Insurance Company to Build \$1 Million Building

Plymouth Loses Alexander Hamilton to Farmington Site

Plymouth has lost the home offices of the Alexander Hamilton Life Insurance Company and Farmington Township, or more accurately the Village of Quakertown, will gain a \$1,000,000 building and a business that could employ as many as 2,000 within the next three or four years.

That was the terse announcement at the annual stockholders meeting of the insurance company, which was founded in Plymouth slightly more than two years ago.

Plans for the move from Plymouth to the Farmington Township site—13 acres at the intersection of I-696 and 12-Mile Road, were made in a brief statement to the stockholders by Board Chairman Keith Owens.

It has been rumored for several months that Alexander Hamilton was thinking of moving from Plymouth to a site in the general location of Birmingham and Bloomfield Hills but it wasn't until a few days prior to last week's meeting that the rumors turned into actualities.

The decision comes as quite a blow to the Plymouth Community where most residents felt Alexander Hamilton had picked Plymouth as its founding site because of the Colonial atmosphere which fits in with the name—Alexander Hamilton.

At the moment, the company has more than 260 employees on the payroll of the home office and an additional 100 in the regional

office, both located on Penniman Ave.

Under the plans that came out of the annual meeting, the new structure, which is of a colonial design, will cost more than a million and the site is such that there is room for as much expansion as could possibly be needed in the distant future.

Alexander Hamilton owns

three buildings on Penniman Ave., two are used by the home office and the third by the regional sales division, under the supervision of Robert Johnson. The regional office building is not owned by the company but by Paul Hamlin, former Plymouth regional director who recently was promoted to Executive Director of Michigan.

In explaining the decision to purchase the Farmington Township site, James Milby, a resident of Plymouth who was recently promoted to vice president in charge of public relations, points out that Alexander Hamilton searched for a year and a half for a suitable site for the home office and the plot of ground on I-696 seemed the most advisable for

the facilities of the operation. "We are not moving from Plymouth for any cause, reason, etc. in any shape, form or description, because we have enjoyed our residence there," he said.

He listed the following contributing factors in the decision:

1—The location affords a (Continued on Page 20B)

Three Posts Up for Grabs

School Board Slates Election on June 16

Election in the Plymouth Community School district will have a chance to vote on three members of the Board of Education on June 16 and nominating petitions must be filed with Secretary Mrs. Esther Hulsing by May 14.

That was the action of the school board Monday when it approved a resolution setting the dates of the annual election. The petitions for candidates by state law must be filed one month in advance of the election.

The three members up for reelection are Ernest Henry, Robert Soth and Bruce Scott. The last mentioned will be seeking to complete the final three years of the term vacated by Robert Jenkins, the other two, if they decide to run, will seek four-year terms.

There is no indication at this time from either Henry or Soth as to their plans. Scott stated Monday that he probably would seek election to the post to which he was appointed last fall.

Board President Gerald Fischer revealed that Trustees and members of the Administration are in the process of negotiating for an additional school site.

However, he did not tell of the proposed site, of its location inasmuch as the matter is in negotiation and he felt any information at this time was inadvisable.

Mrs. Hulsing, chairman of the curriculum committee, reported the group plans to recommend the naming of an English department chairman with the start of the school term in September.

She also reported that additional math courses will be added at the high school level with the opening of the new school year.

The Curriculum committee also plans changes in the science program at the high school with physical science in the ninth grade, biology in the 10th, chemistry in the 11th and physics in the 12th.

Mrs. Hulsing and Assistant Supt. William Harding stated that biology had made tremendous strides in recent years and the plan is to upgrade the course at Plymouth High with the modern thinking.

Both pointed out that the committee believes it is better to offer the course to the more mature 10th graders than at the ninth grade level as at the present time.

The report of the committee

on vocational education will be made at a meeting in the library of Junior High East on Wednesday, April 20.

Philip Johnson, director of the vocational education program at the senior high, will review the present program in detail after

which the advisory committee will make its recommendations as to steps needed for improvement.

In other actions, the Board: Passed a resolution for an \$830,000 bond issue that will (Continued on Page 20B)

EASTER EGG HUNT attracted more than 300 youngsters to Plymouth High's athletic field Sunday for the annual Junior Chamber of Commerce event. Randy Knupp, 4, (left) and Craig Knupp, 6, sons of Plymouth Township Fire Department Sgt. and Mrs. Fred Knupp, 11705 Morgan, found their share of the eggs but one wouldn't think so by looking at the tears in Randy's eyes.

Van Sauter Predicts Long Viet Nam War

Members of the Plymouth Businessmen's Forum were told that the Viet Nam war could continue for a period of three to seven years and that another 10 years would be needed to set up a government capable of taking care of the small nation.

That was the word passed along by Van Sauter, war correspondent and feature writer of the Detroit Free Press who has just returned from two tours in Viet Nam covering a period of 10 months.

"The situation is not good," said Sauter, "The United States expects to have 400,000 men in the conflict by the end of this year and plans to boost that to 600,000 in another year."

"I wonder if the American people are ready to make that much of a sacrifice in manpower and financial support."

Sauter blamed the Viet Nam situation on the cruelty of France during the period it ruled the country.

"These people couldn't stand the cruel treatment of France," he stated, "They weren't ready for self-government but they couldn't hold still for the con-

ditions under the French. That started the ball rolling and now we have the acute situation that exists today."

Sauter described the morale of the American soldiers as "very high" although they (Continued on Page 20B)

3 Receive New Posts At Evans

Three promotions and one appointment to the engineering staff, of Evans Products Company's Railway Car division in Plymouth, were announced Monday by J. R. Bennett, Director of Engineering for the division.

Morris Warshal, who resides in Livonia, has been appointed assistant to the Director of Engineering.

Howard Mantle, of Plymouth, formerly a project estimator, has been promoted to Chief Estimator of the Railway Car Division.

Harry Pettit, of Livonia, formerly a project engineer, has been elevated to Chief Engineer, Box Cars. Box car production is a recent addition to the Plymouth plant's manufacturing projects.

Harold Reicher, of Livonia, has been promoted to Administrative Assistant to the Director of Engineering. Reicher, formerly a project estimator at Evans, joined the company after 14 years with the Rock Island Railroad.

Elsewhere in the company, C. A. Smith, general manager of the Grand Rapids plant, announced the appointment of John Pritchard as Director of Marketing and Sales. Pritchard will be in charge of marketing and sales of all products manufactured at the Grand Rapids facility.

Two Western Elec. Workers Die in Crash

Workers at the Western Electric plant in Plymouth are mourning the tragic death of two fellow employees following an automobile accident in Northville Township on Eight Mile Road near Napier when their light foreign made car skidded off the road and struck a tree.

Dead are: Kim Strauss, 19, of 36800 Eight Mile Road, and Janet McCullough, 19, of the same address.

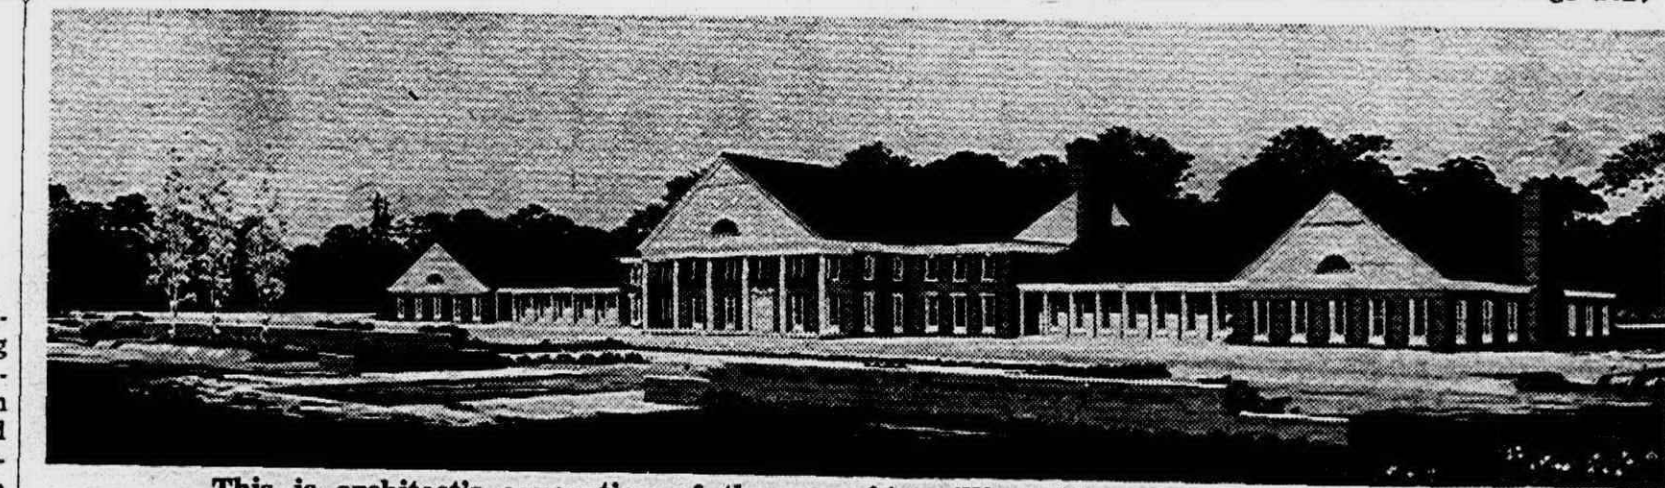

Wayne County Road Patrol deputies believe that Miss McCullough was driving when the car hit an icy spot during last Thursday morning's snowstorm and skidded off the road.

Miss McCullough died shortly after her arrival at St. Mary Hospital in Livonia and Miss Strauss succumbed several hours later of injuries.

Both young women were residents of California and had only recently taken positions in the shop at Western Electric.

The bodies were taken to the Casterline Funeral Home in Northville and then shipped to California for burial.

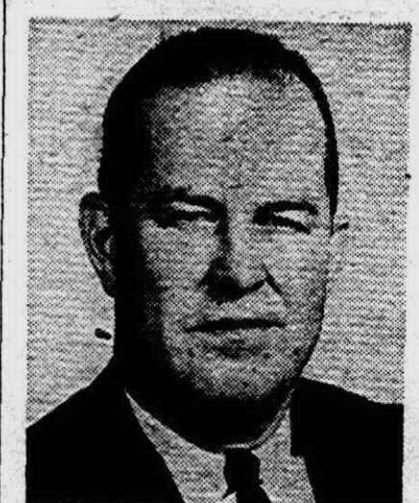

Miss Strauss was from Pasadena and Miss McCullough from Vista.

This is architect's conception of the new \$1 million Alexander Hamilton building.

Plymouthite Wins Outfit

It was a Happy Easter for Mrs. Madeline Penney, 48222 Powell Road, Plymouth, even though the Easter outfit she won was for her husband.

Mrs. Penney entered a contest at a large department store in Livonia with little hope that she would win anything, but much to her amazement she received a call on Saturday, April 2, and was told that she was the winner.

Her husband received a new suit, tie, socks, shirt, hankies, T-shirts, leather belt, new hat and a pair of shoes—a complete outfit.

Announcement of the Plymouth Township site was made several weeks ago when Ford indicated it would construct a multi-million-dollar plant to relieve conditions at the Ypsilanti plant and also to give that operation a chance to expand on its present site by taking some of the operations to Plymouth.

The appointment of Winder was announced by H. A. Matthias, general manager of Ford's General Parts Division. At the same time he announced that Wilson W. Sick had been promoted from assistant manager to manager at Ypsilanti, succeeding Winder.

"Mr. Winder's responsibilities at the new plant will begin in the planning stage and continue through construction and the critical launching operation," said Matthias.

At the same time, Ford Motor officials in Dearborn announced plans for a ground breaking ceremony on Wednesday, April 27.

Meanwhile, crews have been busy with huge earth removing and bulldozing equipment at the 168-acre site. Workmen moved to the scene within days of the original announcement and have practically completed the task of leveling a hill on the northern section of the land.

Winder attended Eastern Michigan, Wayne State and Michigan Universities where he studied mathematics and engineering.

He began his career with Ford as an hourly employee at the Manchester (Mich.) plant, where he later was advanced to foreman, general foreman, superintendent and production manager. He was appointed manager of the Ypsilanti plant in October 1964.

Winder is married and resides in Clinton.

Sick received a bachelor's degree in electrical engineering from Carnegie Institute of Technology in Pittsburgh, Pa., in 1955 and a master's degree in industrial administration.

tion from the same college in 1957.

He held summer jobs with Westinghouse Corporation from 1954 through 1956, working in the impulse laboratory for the Atomic Power Division and as a manufacturing staff assistant.

Sick joined Ford in 1957. He served as manager of the finance staff budget analysis department before being named assistant manager at Ypsilanti in 1965.

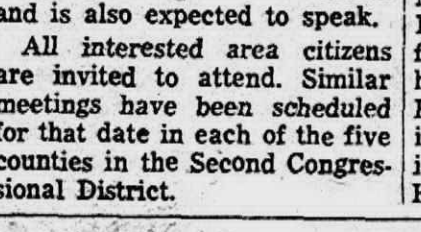

Sick, his wife, and children reside at 29637 Ravine Drive in Livonia.

Rep. Vivian In Plymouth On April 18

U.S. Representative Weston E. Vivian will speak at a special meeting in Plymouth on Monday, April 18, at 4:30 p.m.

The meeting has been called by the Wayne County Second Congressional District Democratic Committee and will be held in the Plymouth Credit Union. U. S. Senator Philip A. Hart will accompany Congressman Vivian and is also expected to speak.

All interested area citizens are invited to attend. Similar meetings have been scheduled for that date in each of the five counties in the Second Congressional District.

Consumers Customers Get Share of Refunds

Consumers Power Company's natural gas customers this week began getting a share of refunds recently received by Consumers Power from its natural gas suppliers.

The Company is passing on the customers' share of the refunds in the form of a credit on their next bill. Gas space heating customers will receive credits averaging about \$1.50. Gas customers who do not use space heating service will receive credits averaging about 30 cents.

The refund is going to cus-

tomers who took gas service from the Company during October, November and December of 1965, and who still were customers of the Company on March 25, 1966.

Those who changed their address after December will have to apply to Consumers Power directly, before July 1, if they want their refund.

The refund credit is going to some 697,000 customers as a result of lower wholesale gas rates than those originally collected by the suppliers. The total amount returnable to customers of the Company was set at \$1,328,122 by the Michigan Public Service Commission in March 1966.

First Aid Classes Set by Red Cross

Standard and advanced first aid classes will begin next week under the sponsorship of the Livonia Red Cross.

The standard course of five two-hour meetings will start Tuesday, April 19, from 7:30 to 9:30 p.m. under the leadership of Mrs. Dewey Hansen. An alternate session will begin Wednesday, April 20, from 1 p.m. to 3 p.m. under the leadership of Mrs. James Payne. Both are open to anyone 14 years old or above.

An advanced course, for those who have completed the standard course within the past three years, will start Monday, April 18, from 9:30 to 11:30 a.m. under the leadership of Mrs. Cameron Lodge. An alternate session will begin the same day but in the evening, from 7 to 9 p.m., taught by Joseph Machiorlatti. Advanced courses meet for eight two-hour sessions.

All classes are given at Red Cross headquarters, 31223 Five Mile, Livonia, and the only fee is 75 cents for a first aid training book.

In an annual meeting, marked by the announcement by Board Chairman Keith Owens of the planned shift of the home office from downtown Plymouth to a 13-acre site in Farmington Township, there was nothing but good news for stockholders in the Alexander Hamilton Life Insurance Company.

The transfer of the home office to another spot in Michigan has been rumored for several months and word has been spread to the stockholders prior to the official announcement, so that it didn't come as a complete shock for those residing in Plymouth.

Owens indicated Alexander Hamilton has purchased a 13-acre site in Farmington township in the Village of Quaker-town on a knoll near the intersection of I-696 and 12 Mile Rd.

"We believe it is the best site available and will give Alexander Hamilton complete exposure to all driving the expressway," he said. "More than that it is located across the freeway from the Farmington campus of Oakland Community College. We hope to be in the new building, which will cost more than a million, within a year."

Prior to that announcement President Charles Bruce reported the company's insurance force had jumped to \$138,281,235 from the \$60,331,500 at the end of 1964.

"Our insurance in force more than doubled in the past year," he stated. "And I might say that business this year has totaled \$8 million in January, \$8 million in February and more than \$12 million in March. That indicates this year could well exceed any of the others and most certainly shows that Alexander Hamilton is well on its way."

Bruce pointed out the fact that Alexander Hamilton is now licensed to operate in seven states, including Michigan, Indiana, Rhode Island, Minnesota, Louisiana, Maine and Alabama with the indication that additions will be made within another month or more.

"We realized a 291 per cent increase in our policy reserves," said Bruce. "An addition of \$1,122,560 in 1965 brought our current total to \$1,508,908."

"Premium income is now \$4,830,324. In addition to the statutory reserves, we have credited 19.6 per cent of the premium income to policyholders by way of dividends and guaranteed benefits amounted to \$740,728 and dividends to policyholders was \$203,492. The total living benefits accrued to policyholders was \$924,220 in contrast to the \$41,517 paid out in death benefits."

Bruce said the company paid seven death benefits during 1965.

He indicated the investment income rose to \$363,941 and net yield has increased monthly because of a transfer of funds to the mortgage portion of the investment portfolio.

"The breakdown of our present portfolio is: bonds, 59.6 per cent; mortgages, 36 per cent; stocks, savings and loans, 4.4

per cent," he stated. "The quality of investments has been high with no bonds or mortgages in default."

"Total invested funds are approximately \$9 million and growing at an accelerated pace. Early in the year we were transferring approximately \$50,000 per month from operating accounts to the investment portfolio but now the amount has been increased to \$200,000 monthly."

The complete list of comparisons as shown in the statement to the policyholders at the meeting follows:

Insurance in force from \$60,331,500 to \$138,281,235.

Admitted assets from \$8,869,983 to \$10,260,266.

Premium income from \$2,109,422 to \$4,830,324.

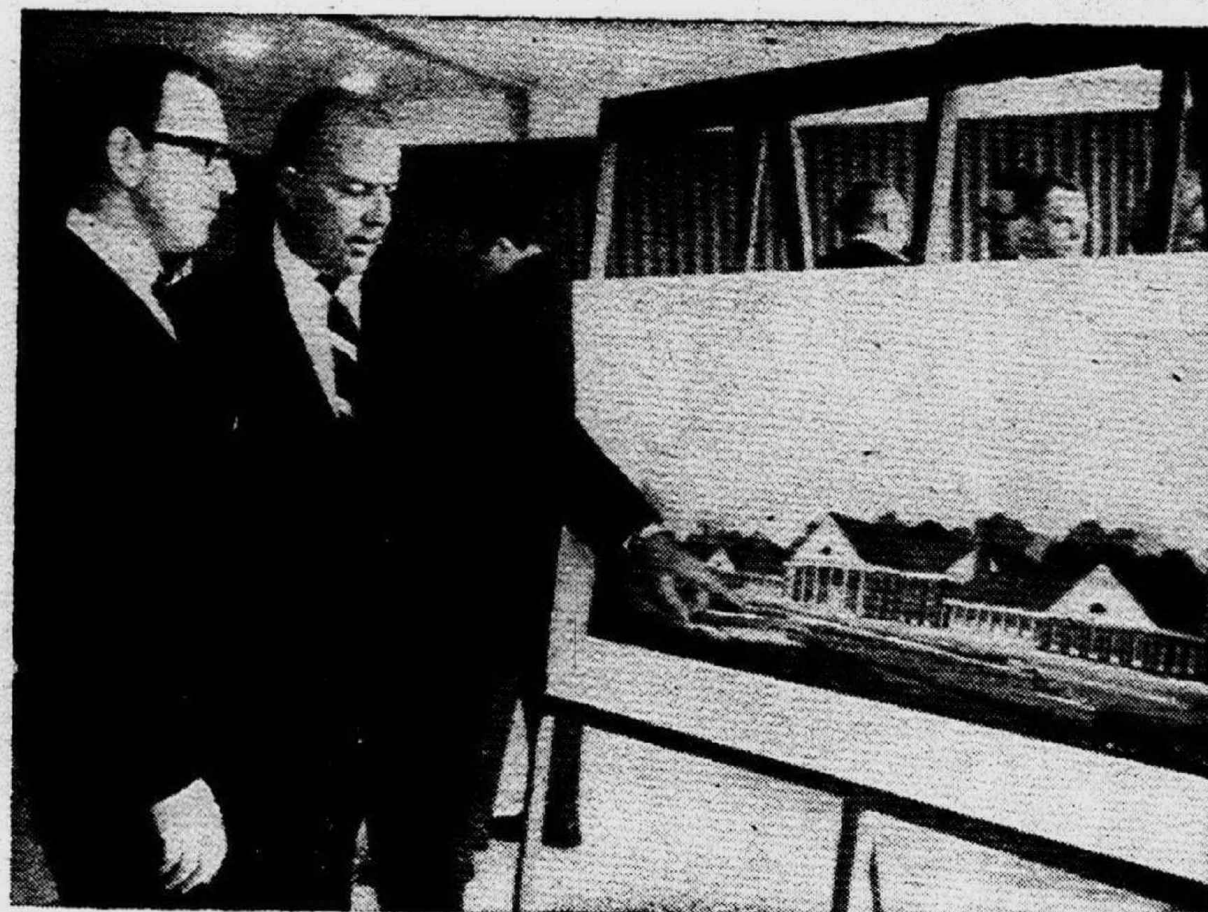

Net investment income from \$201,124 to \$363,941.

