CHESAPEAK E SONIO

AN AWARD of excellence for his personal column, "The Good Life," was handed to Plymouth Mail News Editor Doug Johnson by Editor and General Manager Dave Wiley when he returned from the annual Michigan Press Association Convention held in East Lansing last week. The prize was one of three won by The Plymouth

## Mail, Editor win awards

Editor Doug Johnson was mouth People Care." One named one of Michigan's of the series appears this top weekly newspaper week on Page B-2. columnists last weekend as The Mail walked off with three awards in statewide newspaper competition.

The citations were handed out Friday afternoon at the annual convention of the Michigan Press Association held at Michigan State University's Kellogg Center in East Lansing.

They included a second place award to Johnson for his column, "The Sporting Life," recently changed to "The Good Life;" a third place award for advertising idea of the year and a third place award for typegraphy.

Johnson's award came after competition against weekly newspaper columnists from papers of all sizes throughout the State

of Michigan. The other two prizes were won in competition with newspapers in the Detroit Suburban classifica-

ADVERTISING recognition was given for The Plymouth Mail's monthly institutional advertising series on the local marketing area. The campaign was developed by Editor and General Man-

ager Dave Wiley. The ads include a large photograph, a single, key priate copy. Their purpose week.

1- Flymouth Mail News is to emphasize that "Ply-

The advertising campaign is supported, on a signature basis, by Plymouth merchants.

In the typography category, prizes were based on over-all appearance and excellence of design. The Plymouth Mail is one of the first Michigan newspapers to use a "downstyle" headline schedule in which only the first letter of the first words of headlines and proper names are capitalized.

The new format was adopted last Spring when the 77-year-old newspaper changed to offset printing

With Johnson's award two prize-winning columnists are now featured in The Mail. Two years ago, Editor and General Manager Dave Wiley was cited

for his weekly columns.

Johnson came to The Plymouth Mail slightly over a year ago from East Lansing where he received his B.A. degree in Education with a minor in journalism from Michigan State University.

The 23-year-old News Editor recently married and he lives at 715 Virginia St. in Plymouth with his wife, Mary Lou, an elementary school teacher in

**BUS POLICY REVISED** 

and students were solved this week as a change in the busing policy was approved, and a small group of first graders was moved into a materials center room at Farrand Elementary School.

Between 16 and 18 first graders will be moved into small storage room at Farrand to relieve crowded conditions in first grade classrooms.

The decision was on outgrowth of a meeting between Gerald Elston, Farrand principal, and the parents of first graders involved.

The parents resisted a move to have the first graders transported to Allen School, where there is an empty room. Superintendent Russell Isbister commented on the problem when asked if there had been resistance to a possible busing of the class:

"Yes, there very definitely was resistance. They wanted anything but the move to Allen.'

Elston said Tuesday that the materials in the storage room would be moved into the library. A teacher has already been hired to teach the newly-created section.

"This is one of the things we explored before the meeting Tuesday," Elston said, "and one of the things dis-

# Bell will expand Plymouth facility

Michigan Bell Telephone Company announced today it will spend \$1,275,000 in Plymouth this year to expand and improve its communications

The local outlay is part of Michigan Bell's 1966 construction program totaling a record \$175 million, which surpasses last year's previous high by \$40 million and is about double the amount spent only three years ago.

John Kamego, Michigan Bell manager here, broke down Plymouth's \$1,276,000 outlay as follows: A total of \$339,000 for outside plant facilities, \$194,000 for telephone equipment in homes and offices, \$385,000 for central office equipment, and

AT FORUM

## Harold Fischer to explain his role

velopments in the Plymouth Com- the job of the commission would munity School District" will be be to encourage the development the topic before the Chamber of of the non-residential tax base. Commerce's Businessmen's Forum Thursday noon.

THE MEETING is scheduled for the new Mayflower Meeting House across from the Mayflower Hotel. The director of the Plymouth Area Planning Commission, Harold Fischer, will discuss three aspects of his job:

(1) What industrial and commercial development means to the future economic growth of the community.

(2) What is needed to accomplish this development.

(3) What other communities are doing to develop their industrial and commercial growth. The Plymouth Area Planning Commission was formed several months ago when a group of community-minded businessmen got together and approached the three units of government in the school district-the City of Plymouth, and Plymouth and Canton Townships-about the formulation of an industrial development commission.

IT WAS agreed that the Commission would be composed of two representatives from each municipality, and that a full-time director would be needed.

"Industrial and Commercial de- It was also established that

FISCHER, a long time resident of Plymouth Township, became director on Oct. 1, 1965. Since he took his job he has

made a thorough study of the industrial sites and the methods other communities use to attract industry.

Then, last week, he was able to announce the closing of the first major deal related to the Commission-the sale of 35 acres of land along Haggerty Road to Spartan Stores, Inc.

THE SPARTAN company will build a 350,000 square foot building for warehousing foodstuffs.

#### Demel's back

Demel, who has been sidelined for a number of months, told The Plymouth Mail he was feeling increasingly stronger and expected to be on a normal schedule.

He has served as Plymouth Township Attorney for more than 25 years.

## Mining operation brings more progress

Africa & Me

A trip to Moyamba District in few miles from the chief's com-November left me with a fav- pound. orable impression of progress being made in Sierra Leone. A dedicated doctor at a modern hospital, an airfield, and extensive mining operations contributed to this impression.

One night I was the guest of a paramount chief. In the course of a conversation with him he asked me where I was from in America. When I answered that I was from Plymouth, a town near Detroit, Michigan, his eyes lit up.

The chief's brother had spent several years in America studying medicine, and had done his internship at Receiving Hospital in Detroit. The brother was now the doctor at a hospital a the prime minister's uncle who

The chief was anxious for me to meet his brother so we drove the hospital where I spent two or three enjoyable hours touring the hospital and talking to the doctor and patients.

The hospital treats all sorts of illnesses. A great deal of work is also being done in preventative medicine. As at the hospitals I saw in other West African countries one of the biggest problems is getting the people to come to the hospital when they are sick.

At Gbangbatoke I saw the house of the country's current prime minister and that of his late brother, Sierra Leone's first prime minister. I also visited

is the paramount chief for that

Since the time of my previous visit to Movamba District an airfield had been built at Gbangbatoke. It is a small airfield, but at least one or two planes use it every day. It was opened over a month ago. Yet a large percentage of the villagers still rush to the airfield whenever a plane lands. While I was there I joined the people in watching a plane carrying the country's attorned general land. One of the reasons for building the airfield was the large amount of mining operations in the area. Company executives and visitors are now able to reach these oper-

rather than hours. The area yields a great deal of titanium and bauxite. British interests hold the majority of the stock in the company which

ations in a matter of minutes

mines these minerals. Rutile is a mineral which is used to make white paint pigment. It looks like black sand. For years it has been mined in only two places in the world, Australia and Florida; the supply in Australis is almost exhausted. But recently the world's biggest and richest deposit of rutile was discovered in Sierra

Sherbro Minerals, a subsidiary of Pittsburg Plate Glass, has now started working this deposit. New roads and schools are also

visual signs of progress here. Moyamba District is only onw ofministrative divisions.

Pursell

meet the challenge of today's

Pursell, recently elected president of the Plymouth Community Chamber of Commerce, was campaign manager for Robert's successful election drive last

A former teacher from Livonia, Pursell holds a B.A. degree from Eastern Michigan, in political science, and a M.A. degree in administration from Eastern Michigan University.

BORN IN Plymouth, Pursell is married, and has three children. During Senator Robert's service in Lansing Roberts was Chairman of the Judiciary Committee; author of the Court of Appeals and Community Mental Health Acts; a member of the committee assigned to the task of implementing the judicial phase of the constitution, and a member of the committee responsible for the country's fourteen major ad- renovating the states lower court system.

## Revise bus policy

(Continued from Page 1) expecting more. How many, no one is sure.

The Travelers Safety Service

'We've got three more coming already," Elston said. "I know that because they called, and were in to pick up all the forms."

A second school is being constructed to serve the the Lake Pointe area, and is expected to be ready this

On the Lake Pointe busing problem, a change was instituted this week in the wake of the near-tragedy involving 12year-old Mark Walker, who was struck as he waited for a bus two weeks ago along Five Mile Rd.

Parents have complained about students walking along Five Mile Rd., protesting that there are no sidewalks, and that the high-speed traffic presents a hazard.

The new policy will provide: All students who live between Five Mile Road and Schoolcraft Road, who attend either Junior High West or Junior High East, or Plymouth High School, will meet at Farrand, where

they will be bused to school. The policy eliminates all crossing of Five Mile to catch buses, and all standing along

#### Extremism is no vice

#### Doug Johnson

Not long ago the ubiquitous Plymouth JayCees honored the outstanding Young Educator of the Year in Plymouth. Derald McKinley, a fourth grade teacher at Bird Elementary School, was picked from a field

I have no quarrel with who they picked, or how. My gripe is the way they honored the guy.

A breakfast was held at the Mayflower Hotel at which maybe five JayCees were present, several school administrators, and six finalists. It was 7 a.m., tion for his one and one-half for early birds only.

> McKinley was given the standard plaque and the glad hand from attending JayCees. The celebration capped a week of activities in honor of the local, state and National JayCee organization.

the talent. If you can get enough people thinking basic-Now, the JayCees have 100 strong and young members, and they all should have been there to stand up ally right you will come up and applaud McKinley.

> I'm sure he would turn in the plaque for the appreciation of 100 of Plymouth's outstanding young citizens. Honors for teachers are few and far between.

> A plaque handed out at a sparsely attended breakfast, with the supposed blessing and honor of the Jay-Cees behind it, is an insult, at least to me.

