

### Home Products Show Opens Celebration Monday

# Jaycees Sight Biggest July 4 Parade

Plymouth's Centennial celebration reaches its heights with a week-long series of events highlighted by a mammoth July 4 parade and a huge Home Products show in the Plymouth High gym.

The Home Products show, which features some 47 exhibits of products of community plants and businesses, opens Monday at noon and will continue for five days and nights, concluding Friday at 10 p.m.

The week-long celebration officially opens Sunday morning with special services in most of the churches in the Plymouth Community, according to Chairman Rev. Peter Schweitzer.

It will be followed by the opening of the Home Products Show Monday at noon with the Lord Mayor of Plymouth, England, who will participate in Centennial events for five days and nights, making a special tour during the evening.

The Lord Mayor will arrive at the Metro Airport Monday afternoon, be greeted by a motorcade from Plymouth and then whisked to the City Hall where he will be officially welcomed at 4:30 p.m. by Mayor James Jabara and members of the City Commission.

Then the activities will switch to the big parade Tuesday at noon, which members of the Plymouth Jaycees, who are sponsoring the event, believe will be the greatest and longest in 100 years.

"We will have more bands, floats, marching units and special exhibits than at any other time," said Parade Chairman Ron Coosaia.

There is still room for additional floats and marching units and those interested in last minute entries are requested to call at either GA 7-2000, ext. 8355 or 453-9478.

Coosaia, who has had charge of the parade for the Jaycees four of the past five years, is excited about this year's event. He indicated the response has been better than in any previous parade and expects the line of march to continue for more than (Continued on Page 4A)

## 'No Contract, No Teachers' Warns PEA In Slow Salary Negotiations

With negotiations, which started on March 23, moving at a much slower pace than anticipated, members of the Plymouth Education Association

which includes all of the professional staff of the Plymouth School district, have passed a resolution indicating that professional services in

September 1967 will not be rendered until a master agreement is negotiated and ratified by the professional staff.

Administration and PEA teams have held 18 meetings on the master contract and are still far apart. The next session is scheduled for Thursday at 7 p.m. in the school administration building.

As matters now stand, the administration team is composed of Supt. Russell Isbister as chairman, with Asst. Superintendents William Harding and Earl Gibson. Thursday's session will be the last for Isbister who officially retires as Superintendent of Schools on the following day.

There has been no indication from the Board of Education about what steps will be taken to fill Isbister's position on the team.

James Rossman, who has been hired as the new Superintendent, may assume the responsibilities since he reports on July 1.

The PEA team is headed by Thomas Cavanaugh and includes President Philip Johnson, President-elect Ray Homer and Vice President William Drudge.

## Council Gets Bitter Blast, Okays Paving

The paving of South Main Street, from Ann Arbor Trail to Burroughs, which has been discussed for almost a decade, finally was approved

by the City Commission Monday night.

The approval, however, was only an anti-climax to a battle of words and charges that lasted for almost two hours and reached its peak when Harold Priestoff, manager of the Detroit News substation, jumped to his feet and charged commissioners with accepting kickbacks.

No sooner were the words uttered than Commissioner Arch Vallier, in high indignation, demanded proof of the charge or a withdrawal of the statement. "All we get is \$10 a meeting," he said, "and we don't have to take anything like that."

The large gathering was silent for just a moment, then Priestoff apologized, and all was serene again.

Prior to the verbal blast, the Commission was involved in a debate with Dr. G. K. Ashton, chiropractor of 838 S. Main St., over wordage used in the official call of the meeting.

In the official notice it was stated that the hearing was being held "upon the question of necessity" in regard to the proposed specially assessed special improvements, which included widening of the street.

"What necessity?" Dr. Ashton asked and he presented a petition with signatures of 90 per cent of the abutting property owners.

## VFW Unit Wins State Title Again

The state championship color guard of VFW Mayflower Post 6695 has done it again — won the state title for the fifth time in six years and a chance to compete for the national championship in late August.

The precision marching unit turned the trick Saturday in the annual State Department convention in Sault Ste. Marie.

The color guard lineup included: Unit Leader Harold Young, Bill Kamen, Bill Fletcher, Ray Danol, Jack Olsaver, Robert Smith, Herman Cutshaw and Duane Johnson.

Firefighters To Sell Book On City Fires

"Stories of the Plymouth Fire Department," a book which tells of the activities of the firefighters from way back in history, is now in the hands of members of the Plymouth Firemen's Association.

The book, which is the Association's contribution to the Centennial celebration, may be purchased from firemen or orders will be accepted at the Fire Department.

It contains many pictures of big fires of the past with stories of "How It All Began," "The Day the School Burned Down," "Great Water Battles," and many others.

The Association also is making plans for the annual Firemen's Ball in the Mayflower Meeting House on Sept. 8.

## Lord Mayor Will Be Busy During Centennial Visit

His Worship Frank Chapman, Lord Mayor of Plymouth, England, will be a busy man during his stay in Plymouth for the Centennial celebration.

After his arrival at the Windsor Airport next Monday, July 3, he and his party will be whisked away to the Veterans Memorial Building in the Detroit Civic Center, where he will be guest at a luncheon and he also has been asked to

hold a conference by the members of the metropolitan press.

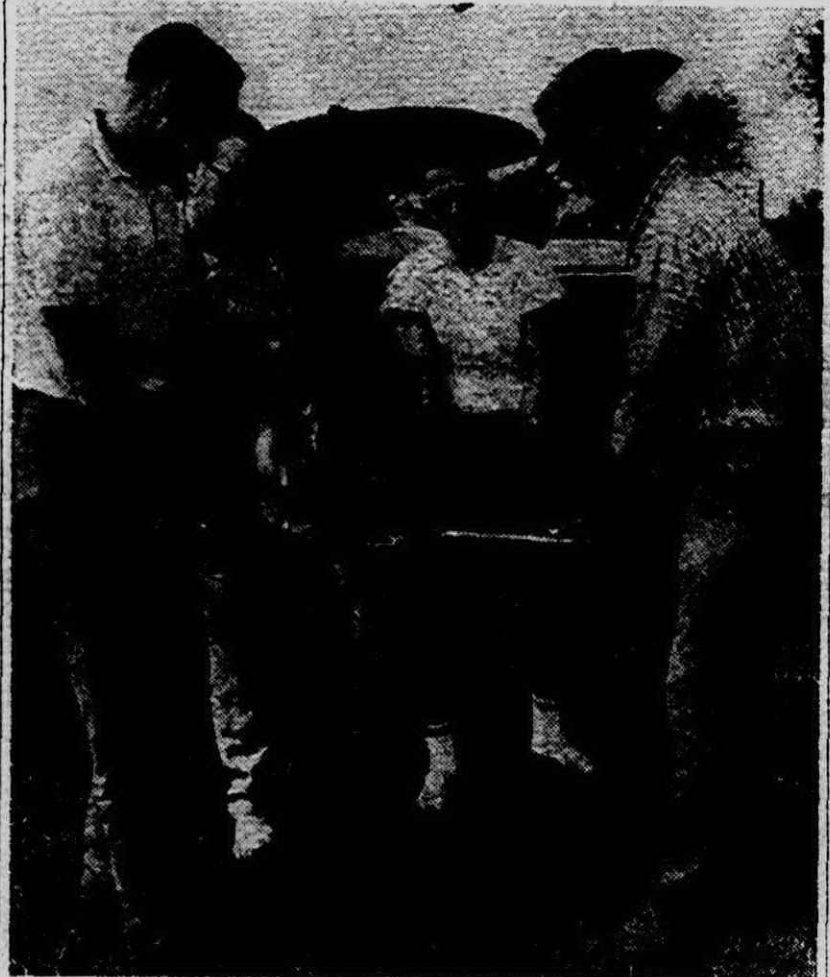

Following that, he will be a special guest on J. P. McCarthy's "Focus" program over WJB on Tuesday, July 4.

Special requests also are being received for magazine interviews from his headquarters in Plymouth.

The Lord Mayor and his party also plan visits to Port Huron and Ann Arbor before their departure on Saturday, July 8.

The Lord Mayor and his party also plan visits to Port Huron and Ann Arbor before their departure on Saturday, July 8.

The Lord Mayor and his party also plan visits to Port Huron and Ann Arbor before their departure on Saturday, July 8.

DIGGING POST HOLES for the fence that will be placed around Mettetal Airport for the July 4 activities are members of the Plymouth Jaycees. The group includes: (from left) Don Cassady, Ron Raley, Barney Larry and Ernie Moran.

A HAY FIELD now but Rev. Fr. James Machak, pastor of the new St. Kenneth parish in Plymouth Township, has a big smile as he visualizes the new church that will be started there soon. The Archdiocese of Detroit has owned the acreage, located on the west side of Haggerty Road some 300 yards south of Five Mile Road, for several years. The new congregation met for the first time in Tanger School on Sunday and will hold masses there until the new structure is complete—that should be within a year.

## New Parish Holds First Mass in Tanger School

Wearing name tags and seated on folding chairs in the multi-purpose room at Tanger School, the members of Saint Kenneth parish in Plymouth heard mass together for the first time Sunday.

More than 500 people crowded into the school causing Father James Machak, the pastor, to schedule an extra service Sunday.

Beginning July 2 there will be masses at 8 and 10 a.m. and 12 noon.

Nearly 300 families, most of them former members of Our Lady of Good Counsel make up the new parish. The boundaries of the parish are Eckles Road on the east,

Plymouth Road, Edward Hines Drive, and just north of Six Mile Road.

The name tags are just one way that Father Machak hopes to build a community spirit among the parishioners.

"I plan to have masses in the homes on weekdays," said Father Machak. "Four or five families will get together in one home and bring a pot luck dinner, which will be blessed during mass."

"After the service we will have supper and get to know each other," he continued.

The trend towards smaller parishes where all the members can get acquainted is the latest thinking in the Catholic Church.

St. Kenneth's Church will be built on the west side of Haggerty just south of Ivywood. The property was bought by the archdiocese about six years ago with no particular use in mind, although there were rumors that a high school was planned.

Father Machak is planning to break ground for the church as soon as possible, probably sometime during the next month. He is hoping to be saying masses in the new church by Christmas-time, but he isn't counting on it.

In the meantime he will be working to build a parish family among the Catholics in the area.

Official welcome on Plymouth City Hall lawn at 4:30 o'clock.

**Resch Named Pilgrim Steel Plant Manager**

Screw and Bolt Corporation of America's Wyckoff Steel Division has appointed William J. Resch plant manager at its Pilgrim Steel Works in Plymouth. He succeeds John F. Braham who resigned.

Resch has served at the Pilgrim steel plant since 1944. His most recent positions have been chief metallurgical engineer and purchasing agent.

# Area Citizens to Study County Operations

Several residents of areas served by the Observer Newspapers have been appointed to a Committee which will study Wayne County operations and decide whether they could be improved by adoption of county home rule.

Home rule would give Wayne County voters a greater degree of self-government. Many decisions now made in Lansing would be made by a locally-elected county legislative body.

There would be an elected county executive whose functions in county government would be similar to those of a mayor in city government.

At present, Wayne County has no single executive office, and only one of the 130 members of the Board of Supervisors is elected directly as county supervisor by his constituents. The others are supervisors as a result of city or township offices they hold or through

appointment by city officials. The lone one elected is Arch Vallier of Plymouth.

The committee of 99 will recommend to the Board of Supervisors by the end of the year whether the home rule question should be put before the voters.

The Board, as the county legislative body, has the power to put the question on the ballot. Voters would decide whether to elect a charter commission to draft a charter similar to a city charter. The proposed charter would later be submitted to the owners for approval.

Public Act 293, which permits counties to adopt home rule, was passed last year.

The Committee of 99, composed entirely of citizens not involved in county government, was appointed by Mel Ravitz, chairman of the Board of Supervisors.

A Westland resident has been serving on the Intergov-

ernmental Relations Subcommittee. Gene McKinney, an industrial editor, of 109 South Dobson St., was chairman of the Westland Charter Commission, 1964-1966. He is also on the Citizens Steering Committee on School Needs, Wayne Community

School District.

Two Livonia residents have been serving on the Committee of 99. They are: George P. Whitton, 30517 Minton, and Harry M. Smith, 14688 Fairway Dr.

Whitton, an international representative of the UAW

has been serving on the County Services Subcommittee.

Smith, an attorney, is the Livonia youth commissioner, a faculty law instructor at Schoolcraft Community College, and a member of Oriental Lodge No. 240

F.A.M. He is also a member of the Michigan Bar Association, American Bar Association, American Trial Lawyers Association, and Livonia Bar Association. St. Timothy Presbyterian Church also enjoys the services of Smith, a ruling elder.

A busy Garden City resident, Mrs. Lorraine Fabry, who successfully combines a career as secretary and homemaker, is serving on the Intergovernmental Relations Subcommittee.

She and her husband, Donald, have two sons, aged 8 and 10. Mrs. Fabry is a member of the Program Committee of the Henry Ruff PTA and is active in the Plymouth United Presbyterian Church.

ST. IGNACE—The American Institute of Architects in 1958 called the Mackinac Bridge the Seventh Man-Made Wonder of the Modern World.

## Chamber Heads Switched

The Westland Chamber of Commerce elected a new president last week after its current head, who took over the post the previous month, was transferred out of the community.

John J. Nolan, division manager of the Westland Shopping Center, a division of Shopping Centers Inc., was elected by the board of directors last week to replace Robert Kenyon, manager of the Palmer-Wayne Road National Bank of Detroit branch.

Kenyon, who reached his 46th birthday the following day, Wednesday, is being transferred this week to the Jefferson West End branch in the Melvindale-Delray community.

The departing president, who lives at 11697 Brownell, Plymouth Township, expressed his disappointment in leaving the Chamber, pointing out that he didn't feel it was fair to the Chamber to have a president who didn't either reside or work in the community.

Kenyon also commented that he is glad to have the opportunity to work with the people in the Chamber and community.

His resignation was offered to the Board of Directors on Tuesday, June 6, and made effective immediately.

Nolan, was coordinator of construction for the Westland Center and was named the center's manager six months before it opened its doors to the public in July, 1965.

BILL FREEHAN

JOE SPARMA

Tiger stars to appear at Livonia Mall

## Here's An Opportunity To Meet 2 Tiger Stars

Bill Freehan and Joe Sparma, Detroit Tiger stars, will be on hand Saturday at Livonia Mall, to greet fans. They are scheduled to hold a baseball clinic in the popular

shopping center from noon until 2 p.m.

The well-known duo will talk to kids and their parents about baseball in general and give pointers on how to become better ball players. Free photos will be passed out on a first come first served basis.

"This is a great opportunity for the youngsters of the area, boys and girls alike, to meet two Tiger stars in person and we hope they'll take advantage of it. At the same time it will give those families who are staying home for the long weekend something interesting to do Saturday," said Oscar Kahan, president of the Livonia Mall Merchant's Association.

Freehan and Sparma will appear near the large fountain in the enclosed mall.

## Lydia Lear Quits Post In C'ville

Mrs. Lydia Lear, retiring Curriculum Coordinator of the Clarenceville School District, was guest of honor at a dinner held at the high school. She retired at the end of the school year.

Mrs. Lear has been in education 33 years, 22 in Clarenceville. Before moving there as the kindergarten teacher at Edgewood, Mrs. Lear taught in the Owosso and Lansing Public Schools.

Her first teaching position was as a secondary mathematics teacher in Owosso. Mrs. Lear also has served as visiting lecturer at Eastern Michigan University.

A member of Delta Kappa Gamma, Alpha Omicron Chapter, a honorary sorority for professional educators; Zonta Club, an organization limited to women executives; Comparison Education Society; and many additional education organizations, Mrs. Lear has led an active professional life.

Whenever time permitted, Lydia enjoyed traveling throughout the world. Her travels have taken her around the world on two different trips, to Alaska, Africa, Europe, and Scandinavia and the Soviet Union.

As Mrs. Lear reviewed her service to the school district, she pointed out her satisfaction at having reached nearly every goal she had established.

The last and perhaps most satisfying is that the Clarenceville District now offers special programs for all educational levels. Special programs for talented students as well as for students needing remedial help in both academic and social development have become a reality.

The last and perhaps most satisfying is that the Clarenceville District now offers special programs for all educational levels. Special programs for talented students as well as for students needing remedial help in both academic and social development have become a reality.

Area Quartet Honored at Walsh Institute  
Four Observer area students have made the President's Honors List of Walsh Institute of Detroit.

Included are: Richard Burrows, 15186 Sumner, Detroit (Redford Union High); Evalene Gundy, 30622 Elmwood, Garden City (Garden City East High); Paul Houghton, 23925 Wilmarth, Farmington (Farmington High); and Sharon Penn, 15715 Braile, Detroit (Redford High).

Myrold on Leave

Pvt. James K. Myrold is home on a 30-day leave after completing training at Fort Lewis, Washington. He is the son of Mr. and Mrs. Dan Backos of 19152 Weyher St., Livonia. In July he will leave for overseas duty in Vietnam. Pvt. Myrold is with the Army's Quarter Masters unit.

## CMU Gives Sen. Kuhn Top Award

State Senator George W. Kuhn, of Birmingham, was given Central Michigan University's 75th Anniversary Award in the June graduation ceremonies.

Kuhn, who serves the 14th District, which includes Livonia, Plymouth and Farmington, was graduated from CMU in 1946.

The awards were given to those who have distinguished themselves in their chosen career.

Kuhn served with Ford Motor Company and was the mayor of Berkley before his election in 1966. He is on a leave of absence as a Ford vice president of future car programs.

## Refresher Course Open For Nurses

Inactive registered nurses in the community are advised of a refresher course being offered at Henry Ford Community College in Dearborn with the help of federal funds.

Mrs. Dolores Boehnlein, of 29146 Sheridan, Garden City, told The Observer that the six week course is designed to reach an estimated 700 inactive registered nurses in Michigan who may want to resume their careers.

The program, to start next Wednesday, July 5, is being financed through the Manpower Development and Training Act adopted by the U.S. Congress.

Persons interested in the program, to be held from 9 a.m. to 5 p.m., may contact Miss Ruth Blakely at the Michigan Employment Security Commission Professional Office, 7310 Woodward, Detroit, or call her at TR 2-4900, Extension 467. Appointments may be made through Mrs. E. Hubbard at the MESC office.

# College Budget Up 7%; OK'd By Board

With the knowledge that the state equalized evaluation of the college district has increased \$130 million from last year to a total of \$828.6 million the Schoolcraft College Board of Trustees approved a budget of \$2,770,219 for 1967-68, an increase of seven per cent over the \$2,619,742 budgeted for 1966-67.

It calls for a tax levy of 1.77 mills for a total of \$1,466,629 of which 62.8 percent or \$919,751 is allocated for operations and 37.2 percent or \$546,878 for debt retirement.

The budget has a projected expense of \$2,639,774 with \$130,445 reserved for negotiations.

The Board and administration team is currently involved in negotiations with the Faculty Forum

team over contracts for the coming college year. At the moment, the negotiations are practically at a standstill with neither group budging from its latest offer.

The State Mediation Board has stepped into the proceedings but the latest information is that the Faculty Forum negotiators are standing firm on their original demand for \$1,900 across the board salary increase.

The negotiations started in January.

The budget reserves \$60,000 for negotiations with teachers, \$11,500 for secretaries, \$8,500 for custodians and \$20,000 for supervisory and administrators with a maximum of \$30,445 for contingency.

It provides for added Capital expenditures and plant extensions of \$95,563 to be made from the 1966 Building and Site fund as has been done in each of the past three years.

The budget includes 29 new employees as follows: 14 faculty members, one apprentice coordinator, four

counselors, six secretaries or clerks, two maintenance men, one receiving clerk and one IBM programmer.

It spreads \$445,015 in added monies of which \$39,917 or 88.8 per cent is in salaries, including \$50,416 in regular increments, \$60,098 in non-salaries or 13.2 per cent.

The budget for 540 full-time equivalent students; \$10,000 for a paint program; a new instructional technique in biology; \$5,000 for additional curriculum revision study; \$20,929 in special library grant with the

local share of \$5,000 and the balance through federal funds.

The library grant has been approved and provided for the college to match the first \$5,000 of the \$15,929 total. The balance of \$10,929 is a supplement grant under the Higher Education Act of 1965, Title II-A and all is earmarked for library materials.

The revenue sources are: property taxes, \$1,466,629 of which \$546,751 is for debt requirements, leaving a balance of \$885,766 when allowances are made for a six percent loss in non-collection and other items.

The college will collect a total of \$521,080 in tuition fees for a total of 80,730 credit hours from day students; \$120,176 from evening part-time pupils and \$4,928 for summer classes for a total of \$716,184.

It will collect \$27,500 in fees including an application, graduation and for short and extension courses.

Miscellaneous income is estimated at \$21,090 for a total income of \$1,630,540.

The revenue from the state is expected to total \$1,094,000 with community college aid for 2,900 fulltime equivalent passed on 1,696 regular students at \$325 for \$551,200; 890 part time at \$350 for \$311,500 and 404 summer at \$325 for \$131,300. State aid also includes \$80,000 as reimbursement for vocational programs and \$20,000 reimbursement for student vocational work-study.

Revenue from federal sources includes \$15,929 library grant and \$29,750 reimbursement student work-study.

The Trustees will hold their organizational meeting on July 3 when two members will be sworn in including Norbert Secord of Northville and At-Large representative George Martin of Livonia.

## Area Governmental, School Units Join In COG Organization Meeting Thursday

The second organizational meeting of the Southeast Michigan Council of Governments, to which representatives of governmental and school system units in Farmington, Farmington Township, Livonia, Redford Township, Clarenceville, Plymouth and Plymouth Township, Westland, Garden City, Wayne, Northville and Northville Township have attended meetings, will be held Thursday at 3 p.m. in the Southfield High School auditorium.

Representatives from more than 140 units are expected to attend the session which will signal the formal creation of the Council of Governments after three years of research, study and discussion.

The delegates will give final approval to bylaws, budget and membership fee schedules. A temporary executive committee will be selected.

The COG is a voluntary association of local governments with a potential membership of 345 cities, villages, counties, townships and schools districts in the six-county southeast Michigan Metropolitan area. It includes the counties of Macomb, Monroe, St. Clair, Oakland, Washtenaw and Wayne.

To date, 142 local units have expressed a desire and intent to participate in this concerted effort to solve common problems through mutual co-operation among existing forms of local government.

Challenges suggested to be of concern in the COG include air pollution, child and youth guidance, education, environmental health and social services, housing, parks and recreation, planning and urban development, public safety, refuse and sewage disposal, transportation and water supply and pollution.

At its first meeting on May 4, the delegates elected L. Curtis Potter, mayor of Royal Oak as temporary chairman and Delos Hamlin, chairman of the Oakland county board of supervisors as vice chairman.

A temporary steering committee was also selected,

composed of Potter and Hamlin; and Ralph B. Guy, Jr., corporation counsel of Dearborn; Glen H. Peters, member of the L'Anse Creuse school board; and Mel Ravitz, chairman of the Wayne county board of supervisors.

In the interim since the first meeting, two committees have completed work on recommendations to be made to the delegates on June 29. William L. Mainland, chairman of the interim bylaws committee, will present a recommended set of bylaws. The bylaws as recommended closely parallel the organizational representation and voting proposals made in the Committee of One Hundred report which originally called for the establishment of the voluntary association.

Recommendations of the interim finance committee will be presented by its chairman, Richard H. Austin. He will note recommendations on the budget for the council's first year of operation and membership fee schedules required to raise the local funds.

Based on the excellent response by local governments, the finance committee is recommending 20 per cent reductions in the membership fees for cities, villages, school districts, and townships.

The COG was first suggested in a 1965 report issued by Metropolitan Fund, a nonprofit group promoting research on regional matters. A Committee of One Hundred local officials reviewed this report.

## Five Clarenceville Aides Make Move Elsewhere

Five members of the Clarenceville School district professional staff have accepted positions elsewhere for the 1967-68 term.