Living benefits from nothing in 1964 to \$944,220.

Estate benefits from nothing in 1964 to \$41,517.

Contract reserves from \$386,348 to \$1,508,908.

Bruce introduced other Directors including: G. Eugene Davidson, executive vice president; Charles Dean, senior partner, Dean, Coon and Westphal; Harold Guenther, Plymouth industrialist and civic leader; Rockwell Gust, Jr., vice president-general counsel and secretary; Robert Hofheins, financier and industrialist; Stanley C. Kresge, President the Kresge Foundation; Richard Mange, senior vice president, National Bank of Detroit; James Milby, vice president-public relations; and Robert Safford, executive vice president.

VICE PRESIDENT Rockwell Gust, chairman of the building committee of Alexander Hamilton Life Insurance Co., shows Board Chairman Keith Owens (left) an artist's drawing of the new building planned in Farmington Township.

\$1.7 Million Budget Set if Millage Passes

Increased costs of \$1,716,000 are being projected for next year by the Livonia School Board which has prepared a budget of \$17,788,395 for submission to the Wayne County Allocation Board.

This is not a final budget but must be placed in the hands of the county board at this time so that the county can determine the division of 15 mills, allowed each county for operation of school, township and county government.

School officials have estimated expenditures this year will amount to \$16,071,657.

The greatest increase is expected in the cost of teachers who this year will be paid \$12,025,645.

Next year's figure of \$13,326,413 would be an increase of \$1,300,768.

Although the Livonia Education Association is protesting any "unilateral" decision on salaries, the board is projecting pay hikes.

The budget shows an expected increase of \$250 for beginning teachers (\$5,350 to \$5,600) and \$350 for a maximum salary (\$8,450 to \$8,800).

Teachers with master degrees would start at \$8,000 instead of the present \$5,700 and would achieve a maximum of \$9,500 instead of the present \$9,175.

The budget will not become final until after a public hearing, held later in the year.

Too many motorists try to save a little time at the risk of losing a whole lifetime.

Wayne Youth Killed in Train Crash

Ronnie Franks, 17, of 2121 Emerson, Wayne, became Livonia's seventh traffic victim of 1966 when he was instantly killed after driving his car in front of a freight train at the Stark Road crossing.

Ronnie, according to Police reports, waited while one train went by and then drove in front of a second train coming in the opposite direction. The engine struck the car alongside the driver and dragged it more than 100 feet before tossing it to the side of the tracks.

The youth was rushed to St. Mary Hospital where he was pronounced dead on arrival.

The death sent Livonia's total ahead of the 1965 when the seventh fatality was recorded on Sept. 11 in a year that had a total of 12 for the entire 12 months.

NBD Earning up 10.3% for Three-Month Period

Net operating earnings of the National Bank of Detroit for the three months ended March 31, 1966, were \$5,263,180, or \$1.31 per share, it was reported by Henry T. Bodman, Chairman, and George E. Parker, Jr., President.

This compares with \$4,773,034, or \$1.19 per share for the corresponding period of 1965, and represents an increase of 10.3 per cent. Total capital accounts of the Bank were \$210,137,270 on March 31, reflecting an increase of \$9,424,515 for the last 12 months.

CAROL ANN NOWACK

Mr. and Mrs. Frank S. Nowack, of Red Clover Ct., Farmington, announce the betrothal of their daughter, Nancy Ann, to John E. Trainor, son of Mr. and Mrs. Cyril R. Trainor, Sr., of North Connecticut Avenue, Royal Oak. The bride-elect is a 1965 graduate of Mercy College of Detroit, where she majored in Psychology. Nancy is presently teaching in the Farmington Public School System. The prospective bridegroom is a graduate of the University of Detroit, where he is presently working on his Masters Degree. He is a member of Sigma Phi Epsilon fraternity. A June wedding is being planned.

Welcome Tina!

Tina Renea was born at University of Michigan Womens Hospital to Mr. and Mrs. Otto Smith, of Greenlane, Livonia. She weighed in at 6 pounds 15 ounces. The grandparents, Mr. and Mrs. Victor Smith, and Mr. and Mrs. Howard Killin along with little 24-year-old Todd, welcomed Tina home.

Navajo Weaving Class

The Detroit Headweavers' Guild will meet on Friday, April 15, at the International Institute, 111 E. Kirby St., Detroit.

The program, which begins at one o'clock, will be presented by Mrs. William Davis, who learned the craft many years ago from White Lightning, a member of the Navajo tribe. She will demonstrate, using a small loom, with her own hand-spun wool. Her exhibit will include rugs, mats and wall hangings, all in the Navajo tradition. Did The Easter Bunny Flip His Basket At This House?

Neighbors eyes popped and lines buzzed as one alert news-hound stated that there were millions of colored Easter eggs just laying all over the front lawn of Jerry and Dorothy Wilhelm's home at 28710 Kirkside Drive in the Kendallwood Sub-division, Farmington Township.

Jerry and Dorothy Wilhelm do not have a million, but do have over a thousand gaily decorated Easter eggs which they place in their front lawn every Easter and leave them there for

a day or so after Easter. The idea came to the Wilhelm's about five years ago, while still residing in Cleveland, O. During the lull between Christmas and Easter, their youngsters Karen 11, Tom 9, and Janet 6, begin work on this project.

About two thirds of the egg shell is used, with a plaster of paris fill. A large nail is inserted at the bottom, then the eggs are painted with household enamel paint. About 200 a year are added to the collection. After Easter, the eggs are taken in and stored.

The Wilhelms were quite pleased that there was interest in their project and consented to leaving the eggs in the lawn until Friday night.

HELEN FAIRMAN

Mr. and Mrs. Robert Pairman, 19962 Poinciana Avenue, Detroit announce the engagement of their daughter Helen to Robert Dale Oliver, son of Mr. and Mrs. Harold Oliver, Sr., of Pinckney. An April 22 wedding is planned.

Redford Cadet Cited

Cadet Stephen Robbins, a student in the Roosevelt Military Academy Aledo, Ill., was cited for excellence at special ceremonies honoring award winners for the second quarter of the school year. Cadet Robbins, son of Mr. and Mrs. Kenneth D. Robbins, 14416 Beech Daly, Redford Township, was presented an award for excellence in Academics and Military.

Diseases of the heart and blood vessels are the nation's greatest health enemy. These ailments take 250,000 lives yearly among people under 65, reports the Michigan Heart Association, a Michigan United Fund agency.

"A DO-IT-YOURSELF Easter Bunny" is displayed by Steve Gahagan of Briar Hill. You take a flat box-top and fill it with green straw. Next the bunny is made with Dixie cups, and a dab of cotton for the tail. The face is a decorated hard boiled egg. This can also be used as a wall plaque.

It's a Girl!

MRS. WILLIAM THOMAS REED

Stephens-Reed Are Wed in Double Ring Ceremony

Sally A. Stephens became the bride of William Reed, April 2 in an afternoon ceremony at the First Methodist Church in West Branch.

The bride is the daughter of Mr. and Mrs. Wesley Stephens of West Branch. The groom is the son of Mr. and Mrs. Roy Reed, 15419 Oak Dr., Livonia.

The bride's gown was of satin encrusted with lace appliques. A chapel train was held in place on her shoulders with a bow. Pearl edged petals held her triple illusion veil in place. She carried a cascade of yellow roses and white mums.

Her attendants were Mrs. Duane Weldon (matron of honor); Karen Larsen and Diane

Reed were bridesmaids. They were all gowned alike in sheaths of embossed organza on matching taffeta. They carried cascade of yellow mums with white carnation center.

Richard Reed, of Garden City was best man and Robert Lowry of Plymouth, Duane Weldon of Wheeler, and Donald Stephens of West Branch seated the guests.

A reception was held following the wedding at West Branch Town Hall. The future home of the bride and groom will be East Lansing.

The bride graduated from Alma College. The groom attended Michigan State University.

'Book Circus' To Be Held April 19

A "Book Circus" will come to town for a day Tuesday, April 19, when Women Journalists stage their ninth annual book sale from 10 a.m. to 9 p.m. at the Detroit Press Club.

Members of the Detroit Chapter of Theta Sigma Phi, national professional fraternity for women in journalism, will welcome the public to the sale at the club. The club at First and Howard is normally open only to members and guests.

Tables on the second floor will be laden with second-hand book bargains starting at 15 cents. WWJ-TV's weather clown, Sonny Eliot, will visit the literary circus at noon, and Jerry Booth of CKLW-TV's "Fun House" will be on hand at 6 p.m.

The sale benefits the Lucy Corbett Scholarship Fund, established in memory of a beloved Detroit woman journalist. The fund helps deserving woman students of journalism complete their education.

Well-known Detroit authors will be on hand to autograph copies of their books, which will be sold at the Book Circus. Among them are photojournalist Joe Clark, and Lillian Jackson Braun, author of "The Cat Who Could Read Backwards."

Co-Chairman of the Book Circus is Mae Derdarian. Assistant are Janet (Mrs. Carmi) Odell, Barbara Marx, Patricia Kroger, Betty (Mrs. Frank) Angelo, Barbara (Mrs. Julian J.) Picture Talk
by Les Wilson

How to Keep Up

I've never known it to fail that when I'm trying to take pictures of children, things happen so fast I just can't keep up with the action. I can't, that is, unless I'm using the kind of camera that lets me keep a jump ahead.

One camera that lets you shoot the action as fast as it happens is the KODAK INSTAMATIC 404 using a flashcube. Whether you're shooting pictures outside or with flash indoors, you're always ready for the next picture to happen.

A spring motor automatically advances the film after each exposure. All you need do is aim the camera and watch for the right split second to snap your picture. One winding of the spring motor is good for the 12 shots on a KODAPAK Cartridge.

For flash, there's flashcube. This is a brand new convenience for people who want flash pictures. It lets you take four pictures without changing bulbs. With the INSTAMATIC 404 Camera, after each shot, film and flashcube advance automatically. The next flash bulb is ready as soon as the film is ready... and that's instantly.

You can buy the KODAK INSTAMATIC Camera in a complete outfit that includes film, flashcube and batteries. There's even an instruction book that not only tells you all about the camera but provides tips on how to take better pictures with it. Come in and let me demonstrate this camera and the new flashcube.

Our Queen of Hearts Expresses "A New Approach"

By FAITH GILLESPIE

Editor's Note: This column

of our Faith's is more than

a cooking guide. To us it ex-

presses her own warm-heart-

ed, cheerful philosophy of life.

We think this column is some-

thing rather special—and we

hope you will enjoy it.—J. W.

The Queen of Hearts is really

you, and every other woman

who labors with love in her

kitchen.

Oh, it's true that the whole

undertaking of somehow provid-

ing a husband and/or children

with three (at least) appetizing

and nourishing meals every day

and every day and every day

can seem pretty dismal some

days. There we stand, mind a

blank, at that packaged meat

counter in the supermarket on

bleak afternoons, sometimes,

wondering what in the world we

have been feeding our family

for the last two or eight or 13

years.

It is a rare one of us who

can muster up the charity to

lavish great pains on a spec-

tacular dinner after our King

of Hearts has charged in roaring

because why on earth didn't you

get those bikes (and trikes and

wagons and doll buggies and

skate boards) out of the drive-

way? (Because I've been in

here slaving, that's why!)

I am not suggesting that you

rush out to the kitchen and whip

up seven dozen cookies when

the children have been whining

and fighting and coming down

with chicken pox. Someone else

has figured that out: you give

them some broth without any

bread and whip them all sound-

ly and put them to bed, thank

you Mother Goose.

What I have in mind could

be called a New Approach,

which sometimes does a woman

almost as much good as a new

hat; add a pinch of love to each

recipe.

Maybe tomorrow morning,

when everyone is rested and the

washing is in, you can dig out

that jar of peanut butter and

climb back on your throne,

Queenie.

This recipe is the best of its

kind that I have ever come

across, and it does make nearly

seven dozen cookies. We call

them Peanut Butter Double

Cross, because before baking,

we press (lovingly) a crisscross

on each one with the back of

a fork.

Peanut Butter Double Cross:

Cream together thoroughly 1

cup shortening, 1 cup granu-

lated sugar, 1 cup firmly pack-

ed brown sugar, 1 teaspoon

vanilla; then add two eggs, beat

en. Mix well. Add 1 cup peanut

butter.

Sift together and stir into

above: 3 cups flour, 2 teaspoons

baking soda, ¼ teaspoon salt.

Mix well and form into tiny

balls, so they will be uniformly

done when baked. A little care

does make a difference here.

Make a crisscross on each

one, flattening the ball slightly.

Bake at 375 degrees for 8 to 10

minutes, depending upon how

crisp you like them. You may

use the crunchy peanut butter,

if you have some, or if you feel

really loving, toss in a bag of

those new peanut chips and stir

before you form the little balls.

I do not recommend cutting

this recipe in half, if this sounds

like a larger than normal

amount for your family. They

do keep for several days (in

some houses, not mine), and

spreads through the rest of the

house. It ought to last at least

as long as the wonderful aroma

of the baking... maybe even

as long as the batch of cookies.

Who can possibly roar or

fight or whine with a Double

Cross clutched in each fist?

Could even be good for chicken

pox!

The theory is that the loving

care spent in the kitchen

The Distaff Side...

By Jerry Wendt Women's Editor

"All members of the court are ordered by Royal Decree to dress in their finest garments and to parade before the populace" so began the first Easter Parade hundreds of years ago when Emperor Constantine ordered his court to bedeck themselves in honor of the resurrection of Christ. From this came the belief that one must wear for the first time on Easter Sunday, a new article of clothing to insure good fortune for the coming year.

Although in Christian lands the greatest religious festival of the year is Easter, many of the customs and legends that surround this time are pagan in origin and have nothing to do with Christianity.

The Easter rabbit represents fertility and it is a favorite belief that on Easter Sunday, a rabbit, after a long winter's sleep lays bright red, blue, yellow and purple eggs in the grass. The rabbit brings the eggs according to belief in many countries but in France the children are taught that eggs are brought by bells and not by Sir Rabbit after all.

One of the most poignant legends surrounds the baking of Hot Cross Buns. Current buns were always baked in England in honor of Good Friday. One Good Friday, a widow, overjoyed that her son was returning from sea baked a whole pan of buns and set them aside for him. When she received word that evening that his ship had gone down, she wept bitterly and some of her tears splashed on the buns. In the morning her tears had formed a cross. The following year, friends of the sorrowing mother decorated their Friday baking with a cross to honor her son and so the custom began.

The Easter egg hunt began centuries ago when the Romans celebrated Easter season by running races on an oval track and giving eggs as prizes.

On Easter morning, sunrise services are held throughout the land, and this springs from the belief among the early Christians that on Easter morning the sun danced in honor of the resurrection and people rose long before the sun to see the feat. Sir John Suckling in his poem "The Bride" described it thus:

"But, oh, she dances such a way,
No sun upon an Easter Day
Is half so fine a sight."

The most beloved of all Jewish festivals, Pesach, or Passover, is also usually held at this time. It celebrates and symbolizes "freedom," a condition cherished among Jews for three thousand years, and for this reason, it is referred to as the "Festival of Liberation." Jewish families, on Pesach night, have always gathered together to relive in recollection their most unforgettable historic experience, their bondage in Egypt, and their liberation

The advent of the festival is marked by elaborate preparation.

Special dishes, cooking utensils and silver are used for the entire period. In the center of the tables is the Seder plate. On it are placed the Passover symbols; a roasted lamb bone and a roasted egg in memory of God's command to Moses on the eve of departure from Egypt and in memory of the festival offerings in the temple; Maror (a bitter herb), symbolizing the bitter hardships of slavery; parsley and salt water for the bitter tears shed by slaves... Haroset, made of apples, nuts, wine, sugar and cinnamon, representing the bricks made by the Israelites in Egypt. Cups of wine and matzoh complete the symbols used in the Seder.

Following the solemnness of the Seder ceremony, the family ceremony ends on a note of gaiety. The children are a prominent part of the festival because the families want them to know and to cherish the people's traditions of equality and freedom.

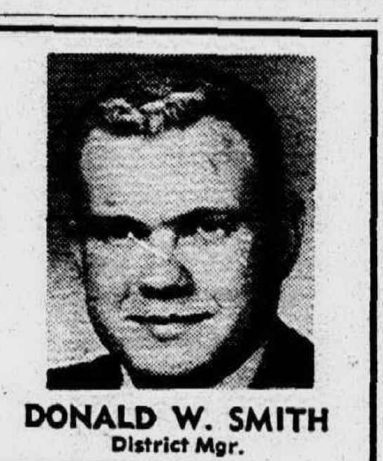

MARCUS BASS, of the Livonia Jewish Congregation, conducting Model Seder Services for the students of their religious school.

The only practical way for parents to lead their children down the path of righteousness is to get that way themselves.

Eastern Star News

The Order of the Eastern Star has a foster home for children. The Villa in Adrian. It is trying to get a bus so that the 30 children there can go to church, school and other functions as a group. The OES would like all members to give just one book of stamps. It takes 2,000 books; please bring them to the chapter.

Any other person who is interested in the welfare of the youth of today may contribute also. Either call GL 3-3656 or mail stamps to Alta Jones, Worthy Matron, 775 Arthur-Plymouth.

Tuesday, April 26 at 12:30 p.m. is the spring luncheon and card party in the Masonic Temple. This is always a sell-out and an enjoyable function, so phone Edith Merchant at GL 3-0673 now for reservations.

Bethany Baptist Church To Conduct Missionary Conference, April 20-24

Beginning Wednesday evening, April 20, Bethany Baptist Church, 34541 Five Mile Rd., Livonia, will conduct a missionary conference to run through Sunday, April 24, exclusive of Saturday.

The conference theme is "The Gospel in the Regions Beyond" (2 Cor. 10:16). Personnel developing this theme will be the following missionaries: Rev. L. Shelton Allen, Far Eastern Gospel Crusade, who has served in Japan; Rev. Orval Dunkeld, the Evangelical Alliance Mission, on furlough from

the field of Rhodesia; Rev. Frank Longman, Africa Inland Mission, who has served in the Congo; and Rev. Kenneth Love, Evangelical Union of South America on furlough from Brazil.

Services will be held nightly, Wednesday through Friday, at 7:30 p.m., and on Sunday, in Sunday School, and in morning and evening meetings. Films, literature, music, and messages will comprise all programs. The public is cordially invited to attend.

Worship Through Music

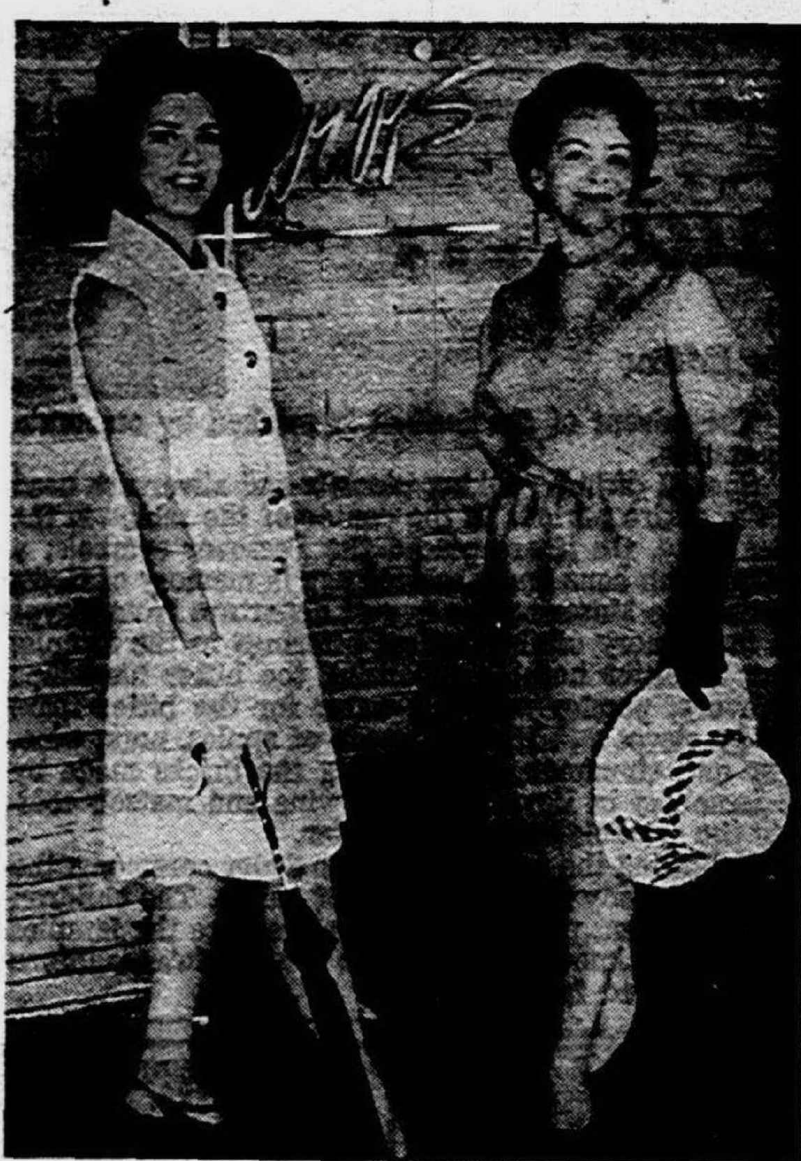

A special concert of sacred music entitled "Worship Through Music" is scheduled to be presented at the Memorial Church of Christ on Thursday, April 14, at 7:30 p.m. The concert will be sung by the Cincinnati Bible Seminary's Concert Choir under the direction of Prof. E. Wayne Berry, who is a noted organist, choirmaster, and head of the Music Department of the Cincinnati Bible Seminary.

