# Wendell Smith Named State Jaycee President

"On to Detroit and the national presidency" is the war cry of the Plymouth Junior Chamber of Commerce after successfully staging a campaign that ended

with the election of Wendell Smith, of 14302 Shadywood, to state president of the Michigan Jaycees.

The Plymouth group, which has suddenly developed into one of the most dynamic, progressive chapters in Michigan, started its campaign for Smith in January. The payoff came Saturday in the state convention in Lansing when the popular Wen-

dell ascended to the president's chair.

He became only the second president from the metropolitan Detroit area in 24 years and succeeded Jack Skriden, of Berkley.

It was a big day for the Plymouth Jaycees who won the Robert Dancer trophy for the most outstanding work in Michigan with youth and sports; took first in their population division for the best work with youth

and sports; second for chapter development and third for community development.

But the big event was the successful campaign for Smith—and now the Jaycees are starting a campaign to have Smith

elected national president at the national convention in Detroit in the last week in June.

President Cal Strom was elated with the success of the lengthy state presidency campaign. Members have been touring the

state for the past two months, extolling the virtues and capabilities of their candidate.

The drive actually began in January after the chapter selected Smith as Plymouth's "Man of the Year." The Jaycees realized then that they had a candidate who could go far in state and national ranks and decided to capitalize on it.

Never once during the long weeks did they let up in their efforts. Smith was called upon to make talks before chapters in all parts of the state, twice going into the distant Upper Peninsula in the search for votes.

And they aren't stopping with the national presidency; they have ambitions of pushing Smith for selection as one

TAKING OATH as new state president of the Michigan Junior Chamber of Commerce is Wendell Smith (left) who is sworn in by retiring President Jack Skriden of Berkley.

## See Five Candidates In School Board Race

With a deadline of Saturday at 4 p.m. to file nominating petitions with Mrs. Esther Hulsing,

secretary of the Plymouth Board of Education, a field of four and possibly five is seen for the

three posts on the School Board. Up for re-election are R. Bruce Scott, who was appointed last fall to fill that portion of the unexpired term of Robert Jenkins to the next school board election; Robert Soth, veteran of eight years who has been treasurer for the past four; and Ernest Henry, assistant Plymouth Postmaster who is ending his first four-year term.

Scott already has filed for the remaining three years of the Jenkins' term and Henry is circulating petitions but Soth, who was ill last fall, has indicated he will not be a candidate for re-election.

Matter of fact, Scott's petitions and those of Robert Tripp, of 42531 Lakeland Court near the Lake Pointe subdivision, are already filed.

A fourth petition is being circulated in behalf of Richard Arlen, 1441 Hartsough. Reports from the school administration indicate a fifth petition was taken out for an as yet unnamed candidate in the Allen School district. The rules of the school board election provide that anyone can take out a petition and none is required to register who the candidates are for. Thus the administration and Mrs. Hulsing have no idea who the candidates are until the petitions have been filed.

Henry, Arlen and Tripp are seeking the four-year terms. Henry is asking re-election and Arlen and Tripp are making their first appearances in the school board elections.

Candidates filing for school board are warned that the petitions must be in the hands of Mrs. Hulsing by 4 p.m. Saturday to be eligible for the election on Monday, June 13.

## Guild Plans Fun For All at First Musical Comedy

For the first time in more than 30 years, the stage of the P&A Theater, 851 Penniman Ave., will ring and resound to the tunes of a musical comedy on Wednesday, Thursday, Friday and Saturday when the Plymouth Theatre Guild presents "The Farmer's Daughter, or No, No a Million Times No!"

Curtain time each evening will be 8:15 p.m. and members of the Plymouth City Commission, headed by Mayor James Houk, will be guests on opening night. His Honor will make a short talk on Wednesday to officially welcome the return of musical comedy to the community.

Lt. Governor William Milliken will be a guest of honor Saturday night when he is expected to make a short talk on behalf of Gov. George Romney. This is the Guild's 58th production and the finale of the 1965-66 season. It is the most ambitious staged by the group in several years.

The program will include a chorus line of Farmerettes, will appear several times; a group of youngsters in a special number; and ballet numbers by a special group under the direction of Denise Lorenz.

The "mellodrama" is based on a book by Eskel Crawford and much of the additional music was written especially for the Plymouth production by Robert Erickson of Detroit.

The musical comedy will see a rebirth of the Plymouth Art Theater, formerly known as the Penniman Allen Theater, which was originally built in 1918 for the purpose of presenting stage shows. It was built by Mrs. Kate Allen and a crowd of more than 600 jammed it for opening night on Nov. 22, 1918.

The Guild leased it for the four nights from Manager Stewart Dodge and members have been busy for the past month cleaning out the stage in preparation for the production.

Kingsley Page, of Walled Lake, is director with Jerry French, of Livonia, as producer. Ellen McNeiece, of Northville is the assistant director and director of music.

The members of the cast are: James McNeiece, as Amos (Pappy Quackenbush); Gary Beglinger, as Nellie Quackenbush; Phyllis Hochlowski, Birdie Seed; Barbara Dyingier, Emmeline; John Hyde, Noble Hart; Martin Zurin, Iffy Cam; Carl Nelson, Stafford Black-

## Mayor Exchange Day to Open Big Michigan Week Program

Plymouth's Michigan Week program, traditionally one of the best in Wayne County, opens with a bang Monday in the annual Mayor Exchange Day activities which find Mayor James Houk visiting the rural community of North Branch and Village President Dr. Gilbert O'Dell taking over the reins of the City of Plymouth.

Highspots of the week-long celebration are: Mayor Exchange Day on Monday, Heritage Day on Tuesday, Industrial Day on Wednesday, Education

Day on Thursday, Hospitality Day on Friday and Youth Day on Saturday.

Major events have been scheduled on each day but the

program will be focussed on Mayor Exchange, Industry, Education, Hospitality and Youth days.

The week officially opens Sun-

day when churches in the area will base sermons on Michigan Week.

There'll be more than the usual amount of importance

in Mayor Exchange Day this year since Mayor Houk and Village President O'Dell have made arrangements for a breakfast at 8:30 a.m. in the Howard Johnson restaurant near Flint.

Houk will be accompanied by his wife and City Clerk and Mrs. Eugene Slider in addition to Mary Theeke, Mayor of Plymouth High School.

Village President O'Dell will be accompanied by his wife and Joseph Scriminger, president of the North Branch Student Council.

Houk will be greeted by Councilman Maynard DeGrow and Clerk Earl Taylor at the outskirts of North Branch and then escorted to the Village Hall for the welcoming ceremonies. The Village has a full day of activities planned.

Village President O'Dell will participate in a coffee klatch in the City Hall at 10 o'clock where he will be welcomed by Mayor Pro Tem James Jabara and City Manager Richard Blodgett. At that time he will meet all city department heads and employees in the City Hall.

Following the welcoming ceremonies, the Student Council president will be taken to Plymouth High where he will receive an opportunity to observe the operation there. He will be a guest of the Plymouth High Student Council for the remainder of the day.

Meanwhile, Village President O'Dell will be feted at a luncheon, sponsored by Evans Products Co., and then will make an afternoon tour of the area's fastest growing plant.

The women members of the entourage will be hosted by wives of members of Plymouth's official family and will be taken on a shopping tour if they decide against visiting the Evans plant.

The City Commission will host a dinner at 6:30 p.m. in the Mayflower Hotel at which O'Dell will receive a key to the city and other gifts and meet the Commissioners.

Plymouth's Historical Museum will be open on Heritage Day from 1 to 5 p.m. Members of the Historical Society,

(Continued on Page 23-A)

ACCEPTING post as general chairman of the (left), retiring campaign chief, and PCF Plymouth Community Fund Drive is Edward Schenning (center), general manager of the announcement was made at a luncheon meeting last week.

## City Workers Get 2.5 Pct. Increase

Picking up the recessed meeting of a week ago, the City Commission Monday approved a budget of \$968,435 for 1966-7, a drop of \$14,000 from the \$982,410 estimated expenditures for the current year.

The budget includes a pay hike of two and a half per cent for all city employees with the exception of the Police Department where a five per cent increase was recommended by City Manager Richard Blodgett and approved by the Commission.

### Pick Two Members To Award Diplomas At Commencement

Board Secretary Mrs. Esther Hulsing and board member Ernie Henry were named at Monday's Board of Education meeting to hand out diplomas to Plymouth's 1966 June graduating class at commencement exercises scheduled for June 16.

In explaining the difference, Blodgett said there is a trend to boost salaries of police officers in order to keep experienced men. He also explained that the firemen will work 11 hours less weekly, beginning July 1, and this amounts to quite a bit more than 10 per cent—with no cut in pay.

The Commission approved a boost in the City Manager's salary to \$12,000.

Blodgett pointed out that city employees also will be entitled to merit increases during the year, in addition to the across-the-board boost. The merit boosts will come after the commission adopts an ordinance governing merit increases. Blodgett hopes to have that ordinance ready for presentation within six weeks.

The Commission also is studying a better hospitalization and medical plan as an additional fringe benefit for employees.

But the big item coming out of the meeting was a demand from Commissioner Arch Vallier that the Urban Renewal matter be placed on the agenda for a special meeting on June 13 and that a public hearing be called. Vallier insisted that every resident and property owner in the southeast quadrant be notified by letter of the hearing.

Vallier is a bitter opponent

(Continued on Page 23-A)

## East Junior Music Groups To Perform

The Rocket Band, the Eastern Airs Orchestra, the Junior High Choir and Girls' Glee Club will present their annual spring concert on Monday, May 16, in the Junior High East gym.

The band will perform the "Block M March" by Jerry Bilik; Highlight from "South Pacific," Rodgers - Hammerstein and the "Windjammer" from the cinerama picture in a special arrangement by Gould-Yoder.

The orchestra will play the first movement of Franz Schubert's "Unfinished Symphony"; the Vivaldi "Violin Concerto" with Barbara Boer as soloist in the second movement, and the "Toy Train," a novelty by Maurice Whitney.

The band and orchestra are under the direction of Laurence Livingston.

The Junior High Choir will sing "Oklahoma," Rodgers-Hammerstein; "The Ash Grove," Welsh Air; "Calm as the Sea," Mozart; "I Lost My Love in Scarlet Town," Wilder; "Send Forth Thy Spirit," Schuetzky; and "The Holy City," Adams.

The Girls' Glee Club will perform "Yellow Bird," Luboff; "Catch a Falling Star," Vance-Pockris; and "All in the April Evening," Robertson.

The Choir and Girls' Glee Club are under the direction of William Grimmer.

## Board OKs Site For New School

A site for Plymouth's elementary school No. eight has been approved by the Plymouth School Board. The new school will be built on land North of Joy Road, East of the proposed Expressway and just across from Canton township.

The land owned by Richard Wisniewski comprises nine and one-half acres, with another acre and a quarter approximately to be retained by Wisniewski.

Negotiations have been conducted by board member J. D. McLaren and Assistant Supt. Mel Blunk.

While final agreement is not yet complete, it was learned that the acreage will be

sold for \$4,500 an acre and that the schools will enclose the property adjacent to that retained by Wisniewski with a chain link fence.

The entire board complimented Blunk and McLaren on their success in obtaining the site.

The problem of the expressway was raised momentarily, when Superintendent Russell Isbister was asked if it would create a problem of crossing.

He pointed out that the school was close to Joy Road, where there will be an overpass, but no turn off or on. He added that the school will serve mostly students to the East of the proposed expressway.

## PHS Marching Band To Present Concert

The Plymouth High marching band will present its annual spring concert—its lone fund raising venture of the school year—on Friday, May 20, in the school auditorium.

The program will include: a tap dancing troupe, the String-benders, a pop band; the Plymouth High dance band; folk-singer Kay Swartzendruber; selections from "Hello Dolly," and "Golden Boy."

The finale will include 300 grade school children who will sing the "Battle Hymn of the Republic" accompanied by the high school bandmen.

## JUNIOR and SENIOR High School Students

## Eight Area Students Get MSU Honors

Eight area students are among 462 from Michigan State University who achieved all-A records during the winter terms. Names of the group will be placed on the all-A honor roll which offers "recognition of the highest attainment in scholarship."

The eight are:  
FARMINGTON—Allen Clark, 34331 Brittany, social science; Michael Gale, 22200 Cass, mathematics and statistics; and Elizabeth Regentik, 35000 Howard, romance languages.

LIVONIA—Richard Gant, 33853 Leon, physical education; George Lahti, 9091 Danzig, electrical engineering; and Ronald Tokar, 9851 Flamingo, biological sciences.

PLYMOUTH—A. Nels Carlson, 1026 Hartsough; and John Park III, 130 Holbrook, restaurant and institutional management.

## Marine Given Medal

Marine Lance Corporal Donald L. Sell, son of Mr. and Mrs. Henry W. Sell of 32745 W. Chicago, Livonia, received the Air Medal while serving with Marine Observation Squadron Two at the Marble Mountain Air Facility in Da Nang, Vietnam. The helicopter squadron supports Marine and Army ground forces during operations against the Viet Cong in the Republic of Vietnam.

## Named to Dean's List

ALMA—Barbara Klenk, daughter of Mr. and Mrs. L. W. Klenk of 32900 Vermont, Livonia, has been named to the Dean's List for the second term at Alma College. Barbara, a graduate of Bentley High School and a senior at Alma, had a 3.66 average.

## Area Students Named Officers at Madonna

Students from the area covered by the Observer Newspaper Group have been named officers of the various clubs on the Madonna College campus for the 1966-7 college year following the annual spring elections.

## Clarenceville Bands Win Top Honors

Both Clarenceville's high school and junior high school bands walked away with first division ratings at the state level to bring back fame and glory to the local school district, located in the northeast corner of Livonia.

The high school band, under the direction of John Netzek, participated in the annual State Band and Orchestra Festival in Clio on April 23, marking the band's first participation in the state event.

The band, and all other competing bands, was evaluated by a battery of four judges.

The Clarenceville band had the distinction of having received first division ratings from all four judges in both the district and state level.

The Junior High Band, under the direction of Theodore Malires, also scored an important first for their school as they became the first band in the history of Clarenceville Junior High School to win a first division (superior) rating in state level competition.

Bolstered by the addition of selected sixth graders, the group participated in the annual State Band and Orchestra Festival on April 19 in Trenton.

Students who will be leaders in college activities beginning next fall are:

Laura Champaigne, 33063 Perth, Livonia, president of the Literary Honor Society.

Maurpen Fox, 15435 Levan, Livonia, Literary Society secretary.

Barbara Lemanske, 9358 Marion Crescent, Livonia, delegate to National Federation of Catholic Colleges.

Elaine Czarnota, 9054 Appleton, Redford Township, president of Home Economics Club.

Margaret Kleinert, 9826 Cranston, Livonia, secretary-treasurer of Home Economics Club.

Cathy Dornes, 15544 Fitzgerald, Livonia, president of Sophomore class.

Marilyn Rushin, 9913 Seminole, Redford Township, president of Literary Club.

Mary Buda, 9921 Brookfield, Livonia, president of Junior Class.

Marilyn Sarno, 31441 Alabama Court, Livonia, commuter representative of Junior Class.

# Mrs. Koepke Receives 'Town Crier'

## Ford Honors Plymouth Mother For Work

Mrs. Ruth Koepke, 1316 Sheridan, Plymouth, who was selected by the Plymouth Jaycees as "Woman of the Year" in January, was one of eight men and women to receive "Ford Citizen of the Year" awards at the Ford Motor Company's seventh annual metropolitan Detroit Community Services Awards program.

Ford honored four Detroit area employees and the wives of four others for outstanding service to their communities during 1965.

Arjay Miller, company president, presented each winner with a symbolic Town Crier Bell, the company's highest honor for community service.

In addition to Mrs. Koepke, the other winners were: Mrs. Jane Cameron, Birmingham; Mrs. Carolyn Dunlap, Dearborn; Mrs. Bernice Griggs, Detroit; Lloyd McDonough, Allen Park; Kenneth Naysmith, Rockwood; Robert Page, Birmingham; and Arthur Saltzman, Franklin.

The program also honored 131 other employees, wives and husbands for their off-the-job work in their community. Each received a "Good Citizen Award," a mounted silver scroll with the engraved commendation of Henry Ford II, chairman of the Board. The 139 winners represented 39 Michigan communities.

Senator George Murphy, of California, was the principal speaker. Allen Merrell, Ford vice president—Civic and Governmental Affairs, was the toastmaster.

Judging was based on public service in elective or appointive positions and on participation in politics, citizens' groups, youth and recreation programs, community fund campaigns, charitable activities and special projects of clubs, societies or church groups.

Mrs. Koepke is the wife of Russell Koepke, supervisor of program planning and financial analysis in the product engineering office of Transmission and Chassis Division.

The mother of eight children, she has been active for 10 years in the Youth for Understanding program, bringing foreign students into her home and arranging placements for others.

She also is vice president of the Archdiocese of Detroit, past president of the Plymouth Assembly for Equal Opportunity, a Girl Scout troop leader, a Democratic Party worker, a member of the University of Detroit Mothers' Club and an active participant in the Plymouth Symphony Society.

Those from the area covered by the Observer Newspaper Group honored as recipients of

MRS. RUSSELL C. KOEPKE, 1316 Sheridan, Plymouth, accepts a Town Crier Bell symbolizing outstanding community service from Arjay Miller (center), president of Ford Motor Company, as Senator George Murphy of California looks on. Mrs. Koepke was one of eight Detroit-area Ford employees and employees' wives who were picked for the top honor from among 139 Community Service Award winners. Presentations were made at a dinner at Ford's Central Office Building, Dearborn, at which Senator Murphy was the principal speaker.

## Madonna Plans Annual Art Exhibit on May 15

The Madonna College annual art exhibit of student work will be held in the halls and studios of the art department from May 15 to 17. The show will exhibit drawings in the various media of pencil, charcoal, pastel, pen and ink; projects completed in the color and design classes; and original designs in graphics and ceramics.

As in other years, work in oils will represent the greater part of the exhibit. Painted in a variety of contemporary techniques, these works range in subject matter from the non-objective and purely abstract, through secular representational themes, to deeply religious canvases.

Local artists participating in the exhibit are:

Nancy Bahr, Virginia Barc, Pat Bourdas, Kay Evans, Della Favazza, Chris Fox, Betty Gill, Jane Grech, Lesteen Hansen, Jean Herr, Barbara Karamon, Betty King, Margaret Kleinert and Doris Kolberg.

Erika Luiki, Alicia Modlinski, Lillian Pachota, Marilyn Pachota, Alice Popp, Eileen Red-

dington, Lorraine Rowe, Caroline Steinhoff, June Weidel, Lorraine Whitacre and Ella V. Winey.

The exhibit will be held in the Art Department of Madonna College, 36600 Schoolcraft Road, Livonia. A reception and opening for friends and relatives of exhibitors is scheduled for Sunday, May 15, 2-4 p.m., department library. Exhibit hours are: Sunday, May 15, 2-5; 7-9 p.m.; Monday and Tuesday, May 16-17, 1-5 p.m.; 7-9 p.m.

## Bentley High Grad Awarded Gold Bar

Lawrence M. Bobrowski, son of Mr. and Mrs. Marion J. Bobrowski of 34420 Sims Ave., Wayne, has been commissioned a second lieutenant in the U. S. Air Force upon graduation from Officer Training School (OTS) at Lackland AFB, Tex.

The lieutenant, a graduate of Bentley High School, Livonia, received his B. A. degree in advertising from Michigan State University.

Lieutenant Bobrowski's wife, Helen, is the daughter of Mr. and Mrs. Carl E. Burke of 11035 Auburndale, Livonia.

## John Anderson New Head of Adult Educators

John W. Anderson, 42545 Five Mile Rd., Plymouth, director of extended school services in Livonia, has been named president elect of the Michigan Association of Public School Adult Educators at their annual conference last week at Gull Lake near Kalamazoo.

Anderson, an active leader in the 355 member group, has been in charge of evening school since 1958. During this eight year period attendance in adult education programs rose from 1,200 to a high of more than 6,500 men and women in the 1965-66 night school year.

Mrs. June Nicol, 9223 Morrison, Plymouth, for service and youth programs.

Mrs. Natalie Shirley, 37552 Howell, Livonia, for political and citizens' groups.

## Westland Sponsors Antique Car Show

Westland Shopping Center welcomes the return of outdoor living with a display of 16 antique automobiles from May 16 through May 21 in the East and West Courts.

The cars cover a period of 35 years beginning with a 1901 Huntington, a real "horseless carriage" built by a buggy manufacturer in Indiana, and ending with a 1936 DeSoto Airflow, the car that was years ahead in styling and engineering. All of the cars displayed are in operating condition.

One of the earliest Fords known, a 1903, is to be featured in the display. The body style is unique, for the passengers enter the rear seat by a door on the back of the car. Its two cylinder engine is rated at eight horsepower. The owner, who restored the car, has had it for over forty years and has constantly kept the car in perfect condition.

One of the luxury cars from the mid-twenties, a prize-winning 1925 Flint, is another of the show's features. This is the only Model E 55 Flint Touring known in operation today. It has the largest six cylinder Continental engine ever built for a passenger car. The engine is rated at 70 horsepower with 268.38 cubic inch displacement. Restoration of this car took over seven years. The car is driven by the owner on old car tours, meets and parades. The Brewster green paint was specially mixed to duplicate the original color exactly.

Typical of the cars of the early 30s best describes the 1931 Buick. The body style is called an Opera Coupe, for there is no seat to the right of the driver. Though the car weighs 4,260 pounds, it lives up to Buick's advertising—"The car that will do 70 miles per hour all day long."

There were over 15 million Model T's built, few of them are left and of those, few are in as nice a shape as the 1914 Touring, complete with brass radiator and brass side-lamps. Production of the Model

T began in 1909 and ended in 1927.

The engine, a 22 horsepower developed by four cylinders, remained basically the same from the beginning to the end. The car was restored over a period of four years and looks better today than the day it left the factory in Highland Park.

The most recent car in the show, the 1936 DeSoto Airflow is one of the 5,000 produced in that year. Presently, there are less than a dozen 1936 DeSoto Airflow Coupes remaining. The streamlining of the lines and the excellent engineering are still much admired by old car fanciers. This car, like all of the cars in the show, is driven weekly during the summer by its owner.

The Westland Merchants Association is presenting this show in cooperation with the Detroit Chapter, Veteran Motor Car Club of America. The V.M.C.C.A. national organization was founded in 1938 and is one of the largest clubs of old car hobbyists.

## Nankin Mills Teachers Form MEA District

EAST LANSING—Formation of the Nankin Mills Education Association as a district of the Michigan Education Association was recently announced by MEA Executive Secretary E. Dale Kennedy.

Gladys Tillotson, 607 Blunk Street, Plymouth, an elementary teacher in the Nankin Mills Schools, is president of the new district which is located in MEA Region 2 (Wayne County).

To qualify as a district, an MEA unit must have a membership of at least 101 educators. The addition of the Nankin Mills Education Association brings the total of MEA districts to 216. Nankin Mills was formerly a local chapter of the MEA.

The exhibit will be held in the Art Department of Madonna College, 36600 Schoolcraft Road, Livonia. A reception and opening for friends and relatives of exhibitors is scheduled for Sunday, May 15, 2-4 p.m., department library. Exhibit hours are: Sunday, May 15, 2-5; 7-9 p.m.; Monday and Tuesday, May 16-17, 1-5 p.m.; 7-9 p.m.

THE WINNER of a color television set is Mrs. C. C. Weider, 28761 Aranel, Farmington, who receives the prize from David Schneider, Farmington branch manager of the American Savings and Loan. Mrs. Weider was the winner of the first weekly contest being conducted by the banking institution.

ACCEPTING INVITATION to be the principal speaker at the mammoth benefit for the Community Opportunity Center is Mrs. Lenore Romney, wife of Michigan's Governor, from Sheltered Workshop Director Ernest Moran. Mrs. Romney will headline the program for the benefit on May 25 at Roma Hall in Livonia. The affair has the support of the school superintendents from the four districts including Livonia, Plymouth, Redford Township and Northville. It has the backing of Redford Township Supervisor Jack McDonald, Plymouth Township Supervisor John McEwen and Mayors Harvey Moeke of Livonia, James Houk of Plymouth and Mike Allen of Northville. More than 5,000 are expected to attend and tickets are available now from members of the committee in each of the four communities.

## Draft Board Will Summon 130 Men

Only 12 volunteers reported for duty in the Armed Services last month in place of the original 60 draftees summoned by Local Board 102 of Plymouth, an official announced this week.

Mrs. L. M. Fedell, clerk for the area Selective Service board, said she did not know why the quota was slashed, but said those 58 men who were to have been drafted April 28 will now report May 31.

Another 72 will don khaki uniforms on June 3 for a total reduction of manpower in this area of 130, drawn from Plymouth, Livonia, Northville and the Townships of Redford and Canton.

Volunteers who went into service last month were:

Gerald F. Gartner, Dennis C. Loukx, Richard D. Bisczak, Kenneth J. Krzywicki, Joseph M. Nicholas, Walter Igielski, Edward M. Buchta, Dale K. McFarland, Edward J. Marlinga, Tommy L. Sutcliffe, Noel J. Holley and Timothy J. Stewart.

## Students Collect For AFS

On Saturday, May 14, the AFS Committee of Clarenceville will sponsor its annual fund raising project.

Between 10 a.m. and 12 noon a student may knock on your door, if you live in the Clarenceville area, to support bringing an AFS student to the community.

Students say any amount residents can give will be appreciated.

If you are not called on and would like to contribute, please make checks payable to American Field Service and send to Mrs. Max Lenhoff, Clarenceville School District, Livonia.

## Six Area Moms To Get Belated Mother's Day Gifts

Six suburban-area mothers will receive belated Mother's Day gifts as a result of a contest Saturday at Wonderland Center, Plymouth and Middlebelt.

Gift certificates ranging from \$5 to \$50 will be presented to the six mothers whose names were entered by relatives.

The prize winners are: Carolyn Law, 15191 Garden, Livonia; Virginia LaGrow, 11704 Brownell, Plymouth; Eleandre Spaulburg, 921 Sherbourne Drive, Inkster; Mrs. James Reeder, 9950 Seltzer Ave., Livonia; Ann Markovich, 15070 Inkster Road, Detroit; and Geneva McAbee, 25070 Midland, Detroit.

## Marine Learns Combat

Marine Pvt. Patrick J. Connors, son of Mr. and Mrs. Edward J. Connors, of 14317 Yale, Livonia, has completed individual combat training at Camp Pendleton, Calif.

## Kappa Delta Alumnae To Install Officers May 16

The Northwest Suburban Alpha Delta Sorority will hold its regularly scheduled monthly meeting Monday, May 16, at 8:30 p.m. at the home of Mrs. Robt. Kirkwood, 14585 Rosemont in Detroit.

Installation of the new officers for the 1966-1967 year will

take place. Co-hostess for the evening is Mrs. Glenn Hunter. Any interested alumnae who have recently moved to the area are cordially invited and may call Mrs. L. T. Blouin of Wayne, PA 1-5351, for further information.

Sigma Pi collegiate chapter of Kappa Delta Sorority at Albion College was hostess to this year's Kappa Delta State Day April 23. A morning coffee hour and meeting preceded a luncheon with guest speaker Mr. Edgar A. (Bud) Guest.

Those members who attended from the Northwest Suburban Alumnae group were: Mrs. Leonard Blouin, Wayne; Mrs. Elden Johnson and Mrs. John Daws of Livonia; Mrs. Harve Bock and Mrs. Thomas Hofman, Farmington; Mrs. Robt. Kirkwood and Mrs. Fred O'Neill, Detroit; and Mrs. John Heaphy, Walled Lake.

### Art Show To Be At Wonderland May 15-21

Metropolitan Creative Art Guild presents its 12th annual art exhibit at Robinson's Furniture Store in the Wonderland Center, Livonia through May 21. The public is invited to opening day Tea on Sunday May 15 from 1-5 p.m. The show will be judged by Bill Markmer.

JOCELYN KREIGER (CENTER) ADMIRES are from left: Mrs. Sidney E. Chapin and Mrs. Reid Watson. Jocelyn and her Gypsies will perform their concert at Fair Lane on Sunday, May 22.

## Try Cooking With (?) Herbs To Add Spice to Your Life

By Faith Gillespie  
Queen of Hearts

If last week's thumb-nail farm journal concerning the cultivation of herbs piqued your cook's bone at all, you'll be wanting to know something of the magic combinations that can be conjured up with herbs and spices.

Let me begin by saying that the object all sublime is to enhance the flavors of foods, not to hide them. The password here, as in many other areas of a loving life, is gently. Passion has carried more than one well-meaning lady away in the kitchen (not to mention elsewhere).

Proceed with discretion, but don't be afraid. Cooking with herbs will widen your enjoyment of life.

The leafy herbs (basil, sweet marjoram, summer savory, rosemary, parsley, thyme) can be used alone or in combination, dried or fresh-chopped, in most of the same dishes. Try adding them (gently) to all kinds of stews, soups, salads, gravies and sauces, stuffings, cottage cheese, eggs, meats, fish, poultry, breads and vegetables.

Each herb, however, may be especially suited to certain foods. A spice and herb chart is admirable addition to your kitchen; for starters, here is a rough guide:

**BASIL:** Loves tomatoes, and matches any meat dish that is prepared or served with catsup or tomato sauces. (Put a half-teaspoon of dried basil leaves in the hollow of your hand and rub it to a powder with your other thumb to add to a pound of ground beef for grilled hamburgers. (Or add a little to your red cocktail sauce for shrimp).

**SWEET MARJORAM:** Enhances lamb and chicken, ground meats, baked or broiled fish, herb breads, creamed vegetables, eggs.

**SAVORY:** Belongs with beans of all sorts: lima, string, pole, baked, soup, fennel, and black-eyed peas; try it also in cream cheese dips, and with rice.

**ROSEMARY:** Is lovely in herb butters and herb biscuits, is perfect for peas, pork, pot roast, poultry stuffing.

**PARSLEY:** Languishes, poor old thing, on platters as garnish, when it could be put to good use, chopped and tossed into salads and stews, soups and stuffings.

**THYME:** Enlivens any soup or stew, chowder or stuffing, is especially nice in salmon loaf and in seafood salads.

Besides the leafy herbs, you will find chives, dill, and celery seed indispensable (though you probably won't grow your own celery seed).

Dill is welcome in almost any salad, especially potato salad, and for cabbage, cooked or slaw. Use the seed or the weed with cottage cheese, fish, boiled vegetables. (Some people even use

it in apple pie!) You can do the same things with celery seed; try it in egg salad sandwiches and tuna-noodle casseroles.

Go wild with chives. If you have an adventurous nature, the one thing you can use with abandon, practically, is chives. Use it anywhere you would an onion, only more so. (You must try chives in meatballs!) Bring the plant in for the winter, and plant it outside again next year.

If you need more information, send a post card asking for "Culinary Herbs," Bulletin 841, Bulletin Room, Stone Hall, New York College of Agriculture, Cornell University, Ithaca, N. Y. 14853.

If you are looking for the spice of life, try herbs!

BARBARA BENDER

Mr. and Mrs. Philip K. Bender, of Sheldon Road, Plymouth, announce the engagement of their daughter Barbara Edna to Donald Martin Carless, son of Mr. and Mrs. Hugh Carless of Grosse Pointe. Miss Bender attended Schoolcraft College. Her fiancé is the Marathon distributor in Plymouth. A July wedding is planned.

### See You There

The members of Botsford Garden Club and guests will enjoy a tour of Fairlane on their regular meeting day, May 18. Members will meet at the home of the president, Mrs. John R. Berry, 16574 Strathmoor, Detroit, and proceed as a group to Fairlane.

The Garden City Rebekah Lodge No. 532 will hold a luncheon and card party at 11 a.m. next Tuesday and a card party at 8 p.m. Tuesday, May 31 at 6121 Merriman Road. Donation is \$1.

The P.T.O. of the Cohn Branch, United Hebrew School, will hold its last general meeting of the year, Wednesday, May 18 at 8:30 p.m. at the school. Election of officers will be held. Rabbi A. Zentmen will be guest speaker.

The final meeting for the year of the Catholic Central mothers' Club will be held on May 18, 8:30 in the school gym at 6565 W. Outer Dr. Fr. William J. Gibbons, C.S.B., principal of the school, will be the guest speaker. Election of officers for the 1966-67 term will be held. Faculty will be on hand one hour before the meeting to meet with parents.

Northwest Suburban Alumnae Association of Kappa Delta Sorority will hold its regular monthly meeting, Monday, May 16, at 8:30 p.m. at the home of Mrs. Robert Kirkwood, 14585 Rosemont, Detroit.

Installation of the newly elected officers for the 1966-67 year will take place. Co-hostess for the evening is Mrs. Glenn Hunter, Detroit. Any interested alumnae who have recently moved to the area are cordially invited and may call Mrs. John Daws, 261-1213 for further details.

## Livonia Girl Crowned Miss Armed Forces Week

Diane Michalke, 18, a blonde who is a professional model and amateur actress, was crowned as Miss Armed Forces Week or 1966 of Metropolitan Detroit.

Miss Michalke, of 35859 Pine-tree, Livonia, was presented to the public by Januarius A. Mullen, General Chairman of the Metropolitan Detroit Armed Forces Week Committee.

Miss Michalke was second runner-up in the recent Miss Detroit Contest, her first entry in a major beauty competition. A petite 5 feet four inches and 110 pounds, Miss Michalke won the top votes from all three judges in the Miss Armed Forces Week contest.

Currently, the new Miss Armed Forces Week is playing the lead role of "Gigi" in the Dearborn Players Guild production of "Gigi." Earlier, she had played the part of "Hedy" in the Guild's production of "How To Succeed in Business Without Really Trying."

Miss Michalke's father is part-owner of a swimming pool firm in Dearborn. She has one brother, Dennis, 17.

DIANE MICHALKE

Although currently employed as a model, Miss Michalke plans to enter the Ann Arbor Practical Nurse Education Center, in Ann Arbor, next September. She is a 1965 graduate of Franklin High School, in Livonia.

### Mothers of Twins To See Film May 16

A movie, "The Birth of Triplets," will be shown at the May 16 meeting of the Western Wayne County Mothers of Twins Club, with Dr. Andrew Hopkins of Dearborn present to answer questions after the film.