Harold Keivit, of Wayne, who has served as administrative aide for the past

three years, will become School Superintendent at Athens. He holds a Bachelor's and Master's degrees from University of Michigan with previous experience in Taylor.

Lynn Nutter, assistant principal at the high school where he also served as football coach and director of athletics, has moved to N. Farmington High as assistant principal.

Ralph Temby, football and basketball coach, resigned to join the staff at North Farmington as an assistant football coach and head coach in wrestling.

Mrs. Norma Kitzman, a seven year member of the staff as a kindergarten and helping teacher, has been granted a leave of absence to accept a position with Michigan State University. She will serve as an intern consultant for the elementary internship program which is centered in Livonia and will service Clarenceville, Northville, Garden City, Plymouth and Livonia.

Robert Wilton, of the Edgewood School staff, will shift to Grass Lake elementary school as principal. He has been with the Clarenceville system for three and a half years.

**Tosses Beer Can, Gets \$25 Fine**

A Livonia youth received a \$25 fine for throwing a beer can out of a car.

William S. Booth, 18, of 12245 Inkster Road, pleaded guilty to littering, in a Livonia Municipal Court appearance before Inkster Judge John H. McCartney, who has been sitting in for Judge James R. McCann.

## Kuhn Asks 2 Studies By Senate

State Senator George W. Kuhn (R-West Bloomfield) has introduced two Senate resolutions asking the appointment of study committees on "conflict of interest" and voters' right of petition.

The conflict of interest problem, Kuhn said, affects members of school boards, city and village councils and county boards of supervisors who are also officers or directors of financial institutions.

In spite of passage of SB 306 on this matter, Kuhn said there are still many serious questions such as who is a "state officer" and what is a "substantial" conflict of interest.

On the petition problem, the senator cited the recent Daylight Saving Time as an example of confusion over the requirements and procedures for referendum petitions on acts of the Legislature and initiatory petitions seeking a state law.

Kuhn said he hoped the study committees could be appointed and go to work this summer.

## State Police Start July 4 Traffic Watch on Friday

Michigan State Police patrols will give special attention to July 4 weekend traffic in the holiday period beginning noon Friday, June 30, Col. Frederick E. Davids, director, said.

The patrols, providing maximum coverage from 3 to at least 9 p.m. daily during the period, will continue through to midnight, Tuesday, July 4.

"Because the increasing summer traffic at this time greatly raises the potential for accidents, it becomes essential for motorists to give full attention to safety rules," Davids stressed.

He pointed out that 39 persons were killed in accidents during the recent 102-hour Memorial Day

weekend in Michigan and that deaths in last year's 78-hour July 4 period numbered 28. The official death count for the coming holiday also will be for the 102-hour period.

Davids urged motorists to increase their safety potential in traffic by driving at reasonable speeds, by not following other cars too closely, by giving proper signals in advance of turns, by passing only when safe to do so, and by refraining from driving after drinking.

State Police vehicle inspection personnel and department planes, weather permitting, will join in the patrol activity. Patrols will give extra attention to highway sections having bad accident experience.

**HONORS ARE HEAPED** on Karen Stewart, 13, of Farmington, as the 25,000th graduate of the Wendy Ward classes conducted by Montgomery Ward & Company at its 10 branches in the metropolitan Detroit area. Karen is congratulated by James McCoy (left), manager of Ward's in the Wonderland Shopping Center, and Livonia Mayor Harvey Moelke.

## Farmington Teener Charm School Queen

Montgomery Ward Co. showered gifts and paid homage to the 25,000th graduate of its Wendy Ward

Charm School—and it was 13-year old Karen Stewart, daughter of Mr. and Mrs. Donald Stewart, of Farmington, who held the lucky enrollment number and received treatment of a queen.

She was presented with a huge bouquet of roses, a sparkling crown and a kiss and congratulations from Livonia Mayor Harvey Moelke and James McCoy, manager of Wards at the Wonderland Shopping Center.

Karen also received a \$100 gift certificate from the store's fashion department for a fall wardrobe.

The presentation was made during the graduation ceremonies at the Wonderland store where the teen charm course was started six years ago with a class of 25 girls.

More than 50 members of the graduating class modeled the latest in fashions as they paraded down a short runway before their parents. Each girl selected the dress she modeled.

Karen chose a special occasion dress in pink cotton lace.

Ward's Charm School is operated in all of its 10 branches in Southeastern Michigan, with Loretta Weller as Wendy Ward director for Southeastern Michigan.

The course is offered for a five week period with hour and a half sessions.

**Dennis Green In Viet Post**

Army Specialist/4 Dennis S. Green, 21, son of Mr. and Mrs. Sheldon M. Green, 9805 Roseland, Livonia, has been assigned to the 589th Engineer Battalion near Qui Nhon, Vietnam. Spec. Green is a draftsman in the battalion's Company C. He graduated in 1964 from Franklin High School.

## Farmington Girl Goes to Norway

Gayle Roberts, 16, daughter of Mr. and Mrs. Ronald D. Roberts of 34705 Bridgeman, Farmington left New York City on June 20 to spend the summer in Norway under the American Field Service Program.

The Farmington High senior is the first candidate from Farmington in four years to make the journey. She will return Sept. 7.

Gayle is the oldest of six children. Her father is owner of Ron's Radiator Repair in Livonia, while her grandparents are Mr. and Mrs. Thomas J. Knight of Farmington, and Mr. and Mrs. George S. Roberts, of Livonia.

The AFS student is a member of the Journalism Club, the Glee Club and the Spanish Club at FHS. She is an active member of the Kenwood Church of Christ in Livonia.

While in Norway, she will be staying with Mr. and Mrs. Torkild Holla; their 18-year-old daughter, Bjorg; and Oddvar, a 23-year-old son, in the town of Notdeen, 30 miles west of Oslo.

Miss Gayle Roberts

### Jr. Baseball in Plymouth

The National League 12-year-old All-Stars tripped the Americans in the annual midseason meeting, 9-3. Plaques were presented to team uniform sponsors in a special ceremony prior to the start of activities. At the halfway point of the season, there is a three-way tie for first place in the American League between the Yankees, Orioles and White Sox with 7-4 records. Two teams are knotted for the leadership of the National where the Dodgers and Red Legs have identical 7-3 marks.

STANDINGS AMERICAN LEAGUE			
Yankees	W	L

**Commuter Comfort**  
To encourage use of city transit facilities, Detroit, is erecting attractive stainless steel bus shelters which are equipped with heaters, lights, telephones and benches.

**More Ore**  
The world's leading producer of nickel, The International Nickel Company of Canada, Limited, mined more than 17 million tons of ore in Ontario and Manitoba in 1966. The ore yields 14 different elements, of which nickel and copper are the most important metals.

**Stainless Paint**  
A newly developed stainless steel paint is applied to transmission towers, smokestacks, water tanks and bridges to protect them from corrosion.

### Sight Biggest Parade

(Continued from Page 1)  
two hours. It will be a day and night celebration for the Jaycees who have a big program planned for the afternoon at Mettetal Airport with fireworks there at 9 p.m. or dusk, whichever comes first. The Lord Mayor of Plymouth, England, will be seated in the reviewing stand and is slated to officially open the program at the Airport when he drops a checkered flag as a signal to "Let's Go."

The parade will be a colorful affair with six bands in the procession, including: Northville High, Amherstburg (Ont.) Community, River Rouge Suburbanettes Drum and Bugle Corps, Plymouth Community, Rochester Highland Pipe and Drum Corps and Redford Highland Pipe band.

In the line of march will be: Elks Club with one float and four convertibles, Berry Pontiac decorated convertible, Kiwanis Club, Republican Party, Theater Guild, Gould Cleaners, Business and Professional Women's Club, Ann Arbor

Tire Co., Kay's of Plymouth Recreation Department with hundreds of marching children, Detroit Edison Calliope, state championship Mayflower VFW Post 6695 color guard, VFW men's and women's drill teams, Rotary Club, Camp Fire Girl float and marchers, Optimist Club clowns and marching units from the Girl Scout, Boy Scouts and the Plymouth Y.M.C.A.

The parade also will include many antique cars and equestrian units. The Jaycees are offering \$25 prizes for the best commercial and best organizational floats. The Judging panel will include Mayor James Jabara and City Manager Richard Blodgett.

Following the parade, the Jaycees will kickoff the program at Mettetal Airport which will include sports car races, demonstrations by airplane pilots, horse riding, and entertainment by the Redford Highland Pipe band during the afternoon and evening.

### Commission Gets Blast, Ok Paving

(Continued from Page 1)  
mitted that the widening program would provide a citywide benefit and that it probably would be unfair to place the full force of a special assessment on the abutting property owners. With that in mind, Commissioner James McKeon remarked, "I am in favor of reducing some of the proposed assessments. I recognize that property owners in this area are being taxed for commercial property and it is still residential."

"To be fair," he went on, "I would suggest that we assess the recommended full amount of \$6.59 a front foot for the enlargement of the sewer, but reduce the

proposed paving assessment one-half and charge \$7.50 per front foot on the main street and \$3.75 on the side streets. When he put this in the form of a motion, it passed, 5 to 1, with Commissioner Robert Smith casting the "nay" vote.

The Commission also backed down on the proposed assessment for the paving of Goldsmith and Lena Streets.

The property owners claimed that Lena was being paved only to aid industry on Goldsmith and would be of no direct benefit to them. The Commissioners, hesitatingly admitted this to be so and, on motion by George

Hudson, approved a plan for a flat fee of \$300 for the paving assessment.

Beaten in these two hearings the Commission rallied to approve a change of zoning at 558 Farmer Street from R-2 (Two-Family Residential), to C-1 (Local Business District).

The Commission also agreed to make application for a license to construct a sidewalk at the Bell Telephone Building.

It also renewed David Agnew's lease on the city owned property at 340 South Main Street for another year.

But as far as public hearings were concerned it was a bad night.

# Burroughs Makes Key Appointments In The Communications Division

Key appointments in the reorganized corporate communications division of Burroughs Corporation have been announced by Donald Johnson, vice president of the division.

The new organization established two new corporate staff positions, centralizes corporate communications services under one manager and establishes a director

Woolfenden Ball

with dual responsibility for public relations and advertising for each of the four operating groups of the corporation.

George Woolfenden, of Bloomfield Hills, is the new corporate director of public relations and advertising. He has been director of public relations and advertising of the international group since May 1960.

Dan Lutzier of Troy, has been appointed to the new corporate staff position of director of public affairs and internal communications.

Lutzier Brady

Since 1965, he has been director of public affairs and special services for the corporation.

Richard Brady, of Birmingham, has been named director of the new consolidated corporate communications services department which includes audio-visuals and photographic services, publicity and publications, exhibits and special events and Burroughs' Clearing House Mag-

azine. John L. Rose will continue to be in charge of corporate publicity and publications and also work on special assignments.

Donald Smith has been appointed to the new position of director of advertising and public relations for the business machines group. He has been director of advertising for BMG since 1960.

W. Taylor Ball Jr., of Birmingham, has been appointed to the new position of manager of public relations for the business machines group. He has been a member of the corporate communications staff since 1960.

## PCHA Units 2nd Busiest in State

Peoples Community Hospital Authority (PCHA), which operates four community hospitals in Wayne, and Washtenaw Counties, admits the second largest group of emergency patients in the State of Michigan. PCHA members include Garden City and Westland.

Over 70,000 patients were admitted to Annapolis (in Wayne), Outer Drive, Seaway and Beyer Memorial Hospitals this past year.

As nearly as can be determined from figures available from other Michigan medi-

cal centers and hospitals, the PCHA emergency record is exceeded only by Detroit's General (Receiving Hospital).

Detroit General admitted some 138,000 patients last year to its emergency unit.

Even as individual hospitals two PCHA Units — Annapolis and Outer Drive Hospitals — rank in volume and size in their emergencies with such institutions as the University of Michigan Medical Center, Harper and Ford Hospitals.

Annapolis and Outer Drive Hospitals average 20,000 emergency admissions; the U-M Medical Center, 28,000; Harper and Ford, about 18,000.

As a single institution, Pontiac General with its 42,000 emergencies is second to Detroit General. However, even Pontiac emergencies are exceeded by PCHA hospitals when the latter are considered as units of central hospital system.

Administrators of PCHA units agree that over 60 per cent of their emergencies are "traumatic," that is cases of injuries classified as "true emergencies" because they require immediate attention.

Medical cases, including fever, temporary but sudden illnesses, and patients unable to obtain a physician, make up the balance of emergencies at PCHA hospitals.

Of the 23 member communities in PCHA, the following five rank highest in number of emergencies this past year: Lincoln Park, Ypsilanti, Wayne, Westland, and Inkster.

The five communities not belonging to PCHA with the largest number of emergencies seen at PCHA unit hospitals are: Detroit, Wyandotte, Grosse Ile Township, Belleville, and Dearborn.

## Library Hours Set

The Garden City Public Library is now observing its summer schedule of hours.

The library will be open as usual from noon to 8 p.m. Monday through Thursday but will close on Saturday and remain open from 9 a.m. to 5 p.m. on Friday until school re-opens next fall.

MRS. JUSTINE BAARS, (center) Westland City Council member, received a Town Crier Bell from the Ford Motor Co. recently for her work in civic and political activities. At the annual ceremony, which had the company's highest citizenship award presented to five individuals and two couples were Ford President Arjee Miller and Mrs. Lenore Romney, wife of Michigan's governor who delivered the principal address. Ford honors its employees and their spouses each year for their outstanding work in their own community.

## Garden City Man Heads Group

A Garden City man, John R. Fattel of 31777 Bridge, the Distributive Education Coordinator at Dearborn High School, is the newly-elected President of the Southeastern Michigan Coordinators Association (SEMCA).

SEMCA consisting of 110 Distributive Education, Office, Trade and Industrial, and Health Coordinators from high schools and community colleges throughout Southeastern Michigan are included in their number. The aims of the group are:

To maintain an active roll of professional leadership in the promotion of vocational Education; to provide Vocational Education teachers and coordinators an organization devoted to their interests; to provide an opportunity for Vocational Education teachers and coordinators to discuss developments affecting Vocational Education on a district and state

level; and to develop materials and aids which will improve the Vocational Education Programs in Michigan on secondary and post-secondary levels.

Distributive Education, and has been selected to participate in the Annual Coordinators Conference at Leland, Mich., as a panel member.

The topic of discussion will be, "The Business Community and Coordinators Work Together for the Improvement of Distributive Education."

## Reunion Date Set

The chairman of a Garden City high school reunion has announced a correction in the date for the event, which will be held Sunday, July 9, at Kensington Park's Maple Beach.

Al Rollings, whose parents live at 29554 Barton Street, Garden City, said that the reunion will be held for 1962 graduates of East High

## Vernon Lunn Is Promoted By Hamilton

Vernon Lunn has been named to the post of Director of the Resident Advisory Board of Alexander Hamilton Life Insurance Company of America. The promotion of the former Regional Director of the Indianapolis Office was announced by James H. Milby, Vice President of Public Relations.

Lunn will direct the expansion of the Resident Advisory Boards of civic, business and professional leaders in other states as the company expands operation throughout the 24 states where it is now licensed.

He joined the company in December, 1965, and produced in excess of \$1 million of business his first year. Most recently he has been serving as Regional Director of the Indianapolis Office and prior to joining Alexander Hamilton spent 15 years in the Merchandising division of Sears Roebuck Retail Stores.

A member of the General Board of the Church of the Nazarene for many years, Lunn, his wife, Carolyn, and their three children will be moving into the Farmington area.

## Thurston Graduate at Camp

Cadet James J. Wooll, 21, son of Mr. and Mrs. Alfred C. Wooll, 9393 Mollison, Plymouth, will attend Army Reserve Officers' Training Corps summer camp at Ft. Riley, Kan., with his unit from Michigan Technological College in Houghton.

## 4th Grade Space Shot Was 'A-OK'

Fourth graders in Fred Mack's class at Kennedy Elementary School, Livonia, planned and produced a simulated space shot as one of their last projects before summer vacation.

The six-hour space shot was complete with two astronauts, a space ship 7½ feet high, tube food, and a ground crew using walkie-talkies and a tracking map.

The spacecraft, U.S. Kennedy I, was occupied by Kathy Bosworth and Pat Moore. They lived on tuna, applesauce and "Cool pops."

The astronauts' classmates fanned out with walkie-talkies to tracking stations throughout the school.

At 3:30 p.m. splash-down was pronounced "AOK" by astronauts and ground crew.

During the encampment, scheduled to begin July 1, he will receive six weeks of training in leadership, rifle marksmanship, physical conditioning and other military subjects.

Upon successful completion of summer camp and graduation from college, he will be commissioned a second lieutenant in the U.S. Army.

Wooll is a 1963 graduate of Thurston High School.

JACK McDONALD

## J. McDonald To Speak At July 4 Fete

Guest speaker for the Kendallwood I and Colony Park Fourth of July celebration will be Rep. Jack H. McDonald (R-19th dist.).

Elected to the House of Representatives in 1966, McDonald is a member of the Committee On Public Works, immediate past chairman of the Wayne County Board of Supervisors and former chairman of the county supervisors Ways and Means Committee.

He served as supervisor of Redford Township from 1961-1966, and is a member of Governor Romney's Advisory Committee on Local Government and the board of directors of the National Parks and Recreation Association.

A member of Local 324, International Union of Operating Engineers, McDonald was chosen outstanding young man of the Year by the Detroit Junior Board of Commerce in 1965.

## It's Summer and Kids Go to School for Fun

A score of public schools are being used by the Livonia Department of Parks and Recreation for a city-wide program of fun and recreation for Livonia youth.

Among activities scheduled to run from June 28 through August 18 are crafts, athletics, tournaments, baton twirling, movies, and many special events.

The summer recreation schedule in all centers will be from 9 to 12 a.m. and from 12:30 to 4 p.m. with the exception of July 3 and 4 when activities shut down for the holiday weekend.

According to Board of Education and recreation department officials, the following schools in the City of Livonia will be used this summer:

Cleveland, 28030 Cathedral, Coolidge, 30500 Curtis, Garfield, 10218 Arthur, Grandview, 19814 Louise, Grant, 9300 Hubbard, Harrison, 28811 Jamison, Hoover, 15900 Levan, Hull, 34715

Lyndon, Jackson, 32025 Lyndon, Jefferson, 9501 Henry Ruff, Johnson, 36651 Ann Arbor Trail, Lincoln, 15745 Ashurst, Madison, 15701 Har-

rison, Marshall, 33901 Curtis, McKinley, 9101 Hillcrest, Pierson, 32625 Seven Mile, Roosevelt, 30200 Lyndon, Rosedale, 9825 Cranston,

Stark, 34401 Pinetree, Taft, 18050 Deering, Tyler, 32401 Pembroke, Washington, 9449 Hix Rd., Webster, 37855 Lyndon, Wilson, 28400 W. Chi-

cago. Most of the activities are free although fees are charged for golfing, and some team center programs.

# From the Publisher's Desk OBSERVATION POINT

By Philip H. Power

STOP BY the shore of a pleasant looking lake in Hines Park. What do you see or (better) smell? Pollution. Go out into an open piece of property in Observerland. What's there, under the trees and amid the grass? Beer cans. Pop bottles. Garbage. Drive along Plymouth Road

some hot summer afternoon when there isn't much wind. What do you smell? Smoke. Fumes. Car exhaust. Air pollution. Walk along a pleasant street in Plymouth or Farmington. What's that all over? Litter. FOR YEARS we have used our planet as one big garbage dump. When there were few people

around, no one cared much or even noticed.

But with the sudden population explosion, there are just many more people and cars and buildings and factories and so on and so forth.

Just that many more ways to foul up our land, water and air.

A special task force report submitted last week to the Department of Health, Education and Welfare puts it pretty clearly:

"For thousands of years," the report begins, "man has treated this planet as a dumping ground, boundless in its ability to absorb insults."

SO JUST what are we going to do about it?

And in particular, what are WE going to do about it, before either federal or state government steps in and starts to tell us what we're going to do?

We certainly have not done much here.

There's been a lot of talk in Livonia about a municipal incinerator, perhaps to be shared with other communities. But the only hot air this project has generated so far has come from politicians.

The Observer helped put on a conference on air and water pollution several months ago. It was an interesting session and many points of view were exchanged, as the diplomats say.

But, frankly, nothing much has come out of it.

There have been various stabs at getting some sort of inter-governmental cooperation to work on the problems of pollution, but these have bogged down in frustration and suspicion.

We really don't have much time to get something done on the local level.

One of the HEW task force's recommendations for study was an exploration of just where people and industry should be located so as to reduce the intensity of development and, therefore, pollution.

This suggests that if we don't get going to solve our own problems, the state might step in and tell us where to live and where to build.

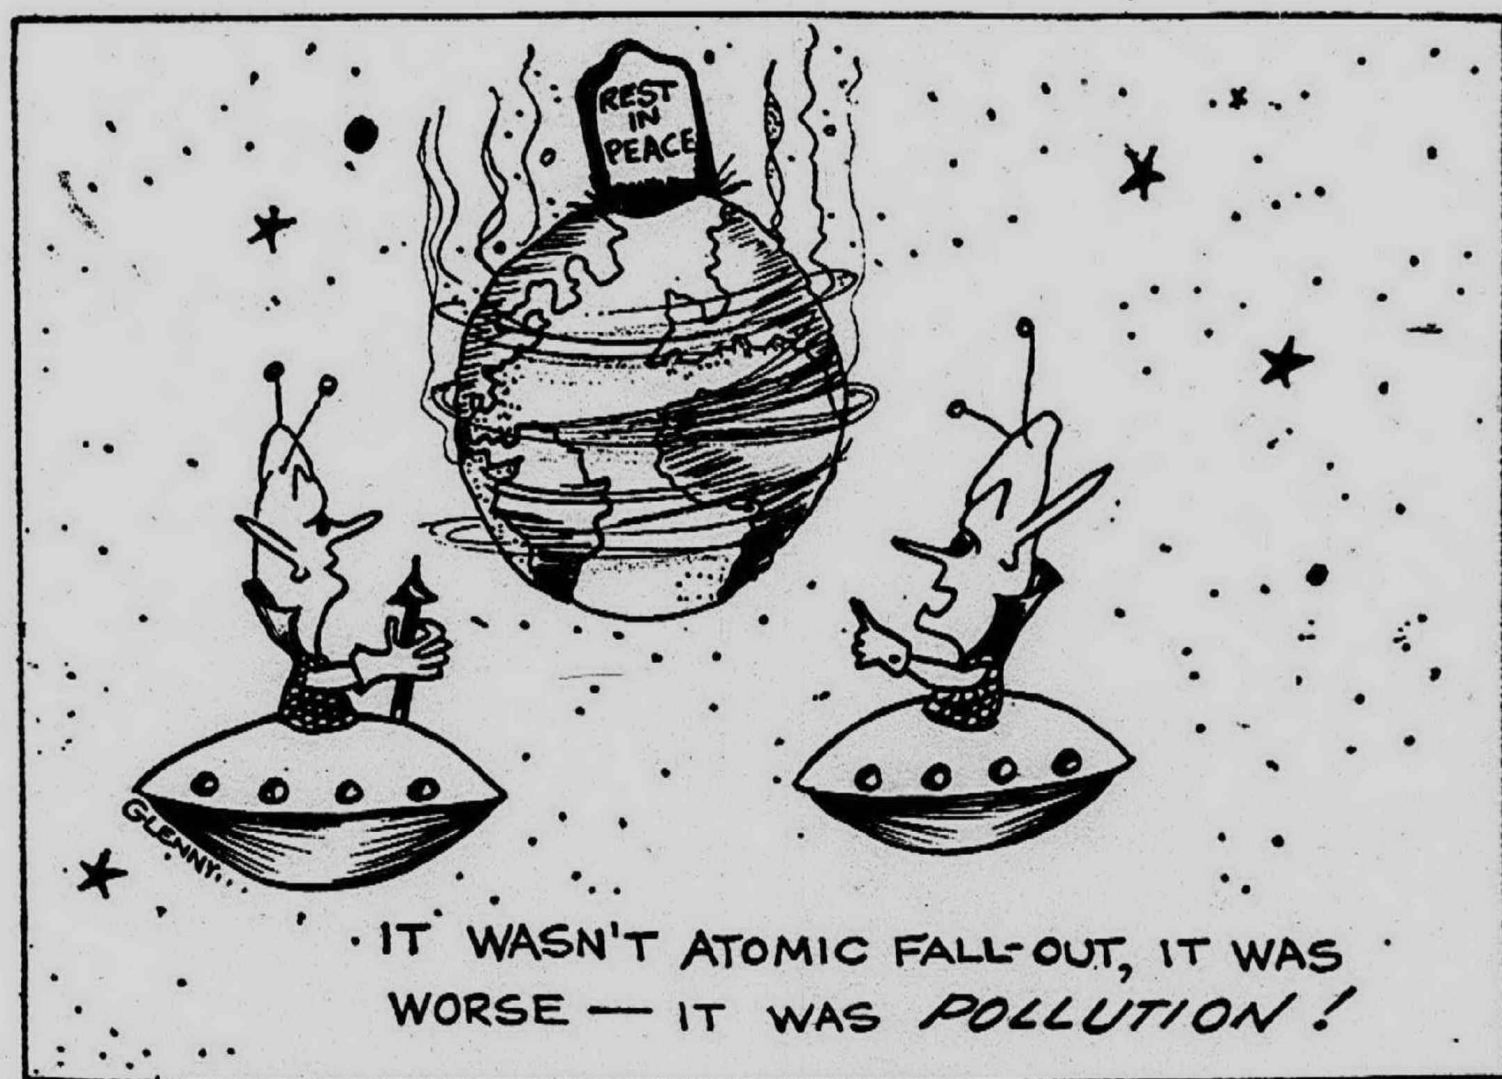

I'm not too sure if any of us would like that.