How much better it would have been to have all the JayCees there to honor him. If the JayCees want to win a good reputation in Plymouth, that breakfast for the educators was no place to begin.

Next year hold it at night, fellows. At 7 a.m. you really can't appreciate very much - even an outstanding teacher like McKinley.

Note: I got there at 7:25 but all I missed was the orange juice.

Extremism was no vice last Thursday as the Chamber of Commerce gave Dr. Kenneth McFarland a standing ovation at the close of his talk at the C of C's annual banquet.

"His stuff is pretty straight stuff," said one.

Frankly, it was too straight for me; I could have used a little water with my McFarland, if you please. Some of his comments:

"I'll debate any good rabid liberal. I've found out they don't know what they think. The modern liberal wants to take all our liberty away and send it down to the central government."

"You should be tolerant of other people. But tolerance should not include all the kooks on the left."

"I often stop these sleazy beatniks carrying the

"In the literature of our times, all the heroes are offbeat failures."

"It's a little egotistical for us to go down to Alabama and picket when we've got so much to do right here at home. We had a young minister where I'm from that wanted to go down there - who wanted to picket, and carry the signs. We said go ahead - but stay down there. We don't want you back."

These are some of the things that McFarland got a standing ovation for - things neatly sandwiched into funny stories, homely little anecdotes and plugs for God, country, and the right to

I hope not too many swallowed what McFarland really was trying to say. Not all the demonstrators are kooks and liberalism does not mean the removal of individual freedoms.

For every best seller we've had about offbeat heroes, we've had other best sellers about genuine heroes. Dag Hammerskjold's book "Markings" was a best seller for months.

And, about the minister. I sat across from one such minister (from Plymouth) - one who had walked in that great march in Selma - walked proudly, and was not told to stay there.

Fortunately, he didn't swallow McFarland either. Nor is he a kook from the left, nor a sleazy

If McFarland is America's Number One Spokesman, as the advanced publicity said he was, Jayne Mansfield is America's Number One den mother.

Beginning Feb. 1, the Plymouth Bridge Club will be open to the public.

By making the club open the weekly fractional master point awards are considerably higher and on the fourth Friday of each month a full master point will be awarded.

The first master point game will be held Feb. 25 at the Professional Building across from the Penn Theatre at 8

For further information, please call Vic Ross at GA. 2-

#### Madonna College

College day will be held at Madonna College in Livonia for junior and senior high school girls Feb. 6 from 1:30 to 4 p.m. This will give prospective students an opportunity to acquaint themselves with the campus and facilities of the college.

Guest speaker, Mrs. John Shada, will point out the importance of education for the woman of today in her speech entitled "The wonderful world of women".

#### Detroit Edison Co. holds cook-off

Entries are now being accepted for the fifth annual Detroit Edison Company cook-off to select the "queen of the kitchen" among women who work.

Electrical appliances will be awarded to ten finalists. The grand prize is a new

deluxe range. The queen will have her choice of six models from nationally known manufacturers. The second prize will be an

open-hearth smokeless broiler-rotisserie and the third award will be a seven-speed blender. The other seven finalists will each receive an electrical appliance. The cook-out is held each

year in cooperation with the Centra Business District Association's annual salute to women who work week which begins March 13 this year.

The contest is open to any woman working full time who lives in southeastern Michi-

# SAFEGUARD RECORD SYSTEM

Here, at Wiltse's Community Pharmacy, we have a modern "Safeguard Record System" in order to make available to you - at any time - a complete record of your various prescriptions, and prescription refills, for each year or any given period.

Under this system, your family's individual record for prescriptions will be maintained so as to qualify you for Income Tax deduction purposes, insurance requirements, or for any purpose you may desire.

For instance -

If you were to lose, or misplace, your prescription and had no record of its original number through which you would customarily obtain a refill, it would be instantly available to you under your individual record at Wiltse's Community Pharmacy.

As another illustration of the benefits of Wiltse's "Safeguard Record System," your doctor may wish to review the medication that you have taken over a particular period of time. This information, too, is readily available to him from your personal file here at Wiltse's Community

A copy of your complete prescription record will be available to you at any time during the year, and at the end of the year as well. And, of course, your record for each previous year will become a permanent part of your

There is no charge for this additional service . . . in fact, we automatically begin such a file for each of our prescription patrons.

Visit Wiltse's in Plymouth at your next opportunity. We're confident that you will enjoy the visit and will return again over the years.

PHARMACY

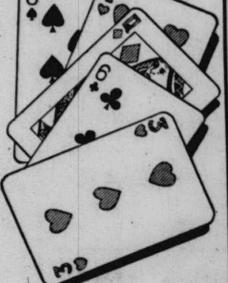

School.

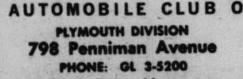

Staking your health against the possibility of pennies saved on "cut rate" prescriptions is far too risky a gamble to take. Prescription dispensing is so precisely governed by the physician's instructions that it is impossible to "cut a price" without cutting corners somewhere.

Play safe! Bring your prescriptions to us for a SQUARE DEAL—the fullest measure of professional service, rendered promptly and at fair and reasonable prices.

## Plymouth Township minutes

JANUARY 11, 1966 Supervisor McEwen called the meeting to order at 8:07 p.m. All meeting to order at 8:07 p.m. All members were present. Supervisor McEwen called for the reading of the minutes of the Regular Meeting of December 14, 1965. The minutes were read, and Supervisor McEwen asked if there were any corrections, additions, or deletions. Mr. Lauterbach stated that No. 3 of Item No. 3 should read that the motion was made by Dick Lauterbach, supported by Gene Overholt, with Mr. Garber voting "no."

After discussion, it was moved by Dick Lauterbach, supported by by Dick Lauterbach, supported by Gene Overholt, that the minutes be

Corrected as just stated. Carried.

The minutes of a Special Meeting held on December 28, 1965, at the Plymouth Township Hall, were read and approved unanimously, on the motion of Elizabeth Holmes, supported by Dick Lauterbach. On the motion of Elizabeth Holmes, sup-ported by Gene Overholt, the min-utes of December 14, 1935, were approved, as corrected. Carried

approved, as corrected. Carried unanimously.

This list of added bills and those sent out with the proposed agenda, amounting to \$16,210.46, were submitted. Supervisor McEwen requested if there were any questions concerning the list of bills. Mr. Overholt requested an explanation on the charges for the transcript for the "701 Public Hearing," the payment for snow removal and the payment for snow removal and the amounts expended for office sup-

On the motion of Louis Norman, on the motion of Louis Norman, supported by Gene Overholt, the bills in the amount of \$16,210.46, were approved and warrants drawn thereon. Carried unanimously.

On the motion of Dick Lauterbach, supported by Louis Norman, it was decided to accept the bid of

Ford-Beck Auto Service for repairs to the tanker truck in the amount of \$2,629.35, as recommended by the Fire Administration Board, and the Fire Administration Board, and to notify the "officer in charge" of the Fire Department of action taken by the Plymouth Township Board. Carried unanimusly.

Mr. Hamill gave his estimate of the cost of constructing a sewer on Haggerty Road from Ann Arbor Road, south to Joy Road as \$68,-783.00

Road, south to Joy Road as \$68, 783.00.

It was moved by Elizabeth Holmes, supported by Dick Lauterbach, that we approve the plans, and the Engineer was authorized to apply to Michigan Department of Health for a permit to construct the sewer and to prepare a description of right-of-ways and report at the next meeting on February 8, 1966. Carried unanimously.

At this point, Mr. Hamill presented the plans for connecting the new elementary school on the north side of Five Mile Road in North-ville Township to the Plymouth Township Sewer System. Mrs. Holmes, Manager of the Sewer Department, stated that she had not received an application from the Plymouth Community School Board for this connection.

Engineer Hamill stated that he would be willing to draw up a form of contract, spelling out the area of cooperation of all three jurisdictions, the same to be submitted to the attorneys for Plymouth Community School Board, Northville Township and Plymouth Township for their opinions.

Legal opinion of Goetz, Goetz, and

or their opinions. Legal opinion of Goetz, Goetz, and Foley, regarding Swimming Pool Ordinance was submitted, and after discussion on several items, it was moved by Gene Overholt, supported amended by legal counsel, be adopted, and the Clerk was instructed to prepare it for publication. Carried unanimously. Supervisor McEwen reported that Mr. Alvin Royal had contacted him and said he would not be available for the position of Director of Public Services. He further explained that it is imperative that this appointment be made as soon as possible for the good of the de-partment. General agreement was

to make further efforts to interview more applicants with a back-ground of firefighting knowledge This was tabled until a meeting is called by the Supervisor, on the motion by Gene Overholt, supported by C. Veach Sparks. Carried unaniparticularly.

Communication from Elizabeth Holmes, Water Department Office Manager, recommending that the following questions be referred to Attorney R. Cole relative to the City of Plymouth's offer to sell Township Water Taps to the Town-

ship.

1. Is there legal precedent for selling and/or buying sewer or water lines and customers from one municipality to another? 2. Can water customers in the Township, in effect, subsidize the buying of other customers through the water department making payments to the City? making payments to the City?

3. Do water customers on lines outside the City that were built by developers and donated to the City at no cost to the City have an obligation to retire bonds incurred by building water mains within the City itself?

A motion was made by Louis Normas, supported by Dick Lauterbach, that we accept the recommendation of Mrs. Holmes, and

from legal counsel, not a written one.