There will also be a Buy and Sell Program of clothing and furniture exchange. The meeting starts at 8 p.m. at the Guaranty Federal Savings and Loan Association, Telegraph at Cherry Hill. Call 425-1424 for more information about the club and its activities.

### Farmington V.F.W. Auxiliary Presents Flags

A special flag presentation ceremony was held Tuesday evening, May 3 when the Ladies Auxiliary to V.F.W. Post 4033 presented eight Camp Fire Girl groups with American flags. The following Camp Fire groups and their guardians were present to accept the flags: O-KI-HI, Mrs. Marvel Steiger; TE-PA, Mrs. Virginia Neitzel; O-KI-CI-YA, Mrs. Barbara Kull, LAYA-TANNI, Mrs. Jo Olson; WI-NO-TA, Mrs. Jean Martello; Chipmunk Blue Birds, Mrs. Virginia Cook; Woodpecker Blue Birds, Mrs. Bernice Brunson; and Magpie Blue Birds, and Mrs. Martha Hendries.

Arrangements for the presentation were made by Auxiliary Americanism Chairman, Mrs. Robert Smith. Both Mrs. Smith and Auxiliary President, Mrs. Harry Kutschke, addressed the group telling the girls of the purposes of the V.F.W. Auxiliary, particularly concerning the Americanism program wherein loyalty to the flag, patriotism and love of our Country are stressed.

The ceremony closed with the pledge of allegiance to the flag.

More than 30 per cent of the household sinks produced in North America today are made of nickel stainless steel. By 1970, it is estimated, more than 70 per cent of all new sinks will be made of stainless steel.

## Northville Town Hall Seeks Cash Award Applications

Applications for cash awards to be presented by the Northville Town Hall series are being received, Mrs. H. E. Wagen-schutz, awards committee chair-man, announced this week.

Groups interested are asked to make requests in writing, giving the need, amount and use it will be put to. Area charitable and educational organizations are eligible with applications to be made by May 30. They should be sent to Mrs. Wm. Milne, P.O. Box 93, Northville.

About \$900 will be divided among applying groups. Organizations in Plymouth, Farmington, Livonia, and Northville shared in awards last year.

The proceeds from this series will be distributed to charities

in the Plymouth, Farmington, Livonia or Northville areas through the Board of Awards, an advisory group consisting of representatives of each community.

The Northville Town Hall Board has said, "Since our members are drawn from Plymouth, Farmington, Novi, Livonia and South Lyon as well as Northville, we feel it only proper to

return part of the proceeds to charities in these areas." To this end the following board has been appointed to select deserving recipients of these funds.

Farmington; Mrs. Leonard Stidwell, Plymouth, Mrs. Margaret R. Hough; Livonia, Mrs. W. E. Parks.

Northville, Mrs. William S. Milne, Mrs. Harry F. Wagen-

schutz, and Herman Moehlman. Last year (1964-65) some of the award winners were:

Farmington (Tau Beta Camp (Neurological Development Section).

Livonia, Well Baby Clinic, Livonia Association for Retarded Children.

Northville, Northville Historical Society, King's Daughters, Mizpah Circle.

Plymouth, Plymouth Symphony Society, Plymouth Women's Club (Loch Rio Belle-ville Girls Town); St. John's League, Plymouth (For Plymouth State Home-Braces and Special Shoes).

Institutions, Northville State Hospital.

## Kendallarks Perform At St. Fabians School

The Kendallarks, a Farmington Womens Chorus, under the direction of George Assemany, sang to an audience at St. Fabian's school. The captive audience were the children, grades 1 thru 3, and were entertained by the chorus singing Chim Chim Chree, Do Re Me, Hello Dolly and Pass Me By. The Kendall Tone Trio, Mar-

lowe Belanger, Sue McCallum and Marion Spencer in brightly colored sashes, sang "Yellow Bird," accompanied by Olga Miller, Betty O'Connor and Bea Scaglione. Giggles were heard when Marion Spencer as Sand-man came out to do "Mr. Sand-man," with Margaret Marlowe and Mary Martin in a song and dance routine.

The Hooten Annies sang several songs with the children joining in loud and clear on "This Land Is Your Land." Then Bea Scaglione played musical games with the children.

The Kendallarks will be guests of the Mother and Daughter Fashion show at the Antioch Lutheran Church on May 15. The chorus and small

acts will present a delightful program. They will end this season with the June 1 show at the Rotunda Inn for the Farmington Women's Club.

Those interested in joining the Kendallarks for the fall season are asked to call Mrs. O'Connor, MA 6-9004. Sopranos are most cordially invited and a few openings in the alto and second section are needed.

MRS. WAYNE P. WALLER

## Chapski-Waller Exchange Vows

Ada Denise Chapski and Walter E. Chapski of Brady Wayne P. Waller exchanged wedding vows in St. Monica Vigil Catholic Church.

A breakfast and evening reception followed at the Idyl Wyld Golf Club. The bride is the daughter of Mr. and Mrs.

Wayne is the son of Mr. and Mrs. Reginald E. Waller, of Orlean Street, Detroit.

Following a two week wedding trip to Florida, the newlyweds will make their home on East Outer Drive.

## Republican Women To Meet May 16

The Republican Women's Organization of Farmington will present Dr. Charles Schultz, Professor of Political Science at Albion College as their guest speaker on May 15 at 12:30 p.m. at the First Farmington Savings and Loan Building, 22725 Orchard Lake Road.

Dr. Schultz, whose topic will be "Republican Philosophy," is

a popular speaker with Michigan Republicans and an active worker in the Michigan Republican Party.

Coffee will be served at 12:30 and the program will begin promptly at 1 p.m. All interested women are cordially invited to attend. For further information call Mrs. Zar Reader, MA 6-3526.

25-Lb. Bag. 3-way effectiveness! Provides your lawn with a well balanced food, stops crabgrass before it emerges; and kills harmful insect and insect larvae, grubs.

## Northup-Campbell United in Marriage

Harriet Northup became the bride of Harry Campbell recently in an early morning ceremony at the Rosedale Gardens United Presbyterian Church.

The bride is the daughter of Mrs. Naomi Northup, of 29420 Minton, Livonia; and the late John Northup. The groom is the son of Mr. and Mrs. Harry Campbell, 32957 Martin, Livonia.

The bride wore a white lace street dress, with a shoulder length veil. White carnations formed her nosegay.

Mrs. Naomi Marott (sister to the bride) and matron of honor, wore a beige street dress with a yellow carnation corsage. William LaLone was best man. The bride's mother wore a

beige suit and the groom's mother wore a blue dress.

Following the ceremony, a reception was held at the home of Mr. and Mrs. Craig Malott.

The bride will graduate from Franklin High in June. The groom graduated from Bentley High and is currently attending Schoolcraft College.

The future home of the newlyweds will be at Lake Galagher.

## Farmington Women Elected State Officers

Two Farmington residents have been elected officers of the Michigan State Organization of Quarters, state branch of the national antique study and historic preservation society.

Mrs. Phillip Day was named secretary and Mrs. Preston Meisel will assume the duties of treasurer. Both women are past presidents of their local Quarters chapters and reside in the city. Mrs. Day is a member of the Quakerstown group, while Mrs. Meisel is active in the Mill Creek unit.

The Michigan organization is a federation of 35 chapters in the state. It has a current membership of 700. The national membership of 4,000 is distributed in chapters located coast to coast.

MRS. HARRY CAMPBELL

LAKEPOINTE BRANCH of National Farm and Garden recently completed the planting of eight trees and shrubs at the Plymouth State Home. Left to right are: Mrs. Roy Pedersen, Mrs. Robert Sharrar, and Mrs. John Howe (whose husband assisted in the planting.)

## Lakepoint Garden Club Members Assist Plymouth State Home

Actively engaged in assisting at the Plymouth State Home are women from the Lakepoint Garden Club. Two years ago this group adopted a ward of 55 children and keep a constant watch over them.

Members visit twice monthly with various projects and work with children at this time teaching them to be creative, become aware of the outdoors, identifying flowers, and shrubs and birds; and helping them find a hobby of their own. Springtime brings them outdoors and large petunia beds which may be seen on visiting the Home are planted and cared for by these children.

Christmas time an outdoor

tree with lights and weather-proof ornaments was delivered to the Home — the holidays over, it is strung with popcorn, and bird treats to replace the baubles. This spring it was decided to purchase trees and shrubs and begin plantings so the children could watch the development and in years to come would have their own trees to decorate.

A Norway Spruce, two Forsythias, a Weigelia, a Lilac, a Rose of Sharon, a Burning Bush, and a Flowering Crabapple were planted.

The club has also made donations of equipment such as wheelchairs, cage balls and braces to the Plymouth State Home.

## Parents Without Partners Seeks New Members

PARENTS WITHOUT PARTNERS is an international organization that is devoted to the welfare of parents and their children (you must have children in order to join), bound together in the mutual desire to better their lives in the dual role that has been given them.

It is an Educational Cultural and Social Organization, with Discussion groups, Group Therapy and Social events. There is no age limit and the basic requirement is that you are either Divorced, Widowed or Legally Separated; and on special approved Unwed Mothers will be taken into membership. For full details write: LIVONIA PWP P.O. Box 2295, Livonia, Michigan.

Meetings are held every fourth Wednesday of the month, this being the regular business meeting (a social event is usually after all meetings) and on trial we are also holding a Social meeting, to get to know the members and friends better on the second Wednesday of the month. All of our meetings are at 8:15 p.m., and held at the United Church of the Nativity, Henry Ruff and West Chicago Roads in Livonia, Michigan, any single parent is asked to come and let us give them a very warm welcome, and a hot cup

of coffee to chat over. Please spread the word to single men as well as single women who are now within our above requirements, with children.

Activities are planned both the Adult, the Children and Parent-Child, so we do think of the little ones and are interested in their lives as well.

The Livonia Chapter is the most rapidly growing Chapter in the whole of the Metro Detroit area: from just eight members last June (1965) and through reorganizing the group, now counts to 100 or better at this writing. We publish a NEWSLETTER of note, and will be most happy to send one to any parent interested in learning more about PWP Int.

Words can never say what a smile can... COME visit our next meeting and judge the group and the new friends you'll meet for yourself, there is NEVER any pressure put on anyone to join; and you are welcome to visit with us on three different meetings nights. If you join, you may then attend our social events, dances and outings, there are a lot of fine times planned for the coming months, so come on down and SEE! This is a very fine bargain for the single parent at only \$2.00 a year to join.

## Youthful Artist To Perform In Redford Township

Alice Miller, daughter of Mr. and Mrs. Frederick Miller of Redford Township, and a junior at Redford Union High School, will give a piano recital on Sunday, May 15, at 4 p.m. in the high school auditorium.

After winning a first place in the District Solo and En-

ALICE MILLER

semble Festival in February, she went to the State Festival in Jackson and took a first place there also. She is the youngest applicant to be accepted for the Piano Trio Institute held during July and August at the Meadowbrook School of Music, Oakland University.

Alice studies with Mrs. Jones and will play representative composition from the works of Bach, Beethoven, Mozart, Chopin, Debussy, Mendelssohn, MacDowell, Rachmaninoff, and Lecuona. The public is invited.

## Livonia Pupils Hold Recital

A piano recital by the students of Adele Ziska Popoff was held at her home on Scone Avenue, Saturday, April 30.

Local students included Michele Campbell, Laura Sperry, Louise Richard, Betty Schmitt, Cheryl Jurcsin, Patricia Christenson, and daughters, Linette, Janice and Cheryl Popoff.

CAROL DIANE MCGHEE

Mr. and Mrs. Eldon McGhee, of Plymouth, announce the engagement of their daughter, Carol Diane to Richard Langdon Rogers. Richard is the son of Mr. and Mrs. Edward Congdon Rogers of New York City. Carol was graduated from Plymouth High School and is presently a student and employee of the University of Michigan. Richard was graduated from Princeton University and has attended the University of Michigan Law School. He enters Officers Training for the United States Air Force May 20. An August wedding is planned.

## National Geographic Watercolor Exhibit To Be Shown at Greenfield Village Garden Forum May 19-21

The fifth annual Clara B. Ford Garden Forum sponsored by the Henry Ford Museum and Greenfield Village will be held May 19-21.

A special highlight of the Forum will be the showing of 80 original watercolor paintings of fruits, flowers and vegetables by the late Elsie Bostelmann. These original paintings have been loaned to the Henry Ford Museum by the National Geographic Society in Washington, D. C., for special showing at the Clara B. Ford Garden Forum.

The opening session on Thursday morning will be by Dr. Donald Wyman, horticulturist, Arnold Arboretum, Harvard University. His topic is "Low Maintenance Gardening." Roy J. Kersey, Devon, Pa., horticulturist, will present a two part program on "Plant Propagation."

On Friday morning, M. Graham Netting, director of the Carnegie Museum, Pittsburgh, Pa., will discuss "Getting Close to Nature," based on the Powdermill Nature Reserve at Ligonier, Pa. Frederick W. Case, II, of Saginaw, Mich., will present an illustrated lecture on "Hunting and Taming American Alpine and Rock Plants." During the afternoon session, Elizabeth Schlotz, of the Brooklyn Botanic Garden in New York, will discuss and exhibit "The 'How's' and 'Why's' of Vegetable Dyeing."

"Bulldozed America" and "Time to Begin," two docu-

mented films on the thoughtless destruction of our landscape, will also be shown during the afternoon.

Registration for the complete three day Garden Forum is \$12. One day registration for Thursday and Friday is \$4.50. Friday evening's lecture is \$1.50, and Saturday's registration is \$3. For information call 271-1620.

## It's a Girl!

A daughter was born to Mr. and Mrs. Joseph Payton of Dixie Avenue, Redford Township on April 13. Her name is Bethany Lynn and she weighed in at five pounds, seven ounces. Waiting at home for the baby was Joseph Jr., who is two and one-half years old.

## "Fashion Frolic"

Our Lady of Grace Altar Society will sponsor "Fashion Frolic" Thursday, May 12 at 8 p.m. in the Parish Auditorium, Riverview at Joy Rd. There will be prizes, entertainment, and refreshment. Edna Boyer is ticket chairman.

## A Travelling Balloon

Mrs. Barbara Thompson of Corbourn, Ontario has written to the Bon Ton Shoppe in Farmington that one of the small helium filled balloons launched during the shop's birthday celebration has landed in her yard. Corbourn is located between Kingston and Toronto.

## Senior Citizens To Hold Get-Together May 12

The Most Rev. Charles Leo Nelligan, Titular Bishop from Assumption College, Windsor, Canada, will be the main speaker at the Annual Senior Citizens Regional Get-Together,

to be held at Roma Hall in Livonia on Wednesday, May 18 at 12 o'clock noon.

One of the most outstanding speakers in the country, Bishop Nelligan is dear to the hearts of the Seniors, and his talk will be enjoyed by all. Seniors from 10 communities will congregate at Roma Hall on May 18 for a day of fun and entertainment.

An amateur hour, featuring singing, harmonica playing, fashion show, one act skits, will all be put on by the Seniors. In the afternoon, Ben Tallman, Parks and Recreation square dance caller will call square dancing for one hour.

The program will terminate at 4 P.M. Communities participating in this get-together include, Livonia, Plymouth, Northville, Wayne, Garden City, Inkster, Nankin, Dearborn Heights, Dearborn and Redford.

## Livonia Girl Named A Resident Counselor

The Macalester College News Service reports that Elizabeth Havlik of Livonia has been appointed a resident counselor for the year 1966-67. A sophomore majoring in history at Macalester, she is the daughter of Mr. and Mrs. Quentin F. Havlik, 28556 Sunnydale Ave.

## ON TARGET

The best way to make the rest of this year count is by making every day do a certain quota.

KAY ANN GLIDE

Mr. and Mrs. Kenneth R. Glide of Coronet Drive, Farmington announce the engagement of their daughter Kay Ann to Shawn J. McAlinden, son of Mr. and Mrs. James McAlinden of Detroit. Miss Glide attended Ottawa University, Ottawa, Kansas. Her fiancé is an alumnus of University of Detroit. A July 30 wedding is planned.

### Picture Spring — Colorfully

Spring is a time of colorful surprises and happenings to remember. Things that pictures bring back best.

You can keep the look of spring and all the color that happens this year on Kodak color film. Preserve it in color prints. Share spring memories through color slides. Today's color pictures are easy to take, more colorful, and more natural-looking than ever before.

You could start your own color album with this spring's family pictures and baseball games. Or keep a record of all the color that "blooms" in your garden. Or save the backyard fun—Just as it happens.

If you've the slightest doubt about color pictures, we'd love to talk to you. In just a few minutes, even if you've never taken pictures before, you could learn all you need to know. Let us show you the new KODAK INSTAMATIC Cameras before another day of spring goes by.

These are the cameras you've been seeing everywhere lately. Small wonder. They're so easy to use that anyone can start taking terrific pictures with them on the very first try. They're aim-and-shoot simple, and they load instantly with a drop-in film cartridge. You'll be amazed how easily you can take color slides or prints you'll be proud of. Color film comes with several of the INSTAMATIC Outfits.

Stop in and see us. Let us help you make it a spring to remember—in pictures!

LOUISE MILLER

Mr. and Mrs. Donald E. Miller, of Dearborn Heights, announce the betrothal of their daughter, Louise Marie, to Edward Daniel Woodruff, son of Mr. and Mrs. Edward Charles Woodruff, of Detroit. The bride-elect attended Western Michigan University. Her fiancé is a graduate of Michigan State University. The couple have set a September wedding date.

FRESH FRUIT FLAN will make a hit with everyone. Why not try this recipe from Consumers Power Co. (See below.)

### Fresh Fruit Flan

This delicious and festive dessert is a delightful way to conclude a meal. It's especially easy to prepare with the help of the controlled top burners on modern gas ranges.

1 baked 9" layer plain or white cake.  
Pastry Cream  
1 banana  
Apricot Glaze  
16 dark sweet cherries, pitted  
1/2 cup fresh green seedless grapes  
8 fresh strawberries, halved.

Pastry Cream:  
1/2 cup sugar  
2 tablespoons cornstarch  
2 cups milk  
6 egg yolks, beaten slightly  
1 teaspoon vanilla

Combine sugar and cornstarch. Stir in milk. Bring to boil over medium flame, stirring constantly; boil 1 minute. For controlled top burner, select desired flame and set dial at 225". Add some of hot mixture to egg yolks; mix well. Stir into remaining hot mixture. Cook, stirring constantly, until thickened. Stir in vanilla. Chill.

Apricot Glaze:  
1/2 cup apricot preserves  
2 tablespoons water  
Combine ingredients; heat over low flame until preserves melt. For controlled top burner, select desired flame and set dial at 170". Strain.

Make 1/2-inch well in top of cooled cake by cutting 1/4-inch in from edge of cake. Fill well with Pastry Cream. Slice banana diagonally into 1/4-inch thick slices; brush with portion of Glaze. Arrange down center of cream by overlapping slices. Place row of cherries on both sides of bananas. Repeat procedure with strawberries and grapes. Brush with remaining glaze. Chill in refrigerator several hours or overnight. Serve cold. Yield: 6 servings.

### Teen Dance Kick Off To Be May 27

A teen age dance is scheduled for Friday, May 27, at the Knights of Columbus Hall on Middlebelt Rd. at Nine Mile Rd. in Farmington Township. Two "swinging, twisting" bands will provide the music beginning at 8:30 p.m. The dance will end at 12 midnight.

Sponsors of the dance are the Farmington Township Police Officers Association. The bands are the Barons of Sound and The Illusions. Tickets for the dance, at \$1 per person, may be obtained from any Farmington Township Police officer.

### Riley P-TA Honors 3

Distinguished service awards have been presented by the Parent-Teacher Association of Riley Junior High School in Livonia to Mrs. Helen Taddonio, Jack Firestone and Gordon A. Geiger who was given a life membership in the Michigan Congress of PTA's.

Starting Wed., May 18

## Livonia Womens Chorus Presents "Here Comes the Showboat" May 20, 21

Captain Andy and his crew of show folks will stroll down the gangplank to entertain all comers as the Livonia Womens Chorus presents, "Here Comes the Showboat," May 20 and 21.

Curtain time for both performances is 8 p.m. in the Bentley High School auditorium.

Singing her plight across the footlights is Miss Scarlet Trueheart who says she "Can't Help Lovin' That Man of Mine." A quartette will provide some Beauty Shop harmony and Miss Blossom Forth will sing about

"Life Upon the Wicked Stage." Choreographer for the show is Miss Judy Goethelf of Livonia. She and the Bryant dancers are ready to swing out to the "Birth of the Blues." Even the chorus members will manage a step or two of the old soft shoe with the help of Miss Goethelf.

Norman Wilhelmson is playing Captain Andy. Wilhelmson is a former soloist and choir director at Christ the King Lutheran Church in Livonia.

Although the Livonia Womens Chorus enjoys the opportunity to do staging, their reputation for fine musical entertainment has been built on their formal concert appearances.

To continue this long standing reputation their director, William Roth, is opening the spring program with a variety of selections ranging from spirituals to the light classics.

"Here comes the Showboat" is the fifth annual spring concert of the chorus under the sponsorship of the Livonia Department of Parks and Recreation.

They know from experience how much financial support, as well as time and energy, is needed to develop any musical program to its fullest. It was with this thought in mind that the chorus added another performance to its concert schedule and designated it as Stevenson High Night.

To help establish another choir in Livonia, the Livonia Womens Chorus is donating the

proceeds from the May 21 performance to the Stevenson High School Choral Fund.

WHIPPING UP A STORM in their efforts to reach their goal of selling season Meadowbrook Festival tickets are committee members left to right: Mrs. Louis Pearlman, Mrs. Mel Feroni, Mrs. David Cameron, Mrs. Robert Fox, Mrs. James McCann, and Mrs. Dody Johnston. Seated holding the poster left to right are: Mrs. Leslie Core, Livonia Chairman and Mrs. Maude Skinner, Area Chairman.

## Forest Park Garden Club To Hold Spring Plant Sale

Forest Park Garden Club Main Entrance. The next meeting of the Garden Club will be held on Tuesday, May 17 at the home of Mrs. Pat Anderson, 21944 Tredwell. Guest speaker for the night will be Mrs. Kathy Ziska, from the Hill and Dale Garden Club, who will demonstrate Flower Arranging techniques. Kathy is well qualified, having taken many Blue Ribbons at various flower shows.

Members donate bulbs, perennials, and ground covers out of their gardens and sell them for only pennies a piece. This has proven to be a very successful money raising project. In addition to the donated plants, flats of petunias and tomato plants, plus potted geraniums will be sold at the same price as the greenhouses and nurseries offer.

Food shoppers are offered a wider variety of food items every year and what's more, the place is open to the public; the place is Forest Park, 9 Mile and Inkster, at the Pool packages and easier to use area on Tredwell ave. at the form.

## The Distaff Side...

By Jerry Wendt Women's Editor

Ladies, we cannot escape it, 1966 is the year of the figure-and the less figure you have, the better it is. As my table partner (pixie-faced Carol Metevier) said sadly as we watched the models in their skin-tight garments, "There's just no place to hide that extra bulge."

Saturday, May 7 the 19th Wayne Congressional District Democratic Women's Committee presented "Thru the Looking Glass" a fashion show and luncheon at the Thunderbird Inn, Plymouth. It was a hands down smash hit and played to a sell-out house (this is the understatement of the year—you couldn't have squeezed in a pencil.) It had everything that women love, loads of prizes, an elegant menu, and a lavish whipped cream kind of fashion show. The Observer went as a guest of Redford columnist Grace Banks who in addition to her myriad duties was also a hostess and publicity chairman of this show.

As we entered the dining room we were seated at tables that had centerpieces made to resemble posy-bedecked looking glasses. At each of our places was a "goodie" bag (shades of the Michigan Press Banquet) filled with things the very generous merchants had donated. It contained little notebooks, directories, pencils, pens, matches, nail files, combs, a letter opener, a nail file, and a miniature green polka dotted bow tie pin in honor of guess what surprise guest!

The fashion show contained simply gorgeous furs, and smart outfits for every hour of the day. We would say that this is definitely the year for COLOR, COLOR, COLOR. Raincoats, cocktail dresses, formals, everything was in shades of pumpkin, lime green, shocking pink etc.

Some of the especially attractive outfits that drew oohs and aahs from the audience were: a new style pants suit of white linen with sleeveless tunic over the pants; a tangerine velvet bathing suit with one shoulder strap;

ENJOYING THE LUNCHEON and fashion show sponsored by the 19th Congressional District Democratic Women's Committee were (from left seated): Mrs. Ron Mardiros and Congressman Billy Farnum. Standing (from left): Faye Galia, chairman; Mrs. Robert Shively, co-chairman; and Barbara Weinstein, co-chairman.

and a raspberry and white polka dot cocktail suit with trumpet sleeves.

For summer weddings there was a white linen sheath with a delicate lace coat that could be removed but looked attractive while on.

There were many "play" clothes with tight fitting pants and ruffled overblouses, calling for that slim, slim look.

The furs were out of this world and featured many new mutations. "Blue Iris" is a dramatic new shade of mink with an icy sheen. There is also a platinum shade of mink referred to as "homo" mink, looking elegant on a model with matching platinum hair.

White mink was shown in a stole which had a new treatment of buttons, they were sewn on the side.

"The Royal Family" of furs was also shown, namely Empress Chinchilla and Crown Sable. Commentator Helene Freund told of being at a party at the Kremlin where she had worn a Russian sable and not one of the Russian women recognized this luxury fur! "Hurray for the U.S.A.," she said.

Nancy Williams, slim and tanned as any of the models was an honor guest and gave a speech. One could easily tell that she and the ex-Governor were more than happy to be home again after "establishing African embassies" as she said. Again and again, she said "Michigan is our state and we are GLAD to be back."

Billie Farnum was also present and delighted the audience with an amusing satire on a male fashion show.

Ron Mardiros, Chairman of the 19th Congressional Democratic District and John Bennett were also present. Members of the club were the models and did a professional job.

Merchants did a terrific job of donating a bumper crop of prizes and nearly everyone went home with one!

AMONG THE HONORED GUESTS at the Thunderbird Inn, Plymouth, Saturday, May 7 for the 19th Congressional Democratic Women's Committee Luncheon and Fashion show were (from left seated): John Bennett and Nancy Williams (wife of ex-Governor G. Mennen Williams. Standing (from left): Faye Galia (party chairman), Mrs. Grace Banks, wife of the Redford Democratic Township Party Chairman; and Mrs. John Bennett.

### Providence Nurses Alumnae To Hold Annual May Breakfast

On Sunday, May 15, the Providence Hospital Nurses' Alumnae Association will meet at the Adeline Fisher Educational Center for the annual May Breakfast, following Mass at 10 a. m. in the Providence Hospital Chapel.

Dr. Henry Archambault, recently recovered from a serious illness, accepted the invitation to join the alumnae on this occasion, as they especially

honor the graduates of the class of 1941 on their 25th anniversary.

Chairman Mrs. Steve Reznik and her co-chairman Mrs. Harold Knapp anticipate a good representation of all classes and are arranging a tour of the new Providence Hospital for those members unable to attend last year.

Mrs. Frank A. Pawlus, 1272 Lenhill Court, Bloomfield Hills, is accepting reservations until May 5.

### Accountants Assist At Counselor Session

John B. Byrne, 14665 Ronnie Lane, and Russell J. Mayotte, 9628 Cavell, Livonia, who are directors of the Detroit Chapter of the National Association of Accountants, assisted recently in the presentation of program "Opportunities in the Accounting Profession" for the Macomb County High School Counselors.

Approximately 50 Counselors attended the seminar, at the Detroit Edison Boat Club.

U.S. consumers last year ate enough macaroni to reach 16 million miles beyond the sun.

### Luncheon With Lenore Romney Thursday, May 26

Livonia Federation of Republican Women invite all women in the District to join at a luncheon with Lenore Romney. The date is Thursday, May 26, at 12:30 p.m. The place is Idyl Wild Golf Club, 35780 Five Mile Rd., Livonia. Tickets may be obtained from luncheon chairman Elaine O'Neill 422-8466 or Audrey Whitehead, 425-2244.

### Bride Honored

Mrs. Michael Uliery, of Farmington Rd., in Farmington, held a bridal show honoring Sylvia Ilene Marginean, Sunday afternoon, May 1. Sylvia is a science teacher at O. E. Dunkel Junior High and her fiancée, Lyman Narnock teaches Industrial Arts at East Junior High.

The engaged couple are planning a June wedding at St. Fabian's Catholic Church in Farmington.

SUE SLOWEY

Mrs. Frank Slowey announces the engagement of her daughter Sue to Dan Pierce. The wedding will take place on May 21 in St. Michael's Church in Livonia. Sue is a 1964 graduate of Franklin High School. Dan is a 1964 graduate of Garden City High School.

## Seek 'Women Who Care' Nominations

Women's Advertising Club of Detroit is now accepting nominations for the Annual Women Who Care Awards to be presented to five outstanding women volunteers in the community.

Civic groups and organizations are invited to submit nominations for their candidates, before May 16, to Mrs. Mae Dardarian, 51 West Warren Avenue, Detroit, 48202.

Nominations must be submitted by letter and include qualifications, volunteer activities, civic and community contributions of the candidate.

The 1966 Women Who Care Luncheon and Awards Presentation will be held Thursday, June 1 at 12 Noon in the Statler-Hilton Hotel.

### Methodist Church To Hold WSCS Meeting May 12

Newburg Methodist Church, Livonia announces the WSCS general meeting will take place on Thursday, May 12. The Board will meet in the Fellowship Room. New board members will be guests for the evening.

The pledge service which will be held makes this one of the most impressive and important meetings of the year. The program, "Dreams and Realities" will be given by the Rebekah Circle. Ruth Circle will give the devotion. The Sarah Circle is the hostess.

LINDA S. JOHNSTON

Mr. and Mrs. Robert T. Johnston, of 32850 Indiana Avenue, Livonia announce the engagement of their daughter Linda to Gregory P. Kopicko, son of Mr. and Mrs. Gregory Kopicko, 32861 Joy Rd., Nankin Township. Linda is a junior at Franklin High School. Gregory is a 1964 graduate of Franklin High School. No definite date has been set for the wedding.

### BED CENTER

7210 Middlebelt Rd., corner of Warren

Phone 425-7110

MRS. F. M. SUTHERLAND SETTING the marble top table in her round dining room. The huge brass light fixture from India complements the Spanish with far East Indian furnishings and the imported marble floor from Carrara, Italy. The home located on Territorial Road will be opened for a tour sponsored by the Womens Symphony League of Plymouth on Thursday, May 12 from 12 to 5 p.m.

### Garden Walk Set for May 12

Co-Chairing a walk through beautiful homes are Mrs. Robert Utter and Mrs. George Bauer, members of the Plymouth Womens Symphony League whose president is Mrs. Marvin Sackett. The tour is scheduled for May 12 from noon until 5 p.m. and plans to have five homes entered in the panorama which will be complemented by a tea from 1 until 4 p.m. at St. Johns Episcopal Church on Sheldon Rd.

Featured will be the Richard Newton home in contemporary design with a popular round room, at 576 S. Evergreen; Dr. and Mrs. F. M. Sutherland whose gardens are undecorated and is furnished in the Far East and Mediterranean decor, at 4555 N. Territorial Rd.; the James W. Taylor residence at 9420 Maple Tree Drive, with its warm traditional New England atmosphere; the Seymour L. Luvisch residence, of modern decor with charm and tasteful attractive interior will welcome you at 11941 Amherst Ct.; the William Hardins at 7560 Birkland Drive, this house in contrast with contemporary exterior and Early American interior.

Plans are to include items for sale at each of the homes; and tickets with maps of direction may be purchased for one dollar at any one of the homes open or by calling Mrs. Utter at GL 3-0941 or Mrs. Bauer at GL 3-6254.

### Symphony Ball To Be May 20

The Women's Auxiliary of the Livonia Youth Symphony Society will present a Symphony Ball and Buffet, Friday, May 20, at Idyl Wyld Golf Club, 35780 Five Mile Road, Livonia. The continuous buffet will be from 7:30 p.m. to 10 p.m. and dancing to the Herbie Ross Orchestra will begin at 9:30 p.m. and continue until 12:30 p.m. The donation is \$8 per person.

Mrs. Arthur Fayroian, ticket chairman, announces that tickets may be obtained by calling the following committee members: Mrs. A. Fayroian, GA 2-5432; Mrs. R. Carne, KE 3-9269; Mrs. L. Core, GA 1-1654; Mrs. D. Friedrichs, 417-0222; and Mrs. E. Wheelock, GA 1-5995.

Mrs. Fayroian explains that this is the first symphony Ball sponsored by the Women's Auxiliary of the Symphony Society. Patrons of the Arts in the community are to be guests of honor for the evening. Any proceeds will go to support the three orchestras of the Livonia Youth Symphony Society.

### Hold Annual Fashion Show

The American Italian Professional and Business Women's Club (AMIT) will hold its annual fashion show luncheon at the Roostertail on Saturday, May 21, at noon.

The luncheon is called "Prelude to Opera" and precedes the opening of the Metropolitan Opera's Detroit tour the following week.

A musical program will be presented by two students of Mrs. Aurelia Peralta. Tenor, Robert Zajac and Soprano, Kim Young will perform duets from the first acts of "La Traviata" and "Madame Butterfly" and "Deep in My Heart" from the "Student Prince." Pianist, Phil Skillman will entertain the guests during the luncheon and the showing of the fashions.

### Council To Research Smoking

The Archdiocese of Detroit and the Young Women's Christian Association have joined the Wayne County Council on Smoking and Health.

The recently formed affiliate of the Michigan Council of Health now has 17 agencies enrolled as members.

It is open to all Wayne County voluntary and official health and educational organizations, professional associations, and foundations concerned with the relation of smoking to health and disease.

Dr. Robert R. Luby, divisional director of the Health and Physical Education Department, Detroit Public Schools, is chairman of the Wayne County group.

### Sorority To Hold Mom-Daughter Tea

Plymouth Chapter Eta Psi met at the home of Mrs. Theodore F. Thrasher, 13980 Ridgewood, Plymouth. Plans were discussed for an upcoming Mother-Daughter Tea which will be held at St. John Episcopal Church in Plymouth, May 15 from 2 p.m. until 4 p.m.

