolmates," Glenn wrote to Diana de Bear, daughter of Mr. and Mrs. Richard de Bear, 11970 Amherst Ct. Diana's class has been studying the solar system, and she chose space travel for further research. Her letter to Glenn told of her space travel study and wished him a speedy recovery from his recent fall.

Salvation Army Week Observed

It was announced today by Brigadier Ernest Hammer, local Salvation Army Commander, that this week, from May 17-24, is being observed throughout the United States as National Salvation Army Week.

In this connection, news media throughout the United States will include news coverage on The Salvation Army to acquaint the public with its work.

A WELFARE agency that is widely acclaimed for its humanitarian and social work, The Salvation Army in Plymouth is striving to live up to the high traditions of its contemporary and historical work throughout the country, according to Brigadier Hammer.

In addition to this, Army workers in Plymouth minister to convalescents in the general area with regular visitation and visit the Detroit House of Correction with services on a regular basis.

An Annual Report of The Salvation Army activities will be sent upon request, free of charge.

Brigadier Hammer said, The Salvation Army is aware that this is Michigan Week, and would like to salute the good people of Michigan and express thankfulness for the wide variety of opportunity and resources our State offers.

The Salvation Army is a member agency of The Plymouth Community Fund.

wide scope of activities. The Salvation Army in Plymouth has a full schedule of activities offering character-building and recreational activities to all ages, including adults.

Available to you without a doctor's prescription, our drug called ODRINEX. You must lose ugly fat or your money back. No strenuous exercise, laxatives, massage or taking of so-called reducing candies, crackers or cookies, or chewing gum. ODRINEX is a tiny tablet and easily swallowed. When you take ODRINEX, you still enjoy your meals, still eat the foods you like, but you simply don't have the urge for extra-portion because ODRINEX depresses your appetite and decreases your desire for food. Your weight must come down, because as your doctor will tell you, when you eat less, you weigh less. Get rid of excess fat and live longer. ODRINEX costs \$3.00 and is sold on this GUARANTEE: If not satisfied for any reason just return the package to your druggist and get your full money back. No questions asked. ODRINEX is sold with this guarantee by:

WORKING ON demolition of the old building next to Plymouth's new City Hall last week, a workman kicks debris from the roof. Junior Achievement offices and the city's Department of Public Works were moved from the structure so razing could begin. The old building was one of the first Christian Science meeting halls constructed in the State of Michigan. Later it housed the Plymouth Community Federal Credit Union offices and, still later, Junior Achievement and the DPW.

4-H Bridle Club Plans May 23 Horse Showing

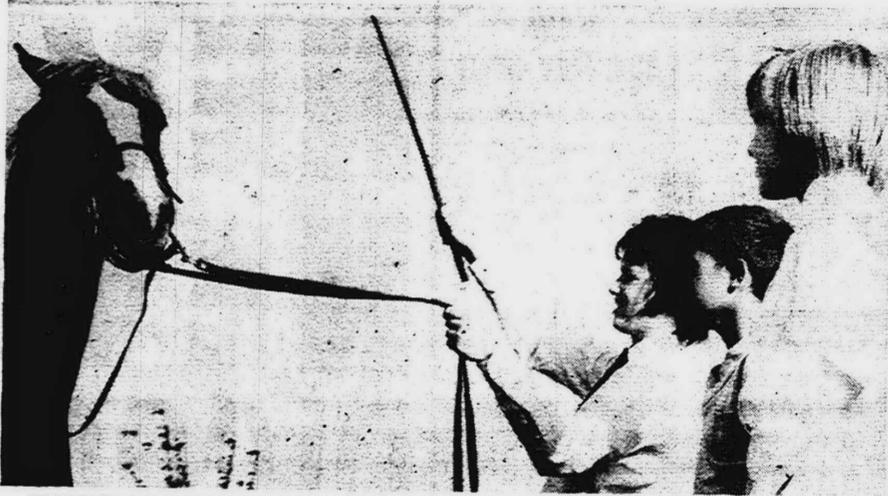

Plans are now underway for the first open horse show to be presented by the Plymouth 4-H Bridle Club on Saturday, May 23 at 9 a. m. at the Woods and Waters Farm at the corner of Nine Mile Road and Pontiac Trail.

The show includes 23 separate classes, all sponsored by local persons and service clubs at \$15 per class. The cost covers the trophy and ribbon to be given in a particular class.

The club, which includes 23 youngsters ranging in age from 10 to 18 — all with their own horses, has been planning the show since January 16. A trophy and five ribbons will be given in each class.

