today's hot line observerland

REDFORD-Ron Rice, Republican candidate for the 34th District state representative seat held by Democrat John Bennett, was given the Wayne 19th District Convention keynote speaker spot to launch his campaign Wednesday. Rice is a former aide to U.S. Congressman Jack McDonald, 19th District.

REDFORD-Failing to get a clear cut majority at the polls in the primary election, none of the three township Democratic factions seems able to mend the riff. Coalition support of Ron Mardiros to upset Wayne 19th District Democratic chairman Jerry Raymond may reverse the Raymond censure of the Mardiros-aligned Township Democratic Club president Joseph Patchett.

FARMINGTON-An agreement announced Friday morning between Farmington public schools and its more than 700 teachers provides for an across-the-board pay hike of about 10 per cent. The salary hike is \$400,000 more than what is currently allocated for salaries, but the extra expense will be met by a \$471,000 reserve fund left in the budget specifically to cover the increase. Fringe benefits include full payment by the district of teachers' hospitalization insurance and an increase in life insurance policies from \$2,000 to \$5,000.

LIVONIA-The Board of Education will ask for renewal of a seven-mills levy at a special school election on Monday, September 30. The millage is designated for the operating fund. Undetermined is whether the board will ask for additional millage for

LIVONIA-Livonia firefighters have approved a new two-year contract with the city which will give firemen with sufficient service about \$9,400 per year. The contract calls for retroactive raises of \$500 to last December 1 and an additional \$900 next December 1.

LIVONIA-The City Council voted 4 to 3 to deny the appointments of Mrs. Myra Chandler and Donald Pollock following a heated discussion. Mrs. Chandler previously served a three-year term and had been reappointed by the mayor. The action taken was the culmination of several sessions at which the matter was either tabled or deadlocked in a tie vote.

LIVONIA - Livonia teachers and the Board of Education are reported to be only \$100 apart in bargaining talks for a new teachers' contract for the coming school year. A state mediator returned to Lansing after reportedly helping both sides resolve matters which were previously deadlocked.

What's Inside

An experiment with an integrated citysuburban day camp has been carried out with a great deal of success on Farmington Township farmland by the Unitarian-Universalist Church. Story and pictures on Page 1B.

It's still hot summer, but area high schools are calling in football players for physicals and to issue equipment. Important notice on Page 4B.

How state police detectives traced a dope ring that extended throughout several Observerland high schools is related in detail by Redford editor Dennis Pajot in this exclusive

story on Page 6B. There are jobs to be had in suburbia, but only in certain categories. Interview with the area branch manager of the MESC on Page

Stroller

Dean Saxton, the white-haired monarch of Saxton's Garden Center, peered about the wellfilled dining room at lunch the other day and, in a voice that expressed real astonishment, remarked-

'You sure can tell that Plymouth is changing for I don't know a person in the room aside from you fellows at this table.

"I well can remember the time when I could walk into any store in town and know most of the people in it-but no more.'

All agreed that they were experiencing the same trouble and now could walk along Main Street any day without speaking to anyone or getting a nod of recognition, so great is the change in the community.

"Would you believe it," Dean went on, "it was almost the same in church last Sunday. I looked at all sorts of strange faces and when I finally saw a woman I knew I was so pleased I could have kissed her."

Of course, Dean was only kidding about such an affectionate salutation, but he did prove a point. Plymouth slowly, but surely, is changing and with each change come more and more strange faces.

The fact that one no longer recognizes people as he walks along the street isn't the only change in the community.

CANDIDATES FIND A CHANGE, TOO

Several candidates in the primary election two weeks ago suddenly realized that things aren't the way they used to be. In the old days there was no such thing as conducting a political campaign. There were no campaign cards, let alone billboard signs. Folks just let it be known that they would like to bid for an office and their friends and neighbors, in quiet chats, saw that they were elected.

Much to their surprise and chagrin, City Commissioner Arch Vallier, who was seeking reelection to the County Board of Supervisors, and Lou Norman, seeking another term on the Township Board of Trustees, learned that the old methods don't produce any more. Both went down to deleat for the simple reason that neither campaigned. Both remarked prior to the election, "If the people want me, they'll put me back.'

The days of such campaigning are gone, too, and this is a vast change for Plymouth.

A STATEMENT GOES BEGGING

The Stroller recalls a city election several years ago in which one of the candidates who barely squeaked back on the City Commission complained that he wasn't treated properly in the

"I had a statement prepared three weeks ago," he said, "and no one called me or came to see me and it's still at home waiting to be picked

That's the way it used to be. But Plymouth has changed now and those quiet days are gone. We had a taste of the change in the primaries and while there may be more dignity to the campaigns of the future, they never will return to the policy where candidates can sit at home and wait for someone to ask them for statements-if they hope to get elected.

YOUR GLASSES CAN BE A GIVEAWAY

City Commissioner James Houk, who has spent years dealing in foot comfort, once remarked, very seriously-

"I'm not too good at remembering faces, but I never forget a shoe size.

The Stroller's portly doctor friend topped this the other day when he glanced at a passerby and said, "That fellow is from the Scandinavian country.

"Do you know him?" the Doc was asked. "Never saw the man before," he shot back, "but he's wearing Scandinavian glasses. I know the styles of the various countries and you won't find the type he's wearing in any other country. I just wonder what he's doing here."

HAWAII JUST A STEPPING STONE

It's always interesting to watch a person's reaction to a stroke of good fortune. Some folks leap with joy. Others shed tears of happiness and surprise.

But not Jack Selle, the well-known fisherman and big game hunter.

A few weeks back he won a trip to Hawaiia prize that would have delighted the heart of most any other person. And what do you suppose

he said when he learned of his good fortune? "That's about halfway to New Zealand." he commented without the slightest trace of a smile, "and I understand that's one of the greatest fishing countries in the world."

THOUGHTS WHILE STROLLING

Now that the National Bank is planning to give the old bank a face lifting and Lou Goddard is beautifying the other corner with his "mini-mall." wouldn't it be nice if the Kresge Co. revamped its building in the middle of the block and gave the central business district a whole new look?

What ever happened to the plans for beautifying Kellogg Park? It seems ages ago that an architect was employed, plans approved, and permission given for the Rotary Club to donate a huge fountain for the center. This was to be done in time for the Fall Festival. Wonder if we'll have it done for Christmas.

If you've missed the cannon in the park, don't become upset. It is safely tucked away in the DPW shed until someone finds use for it again.

Talk about changes. You won't know the downtown area in a few more weeks, when the wreckers get through with the Wiedman Building and the razing of the old "eyesore" on Penniman Avenue. And don't be surprised if the P&A Theater is given the same treatment. The three sites will become parking lots.

What next-maybe a motel or an apartment

building.

Kiwanis Plan For Historical Museum Deserves Cooperation Of All Residents

Several weeks ago the Plymouth Kiwanis Club announced that it had taken as its project for the coming year the establishment of a fire-proof historical museum-a muchneeded facility in view of the glorious past of the entire area.

In making the announcement the Kiwanis also let it be known that it would gladly accept help of any kind-especially financial aid-to make a success of the project.

This is an invitation that should not go unheeded. For it would be to the benefit of every man, woman and child to have a historical museum they could point to with pride.

The present plan calls for adding a second story to the Community Building in the rear of City Hall and while this is a noble project, it should be just a starter of a larger and grander museum that would house many reminders of the area's past.

FOR MANY YEARS such things as historical museums were not taken too seriously by the average person. Interest in such things was left to the older folks and they often were looked upon as sentimentalists who were trying to foist their feelings on someone else.

But no more. Thanks to a few outstanding personages, the historical museum has now come into the position of being a real asset.

Henry Brown, Director of the Detroit Historical Museum, explained the change in attitude in a recent visit to the Plymouth Community.

'People suddenly began to realize." he said, "that historical museums were a lot more than a collection of old things. They found that the museum furnished the setting for a display of experience . . . and they took pleasure in looking back on the experiences of those who came before us."

This was a new way of putting it. But there is no better versed man on historical

A NICE SET.

museums than Henry Brown, and this display of experience is just what the Plymouth

Plymouth Library New Books -

"To the Top of the World" by Charles Kuralt, the CBS News Correspondent who accompanied the Plaisted party, is the true story of 12 men, all amateurs, who undertook a journey by snowmobile to the North Pole. It was the first such overland attempt since Admiral Peary's in 1909.

"The Horsemen"; by Joseph Kessel is an epic novel of man pitted against nature. Set in Afghanistan, it is the story of a young man defeated in a contest and thus disgraced, who returns to his father's house on horseback over the most hazardous and lonely route while handicapped with a broken leg.

"Or I'll Dress You in Mourning by Larry Collins, author of "Is Paris Burning?", traces the rise of Manuel Benitez from his desperately poor beginnings to his final ascent to fame and adulation as the idolized "El Cordobes", Spain's most successful matador. The author also depicts the new Europeanized Spain which "El Cordobes" symbolizes.

"My Lord Brother the Lion Heart", by Molly Costain Hay-

Novi Jaycee Ladies To Hold Fashion Show

The Novi Jaycee auxiliary will present a fashion show with many lovely creations for fall and winter. The show will be held at the Mayflower Meeting House in Plymouth on Sep-

tember 26 at 8 p.m. The event "Fashion On The Go" also will feature a wig demonstration and many other added events. Models for the show will be the wives of the

Novi Jaycees. The committee is chaired by Mrs. Ronald Cowden of Novi.

Detroit Adds To Water Mains In Township

Approximately six miles of water pipeline will be laid in Plymouth Township in the near future which, when completed, will be used for emergencies.

The Detroit Metropolitan Water Services Department will supervise construction at no cost to the township. Water lines, of 24, 36 and 48

inch sizes, will be laid along Lilley Rd. from Ford to Joy, then on Joy Rd. from Lilley to Sheldon with the last leg on Sheldon Rd. from Joy to Five Mile. Township Supervisor John D. McEwen said the new line will

tie in with the Springwells Station at Newburgh Rd. If a break should occur at the Newburgh Road Station, the new line would continue water service in the area.

No definite time was given wnen construction would begin. bout Joan, the favorite sister not many years later. of Richard Coeur de Lion, who was married to the King of Sicily at age 12 and saw both by Edgar Cayce, reveals the

Serving As We Would Wish to be Served

Our professional attitude can be summarized quite simply: we consider our responsibility to be sacred, fulfilled only when we have done everything possible to make bereavement just a little less burdensome.

We should never forget that the Plymouth area was settled more than a century ago and that it has played a major role in some of the finest developments, while retaining much of the past.

WHILE IT IS taken for granted by most folks, the City of Plymouth retains considerable charm for no other reason than having Kellogg Park in the heart of the business district.

Away back in the colonial days the "village commons" was the most important bit of property in the town. It was there that the residents gathered to have their town meetings and set up the rules for their communities. The Village Green-or Commons-was the gathering place for rich and poor and many a page in history was written on these grassy sections.

The most famous of these is the Boston Commons which still is the focal point for all that goes on in the New England metropolis. And it is still the subject of song and story.

Plymouth took a page from those days, with the result that Kellogg Park stands as the brightest symbol of our past. But it should not stand alone. It is only a symbol.

A new historical museum, with all the trimmings, would be a wonderful companion piece. In fact, it should be far more than a second story on an existing building.

PLYMOUTH IS WORTHY of a big, new museum to house its "experience." It should be a building that could serve as an important cog in a cultural center.

It could be a place where we could go to study the past to help us prepare for the

It would be far more than a place for the sentimentalists to hold forth.

However, such things are not built overnight. As Brown pointed out, the Detroit Historical Museum was started in a single room in the downtown area - because people thought that was all that was needed.

When they suddenly discovered the real value of a historical museum, the present building-and its latest addition-became a

jewel in the cultural center. The same thing could happen in Plym-

The area has too rich a background to let it be forgotten-and the Kiwanis Club is to be commended for taking on such a project. Every citizen should answer the call for

Make Any Summer Salad Attractive

It is just as important to present the summer's vegetables attractively to members of the family as it is to grow them to perfection in your garden. For, no matter how delicious they are, people will serve themselves small portions unless the vegetables look as good as they taste.

Lettuce and other leaf vegetables like endive or spinach

mouth are: Jack Bauman, 420 Irvin; Jerri Lynn Collins. 11639 Aspen; Mary Kelley, 333 Arthur: Kaye Langert, 15421 Robinwood and Mary Theeke, 650 N. Evergreen.

form the basis for most salads. but these are not the end, Tomatoes, cucumbers, peppers (both green and red), carrots, parsley, radishes, onions, cabbage, even cauliflower heads or thin slices of turnips, or kohirabi, can be added in varying amounts and combinations to complete that perfect salad bowl.

Then, offer a choice of dressings rather than just one and, lo and behold, the perfect summer salad, It forms almost a complete lunch and is a complement to meat, a supplement to other vegetables for a gourmet dinner.

NOTICE TO CONTRACTORS CITY OF PLYMOUTH, MICHIGAN

Sealed proposals will be received at the office of City Clerk, 201 South Main Street, Plymouth, Michigan until 2:00 o'clock p.m. of August 28, 1968, at which time the bids will be publicly opened and sead aloud and the different items noted, for the construc-tion of parking lots located at 470-472 Main Street and 828 and 834 Penniman Avenues. The quantities involved in this work consist principally of the following:

The motion was carried.

Mr. Rossman and Mr. Blunk discussed two school sites suitable for future iddle schools. The Board of Education agreed to have Administrators proceed moved by Member Scott and seconded by Member Moehle to adopt a resolution requesting financial assistance from the Federal Housing and Urban Development for the purchase of a school site located at the corner of Powell and Ridge Roads.

Ayes: Members Gilmore, Hulce, Hulsing, Moehle, Scott, Strom and Tripp.

It was moved by Member Scott and seconded by Member Strom to approve Hyatt Construction Company certificate of payment in the amount of \$185.155. Ayes: Members Gilmore, Hulce, Hulsing, Moehle, Scott, Strom and Tripp. Nays: None. The motion was carried.

The motion was carried.

Mr. Blunk presented a budget summary for construction of Senior High School No. 2 and development of grounds.

The Board of Education directed Administrators to request the Architect to prepare a bulletin for a price reduction relating to the roof construction on Senior High School No. 2 and to prepare a bulletin to secure a price for air-conditioning portions of Senior High School No. 2.

The Board of Education called a meeting with the Architect for Monday evening, July 29, 1968, at 8:00 o'clock p.m.

President Hulsing announced the following special assignments for various members of the Board of Education and Administration:

- Robert C. Gilmore - Joanne Huice **Facilities** - Calvin B. Strom Site Development and Maintenance - R. Bruce Scott - Donald F. Tripp Personnel Relations - Calvin B. Strom James H. Rossma Plymouth Area Planning Commission Representatives Council of Governments Representation — James H. Rossman, Delegate John W. Moehle, Alternate

Assistant Superintendent Earl Gibson presented a plan to have elementary children who have been designated to attend Isbister School to be reassigned to Flegel and Gallimore Schools inasmuch as the Isbister School will not be ready Fiegel and Gallimore Schools inasmuch as the isolater School will not be ready for the opening of school.

Assistant Superintendent William Harding presented a plan to house middle school children previously assigned to Pioneer Middle School in the Junior High School-West. The plan calls for double sessions with children in school approximately two-thirds of the time they would be regularly assigned if the Pioneer School had not been delayed by the strike.

The Administrators hoped for an early completion of both Isbister Elementary School and Pioneer Middle School inasmuch as most of the building trades have settled the strike. However, it was pointed out the strike had delayed the construction a minimum of twelve weeks.

uction a minimum of twelve weeks. It was moved by Member Tripp and seconded by Member Scott to adjourn meeting at M:55 p.m.

Ayes: Members Gilmore, Hulce, Hulsing, Moehle, Scott, Strom and Tripp.

Nays: None. The motion was carried.

Respectfully submitted, JOANNE HULCE, Secretary Board of Education

- R. Bruce Scott

A special meeting of the Board of Education of the Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, was held Monday evening, July 29, 1968, in the Board Room of the Administration Building, 1024 South Mill Street, Plymouth, Michigan, beginning at 8:00 p.m.

OFFICIAL NOTICE OF SALE

\$1,450,000.00

PLYMOUTH COMMUNITY SCHOOL DISTRICT WAYNE and WASHTENAW COUNTIES, MICHIGAN

TAX ANTICIPATION NOTES

Sealed bids for the purchase of tax anticipation notes of Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, of the par value of One Million Four Hundred Fifty Thousand Dollars (\$1,450,000), will be received by the undersigned at the Board Room, Administration Building, 1024 South Mill Street, in the City of Plymouth, Michigan, until 8:00 o'clock, p.m., Eastern Daylight Savings Time, on the 26th day of August, 1968, at which time and place said bids will be publicly opened and read,

The notes will be dated August 1, 1968, will mature April 1, 1969, and will bear interest at a rate or rates not exceeding four per cent (4%) per annum. Both principal and interest will be payable at a bank or trust company located in the State of Michigan to be designated by the original purchaser of the notes, which paying agent qualifies as such under the statutes of the State of Michigan or of the Federal Government, subject to the approval of the School District, Denominations and form of notes to be at the option of the purchaser. Accrued interest to date of delivery of such notes must be paid by the purchaser at the time

The notes shall be subject to redemption in inverse numerical order at par and accrued interest on the first day of any month prior to maturity upon 30 days' notice served by registered mail upon the known holder or holders thereof, or published in a newspaper or publication circulated in the State of Michigan which carries as a part of its regular service notices of the sale of municipal bonds and notes.

For the purpose of awarding the notes the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the notes from September 1, 1968, to their maturity and deducting therefrom any premium. The notes will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the school district. No proposal for the purchase of less than all of the notes or at a price less than their par value will be considered.

The loan is in anticipation of the December 1, 1968 operating tax.

A certified or cashier's check in the amount of 2% of the par value of the notes, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the school district, must accompany each bid as a guarantee of good faith on the part of the bidder to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the notes, Checks of unsuccessful bidders will be promptly returned.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, Attorneys, 2500 Detroit Bank and Trust Building, Detroit, Michigan, which opinion will be furnished without expense to the purchaser prior to the delivery thereof, approving the legality of the notes. The purchaser shall furnish notes ready for execution at his expense. Notes will be delivered without expense to the purchaser at a place to be designated by the purchaser. The right is reserved to reject any and all bids. Envelopes containing the bids should be plainly marked "Proposal for Notes."

e. Eliminate Wardroom Doors

The Architect indicated that a two month period would be required before bids might be received if the addition were similar to the third wing of the labister Elementary School and three and one-half months would be required before bids might be received if a new design were required.

The Board of Education reviewed with the Architect the building changes which might be made to reduce cost without sacrificing the educational program and flexibility.

The Board of Education directed the Architect to:

(1) Examine the present plan to determine possible changes which would reduce cost and

(2) Present an alternative plan in schematic drawing form for consideration.

(2) Present an alternative plan in schematic drawing form for consideration. It was agreed that the Architects' Representatives would meet with Assistant Superintendent Gibson on Wednesday, July 31, 1968, to review educational specifications for the Flegel Elementary School addition.

At the request of the Board of Education, the Architect presented a tentative schedule for the construction of Elementary School No. 10 for completion and occupancy in September, 1970; the Architect was not directed to proceed.

The Architect stated that a full-time person of the architect's office would be assigned to the Plymouth Community School District on or before August 2, 1968, to supervise and expedite the Plymouth Community School Districts projects.

At the request of the Board of Education, the Architect presented a tentative schedule for the construction of Canton High School for completion and occupancy in September, 1970; the Architect was not directed to proceed. pany in September, 1970: the Architect was not directed to proceed.

Schematic site plans were discussed: it was agreed that this work should be a part of the Architect's normal services.

The Architect distributed "An Outline of Complete Architect-Engineer Service" to the Board of Education.

It was moved by Member Scott and seconded by Member Huice to accept

Special Education, Elementary Second-Third Grade, Tanger English, Plymouth High (new) Vocal Music, Jr. High-West Barbara Kelly Dona Sue Miller Diane Medley Dennis Ayes: Members Gilmore, Hulce, Hulsing, Scott and Tripp. Nays: None.

The motion was carried.

It was moved by Member Gilmore and seconded by Member Scott to approve contracts for the 1968-69 school year for the following: Second Grade, Farrand Fourth-Fifth Grade, Isbister Reading, Tanger and Farrand Half-Time Reading, Starkweather Ayes: Members Gilmore, Hulce, Hulsing, Scott and Tripp. Nays: None.

ion was carried. The motion was carried.

Assistant Superintendent Harding notified the Board of Education that he was Assistant Superintendent narring notified the Board of Education that he was negotiating with another school district for the position as Superintendent of Schools and was seeking a mutually satisfactory release date. If the position officially materializes, Mr. Harding will submit an official letter of resignation at a later date. It was agreed that the specific date of leaving would be arranged with Superintendent Rossman. Superintendent Rossman.

President Hulsing announced that a special meeting of the Board of Educawould be held Monday. August 5, 1968.

> Respectfully submitted, JOANNE HULCE, Secretary Board of Education

NOTICE OF PUBLIC HEARING PLANNING COMMISSION TOWNSHIP OF NORTHVILLE

At a meeting of the Northville Township Planning Commission to be held in the Township Hall on August 27, 1968, a public hearing will be held at 8:00 p.m. to consider the following:

To rezone the southwest corner of Six Mile and Haggerty Road (220.33' on Haggerty Road and 148.43' on Six Mile Road) from R-4 to B-1 to permit the Boron Oil Company to build and operate a full facility service station.

All interested parties will be given an opportunity to participate in the hearing and at the close of the hearing, all comments and suggestions of those citizens participating will be considered by the Northville Township

A copy of the item scheduled for hearing is on tile in the office of the Township Clerk during regular office hours for public examination.

PUBLISH August 11 & 18, 1968.

NORTHVILLE TOWNSHIP PLANNING COMMISSION

LEONARD KLEIN, Chairman

This is about the Riot of 1977. The seeds for it were planted in Detroit and the suburbs between July 23 and 29. 1967. They should sprout and bear fruit about the time today's ten-year-olds become twenty.

Look first at a ten-year-old child living in a sterile white suburb. It would be nice to say that this ten-year-old is hypothetical, except that he is very real. I saw him during the 1967 riot, playing with a toy gun in his backyard.

