City Commission Starts Move To Keep All Charity At Home

The Plymouth City Commission went on record Monday evening as being firm believers in the old adage that "Charity Begins At Home".

Acting on a request from the March of Dimes for permission to conduct the annual Mothers' March on January 30, and a Tag Day on February 10, the Commission gave its approval with

the provision that the request would not be honored again unless the group made application for affiliation with the Plymouth Community Fund.

In making this decision the Commission pointed out that when the Plymouth Community Fund was inaugurated it was with the idea that all solicitations would be made in the one effort. It was this plan that

brought about the slogan, "Give Once For All".

Inasmuch as the Mothers' March is door-to-door solicitation, it was deemed that all such activities should be placed under the general scope of the Community Fund.

When the request was read from "Chris" and Joe Witwer, who are co-chairmen of the

March of Dimes program for the Plymouth area, the question immediately arose as to whether the Commission hadn't informed the group a year ago that no further approval would be given.

Inasmuch as the record of such action wasn't clear it was then decided to permit the March this year, but that it would be the last until such time as membership in the Community Fund was obtained.

The Mothers March has been an integral part of The March of Dimes since the inception of the movement to stamp out polio more than 30 years ago.

Prior to the ruling on the Mothers March the Commission also curtailed the request of the

Camp Fire Girls to conduct their annual candy sale on three consecutive Saturdays, starting on January 27 and continuing on February 3 and 10.

In keeping with a policy adopted some time ago, limiting such activities to two days, the Camp Fire Girls were asked to limit their sales this year to any two of three Saturdays requested.

Here's A Score Card On City Commission

In order that the citizens and taxpayers will have an idea of the tremendous amount of work that falls on the shoulders of the members of the City Commission and what disposition is made of the various projects, the Mail & Observer today is printing the City Clerk's report that was given to the Commissioners last Monday evening.

This will serve as a "score card" of the various studies and what progress is being made. Some of the activities have been hanging fire for more than a year.

Here is the complete list:

Jaycees Get Youth Center After Parking Compromise

Following a series of compromises the Plymouth City Commission approved a temporary occupancy permit for a period of one year to the Jaycees Monday night to establish a youth center in the vacant building at 190 Hardenburg.

The approval was given when no one appeared at a public hearing to speak against the plan and a compromise was agreed upon to meet the parking code.

Under the terms of this compromise the Jaycees have agreed to limit admission to a maximum of 100 persons at any of the planned activities.

THE PLAN was agreed upon after the report of the building inspector, Chuck Thompson showed that the capacity of the first floor of the building was 508 people and the office area of 392 square feet would require 170 parking

spaces under the city ordinance. This amount of parking is not available in the area at the present time and the compromise was reached by limiting attendance to balance the number of present parking

spaces. Before this action was taken another question arose regarding the authority of the City

Commission to grant a tem-

porary occupancy permit. City Clerk Gene Slider gave an opinion that it was not permissable and that the Commission would be taking a chance in granting such an approval. Charles Lowe, the City Attorney, confided that he did not know but that he didn't recall anything in the ordinance to prevent it.

at the end of that time. This was amended to make the period

Senior Citizens Housing Now Hangs In Balance

The Plymouth Senior Citizens housing project is hanging in the balance and it may take an expenditure of close to \$200,000

This shocking news came to light Monday night when the City Commission was given an inside look into the plans for the construction of the building and learned that in one instance at least they did not meet the city building code.

"Our plans meet all FHA codes, but in one instance," Dean K. Riddle, representing the architects explained, " we don't meet the City of Plymouth building code."

This one exception to the city code he informed the Commission has to do with the exterfor construction, which is to be frame, covered with aluminum siding above the first floor.

THIS IS A far cry from what the Commission had expected to be built on the site behind the Christian Science Church and the shock was expressed in no uncertain farms.

"We are in trouble if we attempt to put this kind of a building in the neighborhood of that church," Commissioner Arch Vallier said, "and something," must be done to improve it or I would be willing to give up the project.

"From what I learned here tonight, the building will be little more than an army barracks." Other members of the Commission expressed their disappointment and Commissioner Bob Smith voiced the opinion that it would be better to drop the entire idea than go ahead with the construction plan as pre-

AT THIS POINT Mayor Jabara stated that possibly the city could contribute a sum over the next few years and in this way obtain the brick veneer, and the colonial appearance for the front of the building.

Taking this cue the architect pointed out that the government had ear-marked \$987,640 for the project and that in the meantime building costs had sky-

"The government now works on the basis of \$17,000 per unit and most of our bids on the latest projects have come in close to that figure.

"Two years ago you could have gotten the things you want at that figure. But not now." He explained that the cost of the brick veneer and other materials that would make the rooms sound and fire proof, would boost the estimated price to approximately \$20,000 per plan calls for 60 units the added Monday night the building dry wall instead of tile in the cost would amount to at least \$180,000 and Commissioner Hudson openly stated "I wonder where it will come from."

Under the plans presented

not only would be frame with aluminum siding, but fiveeighths dry wall would be used on two-by-four studdings. Aside

bath rooms and there would be no tile on the bathroom floors.

From all appearances it would be the cheapest type of from that there would be painted construction and the Com-

in the metropolitan district. It is the project in Roseville, where the city officials were on the verge of canceling the entire plan. To get an idea of what to

thought of having it erected on

one of the choice downtown

being built along these lines

Only one other project is

expect before a final decision is reached Mayor James Jabara invited the Commission to join him on Saturday morning on a visit to Roseville to inspect the construction and appearance.

Most of the Commission agreed to the trip--but with some doubt that they would like what they saw.

THE SHOCKING news of Monday evening is the latest in a long list of shocking incidents concerning the senior citizens housing. From the start it has been in trouble.

Originally, several years ago, the Wilcox property on Ann Arbor Trail was selected as the site. This choice became controversial and was abandoned when the price of the ground was considered too high.

At the time the project was to be of 60 units and the request to the government was made on that basis.

Later on, however, the senior citizens were asked to make a choice and in a public hearing they selected the site in the rear of the Christian Science Church on Ann Arbor Trail. It is a choice site along Tonquish Creek.

However, with the new site, the plans were altered to call for 64 units. Unfortunately, the government wasn't officially notified and the project became tangled in the work program that met disapproval with the government.

FOR SOME REASON when a change was made in city engineers and planners from the firm of Waring and Johnson, to Johnson and Anderson, the changes were not made on the master plan. Several other deficiencies were noted and the entire program was delayed.

It was only at the request of the government to bring the work program up to date and reduce the senior housing project from the proposed 64 units in the original request that it was approved.

Only a few weeks ago the picture looked rosy when the time schedule was set up. This called for the breaking of ground

Health Chief Warns Of Ice Skating Dangers

can also be dangerous.

"Every year we see or hear of skating accidents that could have been prevented," said Dr. victim. If nothing is available, John J. Hanlon, Detroit health commissioner.

"None of us want to toss a wet blanket on the enjoyment so many youngsters receive from such healthy exercise as ice skating. But there are a few rules that boys and girls could observe that would allow them to skate worry-

HE SUGGESTS:

1. Skate only in skating rinks or on small bodies of water such as ponds and pools. Ice freezes less easily on large bodies of water.

2. Never skate alone. 3. Be sure the ice is at least

4. Make sure the water is

less than waist deep. 5. Never skate on crystal-

if two feet thick.

7. Do not skate on new ice conservation use. at midday or when the temperature rises, for ice weakens then. 8. Head for shore if you hear the ice crack.

9. Stay closer to shore because ice tends to be stronger there than near the center.

DR. HANLON also advises youngsters to take proper care of their skates to prevent rusting and to keep the skates sharpened so that a dull blade cannot catch on the ice and cause the skater to slip or fall. If an accident, such as a

skater falling through the ice, does happen despite proper precautions, what can the other skaters do to aid the victim?

"First, keep the victim calm," counsels Dr. Hanlon. "Ice chunks generally break off if the victim tries to pull himself out of the water. Tell the person to kick his feet to the surface so they won't jackknife under the ice's edge. He should extend his arms on the top surface of the ice.

Friday night raid were arrested for loitering in a house of illegal occupation and given a copy of the search warrant, signed by Municipal Judge James McCann.

Searching resulted in additional charges of violation of the Uniform Narcotic Drug Act and violation of the Dangerous Drug Act against four

of the persons. Two of the 13 persons arrested in the night raid were juveniles. They were turned over to the Youth Bureau and released to their parents at the

NCA Accreditation Team To Make Final Inspection Of Schoolcraft

Slate Visit On Feb. 8,9

A three-member team of college educators will visit Schoolcraft College Thursday and Friday, Feb. 8 and 9, in one of the final steps in Schoolcraft's application for accreditation by the North Central Assn. of Colleges and Secondary Schools.

The inspection team, appointed by the NCACSS, will be headed by Dr. Charles Allen of the University of Illinois. The others are: Reed L. Buffington, superintendent-president of Chabot College, San Leandro, Calif., and Prof. Kenneth Brunner, Southern Illinois University.

Originally scheduled for Jan. 8-9, the visit was delayed a month when Dr. E. Stecklein of the University of Minnesota, the original chairman of the examining team, was unable to serve. Dr. Allen was appointed in his stead.

The team will spend two days on campus, examining the operations of the college, interviewing faculty and staff members, and inspecting facilities.

'LOCK IT" booklets, published by General Motors. are turned over to Livonia Police Chief James Jordan by J. L. Bryan, personnel director of the Fisher Body plant in Livonia. The more than 7,000 booklets will be placed in unlocked cars by members of the Police Department, warning car owners that they should keep their cars locked at all times. More than 500,000 cars were stolen in the United States last year, 80 per figures are more complete for cent of which had been left unlocked.

Takes Dip

Michigan's traffic deaths in 1967 numbered 2,091 which were 205 or nine per cent below the all-time high of 2,296 recorded in 1966, according to State Police provisional

It was the first annual reduction in fatalities since 1961 when the count of 1,567 dropped from 1,604 the year before.

INCLUDED in the year's count were 184 deaths charged to December. This was 21 or 10 per cent less than 205 in the same month in the previous year.

The 1967 total was the fourth year in a row and the seventh time since record keeping began in 1933 that the annual deaths exceeded the 2,000 mark. In addition to 1966, the other high loss years were 2,136 in 1965, 2,122 in 1964, 2,016, in 1955, 2,133 in 1941 and 2,175 in 1937.

Delayed death reports are expected to increase somewhat

stop for rests.

Your Mail LANSING-If you are an eligible voter but haven't cast a vote in the past couple of years, perhaps you'd better check through the deluge of holiday mail, for you may have

overlooked a card which could

drop you from the voting rolls. By law, explains Secretary of State James M. Hare, all eligible voters who did not cast a vote during the past twoyear period receive, sometime in December, a notice of suspension of their voting regis-

These voters then have a 30-day period to sign and return the card to their city or township clerks to keep their voting eligibility 'alive," Hare

Persons who do not send in their card within the prescribed period have a much more difficult job to reinstate their voting right. They have to re-register with their city or county clerk, which would necessitate going down to the clerk's office and considerable more time and work.

All persons who return the cards, Hare said, make sure they will be eligible to cast a vote in the important 1968 general election, which includes the presidential election, without going through the process of re-registration.

Employers Told To Use Tax Guide

Because there have been no changes in the Federal income tax and social security withholding rates for 1968, employers should continue to use their present copy of Circular E, "Employer's Tax Guide," o A.M. Stoepler, District Dirh ector of Internal Revenue for the State of Michigan has advised.

Stoepler stressed that employers should not be expecting a new issuance of Circular E, also referred to as Publication No. 15, but should use their current edition for withholding information and tables.

Employers can make certain they have the latest edition of the "Employer's Tax Guide" by checking that the front cover bears the notation, Publication No. 15 (Rev. Jan. 1967).

While there has been no inscrease in the social security tax rate for 1968, Stoepler pointed out that the maximum annual income subject to social security has been increased from \$6,600 to \$7,800 for both employees and the senemployed, effective January 1,

The social security employee tax tables in the current Circular E can be used to accommodate this increase.

A 35-YEAR-OLD Taylor Man, Donald P. Girard, of 22215 Eureka, stood mute Sunday, charged with first-degree murder in the rape slaying of a Southgate mother. The body of Mrs. Ellen McLeod, 26, was found by police Saturday under a bridge on Merriman Road near Sibley, in Huron Township. She was the mother of four children, ranging in age from 8 years to four weeks. Police said Girard turned himself in early Saturday morning. He was sent to Wayne County Jail to await examination, set for Jan. 22.

DETROIT POLICE and the FBI are investigating two shootings in Detroit and the discovery of \$51,188 in the home of one of the victims. The two injured men are being held by police. They are George Carter, 45, of 326 Farnsworth, and Roosevelt Whitty, 34, of Wabash, Detroit. Both are in serious condition in Detroit General Hospital, Carter with a head wound and Whitty with an injured leg. Both men are charged with felonious assault.

A NEW RECORDER'S Court building in Detroit, scheduled for completion by October, will probably not be finished until late 1969, Charles G. Oakman, general manager of the Detroit-Wayne County Joint Building Authority, revealed. He said that strikes, broken water mains, a shortage of carpenters and other delays were responsible for the later completion date.

A THREE ALARM fire at the corner of Michigan Ave. and Brooklyn in Detroit caused the death of one 50-year-old woman in one of two adjacent buildings completely destroyed in the blaze. Two other persons were listed as missing. The dead woman was tentatively identified as Ann Johnson.

ELECTRONIC warning signs have been installed along I-75 near the Flint River Bridge. The signs are designed to warn motorists of icy conditions on the bridge, even if the rest of the roadway is dry.

AN ELDERLY DETROIT man was slashed with a knife and robbed by two young women in his apartment Friday night.

State And Local

News Round Up

The pair netted \$3 and escaped.

MICHIGAN'S Supreme Court last week took under advisement an appeal from Ingham County Circuit Court on the question of whether a 1967 Lansing city bond issue legally passed in a city election. The issue involves two bonding proposals, totaling \$8 million for city street, sewer and drain improvements which passed by a majority public vote Feb. 20, 1967. Because of the city charter provision requiring a three-fifths approval to pass a bond issue, questions were raised about the vote since the two bond issues did not have a three-fifths approval, although both had a majority.

GOV. GEORGE ROMNEY is campaigning in New Hampshire this week. Kicking off his campaign, Romney said he and Richard Nixon will apparently be the only major Republican presidential contenders entered in the March 12 primary.

ATTORNEY GENERAL Frank J. Kelley said Friday that he is recommending dismissal of criminal charges against Wayne County Sheriff Peter L. Buback. The charges grew out of a 1965 one-man grand jury investigation. The reason, Kelley said, is to clear the way for beginning removal proceedings against the sheriff.

NEGRO STUDENTS demonstrated at River Rouge High School Friday, claiming they aren't being treated as equals. The students submitted a list of 45 grievances to the school officials. The school was closed Monday to allow administrators and faculty to discuss the problem.

THE DETROIT NEWS cut its non-union editorial staff and some supervisory personnel to a four-day week. About 700 employes were affected in the move to pare expenses in the 60-day-old Teamster strike. The Free Press locked out all its employes except supervisors when it voluntarily shut down in sympathy with the News last Nov. 17.

THE CONTEST ENTRY, in scrapbook form, will be judged with entries from other cities and towns of the same size throughout the country.

18-20, in Washington, D.C.

The highest possible award, the Trigg Trophy, will go to one city, regardless of size, which the judges decide best exemplifies the principles of the Bureau's nation-wide community improvement program.

chords and several rhythms and styles of strumming the guitar to accompany singing. Folk songs will be taught and some basic music theory will be presented. Reading music will not be taught and a musical background is not necessary.

Holiday Liquor Sales Increase

Michigan residents drank and gave a lot more liquor during this Christmas season than last year, reports the State Liquor Control Commission.

Whisky was still the favorite Christmas cheer and whisky case sales showed the largest jump over the last Christmas

Sales for the week ended Dec. 22 were 120,047 cases, up from 114,840 cases during the same week in 1966.

All other liquor categories also showed a sales increase. Vodka sales were up from

12,484 cases to 13,313, gin sales rose from 14,574 cases to 15,363, rum sales rose from 3,692 cases to 4,233, liquor specialties went from 10,626 cases to 11,543 and wine sales from 14,682 cases to 14,763.

Instruction will include basic formally and presented as a recreation approach to guitar. designed for those who wish to learn to play guitar for their own enjoyment.

Folk Guitar II, for students who have completed the first ten week session, will meet

IN ANSWER to many students who completed the Folk Guitar I and II but still wish to meet with people interested in singing and playing the guitar, a new Folk Guitar Club is being

Under the auspices of the Livonia Parks and Recreation Department, the first meeting will be held at 7:30 p.m., Monday, Feb. 12 in the teachers lunchroom at Stevenson High School, 33500 Six Mile. Anyone interested may attend the first meeting and should bring their guitar.

Caste System Kev To Marriage

India's caste system still plays a key part in marriages, even among the urban middle and upper classes, a sociological study has revealed.

observing sports

These are exciting days for many of the area's high school seniors-athletes and non-athletes.

There's nothing like that last year in school. You're a big shot. Special events are conducted for the seniors . . . and seniors get special privi-

But there is a far more serious aspect to being a senior.

This is the time you have to make that big decision - are you or aren't you going to college?

FOR THE ATHLETE of top standing on the field and in the classroom, the decision of where to go isn't easy. That's because he's being "swamped" with a flock of offers like full-ride scholarships, partial scholarships, etc.

And, there are those seniors with fancy high school and sandlot baseball backgrounds who must tackle the item of whether to go on to college or sign a professional contract.

Then, too, in these days there is the military

But, just stop and think for a moment - if you are a senior, or you're in high school and heading for that senior campaign!

What would it be like if you were a dropout and you'd be missing out on the fun that goes with being a 12th grader and the anticipation of going to Michigan State or Eastern Michigan or maybe a community college out in Arizona or Texas!

THE DROPOUT NOT only hurts himself, but hurts his parents and other members of his fam-

It happened to us - for a while - when No. 1 son suddenly found himself confused.

Then something happened. A year late, he graduated among the top stu-

dents in his class. He fumbled some more time away, then, but finally picked out a school that struck his fancy. It's not Michigan or MSU. But last week, his marks came.

All A's.

WE DON'T CITE this story because we're looking for a pat on the back. The No. 1 son doesn't want any salutes, either. He'd rather get them racing his drag car at the Motor City track during the summer months.

What we are driving at is two things:

1 - Dropouts don't have to stay dropouts. As long as they have life and desire, they can comeback and comeback handsomely.

2 - Think twice, think 10 times, think a million times, before you tell the world you're through with high school before you've received a diploma.

The sports world is doing its part these days in encouraging students to stay in school. There's so much good that can come out of it.

LOOK WHAT GOING to school has meant to all members of the Lions and Pistons and most of the Tigers. More and more Red Wings, too, are getting extra education before taking a shot at playing-for-pay.

GOING IN for a onehander in the victory over Stevenson High is Joe Himmelspach of Farmington High. Dave Mastny moves in to block the shot but can't catch the Farmington scoring ace.

West Misses By 25 Seconds

Twenty-five seconds too long! That was the story as far as Garden City West's basketball team was concerned against

Entering the final half minute of action, West clung to a point lead.

What's more, West had the ball and just had to run out the clock.

But Ken Koval, the big man for Shafer, stole away the ball, and sailed in for a layup that

Falcon Defense Nips Stevenson

The emphasis was on defense Friday when Farmington High's basketball team turned in a 68-51 win over Stevenson.

Farmington gave up 20 points in the second half--ll in the third period and nine in the fourth -in stopping the strong team from Livonia.

A change in tactics paid off for the winners.

The Falcons went into a full court zone press after the intermission. The move forced Stevenson into hurrying its

The score read 36-31 in Farmington's favor at halftime. But in the third period, Farmington piled in 18 points and extended its command to 11.

MARK LYNOTT and Doug Hamilton supplied the power and the rebounding for Farmington.

Lynott wound up with 18 points getting eight in the third period. Hamilton made six of his 15 points in the third period.

Jim Olsen had 15 and Paul Tonnemacher 10 for the losers.

Farmington shot in 43 percent of its attempts, while Stevenson was "off," clicking only 30 percent of its tosses.

The victory was only the third of the season for Farmington in

Americans Use 'Block' Of Wood

If all the wood used by Americans last year were piled up. it would cover an average city block and extend 460 miles into space. Amazingly, the forests grew even more wood than that in the same period.

was to give his team a 65-64 victory.

There were 12 seconds left when Koval connected. West still had another chance to score and pull out the game. But it wasn't to be.

WEST HAD led, 19-13 after one quarter and by the same nine-point margin going into the third period.

But Shafer threw a 1-3-1 defense at West in the third stanza and outscored the Garden City team, 25-16, to even matters going into the closing quarter.

It was nip and tuck right down to the end as each team took turns scoring and getting temporary leads until Koval produced the key basket.

Koval had 22 points for the of West with 24. Frank Stanisz paced a final surge. had 14 and Dave Leemgraven 10 in keeping West in contention right down to the game's final

Schafer Rallies To Win

had 12 each for the winners only time that counted. and Bill Love 10.

If the final 25 seconds were too much against Shafer, the last 26 proved the payoff for West last Tuesday in a 70-69 squeaker over Lowrey.

WEST TRAILED all the way, lagging, 22-4, after the first

period when West made only one basket and two free throws. But Drewitz made 13 points in the second period to help get West going.

It was 34-25 for Lowrey at winners, but the high man in halftime and 53-46 going into the game was Dwayne Drewitz the final period when Stanisz

Finally with 26 seconds left, Stanisz clicked for a basket that decided the game. It was the only time all evening that Paul Greene and Bill Junge West had led--but it was the

Drewitz finished with 23 points to top the winners.

