Varsity Girls

There were 92 girls at Plymouth High School who had eyes on winning places as members of the Rockettes to perform their routines for the football and basketball crowds next season. The 24 who made it have been announced.

Cleanup Week

The DPW has determined how many Plymouth householders will spend the week-end by announcing that the annual cleanup, when all old junk can be put at the curb starts Monday. There are a few rules to heed, however.

Efforts Increase

What are concerned Plymouthites doing to meet the problems of drug usage? As seen through Bifocals, the answer is an encouraging one and new steps are in the offing beginning with a discussion series to b3 called "Three Days in May: The Drug Scene."

Church Declining?

Not so, says a leading Plymouth pastor who answers the thoughts voiced a few weeks ago by one of his colleagues. His remarks are today's "Ecumenical Reflections."

HE HAS THE RIGHT IDEA . . .

Squirrels are smart. They save good things. Like nuts. People are smart too. The ones who save their Observer carrier collection receipts are especially smart. Why? Because, starting this month, the other side of their receipts will be worth 60¢ toward an Observer Want Ad. Smart people will use their coupons to earn money with a want ad. Will you?

PLYMOUTH'S "PARADE OF BANDS" Tuesday saw more than 600 musicians from PHS, Central, West, Pioneer and East schools gather for the first public event in the new high school gymnasium. The spectator area shown here is matched by an identical facility on the opposite site. (Photo by Tom Donoghue)

Swim Nights Set At Central

A series of eight Thursday night swimming sessions for husbands and wives will open May 13 in the pool at Central Junior High School. Herbert Woolweaver, director of the school system's adult education and recreation department, said that advance enrollment will be necessary. The fee will be \$10 per person for the eight weeks, and registrations are being taken at Woolweaver's office at Central. Each session will begin at 8:30 p.m. and will include both open swimming and instruction where the latter is requested.

One of downtown Plymouth's most popular merchants for the last 22 years has decided it's time to turn to an easier life.

Carl A. Peterson, who opened his drug store at 840 W. Ann Arbor Trail late in 1948, has put all of his stock and fixtures up for sale and hopes

to be able to lock the doors for good by June 1.

A registered pharmacist who estimates he has filled a quarter of a million prescriptions for Plymouthites, the 65-year-old Peterson realized a burning ambition when he went into business for himself after 18

8th Graders To Be Briefed On Fall Plans

Orientation sessions for Plymouth's present eighth grade school students and their parents are being scheduled at Central Junior High School where they all will be attending ninth grade next fall.

Discussion of the ninth grade program will involve counselors and Central staff members. A tour of the building also will be offered. Three meetings have been planned and all will run from 7:30 p.m. to 9 p.m.

Central Principal Gus Gorguza said the meeting for eighth graders now attending East Middle School will be in the Central auditorium next Thursday, May 6. The one for students now at Pioneer will be May 13 and West's date is May 20. Parochial students and their parents may choose any of the three they wish.

Police Report Theft Of Tapes

A tape player, tape case and 27 tapes were stolen Wednesday from a car parked in a lot next to 515 Forest, Plymouth police reported.

Police say Cheryl Stewart, of 41625 Ford Rd., reported the items missing when she came out to get into her car.

The theft occurred sometime between 10:15 a.m. and 2:10 p.m., police said.

Mango License Sale Given OK

Transfer of ownership of the liquor license for Frank Mango's Restaurant was approved this week by the Plymouth Township Board of Trustees as the last chapter of a long-standing township zoning quarrel.

The restaurant is at 47660 Ann Arbor Rd., almost at the point where this and Ann Arbor Trail join just west of Beck Rd., toward Ann Arbor. The exclusive Woodlore and Plymouth Hills residential areas lie to the south and north.

Mango and his wife Julia fought for several years for the right to make improvements in the establishment, but were stymied by the zoning ordinance which defined the restaurant as being of non-conforming use in an otherwise residential zone.

The Mangos bought the premises upon which there then was a store in 1955 and

they obtained a Class C license authorizing the sale of beer and alcoholic beverages in 1962.

ATTEMPTS to get a building permit for rehabilitation were turned down and a decision by the township board of appeals stated that plans submitted with the application "clearly contemplate improvements to the structure in violation of the ordinance."

Despite this, the Mangos were able to keep the restaurant operation going on a limited basis, complete with service of alcoholic beverages and now have arranged for the sale to an entity known as C.G.T., Inc.

Recommended approval of the license transfer by the township board was required before the State Liquor Control Commission could take final action. Now that this

has been granted, the state's approval is expected to be routine.

THE C.G.T. entity is owned equally by five men and the initials stem from their last names.

They are George Ginopolis and his two sons, John and Peter, owners and operators of the Capraro restaurant, 12966 Telegraph Rd.; James Capeneka, owner of Mr. Mike's Coney Island at Ford and Wayne Rds.; and James Tsilis, manager of Mr. Mike's.

In voting approval of the transfer, the township trustees made it clear that even under new ownership the restaurant will be just as subject to non-conforming use restrictions of the zoning ordinance as before. This bans any improvements that would prolong the natural life of the building.

City Housewives Told Of Water Discoloration

Plymouth DPW Director Kenneth Vogras has a message for the city's housewives, and they may not like it.

For at least the next three weeks, the DPW will be flushing city fire hydrants between 9 p.m. and 1 a.m., and it is being done more extensively this year because once Plymouth connects with the Detroit Water system later in 1971 such flushing will cost more.

"Homeowners may experience a discoloration in their water during this period," said Vogras. "I would recommend that all

residents check the color of their water before washing clothes.

"This program, which starts Monday, May 3, will take three weeks or more to complete. I would appreciate it if those who do have discolored water will be patient, for there is nothing that can be done."

The tie-up with the Detroit water system, as approved by the voters last year, is expected to be made by the end of summer, according to City Engineer Thomas Waffan.

The contract between Plymouth and the Detroit

Water Board has been signed and bids have been taken on equipment for the necessary connecting meter pits. Waffan hopes this work can be completed by the end of July.

However, the city commission also has to take action soon to amend the water rate ordinance and adjust rates in accordance with charges which will have to be paid Detroit for the water supply.

Nothing has been done in the commission concerning a new rate schedule since last year's special election which authorized joining the Detroit system.

Fine C&O For Delays

While the C&O Railway Co. was being fined over \$1,500 in District Court Wednesday for previous delays, three more complaints on similar delays were being reported to Plymouth police.

District Judge Dunbar Davis levied fines of \$104 each for 15 cases in which the railroad was cited for blocking a crossing beyond the five

minutes allowed by city ordinance.

The railroad actually answered to 17 charges Wednesday, but Davis suspended two of the cases.

All of the delays occurred in February, March and April. The railroad was charged with five violations in February, nine in March and one in early April.

Two of the new complaints,

although filed by separate persons, involved the same train.

The charges state that on Tuesday a westbound train delayed traffic at the Sheldon Rd. crossing from 10 p.m. to 10:35 p.m.

The third complaint states the crossing at S. Mill and Fair was blocked Tuesday from 7:14 a.m. to 7:26 a.m.

Carl Peterson Ending Drug Career

One of downtown Plymouth's most popular merchants for the last 22 years has decided it's time to turn to an easier life. Carl A. Peterson, who opened his drug store at 840 W. Ann Arbor Trail late in 1948, has put all of his stock and fixtures up for sale and hopes

to be able to lock the doors for good by June 1.

A registered pharmacist who estimates he has filled a quarter of a million prescriptions for Plymouthites, the 65-year-old Peterson realized a burning ambition when he went into business for himself after 18

years with the Kinsel Drug Co. in Detroit but says it's now time for retirement.

Peterson and his wife will keep their home here, but the druggist adds that now there may be time to enjoy their cottage at Indian River and take a few vacation trips. Both of their children, who were

raised here, are married, and the Petersons have six grandchildren.

Active in the business life of the community throughout his career here, Peterson is a former member of the Chamber of Commerce board of directors.

"We're in a discount era and

shopping centers have taken the business," he commented in disclosing his decision. "Business conditions have been slow and it's time to sell."

"I always wanted a store of my own and picked Plymouth because it seemed like a nice community, and it has been. We have enjoyed being part of it all these years."

"Now something big has to come into downtown to spruce it up to offset the shopping centers."

A native of Manistique where he was born and raised, Peterson studied pharmacy at Warner's School of Pharmacy in Sandusky. His final weeks in business will be marked by a reduced price sale to clear the shelves.