The ten-year-old belongs to parents who either cannot or will not understand the frustration and anxiety and hopelessness which caused the tragedy in Detroit. Consquently. the parents are filled with fear and prejudice. They communicated it to their son by keeping a loaded shot-gun handy, just in case the trouble headed out our way.

The ten-year-old, who doesn't understand, whose life has been successfully sheltered from the misery of Twelfth Street, was next seen playing a game with his toy gun in the backyard. The game was called "The niggers are comin', let's get 'em!"

Now look at another ten-yearold. This one is black. He lives on Twelfth Street, in an apartment over a liquor store. I saw him, too, barefooted, walking in the broken glass and fallen bricks of demolished stores. Flames reflected a red glow in his eyes. He was afraid.

His life has been as sheltered as the boy's in the suburb. He has never known what it's like to breathe clean air or see green grass. He has been familiar with only two colors: black and white. Black, for the people he lives with who can give him neither what he wants nor needs, and white, for the people "out there" who have what he cannot have. What he has to look forward to is more of the same: dirt, crummy schools, and so many people he can hardly find room to

In one way he may either be better off than his counterpart in the suburbs. Since he doesn't have a backyard or a toy gun, he hasn't been able to play the game, "Whitey's comin', let's get 'em."

What will happen when the two ten-year-olds become twenty? What will happen if suburban whites give their canned soup to people in the city. and then forget about the whole thing?

What will happen if those who have the money and the ideas do nothing about the schools and slums of Detroit? What will happen if we con-

tinue to build suburbs in which only upper-middle class white people can afford to live?

What will happen if we don't help our ten-year-o'ds understand Detroit in 1967?

I confess that I am afraid to even ask those questions out loud. It would be more hopeful, more promising, to ask: What should we do with the ten-yearolds now so that there won't be a Riot of 1977?

Oldster Needs Same Nutrition As Teenager

Older people need the same nutrients as the child or young adult -- the only difference is the amount.

Mrs. June L. Sears, home economist with the Cooperative Extension Service in Wayne and Oakland counties, says that as age advances, decreased activity reduces the requirement for fats and sugars.

"Excess calories become excess fat," the home economist emphasizes, "and obesity increases the risk of ailments that can torment and actually shorten life after 60 by 50 per cent."

Lack of appetite, faulty digestion and dentures can inhibit proper nutritional habits among older persons. Making mealtime more pleasant by sharing it with friends, eating out occasionally or listening to the radio can help whet the appetite.

THE BIG OUTDOORS means appetites to match. Mealtime at Camp Linden also means catching up on camp experiences. The staff member here is Noraleen Renauer of Plymouth. She is a University of Michigan student and served as a camp unit leader. Around the table clockwise are: Elizabeth Janovits, Saline; Barbara Alpern, Ann Arbor; Deborah Irvin, Mary Brooks and Mary Covington all of Plymouth; Suzanne Anderson, Saline and Tonya Greer, Plymouth.

Scouts Say 'So Long For Awhile

Outdoor boating, swimming, cooking and camping came to a happy conclusion last Wednesday when the Huron Valley resident camp at Linden closed for the summer.

During the four two-week sessions in June, July and August, 55 Plymouth girls were among the 497 Scouts to attend Camp Linden.

"We'd like all Gir! Scouts to be able to go camping," said Mrs. Kenneth Hulsing, president of the council, "but with limited facilities, this just is not possible."

With 580 eligible Girl Scouts in Plymouth, the percentage of giris attending resident camp was 9.5 per cent. From now until next June,

Camp Linden's 400 wooded acres will be available for weekend camping trips by individual Girl Scout Troops.

During the warm months the tent units as well as the winterized cabin will be used, Mrs. Hulsing estimates that 2,000 more Girl Scouts will use Camp Linden during the school year.

ers," Dowling said.

All job orders are "spread" to other MESC offices, including the one at 24444 Seven Mile Rd. Redford Township.

Those seeking professional placement -- lawyers, teachers, business managers--are sent downtown.

The MESC offices also handles all unemployment claims and payments, and business is unusually brisk because of the auto shutdowns. "It is only temporary, however," Dowling said.

College Wage Talks Stalled

Talks between teachers and administrators at Schoolcraft College broke down Thursday after marathon sessions Tuesday and Wednesday.

According to President Dr. Eric Bradner, they were "very close" to settlement when talks ended at 5:15 a.m. Thursday morning after more than 13 hours of bargaining.

But renewed talks Thursday afternoon showed settlement was near. "When we examined costs it became apparent we could not agree," Bradner said Friday morning.

As a result, College board president Harold Fischer called a special informal executive session for Saturday afternoon. It is expected they will give the administration negotiating team further instructions.

Bradner refused to indicate

how far the administration had moved on its salary offers. Their total package of \$27,485 was rejected by the teachers. whose requests for wages total \$396,000.

Tuesday, a state fact finder, Dr. Charles Rehmus of Ann Arbor entered the talks, Bradner indicated that Rehmus might still be called to hear further

"We want a settlement satisfactory to everyone so we can open this college. We have 5,000 students waiting and that's the important thing," Bradner said.

Teacher - administration wage talks might resume Monday or Tuesday depending on the action of the executive

board meeting Saturday. The college is due to open its doors August 26.

Board Pays \$25 Daily

Members of the new 26-member Wayne County Board of Supervisors, which is due to take office next Jan, 1, will be limited to maximum compensation of \$2,500 a year if the present 135-member Board of Supervisors has its way.

Democrat Delegates To Meet

Democratic National Convention delegates of the 19th Congressional District will debate national issues and gear themselves for the trip to Chicago next weekend.

They will attend a meeting called by Delegate Jerry Raymond at 8 p.m. Thursday in Stevenson High School, Livonia.

Delegates from the 19th will be Raymond, representing the Wayne-County part of the district; and George Googosian, Rebecca Woods and Aldo Vagnozzi, of Oakland County, Vagnozzi is a member of the National Convention's Resolutions Committee.

Alternates from the district will be Paul Y. Kadish, Glenn Hartsell and Charles Deamud, from Wayne County, and Harold Julian, from Oakland,

"We would like every Democrat and anyone else interested to have a good awareness of the national issues to be presented to the convention in Chicago," Raymond said.

FIRST MULTIPLE The first apartment building in the United States was built in New Orleans in 1849.

N'ville Unification Called Feasible

The unification of the City of Northville and Northville Township is "definitely feasible and would be advantageous to both in many ways," according to a report released this week.

The Unification Study Steering Committee for the city and township culled reports from six subcommittees covering areas of public safety, public works, public improvements, administration and finance

THE REPORT IS similar to those generated by groups interested in the unification of Plymouth and Plymouth Township, and Farmington and Farmington Township.

In Plymouth, two Chamber of Commerce- sponsored community conferences resulted in the request of a unification study, now being conducted by the Michigan Citizens Research Council. Results are due in September.

In Farmington, two studies are underway. One is being conducted by Michigan State University and is sponsored by the Future Farmington Study Committee. The second is being done by Donald Oakes for Farmington Township on a private basis. Oakes completed the Northville study.

ficials follow the pattern set out in the unification study, an incorporation vote would have to be held in both the city and township and pass in both

If any part is to be annexed to the City of Northville, only the city and residents in the portion to be annexed would vote, the report said.

Key to any success in unification lies with finances. The report suggests a uniform levy of seven mills would provide adequate service. That is six more than now levied in the township, but six less than the 13-mill levy in the City of Northville.

The study showed the township would have to levy 7.85 mills for police alone.

The unification study will be presented at a public hearing in Northville City Hall council chambers Monday, Aug. 26 at

Attends Camp

Grant Aids Language Creativity

Oakland Schools will share \$55,000 with seven districts. including Clarenceville, to build model language arts programs into their curriculums.

Other participating districts are Ferndale, Oak Park, Pontiac, Southfield, Troy and Waterford.

The Elementary and Secondary Education Act funds granted under Title III pay a portion of teachers salaries and materials costs.

Clarenceville's unique program in stimulating creative writing among elementary students will be concentrated on third and fourth graders in the entire district.

Mrs. Martha Sage, who developed the program last year with fourth and sixth graders. found that younger children respond more eagerly to the opportunity to write. She will spend one day at each of the

The federal grant will help finance continuation of the creative writing experiment.

district's elementary schools.

Brotherhood In Day Camp

'Common Humanity' Of Suburbs, City Discovered In Farmington Church Project

The pleasant Halstead Road farmland that was home to some of Farmington's earliest residents has been alive with new activity in the last

A busy day camp filled the one-time Gibson Centennial farm, now site of the Universalist-Unitarian Church of Farmington. In the fortnight run, campers from all over Metropolitan Detroit gained new insight into the meaning of brother-

Mrs. Norma Cole, of Farmington, directed the daily hubbub which she called "discovering our common humanity." Negro and white kids, roaming grassy fields, fishing in the stream that winds through the property, poking through an old barn and enjoying singing and craft projects together, found the discovery a lot of fun.

Sponsored by the church at the suggestion of Robert M. Eddy, minister, the day camp was designed as a cooperative venture so mothers could get into the brotherhood act with their youngsters. More than 50 campers arrived each morning

for a day crammed with activity or maybe spread

out for wandering and quiet thoughts. MOTHERS FROM THIS area-Villia Kalunis, Pat Morrill, Hazel Gibson, and Carol Leinonen, of Livonia, Peggy Pursell of Plymouth, Marilyn Christie of Farmington-arrived with their young-

sters and a few more. From Detroit neighborhoods of varied economic levels came Negro mothers, Penny Davis, Elvira Wilkerson, Mary Newman and Regina Johnson, each with a carload.

Marion Kellogg, Mary Tozer and Adelia Minor, all long-time members of the U-U church, helped by driving children from Detroit each day. Small Joanne Logan, from Highland Park, didn't miss a chance to ring the bell as soon as she arrived each day. Other children launched games of dodge ball or gathered around a tire swing while waiting for the day's program to

Usually Mrs. Cole started things off with group singing. Then the campers would divide into groups with several volunteer counselors - mostly teachers and representing both races. High schoolers, also both Negro and white, helped out as junior counselors.

Daily activities took the children to such interesting spots as the Cole family's nearby farm and to swimming facilities at Proud Lake. On the church grounds, the kids could go fishing any time they could find a counselor to take them, or explore the picturesque barn left over from the days when the property was a farm.

They also found wild flowers in the woods, traced the crack in the ground that showed a mole had gone burrowing by and dug deep holes and long tunnels in a sandy spot behind the church building.

INSIDE THE CHURCH, a century-plus building moved to the farm from the center of Farmington two years ago, they made name tags and papier-mache animals, played with white mice and birds and dogs brought on pet day.

No religious instruction was part of the program. "What we wanted was a program that would have all concerned taking an active part and getting to know the others." Mrs. Cole said.
"We wanted the camp to be a happy experience for the children, so while we arranged plenty for them to do, no one had to join any activities

he didn't like."

She said the original plan was to put the smallest children in a group with their own projects. "But it worked out that they wanted to be right in on things with the big ones, and that was fine." she added.

QUIET MOMENT — There was much in nature to know and time to study it, so Wendy Gibson, of Livonia, took a few moments by herself under a tree.

For several excursions, the buddy system was used, "so everyone could make a friend," Mrs. Cole said.

The old farmland won't seem quite so busy next week, and a lot of children and their mothers will be getting a bit of needed rest.

But the church and the day camp staff can enjoy the knowledge of one more link forged in the chain of understanding for all people in the area.

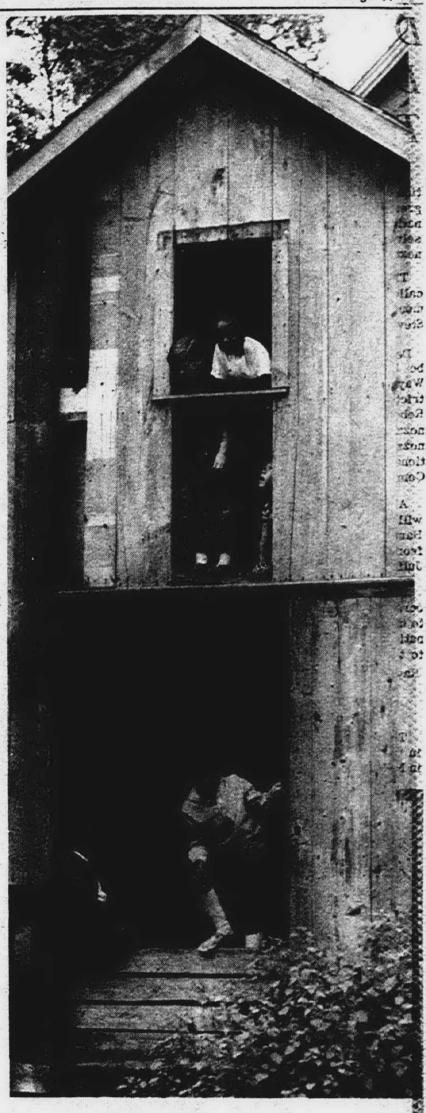

CAMPERS GATHER - Joanne Logan (far left) rings the church bell to begin a camp day. Others ready to go are Judy Cross, Mrs. Phyllis Swonk, of Livonia, and daughter Diane, Harold Beard (in doorway), Linda Gentry, Ann Mickleson, Kim Blackman, Rita Smith and Regina Smith.

A SWING IS TO SHARE Cassandra Lopez of Inkster, Estelle Hills of Highland Park, and Valdenise Jefferson of Detroit take turns on the big tire-swing.

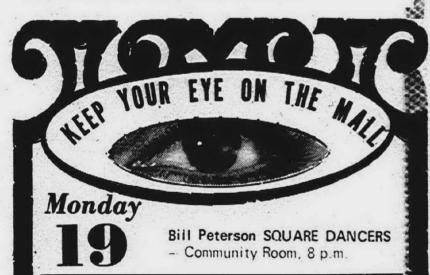

STORY: Margaret Miller PICTURES: Fran Evert

DODGE BALL FOR EVERYONE - Campers and counselors from all over join in a lively game.

PEEK-A-BOO BARN — This old barn with lots of handy openings was a major attraction in a day camp operation for two weeks by the Universalist Unitarian Church of Farmington on centennia farmland. Looking out from the loft are Joanne Logan and Linda Christie, of Farmington, and Vice tor Jordan and Randy Wilkerson. Down below are Leslie Maxwell and Kim Blackman.

Barbara Newcomb Is Wed In Double-Ring Ceremony

Barbara Best Newcomb wearing a headplece fashioned from antique hand-made lace her grandmother, was married to Victor O, Carl Behrmann Jr. at 12 noon, Saturday,

The Rev. Louis G. Gillette officiated the double ring ceremony at Nativity Episcopal Church, Birmingham.

Mrs. Behrmann is the daughter of Dr. and Mrs. Arnold B. Newcomb, of Riverside Drive, Birmingham, Mr. and Mrs. Victor O. Behrmann of Rougeway Drive, Livonia, are parents of the bridegroom.

THE BRIDE, given in marriage by her father, chose a floor-length candlelight peaude sole gown with a lace bodice and bands of lace appliqued on the skirt.

Mrs. Richard Whitman, of Livonia, served as matron of honor. She wore a floor-length, ice-aqua gown with white daisies appliqued on white fishnet on the yoke and sleeves. Her head bow was made from the same material as the dress.

Attends EMU Workshop

Eve Eisenstadt, daughter of Mr. and Mrs. Martin Eisenstadt of 29392 Glencastle Drive. Farmington, attended the second annual Summer Workshop in Dramatics on the Eastern Michigan University campus in Ypsilanti.

Involving a hand-picked 47 advanced high school students from throughout the region, the workshop provides intensive exploration of all aspects of dramatic production-acting, directing, pantomime, design and technical production in a twoweek course of classes and laboratory experience centered in EMU's Quirk Theatre.

Mitchell R. McElya, Assistant Professor of Speech and shop faculty, with Mrs. Margery Eubanks and Benjamin Mordecai as associate directors, and Lawrence J. Hill as technical director.

Mrs. Kincade wore a pink the bride of Richard Fowler linen dress accented by a front Wines in a double ring cere- panel of lace. Mrs. Wines wore

A buffet supper for 94 guests was served in the church dining room following the ceremony.

The bride is a 1967 Plymouth High School graduate and the bridegroom is a 1964 graduate of North Farmington High School. Both attend Olivet College, Olivet, Mich., where the bridegroom is a member of Phi Alpha Pi fraternity.

Chilled Salad

Chop mild sweet onion and add to canned tomatoes; chill thoroughly and serve in sauce dishes. Pass the pepper

Couple United In Marriage

St. Peter Lutheran Church, in Plymouth, was the scene of the recent wedding of Patricia Jean Barry and Glen Schaumberg.

The double-ring ceremony was performed by the Rev. Leonard Koeniger.

The bride is the daughter of Mrs. William J. Barry, of Plymouth, and the bridegroom's parents are Mr. and Mrs. Arnold Schaumberg, of Hartford,

THE BRIDE, given in marriage by her maternal grandfather, came to the altar in a white dress of silk organza over taffeta. Rose point lace fashioned the bodice and elbow-length sleeves.

The skirt and train of her gown were appliqued with lace. and seed pearls edged the petals that held the double-tiered waist-length veil. The bride carried a colonial bouquet of white and yellow roses arranged with baby's breath and liliesof-the-valley.

Mrs. David Worth, of Palo Alto, Calif., sister of the bride, served as matron of honor. Mrs. Thomas Barry, of Plymouth, sister-in-law of the bride, and Mrs. James Deener, of Wisconsin, were bridesmaids.

THE ATTENDANTS wore empire gowns of yellow pique trimmed with a soft green velvet bow. Daisies fashioned the headpieces and they carried colonial bouquets of yellow and

white daisies. The Rev. James Deener. brother -in-law of the groom, served as best man. The groomsmen were Charles Girkel and Thomas Barry, brother of the bride. Vicar Ralph Martens and William Barry, brother of the bride, served as ush-

orating Free Press team. Leland Bjerke at first, Rod Ferguson at second, Bob Holmes at short and Joe Himmelspach at third figure to be the Redford infield at Johns-

HIMMELSPACH was the Gates Brown of Redford until cracking the starting lineup in last week's state tournament. As a pinch-hitter, Himmelspach collected six safeties in seven trips to the plate.

He picked up two hits last Sunday when Redford won the state crown.

Fahey does the catching and he's rated the top prep catcher in these parts. He has a strong arm, is smart when it comes to handling pitchers and can be counted upon to produce the big hit.

He has signed a tender to enter the University of Detroit.

REDFORD HAS added Tom Webster from Livonia Cardinal Decorating as a backup behind Fahey. Webster helped out in the state with a couple of key hits. Barringer, Bob Holmes and

Kevin Fox or Bob Barnett will comprise the outfield. Barnett was picked up from Dearborn Heights and made his presence felt in the state meet. Atkins calls Barringer,

who'll be a sophomore in the fall at Eastern Michigan University, "our most improved player." Atkins says he's never seen a schoolboy outfielder who

handles himself so brilliantly

defensively. In addition, he leads the teams in runs with 18 and hits with 24. The tournament at Johnstown will be conducted on a two-

defeat and out basis. In two previous visits to Pennsylvania. Redford hasn't won in four

says Atkins.

Knee Surgery Again Idles Eddy From Lions' Lineup

They say that certain athletes are injury prone.

Nick Eddy of the Lions obviously falls in that category. A year ago, he was lost to the Lions for all but a few days of his rookie season because of a knee operation.

There were expectations that the surgery would make Eddy healthy again for the 1968 season. He reported at the Lions' training camp at Cranbrook in high spirits.

Then something happened, The knee was banged up again.

By George Maskin

observing sports

How can one feel sorry for Jim Campbell, the general manager of the Detroit Tigers? Here's a man who is seeing the dream of every G.M. about to come true.

His Tigers are winning a pennant. They have turned the state of Michigan daffy.

Campbell isn't too surprised that the Tigers are enjoying the success they are. He's the man who said last winter that this

very well could be "our year." But as the days click off, and the Tigers move closer to the flag and the World Series, a real problem draws nearer and nearer for Campbell and the other general managers of the current major-league franchises.

Each is faced with the unhappy situation of giving up players to the new expansion teams-in the American League they'll be welcoming Seattle and Kansas City in '69.

EVEN IF YOU'RE in ninth or tenth place, you scratch your head and groan at the thought of losing somebody.

But, when you're on top . . . you know that any loss will hurt. In the case of the Tigers, every player on the roster has contributed something. Some more than others, of course!

Under the expansion rules, a team may freeze 15 players.

Okay, you're Campbell and you're his manager, Mayo Smith. Fifteen players!

It's a cinch you'll start by protecting Al Kaline, Jim Northrup, Mickey Stanley and Willie Horton, who have done most of the outfield work.

But, how do you forget Gates Brown, who has developed into the greatest pinch-hitter in the

SWITCH TO the infield! You can use Kaline at first, so you say, well, let's not protect Norm Cash. But what about the big bat Cash has carried in recent weeks?

At second, you have to name Dick McAuliffe on your protected list. And ditto Don Wert, despite his weak bat, at third. Shortstop poses a headache. Is it the kid,

Tommy Matchick, or the more established Ray Oyler or Dick Tracewski? You can't protect all. Catching! You have to keep both Bill

Freehan, the best catcher in baseball, and Jim Price, the best No. 2 backstop in the American League. And, now to pitching! Originally, you'd have

started with Denny McLain and certainly gone for. Mickey Lolich, Joe Sparma and Earl Wilson. Now your thoughts may have changed some, except for McLain and maybe Lolich. What about the relief aces like Darryl Patter-

son, Pat Dobson, John Hiller, Don McMahon, John Wyatt, etc.? The way we count it up, there are 22 or 23 we'd

like to protect. But there's that No. 15 figure staring you in

So we, ourselves, should be in the shoes of

Campbell and Smith. Here's the way we'd protect 'em:

OUTFIELDERS-Northrup, Horton and

INFIELDERS-Kaline, McAuliffe, Matchick and Wert. CATCHERS-Freehan and Price.

PITCHERS-McLain, Wilson, Lolich, Patterson, Hiller and Dobson. That's it-15.