Ringmaster will be Ted Roberts, son of Mr. and Mrs. Thomas Roberts of 47950 W. Ann Arbor Trail. The judge will be Barbara Gougeon Sheffler of Ann Arbor. Veterinarians, an ambulance and a blacksmith will be in attendance.

Nitroglycerine has an explosive force 13 times greater than that of ordinary commercial gunpowder.

DEMONSTRATING the correct way of showing a horse to members of the Plymouth 4-H Bridle Club last week was Sue Roberts, left, 15-year-old daughter of Mr. and Mrs. Thomas H. Roberts of 47950 Ann Arbor Trail. The club is

planning their first horse show for Saturday, May 23. Looking on are David Earehart of Salem and Pamela Cunningham of 8325 N. Territorial Road, Plymouth.

Did you know that at the Plymouth Mail Office, the publisher has a political campaign banner of 1840? On this banner the Whigs of Plymouth promise their support to William Henry Harrison.

Canton News

By Clara Witherby — GL 3-7435

Mr. and Mrs. Glenn Clark of Napier Rd. were hosts to the Canton Farm Bureau Group Wednesday evening, May 13. There was a nice turnout, and the topic for discussion was on 'Trying to interest young people in the Farm Bureau.' This was their last meeting until September.

Mr. and Mrs. Fredk Green of Lotz Rd. spent Tuesday evening, May 5 in Warren, at the home of their son, Mr. and Mrs. Lawrence Green and family, to help their granddaughter Nancy celebrate her 4th birthday.

Mr. and Mrs. Edward Bassett of Beck Rd. attended a surprise birthday party Friday evening, May 8, given for Mr. Lester Bassett of Plymouth. There were approximately 15 family members present.

Mr. and Mrs. James E. Caksakker, of Sheldon Rd. have had as a guest for two months, Mrs. Caksakker's

mother, Mrs. Mae Hamlin, from Clinton, Ky.

Mr. and Mrs. Frederick Green of Lotz Rd. spent Sunday, May 10, in Ypsilanti, to witness the baptism of their infant grandson, William Robert Herman, then for a 'Mother's Day' dinner at the home of their daughter and husband, Mr. and Mrs. Thomas Herman.

It was a busy weekend at the Whitherby homestead. Our daughter Patsy and family, Mr. and Mrs. Philip Palisano and three children, Frank, Maria, and Debbie, of Lockport, N.Y., came late Friday night, and left Sunday morning. All day Saturday was open house, with the rest of our family coming and going. Tiring, but we enjoyed every minute of it.

The girls of the Cherry Hill 4-H Club, who won in their division at the County Dress Review, at the Ford Central Office Bldg., May 8 will model at the Greenfield Vil-

lage Country Fair, along with girls from seven other counties. In 'Senior Miss General Wear': Susan Brinks; (sports-wear) Junior Miss and alternate, Susan Hauk. For Workmanship, those displaying their garments are: (aprons) Susan Schmidt and Lou Ann Schultz; (jumper) Deborah Berry; (sports outfit) Patty Bosman; (skirt and blouse) Susan Hauk; (suits) Carol Schepple and Sue Roberts; (party dress) Marilyn Moyer.

Those exhibiting Livestock are: Susan Hauk (Hereford calf); Dennis Wilkin (Angus calf); Dwight Wilkin (Angus calf); Richard Berry (goat); Linda Winekoff (Holstein cow); Jay Hartford (Jersey cow).

Mr. and Mrs. Frederick Green of Lotz Rd. celebrated their 35th wedding anniversary, Saturday, May 9, by going out to dinner at the Dearborn Inn.

Mr. and Mrs. Fred Korte, Sr. are back from spending the winter in Florida, and are visiting their son and wife, Mr. and Mrs. Donald Korte and family, on Beck Rd. They are leaving in a few days for their summer home on Drummond Island.

Nine members of the Hough Extension Group attended the 'Homemaker's Banquet' (a smorgasbord) Tuesday evening, May 12, which included all Wayne County Extension Clubs, at Roma Hall, in Livonia. There were approximately 300 present. Entertainment was provided by the Bentley High School Concert Choir.

Mr. and Mrs. Ralph Samples of Ford Rd. have had as guests for a week, Mrs. Sample's parents, Mr. and Mrs. William Reed, who have just returned from spending the winter in Ft. Dora, Fla. They have now left for their summer home in Cederville, Mich.

Raymond Green, son of Mr. and Mrs. Fredk Green of Lotz Rd. is home for the summer vacation, from the University of Michigan Law School. His brother David came for an overnight visit last Thursday from Battle Creek, where he teaches Music.