Dance Troupe To Portray Iroquois Tales

A dance drama drawn from Iroquois Indian legends about Hiawatha and Deganawida will be presented by the Plymouth Community Arts Council in 10 local schools Wednesday, Thursday and Friday.

The drama is called "On The Turtle's Back" and includes short scenes, mime and dances based on folk tales of the Iroquois.

Performers will be from the "Merry-Go-Rounders," a national touring company which has been honored by the American Educational Theatre for "creative effectiveness and excellence in children's theatre."

Bookings have been made in Plymouth to include the students of Allen, Fiegel, Farrand, Tanger, Starkweather, Smith, Isbister, Gallimore, Bird and Our Lady of Good Counsel schools.

THIS FAMILIAR storefront of Peterson Drugs will lose its 22-year identity through the owner's decision to retire. (Observer photo by Bob Woodring)

THROUGH BIFOCALS
By FRED DELANO / Editor: Mail & Observer

QUIETLY, EFFICIENTLY and effectively, an increasing number of Plymouth area adults are generating an awareness and understanding of the drug problem in the community. To their credit, they also are doing something about it.

I'm talking about such leaders of the Council of Community Concerns as Peter Schweitzer and Mrs. James Flora, Youth Officer Carl Berry and his police colleagues, President Dianne Conrad and her Jaycettes, Judge Dunbar Davis, all of the local attorneys as well as school teachers and officials.

Such people as these recognize that there is narcotics traffic and usage here, but they are approaching it without hysteria. Instead of a great and noisy beating of the breasts and shouts of alarm, their approach is one of studied purpose.

It has been a good year for rapport between the youth and the police and this has not come about by accident. Recognition, understanding, education and treatment have been coupled with the arm of enforcement to say, mutually, that, yes, although the problem exists, it does not have to get the best of us.

A CASE IN POINT as to the Plymouth approach is seen in the program to be presented by the Council and Jaycettes called "Three Days In May: The Drug Scene."

Public sessions will be held at 7:30 p.m. in the auditorium of Central Junior High School on each of the next three Thursdays — May 6, 13 and 20.

This week the program will offer a preview of the drug education program to be started next fall as part of the curriculum in all of our Plymouth schools. This is where you can learn how the subject will be treated from kindergarten on up through the senior class at the high school.

An outstanding pharmacologist will be present May 13 to talk on drug identification. That program also will include a panel discussion by a group of Plymouth students.

On May 20, there will be a law night program. Judge Davis, Officer Berry and Attorney Robert Delaney will join in giving information on the legal questions involved in substance abuse. These are three Thursday events worthy of your attention and attendance.

THE COUNCIL OF COMMUNITY CONCERN was organized only a few months ago and already has made an important dent on the sociological front. Schweitzer, who is community relations director at the Plymouth State Home and Training School, is its president and will welcome your call if you wish to become a part of this important undertaking.

This is the group, for instance, which established "Buzz Line," the weekend telephone service which offers anyone the opportunity to communicate incognito to with empathic, trained persons concerning any problem area of drug information.

A short time ago the council also put into effect its drug analysis program. This means that without charge any substance can be taken either to Wiltse's Drugs on Main, or either of the Beyer Drug Stores on Main or Ann Arbor Rd., for analysis and identification.

Next will be establishment of a counseling and referral center to be known as "Our House." Plans for this now are being formulated and the first class of volunteer workers has been attending training sessions one night a week.

Such subjects have been covered as alcoholism, pre-draft counseling, the pharmacology of drugs, the "why" of drug use, medical questions, legal advice, and handling of the run-away. There still is a need to enlist more interested persons in this project, but it shows how this whole issue is being tackled in Plymouth. A one-word description might be "intelligently."

Dispels Rumor On PHS Piano

EDITOR:

Have you heard about the piano at the new high that they bought with our money — \$20,000 for an imported piano? Well, I got upset when I heard this rumor, so I called the administration office. Would you be interested in some facts? These come from Gary Sirbaugh, assistant business administrator.

The piano is an 11 foot Schimmel grand piano to go in the auditorium. It was purchased for \$5,300 through a local music supplier. This piano should give Plymouth many (50) years of service. The unit cost of any one piece of major equipment in the shop runs between \$5,000 - \$8,000. Is this out of line?

And while we're talking about schools, let me go on record saying I enjoyed the gym in Plymouth High and its balcony seating at the Parade of Bands — good show! I bet the basketball team will like the Tartan floor surface. The pool looks beautiful, too. I can hardly wait to try it myself.

A big thanks goes to Bill Brown and his staff for the usherettes and the traffic control people who made coming and going so smooth the other night. You know we may really get to enjoy "our" school some day.

If you would like dialog with school people, come to the Community - School Council meeting at Plymouth High School on Monday, May 3, at 8 p.m. The topic is the citizen report on the facility needs of this school district over the next five years.

It's Time To Get Rid Of The Junk

PLYMOUTH

It will be cleanup week in Plymouth beginning Monday, the one time of the year when residents may put anything at the curb they want to get rid of except building materials.

The DPW will pick up all other kinds of rubbish in a program designed for the throwaway of items not acceptable in the normal weekly refuse pickup.

Collections will be made on the usual weekly schedule, area by area. Rubbish must be placed at the curb on the evening before collection. This means that in an area where the normal pickup day is Monday, the junk must be stacked at the curb Sunday night.

Rubbish which might be harmful to children or animals should be placed in suitable containers. Also, doors and lids of refrigerators and other such items should be securely tied or removed and the latches destroyed to eliminate the hazard to children.

Livonia Police Report A Rash Of Break-Ins

By MAURIE WALKER

LIVONIA
Four Livonia homes and a garage were broken into Wednesday, three of the robberies taking place in the daylight hours.
A house at 31771 Foville was entered between 8 a.m.

and 4:45 p.m. and more than \$1,000 in valuables taken.

According to police, the robber took a spare key which had been hidden under some papers in the milk chute. The thief then entered through the side door which is connected to the garage by a breezeway.

A \$350 DIAMOND PENDANT and pearl necklace valued at \$150 were taken along with several rings, watches, a camera, a radio, jewelry box and \$40 in cash.

Three bikes were also missing. Police say the thief removed a pillow case from

the bed to carry the stolen items.

Another home at 30136 W. Chicago was broken into between 11:45 a.m. and 3:45 p.m., according to police.

The thief apparently entered through an unlocked rear door. Missing are two radios and approximately \$65 in cash.