Of course, after the Tigers lose a player, they can pull back a couple more. So, really, it won't be too bad . . . but it's an

ugly thought, the realization that maybe a Brown or Sparma or Wyatt or Tracewski will be gone by next season.

But, that's baseball; that's life. We come and go.

St. Michael, Too Heads For State

Livonia St. Michael, carrying a 19-3 record, goes after the state Class E baseball honors Monday in Jackson.

2 Benzie Lakes To Stay Open

Conservation Department fisheries men announce that Benzie County's Platte and Loon lakes will not be closed to fishing when angling action is suspended on the nearby Platte River this fall.

Explains Department trout and salmon specialist Dave Borgeson:

"We're trying our level best to allow maximum salmon sport fishing, and we learned last vear that Platte and Loon lakes can be left open to angling without interfering with our eggtaking operations."

Department fisheries men say it is very likely that early October will be the starting point for temporarily halting fishing in the Platte River so that they can collect 10 million eggs from spawn-running cohos.

The department will lift the Platte River closure as soon as its egg-taking requirements are met and conditions on the stream lend themselves to true sporting action. The shutdown is expected to span the first three weeks of October.

Once the Platte is re-opened, the Department will permit enough salmon to pass through a weir at the mouth of the stream to provide highquality hook and line fishing.

CAPTAIN DAN MYRE, commanding officer of the State Police Intelligence Section in Lansing, termed the lengthy investigation "one of the finest dealing in this traffic in high schools in many, many years." He commended his Redford post narcotics unit.

Reports of other drug traffic in the suburbs, particularly in high schools, are not going unnoticed by police. Arrests and prosecution must await better evidence than anonymous reports and rumors, however, police said.

Undercover agents such as those used in successful investigations thus far are needed to help establish cases and serve as trial witnesses.

Capital Crime Up; State Police Open Sub-Post

LANSING -- The Michigan State Police will have a new sub-station at the capitol building beginning September 1.

The 21-man force will be headed by Det. George Smith; the new post will be in the basement of the Treasury build-

The Police will provide 24hour coverage of the Capitolarea, concentrating on the five main buildings. The police were assigned after numerous complaints of assaults and vandalism in the underground parking areas last fall and winter.

There will be no trouble staffing the post, according to Captain Frederick Davids.

PONTIAC -- Shane F. Murphy, son of the missing Oakland County Clerk Register John D. Murphy, will take his father's place on the Democratic ticket.

Murphy disappeared, presumable drowned in Lake Michigan, on July 27. His name was still on the Aug. 6 primary ballot, and since he was unopposed, he was nominated.

Young Murphy will be placed on the ballot by Oakland County Democratic committee, as provided by state law.

Shane Murphy, a part-time student at Wayne State University, works in the county treasurer's office.

DETROIT -- The Grand Trunk Western Railway, a wholly-owned subsidiary of the Canadian National Railroad, has been successful where others have failed.

Their computer train service through Detroit suburbs boasts lots of new customers due to aggressive advertising.

4 COG Committees Appointed

Four policy advisory committees have been appointed by the board of the Southeastern Michigan Council of Governments, according to Chairman William Mainland.

Four Observerland officials are among the members.

The Solid Waste Disposal Committee will be headed by Saline Councilman George Anderson. Among the 11 members are Farmington Township Supervisor Curtis Halland Plymouth Mayor James Jabara.

The Joint Purchasing Committee will be headed by Councilman William Kirby of Grosse Pointe Farms. Members include Farmington Mayor Wilbur V. Brotherton and Canton Township Supervisor Philip

Other committees will probe educational requirements and public safety coordination.

The Council of Governments (COG), created in January, is a voluntary association of counties, cities, townships, villages and various kinds of school

districts in a six-county area. Mainland said policy advisory committees will soon be appointed in six other "priority" areas--comprehensive health planning, housing trends and needs, regional building code coordination, computer and information services systems, federal and state aid liaison, and regional anti-poverty programs coordination.

TEREST.

News Round Up

The line runs through Birmingham from Pontiac to Detroit twice a day.

WASHINGTON -- Leaders of 400 strikes this fall, more than three times the record 126 walkouts last school year.

Spokesman for both the American Federation of Teachers (AFT) and the National Education Association (NEA) said there was a good possibility that strikes would keep schools closed in St. Louis, Mo., Philadelphia, East St. Louis. New Orleans and Wilmington,

As well, teacher strikes are threatened in the Detroit metropolitan region.

Still puzzling the public is how teachers can strike in violation of the law. But the laws are so unenforceable because throwing strikers in the jail still leaves empty classrooms.

WASHINGTON -- Georgia Governor Lester Maddox's entry into the race for the Democratic presidential nomination may kill Hubert Humphrey's chances for a first ballot nomination, according to Sen. Eugene McCarthy.

McCarthy said at a St. Louis press conference he could count on a maximum strength of 800 votes; it takes 1,312 votes to win, and Humphrey forces claim they have that and more.

If Maddox enters the race, McCarthy said, he would draw votes from southern delega-

RESTAURANTS • 33201 Plymouth Rd.

Keeping up with the Joneses this summer could cost you your life.

You know the Joneses.

The family next door. Who always buy the things you plan on getting-just before you do.

This year it's guns.

A shotgun and a .45.

Plus a .22, a .38 Colt and a Four-Ten,

You know why.

The local authorities just won't be able to handle things this summer. That's what Jones says, anyway.

So you're going to get a few guns.

What are you going to do with them after you buy them?

If your son can find the toys 2 weeks before Christmas, he can find anything you hide. He might even show his little sister.

Look. No one knows what'll happen in the city this summer. Hopefully nothing.

But we all know what might happen

in a suburban home filled with lethal weapons.

All it takes is a sleepy wife.

A nervous neighbor.

A curious child.

And a loaded gun.

men united for sane thought

CITY OF PLYMOUTH WAYNE COUNTY, MICHIGAN

ZONING ORDINANCE

ORDINANCE NO.

August 18, 1968

TITLE

AN ORDINANCE to regulate and restrict the location and use of buildings, structures and land for trade, industry, residence and for public and semi-public or other specified uses; and to regulate and limit the height and bulk of buildings and other structures; to regulate and to determine the size of yards, courts, and open spaces; to regulate and limit the density of population; and for said purposes to divide the City into districts and establishing the boundaries thereof; providing for changes in the regulations, restrictions and boundaries of such districts; defining certain terms used herein; providing for enforcement; establish a Zoning Board of Appeals; and imposing penalties for the violation of this Ordinance.

PREAMBLE

Pursuant to the authority conferred by Public Act No. 207 of the Public Acts of 1921 of the State of Michigan, and acts amendatory thereto, in such case, made and provided and for the purpose of promoting, and protecting the public health, safety, peace, morals, comfort, convenience, and general welfare of the inhabitants of the City of Plymouth by protecting and conserving the character and social and economic stability of the residential, commercial, industrial and other use areas; by securing the most appropriate use of land; preventing overcrowding of land and undue congestion of population; providing adequate light, air, and reasonable access; and facilitating adequate and economic provision of transportation, water, sewer, schools, recreation, and other public requirements, and by other means, all in accordance with a comprehensive plan; now, therefore: ENACTING CLAUSE

The City of Plymouth Ordains:

ARTICLE I - SHORT TITLE-

Sec. 100. This Ordinance shall be known and may be cited as the City of Plymouth Zoning Ordinance.

ARTICLE II - DEFINITIONS Sec. 200. For the purposes of this Ordinance, certain terms or words used herein shall be interpreted as follows:

The word "person" includes a firm, association, organization, partnership, trust, company, or corporation as well as an individual; The present tense includes the future tense, the singular number includes the plural, and the plural number includes the singular; the word "shall" is mandatory, and the word "may" is permissive; the words "used" or "occupied" include the words "intended," "designed," or "arranged to be used or occupied;" the word "building" includes the word "structure," and the word "dwelling" includes the word "residence," the word "lot" includes the words "plot" or "parcel." Terms not herein defined shall have the meaning customarily assigned to them.

Accessory Use or Building: Is a use or building on the same lot with, and of a nature customarily incident and subordinate to those of the main use or building.

Alley: Any dedicated public way affording a secondary means of access to abutting property, and not intended for general traffic circulation.

Alterations: Is any change, addition, or modification in construction or type of occupancy, any changes in the structural members of a building, such as walls or partitions, columns, beams or girders, the consummated act of which may be referred to herein as "altered" or "reconstructed."

Apartments: The dwelling units in a multiple dwelling shall provide the following

(a) Efficiency Apartment: Is a dwelling unit containing not over three hundred and fifty (350) square feet of floor area, and consisting of not more than one (1) room in addition to kitchen and necessary sanitary facilities.

(b) One-Bedroom Unit: Is a dwelling unit containing a minimum floor area of at least four hundred and fifty (450) square feet per unit, consisting of not more than three (3) rooms in addition to kitchen and necessary sanitary facilities.

(c) Two-Bedroom Unit: Is a dwelling unit containing a minimum floor-area of at least six hundred (600) square feet per unit, consisting of not more than four (4) rooms in addition to kitchen and necessary sanitary facilities. (d) Three or More-Bedroom Unit: Is a dwelling unit wherein for each room in

addition to the four (4) rooms permitted in a two (2)-bedroom unit, there shall be provided an additional area of one hundred and fifty (150) square feet to the minimum floor-area of six hundred (600) square feet.

Auto Repair Station: Is a place where, along with the sale of engine fuels, the following services may be carried out: general repair, engine rebuilding, rebuilding or reconditioning of motor vehicles; collision service, such as body, frame, or fender straightening and repair; over-all painting and undercoating of automobiles.

Auto Service Station: Is a building or premises or portions thereof arranged or designed to be used for the retail sale of oil, gasoline or other fuel for the propulsion or lubrication of motor vehicles and which may include facilities for changing of tires, tube-repairing, polishing, greasing, washing or servicing such motor vehicles; but excluding so-called high speed automotive washing, steam cleaning, body repairing, bumping

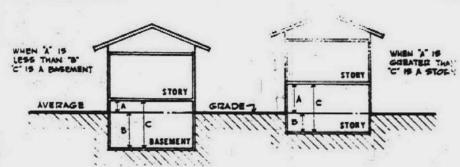

Auto Wash, Highspeed: Is a building or portion thereof containing facilities for washing more than two automobiles, using production-line methods such as a chain conveyor, blower, steam-cleaning device, or other mechanical devices.

Basement: Is that portion of a building which is partly or wholly below grade but so located that the vertical distance from the average grade to the floor is greater than the vertical distance from the average grade to the ceiling. A basement shall not be counted as a story.

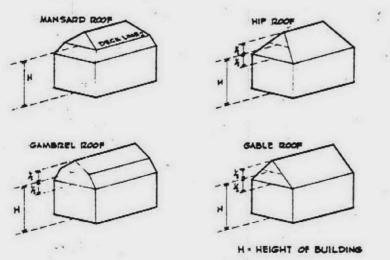

Block: Is the property abutting one side of a street and lying between the two nearest intersecting streets, or between the nearest such street and railroad right-of-way unsubdivided acreage, river or live stream; or between any of the foregoing and any other barrier to the continuity of development.

Building: Is any structure, either temporary or permanent, having a roof supported by columns or walls, and intended for the shelter, or enclosure of persons, animals, chattels, or property of any kind.

Building Height: Is the vertical distance measured for the established grade to the highest point of the roof surface for flat roofs; to the deck line of mansard roofs; and to the average height between eaves and ridge for gable, hip, and gambrel roofs, Where a

BASEMENT & STORY

BUILDING HEIGHT

building is located on sloping terrain, the height may be measured from the average ground-level of the grade at the building wall.

Building Line: Is a line formed by the face of the building, and for the purposes of this Ordinance, a building line is the same as a front-setback line.

Club: Is an organization of persons for special purposes or for the promulgation

of sports, arts, sciences, literature, politics, or the like, but not operated for profit. Court: Is an open, unoccupied space, other than a required front, side, or rear yard, and bounded on at least two sides by a building. A court extending to the front yard or front lot line or to the rear yard or rear lot line is an Outer Court. Any other court is an Inner Court.

District: Is a portion of the incorporated area of the Municipality within which certain regulations and requirements or various combinations thereof apply under the provisions of this Ordinance.

Drive-In: Is a business establishment so developed that its retail or service character is dependent on providing a driveway approach or parking spaces for motor vehicles so as to serve patrons while in the motor vehicle, regardless of whether selfservice is involved.

Dwelling Unit: Is a building, or portion thereof, designed for occupancy exclusively by one (1) family for residential purposes and having cooking facilities and separate sanitary facilities.

Dwelling, One-Family: Is a building designed exclusively for and occupied exclusively by one (1) family.

Dwelling, Two-Family: Is a building designed exclusively for occupancy by two (2) families, living independently of each other. Dwelling, Multiple-Family: Is a building, or a portion thereof, designed exclusively

for occupancy by three (3) or more families, living independently of each other. Erected: Includes built, constructed, altered, reconstructed, moved upon, or any

physical operation on the premises which are required for the construction. Excavation, fill, drainage, and the like, shall be considered a part of erection. Excavation: Is any breaking of ground, except common household-gardening and

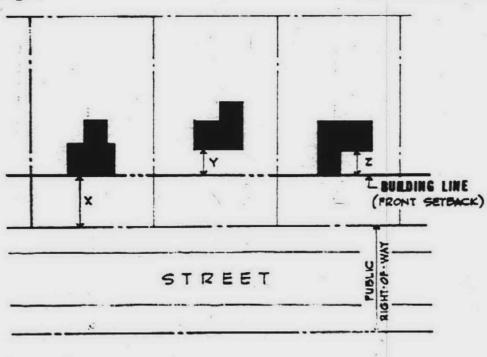

Essential Services: Is the erection, construction, alteration or maintenance by public utilities or municipal departments of underground, surface, or overhead gas, electrical, steam, fuel or water transmission or distributions systems, collection, communication, supply or disposal systems, including towers, poles, wires, mains, drains, sewers, pipes, conduits, cables, fire-alarm and police call-boxes, traffic signals, hydrants and similar accessories in connection therewith, but not including buildings which are necessary for the furnishing of adequate service by such utilities or municipal

departments for the general health, safety, or welfare. Family: Is one or two persons or parents, with their direct lineal descendants and adopted children (and including the domestic employees thereof) together with not more than two persons not so related, living together in the whole or part of a dwelling comprising a single housekeeping unit. Every additional group of two or less persons living in such housekeeping unit shall be considered a separate family for the purpose of this Ordinance.

Filling: Is the depositing or dumping of any matter on to, or into the ground, except common household gardening and ground care.

Floor-Area Ratio: The ratio of the floor area of a building to its lot area. For example: When a floor-area ratio of five-tenths (0.5) is specified the floor area of a building constructed on a lot of ten thousand (10,000) square feet in area is limited to a maximum of five thousand (5,000) square feet. The number of stories being Optional, the building area may be five thousand (5,000) square feet for one (1) story; twenty-five hundred (2,500) square feet for each of two (2) stories, and so forth. The purpose of this ratio is to control the bulk of buildings and encourage the development of open space or plazas about structures in the intensely developed portions of the City.

 "Z"-COURT YARD IN EXCESS OF MINIMUM
 FRONT YARD REQUIRED

BUILDING LINE

Floor Area: For the purposes of computing the minimum allowable floor area in a residential dwelling unit, the sum of the horizontal areas of each story of the building shall be measured from the exterior faces of the exterior walls. The floor-area measurement is exclusive of areas of basements, unfinished attics, attached garages, breezeways, and exclused and unenclosed porches.

Grade: Grade shall mean a ground elevation established for the purpose of regulating the number of stories and the height of the building. The building grade shall be the level of the ground adjacent to the walls of the building if the finished grade is level. If the ground is not entirely level, the grade shall be determined by averaging the elevation of the ground for each face of the building.

Greenbelt: A strip of land of definite width and location reserved for the planting of shrubs and/or trees to serve as an obscuring screen or buffer strip in carrying out the requirements of this Ordinance.

Home Occuration: Home occupations may include such personal or professional

Home Occupation: Home occupations may include such personal or professional services as that of a doctor, dentist, engineer architect, lawyer, accountant, dressmaker, barber or beautician. Such services shall be carried on by no more than one (1) individual residing in the dwelling.

Junk Yards: Is an open area where waste, used or second-hand materials are brought and sold, exchanged, stored, baled, packed, disassembled, or handled, including, but not limited to, scrap iron and other metals, paper, rags, rubber tires, and bottles. A "Junk Yard" includes automobile-wrecking yards and includes any area of more than two hundred (200) square feet for storage, keeping or abandonment of junk but does not include uses established entirely within enclosed buildings.

Kennel, Commercial: Any lot or premises on which three (3) or more dogs, cats and similar domestic animals are either permanently or temporarily boarded.

Loading Space: Is an off-street space on the same lot with a building, or group of buildings, for the temporary parking of a commercial vehicle while loading and unloading merchandise or materials.

Lot: Is a parcel of land occupied, or to be occupied, by a main building or a group of such buildings and accessory buildings, or utilized for the principal use and uses accessory thereto, together with such open spaces as are required under the provisions of this Ordinance. A lot may or may not be specifically designated as such on public records.

Lot Area: Is the total horizontal area within the lot lines of the lot.

Lot, Corner: A lot where the interior angle of two adjacent sides at the intersection of two streets is less than one hundred thirty-five (135) degrees. A lot abutting upon a curved street or streets shall be considered a corner lot for the purposes of this Ordinance if the arc is of less radius than one hundred fifty (150) feet and the tangents to the curve, at the two points where the lot lines meet the curve or the straight street-line extended, form an interior angle of less than one hundred thirty-five (135) degrees.

Lot Depth: Is the horizontal distance between the front and rear lot-lines, measured along the median between the side lot lines.

Lot Coverage: Is the part or percent of the lot occupied by buildings, including

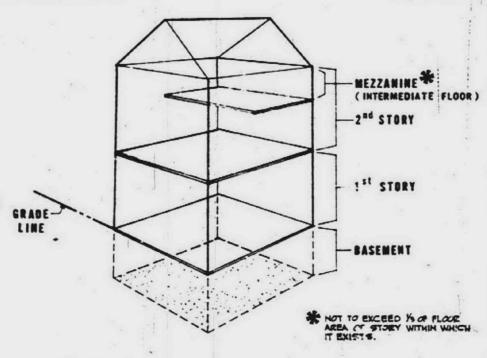

Lot, Double Frontage: Is any interior lot having frontages on two more or less parallel streets as distinguished from a corner lot. In the case of a row of double frontage lots, all sides of said lots adjacent to streets shall be considered frontage, and front yards shall be provided as required. (See sketch following page 6).

Lot, Interior: Is any lot other than a corner lot.

Lot Lines: The lines bounding a lot as defined herein.

(a) Front Lot-Line: In the case of an interior lot, is that line separating said lot from the street. In the case of a corner lot, or double-frontage lot, is that line separating said lot from that street which is designated as the front street.

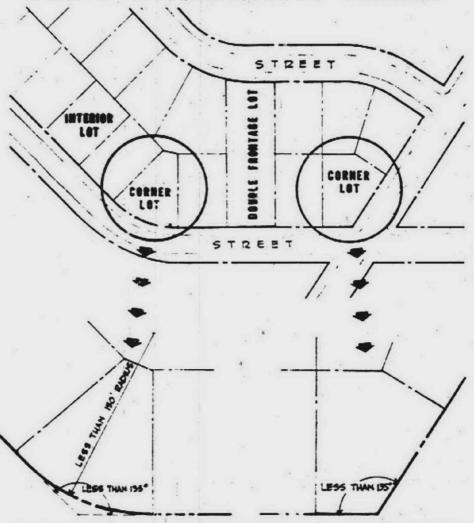

(b) Rear Lot-Line: Is that lot line opposite the front lot-line. In the case of a

FLOOR AREA (TO BE MEASURED AS MINIMUM ALLOWABLE)

FLOOR AREA (NOT MEASURED AS MINIMUM ALLOWABLE)

BASIC STRUCTURAL TERMS

DOUBLE FRONTAGE, INTERIOR & CORNER LOTS

lot pointed at the rear, the rear lot-line shall be an imaginary line parallel to the front lot-line, not less than ten (10) feet long lying farthest from the front lot-line and wholly within the lot.

(c) Side Lot-Line: Is any lot line other than the front lot-line or rear lot-line.

A side lot-line separating a lot from a street is a side-street lot-line. A side lot line separating a lot from another lot or lots is an interior side lot-line.

Lot of Record: Is a parcel of land, the dimensions of which are shown on a recorded plat on file with the County Register of Deeds at the time of adoption of this Ordinance or in common use by Municipal or County Officials and which actually exists as so shown, or any part of such parcel held in a record ownership separate from that of the remainder thereof.

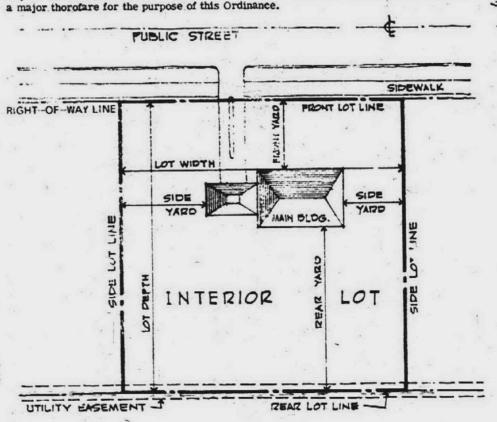

Lot Width: Is the horizontal distance between the side lot-lines measured at the two points where the building or setback line intersects the side lot-lines, except in the case of lots which diminish in width from front to rear, the lot width shall be measured at a distance of fifty (50) feet back from the front lot-line.

Main Building: Is a building in which is conducted the principal use of the lot upon which it is situated.

Main Use: Is the principal use to which the premises are devoted.

Major. Thorofare: Is an arterial street which is intended to serve as a large

volume trafficway for both the immediate Municipal area and the region beyond, and may be designated as a major thorofare, parkway, freeway, expressway, or equivalent term to identify those streets comprising the basic structure of the street plan. Any street indicated as a major thorofare in the Thorofare Plan shall be considered

LOT AREA . TOTAL HORIZONTAL AREA

LOT COVERAGE = PERCENT OF LOT OCCUPIED BY BUILDING

LOTS & AREAS

Master Plan: Is the comprehensive plan including graphic and written proposals indicating the general location for streets, parks, schools, public buildings and all physical development of the Municipality, and includes any unit or part of such plan, and any amendment to such plan or parts thereof.