The women have also completed plans for a "Street Dance" for the teen-agers of the Plymouth State Home to be held May 26 at which the Disciples will play.

Next regular meeting on May 18 will be held at the home of Mrs. Dwight Eckler, 46000 Ann Arbor Trail, Plymouth. There will be a bake sale for secret sisters at this meeting.

MRS. WILLIAM GAGNON

## Wyss-Gagnon Take Vows

Marie Wyss became the bride of William Gagnon in a nuptial mass celebrated by Monsignor Thomas Beahan at Our Lady of Sorrows Catholic Church. The bride is the daughter of Mr. and Mrs. Maurice Wyss, 20800 Randall, in Farmington. The bridegroom is the son of Mrs. Margaret Gagnon, 20306 Pelkey, Detroit.

The bride wore a traditional gown of candlelight silk organza with a wide lace motif. Her elbow length veil was crowned with a flower of lace edged with seed pearls. Her bouquet was a cascade of rose buds and ivy.

The attendants wore floor-length gowns of Nile green French fabric with matching headpieces. They carried cascades of pink carnations. Frances Wyss, sister of the bride, served as maid of honor. Another sister of the bride, Karla Tye, along with Anna Antonelli and Sharon O'Connell were bridesmaids.

The bride's mother wore an aqua lace sheath with matching accessories. The groom's mother chose a silver-beige dress with aqua accessories.

The best man was Raymond Doucet. Ushers were Ronald Smith, Michael Tiza and Thomas LaFramboise.

Following the ceremony a reception for 200 guests was held

at the Coach House at Botsford Inn.

The newlyweds, who will travel and study in Europe in July and August, honeymooned briefly in St. Clair.

The bride is a teacher at Clarenceville Junior High School and is a graduate of Madonna College, Livonia. The groom teaches at Fitzgerald High School, Warren. He received his BA and MA degrees from the University of Detroit.

People who live to do good never tire of their role in life.

## Hope to Get Summer Work for 4,000 Youngsters

# Observer, Alexander Hamilton Join in Jobs Drive

The Observer Newspapers will publish during the months of May and June approximately 4,000 job wanted ads from area junior and senior high school students who are looking for work.

This will be the first year a community service of this kind will be done on such a large scale. The combined efforts of the Observer Newspapers and The Alexander Hamilton Life Insurance Company of Plymouth make this vast project possible.

We recommend that every reader of the Observer Newspapers study these ads carefully to see if there is some boy or girl listed who can do EXACTLY the job you want done this summer.

Teen-agers are too often erroneously portrayed as lazy, too carefree and unconcerned about the harsh, hard work and realities of life. We do not agree with that view.

As we know them, teen-agers are mighty fine

people who, if given half a chance, will work for every dime they earn. They're dependable, honest and willing. Of course, there are exceptions. But, they make up only a very small fraction of the whole group of teen-agers.

The response to our offer to publish an ad free for any junior or senior high school student who wants to work proves that they are serious about finding and holding employment. In many cases, the amount of

money they are able to earn this summer will determine whether they go to college next Fall.

To adults may we suggest that you share the work. Let some boys get in shape for fall football by pushing your lawnmower, weeding your flower-beds or minding your children while you take it easy and get more enjoyment out of life.

Busy boys and girls don't get into trouble. The young person who has a good job isn't going to become a juvenile delinquent. They're on their way to becoming good productive citizens, not public charges.

But none of this can happen unless YOU, the potential employers, find and offer work to these people.

They want to work. will you give them a chance to prove it?

BREAKING GROUND for the new home offices of the Alexander Hamilton Life Insurance Company in the Quakertown Village section of Farmington Township is Board Chairman Keith Owens. Looking on are: (from left) Vice President Robert Safford, Director Stanley Kresge, President Charles Bruce Owens, Vice Presi-

dent Rockwell Gust, Director Harold Guenther and Vice President James Milby. The target date for opening the new building is Jan. 1, 1968. Hamilton is moving its home offices from Plymouth to the Farmington Township site and anticipates a payroll of more than 2,000 within three to four years.

## D'Adamo Buys Land Option

Gerald D'Adamo now owns the contract to the 1.99 acres on Cherry Hill between Farmington and Venoy Rds. where he is hoping to build an apartment project.

## MSU Center Seeks Answers To Problems

The way to solve the pesticide problem is not by banning pesticides but by gaining a better understanding of their effects on biological systems, says Dr. Gordon Guyer, chairman of Michigan State University's Department of Entomology and director of the Pesticide Research Center.

Guyer and associates are convinced that pesticides are absolutely necessary to modern agriculture. At the same time they have concern over possible contamination. For that reason researchers from 17 departments at Michigan State University have banded together to study pesticides from basic points of view.

The Pesticide Research Center is taking up such basic questions as:

What happens to pesticides when they enter the soil? Do combinations of pesticides cause problems in soil ecology that none of them alone would cause? How are pesticides metabolized by bacteria, algae, higher plants, animals and humans?

Michigan Agricultural Experiment Station funds and a grant from the National Institute of Health are financing the Center which is scattered in many buildings until a new Pesticide Research Building is authorized and constructed.

D'Adamo told The Observer he acquired the contract to the property between the time the Council denied his rezoning request and April 14 when he appeared before the Garden City Planning Commission once again for approval.

For over eight months now, D'Adamo had been trying to rezoned the above acreage, near S. Venoy Circle, from residential to multiple dwelling to build an apartment complex.

He was denied once at the Planning Commission but revised site plans and after two more Commission meetings gained the approval of that body. The Council, however, overrode its Planning Commission and denied the rezoning.

During his earlier appeals, D'Adamo was subcontracting the property from another person but since has purchased the option on the property.

A public hearing has been set by the Planning Commission for May 12 to hear the matter again. Although home-owners have protested the apartments, D'Adamo says the residents in the immediate area are in favor of his project.

## Redford Airman Off to Germany

Second Lt. Mark T. Rymasz, son of Mr. and Mrs. Mark R. Rymasz, 16720 Norborne, Redford Township has been awarded U.S. Air Force silver pilot wings upon graduation at Laughlin AFB, Tex.

Lieutenant Rymasz is being assigned to Bitburg, AB, Germany, for flying duty with the U.S. Air Force in Europe. America's overseas air arm assigned to NATO.

## Park Boating Facilities Open for '66

The Boat Rental Building at Kensington Metropolitan Park southeast of Brighton opened for the 1966 season on Saturday, April 30, according to David O. Laidlow, park superintendent.

Over 110 aluminum boats are available for rent, \$5 deposit required, 75 cents per hour, \$1 minimum charge. Maximum charges are \$2.50 weekdays and \$4.50 on Sundays and holidays. Persons may supply their own motors, limited to 7 1/2 horsepower, for use on rented boats. Safety cushions are available for rent, however, the park does not rent outboard motors, nor does it supply fishing tackle, bait or gasoline.

Other boating facilities at the park include two launching ramps and Canoe Island, ideal for overnight camping by persons with their own canoes.

There is no charge for boat launching, permitted daily at two ramps from sunrise to sunset at the 12,000-acre Kent Lake, which is one of the most popular fishing sites in southeastern Michigan. No water skiing is permitted on Kent Lake and there is a 10 miles per hour speed limit.

Boaters are required to obtain a boat launching permit, issued without charge and good for the 1966 season, prior to launching their craft. These are available at the park office when the ramps are unmanned. Trailers, cars and boats are not permitted to remain in Kensington Park overnight, except for boats in slip rental spaces.

**MOST RELIABLE**  
It frequently happens that the best garden is the one that is put up in cans.

## PATIENTS COME FROM 50-MILE RADIUS

# University Hospital Finds 1,000 Beds Not Enough

ANN ARBOR—Forty years ago, University Hospital opened its 760-bed building amid dire warnings that there would never be enough patients to fill them.

Today, with 1000 beds and additional facilities for 1000 "outpatients" per day, the question is: "Where do all the patients come from?"

A recent 10 day study brought out these facts: Seventy per cent of University Hospital patients come from a radius of only 50 miles from Ann Arbor.

"Our heaviest admissions are from Washtenaw and Wayne counties," says Ernest C. Laetz, associate director of University Hospital. Although not generally thought of as a county hospital, Laetz reports that one-third of the patient load comes from Washtenaw and one sixth from Wayne. Some patients come from each of Michigan's 83 counties.

About six per cent are from outside Michigan, the majority traveling from Ohio and Indiana. Still others come from foreign countries, especially South America.

What size cities? "Seventy per cent of the patients are

from cities having populations over 10,000," says Laetz. Sixty to seventy-five per cent arrive with a doctor's letter of referral.

The survey also reveals nearly 80 per cent of University Hospital patients have insurance coverage and 12 per cent qualify under one of the federal, state or county welfare agencies programs. Only eight per cent of the patients pay their entire bill without third party assistance. These fees from patients enable the hospital to be self-supporting.

Laetz pointed out that the number of indigent patients has progressively decreased

over the years.

"For example, in 1955, welfare patients comprised 26.4 per cent of patient load. Today, the average has dropped to 17 per cent. This downward trend has continued despite the passage of the Kerr-Mills bill providing care for the indigent patients over 65. He added that the increase was due in part to the growth of insurance programs and generally improved economic status among the American people.

The 1964-65 fiscal year also revealed the highest patient occupancy of any year—82.42 per cent—while the average length of stay ranged between 11 and 12 days.

## Science Fair Ribbons Won

Seventeen Lola Valley Junior High School students were awarded blue ribbons for excellence in the recently completed Metropolitan Science Fair, and three—Carol Jewett, first place; Kathy Considine, second place; and Ronald Range, third place—were among the very top group in the entire metropolitan area.

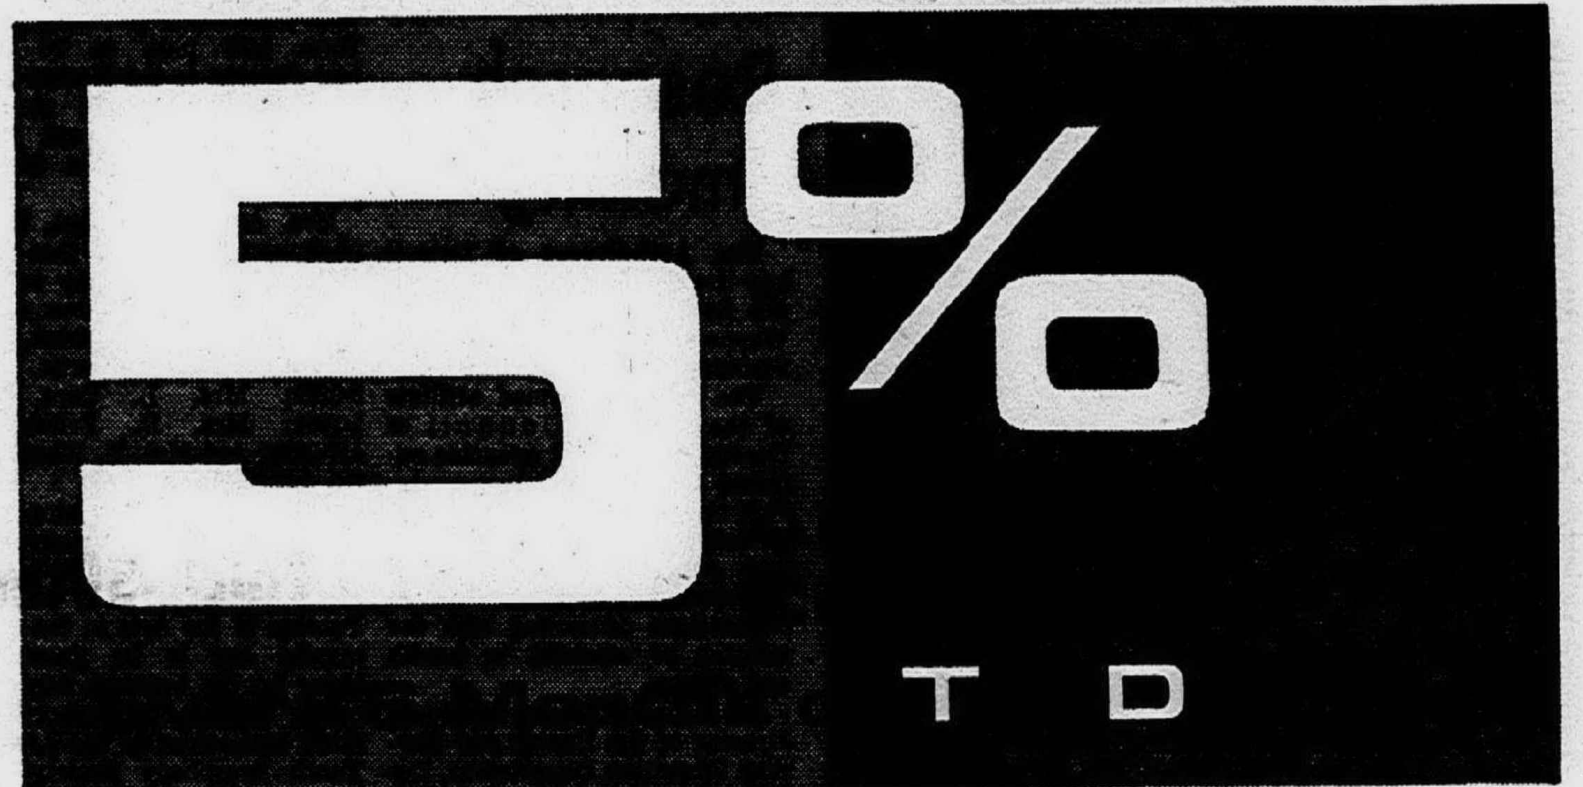

The other students are: Janice Cassidy, Dawn Savich, Valerie Louderback, Susan Morris, Kathy Considine, Carol Jewett, Mark Harding, Leslie Rice, Denise Downer, Connie Kurys, Alan Vore, Patti Klope, John Hieronymus, Randy Link, Ron Range, Norman Jakust, and Glen Siebert.

The first three place winners and their parents, and Mrs. Julia Jewell, RU Science Fair sponsor, were guests of honor at a dinner and awards meeting following the contest judging.

Besides receiving a plaque for each student among the first three, Carol Jewett received a \$50 bond, and Kathy Considine received a \$25 bond.

Lola Valley also received a plaque to be displayed in the school.

## Get the extra security of 117 years of continuous service, plus

Open your TimeDeposits account in amounts of one thousand dollars or more; make additional deposits in amounts of one hundred dollars or more. Keep them on deposit for six months and we will add 5% interest compounded semi-annually.

If you prefer to save smaller amounts, more often, choose a regular savings account. Your money earns 4% annual rate, compounded and paid quarterly.

And when you save at Detroit Bank & Trust, you enjoy the knowledge that your savings are protected by a bank continuously in operation for more than 117 years. You can take advantage of complete banking and trust services, plus the convenience of 70 offices. All told, they're mighty good reasons to keep your "eggs" in our savings basket.

**A BARGAIN...  
A REAL VALUE  
IS NOT A MATTER OF  
PRICE ALONE!**

It's what you get for what you pay.

The house dress or shift at \$1.98 is no bargain if—the seams pop the first time you wear it or it shrinks inches the first time you wash it.

A cheap product just for the sake of low price is no bargain. A quality product at a low price, that's a bargain... that's a real value... that's our A&P Brands.

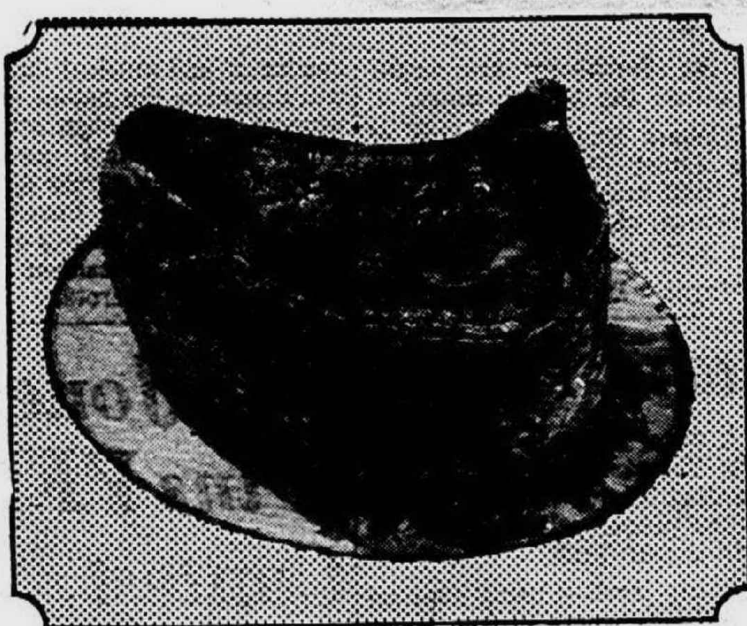

More than a century ago we decided our own brands would be our finest values. They are...and we're proud of it.

So proud...so sure, we unconditionally guarantee your full satisfaction.

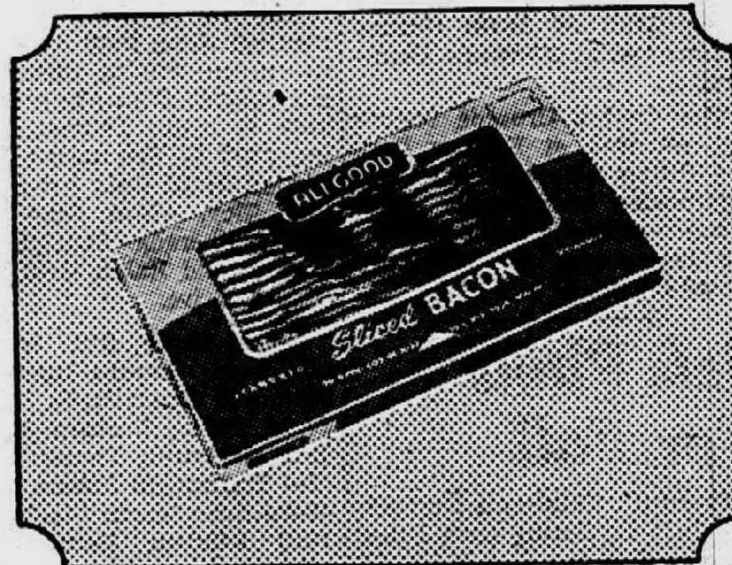

Are A&P Brands a good reason for shopping A&P? They're one of many.

# Plymouth Symphony Eyes \$15,000 in Drive

With a goal of 400 families on the membership roll and a budget of \$15,000 for the 1966-67 Symphony year, members of the Plymouth Symphony Society Board believe the current membership drive will be the most successful in some time.

The aim is to increase the number of business industry and organization memberships with a special appeal to all indus-

tries in the community to aid in the campaign.

A report on the drive will be made at the annual meeting of the Society on Monday, May 23 at 6:30 p.m. in the multi-purpose room at Junior High West. All those interested

in the Symphony are urged to attend the potluck dinner.

Michael Endres, director of the Junior Symphony Orchestra, will make a report on the progress of his group during the past year.

Wayne Dunlap, Symphony

conductor and musical director, will announce the names of the winners of Interlochen scholarships. The Society awarded two scholarships a year ago.

The Symphony Board includes: President James Thomas, Vice President Robert Sincok, Secretary Mrs.

Donald Graham, Treasurer Robert Beyer, Business Manager John Moehle, Membership Drive Chairman William Birge, and Musical Director Dunlap.

Others are: John Herb, Mrs. Arthur Larson, Mrs. Roger Zerby, Mrs. Herbert Woolweaver, Dr. Robert Petersen, Mrs. Walter Beglinger and Mrs. Joseph Lee.

## New President of VFW Auxiliary

Mrs. Ann Smith was elected president of the Mayflower Auxiliary of VFW Post 6895 in the annual election of officers. The installation ceremonies will take place at the Post Home on May 14 at 8 p.m. Officers to be installed are:

Junior Vice President, Mrs. Helen Luttermoser; Senior Vice President, Mrs. Shirley Kubik; conductress, Mrs. Rosemary Kooiman; guard, Mrs. Dorothy O'Reilly; chaplain, Mrs. Norma Fletcher; treasurer, Mrs. Bettie

Neale; three-year-trustee, Mrs. Winnifred Cadaret.

Fourth District delegates are: Marion Skoglund, Dorothy O'Reilly, Norma McKindley, Shirley Kubik, Alice Bushey, Loretta Olson, Dolly Bouterse and Winnifred Cadaret.

The alternates are: Bernice Kopenski, Barbara Lockey, Mildred Dely, Geraldine Olson, Loretta Young, Kay Cookman, Eileen Williams, and Claudette Krumm.

## DPW News and Notes

By Supt. Ken Vogras  
Plymouth Dept. Public Works

A great deal of rust was stirred up in the water mains Thursday when Continental Free-mont Co., which is taking down the water tower on Byron Street, broke a 12-inch main on Byron.

The DPW would like to thank citizens for their patience and consideration during the time it took to repair the break.

A water tap was installed at 650 Forest Ave. and at 855 Harding. A stop box was moved to the property line at 855 W. Ann Arbor Trail.

Repair work is being done on the streets where broken water mains were repaired during the winter.

Fire hydrants are being flushed on Thursdays and Fridays from 10 p.m. to 1 a.m. The area south of Penniman Ave. was started last week. Water gates are being checked on Northville Road.

During the week DPW crews sprayed Elm trees; swept both major and local streets; mowed grass at the city hall and in the city parks; cold patched streets from Main to Sheldon and Ann Arbor Trail on M-14; cleaned and mowed at Riverside Cemetery.

The Cancer Crusade banner was removed at Kellogg Park and the portable band shell was transported back to the DPW grounds after the ground breaking ceremonies for the Ford Motor Co. plant.

## Ron Jones Wins VFW Contest

Ronald Jones, 483 Arthur, is the first place winner of the Voice of Democracy essay contest conducted by Mayflower Post 6595 of the VFW and Auxiliary. He and other prize winners will receive awards at the annual installation ceremonies Saturday in the Post Home, 1426 S. Mill Street.

Sally McKenzie, 11469 Hagerty Road, took second and Mary Fink, 7428 Cynthia Drive, was third.

The 18 receiving honorable mention were: Paul Arigan, 600 Evergreen; Phyllis Barney, 934 Hartsough; Charles Catlett, 9409 S. Main; Thomas Chandler, 1800 N. Territorial; Wanda Distler, 11101 Gold Arbor; Cynthia Eley, 44644 John Alden Road; Sherada Erdelyi, 9110 Rocker; and Ralph Heid, 14417 Oxford Drive.

Susan Hulce, 8275 McClumpha Road; Rowena Innes, 7445 Plymouth Road; Judie Ing, 616 Jener Place; Barbara Kromer, 9322 Mapletree; Thomas Leckie, 1201 Hartsough; Robert McCall, 42490 Schoolcraft; Stephen Ott, 1440 Linden; Belinda Pate, 9074 Sheldon; Joan Schell, 875 Williams; and Michael Staff, 41339 Ivywood.

## Assoc. Spring Earnings and Sales Soar

Bristol, Conn.—First quarter sales and earnings of Associated Spring Corporation, headquartered here, advanced over year-ago levels, it was reported to shareholders by Carlyle F. Barnes, chairman, and Wallace Barnes, president. The corporation has a plant in Plymouth, Mich.

Sales of \$23,298,788 set a record for the second consecutive year.

## Sets Plans For Fall

Plymouth Children's Nursery, Inc. held its Spring open house on May 2 in the former Hough School, at the corner of Warren and Hagerty Road. A capacity crowd of members and prospective members observed the newly painted interior, bright and colorful with its red, white, and blue toy soldier theme.

A spotlight shone on the "Fun House", the newest piece of playground equipment constructed by fathers, which channels the children's imagination and energy in countless ways. There are two slides, a house partitioned into separate cubby holes into which a child can crawl, climbing bars and a steering wheel.

New officers for the year 1966-1967 were introduced: President, Mrs. Lawrence Venaska; First Vice President, Mrs. James Sonnegga; Second Vice President, Mrs. Harold Lawrence; Treasurer, Mrs. Hugh Harsha; Recording Secretary, Mrs. Gorham Cowl; Corresponding Secretary, Mrs. Don Fogarty; and Huron Valley Council Delegate, Mrs. Glenn Arendsen.

The cooperative nursery is taking registrations for the Fall term. A fourth session has been added on Monday and Wednesday afternoons from 12:45 p.m. to 2:45 p.m. There are openings for four-year-olds in this session, as well as the Tuesday-Thursday afternoon session.

There is a waiting list in anticipation of future openings in the morning classes for both three and four year olds.

Mrs. Lionel Guregion, who has taught five years in the school, will be teaching the Monday-Wednesday-Friday sessions for four year olds. Beginning her fourth year with the nursery will be Mrs. John Hopkins, who will teach the three-year-olds on Tuesday and Thursday mornings.

Mrs. William Klechmer, a former Romper Room teacher in Dayton, O., will be teaching the Tuesday and Thursday afternoon session for four year olds.

For further information, call Mrs. Alan Woodworth, 453-8232.

We can keep you in hot water.

In fact, we guarantee it!

**SATISFACTION  
GUARANTEED**  
BY  
**DETROIT EDISON**

An electric water heater is for the people who don't like to run out of hot water. We're so sure you'll like one, we guarantee your satisfaction—for a whole year! What do we mean by satisfaction? Simply this: If you don't get all the hot water you want, when you want it, you get all your money back, including any you may have spent on installation. And it doesn't matter where you bought your electric water heater. The Edison guarantee still applies. No strings attached. Fair enough?

**EDISON**

P.S. Average-size families with electric water heaters pay as little as \$8.88 a month—a standard rate—for hot water. How much are you paying?

## Voss Preparing Application For Beautification Grant

Application is being made for a \$50,000 Beautification Grant to the federal government to develop park sites in Nankin Township.

Authorized to prepare and file the applications on behalf of the township is Parks and Recreation Superintendent John H. Voss.

The actual amount being asked for is \$46,350 of which Nankin would have to pay \$23,175 as its share of the 50 per cent matching funds grant.

If the money is granted, it will

be used to develop the park site at Wildwood and Hunter and Stottmeyer.

Other projects which could be completed if the moneys are granted include:

Install picnic and playground equipment at Elliot, Madison, Nankin Civic Center, Wildwood and Denton, and Stottmeyer.

The Beautification Grant comes under the Urban Beautification and Improvement Program of Title VII of the Housing and Urban Development Act of 1965.

Actually, development of the above mentioned sites will not cost Nankin very much, if anything. The Township's share of the matching grant (\$23,175) will be met by the Wayne Community School District.

The School District swapped the Wildwood and Hunter site to Nankin for the former Jaycee Park on Wildwood and Cherry Hill. The swap included an approximate \$23,000 to be given to

Nankin to develop the Wildwood-Hunter property—money which the township may conveniently use to put up its share of the matching funds grant.

The School District is in the process of constructing a new elementary school building at Wildwood and Cherry Hill to service Nankin children in that area.

The actual monetary agreement made by the School District included:

- Clearance of five acres with removal of underbrush, dead and undesirable trees, including stumps, a minimum of \$15,000 and not to exceed \$21,000.
- Grading, topsoil and seeding for softball and baseball diamonds—\$5,000.

- Fencing, backstops and removal of present equipment to the new site—\$3,000.

By using the above funds obtained in the land swap, Nankin will be able (with the help of Uncle Sam) to accomplish \$50,000 worth of park development in the township.

An earlier attempt had been made to develop the parks under the "Open Space" program but because it would have cost at least \$500 to apply for that particular grant, Voss switched plans and is now applying for a Beautification Grant instead.

### MSU Plans Marketing Center in Latin Land

EAST LANSING — The U.S. Agency for International Development has granted Michigan State University \$397,262 to establish a center that will assist Latin American countries in effective marketing of food and other goods.

The new National Market Planning Development Center will operate in Washington and Latin America as well as at MSU. University faculty members in marketing, communications, economics and agricultural engineering will be technical advisers to the center.

Minimize your on troubles—leave the worrying to others.

## City Council Assured of State Approval On Its New Charter

Garden City Council agreed to move ahead with the printing of its revised city charter Monday after being assured that the document will be approved soon by the state attorney general's office.

Mayor Edwin Freeh, Jr., told the council that he was told that the state office will forward the charter to the city in the near future. Voters will decide June 13 on the revised document.

However, taking no chances, the council conditioned the publication of the charter on a letter from the attorney general's office indicating its approval. It was pointed out that the estimated cost of printing the charter in a newspaper will be \$1,500. No bids will be taken since competitive bids were accepted when the council approved an official newspaper for the purpose of publishing the city's legal notices.

Councilman Douglas F. Waddell joshed the mayor about "no more pictures" of him taken by the city's official photographer in a suggestion to cut down other costs.

THE CITY COUNCIL Monday also was told that the federal government, paying half of the \$350,000 cost of the Civic Center, has held up the final \$16,000 payment pending a check of a \$2,505 legal fee.

City Clerk Neil F. Michaelson told the council that a detailed breakdown of the attorney's fee will be sent to the federal government. Final approval of the last payment would then be expected within a week or two, he said.

Approval was granted to health licenses for Salvatore Pizzeria, 6327 Middlebelt, Garden City Delicatessen, 29443 Ford Rd.; Walon's Lounge, 31831 Ford, and Mr. McK's Partyville, 927 Inkster. Soft drink licenses were approved for Hagen Party Store, 173 Ink-

ster, and Walon's Lounge.

The council tabled a request from the Wayne County Library Board to stop the supplying of cleaning materials for its branch in Garden City. The action would take effect next July 1.

It is expected that the city would have a lower fee from the county but it would have to handle the cleaning service itself.

Police Chief Robert Behrendt was also directed to look into the possibility of using a private janitorial service for the library building.

Urban Renewal Director Henry Graper, Jr., told the council that the contractor for the residential subdivision of 39 lots has received Federal Housing Administration approval. Construction in the development is expected within a week or two, Graper said.

Superior Co. submitted the only bid on 500 feet of sewer pipe. The council approved their price of \$6.65 per foot.

In other bid action, Cummings Co. had the lowest price of \$1.37 per yard of sand. B & B Parking Lot Maintenance Co. of Detroit will resurface the outdoor swimming pool for its low bid price of \$920.

Tabled for future action were bids on two Dept. of Public Works trucks. Councilmen expressed hope that North Brothers Ford, a local agency, is considered although their bid is only \$40 more than the apparent low bidder. City Supt. George Langford will study the bids and make a recommendation in two weeks.

Police Chief Behrendt was given permission to attend the annual Michigan Chiefs of Police Association convention from June 28-30.

Behrendt will also look into the possibility of a private janitorial firm for maintaining the police station. The chief is asking the council to have a part-time janitor for the station.

## Passage-Gayde Legion Unit Lists Busy May Lineup

Members of the American Legion Auxiliary of Passage-Gayde Post 391 have a busy schedule ahead during the month of May.

The program opens on Friday, May 6 with the 17th District meeting at 8 p.m. at Rose-dale Park. Post and auxiliary members are urged to attend.

Saturday, May 14, is the testimonial dinner for Department Commander George Fredericks. Plymouth members desiring to attend are urged to contact Unit President Mae Hoelscher or Post Commander Robert Hewer.

Wednesday, May 18, is the date of the next meeting of the Auxiliary at 8 p.m. in the Legion Hall.

May 19-21 are Poppy Days. All members are urged to volunteer their services for one of the days.

Saturday, May 21, is the next session of the "Why Are We" series with the Knights of Col-

umbus and the Rosary Society as guests.

Poppy Day will be observed in Plymouth on Thursday, May 19. Flowers offered by the Legion Auxiliary on Poppy Day are made by disabled veterans and all contributions are used to aid veterans and widows and children of the war dead through the Auxiliary's Rehabilitation and Child Welfare program.

### Engineering Award

EAST LANSING—Dr. William A. Bradley of Michigan State University has received one of 14 annual national awards from the American Society for Engineering Education. Dr. Bradley, professor of metallurgy, mechanics and material science, received the award for excellence in engineering teaching and research. He also received an unrestricted \$500 grant.

**OUTSTANDING "VEEP"** of the year is the new title for Chris Sherry, daughter of Mr. and Mrs. Robert Sherry, 47035 N. Territorial Road, Plymouth. Chris, a junior at Plymouth High, was selected Vice President of the Year in the annual contest conducted by Junior Achievement in conjunction with the Sales-Marketing Executives of Detroit. She competed against 135 other JA company sales managers. She was vice president of Craftcoo Products which produced and sold 1,676 aluminum coat hangers. Chris won an all-expenses paid trip to the National Junior Achievement conference at the University of Indiana in late summer.

## Ancient Paper Tells History of Community

Some interesting facts about the early history of Plymouth Township were revealed in a paper presented to the Plymouth Historical Society by Harry Brown. He told the Society that his sister had found it among their mother's papers. It was hand written on old and yellowed paper by an unknown writer and tells of some long forgotten incidents of the early 1800s.

"The Township of Plymouth was settled in 1825.

"The following persons were some of the first that located in the Township of Plymouth: William Starkweather, John S. Tibbitts, Roswell Root, John Van-Sickle, A. B. Markham, John Miller, Peter and Henry Fralick, Silas Sly, Rufus Thayer, and many others.

"The first township meeting was held at the home of John Tibbitts May 4, 1827.

"William Bartow was elected Supervisor at the first township meeting at which \$154.40 was levied on the 140 tax payers, as over one half of the land was owned by non-residents, there was but \$68.40 to be collected.

"George A. Starkweather's mother was the first white woman to enter into the new settlement.

"Geo. A. Starkweather was the second white child born in the Township. He was born Feb. 26, 1826. Oscar Phillips being the first.

"The first frame school house was built in 1840 upon the lot now owned by Elmer Willett in North Village. The same building is now owned by Daniel Baker second house from Markham's shop on South Main St.

"The village of Plymouth was incorporated by Act of March 15, 1877. Ten days later the first election was held and the following officers were chosen. 129 votes polled at first village election.

President of Village—Bethuel Noyes.  
Village Clerk—Michael Connor.  
Village Treasurer—A. B. Coleman.

Village Assessors—Lewis H. Bennett and William A. Bassett.