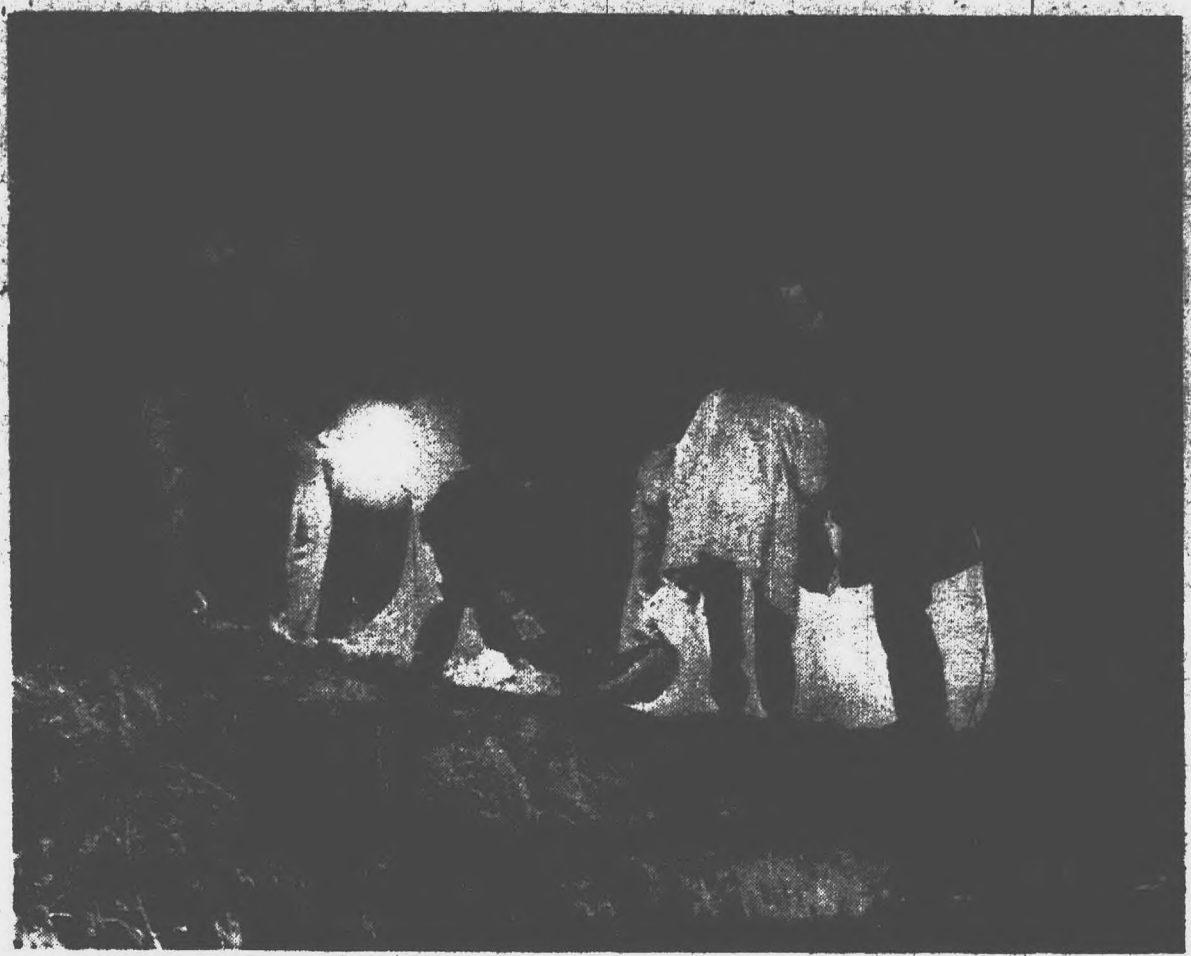

Between 10 a.m. and 1 p.m., someone broke into a house at 9167 Deering, ransacked the master bedroom, and took five wrist watches, three necklaces and two recorders. Means of entry is unknown, police say.

THE HOUSE at 14244 Yale was broken into by prying open a door. Approximately \$19 was taken from a woman's purse on the kitchen counter.

Sometime during the night Wednesday, thieves entered the unlocked garage at 32483 Allen Court taking four studded snow tires which were on racks. Nothing else was reported missing.

Why Not Legalize 'Pot,' Tax It For Research?

Questions should be sent to the Community Commission on Drug Abuse, P.O. Box 100, Livonia, Mich. 48151.

Q. Everybody says that we need to know more about the long-term effects of marijuana, but that it will take a lot of time and money to find these out. Why not legalize pot and make pot legal and tax the users for this research? It would take the burden off the taxpayer and the user wouldn't object to the cost—it would be better than taking a bum rap under the present laws. It seems to me that everyone would benefit.

R.B., Livonia

A. Now there is a real question: We just hope that our answer is as well thought out. What you say has more to commend it than a lot of ideas we've heard. There are some problems, however. The first two problems are commonplace and you may have already heard them:

- 1) According to the law of the land, a drug has to be proven safe before it can be brought to market. In other words, the horse has to come before the cart. There is something to be said for this. If you permit marijuana to be marketed before it is proven safe, you also open the door to every quack cancer cure and whatever that comes along.
- 2) Even if marijuana washes out as being no worse than alcohol, or perhaps even safer, can this nation adjust to the general use of two mind altering drugs? Put another way, would we be solving problems or creating them?
- 3) The results of the research could be misleading under the terms of your proposal. We have a good example of this in the tobacco industry today. Every tobacco smoker is paying as part of the built-in cost of a pack for research done by the tobacco industry which tends to prove that cigarettes are safe.

And by the way, the average tobacco smoker probably hopes that his children won't smoke, but is forced to pay as part of the price of a pack for a massive advertising campaign whose aim is to insure that as many people as possible, both young and old, become smokers. Form a marijuana industry and it will become as self-serving as the tobacco industry.

Q. Why don't parents realize that alcohol can kill them? Would you consider parents "dumb" for smoking and drinking?

S.R., Livonia

A. We're not here to pass judgment on whether parents or youth are "dumb" for using various drugs. We are here to provide information and facts. Here are some to consider: **CIGARETTES:** The report of the Advisory Committee to the Surgeon General of the United States Public Health Service reveals:

- 1) Cigarette smoking causes lung cancer. Male smokers develop lung cancer

P.O. BOX
Drugs

nine to 10 times oftener than non-smokers. The risk for heavy smokers is 20 times that for non-smokers. The data for women point in the same direction.

2) The relationship of pipe-smoking to the development of cancer of the lip seems to be established.

3) Cigarette smoking is a significant factor in cancer of the larynx in the male.

TREES for FLOWERS & SHADE

The modern home, low and rambling, is a natural for the many medium and small flowering trees. Whenever possible, individual specimens of the kinds you like should be planted off the front corners. They will finish off the landscape appearance and provide colorful foliage, flowers and shade. We recommend: Flowering Cherry, Crabapple, Pink Dogwood, White Dogwood, Flowering Plum and American Redbud.

EVERGREENS

The Most Popular of all for landscaping. They withstand adversity of soils and climate. They resist dry air, dry soil and summer heat. Secondly they are favored for variety of form and habit of growth. We recommend: Japanese Yew, Pyramidal Arborvitae, Pfitzer Juniper, Hetzi Glauca or Blue Juniper, Blue Pfitzer, Sargent Juniper, Andorra Juniper, Savins Juniper and the Spruces. Norway-Black Hills and Blue Colorado. Don't overlook the Pines either: Mugho - Austrian - Scotch and Michigan's White Pine.

Problems Of Adjustment A Black Coed In Plymouth

By KATHY MORAN

Except for the time when a Plymouth policeman mistook her for an escapee from Plymouth State Home, Lorraine Hunter has had little trouble adjusting to living in Plymouth or attending Schoolcraft College.

And for a young, black girl in a predominately white community and college, that is an accomplishment.

Miss Hunter started school in the fall as one of two black students who had been given tuition scholarships to Schoolcraft by the Plymouth Assembly for Equal Opportunity.

Without the scholarship, she probably would not have been able to attend college, even though she is determined to get a degree in home economics.

The assembly began giving scholarships five years ago and only requires that the students live in Plymouth and maintain average grades. The funds come primarily from the First United Presbyterian Church in Plymouth, though the assembly solicits some money from Plymouth residents.

Homes for the students are found by the assembly. Usually the student and the family agree on a room and board fee under \$10 per week to cover living expenses. The students themselves earn this

money by part-time or seasonal jobs.

But getting the scholarship is only a part of the adjustment that the black student has to make.

ACADEMICALLY, the students are not always as well prepared for college as are most white suburban students, said Charles Zoet, a member of the assembly. In addition, their pride often hinders them from seeking individual tutoring offered by the assembly.

And adjusting to a "more ordered arranged environment" in home life is difficult for the student, he adds.

Adjusting to school and her new family was difficult at

first, Miss Hunter said, but now she finds college "isn't really easy, but it is not too hard."

She is living with Mr. and Mrs. Kenneth Jones in Plymouth, in place of one of their daughters who is attending Central Michigan University.

The incident with the Plymouth police resulted when a group of students was loitering around the downtown area. Nothing came of it, and the Plymouth residents have accepted her well, Miss Hunter said.

Six students have been given scholarships through the assembly in the last five years, and thus far one has completed her college education.

A black student started classes at Schoolcraft in the fall under the scholarship program, but transferred to Wayne State University.

After attending Schoolcraft for two years, one of the students completed her studies at Northern Michigan University and entered her first year of teaching.

One student is wrapping up his studies at Schoolcraft on his own since assembly scholarships are limited to two years. One other student who has been sponsored by the group is in the Army and another is working.

IT IS A full time job when the assembly's committees start contacting the high schools in the inner city to

notify them of the scholarships. But when the group compiles a list of qualified students, the bigger job of interviewing candidates begins. The scholarships are awarded to students based on their grades.

Zoet said it is extremely difficult to find homes in Plymouth for these students, "not so much because they are black but because they are a foreign person in the house." If the students want to work, Schoolcraft assists them in finding jobs, primarily on the campus.

Next year the assembly plans to offer two or three scholarships as well as continue working in Plymouth to promote interracial harmony.

Accountants, Bankers Meet

The Metropolitan Detroit Chapter of the Michigan Association of Certified Public Accountants will hold its annual joint meeting with group 10 of the Michigan Bankers Association, Robert Morris Associates, the American Society of Women Accountants and the Essex and Kent Chartered Accountants Association on Thursday, May 6 in Pontchartrain Hotel in Detroit.