This concert is part of an annual spring tour that will take the choir into communities in Illinois, Indiana, Michigan, Can-

ada, and Ohio. Members of the choir are students at the Cincinnati Bible Seminary who represent a cross section of the country. The concert will feature selections by the entire choir and the Madrigal Singers.

Beta Sigma Phi News

Plymouth Chapter of Beta Sigma Phi held its monthly meeting at the home of Mrs. Ellen Murdock, 1397 Sheridan in Plymouth. The program was presented by Dr. Thomas Klucka, radiologist of Garden City, who showed a film on Civil Defense.

BONNIE SCOTT and Ann Baron model two of the travel outfits that will be shown at the fashion show sponsored by St. Priscilla's Guild of Livonia.

St. Priscilla's Guild To Present Fashion Show Thursday, April 20

Bonnie Brook Country Club, Telegraph south of 8 mile, will be the scene of a fashion show presented by St. Priscilla's Guild, on April 14 at 8 p.m.

Young people of the fashion will also model. Suburban fashions will be shown. Mrs. John Casey, (477-4587) is ticket chairman.

Around The World Mystery Cruise Proves Fun Trip For Arkites Couples Club

The Arkites Couples Club of the First Presbyterian Church of Farmington would like to share their "Around the World Mystery Cruise" from which they recently returned.

Arriving at 1900 hours, the guests, members of the Arkites Couples Club, came aboard the gang plank of the U.S.S. Arkite, where they each received a passport (a name tag) and each of the ladies were ordered through customs, having to declare certain items that they may have in their purse. Each guest was supplied with a lifesaver and tickets to six countries where they would receive a different course of the meal.

This being a non-conventional cruise, held on the ground of the First Presbyterian Church, the meal was served in a non-conventional order.

In a Swiss chalet set in the Alps, Helen and Edna Cope and Jean and Jim Brush, dressed in traditional lederhosen, served hot consomme. Next a trip to the vineyard of Italy, where Italian chefs, Jean and Dick Neitert and

Phyl and Jack Dingeman served Italian Salad.

A Paris cafe was cleverly devised by the apache dancers, Betty and Sid Albrecht and Veta and Don Allen. It was furnished with a red and white striped awning and small umbrellas tables surrounded by flowers and night scenes of the Eiffel Tower and the Arch of Triumph.

In a thatched hut of South Africa, where a large eight foot tiki and voodoo masks looked

down on the guests, and native drum music completed the background, is where the strolch tip roast in burgundy sauce was served. Two witch doctors with spears and shields made the guests comfortable.

On to the Arctic, complete with icebergs, the midnight sun and the northern lights, where Santa (Royal Davis) and his Eskimo helper, Genevieve Davis, served Eskimo pies.

The last country on the itinerary was Ireland where Helen

and Carl O'Dahlstrom served Irish coffee in an atmosphere of shamrocks and leprechauns.

In between each course of the meal, the tourists were ordered back to the ship for lifeboat drills, life preserver drills, relay mopping the deck and a limbo contest. This gave time for resetting the tables and setting the atmosphere of the country.

On the sail home, the guests were treated to an Alex Lounge movie in the ship's lounge.

Much credit is due to the chief travel agent, Shirley Ford, who with her talented paint brush, helped the couples create their magic dining rooms.

All this right on the grounds of the First Presbyterian Church in Farmington — how clever!

DO YOU BELIEVE THAT MAN MAKES HIS OWN HEAVEN OR HELL HERE ON EARTH? If so, maybe you're already a Unitarian without knowing it. WEST UNITARIAN (see our ad on this page).

Bethany Choir to Give Concert At Plymouth Church April 13

The 50-voice scappella choir from Bethany Lutheran College, Mankato, Minn. will present a concert in St. Peter's Lutheran Church, 1343 Penniman, Plymouth on April 13, at 8 p.m.

The choir is composed of young singers in the High School, Junior College and Seminary departments of the school.

Bethany College is owned and operated by the Evangelical Lutheran Synod.

At its concerts each year the Bethany Choir seeks to present a "Sermon in Song" to every audience. The 1968 program is based on the words of Jesus "I am the way, the truth, the life."

SUNDAY SERVICES

ROBERT STONE, CHAIRMAN of the Deacon's Committee of the Trinity Church of the Brethren, prepares for the symbolic rite of washing the feet. On the table are the foods used in the Last Supper. Roast lamb, olives, cheese, dates and grapes. Also shown is the wine decanter.

Trinity Church Holds Fourth 'Love Feast'

By JERRY WENDT
Church Editor

They were a weary, discouraged group. Their dreams had gone astray, and they were shadowed by a great sense of foreboding. Their leader, was agonized for them. He felt that a horrible death waited for Him in the wings, and that a similar fate was in store for His friends. A religious holiday was close at hand, and He sought to make the occasion pleasant for them. He commissioned one of them to find a place where they might have dinner together. Upon returning, the member of the group informed Him that He had rented the upper room of an inn for them. At the appointed time, they gathered there, and were temporarily rested and cheered by the pleasant sights that met them. The room was lit with candles, and bowls of water and towels had been set

out to wash the dust from their weary feet. The tables were temptingly set with platters of roasted lamb, cheese, bread and olives. There were also mounds of rich dates and plump grapes. Wine was in decanters to refresh them. And so began the last supper for Christ and His disciples.

This scene was duplicated with amazing authenticity at "Maundy Thursday" by Trinity Church of the Brethren in Livonia. The part of Christ and His disciples was played by Rev. Harold Garner and members of his congregation.

This is the fourth year that they have celebrated the "Love Feast" so called because Christ, even in his extremity, had thoughtfully arranged for His disciples to celebrate the "Feast of Unleavened Bread." This is a three part ceremony, consisting of the meal; the service of the towel; and the service of the basin and towel; and communion.

It is a dramatic and impressive service and makes the past live again. A bank of lilies had been arranged against one wall. The whole meal and service is conducted in silence. A tape explaining the various symbols is run. There is also holy music. Most effective is the service of the towel and basin in which the whole congregation participate in the community washing of the feet.

Another striking effect is obtained by the use of the communal cup for Holy Communion.

Christ's words are repeated on the tape, where after rebuking the disciples for their selfishness in refusing to perform the rite of feet-washing for each other; He girds himself with the towel and performs the service for them. After completing the rite, He says, "You did not choose me — but I chose you. I appointed you that you should go and bear fruit and that your fruit should abide so that whatever you ask the father in my name — he may give it to you. This I command you, 'Love One Another.'

Transform Cubs Into Knights

Robert Johncox conducted the "Knights of the Round Table" session of Cub Scout Pack 162 at the Shiawassee Elementary School in Farmington. All members of the pack were dressed in ceremonial uniforms including armor, shields, lances and horses.

Tony Vannmeter was installed as a bobcat, while awards for the best costumes went to Bill Cox and Leslie Bates.

Achievement Awards were made to: Bobby Hitch, first year pin; Bobby Bonin, first year pin; Mike Gorman, second year pin; John Whitworth, silver arrow; L. Book, gold arrow and silver arrow; Jeff Williams, wolf badge; Donald Luttman, bear badge, gold arrow and two silver arrows; Bryan Dawdy, lion badge and gold arrow and two silver arrows; and Tony Vannmeter, wolf badge.

Bryan Dawdy was advanced to Webelo in a special ceremony.

Den leaders were also honored with the following: Mrs. Rahn, three year pin; Mrs. Alma Mattox, two year pin; Mrs. Betty Bonin, one year pin; and Robert Johncox, two year pin.

Bishop Bennison Starts To Direct New Spiritual Foundations Program, May 15-21

Rt. Rev. Charles E. Bennison, bishop of the Episcopal Diocese of Western Michigan in Kalamazoo, has been chosen to lead a program intended to make all Michigan people aware of the part religion has played in the history and development of the state.

The effort will be undertaken in connection with Michigan Week May 15-21, which Bishop Bennison will represent as chairman of Spiritual Foundations Day, always the Sunday that opens Michigan Week.

Paul L. Penfield of Detroit, general chairman of Michigan Week, said in announcing selection of Bishop Bennison to direct the program that it will extend over the entire period of Michigan Week and lead to long range planning with libraries, educational groups and historical societies.

"No people have a more significant religious heritage than the people of Michigan," Penfield said. "And this year we plan to go far beyond the walls of our church to make this known and appreciated. At the same time we expect the activities in the churches on Spiritual Foundations Day to be even more extensive than in past years."

Rev. Charles E. Bennison

Traditionally on Spiritual Foundations Day the individual church pays honor to its founders and gives special attention to the early history of its own faith or denomination in Michigan.

A committee which will represent all religious groups in the state is being organized to work with Bishop Bennison. "We are receiving the finest response from every group," Penfield said.

Paul Lorenz is Named Chairman of Fifth Religious Art Exhibit

Paul F. Lorenz, Ford Motor Company vice president and general manager of Lincoln-Mercury Division, has been named general chairman of the Fifth Biennial National Religious Art Exhibition.

The exhibit, which had its beginning in 1958 under sponsorship

of the Holy Name Parish in Birmingham, will be held for four weeks this fall, Oct. 7 through Oct. 30.

Lorenz said the show will be put on exhibition at the Galleries of the Cranbrook Academy of Art, in Bloomfield Hills.

Child Welfare Conference Scheduled

Michigan's first country-wide conference of experts on the welfare of infants and children, called to make recommendations to study and strengthen the 22 months old "Battered Children" law, will meet from noon to 5 p.m., Thursday, May 5, at Kingsley Inn, Bloomfield Hills.

Sponsored by the Juvenile Committee of the Oakland County Board of Supervisors and by the Probate Court, it will be attended by medical, legal, social welfare and education experts involved in enforcement of the law, as well as juvenile officers, announced Oakland Probate Judge, Norman R. Barnard, and Abraham Brickner.

"Almost all officials and hospital directors who see battered or seriously neglected children have expressed dissatisfaction with the act," Brickner explained. "A statewide study of the 205 cases reported during the first 20 months the act has been in effect show that half of them received no attention whatever from any community agency. In addition, many counties have no facilities to give children protection."

The keynote speaker will be Dr. Paul V. Wooley, Jr., medical director, children's Hospital of Michigan and professor of pediatrics, School of Medicine, Wayne State University. Members of the Planning Committee are: George Williams, director, Oakland County Social Welfare Department; Miss Ora Hinkley, supervisor, State Bureau of Social Aid; Sister Irene, administrator, Providence Hospital; Dr. Gilbert Roth, chief, pediatrics, Botsford Osteopathic Hospital; Dr. F. Michael Sheridan, pediatrician, delegate of the Oakland County Medical Society; Dr. Bernard D. Berman, director, County Health Department; Robert W. Leuthesser, assistant prosecuting attorney.

Local Teens Win Science Pins

Four Duncle Junior High School science students in Farmington Township received honors at the recent Science Fair at Cobo Hall with one ninth grader receiving a special award.

The Heart Association presented a special award to Sally Sietoff for her exhibit on pep pills and invited both she and her teacher, Miss Sylvia Marginean to the awards dinner.

Receiving blue ribbons for outstanding projects were: George Capps, Pamela Love, Marc Cohen, and Chris Pender, eighth graders; Jan Elliott, Glena Winnie, and Steve Michlin, ninth graders.

Red Ribbons for honorable mention went to: Ronald Tamminga, seventh grade; Bruce MacDowell, Kathleen Sobolak, Jay Brock, and Connie Saja, eighth graders; and Cindy Davis, ninth grade.

Lutheran Brotherhood Local Branch Started At Timothy Church

Formation of a Lutheran Brotherhood local branch at Timothy Lutheran Church, Livonia, has been announced by Carl F. Granrud, chairman of the board of directors.

Officers are Larry Boehms, president; Christine Hamilton, vice president, and Kathleen Miller, secretary-treasurer. The Rev. Glenn Wegmeyer is pastor of the church.

Banquet to Be Friday, May 6

Newburg Methodist Church, Livonia announces that the annual Mother-Daughter Banquet will be held on Friday, May 6 at 6:30 p.m. in the Fellowship Hall of the Church. Ticket Chairman is Mrs. Beulah Smith, GA 1-6385. Make your reservations soon as tickets are limited to 200.

Science Church to Present "Doctrine of Atonement"

Life of Christ Being Studied

Did you ever wonder about the difference between the Four Gospels? Does the Life of Christ have any relevance for us who live in 1966? Thursday mornings at 9:30 interested people will be studying these things at Emmanuel Baptist Church, Livonia. The pastor will lead a 10 week study on the Life of Christ along with a harmony of the Gospel records.

Ward Memorial Presbyterian Church of Livonia announces that adult classes of instruction in the Christian Faith will begin on Thursday, April 14 at 8 o'clock, taught by Rev. Gowman.

"DOCTRINE OF ATONEMENT" will be the subject at Christian Science church services this Sunday. Bible passages to be considered will focus on Jesus' parable of the prodigal son (Luke 15), and end with his statement, "And I, if I be lifted up from the earth, will draw all men unto me."

Related readings from the denominational textbook will include these lines: "Like our Master, we must depart from material sense into the spiritual sense of being . . . This is having part in the atonement; this is the understanding, in which Jesus suffered and triumphed" (Science and Health with Key to the Scriptures) by Mary Baker Eddy.

'Intimations' To Be Theme For April Meeting Of W.S.C.S.

"INTIMATIONS" will be the program theme of the April Women's Society of Christian Service General Meeting of Newburg Methodist Church. The program will start at 8 p.m. in the Fellowship room of the church.

The newly organized Mary Martha Circle will present the program. Devotions will be

given by the Dorcas Circle. A Bible study on the Book of Acts will be presented by Mrs. Viola Trembath.

An important business session will follow the program. Highlighting the business meeting will be the presentation of the Budget for the new year by treasurer Mrs. Vera Guthrie. Hostess for the meeting is the Lydia Circle.

Schoolcraft Students Eye Rights Club

(Editor's Note: Human Relations Activities at Schoolcraft College in Livonia is the subject of this article, written for The Observer Newspapers by Marge Schultz.)

By MARGE SCHULTZ
As representative from Schoolcraft College to the Intercollegiate Human Relations Council, I would like to explain what exactly IHRC is and how Schoolcraft is participating in it. IHRC is a fluid organization, composed of representatives of human relations clubs from all of the different colleges in this area. Its function is to serve as a communication between schools, whereby activities can be announced and ideas exchanged.

The question might be asked, "Why is Schoolcraft participating in this council?"

Schoolcraft is participating in order to investigate the possibility of starting a Human Relations Club on campus. Such a club would be both satisfying for those students participating and a great service for the community.

A club of this kind could set up a tutorial program, such as at Eastern U., Wayne State, etc.; undertake work in the fields of civil rights and poverty programs; and serve as an educational source on campus in the field of human relations. A calendar of events published by IHRC is posted on the Open Board at Schoolcraft. It lists activities being held at other colleges, and is for the benefit of all students and faculty.

A Human Relations Club could be started at Schoolcraft if there are enough genuinely interested students.

Local Areas May Get Federal Fish Hatchery

U. S. Representatives Wes Vivian (D-2nd Dist.) and Billie Farnum (D-19th Dist.) have announced that the federally-owned Northville Fish Hatchery has been declared surplus property by the General Services Administration. Surplus federal real property can be purchased by local governments at the appraised value or less.

Congressmen Vivian and Farnum have been working for over five months to obtain the 15-acre fish hatchery property for Northville Township and the City of Northville, where the property is located.

GSA has sent letters to the supervisor of Northville Township, the mayor of Northville, the Wayne County Clerk, and the governor of Michigan, informing them that the property is available for purchase; they

have until April 15 to express interest in the property to GSA. The property will be appraised sometime after April 15.

In a joint statement issued in Washington, Congressmen Vivian and Farnum stated: "We are convinced that this property could be put to the best possible use by the citizens of Northville City and Township; we are therefore determined to do everything within our power to see that the City and Township jointly have the opportunity to purchase this valuable property. We have expressed our strong support for the acquisition by these two bodies to the GSA Administrator, and others in the Executive Branch. We are very pleased that local officials have decided to use the hatchery site for recreational purposes after local acquisition. This will enable the communities to purchase the site at 50 percent of appraised value. This makes the site extremely attractive to our constituents, and compounds our determination to obtain it for them."

Examining psycho-physical testing devices displayed at the meeting are (left to right): Donald Jewell, 1096 Hartsough, Plymouth, a teacher at Willow Run High School, and John Trellay, Plymouth-area traffic safety education consultant. The seminar, held in EMU's McKenny Hall, updated driver education instructors present on the latest developments in their field.

Livonia 'Y' to Sponsor Summer Camping Programs

The Livonia YMCA will conduct its own day camp using professional staff for its direction and college-age students as counselors this summer.

Originating at the Livonia Y office, boys and girls will be taken by bus to a campsite in Kensington Park for activities in nature, archery, and swimming instruction. It will be a group-centered program with a counselor for each group of ten youngsters.

Two resident camps, called Ohiyesa and Nissokone, will provide Livonia young people with top-notch experiences in camping. Leadership for these programs comes from professional staff, as well as from college young people who are majoring in the fields of sociology, psychology, the ministry, and education. The usual camping activities take place in these resident camps, as well as horseback riding and extensive canoe tripping. Of special interest to the teens will be the canoe trips in the wilds of Canada under the direction of forest rangers.

Family camping at these resident camps provides a varied program for every member of the family. Cement block cabins provide sleeping quarters and

food is prepared for all families in the main dining hall. Further information regarding any one of these camping experiences is available by calling the Livonia YMCA office at 261-0370. A brochure will be sent to anyone requesting further information.

Driver Improvement Program Offered to Local Motorists

The greater Detroit Safety Council, in cooperation with the National Safety Council is offering a Driver Improvement Program.

The program is being offered to good drivers. It has a safety brush-up course for experienced drivers. Stressed is "Defensive

Driving" techniques with the aim of helping to teach proven ways of sighting and keeping clear of potentially dangerous driving situations.

It only takes eight hours — two hours one day a week for four weeks. The need is shown by the fact that 1 in 5 drivers will be involved in an accident in the next 12 months, and for most of these it will be their first accident.

Attached is a schedule of dates, times and locations of the

Driver Improvement Courses. Livonians will be most interested in those held at the Redford branch of the YWCA. These courses start the week of April 11. For enrollment or other information, call the Greater Detroit Safety Council at 873-4422.

Libraries Display 'Budget' Books

"Stretch That Dollar!" an exhibit of books and pamphlets on consumer buying and personal finance, was opened at the Livonia Public Library this week.

One of the most recent books on how to get the most from each dollar is Ella Gale's "\$\$\$ and Sense: Your Guide to Wise Buying." In addition to telling you how to find and recognize a true bargain, the book also covers the maze of new materials, new forms of credit and borrowing, and tells you how to avoid the pitfalls of fraudulent or deceptive advertising.

Other recently published guides to consumer buying are "How to Get a Dollar's Value for a Dollar Spent," by Arthur Milton; "How to Have More Money to Spend," by B. J. Blaustein; "The Great Discount Deception," by Walter Nelson; "How to Get More for Your Money," by Sylvia Porter, and "How to Live on Nothing," by Joan Shortney.

Personal money management is discussed by Pauline Arnold's "Money: Make It, Spend It, Save It."

The Library also has material on household budgeting, home management, saving, insurance, buying a home, and other related subjects.

The South Branch is located at 33720 Plymouth Road, west of Farmington Rd., GA 7-1990; and the Carl Sandburg Branch is at 30100 W. Seven Mile Rd., west of Middlebelt, GR 6-0700. The Livonia Libraries are now open as follows: Monday through Thursday, 12-9; and Friday and Saturday, 9-5.

C & O Executive Explains Values of Railroad Mergers

CLEVELAND—The railroads of the United States have a clear mandate from the government to merge "into stronger, more efficient agencies of transportation," said Owen Clarke, vice-president of the affiliated Chesapeake and Ohio and Baltimore and Ohio railroads.

In fact, said Clarke, "we no longer need to consider whether we should or should not merge the nation's railroads into a limited number of systems. The real question is how best to get the job done, and how quickly we can accomplish it."

Clarke, a former chairman of the Interstate Commerce Commission spoke at a panel discussion on mergers at a dinner of the Traffic Club of Cleveland at the Sheraton-Cleveland Hotel.