Southfield Starters

KALAMAZOO -- Junior Guard Rick Coleman and Sophomore Guard Ray Schlaff of Western Michigan University were both starters on the Southfield High basketball team that earned runnerup honors in the 1965 Class A high school basketball tournament.

Chip Shot Wins Meet For Pott

Champs? Who But Packers

Everybody was in agreement: The Oakland Raiders were

But not as great as the Green Bay Packers who added another chapter to their football accomplishments in beating the Raiders, 33-14, for their second straight Super Bowl champion-

Ball control again was the big factor for the Packers. Just as was the case a year ago when they beat Kansas City in the first Super Bowl, the Packers and their quarterback Bart Starr held on to the ball to great extents.

WHEN THE RAIDERS made a run at the Packers in the second period, the Packers forced Oakland into mistakes ... and as usually happens when a champ forces a mistake, it capitalizes.

to only 11 for the Raiders.

time they had the ball. They

never trailed thereafter.

The Packers scored the first

About all that the Packers left unsettled after their victory was whether Vince Lombardi would return next season as

At one stage, the Packers carried the ball on 20 plays

He wouldn't say, but forth serve the Packers only as general manager.

was over that "we'll be back." Many figure the Raiders are "the team of tomorrow."

Green Bay started on its own 33 the first time it got the ball. The Packers moved to the Oakland 31 from where Don Chandler kicked the first of four field goals from the 39.

MOMENTS LATER, Oakland appeared to have Green Bay in the hole. A kick went to the Packer 3. But the Packers wasted no time generating anmaking it 6-0 on a 21-yard

field goal. In the second period, the Packers took over on their own 37. On the first play, Starr fired to end Boyd Dowler who eluded the Raider defense and galloped for a touchdown to make it 13-0.

Oakland was by no means down or out. The Raiders rolled right back, starting on their own 22 and a Daryle Lamonica pass to Bill Miller from the Packer 23 clicked for a touchdown and the Raiders were back country.

in the thick of things.

But just before the half ended reports are that he'll hence- a muffed kick by an Oakland player gave the Packers the ball at the Raider 45. And with The Raiders, a much younger a second left in the half. team, were confident when it Chandler kicked a 43-yard field goal to make it 16-7 and that

proved all the Packers needed. Early in the third period the Packers put on another march, going 83 yards on the ground and in the air with Donnie Anderson going the final two yards for a touchdown,

THE NEXT TIME the Packers got the ball, it wound up with Chandler kicking a 31-yard field

Then to cap it all for the Packers, ex-Michigan Stater other march, with Chandler Herb Adderley intercepted a pass and ran 60 yards to give the Packers a 33-7 lead.

> All that remained was for the Raiders, still going all out, to score late in the game, on another Lamonica to Miller pass -- this one for 24 yards.

The football season, however, hasn't ended--yet. Next Sunday both the American and National Leagues will hold their All-Star games.

It just will add up to another long day of television for football fans most places in the

JUMPING HIGH for a loose ball is Margaret Winkeljohn (15), of St. Agatha High, during the CYO Girls League basketball game against St. Alphonsus of Dearborn. Agatha is one of the few Catholic High schools in Observerland sponsoring a

team. The score -- Well, St. Agatha isn't saying a thing...they were soundly whipped.

N. F. High

Charley Morris, Clarenceville High School's state gymnastic champion, massed an impressive 26 1/2 points to lead his team to victory over North Farmington.

Morris took top spot in four events -- side horse, horizontal bar, parallel bars and still rings -- and handed North Farmington its first dual meet loss in two years.

Thompson termed the 69 1/2 to 58 1/2 triumph the best high Trenton whipped off five Hopkins 11 and Chris Lang 10 school event he has seen in his 12 years as coach.

Morris won four of the eight events which brough his string to 30 over a two year period.

NORTH FARMINGTON has been state champions for the past two years and is being seriously challenged by Clarenceville this year.

Duane Ortwine, of North Farmington, beat Morris for the first in the free exercise competition. Dan Erickson took top honors in trampoline for North Farmington and Ted Ortwine, also from North Farmington, won the tumbling event.

North Farmington's Terry boys won top spot in vaulting competition to round the dual meet at Clarenceville with four events for each school.

Morris, a senior, has been Clarenceville's big winner for the past two years.

Collegians Whip Foe

Schoolcraft College's swimming team engineered a 57-34 victory over Port Huron in a weekend resulted in two more

Dave Trembath won the 160yard individual medley and the breast stroke for Schoolcraft while Roger Zygnowicz won the 500-yard free, Les Ferguson the 60 free and Don Goerlitz the back stroke.

Schoolcraft, which also won both relays, swims Jackson and Windsor at Jackson Friday.

Fourteen Charities Pace Win

Fourteen straight free throws! It was that kind of shooting from the charity line by Dave Brandemihl which paced Clarenceville to a 66-59 victory over Holly in a Wayne-Oakland League game.

Brandemihl finally missed on its 15th try, but best available information is that he set a school record with his chain of successes.

Brandemihl wasn't alone in getting free throw opportunities for Clarenceville. In all, the Trojans had 48 chances to toss in free ones as Holly ran into trouble by fouling as it sought to contain Clarenceville with a pressing defense.

In all, the Trojans made 32 charities, along with 17 baskets. Clarenceville led, 12-10, after one quarter and 29-27 at halftime. In the third period, Clar-

enceville outscored Holly, 19-12, and in the fourth the Trojans clicked for 18 more points to wrap up the verdict.

Brandemihl topped all scorers with 24 points. Bob Duman had 14 and Gary Rifkin and Brian Kent 10 each for the winners, who now stand 2-4 in the league and 3-5 overall.

St. Agatha Beaten By St. Cecilia

St. Agatha High's basketball team dropped a 75-71 decision to St. Cecilia despite a 28-point effort by Chuck Costello and a 25-point contribution by Jerry Myron.

The teams were tied at 34-34 at halftime, but St. Cecilia forged on top by six points with 1:15 left.

St. Agatha fought back to within two points of a tie, but Roscoe Wright made two free throws with 20 seconds left to wrap up the game.

Wright finished with 31

It was just a case of looking, because the teams didn't meet headon as Belleville went to edge Bentley for the champion-

Rocks Learn

By Watching

But what the Plymouth players observed paid off handsomely for them as the Rocks squared off against Belleville Friday night in a Suburban Six League game.

Plymouth had no problems winning, 75-58, for its first loop win in three starts and to square its overall season's record at

and Harvey Kightlinger and

This Friday East must con-

tend with Taylor, the league's

Charles Sakmar eight each.

"We sure felt our boys learned a great deal from watching Belleville twice," said Rocks' coach Dick Bearup. "We were able to get a good look at their man-to-man, fullcourt press.

"AS A RESULT when we worked on the way to beat that offense in practice, our boys had a good idea of what to de when the situation presented

It took the Rocks a half to get going in full blast.

They led, 16-13, after one period, but then held only a

35-34 edge at halftime. The battle became a rome in the third period when the Rocks outscored Belleville, 23-12, as Mike Kubik led the way with 10 points. Kubik had sat out most the third period with personals but when he got back into the lineup he exploded.

Kubik and Greg Corrigm comprised most the Rocks' offensive power. Kubik finished with 27 points while Corrigan had 22. Mike Stakias contributed nine points and Jeff Adams five.

third-place team. Thurston 'Strategy'

Tops Glenn

When one strategy doesn't work, try another. Thurston High's basketball

team did, and the result was a 70-56 victory over John Glenn in a Northwest League game. After Glenn led, 16-14, at the

close of the first period, blazing as he made 10 our of Thurston switched from a zone press to a man-to-man defense to start the second quarter. By halftime Thurston had a

OVERALL, EAST fired in 34 out of 68 shots, which figures out 34-23 lead and the Townshippers never were seriously The only item that bothered pressed the rest of the way as Coach Billy Joe Young was the they posted their second loop East free-throw shooting. The win in three starts and made team made only 12 out of 22 their overall record read, 6-5. In the second period, Rick Klack had 14 points for Thurston knocked in 10 baskets East while Harold Slade had nine with Tom Forbes and Urban

> Rice collecting three each. Forbes and Rice had 16 points each, Dale Joyce II and Denny Day nine for the winners.

Glenn's Kerry Webb paced all scorers with 21 while Dick Ditman added 19. Thus Webb and Ditman accounted for 40 of the 56 Glenn tallies.

Fast Start By Sorrows pulled in front, 37-24, at half-Rips Foe time, Franklin came rushing

A fast explosion proved decisive for Our Lady of Sorrows high school basketball team and produced an 83-76 win over Pontiac Central in a Catholic League game.

Sorrows wasted no time erupting.

Making steal after steal, which led to several easy layup shots, Sorrows built up a 32-16 lead after one period and went on to win, although outscored in every other quarter.

.At the end; all of the reserves were in action for Sorrows. Mike Hart was the big man for

the winners with 22 points, heading four Sorrows players who scored in double figures. Bob Theisen collected 16,

getting 10 of them in the first period when Sorrows romped off merrily. Dennis Perry contributed 15 points and Tom Web-

SHORTLY AFTER the alarm was sounded at 8:43 Friday evening, Safety Director Albright called for mutual aid and both the City of Plymouth and Canton Township companies responded.

No sooner had they arrived than a report was received of

ware store at Ann Arbor Road and Main Street. The Canton company was delegated to that area to stand guard, but no fire resulted. Aside from the City of Ply-

mouth squad, the Township had 26 men fighting the blaze that wasn't declared "out," officially, until 2:31 Saturday morning. Of the 26 men, eight were regular members of the Township department and the others were volunteers who worked through the entire time it required to conquer the blaze. Director Albright placed the

damage to the apartment at

Heart Attack Claims William Taylor

William Taylor, one of Plymouth's elder long time residents, died Monday in St. Joseph Mercy Hospital from a heart attack.

Services will be held Friday in Schrader Funeral Home at 1 p.m. with Rev. Henry D. Walch conducting. Burial will be in the Oakview Cemetery. Royal Oak.

Taylor , 78, of 46227 Ann Arbor Rd., was a life-time resident of Plymouth. He came to the community in 1899 from

He was an active member in the Plymouth Rotary Club, a life member of the Plymouth Rock Lodge No. 47, F & A.M., a life member of the Order of the Eastern Star, Chapter No. 115, life member of the Peninsular Chapter No. 16, Detroit, life member of the Knight Templar, Northville Commandry, and a member of the Moslem Templar Shrine, De-

Surviving him are his wife Clara M. Taylor, one daughter, Mrs. Marian M. Wood of Plymouth, two sister, Mrs. Jessie Williams of Livonia, and Mrs. Margaret Carley of Plymouth, one brother, Andrew of Plymouth,, and two grandchildren.

Frigid Steels

The strength of nickel stainless steels increases as they get colder. At the same time, even at temperatures approaching absolute zero, they do not become brittle, and retain their toughress and ductility.

were reported broken into during a four-day period last week. Two apartments at 41655 Wil-

cox were forcibly entered. One was ransacked but nothing was reported missing. The other unit was also ransacked and property worth \$95 was stolen.

Another apartment at 12820 Heritage Dr. was entered by unknown persons and an estimated \$225 worth of jewelry was discovered missing.

ITEMS INCLUDING a portable television set, an iron and a record player, estimated to be valued at \$285, were stolen from a home at 9524 Terry. A second home, located on

Jaycees Get New Youth Center

Continued From Page 1

a temporary permit rather than asking for re-zoning of the property on the theory that the new plan was an experiment and they wanted time to see whether it would succeed. They explained this plan was in contrast to a request for re-zoning that might work a hardship on the property owners if the change in zoning was granted and the experiment failed.

In taking over the vacant building the Jaycees are hopeful of establishing a much needed youth center.

LAST SPRING they were balked in their plan to take over the vacated church on Ann Arbor Trail and make the center a permanent memento of the Cen-

Since then they have been on the hunt for a suitable location and the site at 190 Hardenburg finally was located.

With a place to call their own, at least for a year, the Jaycees are planning a well rounded program of dances, recreation, and all of the things that would be found in the modern youth center. Among them will be such things, too, as Youth Guidance program, job placement and community service.

To obtain the necessary funds to linance the activities the Jaycees are embarking on a fund raising program that will include the sale of Christmas trees; packaging and collating Romney campaign material, making and bottling hand lotion: a pumpkin pie sale and a car

forcibly entered through a rear door and the owner, Richard Mallow, told Wayne County Sheriffs that his entire house had been searched by the

Mallow reported that among sing.

Seven homes and apartments 13400 Beacon Hill Dr. was other things his camera, light

Another home at 13273 Beacon Hill Dr. was also ransacked but nothing was reported mis-

missing and were worth about 13059 Beacon Hill Dr. Again or similar object, burglars ransacked the entire

house but stole nothing. Wayne County Sheriff's re-

meter, and camera case were entering case was reported at loosening the latch with a knife

Each of the homes was either entered through a rear door or side door, and in each case the ported that in the case of the burglars broke a pane of glass three apartments the theives and unlocked the doors.

Superintendent Fights Way To Top

completed his 32nd year in Michigan education in a career which saw him rise from an eighth grade teacher in Northvifle to become the Superintendent of Plymouth Community Schools.

The dynamic leader began his long career from humble surroundings. He is a farm boy who came to the big city to meet the challenges it pre-

He was born on a farm in Metamora on May 27, 1916 and, in 1934, he graduated from Metamora High School with the intention of becoming an

However, circumstances forced him to realign his goals and put off a career in the field of auditing until he could afford to attend college.

HIS PARENTS did not have enough money to send him to a big university and, on top of all that, Rossman himself was flat broke.

Rossman decided that the next best thing to do in his situation was to attend Lapeer County Normal Teachers School, which he did in 1934. It cost him one dollar a week

What makes a credit union different from any other financial institution in the world? Answer: People helping people. A credit union's interest is in YOU, not just in your money. It is concerned not simply with your short-term loan, but with your long-term

A credit union is in business to help its members. It is owned by its members. That's why loans usually cost less at a credit union — because there's no point in charging yourself high interest rates.

That's why credit unions pay generous dividends — because ALL dividends go back to the members. That's why credit unions provide life insurance with your savings . . . and life insurance on loans . . . as an extra dividend at no extra cost.

Credit unions help provide the security you need - help safeguard your family's future. Over a million and a half people in Michigan now belong. Isn't it time

For more information, contact the C.U. where you work - or the one in your parish or neighborhood - or write Michigan Credit Union League, P.O. Box 5210, Detroit,

The Tri-City Airport Commission in Midland Monday announced the appointment of Robert R. Denison, 34, to be the new manager of the airport which serves Midland, Bay City and Saginaw.

Denison currently is manager of the El Monte Airport in Los Angeles County, Calif.

Priest's Note For Thieves

The Rt. Rev. Msgr. Thomas Kilfoil wrote out a note for the thieves who made off with an amplifier from St. Charles Roman Catholic Church in Bloomington, Ind. The note read:

"To the two who entered an unlocked church at night to prey: You're welcome to our \$200 ampliffer which you stole. We only used it to pray. Since your need is greater than ours--accept it with our pity.

"P.S. The church remains and always shall be unlocked. You may bring back the amplifier when your guitar loses its

CITY OF PLYMOUTH, MICHIGAN

ORDINANCE NO. 3

AN ORDINANCE PROVIDING FOR THE ACQUISITION AND CONSTRUCTION BY THE CITY OF PLYMOUTH MUNICIPAL BUILDING AUTHORITY OF TWO PARKING LOTS FOR THE USE OF THE CITY OF PLYMOUTH: PROVIDING FOR THE ISSUANCE OF REVENUE BONDS TO DEFRAY THE COST THEREOF; AND PROVIDING FOR OTHER MATTERS RELATIVE TO SAID PARKING LOTS AND THE SAID BONDS.

WHEREAS, the City of Plymouth Municipal Building Authority (hereinafter referred to as the "Authority"), has been duly incorporated by the City of Plymouth, a municipal corporation of the State of Michigan, pursuant to the provisions of Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, for the purpose of acquiring, furnishing, equipping, owning, improving, enlarging, operating and-or maintaining a building or buildings, automobile parking lots or structures, and the necessary site or sites therefor for lease to and the use of the City of Plymouth: and

WHEREAS, the Authority, pursuant to the authority granted to it by Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, and its Articles of Incorporation, purposes to acquire and construct two parking lots for the use of the City of Plymouth, said parking lots to be located on lots and parcels of land hereinafter described (and which are hereinafter called "lots"); and

WHEREAS, the total cost of acquiring, constructing and developing said lots is estimated to be the sum of Two Hundred Ninety Thousand (\$290,000.00) Dollars, which will include the site therefor, engineers' fees, legal and financing fees and contin-

WHEREAS, the Authority proposes, in accordance with the authorization contained in Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, to provide at this time for the issuance of Revenue Bonds in the aggregate principal sum of Two Hundred Ninety Thousand (\$290,000.00) Dollars to finance the cost of acquiring, constructing and developing said lots; and WHEREAS, said Authority and the City of Plymouth have entered into a contract for the leasing of said lots, which said lease is herein set forth in full and made a part of this Ordi-

LEASE

nance, as follows:

MADE AND EXECUTED this 11th day of January, 1968, by and between the City of Plymouth Municipal Building Authority, a public corporation organized and existing under the author ity of Act 31, Public Acts of Michigan, 1948, First Extra Session, as amended, hereinafter referred to as the AUTHORITY, and the City of Plymouth, a Michigan municipal corporation organized and existing under the Constitution and laws of the State of Michigan, hereinafter referred to as the CITY:

WITNESSETH:

WHEREAS, the AUTHORITY has been incorporated under and in pursuance of the provisions of Act 31, Public Acts of Michigan, 1948, First Extra Session, as amended, for the purpose of acquiring, furnishing, equipping, owning, improving, enlarging, operating and-or maintaining a building or buildings, automoble parking lots or structures and the necessary site or sites

therefor for the use of the CITY; and WHEREAS, the CITY desires to acquire the use of two parking lots on lands more particularly hereinafter described (which parking lots are herein called "lots") and the AUTHOR-ITY is willing to acquire and improve said lots and lease the same to the CITY; and

WHEREAS, if this agreement were not executed between these parties, the CITY would be compelled to acquire other automobile parking space from other sources in the foreseeable future to provide the necessary facilities for such purpose in order to protect the public safety of the citizens of the CITY by relieving traffic congestion, which space would cost the CITY more in annual rental than the annual rental required to be paid hereunder; and

WHEREAS, the sites for the said lots are various parcels of land, unencumbered fee simple title to which will be acquired by the AUTHORITY, said parcels situated and being in the City of Plymouth, County of Wayne, State of Michigan, and described in Exhibit A attached hereto and made a part hereof, and upon such site the AUTHORITY will construct the lots in accordance with the plans and specifications to be prepared by Johnson & Anderson, Inc., engineers of Pontiac, Michigan; and

WHEREAS, the total cost of the lots is estimated to be in the sum of Two Hundred Ninety Thousand (\$290,000.00) Dollars. which will include acquisition and construction costs, engineers fees, legal and financing fees therefor, and contingencies; and WHEREAS, the entire cost of said lots is to be provided by authorizing the issuance of revenue bonds by the AUTHORITY pursuant to the provisions of Act 94 of the Public Acts of Michi-

gan, 1933, as amended; and WHEREAS, as a prerequisite to the authorization and issuance of said bonds, it is necessary for the parties hereto to enter into a final lease contract whereby the AUTHORITY will lease to the CITY and the CITY will hire from the AUTHORITY the said lots for a period extending beyond the last maturity date of the said bonds, but not to exceed a period of forty (40)

IT IS, THEREFORE, AGREED BY AND BETWEEN THE PARTIES HERETO, for and in consideration of the agreement and covenants of each other and moneys to be paid one to the other, as follows:

1. The AUTHORITY will, on or before May 1, 1968, enter into final contracts for the acquisition and construction of said lots as described in the preamble hereto, following the preparation of detailed plans and working drawings and securing of contract bids therefor; said lots to be completed for the use of the CITY on or before August 1, 1968, in accordance with the plans and specifications therefor to be prepared as aforesaid, provided that no final construction contracts shall be entered into by the AUTHORITY until revenue bonds to defray the cost thereof have been sold.

2. In consideration of the rentals and other terms and conditions herein specified, the AUTHORITY does hereby let and lease to the CITY the lots to be acquired and constructed, TO HAVE AND TO HOLD for a term commencing on or before the first day of July, 1968, and ending on a day forty (40) years from the date hereof, or such lesser period as may be author ized by the provisions of this Lease.

The annual rentals to be paid by the CITY and which the CITY hereby promises and covenants to pay, shall be Twenty-Seven Thousand Five Hundred (\$27,500.00) Dollars, pay able on the first day of October, 1968, and on the first day of October each year thereafter (which annual rental is herein after called "fixed annual rental").

The fixed annual rentals herein required are in an amount sufficient to meet, as they mature, the principal and interest payments on the revenue bonds of the AUTHORITY in the total authorized principal sum of Two Hundred Ninety Thousand (\$290,000.00) Dollars, and to provide for a debt service reserve therefor, and after establishment of said reserve, to provide funds to call bonds prior to maturity.

In the event an increase in the fixed annual rentals herein provided becomes necessary in order to provide adequate funds for the AUTHORITY to meet its debt service requirements on the bonds issued and outstanding, and the necessary reserve requirements, the CITY agrees to pay the increased annual

The CITY, in its sole discretion, in any annual period, may pay in advance any proportion of its fixed annual rental in excess of the annual requirement, in which event the AUTHORITY shall credit the CITY with advance payment of the next succeeding annual requirements to the extent of such excess pay-

The CITY, at its own expense during the term of the within lease, shall operate, maintain and keep in repair the lots, and the expense in connection therewith shall be borne and paid by the CITY, in addition to all other rentals herein required. Operation and maintenance shall be deemed to include, but not to the exclusion of any other items not herein specified, lighting, snow and debris removal, painting and such other repair and maintenance items as are necessary to provide for efficient operation of the lots and to keep the same in good repair and working order, policing and providing such attendants as may be necessary, securing proper insurance coverage, and paying all the administrative costs of the AUTHORITY.