AT MONTHLY MEETING:

Canton Board Authorizes Trailer Negotiations, Tables Rights Covenant

Authorization to negotiate for the purchase of a 25-ton trailer was granted Canton Township Treasurer Philip Dingley at the Township's monthly board meeting held Tuesday evening, May 12 in the township fire hall.

The trailer would be used by the township to haul equipment.

Township Supervisor Louis Stein told the board the trailer has never been used and is in good condition although it is seven years old. He explained it has been tied up in an estate until now.

Purchase of the trailer would enable the township to move their equipment at their convenience rather than hiring someone to move it.

In other action at the meeting, township supervisors tabled a request made by the Human Relations Assembly for the board to endorse an open housing covenant until they have an opportunity to talk with their appointees to the Plymouth Community Human Relations Commission. In a letter to the board the assembly said the covenant has been endorsed by the Human Relations Commission, Plymouth Ministerial Association, approximately 350 citizens and, with slight change, Plymouth City Commission.

A representative of the Human Relations Assembly, Norman Thoburn, explained to the supervisors that both the Assembly and the Commission are working toward the same objectives but that the Commission is an official body while the Assembly is not.

Also at the meeting, Stein read a letter from Township Attorney William Sempliner stating that signatures on the petition requesting installation of water mains along Lotz, Haggerty and Joy Rd. are satisfactory. The petitions required the signatures of 51% of the land owners 200 feet on either side of the roads.

The board unanimously ap-

proved a motion to authorize the Township Clerk John Floidin to ask for bids for trade-ins on their station wagon and pick up truck.

Two recommendations of

the Township planning commission were also accepted by the board. The commission recommended that the most northeast quarter of section one, along Joy Rd. and east

of the proposed I-275 freeway, from R-1-H, country homes, and R-1-B, smaller residential, to C, commercial, and C-2 shopping center, districts. An amendment to the subdivision ordinance that would require sidewalks on all lots, 60 feet or less, and other locations, where they are deemed necessary for safety or convenience was also presented by the planning commission.

Riverside Estates

The third, fourth, and fifth graders in Miss Finkbinder's and Miss Bock's rooms visited Greenfield Village last Tuesday. The mothers who helped the teachers were Mrs. Dorothy Curok, Mrs. Irene Fohey, and Mrs. Mary Conley. The children from our subdivision who went were: Carla Saunders, Loree Curok, Linda Curok, Debbie James, Bill Fohey, Rosie Gondek and Angie Conley.

Mr. and Mrs. Norman Fitzpatrick, of Lindsay Dr., spent the week-end of May 8 and 9 in Kalamazoo at the Michigan State JayCee Convention.

Mr. and Mrs. David McIntosh, of Hines Ct., had Mr.

McIntosh's mother, Mrs. Madeline Plant, over on Mother's Day for dinner. Mrs. Plant has just recently gotten out of the hospital after a throat operation and is doing nicely.

Mr. and Mrs. Clete Karamon, of Lindsay Dr., and their infant son, Clete Jr., spent a very busy Mother's Day. They had dinner at Mr. Karamon's mother's, Mrs. Stella Karamon. From there they went on to visit Mr. Karamon's grandmother, Mrs. Mary Karamon; Mrs. Karamon's parents, Mr. and Mrs. Walter Stasiak; and Mrs. Karamon's grandparents Mr. and Mrs. John Kafas.

At the time of writing, Mr. Donald Saunders, of Lindsay Dr., is in St. Mary Hospital recovering from a stomach operation. We, of the subdivision, all wish him a speedy recovery.

FIRE

The block of stores on Main Street between Penningman Avenue and Ann Arbor Trail have had a smoky history. On May 5, 1856 a fire starting in the Root Hotel at Main and the Trail burned all of this block except two stores. Then, in 1893 another fire took all the building from the Trail to within three stores of Penningman Avenue.

Residents of the U.S. consume more coffee each year than all of the rest of the world combined, much of the imports coming from Brazil.

NOTICE OF PUBLIC HEARING VACATION OF STREET

City of Plymouth, Michigan

Notice is hereby given that on Monday, May 25, 1964, at 7:30 p.m., a public hearing will be held by the City Commission in the Commission Chamber of the City Hall upon the question of whether or not the following street will be vacated:

That part of Byron Avenue between the West line of Harvey Street and the East line of McKinley Avenue, projected Southerly.

All interested parties will be given ample opportunity to participate in the hearing and, at the close of the hearing, the comments and suggestions of those citizens participating will be considered by the City Commission before making a decision.