Over the years, Clarke said, "a sound and workable national merger policy has evolved which encourages the welding of stronger and more efficient railroad systems. Since 1920, the history of this national policy has demonstrated a consistent, over-riding public purpose—to provide the public with improved transportation service at lower cost."

"From time to time, Congress has revised the statutes governing mergers, but there has been no inconsistency of purpose," Clarke added. "Each new law has reaffirmed the basic and controlling principle that it is in the public interest to merge our railroads into stronger, more efficient agencies of transportation."

The Interstate Commerce Commission now has "the extraordinary opportunity, by one decisive action, of solving the Eastern railroad problem which has been a source of concern and frustration for over a generation," Clarke said. He referred to the proposed mergers now before the ICC of the Norfolk & Western and Chesapeake & Ohio railroads and of the Pennsylvania and New York Central railroads.

Clarke said that the N&W-C&O plan "provides a realistic way by which five smaller railroads, which are not now a part of any system, could become a part of the N&W-C&O system." Those railroads are the Erie, Lackawanna, Delaware & Hudson, Boston & Maine, Reading and Central of New Jersey.

"This is the one and only plan that proposes to embrace all the remaining non-allied railroads considered to be a part of the Eastern territory," the speaker said.

Having two systems in the East, he said, "will assure the public of true competitive balance and the viability of essential transportation. On the other hand, if only the Penn-Central system comes into being, because of its overwhelming size, resources and revenues, it would soon dominate the Eastern rail market to the severe detriment of the Erie, Lackawanna, Delaware & Hudson, Boston & Maine, Reading and Central of New Jersey, as well as to the detriment of the N&W and C&O."

"We believe it is self-evident that two systems of equal size and strength and covering the same geographical marketing area are bound to be far more competitive and vigorous than three or more systems of vastly unequal size and strength."

The C&O vice-president as-

serted there are two paramount reasons why Congress has determined that railroad mergers are socially and economically desirable. First, there are the very substantial economies and

efficiencies of size, scale and capacity that are obtainable through consolidation.

"It is estimated," he said, "that the various unification plans now pending before the ICC, if approved, will eventually yield close to \$400 million in annual savings."

Even more important, said Mr. Clarke, is the second reason—encouraging mergers—the opportunities for improved service to the public.

487,000 Get Driver Ed. In Plymouths

At least 487,000 high school students are learning to drive in a Plymouth during the current school year.

Chrysler-Plymouth dealers delivered an impressive 3,650 Plymouths to high schools for driver education in the first eight months of this school year, September 1, 1965 through April 1, 1966.

This was a 40 per cent gain over the 2,625 Plymouths they placed in such service during the entire preceding school year.

Approximately 100 students will drive and ride in each Plymouth in the two regular school semesters, bringing the total to about 365,000 students. Past experience shows that at least one-third of the driver education Plymouths will be used for instruction for an additional 121,700 students in the special summer semester, bringing the estimated total for the entire year to 487,000.

GMC Personnel Chief

John W. A. Holmes, Jr., has been appointed director of personnel for the Overseas Operations Division of General Motors, effective May 1. Holmes will assume his new responsibilities at the New York headquarters of GM Overseas Operations, which is responsible for all General Motors activities outside the United States and Canada. The Overseas Operations Division has manufacturing, assembly or distribution operations in 22 countries abroad and employs over 160,000 men and women.

Life goes better for people who take things as they come.

WINNERS IN the annual Plymouth Optimist Club's oratorical contest are shown following the contest at Lofy's. The group includes: (from left) George Hastings, 346 N. Evergreen; Eric Smith, 15560 Robinwood; winner Dan Penrice, 1432 Palmer; Tim Broderick, 199 Arthur, and Greg Beaver, 1096 Harding. Dan qualifies for the zone contest in Ypsilanti and could advance to the international finals in Baltimore where the winner will receive a \$1,000 scholarship.

Joe Bida Is New President Of Junior High East PTSA

Joseph Bida, who recently resigned as Superintendent of the City of Plymouth Department of Public Works, is the new president of the Junior High East PTSA. He was the unanimous choice in the annual election.

Other officers, also named by unanimous vote, are: James Jabara, vice president; Orville Tungate, secretary; and Mrs. John Tripp, treasurer.

Retiring President Arthur Shepard was much disturbed by the lack of attendance at the final meeting of the year which found less than one per cent of the parents attending even though the program was the finest of the entire school year.

Shepard was particularly irked because the principal speaker, Henry Sonnsmith of the University of Michigan, had left a two-hour lecture in Detroit less than

an hour before and then was greeted by such a small turnout. Sonnsmith discussed counseling and guidance to parents and students, making practical and detailed suggestions.

"I can't understand the lack of interest in a meeting of this type when all students in the junior high and high school are making selection of courses for next year and the following years," commented Shepard.

"It's hard to believe that our parents don't care what the future holds for their children. Apparently they have no problems and all know just what their children are going to do with their lives and how they will achieve their goals."

College Admits Slip in Release of Student List

The use of a mailing list of names of Schoolcraft College students for an encyclopedia firm's advertising campaign was disavowed last week by College President Dr. Eric J. Bradner.

In a letter to a complaining resident, Dr. Bradner said it was a college policy not to release names and addresses of students to commercial organizations.

"It is apparent that a slip occurred and that the names of our students were released," Bradner stated, expressing regret. He indicated, however, that no college funds were used in the mail advertising campaign, but added, "Regardless of the fact that there was no expenditure of public funds, there was a violation of our policy." Bradner said the college bookstore had released the students' names and provided a signature to place on the ads.

Gets Commendation
Airman 1/c Herbert W. Kratz, Jr., son of Mr. and Mrs. Ralph E. Blithe, 29656 Linda Ave., Livonia, has been awarded the U. S. Air Force Commendation Medal at Wurtsmith AFB, Mich.

Legion Unit Backs Men In Viet Nam

Members of the Auxiliary Unit of Passage-Gayde Post of the American Legion are supporting the men fighting in Viet Nam.

More than that they are showing their support by wearing American flag lapel pins. The program was initiated by the Legion as a public expression of appreciation for the efforts and sacrifices being made by the men in the armed forces.

Mrs. Mae Hoelscher, president of Auxiliary Unit 391, urges all members to wear the lapel pins in the Legion operation "Show Your Colors."

"We want the residents of the community to know that we are cognizant of the great sacrifices the men in the service in Viet Nam are making in defending the freedoms we treasure," she emphasized.

The annual initiation of new members of the Legion Post and Auxiliary is scheduled for Sunday at 2 in the Post home on N. Sheldon Road. Dancing from 7 p.m. to 11 will follow a potluck dinner.

PHS Science Club Gets Approval For Chicago Trip

The Science Club of Plymouth High has received permission from the Board of Education to visit the Chicago Natural History Museum, the Planetarium and the Museum of Science and Industry.

Fred Meier, club sponsor, requested permission for the weekend trip on Saturday and Sunday, April 23 and 24, in a letter to Principal Carvel Bentley.

Bentley recommended approval in a note to Supt. Russell Isbister who concurred and asked the Board for its official permission.

Bentley pointed out that considerable time and effort has been given to the proposed trip and that no time would be lost from school.

The group of 15 students will make the trip in private cars with the following parents providing transportation and also serving as chaperones: Theodore Malik, Mr. and Mrs. Gene Lutzeier, Mrs. Fanny Bear and Sponsor Fred Meier.

Chamber Goal Is 50 Members

The Livonia Chamber of Commerce has set a membership goal of 50 new members in 1966 and appointed a committee headed by Jim Thomas and Clarence Jahn to spearhead the drive.

Working with the duo are John Andrews, George Bryant, Cliff DeVelder, Hugh Gedrich, Art Jones, Roland Kluth, Manny Marion, Bob Pachota, Bob Wilson and Bob Zeigler.

NEW OFFICERS of the Student Association are Madonna College are: (standing from left) Therese Czarny, of Detroit, treasurer; Marilyn Roberts, of Missouri, president; Carol Ulman, Hamtramck, corresponding secretary; (front from left) Mary Jo St. Amour, Muskegon, vice president; and Jane Balwinski, Bay City, recording secretary.

Marilyn Roberts Heads Madonna Student Assoc.

Marilyn Roberts, of Siles, Mo., is the new president of the Student Association of Madonna College for the 1966-67 school year. She was elected in a college-wide vote a week ago.

Mary Jo St. Amour, of Muskegon, is the new vice president. Other members of the new executive council include: Theresa Charney, of Detroit, treasurer; Carol Ulman, of Hamtramck, corresponding secretary; and Jane Balwinski, of Bay City, recording secretary.

The Student Association vests its power in the executive council which includes the officers listed above. The council supervises and coordinates all campus activities and organizations and acts as the official representative of the student body in affairs affecting the student's interests.

Plymouth Elks Fete Junior Hockey Teams

More than 65 boys from the Plymouth Recreation Hockey Association were feted by the Plymouth Elks for their excellent work during the past season.

Hat trick (three goals in one game) and zero awards (shut-out by goalie) were presented to the following players:

Trading Post, Juveniles — Ken Wilkins, Dennis Shelley and Dale Tonkovich (hat tricks) and Joe Whitman (zero).
Wilson Engineers, midgets — John Gilles (hat trick).
Litho Printers (bantams) — Pat Cosgrove (hat trick) and Chuck Wibby (zero).
VFW, (pee-wees) — Pat Herter and Kevin O'Brien (zero).
Russ' Boys (squirrels) — Ed Dobbs (hat trick).

Expensive Weapon

Four youths were fined \$50 each plus \$10 in court costs last week in the Farmington Municipal Court for the possession of an unregistered weapon.

Judge Dennis J. Phoney fined the five: Richard C. Dochell, Kenneth R. Bradley, Donald Nichols and Arthur L. Zenetti, all of Detroit; and Dan Sexton of Royal Oak.

The husband and wife team of Leo and Dora Velleman from Toronto, Ontario, will use both hand and rod puppets in dramatizing the fairy tale. The Velleman's were originally photographers of children in Montreal and started making and using puppets to gain the attention of their youthful subjects. The small shows which grew out of this hobby became a profession for them which has lasted more than 14 years and led to performances in schools and colleges, at service clubs, and at major Canadian department stores.

Touring appearances in Canada and the New England states brought them to television. They spent five years in the U.S., where they produced and directed children's TV programs for CBS in St. Louis, Mo. The Velleman's devoted the next three years producing a popular Canadian television program, "Fingertown Frog and Dora."

Because of the intricacy of performing "Hansel and Gretel" with its fine characters and fine scenes, the Velleman's will be assisted by Erick Kosky of London, Eng. and Leon Ivey of Toronto. Both men have previous stage experience, and have been trained in the Velleman's techniques of puppetry since last summer.

The puppet show will be in The Detroit Institute of Arts Auditorium. Tickets may be purchased at The Detroit Institute of Arts Ticket Office and all J. L. Hudson Ticket Services. For information, telephone 832-2730.

Wally Roberts UP' GOING 'CURTAIN

Henrik Ibsen's "Peer Gynt" as performed by the University of Michigan Players in Ann Arbor last week proved to be their most impressive show of the season. Director Claribel Baird had a cast literally of hundreds in perfect acting "shape" for Ibsen's overly long commentary on the mysteries of life and death.

The Paul Green version of "Peer Gynt" used at the U. of M. is supposed to be a shortened edition of the four hour Ibsen original. However, three hours of "Peer Gynt" is still a bit much. Not that Robert McGill and Director Baird didn't do everything in their power to make the evening enjoyable. They did. For once old Wally wasn't too conscious of the inordinate length of the play.

Other members of the audience were. Guess you have to be a dyed-in-the-wool Ibsen fan to relish the excitement depth of "Peer Gynt."

"Peer Gynt" is a powerful play and it is difficult to delete too much from the text. You must see Peer as a blustery, high-spirited lad with the joy of life in his veins. His crazy imaginings, his encounter with the creatures of the mountains—the trolls, his trip around the world, and finally his return. This forty year saga takes time and careful development.

Peer Gynt's search for identity and direction is the main concern of the play. Can he ever discover why he was born, who he is, and for what purpose was he put on earth.

The final scenes between Stephen Wyman (the supernatural Buttonmolder) and Bob McGill were superb. As God's right-hand man Wyman

projected a searing sense of cynicism and mysticism.

Peer's wild moments with the troll King lifted the audience high on the wings of fantasy. They felt the horror and attraction of the ugly trolls. The lighting, costuming, and make-up in this scene as in all the other scenes was of professional quality. In fact, the entire production with its perfect pace, tempo, and high quality gave every indication as the best "Peer Gynt" production I've seen in 20 years. And old Wally has seen five other productions, including two commercial productions.

Where Director Baird found all those lovely gals to voluptuously decorate the production must be a highly-guarded secret. The multi-colored projections on the cyclorama had competition from time-to-time. However, let's not quibble and just jot down that "Peer Gynt" as produced in the year 1968 at Michigan's Trueblood Auditorium was a personal triumph for every member of the cast, the technical crew, and the educational staff members that guided "Peer" to its successful conclusion.

"Luv" opened at the Fisher Theater this past week. Tom Bosley is miscast in what could be a much funnier show if staged in more intimate surroundings. The vastness of the Fisher Theater does not lend itself too well to clever conversations on love, life, and the pursuits of sexual satisfaction by three rather kookie characters.

The only member of the present cast that seemed at all believable was Herb Edelman who played Harry Berlin. Both Dorothy Loudon and Tom Bosley approached their roles too mechanically and played for laughs rather than letting laughs emerge from solid characterizations.

In short, old Wally had little love for "Luv" as enacted by the national tour company. And yet don't get me wrong the play itself has some mighty funny lines and could be a long delightful howl!

Cameracade Slated

Dewline

By JOHN DEW

There will be a new look to the WXYZ roster starting next week. Steve Lundy leaves to defend the country army-style for the next two years. Into Steve's 11 a.m. to 2 p.m. slot goes Pat Murphy, formerly the all-night host. Also coming to the station will be two new voices — Joey Reynolds and Jim Hampton. Therefore the new daily line-up reads something like this (in fact, exactly like this):

Marc Avery—6 a.m. to 10 a.m., Pat Murphy—11 to 2 p.m., Dave Price—2 until 6 p.m., Lee Alan—7:15 to 9 p.m., Joey Reynolds—9 to 12 mid., Jim Hampton—mid. to 6 a.m., Danny Taylor, formerly on from 10 p.m. to 1 a.m. now becomes the weekend swing man.

Jim Hampton comes to the station after working for several years in the Flint area. Jim originally hails from Farmington and is a recent graduate of Farmington High. As we predicted several months back in this column it wasn't long before he would land one of the major stations.

Joey Reynolds also worked at one time in Flint. His major success was in Buffalo, however. There he did the night-time bit for WKBW, a powerhouse station in the upstate New York area. Reynolds has for some time been considered one of the top disc jockeys in the country. It should prove interesting to see how his rather unique style fares in one of the top music markets in the country—Detroit.

Tom Shannon of CKLW and one of the top disc jockeys in this city (as well as one of the nicest guys) also worked in Buffalo at one time, on the same station as Reynolds. Tom recently purchased a home in the Farmington area—quite a bachelor pad we hear.

Batman is coming! In case you haven't heard, Adam West, the "real" Batman, will be in Detroit Saturday to appear at Edgewater Park. He is also scheduled to greet all "good citizens" at 2:30 on Club 1270 on Channel 7. Holy Excitement!

More dangerous than a Thrush invasion, tougher than an enemy blow, and rougher than any UNCLE assignment... the crowds at the London airport as Ilya and Napoleon visited England recently. David McCallum and Robert Vaughn who star in popular "Man from U.N.C.L.E." TV series recently toured Britain to promote both the TV show and the two feature-length movies which were released to movie audiences around the globe. Vaughn was met with such a scream scene at the airport that despite the fact that he was met with a larger police cordon than royalty normally rates, he still had his jacket ripped off, his glasses trampled, and his arm nearly wrenched out of its socket. He finally ended up with a dash for safety.

Robert Goulet entertains at a hootenanny at the White House on May 5 as Lady Bird entertains the wives of U.S. Senators. Goulet's "Blue Light" series on ABC is set to be extinguished after this season.

Reduce PCHA Board

Ever since Attorney General Frank Kelley issued his indictment against the Peoples Community Hospital Authority many suggested reformative measures have been offered by area mayors, supervisors, State Representatives and Senators—some good and others not so good.

The basic problem of the Hospital Authority is it has lost touch with its 23 member communities because its Board of Directors is too large and cumbersome for delegates to actually know what is going on. Most delegates appointed to represent their communities have other important positions which prevent them from attending the many committee meetings where the bulk of the business is transacted. The groundwork is done on the committee level and when the 42 directors gather once a month, motions are rubber-stamped and the only directors having any extensive background information are those sitting on the committee which studied the particular motion.

Reforms which would help eliminate "rubber-stamping" and lack of communication would be to reduce the size of the Board of Directors to one delegate for each participating community and eliminate the members-at-large. The 23 delegates should be appointed to a four-year term and be required to report the affairs of the PCHA each month to their governing body.

A suggested "reform" which will not help is to turn the PCHA over to a private corporation. A corporation would not collect the 4 millage levy from participating communities (which totaled \$741,147.26 in 1965) and to continue offering the same service would have to raise patient charges. If the PCHA remains an authority or is turned over to a corporation, a new Beyer Hospital will have to be built and Seaway Hospital expanded. If the Authority does not undertake the construction, a corporation will have to and cost of the bonds will be paid by raising room rates.

If the Authority is turned over to a private corporation and room rates are raised, a substantial number of residents in The Observer area will be affected. In-patient admissions into the four PCHA hospitals for 11 months ending May 31, 1965, for the following communities were: Garden City, 1,480; Nankin Township, 2,579; Livonia, 318; City of Plymouth and Township, 122. Out-patient admission and emergencies served for the same period were: Garden City, 2,019; Nankin Township, 3,841; Livonia, 229; City of Plymouth and Township, 179.

The idea of an authority is to provide services for a number of communities which one community cannot or chooses not to provide by itself. Garden City and Nankin residents are served by Annapolis Hospital which is finished and operating in the black. Residents in the Ypsilanti and Trenton area will be short-changed by the Authority until the construction program is completed.

Should Garden City and Nankin remain in the Authority and support construction of hospitals in Ypsilanti and Trenton?

Yes, because residents of Ypsilanti and Trenton paid taxes into the Authority to construct Annapolis. The Authority should remain as a joint effort of the 23 member communities until the needs of all communities have been satisfactorily met.

The most important reform again is reducing the size of the PCHA's Board of Directors from 42 to 23. In a few years, this will become a necessity and not just a matter of judgment. Based on population projections of the Detroit Metropolitan Area Regional Planning Commission, the size of the Board will increase to 46 in 1970 and to 51 in 1980. It is mandatory that the Authority's enabling act be amended to limit representation to one delegate per community and eliminate members-at-large.

—EMORY DANIELS

Did Someone Goof?

Did someone goof or was it simply that Alexander Hamilton Life Insurance Co. never did have a firm idea that it would establish its home office in Plymouth?

That's the question before residents of the Plymouth Community today after a brief announcement from Hamilton officials that they had secured a 13 acre site in the Quaker-town Village section of Farmington Township and would build their new \$1 million building there.

Ever since Alexander Hamilton first appeared on the scene in Plymouth some three years ago when the company was founded and the stock sale started, it was generally believed that the insurance company would make the community its home base.

Thus the announcement of the move to Farmington Township with a projection by executives that the home office payroll would probably go as high as \$2,000 in three or four years comes as a distinct blow to Plymouth.

For Farmington Township this is a tremendous addition, for Plymouth a crashing disaster.

Especially is this true in lieu of the fact that Hamilton officials have been studying a proposed building with a Colonial design—something that would fit into the general theme of the Plymouth community.

Plymouth has long taken pride in the Colonial aspect of the city and the community—thus when it was learned that Hamilton

was looking at this type of structure, then it was almost taken for granted that the building would be erected in that community.

Hamilton still plans a building of a Colonial design but the exception is that it is now planned for the intersection of I-696 and 12 Mile Road.

All of which brings us back to the original conjecture—did someone or a group in the Plymouth community goof in not keeping in touch with Hamilton officials and doing everything possible to assure keeping the home offices there.

Hamilton's spokesman points out that the move to Farmington Township was made because it was considered the best site available for exposure and due to its proximity to the Birmingham and Bloomfield Hills area.

He also indicated that the company had made every possible effort to locate in the Plymouth Community but found few suitable sites and even those could have presented a problem in zoning due to the plans for that particular section.

We have no issue with Hamilton nor with any others involved in the various negotiations but it is a sad state of affairs when a community such as Plymouth allows a potential employer of some 2,200 workers to leave.

Plymouth will retain the regional sales office which could become the largest in the fast-growing life insurance company. However, it will be a far cry from the expected payroll of the home office.

Hamilton's impact has been felt on the City in that the company owns two office buildings on Penniman Ave., the Regional Office owns a third and the tremendous growth has spilled over to the Colonial Professional building and a site on S. Main.

The latest annual report of Hamilton gives some idea of how much the company has progressed in the short time of 18 months—this growth is expected to multiply in the next few years as licenses are secured in other states. It could be that Hamilton will rank with the nation's largest insurance companies within a reasonable time—but it will be Farmington not Plymouth that will receive the full impact of that rise.