Village Trustees — Samuel Hardenburg, Isaac N. Hedden, Ira M. Hough, Abram Fralick, Francis W. Fairman.

Plymouth has had two great fires. First great fire May 5, 1856. Loss \$60,000. Second fire, April, 1893, loss \$50,000.

On February 16, 1859, there was a boiler explosion at May and Hendricks Rake Factory on South Main Street. Two persons were killed, Henry Chilson and Abram Moreland. Peter Michol was quite badly injured. The building was demolished; the ground afterwards occupied by Wm. H. Hoyt as marble works.

The first Plymouth Brass Band was organized in the fall of 1856. James Connor was its first leader.

The museum, at 157 S. Main, is open 2 to 5 p.m., Saturday and Sunday.

## McDermott Enlists

Daniel McDermott has enlisted in the United States Marine Corps and departed for Recruit Training, San Diego, Calif. A former employee of Ford Motor Co., he enlisted for two years and will undergo eight weeks of extensive training after which he will graduate and receive two weeks to eight weeks of advanced training at Camp Pendleton.

## Mrs. Downs Gets Nod For Board

Mrs. Lois Downs has been approved as a Democratic member of the Board of Canvassers for the Wayne Community School District.

Mrs. Downs was appointed to the Board in April, 1964, as a Republican but she resigned after changing her political party affiliation to Democrat in July of 1965.

The appointment of Mrs. Downs fills the unexpired term of Clarence Johnson. Johnson declined running for another term because he plans on resigning as Detective of the Wayne County Youth Bureau to enter business for himself.

Murray Millar has been appointed to fill the Republican vacancy on the Board of Canvassers for a term beginning Jan. 1, 1966 and ending Dec. 31, 1970. Millar replaces George D. Pappas whose term expired.

The other two members filling out the Board of Canvassers are: Niram Hawley, Republican, serves until 1967, and Auston Bennett, Democrat, until 1967.

The Board convenes within three days succeeding an election and determines the result of the election upon each question and proposition voted upon and what persons were duly elected.

## Squillets Enlists

Gerald S. Squillets of Garden City, has enlisted in the United States Marine Corps for a period of three years. The son of Mr. and Mrs. Donald Squillets of 28504 Kathryn, Squillets will undergo eight weeks of extensive Recruit Training at San Diego, Calif.

## U-M Grid Coach Satisfied With Progress in Drills

ANN ARBOR—As Michigan concluded five weeks of spring football exercises last weekend with a "final examination" in the form of a regulation game, Coach Bump Elliott felt that some solid progress had been made.

"We wanted particularly to evaluate personnel, and I'm sure we accomplished that," said Elliott. "We had a real break in the weather that allowed us to proceed outdoors on schedule. We have much hard work ahead of us next fall but we have a much better idea of what our individual players can do."

The blue-clad varsity downed the whites 47-10, after being behind 3-0 in the first period, but more important than the score was the spirit and some particularly sharp blocking and tackling that sparked the game.

Ernie Sharpe, an elusive 190-pound junior letterman, scored the Blue's first two touchdowns on runs of 25 and 28 yards as he amassed 87 yards, leading his team which was essentially the first string offense and defense to victory. However, neither Jim Detwiler, recovering from a knee injury, or Carl Ward, out for track, were available for their regular berths.

"Sharpe could beat one of them out, or if he doesn't he'll be top swing man for either side," the Wolverine coach said.

Three prospective sophomore backs also showed well. Ernie Johnson, a fast and rugged Detroit weighing 190, ran and blocked well and so did George Hoey, a fast 170-pounder from Flint. Hoey, in particular, showed real speed while Tom

Jobe of Toledo, 183, also ran well. Johnson gained 32 yards in eight attempts, one for a touchdown.

The doubtful quarterback spot received a boost as Dick Vidmer ran and passed well and a newcomer who has fought off illness and injury for two seasons, John Thomas of Walled Lake, a 6-1, 190 pounder who can throw strikes added a cheering note to the picture.

Vidmer, who directed the Blue attack most of the time, completed 11 of 15 passes for 137 yards and gained 50 yards in eight running tries. Thomas showed poise as he completed eight of 20 tosses for 76 yards and dashed 14 yards in six tries.

On the receiving end, Captain Jack Clancy, a top nominee for All-American honors along with halfback Carl Ward, caught seven passes from Vidmer for 98 yards.

Stan Kemp, usually a punting specialist, got in the receiving act by grabbing five aeriels from Thomas, while Royce Spencer, Chicago, junior-to-be, also stood out, catching two passes and turning in some crisp blocking.

Fullback Tim Radigan, senior next fall, from Lansing switched from the White squad early in the first quarter when varsity line-crasher Dave Fisher received an injured back muscle, and bulled his way to three touchdowns from two to three yards out.

Interior line strength still is Michigan's chief concern along with the quarterback spot. But apparently there are some candidates who may help replace such players as All-American Bill Yearby, Tom Mack and Charlie Kines at the tackles.

One of these is a junior-to-be, Dick Williamson, a 230-pounder from East Detroit. Williamson is a top candidate for a defensive tackle on the basis of his spring showing, after being buried on the reserves all last year.

Interestingly enough, Williamson, along with two strong incoming sophomores, are non-scholarship athletes. The other pair are Bob Wedge of Port Huron, a rugged looking end or defensive back, and Jerry Hartman of Ann Arbor, also a strong candidate for a defensive back-field spot.

## Young Essayists Win Cancer Prize

An article on the topic of smoking and lung cancer, written by Emerson Junior High School students Marsha Rappley and Beverly Gaabo, won county, state and national awards in the 1965 School Press Project sponsored by the Michigan and National Tuberculosis Associations.

The article, which described a science class project that induced cancer on experimental mice, appeared in the December issue of the Emerson Eagle, the school newspaper.

Marsha and Beverly, along with Kenneth Watson, the

newspaper's adviser, traveled to Lansing on April 20, to receive their awards.

Along with winners from other areas in Michigan, they toured the State Capitol, lunched at the Lansing Press Club, and toured the Lansing State Journal newspaper.

## Girl Athletes Win Awards

The Redford Township Junior Athletic Club held its annual banquet, with 200 people present.

Jack Jominy was Master of Ceremonies.

The "John Bennett Sportsman Award," given to the senior girls, was won by Pat Casey with runnerup Barbara Petersmarck and Marilyn Turner. The "Doris Malanovsky Sportsman Award" given to the junior girls, was won by Paula Maynard with runnerup Lynn Johnson and Kathy Harding.

The team awards were won by the "Cardinals" in the Senior League and the "Pea-Cocks" in the Junior League. Girls scoring the highest points were Marilyn Turner, Senior League; Marsha Leonard, Junior League; and Paul-ette Szostack, Teen-age League.

The table decorations, profiles of all the coaches, were made by Carol and Linda Bennett. Those who planned the banquet were: Chairman, Mrs. Doris Malanovsky, Mrs. Mae Petersmarck, Mrs. Joanne Guregian, Mrs. Barbara Gast, Mrs. Ellen Brown, Mrs. Pat Rzepka, Mrs. Betty Maynard and Mrs. Ruth Jominy.

**IMAGINATION**  
Fishermen often fail to catch a good string, but they're sure to come up with a good yarn.

## TOWNSHIP CLERK BOWS OUT

### "Sparky" Says Adieu In Poem to Helen

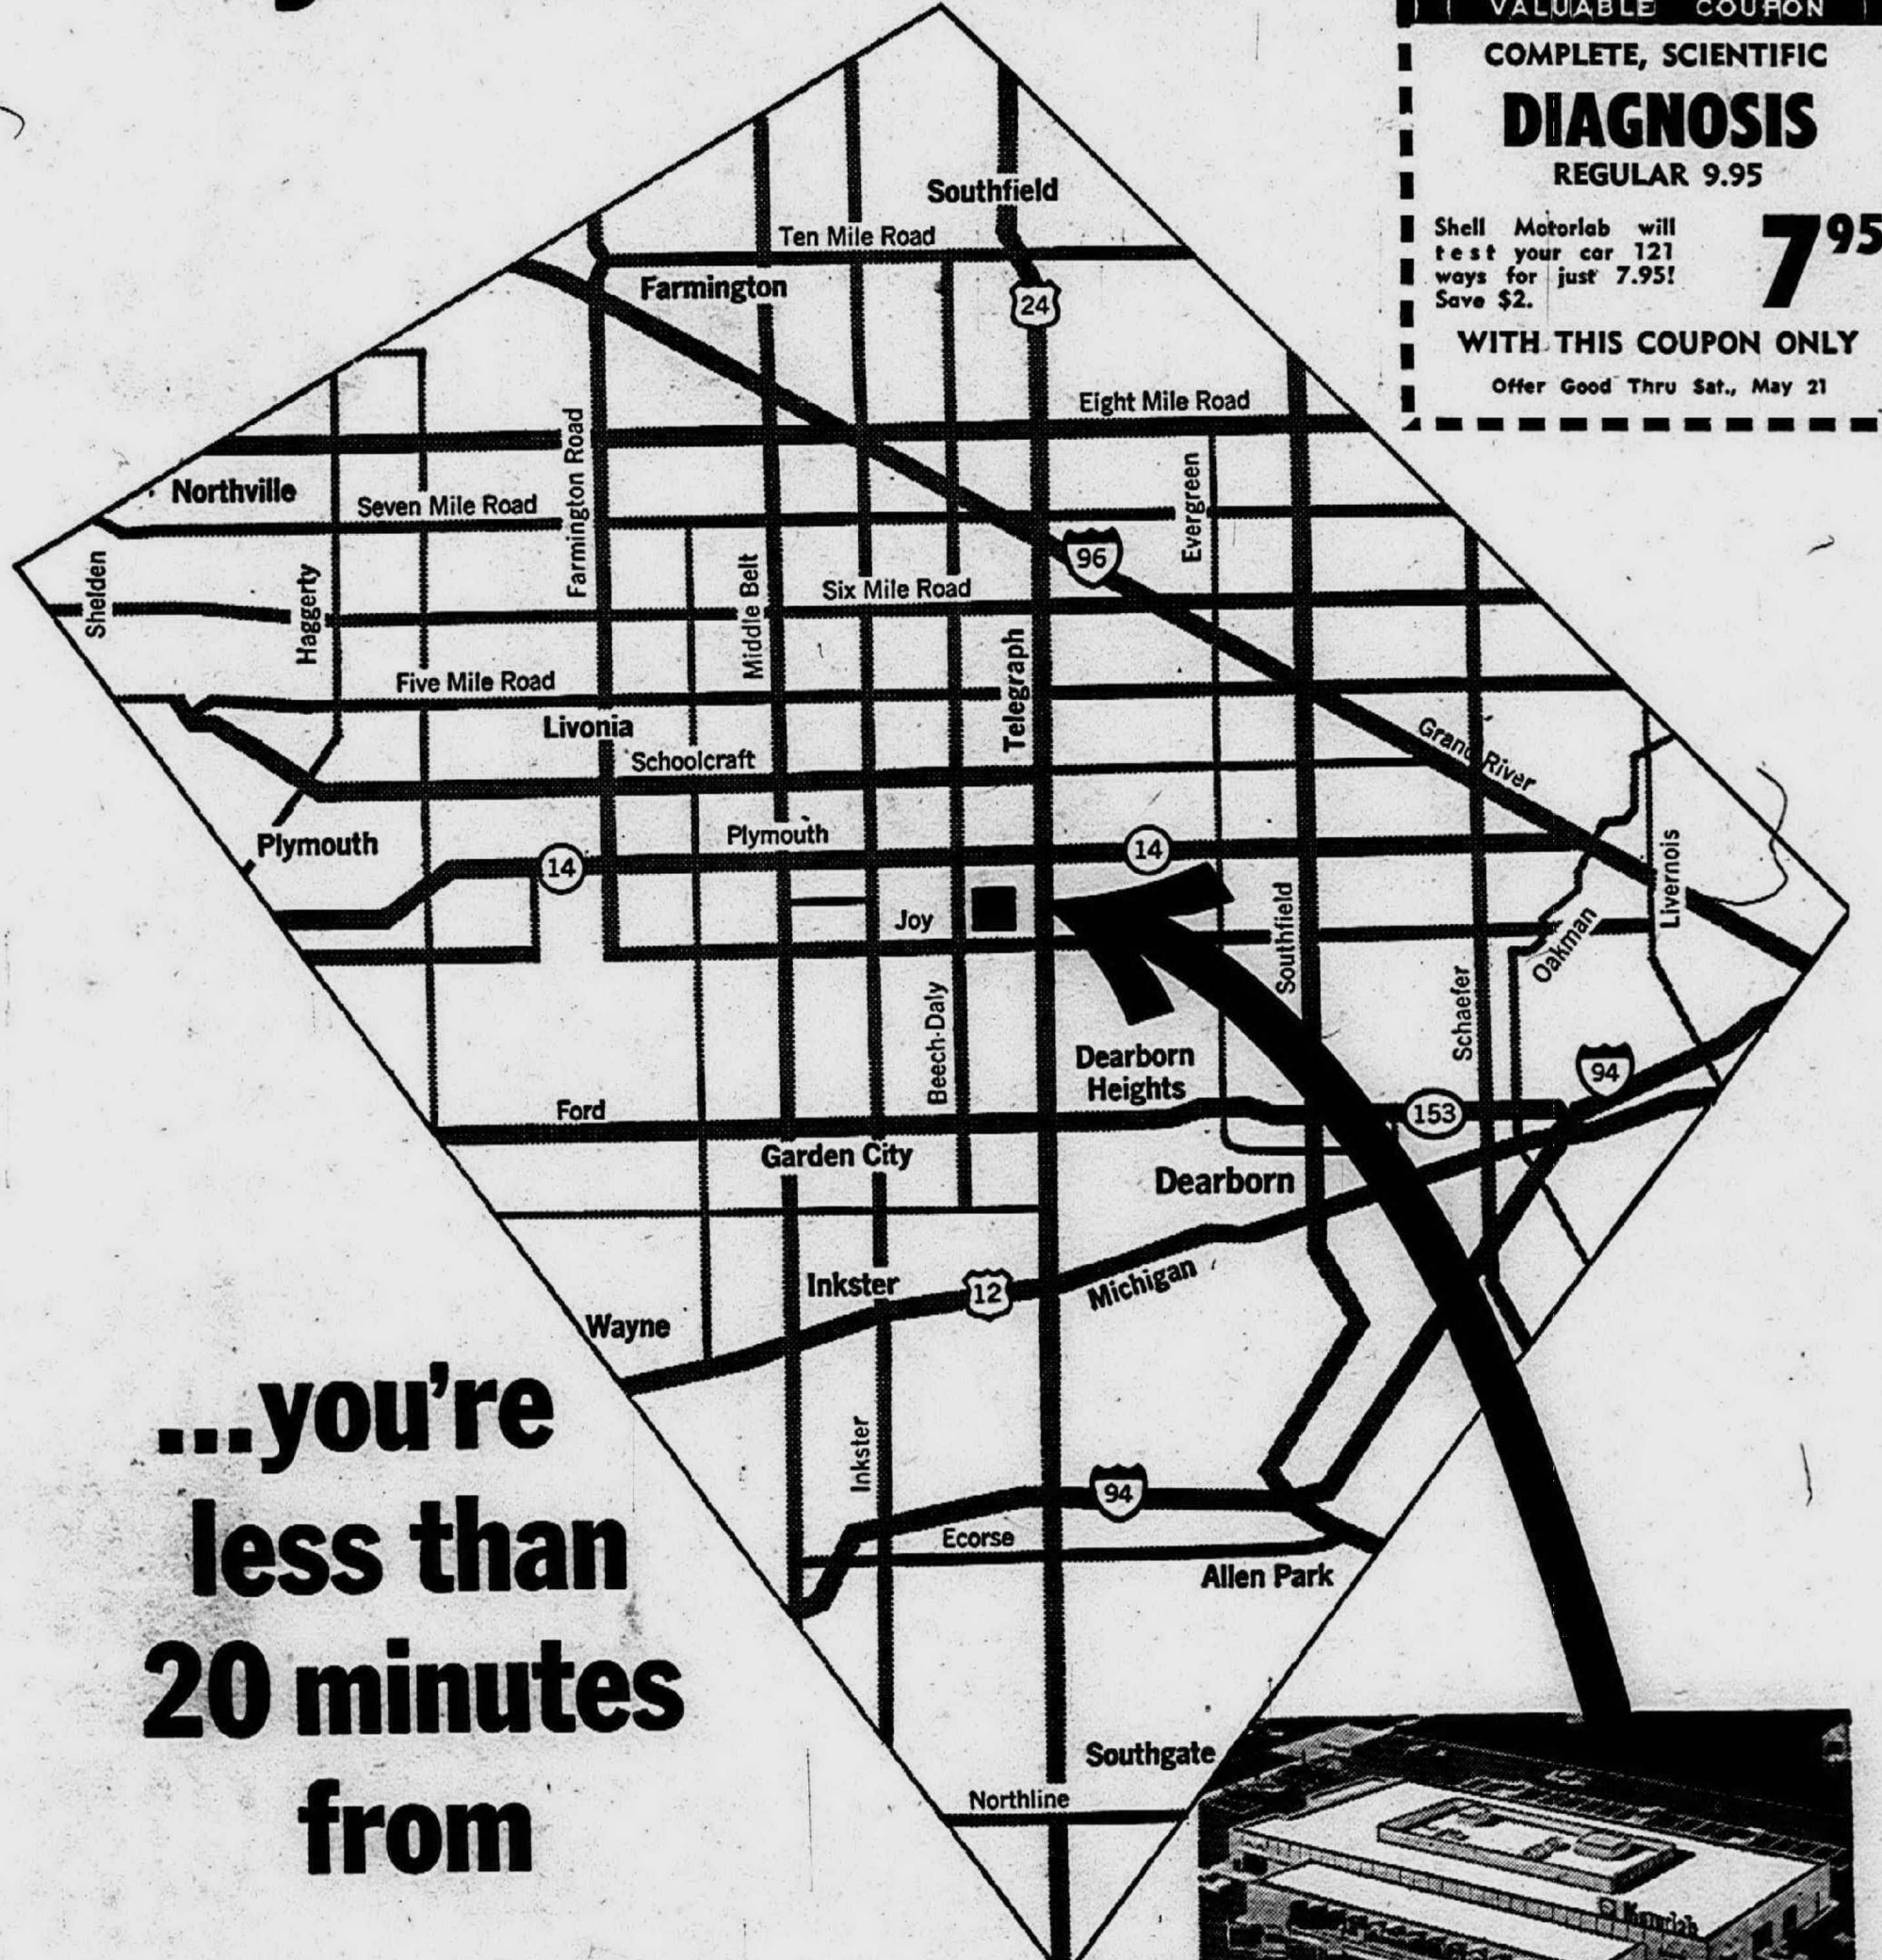

C. Veach Sparks, longtime Plymouth Township Trustee and for the past year Township Clerk, closed out his years of service Friday when his resignation from the clerk's position became effective.

"Sparky" tendered his resignation three weeks ago effective April 30 and was replaced by Deputy Clerk Mrs. Helen Richardson who was appointed by the Trustees but won't be sworn in until the May meeting next Tuesday night.

The Township Hall gang held a farewell for "Sparky" Friday and the highspot of the event came in the following poem he dedicated to his successor.

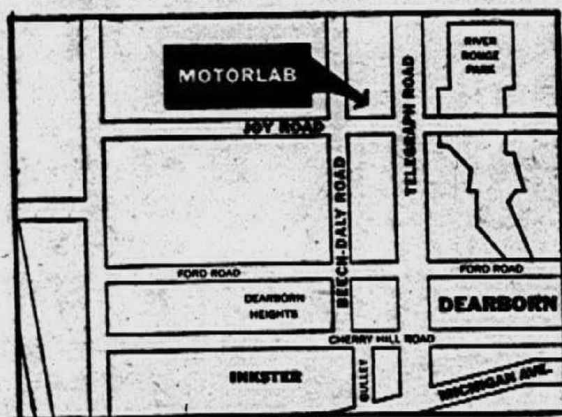

Here's a toast I'd like to drink,  
To a lovely lady I know  
To one who has come to take my place  
Now that it's time for me to go  
I'd like to give her the warm hand clasp  
When never a friend seems near  
I'd like to give her the cheering word  
I have longed at times to hear  
Will she gaze down the failures and fruitless toils  
To the underlying plan  
To gaze with intent at the real intent  
In the heart of a vanquished mind  
Yet I dare say she'll pause someday  
At the toils I have wrought  
To gain some strength for her weary task  
And the battles to be fought  
But I have only the task itself to leave  
The cares are for her to face  
And I'll sometime say a cheering word  
To the gal who took my place  
So today I drink to your health, my friend  
As a bridegroom to his bride  
I will leave an unfinished task for you  
And God knows how I have tried.  
I have dreamed my dreams as all men do  
And some of them came true  
And my prayers today are that the rest  
May be realized by you.  
And we will meet someday in the great unknown  
Far out in the realms of space  
And you will know my grip  
When I take your hand and gaze into your tired face.  
Then all failures will be successes  
In the light of a new found dawn  
So today I drink to your health my friend  
Who'll take my place when I'm gone.

## L. W. Clark Retires After 38 Years

Lemore W. Clark, manager of Detroit Edison's seven operating departments, who started his Edison career in 1928 retired May 1.

Clark was born in Evansville, Wis., and earned an electrical engineering degree at the University of Wisconsin before joining Detroit Edison. His first assignments were in the company's engineering departments and he headed the underground lines department for five years before being assigned duties as the assistant manager of operations in 1953. Since mid-1960 he has had managerial responsibility for the central heating, electrical system, meter, overhead lines, production, stores and transportation, and underground lines departments.

While on loan from Detroit Edison during 1952 and 1953 he served as director of the materials and equipment division of the Defense Electric Power Administration and recently he has completed five and one-half years as deputy director of the local defense electric power area of the Office of Assistant Secretary for Water and Power Development, Department of Interior.

He is a registered professional engineer, a member of the Engineering Society of Detroit, and has taken an active part locally and nationally in the affairs of the Institute of Electrical and Electronics Engineers, in which he has been a Fellow since 1949. He has also written several pieces on welding, arc furnaces and power supply.

Mr. Clark and his wife, Pauline, have three sons—Robert, David and Dr. John Clark, a dentist on active duty with the U. S. Navy—and two grandchildren. The family home is at 30325 W. 12 Mile Rd. in Farmington.

## Sarah Fisher Brownies Ask for Leaders

By AMY CHARRON  
474-0713

Sounding a plea to all former leaders. Where are you? We need you — won't you help? Mrs. Judy Zahler of the Southeast neighborhood is requesting your assistance. The girls at the Sarah Fisher Home need your help.

Mrs. Zahler is leader for the Brownie troop at the home and has been for the past three years. However, she needs help with the work load. Both leaders and co-leaders are needed. At the present time there is both a Brownie troop and a Junior troop organized at the home. Mrs. Zahler can be contacted at her home phone 474-6327.

Junior troop 224 recently held a Court of Awards and the installation of new patrol leaders. The following were honored:

Candy Brinkley, camera, housekeeper, prints, arts in the round, my home, collector, cook, dabbler, home health and safety, and observer; Beth Lord, housekeeper, prints, my home, collector, cook, dabbler, home health and safety;

Cathy Lehman, prints, art in the round and collector; Sarah Blake, camera, collector, observer and skater; Gail Heuer, cook, troop dramatics and hospitality; Feli Engelbrecht, gypsy and musician;

Margaret Otti, books; Nancy Stange, pets, camera, collector, observer, skater, story teller and musician; Sharon Knight, collector; Betsy Hoffman, my home, cook, troop dramatics, hospitality, home health and safety, pen pal, rambler and the sign of the arrow; Sandy Leone, pets; Laurie Barts, hospitality.

The new patrol leaders are Helen Kauzoujian, Margaret Otto and Ann Skillman.

Mrs. Gordon Hervels and Mrs. Paul Hoffman are the troop leaders.

Mrs. Phil Sills asked me to thank the troop for their monthly seasonal tray favors for the residents of the Plymouth State Home. She tells us that this is appreciated and how nice the favors have been done and how they are put to good use.

Memorial Day Parade time is fast approaching. Plan to march. We still need convertibles.

Remember the Brownie Pow Wow time on May 14 at Riverside Park.

## Day Is Author

James Day of 30400 W. 11 Mile Rd., Farmington, has written the foreword to a recently published book "How To Be Logical Thinker" written by Raymond J. Murphy, a professor in the business school at Wayne State University. Day is president of Security Group Incorporated in Detroit.

## Excellent Thought, But . . .

A new state law which will go into effect on June 30 may have to be revised within the next few years if current developments in Wayne County continue.

The legislation referred to is a bill requiring all new public school buildings or old ones undergoing major remodeling to provide special features for the physically handicapped. These facilities will consist mostly of a slope instead of steps and doors wide enough for a wheelchair.

Most new schools are being built with one floor so that the only requirement to be met as far as the bill is concerned would be wider doors. The expense will be negligible but the need may be diminishing in light of current developments.

First, school health specialists report that there has been a sharp decrease in the incidence of orthopedic cases in the past couple years, a trend expected to continue because of scientific research into the effect of certain drugs on expectant mothers in regards to physically handicapped children. If the trend does continue as expected the need for ALL schools to provide facilities for the physically handicapped will diminish.

But a more important development is the plan of the Wayne County Intermediate School District to form a "cluster program" for special services. In theory, one school district would provide facilities for physically handicapped and enroll other students from a specified number of districts within its area. Another school system would provide facilities for the blind, another for the deaf and another for the mentally handicapped.

Because of the decrease in the number of

orthopedic cases, school officials are not yet sure if there will be a need for a cluster program for the physically handicapped. But if a cluster program is formed for the physically handicapped, and one district handles all the handicapped students from the other six districts, it should provide special facilities.

State colleges and universities have some very fine blueprints to provide facilities, which is excellent because it provides the physically handicapped student the opportunity to get a college education without undue hardship. The high school wheel-chair student should have the same opportunity and so the thought of the bill is praiseworthy. But if the cluster program is initiated for the orthopedic and the number of cases continues to decrease, some schools may be required to provide facilities by state law which will never be used.

Without a doubt, these facilities should be provided for the wheel-chair student. But if the County School District decides Redford will be the cluster center for orthopedic students from Livonia, Garden City, Nankin, Wayne and Cherry Hill districts (only an assumption used for example) then only the Redford schools would have need to provide the facilities and no need would exist for the other five.

The County will soon be releasing a report on its cluster program and at that time it could possibly be determined that the state law should be amended to include a provision that only those districts in Wayne County named by the Intermediate District to be orthopedic centers will be required to provide the facilities. It seems this would be necessary to prevent school designers from including facilities which would never be used. **EMORY DANIELS**

## Enigma of the Chinese

**FOCUS ON VIETNAM:** "The Red Chinese have not intervened directly in the Vietnam conflict, and they will not, under almost any circumstances, because they know the U.S. cannot be dislodged by force from Vietnam."

This opinion was expressed by Rhoads Murphey, professor of geography and a member of the Center for Chinese Studies at the University of Michigan, in his recent speech, "The Role of China in the Vietnam Conflict—Implications for U.S. Policy." His appearance was sponsored by the American Friends Service Committee as a part of an educational series designed to examine various facets of the Vietnam problem.

Murphey, a former editor of the Journal of Asian Studies, is the author of several books and articles on China. He lived in China from 1943 to 1946, while serving as a member of the Friends Ambulance Unit. He has also lived in India and has made recent periodic visits to Taiwan, Japan, and the Southeast Asian countries, including Vietnam.

"China is immense," Murphey said, "not simply in size and numbers, but in terms of its power; not only strategic military power, but the power of the thrust of their revolution."

In examining the basis of Chinese power, Murphey feels that it is necessary to understand the attitudes that the Chinese have about themselves. He said the Chinese make the following important assumptions:

- 1) That the U.S. is on the decline, so is Russia, and the Chinese model of Communism will prevail in the world "as the east wind prevails over the west wind."
- 2) That China must reestablish control over her historical empire, which includes Tibet, Outer Manchuria, and Taiwan; and she must have neighbors that are, if not friendly,

at least not hostile, who do not harbor bases of the outside enemy.

3) That the world Communist revolution will turn to China for leadership.

4) That China will regain her historical position of greatness in the world, as a civilization of high cultural achievement, as she was for centuries in the past.

Murphey believes nationalism is more important than Marxism to the Chinese, but "the acquisition of additional territory by military aggression is not part of the Chinese pattern. Her greatest weapon in the world now is inflammatory propaganda."

"While obviously being in favor of revolution, they believe Communism will succeed in other countries in spite of outsiders, so China will give advice."

"They won't become involved in Vietnam, because that in the long run, it has to go their way . . . and I don't think present U.S. policy in Vietnam is proving them wrong."

"We haven't learned to meet the problem of revolution throughout the world, even though we've had our own revolution. It may be too late to save Vietnam from Communism unless the U.S. can use all its abilities to assist the social and economic development. China knows that the problem is socio-economic, not military, and she has great political patience."

The chances are, Murphey thinks, that as the old Chinese revolutionaries disappear and a new generation of leadership emerges, China will become more cooperative with the rest of the world, will begin to sound more like Russia.

"The U.S. is going to have to reckon with China, but China may not be a serious threat to the U.S.," he said.

## Yes, Mrs. Schanstra, You Paid Less

Subject: An Answer to the Open Letter of Mrs. H. L. Schanstra, Garden City.  
(See Letter on Page 1B)

**Editor:**  
I strongly object to the opinions expressed in the first and last paragraphs of your letter regarding the responsibility of people within a community to pay for their own educational needs. The taxpayers of Nankin in the Livonia School District have not and do not pay as much as taxpayers in Livonia in supporting the financial needs of the Livonia School District. This is not an opinion—it is a matter of fact.

Until this year, Nankin paid a lower tax rate. The rate in 1964 was \$38.42 per \$1,000 assessed valuation for the Livonia taxpayers and \$35.00 per \$1,000 for the Nankin taxpayers in the Livonia School District. Also, the Wayne County Bureau of Taxation assesses in Nankin at approximately 10% less than in Livonia for identical homes. Therefore, you do not and will not pay the same amount because you live in a different assessing district.

The people of the City of Livonia have also spent hundreds of thousands of dollars to attract industry and to provide the necessary facilities for industry. For example, a \$600,000 water main is now being installed to serve industry in Livonia. This industrial tax base is being diluted by paying for the educational needs of Nankin residents. May I ask what township taxes you and your neighbors have paid to attract industry into the Nankin portion of the Livonia School District?

Our city's planning and zoning are based on the concept of controlling population density. The people of Livonia have just voted additional millage to pay for buying open space to take land off from the housing market in order to reduce school needs. Tell me, Mrs. Schanstra, what have you and your officials

done to reduce the school load? The poor planning of your area has added greatly to the schools' responsibility and this additional burden has had to be borne by taxpayers of the City of Livonia.

I might also add that, as a township, you have received many county services which Livonians don't receive. You pay the same county taxes as taxpayers of Livonia, although at a lower assessed valuation rate. You see, you don't pay your own way.

I am gratified by your sense of responsibility, however, and I would urge you and your neighbors to work toward assuming your rightful responsibility and form a school district for the city of Westland. I will be more than happy to assist you in any way that I can to bring about this fair distribution of responsibility to our two areas.

**HARVEY W. MOELKE,  
MAYOR  
CITY OF LIVONIA.**

FRANK MCGUIRE

## Majority of "Readers" Favor I-96, East

**Editor:**

About these freeways, since one route costs less than another to build, the one costing less should be used. There is one thing that is never mentioned, it's the rights of the property owners whose land is involved. High officials can halt the project indefinitely, but what about the people who bought their land for their own use and progress?

In our case I assure you that we did not buy it just to pay taxes and then become tied down with it, until they make up their minds which way it's to go. There should be a law against this.

If land is needed for a freeway it should be bought so the property owners called could have a chance to make a life of his own some place else. The way it is now, we are kept suspended in mid air for years and years not knowing which way to turn. I don't find this fair or honest. Yes, they have the right to do this but what rights have we? We should have some rights. Life is short and waiting and waiting are years wasted that no money can buy.

**E. D. REDFORD TOWNSHIP**  
P.S. I'm not against progress, but I'd like to make some of my own for ourselves.

**Editor:**  
I agree with Mr. J. Levine whose letter appeared in last week's Observer that the Michigan State Highway Commission proceed with the easterly route of I-96 as originally proposed by it.

In the first place, the easterly route would be the most economical one while the westerly route would double in cost, that is, \$12 million dollars. Our state will find itself in another financial crisis if caution is not used in spending.

Secondly, the westerly route would definitely interfere with Schoolcraft College property and prove a detriment to the patients and inmates of both Hawthorn Center and Northville State Hospital because of the noise which would be created thereby.

Thirdly, the students of Schoolcraft College would be deprived of the benefits of the Newman Club which is located on and faces Haggerty Road.

As far as a good portion being cut off from Livonia, as Mr. Levine pointed out, the Edward Hines Drive already cuts off a part of Livonia.

As to deprivation of facilities, people have lived in Livonia from 10 to 20 years without

receiving any facilities whatsoever and yet are compelled to pay exorbitant taxes year after year.

**L. AUGUSTINE**

### Vote For I-96 East

**Editor:**

Cast my vote in favor of the easterly route, "cutting off" part of Livonia. It is useless to argue about who told who what, five years ago. The situation is here, now, so let's get the best solution and stop trying to put the blame on someone.

The easterly route will be best for the college and could not possibly harm the City of Livonia as much as Mayor Moelke claims. The Mayor seems to forget that the people of Livonia are also residents of the Schoolcraft College District.

**CRISPEN N. HAMMOND**  
Garden City

### Schoolcraft Residents Want I-96 Answers

**Editor:**

The time has come, that I agree, that our City officials should and must make up their minds about the I-96 expressway.

You have argued for two years—the people elect—your thinking you should give us some assurance of what is going on or what we can expect, I agree with.

I am a widow with property on Schoolcraft. I would like to have some ideas as to what I should do about my property; as to when it will be sold.

As for parks, who can be safe in a park anymore? So I'd say forget the parks and save six million dollars.

**ERA MCMURRY**  
Livonia  
P.S. All home owners on Schoolcraft are also interested in knowing what to do with their property. M. Carpenter, Margaret Hargrave, Harold Snadden, Margaret Tuovh.