5. The CITY will include in its budget for the fiscal year commencing July 1, 1968 and shall include in its budget for each fiscal year thereafter, an amount sufficient to pay the total obligations under this contract, including the fixed annual rentals and the operation and maintenance costs of the lots as herein specified for the next ensuing fiscal year. The fixed annual rentals and obligations for operation and maintenance costs specified in this contract shall be deemed to be an operating expense of the CITY. On or before May 1st of each and every e CITY shall prepare a statement of the moneys to be included in the next ensuing fiscal budget for the fixed annual rentals and operation and maintenance costs of the lots.

The AUTHORITY shall have the right and privilege to communicate directly with the City Commission of the CITY regarding any disputed items in said budget, and in any event the budget shall be reasonably adequate to cover the obligations of the CITY herein contained in this Lease. In no event shall

the amounts to be included by the CITY in its annual budget for the maintenance, operating and rental expenses in connection with this Lease be less than the amount required to reasonably maintain said lots, and to pay promptly and fully all obligations maturing under this Lease, as well as the debt service in connection with any revenue bonds issued, or to be issued, by the AUTHORITY in connection with the acquisition, improvement and leasing of the lots, and in no event shall the CITY'S obligation in any such annual budget be less than the

amount required by law. 6. The CITY may install in the lots such equipment or fixtures as it may desire, but shall not make any permanent alterations to the lots without the written consent of the AUTHORITY.

7. The CITY covenants and agrees that it will not permit the use of the lots in any manner that will substantially increase the rate of insurance thereon, or for any purpose which will result in a violation of local, State or Federal laws, rules or regulations, now or hereafter in force and applicable thereto, and shall keep the AUTHORITY harmless and indemnified at all times against any loss, cost, damage or expense by any accident, loss, casualty or damage resulting to any person or property through any use, misuse, or non-use of said lots, or by reason of any act or thing done or not done on, in or about said lots or in relation thereto. The CITY further covenants and agrees that it will promptly and at its own expense, make and pay for any and all changes and alterations in or about the lots, which, during the terms of this Lease, may be required to be made any time by reason of local, State or Federal laws, and to save the AUTHORITY harmless and free from all cost or damage in respect thereto.

8. To carry out the acquisition, construction and development of the lots and the financing thereof in accordance with the provisions of Act 31, Public Acts of Michigan, 1948, First Extra Session, as amended, the following actions shall be taken

by the AUTHORITY:

(a) The AUTHORITY will, immediately upon the execution of this Lease, enact the necessary ordinance to authorize the issuance of revenue bonds in the aggregate principal sum of Two Hundred Ninety Thousand (\$290,000.00) Dollars, pur-suant to the authorization contained in Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, being the amount estimated to be sufficient to pay the cost of the acquisition, construction and development of said lots, together with engineering fees, legal and financing expenses and contingencies. The AUTHORITY will offer for sale, and take such other necessary legal procedure as may be necessary to sell said bonds as soon as final construction bids have been received; said bids to be held for final acceptance pending sale of said

(b) The AUTHORITY will, immediately upon the sale of the bonds herein provided for, but prior to the delivery thereof, enter into and execute contracts for the acquisition and construction of said lots, in accordance with the plans and specifications therefor prepared and approved by the AU-THORITY and the CITY, and no changes in said plans and specifications shall be made by the AUTHORITY without the consent of the CITY, said contracts to specify a completion date of not later than August 1, 1968. The AUTHORITY shall not execute any contract in connection wih the construction of said lots until the same has been approved by the City Commission of the CITY.

(c) The AUTHORITY will require and secure from any contractor undertaking the construction of said lots necessary and proper bonds to guarantee the performance of said contract in such amount and in such form as may be approved by the City Attorney of the CITY, and such labor and material

bonds as are required by law. (d) The AUTHORITY will, immediately upon receipt of

the proceeds of the sale of the revenue bonds, comply with all requirements provided for in the ordinance relative to the disposition and use of such proceeds. (e) In the event for any reason there are not sufficient funds to complete the acquisition and construction of the lots.

and additional funds become necessary therefor, it is agreed by the parties hereto that either of the following methods of providing said additional funds shall be used: (1) The CITY may pay the necessary funds as addi-

tional advance rentals, and obtain credit or repayment therefor out of future rentals due under the terms of this Lease after all outstanding revenue bonds of the AUTHORITY are paid. (2) Increase the amount of the fixed annual rental to

be paid by the CITY in an amount fully sufficient to amortize any additional revenue bonds issued by the AUTHORITY. 9. The AUTHORITY shall deliver possession of the space leased by this contract to the CITY not later than July 1, 1968. In the event the acquisition and construction of the lots for reasons unforeseen is not completed by that date, the obligation of the CITY for the payment of the fixed annual rentals shall in any event remain in full force and effect in order to provide fixed annual rentals for the payment of interest and principal on the revenue bonds issued by the AUTHORITY.

There shall be no abatement of the fixed annual rentals required to be made by the CITY in the event of a casualty that results in the lots being not tenantable. If, in the judgment of the AUTHORITY, the funds received from any insurance policies, or otherwise, shall be insufficient to make the lots usable or tenantable, then, in that case, the AUTHORITY shall hold and-or invest the funds paid to it by reason of such loss for the benefit of the holders of outstanding revenue bonds of the AUTHORITY, and when upon receipt of sufficient rentals from the CITY, which, together with the proceeds of the insurance. will be sufficient to pay the principal and interest upon all outstanding revenue bonds of the AUTHORITY, said moneys shall be deposited by the AUTHORITY in trust for the benefit of the bondholders and used to pay the principal and interest on said bonds as they mature or as said bonds become callable. Such funds so held may be invested in bonds, notes, bills and certificates of the United States of America.

11. The CITY shall provide liability insurance in an adequate amount protecting the AUTHORITY and the CITY against loss on account of damage or injury to persons or property, imposed by reason of the ownership of the lots, or resulting from any act of omission or commission on the part of the AUTHOR-ITY, or the CITY, their agents, officers and employees, in connection with the acquisition, construction, operation, maintenance or repair of said lots, or the furnishing of any service to the CITY. The AUTHORITY shall require a sufficient fidelity bond from any person handling the funds of the AUTHORITY

12. The leasehold rights, duties and obligations of the CITY as specified in this contract, shall not be assigned nor sublet in whole or in part during the terms of this Lease or while any of the revenue bonds of the AUTHORITY issued for the purpose of defraying the cost of the lots are outstanding and unpaid, provided, however, that the CITY may lease space in the lots to others to be used for parking purposes.

13. The AUTHORITY, its agents, servants, or employees, shall have the right at all times of entering upon the lots for the purpose of inspecting said property and determining whether all of the terms, agreements, covenants and conditions herein contained are being complied with.

14. The CITY covenants and agrees that it will continue to pay to the AUTHORITY, in accordance with the terms of this Lease, the fixed annual rentals herein specified and the operation and maintenance costs of the lots herein established, with out abatement for any cause or reason whatsoever, until the principal and interest of all revenue bonds issued by the AU-THORITY to finance the cost of acquisition and construction of

the lots are paid in full. 15. The CITY covenants and agrees that if, before all rev enue bonds issued by the AUTHORITY to defray the cost of the lots have been retired, default shall at any time be made by the CITY in payments of the fixed annual rentals or operation and maintenance costs as herein required, the AUTHORITY shall have the right to use all the remedies provided by law to correct said default, including those specifically set forth in Act 94. Public Acts of Michigan, 1933, as amended.

In addition to the other remedies provided by law, the parties hereto recognize the rights and remedies which exist in bondholders by virtue of the provisions of Act 94, Public Acts of Michigan, 1933, as amended, and ordinance to be enacted by the AUTHORITY providing for the issuance of revenue bonds under the provisions of said Act, as provided for and authorized by the provisions of Act 31, Public Acts of Michigan, 1948, First

Extra Session, as amended. 16. The AUTHORITY and the CITY each recognize that the holders from time to time of the revenue bonds of the AUTHOR-ITY issued pursuant to law to defray the cost of the lots will have contractual rights in this Lease, and it is, therefore, covenanted and agreed by each of them so long as any of said revenue bonds shall remain outstanding and unpaid, the provisions of this Lease shall not be subject to any alteration or revision which would in any manner unfavorably affect either the security of the bonds or the prompt payment of principal or interest thereon. The AUTHORITY and the CITY further covenant and agree that they will each comply with their respective duties and obligations under the terms of this Lease and as may be required by law, promptly at the times and in the manner herein set forth, and will not suffer to be done any act which would in any way impair the said bonds, the security therefor, or the prompt payment of principal and interest thereon-

17. Any notice necessary or proper to be given to any of the parties hereto may be served in the following manner: (a) If to the AUTHORITY, by delivering the same to any member of the Commission thereof.

(b) If to the CITY, by delivering the same to the City Clerk or his deputy. 18. This Lease shall remain in full force and effect for a period of forty (40) years from the date hereof, or until such lesser time as the revenue bonds issued by the AUTHORITY to defray the cost of the lots are paid in full. At such time within the forty (40) year term as all of said revenue bonds and the interest thereon are paid, this Lease may be altered or changed by consent of the parties hereto, or the same may be terminated by consent and title to the lots conveyed to the CITY in manner contemplated by Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended.

19. The AUTHORITY covenants that the CITY upon compliance with the terms of this Lease, shall and may peacefully and quietly have and hold and enjoy the lots for the terms herein provided.

20. This Lease shall inure to the benefit of and be binding upon the respective parties hereto, their successors and assigns 21. If for any reason the revenue bonds hereinbefore mentioned cannot be lawfully sold, or in the further event the parties hereto shall not agree upon the specifications of the lots and as a result of said disagreement none of the revenue bonds are issued by the AUTHORITY, this agreement shall be of no force and effect: Provided, however, that in no event shall this agreement become null and void if the said revenue bonds mentioned above are sold and issued by the AUTHORITY.

IN WITNESS WHEREOF, the City of Plymouth Municipal Building Authority, by its Commission, and the City of Plymouth, Michigan, by its City Commission, have each caused its name to be signed to this instrument by its duly authorized officers and its seal to be affixed hereto the day and year first above written.

This Lease has been executed in duplicate.

That part of Lot 314 described as beginning at the Southeast corner of Lot 313 and proceeding thence S. 5 degrees 51' 24" W., along the Easterly line of Lot 314, a distance of 61.41 feet; thence N. 83 degrees 55" W., 165.0 feet; thence, N. 16 degrees 21' 20" E., 61.79 feet; thence S. 84 degrees 08' 36" E., 153.74 feet to the POINT OF BEGINNING; ALSO, That part of Lot 314 described as beginning at a point on the Easterly line of Lot 314, distant S. 5 degrees 51' 24" W., 61.41 feet from the Southeast corner of Lot 313 and proceeding thence S. 5 degrees 51' 24" W., along said Easterly line 64.40 feet; thence N. 83 degrees 55' W., 165.0 feet; thence N. 5 degrees 51' 24" E.. 64.40 feet; thence S. 83 degrees 55' E.. 165.0 feet to the POINT OF BEGINNING: ALSO, That part of Lots 314 and 315 described as beginning at the Southeast corner of Lot 315 and proceeding thence N. 81 degrees 13' 40" W. along the southerly line of Lot 315 a distance of 118.68 feet to the Easterly line of a public alley; thence along said Easterly line N. 7 degrees 14' 40" E., 5.03 feet and northerly along a curve to the left, radius 78.13 feet, a distance of 41.17 feet; thence N. 8 degrees 40' 20" E., 12.91 feet; thence N. 81 degrees 13' 40" W., 9.96 feet to the Easterly line of a public alley; thence along said Easterly line N. 34 degrees 56' 08" W., 24.73 feet and northerly along a curve to the right, radius 47.24 feet, a distance of 33.63 feet and N. 5 degrees 51' 24" E:, 192 feet; thence S. 83 degrees 55' E., 165.0 feet to the easterly line of Lots 314 and 315; thence S. 5 degrees 51' 24" W. along said line 114.85 feet to the POINT OF BEGINNING.

PENNIMAN LOT Lot No. 207 of Assessor's Plymouth Plat No. 8 as recorded in Liber 64, Page 78, Wayne County Records; and including that certain 15-foot easement upon, over, and through Lot No. 209 of said Assessor's Plymouth Plat No. 8, which easement is recorded in Liber 1521, Page 18 of Wayne County Records.

WHEREAS, all things necessary to the authorization and issuance of revenue bonds under the provisions of the Constitution and laws of the State of Michigan, and particularly Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended. have been done, and the AUTHORITY is now empowered and desires to authorize the issuance of such bonds: NOW, THEREFORE, THE CITY OF PLYMOUTH MUNICIPAL BUILDING AUTHORITY ORDAINS:

DEFINITIONS Section 1. Wherever used in this Ordinance or in the bonds to be issued hereunder, except where otherwise indicated by the context:

(a) The term "Authority" shall be construed to mean the City of Plymouth Municipal Building Authority, organized pursuant to the provisions of Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended. (b) The term "City" shall be construed to mean the City

of Plymouth, State of Michigan. (c) The term "Commission" shall be construed to mean the Commission of the Authority, the legislative and governing body of said Authority.

(d) The term "lots" shall be construed to mean the parking lot to be acquired, constructed and developed, as described in the preamble hereto, pursuant to the provisions of this Ordinance and the Lease.

(e) The term "lease" shall be construed to mean the lease contract heretofore made and executed between the Authority and the City, as set forth in full in the preamble

(f) The term "fixed annual rentals" as used herein shall be construed to mean the fixed annual rentals as provided and defined in paragraph 3 of the Lease to be paid annually to the Authority by the City. Said term shall be considered to have the same meaning and purport as the term "net revenues" as specified in Section 3 of Act 94, Public Acts of Michigan, 1933, as amended.

DECLARATION OF NECESSITY Section 2. It is hereby determined to be necessary and advisable for the Authority to acquire, construct and develop the lots, as provided and specified in the Lease, in accordance with plans and specifications prepared by Johnson & Anderson, Inc., engineers of Pontiac, Michigan.

ESTIMATED COST. PERIOD OF USEFULNESS Section 3. The total estimated cost of the lots, including the payment of the incidental expenses specified in Section 4 hereof, which estimated cost is Two Hundred Ninety Thousand (\$290,000.00) Dollars, is hereby approved and confirmed, and the

estimated period of usefulness of the lots is determined to be not less than forty (40) years. ISSUANCE OF REVENUE BONDS Section 4. For the purpose of paying the cost of acquiring, constructing and developing the lots, including the payment of

engineers' fees, legal and financial and other expenses incidental to the financing, there be borrowed on the credit of the net revenues of the lots, consisting of the fixed annual rentals, the sum of Two Hundred Ninety Thousand (\$290,000.00) Dollars, and that in evidence thereof there by issued the negotiable revenue bonds of the Authority in the principal amount of Two Hundred Ninety Thousand (\$290,000.00) Dollars, which bonds are sometimes referred to in this Ordinance as the "bonds." BOND TERMS

Section 5. Said bonds shall be designated CITY OF PLYM-OUTH MUNICIPAL BUILDING AUTHORITY PARKING LOTS REVENUE BONDS and shall be payable solely out of the fixed annual rentals to be paid by the City to the Authority pursuant to the provisions of the Lease, and shall consist of fifty-eight (58) bonds of the denomination of \$5,000.00 each, dated as of April 1, 1968, numbered consecutively in direct order of maturity from

1 to 58, inclusive, and payable serially, as follows: \$10,000.00 November 1st of each year from 1968 to 1971,

inclusive: \$15,000.00 November 1st of each year from 1972 to 1978,

\$20,000.00 November 1st of each year from 1979 to 1983,

\$20,000.00 November 1, 1985.

Said bonds shall bear interest at a rate or rates not exceeding five per cent (5%) per annum, payable on November 1, 1968, and semi-annually thereafter on May 1st and November 1st of each year, both principal and interest to be payable in lawful money of the United States of America at a bank or trust company qualified to act as paying agent, to be designated by the

manager of the account purchasing the bonds, who may also designate a co-paying agent having like qualifications. Said bonds may be registered as to principal only in the manner and with the effect set forth on the face thereof, as hereinafter

Bonds maturing in the years 1968 to 1982, inclusive, shall not be subject to redemption prior to maturity.

Bonds maturing in the years 1983 to 1985, inclusive, shall be subject to redemption prior to maturity, at the option of the Authority, in inverse numerical order, on any interest payment date on or after May 1, 1982, at par and accrued interest to the date fixed for redemption, plus premiums, expressed in a per-

centage of par, as follows: 3% of the principal amount of each bond redeemed on or before November 1, 1983;

2% of the principal amount of each bond redeemed after November 1, 1983, but on or before November 1, 1984:

1% of the principal amount of each bond redeemed after

November 1, 1984, but before maturity. Thirty days notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan, which carries, as part of its regular service, notices of sale of municipal bonds, and in case of registered bonds thirty days notice shall be given by mail to the registered holder at ,. the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, whether presented for redemption or not, provided funds are on hand with the paying agent to redeem said bonds.

EXECUTION OF BONDS Section 6. The Chairman and Secretary of the Commission are hereby authorized and directed to execute said bonds when issued and sold for and on behalf of the Authority, and affix the seal of the Authority thereto, and the Chairman of the Commission is hereby authorized and directed to execute the interest coupons to be attached to said bonds by causing his facsimile signature to be affixed thereto. Upon the execution of said bonds and the attached coupons, the same shall be delivered to the Treasurer of the Commission or such other officer as shall be designated by the Commission, who is hereby authorized and

directed to deliver said bonds and attached coupons to the pur-

chaser thereof as hereafter determined by the Commission, upon

receipt of the purchase price therefor. SECURITY FOR BONDS. LIEN

Section 7. The bonds are issued in anticipation of the payment of the fixed annual rentals which are contractual obligations of the City pursuant to the Lease. Said bonds and the attached coupons shall not be a general obligation or indebtedness of the Authority, but shall be payable solely from the fixed annual rentals received by the Authority pursuant to the Lease. To secure such payment, all of such fixed annual rentals are hereby pledged solely and only for the payment of the bonds, and a statutory first lien is established against such rentals for such purpose.

REMEDIES

Section 8. The holder or holders of said bonds or coupons representing in the aggregate not less than twenty per cent (20%) of the entire issue then outstanding may, either at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel performance of all duties of the Authority, or its officers, including the collection of fixed annual rentals, the proper segregation and application thereof as required by this Ordinance, and all other duties required to be performed by the Authority pursuant to the Lease and this Ordinance.

If there be any default in the payment of the principal of or interest upon any of said bonds, any court having jurisdiction in any proper action may appoint a receiver to administer and operate said lots on behalf of the Authority, and under the direction of said court, and by and with the approval of said court, to perform all of the duties of the Authority and its officers more particularly set forth in the Lease, this Ordinance and in Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, and in Act 94, Public Acts of Michigan, 1933, as amended.

OPERATION OF LOTS Section 9. Pursuant to the terms of the Lease the operation, maintenance and management of the lots shall be the obligaion of the City, said Lease constituting and being a "net lease."

OPERATING YEAR Section 10. The lots shall be operated on the basis of a fiscal year commencing July 1st of each year and ending on June 30th of each year.

RATES Section 11. The fixed annual rentals provided by the Lease are hereby established and fixed as the rates to be charged to the City for the use of the lots. Such fixed annual rentals

estimated to be sufficient to provide for the payment of the interest upon and the principal of all the bonds as and when the same become due and payable and the creation of a debt service reserve therefor. Such fixed annual rentals shall not be reduced until such time as all bonds and the interest thereon are paid in full, or sufficient funds for their payment in full have been accumulated. Such fixed annual rentals shall be increased by the Authority, as provided in the Lease, if necessary / to meet its obligations on the bonds. FUNDS

Section 12. The fixed annual rentals paid to the Authority shall be deposited, as received, into a separate depositary account to be kept with National Bank of Detroit, Detroit, Michigan, to be designated CITY OF PLYMOUTH MUNICIPAL BUILDING AUTHORITY PARKING LOTS REVENUE BONDS. RECEIVING FUND (hereinafter referred to as the "Receiving Fund"). The moneys from time to time in the Receiving Fund shall be transferred periodically to the Bond and Interest Redemption Fund in the manner herein provided.

There shall be established and maintained a separate depositary account designated PARKING LOTS REVENUE BOND AND INTEREST REDEMPTION FUND, the moneys on deposit therein to be used solely and only for the purpose of paying the principal of and interest on the bonds hereby authorized. The moneys in said Bond and Interest Redemption Fund shall be kept on hand with the bank or trust company where the principal of and interest on the bonds herein authorized are currently payable.

There shall be set aside into said Fund from moneys in the Receiving Fund on or prior to October 1, 1968, and on or prior to October 1st of each year thereafter sums sufficient to pay he principal of and interest on the bonds due the next succeeding November 1st, and on or prior to April 1, 1969, and on or prior to April 1st of each year thereafter sums sufficient to pay the interest on the bonds due the next succeeding May 1st.