Free Dollars

Two recent news stories have been sent to this newspaper, describing new federal programs in the public schools.

One from Redford Union concludes with the statement: "There is no cost either to the individual student or to the school district."

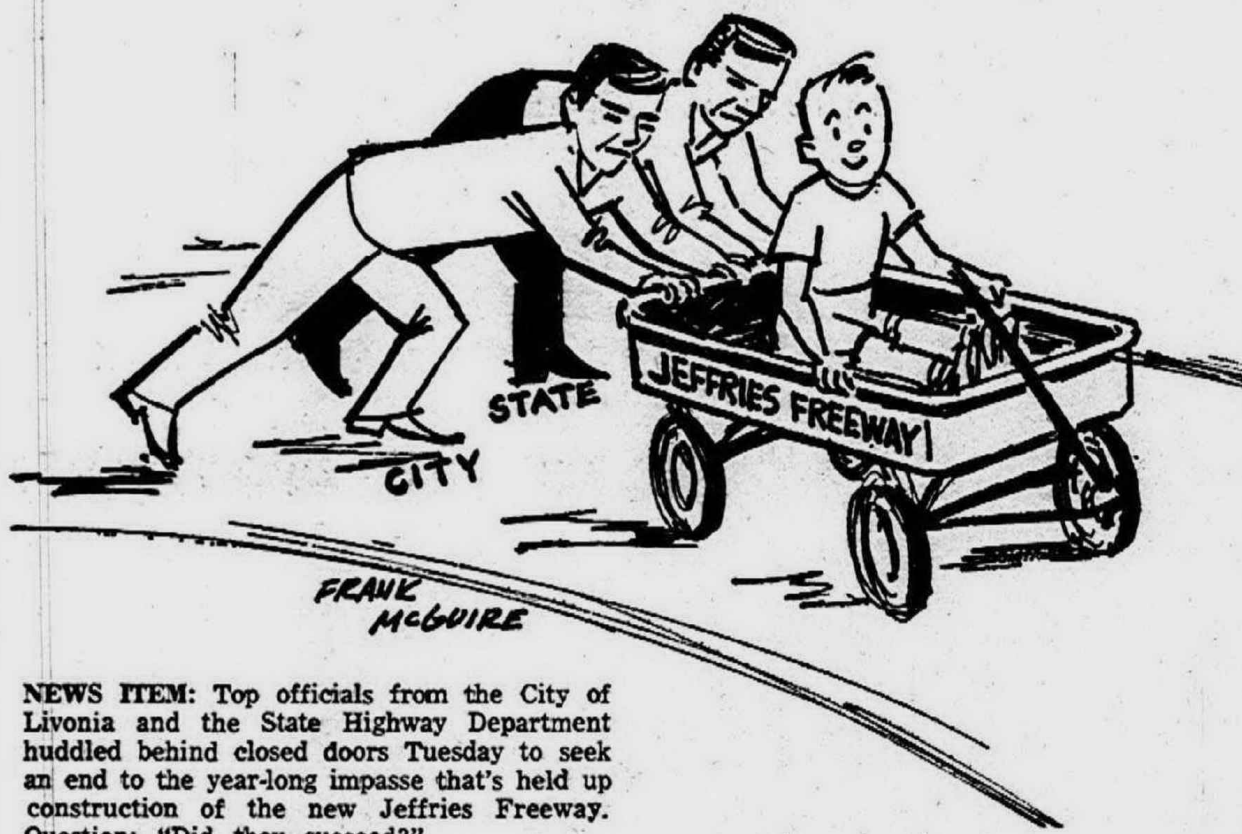

The other from South Redford's school district says: "Students will benefit from a special kind of additional training which will come to their teachers at no expense to local taxpayers."

Good old Uncle Sam! He loves little old us and is just going to reach into his back pocket and take out that money and nobody—but nobody—will have to pay for it.

Apparently we should turn all our schooling over to the federal government because that way it won't cost a penny to local teachers, students, parents, and school districts. —B. G.

A HIGHWAY IN OUR FUTURE

All Together, Now!

NEWS ITEM: Top officials from the City of Livonia and the State Highway Department huddled behind closed doors Tuesday to seek an end to the year-long impasse that's held up construction of the new Jeffries Freeway. Question: "Did they succeed?"

THE READER SPEAKS UP:

Kudos For A Policeman

Editor:

I wish to express my sincere appreciation to the Livonia Police Department and to a young corporal that assisted me on Tuesday, April 5. In my excitement, I am sorry to say, I did not get his name, but I am sure your reports will indicate who he was.

I know that criticism is very often leveled upon police and their activities. I feel that it is only just that you receive a compliment when it is due. Those who level criticism are a lot more apt to make their feelings known even though I am sure they are much in the minority.

On the night mentioned above I was endeavoring to get to St. Mary's Hospital with my son who was in the process of having an appendicitis attack and my wife who was in labor. Traffic was such that I was afraid that I was not going to make it for either one. I was very fortunate to notice a Livonia police car and the corporal driving was very prompt in his action of getting us into the police car and through traffic to St. Mary's Hospital. His efforts were not in vain as within an hour of each other my wife presented me with a new daughter and my son had his appendix removed. Without the services of your department I would have been in very dire straits.

My congratulations to you in your choice of personnel and my deepest appreciation to the police officer that was able to take charge in a trying situation.

Wanted: Boys Club

Editor:

It is too bad that we in the north end of Redford Township can't act like adults and work together on the new Boys' Club building. This end of the township needs a boost; the only decent looking building we have is the new fire hall.

The impression the people on MacArthur have of the boys belonging to the club is that they are a bunch of "hoods." If they were, they wouldn't belong to the club because there isn't enough excitement there for hoods. They can go there and play pool without cigarette smoke and foul language. I would much rather see my 14-year-old there than hanging around the drive-ins and the bowling alleys and the other places they congregate when they hear there is going to be a rumble.

Mr. Rumrill's opinion is that people send their boys to the club for the men and young boys to raise is a joke. The little time that a boy is at the

club, does not replace a home life. They have to be taught at home.

I agree with the people in the Volney Smith section that it's not the place for the club. From what I have seen a decent boy would be beaten up or mugged coming away from there.

I know there are many boys in the area without fathers, including my own son; and if they can be taught to make things with wood and things a father would teach his son, I think it is a wonderful thing. Why don't we all work together on the Boys' Club building? Isn't it worth it to have some place for them to go now no place?

Lauds Vietnam Report

Editor:

Congratulations on the fine editorial report by Faith Gillespie on the talk by Stephen Cary in that American Friends Service Committee series on Vietnam being held at the St. James Methodist Church in Detroit.

May I remind your readers that the last talk in this excellent series will be at St. James' on April 18, at 8 p.m. The talk will be entitled "The Search for Alternative Perspectives—The Role of the Public, the Expert, and the Opposition." Herbert Kelman, professor of psychology and research psychologist of the Center for Research on Conflict Resolution, University of Michigan, will be the speaker. It is indeed encouraging to note that The Observer, is and has been in the past open and searching for information and understanding on the Vietnam issue.

Editor:

It's about time to look at the facts and express ourselves. I'm the United States Marine Corps representative for Wayne, Garden City, Livonia, Plymouth, Romulus and Northville, Michigan, and let it be said from the start that the cries of "Get out of Viet Nam" and other such slogans by a few misguided individuals by no means expresses the feelings of young men in this area. Their patriotism has been put on the line, and they have met the challenge and responsibility of being American citizens. In this age of space travel and rapid communication we, the American people, cannot isolate ourselves from the problems of other nations when their struggle for understanding and partnership in the community of nations is so acute. To answer the challenge of being Americans, the men in the area I serve have met their na-

tion's call. In order to back this up with facts, in my area alone, we have had 81 voluntary enlistments during the first three months of 1966 compared with 81 voluntary enlistments during the first seven months of 1965. I think this is proof in itself that when there is a threat to our security or the welfare of a struggling nation, we as a responsible society are willing to answer the call of our national conscience. The right of dissent is a democratic privilege and this is what makes our country strong, but the misunderstanding that has placed its grip on a few misguided individuals has not derailed the moral responsibility of the majority of young men in the area I serve. I think they rate a salute, don't you?

Change the Name?

Editor:

A suggestion to the Charter Commission which is now redesigning Livonia's city government: Let's change the name of our City, to a real American name. Livonia comes from an old Russian province and the farther away we keep from getting tainted with any Red influence, the better. Besides, the city's reputation needs to be improved and a fresh name would help.

Good Points for Status Quo—Farmington

To the Editor:

Editorials in the Farmington Observer have lamented the relatively small and declining attendance at the public meetings of the study committee on the proposal to incorporate Farmington Township as a home-rule city. In my opinion such poor attendance is an indication not of public apathy but rather of the fact that the people of the Township either lack confidence in the impartiality of the study committee or feel that there are other and better ways of informing themselves as to the issues and problems involved—either by reading some of the available literature on the advantages and disadvantages of the city form of government or by inquiring directly into the experience of Warren, Livonia, Wyoming and other areas where a city has recently been formed from all or a very substantial part of a township.

The study committee seems to have ignored completely the experience of others, and particularly the rapidly rising tax rates in other communities after they became cities, and has dwelt on purely abstract or theoretical issues. For example, the committee has

repeatedly pointed out that, while there are certain powers and obligations which a city necessarily must have and which a township does not, the city charter can be drawn in any manner we please so as to narrowly limit the taxing and other powers of the proposed city. I submit that this is pure conjecture and completely ignores the evolutionary experience of other communities which incorporated with similar problems and with similar purported objectives, but each of which ended up with a city charter permitting much broader tax and other powers than the township board possessed before incorporation as a city.

Since the members of the study committee were appointed by our Township officials who had already announced themselves as favoring incorporation and had organized and paid the cost of obtaining signatures on and filing of the incorporation petitions, the selection of a completely unbiased study committee was hardly to be expected. I have no doubt that at least some members of the committee started out with an open mind and were determined to make an honest effort to ferret out all the advantages and disadvantages of incorporating, but it is quite apparent that after the first or second meeting they had all definitely made up their minds in favor of incorporation, and the lack of public interest in their hearings is at least in part attributable to the public's awareness of this fact. How else can one explain the statements by committee members, in studying this highly controversial and complex issue, to the effect that they could find absolutely no financial or other disadvantages which might be expected to result from incorporation?

A single example should suffice here: From a financial standpoint, by far the most significant single difference between a city and a township involves the matter of road maintenance, with respect to which a city must perform many of the functions which in a township are performed by the County Road Commission. For this purpose a city receives gasoline and weight tax money from the state which is not available to a township. The study committee has made a flat and unequivocal statement that the revenue thus received from the State of Michigan will exceed the cost of the road maintenance services required to be performed. But many other cities in Michigan have found this not to be the case. Nor is it clear that the City Department of Public Works would do as good or efficient a job as the Oakland County Road Commission with its vastly greater facilities, experience, etc.

At some point during each meeting the study committee invariably alludes to what it clearly regards as the principal reason for incorporating, i.e. the desire to prevent annexation of our choice industrial areas by the City of Farmington (or any other city) without a majority favorable vote of the entire township.

ship. If this were really the basic reason for incorporating, it would hardly seem necessary to have any such committee organized to study and analyze the merits and demerits of the incorporation issue. But in my opinion the constant harping on the threat of annexation is nothing more nor less than a scare tactic.

The right way to go about preventing annexations of any portion of a township is for the township to provide government service sufficiently sound and efficient so that the people residing in the portion proposed to be annexed to a city will vote against such annexation and thereby block it—as they have done at every such annexation election in the past in Farmington Township. But even if the City of Farmington should succeed in annexing an area including some of our choice industrial land, those of us in the rest of the township would hardly notice any difference. Thus the annexed area would still be taxed as part of our school district and county, so that the only resulting loss would be in township taxes, which now comprise less than 10% of our total property taxes in Farmington Township.

Cities are generally formed where there is (and because there is) a strong desire on the part of the residents of the area in question for governmental services of a character that are generally provided only by cities, but there is no evidence of any such present demand for additional city-type services in Farmington Township. The study committee constantly refers to the need for industry to broaden our tax base—and of the need to "attract" such industry. Industry of course requires sewer and water services which can and will be provided whether or not we remain a township, but industry does not demand or even find desirable other city-type services since it knows it must pay substantial property taxes in order to obtain such services. Indeed, it is primarily the desire to avoid high taxes that has caused industry more and more to flee from the cities to the suburbs and the unincorporated areas on the periphery of large cities.

The study committee reminds us again and again that tax rates will rise whether we remain a township or become a city, but what it carefully avoids mentioning is the fact (well known to industry and based on the experience of other communities recently incorporating) that tax rates may be expected to rise very much faster if we become a city than if we remain a township. For this reason Farmington Township will unquestionably have a better chance of attracting industry to its now undeveloped industrially zoned land by remaining a township than by becoming a city, since (whether rightly or wrongly in our particular case) industry would feel, based on the experience of other communities, that it would have a better chance of avoiding rapidly increasing tax rates by moving into a township than by moving into a newly incorporated city.

HOW'S YOUR P. Q.?

By KARL GUENTHER

The nation's dairy industry was saddened by the news of the death of Irmatruide von Hohenlae, who during her lifetime, had the honor of winning the annual milk production award for more years than any other cow in history. Her owner felt that it would not be fitting to say farewell to this noble beast without some sort of ceremony. Therefore, a huge coffin was built and the carcass placed on display in order for the faithful to pay their last respects. The turnout was beyond the bereaved farmer's expectations, as tens of thousands of persons stood in line to view the remains. So great was the attendance, that an enterprising novelty maker purchased the cloth which draped the casket stand, and had it made into small coin purses which were then sold as mementos of the occasion. The owner of the bovine phenomenon was highly incensed that anyone would see this sad occasion as a means of monetary gain, and instituted suit against the novelty merchant. The trial was very short, with the judge declaring in favor of the cow's owner. When questioned about his decision, the judge stated that it was based on an old adage.

Unscramble the following phrase to learn the basis for the judge's decision.

LIT Computer Used in Office, By Teachers

Officials at Lawrence Institute of Technology are getting "double duty" from recently installed Univac data processing system.

The Univac is being used to run administration programs such as class schedules and financial records. In addition, students and faculty have the use of the new system in the teaching of computer course.

The "Solid State 80" computer was donated to the college by the Kellogg Company of Battle Creek, Dr. Wayne H. Buell, LIT president, announced. It replaces an older model computer which had been in use at the LIT Campus, Northwestern and Ten Mile in Southfield.

The Univac includes a central processing memory unit, card punch, card reader and card printer.

Seniors Will Visit South on Vacation

By ANN OPLAND

A group of about 30 Franklin seniors are spending their Easter vacation touring Kentucky. The trip, having absolutely nothing to do with school-sponsored activity, was organized by students interested in doing something "different" over the spring vacation. Kenneth Bartley, physics teacher, is accompanying the group.

Early Monday morning the group loaded a chartered bus and headed south, destination Mammoth Cave in Kentucky. This week they are intending to visit the Old Kentucky Home, Lexington, Bowling Green, and Mammoth Cave.

Friday evening some 30 tired seniors will return to Livonia after a busy, enjoyable five days they will never forget.

The Presidential Ball April 2

was attended by 204 couples. Elected by an all-school vote as President and First Lady were Dale Lee and Penny Buckingham. The gym was decorated with red and blue crepe paper, and "The Melodares" provided the music.

Seven Franklin band and orchestra members will go to Interlochen on May 21 to play in the Michigan Youth Arts Festival.

Mary Begian, Tom Doyle, Pam Hamilton, Jill Hauswirth, Stephanie Olson, Judy Shirley, and Linda Taylor have been recommended to participate in the activities as part of the Michigan Honors Band and Orchestra.

Twenty students from the speech three class, humanities classes, and the Franklin Players, along with David Hirvela,

speech teacher, traveled to the Hillberry Classic Theater at Wayne State University to see the opening of George Bernard Shaw's play, "Saint Joan," on April 6.

The group will visit the theater on May 11 to see "The Importance of Being Earnest."

On Wednesday, April 6, Franklin students observed an unofficial "Frat Day." To the surprise of many "unsuspecting" teachers, madras shirts, levis, and tennis shoes were the wearing apparel of some most "unfrat" students.

The Psychology Club made another trip to the Northville State Hospital Thursday April 7, with Mr. Graves, sponsor.

Win Science Fair Honors

By LOUISE GILLIS

Three entrants to the science fair have received high honors. Janet Rosa won fourth in the mathematics division while Debbie Camilleri captured fifth. Kathy Michaels received fourth place in Zoology.

The teachers of these girls were Sisters Mary Joanne, Karen and Imeldine respectively.

The last day before Easter vacation, April 6, an Easter assembly was held at Ladywood. Each club gave a report of the activities going on in their club and extended an Easter wish for happiness to the student body and the faculty.

Sister Mary Lilliose, principal, gave a short talk on the meaning of Easter.

The assembly ended as sophomore, Vickie Gillis, dressed as bunny presented an Easter gift to each teacher.

Different activities throughout the school preceded Easter. Each homeroom sponsored a different Sodality project such as making Easter baskets for the children at TB homes and patients at St. Mary Hospital. The Third Order group has been collecting cans of fruits, vegetables, and soup for the Capuchin soup kitchens.

An activity for Ladywood's faculty over the Easter vacation was their attendance at Franklin High School for a meeting. It was held on Good Friday and teaching was discussed.

Mrs. Jan Bensmiller's tenth grade Common Learnings held a bake sale in Thurston's cafeteria Thursday, April 7. The proceeds will go toward the class trip to Quebec, Canada.

The Shangri La teen-age night club will have a special dance night for Thurston students only. The dance will take place April 13 and tickets cost \$1.25. Entertainment will be provided by several bands and singing groups.

Mrs. Barbara Matthews' Journalism classes took a tour of the Detroit News for a field trip April 7. The students also saw a movie in the auditorium entitled, "Miracle At Your Doorstep."

A League Dance will be held in Thurston's gym April 22. The dance will be held by the Student Council for students at

tending Thurston, John Glenn, Franklin, Oak Park, North Farmington, and Birmingham Groves. One hundred tickets for each school will go on sale April 18 for 50 cents.

Entertainment will be provided by "The Gang," of Thurston; "The Outlaws," of John Glenn; "Four of a Kind," of Franklin, and "Barons of Sound," from North Farmington. Students must have their identification card to attend. School dress will be appropriate.

A newsletter will soon be started between the six league schools. The newsletter will contain information concerning social and academic activities of the six schools.

The next movie to be shown in Thurston's little auditorium during the lunch hour will be "A Raisin In The Sun." The movie will be shown from April 18-22. The cost is 10 cents a day.

Band Entertains Students, Parents

By TONY HEAD

Clarenceville students and parents were entertained last week by the High School Band under the direction of John Nezek. The band gave a special evening performance on April 6 at 7:30 and the following day put on a performance at student assembly.

The musicians played selections they had played in the Detroit Concert. The performance there won a chance to go to the State Series on April 23.

During the assembly, seniors Dennis Ashley and Barb Mette took over the band direction. Also, Evelyn Harvey received an inscribed Dictionary and certificate of merit for her participation in the Detroit News writing contest.

and Junior High gymnastic clubs participated in the Michigan Amateur State Meet last Saturday.

The boys were under the direction of Charles Thompson and the girls were coached by Miss Klenger and Miss Makie. Students qualified for this meet on March 26 in the regional meet. The next meet will be the Flint Open on April 16.

In keeping with the social trend of feminine domination the Clarenceville girls are switching places with the boys and having their own class basketball tournaments.

The first games will be on April 14. While the girls play basketball, the boys will act as cheerleaders.

Team Wins State Gymnastics Title

By MADGE HILDEBRANDT

The North Farmington High School gymnastics team will hold an exhibition in the Farmington Senior High gym on Monday, April 18.

The NFHS team, winner of the State Gymnastics championship this year, was invited by the FHS Student Council. A special assembly will be held for the exhibition which will take the place of the regular second hour class.

FHS's Choral Reading group will compete in the Regional Forensics Contest at Royal Oak Kimball High.

The group was awarded first place at the District Contest which was held March 21. The seven members read "Lonesome Train," a selection which describes Abraham Lincoln's last train ride from Ford's Theater to the family burial ground in Springfield, Ill. For this reading, the choral group was rated a perfect score of 100 points by each of the three judges.

The group includes Sharon Daly, a junior who led the reading, and Nancy Terzano, Linda Taylor, Linda Moss, Barbara Brom, Phil McCulloch, and John Kent.

Tickets for the FHS all-school musical, "Shangri-La," will be sold at a reduced rate for a limited time only.

The price will be reduced to \$1 Friday, April 15, Saturday, April 16, Friday, April 22, and Saturday, April 23. The normal ticket price for the musical, which will be held April 29 and 30, is \$1.25.

Teachers' Threat Hangs Over Schools

Now in the process of hiring teachers for the next school year, school districts in this

area and throughout the state are grappling with a decision of the Michigan Education As-

sociation to hang an "unfair labor practice" tag on any school board that issues teacher contracts before a master contract is drawn up.

Negotiations have just started in some districts and have not concluded in others.

School boards must have signed contracts or they won't have staffs.