Mr. Robert Wedler, the applicant, stated that the Planning Commission had, on their own motion, recommended the rezoning of this area, and that it should be rezoned. On the motion of Gene Overholt, supported by Dick Lauterbach, the petition to rezone a certain part of the E. ½ of the S. W. ¼ of Section 36 (pproximately 5 acres) from R1 (one family residential) to C1 (neighborhood shopping center) was denied. Mr. Overholt requested a roll call vote. roll call vote.

AYES: Holmes, Sparks,
bach, Norman, Overholt.

obtain a legal opinion on the above questions. Carried unanimously.

Wayne County Board of Supervisors requests to be advised of Board action on rezoning of the S.E. corner of Ann Arbor Road and Haggerty Road from R1 (one family residential) to C1 (neighborhood shopping district), as recommended by the Plymouth Township Planning Commission at the meeting of November 17, 1965.

Mr. Lauterbach read portions of the 701 Report pertaining to the

Mr. Lauterbach read portions of the 701 Report pertaining to the neighborhood unit plan, and he felt that the amount of acreage alotted for Commercial in the Unit Plan was now in excess of that recommended for this area.

Mr. Overholt noted that a petition for rezoning this same area to C-2 (commercial district) had been denied by the Planning Commission on July 21, 1965, and that we should abide by Section 22.02 of Article 22 of Ordinance 14.

The right of the Planning Commission to rezone on their own motion before one year had elapsed,

tion before one year had elapsed, after a denial on a specific piece of property, was a verbal opinion from legal counsel, not a written

ABSTAINING: Garber Motion carried. On the motion of Elizabeth

Holmes, supported by Gene Overholt, the recommendation of Engineer Herald Hamill was accepted and final approval of the Hardbacks and Building Restrictions for Be a c on Hills Subdivision was granted. Carried unanimously.
The Plymouth Board of Trustees. at a regular meeting held on January 11, 1936, and on motion of Dick Lauterbach, supported by Louis Norman, an "Extension of time to Norman, an "Extension of time to complete Contract" was granted on Sanitary Sewer Construction Job No. S-216, to March 1, 1966, and the Engineer was authorized to sign the extension. Carried unanimously. Upon recommendation of C. Veach Sparks, it was moved by Louis Norman, supported by Elizabeth Holmes, that two additional street lights be installed in Plymouth Township, and one at the intersection of Five Mile and Thornridge. Carried unanimously.

It was moved by Louis Norman, supported by Gene Overholt, that the following resolution be adopted: BE IT RESOLVED that the Plymouth Township Board waive the 4% penalty on the 1965 property taxes from February 15, 1966, to February 28, 1966, inclus-

Carried unanimously.
Liquor Centrol Commission requests to be informed of action of Plymouth Township Board regarding transfer of Club license and dance permit of Western Wayne County Conservation Association Incorporated from 35501 Joy Road, Nankin Township, to 6700 Napier Nankin Township, to 6700 Napier Road, Plymouth Township, the license now being held in escrow

Meloche, President, and Mr. Joseph Fortier, Treasurer, explained about the court case now pending (Circuit Court of Appeal).

Mr. Ralph Cole, legal counsel, advised the Township Board to wait until the case in court is re-

On a motion by Dick Lauterbach, supported by Elizabeth Holmes, this item was tabled until the next regular meeting on February 8,

On a motion by Louis Norman, supported by Elizabeth Holmes, the Plymouth Township Board ap-Plymouth Township Board ap-proved the recommendation of En-gineer Hamill that sanitary rewers in Arbor Village No. 4, be accepted for tapping purposes as soon as the minor corrections, which Mr. Tyson has agreed to perform promptly, are made. Carried unanimously.

Mr. Fischer, Plymouth Area Planming Commission Director, related the progress made to date relative to Industrial prospects in Plymouth Township and climaxed his report by asking for a solution to the post-ing of a \$2,500.00 cash bond with the Wayne County Road Commission for possible road damage when the Spartan Company tegins construction of their warehouse and use of Haggerty Road, which is not at the present time a class "A"

Plymouth Township cannot legally post a bond of this type, and it should not be too great a burden for the Spartan Company to post the bond, as they are going to use the road.

Ordinance

Supervisor McEwen proposed that a meeting be held at 2 p.m., Friday, January 14, 1836, and that all parties concerned be present. This was in full agreement, and said meeting was so scheduled.

This completed the items on the agenda, and Supervisor McEwen requested if there was any further business to be brought before the Board.

Board.

Attorney Ralph Cole reported he was preparing a report concerning the International Association of Fire Fighters and would present it at the meeting of February 8, 1966

Supervisor John D. McEwen re-ported that he had been selected as a representative of Wayne County to attend a meeting of the Michigan State Association of Supervisors to be held in Lansing, Michigan, on January 18, 1966.

It was moved by Dick Lauter-bach, supported by Louis Norman, that Supervisor McEwen be authorized to attend the meeting of the Michigan State Association of Supervisors to be held in Lansing on January 18, 1966. Carried unani-

Elizabeth Holmes, presented a very much detailed and interesting report prepared by Engineer Herald Hamill, concerning the Plymouth Township Water Department, its progress to date and the anticipated reflection in the next year's operation.

There being no further business to come before the meeting, Louis Norman moved, supported by Dick Lauterbach, that the meeting be

No. XXV

Supervisor McEwen adjourned the meeting at 11:42 p.m.
Respectfully submitted,
C. Veach Sparks, Clerk Approved, John D. McEwen, Supervisor

## Plymouth Township Swimming Pool

AN ORDINANCE TO PROVIDE FOR THE REGULATION AND CONTROL OF THE INSTALLATION. OPERATION AND MAINTENANCE OF OUTDOOR SWIMMING POOLS and TO LICENSE THE OPERATION OF PRIVATE SWIMMING POOL CLUBS.
THE TOWNSHIP OF PLYMOUTH ORDAINS:

THE TOWNSHIP OF PLYMOUTH ORDAINS:
Section 1. PURPOSE.
It is hereby determined that the existence of private outdoor swimming pools and the operation of private swimming pool clubs may endanger the public health, safety and welfare unless carefully regulated, and the purpose of the Ordinance is to establish reasonable regulations controlling the construction, operation, use and maintenance of all outdoor or private outdoor swimming pools and also to establish reasonable regulations governing the operation and requiring the licens. reasonable regulations governing the operation and requiring the licensing of private swimming pool clubs to the end that the public health, safety and welfare of the community is protected.

Section 2. DEFINITIONS.

For the purpose of this Ordinance certain terms are

herewith defined;
2.1 The term "swimming pool" shall mean any artificially constructed portable or non-portable pool capable of teing used for swimming, wading or bathing or any combination thereof and designed to hold 1200 gallons or more when filled to capacity.

2.2 The term "private" shall mean that the swimming pool is not open to the general public and/or that it is not publicly owned (i.e., motels, apartments, townhouses, etc.).

2.3 The term "home owner's pool" shall mean that the swimming pool is private and is located on an occupied single family residential

2.3 The term "home owner's pool" shall mean that the swimming pool is private and is located on an occupied single family residential lot or parcel and is operated primarily for the use and benefit of the property owner residing thereon, his family and guests.

2.4 The term "club pool" shall mean that the swimming pool is private and is located on open land and is operated by a private swimming club as the principal use of such land primarily for the use and benefit of the members of such club, their families and guests.

2.5 The term "private swimming club" shall mean any organization incorporated as a non-profit club for the primary purpose of constructing, maintaining and operating a club pool and other related buildings and recreational facilities for the sole and exclusive use of its members, their families and guests.

its members, their families and guests.
Section 3. ADMINISTRATION. 3.1 ENFORCEMENT. This Ordinance shall be enforced by an official of hte Department of Buildings and Safety.

3.2 PERMIT REQUIRED. It shall be unlawful for any person. firm, partnership, corporation or private swimming club to construct or maintain a swimming pool without first making application to the Department of Building and Safety and obtaining a permit therefore.

3.3 APPLICATION FOR PERMIT.

a) APPLICATION FOR PERMIT.

(a) Application to Construct a Home Owner's Pool. Before a permit is issued, an application shall be approved by the Wayne County Health Department and the Department of Buildings and Safety. An application for a portable pool shall comply with all requirements of Section 13. Each application, for a permanent or non-portable pool, shall be accompanied by three (3) or more sets of identical plans, specifications, and calculations, in sufficient detail to show the following:

1. Sealed, dimensioned plan showing a cross-section view of pool and the location of buildings, swimming pool, pool equipment, fences and gates.

2. Filter type and size, filtration capacity, backwash requirements, and suction cleaner or other cleaning devices.

3. Pool piping outlay, showing all pipe sizes, valves, gauges, and types of material to be used.

4. A graph or other acceptable data showing the rated capacity of the pool pump in gallons per minute (gpm) and head in feet of

5. Disposal system for pool waste water and backwash water.
6. Location of sewer lines, sewage disposal systems, water supplies, and utilities (gas, telephone, electrical, etc) within three (3) feet of the pool, and location of water wells within twenty-five (25) feet of

Any topographic features which could cause surface drainage

7. Any topographic features which could cause surface drainage into the pool.

8. Physical description of pool, including wall, floor, and deck finishes and diving facilities, if any.

(b) Application to Construct a Club Pool. Application to construct a club pool shall be made to the Department of Buildings and Safety in the name of the private swimming pool club or organization and shall be accompanied by a certified copy of the Articles of Incorporation and By-laws of the private swimming pool club or organization and plot plans, development plans and such other information as will enable the Department of Buildings and Safety to determine whether or not the proposed use complies with all requirements of this Ordinance and the Zoning Ordinance, as amended. No building permit shall be issued unless and until there has been full compliance with all the requirements of this Ordinance and the Zoning Ordinance, as amended, and as approved by the Michigan Department of Health and the Wayne County Board of Health.