The meeting will begin at 6 p.m., with a reception for the speaker, Dwight Havens, CCE, president of the Greater Detroit Chamber of Commerce.

Guests will be the recent successful CPA candidates from the Detroit area.

Another highlight of the program will be the presentation of the William A. Paton award to the new CPA who achieved the highest score on all parts of the CPA examination last November. This award was established by the association in 1961 to honor Michigan's eminent educator in accounting, Prof. Emeritus William A. Paton of the University of Michigan.

Dateline: Outdoors

By LEM MESEE
Outdoors Writer

Enjoying the outdoors and learning more about ecology are good ways to start out the new season. And the two can be combined close to home.

The Cranbrook Institute of Science Nature Center, 500 Lone Pine Rd., Bloomfield Hills, is preparing just this opportunity.

Set in three acres of trees, with shrubs, a meadow, a pond and a marsh, and with trails meandering through a hilly landscape, the Nature Center is one of the few areas left in the Detroit metropolitan area for a fitting celebration of spring.

PROGRAMS last 1½ hours. Groups accompany naturalist Wayne Koser along trails to observe and discuss the vegetation and evidence

of wildlife. He will emphasize ecological relationships.

Specialized topics such as birds, mammals, insects and spiders, aquatic life, plants, rocks, minerals, ecology and conservation will be discussed for groups young and old.

The programs are flexible and can be adapted to special interests or areas of study, whether the group consists of scouts, school groups or senior citizens.

To make your appointments, contact Cranbrook's Nature Center.

THE INSTITUTE suggests "A Walk with Nature" for kindergarten through grade two. Children will explore, look for animal signs, learn how plants and minerals benefit each other and how soil is made.

"Exploring Our Environment" for grades 3-6 will include study of individual plant and animal habitats, the interdependence of living organisms and how they affect the formation of food chains.

"Conservation of Natural Resources," for junior high grades, will examine the different habitats at the center and their importance to the environment, and the preservation of soil and water resources.

High school students will be offered the opportunity to learn more about ecology as they study animal behavior, evolution, land and aquatic succession, animal and plant adaptations and pollution problems.

THE GROUP fee for the center is \$20. Groups are limited to 35 persons.

Livonia Ward Has Youth Week

Youth took over for a week in the Church of Jesus Christ of Latter-day Saints, Merriman and Six Mile in Livonia.

The young people of the Livonia Ward were in positions of responsibility in the church from April 18 to 25, climaxing their program by conducting the church's weekly sacrament meeting on the final Sunday.

In the Mormon church, each ward consists of 500 to 1,000 members, headed by a bishop and two counselors who run the organization by enlisting help from nearly every member in some capacity.

THERE IS a priesthood organization for all male members over 12, and a relief society organization for women and girls over 12.

The church organization also includes mutual improvement associations for young men and women between the ages of 12 and 21 and a primary organization for children four to 12.

It was these groups that took charge of the Youth Week activities, with Stan Grist serving as bishop, Bert Young as first counselor and Bill Belcher as second counselor.

Belcher also took over for the week as teacher of the seminary, which includes young people 16 to 19 and meets each weekday morning from 6 to 6:45 a.m.

OTHER YOUTH stars taking part in the youth week program April 25 were Dan Kimbler, Dave Doncouse and Bob Every, who had served as Sunday school superintendent; Daryl Mann, Judy Belcher and Marsha Snow, relief society officers; Rita Young, Dana Harrison and Mary Fay Tanner, of the primary organization; Bruce Hildreth, Tom Viland and Jim Ryan of the Young Men's Mutual Improvement Association, and Dawnie Warren and Jan Emms of the Young Women's Mutual Improvement Association.

By The Rev. PAUL S. THOMPSON
First Baptist Church of Plymouth

In response to the article of March 27 issue by my respected colleague Dr. Henry Walch, I would like to offer some observations and comment. I do agree that part of the Church is doomed because for some reason a slow death has taken place.

The Church should not be simply an organization but should be a living organism with the power of God at work in the lives of people.

It is dangerous to make a generalization that "all churches and all denominations are dwindling" because that is not the case.

Baptists, Pentacostals, and other Evangelical Denominations have had a steady increase for the past few years. Our own church has more than doubled in the past three years.

The Free Methodist Church on Five Mile has had a steady increase and Calvary Baptist Church has increased about 15 per cent and mission giving has increased 20 per cent, to mention a few in Plymouth.

So, whereas some churches in our community might be experiencing a decrease, there are many others that are growing in a healthy way.

DR. WALCH seemed to indicate in the article, the activity of the church centered around social events and the collecting of pledges.

If the church becomes a social organization under the disguise of Jesus' teachings and does not communicate the heart of the Gospel - "The Good News" - of Christ whereby they can be transformed by the power of God's love, then that church cannot help but die.

It is like a man who has lost his own heart. I think Dr. Walch put his finger right on the problem when he said, "We have become more liberal." I believe that is why the Church per se is failing and losing its voice in society.

PEOPLE ARE STILL searching for an answer. They are still searching for peace; they are still searching for meaning in life.

Jesus Christ said, "I am come that you might have life and might have it abundantly," that is a rich and meaningful life. He also said "I am the Way, the Truth, and the Life."

The Bible says that Christ is not willing that any should perish but all should come to repentance. I believe if a church would begin to preach the simple

truth of the Bible in the power of God it will not have to worry about dwindling congregations and slumping budgets.

Christianity, according to the Bible, is a personal relationship with Jesus Christ. It is not a faith or a theology or a doctrine or a set of rules. It is a dynamic, personal experience with God through His Son, Jesus Christ.

THE BIBLE says that God put into effect a different plan to save us; He sent His Son to die in our place.

The Bible also says that if anyone is in Christ he is a new creation.

I believe the problem that exists in many churches today is that we have taken that dynamic truth and have watered it down to become a mere intellectual assent but our lives have not been changed by the power of God.

The word believe is not a matter of the mind, it is a matter of the heart. God's truth, being universal, can change and transform man just as much today as it did 2000 years ago. If that transforming power of Christ is not preached and experienced in the lives of people within any church that church is doomed.

Rev. Lester Kinsolving's

Religion Update

The Rev. Carl McIntire has become known in some quarters as "Cannonball Carl," due to his incessant demands for "total victory in Vietnam."

The far-right, ultra-fundamentalist pastor founder of the Bible Presbyterian Church of Collingswood, N.J., has attracted several reservoirs of printers ink and a small eternity of electronic media time in the press coverage of his assorted exploits.

He is at least colorful and undaunted - and thus rarely out of the headlines. Within three weeks of South Vietnam Vice President Ky's 11th hour withdrawal from one of his "Victory in Vietnam" rallies, McIntire had pulled off one of the most incredible coups in 20th century ecclesiastical history.

HE WAITED until there was a recess in the Pasadena convention of the American Council of Christian Churches (which he had founded - but from whose power structure he was recently ousted), then he and a few followers moved in. He grabbed the microphone, while they elected him president. And despite several shoving and shouting matches, interspersed with shrieks of "Piracy!", the wily McIntire has been able to tie up \$40,000 of the council's assets.

One month later, McIntire announced an infinitely more spectacular acquisition: his purchase of the Cape Kennedy Hilton, the adjoining convention hall and the nearby Boeing and Chrysler buildings. Estimated price: \$25 million.

Also participating in the discussions along with Dr. Gill and Fr. Fournier will be Harry Chisholm, Sister Jean Elizabeth, Gene Grabbe, Ray and Millie Geisert, John Burns, Lauretta Abel, Sister Margaret, Sister Mary Jo, Sister Mary Kathryn and the Rev. Ted Dion.

The first meeting May 3 will cover the discipline of the German Christian who died in Nazi prison. Subsequent sessions will deal with his action as a double agent for the Resistance, his suffering in prison and the letters he wrote, and his death.

Dr. Gill has described Dietrich Bonhoeffer as "a man for OUR season, a man between the times, between the worlds, between the culture's phases."

The program has proven successful in Missouri, Tennessee and California.

Chiles, a versatile speaker, has been interviewed on many TV programs and has appeared in more than 300 high schools, colleges and civic clubs across the country. He discusses such topics as love, peace, drugs, the sexual revolution, what youth are saying to us, and subjects of a religious nature.

Just how he acquired the financial wherewithal for this substantial deal remains an intriguing mystery. Yet McIntire had somehow been able to buy a considerable segment of Cape May, N.J., where state officials recently cracked down on his Shelton College.