Mezzanine: Is an intermediate floor in any story occupying not to exceed onethird (1/3) of the floor-area of such story.

Mobile Home: A detached single-family dwelling unit with all of the following characteristics:

Designed for long-term occupancy, and containing sleeping accommodations, a flush toilet, a tub or shower bath, and kitchen facilities, with plumbing and electrical connections provided for attachment to outside systems.
 Designed to be transported after fabrication on its own wheels, or flat bed or

other trailers or detachable wheels.

3. Arriving at the site where it is to be occupied as a dwelling complete, including major appliances and furniture, and ready for occupancy except for minor and incidental unpacking and assembly operations, location on foundation supports, connection to utilities and the like.

Mobile-Home Park: A parcel of land under single ownership, improved and licensed for the placement of mobile homes for non-transient use.

Municipality: The word "municipality" shall mean the City of Plymouth.

Nonconforming Building: Is a building or portion thereof, existing at the effective date of this Ordinance, or amendments thereto, and that does not conform to the provisions of this Ordinance in the district in which it is located.

Nonconforming Use: Is a use which lawfully occupied a building or land at the effective date of this Ordinance, or amendments thereto, and that does not conform to the use regulations of the district in which it is located.

Nursing or Convalescent Home: Is a structure with sleeping rooms where persons are housed or lodged and furnished with meals and nursing care for hire.

Nursery, Plant Material: Is a space, building or structure, or combination thereof, for the storage of live trees, shrubs, or plants offered for sale on the premises including products used for gardening or landscaping. The definition of nursery within the meaning of this Ordinance does not include any space, building or structure used for the sale of fruits, vegetables, or Christmas trees.

Off-Street Parking Lot: Is a facility providing vehicular parking-space along with adequate drives and aisles, for maneuvering, so as to provide access for entrance and exit for the parking of more than two (2) vehicles.

Parking Space: Is hereby determined to be an area as required by this Ordinance which shall be exclusive of drives, aisles or entrances giving access thereto, and shall be fully accessible for the storage or parking of permitted vehicles.

Public Utility: Is any person, firm or corporation, municipal department, board or commission duly authorized to furnish and furnishing under state or municipal regulations to the public, gas, steam, electricity, sewage disposal, communication, transportation or water.

Setback: The distance required to obtain front, side or rear yard open space provisions of this Ordinance.

Sign: Is the use of any words, numerals, figures, devices, designs, or trade-

marks by which anything is made known, such as are used to show an individual firm, profession or business, and are visible to the general public.

Sign-Accessory: A sign which is accessory to the principal use of the premises.

Sign-Nonaccessory: A sign which is not accessory to the principal use of the

Stable, Private: A stable for the keeping of horses for the use of the residents of

the principal use and shall not include the keeping of horses for others, or for commercial boarding, and with a capacity for not more than two horses; provided, however, that the capacity of a private stable may be increased if the lot whereon such stable is located contains at least one (1) acre of land for each additional horse stabled thereon.

Stable, Public: A stable other than a private stable, with a capacity for more than two horses, and carried on within an unplatted tract of land of not less than forty

Story: Is that part of a building, except a mezzanine as defined herein, included between the surface of one floor and the surface of the next floor, or if there is no floor above, then the ceiling next above. A story thus defined shall not be counted as a story when more than fifty (50) percent, by cubic content, is below the height level of the adjoining ground.

Story, Half: Is an uppermost story lying under a sloping roof, the usable floor area of which, at a height of four feet above the floor does not exceed two-thirds (2/3) of the floor area in the story directly below, and the height above at least two hundred (200) square feet of floor space is seven feet six inches (7'-6").

Street: A right-of-way dedicated to public use which provides vehicular and pedestrian access to adjacent properties whether designated as a street, highway thorofare, parkway, road, avenue, lane, or however otherwise designated.

Structure: Is anything constructed or erected, the use of which requires location on the ground or attachment to something having location on the ground, with the exception of fences, walls or pavement.

Temporary Use or Building: Is a use or building permitted by the Board of Appeals to exist during periods of construction of the main building or use, or for special events or as otherwise permitted in this Ordinance.

Usable Floor Area: (For the purpose of computing parking) is that area used for or intended to be used for the sale of merchandise or services or for use to serve patrons, clients, or customers, including areas occupied by fixtures and equipment used for display or sale of merchandise. Such floor area which is used or intended to be used principally for the storage or processing of merchandise, or for utilities shall be excluded from this computation of "usable floor area." Measurement of the gross horizontal areas of the several floors of the building, measured from the interior faces of the exterior walls.

Use: Is the purpose for which land or a building is arranged, designed or intended or for which land or a building is or may be occupied.

Yards: The open spaces on the same lot with a main building, unoccupied and unobstructed from the ground upward except as otherwise provided in this Ordinance, and as defined herein.

(a) Front Yard: Is an open space extending the full width of the lot, the depth of which is the minimum horizontal distance between the front lot-line and the nearest line of the main building.

(b) Rear Yard: Is an open space extending the full width of the lot the depth of which is the minimum horizontal distance between the rear lot-line and the

nearest line of the main building.

(c) Side Yard: Is an open space between a main building and the side lot-line, extending from the front yard to the rear yard, the width of which is the

extending from the front yard to the rear yard, the width of which is the horizontal distance from the nearest point of the side lot-line to the nearest point of the main building.

Zoning Exceptions and Variances:

(a) Exception: An exception is a use permitted only after review of an application for a building permit by the Zoning Board of Appeals or Planning Com-

USABLE FLOOR AREA

mission other than the Administrative Official (Building Inspector), such review being necessary because the provisions of this Ordinance covering conditions, precedent or subsequent, are not precise enough to all applications without interpretation, and such review is required by the ordinance.

BE PROVIDED.

(b) Variance: Is a modification of the literal provisions of the Zoning Ordinance granted when strict enforcement of the Zoning Ordinance would cause undue hardship owing to circumstances unique to the individual property on which the variance is granted.

The crucial points of variance are: (a) undue hardship, (b) unique circumstances, and (c) applying to property. A variance is not justified unless all three elements are present in the case.

The "exception" differs from the "variance" in several respects. An exception does not require "undue hardship" in order to be allowable. The exceptions that are found in this Ordinance appear as "special approval" or review by Planning Commission, or Zoning Board of Appeals. These land uses could not be conveniently allocated to one zone or another, or the effects of such uses could not be definitely foreseen as of a given time. The general characteristics of these uses include one or more of the following:

(a) they require large areas

(b) they are infrequent

(c) they sometimes create an unusual amount of traffic

(d) they are sometimes obnoxious or hazardous (e) they are required for public safety and convenience.

ARTICLE III - ZONING DISTRICTS, MAPS AND REQUIREMENTS

SECTION 300. ZONING DISTRICTS:

For the purposes of this Ordinance, the Municipality is hereby divided into the following zoning districts:

and the Clerk to authenticate such records by placing their official signatures thereon.

All such maps with all explanatory matter thereon, are hereby made a part of this

RESIDENTIAL DISTRICTS R-1 One-Family Residential District

boundary line shall be construed to be said district boundary line.

SECTION 304 ZONING OF ANNEXED AREAS: Whenever any area is annexed to the City of Plymouth one of the following conditions will apply-

"Territory which may hereafter be annexed to the City of Plymouth shall remain as zoned previous to annexation until the required amendments to this ordinance have

SECTION 305. DISTRICT REQUIREMENTS

All buildings and uses in any district shall be subject to the provisions of: ARTICLE XIV, "SCHEDULE OF REGULATIONS" (limiting the height and bulk of buildings, the minimum size of lot permitted by land use, and maximum density permitted); ARTICLE XV, "GENERAL PROVISIONS;" and ARTICLE XVI, "GENERAL EXCEPTIONS,"

ARTICLE IV - R-1 ONE-FAMILY RESIDENTIAL DISTRICT

The residential district is designed to provide for one-family dwelling sites and residentially related uses in keeping with the master plan of residential development in the City of Plymouth. The preservation of natural terrain and wooded areas is reflected in the controls set forth in this Ordinance. SECTION 400. PRINCIPAL USES PERMITTED:

In a One-Family Residential District (R-1) no building or land shall be used and no building shall be erected except for one or more of the following specified uses, unless otherwise provided in this Ordinance.

1. One-family detached dwellings.

2. Publicly owned and operated libraries, parks, parkways, and recreational

3. Accessory buildings and uses, customarily incident to any of the above permitted uses.

SECTION 401. USES SUBJECT TO SPECIAL CONDITIONS:

The following uses shall be permitted, subject to the conditions hereinafter imposed for each use and subject further to the review and approval of the Planning Commission: 1. Utility and public-service buildings and uses (without storage yards) when

operating requirements necessitate the locating of said facilities within the district in order to serve the immediate vicinity. Further, no building and/or structure shall be located in any required front or side yard.

2. Private recreational areas, and institutional recreation centers when not operated for profit, non-profit swimming-club pool, all subject to the following

a. As a condition to the original granting of such permit and the operation of such non-profit swimming-pool club, as a part of said application, the applicant shall obtain from one-hundred (100) percent of the freeholders residing or owning property, within a one-hundred and fifty (150)-foot radius, immediately adjoining any property line of the site herein proposed for development; a written statement or waiver addressed to the City Commission recommending that such approval be granted. Also, approval from fifty-one (51) percent of the homeowners within one thousand (1,000) feet shall be received in writing.

b. In those instances where the proposed site is not to be situated on a lot or lots of record, the proposed site shall have one property line abutting a major thorofare (see Major Thorofare Plan), and the site shall be so planned as to provide ingress and egress directly on to said major

c. Front, side and rear yards shall be at least seventy-five (75) feet wide,

except on those sides adjacent to non-residential districts, and shall be landscaped in trees, shrubs, grass and terrace areas. All such landscaping shall be maintained in a healthy condition. There shall be no parking or structures permitted in these yards, except for required entrance drives and those walls and/or fences used to obscure the use from abutting residential districts.

d. Buildings erected on the premises shall not exceed one (1) story or four-

e. Whenever a swimming pool is constructed under this Ordinance, said pool area shall be provided with a protective fence, six (6) feet in height, and

entry shall be provided by means of a controlled gate or turnstyle. f. Off-street parking shall be provided so as to accommodate at least onefourth (1/4) of the member families and/or individual members. By-Laws of the organization shall be provided to the Planning Commission in order to establish the membership involved in computing parking requirements.

g. All storm and sanitary-sewer plans shall be provided and shall be reviewed and approved by the City Engineer prior to the issuance of a building permit.

h. The off-street parking and general-site layout and its relationship to all adjacent lot-lines shall be reviewed by the Planning Commission, who may impose any reasonable restrictions or requirements so as to insure that contiguous residential areas will be adequately protected.

3. Nursery schools, day nurseries and child-care centers (not including dormitories); provided that for each child so cared for there is provided and maintained a minimum of one hundred (100) square feet of outdoor play area. Such play space shall have a total minimum area of at least one thousand (1,000) square feet, and shall be fenced or screened from any adjoining land with planting. Any use permitted herein shall not be permitted in the interior of any residential block, and shall be located adjacent to a business district.

4. Colleges, universities and other such institutions of higher learning, public and private, offering courses in general technical, or religious education and not operated for profit, all subject to the following conditions:

a. Any use permitted herein shall be developed only on sites of at least forty (40) acres an area, and shall not be permitted on any portion of a recorded subdivision plat.

b. All ingress to and egress from said site shall be directly onto a major thorofare.

c.No building other than a structure for residential purposes shall be closer than seventy-five (75) feet to any property line. 5. Churches and other facilities normally incidental thereto, subject to the

following conditions: a. The site shall be so located as to provide for ingress and egress from said

site directly onto a thorofare having an existing or planned street designated as a Collector Street or Major Thorofare in the Major Thorofare Plan. b. The principal buildings on the site shall be set back from abutting proper-

ties zoned for residential use not less than fifteen (15) feet. c. Buildings of greater than the maximum height allowed in ARTICLE XIV may be allowed provided front, side and rear yards are increased above the minimum requirements by one (1) foot for each foot of building that exceeds

the maximum height allowed. 6. Public, parochial and private elementary, intermediate and/or secondary schools offering courses in general education, not operated for profit. 7. Municipal office buildings when in character with the neighborhood.

8. Accessory buildings and uses customarily incident to any of the above permitted uses.

SECTION 402. AREA AND BULK REQUIREMENTS:

See ARTICLE XIV, "SCHEDULE OF REGULATIONS" limiting the height and bulk of buildings, the minimum size of lot permitted by land use, and maximum density per-

ARTICLE V - RT-1 TWO-FAMILY RESIDENTIAL DISTRICTS

PREAMBLE:

This district is designed to provide sites for two-family dwelling structures, and related uses, which will generally serve as zones of transition between the nonreside districts and the lower One-Family Residential Districts.

SECTION 500. PRINCIPAL USES PERMITTED: In a Two-Family Residential District, no building or land shall be used and no building shall be erected except for one or more of the following specified uses, unless

otherwise provided in this Ordinance: 1. All principal uses permitted and as regulated in the One-Family Residential District.

2. Two-family dwellings.

3. A home occupation may be conducted in a dwelling provided no goods are publicly displayed or sold on the premises.

4. Accessory buildings and uses, customarily incident to any of the above permitted

SECTION 501. AREA AND BULK REQUIREMENTS:

See ARTICLE XIV, "SCHEDULE OF REGULATIONS" limiting the height and bulk buildings, the minimum side of lot permitted by land use, and maximum density permitted.

ARTICLE VI -- RM-1 AND RM-2 MULTIPLE-FAMILY RESIDENTIAL DISTRICTS PREAMBLE:

The RM-1 AND RM-2 MULTIPLE-FAMILY RESIDENTIAL DISTRICTS are designed to provide sites for multiple-family dwelling structures, and related uses, which will generally serve as zones of transition between the non-residential districts and the lower density One-Family Residential Districts. The Multiple-Family Districts are further provided to serve the limited needs for the apartment-type of unit in an otherwise low

density, single-family community. SECTION 600. PRINCIPAL USES PERMITTED:

In a Multiple-Family District no building or land, except as otherwise provided in this Ordinance, shall be erected or used except for one or more of the following specified purposes and shall be permitted subject to the review and approval of the site plan by the Planning Commission. Such review of the site plan is required to find proper relationships between the following development features as they relate to traffic safety and, further, to minimize the possibility of any adverse effects upon adjacent properties: service roads, driveways, parking areas; accessory building and uses; open space:

1. All principal uses permitted in the RT-1 Two-Family Residential Districts with the lot area, yards, and floor-area requirements equal to at least the requirements of the immediately abutting residential district.

2. Multiple-family dwellings.

3. Funeral homes (mortuaries).

4. Accessory buildings and uses customarily incident to any of the above permitted

SECTION 601. USES SUBJECT TO SPECIAL CONDITIONS:

The following uses shall be permitted subject to the conditions hereinafter imper for each use and subject further to the review and approval of the Planning Commis-

1. General hospitals, except those for criminals and those solely for the treatment of persons who are mentally ill or have contagious disease, not to exceed four (4) stories when the following conditions are met:

a. All such hospitals shall be developed only on sites consisting of at least five (5) acres in area, and shall not be permitted on a lot or lots of record. b. The proposed site shall have at least one (1) property line abutting a major

c. The minimum distance of any main or accessory building from bounding lot

lines or streets shall be at least one hundred (100) feet for front, rear, and side yards for all two (2) story structures. For every story above two (2), the minimum yard distance shall be increased by at least twenty (20) feet.

d. Ambulance and delivery areas shall be obscured from all residential view with an obscuring wall or fence six (6) feet in height. Ingress and egress to the site shall be directly from a major thorofare.

e. All ingress and egress to the off-street parking area, for guests, employees staff, as well as any other uses of the facilities, shall be directly from a major

2. Convalescent homes, not to exceed a height of two (2) stories, when the following conditions are met

a. The site shall be so developed as to create a land to building ratio on the lot or parcel whereby for each one (1) bed in the convalescent home there shall be provided not less than eight hundred (800) square feet of open space. The eight hundred (800) square feet of land area per bed shall provide for landscape setting, off-street parking, service drives, loading space, yard requirem employee facilities, and any space required for accessory uses. The eight hundred (800)-square-feet requirement is over and above the building-coverage

b. No building shall be closer than forty (40) feet from any property line.

3. Housing for the elderly, when the following conditions are met:

a, All housing for the elderly shall be provided as a planned dev provide for the following:

(1) Cottage-type dwellings and/or apartment-type dwelling units.

(2) Common services containing, but not limited to, central dining rooms, recreational rooms and central lounge, and workshops,

b. Each dwelling unit shall consist of at least two hundred and fifty (250) square feet of floor area.

c. The minimum requirements of the SCHEDULE OF REGULATIONS for the District in which such use is located shall control lot coverage, yard setbacks and other

site aspects. 4. Non-Profit clubs, providing that no residential facilities of any kind be a part of the premises, Ingress and egress to the site shall be directly from a major thore-

5. Offices, when such use is not in conflict with the over-all residential character of the area, with the traffic generated by such office not in excess of that normally created by multiple-family uses.

a. Ingress and egress to the site shall be provided directly onto a major thorotare.

b. The minimum side yard shall be twenty-five (25) feet when the abutting use is

6. Accessory buildings and uses customarily incident to any of the above uses. SECTION 602. AREA AND BULK REQUIREMENTS: See ARTICLE XIV, "SCHEDULE OF REGULATIONS" limiting the height and bulk

of buildings, the minimum size of lot permitted by land use, and the maximum density

ARTICLE VII - 0-1 AND 0-2 OFFICE DISTRICTS

PREAMBLE:

.

The 0-1 AND 0-2 OFFICE DISTRICTS are designed to accommodate office buildings and uses and basic personal services and are, as a use district, intended to serve the function of land-use transition between the Commercial Districts and the adjacent Residential

SECTION 700. PRINCIPAL USES PERMITTED:

In an Office District no building or land shall be used and no building shall be erected except for one or more of the following specified uses, unless otherwise provided in this

1. Office buildings for any of the following occupations: executive, administrative and

2. Medical and dental offices, including clinics, except veterinary. 3. Banks, post offices, or other governmental office-buildings.

6. Private clubs or lodge halls.

7. Municipal buildings, and public utility offices, but not including storage yards, transformer stations, exchanges, or substations. 8. Other uses similar to the above uses.

9. Accessory buildings and uses customarily incident to any of the above permitted

SECTION 701. REQUIRED CONDITIONS:

1. No interior display shall be visible from the exterior of the building, and the total area devoted to display, including both the objects displayed and the floor space set aside for persons observing the displayed objects, shall not exceed twenty-five (25) percent of the useable floor area of either the first or second story, or in the

2. The outdoor storage of goods or materials shall be prohibited irrespective of whether or not they are for sale.

3. Warehousing or indoor storage of goods or materials, beyond that normally incident to the above permitted uses, shall be prohibited. SECTION 702. AREA AND BULK REQUIREMENTS:

See ARTICLE XIV, "SCHEDULE OF REGULATIONS" limiting height and bulk of buildings and minimum size of lot by permitted land-use.

ARTICLE VIII - B-1 LOCAL BUSINESS DISTRICT

The B-1 LOCAL BUSINESS DISTRICT is designed solely for the convenience-shopping of persons residing in adjacent residential areas, to permit only such uses as are necessary to satisfy those limited basic-shopping and/or service needs which by their very nature are not related to the shopping pattern of the Central Business District or the General Business District.

SECTION 800. PRINCIPAL USES PERMITTED:

1. Any use permitted and as regulated in the 0-2 Office Building Districts. 2. Any generally recognized retail business which supplies commodities on the premises, for persons residing in adjacent residential areas such as: groceries, meats, dairy products, baked goods or other foods, drugs, dry goods and notions or hard-

3. Any personal service establishment which performs services on the premises for persons residing in adjacent residential areas, such as: shoe repair, dry-cleaning shops, tailor shops, beauty parlors, barber shops, banks and savings and loan offices, or any service establishment of an office-showroom or workshop nature of an electrician, decorator, dressmaker, tailor, shoemaker, baker, printer, upholsterer, or an establishment doing radio, television or home-appliance repair, photographic reproduction, and similar establishments that require a retail adjunct and of no more objectionable character than the aforementioned subject to the provisions: That no more than five (5) persons shall be employed at any time in the fabrication, repair and other processing of goods.

4. Restaurants, or other places serving food except those having the character of a

5. Professional offices of doctors, lawyers, dentists, chiropractors, osteopaths, architects, engineers, and similar or allied professions.

6. Other uses similar to the above and subject to the following restrictions:

a. All business establishments shall be retail or service establishments dealing directly with consumers. All goods produced on the premises shall be sold at

b. All business, servicing or processing except off-street parking or loading, shall be conducted within completely enclosed buildings.

7. Accessory structures, uses and signs customarily incident to the above permitted uses and subject to all requirements of this Ordinance.

SECTION 801. REQUIRED CONDITIONS:

Since this district is for the convenience-shopping of persons residing in adjacent residential areas, permitted uses shall not include business in the character of a drivein or open-front stores nor shall it include one (1) and two (2)-family dwellings, except existing dwellings so used.

SECTION 802. USES SUBJECT TO SPECIAL CONDITIONS:

The following uses may be permitted subject to the conditions hereinafter imposed for each use and subject further to the review and approval of the Planning Commission: 1. Automobile service-station for sale of gasoline, oil, and minor accessories only, and subject to the following:

a. The curb cuts for ingress and egress to a service station shall not be permitted at such locations that will tend to create traffic hazards in the streets immediately adjacent thereto. Entrances shall be no less than twenty-five (25) feet from a street intersection (measured from the roadway) right-of-way or from adjacent

b. The minimum lot-area shall be ten thousand (10,000) square feet, and so arranged that ample space is available for motor vehicles which are required to wait.

c. There shall be provided, on those sides abutting or adjacent to a residential district, a completely obscuring wall or fence with a minimum height of four feet six inches (4'-6"). The height of the wall or fence shall be measured from the surface of the ground.

d. All lighting shall be shielded from adjacent residential districts or uses and from abutting streets.