Any moneys remaining in the Receiving Fund on July 1st of each year after meeting the above current requirements. shall be paid into the Bond and Interest Redemption Fund and held in said fund and allocated on the books and records of the Authority as a Debt Service Reserve Account until there is allocated to said Debt Service Reserve Account the sum of \$25,000.00. The moneys in said Debt Service Reserve Account shall be used solely for the payment of the principal of and interest on said bonds as to which there would otherwise be default. Moneys in said Debt Service Reserve Account shall finally be applied in payment of the principal of and interest on the bonds last maturing. If at any time moneys allocated in said Debt Service Reserve Account are used for the payment of principal of and interest on the bonds, the amount so used shall be replaced from the first fixed annual rentals thereafter received which are not required to pay current principal and interest on the bonds as the same become due. Any moneys paid into the Bond and Interest Redemption Fund over and above those moneys required for current principal and interest and for the establishment and maintenance of the Debt Service Reserve Account may be used to call bonds for redemption prior to maturity.

DETERMINATION OF AUTHORITY REVENUE BOND ACT

Section 13. It is the intent and purpose of the Authority, pursuant to the provisions of Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, to authorize and issue the bonds subject to the provisions of Act 94, Public Acts of Michigan, 1933, as amended, or such of the provisions of that Act as can be applied to the type of issue here involved. The Lease provides that operation, maintenance and administration of the lots is the total obligation of the City, as lessee, and thus the fixed annual rentals provided in the Lease are net to the Authority and pledged solely for debt retiremen represented by this bond issue. Thus no Authority operation and maintenance fund is established, as there would be no revenues allocable thereto. The Authority, therefor, determines that the plans and procedures herein followed comply with all substantive provisions of Act 94, Public Acts of Michigan, 1933, as amended, in that operation and maintenance of the lots is fully contracted for, and maximum security for the bonds is provided by a pledge of all of the fixed annual rentals established in the Lease. PROCEEDS OF BOND SALE

Section 14. The proceeds of sale of the bonds herein authorized shall be deposited in an account with National Bank of Detroit, Detroit, Michigan, designated PARKING LOTS CON-STRUCTION FUND, except that the premium and accrued interest received on delivery of the bonds shall be deposited into the Bond and Interest Redemption Fund. Said moneys in said Construction Fund shall be used solely and only to pay costs of the lots and any legal, financing or other expenses incident thereto on authorization of the Commission of the Authority in accordance with the provisions of the Lease. If any moneys remain in said fund after payment of all of such costs, such moneys shall be deposited into the Bond and Interest Redemption Fund and credited to the Debt Service Reserve Account.

INVESTMENT OF FUNDS by this Ordinance may be invested by the Authority in bonds, notes, bills and certificates of the United States of America, subject to the provisions of Act 94, Public Acts of Michigan, 1933, as amended. In the event such investments are made, the securities representing the same shall be kept on deposit with the depositary or depositaries of the fund or funds from which such investments are made, and such securities and the income therefrom shall become a part of such funds. COVENANTS OF AUTHORITY

Section 16. The Authority covenants and agrees with the successive holders of the bonds and coupons that so long as any of the bonds remain outstanding and unpaid as to either principal or interest -

(a) The Authority will punctually perform all of its obli gations and duties under this Ordinance and the Lease herein set forth, and will collect, segregate and apply the rentals and payments in the manner required under this Ordinance

(b) The Authority will maintain and keep proper books of record and account relating to the operation of the lots and the rentals and payments received therefrom pursuant to the Lease. No later than three (3) months after the close of each operating year, the Commission will cause to be prepared a statement, in reasonable detail, sworn to by its chief accounting officer, showing the cash receipts and disbursements dur ing such operating year, the assets and liabilities of the lots at the beginning and close of the operating year, and such other information as may be necessary to enable any taxpayer or any holder or owner of the bonds, or anyone acting in their behalf, to be fully informed as to all matters pertaining to the financial operation of the project during such year. A certified copy of said statement shall be filed with the City Clerk of the City and the Municipal Finance Commission, and a copy shall also be sent to the manager or managers of the account purchasing the bonds. The Commission shall also cause an annual audit of such books of record and account for the preceding operating year to be made by a recognized independent certified public accountant, and shall mail such audit to the manager of the syndicate or account purchasing the bonds. At the option of the Authority the aforesaid audit may be submitted in place of the aforesaid report required

(c) The Authority will not sell or otherwise dispose of the lots until all of the bonds have been paid in full, both as to principal and interest, and will not do or suffer to be done any act which would affect the lots in such a way as to im pair or affect unfavorably the security of the bonds.

ADDITIONAL BONDS

Section 17. Nothing contained in this Ordinance shall be construed to prevent the Authority from issuing revenue bonds to finance the construction of additions or improvements to the lots or any new buildings or lots within the scope of its corporate powers, but said bonds shall be payable out of, and have a first lien on, the net revenues or annual rentals for space in such lots, and shall in no way have any lien on or be payable out of any of the rentals pledged to the payment of the bonds of this authorized issue or any additional bonds issued to complete the lot in accordance with the authorization provided in the Lease. The Authority shall also have power to issue additional bonds to complete the lots but only as authorized in the CONTRACT WITH BONDHOLDERS

Section 18. The provisions of this Ordinance, together with the Lease herein set forth, shall constitute a Lease between the Authority and the holder or holders of the bonds from time to time, and after the issuance of any of such bonds, no change, variation or alteration of the provisions of this Ordinance, or the Lease, may be made which would lessen the security for the bonds. The provisions of this Ordinance and the Lease shall be enforceable by appropriate proceedings taken by such holder or holders, either at law or in equity.

BOND AND COUPON FORM Section 19. Said bonds and coupons shall be in substantially the following form:

UNITED STATES OF AMERICA STATE OF MICHIGAN COUNTY OF WAYNE CITY OF PLYMOUTH MUNICIPAL BUILDING AUTHORITY PARKING LOTS REVENUE BOND

KNOW ALL MEN BY THESE PRESENTS that the CITY OF PLYMOUTH MUNICIPAL BUILDING AUTHORITY, a public corporation of the State of Michigan, for value received hereby promises to pay to the bearer hereof, or if registered, to the registered holder, the sum of FIVE THOUSAND DOLLARS

on the first day of November, A.D., 19..., with interest thereon from the hereof until paid at the rate of per annum, payable on November 1, 1968, and semi-annually thereafter on the first day of May and November of each year. upon presentation and surrender of the proper interest coupons mexed as they severally become due. Both principal of and interest on this bond are payable in lawful money of the United States of America at of the holder at.

The bonds of this issue are payable solely from the pro-ceeds of certain fixed annual rentals to be paid by the City of Plymouth, Michigan, pursuant to a certain Lease dated January, 1968, between the City of Plymouth and the City of Plymouth Municipal Building Authority, whereby said City has leased parking lots to be acquired by said Authority in the City of Plymouth, Michigan, to be used as public parking lots, in accordance with the provisions of Act 21 Public Parking lots. cordance with the provisions of Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended. The City of Plymouth Municipal Building Authority has irrevocably pledged to the payment of the bonds the fixed annual rentals payable by the City, as set forth in said Lease, the total of said fixed annual

the principal of and interest on the bonds of this issue. This bond is one of a total authorized issue of fifty-eight (58) bonds of even date and like tenor, except as to rate of interest and date of maturity, aggregating the principal sum of \$290,-000.00 numbered consecutively in direct order of maturity from 1 to 58, inclusive, issued under and in full compliance with the Constitution and statutes of the State of Michigan, including specifically Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, and pursuant to Ordinance No.

rentals being sufficient in amount to pay promptly, when due,

Duly adopted by the Commission of the City of Plymouth Municipal Building Authority on January 1968, for the purpose of paying the cost of acquiring and constructing parking lots in the City of Plymouth, Michigan, for the use of said City as parking lots for public parking of motor vehicles.

For a complete statement of the revenues from which and the conditions under which this bond is payable, and the general covenants and provisions pursuant to which this bond is issued, reference is made to the above-described Ordinance.

Bonds maturing in the years 1968 to 1982, inclusive, shall not be subject to redemption prior to maturity. Bonds maturing in the years 1983 to 1985, inclusive, shall be subject to redemption prior to maturity, at the option of the Authority, in inverse numerical order, on any interest payment date on or after May 1, 1982, at par and accrued interest to the date fixed for redemption, plus premiums, expressed in a percentage of par, as follows:

3% of the principal amount of each bond redeemed on or before November 1, 1983;

2% of the principal amount of each bond redeemed after November 1, 1983, but on or before November 1,

1% of the principal amount of each bond redeemed after

November 1, 1984, but before maturity.

Thirty days notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan, which carries, as part of its regular service, notices of sale of municipal bonds, and in case of registered bonds thirty days notice shall be given by mail to the registered holder at the registered address. Bonds so called for redemption shall not bear interest after the data fixed for redemption with the not bear interest after the date fixed for redemption, whether presented for redemption or not, provided funds are on hand with the paying agent to redeem said bonds.

This bond is a self-liquidating bond and is not a general obligation of the City of Plymouth Municipal Building Authority, and does not constitute an indebtedness of said Authority within any constitutional or statutory limitation, but is payable, both as to principal and interest, solely from the fixed annual rentals required to be paid by the City of Plymouth to the Authority for use of the parking lots owned and constructed for its use by the Authority in the City of Plymouth, in accordance with the terms of the Lease herein mentioned. The principal of and interest on this bond are secured by the irrevocable pledge of all of said tixed annual rentals and a statuory first lien thereon has been created by the bond authorizing Ordinance.

The City of Plymouth Municipal Building Authority cov-enants and agrees to fix and maintain at all times while any of said bonds are outstanding, such fixed annual rentals to the City, in accordance with the terms of the Lease, as shall be sufficient to provide for payment of the interest upon and the principal of all such bonds, as and when the same become due

and payable. This bond may be registered as to principal only in the name of holder on the books of the paying agent, and such registration noted on the back hereof by said paying agent, after which no transfer shall be valid unless made on the books and noted hereon in like manner, but transferability by delivery may be restored by registration to bearer. Such registration shall not affect the negotiability of the interest coupons.

It is hereby certified and recited that all acts, conditions

and things required by law precedent to and in the issuance of this bond and the series of bonds of which this is one has been done and performed in regular and due time and form as re-

quired by law.
IN WITNESS WHEREOF, the City of Plymouth Municipal Building Authority, by its Commission, has caused this bond to be signed in its name by the Chairman and Secretary of said Commission and its corporate seal to be hereunto affixed, and has caused the annexed interest coupons to be executed by the facsimile signature of the Chairman of said Commission, all as of the first day of April, A.D., 1968.

APPROVAL OF MUNICIPAL FINANCE COMMISSION Section 20. The bonds herein authorized shall not be issued until the Municipal Finance Commission of the State of Michigan has approved such issuance, and the Secretary of the Commission is hereby authorized and directed to make application to the Municipal Finance Commission for such approval.

SEVERABILITY Section 21. If any section, paragraph, clause or provision of this Ordinance or the amendment thereto shall be held in valid, the invalidity of such paragraph, section, clause or provision shall not affect any of the other provisions of this Ordinance.

CONFLICTING ACTIONS

Section 22. All resolutions, orders or parts thereof in conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed.

PUBLICATION OF ORDINANCE

Section 23. This Ordinance and the amendment thereto shall be published in full in The Plymouth Mail and Observer, a newspaper of general circulation in the City of Plymouth, within one week after its adoption and the same shall be recorded in the Ordinance Book of the Authority and such recording authenticated by the signatures of the Chairman and Secretary

of the Commission.

EFFECTIVE DATE OF ORDINANCE Section 24. This Ordinance and the amendment thereto

shall become effective immediately upon its passage. I hereby certify that the foregoing constitutes a true and complete copy of an Ordinance duly adopted by the Commission of the City of Plymouth Municipal Building Authority at a Special Meeting held on the 11th day of January, 1968.

I further certify that the following Commissioners were present at said meeting Chairman Harold E. Guenther, Commissioners Richard D. Blodgett, Louis L. Borregard, and John W. Moehle and that the following Commissioners were absent Commissioner William C. Hartmann.

I further certify that Commissioner Borregard moved adoption of said Ordinance, and that said motion was supported by Commissioner Moehle.

I further certify that the following Commissioners voted for adoption of said Ordinance Commissioners Blodgett, Borregard, Moehle and Chairman Guenther and that the following Commissioners voted against adoption of said Ordinance, none.

I further certify that said Ordinance has been recorded in the Ordinance Book and that such recording has been authenticated by the signatures of the Chairman and Secretary.

> RIDDLE DON KEETH

Riddle for today: What is yellow, has four legs weighs one thousand pounds and flies? Give up? (You might as well because the answer is way out in deep left field.) Answer: Two five-hundred

pound canaries. But enough of this warped humor. I have a genuine riddle which keeps popping up with abarming regularity. It is this: What do you take for granted every day for six, seven or eight months of the year as it steadily works for your comfort . . . then often ignore when it desperately needs some at-

tention? The answer, of course, is our home's heating system. Most people have their autos serviced regularly; they feed and seed their lawns; even take their wives out occasionally. But their furnaces! Unh, Unh. Too often the furnace just shuts off in the spring and squats there, lonesome and neglected, in the basement until the fall.

It, too, needs some tender loving care. Burners, blower, flue, easing and flue and filters need attention. It's simply a matter of an

ounce of prevention. Our service people are welltrained and experienced in furnace therapy. It will pay you to call us to get your furnace in shape for the next heating As your Lennox Comfort Craftsman, we can be relied upon to do the right job . . . no repairs or changes will be made without your full knowledge and consent. Call us.

MUNICIPAL BUILDING AUTHORITY

AMENDMENTS TO ARTICLES OF INCORPORATION

The Articles of Incorporation of the City of Plymouth Municipal Building Authority approved by resolution of the City Commission of the City of Plymouth on October 1, 1962 shall be amended by amending Articles III, X and XXI, so that the said Articles provide

ARTICLE III ARTICLE III

The purposes of this Authority are the acquiring, furnishing, equipping, owning, improving, enlarging, operating, and-or maintaining a building or buildings, or additions to buildings, automobile parking lots and structures and the necessary site or sites therefor, for the use of the City of Plymouth, Michigan.

ARTICLE X The general management of the with-Authority shall be vested in the Commission hereinbefore mentioned; and in the recess of the Commission, the gen-eral management of the Authority, subject to rules, regulations, directives and policies established by the said Com-mission, shall be in a chairman who mission, shall be in a chairman who shall be elected by a majority of the said Commission. The official records of meetings of the Commission and the official records of the Authority shall be kept and maintained by a secretary who shall be elected by the Commission. The Treasurer of the Building Authority shall be the City Treasurer of the City of Plymouth and the bond of the City of Plymouth and the bond to guarantee faithful performance of his duties as City Treasurer whall be considered to be the bond required of the City Treasurer as Treasurer of the Commission of the Authority shall be the custodian of moneys of the Authority. No Commissioner, officer, agent, employee or representative of this Authority shall receive any remuneration whatever, except as is approved, ratified and confirmed by the City Commission of the City of Plymouth,

ARTICLE XXI ARTICLE XXI

This Authority shall have the power to contract with any person, firm or corporation for the purpose of acquiring, furnishing, equipping, owning, improving, enlarging, operating, maintaining, building or buildings, parking lots or structures on the necessary lite or sites therefor, for the use of the City ites therefor, for the use of the City

of Plymouth.

These amendments to the Articles of Incorporation shall be published in the Plymouth Mail & Observer, being a newspaper published and circulated in the City of Plymouth, Wayne County, Michigan. One printed copy of such amendments shall be filed with the Secretary of State and one printed copy. amendments shall be filed with the Secretary of State and one printed copy in the office of the County Clerk and there shall be attached to each of taid printed copies the certificate of the Clerk of the County of Wayne that the same is a true and complete copy of the original amendments to the Articles of Incorporation and that said amendments and original Articles are on file in the office of the County Clerk and such certificate shall also state the date and place of publication of the amendments.

IN WITNESS WHEREOF, the Mayor and City Clerk of the City of Plymouth, Michigan, pursuant to the Statute (Act 31 of the Public Acts of Michigan, 1948. Extra Session, as amended), and a resolution duly passed by the City Commission of the City of Plymouth, have signed and executed these amendments to the Articles of Incorporation, this 5th day of December, 1967.

CITY OF PLYMOUTH Michigan Municipal Corporation By JAMES M. JABARA Its Mayor

By EUGENE S. SLIDER Its City Clerk COUNTY OF WAYNE, MICHIGAN Minutes of a Regular Meeting of the City Commission of the City of Plym-outh, County of Wayne, Michigan, held in the City Hall in said City on the 4th day of December, 1967, at 7:30 o'clock

PRESENT: Commissioners Houk.

Hudson. McKeon. Schweitzer. Smith,
Vallier and Mayor Jabara.

ABSENT: Commissioners — None.

The following preamble and resolution were offered by Commission McKeon and supported by Commission

er Houk:

WHEREAS, by resolution adopted October 1, 1962, the City Commission of the City of Plymouth adopted Articles of Incorporation for the City of Plymouth Municipal Building Authority: and WHEREAS, it is deemed advisable and necessary to amend said Articles of Incorporation to broaden the purposes and powers of the Authority to permit the same to acquire and construct parking lots and parking structures and to further amend the said Articles—of Incorporation to permit the City Treasurer to be the Treasurer of the Building Authority and to permit the good faith bond of the City Treasurer as City Treasurer, to also be the bond for his functions as Treasurer of the Authority:

NOW. THEREFORE, BE IT RE-SOLVED that the attached Amendments to the Articles of Incorporation of the City of Plymouth Municipal Building Authority are hereby approved and adopted and the Mayor and City Clerk are hereby authorized to execute the same

YES: Commissioners Houk, Hudson, McKeon, Schweitzer, Smith, Vallier and Mayor Jabara. NO: Commiss NO: Commissioners — None. Resolution Declared Adopted.

EUGENE S. SLIDER. I hereby certify that the foregoing constitutes a true and complete copy of a resolution adopted by the City Com-mission of the City of Plymouth. County of Wayne, Michigan, at a Regular Meeting held on December 4, 1967.

EUGENE S. SLIDER. City Clerk CERTIFICATION STATE OF MICHIGAN)

WANT AD POPULARITY IS SKY HIGH! 103,621 INDIVIDUAL ADS

WERE PUBLISHED IN THE OBSERVER WANT AD PAGES IN 1967

We just have to brag about it a little, because if we didn't you might never know how helpful Want Ads can be. They must be helpful, or there wouldn't be so many thousands of them published each year.

It's a fact that Want Ads are the only kind of advertising successfully used by both business people and private individuals. The Want Ad pages are like a big department store, offering a wide variety of goods and services. That is why they have such high readership, and it is because of the readership that people who advertise get such great results.

If you are one of the few people who has never used a Want Ad, you most surely will have occasion to use one soon. You can advertise to convert something you no longer need into cash by selling it quickly, or you may advertise to locate a hard-to-find item you need, or you may even use an ad to hire an employee or rent a vacant property. There are hundreds of ways to profit from Want Ads.

To place your ad, just dial the Observer Want Ad number, GA 2-0900 or 453-5500. A friendly, helpful Ad-Visor will assist you in wording your ad.

Fondue Suppers Are Fun

BY JOYCE TOTTEN

Want to entertain in a way that is different, fun, and amazingly easy to do? Borrow from the Swiss and have a fondue party. The novelty of cooking at the table turns it into the evening's entertainment as well.

GO ELEGANT WITH BEEF FONDUE and every guest becomes an epicure! It's fun to spear a cube of beef tenderloin with a fondue fork, and hold it in bubbling cooking oil till it's nicely browned on the outside, done just to your taste. It doesn't take long!

Then, after the meat is transferred to a plate and a cool dinner fork, it's dipped in any of a variety of well-seasoned sauces and butters. Guests take some of each on dinner or special divided plates for the dunking.

GO CASUAL WITH CHEESE FONDUE for a snack or "little supper." No wonder this rich, creamy dish is one of Switzerland's favorite foods! Simple to make, essentially it's nutty-flavored natural Swiss

cheese melted in white wine. Each guest dunks a piece of crusty French bread, speared on a long-handled fork, in the melted cheese, gives it a swirl to coat the bread, then lifts it out and, "bon appetit!"

The swirling's important, to keep the fondue in motion. Pour mugs of hot cider and garnish with apple wedges, cinnamon sticks. Or serve tea. But never a cold beverage, our Swiss friends say! You won't need a salad. Dessert? Make it fruit.

For beef fondue, make sauces ahead and have beef cut in cubes, ready and waiting. Salad greens can be crisped and on stand-by, too. At party time. be sure to set your fondue cooker on a tray to protect your table top or pretty linens from possible spatters.

BEEF FONDUE Salad oil for cooking

1 1/2 pounds trimmed beef tenderloin, cut in 3/4-inch cubes Butter-browned Mushrooms Mustard Sauce Red Sauce

Caper Butter

Sour Cream-Blue Cheese Sauce Pour salad oil in beef fondue cooker to no more than 1/2 capacity or to depth of about 2 inches. Place over alcohol burner and heat to 425 or till slowly boiling. Have beef cubes at room temperature in serving bowl. Set out small bowls of several or all of the special butters and sauces.

> BUTTER-BROWNED MUSHROOMS

1-6 oz. can sliced broiler mushrooms, drained (about 1 c.) or 1 pint fresh mushrooms, sliced

2 T. butter or margarine

Melt butter or margarine in skillet, add mushrooms and cook over moderate heat, stirring occasionally, until evenly browned. Season with salt and MUSTARD SAUCE

(Use regular bottled hot mustard, Dijon-style)

RED SAUCE Combine 3/4 c. catsup, 2 T. vinegar, and 1/2 t. prepared horseradish. Chill. Makes about 3/4 c. sauce.

CAPER BUTTER Place 1/2 c. butter or margarine, softened, and 3 T. capers, with liquid, in small mixer bowl. Beat until light and fluffy. Makes a generous 1/2 c. caper butter.