Representatives from Livonia, Wayne and Redford

Township were among 400 teacher-delegates who voted on the policy last week when the annual legislative session was held in Lansing.

Resolutions adopted dealing with negotiations stated:

• "Until such time as a master contract has been completed, (in local teacher-board negotiations) the MEA takes the position that the issuing of individual contracts is an un-

fair labor practice and the signing of these contracts by individual teachers before the completion of the master contract is a breach of professional responsibility."

• "A unilateral decision on the amount of millage to be requested (by a local school board) without giving due consideration to recommendations by the employees' negotiation team could not be considered as bargaining in good faith. The local Association shall actively support a millage issue provided the Association has participated in and agreed to the establishment of tax programs."

• "We... believe that the Public Employment Relations Act affirms the necessity for every member of the teaching profession to assume greater responsibility in the development of policies that will improve the education of the child-

ren of Michigan."

• "We believe that where professional negotiations fail to rectify situations involving unethical or arbitrary policies or practices detrimental to the welfare of schools, professional sanctions should be invoked."

'Put Councilmen on the Job'

While he realizes the office of a councilman is only a part time job, Mayor Moelke would like to see a voluntary program instituted whereby each member of City Council would work three or four days in each city department.

"With a plan such as this," he said, "they would better understand the tremendous amount of work that must be done."

Ford Invites Officials To Washington Confab

Congressman William D. Ford (D-15th) announces plans for his second annual Local Officials Conference, to be held May 6 in Washington.

Invitations have been sent to city and township officials throughout the District, which includes the cities of Allen Park, Belleville, Dearborn Heights, Garden City, Inkster, Lincoln Park, Melvindale and Wayne, and the townships of Canton, Huron, Nankin, Romulus, Sumpter, Taylor and Van Buren.

Congressman Ford said that the primary purpose of the con-

ference is to acquaint municipal officials with the wide variety of federal programs which offer financial and other aid to local municipalities.

Last year, when Congressman Ford inaugurated the conference, 50 officials representing 14 communities were in attendance.

Among the programs to be discussed will be Urban Renewal, Public Works Planning, Senior Citizens' Housing, Sewer and Water Grants, the War on Poverty and many others.

2 Children Injured

Two small Livonia children were taken to Botsford General Hospital April 6 following an accident at Grand River and Orchard Lake Rd. in the City of Farmington.

Injured were Sandra Hutter, 4, and her three year old brother, Robert. They were passengers in a car driven by their mother, Mrs. Robert Hutter of 14180 Susanna, Livonia.

According to the Farmington City police report Mrs. Hutter was traveling on Grand River when a car driven by Judith A. Johnson of Santa Barbara, Calif. pulled out into the street. Neither Mrs. Hutter, Miss Johnson, nor Mrs. Charles A. Johnson of 30734 Fink, Farmington, a passenger were injured.

Bell Pays Record Wages to Livonia

Michigan Bell Telephone Company today reported it paid an all-time high of \$1,487,820 in wages to its 184 employees who worked in Livonia during 1965, according to John Kamego, manager for the firm.

He said the company's entire wage bill of \$167,600,000, which went to 23,486 employees throughout the state, set a company record.

In addition to Michigan Bell's payroll, the Western Electric Company, manufacturing and supply arm of the Bell System, paid \$13.5 million to its 1,650 employees who worked in Michigan, and AT&T's Long Lines department paid \$3.9 million to its 545 employees in the state.

Total wages of these three Bell System units in Michigan reached \$185 million last year. Areas in which Michigan Bell's 1965 payroll topped the five-million-dollar mark include Detroit, Flint, Grand Rapids, Lansing, Saginaw and Southfield.

Hamlin Is Chairman

Delos Hamlin, supervisor of the City of Farmington, was elected chairman of the Oakland County Board of Supervisors for his eleventh consecutive term Tuesday at the Board's meeting in Pontiac.

Pairings Set for Anders Invitational Baseball Tourney

A 12-team field will contest the second annual Les Anders Memorial baseball tournament which will be dedicated to the memory of the man who helped to get the meet started last season.

CHECKING PAIRINGS for the first annual Les Anders Memorial baseball tournament are John Dufour (left), director of the Livonia Department of Parks and Recreation, and Bob Bentley, of Franklin High, who will serve as tourney supervisor and representative of the Livonia Optimist Club. The 12-man tourney is sponsored by the DFR, Optimist Club and the Observer Newspapers.

Anders, long-time coach and athletic director at Livonia high schools, recently passed away as he made plans with officials of Livonia's recreation department and The Observer Newspapers for the 1966 prep tournament.

The entry includes all schools, except Farmington and North Farmington Highs, in the area serviced by the Observer Newspapers.

Schedule conflicts made it impossible for Farmington and North Farmington to enter the Invitational.

The meet is scheduled to begin on Saturday, May 21 with four games. A single encounter will be held on Sunday, May 22.

Three games are booked for Saturday, May 28, with the semifinals for May 30 and the final game for Saturday, June 4.

The lighted diamond at Livonia's Henry Ford Field on Middlebelt Road will be the scene of all tournament games, unless the weather dictates otherwise.

"It shapes up as a great meet," said Bob Green, newly appointed athletic director for the Livonia Recreation Department.

The tourney again will be conducted on a one-game-out basis, following the procedure set up in 1965 when Franklin bested Redford Union in the

championship game. Franklin will begin the defense of its title against St. Agatha on May 21 at 7 p.m.

Other first-round games will match John Glenn against

Clarencville at 3 p.m., Thurston vs. Bentley at 5 and Stevenson vs. Garden City West at 9 p.m.

Garden City East, Redford Union, Our Lady of Sorrows

and Plymouth all drew first-round byes.

In the second round it will be East vs. Redford Union along with Sorrows vs. Plymouth. In addition the second round action will match the Stevenson-West winner against the Glenn-Clarencville victor and the Thurston-Bentley survivor against the Franklin-St. Agatha winner.

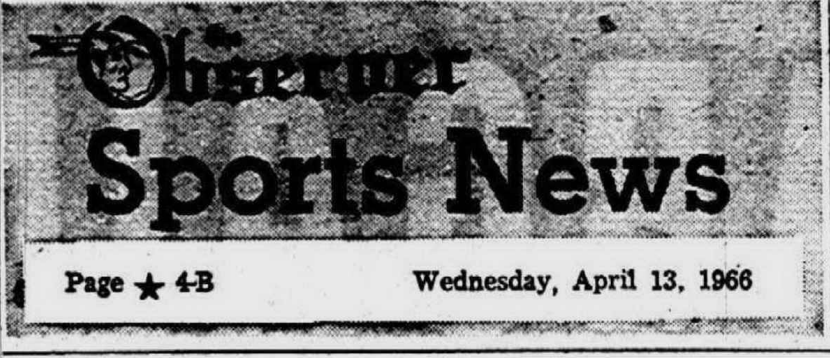

The Invitational shapes up with one held at Wyandotte as the largest held in the Greater Detroit area. Many observers feel that meets such as the one held in Livonia will serve as the stepping

stone to an eventual state high school baseball tournament in Michigan.

The prep diamond schedule for 1966 was to begin on an all-out basis this week. Thurston

managed to get in a game last week despite the chills and the snow.

By next week, all of the area's 14 varsity high school teams will be facing rugged campaigns.

Thurston Wins in Twin Debut

It was a sweet debut for coach Emil Majeski and his Thurston High School baseball team.

Making his bow as Thurston's head diamond commander, Majeski directed the Townshippers to a 10-0 whitewashing over Romulus.

Majeski took over from Bob Legatt, who's now handling sports at Schoolcraft College.

Vic Pilar, a lefty, pitched in mid season form for Thurston, despite the low 40-degree weather. This is what Pilar accomplished:

- 1—Flipped a shutout.
- 2—Allowed only one hit, a single in the fifth inning.
- 3—Struck out 14.
- 4—Walked six.

Thurston jumped off to a 4-0 lead in the first inning and wrapped up matters with a five-run barrage in the fifth.

Four members of the winning side lashed out a pair of hits. Paul Santangelo cracked a single and triple, Dan Harris

Franklin Trackmen Start Fast

Slams in the 100-yard dash the mile and the half-mile helped Franklin high's track team to turn back Dearborn Edsel Ford, 64-45, in its opening outdoor, dual meet of the season.

However, 48 hours later Franklin had to settle for second behind Dearborn in a tri-

FIGURE TO MAKE FLAG BID

Tigers Open Home Season Friday Against Washington

The Tigers, who agree with the experts that they will cut a fancy figure in the American League pennant race, will lift the curtain on the home season Friday with a gala Opening Day at Tiger Stadium.

Hurrying home from a scheduled three-game series in New York, the optimistic Tigers will take on the Washington Senators at 1:30 p.m. before a crowd which is expected to

reach \$5,000 if the weather is kind.

Customary Opening Day ceremonies have been arranged, with Gov. George Romney and Mayor Jerome P. Cavanagh again participating. A band under the direction of Merle Alvey will provide music from noon until the 1:10 p.m. ceremonies. Vocalists for the National Anthem and flag raising again will be Shirley Ann Setles and Robert Hund.

The Detroit Firemen's Association will present the customary floral horseshoe to Manager Chuck Dressen, who missed last year's opening because of illness. The Greater Detroit Board of Commerce also will participate, for the first time.

An innovation for Tiger fans will be organ music during the game and all future games. A Hammond electric organ has been installed and Bill Fox, well-known in Detroit music circles, engaged to play it. On Opening Day, he will perform between innings of the game but after that game also will be heard 30 minutes before each game.

The starting lineup is almost intact from last season, when the Tigers were plagued by an unprecedented string of injuries, but there are some new names which have stirred interest.

Mickey Stanley, who came up from the minors late last year, appears to have won the center-field position, flanked by Al Kaline and Willie Horton. Dick Tracewski, obtained from the Los Angeles Dodgers, seems certain to share much of the time at second base with Jerry Lumpe, with Norm Cash, Dick McAuliffe and Don Wert rounding out the infield.

Behind the plate, Bill Freehan finished spring training with a surge, but the No. 2 catcher is another newcomer, Orlando McFarlane, drafted from the Pittsburgh farm system.

The best-known addition to the pitching staff is Bill Monbouquette, veteran righthander obtained from the Boston Red Sox. He has joined Hank Aguirre, Denny McLain, Mickey Lolich and Joe Sparrina in the starting mound rotation, with Dave Wickersham moving into the bullpen as the No. 1 relief pitcher.

The Tigers' first home stand will be a short one. After meeting the Senators Friday afternoon, Saturday afternoon (3 p.m.), and Sunday, they will hit the road again until April 25, when they return for the first of 45 night dates on the schedule.

They will meet Minnesota's defending league champions that night and again the following night. After that come the Kansas City Athletics, April 27-28; Baltimore Orioles, April 29-30 and May 1; and the Boston Red Sox May 3-4.

U-M Track Coach Named Honorary Boss of Relays

ANN ARBOR—Don Canham, University of Michigan track coach has been named as honorary referee of the colleges for the 72nd annual Penn Relays, April 29-30 at Franklin Field, Pa., according to meet director Kenneth Doherty.

Canham, now in his 18th year at Michigan as head coach, captained the 1941 Wolverine team, then coached by Doherty. Later he succeeded Doherty as head coach.

OBSERVING SPORTS

By George Maskin

Some 20 years ago on the homeward leg of a Florida honeymoon for a couple very dear to us, the best available airline connections called for a switch in planes in Atlanta, Ga., after stops in Jacksonville, Fla., and Brunswick, Ga.

In Brunswick, a gent popped aboard for what he figured would be a 30-minute hop to Atlanta where he had some afternoon business. He planned to return to Brunswick in time for dinner.

As so frequently happened in those early days of flying, weather socked in Atlanta. The pilot made three passes at the airport. He gave up in the thick fog.

"We'll try Jackson, Miss.," the man from the cockpit declared.

When the plane approached Jackson, the pilot again spoke up: "Sorry, folks, it's too foggy there, too. We're going on to Dallas, Tex. We know that place is clear for a landing."

And, it was. Sixty worn and hungry passengers never were happier to land. And the gent who got on in Brunswick remarked: "How'll I ever explain this to my wife. She'll insist I was drunk."

The incident came to mind the other day when we called our better half around 5 p.m. and said: "Dearest one, forget about that supper..."

"What do you mean?" snapped an angry female. (Continued on Page 5-B)

ADVICE FOR MOMS AND POPS:

'Little League Belongs to Children'

Preparations are being completed for the start of the young baseball season for the youngsters.

In communities like Redford Township and Garden City they call it Little League.

In Livonia, it's called class F play.

Plymouth and Farmington and Nankin all have their own versions.

The name hardly is important. It's the idea behind the program which counts.

As the season dawns, one of the state's leading authorities on Little League has issued some remarks. Here's what he has to say:

"Little League baseball belongs to the children of the community."

"How it fares or prospers in any community depends upon the efforts of many volunteers who devote hours without pay toward making this a better program for the youngsters."

"Today in Little League, I am proud to say that we have come a long way in recognizing that the boys who play baseball must come above all other considerations."

"The program is for them — NO ONE ELSE."

"In recognizing this, we solicit parents to help us. Only when we forget that Little League baseball is for the children do we get ourselves into trouble."

"No umpire, manager or coach should have anything on his mind but the welfare of the boys playing the game."

"When the parents in-

TERFERE, they not only are embarrassing their own children, but the entire Little League program as well.

"The punishment by a parent of a child for striking out or making an error is inexcusable."

"The handling of the boys on the field rests with the team manager and coaches."

"Parents should remember that the PRIME goal of Little League baseball is not to make professional ball players, but, rather, to make good citizens and give the boys the opportunity to participate in a supervised program."

"Little League baseball provides for the display of excellence, both in teamwork and in individual performance, and for excellence in physical performance."

"In Little League we try to give every boy a chance, no matter what his race or color or religion, no matter how much money his father earns in a year nor his mother's position in society."

"Every day, on the practice field, or in games, young boys can see for themselves that an individual is judged fairly only on his own personal qualities and what he can do with them as an asset to a team."

"It really doesn't matter what division a boy plays in, or where he plays—just as long as he gets the opportunity to play."

"... it is hoped that all boys will be winners, for having had this experience."

Observing Sports

(Continued from Page 4-B)

"What did you do this afternoon that was so exciting?"

We hesitated.

"All right, tell me," and the voice was now ten times more angry in tone.

"You won't believe me," we resumed. "But when I left the office around 12:30 p.m., I had an invitation to drop in on Trans World Airlines' affair to show off the new type of service they are introducing at Metro Airport."

"And, guess what? I spent the afternoon flying over places like Buffalo, Boston, New York, Washington, Pittsburgh and Cleveland."

"How long were you up there?"

"Three hours. And what service. They dined us and fed us like we were kings and queens. The filet mignon was out of this world at 30,000 feet up."

All of this and we were still home no later than usual for supper, although this time there was no room to accommodate another ounce of what appeared an equally delicious steak mother had prepared for herself and sonny boy.

The TWA-afternoon-in-the-sky proved again how small the world has become. The TWA representatives were quick to remind folks aboard—most of them travel agents—that effective with the next day one could fly non-stop to California in less than four hours and 30 minutes.

The man next to us, a representative of the Greyhound bus lines, chuckled:

"We think we make pretty good time on the road these days thanks to the expressways. But, imagine this little afternoon sojourn. We're covering 1,200 miles."

"It would take a bus maybe 20-24 hours and not stopping. And, everybody would be a little weary."

The airplane, of course, has revolutionized everything around us. It's made possible coast-to-coast sports—expansions in baseball, in hockey, in football and in basketball.

College teams lose little or no time away from the classrooms even when they're playing 1,500 to 2,000 miles away.

Athletes now enjoy more rest on road trips. They no longer have to bump along all night in a cramped berth on a train.

Notwithstanding the modern day flying miracles, we're told that great share of American adults never have been off the ground.

They shiver at what might happen "up there," obviously forgetting that more things occur "down here" because of the way we drive our cars.

But flying can be fun. It's certainly fast, refreshing and no longer very expensive.

Franklin Starts Fast

(Continued from Page 4B)

angular meet in which Garden City East lagged far behind.

Dearborn picked up 67 points, to Franklin's 62 and just eight for East.

J. D. Saven with victories in the 100 and 220-yard dashes paced the Franklin triumph over Ford. Husky Larry Nafteh won the shot put, Greg Arnold the high jump, Red Gozdziak the mile and Dan Ryan the half-mile.

Ryan has been the sensation of the early season for Franklin. He placed in both the Huron and Michigan State indoor relay carnivals.

Against Dearborn and Garden City East, Franklin gained victories in the shot put (Nafteh), high jump (Gary Mayo), long jump (Troia), mile (Gozdziak), 880 (Ryan) and the 880-yard relay.

Shot put: 1—Nafteh (F), 2—Bernard (GC), Distance: 46 feet, 3/4 inch.

High Jump: 1—Mayo (F), 2—Arnold (F), Height: 5 feet, 11 inches.

Long Jump: 1—Troia (F), 2—Saven (F), Distance: 19 feet, 3/4 inches.

880-yard relay: 1—Franklin, 2—Garden City East, Time: 1:39.

Mile: 1—Gozdziak (F), 2—Norris (GC), 3—Lysett (F), 4—Nicol (F), Time: 4:50.5.

High Hurdles: 1—Rogalski (F), 2—Richardson (F).

880-yard run: 1—Ryan (F), 2—Marion (F), 3—Manko (F), Time: 2:03.1.

440-yard run: 1—Eler (F), 2—Willis (GC).

100-yard dash: 1—Saven (F), 2—Nafteh (F).

Low Hurdles: 1—Rogalski (F), 2—Richardson (F).

220-yard run: 1—Saven (F), 2—Lucas (F).

Mile relay: 1—Franklin, 2—Garden City East.

Trojans Roll Over Clarkston

The decision to cancel two events, the high and low hurdles, didn't cramp the style of Clarenceville high's track team in its 1966 opener against Clarkston.

Clarenceville came out an easy 68-23 winner.

Bad track conditions prompted the move to delete the hurdles from the afternoon program.

Jim Amick with victories in the pole vault and high jump starred for Clarenceville which scored victories in the nine events staged.

Clarenceville's achievements included a slam in the half mile in which Darrell Howell won with Brian Kent and Dave Wilson following him across the final line.

How Clarenceville scored: Shot put: 1—Prisk, 2—Nelson. Distance: 47 feet, 10 inches.

Pole Vault: 1—Amick, 2—Kent, 3—Wilson. Time: 2.69.

880-yard relay: 1—Clarenceville. Time: 1:36.8.

Mile: 1—Larry Buchheit, 2—Wehner. Time: 4:52.5.

440-yard run: 1—Waldman. Time: 3:52 seconds.

100-yard dash: 1—Stearns, 2—Hawkins.

220-yard dash: 1—Stearns, 2—Hawkins. Time: 2:42 seconds.

Mile relay: 1—Clarenceville. Time: 3:51.6.

Franklin Wins, Then Loses to RU on Links

Franklin High's golf team won and lost in its first week of action.

Led by Mark Burke, the Livonians turned back Wayne at Fellow Springs, but then Franklin was routed by Redford Union, 179-193.

Burke scored a 43 for nine holes against Wayne, while Jim DeRubero and Dan Camp had 47 each and Ron Higgins a 47.

Larry Ray paced Redford Union with a 41. Brian Johnson turned in a 45, Ted Dallas a 46 and Ken Engle a 47.

Camp's 46 topped Franklin in the match against RU. Burke had a 47, John Machler 49 and Bruce Alatalo 51.

a single and double and Bob Holmes and Georgia Latvia each two singles.

Barry Simescu chipped in with a double for the victors who again appear headed for another successful season in baseball.

CYR, NOEL STAR

Thurston also got off on the winning foot in track under coach Dan Bennett.

With veterans Leonard Cyr and Charles Noel leading the point parade, Thurston turned back strong Roseville, 68-41, in a meet held between snow showers and with the temperature never exceeding 42.

"I was very impressed," said Bennett. "The kids did a very excellent job despite the fact our outdoor work this spring has been very limited."

It's to be noted that Roseville annually boasts one of the stronger Class A team in the Detroit area and also in the state.

Noel scored three victories while Cyr fashioned a double. Noel won in the broad jump, the 100-yard dash and the 220-yard dash. Both of Cyr's victories came in the hurdles.

The Thurston results: Shot put: 1—Steffin, 2—Bryant. Distance: 45 feet, 9 inches.

Broad Jump: 1—Noel, 2—Phillips. Distance: 20 feet, 4 inches.

High Jump: 1—Blaske, 2—Phillips. Height: 5 feet, 8 inches.

Pole Vault: 1—Walsh, 2—McEwen, 3—Thurston. Time: 1:36.2.

Mile: 1—Touchette, 2—Cyr, 3—Blaske. Time: 17 seconds.

880-yard run: 2—Grimm.

440-yard run: 2—Adamson, 3—Butlin.

Mile relay: 2—Thurston.

Job Training Exhibition Is Michigan Week Event

A three-day job-training exhibition at the Michigan State Fairgrounds in Detroit Monday was designated as one of the events of Michigan Week.