By lines configure among charge are upper south, for conservation of conservation representation with the

e. All restroom doors shall be shielded from adjoining residential property. 2. Publicly owned buildings, public-utility buildings, telephone-exchange buildings,

electric-transformer stations and substations, and gas-regulator stations with service yards but without storage yards. Water and sewage pumping stations. 3. Accessory buildings and uses customarily incident to any of the above uses. SECTION 803. AREA AND BULK REQUIREMENTS:

See ARTICLE XIV, "SCHEDULE OF REGULATIONS" limiting the height and bulk of buildings, and the minimum size of lot by permitted land-use.

ARTICLE IX - B-2 CENTRAL BUSINESS DISTRICT

The B-2 CENTRAL BUSINESS DISTRICT is designed to provide for office buildings and the great variety of large retail stores and related activities which occupy the prime retail-frontage by serving the comparison, convenience and service needs of the entire municipal area as well as a substantial area of the adjacent and surrounding residential developments beyond the municipal limits. The district regulations are designed to promote convenient pedestrian shopping and the stability of retail development by encouraging a continuous retail-frontage and by prohibiting automotive-related services and non-retail uses which tend to break up such continuity.

SECTION 900. PRINCIPAL USES PERMITTED: In a Central Business District, no building or land shall be used and no building shall be erected except for one or more of the following specified uses, unless other-

wise provided in this Ordinance: 1. Any generally recognized retail business which supplies commodities on the premises within a completely enclosed building, such as, but not limited to: foods,

drugs, liquor, furniture, clothing, dry goods, notions, or hardware. 2. Any personal service establishment which performs services on the premises within a completely enclosed building, such as, but not limited to: repair shops (watches, radio, television, shoe, and etc.), tailor shops, beauty parlors, barber shops, interior decorators, photographers and dry cleaners.

3. Restaurants and taverns where the patrons are served while seated within a building occupied by such establishment, and wherein said establishment does not extend as an integral part of, or accessory thereto, any service of a drive-in or open-front store.

4. Theaters or assembly halls when completely enclosed.

5. Offices and office buildings of an executive, administrative or professional nature. 6. Banks, with drive-in facilities permitted when said drive-in facilities are incidental to the principal function.

7. Municipal buildings and governmental offices.

8. Offices and showrooms of plumbers, electricians, decorator or similar trades, in connection with which not more than twenty-five (25) percent of the floor area of the building or part of the building occupied by said establishment is used for making, assembling, remodeling, repairing, altering, finishing, or refinishing its products or merchandise, and provided that: The ground-floor premises facing upon, and visible from any abutting street shall be used only for entrances, offices, or display. All storage of materials on any land shall be within the confines of the building or part thereof occupied by said establishment.

9. Business schools, or private schools operated for profit, Examples of private schools permitted herein include, but are not limited to, the following: dance schools, music and voice schools, and art studios.

10. Newspaper offices and printing plants.
11. Storage facilities when incident to and physically connected with any principal use permitted, provided that such facility be within the confines of the building or part thereof occupied by said establishment.

12. Other uses which are similar to the above and subject to the following restrictions: a. All business establishments shall be retail or service establishments dealing directly with consumers. All goods produced on the premises shall be sold at retail from premises where produced.

b. All business, servicing, or processing except for off-street parking or loading, shall be conducted within completely enclosed buildings.

c. Outdoor storage of commodities shall be expressly prohibited. 13. Accessory structures customarily incident to the above permitted uses.

SECTION 901. AREA AND BULK REQUIREMENTS:

See ARTICLE XIV, "SCHEDULE OF REGULATIONS" limiting the height and bulk of buildings, and the minimum size of lot permitted.

ARTICLE X - B-3 GENERAL BUSINESS DISTRICT

The B-3 GENERAL BUSINESS DISTRICTS are designed to furnish areas served typically by the Central Business District with a variety of automotive services and goods incompatible with the uses and with the pedestrian movement in such Central Business District. The General Business Districts are characterized by more diversified business-types and are often located so as to serve the passerby traffic. SECTION 1000. PRINCIPAL USES PERMITTED:

In a General Business District, no building or land shall be used and no building shall be erected except for one or more of the following specified uses unless otherwise

1. Any retail business or service establishment permitted in a B-2 Central Business District as a principal use, permitted.

2. New-automobile sales or showroom and any accessory parking or outdoor sales area subject to the conditions under SECTION 1001 Subsection 1, exclusive of paint, bump and undercoating shop.

3. Bus-passenger stations.

4. Funeral homes.

6. Private clubs or lodge halls.

7. Governmental offices or other governmental uses; public-utility offices, exchanges, transformer stations, pump stations, and service yards, but not including outdoor

8. Clinics.

9. Retail cold-storage establishments.

10. Self-service laundry and dry-cleaning establishments.

11. Bowling alleys, indoor archery range, indoor tennis courts or similar forms of indoor commercial recreation.

12. Pool or billiard parlor or club.

13. Storage of materials or goods to be sold at retail provided such storage is within a building or is enclosed as not to be visible to the public from any abutting nonindustrial district or public street.

14. Other uses which are similar to the above uses. 15. Accessory structures customarily incident to the above permitted uses.

SECTION 1001. USES SUBJECT TO SPECIAL CONDITIONS:

The following uses shall be permitted subject to the conditions herein imposed

अर्थक विक अर्थक रिकेट के स्कूट के किए के

for each use and subject further to the review and approval of the Planning Commission: 1. Outdoor sales-space for exclusive sale of second-hand automobiles or house

a. Ingress and egress to the outdoor sales-area shall be at least sixty (60) feet from a street intersection (measured from the road right-of-way) or from an adjacent residential district.

b. No major repair or major refinishing shall be done on the lot.

2. Motel, or Hotel subject to the following:

August 18, 1968

a. Provided that it can be demonstrated that ingress and egress do not conflict with adjacent business uses.

b. Each unit shall contain not less than two hundred and fifty (250) square feet of 3. Business in the character of a drive-in, so called, or so-called open-front store

subject to the following: a. A setback of at least sixty (60) feet from the street right-of-way line of any

existing or Major Thorofare Plan street must be maintained b. Ingress and egress points shall be located at least sixty (60) feet from a street intersection (measured from the road right-of-way) or from an adjacent

residential district. 4. Commercially used outdoor recreational space for children's amusement parks, miniature golf courses, subject to the following:

a. Children's amusement park must be fenced on all sides with a four (4)-foot wall b. Adequate parking shall be provided off the road right-of-way and shall be fenced

with a four-foot six-inch (4'-6") wall or fence where adjacent to the use. 5. Automobile repair station for sale of gasoline, oil, and minor accessories only, and subject to the following:

a. The curb cuts for ingress and egress to a service station shall not be permitted at such locations that will tend to create traffic hazards in the streets immediately adjacent thereto. Entrances shall be no less than twenty-five (25) feet from a street intersection (measured from the road right-of-way) or from an adjacent residential district.

b. The minimum lot-area shall be ten thousand (10,000) square feet, and so arranged that ample space is available for motor vehicles which are required

c. Major engine and body repair, steam-cleaning and undercoating when conducted on the site shall be within a completely enclosed building. The storage of wrecked automobiles on the site shall be obscured from public view. No automobile or vehicle of any kind, shall be stored in the open for a period exceeding one (1)

d. All restroom doors shall be shielded from adjacent streets and residential

6. Veterinary hospital or clinics, provided all activities are conducted within a totally enclosed main building and provided further that all adjacent property is zoned 0-1, 0-2, B-1, B-2, B-3, I-1, or I-2.

SECTION 1002. AREA AND BULK REQUIREMENTS: See ARTICLE XIV, "SCHEDULE OF REGULATIONS" limiting the height and bulk of buildings and minimum size of lot by permitted land-use.

ARTICLE XI - I-1 LIGHT INDUSTRIAL DISTRICTS

The I-1 LIGHT INDUSTRIAL DISTRICTS are designed so as to primarily accommodate wholesale activities, warehouses, and industrial operations whose external, physical effects are restricted to the area of the district and in no manner affect in a detrimental way any of the surrounding districts. SECTION 1100. PRINCIPAL USES PERMITTED:

In an Industrial District, no land or building shall be used and no building shall be erected except for one or more of the following specified uses, unless otherwise provided in this Ordinance.

1. Any of the following uses when conducted wholly within a completely enclosed building, or within a designated area enclosed on all sides with a six (6)-foot fence or solid wall. Said fence or wall shall be completely obscuring on those sides where abutting or adjacent to districts zoned or used for residential purposes. a. Warehousing and wholesale establishments, and trucking facilities.

b. The manufacture, compounding, processing, packaging, or treatment of such products as, but not limited to: bakery goods, candy, cosmetics, pharmaceuticals, toiletries, food products, hardware and cutlery; tool, die, gauge, and machine shops.

c. The manufacture, compounding, assembling, or treatment of articles or merchandise from previously prepared materials such as, but not limited to: bone, canvas, cellophane, cloth, cork, feathers, felt, fibre, fur, glass, hair, horn, leather, paper, plastics, precious or semi-precious metals or stones, sheet metal (excluding large stampings such as automobile fenders or bodies); shell, textiles, tobacco, wax, wire, wood (excluding saw and planing mills), and

d. The manufacture of pottery and figurines or other similar ceramic products using only previously pulverized clay, and kilns fired only by electricity or gas. e. Manufacture of musical instruments, toys, novelties, and metal or rubber stamps, or other small molded-rubber products.

f. Manufacture or assembly of electrical appliances, electronic instruments and devices, radios and phonographs,

g. Laboratories - experimental, film, or testing.

safeguards as set forth in SECTION 1102, and 1103.

h. Manufacturing and repair of electric or neon signs, light sheet-metal products, including heating and ventilating equipment, cornices, eaves and the like. i. Warehouse, storage and transfer and electric and gas service-buildings and

yards. Water supply and sewage-disposal plants. Water and gas-tank holders. Railroad transfer and storage tracks. Heating and electric-power generating plants, and all necessary uses. Railroad rights-of-way and freight terminals. j. Storage facilities for building materials, sand, gravel, stone, lumber, open

storage of contractor's equipment and supplies, provided such is enclosed within a building or within an obscuring wall or fence on those sides abutting all Residential, Business or Office Districts, and on any front yard abutting a public thorofare. In any I-1 District the extent of such fence or wall may be determined by the Board of Appeals on the basis of usage. Such fence or wall shall not be less than six (6) feet in height, and may, depending on land usage, be required to be eight (8) feet in height.

2. All public utilities, including buildings, necessary structures, storage yards and other related uses. 3. Accessory buildings and uses customarily incident to any of the above permitted

4. Other uses of a similar character subject to such conditions, requirements and

SECTION 1101. USES SUBJECT TO SPECIAL CONDITIONS:

The following uses shall be permitted subject to the conditions hereinafter imposed for each use and subject further to the review and approval of the Planning Commission.

1. Restaurants or other places serving food or beverage except those having the character of a drive-in so called, automobile service-stations, newsstands and tobacco shops, which in the opinion of the Planning Commission are intended to serve the convenience-needs of persons working in the I-1 District, subject to the regulations applicable to such uses.

2. Auto-repair station and undercoating shops when completely enclosed.

3. Lumber and planing mills when completely enclosed and when located in the interior of the district so that no property line shall form the exterior boundary of the I-1 District,

4. Commercial kennels when within a completely enclosed building and when located in the interior of the I-1 District so that no property line shall form the exterior boundary of the I-1 District.

5. Incineration of garbage or refuse when conducted within an approved and enclosed incinerator plant. 6. Metal plating, buffing and polishing, subject to appropriate measures to control

the type of process to prevent noxious result and/or nuisances. 7. Other uses, which in the determination of the Board of Appeals are of a similar character to the above uses, and subject to the requirements set forth in SECTION

8. New-automobile sales or showroom and any accessory parking or outdoor sales area subject to the conditions under SECTION 1001, Subsection 1 a. Paint, bump

and undercoating shop also be permitted as accessory uses. 9. The bulk-storage of petroleum or chemical products subject to all applicable state and local requirements regarding such materials and provided such areas are within an obscuring wall or fence on those sides abutting all Residential, Business Districts and on any yard abutting a public thorofare. The extent of such fence or wall may be determined by the Board of Appeals, and shall not be less than six (6) feet in height, and may be required to be eight (8) feet in height depending upon the determination of the Zoning Board of Appeals relative to the nature of the storage area.

SECTION 1102. REQUIRED CONDITIONS:

Any use established in the I-1 District after the effective date of this Ordinance shall be operated so as to comply with the performance standards set forth hereinafter in ARTICLE XV. "GENERAL PROVISIONS"

SECTION 1103. AREA AND BULK REQUIREMENTS: See ARTICLE XIV, "SCHEDULE OF REGULATIONS" limiting the height and bulk of buildings and the minimum size of lot by permitted land-use.

ARTICLE XII - I-2 HEAVY INDUSTRIAL DISTRICTS

THE I-2 HEAVY INDUSTRIAL DISTRICT is designed primarily for manufacturing, assembling, and fabrication activities including large-scale or specialized industrial operations, whose external physical effects will be felt to some degree by surrounding districts.

SECTION 1200. PRINCIPAL USES PERMITTED:

1. Any principal use first permitted in an I-1 District.

2. Any production, processing, cleaning, servicing, testing, repair, or storage of materials, goods, or products which shall conform with the performance stand-

ards set forth in ARTICLE XV, "GENERAL PROVISIONS" (except such uses as specifically excluded from the City of Plymouth in accordance with the provisions of SECTION 1201) and which shall not be injurious or offensive to the occupants of adjacent premises by reason of the emission or creation of noise, vibration, smoke, dust or other particulate matter, toxic and noxious materials, odors,

fire or explosive hazards, or glare or heat. 3. Any of the following uses provided that they shall be located not less than eight hundred (800) feet distant from any residential district, and three hundred (300) feet distant from any other district, and when authorized by the Planning Com-

a. Blast furnaces, steel furnaces, blooming or rolling mills.

b, Manufacture of corrosive acid or alkali, cement, lime, gypsum or Plaster

c. Smelting of copper, iron or zinc ore.

4. Junk yards and places so called for the dismantling, wrecking and disposing of the junk and/or refuse material of agricultural and automotive vehicles may be

of the Building Inspector, whose approval shall be based on the Performance Standards set forth in ARTICLE XV of this Ordinance, provided such use is not closer than three hundred (300) feet from the border of any I-12 District.

Permits or licenses for one-year periods upon authorized inspection and approval

5. Nonaccessory signs shall be permitted in accordance with the requirements set forth in SECTION 1510. 6. Temporary buildings and uses for construction purposes for a period of one (1)

7. Accessory uses.

year or less.

SECTION 1201. USES PROHIBITED: No activities involving the storage, utilization or manufacture of materials or products which decompose by detonation shall be permitted within the City of Plymouth except such as are approved by the Fire Department and are so licensed.

SECTION 1202. REQUIRED CONDITIONS: Any use established in the I-2 District after the effective date of this Ordinance shall be operated so as to comply with the performance standards set forth hereinafter in ARTICLE XV. "GENERAL PROVISIONS."

SECTION 1203. AREA AND BULK REQUIREMENTS: See ARTICLE XIV. "SCHEDULE OF REGULATIONS" limiting the height and bulk of buildings, and the minimum size of lot by permitted land-use.

ARTICLE XIII - P-1 VEHICULAR PARKING DISTRICTS

PREAMBLE:

This District is designed to accommodate off-street parking for those nonresidential uses which are not able to provide adequate space within their own district boundaries. SECTION 1300. USES PERMITTED:

Premises in the Vehicular Parking District shall be used only for an off-street vehicular parking area and shall be developed and maintained subject to such regulations as are hereinafter provided.

SECTION 1301. LIMITATION OF USE:

1. The parking area shall be accessory to, and for the use in connection with one or more business or industrial establishments, or in connection with one or more existing professional or institutional office-buildings or institutions.

2. The parking area shall be used solely for parking of private passenger vehicles,

Page

for periods of less than one (1) day.

3. No commercial repair work or service of any kind, or sale or display thereof, shall be conducted in such parking area.

4. No signs of any kind, other than signs designating entrances, exits and conditions of use, shall be maintained on such parking areas.

5. No building other than those for shelter of attendants shall be erected upon premises and they shall not exceed fourteen (14) feet in height.

6. Such parking lots shall be contiguous to a O-1, O-1, B-2, B-3, I-1, or I-2 District. Parking areas may be approved when adjacent to said districts, or on the end of a block where such areas front on a street which is perpendicular to that street servicing the district. There may be a private driveway or public street or public alley between such P-1 District and such O-1, O-2, B-1, B-2, B-3, I-1 or I-2 Districts.

7. Applications for P-1 District rezoning shall be made to the Planning Commission by submitting a layout of the area requested showing the intended parking plan.

SECTION 1302. PARKING LAYOUT, ENTRANCE AND EXIT:

Off-street parking lots shall be laid out, constructed, and maintained in accordance with the following standards and regulations:

 Plans for the layout of off-street parking facilities shall be in accord with the following minimum requirements:

				Of One Tier	Of Two Tiers
	Maneuver-	Parking	Parking	Of Spaces	Of Spaces
Parking	ing Lane	Space	Space	Plus Maneu -	Plus Maneu-
Pattern	Width	Width	Length	vering Lane	vering Lane
o°(Parallel pa	rking) 12 ft.	8 ft.	22 ft.	23 ft.	28 ft.
30° to 53°	12 ft.	8 ft. 6 in.	20 ft.	32 ft.	52 ft.
54° to 74°	15 ft.	8 ft. 6 in.	20 ft.	36 ft, 6 in.	58 ft.
75° to 90°	20 ft.	9 ft.	20 ft.	40 ft.	60 ft.
(See sketches of	on following page.)				

- All maneuvering-lane widths shall permit one-way traffic movement, with the exception of the 90°-pattern where two-way movement may be permitted.
- 3. All spaces shall be provided with adequate access by means of manuvering lanes. Backing directly onto a street shall be prohibited.
- 4. Adequate ingress and egress to the parking lot by means of clearly limited and defined drives shall be provided for all vehicles.
- 5. Each entrance and exit to and from such parking lot shall be at least twenty (20) feet distant from any adjacent property located in any residential district.

SECTION 1303. SIDE YARDS:

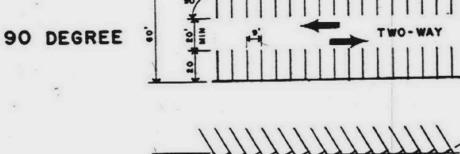

Where the P-1 District is contiguous to side lot-lines of premises within a residentially zoned district, the required wall shall be located on the property line.

SECTION 1304. FRONT YARDS:

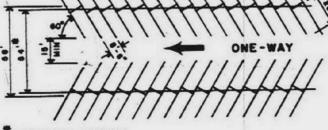

Where the P-1 District is contiguous to a residentially zoned district which has a common frontage on the same block with residential structures, or wherein no residential structures have been yet erected, there shall be a setback equal to the required residential setback for said residential district, or a minimum of twenty-five (25) feet, or whichever is the greater. The required wall shall be located on this minimum

setback line.

SECTION 1305. SCREENING AND LANDSCAPING:

60 DEGREE

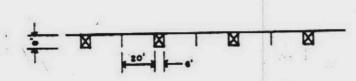

ROVERLAPPING DIMENSION

45 DEGREE ONE-WAY

OVERLAPPING DIMENSION (INCLUDING HERRINGSOME PATTERN)

PARALLEL

PARKING LAYOUTS

The parking area shall be provided with a continuous and obscuring wood or masonry wall or fence four feet six inches (4' - 6") in height measured from the surface of the parking area. This wall or fence shall be provided on all sides where the next zoning district is designated as a residential district. Whenever such wall is required, and where land exists between said wall and boundaries of the P-1 District it shall be kept free from refuse and debris and shall be landscaped with deciduous shrubs, evergreen material and ornamental trees. Ornamental trees shall be planted at thirty (30)-foot intervals, six (6) feet from wall. The ground area shall be planted and kept in lawn. All such landscaping and planting shall be maintained in a healthy, growing condition, neat and orderly in appearance.

All planting plans shall be in accordance with the provisions of the preceding paragraph and in accordance with SECTION 1509, and 1512, of this Ordinance.

SECTION 1306. SURFACING OF PARKING AREA:

The entire parking area, including parking spaces and maneuvering lanes, required under this SECTION, shall have asphaltic or concrete surfacing in accordance with specifications approved by the City Engineer. Such facilities shall be so provided with underground drains so as to dispose of all surface water in the parking area. The parking area shall be surfaced within six (6) months of the date of rezoning for P-1 Vehicular Parking-use if the parking area is to serve an existing use or uses.

SECTION 1307. LIGHTING:

All lighting used to illuminate a P-1 District off-street parking area shall not exceed twenty (20) feet in over-all height above ground level and shall be so installed as to be confined within and directed on the parking area only.

SECTION 1308. APPROVAL AND MODIFICATIONS:

- 1. The Board of Appeals, upon application by the property owner of the parking area, may modify the yard and wall requirement where, in unusual circumstances, no good purpose would be served by compliance with the requirements of the ARTICLE.
- 2. In all cases where a wall extends to an alley which is a means of ingress and egress to a parking area, it shall be permissible to end the wall not more than ten (10) feet from such alley line in order to permit a wider means of access to the parking area.
- 3. In addition to the above requirements, such parking area shall comply with such further requirements or conditions as may be prescribed by the Planning Commission for the protection of the residential district abutting such parcel or parcels in which the parking area is to be located.

FOOTNOTES:

(a) The side yard abutting upon a street shall not be less than eight (8) feet when there is a common rear yard. In case of a rear yard abutting a side yard of an adjacent lot, the side abutting a street-shall not be less than the required front yard of that district.

(b) The height of any main building or accessory buildings may exceed the maximum permitted height by one (1) foot for each additional one (1) foot by which the width of each yard exceeds the minimum yard requirement.