3.4. APPLICATION APPROVAL. Pools shall be constructed, in-

3.4. APPLICATION APPROVAL. Pools shall be constructed, installed and/or altered in conformity with the application approved by the Wayne County Health Department and the Department of Buildings

and Safety. Any deviation from the approved application shall require prior approval by the Department.

3.5 PERMIT FEES. The permit fees shall be the same as those fees charged on regular building permits.

3.6 INSPECTION. The Wayne County Health Department and the Department of Buildings and Safety shall have the right, at any reasonable hour. To inspect any swimming real for the purpose of determinable hour. able hour, to inspect any swimming pool for the purpose of determining that all provisions of this Ordinance, application, permit and specifications as submitted, are fulfilled and complied with. Before any swimming pool shall be used, a final inspection and approval must be had from both the Department of Buildings and Safety and

must be had from both the Department of Buildings and Safety and the Health Department.

All swimming pool installations must be completed, filled with water, and the filter system in operation before final inspection.

3.7 SAVINGS CLAUSE. Owners of all private swimming pools, already constructed as of the effective date of this Ordinance, shall not be subject to any of the construction requirements of this Ordinance except as herein specifically provided.

3.8 STOP-WORK ORDER. Construction work that is being done contrary to the provisions of this Ordinance shall be immediately stopped doon notice from the Department of Buildings and Safety. The stop-work order shall be in writing and shall be given to the owner of the property involved, or to the owner's agent, or to the persons doing the work, and shall state the conditions under which the work may be resumed.

3.9 RIGHT OF ENTRY. The Building Official and the Wayne County Board of Health shall have the right at any reasonable hour to inspect any swimming pool for the purpose of determining compliance with the intent of this Ordinance.

Section 4. LOCATION AND LOT AREA.

ance with the intent of this Ordinance.

Section 4. LOCATION AND LOT AREA.

4.1 HOME OWNER'S POOL. Home owner's swimming pool may be erected in the side or rear yard, provided no part thereof shall approach nearer than ten (10) feet from the side or rear lot lines. No such pool or part thereof shall be installed within fifty (50) feet of any street right-of-way line, except in the case of side streets in which case such pool may not be within twenty-five (25) feet of such

side street.
4.2 CLUB POOL. Club pools shall only be erected on a satisfactory site, approved by the Planning Commission, in accordance with Zoning Ordinance No. 14, that is at least two (2) acres in area. Front, side and rear yards shall be at least twenty (20) feet wide. No such pool or any part thereof shall be installed within fifty (50) feet of any existing public street right-of-way and no such pool or any part thereof shall be installed or constructed within four hundred (400) feet of any existing residences. The front, side and rear yards as herein required shall remain open with no structures of any nature whatsoever situated

4.3 LOT AREA. All private swimming pools including both home owner's and club pools shall only be constructed on a lot, parcel or vacant land in accordance with the following lot, parcel or land, shall be over 5000 square feet and the maximum percentage occupied by swimming pool shall not be more than 10 per cent of land area.

Section 5. CLEARANCES. Service drop conductors shall not be installed above the swimming pool or surrounding area extending ten (10) feet herizontally from the pool edge, or diving structure, observation stands towers or platforms. on stands, towers or platforms.

The nearest part of the pool water shall be not less than three (3) feet horizontally to any underground sewer, water, electrical, telephone, gas or other pipes and conduits, except for parts of the swimming pool

Section 6. FENCING.

3.1 HOME OWNER'S POOL. A home owner's swimming pool shall be completely enclosed by a fence not less than four (4) feet in height of the chain link type or other type approved by the Department of Buildings and Safety. A four (4) foot fence which encloses the yard as a whole may be considered as complying with this requirement. All fence gates must be locked when the residents are away from the home or when the pool is not in use.

Notwithstanding any other provision of this Ordinance, the above requirements regarding fences contained within this sub-section shall also apply to any portable swimming pool or container capable of being used for swimming, wading, or bathing and designed to hold

also apply to any portable swimming pool of container capable of being used for swimming, wading, or bathing and designed to hold 1,206 gallons of water or more at any point when filled to capacity. In those cases where the fence does not enclose the yard as a whole, the fence required to be constructed shall not be closer than five (5) feet nor further than fifteen (15) feet from the edge of the water.

6.2 CLUB POOL. The entire premises on which a club pool is situated shall be completely enclosed by a chain link fence at least six (6) feet in height topped by 3 strand v-span barbed wire. Entry

to and departure from the premises shall be regulated by a controlled membership, whichever is the larger, and to thereby compute the Section 7. LANDSCAPING., CLUB POOL REQUIREMENTS.

All front, side and rear yards of the premises on which club pools are situated shall be landscaped with trees, shrubs and grass.

Section 8. PARKING, CLUB POOL REQUIREMENTS.

8.1 OFF-STREET PARKING. Off-street parking facilities shall be provided on the premises used for the construction and operation of a club pool in accordance with the plan for such parking facilities approved by the Department of Buildings and Safety and filed with the Department of Buildings and Safety and filed with the Department of Buildings and Safety and filed with the Department of Buildings and Safety and filed with the Department of Buildings and Safety and filed with the Department of Buildings and Safety and filed with the Department of Buildings and Safety and filed with the Department of Buildings and Safety as bereinbefore required.

8.2 AMOUNT. The parking facilities shall be on the club pool the total member families and/or individual members, i.e., one parking space for each four (4) individual or family memberships.

8.3 BY LAWS REQUIRED. A certified copy of the By-laws of the applicant club or organization shall accompany the application as hereinbefore required in order to establish the total existing or proposed membership, whichever is the larger, and to thereby compute the parking requirements. The entire surface of all parking areas, facilities, lots and driveways shall be hard, smooth, passable, dust free and endurable.

Section 9. BUILDING. CLUB POOL REQUIREMENTS.

Buildings erected on the premises of any private swimming club shall in no case exceed one story in height except where as a result of the peculiar topography of the premises a lower level can be constructed entirely below the grade of the public street abutting or adjacent to such premises, in which case the same shall be permitted.

Section 10. WATER SUPPLY Every swimming pool shall be filled and

10.1 POTABLE SUPPLY. Every swimming pool shall be filled and maintained with potable water.

10.2 METHOD OF POOL FILL. One (1) or more water pipe or rose connections shall be available to the pool. There shall be no cross-connections between the potable water system and the pool circulation system. The water supply to the pool shall be protected against backflow or backsiphonage of water by means of a fixed air gap of six (6) inches or more above the highest possible water level or by a property installed vacuum breaker. If a hose connection from a sill cock or other plumbing fixture is to be used, an acceptable vacuum breaker shall be installed on the hose thread of the sill cock or fixture. No over-the-rim fill spout will be accepted unless located under a diving board or installed in a manner as to prevent any hazard.

10.3 POOL DRAINAGE. Facilities shall be provided for disposing of all pool drainage and waste water to the community sanitary sewer 10.3 POOL DRAINAGE. Facilities shall be provided for disposing of all pool drainage and waste water to the community sanitary sewer system or in some other manner approved by the Building Official. There shall be a fixed six (6) inch air gap between the pool discharge.

line and the sanitary sewer. section 11. CONSTRUCTION AND EQUIPMENT.

11.1 MATERIAL AND EQUIPMENT APPROVAL. Pool equipment and material shall be subject to evaluation and acceptance by the Wayne County Health Department and the Department of Buildings and Safety before installation. Construction shall conform to the Building Code, the Plumbing Code and the Electrical Code of the Township of Plymouth and all necessary permits shall be secured by the owner of his contractor.

11.2 OVERFLOW. The pool and surrounding area shall be constructed and arranged in such a manner that no water shall return from the deck to the pool. Waste water shall not be allowed to create a nuisance or to overflow onto adjoining property.

11.3 SURFACE DRAINAGE. No surface or roof drainage shall be represented to enter the roof.

11.4 FINISH AND COVE. Pool floor and walls shall have a cleanable, light-colored, and impermeable surface. The deck shall be skid resistant. Where the water depth is less than five (5) feet, the maximum cove radius shall be eight (8) inches.

11.5 HAZARDS AND SHAPE. There shall be no hazardous projection in the root or the root stretches.

tions, of low over-water construction in the pool or the pool enclosure which could trap or injure bathers. The pool shall be shaped so that all parts of the pool can be observed from a single vantage point on the pool deck.

the pool deck.

11.6 LADDERS. Every pool, having a water depth of two (2) feet or more, shall have at least one acceptable ladder or set of steps.

11.7 LIGHTS. Illuminating lights, if provided, shall be erected with a maximum intensity of 60 lamp lumens per square foot of tre pool surface. Lights shall be installed at a height not greater than twelve (12) feet and shielded so as to eliminate direct rays and minimum reflected rays upon adjoining premises.

11.8 EQUIPMENT LOCATION. Water treatment equipment shall be installed above grade, except that it may be installed in a properly drained residential basement, cellar, or other approved structure. Any accessory building shall comply with applicable requirements of zoning and building codes.

POOL DIMENSION.

POOL DIMENSION.

POOL DIMENSION.

11.9 DECK. A walkway or deck of concrete or other approved impervious material shall be constructed around the perimeter of the pool and shall be at least three (3) feet wide. This requirement may be waived by the Department of Buildings and Safety for portable pools.

11.10 SLOPES. The slope of the bottom of any part of a pool, in which the water is less than five and one-half (5½) feet in depth, shall not be more than one (1) foot vertically in each eight (8) feet horizontally. The top three (3) feet of all side and end walls shall be vertical or shall have an outward batter not to exceed six (6) feet vertically to one (1) foot horizontally, except to comply with Section 11.4.