Perhaps with this land as collateral, he is moving to Florida where he may regard state educational authorities as more charitable about such incidents as the Shelton academic dean who was recently exposed as having bogus credentials.

IN CALIFORNIA, however, another clergy land baron who, by comparison, puts McIntire into the minor leagues. The Rev. William Rust, a Methodist, is president of San Diego's United States International University (USIU), which is a recent - and spectacular - expansion of the former California Western University.

This private (and tax free) Methodist-affiliated corporation owns eight campuses: five in the U.S., plus Mexico, England and Kenya. Just exactly how much of this land has been given outright, or with no competitive bidding, by the U.S. Government to USIU (net worth 1970: \$17.7 million) has been of special concern to Sen. Mark Hatfield (R.; Ore.). For in both Wyoming and Oregon, USIU has been able to pick up former U.S. Air Force bases.

Salem, Ore. reporter Bud Morrison has reported a 1968 resolution of the USIU trustees, which gives to President Rust the power to buy and sell stocks, bonds and

securities for the university, and: "if he deems proper, to secure payments therefore with the property of this corporation," and "at his discretion to cause certificates of stocks, bonds and other securities, held in said account, to be transferred to the name of any officer hereinafter named."

Morrison also quotes Salem attorney Richard Lee as noting: "It is wide open. Any of these officers could end up with the stock or money in his name!"

LOS ANGELES' famed Methodist Bishop Gerald Kennedy told this writer that his jurisdiction's forthcoming conference in June will entertain a resolution that the Methodist Church sever all ties with USIU. Moreover, he confirmed reports that CPA Paul Lee, after investigating USIU for the church, reported that the Rust administration "was not supplying understandable financial reports."

In San Diego, President Reash was not available for comment. But Jack Reynolds, USIU director of public relations, commented angrily:

"We have asked the Department of Justice to come in - We are tired of slurs and innuendoes from a small group!"

Since he abhors innuendo, would he name any member of this "small group?" Reynolds: "No comment."

But he then added: "Have you talked to any Methodists besides Bishop Kennedy?"

As a matter of fact, yes - but what other Methodists did he have in mind? Reynolds: "No comment."

Bonhoeffer Subject Of Series

THE life and teachings of German theologian Dietrich Bonhoeffer form the basis for a series of four Monday evening sessions in the Mercy Center Noviate, 28800 11 Mile, Farmington.

Dr. Theodore Gill, author of the book, "Memo for a Movie: A Short Life of Dietrich Bonhoeffer" will lead discussion for the four evenings, beginning May 3.

The Rev. R.W. Fournier's adult education at Mercy is sponsor of the series. All meetings will be from 8 to 10 p.m.

THE REGISTRATION FEE, which covers the cost of the study book, film rentals and other materials, is \$6 for an individual or \$8 for a couple, and checks may be mailed to Fr. Fournier at 21300 Farmington Road, Farmington.

Also participating in the discussions along with Dr. Gill and Fr. Fournier will be Harry Chisholm, Sister Jean Elizabeth, Gene Grabbe, Ray and Millie Geisert, John Burns, Lauretta Abel, Sister Margaret, Sister Mary Jo, Sister Mary Kathryn and the Rev. Ted Dion.

The first meeting May 3 will cover the discipline of the German Christian who died in Nazi prison.

Subsequent sessions will deal with his action as a double agent for the Resistance, his suffering in prison and the letters he wrote, and his death. Dr. Gill has described Dietrich Bonhoeffer as "a man for OUR season, a man between the times, between the worlds, between the culture's phases."

Sale Coming

St. Mark Presbyterian Church, 26701 Joy, Dearborn Heights, will sponsor a rummage sale from 9 a.m. to 4 p.m. Friday, May 7, and from 9 a.m. to 12 noon Saturday, May 8.

The sale also will include bazaar items, baked goods and refreshments.

KNOWING HOW TO SEW and how to drive are two important requisites if you have a daughter involved in ballet. Mrs. Roy Valleskey of Livonia, left, is the mother of Carole Valleskey, and Mrs. Raymond Doty of Plymouth is the mother of Holly Doty. Both Carole and Holly are members of the Severo Ballet Company and will be seen in "Coppelia" Sunday evening, May 2, in Clarenceville's Louis E. Schmidt Auditorium. (Observer photo by Bob Woodring)

Ballet Mothers Busy Mothers

By BETTY MASSON

In the classic ballet movie "The Red Shoes," there's a scene where a gentleman comes backstage and finds two elderly ladies sitting and sewing. He asks them a question.

The reply is, "We don't know anything. We're just mothers."

It's a very funny line to two Observerland "ballet mothers," Mrs. Raymond Doty of Plymouth and Mrs. Roy Valleskey of Livonia.

But there's one element of truth in it. Both mothers do sew.

THERE THE RESEMBLANCE ends. It's evident that today's ballet mother has to be a championship driver, an efficiency expert, a navigator, a good mathematician and a good juggler.

And all these activities revolve around the two leading ballerinas of the Severo Ballet Company, Holly Doty, 15, and Carole Valleskey, who is 16. Both are appearing in the company's presentation of "Coppelia" Sunday evening in Clarenceville High School Auditorium. Carole takes the role of the heroine Swanilda and Holly plays the Coppelia doll and Dawn. Two weeks ago, at a performance in Livonia, the roles were switched.

For the mothers the most important thing to keep in mind is how the car pool operates, not how to execute a pas de deux. The Severo Ballet Studios are in Highland Park and lessons are required every day of the week Monday through Friday and sometimes Saturday. They begin at 6:30 p.m. and end at 8 or later.

Barbershop Chorus Wins

Under the direction of Gordon Limburg of Plymouth, the Wayne Wonderland Barbershop Chorus took top honors in competition in Traverse City April 24.

The chorus, composed of about 50 men, many from Observerland, brought home a Pioneer (Mich.) District Chorus Champion's trophy and individual ribbons were for each member. Twelve choruses were in competition for the championship.

The chorus practices Tuesday evenings in Plymouth's Central High School and Andy Allen of Westland is president of the Wayne Chapter of the SPEBSQSA.

In other events, two quartets, the Gentleman's Agreement, from Monroe and Detroit, and the Vagabonds of Oakland County, were chosen to compete in the international convention this year in New Orleans.

Ron Coden

Plans Concert

Folk singer Ron Coden will appear in concert at 9 p.m., May 22, in the Aaron DeRoy Auditorium of the Jewish Community Center, 18100 Meyers.

Tickets will be on sale at the door or in Room 667, University Center Building, Wayne State University. The concert is sponsored by WSU's B'nai B'rith Hillel organization.

the lessons go on all summer. It's then the company works on "setting" new ballets.

Then toe shoes alone are \$40 a month, and there are the leotards, tights, gasoline and out-of-town trips. The company is going to Jacob's Pillow, Pa., June 23 to 27 to take part in the Northeastern Dance Festival.

Besides saving through sewing, both Mrs. Valleskey and Mrs. Doty say they "eat a lot of ground beef and don't go out for dinner."

Both also claim that "ballet with Severo is a family affair." Sometimes it even becomes a neighborhood affair when a mother finds a car won't start and an accommodating neighbor lends hers.

BUT BOTH ARE well aware of the demands and needs of the rest of their families. With "kids who all pitch in and understanding husbands," they have time to participate in all the other activities mothers find themselves involved in, music lessons, school outings and so on.

Mrs. Valleskey, who once taught ballroom dancing among other classroom subjects, is anxious to go back to teaching in Livonia. She plays golf too.

In both cases, too, the brothers are very proud of their sisters.

Mrs. Valleskey says she was told when she was young that "busy hands are happy hands. . . we're sure happy," she adds with a smile.

Is it worth the effort? The girls may never become great ballerinas. They may find themselves forced, as in "The Red Shoes" to choose between marriage and a career. They may find themselves wanting time for other things.

The mothers claim it's worthwhile just the same. "The discipline they are learning will stand them in good stead the rest of their lives," say today's ballet mothers.

Tickets for the 7:30 performance of "Coppelia" will be sold at the box office or may be obtained from Mrs. John J. Slatin, 20394 Louise, Livonia.

LRTC Plans Sale May 15

The Livonia-Redford Theatre Guild will hold a rummage sale Saturday, May 15, in the guild headquarters, 15138 Beech-Daly, Redford Township. The sale will run from 10 a.m. to 4 p.m.

Those wishing to make donations are asked to call Mrs. William Cowen, 7728 Lear Court, Westland.