**Ed. Note:** City officials are presently meeting on the subject and trying to arrive at a conclusion. All events will be closely followed by Observer reporters. It is the opinion of The Observer they will finally follow the easterly route which is the cheapest, however, no decision has been reached as of this publication.

### Disagrees With Us

**Editor:**

The First Methodist Church of Farmington must take exception to the prevailing attitude of some persons toward the Church's proposed acquisition of property for parking on the corner of Warner and Thomas

streets. There has not been and will not be any underhanded, or ulterior motives behind this transaction. Purchase of this property for parking will practically eliminate two major problems: Namely the congestion along Warner Street and the pedestrian crossing of Grand River by church members.

The frivolous half-truths being printed regarding this matter represent reporting at its lowest ebb and is creating deep resentment among church members. It is hoped that any future reporting of public meetings on this matter will represent actual happenings rather than some reporter's personal opinions interspersed with humorous anecdotes.

There is little doubt that the entire proposal will be transacted to the satisfaction of all parties concerned following approval of re-zoning by the City Council. The City of Farmington Planning Commission has already recommended that the Council approve this re-zoning.

**BOARD OF TRUSTEES,  
FIRST METHODIST  
CHURCH, FARMINGTON**

### Bothered by Mr. Noe

**Editor:**

I feel I have to write this letter to get this off my chest.

Just how does someone get a column in a newspaper for the benefits of his own personal grudges?

I am talking about this so called "Politically Speaking." Whose politics? And whose speaking? This column is, as far as I can see, just speaking out on Mr. Noe's personal vendetta. Who is he supposed to represent? I see in the paper above his little bit of Nastiness, that these are not necessarily the views of your paper, but from the way it reads it is a news article. It most certainly is not.

He writes his own personal gripes in the form of a news release but in fact are half truths and insinuations.

I am not in politics or do I plan to be running for an office, but I know right from wrong. And I say a guy like this that has to knock a garbage ordinance in order to try and make the present administration look bad, sure doesn't have much, right, to say.

I am so sick and tired of hearing "when I was at City Hall" four or five times in every article. If you were so great there, why were you forced to leave?

**JAMES C. TAKACS**  
Garden City

# Observing the Scene . . .

By MYRA CHANDLER

**WANTED:** Outstanding leaders of the community; interested in contributing thought and time. Please see your local school superintendent if you wish to apply.

Saturday, May 14 at 4:00 p.m. is the final deadline for filing petitions for school boards in all communities for the election to be held June 13.

As of this publication there is a dearth of candidates.

By an incumbent, perhaps, this might be taken for a vote of confidence. By this reporter it is taken as an omen of apathy.

It is far healthier for a community to have 10 candidates for one seat and allow the voters to choose the top, then to have no contest.

In the first place a candidate must involve himself in issues. He learns first hand the problem. So does his family and close friends, and even neighbors. It is always an educational process. The more candidates who become involved, particularly in school elections, the more the problem, the meaningful decisions; the responsibility assumed, will be realized. This is important to any growing, thriving community.

Personally, although it will cost me more money too, I'm delighted Livonia passed its school millage. I don't want my property values to decrease. The first step in degradation of a community is a lack of support of the community of its schools.

Every effort must now be made in all of our communities to work with legislators on changing our tax structure. Home owners must be taxed more equitably than they are now. Everyone agrees we have reached the breaking point. No tax is a good tax, however, an educational system cannot be made to suffer the concept must change. The schools must be used more—and a change in formula must come from Lansing.

To probe and work with legislators we must see knowledgeable citizens, interested in widening their horizons; run for school board posts. A school board member can no longer just keep things on an even keel—not rock the boat. A school board member must take the initiative, be a leader with new ideas and conviction to carry them to their ultimate goal.

In every one of our communities there is a skimpy group running for school board posts.

In Livonia there is one opening for a four year term and incumbent Lonnie Brashers has petitions out. Erwin S. Brown will run for the remaining year of the term he was appointed to fill. There are no others who have expressed an intention. And yet, there are many in Livonia who have expressed ideas, many good, on how the school board should be run. Where are they now?

In South Redford incumbent Donald Sharp is again a candidate. There is only one vacancy and no other names mentioned.

In Redford Union Kenneth Avery, after 20 years of service is not going to run again. He has done his part. James Payne is planning on being a candidate as is Don Hudson. Hopefully there will be more.

In Garden City petitions were taken out by incumbents Richard Weaver, Russell Millar and Gerald Engwis and are going to be challenged by Donald Kelley and Arthur Livermore. There are three seats open. There should be at least 15 candidates running in a lively community like Garden City.

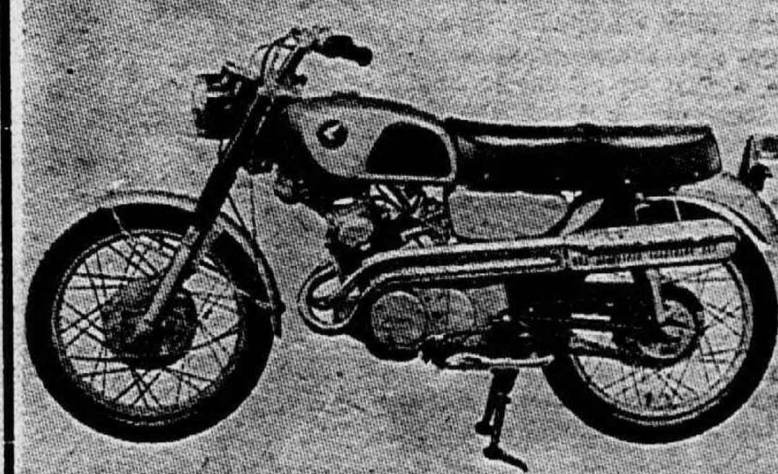

In Plymouth there are three posts.

Up for re-election are R. Bruce Scott, who was appointed last fall for an unexpired term, Robert Soth, eight year member and Ernest Henry, ending his first four-year term.

Only Robert Soth has indicated he will not run again. Robert Tripp and Richard Arlen have indicated they will be candidates. There must be more in a progressive, school district such as Plymouth. Many successful businessmen live in the community of Plymouth; many college-graduated women, not now employed, who could give of their previous training in making decisions which can affect the fate of every child in the community.

It is true as a candidate you become a target for every crack-pot in your community. The time spent is sometimes arduous, but the reward is knowing you are a member of a free society, that governs itself, and there's only one way to keep it that way so guard it with watchful interest.

## DIABETES? OR HYPOGLYCEMIA

High-Blood Sugar? Or Low Blood Sugar?

One-hundred and fifty years ago, average annual consumption of sugar per capita in the United States was five pounds. Today over 100 pounds per capita each year! The increase in high-blood sugar and low-blood sugar has been co-incidental with the consumption of sugar. It has been predicted that within a dozen years, half of us in the United States, able to work and pay taxes, will be forced to take care of the other half, who will be in. incapacitated, because of disability.

Learn now how to maintain a better-balanced body chemistry! In many cases of low blood sugar there is usually a strong craving for coffee. Dr. Abrahamson—in his book, Body, Mind & Sugar—has pointed out that it is practically impossible to control low blood sugar if the patient insists in drinking coffee.

If you have abnormal and frequent hunger pains, and crave sweets constantly, also desire for starches, and coffee, you need this nutritional plan.

Try ZERBO'S Nutritional body rebuilding program. Come in for a free interview, and let us show you how we have helped hundreds of others! Dr. Code Martin of New York has found almost every delinquent with a body chemistry, low in Blood-Sugar-Levels.

Visit our store on Saturdays for free tests days! Come in for free interviews  
With no obligation on your part.

### Talks Set On Morals

By LINDA OEHLEK

Liturgical innovations will characterize the three "days of renewal" Monday, May 16, through Wednesday, May 18. Following a theme of renewal, traditional term, retreat, has been changed.

Over 50 priests and lay speakers will visit to talk on love, faith, and morals. Included are Father Edward Lovely, head of the Theology Department at the University of Detroit, and Dr. Robert Johnson, gynecologist from Rochester. The speakers, representing Detroit and suburban parishes, will deliver their talks to several home-rooms.

The program will begin each day at 9 a.m. Priests will speak in the home-rooms until 9:30 a.m., at which time the students will discuss points of the talk in a dialogue.

At 10 a.m. Mass will be celebrated in each home-room. The kiss of peace will be given after the Agnus Dei, and individual intentions will be voiced during the Offertory.

Lunch and activity will take place from 11 a.m. to 1 p.m. Suggested activities during the free time before and after lunch include Bible vigils and hootenannies. Confessions will also be heard at this time. Students will choose between an open confessional and the traditional closed, private confessional.

The committee for the days of renewal is headed by Sister Ann Elizabeth, aided by the Student Council officers, Barb Rozak, Sharon Torrie, Mary O'Connell, and Monica Kaminiski.

Parents had an opportunity to observe their daughters' progress and achievements in French and Spanish at the Modern Language Festival on May 11 at 7:30 p.m.

A new classroom technique was demonstrated, consisting of motion picture slides shown while appropriate dialogue is played simultaneously.

Spanish and French students conducted programs for the festival. According to Miss Susan Walters, general chairman of the festival, the programs demonstrated that the students can use the language not only in the classroom, but also in various situations.

A theme of "Dusk til Dawn" will prevail at the annual junior-senior prom, Friday, May 13, in the Mercy College of Detroit Student Ballroom from 9 to 12 p.m.

Junior Gloria Camilletti was awarded a free ticket for submitting the theme for the formal dance.

Parents of juniors Donna Dillon, Diane Banda, Elizabeth Given, Stephanie Repicky, Ann Petteau, and Maureen Kavanaugh will act as chaperones.

Phi Beta Kappa certificates for high school scholastic achievement were merited by 27 seniors.

Included are the top 10 seniors, Barbara Rozak, Jean Mooney, Dolores Nieratka, Mary Konek, Paula Leszczynski, Linda Macumovich, Susan Rahley, Kathleen Abate, Nadine Martynow, and Diane Bukowski.

Also receiving the award are seniors Marilyn Boes, Linda Budd, Ruth Butler, Mary Ann Mott, Vicky Ponkowski, Sue Willis, Linda Weglarz, Kathryn Anderson, Pat Hagerty, Nancy Colombo, Karen Ciesnicki, Maureen McCormick, Donna Fanelli, Mary Nowacki, and Mary Gerhard.

## STEVENSON

### Final Election Coming Soon

By PAUL FENDER

As the school year draws to a close, a flurry of activity has swept Stevenson High.

The candidates for Senate and Class office and Student Senate position now have their campaigns fully underway. Posters, badges, and stickers are circulating throughout the school, and prospective office holders are speaking to classes, voicing their opinions and answering numerous questions regarding the forthcoming election.

As the number of candidates running is not comparatively large, a primary election is not scheduled; the final election will be held on May 20. This also marks the date for the Spring Prom, a semiformal dance which will be held at Stevenson.

The Stevenson Masque is producing two one act plays scheduled for the nights of May 26 and 27 at 8 p.m.

"Used Car for Sale" is a light comedy and the other is a student written drama entitled "Blind."

The cast presenting the two plays include Pat Williams, Jan Brenner, Dan Conroy, Stan Edwards, Marion Trola, Fran Tompkins, and Steve Antonishak. Tickets are 50 cents and may be purchased at the door.

NEW OFFICERS of the National Federation of Catholic College Students get together after their election at the recent convention at Madonna College. The group includes: (seated from left) Sue Rakoczy, of Marygrove College, President; and Sharon Mullaly, of Ursuline College in Cleveland, executive vice president. Standing (from left) Deane Kolicki, of Madonna College, campus affairs vice president; and Marilyn Slatinski, of Madonna, chairman of the meeting.

## THURSTON HIGH

### 'Pinafore' To Stay Until Saturday Night

By LYNN BARNETT

Final cheerleading tryouts were held April 28. The varsity cheerleaders for 1966-67 are: Jan Petty, Nancy McIntyre, Mary Hirtzel, Diane Cringy, Cindy Cortese, Jan Claus, Linda Bradley, and Carol Alberti.

Juniors have been getting their petitions for Senior Class officers while sophomores held their election.

Gary Lidehl was elected president; Elaine Jacobs, vice-president; Lorna Rau, recording secretary; Lavon Lies, corresponding secretary; Peggy Wilamowski, treasurer; and Karen Strou, parliamentarian.

Practical Theatre and Drama students will work on make-up

for "H. M. S. Pinafore." Tickets are on sale now for the musical.

They may be purchased for 75 cents for children and students and one dollar for adults in the cafeteria hall during lunch or at the door. The musical will take place May 11 through 14, starting at 8 p.m.

Students can now take lessons to improve their dancing. The lessons take place Thursdays in the little gym. Anyone wishing to attend should bring records and a partner.

Bermuda Shorts Day took place last Friday. This day is sponsored annually by the American Field Service. All students wearing Bermudas contribute 25 cents to the exchange program.

The A.F.S. was close to their goal in bringing two exchange students to Thurston next year and the Bermuda Day made it possible.

The Last Chance Dance was also held Friday. It was sponsored by the A.F.S. The "Wanderers" were featured at the last dance of the year.

The Student Council held a bake sale in the cafeteria during lunch on May 5.

Last week "The Notorious Landlady," starring Jack Lemon and Kim Novak was presented to Thurston students during lunch hour by the Student Council.

Organization for the student talent show has begun.

## 'The King and I' Enlists Support Of Many at St. Agatha School

By MARY LOU MANGOLD

The King and I could never have been the great success that it was without the co-operation of so many St. Agatha students.

Among these are the senior and junior choral classes, who portrayed the King's wives: Sandra Bridges, Kathleen Grimes, Maureen Mertz, Janet Nadolny, Sue Beth Quaine, Susan Schoener, Patricia Walsh, Lynda Wilkerson, and Judy Wolf, seniors. Juniors are: Sharon Hall, Diane Jess, Lynn Menard, Theresa Nemes, Linda Ogle, Vickie Olinzock, Deborah Shaw, Anne Wegener, and Sandra Wilkerson.

Sophomores chorus played wives and slaves. They are Denise Allgeyer, Dennis AuBuchon, Collette Beausoleil, Nancy Berger, John Bolton, Colleen Brazill, Karen Brown, Kathleen Burger, Julianna Carolan, Paula Dow, Susan Falke, Edward Feldbauer, Peggy Griffin, Richard Gushman, Gerard Harvey, James Howell, Joseph Huhn, Jean Jetke, Judy Joins, Colleen Kelly, Kristine Kessler, Michael Lilley, Rita Nadolny, Christine Olinzock, Maureen Oyer, Susan Shannon, James Sherman, Karen Sova, Cathy Spears, Linda Urban, Deborah Voskuhl, and Denise Wittstock.

Freshman wives and slaves

and children are: Christine Annis, James Arcand, Judy Armstrong, Joan AuBuchon, Ronald Blackmore, John Blecker, Mariann Brandel, Christine Carson, Carol Chuhnan, Nancy Ciako, Colleen Connolly, Colleen Cooney, Charles Costello, Linda DeVos, Steven Francis, Patricia Funk, Gary Kern, Ralph Koroly, Judy Lasecki, Paul Ley, also, Jean Mangold, Marcia Meisner, Philip Michelini, Gerald Miron, Denise Mondeaux, Michele Monette, Beverly Nowakowski, Sharon O'Brien, Vana Paparelli, Francis Pringle, Denise Robinson, Patricia Schlee, Wanda Smith, Janet St. Jean, Judy Stonik, John Strachan, Linda Trujillo, Joseph VanKuiken, William Walters, Joseph Wegener, and Martin Wellico.

Not to be forgotten are those back-of-the-scenes workers, the scenery, stage, costume, and make-up crews. Responsible for scenery were: Davidina Dow, Joanne Falke, Edward Kamm, Douglas Behrend, Frank Luhn, Edward Gillis, Larry Lampron, James Mackin, Paul Perko, Raymond Stanczak, Charles Stima, Patrick O'Brien, Mary Winkiejohn, and Martin Wellico.

The costume committee consisted of: Barbara Arcand, Pa-

tricia Barbour, Kathy Carson, Elizabeth Francis, Carolyn Gaudier, Susan Griffin, Joann Killian, Mary Ann Oyer, Susan Senaut, Mary Winkiejohn, and the Clothing I and II classes.

Make-up was done by: Ruth Allgeyer, Carolyn Brazill, Marilyn Forrest, Christine Olinzock, and Susan Senaut.

Operating the curtain was John Strachan, lighting was the responsibility of Edward Schrock, Ralph Karoly, James Schimmel, and Patrick O'Brien, who handled stage props. The excellent music was provided by pianists Edward Kamm, William Schmaus, and Edward Tawney, and percussionist John Marshall. The attractive ivory and orange programs were compiled by Joanne Falke, Mary Robinson, and Anne Wegener, with cover sketch by Mary.

## Two Engineers Named

George Nastas III, and George E. Lahti, both of Livonia, have been elected into the Michigan State University chapter of Tau Beta Pi national engineering honorary society.

There are Toastmasters Clubs in every branch of the U.S. Military service.

## CLARENCEVILLE

### Ambassador Goldberg Speaks at Oakland U.

By TONY HEAD

Clarenceville students took part in the annual United Nations Association Conference May 3 at Oakland University.

The group spent the entire school day at the Conference and heard a number of interesting speeches on the United Nations' work in developing nations, commerce and international law.

Highlight was an address given by Arthur Goldberg, United States Ambassador to the U. N.

On Wednesday, May 4, a special assembly was held for the students. The topic was Law Day and was discussed by Jerry Raymond, a Livonia Attorney.

On May 6, Clarenceville students discovered the best way to study literature is to see movies, which is exactly what they did. The English classes, having recently finished studying "To Kill A Mockingbird" by Harper Lee saw the characters come to life in the motion picture.

Rhoda Wiss, a Clarenceville Junior who has been writing

Clarenceville News for a Livonia Newspaper, has recently been elected to the position of State Editor of the Michigan Association of the Future Homemakers of America.

Rhoda will be responsible for the collection of news from 318 chapters and will edit the Michigan F. H. A. Newsletter. This summer she will attend conventions at Northern Michigan University and in St. Louis.

## Work Stoppage Delays School

The area-wide construction strike is becoming a matter of concern to the Plymouth Board of Education. At Monday's meeting board secretary Mrs. Esther Hulsing asked "How long can we wait?" before taking emergency steps.

Mrs. Hulsing pointed out that new construction now underway is needed for the influx of students expected in the fall. Earlier Assistant Supt. Melvin Blunk explained that construction on Plymouth schools has been halted by the builders' strike over a week.

### Board Receives Federal Grant

Approval of a Federal grant of \$17,000 was announced at Monday's Board of Education meeting by Curriculum Planning Committee Chairman Mrs. Esther Hulsing.

The funds will go towards two five-week summer sessions for "economically and culturally deprived" children in the Plymouth School District.

One of the sessions will be held at Gallimore School as a Day Camp for children in grades one through three, while the other session will be held for children in grades four through eight at a camp called Wind and Woods, which has been leased at Oxford, for the program.

The funds were allotted to Plymouth under Title One of National Elementary and Secondary Education Act of 1965.

Superintendent Russell Isbister said, "We may have to start thinking in terms of doing something expedient if the construction is not finished on time. Perhaps we would have to run two schools, with two separate staffs in one school until such time as the work is completed."

At Monday's meeting the board also approved a resolution to appoint three life insurance companies (Manufacturers Life, New York Life and Washington and National) as depositories in which school employees could purchase tax sheltered annuities.

The plan permits the board to deduct from any participating employee's pay amounts that would purchase annuities for the individual. These payments would be tax-free until they were actually received at a later time.

In other action, the board accepted the low bid of \$8,770 for the construction of a sanitary sewer for elementary school Number 7. The low bid was submitted by Weissman Contracting Corp.

The board took under study a proposal by Louis J. Detorre to exchange property he owns, for school owned property on Ridge Road north of Territorial Road.

Detorre's property surrounds the school property. He informed the board that he is planning construction of a trailer court and garden apartments in that area.

The board also approved the appointment of Charles R. Washburn to be a Republican member of the School Board of Canvassers to replace Harry Reeves. Washburn's term will expire December 31, 1969.

A recommendation that Special Education Students receive regular diplomas was also approved.

PREPARING for annual Poppy Dale Sale on May 19 and 20 is Fred Johnson, of Passage-Gayde Post, American Legion, who tells Stewart Dodge, manager of the P&A Theater, that he'd like to sell him a poppy but can't until the sale opens. Members of the Legion and Mayflower Post VFW will join in the sale which is under the supervision of James McKindies in Plymouth.

### May 16 in Washington

## Vivian Invites 500 To Business Talks

United States Representative Wes Vivian, (D-Ann Arbor) announced Monday that the

### 35 Plymouth Teachers Get Tenure Status

Supt. Russell Isbister Monday recommended 35 teachers in the Plymouth School system, all of whom are returning for the 1966-67 school year, for tenure status.

The list includes: Carol Andersen, Second Grade, Allen; Fred Andres, Math-Science, Junior High-East; Margaret Baude, Sixth Grade, Junior High-West; Sharon Belobradich, Second Grade, Bird-El; Joel Carr, Am. History-Geography, Plymouth High School; Thomas Cavanaugh, Sixth Grade, Junior High-West; Karen Cushman, Fourth Grade, Farrand El.; Arlene Forrest, Sixth Grade, Junior High-West; Joy Engroff, Third Grade; Starkweather, and A. Woodsey Farmer, Home Economics, Junior High-East.

Franklin Fisher, English, Plymouth High School; Katherine Germain, Sixth Grade, Junior High-West; Patrick Hays, First Grade, Bird-El; Sherill Hartsook, Second Grade, Starkweather; William Heath, English-Am. History, Junior High-East; Nancy Herbig, Third Grade, Smith El.; Elizabeth Hufnagel, Third Grade, Allen El.; Leonard Kitchen, Sixth Grade, Junior High-West; William Kloote, Math-Science, Junior High-West; Sandra Knudsen, Third Grade, Montezuma; Physical Education, Junior High-East; Carol Richardson, El. Art, Bird-Gallimore El.; Susan Simmonds, French, Plymouth High School; Thelma Smock, Second Grade, Farrand El.; Roxana Sparkman, Kindergarten, Truesdell El.; Sharon Teller, Third Grade, Farrand El.; W. Knight Vernon, Vocal Music, Junior High-West; Richard Wagar, Mathematics, Plymouth High School; Claude Wilbanks, Special Education, Allen El.; and Howard Yost, Sixth Grade, Junior High-West.

### List Special Services at Salvation Army

Brigadier Ernest Hammer, local Salvation Army Commander, announced Revival services will begin at The Salvation Army, 290 Fairground, Sunday, May 15 and will continue one week, through Sunday, May 22.

Major R. C. Ellis, of Peru, Ind., is coming, with Mrs. Ellis, as the Evangelist. Major Ellis is a veteran Salvation Army officer, having been in the ministry of The Salvation Army for years, working under the Headquarters in Indianapolis, and also that of St. Louis, Mo.

Although retired for 13 years, he has continued in active Evangelistic work and temporary appointments as much as his health would permit.

Services are scheduled Sunday mornings at 11 a.m. and each night throughout the week at 7 p.m.

A lot of time can be saved by figuring out where you want to go before you start.

Honorable James E. Webb, Administrator of the National Aeronautics and Space Administration, will be the main speaker at the luncheon to be held in Washington as part of Vivian's Business Opportunities Conference, on May 16. Webb was first appointed Administrator of the agency by President Kennedy in 1961.

The Business Opportunities Conference is designed to acquaint manufacturers located in the Second Congressional District with methods and procedures for receiving information about and bidding on Federal government contracts.

Representatives from the contracting and procurement sections of NASA, the Department of Defense, and the Government Services Administration will make presentations from the conferees, as will officials of the Small Business Administration.

Vivian has arranged the Washington Conference as a one-day affair, beginning at 9 a.m., in the Science and Astronautics Committee Hearing Suite, Room 2318, Rayburn House Office Building, on Capitol Hill. It will conclude at 5 o'clock that afternoon.

In addition to the over 500 businessmen who have received invitations to attend, Congressman Vivian has stated that all interested businessmen from Lenawee, Livingston, Monroe, and Washtenaw Counties, and the Second District, northwest part of Wayne County, are welcome. Interested managers and executives should contact the Congressman at the U.S. House of Representatives, Washington, D.C. 20515.

### Workers Start School Census in Plymouth

The annual census of the Plymouth Community School District started Monday for a "head count" of all children born on or after June 1, 1946. Nine Plymouth women will conduct the census during the last 20 days of May. Superintendent Russell Isbister stated this is required by state law.

Each census enumerator has been assigned a specific area in the school district and will call at each of the homes in that sector.

The purpose of the school census is to secure certain statistical data regarding pre-school children and children of age up to and including 19 years of age. Census data assists in planning the physical, instructional and financial needs of the School District.

## Socially Speaking Around Plymouth

By Dorothy Sincok

GL 3-0038

(Call to report social events in your family, neighborhood)

Pouring was Mrs. Carl Pursell at a tea co-hosted by Mrs. Richard Fritz and Mrs. Kenneth Hulsing at the Fritz home on Ann Arbor Road. The occasion—to create interest in a Women's Republican organization in the area.

Attending was Mrs. Sharleen Bishop, of Ann Arbor, a member of the Federated Women's Republican Club who recommended action to be taken to organize in Plymouth.

She spoke of the advantages of such a structure and explained the organizational principles and policies. A nominating committee was appointed and the next meeting planned for May 25 at the home of Mrs. John Haas at 8870 Rocker, from 2 to 4 p.m.

QUICK TRIP to Washington—for James Thomas of Main Street, president of Livonia Chamber of Commerce and also manager of Consumer's Power Co. Purpose—to attend the National Chamber of Commerce Seminar.

Little Amy Duxan has been added to the Robert J. Emerson family of Palmer, born at St. Joseph Hospital on April 24. The newborn weighed 7 lbs. 3 oz. Her proud grandparents are Mrs. Joseph Reeve of Rensselaer, Ind. and Mrs. Robert Amerson of Louisville, Ky.

The cast, stage crew and directors followed up the production of the successful school play "You Can't Take It With You" with a pizza and coke party at the Richard Newton home on 576 S. Evergreen.

Feted was Lorraine Hake soon to become the bride of Tom Hunt. Some 20 guests gathered at the Ralph Dietrich home on South Harvey to honor the young lady with a shower of kitchen gifts.

Anticipation of a new sister for John and Brad Davidson, sons of the Eugene Davidsons of Penniman Ave. was fulfilled when little Ann joined the family circle on May 6.

Smartly attired were the 150 women who assembled in the City Hall parking lot on May 5 to board the two chartered buses to visit Fair Lane, the home of the late Henry Ford, and lunch in the 54-room mansion. Greeted by Mrs. Clarence Griffith, reception chairman

### Get Training in Plymouth

Agents and General Agents from Michigan and Indiana are attending a series of training conferences conducted by Paul G. Reinke, Sales Training Director, at the home office of American Community Mutual Insurance Company, 409 Plymouth Road, in Plymouth.

The 28-year old Plymouth-based company is launching its new "Pyramid of Progress" merchandising and marketing program. This new program involves the sale of a special life insurance contract that stresses the savings and investment features of life insurance.

American Community feels that the "Pyramid of Progress" program will further their ability to serve the public with a modern concept of insurance and, at the same time, accelerate the growth of the company.

Jack Temple, Executive Vice President, says, "With our philosophy of service to the public and an already complete line of competitive products, we have experienced outstanding growth. With the advent of uniquely new merchandising, marketing and training techniques via our 'Pyramid of Progress' program, even faster, sound growth is anticipated."

of the Women of Fair Lane, Plymouth Newcomers Club members toured the estate and listened to the detailed explanation of the restoration in progress.

Mrs. Ford's unusual blue garden was almost completely in bloom; the magnolia trees and exquisite gardens along with the stories of the Ford family thrilled the weary but happy group. A special thanks to social chairman, Mrs. C. Miller and Mrs. Neal Fenkell for the plans of the day and all of the other club social activities this past year.

Excellent were comments on the narration made by Mrs. Ralph Heid at the membership tea at Our Lady of Good Counsel on May 4. The commentary, "A Stroll Down Memory Lane," carried a history of the parish from 1928 to 1966 with longtime members of the parish participating.

The fresh flower decorations uniquely done by Mrs. Freeman Thompson created the atmosphere of the past.

Chairman of the event Mrs. Sidney McVoy wishes to thank everyone whose efforts helped with the success.

TYPICAL LOVELY May day—trilliums, spring beauties, yellow and purple violets were in full bloom in the woods surrounding Mrs. John Moorhead's Northville home.

The group of Plymouth women who attended the all-day workshop were looking ahead to early September. Mrs. Moorhead is decorations chairman of the fourth annual antique mart which will run for three days, Sept. 9, 10 and 11, during Plymouth's Fall Festival.

Hundreds of calico strips were cut and tied. These and giant daisies will festoon the antique mart area on Union Street during the show.

Attending the workshop were Mrs. James Jabara, Mrs. Richard Blodgett, Mrs. Wendell Lent, Mrs. Frederick Foust, Mrs. William Hines, Mrs. Lawrence Becker, Mrs. George Hudson, Mrs. Harger Green, Mrs. Thomas Powell, Mrs. Joseph Voss and Mrs. Robert Gotshall. All are members of the Plymouth Symphony League, sponsor of the show.

COMPLETING PLANS for the benefit bake sale for the Sheltered Workshop are representatives of some of the area churches joining in the project. Homemade goodies will be available at the A&P, Kroger, Food Fair and Stop 'N Shop stores on Friday and Saturday. Churches participating are: First Presbyterian, First Methodist, St. John's Episcopal, Our Lady of Good Counsel, Epiphany Lutheran, Riverside Church of God and the First Baptist. Shown working on final details are (from left) Mrs. Blaine Lytle, Mrs. Robert Dial and Mrs. Leo Doherty.

### Senior Citizens Plan Two Trips

The Soroptimist Club will entertain members of the Plymouth Senior Citizens Club Wednesday, May 11 (tonight) at the Credit Union.

The annual Senior Citizen get-together at Roma Hall in Livonia is scheduled for May 18 and the Niagara Falls trip for June 7 and 8. Call Dorothy Wilhelm for reservations at 453-2164.

The deadline is May 12. Reservations for the Holland Tulip Festival on May 13 must be made with Mrs. Barbara Karnatz by May 12 at 453-3625.

The May meeting will be held on May 12, the birthday meeting on Friday, May 20 and a pot luck dinner on May 26.

## Kiwanians Feed 1,125 At Pancake Festival

The Plymouth Kiwanis Club has tabbed Saturday's spring pancake festival as a complete success with a total of 1,125 persons served during the 12-hour program. And every single one was allowed to eat as much as he or she desired.

The statistics for the day, released by Special Project Chairman Harper Stevens, shows the Kiwanians used: 38 gallons of milk; five gallons of

coffee cream; 258 pounds of sausage; 250 pounds of pancake flour; 14 pounds of butter; 14 cases of maple syrup; 2,000 paper plates; 1,700 paper cups; 1,500 napkins; 22 pounds of coffee; and 1,200 place mats.

The Kiwanians worked three shifts of four hours each for a total of more than 300 man hours and added some \$700 to the coffers of the club.

And with the spring pancake festival out of the way, the Kiwanians are now preparing for the peanut sale in the summer and the fall pancake program that is one of the annual features of the Fall Festival.

## Hamilton Gets License For Wyoming Branch

Alexander Hamilton Life Insurance Company of America, in Plymouth, has secured a license to do business in the state of Wyoming, Chairman of the Board, E. Keith Owens, announced.

The charter, issued April 7 by Wyoming State Insurance Commissioner, Mark Duncan, is the eighth out-of-state license granted to the company since November, 1965. Other licenses have been issued in Indiana, Maine, Alabama, Minnesota, Louisiana, Rhode Island, and Illinois.

As part of the 23-month-old company's scheduled expansion program, Owens said, applications are pending in 21 additional states.

Hamilton currently ranks in the top 25 per cent of the country's 1600 life insurance companies and, operating from 15 regional offices throughout Michigan and five Indiana offices, is the state's third largest ordinary life firm.

## Pay Hikes

(Continued from Page 1) of the proposed Urban Renewal plan after learning that the Planning Consultants Vilcan and Leman would receive \$21,000 of the \$100,000 federal grant for the study.

"I want all of the residents of the area to know of the plans. We should sit and listen to what they think of this Urban Renewal proposal and then decide whether the city should or should not go on with the plans," said Vallier.

He received strong support from Commissioners George Hudson and James McKeon on his stand.

Commissioner George Lawton disagreed and suggested that the proposed Urban Renewal is one of several possible alternatives to solving the city's downtown business section parking problems.

"I would like the Commission to sit down with Vilcan and Leman and discuss the entire area of problems. I think we should have a thorough airing with the planners before holding such a meeting."

On a motion by Vallier, the Commission approved a public hearing on the Urban Renewal project at 7:30 p.m. on June 13. Lawton then moved and received support that the CBD plan be placed on the same agenda and discussed.

City Manager Blodgett pointed out that the plan as presented was a "trial balloon" to get the feelings of the businessmen and Plymouth leaders and that it wasn't final in any way.

McKeon saw the possibility of the Commission being forced to hold more than one meeting on the two subjects due to the tremendous interest.

Then the Commissioners went into a study of the proposed street improvement plans for the year which include: widening of Harvey from Penniman to Ann Arbor Trail, work on Hartough and Sutherland and the widening of S. Main.

He was instructed to get estimates of the total costs for each and also to map a six-year capital improvement program for presentation to the Commission as soon as possible.

## Spring Fling Set Saturday at Allen

Allen and Truesdell Schools will hold the annual Spring Fling at Allen School on Saturday, May 14 from 5:30 to 8:30 p.m.

There'll be a snack bar, games, a pot-of-gold, fish pond, and a cake walk. In addition there'll be a country store and a bake sale.

Any man has a right to be a live wire, but he has no right to burn his associates.

EVEN THE YOUNG like pancakes. Elizabeth Jane Dobbs, 16-months, stuffs her mouth at the Kiwanis Club Festival while her mother, Mrs. Paul Dobbs, of 34112 Dorais, Livonia, looks on. Elizabeth Jane was one of the 1,125 satisfied customers.