11.11 DIVING BOARD OR PLATFORM. There shall be at least eight (8) feet clearance between the end of any diving board or platform

eight (8) feet clearance between the end of any diving board or platform and each side wall of the pool. A rigid platform having approved railings may have a projection no less than thirty (30) inches. Diving structures shall be securely anchored and shall have at least thirteen (13) feet unobstructed headroom for at least eight (8) feet horizontally over the water surface from all parts of the diving surface.

11.12 WATER DEPTHS FOR DIVING. No diving board or platform shall be installed except in accordance with the following limits.

DIVING BO	DARD		DIVING AREA				
	faximum Distance Above Water (inches)	Minimum Depth (feet)	Distance from Diving Wall to Maximum Depth (feet)	Distance from Max Depth to floor Slope Transition (feet)			
ck Level	. 18	8	10	10			
sidential	. 30	8	11	11			

One (1) Meter ..... 39.37

11.13 DEPTH MARKINGS. If a diving board is installed, there shall be at least one depth marking on the deck or wall of the pool above the water line indicating greatest depth in feet.

11.14. LIFELINE ANCHORS. Recessed lifetime anchors shall be provided in the walls of the pool at the floor slope transition point.

CIRCULATION SYSTEM

11.15 PIPING. Pool piping shall be sized to permit the rated flows for filtering and filter backwash without exceeding the maximum head at which the pump will provide such flows. The water velocity in the pool piping shall not exceed ten (10) feet per second in pressure piping and five (5) feet per second in suction piping at design flows. Pool piping below grade shall be installed so as to be removeable without cutting through concrete, steel, or other similar materials.

11.16 INLETS. The minimum number of filtered inlets for non-portable pools shall be determined as follows.

pools umber Inlets		be	e determine	rmined	d as follows	Pool Perimeter (in feet)					
1								Up	to	60	
2								61	to	120	
3								121	to	180	
								181	to	240	
	****	****							240		4

Each of the minimum required water inlets shall be at least ten (10) inches below the highest overflow line and at least ten (10) feet from any other inlet or from any skimmer, unless otherwise approved by the Department of Buildings and Safety.

11.17 OUTLETS. One or more outlets shall be placed at the deepest point in every non-portable pool for circulating the pool water and for draining the pool. The effective area of the drain grating shall be at least four (4) times the area of the outlet pipe.

11.18 OVERFLOWS. Unless a continuous overflow weir and gutter is installed around the pool, one or more surface skimmers shall be provided. There shall be one skimmer for each eight hundred (800) square feet or any fraction thereof, which shall operate continuously while the pool water is being circulated and which shall automatically adjust for vertical variations in the water level of three (3) inches or more. A noncorrosive basket strainer accessible from the deck of the pool shall be an integral part of the surface skimmer mechanism. All skimming devices in a pool with a maximum depth exceeding five (5) feet shall be recessed or flush with the wall of the discharge side.

operation and maintenance of the circulation system. Provision shall be made for draining the filtration equipment.

(b) All non-portable pools of monalithic bottom construction shall be provided with a hydrostatic valve, installed in a 30" x 30" x 24" gravel drainage pit at the lowest end of the pool.

11.20 PUMPS. The pump shall have sufficient capacity at maximum anticipated hydraulic head to circulate the pool volume each twelve (12) hours and to supply the required backwash rate to any one filter.

(a) A flow reducing valve shall be installed on the discharge side; the pump. Valves shall be installed wherever necessary for proper

Each pump for non-portable pools shall supply the required filtration rate at a total head of at least fifty (50) feet for any sand or anthracite filter system and sixty (30) feet for a diatomite filter system. The motor horsepower rating shall be determined for maximum total head condition at a twelve-hour (12-hour) pool volume turnover time. condition at a twelve-hour (12-hour) pool volume turnover time.

11.21 STRAINER. A pump connecting to a pressure filter shall be equipped on its inlet side with a noncorrosive hair and lint strainer, with opening not larger than 40 mesh. The ratio of the open strainer area to the open area of the suction piping shall be at least four to one (4 to 1).

11.22 SIZE AND FEATURES.

(a) One or more filters shall be provided.

(b) The filters should be sized to provide water or quality equivalent to that obtained by a sand filter operating to five gallons per minute, per square foot for a twelve (12-hour) hour turn over. Each filtering system shall be provided with a sight glass or visible discharge. The influent shall be applied to the filter media surface in a manner which prevents direct turbulent discharge against the media.

(c) All pressure filters shall be equipped with an air release at the high point in the system. If an automatic device is installed for this purpose, there shall be a manual valve for testing its effectiveness.

(d) The shell containing the filter media or elements shall be constructed so as to provide satisfactory strength and freedom from corrosion, and shall be installed in a manner to prevent settling or upset.

(e) All filters approved by the Department of Buildings and Safety shall be equal in performance to the sand, anthracite, and diatomite filters described in this Ordinance. filters described in this Ordinance.
11.23 SAND FILTERS.

(a) Each pressure sand filter shall be provided with backwash er at a minimum rate of twelve (12) gallons per minute per square water at a minimum rate of twelve (12) gallons per minute per square foot of effective surface area.

(b) Filter sand shall be uniformly graded silica material, with effective particle diameters between 0.45 and 0.55 millimeters and with uniformity coefficient less than 1.75. The sand shall be free of clay, organic matter, and water-soluble material.

(c) Graded gravel or crushed anthracite shall be used to support the filter media and shall be free of organic and water-soluble material. It shall be graded by size and separately leveled in layers.

11.24 ANTHRACITE FILTERS.

(a) Each anthracite pressure filter shall be provided with backwash water at a minimum rate of twelve (12) gallons per minutes per square foot of effective surface area.

water at a minimum rate of twelve (12) gallons per minutes per square foot of effective surface area.

(b) The top twenty (20) inches of crusred particle diameters between 0.60 and 0.80 millimeters and with uniformity coefficient of less than 1.75. The anthracite shall be composed of hard and durable grains, free of iron sulfides, clay, shale, or dirt. There shall be minimum of a twelve-inch (12-inch) freeboard.

(c) Graded gravel or crushed anthracite shall be used to support this filter media and shall be as specified in Section 11.24 (c).

11.25 DIATOMITE FILTERS.

(a) Filter should be of size to provide water equivalent to that obtained by a sand filter operating to five (5) gallons per minute, per square foot for a twelve-hour (12-hour) turnover.

(b) Diatomite filters shall be provided with backwash water at a rate adequate to cleanse all filter aid from the elements. A precoat funnel or other feeding shall be provided.

11.26 SUCTION CLEANER. There shall be a suction cleaner outlet connected to the pump suction piping between the pool and the hair and lint strainer, to permit use of a suction cleaner or other acceptable device for cleaning the entire pool area.

11.27 REQUIRED FOR EXISTING POOLS.

(a) All swimming pools of any portable or non-portable type, 1200

(a) All swimming pools of any portable or non-portable type, 1200 gallons or more in depth, which have at the present time no filtration system, shall be required to install and have same approved by June 1. (b) Notwithstanding any of the other provisions of this Ordinance, all portable or non-portable pools presently located in the Township of Plymouth and which are designed to hold water to a depth of twelve (12) inches or more shall satisfy the fencing requirements of 6.1. Com-

Section 12. OPERATION, MAINTENANCE, AND REMOVAL.
12.1 GENERAL. Pools and pool equipment shall be operated and
maintained in a manner which will not create health or safety hazards

12.2 SUPERVISION. No person shall maintain a swimming pool on his premises without providing adequate supervision at all times when the pool is in use. the pool is in use.

12.3 DISINFECTION. Proper germicidal levels shall be maintained at all times during the pool usage to protect the health of users. A chlorine residual of 0.3 to 0.6 parts per million shall satisfy this requirement. Other disinfecting agents than chlorine may be used if approved by the Department of Buildings and Safety. The hydrogen ion concentration (pH) of the pool water shall be maintained between 7.2 and 7.6. Testing devices capable of accurately measuring pH and chlorine residual or other disinfectant shall be available.

12.4 RESCUE DEVICES. A rescue pole, hook, life rings, or a similar device shall be available within the pool enclosure.

similar device shall be available within the pool enclosure.

12.5 WATER RESTRICTIONS. The filling of swimming pools from the public water supply shall be regulated the same as lawn sprinkling.

12.6 DRAINAGE RESTRICTIONS. No swimming pool shall be drained during periods of excessive rainfall so as to over load the Township Sewer system.

12.7 MAINTENANCE. Any swimming pool which is not maintained to the minimum standard established by the Ordinance, shall be placed out of use by the owner after a notice by the Department of Buildings and Safety itemizing the corrections needed. Upon failure to correct the item or items cited, the pool may be ordered removed in accordance with Section 12.8 of this Ordinance.

12.8 POOL REMOVAL. Upon discontinuing the use of a pool for a

12.8 POOL REMOVAL. Upon discontinuing the use of a pool for a period of two summer seasons or more, the owner thereof shall forthwith remove all water therefrom and shall remove and/or fill the structure or excavation with earth level to grade or otherwise make

the premises safe.

12.9 PORTABLE ELECTRIC CORD. Any portable electric cord used in connection with pool equipment must be a 3 conductor grounded neutral type of type SJO wire not less than 14 gauge, with a grounded type terminal. 12.10 GROUND. Provide a 34 inch by 8 foot galvanized ground rod with approved grounding clamps to pool structure and to pump frame and connect same to ground rod with not less than No. 7 bare copper

Shall comply with the requirements of Section 4.1, 4, 51, 11.2, 11.6, 11.8, 11.23, 12 and such other requirements that shall be found to be necessary for the particular installation. All pools twenty (20) feet in diameter or larger in addition to the above shall comply with Sec-

Section 14. LICENSE AND OPERATION REQUIREMENTS.