## Sense 'n Nonsense

The one word Jaycees use more than "enthusiasm" is "publicity." They love publicity better than beer, almost, and seek teams and teams of it especially during Jaycee Week in January, when the publicity is about themselves.

So last week, the Plymouth Jaycees played host to something genuinely important — a statewide tennis tournament, drawing boys and girls from hundreds of miles. It deserved an "advance" story in the pages of this newspaper, but it didn't get any, because the Plymouth Jaycees' publicity chairman got the story in a day past our deadline, although the event had been planned for weeks.

Was it because the "publicity" wasn't 100 per cent about themselves?

## This Is The Week That

... By Don Hoenshell

Here's your scalpel, doc, and let us look inside a traffic safety bill in Lansing that maybe could save a life on the highways.

One is enough to make it good.

Rep. John Bennett, of Redford, proposed we adopt the Illinois system. A cop stopping a speeder picks up his driver's license, issues him a ticket valid as a license until the court date.

**Bennett was high on the bill. Keeps speeders off the streets maybe. At least the guy faces a judge and has to answer when he should or no license. Illinois thinks its great.**

Michigan last year had thousands of unanswered moving violation tickets and too many people dead on the highways.

The House thought the idea was great, too, and passed it unanimously. The Senate killed the bill. Then came the usual and sometimes effective ploy in the House.

Rep. Donald O. Holbrook, a Republican—Bennett being a Democrat—thought also the bill might save a life. He and Bennett found a vehicle bill they could hitch a ride on and sent the ori-

ginal back to the Senate as an amendment.

The Senate killed it again, 4 to 27, a negative vote again chipping off the amendment. Twice killed and twice is one too many for the average accident victim.

This, of course, puzzled Bennett and Holbrook. So, being good legislators they made a bipartisan check.

This came from the governor's office, quoth Bennett:

"It's a great bill and we like it but it was not in the governor's message to the Legislature. Just wait until the fall session or even next year."

"It will be in the governor's message and you can pass it then."

Oh. Bennett and his researchers estimate the bill would save \$5 million a year in the administrative costs of filing, processing and chasing down traffic violators who ignore tickets.

In this business you talk money as well as lives.

Holbrook, remember, is a Republican, the son of an Appeals Court judge and chairman of the House judiciary committee. What to do, Mr. Holbrook?

## Sense 'n Nonsense

As 900 local governmental and community agency officials gathered at Oakland University recently to attend a Regional Conference on Crime and Delinquency, they were treated to a querulous presentation.

After speeches on means of combating crime through the works of social agencies, delivered by Lt. Gov. William Milliken, Oakland County Circuit Judge Arthur Eugene Moore, Mott Foundation Chairman C. S. Harding Mott and other concerned and involved officials and private citizens, the delegates were read a message from FBI head J. Edgar Hoover.

Far be it from the austere Mr. Hoover to leave a single stone unturned, he used the cover of the "crime and delinquency" topic to forward a familiar message:

His speech, delivered by Ford Motor Company Vice-President John S. Bugas, consisted of a hearty attack on the Communist Party of the United States, while others spoke of counseling services for pre-delinquent youths and other tangible, feasible programs to help the child who is on his way to a life of crime.

It seems we've heard Hoover's song before—40 years before.

## Sense 'n Nonsense

Reports the Associated Press from New York:

"A poll of Roman Catholic priests shows the younger ones want priests to be allowed to marry..."

Now we need a poll to see how many of their young rabbi friends will have bacon at the wedding breakfast.

**Bennett, a Democrat, remember, was full of praise for Republican Holbrook. Here's what Holbrook did. He told the governor's office if the Senate again killed the plan, he would bottle up a pet governor's bill in committee. When it did, he did.**

This isn't really about Republicans and Democrats.

It's about the Lansing Establishment where the merit of a bill means nothing if it isn't in the governor's message. Everybody's in favor of traffic safety when it means votes from the safety buffs.

So we'll wait until the fall or until next year for the traffic safety program both parties have pledged.

Until then we can put it into tombstone jargon.

"I died, unfortunately, because it wasn't in the governor's message."

Might sell.

The vice of Capitalism is that it represents the unequal sharing of Blessings; whereas the virtue of Socialism is that it stands for the equal distribution of Misery.

—Winston Churchill

## This Is Negotiating??

The Schoolcraft College faculty has an imposing list of BA, MA and PhD degrees but apparently there is a decided lack of knowledge of the meaning of the word negotiations.

Our information is that negotiations between the Faculty Forum and College Administration teams is practically at a standstill even though the State Mediation Board has entered the scene.

## Plymouth Celebrates Centennial

The Centennial celebration of the City of Plymouth, which has been dragging since the actual Centennial date on March 5, reaches a climax next week in a weeklong series of events highlighted by the appearance and a five-day visit of the Lord Mayor of Plymouth, England.

It was a natural for Plymouth to try and arrange the visit and the English counterpart was happy to oblige since he had long planned to visit the United States and Canada and this gave him the opportunity.

The Plymouth Community is going all out to make next week the biggest of the entire Centennial celebration and we recommend that residents of the areas covered by the Observer Newspaper Group help their neighbors celebrate.

The Lord Mayor and entourage will receive an official welcome to the City of Plymouth Monday afternoon at 4:30 p.m. with all the hoopla that can be worked up on the day before our Independence Day celebration.

The programmers have arranged an unusual Home Products show, with more than 45 exhibitors, that should be of interest to all. The Lord Mayor will put in an official appearance Monday evening for the show which opens Monday at noon and closes Friday at 10 p.m.

Then the visiting English delegation will be treated to a grand and glorious Fourth in American style Tuesday with a mammoth parade through the downtown business section, starting at noon.

The Plymouth Jaycees believe this will be their biggest and best and they have been presenting the big procession for the past several years.

Again, the Lord Mayor will have a seat in the reviewing stand to see a Yankee parade and he'll be an honored guest for the fireworks in the evening at Met-tal Airport.

It only happens once in a hundred years and nothing could be better for the stay-at-homes than to take advantage of the opportunities for a big day offered in Plymouth.

—R. T. Thompson

## Time Has Made Changes In Outdoor Concerts

This year suburbanites who read the Observer Newspapers are noticing a number of profound changes in that classical institution of the small town, the outdoor concert.

Time was when the concert was given in the bandshell at the park. The talent was mainly local, supplemented by musicians from nearby towns. The musical fare was Strauss and Sousa, with a movement or two from something by Tchaikovsky once in a great while.

The outdoor setting is the same, but a lot of the rest has changed. Look at what's going on out here.

In the first place, the band has become a full-scale orchestra.

At Fair Lane in recent weeks, it was the Baroque Orchestra of the Chicago Symphony, and it will be followed in July by the Stratford and Bath festival orchestras.

At Meadow Brook in Rochester, there are two series of concerts with Detroit Symphony, which is becoming internationally famous.

At Schoolcraft College's July series on Wednesday evenings, the Court Orchestra will be composed by members of the Detroit and Plymouth symphonies.

Summer concerts aren't something where you throw in the second team any more.

A second big change is the kind of music that's being offered.

The old theory was that it was too warm to shove a full symphonic score at a summer audience. That's out.

Meadow Brook's programs include works by Beethoven, Rachmaninoff, Moussorgsky, Berlioz, Lalo, Sibelius, Verdi—the gamut of times and types.

Fair Lane's began with the Baroque composers. This was the period from 1600-1750; it was characterized by ornate musical patterns and brilliant melodies; its big names included Bach, Gabrieli, Vivaldi; it's not the easiest listening in the world—you have to concentrate.

Schoolcraft's has a single theme—the works of the classicist Joseph Haydn and of the modern neo-classicist Hindemith. This is serious listening at its most serious.

The third big change is in the sponsoring groups.

The old-fashioned band concert was promoted by either a city or a civic association.

The modern summer concerts are being offered by public-conscious colleges eager to reach the populace and not to go out of business in the summer.

At Meadow Brook the sponsor is Oakland University, an offshot of Michigan State; at Fair Lane, it's the University of Michigan's Dearborn Campus; at Schoolcraft, it's a suburban community college—a college which shows every sign of a willingness and ability to exercise cultural leadership in the area west of Detroit.

Symphonies with top-rate musicians... a more challenging kind of music... the leadership of the colleges—these are the new patterns emerging in summer music.

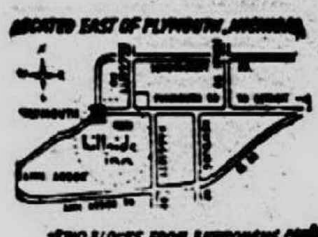

It's a far cry from the Strauss-Sousa band concert in the park. We like it.

## You've Got To Get Knocked Down To Get Ahead

By W. W. EDGAR

THE REAL test of any person is how he reacts to adversity.

They have a colorful way of expressing this in the fight industry where, when you ask some one to judge the merits of a fighter he'll answer, "Wait 'til I see him get off the floor."

What they mean is that no fighter can be judged properly until after he has been knocked down. It is how he reacts after regaining his feet that tells the story of his ability.

It is the old story of how you meet your first setback. I got to thinking about that this week while watching the parade of graduates going out to face the world—for better or worse.

With their diplomas in their hands they are marching forward, confident of conquering the world. But what happens when they come to the first setback. It usually is a shocking thing and in many cases starts the victim in another direction.

Somehow, I couldn't help recalling the first real disappointment in my young life. Born in a small town and in a family where economy didn't even permit the completion of a high school career, I had obtained gainful employment as a clerk in a store and had later learned the machinist trade.

I HAD progressed to the point where I was the superintendent of my shop. But somehow I wasn't satisfied. I had the feeling that I never was meant to wear greasy overalls and come home from work with grease-besmirched hands and face. I had the feeling that there were better things in life for me. I was sort of a dreamer.

Then came the chance I had awaited.

The government announced that free mail delivery was to be inaugurated and an advertisement was placed in the local paper for a civil service examination. The ad spoke in glowing terms of the great life that lay ahead for the winners and that they eventually could live in retirement with a pension.

That was the chance for which I had been waiting.

I quickly signed for the tests and when I looked over the field I was certain that I could beat any of them in an intelligence test. I was just that cocky.

I was even more so on the day of the examination.

Fifteen of us gathered in the high school auditorium and when I saw the tests I was more confident than ever that I was headed for a "position" in the post office and that some day I could live on a government pension.

THE TESTS were given by a kindly Pennsylvania Dutchman named Tom Fehnel and he had given me a pat on the back when I was the first one finished and turned in my papers.

Then came the wait for the results. Several weeks went by and with each passing day I kept dreaming of the fine job I was to get and the joy I would have of leaving the greasy machine shop behind.

Then came the shock.

When the results were announced I was not the winner. I just couldn't believe it. I raced to the post office and asked to see the report.

"You missed in spelling," they told me.

I couldn't believe it because I had never lost a spelling bee.

Then they showed me that I had missed on the word "besiege." I had forgotten that the real Pennsylvania Dutch do not pronounce hard "g's" and I had spelled the word "beseech" without even asking for a definition.

It was a bitter blow to me. My hopes were dashed for what I thought would be a great life and a happy retirement. But now I am just as glad. I shook off the shock, went about my way and received many a smile from Lady Luck.

And just think, if I had spelled the word "besiege" properly I wouldn't be enjoying the thrill of writing these pieces to you.

There is a saying which floats around The Observer offices to the effect that the only thing that is inevitable is change.

The truth of this statement as it applies to suburbia is most often proven at planning commission meetings. Not precisely the commissions themselves, but in the proposals presented to those agencies.

One can't help but have a certain amount of sympathy for the irate residents who regularly appear before the local planners crying that they wish to maintain the "rural atmosphere of the community" and if this reasoning is approved it will mean ruin to the entire area.

The "rural atmosphere" of suburbia is unique and, unfortunately, fast disappearing.

AN EXAMPLE: on Nine Mile Rd. there stands a tiny, old cemetery which is still well maintained. However, right next to it an industrial building is rising.

A paradox? Certainly a contrast, but not unique.

The problem suburbia faces is to adapt to the change, but to maintain some control and order over the growth and development of an area.

A prime example of lack of foresight in planning can be seen in Plymouth Rd. as it cuts westward through Redford Township and Livonia.

It's almost as garish as New York's Times Square.

Conversely, a prime example of foresight in planning can be found a short distance south of Plymouth Rd. This is the Edward Hines Parkway.

While change is inevitable the problem is how to control it with a certain amount of reasonableness and equity for the property owners.

Certainly for the residents of an area to fight a commercial development at the intersection of two main highways simply because the property is currently zoned residential is not fair or just to the property owner.

People just don't build homes at the intersections of two main highways.

Thus the concept of construction of industrial parks and developments which have buffers from the homes in the area has arisen.

The problem remains, however, with the many parcels in suburbia which were once suitable for residential zoning, but due to the expansion of the highways and the mobility of society provided by the auto now lay fallow.

We don't pretend to have a final answer to the problem.

All we can do is wish the planners luck in dealing with the problem and hope that they still retain a feeling for the few remaining quiet "country" spots in suburbia.

# Readers Express Views on Many Topics

**Editor:**

Recently I finished a night school course in shorthand, which was offered by Plymouth High School. I would like to take this opportunity to say, "Whew!"

The course lasted three months, but should have been a full term. I don't feel that I got full advantage of the course and I'm sure the other people in the class didn't either. There simply wasn't enough time to learn everything. We barely made it through the book.

The teacher did a marvelous job with the small amount of time in which she had to work with us, and I would like to thank her.

Let's hope that Herbert Woolweaver will take time to look into the possibility of making this particular course a full term class. Then, maybe next year's students will have the opportunity to learn.

Patricia Etherington

**Tax Rate Cut Is Justified**

**Editor:**

When I studied government in school, I was informed about taxation. To determine the tax rate per thousand of Assessed Valuation you divide the budget by the Assessed Valuation.

This also applies to State Equalized Valuation—to determine the tax rate per thousand of State Equalized Valuation you divide the budget by the State Equalized Valuation.

Example: Budget, \$525,000.00. Assessed Valuation, \$36,000,000. City Tax Rate equals  $\frac{\$525,000}{\$36,000,000} = \$14.59$  x \$36,000,000 equals \$525,240.

State Equalized Factor 1.35 x Assessed \$36,000,000 equals State Equalized \$48,600,000.

Budget, \$525,000.00. State Equalized Valuation, \$48,600,000. City Tax Rate equals  $\frac{\$525,000}{\$48,600,000} = \$10.81$  x \$48,600,000 equals \$525,386.

You state, "The City does not plan to lower the tax rate to make up for the increase in the equalized factor." It most certainly should be decreased. State Equalized Valuation is the fairest way of taxation.

**Reads In G.C. a Mess**

**Editor:**

I would like to ask this newspaper to look into the Garden City D.P.W.'s situation. I have lived in Garden City 9 years and have never seen the city's streets in such a deplorable condition. With the exception of the paved concrete streets in our newer subdivisions, our streets are fit for nothing short of a Sherman tank.

I am well aware of the fact that we have had a much more severe winter than in past years, but winter has been over and the frost has been out of the ground for at least six weeks. The only constructive thing I've seen done is a set of barricades put out to block off one block on Hubbard.

However it is done, let's get busy and do it!

Jerry Neracher  
Garden City

**Editor:**

My wife and I are the owners of a local dance studio and we're therefore especially interested in the recent article regarding the use of school facilities for dance recitals.

We have tried to impress the school board with the fact that private dance schools cannot operate without holding annual programs. School facilities are all that are available. Proper dance training in the highest form can only be achieved within privately operated studios.

Recital fees or admissions

are canceled out by the expenses involved in producing such a show for a one-night performance.

We believe that dance recitals and other related activities involving the training of children and culture are of benefit to the entire community. We might also add that this cultural and artistic pursuit is offered to the community without being an added tax burden.

**Bemoans Neighbors**

**Editor:**

I really don't hope to accomplish anything by this letter but I feel I have to write it.

I have just come indoors from helping my husband move a Mountain Tree Ash from our front yard to insure our own fence. Someone came along and ripped and I mean ripped three clumps of flowers from it. When we moved to Livonia the house we bought needed quite a bit of work, especially in the yard.

We feel we have improved the looks of our home, mostly by hard work, by 125 per

cent.

I would like to say to the neighbors' children—little tots who are allowed to roam around—some day you too may look forward to enjoying a beautiful tree and have it destroyed.

Has the day of teaching children the 'rights' of other people to have a lovely place to live in gone? Perhaps because they don't have nice yards etc. they can't stand to see anyone else have one either.

Mrs. R. Hutchins  
Cavell, Livonia

TEACHERS with more than 300 years of combined experience teaching Livonia youngsters, get together following a tea in honor of their retirement. Standing

**Appalled at Opinion**

**Editor:**

Reading the May 3 edition of The Observer I am ap-

palled to see that you would permit to be printed a malicious and slanderous letter such as the one appearing over the signature "mentally jaundiced" neighbors. My dismay stems not from the fact that the letter was purposefully damaging to the character image of another, we get used to that in our culture, but that you would

print it without including the author's name. I think it inexcusable that a public newspaper would permit its pages to be used as an instrument to accomplish private back-stabbing.

As for the object of that cowardly attack, the letter by Mr. George Kindred, I personally found it well presented and thought provoking. I agree with his basic premise. One of the major weakening factors hurting the Christian Church in its impact and effectiveness is the very large number of persons and groups who want to use the name but refuse to commit themselves to its purposes. A far better name for the Livonia Young Men's Christian Association would be the Livonia Family Recreational Center. If I am wrong please show me where.

George W. Versteeg,  
Livonia

**Ed. Note:** The aims of the Livonia Family Young Mens Christian Association are that it will be a center for the entire family in a wholesome, Christian atmosphere. Because the letter writer is a neighbor and knows Mr. K, she asked her name be withheld for the sake of neighborhood unity.

## Summer School Program Opens

Westland students in the Wayne Community School District registered the first day of classes, Monday, for the new summer school program.

The program, for which the first drive for registrants ended recently, had new students sign up by mail at the district's Central Office, 3712 Williams Street, Wayne, or in person at any one of the summer school centers.

Late registration was made in person at the individual summer school centers or at the Central Office.

The program is open to any student who has completed the second grade and is a resident enrolled in a public, private, or parochial school in the Wayne district. Pre-school age, kindergarten, and first grade students may enroll in special education and art classes.

Persons outside the district may register but will have to pay a higher non-resident fee.

The courses in driver education, instrumental music, swimming, and special education will be limited to Wayne District residents.

The driver education program started Monday and no fee will be charged. Students may register at the Wayne Memorial or John Glenn High Schools.

New classes in the summer program include creative arts, open to incoming seventh, eighth, and ninth graders; graphics to give pupils a comprehensive picture of the graphic arts field; metal technology; beginning photography; and sports skills, designed to promote basketball skills and knowledge to incoming seventh, eighth and ninth graders.

Persons wanting more information may call the Summer School Office at PA. 2-1500, extension 274.

Fees for Wayne District residents are \$5 per one-hour running six weeks for elementary and junior high school students and \$10 for two-hour block courses.

In the senior high school classes, the fees are \$20 for a full credit class; \$10 for half-credit classes; and \$5 for an enrichment class.

There is no fee for driver education and special education classes, open to Wayne District residents only.

## Keith La Pointe Honored As Eagle Scout

Keith La Pointe, age 14 received the Eagle Award at a Court of Honor of Troop 499 in St. Robert Bellarmine's Activities Building. Troop 499 is sponsored by St. Robert Bellarmine's Men's Club. Keith is the second Boy Scout in the troop to attain the rank of Eagle Scout.

Keith, a scout for three years, has been an assistant patrol leader and is now the Cougar Patrol Leader. He has 26 merit badges, all in the Public Service group and qualifies for the Bronze Palm.

He is an Ordeal Member of the Order of the Arrow. Besides having the American Junior Life Saving and Mile Swim Certificates Keith has attended every single campout since joining Boy Scouts.

Keith resides at 9933 Inkster Road with his parents Mr. and Mrs. Alfred La Pointe, his brother Eric a Star Scout with Troop 499, his sisters Lana, Susan and Michelle, also their pet poodle La Neige. Mr. La Pointe is a Troop Committeeman.

Keith is in the ninth grade at Emerson Jr. High School and attends St. Robert Bellarmine Church. His hobbies are coin and stamp collecting and repairing old engines and radios.

## Pair Get New Posts On Oldsmobile Account

Promotions and realignment of personnel on the Oldsmobile account at D. P. Brother & Company were announced Monday.

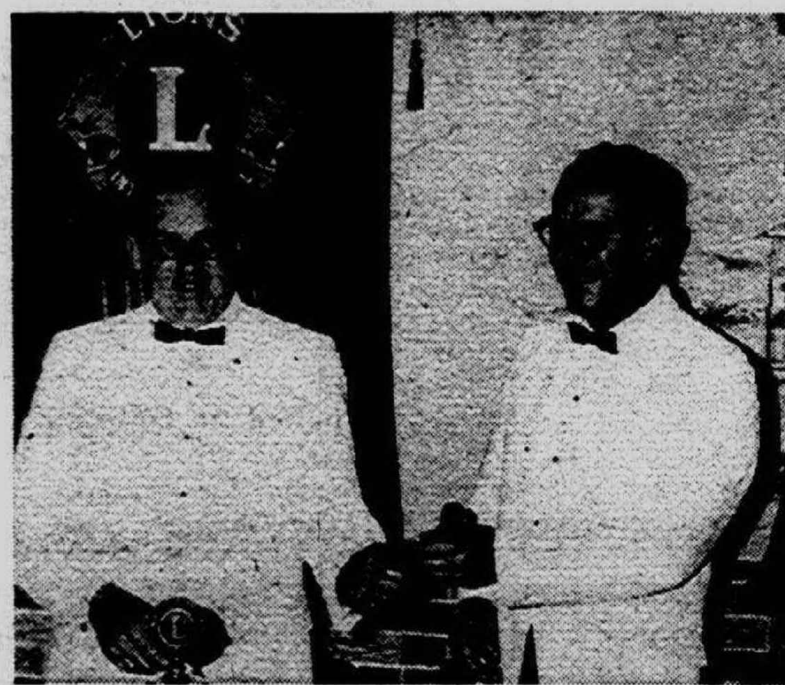

They included: Robert Overfield, 32462 Sprucewood, Farmington, from Assistant Account Executive on Oldsmobile, to Account Executive-Marketing Activities and Product Information; and Robert G. Smith, 31643 Delaware, Livonia, from Assistant Account Executive to Account Executive-Marketing and Product Information on the Oldsmobile account.