(c) The total number of rooms in a multiple-dwelling structure of two (2) stories or less shall not be more than the area of the parcel, in square feet divided by nine hundred (900). The total number of rooms in a multiple dwelling of over two (2) -stories shall not be more than the area of the parcel, in square feet, divided by five hundred (500). Not more than ten percent (10%) of the units on any -given parcel may be of an efficiency-apartment type. For the purpose of computing rooms, the following shall control:

Efficiency-Apartment Unit come (1) room Plans presented showing 1, 2, or 3-bedroom Unit two (2) rooms units and including a den, library, or three (3) Bedroom Unit course (4) rooms other extra room shall count such extra rooms as a bedroom for the purpose of computing density.

The area used for computing density shall be the total site-area exclusive of any dedicated public right-of-way of either interior or bordering streets.

(d) In RM-2 Districts the minimum front and rear yards shall be equal to the height of the building, except that where a front lot-line abuts a street, one-half the width of the right-of-way of said street may be considered as front-yard setback, but in no instance shall any front or rear yard setback be less than twenty-five (25) feet. In all RM-1 and RM-2 Multiple-Family Residence Districts, the minimum amount of useable open-space or recreation area per dwelling unit (exclusive of a required front yard, parking areas or driveways) shall be equal to 150 square feet of lot area per bedroom. A balcony or roof sun-deck of 50 square feet or greater may be counted toward meeting the minimum amount of open space per dwelling unit. In all RM-1 and RM-2 Multiple Residence Districts, the minimum distance between any two (2) buildings, shall be regulated according to the length and height of such buildings; however, in no instance shall this distance be less than thirty (30) feet. The formula regulating the re-

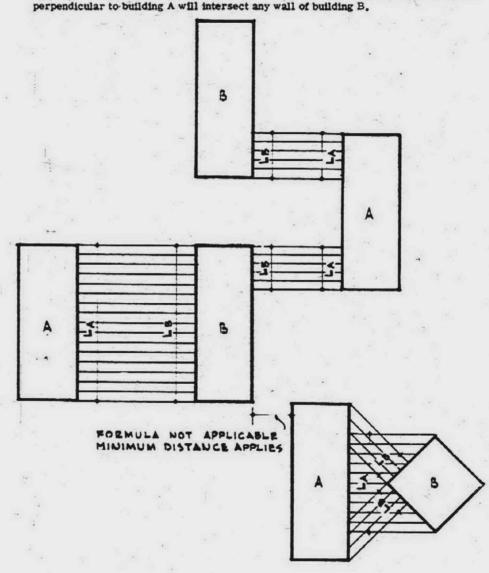

quired minimum distance between two (2) buildings is as follows: S = LA+LB+2 (HA+HB), where

August 18, 1968

S = Required minimum horizontal distance between any wall of building A and any wall of building B or the vertical prolongation of either.

LA= Total length of building A.

The total length of building A is the length of that portion or portions of a wall or walls of building A from which, when viewed directly from above, lines drawn

MIN. DISTANCE BETWEEN BUILDINGS

LA + LB + 2 (HA + HB)

DISTANCE SPACING FOR MULTIPLE DWELLINGS

LB = The total length of building B.

The total length of building B is the length of that portion or portions of a wall or walls of building B from which, when viewed directly from above, lines drawn perpendicular to building B will intersect any wall of building A.

HA - Height of building A.

The height of building A at any given level is the height above natural grade level of any portion or portions of a wall or walls along the length of building A. Natural grade-level shall be the mean level of the ground immediately adjoining the portion or portions of a wall or walls along the total length of the building.

HB - Height of building B

The height of building B at any given level is the height above natural grade level of any portion or portions of a wall or walls along the length of building B. Natural grade-level shall be the mean level of the ground immediately adjoining the portion or portions of the wall or walls along the total length of the building.

(e) Any side or rear yard for a principal use or a special use permitted in this district other than one-family, two-family and multiple-family dwellings shall not be less than the height of the structure at the side or rear lot-line.

(f) For each story in excess of two (2) stories, a side yard of 2-1/2 feet for each additional story shall be provided, in addition to the minimum ten (10)-foot requirement. The distance between buildings on the same lot shall be regulated by the building-distance formula specified in paragraph (d) of this section.
(g) In a block on one side of a street thirty (30%) per cent or more occupied, the depth of the front yard shall not be less than, and need not be more than, the

average depth of front yards of existing buildings.

(h) No side yards are required along the interior side lot-lines, except as otherwise specified in the Building Code. On the exterior side yard which borders on a Residential District, there shall be provided a setback of not less than ten (10) feet on the side or residential street. If walls of structures facing interior lot lines contain windows or other openings, side yards of not less than ten (10) feet shall be provided. The setback shall be measured from the nearest side of the existing and/or proposed right-of-way lines, whichever is greater.

(i) A four-foot, six-inch (4'-6") obscuring wall or fence, or a ten (10)-foot wide

content contained and one of the content of the con

greenbelt, shall be provided on those sides of the property abutting land zoned for residential use. The greenbelt planting-plan shall be reviewed and approved by the Building Inspector in conformity with the requirements of SECTION 1509.

(j) One half (1/2) the width of alleys at the rear of the lot may be considered in

computing rear-yard setbacks.
(k) Parking shall be permitted in a required front yard.

(1) A four-foot, six-inch (4'-6") obscuring wall or fence and a twenty (20)-foot wide greenbelt shall be provided on those sides of the property abutting land zoned for residential use. The planting plan shall be reviewed and approved by the Building Inspector in conformity with SECTION 1509.

(m) Planned developments involving one (1) acre or more shall be subject to the approval of the City Commission after having received the review and recommendation of the Planning Commission regarding modification to height and bulk restrictions of this ARTICLE: it being the intent hereof to allow for greater height where adequate-site relationship to abutting zones or uses can be maintained.

(n) Off-Street loading space shall be provided in the rear yard in the ratio of at least one space per each establishment and shall be provided in addition to any required off-street parking area. Off-street loading space shall further meet the requirements of SECTION 1506., ARTICLE XV, "GENERAL PROVISIONS." SECTION 1401. AVERAGED LOT SIZES:

The intent of this section is to permit the subdivider or developer to vary his lot sizes and lot widths so as to average the minimum size of lot per unit as required in SECTION 1400, "SCHEDULE OF REGULATIONS", for the One-Family Residential District, If this option is selected, the following conditions shall be met:

In meeting the average minimum lot size the subdivision shall be so designed
as not to create lots of widths of less than fifty-five (55) feet in an R-1 District,
 All computations showing lot area and the average area resulting through this
technique shall be indicated on the print of the preliminary plat.

ARTICLE XV - GENERAL PROVISIONS

SECTION 1500. CONFLICTING REGULATIONS:

Whenever any provision of this Ordinance imposes more stringent requirements, regulations, restrictions or limitations than are imposed or required by the provisions of any other law or ordinance, then the provisions of this Ordinance shall govern. Whenever the provisions of any other law or ordinance impose more stringent requirements than are imposed or required by this Ordinance, then the provisions of such law or ordinance shall govern.

SECTION 1501. SCOPE:

No building or structure, or part thereof, shall hereafter be erected, constructed or altered and maintained, and no new use or change shall be made or maintained of any building, structure or land, or part thereof, except in conformity with the provisions of this Ordinance.

SECTION 1502. NONCONFORMING LOTS, NONCONFORMING USES OF LAND, NON-CONFORMING STRUCTURES, AND NONCONFORMING USES OF STRUCTURES AND PREMISES:

1. Intent

Within the districts established by this Ordinance or amendments that may later be adopted there exists lots, structures, and uses of land and structures which were lawful before this Ordinance was passed or amended, but which would be prohibited, regulated, or restricted under the terms of this Ordinance or future amendment.

It is the intent of this Ordinance to permit these nonconformities to continue until they are removed, but not to encourage their survival. Such uses are declared by this Ordinance to be incompatible with permitted uses in the districts involved. It is further the intent of this Ordinance that nonconformities shall not be enlarged upon, expanded or extended, nor be used as grounds for adding other structures or uses prohibited elsewhere in the same district.

A nonconforming use of a structure, a nonconforming use of land, or a nonconforming use of a structure and land shall not be extended or enlarged after passage of this Ordinance by attachment on a building or premises of additional signs intended to be seen from off the premises, or by the addition of other uses of a nature which would be prohibited generally in the district involved. To avoid undue hardship, nothing in this Ordinance shall be deemed to require a change in the plans, construction, or designated use of any building on which actual construction was lawfully begun prior to the effective date of adoption of amendment of this Ordinance and upon which actual building construction has been diligently carried on. Actual construction is hereby defined to include the placing of construction materials in permanent position and fastened in a permanent manner; except that where demolition or removal of an existing building has been substantially begun preparatory by rebuilding, such demolition or removal shall be deemed to be actual construction, provided that work shall be diligently carried on until completion of the building involved.

Nonconforming Lots
In any district in which single-family dwellings are permitted, notwithstanding limitations imposed by other provisions of this Ordinance, a single-family dwelling and customary accessory buildings may be erected on any single lot of record at the effective date of adoption or amendment of this Ordinance. This provision shall apply even though such lot fails to meet the requirements for area or width, or both, that are generally applicable in the district; provided that yard dimensions and other requirements not involving area or width, or both, of the lot shall conform to the regulations for the district in which such lot is located. Variance to yard requirements shall be obtained through approval of the Board of Appeals.

3. Nonconforming Uses of Land

Where, at the effective date of adoption or amendment of this Ordinance, lawful use of land exists that is made no longer permissible under the terms of this Ordinance as enacted or amended, such use may be continued, so long as it remains otherwise lawful, subject to the following provisions:

a. No such nonconforming use shall be enlarged or increased, nor extended to occupy a greater area of land than was occupied at the effective date of adoption or amendment of this Ordinance.

b. No such nonconforming use shall be moved in whole or in part to any other portion of the lot or parcel occupied by such use at the effective date of adoption or amendment of this Ordinance.

c. If such nonconforming use of land ceases for any reason for a period of more than ninety (90) days, any subsequent use of such land shall conform to the regulations specified by this Ordinance for the district in which such land is located.

4. Nonconforming Structures

Where a lawful structure exists at the effective date of adoption or amendment of this Ordinance that could not be built under the terms of this Ordinance by reason of restrictions on area, lot coverage, height, yards, or other character-

高头的极大军马一轮被军的破坏破

b. Should such structure be destroyed by any means to an extent of more than fifty (50) percent of its replacement cost at time of destruction, it shall not be reconstructed except in conformity with the provisions of this Ordinance.

c. Should such structure be moved for any reason for any distance whatever, it shall thereafter conform to the regulations for the district in which it is located after it is moved

5. Nonconforming Uses of Structures and Land

If a lawful use of a structure, or of structure and land in combination, exists at the effective date of adoption or amendment of this Ordinance, that would not be allowed in the district under the terms of this Ordinance, the lawful use may be continued so long as it remains otherwise lawful, subject to the following provisions:

a. No existing structure devoted to a use not permitted by this Ordinance in the district in which it is located shall be enlarged, extended, constructed, reconstructed, moved or structurally altered except in changing the use of the structure to a use permitted in the district in which it is located.

b. Any nonconforming use may be extended throughout any parts of a building which were manifestly arranged or designed for such use, and which existed at the time of adoption or amendment of this Ordinance, but no such use shall

be extended to occupy and land outside such building.

c. If no structural alterations are made, any nonconforming use of a structure, or structure and premises, may be changed to another nonconforming use provided that the Board of Appeals, either by general rule or by making findings in the specific case shall find that the proposed use is equally appropriate or more appropriate to the district than the existing nonconforming use. In permitting such change, the Board of Appeals may require appropriate conditions and safeguards in accord with the purpose and intent of this Ordinance.

d. Any structure, or structure and land in combination, in or on which a nonconforming use is superseded by a permitted use, shall thereafter conform to the regulations for the district in which such structure is located, and the

nonconforming use may not thereafter be resumed.

e. When a nonconforming use of a structure, or structure and premises in combination, is discontinued or ceases to exist for six (6) consecutive months or for eighteen (18) months during any three (3)-year period, the structure or structure and premises in combination, shall not thereafter be used except in conformance with the regulations of the district in which it is located. Structures occupied by seasonal uses shall be excepted from this provision.

f. Where nonconforming-use status applies to a structure and premises in combination, removal or destruction of the structure shall eliminate the nonconforming status of the land.

On any building devoted in whole or in part to any nonconforming use, work may be done in any period of twelve (12) consecutive months on ordinary repairs, or on repair or replacement of non-bearing walls, fixtures, wiring or plumbing to an extent not exceeding fifty (50) percent of the assessed value of

the building, provided that the cubic content of the building as it existed at the time of passage or amendment of this Ordinance shall not be increased.

Nothing in this Ordinance shall be deemed to prevent the strengthening or restoring to a safe condition of any building or part thereof declared to be unsafe by an official charged with protecting the public safety, upon order of such

7. Uses Under Exception Provisions Not Nonconforming Uses

Any use for which a general exception or special approval is permitted as provided in this Ordinance shall not be deemed a nonconforming use, but shall without further action be deemed a conforming use in such district.

There may be a change of tenancy, ownership or management of any existing nonconforming uses of land, structures and premises provided there is no change in the nature or character of such nonconforming uses except in conformity with the provisions of this Ordinance. SECTION 1503. ACCESSORY BUILDINGS:

Accessory buildings, except as otherwise permitted in this Ordinance shall be

subject to the following regulations:

1. Where the accessory building is structurally attached to a main building, it shall be subject to, and must conform to, all yard regulations of this Ordinance, applicable to main buildings.

2. Accessory buildings shall not be erected in any required yard except a rear

3. An accessory building may occupy not more than twenty-five (25) percent of a required rear yard, plus twenty (20) percent of any nonrequired rear yard, provided that in no instance shall the accessory building exceed one-half (1/2) the ground-floor area of the main building.

4. No detached accessory-building shall be located closer than twelve (12) feet to any main building nor shall it be located closer than three (3) feet to any side or rear lot-line. In those instances where the rear lot-line is coterminous with an alley right-of-way, the accessory building shall be no closer than one (1) foot to such rear lot-line. In no instance shall an accessory structure be located within a dedicated easement right-of-way.

5. No detached accessory building in a R-1, RT-1, RM-1, RM-2, O-1, O-2, or P-1 District shall exceed one (1) story of fifteen (15) feet in height, Accessory buildings in all other districts may be constructed to equal the permitted maximum height of structures in said Districts, subject to Board of Appeals review and approval.

6. When an accessory building is located on a corner lot, the side lot-line of which is substantially a continuation of the front lot-line of the lot to its rear, said building shall not project beyond the front yard line required on the lot in rear of such corner lot. When an accessory building is located on a corner lot the side lot-line of which is substantially a continuation of the side lot-line of the lot to its rear, said building shall not project beyond the side yard line of the lot in the rear of such corner lot,

7. When an accessory building, in any Residence, Business, or Office District, is intended for other than the storage of private motor vehicles, the accessory use shall be subject to the approval of the Board of Appeals.

SECTION 1504. OFF-STREET PARKING REQUIREMENTS: There shall be provided in all districts at the time of erection or enlargement of any main building or structure, automobile off-street parking space with adequate access

to all spaces. The number of off-street parking spaces, in conjunction with all land or building uses shall be provided, prior to the issuance of a certificate of occupancy, as hereinafter prescribed

1. Off-street parking for other than residential use shall be either on the same lot or within three hundred (300) feet of the building it is intended to serve, measured by public right-of-way from the nearest point of the building to the nearest point of the off-street parking lot. Ownership shall be shown of all lots or parcels intended for use as parking by the applicant.

2. Residential off-street parking spaces shall consist of parking strips, driveways, garage, or combination thereof and shall be located on the premises they are intended to serve, and subject to the provisions of SECTION 1503. of this Or-

3. Unless otherwise provided herein, off-street parking shall not be permitted in any required or nonrequired front yard, except for use of the driveway.

4. Any area once designated as required off-street parking shall never be changed to any other use unless and until equal facilities are provided elsewhere.

5. Off-street parking existing at the effective date of this Ordinance in connection with the operation of an existing building or use shall not be reduced to an amount less than hereinafter required for a similar new building or use.

6. Two or more buildings or uses may collectively provide the required off-street parking in which case the required number of parking spaces shall not be less than the sum of the requirements for the several individual uses computed

7. In the instance of dual function of off-street parking spaces where operating hours of buildings do not overlap, the Zoning Board of Appeals may grant an exception.

8. The storage of merchandise, motor vehicles for sale, trucks, or the repair of vehicles is prohibited.

9. For those uses not specifically mentioned, the requirements for off-street parking facilities shall be in accord with a use which is similar in type.

10. When units or measurements determining the number of required parking spaces result in the requirement of a fractional space, any fraction up to but not including one-half (1/2) shall be disregarded and fractions one-half (1/2) or more shall require one parking space.

11. The minimum number of off-street parking spaces by type of use shall be determined in accordance with the following schedule:

RESIDENTIAL a, Housing for the Elderly.

b. Residential, One-Family and Two-Family c. Residential, Multiple-Family.

d. Trailer court. INSTITUTIONAL

b. Hospitals & Sanitoriums c. Homes for the aged and

a. Churches or temples.

convalescent homes. d. Elementary and junior high schools. e. Fraternity or sorority.

f. High school.

g. Private clubs, or lodges.

h, Stadium and sports arena or similar outdoor place of assembly. -One (1) for each three (3) seats or six (6) feet of pews in the main unit of worship. -One (1) for each one (1) bed

- One (1) for each eight hundred (800) square feet of useable floor area. (For that floor area used in processing, one (1) additional space shall be provided for each two (2)

persons employed therein.) - Two (2) for each lubrication stall, rack, or pit; and one (1) for each gasoline pump.

-One (1) for each two (2) machines.

-One (1) space per hole plus three (3) spaces for employees.

-One (1) for each fifty (50) square feet of assembly room useable floor space, pariors, and slumber

-One (1) for each rental unit, plus two (2) additional spaces for management and/or service personnel.

-One (1) for each two hundred (200) square feet of useable floor area of sales room and one (1) for each auto-service stall in the service room. -One (1) for each three (3) persons allowed within the maximum occupancy load as established by the fire

-One (1) for each one hundred and fifty (150) square feet of useable floor area.

-Six (6) for each teller cage or window.

-One (1) for each three hundred (300) square feet of useable floor area.

-One (1) for each one hundred (100) square feet of useable floor area in waiting room, and one (1) for each examining room, dental chair

or similar-use area.

- One (1) space on site for every two (2) employees in the largest working shift. Space on site shall also be provided for all construction workers during periods of plant construction.

- One (1) for every one (1) employee in largest working shift, or one (1) for every seventeen hundred (1,700) square feet of usable floor space or whichever is greater.

SECTION 1505. OFF-STREET PARKING SPACE LAYOUT, STANDARDS, CON-STRUCTION AND MAINTENANCE:

Whenever the off-street parking requirements in SECTION 1504, above require the building of an off-street parking facility, or where P-1 Vehicular Parking Districts are provided, such off-street parking lots shall be laid out, constructed and maintained in accordance with the following standards and regulations

1. No parking lot shall be constructed unless and until a permit therefore is issued by the Building Inspector. Applications for a permit shall be submitted to the Building Department in such form as may be determined by the Building Inspector and shall be accompanied with two (2) sets of plans for the development and construction of the parking lot showing the provisions of this section

2. Adequate ingress and egress to the parking lot shall be provided and approved by the City Engineer and the Chief of Police, who shall have full power to regulate and determine the places of ingress and egress so that traffic on the streets and highways of the City shall be controlled, regulated and co-ordinated and to require the installation and maintenance of suitable barriers to insure the safety of pedestrians passing any such parking lot, in order to provide for the greatest possible public safety and welfare. Such necessary directional signs and controls as are required by the Chief of Police shall be established and maintained by the owner or lessee of the parking lot.

All drives and parking areas shall be surfaced in manner equivalent to that which is provided for the parking areas under SECTION 1306.

3. All spaces shall be provided adequate access by means of manuevering lanes. 4. All drives shall be surfaced in a manner equivalent to that which is provided for the parking areas under ARTICLE XIII, SECTION 1306. Screening and Landscaping and lighting shall be provided in keeping with the requirements of SECTION 1305, and 1307, of ARTICLE XIII of this Ordinance. Plans for the layout of parking lot shall show a total dimension across two (2) tiers of spaces and one (1) aisle (maneuvering lane) of at least the standards as required in SECTION 1302, ARTICLE XIII of this Ordinance.

5. Off-street parking areas shall be provided with a continuous and completely obscuring wall in accordance with the specifications of SECTION 1512, on all sides where the next zoning district is designated as a residential district. SECTION 1506. OFF-STREET LOADING AND UNLOADING:

On the same premises with every building, structure or part thereof, involving the receipt or distribution of vehicles or materials or merchandise, there shall be provided and maintained on the lot, adequate space for standing, loading, and unloading in order to avoid undue interference with public use of dedicated streets or alleys. Such space shall be provided as follows:

1. All spaces in 0-1, 0-2, B-1, B-2, and B-3 Districts shall be provided in the ratio required in ARTICLE XIV, under minimum rear yard.

2. All spaces shall be laid out in the dimension of at least ten by fifty (10' x 50') feet, or five hundred (500) square feet in area, with a clearance of at least fourteen (14) feet in height, Loading. dock approaches shall be provided with a pavement having an asphaltic or Portland cement binder so as to provide a permanent durable and dustless surface. All spaces in I Districts shall be provided in the following ratio of spaces to usable floor area.

GROSS FLOOR AREA (IN SQUARE FEET)

0 - 1.400 1,401 - 20,000 20,001 - 100,000

100,001 - 500,000

LOADING AND UNLOADING SPACES REQUIRED IN TERMS OF SQUARE FEET OF USABLE FLOOR AREA

- None. - One (1) space.

- One (1) space plus one (1) space for each 20,000 square feet in excess of 20,001 square feet.

- Five (5) spaces plus one (1) space for each 40,000 square feet in excess of 100,001 square feet.

SECTION 1507. USES NOT OTHERWISE INCLUDED WITHIN A SPECIFIC USE DIS-

Because the uses hereinafter referred to possess unique characteristics making it impractical to include them in a specific use district classification, they shall be permitted by the Board of Appeals under the conditions specified, and after public hearing. In every case, the uses hereinafter referred to shall be specifically prohibited from an R-1, RT-1, RM-1, or RM-2 Districts.