SOUR CREAM-BLUE CHEESE SAUCE

Combine 1 cup dairy sour cream, 1/4 c. crumbled blue cheese, and a dash of Worchestershire sauce. Chill, Makes about 1 1/3 c. sauce. CHEESE FONDUE

3/4 pound natural Swiss cheese, cut in thin julienne strips (about 3 cups)

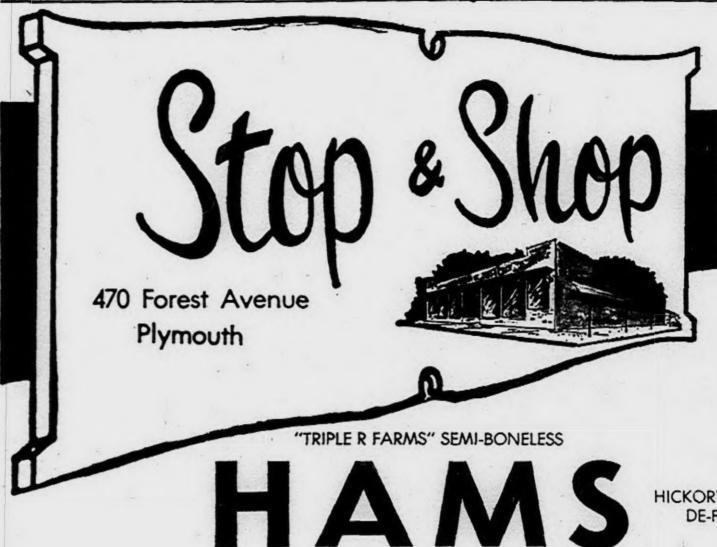

1 T. flour I clove garlic, halved 11/4 c. sauterne

Dash freshly ground pepper Dash nutmeg 3 T. dry sherry

French bread or hard rolls, torn or cut in bite-size -pieces, each with at least one side of crust

Toss cheese with flour to coat. Rub inside of fondue cooker vigorously with cut surface of garlic. Pour in sauterne and warm just till air bubbles start to rise. (Don't cover; don't boil) Remember to stir all the time from now on; add a handful of cheese strips. Wait till cheese has melted before tossing in another handful, (Keep stirring, always in the same direction, the Swiss say!) After all the cheese has been blended in, and the mixture is bubbling gently, stir in seasonings and sherry. Now invite guests to dunk. (If fondue becomes to thick, pour in a little warmed sauterne.) Makes 5 to 6 servings.

THE SUPERMARKET THAT'S JUST A LITTLE BIT BETTER

THE KNOW HOW OF INTELLIGENT MEAT BUYING IS REALLY THE 'KNOW WHERE'

Our customers have learned to depend on the outstanding quality of Stop & Shop meats - unfailing satisfaction with every cut they purchase. The finest quality, together with the experienced expertise of our meat cutting experts, makes an unbeatable combination!

DELTA ZETA GIFT -- Mrs. H. Lee Townsend, of Farmington, presents a check to Raymond F. Lindahl, executive director of the Detroit Hearing and Speech Center, for purchase of over \$800 worth of new equipment as the sorority's gift to the Torch Drive agency.

State's '68 Mom Sought

The search for the 1968 Michigan Mother is underway throughout the state.

Mrs. Harold Hunsberger, chairman of the Michigan State Mothers Committee, asked that individuals and organizations to nominate women they consider worthy of the honor.

Mrs. Hunsberger said candidates should be successful mothers and homemakers, as evidenced by the character and achievements of their children, should be church members and active in community service and should embody traits such as courage, cheerfulness, patience, affection and understanding.

Mothers who are divorcees or have children younger than 15 years of age are not eligible, she added.

Nomination blanks may be obtained by writing to the Michigan Mothers Committee, 406 Fifth Street, Traverse City,

Plymouth **AAUW** To

Joel Isaacson, assistant professor of art history at the University of Michigan, will address the Plymouth Branch of the American Association of University Women at the group's meeting at 7:30 p.m. Thursday, Jan. 18, at Plymouth Junior High West.

His topic will be "Is Social Change Reflected in the Arts?". He lectured on that theme during the U. of M. sesquicentennial program last spring.

Dr. Isaacson holds degrees from Brooklyn College, Oberlin College and the University of California.

AAUW hostesses for the meeting will be Mrs. George Purcell and Mrs. William

Plans Card Party

The Livonia Ladies Auxiliary #3941, 27555 Grantland, Livonia will hold a card party and crazy hat show Wednesday, Jan. 24, at 8 p.m. Prizes will be given for the best hat. The Auxiliary building is located between Schoolcraft and Plymouth just west of Inkster.

OBSERVER

WORLD of WOMEN

Couple Loses Shop To Fire, Discovers Community's Heart

Out of the ruin of fire and ice, Minerva and Herbert Chaiken have discovered anew the compassion of their customers in Plymouth.

The owners of "Minerva's," the women's and children's apparel shop on Penniman that was ravaged by smoke, flames and water ten days ago, have been amazed and touched by the many expressions of con-

"People have been wonderful--our customers from Northville and Livonia as well as Plymouth," said Minerva Chaiken, now beginning to get over the shock of seeing a 17year-old business destroyed.

"WE'VE HAD such nice letters--people even write notes on their statements when they pay their bills. And there were hundreds of telephone calls. The phone rang almost constantly until late that Sunday night."

The theme of most of the letters is that people hope "Minerva's" will again be a member of the Plymouth business community. Though everything is still very unsettled, Hear Of Art that is what like, too. that is what the Chaikens would

"We hope to reopen and be with our friends," Minerva said. "We feel that Plymouth is our home."

pleased by a letter from a 16year-old youth, oldest of six boys in a Plymouth family, who "A more terrible thing

SHE WAS ESPECIALLY

couldn't have happened to two of the best business people in Plymouth."

"His mother used to get a lot of his clothes from us," Minerva recalled. 'Now he's too big. But more recently, he's come in to hold the youngest while his mother shopped for the other boys."

ANOTHER CUSTOMER wrote to express sympathy and said "Plymouth needs such friendly. cooperative merchants as your store represents," and still another wrote:

"There cannot help but be more good waiting for you out of the seeming chaos."

Chaiken said the first call to the couple's Livonia home on the fire Jan, 7 was so short that he thought it might be a

PLYMOUTH'S SYMPATHY -- Minerva Chaiken and her husband, Herbert, look over some of the letters from Plymouth residents expressing concern over the loss of their shop, Minerva's in the Plymouth fire, Jan. 7.

prank. But he rechecked, learned that there was fire next door and hurried right out to Plymouth.

"The store was filled with smoke when we got there," he said, "but it was several hours later that the flames broke

Couple Celebrates 25th Anniversary

Mr. and Mrs. George Krenz, of 11348 Royal Grand, Redford Township, will celebrate their 25th wedding anniversary with a family dinner Jan. 26. They have two children, Karen and

Combinations

THE COUPLE had the highest praise for the fire-fighters who battled the flames, and for the other merchants in the area who gave assistance.

Among the losses to be

totaled, in fact, were the payments for the last few boxes of Christmas cards and candy sold by the BPW from her shop, because it was convenient that

'T'VE WISHED so many times I had taken the time to take that little bit of money to the bank," she said. "But you just never know what's going to hap-

Whatever the future brings,

Minerva is sure loss of the small, unpretentious shop on Penniman will leave a void.

"I won't forget it," she said. "It was home."

Coventry Gardens Sets Tea Jan. 24

The Tot Lot organization of Coventry Gardens, Livonia, will hold its annual Mother's Tea at 8:30 p.m. Wednesday, Jan. 24, in the home of Mrs. Robert Crist, 15486 Surrey. Mothers of the subdivision who have children between the ages of three and five are invited.

m. m. memos --

Mothers in suburbia are fond of saying that when you deliver a baby in the maternity wing of your chosen hospital that's only the beginning.

After that you go right on delivering him here and there and all over town for something like 20 years.

This comforting thought was much with me through the busy holidays as I delivered to school functions and club parties and pajama parties all up and down the subdivisions.

Now, with the arrival of real winter, a shorter sort of delivery route keeps me traveling a lot.

We have the good fortune to live up the hill from an ice skating rink. That ice is just close enough to make it seem silly to have to put on your skates while sitting beside it, and just far enough away so you can't walk up the hill in skates.

So the family car does the delivery work up and down the hill.

The trouble is the timing. Invariably, if the weather seems cold and I allot a short time for skating, everyone wants to stay a bit longer. And if I decide to wait more time between delivery stops, someone's sure to be freezing.

Maybe a flag pole would be the answerthe kids could run up a banner when ready to come home and I could tell with a glance out the window when it's time to start out to get

In the meantime, the delivery truck will probably continue its haphazard schedule.

2 Farmington Girls Honored

Two Farmington girls, Linda Sue Haviland, of North Farmington High School, and Catherine Marie Ruyle, of Our Lady of Sorrows, will be honored by the Daughters of the American Revolution Feb. 12.

The Three Flags DAR group, representing Lathrup, Southfield and Farmington, will present Good Citizenship awards to Linda and Catherine and four other high school seniors, They are chosen by their schools for qualities of dependability, service, leadership and patriotism, and will go on to compete at the state level for U.S. Savings Bonds awards.

The girls and their mothers will be guests of honor at a Patriotic Tea in the home of Mrs. Gordon Webb, Lathrup Village.

She's Well Trained For Political Work

Dolores Kory studied in said. "If you work for a cancollege for the community ser- didate you respect and admire, it can be a short term project that brings great satisfaction.

"I find it a challenge to work with others in a goal we all share. And when things don't go well, there's always more work to be done another time."

DOLORES' current responsibility isn't precisely of the short-term variety. She's dealing with long-range aspects of political endeavor, working with the various groups within the Republican framework in her district.

There are GOP organizations in Redford Township, Northville and Livonia, all part of the talent to the Michigan Associadistrict, and part of her 19th is to coordinate their job activities.

Then there are the TARS, or Teen Age Republicans, in Northville and Redford Township, with five groups in the process of organization in Livonia. A Republican club is operating at Madonna College, and one of Dolores' next concerns is a group at Schoolcraft Community College.

Women's GOP organizations also play a big part in the party set-up, and there are clubs for Young Republicans, those under

IN HER NEW CAPACITY. Dolores Kory also has worked with other district chairman to meet with top officials of Wayne County and Mayor Jerome Cavanagh of Detroit, to look into such issues as possible help the suburban areas might give in staffing the Detroit police force.

She has some occasions to work directly with the state Republican organization, and gives a hand with other volunteers at the district GOP office on Beech-Daly in Redford Township.

That office takes care of such functions as a newsletter for volunteers and dispensing of information about congressmen, representatives, and service agencies.

DOLORES FEELS STRONG-LY that involvement in party work is important for all who are interested in good government, and has made this point repeatedly in a class on public affairs she has taught for the "Ladies' Day Out program at the Northwest YWCA.

"I tell them that major candidates all are chosen at conventions," she said, "so the only way to have an effective voice in picking the candidates you want is by participation at the convention level."

SHE'S FOUND GREAT satisfaction in her work with the state association for the emotionally disturbed.

"I worked as legislative chairman during hearings when we were trying to get the emotionally disturbed included in the various programs for those who are mentally retarded," she said.

She also was on the executive board of the Northwest Child Guidance Clinic when it relocated from the Wayne County General Hospital to its own quarters.

That move particularly pleased Dolores because it was done with local funds and effort, and she is proud of the fact that Redford Township was the first unit of local government to allocate funds for the clinic.

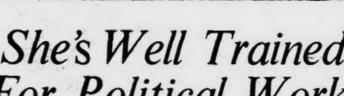

ANOTHER ACTIVITY of recent years that brought a feeling of fulfillment was service on the Commission on the Status of Women, set up by Gov. George Romney in 1963.

DOLORES KORY ISN'T STOPPING either her service work or her education.

She hopes in her present job to involve more young people in party work "because there's so much satisfaction in learning and so many ways that they can be of real help," and more senior citizens "because they have so much to offer us and the rewards for them is that they stay young and vital," On the book learning front she's going forward, too.

While one of her daughters was in nursery school at the Merrill-Palmer Institute, she started working on a master's degree in political science at Wayne State University. The studies are in abeyance for the present, but she plans to complete the work.

You couldn't quite imagine Dolores Kory doing anything

Boersma - Taylor Vows Are Spoken

olas Everett Boersma spoke their marriage vows in an afternoon ceremony Saturday, Dec. 16, in the First Presbyterian Church of Farmington.

The Rev. George W. Ramsey performed the service.

Mr. and Mrs. Ronald R. Taylor, of Orchard Lake Road, Farmington, are parents of the bride. The bridegroom is the son of Mr. and Mrs. William E. Boersma, of Birmingham.

FOR THE DOUBLE-RING ceremony, the bride chose a gown of candlelight ivory peau de soie with appliques of alencon lace re-embroidered with seed pearls.

Her headdress was illusion and alencon lace with seed pearls, and she carried stephanotis surrounding a cream green-throated orchid.

Sisterhood To Honor **Founders**

The Sisterhood of the Livonia Jewish Congregation will honor its parent organization, the National Women's League of United Synagogue of America, with a 50th anniversary jubilee evening Friday, Jan. 19.

The evening will begin with special Friday services, to be followed by a socio-drama entitled "Something Is Missing."

After the drama, there will be an open discussion led by a panel composed of Rabbi Martin Gordon, LJC President Marcus Bass, Max Hoffman and Mrs. Norman Herman.

The sisterhood also will serve an Oneg Shabbat on the jubilee evening.

This week, Jan. 15 to 21, marks the 50th anniversary of the founding of the National Women's League by Mathilde Schecter.

Sisterhoods throughout the United States and Canada will honor the event with varying programs.

St. Matthew Ladies Plan Card Party

The Ladies Aid of St. Matthew's Lutheran Church, Westland, will give a card party and salad buffet luncheon Wednesday, Jan. 24, from 11:30 a.m. to 1:30 p.m. in the all-purpose room of the church, Venoy and Beechwood. Tickets may be purchased at the door, and husbands and retired persons are invited.

Having a recipe for meat under his guidance, has con-cookery that can be used when ducted marches and demondinner time is uncertain is an asset to any cook's file Here is an idea using veal cutlets that home economists from Adams Co. think fits just that bill. Dip cutlets in tomato sauce. Coat with finely crushed Adams onion garlic snack chips. Season with salt and pepper. Brown in fat. Add additional tomato sauce. Cover and cook slowly until tender, about 25 minutes.

efforts to secure fair housing legislation. The meeting is being sponsored by the Metropolitan Detroit Branch of the American Civil Liberties

In announcing the meeting and the appearance of Father Groppi, Ernest Mazey, Executive Director of the ACLU of Michigan, commented:

Father Groppi has agreed to come to Detroit to share with us his knowledge and rich experience in the effort to achieve open housing. We are anxious that Ford Auditorium be filled to capacity, both as a wellearned tribute to Father Groppi and as a reaffirmation of public support for fair housing."

REV. THOMAS ESTES

WALTER J. O'NEIL

2 From St. Paul's Have Presbyterian Synod Role

The Rev. Thomas W. Estes, conducted in February and associate pastor of St. Paul's Presbyterian Church, Livonia, and Walter J. O'Neil, an elder of the church, will participate in the executive committee 25. meeting of United Presbyterian Men of the Synod of Michigan at East Lansing, Jan. 27.

The local churchmen will aid in making plans for the annual conference for men in the United Presbyterian churches of the state and will give a report of the meeting of the National Council of United Presbyterian Men held in Cleveland, Jan. 5

O'Neil, who lives at 26299 Dow Ave., is president of the men's organization of the Presbytery of Detroit, He served as a member of the nominating committee of the National unit. The Rev. Estes is the minister advisor for the Synod Council.

At the Cleveland session plans were made for five popular area meetings of men to be

Church Group Dialogue Series Continues

Mrs. Ralph H. Read, wife of the minister of North Congregational Church, will lead a community discussion on the subject 'North-Northsouth' in the church lounge from 6 to 8 p.m. Sunday, Jan. 21.

The church is located at 26275 Northwestern, Southfield.

Mrs. Read, a native of the Mississippi delta region, is a home teacher in Detroit public schools and recently earned a master's degree in special education from Wayne State University, doing research work on attitudes toward the handicapped and minorities.

She recently made an extended visit to the South, and will use as background for the book "South and the Southerner," by Ralph McGill.

The community is invited to the discussion.

March, Nearly 40 men from St. Paul's Church are planning to attend the meeting to be conducted in Pittsburgh, Feb. 23-

Dr. Gene Stone, of Detroit, will report on the recent annual meeting of the National Council of United Presbyterian Men at the Jan. 27 session.

Dr. Stone, director of Public Information for the Synod of Michigan of the United Presbyterian Church, has staff responsibility for the work of the men's organizations.

K. Of C. Council Sets Dinner Dance

Father Daniel A. Lord Council, Knights of Columbus, Livonia, will celebrate its 13th anniversary with a dinner dance at 6:30 p.m. Saturday, January 20. There will be a cocktail hour, dinner and dancing to an all girl orchestra. Tickets may be obtained by calling Jack Wade, 422-7242 or Bob Allen,

Freedom!

No one can promise a life free from challenge. But challenge brings us opportunity...speeds our spiritual growth and understanding . . . until finally we discover what the Bible means when it says, "Ye shall know the truth, and the truth shall make you free" (John 8:32). Hear a public lecture presented by LELA MAY AULTMAN, C.S.B., a member of The Christian Science Board of Lectureship, Title: "Christian Science: The Spiritual Challenge to Materialism."

FOURTH CHURCH OF CHRIST, SCIENTIST 24400 West 7 Mile Road Detroit 19, Mich.

Admission Free . Eyeryone is welcome

Rosicrucians Sponsor Lecture Dr. William H. Snyder, Grand structed daily classes, teach- and principles taught by the

Councilor of the Rosicrucian Order, AMORC, will speak at the Detroit Institute of Arts, 5200 Woodward, Detroit, at 2:30 A public lecture on Christian p.m. Sunday, Jan. 28. Science will be presented in

The subject of his free lecture will be "Psychic Phenomena" which will be augmented by an ESP experiment and the color/ sound film "Domain of Destiny."

Dr. Snyder, is an author, publisher and lecturer, and has been affiliated with the Rosicrucian Order for many years. He is also publisher of a trade newspaper for the 13 southern state area.

He has been engaged in the fields of radio, television, and large daily newspapers throughout the United States. During World War II he served in the Combat Infantry, and

There is no admission charge, and it's open to the public.

Talk Set

Miss Aultman is a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. She has been a registered teacher and practitioner of Christian Science for many years.

Finely chopped and buttered almond slivers make a truly gourmet topping for vegetables. Home economists from Fisher Nut Company particularly recommend-this topping for cooked broccoli and cauliflower.

ing other American P.O.W.'s Rosicrucians for the establish-Metaphysics, or Man's relationship with the universe.

Dr. Snyder resides in Atlanta. He organized the local Atlanta chapter of Rosicrucians, and is a Past Master. His present position with the Order is that of Grand Councilor of the Southeastern States, and this summer he will join the teaching staff at Rose Croix University at Rosicrucian Park, San Jose, Calif. He holds a PH.D. in Ancient and Modern Philosophy.

Dr. Snyder has lectured to audiences in various cities of the United States on the Rosicrucian philosophy. His interest in this field is wide and includes work with other groups and organizations with the desire to be more informed and as a prisoner of war in Germany - aware of the practical applifor over two years, he in- cation of the scientific laws

ment of Man's relationship with God, the Universe, or the Universal Infinite Mind. The public is invited.

Bentley Choir Sets Concert

The Bentley High School Concert Choir will present a concert at the Redford Baptist Church Sunday, Jan. 21, at 6 p.m. Jerry Smith, director of the choir, is also Director of Music at Redford Baptist.

The concert will include a variety of music: anthems, spirituals, classical works, and

special solos. A fellowship hour for everyone present will follow the concert.

The Bentley Concert Choir was formed early in 1960. For eight consecutive years it has received unanimous superior ratings at the Michigan School Vocal Association Choral Fes-

Beth-Am To Honor

Members of Temple Beth Am will honor Rabbi David Jessel and his bride at a reception at 7:30 p.m. Sunday, Jan. 21, in the Cohn Building, 31840 W. Seven Mile, Livonia.

The reception will come exactly a month after Rabbi Jessel was married in the Ohel Mo Ed synagogue, Tel Aviv, Israel, to the former Nagie-Laure Hakim, of Tel Aviv.

Following the Dec. 21 wedding, Rabbi Jessel went to Athens to arrange visas and his bride joined him in Vienna. They traveledto Geneva, Zurich, Paris, Copenhagen, Montreal and Toronto before returning to this Country.

The new Mrs. Jessel and her husband met while he was visiting in Israel last summer.

Forget the Vietnam conflict, 5151) for exact dates. You won't want to miss this delightful French farce.

GEORGES FEYDEAU wrote them enjoyed tremendous success. "Flea In Her Ear" is one of the four that is consistently revived by top repertory companies.

The Classic Theatre has a well-balanced company of seasoned actors and is able to master the comic nuances of a French farce. Director Richard Spears pulled out all the stops and has his talented troupe jumping, dashing, bouncing, leaping, and cavorting in magnificent farce tradition. Your troubles vanish for two hours as you chuckle, chortle, and guffaw at the convoluted complications of "A Flea In Her

actors in their gleeful gyrations Players productions. nightly. His dual role in the play provides him with every opportunity to showcase his comic ability. Only Jeff could wring a gale of laughter out of the first act conclusion with the mundane line, "he talks." Personally, Mr. Tambor convulsed old Wally with the wild line, "He's a raving maniac."