Common Market Discussed At Kiwanis Farmers' Night

Art Mauch, professor in Michigan State University's agricultural economics department discussed the European Common Market at the Kiwanis Club's annual "farmers night" May 12, at Cherry Hill Methodist Church.

Full member countries in the common market are West Germany, France, Italy, Belgium, the Netherlands and Luxembourg. Greece is an associate member.

The three phases of the Common Market, according

to Mauch, are (1) a customs union to gradually reduce tariffs between members and for a common external tariff policy toward imports from other countries; (2) an economic union to harmonize taxation, depreciation rates, fiscal and monetary problems and social programs; and (3) a political union to form a common parliament or assembly, judicial branch, executive body and army.

MAUCH SUGGESTED that United States farmers either begin to plan to produce an agricultural product needed at home or abroad or be prepared to enter another field of endeavor because each country wants to be self-sufficient in the production of food.

He explained that our delivered price on chicken to West Germany has increased eight cents, from 35 cents a pound to 43 cents, since the establishment of a Common Market Alliance tariff.

He also said he feels we have too many commitments with other countries to accept membership in the common market if it were offered. He explained that our Food for Peace plan and others are not acceptable to the common market.

An old fashioned chicken dinner was prepared by Mrs. Stan West and her committee Barb Miner, Fay Kaiser, Caroline Dunston and Karen West helped serve the dinner.

Guests were Dave Leaverton, Butch Waldecker, Ken Kehrl, John Schroder and Bill Burger.

For Michigan Week, the Plymouth Club will exchange presidents with Garden City. Dale Carmine and the vocational guidance committee will present the May 26 program and the June 2 program will be presented by Walter Gempertine, lieutenant governor of the sixth division.

Chips from the ROCK

This week is Michigan Week and . . . since I was born in Michigan and have enjoyed the bountiful beauties and assets of our Water Wonderland for 57 years it might be appropriate, if though uninteresting, to mention some of the things that have given me pleasure during this period.

My early recollections during my childhood were fishing expeditions in the Kalamazoo area with my Dad. He loved to fish and after putting the Kalamazoo Gazette to bed each night (he was the editor then) he and various members of his staff would catch a train to some neighboring lake where they would fish till dawn, sleep on the train and then go back to work.

As my mother recollects he was seldom home when the fishing was good but our pantry never lacked for a good assortment of fish. Since those days, many years ago, I have fished in all the Great Lakes for perch, trout and smelt, have fished the Little Manistee river, the Hurricane, the Au Sable, the Clinton and the St. Joe, as well as dozens and dozens of our inland lakes in both peninsulas, and bass, blue gills, trout and pike.

We have hunted partridge, pheasant, duck, geese, rabbits and deer from this area to Mio, to Alpena, to the Porcupine Mountains, and across the upper peninsula and back down the other side of the State. Drummond Island and the marshes of Munuscong and Potagannissing have also been under the sights of our guns.

We have vacationed in several of Michigan's State Parks. We have tried trailering, tenting, cabins and just plain sleeping bags from Holland on Lake Michigan's shore to Sleeping Bear Point and on to Lake of the Clouds, Tahquamenon Falls and back down the east coast of beautiful Lake Huron at Presque Isle, Harrisville, Wildfowl Bay and Grand Stone City.

Our vacations have taken us to hotels and Inns throughout the State from the Whitcomb at St. Joe to Macatawa Beach and Manistee. From motels at Charlevoix and Petoskey to Blaney Park resort and Mackinac Island and the greatly over-priced Grand Hotel.

We have driven at various times to enjoy the blossoms at Benton Harbor and the fruit orchards in that area to the Tulip Festival at Holland and the blossoms, and later the Cherry Festival, at Traverse City.

It takes travel to other states to bring home the fact that Michigan fruits, apples, vegetables, beans and other farm products have a taste and quality that isn't matched elsewhere. And . . . to do that traveling it takes a fine Michigan-made automobile to make your trip more enjoyable.

I can remember doing my ice-skating, in my youth, on a pond which is now the campus of Kalamazoo College and our skiing was done on the giant slopes at the front of Kalamazoo Normal, now Western Michigan University. As a matter of fact, back in those days we had it even more luxurious than today's beautiful Michigan ski lodges because the old cable cars provided excellent transportation back up the hill, and all at no cost to the kids.

Of course, today one skates in well manicured public parks or skis at one of Michigan's many lush ski resorts and there are more here than in any other State.

Then, of course, there are the hundreds of other educational and recreational attractions such as Sleeping Bear Dunes, Greenfield Village and on, and on, and on. Michigan boasts 67 well kept State Parks, 160 historical markers pointing out interesting historical information, and over 1,200 miles of toll-free Interstate Highways.