## Mrs. Moehle Was Honored

Mrs. John Moehle, of Ann Arbor Trail, Plymouth, was one of the women honored during the Senior Women's Honor Society's 50th anniversary celebration on the campus of Purdue University, Lafayette, Ind.

Mrs. Moehle served as national president of Mortar Board from 1953 to 1955. She is a former dean of women at the University of Illinois.

Past presidents of 130 honor society chapters were honored at the closing dinner of the June 21 to 23 meeting.

ARCHITECT Ernest Becker, new president of Livonia Lions Club, received the gavel of office from Outgoing President, Roy Valleskey.

## Lions Elect Architect

An architect is the new president of the Livonia Lions Club.

He's Ernest N. Becker, of Ralls - Hamill - Becker Associates, 15223 Farmington Road, who succeeds Roy Valleskey.

New officers were installed at a dinner in Plymouth. Special tribute was paid to George George, the president five years ago.

Installation officer was Robert Doughty, deputy dis-

trict governor. Vice presidents are: Tommy Mitchell, Alfred Blanchard and Jerry Rozema. The treasurer is William Shuster, secretary Robert Meloche. Directors are: Dean Fogel, Donald French, Malcolm Carney and Leo Rabault.

Other officers are: Tail Twister Harry Wolfe; Lion Tamer, Alex Carbon; and assistant Lion Tamer, Robert Beaudrie.

## Board Reviews Student Policy

The Board of Education has about completed a two-year review of policies and given approval to a half-dozen student regulations carried over from February for further study. A few sections await action.

Submitted by Mrs. Geraldine Joyner, chairman of the board's policy committee, fellow members accepted the list with minor changes in some of the six regulations.

Feeling a responsibility to the community as well as to the children, because buildings are located mostly in residential sections of the school district, the board paid particular attention to the regulation of vehicles used by pupils in transportation.

Drawing special attention were bicycles, ridden by many, and motorized equipment, such as motorcycles and scooters, used by the comparative few.

The board decided that the cycles, like automobiles, were

something the school administrative staff should regulate, to control noise and to work with the police or other legal regulatory authorities. The superintendent and staff, writing the rules, may make exceptions, in individual cases, for convenience.

The other five matters of concern to the board in matter of policy, and getting extra special attention, were:

Awards and achievements. Student dress and grooming.

Student marriages. Physical examinations. Tests and questionnaires. The board keeps a thumb on student dress and grooming by general regulations for decency, but leaves the details to Supt. Benton Yates and his staff of administrators. The school administration recently gave approval to a new code established by a student group representing high schools and junior highs, which asked a voice in policing campus conduct and

styles from head to foot. The board strongly recommended, as a safety precaution, physical examinations for high school students, junior or senior, since law requires at least 12 weeks of swimming instructions. The book of conduct and ethics, as approved by the board, will be published soon for the guidance of administrators, faculty and student body. It will tell "who's who" in calling the signals for life on the campuses.

## Packaging Names Boss In Detroit

Albert J. Hudak has been assigned as plant manager of Packaging Corporation of America's Detroit container plant, K. R. Mull, vice president and area general manager, announced. The new manager replaces William Manspeaker who resigned.

Hudak has been serving as production manager of Packaging Corporation's container plant in Plymouth since 1966. He joined the firm in 1952. His vacated position at Plymouth is being filled by L. Olin Rikard, who has been with the company since 1961 and has served in several supervisory positions at Plymouth since that time.

A. B. Killeen is general manager of both the Detroit and Plymouth plants.

## Gets Radar Training

Airman 1-C Ronald H. Salkeld, son of Mr. and Mrs. Ronald E. Salkeld, 20483 Woodworth, Redford Township, has been graduated from the U.S. Air Force Non-commissioned Officer Leadership School at Stewart AFB, Tenn.

Salkeld, who was trained in military management and supervision, is a radar repairman at Stewart with the Tactical Air Command which supports U.S. ground forces with air strikes, aerial delivery of troops and equipment and other combat airpower.

# Livonia Preps Net Flock of Victories

Pitchers from Livonia's Franklin and Stevenson high schools showed that they learned their lessons well last week in Connie Mack League baseball action.

The Spartans, comprised mostly of performers from Stevenson, scored a double victory—beating Northville, 2-1, and Garden City East, 5-4, thanks to two-run homers by the pitchers.

Against Northville it was Phil Camp who delivered the circuit with Jerry Dettler aboard to gain the nod in a duel over Craig McDermid.

In the contest with Garden City, Paul Tonnemacher strolled to the plate, again with Dettler aboard, and bang—the ball sailed for a homer to decide what had been a see-saw struggle.

Meantime, the Davies brother from Franklin made it

Not to be outdone, younger brother Jim, who now hopes to follow in Fred's footsteps, fired a 6-0 shutout against the Plymouth Optimists. Jim scattered three hits and struck out nine as he was in complete command all the way.

A four-run uprising in the sixth inning put the game out of reach for the Giants. Frank Smalley, who had walked the previous three times, led off by beating out a bunt single.

A walk to Steve Atkinson and a single by Bill Hellstein brought across one run. Carl Gulbransen followed with another single. Then Dave Paden walked. An error and sacrifice followed along with a walk to Jim Davis to bring in the four counters.

Redford Township's Earl Morrall team broke even in

Bourassa, Riley and Dale Bjerke shared the pitching for the winners as Bill McAlpine and Jack Robertson toiled in a losing cause. Robertson's single knocked in the only run for the Optimists.

The Morrall team bowed

to a late rally by Garden City East and bowed, 6-5, in the eighth inning when Greg Pike's single drove in Reed with the winning run.

East had pulled even in

(Continued on Page 3B)

## Observing SPORTS

By George Maskin

High school baseball in the Greater Observer newspaper area was better than ever this past spring. Now it's the same for sandlot action.

What's behind the improvement? We fired the question at Al Turner of Redford Township, Mr. Sandlot Baseball in these parts.

Few have devoted more effort, more time, more work to boys' baseball.

He started a decade ago with Little Leaguers. Then he moved up to Pony and Colt League action. Today you'll find Turner engrossed in Connie Mack, Free Press and Class A ball.

All of this, plus his regular job, plus serving on the scouting staff of the Detroit Tigers.

How does Turner explain what's happened, baseball speaking, in the Township, in Livonia, in Farmington, in Garden City, in Plymouth, in the other adjacent communities?

"I'd say that this is the payoff of sound baseball programs," he tells you.

"Yes, you even have to give some of the credit to the Little Leaguers. The boys we have today have funneled up through the various chains of action."

"Take young men like Rich Harlow and Claude McTaggart of our Redford Class A team. Both now are home from college. Both played for me around 10 years ago on my Little League club."

"Some of the others we have on our Free Press and 'A' teams began playing regularly when they were 13 and 14. Our current crop of Connie Mack players are for the most part fresh from playing at Thurston and Redford Union."

Turner points out that if one "would check out" the players on teams representing Livonia or Farmington or Garden City or Plymouth, "you'd find the same situation to hold true."

"These boys are the cream of the original crop," Turner explains. "We had about 500 or more in Little League when I was affiliated with the program. By the time the boys moved to Babe Ruth, maybe half survived. Fewer yet made it into the Colt League."

"Now we have just two Connie Mack teams with a total of 30 or so boys who range from 16-18 years of age. We have just one Free Press team and the same goes in Class A."

"That our high level of teams play great baseball is wonderful. Remember, Redford has won the Free Press title five straight times and last year won the state and went to the nationals at Johnstown, N.Y."

"But, there has to be something wrong, that so few teenagers are around who want to play baseball. This is a tragedy, because it's at 16-21, we should have a number of teams as was the case several years ago."

Getting back to the vastly improved Greater Livonia Connie Mack and Free Press leagues.

Turner still was doing the talking, and justly so. "There's another happy feature. For many years the real good ball players around here felt that they had to play in Detroit during the summer."

"Not so anymore. Most of them have found that

(Continued on Page 3B)

## Visitors Seize Tennis Crowns

Honors went to visiting performers in the annual State Junior Chamber of Commerce Tennis tournament held at Plymouth High school over the weekend.

It marked the third year that Plymouth has hosted the meet—and probably the last. The tourney is slated to go to East Lansing next year.

In the past, winners of the state meet have moved on to the nationals. Not so anymore, however. The former sponsor no longer will pick up the tab.

The championship results:

### BOYS

18-year singles — James Symington, Detroit, defeated Marty Gool, Detroit, 6-3, 6-2.

16-year doubles — Tim Marks, Oak Park, and Mike Anderson, Saginaw, defeated Mark and Joel Rath, Detroit, 6-3, 6-3.

16-year singles — Mike Anderson defeated Tim Marks, 6-1, 6-2.

14-year singles — Joel Rath

defeated Dan Richards, Highland Park, 6-1, 6-6, 6-4.

### GIRLS

18-year doubles — Susan Pritula, Detroit, and Barbara Trapnell, Detroit, defeated Anita Gibson, Detroit, and Chris Shepherd, East Lansing, 6-2, 4-6, 6-1.

16-year singles — Miss Pritula defeated Miss Trapnell, 6-0, 6-0.

18-year singles — Miss Gibson defeated Martha Hiller, Detroit, 6-0, 6-0.

14-year singles — Sandy Muthy, Detroit, defeated Pam Stockton, Flint, 6-3, 6-4.

WILD THROW — Steve Gerych of Dearborn Heights arriving safely at first as throw from Glen Buckingham of Redford Township's Dependable Hard Chrome sails past

first baseman Mike Turner. Dearborn won the game, 2-1, in Greater Livonia-Detroit Free Press League action.

## Dramatics Highlight Free Press Contests

**IN MAJORS:** Four years ago Rick Clark was pitching for Redford Union high school during the spring. During the summer he pitched on the sandlots in the Livonia area. Today he's on the mound staff of the California Angels in the American League. Last week Clark came home for a brief visit when the Angels played the Tigers. The photographer snapped him as he stood in Tiger Stadium where he thought for a while he might be pitching more regularly. That's because he originally signed a pro contract with the Detroit team.

It was a dramatic afternoon for sandlot baseball in the Greater Livonia Free Press League.

There was Redford Township's Dependable Hard Chrome bowing in extra innings to Dearborn Heights, 2-1.

Then Dependable retaliated by nipping Livonia's Cardinal Decorating in another spine-tingler, 1-0, a game which went two extra frames before finally being decided.

It was Chuck Viane, via Michigan State and North Farmington High vs. Larry Russas from Livonia Franklin in one of the best pitched duels of the season.

Viane gave up three hits and fanned 12. His Cardinal rival also allowed three hits, while fanning five.

Cardinal had a great chance to score in the second inning. But a brilliant catch by Bill Holmes on a drive by Phil Andrew saved at least one run and possibly two.

The only counter was scored in the bottom of the ninth

when Bill Fahey was safe on an error, moved to second on Carl Misch's sacrifice and scored on Reg Barringer's two-out single.

Dick Berryman was the loser against Dearborn

Heights, although he scattered five hits and struck out nine.

The game was scoreless until the top of the seventh when a walk to Rod Ferguson, a single by Fahey and ground-rule double by Bob Holmes broke the ice for the Dependables.

But Dearborn jumped back with a run in the seventh and won it in the eighth on two singles, an error and a sacrifice fly.

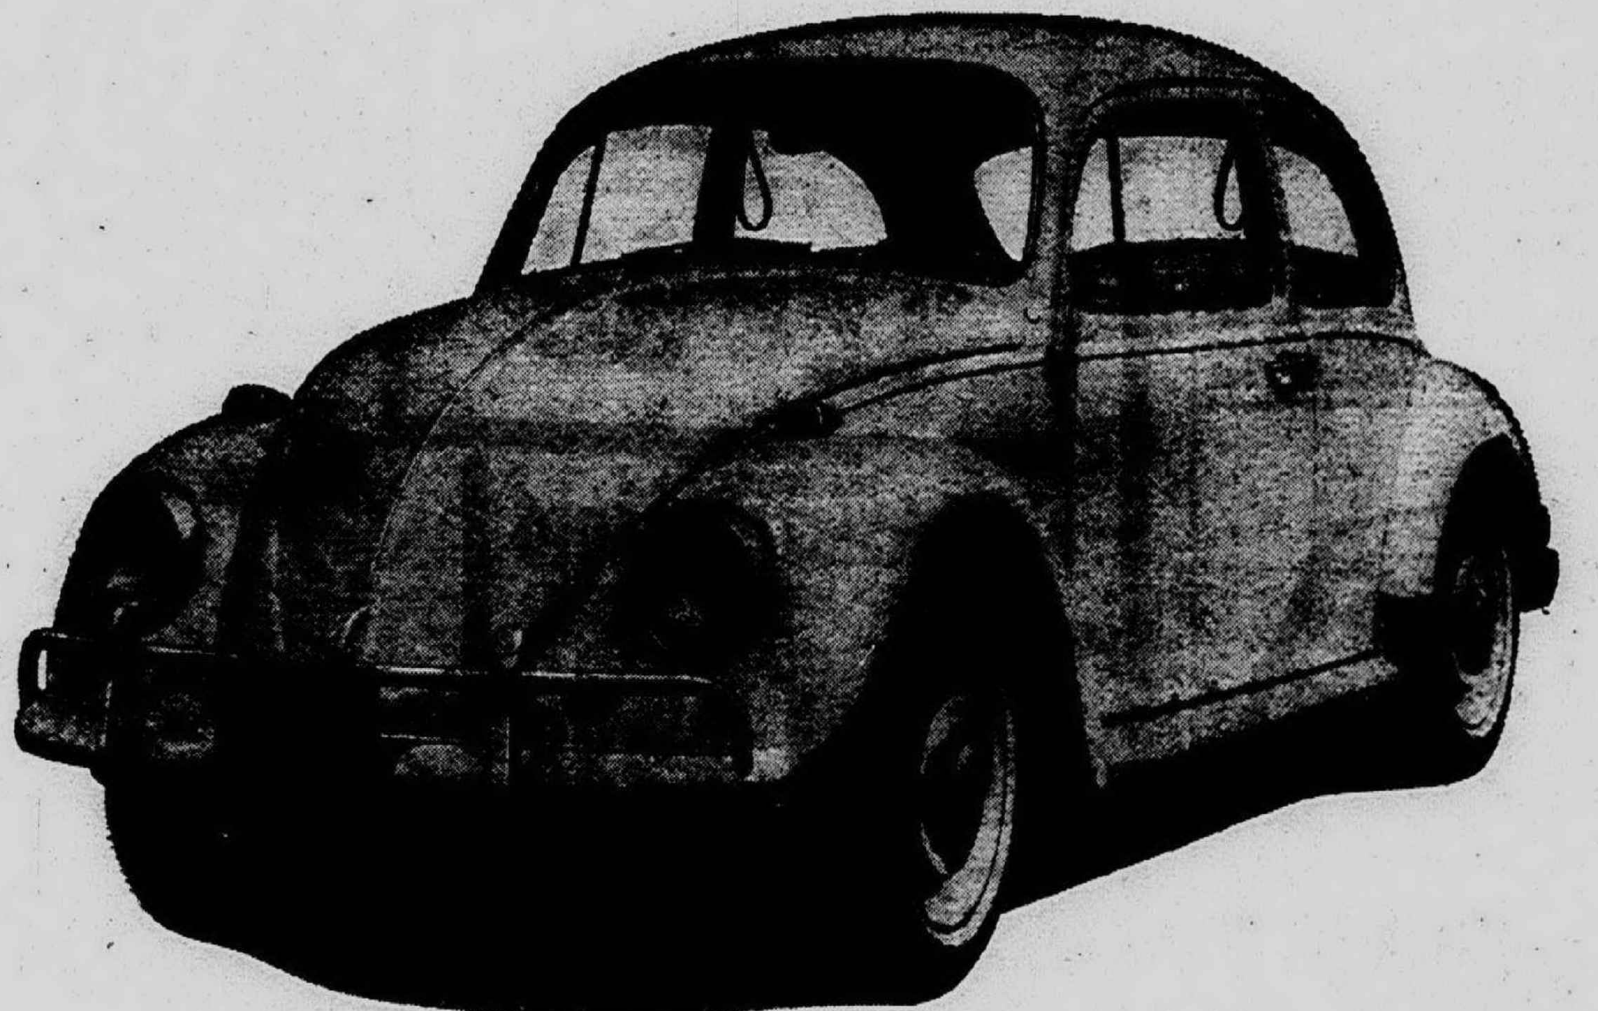

Dependable, now 6-1 in the Free Press League and still in first place, also gained a 4-2 win over Garden City Sporting Goods to start the weekend.

Bill Ray, hurling for the last time before signing a contract with the Baltimore Orioles, struck out 11 and walked four, while scattering three hits.

Hits by Misch and Mike Turner gave Dependable one run in the second inning. In the fifth Bob Holmes and Terry Rothwell singled and came around to score. In the

# Buy now and save.

A new Volkswagen costs less than most new cars. Less in fact, than many used cars. So, if you buy a VW, you may start right out saving a bundle.

A Volkswagen goes a lot farther on a gallon of regular gas... about 27 miles. So, if you buy a VW, you'll save on gasoline.

A VW averages about 40,000 miles on original tires. That's about twice as far as most cars. You save on tires.

A VW is air-cooled. So you can forget about

anti-freeze, radiator repair or water hose replacement costs. More savings.

Even if you bend a VW fender, you save. It can be removed by loosening only 10 bolts. You don't pay for the whole side of the car.

License & Insurance costs save money, too.

Buy your Volkswagen now, and save even more. Come in and see us right away before new car prices go even higher! We'll save one for you.

# Three Straight Keeps Redford in the Lead

The week that was... And it was a merry one indeed for Redford Township's Class A baseball team. Three games... three victories... two slugfests... They all added up to Redford boosting its record to 9-1 for the season and continued possession of first place in the Greater Dearborn Recreation League.

## Observing Sports

(Continued from Page 2B)

the calibre of play here matches that in Detroit; that they can play as often as they do in the city and under the same excellent conditions.

"It's even reached the point that some of our boys have started out in Detroit and then come bouncing back here."

Turner noted that virtually every player who was picked on the Observer's 1967 All Area team—and those named in the last three years—is performing close to home now.

He cited players like pitchers Dan Camp (Plymouth) and Chris Wendrick (Franklin), catcher Don Montroy (Bentley), outfielders Reg Barringer (Thurston) and Joe Huber (Garden City East) and second baseman Rod Ferguson (Redford Union) just to mention a few.

Turner was quick to point out that no less than seven Redford Townshippers have been signed by professional teams in recent years and one of them, Rick Clark, is enjoying a fine rookie season with the California Angels.

Meantime, Garden City's Bob Gamache was signed last week by Minnesota and the scouts have their eyes set on a few others.

And, the two young men we met down in Lakeland, Fla., at Tigertown in April—Dave Woloch and Arnie Helwig, both from Redford Township—are in the Tiger system and doing well—Woloch as a second baseman at Erie and Helwig a pitcher at Statesville, Ga.

Turner salutes many people for the "hey day" which has come to baseball.

"Credit the high school coaches, those in junior highs and those who have handled the kids on the sandlots," he says. Then, too, don't forget what the various recreation departments have done to promote summer play.

"It's a happy situation. Let's hope it stays this way."

## Nets Flock of Wins

(Continued from Page 2B)

the bottom of the seventh on a single by Mike Sparkman and a timely double by Marvin Martin. Pike picked up the victory while Riley suffered the loss.

It was a good week for the Bentley team, whose personnel includes just about everybody from the Bentley high team which won the Les Anderson Invitational holiday tournament.

Dave Gorton coasted for six innings and Wayne Paulson finished up "to get some work" in an 8-2 romp against Hawthorne.

Gorton aided his own cause with a triple, single and three runs batted in. Bentley counted three times in the third and three more in the fifth.

Pete MacGregor socked one of the longest doubles of the season, missing a homer because the Hawthorne left fielder was playing him "in the next country."

Bentley required three pitchers to engineer a 2-0 shutout over the Plymouth

Elks. Hank Schoenbeck, the Bentley starter, was ejected by the umpires in the fifth inning when he became involved in a ruckus. Paulson came on for two innings and Gorton worked the seventh to cement the outcome.

Jim Powers socked a homer for one run, while walks to Don Montroy and John Schroeter, a bunt sacrifice and a fly by Greg Macy accounted for the other tally.

McFarlane King aggregation from Garden City West also came up with two victories, each in extra innings.

The first was 4-3 verdict over Livonia Elks as Jim Furay hurled the distance. Chuck Adams knocked in two of the first three McFarlane runs.

Then in the eighth inning with the score tied at 3-3, Tim Briody walked, took second on another walk to Mike Guzowski and came all the way around with the deciding run on a wild throw.

First it was Redford by a 20-4 score over Ingolf-Bach. Then followed a 6-0 shutout over Inkster and finally a 14-4 breeze against Dearborn Heights.

Meantime, Livonia's Class A team was limited to one game and it developed into a happy finish—a 2-1 decision against Inkster.

Claude McTaggart rapped out three hits while Rick Harlow, Keith Spicer, Terry Rothwell and Bill Ray had two apiece in Redford's romp over Ingolf-Bach.

Rick Berryman was the winning pitcher and never had any problems.

Rick Fisher held Inkster to four hits and struck out six. Bob Green slammed out a single and double while Harlow had a pair of doubles.

Four runs in the first inning settled matters in a hurry. Green was safe on an error. Harlow doubled. Spicer walked. Carl Misch doubled and a passed ball did the damage against Inkster.

An 11-run uprising in the second inning turned the Redford game against Dearborn Heights into a runaway.

It all began with a single by Gary Maher. Winning pitcher Deno Syrios, an eleventh grader from Thurston High, also singled. Then Robby Masson and Miles Kearney walked for one run.

Harlow cleared the bases with a grand slam homer and Sam Antonazzo socked a homer with none on. Hits by McTaggart and Harlow, coupled with five more walks added to the inning's big doings.

Harlow added two singles in the game, while Spicer also knocked out a pair of safeties.

The Livonia team, known as Pavel-McDonough, needed three pitchers to squeeze past Inkster.

Some nifty relief work in the seventh and final inning by Jay Schwalm saved the day. He came in from the outfield with two on and two out. After walking the next man to load the bases, he went to a 3-2 count on Bob Banks before striking him out.

Banks previously had two singles and a triple in the game.

Bill Lephram worked the first four innings and Ron Mellier the next two for Livonia.

Both the winners' runs were scored in the fourth inning. Roger Frayer and Don Smith singled. Jerry Allen's squeeze bunt sent Frayer home and John Breckenridge singled in Smith.

Jim Rose, Schwalm and Paul Portney accounted for the other three Livonia hits.

## Tigers Slate Father-Son Tilt July 8

The eighth annual Father-Son game, matching the Tigers against a team composed of their sons, will be staged at Tiger Stadium Saturday, July 8.

The kids will be out to preserve a perfect record in the series. The rules for this half-hour comedy game are written so the fathers must bat and throw opposite to their normal manner while the kids enjoy six outs per inning.

The Father-Son classic will be a prelude to the Tigers' game with the Boston Red Sox, beginning at 2:15 p.m. (EDT). The pre-game festivities are set to begin at 1:35 p.m.