These uses require special consideration since they service an area larger than the City and require sizable land areas, creating problems of control with reference to abutting-use districts. Reference to those uses falling specifically within the intent of this section is as follows:

1. Outdoor Theaters

Because outdoor theaters possess the unique characteristic of being used only after darkness and since they develop a concentration of vehicular traffic in terms of ingress and egress from their parking area, they shall be permitted only in I-1 or I-2 Districts. Outdoor theaters shall further be subject to the

a. The proposed internal design shall receive approval from the Building Inspector and the City Engineer as to adequacy of drainage, lighting and other

b. Points of ingress and egress shall be available to the outdoor theater from abutting major thorofares and shall not be available from any residential

c. All vehicles, waiting or standing to enter the facility, shall be provided offstreet waiting space. No vehicle shall be permitted to wait of stand within a dedicated right-of-way.

2. Commercial Television and Radio Towers and Public Utility Microwaves, and and Public Utility T.V. Transmitting Towers. Radio and television towers, public Radio and television towers, public utility microwaves and public utility T.V. transmitting towers, and their attendant facilities shall be permitted in Multiple-Family Residential Districts provided said use shall be located centrally on a continuous parcel of not less than one (1) time the height of the tower measured from the base of said tower to all points on each property line. The site shall in no instance be used for the storage of vehicles or any material not required for the principal use. Outdoor storage of any kind shall be expressly prohibited.

3. Commercial Race Tracks (including midget auto and karting tracks) Because Because commercial race tracks develop a concentration of vehicular traffic in terms of ingress and egress from their parking areas and cause noise levels which may project beyond the property so used, they shall be permitted in the I Districts when located adjacent to a major thorofare and shall be located on a parcel of land which is abutting land zoned for industrial purposes on all sides of the parcel in question, and shall be subject further to the following conditions and such other-controls as the Planning Commission deems necessary to promote

health, safety and general welfare in the City. a. All parking shall be provided as off-street parking within the boundaries of the development.

b. All access to the parking areas shall be provided from a major thorotare. c. All sides of the development not abutting a major thorofare shall be provided with a twenty (20) .- foot greenbelt planting and fence or wall so as to obscure from view all activities within the development. Said planting shall be in accord with SECTION 1509.

4. Mobile Home Parks

Mobile Home Parks shall only be permitted within the I-1 Districts wherein the parcel being proposed for said mobile home park is not isolated or surrounded on more than three (3) abutting sides by the I-1 District, provided further that the mobile-home-park site shall be located along the I-1 District edge wherein such district abuts a Multiple-Family District and the mobile-home-park site shall have one entire side abutting the Multiple-Family District. Mobile home parks shall further be subject to the following requirements and con-

a. Where such I-1 District abuts a Residential District, said mobile home area must then provide a twenty (20)-foot greenbelt between the abutting Residential District and the District in which mobile home park is located; and must further provide for a twenty (20)-foot greenbelt between itself and any abutting 'T' District. The greenbelt shall be located within the mobile-home-park site and shall provide a continuous year-around obscuring screen.

b. An open area shall be provided on each mobile-home lot, to insure privacy, adequate natural light and ventilation to each mobile home and to provide sufficient area for outdoor uses essential to the mobile home. All lots shall contain a minimum area of at least three thousand (3,000) square feet. All such mobile home-lot areas shall be computed exclusive of service drives, facilities and recreation space.

c. The sum of the side yards at the entry side and non-entry side of a mobile-home stand shall be not less than twenty (20) feet; provided, however, there shall be a

- d. No mobile home shall be located closer than fifty (50) feet to the right-of-way line of a public thorofare, or twenty (20) feet to the mobile-home-park property
- e. The mobile-home-park shall have access only to a major thorofare by directly abutting thereon.
- f. Prior to public hearings on the proposed mobile home park, notification shall be given by the applicant by registered mail, return receipt requested, of the proposal for said mobile home park and the date, time and place of public hearing to all parties living within one thousand (1,000) feet of the proposed mobile home park.
- g. All mobile-home-park developments shall further comply with Act 243 of Public Acts of of the State of Michigan, 1959, as amended and any codes or ordinances of the City of Plymouth.
- h. The parking of, a mobile home not owned by a resident of the City for periods exceeding twenty-four (24) hours on lands not approved for mobile homes shall be expressly prohibited, except that the City Police Department may extend temporary permits allowing the parking of such a mobile home in a rear yard on private property, not to exceed a period of two (2) weeks. All mobile homes owned by residents of the City and stored on their individual lots shall be allowed for periods exceeding twenty-four (24) hours with no permit required, and shall be stored only within the confines of the rear yard and shall further respect the requirements applicable to Accessory Buildings, SECTION 1503, insofar as distances from principal structures, lot lines, and easements are concerned. For the purpose of this Ordinance the area occupied by the stored mobile home shall be computed as lot coverage, and shall not exceed the maximum coverage permitted under SECTION 1400, SCHEDULE OF REGULATIONS, All mobile homes parked or stored on lands not approved for mobile home parks shall not be connected to sanitary facilities and shall not be occupied.
- i. No building or structure hereafter erected or altered in a mobile home park shall exceed one (1) story or fourteen (14) feet.
- j. The mobile home park shall be subject further to the review and approval of the City Commission.

SECTION 1508. PERFORMANCE STANDARDS;

No use otherwise allowed shall be permitted within any district which does not conform to the following standards of use, occupancy, and operation, which standards are hereby established as the minimum requirements to be maintained within said area:

1. Smoke It shall be unlawful for any person, firm or corporation to permit the emission of any smoke from any source whatever to a density greater than that density described as No. 1 of the Ringlemann Chart; provided that the following exceptions shall be permitted: smoke, the shade or appearance of which is equal to but not darker than No. 2 of the Ringlemann Chart for a period, or periods, aggregating

four minutes in any thirty (30) minutes.

Method of Measurement: For the purpose of grading the density of smoke, the Ringlemann Chart, as now published and used by the United States Bureau of Mines, which is hereby made a part of this Ordinance, shall be the standard. However, the Unbrascope readings of smoke densities may be used when correlated with Ringlemann's Chart.

2. Dust, Dirt and Fly Ash

No person, firm or corporation shall operate or cause to be operated, maintained or cause to be maintained, any process for any purpose, or furnace or combustion device for the burning of coal or other natural or synthetic fuels, without maintaining and operating, while using said process or furnace or combustion device, recognized and approved equipment, means, method, device or contrivance to reduce the quantity of gasborne or airborne solids of fumes emitted into the open air, which is operated in conjunction with said process, furnace, or combustion device so that the quantity of gasborne or airborne solids shall not exceed 0,20 grains per cubic foot of the carrying medium at a temperature of 500 degrees Fahrenheit. Method of Measurement: For the purpose of determining the adequacy of such devices these conditions are to be conformed to when the percentage of excess air in the stack does not exceed 50 percent at full load. The foregoing requirement shall be measured by the A.S.M.E. Test Code for dust-separating apparatus. All other forms of dust, dirt and fly ash shall be completely eliminated insofar as escape or emission into the open air is concerned. The Building Inspector may require such additional data as is deemed necessary to show that adequate and approved provisions for the prevention and elimination of dust, dirt and fly ash have been made.

3. Open Storage

The open storage of any industrial equipment, vehicles and all materials including wastes, shall be screened from public view, from a public street and from adjoining properties by an enclosure consisting of a fence or wall not less than six (6) feet in height, and may, depending on land usage, be required to be eight (8) feet in height.

Whenever such open storage is adjacent to a residential zone in either a front, side or rear lot-line relationship, whether immediately abutting or across a right-ofway from such zone, there shall be provided an obscuring masonry wall or wood fence of at least six (6) feet in height.

4. Glare and Radioactive Materials

Glare from any process (such as or similar to arc welding, or acetylene torch cutting) which emits harmful ultraviolet rays shall be performed in such a manner as not to be seen from any point beyond the property line, and as not to create a public nuisance or hazard along lot lines. Radioactive materials and wastes, and including electromagnetic radiation such as x-ray machine operation, shall not be emitted to exceed quantitites established as safe by the U.S. Bureau of Standards, when measured at the property line.

5. Fire and Explosive Hazards

- a. In the I-1 and I-2 Districts the storage, utilization or manufacture of materials or products ranging from incombustible to moderate burning, as determined by the Fire Marshal, is permitted, subject to compliance with all other performance standards above mentioned.
- b. The storage, utilization, or manufacture of materials, goods, or products ranging from free or active burning to intense burning, as determined by the Fire Marshal is permitted subject to compliance with all other yard require-

- ments and performance standards previously mentioned, and providing that the following conditions are met:
- (1) Said materials or products shall be stored, utilized, or produced within completely enclosed buildings or structures having incombustible exterior walls, which meet the requirements of the Building Code of the City of
- (2) All such buildings or structures shall be set back at least forty (40) feet from lot lines, or in lieu thereof, all such buildings or structures shall be protected throughout by an automatic sprinkler system complying with installation standards prescribed by the National Fire Protection Asso-
- (3) The storage and handling of flammable liquids, liquefied petroleum, gases, and explosives shall comply with the State Rules and Regulations as established by Public Act No. 207 of 1941, as amended.

6. Noise

Objectionable sounds, including those of an intermittant nature, shall be controlled so as not to become a nuisance to adacent uses.

7. Odors

Creation of offensive odors shall be prohibited.

8. Wastes

a. No waste shall be discharged in the public sewer system which is dangerous to the public health and safety. The following standards shall apply at the point wastes are discharged into the public sewer.

b. Acidity of alkalinity shall be neutralized within an average PH range of between 5-1/2 to 7-1/2 as a daily average on the volumetric basis, with a temporary variation of PH 4.50 to 10.0.

c. Wastes shall contain no cyanides. Wastes shall contain no chlorinate solvents in excess of .lp.p.m; no fluorides shall be in excess of 10 p.p.m.; and shall contain no more than 5 p.p.m. of hydrogen sulphide and shall contain not more that 10 p.p.m. of sulphur dioxide and nitrates; and shall contain not more than 25 p.p.m. of chromates.

d. Wastes shall not contain any insoluble substance in excess of 10,000 p.p.m. or exceed a daily average of 500 p.p.m. or fail to pass a number-eight standard sieve or have a dimension greater than 1/2 inch.

e. Wastes shall not have chlorine demand greater than 15 p.p.m.

f. Wastes shall not contain phenols in excess of .05 p.p.m.

g. Wastes shall not contain any grease or oil or any oily substance in excess of 100 p.p.m. or exceed a daily average of 25 p.p.m.

SECTION 1509. PLANT MATERIALS:

Whenever in this Ordinance a greenbelt or planting is required, it shall be planted within six (6) months from the date of issuance of a certificate of occupancy and shall thereafter be reasonably maintained with permanent plant materials to provide a screen to abutting properties. Suitable materials equal in characteristics to the plant materials listed with the spacing as required shall be provided.

1. Plant material spacing.

a, Plant materials shall not be placed closer than four (4) feet from the fence line or property line.

b. Where plant materials are planted in two (2) or more rows plantings shall be staggered in rows.

Three (3) feet in height

Six (6) feet in height

c. Evergreen trees shall be planted not more than thirty (30) feet on centers. d. Narrow evergreens shall be planted not more than six (6) feet on centers. e, Deciduous trees shall be planted not more than thirty (30) feet on centers, f. Tree-like shrubs shall be planted not more than ten (10) feet on centers. g. Large deciduous shrubs shall be planted not more than four (4) feet on centers.

2. Suggested plant materials Minimum Size a. Evergreen trees Five (5) feet in height

(1) Juniper

(2) Hemlock (3) Fir

(4) Pine

(5) Spruce

(6) Douglas-Fir

b. Narrow Evergreens (1) Column Hinoki Cypress

(2) Blue Columnar Chinese Juniper

(3) Pyramidal Red-Cedar (4) Swiss Stone Pine

(5) Pyramidal White Pine

(6) Irish Yew

(7) Douglas Arbor-Vitae

(8) Columnar Giant Arbor-Vitae c. Tree-like Shrubs

(1) Flowering Crabs

(2) Russian Olives

(3) Mountain-Ash

(4) Dogwood

(5) Redbud

(6) Rose of Sharon

(7) Hornbeam

(8) Hawthorn

(9) Magnolia

d. Large Deciduous Shrubs Four (4) feet in height

(1) Honeysuckle (2) Viburnum

(3) Mock-Orange

(4) Forsythia

(5) Lilac (6) Ninebark

(7) Cotoneaster

(8) Hazelnuts (9) Evonymus

(10) Privet

(11) Buckthorn

(12) Sumac

e, Large Deciduous Trees (1) Oaks

Eight (8) feet in height

(2) Hard Maples

(3) Hackberry

(4) Planetree (Sycamore)

(5) Birch

(6) Beech (7). Ginkgo

August 18, 1968

(8) Honeylocust (9) Sweet-Gum

(10) Hop Hornbeam (11) Linden

3. Trees not permitted a. Box Elder

b. Soft Maples (Red-Stiver) c. Elms

d. Poplars

e. Willows f. Horse Chestnut (nut-bearing)

g. Tree of Heaven

h. Catalna SECTION 1510. SIGNS.

1. Any publicly displayed sign, symbol or notice on a premise to indicate the name of the occupant, or to advertise the business there transacted, shall be regulated as follows:

USE DISTRICT

REQUIREMENTS

R-1, RT-1, RM-1 and RM-2 Districts

B-1, B-2, B-3 and P-1

0-1 and 0-2 Districts.

I-1 and I-2 Districts

- For each dwelling unit, one name plate not exceeding two (2) square feet in area, indicating name of occupant or in the case of a home occupation, the name of the service

- For structures other than dwelling units, one (1) identification sign not exceeding ten (10) square feet, except a church bulletin board, not exceeding eighteen (18) square feet. -For rental and/or management of-

fices in a multiple housing development, one (1) identification sign not exceeding six (6) square feet. - No sign shall project beyond or

overhang the wall, or any permanent architectural feature, by more than one (1) foot, and shall not project above or beyond the highest point of the roof or parapet. - Freestanding advertising signs or

advertising pylons shall not be over twenty (20) feet in height and shall not be placed closer than one hundred (100) feet to adjacent residential district. -No sign shall project beyond or

overhang the wall, or any permanent architectural feature, by more than eighteen (18) inches, and shall not project above or beyond the highest point of the roof or parapet.

-Only one (1) sign shall be permitted for each office unit occupying building.

- No sign shall project beyond or overhang the wall, or any permanent architectural feature by more than eighteen (18) inches and shall not project above or beyond the highest

roof or parapet. 2. The following conditions shall apply to all signs and billboards erected in any use a. Signs shall pertain to the sale, rental, or use of the premises on which located,

or to goods sold or activities conducted thereon, and if illuminated, shall not be of the flashing, moving or intermittent type. b. Except for freestanding pylons, billboards and residential name-plates, all signs shall be displayed flat against the wall of the building, or parallel to the wall of

the building. c. The Board of Appeals may, upon application by the property owner, modify the area of sign permitted where, in unusual circumstances, no good purpose would be served by compliance with the requirements of this Section. Signs or billboards advertising developments or subdivisions, shall be located on the property to which they apply in accordance with a permit issued by the Board of Appeals not to exceed one (1) year, subject to renewal upon application.

d. All directional signs required for the purpose of orientation, when established by the City, County, State, or Federal governments, shall be permitted in all

e. Illumination of signs shall be directed or shaded downward so as not to interfere

with vision of persons on the adjacent highway or adjacent property owners. f. No signs or billboards shall be located on any street corner which would obscure the vision of drivers using said streets, or conflict with traffic control signals at the intersection of any street.

g. Signs used for advertising land or buildings for rent, lease, and/or for sale shall be permitted when located on the land or building intended to be rented, leased and/or sold. Said signs shall not exceed a dimension of six (6) square feet.

h. No sign or billboard shall be erected or altered until approved by the Building Inspector and a permit issued. i, Freestanding billboard not to exceed three hundred (300) square feet in area shall be permitted so long as they meet all of the requirements of ARTICLE

XIV, "SCHEDULE OF REGULATIONS" of this Ordinance. j. Signs and billboards shall be expressly prohibited from all public rights-ofway and dedicated public easements.

k, Temporary signs; non-illuminated, not to exceed 32 square feet in size, Temporary signs for political advertising, may not be erected more than 30 days before an election. Temporary signs for other public events sanctioned by the City Commission may not be erected more than two (2) weeks prior to the event. The above-mentioned signs may be placed in a B-1, B-2, B-3, I-1, or I-2 zoned area with the consent of the property owner or lessee. Such temporary signs shall not exceed five (5) in number for any one candidate or public event. The location of such sign shall be registered with the building department and a cash deposit of ten (\$10,00) dollars for each sign, shall be paid to the City Treasurer to guarantee the removal of said signs not later than 72 hours after the election or other public event.

SECTION 1511. EXTERIOR LIGHTING:

All lighting for parking areas or for the external illumination of buildings and uses shall be directed away from and shall be shielded from adjacent residential districts and shall also be so arranged as to not adversely affect driver-visibility on adjacent SECTION 1512. GREENBELTS AND WALLS:

1. For those Use Districts and uses listed below there shall be provided and maintained on those sides abutting or adjacent to a residential district an obscuring wall or greenbelt equal or exceeding the dimensions specified below: DIMENSIONS

a, P-1 Vehicular Parking - See SECTION 1305. District. b. Off-Street Parking -4' - 6" high wall. Area (Other than P-1

Districts). c. 0-1, 0-2, B-1, B-2, -4' - 6" high wall. and B-3 Districts. d. I-1 and I-2 Districts.

--4' - 6" high wall or a 4' - 6" high chain-link-type fence and a 20° wide greenbelt planted in accord with the minimum requirements of SECTION 1509.

e. Nursery Schools, -4' - 6" high wall. -6' - 0" high wall. f. Utility Buildings, Stations and/or

2. Required walls shall be located on the lot line except where underground utilities interfere and except in instances where this Ordinance requires conformance with front-yard setback lines in abutting Residential Districts, Required walls may, upon approval of the Board of Appeals, be located on the opposite side of an alley right-of-way from a nonresidential zone that abuts a residential zone when mutually agreeable to affected property owners. The continuity of the required wall on a given block will be a major consideration of the Board of Appeals in reviewing such a request.

3. Such walls and screening barrier shall have no openings for vehicular traffic or other purposes, except as provided in ARTICLE XIII and except such openings as may be approved by the Chief of Police and the Building Inspector, All walls herein required shall be constructed of materials approved by the City Engineer to be weather and rust-resistant, Masonry walls shall be erected on a concrete foundation which shall have a minimum depth of forty-two (42) inches below a grade approved by the City Engineer and shall not be less than four (4) inches wider than the wall to be erected, Walls or screening barriers constructed of other approved materials shall be supported on concrete or rust-resistant metal posts located

not more than ten (10) feet apart and having a minimum outside dimension of two and one-half (2-1/2) inches, set in a concerete foundation not less than eight (8) inches in diameter and thirty-six (36) inches in depth below a grade approved by the City Engineer.

Masonry walls may be constructed with openings above thirty-two (32) inches above grade provided such openings are not larger than sixty-four (64) square inches and do not comprise more than one-third (1/3) of the total area of that part of the wall located more than thirty-two (32) inches above grade.

Walls constructed of materials other than masonry shall have the bottom of said wall not less than one (1) inch nor more than three (3) inches above grade. 4. The Board of Appeals may waive or modify the foregoing requirements where

cause can be shown that no good purpose would be served. SECTION 1513. RESIDENTIAL ENTRANCEWAY:

SECTION 1515. SITE PLAN REVIEW (ALL DISTRICTS):

In R-1, RT-1 and R-M Districts, so-called entranceway structures, including but not limited to walls, columns, and gates, marking entrances to single-family subdivisions or multiple housing projects may be permitted and may be located in a required yard, except as provided in SECTION 1514., Corner Clearance, provided that such entranceway structures shall comply to all codes and ordinances of the City of Plymouth shall be approved by the Building Inspector and a permit issued.

SECTION 1514. CORNER CLEARANCE: No fence, wall, shrubbery, sign, or other obstruction to vision above a height of three (3) feet from the established street grades shall be permitted within the triangular area formed at the intersection of any street right-of-way lines by a straight line drawn between said right-of-way lines at a distance along each line of twenty-five (25) feet from their point of intersection.

1. A site plan shall be submitted to the Planning Commission for approval of: a. Any use or development for which the submission of a site plan is required by any provision of this Ordinance.

b. Any development, except One-Family Residential, for which off-street parking areas are provided as required in SECTION 1504, OFF-STREET PARKING REQUIREMENTS.

c, Any use in an RM-1, RM-2, 0-1, 0-2, B-1, B-2, B-3, I-1, I-2 or P-1 District lying contiguous to, or across a street from, a single-family residential district

or RT-1 district. d. Site -- plan approval shall not be requested for any use or development in an "I-1", or "I-2" District except where such or development is to take place within two hundred (200) feet of the zoning district boundary of any owner other than the owner of the property to be used or developed, or where it is proposed that a driveway intersect a public street within two hundred (200) feet, of an intersection of two or more public streets.

e. Any use which lies contiguous to a major thorofare. f. All residentially related uses permitted in one-family districts such as, but

not limited to: churches, schools, and public facilities. 2. Every site plan submitted to the Planning Commission, shall contain such information and be in such form as the Planning Commission may prescribe in its rules. No site plan shall be approved until same has been reviewed by the City Engineer Chief of Police, Fire Chief, and the Building Inspector for compliance with the

standards of the respective departments. 3. In the process of reviewing the site plan the Planning Commission shall consider: a. One-Family Residential development on the basis of a subdivision.

b. The location and design of driveways providing vehicular ingress to and egress Building Inspector. from the site, in relation to streets giving access to the site, and in relation to

c. The traffic circulation features within the site and location of automobile parking areas; and may make such requirements with respect to any matters

1. Safety and convenience of both vehicular and pedestrian traffic both within the site and in relation to access streets.