A visitor can visit Canada via tunnel, bridge or ferry and, of course, the Mackinac bridge is an interesting sight though much too expensive to cross to be desirable. In this respect, I think one area where we have erred is the discontinuance of the old ferry boats at the Straits. I have heard many people say they looked forward to that 40 minute, relaxing boat ride after several hours in their car.

Our State can boast so many firsts that there isn't space to enumerate them . . . from the first State to provide travel information for the motoring public to building the first travel information Tourist Lodge near New Buffalo, Michigan, and here again . . . on and on and on.

I might also include at this point that our Legislators are about to rack up a new first in salaries to pay themselves the highest amount in the Nation and there aren't more than twenty in the whole body worth anywhere near that kind of money.

But, in spite of a few of these inequities, Michigan is most certainly a wonderful State and it offers its residents and its visitors so wide a variety of amusements and beauties that it would take pages to record these many things.

It is evident, however, that we have kept pace with our growth. Our lakes and streams, our forests and our parks are replanted, enlarged and beautified each year. Our cities are modern, our industry leads throughout the world and our educational and health facilities are second to none. No wonder, then, that this is one of the most desirable states in which to live.

If you seek a pleasant peninsula . . . look about you!

Michigan Week: Plymouth's Heritage

Probably the highest point in Plymouth's Michigan Week celebration will come Friday afternoon when the new City Hall cornerstone is set at ceremonies expected to be attended by dignitaries from the state, local and national scene.

Friday is "Our Heritage Day," and the rites at the new municipal building should serve to remind all Plymouth Community citizens of the heritage that is theirs. In a Michigan Week talk to a national audience, Gov. George Romney delivered some penetrating comments on the state's heritage. He said:

"There was no compelling reason why Michigan should become the center of the world's automotive industry. Favored as we were with natural resources, there were other areas of the nation that could more easily have become the world capital of the auto industry.

"What made the difference was the imagination and energy of . . . auto pioneers . . . It took the thousands of people who flocked to the state from all parts of the nation and world, Danes, Belgians, Negroes, Poles, Germans and Irish — Michigan represents almost every national group — to translate the dreams of a few into the reality of many.

"What is more important than the natural favors which God bestowed on Michigan is our people — people who have been drawn to its high rewards . . . Without the spirit, the intelligence, the skill, the courage and the imagination of these people and their organizations, Michigan would be nothing more today than the green wilderness which Brule found in the 17th century."

Without the spirit, the intelligence, the skill, the courage and the imagination of community people and their organizations, Plymouth would be little more today than the sleepy rural village it was at the turn of this century. Plymouth people have made the difference. We trust that, during the self-praise of Michigan Week, they will avoid the pitfall of complacency and continue to give the Plymouth Community thoughtful and articulate leadership toward ambitious and worthy goals.

And so it goes with the Plymouth Community. Our proudest heritage is our people. When the Daisy firm left Plymouth, it tore a gap of 500 jobs from the community fabric — a loss that, since that time, has been replaced with more than 3,000 new jobs. The gain, in no small part, came through the efforts of Plymouth people.

The unique cultural climate which pervades Plymouth is the end result of countless hours of thought and work by community citizens. At a news conference last week, a local industrialist — perhaps unknowingly — put his finger on the crux of the matter:

"I can't quite define it," he commented. "It's completely intangible. But there's something about Plymouth that makes it a pleasant place in which to work — a good place to live." The Plymouth Mail thinks it knows what he meant.

We're sure it's neither the climate, the architectural keynotes of the community, nor any of the other more obvious facets of Plymouth life. It is our people. And we take the liberty of paraphrasing the governor's words:

Without the spirit, the intelligence, the skill, the courage and the imagination of community people and their organizations, Plymouth would be little more today than the sleepy rural village it was at the turn of this century. Plymouth people have made the difference. We trust that, during the self-praise of Michigan Week, they will avoid the pitfall of complacency and continue to give the Plymouth Community thoughtful and articulate leadership toward ambitious and worthy goals.

We trust that, during the self-praise of Michigan Week, they will avoid the pitfall of complacency and continue to give the Plymouth Community thoughtful and articulate leadership toward ambitious and worthy goals.

Without the spirit, the intelligence, the skill, the courage and the imagination of community people and their organizations, Plymouth would be little more today than the sleepy rural village it was at the turn of this century. Plymouth people have made the difference. We trust that, during the self-praise of Michigan Week, they will avoid the pitfall of complacency and continue to give the Plymouth Community thoughtful and articulate leadership toward ambitious and worthy goals.