Television personalities from Station WJW-TV will aid in the festivities. Weatherman Sonny Eliot will be the umpire-in-chief while Bozo the Clown will perform his repertoire of antics.

The kids, ranging in age from 2 to 8, are being recruited by Vince Desmond, director of special events at Tiger Stadium. The boys will be uniformed in baseball suits numerically matching their fathers'.

The youngsters will perform in front of a large crowd. In addition to the fans attracted to the Tiger-Red Sox contest, it will be Youth Day, Junior Bowlers Day, Ladies Day and Retirees Day.

HE'S A PRO NOW: Bob Gamache of Garden City gets a kiss from his mom and handshake from his dad, (they're the Raymond Gamaches) as he prepares to take off for a career in professional baseball. He had signed with the Minnesota Twins after a brilliant high school career. Bob is starting out in the Florida State League.

(Continued from Page 2B)

ton nipped Southfield, 6-5, and then bounced back to take Berkley in both ends of a Sunday doubleheader, 5-3 and 9-7.

Prior to the sweep, Farmington had bowed to Clarkston, 5-3.

The sweep against Berkley was climaxed by a comeback which saw Farmington spot Berkley a 7-0 lead in the first three innings of the nightcap.

Farmington then got a run in the third before exploding for six in the fifth frame to tie the score.

Singles by Steve Sager and Tom Snyder and a walk to Al Kilka loaded the bases and paved the way for Joe Himmelsbach to clout a towering homer to clear the bases. Chris Norton and Tom Webster walked and came around on Sager's second hit of the inning.

In the sixth, Snyder opened the winning outburst with a single. Kilka walked and engineered a double steal with Snyder. Both scored when Himmelsbach again came through—this time with a single.

Tom Webster, still recovering from a fractured small bone on his finger, worked the last eight innings and was the winning pitcher.

A three-run, fourth inning featured Farmington's victory over Berkley in which Mike Thompson was the winning pitcher. After Jerry Tinkle knocked in one run in the first inning, Farmington struck for its trio of tallies in the fourth with Kilka's walk starting things.

Jim McGrath singled along with McGrath and Norton. Then Frank Drapalski tripled. Mark Kaj-

## Dramatics

(Continued from Page 2B)

seventh Ray and Misch doubled.

Carl Stevens' two hits both figured in the Garden City scoring.

Dearborn Heights blanked Garden City, 4-0, with Joe Huber the losing pitcher. Jerry Kaske, Greg Pike and Don Buzcek accounted for the losers' three hits.

A three-run homer by Mike McMasters carried the Red Sox to a 4-3 win over Cardinal Decorating in Sunday night's feature at Henry Ford Field.

Cardinal had scored in the first when Ed Ryan singled in Gary Birkett, in the third when Andrews drove over Paul Hartge and in the fifth when Hartge crossed on Jerry Inland's hit.

Hank Schoenbeck was the losing pitcher.

# Mac Retires From Racing; Skips Fanfare and Farewell

Mac McQuarrie, the 54-year-old veteran driver-trainer from Fowlerville,

Mich., officially announced his retirement from harness racing to officials of Northville Downs and then failed to put in an appearance for the special farewell in his honor Saturday night.

McQuarrie, who has been in the sport as a groom, driver and trainer since 1928, has been fighting a losing battle with a leg ailment ever since he suffered a broken hip in a racing accident a year ago.

He wasn't able to train his public stable as well as he desired during the winter with the result that none of his horses was ready for the races until four weeks after the start of the Wolverine meeting. Then Mac discovered he could handle the training chores but driving in races was something else.

So, after a losing fight for three months, Mac announced his intention of hanging up his reins and returning to his first love—the Merchant Marine. From what he told officials at the Downs, he'll be going seaward some time within a week.

That's why Executive Manager John Carlo and Racing Secretary Harry Peterson arranged a race on Saturday's card in Mac's honor and there were to be a few other surprises.

But Mac, who has long had an aversion to public appearances, furnished the biggest surprise. He took off Saturday morning and just couldn't be found. That's the way he preferred to retire—

just hang up his togs and get ready to don those of a Merchant Marine.

Apparently that's what he had in mind for the well-deserved ceremonies just didn't take place to the disappointment of the crowd of 5,100.

As it was the McQuarrie Pace, feature of the evening, found Way to Go, a five-year-old from the Glenhurst Racing Stable, with Don McMurray in the sulky, pulled away from his four rivals in the final quarter to win by two lengths going away. The time of 2:07.2 was excellent over a heavy track that was flooded by a downpour during the early part of the evening.

It was a thriller from the start with Biggs, a four-year-old, making a bid in the early stages when he dueled with Russet Chip for the better part of the first lap. Then both faded out of the picture as Way to Go and Victory's Horn made their moves.

Way to Go was well ahead midway through the final turn and when he moved into the stretch it was just a question of how big the margin would be.

Sonny Fortune, last year's two-year-old state trotting champion, continued his march towards the honor of being the state's best again when he bested a fast field in Friday's Preferred Trot.

Handled by Ted Taylor, Sonny came from a long ways back in the final quarter to nip Grand Grady by a half-length in 2:04.3.

**GIFTS COLLECTED** by women of St. John's Episcopal Church, Plymouth, for Indian communities in Upper Michigan include such items as lamps, irons and clothing. Here Mrs. Fred Sincok, who is leading the collection, looks over the donations with the Rev. Robert Shank, who will lead the caravan of teen-agers to the area to work and distribute the gifts.

## Episcopalian Minister to Lead Youth Caravan to UP Indians

A helping hand for five Indian communities in Michigan's upper peninsula is being offered by the Rev. Robert Shank, minister of St. John's Episcopal Church, Plymouth, and a group of concerned youngsters.

The minister will lead a caravan of high school students July 17 to 31 to the Hannahville community, near Escanaba, where electricity was installed for the first time this spring.

The group will go bearing gifts as well as willingness to help.

**SINGING SACRED SONGS** in the Riverside Park Church of God morning worship service Sunday will be the Symphonettes Trio, including, from left, Eileen Snider, Kay Yerden and Cozette Beach. Linda Farst, at the piano, is their accompanist.

## Belfast Pastor Visiting GC Presbyterian

The Rev. L. Rex Pedlow, minister of St. John's Presbyterian Church of Belfast, Ireland, is taking over summer services at the Garden City Presbyterian Church.

He is participating in a summer pulp exchange with the Rev. R. R. Rives, and will preach each week through Sunday, Aug. 27.

The minister arrived here early in June, and his family is joining him this week.

## Rev. Boruff Talk Slated

Speaking at the Livonia Christian Church next Sunday will be the Rev. John Boruff, associate secretary for the Michigan Association of Christian Churches, (Disciples of Christ), and organizing pastor of the Livonia Christian Church.

Boruff will be leaving the State at the end of the summer to assume new duties as the Associate Secretary of the Capital Area Association of Christian Churches, Washington, D.C.

The Livonia Christian Church is meeting temporarily in Pierson Elementary School, 32625 Seven Mile Road. Services are at 10 a.m.

To Cheerleader School

Yvonne Boneff, daughter of Mr. and Mrs. Stephen Boneff, of Loveland Avenue, Livonia, and Lindy Medford, of Woodring Avenue, also of Livonia, have been accepted for the Valley Vista cheerleader's school at Bainbridge, O. They will attend one of five sessions held during the month of July.

## Rev. Burgess On Staff at Aldersgate

The Rev. Ray W. Burgess has been appointed by Michigan Methodist Bishop Dwight E. Loder as associate minister of the Aldersgate Methodist Church of Redford Township.

He will work with the senior pastor, Rev. William G. Wager.

Rev. Burgess is a native of Dearborn and a graduate of Albion College and Boston University School of Theology. During the last two years he served a student pastorate in Lynn, Mass., while continuing his studies.

His wife, Martha, is a graduate of the New England Deaconess Hospital School of Nursing. The couple has two children, Scott and Amy.

## Rev. Burgess On Staff at Aldersgate

The foundation has sponsored work camps, health projects, Indian clubs, community service projects, and numerous students in colleges and universities throughout the country.

Gregory Sagataw and Frank Wandahsega III of the Hannahville Indian Community are both attending colleges. Gregory is at Northern Michigan University and Frank is at Day De Noc Community College.

Although the foundation has worked hard for the Indians, prejudice against them hasn't been erased. When the foundation tried to have electricity installed the electric company refused to do so without an \$8,000 deposit.

This money was raised by Bishop Noa, the Catholic bishop of the area.

McCabe Funeral Home was built to serve our community's need. The ranch-style architecture is in keeping with the residential character of the surrounding neighborhood. Inside, the flexibility of our rooms permits accommodation of large numbers with no loss of privacy. McCabe service, similarly, is keyed to the needs of each family.

## Nankin Mills Baptist Joins In Vespers

Nankin Mills Baptist Church, of Westland, will join with nine other American Baptist churches in presenting the annual series of Vesper Services at Ford Field in Dearborn each Sunday evening during July and August.

The participating churches will furnish special music for the services, and outstanding speakers will be presented. Vespers will begin at 6 p.m. each Sunday.

The first guest speaker will be the Reverend Harm A. Weber, pastor of The Covenant Baptist Church of Detroit. Dr. Weber has worked extensively in research and planning, denominationally as well as inter-denominationally. He has worked as board member with student foundations; the American Baptist Home Mission Society Department of Evangelism; the Michigan Baptist Camp, and Judson College of Elgin, Ill.

Other participating churches and congregations sponsoring the Ford Field Vespers are: Calvary Baptist, Dearborn; First Baptist, Dearborn; Cherry Hill Baptist and Warren Valley Baptist of Dearborn Heights; Allen Park Baptist Church; Bethany Baptist and Linden Baptist of Detroit; First Baptist Church, Wyandotte, and Neighborhood Baptist Church, Dearborn.

In the event of rain, the services will be held at the First Baptist Church of Dearborn.

Any students who have completed the tenth grade are eligible to make the trip, and may call the Rev. Shank, 453-0190, to get more information.

Mrs. Fred Sincok, of Betty Hill, is in charge of the collection, and persons with donations may call her or the church office.

## DBC Classes For Summer Announced

A total of 14 college-level courses will be offered in summer session at Detroit Bible College beginning June 27. It is announced by Dr. William BeVier, dean of education.

Two hour courses during the morning hours will conclude on Thursday, July 20. Three hour courses will end Aug. 3.

Registration for Summer Session was June 26. More information can be obtained from the Admissions Office, Detroit Bible College, 17370 Meyers, Detroit, or phone UN 4-8400.

Meeting at Herbert Hoover School, Levan Road at Ladywood and Church School 10 a.m.

## MCC Summer Classes Are Underway

The summer quarter at Michigan Christian College, Rochester, got under way Monday, it was announced by Dr. Joseph F. Jones, academic vice-president.

The 10-week summer session offers several advantages to entering Freshmen desiring to complete college work in some areas to allow more time in the fall for leadership activities. It is possible, Dr. Jones said, for a student to work in biology, English composition, French, history, or speech.

Special "guest students," who are enrolled in other colleges, can take a course during Summer Quarter at MCC and receive credit for the course where they are presently enrolled. Dormitories will be open for resident students. For further information, write to the Director of Admissions, Michigan Christian College, Rochester 48063.

## Dawn(s) Marie

Mr. and Mrs. James Redd, of Arcola Avenue, Garden City, announce the birth of their sixth child, Dawn Marie, on June 9. She joins Brian, 7; Billy, 6; Bradley, 5; Buddy, 4; and Barbara, 15 months. Mrs. Redd is the former Beverly Stace.

## Temple Beth Am, LJC Terminate Trial Merger

The Livonia Jewish Congregation and Temple Beth Am have ended their trial period for a proposed merger, effective May 31.

After two months it was decided that the basic differences in their traditional beliefs of worshipping pre-empted too large a barrier to overcome.

The Livonia Jewish Congregation will continue worshipping and activities at its Synagogue at 29475 W. Six Mile at Middlebelt and the

Temple Beth Am will resume its program at the United Hebrew School at W. Seven Mile and Auburndale.

The Livonia Jewish congregation recently installed Marcus Bass as its president and Sharlene Ungar as president of the congregation's sisterhood.

Other officers for the L.J.C. were Raymond Zelch, first vice president and membership chairman; Eddie Schwartz, second vice president and fund raising chairman; Marvin Fagan, treasurer;

MARCUS BASS

## Girls' Trio To Sing at Riverside

The Symphonettes Trio representing Anderson College in Indiana, will appear at the Riverside Park Church of God, Plymouth and Newburgh Roads, Livonia, on Sunday, July 2.

The Rev. J. Clifford Thor, pastor, said the service, beginning at 9:45 a.m., will consist of sacred songs, hymns and spirituals. The public is invited.

Members of the trio are Eileen Snider, Saint Paris, O.; Kay Yerden, Saginaw; Colette Beach, Sanford, Mich., with Linda Farst, Coldwater, Mich. at the piano.

These students are part of some 125 students involved in Student Summer Service (TRIS) projects around the world.

The group's summer schedule will include concerts in Kentucky, Tennessee, Michigan, Wisconsin, Minnesota, Iowa, and Illinois.

THE CRUSADER MEN. Gregory Mills (left), baritone; Charles White, tenor; and Ronald E. Boud, pianist, will appear July 5 in a special sacred music program at Calvary Baptist Church on Joy Road.

David R. Whitney is the manager of the Livonia Chapel, Harris Funeral Homes, on Farmington Road just north of Five Mile. A 1939 graduate of Western College of Mortuary Science, he has given 26 years of service to his profession, 18 with Harris. A dedicated family man and member of Livonia Rotary Club, he takes an active interest in community and church affairs. He collects stamps, plays golf and chess.

By vocation, education and experience, David Whitney exemplifies the excellence of the Harris staff.

### MRS. WINNIE G. WOOD

Services were held Monday for Mrs. Wood, of Alvin Street, Garden City, Tuesday afternoon with burial in Cadillac Memorial Gardens West.

Mrs. Wood died Saturday at the age of 61.

Surviving are her sons, William and Charles; two daughters, Mrs. Thomas (Joan) Knudson, and Mrs. John (Gloria) Natis; two brothers, two sisters, and five grandchildren.

### TIMOTHY CARL FRAYER

Services were held Monday for Timothy Frayer, 17 months, of Livonia, who died Saturday in a drowning accident in a backyard swimming pool.

Services were held in the Heene-Sundquist Funeral Home, Farmington, with interment following at Glen Eden Memorial Park. Rev. William Frayer of the First Methodist Church of Stockbridge, Timothy's uncle, officiated.

Survivors are Timothy's parents, Mr. and Mrs. Donald R. Frayer, and his brothers Daniel, David and Doug, all of Livonia. Also surviving are Timothy's grandparents, Rev. and Mrs. Carl Schultz of Farmington and Mr. and Mrs. Rudolph Frayer of Redford Township.

### FRANK ALBERT REIDEL

Services were held Monday for Mr. Reidel, 59, of Detroit. A native of Clarenceville, he died of natural causes.

Services were held in Heene-Sundquist Funeral Home, Farmington, with burial following at Clarenceville Cemetery. Rev. Walter F. Rukowsky of St. Paul's Lutheran Church officiated.

A former Chrysler Corporation punch press operator, Mr. Reidel is survived by one brother and four sisters.

### LEONARD BAKER

Services for Mr. Baker, 62, of Dayton, Ohio, were conducted in the Schrader Funeral Home in Livonia in charge of Rev. Richard of Warren, pastor of Parkview Memorial Gardens in Livonia.

Mr. Baker, manager of the Edgemoor Beach Motor Lodge in the Edgemoor Beach, died June 22 in Parkview Memorial Gardens in Livonia.

Surviving are his wife, Mrs. Alleen Baker of Dayton, Ohio; a daughter, Mrs. Betty Higgins of Livonia; a son, Richard of Warren; his mother, Mrs. Maybell Cuthbert of Detroit; two half-sisters, a step-sister and a step-brother; five grandchildren and one great-grandchild.

### MRS. DORA FARRAR

Services for Mrs. Farrar, 88, of 9210 Brookline, Plymouth, were conducted in Antioch, Tenn., with burial in Antioch Cemetery. Arrangements were handled by the Schrader Funeral Home.

Mrs. Farrar died June 22 in Wayne County General Hospital. She had resided in Plymouth since 1953.

Surviving are two daughters, Mrs. Ima Rose Sommerfield, Ind. and Mrs. Eunice Hill, Plymouth; two sons, James of Plymouth and Joe of Detroit; three sisters, Della Alexander and Mrs. Flora Farrar of Hornbeck, Tenn.; and Mrs. Maile Alexander, Martin, Tenn.; one brother, J. W. Alexander of Hornbeck; 13 grandchildren; 23 great-grandchildren; and one great-grandchild.

### MRS. BERYL MAXINE LORENZ

Services for Mrs. Lorenz, 47, of 9224 Morrison, Plymouth, were conducted in Whitehall with burial in Oakhurst Cemetery there. Arrangements were handled by the Schrader Funeral Home.

Mrs. Lorenz died June 22 in St. Joseph Mercy Hospital. She was a member of the Vivians of Plymouth and was a past president of the Ford Motor Girls' Club. She had resided in Plymouth three years and was formerly a secretary at Ford Motor Co.

Surviving are her husband, Wilford of Plymouth; two sons, Donald of Westland and Dennis of Plymouth; her parents, Mr. and Mrs. Edmund Quackenbush of Whitehall; one sister, Mrs. Fern Schuster of Ann Arbor; and two grandchildren.

### CHARLES F. MCCOY

Services were held for Mr. McCoy of Frum Court, Westland, Monday morning with burial in Cadillac Memorial Gardens West.

Mr. McCoy died Thursday at the age of 46.

Surviving are his wife, Eileen Mary mother, Mrs. Elizabeth McCoy, four daughters, Mrs. Edward (Charles) Smith, Donna, Debra, and Laurie; a son, Gary; a brother, two sisters, and two grandchildren.

### HARRY S. NOLE

Services were held Saturday at St. Hilary Church for Mr. Nole, 41, of 9925 Brady Street, Redford Township, who died suddenly of a heart attack.

Arrangements were completed by the Harry J. Will Funeral Home Inc. Born in Michigan, he worked as a tool and die maker.

Survivors include his wife, Irene; two daughters, Irene and Nancy; two sons, Charles and Robert; mother, Mrs. Mae Nole; and two sisters, Mrs. Clifford Dale and Mrs. Frank Fillsinger.

### LAURA BATES

Services for Mrs. Laura Bates, 81, of 29659 Minglewood Lane, Farmington, were held June 23 in the Bell Chapel of the William R. Hamilton Co., Birmingham, with burial following in Roseland Park, Berkeley.

Mrs. Bates died June 21, after a brief illness, in Botsford General Hospital.

A Farmington resident for eight years, she had lived in Detroit for 60 years. She came to the United States at the age of two months from her birth place in County Cork, Ireland.

She had been a volunteer worker for the Boy Scout Camp for underprivileged children and organized the Boy Scout Mother's Club.

Surviving a daughter, Mrs. Lillian H. Santow, of Farmington; three sons, Joseph O. Calouette, of Ann Arbor, John E. Calouette, of Lafayette, Calif., and Donald W. Bates, of Warren; seven grandchildren and one great-grandchild.

### LESTER E. TEUBERT

Services for Mr. Teubert, 32, 19331 Deering, in charge of St. Genevieve Church, in charge of Father Walker, with burial in Holy Sepulchre Cemetery, Mr. Teubert died June 19 at Providence Hospital.

Survivors are wife, Phyllis A. Teubert; daughters Michelle and Kelly; and sons Jeff, Daniel, David, and Donald; his mother, Mrs. Lillian H. Santow, of Farmington; three sons, Joseph O. Calouette, of Ann Arbor, John E. Calouette, of Lafayette, Calif., and Donald W. Bates, of Warren; seven grandchildren and one great-grandchild.

### OREN I. POWELL

Services were held for Mr. Powell Monday from the John Santow and Son Funeral Home, Garden City, and St. Dunstan's Catholic Church. Burial was in Parkview Memorial Cemetery, Livonia.

Mr. Powell, of 1547 Deering Street, Garden City, died June 21 in Detroit, Minn., at the age of 66. He was a local resident for 29 years and a member of St. Dunstan's Church of the Holy Spirit, Garden City. Before retirement, he was an employee of Ford Motor Co. since a division for 30 years.

He is survived by his wife, Lorenzie; a son, Richard of Garden City; a daughter, Mrs. Phillip (Patricia) Scott of Livonia; a brother, James of Duluth; three sisters, Mrs. Everett (Betty) Miller of Duluth; Mrs. Donald (Genevieve) Mosier of Detroit; and Mrs. Sam (Joan) Bester of Northville; and six grandchildren.

### ONA M. STRATHORN

Services were held for Mrs. Strathorn, a former Plymouth resident, in the John Santow and Son Funeral Home, Garden City, Thursday afternoon with Rev. Donald D. Moss, of the Church of the Nazarene, Plymouth, officiating. Burial was in Parkview Cemetery, Livonia.

Mrs. Strathorn, who had been living in Tanawanda, N.Y., for the past six years, died June 19 in that city, two sons, Emmet, Donald and Roy, all of Plymouth, Robert, of Wayne, and Merwin, of Memphis, Tenn.; two sisters, Mrs. Earl Spadling, of Livonia, and Mrs. Blanche Smith, of Adrian; one brother, Harry of Wolverine Lake, and 11 grandchildren.

### MRS. ANNA E. DUNCAN

Services for Mrs. Duncan, 95, 19524 Farmington Rd., Livonia, were in the R. G. & G. R. Harris Funeral Home and in St. Gerald's Church with burial in Holy Sepulchre Cemetery.

Mrs. Duncan died June 20 in Botsford General Hospital. Born in Illinois in 1908, she has been a Livonia resident for 20 years.

Survivors include her husband, William Leonard (Len) Duncan, with the maintenance division of the Livonia School System; a brother, John Davis; a sister, Mrs. Josephine Libby; two half-brothers, John Davis and Eugene Pirkowski; and a half-sister, Mrs. Josephine Anderson.

### Michael Scott Arrives

Mr. and Mrs. Michael A. Martin, of Detroit, announce the birth of their first child, a son, Michael Scott, June 20 in Mt. Carmel Mercy Hospital. The father attended Our Lady of Sorrows school in Farmington and was graduated from Southfield High School, and his paternal great-grandmother, Mrs. John Martin, is a resident of Farmington West apartments.

## Wally Roberts UP' GOING 'CURTAIN

Expo '67 in Montreal, Quebec starts, satisfies, and sends you back to the States in a most envious frame of mind. Our Canadian cousins have put together a World's Fair truly brilliant and breath-taking.

Old Wally spent four days at Expo '67 last week and could have spent a month absorbing all the information so cleverly presented. Expo '67 with its three islands of entertainment, education, and sheer enjoyment has something for everyone.

The Chicago and New York World's Fairs fade quickly when compared to Expo '67. There is no comparison. Canadian authorities have created an international exhibition in good taste with tremendous appeal.

The New York experience was highly commercial. You felt as though you were being assaulted from all directions by garish commercialism. At the Canadian Expo the soft sell is the rule.

None of the exhibition halls or pavilions have any hucksters, shouting salesmen, or crass money-changers. Information and educational items jostle you intellectually via a variety of presentations. Slides, movies, models, huge murals, actual objects, exhibits that move, talk, or get you involved by direct participation snag your attention.

The Russian pavilion, containing 10,000 exhibits, several movie theaters and Soviet guides to answer your questions, is a most popular Expo '67 attraction. This 15 million dollar building covers over 100,000 square feet. Each of its four stories holds hours of thoughtful viewing. Old Wally stayed almost four hours in this fascinating structure.

As a shocking contrast, the United States building, a huge geodesic dome, is disgracefully inadequate. From the outside the building looks like a dandelion gone to seed. It's ready to blow away quickly. One puff of wind and the silver-gray ball will scatter its silver panels into the St. Lawrence.