Alumni Club Plans Dance

The Catholic Alumni Club of Detroit will hold a May Singles Mingle Dance Friday, May 7, from 9 p.m. to 1:15 a.m., in Stouffer's Northland Inn, I-96 at Eight Mile Rd.

All singles over 21 are invited. Music will be by the Princetons.

THIS CREW will be singing as they work. On stage, that is, at Franklin High School, 31000 Joy Rd., Livonia, the evenings of May 7 and 8. Members of the Suburban Choral they are (standing left to right) Helene Chambo of Livonia, Janet Glass of Redford Township, and Amelia Podala of Detroit. Front row: Dee Burns

of Southfield, Gerry Zandi of Livonia and Margaret Melnick of Detroit. The song they're singing is "There's Nothing Like a Dame" from "South Pacific." Tickets are on sale at the Livonia Parks and Recreation Department and will be sold at the door at the 8 p.m. performances.

Chorale Plans Tribute

A tribute to Richard Rodgers is the theme of the annual spring show of the Suburban Choral this year.

"Rodgers With Heart" will be presented Friday, May 7, and Saturday, May 8, in Franklin High School, 31000 Joy Rd., Livonia. The show

will begin at 8 each evening.

TICKETS ARE available at the Livonia Parks and Recreation office, and from members of the chorale, and at the door. They are \$1.50 for adults and 50 cents for students and senior citizens. This year, children of

members will take part in the evening of songs, dances and skits. On stage will be Livonians Karen and Terry Dukatz, Lisa Fuss, Colleen Wilson, Veronica Zandi, Sandy Ellsworth and Juli Greenfield, along with Sherry Glass of Redford Township, Bernice Smith of Plymouth, Shelley Branch of Garden City and Lynn Hogarth and Debra Newby of Westland.

They will perform the "March of the Siamese Children," in a part of the program called the Oriental section. Besides "The King and I," songs from "South Pacific" and "Flower Drum Song" will be heard.

THE FIRST SECTION will be composed of excerpts from "The Sound of Music." Many other popular Rodgers' melodies will be heard in the finale, labeled "State Fair."

Dave Butler, baritone, will be starred again this year, singing with the 50-voice chorale. He is a teacher at

Livonia's Bryant Junior High School.

The chorale, a women's singing group is sponsored by the Livonia Department of Parks and Recreation, but includes members from many suburbs.

They rehearse every Wednesday evening in Clarenceville High School, under the direction of Carol Hornung. June Ratkewicz is the accompanist.

The organization is open to any woman interested in singing, music and fun. All interested in joining should call Mrs. Thomas Tituskin, 11330 Hillcrest, Livonia.

A group within the Chorale, known as the Purple Gang or the Choralettes, will take part in National Music Week activities by singing at the Livonia Mall Monday, May 10, at 1:30 p.m.

The Chorale will also sing in Wonderland Shopping Center May 20, at 7:30 and 8:30 p.m., as part of Michigan Week observances.

Bride Wears Mother's Gown

Linda Kay Arnold wore her mother's wedding gown and veil when she became the bride of Paul C. Densmore in an evening ceremony March 12 in Our Lady Queen of Martyrs Catholic Church in Beverly Hills.

The bride is the daughter of Mr. and Mrs. Kenneth Arnold of Birmingham. Mr. and Mrs. Walter Densmore of Plymouth are parents of the bridegroom.

The Rev. Arnold Kosco officiated, and the bride's father escorted her to the altar.

WHITE SLIPPER satin fashioned the bridal gown, designed with a beaded sweetheart neckline, fitted bodice and flowing train. A tiara held the bride's veil, and she carried a bouquet of long-stem red roses.

The bride's three sisters, wearing gowns with lavender skirts and white bodices and carrying single red roses, were her attendants.

Mrs. Diane Quinn served as matron of honor, and Mary and Karen Arnold were bridesmaids.

The best man was Thomas Abbott. The bride's brothers, Walter and Jay Densmore, seated the guests.

MRS. ARNOLD chose a pink brocade gown for the

occasion, and Mrs. Densmore was in an apricot peau de soie gown with a white chantilly lace bodice.

The Knights of Columbus hall in Southfield was scene of the reception for 200 guests. The couple went to Fort Lauderdale for a two-week honeymoon before re-

Delegates to the Continental Congress held in Washington April 19 to 23 will report at a meeting of John Sackett Chapter, Daughters of the American Revolution, Saturday, May 8.

Four of the strongest teams in the metropolitan area will bid for the national women's title this week in the WIBC tournament in Atlanta, Ga.

Among them will be the Thunderbird Inn team that bowed under the sponsorship of Farm Maid in the closing days of the season. The others will be Anita Cantaline's Jac Ro team, Motown Records, Maxine Cruchon's Helin Tackle combination and Helen Weston's group.

Ann Setlock, the new bowling queen will be bowling with Farm Maid and will make a strong bid for the singles and all-events titles.

ALTHOUGH the season is not quite completed the Stroh team, champion of the All-Star Classic, that appears in Observerland throughout the year, has made a switch in its lineup for next year.

Dale Seavoy, the slender pin toppler, who quit the team three years ago to join the pro tour, is returning to replace Jack Born.

Born, who recently purchased Northville Lanes, resigned to give more time to his business.

FRED VITALI, who is enjoying a high scoring spree in the late stages of the season fired another 700 series during the week.

Competing in the Westland Classic he linked games of 227, 235 and 256 for a 718 and beat out Bob Benson by 18 pins.

Benson tried hard to overtake him, but even a closing game of 266 wasn't enough.

Fred Ringrose was well on his way to be top man with

games of 288 and 250. He dropped to 288 in the final and had to be content with 685 and third place.

FOUR OTHER 700s were registered during the week. Two came in the Garden Classic and the other two at Bel Aire Lanes.

Bowling in the Classic at Garden Lanes, Bob Voss set the pace for the area with a 789 count on games of 288, 254 and 245, while Jim Lloyd had a 288 in 742 to pace the Senior House League.

At Bel-Aire, Vito Petral opened with a 267 for a 706 and Bill Kempton added a 702. Other high scores at Bel-Aire included Tom Schron with 268 in 691, and Paul Katas with a 268 in 689.

Following the two leaders at Garden Lanes were Larry Brandt 690, Dan Campbell 678, Charles Kuczyda 675, Harvey Wilson Sr. 659, Jack Espar, 653, Jack Dixon 650, John McKillop 638 and Al Messacar 652.

GLEN YOUNG, 10-year-old son of Mr. and Mrs. Donald Young who has been bowling for three years, stole the show in the Coke League at Bel-Aire.

He posted his first 200 game — a 206 for a 672 series in the bantam division of the league. He is a fifth grader at Kenbrook School in Farmington.

JACK BROWN is well on his way to establishing some sort defined the restaurant as of a record in the suburban classic leagues.

With only a few weeks to go he is leading the averages in the Bel-Aire Classic with 207, and the Senior House League with 212.

Seldom does a bowler take top honors in two star circuits.

MARY LOU KEATING was well on her way to a big series in the Thursday Mixed League at Bel-Aire when she started with games of 216 and 214.

Then the pressure caught her and she slumped to a 148 for 578.

Meanwhile, Barbara Hunt posted her first 500 series in the league with games of 155, 184 and 175 for 514.

"Okie" Osterstrom, who has been sponsoring teams in Livonia for these many years, helped his team take the Classic title at Livonia Lanes. Stan Tracy was high man on the team.

PAT STEVENSON took "over-average" honors at Mayflower Lanes.

With a 157 average she registered counts of 222, 174 and 192 for a 588.

Sharing honors was Carol Kolodge who went 100 pins over in a single game with a 234.

RICK MONTES ran away with top honors in the Teen Classic at Merri-Bowl when he linked games of 221, 220 and 139 for a 580.

Trailing were Randy Smith, 557, Rip Pomaville 553, Gary Cockfield 235 and Gary Allen 213.

At Farmington Lanes Vicki Kattani topped the Prep girls with a 177 in 490.

Frank Sherman took the week's single game scoring honors at Cloverlanes with a 264. Behind him were Charles Woolcock with 256 and Robert Urban with 250.

Waterford Ends Falcon Streak

If you live by the sword, as they say, well, you have to expect it might be slashed back at you some day.

Well, it has, for the Farmington High baseball team.

The Falcons won their first four league and five straight games, by one-run margins.

They added to their streak by slipping Pontiac Northern, 2-1, to take sole possession of first place in the Inter-Lakes Conference.