LETTERS TO THE EDITOR

NEWS FROM BRIMLEY

Dear Sterling:

Having been born and raised in Plymouth, and being an alumnus of good old PHS I feel that my numerous friends and former classmates of Plymouth would be interested in our news. Also, as my mother, Mrs. C. H. Hammond still lives in Plymouth I presume there are friends and acquaintances of hers who would be interested, too.

As you know, we, Elmer and I have owned Elmer's Place, a summer resort, here in Brimley for the past eighteen years. Your late father and mother visited us one summer. This spring we sold our resort to Mr. and Mrs. Ervin Baker of Midland, Mich. The boys and I are moving to Fort Myers, Florida where Elmer is working. At present I am staying in Brimley until school is out.

Our second son, Michael, graduates on May 28th, Richard finishes his sophomore year on June 5th, and on June 6th the seniors will leave for Washington, D. C. for their annual trip. On June 14th we will leave Brimley, stopping in Plymouth, enroute, to see my mother.

Sincerely,
Mrs. Elmer J. Wieland

WINS BOND

Letter to the Plymouth Chamber of Commerce.

Dear Sirs:

I wish to express my appreciation for the Midnight Madness Shopping event sponsored by your organization. Not only was I able to take advantage of many bargains offered by our merchants but I was fortunate enough to be the winner of the \$100 Savings Bond.

We have lived in Plymouth Community for less than a year but have done a major portion of our shopping here for the past eleven years. Needless to say, we shall continue doing so.

We wish you continued success in your future endeavors which, of course, will mean continued progress for the Plymouth Community.

Most sincerely,
Frances Petersen

THANK YOU

Dear Mr. Eaton:

On behalf of The Plymouth Branch of The Michigan Cancer Foundation, I wish to thank you very much for the wonderful publicity you gave us in your paper during the month of April.

This is always our Crusade month and we do our very best to warn the public in general about early detection of this dreaded disease. If each and every one of us do our part some day the good news will come that a cure has been found.

I feel this very deeply as at the present time I have a sister in University Hospital taking treatments.

Thanks again,
Michigan Cancer Foundation

Township Residents Should be Pleased

A tribute for reason and thoughtfulness should be given to Plymouth Township Trustee Ralph Garber for the arguments he advanced at last Tuesday evening's board meeting when the thorny question of legal action under the township's air pollution ordinance came to the fore.

Township officials, weary of a plaguing smoke problem and stimulated to action by persistent and irate homeowners, had—because of the illness of township attorney Earl Demel—contacted the Livonia law firm of Brashear, Brashear and Mies about the matter.

In a letter to Supervisor Roy Lindsay, B. B. & M. noted that the township apparently had a good case against Evans Products Corporation and asked for a sweeping resolution of authority to take whatever steps were necessary, including filing a complaint with the Wayne County Circuit Court.

Garber, a former Wayne County assistant prosecuting attorney and a veteran of years in the legal field, hammered away at the question—asking what sort of relief the township expected to secure in the courts, and noting the difficulties surrounding a legal battle of this nature.

Maybe, Garber suggested, the township could accomplish more by

means of arbitration than in the courtroom. Apparently on the strength of his reason, a motion to grant the Livonia attorneys authorization to begin court proceedings was defeated and Garber's motion to instruct the law firm to attempt arbitration was given unanimous approval.

On Wednesday, a Plymouth Mail reporter saw and photographed men at work on the boilers at Evans Products. Underway was installation of equipment designed to alleviate any contribution Evans may have been making to the smoke problem in the township—indicating that a law suit, at this time, would be pointless.

Even if, as other members of the township board contend, many promises and little action has been forthcoming in the past, The Plymouth Mail thinks it was wise of them to explore the path of arbitration before involving the township in what could possibly be a long, costly, and perhaps bitter, legal controversy.

Garber deserves commendation for his efforts to see thought prevail and his interest in the welfare of the township and its taxpayers. As he pointed out, if arbitration methods are fruitless, then the matter can be taken to court. We were pleased with Ralph Garber's showing. Township taxpayers should be, too.

Stop Rock Hitters as Trenton, Parkers Win

Plymouth saw its two game winning streak come to halt last week as they absorbed bitter 1-0 and 2-1 losses at the hands of Trenton and Allen Park.

Receiving their best hurling of the season, the Rocks com-

open the disappointing week. He fired blanks for six innings before two singles and an error in the outfield combined to make him a loser. Troutman walked only one in showing near perfect control.

Daniels, who lost in the tenth inning, received one more run than Troutman but failed to overcome two crucial errors by his teammates. Eight walks also added to his dilemma, but it was the miscues in the field that spoiled his four-hitter.