As brief as the dandelion puff-ball's life, so was your stay in the U.S. pavilion. The large round structure so impressive from the outside has a hollow interior. Movie stars, abstract paintings, some space gear, and a few folklore artifacts clutter up the interior in a most distasteful manner. There is no excuse for this

poor display by one of the richest nations in the world. Going quickly, through this building you would think the United States suffers seriously from intellectual malnutrition. None of our past accomplishments are listed. Nowhere is there any indication that our land has great physical beauty. Our vibrant, democratic heritage is sluffed off.

No need to go on griping about the United States pavilion. There are literally hundreds of other great buildings at this Expo. France, Belgium, the Netherlands, Switzerland, Great Britain, Yugoslavia, Israel, West Germany, Australia, and a host of others will pique your curiosity and transfer the sense of pride the people of these countries have in their homelands.

Getting to and from the EXPO while in Montreal is a distinct pleasure. Mont-

real has a highly efficient subway and bus system. You are never more than a five minute walk away from fast transportation out to the EXPO grounds. Be sure to buy a book of Metro tickets (21 for \$5) if you are staying for more than a couple of days. Your transportation costs will be cut in half.

Transportation at the Expo on the grounds is fabulous. You can go by boat, pedicab, trailer-bus, Expo-Express, and mini-rail. Check your maps or consult the information booths and you will ride to your destination. Save every step you can for once you get into those buildings you will walk far more than you realize.

Highway 401 goes all the way to Montreal without a stop. You can make the 700-mile trip in 10 to 11 hours if you are in a rush. Best idea is to stop near Kingston, Ontario for a rest and continue on the next day.

Service centers, providing delicious coffee, dot the four lane divided highway 401 all the way to Montreal. You stop for none of the small towns. The highway is an expressway all the way.

## 'West Side Story' Opens July 4th

Detroit Summer Theatre's initial offering of "West Side Story," which opens at the Art Institute Auditorium Tuesday, July 4 for six days, will feature the complete Leonard Bernstein score and a cast of 30.

Such a show demands exceptional professional talent and producers Robert K. Adams and Audley M. Grossman have meticulously gathered some of the finest performers available, including Diana McAffee and Allan Gruet, who play the leading roles of Maria and Tony.

Miss McAffee has appeared in such Broadway productions as "Superman" and "Flora the Red Menace." Her Off-Broadway credits include "Anything Goes" and "The Three Musketeers." She has also been featured on the Ed Sullivan Show and has a co-starring role in the new film "The Cage," soon to be released for network TV showing.

Allan Gruet first discovered theatre in Kenya, South Africa, where his father was

employed as an engineer. Later, after returning to the U.S., he soon was busy in New York in TV with dramatic shows and commercial television. This past season he played a key role in the National Company of "Half A Sixpence," which finished its run just a day before "West Side Story" rehearsals began.

Other major members of the "West Side Story" cast include Kathy Ransom in the volatile role of Anita, who recently completed a documentary film with Jonathan Winters, and Frank Pietri as rival gang-leader Bernardo, whose Broadway credits include "Wildcat," which starred Lucille Ball, and "What Makes Sammy Run," with Steve Lawrence.

Performances are at 8:30 p.m. nightly except Sunday at 7:30 p.m. Matinees are Friday at 2 p.m. and Saturday at 2:30 p.m. There are no shows Monday.

Tickets are available at the Art Institute Box Office, Grinnell's downtown and all J. L. Hudson and Sears ticket centers.

## 16 WSU Actors To Attend Seminars In Tokyo, Kyoto

Sixteen student actors in Wayne State University's Third International Touring Company will attend a two-week seminar in the Japanese theatre during their tour of military bases in the Orient this summer, according to Professor Leonard Leone, director of the WSU Theatre.

The seminar, made possible through benefit performances of the musical "A Funny Thing Happened on the Way to the Forum" at Wayne State's Bonstelle Theatre, will include directed study in classic and contemporary Japanese theatre.

Beginning Aug. 1, the seminar will be held in Tokyo the first week and Kyoto the second week. The touring company leaves for the Orient July 7 for nine weeks.

AT GREENFIELD VILLAGE:

**Open Festival July 7**

The curtain goes up on Greenfield Village's American Drama Festival, Friday, July 7, at 8:30 p.m.  
Four historically significant American plays will be presented during the summer season in the Henry Ford Museum theater. They are performed by the Greenfield Village Players in the same repertory fashion as they were 100 years ago, and the season opens with Augustin Daly's, "Under the Gaslight."  
On July 17, Tom Taylor's famous comedy, "Our American Cousin" opens, followed on July 31 by the first of two Bronson Howard classics, "The Henrietta." "Shenandoah" is the final play in the series and opens on Friday, Aug. 14.  
The plays will then alternate nightly Monday through Saturday for the remainder of the season. The final performance of this educational and entertaining program is Sept. 15.  
Tickets are available at the door. No seats are reserved.  
The Henry Ford Museum and Greenfield Village are located in Dearborn just off Interstate Highway I-94, at the Southfield Freeway, 15 minutes west from the heart of downtown Detroit.

**Montana Senator  
To Keynote July 4**

United States Senator Lee Metcalf of Montana will deliver the keynote address at Greenfield Village's annual "Let Freedom Ring" program at 12 noon on Tuesday, July 4. This special event is held each year in conjunction with the YMCA's Dearborn-area Hi-Y Clubs.  
The ceremony will be held on the front steps of the Henry Ford Museum, the entrance being an exact reproduction of Independence Hall in Philadelphia. Included on the program will be the 1966 VFW State Champion, Royal Lancer Junior Bugle Corps of Wyandotte.

Senator Metcalf has been active in the areas of education and conservation and helped to write the National Defense Education Act. He has been honored by several national conservation organizations for distinguished service.

Metcalf served first as a State Representative, assistant attorney general for Montana, and was associate justice of the Montana Supreme Court. After serving four terms in the U.S. House of Representatives, he was elected to the Senate in 1960.

The special July 4th Commemorative Program is open to the public. There is no charge, and ample free parking is provided at the Museum.

**Science Classes  
Planned For  
Rockhounds**

For youngsters in grades 3 through 6 who are interested in learning about rocks and minerals, Cranbrook Institute of Science is offering a four-week course called "Pebbles, Cobbles and Boulders." Classes will meet on Mondays and Wednesdays from 9:30 to 10:30 a.m. beginning July 10. The instructor is Velva Pinney and the fee is \$10.

The course will introduce young rockhounds to collecting and identifying common Michigan geologic materials. Field trips and outings on the grounds of Cranbrook will be a major part of the sessions.

For registration and further information call 644-1600, Ext. 285 or register on weekdays at the science museum, located in Bloomfield Hills.

The recital is open to the public without charge and concert-goers may enjoy the music of the magnificent instrument while sitting in their cars or on the church lawn.

**Organist To Play  
Carillon Concert**

Frederick Marriott, organist-director of Detroit's Central Methodist Church, will present a carillon concert at 4 p.m., July 2 from Christ Church Cranbrook, located in Bloomfield Hills.

The recital is open to the public without charge and concert-goers may enjoy the music of the magnificent instrument while sitting in their cars or on the church lawn.

**Collegiate Summer Theater  
Schedule Productions**

Performances of "The Collegiate Summer Theater," a group of college age students, directed by college drama majors, was scheduled to open June 26, at Edsel Ford High School field, Ronda Dr. near Outer Drive.  
The production staff is headed by Alan McConnell, managing director, and John Whiteside, technical director. All presentations are on a stage providing viewing from three sides.  
Productions and dates are: July 1 and 2 — The Public Ear and the Private Eye, Peter Schafer and two one-act comedies; July 14-16 — Five Finger Exercise, Peter Schafer and a three-act drama; July 28-30 — Once Upon a Mattress.  
Admission is \$1 for the first two productions; \$1.50 for Once Upon a Mattress.  
Curtain time is 8:30 p.m. There will be an artist's mart in conjunction with all performances by artists from communities.

## Realty Firm Starts Work on New Building

Ground has been broken for a new office building at 29630 Orchard Lake Road in Farmington, near 13 Mile Road, to be occupied next October by three firms—the Gordon Williamson Company's Farmington office; Robert H. Bergstrom, owner of Farmington Insurance Agency and Harold A. Larson, attorney.

A new firm—Glen Oaks Corporation—has been launched as developer and owner of the property.

Daniel R. Williamson, vice president and treasurer of the Gordon Williamson Company, is president of the Glen Oaks concern; Bergstrom is vice president, and Larson is secretary. Bergstrom and

Larson will move their offices to the new building in October.

The structure will be of Colonial design with brick exterior. The designer is Robert Hawkins of Birmingham and the general contractor is Sebald & Kage of Bloomfield Hills.

Williamson said that the present branch of the Gordon Williamson Company at 28777 Orchard Lake Road would be closed when the firm occupies the new building. Williamson, who heads sales for the firm, will manage the branch.

## Garden Clutter Goes in Bench Near Patio

Bags of briquets, sun mats, croquet sets, volleyballs—these are hard items to store, especially when you want to keep them near the patio.

A sensible solution is to build a storage bench for them, setting the bench against the house wall or backed up to a patio divider screen, positioned where it offers seating for the patio as well as sunbathing space.

The storage bench is much like a window seat, with a hinged lid made of wide slabs of ponderosa pine—drainboard stock. Or tongue-and-groove boards may be used, cleated together.

**ALEXANDER FOLEY, Jr.**, Assistant Vice President of the National Bank of Detroit was graduated recently from The Stonier Graduate School of Banking, which is conducted by The American Bankers Association at Rutgers University. Foley was one of 290 bankers from all sections of the United States who are members of the Class of 1967 honored at commencement exercises. He lives at 29935 Westfield in Livonia.

## Cooling Is Dependent On Nail Power

The cost and efficiency of air conditioning depends to a surprisingly large extent on the nail-holding power of lumber.

A snug enclosure is essential for proper cooling which depends, in turn, on the cohesiveness of the structural framework which holds the house together.

The framework is formed with lumber. It is important to specify a wood species with good natural nail-holding strength. The lumber should also be properly seasoned and preshunk before being surfaced to final size.

Nails will not loosen in preshunk lumber as they do when unseasoned framing dries in service.

## Public Swim Pools Need State Permits

LANSING—An official of the state health department today advised builders of public swimming pools that a construction permit is necessary before work can begin.

According to Theodore L. Vander Velde, chief of the Water Supply Section, state law requires the health department to approve construction plans of all public swimming pools, and later issue an operating permit. The law covers pools in parks, schools, motels, camps, resorts, apartments, clubs and other public locations.

"Engineering plans must be submitted to the state health department prior to construction," Vander Velde observed. "After the pool is completed the facility has to be inspected before an operating permit can be issued. The pool is then periodically checked through the year, and the permit is renewed annually."

"Because of the rapid increase in the number of public pools in Michigan, the job of insuring proper health standards becomes more important each year. The fact is the number of public pools has doubled in the last six years alone—in 1960 there were only 640 pools in the state, but as of the first of this year the number had climbed to 1,281," he noted.

Vander Velde said that health department engineers check the pool's filtration system, and chlorination of water for purity. In addition, engineers inspect fencing enclosures, ladders, diving equipment and the slope of the pool bottom.

The clarity of water is also an important safety factor, he noted.

"If a child is in trouble at the bottom of the pool the water should be clear enough for a life guard to be able to

see him in time to come to his rescue."

## Plant Uses Automated Caustic Unit

The first automated production system for the handling of bulk dry caustic soda has gone into operation at the new plant of Northwest Chemical Company in Livonia.

The system, designed by John F. Crowther, general manager of Northwest, is used to store, weigh and deliver to mixers bulk quantities of soda ash, caustic soda and sodium bisulfate.

Northwest is a unit of the Chemetron Chemicals division of Chemetron Corporation, Chicago, and has offices and laboratories at 10700 Puritan, in Detroit.

It manufactures specialty chemicals for metal cleaning, iron and zinc phosphating and compounds, drawing and

the silo," he said. The silo is divided into three bins of unequal size. Soda ash which is easy to handle is kept in one bin and is not connected to the sealing or drying system.

Caustic soda and sodium bisulfate are kept in the other two bins and both are blown to the silo using the closed system. The sodium bisulfate bin is lined with plastic because of its acidity.

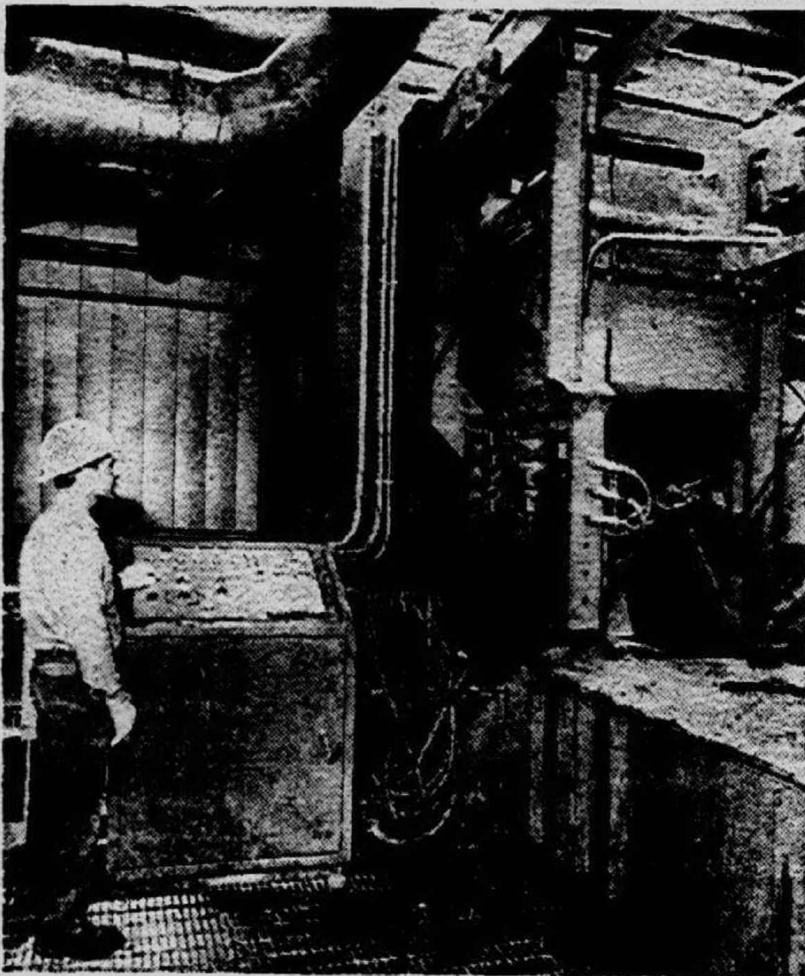

When a truck containing caustic soda or sodium bisulfate arrives at the plant, it is connected to the sealed system. Air is drawn through the silica gel drier to pressurize the truck and blow the chemical into the silo. Air filters allow the caustic to enter the bin but re-circulate

the air through the gel for reuse.

Crowther said the dropping of the chemicals is controlled by a slide valve. When the weight in the hopper is within 100 pounds of the desired amount, the valve begins opening and closing to "inch up" on the total weight.

Transfer of a chemical to the hoppers takes approximately 15 seconds.

At present, Northwest is using a 6,000-pound and a 3,000-pound mixer but can add more by extending the rails of the system.

**AUTOMATIC WEIGHING** of caustic soda and other chemicals is key feature of new production facilities at the Northwest Chemical Company, Livonia, a unit of Chemetron Chemicals. Chemicals are weighed into hoppers which automatically move to one of two batch mixers and empty. Complete cycle takes about 30 seconds.

quenching compounds, etchants, paint strippers, and de-rusters.

Crowther said the system cuts to 90 seconds the time required to weigh quantities of the three chemicals and load them into mixers. Previously it required from 15 to 30 minutes to accomplish the weighing and loading operation manually using chemicals from drums.

He said the system includes a silo on the roof of the plant and a pair of hoppers mounted on rails inside the plant and directly beneath the silo. The hoppers are mounted on a scale with three separate balance arms that will weigh each chemical serially.

"Because moisture must be kept from the caustic soda, we have a closed, recirculating air system with a silica gel drier to supply air for blowing the chemicals into

# Coolers To Beat The Heat

BY JOYCE TOTTEN

Thirsts get thirstier in warm weather because the body needs more fluids.

The recommended eight glasses of liquid that were so difficult to drink in winter are quickly consumed. But variety is needed because a beverage that satisfies one day may not be desired the next.

Fruit juices and drinks, various powdered mixes, milk and milk beverages, and carbonated refreshers all have important places in today's beverage menu. All are cool and refreshing.

They provide fluid, energy and some nutrients for summer diets that are often below par because of stifling heat waves.

In an effort to reduce, women frequently cut down on fluid intake because they think fluids make them gain weight. Although an increase in poundage may appear on the scales, this is only a temporary gain and has no real meaning.

Of course, if one indulges in quantities of high calorie beverages, there will be a definite increase in weight. Low calorie beverages or those prepared with noncaloric sweeteners are good choices.

Fruit juices are comparatively low in calories and contribute vitamin C for health and vitality. Non fat dry milk or whole fresh, whether served plain or combined with various mixes is a well balanced drink and an excellent refresher any time of the day.

Keep beverages chilled in the refrigerator for instant service. Attractive glasses, tall slender mugs or pretty paper cups add to the enjoyment of a beverage.

Use straws for tall drinks. Garnish with bits of fruit or tasty tidbits just before serving.

Those featured here offer a variety that will please any hot weather-weary person.

## APRICOT FLIP

- 1 c. chilled unsweetened pineapple juice
- 1 c. chilled apricot nectar
- 1/2 c. instant nonfat dry milk crystals
- 1/2 t. lemon extract

Combine the juices and instant crystals in a shaker. Add the lemon extract and shake for 1/2 minute. Serve frothy and bubbly in 2 tall glasses or 4 punch cups.

## LIME COOLER

- 1 (6 oz.) can frozen limeade concentrate
- 3 c. chilled milk
- 1 pt. vanilla ice cream
- 1 pt. lime sherbet

Blend limeade concentrate, milk, and vanilla ice cream with a beater or in a blender. Pour into chilled tall glasses; top with a scoop of lime sherbet. Makes about 6 cups or 4 to 6 servings.

## STRAWBERRY MIST

- 1 1/4 c. instant dry milk
- 1 c. ice cold water
- 2 c. strawberries, fresh, or 10 oz. box, frozen
- 1 pt. vanilla ice cream
- 1 t. lemon rind, grated
- 4 scoops vanilla ice cream

Put dry milk and water into a 2 1/2 quart bowl and stir until dissolved.

Slice and sweeten strawberries.

Add strawberries, ice cream, and lemon rind to milk mixture. Beat until smooth.

Put a scoop of ice cream into 4 glasses and pour in strawberry mixture.

Garnish with whole strawberries. Makes 4 servings.

## BANANA SMOOTHIE

- 5 ripe bananas, mashed
- Juice of 5 oranges
- Juice of 5 lemons
- 5 cups sugar
- 7 c. water
- 7-Up or gingerale

Mix all ingredients except 7-Up. Freeze in refrigerator trays. Fill large glass one-third full of frozen fruit; add 7-Up, using about 1 small bottle per glass. Yield: 35 glasses.

# WORLD OF WOMEN

Wednesday, June 28, 1967

★ Page 1-C

MAILING CARTONS of books for American boys in Vietnam are from left, Milton Holley, of Livonia; Ted Tylman, Redford Jaycee president; Jean Handy, chairman of the book drive, Marge Cole, a member of the committee; Cpl. Keith Ingle, Marine recently returned from Vietnam and Livonia postmaster Art Jenkins.

## Reading for Our Boys

### Redford Jaycee Auxiliary Mails Some 2,000 'Books for Vietnam'

"Books for Vietnam," a recent project of the Redford Township Jaycee Auxiliary, can be marked complete with about 2,000 volumes on the way to the Far East battle area.

A Livonia resident, Milton Holley, initiated the drive several months ago, and the auxiliary pitched in to help.

Recently a stack of boxes was carted to the Livonia post office for mailing to Vietnam.

On hand for the mailing was Marine Cpl. Keith Ingle, a graduate of Clarenceville High School who recently returned to this country after 14 months there.

He reported his company had been receiving books from residents of northwest Detroit during recent months.

"Everybody is glad to get the books," he told the committee. "They sure change a lot of hands before we are through with them."

## Wigs Will Be Shown At Meeting

"Wigs and Wiglets," presented by Mrs. Grace Scalia, will be the special feature at the July 5 meeting of the Northwest and Suburban Detroit Christian Women's Club.

Club members will model the wiglets. As door prizes, a wiglet and two membership cards will be given.

Josephine H. Townsend, of Summit, N.J., will be the speaker. She is the wife of Morris M. Townsend, president of the Townsend Corp. of America and originator of the Bond-A-Month plan.

Mrs. Townsend travels across the United States and Canada as a public speaker and Bible teacher, and has served as director of the League of Republican Women in Washington, and chairman of the Christian Women's Club in Summit.

She is the author of the booklet, "My Mother's Daughter."

Reservations for the luncheon meeting may be made by calling Mrs. Jack Wilkinson on Hollingsworth Drive, Walled Lake, or Mrs. F. G. Barber on Wilson Ave., Royal Oak.

Mrs. Roger Handy was chairman of the "Books for Vietnam" drive.

Her committee from the auxiliary included Shirley Prather, Eleanor Ford, Diane Ford, Maxine Martin, Barbara Tylman, Pat Pasturz,

Carol Schriedel, Alice Messer, Dottie Buckley and Marge Cole.

Jaycee members assisting were Roger Handy, Roy Jurva, Herb Cole, Tom Fredericks, Dale DeVitt and Frank Pasturz.

MR. AND MRS. JOHN SANOCKI were honored by their sons and daughters in a reception June 18 at Roma Hall, Livonia, to mark their 50th wedding anniversary. Planning the festivities for 250 guests were Mr. and Mrs. Joseph Gates and Mr. and Mrs. Henry Sanocki, of Plymouth, Mr. and Mrs. Alfred Gates and Mr. and Mrs. Edward Sanocki, of Ann Arbor; Mr. and Mrs. Steve Andrejewski, of Belleville, and Mr. and Mrs. Leo Sanocki, of Los Angeles. John Sanocki, a Ford Motor Co. retiree, and his wife have 22 grandchildren. They live in Ypsilanti.

## MSU Sets 'College Week for Women' in July

College Week for Women, held annually on the Michigan State University campus for women interested in receiving up-to-date information in a variety of subject matter areas, is set for July 25-28.

June L. Sears, Extension Home Economist with the Cooperative Extension Service at MSU, said the annual event "offers information for leadership and community development, home and family life and individual enrichment."

The week is sponsored by the Cooperative Extension Service. Homemakers who attend the entire session may register for three classes specially designed for them. The classes meet three times, and are taught predominantly by Michigan State University staff members.

Topics of continuing interest to homemakers include: "Improving International Understanding," "Safe Food Handling Pays Off," "The Changing World of the Consumer," "Making Marriage and the Family More Mean-

ingful," and "Art in the Home." Over 30 classes are offered for homemakers to choose from. Attendance is expected to top 1,000.

In addition to classes, the homemakers have an opportunity to attend special programs. Rounding out this year's theme, "Michigan Yesterday and Today," will be a pageant of Michigan history, written, costumed and presented by the homemakers themselves. This project has been in preparation since early 1967.

Robert Thom, noted illustrator of Michigan history, will present some of the paintings he made during travels about the state in search of historical facts and information.

The project was commissioned by the Michigan Bell Telephone Co.

The event is open to any women in Michigan. Rooms and meals are available on campus for a nominal fee. Pre-registration forms and programs are available through the Cooperative Extension Service office at 3930 Newberry, P.O. Box 550, Wayne, Michigan 48184.

## Teacher Has Problem

# French Exchange Students Need Help

A big opportunity to advance international understanding is available to a dozen Observerland families who would like to accept a French exchange student into their homes.