2. Satisfactory and harmonious relations between the development on the site and the existing and prospective development of contiguous land and adjacent

d. The Planning Commission may further require landscaping, fences, and walls in pursuance of these objectives and same shall be provided and maintained as a condition of the establishment and the continued maintenance of any use to which they are appurtenant,

e. In those instances wherein the Planning Commission finds that an excessive number of ingress and/or egress points may occur with relation to major or secondary thorofares, thereby diminishing the carrying capacity of the thorofare, they may require marginal access drives as follows:

1. In approving the site plan the Planning Commission may recommend marginal access drives. For a narrow frontage, which will require a single outlet, the Planning Commission may recommend that money in escrow be placed with the City so as to provide for a marginal service drive equal in length to the frontage of the property involved. Occupancy permits shall not be issued until the improvement is physically provided or monies have been deposited with the City Treasurer.

2. The Planning Commission shall require marginal access drives for all subdivisions having residential lots facing onto major thorofares. Where practical, the Planning Commission shall require side-lot or rear-lot relationships to major thorofares.

ARTICLE XVI - GENERAL EXCEPTIONS

SECTION 1600. AREA, HEIGHT AND USE EXCEPTIONS: The regulations in this Ordinance shall be subject to the following interpretations

and exceptions: 1. Essential Services

Essential services shall be permitted as authorized and regulated by law and other ordinances of the City; it being the intention hereof to exempt such essential services from the application of this Ordinance.

The provisions of this Ordinance shall not be so construed as to interfere with the temporary use of any property as a voting place in connection with a municipal

3. Height Limit The height limitations of this Ordinance shall not apply to farm buildings, chimneys, church spires, flag poles, public monuments or wireless transmission towers; provided, however, that the Board of Appeals may specify a height limit for any such structure when such structure requires authorization as a use permitted on special conditions or under SECTION 1508 of this Ordinance.

4. Lot Area Any lot existing and of record at the time this Ordinance became effective may

be used for any principal use, other than uses permitted on special approval for which special lot area requirements are specified in this Ordinance, permitted in the district in which such lot is located whether or not such lot complies with the lot area requirements of this Ordinance: provided that all requirements other than lot area requirements prescribed in this Ordinance are complied with; and provided that not more than one dwelling unit shall occupy any lot except in conformance with the provisions of this Ordinance for required lot area for

5. Lots Adjoining Alleys

In calculating the area of a lot that adjoins an alley or lane, for the purpose of applying lot area requirements of this Ordinance, one-half (1/2) the width of such alley abutting the lot shall be considered as part of such lot.

6. Multiple Dwelling Side Yard

For the purpose of side yard regulations, a two-family, a terrace, a row house, or a multiple-dwelling shall be considered as one (1) building occupying one (1)

Outside stairways, fire escapes, fire towers, porches, platforms, balconies, boiler flues and other projections shall be considered as part of the yard or courts or unoccupied spaces; provided, however, that this provision shall not apply to one (1) fireplace or one (1) chimney projecting not more than twelve (12) inches into side-yard space, and not more than eight (8) feet in length, nor to platforms, terraces or steps below the first-floor level, or to unenclosed porches or other ground-level projections not over one (1) story in height which may extend into a front or rear yard not more than twelve (12) feet or into a side yard not more than eight (8) feet, but not nearer than three (3) feet from a side or rear boundary, nor to cornices not exceeding sixteen (16) inches in width including

Fences or walls in residential districts may be constructed within a required rear or side yard, or along said property line as provided by the City of Plymouth Fence Ordinance.

ARTICLE XVII - ADMINISTRATION AND ENFORCEMENT

SECTION 1700. ENFORCEMENT:

The provisions of this Ordinance shall be administered and enforced by the Building Inspector, or by such deputies of his department as the Building Inspector may delegate to enforce the provisions of this Ordinance.

SECTION 1701. DUTIES OF BUILDING INSPECTOR:

The Building Inspector shall have the authority to grant zoning compliance and occupancy permits, to make inspections of buildings or premises necessary to carry out his duties in the enforcement of this Ordinance. It shall be unlawful for the Building Inspector to approve any plans or issue any permits or certificates of occupancy for any excavation or construction until he has inspected such plans in detail and found them to conform with this Ordinance.

The Building Inspector and/or such other officers or departments as shall be designated by the City Manager, shall record in duplicate, one (1) copy of which shall be filed with the City Clerk, all nonconforming uses existing at the effective date of this Ordinance for the purpose of carrying out the provisions of SECTION 1502.

The Building Inspector is under no circumstances permitted to make changes in this Ordinance nor to vary the terms of this Ordinance in carrying out his duties as

The Building Inspector shall not refuse to issue a permit when conditions imposed by this Ordinance are complied with by the applicant despite violations of contracts, such convenants or private agreements which may occur upon the granting of said permit. SECTION 1702. PLOT PLAN:

The Building Inspector shall require that all applications for building permits shall be accompanied by plans and specifications including a plot plan, in duplicate, drawn to scale, showing the following:

1. The actual shape, location, and dimensions of the lot.

The shape, size, and location of all buildings or other structures to be erected, altered or moved on the lot and of any building or other structures already on

3. The existing and intended use of the lot and of all such structures upon it including, in residential areas, the number of dwelling units the building is intended to

4. Such other information concerning the lot or adjoining lots as may be essential for determining whether the provisions of this Ordinance are being observed. One (1) copy of the plans shall be returned to the applicant by the Building Inspector, after he shall have marked such copy either as approved or disapproved. The second copy shall be retained in the office of the Building Inspector.

SECTION 1703. PERMITS: The following shall apply in the issuance of any permit:

1. Permits Not to be Issued

No building permit shall be issued for the erection, alteration, or use of any building or structure or part thereof, or for the use of any land, which is not in accordance with all provisions of this Ordinance.

2. Permits for New Use of Land

No land heretofore vacant shall hereafter be used or an existing use of land be hereafter changed to a use of a different class or type unless a certificate of occupancy is first obtained for the new or different use.

3. Permits for New Use of Building

No building or structure, or part thereof, shall be changed to or occupied by a use of a different class or type unless a certificate of occupancy is first obtained for the new or different use.

4. Permits Required

No building or structure, or part thereof, shall be hereafter erected, altered, moved, or repaired unless a building permit shall have been first issued for such work. The terms "altered," and "repaired" shall include any changes in structural parts, stairways, type of construction, type, class or kind of occupancy, light or ventilation, means of egress and ingress, or other changes affecting or regulated by the City Building Code, Housing Law of Michigan, or this Ordinance, except for minor repairs or changes not involving any of the aforesaid features.

SECTION 1704. CERTIFICATE OF OCCUPANCY: No land, building, structure, or part thereof, shall be occupied by or for any use unless and until a certificate of occupancy shall have been issued for such new use.

The following shall apply in the issuance of any certificate:

No certificates of occupancy pursuant to the Building Code of the City of Plymouth shall be issued for any building, structure or part thereof or for the use of any land, which is not in accordance with all the provisions of this Ordinance.

No building or structure, or parts thereof, which is hereafter erected or altered, shall be occupied or used or the same caused to be done, unless and until a certificate of occupancy shall have been issued for such building or structure. 3. Certificates Including Zoning

Certificates of occupancy as required by the Building Code for new buildings or structures, or parts thereof, or for alterations to or changes of use of existing buildings or structures, shall also constitute certificates of occupancy as required

4. Certificates for Existing Buildings

Certificates of occupancy shall be issued for existing buildings, structures, or parts thereof, or existing uses of land if, after inspection, it is found that such buildings, structures, or parts thereof, or such use of land, are in conformity with the provisions of this Ordinance. Certificates of occupancy may be issued for business buildings in B-1, B-2, and B-3 zones existing at the effective date of this Ordinance which change occupancy and which do not provide sufficient parking as required under SECTION 1504, provided there is no decrease in the number of parking spaces existing at the effective date of this Ordinance.

Nothing in this Ordinance shall prevent the issuance of a temporary certificate of occupancy for a portion of a building or structure in process of erection or alteration, provided that such temporary certificate shall not be effective for a period of time in excess of six (6) months, nor more than five (5) days after the completion of the building, and provided further that such portion of the building, structure, or premises is in conformity with the provisions of this Ordinance.

A record of all certificates issued shall be kept on file in the office of the Building Inspector, and copies shall be furnished upon request to any person having a

proprietary of tenancy interest in the property involved. 7. Certificates for Dwelling Accessory Buildings

Buildings accessory to dwellings shall not require separate certificates of occupancy but may be included in the certificate of occupancy for the dwelling when shown on the plot plan when completed at the same time as such dwellings.

8. Applications for Certificates Application for certificates of occupancy shall be made in writing to the Building Inspector on forms furnished by the Department, and such certificates shall be issued within ten (10) days after receipt of such application if it is found that the building or structure, or part thereof, or the use of land is in accordance with the provisions of this Ordinance.

If such certificate is refused for cause, the applicant therefore shall be notified in writing of such refusal and cause thereof, within the aforesaid ten (10)-day period. SECTION 1705. FINAL INSPECTION:

The holder of every building permit for the construction, erection, alteration, repair, or moving of any building, structure, or part thereof, shall notify the Building Inspector immediately upon the completion of the work authorized by such permit, for a final inspection.

SECTION 1706. FEES: Fees for inspection and the issuance of permits or certificates or copies thereof, required or issued under the provisions of this Ordinance, shall be collected by the City Treasurer in advance of issuance. The amount of such fees shall be established by resolution of the City Commission and shall cover the cost of inspection and the supervision resulting from enforcement of this Ordinance.

August 18, 1968

SECTION 1707. INTERPRETATION, PURPOSE AND CONFLICT: In interpreting and applying the provisions of this Ordinance they shall be held to be the minimum requirements for the promotion of the public safety, health, convenience, comforts, morals, prosperity and general welfare. It is not intended by this Ordinance to interfere with or abrogate or annul any ordinance, rules, regulations or permits previously adopted or issued, and not in conflict with any of the provisions of this Ordinance, or which shall be adopted or issued pursuant to law relating to the use of buildings or premises and likewise not in conflict with this Ordinance; nor is it intended by this Ordinance to interfere with or abrogate or annul any easements, covenants or other agreements between parties, provided, however, that where this Ordinance imposes a greater restriction upon the use of buildings or premises or upon height of buildings, or requires larger open spaces or larger lot areas than are imposed or required by such Ordinance or agreements, the provisions of this Ordinance shall control. SECTION 1708. ZONING COMMISSION:

The City Planning Commission is hereby designated as the Commission specified in Section 4, of Act 207 of the Public Acts of 1921, as amended, perform the duties of said Commission as provided in the statute in connection with the amendment of this

SECTION 1709. CHANGES AND AMENDMENTS:

The City Commission of Plymouth may, from time to time, on their own initiative or on recommendation from the City Planning Commission, or on petition amend, supplement or change the district boundaries or the regulations herein, provided, however, that a public hearing shall be held before any such amendment shall be passed, and provided further, that not less than fifteen (15) days notice of the time and place of such public hearing shall be given by publication in the official paper of the City, or a paper of general circulation in the City, and a hearing be granted to any person interested

If the owner of twenty (20) or more percent of the frontage in the area proposed to be altered or the owner of twenty (20) or more percent of the frontage of property abutting the area proposed to be altered, or either of such groups shall file a written protest at or before the time of the hearing in this section provided then and in such event such amendment shall not be passed except by an affirmative vote of five (5) members of the entire membership of the City Commission then holding office and

If a parcel of land is owned by the entireties, by joint tenants by tenants in common or by legal and equitable owners, any one (1) of such owners may sign the protest for the parcel so owned. The term "abutting property" as used in this Section shall mean the property immediately adjoining the area proposed to be changed either in the rear or at the side thereof and also the frontage directly opposite the frontage proposed to be changed. In determining abutting property, there shall be included all the property in a common ownership used as a single unit.

SECTION 1710. FEES - PETITION FOR AMENDMENT:

Consideration of an amendment to the Zoning Ordinance may be initiated upon presentation of a petition for amendment by the owner of real estate effected. Said petition shall be accompanied by a fee, the amount of which shall be set by resolution of the City Commission and shall be used to defray the expense of publishing the required notices of public hearings, and the expenses of said public hearing. A period of not less than six (6) months is required between presentation of petitions for a change or amendments applying to a specific piece of property, where such petition was denied in the

SECTION 1711. VIOLATIONS AND PENALTIES:

Any person, persons, firm or corporation, or anyone acting in behalf of said person, persons, firm or corporation violating any of the provisions of this Ordinance shall be guilty of a misdemeanor, and upon conviction thereof shall be subject to a fine of not more than five hundred (\$500.00) dollars and the cost of prosecution or, in default of the payment thereof, by imprisonment for a period not to exceed ninety (90) days, or by both such fine and imprisonment at the discretion of the court, Each day that a violation is permitted to exist shall constitute a separate offense. The imposition of any sentence shall not exempt the offender from compliance with the requirements of this Ordinance. SECTION 1712. PUBLIC NUISANCE PER SE:

Any building or structure which is erected, altered or converted, or any use of premises or land which is begun or changed subsequent to the time of passage of this Ordinance and in violation of any of the provisions thereof is hereby declared to be a public nuisance

SECTION 1713. RIGHTS AND REMEDIES ARE CUMULATIVE: The rights and remedies provided herein are cumulative and in addition to any

other remedies provided by law.

ARTICLE XVIII - BOARD OF APPEALS SECTION 1800. CREATION AND MEMBERSHIP:

There is hereby established a Zoning Board of Appeals which shall perform its duties and excercise its powers as provided in Section 5 of Act 207 of Public Acts of 1921, as amended and in such a way that the objectives of this Ordinance shall be observed, public safety secured, and substantial justice done. The Board shall consist of five (5) members, one (1) of whom may be a member of the Planning Commission, all appointed by the Mayor, by and with the consent of the City Commission. Appointments shall be as follows: One (1) member appointed for a period of one (1) year; two (2) members appointed for a period of two (2) years; and two (2) members appointed for a period of three (3) years respectively; thereafter, each member to hold office for a full three (3)-year term. Each member of the Board of Appeals must be a resident of the City of Plymouth for at least one (1) year prior to the date of his appointment, and shall be a qualified and registered elector of the City on such day and throughout his tenure of office. Appointed members may be removed for cause by the City Commission only after consideration of written charges and a public hearing. Any appointive vacancies in the Board of Appeals shall be filled by appointment of the Mayor, by and with the consent of the City Commission for the remainder of the unexpired term. be made, and to that end shall have all the powers of the Building Inspector from whom The Board of Appeals shall annually elect its own Chairman and Vice-Chairman. SECTION 1801. MEETINGS:

All meetings of the Board of Appeals shall be held at the call of the Chairman and at such times as such Board may determine. All hearings conducted by said Board shall be open to the public. The Board shall keep minutes of its proceedings showing the vote of each member upon each question, or if absent, or failing to vote indicating such fact; and shall also keep records of its hearings and official actions including a statement of reasons for each action taken. Three (3) members of the Board shall constitute a quorum for the conduct of its business. The Board shall have the power to subpoena and require the attendance of witnessess, administer oaths, compel testimony and the production of books, papers, files and other evidence pertinent to the matters before it. SECTION 1802. APPEALS:

An appeal may be taken to the Board of Appeals by any person, firm or corporation, or any officer, department, board or bureau affected by a decision of the Building Inspector. Such appeal shall be taken by filing a notice of appeal, specifing the grounds

for such appeal, with the Board of Zoning Appeals on appropriate forms provided by the Building Inspector and payment of the required fee. The Building Inspector shall forthwith transmit to the Board all of the papers constituting the record upon which the action appealed from was taken.

An appeal shall stay all proceedings in furtherance of the action appealed from, unless the Building Inspector certifies to the Board of Appeals after the notice of appeal has been filed with him that by reason of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life or property, in which case the proceedings shall not be stayed, otherwise than by a restraining order, which may be granted by the Board of Appeals or by a court of record on application, on notice to the Building Inspector and on due course shown.

The Board shall select a reasonable time and place for the hearing of the appeal and give due notice thereof to the parties and shall render a decision on the appeal without unreasonable delay. Any person may appear and testify at the hearing, either in person or by duly authorized agent or attorney. The City Commission shall, from time to time, determine by resolution the fee

which shall be paid to the City Treasurer at the time that notice of appeal is filed. SECTION 1803. JURISDICTION: The Board of Appeals shall have the following powers and it shall be its duty:

1. To hear and decide on all matters referred to it upon which it is required to pass under this Ordinance 2. To hear and decide appeals where it is alleged there is error of law in any order,

requirement, decision or determination made by the Building Inspector in the enforcement of this Ordinance.

3. In hearing and deciding appeals the Board of Appeals shall have the authority to grant such variance therefrom as may be in harmony with their general purpose and intent so that the function of this Ordinance be observed, public safety and welfare secured, and substantial justice done, including the following:

a. Interpret the provisions of the Ordinance in such a way as to carry out the intent and purpose of the plan, as shown upon the Zoning Map fixing the use districts, accompanying and made part of this Ordinance, where street layout actually on the ground varies from the street layout as shown on the map

b. Permit the erection and use of a building or use of premises in any use district for public utility purposes, upon recommendation of the Planning Commission. c. Permit the modification of the automobile parking-space or loading-space requirements where, in the particular instance, such modification will not be inconsistent with the purpose and intent of such requirements.

d. Permit such modification of the height and area regulations as may be necessary to secure and appropriate improvement of a lot which is of such shape, or so located with relation to surrounding development or physical characteristics, that it cannot otherwise be appropriately improved without such modification. e. Permit temporary buildings and uses for periods not to exceed two (2) years

in undeveloped sections of the City and for periods not to exceed six (6) months

SECTION 1804. MANNER OF PROCEDURE:

Where, owing to special conditions, a literal enforcement of the provisions of this Ordinance would involve practical difficulties or cause unnecessary hardships, within the meaning of this Ordinance, the Board of Appeals shall have power upon appeal in specific cases to authorize such variation or modification of the provisions of this

Ordinance with such conditions and safeguards as it may determine, as may be in harmony with the spirit of this Ordinance and so that public safety and welfare be secured and substantial justice done. No such variance or modification of the provisions of this Ordinance shall be granted unless it appears beyond a reasonable doubt that all the fol-

a. That there are exceptional or extraordinary circumstances or conditions applicable to the property involved or to the intended use of the property that do not apply generally to other properties or class of uses in the same district or zone. b. That such variance is necessary for the preservation and enjoyment of a sub-

stantial property right possessed by other property in the same zone and vicinity. c. That the granting of such variance or modification will not be materially detrimental to the public welfare or materially injurious to the property or improvements in such zone or district in which the property is located.

d. That the granting of such variance will not adversely affect the purposes or objectives of the Master Plan of the City of Plymouth.

5.In consideration of all appeals and all proposed variations to this Ordinance, the Board of Appeals shall, before making any variations from the Ordinance in a specific case, first determine that the proposed variation will not impair an adequate supply of light and air to adjacent property, or unreasonably increase the congestion in public streets, or increase the danger of fire or endanger the public safety, or unreasonably diminish or impair established property values within the surrounding area, or in any other respect impair the public health, safety, comfort, morals or welfare of the inhabitants of the City. The concurring vote of four (4) members of the Board of Appeals shall be necessary to reverse any order, requirement, decision, or determination of the Building Inspector, or to decide in favor of the applicant any matter upon which it authorized by this Ordinance to render a decision.

Nothing herein contained shall be constured to give or grant to the Board of Appeals the power or authority to alter or change the Zoning Ordinance or the Zoning Map, such power and authority being reserved for the City Commission of the City of Plymouth in the manner hereinafter provided by law.

SECTION 1805. EXERCISING POWERS:

In exercising the above powers, the Board of Appeals may reverse or affirm wholly or partly, or may modify the order, requirement, decision or determination appealed from and may make such order, requirement, decision or determination as ought to the appeal is taken. SECTION 1806. NOTICE:

The Board of Appeals shall make no recommendation except in a specific case and after a hearing conducted by said Board. A written notice of the time and place of such public hearing shall be mailed to the owners, at the address given in the last assessment roll, of all lots or parcels of land lying within three hundred (300) feet of the property in question. Such notices to be delivered personally or by first class mail addressed to the respective owners at the address given in the last assessment roll of the City.

SECTION 1807. MISCELLANEOUS:

No order of the Board of Appeals permitting the erection or alteration of a building shall be valid for a period longer than one (1) year, unless a building permit for such erection or alteration is obtained within such period and such erection or alteration is started and proceeds to completion in accordance with the terms of such permit.

No order of the Board of Appeals permitting a use of a building or premises shall

be valid for a period longer than one (1) year unless such use is established within such period; provides, however, that where such use permitted is dependent upon the erection or alternation is obtained within such period and such erection or alternation is started and proceeds to completion in accordance with the terms of such permit.

ARTICLE XIX - REPEAL OF PRIOR ORDINANCES

The Zoning Ordinance adopted by the City of Plymouth, and known as Ordinance No. 182 respectively, and all amendments thereto, are hereby repealed. The repeal of the above ordinance and its amendments does not affect or impair any act done, offense committed or right accruing, accrued or acquired or liability, penalty, forfeiture or punishment incurred prior to the time enforced, prosecuted or inflicted.

ARTICLE XX - VESTED RIGHT

It is hereby expressly declared that nothing in this Ordinance shall be held or construed to give or grant to any person, firm or corporation any vested right, license, privilege or permit.

ARTICLE XXI - SEVERENCE CLAUSE

Sections of this Ordinance shall be deemed to be severable and should any section, paragraph, or provision hereof be declared by the courts to be unconstitutional or invalid, such holdings shall not affect the validity of this Ordinance as a whole or any

part hereof, other than the part so declared to be unconstitutional or invalid.

ARTICLE XXII - EFFECTIVE DATE

Public hearing has been held herein, pursuant to the provisions of Section 4 of Act 207 of the Public Acts of 1921, as amended.

This Ordinance shall become operative and effective on the 19th day of August A.D. 1968.

Made, passed and adopted by the City Commission of the City of Plymouth, Michigan on the 29th day of July A.D. 1968.

James M. Jabara, Mayor

Eugene S. Slider, Clerk

CERTIFICATE OF CLERK

1, the duly elected and qualified Clerk of the City of Plymouth, Wayne County, Michigan, do hereby certify that the foregoing Ordinance was published in full on in the a newspaper circulated within said City.