Cal Luibrand collected two singles in three trips to the plate for the Rocks to pace them against Trenton. Four other Rocks collected singles, but in only one frame were they able to put more than one of them together.

SINGLES BY Luibrand and Jerry Cosgrove in the fourth gave Plymouth a chance to do some damage but the threat failed as Daniel's fly ball to rightfield was pulled in to end the inning. Terry Clark singled with one out in the 11th and stole second, but died as a strike out and infield tap ended that rally.

Hal Kusiel's single and stolen base gave Plymouth one more opportunity in the top of the sixth but he was left stranded as Luibrand fanned and Cosgrove popped out.

A single by Arnold and an error in centerfield set up Trenton's winning tally. VanHooser ended the contest with a sharp hit and made a winner of Kingdon who fanned eight Rocks.

The week ended as it began against Allen Park as Plymouth could push only one of 14 runners over the plate. Twice the Rocks had the

bases loaded only to be stopped by the Parker's strong hurler, Matakas. Matakas fanned 16 Rocks in the overtime battle that ended on an unearned run in the 10th inning. Allen Park loaded the bases on two walks and an infield

the diamond with one out. Matakas escaped damage as he fanned one man and forced another to fly to center.

Plymouth had one last chance to knot the game again in their half of the tenth as Luibrand was safe on an error leading off. Kusiel forced him but made it to second on a throwing error by Matakas. He was left stranded as the next two hitters fanned.

Plymouth will try to get back on the winning track this week as they play Livonia Bentley at home this Monday and face Belleville away Thursday.

Plymouth J.V.'s Lose Another

The Plymouth High Junior Varsity was again hit by a rash of fielding errors last week as they dropped their fifth game in seven outings while losing to Allen Park 6-5.

The Rocks blew a 3-0 lead in the third inning as Allen Park came up with four unearned runs to go ahead to stay. Four errors added to just one hit and a walk did the damage to Rock hurler Randy Williams. Williams gave up only three hits in five innings before giving up the chores to Jack Robinson in the sixth. Robinson was touched for two safeties but held Allen Park scoreless.

Plymouth grabbed the lead in the third inning as John Adams and Jim Arnold walked to lead off and Steve Stribley doubled them home with a booming double. Mike Manley sent Stribley home with a single to tally the third Rock run of the inning. Walks to David Eisford and Glenn Heinrich jammed the bases but a pop up and strike out ended the feast for Plymouth.

The locals tallied again in the fourth when Adams and Arnold again drew walks and Mike Klinkhammer brought in Adams with a sharp single. Arnold brought home the final run for Plymouth in the sixth when he walked, stole second, and came home on the catcher's bad throw.

Trenton Nips Rocks 4-3 In Net Play

The Plymouth tennis team narrowly missed defeating the Trenton Bulldogs last Tuesday as they fell 4-3 and lowered their season mark to 8-3.

The Rocks nearly pulled the upset as they went into the final set knotted three-up. Bob Waters, who had been blanked in his first try against the Bulldogs this year, surprised Trenton by taking the first set 14-12 but faltered late 7-9 and 4-6.

Dave Tidwell won in the No. 1 singles but Doug Sutherland and Tom Chandler fell in the No. 3 and 4 singles.

PLYMOUTH'S other victories came in the No. 1 doubles as Jim Bruff and Clark Raven turned in fine performances. The No. 2 doubles team of Gary Fuelling and Rick Jones triumphed in their match.

The No. 3 doubles team of Clinton Blood and Jim Reynolds were defeated in their bid.

The netters have matches Monday, Tuesday, and Wednesday of this week to prepare themselves for the upcoming Regionals. Coach Jim Stevens looks forward to capturing the third straight regional crown for the Rocks of Plymouth.

Golfers Ready For Suburban Six Match

The Plymouth High School golf team, fresh from an impressive showing at the regional match last Friday, will attempt to defend their Suburban Six League title next Monday as they travel to Grosse Ile Country Club. The battle for the league title should be an extremely interesting one as three of the four teams participating are rated even. Trenton and Livonia Bentley are likely to give the Rocks all they can handle. Trenton will be particularly tough as Grosse Ile is their home course. The defending Rocks will

Dave Wall Jim Mattison, Jerry Scott, an Skip Otwell to carry home the trophy. The chances of Plymouth were brightened by the strong showing in the Regional Match held at Brighton's Burrough's Farm Golf Course. The Rocks finished fourth out of 21 participating schools as Ann Arbor High scored a record low of 305 to win the match. Jackson Parkside ended with 311 and Dearborn 313 to place second and third, respectively. Jackson's Chuck Mohlman shot 73 to take Medalist honors.