THE CLASSIC production erupts in Act II and a volcanic climax to the adulterous adventure finds more activity in this French hotel-motel spilling all over the stage. For a minute it would appear that the bawdy patrons are going to end up in the audience's collective

Players Announce 'Anastasia' Cast

Mrs. Ceci Orman, a homemaker and substitute teacher, has been cast in the lead role of the play, "Anastasia," to be presented three weekends by the Farmington Players opening Feb. 2 in the Players'

"Anastasia" is the drama of a women purporting to be the real Russian princess believed to have escaped from the mass revolutionary assassination of her family, and it involves a conspiracy to gain the royal inheritance if living relatives can be convinced of her validity.

Mrs. Orman has worked with the Players a number of years and directed last season's production of "Many Moons."

"ANASTASIA" is being directed by Merle Pedicini, assisted by Joanne Kaman, with Don Briggs as producer. The complete cast of the drama was announced this week,

Playing the role of Price Bounine, one of the conspirators, is Richard Pedicini, vice-president of a Bloomfield Hills advertising agency who majored in drama at U.C.L.A. He last was seen as Iago in "Othello."

Hope Nahstoll, another Farmington Players veteran, has been cast as the Dowager Empress whose acceptance of Anastasia as being the real princess is sought as the prime goal of the conspiracy. Last season Mrs. Nahstoll directed "A Shot in the Dark." She also is head of the costume department.

Leonard (Bud) Stone will play the role of Chernov, one of the conspirators. He has appeared in many Players productions, and was seen last season as the mayor in 'Never Too Late."

The two other conspirators, Counsellor Drivinitz and Petrovin, will be portrayed by George Mullin, manager of a Detroit trust company, and Dennis Brodhead, a young actor who has been cast as men of Jeff Tambor leads 15 frantic all ages and types in previous

> Bob Thomas, writer and editor with a Detroit film company, will play Dr. Serensky, and Joseph Papp, an attorney, is cast as Prince Paul.

The family concert, according to Conductor Wayne Dunlap, will be somewhat shorter than normal in order to appeal to the younger members of the audience.

Opening the program will be "Cindy", from "Kentucky Mountain Portraits" by Mitchell. First flutist Nelson Hauenstein, a member of the University of Michigan faculty will be soloist in "Suite for Flute and Strings in A Minor" by Telemann.

The orchestra will perform a suite based on the "Rootabaga Stories" of Carl Sandburg, who would have been 90 years old this month. The suite was composed by Wynn York, head of the Olivet College music department.

Closing the concert will be "Studies on Themes of Paul Klee" by Gunther Schuller and "Pictures from an Exhibition" by Mussorgsky (arranged by Ravel).

No nursery service will be available this concert.

The family concert is the of six offered by the Plymouth Symphony. The policy is to offer admission free.

SS Hike Aids Future Beneficiaries

Editor's Note: This is the second in a series of articles by Sam F. Test, Social Security District Manager in the Detroit - Northwest office telling what the Social Security Amendments of 1967 mean to you and your family.

In a recent article, we discussed the increased social security payments that would be coming to persons now on the benefit rolls in early March as a result of the amendments signed into law by President Johnson on January 2.

The effect of the new legislation is also to increase the benefits of all future beneficiaries a minimum of 13 per cent. A person whose earnings under social security had averaged \$350 a month would, under the old law, get a benefit of

ed on the same average earnings under the old law. per month, or \$210.60 for the his maximum contribution no

couple--\$24.30 more a month. The maximum retirement benefit under the old law would have been \$168 a month (\$252 for a couple) payable to a worker 29 years old in 1968 and retiring in the year 2004, with average earnings of \$550 a month, or \$6,600 a year.

Under the new law, this same worker can look forward to a monthly payment of \$189,90 (284.90 for himself and his

Thus for these workers who have been earning and who will continue to earn wages of \$6,600 a year or less, the new amendments will mean sizable increases in their future benefit payments -- and without comparable increases in the social security tax contributions they were scheduled to pay under the

A worker earning \$6,600 a \$124,20 upon retirement at 65, year will pay exactly the same or \$186,30 for himself and his amount of social security taxes wife if she was also 65 upon in 1968 as he paid in 1967. In 1969 and 1970, he will actually pay \$6.60 less for the including the amount he pays per month he would have col-UNDER THE NEW LAW, bas- year than he would have paid

of \$350 a month, his retire- In years after that he will ment benefit will be \$140.40 pay only slightly more, with

than he would have paid under the law as it stood before the enactment of the benefit increases. These contribution rates also include the portion he pays toward his medicare protection for his old age.

HIGHER SOCIAL SECURITY contributions are scheduled. however, for the one out of four wage earners who earns over \$6,600. He will be paying social security contributions on up to \$1,200 more of his annual earnings. Beginning with 1968, earnings up to \$7,800 a year will be subject to social security contributions and will also count toward social security

For a worker earning the maximum of \$7,800 or more a year, this will mean additional social security contributions of \$4.40 more per month in 1968, rising to a maximum additional contribution of \$7,28 per month in 1987 and later. for his and his wife's hospital lected under the old law, an

insurance under medicare. These higher paid workers and his wife together will be who will be paying substanti- eligible for \$283,20 a month, ally more in social security instead of \$232.50.

contributions are, however, the ones who will also get substantially higher benefits, ranging up to 30 per cent higher than under present law.

For example, a young man now 27 or younger who pays social security contributions on \$7,800 a year until his retirement at age 65, will collect 30 per cent more in monthly benefits than he would under present law--\$218 a month for himself--\$323 a month for himself and his wife. His family's benefit protection in case of his disability or death is also substantially improved.

Even the higher paid middleaged worker who is much closer to retirement age will find his benefit prospects greatly im-

For example, a worker who is 50 in 1968 and will pay social security contributions on earnings of \$7,800 a year for only 15 years will collect a

retirement benefit of \$188.80. This compares with the \$155 increase of 21.8 per cent. He

State Police Caution Snowmobile Fans

State Police to guide their participation in this increasingly popular winter activity with due regard for legal and safe use.

The generally accepted view is that the powered sleds, more commonly known as snowmobiles, do not qualify by design or construction as motor vehicles eligible for licensing and hence cannot be legally operated on roadways or shoulders of public streets and high-

Michigan are cautioned by the censed vehicle on a public thoroughfare.

> attitude toward illegal power sledding, however, takes into account that there can be legiti-

vehicle travel in winter which

STATE POLICE enforcement

mate need at times for operators to cross a road or highway. It is pointed out at the same time that there are many trail type roads, especially in the northern sections of the state, that are not open to normal

In all areas, sled operators

should observe the laws of trespass. Some public areas are off limits to power sledding.

Equally important are safety factors in the operation of the sleds in fields and wooded areas. Operators should give proper concern to possible hazards of breaking through when crossing or venturing on any ice or snow covered water sur-

Total weight of sled and rider is considerable since the sleds Violators can be subject to then can provide good routes themselves weigh several hun-

THE SLED'S weight also can pose a danger if the machine is not properly operated. Recklessness or rough terrain can figure in its overturning, with the possibility of the rider being injured if thrown from the vehicle or pinned beneath it.

Some sort of headgear should be worn for protection against cold and possible injury in event of accident, Lastly, persons physically impaired in any way should refrain from pushing or pulling a stuck or disabled

A Landmark Meeting

COG Sets Up Formal Shop

malities -- but they were landmark formalities.

The general assembly of the Southeastern Michigan Council of Governments (COG) opened up shop Saturday morning, formally abolishing the Detroit Metropolitan Area Regional Planning Commission and bringing it under COG's wing.

Only 55 of the 98 signed-up member counties, cities, villages, townships, school districts, intermediate districts and college districts had warm bodies representing them in the auditorium for Ford Motor's headquarters in Dearborn.

The Detroit and Wayne County delegations were away attending a more pressing event -- the funeral of unionist Roy Reuther.

PRESIDING WITH cool dig- what was their significance? they didn't need to be, because nity over the unexciting the business was a lot of for- proceedings was Delos Hamlin, of Farmington, chairman of the Oakland County supervisors and chairman of SEMCOG's temporary executive committee.

> Hamlin was re-elected to the permanent executive committee, as were Livonia Schools Supt. Benton Yates, representing the school districts of Wayne County, and Redford Supervisor Aldrick Bellaire, representing the townships of that county.

Named chairman of COG's general assembly was Milford Township Supervisor William L. Mainland. Vice chairman will be Detroit Councilman Mel Ravitz, chairman of the Wayne County supervisors.

IF THE PROCEEDINGS were land supervisors. Mayor Wilbur so formal, so cut-and-dried.

R.J. Alexander, chairman of City of Farmington and helped the Regional Planning Commission now replaced by COG, spelled it out in the day's only speech:

"In this Council of Governments, we have a group with no more power, no more authority, than the Regional Planning Commission it replaces.

"But we will have more influence because the members of this general assembly are representing the communities which are members of the Council of Governments. Most of you are elected to a position in your respective communi-

ments weren't conspicuous by their presence, but neither was anybody else. Hamlin represented the Oak-

Mumps Vaccine Developed By Co.

Long-suffering mankind got a shot in the arm this week, The drug manufacturing house of Merck Sharp & Dohme announced the marketing of a new vaccine, first of its kind, which will provide immunization against mumps, a disease that has been with man since

his childhood,

In earlier years shrugged off as merely another hurdle in growing up, and talked down on a par with measles and chicken pox, man, and especially the adult male fearing infertility, has in more recent times placed the disease in his serious category of illnesses with a wide range of potential after effects.

The latter includes postinfectious encephalitis (brain damage), oophoritis (inflammation of the ovaries), pancreatitis, myelitis, myocarditis, facial neuritis, arthritis, hepatitis, and deafness.

USUALLY A MILD DISEASE, the incident of serious complications, however, is reflected, for example, in the occurrence of unitateral orchitis in about 20 to 30 per cent of postpubertal males, odds too high for the adult male not be be con-

Although to be used in immunization of children over the age of one, the new vaccine provides particular protection for the adolescent and adult.

Named "Mumpsvax" by its manufacturer and creator, it has proven highly effective in pre-release clinical studies, proving itself 98 per cent of the time in prior field studies involving over 10,000 patients.

IT MAY HERALD, also, the breakthrough in a future vaccine for German measles, especially sought for protection during pregnancies, according to Detroit Deputy Health Commissioner Dr. Edward F. Crippen who took part in the field tests of the mumps vaccine.

The health officer advised, however, that the mumps vaccine from Merck Sharp & Dohme may at first be in short supply with the expected overwhelming demand. Family physicians should be consulted, regardless, he said.

Price-wise, the new vaccine will replace a highly expensive one formerly available at around \$25 a shot, The price of Mumpsvax will probably be slightly higher than present polio and measles immunizations until supply catches up with demand and market costs drop accordingly.

Livonia Mall Takes A Page From The 1900's

Taking a page from the days of 1900, Livonia Mall merchants are going to old fashioned prices at their first annual "doorway sale" Wednesday through Saturday, Jan. 17-20.

Sales clerks will dress in turn-of-the-century styles, and there will be pitch games, apple suckers, weight guessing and a spirit of fun.

At the old-style Vernor's booth, shoppers can get a cup of ginger ale and count the number of jelly beans in the apothecary jar. Entry blanks will be available from any "doorway" and prizes will range up to \$100.

In Car Driving enough preparation for winter. and it isn't. In fact, it's only continued.

> "SLEET, SNOW, icy pavements, fog and longer periods of darkness make a different ball game out of wintertime driving. They call for different

"First and foremost, traction and visibility call for additional provisions," said Judge Porter, who has long been a member of the National Safety Council's Committee on Winter Driving Hazards.

"Winter traction depends on your tires. Make sure of the condition of your treads whether you intend to use regular tires, snow tires or studded tires this winter. In any case, for severe snow and ice conditions, be sure to have tire chains in the trunk that fit your tires. * * *

"FOR VISIBILITY you need to keep the windshield, as well as the side and rear windows. clear of snow and ice at all times, regardless of the weather.

Check all lights including the directional signals to be sure they are operating. Keep the windshield clear with nonstreaking wipers outside and a defroster that works inside.

"Pay attention in advance to your battery, brakes, heater and defroster and exhaust system," Judge Porter continued. "Put a bucket of sand and a shovel in your trunk, also some flares and a tow chain.

"All this sounds like a lot of bother. But I have presided at many accident cases where the people in trouble would have given anything for another chance to prepare properly for driving under winter con-

Airman John K. Underwood, son of Mr. and Mrs. Kenneth Underwood of 7925 Sheldon, Plymouth, Mich., has completed basic training at Lackland AFB, Tex. He has been assigned to the Air Force Technical Training Center at Lowry AFB, Colo., for specialized schooling as a munitions specialist. Airman Underwood is a 1966 graduate of Plymouth High School.

Army Private Gary L. Bohl, 20, son of Mr. and Mrs. Ralph R. Bohl, 9052 S. Main St.,

Plymouth, was assigned to the 1st Battalion , 23rd Infantry, 2nd Infantry Division in Korea, Dec. 24.

Airman 1st Class David J. Christilaw, son of Mr. and Mrs. Jack H. Christilaw, of 58700 Ann Arbor Trail, Livonia, is now stationed in Okinawa after completing six months training in missile maintenance in Denver, Colo.

Christilaw was a 1965 graduate of Franklin High School and served his basic training

To the Supervisor and Clerk of the Township of Plymouth, Wayne County, Michigan.

You are hereby notified that the Board of County Road Commissioners of the County of Wayne. Michigan, did, at a meeting of said Board held on December 28, 1967, decide and determine that a certain street described in the minutes of said Board should be a County road under the jurisdiction of the Board of County Road Commissioners. The minutes of said meeting fully describing said street are hereby made a part of this notice, and are as follows:

Minutes of the regular meeting of the Board of County Road Commissioners of the County of Wayne, Michigan, held at the Board's offices. 7th Floor, City-County Building, Detroit, Michigan, at 9:00 a.m., Eastern Standard Time, Thursday, December 28, 1967.

Present: Chairman Neudeck and Vice-Chairman Kreger

"Commissioner Kreger moved the adoption of the following resolution

BE IT RESOLVED by the Board of County Road Commissioners of the County of Wayne, Michigan that the following described section of road be and it is hereby taken over as a county road and made a part of the

That part of the N.E. 14 of Section 36, T.I.S., R.SE., Plymouth Township, Wayne County, Michigan, described as beginning at a point on the center line of Ann Arbor Trail distant S. 0 degrees 11' 41' W., 1287.77 feet along the east line of Section 36 and N. 76 degrees 41' 39'' W., 928.01 feet along the center line of Ann Arbor Trail. from the N.E. corner of said section: thence proceeding S. 13 degrees 18' 21'' W, 450.00 feet; thence southerly 64.58 feet along the arc of a curve to the left having a radius of 102.78 feet, central angle of 36 degrees 00' and chord bearing S. 4 degrees 41'39'' E., 63.52 feet; thence S. 22 degrees 41' 39'' E., 121.74 feet; thence southeasterly 84.82 feet along the arc of a curve to the left having a radius of 90.00 feet; central angle of 54 degrees 00' and chord bearing S. 49 degrees 41' 19'' E., 81.72 feet; thence S. 76 degrees 41' 39'' E., 50.00 feet; thence S. 76 degrees 41' 39'' W., 50.00 feet; thence N. 76 degrees 41' 39'' W., 50.00 feet; thence northwesterly 141.37 feet along the arc of a curve to the right having a radius of 150.00 feet; central angle of 54 degrees 00' and chord bearing N. 49 degrees 41' 39'' W., 136.20 feet; thence N. 22 degrees 11' 39'' W., 121.74 feet; thence northerly 102.28 feet along the arc of a curve to the right having a radius of 162.78 feet, central angle of 36 degrees 00' and chord bearing N. 4 degrees 11' 39'' W., 100.61 feet; thence N. 13 degrees 18' 21'' E., 450.00 feet; thence S. 76 degrees 41' 39'' E., 60.00 feet thence N. 13 degrees 18' 21'' E., 450.00 feet; thence S. 76 degrees 41' 39'' E., 60.00 feet thence N. 13 degrees 18' 21'' E., 450.00 feet; thence S. 76 degrees 41' 39'' E., 60.00 feet thence N. 15 degrees 16' 199 Feet thence N. 15 degrees 16' 199 Feet 10 feet 10 the point of beginning, constituting 0.155 mile of County Road, to be designated as Greenview. Place 41' 39" E., 60,00 feet to the point of beginning, constituting mile of County Road, to be designated as Greenview Place.

The motion was supported by Commissioner Neudeck and carried by Commissioners Neudeck and Kreger

THIS NOTICE IS GIVEN UNDER AND BY VIRTUE OF ACT NO. 283 OF THE PUBLIC ACTS OF 1909, AS AMENDED.

a French Horn quartet, the Plymouth Community band will present its traditional winter concert Sunday at 3:15 in the Plymouth High gym, under the direction of Conductor James

The program will open with the exciting "Roman Carnival Overture" and Director Griffith believes it will be the most interesting ever presented by the musicians.

The "Suite for French Horns" will be played by the band's talented horn section which includes: Harold Probest, a music teacher in the Berkley schools; Kathy Graham, a sophomore at Franklin High in Livonia; David McCubbrey and Stuart S. Delaney. students at Plymouth Junior High East.

The "American Salute" by Morton Gould, a symphonic paraphrase of "When Johnny Comes Marching Home" will spotlight the bassoon section, members are: Debbie Westfall and Peter Birge, both Plymouth High students and Pamela Powell, an eighth grade student at Plymouth Junior High West.

Other major works will include the "Finale" of the "New World Symphony," Anton Dvorak: "American in Paris", George Gershwin; and the "Water Music Suite" of Handel.

day's winter concert of the Plymouth Community Band are these members of the wind instrument section. They are: (from left) Carolyn Weage, Plymouth; Richard Sorenson, Livonia; Clayton Leroue, Plymouth; Bruce Pocklinghorn, Farmington; and Wayne Steinke, Plymouth. That's Stanley Roose, of Plymouth, playing the the drums in the background.

Rep. Tierney Reports Here's Latest On Legislature

Because I so strongly believe of the Michigan legislature in that the very life blood of good government is dependent upon full and candid disclosure of its operations by our news media, both behind portals, as well as that recorded in the official journal, I most gratefully submit these few brief comments regarding my position on the issues of 1967, and the goals of 1968, as Representative of the citizens of City and Township of Plymouth, North Westland, Canton Township and Garden

As most of you are acutely aware of the vital issues, resolved and unresolved, before the regular and special sessions

1967 were within the scope of education, public safety, and economic development.

I submit, as a member of the House Education Committee ---Taxation as it relates to Education. I opposed the so-called Fiscal Reform Income Tax as enacted in 1967. I voted against this bill because it did absolutely nothing to correct, or even alleviate, what I have for many decades considered the most crucial fiscal reform requirement in our state.

THIS MUCH needed, long overdue, essential for any true fiscal reform program requires a broader tax base for financing education throughout our state.

This is needed in order to achieve a greater degree of educational opportunity for every child with a much more uniform school millage rate in every school district.

As the situation now stands, some of the school districts I represent are deriving only one half as much money to spend on each pupil as other districts who are levying only half as much millage, yet deriving twice as much money.

In 1967 I introduced three state aid formula bills which would have had a substantial impact on reducing this long standing inequity, but there were insufficient votes last year to get them reported out of committee.

This year, however, there is much greater support for the principles of a broader based school tax with a better per pupil distribution formula. This is now recommended by Dr. Thomas as head of the official study commission appointed two years ago to evaluate and recommend changes for a more equitable financing of education in Michigan.

HERE ARE the two foremost recommendations in the Dr. Thomas report to the state of Michigan.

"1. The Financing of Education in Michigan.

There should be additional emphasis on the use of state financial aid for reducing inequalities in educational opportunity for Michigan's students.

(a) The most effective means to equalize educational opportunity in Michigan would be through transferring the responsibility for collecting the "allocated millage" portion of the property tax for education from localities to state government. This might, for example. result in a state-wide property tax rate of 12 mills for education with a corresponding decrease in local property tax rate. These funds, together with additional state revenue, would be used to finance a basic educational program for public students throughout the state.

(b) If this program is unfeasible, a second alternative would be to transfer the property tax on industrial property from local to state responsibility. This property would then be freed from the local property tax and placed on state rolls. Michigan would then add to the basic state support of a per student amount equivalent to the yield of this tax.

The implementation of either of these alternatives would result in improved property tax administration, as well as in an increased level of equality in

educational opportunity."

AS A MEMBER of the Public Safety Committee I have introduced, sponsored, amended and helped to report out of committee bills that would combat violent crime, which Mr. J. Edgar Hoover, and the F.B.I., considers the number one problem of our nation. The phenomenal increase from a growth ratio of four times as fast as our population in 1964, to a growth ratio for violent crimes in 1967 that is expanding seven times as fast as our population increase.

Even in the city of Detroit the warrants for felonies increased from between seven and eight thousand in 1966 to between twelve and thirteen thousand in

M-14 Hearing: Grumblers Silent

One often wonders about the value of public hearings on proposed freeway and highway routes by the Michigan State Highway Department.

Especially after attending the public hearing last week in Plymouth when property owners and those involved were to present their complaints about the proposed route for the expansion of M-14 through Plymouth Town-

The meeting attracted some 400 persons who must have been interested or they wouldn't have bothered attending on a night that was bitter cold and when driving conditions weren't of the

A CASUAL GLANCE at the audience was enough to convince us that a great majority had attended an informal hearing in the Township Hall about a year ago when things got a bit hot and heavy at times.

The Highway Department representatives did a magnificent job that night, warding off some complaints, candidly answering others and then stating in a matter-of-fact manner that the proposed route was the best in their judgment and that it probably

would be the one adopted.