## Ford Aide Tells Reasons for Move

Reasons behind the decision of Ford Motor Co. to pick the N. Sheldon Road site for its new plant, were explained to members of the Plymouth Businessmen's Forum by E. O. Weber, manager of Organization and Salaried Personnel, in an address in Mayflower Meeting House.

Three of the big items are terrain, labor supply and freight charges explained Weber. He also stressed the need for low cost transportation and for connections with rail, air routes and the close proximity of employees.

"Ford Motor discounted slightly higher taxes in making the decision to build in Plymouth Township," he said. "The C&O railroad adjoins the property, there is an availability of labor in the area and then the management also has to consider the labor atmosphere as a major point."

"All of these were taken into consideration," he said. "The matter of locating in a community that had the ability to supply needs in a 20th century atmosphere had quite a bit to do with the final decision."

Weber stated that Ford carefully checks an area for schools, shopping, financial aspects, zoning, planning and makes an effort to learn whether the governmental units have their eyes open or closed to future needs.

"We also check a list of repossessions, bankruptcies and all other financial aspects before making the final decision," he said.

"Ford plans to establish a community relations committee at this plant as soon after operations start as possible. We want our management to take an active part in the affairs of the community. We feel this is an opportunity as well as a necessity and not merely an obligation."

Today that important item has reached over 4 1/2 million dollars. Using the same comparison, insurance in force has skyrocketed from \$917,000 to nearly \$119,000,000. The policyholders now have close to \$1,000,000 of assigned and unassigned surplus held for their protection as opposed to less than \$12,000 in 1942.

Increases in 1965 over 1964 were: Assets, 14.42 per cent; Surplus, 22.92 per cent; Life Reserves, 13.45 per cent; Net Investment Income, 21.98 per cent; and Insurance in Force, 28.09 per cent.

Leon Lande begins his seventh season as Wayne State University baseball coach with the start of the 1966 season.

## Det. Mutual In 25th Year

Detroit Mutual Insurance Company celebrates its 25th Anniversary this year. Ray E. Larimer, President told policyholders at the annual meeting that this Silver Anniversary represents a benchmark that many insurance companies never attain through their own individual efforts.

In 1941 the company ended the year with assets of only \$6,420 and it took 11 years of hard and diligent work to reach the first one million in assets. Now in 1965 alone, the assets increased by more than \$1,000,000. In 1942, the company's first full year of operation, it collected only \$16,795 in premiums.

Weber said the new plant will have a capacity to produce 20,000 units of heater and air conditioners daily at the start of operations with the thought of expanding as the demand for such units grows.

"Ford is happy to join the Plymouth community," he said, "Frankly, we plan to do everything possible to gain the respect of every resident of the area."

Plymouth Man Upped Ernest J. Liddle, son of Mr. and Mrs. Ernest A. Liddle, 47055 Five Mile Road, Plymouth, has been promoted to senior master sergeant in the U. S. Air Force, stationed at Spangdahlem AB, Germany. The sergeant is a graduate of Plymouth High School.

## Open Michigan Week

(Continued from Page 1) under the direction of Herald Hamill, will be present to conduct tours and to answer any questions.

Four longtime residents of the community will be honored for their contributions and outstanding services over long periods of time at the Industry Day Luncheon Wednesday in the Thunderbird Inn.

The quartet includes: Carl Shear, long known as "Mr. Plymouth" who retired from his automobile agency several years ago but maintained his interest in community affairs until illness forced his retirement three years ago; Margaret Dunning, head of the department store bearing that name and long a leader in business and civic affairs; Dr. A. C. Williams, who has served the community for more than 26 years and is the second oldest in years of service and Jim Conway, of Evans Products Co., for his service to the community since first moving to Plymouth from Detroit.

Frank Henderson will serve as master of ceremonies and present framed certificates to the quartet. The program was arranged by Chairman John Kamego, manager of the Michigan Bell offices in Plymouth and Livonia.

Earl Gibson, principal of Bird School, has arranged a unique program for Education Day on Thursday, with special events listed at each of the schools.

The list includes: ALLEN SCHOOL — Kindergarten Round-Up for 1966-67 school year. Parents and children will visit the school and register for next year.

BIRD SCHOOL — Special invitations to parents to visit classrooms and the Art Display in hallways.

JUNIOR HIGH SCHOOL — EAST — Presentation of the play "The Perfect Idiot" to students during the day. The play will also be given for students on the 20th and for parents during the evening of Saturday, 21st.

JUNIOR HIGH SCHOOL — WEST — Open house and displays of student projects as well as teaching aids from 7:00-9:00 p.m.

FARRAND SCHOOL — Parental visitation during the day to the classrooms. Some of the rooms will be having short skits on Michigan. Others will present reports, slides, and art work centered about the Community and Michigan.

GALLIMORE SCHOOL — Musical program for parents and children based on Michigan songs.

STARKEATHER SCHOOL — One fifth grade classroom will be visiting the International Institute in Detroit. Films on

Michigan are planned for other classes.

FARRAND SCHOOL — Tuesday, May 17, Evening Music Program; Friday, May 20, Ice Cream Social; Saturday, May 21, Community Plant Sale.

BIRD SCHOOL — Wednesday, May 18, Kindergarten Round-Up; All Week, Art Display in hallway.

JUNIOR HIGH SCHOOL — WEST — Monday, May 16, 9:00 a.m., Spring concert assembly — parents who missed the May 2 evening Concert are invited to a shortened version of that program.

JUNIOR HIGH SCHOOL — EAST — During the showing of "The Perfect Idiot" to parents during the evening of May 21, there will be displays by an American History Class of World War II, by the Home Living Classes on Products of Michigan and by the Industrial Arts Department on Wood Products of Michigan and of Model Homes.

SMITH SCHOOL — Special fourth grade Michigan Unit during Michigan Week with front hall display case.

STARKEATHER — Wednesday, May 18, one fifth grade class will visit the International Institute in Detroit. All week special projects by fourth grade groups who have made models, maps and displays of Michigan products and scenery, i.e. Mac Bridge.

Robert Smith, principal of Junior High West, is in charge of the activities on Hospitality Day on Friday at which parents will be invited to attend the schools for numerous activities.

Students in the Plymouth High Art Department, under the direction of Mrs. Jessie Hudson, will have a special exhibit at the Dunning-Hugh Library during the entire week.

The Plymouth High Band will present its annual spring concert Friday evening at 8 in the school auditorium as one of the many features of the day.

Joe Bida, president of the Plymouth Junior Baseball League, has arranged to have the teams open the season activities on Saturday as the feature of the Youth Day program.

## Smith

(Continued from Page 1) of the top 10 young men of the year in the United States.

This would be the highest honor ever achieved by a Plymouth member and would definitely stamp the Jaycees as one of the most outstanding chapters in the United States.

"We knew we had a job ahead," said Strom, "But with the co-operation of every member, we finally got the job done. Now we are uniting all our efforts for the national presidency and other national honors. We have been promised support from all chapters in Michigan and believe the fact that the national convention being held in Detroit will help our cause."

Wendell is a national director of the Jaycees, a post he will hold until July 1.

His successor from the area, elected at the Lansing convention, is Pat Duggan, a member of the young but very active Livonia chapter.

## Attends Conference

John W. McGraw, 1742 Old Salem, Plymouth, District Representative for Aid Association for Lutherans, attended the recent 1966 President's Club sales conference at Appleton, Wis. Cited for outstanding life insurance sales in 1965, he was one of 178 AAL representatives who qualified to attend the conference.

## RECORD CANTILEVER

The largest cantilever span ever erected, the Quebec Bridge spanning the St. Lawrence River, contains nearly 17,000 tons of structural nickel steel. It was completed in 1917.

## East High Junior Class Play Will Be Staged May 19, 20

By PAT ST. ANTOINE

A correction is to be made about the junior class play. "The Imaginary Invalid," by Moliere will be presented by the junior class of Garden City East High School on May 19 and 20 at West Senior High School at 8 p.m.

The Panther's Tale was sold Monday and Tuesday of this week. Extra copies may be purchased today. The next issue will be done by Mrs. Haukkala's journalism II students. The following issue of the Panther's Tale will be only senior news for the great senior class of '66.

Varsity Club initiation was held last Friday for the spring sports induction. The following boys were dressed as girls who sang songs of praise, shined shoes, and obeyed their masters.

Joe Huber's mast was Dave Ventura; Eric Plichata's king was George Doboz; Jim Santti's idols were Paul Kight-

linger and Bill Painter. Phil Cavin was Bill Ford's slave, Bill Crowell worshipped the ground Oscar Isaacson walked on, Joe Swisher sang songs of praise to Dave Roe, Harvey Kightlinger obeyed every command of Dave Bay, Gary Lendrum did everything Doug Norris demanded, and Richard Clifford was Dave Jose's underdog.

The Concert Band from Garden City East High School will take part in an exchange concert program with Thornton High School in Lansing, Illinois. Our band will go to Lansing May 13, then to Chicago May 14, and back to Garden City on May 15. On May 18 the Thornton High School Band will come to Garden City.

The Dramatics Club sponsored a field trip to the United Artists Theatre to view the award winning movie "Doctor Zhivago," on Satur-

day, May 7. Mr. DiGiorgio is Dramatics Club sponsor.

Only 22 days till the senior class prom, so boys ask your girl today before it's too late. The prom will be held Thursday, June 2, at Lovett Hall in Greenfield Village.

Eleven Girls have been nominated for the senior prom court by the senior class sponsors. Candidates were Karen Gould, Karen Colvard, Barb Hale, Barb Morris, Trudy Hornig, Sandy Nyman, Diane Coniam, Linda Baer, Karen Fick, Diane Munch, and Lynn Schroeder.

A vote was taken to determine the five members of the court. They are Karen Gould, Linda Baer, Barb Hale, Karen Fick, and Diane Coniam. The queen will be announced at the prom.

Garden City East High School's Varsity Club is planning their All-Sports Banquet for May 25.

Are seniors aware of the many scholarships still available? Contact Mrs. Hanosh, senior counselor, to discover that many organizations offer financial assistance to students. You don't always have to be an intellectual wizard to qualify.

### FRANKLIN

## Publication Price Is Set

By ANN OPLAND

Franklin's creative arts magazine, Amos II, "companion" to the yearbook, the Almanack, will be out for public sale on May 24.

The theme of this year's issue, which brings together the best poetry, short stories, drawings, and photographs of individuals in the school, is "protest." Some of the magazine's creators include Elaine Edford, Bill Farlow, Sandy Haddad, Sheila Jones, Jerry Nolan, and Bob Skotak.

Sponsors Miss Doris Kangas and Gordon Sauls wish to encourage all members of the student body, alumni, and anyone else interested in the magazine to purchase a copy, each costing \$1.

The president, vice-president, and treasurer of next year's student council will be Tom Portney, Georgina Butteleg, and Jan Jackson, respectively. The election was held Friday, May 6.

Next Sunday on May 15, the Class of 1967 will host the annual Senior Tea in the library for all senior girls and their mothers. Mrs. John Wright, wife of 11th grade principal, will be the hostess for the afternoon. The tea is from 3 to 5 p.m.

Varsity letter winners will be honored at the All Sports banquet Tuesday evening at 6:30 p.m. John Bennington, basketball coach at Michigan State University, will be the guest speaker.

The spring band and orchestra concert will be presented at Franklin Saturday evening at 8:30 p.m. The Varsity and Symphonic Bands, and the Orchestra will play selected pieces and will be led by conductor Roy Ernst. Tickets at 50 cents and one dollar can be purchased from any band or orchestra student.

The student body wishes principal David Amerman a speedy recovery from his present illness.

### N. FARMINGTON

## Council Head Is Elected

by DEBBIE LUSKY

Greg Hendee and Randy Harpe will be President and Vice-President of the Student Council next year.

Class officer elections will be held tomorrow. The candidates gave their speeches during homeroom today.

Seniors voted for the recipient of the Kathryn Sevin and American Legion Awards in homeroom last week. Nominees were selected by the faculty on the basis of citizenship, scholarship, service, and leadership.

Bonnie Britton, Carolyn Kilka, Debbie Mann, Barb May, Larry August, Pete Dolan, Tim Lentz, and Bill Oldershaw were on the ballot. The student receiving the most votes will be awarded the Kathryn Sevin Award and the boy and girl with the next highest number of votes will receive the American Legion Awards.

The Class of '67 elected Steve Lawing, Rick Jones, Greg Hendee, and Mike Benninger as its Boys' State representatives. Harriet Davidson will participate in Girls' State activities.

On May 12, 13, and 14 the Music and Art Departments of North Farmington High School will present Rodgers and Hammerstein's musical, "The King and I." Tickets may be purchased at the door. Curtain time is 8 p.m.

The Student Council wishes to extend a thank you to all students and area residents who helped to make this year's Work Day a success.

On Thursday, May 5, the French Club sponsored a baking contest. The baked goods were sold during the noon hour the following day.

Congratulations to Mark Campbell who was awarded an art school scholarship for a portfolio submitted to the Scholastic Art Exhibition in New York.

On March 18, seniors will have the opportunity to teach classes. Those interested in participating in the annual Student-Teacher Exchange Day should sign up in the cafeteria on the designated day.

## Plymouth High Saturday Dance Called 'Affair To Remember'

By MARGARET RUDLAFF

The Plymouth High seniors are going to have "An Affair to Remember" this Saturday, May 14, at the Mayflower Meeting House. Everyone is more than welcomed. Tickets are only \$5.00 and can be purchased at the high school during any lunch hour.

A huge CONGRATULATIONS goes out to the Water Wave and Ripple Clubs for a magnificent show. It was well done and most enjoyable. Also a congratulations to senior soloist Kay Zoet who presented an extra fine portrayal of a "sad clown."

It is a must for everyone, The

### LADYWOOD

## Choral Club Sings in City

Dressed in floor-length gold gowns, Ladywood's senior choral club together with the Catholic Central Coral Club and orchestra performed at Henry and Edsel Ford Auditorium on Sunday, May 1.

The girls sang a medley of songs including "Maria" from the "Sound of Music," "Praise Ye the Father," and a selection of songs from "Flower Drum Song." The program reached its climax as the combined choruses filled the hall with the music of "The Battle Hymn of the Republic."

The clothing department displayed its talents in a fashion show for the student body on May 4.

With the theme, Fashion Fling for Summer and Spring, the girls modeled the latest in fashion ranging from beach wear to evening gowns.

The stage was decorated with flowers to express the spirit of spring and prizes were awarded.

"Ave Maria" echoed throughout the grotto on the Felician Sisters' grounds as the long file of Ladywoodians honored Our Lady through song.

annual Art Exhibit presented by PHS students under the direction of Art teachers Jessie Hudson and Carolyn Sam. The exhibit will be displayed at the Dunning Hough Library from May 9 through May 25.

Any student interested in summer employment should contact Mrs. Eugene Crosby at GL 3-2904 or register at the Plymouth Credit Union.

For the first time in Plymouth's history 18 students competed in the American Association of Teachers of German contest and to the delight of everyone made a very respectable showing.

Mary Fink placed highest among the Plymouth students scoring second in the second year division. Rowena Innes, Madeline Hanson and Anne Wood also placed high in this division.

In the third year division, Burleson placed sixth and Tom Chandler, Lisa Hanson and Dan Robinson scored high. Koy Zoet placed fifth in the fourth year division while Mike Hoepflich scored high. All other Plymouth students were in the top two-thirds of the scoring. The students are all students of Mrs. Brigitte Rauer.

Other Michigan schools that participated were University High, Ann Arbor, Ferndale High, Cass Technical High and many other schools around the state. Congratulations.

First place in the District Forensics Competition was earned by Mary Arnold for her reading, "Ceremony After A Fire Raid" by Dylan Thomas. Congratulations Mary.

Students who have been accepted by Schoolcraft College will be interviewed by a representative on May 1 and 2 and June 1.

Admission director of Oakland University will be here May 10 to talk with juniors about enrollment after graduation.

Miss Elizabeth McDonald, journalism and English teacher, has been asked by the Pennsylvania State School Press Asso-

ciation to judge high school newspapers for annual awards. This will be Miss McDonald's second experience in judging.

A representative from Michigan Institute of Technology will speak to special chemistry classes and interested students May 11.

### They Are Our Schools

Re: Open letter to Mayor Harvey W. Moelke

Upon reading your column, "The Mayor's Corner", in the May 4th edition of the Observer of Nankin, I am compelled to write you in reply. You see, Mr. Moelke, I am a citizen in the new City of Westland and you have the effrontery to tell me that the problem of building schools for Nankin Township should not be the responsibility of the City of Livonia. You dare to tell me this after my neighbors and I have steadfastly supported Livonia schools since 1957 (the year our subdivision was built).

We live in a section of the Livonia School District which was recently redistricted. Due to this redistricting my daughter will be transferred from a school situated five blocks from her home to another school over a mile away and will need to ride a bus. This is inconvenient but altogether necessary and will in no way deter me from voting "yes" in the school millage election. Some of my neighbors have three children attending three different schools. However, they will vote "yes" and continue to support the schools. Still others, parents of older children, remember when their children attended school in rented houses and makeshift classrooms. There are few children in this area who have attended the same school more than two consecutive years. In spite of these hardships their parents are going to vote "yes" for the millage proposal.

We are not voting "yes" because we are afraid of losing transportation, teachers, or the threat of half-day sessions although these issues are of the greatest concern. We are not voting "yes" because we want to keep in the good graces of the Livonia School District or in your good graces Mayor Moelke. We are not voting "yes" because we fear reprisals from Livonia residents if we should vote negatively — we have learned to live with unkind and unfair remarks in the past.

We are voting "yes" for millage increase in support of our schools because that is exactly what they are — OUR schools. We live in the Livonia School District and as responsible, mature citizens we "carry our load." We have supported OUR schools in the past and we will continue to

## St. Mary Hospital First in Area To Receive Medicare

St. Mary Hospital in Livonia was notified today that it is one of the first hospitals in the area to be determined eligible to participate in the health insurance program according to Melville H. Hosch, Regional Director, Department of Health, Education, and Welfare in Chicago. Hosch said that Fred B. Wolf, Social Security Administration, Regional Representative in Chicago today signed the agreement with the hospital to make it able to receive payments beginning July 1, 1966.

This hospital has been found to meet all of the conditions for participation announced by the Secretary of Health, Education, and Welfare, John W. Gardner on January 12, 1966. The conditions Hosch noted were developed in extensive consultation with organizations and experts in the field of hospital and medical care and were endorsed by the Health Insurance Benefits Advisory Council, a 16-member non-Federal group provided by law to

advise on administrative policy and regulations.

A copy of the conditions was mailed to hospitals late in January. Later an application form was sent to each hospital by the Michigan State Board of Health. Almost all hospitals in Michigan have returned these applications. Hospitals determined eligible are being notified by the Social Security Administration and are requested to sign a formal agreement. The agreement becomes effective upon signature by Fred B. Wolf, Regional Representative, Bureau of Health Insurance in Chicago.

Among other things in the agreement, the Hospital agrees:

1. Not to charge the patient or any other for covered items and services for which payment was made under the program.
2. To refund money incorrectly collected.
3. To comply with Title VI of the Civil Rights Act of 1964.

### Spend Free Time Busily

Students at East Junior high school in Farmington will be going to school on Friday, May 13, even though there will be no school officially.

Are they superstitious about missing school?

No, they will be hard at work setting up equipment for the

support OUR schools in the future. We will live up to our responsibilities because we are proud of the Livonia schools and wish to maintain their high educational standards. The Livonia Schools are not "your" schools Mr. Moelke, they are OUR schools because we happen to live within the boundaries of the Livonia School District. Because they are OUR schools we support them with OUR money, OUR time, OUR effort, OUR voice and the load we carry is not less than that of any citizen of the City of Livonia.

MRS. H. L. SCHANSTRA  
GARDEN CITY

school's second annual Fair, slated from 10 a.m. to 4 p.m. in the school gymnasium, 25000 Middlebelt.

Co-sponsored by the Student Council and the school's parents' group, all proceeds will be used for a new physical education field. In March, the two groups cooperated on a pancake supper which netted \$480 towards the field.

Victor Stockell, president of the parents' group, Jerry Spink, principal; Don Keen, assistant principal; and Richard Toohay, Student Council president, are in charge of arrangements.

During the fair, parents, teachers and students will take turns manning the booths and selling tickets.

### Space Winners Named

Kurt Schuster took first place in the cub scout space derby sponsored recently by Farmington Cub Scout Pack 110 at Our Lady of Sorrows parish. Jeff Schwartz received the second place plaque.

## Evaluate Motorists In TV Test

The nation's drivers will have a new opportunity to evaluate their automobile knowledge and skill behind the wheel when the Shell Oil Company presents "The 1966 National Drivers Test" in color Tuesday, May 24, 10-11 p.m. EST on the CBS television network.

This all new involvement special broadcast will be presented four days before the start of the Memorial Day weekend. It is timed to help make the driving public more aware of hazards they might encounter on the road during this highly dangerous holiday period.

"The 1966 National Drivers

Test" will be presented exactly one year from the date of last year's Drivers Test, which proved so successful that it was rebroadcast just before the Labor Day holiday weekend, another dangerous time for motorists.

In fact, last year's test, in its initial broadcast, was seen by more than 30-million Americans. Statistics show that more than 42 per cent of a cross section of licensed drivers failed the test prior to last Memorial Day, with

only 25 per cent rated "Good" or "Excellent."

The new test this year will again recreate common collision situations and hazardous road conditions while examining motorists on their knowledge of expressway driving, city and suburban driving, simple mechanical functions and repairs of automobiles, new safety features and driving in rain and fog and at night. More than 30 questions will be employed.

### Study Mail System

EAST LANSING — Michigan State University has been awarded \$130,000 to study the U.S. Post Office's transportation system.

## Youth From Symphony Society Wins Awards

Four young musicians won scholarship awards at the Livonia Youth Symphony Society's "Recital Night" Tuesday, May 3, in the Bentley High School auditorium in Livonia.

Debra Fayroian, cellist from the Livonia Youth Symphony Orchestra, and Kathy Graham, horn soloist from the Junior Orchestra of Livonia, received \$100 awards. Nancy Waring, flutist from the Livonia Youth Symphony Orchestra, and Diane Lee Bredeben, cellist from the Junior Orchestra, received \$50 awards.

Dr. Maurice Riley from Eastern Michigan University was the adjudicator. Nicholas Wordell, Scholarship Committee Chairman, commented that the competition was close, and that it was difficult to choose four from among the 15 talented and well-prepared contenders.

Dr. Riley registered surprise at the quality of musicianship displayed and compared the competition to that of the finals in the State Annual Music Festival.

The Scholarship money awarded every year by the Society at Recital Night is to be applied toward tuition at summer music camp or school, private instruction, or other musically educational purpose approved by the Society.

# Preps Set for State Track, Golf Regionals

The hour is at hand for Michigan track and golf athletes to go after regional honors in their first hurdles to state title glory.

The track regionals come off this weekend with area thinclads assigned to meet at Clarenceville and Ann Arbor high schools on Saturday.

The golf regionals are booked for Friday with Farmington and Brighton attracting the "locals."

Redford Union, Thurston, Farmington and North Farmington are included in the Class A field to participate at Clarenceville where the action begins at 9:30 a.m. with the preliminaries.

Powerful Clarenceville will

go after glory in the Class B meet which is to be run along with the "A" attraction at the fine plant on Middlebelt Road.

Meantime Bentley, Franklin, Garden City East and West, John Glenn and Plymouth all have been assigned to the Class A regionals at Ann Arbor High.

The Class A finals are set for May 21 at the University of Michigan and the Class B at Michigan State. Class C-D schools will go to Central Michigan at Mt. Pleasant.

Our Lady of Sorrows, the area's lone "C" track team will go to Brother Rice in Birmingham for its regional.

Of the several hundred area trackmen, the one who'll draw

the most attention is Farmington's Ron Shortt who a week ago became the first Michigan schoolboy ever to clear 14 feet in the pole vault.

However, Shortt will have to achieve the feat in the state finals at Ann Arbor before he can enter the official Class A record books.

The Farmington golf regional will be held at Glen Oaks on 13 Mile Road and will involve 23 teams in Class A and 22 in Class B.

Entries from Farmington,

North Farmington, Franklin, Bentley, Redford Union, Thurston and Garden City

East and West will contest in "A" at Glen Oaks with Clarenceville vying in "B".

Plymouth has been directed to the regional at Brighton.

Farmington also has been announced as the host for the Class A, B and C-D final state tournaments with the players tackling the tough Meadowbrook Country Club course in Northville.

John K. Cotton, Farmington athletic director, will be in charge of the Farmington regional and also the state meet.

## OBSERVING SPORTS

By George Maskin

When you're smiling... the whole world smiles with you—It did for Livonia's Denny McLain the other evening as he flipped a brilliant one-hit shutout in beating the Chicago White Sox.

Lots of folks have the impression that Denny, who purchased a home in Livonia last year, is the cancelled type. But those who know Denny find him anything but.

He's an industrious young man. He's as outstanding at playing the organ as he is pitching at Tiger Stadium or anyplace else around the American League.

Denny kept busy during the winter entertaining patrons with his organ solos at a popular Farmington nightspot down around Grand River Ave.

Smile, too, did another Livonian, Joe Sparma, of the Tigers who turned in a neat performance the day after McLain accomplished his job.

Sparma didn't win, but with a little better hitting support he would have. No pitcher can win when his mates don't get any runs for him.

The Sparmas live close by the McLains. They add to the Livonia sports community which includes Normie Ullman of the Red Wings, Bob Bruce, who pitches for the Houston Astros in the National League, and Wayne Walker of the Lions and TV.

EDWIN E. COIL

Smiles last week came to Edwin E. Coil when he was named new general manager of the Detroit Pistons basketball club.

Somebody wanted to know what were Coil's qualifications to run a major league team.

"You don't have any sports background," he was told.

But Coil has a sports background. He has been associated with the Pistons for a decade, working most of the time behind the scenes in Fort Wayne, Ind.

What makes a successful G. M. in sports?

From our experience, it's the job the man does when he takes over... more so than what he did before he became a G. M.

Smiles there were for Roger Crozier, notwithstanding the failure of the Red Wings to win the Stanley Cup finals.

Crozier was a sensation in game after game as the Wings first surprised the Chicago Black Hawks and then pulled off two upset wins in Montreal before losing four straight.

To say that the Wings collapsed is an inaccuracy. The odds were against the Wings when the playoff began. They had finished fourth in the long, regular-season grind behind Montreal, Chicago and Toronto.

We'd have to say that the Wings were outstanding in the cup series. They fared far better than the experts predicted.

Speaking of the Wings, look for a flock of changes next season. Manager-Coach Sid Abel is not the type who sits still.

Smiles... smiles... smiles

Coach Ralph Temby of Clarenceville high's track team has reason to the way his team is going—unbeaten in eight meets.

John K. (Jack) Cotton of Farmington, who will direct the 1966 state high school golf championships a week from Monday at Meadowbrook.

Farmington high's Ron Shortt, the first prep in Michigan to pole vault over 14 feet...

John Dufour, Livonia's recreation boss and his colleagues in the area who are delighted the way tickets are going for the Detroit Tigers-St. Louis Cardinal exhibition game at Tiger Stadium Monday evening at 7.

Proceeds of the game will be turned over to local sandlot groups to foster amateur baseball in Michigan. It's a noble gesture on the part of the Tigers who in the long run hope to benefit by signing several home-grown products for their parent club.

And, speaking of smiles, those of us connected with the Pistons who are in New York as this is being published still have some hopes that we'll be gleaming over what happens at the annual National Basketball Association draft.

Keep on smiling... you'll find a flock of company.

## Detroit Duo Falls Short in Pin Meet

With three weeks remaining in the Fourth annual Observer Newspapers Merri-Bowl Lanes mixed doubles tournament, the Detroit duo of C. Davis and J. Owens still have a firm grip on first place with the big 1361 count they fired two weeks ago.

But they had a few anxious moments over the weekend when Miss Jerry Bartkus, 8557 Dixie Lane, Redford Township, and Fred Takalo, 14151 Minook, Detroit, made a strong bid but fell eight pins short with a 1353.

The Bartkus-Takalo team, who bowl out of Cloverlanes in Livonia, opened with a big 411, then slumped in the second game with a mere 307 and came back with a belated rush for 403 that just missed the spot.

Miss Bartkus, who has a 135 average, had 196 in her opener, ran into a string of misses for 151 in the middle and then fired 183 in the finale for a 530 total.

Takalo, who entered with a 153 average, soared to 215 in the first, ran into two splits in the second game for a 156 and the found the groove again in the third for 220.

Matter of fact he had an excellent chance of sending the team into the No. 1 spot but for a miss in the sixth frame after opening with a string of five strikes. He had 138 at the half-way point, missed in the sixth and then spared out for his 220.

The 1353 was good enough for second place but both Miss Bartkus and Takalo are still moaning over the costly one pin miss that most certainly cost them the lead.

The duo of Carole Hison and Guy Case, of Detroit, climbed into fourth place in the standings with a 1323. Miss Hison, who has a 137 average, sparked the bid with a 586 series on games of 165, 211 and 210. She wound up her opener with a split in the ninth and then missed in the tenth and kept her team from moving up higher in the ranks.

The tournament will end on Sunday, May 29, and Tournament Director Mac Goldman indicated Monday that there are still some choice times and dates available in the remaining three weeks.

"However, with only three weekends left," he pointed out, "Teams that are considering entering should get the entries in as soon as possible. We are getting more requests daily and from all indications there will be full squads on the final two weekends."

The tournament operates on the following time schedules; 11 a.m., 12:30 p.m., 2, 3:30, 5, 6:30, 8, 9:30 and 11 p.m.

There is a guaranteed first prize of \$2,500 and it has attracted bowlers from all sections of Michigan as well as northwest Ohio.

"We have inquiries from bowlers in Ohio and believe there will be several full squads from that section in the next three weeks," said Goldman, "Thus, all bowlers in the area should get their entries in now and take advantage of the choice times and dates as long as they are available."

**Cazzie A Hot Shot**

ANN ARBOR—Cazzie Russell, Michigan All-American basketball star and Player of the Year, who finished third in NCAA scoring with 800 points in 26 games for a 30.8 point average, scored 2,164 points in 80 games during his three-year span as a Wolverine.

## Bentley, RU Chasing Trenton in Baseball

Matters are jammed up in the fight for title baseball honors in the Suburban Six League this spring.

Trenton with a 3-1 record set the pace going into this week's action while Bentley was right behind at 2-1 with Redford Union third at 2-2.

Bentley helped tighten matters by coming from behind on Thursday to turn back Trenton, 7-5, after trailing by a 5-0 count in the third inning.

The comeback enabled Bentley to salvage something out of the week's play after the Livonians were blasted by Belleville, 12-0.

Redford Union also split in league action, falling to Trenton, 11-4, and then blanking Plymouth, 9-0. Plymouth, still winless this season, was blanked by Allen Park, 7-0,

FAST ON WHEELS: That's Rich Maskin in his 1957 Pontiac which has been racing to honors at the Detroit and Motor City drag tracks this year. Rich, who's 18, built the car himself and has become one of the top drivers in the area under the sponsorship of Barnett Pontiac, Inc., of Dearborn.

### BUT THURSTON LEADS:

## Glenn Pulling Big Surprise

While Thurston High charges along unbeaten in the North-west Suburban League's baseball race this spring, the circuit's big surprise continues to be John Glenn of Wayne.

Glenn chalked up a pair of league wins along with a non-league triumph last week to up its conference mark to 2-2 and its overall standing to 13-2—one of the best records boasted by a prep nine in Michigan this spring.

Thurston, meantime, took care of Groves, 2-0, and Oak Park, 12-2, to remain on top, while defending champion Franklin nipped Oak Park, 2-1, in 10 innings before falling to John Glenn, 6-3.

Glenn also toppled North Farmington, 3-0, in a league assignment and set a school record by dumping Huron, 24-7, outside the conference.

North Farmington was socked by Groves, 12-4, in its other start of the week.

The Glenn batmen clouted out 20 safeties in the Huron onslaught. Rick Snow led the way with four hits, on a double. Len Wells was right behind with a single, double and triple,

while Nelson Ellison had a pair of hits.

Glenn put the game out of reach by counting 11 times in the third inning on four hits and seven walks.

With Mike McMaster going six innings and Ellison finishing up, Glenn turned back Franklin with little trouble. McMaster hurt his leg in the last of the sixth while running the bases after unloading a run-scoring triple.

Wells socked in two runs for Glenn in the first inning and Dick Drury batted in Wells in the fifth. In the sixth, an error, McMaster's triple, three walks and an error helped Glenn put the game out of reach.

Errors figured in all of the Franklin scoring in the game.

Ron Kinnunen was the pitching star in Glenn's 3-0 whitewashing of North Farmington. He fanned eight, allowed five hits and walked three.

Snow socked in two runs in the first and Nelson Vandenberg the other Glenn marker in the fifth.

With Vic Pilar tossing a four-hitter and fanning 12, Thurston (Continued on Page 3B)

## It's Split For East; West Slips

The baseball story for Garden City high schools wasn't something to write home about last week.

East high played two games... and split. Garden City West on the other hand engaged in three tilts and dropped all of them.

The East win came by a 12-3 score over Lutheran West behind the two-hit (both singles) pitching of Paul Kightlinger who fanned three batters.

Dick Saylor continued his heavy hitting for East drilling out three singles in five trips. Don Smith and Paul Painter each chipped in with a pair of safeties.

Errors in the sixth inning paved the way for Robichaud to count five times and turn back Garden City East 8-3.

It was East's first loss in Mid-Wayne League action after the team had won twice.

Joe Huber, the losing pitcher, deserved a better fate. When Robichaud exploded in the fifth, East was on top, 3-2.

Huber singled in Mike Conyer and Norb Podwolski with East's first two runs. Then Huber dropped a perfect squeeze bunt to send in George Dobozy. But it wasn't enough for East to win.

East's losses came at the hands of Kennedy, 3-1; Riverside, 7-5, and Shafer, 11-7.

Bo Ardell gave up five hits to Kennedy, but was hurt by errors. Ford Simpson had a single and double to top the four-hit West attack.