But Waterford turned the tables, stopping the streak with a 2-1 verdict, and also tied Farmington for the league lead — each with a 3-1 record.

JOHN FLEMING, a senior right-hander posted his fourth win of the season and third in league play in the victory over Pontiac Northern.

He allowed four hits, struck out seven and walked one.

It wasn't until the fifth inning that the Falcons broke into the scoring column when John Holappa, who tagged three hits, tripled and scored on Ray Foster's sacrifice fly.

In the sixth, Randy Eckerman was safe on an error, went to second on a stolen base, to third on a passed ball and scored on Paul Kupferschmidt's sacrifice fly.

Then Holappa's double, an error and Mike Flynn's sacrifice

fly produced what proved the winning run in the seventh.

PONTIAC NORTHERN gave Fleming and Farmington a scare in the bottom of the seventh, leading the bases, scoring one run and seeing the count go to three-and-two on the final batter before Fleming struck him out.

Tom Hegan was the losing pitcher against Waterford, although he allowed five hits and fanned nine. Randy

Bonneau, the winner, was touched for four hits.

Farmington's only run came in the fourth when Foster, Ray Weston and Eckerman combined to tie the score at 1-1.

It remained that way until the seventh when Rick Foster singled and then was tagged at second by Bonneau. Bonneau went to second on a sacrifice fly and wheeled the rest of the way with the winning run on Dennis Eagles' single.

RU's Randy Fergerson Hangs Up 7th Victory

Seven victories in a season would make any high school pitcher happy.

Randy Fergerson of Redford Union already has seven and the season is hardly half completed.

He posted No. 7 without a loss by beating Plymouth, 4-1.

The victory kept the Panthers atop the Suburban Six League standings with a 4-0 record.

FERGERSON DID have one streak snapped. He was touched for the first earned run in four league games when Steve Straley doubled and

came home on Howie Selwyer's single in the fourth inning.

Redford Union scored in the third when Rob Campbell singled, R.J. ReJoux tripled and Mickey Robinson singled.

In the fifth Robinson walked, Bill Becker made it

three-for-three with his third single, the two pulled off a double steal and Bill Herbert doubled them in.

Brad Truax started for Plymouth and lasted until the fifth inning.

Fergerson allowed six hits, walked six and struck out six.

MEANTIME, Bentley's defending league champions finally notched their loop win after losing three in a row by routing Trenton, 9-0.

Bill Duncan tossed a three hitter, fanned seven and walked one in turning in the

best pitching effort of the season by a Bentley pitcher.

Bentley took a 2-0 lead in the first inning after two were out when Al Hernandez was safe on an error, Bob Sitkauskas tripled and Ed Leavell was safe on an error.

Then in the second, Bentley added another run when John Gantz was hit by a pitch. Duncan singled him to third and Bill Becker squeezed him in.

That's the way the score stood until the seventh when

Duncan singled to lead off a six run explosion for Bentley. After Becker walked, Paul Sevigny was safe on an error to join the bases.

Hernandez cleared the bases with a triple, Leavell followed with a single, Ken Grant was safe on a fielder's choice and John Spreitzer singled to wrap up the uprising.

Franklin, Glenn Thurston In Tie

There's a collision atop the standings in the Northwest Suburban baseball standings.

With the season approaching the halfway mark Monday, three teams — Livonia Franklin, Thurston and John Glenn — share the top spot.

Each has a 3-1 record after Franklin ended Glenn's winning ways, 6-0, while Thurston turned back Oak Park, 9-2.

GLENN HAD WON three straight in the league to set the early pace, but in the game against Franklin, Glenn simply found pitcher Tony Kaseta, too much.

The Kaseta statistics pretty much told the story of how the game went. He allowed two hits — the first to Roger Sanders in the fifth inning and the second to Mike Borders in the seventh.

Meantime, Franklin gave Kaseta some working room by scoring twice in the third inning

and then notching four more runs in the fifth.

John Grills singled in the third and came around when Tom Battistone parked a homer into deep right field.

Then in the fifth, Grills started things again with a single. Battistone unloaded again — this time with a triple — to score Grills. Don Opland and Paul Sopsich followed with singles and Rob Hollandsworth a double to wrap it up for Franklin.

STEVE KREAGER hurled his third win against one loss in Thurston's easy win over Oak Park.

Neither of Oak Park's runs were earned as Kreager scattered two hits, fanned nine and walked five.

Thurston shot in front in the first, scoring runs on walks to John King and Dennis Poppenger, a two run double by Larry Poma and an error.

Ridge Nine Loses Twice; Golfers Win

Ed Easterby, Al Tipton and Dick Kallis each shot a 78 as Orchard Ridge of Oakland Community College downed Jackson CC, 315-316.

Orchard Ridge now has won 13 while losing only twice. Meantime, Orchard Ridge's baseball team dropped both ends of a doubleheader to Macomb CC, 11-0 and 1-0.

In the fourth, Kreager helped his own cause when he socked a homer after John Stein was safe at first on an error.

Then Thurston pushed over four more runs in the sixth when Bruce Holben singled, Ken Chopek walked and John King walked to fill the bases.

Scott Irwin singled in two runs, another came in on an error and the fourth and final run of the inning crossed after Don Murdock doubled.

Mike Gee's One Hitter Wins For Stevenson

It may be too early to count Stevenson High out of the Inter-Lakes Conference baseball race.

After losing three in a row in the league, one by a 17-0 score, Stevenson has bounced back to win two straight, blanking Southfield Lathrup, 5-0, behind the brilliant pitching of Mike Gee.

Gee stopped Lathrup on one hit — a fourth-inning single by Lyle Harper.

Otherwise, Lathrup batters couldn't touch Gee who struck out 12 and walked one.

THE GAME WAS played in the rain and Lathrup hoped to have the umpires stop the proceedings, but a succession of stalling tactics failed to succeed.

"We didn't want the game postponed," said coach George

Van Wagener of Stevenson. "Under our new rules, we don't make up postponements."

This year teams in the league are playing 15 conference baseball games, instead of 10 as heretofore.

Stevenson scored its first run by leading the bases on a walk to Tom See, a single by Frank Gelmo and an error putting Gee aboard before Mike Kelfer delivered a sacrifice fly.

Then Isaacs followed in the next inning with a homer. When John Lewis singled, Terry McElroy walked, See was safe on an error and Lathrup was guilty of a couple wild pitches, Stevenson counted three more times.

Isaacs singled, went to third on an infield out and scored Stevenson's final run on McElroy's perfect squeeze bunt.

Bentley Beats Two City Rivals

Bentley High's golf team won an all-Livonia triangular meet with 255 to 256 for Stevenson and 263 for Franklin.

The nine-hole scores of the top six men on each team were used in compiling the scores.

Larry Lofler, of Franklin, shot a 38 for individual honors. Mark Zalazny topped Bentley with a 39 while Tom Sheldon and Brian Gates followed with 42s. John Broeder was low for Stevenson with a 41.

Hard To Beat

Wayne State University 1971 senior wrestling captain Ed Barnett closed his dual meet career with a 43-5-2 record.

Franklin Track Express Continues Undefeated

Six meets...six victories. So it goes for coach Bob Holmes and his Franklin High track team.

The latest win came at the expense of Oak Park, 80-38, as Franklin demonstrated its balance. Not a single member of the winning team captured more than one event.

The victory kept Franklin tied with Birmingham Groves for the Northwest Suburban League lead. The showdown

between the schools comes on May 13 when the two clash at Franklin.

Once more the Jinnett brothers of Franklin ran another exciting race with Mike beating Joe in the 440-yard run. The time for the winner was 52.3 seconds.

The Franklin results: Long Jump: 3-Banks. Shot Put: 1-Craig. Distance: 50 feet, 6 inches. 800-yard relay: 1-Franklin (McKinnis, Flanagan, Yuhaz, M. Jinnett). Time: 1:23.4.

Versatile Mahalic Shows Why He's Great Athlete

The University of Notre Dame will get more than a football star when North Farmington High's Drew Mahalic enrolls on the South Bend campus next fall.

Mahalic, named all-state quarterback last fall and also the prep grider of the year after leading the Raiders to a perfect 9-0 record and the state title, has decided on playing for the Irish.

Judging by what he has done in track this spring, he should come in handy on the Notre Dame team, too.

He won the low hurdles and the 220-yard dash and came in second in the 100-yard dash and third in the shot put despite the fact North Farmington lost to John Glenn in a Northwest Suburban League dual meet, 60-55.