There shouldn't have been any question in the minds of those who attended that the Highway Department had spent months of study on various routes and finally decided this one was the least expensive and the best suited for the purpose of extending M-14.

However, there were many who left grumbling over the rather pointed statements of the highway people. Most expressed the thought, "wait until we attend

the formal hearing."
Well, the formal hearing was held, as required by federal law

in instances where part of the cost comes from federal funds and the complaints were few and far between.

Mayor Harvey Moelke, of Livonia, and Irving Rozian, former chairman of the Plymouth Township Planning Commission who was ousted by Supervisor John McEwen because his thinking didn't coincide with that of the Township Board, made the loudest noise.

Rozian, a bitter opponent of the route through Plymouth Township since it will go through his dwelling, presented a case for the northerly route which swings north on Sheldon Road and then parallel to Five Mile Road. It would take part of the land presently planned by Ford Motor for expansion of the Plymouth Township Plant on N. Sheldon Road.

Moelke registered a complaint over the inaccessibility of entrance or exit from the proposed highway from Levan Road in Livonia to N. Sheldon Road in Plymouth Township. He pointed out that there would be a great deal of traffic from workers at plants in the area and that none could leave the freeway for more than four miles.

OTHER THAN THAT, absolute silence from the residents of Ridgewood and N. Territorial who will be affected by the route.

Perhaps they felt it would be of little value to register their complaints. Perhaps the hearing was a "cut and dried" matter, but one never knows if he doesn't speak

OBSERVATION POINT

- By Philip H. Power -

One week ago, to the day, the distinguished legislature of the State of Michigan went into formal session.

This important event followed the unusual record of the 1967 special session of that self-same legislature, which was marked by a total failure to take action on either of the two issues which precipitated its being: open housing and lower court reform.

Open housing got blown out of the water, primarily because of the reluctance of suburban law makers to vote for something they knew to be morally right. but which was at the same time politically inexpedient.

Matched against this high motivation, the much-publicized absence of Governor Romney (off somewhere abroad to promote his faltering drive for the presidential nomination), was essentially unimportant.

Lower court reform, which appears to have been comprehensible only to rural justices of the peace (whose jobs would have been supposedly wiped out by the proposed bill), collapsed in a fog of vague and meaningless com-

One wonders just how much money was spent on this particular exercise in futility. But again, we must realize that we are a democracy, and that our legislators are elected by the people. Perhaps we all deserve just what we get.

AND WHILE WE'RE on that, a story appropriate to mark the birth of the 1968 exercise in legislative leadership comes to mind. Perhaps we ought to regard it as a cautionary tale, which is to say it's the sort of thing that actually happened, but couldn't happen to us, but which at the same time

IF THE SHOE FITS . . .

has a certain moral.

It seems there was this state senator from somewhere, which shall remain nameless, in the northern part of the state He got in during the early 1960's, and 'tis true sirrah, he was a fine figure of a man. Tall, dark, handsome, with curly hair and a suave manner. A lovely way with the ladies, and he had such a fine and handsome wife.

So fine, in fact, that it turned out that she not only controlled the family purse-strings, but also had a lot to say about her husband's vote on the floor of the Michigan State Senate.

Talk to the old-time pros. They'll tell you.

WHILE THE STATE Senate was in session, Mrs. State Senator ignored the customary place of non-legislators in the Senate galleries. Instead, she resolutely

State Board of Education.

college at the moment.

took her place on the Senate floor - for each and every session.

In fact, her place was well known. It was on the second couch from the right hand side of the entry-way to the Senate floor. The two of them would march in together, husband and wife, the husband to take his place at the fine antique desks that grace the Senate chamber, and the wife to set herself down on the second couch from the right.

And when the matter came to a tight vote and the lobbyists were crowding around offering various (quite legal, no doubt) inducements for the legislators to vote this way and that, and while the living space around most of the Senators' desks was more crowded than downtown Calcutta, what did we see around the desk of the honorable State Senator of our story?

Nothing. At all. No one.

I'm serious. Instead, all the people were cluttered around the second couch from the right. Talking to whom? To Mrs. State Senator, that's whom!

And then she would come to a judgment (some might call it a calculation, but that's a gross injustice and slur on our fine American womanhood), and she would instruct her husband on the proper way to vote his (sic) conscience. He would comply.

WELL, THINGS GOT so bad for our fine State Senator that even he began to get concerned about his intestinal fortitude.

It was an important bill. Lobbyists offered inducements (still quite legal, no doubt) hitherto undreamt-of to those legislators still on the tence. Our Senator studied the documents, analyzed the implications, and picked up the rumors of what arguments the lobbyists were offering (presumably to his wife).

He made a judgment. He was going to vote for this bill. Guts!

Tough man! Stout fellow!

He revealed his sudden resolution to his wife that evening. Perhaps he expected a scene. Perhaps he anticipated that his wife would have a constructive reaction to his new courage.

From her, no comment. Only, it should be noted, she silently disagreed.

AND NOW, GENTLE reader, we must digress to point out that, our State Senator hero had only one pair of shoes, which he carefully placed in his closet before

retiring for the night. Bed-time comes. Exhausted from his labors, our hero falls into a deep and satisfied sleep."

But then skullduggery comes. Friend wife is still awake. Carefully she takes the only pair of shoes. Softly she creeps into the kitchen. Horribly she sneaks the shoes into the family

refrigerator. Day breaks. Our hero awakens, stiffened by resolve in the high honor of public trust.

He begins to dress. Underwear. Shirt. Trousers.

Shoes. Shoes? Shoes!! "Where are they?" the an-

guished cry leaps forth. "Why, dear, I have no idea. Didn't you put them in the clos-

et?" comes the bland answer. You can imagine the rest. It's soggy in Lansing (as usual). Cold. Damp. Dismal. What

rational man would go out in such weather without footwear? To paraphrase the old Chinese laundryman, "No shoesee, no votee.'

Disaster. Capitulation!

ONE CAN ONLY hope that our state legislators will listen to this modest tale, reflect on their performance during the past special session, and take heed.

I wish them luck.

CHECK THE DEEP

State Of The State

Romney And The Suburbs

Gov. Romney's "State of the State" message last week had something for everybody, but a number of his proposals are of particular concern to suburban-

Once again, the governor has proposed a "Department of Com-munity Affairs" — a measure that could certainly aid small units of government and those which are growing rapidly.
"Such a department could as-

sist local communities in planning, land use, housing, relocation and redevelopment problems, finance, federal liaison and public personnel requirements," Romney said.

THE FEDERAL AID problem alone would merit some sort of Community Affairs department at the state level. For one thing, the number of

federal aid programs continues to grow, and it takes almost fulltime attention to keep track of

For another, there is some tendency for Congress to look with greater favor at systems of grants to the 50 states rather than to the tens of thousands of individual local units. This necessitates some sort of clear,

CHUCK MATSON

INSURANCE Company

17000 West 8 Mile Road,

Southfield, 356-9480

formal state administrative machinery to help the local units which, after-all, are creatures of

Missing from the governor's message was another call for a State Boundary Commission - a unit that could make sense out of the bitter, dirty, jungle warfare between our cities and townships over annexation.

Romney's press secretary assured us, however, that the governor still favors a boundary commission, and that the item was dropped in order to reduce the message's length.

A MATTER OF concern to suburban school districts, with high family incomes but low property tax bases, is the possibility of teacher strikes in the event contracts can't be reached at the bargaining table. Romney favors permitting col-

lective bargaining by public employes, but he would prohibit strikes. The complicated legal question is: When are teachers really on strike? The governor's

"So that there can be no question as to when teachers are on strike. I recommend that the first day after Labor Day be legalized as the opening day of school in the absence of local agreement to the contrary."

ROMNEY WANTS TO encourage voter approval of a Wayne County Community College District, and he said his budget message will ask \$200,000 in planning

NONSENSE

Westland city ordinance (number 109, in case you're interested) which contains the following section: "It shall be unlawful for any person or persons to be en-

SENSE 'N'

Believe it or not, there is a gaged in or aid or abet in any fight, quarrel, or disturbance in the city of Westland." This makes it rough on husbands and wives discussing new hats and for city councilmen discussing a controversial topic.

Highlights Of State Of The State Message

Gov. George Romney's 1968 "State of the State" message delivered last week to the Legislature:

My candidacy for our nation's lighest office will require considerable time and attention outside of our state in the weeks and months ahead.

Fortunately our state constitution now provides for the election of the governor and the Lieutenant governor as a team. Lt. Gov. Milliken and I function as a team. We will work as a team to seek adoption of our programs proposed in this

message and in the budget, The demand for public serices is rising more steeply very year. For example, in my first year as governor, the budget requests of state agencies and institutions, including universities, exceeded available revenues by \$148 million. Despite a 90 per cent Increase in general fund appropriations over the intervening period, budget requests This year exceeded available revenues by at least \$500 million.

to THIS ISSUE OF fair housing has been thoroughly thrashed but in the special session, Now it is time to act. Now it is time to step up to this issue. Now it is time to declare ourselves unequivocally for basic justice and human dignity in the bousing field.

We must also give better financial support to the Civil Rights Commission, which has the tough and sensitive job of carrying out Michigan's public policy against discrimination. The burgeoning problems of

our growing metropolitan areas continue to demand constructive leadership from the state level.

FINANCIAL SUPORT - Local government's greatest current need is money. The executive budget - all

unds both earmarked and general fund-will include state funds to support local needs totaling \$1,520 million, an intrease of about \$210 million. This includes \$45 millon from the new state income tax.

also urge you to extend to cities additional taxing powers in the form of certain excise

DEPARTMENT OF COM-MUNITY AFFAIRS - I propose creation of a Department of Community Affairs, to consolidate programs and units now scattered throughout state government. Such a department could assist local communities in planning, land use, housing, relocation and redevelopment problems, finance, federal liaison and public personnel requirements.

HOUSING - The problem of housing is one of the great challenges facing this state. To meet this challenge:

First, I urge prompt legislative and budget action to make the State Housing Development Authority fully operative.

Second, I urge that Michigan become the first state to actively promote the concept of "sweat equity" as a means of putting home ownership within the reach of low income famflies. "Sweat equity" involves the investment of one's own labor in a new or rehabilitated

VITRANSPORTATION - Last year the Legislature created a Metropolitan Transportation Authority in Southeastern Michigan, and authorized other areas to take similar action, My budget will include funds to be matched with federal funds for mass transit planning and engineering studies by such transportation agencies.

Michigan's minimum wage should be increased to reflect higher living costs and bring it more closely in line with the mederal law.

I recommend an expansion of our foreign trade activities. Last year a Michigan trade mission sold an estimated \$3 million worth of machine tools in Europe. We can multiply such success.

-T MICHIGAN'S REVENUE pichire is also favorable.

Yet we must approach the new fiscal year with great care. Michigan, like most states, finds itself increasingly at the mercy of federal financial and policy whims. Federal grantsin-aid have increased four-fold in the past decade, But cutbacks in programs without advance warnings, unfulfilled budget promises, unrealistic administrative decisions, undue restrictions - all of these have hampered planned progress at

the state and local levels ... We must not spend beyond our means. Fortunately we can live within our revenues next year and move forward pru-

The Key Proposals

Key points in the Romney legislative program for

Excise tax powers for cities.

A Department of Community Affairs to aid local

• A \$435 million bond issue to meet costs of pollution control and to develop new park lands.

A fair housing law.

· New riot control laws, restrictions on firearms and "Molotov cocktails," subpena powers for the attorney general.

No new state taxes.

A boost in the minimum wage.

dently and significantly.

EDUCATION - I again urge that we increase support by \$5 million for special educational programs for underprivileged children. The needs of these children are particularly acute in our central cities.

. . .

Our outstanding colleges, universities and community colleges need additional support. My budget will recommend funds for the increased enrollment expected this fall, as well as for faculty salary improvement necessary to attract and retain high-caliber academic talent.

The Legislature established machinery for the creation of a Wayne County Community College District because of a serious educational gap in the Detroit metropolitan area. To encourage voter approval of such a district, my budget will include \$200,000 in planning and development funds.

PUBLIC EMPLOYES --Events of the past two years have demonstrated the deficiency of existing laws in dealing effectively with the oremployes.

These and collective bargaining by public employes but would prohibit strikes. They would provide more workable dispute settlement procedures ranging from mediation to fact finding. They would strengthen the role of our courts in instances of strikes. And they would establish a more realistic and permanent state machinery to deal with this complex area.

So that there can be no question as to when teachers are on strike, I recommend that the first day after Labor Day be legalized as the opening day of school in the absence of local agreement to the contrary.

THE 1967 SOCIAL Security amendments give us more flexibility in developing a Medicaid program for the medically indigent. We expect to be able to work out a comprehensive new program without significant extra cost to the state.

I also recommend improvements in the collection of health statistics, in medical care administration, environmental health, and community services in the Public Health area, and the quality of basic care in our state institutions of mental

PROPERTY INSURANCE --Losses from last summer's riots and the fear of future outbreaks have aggravated already existing property insurance problems in urban

EVENING & SATURDAY CLASSES

245 EAST KIRBY, DETROIT, MICHIGAN 48202

will become even more difficult to obtain in the future, the State Insurance Commissioner has recommended that all insurers writing fire and extended coverage insurance in Michigan

participate in an insurance pool. I recommend appropriate legislation to guarantee insurance coverage for those individuals and businesses that meet necessary standards.

* * * CONSUMER PROTECTION --The Michigan consumer must be protected from fraud and abuse in the marketplace.

Many essential consumer services are regulated by state government. Funds will be included in the budget to improve the state's ability to regulate and inspect, Legislation will also be submitted to insure at least one public member on each professional regulatory board.

VETERANS -- The Veterans' Homestead Tax Exemption Law must be changed to better reflect the degree of disability of qualified veterans and provide greater tax relief to those most in need.

I recommend that the State ganized efforts of public equalized property tax value credit be changed from the recommenda- present across-the-board tions would permit organization allowance of \$2,000 to a minimum of \$2,500 and a maximum of \$4,500 depending upon the degree of disability.

> CRIME, RIOTS -- I first call to your attention the proposed "Michigan Revised Criminal Code" which has been drafted by the State Bar of Michigan and favorably recommended by the Michigan Crime Commission. The simplification of our criminal statutes, the arrangement of offenses into logical categories and the reforms in sentencing and administrative procedures embodied in this Code are valuable advances which this Legislature should move on after due deliberation.

> Last summer's riots pointed up legal deficiencies in coping effectively with such disturbances. I recommend a thorough revision of the socalled "riot act" to provide a clear, workable definition of unlawful assembly and to make unlawful the failure to disperse upon command.

> We also need legislation to specifically prohibit willful blocking of streets and highways demonstrators, to make illegal the possession incendiary devices, such as "Molotov cocktails," and to provide more severe penalties for interference with firemen in the performance of their duty. I also recommend legislation to insure more effective fire-

arms control in this state. The Michigan Law Enforcement Officers Training Council Because property insurance must be given the funds necesavailability is now limited and sary to perform a truly adequate

To give our law enforcement officers better tools to fight organized crime, we need:

-- First, a statute to permit court-ordered electronic surveillance under carefully controlled circumstances as recommended by the Michigan Crime Commission.

-- Second, legislation currently pending before the Legislature which would allow circuit court judges to grant witness immunity upon petition of the prosecuting attorney or the attorney general. -- Third, legislation which

would allow circuit judges to grant subpoena power to prosecuting attorneys or the attorney

WATER, PARKS -- The three major challenges facing Michigan in the protection and management of its abundant natural resources area are pollution control in our lakes and streams, the development of adequate recreational facilities in and around our major urban centers, and the futherance of the recreation potential of the Great Lakes.

Because of the magnitude of

GOV. ROMNEY

these problems and because of the mounting cost of deferring action even for a short period of time, I am today proposing general obligation bond issues of \$435 million to help finance the capital costs of these programs on a cash basis. Such bond issues would provide funds for:

-- Cost sharing with federal and local units of government in the construction of pollution treatment facilities which will largely eliminate pollution from municipal waste disposal. -- Grants to local units of

of community recreational facilities such as swimming pools and vest pocket parks.

The financing which I propose would include a bond issue of \$335 million to combatwater pollution and a bond issue of \$100 million for parks and recreation. Combined with federal and local funds, this would give Michigan a \$1,364 million program to meet these urgent problems.

Glue Sniffing Damages Brain

Two attractive Jackson, Miss., sisters, aged 15 and 17, were committed to Columbia State Training School Wednesday by a state judge who said they suffered minor brain damage from sniffing glue.

County Judge Carl Guernsey sentenced the girls, whose case came to official attention when the older one was hospitalized after a "glue-sniffing party." Hospital spokesmen said the younger girl's brain damage was permanent.

Isn't Lost!! Draft Board Back In Business

No. 102, of the Michigan Selective Service System, Monday released sad news for those prospective draftees who thought they would have a long wait after all records were destroyed in the fire a week ago on Penniman Ave. in Plymouth.

has indicated the Plymouth Board has resumed operations from temporary quarters in the Post Office building, 860 Penniman Ave. -- just across the street from the burned-out of-

The office staff, headed by Chief Clerk Mrs. Lucia M. Col. Arthur Holmes, state Fedell, is on the job to accept

ed at the same 'phone as before--453-0232.

had such high hopes of long registrants will be advised by delays, can forget them. Col. letter of any additional records Holmes stated that records of

The Plymouth Local Board director of Selective Service, registrations and transact other Draft Board No. 102 are now essential draft board business, being reconstructed based on The board office may be reach- duplicate copies at State Headquarters in Lansing.

> As Selective Service files Thus, all of the draftees, who are reconstructed in the future,

the former Board offices during the month of December, 1967, are requested to return to complete their registrations as soon as possible. These registrants port to the local board to com- will report to a draft board secretary; Verner Bodker, of can then be issued their registration certificates which they

of age since December 21, in- ister on their 18th birthday or reconstructed, are: Judge John cluding the week before the within five days thereafter. Mokersky of Inkster, chairman; plete their current registration on a continuing basis to be Detroit; Joseph Grebik of Livonia; and George Manoleas

LT. GOVERNOR William Milliken (center) is shown signing an official State of Michigan Proclamation proclaiming January 21 through January 27 as Jaycee Week in Michigan. That's Pat Duggan of Livonia (left), president of the Michigan Jaycees and John Bailey of Farmington, public relations chairman of the Michigan Jaycees. The proclamation congratulates the Michigan Jaycees for serving their communities well during the past year and urges them to continue their fine efforts.

U-M Experts Set Clinic Saturday For 'Bleeders'

so-called "disease of kings."

Specialists in eight fields-pediatrics, hematology, orthopedic surgery, physical medicine, oral surgery, social work, rehabilitative therapy and vocational guidance--will be among the board members who will give each patient a total evaluation of the effects of his disease. The ailment is marked by profuse bleeding.

The initial clinic is being arranged by the Hemophilia Control Center at U-M, which maintains health records on some 400 patients throughout Michigan.

Dr. John A. Penner, head of the center, said the new clinic will be held about six times a year at University Hospital, with additional meetings elsewhere as the demand requires.

Patients will be able to meet the consultation board free of charge. The costs are being shared by the Michigan Hemophilia Foundation and the state Crippled Children's Commis-

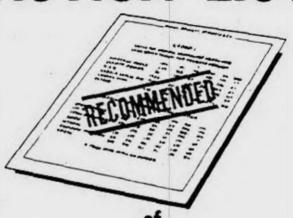

As part of the program, a

ANN ARBOR--The state's thorough three-day review will first Hemophilia Consultation be offered--also without charge Board will conduct a one-day --to selected families. This clinic at the University of Mich- phase will furnish a complete igan Hospital on Saturday social and psychological review (Jan. 20) for patients with the for the patient and his entire family. In many cases hemophilia is hereditary.

Most patients will be referred to the board by physicians and dentists throughout Michigan, and by the Hemophilia Foundation, Dr. Penner said. In turn, the board's detailed findings and evaluation will be returned to the referring doc-

DISEASE FIGHTER -- Giving up blood once weekly isn't much fun for Monte Brubacher, who's only 18 months old, but he's a good soldier about it at a March of Dimes Birth Defects Center in Oregon. Monte is the victim of a severe, inherited birth defect of body chemistry. This is the March of Dimes Month and the Mothers March will be tapping at your door in the near future for donations for this nationwide foundation.

Pitcairn Island Has Telephones

The telephone has come to Pitcairn Island, the small British Colony in the Pacific first settled by the Mutineers of the HMS Bounty in 1790.

According to 'The World's Telephone," the annual statistical review released by the American Telephone and Telegraph Company, the 98 residents of the tiny mid-Pacific island are now served by a network of 15 phones.

At the other end of the scale, the number of telephones in the United States rose to 98.8 million at the beginning of 1967 -the 100 millionth phone was installed during the year -- close to half of the world's

THE FIGURES in 'The World's Telephones" are as of January 1, 1967, because it takes almost a year to gather statistics from telephone administrations and companies around the world.

The book reports that the number of telephones in the world continued to climb rapidly last year, increasing by 13.4 million, a gain of 6.9 per cent. This brought the total of the world's telephones to 208.5 million at the beginning of 1967, double the number in service only 11 years ago.

The volume of overseas calls also continued to soar. Calls between the U.S. mainland and overseas points totaled 9,9 million in 1966, up by 22 per cent over the preceding year.

By the start of this year, Rumania had become the 31st country with a half-million or more phones. Japan followed the U.S. in the total number of phones with 16 million, leading the United Kingdom, West Germany, the USSR, Canada, France and Italy.