Riverside overcame a three-run homer by West's Terry Thompson, who also socked a double, to win. Ardell drove in one run, while an error paved the way for West's final tally.

A nightmare-ish fifth inning killed West's chances against Shafer. The Southgate team pushed over nine runs in the frame on only four hits. Two walks and five errors simplified matters for Schafer.

Thompson again had two hits for West which now stands 2-3 in Tri Rivers League action and 4-4 overall this season.

Wayne State University's 1962 track team chalked up a perfect 6-0 record, the most dual meet wins ever in the school's history.

## SUMMER SCHOOL

An Opportunity for High School Graduates To Make Up Deficiencies or Review Studies for College Entrance

High school graduates may remove deficiencies for college admission by attending the Lawrence Tech special summer school session June 20 through August 19. Apply early.

The courses offered are algebra, geometry, trigonometry, physics, chemistry and English.

## SEPTEMBER PROGRAMS

Apply now for Bachelor of Science Courses in Engineering, Architecture, Management in Day College or Night College.

Also, Associate in Engineering Degree Courses in various technologies in Night College.

Telephone, visit or write to Lawrence Tech Student Counselor.

## Farmington Track Team Handed Loss

Pontiac North high's track team came through with a 60-49 victory over Farmington.

Because of chilly weather, see Farmington pole vaulter Ron Shortt retired after reaching 12 feet to win the event.

Sophomore Chris Brown captured both the 100 and 220-yard dashes for Farmington in the fine times of 10.4 and 22.8 seconds, respectively.

Fritz Simons took the shot put and the mile relay of Russ Roth, George Jackson, Del Cornwell and Mike Hines to round out the Farmington victories in the dual meet.

## Pacers Off To Fine Start In Delayed Wolverine Opener

After a 33-night delay, during which the entire early spring meeting was eliminated at Northville Downs and eight nights of the 55-night program at Wolverine Raceway, the trotters and pacers finally swung into action Wednesday at Wolverine.

It was a twin strike of the mutual clerks union and the Michigan Harness Horsemen's Association that washed out the 25 nights at Northville. Wolverine Raceway officials finally reached an agreement with the mutual clerks but lost eight nights when the MHHA refused to agree to a contract

until the end of the first week. It took three more nights to get a program printed and then at long last—Michigan's harness racing campaign opened.

Judging from the handle and attendance at the first four nights Wolverine is headed for another record making season. The wagering was just below the all-time high level of a year ago but the weather was anything but good.

Frigid temperatures in the evening during all of the four nights definitely had an effect on the crowd and thus on the wagering. But even with that handicap, Wolverine

showed an attendance of 8,282 on Saturday with betting climbing to \$463,461.

Dancing David, the brilliant six-year-old from the Bob Farmington stable of Richwood, O., stole the hearts of Saturday's crowd when he broke on the first turn and then came on to win the \$5,000 Open by almost three lengths. He was last in the field of five by four lengths when he started his drive for the lead.

With Jack Williams Jr. in the sulky, David moved to the front on the final turn and then paced away from the field as if the others had stopped. Philip Brian and Craig Creed battled for the lead for three-quarters when David took over.

It was his fifth victory in 11 starts and this time in 2:02.4, fastest time of the meeting.

The opening night's throng of 7,303 poured \$408,806 through the machines. It was the third best opening in Wolverine history and only a scant \$9,000 from being the best Wednesday ever.

Blaze Rodney, the six-year-old Rodney trotter from Jack Williams Jr. stable, showed that he will have to be considered as king of the hill as far as trotters are concerned with his easy victory in the preferred trot Friday night.

Blaze was Wolverine's stand-out a year ago. In fact he was one of the better aged trotters in the land with earnings of \$41,812.

In his first Michigan start, the big Rodney gelding came from far back in the final quarter to collar the leading Solon Pick at the wire in 2:09.1. He left the post as the 1-2 favorite, lowest priced of the first four nights.

Major Breeze, a seven-year-old, surprised a field of five challengers with a head victory in the preferred pace on Friday. The Major was third going into the final turn when Driver Bill Deters let him go and he rode past the field to win in 2:06.1 at 3-1 odds.

## Raiders Too Strong In Races

Too bad there are only four field events in track as compared to nine in the running department.

Too bad, that is, for John Glenn High.

The Glenn track came out of the field events with 29 points against only seven for North Farmington in a North-west Suburban League dual meet.

But when the runners took over, it was all North Farmington with the net result the Raiders blitzed Glenn, 71-38, in the final results.

Bob Kuben in the shot put and broad jump and Wayne Holman in the high jump and pole vault each accounted for two Glenn victories.

Larry August paced North Farmington in the running department. August won both hurdles and also ran on the winning 880-yard relay team with Steve Dube, Tom Ware and Brian Whetter.

Dube came back to win the 880, Whetter the 440 and Ware the 220. Gregory Cleveland topped the 100 and Jim Rowe the mile run.

In the mile relay, it was Gregory Wycinsky, Gary Succop, Brian Vlamibg and Jim Jentz who carried North Farmington to victory.

## Franklin, Thurston Set Sports Fetes

The annual Franklin High all-sport banquet will be held at the school next Tuesday. A similar event at Thurston is set for Thursday, May 19.

Frank McBride, Wayne State University head track and cross-country coach, is on academic leave of absence during the current school year to complete his doctorate.

THEY'RE OFF!! After a 33-night delay because of strikes by the mutual clerks union and the horsemen, the pacers and trotters finally opened the season last week at Wolverine

Raceway. Niagara Scotty (4), handled by Gordon Norris of Northville, crossed the finish line as the first winner of 1966 in Michigan.

## Trojans Add To Winning Track String

There's no stopping the powerful Clarenceville high track team.

Coach Ralph Temby's forces, in tuning up for this Saturday's regionals at Clarenceville, murdered two more teams last week in downing West Bloomfield, 97½-11½, and Milford, 70-39.

The twin triumphs upped Clarenceville's record to 8-0 on the season with Northville coming up this Wednesday before the Trojans go after Class B honors in the regionals.

Larry Buchheit and Jim Amick each figured in new school records last week.

Buchheit, half of a twin act at Clarenceville—brother Gary also is an excellent runner, stepped the half mile in 2:00.5 to erase the old standard of 2:05.4 in the meet against West Bloomfield.

Amick set his standard in the pole vault against Milford with an effort of 11 feet, 8 inches. The old record stood at 11 feet, 4½ inches.

Amick won the high jump and pole vault in both meets. Jeff Waldman capped the two hurdles against West Bloomfield, while Jim Stears capped the two dashes against Milford.

Other Clarenceville winners: Vs. West Bloomfield—880-yard relay of Chris Hawkins, Stearns, Ralph Rensi and Waldman, Gary Buchheit (mile), Tom Harbourn (high hurdles), Fred Welton (440), Ron Ray (low hurdles) and the mile relay of Larry Martin, Welton, Jerry Graff and Darrell Hawell.

Vs. Milford—880-yard relay of Hawkins, Stearns, Rensi and Ray; Gary Buchheit (mile), Larry Buchheit (880), Waldman (440), and mile relay of Rensi, Welton, Larry Buchheit and Waldman.

The Clarenceville baseball team, meanwhile, didn't fare so well. On the diamond the Trojan's lost to Milford, 2-1, and to Northville, 7-0.

Gale Armstrong gave up nine hits against Milford, which scored both its runs in the third inning. Mike Nye had three hits and Fred Neal two for the Trojans.

Carl Watkins and Neal accounted for the only two Clarenceville hits in the game with Northville. The first seven Clarenceville batters struck out. In all, 13 Trojans went down swinging.

## Air-Minded Tigers To Log 25,000 Miles Via Planes This Year

The Tigers will log another 25,000-plus miles in the air this season, giving them a total of nearly 250,000 air miles since they took to airplanes in 1957.

The club has booked 44 flights for 1966, according to Charles C. Creedon, traveling secretary. Most of the trips are chartered, using DC6B planes, but jet planes have been booked for flights to and from the Pacific.

The Tigers' only other travel during 1966 consists of two bus trips between Detroit and Cleveland.

## No Umpires! So No Game

Who says umpires aren't important?

North Farmington and Franklin were all set to play last Friday afternoon. Each team had completed its pre-game tuneups.

However, no umpires showed up because of a misunderstanding in dates.

The result: The teams settled for a practice game and will have to make up the contest at a later date.

## Glenn Pulls Major Upset

(Continued from Page 2B) edged past Groves, 2-9, as Paul Santangelo socked in Mike Holmes in the third and Bob McCrum doubled home Dan Harris, who had reached base on an error, in the seventh.

Bob Durand coasted past Oak Park on a six-hitter with the slugging of Dan Best leading the Thurston bombardment. Best clubbed two triples to drive over five runs.

Santangelo had three hits, McCrum a single and triple and Holmes and Dave Steiff each two singles.

Thurston also posted a 5-0 shutout against Assumption in a non-league at McCrum, Pilar and Deno-Syrios shared the pitching and gave up three hits between them.

The victors piled up 12 hits, with Santangelo getting three, Holmes, Reg Barringer, Harris and Barry Simescu bagged two each.

Franklin had to go three extra innings to slip past Oak Park in a game which was scoreless for eight innings.

After Oak Park scored in the top of the ninth, Franklin got even when Mike Stachurski tripled and Steve Atkinson clicked on a sacrifice fly.

In the tenth, Dave Fisher singled to start Thurston's winning rally. Tom Moersch was safe on an error and Brian Bergen walked to fill the bases.

Up came Larry Russzas, who had pitched the route for Thurston, and squeezed in Fisher to win his own game. Russzas allowed only four hits in outdueling Oak Park's Bob Herkowitz.

Chuck Viane collected three hits and Bill Bowles two, but it didn't do North Farmington much good against Groves. The winners had 12 hits, North Farmington ten.

Five errors played havoc with North Farmington's defense.

## Sorrows '9' Drops Pair, Wins Once

One victory . . . two defeats.

So it went in baseball for Our Lady of Sorrows High last week.

The results left the Parish team with a 3-2 record in its bid for title honors in the North-west Division of the Catholic League.

The week started with Sorrows falling to St. Cecilia, 4-1, as Tommy Webster suffered the first loss. Greg Main scored the lone Sorrows run on a hit by Dave Hickey.

Sorrows bounced back to hand Royal Oak St. Mary's its first reversal, 8-1 as Jerry Turner went the route and allowed two hits, while fanning 12.

Hickey tripled over two runs in the third and Bob Urban socked in two more tallies in the fourth with a double to pace the winners.

With Turner again pitching, Sorrows wound up on the short end of a 3-1 score against St. Rita. Turner, who has a 3-1 record this season, gave up only two hits in the game. Errors led to the St. Rita scoring.

Hickey, who has poled eight hits in 14 tries, singled in Chuck Thiesen with Sorrows' marker.

## Livonia DPR Leagues Open Schedules

Spring activities in the Livonia Department of Parks and Recreation will begin in earnest this week with the opening of the softball and baseball season at Henry Ford Memorial Field.

A large contingent of church league teams in both the limited and unlimited class will play on Wednesdays and Thursdays; Class D limited and unlimited will play on Mondays and Tuesdays, and the girls' league will play on Friday nights.

All games will start at 6 and 6:30 p.m. with night games scheduled for 8 p.m.

Schedules of all games will be posted on large bulletin boards at the concession stand at Ford Field which will also begin operation on May 9. Class F Major Baseball leagues for boys 13 and under will be played at Hydrum Field beginning this week.

The Invitational High School Baseball Tournament involving 12 Greater Livonia teams will begin under the lights at Ford Field on Saturday, May 21. Schedules for these games will also be posted at the concession stand.

## Bentley Booms; RU, Plymouth Fall in Track

The Bentley High express keeps booming along in prep track circles.

With no troubles, Bentley rolled over Allen Park, 77-32, last Thursday to give the Livonians a 2-0 record in the Suburban Six League and a 5-1 overall as they look ahead to this week's regionals at Ann Arbor.

Meantime, Redford Union and Plymouth both wound up on the short end of the score in league action.

Redford Union fell before Trenton, 62-47, while Belleville downed Plymouth, 69-40.

A sweep in the shot put, the mile and pole vault highlighted Bentley's conquest over Allen Park.

Big Frank Miller continued his winning ways in the shot with a long bomb of 50 feet, 10 inches. Larry Haggart and Tom Doyle were right behind in Bentley uniforms.

In the mile Fred Edwards crashed the finish first for Bentley, followed by Tom McGhie and Bill Birkett. Ron Gloetner took the pole vault with mates Gary Gilders and Larry Grimm second and third, respectively.

Doug Thomas engineered a double for Bentley by winning the 100 yard dash in 10.3 seconds and the 220 in 23.8. Ken Jackson took both the hurdles, the highs in 15.7 the lows in 21 flat.

Mike Duboise won the long jump with a fine effort of 20 feet, 5¾ inches. It was Andy Foley in the half mile and the mile relay to round out the Bentley triumphs. Duboise, Rick Dudzinski, Grimm and Foley formed the relay quartet.

Trenton's win over Redford Union ended the Township's record of not having lost a dual meet in league action three years.

Prior to bowing to Trenton, the last RU loop setback came at the hands of Bentley in 1963. The RU team came up with only five individual victories, plus the mile relay against Trenton.

Dennis Fifield streaked home in both hurdles for RU, while Jim Parnin won the pole vault. Tim McLain the 880 and Bill Meiras the 440.

In the mile relay, McLain, George Corombos, Jim Childress and Meiras carried the RU baton. Earlier in the week, RU finished third in a triangular meet in which Dearborn Ford posted 54½ points, Franklin 45 and Redford Union 38½.

Bill Arnold (high jump), F. field (high hurdles), McLain (880) and Meiras (440) accounted for the RU victories.

Plymouth received a one-two performance from Pat Brady and Tom Elias in the shot put, a sweep in the high hurdles with Dave Derr, Mike Stakias and Jim Scharmen finishing in that order and victories from Scharmen in the high jump and Doug Bets in the mile but these weren't enough to beat Belleville.

However, the Rocks did take meet honors in a non-leaguer with Walled Lake, 64½-44½.

Don Burleson paced the Rocks past the Lakers with victories in the two dashes and also a leg on the winning 880-yard relay. Curt Irish, Brady and Steve Montgomery joined Burleson on the relay team.

Brady took the shot put, Bill Clyde the pole vault and Dave Dirlam the 440 against the Lakers. The Plymouth mile relay also came through on top with Jerry Warnemuende, Ron Lowe, Mike Kubik and Dirlam speeding in with a 3:48 clocking.

## Falcons Win After Losing On Diamond

Farmington high's baseball team broke even in a pair of Interlake League games last week.

After falling to Northern, 4-2, Farmington rebounded to nip Walled Lake, 5-4, to gain a 2-2 standing in the conference.

Wayne Johnston accounted for the only two Farmington hits against Northern. Both of Johnston's blows were singles. Tim Patrick, taking over on the mound in the first inning for Farmington, turned in a fine effort. But his mates couldn't do anything with their bats.

Patrick came back with three days of rest to go the distance against Walled Lake. He issued seven hits and fanned five. He didn't walk a man.

Walled Lake jumped off to a three-run lead in the first inning on three hits and two errors.

Farmington came back to score three in the second on successive hits by Al Kikka, Chris Norton, Johnston, Mike Searly and Joe Himmel-spach.

Johnston's two-base gallop on an error and Searly's single produced a Farmington run in the fourth. The winning run checked in a frame later when Jerry Tinkle, Norton and Johnston singled, the latter with two out.

## Thurston, Bentley Cop Relay 1sts

Thurston and Bentley high track teams came through with honors in the Monroe relays Saturday night. Thurston finished with 24 points and Bentley had 23 after being shut out the year before.

Frank Miller unloaded a toss of 52 feet, 6½ inches to set a Bentley school record in winning at Monroe where Bentley's shuttle hurdle relay of Ken Jackson, Doug Thomas, Ron Gloetner and Mike Duboise triumphed in 59.5 seconds.

Thurston produced one winner as Al Phillips repeated as king of the high jumpers with a leap of 6 feet, one-half inch. Jackson scored a third in the high hurdles and Thomas a fourth in the 100-yard dash.

Meantime, Thurston's Roger Steffan took fifth in the shot while Chuck Nole and Phillips placed fourth and fifth, respectively, in the long jump and Leonard Cyr fifth in the high hurdles.

Thurston took third in the two-mile relay, fourth in the shuttle hurdle and tied for fourth in the 440-yard relay.

Thurston suffered its first dual-meet loss this season when beaten by Groves, 57½-51½. The Townshipers managed only three first places—Phillips in the high jump and broad jump and Bob Grimm in the half mile.

James Beard, Michigan State University crop scientist, points out that much of the problem of poor or spotty lawns can be corrected with good lawn management. This means proper seeding, weed control, mowing and watering from the first sign of spring to the first wisp of winter.

Beard offers three alternatives for improving lawns where weeds predominate over perennial grasses, bluegrass and red fescue:

- Correct the original cause of deterioration. Beard says possible causes could include low fertility, acidity, improper use of grasses, poor drainage, droughty soil condition, improper mowing, improper pest control or improper weed control.

"The first essential in lawn improvement is the correction of mismanagement," comments Beard.

"If sufficient perennial grasses are present to fill all open areas within a year, then no additional renovation practices may be needed. Open areas no larger than your hand will fill in within a year under proper management."

• Lawn renovation. Where a lawn is infested with a high percentage of broad-leaf weeds and annual weeds grasses but still has some perennial grasses present, then fall renovation may be the best procedure.

Best cost and effort for lawn renovation is much less than for complete re-establishment.

• Complete re-establishment. This is the method used for

lawn improvement where no desirable perennial grasses are growing or where infestations of perennial weeds grasses such as bentgrass or quackgrass are present. This should be done in August or September.

Beard notes that perennial weeds grasses can be propagated vegetatively by stolons or rhizomes which can be introduced from neighboring lawns by blowing from mowers or by animal traffic.

Therefore, he says, even complete re-establishment will not be effective if adjacent lawns contain these weeds perennial grasses.

## Need for Landscaper Increasing

More attention is given by home owners to landscaping for living than at any time in the country's history.

Color is a predominant factor in the modern landscape. In order to enjoy the recreational facilities of the property, including outdoor entertainment, color tends to make all leisure-time activities more enjoyable.

Plants which do not require re-planting every year are preferred by many.

These include perennials, ground covers, roses, flowering trees and evergreens like rhododendrons, azaleas and camelias.

Nurserymen can help home owners select plants whose flowers accent and harmonize with the house and patio colors.

Annuals in beds or containers, such as geraniums, candytuft, petunias and many others afford continuous summer color when it is needed most.

Shade is essential in modern outdoor living and it may be placed to give greater coolness morning, noon and afternoon when the sun's stifling rays come beating down.

Color in the landscape provides an aura of gaiety and beauty for more carefree recreation on the home property.

Consult with professionals to obtain the colors you like best.

## Roof Gives More Per Dollar Than Other Features

A roof may be at the top of your house, but it's way down on your list of home expenses.

Considering the area it covers, and the fact that it services and protects the entire house, a roof is actually one of the lowest expense items for the homeowner.

An average ranch or split-level house requires from 1800 to 2000 square feet of roofing, while an average two-story house needs only about 1000 square feet.

Even a high-grade roofing material like heavy-weight asphalt shingles represents less than 3 percent of the building expense in a \$20,000 house. And since heavy-weight shingles can be expected to last up to 25 years or more, the cost is amortized over a long period.

ALL AROUND Clarenceville School District students and teachers took time to plant trees on school property for Arbor Day. In Grandview Elementary School, Junior and Senior High Schools and (above) Botsford Elementary School where (left to right) Bob Vedder Jr., Superintendent L. E. Schmidt, Walter High and Principal Leo Larue planted trees.

## Good Lawn Needs Wholesome Diet

Is "hidden hunger" plaguing your lawn?

Chances are that your lawn is suffering from an imbalance of elements it needs for nutrition.

Although ample fertilizers may have been applied, the wrong ratio of potash to nitrogen can cause reduced or abnormal growth, a pale color, and susceptibility to disease and other environmental factors.

"Hidden hunger" may not be readily apparent in the appearance of your lawn. However, using a lawn fertilizer with an imbalance of nutrients will not allow even the finest of turf grasses to reach maturity in a healthy state.

For best performance, a turf fertilizer should be balanced to replace the nutrients used up by grass growth. Turf scientists have known this for years.

Now the fertilizer manufacturers are learning how to produce these high potash fertilizers.

Recent advances in the science of turf management show that many fertilizers do not adequately replace the soil elements taken out by growing grass.

Studies show the major elements needed for replacement in the soil are: nitrogen, high levels; phosphate, low levels; and potassium (potash), high relative levels.

This balanced formula is best suited to meet nature's requirements for a healthy lawn.

Results from soil test data throughout the country show that most lawns have sufficient phosphate, but are lacking in nitrogen and potash.

Many fertilizers available today are high in nitrogen, but lack sufficient potash to meet the natural requirements of grass plants. High nitrogen fertilizers can actually weaken lawns when the grass plants don't get sufficient potash for cell growth.

Potash is vital for a healthy, vigorous lawn. It provides for thicker growth by increasing the branching of roots; helps older lawns regain new life; improves drought and heat resistance.

Nitrogen is used in larger amounts by grass plants than any other soil nutrient.

Consequently, larger amounts are needed to replace the nitrogen utilized by plants in the growing season. Limited availability of nitrogen results in pale-green color and reduced growth.

Grasses do not require

large quantities of phosphorus. Although phosphorus provides energy for the biochemical processes in the plant, it is used in smaller amounts.

Scientific analysis of leaves and stems has now shown that grass plants require more potash than phosphorus to meet their nutritional needs—nearly twice as much.

One major lawn products firm, especially interested in healthy grass, has put on the market a fertilizer high in potash.

## Researchers Blame Aphid For Troubles

Researchers trying to trace the cause of common bean mosaic virus are pointing a big finger at aphids (plant lice).

But the big problem is which of the more than 2,000 species of aphids transfer this virus, and where do they come from.

Among the aphids most prevalent in experimental bean fields were yellow clover, cornleaf and apple-grain varieties.

Generally, aphids come from neighboring plants.

If the nature of the crop or weed that harbors the most virus-transmitting aphids was known, a major bean battle would be won.

In traps set in three bean fields, the three most prevalent species accounted for 36 per cent of the aphids caught.

The remaining 64 per cent contained 50 other species.

One control of such bean diseases as halo blight, white mold and pythium wilt is a 2-to-4-year crop rotation to avoid infection from old plant debris.

Other suggested control measures are reduction in fertilizer and irrigation, deep plowing in fall or early spring, use of fields with good air and water drainage, running bean rows in the direction of prevailing winds, elimination of milkweed, ragweed and other large weeds, and application of the fungicide PCNB dust at first bloom.

## Don't Overwater Your House Plants

More houseplants die from overwatering than underwatering.

One rule of green thumb to follow is never water unless the top soil is dry to the touch.

## Man Finds Many Uses For Trees

Trees have many values. Not only do they bring color to homes, communities and highways, but they offer protection to man and other animals.

Cows produce more milk when grazed in tree-protected pastures, while beef cattle grow larger.

Man is benefitted greatly by trees as anyone knows who has cooled off in the shade, eaten fruits and nuts, enjoyed the lovely flowers.

Cities with many trees are cooler in summer. Homes are protected from cold winter winds by windbreaks.

Trees add natural beauty to homes, factories, institutions, communities and highways.

Employees like to work where trees supply beauty and comfort.

Highways can be made safer by tree planting to reduce headlight glare, guide cars in particularly hazardous areas, as well as providing cooling shade in rest areas.

Trees conserve water in the

soils of forests releasing the water gradually to keep more even flow of water to reservoirs.

Nurserymen grow trees for every purpose.

Ordinarily it takes from four to ten years, sometimes longer, to grow a tree in a nursery to the landscape size planted on home properties.

Trees add dignity and value to the land.

Evergreen trees give all-year color in temperate zones; in addition, lumber and the lovely Christmas tree during the Yule season.

Some evergreen trees have lovely flowers.

Deciduous trees offer the lively fall and spring colors in leaves, the colorful barks from the pure white of the birch to grays, reds, yellows and blacks.

Without trees there would be no real fruits and nuts, no or-

anges, apples, pecans and many others, no plywood, no turpentine, no maple syrup, no wooden desks.

## Always Scrub Down Your Flower Pots

Porous or glazed clay flowerpots, which are re-used repeatedly for planting, transplanting, or decorating, must be kept clean and scale-free.

They need to be scrubbed thoroughly and often with hot suds because dirt residue often contains disease "bugs" or insects that destroyed the previous plant.

If left-over soil is not washed out, it remains to repollinate new soil and damage the plant.

Use a stiff-bristled or wire brush, well-lathered, to wash the pots and their saucers.

Very dirty pots should be soaked for a few hours in a pail of hot suds to loosen caked earth or the white film which insecticides or fertilizers sometimes deposit on porous clay surfaces.

Some experts suggest adding 1/4 cup of bleach to the suds. Rinse several times, and line the flowerpots up in the sun to dry.

Red, porous bones — a mark of top beef grades — indicate that the meat comes from young animals.

## Newlyweds Select Homes That Can Be Expanded

With 51 per cent of young women marrying before they are 20, newlyweds must decide at an earlier age than ever before what kind of home they want.

In many instances both husband and wife have jobs. They are young enough to want to continue doing fun things such as bridge, golf, skiing and swimming.

So they definitely want a home that doesn't demand too much time to maintain.

Also young marrieds want to avoid having to move into several houses as their need for more space increases through the years.

Today's trend is to select a home that can be expanded as desired.

They choose a house and property so that new sections can be built without destroying the architectural design of the original house.

The family budget makes it necessary to have a home with a compact interior that provides ample storage space and is comfortable and efficient.

Young marrieds are solving the problem by using storage walls and built-in furniture shelves, cabinets and room dividers.

What otherwise might be

waste space is utilized for books, radio, hi-fi, sewing machine and other paraphernalia that can be tucked away.

The living room often has doors and built-in units to match the walls. The family room can be designed for easy conversion into guest room with its attractively covered daybed quickly made into a double bed for friends who stay overnight.

Even if the kitchen is small, careful planning can provide ample storage in wall and floor cabinets.

Perforated panels are used in kitchen, laundry and workshop for hanging utensils and tools. Precious time is not taken up in keeping the kitchen floor clean, as the use of solid vinyl tile,

such as Kentile's Colonial Brick, steadily gains popularity.

Resilient tile in various colors and design adds beauty to floors and walls throughout the entire house, saving time and work, they find.

Gaining in popularity is the use of built-in banquettes arranged around three sides of a table in a dining alcove. Space beneath the banquettes affords more room for storage.

Young marrieds are delighting in the practicability of built-in furniture and storage walls in every room — the master bedroom, study and lavatory.

Space beneath stairs now is being used for storage, either as a closet or a series of drawers, one to each step.

## Create Own Layout With Home Divider

If hunting for a house or apartment has you frazzled because you can't find one with a good room layout, don't be discouraged.

Room dividers may solve the problem perfectly.

Walls can be "shortened" or "lengthened," jutting columns concealed, and windows beautified by new see-through dividers that you can put up with just a screwdriver.

Dividers in effect let you create your own layout.

Ideal for those who move often and, therefore, must rent living quarters, this type of easy-to-assemble "wall" is a practical long-range investment.

Screw-on panels are supported by floor-to-ceiling tension poles in a choice of traditional or modern designs and in several finishes.

Extensions are available to cope with high ceilings.

And when it's time to move in another year or so, your "wall" goes right along, without leaving any holes for landlords to complain about.

There are numerous ways decorative dividers can aid in solving furniture arrangement problems and saving money, too.

For example, suppose you have a long sofa and a short wall due to a badly placed dining "L."

With a single divider section you can lengthen the wall and at the same time, give the dining area a feeling of greater privacy.

### Solidly Sided

Over 300,000 new and remodeled homes a year are being sided with aluminum according to a survey by Creative Research Associates for The Aluminum Association. The survey respondents indicated long paint life of aluminum siding—15 or more years under average conditions—significantly reduces home maintenance.

## Flowering Crabapple Fine For Ornamental

By Wayne Jones

The flowering crabapples are the largest group of ornamental flowering and fruiting trees found in Michigan. The flowers may be single, semi-double or double petaled.

The flower color may be white, pink to reddish purple in many different shades. The leaves may be green, gray, bronze or reddish purple and some of the newest are as red as the plum trees which are so popular.

The leaves vary from variety to variety to as many as eight different shapes. The fruit may be any size and any color except blue or black. The tree may grow to 20 feet or more in height and a new variety just being patented is only 30 inches tall after 14 years. The tree may have a standard shape or be shrub-like or pendulous branches or columnar in habit.

To select the right variety for any landscape requires considerable experience. Unfortunately most of the commonly known varieties such as Hopsa, Eleyi, and Almey are susceptible to scab, a fungus causing a bluish on the foliage and the fruit.

These varieties also tend to bear flowers very lightly every other year. At the same time it is difficult to select a crabapple that has all the best qualities. I am going to list a number of the better varieties. Many may not be found locally and many others can not be listed because of space.

Vigorous varieties: Atrounginea, Floribunda, Micro-malus.

Slower growing varieties: Dolgo, Hupehensis, Parkman, Zumi Calocarpa.

Dwarf varieties: Sargent, Sargent Rosea.

Newer varieties: Beverly, Bob White, Demoiné, Liset, Morden 457, Marshall Oyama, Mary Potter, Pink Beauty, Radiant, Turesi, Van Eseltine.

All of these listed varieties are scab resistant and are considered the better ones. Some would have to be ordered a year in advance because they are new.

People are anxious to tell you how, but few offer to help.

let us build this vacation home for you now... to enjoy this summer (and all year!)

By ordering now, we can guarantee that you'll be enjoying outdoor living in your own vacation home this very summer. Our new manufacturing plants can now supply our expert building crews with all the materials they need — right away. This means the crew can begin your vacation home or lodge whenever you say. Your satisfaction goes far beyond completion day, however. To assure your complete satisfaction, all Viceroy Homes are made from:

- 1 Solid British Columbia Red Cedar, insect proof, moth proof, rot proof. Cedar wears like iron and takes a beautiful varnish or stain.
- 2 Hurricane-proof Johns-Manville Sealomatic shingles for a smooth, lifetime roof, will not lift or flap during the most severe storms.
- 3 World famous Rusco steel windows, wind and water tight and impervious to extremes of heat and cold. Weather stripped for year round use. No sticky window problems here!
- 4 Name brand materials only are used in Viceroy vacation homes. Nationally known brands like Johns-Manville, Pittsburgh Plate

Glass, Lloyd Doors, and Rusco Windows are your guarantee of outstanding quality. There are 52 models to choose from, starting as low as \$2561. Remember, ours is a Built Price on your foundation! If you prefer to erect yourself, the price is even less. Join the swing to Viceroy—You'll be glad you did! Shown above is our Voyageur, 3 bedroom leisure home with large Panoramic window and spacious living room. We'll build it on your foundation for only

\$4201

## New Siding Perks Up Old Houses

If you think a new dress can do wonders for a woman who feels she's growing older, you'd be amazed what it can do for a middle-aged house.

A woman dressed by 1936 standards would look drab today — just as many fine and structurally sound houses built just a few decades ago look drab now.

Many owners of older homes have turned to re-siding as the surest way to strip years from their homes' appearance. In the process, they've eliminated burdensome maintenance chores.

A new exterior of mineral fiber siding, for example, will add a bright, fresh appearance to a dull-looking home that will last many years.

Mineral fiber's textured surface is pre-finished with a long-lasting plastic acrylic color coating that can be restored periodically simply by washing it down.

Mineral fiber is a tough, permanent-type material like brick or marble, that will not rot, dent or burn and cannot provide food for termites.

When installed over an insulating backer, it provides an extra-husky shadowline and additional insulation for exterior walls — especially important for homes built before wall insulation was standard practice.

Re-siding makes real economic sense for many homeowners. By adding up the estimated costs for painting (most houses need repainting every three to five years), and comparing with cost of re-siding, it can be shown that the "expense" is a savings.

## Iron Piping Considered Permanent

Everything seems to become obsolete rather fast these days — jet planes, factory equipment, electronic gadgets, and even the family car. In fact, much industrial machinery is almost obsolete even before it has reached the end of its useful life.

For this reason many businessmen like to depreciate or "write off" the cost of a new piece of equipment over as short a time as possible, perhaps just one or two years.

However, when it comes to the cast iron soil pipe plumbing drainage system in an industrial or commercial building, the IRS considers it so permanent that it suggests the useful life of cast iron in waste lines in a building be spread over the entire life of the building. It rates underground cast iron sewers at 33 years for depreciation.

And evidence indicates even much longer life can be expected. Recently a four-inch sewer was removed and replaced with a larger size to serve a new building in Roanoke, Virginia.

This four-inch sewer had given 66 years of service and was in excellent condition.

For the homeowner having a cast iron soil pipe plumbing and drainage system means that he will probably never have to worry about excessive maintenance or replacement for the entire life of the house.

Cast iron soil pipe is the only piping material permitted underground beneath a building by all the plumbing codes in the United States.

**HUNDREDS OF LIGHTING FIXTURES** have the attention of Jerry Zaleski, showroom manager of Allen Electric Co., and Lighting Consultant Lea Marquart. They are shown looking over a small portion of the fixtures on display in the showroom.

## Allen Electric Moves Into Expanded Quarters

In the short span of six years, Allen Electric Co., on Plymouth Road, grew so fast that President Joseph Horvitz and Vice President and General Sales Manager Arthur Jones found it necessary to expand into new quarters.

That's exactly what has happened and the firm is now located in the new, modern building at 31750 Plymouth Road where officials believe they have adequate space to take care of their customers for the time being.

The new building, which measures 80 by 164 feet, is four times larger than the previous on Plymouth Road.

Allen Electric has a large showroom with hundreds of electric fixtures and lamps for the retail trade but it concentrates on the wholesale and commercial trade for all needs of contractors for industrial and commercial work.

"We have everything an electrical contractor could possibly need," said Vice President Jones, "We are equipped to handle every type of electrical equipment for a large industrial, commercial or public building."

"We handle all name brands, have delivery trucks available for deliveries and have specially constructed loading docks for all of our customers."

Jones takes a great deal of pride in an electric facility that quickly removes snow and ice from all of the loading docks as fast as it falls.