14.1 LICENSE REQUIRED. It shall be unlawful hereafter for any private swimming club or similar organization to maintain or operate a private swimming pool in the Township of Plymouth without having first obtained a license therefor.

142 APPLICATION. Application for license shall be made to the Township Clerk in the name of the organization or corporation owning and/or operating the private swimming pool to be licensed. It shall also show the address of the club or organization and also the names and address of the officers and directors of the club or organization. Each application shall set forth the location where the applicant proposes to operate the private swimming pool and other recreational facilities, if any. Attached to the application shall be the affidavit hereinafter required together with a certified copy of the By-laws and Articles of Incorporation of the applicant. Articles of Incorporation of the applicant.

14.3 APPROVALS REQUIRED. The application and license to operate a private swimming pool shall be filed with the Township Clerk, the Township Clerk shall then refer the application to the Department of Buildings and Safety, Department of Health and the Fire Department for their respective recommendations.

(a) DEPARTMENT OF BUILDINGS AND SAFETY. The Department of Buildings and Safety shall approve the application for license.

(a) DEPARTMENT OF BUILDINGS AND SAFETY. The Department of Buildings and Safety shall approve the application for license if the premises the devoted to such use are within a proper zoning district and if all of the provisions of this Ordinance have been or can be complied with fully and satisfactorily.

(b) DEPARTMENT OF HEALTH. The Wayn: 2 County Department of Health shall investigate the sanitary facilities and health conditions of the premises whereon the proposed use will exist and shall approve the application if it is determind that adequate sanitary facilities exist and that there is not existing any condition which might be injunical nd that there is not existing any condition which might be inimical

(c) BUILDING DEPARTMENT. The Department of Buildings and Safety shall investigate the parking and traffic provisions that have been made and shall approve the application for license if it is determined that the same is in accordance with the approved parking and (d) FIRE DEPARTMENT. The Fire Department shall investigate the need for safety and fire prevention equipment and determine the existence of any possible fire hazards, and shall approve the application in the event the adequate provision has been made for safety and fire preventions and if no possible fire hazards are found to exist on the premises.

on the premises.

14.4 ISSUANCE OF LICENSE. The Township Clerk shall issue a license to the applicant for the operation of a private swimming pool club only if the application is in order and all of the approvals required herein have been obtained.

14.5 LICENSE FEES. Upon the filing of the application for a license, whether for the original license or renewal, the applicant shall pay to the Treasurer an annual fee in the amount of Twenty-five Dol-

14.6 EXPIRATION OF LICENSE; NONTRANSFERABLE. All licenses, granted under the provisions of the Ordinance shall expire at midnight of December 31st of each year. All such licenses shall be displayed in a conspicuous place in 6r near the entrance to the premises on which the private swimming pool is located. Each license shall cover the operations of but one private swimming club and the application for license and the license shall not be transferable in any nor fcr any reason or circumstances.

14.7 REOUIREMENTS FOR OPERATION. No private swimming

14.7 REOUIREMENTS FOR OPERATION. No private swimming pool club or organization shall maintain or operate a private swimming pool and/or any accessory recreational facilities in violation of the following requirements and it shall be unlawful for the owner, private swimming pool club, person, corporation, operator or manager of any club pool, or its agents, servants or employees to violate or permit violations of any such requirements which are, to-wit:

(a) Loitering shall not be permitted in or about the entrance to or exits from the premises on which any club pool is situated;

(b) Aside from a reasonable amount of noise and confusion ordinarily associated with this type of use, there shall be no excessive noise and order shall be maintained upon the premises where any club pool is operated.

(c) No suggestive advertising, picture, or writing shall be permitted on the premises of any club pool. A notice shall be posted at the entrance to the premises informing the public as to the private nature of the use;

(d) Adequate provisions shall be made for the sanitary needs of members, guests and other persons visiting the premises on which the club pool is located and shall be consistent with all pertinent laws and ordinances and subject at all times to the inspection and approval of the Department of Public Works and the Department of Health of

(e) The private swimming club shall furnish sufficient attendants including lifeguards to provide for adequate supervision and safety of the club pool area and the entire premises on which the club pool is located and sufficient also to maintain order on the premises and to avoid confusion in the movements of cars and pedestrians in and out

Means of acess shall me made available at all times for fire apparatus, ambulance and other emergency vehicles;
(g) Fire extinguishment equipment shall be furnished in such kinds and amounts and in such locations as may be directed by the Plymouth Township Fire Department and applicable regulations, ordinances and

(h) Any sale of soft drinks, confections or other articles of merchandise shall be governed by the laws and ordinances pertaining to the sale of such merchandise and shall require the same license or the sale of such merchandise and shall require the same license or licenses as if the sales were conducted elsewhere.

14.8 SUSPENSION AND REVOCATION. The Township Board shall have the power to revoke or suspend any license granted pursuant to the provisions of this Ordinance. No license, however, shall be suspended or revoked except for cause upon a sworn proof of charges filled with the Township Clerk by a person with personal knowledge of the facts sworn to. Such proof of charges shall specify with reasonable detail the acts on which the charges are based; any of the facts hereinafter referred to are hereby declared to be grounds for suspension or revocation of any license issued under the provisions of this Ordinance and, if established, shall be sufficient grounds for suspension or revocation in the discretion of the Township Board, to-wit;

(a) Facts showing that the applicant for a license made one or more fraudulent statements or misrepresentations or concealed material information on the application for a license:

information on the application for a license;

(b) Facts showing that such licensee has violated or permitted a violation of this Ordinance which injuriously affects the public health, safety, morals or welfare, or that this Ordinance has been violated in

connection with the licensed operation and that the licensee was aware or, at the exercise of reasonable diligence, should have been aware that such violation had occurred. Upon filing of such charges, the Township Board shall establish a date for hearing of the same before the Township Board within two (2) weeks and shall give to such licensee a notice of such hearing within three (3) days together with a copy of the charges specifying the facts supporting the charges filed by the complainant.

The Township Clerk shall act as Clerk of the Township Board in the charges of the charges instituted in connection with the sustained in the connection with the connectio

The Township Clerk shall act as Clerk of the Township Board in connection with any proceedings instituted in connection with the suspension or revocation of any license.

Section 15. APPEALS. Appeal to Township Board for Exception. An applicant may appeal to the Township Board for modification of any of the requirements contained herein. The applicant shall show practical difficulties,, hardships or special circumstances upon which the request for modification is made. The Township Board may or may not thereafter determine to grant the request in whole or in part and

not thereafter determine to grant the request in whole or in part and to modify the requirements of this Ordinance. Such action, if taken, shall be by resolution of the Township Board.

Section 16. VALIDITY. Should any portion of this Ordinance be held invalid for any reason, such holding shall not be construed as affecting the validity of the remaining portions of this Ordinance.

Section 17. PENALTY Any person firm or corporation violating Section 17. PENALTY. Any person, firm or corporation violating the provisions of this Ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be subject to a fine not to exceed One

Hundred Dollars (\$100.00) or by imprisonment not exceeding thirty (30) days, or both such fine and imprisonment in the discretion of section 18. REPEAL. Ordinance No. XX is hereby repealed a all other ordinances or parts of ordinances in conflict herewith are hereby repealed only to th extent necessary to give this ordinance

Section 19. EFFECTIVE DATE. This Ordinance is hereby declared necessary for the preservation of the public health and safety, and shall be given immediate effect. JOHN McEWEN, Supervisor
C. VEACH SPARKS, Clerk

I. C. Veach Sparks, Clerk of the Township of Plymouth, do hereby
certify that the above Ordinance was approved and adopted by the
Plymouth Township Board at the Regular meeting thereof held on the
11th day of January A.D., 1966, and was ordered to be given publication in the manner prescribed by law.

#### City of Plymouth minutes

A special meeting of the City ommission was held in the Comission Chamber of the City Hall Monday, January 10, 1966 at :30 p.m. to consider the following: 1. Vacating the balance of Byron treet
2. Authorization to employ DPW

3. Business dealings with City. PRESENT: Comms. Hudson, Ja-ara, Lawton, Mckeon, Smith, Val-

er annd Mayor Houk.

ABSENT: Nore.

Moved by Comm. Vallier and upported by Comm. McKeon that he matter of vacating the house. he matter of vacating the balance f Byron Street from the existing venue be removed from the table

that a certified copy of this reso-lution be forwarded to the Register of Deeds of Wayne County, Michigan for recording, and to the Auditor General of the State City Attorney Healy presented his vacating the balance of Byron of Michigan.
YES: None.
NO: Comms. Hudson, Jabara,
Lawton, McKeon, Smith, Vallier
and Mayor Houk. Motion failed.
Mrs. Thomas Cape spoke a few
words with regard to her feelings
concerning the action taken and
included reading an article concerns. treet was in order, and that the ity Commission could vacate the whole street or any part thereof as deemed necessary. The opinion

A communication from Comm. ections to reconsidering the vacat-ng of the balance of Byron Street vithout another public hearing. The ommunication was ordered re-

eived and filed.

The Mayor presented a communi-ation from Messrs. Albert Hubbs, tobert Gilles and Harold Stevens rotesting the vacating of any por-

the communication was ordered eceived and filed.

Comm. McKeon voiced his opinion stating he felt that if the street were vacated in order to allow an individual to by-pass an ordinance, hen the City Commission has no ight to pass ordinances or resolutions and expect them to be enoreed.