Any who are interested would have the eternal gratitude of a Plymouth High School French teacher John Hopkins, whose efforts to promote closer friendship between the French and Americans have taken an unexpected turn.

Hopkins has information that a group of French students—

in their late teens and early twenties—are arriving in this country in mid-July, and the hope is that about a dozen can be placed with Midwestern families. Hopkins would like to see all stay in this area.

"But the problem is that

my information is still a bit vague," he said. "The French, with all their admirable qualities, are not always as businesslike as we'd like."

The story of the students' arrival goes back to last summer. Hopkins' wife, Marie-Claire, is a French girl, and a year ago her cousin, Mlle. Gilberte El-Malek of Paris, visited in their Northville home.

Mlle. El-Malek teaches English in a French school, so she and Hopkins, who teaches French in Plymouth, found a lot to talk about.

Their favorite subject was a wish that student exchange programs involving this country could include more French students—there seemed to be so many Scandinavians and Asians.

So when El-Malek de-

parted, they had agreed to try to arrange such a program.

But life became busy for the Hopkins family, which included a fairly new baby and a Great Pyrenees pup, and Hopkins didn't pursue the idea very vigorously.

He assumed his French counterpart didn't either—until a letter arrived smack in the middle of final exams a few weeks ago.

Mlle. El-Malek said she'd arranged for a group of students to arrive July 10.

There also was a letter to the same effect from Pere Jammes, of the Ecole Notre-Dame in Paris, and notes in English from several of the students seeking temporary homes here.

So far, on short notice, Hopkins hasn't lined up many. But he feels there are families in the area who

would like to have a French student as a member of the family for about eight months beginning July 12.

He also would like to hear from families who could meet one of the group of students at the Greyhound bus station July 12 and entertain him overnight. Anyone interested in either possibility can call Hopkins at FI 9-5785.

## Livonia JC Auxiliary to Sell Books

The Livonia Jaycee Auxiliary will hold its annual Used Book Sale on Thursday and Friday, July 13 and July 14, from 9 a.m. until 9 p.m. at Wonderland Shopping Center's Sidewalk Sale.

The auxiliary needs more hard bound, paper back, and children's books, and asks that those wishing to donate some, contact Mrs. Al Buchfinck after 1:30 p.m. any day. Her phone number is 427-8467.

One of the young French women would like to stay in this area is Annette Briseac, who writes "In spite of all the reviews and films, America is still a mystery to me."

There's also Francoise Le Roy, who says in her letter: "I am fond of everything which surrounds me, I like meeting of friends with whom we can exchange ideas, outings to visit town."

And Nichole Chetrit, who says she hopes "I shall im-

prove my English and discover some typical aspects of American life." To say nothing of Michele Delorme who likes very much "traveling and looking after my nephew."

Hopkins thinks they'd all be interesting additions to life in Observerland. He's sure there must be families who could help.

## Livonia Artist Wins 2 Prizes

Larry Kazyak, of Livonia, won two awards for steel sculpture works in the annual exhibition of selected works from adult art classes of the Bloomfield Art Association.

The exhibition of 80 works including paintings, drawings, lithography, sculpture, weaving and pottery, will be on display at 1516 S. Cranbrook Road, Birmingham, from June 25 to Aug. 6.

Kazyak's stainless steel sculpture entitled "Dandelion" took second prize in the show, and he won honorable mention for a sculpture called "Torso."

The first-prize winner was a drawing, "Detroit Symphony," by Audrey Hurlburt, of Birmingham.

### Teena Ford to Teach

Teena A. Ford, daughter of Mr. and Mrs. Herbert R. Ford, of MacIntyre, Livonia, has graduated from Eastern Michigan University. She plans to teach third grade at Monroe School in September.

A 1963 graduate of Bentley High School, she is a member of Kappa Delta Pi and Delta Zeta Sorority.

## Women on the GO!

By Margaret Miller

Everyone knows what the head of a school cafeteria system, in a city like Livonia, does during the school year.

She makes out the hot lunch menus, of course. The ones that are so widely consulted that thousands of homes fall apart at the seams on Monday morning if for some reason *The Observer* fails to print them.

But now, with vacation here and daily menus and scores of administrative chores put aside for a month or so, Mrs. Geraldine Tobin remains one of the busiest ladies around.

This week she is at Mt. Pleasant, where the Michigan School Food Service Association is holding its 13th annual convention on the campus of Central Michigan University.

As president-elect of the organization, taking office at this session, she has had a major share in the planning of a program that included entertainment by Father Joseph Dustin, known as the

banjo-playing priest, and an address by Dr. John Perryman, head of the national school food service organization.

Then, at the beginning of August, Mrs. Tobin has been asked to speak at Dallas before the convention of the American School Food Service on "Disposables."

Gerry Tobin is well qualified to talk on that subject, for the use of throw-away equipment in school cafeterias, in order to save time and money and increase general efficiency, is a matter to which she's devoted plenty of attention.

Livonia school cafeterias use paper plates and serving dishes and plastic utensils wherever possible. The system also furnishes white plastic aprons—they cost eight cents each compared to a 15-cent laundry fee—for lunchroom attendants who don't have to be near hot stoves.

"And when someone comes up with a paper uniform for less than 50 cents, we'll buy it," says Gerry Tobin.

Back in Livonia later in the summer, there will be the work of completing plans to package complete hot lunches in foil and paper containers for new schools so that the existing expensive kitchens can be put to more efficient use.

"We're not putting kitchens in the new Livonia schools," Mrs. Tobin explained. "They cost up to \$100,000, and so we're going to do more with the idea of shipping prepared hot lunches from the kitchens we already have."

A unique vending machine, she added, serves hot lunches at Bentley High School. It's the only spot in the world, she said, that vends a complete Type-A lunch in one coin operation. Type-A is a standard set by the federal government, which supplies funds for school lunches only if its nutritional requirements are met.

Gerry Tobin is entirely in accord with the theme of her state convention that "school lunches are an educational experience."

In planning the menus for

the more than 1,500,000 Type-A lunches that will be served in Livonia next year, she likes to use tricky names for familiar foods.

"The idea is to get the children to ask questions so they know more about foods and nutrition," she said. "And I firmly believe they are better off with a hot lunch, so I sometimes jazz up the names a bit to get more of them to buy it."

Experimentation in the food program, looking for new ways to cook and serve, is very much part of Mrs. Tobin's background.

A graduate of St. Xavier College in Chicago, the oldest women's Catholic college in America, and of the University of Chicago, where she studied foods and nutrition and institutional management, she worked for a time in children's hospitals.

During World War II she worked in two experimental food programs, one at the University of Illinois where research was done to determine what foods keep the human body warmest, and one with the Army Quartermasters Subsistence, Research and Development program, studying fresh and canned meats.

Mrs. Tobin said she went into school cafeteria work partly to have more time in the summer with husband George, a former Notre Dame football star and now teacher and grid coach in a Detroit high school, and their seven children, Mary Margaret, 20; Mike, 19; Timmy, 17; Mark, 16; Geraldine, 14; Joanne, 12; and Paula, 8, born after her mother joined the Livonia school system.

And does a nutrition expert with a big family practice her theories in all their home eating?

"We'll put it this way," says Gerry Tobin. "If their food isn't up to what it should be from a nutrition standpoint, I at least feel guilty about it."

Which makes her not so different from the mothers in all those homes where her menus are read so carefully.

## Judith Adams Married to Edward Blackwood in Plymouth

Ensign and Mrs. Edward Barron Blackwood left the First Presbyterian Church of Plymouth under an arch of sabres after their marriage Saturday, June 17.

Judith Dayton Adams, daughter of Mr. and Mrs. Thomas T. Adams, of Plymouth. She wore simply-styled white peau de soie for the double-ring ceremony, performed by Dr. Henry J. Walsh.

Her bridegroom, son of Mr. and Mrs. Malcolm Blackwood of South Washington Road, Saginaw, was in the full dress uniform of the U.S. Naval Academy.

Forming the sabre arch were four fellow graduates of the academy, who served as ushers for the wedding.

The bride walked down the aisle to the music of a chamber ensemble consisting of Fred Nelson at the organ, Norman Fischer playing the cello, and Robin Wideman playing the violin. All are from Plymouth.

Her bridal gown was fashioned with empire waist, long sleeves and a Victorian mantle cape train. She wore her great-great-grandmother's bridal headpiece of net and lace, trimmed with ribbon and flowers, and carried a colonial bouquet of white mums, peonies and ivy.

Her attendants wore yellow Swiss crinoline, with short sleeves and white embroidered daisy trim. They wore wreaths and daisies in their hair and carried sprays of daisies and ferns.

Elizabeth Wideman, of Plymouth, was maid of honor, and the bridesmaids included Susan McIntyre, of Plymouth; Ann and Elizabeth Blackwood, of Saginaw, sisters of the bridegroom; Edith Hutchinson, of Butler, Pa., and Joyce Clark of Boston.

Malcolm Blackwood, of Saginaw, assisted his brother as best man. The ushers were another brother, Hugo Blackwood, of Saginaw, two brothers of the bride, Jonathan Adams, of Plymouth, and Army Lt. Thomas T. Adams Jr., Ensign William Vivian, of Grand Haven, Mich.; Ensign Garth Van Sickle, of Hart, Mich.; Ensign G. William Haggerson, of Kalamazoo; and Ensign Bartlett Clark, of Orchard Lake.

Mrs. Adams chose a beige crepe dress for her daughter's wedding, and Mrs. Blackwood wore a blue and white two-piece costume.

After a reception at the church, and a wedding supper at the bride's home, the couple left for a honeymoon trip through Canada to the West Coast and San Francisco, where the bridegroom will be training in operation of nuclear powered submarines.

The new Mrs. Blackwood is a graduate of the American University at Washington. Her husband graduated with distinction from the academy at Annapolis.

## Sandra Reber Becomes Bride of Albert Wright

Sandra J. Reber and Louis Albert Wright were united in marriage in St. Peter's Evangelical Lutheran Church in a double-ring ceremony Saturday, June 17.

The bride is the daughter of Mr. and Mrs. C. Lowden Hatcher, of Auburn Avenue, Plymouth, and Mr. and Mrs. Clark E. Wright, of Proctor Road, Belleville, are the bridegroom's parents.

Pastor Norman Berg officiated.

The bride wore floor-length white silk organza.

MRS. LEE JAMES LERNER (Rosemary Martin)

## Pair Speaks Vows in St. Valentine's

Wearing an empire gown trimmed with French knotted Venise lace, Rosemary Martin became the bride of Lee James Lerner in a ceremony in St. Valentine's Church, Redford Township.

Father James McGurran heard the couple's vows, and a reception followed at the Kingsley Inn, Bloomfield Hills.

Mr. and Mrs. Frank R. Martin, of Ross Drive, Redford Township, are parents of the bride, and the bridegroom's parents are Mr. and Mrs. E. I. Lerner, of Scott Lake Road, Pontiac.

Lace trimmed the circular chapel train as well as the deep square neckline of the bridal gown. The bride carried white butterfly roses.

Her attendants, in lace-trimmed lime green linen gowns, were Patricia Van Dragt, as maid of honor, and Jacqueline Ruchti, Nieske Zabriskie, and Nancy Le Beau, as bridesmaids. Beth Mannix, niece of the bridegroom, was flower girl.

Herb Anderson was best man, and the ushers were Jim Oliver, Kirk Evans and Paul Koenig.

After a short honeymoon at Grand Ledge and Sarnia, Ont., the newlyweds headed for the Michigan State University campus for summer school studies.

with a scoop neck outlined in Swiss lace, long pointed sleeves, full skirt and detachable train. A petal headpiece held her elbow-length veil, and she carried white roses, orchids and lilies of the valley.

Diane Young, of Plymouth, was groomed in floor-length aqua chiffon over silk organza for her role as maid of honor. She carried white daisies.

The bridesmaids, Mrs. Edward Wright, Mrs. David Long and Kathy Grater, were similarly groomed in yellow and carried yellow daisies.

Small Cindi Isele, in a yellow chiffon dress, was flower girl, and the bridegroom's nephew, Carl Wright, was ring bearer.

Edward Wright was his brother's best man, and the guests were seated by Roderick Wright, Ronald House, Terry Wright and Cecil Johnson.

Mrs. Hatcher chose a beige outfit for her daughter's wedding, and Mrs. Wright's dress was blue.

A reception for 200 guests at the VFW Hall in Plymouth followed the ceremony.

The couple planned a honeymoon trip to Yellowstone Park and Colorado. Both are graduates of Plymouth High School, and they will live at Ypsilanti where the bridegroom will continue his studies at Eastern Michigan University.

MRS. LOUIS WRIGHT (Sandra Reber)

MRS. DON CARLYSLE TAYLOR (Joanne Alford)

## Newlywed Taylors Will Make Home in Holland

Mr. and Mrs. Don Carlysle Taylor will make their new home in Amsterdam, Holland, where the bridegroom will be European marketing representative for Fairchild Hiller Aircraft.

The bride, Joanne Alford, before her marriage, is the daughter of Mrs. Ernest R. Vollmer, of Farmington, and Rollin G. Alford, of McLean, Va. The bridegroom is the son of Mrs. Elizabeth Taylor, Vashon Island, Wash.

The couple was married June 17 in Holy Trinity Lutheran Church, Mercer Island, Wash.

For her wedding the bride chose a white satin short-sleeved gown trimmed with chintilly lace and accented by a long train. She carried a bouquet of white roses and greenery.

Matron of honor was Mrs. Jack Robert Hildebrand of Mountainside, N.J., a sister of the bride. She wore an aqua silk-organza gown with an empire waistline and carried matching flowers.

James E. Duke, of Bellevue, Wash., was best man.

## Miss Martens, Mr. Coleman Wed June 23

Margaret Ann Martens and William Noble Coleman were united in marriage in a candlelight ceremony Friday, June 23, in Redford Presbyterian Church.

The couple's parents are Mr. and Mrs. Erwin J. Martens and Mr. and Mrs. Irvine Coleman, both of Livonia.

A reception at Botsford Inn followed the rites, and the newlyweds are honeymooning in the Bahama Islands.

**GAYLE NIXDORF**  
Mr. and Mrs. Harold Nixdorf, of Livonia, announce the engagement of their daughter, Gayle Lee, to Frank A. Kerby, son of Mr. and Mrs. Frank Kerby, of Livonia. Both are graduates of Bentley High School and attending Schoolcraft Community College. No wedding date has been set.

**Temples Have Son**  
Mr. and Mrs. David J. Temple, of Henry Road, Livonia, announce the birth of a son, Jeffrey Scott, on May 25. Mrs. Temple is the former Peggy Bourgon.

## Seniors Get Diplomas From Ferris

Degrees and certificates were granted to 1,273 students at Ferris State College commencement exercises on June 18, and among the recipients were 19 from the Observer Newspaper Group circulation area.

Dr. Max Lerner, scholar and columnist, delivered the commencement address. An honorary Doctor of Laws degree was presented to Marvin L. Katke, vice president for manufacturing at the Ford Motor Co.

Among those receiving degrees and certificates were: FARMINGTON: William Greenberg, 28907 Rockledge; Daniel C. Wilson, 33125 Tiberton; Robert F. Byrnes, 22037 Hayner; Betty J. Francis, 25823 Springbrook; Dennis D. Claramunt, 21509 Hancock; and David M. Kozlars, 21824 Parker.

LIVONIA: Orville C. Hoffman, 17360 Deering; Donald R. Holdeman, 31645 Arizona; Jack R. Polsky, 28735 Jacqueline; Clinton C. Lawrence, 33735 Six Mile; Kenneth A. Hall, 9814 Mayfield; Richard C. Powell, 11034 Mayfield; Robert G. Tate, 33807 Hathaway; and William J. Papo, 10791 Stark.

PLYMOUTH: Theodore H. Roberts, 47950 Ann Arbor Trail; Kenneth J. Weigle, 1642 Gloucester; and Daniel D. Stremick, 140 Caster.

SUMMER-TIME fishing took a surprise turn for Keith Bucklin 18541 Norwich and Jeff Johnston, 18319 Whitby who found this huge carp in a shallow creek behind their home. At least 15 neighborhood kids helped in the project. The fish tipped an unofficial 11 pounds on bathroom scales.

## Land Gambles Squelched

Reports of land speculation in Livonia were discounted this week by people who should know—reputable and responsible real estate brokers and City Assessor Henry G. Siefert.

It would be a costly venture for amateurs, professional men said, and a gamble on dirt that could soil a shirt, or lose it.

Besides, said William Barrie, president of Industrial Properties Co., 12800 Merriam Road, and a key figure in the all-around development of Livonia, most desirable sites in the zoned 36 square miles of city have been picked up by professional developers.

Barrie, active in Chamber of Commerce and civic affairs as well as in private land business, is one of those enthusiasts who believes that Livonia will be fully developed as a residence and industrial and business community by 1980.

The Observer asked Barrie and Dick Funk, of the Funk Realty Co., 32744 Five Mile Road, about reports that Livonia's future was attracting men with money to the real estate market. Some found prices not to their liking because they said the sale price did not include assessments against improved property.

Siefert said he had no knowledge of "wholesale speculating," although there was a report or two of fantastic prices paid for individual sites—reports unverified. His office deals in property assessments.

Funk, whose company deals in residential property, said land values have risen 15 to 20 per cent above the 1960 level, but that he has seen no evidence of investments for future profit.

While business is brisk in Livonia, because of its attractiveness as a residential community, Funk said the city is competitive with other Detroit suburbs, leaving little room for speculation for more than normal profit.

Other real estate dealers also denied knowledge of property being held for excessive prices.

"A person who invested

in an improved lot with the thought of holding it for big profit probably would find it unprofitable after 5 or 6 years," Barrie said. "By that time, taxes and assessments would be eating into the investment."

While land for development has been available for \$6,000 or \$7,000 an acre, development would probably bring a sale price of about \$25,000, a realtor pointed out. But subdividing, in addition to cost of interest on borrowed money, and taxes, includes such things as sanitary sewers, storm sewers, water mains and paving of roads and walks. There is a reasonable profit.

To help develop the city on an honesty policy, realtors were instrumental in the move that created the office of Industrial Coordinator, headed by Dan Andrew. Prospective property buyers go to Mr. Andrew with their problems, see the charts of available zoned land, and are referred to the brokers listing it.

"A reputable broker will tell a prospective buyer that a site has a certain amount of fill, if it has," Barrie said. "It is important that he know, because of the foundation necessary for his building, which may be equipped with heavy machinery, etc. A business just can't pick up and move, like a family."

Mr. Barrie explained that a buyer of land on Industrial Road would find himself paying for road assessment, among other fees, such as water line tap-ins. That's because the city built the 31-foot heavy duty road in the interest of industrial development, and tax revenue, willing to wait to get its money back.

In privately developed subdivisions, the developer makes the improvements and includes most of them in the sale price of a lot.

But such improvements as

water mains may cost a tap-in fee of \$3,000, for a 150-foot frontage, but payable over a 20-year period on monthly billing. The cost may sound heavy, but it is based on the total line cost.

While Livonia is young, and new, its boosters expect that within another 13 years it will have become one of the richest and best balanced cities in the Midwest. It is growing—fast.

FORD MOTOR has formed the Plymouth Area Community Relations Committee to coordinate the company's activities in local community affairs. Robert A. Winder (above), manager of Ford's Sheldon Road plant, has been appointed the committee's first chairman, and will serve a one-year term. Other members are Foster H. Bates, plant controller; Harry W. Kampfert, production manager, and Dain T. Pearson, industrial relations manager. The committee will maintain contact with area leaders and organizations to better understand local problems and plans.

## 2 C'Ville Teachers Promoted

Promotion of two teachers to administrative posts has been announced by Supt. David McDowell, effective at the start of the 1967-68 Clarenceville School district fall term.

Mrs. Patricia Vickery will become elementary consultant and Gene Scholes has been advanced to administrative assistant in charge of public relations and federal projects.

Mrs. Vickery is completing her seventh year at Clarenceville and will receive her Master's degree in Elementary Education this summer from Eastern Michigan University.

She has taught in grades three through six in both self-contained classrooms and in team teaching. Mrs. Vickery has served the district on several curriculum centered studies including testing and research, teacher demonstrations for visitors and new staff members, textbook selection and using special teacher materials.

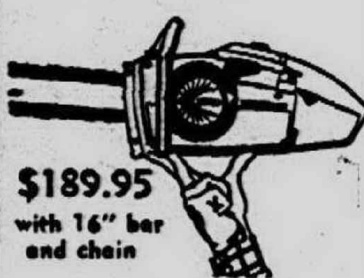

Scholes will have charge of community relations and government programs in his new position. He received his elementary and high school education in Clarenceville and returned to his alma mater as a high school English teacher after being graduated from Eastern Michigan University. He has been varsity basketball coach.

He has an educational background in writing and journalism and in Education Administration.

He will start his new assignment on July 1.

## Dunn Steel Promotes Area Twosome To Top Posts

Two promotions have been announced by Dunn Steel Products of Plymouth, a division of Townsend Co.

James L. Herter, Jr. has been named quality control manager, and Dave G. Van Hellemont has been named administrative assistant to the works manager. Both appointments are effective July 1.

## Kazoo Receives Federal Grant For Classrooms

KALAMAZOO — Kalamazoo College will receive a \$500,854 federal grant toward the construction of a new \$1.5 million classroom building.

The grant is awarded under the Higher Education Facilities Act. Construction of the four-story 46,800-square-foot structure is expected to begin in mid-August. The new classroom building is part of the most ambitious construction program in Kalamazoo College's history, involving seven major building projects.

The new building will house 10 classrooms and nine seminar rooms. Among the classrooms are one large lecture room with a seating capacity of 125; four two-tier classrooms, especially designed for classes of different size ranging from 15 to 40 students; and one three-tier classroom for 15 to 75 students. It also will house faculty offices and language, calculator and psychology laboratories.

## Valuable Cube

A cubic foot of the precious metal platinum weighs about two thirds of a ton. Such a block would produce about a million wedding rings.

## Why the big switch to electric heat?

## Good news travels fast.

Talk about your bargains! Edison has again lowered the rates on electric home heat. This time, a healthy 10% over the previous rate. Altogether a 30.5% reduction in the last eight years. No wonder the big switch to electric heat is on.

The low rate's only part of it. People also like our three-year, money-back guarantee. We give you a written estimate of operating cost; your heating bill may be less than the estimate, but not a penny higher. It's guaranteed, provided installation is made by an Edison-approved contractor on Edison lines. New low rates. A three-year, money-back guarantee. Pretty good reasons to investigate electric heat. There're others. Give us a call. We'll give you all of them. And without obligation.

EDISON lowers the cost of all-electric living.

FRANKLIN High School's top honor students of the class of 1967 are Thomas R. Bates Jr., valedictorian, and Bruce Bond, salutatorian. Principal, David D. Amerman congratulated Tom and his parents, (left to right) Mr. and Mrs. Thomas R. Bates, 30160 Minton, and Bruce and his father, Mr. Howard Bond, 35516 Parkdale, after the Convocation.

## Motorists Warned About The New Traffic Detours

Drivers inconvenienced by the closing of Farmington Road between Five Mile and Eight Mile Roads, probably haven't seen anything yet.

Beginning July 1, for a month, Farmington between Five Mile and Schoolcraft Roads will be closed—and there will be plenty of traffic congestion at the intersection of Five and Farmington.

There, work on the four corners of the intersection will be underway, and traffic flow will be limited to one lane in each direction, east and west. Turns will be per-

mitted for local traffic on Farmington further slowing the flow.

Lieut. Robert Thorne, of the police department traffic division, said that to cut the flow of traffic north on Farmington, the road will be closed at Schoolcraft. Traffic there will be sent east to Middlebelt by detour signs, to bypass the flow on Merriam Road.

Notices of the newest closing order came to Mayor Harvey W. Moelke, City Clerk Addison W. Bacon, and the police and fire departments from the

Wayne County Road Commission.