The meet results: Shot Put: 1-Fauling (NF), 2-Crowe (NF), 3-Mahalic (NF). Distance: 50 feet, 8 inches. Long Jump: 1-Young (G), 2-Moore (NF), 3-Dhuo (NF). Distance: 19 feet, 6 inches. High Jump: 1-Douglas (NF), 2-Chatham (G), 3-Barnes (G). Height: 5 feet, 4 inches. Pole Vault: 1-Dhuo (NF), 2-Gale (G), 3-Duncan (NF). Height: 11 feet, 6 inches. 800-yard relay: 1-NF (Dew, Dwyer, O'Grady, Leachwood). Time: 1:42.4.

W. Bloomfield Hands C'ville Third Loss

West Bloomfield High's baseball team tagged Clarenceville with its third Wayne-Oakland League loss, 5-2.

The winners scored three times in the fourth inning on two hits, along with three errors—all the miscues coming on the same play.

Clarenceville went runless until the sixth inning when two errors and a single by Bob Prick produced a score.

Then in the seventh inning with two out, Larry Laird walked, Glen Norman singled and Darrell Evans also singled to wrap up the Clarenceville scoring.

800-yard: 1-Smith (G), 2-Beatty (G), 3-Dhuo (NF). Time: 2:08. High Hurdles: 1-Sabaugh (G), 2-Gale (G), 3-Chatham (G). Time: 1:16.3. Mile: 1-Winterbottom (NF), 2-Martin (G), 3-Berry (G). Time: 4:42.2. 100-yard: 1-Young (G), 2-Mahalic (NF), 3-Krus (G). Time: 52.5. 440-yard: 1-Moore (NF), 2-Dhuo (NF), 3-Hall (G). Time: 54.4. Low Hurdles: 1-Mahalic (NF), 2-Sabaugh (G), 3-Chatham (G). Time: 19.8. Two Mile: 1-Leachwood (G), 2-Foust (G), 3-Old (G). Time: 10:22.2. 220-yard: 1-Mahalic (NF), 2-Young (G), 3-Sabaugh (G). Time: 23.6. Mile relay: 1-Glenn. Time: 3:42.8.

Mark Maloney starred for Churchill when he won both the dashes.

Churchill's strong point in the meet came in the two mile in which the Livonians placed one-two-three with ace Maude Kurtis again the winner, this time in the blazing time of 9:47.8.

How Churchill fared:

SHOT PUT: Tied for third — Carroll.

LONG JUMP: 1 — Fought. Distance: 19 feet, 11 1/2 inches. 800-YARD: 2 — Winderwald, 3 — Sabaugh. Time: 4:47.1. 100-YARD: 1 — Maloney. Time: 10.8. 440-YARD: 1 — Kahn. Time: 52.2. HIGH JUMP: 3 — Maude. LOW HURDLES: 2 — Fudge. POLE VAULT: 2 — Arnold, 3 — Dhuo. TWO MILE: 1 — Kurtis, 2 — Kaplan. Time: 9:47.8. 220-YARD: 1 — Maloney, 3 — Belonger. Time: 23.4.

Sorrows Shares Division Lead With 3 In Row

Since this is to be Our Lady of Sorrows final spring of high school sports competition, what nicer way would it be than to go out a champion in baseball.

It could happen because Sorrows has a 3-0 lead in the Northwest Division of the Catholic League and shares the top slot with St. James of

Ferndale after beating Waterford Our Lady, 6-1.

The high school portion of Sorrows will close its doors after the current semester ends which no doubt stimulates an all-out effort by the baseball players.

Tom Centers came up with his third win of the season in holding Waterford to only three hits.

Centers was given a five-run lead in the first inning when Bill Walecky walked, Centers was safe on an error, Newt Hurst and Dave Urbain singled for two runs.

Then Jeff Main rapped a three-run homer to finish the inning.

In the third inning after Hurst walked and stole second, Urbain singled him in.

3 Boards Back At-Large Election For Schoolcraft

By KATHY MORAN

After three endorsements, a plan to have Schoolcraft College trustees elected on an at-large basis is gaining momentum.

The State Board of Education and the Schoolcraft Board of Trustees officially endorsed an at-large election Wednesday. State Rep. Marvin Stempien (D-Livonia) suffered a setback in his bill to have trustees elected from seven single-member districts on Thursday.

The State Board endorsed the at-large election by a 3-2 vote after a subordinate board committee on community colleges reported it favored at-large elections.

SCHOOLCRAFT'S current board adopted 7-1 a resolution

to submit an at-large election plan to Wayne County Circuit Court on June 1.

The board had been ordered by Circuit Judge Roland Ozark to submit a reapportionment plan by that date to make trustee elections in keeping with the "one-man, one-vote" constitutional requirement. Five board members represent school districts of varying sizes rather than equal population districts.

In the same resolution, the board endorsed the bill introduced into the Michigan Senate by Sen. Carl Pursell (R-Plymouth) which calls for an at-large election of nine trustees.

The House committee on colleges and universities discussed but did not act on

Stempien's bill calling for the division of all community college districts into equal population districts, each with one trustee representative.

STEMPIEN TOLD the committee his plan would make trustee elections "more representative" and would make them uniform throughout the state. Under his plan, 27 of the state's 29 community college districts would have to re-district. Twenty-six districts now elect trustees at-large.

Stressing that his bill would give an advantage to minority groups because they would compete in much smaller districts, Stempien said it would avoid "a tyranny of the majority."

Dr. Eric Bradner,

Schoolcraft's retiring president, testified against the bill at the hearing, saying that Stempien's plan was unworkable because of the lack of adequate census figures.

Stempien said he had been assured by a member of the State Elections Department that the figures could be made available.

MISSING FROM the hearing were members of the New Democratic Coalition of Livonia who had initiated the court action against Schoolcraft College to force reapportionment before the trustee election.

Twenty-seven minor amendments to the bill establishing election procedures were approved by the committee. But when it

appeared there were too few votes to report it out of committee, the meeting was adjourned.

Afterwards, Rep. Daisy Elliott (D-Detroit), committee chairman, said, "I expect it to be reported out of committee next week."

The amended bill calls for a November election of trustees after an apportionment plan is submitted by Aug. 15.

Both Pursell's bill and the board's resolution call for a Sept. 13 trustee election with the new offices effective Oct. 4.

THE SCHOOLCRAFT board voted 7-1 to submit the plan calling for the election of six board members at-large and the retention of the three who already hold at-large seats.

The terms of office would be staggered with two expiring in 1973, one in 1975 and three in 1977. Together with the three present at-large trustees (Dr. R. Robert Geake, Dr. George Martin and John LaRue), three terms would expire each election.

The board's resolution gave as factors in its decision the absence of accurate census figures and their attorney's advice that "any plan calling for election of trustees from several single-member districts would be cumbersome, expensive and of short-term validity due to rapidly changing population in some areas."

THE DISSENTING vote was cast by Dr. James Boswell, Livonia trustee who was attending his first regular board meeting since March 1970.

Boswell told the board it was "presumptuous" for them to act on anything but the reapportionment question and that it was "curious that you are acting on your lawyer's advice now when you didn't in the past."

The board had previously been advised by the attorney, Edward Draugelis, that it was in apparent violation of a U.S. Supreme Court decision, but the board failed to act for 13 months until the NDC filed suit.

MACAW CLIPPED—Charles Costa clips Ya Ya's wings to make sure he doesn't leave again. (Evert photo)

The Travels of Ya Ya

A South American golden macaw, one of several pets belonging to the Charles Costa family of Southfield, is back on his home perch after four days and three nights pursuit a week ago.

The bird flew from tree to tree in Southfield and Farmington. The Costas and their six children got help from Southfield police and fire departments, the Audubon Society, the Detroit Zoo, and "thousands" of concerned spectators.

The chase began when Ya

Ya, a colorful native South American bird conspicuous in its foreign environment because of its piercing screech and 48-inch wing span, took off from the Costa home near Nine and Beech Daly and flew into the horizon.

What followed was an almost constant chase by Costa and his many helpers during the next four days.

THE HUGE gold and blue bird attracted about as much attention as would be expected, and the Costas and

police were kept busy with calls from curious spectators and traffic jams caused by motorists who noticed Ya Ya and stopped for a longer look.

What finally coaxed the big bird within reach was not the diligent efforts of his pursuers, however, but the inducement of the Costas' other macaw, Roho, who was brought along on the chase for "bait."

Ya Ya and friend are home and safe again. And thanks to a wing-clipping from his tired owner, he's likely to stay this time.