Plymouth High Notes

By Judy Burgett

A week of campaigning, posters, campaign promises, and that final long day of voting came to an end last week as all-school and class officers were elected to fill the '64-'65 posts.

Junior John Hannula was elected to the post of all-school mayor. John was a member of Student Council this year and President of the French Club, and was class president as a sophomore. Assisting John will be Vice Mayor Janis Firestone '65, Secretary Betty Ann Erdelyi '65, and Treasurer Don Stamper '65.

Heading next year's Senior Class will be President Judy Olds, Vice President Carol Otwell, Secretary Kathy McIntyre, and Treasurer Chuck Olson. Chosen as Student Council representatives were: Jim Haarbauer, Kathy Hodge, Garry Grady, and Sue Niemi.

Tom Chandler was the choice of the sophomores for next year's Junior class President, as Belinda Pate was chosen Vice President. Sue Hulce was elected Secretary, and Curt Irish was chosen Treasurer. Leslie Smith, Mary Theeke, Sherada Erdelyi, and Randy Williams will represent the Juniors at next year's Student Council.

JayCees Urge Groups to Plan Fourth Entries

All groups and service clubs are urged to start planning their entries for this year's fourth of July parade, according to Jay Cees Ron Coosaia and Gary Hall.

This year's parade will begin at 1:30 p.m. rather than 11 a.m. as in previous years. It will start at N. Union St. and progress down Main St. to Hartsough where it will disband behind Junior High School East. Awards will be presented following the parade.

The 1963 parade was made up of 30 floats, five drill teams, two bands, several groups on horseback, clowns, the winner of the Miss Plymouth Contest and antique cars. More than 10,000 persons watched the parade.

For further information on entering the parade call Coosaia at GL 3-9478.

Also passed at this election was an amendment to the constitution which allowed a larger representation in the Student Council according to the size of the class. Starting with the '65-'66 school year each class will have one representative seated at the Council table for each 75 members of its class. When the remainder is more than 38 another representative will be seated.

As a project to raise money for next year's exchange students, the Student Council sponsored a "Bermuda Day" on April 29. A total of \$112.20 was collected from students wishing to wear bermudas on that day.

All students authorized to wear bermudas wore a 20c badge, and Student Council members checked dorm-rooms to make sure that dress regulations were kept. Another of the Student Council's projects was the purchase of a new auditorium curtain. The new gold curtain will be a part of other essential items furnished by other school organizations.

"Not Quite Shakespeare," the new literary magazine published by the first year journalism class, was put out last week with a cry for more behind it.

New found success was found for the book which has compiled some of the literary accomplishments of Seniors; Jim Eder, Cindy Holly, Judy Burgett, Pat Holmes, Nadine Criger, Yvonne Bradley, Sue McCully, Mike Mueck, and Carole Loesch.

Juniors whose works appeared were: Rob Wilson, Becky Lyons, Kathy Burke, Kathy Hodge, Lydia Innes, Judy Olds, Janice Mattison, Ellen Heid, Judi McDowell, Paul Campbell, Jeff Hoffman, Brad Miller, Ron White, Lucy Phinith, Mike Bentley, Linda Baughman, Sue Rybka, Al Rehner, and Pete Ackerman.

Sophomores entering the magazine were: Cindy Erdelyi, Steve Ott, Sherada Erdelyi, Joan Schell, Rowens Innes, and Betsy Williams.

Mary Arnold '66 was Plymouth's lone representative in the Spring District Forensics Contest held at Eastern Michigan University on May 4. Mary was entered in interpretive reading.

A total of \$112.20 was raised for next year's exchange student fund as a result of PHS's first Bermuda Day. Each student who desired to wear bermudas on that day had to pay 20 cents.

MEET THE "MICHIGAN PRODUCT OF THE YEAR"!

The award-winning Burroughs Electronic E 2100 Direct Accounting Computer

Burroughs Electronic E2100—combining the best features of a computer and an accounting machine—has just won the "Michigan Product of the Year" Award. Won it on all levels—county, regional and state—over hundreds of other excellent Michigan products entered.

And that's not all. The E 2100 racked up \$15 million worth of orders in its first four months. It will carry the "Made in Michigan" mark to all 50 states plus 126 countries. And maybe directly to you.

Because if you're in business, and your accounting volume is outgrowing your present equipment, and you need the simplicity of an accounting machine along with the high speed of a computer, all for under \$20,000... then the E 2100 will be a winner for you, too.