Called the Career Opportunity Michigan Exhibition, this educational show is being held May 20, 21 and 22 in the Community Arts Building on the fairgrounds. There will be 50 or more exhibits, sponsored by many of Michigan's leading industries, trade schools, technical training schools and other educational institutions in the Midwest.

"Theme of this exhibition," said Richard G. McDaniel, manager of the show, "will be 'Michigan Youth Is Michigan's Finest Product.' For many years a Michigan newspaperman and specialist in promotion of civic enterprises, McDaniel said that the

exhibition would make notable contributions toward creation of job opportunities for thousands of young men and women in the four-state area.

In an announcement that COME would be one of the enterprises welcomed by the Michigan Week committee, Paul Penfield, director of advertising for the Detroit Edison Company and chairman of the 1966 Michigan Week committee, said:

"Leading industries, businesses and educational institutions of our state will exhibit in this show and participate in the series of symposiums and seminars planned for the three days in May at the Fairgrounds.

"These seminars, which will be in the auditorium in the Community Arts Building, have been arranged to bring young people about to graduate from

high schools, trade schools, colleges and other educational institutions face to face with men and women representing many of our great industries here in Michigan.

"These meetings, which I understand will be open to all young people seeking to get started in various fields where good jobs await them, will be among the highlights of the 1966 Michigan Week Program."

McDaniel said exhibitors already signed for exhibit space during the exhibition include Detroit Edison Company, Michigan Consolidated Gas Company, Automation Institute, Lincoln Technical Institute, Electronics Institute of Technology, Detroit College of Applied Science, Dearborn Semi Truck Driving School, Selling Aces, Xerox Corp., International Tabulating Institute, Encyclopedia Britannica, and Detroit Time Study.

Keep Natural Look In Successful Garden

Flowers and shrubs, when set off by expanses of lawn, seem to be more effective than the more sculptured pattern.

And the plants and flowers will prosper in the sunshine and showers possible in the wide open spaces. Nature appears to be strong in the informal garden—and there is a kind of unity between the garden and the house.

Terraces can be used as outdoor rooms—trees and shrubs create the touch of privacy.

Flagstones, field stone or rough brick can be used for the entry walk. Flowering trees and shrubs contribute much to the informal garden—giving it a country atmosphere.

No need to set a definite pattern when planting flowers—no need to set them out in precisely outlined beds. Plant freely—

in masses—using as many kinds as you wish.

Plant new flowers—but don't forget the old ones. Particularly those with delightful fragrances. Use all the informal flowers—they're colorful and vigorous.

Keep the natural look in the successful garden—keep it looking informal and friendly.

On the Lawn WITH LARRY LAWRENCE

Here's a provocative question from a man who writes me from Maryland: "As a practical matter, what in your opinion is too large a lawn for a hand mower?"

I have a power mower, of course, but dislike using it. By the time I buy gas and service it I feel that cutting could have been well under way with a good hand mower."

The swing back to hand mowers has been remarkable. In fact, in a country where we are all supposed to detest physical effort of any kind, it is phenomenal.

Yet, when you think about it, it is understandable. Many people dislike the noise and smell of a gas engine and the need for service. A hand mower is quiet, safe, doesn't smell and seldom needs fixing.

How can I answer that back-handed question? Obviously it depends on both the machine and the pusher. The old clunky-clack mower took real effort whereas the new silent models are easy to push as a grocery cart.

With one of these, anyone and I don't mean a teenager—should be able to cut a 50'x50' lawn in half an hour. I know a man in his seventies who keeps 10,000 square feet looking immaculate and does it all by hand. He cuts it a bit at a time.

Anyone shopping for a hand-mower should see Scott's newest model. You can dial the height of cut (1/2" to 2 3/4") as easily as tuning a radio. And no matter what height you set, the angle between bedknife and blade is always correct.

Use Care In Cleaning Paint Brush

A paint brush probably figures in your Spring Clean-Up plans, so keep these fire safety pointers in mind:

1. For paint removing and brush cleaning, solvents labeled "non-flammable" are safest, the National Fire Protection Association says. If you must work with flammable ones, better do it outdoors—but never in any area where there is open flame (as from a stove) or where anyone is smoking.

2. Get rid of old paint and solvent containers, and those with small left-over amounts. Store paints and solvents well away from furnaces, and only in capped metal containers—glass jars break easily, creating a definite fire hazard.

3. Safest practice with rags used to wipe up solvents or paints is to dispose of them immediately outside the house. If you must store them, use a metal container with a tight cover.

Free Plans Available for Cabinets

An available free plan shows how to build attractive recessed wall cabinets with a budget. Step-by-step pictures and drawings show how to build standard wall cabinets, as well as inches, shelves, shadow boxes and bookshelves.

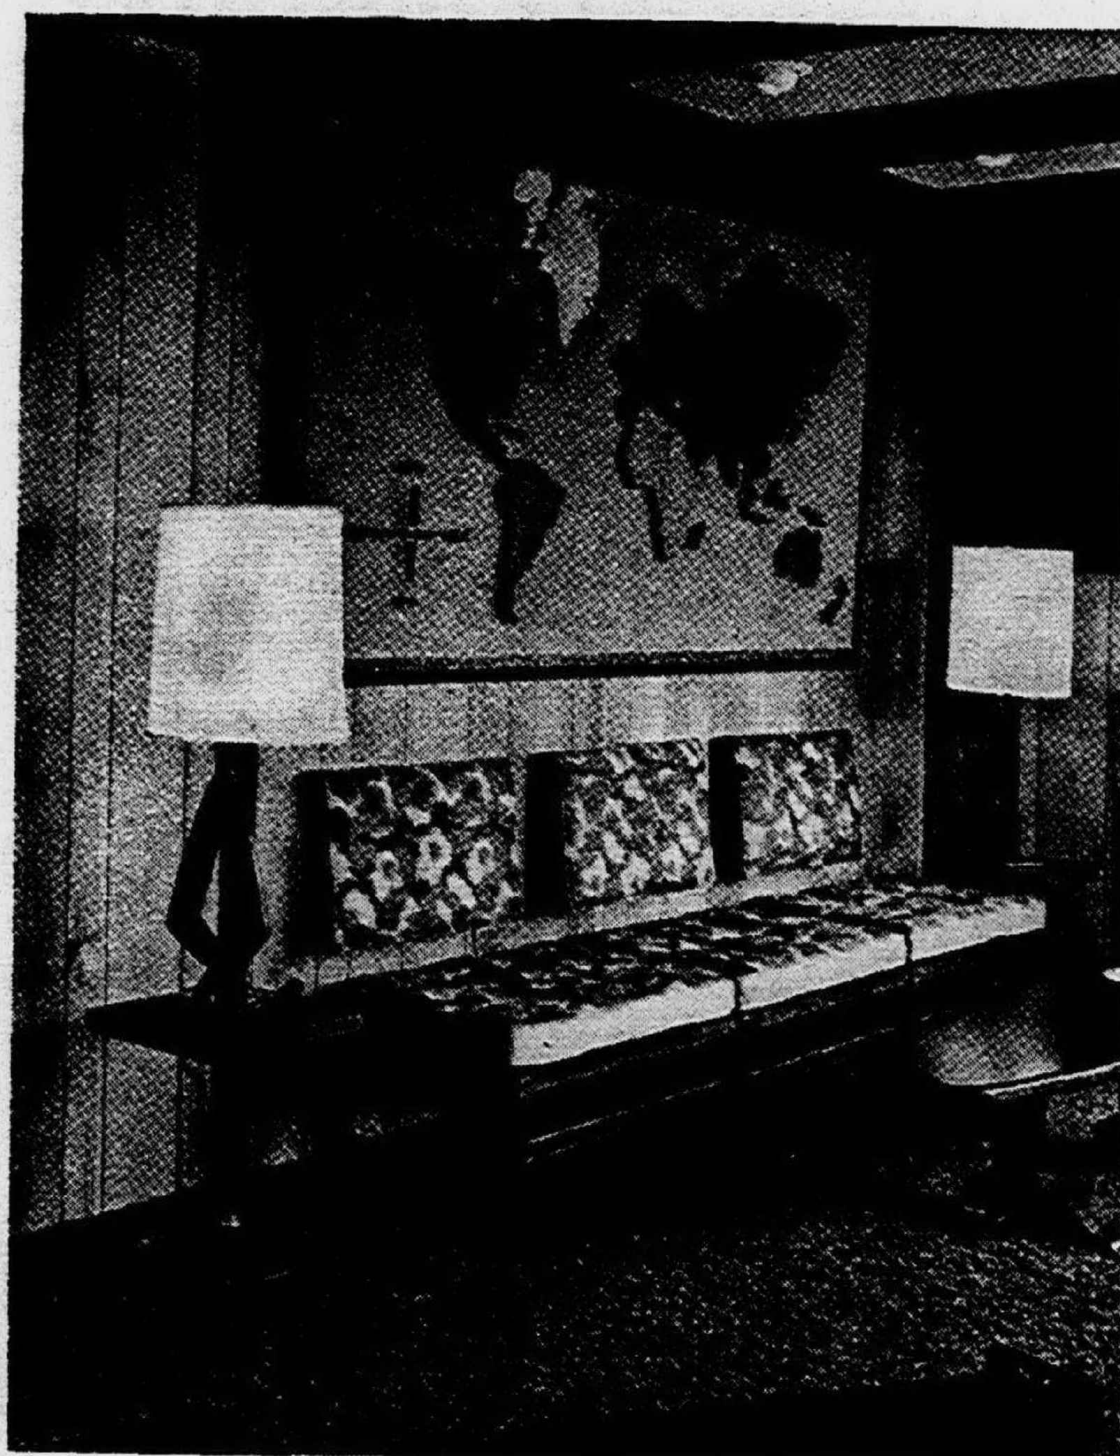

A special section on cabinet doors is included. The plan shows how to cut sliding doors from a panel of prefinished Marlite paneling, which can be slipped right into place. This plastic-finished hardboard is durable and does not require any finishing.

For a copy of this cabinet plan, send a post card to Handyman Plans, Marlite Paneling, P. O. Box 250, Dover, O. 44622. Ask for Plan No. 105.

Landscaper Can Provide Trees For Every Setting

Because of their many sizes and forms and growing habits, trees offer many opportunities for the landscaper.

Trees can become a background for the home garden. Large trees can be used to frame a home — especially when they are placed at corner positions.

Trees are used to provide shade — while others are used as screening, to create a barrier for seclusion.

Choosing the right tree is important — and here the landscaper will study the style and size of the home before making the selection. The ranch-type home will be complemented with small-scale trees — while the large giant of the forest will be chosen for the two-story and the split-level home.

Locating trees is an art — the landscaper's art. Correct spacing is another point of interest — and location and spacing are important if the trees are to be healthy and beautiful. The skilled landscaper will plan his tree plantings to be certain that each tree will have sufficient area to develop full spread.

Remember, too, trees and shrubs should be planted at least half their expected maturity diameter from the property line — to avoid spreading over into the neighboring yard. Evergreens are usually the good choice, for they hold their green color all year. This includes broadleaved evergreens, and conifers and narrow-leaved trees.

Care must be taken in selecting evergreens for the home landscape — and evergreens require regular care if they are to survive winter injury.

Trees and shrubs play a vital part in landscaping — and with proper selection and location, enhance the beauty of the outdoor scene.

GUEST SPEAKERS at a recent luncheon meeting of the United Northwestern Realty Association — Western Wayne-Oakland County Board of Realtors, were Robert Zisette (left), chairman of the board of Kaufman and Broad Homes, Inc. and Jack Wood (right), executive secretary of the Detroit Building and Construction Trades Council. Richard Elsea (center), vice president of the Realtor group, looks over the program with the speakers.

Start Cleanup Now; Avoid Big Problems

With spring in the air, it's time to spring into action on fire hazards.

Whether your home stays free from dangerous and destructive fire this year may very well depend on what steps you take right now, the National Fire Protection Association points out.

Here's a five-point program guaranteed to remove most of the common causes of fires in homes.

1. Clean out any stacks of newspapers and magazines, discarded clothing, mattresses, old furniture and lamp shades, draperies—all the clutter that collects in attics, basements and closets.

2. Do the same clean-up job in the home workshop, too—shavings, scraps, oily rags, old paints must go.

3. Don't forget about the trash accumulating in the garage, and get rid of dead grass and brush around and near the house.

4. Repair defective electrical cords and plugs, check over appliances and call a competent electrician if they need attention.

5. Have your furnace, chimney and stoves inspected and cleaned.

Fire danger lurks in every one of these spots, says the NFPA.

Don't gamble that your home is safe from fire, says the National Fire Protection Association. How about those oily rags in the kitchen closet — or those old clothes and papers in the attic? One tiny, stray spark and you're out of luck—and a home. Clean up!

Four Ways To Catch A Cold!

There are several ways to catch a cold. Faithful practice of any one method almost always guarantees a humdinger of a cold and possibly complications as well! A change of seasons, particularly winter to spring, is excellent cold-catching weather.

This check-list is designed to guide cold hunters:

1. Avoid sleep at all costs. Exhaustion and overtiredness wear down a person's resistance and make him more susceptible to cold germs.

2. Skip meals. Nibble all day. Be sure to avoid healthy foods such as vegetables and fruits. Without a supply of germ-resisters like vitamin C, the body can't possibly fight off a cold.

3. Go out on a warm-looking day without a coat and on cloudy looking ones without an umbrella. Chills and wet clothes are an open invitation to a cold.

4. Harbor cold germs by re-using a handkerchief. Avoid using disposable tissues to throw away cold germs instead of keeping them around to aggravate a cold and spread it to other people.

Follow these directions and a cold is almost guaranteed!

Shine Copper Pans Easier

Here's a way to make cleaning copper bottom pans easier. Use a spray-on copper cleaner or apply liquid or cream cleaner with a pad of folded paper towels. When it's time to wipe off the cleaner, use more throw-away paper towel pads. With disposable paper towels, there's no cloth or sponge to clean.

SISTER M. CAROLINE. Services were held at the Felician Motherhouse for Sister M. Caroline, CSSR, a member of this community for 56 years who died at St. Joseph's Infirmary, Livonia.

Solemn requiem Mass was celebrated at the motherhouse chapel by Rev. Arthur Krawczak, pastor of St. Martin de Porres Parish in Warren and a nephew to the deceased. Burial was at Mt. Olivet Cemetery.

The former Catherine Kniga entered the Felician Sisters Congregation from St. Albertus Parish in Detroit in 1910. After profession of first vows in 1912, she began teaching in parochial schools in Michigan, Pennsylvania, Indiana and Ohio.

Sister Caroline taught at the following Michigan parishes: St. Andrew, St. Stephen, St. Hyacinth and Our Lady of Help of Christians in Detroit; Our Lady Queen of the Apostles in Hamtramck; St. Hyacinth and St. Stanislaus in Bay City; St. Helen in Wyandotte, and St. Joseph in Manistee.

Surviving Sister Caroline are three brothers: Victor, Leo and Anthony; and two sisters, Miss Anna Kinga and Mrs. Agnes Krawczak, all of Detroit. A niece, Sister M. Martha, CSSR, is a member of the Felician Sisters Congregation. Arrangements were through the R. G. & G. R. Harris Funeral Home.

JOSEPH GILLETTE. Services for Mr. Gillette, 62, of Osprey, Fla., who resided in Livonia for a number of years, were conducted in the Schrader Funeral Home in Livonia in charge of Rev. Carl Schultz. Burial was in Riverside Cemetery.

Mr. Gillette died at his home in Osprey, Fla., on April 6 of a stroke. He had resided in Florida for the past 12 years and operated the Pine Grove Cottages there. He was a member of the Pine Shores Presbyterian Church in Sarasota, Fla.

Surviving are: his wife, Mrs. Helen Gillette; a son, Robert, of Osprey; a daughter, Mrs. Patricia Ruse of Jackson, Mich.; two stepchildren, Russell Gauslin of Erie, Pa., and Mrs. Helene Jaskowski of Utica, Mich.; one brother, Bernard Gillette of Detroit; one sister, Mrs. Nellie Sullivan of Utica, N. Y.; and 12 grandchildren.

MRS. THELMA POTTS. Services for Mrs. Potts, 58, of 36241 Ann Arbor Trail, Livonia, were conducted at the Schrader Funeral Home and in St. Theodore's Church in Nankin Township in charge of Rev. Fr. Jasper Siriani with burial in Holy Sepulchre Cemetery in Southfield.

Mrs. Potts, who had resided in the area since 1939, died April 4 in St. Joseph Mercy Hospital in Ann Arbor following a long illness. She was a member of St. Theodore's Church, St. Elizabeth's Fraternity, and Third Order of St. Francis.

Surviving are a son, Timothy Coleman of Detroit; a sister, Mrs. Enid Stannitt of Livonia; and five grandchildren.

MABEL CLARK. Funeral services will be held this morning (Wednesday) at 11 for Mrs. Mabel Clark, 68, of 32135 Maplewood, Grosse Pointe Park.

Funeral Home with the Rev. James B. Allen of the Community Baptist Church of Garden City officiating. Interment will be at the Cadillac Memorial Gardens, West.

Mrs. Clark, who died Sunday (April 10) after a short illness, was born in Coleman, Mich., and had lived in this area for the past 45 years. She had been employed

as a practical nurse and worked throughout Wayne County area. Survivors are: husband, Frank; three children, Mrs. Cora Yeager, Peggy Hillert and Ruth Mages; and brother Charles Brown.

ROBERT ENGLAND. Services for Mr. England, 64, of 941 Mill, Plymouth, were conducted in the Schrader Funeral Home in charge of Rev. Peter Schweitzer with burial in Riverside Cemetery.

Mr. England was a member of the Eagles Lodge in Northville, and of the Plymouth Grange. Surviving are: his wife, Mrs. Grace England; and three sisters, Mrs. Edith Randall of North Branch and Mrs. Ruth Grandstaff of Metamora, Mich.

ARTHUR S. LINDSEY. Services were held at the Mans-Ferguson Funeral Home for Mr. Lindsey, 75, of 3623 Inkster Road, Livonia, who died after a lengthy illness at Northland Geriatric Center.

Born in Mississippi, he had been employed in plant protection at the Terzetti Division.

He is survived by his wife, Marie, and one daughter, Mrs. Bertha Potter of St. Louis, Mo.

CHARLES G. COUNTRYMAN. Services for Mr. Countryman, 53, of 5542 Prent, Detroit, who died at Union Lake, were directed by the Harry J. Will Funeral Home, Inc.

A former draftsman at American Blower, he is survived by one son, Edward W. of Redford Township and two grandchildren.

FLOYD MITCHELL. 69, of Detroit, formerly of Farmington, died April 6 at his home. The Rev. Carl H. Schultz of a Salem United Church of Christ officiated at the April 9 funeral services at the Henry Sundquist Funeral Home. Burial was in Grand Lawn Cemetery.

Mr. Mitchell had resided in Farmington for 25 years. He was employed by the Ford Motor Company until 1957 when he received a disability leave.

Surviving are: his wife, Margaret; seven children: William C. James, Jr. and Robert C. of Detroit; Ernest E. of Garden City; Mrs. Betty Henrich of Detroit; Mrs. Mary Jones of Farmington; and Mrs. Janet Krahn of Southfield.

Also surviving are 14 grandchildren, six sisters and one brother. A son, John Edward, predeceased his father.

LEROY MUNN. Funeral services were held last week for Mr. Munn, 39, of Cook County, Texas. The Henry Sundquist Funeral Home handled the arrangements.

Mr. Munn, the son of Mr. and Mrs. James L. Munn of Gainesville, Texas was employed as a cook. He had been in Farmington for two weeks. Also surviving is his wife, Ola.

JOHN NETTLE. Funeral services were held for John Nettle, 53, of 26435 Morley Drive, Inkster, who died on April 8 at Veterans' Hospital. A Rosary was recited at the John N. Santel & Son Funeral Home and a Requiem Mass was said at St. Norbert's Catholic Church with Fr. Boyce officiating. Burial was in the Holy Sepulchre Cemetery.

Mr. Nettle was a veteran of the Army in World War II and for the past six years served as vice-president of Fred V. Gentach, Inc., furniture manufacturers.

Survivors are: wife, June; daughters, Elida and Kathleen; two brothers and four sisters including Mrs. Dorothy Albright of Garden City.

ALBERT VICTOR GALE. Graveside services for Mr. Gale, 78, of 32475 Grand River, Farmington, were

conducted April 7 at the Parkview Cemetery. The Henry Sundquist Funeral handled the arrangements.

Mr. Gale, a past employee of the Sarah Fisher Home, is survived by two sisters: Mrs. Edwin Douglas of Evesville, Mich.; and Mrs. Ruth Garboline of Detroit. Also surviving are: a niece, Mrs. Otto Bender of Detroit; and a nephew, Merwin Gale of Highland Park.

ADELINE (HANNAH) CAMPBELL. 83, of 3154 Six Mile Rd., Livonia, died April 7. The Rev. Robert M. Sawyer of the First Presbyterian Church of Farmington officiated at the April 11 funeral services at the Henry Sundquist Funeral Home. Burial was in Grand Lawn Cemetery.