There's little relief in sight for Farmington road drivers between Five and Eight Mile roads before Aug. 15, when the mile between Six and Seven will reopen, if on schedule. The other two miles will remain closed until December 1.

The road is being widened to 60 feet for a five-lane highway, including a center turn lane. Closing of the section is prolonged for two miles by bridge construction. While travelers between Five and Eight Mile roads may be happy after December 1, there's more detour ahead below Five Mile.

When the city has completed a drain construction job, the road commission will begin—probably next spring—a widening program between Five Mile Road and Plymouth Road.

Included in the next two-mile contract on the Farmington Road project will be a boulevard section between Five Mile and Lyndon Road. The divided highway will pass the police station and board of education building, part of projected civic center.

While drivers have been fighting traffic congestion, or contributing to it, on the Farmington detours since June 5, complaints about speeding on Hubbard Road, between Five and Six Mile roads, caused Lieut. Thorne to post a police car on the road at intervals this month to enforce the 25 mile speed limit. He said things had been well under control except for one day, and that there had been no excessive number of tickets issued to drivers.

Asked if the police were operating a speed trap, because a sign had been erected by an unknown near Six Mile, reading "Radar Trap Ahead," Lieut. Thorne countered with "What's a speed trap?"

The sign, Thorne said, may have been put up by a prankster—or a kid, "maybe 12 or 40 years old."

His warning: Watch your speed. The congestion will help curb it in most places.

BILLY MAY ORCHESTRA, under the direction of Dan Belloc (above), will lead off a series of musical shows to be staged at Wonderland Shopping Center. The series starts Friday with shows at 6:45 p.m. and 9 p.m. on the Wonderland band stage located near Winkelman's. Orchestras slated to appear are: Jimmy Dorsey, Glenn Miller and Peter Palmer bands in August, September and October.

## 2 HS Libraries Open To Public

The libraries of Livonia's Bentley and Franklin High Schools will be open to the general public this summer, as follows:

Bentley, Tuesday and Thursday from 7:45 to 12:15; and Franklin, Mondays, Wednesdays, and Fridays from 7:45 to 12:15.

High school students, college students home for the summer, and adults in the community may register at either of the two schools to obtain this privilege. Stevenson's library will not be open.

Further information may be acquired at the days and times indicated by phoning Mr. Ivan Kemp at Bentley, 427-1900, extension 37, or Franklin, 425-1900, extension 29.

ELEANOR GRIENER, of Farmington, was photographed recently as she sailed aboard the Santa Marina from Newark, N.J. for a 26-day cruise of Central American Caribbean and Pacific ports.

He said it took the Council four weeks after the low bidder, Lind Asphalt, was recommended, to approve the contract. The 180-day contract performance started running March 1.

Moelke said DPW Director Robert A. Shaw has assurances from the contractor he will start again soon after completing the testing grounds job.

"My office is certainly aware if the Council's concurrence in the Administration's recommendations to build an artificial ice rink at Jefferson School Park site," he said.

"We will do everything within our power to see that this clay, which was allowed to be dumped on this park site by the previous administration at a savings of thousands of dollars to the contractor and at a cost of \$15,035 to the taxpayers of Livonia, is removed as soon as possible."

Ventura is an unannounced candidate for mayor against Moelke next year.

## Keeping Busy in Farmington

**Cpl. Mehl in Vietnam**  
Marine Lance Corporal Theodore P. Mehl, son of the Rev. and Mrs. Carl E. Mehl, of 28722 Farmington Road, Farmington, has reported for duty with the Seventh Marine Regiment, a unit of the First Marine Division, near Da Nang, Vietnam.

### Named Stenographer

Jerry Wilson, son of Mr. and Mrs. Carl Wilson of 21130 Middle Belt, Farmington, was appointed court stenographer for the Luce County Circuit Court while attending the American Legion Wolverine Boys State. Will-

son's attendance at Boys State was sponsored by The Optimists Club.

### To Begin Classes

St. Lawrence University in Canton, N.Y. has announced that David H. Mills of 24300 Locust Drive, Farmington will enter the school with September's freshman class.

### Takes Guerilla Training

Private John E. Sliman, 19, son of Mr. and Mrs. Mike T. Sliman, 32651 Cloverdale, Farmington, completed nine weeks of advanced infantry training June 14 at Ft. Polk, La. His last week of training

was spent in guerrilla warfare exercises.

### Trained at Pendleton

Marine Private First Class Gilbert J. Shaw, son of Mr. and Mrs. Calvin J. Shaw of 30743 Grand River, Farmington, has completed a 15-day refresher training and processing cycle with the Staging Battalion at the Marine Corps Base, Camp Pendleton, Calif.

### Aboard USS Grapple

Fireman Glenn E. Weber, USN, son of Mr. and Mrs. Edward E. Weber of 32022 Wayburn Drive, Farmington,

has returned to Pearl Harbor, Hawaii, aboard the rescue and salvage ship USS Grapple after spending more than six months in the Western Pacific.

### Elected Secretary

James R. Benya, son of Mr. and Mrs. Robert J. Benya, 28656 Kirkside Lane, was elected secretary and register of probate for Wisner County for the Federalist Party at the recent American Legion Wolverine Boys State in Lansing. He was sponsored by Elk's Lodge 1986.

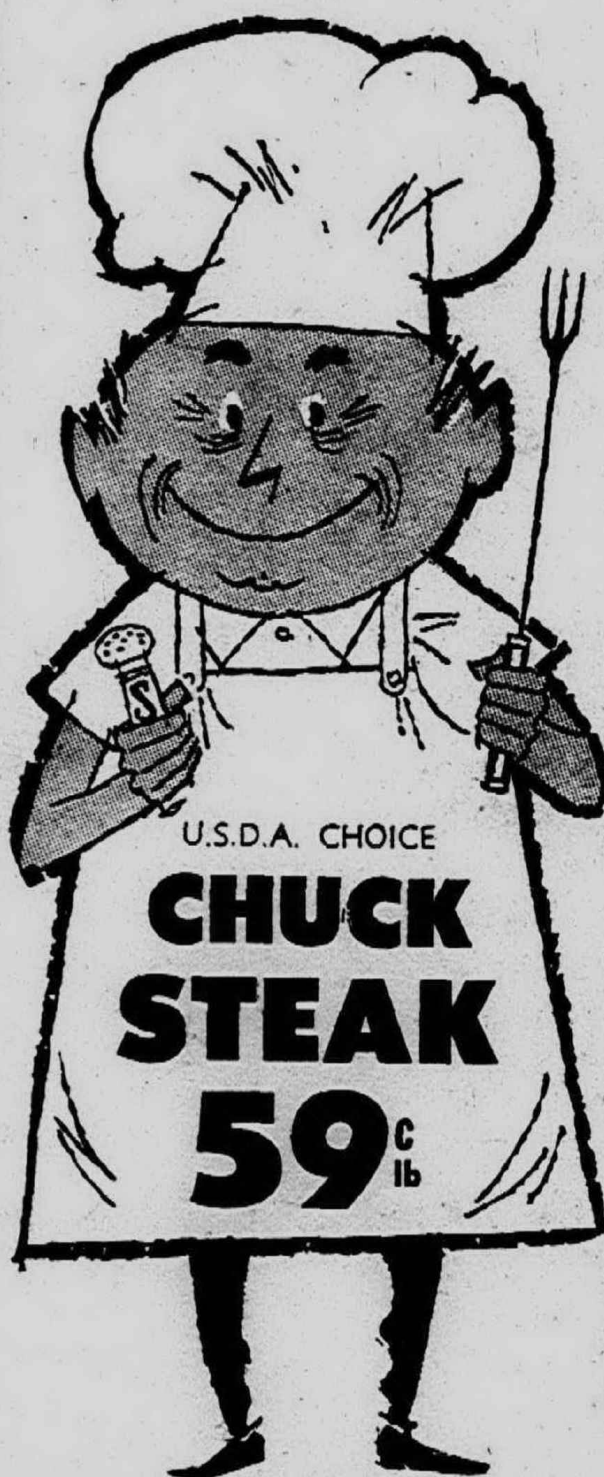

## FHS Student Does Fishery Research

Bruce Carlson, son of Mr. and Mrs. Richard B. Carlson, 28880 Wellington, is taking part in an eight-week science training program at the University of California, San Diego's Scripps Institution of Oceanography.

A student at Farmington High School, Carlson will work with Dr. Elbert H. Ahlstrom, director of the U.S. Bureau of Commercial Fisheries' Fishery-Oceanography Center, on fishery research.

### Nothing Left, It's a Mystery

A mysterious fire destroyed two construction sheds on Hubbard south of Six Mile Road in Livonia.

Maples O. Andrews, a watchman for Nottingham Woods Subdivision, said the sheds appeared to just burst into flames. Lt. Harold Hoyd, in charge, was unable to determine the cause.

The buildings were said to be owned by a construction company which is building a school in the area.

The police report stated, "It is unknown at this time if there was anything in the sheds as there was nothing left but ashes."

### Tennis Course Calls Students

The tennis instruction course at South Redford summer school has room for about 30 more boys and girls.

Originally announced as open only for grades 3-6, the classes include grades 7-11 also. Instruction is available for all ability levels, said John Helming, of Thurston High School, who has been designated as teacher.

The time blocks are 8-9:20 a.m., 9:30-10:50, and 11-12:20. The cost is \$10. Registration may be made at Jefferson Elementary School through Henry McCurry.

Helming says the classes will be small, and "guarantees learning."

### Set Brace Right

Be sure the diagonal piece of a gate brace is set with the top at the upper corner of the gate away from the hinges and the bottom at the gate's lower corner near the hinges.

In addition, she will advise district organizations and Republican clubs, as well as develop projects aimed at interpreting the Republican party to the public.

As former editor of the Northwest Detroit, Inc., a chain of six weekly newspapers for the past six years, she controlled editing, planning, layouts, editorials, and photo, artwork and story assignments.

Mrs. Komar has participated in numerous panels and city-wide committees, and has guest lectured on journalism to local colleges, high schools, clubs and professional groups. She has tutored Wayne State University journalism students through credit courses in on-the-job training programs.

In 1966, Mayor Cavanagh presented her with a journalism award for outstanding editorial contribution to the Neighborhood Conservation Program, and in 1965 she received the City of Detroit Children and Youth Commission award. She originated the newspaper youth campaign for employment in 1964.

She is a former commissioner of the Livonia Children and Youth Commission and served as secretary of mission.

## City of Plymouth, Michigan NEEDS POLICE OFFICERS

Police Officer applications are being received by the City of Plymouth. Salary \$6,695-\$7,904, uniform, retirement plan, paid vacation, hospitalization insurance, holiday pay. Apply to Chief of Police, City Hall, 201 S. Main Street, Plymouth, Mich.

## ADVERTISEMENT FOR BIDS

Sealed Proposals will be received by the Board of Education, Plymouth Community School District, Plymouth, Michigan, until 8:00 P.M., E.D.T. July 17, 1967 for construction of Plymouth Middle School No. 3, Plymouth, Michigan, in accordance with plans and specifications prepared by O'Dell, Hewlett & Luckenbach, Inc. Architects-Engineers-Planners.

Separate proposals will be received for the following work:

- Proposal No. 1: General Construction Work, including Architectural, Structural and Site Work Trades
- Proposal No. 2: Mechanical Work, including Plumbing, Heating and Ventilating
- Proposal No. 3: Electrical work
- Proposal No. 4: Homemaking Equipment
- Proposal No. 5: Arts & Crafts and Miscellaneous Equipment
- Proposal No. 6: Shop Equipment
- Proposal No. 7: Food Service Equipment

Bidders for the General Construction Work (Proposal No. 1) shall include in their Base Bid Proposal a sufficient sum of money for a fixed fee for assuming and coordinating contracts awarded for work included in the Mechanical, Electrical and various Equipment Proposals (Proposals No. 2, 3, 4, 5, 6, and 7 respectively). Bidders for work under the Mechanical, Electrical and the various Equipment Proposals will, by the submission of their bids, indicate their agreement to the assignment of their contracts to a General Contractor selected by the Board of Education. The Bidder for the Architectural Trades will, by the submission of his bid, indicate agreement to assume contracts for Mechanical Trades Work, Electrical Trades Work, and the various Equipment Trades Work, as determined by the Owner.

Plans and specifications will be available at the Office of the Architect, 950 North Hunter Boulevard, Birmingham, Michigan on or after June 21, 1967.

Two sets of Bidding Documents for proposals, will be allowed to a bidder for the work included under his particular proposal.

The following deposits will be required for two sets of documents obtained:

Architectural Trades	\$150.00
Mechanical Trades	120.00
Electrical Trades	100.00
Homemaking Equipment	60.00
Art & Crafts and Miscellaneous Equipment	60.00
Shop Equipment	60.00
Food Service Equipment	60.00

Proposals shall be submitted in duplicate, on form provided by the Architects, enclosed in sealed envelopes marked with the name of the bidder and the title of the work, and shall be delivered to the Plymouth Junior High School, East Library, 1024 South Mill Street, Plymouth, Michigan.

The Board of Education reserves the right to reject any or all bids, to award the contracts to other than the low bidder, to accept any or all alternatives, to waive irregularities and/or informalities and in general to make the award in any manner deemed by it, in its sole discretion to be in the best interest of the School District.

# Home Products Show Attracts 47 Exhibitors

The Home Products show, geared to give residents of the Plymouth community and visitors for the Centennial celebration an insight into the products of plants and businesses in the area, will have a total of 47 exhibits in the Plymouth High gym.

The show opens Monday at noon and continues through Friday. The Lord Mayor of Plymouth, England will head the list of opening day visitors. He is scheduled to make a tour of the show sometime Monday evening.

Show Chairman Harold Fischer, and assistant Eber Readman, of Burroughs Corporation, believe the show will be one of the best ever staged in the area.

"We only have an opportunity such as this once in a hundred years," they said. "Plants and businesses in the community have gone all out to make the home products show a wonderful event. We believe it will be one of the highspots of the Centennial celebration, ranking only second to the spectacular parade on the Fourth."

The exhibits will include displays from all of the major plants and practically every one of the smaller firms in the area.

The list includes:  
AUTO DEALERS—Begin-

gers, Berry Pontiac, Leo Calhoun Inc., Colony Chrysler Inc., Fiesta Rambler, Don Hassinger Inc., Jack Selle Buick Inc., Shirey Trailer Sales and West Brothers Motors Inc.

**BUSINESS FIRMS** — Amway Products, Beauti-Plant, Dunlap Heating, Heide's Garden Center, Bank of the Commonwealth, Manor Hill, Mayflower Hotel, Michigan Glassline Products, National Bank of Detroit, Pease Paint and Wallpaper, Saxtons Garden Center, Schrader's Home Furnishings, Sherwin-Wil-

liams, Western Office Equipment and Western Auto Trading Post.

**INDUSTRIAL** — Anchor Coupling, Burroughs, Consumers Power, Detroit Edison, Evans Products, Gaylord Container, Michigan Bell, Packaging Corporation of America, Plymouth Detail Machine, RCA, Sang of Plymouth, Specialty Coatings, Inc., Tower Industries, Townsend Company-Dunn Steel, Western Electric, Whitman and Barnes, Vico Products and Associated Spring.

**SPECIAL ATTRACTIONS**

— Steam Engine, by Guy Bunyea, Wilford Bunyea, Delbert Reich and Ace Shear; Army Tank Automotive Command; weapons displays, tank and missile launcher; The Jiger Company — two vehicles for display and operation.

There'll be prizes for those entering contests including: Schoolcraft College — a pair of tickets for each of three summer College Music Festival concerts; Whitman and Barnes — drill set for electric drills; Michigan Bell and Western Electric — transistor radio; Amway Products — large box of laundry compound; Evans Products — 10-transistor radios; Vico Products — four box seats to a Detroit Tiger baseball game; and West Brothers — a highway safety kit.

## No Contract, No Teachers

(Continued from Page 1)

best to achieve that goal. We feel certain that an agreement will be reached far in advance of the school opening in September."

Cavanaugh is hopeful that an agreement is made in the near future since a master contract must be ratified by the teachers, many of whom are scattered to all parts of the United States already for the summer months.

"We will not be able to get a ratification quickly now," said Cavanaugh. "It would probably take two or three weeks to get answers back from every member of the professional staff and every single one is entitled to a vote on acceptance or not."

During the lengthy negotiations, the PEA team has made four proposals on salaries and the administration has countered with three.

To start the ball rolling, the salary schedule for the past contract called for a floor of \$5,650 for a starting teacher with a bachelor's degree to a ceiling of \$9,100 in a series of 10 steps; for a starting teacher with a Master's degree, the schedule ranges from a start of \$6,150 to \$10,100 with 11 steps.

In opening the negotiations, the PEA proposed a range of \$7,200-\$11,592 for a bachelor's degree and \$7,700 to \$12,625 for a master's.

The Board team countered with its first proposal of \$5,900-\$9,350 for a bachelor's degree and \$6,400-\$10,350 for a master's.

Then as the negotiations continued, the PEA made proposal No. 2 of \$7,000 to \$11,270 and \$7,500 to \$12,-

300 and the Board proposed \$6,000-\$9,600 and \$6,500 to \$10,600.

Proposal No. 3 of the PEA reduced the demands to \$6,800-\$10,950 and \$7,300-\$11,972. To which the Board countered with \$6,000-\$9,700 which made no change in the start but added \$100 to the ceiling for a bachelor's degree and \$6,500 to \$10,700 for a master's.

The teachers made proposal No. 4 a week ago which dropped the demands again to \$6,700-\$10,787 and \$7,200-\$11,808. The Board team did not make a counter proposal but is expected to open Thursday's meeting with its newest offer after conferring with members of the Board of Education.

Of major importance to the teaching staff is the matter of size of classes.

The request of the PEA on class size includes a maximum of 25 for K through 3 and 28 from 4 through 6.

In the secondary schools, the PEA has broken down its recommendations to individual classes as follows: English 25, Social Studies 30, Mathematics 30, Science 30, Language 30, Business 30, Typing 30, Industrial Arts 25, Drafting 28, Vocational shops 25, Homemaking 25, Music 35, Art 28, Physical Education 35, Swimming Pool 35 and 10 to 15 in special education.

The proposal also specifies that in K through 6, no teacher will be assigned a split grade (half in one grade and half in another) unless by consent of the PEA representatives and the teacher.

## Society Helps Garbers With Happy 47th

The Plymouth Historical Society held its annual picnic Saturday at the Ralph Garber farm on North Territorial Road and helped Mr. and Mrs. Garber celebrate their 47th wedding anniversary at the same time.

Officers for the new year are: President Mrs. Louis Norman; Vice President Karl Starkweather. Second Vice President Frank Henderson, Third Vice President Sidney Strong, Secretary Mrs. William Bake and Corresponding Secretary Mrs. Romeo Wood. Named to the Board of Directors are: Harold Joliffe, Harry Brown and Maurice Woodworth. The Curators are: Mr. and Mrs. George Burr and assistant, Laverne Sly.

Residents of the Plymouth Community may obtain the new booklet "Michigan's Marvelous Museum," which mentions that in Plymouth, by calling at the Michigan Bell offices on N. Harvey.

## State Police Nab 23,711

Michigan State Police officers made 23,711 arrests in April, 21,678 for traffic of-

fenses and 2,033 on criminal complaints, according to the department's monthly activity report.

In addition, 676 juvenile traffic offenders were arrested and 606 delinquent and four wayward minors apprehended.

Troopers assisted 5,184 motorists, investigated 12,887 cars, issued 24,734 oral warnings to drivers, made 15,249 property and 2,194 liquor inspections.

The identification section received 14,649 sets of fingerprints, of which 7,992 were criminal and 6,657 noncriminal.

Of 2,127 applicants for permits to carry concealed weapons, 77 were identified with criminal records through their fingerprints.

The crime laboratory conducted 780 examinations, of which 377 were on documents, 262 on firearms, 53 on glass, 26 on shoe and tire prints, 25 on tool markings and 37 miscellaneous.

Laboratory assistance numbered 45 for the State Police, 64 for municipal police, 16 for sheriffs and eight for other agencies.

## City To Get Interchange

An interchange will be built at Seven Mile road and Interstate 96.

The announcement came to Livonia Council President Peter A. Ventura from the Office of Planning of the Department of State Highways, at Lansing.

E.A. Bellenbaum, chief planning engineer, said the Bureau of Public Roads had approved the department's recommendation. There was no word, however, about when work on construction may begin.

## Solid Support

For maximum stability, giant telescopes are supported on mounts made of a special iron-nickel alloy which neither contracts nor expands with changes in temperature.

**ARTHUR H. Hogarth**, of Livonia, has been appointed district director for the Republican Party campaign organization in the 35th Legislative District. The appointment puts Hogarth in charge of organizational and campaign activities for the Republican Party. He is vice-chairman of the Livonia YMCA Campaign

## Fur Taken From Home

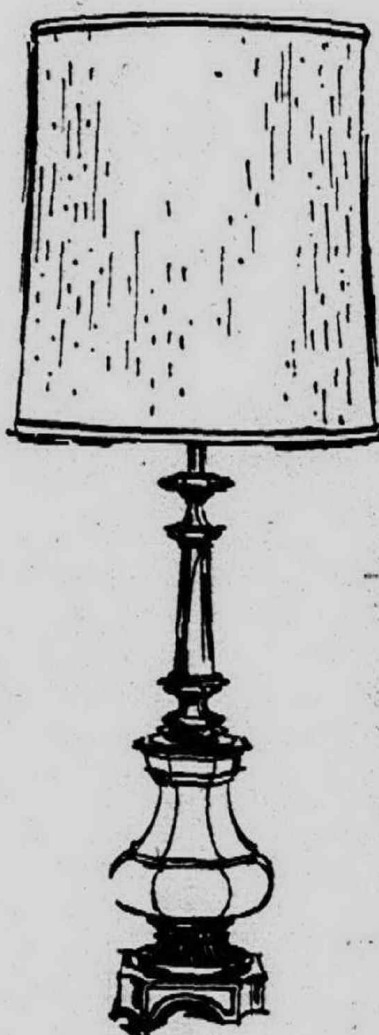

A fur coat valued at \$550 was among various items taken in a break-in reported to Livonia police by Stanley H. Williamson, of 14269 Inkster.

Williamson told police his house was broken into during his three-day absence through a hole broken in the glass of the kitchen door.

Taken were a woman's gold wrist watch, valued at \$80; a gold wedding band with 10 small diamonds; a box containing approximately \$70 in silver dollars; an unknown amount of change from a cigar can; three fifths of Canadian whiskey, valued at \$12; and a black Persian lamb coat, valued at \$550.

The total loss was more than \$700.

## Car Leasing Is Booming For Evans

Evans Products Company's freight car leasing arm, United States Railway Equipment Company, has increased its leased fleet from about 7,600 cars in the last quarter of 1965 when Evans acquired the company to about 12,400 cars, including those that are committed for lease in 1967 as soon as delivery can be obtained, according to C. Calvert Knudsen, Company President.

Knudsen recently told a meeting of the New York Society of Security Analysts that "the ability to finance our railway car sales through leasing is a valuable sales tool and, in addition, we believe that leasing tends to build more stability into our basic earnings trend."

United States Railway Equipment pioneered in "split leasing" of freight cars in the Fall of 1966 when it concluded an agreement to lease

jointly to the Frisco Railroad and to Armour Agricultural Chemical Company of Atlanta, Ga., 500 100-ton hopper cars for a 15-year period.

Armour will use the cars during the first six months of the year to move bulk fertilizer materials. The Frisco will use the cars the last six months of the year during the harvest season to move

wheat and soy bean crops. This split-lease arrangement, in which more than one lessee participates, has been called "a major breakthrough in financing arrangements" and an example of "ingenuity in equipment utilization" which should help to solve some of the problems occasioned by shortage of freight cars.