THIS COUNTRY retained its lead in telephones per 100 population with 49.9, Sweden was second with 47.9, followed by New Zealand, 39.9; Switzerland, 39.3; Canada, 38.9; and Denmark, 29.1. In telephone talk, however, Canada kept its world title, averaging 664 conversa-

tions per person during 1966. The U.S. again ran second,

averaging 648. For the first time in several years, AT&T was able to include figures on Moscow. The Soviet capital has 850,000 telephones for its 6 1/2 million citizens, a ratio of 13.1 per 100 population. New York City, by way of comparison, has 67.1 per 100 population.

AT&T said that the Moscow figures were obtained from one of the Press Wire Services.

Establish Scholarship For Violinists

ANN ARBOR -- A scholarship fund for violin students in the University of Michigan School of Music has been established in memory of Prof. Joseph F. Knitzer, internationally known concert violinist and teacher. Prof. Knitzer, a U-M faculty member since 1964, died last July 1 at age 53.

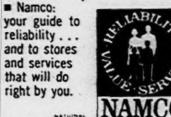

Contributions are being accepted by the Office of School Relations, 2266 School of Music, on the University's North

Knitzer was head of the violin department of the National Music Camp at Interlochen, for 10 years. His former students from Interlochen and other schools are now widely distributed among major symphony orchestras.

THIS COUPON GOOD FOR 300 EXTRA TOP VALUE STAMPS WITH PURCHASE OF \$10. OR MORE AT ANY KROGER STORE IN DET. & EAST. MICH. COUPON VALID MON. JAN 15 THRU SUN. JAN 21, 1968. LIMIT ONE COUPON

Are Top Value Stamps really a good reason to change stores?

They're certainly one good reason. And a meaningful one, when teamed up with additional reasons: like low competitive prices, best quality merchandise, and nice stores staffed by pleasant people. Put all these together, and wouldn't you enjoy it? Anyhow, why not find out! We don't expect you to change stores just because your store stops giving stamps. But you do owe it to yourself to give us a try.

Turn the Page for More Exciting VALUES!

Your dollar's worth more when you shop at the store that gives Top Value Stamps!

Offer 3 Courses In Real Estate

Three weekly courses in real estate will be offered next month by the Western Wayne-Oakland County Board of Realtors in cooperation with the extension service of the University of Michigan, Classes will continue until the middle of April.

12 Tigers Find Terms Agreeable

Jim Campbell, the Tigers' executive vice-president and general manager who seems to specialize in wholesale signings, topped himself Saturday with an announcement that 12 players have come to terms.

Terms were not disclosed for any of the new signings, which

Catcher Bill Freehan, acclaimed "Tiger of the Year" by the Detroit baseball writers after a .282 comeback at the plate and recognition as the American League's No. 1 back-

Pitcher Earl Wilson, whose 22-11 record tied him for the major league lead in victories and made him the Tigers' 37th 20-game winner.

Outfielder Willie Horton, who hit 19 home runs with a .274 average despite an Achilles tendon injury which knocked him out of 43 games and led to postseason surgery, which has been pronounced successful.

PITCHER DENNY McLAIN. who had a 17-16 record and missed a chance for a second straight 20-win season when sidelined the last two weeks with a foot injury.

Outfielder Jim Northrup, who shook off an early-season attack of mumps to play 143 games, most for any Tiger outfielder, and bat .271.

Pitcher Joe Sparma, who rebounded from a 2-7 record in 1966 to 16-9 in 1967, including five shutouts and six straight victories at the start of the season.

First baseman Norm Cash, who dropped to .242 at the plate but topped the 20-homer mark for the seventh straight season with a total of 22 and led the American League in fielding at his position.

SHORTSTOP Ray Ovler who became the Tigers' regular shortstop in 1967 after two years of reserve duty, appearing in 146 games.

Outfielder Mickey Stanley, the No. 1 spare outfielder who also doubled in the infield at

"Real Estate Business I' will be offered on Tuesday evenings from 7 to 10, beginning Feb. 6. It will be conducted by Earl Fernelius, head of his own Birmingham realty firm.

The course is designed to provide a general knowledge of real estate for those people contemplating entering the real estate business as well as those presently in the business.

"Real Estate Appraisal II" will be offered Wednesday evenings from 7 to 10, beginning Feb. 7. It will be conducted by Carl Deremo Jr., a Senior Real Estate Appraiser and brokerowner of Deremo and Son, Inc.

It will cover advanced appraisal of investment and income properties, industrial and leasehold properties, commercial properties, and such. It is designed for people with some appraising experience and background.

THE THIRD COURSE is "Real Estate Finance." Offered from 7 to 10 on Monday evenings, it will begin Feb. 5. Ronald A. Sinclair, mortgage department head of the First Federal Savings and Loan Association, Birmingham office, will be the instructor, and home mortgage lending will be the subject covered.

All three will be conducted at the headquarters of the United Northwestern Realty Association - Western Wayne-Oakland County Board of Realtors, 11677 Beech Daly Road; Redford.

Fee is \$50 for each. Ten weeks in length, the courses will culminate with a final examination.

These courses serve to satisfy the Board requirements that all its salesmen must complete college-level real estate training before acceptance into the Realtor Board.

Early registration is urged because of the limited number of students that can be accommodated, Applicants may enroll in person or by phoning the Board's office at KE 1-6700.

Grads To Hear Albion Head

YPSILANTI-Dr. Louis William Norris, president of Albion College, will be the speaker at the 19th January Commencement at Eastern Michigan University here. The ceremonies are scheduled for Jan. 21 at 3 p.m. in Bowen Field

There are 632 candidates for degrees--458 baccalaureate and 174 graduate. Last January, the total was 564--418 and 146

Keys to a 1968 Chevrolet Camaro are presented to Frank T. Pakos, of Redford Township by General Manager of the Hydra-matic Division, J. S. Garlic. Pakos was the winner of the Camaro which was the first prize of the GM Silver Anniversary Suggestion Program at the Hydra-matic Division. Pakos, a jobsetter at Hydra-matic with over 27 years service, has submitted 186 suggestions under the provisions of the GM Suggestion Program and has earned awards amounting to \$5,051.73. Married and father of two children, Pakos resides at 11394 Rockland in Redford Township.

Post Office Stamp Windows Attract Counterfeit Bills

\$20 bill and ask for a five cent stamp, don't be irritated if he holds the bill up to the light, or disappears for a moment to confer with a super- to have a monopoly on both visor.

Unless you're trying to pass off a counterfeit bill, there's no reason to be upset. The clerk is just protecting his

interests.

If you hand a postal clerk a a crook can pull is to buy postage stamps that the government printed, using money that the government didn't print. The government is supposed

> Stamps are as good as cash, and the "rewards" are even better if purchased with counterfeit money.

One of the dirtiest tricks most cases, is the postal clerk

sheet of stamps in return for a bogus bill. He can't pass it on to the next customer, and although the government will take the bill, it won't give him anything for it.

GENUINE STAMPS are becoming an increasingly popular item with counterfeiters. They The man in the middle, in are easy to dispose of, and almost impossible to trace.

When purchased with phony to the seller. Eventually, they the stamps--with real money, terfeit bill. It doesn't know

money, stamps can be fenced may wind up in the hands of at a considerable discount and a perfectly legitimate businessstill produce a sizable profit man, who paid the full price for

FHS Psychology Club Plans Sale

The Franklin Psychology sold in the northwest ticket club will hold a bake sale during lunch hour Friday, Jan. 19.

Baked goods contributed by members of the club will be

All profits will be used to help the patients at Northville Wayne County General and Hospitals.

One man who knows about the increasing popularity of stamps with crooks put it this way: pockets--for "carelessly" ac-"A guy can walk into a post office, buy 50 cents worth of stamps with a \$10 (counterfeit) bill, write home to mother al, in one case, ruled that postab

and still have \$9.50. During the last fiscal year, the post office had 822 cases where it picked up the tab for an employe duped by a coun-

exactly how many employes had to make good--out of their own

cepting counterfeit money. THE COMPTROLLER generemployes must bear the responsibility for loss when they are

taken in by a counterfeit bill.

The postmaster general

appealed the decision. It was upheld--by the comptroller general.

EMPLOYES HAVE been excused, the guide says, in cases where their office was not alerted that a certain denomination or type of counterfeit was loose in the area. Also, they may be excused from liability, if the bill is of such quality that, in effect, it would fool almost

WITH MOUTH AGAPE, a Lowrey High player grabs this rebound during a tense moment of the recent game against Garden City East. All of the players have ambitions of getting the ball -- perhaps that's why the unidentified Lowrey basketballer seems so amazed.

Seattle Poses Test FridayForPistons

all fans attending the Detroit Pistons game with the Seattle offs in their first season of Supersonics at Cobo Arena Friday night,

Each spectator will receive free a glass tumbler, engraved with the signature of all the Pistons' players.

The game also will mark the first visit to Detroit for the Sonics, who along with the San Diego Rockets, are in their initial season of play in the National Basketball Association.

Seattle is coached by Al Bianchi, former Syracuse and Philadelphia guard who last season

Students File Now For Jobs

Washington, D. C. -- College students and other youths who want to work for the Federal government next summer have until February 1 to make application, Congressman William D. Ford (Democrat-15th District) announced.

Applications may be obtained by writing to Congressman Ford at Room 1006 House Office Building, Washington, D.C. They are also available at most Post Offices.

Congressman Ford emphasized that there are a limited number of jobs available with the Federal government, Last year, some 31,000 persons were hired from nearly 250,000 ap-

Those who apply must take a Civil Service examination which will be given March 9, at locations throughout the nation, including Detroit, Wyandotte and Ann Arbor.

Any United States citizen may apply. The minimum requirement is 18 years, but this is waived for high school graduates who are at least 16.

A special treat is in store for assisted John Kerr in guiding the Chicago Bulls into the play-

> STANDOUTS ON THE team include Walt Hazzard, the former Los Angeles Lakers guard; Tom Meschery, who starred in San Francisco's drive to the NBA finals last spring, and rookies Bob Rule and Al Tuck-

Rule and Tucker have crashed the Seattle starting lineup at center and forward, respect-

Two former Pistons also are playing for Seattle. They are Rod Thorn at guard and center Dorrie Murrey, the former University of Detroit great.

AFTER MEETING Seattle, the Pistons hop down to Cincinnati for a Saturday night game with the Royals, then return to Cobo Arena Sunday to take on the New York Knicks in the first of five Sunday matinees carded on the Pistons' home court during the balance of the

Game time Sunday will be 1:55 p.m. and in the Knicks, the Pistons will face one of the hottest teams of late in the NBA New York, by winning six straight, has moved from last in the Eastern Division to within striking distance of the Pistons in third place.

Since the Knicks last were in Detroit, they have changed coaches. Red Holzman has taken command, replacing one-time Piston coach Dick McGuire, now a scout for the Knicks.

In addition, former Princeton All American, Bill Bradley, has returned to action with the Knicks after being sidelined for several games with injuries sustained when he was hit by a taxi, while he was crossing a

street in New York.

War II.

the last 20 years in 1966.

vate housing starts.

- 5:30 (4) Frank McGee Sunday Re- (50) Movie Greats: "The Case
- Climb In '67 Despite population increases 1960s, a fact that can be esthroughout the United States, tablished in many areas of the

industry as close to a depres- 1970s. sion as it has experienced in

the American housing industry country simply by checking the

is experiencing a number of number of units vacant in any

casters project 1.6 million Nay-sayers cannot write off the industry in the red this year, however, because there has been a slow but steady

recovery trend of 848,000 priand find that 17 years ago the THE LATEST FIGURES on nation's builders turned out 1.9 million housing units in one housing seem to indicate a healthy giant, and maybe it is. Housing starts in November

Attention!

556,000 units, nearly 72 per

But, coincidental with these figures are some less encouraging symptoms: mortgage ingives you terest has now risen to its INSTANT CREDIT highest rate of the year, prices are up and housing permits, which foretell future construc-

tion, are lower. In other words, housing may be headed for trouble once again, with money once more the disease in abody that otherwise might be in roaring good

rose for the fifth straight month,

reaching an annual rate of 1,-

cent higher than the 1966 low.

THIS IS WHAT new home purchasers were offered in October: interest rate, 6.52 per cent; length of loan, 24.4 years; loan to purchase price ratio, 74 per cent; and purchase price, \$27,500. These are averages from the

Federal Home Loan Bank Board, and include rather widely differing rates for savings and loan associations, life insurance companies, mortgage companies and commercial and mutual savings banks. But, as averages, they still tell a story. Average interest rates ac-

tually were lower in October than a year earlier, but a steady increase for several weeks accelerated in November, and rates now are near last year's high. In addition, home prices have risen \$1,800 in one year. Partially offsetting these costlier factors are steadily

rising incomes for most families, more jobs and less unemployment. Few analysts believe, however, that these financial pluses offset the higher costs of buying a home. THE MOST DISTURBING aspect of the present situation is that the demand for housing

is building up powerfully and,

if mortgages were available

at more reasonable rates, would amount to a boom. The biggest demand, potenmediately after World War II, WJBK-TV2 will telecast the Another source of demand is ilies which last year postponed

As a result, vacancy rates

Reader Speaks His Piece About Housing Ordinance

Editor:

In a recent issue of the Plymouth Mail and Observer the "Readers Speak Up" column included a series of observations by Harry N. Deyo regarding the Plymouth "Open Housing Ordinance" which he spoke against during the recent public hearing held prior to the passage of the Ordinance.

To properly preface my comments I spoke briefly at the same meeting but in favor of the Ordinance. It is my contention that Deyo's logic is fallacious and therefore his conconcerned citizen and a Christ- tion. ian to comment on Deyo's observations, and point out specific faults in his logic.

From the large number of obvious discrepancies I doubt that I will cover them all, but as they say in the textbooks that can be left as an exercise for the reader.

Deyo's statement of belief is incomplete. He says that he believes in the Constitution, then neglects to include freedom of religion, and freedom of the press, which are very much subjects of discussion in his correspondence, as inherent in a free and decent society. On the other hand he includes the

A Mess For Sure

EDITOR:

After reading the article on the Plymouth Road work by the state from Ann Arbor and Plymouth Road to Inkster Road-that is a mess for sure.

As a construction man with 50 years of experience on all classes of work, this project was a mess to start with. The old road bed was in bad shape, but as work went around it got worse and you can be sure it is going to get worse--if possible.

I am in full accord with our city engineer on this matter in regard to catch basin projection 2 1/2 inches up now is dangerous. Wait until the snow comes and the scrapers clean off the snow.

There will be no tops on the holes--just big holes by the curb that any car will fall into. Then see what happens.

As our engineer said, the lanes are too narrow by the state's own requirements. This is a state job that you read about sometimes in the press. We do it and you have nothing to say about it.

I had seen some things done on that job, and I wondered about the supervision. Experienced or not--most are not from the look of things. This condition will be as is until next June at the speed this mess was done.

We drivers will be wise to stay away from the curbs at least three feet and take a chance on not hitting something else on the road or detour to Schoolcraft to Inkster Rd. and

then come back again. EARL W. HOUGHTON

Tanked Chemicals

my, trucks carrying highly corrosive chemicals on the highways use specially designed nickel stainless steel tanks. The material resists corrosion by most chemicals and is exceptionally easy to clean.

of his prime freedoms.

The belief in freedom of association as stated by Deyo is fine to express in theoretical terms, and for him it undoubtedly has never been seriously abridged. Those of us who hold or have held security clearances know that as a practical matter abridgement of this socalled right, even though it be on a voluntary basis is an essential ingredient in defense of

the United States of America. Sorry, but there are those of us who believe that the United States has the right and duty clusions untenable. As a result to defend itself against those I feel that it is my duty as a who have pledged her destruc-

> As a legal technician it may be very right and proper for Deyo to state flatly that he believes in the Constitution with no reasons given. However the framers of the Constitution tell us why it was drawn up in the Preamble, I quote, "We, the People of the United States. in Order to form a more perfect Union, establish Justice, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America."

> Sorry, but many people think that the Constitution was written to serve the purposes of American Society, as it says, and if it frustrates these purposes Article V provides a means for its Amendment.

> With regard to the question of what racial mix might be optimum for the City of Plymouth, I'm afraid that Deyo is confusing a solution to racial tensions for the problem.

The suggestion that Deyo objects to so greatly was undoubtedly meant to be a part of the solution to a very explosive situation that presently

The objection to the exemption of the clergy and the various churches in Plymouth from the requirements of this Ordinance on the surface would seem quite right and proper. Deyo. however, indicates a deep respect for the Constitution of the United States.

The First Amendment to the Constitution shows that early in the life of this nation the idea of freedom of religion was of great concern. To quote: "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances." Is the Constitution guilty of hypocrisy? .

Deyo makes the statement that no attorney, having due regard for the law, can draw a valid bill or ordinance plundering the public for the benefit of a minority. He does not however logically connect this statement to the "Open Housing Ordinance." The point has

not been proven. The position of Rep. James To combine safety and econo- Tierney is not relevant to the Plymouth "Open Housing Ordinance" since he lives in Garden City and not in Plymouth. We may however listen to what he has to say and accept or reject it on its merits. A state-

ment was alleged to him that his vote on the Michigan Open Housing Bill would be in accordance with the response he received from questionnaires sent out to constituents.

Similarly, Gov. George Romney, may be a very pleasant, intelligent man, whose advice we might wish to seek, but neither is he a resident of Plymouth. On the question of whether

colored people destroyed property values, Devo dismisses this with a simple statement that they do. No supporting logic is supplied. The assumption is made that we should take Deyo's word for it. Personally I had never heard of Deyo until the hearing on Open

Parapros Will Providé Answer To Teacher Aid

teachers, counselors and administrators-are engaged in positions requiring specialized knowledge and often long and intensive academic preparation.

Too often, their daily work includes such tasks as writing hall passes, supervising playgrounds and helping small children pull on their snow boots-duties requiring something less than specialized knowledge or extensive academic preparation.

At least 26 of Wayne County's 43 school districts and a number of non-public schools are doing something to free their professionals for professional activity. They employ Paraprofessionals in a variety of ways as discovered in a recent survey by the "Paraprofessional Study" of the Wayne County Intermediate School District.

Financed through federal funds, the Study is headed by Dr. Arnold Glovinsky and Dr. Joseph Johns of the county staff.

Device Aids Ailing 'Preemies'

A new device, purported to aid premature infants born with hyaline membrane diseases -the same disease that killed Patrick Bouvier Kennedy, son of the late president--has been patented by Dr. David L. Carlson of the University of Iowa.

Each year the disease afflicts some 25,000 newborn babies in the United States, mostly premature ones. One out of every 15 babies is born prematurely, the greater the danger that a baby's lungs not inflate properly.

DR. CARLSON SAID his respiratory augmenter "is a useful adjunct to the intensive-care normally given in the treatment of premature infants with hyaline membrane disease," He stressed, however, that it "is a treatment only, not a cure."

The device, which has been on the market about a year. is made by Bourns, Inc., Ames, Iowa. It consists of a nose mask to which two conduits are attached, one for inhalation, the other for exhalation,

An electronic monitor and control are used to stimulate the infant to return to the natural breathing rate whenever it falls below that rate.

Sets Advanced First Aid Class In Livonia

An advanced Red Cross First Aid class has been scheduled through the Livonia Board of Education for Emerson Jr. High School, 29100 W. Chicago in Livonia, beginning Wednesday, January 17, from 7:30 to 9:30 p.m. It will run for eight consecutive weeks.

Open to students, 15 years of age and up, and adults who have completed a standard first aid class within the past three years. Registration may be made at the high school.

The class will be taught by volunteer instructor Ray Burnette, free of charge.

Professional educators -- It is concerned with current employment of paraprofessionals in county schools, whether their number should be increased and how this might be accomplished, and what the utilization of paraprofessionals holds for improving the education of the county's 700,000 school children.

> PARAPROFESSIONALS are persons with less than the required or expected level of education or training who are performing duties usually performed by professionals under, the direct supervision of professionals. They may be paid or volunteer workers assigned to assist a teacher, a counselor, librarian, or administrator.

There are almost 5,000 paraprofessionals already employed by public schools in Wayne County; one district, Detroit, accounts for over 4,000 of these, half of whom are volunteers.

Among non-public schools the survey showed 97 schools employ 1600 paraprofessionals, over 90 percent on a volunteer basis. All but 150 of these are being utilized at the elementary level, the level employing the largest number of paraprofessionals in the public schools as

SALARIES PAIDparaprofessionals in the public schools range from \$1,500 to \$3,500 yearly, 85 percent of which is provided by federal agencies. Non-public salaries range from \$3,000 to \$4,300, with all but an estimated 15 percent paid from local funds.

Paraprofessionals are serving in pre-school and adult programs as well as at elementary and secondary levels. In ratio to certificated teachers. one large trainable program a one-to-one basis; an even higher ratio is involved in preschool programs which employ as many as three paraprofessionals for each certified

There are a number of problems relating to current staffing practices and the widespread employment of paraprofessionals: money for salaries must be found, training must be established, roles must be identified. But, the basic question of need was answered affirmatively by the survey.

In summarizing their findings, Doctors Glovinsky and Johns report: "School administrators express great Interest in the feasibility of employing paraprofessionals to work with their certificated personnel to improve the education of boys

New Chrysler Vice Presidents Announced

Four Chrysler Corporation executives have been elected to the office of vice president by the company's board of dir-

The new officers are: Eugene A. Cafiero, group executive -Latin American Operations; Frederick Osann, Jr., group executive - Power Train; Sydney L. Terry; director of engineering; and Glenn E. White, general manager - Chrysler -Plymouth Division.

EXAMINING NEW BOOK -- Mrs. Alice De Podesta, right, shows Mrs. Marie O'Toole of the Farmington District Library staff, a picture of her late husband, Frank, in a copy of the Encyclopedia of American Biography which she recently presented to the library.