"We use an electric device," he said, "There is never any trouble with our trucks or those of customers at the docks, the loading facilities are always as dry as a bone."

Allen Electric has constructed the new building in such a design that the capacity can almost be doubled if necessary. There is plenty of room for additional expansion and officials believe they may have to use it if business continues to grow as in the past few years.

## Realtors to Celebrate National Realty Week

The week of May 22-28 has been officially designated Realtor Week, and the 1,400 members of the United Northwestern Realty Association—Western Wayne-Oakland County Board of Realtors have made extensive plans for its celebration. Everett J. Wilson, Milford Realtor and this year's Board president, said Monday.

As a pre-kickoff to Realtor Week, members of the board will distribute 25,000 helium filled and stick-mounted balloons to children at shopping centers and other public spots throughout their territory on Saturday, May 21.

Also on the agenda will be the annual Realtor Week dinner on Thursday, May 26, at the Mayflower Restaurant in Plymouth, with radio personality Bud Guest as the principal speaker. Honored guests at this event will be the mayors and supervisors of 23 cities and towns served by UNRA's members, along with representatives of the press.

"The purpose for Realtor Week," said Wilson, "is to direct public attention to the calling and special character of the services rendered by a Realtor."

"A Realtor is not just a real estate man," said Wilson. "He is a professional in real estate who subscribes to a strict code of ethics as a member of the local board and of the National Association of Real Estate Boards."

"The code of ethics was one of the first adopted in the history of American business, and under it 30 articles cover all aspects of a real estate transaction, whereby the Realtor pledges fair treatment and the full scope of his real estate knowledge to both contracting parties—buyer and seller."

The slogan of the 1966 Realtor Week as announced by Wilson is "Moving Up? Settling Down? See a Realtor."

**Brighten Your Patio**  
The easiest way to brighten outdoor living with changing color schemes is to keep most of your patio or porch plants in clay pots, and in planters with rollers or casters.

In this way you can adjust colors to fit various flowering seasons, merely by moving or wheeling your mobile plants around as you see fit.

### Mobile Home Sales Still Climbing in Most Areas

Mobile homes account for one out of every three dwellings designed to sell for less than \$10,000 and may well be the major factor in the low-cost housing market by 1970, according to one of the country's leading producers of relocatable residences.

In addition, one-sixth of all new, non-arm, single-family home purchases last year were mobile units, says F. L. Cappaert, president of Magnolia Homes Manufacturing Corp.

And, he adds, 85 per cent of those structures are used as permanent homes.

Cappaert says the low cost of mobile homes—a result of technological advances and mass production techniques—is a significant factor in the growing popularity of the units.

"The average mobile home costs \$5,600 — about \$8 per square foot, completely furnished, as compared with \$14 per square foot for conventional housing, unfurnished," he said.

# 'U.S., Soviet To Rule During Next Decade'

## Editor of Christian Science Monitor Says

"Nuclear Power is polarized in the United States and Soviet Russia and the next decade will see the continuing stalemate of this power." This statement was made by Erwin D. Canham, Editor of the Christian Science Monitor, Tuesday May 3 at a press conference held at the Press Club.

Canham wears several hats with grace namely that of Editor and author, but he was forced to wear a third hat, that of analyst of foreign affairs during most of his press conference.

A handsome man, silver haired, tanned and lithe, Canham was making a tour of 20 cities all over the world in connection with the 100th anniversary of the Discovery of Christian Science. He proved so well

ERWIN D. CANHAM

informed when questioned about current affairs, that the newsman kept him on this subject.

One of the press asked him, "Would you care to predict the next five or ten years turn of events? Five years ago the Editor of the Christian Science Monitor (not Canham) visited here and predicted with amazing accuracy the events to

### Men's Club Gives Trees To Y.W.C.A.

Northland Men's Garden Club has presented a Flowering Crab tree to Northwest Branch Y.W.C.A. at 25040 Grand River. On hand for the planting of the tree were Joseph Garbin, Farmington; Ed Pinter, Birmingham; Irv Johnson, Detroit; Edwin Fricke, Livonia; Wilbur Bruce, Redford and Lou Bevan, Southfield, representatives of the Club.

The Northland Men's Garden Club is made up of amateur gardeners in the Northwest Area. Four service projects were selected by the club this spring.

"The YWCA was chosen as one of our projects because of their worthwhile contribution to the Northwest Community", Lou Bevan, Chairman of the Project Committee stated.

The tree was planted near the front of the YWCA building on Grand River.

come." Canham smilingly declined and said that he did not see himself in the role of a prophet but he then digressed enough to make the above statement.

"Never in history have small nations been so independent," he said. "We have gone past the time when big powers can use their power against small nations. Small nations can almost do as they please."

"However," he continued, "let us analyze the facts. Nuclear power is polarized in the Soviet and the U.S. It will continue

even if anti-missiles continue. These two nations are the vital elements in the world. The next decade will be dominated by the Soviet and U.S. polarization. Between these two powers there is a great deal of grasping and disorder in the smaller nations."

In answer to the question, "What will China do?" he said, "Communist China will have its hands full with its own affairs in the next decade. It is uncertain whether they will become a massive aggressor."

He does not think this is a bad state of affairs but said,

### Pilgrim Statue of Our Lady of Fatima Visits St. Fabian Church in Farmington

For the past 11 years the visiting statue of Our Lady of Fatima has been on a worldwide pilgrimage. She has been invited to churches, convents, old-age homes, orphanages, and to private homes throughout the world. The purpose of her visits are to encourage the people to pray for World Peace and especially to say the rosary for this intention.

The famous statue is now visiting at the St. Fabian Parish in Farmington. The church is located on 12 Mile Rd. between Orchard Lake Rd. and Farmington Rd. Anyone wishing to say a prayer for World Peace is most welcome to come in to see

the Statue of Our Lady of Fatima. On Friday, May 13, a Mass will be said at the church at 7:30 p.m. This will be 49 years since the first apparition took place in Fatima, Portugal on May 13, 1917.

The statue will remain in the church until 6 p.m. Saturday, May 14 and from here she will journey on to the residence of Mr. and Mrs. Edward Blaszkiewicz at 1479 Elm Street in Wyandotte, where she will remain for one week.

If anyone wishes to invite the Our Lady of Fatima statue to their parish, or home, please contact Mrs. A. Magolan by calling AV 2-6685 for further details.

## Observer CHURCH PAGE

Page 4-C (P.R.F.N.GC 7-B) Wednesday, May 11, 1966

A CLASS FROM THE Rosedale School of Dance rehearses for participation in a "Fine Arts Happening" at Rosedale Gardens Presbyterian Church on May 14 and 15. The dance group will be presented at the Fine Arts Festival at Sandburg Library on Sunday, May 15, in addition to its appearance at the church.

# Sister Carves A Six Foot Crucifix For New Chapel at Mercy High School

By LINDA BODD  
Sister Mary Ignatius, R.S.M., has created a 49 square foot mosaic, and carved a 6 foot crucifix for the recently completed chapel of Our Lady of

Mercy high school, Farmington. The mosaic is fashioned of transparent, glowingly-hued Venetian tiles, like those used for centuries by masters. It will be installed behind the altar of the

simple, contemporary chapel. The crucifix, carved from Honduras mahogany, will be set out six inches from the surface of the mural, in order to cast interesting shadow patterns over the tiles.

The 37 colors used in the mosaic range from deep blues and violets, to fiery reds and burnt oranges, into palest yellows and golds in the area surrounding the crucifix.

Sister, who is the art department head at Mercy, says that her abstract design is meant to suggest love of God glowing in the hearts of men. Beneath the altar, gold lights are few, but as the design moves toward the crucifix, the number of bright windows increases, until they radiate from the cross. Superimposed over the design is a pattern of flames, which also suggests love for God.

Sister Ignatius added an element of texture by using slag, odd pieces of broken glass tile, within the flame area to suggest

their contour. Originally planned as a geometrically-patterned wall of ceramic tile, Sister volunteered to design and execute the mosaic. "I could foresee the idea of a beautiful design, giving greater glory to God," she explained.

Sister has worked since mid-February on her designs for the chapel. To complement the large mosaic, Sister has completed a pair of 11 foot mosaic panels located behind the holy water fonts. These designs suggest the Holy Spirit and the flight movement of angel wings.

Another 11 foot pair of mosaics, depicting the chalice, host, and small crosses, will be fastened to the outside walls of the robbery and confessional at the rear of the chapel.

Sister's next mosaic project will be a tiled replica of the school crest for the lobby of the auditorium. She plans to commence work on the design in the near future.

SISTER MARY IGNATIUS, Mercy High School, displays her 49 square foot mosaic, and hand carved 6 foot crucifix. These were made for the newly completed-chapel of Our Lady of Mercy High School in Farmington.

## Wedding Gowns of Yesteryear Are Modeled at Mother-Daughter Banquet

The Mother-Daughter Banquet at Livonia Chapel, Ward Memorial Presbyterian Church Friday, May 6, featured 30 brides on review. Of the 190 guests, these 30 consented to model wedding gowns, in most cases, their own. Some of the older gowns "with a story," were modeled by daughters and granddaughters of the brides.

The oldest, 110-years old and in beautiful condition, was brought in by Mrs. Troy Stieber, and modeled by her daughter, Dianne. It is owned by Mrs. Nellie Short of Detroit, a descendant of the bride who wore it.

Mrs. Russell Burns, of Plymouth, modeled the dress worn by her grandmother on April 17, 1899 when she was married in Detroit. Mrs. Burns displayed the shoes her grandmother wore, which were hand made by her great-grandfather, a maker of theater shoes for Fyfe's shoes at that time.

The newest gown of beautiful white silk organza was worn by a recent bride, Janet Elphinstone English, who was married in Livonia chapel four weeks ago.

Wedding dresses of the daring flapper era provoked a lot of interest. Mrs. Michael Guzak appeared in the blue taffeta gown she wore at her wedding 40 years ago. Mrs. Marjory Mann modeled her mother's gown of 65 years ago, and Patty Kelly wore her grandmother's wedding dress of traditional flapper style.

Mrs. Bartlett Hess, wife of the pastor, modeled the lace wedding gown she wore for their marriage in 1937.

Mrs. George Prowse gave the narration during the parade

of brides, giving anecdotes about the gowns, the couples and the weddings. Her daughter, Janibeth, modeled Mrs. Prowse's wedding dress. Background music was provided by Mrs. George Stickle, pianist.

A devotional, "Love's Response," was given by Mrs. Fred Stenning. The girls' ensemble sang, "In the Garden" and a solo "Oh Perfect Love" was sung by Mrs. Clyde Mehr.

The toastmistress, Mrs. Carl Demek, presented orchids to Mrs. Hugh Gowman, Banquet Chairman, and Mrs. John Head, who was in charge of table decorations.

Mementos from many weddings were on display. Invitations, pictures, shoes, news articles made the room a gallery of memories for the former brides.

## WWJ Church Celebrates 25th Year

"The Church at the Crossroads," Sunday, May 22, marks the 25th anniversary of the broadcast, presented weekly on the radio and television stations of WWJ. Produced by the Metropolitan Detroit Council of Churches, the program originally was called "The Little Church of the Air" for the first ten years.

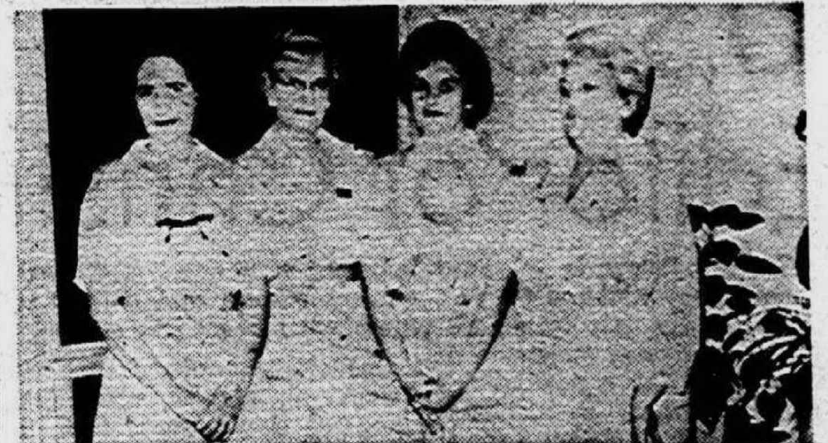

The first broadcast was on May 21, 1941 and featured Dr. Frederick H. Olert, Minister of the First Presbyterian Church of Detroit, and a special male chorus which was to become a part of the program for the next 22 years.

The weekly broadcast provides 25 minutes of worship for thousands of shut-ins, and other persons who are not able to attend their own services of worship. The finest preachers and choirs in the Detroit area are featured, bringing wide exposure to the rich influences of the 23 denominations which are a part of the Council.

The 25th Anniversary broadcast will feature Dr. G. Merrill Lenox, Executive Director of the Metropolitan Detroit Council of Churches, who will give the message. Dr. Nellie Huger Ebersole, who guided the program for over 21 years as the Council's Director of Church Music, Radio and TV, will give the Scripture and Prayer.

The music will be provided by the choir of the Central Woodward Christian Church under the direction of Mrs. Marion Van Liew Lincoln. At the organ will be Tom Montgomery.

The Church at the Crossroads is broadcast on Sundays at 8:30 a.m. over WWJ-TV (Channel 4), and at 9:00 a.m. over WWJ radio (950 on the dial).

VOLUNTEER WORKERS AT Annapolis Hospital put in many long hours making life more pleasant for patients. Shown (from left) are: Vi Collins (Gift Shop); Blanche Collins (Gift Shop); Jackie Gagnon (occupational therapy), and Arline Hardman (chaplain chairman).

## Michigan Christian Convention To Be Held in Lansing May 13-14

Some 150 members of Detroit area churches have pre-registered for the Michigan Christian Convention, which will be held in the Civic Center Auditorium in Lansing on Thursday and Friday. An attendance of more than 1,000 persons is anticipated, including some 50 members from the Kenwood Church of Christ in Livonia and the Memorial Church of Christ in Redford Township.

"The Faith Once-for-All Delivered" is the theme of the convention. Featured speakers are Dr. Lewis Foster, dean of the graduate school of the Cincinnati (Ohio) Bible Seminary, and Douglas Dickey, minister of the Christian Church in Williamsport, Indiana.

At 2:00 o'clock Thursday afternoon Dr. Foster will present a message entitled "The New Theology versus the Divine Person and Authority of Christ." At 9:00 a.m. Friday his topic will be "The New Unity (the Ecumenical Movement) versus the Unity for Which Christ Prayed." At 2:00 o'clock Friday afternoon his theme will be "The New Morality versus the Righteousness Revealed in God's Word." Dr. Foster, a graduate of Yale University Divinity School, Harvard Univer-

sity Divinity School, and Harvard University (Ph.D.) was recently a featured speaker at Arizona State University's "Spiritual Exploration Week."

The Michigan Christian Convention is a free and open gathering of interested persons. It is not a delegate convention nor a convention of churches, but is an inspirational gathering of Christian people. The convention provides a platform for the preaching of the gospel of Jesus Christ, giving special emphasis to the restoration of the church according to the plan revealed in the New Testament.

Workshops, a panel discussion, and audience participation will be included in the program. Max Copeland, minister of the Memorial Church of Christ in Redford Township, is the president of the 1966 convention.

After the convention Dr. Foster will come to Livonia, where he will speak at the Kenwood Church of Christ, 19601 Middlebelt, at a youth rally at 7:30 o'clock Saturday evening. He will speak at the Memorial Church, 24521 Schoolcraft at Fenton, at the 11:00 a.m. and 7:00 p.m. services on Sunday.

## Pennsylvania Dutch Theme of Trinity Mother-Daughter Banquet

Trinity Church of the Brethren in Detroit, announced that the traditions of the Pennsylvania Dutch were the theme that greeted those who attended the Mother and Daughter Banquet. Decorations, menu, and the general atmosphere brought back memories to this authentic Eastern tradition.

Highlight of the evening was a presentation by Mrs. Mae Brightbill of Aurora, Ill. Highly steeped in this tradition, she brought to the audience an evening of Dutch lingo and tradition.

Adele Price served as toast mistress, after being introduced by Ardis Zenger, chairman of the Women's Fellowship. The dinner committee headed by Mae Hoover and Evelyn Neher, includes Elsie Doone, Alma Krossa, and Betty Pacific.

Rosemary Butler and Adele Weaver served as the Program Committee while Ruby Garner, Carol Hetrick, and Shirley Pyle worked under the chairmanship of Charlene Savage on decorations.

## Noted Author to Speak at Ward Presbyterian Church

Tom Rees, one of England's outstanding lay speakers, will hold a series of meetings at the Ward Memorial Presbyterian Church, Six Mile at Farmington Roads. He will speak at the 9 a.m. Sunday morning service and 7 p.m. evening service May 15. He will also be speaking at the Tuesday and Thursday evening services, and at a Wednesday morning informal brunch meeting at 9:30 a.m.

Rees was the leader of the group that invited Billy Graham to England for his first London Crusade. He also has preached all over the British Isles, and is a noted speaker at the famous English Keswick Conference.

Another field of his work has been the organizing of informal home Bible study groups in England and on the continent. His lectures on "The Christian Faith" have been popular everywhere he has gone. Though a layman, he has had a very active speaking ministry, having meetings in every county of England, Ireland, Scotland, and Wales.

The last meeting of the series will be the 9 a.m. Worship Service Sunday, May 22. Rees will also be speaking at the Detroit location of Ward Presbyterian Church on Monday, Wednesday, and Friday evenings.

You are invited to attend also the sessions of the 108th annual Southern Baptist Convention at Cobo Hall, Detroit, Monday, May 23 thru Friday, May 27.

## Pastor Bayne

### To Speak May 15

Pastor Raymond Bayne, of the Southfield Community Church, 21122 Indian, (between Beech and Inkster, North of Eight Mile) will discuss the ecumenical movement in the light of the Bible on Sunday morning, May 15 at 11 o'clock.

The success and final outcome of the ecumenical movement are clearly defined in the scriptures, making possible a proper evaluation of this very popular movement.

On Wednesday nights, at 7:45, Pastor Bayne is beginning a series of studies on "The Struggle for Peace," using this text by the noted psychologist, Dr. Harry Brandt, as a basis for group discussion.

## "Singing Nun"

### To Be at Bosco

### Breakfast May 18

Sister M. Felix, O.P., a teacher at Rosary High, who is widely known as the "Singing Nun" has set the date of Sunday, May 22 to be at the St. John Bosco Church Mother-Daughter Pancake Breakfast. She will entertain with songs from her recently released RCA album. Time is 10 a.m. at the St. John Bosco Hall.

Alohe-Hoalo Card Party will be held Wednesday, May 18 at St. John Bosco Hall on Beech-Daly Rd. Time is 8 p.m. For tickets call Mrs. Frank Horkey, KE 7-3827. Tickets are limited so hurry and call.

## Mercy College Gets Loan

The Nursing Student Loan Program at Mercy College of Detroit will receive \$33,767 from the Department of Health, Education, and Welfare, Division of Community Health Services Training Resources Branch, according to Sister Mary Lucille, R. S. M., Mercy president.

This loan allows nursing students to borrow up to \$1,000 a year during their undergraduate training and is forgiven at the rate of 10 per cent a year for each year of nursing up to five years or \$0 per cent.

## River Cruise May 14

An evening river cruise is being planned by the Dearborn and Western Wayne County Alumnae Chapter of Delta Delta Delta on Saturday, May 14. Members and guests will board the yacht "Dee-Cee" at 8:30 p.m. at Cobo Hall and return at midnight.

While aboard, music and entertainment will be provided by The Syndicate Combo whose members are Billy Cairo, Ed Ruhley, Kimbal Lee and John Bagdasarian. For further information contact Mrs. Homer Tolian, chairman, CR 8-6548.

## 'Wise Guise' Was Smart and Snappy

By WALLY ROBERTS

"Wise Guise", the ninth annual Redford Suburban League musical, following an "I Spy" theme, kept three capacity audiences in hysterics and gave the show's two comic detectives little opportunity to uncover any dull moments.

Tony Sansone, who donned director togs staged "Wise Guise" so expertly that it really had snap, crackle, and zing. The fast pace never stopped from the opening sensational swing number where a bevy of beauties flew high out into the audience on their colorful swings to the closing laugh-packed operation room sequence.

Director Sansone was affectionally known as "J.C." by his fiercely loyal cast. In fact, a collection was taken for sandals, flowing garments and a half-

size wig to be used for a beard. To name any performer in "Wise Guise" would do great harm to its many talented people. Jim Triola must be mentioned, however, for his brash "basso profundo" addition to the "Pick-a-Pocket" number. He rocked the house nightly as he danced downstage to steal the scene!

Producer Minor McArthur's fine hand was obvious. Harriet Fernandez's choreography, the musical direction by Jeannette Pinch, and the visually-perfect costuming by Kitty Flynn put

"Wise Guise" in the smash musical category. The two hour length was perfect.

Now that the Redford Suburban League has found the formula once again, let's

hope they keep repeating it for the next 20 shows. Last year's effort had a little too much dialogue and dragged its heels at times. Not so, "Wise Guise," it bubbled, perked, and spun like a bright, new top.

Let's old Wally be accused of waxing too enthusiastic, let me mention a couple of negative items: the "black light olio" while adequate is wearing a little thin (let's put it in mothballs for a couple of years), the song "You Lose A Few, Win Some" came dangerously close to being in poor taste, and new performers whether acting or dancing must realize the high standards set over the years by the league must be met ("breaking up on stage" or "missing a high kick" is cured only by more arduous rehearsal).

A thought for the 10th anniversary show in 1967: why not do some of the hit numbers from the shows produced over the years? I would like to see the Belle Isle number again and the Mars bit in which a certain lady newspaper editor gamboled about the stage in a striped swimming suit.

### South Oakland Sweet Adelines Set Performances

The South Oakland County Chapter of Sweet Adelines, Inc. will entertain at Rosedale Park Community Center Friday, May 13, in a program of barbershop singing and dancing.

Local women who will participate are:

Farmington: Mrs. Virgil Campbell, Mrs. John Courville, Mrs. Russell Gilbert, Mrs. William Green; Mrs. Alan Little; Mrs. William Newlin, Miss Marilyn Oleson, Mrs. Herbert Rickert, Mrs. Ken Sandury, and Mrs. Thomas Raeside who will also direct the chorus. Mrs. Winchester and Miss Oleson will also appear in four dance numbers.

Redford Township: Mrs. Ralph Gould, Miss Karen Helmo, Miss Sandra Linde, Mrs. William Morell.

Livonia: Mrs. Dean McAllister, Mrs. Ralph Reid.

Garden City: Mrs. James Weigle.

The chorus is under the direction of Mrs. Thomas Raeside of Farmington.

### My Fair Lady Opens

The performing arts department of Cass Technical High School will present "My Fair Lady" at the auditorium June 3 and 4 at 8 p.m. A special matinee performance is slated for June 2 at 2:15 p.m.

### Players Will Award Scholarships

"Who is Charlie?" "What did he do?" Why did he take the dive?"

The answers to these questions will be given by the Nankin Mills Players May 20 and 21 at Franklin Auditorium in Livonia, when they stage their production of the adult comedy, "Goodbye Charlie", by George Axelrod.

This show has been selected as the Play of the Month by the Community Theatre Association of Michigan, of which the Players are a member. It is expected that several member groups from the state will be represented on "CTAM Night", May 20.

The Nankin Mills Players will also award their 7th college scholarship during the May 21 performance to William Hanton of Livonia. William will be a June graduate

of Franklin High School, and plans to enroll at the University of Michigan in the fall. David Amerman, principal of Franklin will present the award.

Tickets may be reserved by calling 427-9091.

### Heads Astronomy Dept.

EAST LANSING — A noted Harvard-trained astronomer has been named chairman of Michigan State University's new astronomy department.

He is Dr. Albert P. Linnell, now professor of Amherst College, who will join MSU July 1. Both his appointment and separation of MSU's physics and astronomy department into two departments were recently approved by MSU's Board of Trustees.

MRS. DENNIS JEFFREY of Livonia was the winner of the Terrace Theatre's "Mothers Day Contest." She is pictured above with her husband and their six sons, Dennis, Patrick, Timothy, Brian, Christopher and Keith. Mrs. Jeffrey received many awards including a wardrobe from Wards at Wonderland and dinner at Taylor's Towne House.

## Dewline

By JOHN DEW

Bits and pieces plucked from a slow week in radio. TV and music . . .

Mitch Ryder and the Detroit Wheels, once local fixtures in the entertainment arenas of this area, have been signed to record the main title song for the soundtrack of the next James Bond movie, a definite break. The last two title songs, "Goldfinger" and "Thunderball" have racked up healthy sales figures for the people who recorded the John Barry compositions—Shirley Bassey and Tom Jones.

Mitch is also currently under consideration by the Warner Brothers studios in Hollywood as a possibility for the lead role in a re-make of the movie "Rebel Without a Cause" which they intend to make sometime late in the fall. And isn't Hollywood a long way from the Walled Lake Casino? Not if you're flying.

Beatle Paul McCartney's brother is now getting into the action. He makes his debut on disc with a satirical group called "The Scaffold" and his professional monicker is Mike McGear. Oh, the name of the record — "2 Days' Monday."

Herman's Hermits have a summer tour of the U.S. lined up to begin in Honolulu on the first of July. They hit every major city in the States before completion of the expedition in exhibition.

Gene Krupa (one that the parents might remember) is currently enjoying a successful band stand at Baker's Keyboard Lounge here in Detroit this week.

And old TV doctors never die — they become night club entertainers. Ben Casey, who couldn't prescribe the right medicine to bring the ratings back to life, decided instead to sing for his supper. Vince Edwards, star of the former ABC-TV series, goes to the Copacabana in New York for three weeks, starting June 9.

RCA Victor is currently about ready to unveil a home tape recorder — one that will record TV shows — in color — from your home set and enable you to sit back and enjoy them again any time you so desire.

ABC snatched a gem from its competition when it got exclusive rights to telecast the Clay - Cooper heavyweight championship from London

via satellite on May 21. This will be the first home TV of a heavyweight championship bout since 1959. And it came as a bargain — only \$75,000 for the rights. Of course the quality of the match may be

such that it won't turn out to be such a bargain after all.

The recent Oscar telecast was the most successful yet, both in terms of quality and of quantity of audience. Nielsen ratings show a better than 70 per cent share of audience which means that better than seven out of every 10 who were watching the tube at the time were viewing the Oscar activities.

Think that the "camp" humor of "Batman" is such that only Americans with their rich comic-book heritage can fully appreciate it? You're wrong — 20th Century Fox has syndicated the show to England and recently to Japan where in a few weeks time it has become the outstanding hotshot rating climber.

And in case you might be theatrically minded, this week-end yours truly will be appear-

ing in "The Rainmaker" with the Ridgedale Players on 10 Mile just west of Woodward. The show is directed by Phyllis Geake and starts at 8:30 p.m.

## 2-Death Notices

**CATHERINE J. TOMCHUCK.** Serv-  
ice will be held today (May  
11) in Livonia for Mrs. Tomchuck,  
74, of 14265 Hubbel, Livonia,  
who died May 7 at Wayne County  
General Hospital after an ill-  
ness of one month. The Rev. John  
Grenfell, Jr., of St. Matthews  
Church will officiate at 10 a.m.  
at G.R. Harris Funeral Home at 10  
a.m.

Mrs. Tomchuck, divorced from  
her husband, Michael, is survived  
by four daughters, Mrs. Ann Hop-  
wood of New York, Mrs. Olive  
Mitchell of Frankfort, Mrs. El-  
len Keough of Arizona, and Mrs.  
Julia Keough; two sons, Arthur  
and John, both of Livonia; 24  
grandchildren and seven great  
grandchildren.

A housewife, she was born in  
Austria and came to this area  
eight years ago.

**SISTER M. WILHELMINA.** Solemn  
requiem Mass was offered May 2  
at the Felician Monastery, Liv-  
onia, for Sister M. Wilhelmina,  
CSSF, who died April 28 at St. Mary  
Hospital.

Entering her 32nd year in re-  
ligious life, Sister Wilhelmina  
entered the Felician novitiate in  
1934, at Sister Borowski's, Liv-  
onia. She was assigned to the  
Immaculate Heart of Mary Parish  
in Cleveland. After profession of  
first vows in 1936, she taught at  
parochial schools in Ohio and  
Michigan.

Sister Wilhelmina served as  
principal and superior at St.  
Belen's Parish in Wyandotte for  
six years.

Surviving her are her mother,  
Mrs. Bernice Borowski, three  
brothers, Bernard, Alphonse and  
Daniel, and one sister, Dorothy,  
all of Cleveland.

**AARON E. KAY.** Services were held  
at St. Paul's Presbyterian Church  
for Mr. Kay, 59, of 14301 Deering  
St., Livonia, who died May 10 at  
St. Mary Hospital. Funeral ar-  
rangements were supervised by the  
Mann-Ferguson Funeral Home.  
Born in Missouri, Mr. Kay, was  
employed by the U. S. Army Au-  
diting Agency.

Survivors include his wife, Olga;  
one daughter, Mrs. Albert (Doris)  
Boylan; and one brother, Harry H.

**HELEN LAKE.** A requiem Mass was  
held at St. Helen's, 59, of Detroit, at St.  
Helen's Catholic Church by Fr. Fur-  
long. Rosary was recited the pre-  
vious night at the John N. Santelu  
and Son Funeral Home. Burial  
was in St. Hedwig Cemetery, Dear-  
born Heights.

Mrs. Lake died Sunday, May 1,  
of injuries suffered in an auto  
accident two weeks before.

She is survived by her husband,  
Walter; two daughters, Marie W.  
Conger of Dearborn Heights and  
Dorothy Lake of Detroit; three  
grandchildren, William, Dianne  
and Coleen Conger, and two great  
grandchildren; a brother, Walter  
Jarosz and two sisters, Mrs. Anna  
Jarosz and Mrs. Anna Jarosz.

**PAUL DUDGON.** Services were  
held at the funeral home of  
Mr. Dudgeon, 62, of Marion, O.,  
at the John N. Santelu and Son  
Funeral Home, Church of  
Memorial Gardens West.

Mr. Dudgeon died the previous  
Sunday following a short illness.  
He was a retired employee of the  
shipping department at Ford  
Motor Co.'s Uia Plant.

He is survived by his wife, Mar-  
tha; two sons, Robert of Redford  
Township and George of Warren;  
two daughters, Mrs. Pauline Pol-  
lock, of Cass Lake, and Mrs.  
Joyce Potvin of Wayne; two  
brothers, Henry and William, and  
a sister, Mrs. Ella Hubbard, all  
of Kentucky, and 16 grandchildren.

**JOSEPH MASAKOWSKI.** A requiem  
mass was held Friday morning  
for Joseph Masakowski, 56, of 1501  
Inkster Road, who died May 3.  
The mass was offered by Fr. Ma-  
kusiak. A rosary was recited  
Thursday night at the John N.  
Santelu and Son Funeral Home.  
Burial was in Holy Sepulchre  
Cemetery.

Mr. Masakowski, a local resident  
for 13 years, was a carpenter for  
Detroit Edison Co.

He is survived by his wife, Sa-  
rah, a son, John of Dearborn  
Heights; three daughters, Mrs.  
Bernice Pollock of Dearborn, Mrs.  
Mary Przybylo of Dearborn  
Heights, and Mrs. Sylvia Vitale,  
of Detroit; a brother, Stanley of  
Canton; a sister, Mrs. Bernard  
of Poland, and nine grandchildren.

**JESSE A. ROBINSON.** Services for  
Jesse A. Robinson, Sr., 69, of 14023  
Bramell, Detroit, were held Tues-  
day morning with Rev. R. Rives

## 2-Death Notices

officiating at John H. Santelu and  
Son Funeral Home. Burial was in  
Grandlawn Cemetery, Detroit.  
Mr. Robinson died Saturday. He  
was a retired engineer from Ben-  
dix Products and lived in the area  
for 33 years. He was also a vet-  
eran of World War I.

Survivors are his son, Jesse, Jr.,  
of Dearborn Heights; two grand-  
children, James and Nancy; two  
sisters, Mrs. Nellie Long and Mrs.  
Callie Coy, both of Illinois.

**LORNA JEAN SMITH.** Services  
were held Friday for Lorna Jean  
Smith, 35, of 6176 Lathra, Gar-  
den City, who died the previous  
day in Detroit after a long ill-  
ness. Aleck Breckner of Garden  
City Congregation of Jehovah's  
Witnesses officiated at the Cald-  
well Funeral Home. Burial was in  
London, Ky.

She was born Feb. 14, 1931 in  
London, Ky., and lived in Garden  
City for the past 33 years. 11  
of those at the Lathers address.  
Survivors include her husband,  
Roy, a son, Larry, at home, a  
daughter, Lynette, at home, and  
her parents, Sandlin and Minnie  
Cob of London.

**ROBERT O'HALLA.** Funeral services  
were conducted for Mr. O'Halla on  
May 4 in Southington, Conn.  
Burial was there. He lay in state  
at the Mann-Ferguson Funeral  
Home prior to the services.

Mr. O'Halla, 64, of 38549 South-  
farm Lane, Farmington Township,  
died at the Eastlawn Convalescent  
Home in Northville on May 3. He  
was a retired forge plant worker  
at General Motors.

Survivors include his wife, Min-  
nie, a daughter, Mrs. Roger of 34942  
Hunger, Livonia.

## New England Village

## IN BEAUTIFUL PLYMOUTH

Combining their abilities and knowledge are a talented team

of marketing experts, land planners, architects, custom builders and

landscape architects to create and in-

corporate every modern facility for

truly comfortable living in this

community. Every precau-

tion has been taken to pre-

serve the natural beauty of

the terrain and every

effort has been made to

provide a community

of lasting value and

beauty in New England

Village.

This charming group of homes standing distinctive and

dignified, offers the serene and quiet life among congenial neighbors

in an atmosphere of friendship and

relaxation... an escape from the

tensions of the city, yet in close proximity

to the daily needs of the family's

varied activities and requirements.

From the picturesque en-

trance, through winding

streets, you'll see the

heritage of the past com-

bined with the best of

today's innovations in

homes of stately elegance.