STATEMENT

I, James C. Houk, do hereby certify that I am the Secretary-Treasurer of Fisher's Shoes of Plymouth, Inc., a Michigan corporation doing a shoe retail business in the City of Plymouth. I am owner of 62% of the stock of said corporation. After considerable discussion was eld concerning the matter, the lity Attorney rules that the matter am owner of 62% of the stock of said corporation.

Some of the City employees in the course of spending their clothing allowance have purchased shoes from my firm with a Purchase Order issued by the City of Plymouth. In the process of executing this contract, a business dealing is transacted with the City of Plymouth. I therefore submit this statement.

James C. Houk

ion made on December 20, 1965 to eny the request of Mr. Cape to acate the balance of Byron Street. As a substitute motion, the folowing resolution was offered by comm. Hudson and supported by WHEREAS, the Commission of

WHEREAS, the Commission of the City of Plymouth, Michigan, held a public hearing on December 20, 1965, due notice having been given all abutting land owners, and publication having been duly made according to Section 5.13 of the Charter of the City of Plymouth, and at which all interested parties were given an opportunity to be heard upon the question of vacating a portion of Moved by Comm. Vallier and supported by Comm. Lawton that the City Commission accept the statement of Mayor James C. Houk and confirm the contract.

YES: Comms. Hudson, Jabara, Lawton, McKeon, Smith and Valuestion of vacating a portion of yron Avenue, described as fol-

That part of Byron Avenue, That part of Byron Avenue, a street dedicated to the use of the public, contained in "Resubdivision of Lots 3 to 7, 14 to 22, 24 to 33, 40, 48 to 52, 54, 55, 57 to 66 and part of Lots 23, 47 and 56, all inclusive, of Plat of Sunshine Acres Subdivision of part of N.E. 14 of Section 34, T. 1 S., R, 8 E., Plymouth Township, Wayne County, Michigan," as recorded in Liber 51 of Plats, on Page 44, on October 21, 1924, described as: Beginning at the described as: Beginning at the intersection of the South line of said Byron Avenue with the West line of Lot No. 124 of said ing thence Easterly, along the front lines of Lots No. 124, 123 and 122 of said "Resubdivision." 192 00 feet, to the N. ## First increase since 1961 for special postal fees

Proposed increases in money orders, insurance, registry, certified mail and C.O.D. rates to be effective March 26, 1966, were announced today the Post Office Depart-

The cost of operating these five special services now exceeds revenues by \$60 million annually. The proposed fee increase would narrow the cost-revenue gap by \$36 million, based on business handled in Fiscal Year 1965.

The new fees are the first changes since 1961.

The proposed fee changes appeared in today's Federal Register (Tues., Jan. 11), and can be put into effect under existing administrative authority. No legislation is needed.

The increases include:

#### Make progress in high-rise ordinance

The chances for high-rise building increased Monday night as City Commission and city planners met in joint session to discuss changes in zoning. "TECHNICALLY, it's not a high-rise. It's a medium rise," City Manager Richard Blodgett explained. Medium-rise calls

for five or six stories. The whole problem of high-rise or medium-rise zoning came up several months ago when Patrick Finlan proposed a luxury 39 unit five story apartment building on a site along Main St. near Food

Professional planner, Charles Leman reported Monday night on proposed changes involving offstreet parking, open space, and density requirements.

The results of the meeting will be made known next Monday when the Commission meets in regular session and discusses a draft of the ordinance. A public hearing on the entire matter - the change in the ordinances to allow medium-rise, and the specific request from Finlan - will be taken up, beginning at 8:30 p.m., February 21.

THE COMMISSION, Leman, and the planning com mission discussed possible height restrictions for buildings over two stories high, and agreed to set a limit somewhere between 45 and 50 feet high, which would allow four or four and one-half stories, Blodgett said.

Either way, it appears Finlan's plans will face revision: Leman's recommendation submitted in December, had indicated only 34, not 39 apartments should be allowed as the project stood.

#### From Washington

## Congressman warns of GI insurance frauds

Weston E. Vivian

Recently I received a complaint from the parents of a young man from the Second Congressional District who is now serving in the United States Army. It had to do with the solicitation of these people by out-of-state insurance companies not licensed to do business in Michigan.

I immediately started an investigation of this situation, with the Department of Defense, here in Washington. The facts uncovered in that investigation will, I believe, be of interest to many residents of our area.

I am therefore passing them along to you, with the plea that you look carefully at any insurance solicitations which you receive, particularly in the mail, purporting to offer special insurance benefits for servicemen or their parents.

Want Ads

Phone

453-5500

Unfortunately, some states are terribly careless in their regulation-or lack thereofof insurance companies based within their boundaries. Such lack of proper regulation, of course, encourages companies with unfortunate practices and methods to locate in these

APPARENTLY, Arizona is presently one of the states which, through lack of adequate regulation, is currently encouraging companies that do not meet the normally high standards of the life insurance industry.

Servicemen and their parents have been receiving deceptively contrived envelopes from Arizona insurance companies, claiming to inform the addressee about "governmentsponsored" life insurance.

One company has carefully designed its sales envelope to look like an official Department of Defense envelope, and "New regulations for government life insurance enclosed." No regulations about government insurance were enclosed; rather a fraudulent ad for "permanent" insur-

The fact is that what the company offers is a very high-premium non-permanent "term" policy which will be useless in five years unless converted to an unspecified policy at the end of that period.

One of these companies has been in operation for only four years. It sells only "military policies"; is licensed to do business only in Arizona; and has total assets of only \$61,000. (In contrast, many of the companies that sell and service their life insurance programs through local agents, and are licensed in the State of Michigan, have assets of hundreds of millions of dol-

The Department of Defense has informed me that they are very concerned about the increasing number of questionable companies selling life insurance by mail. An insurance industry advisory board has been established to help the Department distinguish between the bona fide and established companies and those which prey on servicemen and their families.

I URGE YOU to thoroughly investigate any company that son or daughter in the service.

You may write the Michigan Department of Insurance, Lansing, Michigan 48913. The Department of Defense, in Washington, will also advise you. Write: Mr. Leslie V. Dix, Director of Civil Affairs, Office of the Secretary of Defense, The Pentagon, Arlington, Virginia. When dealing with life-insurance by mail operators, it is indeed better to be "safe than sorry."

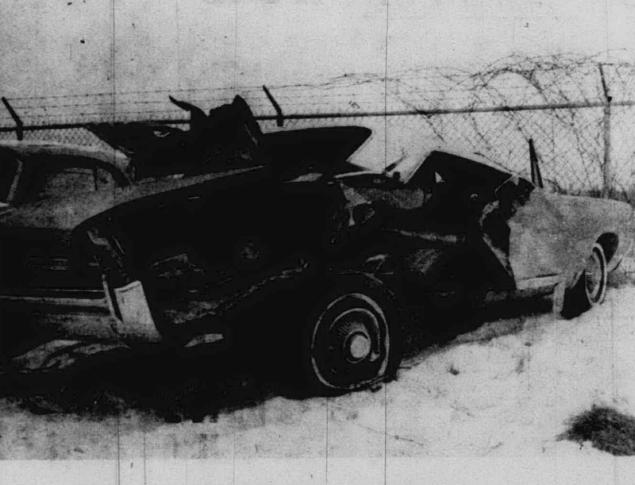

Why do people with hard-to-heat rooms turn to electric heat?

It's pure and simple

Electric heat is the clean, modern heat-no flame, no fumes. It's a snap to install-costs less, too-because it's more compact and needs no flue. And only electric heat is 100% efficient; the heat is created right where it's used. It's also economical. You can buy an attractive, low-operating-cost unit for as little as \$35-\$40 (plus thermostat and installation). And we're talking about a unit that can turn a 12' x 20' polar region into a tropical delight. Just dial the warmth you want, and you get it. Give us a call. We'll send an Edison Heating Specialist to discuss equipment, installation, and operating cost with you. No

Carson Coonce, 1365 Sheri- unique in its teaching of a dan, was among the more than 1,200 Jehovah's Witnesses and their friends who gathered at the Tecumseh High School last week-end for their semiannual Bible forum.

Coonce pointed to the principal talk of the convention, 'What Does the Resurrection of the Dead Mean for You and Yours?" as an illustration of how God will show more love.

Quoting the speaker, Harry A. Fetzik, District Supervisor of Witnesses' activity for Ohio, Indiana and Michigan, Coonce said, "Although sacred books such as the Koran of the Mohammedans and Vedas of the Hindus share with the Bible alone stands out as 145:3)

resurrection of the human dead.

"Resurrection is one of the most marvelous of hopes offered to believing persons and opens up the prospect of life as well as a future reunion with loved ones now deceased," he declared.

Coonce said he "was impressed with the physical organization" of the three-day meet. Twenty - one departments, including a cafeteria serving meals at cost, provided for every need of the delegates. The program under direction of Circuit Minister T. L. Eleas was interesting and lively and carried the Bible great age and are ven- theme, "Increasing Our erated by untold millions, the Praise to Jehovah." (Psalm

## Jaskierney paces tank win for College

The Schoolcraft College swim team broke even in dual activity this week. An impressive 55-29 win over the Unilowed by Bob Kellman with 5. versity of Windsor developed as Schoolcraft won 9 of the 11 events on the program.

High points of the meet were Larry Fitzgerald's record breaking performance in the 200 yd. butterfly, Ron Dotzenroth's fast come-frombehind finish in the medley relay and Doug Jaskierney's double victory in the 200 yd. individual medley and 500 yd. freestyle.