She is survived by a daughter, Mrs. Joyce Foster of Farmington, and three grandchildren. Also surviving are four sisters: Mrs. Emma Foster and Mrs. Mabel Reid of California; Mrs. Vina Milton of Connecticut; and Mrs. Nancy Alphin of Florida.

LORI ANN CANNON. Services were held at the R. G. & G. R. Harris Funeral Home for Mrs. Cannon, 26-year-old daughter of Mr. and Mrs. Richard D. Cannon of 34318 Munger Drive, Livonia, who died in Caro, Mich., of pneumonia.

In addition to her parents, survivors include two sisters, Judith and Patricia; three brothers, Michael, James and Richard; one nephew, Mrs. Esther Kelley of Malden, Mass.; and one grandfather, James L. Cannon of Largo, Fla.

Born in Pittsburgh, Pa., he was a machinist at the Ford Motor Co.

He and his late wife, Carmen, are survived by two daughters, Mrs. Edward Bucholtz and Mrs. Harvey Haling. Other survivors are one sister, Mrs. Guy Martin; one brother, Edward; and five grandchildren.

Have you checked your home recently for faulty wiring, frayed cords and exposed wires? The National Fire Protection Association says these things, along with defective electric appliances, are a major cause of fire in our homes. Make sure your home is an electrically safe home.

Offer Tips On Cleaning Furniture

Furniture is often damaged when Michigan basements flood. Furniture that has not been submerged may have developed white spots, or a whitish, cloudy film from dampness.

Many times this furniture represents an investment the owner will want to salvage. Mrs. June L. Sears, County Extension Home Economist points out that with the increase of basement recreation rooms, this type of furniture damage may become more common.

Here are some steps which may be taken to restore furniture.

If the whole surface has been affected, Mrs. Sears says, try rubbing with a cloth wrung out in turpentine or camphorated oil. Wipe dry at once and polish with wax or furniture polish.

If the color is not restored, the agent said, dip fine steel wool in oil — either boiled linseed, olive, mineral, or

lemon — and rub lightly with the grain of the wood. Wipe with a soft cloth and rewax. A drop or two of ammonia on a damp cloth may be needed for deep spots. Rub at once with a dry cloth, then polish. Cigarette ashes rubbed in with the fingertips are often effective in removing the white spots. If all efforts to remove white

blemishes are ineffective, it may be necessary to refinish the furniture. Further information on furniture refinishing may be obtained by requesting the new MSU Cooperative Extension Services bulletin, number ES14. Write to Bulletin Office, Michigan State University, East Lansing, Mich. 48823. Enclose 25 cents in coin.

Alexander Hamilton Picks Farmington For New Offices

(Continued from Page 1)

place where the building can be observed daily by thousands driving the expressway, which in turn, gives the company tremendous public relations as to growth and expansion.

2—The area is quiet and conducive to a gracious operation of a conservative life insurance company.
3—The location is directly across from the proposed beautiful new campus (Orchard Ridge) of the Oakland Community College.

4—The location places the company in the center of a number of communities that can furnish it with needed manpower in the years to come.
5—The site is only 18 minutes driving time from the Plymouth area where many of

the employees now live, and will continue to live.
6—Because of the location on I-696, the company has easy access to the major arteries of the entire city of Detroit and suburbs.
Milby reiterated that the move from Plymouth wasn't

for any cause but that the company officials decided to relocate because of the above listed advantages that a fast growing organization such as Alexander Hamilton must have to continue its tremendous growth.
"As a matter of fact," he

said, "Several of our officers are residing in the City and Township of Plymouth and plan to remain. They have made their homes there and would like their families to grow up there and continue to be a part of the civic life of the community."

"The people of Plymouth have been most gracious to all of us. We do not recall any single instance where a request has been made to the city that has been denied. We like Plymouth and the cultural atmosphere of the community but the reasons stated above are why our officers felt we had to move to the Farmington site."

president-controller as vice president-treasurer.
A new position, director of corporate relations, will be filled by Donald Starr, Ph.D., former assistant to the Board Chairman.

The balance of the operation, administrative and marketing, will be under the supervision of President Charles Bruce with Robert Safford named Executive Vice President in charge of Marketing and G. Eugene Davidson appointed Executive Vice President of Administrative Division.

Jovite LaBonte, Jr., former second vice president-marketing, will serve as Vice President-Marketing under Safford.

School

be used to finance the construction of Elementary School No. 8, an addition to Bird School and a multi-purpose room at Elementary School No. 7. The plans are to retire the bonds on the following schedule: \$200,000 each in 1967, 1968 and 1969 and \$230,000 in 1970.

Approved a resolution granting the National Bank of Detroit an increase in fees for service in connection with bond issues as sale or principal paying agent. The Bank wrote that it had no change in fees since 1941.

Heard President Fischer urge Business Manager Melvin Blunk to watch the progress of Elementary School No. 7 to make sure it is going along on schedule. Fischer told Blunk that it is absolutely essential that the school open in September as scheduled.

Approved a special meeting on April 25 to approve preliminary plans for Elementary School No. 8, the addition to Bird School and the multi-purpose room at Elementary School No. 7.

Local Airman Graduates With Honors in AF

Airman 1/C Melvin E. Sawyer, son of Mr. and Mrs. George V. Sawyer, 11406 Eastside Drive, Plymouth has been graduated with honors from the U. S. Air Force Noncommissioned Officer Leadership School at Bunker Hill AFB, Ind.

The airman, who was trained in military management and supervision, is a precision measuring equipment specialist at Wurtsmith AFB, Mich. He is a member of the Strategic Air Command, the nation's combat ready intercontinental missile and bomber force.

Plymouth State Home Receives Federal Grant

Senator Philip A. Hart, U.S. Representative Weston E. Vivian and U.S. Representative Billie S. Farnum Monday announced a \$20,210 Department of Health, Education, and Welfare, Public Health Division of Chronic Diseases grant to Dr. Scott T. Harris of the Plymouth State Home and Training Center, 15480 Sheldon Road, Plymouth.

The grant is under the summer student experience work program, and is designed to stimulate interest in the field of mental retardation for high school graduates and college students.

Alexander Hamilton OK'd for Business In Seventh State

Alexander Hamilton Life Insurance Company has been granted a license to do business in the state of Illinois. E. Keith Owens, Chairman of the Board, announced.

The license, issued by Illinois State Insurance Commissioner, John F. Bolton, Jr., marks the seventh out-of-state charter granted to the 22-month-old company since November, 1965. The other licenses are in Indiana, Maine, Alabama, Minnesota, Louisiana, and Rhode Island.

As part of the company's scheduled expansion program, applications for licenses are pending in 22 additional states, Owens said.

CONGRATULATIONS are given to Dorothy Ann Bosman, 50350 Hanford Road, Plymouth Township, by Mrs. James Gilbert (left), president of the Plymouth National Farm and Garden Association, and Mrs. Gerald Hondorp (right), of the Education Committee, upon her selection as winner of the \$550 scholarship from the club. Dorothy Ann compiled a B average at Plymouth High and plans on attending Michigan State University. She is the daughter of Mr. and Mrs. Edward Bosman and has four sisters and a brother at home.

Socially Speaking Around Plymouth

By Dorothy Sincock GL 3-0038
(Call to report social events in your family, neighborhood)

STOPPING HORSE SHOW—

Those interested plan to attend the exhibition at the Nichols place, 1579 W. Ann Arbor Trail on Saturday, April 16, at 1 p.m. Some of the young people entering will be Rick Nixon and his Palomino Thunder; Jim Johnson with his Morgan named Larry; Sheila May with Buck; Lesia Nichol with Comet; and Susie Racz and the Count of Millsbrough, with Joe P. Roberts acting as judge. Youngsters under 8 with ponies will have a special category of their own.

The Rebekah Lodge is planning its spring card party on April 16, at the Odd Fellows Hall. Refreshments, prizes, and lots of fun is planned. Call Mrs. David Garrison for reservations at GL 3-2298.

KATHLEEN EDGERTON will host the Three Cities Art Club on April 19, at 8 p.m. in her home at 571 Randolph street in Northville. Problems related to color in art will be the subject presented by Franklin York, well-known in this area.

Picking up last minute items for Easter dinner, one probably noticed the egg tree designed by Roberta Orr at the market place—but what they didn't know little folks who observed the tree expected Mommy to turn out one equally as nice for the Easter dinner table.

KEEPING YOUNG are the mixed quartet of 70 plus who entertained at the regular monthly meeting of the 60 Plus club at the First Methodist Church on April 11. This group opened its doors at 10 a.m. for project work, had a pot luck lunch, some special entertainment and then even called upon their own members to come forth with their talents.

A SPECIAL THANK YOU—to all who helped with the success of the Easter Lily Sale sponsored by the Rotary Ann of Plymouth. A total of \$804.22 was turned over to the Easter Seal Society by Co-Chairmen, Mrs. Mabel Hopkins and Mrs. David Wiley. Praises for Cliff

ford Neynaber, who turned up with his Rotary sponsored scout troop, on Friday's rainy evening and came through with assistance. All proceeds from the project go to handicapped and home bound in the Western Wayne County area.

Have You Noticed—the new look in the Mayflower Coffee Shop, the ice blue, tone on tone is most cooling and relaxing to the busy business men and women who patronize the dining spot. Adding a bit of luxury too, is the colonial carpet. The old world atmosphere is present as one spots the antiques and the old, old, beam from the Miller residence recently torn down.

NINETY-THREE-YEARS young is Fred F. Mason, of Ann Arbor Trail, who celebrated his birthday with cake and candles on April 9 with many of the longtime friends and a brother attending.

PLYMOUTH HISTORICAL SOCIETY will meet at the Community Federal Credit Union on April 14, at 7:30 p.m. Frank Henderson will be in charge of the program and promises an interesting session. The museum, next to the City Hall, is open each Saturday and Sunday from 2 to 5 p.m.

Milt Humphries, long time resident of Plymouth has recently associated himself with the International Leasing Corporation of Plymouth.

JR. HIGH YOUNGSTERS can visit the Chip on Monday and Wednesday from 3:30 to 5:00 p.m. Ping pong and pool have been added to the program.

ASSISTANT SUPT. William Harding of Plymouth Schools, will discuss the new sex educational program in a talk to members of the Plymouth Business and Professional Women's Club on April 18 at Hillside Inn. Reservations should be made on or before April 15 by calling Mrs. Nora Horn at 453-4825 after 5 p.m. or Mrs. Daisy Proctor at 453-5045.

Van Sauter Sees Long War

(Continued from Page 1)

wonder about the so-called peace marches and other incidents in the United States that come to their attention.

"The American soldiers do not understand criticism of United States involvement," he said, "They don't understand why Washington doesn't provide enough troops to settle this war and they have a violent dislike for Vietnamese,

especially those in the large cities.

"From the air, Viet Nam looks like a peaceful country but the geography is hostile to American troops. It is excellent for the 2,000 Australians who are the best brush soldiers in the world but guerilla warfare is rough on our men.

"The Americans never get a chance to meet the Vietnamese in the villages, the real down-to-earth residents, because of this guerilla war."

Sauter pointed out that most of the American soldiers are aware of the fact that most of the Viet Nam generals are cheats, building personal fortunes while supposedly leading the battle for freedom.

"There is a great deal of

corruption on all sides," he said, "The Vietnamese soldiers are aware of this and so they don't trust their leaders for whom they have very little respect."

Sauter traced some of the history of the conflict, going back to the time when the French were tossed out in 1954.

"The people were promised an election in 1956," he stated, "It never took place because the United States government didn't want it to take place. Thus America is now being tagged by many Vietnamese as taking the place of the French."

"The Viet Cong are now being defeated decisively but they are the type of soldier that fights to the end. That's why this war will take so long to resolve."

ASC Approves 3-for-2 Split

Shareholders of Associated Spring Corporation, holding their annual meeting approved a 3-for-2 split of the company's common stock. The corporation has a plant in Warren, Ohio. The split is effective as of the close of business April 7 and certificates for the new shares will be mailed on or before April 29. Fractional shares will not be issued, but arrangements will be made whereby shareholders may either purchase additional fractional interests to obtain whole shares or sell fractional interests for cash.

After completion of the split ASC will have 3,750,000 shares authorized and 1,714,537 shares issued. Par value will be \$6.66%. Prior to the split there were 2,500,000 shares authorized, 1,143,025 issued and par value was \$10 per share.

Moves to Amarillo

Airman Glynn R. Reeder, son of Mr. and Mrs. Homer M. Reeder, 42180 Ford Road, Plymouth, has been selected for training at Amarillo AFB, Tex., as an Air Force supply specialist. The airman a 1964 graduate of Plymouth High School.

Picked for Training

Airman Richard T. Hermans, son of Mr. and Mrs. Ted R. Hermans, 15559 Braden Road, Plymouth, has been selected for training at Keesler AFB, Miss., as an Air Force communications specialist.

FREE DECORATING KIT

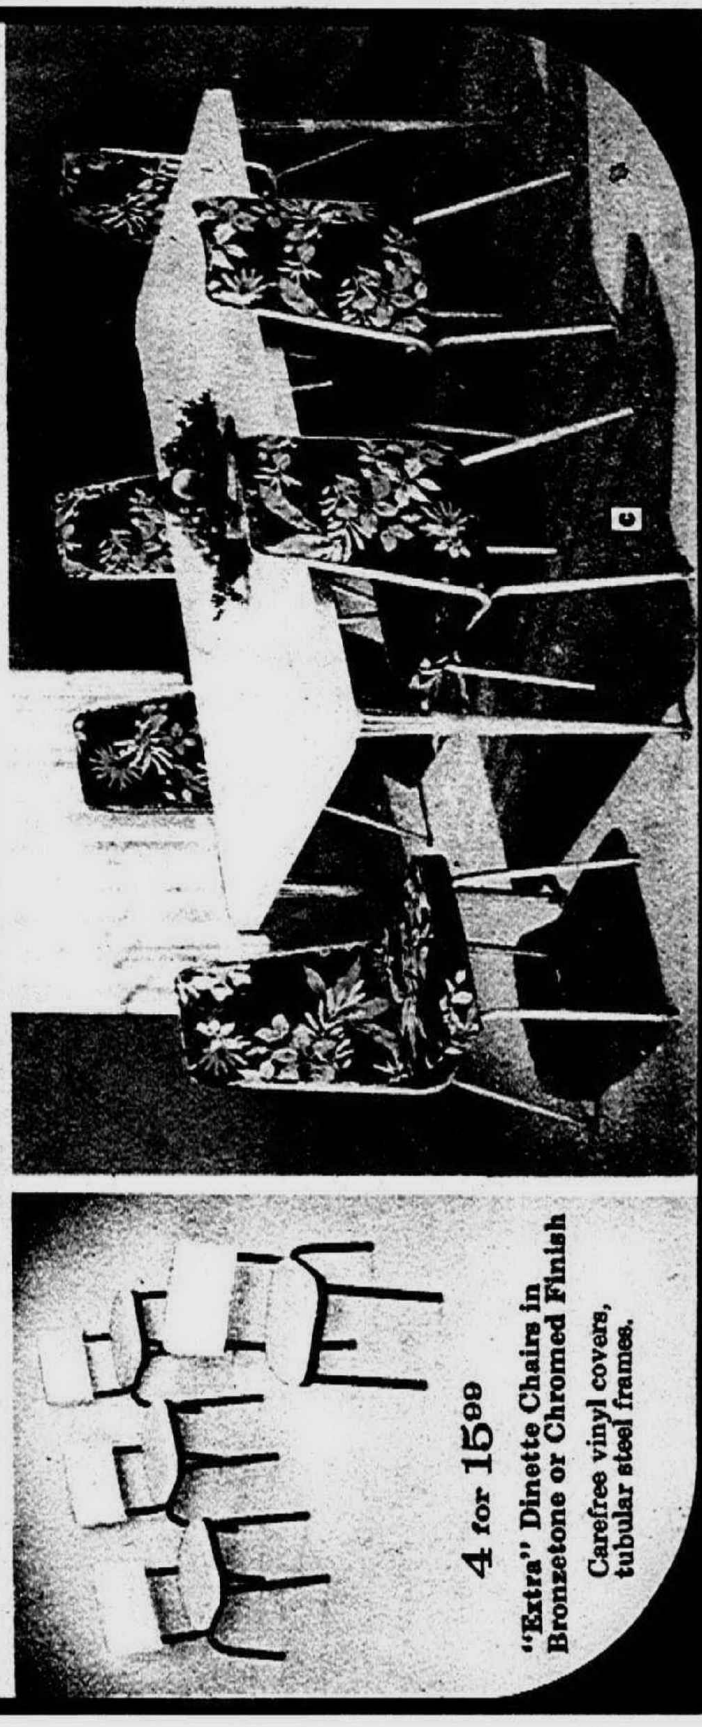

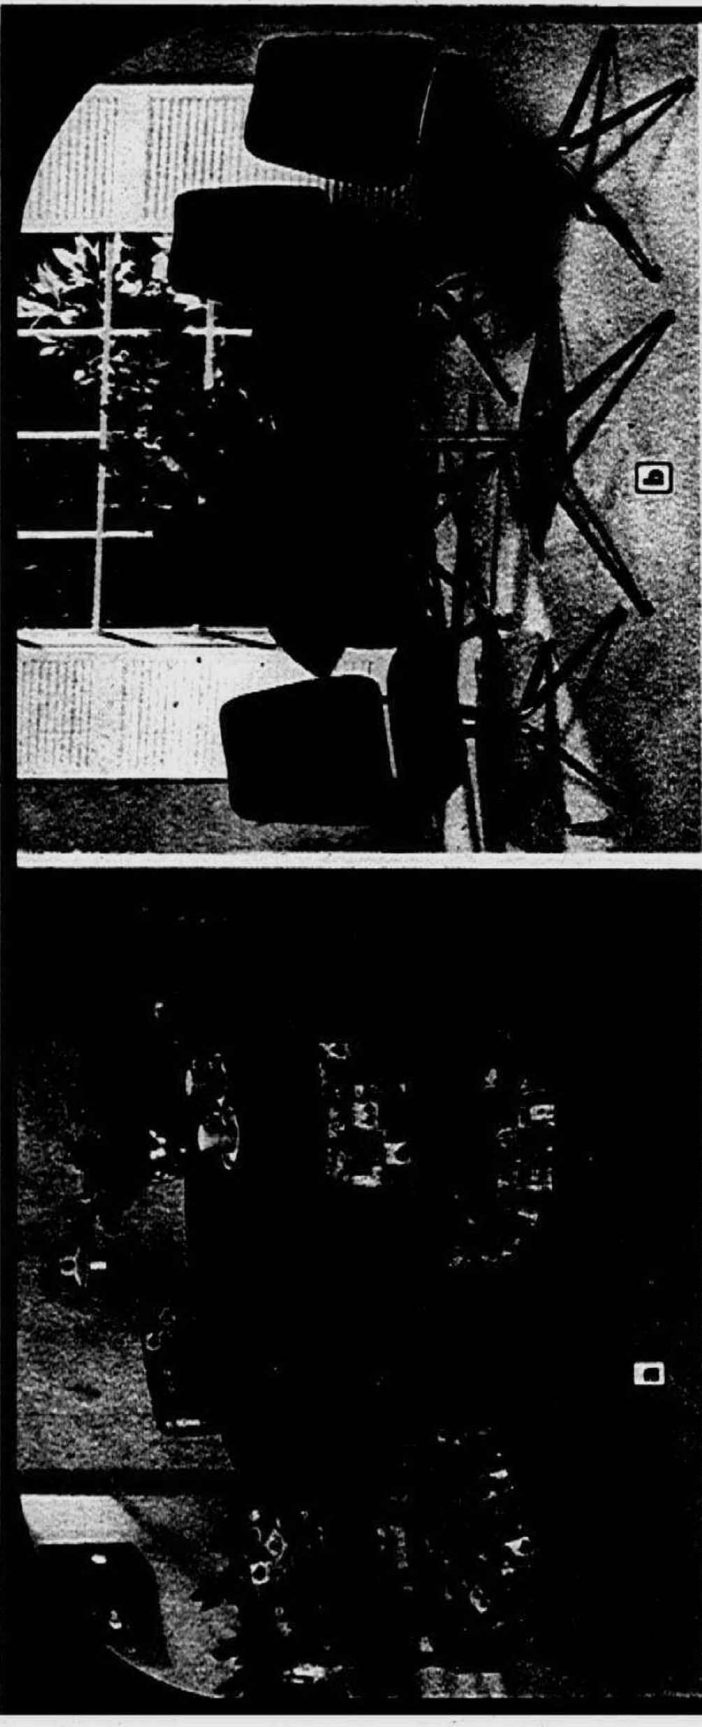

Ask for your free copy of Sears "Decorating Made Easy".

Sears knows a thousand ways to make your windows special... like the beautiful draperies above. The print is called "Lockport", the solid is "Wild Rice". They're just a hint of what awaits you at Sears this month. You'll find a grand selection of custom fabrics on sale in colors, patterns, fibers and weaves to suit the most casual setting, or the most elegant.

Save 20% on custom insert shutters, too. We'll make them to your exact window size and fill them with original accents... gay fabrics, wicker, colored "bottle glass". Need some good ideas? Our decorators will gladly help you select styles and colors. They'll come to your home with hundreds of samples, free of charge. And expert installation is available from Sears.