Detroit Institute of Technology proved to be too strong for Schoolcraft in the week's second meet. D.I.T. pulled away to a 58-34 win on allaround balance. Schoolcraft was held to three individual 571/2 261/2 victories: Doug Jaskierny, 200 yd. individual medley; Ron Dotzenroth, 100 yd. freestyle; and Tom Carney, springboard

Next week Schoolcraft has non-league meets with Aquinas College and University of Windsor. The season record now stands at three wins and five losses.

## Junior High swimmers second in tri-meet

The Junior High swimmers beat Pierce Junior High 44-36 last week, but lost 67-21 to Marshall in a tri-meet.

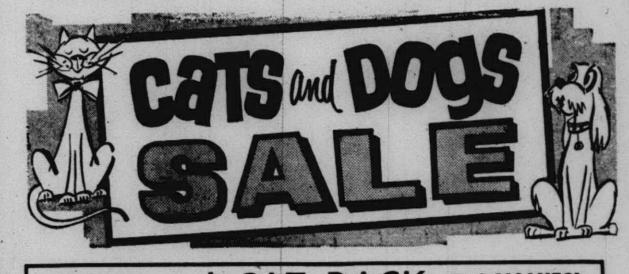

In the win over Pierce, Steve Malbouef, Bill Kloote, Bob Andes and Brian Shaw all won firsts, as did a freestyle relay team of Ted Wendel, Wally Beglinger, Terry Gould and Bill Kloote.

In the portion of the meet in which the Plymouth squad competed against Marshall. Eddie Jewkes took a second in the 200 yd. individual medley, Jim Shinn a third in diving. Craig White a third in the back stroke.

The team members that took firsts against Pierce took seconds and thirds against MarA CHANGE

The Bentley swimming meet will be held Feb. 3 at 7 p.m. rather than on Feb. 4 at 4 p.m., as previously announced.

# SAVE 20% ON DRAPERY CLEANING DURING FEBRUARY

## SLIP COVERS, BLANKETS and QUILTS INCLUDED

During the month of February, Tait's are offering a 20% discount on household cleaning draperies, slip covers, and blankets.

In March and April, our plant operates at its highest level of volume. A large percentage of the volume is household. If you will send now, in our slower period, we will bill you at regular price less 20% discount.

We'll benefit by levelling our peak volume into the slower months — you'll get a substantial savings - plus the benefit of having your order handled with extra care since we have more than adequate time now.

At Tait's, your draperies are always carefully measured, gently cleaned by the Sanitone process, and returned to their original measurements. All draperies receive decorator folding for perfect hanging.

WINNER in Blunk's, Inc. annual sewing machine drawing was Mrs. Robert L. Brown, 15811 Maxwell, who gets a demonstration here from Chuck Getson, Blunk's interior designer. Coupons for the missing letter game and contest were in the Jan. 12 issue of the Plymouth Mail.

Quality Is Your Best Value

Serving our country

Chief Communications Technician William D. Ful ton, USN, son of Mrs. Norman Fulton of 51150 Ford Rd. is serving at the Naval Communication Station in Rota,

The station is a vital link in a vast world-wide communications network, and provides major communications support for ships and units of the U.S. Sixth Fleet, operating in the Mediterranean Sea.

## Lawyers Title Co. Salem Square News

holds open house

Open house was held at the new branch office of Lawyers Title Insurance Corp., 729. West Ann Arbor Trail, all day Thursday, Jan. 27.

Hosts on the occasion were Frederic A. Thomson, senior vice president of Lawyers Title, Detroit, and members of the staff of the branch-James F. Greene, escrow officer; Blair Dwelle and Earl Reed who are in charge of sales at the new

The Plymouth branch is one of more than 50 in the statewide network of Lawyers Title. Opened informally a few days before Christmas, the office serves the Plymouth area and Northville, Livonia, Farmington, Wayne, Novi and Redford Township.

Thomson said that the Plymouth office had been opened because of the growth of the corporation's work in real estate transactions in Western Wayne and Oakland County communities.

The Plymouth office provides title services and a complete escrow department is being maintained at the branch, in addition to all services provided by Lawyers Title at its Michigan state office, 735 Griswold St., Detroit.

#### Name Pence to head Edison's relay program

William K. Pence of 14920 Maplewood Lane, has been appointed supervising engineer of relay applications for

William K. Pence

Detroit Edison's electrical sys-

tem department. A native Detroiter, Pence attended Catholic Central High School and, following three years Army service during World War II, earned an electrical engineering degree at Lawrence Institute of Technology.

He is an associate member of the Institute of Electrical and Electronics Engineers and has been active in the Institute's local chapter.

He joined the relay division of Detroit Edison's electrical system department in 1952. For the past year he has been supervising engineer of relay performance for the division. Pence and his wife, Rita, are members of the Newcomers Club in Plymouth. They have two children-Karen and Robert.

funds for A-smasher Funds for the giant atom Capital cost of the 200 billion smasher sought by Michigan electron volt (BEV) circular for a site between Plymouth proton accelerator has been and Ann Arbor were not in

According to a Detroit News story, the smasher was not omitted because of the Viet Nam war.

by President Lyndon Johnson

last week.

'66 budget has no

It would have been omitted anyway, according to budget director Charles L. Schultze, because the National Science Foundation and the Atomic Energy commission have not as yet picked the site.

#### Evans reports record sales, net earnings

Evans Products Company's sales and net earnings for 1965 were the highest in the company's history, according to a preliminary report issued by L. L. Wygal, executive vice president, finance. Sales and rentals in 1965 were \$246,941,000, a nineteen percent increase over 206,666,000

in the prior year. Net earnings rose to \$8,404,000 in 1965, an increase of 28 percent over \$6,575,000 in 1964 the prior record year. In addition, ,the company reported a special item of nonrecurring income for 1965 of \$5,364,000 representing gain after income taxes on sale of timber and related facilities, making aggregate net earn ings and special item of \$13,768,000.

THE PERSON STATE TO THE PARTY AND ADDRESS OF T

set at \$375 million. the 1967 budget as presented

> A FEW WEEKS back, a team of National Academy of Sciences members toured the site, in Washtenaw county, and were reported favorably impressed by the tract of land involved.

According to congressman Weston E. Vivian, who represents both Plymouth and Ann Arbor in the United States House of Representatives, Michigan's chances appeared better than average, despite the fact that over 40 of the 50 states were vying for the pro-

The National Academy team has been charged with narrowing the sites to six to eight, and the AEC is expected to pick the finalist from them.

If the smasher was located here, it would generate millions of dollars in federal spending for payrolls and related projects.

#### TEENS IN ACTION:

# Plymouth Jr. Achievement center launches annual drive for support

Since 1953 when Junior understanding of the free encompanies with an average of 12 achievers apiece.

Each company meets once a week for two hours in the center located at 858 West Ann Arbor Trail. Teen groups meet there Monday through Thursday evenings to conduct business and solve problems that most real businesses must face during the year.

Rotary and Kiwanis clubs, John Coleman, then president of Burroughs Corporation, Harold Guenther and the late F. A. Vollbrecht were founding fathers in Plymouth.

Although J.A.'s goal today is to give young people an

Achievement was first organ- terprise system, it was foundized in Plymouth the organi- ed at the turn of the century zation has grown from six in New England to teach companies with about 12 per- manual skills to high school sons in each one to twelve youngsters. Textile industry personnel were the founders.

> TEACHING of manual skills continued as the primary purpose of J.A. until the 1920's when Byram Colgate became concerned because young people didn't have an understanding of the free enterprise system.

> He became active in J.A. and remade the organization to place major emphasis on understanding free enterprise and private business.

J.A., with centers in the 50 states and six foreign countries, is a non-profit educational organization supported by business and individuals. Over 90 per cent of the teen- Achievement Committee. agers in the program were recruited in this way, according in the Plymouth organizations to Bill McMaster, public relations director of J.A.

Each February, J.A. conducts its fund raising drive to obtain money necessary to support the organization.

All money raised in The Plymouth Community is used by the Plymouth Center to support activities for Plymouth teenagers, Mc-Master said. He added this is true for all centers.

Chairman of Plymouth's fund raising drive is Victor A. Pelson, Department Chief Per-

LAUNCHING THE Junior Achievement fund drive for the coming year are Vic Pelson, left, personnel chief at Western Electric, and cochairman of the Livonia-Plymouth JA campaign; John McCaffrey, of Ford: Arnold Johanson, JA chairman in Plymouth and general manager of Western Electric; and Wallace Fleming, executive vice-president of Junior Achievement of Southeastern Michigan, Inc.

## Here's how one JA company works

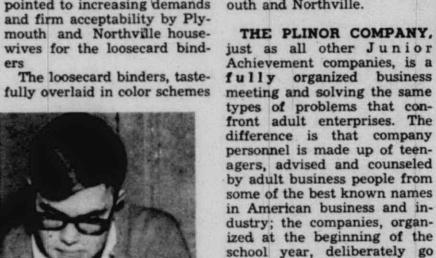

Enthusiasm and optimism are running high among the members of the Plinor Company, an organization of 24 Junior Achievement youngsters, sponsored by the Detroit Edison Company, ranging

in ages from 14 through 17. The company is having considerable success in marketing its product for the 1965-66 year, a unique loosecard binder primarily designed for cataloging favorite recipes in a manner so

that they are readily accessible and convenient to neighborhood housewives.

Joel Symmes, the company's president, reported excellent sales and profits for the first quarter of operation of the youthful company. He also pointed to increasing demands and firm acceptability by Plymouth and Northville housewives for the loosecard bind-

The loosecard binders, taste-
